

WITNESS
0111501

1
00:00:18,470 --> 00:00:16,229
i'm witnesses

2
00:00:20,750 --> 00:00:18,480
[Music]

3
00:00:40,250 --> 00:00:20,760
witnesses

4
00:00:44,980 --> 00:00:42,830
[Music]

5
00:00:51,510 --> 00:00:44,990
witnesses

6
00:00:55,110 --> 00:00:51,520
[Music]

7
00:00:58,389 --> 00:00:55,120
what's up everyone happy monday

8
00:01:01,590 --> 00:00:58,399
it is the start of what's gonna be

9
00:01:04,229 --> 00:01:01,600
a fantastic week

10
00:01:05,030 --> 00:01:04,239
um and i am so much looking forward to

11
00:01:08,630 --> 00:01:05,040
it

12
00:01:11,429 --> 00:01:08,640
brown today

13
00:01:12,550 --> 00:01:11,439

which is fantastic he's been on the show

14

00:01:15,670 --> 00:01:12,560

once

15

00:01:17,670 --> 00:01:15,680

uh before and we had a really great time

16

00:01:20,950 --> 00:01:17,680

it was a great talk

17

00:01:24,870 --> 00:01:20,960

um and i just

18

00:01:27,429 --> 00:01:24,880

wait hold on what is this

19

00:01:29,310 --> 00:01:27,439

what is that emoji is that like a chimp

20

00:01:31,670 --> 00:01:29,320

farting or something

21

00:01:35,670 --> 00:01:31,680

[Laughter]

22

00:01:38,789 --> 00:01:35,680

yeah but um i don't know if you

23

00:01:41,830 --> 00:01:38,799

um did you guys see

24

00:01:45,350 --> 00:01:41,840

the video i played um

25

00:01:48,789 --> 00:01:45,360

where the first

26

00:01:51,910 --> 00:01:48,799

special guest is what's up jd

27

00:01:55,190 --> 00:01:51,920

um lou elizondo

28

00:01:57,510 --> 00:01:55,200

is coming here on thursday uh

29

00:02:01,590 --> 00:01:57,520

so that should be really neat i am

30

00:02:05,030 --> 00:02:04,389

um i've wanted to have him on the show

31

00:02:08,229 --> 00:02:05,040

for a while

32

00:02:11,430 --> 00:02:08,239

so um it's it's pretty neat that that

33

00:02:13,350 --> 00:02:11,440

will be happening so um

34

00:02:14,790 --> 00:02:13,360

look for that on thursday today we have

35

00:02:18,390 --> 00:02:14,800

scott brown tomorrow

36

00:02:21,830 --> 00:02:18,400

we have uh mark fiorentino

37

00:02:23,690 --> 00:02:21,840

uh we also have steve bassett tomorrow

38

00:02:25,110 --> 00:02:23,700

that it's going to be in the evening

39

00:02:27,670 --> 00:02:25,120

[Music]

40

00:02:29,270 --> 00:02:27,680

um and then on wednesday we have jessie

41

00:02:30,869 --> 00:02:29,280

peake who is a move on field

42

00:02:34,229 --> 00:02:30,879

investigator

43

00:02:34,470 --> 00:02:34,239

um so that should be cool um thursday we

44

00:02:38,790 --> 00:02:34,480

have

45

00:02:41,910 --> 00:02:38,800

nick pope and lou elizondo

46

00:02:43,589 --> 00:02:41,920

um so spread the word tell people um so

47

00:02:45,670 --> 00:02:43,599

that they come to subscribe and

48

00:02:47,350 --> 00:02:45,680

and watch this week and it doesn't pass

49

00:02:48,470 --> 00:02:47,360

them um

50

00:02:50,790 --> 00:02:48,480

you know because that would be

51
00:02:51,670 --> 00:02:50,800
unfortunate because we have such great

52
00:02:54,710 --> 00:02:51,680
guests

53
00:02:58,149 --> 00:02:54,720
and this is going to be

54
00:03:01,350 --> 00:02:58,159
you know probably as far as

55
00:03:05,190 --> 00:03:01,360
uh guests go um probably my

56
00:03:08,710 --> 00:03:05,200
best week my most

57
00:03:10,470 --> 00:03:08,720
packed week um for sure

58
00:03:12,070 --> 00:03:10,480
a couple of the guests that are on this

59
00:03:15,350 --> 00:03:12,080
week um

60
00:03:18,550 --> 00:03:15,360
are featured in a netflix documentary

61
00:03:21,350 --> 00:03:18,560
that trailer just came out for um

62
00:03:21,910 --> 00:03:21,360
which would be steve bassett nick pope

63
00:03:28,390 --> 00:03:21,920

um

64

00:03:29,750 --> 00:03:28,400

some yeah that's it's gonna be a great

65

00:03:34,470 --> 00:03:29,760

week

66

00:03:38,550 --> 00:03:34,480

um friday we have david marlar

67

00:03:41,270 --> 00:03:38,560

so that is great so once again

68

00:03:42,470 --> 00:03:41,280

um today we have scott brown tomorrow we

69

00:03:45,910 --> 00:03:42,480

have

70

00:03:47,910 --> 00:03:45,920

uh mark fiorentino and steve bassett

71

00:03:49,030 --> 00:03:47,920

wednesday jesse peak move on it field

72

00:03:51,430 --> 00:03:49,040

investigator

73

00:03:53,190 --> 00:03:51,440

thursday we have nick pope back to back

74

00:03:55,429 --> 00:03:53,200

and then lou elizondo

75

00:03:57,670 --> 00:03:55,439

and on friday we have david marlar king

76

00:04:01,030 --> 00:03:57,680

of the triangle ufos

77

00:04:03,750 --> 00:04:01,040

um so it is

78

00:04:05,030 --> 00:04:03,760

like almost like all the guests that

79

00:04:08,949 --> 00:04:05,040

would want just crap

80

00:04:12,550 --> 00:04:08,959

crammed into a few days here

81

00:04:15,350 --> 00:04:12,560

so that

82

00:04:17,110 --> 00:04:15,360

is pretty cool it's a jam-packed week

83

00:04:20,629 --> 00:04:17,120

that's for sure

84

00:04:24,950 --> 00:04:20,639

um so what do you guys

85

00:04:27,830 --> 00:04:24,960

think of

86

00:04:28,390 --> 00:04:27,840

did you guys watch the greer um the new

87

00:04:32,629 --> 00:04:28,400

greer

88

00:04:41,270 --> 00:04:37,510

yeah what a week it is fantastic

89

00:04:42,070 --> 00:04:41,280

i'm super excited um yeah the greer

90

00:04:45,189 --> 00:04:42,080

documentary

91

00:04:48,310 --> 00:04:45,199

i haven't finished it um what's up tim

92

00:04:51,350 --> 00:04:48,320

how you doing buddy um i have not

93

00:05:00,629 --> 00:04:54,870

um but the beginning

94

00:05:07,189 --> 00:05:03,749

what's claimed to be an alien

95

00:05:11,510 --> 00:05:07,199

autopsy and

96

00:05:13,510 --> 00:05:11,520

it's most likely just the person

97

00:05:14,550 --> 00:05:13,520

so that wasn't a good start i put a bad

98

00:05:18,469 --> 00:05:14,560

taste in my mouth

99

00:05:22,390 --> 00:05:18,479

um yeah i saw that

100

00:05:22,400 --> 00:05:27,430

pretty hardcore yeah so

101
00:05:31,430 --> 00:05:30,310
you know for him he he's got to show

102
00:05:34,469 --> 00:05:31,440
some sort of

103
00:05:35,830 --> 00:05:34,479
proof i think as far as elizondo and

104
00:05:37,749 --> 00:05:35,840
ttsa

105
00:05:41,029 --> 00:05:37,759
and that this is happening i mean i

106
00:05:43,909 --> 00:05:41,039
don't know where the proof is

107
00:05:44,390 --> 00:05:43,919
i know the allegations in bringing

108
00:05:48,230 --> 00:05:44,400
together

109
00:05:49,590 --> 00:05:48,240
circumstantial things um that fit a

110
00:05:53,670 --> 00:05:49,600
narrative but i'm not

111
00:05:56,950 --> 00:05:53,680
is there actual proof of any of it

112
00:05:59,110 --> 00:05:56,960
i'm not sure you know i haven't seen

113
00:06:03,189 --> 00:05:59,120

anything

114

00:06:06,469 --> 00:06:03,199

so but he also said that he

115

00:06:10,390 --> 00:06:06,479

uh briefed trump and

116

00:06:16,870 --> 00:06:10,400

vladimir putin what the hell is he

117

00:06:23,110 --> 00:06:19,990

um i'm sure i mean due to how long

118

00:06:26,469 --> 00:06:23,120

russia has been looking at this stuff

119

00:06:27,350 --> 00:06:26,479

i don't think he wouldn't he would need

120

00:06:29,830 --> 00:06:27,360

to brief him

121

00:06:32,830 --> 00:06:29,840

wouldn't he be informed already by his

122

00:06:35,510 --> 00:06:32,840

own intelligence agency

123

00:06:37,029 --> 00:06:35,520

probably but yeah that's pretty weird so

124

00:06:39,270 --> 00:06:37,039

he's briefing trump and putin

125

00:06:40,309 --> 00:06:39,280

that's but you know what's real what

126
00:06:42,710 --> 00:06:40,319
isn't he was having an

127
00:06:43,590 --> 00:06:42,720
autopsy on a human to start the thing so

128
00:06:46,790 --> 00:06:43,600
what is

129
00:06:49,350 --> 00:06:46,800
reality with i don't know you know and

130
00:06:53,589 --> 00:06:49,360
he kind of makes it uh

131
00:06:55,350 --> 00:06:53,599
um scrambled enough

132
00:06:56,629 --> 00:06:55,360
to where it's hard to make sense of what

133
00:06:59,510 --> 00:06:56,639
is real and and

134
00:07:00,230 --> 00:06:59,520
what isn't because there is you know

135
00:07:03,510 --> 00:07:00,240
great

136
00:07:07,510 --> 00:07:03,520
uh witnesses and people in there um

137
00:07:11,670 --> 00:07:10,710
um trustworthy and i can't say they

138
00:07:15,189 --> 00:07:11,680

aren't or whatever

139

00:07:16,790 --> 00:07:15,199

but he definitely brings in

140

00:07:18,629 --> 00:07:16,800

you know and he says in the movie

141

00:07:19,189 --> 00:07:18,639

because counter-intelligence you got to

142

00:07:22,309 --> 00:07:19,199

have enough

143

00:07:24,710 --> 00:07:22,319

you got to have something something real

144

00:07:30,550 --> 00:07:24,720

and then the rest isn't so it kind of

145

00:07:33,909 --> 00:07:30,560

reminds me of what his documentary is

146

00:07:39,589 --> 00:07:33,919

but you know

147

00:07:43,350 --> 00:07:42,629

some people still get down on greer uh i

148

00:07:45,029 --> 00:07:43,360

can't

149

00:07:47,270 --> 00:07:45,039

but i wouldn't hate you for doing it

150

00:07:49,029 --> 00:07:47,280

that's for sure you can

151
00:07:51,510 --> 00:07:49,039
you know decide to do what you want to

152
00:07:54,950 --> 00:07:51,520
do with your time here on earth

153
00:07:56,710 --> 00:07:54,960
i wouldn't um but that's just because we

154
00:07:58,629 --> 00:07:56,720
the whole commercial aspect of

155
00:08:00,950 --> 00:07:58,639
everything and you know i'm

156
00:08:01,830 --> 00:08:00,960
subscribed to his like email newsletter

157
00:08:04,710 --> 00:08:01,840
because i like to

158
00:08:05,909 --> 00:08:04,720
see what he's working on and what his

159
00:08:08,230 --> 00:08:05,919
strategies are

160
00:08:10,950 --> 00:08:08,240
and every time he sends me you know not

161
00:08:14,070 --> 00:08:10,960
me personally but his email list

162
00:08:15,189 --> 00:08:14,080
um an email it's always like a sale on

163
00:08:18,390 --> 00:08:15,199

something

164

00:08:19,350 --> 00:08:18,400

or buy one get one or whatever and it's

165

00:08:21,189 --> 00:08:19,360

just

166

00:08:23,589 --> 00:08:21,199

i really can't tell the difference

167

00:08:26,309 --> 00:08:23,599

between that and

168

00:08:27,589 --> 00:08:26,319

uh guitar center who sends me the same

169

00:08:34,310 --> 00:08:27,599

kind of stuff

170

00:08:37,909 --> 00:08:37,190

but you know it's just kind of goes back

171

00:08:40,790 --> 00:08:37,919

for me

172

00:08:42,630 --> 00:08:40,800

to anybody that claims to know the truth

173

00:08:45,829 --> 00:08:42,640

of the situation

174

00:08:48,870 --> 00:08:45,839

i have a hard time um

175

00:08:57,509 --> 00:08:53,829

so the dissection

176

00:09:00,310 --> 00:08:57,519

look at this uh saucer crash

177

00:09:02,150 --> 00:09:00,320

yeah yeah is that what he said the the

178

00:09:08,150 --> 00:09:02,160

one from um

179

00:09:10,500 --> 00:09:08,160

mussolini at least sweetwater calls

180

00:09:12,870 --> 00:09:10,510

they do don't they too much

181

00:09:15,990 --> 00:09:12,880

[Laughter]

182

00:09:18,070 --> 00:09:16,000

too much uh and it's interesting

183

00:09:19,030 --> 00:09:18,080

they can tell what like sweetwater he

184

00:09:22,870 --> 00:09:19,040

just mentioned is

185

00:09:26,070 --> 00:09:22,880

like a music online store and

186

00:09:27,750 --> 00:09:26,080

every time you go there it seems like on

187

00:09:29,990 --> 00:09:27,760

the site

188

00:09:31,670 --> 00:09:30,000

they somehow they're keeping track of

189

00:09:34,870 --> 00:09:31,680

that because they call you

190

00:09:36,710 --> 00:09:34,880

like shortly thereafter hey did you need

191

00:09:41,670 --> 00:09:36,720

anything

192

00:09:46,470 --> 00:09:41,680

no no uh so there was a

193

00:09:50,070 --> 00:09:46,480

um luelozando mentioned in

194

00:09:50,949 --> 00:09:50,080

a i think it was the video with it's

195

00:09:54,710 --> 00:09:50,959

hard to keep

196

00:09:58,550 --> 00:09:54,720

track maybe uh max it was

197

00:10:01,350 --> 00:09:58,560

uh moskowitz where he mentioned

198

00:10:05,030 --> 00:10:01,360

um a craft from mussolini that he had

199

00:10:08,870 --> 00:10:05,040

gifted us

200

00:10:11,430 --> 00:10:08,880

so there's that

201
00:10:14,150 --> 00:10:11,440
i don't know if he'd necessarily mention

202
00:10:16,870 --> 00:10:14,160
that if it wasn't

203
00:10:19,430 --> 00:10:16,880
true i guess but man all you guys are

204
00:10:23,030 --> 00:10:19,440
musicians eh

205
00:10:23,040 --> 00:10:27,190
yeah they send candy yes they do

206
00:10:31,829 --> 00:10:29,990
yeah that's interesting that's cool we

207
00:10:33,269 --> 00:10:31,839
got a bunch of musicians here we should

208
00:10:36,710 --> 00:10:33,279
start a

209
00:10:39,750 --> 00:10:36,720
internet ufo twitter band

210
00:10:41,430 --> 00:10:39,760
from the fascist ufo papers yeah

211
00:10:44,150 --> 00:10:41,440
yeah that's an interesting story and i

212
00:10:48,069 --> 00:10:44,160
want to look more into that for sure

213
00:10:51,670 --> 00:10:51,030

so yeah i know there's so much you know

214

00:10:53,430 --> 00:10:51,680

the issue

215

00:10:55,750 --> 00:10:53,440

that's a good point jd you know the

216

00:10:57,430 --> 00:10:55,760

issue with um

217

00:10:59,190 --> 00:10:57,440

that people have with kind of older

218

00:11:03,030 --> 00:10:59,200

stuff that's

219

00:11:05,269 --> 00:11:03,040

uh talked about or unveiled it's hard to

220

00:11:07,350 --> 00:11:05,279

put too much attention on it because

221

00:11:10,150 --> 00:11:07,360

there's so much going on now

222

00:11:11,990 --> 00:11:10,160

and how much can you really keep up with

223

00:11:14,630 --> 00:11:12,000

um

224

00:11:16,870 --> 00:11:14,640

for me personally i i want to be as

225

00:11:18,550 --> 00:11:16,880

well-rounded as possible so i'm learning

226

00:11:21,750 --> 00:11:18,560

the old stuff right now

227

00:11:24,470 --> 00:11:21,760

and i got to about 1968.

228

00:11:26,790 --> 00:11:24,480

so i'm trying to keep track of who what

229

00:11:30,630 --> 00:11:26,800

program in the government was working on

230

00:11:32,550 --> 00:11:30,640

the ufo problem as they say um

231

00:11:34,310 --> 00:11:32,560

as time passed and i've been able to

232

00:11:37,430 --> 00:11:34,320

keep track of it here

233

00:11:42,230 --> 00:11:37,440

um up until

234

00:11:45,190 --> 00:11:42,240

about um i think it was 1968 or 9 when

235

00:11:48,630 --> 00:11:45,200

the studies actually got contracted out

236

00:11:50,310 --> 00:11:48,640

to the university of colorado

237

00:11:54,829 --> 00:11:50,320

and they did those studies along with

238

00:12:03,030 --> 00:11:57,430

so

239

00:12:04,389 --> 00:12:03,040

and uh condon was actually a part of

240

00:12:14,710 --> 00:12:04,399

that

241

00:12:22,829 --> 00:12:18,150

um so how do we

242

00:12:27,350 --> 00:12:22,839

get documents or evidence from a

243

00:12:30,550 --> 00:12:29,670

uh because that's no joke they were they

244

00:12:32,470 --> 00:12:30,560

were

245

00:12:36,150 --> 00:12:32,480

studying it and they had what is called

246

00:12:40,949 --> 00:12:39,590

which is pretty crazy a ufo officer i've

247

00:12:43,350 --> 00:12:40,959

never heard of that

248

00:12:45,350 --> 00:12:43,360

um but have you guys heard of that

249

00:12:47,750 --> 00:12:45,360

university of colorado

250

00:12:50,069 --> 00:12:47,760

um studying the phenomenon getting

251
00:12:55,269 --> 00:12:50,079
contracted out to do that

252
00:13:01,670 --> 00:12:58,150
because that's what happened like at the

253
00:13:07,430 --> 00:13:06,629
so that is interesting so at the end of

254
00:13:11,829 --> 00:13:07,440
blue book

255
00:13:15,829 --> 00:13:11,839
university

256
00:13:18,550 --> 00:13:15,839
of colorado to continue studies

257
00:13:19,269 --> 00:13:18,560
and so before that it was actually the

258
00:13:22,230 --> 00:13:19,279
foreign

259
00:13:22,949 --> 00:13:22,240
technology division who is studying this

260
00:13:25,910 --> 00:13:22,959
who had

261
00:13:28,949 --> 00:13:25,920
a aerial phenomenon office which is

262
00:13:33,430 --> 00:13:30,870
i've heard you at officer once in my

263
00:13:37,030 --> 00:13:35,670

yeah i thought that was pretty

264

00:13:38,389 --> 00:13:37,040

interesting so the

265

00:13:40,710 --> 00:13:38,399

the people that were studying it at

266

00:13:46,069 --> 00:13:40,720

colorado were called ufo

267

00:13:53,829 --> 00:13:49,350

another thing no that's uh not

268

00:13:53,839 --> 00:13:58,790

uh yeah well i don't know

269

00:14:09,030 --> 00:14:02,230

another interesting tidbit here

270

00:14:15,990 --> 00:14:13,110

so i i saw someone mention them

271

00:14:17,829 --> 00:14:16,000

on twitter as possibly the go-to for all

272

00:14:19,189 --> 00:14:17,839

this stuff and i gotta tell you the more

273

00:14:22,389 --> 00:14:19,199

i looked into it

274

00:14:25,030 --> 00:14:22,399

the more i agree that something is up

275

00:14:29,750 --> 00:14:27,030

and i've been looking at some different

276

00:14:34,870 --> 00:14:32,949

and it's pretty shoddy most of their

277

00:14:40,470 --> 00:14:34,880

employees

278

00:14:43,509 --> 00:14:40,480

and work go to contractors

279

00:14:47,590 --> 00:14:46,310

and they were directly involved with the

280

00:14:50,629 --> 00:14:47,600

making of the

281

00:14:54,790 --> 00:14:50,639

uh i think it was the a12 a11

282

00:14:58,230 --> 00:14:54,800

and another drone d something 21

283

00:14:59,990 --> 00:14:58,240

uh with lockheed martin so if something

284

00:15:01,670 --> 00:15:00,000

was going to be worked on like a saucer

285

00:15:03,269 --> 00:15:01,680

or whatever

286

00:15:05,430 --> 00:15:03,279

it would be the nro they were

287

00:15:09,910 --> 00:15:05,440

specifically responsible

288

00:15:09,920 --> 00:15:14,710

so like satellites and all that

289

00:15:14,720 --> 00:15:19,509

um that was their job

290

00:15:26,790 --> 00:15:22,870

and they reported only to the dod

291

00:15:29,350 --> 00:15:26,800

and secretary of state

292

00:15:30,550 --> 00:15:29,360

and their funds typically come from from

293

00:15:33,990 --> 00:15:30,560

what i've read

294

00:15:35,829 --> 00:15:34,000

uh like extra

295

00:15:37,030 --> 00:15:35,839

extra funds that weren't used they kind

296

00:15:40,790 --> 00:15:37,040

of just grab it

297

00:15:43,590 --> 00:15:40,800

they take it

298

00:15:45,030 --> 00:15:43,600

in the document i was reading about them

299

00:15:48,470 --> 00:15:45,040

one of the

300

00:15:50,949 --> 00:15:48,480

lines describes as far as the

301
00:15:52,069 --> 00:15:50,959
attitudes of different people one of

302
00:15:55,590 --> 00:15:52,079
which would be

303
00:15:56,870 --> 00:15:55,600
the public politicians another would be

304
00:15:59,990 --> 00:15:56,880
the president

305
00:16:01,269 --> 00:16:00,000
and one of the lines said how the nro

306
00:16:04,629 --> 00:16:01,279
works with the president

307
00:16:12,790 --> 00:16:04,639
is heavily dependent

308
00:16:23,509 --> 00:16:17,430
and the nro was just like declassified

309
00:16:25,509 --> 00:16:23,519
as a organization i think

310
00:16:27,030 --> 00:16:25,519
at least a couple decades after its

311
00:16:30,629 --> 00:16:27,040
establishment which is pretty

312
00:16:38,710 --> 00:16:34,829
so there's a lot of stuff going on there

313
00:16:43,590 --> 00:16:40,710

but you know everything i look at or

314

00:16:46,310 --> 00:16:43,600

look for there's so much that's like

315

00:16:46,949 --> 00:16:46,320

on the cusp of some sort of great

316

00:16:54,230 --> 00:16:46,959

evidence

317

00:16:58,870 --> 00:16:56,790

you know that's just how it goes yeah i

318

00:17:02,150 --> 00:16:58,880

just i'm sure they

319

00:17:02,829 --> 00:17:02,160

classify the things they don't want you

320

00:17:07,110 --> 00:17:02,839

to see

321

00:17:09,029 --> 00:17:07,120

right but there's got to be

322

00:17:11,189 --> 00:17:09,039

something there's got to be some sort of

323

00:17:14,789 --> 00:17:11,199

paperwork or something

324

00:17:16,949 --> 00:17:14,799

that is unclassified that i can find

325

00:17:18,870 --> 00:17:16,959

somewhere and that's what i'm doing all

326

00:17:22,710 --> 00:17:18,880

this kind of work with the

327

00:17:25,750 --> 00:17:22,720

the different acronym agencies

328

00:17:26,309 --> 00:17:25,760

because you know there's definitely

329

00:17:28,870 --> 00:17:26,319

stuff

330

00:17:30,830 --> 00:17:28,880

that i've found that i wouldn't have you

331

00:17:33,990 --> 00:17:30,840

know without searching

332

00:17:37,990 --> 00:17:34,000

ftd ufo

333

00:17:46,870 --> 00:17:41,909

so that is

334

00:17:46,880 --> 00:17:55,750

and i'll show you something

335

00:18:03,029 --> 00:17:59,990

so this three letter agents

336

00:18:04,549 --> 00:18:03,039

see you guys hear me all right do i

337

00:18:08,230 --> 00:18:04,559

sound okay

338

00:18:15,909 --> 00:18:08,240

um yeah here it is

339

00:18:15,919 --> 00:18:22,789

the ufo of july 24th

340

00:18:33,990 --> 00:18:27,830

interesting

341

00:18:34,000 --> 00:18:38,710

i don't know what the deal is

342

00:18:54,830 --> 00:18:42,549

mike's doing this weird uh delay thing

343

00:18:54,840 --> 00:18:57,990

1981

344

00:18:58,000 --> 00:19:02,950

so look at that um

345

00:19:02,960 --> 00:19:08,830

the the patch for

346

00:19:14,549 --> 00:19:12,820

ftd is like a egyptian

347

00:19:21,270 --> 00:19:14,559

[Music]

348

00:19:21,280 --> 00:19:41,990

i'll try and find it

349

00:19:42,000 --> 00:19:49,350

check all right that's better yeah

350

00:19:56,630 --> 00:19:53,029

so what the heck is that

351

00:20:02,630 --> 00:19:56,640

uh foreign technology division okay

352

00:20:02,640 --> 00:20:08,070

and the astronomy lover

353

00:20:13,029 --> 00:20:11,750

at 10 40 p.m july 24th 1981 several

354

00:20:16,789 --> 00:20:13,039

million people

355

00:20:20,549 --> 00:20:16,799

in gaza's new kung eyes xinjiang

356

00:20:22,950 --> 00:20:20,559

i can't saw this uh province

357

00:20:24,789 --> 00:20:22,960

witnessed an amazing flying disc event a

358

00:20:26,710 --> 00:20:24,799

spectacular flying luminous body with a

359

00:20:28,310 --> 00:20:26,720

spiral shape appeared in the sky its

360

00:20:30,710 --> 00:20:28,320

central portion

361

00:20:33,029 --> 00:20:30,720

spins and moves slowly about a direction

362

00:20:40,630 --> 00:20:33,039

from east to west the wonderful

363

00:20:40,640 --> 00:20:45,909

yeah so that was pretty interesting

364

00:20:45,919 --> 00:20:52,710

so that was china in the 70s so

365

00:20:59,190 --> 00:20:54,789

but yeah it's funny you find a lot of

366

00:21:06,310 --> 00:21:02,789

lots of weird documents

367

00:21:08,950 --> 00:21:06,320

um what we're going to talk about when

368

00:21:10,950 --> 00:21:08,960

scott comes on is colares the brazil

369

00:21:13,990 --> 00:21:10,960

case

370

00:21:17,669 --> 00:21:14,000

that involves like

371

00:21:21,430 --> 00:21:17,679

not so good of stuff

372

00:21:26,470 --> 00:21:21,440

um violence and a possible

373

00:21:26,480 --> 00:21:31,909

which is i don't know

374

00:21:35,270 --> 00:21:33,909

it's a scary case and i guess the

375

00:21:37,669 --> 00:21:35,280

brazilian air force

376

00:21:38,789 --> 00:21:37,679

is all over it there's documents all

377

00:21:42,390 --> 00:21:38,799

that kind of stuff

378

00:21:46,549 --> 00:21:42,400

so we'll see um

379

00:21:50,230 --> 00:21:46,559

you know what it winds up saying

380

00:21:54,149 --> 00:21:50,240

or what he wants to talk about about it

381

00:22:00,789 --> 00:21:58,470

so i'm looking forward to having him

382

00:22:03,560 --> 00:22:00,799

speak of the devil he's wearing a is it

383

00:22:05,669 --> 00:22:03,570

a cowboy hat

384

00:22:09,830 --> 00:22:05,679

[Laughter]

385

00:22:12,549 --> 00:22:09,840

i wore the hat in honor of you oh thanks

386

00:22:13,350 --> 00:22:12,559

oh that's awesome yeah it's you know

387

00:22:14,580 --> 00:22:13,360

have some fun

388

00:22:17,590 --> 00:22:14,590

we're ahead

389

00:22:19,990 --> 00:22:17,600

[Laughter]

390

00:22:21,830 --> 00:22:20,000

so how's it going sean uh pretty good

391

00:22:24,789 --> 00:22:21,840

yeah i'm excited about this week

392

00:22:25,430 --> 00:22:24,799

so it looks like he's got a good lineup

393

00:22:29,510 --> 00:22:25,440

yeah

394

00:22:31,990 --> 00:22:29,520

and um awesome to to start with you here

395

00:22:32,950 --> 00:22:32,000

well thanks for having me again yeah

396

00:22:35,909 --> 00:22:32,960

it's my pleasure

397

00:22:38,630 --> 00:22:35,919

i hope it's a reoccurring thing so um

398

00:22:42,230 --> 00:22:38,640

you wanted to talk about

399

00:22:45,990 --> 00:22:42,240

uh kolaris correct yes sir awesome

400

00:22:49,190 --> 00:22:46,000

um what made you want to

401
00:22:52,789 --> 00:22:49,200
talk about that uh in particular

402
00:22:55,590 --> 00:22:52,799
um so i actually looked into it a long

403
00:22:57,909 --> 00:22:55,600
time ago um

404
00:23:01,510 --> 00:22:57,919
i i picked up a book years ago it's

405
00:23:04,950 --> 00:23:01,520
called a ufo danger zone

406
00:23:07,990 --> 00:23:04,960
it's by bob pratt and

407
00:23:11,190 --> 00:23:08,000
uh bob was a uh he was kind of a

408
00:23:15,110 --> 00:23:11,200
tabloid reporter uh from that area

409
00:23:17,750 --> 00:23:15,120
or somewhere in brazil i guess um

410
00:23:18,710 --> 00:23:17,760
and he found out about it and i guess at

411
00:23:22,630 --> 00:23:18,720
one point

412
00:23:23,270 --> 00:23:22,640
he left brazil oh but he ended up going

413
00:23:25,510 --> 00:23:23,280

back there

414

00:23:27,110 --> 00:23:25,520

multiple times because of this

415

00:23:30,310 --> 00:23:27,120

particular case

416

00:23:33,909 --> 00:23:30,320

he began to gather documents and witness

417

00:23:37,029 --> 00:23:33,919

testimony and evidence uh

418

00:23:39,750 --> 00:23:37,039

yeah so um

419

00:23:40,710 --> 00:23:39,760

here where all the red spots are are

420

00:23:44,630 --> 00:23:40,720

kind of where

421

00:23:47,669 --> 00:23:44,640

clustered uh incidents happened

422

00:23:51,029 --> 00:23:47,679

um and it's it's hugely complex

423

00:23:54,549 --> 00:23:51,039

because there were mixed in with

424

00:23:58,230 --> 00:23:54,559

uh the the objects causing injuries were

425

00:24:02,070 --> 00:23:58,240

um abductions um

426

00:24:05,190 --> 00:24:02,080

encounters in the home um

427

00:24:06,470 --> 00:24:05,200

you know uh sightings of beings uh in

428

00:24:09,750 --> 00:24:06,480

the forest

429

00:24:11,830 --> 00:24:09,760

uh just i mean just a multitude of

430

00:24:15,590 --> 00:24:11,840

things so hit with like lasers too

431

00:24:20,070 --> 00:24:15,600

right right right so in in

432

00:24:24,070 --> 00:24:20,080

uh i believe it was the summer of 1977

433

00:24:27,510 --> 00:24:24,080

uh these people began to

434

00:24:32,310 --> 00:24:27,520

encounter these glowing objects

435

00:24:34,470 --> 00:24:32,320

and as time went on uh they began to uh

436

00:24:37,430 --> 00:24:34,480

get hit with these beams of light they

437

00:24:41,350 --> 00:24:37,440

were causing injuries

438

00:24:43,590 --> 00:24:41,360

so the mayors of a lot of these villages

439

00:24:45,510 --> 00:24:43,600

began to complain to the local

440

00:24:48,310 --> 00:24:45,520

government

441

00:24:50,230 --> 00:24:48,320

and so they said you know what we're

442

00:24:53,269 --> 00:24:50,240

going to send in some people

443

00:24:53,990 --> 00:24:53,279

they get a hold of uh the brazilian air

444

00:24:57,350 --> 00:24:54,000

force

445

00:24:57,830 --> 00:24:57,360

right they sent in a team and on the

446

00:25:00,549 --> 00:24:57,840

first

447

00:25:02,950 --> 00:25:00,559

night they were there they had two teams

448

00:25:04,870 --> 00:25:02,960

set up in two areas and they both had

449

00:25:08,230 --> 00:25:04,880

encounters

450

00:25:11,269 --> 00:25:08,240

so they began to document this

451
00:25:13,430 --> 00:25:11,279
and from the the

452
00:25:14,470 --> 00:25:13,440
uh records that i've looked at there

453
00:25:17,190 --> 00:25:14,480
were

454
00:25:21,909 --> 00:25:17,200
literally hundreds of photographs taken

455
00:25:29,269 --> 00:25:25,269
and some people who were there

456
00:25:31,669 --> 00:25:29,279
claimed that the american military was

457
00:25:34,230 --> 00:25:31,679
embedded

458
00:25:36,070 --> 00:25:34,240
and also that the brazilian military was

459
00:25:37,990 --> 00:25:36,080
reporting back

460
00:25:39,590 --> 00:25:38,000
to the american government about what's

461
00:25:42,950 --> 00:25:39,600
going on

462
00:25:46,549 --> 00:25:42,960
and when these rumors began to fly

463
00:25:47,669 --> 00:25:46,559

all of a sudden the brazilian teams that

464

00:25:49,830 --> 00:25:47,679

were there

465

00:25:51,110 --> 00:25:49,840

were all of a sudden equipped with all

466

00:25:54,230 --> 00:25:51,120

this equipment

467

00:25:56,230 --> 00:25:54,240

cameras and you know all kinds of

468

00:25:57,990 --> 00:25:56,240

equipment that they needed to document

469

00:26:01,269 --> 00:25:58,000

this

470

00:26:03,269 --> 00:26:01,279

um and uh keith basterfield uh

471

00:26:04,950 --> 00:26:03,279

has uncovered a lot of documents that

472

00:26:05,990 --> 00:26:04,960

are on his site about a bunch of

473

00:26:09,750 --> 00:26:06,000

different things

474

00:26:12,870 --> 00:26:09,760

okay um so let's see

475

00:26:13,750 --> 00:26:12,880

i got some notes here so some sometimes

476
00:26:16,870 --> 00:26:13,760
it's re

477
00:26:18,710 --> 00:26:16,880
yeah so here's some of the injuries uh

478
00:26:22,230 --> 00:26:18,720
you know and years later there you can

479
00:26:25,190 --> 00:26:22,240
see the scar is still there

480
00:26:26,310 --> 00:26:25,200
they gave it a name called chupachupa

481
00:26:29,909 --> 00:26:26,320
which is

482
00:26:33,190 --> 00:26:29,919
suck and they believed that these

483
00:26:36,870 --> 00:26:33,200
things were taking their blood

484
00:26:37,269 --> 00:26:36,880
now here's a strange fact out of every

485
00:26:41,909 --> 00:26:37,279
10

486
00:26:44,950 --> 00:26:41,919
people attacked eight of them were women

487
00:26:48,630 --> 00:26:44,960
and the yeah and the women

488
00:26:50,310 --> 00:26:48,640

were shot with the laser either in their

489

00:26:53,590 --> 00:26:50,320

left breast

490

00:26:55,830 --> 00:26:53,600

their left arm or their left leg

491

00:26:56,950 --> 00:26:55,840

always what the hell which is very

492

00:27:00,630 --> 00:26:56,960

bizarre

493

00:27:02,950 --> 00:27:00,640

um so um

494

00:27:03,909 --> 00:27:02,960

let's see sometimes it's referred to as

495

00:27:07,269 --> 00:27:03,919

the kolaris

496

00:27:12,149 --> 00:27:07,279

islands invasion

497

00:27:16,710 --> 00:27:15,669

while while such accounts of similar

498

00:27:19,190 --> 00:27:16,720

chupachupa

499

00:27:22,470 --> 00:27:19,200

entities can be found throughout

500

00:27:27,029 --> 00:27:22,480

brazilian 20th century history

501
00:27:29,350 --> 00:27:27,039
the date of the 26th of april 1977

502
00:27:35,830 --> 00:27:29,360
is largely regarded as the date when the

503
00:27:38,470 --> 00:27:35,840
phenomena became more aggressive

504
00:27:39,269 --> 00:27:38,480
that night shortly after midnight four

505
00:27:41,510 --> 00:27:39,279
fishermen

506
00:27:43,430 --> 00:27:41,520
were sitting on their boat and you have

507
00:27:43,830 --> 00:27:43,440
to remember that all these villages in

508
00:27:49,750 --> 00:27:43,840
that

509
00:27:50,389 --> 00:27:49,760
they're all fishing villages right so

510
00:27:53,430 --> 00:27:50,399
for them

511
00:27:56,230 --> 00:27:53,440
to when this all began to happen

512
00:27:58,230 --> 00:27:56,240
they all stopped fishing nobody would go

513
00:28:00,070 --> 00:27:58,240

to the rivers they wanted to stay away

514

00:28:02,389 --> 00:28:00,080

from the water

515

00:28:03,350 --> 00:28:02,399

the objects were seen going in and out

516

00:28:06,789 --> 00:28:03,360

of i think it's

517

00:28:10,070 --> 00:28:06,799

mariaho bay which is right there

518

00:28:11,990 --> 00:28:10,080

off the coast and they witnessed

519

00:28:15,029 --> 00:28:12,000

these objects going in and out of the

520

00:28:16,950 --> 00:28:15,039

water over and over again

521

00:28:18,070 --> 00:28:16,960

some researchers believe that they

522

00:28:21,430 --> 00:28:18,080

followed that river

523

00:28:24,549 --> 00:28:21,440

all the way up as a highway under water

524

00:28:27,029 --> 00:28:24,559

and then came up out of the water and

525

00:28:27,750 --> 00:28:27,039

of course all the spots are all dotted

526
00:28:30,789 --> 00:28:27,760
along that

527
00:28:33,830 --> 00:28:30,799
the river um and

528
00:28:37,110 --> 00:28:33,840
these are um

529
00:28:38,870 --> 00:28:37,120
like others or are they in a craft of

530
00:28:41,029 --> 00:28:38,880
some sort or

531
00:28:43,669 --> 00:28:41,039
yeah you'll see in some of the sketches

532
00:28:47,350 --> 00:28:43,679
that i sent you

533
00:28:50,789 --> 00:28:47,360
i think it's nine to 12 different

534
00:28:53,830 --> 00:28:50,799
shaped objects were seen which is

535
00:28:54,070 --> 00:28:53,840
really bizarre but apparently they were

536
00:28:56,310 --> 00:28:54,080
all

537
00:28:58,389 --> 00:28:56,320
seeing different things and and this is

538
00:28:59,909 --> 00:28:58,399

not uncommon i'm gonna go out of order

539

00:29:01,590 --> 00:28:59,919

here

540

00:29:04,070 --> 00:29:01,600

yeah i didn't really send them in any

541

00:29:05,750 --> 00:29:04,080

order so okay

542

00:29:07,269 --> 00:29:05,760

well this is i think you were just

543

00:29:09,190 --> 00:29:07,279

talking about this those are

544

00:29:10,389 --> 00:29:09,200

flight paths that the government

545

00:29:13,350 --> 00:29:10,399

documented

546

00:29:14,230 --> 00:29:13,360

and they believed that these things were

547

00:29:17,830 --> 00:29:14,240

flying like

548

00:29:19,029 --> 00:29:17,840

grid patterns over the area looking for

549

00:29:23,510 --> 00:29:19,039

people

550

00:29:27,909 --> 00:29:26,389

holy cow and it's so here's all the

551
00:29:30,549 --> 00:29:27,919
times

552
00:29:31,269 --> 00:29:30,559
like 1am or so is that when all these

553
00:29:34,389 --> 00:29:31,279
occurrences

554
00:29:35,350 --> 00:29:34,399
happen typically i'm not sure exactly of

555
00:29:38,789 --> 00:29:35,360
the time but they

556
00:29:41,990 --> 00:29:38,799
all happened almost uh

557
00:29:44,710 --> 00:29:42,000
all of them happened after dark

558
00:29:46,549 --> 00:29:44,720
yeah so it was at night you know they

559
00:29:47,909 --> 00:29:46,559
could come in do what they wanted to do

560
00:29:51,190 --> 00:29:47,919
and then take off

561
00:29:53,269 --> 00:29:51,200
that's interesting so the

562
00:29:55,510 --> 00:29:53,279
there's a lot of weird other little

563
00:29:59,110 --> 00:29:55,520

facts to this thing

564

00:30:01,510 --> 00:29:59,120

um yeah so here's an

565

00:30:02,470 --> 00:30:01,520

artist's rendering of the sketch that's

566

00:30:05,350 --> 00:30:02,480

above it

567

00:30:06,870 --> 00:30:05,360

that some people saw this cylinder that

568

00:30:07,990 --> 00:30:06,880

was shooting this laser out of the

569

00:30:11,510 --> 00:30:08,000

bottom of it they saw

570

00:30:17,110 --> 00:30:14,710

um they were terrified so the brazilian

571

00:30:19,110 --> 00:30:17,120

air force comes in

572

00:30:20,230 --> 00:30:19,120

they start documenting it they start

573

00:30:24,870 --> 00:30:20,240

taking pictures

574

00:30:31,110 --> 00:30:28,549

a bunch of them had their own encounters

575

00:30:32,230 --> 00:30:31,120

so i sent you a picture of the guy who

576

00:30:36,710 --> 00:30:32,240

was in charge

577

00:30:39,110 --> 00:30:36,720

uh see if i can remember his name

578

00:30:40,389 --> 00:30:39,120

uh it's on there but i'm not is that the

579

00:30:42,310 --> 00:30:40,399

last one you sent

580

00:30:43,750 --> 00:30:42,320

oh you know what i must have missed that

581

00:30:47,510 --> 00:30:43,760

one well anyways

582

00:30:51,350 --> 00:30:47,520

his name was uh uh

583

00:30:56,549 --> 00:30:51,360

colonel hollandia i think his name was

584

00:31:01,590 --> 00:30:59,269

had his own encounter and he gave

585

00:31:02,230 --> 00:31:01,600

witness testimony years later down the

586

00:31:04,389 --> 00:31:02,240

road

587

00:31:06,789 --> 00:31:04,399

that one of these beings got a hold of

588

00:31:08,710 --> 00:31:06,799

him and was hugging him

589

00:31:10,710 --> 00:31:08,720

in the middle of the night and he was

590

00:31:13,029 --> 00:31:10,720

terrified so

591

00:31:14,149 --> 00:31:13,039

he finally got loose from it he said

592

00:31:18,070 --> 00:31:14,159

that it had a loot

593

00:31:21,110 --> 00:31:18,080

uh kind of a tight fitting uniform

594

00:31:23,509 --> 00:31:21,120

he felt like that it had a mask on he

595

00:31:25,190 --> 00:31:23,519

drew a sketch of it and it looks like a

596

00:31:28,470 --> 00:31:25,200

typical gray

597

00:31:32,070 --> 00:31:28,480

um and so

598

00:31:34,630 --> 00:31:32,080

in 1995 i believe it was

599

00:31:37,909 --> 00:31:34,640

he came forward and did a full interview

600

00:31:41,110 --> 00:31:37,919

for the ufologists that were in brazil

601
00:31:43,750 --> 00:31:41,120
and i think it was

602
00:31:46,470 --> 00:31:43,760
six months three years six months later

603
00:31:49,830 --> 00:31:46,480
he killed himself

604
00:31:52,470 --> 00:31:49,840
and um he you know

605
00:31:53,990 --> 00:31:52,480
at first wanted to go in there and they

606
00:31:57,029 --> 00:31:54,000
thought these people were just

607
00:31:59,110 --> 00:31:57,039
a bunch of superstitious farmers

608
00:32:01,350 --> 00:31:59,120
until they got in there and realized

609
00:32:03,990 --> 00:32:01,360
this is really going on

610
00:32:05,509 --> 00:32:04,000
the doctor was a woman and i can't even

611
00:32:08,710 --> 00:32:05,519
say her name because it's like

612
00:32:10,950 --> 00:32:08,720
i can't even pronounce it but she was

613
00:32:14,630 --> 00:32:10,960

told by the military

614

00:32:16,789 --> 00:32:14,640

to tell the people that there's no ufos

615

00:32:17,750 --> 00:32:16,799

that this this is something else that's

616

00:32:20,870 --> 00:32:17,760

happening

617

00:32:21,830 --> 00:32:20,880

and she refused and she said i'm not

618

00:32:23,590 --> 00:32:21,840

going to do that

619

00:32:25,990 --> 00:32:23,600

these people are telling me what they're

620

00:32:30,389 --> 00:32:26,000

seeing and i'm believing them

621

00:32:33,110 --> 00:32:30,399

so she testified years later so

622

00:32:34,789 --> 00:32:33,120

fast for fast forward to a couple weeks

623

00:32:37,750 --> 00:32:34,799

ago

624

00:32:39,029 --> 00:32:37,760

i'm watching a presentation by hal put

625

00:32:41,990 --> 00:32:39,039

off

626

00:32:43,110 --> 00:32:42,000

and i sent you both the slides and

627

00:32:46,710 --> 00:32:43,120

there's the slide

628

00:32:50,389 --> 00:32:46,720

showing that atip looked into

629

00:32:54,070 --> 00:32:50,399

this case wow

630

00:32:57,269 --> 00:32:54,080

um what slide

631

00:33:01,110 --> 00:32:57,279

is that one oh historical cases yes

632

00:33:04,710 --> 00:33:01,120

okay wow

633

00:33:07,509 --> 00:33:04,720

that is pretty crazy

634

00:33:08,950 --> 00:33:07,519

right so a thousand pages of documents

635

00:33:13,430 --> 00:33:08,960

logs sketches and maps

636

00:33:16,950 --> 00:33:13,440

500 photographs 15 hours

637

00:33:19,990 --> 00:33:16,960

now now in in

638

00:33:24,789 --> 00:33:20,000

i think it was 2 000

639

00:33:29,190 --> 00:33:24,799

let's see let me look at something here

640

00:33:31,750 --> 00:33:29,200

okay so in 2005 there's a well-known

641

00:33:33,509 --> 00:33:31,760

ufologist over there his name is aj

642

00:33:36,230 --> 00:33:33,519

gavard

643

00:33:37,590 --> 00:33:36,240

he petitioned the government to release

644

00:33:41,029 --> 00:33:37,600

the documents

645

00:33:42,389 --> 00:33:41,039

he wanted full disclosure on the on the

646

00:33:45,830 --> 00:33:42,399

case

647

00:33:48,710 --> 00:33:45,840

and i think they had 36

648

00:33:50,789 --> 00:33:48,720

000 citizens signed this petition to get

649

00:33:54,230 --> 00:33:50,799

this stuff released

650

00:33:56,549 --> 00:33:54,240

so what they did was they released

651
00:33:57,990 --> 00:33:56,559
some of the photographs some of the

652
00:34:00,310 --> 00:33:58,000
documents

653
00:34:01,029 --> 00:34:00,320
and then some a little bit was leaked

654
00:34:03,029 --> 00:34:01,039
later

655
00:34:04,950 --> 00:34:03,039
but no one's ever seen the motion

656
00:34:08,550 --> 00:34:04,960
pictures

657
00:34:11,190 --> 00:34:08,560
so here's another bizarre little

658
00:34:14,230 --> 00:34:11,200
offshoot of that

659
00:34:18,069 --> 00:34:14,240
in 2009

660
00:34:19,990 --> 00:34:18,079
robert bigelow sent a team over there

661
00:34:22,629 --> 00:34:20,000
and i sent you the slide with the team

662
00:34:26,470 --> 00:34:22,639
that arrived over there

663
00:34:29,909 --> 00:34:26,480

they believed that but bigelow was

664

00:34:30,550 --> 00:34:29,919

given some of this footage and he's seen

665

00:34:44,550 --> 00:34:30,560

it

666

00:34:46,629 --> 00:34:44,560

this very well

667

00:34:50,790 --> 00:34:46,639

that they made a trip over there they

668

00:34:54,629 --> 00:34:52,790

i'm not really sure why that guy's face

669

00:34:55,669 --> 00:34:54,639

is blurred out but there must be some

670

00:34:59,109 --> 00:34:55,679

reason

671

00:35:01,349 --> 00:34:59,119

yeah um so

672

00:35:02,790 --> 00:35:01,359

yeah there must be you know so that's

673

00:35:05,510 --> 00:35:02,800

the reason why

674

00:35:06,069 --> 00:35:05,520

when i saw put off's presentation and i

675

00:35:09,349 --> 00:35:06,079

realized

676

00:35:11,670 --> 00:35:09,359

atip was looking into this case

677

00:35:14,069 --> 00:35:11,680

i was like holy cow you know this is

678

00:35:15,990 --> 00:35:14,079

like this is crazy i

679

00:35:18,710 --> 00:35:16,000

i figured they were ignoring all the

680

00:35:21,510 --> 00:35:18,720

historical cases but apparently not

681

00:35:24,390 --> 00:35:21,520

so i'm gonna be i'm gonna tell you

682

00:35:27,270 --> 00:35:24,400

honestly what spurred this on

683

00:35:29,430 --> 00:35:27,280

um for me to go back into this case was

684

00:35:31,750 --> 00:35:29,440

all the talk of

685

00:35:33,670 --> 00:35:31,760

the space brothers and they're here to

686

00:35:37,030 --> 00:35:33,680

help us

687

00:35:40,390 --> 00:35:37,040

and i realized that this case is

688

00:35:45,349 --> 00:35:40,400

kind of an anomaly in ufology

689

00:35:49,030 --> 00:35:45,359

seems that way but in 2002

690

00:35:50,550 --> 00:35:49,040

it happened again in india and for a two

691

00:35:53,750 --> 00:35:50,560

week period

692

00:35:57,349 --> 00:35:53,760

the people were being burned and a few

693

00:35:59,829 --> 00:35:57,359

died and the same exact thing

694

00:36:01,349 --> 00:35:59,839

happened and there's articles out there

695

00:36:06,310 --> 00:36:01,359

about it but there's not much

696

00:36:10,710 --> 00:36:09,829

interesting about that interesting i i i

697

00:36:14,390 --> 00:36:10,720

don't doubt it

698

00:36:17,670 --> 00:36:14,400

i believe um so

699

00:36:19,990 --> 00:36:17,680

if you look at um

700

00:36:22,390 --> 00:36:20,000

look at the second slide that i sent you

701
00:36:26,550 --> 00:36:22,400
from put off's

702
00:36:29,030 --> 00:36:26,560
uh his presentation

703
00:36:30,310 --> 00:36:29,040
you get it i'm gonna need like an

704
00:36:34,150 --> 00:36:30,320
assistant soon to

705
00:36:40,470 --> 00:36:36,550
all right is that the all right i got

706
00:36:44,230 --> 00:36:40,480
you it should say project kolaris

707
00:36:47,910 --> 00:36:44,240
so um this is documenting

708
00:36:51,190 --> 00:36:47,920
all of the injuries of 37 victims

709
00:36:56,470 --> 00:36:51,200
this is from hal put off's presentation

710
00:37:01,349 --> 00:36:58,390
i believe it's near the bottom somewhere

711
00:37:05,030 --> 00:37:01,359
i think it's eight percent

712
00:37:08,310 --> 00:37:05,040
or deaths now three

713
00:37:11,990 --> 00:37:08,320

died mark depression nervous

714

00:37:14,470 --> 00:37:12,000

wow right his breakdown oh my gosh

715

00:37:16,390 --> 00:37:14,480

so they were looking deep into it and

716

00:37:17,829 --> 00:37:16,400

they've got records that no one has

717

00:37:20,950 --> 00:37:17,839

because

718

00:37:22,310 --> 00:37:20,960

there's only three i believe documented

719

00:37:23,910 --> 00:37:22,320

deaths

720

00:37:25,670 --> 00:37:23,920

but there's a bunch of other ones that

721

00:37:27,750 --> 00:37:25,680

are spoken about

722

00:37:31,030 --> 00:37:27,760

that other people had died but they

723

00:37:34,390 --> 00:37:31,040

didn't document it very well

724

00:37:35,990 --> 00:37:34,400

so it looks like atip was looking real

725

00:37:39,030 --> 00:37:36,000

close at this stuff and they

726

00:37:41,829 --> 00:37:39,040

created that graph themselves

727

00:37:42,150 --> 00:37:41,839

this one right here yep wow how do you

728

00:37:44,790 --> 00:37:42,160

know

729

00:37:46,230 --> 00:37:44,800

is that what he said well that that came

730

00:37:48,550 --> 00:37:46,240

from his presentation

731

00:37:50,550 --> 00:37:48,560

so i'm assuming that they put it

732

00:37:53,349 --> 00:37:50,560

together because

733

00:37:55,349 --> 00:37:53,359

there's no other nothing else that i can

734

00:37:56,710 --> 00:37:55,359

find that gives a rundown of the

735

00:38:00,069 --> 00:37:56,720

injuries like that

736

00:38:00,710 --> 00:38:00,079

yeah so they must have documents that

737

00:38:04,150 --> 00:38:00,720

are not

738

00:38:07,510 --> 00:38:04,160

available to the public

739

00:38:10,790 --> 00:38:07,520

so anyway um let's see here we go

740

00:38:11,349 --> 00:38:10,800

right here um did they have any sorry

741

00:38:14,390 --> 00:38:11,359

did they have

742

00:38:17,829 --> 00:38:14,400

any any inkling of

743

00:38:20,950 --> 00:38:17,839

intent or anything

744

00:38:24,470 --> 00:38:20,960

when when the when this colonel

745

00:38:26,790 --> 00:38:24,480

was being held by this being

746

00:38:28,390 --> 00:38:26,800

he was whispered in his ear in

747

00:38:31,430 --> 00:38:28,400

portuguese

748

00:38:34,710 --> 00:38:31,440

calm down we're not here to hurt you

749

00:38:37,430 --> 00:38:34,720

really you know

750

00:38:38,550 --> 00:38:37,440

i i'm not sure if the intent was to hurt

751
00:38:40,470 --> 00:38:38,560
people or not

752
00:38:41,589 --> 00:38:40,480
i'm always along the lines that the

753
00:38:44,829 --> 00:38:41,599
phenomena is

754
00:38:49,109 --> 00:38:44,839
indifferent to us it's in the middle

755
00:38:51,349 --> 00:38:49,119
now you could speculate that

756
00:38:53,190 --> 00:38:51,359
there's different parts of the phenomena

757
00:38:54,470 --> 00:38:53,200
that are interacting with us some of

758
00:38:57,829 --> 00:38:54,480
them are not good

759
00:39:00,230 --> 00:38:57,839
some of them are good and we can't

760
00:39:02,950 --> 00:39:00,240
you know split them apart because we're

761
00:39:06,870 --> 00:39:02,960
so confused by the phenomena as it is

762
00:39:09,430 --> 00:39:06,880
right so you know it's always possible

763
00:39:11,270 --> 00:39:09,440

um but there's a lot of little things

764

00:39:13,670 --> 00:39:11,280

throughout the literature

765

00:39:15,990 --> 00:39:13,680

where people have been hurt been killed

766

00:39:18,069 --> 00:39:16,000

been they've disappeared

767

00:39:20,550 --> 00:39:18,079

and then you've got the opposite where

768

00:39:22,630 --> 00:39:20,560

people have been healed

769

00:39:23,990 --> 00:39:22,640

there's been injuries uh people who've

770

00:39:25,750 --> 00:39:24,000

had cancer

771

00:39:27,990 --> 00:39:25,760

and they've been healed of the cancer

772

00:39:31,349 --> 00:39:28,000

and the doctor couldn't explain it

773

00:39:34,230 --> 00:39:31,359

after they were abducted so yes

774

00:39:34,630 --> 00:39:34,240

preston dennett has written a bunch of

775

00:39:36,950 --> 00:39:34,640

uh

776

00:39:37,910 --> 00:39:36,960

books where he's covered a lot of those

777

00:39:42,310 --> 00:39:37,920

cases

778

00:39:45,270 --> 00:39:42,320

very strange very strange stuff um

779

00:39:46,550 --> 00:39:45,280

like it wasn't too long ago when i was

780

00:39:49,910 --> 00:39:46,560

just

781

00:39:52,390 --> 00:39:49,920

uh wondering about the question and

782

00:39:53,270 --> 00:39:52,400

uh tried asking folks like is the

783

00:39:56,550 --> 00:39:53,280

phenomenon

784

00:39:58,790 --> 00:39:56,560

ever does it seem like it ever made

785

00:40:03,349 --> 00:39:58,800

a problem that didn't exist and then

786

00:40:10,870 --> 00:40:06,870

well the strange thing is is that um

787

00:40:13,190 --> 00:40:10,880

during some cases where people were

788

00:40:13,910 --> 00:40:13,200

i can't remember exactly where it was

789

00:40:15,990 --> 00:40:13,920

there were

790

00:40:17,510 --> 00:40:16,000

it might even been wrapped up in this

791

00:40:21,270 --> 00:40:17,520

case where

792

00:40:24,390 --> 00:40:21,280

people were injured on one hand but then

793

00:40:29,109 --> 00:40:24,400

they were healed of something else

794

00:40:31,030 --> 00:40:29,119

um in this book this ufo danger zone

795

00:40:33,270 --> 00:40:31,040

there are there are photographs in here

796

00:40:34,790 --> 00:40:33,280

of people who are in a catatonic state

797

00:40:37,829 --> 00:40:34,800

and they stayed that way

798

00:40:38,870 --> 00:40:37,839

after the encounter some of them for

799

00:40:42,309 --> 00:40:38,880

years

800

00:40:45,750 --> 00:40:42,319

they never recovered um

801
00:40:48,630 --> 00:40:45,760
it's just bizarre it's so confusing

802
00:40:50,230 --> 00:40:48,640
you know it is isn't it um what are you

803
00:40:53,670 --> 00:40:50,240
supposed to take from that or do

804
00:40:56,069 --> 00:40:53,680
even right and so you know i always

805
00:40:58,950 --> 00:40:56,079
suggest to people that

806
00:41:00,470 --> 00:40:58,960
if it was me and i saw something say i'm

807
00:41:02,550 --> 00:41:00,480
in the middle of the forest and

808
00:41:05,589 --> 00:41:02,560
something came down and it was like i

809
00:41:07,670 --> 00:41:05,599
couldn't understand what it was

810
00:41:08,950 --> 00:41:07,680
i wouldn't be running up to it that's

811
00:41:11,349 --> 00:41:08,960
for sure

812
00:41:13,750 --> 00:41:11,359
i would stand back and try to document

813
00:41:16,950 --> 00:41:13,760

it but i mean i'm not getting close

814

00:41:19,190 --> 00:41:16,960

you know i'm not gonna take

815

00:41:21,190 --> 00:41:19,200

you know that whole they're here to help

816

00:41:24,470 --> 00:41:21,200

me or they're here to hurt me

817

00:41:28,550 --> 00:41:24,480

i have no i don't know right right so

818

00:41:31,990 --> 00:41:28,560

i'm just i'm just standing back

819

00:41:34,390 --> 00:41:32,000

so almost imagine if there's you know

820

00:41:35,910 --> 00:41:34,400

if there's good there's bad you know but

821

00:41:39,270 --> 00:41:35,920

that's kind of like

822

00:41:41,829 --> 00:41:39,280

you know the way we think but

823

00:41:42,309 --> 00:41:41,839

maybe that goes further than just this

824

00:41:44,069 --> 00:41:42,319

earth

825

00:41:46,230 --> 00:41:44,079

yeah yeah there's a lot of researchers

826

00:41:49,589 --> 00:41:46,240

that feel that way that

827

00:41:51,589 --> 00:41:49,599

there could be elements of the phenomena

828

00:41:54,950 --> 00:41:51,599

that are good and bad just like

829

00:41:58,710 --> 00:41:54,960

elements of human society so

830

00:42:00,870 --> 00:41:58,720

it's always possible um years later they

831

00:42:03,430 --> 00:42:00,880

tried to say that it was a government

832

00:42:05,190 --> 00:42:03,440

experiment they were going in there

833

00:42:07,349 --> 00:42:05,200

yeah and they were doing this stuff and

834

00:42:08,870 --> 00:42:07,359

it's just it doesn't even make sense

835

00:42:12,630 --> 00:42:08,880

because

836

00:42:16,950 --> 00:42:12,640

some of the objects flew well

837

00:42:20,230 --> 00:42:16,960

you moved around in ways that we're just

838

00:42:22,550 --> 00:42:20,240

like nothing that we have right so now

839

00:42:25,030 --> 00:42:22,560

he's a descriptor of these things

840

00:42:25,829 --> 00:42:25,040

yeah i i'm just not buying it i'm not

841

00:42:30,710 --> 00:42:25,839

buying it

842

00:42:32,230 --> 00:42:30,720

so um let's see um although their

843

00:42:35,510 --> 00:42:32,240

presence in the region would

844

00:42:37,750 --> 00:42:35,520

end in january the brazilian air force

845

00:42:38,550 --> 00:42:37,760

the investigation would last a further

846

00:42:41,589 --> 00:42:38,560

four months

847

00:42:43,589 --> 00:42:41,599

until may of 1978 and

848

00:42:45,190 --> 00:42:43,599

even then it would carry on a private

849

00:42:47,589 --> 00:42:45,200

capacity

850

00:42:50,150 --> 00:42:47,599

incidentally the brazilian military

851
00:42:52,790 --> 00:42:50,160
would make their findings classified

852
00:42:53,750 --> 00:42:52,800
it wasn't until 2005 through the freedom

853
00:42:56,150 --> 00:42:53,760
of information

854
00:42:58,150 --> 00:42:56,160
requests that the full documents were

855
00:43:00,390 --> 00:42:58,160
released to the public

856
00:43:02,069 --> 00:43:00,400
but that's inaccurate it wasn't full

857
00:43:06,390 --> 00:43:02,079
documents

858
00:43:08,790 --> 00:43:06,400
um among details suppressed

859
00:43:09,589 --> 00:43:08,800
was that many victims did suffer severe

860
00:43:11,349 --> 00:43:09,599
burns

861
00:43:15,829 --> 00:43:11,359
and there were at least two to three

862
00:43:18,870 --> 00:43:15,839
deaths this figure remains hotly debated

863
00:43:20,950 --> 00:43:18,880

um yeah i'd say it says 80 percent here

864

00:43:23,910 --> 00:43:20,960

it was it was the colonel's view that

865

00:43:27,589 --> 00:43:23,920

the ufos were taking blood samples

866

00:43:30,390 --> 00:43:27,599

um so you know jacques has

867

00:43:32,710 --> 00:43:30,400

uh made a really good point i was

868

00:43:36,470 --> 00:43:32,720

listening to

869

00:43:39,030 --> 00:43:36,480

some weird um like interview of his

870

00:43:40,630 --> 00:43:39,040

on a trinity broadcast and it was in

871

00:43:42,230 --> 00:43:40,640

apple podcasts

872

00:43:44,870 --> 00:43:42,240

and that's the only thing i could find

873

00:43:46,710 --> 00:43:44,880

in there yeah it was like a trinity

874

00:43:48,230 --> 00:43:46,720

radio broadcast it was great yeah you

875

00:43:51,990 --> 00:43:48,240

supported it right didn't you

876

00:43:55,190 --> 00:43:52,000

quote it yeah yeah yeah so it was yeah

877

00:43:56,790 --> 00:43:55,200

he basically was saying

878

00:43:58,950 --> 00:43:56,800

about abductions and everything but he

879

00:43:59,990 --> 00:43:58,960

was saying if if they're here to like

880

00:44:02,150 --> 00:44:00,000

take our blood

881

00:44:03,829 --> 00:44:02,160

and take samples man they're really bad

882

00:44:07,030 --> 00:44:03,839

at it

883

00:44:08,630 --> 00:44:07,040

because he's like you know we could

884

00:44:10,550 --> 00:44:08,640

we could do that way better more

885

00:44:14,309 --> 00:44:10,560

efficient all right well

886

00:44:17,109 --> 00:44:14,319

there's interest interestingly

887

00:44:18,150 --> 00:44:17,119

jack valley wrote the four word of this

888

00:44:21,349 --> 00:44:18,160

book

889

00:44:22,550 --> 00:44:21,359

wow listen to this one paragraph that he

890

00:44:25,430 --> 00:44:22,560

wrote

891

00:44:27,190 --> 00:44:25,440

if there's one weakness in this account

892

00:44:30,390 --> 00:44:27,200

it comes from the difficulty

893

00:44:31,510 --> 00:44:30,400

in conveying the awesome the massive

894

00:44:34,870 --> 00:44:31,520

reality of the

895

00:44:37,030 --> 00:44:34,880

impact caused by the ufo phenomena

896

00:44:38,390 --> 00:44:37,040

all over the magnificent island of

897

00:44:40,550 --> 00:44:38,400

brazil

898

00:44:41,670 --> 00:44:40,560

one has to stand on the banks of the

899

00:44:45,030 --> 00:44:41,680

amazon at

900

00:44:46,950 --> 00:44:45,040

dusk to grasp the enormity of the

901
00:44:49,349 --> 00:44:46,960
mystery that surrounds us

902
00:44:50,870 --> 00:44:49,359
and the opportunity it offers for new

903
00:44:53,829 --> 00:44:50,880
knowledge

904
00:44:55,349 --> 00:44:53,839
the feeling is overwhelming it is almost

905
00:44:58,870 --> 00:44:55,359
impossible to con

906
00:45:00,309 --> 00:44:58,880
convey in a book we must be satisfied

907
00:45:04,150 --> 00:45:00,319
with glimpses

908
00:45:06,790 --> 00:45:04,160
of the other reality which teases us

909
00:45:09,510 --> 00:45:06,800
plays with us and occasionally as this

910
00:45:12,390 --> 00:45:09,520
book demonstrates so dramatically

911
00:45:13,829 --> 00:45:12,400
hurts any human being who comes into

912
00:45:17,190 --> 00:45:13,839
contact with it

913
00:45:17,589 --> 00:45:17,200

as if it was entirely indifferent to our

914

00:45:21,510 --> 00:45:17,599

fate

915

00:45:24,390 --> 00:45:21,520

on this planet so

916

00:45:26,390 --> 00:45:24,400

he he actually went down there and he

917

00:45:28,630 --> 00:45:26,400

interviewed a bunch of people as well he

918

00:45:31,430 --> 00:45:28,640

spent some time down there

919

00:45:31,750 --> 00:45:31,440

and the whole case is just it is one of

920

00:45:34,790 --> 00:45:31,760

the

921

00:45:35,109 --> 00:45:34,800

craziest yeah watch those videos you

922

00:45:37,910 --> 00:45:35,119

sent

923

00:45:39,670 --> 00:45:37,920

it and then yeah that kind of shook

924

00:45:42,870 --> 00:45:39,680

shook me to be honest with you

925

00:45:46,550 --> 00:45:42,880

it's some spooky stuff some freaky stuff

926
00:45:47,750 --> 00:45:46,560
and uh you know i i guess i gotta look

927
00:45:52,230 --> 00:45:47,760
at it this way too

928
00:45:55,030 --> 00:45:52,240
that um just the people who

929
00:45:56,309 --> 00:45:55,040
claim that they're abducted you know

930
00:45:58,710 --> 00:45:56,319
some of those people

931
00:46:00,230 --> 00:45:58,720
ended up really traumatized by that

932
00:46:02,950 --> 00:46:00,240
whole situation

933
00:46:04,390 --> 00:46:02,960
right whereas others are like you know

934
00:46:08,069 --> 00:46:04,400
oh you know i felt

935
00:46:11,430 --> 00:46:08,079
love coming from it i wasn't afraid

936
00:46:13,030 --> 00:46:11,440
you know so i i think it affects people

937
00:46:16,069 --> 00:46:13,040
in different ways

938
00:46:19,270 --> 00:46:16,079

of course you could put the whole

939

00:46:21,510 --> 00:46:19,280

thing of being shot with lasers kind of

940

00:46:26,829 --> 00:46:21,520

into a different category

941

00:46:29,190 --> 00:46:26,839

yeah yeah the waking life violence

942

00:46:32,069 --> 00:46:29,200

yeah you know so the whole thing

943

00:46:34,630 --> 00:46:32,079

is really bizarre and um what year that

944

00:46:38,069 --> 00:46:34,640

was 77 78 did you say

945

00:46:41,750 --> 00:46:38,079

yep from 77 into 78. you know what's

946

00:46:43,990 --> 00:46:41,760

funny about that is uh

947

00:46:45,750 --> 00:46:44,000

like another quote from well i don't

948

00:46:47,750 --> 00:46:45,760

remember the what the quote was but when

949

00:46:49,109 --> 00:46:47,760

eric gary was trying to do this thing at

950

00:46:50,710 --> 00:46:49,119

the u.n

951
00:46:52,790 --> 00:46:50,720
trying to get all the countries at the

952
00:46:55,990 --> 00:46:52,800
u.n to study the phenomenon together

953
00:46:59,510 --> 00:46:56,000
eric carey from granada and

954
00:47:03,430 --> 00:46:59,520
jacquez vale was there too at this un

955
00:47:06,790 --> 00:47:03,440
meeting thing and he was the only one

956
00:47:08,230 --> 00:47:06,800
really that was because the the fight

957
00:47:10,870 --> 00:47:08,240
he was trying this three years in a row

958
00:47:13,670 --> 00:47:10,880
in the final year he kind of changed

959
00:47:14,150 --> 00:47:13,680
uh the goal which what turned into more

960
00:47:17,270 --> 00:47:14,160
of a

961
00:47:20,390 --> 00:47:17,280
contact kind of thing for et's

962
00:47:21,910 --> 00:47:20,400
and jacquez vale was there and he was

963
00:47:22,950 --> 00:47:21,920

just concerned about it and he didn't

964

00:47:25,510 --> 00:47:22,960

like it

965

00:47:26,390 --> 00:47:25,520

right and it you know it's interesting

966

00:47:30,390 --> 00:47:26,400

because it

967

00:47:33,910 --> 00:47:30,400

was literally right around this case

968

00:47:35,670 --> 00:47:33,920

yeah there's a if you watch the citizens

969

00:47:38,150 --> 00:47:35,680

hearings

970

00:47:39,510 --> 00:47:38,160

there's a there's a segment where aj

971

00:47:42,309 --> 00:47:39,520

gervard

972

00:47:43,829 --> 00:47:42,319

gives his testimony and he talks about

973

00:47:45,750 --> 00:47:43,839

brazil

974

00:47:47,589 --> 00:47:45,760

and he's like the most well-known you

975

00:47:51,109 --> 00:47:47,599

follow just out there

976
00:47:51,670 --> 00:47:51,119
so uh one of these guys that was

977
00:47:54,870 --> 00:47:51,680
actually

978
00:47:56,390 --> 00:47:54,880
burned by one of the objects he went on

979
00:48:00,069 --> 00:47:56,400
to write a book called

980
00:48:03,750 --> 00:48:00,079
um i think it's extraterrestrial

981
00:48:06,309 --> 00:48:03,760
vampires in the amazon i don't think

982
00:48:08,710 --> 00:48:06,319
it's been translated um

983
00:48:10,470 --> 00:48:08,720
but it's he wrote that book and then

984
00:48:12,390 --> 00:48:10,480
there's copies of it out there but i

985
00:48:15,349 --> 00:48:12,400
don't know if you can buy it anymore

986
00:48:15,910 --> 00:48:15,359
but you know this guy went deep into it

987
00:48:18,309 --> 00:48:15,920
you know the

988
00:48:19,510 --> 00:48:18,319

in the newspapers they were filled with

989

00:48:22,150 --> 00:48:19,520

these articles

990

00:48:26,390 --> 00:48:22,160

for months and months it was going on

991

00:48:30,309 --> 00:48:28,069

and you know some of these people they

992

00:48:31,750 --> 00:48:30,319

slept in if they were very poor

993

00:48:33,990 --> 00:48:31,760

communities

994

00:48:36,150 --> 00:48:34,000

they slept in kind of these kind of

995

00:48:39,349 --> 00:48:36,160

rickety huts

996

00:48:41,510 --> 00:48:39,359

and you know some of these beams came

997

00:48:42,710 --> 00:48:41,520

right through the ceiling you know right

998

00:48:46,069 --> 00:48:42,720

through the wall

999

00:48:48,150 --> 00:48:46,079

shot these people in their homes

1000

00:48:50,150 --> 00:48:48,160

you know and it was just constant terror

1001
00:48:52,390 --> 00:48:50,160
that went on and they finally

1002
00:48:53,990 --> 00:48:52,400
you know it just pisses me off where is

1003
00:48:56,870 --> 00:48:54,000
this video

1004
00:48:57,910 --> 00:48:56,880
yeah in photos where is this stuff hours

1005
00:49:01,349 --> 00:48:57,920
of video

1006
00:49:04,230 --> 00:49:01,359
they took and they took it with uh uh

1007
00:49:07,349 --> 00:49:04,240
super eight millimeter cameras so it's

1008
00:49:11,030 --> 00:49:07,359
out there somewhere the brazilian people

1009
00:49:12,630 --> 00:49:11,040
or the government they have copies of it

1010
00:49:15,990 --> 00:49:12,640
they've been holding on to it all this

1011
00:49:17,430 --> 00:49:16,000
time but i guess during the

1012
00:49:19,109 --> 00:49:17,440
you know when they were given all this

1013
00:49:21,510 --> 00:49:19,119

stuff up in 2005

1014

00:49:22,390 --> 00:49:21,520

because the the the meeting where the

1015

00:49:26,470 --> 00:49:22,400

ufologists

1016

00:49:29,270 --> 00:49:26,480

meet the military that footage is online

1017

00:49:30,710 --> 00:49:29,280

that day it was all filmed they gave

1018

00:49:34,710 --> 00:49:30,720

them over documents

1019

00:49:39,430 --> 00:49:37,270

so it's still classified for some weird

1020

00:49:41,589 --> 00:49:39,440

reason

1021

00:49:42,710 --> 00:49:41,599

must be something really intense on

1022

00:49:44,390 --> 00:49:42,720

those films

1023

00:49:47,589 --> 00:49:44,400

yeah they they need to release that

1024

00:49:50,069 --> 00:49:47,599

stuff to the public that's ridiculous

1025

00:49:51,349 --> 00:49:50,079

maybe they don't have it anymore maybe

1026

00:49:54,549 --> 00:49:51,359

somebody else does

1027

00:49:56,829 --> 00:49:54,559

yeah well like uh

1028

00:49:58,950 --> 00:49:56,839

your listeners said you know you never

1029

00:50:00,390 --> 00:49:58,960

know piccolo might have plopped down a

1030

00:50:02,710 --> 00:50:00,400

lump of cash and they went

1031

00:50:03,670 --> 00:50:02,720

yeah this will buy a few more jet

1032

00:50:06,710 --> 00:50:03,680

fighters

1033

00:50:08,950 --> 00:50:06,720

yeah you know yeah what that's uh

1034

00:50:10,390 --> 00:50:08,960

you just that's the frustrating part of

1035

00:50:13,829 --> 00:50:10,400

this it's like

1036

00:50:14,630 --> 00:50:13,839

we have all this all these cases with

1037

00:50:16,950 --> 00:50:14,640

all this

1038

00:50:19,190 --> 00:50:16,960

evidence that matches up to so many

1039

00:50:22,309 --> 00:50:19,200

different cases

1040

00:50:23,750 --> 00:50:22,319

and it's like i just hate how the

1041

00:50:25,670 --> 00:50:23,760

government kind of acts that we're

1042

00:50:29,990 --> 00:50:25,680

ignorant to that fact

1043

00:50:31,349 --> 00:50:30,000

you know like we know

1044

00:50:33,349 --> 00:50:31,359

because we're not stupid we've

1045

00:50:35,510 --> 00:50:33,359

researched it we've looked at documents

1046

00:50:38,630 --> 00:50:35,520

from the 40s 50s

1047

00:50:41,510 --> 00:50:38,640

60s 70s 80s and 90s you know

1048

00:50:42,950 --> 00:50:41,520

right the same descriptors 90 degree

1049

00:50:46,470 --> 00:50:42,960

turns dead stop

1050

00:50:47,750 --> 00:50:46,480

you know amber glowing uh all different

1051
00:50:50,309 --> 00:50:47,760
stuff

1052
00:50:51,030 --> 00:50:50,319
it's always been there it's always been

1053
00:50:52,630 --> 00:50:51,040
there

1054
00:50:55,109 --> 00:50:52,640
yeah i just don't get why they act like

1055
00:50:58,150 --> 00:50:55,119
we're so stupid

1056
00:51:01,589 --> 00:50:58,160
i i think part of it too now

1057
00:51:04,549 --> 00:51:01,599
with so many generations have gone by

1058
00:51:06,870 --> 00:51:04,559
yeah since this kind of people begin to

1059
00:51:08,870 --> 00:51:06,880
take notice of it

1060
00:51:11,349 --> 00:51:08,880
that there's really no stopping it now

1061
00:51:12,630 --> 00:51:11,359
because there's so many generations of

1062
00:51:14,630 --> 00:51:12,640
witnesses

1063
00:51:16,390 --> 00:51:14,640

you know even leaving out the people

1064

00:51:16,710 --> 00:51:16,400

that are researchers but the people that

1065

00:51:19,750 --> 00:51:16,720

have

1066

00:51:22,470 --> 00:51:19,760

seen it and been affected by it

1067

00:51:23,510 --> 00:51:22,480

there's so many of them now that it's

1068

00:51:26,309 --> 00:51:23,520

just

1069

00:51:27,430 --> 00:51:26,319

they're they're never gonna erase it now

1070

00:51:30,790 --> 00:51:27,440

yeah

1071

00:51:32,950 --> 00:51:30,800

you know well i just hope bo

1072

00:51:35,270 --> 00:51:32,960

what's your feeling on like disclosure

1073

00:51:37,910 --> 00:51:35,280

do you think this is all

1074

00:51:38,390 --> 00:51:37,920

uh orchestrated and is gonna happen or

1075

00:51:41,750 --> 00:51:38,400

do you

1076

00:51:45,750 --> 00:51:41,760

this stuff happens

1077

00:51:48,829 --> 00:51:45,760

you know where it seem

1078

00:51:51,510 --> 00:51:48,839

it just seems like there's a lot of

1079

00:51:53,030 --> 00:51:51,520

gusto and that it would eventually just

1080

00:51:54,630 --> 00:51:53,040

happen like it's gonna come to this

1081

00:51:57,589 --> 00:51:54,640

tipping point but

1082

00:52:00,150 --> 00:51:57,599

have you noticed something relative to

1083

00:52:03,589 --> 00:52:00,160

what we're experiencing now in the past

1084

00:52:05,750 --> 00:52:03,599

where it seemed like it was gonna go

1085

00:52:08,230 --> 00:52:05,760

and be disclosed but then it just kind

1086

00:52:11,670 --> 00:52:08,240

of faded away

1087

00:52:14,950 --> 00:52:11,680

you know you know multiple times

1088

00:52:17,270 --> 00:52:14,960

i think it's uh it's

1089

00:52:19,510 --> 00:52:17,280

30 something years for me now when i

1090

00:52:22,950 --> 00:52:19,520

first started doing this

1091

00:52:26,150 --> 00:52:22,960

there's been times where there's been

1092

00:52:28,470 --> 00:52:26,160

tons of talk about disclosure and

1093

00:52:30,470 --> 00:52:28,480

it comes up it kind of bubbles to the

1094

00:52:31,270 --> 00:52:30,480

surface and ufology and people are like

1095

00:52:35,190 --> 00:52:31,280

yup

1096

00:52:36,549 --> 00:52:35,200

it's gonna happen you know um

1097

00:52:38,630 --> 00:52:36,559

there was people talking about it

1098

00:52:41,589 --> 00:52:38,640

everywhere when when greer was talking

1099

00:52:43,510 --> 00:52:41,599

about i think in 93

1100

00:52:45,670 --> 00:52:43,520

there was even talk about it even way

1101
00:52:48,470 --> 00:52:45,680
before that as well

1102
00:52:50,230 --> 00:52:48,480
and you know we've all gotten our hopes

1103
00:52:51,510 --> 00:52:50,240
up like oh my god this is going to

1104
00:52:53,349 --> 00:52:51,520
happen they're going to come out they're

1105
00:52:57,030 --> 00:52:53,359
going to tell us

1106
00:52:58,069 --> 00:52:57,040
and you know i want to be optimistic

1107
00:53:00,790 --> 00:52:58,079
about it i mean

1108
00:53:01,829 --> 00:53:00,800
like i told you on the last show i i

1109
00:53:03,430 --> 00:53:01,839
want some answers

1110
00:53:05,190 --> 00:53:03,440
i mean i've been looking at this for a

1111
00:53:09,430 --> 00:53:05,200
long time yeah

1112
00:53:12,069 --> 00:53:09,440
and um i i don't know how we could

1113
00:53:13,430 --> 00:53:12,079

escape this situation without some sort

1114

00:53:17,670 --> 00:53:13,440

of answer

1115

00:53:19,670 --> 00:53:17,680

you know just because of

1116

00:53:23,589 --> 00:53:19,680

all the different characters that are

1117

00:53:26,829 --> 00:53:23,599

involved that are definitely pushing

1118

00:53:28,950 --> 00:53:26,839

you know some sort of disclosure kind of

1119

00:53:30,950 --> 00:53:28,960

narrative and going

1120

00:53:32,950 --> 00:53:30,960

pretty balls to the walls with it so if

1121

00:53:36,069 --> 00:53:32,960

it doesn't

1122

00:53:36,870 --> 00:53:36,079

really happen there's going to be a lot

1123

00:53:41,109 --> 00:53:36,880

of people that have

1124

00:53:46,150 --> 00:53:44,150

yeah you got that right you know i mean

1125

00:53:51,589 --> 00:53:46,160

here's the thing for me too

1126
00:53:53,750 --> 00:53:51,599
over the years there are multiple cases

1127
00:53:56,950 --> 00:53:53,760
where they've confiscated

1128
00:53:58,950 --> 00:53:56,960
photos and eight-millimeter film

1129
00:54:00,790 --> 00:53:58,960
and told people we're going to take a

1130
00:54:01,430 --> 00:54:00,800
look at it we'll get it back to you and

1131
00:54:06,470 --> 00:54:01,440
then it

1132
00:54:09,270 --> 00:54:06,480
appears so if a civilian

1133
00:54:11,270 --> 00:54:09,280
gathered that evidence on their own how

1134
00:54:14,710 --> 00:54:11,280
the hell is it classified

1135
00:54:16,069 --> 00:54:14,720
right you took it from someone so it

1136
00:54:19,670 --> 00:54:16,079
can't be classified

1137
00:54:22,309 --> 00:54:19,680
you classified it so that stuff

1138
00:54:24,150 --> 00:54:22,319

needs to be given back to the public

1139

00:54:27,589 --> 00:54:24,160

that's ours that's true

1140

00:54:29,670 --> 00:54:27,599

well my main point with that is

1141

00:54:31,990 --> 00:54:29,680

if we could get some people out there

1142

00:54:34,950 --> 00:54:32,000

with like really good equipment

1143

00:54:37,589 --> 00:54:34,960

all around the country uh christopher

1144

00:54:39,349 --> 00:54:37,599

o'brien who's written extensively on the

1145

00:54:43,190 --> 00:54:39,359

the cattle mutilations

1146

00:54:46,710 --> 00:54:43,200

uh out in the san luis valley

1147

00:54:50,789 --> 00:54:46,720

um he i believe he is they have set up

1148

00:54:52,870 --> 00:54:50,799

a set of cameras throughout that area

1149

00:54:54,309 --> 00:54:52,880

and they're trying to capture capture

1150

00:54:57,750 --> 00:54:54,319

stuff on video

1151

00:55:00,870 --> 00:54:57,760

um like i said i think

1152

00:55:03,109 --> 00:55:00,880

we're gonna make our own disclosure yeah

1153

00:55:05,270 --> 00:55:03,119

instead of waiting for them we need to

1154

00:55:07,510 --> 00:55:05,280

make our own disclosure we need to

1155

00:55:08,710 --> 00:55:07,520

just get some people out there get some

1156

00:55:11,270 --> 00:55:08,720

eyes on the skies

1157

00:55:13,349 --> 00:55:11,280

everywhere cameras you know but it's the

1158

00:55:15,829 --> 00:55:13,359

people who

1159

00:55:17,349 --> 00:55:15,839

want to take the time to do that because

1160

00:55:18,069 --> 00:55:17,359

a lot of people won't do it you know

1161

00:55:19,670 --> 00:55:18,079

they're just

1162

00:55:22,309 --> 00:55:19,680

i don't want to be bothered with that

1163

00:55:25,750 --> 00:55:22,319

you know so

1164

00:55:28,789 --> 00:55:25,760

just like yeah other causes or whatever

1165

00:55:30,390 --> 00:55:28,799

yeah but this one i i argue is is better

1166

00:55:34,230 --> 00:55:30,400

than most because it

1167

00:55:35,910 --> 00:55:34,240

ideally brings people together versus uh

1168

00:55:38,150 --> 00:55:35,920

stripping them apart although there are

1169

00:55:41,829 --> 00:55:38,160

conflicts within this community too

1170

00:55:45,750 --> 00:55:41,839

but yeah a little bit yeah um

1171

00:55:46,549 --> 00:55:45,760

yeah i think um you know it will get to

1172

00:55:49,430 --> 00:55:46,559

a point where

1173

00:55:50,309 --> 00:55:49,440

that is going to happen so you know the

1174

00:55:53,349 --> 00:55:50,319

air force or

1175

00:55:55,829 --> 00:55:53,359

whoever it may be is going to have to

1176
00:55:58,309 --> 00:55:55,839
we're going to want to say something so

1177
00:56:01,589 --> 00:55:58,319
they can have some control over

1178
00:56:03,670 --> 00:56:01,599
you know a narrative or whatever is

1179
00:56:04,710 --> 00:56:03,680
supposed to be done with this stuff you

1180
00:56:06,069 --> 00:56:04,720
know right

1181
00:56:07,910 --> 00:56:06,079
like they're gonna come out with like

1182
00:56:09,670 --> 00:56:07,920
don't touch it or you know whatever it

1183
00:56:12,150 --> 00:56:09,680
is

1184
00:56:12,710 --> 00:56:12,160
don't come within 30 feet don't touch it

1185
00:56:15,750 --> 00:56:12,720
yeah

1186
00:56:18,870 --> 00:56:15,760
it'll get to a point you know where

1187
00:56:20,309 --> 00:56:18,880
i mean i was just um a co-hosting on

1188
00:56:22,630 --> 00:56:20,319

this show with uh max

1189

00:56:24,789 --> 00:56:22,640

and vinnie yesterday where they just

1190

00:56:27,910 --> 00:56:24,799

cover european cases

1191

00:56:30,390 --> 00:56:27,920

and this is an example of

1192

00:56:31,670 --> 00:56:30,400

what i think will keep happening too uh

1193

00:56:34,549 --> 00:56:31,680

we had two commerci

1194

00:56:36,390 --> 00:56:34,559

commercial airline pilots on telling

1195

00:56:37,670 --> 00:56:36,400

their story of what they saw for the

1196

00:56:40,390 --> 00:56:37,680

first time

1197

00:56:42,309 --> 00:56:40,400

uh and one of them works for the largest

1198

00:56:45,349 --> 00:56:42,319

dutch airliner

1199

00:56:46,950 --> 00:56:45,359

in that country he wouldn't say what it

1200

00:56:49,190 --> 00:56:46,960

was called but he goes but you'll figure

1201
00:56:51,510 --> 00:56:49,200
it out

1202
00:56:53,510 --> 00:56:51,520
but it you know and it's interesting

1203
00:56:56,309 --> 00:56:53,520
because to come back to what you said

1204
00:56:57,270 --> 00:56:56,319
he even saw that and was excited and in

1205
00:56:58,069 --> 00:56:57,280
the moment and thought it was

1206
00:57:01,349 --> 00:56:58,079
spectacular

1207
00:57:04,150 --> 00:57:01,359
but um afterwards he was

1208
00:57:04,630 --> 00:57:04,160
very just like it is what it is move on

1209
00:57:07,589 --> 00:57:04,640
you know

1210
00:57:08,630 --> 00:57:07,599
i don't care and so it's just

1211
00:57:11,670 --> 00:57:08,640
interesting how

1212
00:57:12,230 --> 00:57:11,680
different people react so dramatically

1213
00:57:15,910 --> 00:57:12,240

different

1214

00:57:19,190 --> 00:57:15,920

to this situation in particular

1215

00:57:21,829 --> 00:57:19,200

right well it's kind of like uh another

1216

00:57:24,390 --> 00:57:21,839

good example would be alex dietrich

1217

00:57:26,630 --> 00:57:24,400

yeah she's kind of like kind of

1218

00:57:29,270 --> 00:57:26,640

indifferent to the whole thing you know

1219

00:57:31,670 --> 00:57:29,280

i saw something i can't explain but i'm

1220

00:57:34,789 --> 00:57:31,680

not really a ufo person

1221

00:57:36,630 --> 00:57:34,799

you know what i mean so well

1222

00:57:37,990 --> 00:57:36,640

some people they just get deeply

1223

00:57:41,750 --> 00:57:38,000

interested in it and

1224

00:57:42,230 --> 00:57:41,760

others don't to me i think it's one of

1225

00:57:45,109 --> 00:57:42,240

the most

1226

00:57:46,950 --> 00:57:45,119

important things to mankind that that

1227

00:57:49,349 --> 00:57:46,960

there's something else out there

1228

00:57:50,950 --> 00:57:49,359

right other people they just don't feel

1229

00:57:52,789 --> 00:57:50,960

that way they're like oh you know i'm

1230

00:57:53,990 --> 00:57:52,799

not worried about that i gotta go pay my

1231

00:57:57,349 --> 00:57:54,000

bills and get my car

1232

00:57:59,829 --> 00:57:57,359

fixed yeah you know you know it's

1233

00:58:01,270 --> 00:57:59,839

just when you get stuck in that cycle of

1234

00:58:04,630 --> 00:58:01,280

paying those bills and

1235

00:58:07,270 --> 00:58:04,640

those routines it's it's so hard to

1236

00:58:08,230 --> 00:58:07,280

get out of it and know anything else you

1237

00:58:11,270 --> 00:58:08,240

know

1238

00:58:13,349 --> 00:58:11,280

because it's just like it becomes just

1239

00:58:15,910 --> 00:58:13,359

the part of your nature is to wake up

1240

00:58:17,670 --> 00:58:15,920

and go to work and do your thing and

1241

00:58:19,510 --> 00:58:17,680

stare at the clock for the last hour of

1242

00:58:24,069 --> 00:58:19,520

your shift and

1243

00:58:26,230 --> 00:58:24,079

get out and go to bed and do it again

1244

00:58:27,510 --> 00:58:26,240

but it doesn't have to be that way you

1245

00:58:31,030 --> 00:58:27,520

know it really

1246

00:58:33,750 --> 00:58:31,040

it it doesn't um you can chase

1247

00:58:34,390 --> 00:58:33,760

you know your passions as well as you

1248

00:58:37,190 --> 00:58:34,400

know work

1249

00:58:37,589 --> 00:58:37,200

and still keep life interesting right

1250

00:58:41,589 --> 00:58:37,599

but

1251

00:58:45,430 --> 00:58:41,599

um i i hope i hope people see

1252

00:58:47,990 --> 00:58:45,440

the the value in the worth in

1253

00:58:49,270 --> 00:58:48,000

um the potential of all this because

1254

00:58:52,870 --> 00:58:49,280

it's

1255

00:58:55,270 --> 00:58:52,880

seemingly sky's the limit

1256

00:58:56,309 --> 00:58:55,280

you know with the technology and what

1257

00:59:00,789 --> 00:58:56,319

that means for

1258

00:59:02,710 --> 00:59:00,799

humanity in our our own space travels

1259

00:59:04,470 --> 00:59:02,720

i think you're right it is potentially

1260

00:59:07,510 --> 00:59:04,480

the biggest

1261

00:59:10,870 --> 00:59:07,520

mankind

1262

00:59:13,829 --> 00:59:10,880

yeah i mean you know

1263

00:59:15,829 --> 00:59:13,839

if if we get some sort of disclosure

1264

00:59:19,270 --> 00:59:15,839

over the next few years you know

1265

00:59:21,670 --> 00:59:19,280

i mean it doesn't have to be everything

1266

00:59:23,190 --> 00:59:21,680

but at least give us something you know

1267

00:59:26,470 --> 00:59:23,200

throw me a biscuit

1268

00:59:28,630 --> 00:59:26,480

yeah let me see you know a

1269

00:59:30,230 --> 00:59:28,640

photo or footage that was taken from the

1270

00:59:33,430 --> 00:59:30,240

cockpit of a jet that is

1271

00:59:35,670 --> 00:59:33,440

crystal clear that shows this object

1272

00:59:36,710 --> 00:59:35,680

and i know and they've got that stuff

1273

00:59:38,789 --> 00:59:36,720

they totally do

1274

00:59:39,750 --> 00:59:38,799

you have it i mean i was just talking

1275

00:59:42,870 --> 00:59:39,760

about the nro

1276

00:59:46,230 --> 00:59:42,880

earlier who uh met

1277

00:59:49,510 --> 00:59:46,240

national reconnaissance office

1278

00:59:52,309 --> 00:59:49,520

they seemingly worked

1279

00:59:54,470 --> 00:59:52,319

um invisibly for about 37 years and they

1280

00:59:57,430 --> 00:59:54,480

were unclassified in like the 70s

1281

00:59:58,230 --> 00:59:57,440

they get most of their budget from

1282

01:00:01,589 --> 00:59:58,240

leftover

1283

01:00:03,190 --> 01:00:01,599

funds they take them all and um

1284

01:00:05,349 --> 01:00:03,200

they are in charge of like the

1285

01:00:06,789 --> 01:00:05,359

satellites that the reconnaissance

1286

01:00:09,750 --> 01:00:06,799

satellites

1287

01:00:11,670 --> 01:00:09,760

um yep and there's about over 4 000 of

1288

01:00:14,309 --> 01:00:11,680

those in the sky now

1289

01:00:15,030 --> 01:00:14,319

and they actually worked on you know

1290

01:00:17,829 --> 01:00:15,040

upgrading

1291

01:00:18,789 --> 01:00:17,839

the uh camera and photo capabilities on

1292

01:00:20,390 --> 01:00:18,799

these satellites

1293

01:00:22,549 --> 01:00:20,400

you know a couple decades ago or

1294

01:00:23,109 --> 01:00:22,559

whatever but they are heavily involved

1295

01:00:28,549 --> 01:00:23,119

in that

1296

01:00:30,870 --> 01:00:28,559

and i am sure that they have something

1297

01:00:32,549 --> 01:00:30,880

no doubt about them and they just hire

1298

01:00:39,829 --> 01:00:32,559

all contractors

1299

01:00:43,109 --> 01:00:39,839

yeah i mean there's there's

1300

01:00:44,150 --> 01:00:43,119

i think i think what is going what is

1301
01:00:47,829 --> 01:00:44,160
going to

1302
01:00:51,109 --> 01:00:47,839
spur on a ton of leaks

1303
01:00:52,630 --> 01:00:51,119
over the next couple years is what's

1304
01:00:54,230 --> 01:00:52,640
going on now

1305
01:00:55,990 --> 01:00:54,240
yeah and there's going to be people

1306
01:00:58,150 --> 01:00:56,000
coming out of the closet and leaking

1307
01:01:00,390 --> 01:00:58,160
different things and of course we're

1308
01:01:03,589 --> 01:01:00,400
going to have to be very very

1309
01:01:06,549 --> 01:01:03,599
careful skeptical of that stuff and

1310
01:01:08,870 --> 01:01:06,559
really really look at its provenance and

1311
01:01:10,950 --> 01:01:08,880
where it came from

1312
01:01:13,030 --> 01:01:10,960
but i mean i i think that there's going

1313
01:01:14,789 --> 01:01:13,040

to be a lot of leaks over the next few

1314

01:01:16,870 --> 01:01:14,799

years and

1315

01:01:18,870 --> 01:01:16,880

i mean who knows what we'll see you're

1316

01:01:20,069 --> 01:01:18,880

right though to touch on that or we have

1317

01:01:22,630 --> 01:01:20,079

to be careful and

1318

01:01:23,510 --> 01:01:22,640

you know um not accept everything that's

1319

01:01:26,230 --> 01:01:23,520

thrown at us

1320

01:01:26,789 --> 01:01:26,240

i mean and looking through old documents

1321

01:01:29,510 --> 01:01:26,799

it's

1322

01:01:31,349 --> 01:01:29,520

you know they do that on purpose yeah

1323

01:01:34,230 --> 01:01:31,359

misinformation and

1324

01:01:35,349 --> 01:01:34,240

and uh putting people in the community

1325

01:01:38,470 --> 01:01:35,359

making movies

1326

01:01:40,870 --> 01:01:38,480

or tv shows that that spit

1327

01:01:42,549 --> 01:01:40,880

the the government's agenda out of it

1328

01:01:49,750 --> 01:01:42,559

you know

1329

01:01:51,349 --> 01:01:49,760

there's no reason

1330

01:01:53,030 --> 01:01:51,359

that they would change their ways or

1331

01:01:55,750 --> 01:01:53,040

whatever have you ever seen

1332

01:01:57,589 --> 01:01:55,760

um have you ever seen the documentary

1333

01:02:00,789 --> 01:01:57,599

mirage men

1334

01:02:02,470 --> 01:02:00,799

uh i'm really

1335

01:02:04,069 --> 01:02:02,480

i don't know what to feel about that

1336

01:02:07,349 --> 01:02:04,079

because i'm either gonna go

1337

01:02:10,069 --> 01:02:07,359

all in on majestic 12 or just skip it

1338

01:02:11,990 --> 01:02:10,079

and i'm not sure what to do well the

1339

01:02:14,069 --> 01:02:12,000

only reason i mentioned it is because of

1340

01:02:15,109 --> 01:02:14,079

dodie and you know about rick kelly

1341

01:02:18,710 --> 01:02:15,119

right

1342

01:02:21,910 --> 01:02:18,720

so he was a paid trained

1343

01:02:25,589 --> 01:02:21,920

person to do what he was doing

1344

01:02:26,150 --> 01:02:25,599

and we know that he he's already spoken

1345

01:02:29,750 --> 01:02:26,160

about it

1346

01:02:33,029 --> 01:02:29,760

he's you know so

1347

01:02:33,589 --> 01:02:33,039

how many of him are there yeah how many

1348

01:02:36,870 --> 01:02:33,599

of him

1349

01:02:39,670 --> 01:02:36,880

are embedded in our communities

1350

01:02:40,309 --> 01:02:39,680

and our groups and what we do right you

1351

01:02:43,430 --> 01:02:40,319

know

1352

01:02:46,870 --> 01:02:43,440

we have no idea yeah

1353

01:02:51,190 --> 01:02:46,880

we really don't because well

1354

01:02:53,109 --> 01:02:51,200

no one's at least as out there as he is

1355

01:02:54,950 --> 01:02:53,119

you know with how open he is talking

1356

01:02:57,910 --> 01:02:54,960

about it and everything

1357

01:02:59,270 --> 01:02:57,920

do what year was that the dotty thing do

1358

01:03:03,190 --> 01:02:59,280

you know

1359

01:03:06,630 --> 01:03:03,200

uh 80s i think it was the early 80s

1360

01:03:09,910 --> 01:03:06,640

yeah and he worked out of kirkland

1361

01:03:13,430 --> 01:03:09,920

air force base was it um

1362

01:03:15,349 --> 01:03:13,440

i thought i think so i think so

1363

01:03:16,789 --> 01:03:15,359

yeah because the university of colorado

1364

01:03:19,589 --> 01:03:16,799

took over uh

1365

01:03:20,789 --> 01:03:19,599

investigating the phenomenon in about

1366

01:03:24,950 --> 01:03:20,799

around that time

1367

01:03:27,589 --> 01:03:24,960

or no late 60s so

1368

01:03:28,789 --> 01:03:27,599

yeah and they destroyed bennowitz's life

1369

01:03:32,069 --> 01:03:28,799

yeah

1370

01:03:36,950 --> 01:03:32,079

the university didn't dodie

1371

01:03:38,789 --> 01:03:36,960

oh dodie they destroyed benowitz

1372

01:03:40,069 --> 01:03:38,799

because he knew things were going on and

1373

01:03:44,069 --> 01:03:40,079

they kept feeding him

1374

01:03:46,390 --> 01:03:44,079

fake information and he just lost it the

1375

01:03:49,589 --> 01:03:46,400

guy went off the deep end

1376

01:03:50,789 --> 01:03:49,599

yeah you know you can definitely sense

1377

01:03:54,470 --> 01:03:50,799

that there's different

1378

01:03:58,069 --> 01:03:54,480

sides to this thing right yes

1379

01:03:58,789 --> 01:03:58,079

you got grier elizondo and even some

1380

01:04:02,150 --> 01:03:58,799

people that

1381

01:04:03,910 --> 01:04:02,160

don't really obviously seem

1382

01:04:07,349 --> 01:04:03,920

that they're on separate sides i just

1383

01:04:08,950 --> 01:04:07,359

get the feeling that they're

1384

01:04:10,390 --> 01:04:08,960

that they have different agendas and

1385

01:04:14,150 --> 01:04:10,400

play nice on purpose

1386

01:04:18,630 --> 01:04:16,069

but just there's a lot of people i mean

1387

01:04:21,029 --> 01:04:18,640

like you take greer for example

1388

01:04:22,549 --> 01:04:21,039

he wants to steer people in a certain

1389

01:04:25,670 --> 01:04:22,559

direction

1390

01:04:27,910 --> 01:04:25,680

so if you listen to him in any of the

1391

01:04:31,589 --> 01:04:27,920

talks he gives

1392

01:04:33,750 --> 01:04:31,599

he talks about how he knows their names

1393

01:04:36,150 --> 01:04:33,760

he knows where they come from

1394

01:04:36,870 --> 01:04:36,160

he knows how they power their ships

1395

01:04:39,349 --> 01:04:36,880

right

1396

01:04:40,470 --> 01:04:39,359

and as soon as someone says these things

1397

01:04:43,990 --> 01:04:40,480

to me

1398

01:04:46,069 --> 01:04:44,000

i'm backing away right because he has no

1399

01:04:48,710 --> 01:04:46,079

idea what he's talking about

1400

01:04:49,829 --> 01:04:48,720

i don't think it it may come down to

1401

01:04:51,109 --> 01:04:49,839

where

1402

01:04:53,829 --> 01:04:51,119

some of the highest people in the

1403

01:04:54,630 --> 01:04:53,839

government don't even know those things

1404

01:04:57,430 --> 01:04:54,640

right

1405

01:04:58,710 --> 01:04:57,440

and he's built this kind of mythology

1406

01:05:01,029 --> 01:04:58,720

around it

1407

01:05:02,150 --> 01:05:01,039

i mean he's given them names i think one

1408

01:05:06,710 --> 01:05:02,160

is called

1409

01:05:11,990 --> 01:05:09,750

i'll be you you know

1410

01:05:13,750 --> 01:05:12,000

and uh you know he's built this whole

1411

01:05:17,190 --> 01:05:13,760

mythology around it and it's

1412

01:05:20,309 --> 01:05:17,200

really bizarre it's kind of it's it's

1413

01:05:23,910 --> 01:05:20,319

kind of culty to me yeah

1414

01:05:27,510 --> 01:05:23,920

uh yeah it definitely is most definitely

1415

01:05:29,190 --> 01:05:27,520

um and how do you know he explains

1416

01:05:32,230 --> 01:05:29,200

what he does in his own movie

1417

01:05:35,750 --> 01:05:32,240

you give some bit of truth

1418

01:05:39,430 --> 01:05:35,760

to keep it relevant and then the rest

1419

01:05:43,190 --> 01:05:41,430

whatever cardboard you want to stand up

1420

01:05:47,349 --> 01:05:43,200

around

1421

01:05:49,990 --> 01:05:47,359

yeah yeah you know do you has

1422

01:05:50,870 --> 01:05:50,000

have you seen his influence grow or

1423

01:05:54,950 --> 01:05:50,880

diminish

1424

01:05:58,549 --> 01:05:54,960

or his is steady

1425

01:06:00,710 --> 01:05:58,559

his um he's beginning to get a really

1426

01:06:03,029 --> 01:06:00,720

bad reputation for himself in the last

1427

01:06:04,910 --> 01:06:03,039

few years especially like

1428

01:06:06,630 --> 01:06:04,920

you know calling lou elizondo a

1429

01:06:09,910 --> 01:06:06,640

disinformation agent

1430

01:06:13,430 --> 01:06:09,920

and you know things like that and uh

1431

01:06:15,349 --> 01:06:13,440

uh there's there's a there's somebody in

1432

01:06:17,109 --> 01:06:15,359

the community that i won't mention his

1433

01:06:18,069 --> 01:06:17,119

name because i'm not sure he wants to be

1434

01:06:21,349 --> 01:06:18,079

attached to the whole

1435

01:06:22,230 --> 01:06:21,359

thing but yeah he became very close to

1436

01:06:24,549 --> 01:06:22,240

greer

1437

01:06:25,510 --> 01:06:24,559

he went out on a few expeditions with

1438

01:06:28,870 --> 01:06:25,520

him

1439

01:06:31,430 --> 01:06:28,880

uh got deep into the ce5

1440

01:06:33,910 --> 01:06:31,440

and he began to realize that greer was

1441

01:06:36,150 --> 01:06:33,920

very controlling

1442

01:06:37,270 --> 01:06:36,160

he burned a lot of bridges as he went

1443

01:06:40,789 --> 01:06:37,280

along

1444

01:06:41,270 --> 01:06:40,799

and so this guy bailed out started his

1445

01:06:44,470 --> 01:06:41,280

own

1446

01:06:46,710 --> 01:06:44,480

ce5 situation

1447

01:06:48,150 --> 01:06:46,720

and he doesn't really have anything to

1448

01:06:51,190 --> 01:06:48,160

do with him anymore

1449

01:06:51,589 --> 01:06:51,200

um but this is a common thing with greer

1450

01:06:58,549 --> 01:06:51,599

he

1451

01:07:01,750 --> 01:06:58,559

ufologists that

1452

01:07:03,109 --> 01:07:01,760

won't buy his story about how they're

1453

01:07:05,430 --> 01:07:03,119

here to help us

1454

01:07:07,430 --> 01:07:05,440

and they're here to give us free energy

1455

01:07:07,990 --> 01:07:07,440

and yeah then be like just freaking do

1456

01:07:14,150 --> 01:07:08,000

it

1457

01:07:16,870 --> 01:07:14,160

you know and he started disclosure i

1458

01:07:21,349 --> 01:07:16,880

think 93.

1459

01:07:28,630 --> 01:07:25,589

man it's a long plan it's not working

1460

01:07:31,750 --> 01:07:28,640

you need to come up with something else

1461

01:07:33,190 --> 01:07:31,760

the old uh yeah the fake alien invasion

1462

01:07:37,349 --> 01:07:33,200

still hasn't happened i mean i'm

1463

01:07:41,270 --> 01:07:38,870

and he keeps claiming it's going to

1464

01:07:43,029 --> 01:07:41,280

happen yeah

1465

01:07:44,549 --> 01:07:43,039

i just never got the point of that

1466

01:07:48,069 --> 01:07:44,559

theory um

1467

01:07:49,510 --> 01:07:48,079

you know just never understood it

1468

01:07:51,829 --> 01:07:49,520

the people who say they know what's

1469

01:07:53,829 --> 01:07:51,839

going on like if they really did

1470

01:07:55,670 --> 01:07:53,839

they would have the proof and everyone

1471

01:07:57,670 --> 01:07:55,680

else would know that that person knows

1472

01:08:00,069 --> 01:07:57,680

what's going on because what he has to

1473

01:08:03,029 --> 01:08:00,079

offer is just that definitive

1474

01:08:05,510 --> 01:08:03,039

right right yeah no and i don't put a

1475

01:08:07,910 --> 01:08:05,520

lot of faith in like

1476

01:08:08,870 --> 01:08:07,920

false flag operations you know for

1477

01:08:11,910 --> 01:08:08,880

example

1478

01:08:14,470 --> 01:08:11,920

right you've got uh when

1479

01:08:16,070 --> 01:08:14,480

when the sandy hook school took place in

1480

01:08:20,870 --> 01:08:16,080

connecticut

1481

01:08:23,910 --> 01:08:20,880

and all those children were killed um

1482

01:08:24,390 --> 01:08:23,920

alex jones went crazy and said that it

1483

01:08:27,269 --> 01:08:24,400

was

1484

01:08:29,590 --> 01:08:27,279

actors and they weren't real people now

1485

01:08:31,749 --> 01:08:29,600

i had a friend of mine that was a direct

1486

01:08:33,189 --> 01:08:31,759

friend of one of the families that lost

1487

01:08:36,149 --> 01:08:33,199

a child

1488

01:08:37,030 --> 01:08:36,159

my daughter was the same age as these

1489

01:08:39,349 --> 01:08:37,040

children so

1490

01:08:40,229 --> 01:08:39,359

i'm driving home from connecticut that

1491

01:08:43,189 --> 01:08:40,239

day

1492

01:08:43,829 --> 01:08:43,199

it's on the radio and i just started

1493

01:08:47,749 --> 01:08:43,839

falling

1494

01:08:51,030 --> 01:08:47,759

i couldn't stop crying and

1495

01:08:53,829 --> 01:08:51,040

when these people began to spout

1496

01:08:56,470 --> 01:08:53,839

this crap about these actors and it

1497

01:08:59,669 --> 01:08:56,480

didn't really happen

1498

01:09:01,749 --> 01:08:59,679

i must have lost 30 friends on facebook

1499

01:09:03,669 --> 01:09:01,759

and i deleted them and blocked them

1500

01:09:07,189 --> 01:09:03,679

because

1501

01:09:09,030 --> 01:09:07,199

you just it's just crazy how a small

1502

01:09:12,229 --> 01:09:09,040

group of people can make up this

1503

01:09:12,630 --> 01:09:12,239

fake crap and then it spreads within

1504

01:09:16,309 --> 01:09:12,640

this

1505

01:09:19,430 --> 01:09:16,319

mass of people it's unbelievable

1506

01:09:22,470 --> 01:09:19,440

yeah in uh complete disregard for

1507

01:09:23,349 --> 01:09:22,480

humanity along the way in people's

1508

01:09:26,390 --> 01:09:23,359

feelings

1509

01:09:29,030 --> 01:09:26,400

and emotions you know exactly just

1510

01:09:30,229 --> 01:09:29,040

so they can get more views or whatever i

1511

01:09:32,149 --> 01:09:30,239

wish people just

1512

01:09:34,070 --> 01:09:32,159

realized that in the end those things

1513

01:09:36,709 --> 01:09:34,080

are hollow

1514

01:09:37,590 --> 01:09:36,719

yeah and it's never gonna be enough and

1515

01:09:42,709 --> 01:09:37,600

some of the

1516

01:09:44,390 --> 01:09:42,719

against alex jones because he was

1517

01:09:45,990 --> 01:09:44,400

you know making uh he's just making

1518

01:09:48,550 --> 01:09:46,000

stuff up and that's

1519

01:09:49,189 --> 01:09:48,560

that's just uh going too far just cause

1520

01:09:51,349 --> 01:09:49,199

some things

1521

01:09:53,110 --> 01:09:51,359

aren't illegal doesn't mean you can do

1522

01:09:55,830 --> 01:09:53,120

them or should

1523

01:09:56,149 --> 01:09:55,840

you know that should be illegal and it's

1524

01:09:59,750 --> 01:09:56,159

like

1525

01:10:02,149 --> 01:09:59,760

every single shooting is some kind of

1526

01:10:03,270 --> 01:10:02,159

conspiracy and there's people behind it

1527

01:10:05,350 --> 01:10:03,280

and

1528

01:10:06,470 --> 01:10:05,360

you know it's just some crazy guy who

1529

01:10:08,790 --> 01:10:06,480

got a gun

1530

01:10:09,750 --> 01:10:08,800

you know i mean the media paints their

1531

01:10:12,149 --> 01:10:09,760

pictures to

1532

01:10:14,830 --> 01:10:12,159

produce the narratives their candidates

1533

01:10:18,870 --> 01:10:15,990

basically

1534

01:10:20,470 --> 01:10:18,880

whatever it is you know um shooting

1535

01:10:23,430 --> 01:10:20,480

anybody is terrible

1536

01:10:24,470 --> 01:10:23,440

they die that's terrible no matter who

1537

01:10:28,149 --> 01:10:24,480

it is

1538

01:10:29,590 --> 01:10:28,159

um that is bad but what happens what

1539

01:10:31,910 --> 01:10:29,600

i've noticed is

1540

01:10:32,870 --> 01:10:31,920

sometimes certain parts of shooting

1541

01:10:36,790 --> 01:10:32,880

videos are left

1542

01:10:38,229 --> 01:10:36,800

out until after all the crazy stuff

1543

01:10:41,830 --> 01:10:38,239

happens

1544

01:10:44,070 --> 01:10:41,840

then so look what we found you know

1545

01:10:44,950 --> 01:10:44,080

and it's it's just people frame things

1546

01:10:48,470 --> 01:10:44,960

for political

1547

01:10:51,430 --> 01:10:48,480

motives and power and they have

1548

01:10:53,030 --> 01:10:51,440

no care at least in the media about us

1549

01:10:56,149 --> 01:10:53,040

they really don't

1550

01:10:59,750 --> 01:10:56,159

i'm i'm more convinced of that every day

1551

01:11:02,709 --> 01:10:59,760

i think i think a lot of um

1552

01:11:05,189 --> 01:11:02,719

a lot of conspiracies and false flag

1553

01:11:08,470 --> 01:11:05,199

things that

1554

01:11:10,470 --> 01:11:08,480

are propagated and then begin to grow

1555

01:11:12,630 --> 01:11:10,480

a lot of times that comes from people

1556

01:11:14,709 --> 01:11:12,640

who have some kind of paranoia

1557

01:11:15,830 --> 01:11:14,719

they're they're paranoid about the

1558

01:11:18,149 --> 01:11:15,840

government

1559

01:11:19,669 --> 01:11:18,159

and they see things where other people

1560

01:11:21,669 --> 01:11:19,679

don't see that

1561

01:11:23,030 --> 01:11:21,679

and they're like well look at that

1562

01:11:25,669 --> 01:11:23,040

that's the same guy

1563

01:11:27,750 --> 01:11:25,679

that was five years ago was involved in

1564

01:11:28,709 --> 01:11:27,760

this look at their faces they look just

1565

01:11:30,390 --> 01:11:28,719

like each other

1566

01:11:31,910 --> 01:11:30,400

and they don't look anything like each

1567

01:11:34,390 --> 01:11:31,920

other you know

1568

01:11:35,830 --> 01:11:34,400

it's insane there's one short vet the

1569

01:11:39,590 --> 01:11:35,840

other's tall and skinny

1570

01:11:41,590 --> 01:11:39,600

yeah it's just the smaller opposites

1571

01:11:43,510 --> 01:11:41,600

he away he had a scar on his arm let's

1572

01:11:47,430 --> 01:11:43,520

check the arm

1573

01:11:50,950 --> 01:11:47,440

yeah show me his tattoo yeah oh man

1574

01:11:53,990 --> 01:11:50,960

yeah i know it it's very um

1575

01:11:56,709 --> 01:11:54,000

this topic one of the reasons i enjoy it

1576

01:11:57,910 --> 01:11:56,719

so much is it it really tests the limits

1577

01:12:01,030 --> 01:11:57,920

of your restraint

1578

01:12:02,709 --> 01:12:01,040

and your imagination because you there

1579

01:12:05,510 --> 01:12:02,719

are avenues for you to go

1580

01:12:06,390 --> 01:12:05,520

as far as you want many different ways

1581

01:12:09,990 --> 01:12:06,400

here

1582

01:12:10,790 --> 01:12:10,000

you know um and it takes a lot of

1583

01:12:14,149 --> 01:12:10,800

strength

1584

01:12:16,470 --> 01:12:14,159

to to not be taken away by one of those

1585

01:12:17,350 --> 01:12:16,480

you know because in the end it kind of

1586

01:12:20,390 --> 01:12:17,360

say those

1587

01:12:23,030 --> 01:12:20,400

serve some the same purpose as

1588

01:12:24,149 --> 01:12:23,040

spirituality or church and you get a

1589

01:12:25,990 --> 01:12:24,159

rush of

1590

01:12:28,149 --> 01:12:26,000

something amazing and great and you're

1591

01:12:30,550 --> 01:12:28,159

special and we're all part of this

1592

01:12:32,709 --> 01:12:30,560

you know it's a it's a faith spiritual

1593

01:12:35,750 --> 01:12:32,719

thing that you're feeling there

1594

01:12:36,070 --> 01:12:35,760

and so when you feel that it really gets

1595

01:12:38,630 --> 01:12:36,080

hard

1596

01:12:39,910 --> 01:12:38,640

to detach from that and and start

1597

01:12:43,270 --> 01:12:39,920

looking at reality

1598

01:12:45,910 --> 01:12:43,280

with clear glasses again right um so

1599

01:12:47,590 --> 01:12:45,920

i i really like um you know how you have

1600

01:12:48,709 --> 01:12:47,600

to be strong and concentrated and

1601

01:12:52,229 --> 01:12:48,719

patient

1602

01:12:54,870 --> 01:12:52,239

um because i'm not any of those

1603

01:12:56,149 --> 01:12:54,880

this will help you this will help me

1604

01:12:59,030 --> 01:12:56,159

develop that

1605

01:13:00,310 --> 01:12:59,040

i don't have a lot of patience me

1606

01:13:03,510 --> 01:13:00,320

neither

1607

01:13:06,709 --> 01:13:03,520

touch on

1608

01:13:07,270 --> 01:13:06,719

because of you know the whole kolaris

1609

01:13:10,870 --> 01:13:07,280

thing

1610

01:13:14,310 --> 01:13:10,880

uh and the whole good and bad of the

1611

01:13:17,990 --> 01:13:14,320

phenomena i actually

1612

01:13:21,350 --> 01:13:18,000

don't just run um in the field group on

1613

01:13:23,510 --> 01:13:21,360

facebook but i've been running a animal

1614

01:13:26,790 --> 01:13:23,520
and cattle mutilation group

1615

01:13:29,990 --> 01:13:26,800
for just about i think seven

1616

01:13:33,350 --> 01:13:30,000
eight years now um so

1617

01:13:35,750 --> 01:13:33,360
this is another avenue and aspect of the

1618

01:13:38,950 --> 01:13:35,760
phenomena

1619

01:13:42,310 --> 01:13:38,960
that's not good i mean yeah

1620

01:13:45,590 --> 01:13:42,320
and you there are cases

1621

01:13:48,229 --> 01:13:45,600
up until just last month i mean

1622

01:13:49,110 --> 01:13:48,239
and and this is going on this has been

1623

01:13:51,110 --> 01:13:49,120
going on they

1624

01:13:53,270 --> 01:13:51,120
they think it's been going on well into

1625

01:13:57,430 --> 01:13:53,280
the 1800s

1626

01:14:01,030 --> 01:13:57,440

and you can take photographs

1627

01:14:04,550 --> 01:14:01,040

and put them side by side from the 60s

1628

01:14:06,790 --> 01:14:04,560

to the 2000s same cuts and it looks like

1629

01:14:10,070 --> 01:14:06,800

the same person did the surgery

1630

01:14:13,510 --> 01:14:10,080

and they'll tell you it's birds and it's

1631

01:14:16,229 --> 01:14:13,520

insects and if you if you get close to

1632

01:14:18,550 --> 01:14:16,239

these photos and you look at the edges

1633

01:14:19,830 --> 01:14:18,560

there's one where the eye was removed in

1634

01:14:23,189 --> 01:14:19,840

a cow

1635

01:14:26,070 --> 01:14:23,199

and the punch took the fur

1636

01:14:28,550 --> 01:14:26,080

around the eye in a perfect circle

1637

01:14:31,830 --> 01:14:28,560

punched it right out like a machine

1638

01:14:34,709 --> 01:14:31,840

wow and it's another aspect

1639

01:14:35,830 --> 01:14:34,719

of the phenomena that is really creepy

1640

01:14:38,070 --> 01:14:35,840

and

1641

01:14:40,310 --> 01:14:38,080

people don't want to look at it but it

1642

01:14:42,950 --> 01:14:40,320

continues to this day

1643

01:14:43,830 --> 01:14:42,960

no one's ever been seen no one's ever

1644

01:14:47,910 --> 01:14:43,840

been caught

1645

01:14:51,430 --> 01:14:47,920

right or even um accused

1646

01:14:54,709 --> 01:14:51,440

right that i've seen at least yeah no

1647

01:14:56,070 --> 01:14:54,719

and there's cases where farmers have

1648

01:14:58,630 --> 01:14:56,080

lost cattle

1649

01:15:00,470 --> 01:14:58,640

and then they've decided okay i'm gonna

1650

01:15:03,270 --> 01:15:00,480

catch these little shits

1651
01:15:04,310 --> 01:15:03,280
so they got together with a couple other

1652
01:15:08,149 --> 01:15:04,320
farmers

1653
01:15:11,669 --> 01:15:08,159
sat out there in the dark waited

1654
01:15:15,270 --> 01:15:11,679
the sun comes up mutilated cattle

1655
01:15:17,590 --> 01:15:15,280
not a sound not a light nothing

1656
01:15:19,910 --> 01:15:17,600
not even any struggling of the animal

1657
01:15:22,149 --> 01:15:19,920
they heard nothing

1658
01:15:24,310 --> 01:15:22,159
and so but then there's other cases

1659
01:15:25,590 --> 01:15:24,320
where they see a bright light there's a

1660
01:15:27,910 --> 01:15:25,600
famous case over in

1661
01:15:29,110 --> 01:15:27,920
england it happened in the early 2000s

1662
01:15:31,270 --> 01:15:29,120
where

1663
01:15:32,709 --> 01:15:31,280

a man saw this light out the window of

1664

01:15:35,590 --> 01:15:32,719

his house so he began to

1665

01:15:36,149 --> 01:15:35,600

film and underneath the light there's

1666

01:15:38,950 --> 01:15:36,159

something

1667

01:15:40,709 --> 01:15:38,960

hanging there so he's looking at it he's

1668

01:15:44,470 --> 01:15:40,719

looking and he can't figure it out

1669

01:15:47,669 --> 01:15:44,480

but the light was over a buffalo farm

1670

01:15:50,229 --> 01:15:47,679

so in the next couple days

1671

01:15:51,590 --> 01:15:50,239

he approached them and he said did you

1672

01:15:54,709 --> 01:15:51,600

lose

1673

01:15:57,270 --> 01:15:54,719

you know one of your and they was

1674

01:15:59,189 --> 01:15:57,280

yeah and the footage is online it's kind

1675

01:15:59,990 --> 01:15:59,199

of blurry and you can't really make out

1676

01:16:03,110 --> 01:16:00,000

a lot

1677

01:16:07,510 --> 01:16:03,120

but they lost shouldn't be making out

1678

01:16:10,550 --> 01:16:07,520

with people online anyways

1679

01:16:11,189 --> 01:16:10,560

you know but they did they uh you know

1680

01:16:13,510 --> 01:16:11,199

that whole

1681

01:16:16,149 --> 01:16:13,520

aspect of the phenomena has always

1682

01:16:18,950 --> 01:16:16,159

fascinated me it's really creepy

1683

01:16:20,070 --> 01:16:18,960

and very creepy i mean what's the point

1684

01:16:23,590 --> 01:16:20,080

or are they eat

1685

01:16:26,070 --> 01:16:23,600

you know do they need the protein

1686

01:16:28,310 --> 01:16:26,080

some researchers think that because of

1687

01:16:31,350 --> 01:16:28,320

the fact that they're taking

1688

01:16:34,470 --> 01:16:31,360

the tongue the anus

1689

01:16:36,950 --> 01:16:34,480

the sex organs that they're

1690

01:16:39,750 --> 01:16:36,960

looking at what's our in our environment

1691

01:16:43,270 --> 01:16:39,760

and what we're doing to our environment

1692

01:16:44,709 --> 01:16:43,280

so bovine blood is very close to human

1693

01:16:48,470 --> 01:16:44,719

blood

1694

01:16:50,550 --> 01:16:48,480

and so it would be kind of

1695

01:16:51,830 --> 01:16:50,560

common sense okay let's go take to the

1696

01:16:54,709 --> 01:16:51,840

parts of the cow

1697

01:16:56,550 --> 01:16:54,719

and these humans are eating these cows

1698

01:16:59,590 --> 01:16:56,560

so let's go look at that

1699

01:17:03,830 --> 01:16:59,600

but on the other hand they

1700

01:17:05,990 --> 01:17:03,840

found uh deer out in the woods with a

1701

01:17:09,430 --> 01:17:06,000

quarter inch hole in the forehead

1702

01:17:12,229 --> 01:17:09,440

and the brain has gone out of the skull

1703

01:17:13,110 --> 01:17:12,239

they have found uh all kinds of other

1704

01:17:15,189 --> 01:17:13,120

animals

1705

01:17:16,390 --> 01:17:15,199

not just cattle but tons of other

1706

01:17:19,590 --> 01:17:16,400

animals

1707

01:17:22,390 --> 01:17:19,600

um there was a whole slew of

1708

01:17:24,070 --> 01:17:22,400

sealed deaths a few years ago that were

1709

01:17:26,229 --> 01:17:24,080

washing up on the beach

1710

01:17:28,310 --> 01:17:26,239

and they all had strips taken out of

1711

01:17:30,310 --> 01:17:28,320

them completely cut

1712

01:17:32,390 --> 01:17:30,320

and they tried to say that it was

1713

01:17:34,870 --> 01:17:32,400

propellers of boats and

1714

01:17:36,470 --> 01:17:34,880

you know now these are seals those are

1715

01:17:40,070 --> 01:17:36,480

cute you can't do that

1716

01:17:41,910 --> 01:17:40,080

yeah so so it's going on

1717

01:17:43,669 --> 01:17:41,920

and and it's out there and it's

1718

01:17:45,110 --> 01:17:43,679

happening but people just don't want to

1719

01:17:48,229 --> 01:17:45,120

look at it

1720

01:17:50,790 --> 01:17:48,239

well we are yeah i mean

1721

01:17:51,830 --> 01:17:50,800

i'll continue to keep looking at it it's

1722

01:17:54,070 --> 01:17:51,840

it's

1723

01:17:55,270 --> 01:17:54,080

i told somebody online the other day i

1724

01:17:57,510 --> 01:17:55,280

said

1725

01:17:59,510 --> 01:17:57,520

and and i told you about i sent you the

1726

01:18:03,790 --> 01:17:59,520
documentary about my early life

1727

01:18:07,189 --> 01:18:03,800
and yeah i think that i think

1728

01:18:09,110 --> 01:18:07,199
subconsciously that something frightened

1729

01:18:12,550 --> 01:18:09,120
me as a child

1730

01:18:15,430 --> 01:18:12,560
and then as i got older and i had those

1731

01:18:15,910 --> 01:18:15,440
situations with the sleep paralysis that

1732

01:18:19,030 --> 01:18:15,920
something

1733

01:18:22,229 --> 01:18:19,040
frightened me as an adult and for me

1734

01:18:24,310 --> 01:18:22,239
to keep looking at it is kind of like

1735

01:18:25,270 --> 01:18:24,320
trying to peer into the dark to see

1736

01:18:27,590 --> 01:18:25,280
what's in there

1737

01:18:28,470 --> 01:18:27,600
over and over and face your feet yeah

1738

01:18:32,149 --> 01:18:28,480

because

1739

01:18:34,229 --> 01:18:32,159

you know i fear it so i'm gonna look at

1740

01:18:37,110 --> 01:18:34,239

it because i want to know what it is

1741

01:18:38,229 --> 01:18:37,120

and i want to know why yes why did it

1742

01:18:40,950 --> 01:18:38,239

scare me

1743

01:18:41,669 --> 01:18:40,960

you know what is it about it that scared

1744

01:18:43,669 --> 01:18:41,679

me

1745

01:18:44,870 --> 01:18:43,679

and so i'm just gonna continue to keep

1746

01:18:48,550 --> 01:18:44,880

looking at it

1747

01:18:52,149 --> 01:18:48,560

that's uh that's a strong person

1748

01:18:54,149 --> 01:18:52,159

you know getting scared and

1749

01:18:56,709 --> 01:18:54,159

not backing down because i mean how many

1750

01:18:58,390 --> 01:18:56,719

times has fear just controlled the

1751

01:19:00,950 --> 01:18:58,400

decisions we make in our life

1752

01:19:02,870 --> 01:19:00,960

right right um and when it comes to

1753

01:19:06,070 --> 01:19:02,880

something like this i'm with you

1754

01:19:07,669 --> 01:19:06,080

um i don't care if it you know whatever

1755

01:19:08,550 --> 01:19:07,679

wants to do to me i'll stare right in

1756

01:19:10,390 --> 01:19:08,560

its eyes

1757

01:19:11,830 --> 01:19:10,400

until it tells me what it wants and what

1758

01:19:14,950 --> 01:19:11,840

it is you know

1759

01:19:17,189 --> 01:19:14,960

exactly um so but

1760

01:19:18,280 --> 01:19:17,199

you know but i won't go up to it and

1761

01:19:19,750 --> 01:19:18,290

touch it randomly

1762

01:19:21,780 --> 01:19:19,760

[Laughter]

1763

01:19:24,229 --> 01:19:21,790

what what no hugs

1764

01:19:27,350 --> 01:19:24,239

[Laughter]

1765

01:19:29,830 --> 01:19:27,360

um you guys can check

1766

01:19:31,669 --> 01:19:29,840

check out uh scott's youtube channel

1767

01:19:33,270 --> 01:19:31,679

because that's where he has the video

1768

01:19:34,630 --> 01:19:33,280

that we were just talking about about

1769

01:19:37,830 --> 01:19:34,640

his story

1770

01:19:38,310 --> 01:19:37,840

um i definitely recommend uh you watch

1771

01:19:42,310 --> 01:19:38,320

it

1772

01:19:44,229 --> 01:19:42,320

um i i don't think there's any

1773

01:19:45,669 --> 01:19:44,239

other way to really hear those stories

1774

01:19:48,790 --> 01:19:45,679

than first person from

1775

01:19:50,229 --> 01:19:48,800

from the the witness and you know right

1776

01:19:51,590 --> 01:19:50,239

the person who went through it that's

1777

01:19:53,590 --> 01:19:51,600

that's

1778

01:19:55,430 --> 01:19:53,600

pretty powerful and there's things that

1779

01:19:57,669 --> 01:19:55,440

were left out of it too like i couldn't

1780

01:20:00,790 --> 01:19:57,679

really put everything in it

1781

01:20:02,390 --> 01:20:00,800

but i didn't include all of the high

1782

01:20:05,750 --> 01:20:02,400

strangeness like

1783

01:20:07,990 --> 01:20:05,760

stuff moving around uh there was one day

1784

01:20:11,189 --> 01:20:08,000

where i came home from work

1785

01:20:14,629 --> 01:20:11,199

set my keys down on the table

1786

01:20:17,189 --> 01:20:14,639

uh went to go do something else

1787

01:20:19,350 --> 01:20:17,199

couldn't find my keys anywhere and i and

1788

01:20:23,510 --> 01:20:19,360

i distinctly remember

1789

01:20:25,669 --> 01:20:23,520

putting them on the table and

1790

01:20:27,350 --> 01:20:25,679

so of course i'm frantically searching

1791

01:20:29,590 --> 01:20:27,360

because i gotta take off

1792

01:20:31,030 --> 01:20:29,600

did you go back and the keys were there

1793

01:20:34,149 --> 01:20:31,040

no i actually

1794

01:20:36,950 --> 01:20:34,159

went up two floors

1795

01:20:38,470 --> 01:20:36,960

and began to search everywhere not

1796

01:20:43,189 --> 01:20:38,480

knowing why

1797

01:20:46,470 --> 01:20:43,199

and up on a high shelf were the keys

1798

01:20:47,830 --> 01:20:46,480

and i said to myself there's no way that

1799

01:20:49,350 --> 01:20:47,840

one of the kids did it because they

1800

01:20:51,910 --> 01:20:49,360

couldn't reach up there

1801
01:20:52,470 --> 01:20:51,920
you know it's almost like it's it's

1802
01:20:58,870 --> 01:20:52,480
playing

1803
01:21:01,189 --> 01:20:58,880
games oh my gosh that is

1804
01:21:02,070 --> 01:21:01,199
yeah no because i've had an experience

1805
01:21:09,510 --> 01:21:02,080
where

1806
01:21:11,189 --> 01:21:09,520
i'm like i'm looking for something and i

1807
01:21:13,990 --> 01:21:11,199
kind of get pissed off like come on

1808
01:21:15,590 --> 01:21:14,000
i put it right here where is it you know

1809
01:21:17,189 --> 01:21:15,600
and i'm looking in other rooms but i'm

1810
01:21:18,629 --> 01:21:17,199
thinking like why am i even looking here

1811
01:21:21,430 --> 01:21:18,639
i didn't put it here

1812
01:21:22,070 --> 01:21:21,440
you know but i've had it where i've gone

1813
01:21:25,430 --> 01:21:22,080

back

1814

01:21:28,070 --> 01:21:25,440

and it it was right there you know but

1815

01:21:30,149 --> 01:21:28,080

and it wasn't like a you know a

1816

01:21:32,470 --> 01:21:30,159

disorganized dairy or anything it would

1817

01:21:34,310 --> 01:21:32,480

would have just been the thing and then

1818

01:21:37,110 --> 01:21:34,320

that's happened to me too

1819

01:21:38,390 --> 01:21:37,120

yeah but that is like the perfect joke

1820

01:21:40,870 --> 01:21:38,400

because you'll never trust

1821

01:21:44,229 --> 01:21:40,880

yourself on that like i just forgot all

1822

01:21:50,470 --> 01:21:47,030

you'll never commit to there's somebody

1823

01:21:53,750 --> 01:21:52,070

but that could be said for all this

1824

01:21:55,430 --> 01:21:53,760

stuff hey like

1825

01:21:57,669 --> 01:21:55,440

it gets to a certain point where you

1826

01:21:59,430 --> 01:21:57,679

start experiencing more of the high

1827

01:22:01,990 --> 01:21:59,440

strangeness or

1828

01:22:03,510 --> 01:22:02,000

or you know personal experiences like at

1829

01:22:06,550 --> 01:22:03,520

what point do you

1830

01:22:07,430 --> 01:22:06,560

trust yourself or check yourself in yeah

1831

01:22:10,709 --> 01:22:07,440

there's no

1832

01:22:12,870 --> 01:22:10,719

the saying from years ago uh and i can't

1833

01:22:14,870 --> 01:22:12,880

remember exactly who said it and there's

1834

01:22:18,070 --> 01:22:14,880

a bunch of different versions of it

1835

01:22:20,390 --> 01:22:18,080

but there's one saying that says once

1836

01:22:21,910 --> 01:22:20,400

you become aware of the phenomena it

1837

01:22:26,390 --> 01:22:21,920

becomes aware of you

1838

01:22:29,510 --> 01:22:26,400

okay and so i think that

1839

01:22:31,590 --> 01:22:29,520

you know for some researchers the

1840

01:22:32,470 --> 01:22:31,600

strangeness started right after they had

1841

01:22:34,950 --> 01:22:32,480

a sighting

1842

01:22:35,910 --> 01:22:34,960

you know it just began weird stuff

1843

01:22:38,950 --> 01:22:35,920

moving around

1844

01:22:41,750 --> 01:22:38,960

sounds voices um

1845

01:22:44,310 --> 01:22:41,760

you know and for me when it happens to

1846

01:22:45,110 --> 01:22:44,320

me it used to freak me out and now it's

1847

01:22:47,830 --> 01:22:45,120

kind of like

1848

01:22:49,830 --> 01:22:47,840

okay really we're going to do this again

1849

01:22:54,470 --> 01:22:49,840

it's rich

1850

01:23:00,709 --> 01:22:58,709

not yeah so you know i mean

1851
01:23:01,990 --> 01:23:00,719
yeah there's some people have it and

1852
01:23:04,790 --> 01:23:02,000
some don't

1853
01:23:06,629 --> 01:23:04,800
they call it a hitchhiker yes yes it's a

1854
01:23:08,229 --> 01:23:06,639
hitchhiker you know that reminded me of

1855
01:23:10,709 --> 01:23:08,239
um

1856
01:23:11,270 --> 01:23:10,719
somebody asked lou elizondo at one point

1857
01:23:13,510 --> 01:23:11,280
if he

1858
01:23:14,790 --> 01:23:13,520
started to have any different kinds of

1859
01:23:16,149 --> 01:23:14,800
experiences when he started

1860
01:23:19,510 --> 01:23:16,159
investigating

1861
01:23:20,149 --> 01:23:19,520
and he definitely said that there were

1862
01:23:21,430 --> 01:23:20,159
uh

1863
01:23:23,910 --> 01:23:21,440

let's say an uptick in the

1864

01:23:27,189 --> 01:23:23,920

synchronicities

1865

01:23:29,750 --> 01:23:27,199

yeah those are weird

1866

01:23:30,790 --> 01:23:29,760

those are weird that's what i get all

1867

01:23:34,709 --> 01:23:30,800

the time

1868

01:23:37,270 --> 01:23:34,719

yeah or deja vu yeah but you know

1869

01:23:39,430 --> 01:23:37,280

i don't get that a lot but i get it so

1870

01:23:42,470 --> 01:23:39,440

randomly enough to where it has to

1871

01:23:44,070 --> 01:23:42,480

probably mean something you know yeah

1872

01:23:46,070 --> 01:23:44,080

because it is sometimes at very

1873

01:23:49,990 --> 01:23:46,080

interesting points in my life too

1874

01:23:51,430 --> 01:23:50,000

yeah but um anything else you want to

1875

01:23:54,470 --> 01:23:51,440

talk about

1876

01:23:57,669 --> 01:23:54,480

uh just uh you know keep

1877

01:24:00,709 --> 01:23:57,679

keep uh stay tuned to uh

1878

01:24:01,990 --> 01:24:00,719

um i'm teaming up with uh erica luke's i

1879

01:24:06,149 --> 01:24:02,000

don't know if you know who she

1880

01:24:06,709 --> 01:24:06,159

is um she's been on the travel channel

1881

01:24:14,070 --> 01:24:06,719

and

1882

01:24:16,629 --> 01:24:14,080

near

1883

01:24:18,629 --> 01:24:16,639

skinwalker ranch and she's done

1884

01:24:20,709 --> 01:24:18,639

investigations out there

1885

01:24:22,310 --> 01:24:20,719

good friend of mine so we're teaming up

1886

01:24:25,189 --> 01:24:22,320

and we're going to form our own

1887

01:24:27,590 --> 01:24:25,199

kind of podcast oh no complicated

1888

01:24:28,950 --> 01:24:27,600

feeding with me

1889

01:24:30,550 --> 01:24:28,960

but it's going to be different than

1890

01:24:31,110 --> 01:24:30,560

other podcasts we're going to have

1891

01:24:33,910 --> 01:24:31,120

different

1892

01:24:35,669 --> 01:24:33,920

segments that are going to cover

1893

01:24:37,669 --> 01:24:35,679

different things so

1894

01:24:38,709 --> 01:24:37,679

yeah that's the only thing i could i

1895

01:24:41,270 --> 01:24:38,719

could say is

1896

01:24:42,790 --> 01:24:41,280

uh for myself and others is maybe some

1897

01:24:45,189 --> 01:24:42,800

more

1898

01:24:47,270 --> 01:24:45,199

uh study-based stuff for research-based

1899

01:24:49,510 --> 01:24:47,280

stuff you know

1900

01:24:50,870 --> 01:24:49,520

yeah that's always that always i mean

1901

01:24:52,790 --> 01:24:50,880

for me

1902

01:24:55,030 --> 01:24:52,800

you know in the ones that you've done

1903

01:24:58,229 --> 01:24:55,040

with the documents that you've uncovered

1904

01:25:00,310 --> 01:24:58,239

yeah that kind of stuff keeps me engaged

1905

01:25:03,830 --> 01:25:00,320

you know some people are like oh christ

1906

01:25:06,790 --> 01:25:03,840

here he goes with the damn papers again

1907

01:25:07,189 --> 01:25:06,800

but for me i i love listening to that

1908

01:25:10,830 --> 01:25:07,199

stuff

1909

01:25:12,550 --> 01:25:10,840

i like history and it's it's just a

1910

01:25:14,790 --> 01:25:12,560

mystery yes

1911

01:25:16,070 --> 01:25:14,800

that's what it is i think exactly yeah

1912

01:25:19,350 --> 01:25:16,080

we like the history

1913

01:25:21,590 --> 01:25:19,360

and i'm a huge history buff so it just

1914

01:25:24,229 --> 01:25:21,600

bleeds over into the ufology you know

1915

01:25:24,950 --> 01:25:24,239

yeah and it's just for the documents for

1916

01:25:28,149 --> 01:25:24,960

me

1917

01:25:28,870 --> 01:25:28,159

it's it's just really i think i like

1918

01:25:30,709 --> 01:25:28,880

sometimes

1919

01:25:32,470 --> 01:25:30,719

just finding these things because

1920

01:25:35,510 --> 01:25:32,480

they're so old

1921

01:25:35,830 --> 01:25:35,520

and it's this different time and place

1922

01:25:42,470 --> 01:25:35,840

in

1923

01:25:44,790 --> 01:25:42,480

you know it's it's [h__\h] cool

1924

01:25:45,910 --> 01:25:44,800

it is it is then you find something a

1925

01:25:50,870 --> 01:25:45,920

little

1926

01:25:52,709 --> 01:25:50,880

not so good yeah like you are bad boys

1927

01:25:53,990 --> 01:25:52,719

and and you know i mean you're bringing

1928

01:25:56,629 --> 01:25:54,000

it to generations

1929

01:25:57,830 --> 01:25:56,639

who yeah half the time don't even know

1930

01:26:00,149 --> 01:25:57,840

it exists

1931

01:26:01,350 --> 01:26:00,159

right completely you bring it out there

1932

01:26:04,070 --> 01:26:01,360

and they go wow

1933

01:26:04,629 --> 01:26:04,080

where'd you get that you know yeah or

1934

01:26:07,669 --> 01:26:04,639

like

1935

01:26:09,030 --> 01:26:07,679

these some people i think um you know to

1936

01:26:10,390 --> 01:26:09,040

no fault of theirs but they don't

1937

01:26:12,870 --> 01:26:10,400

realize that

1938

01:26:13,669 --> 01:26:12,880

the characteristics as described to

1939

01:26:17,510 --> 01:26:13,679

these things

1940

01:26:21,110 --> 01:26:17,520

are the same exactly as they've been

1941

01:26:23,910 --> 01:26:21,120

exactly documented by our government

1942

01:26:25,590 --> 01:26:23,920

you know and when they start slapping

1943

01:26:28,070 --> 01:26:25,600

drone labels on it

1944

01:26:29,110 --> 01:26:28,080

people are like yeah just a bunch of

1945

01:26:32,229 --> 01:26:29,120

drones

1946

01:26:32,870 --> 01:26:32,239

but it's been there it's always been

1947

01:26:35,590 --> 01:26:32,880

there it's

1948

01:26:36,709 --> 01:26:35,600

never went away you know it's people

1949

01:26:39,030 --> 01:26:36,719

don't get it

1950

01:26:40,550 --> 01:26:39,040

the thing is is i think there probably

1951

01:26:43,189 --> 01:26:40,560

is

1952

01:26:45,350 --> 01:26:43,199

you know some kind of drones involved in

1953

01:26:49,110 --> 01:26:45,360

maybe different instances or whatever

1954

01:26:50,950 --> 01:26:49,120

i i would agree yeah so it

1955

01:26:53,430 --> 01:26:50,960

you know here we are again put a little

1956

01:26:55,390 --> 01:26:53,440

truth in it you know

1957

01:26:58,070 --> 01:26:55,400

yeah there aren't drones

1958

01:27:00,550 --> 01:26:58,080

[Laughter]

1959

01:27:02,390 --> 01:27:00,560

uh watch yeah and you know as time

1960

01:27:04,070 --> 01:27:02,400

progresses and we become more advanced

1961

01:27:05,669 --> 01:27:04,080

it will become increasingly more

1962

01:27:06,229 --> 01:27:05,679

difficult to tell the difference between

1963

01:27:10,470 --> 01:27:06,239

the two

1964

01:27:12,550 --> 01:27:10,480

you know right at least like out in the

1965

01:27:13,910 --> 01:27:12,560

sky or whatever you know just looking at

1966

01:27:15,669 --> 01:27:13,920

it

1967

01:27:19,750 --> 01:27:15,679

um hopefully we won't be able to

1968

01:27:21,830 --> 01:27:19,760

replicate the high strangeness aspect

1969

01:27:23,110 --> 01:27:21,840

yeah that would be a little crazy yeah i

1970

01:27:26,149 --> 01:27:23,120

wouldn't want anyone having that

1971

01:27:29,750 --> 01:27:28,870

all right scott i'll let you go um i

1972

01:27:33,910 --> 01:27:29,760

appreciate it

1973

01:27:36,229 --> 01:27:33,920

had a great time talking to you again um

1974

01:27:37,189 --> 01:27:36,239

you should have fun this time yeah it's

1975

01:27:40,550 --> 01:27:37,199

been awesome and

1976

01:27:41,350 --> 01:27:40,560

and i'll come back any time yeah i look

1977

01:27:43,189 --> 01:27:41,360

forward to it

1978

01:27:44,629 --> 01:27:43,199

so can't wait to check out your new

1979

01:27:47,590 --> 01:27:44,639

channel too you guys

1980

01:27:48,390 --> 01:27:47,600

uh check out his youtube channel and you

1981

01:27:51,750 --> 01:27:48,400

can follow him

1982

01:27:54,470 --> 01:27:51,760

on twitter at s brown itf

1983

01:27:55,640 --> 01:27:54,480

he follows me he may follow you but you

1984

01:27:57,830 --> 01:27:55,650

gotta be cool

1985

01:27:59,669 --> 01:27:57,840

[Laughter]

1986

01:28:01,110 --> 01:27:59,679

all right john thank you all right

1987

01:28:04,310 --> 01:28:01,120

thanks scott you take care

1988

01:28:08,149 --> 01:28:04,320

have a good one you too bye

1989

01:28:11,830 --> 01:28:08,159

all right that was fantastic

1990

01:28:15,189 --> 01:28:11,840

um man really

1991

01:28:18,709 --> 01:28:15,199

really talked about some not so nice

1992

01:28:20,790 --> 01:28:18,719

aspects of this phenomenon um

1993

01:28:22,950 --> 01:28:20,800

so i think it's important to remember

1994

01:28:24,310 --> 01:28:22,960

that when people kind of complain about

1995

01:28:25,189 --> 01:28:24,320

the threat narrative the threat

1996

01:28:27,830 --> 01:28:25,199

narrative

1997

01:28:29,590 --> 01:28:27,840

i don't know that that's just loosely

1998

01:28:31,750 --> 01:28:29,600

thrown out at people

1999

01:28:33,430 --> 01:28:31,760

um you know considering all the reports

2000

01:28:36,149 --> 01:28:33,440

from our government always end with and

2001

01:28:39,910 --> 01:28:36,159

we see no reason for it to be a threat

2002

01:28:40,870 --> 01:28:39,920

but then we have cases like that in

2003

01:28:42,229 --> 01:28:40,880

brazil

2004

01:28:44,149 --> 01:28:42,239

and i guess there was another one just

2005

01:28:47,910 --> 01:28:44,159

like it in indonesia

2006

01:28:49,750 --> 01:28:47,920

um and even things like um mantel there

2007

01:28:51,590 --> 01:28:49,760

was this case where he chased

2008

01:28:54,149 --> 01:28:51,600

uh one of these things up in the sky

2009

01:28:57,590 --> 01:28:54,159

over our country he was an air force

2010

01:29:00,470 --> 01:28:57,600

pilot he chased it and

2011

01:29:00,790 --> 01:29:00,480

his plane just fell straight from the

2012

01:29:04,629 --> 01:29:00,800

air

2013

01:29:06,950 --> 01:29:04,639

and crashed and he died um and i have

2014

01:29:10,709 --> 01:29:06,960

all the documents on that that i got

2015

01:29:12,229 --> 01:29:10,719

just recently and it's

2016

01:29:13,910 --> 01:29:12,239

it's just for the sake of those people

2017

01:29:14,550 --> 01:29:13,920

can we just be honest with each other

2018

01:29:18,390 --> 01:29:14,560

please

2019

01:29:20,709 --> 01:29:18,400

you know it's like life's don't matter

2020

01:29:22,070 --> 01:29:20,719

like the government just acts like it

2021

01:29:25,270 --> 01:29:22,080

like

2022

01:29:28,229 --> 01:29:25,280

an individual alone

2023

01:29:29,510 --> 01:29:28,239

doesn't matter um and that is farthest

2024

01:29:32,550 --> 01:29:29,520

from the truth

2025

01:29:33,669 --> 01:29:32,560

and you know i hope that the good ones

2026
01:29:34,629 --> 01:29:33,679
in the government because i know there

2027
01:29:37,270 --> 01:29:34,639
are

2028
01:29:38,790 --> 01:29:37,280
we'll start out weighing um you know the

2029
01:29:40,870 --> 01:29:38,800
ones that don't really want to pay so

2030
01:29:43,669 --> 01:29:40,880
much attention to this

2031
01:29:44,629 --> 01:29:43,679
so uh with that being said don't forget

2032
01:29:48,229 --> 01:29:44,639
we have a

2033
01:29:51,270 --> 01:29:48,239
great great great week

2034
01:29:55,350 --> 01:29:51,280
coming up um and i

2035
01:29:58,629 --> 01:29:55,360
will show you that via

2036
01:30:00,790 --> 01:29:58,639
the video i made for the schedule

2037
01:30:02,470 --> 01:30:00,800
and with that i'll let you guys go and i

2038
01:30:05,590 --> 01:30:02,480

will see you tomorrow because tomorrow

2039

01:30:08,709 --> 01:30:05,600

is gonna be a big day we got steve

2040

01:30:10,470 --> 01:30:08,719

bassett um that's going to be in the

2041

01:30:12,550 --> 01:30:10,480

evening so that's going to be a later

2042

01:30:12,950 --> 01:30:12,560

show today's show is going to be with

2043

01:30:16,390 --> 01:30:12,960

mark

2044

01:30:20,229 --> 01:30:16,400

fiorentini fiorentino who

2045

01:30:22,950 --> 01:30:20,239

is has a book and put together

2046

01:30:24,470 --> 01:30:22,960

um you know kind of combining einstein's

2047

01:30:28,950 --> 01:30:24,480

theory with his own

2048

01:30:31,910 --> 01:30:28,960

to figure out um a lot and

2049

01:30:32,870 --> 01:30:31,920

i'm not so hot on the science side um so

2050

01:30:35,990 --> 01:30:32,880

i look forward

2051

01:30:37,430 --> 01:30:36,000

to learning um

2052

01:30:39,229 --> 01:30:37,440

yeah and hopefully you'll be here

2053

01:30:42,870 --> 01:30:39,239

learning with me on

2054

01:30:46,149 --> 01:30:42,880

wednesday we have jesse peak

2055

01:30:47,510 --> 01:30:46,159

a mufon field investigator so that is

2056

01:30:51,030 --> 01:30:47,520

awesome

2057

01:30:54,149 --> 01:30:51,040

on thursday thursday is a

2058

01:30:58,629 --> 01:30:54,159

jam-packed day i have two interviews

2059

01:31:06,870 --> 01:30:58,639

first we have nick pope right after nick

2060

01:31:11,189 --> 01:31:09,430

so that's a great day which is a part of

2061

01:31:15,350 --> 01:31:11,199

an even better week

2062

01:31:18,790 --> 01:31:15,360

and on friday to cap it off

2063

01:31:21,110 --> 01:31:18,800

we have david marlar

2064

01:31:23,030 --> 01:31:21,120

so i really look forward to talking to

2065

01:31:26,870 --> 01:31:23,040

him picking his brain about

2066

01:31:29,110 --> 01:31:26,880

um triangle and pyramid ufos

2067

01:31:29,990 --> 01:31:29,120

and yeah this whole week is gonna be

2068

01:31:33,750 --> 01:31:30,000

just great

2069

01:31:35,990 --> 01:31:33,760

so um please hang in there with me

2070

01:31:37,590 --> 01:31:36,000

and check out these episodes share it

2071

01:31:40,149 --> 01:31:37,600

spread it around

2072

01:31:40,950 --> 01:31:40,159

so people don't miss out on it i'm gonna

2073

01:31:43,189 --> 01:31:40,960

put um

2074

01:31:45,189 --> 01:31:43,199

a lot of effort into making these great

2075

01:31:47,110 --> 01:31:45,199

pieces with these guests

2076

01:31:48,470 --> 01:31:47,120

um and i don't say that stuff lightly so

2077

01:31:51,030 --> 01:31:48,480

i really um

2078

01:31:52,790 --> 01:31:51,040

hope that you spread the love share this

2079

01:31:53,590 --> 01:31:52,800

stuff get people to subscribe to the

2080

01:31:56,629 --> 01:31:53,600

channel

2081

01:32:00,950 --> 01:31:56,639

follow me on twitter or instagram

2082

01:32:04,950 --> 01:32:00,960

uh so you know this voice can move on

2083

01:32:08,870 --> 01:32:04,960

um and yeah i thank you

2084

01:32:19,990 --> 01:32:08,880

for watching today and i look forward

2085

01:32:38,830 --> 01:32:26,260

i'm witnessing

2086

01:32:41,630 --> 01:32:38,840

[Music]
