

13 Dec 1958 Redlands, California

1
00:00:06,309 --> 00:00:03,990
hello you are

2
00:00:09,669 --> 00:00:06,319
with witness citizen tonight on a

3
00:00:14,629 --> 00:00:12,230
and we have a great guest his name is

4
00:00:17,990 --> 00:00:14,639
steven bassett

5
00:00:21,429 --> 00:00:18,000
he um is getting his

6
00:00:22,310 --> 00:00:21,439
um equipment ready before he hops on

7
00:00:26,550 --> 00:00:22,320
with me here

8
00:00:29,669 --> 00:00:26,560
so and it shouldn't be

9
00:00:29,990 --> 00:00:29,679
too long so um i'm excited that you guys

10
00:00:31,830 --> 00:00:30,000
are here

11
00:00:33,350 --> 00:00:31,840
we're gonna have a great talk he has a

12
00:00:36,630 --> 00:00:33,360
lot to offer

13
00:00:37,990 --> 00:00:36,640

um and i can't wait to pick his brain um

14

00:00:40,869 --> 00:00:38,000

so yeah

15

00:00:42,830 --> 00:00:40,879

right when we get back it's gonna be me

16

00:00:59,050 --> 00:00:42,840

ambassador

17

00:00:59,060 --> 00:01:13,590

[Music]

18

00:01:17,109 --> 00:01:15,270

all right that was a cool little video i

19

00:01:19,030 --> 00:01:17,119

just put together quick i like doing

20

00:01:21,990 --> 00:01:19,040

that stuff

21

00:01:23,109 --> 00:01:22,000

it's very artistic um so without further

22

00:01:26,950 --> 00:01:23,119

ado i won't keep you

23

00:01:30,149 --> 00:01:26,960

waiting any longer i will bring the man

24

00:01:31,270 --> 00:01:30,159

of the hour here hello sir how are you

25

00:01:34,149 --> 00:01:31,280

steven bassett

26

00:01:35,830 --> 00:01:34,159

i'm fine glad to be with you yeah glad

27

00:01:39,030 --> 00:01:35,840

to be with you as well

28

00:01:41,030 --> 00:01:39,040

um it's kind of difficult to know where

29

00:01:41,830 --> 00:01:41,040

to start sometimes with someone like

30

00:01:45,030 --> 00:01:41,840

yourself

31

00:01:46,710 --> 00:01:45,040

um like i have so many interests in this

32

00:01:50,389 --> 00:01:46,720

field that i

33

00:01:52,550 --> 00:01:50,399

think you've dominated already

34

00:01:53,749 --> 00:01:52,560

so but what i was really curious about

35

00:01:56,870 --> 00:01:53,759

is in may on

36

00:01:57,590 --> 00:01:56,880

coast to coast i've heard you on that

37

00:02:00,389 --> 00:01:57,600

show

38

00:02:01,109 --> 00:02:00,399

and i think you were the first one to

39

00:02:03,990 --> 00:02:01,119

that i heard

40

00:02:05,749 --> 00:02:04,000

mention congressional hearings as a part

41

00:02:08,710 --> 00:02:05,759

of this process

42

00:02:09,669 --> 00:02:08,720

um now we do hear rumblings of that so

43

00:02:13,190 --> 00:02:09,679

i'm curious

44

00:02:15,910 --> 00:02:13,200

on your take where it stands now

45

00:02:16,550 --> 00:02:15,920

may of when did you first hear it uh

46

00:02:18,710 --> 00:02:16,560

well

47

00:02:19,750 --> 00:02:18,720

i heard you talk about it may of this

48

00:02:22,869 --> 00:02:19,760

year actually

49

00:02:25,750 --> 00:02:22,879

oh oh oh oh congressional hearings for

50

00:02:26,309 --> 00:02:25,760

a long time right i mean in relation to

51
00:02:30,070 --> 00:02:26,319
this

52
00:02:31,670 --> 00:02:30,080
were talking to george about it

53
00:02:33,430 --> 00:02:31,680
yeah no one else that was a part of this

54
00:02:34,869 --> 00:02:33,440
was so i thought that was uh very

55
00:02:37,750 --> 00:02:34,879
interesting because here we are

56
00:02:38,390 --> 00:02:37,760
and they're talking about it so yeah

57
00:02:42,070 --> 00:02:38,400
well i

58
00:02:45,670 --> 00:02:42,080
uh occasionally get something right um

59
00:02:46,790 --> 00:02:45,680
essentially my contention is and i've

60
00:02:49,990 --> 00:02:46,800
had it

61
00:02:53,110 --> 00:02:50,000
reinforced i had some inside

62
00:02:55,670 --> 00:02:53,120
report that i'm on on the money the the

63
00:02:56,470 --> 00:02:55,680

the reason the two stars academy was

64

00:02:58,949 --> 00:02:56,480

created and

65

00:03:00,630 --> 00:02:58,959

launched and went to the new york times

66

00:03:02,390 --> 00:03:00,640

of the articles and just got this ball

67

00:03:05,110 --> 00:03:02,400

rolling in a way that we've never done

68

00:03:07,430 --> 00:03:05,120

before because they had a

69

00:03:08,949 --> 00:03:07,440

they had grabbed they had gravitas and

70

00:03:11,110 --> 00:03:08,959

and credentials

71

00:03:12,550 --> 00:03:11,120

and they'd obviously been working for

72

00:03:13,509 --> 00:03:12,560

the government for years and now

73

00:03:15,589 --> 00:03:13,519

suddenly they're

74

00:03:16,869 --> 00:03:15,599

supporting this issue and what have you

75

00:03:20,869 --> 00:03:16,879

that was a big deal

76

00:03:23,589 --> 00:03:20,879

yeah so uh it was clear to me that

77

00:03:25,030 --> 00:03:23,599

the agenda ultimately was to get

78

00:03:25,830 --> 00:03:25,040

congressional hearings that's why they

79

00:03:27,270 --> 00:03:25,840

launched this

80

00:03:29,030 --> 00:03:27,280

now if it creates a public benefit

81

00:03:30,630 --> 00:03:29,040

corporation and raises tens of millions

82

00:03:33,509 --> 00:03:30,640

of dollars it allows them to do lots of

83

00:03:35,589 --> 00:03:33,519

interesting things that's fine

84

00:03:36,949 --> 00:03:35,599

and so they had an organization because

85

00:03:41,190 --> 00:03:36,959

they

86

00:03:44,229 --> 00:03:41,200

to the stars could have had

87

00:03:45,270 --> 00:03:44,239

excellent post government careers with

88

00:03:47,350 --> 00:03:45,280

substantial

89

00:03:48,390 --> 00:03:47,360

contracts lucrative jobs all that kind

90

00:03:50,229 --> 00:03:48,400

of stuff they really

91

00:03:52,229 --> 00:03:50,239

gave that up at least they gave it a

92

00:03:54,710 --> 00:03:52,239

temporarily in order to

93

00:03:56,070 --> 00:03:54,720

uh bring this issue to a place that had

94

00:03:59,509 --> 00:03:56,080

never been before

95

00:04:01,190 --> 00:03:59,519

so but why

96

00:04:02,470 --> 00:04:01,200

and and the answer to me was clear they

97

00:04:04,390 --> 00:04:02,480

they were they were going to try to get

98

00:04:05,990 --> 00:04:04,400

congressional hearings

99

00:04:09,350 --> 00:04:06,000

uh which we've been trying to get since

100

00:04:15,990 --> 00:04:12,869

donald keough one of his principal uh

101
00:04:18,789 --> 00:04:16,000
efforts in the early 1950s besides

102
00:04:20,469 --> 00:04:18,799
he wrote four books he helped form nycap

103
00:04:21,990 --> 00:04:20,479
but he made it clear he want

104
00:04:23,030 --> 00:04:22,000
want to get congressional hearings he

105
00:04:24,790 --> 00:04:23,040
assumed that there would be

106
00:04:25,990 --> 00:04:24,800
congressional hearings on this and given

107
00:04:26,870 --> 00:04:26,000
what was being reported and what

108
00:04:30,950 --> 00:04:26,880
happened

109
00:04:31,749 --> 00:04:30,960
of our government actually at the time

110
00:04:33,350 --> 00:04:31,759
was it not

111
00:04:35,990 --> 00:04:33,360
with our air force and stuff they were

112
00:04:37,030 --> 00:04:36,000
kind of communicating more than we would

113
00:04:39,590 --> 00:04:37,040

think

114

00:04:40,950 --> 00:04:39,600

it seemed like who was communicating

115

00:04:42,950 --> 00:04:40,960

more than just nightcap

116

00:04:44,310 --> 00:04:42,960

like uh cia was definitely talking about

117

00:04:46,150 --> 00:04:44,320

nightcap at the time

118

00:04:47,830 --> 00:04:46,160

no nightcap was it was an important

119

00:04:49,270 --> 00:04:47,840

organization it had cia members on the

120

00:04:52,629 --> 00:04:49,280

board of directors

121

00:04:53,670 --> 00:04:52,639

uh which is fine but i think one of the

122

00:04:55,350 --> 00:04:53,680

reasons they were on the board of

123

00:04:57,430 --> 00:04:55,360

directors was to make sure it didn't get

124

00:04:59,670 --> 00:04:57,440

too out of hand

125

00:05:01,350 --> 00:04:59,680

so but it was a high-end organization

126
00:05:02,950 --> 00:05:01,360
and mcdonald's james mcdonald was the

127
00:05:06,469 --> 00:05:02,960
science advisor and all this

128
00:05:07,830 --> 00:05:06,479
and so he wanted to get hearings but it

129
00:05:11,830 --> 00:05:07,840
just wasn't going to happen

130
00:05:14,150 --> 00:05:11,840
it was blocked icap also pursued it

131
00:05:15,350 --> 00:05:14,160
as well kind of as an organization and

132
00:05:17,110 --> 00:05:15,360
then of course there have been many

133
00:05:19,189 --> 00:05:17,120
attempts to get hearings since and

134
00:05:20,629 --> 00:05:19,199
with two minor exceptions we just

135
00:05:23,350 --> 00:05:20,639
haven't got them

136
00:05:24,070 --> 00:05:23,360
so in other words you've got non-human

137
00:05:27,189 --> 00:05:24,080
intelligence

138
00:05:29,590 --> 00:05:27,199

engaging the planet earth you've got at

139

00:05:30,390 --> 00:05:29,600

least one craft as a 47 you might have

140

00:05:31,670 --> 00:05:30,400

had two

141

00:05:36,150 --> 00:05:31,680

eventually there were a number of others

142

00:05:38,390 --> 00:05:36,160

you've got alien bodies et body

143

00:05:39,830 --> 00:05:38,400

and in the early days there were

144

00:05:41,029 --> 00:05:39,840

probably some members of congress that

145

00:05:44,629 --> 00:05:41,039

knew about it

146

00:05:47,350 --> 00:05:44,639

but no congressional hearings well

147

00:05:48,230 --> 00:05:47,360

the reason for that is simple as the

148

00:05:52,070 --> 00:05:48,240

policy

149

00:05:54,150 --> 00:05:52,080

of truth embargo formed anybody that

150

00:05:56,550 --> 00:05:54,160

understood washington at all knew that

151
00:05:58,150 --> 00:05:56,560
congressional hearings could not happen

152
00:05:59,909 --> 00:05:58,160
if congressional hearings were to take

153
00:06:01,270 --> 00:05:59,919
place legitimate hearings with multiple

154
00:06:02,390 --> 00:06:01,280
witnesses the truth embargo would

155
00:06:03,909 --> 00:06:02,400
collapse

156
00:06:05,830 --> 00:06:03,919
so since the policy of the government

157
00:06:06,710 --> 00:06:05,840
was truth embargo there could be no

158
00:06:10,390 --> 00:06:06,720
hearing

159
00:06:12,150 --> 00:06:10,400
lasted one day

160
00:06:13,670 --> 00:06:12,160
two years later we got a second hearing

161
00:06:16,230 --> 00:06:13,680
it lasted one day four

162
00:06:18,070 --> 00:06:16,240
four people testified and that was all

163
00:06:21,029 --> 00:06:18,080

part of a wrap up process to just kind

164

00:06:23,270 --> 00:06:21,039

of close it all down and get by it

165

00:06:25,510 --> 00:06:23,280

that was it so that was what 52 years

166

00:06:26,550 --> 00:06:25,520

ago 53 years ago was the last time we

167

00:06:30,629 --> 00:06:26,560

had

168

00:06:32,830 --> 00:06:30,639

a hearing on this subject and so

169

00:06:34,309 --> 00:06:32,840

every attempt to get hearing since

170

00:06:36,950 --> 00:06:34,319

failed

171

00:06:38,710 --> 00:06:36,960

has there been a lot probably at least

172

00:06:42,150 --> 00:06:38,720

half a dozen

173

00:06:44,150 --> 00:06:42,160

um i know of a couple so

174

00:06:46,870 --> 00:06:44,160

he and hearings is the way this needs to

175

00:06:49,430 --> 00:06:46,880

happen this this is

176

00:06:51,029 --> 00:06:49,440

this the pentagon cannot confirm the e.t

177

00:06:52,469 --> 00:06:51,039

presence that congress cannot confirm

178

00:06:53,589 --> 00:06:52,479

the e.d presidents it has to be the

179

00:06:56,950 --> 00:06:53,599

president

180

00:07:00,150 --> 00:06:56,960

position to be able to do it

181

00:07:02,629 --> 00:07:00,160

properly we need to have a public

182

00:07:03,189 --> 00:07:02,639

set of hearings where the american

183

00:07:04,710 --> 00:07:03,199

people

184

00:07:06,550 --> 00:07:04,720

and members of congress hear this

185

00:07:07,990 --> 00:07:06,560

testimony at the same time they get they

186

00:07:09,830 --> 00:07:08,000

get the evidence they get the

187

00:07:12,070 --> 00:07:09,840

high level testimony at the same time

188

00:07:15,350 --> 00:07:12,080

that's the way to do it okay

189

00:07:17,589 --> 00:07:15,360

so that was the goal and the plan was

190

00:07:18,629 --> 00:07:17,599

based upon the election of hillary

191

00:07:22,070 --> 00:07:18,639

clinton

192

00:07:24,950 --> 00:07:22,080

they approached the uh her campaign

193

00:07:25,909 --> 00:07:24,960

podesta and so forth kind of tipped them

194

00:07:27,350 --> 00:07:25,919

off i do not

195

00:07:29,510 --> 00:07:27,360

the emails that were released by

196

00:07:30,309 --> 00:07:29,520

wikileaks i don't think they confirmed

197

00:07:33,270 --> 00:07:30,319

whether

198

00:07:34,950 --> 00:07:33,280

he was tipped off specifically to what

199

00:07:36,710 --> 00:07:34,960

their plan was

200

00:07:38,070 --> 00:07:36,720

i think it he might he probably was

201
00:07:39,110 --> 00:07:38,080
though but verbally it was it would have

202
00:07:42,830 --> 00:07:39,120
been an email

203
00:07:44,710 --> 00:07:42,840
he gave an interview to john podesta her

204
00:07:46,390 --> 00:07:44,720
campaign

205
00:07:48,309 --> 00:07:46,400
only reason knew about that is because

206
00:07:50,950 --> 00:07:48,319
wikileaks dumped all the emails out

207
00:07:52,950 --> 00:07:50,960
just before the election 50 000. so that

208
00:07:55,029 --> 00:07:52,960
was kind of a problem but ultimately it

209
00:07:58,550 --> 00:07:55,039
wasn't

210
00:08:01,270 --> 00:07:58,560
uh terminal uh

211
00:08:03,749 --> 00:08:01,280
but then she lost and the whole plan

212
00:08:06,309 --> 00:08:03,759
which was based upon her winning

213
00:08:08,469 --> 00:08:06,319

truth right that's kind of silly to base

214

00:08:09,110 --> 00:08:08,479

your plan off of something that's not

215

00:08:11,029 --> 00:08:09,120

for sure

216

00:08:12,230 --> 00:08:11,039

isn't it well first of all they thought

217

00:08:14,869 --> 00:08:12,240

it was for sure

218

00:08:16,150 --> 00:08:14,879

yeah she was considered to make asses

219

00:08:17,670 --> 00:08:16,160

out of you and me

220

00:08:19,510 --> 00:08:17,680

well that's true but i mean look if

221

00:08:22,070 --> 00:08:19,520

you've got a if you've got

222

00:08:23,909 --> 00:08:22,080

if you're feeling an enormous need to

223

00:08:25,589 --> 00:08:23,919

end the truth embargo and you're

224

00:08:27,350 --> 00:08:25,599

you're inside the pentagon inside the

225

00:08:29,990 --> 00:08:27,360

cia and so forth

226

00:08:31,350 --> 00:08:30,000

uh it's not like there's going to be a

227

00:08:33,909 --> 00:08:31,360

perfect opportunity they

228

00:08:35,430 --> 00:08:33,919

sure they they saw what was going on

229

00:08:37,029 --> 00:08:35,440

with her they know the connection that

230

00:08:38,709 --> 00:08:37,039

she had with the issue and her husband

231

00:08:41,269 --> 00:08:38,719

all the way back to the 90s

232

00:08:43,190 --> 00:08:41,279

with the rockefeller initiative i was

233

00:08:44,470 --> 00:08:43,200

able to force them out of cover and

234

00:08:46,550 --> 00:08:44,480

force them to have to make some

235

00:08:47,509 --> 00:08:46,560

statements to the media and give some

236

00:08:48,790 --> 00:08:47,519

interviews

237

00:08:50,870 --> 00:08:48,800

which they didn't want to do but that

238

00:08:53,509 --> 00:08:50,880

was a project i was working on

239

00:08:54,310 --> 00:08:53,519

and uh they responded but they only went

240

00:08:57,030 --> 00:08:54,320

so far

241

00:08:58,870 --> 00:08:57,040

but the message to the dod was she's

242

00:08:59,750 --> 00:08:58,880

going to disclose once she gets in she's

243

00:09:02,310 --> 00:08:59,760

disclosing

244

00:09:02,949 --> 00:09:02,320

yeah and that's a big problem for us all

245

00:09:05,030 --> 00:09:02,959

right

246

00:09:07,190 --> 00:09:05,040

if we're not seen as being helpful here

247

00:09:10,310 --> 00:09:07,200

if we're not out in front of this

248

00:09:13,509 --> 00:09:10,320

we're going to take a beating after the

249

00:09:14,790 --> 00:09:13,519

politicians confirm the e.t presence now

250

00:09:15,990 --> 00:09:14,800

this wasn't an official policy of the

251

00:09:18,310 --> 00:09:16,000

pentagon

252

00:09:20,710 --> 00:09:18,320

this was a group of private individuals

253

00:09:23,350 --> 00:09:20,720

working in the pentagon and elsewhere

254

00:09:24,310 --> 00:09:23,360

who came to this decision on their own

255

00:09:27,990 --> 00:09:24,320

and made a

256

00:09:31,430 --> 00:09:28,000

personal decision to support creating a

257

00:09:33,829 --> 00:09:31,440

public entity of retired former members

258

00:09:36,070 --> 00:09:33,839

of the pentagon with big resumes

259

00:09:37,829 --> 00:09:36,080

and then they would do things and take

260

00:09:39,350 --> 00:09:37,839

actions that those working

261

00:09:41,509 --> 00:09:39,360

in the military intelligence complex

262

00:09:42,310 --> 00:09:41,519

could not do and that's exactly what

263

00:09:44,389 --> 00:09:42,320

they did

264

00:09:46,710 --> 00:09:44,399

they launched on october 11th and by

265

00:09:47,350 --> 00:09:46,720

within 65 days they had delivered gotten

266

00:09:49,509 --> 00:09:47,360

vetted

267

00:09:51,030 --> 00:09:49,519

and saw two huge articles published in

268

00:09:53,829 --> 00:09:51,040

the front page of the new york times

269

00:09:54,470 --> 00:09:53,839

and we were off to the races all right

270

00:09:57,750 --> 00:09:54,480

and

271

00:09:57,760 --> 00:10:01,190

public benefit corporation

272

00:10:04,630 --> 00:10:02,630

put some big articles out to the new

273

00:10:06,630 --> 00:10:04,640

york times

274

00:10:07,990 --> 00:10:06,640

put up a stock you know public benefit

275

00:10:10,230 --> 00:10:08,000

stock offering

276

00:10:11,590 --> 00:10:10,240

five dollars a share and given

277

00:10:13,190 --> 00:10:11,600

everything that was unfolding probably

278

00:10:14,069 --> 00:10:13,200

would have raised 25 million dollars so

279

00:10:15,910 --> 00:10:14,079

these people who

280

00:10:18,069 --> 00:10:15,920

clearly could be making excellent money

281

00:10:19,350 --> 00:10:18,079

doing other things taking this risk

282

00:10:21,350 --> 00:10:19,360

would they would have plenty of funding

283

00:10:23,190 --> 00:10:21,360

in the organization for them to

284

00:10:24,550 --> 00:10:23,200

to pursue the agendas that they

285

00:10:24,870 --> 00:10:24,560

mentioned in their mission statements

286

00:10:31,110 --> 00:10:24,880

and

287

00:10:33,269 --> 00:10:31,120

articles

288

00:10:35,110 --> 00:10:33,279

would have helped ensure that the press

289

00:10:37,269 --> 00:10:35,120

was going to be relentlessly on her the

290

00:10:39,269 --> 00:10:37,279

moment she was in the white house

291

00:10:40,630 --> 00:10:39,279

and she wanted to disclose anyway it was

292

00:10:42,550 --> 00:10:40,640

all laid out and the whole thing is

293

00:10:44,949 --> 00:10:42,560

probably slam dunk by

294

00:10:46,069 --> 00:10:44,959

april right and so their exposure was

295

00:10:48,630 --> 00:10:46,079

six months

296

00:10:49,750 --> 00:10:48,640

right no problem okay yeah and then she

297

00:10:53,030 --> 00:10:49,760

lost

298

00:10:53,990 --> 00:10:53,040

why do you think tsa kind of fell apart

299

00:10:56,550 --> 00:10:54,000

because if funding

300

00:10:58,550 --> 00:10:56,560

seems like it was the major thing there

301
00:11:02,470 --> 00:10:58,560
well what do you mean by the major thing

302
00:11:04,310 --> 00:11:02,480
the major aspect of it that

303
00:11:05,990 --> 00:11:04,320
kind of was a struggle for him i know

304
00:11:07,350 --> 00:11:06,000
tom was putting a lot of his own money

305
00:11:09,670 --> 00:11:07,360
into it

306
00:11:11,670 --> 00:11:09,680
well he that's the reason he was a ceo

307
00:11:13,750 --> 00:11:11,680
yeah they weren't going to fund it

308
00:11:14,870 --> 00:11:13,760
the dod couldn't fund it the dod didn't

309
00:11:16,470 --> 00:11:14,880
even know about it

310
00:11:18,470 --> 00:11:16,480
they needed a person that was on their

311
00:11:20,790 --> 00:11:18,480
side supportive of their idea

312
00:11:22,550 --> 00:11:20,800
who wasn't part of their world who had

313
00:11:23,829 --> 00:11:22,560

them at least the money to get things

314

00:11:25,190 --> 00:11:23,839

rolling

315

00:11:26,870 --> 00:11:25,200

and he fit the bill that's why he ended

316

00:11:31,509 --> 00:11:26,880

up ceo of the tgsa

317

00:11:36,150 --> 00:11:31,519

no problem excellent choice and so uh

318

00:11:39,829 --> 00:11:36,160

but when things went south

319

00:11:42,550 --> 00:11:39,839

yeah when she lost suddenly

320

00:11:44,949 --> 00:11:42,560

the ability to raise the kind of money

321

00:11:47,750 --> 00:11:44,959

they thought they were raised was gone

322

00:11:48,230 --> 00:11:47,760

and so now they got a huge problem they

323

00:11:51,030 --> 00:11:48,240

don't have

324

00:11:52,949 --> 00:11:51,040

that much money to to pursue stuff with

325

00:11:55,829 --> 00:11:52,959

they've got the wrong president

326

00:11:57,910 --> 00:11:55,839

uh political chaos is starting to

327

00:12:00,069 --> 00:11:57,920

immediately happen

328

00:12:01,829 --> 00:12:00,079

and it looks like and plus they were

329

00:12:03,350 --> 00:12:01,839

partially exposed in the wikileaks so

330

00:12:05,590 --> 00:12:03,360

that embarrassed some people

331

00:12:06,710 --> 00:12:05,600

it was it was a mess it was a it was a

332

00:12:09,990 --> 00:12:06,720

snafu

333

00:12:12,629 --> 00:12:10,000

yeah and so they had to step back

334

00:12:14,150 --> 00:12:12,639

regroup and think it through and it took

335

00:12:16,310 --> 00:12:14,160

them 11 months

336

00:12:18,310 --> 00:12:16,320

yeah before they finally decided we

337

00:12:19,509 --> 00:12:18,320

still have to go ahead

338

00:12:22,150 --> 00:12:19,519

even though they didn't raise any more

339

00:12:25,030 --> 00:12:22,160

money and so to their great credit they

340

00:12:29,110 --> 00:12:25,040

launched on october of 2011 i mean

341

00:12:30,790 --> 00:12:29,120

october 11th 2021. that's and

342

00:12:32,230 --> 00:12:30,800

that's so that that's the initial

343

00:12:33,030 --> 00:12:32,240

beginning of this whole thing we're

344

00:12:34,470 --> 00:12:33,040

seeing going down

345

00:12:36,629 --> 00:12:34,480

i would think a lot of people would just

346

00:12:38,470 --> 00:12:36,639

quit at that point so to not quit

347

00:12:40,069 --> 00:12:38,480

and still follow through even though the

348

00:12:42,069 --> 00:12:40,079

main centerpiece of your plan the

349

00:12:45,269 --> 00:12:42,079

kickoff the starting point

350

00:12:48,389 --> 00:12:45,279

didn't necessarily happen uh that's

351

00:12:50,629 --> 00:12:48,399

brave that's the way it is uh

352

00:12:51,590 --> 00:12:50,639

you know what what did they say about

353

00:12:54,870 --> 00:12:51,600

your

354

00:12:56,389 --> 00:12:54,880

match

355

00:12:58,310 --> 00:12:56,399

they go out the window the first time

356

00:13:01,350 --> 00:12:58,320

you get punched in the nose

357

00:13:03,509 --> 00:13:01,360

uh pretty much or or your

358

00:13:04,870 --> 00:13:03,519

your bat your strategic battle plan in

359

00:13:07,190 --> 00:13:04,880

war goes out the window

360

00:13:08,710 --> 00:13:07,200

as soon as the first shell lands you

361

00:13:10,870 --> 00:13:08,720

know yeah uh

362

00:13:11,829 --> 00:13:10,880

hey but you're you're right they did

363

00:13:14,389 --> 00:13:11,839

they they hung in

364

00:13:16,550 --> 00:13:14,399

and uh they they will get they will get

365

00:13:17,350 --> 00:13:16,560

historically acknowledged in many ways

366

00:13:21,590 --> 00:13:17,360

for that

367

00:13:23,910 --> 00:13:21,600

yeah uh on coast to coast you also

368

00:13:24,790 --> 00:13:23,920

um were saying we're like weeks months

369

00:13:27,030 --> 00:13:24,800

away from the

370

00:13:28,150 --> 00:13:27,040

end of the truth embargo are you still

371

00:13:30,790 --> 00:13:28,160

thinking that

372

00:13:31,430 --> 00:13:30,800

or have you kind of adjusted your time

373

00:13:34,949 --> 00:13:31,440

frame

374

00:13:37,269 --> 00:13:34,959

a little bit um

375

00:13:38,550 --> 00:13:37,279

technically it could have moved at a

376

00:13:41,829 --> 00:13:38,560

certain pace

377

00:13:44,230 --> 00:13:41,839

yeah uh and so i'm projecting that

378

00:13:46,829 --> 00:13:44,240

but things change and and a couple of

379

00:13:49,389 --> 00:13:46,839

things changed

380

00:13:55,430 --> 00:13:49,399

the the amount of

381

00:14:03,910 --> 00:13:59,990

chaos uh i think exceeded expectations

382

00:14:07,030 --> 00:14:03,920

yeah uh and i i i

383

00:14:09,269 --> 00:14:07,040

what can i say and i i don't think uh a

384

00:14:10,710 --> 00:14:09,279

a full-blown attack on the capital of

385

00:14:12,949 --> 00:14:10,720

the united states

386

00:14:14,790 --> 00:14:12,959

was uh factored even by the pentagon's

387

00:14:16,470 --> 00:14:14,800

gaming i don't think they gained that

388

00:14:18,629 --> 00:14:16,480

out they didn't see that coming

389

00:14:20,389 --> 00:14:18,639

and and and and there has been a lot of

390

00:14:21,829 --> 00:14:20,399

residual to that so that has slowed

391

00:14:24,150 --> 00:14:21,839

things down

392

00:14:26,470 --> 00:14:24,160

the pandemic was always a factor and so

393

00:14:28,069 --> 00:14:26,480

it was a matter of how quickly the uh

394

00:14:29,189 --> 00:14:28,079

vaccination program would get underway

395

00:14:30,870 --> 00:14:29,199

and how quickly people would be

396

00:14:33,110 --> 00:14:30,880

vaccinated

397

00:14:34,389 --> 00:14:33,120

it has done well it has certainly

398

00:14:37,350 --> 00:14:34,399

improved

399

00:14:38,310 --> 00:14:37,360

but the pace slower than many would have

400

00:14:40,949 --> 00:14:38,320

preferred

401
00:14:41,350 --> 00:14:40,959
and so that's a factor so between the

402
00:14:45,829 --> 00:14:41,360
the

403
00:14:48,470 --> 00:14:45,839
things have been shoved a bit

404
00:14:50,550 --> 00:14:48,480
okay but based upon the recent

405
00:14:54,949 --> 00:14:50,560
developments i think there's a

406
00:14:58,150 --> 00:14:54,959
decent chance that in mid-july

407
00:15:01,430 --> 00:14:58,160
a major committee chair will confirm

408
00:15:04,310 --> 00:15:01,440
and provide a date for the first

409
00:15:05,670 --> 00:15:04,320
uh serious hearings uh well re the first

410
00:15:08,470 --> 00:15:05,680
serious hearings ever

411
00:15:09,829 --> 00:15:08,480
and the first any hearing since 1968. i

412
00:15:10,870 --> 00:15:09,839
think that could very well happen about

413
00:15:14,870 --> 00:15:10,880

mid-july

414

00:15:17,590 --> 00:15:14,880

is that's the perfect thing to do here

415

00:15:18,389 --> 00:15:17,600

is is it not like let the american

416

00:15:21,189 --> 00:15:18,399

public

417

00:15:22,790 --> 00:15:21,199

witness this and make up their own minds

418

00:15:25,670 --> 00:15:22,800

instead of

419

00:15:27,030 --> 00:15:25,680

uneducated media for the most part or

420

00:15:30,710 --> 00:15:27,040

uninterested

421

00:15:32,310 --> 00:15:30,720

media for the most part and all these

422

00:15:34,870 --> 00:15:32,320

kind of videos and things

423

00:15:36,629 --> 00:15:34,880

circulating that you really can't make

424

00:15:41,670 --> 00:15:36,639

heads or tails of at some point

425

00:15:43,749 --> 00:15:41,680

you know you're close you're close um

426

00:15:46,150 --> 00:15:43,759

you're absolutely right there is a

427

00:15:49,189 --> 00:15:46,160

proper way to do this

428

00:15:49,829 --> 00:15:49,199

uh there always has been uh but it

429

00:15:53,269 --> 00:15:49,839

wasn't

430

00:15:53,990 --> 00:15:53,279

allowed there are many ways to do it but

431

00:15:56,629 --> 00:15:54,000

there's only one

432

00:15:58,230 --> 00:15:56,639

that is the most appropriate responsible

433

00:16:00,710 --> 00:15:58,240

you see the dod

434

00:16:02,389 --> 00:16:00,720

has no desire to give the public

435

00:16:05,189 --> 00:16:02,399

information on this

436

00:16:07,030 --> 00:16:05,199

even though i think the dod has

437

00:16:07,670 --> 00:16:07,040

concluded that the truth embargo was

438

00:16:10,790 --> 00:16:07,680

ending and

439

00:16:11,350 --> 00:16:10,800

now they need to strategize their role

440

00:16:15,269 --> 00:16:11,360

in that

441

00:16:18,870 --> 00:16:15,279

and they and do it right okay uh

442

00:16:22,629 --> 00:16:18,880

and and and one principle that's uh

443

00:16:24,629 --> 00:16:22,639

uh important here is that the dods

444

00:16:25,670 --> 00:16:24,639

cannot divulge this to the american

445

00:16:27,990 --> 00:16:25,680

people

446

00:16:28,870 --> 00:16:28,000

it's not their job it's not their

447

00:16:31,110 --> 00:16:28,880

prerogative

448

00:16:32,710 --> 00:16:31,120

in other words the dod is not the entity

449

00:16:34,629 --> 00:16:32,720

that needs to tell us about underground

450

00:16:35,350 --> 00:16:34,639

basis or crash or bodies or anything

451
00:16:36,629 --> 00:16:35,360
else

452
00:16:37,749 --> 00:16:36,639
in fact it's not even their job to

453
00:16:39,350 --> 00:16:37,759
acknowledge that it's definitely

454
00:16:41,990 --> 00:16:39,360
extraterrestrial

455
00:16:43,189 --> 00:16:42,000
uh so that's an awkward problem for them

456
00:16:44,870 --> 00:16:43,199
i mean they're maintaining the truth

457
00:16:46,550 --> 00:16:44,880
embargo so for most of the last years

458
00:16:48,150 --> 00:16:46,560
they didn't want to tell us but the fact

459
00:16:49,670 --> 00:16:48,160
is even if they didn't want to tell us

460
00:16:53,269 --> 00:16:49,680
it's not their job

461
00:16:56,470 --> 00:16:53,279
so that's awkward so you got that

462
00:16:57,829 --> 00:16:56,480
and then uh it's not the congress's job

463
00:17:01,189 --> 00:16:57,839

either

464

00:17:03,910 --> 00:17:01,199

to tell us that okay yeah so

465

00:17:05,429 --> 00:17:03,920

okay whose job is it it's the

466

00:17:08,069 --> 00:17:05,439

president's job

467

00:17:09,110 --> 00:17:08,079

that's who has to tell us okay okay how

468

00:17:13,510 --> 00:17:09,120

do you

469

00:17:16,630 --> 00:17:13,520

where the president can do this in a

470

00:17:18,390 --> 00:17:16,640

way that's politically safe and and

471

00:17:20,230 --> 00:17:18,400

responsible and and uh

472

00:17:22,230 --> 00:17:20,240

people are relatively happy as opposed

473

00:17:25,510 --> 00:17:22,240

to being very unhappy

474

00:17:28,549 --> 00:17:25,520

well this president in particular or

475

00:17:31,110 --> 00:17:28,559

this is the president on board okay okay

476

00:17:32,150 --> 00:17:31,120

yeah um they weren't prepared to do it

477

00:17:33,909 --> 00:17:32,160

under the last president

478

00:17:36,150 --> 00:17:33,919

i don't need to elaborate on that sure

479

00:17:40,390 --> 00:17:36,160

this president is fine

480

00:17:43,830 --> 00:17:40,400

so there's a lot of

481

00:17:46,150 --> 00:17:43,840

uh moving parts here it's really turned

482

00:17:47,990 --> 00:17:46,160

into a three-dimensional chess game a

483

00:17:49,990 --> 00:17:48,000

multi-player three-dimensional chess

484

00:17:52,390 --> 00:17:50,000

game there are multiplayer chess games

485

00:17:55,510 --> 00:17:52,400

out there you can actually buy one

486

00:17:57,190 --> 00:17:55,520

more people are playing chess in a much

487

00:18:00,950 --> 00:17:57,200

bigger board

488

00:18:02,630 --> 00:18:00,960

that's great i play i know one

489

00:18:03,830 --> 00:18:02,640

anybody can be an expert because i'm

490

00:18:05,190 --> 00:18:03,840

pretty sure they haven't worked out all

491

00:18:09,510 --> 00:18:05,200

those damn moves yet

492

00:18:10,630 --> 00:18:09,520

so um so here are the players the dod is

493

00:18:14,789 --> 00:18:10,640

a player

494

00:18:17,029 --> 00:18:14,799

service is

495

00:18:17,830 --> 00:18:17,039

separate or a player the public is a

496

00:18:23,750 --> 00:18:17,840

player

497

00:18:24,470 --> 00:18:23,760

trying to quote play this chess game and

498

00:18:27,590 --> 00:18:24,480

get a

499

00:18:28,070 --> 00:18:27,600

proper outcome but how that was going to

500

00:18:31,190 --> 00:18:28,080

go down

501
00:18:34,070 --> 00:18:31,200
wasn't totally clear but what we do know

502
00:18:37,029 --> 00:18:34,080
is that the congress is being prepared

503
00:18:39,430 --> 00:18:37,039
for briefings by mellon

504
00:18:41,190 --> 00:18:39,440
lots of meetings on the hill private no

505
00:18:43,590 --> 00:18:41,200
press no press release

506
00:18:45,350 --> 00:18:43,600
witnesses were being accumulated by

507
00:18:47,190 --> 00:18:45,360
elizondo

508
00:18:49,270 --> 00:18:47,200
and by that is he was being approached

509
00:18:52,150 --> 00:18:49,280
by scores of military witnesses

510
00:18:53,029 --> 00:18:52,160
like david fraber some not as

511
00:19:00,470 --> 00:18:53,039
significant

512
00:19:01,510 --> 00:19:00,480
and wanting to know well can can you use

513
00:19:03,590 --> 00:19:01,520

this

514

00:19:04,710 --> 00:19:03,600

right because they realize from what

515

00:19:09,270 --> 00:19:04,720

happened in

516

00:19:11,270 --> 00:19:09,280

in 2017 uh in those 65 days from october

517

00:19:14,230 --> 00:19:11,280

11th to

518

00:19:15,990 --> 00:19:14,240

december the 16th that apparently it was

519

00:19:17,510 --> 00:19:16,000

okay now to come forward

520

00:19:20,950 --> 00:19:17,520

the bar had been lowered the door was

521

00:19:23,350 --> 00:19:20,960

open right fravor was a hero

522

00:19:24,150 --> 00:19:23,360

nobody was getting bothered they might

523

00:19:27,110 --> 00:19:24,160

not be happy

524

00:19:28,390 --> 00:19:27,120

but uh it was it was all being well

525

00:19:30,310 --> 00:19:28,400

received so hey i

526

00:19:31,990 --> 00:19:30,320

i can come forward too but what do you

527

00:19:33,190 --> 00:19:32,000

do if you're somebody like that

528

00:19:34,870 --> 00:19:33,200

are you going to call up the new york

529

00:19:36,150 --> 00:19:34,880

times and say hey i got a story just as

530

00:19:39,190 --> 00:19:36,160

good as the one you got

531

00:19:41,909 --> 00:19:39,200

let me talk to you yeah

532

00:19:43,270 --> 00:19:41,919

you call lou of course you call lou who

533

00:19:47,190 --> 00:19:43,280

also get a call

534

00:19:49,430 --> 00:19:47,200

so a lot of witnesses accumulating

535

00:19:50,549 --> 00:19:49,440

members of key committees being briefed

536

00:19:52,870 --> 00:19:50,559

obviously that's moving towards

537

00:19:56,909 --> 00:19:52,880

disclosure but again this is during the

538

00:19:59,830 --> 00:19:56,919

last administration this went on in 2018

539

00:20:01,990 --> 00:19:59,840

2019 and i think it tried to continue on

540

00:20:02,870 --> 00:20:02,000

and a little bit in 2020 but then we had

541

00:20:08,310 --> 00:20:02,880

a

542

00:20:09,190 --> 00:20:08,320

coming right the only thing we didn't

543

00:20:12,710 --> 00:20:09,200

have is

544

00:20:15,909 --> 00:20:12,720

is the return of the dinosaurs

545

00:20:17,830 --> 00:20:15,919

some sort of you know jurassic world

546

00:20:19,510 --> 00:20:17,840

thing or a giant meteorite impact that's

547

00:20:22,950 --> 00:20:19,520

the only thing that didn't happen

548

00:20:26,789 --> 00:20:22,960

not yet uh so

549

00:20:30,870 --> 00:20:26,799

that complicated it but

550

00:20:32,310 --> 00:20:30,880

they they they they slow walked but made

551
00:20:35,669 --> 00:20:32,320
slow progress during this

552
00:20:36,789 --> 00:20:35,679
uh uncertain period but then at some

553
00:20:39,510 --> 00:20:36,799
point

554
00:20:41,110 --> 00:20:39,520
they began and and by and large the guys

555
00:20:43,830 --> 00:20:41,120
inside the pentagon and

556
00:20:45,430 --> 00:20:43,840
they they have a a lot of resources they

557
00:20:46,870 --> 00:20:45,440
probably kind of figured out who they

558
00:20:48,789 --> 00:20:46,880
how they thought how the election was

559
00:20:49,909 --> 00:20:48,799
going to go before we did

560
00:20:52,470 --> 00:20:49,919
so i think they concluded there was

561
00:20:55,750 --> 00:20:52,480
going to be a change of administration

562
00:20:57,510 --> 00:20:55,760
which would solve some of the political

563
00:20:59,350 --> 00:20:57,520

issues that might prevent these things

564

00:21:00,789 --> 00:20:59,360

from going properly

565

00:21:02,630 --> 00:21:00,799

and they also were able to kind of

566

00:21:04,710 --> 00:21:02,640

project okay how's the vaccination

567

00:21:05,909 --> 00:21:04,720

program going how many vaccinations by

568

00:21:07,430 --> 00:21:05,919

such and such

569

00:21:09,669 --> 00:21:07,440

what's the pandemic going to look like

570

00:21:10,070 --> 00:21:09,679

in april may june july august so forth

571

00:21:13,909 --> 00:21:10,080

and

572

00:21:15,510 --> 00:21:13,919

calculate okay overall it looks like

573

00:21:17,510 --> 00:21:15,520

things are getting favorable so the pace

574

00:21:19,750 --> 00:21:17,520

started picking up

575

00:21:21,430 --> 00:21:19,760

all right so much was happening i could

576

00:21:22,950 --> 00:21:21,440

not chronicle it fast enough

577

00:21:24,870 --> 00:21:22,960

right now on my website paradigm

578

00:21:25,750 --> 00:21:24,880

researchgroup.org under resources you

579

00:21:28,630 --> 00:21:25,760

can find

580

00:21:30,470 --> 00:21:28,640

1 000 articles just about the tsa and

581

00:21:33,270 --> 00:21:30,480

these events that we're referring to

582

00:21:34,630 --> 00:21:33,280

1 000 mainstream articles in the last

583

00:21:36,070 --> 00:21:34,640

three and a half years the washington

584

00:21:38,630 --> 00:21:36,080

post has printed 36

585

00:21:41,430 --> 00:21:38,640

articles on the uap phenomena the new

586

00:21:45,029 --> 00:21:41,440

york times has printed 26.

587

00:21:47,110 --> 00:21:45,039

those 36 articles is twice as many

588

00:21:49,270 --> 00:21:47,120

i mean it took the washington post

589

00:21:52,390 --> 00:21:49,280

rather the previous six

590

00:21:53,350 --> 00:21:52,400

years to to write that many articles on

591

00:21:55,190 --> 00:21:53,360

the uap issue

592

00:21:57,510 --> 00:21:55,200

and the articles the recent articles are

593

00:21:59,750 --> 00:21:57,520

more powerful so you see we have entered

594

00:22:04,470 --> 00:21:59,760

a whole another place right

595

00:22:04,480 --> 00:22:07,669

things started picking up

596

00:22:13,190 --> 00:22:10,950

and then the question was okay

597

00:22:14,070 --> 00:22:13,200

if the congress has been briefed all

598

00:22:17,510 --> 00:22:14,080

right if there's

599

00:22:20,549 --> 00:22:17,520

witnesses available that's

600

00:22:23,110 --> 00:22:20,559

fine but does that mean

601
00:22:24,789 --> 00:22:23,120
oh you're just going to get hearings not

602
00:22:27,990 --> 00:22:24,799
necessarily

603
00:22:29,430 --> 00:22:28,000
and by the way the pentagon is sitting

604
00:22:31,750 --> 00:22:29,440
over there

605
00:22:34,190 --> 00:22:31,760
and if you don't factor them in then

606
00:22:36,950 --> 00:22:34,200
essentially you're moving

607
00:22:38,070 --> 00:22:36,960
unilaterally to get hearings that might

608
00:22:39,669 --> 00:22:38,080
lead to disclosure

609
00:22:41,190 --> 00:22:39,679
and the pentagon would be out in the

610
00:22:42,390 --> 00:22:41,200
cold

611
00:22:44,310 --> 00:22:42,400
and they don't want to be out in the

612
00:22:46,149 --> 00:22:44,320
cold in fact that's why groups within

613
00:22:48,470 --> 00:22:46,159

the pentagon not not official

614

00:22:49,350 --> 00:22:48,480

but unofficial people unofficial project

615

00:22:51,190 --> 00:22:49,360

was made

616

00:22:52,470 --> 00:22:51,200

during the pentagon to create the tsa

617

00:22:56,310 --> 00:22:52,480

in the first place

618

00:22:57,909 --> 00:22:56,320

really so what do you do okay well look

619

00:23:00,070 --> 00:22:57,919

in spite of what people think is a lot

620

00:23:00,950 --> 00:23:00,080

of very smart politicians on capitol

621

00:23:03,350 --> 00:23:00,960

hill

622

00:23:05,350 --> 00:23:03,360

not all of them act smart and some of

623

00:23:07,190 --> 00:23:05,360

them are just plain dumb but believe me

624

00:23:09,350 --> 00:23:07,200

there are some very smart people

625

00:23:11,270 --> 00:23:09,360

up on the hill some of which who want to

626
00:23:13,430 --> 00:23:11,280
run for president

627
00:23:15,909 --> 00:23:13,440
and one of them who absolutely is going

628
00:23:17,830 --> 00:23:15,919
to run for president is marco rubio

629
00:23:19,510 --> 00:23:17,840
and rubio was a ranking member of the

630
00:23:21,669 --> 00:23:19,520
senate intel committee

631
00:23:23,750 --> 00:23:21,679
which is considered the number one

632
00:23:27,190 --> 00:23:23,760
committee in congress it's like the

633
00:23:28,789 --> 00:23:27,200
top all right big position

634
00:23:30,549 --> 00:23:28,799
and we know that he and warner got

635
00:23:32,070 --> 00:23:30,559
briefed in fact it's very possible and a

636
00:23:33,830 --> 00:23:32,080
lot more likely than not that the whole

637
00:23:35,510 --> 00:23:33,840
intel committee sent an intimate cut

638
00:23:37,669 --> 00:23:35,520

brief it's not a lot of people like 12

639

00:23:40,390 --> 00:23:37,679

people so listen here

640

00:23:41,110 --> 00:23:40,400

but now vice president harris was she a

641

00:23:43,590 --> 00:23:41,120

part of that

642

00:23:45,669 --> 00:23:43,600

at one point i thought she was no no

643

00:23:53,269 --> 00:23:45,679

okay so

644

00:23:56,870 --> 00:23:55,029

made a decision to make a what i

645

00:24:00,230 --> 00:23:56,880

consider a brilliant strategic

646

00:24:03,029 --> 00:24:00,240

move he's kind of the

647

00:24:03,350 --> 00:24:03,039

after things were sort of put in place

648

00:24:06,149 --> 00:24:03,360

but

649

00:24:07,590 --> 00:24:06,159

it wasn't clear where to go next rubio

650

00:24:10,789 --> 00:24:07,600

decided where to go next

651
00:24:11,269 --> 00:24:10,799
all right well and so what he did is in

652
00:24:16,149 --> 00:24:11,279
july

653
00:24:19,909 --> 00:24:17,990
he decides when they're putting together

654
00:24:20,549 --> 00:24:19,919
the defense intelligence appropriations

655
00:24:22,070 --> 00:24:20,559
bill

656
00:24:24,870 --> 00:24:22,080
let's put some language in the comment

657
00:24:28,230 --> 00:24:24,880
section calling for a report

658
00:24:30,710 --> 00:24:28,240
from the department of defense

659
00:24:33,350 --> 00:24:30,720
uh and also through this recently

660
00:24:38,149 --> 00:24:33,360
created uap task force at the

661
00:24:41,269 --> 00:24:40,710
um do you think that's meaningful

662
00:24:42,789 --> 00:24:41,279
because

663
00:24:44,789 --> 00:24:42,799

through my studies and i'm sure you know

664

00:24:47,029 --> 00:24:44,799

much more but i'm just getting into the

665

00:24:49,029 --> 00:24:47,039

documents and all that from the 50s

666

00:24:50,470 --> 00:24:49,039

and it seems like there has always been

667

00:24:52,710 --> 00:24:50,480

a group

668

00:24:54,549 --> 00:24:52,720

studying this thing well no it's

669

00:24:57,990 --> 00:24:54,559

meaningful in a sense of the strategy

670

00:24:59,669 --> 00:24:58,000

ftd all that stuff strategically it's

671

00:25:02,070 --> 00:24:59,679

meaningful

672

00:25:03,669 --> 00:25:02,080

is it representative of the reality no

673

00:25:05,909 --> 00:25:03,679

they've been they've been studying et

674

00:25:07,750 --> 00:25:05,919

since 47 they never stop studying it

675

00:25:10,149 --> 00:25:07,760

right it's all it's all in in fully

676

00:25:11,990 --> 00:25:10,159

classified usap programs

677

00:25:13,909 --> 00:25:12,000

and they can't talk about those so

678

00:25:15,830 --> 00:25:13,919

everything you're seeing now is a public

679

00:25:17,190 --> 00:25:15,840

relations effort it's a show it's a

680

00:25:20,549 --> 00:25:17,200

theater being put on

681

00:25:21,669 --> 00:25:20,559

to achieve an end a a good end but it

682

00:25:23,430 --> 00:25:21,679

cannot engage

683

00:25:24,630 --> 00:25:23,440

the fully classified world that's been

684

00:25:26,149 --> 00:25:24,640

dealing with this issue because that's

685

00:25:27,909 --> 00:25:26,159

off limits that's embargo

686

00:25:29,510 --> 00:25:27,919

right again i i'm saying

687

00:25:30,870 --> 00:25:29,520

three-dimensional chess not regular

688

00:25:33,909 --> 00:25:30,880

chess

689

00:25:35,350 --> 00:25:33,919

so rubio makes this brilliant strategy

690

00:25:37,190 --> 00:25:35,360

let's put the language in this bill

691

00:25:39,830 --> 00:25:37,200

calling for

692

00:25:41,110 --> 00:25:39,840

uh an analysis a report about the status

693

00:25:43,190 --> 00:25:41,120

of things you know

694

00:25:44,630 --> 00:25:43,200

not not a demand that they they bring

695

00:25:47,110 --> 00:25:44,640

the rockefeller i mean the

696

00:25:48,870 --> 00:25:47,120

iraq they bring the roswell wreckage

697

00:25:50,470 --> 00:25:48,880

into the senate intelligence committee

698

00:25:52,149 --> 00:25:50,480

chamber all right you know

699

00:25:54,070 --> 00:25:52,159

and then put the bodies in the back of

700

00:25:56,230 --> 00:25:54,080

the room no no no it was for uh

701
00:25:58,710 --> 00:25:56,240
assessment and what you in other words

702
00:26:00,549 --> 00:25:58,720
it's a maneuver

703
00:26:03,430 --> 00:26:00,559
and he puts it in july so the so the

704
00:26:04,630 --> 00:26:03,440
pentagon as early as july of 2020 knows

705
00:26:06,710 --> 00:26:04,640
that apparently they're going to have to

706
00:26:11,269 --> 00:26:06,720
come up with a report

707
00:26:15,350 --> 00:26:11,279
okay now the language also stated that

708
00:26:18,310 --> 00:26:15,360
the there would be 168 day

709
00:26:19,350 --> 00:26:18,320
period to put that report together and

710
00:26:21,750 --> 00:26:19,360
it had to be uh

711
00:26:22,549 --> 00:26:21,760
delivered by then from the signing of

712
00:26:25,830 --> 00:26:22,559
the bill

713
00:26:27,830 --> 00:26:25,840

right away and rubio knew that it wasn't

714

00:26:28,470 --> 00:26:27,840

to sign until december and the signed

715

00:26:31,750 --> 00:26:28,480

and that's

716

00:26:34,470 --> 00:26:31,760

that set the deadline at june 25.

717

00:26:35,669 --> 00:26:34,480

so the deadline ain't you know so he

718

00:26:37,430 --> 00:26:35,679

brings this up in july

719

00:26:39,510 --> 00:26:37,440

the deadline is not going to be until

720

00:26:41,909 --> 00:26:39,520

much later turned out to be july 29th

721

00:26:43,750 --> 00:26:41,919

2021. he's getting all this positive

722

00:26:45,350 --> 00:26:43,760

press he's out in front of the issue

723

00:26:47,269 --> 00:26:45,360

further ahead of the issue than anybody

724

00:26:49,830 --> 00:26:47,279

else in both houses of congress

725

00:26:51,590 --> 00:26:49,840

definitely on a nonpartisan issue that's

726

00:26:54,630 --> 00:26:51,600

got worldwide interest

727

00:26:55,269 --> 00:26:54,640

this is a very smart guy okay brilliant

728

00:26:58,470 --> 00:26:55,279

move

729

00:27:04,870 --> 00:27:02,710

so what happens after that of course is

730

00:27:06,789 --> 00:27:04,880

that the press starts focusing on this

731

00:27:08,070 --> 00:27:06,799

potential report this potential report

732

00:27:11,990 --> 00:27:08,080

the public's getting

733

00:27:15,029 --> 00:27:12,000

excited and interesting and and and uh

734

00:27:16,870 --> 00:27:15,039

and investing a lot of uh interest and

735

00:27:18,149 --> 00:27:16,880

emotion and the prospects here it could

736

00:27:19,590 --> 00:27:18,159

be disclosure or whatever okay it

737

00:27:20,070 --> 00:27:19,600

doesn't matter to rubio he's getting a

738

00:27:24,149 --> 00:27:20,080

lot of

739

00:27:25,669 --> 00:27:24,159

wasn't up for election in 2020 he was

740

00:27:27,269 --> 00:27:25,679

completely safe this was a

741

00:27:29,430 --> 00:27:27,279

perfectly safe maneuver that put him

742

00:27:34,870 --> 00:27:29,440

ahead of the biggest issue in history

743

00:27:39,510 --> 00:27:34,880

right okay so far so good whatever works

744

00:27:42,230 --> 00:27:39,520

and so time goes by

745

00:27:43,430 --> 00:27:42,240

uh various things are happening i'm

746

00:27:47,110 --> 00:27:43,440

getting we're getting

747

00:27:50,149 --> 00:27:47,120

an increased level of press right

748

00:27:51,909 --> 00:27:50,159

but then the election takes place the

749

00:27:53,430 --> 00:27:51,919

new administration is confirmed

750

00:27:55,590 --> 00:27:53,440

not only a new administration but a new

751
00:27:57,990 --> 00:27:55,600
house and senate and by the way that is

752
00:27:59,510 --> 00:27:58,000
very important

753
00:28:00,950 --> 00:27:59,520
if you're going to hold hearings or if

754
00:28:02,310 --> 00:28:00,960
you're going to try to get congress to

755
00:28:03,669 --> 00:28:02,320
hold hearings which are clearly

756
00:28:05,909 --> 00:28:03,679
controversial

757
00:28:06,789 --> 00:28:05,919
and there could be resistance it's much

758
00:28:08,870 --> 00:28:06,799
better if

759
00:28:10,549 --> 00:28:08,880
the one party holds both houses because

760
00:28:12,470 --> 00:28:10,559
if it's not the case

761
00:28:14,149 --> 00:28:12,480
then you've got one party in the house

762
00:28:15,430 --> 00:28:14,159
say and you're trying to get those

763
00:28:17,430 --> 00:28:15,440

chairs to hold a committee

764

00:28:18,549 --> 00:28:17,440

and then you've got another party in the

765

00:28:19,990 --> 00:28:18,559

in the senate

766

00:28:21,190 --> 00:28:20,000

and their attitude is well if they're

767

00:28:22,310 --> 00:28:21,200

holding a hearings we're not holding

768

00:28:24,870 --> 00:28:22,320

hearings right

769

00:28:26,389 --> 00:28:24,880

whatever they're doing is nonsense so

770

00:28:27,750 --> 00:28:26,399

we're not going to participate and so

771

00:28:31,190 --> 00:28:27,760

now you've got this problem

772

00:28:34,230 --> 00:28:31,200

that problem goes away and so now

773

00:28:37,430 --> 00:28:34,240

as of november 4 it's time to start

774

00:28:38,870 --> 00:28:37,440

picking up speed right and so you i'm

775

00:28:40,389 --> 00:28:38,880

sure you got a lot of behind-the-scenes

776

00:28:43,750 --> 00:28:40,399

stuff going on

777

00:28:47,430 --> 00:28:43,760

right and of course the day

778

00:28:47,440 --> 00:28:52,070

and that's what takes us to today now

779

00:28:56,310 --> 00:28:54,950

let's be clear there are smart people in

780

00:29:01,590 --> 00:28:56,320

the congress

781

00:29:05,350 --> 00:29:03,350

smarter people in every intelligence

782

00:29:06,789 --> 00:29:05,360

agency we got including the office of

783

00:29:08,789 --> 00:29:06,799

naval intelligence

784

00:29:11,029 --> 00:29:08,799

not only that they're smart they've got

785

00:29:13,190 --> 00:29:11,039

resources really big computers

786

00:29:16,310 --> 00:29:13,200

and they've spent most of their careers

787

00:29:18,149 --> 00:29:16,320

gaming scenarios that's what they do

788

00:29:19,430 --> 00:29:18,159

what happens if this country succeeds

789

00:29:21,830 --> 00:29:19,440

from that republic

790

00:29:23,590 --> 00:29:21,840

what happens if a of a nuclear attack or

791

00:29:24,630 --> 00:29:23,600

a terrorist bomb goes off here as

792

00:29:27,269 --> 00:29:24,640

opposed to there

793

00:29:28,950 --> 00:29:27,279

they gain everything out have you heard

794

00:29:31,510 --> 00:29:28,960

of the watch committee

795

00:29:34,230 --> 00:29:31,520

the watch committee yeah no what's that

796

00:29:35,750 --> 00:29:34,240

uh the watch committee was born in 47

797

00:29:37,590 --> 00:29:35,760

it's the heads of all the different

798

00:29:38,950 --> 00:29:37,600

intelligences of the branches of

799

00:29:41,510 --> 00:29:38,960

military

800

00:29:42,950 --> 00:29:41,520

they were developed to get the first

801
00:29:46,389 --> 00:29:42,960
warning of an imminent

802
00:29:48,230 --> 00:29:46,399
attack okay um and they could

803
00:29:49,830 --> 00:29:48,240
withhold evidence from the other

804
00:29:53,190 --> 00:29:49,840
agencies if you know

805
00:29:54,470 --> 00:29:53,200
so be it part of the early intelligence

806
00:29:55,590 --> 00:29:54,480
complex it was being built in the

807
00:29:57,430 --> 00:29:55,600
national security state

808
00:29:59,669 --> 00:29:57,440
that that has now been involved to an

809
00:30:01,750 --> 00:29:59,679
incredibly sophisticated deal

810
00:30:02,710 --> 00:30:01,760
involving all kinds of stuff computers

811
00:30:06,149 --> 00:30:02,720
everything else

812
00:30:07,430 --> 00:30:06,159
so so these are very smart so they had

813
00:30:07,990 --> 00:30:07,440

and this is something people are not

814

00:30:10,230 --> 00:30:08,000

thinking about

815

00:30:12,070 --> 00:30:10,240

the reporters are not talking about the

816

00:30:15,510 --> 00:30:12,080

department of defense had a

817

00:30:17,590 --> 00:30:15,520

full year to decide

818

00:30:19,990 --> 00:30:17,600

how strategically they were going to

819

00:30:20,789 --> 00:30:20,000

handle the situation that was presented

820

00:30:23,350 --> 00:30:20,799

to them

821

00:30:24,149 --> 00:30:23,360

and i assure you they didn't sit around

822

00:30:27,110 --> 00:30:24,159

playing

823

00:30:27,909 --> 00:30:27,120

you know holden poker watching home

824

00:30:29,750 --> 00:30:27,919

movies

825

00:30:32,149 --> 00:30:29,760

until the last minute and then they

826

00:30:35,590 --> 00:30:32,159

decided to throw something together

827

00:30:36,149 --> 00:30:35,600

they put together a brilliant strategy

828

00:30:39,269 --> 00:30:36,159

on how

829

00:30:40,470 --> 00:30:39,279

to deal with this which because most

830

00:30:42,149 --> 00:30:40,480

people are not looking at the big

831

00:30:43,510 --> 00:30:42,159

picture they just see the latest article

832

00:30:44,950 --> 00:30:43,520

and they go i don't get that what does

833

00:30:45,909 --> 00:30:44,960

that mean and they come up with false

834

00:30:49,269 --> 00:30:45,919

conclusions

835

00:30:52,389 --> 00:30:49,279

i i get it they have lives i don't

836

00:30:55,990 --> 00:30:52,399

my job is to follow this 24 7

837

00:30:59,750 --> 00:30:56,000

7 days a week so

838

00:31:01,909 --> 00:30:59,760

here is the strategy they came up with

839

00:31:05,350 --> 00:31:01,919

and it's just as impressive as you

840

00:31:08,630 --> 00:31:05,360

expected it would be

841

00:31:09,110 --> 00:31:08,640

first of all the department of defense

842

00:31:12,389 --> 00:31:09,120

wants

843

00:31:15,350 --> 00:31:12,399

nothing to do with providing any

844

00:31:16,830 --> 00:31:15,360

information to the american people about

845

00:31:19,509 --> 00:31:16,840

this

846

00:31:21,549 --> 00:31:19,519

subject the last time

847

00:31:24,310 --> 00:31:21,559

they provided any information was the

848

00:31:26,870 --> 00:31:24,320

1997 press conference when they

849

00:31:28,070 --> 00:31:26,880

reaffirmed the mogul balloon explanation

850

00:31:30,950 --> 00:31:28,080

for roswell

851
00:31:32,389 --> 00:31:30,960
and tried to confirm convince the press

852
00:31:34,310 --> 00:31:32,399
that the grace

853
00:31:36,149 --> 00:31:34,320
four-foot craze that people kept saying

854
00:31:38,310 --> 00:31:36,159
they were seeing were in fact

855
00:31:40,310 --> 00:31:38,320
six foot test dummies dropped by the air

856
00:31:41,990 --> 00:31:40,320
force with air force uniforms on

857
00:31:44,070 --> 00:31:42,000
and that they had gotten the years

858
00:31:45,509 --> 00:31:44,080
compressed due to a phenomenon called

859
00:31:48,070 --> 00:31:45,519
time compression

860
00:31:51,110 --> 00:31:48,080
where years later something you thought

861
00:31:53,190 --> 00:31:51,120
you saw in 47 you actually saw in 52

862
00:31:55,110 --> 00:31:53,200
and the press basically barked up fur

863
00:31:57,750 --> 00:31:55,120

balls and laughed and

864

00:31:58,630 --> 00:31:57,760

and uh and then the next day marine dowd

865

00:32:00,789 --> 00:31:58,640

wrote

866

00:32:01,909 --> 00:32:00,799

uh one of i think only two columns she's

867

00:32:03,190 --> 00:32:01,919

ever written on this issue where

868

00:32:04,470 --> 00:32:03,200

basically said that that press

869

00:32:04,950 --> 00:32:04,480

conference was a complete load of

870

00:32:07,990 --> 00:32:04,960

[h__\h]

871

00:32:10,070 --> 00:32:08,000

well i mean dr lopez from los alamos had

872

00:32:12,310 --> 00:32:10,080

a study project twinkle where they were

873

00:32:13,350 --> 00:32:12,320

looking at these things as meteorites so

874

00:32:16,389 --> 00:32:13,360

that already

875

00:32:18,149 --> 00:32:16,399

you can say you're lying to us otherwise

876

00:32:21,590 --> 00:32:18,159

why did you have that project

877

00:32:22,870 --> 00:32:21,600

so they so that was their example of

878

00:32:23,750 --> 00:32:22,880

telling the people they don't they

879

00:32:26,310 --> 00:32:23,760

cannot tell

880

00:32:28,149 --> 00:32:26,320

the people anything real but rubio said

881

00:32:31,110 --> 00:32:28,159

we need we need a public and a

882

00:32:32,230 --> 00:32:31,120

classified report to the and in a public

883

00:32:35,430 --> 00:32:32,240

report

884

00:32:37,750 --> 00:32:35,440

all by 180 days well

885

00:32:38,630 --> 00:32:37,760

yeah i don't want to do that okay so how

886

00:32:40,470 --> 00:32:38,640

do we handle this

887

00:32:41,990 --> 00:32:40,480

all right we can't do besides it's not

888

00:32:43,750 --> 00:32:42,000

our prerogative

889

00:32:45,509 --> 00:32:43,760

it is not the prerogative of the

890

00:32:46,710 --> 00:32:45,519

department of defense to tell us about

891

00:32:50,310 --> 00:32:46,720

the et stuff

892

00:32:53,590 --> 00:32:50,320

period that is not their job right

893

00:32:56,389 --> 00:32:53,600

their job is to defend the country

894

00:32:58,630 --> 00:32:56,399

and to inform the president of things

895

00:33:01,029 --> 00:32:58,640

and the president makes policy

896

00:33:02,789 --> 00:33:01,039

and telling the people about the et is a

897

00:33:04,950 --> 00:33:02,799

policy matter

898

00:33:08,870 --> 00:33:04,960

and so they don't want to do it what

899

00:33:11,190 --> 00:33:08,880

they want to do is pass it to congress

900

00:33:12,789 --> 00:33:11,200

now congress is not want to tell the

901
00:33:14,789 --> 00:33:12,799
people about it because it's not their

902
00:33:16,549 --> 00:33:14,799
prerogative either

903
00:33:18,549 --> 00:33:16,559
their prerogative is to try to get

904
00:33:21,669 --> 00:33:18,559
information that they could use

905
00:33:24,070 --> 00:33:21,679
for legislation

906
00:33:26,470 --> 00:33:24,080
okay and so forth but in the process of

907
00:33:28,389 --> 00:33:26,480
that learning that information

908
00:33:29,990 --> 00:33:28,399
the president also may learn that

909
00:33:31,909 --> 00:33:30,000
information and the president can make a

910
00:33:35,110 --> 00:33:31,919
decision

911
00:33:35,750 --> 00:33:35,120
because it's the only entity in this

912
00:33:37,430 --> 00:33:35,760
country

913
00:33:39,669 --> 00:33:37,440

that has the prerogative to end this

914

00:33:40,470 --> 00:33:39,679

troop embargo and tell that kind of

915

00:33:42,149 --> 00:33:40,480

information

916

00:33:43,590 --> 00:33:42,159

is the executive branch of this

917

00:33:44,310 --> 00:33:43,600

government which is headed by the

918

00:33:48,710 --> 00:33:44,320

president

919

00:33:50,830 --> 00:33:48,720

because if the chief of staff

920

00:33:53,590 --> 00:33:50,840

or one of the secretaries in the front

921

00:33:55,590 --> 00:33:53,600

office uh decide they want to tell them

922

00:33:56,630 --> 00:33:55,600

that's the end of their career and their

923

00:33:58,230 --> 00:33:56,640

legacy

924

00:34:00,310 --> 00:33:58,240

and well they need to move to another

925

00:34:01,830 --> 00:34:00,320

state change your name so that's the way

926
00:34:02,950 --> 00:34:01,840
it has to work now the thing is that's

927
00:34:05,669 --> 00:34:02,960
fine but how do you

928
00:34:06,070 --> 00:34:05,679
get it to work okay here's how they're

929
00:34:09,190 --> 00:34:06,080
doing

930
00:34:11,510 --> 00:34:09,200
it to service all these things i've just

931
00:34:15,349 --> 00:34:11,520
mentioned

932
00:34:18,950 --> 00:34:15,359
here's how you do it okay

933
00:34:20,710 --> 00:34:18,960
first of all as rubio intended

934
00:34:23,109 --> 00:34:20,720
months go by and the press interest

935
00:34:24,710 --> 00:34:23,119
grows and grows and grows and the public

936
00:34:26,950 --> 00:34:24,720
interest grows and grows and grows so

937
00:34:28,389 --> 00:34:26,960
there's a lot of interest in this quote

938
00:34:30,869 --> 00:34:28,399

report

939

00:34:32,230 --> 00:34:30,879

and people have figured out the deadline

940

00:34:35,909 --> 00:34:32,240

it's nothing but math

941

00:34:39,349 --> 00:34:35,919

june 25. so the emphasis is on june 25

942

00:34:42,149 --> 00:34:39,359

okay and that's what you want

943

00:34:43,349 --> 00:34:42,159

so what do you do you put together the

944

00:34:47,349 --> 00:34:43,359

classified

945

00:34:50,710 --> 00:34:47,359

annex and you deliver that to congress

946

00:34:53,430 --> 00:34:50,720

on the 16th or 17th

947

00:34:54,230 --> 00:34:53,440

over two days you pick four key

948

00:34:56,230 --> 00:34:54,240

committees

949

00:34:57,589 --> 00:34:56,240

house intel senate intel house armed

950

00:34:59,349 --> 00:34:57,599

services senate armed services

951
00:35:01,829 --> 00:34:59,359
represents about 100 members of congress

952
00:35:05,030 --> 00:35:01,839
that's a lot of members of

953
00:35:06,950 --> 00:35:05,040
and you deliver them and you provide a

954
00:35:08,470 --> 00:35:06,960
briefing along with it

955
00:35:09,910 --> 00:35:08,480
we know who briefed the house it's not

956
00:35:11,990 --> 00:35:09,920
clear who briefed the senate but

957
00:35:15,270 --> 00:35:12,000
different groups

958
00:35:16,790 --> 00:35:15,280
and guess what didn't get a lot of

959
00:35:18,710 --> 00:35:16,800
attention

960
00:35:20,150 --> 00:35:18,720
the the press mentioned that there was a

961
00:35:21,030 --> 00:35:20,160
classified report what else they gonna

962
00:35:22,310 --> 00:35:21,040
say

963
00:35:23,589 --> 00:35:22,320

it's classified they haven't got the

964

00:35:25,030 --> 00:35:23,599

information they just mentioned it

965

00:35:26,310 --> 00:35:25,040

happened didn't get much attention at

966

00:35:27,990 --> 00:35:26,320

all

967

00:35:30,069 --> 00:35:28,000

the attention was still focused on the

968

00:35:32,790 --> 00:35:30,079

public report which is due the 25th

969

00:35:34,150 --> 00:35:32,800

right and so the private report comes in

970

00:35:36,150 --> 00:35:34,160

the door

971

00:35:38,230 --> 00:35:36,160

and now it's in the hands of these

972

00:35:40,310 --> 00:35:38,240

people to review and consider

973

00:35:42,829 --> 00:35:40,320

without a lot of public chasing them

974

00:35:46,790 --> 00:35:42,839

around or the press bothering them

975

00:35:49,910 --> 00:35:46,800

perfect but they did more than that

976

00:35:53,349 --> 00:35:49,920

just prior to well not just prior

977

00:35:57,910 --> 00:35:53,359

about 13 days or two weeks prior

978

00:36:00,069 --> 00:35:57,920

to delivering the classified report

979

00:36:01,589 --> 00:36:00,079

somebody conveniently leaked to the new

980

00:36:04,870 --> 00:36:01,599

york times what

981

00:36:07,030 --> 00:36:04,880

was in the unclassified report

982

00:36:08,630 --> 00:36:07,040

this was an intentional leak what did we

983

00:36:11,430 --> 00:36:08,640

want to call it

984

00:36:12,950 --> 00:36:11,440

absolutely and obviously was from a

985

00:36:15,670 --> 00:36:12,960

strong source and the

986

00:36:16,950 --> 00:36:15,680

new york times published it and what

987

00:36:20,230 --> 00:36:16,960

they did in that

988

00:36:23,349 --> 00:36:20,240

leak was to mention

989

00:36:25,910 --> 00:36:23,359

the two key things right

990

00:36:27,109 --> 00:36:25,920

would be in the public report ahead of

991

00:36:30,710 --> 00:36:27,119

time

992

00:36:32,870 --> 00:36:30,720

and those two things were that

993

00:36:33,990 --> 00:36:32,880

the public report was going to conclude

994

00:36:37,270 --> 00:36:34,000

that

995

00:36:39,430 --> 00:36:37,280

the all the study of the 140 cases going

996

00:36:41,430 --> 00:36:39,440

back to 2004

997

00:36:43,270 --> 00:36:41,440

uh they did not see the evidence for

998

00:36:47,109 --> 00:36:43,280

extraterrestrial

999

00:36:49,109 --> 00:36:47,119

and two nevertheless the technology

1000

00:36:49,910 --> 00:36:49,119

exhibited by these craft in these

1001
00:36:53,589 --> 00:36:49,920
reports

1002
00:36:55,670 --> 00:36:53,599
nimitz was not something that the u.s

1003
00:36:57,030 --> 00:36:55,680
had in its possession

1004
00:36:58,790 --> 00:36:57,040
now these are pretty significant

1005
00:37:02,069 --> 00:36:58,800
statements

1006
00:37:03,990 --> 00:37:02,079
but not extraterrestrial and

1007
00:37:05,430 --> 00:37:04,000
we don't have it doesn't mean the

1008
00:37:07,270 --> 00:37:05,440
chinese don't have it

1009
00:37:09,030 --> 00:37:07,280
doesn't mean the russians don't have it

1010
00:37:09,829 --> 00:37:09,040
it's just that we don't have it we're a

1011
00:37:11,030 --> 00:37:09,839
private company

1012
00:37:14,230 --> 00:37:11,040
because they did say they couldn't

1013
00:37:16,069 --> 00:37:14,240

confirm if that was the case or not

1014

00:37:17,990 --> 00:37:16,079

yeah maybe even a private company though

1015

00:37:19,109 --> 00:37:18,000

that's even stupider than the chinese of

1016

00:37:23,030 --> 00:37:19,119

the russians the point is

1017

00:37:25,430 --> 00:37:23,040

is that is that um

1018

00:37:26,630 --> 00:37:25,440

they haven't exposed themselves they've

1019

00:37:28,310 --> 00:37:26,640

said very little

1020

00:37:31,190 --> 00:37:28,320

they certainly haven't touched on the et

1021

00:37:33,190 --> 00:37:31,200

issue and they've put the focus on the

1022

00:37:33,910 --> 00:37:33,200

public report and that's exactly what

1023

00:37:36,950 --> 00:37:33,920

happens

1024

00:37:39,109 --> 00:37:36,960

for the next 22 days everything is on

1025

00:37:40,790 --> 00:37:39,119

the public report the media

1026

00:37:43,190 --> 00:37:40,800

is there the public is there the social

1027

00:37:44,950 --> 00:37:43,200

media is there and virtually no one is

1028

00:37:46,710 --> 00:37:44,960

talking about the class of finance

1029

00:37:48,710 --> 00:37:46,720

because well it's classified

1030

00:37:50,790 --> 00:37:48,720

we don't know and so what are you going

1031

00:37:53,829 --> 00:37:50,800

to do okay

1032

00:37:56,710 --> 00:37:53,839

so for the next nine days the

1033

00:37:57,589 --> 00:37:56,720

members of the house and senate uh

1034

00:38:00,310 --> 00:37:57,599

committees

1035

00:38:02,630 --> 00:38:00,320

that were given this briefing had nine

1036

00:38:04,710 --> 00:38:02,640

days to reflect and study and think

1037

00:38:05,829 --> 00:38:04,720

about this report without being bothered

1038

00:38:08,950 --> 00:38:05,839

and so forth

1039

00:38:12,230 --> 00:38:08,960

okay right excellent no problem

1040

00:38:15,349 --> 00:38:12,240

okay so now

1041

00:38:19,430 --> 00:38:15,359

the 25th arrives

1042

00:38:21,510 --> 00:38:19,440

and the dod its preference i think would

1043

00:38:24,550 --> 00:38:21,520

have been to say

1044

00:38:25,910 --> 00:38:24,560

look um we

1045

00:38:28,230 --> 00:38:25,920

you know we delivered a classified

1046

00:38:29,829 --> 00:38:28,240

report but we we can't really give you a

1047

00:38:31,030 --> 00:38:29,839

public report at this time that was not

1048

00:38:33,430 --> 00:38:31,040

going to fly

1049

00:38:34,870 --> 00:38:33,440

there was way too much expectation way

1050

00:38:36,550 --> 00:38:34,880

too much anticipation

1051
00:38:38,069 --> 00:38:36,560
if they had done that it would have gone

1052
00:38:40,710 --> 00:38:38,079
badly

1053
00:38:42,390 --> 00:38:40,720
one thing i wanted you know i noticed

1054
00:38:43,430 --> 00:38:42,400
this but couldn't really talk to anybody

1055
00:38:46,550 --> 00:38:43,440
about it to get any

1056
00:38:48,550 --> 00:38:46,560
uh clarification on it so when this

1057
00:38:49,190 --> 00:38:48,560
report was mandated i went in and did my

1058
00:38:51,829 --> 00:38:49,200
homework

1059
00:38:54,230 --> 00:38:51,839
on how this stuff works reports public

1060
00:38:56,470 --> 00:38:54,240
unclassified all that stuff and i

1061
00:38:57,670 --> 00:38:56,480
saw that they can actually make public

1062
00:38:59,990 --> 00:38:57,680
annexes

1063
00:39:01,750 --> 00:39:00,000

in these reports so what was curious to

1064

00:39:04,390 --> 00:39:01,760

me is that they didn't

1065

00:39:06,150 --> 00:39:04,400

but yet it was made public right away

1066

00:39:07,910 --> 00:39:06,160

because i know you have to approve it

1067

00:39:10,310 --> 00:39:07,920

even though it's unclassified

1068

00:39:12,310 --> 00:39:10,320

well look i mean it had to be approved

1069

00:39:14,390 --> 00:39:12,320

the point is it's either classified or

1070

00:39:15,589 --> 00:39:14,400

it's unclassified if it's unclassified

1071

00:39:16,550 --> 00:39:15,599

and gets approved it's going to the

1072

00:39:19,430 --> 00:39:16,560

public domain

1073

00:39:20,390 --> 00:39:19,440

that's just like an automatic so

1074

00:39:23,270 --> 00:39:20,400

obviously so

1075

00:39:24,390 --> 00:39:23,280

obviously and not to mention the fact

1076

00:39:25,750 --> 00:39:24,400

that the last thing you want to do is

1077

00:39:27,510 --> 00:39:25,760

dump a bunch of stuff into the

1078

00:39:28,150 --> 00:39:27,520

congress's hands the same time you give

1079

00:39:29,829 --> 00:39:28,160

it to the

1080

00:39:31,349 --> 00:39:29,839

give something else to the public and

1081

00:39:32,710 --> 00:39:31,359

the congress has looked at the stuff and

1082

00:39:34,950 --> 00:39:32,720

they got all these press coming in

1083

00:39:36,870 --> 00:39:34,960

so they had nine days that's a good

1084

00:39:37,670 --> 00:39:36,880

strategy so now they put out the public

1085

00:39:40,870 --> 00:39:37,680

thing well it's it's

1086

00:39:42,390 --> 00:39:40,880

six pages of of dod speak and a bunch of

1087

00:39:45,270 --> 00:39:42,400

acronyms

1088

00:39:46,870 --> 00:39:45,280

and some interesting points there that

1089

00:39:48,630 --> 00:39:46,880

if you're

1090

00:39:50,390 --> 00:39:48,640

you're savvy on the subject you can kind

1091

00:39:52,150 --> 00:39:50,400

of go oh that's interesting but the vast

1092

00:39:53,750 --> 00:39:52,160

majority are going to go

1093

00:39:54,870 --> 00:39:53,760

there's nothing here and that's exactly

1094

00:39:56,069 --> 00:39:54,880

what they said it's it's we're

1095

00:39:57,430 --> 00:39:56,079

disappointed it's not

1096

00:39:59,270 --> 00:39:57,440

right they're holding on blah blah and

1097

00:40:01,349 --> 00:39:59,280

they're all bitching complaining

1098

00:40:03,510 --> 00:40:01,359

but you see the dmd didn't have any

1099

00:40:04,069 --> 00:40:03,520

choice they could they had to put

1100

00:40:07,510 --> 00:40:04,079

something

1101

00:40:08,950 --> 00:40:07,520

out now they may they they may have been

1102

00:40:11,670 --> 00:40:08,960

an unforced era

1103

00:40:14,470 --> 00:40:11,680

but overall i think long term it's it's

1104

00:40:16,790 --> 00:40:14,480

exactly what they needed to do

1105

00:40:18,790 --> 00:40:16,800

so they gave us very little but what

1106

00:40:20,309 --> 00:40:18,800

they gave us what are was already

1107

00:40:23,349 --> 00:40:20,319

confirmed by the leak

1108

00:40:24,710 --> 00:40:23,359

back in 2000 and june 3rd so it's

1109

00:40:27,270 --> 00:40:24,720

consistent

1110

00:40:28,150 --> 00:40:27,280

no fooling around here it matches the

1111

00:40:31,430 --> 00:40:28,160

leak

1112

00:40:34,150 --> 00:40:31,440

okay and okay

1113

00:40:34,950 --> 00:40:34,160

now we know that prior to that report

1114

00:40:38,630 --> 00:40:34,960

being

1115

00:40:41,910 --> 00:40:38,640

uh released there was already rumors

1116

00:40:43,349 --> 00:40:41,920

elizondo brought these into play that uh

1117

00:40:46,069 --> 00:40:43,359

they were thinking about asking for an

1118

00:40:50,069 --> 00:40:46,079

extension anymore

1119

00:40:50,950 --> 00:40:50,079

okay well they could have done that but

1120

00:40:53,349 --> 00:40:50,960

let's face it

1121

00:40:53,990 --> 00:40:53,359

it would not have gone over very well

1122

00:40:57,109 --> 00:40:54,000

not at

1123

00:40:59,670 --> 00:40:57,119

all and so they compromised

1124

00:41:01,430 --> 00:40:59,680

they put out this very limited report

1125

00:41:03,349 --> 00:41:01,440

that wasn't going to cause the dod

1126
00:41:05,430 --> 00:41:03,359
much of a problem though it would kind

1127
00:41:07,829 --> 00:41:05,440
of service the savvy of us

1128
00:41:08,470 --> 00:41:07,839
that know yeah that's kind of confirmed

1129
00:41:13,030 --> 00:41:08,480
what

1130
00:41:14,710 --> 00:41:13,040
really saying is

1131
00:41:16,150 --> 00:41:14,720
uh we're not saying it's

1132
00:41:16,950 --> 00:41:16,160
extraterrestrial but it's

1133
00:41:19,910 --> 00:41:16,960
extraterrestrial

1134
00:41:21,030 --> 00:41:19,920
okay very shortly after the report was

1135
00:41:22,870 --> 00:41:21,040
delivered they uh

1136
00:41:25,190 --> 00:41:22,880
put out a statement that there would be

1137
00:41:27,430 --> 00:41:25,200
another report in 90 days

1138
00:41:29,829 --> 00:41:27,440

which of course takes the angst out kind

1139

00:41:31,510 --> 00:41:29,839

of so if they had just delayed it not

1140

00:41:33,030 --> 00:41:31,520

good but they put out six pages then

1141

00:41:33,990 --> 00:41:33,040

they asked for 90 more days this is

1142

00:41:36,390 --> 00:41:34,000

perfect

1143

00:41:38,069 --> 00:41:36,400

is it really about that is it really

1144

00:41:39,510 --> 00:41:38,079

about give us 90 more days in order to

1145

00:41:41,030 --> 00:41:39,520

give you a bunch of public stuff no it's

1146

00:41:41,349 --> 00:41:41,040

not about that they don't want to give

1147

00:41:43,990 --> 00:41:41,359

you

1148

00:41:44,950 --> 00:41:44,000

any public stuff it just bought them

1149

00:41:50,630 --> 00:41:44,960

time

1150

00:41:52,630 --> 00:41:50,640

and held

1151
00:41:55,190 --> 00:41:52,640
which makes a 90-day report down the

1152
00:41:59,750 --> 00:41:55,200
line completely moot

1153
00:42:02,790 --> 00:41:59,760
all right so where we are now

1154
00:42:04,309 --> 00:42:02,800
is that the senate

1155
00:42:06,550 --> 00:42:04,319
and house committees had it for nine

1156
00:42:09,589 --> 00:42:06,560
days now they got

1157
00:42:12,069 --> 00:42:09,599
a bit lucky here because there was a

1158
00:42:15,430 --> 00:42:12,079
a coincidence that was not strategically

1159
00:42:20,710 --> 00:42:18,950
the deadline was purely predicated on

1160
00:42:22,630 --> 00:42:20,720
the signing of the bill

1161
00:42:25,589 --> 00:42:22,640
and as it happened the bill was signed

1162
00:42:27,750 --> 00:42:25,599
so the deadline was june the 25th

1163
00:42:29,670 --> 00:42:27,760

guess what the senate goes into recess

1164

00:42:31,829 --> 00:42:29,680

on the 26th

1165

00:42:33,589 --> 00:42:31,839

and so now the senate is out until the

1166

00:42:37,349 --> 00:42:33,599

12th of july

1167

00:42:38,630 --> 00:42:37,359

which is 16 more days so now the senate

1168

00:42:40,470 --> 00:42:38,640

and by the way the senate intel

1169

00:42:42,150 --> 00:42:40,480

committee is the key committee

1170

00:42:43,829 --> 00:42:42,160

congress has stayed in session for a

1171

00:42:44,950 --> 00:42:43,839

while but and they're not doing anything

1172

00:42:46,470 --> 00:42:44,960

the senate's gone they're

1173

00:42:47,990 --> 00:42:46,480

they're they're dealing with other stuff

1174

00:42:49,670 --> 00:42:48,000

there is plenty of other stuff

1175

00:42:51,589 --> 00:42:49,680

but it's the senate and kel committee is

1176

00:42:53,750 --> 00:42:51,599

the key committee

1177

00:42:55,270 --> 00:42:53,760

and so they're actually going to have

1178

00:42:59,270 --> 00:42:55,280

nine plus 12

1179

00:43:01,109 --> 00:42:59,280

21 days to review and think about what

1180

00:43:04,630 --> 00:43:01,119

to do about this classified report

1181

00:43:09,030 --> 00:43:04,640

without any being bothered

1182

00:43:13,589 --> 00:43:09,040

perfect so they come back on the 12.

1183

00:43:15,030 --> 00:43:13,599

will the senate intel committee

1184

00:43:17,349 --> 00:43:15,040

and the senate armed services committee

1185

00:43:19,190 --> 00:43:17,359

both of them have had

1186

00:43:21,270 --> 00:43:19,200

more than enough time by the 12th of

1187

00:43:22,470 --> 00:43:21,280

july to decide whether hearings are

1188

00:43:24,790 --> 00:43:22,480

called for

1189

00:43:25,990 --> 00:43:24,800

uh based on what they got back on the

1190

00:43:28,630 --> 00:43:26,000

16th of uh june

1191

00:43:29,349 --> 00:43:28,640

absolutely it's a way to take the burden

1192

00:43:31,109 --> 00:43:29,359

off of them

1193

00:43:32,390 --> 00:43:31,119

they put it out there engage the

1194

00:43:34,309 --> 00:43:32,400

public's interest and

1195

00:43:36,150 --> 00:43:34,319

how they feel about it and take it from

1196

00:43:37,829 --> 00:43:36,160

there i would imagine if it's convincing

1197

00:43:40,950 --> 00:43:37,839

overwhelming then they go

1198

00:43:41,990 --> 00:43:40,960

then it's you know

1199

00:43:43,750 --> 00:43:42,000

it doesn't have to be convincing about

1200

00:43:45,829 --> 00:43:43,760

et presidents all it has to be is a

1201
00:43:46,309 --> 00:43:45,839
valid national security issue which it

1202
00:43:47,990 --> 00:43:46,319
is and

1203
00:43:49,589 --> 00:43:48,000
has been presented to that for three

1204
00:43:52,230 --> 00:43:49,599
solid years so they're

1205
00:43:53,109 --> 00:43:52,240
politically completely safe nobody is

1206
00:43:54,309 --> 00:43:53,119
going to attack

1207
00:43:56,470 --> 00:43:54,319
any member of that committee or

1208
00:43:58,630 --> 00:43:56,480
committee chair because they

1209
00:44:00,470 --> 00:43:58,640
brought all these government witnes

1210
00:44:02,710 --> 00:44:00,480
military witnesses in to talk about

1211
00:44:05,910 --> 00:44:02,720
events like the nimitz event on the

1212
00:44:08,069 --> 00:44:05,920
basis of its potential national security

1213
00:44:11,030 --> 00:44:08,079

and that doesn't even get to the nuclear

1214

00:44:12,470 --> 00:44:11,040

weapons weapons tampering witnesses

1215

00:44:14,309 --> 00:44:12,480

is there anybody going to say well you

1216

00:44:16,150 --> 00:44:14,319

know yeah they shut our missiles down

1217

00:44:17,349 --> 00:44:16,160

but why should we consider that national

1218

00:44:20,470 --> 00:44:17,359

security

1219

00:44:22,230 --> 00:44:20,480

please absolutely political safe and

1220

00:44:23,750 --> 00:44:22,240

nonpartisan so they can they can

1221

00:44:25,589 --> 00:44:23,760

conduct hearings and not have to put on

1222

00:44:26,790 --> 00:44:25,599

the usual political road show

1223

00:44:28,550 --> 00:44:26,800

or they make fools of themselves not

1224

00:44:29,670 --> 00:44:28,560

necessary they don't want to make fools

1225

00:44:31,750 --> 00:44:29,680

of themselves

1226
00:44:33,430 --> 00:44:31,760
at this point absolutely but what they

1227
00:44:36,150 --> 00:44:33,440
have no other choice

1228
00:44:36,790 --> 00:44:36,160
they're in a circus and in the circus

1229
00:44:39,030 --> 00:44:36,800
you put on

1230
00:44:39,910 --> 00:44:39,040
clown shows and so unless you leave the

1231
00:44:43,190 --> 00:44:39,920
circus

1232
00:44:45,190 --> 00:44:43,200
you put on a clown show well this

1233
00:44:47,190 --> 00:44:45,200
subject doesn't require that it is a

1234
00:44:48,710 --> 00:44:47,200
perfectly nonpartisan subject based on

1235
00:44:49,430 --> 00:44:48,720
national security which transcends

1236
00:44:50,950 --> 00:44:49,440
politics

1237
00:44:52,870 --> 00:44:50,960
so they can actually put on a proper

1238
00:44:54,550 --> 00:44:52,880

hearing act well look good

1239

00:44:56,150 --> 00:44:54,560

and the audience will be rather large

1240

00:44:56,790 --> 00:44:56,160

this is a win-win-win for them and they

1241

00:45:00,069 --> 00:44:56,800

know it

1242

00:45:03,030 --> 00:45:00,079

so do you put that off no you don't okay

1243

00:45:03,040 --> 00:45:06,069

the uh

1244

00:45:06,079 --> 00:45:11,030

the the senate returns on the 12th

1245

00:45:17,190 --> 00:45:15,430

but there were four committees briefed

1246

00:45:19,750 --> 00:45:17,200

and the intel committees have many

1247

00:45:21,910 --> 00:45:19,760

subcommittees

1248

00:45:23,589 --> 00:45:21,920

so you've got a lot of people here now

1249

00:45:26,069 --> 00:45:23,599

in congress that have this issue

1250

00:45:27,750 --> 00:45:26,079

so let me put out a suggestion which

1251

00:45:30,230 --> 00:45:27,760

i'll say is a

1252

00:45:31,990 --> 00:45:30,240

a speculation that i have like 100

1253

00:45:35,030 --> 00:45:32,000

certainty about all right

1254

00:45:38,390 --> 00:45:35,040

and that is this i assure you

1255

00:45:42,150 --> 00:45:38,400

the department of defense knew

1256

00:45:46,790 --> 00:45:42,160

expected and absolutely wanted

1257

00:45:49,910 --> 00:45:46,800

this part this classified report to leak

1258

00:45:50,470 --> 00:45:49,920

absolutely wanted it to leak because you

1259

00:45:53,270 --> 00:45:50,480

see

1260

00:45:55,510 --> 00:45:53,280

it's not them leaking it now it's the

1261

00:45:58,790 --> 00:45:55,520

congress people that are leaking it

1262

00:46:02,390 --> 00:45:58,800

dod is in the clear right no problem

1263

00:46:07,349 --> 00:46:02,400

and so uh and that's in their favor

1264

00:46:10,630 --> 00:46:09,589

these hearings will be the biggest ever

1265

00:46:12,630 --> 00:46:10,640

these will be the most important

1266

00:46:14,470 --> 00:46:12,640

hearings in all of history

1267

00:46:17,109 --> 00:46:14,480

there will be many they will go on for

1268

00:46:19,510 --> 00:46:17,119

days there will be scores of witnesses

1269

00:46:20,790 --> 00:46:19,520

the audience will be large uh pick a

1270

00:46:24,470 --> 00:46:20,800

number

1271

00:46:27,670 --> 00:46:24,480

i know two billion people watched

1272

00:46:28,390 --> 00:46:27,680

i just recently learned this two billion

1273

00:46:31,750 --> 00:46:28,400

people

1274

00:46:34,950 --> 00:46:31,760

watched god what was it

1275

00:46:34,960 --> 00:46:41,030

i can't what do you think of uh

1276
00:46:44,710 --> 00:46:43,430
dr greer's role in all this because he

1277
00:46:47,030 --> 00:46:44,720
almost

1278
00:46:48,870 --> 00:46:47,040
he did so much years ago and now it's

1279
00:46:51,990 --> 00:46:48,880
kind of at the point where he's

1280
00:46:53,190 --> 00:46:52,000
isolating himself a bit yeah that's

1281
00:46:55,750 --> 00:46:53,200
that's his decisions

1282
00:46:57,430 --> 00:46:55,760
his actions i that they're i'm only

1283
00:46:58,309 --> 00:46:57,440
interested in what is happening in terms

1284
00:47:00,870 --> 00:46:58,319
of the government

1285
00:47:01,510 --> 00:47:00,880
the people in the field like me are not

1286
00:47:04,870 --> 00:47:01,520
going to be

1287
00:47:06,950 --> 00:47:04,880
actual parts of what's going down

1288
00:47:08,550 --> 00:47:06,960

now we're trying to influence it yeah

1289

00:47:10,470 --> 00:47:08,560

we're talking about it i'm doing my

1290

00:47:11,990 --> 00:47:10,480

thing that i think has a bearing on it

1291

00:47:13,589 --> 00:47:12,000

but in terms of the strategies and the

1292

00:47:15,270 --> 00:47:13,599

actual people that's not us

1293

00:47:17,349 --> 00:47:15,280

we're not going to be in this game until

1294

00:47:18,470 --> 00:47:17,359

after disclosure i mean we can say

1295

00:47:19,829 --> 00:47:18,480

whatever we want

1296

00:47:22,470 --> 00:47:19,839

but they're not going to be calling us

1297

00:47:24,069 --> 00:47:22,480

in for our advice or counsel

1298

00:47:25,589 --> 00:47:24,079

or asking us to help put anything

1299

00:47:28,549 --> 00:47:25,599

together no no no no

1300

00:47:30,630 --> 00:47:28,559

that's going to be mainstream people our

1301

00:47:34,069 --> 00:47:30,640

day will come after disclosure

1302

00:47:35,430 --> 00:47:34,079

right so nro probably has a lot of

1303

00:47:38,069 --> 00:47:35,440

information i would imagine they've been

1304

00:47:40,549 --> 00:47:38,079

putting satellites up in space forever

1305

00:47:41,349 --> 00:47:40,559

it's agencies that got something it will

1306

00:47:44,870 --> 00:47:41,359

take

1307

00:47:47,589 --> 00:47:44,880

months if not years assuming

1308

00:47:49,190 --> 00:47:47,599

it's doable to get the information out

1309

00:47:52,230 --> 00:47:49,200

of the government that we should have

1310

00:47:52,870 --> 00:47:52,240

months and years they have masses of it

1311

00:47:57,109 --> 00:47:52,880

okay

1312

00:48:03,430 --> 00:48:00,390

this is a big deal these uh

1313

00:48:05,990 --> 00:48:03,440

these conferences these hearings

1314

00:48:07,109 --> 00:48:06,000

and so there's going to be a competition

1315

00:48:09,829 --> 00:48:07,119

amongst

1316

00:48:11,190 --> 00:48:09,839

committee chairs to make sure they get

1317

00:48:12,870 --> 00:48:11,200

their hearing

1318

00:48:14,390 --> 00:48:12,880

they get their time in front of hundreds

1319

00:48:18,230 --> 00:48:14,400

of millions of people right

1320

00:48:21,270 --> 00:48:18,240

uh you don't this is this is pure gold

1321

00:48:21,589 --> 00:48:21,280

if you are a a politician in congress

1322

00:48:23,670 --> 00:48:21,599

who

1323

00:48:25,990 --> 00:48:23,680

plans on running some more or maybe have

1324

00:48:29,510 --> 00:48:26,000

presidential ambitions

1325

00:48:32,790 --> 00:48:29,520

so not surprisingly one committee chair

1326

00:48:35,109 --> 00:48:32,800

has already called for hearings

1327

00:48:37,030 --> 00:48:35,119

i think it wasn't uh something that was

1328

00:48:39,829 --> 00:48:37,040

supposed to be his call

1329

00:48:40,230 --> 00:48:39,839

he probably was not supposed to do that

1330

00:48:42,870 --> 00:48:40,240

but

1331

00:48:44,230 --> 00:48:42,880

he said well you know you know i'm not a

1332

00:48:47,670 --> 00:48:44,240

potted plant here

1333

00:48:50,549 --> 00:48:47,680

right now this was this was subtle

1334

00:48:51,750 --> 00:48:50,559

andrea carson is a democrat from indiana

1335

00:48:53,349 --> 00:48:51,760

very powerful

1336

00:48:54,790 --> 00:48:53,359

but he's not a committee chair he's a

1337

00:48:56,069 --> 00:48:54,800

subcommittee chair but he's the

1338

00:49:01,589 --> 00:48:56,079

subcommittee

1339

00:49:02,710 --> 00:49:01,599

counterintelligence counter surveillance

1340

00:49:06,069 --> 00:49:02,720

counter

1341

00:49:09,910 --> 00:49:06,079

proliferation committee okay

1342

00:49:11,750 --> 00:49:09,920

heavy heavy on nbc news on the fourth

1343

00:49:13,829 --> 00:49:11,760

and a couple of days prior to that

1344

00:49:16,150 --> 00:49:13,839

in an interview he said yeah we we need

1345

00:49:19,430 --> 00:49:16,160

to have hearings on this

1346

00:49:23,030 --> 00:49:19,440

so marco rubio just got uh

1347

00:49:25,510 --> 00:49:23,040

mildly sandbagged okay now

1348

00:49:26,950 --> 00:49:25,520

you see where this is going don't you i

1349

00:49:28,390 --> 00:49:26,960

mean

1350

00:49:30,069 --> 00:49:28,400

if you're if you're the chairman of one

1351
00:49:31,510 --> 00:49:30,079
of these four committees and and and

1352
00:49:32,790 --> 00:49:31,520
you've got these other people saying

1353
00:49:34,309 --> 00:49:32,800
yeah we need to have hearing and you're

1354
00:49:37,270 --> 00:49:34,319
just sitting there

1355
00:49:39,030 --> 00:49:37,280
going you know i'm i'm a powerful person

1356
00:49:39,750 --> 00:49:39,040
i'm a chairman of the armed services

1357
00:49:42,950 --> 00:49:39,760
committee

1358
00:49:44,390 --> 00:49:42,960
this is totally in our purview i'm just

1359
00:49:45,030 --> 00:49:44,400
supposed to sit here and let these

1360
00:49:47,430 --> 00:49:45,040
people

1361
00:49:49,030 --> 00:49:47,440
call for the hearings i have a committee

1362
00:49:50,069 --> 00:49:49,040
i don't need the approval of another

1363
00:49:53,910 --> 00:49:50,079

committee chair

1364

00:49:55,750 --> 00:49:53,920

period in their committee

1365

00:49:57,109 --> 00:49:55,760

marco rubio can't stop this armed

1366

00:49:58,390 --> 00:49:57,119

services committee from calling here

1367

00:49:59,829 --> 00:49:58,400

they didn't call the damn hearing anyone

1368

00:50:01,349 --> 00:49:59,839

they want to they can call it for two

1369

00:50:02,150 --> 00:50:01,359

days from now if they get the witnesses

1370

00:50:05,510 --> 00:50:02,160

into town

1371

00:50:07,589 --> 00:50:05,520

and so you're going to see a competition

1372

00:50:09,270 --> 00:50:07,599

between a number of people within this

1373

00:50:12,309 --> 00:50:09,280

committee structure

1374

00:50:14,710 --> 00:50:12,319

uh trying to get a piece of the action

1375

00:50:16,230 --> 00:50:14,720

at the same time you're going to have

1376

00:50:19,190 --> 00:50:16,240

people on the staff

1377

00:50:20,069 --> 00:50:19,200

start leaking aspects of the classified

1378

00:50:21,589 --> 00:50:20,079

report

1379

00:50:24,790 --> 00:50:21,599

which of course the media is going to

1380

00:50:29,750 --> 00:50:24,800

see on so does anybody really think

1381

00:50:31,589 --> 00:50:29,760

this is like 1987 77 55 54 69 does

1382

00:50:33,190 --> 00:50:31,599

anybody think that it's even remotely

1383

00:50:36,150 --> 00:50:33,200

like that

1384

00:50:38,069 --> 00:50:36,160

we are in another place altogether we

1385

00:50:39,270 --> 00:50:38,079

are in the last days of the truth

1386

00:50:43,750 --> 00:50:39,280

embargo

1387

00:50:44,549 --> 00:50:43,760

okay so now now i got some hard stuff

1388

00:50:47,030 --> 00:50:44,559

for your people

1389

00:50:48,710 --> 00:50:47,040

which is great by the way sorry i like

1390

00:50:49,589 --> 00:50:48,720

your background you got an eclectic kind

1391

00:50:52,549 --> 00:50:49,599

of art

1392

00:50:54,470 --> 00:50:52,559

deco whatever it's good it's fun i go

1393

00:50:56,470 --> 00:50:54,480

with the standard massive library

1394

00:50:58,150 --> 00:50:56,480

yeah you know i can't read that many

1395

00:51:00,549 --> 00:50:58,160

books so no

1396

00:51:01,510 --> 00:51:00,559

they're just there for show so uh

1397

00:51:04,630 --> 00:51:01,520

understand

1398

00:51:06,630 --> 00:51:04,640

okay so the first leak may have taken

1399

00:51:09,430 --> 00:51:06,640

place

1400

00:51:11,030 --> 00:51:09,440

and we're going to analyze it all right

1401
00:51:13,990 --> 00:51:11,040
now

1402
00:51:15,589 --> 00:51:14,000
this leak came through not an

1403
00:51:18,549 --> 00:51:15,599
inappropriate person

1404
00:51:19,430 --> 00:51:18,559
uh and didn't go directly to the papers

1405
00:51:22,470 --> 00:51:19,440
it went to

1406
00:51:23,910 --> 00:51:22,480
richard dolan mm-hmm now what your

1407
00:51:27,270 --> 00:51:23,920
audience needs to understand about

1408
00:51:30,549 --> 00:51:27,280
this is that the way this transpired

1409
00:51:34,549 --> 00:51:30,559
and this is not surprising somebody

1410
00:51:38,710 --> 00:51:36,549
provided this information almost

1411
00:51:41,910 --> 00:51:38,720
certainly verbally

1412
00:51:45,190 --> 00:51:41,920
to an outside person outside

1413
00:51:46,230 --> 00:51:45,200

okay and then that person happened to be

1414

00:51:50,150 --> 00:51:46,240

a trusted

1415

00:51:51,510 --> 00:51:50,160

a source for dolan he wrote it up pass

1416

00:51:54,870 --> 00:51:51,520

it to dolan

1417

00:51:57,030 --> 00:51:54,880

dolan trusts that person and so

1418

00:51:58,950 --> 00:51:57,040

he was confident he felt confident that

1419

00:52:01,670 --> 00:51:58,960

this information

1420

00:52:02,710 --> 00:52:01,680

legitimately came from somebody in the

1421

00:52:04,790 --> 00:52:02,720

committee

1422

00:52:05,750 --> 00:52:04,800

doesn't mean it's true it could be a

1423

00:52:08,470 --> 00:52:05,760

fake out

1424

00:52:10,470 --> 00:52:08,480

right they have done this in the past it

1425

00:52:11,109 --> 00:52:10,480

would be really stupid to do it here but

1426

00:52:12,870 --> 00:52:11,119

it could be

1427

00:52:15,109 --> 00:52:12,880

so he's he made it clear he hasn't

1428

00:52:18,710 --> 00:52:15,119

confirmed it i haven't confirmed it

1429

00:52:21,030 --> 00:52:18,720

but for those in the know we have a lot

1430

00:52:21,829 --> 00:52:21,040

to draw on in assessing something like

1431

00:52:24,710 --> 00:52:21,839

this

1432

00:52:26,549 --> 00:52:24,720

and so i'm now going to assess it for

1433

00:52:29,670 --> 00:52:26,559

you i'm going into full

1434

00:52:31,030 --> 00:52:29,680

uh assessment mode okay

1435

00:52:33,670 --> 00:52:31,040

all right so let's see i got to drop

1436

00:52:34,950 --> 00:52:33,680

this down hang on a second now

1437

00:52:37,030 --> 00:52:34,960

you're not going to lose me but i'm

1438

00:52:39,349 --> 00:52:37,040

switching to a page okay

1439

00:52:40,790 --> 00:52:39,359

oh sure you can still see me right okay

1440

00:52:43,510 --> 00:52:40,800

yes

1441

00:52:44,470 --> 00:52:43,520

so and again this is through richard

1442

00:52:46,069 --> 00:52:44,480

dolan

1443

00:52:47,750 --> 00:52:46,079

i don't think it's got it's gotten

1444

00:52:49,349 --> 00:52:47,760

around a little bit the social media

1445

00:52:50,069 --> 00:52:49,359

hasn't been picked up on the press yet

1446

00:52:51,750 --> 00:52:50,079

because

1447

00:52:53,109 --> 00:52:51,760

the press like the washington post they

1448

00:52:55,430 --> 00:52:53,119

can't just print this

1449

00:52:57,349 --> 00:52:55,440

they have got to confirm it and that may

1450

00:52:58,950 --> 00:52:57,359

not be easy so it's going to hit social

1451
00:53:00,870 --> 00:52:58,960
media first which is okay

1452
00:53:02,710 --> 00:53:00,880
as long as it's properly represented i

1453
00:53:05,190 --> 00:53:02,720
believe i've done that

1454
00:53:07,190 --> 00:53:05,200
so this is what was written down by his

1455
00:53:08,150 --> 00:53:07,200
source and then passed on to him in

1456
00:53:09,750 --> 00:53:08,160
writing form

1457
00:53:11,910 --> 00:53:09,760
which means it's a little rough around

1458
00:53:14,470 --> 00:53:11,920
the edges has a couple of mistakes in it

1459
00:53:16,870 --> 00:53:14,480
this is hardly surprising this is not a

1460
00:53:19,750 --> 00:53:16,880
copy of a document provided

1461
00:53:20,950 --> 00:53:19,760
to the committees so once one's got that

1462
00:53:24,630 --> 00:53:20,960
in mind just

1463
00:53:25,109 --> 00:53:24,640

drop your hyper debunker antenna for a

1464

00:53:27,750 --> 00:53:25,119
minute

1465

00:53:29,190 --> 00:53:27,760
and just go with the flow here here's

1466

00:53:31,990 --> 00:53:29,200
what it says

1467

00:53:33,910 --> 00:53:32,000
i'm going to read it slowly because i

1468

00:53:35,670 --> 00:53:33,920
think

1469

00:53:39,430 --> 00:53:35,680
anybody that's really interested in this

1470

00:53:41,750 --> 00:53:39,440
issue needs to get this slowly

1471

00:53:43,750 --> 00:53:41,760
so it soaks in we need to we need to go

1472

00:53:49,190 --> 00:53:43,760
into grock mode fully grockman i just

1473

00:53:55,589 --> 00:53:52,790
quoting from this the classified

1474

00:53:55,990 --> 00:53:55,599
portion of the uap report given to a

1475

00:53:58,230 --> 00:53:56,000
select

1476
00:54:00,710 --> 00:53:58,240
number of congress men it should say

1477
00:54:05,030 --> 00:54:00,720
congress persons

1478
00:54:08,630 --> 00:54:05,040
and senators relates to the following

1479
00:54:11,910 --> 00:54:08,640
number one energy pulse

1480
00:54:15,510 --> 00:54:11,920
propulsion systems projects

1481
00:54:18,790 --> 00:54:15,520
number two ion propulsion systems

1482
00:54:22,829 --> 00:54:18,800
number three anti-gravity

1483
00:54:25,910 --> 00:54:22,839
propulsion systems number four

1484
00:54:29,109 --> 00:54:25,920
anti-matter propulsion systems

1485
00:54:32,230 --> 00:54:29,119
number five ramjet hydrogen propulsion

1486
00:54:34,309 --> 00:54:32,240
systems number six compressed nuclear

1487
00:54:37,750 --> 00:54:34,319
propulsion systems

1488
00:54:40,789 --> 00:54:37,760

seven advanced use of exotic

1489

00:54:41,750 --> 00:54:40,799

elements for energy research in

1490

00:54:44,950 --> 00:54:41,760

parentheses

1491

00:54:48,069 --> 00:54:44,960

et related items

1492

00:54:49,190 --> 00:54:48,079

number eight the kaesong energy

1493

00:54:52,630 --> 00:54:49,200

propulsion

1494

00:54:54,789 --> 00:54:52,640

system research project

1495

00:54:55,750 --> 00:54:54,799

curser or whatever the hell that means

1496

00:54:59,270 --> 00:54:55,760

okay

1497

00:55:01,430 --> 00:54:59,280

now right away if that

1498

00:55:02,549 --> 00:55:01,440

is in fact what was in that classified

1499

00:55:05,670 --> 00:55:02,559

report

1500

00:55:07,349 --> 00:55:05,680

that is a really big deal but it gets

1501
00:55:10,069 --> 00:55:07,359
better

1502
00:55:12,870 --> 00:55:10,079
now comes a paragraph of further

1503
00:55:17,190 --> 00:55:15,270
all these highly classified projects are

1504
00:55:20,710 --> 00:55:17,200
under the control of the defense

1505
00:55:24,549 --> 00:55:20,720
advance research project agency

1506
00:55:26,549 --> 00:55:24,559
darpa nothing shocking there

1507
00:55:28,309 --> 00:55:26,559
and being managed by a classified group

1508
00:55:33,030 --> 00:55:28,319
called advance

1509
00:55:35,349 --> 00:55:33,040
group six easy to confirm

1510
00:55:36,710 --> 00:55:35,359
be very unwise to put in a specific name

1511
00:55:38,950 --> 00:55:36,720
like that

1512
00:55:39,910 --> 00:55:38,960
darpa we know advanced group six not

1513
00:55:42,549 --> 00:55:39,920

necessarily

1514

00:55:44,710 --> 00:55:42,559

so that to me is a credibility marker

1515

00:55:45,750 --> 00:55:44,720

all funding for these projects is black

1516

00:55:47,829 --> 00:55:45,760

confidential

1517

00:55:49,270 --> 00:55:47,839

and being managed by a classified group

1518

00:55:51,670 --> 00:55:49,280

called i said that already

1519

00:55:52,630 --> 00:55:51,680

all funding is is black confidential

1520

00:55:54,549 --> 00:55:52,640

funds

1521

00:55:56,390 --> 00:55:54,559

appropriated under intelligence

1522

00:55:59,430 --> 00:55:56,400

operations cost

1523

00:56:00,829 --> 00:55:59,440

some funds come from private sectors no

1524

00:56:05,109 --> 00:56:00,839

red flag

1525

00:56:08,710 --> 00:56:05,119

there then it gets more interesting

1526

00:56:10,950 --> 00:56:08,720

prototypes of flying craft utilizing the

1527

00:56:11,670 --> 00:56:10,960

above technology are being flown at area

1528

00:56:14,789 --> 00:56:11,680

51

1529

00:56:17,510 --> 00:56:14,799

and tonopah air force base test range

1530

00:56:19,670 --> 00:56:17,520

well and then it gets even more

1531

00:56:22,230 --> 00:56:19,680

interesting that gives credit to

1532

00:56:23,349 --> 00:56:22,240

some of the uaps observed in and around

1533

00:56:26,630 --> 00:56:23,359

nevada can be

1534

00:56:29,109 --> 00:56:26,640

contributed and this is a typo

1535

00:56:31,430 --> 00:56:29,119

it should be attributed to me that's a

1536

00:56:33,910 --> 00:56:31,440

credibility marker remember

1537

00:56:36,150 --> 00:56:33,920

delivered orally to a third party who

1538

00:56:40,150 --> 00:56:36,160

writes it down and then passes it on

1539

00:56:42,230 --> 00:56:40,160

to richard uh attribute contribute

1540

00:56:44,549 --> 00:56:42,240

attributed to crafts using the above

1541

00:56:48,789 --> 00:56:44,559

propulsion systems

1542

00:56:56,069 --> 00:56:51,910

closing sentences the killer

1543

00:56:58,470 --> 00:56:56,079

sentences however

1544

00:57:00,870 --> 00:56:58,480

none of the experimental crafts have

1545

00:57:03,910 --> 00:57:00,880

flown outside the nellis test

1546

00:57:06,470 --> 00:57:03,920

and training range

1547

00:57:08,230 --> 00:57:06,480

which is exactly the way it should be

1548

00:57:09,829 --> 00:57:08,240

people that keep talking about

1549

00:57:12,549 --> 00:57:09,839

well you know they were flying this

1550

00:57:14,870 --> 00:57:12,559

stuff over arizona new york new jersey

1551
00:57:16,789 --> 00:57:14,880
around the aircraft carriers you know

1552
00:57:18,309 --> 00:57:16,799
they would do that of course no they

1553
00:57:20,230 --> 00:57:18,319
wouldn't

1554
00:57:21,349 --> 00:57:20,240
absolutely not they would test them over

1555
00:57:22,470 --> 00:57:21,359
the netherlands test range and they

1556
00:57:25,109 --> 00:57:22,480
wouldn't let them outside

1557
00:57:26,630 --> 00:57:25,119
and they have designated faa gives them

1558
00:57:28,069 --> 00:57:26,640
designated airspace for that

1559
00:57:30,390 --> 00:57:28,079
oh god yeah they got all the you know

1560
00:57:31,589 --> 00:57:30,400
and when people were photographing the

1561
00:57:32,950 --> 00:57:31,599
damn things they bought a

1562
00:57:35,270 --> 00:57:32,960
bunch of land pushed them back another

1563
00:57:38,390 --> 00:57:35,280

bunch of miles and then the final

1564

00:57:45,510 --> 00:57:41,750

none of these experimental crafts

1565

00:57:48,309 --> 00:57:45,520

can be contributed should say attributed

1566

00:57:51,510 --> 00:57:48,319

to the sightings photograph by the us

1567

00:57:58,549 --> 00:57:55,349

so now let's

1568

00:58:01,829 --> 00:57:58,559

analyze this in in

1569

00:58:03,829 --> 00:58:01,839

at the large level what has just

1570

00:58:07,190 --> 00:58:03,839

happened here

1571

00:58:11,109 --> 00:58:07,200

if it's true it's huge

1572

00:58:13,030 --> 00:58:11,119

one first a number of member of congress

1573

00:58:15,510 --> 00:58:13,040

involved in important committees were

1574

00:58:17,270 --> 00:58:15,520

given briefings on a whole range of our

1575

00:58:20,230 --> 00:58:17,280

most advanced propulsion

1576

00:58:23,910 --> 00:58:20,240

technology research much of which they

1577

00:58:26,710 --> 00:58:23,920

probably didn't have a clue even existed

1578

00:58:27,750 --> 00:58:26,720

secondly having told them this is what

1579

00:58:29,750 --> 00:58:27,760

we're doing

1580

00:58:32,069 --> 00:58:29,760

which by the way includes anti-gravity

1581

00:58:33,589 --> 00:58:32,079

propulsion we have but we have felt and

1582

00:58:37,030 --> 00:58:33,599

seen evidence that they have

1583

00:58:39,589 --> 00:58:37,040

anti-gravity craft okay and so

1584

00:58:41,430 --> 00:58:39,599

if if that is true they just referred to

1585

00:58:42,789 --> 00:58:41,440

it right there

1586

00:58:44,710 --> 00:58:42,799

i don't think they're referring to some

1587

00:58:47,829 --> 00:58:44,720

garage experiments they're working on

1588

00:58:50,069 --> 00:58:47,839

you know off to the side

1589

00:58:51,109 --> 00:58:50,079

at a public storage place no i think

1590

00:58:51,990 --> 00:58:51,119

they're saying that we're really

1591

00:58:53,349 --> 00:58:52,000

studying

1592

00:58:55,349 --> 00:58:53,359

matter and they don't rule out that they

1593

00:58:58,470 --> 00:58:55,359

actually are able to use it

1594

00:58:59,270 --> 00:58:58,480

so that's big all right so they've just

1595

00:59:02,789 --> 00:58:59,280

told them about

1596

00:59:05,910 --> 00:59:02,799

this is what we got and it's pretty good

1597

00:59:07,270 --> 00:59:05,920

and yet this not only is never tested

1598

00:59:10,150 --> 00:59:07,280

off the nellis range

1599

00:59:11,430 --> 00:59:10,160

but it is not represented in the navy uh

1600

00:59:13,829 --> 00:59:11,440

accounts which

1601
00:59:14,549 --> 00:59:13,839
includes obviously a bunch of the lesser

1602
00:59:16,309 --> 00:59:14,559
uh

1603
00:59:18,309 --> 00:59:16,319
significant the less significant

1604
00:59:20,870 --> 00:59:18,319
accounts but also the nimitz event

1605
00:59:22,630 --> 00:59:20,880
the tic tacs they're saying we got all

1606
00:59:25,109 --> 00:59:22,640
this stuff but those tic tacs

1607
00:59:26,950 --> 00:59:25,119
are not that you think that includes

1608
00:59:31,270 --> 00:59:26,960
jeremy's videos

1609
00:59:34,150 --> 00:59:31,280
yes yeah so uh

1610
00:59:34,630 --> 00:59:34,160
when you put it in that context if this

1611
00:59:37,670 --> 00:59:34,640
leak

1612
00:59:41,510 --> 00:59:37,680
is valid then in that in and

1613
00:59:42,390 --> 00:59:41,520

of itself when eventually confirmed by

1614

00:59:44,710 --> 00:59:42,400

the media

1615

00:59:46,230 --> 00:59:44,720

is going to generate some seriously

1616

00:59:48,789 --> 00:59:46,240

intense news articles

1617

00:59:50,230 --> 00:59:48,799

if not a bunch of new york times and

1618

00:59:52,150 --> 00:59:50,240

washington post reporters

1619

00:59:55,030 --> 00:59:52,160

rummaging through every trash can they

1620

00:59:58,950 --> 00:59:55,040

can find at the defense department

1621

01:00:02,710 --> 00:59:58,960

dump yard right so and this this is

1622

01:00:05,829 --> 01:00:02,720

just a quarter third of a page

1623

01:00:09,030 --> 01:00:05,839

from a 75 page report

1624

01:00:12,069 --> 01:00:09,040

wow so are you starting to see

1625

01:00:15,109 --> 01:00:12,079

the strategy here imagine if they had

1626

01:00:17,589 --> 01:00:15,119

put that in the public report

1627

01:00:18,870 --> 01:00:17,599

oh my god but again because it would be

1628

01:00:21,190 --> 01:00:18,880

coming from the pentagon

1629

01:00:22,950 --> 01:00:21,200

and all kinds of people would be looking

1630

01:00:23,910 --> 01:00:22,960

to court martial people and generally

1631

01:00:25,430 --> 01:00:23,920

cause trouble

1632

01:00:26,710 --> 01:00:25,440

but it's coming from a leak from the

1633

01:00:28,069 --> 01:00:26,720

congress they're not damn thing they can

1634

01:00:31,990 --> 01:00:28,079

do about it

1635

01:00:32,870 --> 01:00:32,000

so that's where we are in that regard

1636

01:00:34,630 --> 01:00:32,880

now

1637

01:00:36,870 --> 01:00:34,640

i'm going to tell you one more thing we

1638

01:00:38,870 --> 01:00:36,880

got a hard copy on

1639

01:00:39,910 --> 01:00:38,880

that again should be enough to help

1640

01:00:42,150 --> 01:00:39,920

convince

1641

01:00:44,150 --> 01:00:42,160

people that just can't let go of the

1642

01:00:46,470 --> 01:00:44,160

idea that the disclosure

1643

01:00:48,710 --> 01:00:46,480

process will will happen and and the

1644

01:00:51,670 --> 01:00:48,720

truth embargo has to end they just

1645

01:00:53,430 --> 01:00:51,680

after 68 74 years they can't give up i

1646

01:00:55,030 --> 01:00:53,440

understand

1647

01:00:57,589 --> 01:00:55,040

it's like a person that's been in prison

1648

01:00:59,510 --> 01:00:57,599

for 50 years and he's applied for parole

1649

01:01:00,950 --> 01:00:59,520

eight times and been denied and you're

1650

01:01:02,309 --> 01:01:00,960

trying to convince the guy

1651

01:01:03,990 --> 01:01:02,319

that the next time he's going to get

1652

01:01:04,870 --> 01:01:04,000

paroled i don't blame him for hitting

1653

01:01:07,109 --> 01:01:04,880

you over the head

1654

01:01:08,230 --> 01:01:07,119

with a with one of those big serving

1655

01:01:10,549 --> 01:01:08,240

labels

1656

01:01:12,030 --> 01:01:10,559

yeah yeah i know i get it i get it i get

1657

01:01:15,589 --> 01:01:12,040

it it's called being

1658

01:01:20,549 --> 01:01:15,599

institutionalized so

1659

01:01:23,190 --> 01:01:20,559

let us now move over to the pentagon

1660

01:01:25,190 --> 01:01:23,200

where they have been giving regular

1661

01:01:27,670 --> 01:01:25,200

press conferences

1662

01:01:28,950 --> 01:01:27,680

far more than the white house is giving

1663

01:01:30,710 --> 01:01:28,960

though the white house is giving more

1664

01:01:32,390 --> 01:01:30,720

than we got in the last administration

1665

01:01:33,990 --> 01:01:32,400

but for a number of reasons biden is

1666

01:01:35,910 --> 01:01:34,000

slow walking the press conferences they

1667

01:01:38,309 --> 01:01:35,920

will pick up in time but right now

1668

01:01:39,030 --> 01:01:38,319

he's trying to minimize it why because

1669

01:01:42,150 --> 01:01:39,040

he's got

1670

01:01:43,829 --> 01:01:42,160

huge legislative problems here that have

1671

01:01:45,030 --> 01:01:43,839

to be solved and every time you give a

1672

01:01:46,390 --> 01:01:45,040

press conference you're going to say

1673

01:01:47,750 --> 01:01:46,400

something it's going to piss up somebody

1674

01:01:50,230 --> 01:01:47,760

you're trying to negotiate with

1675

01:01:51,270 --> 01:01:50,240

and so for now he's taking the low-key

1676

01:01:53,670 --> 01:01:51,280

let saki take

1677

01:01:56,069 --> 01:01:53,680

take the action but that's not the case

1678

01:01:58,230 --> 01:01:56,079

over at the department of defense

1679

01:01:59,990 --> 01:01:58,240

where their press secretary john kirby

1680

01:02:03,270 --> 01:02:00,000

is every bit as powerful as uh

1681

01:02:04,390 --> 01:02:03,280

janzaki okay and they're giving a lot of

1682

01:02:05,829 --> 01:02:04,400

press conferences

1683

01:02:08,950 --> 01:02:05,839

and let me tell you something about

1684

01:02:12,150 --> 01:02:08,960

pentagon correspondence

1685

01:02:15,910 --> 01:02:12,160

and i i don't really mean any disrespect

1686

01:02:19,029 --> 01:02:15,920

but in the collective and this is not

1687

01:02:20,230 --> 01:02:19,039

not hard to to accept i think in the

1688

01:02:24,230 --> 01:02:20,240

collective

1689

01:02:27,510 --> 01:02:24,240

pentagon correspondents are much

1690

01:02:30,950 --> 01:02:27,520

smarter and

1691

01:02:33,190 --> 01:02:30,960

how would you say on top

1692

01:02:35,510 --> 01:02:33,200

of their subject than the white house

1693

01:02:38,230 --> 01:02:35,520

correspondents

1694

01:02:39,109 --> 01:02:38,240

by a significant margin you don't get to

1695

01:02:41,270 --> 01:02:39,119

be a

1696

01:02:42,789 --> 01:02:41,280

pentagon press conference a press

1697

01:02:44,390 --> 01:02:42,799

correspondent unless you can talk

1698

01:02:47,190 --> 01:02:44,400

nuclear proliferation

1699

01:02:49,190 --> 01:02:47,200

uh arms control agreements the latest

1700

01:02:50,710 --> 01:02:49,200

developments and nuclear tech

1701

01:02:53,510 --> 01:02:50,720

how many wars are going on at one

1702

01:02:54,549 --> 01:02:53,520

particular time blah blah blah blah

1703

01:02:55,829 --> 01:02:54,559

you've got to be able to know that if

1704

01:02:57,270 --> 01:02:55,839

you don't know that they're not let you

1705

01:03:01,029 --> 01:02:57,280

in the damn run

1706

01:03:03,029 --> 01:03:01,039

and so let us go to a press conference

1707

01:03:06,630 --> 01:03:03,039

it was held

1708

01:03:08,710 --> 01:03:06,640

on june the first

1709

01:03:11,270 --> 01:03:08,720

now this press conference happened to be

1710

01:03:12,710 --> 01:03:11,280

held just two days before the leak to

1711

01:03:13,589 --> 01:03:12,720

the pentagon that won the deliberate

1712

01:03:16,309 --> 01:03:13,599

leak that the

1713

01:03:17,349 --> 01:03:16,319

department of defense undoubtedly uh did

1714

01:03:20,390 --> 01:03:17,359

on its own

1715

01:03:22,470 --> 01:03:20,400

okay you following here i'm here okay

1716

01:03:23,750 --> 01:03:22,480

and so the press conference gets

1717

01:03:27,190 --> 01:03:23,760

underway

1718

01:03:28,950 --> 01:03:27,200

and by the way generally pentagon press

1719

01:03:30,390 --> 01:03:28,960

conferences are a lot more subdued than

1720

01:03:32,150 --> 01:03:30,400

white house press conferences i think

1721

01:03:35,109 --> 01:03:32,160

most people can get that

1722

01:03:35,910 --> 01:03:35,119

making a lot of jokes or having fun and

1723

01:03:37,349 --> 01:03:35,920

now

1724

01:03:39,349 --> 01:03:37,359

it doesn't happen much not that it

1725

01:03:42,069 --> 01:03:39,359

doesn't happen a little bit but

1726

01:03:42,470 --> 01:03:42,079

because these people do know each other

1727

01:03:44,309 --> 01:03:42,480

uh

1728

01:03:45,750 --> 01:03:44,319

but nevertheless this is not the white

1729

01:03:49,270 --> 01:03:45,760

house press conference

1730

01:03:52,870 --> 01:03:49,280

so we're about halfway through this

1731

01:03:54,630 --> 01:03:52,880

puppy and and they do not they do not

1732

01:03:56,230 --> 01:03:54,640

give the names of the correspondent they

1733

01:03:57,990 --> 01:03:56,240

do not give the names of the reporters i

1734

01:03:59,270 --> 01:03:58,000

think this is protocol it's

1735

01:04:01,670 --> 01:03:59,280

if you want to know the names you got to

1736

01:04:05,510 --> 01:04:01,680

go watch the damn thing

1737

01:04:06,789 --> 01:04:05,520

they just do q meaning questioner

1738

01:04:10,829 --> 01:04:06,799

[Music]

1739

01:04:13,990 --> 01:04:10,839

q a quick question on the upcoming uap

1740

01:04:15,510 --> 01:04:14,000

reports uh there's been some reporting

1741

01:04:17,190 --> 01:04:15,520

that this could be coming as soon as

1742

01:04:20,950 --> 01:04:17,200

this week

1743

01:04:23,990 --> 01:04:20,960

meaning the week of of june one

1744

01:04:24,870 --> 01:04:24,000

obviously wrong or maybe even tomorrow i

1745

01:04:26,870 --> 01:04:24,880

remember that

1746

01:04:28,309 --> 01:04:26,880

can we say anything about what timing we

1747

01:04:29,750 --> 01:04:28,319

should actually expect in other words

1748

01:04:31,430 --> 01:04:29,760

when this damn report and he's referring

1749

01:04:33,109 --> 01:04:31,440

to the uap public report not the

1750

01:04:35,430 --> 01:04:33,119

classifier

1751

01:04:36,630 --> 01:04:35,440

and kirby says though what report matt

1752

01:04:38,150 --> 01:04:36,640

now again i think

1753

01:04:40,230 --> 01:04:38,160

the guy was talking fast and he

1754

01:04:41,990 --> 01:04:40,240

mentioned uap and as you know uap

1755

01:04:43,430 --> 01:04:42,000

is the new term that we use and we use

1756

01:04:44,390 --> 01:04:43,440

it for a damn good reason it's my

1757

01:04:46,470 --> 01:04:44,400

channel

1758

01:04:48,069 --> 01:04:46,480

and if he said ufo i think he'd have

1759

01:04:48,950 --> 01:04:48,079

picked up so he said that report what

1760

01:04:51,029 --> 01:04:48,960

report mark

1761

01:04:52,470 --> 01:04:51,039

and and and so matt and he's identified

1762

01:04:55,990 --> 01:04:52,480

man so matt comes back with

1763

01:04:59,510 --> 01:04:56,000

the uap report ufo report

1764

01:05:01,589 --> 01:04:59,520

in which case the press secretary of the

1765

01:05:04,309 --> 01:05:01,599

pentagon says

1766

01:05:05,589 --> 01:05:04,319

uh that is really for the dni to speak

1767

01:05:07,670 --> 01:05:05,599

to matt

1768

01:05:09,349 --> 01:05:07,680

as you know this is a report a

1769

01:05:12,789 --> 01:05:09,359

congressionally mandated report

1770

01:05:15,270 --> 01:05:12,799

the dni is in the lead it will be dni

1771

01:05:17,109 --> 01:05:15,280

who will be making that report obviously

1772

01:05:19,750 --> 01:05:17,119

the dod has a role

1773

01:05:20,470 --> 01:05:19,760

in helping flesh out the information

1774

01:05:23,589 --> 01:05:20,480

that will be

1775

01:05:24,470 --> 01:05:23,599

in that report but as for specific

1776

01:05:27,750 --> 01:05:24,480

timing i

1777

01:05:30,470 --> 01:05:27,760

refer you to the dni

1778

01:05:32,390 --> 01:05:30,480

okay well for sure as hell one thing

1779

01:05:33,750 --> 01:05:32,400

he's trying to emphasize is the report

1780

01:05:36,789 --> 01:05:33,760

is coming through the dni

1781

01:05:38,549 --> 01:05:36,799

not the dod right okay remember i told

1782

01:05:41,270 --> 01:05:38,559

you about the fact that the dod

1783

01:05:41,990 --> 01:05:41,280

dod would rather all jump into a flaming

1784

01:05:44,309 --> 01:05:42,000

cauldron

1785

01:05:45,990 --> 01:05:44,319

of lava than have to be the one to pass

1786

01:05:49,190 --> 01:05:46,000

on juicy

1787

01:05:50,789 --> 01:05:49,200

bean spilling stuff okay and but but

1788

01:05:54,549 --> 01:05:50,799

this is a

1789

01:05:58,789 --> 01:05:54,559

standard fundamental response

1790

01:06:02,470 --> 01:05:58,799

25 years ago you don't get that response

1791

01:06:04,950 --> 01:06:02,480

and so that question goes down okay

1792

01:06:07,109 --> 01:06:04,960

so the press conference continues a

1793

01:06:10,150 --> 01:06:07,119

little bit longer

1794

01:06:13,190 --> 01:06:10,160

and about as we're approaching the end

1795

01:06:20,630 --> 01:06:17,589

a second questioner jumps in okay

1796

01:06:22,230 --> 01:06:20,640

q uh and then one class

1797

01:06:25,109 --> 01:06:22,240

question on the pentagon's contribution

1798

01:06:26,870 --> 01:06:25,119

to the uo ufo report

1799

01:06:29,430 --> 01:06:26,880

i've been speaking with a series of

1800

01:06:31,510 --> 01:06:29,440

experts abroad

1801
01:06:33,029 --> 01:06:31,520
who have expressed some concern about

1802
01:06:33,990 --> 01:06:33,039
similar investigations in other

1803
01:06:35,910 --> 01:06:34,000
countries having

1804
01:06:39,029 --> 01:06:35,920
too much of a military focus and not

1805
01:06:40,390 --> 01:06:39,039
enough input from civilian scientists

1806
01:06:42,710 --> 01:06:40,400
i wonder if that's a concern that the

1807
01:06:45,910 --> 01:06:42,720
pentagon has shared and whether they

1808
01:06:46,150 --> 01:06:45,920
came up at all during this most recent

1809
01:06:56,710 --> 01:06:46,160
in

1810
01:06:58,390 --> 01:06:56,720
you know

1811
01:07:00,309 --> 01:06:58,400
we're actually kind of checking into

1812
01:07:01,990 --> 01:07:00,319
this we're treating it seriously and all

1813
01:07:05,109 --> 01:07:02,000

that

1814

01:07:07,190 --> 01:07:05,119

and okay so this is a tricky one how

1815

01:07:10,789 --> 01:07:07,200

does he handle it

1816

01:07:11,510 --> 01:07:10,799

problem kirby what we're participating

1817

01:07:17,589 --> 01:07:11,520

in

1818

01:07:18,470 --> 01:07:17,599

mandated on and mandated by congress

1819

01:07:21,270 --> 01:07:18,480

we're providing

1820

01:07:22,390 --> 01:07:21,280

context and information that we have on

1821

01:07:25,190 --> 01:07:22,400

these phenomena

1822

01:07:27,270 --> 01:07:25,200

and our focus is on again on supporting

1823

01:07:28,630 --> 01:07:27,280

the dni's effort dni's efforts to

1824

01:07:31,910 --> 01:07:28,640

produce this report

1825

01:07:34,870 --> 01:07:31,920

that that's what our tool is and

1826

01:07:36,710 --> 01:07:34,880

and again that's our that's our lane

1827

01:07:40,470 --> 01:07:36,720

that's our place to be

1828

01:07:43,109 --> 01:07:40,480

in our place to be in is to provide

1829

01:07:44,870 --> 01:07:43,119

the kind of context that we have and the

1830

01:07:46,150 --> 01:07:44,880

information that we have to help the dna

1831

01:07:49,510 --> 01:07:46,160

produce this report

1832

01:07:51,829 --> 01:07:49,520

for context okay

1833

01:07:53,750 --> 01:07:51,839

and then the next question was on the in

1834

01:07:56,870 --> 01:07:53,760

israeli defense minister

1835

01:07:59,109 --> 01:07:56,880

so again he's not dismissing it

1836

01:08:00,789 --> 01:07:59,119

he's handling in a way that that clearly

1837

01:08:03,510 --> 01:08:00,799

plays into the agenda that's

1838

01:08:04,950 --> 01:08:03,520

underway they're staying in their lane

1839

01:08:07,589 --> 01:08:04,960

they're not getting in the business

1840

01:08:09,270 --> 01:08:07,599

of spilling beans they're supporting the

1841

01:08:10,150 --> 01:08:09,280

process that ultimately goes to the

1842

01:08:14,150 --> 01:08:10,160

house

1843

01:08:16,870 --> 01:08:14,160

true and this is by the chief

1844

01:08:17,349 --> 01:08:16,880

uh spokesperson for the pentagon okay so

1845

01:08:20,630 --> 01:08:17,359

that's

1846

01:08:24,709 --> 01:08:20,640

on the first of

1847

01:08:27,910 --> 01:08:24,719

june now on the third of june

1848

01:08:30,070 --> 01:08:27,920

um we know that there was a leak

1849

01:08:31,990 --> 01:08:30,080

to the new york times which outed the

1850

01:08:34,390 --> 01:08:32,000

two key points in the public report we

1851

01:08:37,030 --> 01:08:34,400

talked about that

1852

01:08:38,789 --> 01:08:37,040

the next day all right you're following

1853

01:08:43,430 --> 01:08:38,799

me here the next day

1854

01:08:45,269 --> 01:08:43,440

is june the 4th and there is another

1855

01:08:46,630 --> 01:08:45,279

they're holding them practically for a

1856

01:08:49,669 --> 01:08:46,640

week right

1857

01:08:52,950 --> 01:08:49,679

there's another press conference uh

1858

01:08:54,789 --> 01:08:52,960

and kirby is there and uh

1859

01:08:55,990 --> 01:08:54,799

the new york times has already published

1860

01:09:00,149 --> 01:08:56,000

that

1861

01:09:03,189 --> 01:09:00,159

and obviously they must have

1862

01:09:04,470 --> 01:09:03,199

confirmed lead uh indicating what the

1863

01:09:06,070 --> 01:09:04,480

public report was going to say at least

1864

01:09:06,709 --> 01:09:06,080

to the two thing kings that probably was

1865

01:09:11,110 --> 01:09:06,719

gonna

1866

01:09:14,309 --> 01:09:11,120

say uh and so not surprisingly

1867

01:09:17,749 --> 01:09:16,309

there's more questions now i'm just

1868

01:09:19,110 --> 01:09:17,759

gonna check something here hand one

1869

01:09:20,789 --> 01:09:19,120

moment i just want to check something

1870

01:09:23,269 --> 01:09:20,799

right here yeah

1871

01:09:24,870 --> 01:09:23,279

second i appreciate you coming here and

1872

01:09:28,870 --> 01:09:24,880

laying this all out for me this is

1873

01:09:32,829 --> 01:09:28,880

my job pretty good so is my job

1874

01:09:32,839 --> 01:09:39,110

okay first another ufo question

1875

01:09:43,269 --> 01:09:41,749

john i'll uh question her john i'll

1876

01:09:44,149 --> 01:09:43,279

start you off with a ufo question how

1877

01:09:48,149 --> 01:09:44,159

about that

1878

01:09:50,630 --> 01:09:48,159

go for it says kirby okay has secretary

1879

01:09:53,189 --> 01:09:50,640

austin been briefed on this report

1880

01:09:55,350 --> 01:09:53,199

that's required by congress and

1881

01:09:57,030 --> 01:09:55,360

also just more proudly this broadly does

1882

01:09:58,550 --> 01:09:57,040

secretary austin see this

1883

01:10:00,070 --> 01:09:58,560

what apparently is an increasing number

1884

01:10:02,390 --> 01:10:00,080

of reported incidents as a

1885

01:10:04,390 --> 01:10:02,400

safety report for the military in terms

1886

01:10:07,510 --> 01:10:04,400

of pilot training and so forth

1887

01:10:09,510 --> 01:10:07,520

as well as a national security threat

1888

01:10:10,950 --> 01:10:09,520

yeah this is the pentagon national

1889

01:10:12,630 --> 01:10:10,960

security is key

1890

01:10:14,310 --> 01:10:12,640

it's not only the pentagon's job but it

1891

01:10:14,950 --> 01:10:14,320

is of course the platform in which these

1892

01:10:18,790 --> 01:10:14,960

hearings

1893

01:10:20,870 --> 01:10:18,800

have to be developed kirby's response he

1894

01:10:22,470 --> 01:10:20,880

has received a briefing so he confirms

1895

01:10:24,310 --> 01:10:22,480

austin's been briefed on the ongoing

1896

01:10:25,990 --> 01:10:24,320

work

1897

01:10:29,110 --> 01:10:26,000

that the task force has thus far

1898

01:10:31,110 --> 01:10:29,120

conducted this is the fourth of june

1899

01:10:32,630 --> 01:10:31,120

the report as you know is being crafted

1900

01:10:34,950 --> 01:10:32,640

and will be delivered by the director of

1901

01:10:37,189 --> 01:10:34,960

national intelligence

1902

01:10:38,790 --> 01:10:37,199

meaning the public report uh which we

1903

01:10:40,709 --> 01:10:38,800

got in the 29th

1904

01:10:42,310 --> 01:10:40,719

21 days later but he has received a

1905

01:10:45,830 --> 01:10:42,320

briefing on the work

1906

01:10:47,750 --> 01:10:45,840

thus far and as we've said before we

1907

01:10:49,669 --> 01:10:47,760

take all incursions into our operating

1908

01:10:51,270 --> 01:10:49,679

space seriously so i mean

1909

01:10:52,870 --> 01:10:51,280

like everybody else here at the defense

1910

01:10:54,390 --> 01:10:52,880

department certainly we are taking the

1911

01:10:58,390 --> 01:10:54,400

entire matter seriously

1912

01:11:00,390 --> 01:10:58,400

regarding the potential safety concerns

1913

01:11:01,430 --> 01:11:00,400

what are they taking seriously safety

1914

01:11:03,270 --> 01:11:01,440

concerns no

1915

01:11:05,270 --> 01:11:03,280

that we know they take safety concerns

1916

01:11:06,550 --> 01:11:05,280

seriously they're taking the safety

1917

01:11:09,510 --> 01:11:06,560

concerns raised

1918

01:11:11,110 --> 01:11:09,520

by uaps which means they're taking uap

1919

01:11:13,990 --> 01:11:11,120

seriously

1920

01:11:14,630 --> 01:11:14,000

that's kind of important and then the

1921

01:11:16,310 --> 01:11:14,640

questionnaire

1922

01:11:18,390 --> 01:11:16,320

follows up in other words regardless of

1923

01:11:22,070 --> 01:11:18,400

what the explanation may be or

1924

01:11:23,430 --> 01:11:22,080

if there is none of what they there

1925

01:11:25,110 --> 01:11:23,440

there are incidents in which the pilots

1926

01:11:26,470 --> 01:11:25,120

are seeing things that are close enough

1927

01:11:27,750 --> 01:11:26,480

that could be a safety well it's a

1928

01:11:30,870 --> 01:11:27,760

safety problem

1929

01:11:31,510 --> 01:11:30,880

kirby it could possibly involve safety

1930

01:11:34,709 --> 01:11:31,520

and or

1931

01:11:36,310 --> 01:11:34,719

national security concerns absolutely i

1932

01:11:39,510 --> 01:11:36,320

mean i don't know how

1933

01:11:43,270 --> 01:11:39,520

much more he can can put it

1934

01:11:44,950 --> 01:11:43,280

the next question was on north korea

1935

01:11:46,709 --> 01:11:44,960

okay and now i'm going to finish up with

1936

01:11:48,470 --> 01:11:46,719

the psd resistance

1937

01:11:50,310 --> 01:11:48,480

okay you ready for the pace to resist

1938

01:11:52,790 --> 01:11:50,320

all i was born rudy

1939

01:11:54,229 --> 01:11:52,800

okay you're gonna love this your

1940

01:11:57,110 --> 01:11:54,239

audience is going to love this

1941

01:11:58,550 --> 01:11:57,120

yeah this is 2021 this is in 1969 it

1942

01:12:02,630 --> 01:11:58,560

says in 1990.

1943

01:12:07,270 --> 01:12:02,640

this isn't 2 000. this is 2021.

1944

01:12:11,189 --> 01:12:09,030

uh question little a little uh

1945

01:12:12,550 --> 01:12:11,199

camaraderie here hey john happy birthday

1946

01:12:14,550 --> 01:12:12,560

apparently june the fourth was john

1947

01:12:16,229 --> 01:12:14,560

kirby's birthday

1948

01:12:18,470 --> 01:12:16,239

and i love the way that the questioner

1949

01:12:21,350 --> 01:12:18,480

went about this

1950

01:12:22,070 --> 01:12:21,360

and notice he's he's he's doing what is

1951

01:12:25,270 --> 01:12:22,080

called the

1952

01:12:26,870 --> 01:12:25,280

protective soft intro but it's a solid

1953

01:12:29,990 --> 01:12:26,880

protective soft incredible

1954

01:12:30,709 --> 01:12:30,000

it is not demeaning there's no way that

1955

01:12:34,390 --> 01:12:30,719

i can like

1956

01:12:35,189 --> 01:12:34,400

sugar coat this i was talking to a

1957

01:12:39,510 --> 01:12:35,199

gentleman

1958

01:12:40,470 --> 01:12:39,520

about the uap report and he contends the

1959

01:12:44,630 --> 01:12:40,480

bodies has

1960

01:12:46,630 --> 01:12:44,640

the pentagon has alien bodies and crabs

1961

01:12:47,750 --> 01:12:46,640

so i just wanted to run this past you

1962

01:12:51,030 --> 01:12:47,760

does dod

1963

01:12:55,189 --> 01:12:51,040

have these things and if so

1964

01:12:56,870 --> 01:12:55,199

where okay now let us all think back on

1965

01:13:00,310 --> 01:12:56,880

all of the instances

1966

01:13:01,430 --> 01:13:00,320

where either a high a high a white house

1967

01:13:07,270 --> 01:13:01,440

reporter

1968

01:13:07,990 --> 01:13:07,280

asked the press secretaries whether the

1969

01:13:09,669 --> 01:13:08,000

dod

1970

01:13:12,229 --> 01:13:09,679

had bodies and crafts can you remember

1971

01:13:15,189 --> 01:13:12,239

an instance where that happened

1972

01:13:15,910 --> 01:13:15,199

no no that's because it never happened

1973

01:13:18,070 --> 01:13:15,920

okay

1974

01:13:20,470 --> 01:13:18,080

so naturally this would normally send

1975

01:13:22,550 --> 01:13:20,480

the press secretary into a state of

1976

01:13:24,630 --> 01:13:22,560

cognizant dissonance possibly leading to

1977

01:13:27,910 --> 01:13:24,640

a brain freeze

1978

01:13:29,270 --> 01:13:27,920

here is his response to the bodies and

1979

01:13:32,070 --> 01:13:29,280

graphs

1980

01:13:34,550 --> 01:13:32,080

the ua this may sound familiar the uap

1981

01:13:34,950 --> 01:13:34,560

task force is really designed to take a

1982

01:13:37,669 --> 01:13:34,960

look

1983

01:13:39,189 --> 01:13:37,679

at these unexplained aerial phenomena to

1984

01:13:41,990 --> 01:13:39,199

try to help us get better

1985

01:13:43,910 --> 01:13:42,000

understanding of them again i'm not

1986

01:13:47,030 --> 01:13:43,920

going to get ahead of the report

1987

01:13:47,590 --> 01:13:47,040

that the dni will submit that we are

1988

01:13:50,790 --> 01:13:47,600

helping

1989

01:13:52,790 --> 01:13:50,800

obviously and providing input to and

1990

01:13:55,110 --> 01:13:52,800

i'll just leave it at that

1991

01:13:57,189 --> 01:13:55,120

real estate yeah jeff the answer to that

1992

01:13:58,070 --> 01:13:57,199

question yeah the next question was on

1993

01:14:04,470 --> 01:13:58,080

nuclear

1994

01:14:06,470 --> 01:14:04,480

let's analyze did john kirby deny that

1995

01:14:10,149 --> 01:14:06,480

the dod had bodies and grabs

1996

01:14:12,550 --> 01:14:10,159

no no did john stick with the fact that

1997

01:14:13,750 --> 01:14:12,560

they do not want to get they are not

1998

01:14:16,229 --> 01:14:13,760

going to be getting to

1999

01:14:18,149 --> 01:14:16,239

into the information revealing process

2000

01:14:18,790 --> 01:14:18,159

they are supporting the process that

2001

01:14:20,790 --> 01:14:18,800

does put

2002

01:14:22,709 --> 01:14:20,800

produce a report it doesn't come from

2003

01:14:25,270 --> 01:14:22,719

the dod it comes from the o and i

2004

01:14:25,830 --> 01:14:25,280

and it goes to congress that's what he's

2005

01:14:30,630 --> 01:14:25,840

doing

2006

01:14:33,830 --> 01:14:30,640

and it absolutely confirms

2007

01:14:35,430 --> 01:14:33,840

that the dod has in fact concluded as i

2008

01:14:38,070 --> 01:14:35,440

have stated many times

2009

01:14:39,270 --> 01:14:38,080

that the truth embargo is about to end

2010

01:14:41,110 --> 01:14:39,280

and that playing ball

2011

01:14:43,510 --> 01:14:41,120

being supportive being part of the

2012

01:14:44,470 --> 01:14:43,520

process is the absolute strategy they

2013

01:14:47,270 --> 01:14:44,480

must follow

2014

01:14:48,310 --> 01:14:47,280

in order to uh uh get the most favorable

2015

01:14:51,350 --> 01:14:48,320

response

2016

01:14:53,270 --> 01:14:51,360

from the american people as

2017

01:14:54,709 --> 01:14:53,280

this finally ends up with disclosure

2018

01:14:57,910 --> 01:14:54,719

from the president

2019

01:15:01,590 --> 01:14:57,920

yeah and so that's what took place

2020

01:15:04,390 --> 01:15:01,600

june 1 and june 4.

2021

01:15:05,510 --> 01:15:04,400

and so i don't know how much more people

2022

01:15:07,510 --> 01:15:05,520

need

2023

01:15:08,630 --> 01:15:07,520

i knew that most people do not know what

2024

01:15:10,149 --> 01:15:08,640

i've just told you

2025

01:15:11,990 --> 01:15:10,159

well i don't think they're able to

2026

01:15:16,229 --> 01:15:12,000

analyze it as deep

2027

01:15:19,590 --> 01:15:16,239

as you are yeah very true very true

2028

01:15:23,430 --> 01:15:19,600

so uh there you go um

2029

01:15:27,189 --> 01:15:25,669

uh the time frame has been pushed back

2030

01:15:28,390 --> 01:15:27,199

some because of the pandemic and other

2031

01:15:30,070 --> 01:15:28,400

political development so i'm not

2032

01:15:33,669 --> 01:15:30,080

apologizing for saying earlier

2033

01:15:35,910 --> 01:15:33,679

july was certainly a possibility uh

2034

01:15:38,149 --> 01:15:35,920

or even sooner but i i think the most i

2035

01:15:41,189 --> 01:15:38,159

said late may early july

2036

01:15:44,790 --> 01:15:43,350

the house of senate committee members

2037

01:15:48,390 --> 01:15:44,800

about 80 90

2038

01:15:51,990 --> 01:15:48,400

have had the report for now

2039

01:15:56,630 --> 01:15:52,000

uh uh

2040

01:15:59,270 --> 01:15:56,640

uh 20 days yeah that's a long time

2041

01:16:00,709 --> 01:15:59,280

by by coincidence the senate went into

2042

01:16:04,709 --> 01:16:00,719

recess the day after the

2043

01:16:06,950 --> 01:16:04,719

public report was delivered uh

2044

01:16:08,550 --> 01:16:06,960

which is fine so that and they don't

2045

01:16:09,830 --> 01:16:08,560

come back until the 12th of july so they

2046

01:16:12,149 --> 01:16:09,840

get another 12 days

2047

01:16:13,189 --> 01:16:12,159

so the senate members have had will have

2048

01:16:17,189 --> 01:16:13,199

had as of the 12

2049

01:16:20,390 --> 01:16:17,199

32 days to

2050

01:16:21,030 --> 01:16:20,400

read a 73 page report and consider all

2051

01:16:22,470 --> 01:16:21,040

of the

2052

01:16:25,030 --> 01:16:22,480

the briefing they got which apparently

2053

01:16:27,270 --> 01:16:25,040

included some

2054

01:16:28,229 --> 01:16:27,280

significant amount of video footage can

2055

01:16:31,510 --> 01:16:28,239

you

2056

01:16:32,950 --> 01:16:31,520

ascertain a confirmation on that was it

2057

01:16:35,990 --> 01:16:32,960

it was reported

2058

01:16:38,070 --> 01:16:36,000

yeah i i just haven't heard anyone

2059

01:16:40,950 --> 01:16:38,080

have they talked about it 45 minutes of

2060

01:16:43,270 --> 01:16:40,960

sci-fi movies is what i've heard

2061

01:16:45,110 --> 01:16:43,280

like no they said that they got they got

2062

01:16:46,870 --> 01:16:45,120

they got some movies and it would seem

2063

01:16:48,310 --> 01:16:46,880

like watching a sci-fi movie well if

2064

01:16:49,030 --> 01:16:48,320

you're watching advanced propulsion

2065

01:16:51,270 --> 01:16:49,040

systems

2066

01:16:53,270 --> 01:16:51,280

yeah yeah and that that was not a

2067

01:16:56,070 --> 01:16:53,280

demeaning remark that was like

2068

01:16:57,750 --> 01:16:56,080

yeah this was impressive video yeah okay

2069

01:16:59,590 --> 01:16:57,760

okay so

2070

01:17:01,030 --> 01:16:59,600

that is more than enough time for them

2071

01:17:03,189 --> 01:17:01,040

to decide should we have hearings and

2072

01:17:06,630 --> 01:17:03,199

not have hearings

2073

01:17:07,910 --> 01:17:06,640

now the house people remained in session

2074

01:17:11,110 --> 01:17:07,920

for a while

2075

01:17:13,830 --> 01:17:11,120

and they come back after the

2076

01:17:16,149 --> 01:17:13,840

senate committing later in july the

2077

01:17:17,350 --> 01:17:16,159

senate uh people it comes back language

2078

01:17:18,310 --> 01:17:17,360

but but let's face it the initial

2079

01:17:19,910 --> 01:17:18,320

hearings were not going to be in the

2080

01:17:21,669 --> 01:17:19,920

house they were going to be

2081

01:17:23,189 --> 01:17:21,679

in the senate senate intel was going to

2082

01:17:24,149 --> 01:17:23,199

get the lead even though i'm sure andrew

2083

01:17:25,669 --> 01:17:24,159

carson would love to have his

2084

01:17:26,950 --> 01:17:25,679

subcommittee go first it's not going to

2085

01:17:30,790 --> 01:17:26,960

work that way

2086

01:17:32,070 --> 01:17:30,800

uh so uh uh what what could and should

2087

01:17:36,630 --> 01:17:32,080

happen next is that

2088

01:17:40,790 --> 01:17:36,640

shortly after returning to session

2089

01:17:44,149 --> 01:17:40,800

on july 12 rubio and warner

2090

01:17:46,470 --> 01:17:44,159

or one of them one of the other both

2091

01:17:47,430 --> 01:17:46,480

should first indicate they intend to

2092

01:17:50,149 --> 01:17:47,440

hold hearings and then

2093

01:17:51,350 --> 01:17:50,159

probably pin a date on it if they're

2094

01:17:52,630 --> 01:17:51,360

smart

2095

01:17:54,149 --> 01:17:52,640

now they could say they're going to have

2096

01:17:55,270 --> 01:17:54,159

holden hearings but they don't know when

2097

01:17:55,990 --> 01:17:55,280

it could be in the winter it could be

2098

01:17:58,630 --> 01:17:56,000

next year

2099

01:18:00,630 --> 01:17:58,640

that would be a grave political mistake

2100

01:18:01,830 --> 01:18:00,640

yeah i cannot imagine they're stupid

2101

01:18:03,750 --> 01:18:01,840

enough to do that

2102

01:18:05,430 --> 01:18:03,760

by the time they get back then there

2103

01:18:06,709 --> 01:18:05,440

will be another 100 articles in the

2104

01:18:08,390 --> 01:18:06,719

mainstream press

2105

01:18:09,750 --> 01:18:08,400

more public awareness more public

2106

01:18:11,350 --> 01:18:09,760

interest and if they try to stall these

2107

01:18:13,350 --> 01:18:11,360

hearings out for months the public is

2108

01:18:16,709 --> 01:18:13,360

going to how would you say

2109

01:18:17,189 --> 01:18:16,719

be displeased and that translates into

2110

01:18:19,910 --> 01:18:17,199

lost

2111

01:18:21,270 --> 01:18:19,920

votes and so i do not think they're

2112

01:18:22,709 --> 01:18:21,280

going to do that they're going to call

2113

01:18:24,830 --> 01:18:22,719

themselves

2114

01:18:27,590 --> 01:18:24,840

now the hearings then could start in

2115

01:18:31,270 --> 01:18:27,600

july and already be underway

2116

01:18:32,550 --> 01:18:31,280

in the senate when the house returns

2117

01:18:34,870 --> 01:18:32,560

the senate will stay in session all the

2118

01:18:36,870 --> 01:18:34,880

way to august 7. and so then the house

2119

01:18:38,310 --> 01:18:36,880

returns and they can

2120

01:18:40,550 --> 01:18:38,320

get their act together and make their

2121

01:18:42,310 --> 01:18:40,560

plans and they can announce okay

2122

01:18:43,590 --> 01:18:42,320

you've seen these senate hearings you've

2123

01:18:44,470 --> 01:18:43,600

seen that testimony we're going to hold

2124

01:18:47,030 --> 01:18:44,480

some hearings

2125

01:18:48,229 --> 01:18:47,040

too which means the hearings could last

2126
01:18:49,990 --> 01:18:48,239
for weeks

2127
01:18:52,310 --> 01:18:50,000
a couple of weeks of july week or so

2128
01:18:53,990 --> 01:18:52,320
into august the number of military

2129
01:18:57,270 --> 01:18:54,000
witnesses could easily rise

2130
01:18:59,030 --> 01:18:57,280
into the range of 60 to 80 though

2131
01:19:00,390 --> 01:18:59,040
30 or 40 would be more than enough

2132
01:19:03,750 --> 01:19:00,400
that's powerful

2133
01:19:05,270 --> 01:19:03,760
and so you know what happens when

2134
01:19:07,189 --> 01:19:05,280
hundreds of millions of people around

2135
01:19:10,950 --> 01:19:07,199
the world watch 40 50

2136
01:19:14,550 --> 01:19:10,960
60 military people it's over

2137
01:19:18,390 --> 01:19:17,030
but what had hap what happens is is this

2138
01:19:21,189 --> 01:19:18,400

and this is where this has all been

2139

01:19:26,470 --> 01:19:24,870

and that is that these hearings

2140

01:19:28,149 --> 01:19:26,480

which will be watched by hundreds of

2141

01:19:30,229 --> 01:19:28,159

millions of people

2142

01:19:31,669 --> 01:19:30,239

plus everybody on the hill you think

2143

01:19:34,470 --> 01:19:31,679

everybody in the hill is going to be

2144

01:19:35,830 --> 01:19:34,480

you know i i yeah yeah i i'll i'll i'll

2145

01:19:36,550 --> 01:19:35,840

i'll watch them when they stream on

2146

01:19:38,870 --> 01:19:36,560

netflix

2147

01:19:40,310 --> 01:19:38,880

i don't think so they're going

2148

01:19:42,149 --> 01:19:40,320

everybody's watching these hearings

2149

01:19:43,910 --> 01:19:42,159

everybody's listening this testimony i

2150

01:19:46,070 --> 01:19:43,920

know what a lot of testimony is the

2151

01:19:48,229 --> 01:19:46,080

biggest event in tv history

2152

01:19:50,550 --> 01:19:48,239

it will be and and this testimony which

2153

01:19:53,270 --> 01:19:50,560

has been out there for a while

2154

01:19:55,110 --> 01:19:53,280

is potent but it's never been in front

2155

01:19:57,910 --> 01:19:55,120

of congress under oath it's been

2156

01:19:59,750 --> 01:19:57,920

under a fictional oath at my citizen

2157

01:20:03,510 --> 01:19:59,760

hearing on disclosure which was

2158

01:20:05,590 --> 01:20:03,520

done to help bring about this but

2159

01:20:07,830 --> 01:20:05,600

with 200 million people watching under

2160

01:20:11,270 --> 01:20:07,840

oath in front of members of congress

2161

01:20:14,629 --> 01:20:11,280

it will be absolutely

2162

01:20:16,870 --> 01:20:14,639

devastating to the truth embargo and

2163

01:20:18,470 --> 01:20:16,880

what will then go down what's supposed

2164

01:20:22,550 --> 01:20:18,480

to go down

2165

01:20:25,750 --> 01:20:22,560

what i hope will go down is this

2166

01:20:28,229 --> 01:20:25,760

they have handed the president the means

2167

01:20:31,510 --> 01:20:28,239

to extricate the country out from this

2168

01:20:31,990 --> 01:20:31,520

truth embargo with minimal to zero

2169

01:20:33,750 --> 01:20:32,000

damage

2170

01:20:35,590 --> 01:20:33,760

to the president and his party and

2171

01:20:38,310 --> 01:20:35,600

really not much damage to anybody

2172

01:20:39,990 --> 01:20:38,320

though there will be eventually issues

2173

01:20:41,270 --> 01:20:40,000

that will come up but that will be after

2174

01:20:46,470 --> 01:20:41,280

disclosure

2175

01:20:49,030 --> 01:20:46,480

in other words the president

2176
01:20:51,030 --> 01:20:49,040
and it can go out for the first time and

2177
01:20:54,070 --> 01:20:51,040
say this

2178
01:20:56,709 --> 01:20:54,080
my fellow americans

2179
01:20:58,629 --> 01:20:56,719
like you for these past two three weeks

2180
01:20:59,590 --> 01:20:58,639
i have been watching the extraordinary

2181
01:21:02,149 --> 01:20:59,600
testimony

2182
01:21:04,310 --> 01:21:02,159
of members of our military services to

2183
01:21:07,590 --> 01:21:04,320
extraordinary events

2184
01:21:09,590 --> 01:21:07,600
i've also seen evidence gun camera

2185
01:21:13,590 --> 01:21:09,600
footage clips and other things whatever

2186
01:21:16,870 --> 01:21:13,600
has been included in this thing and

2187
01:21:18,709 --> 01:21:16,880
i have consulted with the top people at

2188
01:21:20,390 --> 01:21:18,719

the pentagon my people there

2189

01:21:23,270 --> 01:21:20,400

about this testimony and i've consulted

2190

01:21:26,790 --> 01:21:23,280

with the congressional leaders about it

2191

01:21:29,830 --> 01:21:26,800

and we have come to the consensus

2192

01:21:30,790 --> 01:21:29,840

that this testimony clearly confirms

2193

01:21:33,350 --> 01:21:30,800

what many of you

2194

01:21:35,830 --> 01:21:33,360

probably have already arrived at and

2195

01:21:38,709 --> 01:21:35,840

that is

2196

01:21:39,750 --> 01:21:38,719

much of this phenomena what we're seeing

2197

01:21:41,510 --> 01:21:39,760

not everything

2198

01:21:42,870 --> 01:21:41,520

but a good deal of the phenomena that

2199

01:21:44,830 --> 01:21:42,880

had been recorded and the events

2200

01:21:47,750 --> 01:21:44,840

testified to refer to

2201

01:21:51,149 --> 01:21:47,760

non-human extraterrestrial

2202

01:21:54,550 --> 01:21:51,159

origin events using

2203

01:21:55,430 --> 01:21:54,560

extraterrestrial built vehicles piloted

2204

01:21:58,470 --> 01:21:55,440

or controlled

2205

01:22:01,669 --> 01:21:58,480

by non-humans in other words

2206

01:22:04,790 --> 01:22:01,679

that's disclosure and

2207

01:22:07,910 --> 01:22:04,800

remember what he said like you

2208

01:22:09,830 --> 01:22:07,920

i have watched this testimony

2209

01:22:11,830 --> 01:22:09,840

so what is going down here is the

2210

01:22:13,750 --> 01:22:11,840

president is basically able to say

2211

01:22:14,629 --> 01:22:13,760

whatever i thought about it prior to

2212

01:22:19,030 --> 01:22:14,639

this

2213

01:22:21,590 --> 01:22:19,040

i am now convinced in a transparent way

2214

01:22:22,629 --> 01:22:21,600

along with you who is going to criticize

2215

01:22:24,070 --> 01:22:22,639

the president on this

2216

01:22:26,070 --> 01:22:24,080

who is going to come to him and say how

2217

01:22:27,270 --> 01:22:26,080

dare you or why didn't you tell us

2218

01:22:29,270 --> 01:22:27,280

sooner

2219

01:22:31,030 --> 01:22:29,280

most of the public relations problems of

2220

01:22:33,189 --> 01:22:31,040

the white house have been eliminated now

2221

01:22:35,110 --> 01:22:33,199

as we get into the granular parts

2222

01:22:36,550 --> 01:22:35,120

later on weeks and months later in the

2223

01:22:38,550 --> 01:22:36,560

post-disclosure world where there'll be

2224

01:22:40,229 --> 01:22:38,560

even more hearings

2225

01:22:43,470 --> 01:22:40,239

things may come out which may go you

2226

01:22:45,590 --> 01:22:43,480

know i think maybe there was some uh

2227

01:22:46,950 --> 01:22:45,600

misrepresentations remember and and

2228

01:22:48,790 --> 01:22:46,960

that's inevitable

2229

01:22:52,070 --> 01:22:48,800

because and this is this is the one of

2230

01:22:52,709 --> 01:22:52,080

the greatest ironies in human history is

2231

01:22:55,669 --> 01:22:52,719

that and i

2232

01:22:56,950 --> 01:22:55,679

and i am not i'm not criticizing here

2233

01:23:00,709 --> 01:22:56,960

the only way

2234

01:23:05,030 --> 01:23:00,719

to get in the 74-year

2235

01:23:08,629 --> 01:23:05,040

lie behind the truth embargo was to lie

2236

01:23:10,310 --> 01:23:08,639

their way out of the lie

2237

01:23:11,910 --> 01:23:10,320

they couldn't tell the truth they

2238

01:23:15,510 --> 01:23:11,920

couldn't tell the whole truth

2239

01:23:19,110 --> 01:23:15,520

they had to fib and manipulate the truth

2240

01:23:20,149 --> 01:23:19,120

but to a higher purpose to get out from

2241

01:23:22,470 --> 01:23:20,159

under the big lie

2242

01:23:24,629 --> 01:23:22,480

once the big lie was was it was closed

2243

01:23:26,229 --> 01:23:24,639

out and confirmation of the et presence

2244

01:23:29,270 --> 01:23:26,239

was there

2245

01:23:31,510 --> 01:23:29,280

addressing all of the

2246

01:23:32,629 --> 01:23:31,520

other misrepresentations lies and or

2247

01:23:36,629 --> 01:23:32,639

problems

2248

01:23:39,669 --> 01:23:36,639

in the post-disclosure world will be far

2249

01:23:42,310 --> 01:23:39,679

easier uh than in the pre-disclosure

2250

01:23:44,629 --> 01:23:42,320

world where frankly it was impossible

2251

01:23:46,390 --> 01:23:44,639

and so there will be awkward moments in

2252

01:23:50,310 --> 01:23:46,400

the post-disclosure world but i

2253

01:23:52,629 --> 01:23:50,320

i think it will be it can be worked with

2254

01:23:53,350 --> 01:23:52,639

people just get there we'll deal with it

2255

01:23:57,430 --> 01:23:53,360

yeah yeah

2256

01:23:59,750 --> 01:23:57,440

it's like let me tell you

2257

01:24:01,590 --> 01:23:59,760

if you've i'm trying to think of a

2258

01:24:05,270 --> 01:24:01,600

metaphor analogy but

2259

01:24:07,350 --> 01:24:05,280

i think that if

2260

01:24:08,629 --> 01:24:07,360

if the kids are pissed off about the

2261

01:24:10,390 --> 01:24:08,639

fact that they had to go on this

2262

01:24:12,470 --> 01:24:10,400

particular vacation or

2263

01:24:14,870 --> 01:24:12,480

it's taking so long and it's boring in

2264

01:24:16,709 --> 01:24:14,880

the car and everything else

2265

01:24:19,510 --> 01:24:16,719

it's a lot easier to deal with that

2266

01:24:21,189 --> 01:24:19,520

after you arrive at your destination

2267

01:24:23,750 --> 01:24:21,199

than fighting it out in the car the

2268

01:24:28,629 --> 01:24:23,760

whole 850 miles

2269

01:24:31,350 --> 01:24:28,639

so uh again disclosure

2270

01:24:33,270 --> 01:24:31,360

is absolutely necessary to move forward

2271

01:24:35,030 --> 01:24:33,280

and a lot of misrepresentations cannot

2272

01:24:36,629 --> 01:24:35,040

be avoided in getting there

2273

01:24:38,950 --> 01:24:36,639

uh there are plenty people that

2274

01:24:41,590 --> 01:24:38,960

understand these misrepresentations

2275

01:24:43,910 --> 01:24:41,600

uh none of some of them are trying to

2276

01:24:45,110 --> 01:24:43,920

make a big deal out of it i am not

2277

01:24:48,629 --> 01:24:45,120

however

2278

01:24:50,870 --> 01:24:48,639

obviously i'm stating it aren't i

2279

01:24:53,669 --> 01:24:50,880

and you may say well steve if they have

2280

01:24:55,669 --> 01:24:53,679

to lie to get out of the lie

2281

01:24:58,070 --> 01:24:55,679

and you're fine with that why are you

2282

01:25:02,390 --> 01:24:58,080

telling us about that

2283

01:25:05,669 --> 01:25:02,400

well here's the reason i'm not

2284

01:25:07,750 --> 01:25:05,679

a former intel working for the dod

2285

01:25:09,430 --> 01:25:07,760

i'm not a former cia agent i'm not a

2286

01:25:12,070 --> 01:25:09,440

former member of congress

2287

01:25:13,270 --> 01:25:12,080

i'm a political activist completely

2288

01:25:16,310 --> 01:25:13,280

independent

2289

01:25:19,590 --> 01:25:16,320

i can say any damn thing i want

2290

01:25:20,950 --> 01:25:19,600

and so by by and this is my 97th

2291

01:25:25,510 --> 01:25:20,960

interview by the way

2292

01:25:28,149 --> 01:25:25,520

this year by by explaining to people

2293

01:25:29,350 --> 01:25:28,159

that yes they're lying to get out of the

2294

01:25:33,350 --> 01:25:29,360

lie

2295

01:25:35,189 --> 01:25:33,360

i'm not undermining their strategy

2296

01:25:37,110 --> 01:25:35,199

and the reason is is that there are

2297

01:25:39,110 --> 01:25:37,120

quite a few people out there

2298

01:25:40,790 --> 01:25:39,120

that know damn well they're lying to get

2299

01:25:43,350 --> 01:25:40,800

out of the way and it's making them very

2300

01:25:44,390 --> 01:25:43,360

angry and i'm giving them a reason to

2301

01:25:47,590 --> 01:25:44,400

chill

2302

01:25:49,510 --> 01:25:47,600

yeah i'm trying to mitigate

2303

01:25:51,830 --> 01:25:49,520

the downside of this strategy because

2304

01:25:54,070 --> 01:25:51,840

it's not a perfect strategy obviously

2305

01:25:56,229 --> 01:25:54,080

and i'm trying to mitigate would you

2306

01:25:58,310 --> 01:25:56,239

know it's a complex topic and to have an

2307

01:26:00,390 --> 01:25:58,320

easy simple black and white solution is

2308

01:26:02,229 --> 01:26:00,400

just uh not realistic

2309

01:26:04,149 --> 01:26:02,239

yeah there was a time when it could have

2310

01:26:07,590 --> 01:26:04,159

been done in a clean fashion but

2311

01:26:10,629 --> 01:26:07,600

right that that ship sailed so uh but

2312

01:26:11,030 --> 01:26:10,639

it's proceeding it's taking too long but

2313

01:26:12,950 --> 01:26:11,040

we

2314

01:26:14,709 --> 01:26:12,960

i understand why it could have been over

2315

01:26:15,270 --> 01:26:14,719

this could have been over by june july

2316

01:26:17,750 --> 01:26:15,280

of uh

2317

01:26:19,750 --> 01:26:17,760

2017 and was supposed to be i assure you

2318

01:26:21,030 --> 01:26:19,760

they had no plans to be able to do this

2319

01:26:22,470 --> 01:26:21,040

for four years

2320

01:26:24,950 --> 01:26:22,480

just trust me how different everything

2321

01:26:26,310 --> 01:26:24,960

would be right now oh god we'd have it

2322

01:26:27,910 --> 01:26:26,320

we'd be in a whole different place but

2323

01:26:29,910 --> 01:26:27,920

uh but that's the same thing about

2324

01:26:30,870 --> 01:26:29,920

roswell if it come out in 47 we even a

2325

01:26:32,390 --> 01:26:30,880

whole different place

2326

01:26:35,510 --> 01:26:32,400

that you you can't think about that too

2327

01:26:37,189 --> 01:26:35,520

much or you'll go really nuts

2328

01:26:39,270 --> 01:26:37,199

but we aren't we are everything is

2329

01:26:40,149 --> 01:26:39,280

moving forward i think appropriately so

2330

01:26:42,629 --> 01:26:40,159

far

2331

01:26:44,709 --> 01:26:42,639

uh i'm i'm i'm checking and watching

2332

01:26:45,910 --> 01:26:44,719

what happens over the ig with elizondo

2333

01:26:48,870 --> 01:26:45,920

and sheehan but

2334

01:26:50,070 --> 01:26:48,880

that's right that made that that i don't

2335

01:26:51,110 --> 01:26:50,080

think it's really a problem but it

2336

01:26:54,310 --> 01:26:51,120

actually may be

2337

01:26:55,430 --> 01:26:54,320

a positive because right it's putting

2338

01:26:57,350 --> 01:26:55,440

some pressure on them

2339

01:26:59,750 --> 01:26:57,360

you know just to let them know that you

2340

01:27:02,070 --> 01:26:59,760

know look it can get a lot worse

2341

01:27:04,149 --> 01:27:02,080

than this so you got a good strategy

2342

01:27:05,510 --> 01:27:04,159

stick with it let's get the job done

2343

01:27:07,350 --> 01:27:05,520

your life will be better our life will

2344

01:27:10,709 --> 01:27:07,360

be better yeah

2345

01:27:13,430 --> 01:27:10,719

i mean he's he's done so much

2346

01:27:15,750 --> 01:27:13,440

um to get us here to begin with uh you

2347

01:27:17,910 --> 01:27:15,760

know going back to what you said about

2348

01:27:19,910 --> 01:27:17,920

when have we ever been at this point in

2349

01:27:20,629 --> 01:27:19,920

history and although i haven't lived

2350

01:27:23,750 --> 01:27:20,639

then

2351

01:27:27,350 --> 01:27:23,760

i've done so much

2352

01:27:30,470 --> 01:27:27,360

reading of blurry words on old documents

2353

01:27:33,750 --> 01:27:30,480

to know that uh no we have not

2354

01:27:36,950 --> 01:27:33,760

been here before and it is different

2355

01:27:39,430 --> 01:27:36,960

and you can feel it in the air

2356

01:27:40,390 --> 01:27:39,440

you know it's something that's tangible

2357

01:27:43,830 --> 01:27:40,400

yeah i agree

2358

01:27:46,310 --> 01:27:43,840

and uh it's hard to

2359

01:27:48,310 --> 01:27:46,320

sometimes accept something when it's

2360

01:27:51,910 --> 01:27:48,320

this far down the line but

2361

01:27:54,310 --> 01:27:51,920

uh we are we are very close i'm

2362

01:27:56,310 --> 01:27:54,320

pretty much generally pleased with this

2363

01:27:57,910 --> 01:27:56,320

yeah and i've lost my video where the

2364

01:27:58,310 --> 01:27:57,920

hell is i'll find it there it is stream

2365

01:28:01,189 --> 01:27:58,320

yard

2366

01:28:02,870 --> 01:28:01,199

there we go uh so look you got it you

2367

01:28:03,590 --> 01:28:02,880

got any i know i know i have blathered

2368

01:28:05,430 --> 01:28:03,600

on for a while

2369

01:28:06,709 --> 01:28:05,440

if you've got something listen if you've

2370

01:28:07,910 --> 01:28:06,719

got some tight questions i'll try to

2371

01:28:10,870 --> 01:28:07,920

give you a short answer

2372

01:28:11,669 --> 01:28:10,880

sure i got uh tight questions uh you ate

2373

01:28:13,430 --> 01:28:11,679

the uap

2374

01:28:15,510 --> 01:28:13,440

pack have you heard of that do you know

2375

01:28:18,310 --> 01:28:15,520

anything about it yeah i know it exists

2376

01:28:19,669 --> 01:28:18,320

uh it's the second pack ever but i think

2377

01:28:21,030 --> 01:28:19,679

it's got more money and more people

2378

01:28:22,310 --> 01:28:21,040

involved in my little pack which i've

2379

01:28:24,470 --> 01:28:22,320

got in suspension

2380

01:28:25,990 --> 01:28:24,480

so good on it i will be promoting it as

2381

01:28:28,709 --> 01:28:26,000

soon as i do my next update

2382

01:28:29,430 --> 01:28:28,719

okay fantastic um this is a personal

2383

01:28:32,550 --> 01:28:29,440

question

2384

01:28:33,270 --> 01:28:32,560

um i've noticed that uh grudge blue book

2385

01:28:35,590 --> 01:28:33,280

all those

2386

01:28:38,550 --> 01:28:35,600

projects were really ran out of atec

2387

01:28:40,790 --> 01:28:38,560

wouldn't it be smarter to foia a tick

2388

01:28:42,149 --> 01:28:40,800

in osi it seemed like they had all those

2389

01:28:45,350 --> 01:28:42,159

cases right

2390

01:28:47,510 --> 01:28:45,360

look whatever can be uh eff floyd john

2391

01:28:49,430 --> 01:28:47,520

greenwald is foiated

2392

01:28:50,550 --> 01:28:49,440

yeah he he has documents showing how

2393

01:28:51,350 --> 01:28:50,560

much toilet paper they use in the

2394

01:28:57,510 --> 01:28:51,360

pentagon

2395

01:29:00,629 --> 01:28:57,520

look uh uh look the way it works is this

2396

01:29:01,910 --> 01:29:00,639

i i understand the foia law if they

2397

01:29:03,750 --> 01:29:01,920

don't want you to have it and they don't

2398

01:29:05,110 --> 01:29:03,760

want you to have anything that has any

2399

01:29:06,149 --> 01:29:05,120

pressure on the truth embargo you're not

2400

01:29:07,910 --> 01:29:06,159

going to get it i don't care how many

2401
01:29:08,149 --> 01:29:07,920
for you we've seen an evidence of that

2402
01:29:10,629 --> 01:29:08,159
and

2403
01:29:11,510 --> 01:29:10,639
he's just not yeah not gonna happen so

2404
01:29:14,709 --> 01:29:11,520
so but it's a

2405
01:29:16,310 --> 01:29:14,719
logical target now post disclosure it's

2406
01:29:18,950 --> 01:29:16,320
very possible

2407
01:29:19,430 --> 01:29:18,960
that a lot of the restrictions that

2408
01:29:23,110 --> 01:29:19,440
they're

2409
01:29:24,229 --> 01:29:23,120
in self-imposing against the foia law

2410
01:29:25,750 --> 01:29:24,239
that you never know when it comes to

2411
01:29:27,510 --> 01:29:25,760
national security they may loosen them

2412
01:29:28,550 --> 01:29:27,520
up and it may be possible for us to play

2413
01:29:29,750 --> 01:29:28,560

a lot of stuff

2414

01:29:31,510 --> 01:29:29,760

and that's cool that's one way for the

2415

01:29:31,990 --> 01:29:31,520

government to cooperate without and let

2416

01:29:38,629 --> 01:29:32,000

and

2417

01:29:40,390 --> 01:29:38,639

uh that's just how i found all the dc

2418

01:29:43,590 --> 01:29:40,400

documents on that whole event

2419

01:29:46,070 --> 01:29:43,600

i found like 60 70 of them i have

2420

01:29:47,430 --> 01:29:46,080

no case when you get something yeah it's

2421

01:29:50,390 --> 01:29:47,440

crazy

2422

01:29:52,390 --> 01:29:50,400

um but that's it about that uh could you

2423

01:29:53,830 --> 01:29:52,400

tell me about your

2424

01:29:56,470 --> 01:29:53,840

you have an appearance in a netflix

2425

01:29:59,910 --> 01:29:56,480

documentary coming up

2426
01:30:02,229 --> 01:29:59,920
top secret ufo uh projects declassified

2427
01:30:02,950 --> 01:30:02,239
yeah that's a that's that you that's my

2428
01:30:05,990 --> 01:30:02,960
life well

2429
01:30:08,390 --> 01:30:06,000
first of all i don't even remember doing

2430
01:30:10,229 --> 01:30:08,400
the interview no it wasn't an interview

2431
01:30:12,870 --> 01:30:10,239
it was a trailer

2432
01:30:14,390 --> 01:30:12,880
yeah but i'm in the flick too right so i

2433
01:30:16,470 --> 01:30:14,400
don't remember doing the interview in

2434
01:30:18,310 --> 01:30:16,480
the trailer or anything else

2435
01:30:20,390 --> 01:30:18,320
it looks like it's at least three to

2436
01:30:24,629 --> 01:30:20,400
four years ago might even be five

2437
01:30:27,510 --> 01:30:24,639
oh my god so all i can say is

2438
01:30:29,510 --> 01:30:27,520

look i i i expected this to happen have

2439

01:30:30,870 --> 01:30:29,520

i signed off on it probably not or maybe

2440

01:30:32,870 --> 01:30:30,880

i did who the hell knows

2441

01:30:33,990 --> 01:30:32,880

so i'm in it i know i know that i know

2442

01:30:37,110 --> 01:30:34,000

that a lot of entities

2443

01:30:38,310 --> 01:30:37,120

out there there's a lot of let me i know

2444

01:30:42,390 --> 01:30:38,320

for a fact

2445

01:30:43,750 --> 01:30:42,400

that production entities across the

2446

01:30:46,870 --> 01:30:43,760

spectrum

2447

01:30:47,510 --> 01:30:46,880

streaming major film production

2448

01:30:51,110 --> 01:30:47,520

companies

2449

01:30:52,550 --> 01:30:51,120

everybody is is is calling together

2450

01:30:53,990 --> 01:30:52,560

meetings and going

2451
01:30:55,669 --> 01:30:54,000
what have we got what the hell can we

2452
01:30:58,870 --> 01:30:55,679
get out the door right now

2453
01:31:01,590 --> 01:30:58,880
okay and uh because they they they

2454
01:31:02,950 --> 01:31:01,600
they hollywood people are extremely

2455
01:31:06,310 --> 01:31:02,960
smart

2456
01:31:07,830 --> 01:31:06,320
and i know certain actors

2457
01:31:09,910 --> 01:31:07,840
maybe come across as not too bright but

2458
01:31:10,870 --> 01:31:09,920
let me tell you the industry is filled

2459
01:31:12,870 --> 01:31:10,880
with geniuses

2460
01:31:15,270 --> 01:31:12,880
you don't make the kinds of things they

2461
01:31:17,669 --> 01:31:15,280
do unless you're incredibly smart

2462
01:31:18,870 --> 01:31:17,679
uh believe me i mean some people paint a

2463
01:31:19,270 --> 01:31:18,880

painting and they call themselves an

2464

01:31:21,910 --> 01:31:19,280

argument

2465

01:31:23,030 --> 01:31:21,920

artist okay well that was hard direct

2466

01:31:25,030 --> 01:31:23,040

the movie

2467

01:31:27,830 --> 01:31:25,040

direct a three million dollar movie with

2468

01:31:29,669 --> 01:31:27,840

a cast of 29 and 150 minutes

2469

01:31:30,950 --> 01:31:29,679

i've seen something right over 20 years

2470

01:31:34,390 --> 01:31:30,960

yeah so

2471

01:31:35,830 --> 01:31:34,400

nice um i assure you that plenty of

2472

01:31:37,030 --> 01:31:35,840

people have known about the e.t presence

2473

01:31:38,149 --> 01:31:37,040

forever

2474

01:31:40,149 --> 01:31:38,159

and that's one of the reasons they make

2475

01:31:41,750 --> 01:31:40,159

hundreds of vt films well you know

2476

01:31:43,270 --> 01:31:41,760

it's usually an invasion the point is it

2477

01:31:44,470 --> 01:31:43,280

sells gazillions of tickets they make a

2478

01:31:47,030 --> 01:31:44,480

fortune

2479

01:31:48,310 --> 01:31:47,040

very few of them though a number of

2480

01:31:50,629 --> 01:31:48,320

actors particularly

2481

01:31:52,070 --> 01:31:50,639

have announced ufo sightings they've

2482

01:31:52,709 --> 01:31:52,080

done that uap sightings they've done

2483

01:31:54,629 --> 01:31:52,719

that

2484

01:31:55,830 --> 01:31:54,639

but in terms of really getting at it you

2485

01:31:58,070 --> 01:31:55,840

know uh

2486

01:31:59,510 --> 01:31:58,080

no they don't they don't see his chart

2487

01:32:00,870 --> 01:31:59,520

uh challenging the truth embargo

2488

01:32:03,910 --> 01:32:00,880

necessarily in their interest

2489

01:32:06,790 --> 01:32:03,920

that is changing now yeah right

2490

01:32:07,510 --> 01:32:06,800

and so i can tell you that some big

2491

01:32:10,629 --> 01:32:07,520

projects

2492

01:32:13,270 --> 01:32:10,639

are coming and one was just announced

2493

01:32:14,709 --> 01:32:13,280

okay you may have heard it may not but

2494

01:32:17,030 --> 01:32:14,719

if anybody in your audience hasn't heard

2495

01:32:19,510 --> 01:32:17,040

this you're hearing it from me today

2496

01:32:21,030 --> 01:32:19,520

i am i am the man of the hour the the

2497

01:32:22,229 --> 01:32:21,040

the washington reporter and the

2498

01:32:24,950 --> 01:32:22,239

hollywood reporter

2499

01:32:26,629 --> 01:32:24,960

take it away what's the scoop probably

2500

01:32:29,669 --> 01:32:26,639

the top producer

2501

01:32:30,310 --> 01:32:29,679

in all of hollywood who has what is

2502

01:32:34,390 --> 01:32:30,320

considered

2503

01:32:36,390 --> 01:32:34,400

the highest tech uh production

2504

01:32:38,950 --> 01:32:36,400

operation in all of hollywood by the

2505

01:32:42,070 --> 01:32:38,960

name of bad robot

2506

01:32:43,510 --> 01:32:42,080

j.j abrams announced a variety in a

2507

01:32:44,629 --> 01:32:43,520

hollywood reporter it's been now

2508

01:32:47,030 --> 01:32:44,639

published

2509

01:32:48,070 --> 01:32:47,040

that they are going to drop a four hour

2510

01:32:51,430 --> 01:32:48,080

four-part

2511

01:32:56,229 --> 01:32:51,440

series on the uap phenomena right

2512

01:32:58,550 --> 01:32:56,239

uh and he had the balls to call it ufo

2513

01:32:59,430 --> 01:32:58,560

but because of how high the production

2514

01:33:01,830 --> 01:32:59,440

values are

2515

01:33:02,790 --> 01:33:01,840

it's going to work in other words if

2516

01:33:05,189 --> 01:33:02,800

anything can

2517

01:33:06,390 --> 01:33:05,199

help to bring back and legitimize ufo

2518

01:33:09,910 --> 01:33:06,400

again is a worthwhile

2519

01:33:12,390 --> 01:33:09,920

acronym to use after it's been

2520

01:33:15,510 --> 01:33:12,400

poisoned to death by the truth embargo

2521

01:33:18,709 --> 01:33:15,520

for 60 years it may be j.j abrams

2522

01:33:22,709 --> 01:33:18,719

this is going to be huge

2523

01:33:25,270 --> 01:33:22,719

okay and and it's going to be dropped

2524

01:33:26,070 --> 01:33:25,280

i heard august 2 or august 9th all at

2525

01:33:30,390 --> 01:33:26,080

once

2526

01:33:32,550 --> 01:33:30,400

boom okay so let's do the math

2527

01:33:33,590 --> 01:33:32,560

the senate intel committee comes back

2528

01:33:36,790 --> 01:33:33,600

into session

2529

01:33:37,110 --> 01:33:36,800

on the 12th of july and stays in session

2530

01:33:41,750 --> 01:33:37,120

to

2531

01:33:45,270 --> 01:33:41,760

august the 7th before they leave

2532

01:33:48,149 --> 01:33:45,280

the network series will be dropped and

2533

01:33:49,510 --> 01:33:48,159

jj abrams bad robot series ufo will be

2534

01:33:51,669 --> 01:33:49,520

dropped

2535

01:33:53,110 --> 01:33:51,679

and if the hearies are underway won't

2536

01:33:55,990 --> 01:33:53,120

that be favorable

2537

01:33:56,310 --> 01:33:56,000

for those series and if the hearings are

2538

01:33:58,709 --> 01:33:56,320

just

2539

01:34:00,550 --> 01:33:58,719

in development won't that series be

2540

01:34:02,550 --> 01:34:00,560

really powerful in getting the congress

2541

01:34:05,270 --> 01:34:02,560

to get on his bicycle and start pedaling

2542

01:34:07,750 --> 01:34:05,280

really fast in other words hollywood is

2543

01:34:11,430 --> 01:34:07,760

now starting to come together

2544

01:34:13,990 --> 01:34:11,440

to directly influence this agenda

2545

01:34:15,270 --> 01:34:14,000

and this agenda is to end the truth

2546

01:34:17,910 --> 01:34:15,280

embargo

2547

01:34:18,390 --> 01:34:17,920

because one they're no longer afraid of

2548

01:34:20,550 --> 01:34:18,400

the net

2549

01:34:23,110 --> 01:34:20,560

the military state and it's in its

2550

01:34:27,750 --> 01:34:23,120

issues about this they could give a crap

2551

01:34:30,790 --> 01:34:27,760

and two do the math

2552

01:34:34,310 --> 01:34:30,800

sometime in august perhaps within

2553

01:34:35,990 --> 01:34:34,320

seven days everybody on this planet

2554

01:34:37,189 --> 01:34:36,000

except a few tribes living in i don't

2555

01:34:38,950 --> 01:34:37,199

know the indian ocean

2556

01:34:40,310 --> 01:34:38,960

or in the middle of the amazon have been

2557

01:34:43,590 --> 01:34:40,320

alerted to jesus

2558

01:34:46,149 --> 01:34:43,600

there's an e.t presence you know and

2559

01:34:48,470 --> 01:34:46,159

and and and they're going to be slightly

2560

01:34:51,430 --> 01:34:48,480

excited about that

2561

01:34:52,790 --> 01:34:51,440

and you just happen to have a four-part

2562

01:34:55,669 --> 01:34:52,800

series

2563

01:34:58,470 --> 01:34:55,679

or a major project in the works or just

2564

01:35:00,149 --> 01:34:58,480

going forward

2565

01:35:03,109 --> 01:35:00,159

they know that there's a huge audience

2566

01:35:04,629 --> 01:35:03,119

for for e.t stuff because avatar for a

2567

01:35:06,550 --> 01:35:04,639

while was the top grossing movie in

2568

01:35:08,149 --> 01:35:06,560

history and there's four more avatars

2569

01:35:10,950 --> 01:35:08,159

ready to come out

2570

01:35:11,830 --> 01:35:10,960

they know how powerful it is and that's

2571

01:35:13,510 --> 01:35:11,840

before

2572

01:35:15,910 --> 01:35:13,520

the extraterrestrial presence is

2573

01:35:17,109 --> 01:35:15,920

confirmed and so basically the big guys

2574

01:35:18,790 --> 01:35:17,119

in hollywood are saying look the

2575

01:35:20,870 --> 01:35:18,800

government's not bothering us anymore

2576

01:35:22,470 --> 01:35:20,880

the truth embargo is coming to an end

2577

01:35:24,629 --> 01:35:22,480

and once it comes to an end looking

2578

01:35:27,350 --> 01:35:24,639

forward five years i'm seeing

2579

01:35:28,470 --> 01:35:27,360

10 12 20 30 billion dollars in revenue

2580

01:35:30,310 --> 01:35:28,480

coming from this

2581

01:35:32,070 --> 01:35:30,320

so probably we should get some high

2582

01:35:33,669 --> 01:35:32,080

level high production stuff together and

2583

01:35:36,950 --> 01:35:33,679

spare no money

2584

01:35:40,390 --> 01:35:36,960

okay so now you've got hollywood

2585

01:35:41,270 --> 01:35:40,400

coming in not with inva alien invasion

2586

01:35:47,590 --> 01:35:41,280

movies

2587

01:35:49,510 --> 01:35:47,600

what we know what could happen all the

2588

01:35:52,070 --> 01:35:49,520

disclosure things happening

2589

01:35:53,270 --> 01:35:52,080

stories about the all kinds of stories

2590

01:35:54,310 --> 01:35:53,280

they've gotten rights to going all the

2591

01:35:56,149 --> 01:35:54,320

way back to the 40s

2592

01:35:57,510 --> 01:35:56,159

of all these heroes that are now heroes

2593

01:36:01,189 --> 01:35:57,520

instead of you know

2594

01:36:03,270 --> 01:36:01,199

pin you know pinheads and and and and

2595

01:36:05,109 --> 01:36:03,280

and tin foil hat wearers suddenly they

2596

01:36:06,870 --> 01:36:05,119

become heroes

2597

01:36:08,950 --> 01:36:06,880

of the state suddenly they're getting

2598

01:36:10,470 --> 01:36:08,960

medal of freedoms i think belizando may

2599

01:36:11,350 --> 01:36:10,480

get one and so

2600

01:36:12,629 --> 01:36:11,360

you don't think they're not going to

2601
01:36:13,510 --> 01:36:12,639
make a ton of money you don't think they

2602
01:36:17,270 --> 01:36:13,520
want to

2603
01:36:20,229 --> 01:36:17,280
and so again the truth embargo is done

2604
01:36:21,990 --> 01:36:20,239
yeah neil degrasse tyson are not going

2605
01:36:24,390 --> 01:36:22,000
to be able enough to hold off

2606
01:36:26,790 --> 01:36:24,400
this 400 foot tidal wave with the

2607
01:36:28,950 --> 01:36:26,800
intellectual power of their skepticism

2608
01:36:31,030 --> 01:36:28,960
by just saying space aliens on twitter

2609
01:36:33,430 --> 01:36:31,040
over and over that's not going to do it

2610
01:36:35,109 --> 01:36:33,440
no that's not going to do it i'm sorry

2611
01:36:37,030 --> 01:36:35,119
for them i hope they don't drown in the

2612
01:36:38,310 --> 01:36:37,040
tidal wave when it finally hits but

2613
01:36:40,390 --> 01:36:38,320

one last question for you if you don't

2614

01:36:42,950 --> 01:36:40,400

mind um to what extent

2615

01:36:45,270 --> 01:36:42,960

are serious journalists and news outlets

2616

01:36:47,990 --> 01:36:45,280

reaching out to you

2617

01:36:49,270 --> 01:36:48,000

not some to me i'm getting a bit of

2618

01:36:51,430 --> 01:36:49,280

press

2619

01:36:52,550 --> 01:36:51,440

i'm not able to get on i because i left

2620

01:36:53,910 --> 01:36:52,560

the country and was out of the picture

2621

01:36:55,510 --> 01:36:53,920

for a couple years when the the student

2622

01:36:57,350 --> 01:36:55,520

stars broke i really kind of fell out of

2623

01:36:59,350 --> 01:36:57,360

the rolodexes

2624

01:37:01,910 --> 01:36:59,360

i'm trying to get my way back on fox

2625

01:37:04,390 --> 01:37:01,920

msnbc cnn all the usuals i did get

2626

01:37:07,990 --> 01:37:04,400
mentioned in a washington post

2627

01:37:09,030 --> 01:37:08,000
but uh it just plus i'm a political

2628

01:37:11,830 --> 01:37:09,040
activist

2629

01:37:13,669 --> 01:37:11,840
right and by and large what they're

2630

01:37:16,629 --> 01:37:13,679
looking for is nuts and bolts right now

2631

01:37:18,070 --> 01:37:16,639
they want nuts and bolts uh uh they know

2632

01:37:19,270 --> 01:37:18,080
i have perspective but

2633

01:37:21,750 --> 01:37:19,280
they got a lot of nuts and bolts to

2634

01:37:25,109 --> 01:37:21,760
carry here you know uap report

2635

01:37:27,430 --> 01:37:25,119
all that so but i've done

2636

01:37:29,510 --> 01:37:27,440
but but then let us not forget the

2637

01:37:35,590 --> 01:37:29,520
podcast universe

2638

01:37:37,669 --> 01:37:35,600

i have set my record for interviews for

2639

01:37:41,189 --> 01:37:37,679

the first half of any year

2640

01:37:44,709 --> 01:37:41,199

98 i think uh so where does this rank

2641

01:37:47,350 --> 01:37:44,719

one two ah three this one

2642

01:37:49,189 --> 01:37:47,360

four yeah based on your background and

2643

01:37:49,830 --> 01:37:49,199

hat alone i've got to put it in the top

2644

01:37:54,070 --> 01:37:49,840

10.

2645

01:37:54,550 --> 01:37:54,080

yes plus plus i like you you're a nice

2646

01:37:57,430 --> 01:37:54,560

guy

2647

01:37:59,430 --> 01:37:57,440

um thanks i like you too and one day i'm

2648

01:38:01,030 --> 01:37:59,440

going to ask you how you ended up with a

2649

01:38:02,629 --> 01:38:01,040

witness citizen instead of citizen

2650

01:38:03,990 --> 01:38:02,639

witness probably because citizen witness

2651

01:38:05,990 --> 01:38:04,000
has been used in a lot of places

2652

01:38:07,990 --> 01:38:06,000
but then he met no no that i originally

2653

01:38:09,990 --> 01:38:08,000
called it that okay fine okay but i

2654

01:38:14,310 --> 01:38:10,000
couldn't use it for a twitter handle

2655

01:38:19,109 --> 01:38:16,470
you got no you could have put citizen

2656

01:38:20,709 --> 01:38:19,119
witness 129 or something

2657

01:38:22,149 --> 01:38:20,719
no you couldn't bring yourself to do

2658

01:38:23,590 --> 01:38:22,159
that i had the same problem

2659

01:38:25,189 --> 01:38:23,600
yeah i'm not gonna go there i'm not

2660

01:38:26,149 --> 01:38:25,199
gonna i'm not gonna have some add-on

2661

01:38:29,510 --> 01:38:26,159
number

2662

01:38:35,030 --> 01:38:32,950
it's it's uh it's coming

2663

01:38:36,550 --> 01:38:35,040

to the end but oh yeah the podcast

2664

01:38:39,830 --> 01:38:36,560

universe

2665

01:38:41,990 --> 01:38:39,840

so i'm i'm mr podcast

2666

01:38:43,270 --> 01:38:42,000

i'm beloved in the podcast universe

2667

01:38:44,149 --> 01:38:43,280

there's some podcasts that won't have me

2668

01:38:47,270 --> 01:38:44,159

on uh

2669

01:38:48,870 --> 01:38:47,280

maybe but so what but the reason is

2670

01:38:50,470 --> 01:38:48,880

that's that's what i do so i get called

2671

01:38:51,669 --> 01:38:50,480

up steve can you do a podcast an hour

2672

01:38:53,830 --> 01:38:51,679

and a half absolutely

2673

01:38:55,350 --> 01:38:53,840

not set up the camera i'll do it so i've

2674

01:38:57,350 --> 01:38:55,360

done a lot of them

2675

01:38:59,430 --> 01:38:57,360

most of these 98 interviews are podcast

2676

01:39:01,590 --> 01:38:59,440

interviews or netcast interviews have

2677

01:39:04,470 --> 01:39:01,600

you left that room

2678

01:39:05,510 --> 01:39:04,480

i don't have to leave this room i got

2679

01:39:07,590 --> 01:39:05,520

hey wanna see something

2680

01:39:10,149 --> 01:39:07,600

sure yes i got i got the white house

2681

01:39:12,229 --> 01:39:10,159

full 8 by 12 background

2682

01:39:14,229 --> 01:39:12,239

i've got i mean that's the capital and

2683

01:39:17,510 --> 01:39:14,239

i've got the white house 8x12 background

2684

01:39:18,950 --> 01:39:17,520

this is set up as a studio my friend uh

2685

01:39:21,109 --> 01:39:18,960

so when you're like doing your

2686

01:39:21,430 --> 01:39:21,119

correspondence or something i can set up

2687

01:39:26,229 --> 01:39:21,440

in

2688

01:39:28,390 --> 01:39:26,239

so and people say well yeah yeah yeah

2689

01:39:29,109 --> 01:39:28,400

but it's not it's not fox news you know

2690

01:39:31,350 --> 01:39:29,119

whatever

2691

01:39:32,870 --> 01:39:31,360

hey you know what you know what about

2692

01:39:36,709 --> 01:39:32,880

podcasts

2693

01:39:40,070 --> 01:39:36,719

archived

2694

01:39:43,430 --> 01:39:40,080

new

2695

01:39:44,709 --> 01:39:43,440

shows okay uh so like at tucker carlson

2696

01:39:46,550 --> 01:39:44,719

show you can

2697

01:39:47,990 --> 01:39:46,560

but it's not archived so much as you

2698

01:39:49,669 --> 01:39:48,000

they don't archive it but

2699

01:39:51,109 --> 01:39:49,679

it ends up on youtube so you can find

2700

01:39:54,149 --> 01:39:51,119

them on youtube right

2701

01:39:56,390 --> 01:39:54,159

but the archived world of of of the

2702

01:39:58,070 --> 01:39:56,400

citizen podcasts and netcasts

2703

01:39:59,910 --> 01:39:58,080

are developing their own kind of

2704

01:40:01,590 --> 01:39:59,920

universe yeah and so

2705

01:40:03,590 --> 01:40:01,600

you just keep throwing yourself into

2706

01:40:06,149 --> 01:40:03,600

that universe and so uh

2707

01:40:07,030 --> 01:40:06,159

uh i and i and i'm a citizen activist

2708

01:40:09,350 --> 01:40:07,040

anyway

2709

01:40:10,790 --> 01:40:09,360

i'm i mean i i'm supposed to be talking

2710

01:40:13,910 --> 01:40:10,800

to podcast

2711

01:40:16,070 --> 01:40:13,920

uh people and netcast people and not uh

2712

01:40:17,669 --> 01:40:16,080

hanging around cnn trying to sneak in

2713

01:40:18,870 --> 01:40:17,679

and get up five minutes on i don't know

2714

01:40:20,870 --> 01:40:18,880

racial matter

2715

01:40:22,390 --> 01:40:20,880

uh not that i won't take it racial i'll

2716

01:40:25,270 --> 01:40:22,400

take it i'll take it

2717

01:40:26,470 --> 01:40:25,280

so so i so so i'm getting enough

2718

01:40:29,189 --> 01:40:26,480

exposure for now

2719

01:40:30,229 --> 01:40:29,199

however i just want to let your

2720

01:40:35,590 --> 01:40:30,239

listeners know that

2721

01:40:36,950 --> 01:40:35,600

uh i have some big plans in the works

2722

01:40:39,590 --> 01:40:36,960

fake

2723

01:40:41,750 --> 01:40:39,600

plants that's all i can say right that

2724

01:40:45,030 --> 01:40:41,760

sounds very larry david of you

2725

01:40:48,149 --> 01:40:45,040

yes big plants big

2726

01:40:49,590 --> 01:40:48,159

big plants yes i can't wait

2727

01:40:51,990 --> 01:40:49,600

if you need any help with anything you

2728

01:40:54,709 --> 01:40:52,000

let me know i will let you know

2729

01:40:57,189 --> 01:40:54,719

okay yeah do you think making calls to

2730

01:41:00,390 --> 01:40:57,199

congress is effective

2731

01:41:04,070 --> 01:41:00,400

no no why not no

2732

01:41:06,470 --> 01:41:04,080

if it's a local issue with some passion

2733

01:41:08,950 --> 01:41:06,480

yeah but calling them up on these big

2734

01:41:11,669 --> 01:41:08,960

national issues and so forth

2735

01:41:12,070 --> 01:41:11,679

all you do is just piss off the staff

2736

01:41:15,270 --> 01:41:12,080

yeah

2737

01:41:17,669 --> 01:41:15,280

uh the people had taken the calls

2738

01:41:18,550 --> 01:41:17,679

uh i think some of the petitions can

2739

01:41:20,070 --> 01:41:18,560

help a little bit

2740

01:41:21,669 --> 01:41:20,080

there's one petition online that's

2741

01:41:23,270 --> 01:41:21,679

calling for uh i forget

2742

01:41:25,270 --> 01:41:23,280

congressional years i forget where it's

2743

01:41:26,390 --> 01:41:25,280

at i think it's up to 240 000 signatures

2744

01:41:28,709 --> 01:41:26,400

this is kind of okay

2745

01:41:29,990 --> 01:41:28,719

but the problem is because of the mass

2746

01:41:32,629 --> 01:41:30,000

media now the mass

2747

01:41:34,550 --> 01:41:32,639

internet social media it's too easy to

2748

01:41:36,070 --> 01:41:34,560

put together 200 000 signatures so it

2749

01:41:39,510 --> 01:41:36,080

just doesn't carry the weight it used to

2750

01:41:41,350 --> 01:41:39,520

be 40 years ago oh yeah and so

2751

01:41:42,790 --> 01:41:41,360

it's hard to know what's the most

2752

01:41:44,709 --> 01:41:42,800

effective way buy a

2753

01:41:45,990 --> 01:41:44,719

large look reaching out to your your

2754

01:41:48,149 --> 01:41:46,000

senator it's and it's never

2755

01:41:49,590 --> 01:41:48,159

effective to call somebody else's state

2756

01:41:50,870 --> 01:41:49,600

senator no one's ever called me back

2757

01:41:53,109 --> 01:41:50,880

other than rubio

2758

01:41:55,109 --> 01:41:53,119

actually well you were a journalist

2759

01:41:57,270 --> 01:41:55,119

you're not just a constituent

2760

01:41:58,550 --> 01:41:57,280

right no not to them no you didn't call

2761

01:41:59,270 --> 01:41:58,560

him as a journalist you call him as a

2762

01:42:01,910 --> 01:41:59,280

citizen one

2763

01:42:03,030 --> 01:42:01,920

and he and you got a call from who rubio

2764

01:42:06,870 --> 01:42:03,040

his assistant

2765

01:42:09,590 --> 01:42:06,880

okay good for him but but remember

2766

01:42:11,270 --> 01:42:09,600

i told you rubio made it made a decision

2767

01:42:13,990 --> 01:42:11,280

here this is strategic

2768

01:42:14,470 --> 01:42:14,000

he wants that call he wants that call

2769

01:42:16,709 --> 01:42:14,480

right

2770

01:42:18,390 --> 01:42:16,719

he's getting returned yeah let me tell

2771

01:42:19,510 --> 01:42:18,400

you rubio has not always gotten good

2772

01:42:22,070 --> 01:42:19,520

press okay

2773

01:42:23,109 --> 01:42:22,080

and so that call you might get back uh

2774

01:42:24,550 --> 01:42:23,119

but are you going to get him on the

2775

01:42:27,750 --> 01:42:24,560

phone no but nevertheless

2776

01:42:28,709 --> 01:42:27,760

uh uh i don't discourage anybody from

2777

01:42:30,149 --> 01:42:28,719

surprise

2778

01:42:32,629 --> 01:42:30,159

reaching out to their members of

2779

01:42:34,870 --> 01:42:32,639

congress but i'll tell you one thing i

2780

01:42:36,629 --> 01:42:34,880

do believe

2781

01:42:38,390 --> 01:42:36,639

and and i i believe this across the

2782

01:42:41,590 --> 01:42:38,400

board

2783

01:42:41,990 --> 01:42:41,600

the future of activism virtually going

2784

01:42:45,030 --> 01:42:42,000

forward

2785

01:42:47,030 --> 01:42:45,040

forever is just no longer boots on the

2786

01:42:49,430 --> 01:42:47,040

ground

2787

01:42:51,109 --> 01:42:49,440

it costs too much it's really

2788

01:42:54,830 --> 01:42:51,119

ineffective

2789

01:42:55,990 --> 01:42:54,840

and it's premised on a somewhat venal

2790

01:42:57,669 --> 01:42:56,000

idea

2791

01:42:59,510 --> 01:42:57,679

bad things happen the cameras will

2792

01:42:59,830 --> 01:42:59,520

follow it'll get a lot of news and it

2793

01:43:01,990 --> 01:42:59,840

gets

2794

01:43:03,510 --> 01:43:02,000

news and all good pr and all press all

2795

01:43:06,550 --> 01:43:03,520

presses good press

2796

01:43:08,470 --> 01:43:06,560

not to mention it's dangerous so

2797

01:43:12,390 --> 01:43:08,480

the future of activism is not boots on

2798

01:43:14,390 --> 01:43:12,400

the ground it's fingers on the keyboard

2799

01:43:16,470 --> 01:43:14,400

and it's not necessarily sending a fax

2800

01:43:18,149 --> 01:43:16,480

to or i mean an email to the

2801
01:43:19,910 --> 01:43:18,159
congress people who have email anymore

2802
01:43:22,390 --> 01:43:19,920
and those are disappearing

2803
01:43:23,990 --> 01:43:22,400
it's keeping in touch with each other

2804
01:43:26,390 --> 01:43:24,000
it's promoting your own

2805
01:43:27,830 --> 01:43:26,400
podcast and then it's archiving it you

2806
01:43:29,669 --> 01:43:27,840
know you set that up and you got your

2807
01:43:31,430 --> 01:43:29,679
own websites right then you got a blog

2808
01:43:34,470 --> 01:43:31,440
and this and whatever

2809
01:43:36,229 --> 01:43:34,480
and it's building up and twitter

2810
01:43:38,629 --> 01:43:36,239
right uh in other words when something

2811
01:43:40,629 --> 01:43:38,639
goes viral on twitter

2812
01:43:42,229 --> 01:43:40,639
first comes this oh could you say

2813
01:43:44,629 --> 01:43:42,239

something that would make this go viral

2814

01:43:53,189 --> 01:43:48,870

i'm just kidding just kidding

2815

01:43:56,310 --> 01:43:53,199

that's my last question now for everyone

2816

01:43:58,149 --> 01:43:56,320

uh i'm thinking of something that i can

2817

01:44:00,229 --> 01:43:58,159

say that would not offend somebody and

2818

01:44:02,229 --> 01:44:00,239

i've got some good material

2819

01:44:03,430 --> 01:44:02,239

but i always have good material but

2820

01:44:06,870 --> 01:44:03,440

unfortunately

2821

01:44:10,709 --> 01:44:06,880

i think i have to censor all this uh

2822

01:44:13,109 --> 01:44:10,719

i can't i can't say it and and and and

2823

01:44:14,070 --> 01:44:13,119

and you know look i want to go god knows

2824

01:44:16,470 --> 01:44:14,080

i want to go viral

2825

01:44:18,709 --> 01:44:16,480

so do i you know okay that's why yes and

2826

01:44:21,189 --> 01:44:18,719

i've seen what goes viral

2827

01:44:23,510 --> 01:44:21,199

particularly on tick-tock yeah and i

2828

01:44:26,070 --> 01:44:23,520

realized i can't go there

2829

01:44:28,310 --> 01:44:26,080

i can't make a k-pop song yeah that's

2830

01:44:30,870 --> 01:44:28,320

not going to happen but that goes viral

2831

01:44:31,830 --> 01:44:30,880

uh yeah and i've watched it they don't

2832

01:44:33,990 --> 01:44:31,840

care

2833

01:44:35,590 --> 01:44:34,000

who doesn't i play acoustic they don't

2834

01:44:37,350 --> 01:44:35,600

care

2835

01:44:38,790 --> 01:44:37,360

i think that well i think one of the i

2836

01:44:40,550 --> 01:44:38,800

think that one thing i think you can

2837

01:44:43,270 --> 01:44:40,560

kind of say

2838

01:44:44,470 --> 01:44:43,280

is that no one really knows what goes

2839

01:44:47,990 --> 01:44:44,480

what will go viral

2840

01:44:51,109 --> 01:44:48,000

it is a mystery it is a very complex

2841

01:44:52,070 --> 01:44:51,119

equation that no one can solve you can't

2842

01:44:55,590 --> 01:44:52,080

predict it

2843

01:44:57,109 --> 01:44:55,600

okay now i do think that there are some

2844

01:44:57,430 --> 01:44:57,119

people that have spent enough time at

2845

01:45:01,350 --> 01:44:57,440

this

2846

01:45:04,149 --> 01:45:01,360

that they have done deep studies

2847

01:45:06,870 --> 01:45:04,159

narrow down the area that have the

2848

01:45:08,950 --> 01:45:06,880

highest possibilities of going

2849

01:45:11,109 --> 01:45:08,960

numbers they've studied 10 000 cat

2850

01:45:13,990 --> 01:45:11,119

videos and they've narrowed it down

2851
01:45:15,990 --> 01:45:14,000
to exactly those that got high virality

2852
01:45:16,709 --> 01:45:16,000
and now the idea is can i can i create a

2853
01:45:19,830 --> 01:45:16,719
vet

2854
01:45:21,350 --> 01:45:19,840
a cat video in that air that genre and

2855
01:45:22,070 --> 01:45:21,360
i'll go viral i get a bunch of hits

2856
01:45:23,910 --> 01:45:22,080
whatever and

2857
01:45:25,910 --> 01:45:23,920
my life will get better but then they'll

2858
01:45:27,669 --> 01:45:25,920
put it out there and it'll turn out that

2859
01:45:29,669 --> 01:45:27,679
that particular genre has already burned

2860
01:45:31,910 --> 01:45:29,679
itself out nothing happens okay

2861
01:45:33,109 --> 01:45:31,920
so it's tough it's more like hitting the

2862
01:45:36,149 --> 01:45:33,119
lottery

2863
01:45:37,910 --> 01:45:36,159

right uh you have no idea

2864

01:45:39,910 --> 01:45:37,920

but you know what really broke for a

2865

01:45:41,590 --> 01:45:39,920

second

2866

01:45:45,590 --> 01:45:41,600

you want to know something about this

2867

01:45:48,790 --> 01:45:45,600

virality thing that has now gone too far

2868

01:45:51,510 --> 01:45:48,800

they call them ftps i think

2869

01:45:53,109 --> 01:45:51,520

ftps i should know what that is ftp frp

2870

01:45:56,390 --> 01:45:53,119

whatever the hell it is

2871

01:45:58,709 --> 01:45:56,400

something that 40 years ago went viral

2872

01:45:59,990 --> 01:45:58,719

and you have the original clip that was

2873

01:46:01,430 --> 01:46:00,000

put up

2874

01:46:03,910 --> 01:46:01,440

and now you're auctioning it off on a

2875

01:46:05,590 --> 01:46:03,920

goddamn internet for 2 million bucks

2876

01:46:07,189 --> 01:46:05,600

i'm going please you know what i'm

2877

01:46:09,030 --> 01:46:07,199

talking about oh

2878

01:46:10,950 --> 01:46:09,040

yes i know what you're talking about

2879

01:46:12,149 --> 01:46:10,960

yeah it's it's it's i guess you call

2880

01:46:15,510 --> 01:46:12,159

this it's kind

2881

01:46:18,310 --> 01:46:15,520

it's it's it's yeah i i don't quite

2882

01:46:20,229 --> 01:46:18,320

understand how that works but uh i know

2883

01:46:22,629 --> 01:46:20,239

it's a digital piece of artwork

2884

01:46:23,910 --> 01:46:22,639

that you buy it's it yeah okay it's

2885

01:46:25,669 --> 01:46:23,920

digital piece of artwork now what's

2886

01:46:27,109 --> 01:46:25,679

interesting about it is unlike say the

2887

01:46:28,709 --> 01:46:27,119

mona lisa

2888

01:46:30,229 --> 01:46:28,719

any digital piece of artwork could

2889

01:46:32,950 --> 01:46:30,239

already been copied 400 million times

2890

01:46:36,870 --> 01:46:32,960

can't you just save as

2891

01:46:39,030 --> 01:46:36,880

save but however somebody has come up

2892

01:46:42,470 --> 01:46:39,040

with a way

2893

01:46:45,189 --> 01:46:42,480

the original thing and so if you can

2894

01:46:49,270 --> 01:46:45,199

authenticate the original starting point

2895

01:46:53,030 --> 01:46:51,270

which is somewhat like art look one of

2896

01:46:55,030 --> 01:46:53,040

the reasons some painting may sell for

2897

01:46:58,390 --> 01:46:55,040

50 or 100 million dollars

2898

01:47:00,470 --> 01:46:58,400

is that since it was originally painted

2899

01:47:02,790 --> 01:47:00,480

it's been seen in museums and in

2900

01:47:05,030 --> 01:47:02,800

reproductions and books and so forth by

2901

01:47:06,950 --> 01:47:05,040

hundreds of millions of people

2902

01:47:08,870 --> 01:47:06,960

but that's not the original but it is

2903

01:47:10,229 --> 01:47:08,880

seen and now somebody offers the

2904

01:47:11,669 --> 01:47:10,239

original and they get a hundred million

2905

01:47:13,510 --> 01:47:11,679

dollars this is kind of like that

2906

01:47:15,830 --> 01:47:13,520

but first they had to come up with a way

2907

01:47:17,270 --> 01:47:15,840

of validating how do you validate that

2908

01:47:19,990 --> 01:47:17,280

you're the first one

2909

01:47:20,550 --> 01:47:20,000

that put up this this this video about

2910

01:47:23,830 --> 01:47:20,560

the kid

2911

01:47:25,430 --> 01:47:23,840

biting his his brother's finger first

2912

01:47:26,390 --> 01:47:25,440

that was me

2913

01:47:27,669 --> 01:47:26,400

so you got to come up with those

2914

01:47:29,590 --> 01:47:27,679

documents and then you give him some

2915

01:47:31,350 --> 01:47:29,600

bonus things like okay you can use it

2916

01:47:32,390 --> 01:47:31,360

for this or whatever and the brothers

2917

01:47:34,229 --> 01:47:32,400

are going to come over

2918

01:47:35,990 --> 01:47:34,239

they're now 35 or something and have

2919

01:47:39,109 --> 01:47:36,000

dinner with you and they're getting

2920

01:47:40,790 --> 01:47:39,119

60 million bucks and i'm going

2921

01:47:42,629 --> 01:47:40,800

why can't i ever get in on [h__h] like

2922

01:47:45,189 --> 01:47:42,639

that

2923

01:47:47,189 --> 01:47:45,199

i dressed the entire area i missed the

2924

01:47:47,430 --> 01:47:47,199

entire crypto thing i completely missed

2925

01:47:51,590 --> 01:47:47,440

it

2926

01:47:54,070 --> 01:47:51,600

so that that ship has sailed

2927

01:47:55,669 --> 01:47:54,080

i don't i'm looking for something i've

2928

01:47:58,070 --> 01:47:55,679

got it i got in the book

2929

01:47:59,109 --> 01:47:58,080

i have something here okay here we go

2930

01:48:01,189 --> 01:47:59,119

what does it say

2931

01:48:02,830 --> 01:48:01,199

chapter one but this isn't an internet

2932

01:48:06,149 --> 01:48:02,840

thing this is like a real

2933

01:48:09,430 --> 01:48:06,159

thing this is okay

2934

01:48:09,990 --> 01:48:09,440

what this is i'm gonna back off a little

2935

01:48:13,669 --> 01:48:10,000

bit

2936

01:48:16,950 --> 01:48:13,679

hang on uh oh wow okay

2937

01:48:21,750 --> 01:48:16,960

what this is is this is

2938

01:48:25,109 --> 01:48:21,760

a a poster that was up

2939

01:48:28,149 --> 01:48:25,119

at the washington premiere

2940

01:48:32,229 --> 01:48:28,159

of steven spielberg's taken

2941

01:48:35,270 --> 01:48:32,239

in november of 2002.

2942

01:48:36,310 --> 01:48:35,280

he created this 20-hour as you know

2943

01:48:39,510 --> 01:48:36,320

mini-series

2944

01:48:41,270 --> 01:48:39,520

right and which is profound

2945

01:48:42,950 --> 01:48:41,280

all about abduction and also gets into

2946

01:48:43,669 --> 01:48:42,960

the truth embargo in its own narrative

2947

01:48:45,030 --> 01:48:43,679

way

2948

01:48:47,430 --> 01:48:45,040

huge production cost hundreds of

2949

01:48:48,629 --> 01:48:47,440

millions of dollars because i think they

2950

01:48:49,830 --> 01:48:48,639

thought something was going to break

2951

01:48:52,870 --> 01:48:49,840

back then

2952

01:48:55,669 --> 01:48:52,880

you see it was the sci-fi channel

2953

01:48:57,270 --> 01:48:55,679

that uh put out the series but it's also

2954

01:48:58,790 --> 01:48:57,280

the sci-fi channel that put the money

2955

01:49:00,550 --> 01:48:58,800

behind a coalition for freedom of

2956

01:49:02,629 --> 01:49:00,560

information that was launched

2957

01:49:04,709 --> 01:49:02,639

just before this premiere and that's

2958

01:49:05,830 --> 01:49:04,719

when john podesta got up in front at the

2959

01:49:07,510 --> 01:49:05,840

beginning of it and said we need to

2960

01:49:07,910 --> 01:49:07,520

release all the ufo files you follow it

2961

01:49:10,310 --> 01:49:07,920

again

2962

01:49:11,590 --> 01:49:10,320

okay so they're thinking this thing is

2963

01:49:12,790 --> 01:49:11,600

breaking and we're going to put the

2964

01:49:16,790 --> 01:49:12,800

series out

2965

01:49:19,750 --> 01:49:16,800

okay so they had a number of these up

2966

01:49:21,430 --> 01:49:19,760

and and by the way i went this this was

2967

01:49:23,109 --> 01:49:21,440

at the reagan building the billion

2968

01:49:25,109 --> 01:49:23,119

dollar reagan building

2969

01:49:26,229 --> 01:49:25,119

and so and which was and so i go there

2970

01:49:27,350 --> 01:49:26,239

and it's like they got a lot of

2971

01:49:28,870 --> 01:49:27,360

high-powered people there they're going

2972

01:49:31,750 --> 01:49:28,880

to show the first two episodes

2973

01:49:33,669 --> 01:49:31,760

as a premier there's these white glove

2974

01:49:35,750 --> 01:49:33,679

waiters walking around with silver

2975

01:49:36,790 --> 01:49:35,760

platters covered with top quality hors

2976

01:49:39,270 --> 01:49:36,800

d'oeuvres i mean

2977

01:49:40,629 --> 01:49:39,280

and this is for a a series about

2978

01:49:42,229 --> 01:49:40,639

abduction okay i mean so

2979

01:49:43,830 --> 01:49:42,239

you can kind of see why steve might have

2980

01:49:45,030 --> 01:49:43,840

been thinking i think things are moving

2981

01:49:49,350 --> 01:49:45,040

forward again right

2982

01:49:53,270 --> 01:49:49,360

right so anyway all i got for that

2983

01:49:56,709 --> 01:49:53,280

was this poster but it is signed

2984

01:49:58,390 --> 01:49:56,719

by me michael

2985

01:49:59,750 --> 01:49:58,400

it is signed by larry landsman who work

2986

01:50:02,950 --> 01:49:59,760

for the sci-fi channel

2987

01:50:06,390 --> 01:50:02,960

it's signed by danny sheehan it's signed

2988

01:50:09,350 --> 01:50:06,400

by richard dolan bud hopkins wow

2989

01:50:11,350 --> 01:50:09,360

larry bryant the uh the uh the uh the

2990

01:50:14,870 --> 01:50:11,360

activists from that era

2991

01:50:17,189 --> 01:50:14,880

and it's also signed by peter robbins

2992

01:50:18,470 --> 01:50:17,199

so these are some pretty well-known

2993

01:50:22,310 --> 01:50:18,480

people and so

2994

01:50:24,709 --> 01:50:22,320

i'm thinking after disclosure

2995

01:50:26,550 --> 01:50:24,719

you're gonna sell this [h__\h] maybe get

2996

01:50:27,750 --> 01:50:26,560

maybe 400 000 or something what do you

2997

01:50:31,189 --> 01:50:27,760

think

2998

01:50:34,070 --> 01:50:31,199

uh yeah yeah probably so that's about

2999

01:50:35,910 --> 01:50:34,080

all i got that's all i got

3000

01:50:38,790 --> 01:50:35,920

more than i got i could put up the

3001
01:50:40,629 --> 01:50:38,800
original you know paradigm research

3002
01:50:42,390 --> 01:50:40,639
group website which was absolutely crap

3003
01:50:45,109 --> 01:50:42,400
i did it with front page

3004
01:50:46,070 --> 01:50:45,119
uh back in 1999 and it was still up as

3005
01:50:49,830 --> 01:50:46,080
front page site

3006
01:50:53,109 --> 01:50:49,840
until 2018 that shows you how driven i

3007
01:50:56,229 --> 01:50:53,119
am to be cutting edge that that site

3008
01:50:59,830 --> 01:50:56,239
which was like it was a

3009
01:51:02,310 --> 01:50:59,840
it was a shag rug of websites uh

3010
01:51:03,430 --> 01:51:02,320
probably cost me 50 of my potential

3011
01:51:05,430 --> 01:51:03,440
career right there

3012
01:51:06,870 --> 01:51:05,440
but then i finally upgraded to wordpress

3013
01:51:08,229 --> 01:51:06,880

which i i mastered in

3014

01:51:10,070 --> 01:51:08,239

four weeks but almost had a nervous

3015

01:51:11,270 --> 01:51:10,080

breakdown and my site is quality my

3016

01:51:13,430 --> 01:51:11,280

site's a good sign

3017

01:51:15,189 --> 01:51:13,440

but the first one because the first one

3018

01:51:18,229 --> 01:51:15,199

i should have all kinds of

3019

01:51:20,950 --> 01:51:18,239

this internet verification value

3020

01:51:22,470 --> 01:51:20,960

so uh maybe i can maybe i can sell that

3021

01:51:23,669 --> 01:51:22,480

post-disclosure in order to have

3022

01:51:25,430 --> 01:51:23,679

comfortable senior

3023

01:51:27,270 --> 01:51:25,440

i hear what you do just rate me in for a

3024

01:51:28,310 --> 01:51:27,280

cut yeah i'll give you a percentage if

3025

01:51:28,870 --> 01:51:28,320

you promote it i'll give you a

3026

01:51:31,990 --> 01:51:28,880

percentage

3027

01:51:35,510 --> 01:51:32,000

sure i'll get a tattoo

3028

01:51:37,350 --> 01:51:35,520

okay witness citizen sean it's uh

3029

01:51:39,350 --> 01:51:37,360

it's getting late here i'm gonna go to

3030

01:51:41,030 --> 01:51:39,360

bed yeah i gotta go to bed

3031

01:51:42,470 --> 01:51:41,040

you this has been great you're the kind

3032

01:51:43,189 --> 01:51:42,480

of host i can do my thing with you know

3033

01:51:45,669 --> 01:51:43,199

what i'm saying

3034

01:51:46,550 --> 01:51:45,679

yes and i really had a great time

3035

01:51:50,390 --> 01:51:46,560

talking to you

3036

01:51:54,950 --> 01:51:52,550

so hopefully i get another opportunity

3037

01:51:56,390 --> 01:51:54,960

my brain is eminently pickable

3038

01:51:59,030 --> 01:51:56,400

so you need you need to get in there

3039

01:52:00,470 --> 01:51:59,040

before any too much more memory holes

3040

01:52:02,310 --> 01:52:00,480

develop because they're starting to show

3041

01:52:03,669 --> 01:52:02,320

up let me tell you oh really

3042

01:52:05,270 --> 01:52:03,679

i'll be trying to pull up the name of

3043

01:52:07,030 --> 01:52:05,280

one of the most famous rock stars of the

3044

01:52:08,310 --> 01:52:07,040

1970s it ain't there

3045

01:52:12,149 --> 01:52:08,320

it's not there i don't think there was

3046

01:52:15,270 --> 01:52:12,159

many in the 70s okay 60s

3047

01:52:17,750 --> 01:52:15,280

60s 50s doesn't matter things are just

3048

01:52:19,430 --> 01:52:17,760

not there okay when i go to get them

3049

01:52:20,550 --> 01:52:19,440

it's like opening up your underwear

3050

01:52:22,629 --> 01:52:20,560

drawer and there's no

3051
01:52:23,830 --> 01:52:22,639
underwear in there and there absolutely

3052
01:52:25,669 --> 01:52:23,840
should be underwear

3053
01:52:26,870 --> 01:52:25,679
and you're going what the hell am i

3054
01:52:28,550 --> 01:52:26,880
going to do

3055
01:52:31,270 --> 01:52:28,560
and so you start looking through other

3056
01:52:32,390 --> 01:52:31,280
doors oh i just go commando i don't wear

3057
01:52:35,830 --> 01:52:32,400
anything

3058
01:52:43,350 --> 01:52:39,750
well good for you isn't that

3059
01:52:46,149 --> 01:52:43,360
special all right look i gotta go okay

3060
01:52:47,430 --> 01:52:46,159
all right on that note all right uh i

3061
01:52:50,149 --> 01:52:47,440
really appreciate your time

3062
01:52:51,030 --> 01:52:50,159
and everybody go you know who he is and

3063
01:52:53,589 --> 01:52:51,040

where to find them

3064

01:52:54,550 --> 01:52:53,599

uh we'll do this again i promise all

3065

01:52:58,550 --> 01:52:54,560

right thank you okay

3066

01:53:01,350 --> 01:52:58,560

have a good night bye all right that was

3067

01:53:01,990 --> 01:53:01,360

fantastic i had a great time uh with

3068

01:53:04,629 --> 01:53:02,000

steven

3069

01:53:05,510 --> 01:53:04,639

um we almost did two hours and i didn't

3070

01:53:08,390 --> 01:53:05,520

even notice

3071

01:53:10,830 --> 01:53:08,400

so i really appreciate uh that he took

3072

01:53:13,510 --> 01:53:10,840

time out of his day to do this

3073

01:53:14,790 --> 01:53:13,520

3082

01:53:36,550 --> 01:53:34,480

we might have some other cool stuff

3083

01:53:38,870 --> 01:53:36,560

going on uh like some special guests

3084
