

NORM DUKE

1
00:00:08,450 --> 00:00:03,669
we

2
00:00:14,910 --> 00:00:11,150
[Music]

3
00:00:14,920 --> 00:00:26,790
we can touch like

4
00:00:26,800 --> 00:00:31,390
we can do

5
00:00:38,630 --> 00:00:32,580
[Applause]

6
00:00:52,869 --> 00:00:44,060
we can't touch lightning

7
00:00:54,790 --> 00:00:52,879
[Music]

8
00:00:56,310 --> 00:00:54,800
what's up everybody thanks for joining

9
00:00:59,510 --> 00:00:56,320
me today

10
00:01:02,310 --> 00:00:59,520
uh this is the second interview i've had

11
00:01:04,070 --> 00:01:02,320
um earlier we were lucky enough to have

12
00:01:06,630 --> 00:01:04,080
mr nick pope

13
00:01:07,429 --> 00:01:06,640

um and that well nick pope is a super

14

00:01:11,030 --> 00:01:07,439

guy

15

00:01:11,350 --> 00:01:11,040

uh very nice um and i can confirm he is

16

00:01:14,390 --> 00:01:11,360

not

17

00:01:17,510 --> 00:01:14,400

a robot he is a real person um

18

00:01:20,149 --> 00:01:17,520

and yeah we had a great talk so

19

00:01:24,390 --> 00:01:20,159

i know you know as much as i'd like to

20

00:01:27,429 --> 00:01:24,400

think that all you guys are here for me

21

00:01:28,710 --> 00:01:27,439

um i'm also very grounded in reality i'd

22

00:01:32,469 --> 00:01:28,720

like to think

23

00:01:34,789 --> 00:01:32,479

so i won't uh leave you waiting anymore

24

00:01:40,390 --> 00:01:34,799

but i do have a special way

25

00:01:43,749 --> 00:01:40,400

to introduce lou today coming up

26

00:01:43,759 --> 00:01:56,630

head of your disclosure

27

00:01:56,640 --> 00:01:59,670

where is it

28

00:01:59,680 --> 00:02:02,789

how are you

29

00:02:07,190 --> 00:02:05,270

that's uh that's very clever i've never

30

00:02:07,590 --> 00:02:07,200

had an intro done like that thank you so

31

00:02:09,430 --> 00:02:07,600

much

32

00:02:11,750 --> 00:02:09,440

it's already original we're starting

33

00:02:11,750 --> 00:02:11,760

good

34

00:02:15,910 --> 00:02:14,790

yeah that's uh was a uh you know funny

35

00:02:17,190 --> 00:02:15,920

because um

36

00:02:19,030 --> 00:02:17,200

it sounded like a little bit like an

37

00:02:21,030 --> 00:02:19,040

echo chamber and i remember sometimes in

38

00:02:23,190 --> 00:02:21,040

the pentagon when i was trying to

39

00:02:24,949 --> 00:02:23,200

to get the attention of some seniors it

40

00:02:29,030 --> 00:02:24,959

was very much like that just this

41

00:02:32,630 --> 00:02:29,040

this echo matters

42

00:02:35,350 --> 00:02:32,640

right yeah um sean thank you so much for

43

00:02:36,949 --> 00:02:35,360

for having me um and i mean it sincerely

44

00:02:37,509 --> 00:02:36,959

and thank you to your to your wonderful

45

00:02:39,910 --> 00:02:37,519

audience

46

00:02:40,949 --> 00:02:39,920

um this last week i've been a bit uh

47

00:02:42,869 --> 00:02:40,959

missing in action

48

00:02:44,390 --> 00:02:42,879

chris mellon and i have been doing some

49

00:02:46,550 --> 00:02:44,400

work um

50

00:02:47,589 --> 00:02:46,560

that will probably the fruits of those

51

00:02:49,430 --> 00:02:47,599

labors will

52

00:02:50,710 --> 00:02:49,440

will become self-evident hopefully here

53

00:02:52,790 --> 00:02:50,720

very soon

54

00:02:55,030 --> 00:02:52,800

but we've been working very very hard

55

00:02:57,430 --> 00:02:55,040

and a lot of time it takes us

56

00:02:59,430 --> 00:02:57,440

a lot of times it takes us actually

57

00:03:01,750 --> 00:02:59,440

leaving where we are and having to go

58

00:03:03,750 --> 00:03:01,760

somewhere else in this particular case

59

00:03:05,830 --> 00:03:03,760

we were in colorado springs for about

60

00:03:07,670 --> 00:03:05,840

for about a better part of a week so

61

00:03:10,309 --> 00:03:07,680

we're a little bit incommunicado

62

00:03:11,589 --> 00:03:10,319

uh but we are now back uh in the saddle

63

00:03:14,070 --> 00:03:11,599

so to speak

64

00:03:15,270 --> 00:03:14,080

and um if i may just touch you know real

65

00:03:17,990 --> 00:03:15,280

quick um

66

00:03:18,470 --> 00:03:18,000

thank you for for that that other intro

67

00:03:22,390 --> 00:03:18,480

you did

68

00:03:23,830 --> 00:03:22,400

with uh with the music you know uh music

69

00:03:26,630 --> 00:03:23,840

a lot of people don't realize that music

70

00:03:29,750 --> 00:03:26,640

is a very intimate form of communication

71

00:03:30,949 --> 00:03:29,760

and uh whereas perhaps uh even more so

72

00:03:34,229 --> 00:03:30,959

than spoken words

73

00:03:37,430 --> 00:03:34,239

you know words words portray thoughts

74

00:03:38,390 --> 00:03:37,440

whereas music portrays emotion and and

75

00:03:40,070 --> 00:03:38,400

intent

76

00:03:41,670 --> 00:03:40,080

uh something even a little bit more

77

00:03:42,949 --> 00:03:41,680

intimate and um

78

00:03:45,589 --> 00:03:42,959

you know some would say even more

79

00:03:46,390 --> 00:03:45,599

truthful right so whereas words speak

80

00:03:49,110 --> 00:03:46,400

the brain

81

00:03:51,030 --> 00:03:49,120

uh music speaks the heart and so um

82

00:03:53,110 --> 00:03:51,040

thank you thank you for that very much

83

00:03:54,149 --> 00:03:53,120

yeah man it was my pleasure i see out

84

00:03:57,509 --> 00:03:54,159

there just getting

85

00:04:00,309 --> 00:03:57,519

basically beat up a lot

86

00:04:01,030 --> 00:04:00,319

and i know what now i don't know what

87

00:04:04,309 --> 00:04:01,040

it's like

88

00:04:04,789 --> 00:04:04,319

on your level but i've had my own beaten

89

00:04:05,990 --> 00:04:04,799

up

90

00:04:08,070 --> 00:04:06,000

and i know what that's like and i have

91

00:04:11,270 --> 00:04:08,080

compassion for that because you're doing

92

00:04:14,070 --> 00:04:11,280

such good and hard

93

00:04:16,229 --> 00:04:14,080

work and i can't imagine what that's

94

00:04:18,710 --> 00:04:16,239

like to be

95

00:04:20,390 --> 00:04:18,720

um just have tomatoes tossed at you well

96

00:04:21,430 --> 00:04:20,400

you know fortunately that the tomatoes

97

00:04:23,030 --> 00:04:21,440

don't it

98

00:04:25,270 --> 00:04:23,040

when they come from from from the

99

00:04:27,590 --> 00:04:25,280

government i take it a little bit more

100

00:04:29,830 --> 00:04:27,600

more seriously you know a lot of the

101
00:04:32,469 --> 00:04:29,840
crap you see on on social media is

102
00:04:33,270 --> 00:04:32,479
is just noise uh it's just you know

103
00:04:34,870 --> 00:04:33,280
people who

104
00:04:37,030 --> 00:04:34,880
are jealous or they're trying to protect

105
00:04:39,430 --> 00:04:37,040
their their little cottage industry

106
00:04:41,350 --> 00:04:39,440
uh and and they do silly things um i

107
00:04:41,990 --> 00:04:41,360
will tell you i haven't uh spoke about

108
00:04:45,350 --> 00:04:42,000
this publicly

109
00:04:47,909 --> 00:04:45,360
yet but um i suspect that uh

110
00:04:48,870 --> 00:04:47,919
this is gonna be an interesting week um

111
00:04:50,790 --> 00:04:48,880
i think

112
00:04:52,150 --> 00:04:50,800
uh there are some voices that haven't

113
00:04:55,350 --> 00:04:52,160

been heard yet

114

00:04:57,030 --> 00:04:55,360

and um you know hopefully you know

115

00:04:58,390 --> 00:04:57,040

unfortunately social media can be fickle

116

00:05:01,909 --> 00:04:58,400

sometimes uh

117

00:05:03,909 --> 00:05:01,919

i i tend to have um higher hopes um

118

00:05:05,270 --> 00:05:03,919

than than most i think most people can

119

00:05:07,189 --> 00:05:05,280

see through the ruse

120

00:05:09,189 --> 00:05:07,199

most people have a you know a fairly

121

00:05:09,990 --> 00:05:09,199

fairly decent amount of gray matter

122

00:05:13,430 --> 00:05:10,000

between their ears

123

00:05:16,710 --> 00:05:13,440

and and can sniff out um bs you know

124

00:05:17,749 --> 00:05:16,720

and yeah that's uh you know for me i've

125

00:05:19,110 --> 00:05:17,759

always said you know

126

00:05:20,950 --> 00:05:19,120

even going back to three years ago you

127

00:05:22,550 --> 00:05:20,960

know the the truth always speaks

128

00:05:25,029 --> 00:05:22,560

sometimes she whispers but she always

129

00:05:28,469 --> 00:05:25,039

speaks uh so you have to listen

130

00:05:29,749 --> 00:05:28,479

um but um yeah it's gonna be it's gonna

131

00:05:32,070 --> 00:05:29,759

be pretty interesting i think

132

00:05:33,909 --> 00:05:32,080

when people when the when the when the

133

00:05:36,710 --> 00:05:33,919

shoe drops people are gonna kind of go

134

00:05:37,350 --> 00:05:36,720

whoa uh my hope is that it will be it

135

00:05:40,710 --> 00:05:37,360

will

136

00:05:43,350 --> 00:05:40,720

wake them up

137

00:05:45,270 --> 00:05:43,360

uh to the reality of the dangers of the

138

00:05:47,350 --> 00:05:45,280

these cults of personality that we have

139

00:05:49,990 --> 00:05:47,360

in this community unfortunately

140

00:05:50,710 --> 00:05:50,000

um but uh you know it is it is a real

141

00:05:53,270 --> 00:05:50,720

danger

142

00:05:55,590 --> 00:05:53,280

there are people out there not just in

143

00:05:57,670 --> 00:05:55,600

the ufo community but but out there that

144

00:05:59,990 --> 00:05:57,680

that prey upon people and they take

145

00:06:02,309 --> 00:06:00,000

advantage of them and they will

146

00:06:03,990 --> 00:06:02,319

uh not only you know take their money

147

00:06:04,629 --> 00:06:04,000

but they'll take their heart and soul if

148

00:06:06,950 --> 00:06:04,639

they can

149

00:06:07,990 --> 00:06:06,960

um because that's the way certain people

150

00:06:09,510 --> 00:06:08,000

are so

151

00:06:10,710 --> 00:06:09,520

uh the good news is that like i said i

152

00:06:13,510 --> 00:06:10,720

think people are smarter than that i

153

00:06:14,230 --> 00:06:13,520

don't mind tomatoes being thrown by uh

154

00:06:17,189 --> 00:06:14,240

you know there's something you don't

155

00:06:19,510 --> 00:06:17,199

heard anyways no no and you know what

156

00:06:21,909 --> 00:06:19,520

there's an old saying you're judged uh

157

00:06:24,469 --> 00:06:21,919

you know how uh i guess how uh

158

00:06:26,629 --> 00:06:24,479

how influential you are by by by the

159

00:06:28,150 --> 00:06:26,639

types of enemies you have right so

160

00:06:30,309 --> 00:06:28,160

if those are my enemies i'm obviously

161

00:06:32,790 --> 00:06:30,319

not very influential

162

00:06:34,230 --> 00:06:32,800

yeah well well then maybe that doesn't

163

00:06:37,830 --> 00:06:34,240

make so much sense i don't know

164

00:06:39,270 --> 00:06:37,840

but um i did want to start it's funny

165

00:06:41,270 --> 00:06:39,280

you mentioned that song because i was

166

00:06:42,469 --> 00:06:41,280

i was going to play it for you and i had

167

00:06:44,230 --> 00:06:42,479

the lyrics i

168

00:06:45,670 --> 00:06:44,240

emailed them to you and i want you to

169

00:06:46,950 --> 00:06:45,680

sing them with me

170

00:06:49,510 --> 00:06:46,960

and then when we're done we'll do it

171

00:06:52,550 --> 00:06:49,520

again just to kind of brush it up

172

00:06:55,990 --> 00:06:52,560

to get in tune singing the third time

173

00:06:59,270 --> 00:06:56,000

i'm just kidding i i've

174

00:06:59,830 --> 00:06:59,280

i i i totally yeah you don't want me

175

00:07:02,629 --> 00:06:59,840

singing

176
00:07:03,029 --> 00:07:02,639
um not even in the shower uh you know

177
00:07:06,309 --> 00:07:03,039
even

178
00:07:07,909 --> 00:07:06,319
if my if my wife goes to the store

179
00:07:09,830 --> 00:07:07,919
and i get a little bit adventurous and

180
00:07:11,749 --> 00:07:09,840
i'm in the shower singing even the dogs

181
00:07:14,070 --> 00:07:11,759
start to cry so

182
00:07:15,670 --> 00:07:14,080
what do you try to sing uh you know what

183
00:07:17,350 --> 00:07:15,680
i love all genres of music i'm a

184
00:07:19,110 --> 00:07:17,360
percussionist i play drums i always have

185
00:07:20,390 --> 00:07:19,120
i guess it's oh yeah i think it's

186
00:07:22,150 --> 00:07:20,400
it's probably because it's a it's a

187
00:07:24,230 --> 00:07:22,160
latin thing uh you know we

188
00:07:25,189 --> 00:07:24,240

sure there's a few things we do pretty

189

00:07:27,029 --> 00:07:25,199

much

190

00:07:28,950 --> 00:07:27,039

yeah exactly right you know you started

191

00:07:29,990 --> 00:07:28,960

the calm guy and uh then you kind of

192

00:07:32,230 --> 00:07:30,000

move up to you know

193

00:07:33,990 --> 00:07:32,240

to to the to the bigger bigger ensembles

194

00:07:36,390 --> 00:07:34,000

but um

195

00:07:37,029 --> 00:07:36,400

yeah i i love music and um you know

196

00:07:39,270 --> 00:07:37,039

music is

197

00:07:40,550 --> 00:07:39,280

is a very uh intimate journey i i like

198

00:07:44,230 --> 00:07:40,560

anything from

199

00:07:47,430 --> 00:07:44,240

um transcendental like dead can dance to

200

00:07:50,390 --> 00:07:47,440

you know hardcore uh industrial

201
00:07:52,469 --> 00:07:50,400
rob zombie you know marilyn manson what

202
00:07:53,909 --> 00:07:52,479
mood i'm in i love classic rock i love

203
00:07:57,350 --> 00:07:53,919
classical music

204
00:08:00,629 --> 00:07:57,360
uh you know i've got a very unique um

205
00:08:01,350 --> 00:08:00,639
an eclectic playlist you play chess i do

206
00:08:03,670 --> 00:08:01,360
play chess

207
00:08:04,869 --> 00:08:03,680
actually i have a couple chess uh chess

208
00:08:07,510 --> 00:08:04,879
boards uh i

209
00:08:08,550 --> 00:08:07,520
challenge you sir i do well i didn't say

210
00:08:11,430 --> 00:08:08,560
it was good

211
00:08:12,309 --> 00:08:11,440
okay so good is relative chances are

212
00:08:14,550 --> 00:08:12,319
yeah you know

213
00:08:16,390 --> 00:08:14,560

i mean if if you're looking like if

214

00:08:18,710 --> 00:08:16,400

you're looking to go against big blue

215

00:08:20,230 --> 00:08:18,720

uh i'm gonna i'm gonna fail miserably

216

00:08:21,909 --> 00:08:20,240

all right fair enough now

217

00:08:25,350 --> 00:08:21,919

i guess we can get into this stuff that

218

00:08:28,790 --> 00:08:25,360

these people want to uh hear about right

219

00:08:29,830 --> 00:08:28,800

um the first thing i wanted to really

220

00:08:32,630 --> 00:08:29,840

ask you about

221

00:08:35,750 --> 00:08:32,640

and i mean correct me if i'm wrong but

222

00:08:39,670 --> 00:08:35,760

if you refer to somebody as

223

00:08:41,909 --> 00:08:39,680

honest and in pursuit of the truth

224

00:08:43,350 --> 00:08:41,919

and it's someone you know personally

225

00:08:45,509 --> 00:08:43,360

anything that they would

226

00:08:47,509 --> 00:08:45,519

say you could kind of assume would be

227

00:08:49,030 --> 00:08:47,519

the truth correct

228

00:08:50,870 --> 00:08:49,040

well not necessarily it could be their

229

00:08:53,030 --> 00:08:50,880

truth truth is subjective

230

00:08:54,710 --> 00:08:53,040

sometimes um sure you know when you're

231

00:08:57,110 --> 00:08:54,720

looking at the truth

232

00:08:58,710 --> 00:08:57,120

uh i guess i'm getting what i'm getting

233

00:09:01,350 --> 00:08:58,720

at is eric davis

234

00:09:02,470 --> 00:09:01,360

oh okay yeah and he's pretty upfront

235

00:09:04,710 --> 00:09:02,480

with

236

00:09:05,990 --> 00:09:04,720

what he thinks i will tell you eric is

237

00:09:08,710 --> 00:09:06,000

an incredible human being

238

00:09:10,230 --> 00:09:08,720

uh i i will you know this is a he's not

239

00:09:10,710 --> 00:09:10,240

only a former colleague but he's a

240

00:09:13,350 --> 00:09:10,720

friend

241

00:09:14,790 --> 00:09:13,360

um and he's uh he's probably one of the

242

00:09:17,350 --> 00:09:14,800

smartest

243

00:09:19,030 --> 00:09:17,360

human beings um that i've i've ever met

244

00:09:20,630 --> 00:09:19,040

he has a photographic memory

245

00:09:22,870 --> 00:09:20,640

he's done more for this country than

246

00:09:26,070 --> 00:09:22,880

most people will ever could ever imagine

247

00:09:28,630 --> 00:09:26,080

uh one day his story will be told but

248

00:09:29,269 --> 00:09:28,640

uh you know he he was he was present for

249

00:09:31,590 --> 00:09:29,279

some very

250

00:09:32,870 --> 00:09:31,600

pivotal moments in in our nation's

251
00:09:35,910 --> 00:09:32,880
history he's

252
00:09:36,870 --> 00:09:35,920
an incredible human being yeah so if if

253
00:09:40,310 --> 00:09:36,880
he

254
00:09:41,670 --> 00:09:40,320
tends to think it's um aliens um

255
00:09:43,750 --> 00:09:41,680
we shouldn't really have a reason to

256
00:09:46,310 --> 00:09:43,760
doubt that then well we shouldn't

257
00:09:48,070 --> 00:09:46,320
doubt his his his that he believes that

258
00:09:51,110 --> 00:09:48,080
you know at the end of the day

259
00:09:52,150 --> 00:09:51,120
look strong aliens what does what does

260
00:09:53,750 --> 00:09:52,160
aliens mean

261
00:09:55,430 --> 00:09:53,760
you know i mean up until recently we

262
00:09:56,870 --> 00:09:55,440
were building a wall you know on the

263
00:09:59,269 --> 00:09:56,880

southern border to keep them out

264

00:10:00,790 --> 00:09:59,279

so you know everybody my point being is

265

00:10:02,150 --> 00:10:00,800

everybody has a different and and i

266

00:10:03,990 --> 00:10:02,160

don't mean that flippantly you know

267

00:10:05,350 --> 00:10:04,000

obviously i'm latino myself i'm not

268

00:10:06,710 --> 00:10:05,360

i'm not i'm not trying to make a

269

00:10:07,750 --> 00:10:06,720

political statement here i'm just simply

270

00:10:10,069 --> 00:10:07,760

saying that

271

00:10:12,069 --> 00:10:10,079

that the the definition of alien i think

272

00:10:13,990 --> 00:10:12,079

people mean extraterrestrial well sure

273

00:10:15,990 --> 00:10:14,000

again what does that mean because people

274

00:10:18,710 --> 00:10:16,000

say well it means not from earth but

275

00:10:19,509 --> 00:10:18,720

but again you know what does that mean

276

00:10:21,030 --> 00:10:19,519

yeah because

277

00:10:22,949 --> 00:10:21,040

you know we're not talking about you

278

00:10:24,870 --> 00:10:22,959

know you automatically you're you're

279

00:10:27,590 --> 00:10:24,880

negating any hypothesis

280

00:10:29,190 --> 00:10:27,600

of extra dimensional super dimensional

281

00:10:30,790 --> 00:10:29,200

something that's from this planet that

282

00:10:32,630 --> 00:10:30,800

just as natural as us but

283

00:10:34,550 --> 00:10:32,640

you know we're just now getting to the

284

00:10:36,790 --> 00:10:34,560

point where we're learning about it

285

00:10:38,150 --> 00:10:36,800

so you know and then when you say you

286

00:10:44,230 --> 00:10:38,160

know

287

00:10:46,790 --> 00:10:44,240

transpermia and the theory of that that

288

00:10:47,269 --> 00:10:46,800

possibly we're aliens right maybe maybe

289

00:10:50,310 --> 00:10:47,279

we're

290

00:10:51,590 --> 00:10:50,320

belong right so sure

291

00:10:53,829 --> 00:10:51,600

you know i guess my point is a good

292

00:10:55,750 --> 00:10:53,839

argument for that by our behavior so

293

00:10:58,470 --> 00:10:55,760

i think we need to have a common you

294

00:11:00,630 --> 00:10:58,480

know if you will lexicon before we start

295

00:11:02,630 --> 00:11:00,640

uh saying one thing or the other i think

296

00:11:03,910 --> 00:11:02,640

we all have to agree on terms that's

297

00:11:06,069 --> 00:11:03,920

very important

298

00:11:07,430 --> 00:11:06,079

uh and and what they mean and then and

299

00:11:10,949 --> 00:11:07,440

then we can probably start

300

00:11:14,790 --> 00:11:10,959

conversations yup love it um

301

00:11:17,910 --> 00:11:14,800

moving on third gear

302

00:11:21,190 --> 00:11:17,920

um first of all are we there

303

00:11:23,269 --> 00:11:21,200

and if so how many gears are there

304

00:11:25,030 --> 00:11:23,279

i heard you won't say you were serving

305

00:11:27,030 --> 00:11:25,040

an eight-course meal so i want to say

306

00:11:30,069 --> 00:11:27,040

maybe eight gears but i'm not sure

307

00:11:31,590 --> 00:11:30,079

sure well you know let me go a little to

308

00:11:35,030 --> 00:11:31,600

gear talk here and gearhead

309

00:11:36,150 --> 00:11:35,040

you know i i love uh i love working on

310

00:11:38,069 --> 00:11:36,160

on mechanical things

311

00:11:39,670 --> 00:11:38,079

automobile it's a bit of my therapy

312

00:11:42,870 --> 00:11:39,680

really yeah um

313

00:11:46,069 --> 00:11:42,880

and you know the the trick is um to have

314

00:11:49,750 --> 00:11:46,079

just as many gears that the engine can

315

00:11:52,710 --> 00:11:49,760

can um use without without bogging down

316

00:11:53,509 --> 00:11:52,720

right so i'll give you an example back

317

00:11:56,069 --> 00:11:53,519

in the old day

318

00:11:57,190 --> 00:11:56,079

uh there when when when corvette started

319

00:11:59,910 --> 00:11:57,200

putting in a

320

00:12:00,870 --> 00:11:59,920

a six speed in their in their in their

321

00:12:02,310 --> 00:12:00,880

corvettes

322

00:12:03,910 --> 00:12:02,320

it turned out that fifth gear was

323

00:12:04,949 --> 00:12:03,920

actually faster than the six gear

324

00:12:07,110 --> 00:12:04,959

because the engine

325

00:12:09,030 --> 00:12:07,120

didn't wasn't designed for that extra

326

00:12:09,990 --> 00:12:09,040

load think of a 10-speed bike right when

327

00:12:11,030 --> 00:12:10,000

you're a kid

328

00:12:12,470 --> 00:12:11,040

although you're probably a newer

329

00:12:14,310 --> 00:12:12,480

generation but when i was a kid the

330

00:12:15,269 --> 00:12:14,320

10-speed was it i mean that was the

331

00:12:17,509 --> 00:12:15,279

absolute

332

00:12:18,949 --> 00:12:17,519

bomb that was a bike to have and the

333

00:12:20,550 --> 00:12:18,959

problem is if you put in 10th gear and

334

00:12:22,230 --> 00:12:20,560

tried to start you couldn't

335

00:12:23,750 --> 00:12:22,240

because of the gear ratios and the way

336

00:12:24,710 --> 00:12:23,760

they were you had to have enough

337

00:12:26,629 --> 00:12:24,720

momentum

338

00:12:28,230 --> 00:12:26,639

in order to flip through those gears and

339

00:12:29,590 --> 00:12:28,240

then once you were at eight or nine then

340

00:12:31,990 --> 00:12:29,600

you could you could switch pretty easily

341

00:12:35,110 --> 00:12:32,000

to ten and you were moving pretty fast

342

00:12:36,150 --> 00:12:35,120

um you know it's i think it's important

343

00:12:39,030 --> 00:12:36,160

to note that

344

00:12:40,550 --> 00:12:39,040

um the vehicle that that i kind of use

345

00:12:43,509 --> 00:12:40,560

this analogy with

346

00:12:43,990 --> 00:12:43,519

um is being built as we're driving it um

347

00:12:47,350 --> 00:12:44,000

and

348

00:12:51,030 --> 00:12:47,360

the engine can take

349

00:12:52,870 --> 00:12:51,040

um i i you know let's even

350

00:12:54,310 --> 00:12:52,880

even let's just say hypothetically we

351
00:12:56,389 --> 00:12:54,320
get into full disclosure

352
00:12:57,350 --> 00:12:56,399
right and and now all governments are

353
00:12:59,190 --> 00:12:57,360
talking and we are

354
00:13:01,910 --> 00:12:59,200
at this you know state of of

355
00:13:04,310 --> 00:13:01,920
quote-unquote disclosure nirvana right

356
00:13:05,990 --> 00:13:04,320
is the mission over and and i ask you

357
00:13:08,069 --> 00:13:06,000
that sean is the mission no it's not

358
00:13:09,110 --> 00:13:08,079
right because now it now the question is

359
00:13:11,670 --> 00:13:09,120
okay so

360
00:13:13,430 --> 00:13:11,680
so how are we going to behave what do we

361
00:13:14,629 --> 00:13:13,440
want let let's say there is some sort of

362
00:13:16,629 --> 00:13:14,639
life form now that we're

363
00:13:18,230 --> 00:13:16,639

we're having conversations with you know

364

00:13:18,790 --> 00:13:18,240

what does that political relationship

365

00:13:20,389 --> 00:13:18,800

look like

366

00:13:22,150 --> 00:13:20,399

right and diplomatic relationship looked

367

00:13:25,269 --> 00:13:22,160

like are they

368

00:13:27,829 --> 00:13:25,279

are they equals are they peers um or are

369

00:13:28,949 --> 00:13:27,839

they are they not right and then what do

370

00:13:31,110 --> 00:13:28,959

we do about it so

371

00:13:33,350 --> 00:13:31,120

again my point being is that um you know

372

00:13:36,790 --> 00:13:33,360

first gear was having the conversation

373

00:13:38,870 --> 00:13:36,800

uh in a way that we could we could uh

374

00:13:40,870 --> 00:13:38,880

push elements within our government to

375

00:13:42,629 --> 00:13:40,880

to to recognize it's okay to have a

376

00:13:44,629 --> 00:13:42,639

conversation

377

00:13:45,910 --> 00:13:44,639

phase two was getting our government

378

00:13:47,509 --> 00:13:45,920

involved in

379

00:13:48,949 --> 00:13:47,519

in a very meaningful way and getting

380

00:13:52,150 --> 00:13:48,959

involved long-term not just

381

00:13:54,069 --> 00:13:52,160

just once you know third gear is is

382

00:13:56,150 --> 00:13:54,079

getting now the international community

383

00:13:57,110 --> 00:13:56,160

on board to know that it's okay to have

384

00:13:59,509 --> 00:13:57,120

a conversation

385

00:14:01,110 --> 00:13:59,519

right and let them know that that we can

386

00:14:03,269 --> 00:14:01,120

do this collectively

387

00:14:05,990 --> 00:14:03,279

as as a whole as a planet not

388

00:14:09,189 --> 00:14:06,000

necessarily as one nation or one country

389

00:14:10,470 --> 00:14:09,199

uh and uh you know fourth gear fifth

390

00:14:13,670 --> 00:14:10,480

gear sixth gear

391

00:14:14,310 --> 00:14:13,680

um you know this is this is you always

392

00:14:16,230 --> 00:14:14,320

move

393

00:14:17,910 --> 00:14:16,240

onward and upward right so i i don't

394

00:14:19,430 --> 00:14:17,920

want to i don't want to predict how many

395

00:14:20,949 --> 00:14:19,440

gears i can i can tell you certainly

396

00:14:22,230 --> 00:14:20,959

that we're building the engine to handle

397

00:14:24,069 --> 00:14:22,240

as many as it can

398

00:14:25,750 --> 00:14:24,079

sure uh flexible you know we don't we

399

00:14:27,670 --> 00:14:25,760

don't want to make the mistake that

400

00:14:29,030 --> 00:14:27,680

that car manufacturers did in the past

401
00:14:30,470 --> 00:14:29,040
where you put so many gears at the

402
00:14:32,230 --> 00:14:30,480
engine can't take it

403
00:14:34,069 --> 00:14:32,240
uh you know there's a semi-tractor

404
00:14:37,189 --> 00:14:34,079
trailer truck some of those have 13

405
00:14:38,069 --> 00:14:37,199
15 even 18 gears so we might have to be

406
00:14:39,829 --> 00:14:38,079
that

407
00:14:41,110 --> 00:14:39,839
hey listen you know who's going to do

408
00:14:42,550 --> 00:14:41,120
you know who's going to determine that

409
00:14:43,030 --> 00:14:42,560
it's going to be you and your audience

410
00:14:43,990 --> 00:14:43,040
that should

411
00:14:45,750 --> 00:14:44,000
know who's going to church it's not

412
00:14:46,230 --> 00:14:45,760
going to be me no i think you're right

413
00:14:49,430 --> 00:14:46,240

even

414

00:14:50,790 --> 00:14:49,440
like i'm beginning to i mean to be

415

00:14:53,350 --> 00:14:50,800
honest i've only been

416

00:14:54,150 --> 00:14:53,360
um doing my research since my own

417

00:14:57,509 --> 00:14:54,160
experience in

418

00:14:59,350 --> 00:14:57,519
september but recently i really enjoy

419

00:15:02,310 --> 00:14:59,360
looking for the old documents

420

00:15:03,189 --> 00:15:02,320
the old stuff like researching attic osi

421

00:15:07,430 --> 00:15:03,199
all that

422

00:15:08,949 --> 00:15:07,440
sure um what i've noticed is

423

00:15:10,790 --> 00:15:08,959
in a lot of these like minutes of

424

00:15:12,870 --> 00:15:10,800
meeting documents

425

00:15:14,230 --> 00:15:12,880
these guys actually say that the

426

00:15:17,670 --> 00:15:14,240

pressure from the outside

427

00:15:19,350 --> 00:15:17,680

in the public interest basically affects

428

00:15:21,110 --> 00:15:19,360

them it affects their decision making

429

00:15:23,189 --> 00:15:21,120

the choices they make

430

00:15:24,790 --> 00:15:23,199

so it's not a mute point when we're out

431

00:15:27,030 --> 00:15:24,800

here you know

432

00:15:28,870 --> 00:15:27,040

causing noise and making noise because

433

00:15:30,870 --> 00:15:28,880

it really does affect the way they treat

434

00:15:33,670 --> 00:15:30,880

the situation and if they could see

435

00:15:34,949 --> 00:15:33,680

we're not going away i think you know

436

00:15:36,470 --> 00:15:34,959

well i think you guys are the reasons

437

00:15:37,910 --> 00:15:36,480

why we can have this conversation

438

00:15:38,230 --> 00:15:37,920

because people know it's acceptable and

439

00:15:41,509 --> 00:15:38,240

you're

440

00:15:43,590 --> 00:15:41,519

you but well you know what i i i'm part

441

00:15:45,509 --> 00:15:43,600

of that give me that

442

00:15:46,790 --> 00:15:45,519

you know no really it's true i mean i i

443

00:15:47,829 --> 00:15:46,800

mean people give me a lot more credit

444

00:15:50,470 --> 00:15:47,839

than i deserve i

445

00:15:50,870 --> 00:15:50,480

you know i'm i'm i'm part of the effort

446

00:15:52,470 --> 00:15:50,880

but

447

00:15:53,670 --> 00:15:52,480

you know a lot of people say oh lou

448

00:15:55,269 --> 00:15:53,680

you're the leader and you're standing in

449

00:15:57,350 --> 00:15:55,279

front of the you know of this this this

450

00:15:59,430 --> 00:15:57,360

massive army this ground swell

451
00:16:01,030 --> 00:15:59,440
and and you know what i i i don't see

452
00:16:02,310 --> 00:16:01,040
anybody behind me i look to my left and

453
00:16:03,590 --> 00:16:02,320
to my right and everybody's right there

454
00:16:05,990 --> 00:16:03,600
with me you know we're

455
00:16:07,430 --> 00:16:06,000
we're doing this together yeah this is

456
00:16:08,150 --> 00:16:07,440
working with you it's because of your

457
00:16:10,230 --> 00:16:08,160
humble spirit

458
00:16:11,749 --> 00:16:10,240
man you can't really get this far if

459
00:16:14,470 --> 00:16:11,759
you're not that way

460
00:16:15,269 --> 00:16:14,480
otherwise it just catches up to you and

461
00:16:17,670 --> 00:16:15,279
well it does

462
00:16:18,629 --> 00:16:17,680
and and you know hubris as i hate to say

463
00:16:22,230 --> 00:16:18,639

is an old

464

00:16:24,150 --> 00:16:22,240

adage as a mofo um stay stay away from

465

00:16:26,230 --> 00:16:24,160

from that pride and ego there's no place

466

00:16:26,710 --> 00:16:26,240

for this uh in this topic for pride and

467

00:16:28,150 --> 00:16:26,720

ego

468

00:16:29,829 --> 00:16:28,160

you know this is something that that

469

00:16:31,829 --> 00:16:29,839

affects the collective

470

00:16:33,430 --> 00:16:31,839

and and we need to treat it as such and

471

00:16:35,829 --> 00:16:33,440

we need to to

472

00:16:36,629 --> 00:16:35,839

to lock arms hand in hand and and

473

00:16:39,110 --> 00:16:36,639

whatnot and

474

00:16:40,710 --> 00:16:39,120

and be courageous to ask the the hard

475

00:16:43,590 --> 00:16:40,720

questions

476
00:16:44,470 --> 00:16:43,600
yeah i think i mean when i think about

477
00:16:46,150 --> 00:16:44,480
you

478
00:16:47,990 --> 00:16:46,160
i'd think about and this is not just a

479
00:16:49,189 --> 00:16:48,000
love fest i just want to be able to tell

480
00:16:51,910 --> 00:16:49,199
you this stuff

481
00:16:53,350 --> 00:16:51,920
um because who knows you know tomorrow's

482
00:16:54,230 --> 00:16:53,360
not guaranteed but when i think about

483
00:16:57,829 --> 00:16:54,240
you

484
00:17:00,629 --> 00:16:57,839
um i go i go back

485
00:17:01,990 --> 00:17:00,639
a couple years to your videos and you're

486
00:17:04,549 --> 00:17:02,000
consistent

487
00:17:05,750 --> 00:17:04,559
even on the local news channel when you

488
00:17:09,029 --> 00:17:05,760

look like you're

489

00:17:11,429 --> 00:17:09,039

10 years younger and you're saying

490

00:17:13,829 --> 00:17:11,439

we don't know what this is i can't tell

491

00:17:15,909 --> 00:17:13,839

you or commit to this thing or the other

492

00:17:18,069 --> 00:17:15,919

thing i'm not the right person to ask

493

00:17:19,909 --> 00:17:18,079

there's other people you know and if you

494

00:17:21,270 --> 00:17:19,919

find a video where you're asked the same

495

00:17:23,590 --> 00:17:21,280

question recently

496

00:17:24,390 --> 00:17:23,600

you'll say the same thing you're not

497

00:17:27,350 --> 00:17:24,400

trying to pull

498

00:17:27,829 --> 00:17:27,360

people into no um your business no

499

00:17:30,070 --> 00:17:27,839

basically

500

00:17:31,590 --> 00:17:30,080

no that's that's that's where where this

501
00:17:34,390 --> 00:17:31,600
community went wrong for so

502
00:17:36,070 --> 00:17:34,400
so many times before you you have people

503
00:17:37,430 --> 00:17:36,080
that have hijacked the narrative you

504
00:17:39,350 --> 00:17:37,440
have people that say i'm the only one

505
00:17:41,430 --> 00:17:39,360
that has the answers and become this

506
00:17:43,909 --> 00:17:41,440
almost this demigod figure

507
00:17:45,590 --> 00:17:43,919
like a cult figure really and and starts

508
00:17:46,789 --> 00:17:45,600
you know recruiting people and uses all

509
00:17:48,390 --> 00:17:46,799
the the classical

510
00:17:50,870 --> 00:17:48,400
techniques of brainwashing and

511
00:17:52,789 --> 00:17:50,880
manipulation so people continue

512
00:17:54,230 --> 00:17:52,799
to to follow their their quote-unquote

513
00:17:56,710 --> 00:17:54,240

path but you know there's

514

00:17:58,950 --> 00:17:56,720

other people in in in the past that

515

00:18:01,430 --> 00:17:58,960

reminds me of reminds me of jim jones

516

00:18:01,990 --> 00:18:01,440

it reminds me of heaven's gate right uh

517

00:18:04,150 --> 00:18:02,000

and and

518

00:18:06,070 --> 00:18:04,160

you know people people lost their lives

519

00:18:07,270 --> 00:18:06,080

people in this case maybe there's no one

520

00:18:08,870 --> 00:18:07,280

that's that

521

00:18:10,950 --> 00:18:08,880

you know hopefully that intends to do

522

00:18:11,590 --> 00:18:10,960

that but this this community is full of

523

00:18:14,230 --> 00:18:11,600

these

524

00:18:15,110 --> 00:18:14,240

cults of personality and it is sad it's

525

00:18:16,390 --> 00:18:15,120

tragic because

526

00:18:18,150 --> 00:18:16,400

you know there are people that want to

527

00:18:19,990 --> 00:18:18,160

know the truth and these people

528

00:18:21,430 --> 00:18:20,000

are are there are unscrupulous people

529

00:18:23,669 --> 00:18:21,440

that are peddling

530

00:18:25,110 --> 00:18:23,679

crap and they want something to hang on

531

00:18:27,990 --> 00:18:25,120

to like it's almost

532

00:18:29,669 --> 00:18:28,000

treated like a spirituality thing when

533

00:18:31,909 --> 00:18:29,679

people need jesus or people need

534

00:18:33,110 --> 00:18:31,919

church like that's filling that void for

535

00:18:35,350 --> 00:18:33,120

them and that is

536

00:18:37,270 --> 00:18:35,360

extremely dangerous to give that power

537

00:18:38,950 --> 00:18:37,280

to somebody like that well i agree and

538

00:18:40,549 --> 00:18:38,960

this is why i tell everybody you know

539

00:18:43,990 --> 00:18:40,559

i'm i'm not that guy

540

00:18:44,549 --> 00:18:44,000

uh you know if uh if you're looking for

541

00:18:46,710 --> 00:18:44,559

me to

542

00:18:47,830 --> 00:18:46,720

to give people the ultimate answers to

543

00:18:49,830 --> 00:18:47,840

the universe

544

00:18:51,510 --> 00:18:49,840

and solve those mysteries i'm not that

545

00:18:53,830 --> 00:18:51,520

guy i wouldn't believe you anyways

546

00:18:55,669 --> 00:18:53,840

you know yeah so you know and and

547

00:18:57,590 --> 00:18:55,679

frankly between you me i don't think

548

00:18:59,110 --> 00:18:57,600

you know there is anybody right now that

549

00:19:00,789 --> 00:18:59,120

has those answers and

550

00:19:02,630 --> 00:19:00,799

and i would just caution people to

551
00:19:06,710 --> 00:19:02,640
please be very very careful

552
00:19:10,390 --> 00:19:06,720
uh when you when you have somebody that

553
00:19:11,750 --> 00:19:10,400
is is is selling you the truth

554
00:19:13,590 --> 00:19:11,760
selling you the truth right yeah

555
00:19:15,750 --> 00:19:13,600
literally uh literally

556
00:19:16,870 --> 00:19:15,760
um you know i i take great exception to

557
00:19:18,070 --> 00:19:16,880
that i i like

558
00:19:20,070 --> 00:19:18,080
you know sean i don't get paid to do

559
00:19:20,950 --> 00:19:20,080
this i don't get paid to do these things

560
00:19:23,270 --> 00:19:20,960
um

561
00:19:24,789 --> 00:19:23,280
you know if if if there is someone doing

562
00:19:27,110 --> 00:19:24,799
a a

563
00:19:27,990 --> 00:19:27,120

an event uh like when i did the the

564

00:19:30,310 --> 00:19:28,000

mufon

565

00:19:31,909 --> 00:19:30,320

and the cun i didn't get money there

566

00:19:33,190 --> 00:19:31,919

were other speakers that got paid i

567

00:19:35,669 --> 00:19:33,200

refused to get paid i said

568

00:19:37,350 --> 00:19:35,679

i i don't want it there's only been two

569

00:19:38,870 --> 00:19:37,360

two venues i've ever been paid

570

00:19:40,630 --> 00:19:38,880

and it's because i had to take time for

571

00:19:41,270 --> 00:19:40,640

my government job and i had to pay my

572

00:19:42,789 --> 00:19:41,280

mortgage

573

00:19:44,390 --> 00:19:42,799

so i said look i don't want you to pay

574

00:19:45,909 --> 00:19:44,400

me just do me a favor at least make up

575

00:19:47,830 --> 00:19:45,919

for the money i'm losing

576

00:19:49,909 --> 00:19:47,840

because i i got to pay a bill you know

577

00:19:52,470 --> 00:19:49,919

what i mean and you want me to

578

00:19:54,150 --> 00:19:52,480

go there and do something it's it's it's

579

00:19:55,270 --> 00:19:54,160

costing me a lot of money you know

580

00:19:56,630 --> 00:19:55,280

please don't don't let it

581

00:19:58,549 --> 00:19:56,640

i don't want to make money but don't

582

00:20:00,070 --> 00:19:58,559

don't make it cost me money you know

583

00:20:01,669 --> 00:20:00,080

and so do you have a hard time

584

00:20:04,950 --> 00:20:01,679

navigating that line

585

00:20:08,310 --> 00:20:04,960

where it's um you know almost

586

00:20:11,270 --> 00:20:08,320

a detriment to yourself and family

587

00:20:12,630 --> 00:20:11,280

it isn't true to do something yeah yeah

588

00:20:15,029 --> 00:20:12,640

but but at the pro

589

00:20:16,789 --> 00:20:15,039

until someone stands up and and maybe

590

00:20:18,230 --> 00:20:16,799

someone that was part of atip before or

591

00:20:19,350 --> 00:20:18,240

part of the new task force stands up and

592

00:20:21,750 --> 00:20:19,360

can take over this

593

00:20:22,710 --> 00:20:21,760

and i don't have to do it you know i i

594

00:20:28,870 --> 00:20:22,720

don't want to

595

00:20:30,630 --> 00:20:28,880

you know once once i can truly step down

596

00:20:32,870 --> 00:20:30,640

and someone else can take over then you

597

00:20:35,029 --> 00:20:32,880

know what yeah i'm going to go

598

00:20:36,870 --> 00:20:35,039

i'll go do do book deals i'll you know

599

00:20:37,510 --> 00:20:36,880

i'll i'll start i'll start doing what i

600

00:20:39,510 --> 00:20:37,520

can

601
00:20:40,549 --> 00:20:39,520
to try to recover what i've lost because

602
00:20:41,830 --> 00:20:40,559
i've lost a lot

603
00:20:43,750 --> 00:20:41,840
leaving the government leaving my

604
00:20:46,390 --> 00:20:43,760
pension leaving my retirement

605
00:20:47,110 --> 00:20:46,400
you know it's it that's and easy

606
00:20:49,110 --> 00:20:47,120
man

607
00:20:50,630 --> 00:20:49,120
you know no i've got two kids in in

608
00:20:51,350 --> 00:20:50,640
college i gotta put through college you

609
00:20:52,870 --> 00:20:51,360
know i

610
00:20:54,789 --> 00:20:52,880
i swore to them i always do everything i

611
00:20:56,950 --> 00:20:54,799
can to take care of them you know

612
00:20:57,830 --> 00:20:56,960
i gave up everything up until recently

613
00:20:59,990 --> 00:20:57,840

literally

614

00:21:00,870 --> 00:21:00,000

my wife and i were living in a trailer a

615

00:21:03,270 --> 00:21:00,880

trailer

616

00:21:04,230 --> 00:21:03,280

you know with my two german shepherds so

617

00:21:07,029 --> 00:21:04,240

it's it's

618

00:21:08,310 --> 00:21:07,039

you know it i have a house and my two

619

00:21:10,470 --> 00:21:08,320

dogs are annoying

620

00:21:12,310 --> 00:21:10,480

yeah well i i love them i'm in a house

621

00:21:13,830 --> 00:21:12,320

now you know and i'm uh

622

00:21:15,270 --> 00:21:13,840

you know i've lived in tents before and

623

00:21:16,710 --> 00:21:15,280

i've lived in palaces before and

624

00:21:18,310 --> 00:21:16,720

everything in between

625

00:21:19,750 --> 00:21:18,320

uh i knew what i was getting into i'm

626

00:21:21,350 --> 00:21:19,760

not you know i don't need a pity party

627

00:21:21,830 --> 00:21:21,360

i'm not asking people to feel sorry for

628

00:21:23,430 --> 00:21:21,840

me i

629

00:21:25,350 --> 00:21:23,440

i'm a big boy i know exactly what i was

630

00:21:27,669 --> 00:21:25,360

getting into yeah but

631

00:21:29,110 --> 00:21:27,679

you know what i would say to people is

632

00:21:30,710 --> 00:21:29,120

you know if you really believe in this

633

00:21:31,190 --> 00:21:30,720

cause put your money where your mouth is

634

00:21:33,830 --> 00:21:31,200

baby

635

00:21:35,510 --> 00:21:33,840

you know be willing to to sacrifices and

636

00:21:36,789 --> 00:21:35,520

entertainment is the cause

637

00:21:39,430 --> 00:21:36,799

no it's a cause you're right it's a

638

00:21:40,149 --> 00:21:39,440

movement right and i think oftentimes we

639

00:21:42,070 --> 00:21:40,159

treat it as

640

00:21:43,510 --> 00:21:42,080

entertainment and that's where we get

641

00:21:47,909 --> 00:21:43,520

stuck in no action

642

00:21:49,909 --> 00:21:47,919

i agree i agree um

643

00:21:52,230 --> 00:21:49,919

this weird question have you ever killed

644

00:21:56,789 --> 00:21:52,240

somebody

645

00:22:00,950 --> 00:22:00,149

i hope not uh you know war is a terrible

646

00:22:07,430 --> 00:22:00,960

thing

647

00:22:11,270 --> 00:22:07,440

we we have to do

648

00:22:15,510 --> 00:22:11,280

uh in in those type of uh situations

649

00:22:19,669 --> 00:22:15,520

very violent horrendous things and um

650

00:22:22,789 --> 00:22:19,679

you know uh all i can say is that if

651

00:22:25,270 --> 00:22:22,799

if you know um

652

00:22:26,630 --> 00:22:25,280

yeah that's fired in anger or whatever

653

00:22:29,830 --> 00:22:26,640

i've had to do

654

00:22:32,149 --> 00:22:29,840

you know it was never personal i i never

655

00:22:33,830 --> 00:22:32,159

wanted didn't go out with a bloodlust to

656

00:22:36,390 --> 00:22:33,840

to kill somebody

657

00:22:38,149 --> 00:22:36,400

uh it was it was done to preserve and

658

00:22:41,750 --> 00:22:38,159

protect other people

659

00:22:45,909 --> 00:22:41,760

uh you know uh decisions i've made

660

00:22:47,669 --> 00:22:45,919

uh in in those situations um

661

00:22:49,510 --> 00:22:47,679

you know when you're in the world of

662

00:22:50,549 --> 00:22:49,520

intelligence and and at the pointy end

663

00:22:52,470 --> 00:22:50,559

of the stick

664

00:22:54,789 --> 00:22:52,480

sometimes you have to make very

665

00:22:57,110 --> 00:22:54,799

difficult decisions and by the way

666

00:22:58,630 --> 00:22:57,120

let me let me just put this this to let

667

00:23:01,909 --> 00:22:58,640

you know something

668

00:23:03,590 --> 00:23:01,919

you know it ain't fun you know when

669

00:23:04,870 --> 00:23:03,600

when you kill somebody you might as well

670

00:23:05,430 --> 00:23:04,880

you might as well be married to the

671

00:23:10,870 --> 00:23:05,440

person

672

00:23:13,110 --> 00:23:10,880

that that father that husband that

673

00:23:16,390 --> 00:23:13,120

brother that son

674

00:23:18,230 --> 00:23:16,400

lives with you and even when you are uh

675

00:23:19,830 --> 00:23:18,240

in your happiest moments hugging and

676
00:23:21,510 --> 00:23:19,840
kissing your children when you're eating

677
00:23:23,750 --> 00:23:21,520
dinner at night when you're making love

678
00:23:26,950 --> 00:23:23,760
to your to your spouse

679
00:23:30,149 --> 00:23:26,960
that person's still there and it's it's

680
00:23:33,270 --> 00:23:30,159
um you know it's it it's something that

681
00:23:34,310 --> 00:23:33,280
um is is profound um like i said you

682
00:23:37,190 --> 00:23:34,320
might as well

683
00:23:38,870 --> 00:23:37,200
be married to him because they're going

684
00:23:40,789 --> 00:23:38,880
to stay with you the rest of your life

685
00:23:42,630 --> 00:23:40,799
well my attempt is to just kind of show

686
00:23:44,630 --> 00:23:42,640
that um you know this isn't the only

687
00:23:46,470 --> 00:23:44,640
problem you have

688
00:23:48,230 --> 00:23:46,480

you know you're a human with a lot of

689

00:23:50,149 --> 00:23:48,240

sides to you

690

00:23:51,750 --> 00:23:50,159

well i mean look war's terrible i mean

691

00:23:53,269 --> 00:23:51,760

we don't i don't make a decision to go

692

00:23:56,230 --> 00:23:53,279

to war our country does

693

00:23:57,510 --> 00:23:56,240

and and i do what i have to do uh just

694

00:24:00,070 --> 00:23:57,520

like everybody else

695

00:24:01,269 --> 00:24:00,080

and i don't i don't want to hurt anybody

696

00:24:03,510 --> 00:24:01,279

uh but you know

697

00:24:05,430 --> 00:24:03,520

in in war sometimes you have to and you

698

00:24:07,990 --> 00:24:05,440

have to do it with extreme violence

699

00:24:10,230 --> 00:24:08,000

yeah uh and prejudice and you do that

700

00:24:13,350 --> 00:24:10,240

because you're trying to save

701
00:24:14,870 --> 00:24:13,360
you know look the the the idea of war is

702
00:24:16,470 --> 00:24:14,880
not to die for your country it's to make

703
00:24:18,390 --> 00:24:16,480
the poor bastard on the other side die

704
00:24:20,230 --> 00:24:18,400
for theirs and and

705
00:24:21,750 --> 00:24:20,240
you know that's that's the reality of it

706
00:24:22,310 --> 00:24:21,760
and we don't have to go farther into

707
00:24:24,070 --> 00:24:22,320
that it's

708
00:24:25,350 --> 00:24:24,080
i think it's just important for people

709
00:24:28,870 --> 00:24:25,360
to know that uh

710
00:24:31,350 --> 00:24:28,880
this um battle that you are fighting

711
00:24:33,029 --> 00:24:31,360
is fought with other burdens on you it

712
00:24:36,230 --> 00:24:33,039
just like all of us so

713
00:24:38,070 --> 00:24:36,240

it's not an easy fight no it's it's not

714

00:24:40,070 --> 00:24:38,080

and there's nights you know that i have

715

00:24:41,269 --> 00:24:40,080

trouble sleeping uh like a lot of my

716

00:24:43,669 --> 00:24:41,279

comrades

717

00:24:45,269 --> 00:24:43,679

uh well know that we're here for you man

718

00:24:48,310 --> 00:24:45,279

all these people that are here

719

00:24:50,070 --> 00:24:48,320

like um they love you and they do

720

00:24:53,830 --> 00:24:50,080

anything for you including me

721

00:24:55,990 --> 00:24:53,840

because you have taken this this far um

722

00:24:58,149 --> 00:24:56,000

the report preliminary report which

723

00:25:01,190 --> 00:24:58,159

people need to know it's preliminary

724

00:25:02,310 --> 00:25:01,200

um but all that happened obama all these

725

00:25:04,470 --> 00:25:02,320

people coming out

726

00:25:05,990 --> 00:25:04,480

like maybe you didn't go up to them and

727

00:25:06,950 --> 00:25:06,000

twist their arm and say hey could you

728

00:25:10,149 --> 00:25:06,960

say something

729

00:25:11,590 --> 00:25:10,159

but you know the environment that uh you

730

00:25:13,669 --> 00:25:11,600

really pushed forward

731

00:25:15,669 --> 00:25:13,679

made those things possible well sean

732

00:25:16,950 --> 00:25:15,679

again you know i i appreciate that but

733

00:25:19,590 --> 00:25:16,960

listen i'm not i'm not trying to

734

00:25:21,430 --> 00:25:19,600

redirect but in reality

735

00:25:23,190 --> 00:25:21,440

that couldn't have happened if there

736

00:25:25,669 --> 00:25:23,200

wasn't this groundswell

737

00:25:27,350 --> 00:25:25,679

of support from from from you and and

738

00:25:29,510 --> 00:25:27,360

your audience that's yeah that's

739

00:25:30,390 --> 00:25:29,520

i don't i'm not telling you that to just

740

00:25:32,630 --> 00:25:30,400

provide cheap

741

00:25:34,230 --> 00:25:32,640

you know compliments that's real that's

742

00:25:36,070 --> 00:25:34,240

the only reason why these these

743

00:25:37,190 --> 00:25:36,080

grassroots things work because of the

744

00:25:40,710 --> 00:25:37,200

grassroots

745

00:25:42,549 --> 00:25:40,720

right yeah so so it's happening because

746

00:25:44,149 --> 00:25:42,559

you're demanding it and your audience is

747

00:25:45,990 --> 00:25:44,159

demanding it and i think that's

748

00:25:47,510 --> 00:25:46,000

you know that's that's exemplary i think

749

00:25:49,909 --> 00:25:47,520

that's that's a testament to

750

00:25:51,029 --> 00:25:49,919

to to folks like you and showing the

751

00:25:53,990 --> 00:25:51,039

courage that you know

752

00:25:55,669 --> 00:25:54,000

i'm you want to know the truth and and

753

00:25:56,070 --> 00:25:55,679

you want your politicians to tell you

754

00:25:57,669 --> 00:25:56,080

the truth

755

00:25:59,430 --> 00:25:57,679

and you want your government to to work

756

00:26:02,070 --> 00:25:59,440

towards the truth right so

757

00:26:03,510 --> 00:26:02,080

that's that's you know that's really if

758

00:26:04,789 --> 00:26:03,520

you wanna if you wanna

759

00:26:06,950 --> 00:26:04,799

if you wanna give somebody credit i'd

760

00:26:10,310 --> 00:26:06,960

say look in the mirror

761

00:26:11,110 --> 00:26:10,320

thanks um i appreciate that it does mean

762

00:26:13,110 --> 00:26:11,120

a lot to me

763

00:26:15,430 --> 00:26:13,120

and everybody else here i hope it does

764

00:26:16,470 --> 00:26:15,440

too without our actions in this movement

765

00:26:20,310 --> 00:26:16,480

you are correct

766

00:26:23,990 --> 00:26:20,320

um and it's nice to have somebody put us

767

00:26:27,430 --> 00:26:24,000

in that uh path most definitely

768

00:26:31,110 --> 00:26:27,440

um how is the ig

769

00:26:34,630 --> 00:26:31,120

inspection going uh quite well um

770

00:26:37,190 --> 00:26:34,640

you know mr stone and his staff are

771

00:26:38,470 --> 00:26:37,200

are completely committed to this effort

772

00:26:41,510 --> 00:26:38,480

as they should be

773

00:26:43,510 --> 00:26:41,520

they are trying to to provide a

774

00:26:45,190 --> 00:26:43,520

honest assessment and recommendation to

775

00:26:47,510 --> 00:26:45,200

the secretary of defense

776

00:26:49,350 --> 00:26:47,520

uh every one of mr stone's staff is

777

00:26:51,510 --> 00:26:49,360

highly qualified i had the opportunity

778

00:26:52,630 --> 00:26:51,520

and chance to meet them individually as

779

00:26:55,669 --> 00:26:52,640

as people

780

00:26:58,870 --> 00:26:55,679

uh very competent um you know

781

00:27:01,510 --> 00:26:58,880

exactly who you would want uh running

782

00:27:04,230 --> 00:27:01,520

some sort of evaluation or investigation

783

00:27:06,070 --> 00:27:04,240

in into a topic like this so you know i

784

00:27:08,549 --> 00:27:06,080

gotta i gotta give credit where credit

785

00:27:09,990 --> 00:27:08,559

is due and uh i think you know

786

00:27:11,110 --> 00:27:10,000

personally i think we're we're in good

787

00:27:13,750 --> 00:27:11,120

hands

788

00:27:15,510 --> 00:27:13,760

with folks like like mr stone uh firmly

789

00:27:19,029 --> 00:27:15,520

behind the the ig wheel

790

00:27:22,950 --> 00:27:19,039

that's good awesome um are you

791

00:27:25,990 --> 00:27:22,960

getting any are you still getting

792

00:27:28,870 --> 00:27:26,000

pushback from people in the dod yeah

793

00:27:30,950 --> 00:27:28,880

sure i mean things have settled down uh

794

00:27:32,470 --> 00:27:30,960

magically over the last uh

795

00:27:34,950 --> 00:27:32,480

week and a half i'm not going to go into

796

00:27:35,750 --> 00:27:34,960

detail uh it looks like my security

797

00:27:38,870 --> 00:27:35,760

clearance uh

798

00:27:41,190 --> 00:27:38,880

isn't uh under direct attack uh as

799

00:27:42,470 --> 00:27:41,200

of as of now uh that may change again

800

00:27:45,750 --> 00:27:42,480

right

801
00:27:47,110 --> 00:27:45,760
but um you know that you know they

802
00:27:49,110 --> 00:27:47,120
there's still people playing games

803
00:27:52,470 --> 00:27:49,120
inside the pentagon but but

804
00:27:54,950 --> 00:27:52,480
um i don't i don't feel that that

805
00:27:57,110 --> 00:27:54,960
that that direct threat anymore from my

806
00:27:58,789 --> 00:27:57,120
ability to to feed my family so

807
00:28:00,389 --> 00:27:58,799
it is a good it is good you know and

808
00:28:01,750 --> 00:28:00,399
hopefully the system is is going to

809
00:28:04,310 --> 00:28:01,760
continue to work

810
00:28:05,909 --> 00:28:04,320
truth be told probably i i part of that

811
00:28:07,590 --> 00:28:05,919
is because i have an outstanding

812
00:28:10,310 --> 00:28:07,600
attorney right someone like danny

813
00:28:12,389 --> 00:28:10,320

sheehan who's who has the pedigree that

814

00:28:13,909 --> 00:28:12,399

very few attorneys have constitutional

815

00:28:16,310 --> 00:28:13,919

attorneys

816

00:28:18,630 --> 00:28:16,320

um i wasn't actually gonna wind up

817

00:28:20,630 --> 00:28:18,640

asking about sheehan at all because

818

00:28:21,750 --> 00:28:20,640

i just feel like that's personal life

819

00:28:23,750 --> 00:28:21,760

stuff bring it up

820

00:28:25,510 --> 00:28:23,760

no no no by all means bring it up uh

821

00:28:25,990 --> 00:28:25,520

well the only thing that i was thinking

822

00:28:27,830 --> 00:28:26,000

about

823

00:28:30,230 --> 00:28:27,840

is i just want to make sure this is

824

00:28:33,750 --> 00:28:30,240

accurate were you with him

825

00:28:37,510 --> 00:28:33,760

um before you left tsa um

826

00:28:41,350 --> 00:28:37,520

i was not really with him no i

827

00:28:41,990 --> 00:28:41,360

i uh i really started getting closer to

828

00:28:45,110 --> 00:28:42,000

danny

829

00:28:47,110 --> 00:28:45,120

after i left tsa um

830

00:28:49,029 --> 00:28:47,120

you know i'll i'll tell you if just to

831

00:28:51,590 --> 00:28:49,039

clear the air if anybody's wondering

832

00:28:54,310 --> 00:28:51,600

um recently somebody had put out i'm not

833

00:28:56,789 --> 00:28:54,320

going to say who put out a a video

834

00:28:58,310 --> 00:28:56,799

it was edited very very cleverly uh

835

00:29:00,950 --> 00:28:58,320

unfortunately it was not

836

00:29:02,149 --> 00:29:00,960

a reflective of the truth um and i i

837

00:29:05,830 --> 00:29:02,159

suspect you're going to hear

838

00:29:09,110 --> 00:29:05,840

danny's own words uh his disappointment

839

00:29:10,870 --> 00:29:09,120

in in uh again you know again what's uh

840

00:29:12,310 --> 00:29:10,880

somebody who who's just in it for

841

00:29:13,590 --> 00:29:12,320

themselves they're not in it for the

842

00:29:15,029 --> 00:29:13,600

truth they just want to

843

00:29:16,549 --> 00:29:15,039

they just want to collect a buck from

844

00:29:17,510 --> 00:29:16,559

who you know whoever you know just get

845

00:29:20,710 --> 00:29:17,520

another click

846

00:29:23,110 --> 00:29:20,720

sure uh and try to you know uh make

847

00:29:24,389 --> 00:29:23,120

something that that isn't real uh you

848

00:29:26,470 --> 00:29:24,399

know sensationalized

849

00:29:27,830 --> 00:29:26,480

i said this to uh mr pope earlier who

850

00:29:31,269 --> 00:29:27,840

says hello by the way

851
00:29:34,789 --> 00:29:31,279
he's a good guy he's great i said hello

852
00:29:35,269 --> 00:29:34,799
uh yeah and um i said this to him it's

853
00:29:37,350 --> 00:29:35,279
like when

854
00:29:39,029 --> 00:29:37,360
when i'm checking my promotional emails

855
00:29:41,750 --> 00:29:39,039
in my inbox in gmail

856
00:29:42,310 --> 00:29:41,760
and i can't tell the difference between

857
00:29:44,870 --> 00:29:42,320
one of

858
00:29:46,310 --> 00:29:44,880
that person's emails and maybe an email

859
00:29:48,490 --> 00:29:46,320
from guitar center

860
00:29:49,909 --> 00:29:48,500
i think there's a problem

861
00:29:53,110 --> 00:29:49,919
[Laughter]

862
00:29:55,269 --> 00:29:53,120
yeah so yeah um

863
00:29:56,230 --> 00:29:55,279

i wanted to touch on something if you're

864

00:29:59,350 --> 00:29:56,240

all right with it

865

00:30:00,789 --> 00:29:59,360

um when you were with atip

866

00:30:02,389 --> 00:30:00,799

and i think it was on engaging the

867

00:30:06,630 --> 00:30:02,399

phenomenon

868

00:30:08,310 --> 00:30:06,640

um you kind of mentioned that when you

869

00:30:10,149 --> 00:30:08,320

started working with this stuff there

870

00:30:12,870 --> 00:30:10,159

were some

871

00:30:13,750 --> 00:30:12,880

synchronicities that took place would

872

00:30:16,549 --> 00:30:13,760

you be able to

873

00:30:17,190 --> 00:30:16,559

expand on what those are you know the

874

00:30:19,830 --> 00:30:17,200

problem is i

875

00:30:21,190 --> 00:30:19,840

i can't i can't explain them there are

876

00:30:23,029 --> 00:30:21,200

synchronicities there are

877

00:30:25,430 --> 00:30:23,039

there are some some things you know we

878

00:30:27,110 --> 00:30:25,440

always say it's a very sticky portfolio

879

00:30:29,029 --> 00:30:27,120

we always we always say to and i'll

880

00:30:31,029 --> 00:30:29,039

share this with you that that

881

00:30:33,110 --> 00:30:31,039

you don't find a tip you know you don't

882

00:30:33,669 --> 00:30:33,120

find the portfolio the portfolio finds

883

00:30:35,990 --> 00:30:33,679

you

884

00:30:36,710 --> 00:30:36,000

um none of us went out looking for this

885

00:30:39,830 --> 00:30:36,720

stuff

886

00:30:43,029 --> 00:30:39,840

yeah um you know there is a lot of

887

00:30:46,389 --> 00:30:45,750

synchronicity here um and and i i can't

888

00:30:50,630 --> 00:30:46,399

explain

889

00:30:53,830 --> 00:30:50,640

particularly a believer of

890

00:30:57,029 --> 00:30:53,840

of of things like fate um i prefer to

891

00:30:57,669 --> 00:30:57,039

to you know look at mathematical things

892

00:31:01,029 --> 00:30:57,679

such as

893

00:31:02,470 --> 00:31:01,039

as as random chaos uh where maybe there

894

00:31:03,990 --> 00:31:02,480

is some sort of pattern within the

895

00:31:07,830 --> 00:31:04,000

within the noise

896

00:31:09,190 --> 00:31:07,840

um but um you know there's there's a lot

897

00:31:09,990 --> 00:31:09,200

of things that that happen in this

898

00:31:11,430 --> 00:31:10,000

portfolio

899

00:31:13,110 --> 00:31:11,440

and and you don't have to ask me ask

900

00:31:15,269 --> 00:31:13,120

anybody who's been been part of

901
00:31:16,149 --> 00:31:15,279
part of this effort uh you know there's

902
00:31:18,230 --> 00:31:16,159
a there's a

903
00:31:19,750 --> 00:31:18,240
damn lot of coincidences that can't be

904
00:31:22,470 --> 00:31:19,760
explained um

905
00:31:23,990 --> 00:31:22,480
just stuff that just you kind of sit and

906
00:31:25,430 --> 00:31:24,000
chuckle to yourself and say you know

907
00:31:26,070 --> 00:31:25,440
they told me this was going to happen

908
00:31:28,710 --> 00:31:26,080
and

909
00:31:29,190 --> 00:31:28,720
you know here it is my goodness how that

910
00:31:32,389 --> 00:31:29,200
you know

911
00:31:34,630 --> 00:31:32,399
who would have thought um do you think

912
00:31:37,509 --> 00:31:34,640
that has any relation to

913
00:31:39,590 --> 00:31:37,519

the brain working off of a kind of

914

00:31:40,950 --> 00:31:39,600

quantum

915

00:31:43,110 --> 00:31:40,960

you know that's a really interesting

916

00:31:43,909 --> 00:31:43,120

point sean um certainly that's

917

00:31:46,630 --> 00:31:43,919

possibility

918

00:31:48,070 --> 00:31:46,640

yeah i mean that's the the more we learn

919

00:31:49,269 --> 00:31:48,080

about the brain the more we realize we

920

00:31:50,950 --> 00:31:49,279

don't know anything about the brain

921

00:31:53,750 --> 00:31:50,960

and and that consciousness being a

922

00:31:56,070 --> 00:31:53,760

quantum potentially a quantum process

923

00:31:57,110 --> 00:31:56,080

uh you know sky's the limit uh when you

924

00:31:59,909 --> 00:31:57,120

start talking about

925

00:32:00,389 --> 00:31:59,919

about that um you know you're talking

926
00:32:05,110 --> 00:32:00,399
about

927
00:32:07,669 --> 00:32:05,120
necessarily abide by

928
00:32:09,430 --> 00:32:07,679
newtonian laws of physics um you know

929
00:32:11,590 --> 00:32:09,440
they abide by quantum physics

930
00:32:12,710 --> 00:32:11,600
uh the laws of quantum physics and and

931
00:32:14,870 --> 00:32:12,720
there a lot of

932
00:32:16,149 --> 00:32:14,880
things are are strange and bizarre but

933
00:32:18,389 --> 00:32:16,159
but are very real

934
00:32:19,430 --> 00:32:18,399
and it's possible sure it's that's

935
00:32:21,509 --> 00:32:19,440
that's a

936
00:32:23,990 --> 00:32:21,519
there's certainly some some speculation

937
00:32:26,870 --> 00:32:24,000
within within uh the community

938
00:32:27,430 --> 00:32:26,880

uh that i come from that that indicates

939

00:32:29,909 --> 00:32:27,440

that yeah

940

00:32:31,590 --> 00:32:29,919

great question by the way oh thanks um

941

00:32:33,990 --> 00:32:31,600

it also kind of makes me think

942

00:32:35,669 --> 00:32:34,000

or have you ever thought or people in a

943

00:32:39,830 --> 00:32:35,679

tip ever thought that

944

00:32:43,029 --> 00:32:39,840

not all but some of these phenomena

945

00:32:46,389 --> 00:32:43,039

that you see are at

946

00:32:48,789 --> 00:32:46,399

a reflection of consciousness in any way

947

00:32:50,149 --> 00:32:48,799

so again i want to make sure we're also

948

00:32:51,750 --> 00:32:50,159

speaking the same language on the

949

00:32:54,630 --> 00:32:51,760

lexicon because when you say

950

00:32:56,149 --> 00:32:54,640

consciousness i don't mean most people

951
00:32:58,470 --> 00:32:56,159
don't really have a

952
00:33:00,149 --> 00:32:58,480
a definition of consciousness they some

953
00:33:01,430 --> 00:33:00,159
people say well i'm awake it's a thing

954
00:33:02,950 --> 00:33:01,440
that when i'm awake and i'm conscious

955
00:33:03,990 --> 00:33:02,960
some people say no consciousness is more

956
00:33:05,909 --> 00:33:04,000
like your soul

957
00:33:07,110 --> 00:33:05,919
then there's no it's your id your chi i

958
00:33:09,110 --> 00:33:07,120
mean it's the

959
00:33:11,590 --> 00:33:09,120
the problem is that we we don't we're

960
00:33:13,029 --> 00:33:11,600
not starting from a a well-defined base

961
00:33:15,590 --> 00:33:13,039
of what consciousness is

962
00:33:16,230 --> 00:33:15,600
human consciousness from a quantum

963
00:33:19,430 --> 00:33:16,240

process

964

00:33:22,149 --> 00:33:19,440

perspective then you know

965

00:33:24,149 --> 00:33:22,159

a lot of things are are possible i don't

966

00:33:25,590 --> 00:33:24,159

understand yet how it's possible to

967

00:33:29,430 --> 00:33:25,600

physically manifest

968

00:33:31,350 --> 00:33:29,440

something uh that is an expression of of

969

00:33:34,470 --> 00:33:31,360

quantum processes in the brain

970

00:33:35,590 --> 00:33:34,480

i'm not saying it's possible but i i am

971

00:33:38,630 --> 00:33:35,600

not aware of

972

00:33:39,190 --> 00:33:38,640

any examples other than spiritual

973

00:33:42,710 --> 00:33:39,200

examples

974

00:33:45,509 --> 00:33:42,720

minds

975

00:33:47,350 --> 00:33:45,519

of of of religious leaders perhaps what

976

00:33:51,110 --> 00:33:47,360

we call miracles right or

977

00:33:52,149 --> 00:33:51,120

or epiphanies uh these revelations that

978

00:33:54,710 --> 00:33:52,159

occur uh

979

00:33:55,669 --> 00:33:54,720

throughout uh both eastern and western

980

00:33:59,590 --> 00:33:55,679

religions

981

00:34:02,549 --> 00:33:59,600

you know that that those are certainly

982

00:34:04,630 --> 00:34:02,559

you know um hard to explain and and

983

00:34:05,990 --> 00:34:04,640

could those be something a result of

984

00:34:07,669 --> 00:34:06,000

of consciousness you know there's

985

00:34:09,750 --> 00:34:07,679

there's another discussion that group

986

00:34:11,349 --> 00:34:09,760

prayer uh again i'm not going to go into

987

00:34:14,710 --> 00:34:11,359

details here specifically but

988

00:34:17,750 --> 00:34:14,720

but that group prayer can have an actual

989

00:34:18,310 --> 00:34:17,760

physical effect uh or a result on

990

00:34:20,629 --> 00:34:18,320

something

991

00:34:22,149 --> 00:34:20,639

right so that's that's very intriguing

992

00:34:24,629 --> 00:34:22,159

right that's very much

993

00:34:25,829 --> 00:34:24,639

like like potentially areas like remote

994

00:34:28,710 --> 00:34:25,839

viewing and you know

995

00:34:30,470 --> 00:34:28,720

you get into the telekinesis and

996

00:34:32,629 --> 00:34:30,480

psychotronic weapons development that

997

00:34:33,589 --> 00:34:32,639

that russia had had developed in the 50s

998

00:34:35,270 --> 00:34:33,599

and 60s

999

00:34:37,109 --> 00:34:35,280

you know there's enough anecdotal

1000

00:34:37,510 --> 00:34:37,119

information there to suggest that yeah

1001
00:34:41,270 --> 00:34:37,520
maybe

1002
00:34:44,310 --> 00:34:41,280
behind this did you guys ever use

1003
00:34:47,030 --> 00:34:44,320
or try to incorporate rv

1004
00:34:48,629 --> 00:34:47,040
in your stuff remote viewing in your

1005
00:34:50,790 --> 00:34:48,639
investigations and whatnot um

1006
00:34:52,310 --> 00:34:50,800
you know what um let me see if i can if

1007
00:34:55,510 --> 00:34:52,320
i can answer answer this uh

1008
00:34:59,349 --> 00:34:55,520
sure in a in a uh accurate way yeah

1009
00:35:01,990 --> 00:34:59,359
um i'm not going to speak for assad

1010
00:35:04,150 --> 00:35:02,000
okay a lot of things were done in asap a

1011
00:35:07,510 --> 00:35:04,160
lot of good things were done in ossap

1012
00:35:10,550 --> 00:35:07,520
my focus was atip while i

1013
00:35:13,910 --> 00:35:10,560

was running atip

1014

00:35:15,829 --> 00:35:13,920

we did not use remote viewing techniques

1015

00:35:18,550 --> 00:35:15,839

because there was no real way to

1016

00:35:22,390 --> 00:35:18,560

quantify or qualify that data

1017

00:35:25,190 --> 00:35:22,400

now clearly i'm very very good friends

1018

00:35:25,990 --> 00:35:25,200

and and one of the pioneers of remote

1019

00:35:28,150 --> 00:35:26,000

viewing dr

1020

00:35:29,270 --> 00:35:28,160

hal pudov and later on kate green and

1021

00:35:32,470 --> 00:35:29,280

some other folks

1022

00:35:34,550 --> 00:35:32,480

uh were worked with me as part of atip

1023

00:35:36,230 --> 00:35:34,560

so i'm not i'm certainly not going to

1024

00:35:39,910 --> 00:35:36,240

dismiss it at all

1025

00:35:41,990 --> 00:35:39,920

um it's just that from for for me

1026
00:35:43,190 --> 00:35:42,000
at the office of secretary of defense at

1027
00:35:45,270 --> 00:35:43,200
osd

1028
00:35:46,870 --> 00:35:45,280
we tried to focus on really only two

1029
00:35:47,430 --> 00:35:46,880
core missions what is it and how does it

1030
00:35:50,470 --> 00:35:47,440
work

1031
00:35:52,310 --> 00:35:50,480
right um you know every so so remote

1032
00:35:54,630 --> 00:35:52,320
viewing wasn't going to be as helpful

1033
00:35:57,670 --> 00:35:54,640
for us

1034
00:36:02,870 --> 00:35:57,680
about the propulsion that potentially

1035
00:36:06,710 --> 00:36:05,030
there was a a podcast he did recently

1036
00:36:09,430 --> 00:36:06,720
and this part kind of got um

1037
00:36:11,430 --> 00:36:09,440
i don't know necessarily what viral

1038
00:36:14,550 --> 00:36:11,440

really means but it seems like it went

1039

00:36:18,069 --> 00:36:14,560

semi-viral and it was um

1040

00:36:19,750 --> 00:36:18,079

where the person asked you um if we saw

1041

00:36:21,510 --> 00:36:19,760

what you saw or know

1042

00:36:22,790 --> 00:36:21,520

what do you think our reaction would be

1043

00:36:26,150 --> 00:36:22,800

and you said

1044

00:36:28,069 --> 00:36:26,160

uh somber now

1045

00:36:30,470 --> 00:36:28,079

that's you know maybe it has to be that

1046

00:36:34,550 --> 00:36:30,480

way but it is a little general can you

1047

00:36:42,150 --> 00:36:34,560

point it and uh a little more clarity

1048

00:36:45,589 --> 00:36:44,150

sorry folks i apologize i'm kind of have

1049

00:36:46,790 --> 00:36:45,599

a little bit of a cold here i got to

1050

00:36:48,150 --> 00:36:46,800

deal with so

1051

00:36:50,390 --> 00:36:48,160

i'm sorry i don't mean to be rude i

1052

00:36:53,430 --> 00:36:50,400

apologize um

1053

00:37:00,870 --> 00:36:57,030

somber um sobering

1054

00:37:03,910 --> 00:37:00,880

right um not necessarily what you think

1055

00:37:05,030 --> 00:37:03,920

um you know i i i don't again i'm not

1056

00:37:08,069 --> 00:37:05,040

gonna give answers

1057

00:37:09,670 --> 00:37:08,079

um for people because you know it this

1058

00:37:11,109 --> 00:37:09,680

is their journey their personal journey

1059

00:37:12,710 --> 00:37:11,119

and they need to take it

1060

00:37:14,630 --> 00:37:12,720

uh and i'm not gonna there's no

1061

00:37:17,910 --> 00:37:14,640

shortcuts um

1062

00:37:21,670 --> 00:37:17,920

but i think uh like many things in in

1063

00:37:22,390 --> 00:37:21,680

in the world um let me give you a case

1064

00:37:24,390 --> 00:37:22,400

in point

1065

00:37:25,990 --> 00:37:24,400

sure you're going to sail over the

1066

00:37:30,950 --> 00:37:26,000

horizon

1067

00:37:33,190 --> 00:37:30,960

and uh find new new undiscovered land

1068

00:37:35,349 --> 00:37:33,200

and so you tell you put a week's worth

1069

00:37:36,630 --> 00:37:35,359

of supplies in your boat

1070

00:37:38,390 --> 00:37:36,640

you get a couple of your friends to get

1071

00:37:40,470 --> 00:37:38,400

on the boat with you and you

1072

00:37:41,430 --> 00:37:40,480

tell everybody give them the big middle

1073

00:37:43,510 --> 00:37:41,440

fingers say

1074

00:37:44,470 --> 00:37:43,520

screw you i'm going and i'm gonna find

1075

00:37:47,109 --> 00:37:44,480

it right

1076
00:37:47,829 --> 00:37:47,119
and you start sailing and a couple days

1077
00:37:51,829 --> 00:37:47,839
goes by

1078
00:37:53,910 --> 00:37:51,839
your spirits are high you know

1079
00:37:54,870 --> 00:37:53,920
after about a week and your food supply

1080
00:37:56,390 --> 00:37:54,880
starts running short

1081
00:37:59,190 --> 00:37:56,400
and your water supply starts running

1082
00:38:01,670 --> 00:37:59,200
short and land is nowhere in sight

1083
00:38:04,230 --> 00:38:01,680
you keep going after the second week now

1084
00:38:06,950 --> 00:38:04,240
you're on super rations control

1085
00:38:08,550 --> 00:38:06,960
your crew is starting to get nervous and

1086
00:38:10,790 --> 00:38:08,560
storms are whipping up

1087
00:38:11,910 --> 00:38:10,800
tossing your boat all over the place and

1088
00:38:15,030 --> 00:38:11,920

there's still no land

1089

00:38:16,630 --> 00:38:15,040

right after about the fourth week things

1090

00:38:19,829 --> 00:38:16,640

start getting pretty dire

1091

00:38:22,870 --> 00:38:19,839

right and and and you continue and

1092

00:38:24,870 --> 00:38:22,880

your tenure and then finally uh when

1093

00:38:26,150 --> 00:38:24,880

when all else you know when you think

1094

00:38:28,550 --> 00:38:26,160

all hope is gone

1095

00:38:31,829 --> 00:38:28,560

and you are just in the abyss forever

1096

00:38:33,829 --> 00:38:31,839

and going to die there all of a sudden

1097

00:38:34,950 --> 00:38:33,839

over the horizon this little tiny

1098

00:38:37,829 --> 00:38:34,960

outcropping

1099

00:38:38,550 --> 00:38:37,839

uh what later turns out to be a new

1100

00:38:42,790 --> 00:38:38,560

continent

1101

00:38:44,390 --> 00:38:42,800

right so sobering uh in the sense that

1102

00:38:45,990 --> 00:38:44,400

that you thought what was going to be a

1103

00:38:49,030 --> 00:38:46,000

week or you thought was going to be

1104

00:38:51,910 --> 00:38:49,040

an easy journey full of

1105

00:38:52,790 --> 00:38:51,920

fairly easy anecdotes and answers turns

1106

00:38:54,870 --> 00:38:52,800

out to be

1107

00:38:55,910 --> 00:38:54,880

the challenge of a lifetime it turns out

1108

00:38:58,870 --> 00:38:55,920

now well worth it

1109

00:38:59,670 --> 00:38:58,880

well worth it but winds up challenging

1110

00:39:01,270 --> 00:38:59,680

you in every way

1111

00:39:02,870 --> 00:39:01,280

emotionally spiritually physically

1112

00:39:06,150 --> 00:39:02,880

intellectually every way

1113

00:39:08,870 --> 00:39:06,160

challenging you uh and um

1114

00:39:11,589 --> 00:39:08,880

that's what i meant by that that is

1115

00:39:16,550 --> 00:39:11,599

extremely heavy

1116

00:39:20,790 --> 00:39:18,470

generally speaking everyone will be able

1117

00:39:22,710 --> 00:39:20,800

to handle something like that

1118

00:39:24,069 --> 00:39:22,720

well people can't handle it now like i

1119

00:39:25,430 --> 00:39:24,079

said there's people that are running

1120

00:39:27,510 --> 00:39:25,440

running to the hills

1121

00:39:29,270 --> 00:39:27,520

you know into the arms of of of these

1122

00:39:30,550 --> 00:39:29,280

cult people with their arms open here

1123

00:39:31,430 --> 00:39:30,560

come to me and i'm going to give you the

1124

00:39:34,950 --> 00:39:31,440

answers

1125

00:39:37,829 --> 00:39:34,960

because people people don't like unknown

1126

00:39:40,069 --> 00:39:37,839

they they they fear it to the point

1127

00:39:41,990 --> 00:39:40,079

where if you look at us as a society

1128

00:39:43,750 --> 00:39:42,000

we have these neat little rules we call

1129

00:39:45,430 --> 00:39:43,760

laws and these little you know

1130

00:39:47,109 --> 00:39:45,440

lanes in the road that we stay in and we

1131

00:39:49,109 --> 00:39:47,119

have these little square boxes that we

1132

00:39:51,510 --> 00:39:49,119

call yards with fences

1133

00:39:52,150 --> 00:39:51,520

um we are a species that likes to have

1134

00:39:54,710 --> 00:39:52,160

boundaries

1135

00:39:56,150 --> 00:39:54,720

we like to know where we are and if we

1136

00:39:57,589 --> 00:39:56,160

don't know where we are then we'll kind

1137

00:39:59,829 --> 00:39:57,599

of create our own little

1138

00:40:00,870 --> 00:39:59,839

world so we feel comfortable where we

1139

00:40:03,349 --> 00:40:00,880

are um

1140

00:40:04,630 --> 00:40:03,359

that's just the the that's just the

1141

00:40:07,510 --> 00:40:04,640

nature of human beings

1142

00:40:08,950 --> 00:40:07,520

no one likes to be able to basically

1143

00:40:10,790 --> 00:40:08,960

well i mean if

1144

00:40:13,190 --> 00:40:10,800

yeah i mean if you look at the fact that

1145

00:40:15,270 --> 00:40:13,200

we are in this tiny little ball

1146

00:40:17,030 --> 00:40:15,280

hurdling this pale blue dot hurtling

1147

00:40:20,150 --> 00:40:17,040

around some

1148

00:40:21,750 --> 00:40:20,160

freaks my wife regular star that we call

1149

00:40:23,510 --> 00:40:21,760

the sun around some

1150

00:40:25,589 --> 00:40:23,520

you know obscure part of the milky way

1151
00:40:27,030 --> 00:40:25,599
galaxy amongst hundreds of billions of

1152
00:40:28,390 --> 00:40:27,040
other galaxies

1153
00:40:30,150 --> 00:40:28,400
and none of us know really where the

1154
00:40:32,230 --> 00:40:30,160
hell we are where we're going

1155
00:40:33,589 --> 00:40:32,240
um you know that that's that can be

1156
00:40:35,430 --> 00:40:33,599
problematic for some people

1157
00:40:37,190 --> 00:40:35,440
you know we have things called religion

1158
00:40:39,430 --> 00:40:37,200
and governments and whatnot

1159
00:40:41,349 --> 00:40:39,440
so so people have have a base something

1160
00:40:43,190 --> 00:40:41,359
to hold on to and say okay this is real

1161
00:40:46,150 --> 00:40:43,200
for me this is

1162
00:40:46,550 --> 00:40:46,160
you know i can i know where i am um

1163
00:40:52,550 --> 00:40:46,560

that's

1164

00:40:54,550 --> 00:40:52,560

you think the base looks like for us

1165

00:40:56,390 --> 00:40:54,560

oh my goodness you know what i i

1166

00:40:58,950 --> 00:40:56,400

wouldn't even want to be that's because

1167

00:41:00,150 --> 00:40:58,960

you know because with my luck i'll offer

1168

00:41:01,829 --> 00:41:00,160

an opinion all of a sudden people are

1169

00:41:05,109 --> 00:41:01,839

going to glom onto it and say

1170

00:41:06,230 --> 00:41:05,119

you know i want to be be careful not to

1171

00:41:07,990 --> 00:41:06,240

do that um

1172

00:41:09,670 --> 00:41:08,000

yeah i hear you you know look it's it's

1173

00:41:13,349 --> 00:41:09,680

a look first of all

1174

00:41:14,630 --> 00:41:13,359

it's okay to to sometimes be a little

1175

00:41:16,950 --> 00:41:14,640

lost that's when when

1176

00:41:19,430 --> 00:41:16,960

the best of life happens i agree it's

1177

00:41:21,430 --> 00:41:19,440

okay do you really want to know

1178

00:41:23,190 --> 00:41:21,440

where you are all the time and

1179

00:41:24,950 --> 00:41:23,200

everything around you no

1180

00:41:26,230 --> 00:41:24,960

it takes up the mystery away the

1181

00:41:28,390 --> 00:41:26,240

spontaneity

1182

00:41:29,589 --> 00:41:28,400

we are a discovering species we're

1183

00:41:33,510 --> 00:41:29,599

supposed to

1184

00:41:35,829 --> 00:41:33,520

find answers and discover it's okay

1185

00:41:37,030 --> 00:41:35,839

it's okay if you're a little lost you

1186

00:41:38,790 --> 00:41:37,040

know there there's

1187

00:41:41,030 --> 00:41:38,800

there's an old saying i'm a jeep guy

1188

00:41:42,309 --> 00:41:41,040

right so uh not all who wander are

1189

00:41:45,270 --> 00:41:42,319

necessarily lost

1190

00:41:46,550 --> 00:41:45,280

um i agree with that you know it's it's

1191

00:41:49,589 --> 00:41:46,560

that's okay

1192

00:41:51,589 --> 00:41:49,599

it's okay to be to be uh to be

1193

00:41:52,630 --> 00:41:51,599

working sometimes without a without a

1194

00:41:54,630 --> 00:41:52,640

net uh

1195

00:41:56,150 --> 00:41:54,640

right well how many times have you found

1196

00:41:58,870 --> 00:41:56,160

yourself in life

1197

00:41:59,829 --> 00:41:58,880

uh maybe in a spot doing something where

1198

00:42:01,829 --> 00:41:59,839

you feel

1199

00:42:03,829 --> 00:42:01,839

just like lost why am i here is there

1200

00:42:06,309 --> 00:42:03,839

real reason oh my god you're doing this

1201
00:42:08,150 --> 00:42:06,319
and years go by and you're like oh i

1202
00:42:09,190 --> 00:42:08,160
mean sean if i can be truthful it's all

1203
00:42:10,950 --> 00:42:09,200
the time i mean

1204
00:42:12,950 --> 00:42:10,960
i mean you know in the world of

1205
00:42:14,470 --> 00:42:12,960
intelligence it's a whole world of smoke

1206
00:42:16,069 --> 00:42:14,480
and mirrors and you're playing a game of

1207
00:42:18,630 --> 00:42:16,079
chess against an enemy

1208
00:42:20,150 --> 00:42:18,640
who who you'll maybe never see but

1209
00:42:21,190 --> 00:42:20,160
mistakes couldn't be higher and they're

1210
00:42:23,589 --> 00:42:21,200
playing against you

1211
00:42:24,550 --> 00:42:23,599
and it's if it's uh it's a winner takes

1212
00:42:26,870 --> 00:42:24,560
all game

1213
00:42:28,870 --> 00:42:26,880

you know there are times where where

1214

00:42:30,550 --> 00:42:28,880

i've asked myself that i've

1215

00:42:32,069 --> 00:42:30,560

i remember coming back from combat the

1216

00:42:34,710 --> 00:42:32,079

first time and

1217

00:42:35,430 --> 00:42:34,720

and holding my daughter my newborn

1218

00:42:38,870 --> 00:42:35,440

daughter

1219

00:42:40,470 --> 00:42:38,880

in my hands and and i i didn't even want

1220

00:42:42,550 --> 00:42:40,480

to touch her i felt like

1221

00:42:44,150 --> 00:42:42,560

i would i would soil her because my you

1222

00:42:46,069 --> 00:42:44,160

know my hands were

1223

00:42:47,589 --> 00:42:46,079

were responsible for doing terrible

1224

00:42:51,109 --> 00:42:47,599

things violent things

1225

00:42:54,630 --> 00:42:51,119

in war and now i've got this incredible

1226

00:42:56,550 --> 00:42:54,640

newborn premature newborn baby

1227

00:42:58,390 --> 00:42:56,560

that little child in my hand whose life

1228

00:43:00,950 --> 00:42:58,400

depends upon me and

1229

00:43:01,510 --> 00:43:00,960

and you know this perfect innocence

1230

00:43:04,950 --> 00:43:01,520

perfect

1231

00:43:06,069 --> 00:43:04,960

thing and and i i almost didn't want to

1232

00:43:08,230 --> 00:43:06,079

hold it i felt like

1233

00:43:10,470 --> 00:43:08,240

like i was gonna dirty it somehow right

1234

00:43:13,589 --> 00:43:10,480

um i felt lost then

1235

00:43:15,750 --> 00:43:13,599

i i i felt lost when you know

1236

00:43:18,309 --> 00:43:15,760

my my daughters would come home and have

1237

00:43:20,710 --> 00:43:18,319

a bad day at school i feel lost when

1238

00:43:21,829 --> 00:43:20,720

when my you know wife asked me a

1239

00:43:23,750 --> 00:43:21,839

question and she says

1240

00:43:25,589 --> 00:43:23,760

is this really worth it what you're

1241

00:43:27,109 --> 00:43:25,599

doing is this really is this cause

1242

00:43:29,109 --> 00:43:27,119

really worth it because

1243

00:43:31,270 --> 00:43:29,119

of what it's doing to the family you

1244

00:43:33,349 --> 00:43:31,280

know uh if i can be honest with you i

1245

00:43:36,150 --> 00:43:33,359

feel lost all the time but that's

1246

00:43:36,710 --> 00:43:36,160

that's okay you know that's that i'm not

1247

00:43:38,470 --> 00:43:36,720

gonna

1248

00:43:39,910 --> 00:43:38,480

you here and tell you oh no you

1249

00:43:41,270 --> 00:43:39,920

know it's all you know that's the kind

1250

00:43:42,069 --> 00:43:41,280

of crap that gets people killed in

1251
00:43:43,270 --> 00:43:42,079
combat

1252
00:43:44,870 --> 00:43:43,280
you know when someone says hey just

1253
00:43:46,790 --> 00:43:44,880
follow me you know and and we're going

1254
00:43:48,710 --> 00:43:46,800
to we're going to run into the

1255
00:43:49,990 --> 00:43:48,720
to the you know hellfire of bullets and

1256
00:43:51,510 --> 00:43:50,000
bombs you know

1257
00:43:53,190 --> 00:43:51,520
i'd rather do things smarter i want to

1258
00:43:54,710 --> 00:43:53,200
be with a guy who's going to take just a

1259
00:43:56,630 --> 00:43:54,720
second to reconnoiter and

1260
00:43:58,630 --> 00:43:56,640
look and say you know what we're going

1261
00:43:59,750 --> 00:43:58,640
to go that way not that way

1262
00:44:01,670 --> 00:43:59,760
we're going to we're going to do it

1263
00:44:04,790 --> 00:44:01,680

smarter not not not

1264

00:44:06,150 --> 00:44:04,800

necessarily harder right that's those

1265

00:44:08,069 --> 00:44:06,160

are the kind of people i'd rather be

1266

00:44:10,150 --> 00:44:08,079

around people that are more strategic

1267

00:44:11,510 --> 00:44:10,160

people like chris mellon that that are

1268

00:44:14,390 --> 00:44:11,520

that are the consummate uh

1269

00:44:15,430 --> 00:44:14,400

strategist um you know people who who

1270

00:44:17,430 --> 00:44:15,440

understand

1271

00:44:18,950 --> 00:44:17,440

second and third order cause and effect

1272

00:44:22,150 --> 00:44:18,960

right and consequences

1273

00:44:24,630 --> 00:44:22,160

um that's that's and and being lost

1274

00:44:26,550 --> 00:44:24,640

is is okay if you never feel lost then

1275

00:44:28,950 --> 00:44:26,560

chances are you're not going anywhere

1276

00:44:29,750 --> 00:44:28,960

yet no i i guess i kind of relate it to

1277

00:44:31,589 --> 00:44:29,760

um

1278

00:44:32,950 --> 00:44:31,599

you know in life when you have issues or

1279

00:44:36,550 --> 00:44:32,960

you fail

1280

00:44:37,750 --> 00:44:36,560

and you know it's it's it's cliché but

1281

00:44:39,030 --> 00:44:37,760

because it's true

1282

00:44:41,349 --> 00:44:39,040

every time you fail you'll learn

1283

00:44:43,910 --> 00:44:41,359

something new and you should be failing

1284

00:44:45,270 --> 00:44:43,920

so you can grow sean i'm going to share

1285

00:44:47,910 --> 00:44:45,280

something with you about that

1286

00:44:51,109 --> 00:44:47,920

because i agree you know there was a i

1287

00:44:53,510 --> 00:44:51,119

remember my father telling me a story in

1288

00:44:55,030 --> 00:44:53,520

in cuba about one of the world's

1289

00:44:55,510 --> 00:44:55,040

greatest swimmers fastest swimmers in

1290

00:44:58,150 --> 00:44:55,520

the world

1291

00:44:59,109 --> 00:44:58,160

and he had one you know some some huge

1292

00:45:02,150 --> 00:44:59,119

like olympics

1293

00:45:04,710 --> 00:45:02,160

type type uh event and

1294

00:45:07,270 --> 00:45:04,720

uh this um the reporter comes up and

1295

00:45:08,710 --> 00:45:07,280

says oh my gosh you know mr garcia you

1296

00:45:11,510 --> 00:45:08,720

were an incredible swimmer

1297

00:45:13,349 --> 00:45:11,520

you were the fastest man in the water to

1298

00:45:15,750 --> 00:45:13,359

ever be on this planet

1299

00:45:18,309 --> 00:45:15,760

you know what's it like that you've won

1300

00:45:20,710 --> 00:45:18,319

so many of these tournaments

1301
00:45:22,390 --> 00:45:20,720
and he looked at the reporter and he

1302
00:45:24,230 --> 00:45:22,400
said what you don't realize

1303
00:45:26,630 --> 00:45:24,240
is i also hold the record for losing the

1304
00:45:28,630 --> 00:45:26,640
most at one point i was the slowest

1305
00:45:30,630 --> 00:45:28,640
swimmer i just never gave up

1306
00:45:31,750 --> 00:45:30,640
and in fact i've lost more events than

1307
00:45:33,670 --> 00:45:31,760
i've ever won

1308
00:45:35,190 --> 00:45:33,680
so yes i may have the gold medal today

1309
00:45:38,309 --> 00:45:35,200
but it's only because i've lost

1310
00:45:39,270 --> 00:45:38,319
so many times before um i i'm not afraid

1311
00:45:41,589 --> 00:45:39,280
of failure

1312
00:45:42,470 --> 00:45:41,599
uh at all i think in order to anybody

1313
00:45:44,309 --> 00:45:42,480

who says

1314

00:45:45,990 --> 00:45:44,319

you know i'll share with you i have my

1315

00:45:48,390 --> 00:45:46,000

tattoos here i don't i don't talk about

1316

00:45:49,750 --> 00:45:48,400

them publicly but it's latin it says

1317

00:45:52,630 --> 00:45:49,760

acceptance

1318

00:45:54,150 --> 00:45:52,640

it means with regret anybody who says

1319

00:45:55,910 --> 00:45:54,160

they have no regrets

1320

00:45:57,430 --> 00:45:55,920

is a fool that means they've never

1321

00:45:58,950 --> 00:45:57,440

learned in life

1322

00:46:00,309 --> 00:45:58,960

there are things that i regret all the

1323

00:46:01,430 --> 00:46:00,319

time and i never want to make those

1324

00:46:02,950 --> 00:46:01,440

mistakes again

1325

00:46:04,870 --> 00:46:02,960

yeah maybe i raised my voice a little

1326
00:46:06,710 --> 00:46:04,880
bit too loud but you still got a value

1327
00:46:09,349 --> 00:46:06,720
that or you may not know

1328
00:46:10,230 --> 00:46:09,359
right no no failure is good look failure

1329
00:46:12,790 --> 00:46:10,240
is good

1330
00:46:14,069 --> 00:46:12,800
failure is it's okay because you know

1331
00:46:15,670 --> 00:46:14,079
it's the reason why we now have the

1332
00:46:17,109 --> 00:46:15,680
incandescent lamp light bulb

1333
00:46:18,710 --> 00:46:17,119
because someone failed so many times

1334
00:46:21,270 --> 00:46:18,720
before they finally got it right

1335
00:46:22,069 --> 00:46:21,280
but they just never gave up so so

1336
00:46:24,069 --> 00:46:22,079
failure is

1337
00:46:25,109 --> 00:46:24,079
okay as long as you learn from that

1338
00:46:26,470 --> 00:46:25,119

failure continue

1339

00:46:28,630 --> 00:46:26,480

and by the way you're going to have lots

1340

00:46:29,990 --> 00:46:28,640

and lots of failures anybody again

1341

00:46:31,190 --> 00:46:30,000

anybody says they've never failed i'm

1342

00:46:34,069 --> 00:46:31,200

going to say you've never then tried

1343

00:46:34,950 --> 00:46:34,079

you've never succeeded either yeah yeah

1344

00:46:37,190 --> 00:46:34,960

that's

1345

00:46:39,349 --> 00:46:37,200

definitely true no one is perfect at

1346

00:46:40,150 --> 00:46:39,359

something their first time trying that's

1347

00:46:42,950 --> 00:46:40,160

for sure

1348

00:46:43,430 --> 00:46:42,960

so um failing to get back up and

1349

00:46:46,870 --> 00:46:43,440

learning

1350

00:46:49,990 --> 00:46:46,880

awesome um if you had to give

1351
00:46:54,150 --> 00:46:50,000
a a message

1352
00:46:56,630 --> 00:46:54,160
to ufo twitter or

1353
00:46:58,150 --> 00:46:56,640
i guess i'm just using that to put

1354
00:47:00,150 --> 00:46:58,160
everyone in the same group what would it

1355
00:47:07,349 --> 00:47:00,160
be

1356
00:47:09,109 --> 00:47:07,359
for the love of god don't you know

1357
00:47:10,790 --> 00:47:09,119
be mindful there's a lot of sharks in

1358
00:47:12,710 --> 00:47:10,800
the water and

1359
00:47:13,910 --> 00:47:12,720
you know i i don't mind being beat up

1360
00:47:16,630 --> 00:47:13,920
but there's there's there's

1361
00:47:18,069 --> 00:47:16,640
there's people out there that do not

1362
00:47:20,309 --> 00:47:18,079
have your best interest at heart

1363
00:47:21,430 --> 00:47:20,319

and they will take you for a ride and

1364

00:47:24,470 --> 00:47:21,440

they will

1365

00:47:27,990 --> 00:47:24,480

con people

1366

00:47:30,230 --> 00:47:28,000

and uh it you know

1367

00:47:31,829 --> 00:47:30,240

it's a shame it breaks my heart because

1368

00:47:32,309 --> 00:47:31,839

ultimately we should all be on the same

1369

00:47:34,069 --> 00:47:32,319

team

1370

00:47:35,750 --> 00:47:34,079

uh we should all be working for this

1371

00:47:39,829 --> 00:47:35,760

cause so my

1372

00:47:40,710 --> 00:47:39,839

my i guess my advice for ufo twitter

1373

00:47:43,270 --> 00:47:40,720

would be

1374

00:47:44,710 --> 00:47:43,280

you know just please be careful think

1375

00:47:46,549 --> 00:47:44,720

for yourself

1376

00:47:48,309 --> 00:47:46,559

don't let anybody think for you for the

1377

00:47:50,549 --> 00:47:48,319

love of god don't do that you're

1378

00:47:52,390 --> 00:47:50,559

you know your mind is too precious to

1379

00:47:54,150 --> 00:47:52,400

just hand over the reins to

1380

00:47:55,670 --> 00:47:54,160

to some shmo that's that's you know

1381

00:47:57,990 --> 00:47:55,680

trying to make a buck please

1382

00:47:59,670 --> 00:47:58,000

please please don't do that and at the

1383

00:48:03,430 --> 00:47:59,680

end of the day if you do

1384

00:48:06,069 --> 00:48:03,440

um you know i i'm sorry

1385

00:48:07,510 --> 00:48:06,079

i'm i'm sorry that that that you got

1386

00:48:10,710 --> 00:48:07,520

suckered into something like that

1387

00:48:12,630 --> 00:48:10,720

um you know i i think i think most

1388

00:48:13,430 --> 00:48:12,640

people are pretty wise to those type of

1389

00:48:15,270 --> 00:48:13,440

antics

1390

00:48:16,870 --> 00:48:15,280

yeah again i don't like to say people's

1391

00:48:17,670 --> 00:48:16,880

names because i don't even want to give

1392

00:48:26,069 --> 00:48:17,680

them

1393

00:48:27,270 --> 00:48:26,079

i hate that on the news when somebody

1394

00:48:29,109 --> 00:48:27,280

does something bad and they put the

1395

00:48:29,510 --> 00:48:29,119

person's picture all over the place it's

1396

00:48:31,589 --> 00:48:29,520

like

1397

00:48:33,270 --> 00:48:31,599

are you glorifying this person yeah i'd

1398

00:48:34,790 --> 00:48:33,280

rather focus on the positive and what

1399

00:48:36,230 --> 00:48:34,800

we've been able to achieve collectively

1400

00:48:37,030 --> 00:48:36,240

and accomplish together over the last

1401

00:48:37,910 --> 00:48:37,040

three years

1402

00:48:41,589 --> 00:48:37,920

and frankly what we're going to

1403

00:48:44,470 --> 00:48:41,599

accomplish in the next three years yeah

1404

00:48:45,270 --> 00:48:44,480

i can't wait uh that is for sure do you

1405

00:48:48,549 --> 00:48:45,280

think you're gonna

1406

00:48:50,549 --> 00:48:48,559

go back into a government role

1407

00:48:51,829 --> 00:48:50,559

well i don't know sean uh it really

1408

00:48:53,430 --> 00:48:51,839

depends uh

1409

00:48:55,510 --> 00:48:53,440

you know if my country asked me to come

1410

00:48:58,870 --> 00:48:55,520

back and they want me to serve then

1411

00:49:03,030 --> 00:48:58,880

um i may do that um there's

1412

00:49:06,870 --> 00:49:03,040

you know i may my hope is that

1413

00:49:07,750 --> 00:49:06,880

uh very soon uh you know like yesterday

1414

00:49:10,069 --> 00:49:07,760

um

1415

00:49:12,230 --> 00:49:10,079

somebody will stand up uh maybe that was

1416

00:49:14,710 --> 00:49:12,240

part of the task force or part of a tip

1417

00:49:16,790 --> 00:49:14,720

that hasn't been named publicly yet and

1418

00:49:17,270 --> 00:49:16,800

can be the new face and continue to move

1419

00:49:20,549 --> 00:49:17,280

forward

1420

00:49:23,589 --> 00:49:20,559

uh collectively with the group so i can

1421

00:49:26,309 --> 00:49:23,599

i can uh gracefully uh bow out

1422

00:49:27,910 --> 00:49:26,319

and and and kind of exit stage left uh

1423

00:49:29,670 --> 00:49:27,920

if i can i'd love to spend more time

1424

00:49:33,109 --> 00:49:29,680

with my family um

1425

00:49:36,150 --> 00:49:33,119

you know try to try to uh

1426

00:49:37,990 --> 00:49:36,160

at least take a break yeah right just

1427

00:49:41,270 --> 00:49:38,000

take a break and and breathe

1428

00:49:43,430 --> 00:49:41,280

um you know there's there's

1429

00:49:44,390 --> 00:49:43,440

you know the problem is that the the

1430

00:49:46,470 --> 00:49:44,400

this this

1431

00:49:48,069 --> 00:49:46,480

this battle isn't over uh we won a major

1432

00:49:49,190 --> 00:49:48,079

battle when with the report coming out

1433

00:49:52,069 --> 00:49:49,200

the uap report

1434

00:49:52,870 --> 00:49:52,079

it was historic um like you said in the

1435

00:49:56,630 --> 00:49:52,880

very first

1436

00:49:58,150 --> 00:49:56,640

it says this is a preliminary report

1437

00:50:00,230 --> 00:49:58,160

that means there's other reports you

1438

00:50:01,750 --> 00:50:00,240

know congratulations you won you got it

1439

00:50:03,829 --> 00:50:01,760

right and then it said that there were

1440

00:50:05,190 --> 00:50:03,839

144 incidents and only one they were

1441

00:50:06,470 --> 00:50:05,200

able to identify

1442

00:50:08,390 --> 00:50:06,480

and by the way that was only in the last

1443

00:50:11,190 --> 00:50:08,400

year and a half it was from november

1444

00:50:12,150 --> 00:50:11,200

2019 and forward and by the way it only

1445

00:50:14,309 --> 00:50:12,160

involved the navy

1446

00:50:15,750 --> 00:50:14,319

right so yeah so people say well there

1447

00:50:17,589 --> 00:50:15,760

was one from the nimitz okay that's

1448

00:50:19,349 --> 00:50:17,599

equipment sucks or

1449

00:50:20,790 --> 00:50:19,359

this is well so you've got a lot of

1450

00:50:22,790 --> 00:50:20,800

stuff happening right so

1451

00:50:24,230 --> 00:50:22,800

so you know we're just now starting this

1452

00:50:27,510 --> 00:50:24,240

journey together

1453

00:50:29,109 --> 00:50:27,520

yeah um you know it is kind of

1454

00:50:31,829 --> 00:50:29,119

overwhelming for a lot of people

1455

00:50:33,270 --> 00:50:31,839

um but i'll tell you like the the

1456

00:50:35,270 --> 00:50:33,280

message is getting

1457

00:50:37,109 --> 00:50:35,280

it's getting out there in the right way

1458

00:50:39,829 --> 00:50:37,119

and the way that i kind of uh

1459

00:50:41,510 --> 00:50:39,839

evaluate that is talking to my wife

1460

00:50:44,549 --> 00:50:41,520

because she's not very into this stuff

1461

00:50:46,309 --> 00:50:44,559

so not that she's not against it

1462

00:50:47,990 --> 00:50:46,319

we did see something together but she's

1463

00:50:48,470 --> 00:50:48,000

not like me she doesn't have a podcast

1464

00:50:51,670 --> 00:50:48,480

but

1465

00:50:53,030 --> 00:50:51,680

um the news comes on they talk about the

1466

00:50:55,750 --> 00:50:53,040

report

1467

00:50:57,109 --> 00:50:55,760

um i come home later ask her about it

1468

00:50:58,710 --> 00:50:57,119

what was your takeaway

1469

00:51:00,870 --> 00:50:58,720

and she says well i guess they only

1470

00:51:02,549 --> 00:51:00,880

identified one out of what a hundred

1471

00:51:06,470 --> 00:51:02,559

something

1472

00:51:08,069 --> 00:51:06,480

and i'm like yes right that's exactly

1473

00:51:09,829 --> 00:51:08,079

right honey exactly by the way some of

1474

00:51:13,190 --> 00:51:09,839

these things were really really close

1475

00:51:15,349 --> 00:51:13,200

so you know you tell me wow

1476
00:51:17,190 --> 00:51:15,359
that's crazy yeah oh when are we going

1477
00:51:21,109 --> 00:51:17,200
to see that 50 foot away

1478
00:51:22,950 --> 00:51:21,119
pick oh man that's not up to me but

1479
00:51:25,030 --> 00:51:22,960
yeah there's a couple there that will

1480
00:51:27,589 --> 00:51:25,040
that'll that'll rattle you pretty good

1481
00:51:28,230 --> 00:51:27,599
um yeah there's one i i won't go into

1482
00:51:30,870 --> 00:51:28,240
detail but

1483
00:51:32,390 --> 00:51:30,880
the video is about 23 minutes long it's

1484
00:51:36,710 --> 00:51:32,400
it's

1485
00:51:39,030 --> 00:51:36,720
man popcorn

1486
00:51:40,390 --> 00:51:39,040
gotta get that uh yeah popcorn and some

1487
00:51:42,630 --> 00:51:40,400
3d glasses and

1488
00:51:44,230 --> 00:51:42,640

maybe some some coca-cola or something

1489

00:51:49,510 --> 00:51:44,240

coca-cola

1490

00:51:54,150 --> 00:51:51,990

would you um get one of these things and

1491

00:51:56,790 --> 00:51:54,160

uh fly around town if you could

1492

00:51:57,270 --> 00:51:56,800

nope no i'll let someone braver than me

1493

00:52:00,790 --> 00:51:57,280

do it

1494

00:52:02,069 --> 00:52:00,800

yeah no you know you once do yeah

1495

00:52:04,390 --> 00:52:02,079

yeah um yeah you were you were

1496

00:52:05,190 --> 00:52:04,400

mentioning once um well on max's show

1497

00:52:07,109 --> 00:52:05,200

max has

1498

00:52:08,309 --> 00:52:07,119

become a really good friend of mine max

1499

00:52:10,950 --> 00:52:08,319

is a great person

1500

00:52:13,190 --> 00:52:10,960

super guy and we're kind of getting

1501
00:52:16,150 --> 00:52:13,200
together and doing more together and

1502
00:52:18,470 --> 00:52:16,160
doing a lot of european stuff so i

1503
00:52:20,069 --> 00:52:18,480
really appreciate that but

1504
00:52:21,990 --> 00:52:20,079
it was on his show when you kind of did

1505
00:52:25,990 --> 00:52:22,000
the demonstration of these

1506
00:52:28,870 --> 00:52:26,000
uh discs and basically how

1507
00:52:31,270 --> 00:52:28,880
multiple ones create different shapes

1508
00:52:34,710 --> 00:52:31,280
and they're in this space-time bubble

1509
00:52:38,309 --> 00:52:34,720
and you also mentioned how it's possible

1510
00:52:41,750 --> 00:52:38,319
maybe to break that with an emp

1511
00:52:42,390 --> 00:52:41,760
attack have we tried that i'm i'm going

1512
00:52:46,150 --> 00:52:42,400
to

1513
00:52:50,069 --> 00:52:46,160

very politely deflect that question um

1514

00:52:53,430 --> 00:52:50,079

okay but um it's a great question and

1515

00:52:55,349 --> 00:52:53,440

by the way i'm getting uh i guess a a a

1516

00:52:55,829 --> 00:52:55,359

very friendly reminder here that i've

1517

00:52:57,990 --> 00:52:55,839

got

1518

00:53:00,390 --> 00:52:58,000

i guess i have something else coming up

1519

00:53:03,829 --> 00:53:00,400

here shortly so i guess i've got uh

1520

00:53:05,190 --> 00:53:03,839

five minutes with you um unfortunately

1521

00:53:06,630 --> 00:53:05,200

yeah i apologize you should just told me

1522

00:53:07,990 --> 00:53:06,640

not to ask that question no actually

1523

00:53:09,270 --> 00:53:08,000

this is believe it or not now people are

1524

00:53:10,230 --> 00:53:09,280

going to think oh lucy's just trying to

1525

00:53:12,150 --> 00:53:10,240

get the hell off now i

1526
00:53:13,589 --> 00:53:12,160
promise you i really actually feel like

1527
00:53:15,190 --> 00:53:13,599
you rewind the tape about a minute

1528
00:53:15,829 --> 00:53:15,200
you'll see my eyes look up at the door

1529
00:53:17,829 --> 00:53:15,839
that's because

1530
00:53:18,870 --> 00:53:17,839
the boss is telling me hey you've got

1531
00:53:23,750 --> 00:53:18,880
another one i'm like

1532
00:53:25,510 --> 00:53:23,760
okay all right um let's see

1533
00:53:27,030 --> 00:53:25,520
i got one last question sean let me ask

1534
00:53:29,910 --> 00:53:27,040
you a question you know yeah

1535
00:53:30,630 --> 00:53:29,920
you're always asking uh your audience

1536
00:53:32,950 --> 00:53:30,640
things and

1537
00:53:34,230 --> 00:53:32,960
sure i'd like to i'd like to ask you a

1538
00:53:35,109 --> 00:53:34,240

question if that's okay for your

1539

00:53:38,630 --> 00:53:35,119

audience

1540

00:53:40,829 --> 00:53:38,640

yeah how did you get involved in this

1541

00:53:43,190 --> 00:53:40,839

topic

1542

00:53:45,270 --> 00:53:43,200

um you know it's not a

1543

00:53:46,630 --> 00:53:45,280

topic i thought i would ever uh be

1544

00:53:50,230 --> 00:53:46,640

involved in

1545

00:53:52,950 --> 00:53:50,240

um i've always paid attention

1546

00:53:53,589 --> 00:53:52,960

watched like your show unidentified but

1547

00:53:57,430 --> 00:53:53,599

i never

1548

00:54:00,150 --> 00:53:57,440

like went too much further

1549

00:54:01,349 --> 00:54:00,160

and it was last it was the year the

1550

00:54:04,549 --> 00:54:01,359

coronavirus

1551
00:54:04,950 --> 00:54:04,559
basically and i just moved into a new

1552
00:54:07,990 --> 00:54:04,960
house

1553
00:54:11,589 --> 00:54:08,000
i lost my job right before that

1554
00:54:13,589 --> 00:54:11,599
um and then this bowling

1555
00:54:15,910 --> 00:54:13,599
season was coming up and my dad and i

1556
00:54:19,190 --> 00:54:15,920
we'd always ball that was our thing

1557
00:54:20,390 --> 00:54:19,200
and you know i don't fault him for this

1558
00:54:23,589 --> 00:54:20,400
but he wasn't taking the mask

1559
00:54:24,790 --> 00:54:23,599
thing over seriously enough and i said

1560
00:54:26,549 --> 00:54:24,800
i'll do it with the if we're wearing

1561
00:54:27,430 --> 00:54:26,559
masks so i go in there and no one's

1562
00:54:29,190 --> 00:54:27,440
wearing it

1563
00:54:30,710 --> 00:54:29,200

and so on and so forth we get an

1564

00:54:32,790 --> 00:54:30,720

argument

1565

00:54:34,470 --> 00:54:32,800

two years before that i have a dream

1566

00:54:38,069 --> 00:54:34,480

where we get in a very

1567

00:54:38,710 --> 00:54:38,079

very bad argument where swear words all

1568

00:54:41,510 --> 00:54:38,720

that stuff

1569

00:54:42,230 --> 00:54:41,520

and i know some people that's not weird

1570

00:54:44,470 --> 00:54:42,240

for me

1571

00:54:47,349 --> 00:54:44,480

it was weird i couldn't imagine why we'd

1572

00:54:50,069 --> 00:54:47,359

ever be put in that scenario

1573

00:54:50,710 --> 00:54:50,079

so fast forward coronavirus house

1574

00:54:53,670 --> 00:54:50,720

bowling

1575

00:54:55,510 --> 00:54:53,680

all that we have that argument and as

1576

00:54:56,069 --> 00:54:55,520

we're having it i'm thinking of that

1577

00:54:58,150 --> 00:54:56,079

dream

1578

00:54:59,990 --> 00:54:58,160

and i can't do anything to stop it like

1579

00:55:03,829 --> 00:55:00,000

i'm just in this

1580

00:55:05,990 --> 00:55:03,839

stuff and uh the day before that

1581

00:55:07,510 --> 00:55:06,000

i'm outside of my house and i saw like a

1582

00:55:10,950 --> 00:55:07,520

sideways teardrop thing go

1583

00:55:13,430 --> 00:55:10,960

over my head and the day and it was like

1584

00:55:15,109 --> 00:55:13,440

either 50 feet above me or really big

1585

00:55:17,190 --> 00:55:15,119

and far away

1586

00:55:18,230 --> 00:55:17,200

and a couple days or something after

1587

00:55:21,829 --> 00:55:18,240

that argument

1588

00:55:25,510 --> 00:55:21,839

the same thing except a circle white

1589

00:55:27,430 --> 00:55:25,520

um and i just felt like it was there

1590

00:55:29,349 --> 00:55:27,440

for whatever reason for me to see it

1591

00:55:31,190 --> 00:55:29,359

personally and it just shook me so hard

1592

00:55:33,190 --> 00:55:31,200

that i wanted to

1593

00:55:34,390 --> 00:55:33,200

look farther into this stuff and try to

1594

00:55:36,309 --> 00:55:34,400

figure something out

1595

00:55:38,470 --> 00:55:36,319

i don't think it will but at least

1596

00:55:39,190 --> 00:55:38,480

chasing the dragon uh keeps my mind

1597

00:55:41,030 --> 00:55:39,200

occupied

1598

00:55:42,870 --> 00:55:41,040

is your dad okay is your dad okay you

1599

00:55:44,870 --> 00:55:42,880

guys yeah yeah

1600

00:55:46,549 --> 00:55:44,880

you know uh the phenomenon i think

1601
00:55:47,430 --> 00:55:46,559
sometimes causes problems for you just

1602
00:55:49,990 --> 00:55:47,440
to fix them

1603
00:55:51,589 --> 00:55:50,000
um because i think that happened so

1604
00:55:54,470 --> 00:55:51,599
we're all good yeah

1605
00:55:56,870 --> 00:55:54,480
but well sean thank you for sharing that

1606
00:55:59,670 --> 00:55:56,880
i i do appreciate it very much

1607
00:56:01,030 --> 00:55:59,680
yeah hey i i have to and that's why i'm

1608
00:56:03,750 --> 00:56:01,040
here and i want to help

1609
00:56:05,430 --> 00:56:03,760
i want to do anything i can to help

1610
00:56:07,670 --> 00:56:05,440
there is so much going on

1611
00:56:08,470 --> 00:56:07,680
so many different theories so many ways

1612
00:56:10,870 --> 00:56:08,480
to get tugged

1613
00:56:12,230 --> 00:56:10,880

i want to help and you know create a

1614

00:56:13,910 --> 00:56:12,240

grounded atmosphere

1615

00:56:15,910 --> 00:56:13,920

well sean you are helping make no doubt

1616

00:56:17,510 --> 00:56:15,920

about it you are absolutely helping uh

1617

00:56:18,950 --> 00:56:17,520

in a very big way and so is your

1618

00:56:21,670 --> 00:56:18,960

audience so so thank you

1619

00:56:22,230 --> 00:56:21,680

very much for for everything that you do

1620

00:56:23,910 --> 00:56:22,240

uh

1621

00:56:25,670 --> 00:56:23,920

and look forward to to many more of

1622

00:56:26,470 --> 00:56:25,680

these you know anytime you want to you

1623

00:56:28,470 --> 00:56:26,480

want to have a chat

1624

00:56:30,470 --> 00:56:28,480

happy to do it all right well i'll see

1625

00:56:32,470 --> 00:56:30,480

you tomorrow then

1626

00:56:34,630 --> 00:56:32,480

and you can you know you can answer for

1627

00:56:36,950 --> 00:56:34,640

why you wear a baltimore ravens on

1628

00:56:37,990 --> 00:56:36,960

uh you know what it's because i i'll

1629

00:56:41,190 --> 00:56:38,000

tell you honestly

1630

00:56:42,789 --> 00:56:41,200

no actually i was a dolphins guy but

1631

00:56:44,150 --> 00:56:42,799

it was given but if you look in the back

1632

00:56:45,510 --> 00:56:44,160

of that that raven's hat it says

1633

00:56:49,910 --> 00:56:45,520

national guard

1634

00:56:52,230 --> 00:56:49,920

i'm kind of like well okay because it's

1635

00:56:54,870 --> 00:56:52,240

i'm not a huge football guy uh i wasn't

1636

00:56:56,549 --> 00:56:54,880

very particularly coordinated as a kid

1637

00:56:58,390 --> 00:56:56,559

i was more into like boxing and stuff

1638

00:57:00,150 --> 00:56:58,400

like that so yeah but

1639

00:57:01,670 --> 00:57:00,160

sean thank you very much my friend um i

1640

00:57:03,349 --> 00:57:01,680

appreciate your time it was truly an

1641

00:57:04,150 --> 00:57:03,359

honor so yes sir and thank you so much

1642

00:57:06,309 --> 00:57:04,160

to your audience

1643

00:57:08,230 --> 00:57:06,319

uh you know let's let's do many more of

1644

00:57:09,430 --> 00:57:08,240

these yeah sounds good you have a great

1645

00:57:12,950 --> 00:57:09,440

week get some rest

1646

00:57:16,470 --> 00:57:12,960

you got it take care all right bye

1647

00:57:19,589 --> 00:57:16,480

all right that was uh pretty awesome

1648

00:57:19,910 --> 00:57:19,599

um i really had a great time talking to

1649

00:57:25,589 --> 00:57:19,920

lou

1650

00:57:29,190 --> 00:57:27,829

you know i don't really have a whole lot

1651
00:57:31,430 --> 00:57:29,200
else to say about that

1652
00:57:32,630 --> 00:57:31,440
because he pretty speaks for himself

1653
00:57:38,470 --> 00:57:32,640
really well

1654
00:57:45,030 --> 00:57:42,549
put away the different theories

1655
00:57:45,829 --> 00:57:45,040
and come together in the pursuit of more

1656
00:57:50,870 --> 00:57:45,839
information

1657
00:57:51,910 --> 00:57:50,880
everything away and let's just put our

1658
00:57:53,829 --> 00:57:51,920
power together

1659
00:57:56,470 --> 00:57:53,839
to get that more information then the

1660
00:57:59,270 --> 00:57:56,480
truth itself

1661
00:58:01,030 --> 00:57:59,280
will come out and it is what it is at

1662
00:58:04,230 --> 00:58:01,040
that point

1663
00:58:06,230 --> 00:58:04,240

but at least we could come together

1664

00:58:07,990 --> 00:58:06,240

and really try our best because we're

1665

00:58:13,190 --> 00:58:08,000

not going to get as much accomplished if

1666

00:58:13,200 --> 00:58:17,430

so let's not be split up

1667

00:58:21,589 --> 00:58:19,190

let's work with people we might not

1668

00:58:23,670 --> 00:58:21,599

agree with or get along with

1669

00:58:25,430 --> 00:58:23,680

to accomplish something greater because

1670

00:58:25,750 --> 00:58:25,440

people like lou would really appreciate

1671

00:58:29,750 --> 00:58:25,760

that

1672

00:58:32,630 --> 00:58:29,760

before him deserve

1673

00:58:33,670 --> 00:58:32,640

that effort from us since that is who

1674

00:58:37,190 --> 00:58:33,680

they are working with

1675

00:58:41,030 --> 00:58:37,200

and for

1676

00:58:44,710 --> 00:58:41,040

thank you so much for coming here

1677

00:58:49,190 --> 00:58:47,589

please subscribe and share my channel

1678

00:58:50,390 --> 00:58:49,200

that would really mean a lot to me and

1679

00:58:52,630 --> 00:58:50,400

help out

1680

00:58:54,470 --> 00:58:52,640

um i don't obviously get paid for this

1681

00:58:56,309 --> 00:58:54,480

either i'm just trying to help

1682

00:58:59,829 --> 00:58:56,319

and give platforms for people that

1683

00:59:04,069 --> 00:59:01,510

so anything you can do to help with that

1684

00:59:07,109 --> 00:59:04,079

would be great like share subscribe

1685

00:59:08,150 --> 00:59:07,119

um go check out disclosure team uh

1686

00:59:11,109 --> 00:59:08,160

they're in the uk

1687

00:59:13,910 --> 00:59:11,119

check out max moskowitz check out

1688

00:59:19,109 --> 00:59:13,920

unidentified celebrity review

1689

00:59:21,750 --> 00:59:19,119

greg o'brien as a podcast um

1690

00:59:22,390 --> 00:59:21,760

that's all those are all honest good

1691

00:59:25,430 --> 00:59:22,400

people

1692

00:59:27,430 --> 00:59:25,440

doing stuff so um

1693

00:59:30,069 --> 00:59:27,440

if you want trustworthy people to follow

1694

00:59:31,990 --> 00:59:30,079

i would follow them

1695

00:59:33,750 --> 00:59:32,000

you can follow me too i ain't perfect

1696

00:59:35,430 --> 00:59:33,760

but i try my best i know some of you

1697

00:59:38,710 --> 00:59:35,440

didn't like that um

1698

00:59:42,390 --> 00:59:38,720

one uh question about

1699

00:59:46,390 --> 00:59:42,400

if he has ever killed someone and

1700

00:59:47,670 --> 00:59:46,400

it's only a bad question to you

1701
00:59:51,670 --> 00:59:47,680
maybe because it makes you feel

1702
00:59:59,430 --> 00:59:56,230
i can't imagine how hard that is

1703
01:00:07,589 --> 01:00:04,150
the sleepless nights in ptsd you know

1704
01:00:09,910 --> 01:00:07,599
and that's the guy who still

1705
01:00:10,789 --> 01:00:09,920
somehow has mental and emotional

1706
01:00:15,030 --> 01:00:10,799
strength

1707
01:00:21,270 --> 01:00:15,040
to continue this

1708
01:00:21,280 --> 01:00:25,030
is it worth it

1709
01:00:30,950 --> 01:00:28,150
could you imagine that

1710
01:00:33,190 --> 01:00:30,960
getting beat up by the dod trying to get

1711
01:00:36,230 --> 01:00:33,200
screwed by people like greer

1712
01:00:39,910 --> 01:00:36,240
twitter factories just calling this info

1713
01:00:43,109 --> 01:00:42,630

and his wife asked that and i bet he

1714

01:00:48,950 --> 01:00:43,119

didn't

1715

01:00:56,390 --> 01:00:51,109

so let's do our best to help him let's

1716

01:00:58,150 --> 01:00:56,400

be positive let's be in love

1717

01:01:00,069 --> 01:00:58,160

and if you don't like them you don't

1718

01:01:01,030 --> 01:01:00,079

have to pay attention nobody's asking

1719

01:01:04,069 --> 01:01:01,040

you to

1720

01:01:07,270 --> 01:01:04,079

um but also you're a a pretty

1721

01:01:10,470 --> 01:01:07,280

bad read you have pretty

1722

01:01:12,309 --> 01:01:10,480

bad read on people if if you don't um

1723

01:01:13,589 --> 01:01:12,319

see what he's doing and the truth and

1724

01:01:17,190 --> 01:01:13,599

honesty

1725

01:01:21,270 --> 01:01:20,470

and i will say that with complete

1726

01:01:23,910 --> 01:01:21,280

conviction

1727

01:01:24,950 --> 01:01:23,920

all right guys tomorrow i have david

1728

01:01:28,950 --> 01:01:24,960

marler

1729

01:01:32,069 --> 01:01:28,960

we're going to learn all about triangles

1730

01:01:34,390 --> 01:01:32,079

not a circle not a square

1731

01:01:35,190 --> 01:01:34,400

not a rhombus not a parallelogram we're

1732

01:01:38,710 --> 01:01:35,200

going to learn

1733

01:01:41,430 --> 01:01:38,720

about triangle ufos

1734

01:01:44,789 --> 01:01:41,440

tomorrow with david marlar so please

1735

01:01:48,950 --> 01:01:44,799

don't be a stranger subscribe come back

1736

01:01:48,960 --> 01:01:55,589

and i appreciate everything

1737

01:02:00,470 --> 01:01:58,950

i'm glad we didn't have any uh disasters

1738

01:02:02,390 --> 01:02:00,480

because the fire alarm here was going

1739

01:02:06,630 --> 01:02:02,400

off like crazy earlier that would have

1740

01:02:09,190 --> 01:02:06,640

sucked all right i did my best with him

1741

01:02:11,109 --> 01:02:09,200

i hope you guys um enjoyed it please

1742

01:02:14,470 --> 01:02:11,119

come back for more

1743

01:02:14,950 --> 01:02:14,480

um start tomorrow my shows are typically

1744

01:02:18,069 --> 01:02:14,960

at

1745

01:02:21,109 --> 01:02:18,079

1 p.m central standard time

1746

01:02:28,870 --> 01:02:21,119

um yeah monday through friday

1747

01:02:28,880 --> 01:02:39,910

i am witness citizen

1748

01:02:39,920 --> 01:02:50,710

witness citizens

1749

01:03:00,350 --> 01:02:52,790

witness citizen
