

“I’m Still Climbing...”

*This photo, used here only for
illustrative purposes and related
to the story material, was snapped
by Deputy Sheriff Arthur Starnach,
Sibley Co., Minn., at 6:19 p.m.,
Oct. 21, 1963, near St. George,
Minn. UFO was described as having
five lighted portals below central
dome; changed color from orange to
bright white; made sound like
electric transformer. Photo taken
APRO Boffinity was
shot when object was in slight
motion, just before it accelerated.*

1
00:00:03,830 --> 00:00:02,470
max say he was going to jump in at all i

2
00:00:04,850 --> 00:00:03,840
don't know max doesn't know

3
00:00:07,269 --> 00:00:04,860
what he's doing

4
00:00:08,870 --> 00:00:07,279
[Laughter]

5
00:00:10,629 --> 00:00:08,880
i don't know if he's jumping in what do

6
00:00:13,830 --> 00:00:10,639
you think

7
00:00:15,509 --> 00:00:13,840
probably not i think he's probably still

8
00:00:18,550 --> 00:00:15,519
with his son at this time

9
00:00:20,390 --> 00:00:18,560
yeah yeah i think he another half an

10
00:00:22,230 --> 00:00:20,400
hour an hour normally about this time

11
00:00:24,390 --> 00:00:22,240
it's always weird when i see drinking

12
00:00:27,509 --> 00:00:24,400
wine because it's like

13
00:00:30,950 --> 00:00:27,519

early for me everyone's saying

14

00:00:34,150 --> 00:00:30,960

yeah i'm like oh i could have a glass

15

00:00:35,990 --> 00:00:34,160

oh it's now i can't yet yeah no it's my

16

00:00:37,110 --> 00:00:36,000

evening thing man couple of glasses of

17

00:00:40,950 --> 00:00:37,120

red and i'm

18

00:00:42,310 --> 00:00:40,960

happy yeah so tell me more about that

19

00:00:43,990 --> 00:00:42,320

alien that creeped in your room

20

00:00:47,830 --> 00:00:44,000

yesterday or are we

21

00:00:51,110 --> 00:00:47,840

live are we oh no

22

00:00:52,470 --> 00:00:51,120

oh no all right whoa i hope we're not

23

00:01:02,549 --> 00:00:52,480

live

24

00:01:14,560 --> 00:01:13,590

i'm witness citizen

25

00:01:45,830 --> 00:01:14,570

witness citizen

26

00:01:50,450 --> 00:01:48,149

i really should have did a proper

27

00:01:52,389 --> 00:01:50,460

introduction i'm sorry about that

28

00:01:56,069 --> 00:01:52,399

[Laughter]

29

00:02:00,550 --> 00:01:59,429

it was on purpose not funny okay i'm

30

00:02:04,389 --> 00:02:00,560

sorry but

31

00:02:07,670 --> 00:02:04,399

um yes i wanted to bring in

32

00:02:09,430 --> 00:02:07,680

someone who is very special to me again

33

00:02:11,589 --> 00:02:09,440

last time he came here i commented on

34

00:02:13,830 --> 00:02:11,599

this i'll do it again his blonde hair

35

00:02:17,270 --> 00:02:13,840

drives me crazy

36

00:02:17,750 --> 00:02:17,280

vinny from disclosure team how the hell

37

00:02:21,030 --> 00:02:17,760

are you

38

00:02:24,000 --> 00:02:21,040

you for having me

39

00:02:25,430 --> 00:02:24,010

yeah no problem what a surprise hey

40

00:02:27,430 --> 00:02:25,440

[Laughter]

41

00:02:28,550 --> 00:02:27,440

yeah how are you man are you good yeah

42

00:02:31,350 --> 00:02:28,560

good good good

43

00:02:32,309 --> 00:02:31,360

it's cold here today 30 degree drop from

44

00:02:36,229 --> 00:02:32,319

yesterday

45

00:02:40,070 --> 00:02:36,239

that's not weird but

46

00:02:41,509 --> 00:02:40,080

uh i'll take it over rain so yeah

47

00:02:43,270 --> 00:02:41,519

tell me about what you got going on

48

00:02:45,910 --> 00:02:43,280

tonight i hear it's so

49

00:02:47,990 --> 00:02:45,920

exciting yeah i'm literally 30 minutes

50

00:02:50,550 --> 00:02:48,000

out from interviewing rich hoffman

51
00:02:52,710 --> 00:02:50,560
uh on executive board member for the

52
00:02:53,190 --> 00:02:52,720
scientific coalition of uap studies you

53
00:02:57,190 --> 00:02:53,200
know

54
00:03:00,070 --> 00:02:57,200
but one of the uh the leading

55
00:03:01,190 --> 00:03:00,080
people companies coalitions whatever you

56
00:03:03,190 --> 00:03:01,200
want to call it you know they're

57
00:03:05,190 --> 00:03:03,200
covering this subject some of the

58
00:03:07,350 --> 00:03:05,200
the finest work i've read especially

59
00:03:10,790 --> 00:03:07,360
when it comes to the nimitz case

60
00:03:14,470 --> 00:03:10,800
and the 2013 aguadilla puerto rico

61
00:03:15,589 --> 00:03:14,480
case so great work wow awesome

62
00:03:18,070 --> 00:03:15,599
um do you already know what you're going

63
00:03:19,509 --> 00:03:18,080

to ask i got a few questions lined up i

64

00:03:21,270 --> 00:03:19,519

don't think i'm gonna have him for as

65

00:03:21,830 --> 00:03:21,280

long as some of my previous interviews

66

00:03:24,789 --> 00:03:21,840

have been

67

00:03:25,670 --> 00:03:24,799

so okay yeah i've got some stuff lined

68

00:03:27,670 --> 00:03:25,680

up

69

00:03:29,190 --> 00:03:27,680

i apologize now to anybody that goes and

70

00:03:31,350 --> 00:03:29,200

watches it and feels like

71

00:03:33,190 --> 00:03:31,360

we didn't get a lot out of him but you

72

00:03:37,110 --> 00:03:33,200

just don't know in this game man

73

00:03:37,430 --> 00:03:37,120

yeah i know well um we got some people

74

00:03:40,470 --> 00:03:37,440

here

75

00:03:44,070 --> 00:03:40,480

hey steve how are you been a while

76

00:03:49,030 --> 00:03:46,630

don't like it but i'm glad you're back

77

00:03:52,309 --> 00:03:49,040

jd briscoe what's up man

78

00:03:54,470 --> 00:03:52,319

thanks for joining uh derek good to see

79

00:03:56,149 --> 00:03:54,480

you he's got a nice comment for you

80

00:03:57,509 --> 00:03:56,159

and his new space slab looks awesome but

81

00:03:59,270 --> 00:03:57,519

i thought i was prepping for my

82

00:04:00,949 --> 00:03:59,280

interview with rich and because he's a

83

00:04:03,670 --> 00:04:00,959

like a scientist i thought i'd get all

84

00:04:05,110 --> 00:04:03,680

like laboratory

85

00:04:06,710 --> 00:04:05,120

i try and do something for every guest

86

00:04:09,110 --> 00:04:06,720

where i noticed

87

00:04:10,550 --> 00:04:09,120

like hint of what they do so that's

88

00:04:13,350 --> 00:04:10,560

pretty cool i like that

89

00:04:14,550 --> 00:04:13,360

and it looks so good it's all think you

90

00:04:17,270 --> 00:04:14,560

can't tell

91

00:04:17,590 --> 00:04:17,280

well i mean you know you could i know

92

00:04:21,349 --> 00:04:17,600

but

93

00:04:24,950 --> 00:04:21,359

it looks good yeah cool thank you um

94

00:04:28,150 --> 00:04:24,960

oh rusty thanks for coming man

95

00:04:30,870 --> 00:04:28,160

um happy you're here

96

00:04:32,390 --> 00:04:30,880

and we have witness citizen oh thanks

97

00:04:35,430 --> 00:04:32,400

for coming today witness

98

00:04:40,469 --> 00:04:39,350

hi what up uap uk hey josh good to see

99

00:04:43,610 --> 00:04:40,479

you man

100

00:04:45,830 --> 00:04:43,620

and rusty we got you busted

101
00:04:47,220 --> 00:04:45,840

[Laughter]

102
00:04:49,110 --> 00:04:47,230

good luck

103
00:04:52,230 --> 00:04:49,120

[Laughter]

104
00:04:53,990 --> 00:04:52,240

um yeah i really enjoy

105
00:04:55,830 --> 00:04:54,000

the new project that you and max have

106
00:04:58,550 --> 00:04:55,840

going on to max vinnies

107
00:04:59,510 --> 00:04:58,560

and having me co-host i think that is

108
00:05:02,310 --> 00:04:59,520

that's really cool

109
00:05:04,790 --> 00:05:02,320

if you guys haven't seen the video the

110
00:05:07,909 --> 00:05:04,800

last one it's really good

111
00:05:09,350 --> 00:05:07,919

it was fun man i had a great time um and

112
00:05:10,790 --> 00:05:09,360

it was great

113
00:05:13,110 --> 00:05:10,800

putting it together with max but like

114

00:05:14,870 --> 00:05:13,120

we've always said that we needed

115

00:05:18,150 --> 00:05:14,880

that connection to the to the us and

116

00:05:19,909 --> 00:05:18,160

you've just been graciously

117

00:05:21,670 --> 00:05:19,919

the one to take it on board and fill

118

00:05:22,230 --> 00:05:21,680

that gap that we need so thank you my

119

00:05:27,670 --> 00:05:22,240

man

120

00:05:31,749 --> 00:05:27,680

keep that kind of language out of here

121

00:05:34,629 --> 00:05:31,759

[Laughter]

122

00:05:36,629 --> 00:05:34,639

oh come on i'm just here at my desk with

123

00:05:39,590 --> 00:05:36,639

a camera i'm not doing anything man

124

00:05:40,629 --> 00:05:39,600

just hanging out with good people yeah

125

00:05:42,230 --> 00:05:40,639

that's easy

126

00:05:43,909 --> 00:05:42,240

it's great it is and i think this is

127

00:05:45,110 --> 00:05:43,919

what we need to see more of across the

128

00:05:47,749 --> 00:05:45,120

board in this subject

129

00:05:49,350 --> 00:05:47,759

um is this collaboration work yeah well

130

00:05:52,390 --> 00:05:49,360

i think it's the future

131

00:05:53,830 --> 00:05:52,400

yeah yeah it is the future and this is

132

00:05:55,189 --> 00:05:53,840

only the beginning man we're going to do

133

00:05:55,990 --> 00:05:55,199

lots of good things in the future that's

134

00:05:57,670 --> 00:05:56,000

for sure

135

00:06:00,469 --> 00:05:57,680

yeah i can't wait things are just

136

00:06:03,990 --> 00:06:00,479

getting it just seems to just get

137

00:06:06,469 --> 00:06:04,000

um you know for what we're doing

138

00:06:08,309 --> 00:06:06,479

we're getting better at it you know

139

00:06:11,749 --> 00:06:08,319

we're getting a bigger audience

140

00:06:15,029 --> 00:06:11,759

yeah um and it's all by good intentions

141

00:06:15,430 --> 00:06:15,039

and you know pure people yeah totally

142

00:06:17,189 --> 00:06:15,440

man

143

00:06:19,510 --> 00:06:17,199

i don't like to say i am other people

144

00:06:20,870 --> 00:06:19,520

can you know judge that for themselves

145

00:06:24,390 --> 00:06:20,880

but you and

146

00:06:27,270 --> 00:06:24,400

you and max are are awesome and um

147

00:06:28,230 --> 00:06:27,280

i think just being that is going to take

148

00:06:31,270 --> 00:06:28,240

you pretty far

149

00:06:33,189 --> 00:06:31,280

so you add that work ethic on to it um

150

00:06:34,790 --> 00:06:33,199

[Music]

151

00:06:36,469 --> 00:06:34,800

it's funny you say that because i've

152

00:06:37,830 --> 00:06:36,479

i've been having you know only launched

153

00:06:39,350 --> 00:06:37,840

my channel

154

00:06:41,510 --> 00:06:39,360

i don't know what a month ago something

155

00:06:42,790 --> 00:06:41,520

like that and i have people messaging me

156

00:06:44,870 --> 00:06:42,800

now going i really want to do what

157

00:06:47,110 --> 00:06:44,880

you're doing i really want to

158

00:06:48,309 --> 00:06:47,120

launch a channel or a page you know

159

00:06:50,629 --> 00:06:48,319

where do where do i start

160

00:06:52,550 --> 00:06:50,639

and i'm just like i don't really have

161

00:06:53,749 --> 00:06:52,560

any advice for anyone because all i did

162

00:06:55,909 --> 00:06:53,759

was arrange

163

00:06:57,430 --> 00:06:55,919

contact people arranged interviews and

164

00:07:00,950 --> 00:06:57,440

jumping at the deep end i had

165

00:07:03,510 --> 00:07:00,960

no idea other than just

166

00:07:04,390 --> 00:07:03,520

go for it just go for it that's it and

167

00:07:08,309 --> 00:07:04,400

there's no

168

00:07:11,670 --> 00:07:08,319

to anyone to say

169

00:07:14,710 --> 00:07:11,680

all i can say is be yourself

170

00:07:16,390 --> 00:07:14,720

exactly yeah be yourself if you're a

171

00:07:19,589 --> 00:07:16,400

good person

172

00:07:23,189 --> 00:07:19,599

be yourself yeah

173

00:07:24,070 --> 00:07:23,199

then pretend and yeah oh there's one

174

00:07:25,670 --> 00:07:24,080

other secret

175

00:07:27,670 --> 00:07:25,680

why do i wear this again or am i doing

176

00:07:29,110 --> 00:07:27,680

it too much this is the secret to my

177

00:07:32,230 --> 00:07:29,120

success

178

00:07:35,430 --> 00:07:32,240

ah the wine huh

179

00:07:37,990 --> 00:07:35,440

yeah that'll loosen yet dutch courage

180

00:07:39,430 --> 00:07:38,000

what so what time is oh wait we we got

181

00:07:42,629 --> 00:07:39,440

some comments sir

182

00:07:45,270 --> 00:07:42,639

um jesse peak yes we will see

183

00:07:46,629 --> 00:07:45,280

you shortly sir he'll be here in about a

184

00:07:49,110 --> 00:07:46,639

half hour

185

00:07:50,790 --> 00:07:49,120

so look forward to asking him about uh

186

00:07:54,390 --> 00:07:50,800

mufon

187

00:07:57,430 --> 00:07:54,400

and here we go derek

188

00:07:58,869 --> 00:07:57,440

yeah man that's why you know that's why

189

00:08:00,869 --> 00:07:58,879

i have the recordings up there

190

00:08:03,110 --> 00:08:00,879

i was thinking about just doing it live

191

00:08:03,749 --> 00:08:03,120

and then you know taking it off of

192

00:08:07,510 --> 00:08:03,759

youtube

193

00:08:09,749 --> 00:08:07,520

and charging like 15 an episode

194

00:08:11,589 --> 00:08:09,759

but having like specials like three for

195

00:08:14,629 --> 00:08:11,599

five and just kind of mirror

196

00:08:15,830 --> 00:08:14,639

uh grier's uh email marketing campaign

197

00:08:19,029 --> 00:08:15,840

basically

198

00:08:22,150 --> 00:08:19,039

because it works for him um

199

00:08:25,029 --> 00:08:22,160

oh dude oh boy

200

00:08:26,469 --> 00:08:25,039

oh thanks rusty yeah that was a that was

201

00:08:30,390 --> 00:08:26,479

a lot of fun

202

00:08:30,950 --> 00:08:30,400

last night very good we got along really

203

00:08:33,990 --> 00:08:30,960

well

204

00:08:35,589 --> 00:08:34,000

i thought um and he actually he called

205

00:08:37,269 --> 00:08:35,599

me today

206

00:08:38,709 --> 00:08:37,279

and i missed it so i called him back

207

00:08:40,070 --> 00:08:38,719

right away i'm like he's calling me what

208

00:08:43,110 --> 00:08:40,080

the heck

209

00:08:45,269 --> 00:08:43,120

and um he answered and he goes oh

210

00:08:46,680 --> 00:08:45,279

sean you know what i didn't mean to i'm

211

00:08:48,630 --> 00:08:46,690

like you butt dialed me

212

00:08:51,030 --> 00:08:48,640

[Laughter]

213

00:08:54,790 --> 00:08:51,040

then he goes well not not per se the

214

00:08:56,470 --> 00:08:54,800

butt but it was by accident

215

00:08:58,310 --> 00:08:56,480

and they said hey now that i got you i

216

00:09:01,430 --> 00:08:58,320

just wanted to say that um

217

00:09:05,030 --> 00:09:01,440

i really like your style i think you

218

00:09:06,710 --> 00:09:05,040

are doing great at this um

219

00:09:08,550 --> 00:09:06,720

you know all that kind of stuff and i

220

00:09:11,269 --> 00:09:08,560

really hope you stay in it

221

00:09:12,389 --> 00:09:11,279

and all that so that was really a happy

222

00:09:13,670 --> 00:09:12,399

accident i guess

223

00:09:15,670 --> 00:09:13,680

it was great i've seen a lot of

224

00:09:17,110 --> 00:09:15,680

interviews with bassett where

225

00:09:18,070 --> 00:09:17,120

i don't know whether it's the pressure

226

00:09:18,870 --> 00:09:18,080

or something but some of the

227

00:09:20,790 --> 00:09:18,880

interviewers

228

00:09:23,910 --> 00:09:20,800

almost look a bit a little bit off off

229

00:09:25,509 --> 00:09:23,920

put and out of sorts a tiny bit

230

00:09:27,350 --> 00:09:25,519

i don't know why but then with yours it

231

00:09:29,269 --> 00:09:27,360

was just like man you nailed this

232

00:09:30,630 --> 00:09:29,279

you've got them in your back pocket and

233

00:09:31,430 --> 00:09:30,640

you're wrapped around your little finger

234

00:09:33,350 --> 00:09:31,440

you just

235

00:09:34,949 --> 00:09:33,360

buzzed off each other it was awesome

236

00:09:37,509 --> 00:09:34,959

yeah um

237

00:09:38,550 --> 00:09:37,519

i could see how that would be because he

238

00:09:40,710 --> 00:09:38,560

can be

239

00:09:41,829 --> 00:09:40,720

there are moments where you know if i

240

00:09:43,910 --> 00:09:41,839

wasn't in tune

241

00:09:45,190 --> 00:09:43,920

with him i would have pissed him off

242

00:09:47,030 --> 00:09:45,200

real quick

243

00:09:48,389 --> 00:09:47,040

you know because i could tell i could

244

00:09:50,790 --> 00:09:48,399

tell where he's like

245

00:09:53,509 --> 00:09:50,800

maybe you know this kid doesn't know

246

00:09:57,110 --> 00:09:53,519

what he's talking about kind of stuff so

247

00:09:59,190 --> 00:09:57,120

i just tell do you run the show man

248

00:10:01,430 --> 00:09:59,200

you got all the info you're great

249

00:10:02,949 --> 00:10:01,440

storyteller you're doing an amazing job

250

00:10:05,750 --> 00:10:02,959

doing this breakdown

251

00:10:06,470 --> 00:10:05,760

i am not interrupting no that's the best

252

00:10:08,310 --> 00:10:06,480

way i've just

253

00:10:09,590 --> 00:10:08,320

noticed a comment in the comments there

254

00:10:12,790 --> 00:10:09,600

from uh

255

00:10:14,470 --> 00:10:12,800

good friend strafe wilson

256

00:10:16,230 --> 00:10:14,480

good yeah there you go i mean that

257

00:10:17,509 --> 00:10:16,240

summed it up and that's what i try and

258

00:10:21,030 --> 00:10:17,519

do

259

00:10:22,550 --> 00:10:21,040

yeah you know yeah because it's true

260

00:10:24,150 --> 00:10:22,560

who i don't i'm just here to ask

261

00:10:24,710 --> 00:10:24,160

questions i don't want to jump in too

262

00:10:26,949 --> 00:10:24,720

much

263

00:10:28,310 --> 00:10:26,959

and all that kind of thing i mean i do

264

00:10:30,310 --> 00:10:28,320

on the odd occasion but

265

00:10:32,230 --> 00:10:30,320

i mean it depends who the guest is

266

00:10:35,030 --> 00:10:32,240

sometimes you may have to and

267

00:10:35,829 --> 00:10:35,040

you know sometimes you ask a question

268

00:10:38,069 --> 00:10:35,839

and you want

269

00:10:40,870 --> 00:10:38,079

a 20-minute answer and then you get like

270

00:10:43,910 --> 00:10:40,880

a 20-second answer you're like oh yeah

271

00:10:47,990 --> 00:10:43,920

sugar like oh man give me more i'm not

272

00:10:51,509 --> 00:10:50,710

uh what's vinnie vapiin i'm just vaping

273

00:10:55,750 --> 00:10:51,519

boring

274

00:10:58,310 --> 00:10:55,760

vape juice no no no nothing funky no um

275

00:11:02,230 --> 00:10:58,320

cbd or thc or anything

276

00:11:11,430 --> 00:11:05,829

jd doctor's got sweet

277

00:11:16,069 --> 00:11:14,389

i'm super excited for tomorrow too

278

00:11:19,430 --> 00:11:16,079

that's the big day

279

00:11:20,870 --> 00:11:19,440

yeah i have two amazing guests tomorrow

280

00:11:24,069 --> 00:11:20,880

back to back

281

00:11:24,550 --> 00:11:24,079

nick pope and lou elizondo nick pope is

282

00:11:27,590 --> 00:11:24,560

going to be

283

00:11:31,190 --> 00:11:27,600

like probably the complete opposite

284

00:11:32,550 --> 00:11:31,200

of uh my interview last night

285

00:11:34,949 --> 00:11:32,560

dude that's gonna be different people

286

00:11:37,350 --> 00:11:34,959

you know so it'll be interesting

287

00:11:38,230 --> 00:11:37,360

i can't wait yeah it's gonna be super

288

00:11:40,630 --> 00:11:38,240

fun

289

00:11:43,590 --> 00:11:40,640

so what time are they gonna be at um

290

00:11:47,430 --> 00:11:43,600

nick pope will be at

291

00:11:50,389 --> 00:11:47,440

um 1 central yep and elizondo

292

00:11:51,990 --> 00:11:50,399

is right after that at 2 central what

293

00:11:55,350 --> 00:11:52,000

time is it there now where you are

294

00:11:56,310 --> 00:11:55,360

today um one okay cool so that gives me

295

00:11:57,829 --> 00:11:56,320

an idea of when i

296

00:11:59,430 --> 00:11:57,839

i think i've got a night off tomorrow

297

00:12:06,069 --> 00:11:59,440

here so i can fully

298

00:12:14,470 --> 00:12:11,110

yeah it'll be interesting um

299

00:12:17,509 --> 00:12:14,480

yeah this i i don't know um

300

00:12:20,069 --> 00:12:17,519

how it can get much better

301
00:12:20,870 --> 00:12:20,079
than this week you know this is a great

302
00:12:24,470 --> 00:12:20,880
week

303
00:12:27,910 --> 00:12:24,480
super happy um

304
00:12:28,470 --> 00:12:27,920
i'm happy oh yeah oh yeah just hope it

305
00:12:32,069 --> 00:12:28,480
keeps

306
00:12:33,910 --> 00:12:32,079
um rolling you know because

307
00:12:35,829 --> 00:12:33,920
i've had a lot of people on the show

308
00:12:38,790 --> 00:12:35,839
like yourself and other people

309
00:12:39,670 --> 00:12:38,800
that have a lot of great things to say

310
00:12:42,710 --> 00:12:39,680
um

311
00:12:44,710 --> 00:12:42,720
but they're not as well known so i hope

312
00:12:46,230 --> 00:12:44,720
that with these interviews some people

313
00:12:49,590 --> 00:12:46,240

will cling on so when i

314

00:12:50,230 --> 00:12:49,600

bring them in again you know there'll be

315

00:12:53,350 --> 00:12:50,240

more

316

00:12:55,350 --> 00:12:53,360

eyes and ears on them because i think

317

00:12:57,269 --> 00:12:55,360

they should be you know like graham or

318

00:13:00,710 --> 00:12:57,279

jazz or

319

00:13:05,990 --> 00:13:00,720

or max or mises myself you know

320

00:13:08,710 --> 00:13:06,000

um so i hope um that that kind of allows

321

00:13:10,470 --> 00:13:08,720

more people to get in play you know with

322

00:13:13,590 --> 00:13:10,480

more eyes on it

323

00:13:15,110 --> 00:13:13,600

i hope some stay you know absolutely and

324

00:13:18,150 --> 00:13:15,120

not just for the episode

325

00:13:18,470 --> 00:13:18,160

and they come back yeah oh yeah of

326

00:13:21,910 --> 00:13:18,480

course

327

00:13:24,870 --> 00:13:21,920

and they were yeah

328

00:13:25,509 --> 00:13:24,880

i'm excited for you man i'm excited big

329

00:13:27,350 --> 00:13:25,519

time

330

00:13:29,430 --> 00:13:27,360

for now for this week but even for like

331

00:13:33,030 --> 00:13:29,440

a year two years down the line

332

00:13:35,509 --> 00:13:33,040

it's going to be great man alexander

333

00:13:37,350 --> 00:13:35,519

that question has to be asked be the

334

00:13:39,990 --> 00:13:37,360

first to ask

335

00:13:40,550 --> 00:13:40,000

um well it depends what you're talking

336

00:13:44,790 --> 00:13:40,560

about

337

00:13:48,069 --> 00:13:44,800

uh elizondo is addressed at before

338

00:13:51,269 --> 00:13:48,079

so um ask

339

00:13:53,269 --> 00:13:51,279

nick about the kell yeah

340

00:13:54,710 --> 00:13:53,279

the calvin incident man do you know

341

00:13:56,949 --> 00:13:54,720

about that no

342

00:13:58,870 --> 00:13:56,959

yes send me some stuff or tell me about

343

00:14:02,069 --> 00:13:58,880

it but it's basically it's a

344

00:14:04,629 --> 00:14:02,079

photograph apparently that exists of

345

00:14:05,189 --> 00:14:04,639

a ufo taken in scotland i can't remember

346

00:14:07,990 --> 00:14:05,199

when

347

00:14:08,710 --> 00:14:08,000

in the last 20 years or something if i'm

348

00:14:11,350 --> 00:14:08,720

right

349

00:14:12,949 --> 00:14:11,360

um it's meant to be like the the smoking

350

00:14:13,670 --> 00:14:12,959

gun kind of photograph that you'd all

351

00:14:17,030 --> 00:14:13,680

want to see

352

00:14:19,350 --> 00:14:17,040

um and i think maybe it's older actually

353

00:14:21,509 --> 00:14:19,360

but i know that they've re stuck it

354

00:14:22,550 --> 00:14:21,519

under another 50 year of secrecy or

355

00:14:24,550 --> 00:14:22,560

something like that

356

00:14:27,430 --> 00:14:24,560

i think it was due to come out in 2022

357

00:14:30,389 --> 00:14:27,440

and now it's something like 2072.

358

00:14:32,790 --> 00:14:30,399

yeah 1990. i think i was right that it's

359

00:14:34,710 --> 00:14:32,800

an extra 50 years has just been added on

360

00:14:37,910 --> 00:14:34,720

six photos there we go what can we do

361

00:14:40,710 --> 00:14:37,920

without these boys in the chat

362

00:14:41,509 --> 00:14:40,720

thank you guys but it really is meant to

363

00:14:44,550 --> 00:14:41,519

be

364

00:14:47,430 --> 00:14:44,560

incredible wow so i think nick will know

365

00:14:49,509 --> 00:14:47,440

a bit about that okay yeah i'll it you

366

00:14:51,990 --> 00:14:49,519

know it's like

367

00:14:53,350 --> 00:14:52,000

i hope i remember so yeah i mean i wrote

368

00:14:55,509 --> 00:14:53,360

it down so

369

00:14:57,269 --> 00:14:55,519

no dude there's not a lot of information

370

00:14:58,389 --> 00:14:57,279

out there on it exactly like there is

371

00:15:01,910 --> 00:14:58,399

the year and

372

00:15:04,550 --> 00:15:01,920

okay photos but i don't think there's

373

00:15:05,670 --> 00:15:04,560

much information he was in a mod then

374

00:15:08,949 --> 00:15:05,680

wasn't he here

375

00:15:10,629 --> 00:15:08,959

yeah he was mod early 90s and there's a

376

00:15:12,550 --> 00:15:10,639

lot of controversy around him there's

377

00:15:15,110 --> 00:15:12,560

people saying that he was just a desk

378

00:15:15,990 --> 00:15:15,120

a desk worker and he's kind of

379

00:15:19,030 --> 00:15:16,000

embellishing on

380

00:15:19,990 --> 00:15:19,040

on what his position was but i don't

381

00:15:23,110 --> 00:15:20,000

know about that man

382

00:15:23,910 --> 00:15:23,120

i i generally don't know right that's a

383

00:15:27,189 --> 00:15:23,920

thing

384

00:15:27,590 --> 00:15:27,199

like if you can't really know it's kind

385

00:15:29,590 --> 00:15:27,600

of

386

00:15:31,030 --> 00:15:29,600

irresponsible to throw out the egg your

387

00:15:33,670 --> 00:15:31,040

accusation to begin with

388

00:15:34,550 --> 00:15:33,680

isn't it yeah if you don't really know i

389

00:15:37,110 --> 00:15:34,560

mean

390

00:15:37,910 --> 00:15:37,120

hardcore circumstantial is i would say

391

00:15:41,590 --> 00:15:37,920

that's up to you

392

00:15:43,189 --> 00:15:41,600

go ahead yeah um but if there's no proof

393

00:15:45,590 --> 00:15:43,199

or anything

394

00:15:47,030 --> 00:15:45,600

and you're just kind of killing

395

00:15:50,710 --> 00:15:47,040

someone's character

396

00:15:52,389 --> 00:15:50,720

yeah i mean nick's a nice bloke

397

00:15:54,550 --> 00:15:52,399

you know i've never met him but he's

398

00:15:56,629 --> 00:15:54,560

seen i mean he seems uh

399

00:15:58,150 --> 00:15:56,639

you know innocent enough nice enough

400

00:15:59,030 --> 00:15:58,160

that's what i mean just from seeing i've

401
00:16:00,389 --> 00:15:59,040
never met him but

402
00:16:03,670 --> 00:16:00,399
seeing all his interviews i don't think

403
00:16:06,310 --> 00:16:03,680
he's purposely pushing any agendas

404
00:16:08,069 --> 00:16:06,320
yeah yeah he's got his opinions he never

405
00:16:10,949 --> 00:16:08,079
seems to go too far down the rabbit

406
00:16:12,710 --> 00:16:10,959
hole he just talks about the subject on

407
00:16:13,430 --> 00:16:12,720
a lot of places and has done for a lot

408
00:16:16,550 --> 00:16:13,440
of years and

409
00:16:21,269 --> 00:16:16,560
i don't see an issue with that yeah

410
00:16:22,949 --> 00:16:21,279
i'll get a oh yeah it's got here

411
00:16:24,550 --> 00:16:22,959
putting together a panel for erica's

412
00:16:26,310 --> 00:16:24,560
showing you were both invited

413
00:16:27,749 --> 00:16:26,320

yeah all right thank you scott i

414

00:16:29,430 --> 00:16:27,759

actually had someone contact me a couple

415

00:16:31,430 --> 00:16:29,440

of days ago about

416

00:16:32,790 --> 00:16:31,440

joining erica for a show and i just said

417

00:16:35,670 --> 00:16:32,800

yeah i'll do that

418

00:16:36,710 --> 00:16:35,680

so scott awesome let me know bro that'd

419

00:16:38,710 --> 00:16:36,720

be cool and scott

420

00:16:40,790 --> 00:16:38,720

mr scott brown i'd love to speak to you

421

00:16:43,269 --> 00:16:40,800

sometime over on my channel so

422

00:16:44,629 --> 00:16:43,279

i will uh i will get in touch yeah it'd

423

00:16:46,550 --> 00:16:44,639

be great to see

424

00:16:50,949 --> 00:16:46,560

i'd love to speak to scott super cool to

425

00:16:54,230 --> 00:16:50,959

see what are you scared for greg

426
00:16:57,829 --> 00:16:54,240
comment he always starts the show with

427
00:16:59,430 --> 00:16:57,839
dude or subscribe like share

428
00:17:00,870 --> 00:16:59,440
he doesn't put an exclamation point just

429
00:17:04,549 --> 00:17:00,880
all in caps

430
00:17:06,390 --> 00:17:04,559
so he's shouting yeah um subscribe

431
00:17:09,990 --> 00:17:06,400
and today it just says i'm scared what's

432
00:17:13,350 --> 00:17:10,000
the deal talk to us greg come on man

433
00:17:16,630 --> 00:17:13,360
everything's gonna be fine man

434
00:17:19,189 --> 00:17:16,640
scott says anytime vinny there you go

435
00:17:20,390 --> 00:17:19,199
there you go man i will get in touch

436
00:17:23,029 --> 00:17:20,400
i'll twitter dmu

437
00:17:23,429 --> 00:17:23,039
next couple of days oh this one you mean

438
00:17:26,309 --> 00:17:23,439

okay

439

00:17:30,230 --> 00:17:26,319

gotcha this story ended up in the sun

440

00:17:34,870 --> 00:17:32,390

you guys clark seen david clarke is

441

00:17:37,350 --> 00:17:34,880

actually he lives in the same city i do

442

00:17:39,029 --> 00:17:37,360

so i've interesting i keep considering

443

00:17:41,110 --> 00:17:39,039

contacting him but i know he's got he's

444

00:17:43,350 --> 00:17:41,120

got a bit of controversy surrounding him

445

00:17:44,789 --> 00:17:43,360

i'm pretty sure he was the guy that

446

00:17:46,549 --> 00:17:44,799

first put out the sas

447

00:17:47,990 --> 00:17:46,559

claim for the rendelsham incident where

448

00:17:51,190 --> 00:17:48,000

it was just a complete sas

449

00:17:53,909 --> 00:17:51,200

hoax against the military which was

450

00:17:54,310 --> 00:17:53,919

pretty damn controversial yeah i would

451
00:17:56,870 --> 00:17:54,320
say

452
00:17:58,150 --> 00:17:56,880
especially with the witness testimony

453
00:17:59,510 --> 00:17:58,160
you know

454
00:18:01,029 --> 00:17:59,520
yeah i thought about contacting him but

455
00:18:02,549 --> 00:18:01,039
then i'd be like god why do i ask him do

456
00:18:04,789 --> 00:18:02,559
i just want to like

457
00:18:06,230 --> 00:18:04,799
embarrass him or put some really tough

458
00:18:07,590 --> 00:18:06,240
questions to him so i don't know if i'm

459
00:18:12,230 --> 00:18:07,600
ready for that

460
00:18:16,630 --> 00:18:14,150
she just asked the questions that you

461
00:18:19,750 --> 00:18:16,640
would ask and i guess in the normal way

462
00:18:21,029 --> 00:18:19,760
yeah the audience will decide what to

463
00:18:23,830 --> 00:18:21,039

take from that

464

00:18:24,150 --> 00:18:23,840

the answers you know you don't have to

465

00:18:26,630 --> 00:18:24,160

go

466

00:18:27,510 --> 00:18:26,640

see see you said over there and then you

467

00:18:31,029 --> 00:18:27,520

sit over there

468

00:18:34,070 --> 00:18:31,039

so no you're right man and this is the

469

00:18:37,350 --> 00:18:34,080

thing you know just

470

00:18:40,950 --> 00:18:37,360

yeah yeah but i think

471

00:18:44,150 --> 00:18:40,960

you know at some point we have to

472

00:18:47,110 --> 00:18:44,160

um do not be

473

00:18:49,190 --> 00:18:47,120

shy away from interviewing people that

474

00:18:52,230 --> 00:18:49,200

you may not necessarily agree with and

475

00:18:53,590 --> 00:18:52,240

yeah be able to have a conversation

476

00:18:54,710 --> 00:18:53,600

i mean that makes sense because the last

477

00:18:58,870 --> 00:18:54,720

couple of days all i've been thinking

478

00:19:01,909 --> 00:18:58,880

about is how do i get to speak to greer

479

00:19:04,470 --> 00:19:01,919

oh wow because i really would love to

480

00:19:05,990 --> 00:19:04,480

yeah because i'd have just as or i was

481

00:19:07,270 --> 00:19:06,000

gonna say just as many nice things to

482

00:19:10,070 --> 00:19:07,280

say to him but

483

00:19:11,190 --> 00:19:10,080

maybe not but he certainly you know i

484

00:19:13,110 --> 00:19:11,200

think a lot of us

485

00:19:14,950 --> 00:19:13,120

think that he used to do a lot of good

486

00:19:17,510 --> 00:19:14,960

work back in the day

487

00:19:19,029 --> 00:19:17,520

and maybe not so much now but you know i

488

00:19:19,590 --> 00:19:19,039

wouldn't get him on if i ever had the

489

00:19:24,789 --> 00:19:19,600

opportunity

490

00:19:28,710 --> 00:19:27,029

yeah i would have some tough questions

491

00:19:30,070 --> 00:19:28,720

but oh yeah i would hope so it's just

492

00:19:31,830 --> 00:19:30,080

been in my mind for the last couple of

493

00:19:34,070 --> 00:19:31,840

days after watching that documentary did

494

00:19:36,870 --> 00:19:34,080

you watch it

495

00:19:39,830 --> 00:19:36,880

oh i should did you know did you see the

496

00:19:43,510 --> 00:19:39,840

video where uh

497

00:19:45,750 --> 00:19:43,520

the guy is saying that it wasn't a hoax

498

00:19:47,750 --> 00:19:45,760

and he got his words twisted

499

00:19:49,110 --> 00:19:47,760

and the guy like set him up or whatever

500

00:19:50,630 --> 00:19:49,120

for the travis walton thing

501
00:19:52,549 --> 00:19:50,640
yeah i've seen all of that today to be

502
00:19:53,350 --> 00:19:52,559
honest i kind of knew that would be the

503
00:19:57,029 --> 00:19:53,360
case

504
00:19:58,630 --> 00:19:57,039
yeah crazy horrible

505
00:20:00,789 --> 00:19:58,640
that somebody would do it and that was

506
00:20:02,950 --> 00:20:00,799
was that in greer's documentary

507
00:20:04,789 --> 00:20:02,960
um because i haven't seen the whole

508
00:20:06,149 --> 00:20:04,799
thing no i don't think it was

509
00:20:09,190 --> 00:20:06,159
i know it's been all over twitter the

510
00:20:10,710 --> 00:20:09,200
last couple of days

511
00:20:13,669 --> 00:20:10,720
but yeah that's pretty bit pretty much

512
00:20:17,350 --> 00:20:13,679
been sorted out i think i hope anyway

513
00:20:20,950 --> 00:20:17,360

yeah some youtuber doing it for hits and

514

00:20:24,149 --> 00:20:20,960

clicks and stuff yeah probably

515

00:20:26,870 --> 00:20:24,159

sorry it's kind of pathetic yeah yeah

516

00:20:27,990 --> 00:20:26,880

would love to see that it's the first

517

00:20:29,669 --> 00:20:28,000

thing scary

518

00:20:31,190 --> 00:20:29,679

yes to do with this new movie remake

519

00:20:34,549 --> 00:20:31,200

that's coming out um and

520

00:20:35,750 --> 00:20:34,559

the guy that well thing is it is it a

521

00:20:37,350 --> 00:20:35,760

fire in the sky remake

522

00:20:39,750 --> 00:20:37,360

yeah i think it is i think the guy that

523

00:20:41,669 --> 00:20:39,760

told the story was made to look like

524

00:20:43,190 --> 00:20:41,679

he was now saying it was a hoax but what

525

00:20:46,470 --> 00:20:43,200

it turned out to be was that

526

00:20:46,950 --> 00:20:46,480

the youtuber that interviewed him edited

527

00:20:49,750 --> 00:20:46,960

it

528

00:20:51,270 --> 00:20:49,760

to make him look like he was yeah saying

529

00:20:52,630 --> 00:20:51,280

the story was a hoax so it wasn't

530

00:20:54,470 --> 00:20:52,640

actually the guy

531

00:20:56,950 --> 00:20:54,480

mike davis i think it might have been a

532

00:20:59,110 --> 00:20:56,960

little video all i can tell you is i did

533

00:21:00,630 --> 00:20:59,120

talk to the guy but i didn't say those

534

00:21:05,270 --> 00:21:00,640

things there you go

535

00:21:08,310 --> 00:21:05,280

in fact he was asking me about um

536

00:21:10,070 --> 00:21:08,320

uh hoaxes and i said i said well

537

00:21:11,350 --> 00:21:10,080

he said did you and travis ever talk

538

00:21:15,110 --> 00:21:11,360

about a hoax

539

00:21:17,669 --> 00:21:15,120

i said well yeah like after the incident

540

00:21:21,430 --> 00:21:17,679

i mean the skeptics like phil class and

541

00:21:22,950 --> 00:21:21,440

oberg uh i can't remember who else

542

00:21:25,990 --> 00:21:22,960

were saying that the whole thing was a

543

00:21:29,350 --> 00:21:26,000

hoax and so yeah

544

00:21:32,630 --> 00:21:29,360

see we didn't work together in

545

00:21:36,549 --> 00:21:32,640

76 uh you know after the answer

546

00:21:39,110 --> 00:21:36,559

uh but the following year 77 we did

547

00:21:40,470 --> 00:21:39,120

and and uh during that year during the

548

00:21:44,070 --> 00:21:40,480

summer of that year

549

00:21:46,149 --> 00:21:44,080

uh we talked about what the skeptics

550

00:21:47,750 --> 00:21:46,159

were saying you know it was all a hoax

551
00:21:51,590 --> 00:21:47,760
you know

552
00:21:55,350 --> 00:21:51,600
and uh so i was telling ryan gordon that

553
00:21:59,110 --> 00:21:55,360
and uh so whatever he has

554
00:22:00,470 --> 00:21:59,120
laid out there is just not what i said

555
00:22:02,710 --> 00:22:00,480
you know i call that digital

556
00:22:05,350 --> 00:22:02,720
manipulation because anything can be

557
00:22:10,830 --> 00:22:05,360
manipulated digitally

558
00:22:17,750 --> 00:22:13,590
um hey

559
00:22:17,760 --> 00:22:21,270
oh here we go

560
00:22:24,830 --> 00:22:22,950
you just pitched because travis made so

561
00:22:26,549 --> 00:22:24,840
much money you needed somebody thinking

562
00:22:28,149 --> 00:22:26,559
yeah

563
00:22:29,590 --> 00:22:28,159

i think what we need to work out or

564

00:22:32,870 --> 00:22:29,600

realize is that

565

00:22:34,549 --> 00:22:32,880

at the end of the day again maybe this

566

00:22:34,870 --> 00:22:34,559

is my opinion but the travis case is

567

00:22:38,310 --> 00:22:34,880

still

568

00:22:42,630 --> 00:22:38,320

definitely you know

569

00:22:45,750 --> 00:22:42,640

i mean the first that was the first um

570

00:22:49,110 --> 00:22:45,760

movie i saw as far as

571

00:22:50,149 --> 00:22:49,120

you know abductions or serious sighted

572

00:22:53,270 --> 00:22:50,159

scary

573

00:22:54,070 --> 00:22:53,280

alien stuff and my dad rented it from uh

574

00:22:57,350 --> 00:22:54,080

blockbuster

575

00:22:59,430 --> 00:22:57,360

when that still existed oh yeah and

576

00:23:00,549 --> 00:22:59,440

brought it i remember watching it with

577

00:23:03,669 --> 00:23:00,559

them and

578

00:23:06,230 --> 00:23:03,679

it it freaked me out

579

00:23:07,669 --> 00:23:06,240

man especially when he was in the like

580

00:23:11,350 --> 00:23:07,679

uh

581

00:23:12,310 --> 00:23:11,360

the slime sex i re-watched it a couple

582

00:23:14,549 --> 00:23:12,320

of months ago

583

00:23:15,350 --> 00:23:14,559

just to just to refresh my mind about it

584

00:23:18,630 --> 00:23:15,360

and that is

585

00:23:20,310 --> 00:23:18,640

i mean i think it's a great movie yes

586

00:23:22,070 --> 00:23:20,320

we're you know travis has come out and

587

00:23:23,750 --> 00:23:22,080

said many times that it's not 100

588

00:23:25,909 --> 00:23:23,760

accurate which is fine and you know we

589

00:23:28,230 --> 00:23:25,919

know what hollywood's like

590

00:23:29,669 --> 00:23:28,240

so yeah right that's true and then i

591

00:23:31,270 --> 00:23:29,679

remember the sheriff

592

00:23:33,430 --> 00:23:31,280

he would walk around with his hands in

593

00:23:39,350 --> 00:23:33,440

his pants

594

00:23:45,510 --> 00:23:44,070

yeah it's like all right sir

595

00:23:47,510 --> 00:23:45,520

that's kind of weird that you got your

596

00:23:49,350 --> 00:23:47,520

hands in your buckle i'm gonna have to

597

00:23:51,350 --> 00:23:49,360

jump off i'm afraid

598

00:23:53,430 --> 00:23:51,360

i've got nine no i got i got nine

599

00:23:56,710 --> 00:23:53,440

minutes man i gotta go and get that [h__\h]

600

00:23:57,909 --> 00:23:56,720

last minute maybe listen

601
00:23:59,510 --> 00:23:57,919
are we gonna be chatting later because

602
00:24:00,870 --> 00:23:59,520
we've been in both been invited to jump

603
00:24:02,630 --> 00:24:00,880
on with our good friend mr max

604
00:24:06,070 --> 00:24:02,640
muskerwich like oh

605
00:24:07,909 --> 00:24:06,080
yes i'm going to be there so yeah

606
00:24:09,590 --> 00:24:07,919
um i think he's got another pilot

607
00:24:12,149 --> 00:24:09,600
doesn't he or something

608
00:24:14,310 --> 00:24:12,159
yes yeah and this is relating to the

609
00:24:15,430 --> 00:24:14,320
what kind of related to the

610
00:24:17,029 --> 00:24:15,440
stuff we were talking about the other

611
00:24:18,789 --> 00:24:17,039
night with the dutch pilots this is one

612
00:24:21,990 --> 00:24:18,799
that couldn't make it that night

613
00:24:23,669 --> 00:24:22,000

right so um yeah so listen

614

00:24:25,350 --> 00:24:23,679

enjoy your chat with your mufon

615

00:24:27,269 --> 00:24:25,360

investigator i'm sorry that we're doing

616

00:24:28,710 --> 00:24:27,279

it at the same time we're gonna start

617

00:24:30,310 --> 00:24:28,720

talking behind the scenes so that we

618

00:24:33,510 --> 00:24:30,320

don't overlap mm-hmm

619

00:24:35,669 --> 00:24:33,520

so i think yeah

620

00:24:36,950 --> 00:24:35,679

so um cool thank you for having me on

621

00:24:38,470 --> 00:24:36,960

man and i'll speak to you later and

622

00:24:41,110 --> 00:24:38,480

everyone in the chat

623

00:24:43,750 --> 00:24:41,120

thank you love you all yeah catch us on

624

00:24:47,510 --> 00:24:43,760

uh max muscle which is uh channel later

625

00:24:50,710 --> 00:24:47,520

see you in a bit peace

626

00:24:54,149 --> 00:24:50,720

all right that was

627

00:24:57,669 --> 00:24:54,159

pretty fun yeah vinnie's a great guy

628

00:25:00,310 --> 00:24:57,679

i'm so lucky to have met him

629

00:25:02,310 --> 00:25:00,320

and um you know talk to them a lot and

630

00:25:05,350 --> 00:25:02,320

be on each other's shelves and stuff

631

00:25:08,870 --> 00:25:05,360

so looking forward

632

00:25:11,830 --> 00:25:08,880

to um expanding that relationship along

633

00:25:15,669 --> 00:25:14,710

is they do a lot of european cases so

634

00:25:19,110 --> 00:25:15,679

that works for me

635

00:25:22,149 --> 00:25:19,120

i want to learn about that um so yeah

636

00:25:22,549 --> 00:25:22,159

looking forward to that and in a second

637

00:25:25,909 --> 00:25:22,559

here

638

00:25:28,230 --> 00:25:25,919

we are going to have at jesse peak move

639

00:25:30,789 --> 00:25:28,240

on field investigator

640

00:25:32,390 --> 00:25:30,799

um yeah and i'm looking forward to that

641

00:25:48,030 --> 00:25:32,400

so

642

00:26:25,269 --> 00:25:54,830

[Music]

643

00:26:26,950 --> 00:26:25,279

with all due respect to the air force i

644

00:26:29,269 --> 00:26:26,960

believe that some of them proved to be

645

00:26:31,510 --> 00:26:29,279

of interplanetary origin during a

646

00:26:33,590 --> 00:26:31,520

three-year investigation i found that

647

00:26:34,630 --> 00:26:33,600

many police have described objects of

648

00:26:37,029 --> 00:26:34,640

substance

649

00:26:38,950 --> 00:26:37,039

and high speed one case polish reported

650

00:26:41,430 --> 00:26:38,960

their plane was buffeted by an object

651
00:26:43,430 --> 00:26:41,440
with question of 500 miles an hour

652
00:26:53,750 --> 00:26:43,440
obviously this was a solid object that i

653
00:27:13,430 --> 00:26:53,760
believe was from outer space

654
00:27:19,830 --> 00:27:16,710
cool video um

655
00:27:20,870 --> 00:27:19,840
yeah so thanks for joining us today

656
00:27:23,430 --> 00:27:20,880
we're just waiting

657
00:27:24,789 --> 00:27:23,440
on our friend the move on field

658
00:27:29,510 --> 00:27:24,799
investigator

659
00:27:32,630 --> 00:27:29,520
um to come on and we'll talk with him

660
00:27:34,310 --> 00:27:32,640
in the meantime i'll let you know

661
00:27:35,750 --> 00:27:34,320
the rest of the schedule that i have

662
00:27:38,950 --> 00:27:35,760
this week

663
00:27:41,350 --> 00:27:38,960

tomorrow i have um nick pope

664

00:27:42,070 --> 00:27:41,360

and then uh after that i have louis

665

00:27:45,430 --> 00:27:42,080

elizondo

666

00:27:48,950 --> 00:27:45,440

and on friday i have david marlar so

667

00:27:52,149 --> 00:27:48,960

um yeah it just keeps on

668

00:27:53,029 --> 00:27:52,159

going well so i'm looking forward to

669

00:27:55,909 --> 00:27:53,039

that please

670

00:27:57,750 --> 00:27:55,919

join me if you uh do have a question or

671

00:28:01,350 --> 00:27:57,760

something that you want to ask

672

00:28:05,029 --> 00:28:01,360

send me that question via email at s

673

00:28:08,470 --> 00:28:05,039

r a a s c h

674

00:28:11,510 --> 00:28:08,480

witness citizen dot com

675

00:28:14,630 --> 00:28:11,520

so yeah so without further ado

676

00:28:17,269 --> 00:28:14,640

i am going to bring in

677

00:28:18,389 --> 00:28:17,279

uh jesse peak how are you sir hey how

678

00:28:20,389 --> 00:28:18,399

you doing today sean

679

00:28:22,389 --> 00:28:20,399

oh pretty good yeah thanks for joining

680

00:28:22,950 --> 00:28:22,399

us yeah not a problem at all happy to be

681

00:28:26,950 --> 00:28:22,960

here

682

00:28:30,789 --> 00:28:26,960

yeah um i wanted to ask you

683

00:28:32,710 --> 00:28:30,799

a little bit about move funds so um

684

00:28:34,070 --> 00:28:32,720

and you just started with them as a

685

00:28:36,549 --> 00:28:34,080

field investigator like

686

00:28:38,389 --> 00:28:36,559

a few months ago was it or yeah january

687

00:28:39,750 --> 00:28:38,399

i finally graduated got all my

688

00:28:41,830 --> 00:28:39,760

work done all my classes and

689

00:28:44,630 --> 00:28:41,840

certifications finally

690

00:28:45,350 --> 00:28:44,640

but i've been a member since 2019. 2019

691

00:28:47,909 --> 00:28:45,360

okay

692

00:28:49,909 --> 00:28:47,919

how roughly how long does that take like

693

00:28:52,230 --> 00:28:49,919

the classes and everything

694

00:28:56,710 --> 00:28:52,240

well you first you gotta buy the big

695

00:29:00,549 --> 00:28:59,990

okay and uh that'll cost you about 130

696

00:29:02,870 --> 00:29:00,559

dollars

697

00:29:04,470 --> 00:29:02,880

and that comes with the test and all the

698

00:29:07,110 --> 00:29:04,480

certifications

699

00:29:08,389 --> 00:29:07,120

uh mufon has an online university just

700

00:29:09,750 --> 00:29:08,399

like if you went to school at any

701
00:29:12,070 --> 00:29:09,760
college

702
00:29:13,590 --> 00:29:12,080
and they offer astronomy classes space

703
00:29:17,190 --> 00:29:13,600
exploration classes

704
00:29:19,350 --> 00:29:17,200
um case disposition to investigations

705
00:29:20,789 --> 00:29:19,360
um and they have a bunch of other stuff

706
00:29:22,230 --> 00:29:20,799
on there as well but you got to take

707
00:29:26,070 --> 00:29:22,240
astronomy 101

708
00:29:29,110 --> 00:29:26,080
201 space exploration 101

709
00:29:31,590 --> 00:29:29,120
you have to pass a 100 question exam

710
00:29:33,269 --> 00:29:31,600
which you have to get a 80 or higher on

711
00:29:35,909 --> 00:29:33,279
um and then you got to take three one

712
00:29:38,789 --> 00:29:35,919
hour classes with the chief investigator

713
00:29:40,149 --> 00:29:38,799

okay so it's pretty extensive yeah yeah

714

00:29:43,990 --> 00:29:40,159

it seems like it

715

00:29:46,789 --> 00:29:44,000

um are you getting a lot of cases

716

00:29:48,470 --> 00:29:46,799

yeah actually uh i this is one of the

717

00:29:50,230 --> 00:29:48,480

reasons i became a field investigator

718

00:29:51,510 --> 00:29:50,240

because i did notice every month that

719

00:29:53,190 --> 00:29:51,520

pennsylvania

720

00:29:55,510 --> 00:29:53,200

is always usually in the top five of

721

00:29:58,149 --> 00:29:55,520

sightings every month

722

00:29:59,590 --> 00:29:58,159

and that's my state and um and if you

723

00:30:01,909 --> 00:29:59,600

actually look all the time i believe

724

00:30:03,990 --> 00:30:01,919

pennsylvania's fourth

725

00:30:05,750 --> 00:30:04,000

so um it's pretty much like it's there's

726

00:30:07,750 --> 00:30:05,760

i get a bunch of cases now that i'm here

727

00:30:07,990 --> 00:30:07,760

and investigating and i don't i only i

728

00:30:10,310 --> 00:30:08,000

don't

729

00:30:12,149 --> 00:30:10,320

only do cases through mufon i do private

730

00:30:15,190 --> 00:30:12,159

investigations as well

731

00:30:15,990 --> 00:30:15,200

um on my podcast and through my website

732

00:30:18,710 --> 00:30:16,000

so

733

00:30:19,990 --> 00:30:18,720

cool yeah what's the latest one you've

734

00:30:23,110 --> 00:30:20,000

worked on

735

00:30:25,590 --> 00:30:23,120

um well the one i did privately uh

736

00:30:27,350 --> 00:30:25,600

my buddy michael he uh seen my website

737

00:30:30,630 --> 00:30:27,360

and everything he contacted me

738

00:30:34,830 --> 00:30:30,640

um it has a whole bunch i would say

739

00:30:38,230 --> 00:30:34,840

it involves time stop uh time works

740

00:30:39,909 --> 00:30:38,240

um uh you've seen the way you've seen

741

00:30:42,310 --> 00:30:39,919

the craft it was as if it was

742

00:30:44,149 --> 00:30:42,320

transforming right before his eyes

743

00:30:45,830 --> 00:30:44,159

um it started out with him driving down

744

00:30:47,350 --> 00:30:45,840

the road um

745

00:30:49,029 --> 00:30:47,360

he had seen a bright light off to his

746

00:30:50,789 --> 00:30:49,039

left and this is a road that he normally

747

00:30:52,549 --> 00:30:50,799

drove down all the time

748

00:30:53,909 --> 00:30:52,559

and there was always traffic on it but

749

00:30:56,230 --> 00:30:53,919

when he was driving down and seeing this

750

00:30:58,230 --> 00:30:56,240

light there was no traffic whatsoever

751
00:30:59,909 --> 00:30:58,240
um and that was really odd to him and

752
00:31:01,509 --> 00:30:59,919
he's seeing this slightly pulls over by

753
00:31:03,029 --> 00:31:01,519
a schoolhouse where his daughter had

754
00:31:05,590 --> 00:31:03,039
usually went to school

755
00:31:07,909 --> 00:31:05,600
um and there's a farm there with slates

756
00:31:09,190 --> 00:31:07,919
in the fence about seven feet high

757
00:31:10,630 --> 00:31:09,200
and he couldn't see through the other

758
00:31:11,909 --> 00:31:10,640
side where the light was beaming down

759
00:31:15,590 --> 00:31:11,919
but when he stepped out of his

760
00:31:17,190 --> 00:31:15,600
truck he felt electricity in the air

761
00:31:18,870 --> 00:31:17,200
and then all of a sudden the slates kind

762
00:31:19,590 --> 00:31:18,880
of disappeared and he could see beyond

763
00:31:21,269 --> 00:31:19,600

the fence

764

00:31:24,070 --> 00:31:21,279

where the light was beaming down in the

765

00:31:26,950 --> 00:31:24,080

pasture onto a couple animals

766

00:31:28,950 --> 00:31:26,960

and then once he went to this yeah so

767

00:31:31,590 --> 00:31:28,960

once he stepped forward

768

00:31:32,149 --> 00:31:31,600

the beam went up and started changing

769

00:31:33,669 --> 00:31:32,159

direction

770

00:31:35,350 --> 00:31:33,679

and started moving back down the road

771

00:31:36,310 --> 00:31:35,360

and meantime no one nobody came down the

772

00:31:38,710 --> 00:31:36,320

road

773

00:31:40,310 --> 00:31:38,720

so he believes that he was time either

774

00:31:41,990 --> 00:31:40,320

stopped or he was

775

00:31:43,350 --> 00:31:42,000

something something with time had to be

776

00:31:45,029 --> 00:31:43,360

done there we're looking more into it

777

00:31:46,710 --> 00:31:45,039

now but he followed this

778

00:31:47,830 --> 00:31:46,720

craft down the road and when it turned

779

00:31:49,430 --> 00:31:47,840

off to veer off to where he couldn't

780

00:31:52,310 --> 00:31:49,440

follow it anymore

781

00:31:54,310 --> 00:31:52,320

it changed from a cigar shaped craft

782

00:31:56,789 --> 00:31:54,320

into a saucer sheet

783

00:31:58,710 --> 00:31:56,799

where this is yeah very weird so there's

784

00:32:00,310 --> 00:31:58,720

a lot of different aspects to his case

785

00:32:03,750 --> 00:32:00,320

and a lot of details

786

00:32:06,470 --> 00:32:03,760

was there was it always just one craft

787

00:32:07,190 --> 00:32:06,480

yep always one graphic yep couldn't hear

788

00:32:08,549 --> 00:32:07,200

nothing

789

00:32:10,470 --> 00:32:08,559

except for the crickets he could hear

790

00:32:11,909 --> 00:32:10,480

crickets which is why

791

00:32:13,590 --> 00:32:11,919

ah usually you don't hear anything at

792

00:32:14,710 --> 00:32:13,600

all you know what i mean but it was like

793

00:32:17,509 --> 00:32:14,720

they were they

794

00:32:18,230 --> 00:32:17,519

showed him what they wanted him to see

795

00:32:20,070 --> 00:32:18,240

well you know

796

00:32:22,549 --> 00:32:20,080

and that was only one of two encounters

797

00:32:24,789 --> 00:32:22,559

he had later that was 89

798

00:32:25,909 --> 00:32:24,799

and then in 96 he had another encounter

799

00:32:26,630 --> 00:32:25,919

while he was on the back row with

800

00:32:28,789 --> 00:32:26,640

friends

801
00:32:30,070 --> 00:32:28,799
same kind of situation he seen a craft

802
00:32:31,830 --> 00:32:30,080
the beam came down

803
00:32:33,269 --> 00:32:31,840
it was like it came back to say hello to

804
00:32:33,909 --> 00:32:33,279
him you know what i mean it was really

805
00:32:37,190 --> 00:32:33,919
odd

806
00:32:39,990 --> 00:32:37,200
wow so it was that what long ago

807
00:32:41,509 --> 00:32:40,000
yeah and that was the thing too um he's

808
00:32:42,870 --> 00:32:41,519
60 something years old

809
00:32:44,549 --> 00:32:42,880
and this is the first time he's ever

810
00:32:46,389 --> 00:32:44,559
come out and told anybody about us

811
00:32:48,549 --> 00:32:46,399
about what happened because he felt like

812
00:32:50,389 --> 00:32:48,559
he'd be looked at as a crazy person

813
00:32:52,389 --> 00:32:50,399

but ever since the pentagon came out and

814

00:32:54,549 --> 00:32:52,399

confirmed the ufos are real

815

00:32:56,389 --> 00:32:54,559

and all the releases and the ufo report

816

00:32:56,789 --> 00:32:56,399

that came out he feels more comfortable

817

00:33:00,310 --> 00:32:56,799

now

818

00:33:01,990 --> 00:33:00,320

so yeah wow that's good i'm

819

00:33:03,509 --> 00:33:02,000

glad he's able to get it off his chest

820

00:33:05,509 --> 00:33:03,519

down with you know makes you wonder how

821

00:33:07,350 --> 00:33:05,519

many more people there are like that

822

00:33:08,789 --> 00:33:07,360

yeah i know and that's that's one of the

823

00:33:10,549 --> 00:33:08,799

reasons i got into this because i want

824

00:33:12,230 --> 00:33:10,559

to help people you know and i mean i've

825

00:33:14,389 --> 00:33:12,240

had experiences myself citing

826

00:33:15,509 --> 00:33:14,399

myself and i know that there's people

827

00:33:17,029 --> 00:33:15,519

out there that hold it in

828

00:33:18,549 --> 00:33:17,039

and when you hold that kind of stuff in

829

00:33:20,789 --> 00:33:18,559

it ain't healthy first of all

830

00:33:22,389 --> 00:33:20,799

yeah and it's easier when you you can

831

00:33:23,269 --> 00:33:22,399

you know link up with somebody and get

832

00:33:25,750 --> 00:33:23,279

it off your chest

833

00:33:26,870 --> 00:33:25,760

and um totally really get your feelings

834

00:33:29,990 --> 00:33:26,880

out you know what i mean and

835

00:33:32,470 --> 00:33:30,000

he's he's 10 times happier since he

836

00:33:34,149 --> 00:33:32,480

came on the podcast and talked about it

837

00:33:36,870 --> 00:33:34,159

and you don't know how many people i get

838

00:33:38,549 --> 00:33:36,880

contacting me saying that he helped them

839

00:33:39,269 --> 00:33:38,559

you know what i mean and now they're

840

00:33:41,830 --> 00:33:39,279

going to

841

00:33:42,630 --> 00:33:41,840

go forward and try to tell their cases

842

00:33:45,350 --> 00:33:42,640

now so

843

00:33:47,190 --> 00:33:45,360

that's amazing it is the whole process

844

00:33:47,750 --> 00:33:47,200

is amazing and that's why i like doing

845

00:33:51,269 --> 00:33:47,760

this

846

00:33:53,669 --> 00:33:51,279

yeah um how many cases are you due

847

00:33:54,310 --> 00:33:53,679

full-time or part-time yeah i do this

848

00:33:57,029 --> 00:33:54,320

full-time

849

00:33:58,070 --> 00:33:57,039

so right now i have the opportunity to

850

00:33:59,269 --> 00:33:58,080

do it for another year

851
00:34:01,669 --> 00:33:59,279
full-time and then i'm probably gonna go

852
00:34:04,230 --> 00:34:01,679
to school but um right now yeah

853
00:34:05,350 --> 00:34:04,240
i'm working on two or three cases right

854
00:34:08,629 --> 00:34:05,360
now that i'm working on

855
00:34:09,349 --> 00:34:08,639
pretty cool cases um and taking us

856
00:34:11,990 --> 00:34:09,359
through

857
00:34:14,310 --> 00:34:12,000
the different things that you have to do

858
00:34:15,990 --> 00:34:14,320
in a general case

859
00:34:18,470 --> 00:34:16,000
yeah well the first thing is um it's

860
00:34:18,910 --> 00:34:18,480
either classified as a ce one two or a

861
00:34:20,470 --> 00:34:18,920
three

862
00:34:23,589 --> 00:34:20,480
[Music]

863
00:34:25,109 --> 00:34:23,599

one being just a sighting the second one

864

00:34:27,669 --> 00:34:25,119

being a sighting with evidence and the

865

00:34:32,310 --> 00:34:27,679

third one being

866

00:34:34,069 --> 00:34:32,320

seeing et with a craft and so on

867

00:34:36,069 --> 00:34:34,079

i've been getting a lot of ce ones but

868

00:34:38,310 --> 00:34:36,079

they're borderline ce2s

869

00:34:40,629 --> 00:34:38,320

um and the first thing you're going to

870

00:34:43,030 --> 00:34:40,639

do is if it's a ce1 you have to contact

871

00:34:45,430 --> 00:34:43,040

the witness within 72 hours

872

00:34:47,829 --> 00:34:45,440

uh ce2s you have to do it within 48 and

873

00:34:49,669 --> 00:34:47,839

ce3 is 24 hours

874

00:34:51,270 --> 00:34:49,679

you can do this via email or over the

875

00:34:52,550 --> 00:34:51,280

phone you have to do an interview with

876

00:34:55,109 --> 00:34:52,560

them and get all the information you

877

00:34:57,190 --> 00:34:55,119

possibly can because every bit does help

878

00:34:58,950 --> 00:34:57,200

um i even go back a second time and

879

00:35:00,230 --> 00:34:58,960

contact the witness later on a couple

880

00:35:01,910 --> 00:35:00,240

weeks later and

881

00:35:03,270 --> 00:35:01,920

ask them to give me a refresher just

882

00:35:04,550 --> 00:35:03,280

because they'll sometimes they don't

883

00:35:05,589 --> 00:35:04,560

remember things

884

00:35:07,750 --> 00:35:05,599

and they'll come out with more things

885

00:35:09,349 --> 00:35:07,760

later on down the road and

886

00:35:11,109 --> 00:35:09,359

you have no idea the difference that it

887

00:35:12,710 --> 00:35:11,119

means you know so

888

00:35:14,230 --> 00:35:12,720

once you get that done you do the

889

00:35:15,829 --> 00:35:14,240

interview um

890

00:35:17,349 --> 00:35:15,839

then you can start going through mufin

891

00:35:18,310 --> 00:35:17,359

gives you a whole bunch of tools that

892

00:35:20,950 --> 00:35:18,320

you can work with

893

00:35:23,109 --> 00:35:20,960

um looking at the planets astronomy uh

894

00:35:24,790 --> 00:35:23,119

we got flight radar 24 we can go back

895

00:35:26,870 --> 00:35:24,800

and track aircraft

896

00:35:28,470 --> 00:35:26,880

so there's a bunch of really cool

897

00:35:31,829 --> 00:35:28,480

opportunities with us

898

00:35:32,470 --> 00:35:31,839

great so what happens with the case

899

00:35:35,990 --> 00:35:32,480

after

900

00:35:38,870 --> 00:35:36,000

investigated

901
00:35:39,190 --> 00:35:38,880
um i give it this position to the case

902
00:35:41,109 --> 00:35:39,200
um

903
00:35:42,230 --> 00:35:41,119
after it gets looked over by my state

904
00:35:44,870 --> 00:35:42,240
director

905
00:35:45,589 --> 00:35:44,880
each state has is chopped up into

906
00:35:47,670 --> 00:35:45,599
sections

907
00:35:48,790 --> 00:35:47,680
so there is an overall state director of

908
00:35:50,550 --> 00:35:48,800
that whole state

909
00:35:51,990 --> 00:35:50,560
and then each section has his section

910
00:35:56,310 --> 00:35:52,000
director

911
00:35:58,790 --> 00:35:56,320
gets the okay

912
00:36:01,109 --> 00:35:58,800
and then um it goes into the cms which

913
00:36:03,510 --> 00:36:01,119

is our case management system

914

00:36:04,150 --> 00:36:03,520

um and that holds all of our cases and

915

00:36:06,630 --> 00:36:04,160

and

916

00:36:08,310 --> 00:36:06,640

it saves the data so we can start giving

917

00:36:11,030 --> 00:36:08,320

answers to what's going on and

918

00:36:12,470 --> 00:36:11,040

comparing things so we can see a pattern

919

00:36:15,030 --> 00:36:12,480

or however they work

920

00:36:16,870 --> 00:36:15,040

sure uh and they've been doing it for

921

00:36:21,109 --> 00:36:16,880

what was it 50 years

922

00:36:24,230 --> 00:36:21,119

16 uh 1969 wow

923

00:36:26,630 --> 00:36:24,240

have they found anything by now

924

00:36:28,630 --> 00:36:26,640

i mean mufon i didn't know this when i

925

00:36:29,750 --> 00:36:28,640

when i first became a field investigator

926
00:36:32,630 --> 00:36:29,760
but we actually have

927
00:36:33,990 --> 00:36:32,640
a laboratories with scientists um we

928
00:36:37,589 --> 00:36:34,000
have dive mast uh

929
00:36:39,270 --> 00:36:37,599
dive dive teams um and it's

930
00:36:40,710 --> 00:36:39,280
they've found they've got they have

931
00:36:43,750 --> 00:36:40,720
little um

932
00:36:45,670 --> 00:36:43,760
evidence they say um different rocks and

933
00:36:46,710 --> 00:36:45,680
metamaterials and stuff like that i've

934
00:36:48,390 --> 00:36:46,720
heard about

935
00:36:49,829 --> 00:36:48,400
um we have our own hanger i don't know

936
00:36:51,030 --> 00:36:49,839
if you've ever seen hanger i think it

937
00:36:53,270 --> 00:36:51,040
was hanger one on

938
00:36:54,150 --> 00:36:53,280

uh history channel and that was a mufon

939

00:36:56,390 --> 00:36:54,160

show

940

00:36:57,990 --> 00:36:56,400

um that has that's an actual real hanger

941

00:36:59,589 --> 00:36:58,000

um it's not hanger one i believe it's

942

00:37:00,310 --> 00:36:59,599

like hanger three or something like that

943

00:37:03,430 --> 00:37:00,320

but

944

00:37:06,310 --> 00:37:03,440

it's full of cases and evidence and

945

00:37:07,109 --> 00:37:06,320

you know the cms is what it does is it

946

00:37:10,150 --> 00:37:07,119

you know it

947

00:37:11,750 --> 00:37:10,160

it gives you a look at each cases so

948

00:37:13,349 --> 00:37:11,760

when something does happen in this case

949

00:37:14,470 --> 00:37:13,359

oh well then we can look at this too you

950

00:37:15,829 --> 00:37:14,480

know what i mean it's to be able to

951
00:37:17,990 --> 00:37:15,839
compare everything

952
00:37:19,990 --> 00:37:18,000
and find a pattern and that's what that

953
00:37:21,589 --> 00:37:20,000
does okay

954
00:37:24,069 --> 00:37:21,599
let me ask you this when you find a

955
00:37:27,030 --> 00:37:24,079
pattern what would you do

956
00:37:27,670 --> 00:37:27,040
well well see what i do with every case

957
00:37:29,510 --> 00:37:27,680
um

958
00:37:32,310 --> 00:37:29,520
i always go back and we can go into the

959
00:37:34,069 --> 00:37:32,320
database and search between those dates

960
00:37:35,589 --> 00:37:34,079
to see if any other patterns come up

961
00:37:37,109 --> 00:37:35,599
with anybody saying they've seen the

962
00:37:37,510 --> 00:37:37,119
same thing on a different day or the

963
00:37:39,990 --> 00:37:37,520

same

964

00:37:41,589 --> 00:37:40,000

night and then we can link up those

965

00:37:41,990 --> 00:37:41,599

people you know and i mean see if they

966

00:37:44,150 --> 00:37:42,000

see

967

00:37:45,829 --> 00:37:44,160

saw the same thing and then go from

968

00:37:47,510 --> 00:37:45,839

there um

969

00:37:49,430 --> 00:37:47,520

if it becomes a case where i need

970

00:37:51,109 --> 00:37:49,440

evidence and need to send it to the lab

971

00:37:53,430 --> 00:37:51,119

my state session director will come out

972

00:37:56,069 --> 00:37:53,440

we'll bag all the evidence up

973

00:37:57,589 --> 00:37:56,079

and there's protocols for that too um

974

00:37:59,109 --> 00:37:57,599

and we send it off to the lab we try to

975

00:38:00,150 --> 00:37:59,119

get as many answers as we can for the

976

00:38:03,030 --> 00:38:00,160

witness

977

00:38:05,109 --> 00:38:03,040

um i personally investigated until i

978

00:38:06,710 --> 00:38:05,119

cannot investigate it no more

979

00:38:08,790 --> 00:38:06,720

i mean i've had her story certain people

980

00:38:10,630 --> 00:38:08,800

don't fully investigate like they should

981

00:38:12,230 --> 00:38:10,640

but that just goes based on the person

982

00:38:15,589 --> 00:38:12,240

that's investigating your case

983

00:38:18,470 --> 00:38:15,599

yeah and they're people no matter what

984

00:38:20,630 --> 00:38:18,480

profession or whatever generally the

985

00:38:21,829 --> 00:38:20,640

same there's bad ones and good ones and

986

00:38:23,589 --> 00:38:21,839

yeah

987

00:38:25,990 --> 00:38:23,599

and it really comes down to if you truly

988

00:38:29,349 --> 00:38:26,000

care right exactly if you truly care

989

00:38:32,790 --> 00:38:31,750

well that's cool tell me about is there

990

00:38:34,870 --> 00:38:32,800

anything that

991

00:38:36,630 --> 00:38:34,880

you particularly want to talk about

992

00:38:38,550 --> 00:38:36,640

otherwise i would just ask about your

993

00:38:41,430 --> 00:38:38,560

wildest case

994

00:38:43,270 --> 00:38:41,440

yeah um i got really big into that uh

995

00:38:44,470 --> 00:38:43,280

the ufo report i know there's a big

996

00:38:47,510 --> 00:38:44,480

debate

997

00:38:50,470 --> 00:38:47,520

over um it being a bunch of bs and

998

00:38:53,430 --> 00:38:50,480

nothing new and but what i ate with move

999

00:38:58,069 --> 00:38:56,150

they did say that but i have a i have my

1000

00:38:59,750 --> 00:38:58,079

own theory to it i mean

1001
00:39:01,430 --> 00:38:59,760
you got to look at everybody that hasn't

1002
00:39:03,270 --> 00:39:01,440
been in the field and just a regular

1003
00:39:04,710 --> 00:39:03,280
person that doesn't research this stuff

1004
00:39:05,670 --> 00:39:04,720
and doesn't do this every day for a

1005
00:39:07,910 --> 00:39:05,680
living

1006
00:39:09,510 --> 00:39:07,920
yeah and what this report did was give

1007
00:39:11,910 --> 00:39:09,520
confirmation

1008
00:39:13,270 --> 00:39:11,920
to these people that ufos are real and

1009
00:39:15,670 --> 00:39:13,280
that our work

1010
00:39:17,829 --> 00:39:15,680
needs to seriously be looked at the work

1011
00:39:19,829 --> 00:39:17,839
that mufon does and other researchers

1012
00:39:21,430 --> 00:39:19,839
and investigators do every day

1013
00:39:23,430 --> 00:39:21,440

we're not just doing this for the fun of

1014

00:39:24,790 --> 00:39:23,440

it there is really something going on a

1015

00:39:25,990 --> 00:39:24,800

phenomenon here that needs to be

1016

00:39:27,829 --> 00:39:26,000

investigated

1017

00:39:29,270 --> 00:39:27,839

right so and that tells the everyday

1018

00:39:29,750 --> 00:39:29,280

person i don't know how many people that

1019

00:39:31,109 --> 00:39:29,760

i know

1020

00:39:33,190 --> 00:39:31,119

friends and family that have come over

1021

00:39:35,109 --> 00:39:33,200

recently have seen that

1022

00:39:36,870 --> 00:39:35,119

and i've showed them evidence and i

1023

00:39:37,270 --> 00:39:36,880

guess you would say it's waking someone

1024

00:39:41,030 --> 00:39:37,280

up

1025

00:39:42,710 --> 00:39:41,040

and i've done that

1026

00:39:44,790 --> 00:39:42,720

a couple times already just this past

1027

00:39:45,349 --> 00:39:44,800

month uh because of the report coming

1028

00:39:46,950 --> 00:39:45,359

out

1029

00:39:48,630 --> 00:39:46,960

um it's getting people's attention it's

1030

00:39:50,870 --> 00:39:48,640

getting the media's attention

1031

00:39:53,109 --> 00:39:50,880

more shows are coming out um you're

1032

00:39:55,910 --> 00:39:53,119

gonna get hearing soon because of andre

1033

00:39:57,349 --> 00:39:55,920

carson the um democratic representative

1034

00:39:58,230 --> 00:39:57,359

um the chair house intelligence

1035

00:40:04,309 --> 00:39:58,240

committee

1036

00:40:06,870 --> 00:40:04,319

a public hearing done about the ufo

1037

00:40:08,710 --> 00:40:06,880

report right um and more hearings done

1038

00:40:10,710 --> 00:40:08,720

and they're coming out of the woodwork

1039

00:40:11,990 --> 00:40:10,720

left and right people now supporting the

1040

00:40:14,790 --> 00:40:12,000

ufo field

1041

00:40:17,349 --> 00:40:14,800

right uh you got the deputy uh deputy

1042

00:40:19,430 --> 00:40:17,359

secretary of defense kathleen hicks

1043

00:40:21,510 --> 00:40:19,440

um she now put a mandate that all

1044

00:40:23,990 --> 00:40:21,520

military personnel have to report their

1045

00:40:25,270 --> 00:40:24,000

ufo or uap sightings within a two-week

1046

00:40:28,150 --> 00:40:25,280

occurrence

1047

00:40:28,950 --> 00:40:28,160

um you got uh representing that's too

1048

00:40:32,630 --> 00:40:28,960

long

1049

00:40:34,309 --> 00:40:32,640

better than nothing sure

1050

00:40:36,870 --> 00:40:34,319

that's what i'm saying like like

1051
00:40:39,750 --> 00:40:36,880
something uh on their person in the jet

1052
00:40:40,630 --> 00:40:39,760
like when they land they could you know

1053
00:40:43,510 --> 00:40:40,640
type in their

1054
00:40:44,790 --> 00:40:43,520
testimony did sign it and it goes where

1055
00:40:46,790 --> 00:40:44,800
it should go

1056
00:40:48,230 --> 00:40:46,800
they have a box on every jet that they

1057
00:40:50,150 --> 00:40:48,240
have to hand over

1058
00:40:52,069 --> 00:40:50,160
i mean that records everything every

1059
00:40:55,510 --> 00:40:52,079
plane that is in the sky in the military

1060
00:40:57,030 --> 00:40:55,520
owns is being recorded um so

1061
00:40:58,870 --> 00:40:57,040
yeah they get the radar and they get the

1062
00:40:59,270 --> 00:40:58,880
box off the plane and that usually goes

1063
00:41:01,910 --> 00:40:59,280

but

1064

00:41:03,430 --> 00:41:01,920

those disappear because it's the

1065

00:41:07,190 --> 00:41:03,440

cover-up

1066

00:41:08,710 --> 00:41:07,200

yeah um but yeah i mean i just find it

1067

00:41:10,630 --> 00:41:08,720

fascinating how many people are now

1068

00:41:11,990 --> 00:41:10,640

coming out of the woodwork supporting

1069

00:41:13,829 --> 00:41:12,000

what we're doing

1070

00:41:15,349 --> 00:41:13,839

you got representative representative

1071

00:41:17,430 --> 00:41:15,359

adam schiff coming out and talking about

1072

00:41:19,829 --> 00:41:17,440

the phenomenon is not a rare occurrence

1073

00:41:20,950 --> 00:41:19,839

i mean you got uh the nasa chief

1074

00:41:22,790 --> 00:41:20,960

administrator

1075

00:41:25,190 --> 00:41:22,800

talking about personally he does not

1076
00:41:27,270 --> 00:41:25,200
think that we're alone in the universe

1077
00:41:29,030 --> 00:41:27,280
and he got his scientists coming out

1078
00:41:31,349 --> 00:41:29,040
talking about that the government needs

1079
00:41:33,829 --> 00:41:31,359
to release the classified documents

1080
00:41:35,510 --> 00:41:33,839
for this for nasa to do an official

1081
00:41:35,829 --> 00:41:35,520
scientific study on this i didn't know

1082
00:41:39,349 --> 00:41:35,839
that

1083
00:41:41,190 --> 00:41:39,359
what was it uh

1084
00:41:42,790 --> 00:41:41,200
i don't know so now they're even

1085
00:41:44,069 --> 00:41:42,800
complaining about yes they're

1086
00:41:46,470 --> 00:41:44,079
complaining about it now

1087
00:41:47,670 --> 00:41:46,480
and that's that's they're a part of the

1088
00:41:48,309 --> 00:41:47,680

government in a way and they have

1089

00:41:49,990 --> 00:41:48,319

covered stuff

1090

00:41:51,589 --> 00:41:50,000

up but their scientists are getting sick

1091

00:41:53,670 --> 00:41:51,599

of it now you know

1092

00:41:55,589 --> 00:41:53,680

you want to you say you're serious about

1093

00:41:57,030 --> 00:41:55,599

this but if you were really serious you

1094

00:42:00,069 --> 00:41:57,040

would give us that data

1095

00:42:01,589 --> 00:42:00,079

and put a scientific investigation into

1096

00:42:04,230 --> 00:42:01,599

it yes why are they so

1097

00:42:05,190 --> 00:42:04,240

crazy with this stuff yeah man and now

1098

00:42:06,710 --> 00:42:05,200

japan

1099

00:42:08,630 --> 00:42:06,720

has come out with a thing too they're

1100

00:42:10,230 --> 00:42:08,640

going to respond to ufos appropriately

1101

00:42:11,910 --> 00:42:10,240

too they have a whole bill now

1102

00:42:12,870 --> 00:42:11,920

of how they're going to report them and

1103

00:42:14,069 --> 00:42:12,880

what they're how they're going to

1104

00:42:15,589 --> 00:42:14,079

investigate them

1105

00:42:17,270 --> 00:42:15,599

and this only happened because of the

1106

00:42:20,790 --> 00:42:17,280

report that came out so

1107

00:42:22,630 --> 00:42:20,800

so many things have been done because of

1108

00:42:24,069 --> 00:42:22,640

this report and i i understand people

1109

00:42:26,150 --> 00:42:24,079

say we know the

1110

00:42:27,349 --> 00:42:26,160

it's the same old information it's the

1111

00:42:29,510 --> 00:42:27,359

same old stuff but

1112

00:42:31,589 --> 00:42:29,520

it's not though yeah it's making things

1113

00:42:33,829 --> 00:42:31,599

that have never even happened

1114

00:42:35,430 --> 00:42:33,839

in i never thought my lifetime i didn't

1115

00:42:36,550 --> 00:42:35,440

think this would happen i thought i

1116

00:42:37,910 --> 00:42:36,560

would just be investigating the

1117

00:42:39,910 --> 00:42:37,920

government's never gonna

1118

00:42:42,069 --> 00:42:39,920

do this you know but yeah it's starting

1119

00:42:45,510 --> 00:42:42,079

to happen and once

1120

00:42:46,550 --> 00:42:45,520

the last uh report from our government

1121

00:42:49,510 --> 00:42:46,560

that

1122

00:42:52,790 --> 00:42:49,520

was set at anything even close to we

1123

00:42:55,270 --> 00:42:52,800

positively identified one out of 144

1124

00:42:56,550 --> 00:42:55,280

that was ridiculous that's never

1125

00:42:59,990 --> 00:42:56,560

happened

1126
00:43:03,510 --> 00:43:02,470
another 25 birds then we got a lot of

1127
00:43:06,710 --> 00:43:03,520
balloons

1128
00:43:08,470 --> 00:43:06,720
and these three percent are unidentified

1129
00:43:12,309 --> 00:43:08,480
but if we just have more

1130
00:43:15,910 --> 00:43:12,319
better information it'd be a bird too

1131
00:43:17,910 --> 00:43:15,920
right you know yeah

1132
00:43:19,030 --> 00:43:17,920
this one is is like that's what you want

1133
00:43:20,790 --> 00:43:19,040
to hear you know

1134
00:43:22,390 --> 00:43:20,800
just be honest they're unidentified

1135
00:43:23,510 --> 00:43:22,400
you're not saying what it is it's just

1136
00:43:25,510 --> 00:43:23,520
unidentified

1137
00:43:27,109 --> 00:43:25,520
yep although you know a lot of people

1138
00:43:30,790 --> 00:43:27,119

think uh they do

1139

00:43:33,589 --> 00:43:30,800

know what it is right so um

1140

00:43:34,390 --> 00:43:33,599

we have some questions actually here uh

1141

00:43:38,230 --> 00:43:34,400

do you mind

1142

00:43:39,430 --> 00:43:38,240

yeah go ahead okay um derek asks is your

1143

00:43:41,670 --> 00:43:39,440

time and effort all

1144

00:43:42,950 --> 00:43:41,680

voluntary or do they reimburse you for

1145

00:43:45,990 --> 00:43:42,960

things like fuel

1146

00:43:47,589 --> 00:43:46,000

absolutely voluntary okay so everything

1147

00:43:50,630 --> 00:43:47,599

i do i do not get paid for

1148

00:43:52,950 --> 00:43:50,640

mufon is a non-profit organization um

1149

00:43:54,470 --> 00:43:52,960

everybody is a volunteer the only people

1150

00:43:55,270 --> 00:43:54,480

that get paid are the people that work

1151

00:43:58,150 --> 00:43:55,280

at the

1152

00:44:00,230 --> 00:43:58,160

actual location the mufon headquarters

1153

00:44:01,589 --> 00:44:00,240

um that send the packages out that run

1154

00:44:03,349 --> 00:44:01,599

the store that run

1155

00:44:05,349 --> 00:44:03,359

memberships and all that there's two

1156

00:44:09,589 --> 00:44:05,359

people that get paid out of all move on

1157

00:44:12,550 --> 00:44:09,599

so i think people used to get paid there

1158

00:44:12,950 --> 00:44:12,560

as a as a field investigator i don't

1159

00:44:14,550 --> 00:44:12,960

know

1160

00:44:17,349 --> 00:44:14,560

remember his name but i was listening to

1161

00:44:19,829 --> 00:44:17,359

him talk on maybe it was coast to coast

1162

00:44:20,710 --> 00:44:19,839

but it was a while ago yeah maybe i'm

1163

00:44:24,069 --> 00:44:20,720

not sure

1164

00:44:25,670 --> 00:44:24,079

yeah but yeah it's you how are you

1165

00:44:28,390 --> 00:44:25,680

supposed to you're not getting paid

1166

00:44:29,990 --> 00:44:28,400

you know the coupons not you know

1167

00:44:33,030 --> 00:44:30,000

running commercials or

1168

00:44:34,790 --> 00:44:33,040

advertising and make monetizing

1169

00:44:36,069 --> 00:44:34,800

things you know so well that's what i

1170

00:44:38,230 --> 00:44:36,079

find fascinating about

1171

00:44:40,790 --> 00:44:38,240

mufon is the fact that everybody is a

1172

00:44:42,630 --> 00:44:40,800

volunteer so you know no one's

1173

00:44:43,829 --> 00:44:42,640

getting paid behind the scenes just to

1174

00:44:45,670 --> 00:44:43,839

say this or do that

1175

00:44:47,670 --> 00:44:45,680

you know what i mean and i know a lot of

1176

00:44:49,109 --> 00:44:47,680

people have mixed feelings about mufon

1177

00:44:51,270 --> 00:44:49,119

um i've heard people say you know they

1178

00:44:52,950 --> 00:44:51,280

don't like buffon mufan has done some

1179

00:44:53,910 --> 00:44:52,960

things that we're not fully on board

1180

00:44:55,990 --> 00:44:53,920

with

1181

00:44:56,950 --> 00:44:56,000

um and i believe some things have

1182

00:45:00,390 --> 00:44:56,960

happened yes

1183

00:45:01,670 --> 00:45:00,400

and now that our new director has taken

1184

00:45:04,950 --> 00:45:01,680

over within the last year

1185

00:45:08,870 --> 00:45:04,960

dave mcdonald he's made a lot of changes

1186

00:45:12,710 --> 00:45:08,880

everybody knows the jan horizon story um

1187

00:45:14,069 --> 00:45:12,720

and mcdonald has created new teams

1188

00:45:15,910 --> 00:45:14,079

within mufon

1189

00:45:18,390 --> 00:45:15,920

we now have the ert team which is the

1190

00:45:19,589 --> 00:45:18,400

experience resource team and they deal

1191

00:45:22,710 --> 00:45:19,599

with everybody that within

1192

00:45:24,230 --> 00:45:22,720

abductions um experiences and kathleen

1193

00:45:27,030 --> 00:45:24,240

martin runs that program

1194

00:45:27,910 --> 00:45:27,040

who is denise and betty and barney hill

1195

00:45:29,829 --> 00:45:27,920

um

1196

00:45:31,510 --> 00:45:29,839

and they also got the dive team up and

1197

00:45:32,069 --> 00:45:31,520

going more because there was only one

1198

00:45:35,109 --> 00:45:32,079

person

1199

00:45:37,510 --> 00:45:35,119

the state director of um colorado or

1200

00:45:39,349 --> 00:45:37,520

missouri was the only dive person we had

1201

00:45:41,910 --> 00:45:39,359

now we got like a whole team

1202

00:45:42,630 --> 00:45:41,920

and we've got two locations now for our

1203

00:45:45,349 --> 00:45:42,640

headquarters

1204

00:45:47,510 --> 00:45:45,359

new one in ohio and we have the original

1205

00:45:49,109 --> 00:45:47,520

one in california now so we're more

1206

00:45:51,910 --> 00:45:49,119

we're trying to spread more and trying

1207

00:45:53,750 --> 00:45:51,920

to make more tools for our investigators

1208

00:45:55,510 --> 00:45:53,760

to have to be able to investigate

1209

00:45:56,950 --> 00:45:55,520

everybody's sightings to the fullest

1210

00:45:58,710 --> 00:45:56,960

yeah so

1211

00:46:00,589 --> 00:45:58,720

do you have any tools that you bring

1212

00:46:02,870 --> 00:46:00,599

like a

1213

00:46:03,750 --> 00:46:02,880

electromagnetic detector or anything

1214

00:46:06,309 --> 00:46:03,760

like that

1215

00:46:07,910 --> 00:46:06,319

yeah i got a couple um i always got

1216

00:46:09,829 --> 00:46:07,920

number one thing i always have is my uh

1217

00:46:10,790 --> 00:46:09,839

binoculars that has a built-in camera

1218

00:46:13,349 --> 00:46:10,800

attached to it

1219

00:46:13,990 --> 00:46:13,359

oh yeah you can zoom in and then it's

1220

00:46:16,150 --> 00:46:14,000

clear as well

1221

00:46:17,589 --> 00:46:16,160

it's clear as day anything you look at

1222

00:46:18,550 --> 00:46:17,599

is if you zoom all the way in you can

1223

00:46:20,390 --> 00:46:18,560

snap pictures

1224

00:46:21,589 --> 00:46:20,400

and you can put them post them right up

1225

00:46:23,670 --> 00:46:21,599

on the computer

1226

00:46:24,950 --> 00:46:23,680

and that's that's one of my favorite

1227

00:46:26,870 --> 00:46:24,960

tools but um

1228

00:46:28,150 --> 00:46:26,880

yeah i got like all kinds of different

1229

00:46:30,390 --> 00:46:28,160

cameras and setups

1230

00:46:31,190 --> 00:46:30,400

um i'm still building my arsenal but

1231

00:46:33,349 --> 00:46:31,200

sure

1232

00:46:34,309 --> 00:46:33,359

yeah well that's what i don't know too

1233

00:46:37,109 --> 00:46:34,319

so that's part of it

1234

00:46:38,550 --> 00:46:37,119

it comes out of my own pocket so yeah

1235

00:46:41,990 --> 00:46:38,560

it's not cheap either

1236

00:46:43,750 --> 00:46:42,000

yeah no um we have something from scott

1237

00:46:45,990 --> 00:46:43,760

brown he said he left mufon years ago

1238

00:46:46,630 --> 00:46:46,000

because of stonewalling maybe jesse can

1239

00:46:49,030 --> 00:46:46,640

help me

1240

00:46:53,109 --> 00:46:49,040

get info from one of the cases

1241

00:46:56,870 --> 00:46:55,109

do you have access to all that stuff i

1242

00:46:59,750 --> 00:46:56,880

have i have access to all the cases

1243

00:47:01,190 --> 00:46:59,760

if you need it but i don't know about

1244

00:47:02,710 --> 00:47:01,200

sharing it and how that goes i know it's

1245

00:47:04,550 --> 00:47:02,720

a real private thing you're not allowed

1246

00:47:05,910 --> 00:47:04,560

to share information not even emails of

1247

00:47:07,990 --> 00:47:05,920

other investigators unless you're

1248

00:47:11,109 --> 00:47:08,000

involved to move on unfortunately but

1249

00:47:12,150 --> 00:47:11,119

sure yeah if i can help in any way i i'm

1250

00:47:14,150 --> 00:47:12,160

more than happy to help

1251
00:47:15,270 --> 00:47:14,160
but yeah there's only so much i can do

1252
00:47:17,510 --> 00:47:15,280
and i don't want to get in trouble

1253
00:47:18,710 --> 00:47:17,520
you know hey you're a volunteer you

1254
00:47:22,470 --> 00:47:18,720
wouldn't lose any money

1255
00:47:27,109 --> 00:47:22,480
no i'm just kidding um

1256
00:47:31,430 --> 00:47:28,790
do you think well give me your thoughts

1257
00:47:33,349 --> 00:47:31,440
on uh i guess disclosure and where we're

1258
00:47:35,750 --> 00:47:33,359
at in the process and

1259
00:47:38,549 --> 00:47:35,760
what do you see happening in the next

1260
00:47:41,510 --> 00:47:38,559
six to 12 months

1261
00:47:41,829 --> 00:47:41,520
so i don't think disclosure is any one

1262
00:47:45,109 --> 00:47:41,839
thing

1263
00:47:47,910 --> 00:47:45,119

believes it's a process

1264

00:47:50,390 --> 00:47:47,920

and that's how i believe it too um the

1265

00:47:51,829 --> 00:47:50,400

start of this ufo report

1266

00:47:53,349 --> 00:47:51,839

like i already stated all the people

1267

00:47:53,990 --> 00:47:53,359

coming out of the woodwork now we have

1268

00:47:55,750 --> 00:47:54,000

that

1269

00:47:57,510 --> 00:47:55,760

um i do believe there will be some type

1270

00:47:59,829 --> 00:47:57,520

of hearing coming out

1271

00:48:02,390 --> 00:47:59,839

and if everybody noticed on the ufo

1272

00:48:05,030 --> 00:48:02,400

report it did say preliminary

1273

00:48:05,430 --> 00:48:05,040

assessment which means that is the first

1274

00:48:07,109 --> 00:48:05,440

one

1275

00:48:08,470 --> 00:48:07,119

that's coming out so there will be more

1276

00:48:11,589 --> 00:48:08,480

of those

1277

00:48:13,829 --> 00:48:11,599

um i would just wish they would

1278

00:48:15,270 --> 00:48:13,839

give some more on more classified

1279

00:48:16,549 --> 00:48:15,280

information out or at least start

1280

00:48:19,349 --> 00:48:16,559

working with nasa like

1281

00:48:20,710 --> 00:48:19,359

like these people want because i think

1282

00:48:22,549 --> 00:48:20,720

the scientific part

1283

00:48:24,470 --> 00:48:22,559

is something that's highly needed you

1284

00:48:25,270 --> 00:48:24,480

got people like neil degrassi who is

1285

00:48:27,349 --> 00:48:25,280

just

1286

00:48:28,470 --> 00:48:27,359

on everybody's nerves right now talking

1287

00:48:32,470 --> 00:48:28,480

a bunch of trash

1288

00:48:35,589 --> 00:48:32,480

yeah but um that's always gonna happen

1289

00:48:37,430 --> 00:48:35,599

yeah until you know

1290

00:48:38,790 --> 00:48:37,440

but he has he's like got like three

1291

00:48:39,670 --> 00:48:38,800

million followers that people are going

1292

00:48:40,870 --> 00:48:39,680

to listen to

1293

00:48:43,750 --> 00:48:40,880

you know i mean there's nothing we can

1294

00:48:46,870 --> 00:48:45,430

but i try to stay positive with

1295

00:48:49,589 --> 00:48:46,880

everything and um

1296

00:48:51,430 --> 00:48:49,599

yeah i i hope that i hope we get more

1297

00:48:53,270 --> 00:48:51,440

information that does come out

1298

00:48:55,190 --> 00:48:53,280

i mean if you did notice we did get

1299

00:48:57,910 --> 00:48:55,200

information in that report though too

1300

00:48:58,549 --> 00:48:57,920

that the united states government has

1301
00:49:01,750 --> 00:48:58,559
more than

1302
00:49:03,750 --> 00:49:01,760
not just witnesses uh testimony and

1303
00:49:06,950 --> 00:49:03,760
evidence but they have radar

1304
00:49:10,230 --> 00:49:06,960
weapon sensor right um they have a

1305
00:49:11,910 --> 00:49:10,240
gun for gun camera footage um

1306
00:49:13,910 --> 00:49:11,920
not just one radar but multiple

1307
00:49:16,230 --> 00:49:13,920
different radar systems

1308
00:49:17,109 --> 00:49:16,240
so they have the evidence you know what

1309
00:49:18,790 --> 00:49:17,119
i mean they just

1310
00:49:21,270 --> 00:49:18,800
are choosing not to share it with us

1311
00:49:24,790 --> 00:49:21,280
yeah you know

1312
00:49:26,870 --> 00:49:24,800
well um you know it's

1313
00:49:28,549 --> 00:49:26,880

you think of what the scenario could be

1314

00:49:30,630 --> 00:49:28,559

like what's the worst case scenario of

1315

00:49:33,190 --> 00:49:30,640

what a picture would do if they should

1316

00:49:33,829 --> 00:49:33,200

you know i see it why they can't share

1317

00:49:36,230 --> 00:49:33,839

it

1318

00:49:38,069 --> 00:49:36,240

like what does that have to be even if

1319

00:49:40,390 --> 00:49:38,079

it's uh

1320

00:49:41,589 --> 00:49:40,400

you know the the more real it looks but

1321

00:49:43,190 --> 00:49:41,599

also crazy

1322

00:49:44,630 --> 00:49:43,200

i think people are just gonna think it's

1323

00:49:46,549 --> 00:49:44,640

fake anyways

1324

00:49:48,549 --> 00:49:46,559

yeah because it's been it's been done

1325

00:49:50,470 --> 00:49:48,559

like that for so long

1326

00:49:52,710 --> 00:49:50,480

you know because this is going to be cgi

1327

00:49:56,069 --> 00:49:52,720

how do i know that's that's easy

1328

00:49:58,390 --> 00:49:56,079

yeah you know and then you got dr greer

1329

00:50:01,349 --> 00:49:58,400

with his new cosmic hoax shove

1330

00:50:03,109 --> 00:50:01,359

uh movie and um he's putting it in

1331

00:50:05,030 --> 00:50:03,119

people's heads now that it's a lot of

1332

00:50:08,790 --> 00:50:05,040

our own aircraft which

1333

00:50:10,790 --> 00:50:08,800

i believe some of it is yeah um

1334

00:50:12,069 --> 00:50:10,800

but he's trying to say that most of it

1335

00:50:13,670 --> 00:50:12,079

is our stuff

1336

00:50:15,109 --> 00:50:13,680

um yeah which i don't know if we

1337

00:50:17,109 --> 00:50:15,119

actually have the answers to that

1338

00:50:18,790 --> 00:50:17,119

what does that mean most of it like does

1339

00:50:21,510 --> 00:50:18,800

it mean nine ten of them

1340

00:50:23,349 --> 00:50:21,520

out of 25 of them what's the percentage

1341

00:50:27,589 --> 00:50:23,359

did you get that off a document

1342

00:50:30,630 --> 00:50:27,599

like he's just gone most of them

1343

00:50:34,069 --> 00:50:30,640

right okay how how do you know that

1344

00:50:36,549 --> 00:50:34,079

yeah you know absolutely but

1345

00:50:39,190 --> 00:50:36,559

and then i was listening last night um

1346

00:50:42,549 --> 00:50:39,200

got tom carry and don schmidt on uh

1347

00:50:44,309 --> 00:50:42,559

universal secrets um they were talking

1348

00:50:45,910 --> 00:50:44,319

about how stephen greer

1349

00:50:48,470 --> 00:50:45,920

you know they feel like he really fell

1350

00:50:50,230 --> 00:50:48,480

off the wagon on what he was

1351
00:50:51,829 --> 00:50:50,240
the direction he was going in was such a

1352
00:50:53,270 --> 00:50:51,839
good direction when holding the

1353
00:50:56,630 --> 00:50:53,280
national press clubs and getting

1354
00:51:00,230 --> 00:50:56,640
everybody together and working as a team

1355
00:51:01,990 --> 00:51:00,240
and fighting for disclosure with these

1356
00:51:04,069 --> 00:51:02,000
with the people that came like the

1357
00:51:05,349 --> 00:51:04,079
senators and the representatives that

1358
00:51:07,030 --> 00:51:05,359
were there listening to them

1359
00:51:08,390 --> 00:51:07,040
and he did it a second time and then he

1360
00:51:10,470 --> 00:51:08,400
kind of just

1361
00:51:12,790 --> 00:51:10,480
went his own way and now it's all the

1362
00:51:15,349 --> 00:51:12,800
way he thinks it is and that's that yeah

1363
00:51:17,030 --> 00:51:15,359

um i'm all about networking with people

1364

00:51:18,549 --> 00:51:17,040

and i feel like

1365

00:51:20,390 --> 00:51:18,559

there's that big thing on twitter too

1366

00:51:23,109 --> 00:51:20,400

everyone thinks uh it's

1367

00:51:24,390 --> 00:51:23,119

interdimensional or it's either et's

1368

00:51:26,230 --> 00:51:24,400

from different planets

1369

00:51:28,390 --> 00:51:26,240

why can't it be both right we're

1370

00:51:30,790 --> 00:51:28,400

open-minded enough to believe in our

1371

00:51:31,750 --> 00:51:30,800

phenomenon but we can't we can't be open

1372

00:51:33,670 --> 00:51:31,760

enough to

1373

00:51:35,510 --> 00:51:33,680

it could be anything all doors you know

1374

00:51:37,190 --> 00:51:35,520

what i mean right and how would you even

1375

00:51:37,910 --> 00:51:37,200

know if one's true over the other at

1376

00:51:40,549 --> 00:51:37,920

this point

1377

00:51:42,630 --> 00:51:40,559

exactly too soon which way to even say

1378

00:51:43,430 --> 00:51:42,640

that and commit to it is ridiculous in

1379

00:51:45,030 --> 00:51:43,440

itself

1380

00:51:46,710 --> 00:51:45,040

right we need to make sure that

1381

00:51:48,470 --> 00:51:46,720

everybody knows they're real first

1382

00:51:49,910 --> 00:51:48,480

before we can dive into

1383

00:51:51,589 --> 00:51:49,920

what where they are where they're coming

1384

00:51:55,190 --> 00:51:51,599

from you know totally yeah

1385

00:51:57,910 --> 00:51:55,200

so you have to find out more absolutely

1386

00:51:58,630 --> 00:51:57,920

i think where a lot of the problem kind

1387

00:52:01,670 --> 00:51:58,640

of comes in

1388

00:52:04,870 --> 00:52:01,680

is i think people

1389

00:52:08,390 --> 00:52:04,880

some people use this kind of stuff as

1390

00:52:11,109 --> 00:52:08,400

a crutch to kind of make things more

1391

00:52:14,390 --> 00:52:11,119

interesting than they possibly are

1392

00:52:17,589 --> 00:52:14,400

you know absolutely and they fabricate

1393

00:52:20,230 --> 00:52:17,599

and stick to um their

1394

00:52:21,109 --> 00:52:20,240

theories as because it kind of becomes

1395

00:52:24,390 --> 00:52:21,119

something to

1396

00:52:26,150 --> 00:52:24,400

defend and believe in right and live for

1397

00:52:27,270 --> 00:52:26,160

more than it is something that's real

1398

00:52:30,549 --> 00:52:27,280

that they

1399

00:52:33,670 --> 00:52:30,559

think you know absolutely so

1400

00:52:34,230 --> 00:52:33,680

but if just realize you can do that same

1401

00:52:36,390 --> 00:52:34,240

thing

1402

00:52:38,309 --> 00:52:36,400

by just being in the community asking

1403

00:52:41,510 --> 00:52:38,319

for more information with everyone else

1404

00:52:43,670 --> 00:52:41,520

right right yeah and that's the thing

1405

00:52:44,549 --> 00:52:43,680

like i'm open-minded and i'll listen to

1406

00:52:47,670 --> 00:52:44,559

anybody

1407

00:52:48,630 --> 00:52:47,680

an encounter if you want to share

1408

00:52:51,109 --> 00:52:48,640

something with me

1409

00:52:53,670 --> 00:52:51,119

i'm i'm happy to listen all over my ears

1410

00:52:55,270 --> 00:52:53,680

no problem i'm open-minded to everything

1411

00:52:56,710 --> 00:52:55,280

and i'm not going to judge you you know

1412

00:52:59,109 --> 00:52:56,720

what i mean and i think that's how more

1413

00:53:01,589 --> 00:52:59,119

people need to start to be in this field

1414

00:53:03,190 --> 00:53:01,599

because they're set on one thing but yet

1415

00:53:04,390 --> 00:53:03,200

they're judging another person on what

1416

00:53:08,069 --> 00:53:04,400

you're doing over here

1417

00:53:08,950 --> 00:53:08,079

yeah and i just i try to be as positive

1418

00:53:12,069 --> 00:53:08,960

as possible

1419

00:53:14,630 --> 00:53:12,079

and you know i hate

1420

00:53:16,710 --> 00:53:14,640

when i do this but he is the one that

1421

00:53:19,589 --> 00:53:16,720

said it so what am i going to do

1422

00:53:20,870 --> 00:53:19,599

mick west has said you can't be an

1423

00:53:23,670 --> 00:53:20,880

expert at the unknown

1424

00:53:24,390 --> 00:53:23,680

you know right and that's actually a

1425

00:53:27,430 --> 00:53:24,400

good quote

1426

00:53:29,510 --> 00:53:27,440

it is no one is an expert on ufos really

1427

00:53:30,630 --> 00:53:29,520

yeah no one knows all no one has all the

1428

00:53:33,270 --> 00:53:30,640

answers

1429

00:53:34,150 --> 00:53:33,280

you know we try we can we can do the the

1430

00:53:36,230 --> 00:53:34,160

work and

1431

00:53:37,910 --> 00:53:36,240

and the research and try to have the

1432

00:53:40,470 --> 00:53:37,920

best answers possible but

1433

00:53:42,309 --> 00:53:40,480

yeah no one has all the answers and even

1434

00:53:43,190 --> 00:53:42,319

if you do think you have all the answers

1435

00:53:44,950 --> 00:53:43,200

that's fine

1436

00:53:46,710 --> 00:53:44,960

you but just don't tell people just know

1437

00:53:48,150 --> 00:53:46,720

you have the answers and guide them to

1438

00:53:49,360 --> 00:53:48,160

what you think is right

1439

00:53:52,069 --> 00:53:49,370

right

1440

00:53:53,670 --> 00:53:52,079

[Laughter]

1441

00:53:55,109 --> 00:53:53,680

just remember every time you point one

1442

00:53:55,829 --> 00:53:55,119

finger at someone you got how many

1443

00:53:59,190 --> 00:53:55,839

pointing back

1444

00:54:03,589 --> 00:53:59,200

yeah three unless you got a curved thumb

1445

00:54:03,599 --> 00:54:08,870

well cool yeah

1446

00:54:08,880 --> 00:54:15,190

uh uh-oh am i by myself

1447

00:54:15,200 --> 00:54:18,630

what happened

1448

00:54:30,630 --> 00:54:25,109

oh no i think i'm the only one left

1449

00:54:30,640 --> 00:54:40,069

oh man what do i do here

1450

00:54:40,079 --> 00:54:44,950

oh man

1451
00:54:48,470 --> 00:54:47,109
let's find out what's going on here

1452
00:54:55,670 --> 00:54:48,480
sorry everybody

1453
00:54:55,680 --> 00:55:04,829
can you hear me sean

1454
00:55:14,789 --> 00:55:06,950
sean

1455
00:55:14,799 --> 00:55:18,829
i'll tell you what i'm gonna back out i

1456
00:55:18,839 --> 00:58:43,990
guess

1457
00:58:47,589 --> 00:58:46,230
hey i don't know i don't know if you can

1458
00:58:51,030 --> 00:58:47,599
hear me sorry about that

1459
00:58:53,270 --> 00:58:51,040
um my internet just went down so

1460
00:58:54,230 --> 00:58:53,280
i have to like reboot stuff and

1461
00:58:57,510 --> 00:58:54,240
everything

1462
00:59:00,710 --> 00:58:57,520
um so i'm just gonna have to call it but

1463
00:59:01,430 --> 00:59:00,720

jesse will bring you back on and we'll

1464

00:59:06,150 --> 00:59:01,440

do

1465

00:59:07,829 --> 00:59:06,160

yeah sorry about that man we'll get it

1466

00:59:10,309 --> 00:59:07,839

fixed sorry guys

1467

00:59:12,150 --> 00:59:10,319

i'll get my internet fixed i have to

1468

00:59:15,510 --> 00:59:12,160

reset the router

1469

00:59:16,470 --> 00:59:15,520

so dumb but yeah thanks for hanging in

1470

00:59:20,230 --> 00:59:16,480

there

1471

00:59:22,710 --> 00:59:20,240

um and jesse thank you for everything

1472

00:59:23,990 --> 00:59:22,720

and we'll um bring it back and do it
