

1
00:00:00,000 --> 00:00:12,070
[Music]

2
00:00:19,310 --> 00:00:12,709
we

3
00:00:19,320 --> 00:00:23,670
more than now

4
00:00:35,430 --> 00:00:30,050
we can't touch lightning

5
00:00:35,430 --> 00:00:35,440
[Music]

6
00:00:42,869 --> 00:00:39,780
we can do something

7
00:00:47,350 --> 00:00:42,879
[Applause]

8
00:00:47,360 --> 00:01:00,480
we can't touch lightning

9
00:01:08,469 --> 00:01:06,390
[Music]

10
00:01:10,710 --> 00:01:08,479
yes i believe in what you haven't seen

11
00:01:13,030 --> 00:01:10,720
for weeks at a time around so much it

12
00:01:17,030 --> 00:01:13,040
was i've seen video with a cell phone

13
00:01:21,030 --> 00:01:18,950

phenomenal at the start but don't over

14

00:01:25,910 --> 00:01:21,040

back the card i swear i got something

15

00:01:26,870 --> 00:01:25,920

but convincing myself happens more up

16

00:01:29,030 --> 00:01:26,880

great catch

17

00:01:31,429 --> 00:01:29,040

i thought it was an asteroid like a

18

00:01:34,230 --> 00:01:31,439

baseball player on steroids filmed on a

19

00:01:38,149 --> 00:01:34,240

camera with no tape to handle

20

00:01:41,109 --> 00:01:38,159

split in the middle and you see any cuts

21

00:01:57,550 --> 00:01:41,119

were little well you know who you are

22

00:02:22,309 --> 00:02:07,720

[Music]

23

00:02:27,350 --> 00:02:24,550

thanks for the love but if it's not

24

00:02:31,110 --> 00:02:27,360

taking me above

25

00:02:35,670 --> 00:02:31,120

it'll last as long as this song

26
00:02:39,750 --> 00:02:37,910
no exit from the bed or worse and i can

27
00:02:41,430 --> 00:02:39,760
see you now

28
00:02:43,190 --> 00:02:41,440
there's something wrong with how you

29
00:02:44,790 --> 00:02:43,200
lived and now the doc prince told you

30
00:02:46,869 --> 00:02:44,800
life but you can get it back with some

31
00:02:48,229 --> 00:02:46,879
tack it's up to you the lighter is my

32
00:02:50,070 --> 00:02:48,239
back i know it's different but i'll

33
00:02:51,670 --> 00:02:50,080
never retract

34
00:02:54,229 --> 00:02:51,680
i know it's different but i'll never

35
00:03:04,110 --> 00:02:54,239
retract i know it's different

36
00:03:08,390 --> 00:03:04,120
but i'll never retract

37
00:03:08,400 --> 00:03:20,309
we can't touch lightning

38
00:03:25,870 --> 00:03:25,250

we can do something

39

00:03:30,830 --> 00:03:25,880

[Applause]

40

00:04:20,710 --> 00:03:32,149

more

41

00:04:20,720 --> 00:04:24,150

is there no sound

42

00:04:32,840 --> 00:04:28,550

ah man that sucks

43

00:04:32,850 --> 00:04:38,950

[Music]

44

00:04:38,960 --> 00:04:47,189

oh it's good now all right i gotcha

45

00:04:50,390 --> 00:04:49,350

well yeah like i said we're i'm doing

46

00:04:53,990 --> 00:04:50,400

something a little bit

47

00:04:57,189 --> 00:04:54,000

different because um mr pope

48

00:05:04,550 --> 00:04:57,199

uh needs to use

49

00:05:08,230 --> 00:05:07,670

zoom so i'm trying to zoom this into the

50

00:05:10,310 --> 00:05:08,240

stream

51
00:05:11,990 --> 00:05:10,320
so that's why i went early so i can kind

52
00:05:52,870 --> 00:05:12,000
of check this out with you guys first

53
00:05:52,880 --> 00:05:57,749
man what crap

54
00:06:02,070 --> 00:06:00,710
thanks for being patient with me guys um

55
00:06:07,270 --> 00:06:02,080
that's why i started early

56
00:06:11,909 --> 00:06:07,280
so i could figure this out

57
00:06:17,670 --> 00:06:11,919
check check check check check check

58
00:06:20,230 --> 00:06:17,680
check check check check check

59
00:06:21,430 --> 00:06:20,240
yeah i know just think tight with me i'm

60
00:06:23,189 --> 00:06:21,440
trying

61
00:06:24,950 --> 00:06:23,199
i know it's working now but i'm bouncing

62
00:06:29,350 --> 00:06:24,960
back between

63
00:06:32,830 --> 00:06:29,360

what's working and what i want to work

64

00:06:34,230 --> 00:06:32,840

that isn't working so it's just how it

65

00:06:37,510 --> 00:06:34,240

is

66

00:06:41,830 --> 00:06:39,510

[Music]

67

00:06:46,150 --> 00:06:41,840

all right one more time can you hear

68

00:06:52,230 --> 00:06:49,189

check check check check can you

69

00:06:55,830 --> 00:06:52,240

hear this can you hear

70

00:06:59,670 --> 00:06:55,840

this can you hear this

71

00:07:04,790 --> 00:07:03,029

check yes awesome that means we're in

72

00:07:12,070 --> 00:07:04,800

business

73

00:07:18,790 --> 00:07:15,350

that would have sucked

74

00:07:21,830 --> 00:07:18,800

right well hopefully though

75

00:07:22,080 --> 00:07:21,840

um you know hopefully you can hear nick

76

00:07:25,589 --> 00:07:22,090

pope

77

00:07:28,070 --> 00:07:25,599

[Laughter]

78

00:07:34,309 --> 00:07:28,080

oh that would that would be crazy

79

00:07:38,870 --> 00:07:37,589

so um yeah what are you guys thinking

80

00:07:40,629 --> 00:07:38,880

about everything lately is there

81

00:07:48,309 --> 00:07:40,639

anything that you want to hear

82

00:07:55,430 --> 00:07:51,589

what are you thinking

83

00:07:58,629 --> 00:07:55,440

yeah it's one thing after another

84

00:08:01,830 --> 00:07:58,639

you know earlier just a little bit ago a

85

00:08:11,670 --> 00:08:05,510

so that would stink too

86

00:08:17,189 --> 00:08:15,029

sure um when mr pope gets on

87

00:08:18,710 --> 00:08:17,199

and we start talking and if you can't

88

00:08:22,150 --> 00:08:18,720

hear him

89

00:08:25,990 --> 00:08:25,270

that'd be tragic but i've never done

90

00:08:28,790 --> 00:08:26,000

this kind of

91

00:08:29,510 --> 00:08:28,800

uh stream before with the zoom into this

92

00:08:30,869 --> 00:08:29,520

so

93

00:08:33,990 --> 00:08:30,879

but you got to do what you got to do for

94

00:08:35,589 --> 00:08:34,000

the people you know lou elizondo will be

95

00:08:37,430 --> 00:08:35,599

you know what i'm used to and all that

96

00:08:40,709 --> 00:08:37,440

so that's good

97

00:08:48,949 --> 00:08:40,719

but no i understand what you mean uh

98

00:08:55,190 --> 00:08:52,070

all right you so you guys want the

99

00:09:00,710 --> 00:08:55,200

the uh

100

00:09:03,750 --> 00:09:00,720

okay i gotcha nice haircut i'm thinking

101

00:09:05,829 --> 00:09:03,760

uh actually i hate it um but because

102

00:09:09,509 --> 00:09:05,839

it's dark lighting you can't really see

103

00:09:14,310 --> 00:09:09,519

uh what i don't like about it

104

00:09:17,750 --> 00:09:14,320

so is what it is you know

105

00:09:20,790 --> 00:09:17,760

so um

106

00:09:21,590 --> 00:09:20,800

yeah that's what i was gonna say i don't

107

00:09:23,430 --> 00:09:21,600

um

108

00:09:28,230 --> 00:09:23,440

i should tell you guys that i don't

109

00:09:28,240 --> 00:09:34,310

like asking like um

110

00:09:38,630 --> 00:09:35,829

i don't want to say typical but with

111

00:09:41,670 --> 00:09:38,640

people kind of

112

00:09:45,190 --> 00:09:44,070

like lou elizondo like i'm not gonna ask

113

00:09:49,269 --> 00:09:45,200

him like

114

00:09:51,590 --> 00:09:49,279

um oh so you're a um

115

00:09:52,310 --> 00:09:51,600

uh psy up right like i'm not gonna get

116

00:09:55,430 --> 00:09:52,320

into that

117

00:09:56,389 --> 00:09:55,440

kind of stuff i'm trying to respect the

118

00:10:00,070 --> 00:09:56,399

guest

119

00:10:01,960 --> 00:10:00,080

and you know let the conversation go

120

00:10:03,269 --> 00:10:01,970

where it must um

121

00:10:06,310 --> 00:10:03,279

[Music]

122

00:10:10,550 --> 00:10:06,320

and also if there are good questions yes

123

00:10:12,550 --> 00:10:10,560

for sure throw those in there um

124

00:10:14,389 --> 00:10:12,560

so you know if you want to know like

125

00:10:17,110 --> 00:10:14,399

about the typical stuff that they

126

00:10:19,269 --> 00:10:17,120

tend to talk about a lot i would i would

127

00:10:24,389 --> 00:10:19,279

say you may want to go to

128

00:10:28,870 --> 00:10:27,430

um and i'm not you know i'm just trying

129

00:10:30,630 --> 00:10:28,880

to be honest with where your

130

00:10:32,150 --> 00:10:30,640

expectations should be at i guess as far

131

00:10:35,670 --> 00:10:32,160

as these go i

132

00:10:42,230 --> 00:10:35,680

try to do things a little bit you know

133

00:10:50,389 --> 00:10:45,829

yeah sure

134

00:10:53,910 --> 00:10:50,399

yeah i get that um

135

00:10:57,509 --> 00:10:53,920

let's say regardless

136

00:11:00,710 --> 00:10:57,519

um you know my main intention is

137

00:11:04,389 --> 00:11:00,720

to make it worth it for you

138

00:11:07,350 --> 00:11:04,399

so that is my goal and that's what i'm

139

00:11:17,110 --> 00:11:14,470

as long as everybody can hear everything

140

00:11:17,750 --> 00:11:17,120

that's the big thing um we got greg in

141

00:11:20,949 --> 00:11:17,760

here

142

00:11:21,990 --> 00:11:20,959

all right you guys gotta listen to you

143

00:11:24,870 --> 00:11:22,000

oughta know

144

00:11:28,069 --> 00:11:24,880

all right that's my uh youtube chat

145

00:11:32,150 --> 00:11:28,079

security guard

146

00:11:34,710 --> 00:11:32,160

oh thanks dutch ufo for real what's up

147

00:11:35,750 --> 00:11:34,720

jd briscoe i'll give you guys the shout

148

00:11:39,670 --> 00:11:35,760

out say

149

00:11:42,870 --> 00:11:39,680

um dutch ufo for real thanks for coming

150

00:11:45,910 --> 00:11:42,880

alpha 1a aren't you the um

151
00:11:46,949 --> 00:11:45,920
trivia champ i forgot who was thanks for

152
00:11:54,829 --> 00:11:46,959
coming

153
00:12:00,150 --> 00:11:56,790
um great

154
00:12:03,350 --> 00:12:00,160
there we go sounds good

155
00:12:05,990 --> 00:12:03,360
jesse peak what's up

156
00:12:07,190 --> 00:12:06,000
we got josh b in the house priscilla

157
00:12:12,069 --> 00:12:07,200
stone

158
00:12:18,389 --> 00:12:15,590
no no not me no champion

159
00:12:20,310 --> 00:12:18,399
okay you didn't win ufo trivia and the

160
00:12:23,829 --> 00:12:20,320
ufo trivia show i did

161
00:12:24,949 --> 00:12:23,839
probably is an all-time loser for views

162
00:12:27,910 --> 00:12:24,959
on my channel

163
00:12:28,790 --> 00:12:27,920

so i don't think i'm gonna go back to

164

00:12:32,870 --> 00:12:28,800

the trivia

165

00:12:35,990 --> 00:12:32,880

but i do like the idea of maybe

166

00:12:38,629 --> 00:12:36,000

incorporating maybe like

167

00:12:40,790 --> 00:12:38,639

a trivia thing like one question a day

168

00:12:44,629 --> 00:12:40,800

or something

169

00:12:48,710 --> 00:12:44,639

so we are going to

170

00:12:56,629 --> 00:12:53,110

are you guys ready

171

00:12:56,639 --> 00:13:00,470

mr pope how are you

172

00:13:05,030 --> 00:13:03,590

oh i can't hear you hey there oh there

173

00:13:08,629 --> 00:13:05,040

you are

174

00:13:11,590 --> 00:13:08,639

i gotcha how are you yes good thank you

175

00:13:13,190 --> 00:13:11,600

good good um yeah so this is a little

176

00:13:16,790 --> 00:13:13,200

bit different for me

177

00:13:20,150 --> 00:13:16,800

doing the um the zoom

178

00:13:24,230 --> 00:13:20,160

to the live stream so any patients

179

00:13:27,829 --> 00:13:24,240

you can grant would be much appreciated

180

00:13:30,870 --> 00:13:27,839

no problem no problem yeah so

181

00:13:31,590 --> 00:13:30,880

we have had a busy time lately haven't

182

00:13:37,269 --> 00:13:31,600

we

183

00:13:39,430 --> 00:13:37,279

if you've hit record i can't see the bit

184

00:13:42,470 --> 00:13:39,440

that says recording which i presume you

185

00:13:45,990 --> 00:13:42,480

have to do um i did not hit record

186

00:13:48,230 --> 00:13:46,000

um this is live okay yeah

187

00:13:49,430 --> 00:13:48,240

sorry we didn't tell you that no well

188

00:13:53,189 --> 00:13:49,440

it's all good

189

00:13:56,870 --> 00:13:53,199

all good all right good um

190

00:13:58,790 --> 00:13:56,880

yes so what are your

191

00:14:00,069 --> 00:13:58,800

kind of general thoughts of the current

192

00:14:02,310 --> 00:14:00,079

climate um

193

00:14:04,710 --> 00:14:02,320

seems like things have been ramping up

194

00:14:07,990 --> 00:14:04,720

do you think that's because

195

00:14:10,069 --> 00:14:08,000

there's more incidences well i think

196

00:14:11,670 --> 00:14:10,079

several things are happening at once i

197

00:14:14,230 --> 00:14:11,680

think one can say that

198

00:14:16,629 --> 00:14:14,240

over the last three and a half years

199

00:14:20,150 --> 00:14:16,639

starting with the new york times

200

00:14:23,350 --> 00:14:20,160

publishing that landmark article on

201
00:14:26,150 --> 00:14:23,360
december 16th 2017.

202
00:14:26,870 --> 00:14:26,160
we've we've had this transition of the

203
00:14:28,629 --> 00:14:26,880
subject

204
00:14:30,870 --> 00:14:28,639
out of the fringe and into the

205
00:14:32,150 --> 00:14:30,880
mainstream with the revelations about

206
00:14:35,910 --> 00:14:32,160
the pentagon's a-tip

207
00:14:39,590 --> 00:14:35,920
program the u.s navy videos

208
00:14:42,389 --> 00:14:39,600
and the associated briefings in congress

209
00:14:43,110 --> 00:14:42,399
so and what's happened over the last

210
00:14:48,069 --> 00:14:43,120
month

211
00:14:48,870 --> 00:14:48,079
first of all we had the big cbs 60

212
00:14:51,350 --> 00:14:48,880
minutes

213
00:14:52,629 --> 00:14:51,360

show right then we had a big article in

214

00:14:55,990 --> 00:14:52,639

the new yorker

215

00:14:57,750 --> 00:14:56,000

and those two things really i think

216

00:15:00,069 --> 00:14:57,760

were a wake-up call to a lot of the

217

00:15:01,430 --> 00:15:00,079

other media who hadn't covered this and

218

00:15:03,670 --> 00:15:01,440

people were saying wait a minute

219

00:15:05,189 --> 00:15:03,680

you know we should be across this and

220

00:15:07,910 --> 00:15:05,199

then

221

00:15:09,509 --> 00:15:07,920

literally in the last few days the

222

00:15:11,110 --> 00:15:09,519

report from office of director of

223

00:15:14,389 --> 00:15:11,120

national intelligence

224

00:15:15,430 --> 00:15:14,399

hit congress and all the things that

225

00:15:18,790 --> 00:15:15,440

went with that

226

00:15:21,189 --> 00:15:18,800

so it's it's been a heck of a ride over

227

00:15:23,990 --> 00:15:21,199

the last three and a half years and um

228

00:15:25,430 --> 00:15:24,000

i would say it's those things rather

229

00:15:27,750 --> 00:15:25,440

than

230

00:15:29,269 --> 00:15:27,760

the number of sightings right which

231

00:15:30,870 --> 00:15:29,279

which may or may not be

232

00:15:32,470 --> 00:15:30,880

up or down and there are so many

233

00:15:33,509 --> 00:15:32,480

variables and it's so difficult to

234

00:15:35,910 --> 00:15:33,519

capture them all

235

00:15:37,990 --> 00:15:35,920

so who knows yeah well the reason i

236

00:15:41,110 --> 00:15:38,000

asked is actually

237

00:15:44,389 --> 00:15:41,120

i watched a video from you

238

00:15:46,069 --> 00:15:44,399

from about 10 years ago and

239

00:15:48,470 --> 00:15:46,079

i think at the time you were saying

240

00:15:50,949 --> 00:15:48,480

there was an uptick or something

241

00:15:52,470 --> 00:15:50,959

uh of sightings so i was just curious in

242

00:15:55,590 --> 00:15:52,480

relation to

243

00:15:56,310 --> 00:15:55,600

you know the last maybe 10 20 years do

244

00:15:58,790 --> 00:15:56,320

you know of

245

00:15:59,749 --> 00:15:58,800

any kind of difference with these things

246

00:16:03,509 --> 00:15:59,759

whether it be their

247

00:16:06,150 --> 00:16:03,519

technology or ability to evade or

248

00:16:06,550 --> 00:16:06,160

anything like that well i think what

249

00:16:09,990 --> 00:16:06,560

we've

250

00:16:13,430 --> 00:16:10,000

seen i'm not sure that the phenomenon

251
00:16:17,990 --> 00:16:13,440
has changed but i think what's happened

252
00:16:21,509 --> 00:16:18,000
is that our ability to track it

253
00:16:24,150 --> 00:16:21,519
has ramped up through the whole

254
00:16:25,509 --> 00:16:24,160
range of technologies that we use

255
00:16:29,670 --> 00:16:25,519
whether it's radar

256
00:16:33,110 --> 00:16:29,680
ford looking infrared satellites

257
00:16:33,829 --> 00:16:33,120
and but more than that it's been a

258
00:16:36,870 --> 00:16:33,839
change of

259
00:16:38,710 --> 00:16:36,880
attitude within the military

260
00:16:39,990 --> 00:16:38,720
the government the intelligence

261
00:16:42,790 --> 00:16:40,000
community particularly

262
00:16:43,990 --> 00:16:42,800
because these sightings were always

263
00:16:47,590 --> 00:16:44,000

going on

264

00:16:49,990 --> 00:16:47,600

and the data were always there to be had

265

00:16:51,030 --> 00:16:50,000

um subject to the caveat i mentioned

266

00:16:53,910 --> 00:16:51,040

about our technology

267

00:16:55,430 --> 00:16:53,920

through improving recently but what had

268

00:16:58,629 --> 00:16:55,440

previously been lacking

269

00:17:00,949 --> 00:16:58,639

was the will to do anything about it

270

00:17:01,670 --> 00:17:00,959

and the realization that that was even

271

00:17:03,189 --> 00:17:01,680

an issue

272

00:17:04,949 --> 00:17:03,199

because i think previously people were

273

00:17:06,630 --> 00:17:04,959

just like oh ufos

274

00:17:09,669 --> 00:17:06,640

they would roll their eyes they would

275

00:17:13,669 --> 00:17:09,679

think of sci-fi movies

276

00:17:17,189 --> 00:17:13,679

yeah well some still do but but i think

277

00:17:18,949 --> 00:17:17,199

important decision makers within

278

00:17:21,350 --> 00:17:18,959

the intelligence community and and

279

00:17:24,309 --> 00:17:21,360

within congress

280

00:17:25,990 --> 00:17:24,319

realize that they have missed a trick

281

00:17:26,870 --> 00:17:26,000

and that there has been something

282

00:17:30,150 --> 00:17:26,880

operating in

283

00:17:31,669 --> 00:17:30,160

our skies and that we now finally have

284

00:17:34,950 --> 00:17:31,679

the tools

285

00:17:38,390 --> 00:17:34,960

to track it quite effectively right

286

00:17:41,029 --> 00:17:38,400

and that's fantastic um yeah i know even

287

00:17:41,669 --> 00:17:41,039

there was some talk around the time we

288

00:17:45,029 --> 00:17:41,679

updated

289

00:17:47,430 --> 00:17:45,039

our cameras on the jets

290

00:17:48,950 --> 00:17:47,440

we know started noticing them more and

291

00:17:51,669 --> 00:17:48,960

capturing them more

292

00:17:53,270 --> 00:17:51,679

i'm not sure if that was 2004 or the

293

00:17:54,870 --> 00:17:53,280

2017 event but

294

00:17:56,789 --> 00:17:54,880

yeah i think you're it sounds like

295

00:17:59,590 --> 00:17:56,799

you're exactly right

296

00:18:00,710 --> 00:17:59,600

and another good example of how we've

297

00:18:03,350 --> 00:18:00,720

been missing a trick

298

00:18:04,230 --> 00:18:03,360

and the report to congress does briefly

299

00:18:08,150 --> 00:18:04,240

touch on this

300

00:18:11,430 --> 00:18:08,160

is filter programs now obviously for for

301
00:18:15,029 --> 00:18:11,440
you know a lot of radar operators

302
00:18:17,909 --> 00:18:15,039
you you generally are interested in or

303
00:18:18,310 --> 00:18:17,919
you know aircraft so so you're you're

304
00:18:22,150 --> 00:18:18,320
very

305
00:18:25,270 --> 00:18:22,160
transponder focused and a lot of

306
00:18:27,990 --> 00:18:25,280
filter programs exist to

307
00:18:29,190 --> 00:18:28,000
effectively edit out of the picture to

308
00:18:33,029 --> 00:18:29,200
declutter it

309
00:18:34,630 --> 00:18:33,039
right things that are judged not to be

310
00:18:35,990 --> 00:18:34,640
conventional aircraft

311
00:18:38,230 --> 00:18:36,000
often because they don't have a

312
00:18:40,870 --> 00:18:38,240
transponder essentially so

313
00:18:44,150 --> 00:18:40,880

so and there's a realization that well

314

00:18:45,990 --> 00:18:44,160

what if some of these things

315

00:18:47,990 --> 00:18:46,000

obviously aren't carrying transponders

316

00:18:50,630 --> 00:18:48,000

but heck we need to know about them

317

00:18:52,870 --> 00:18:50,640

so so i think this there's been a

318

00:18:56,150 --> 00:18:52,880

realization that's a good example of

319

00:18:59,669 --> 00:18:56,160

where we've had the tools but where

320

00:19:02,710 --> 00:18:59,679

the mindset has been very much

321

00:19:04,150 --> 00:19:02,720

just focused on it can't be so it isn't

322

00:19:06,789 --> 00:19:04,160

and we've thrown out the baby with the

323

00:19:09,990 --> 00:19:06,799

bath water

324

00:19:12,549 --> 00:19:10,000

i like that example um

325

00:19:14,950 --> 00:19:12,559

let me ask you this how long have you

326

00:19:18,950 --> 00:19:14,960

when did you start with mod

327

00:19:22,070 --> 00:19:18,960

or i guess it was yes 1985.

328

00:19:24,950 --> 00:19:22,080

and i was there for 21 years

329

00:19:26,710 --> 00:19:24,960

yeah i was there for 21 years as a

330

00:19:30,630 --> 00:19:26,720

civilian employee but of course i

331

00:19:31,750 --> 00:19:30,640

i did not do 21 years of ufo work right

332

00:19:34,950 --> 00:19:31,760

i mean that was

333

00:19:35,510 --> 00:19:34,960

one posting in that much wider more

334

00:19:37,830 --> 00:19:35,520

varied

335

00:19:38,950 --> 00:19:37,840

career i guess what more what i'm asking

336

00:19:41,669 --> 00:19:38,960

is how long have you been

337

00:19:43,190 --> 00:19:41,679

paying attention to what's going on with

338

00:19:46,310 --> 00:19:43,200

the ufo stuff

339

00:19:49,110 --> 00:19:46,320

uh since 1991 when i was

340

00:19:51,110 --> 00:19:49,120

assigned that that particular job right

341

00:19:54,470 --> 00:19:51,120

right so

342

00:19:56,789 --> 00:19:54,480

from that time onward now officially for

343

00:19:59,909 --> 00:19:56,799

the ministry of defense that posting

344

00:20:02,390 --> 00:19:59,919

was 1991 to 1994.

345

00:20:04,470 --> 00:20:02,400

but i felt afterwards that this subject

346

00:20:05,669 --> 00:20:04,480

was too interesting and too important to

347

00:20:08,230 --> 00:20:05,679

walk away from

348

00:20:09,590 --> 00:20:08,240

and and hence i've continued my

349

00:20:12,149 --> 00:20:09,600

involvement in a

350

00:20:12,710 --> 00:20:12,159

private capacity although from time to

351
00:20:15,990 --> 00:20:12,720
time

352
00:20:17,430 --> 00:20:16,000
i have been asked to do a you know i

353
00:20:18,310 --> 00:20:17,440
don't want to start any conspiracy

354
00:20:20,630 --> 00:20:18,320
theories and it's

355
00:20:21,590 --> 00:20:20,640
it's just it's very in a sense it's very

356
00:20:24,070 --> 00:20:21,600
mundane but

357
00:20:25,750 --> 00:20:24,080
sure but for example ask to come back

358
00:20:28,070 --> 00:20:25,760
and help publicize

359
00:20:29,909 --> 00:20:28,080
the declassification and release of the

360
00:20:32,230 --> 00:20:29,919
uk government's ufo files

361
00:20:33,830 --> 00:20:32,240
many of which i wrote so well that makes

362
00:20:35,350 --> 00:20:33,840
sense if you wrote it yeah i came out of

363
00:20:37,750 --> 00:20:35,360

retirement to do that

364

00:20:39,029 --> 00:20:37,760

it it does not mean and i've seen this

365

00:20:40,630 --> 00:20:39,039

on the internet recently

366

00:20:41,990 --> 00:20:40,640

does not mean that i'm still secretly

367

00:20:42,870 --> 00:20:42,000

working for the government or the new

368

00:20:46,710 --> 00:20:42,880

world order

369

00:20:48,230 --> 00:20:46,720

illuminati

370

00:20:50,470 --> 00:20:48,240

if you're gonna be in a tag team match

371

00:20:54,149 --> 00:20:50,480

with hulk hogan nwo

372

00:20:57,110 --> 00:20:54,159

i'd be all for it but yeah

373

00:20:58,789 --> 00:20:57,120

um yeah that's that's a while i guess

374

00:21:01,190 --> 00:20:58,799

what

375

00:21:02,070 --> 00:21:01,200

when you left mod you said it was kind

376

00:21:05,590 --> 00:21:02,080

of too

377

00:21:09,830 --> 00:21:05,600

too fascinating to put it down um

378

00:21:12,549 --> 00:21:09,840

what really struck you to give you that

379

00:21:14,870 --> 00:21:12,559

that burn you know that till this day is

380

00:21:18,310 --> 00:21:14,880

is still going for you

381

00:21:21,590 --> 00:21:18,320

well a lot of it was um pilot sightings

382

00:21:24,070 --> 00:21:21,600

radar operator sightings of

383

00:21:24,630 --> 00:21:24,080

of uncorrelated targets whether it was

384

00:21:27,590 --> 00:21:24,640

on the

385

00:21:28,310 --> 00:21:27,600

conventional air defense radar systems

386

00:21:31,110 --> 00:21:28,320

or

387

00:21:32,310 --> 00:21:31,120

the the space tracking radars that we

388

00:21:35,190 --> 00:21:32,320

had at the

389

00:21:37,270 --> 00:21:35,200

as it was then called the be muse the

390

00:21:40,549 --> 00:21:37,280

the ballistic missile early warning

391

00:21:43,990 --> 00:21:40,559

center system you know so um

392

00:21:48,630 --> 00:21:44,000

raf filing dales in yorkshire

393

00:21:52,149 --> 00:21:48,640

so when those sorts of people

394

00:21:55,390 --> 00:21:52,159

report ufos and tell you about

395

00:21:58,549 --> 00:21:55,400

sightings involving speeds maneuvers

396

00:22:01,430 --> 00:21:58,559

accelerations that have them

397

00:22:03,270 --> 00:22:01,440

impressed then it's exactly the same

398

00:22:04,630 --> 00:22:03,280

situation as we've seen recently with

399

00:22:07,830 --> 00:22:04,640

these people like

400

00:22:10,310 --> 00:22:07,840

david fravor and alex dietrich

401
00:22:12,230 --> 00:22:10,320
you know i i think dave fraver his his

402
00:22:14,710 --> 00:22:12,240
great comment was something like i don't

403
00:22:17,669 --> 00:22:14,720
know what it was but i want to fly one

404
00:22:18,470 --> 00:22:17,679
and and so when these elite men and

405
00:22:22,310 --> 00:22:18,480
women

406
00:22:27,110 --> 00:22:22,320
these top guns when they get excited

407
00:22:30,630 --> 00:22:27,120
i get excited yeah it it's

408
00:22:33,110 --> 00:22:30,640
it's crazy how how long

409
00:22:34,549 --> 00:22:33,120
the same descriptors have really been

410
00:22:37,510 --> 00:22:34,559
used i mean

411
00:22:38,710 --> 00:22:37,520
ever since that i've seen the 40s 90

412
00:22:42,630 --> 00:22:38,720
degree turns

413
00:22:46,230 --> 00:22:42,640

crazy acceleration um

414

00:22:48,230 --> 00:22:46,240

that's a long time especially

415

00:22:49,750 --> 00:22:48,240

to be empty-handed i'm not saying we are

416

00:22:51,430 --> 00:22:49,760

a government but

417

00:22:53,350 --> 00:22:51,440

you know if they were to try to pose

418

00:22:53,990 --> 00:22:53,360

that um that would be kind of

419

00:22:57,350 --> 00:22:54,000

unbelievable

420

00:22:59,029 --> 00:22:57,360

wouldn't it sure and i i know

421

00:23:01,909 --> 00:22:59,039

a lot of people in the ufo community

422

00:23:05,270 --> 00:23:01,919

have been fairly scathing about the

423

00:23:07,669 --> 00:23:05,280

odni report to congress i

424

00:23:09,510 --> 00:23:07,679

you know i welcome it as you say yeah

425

00:23:10,470 --> 00:23:09,520

it's it's a preliminary assessment so

426

00:23:13,110 --> 00:23:10,480

people shouldn't

427

00:23:13,909 --> 00:23:13,120

shouldn't think this is the the full

428

00:23:17,750 --> 00:23:13,919

yeah

429

00:23:20,789 --> 00:23:17,760

because it is

430

00:23:21,270 --> 00:23:20,799

yeah and by their own addition they say

431

00:23:23,350 --> 00:23:21,280

so

432

00:23:25,270 --> 00:23:23,360

but i think one of the things that was

433

00:23:25,750 --> 00:23:25,280

interesting i understand why they've

434

00:23:28,470 --> 00:23:25,760

done it

435

00:23:29,430 --> 00:23:28,480

but this this i do understand the

436

00:23:32,149 --> 00:23:29,440

frustration

437

00:23:33,669 --> 00:23:32,159

it's like they've taken a point in time

438

00:23:36,950 --> 00:23:33,679

very very recently

439

00:23:37,830 --> 00:23:36,960

and just taken a snapshot of military

440

00:23:41,029 --> 00:23:37,840

sightings

441

00:23:44,549 --> 00:23:41,039

effectively editing out the

442

00:23:47,909 --> 00:23:44,559

the ufo mysteries 80-year

443

00:23:49,430 --> 00:23:47,919

backstory right right

444

00:23:51,190 --> 00:23:49,440

now maybe you could correct me if i'm

445

00:23:52,870 --> 00:23:51,200

wrong here but um i

446

00:23:55,190 --> 00:23:52,880

did the reports say that they were going

447

00:23:58,710 --> 00:23:55,200

to use historical data

448

00:24:02,390 --> 00:23:58,720

to try to find like patterns and um

449

00:24:04,870 --> 00:24:02,400

algorithms yes yeah yes it did and that

450

00:24:06,870 --> 00:24:04,880

it's interesting because it ties in with

451
00:24:09,350 --> 00:24:06,880
a recent report

452
00:24:10,070 --> 00:24:09,360
that came out about the chinese

453
00:24:13,830 --> 00:24:10,080
government

454
00:24:15,110 --> 00:24:13,840
right and the the media report about the

455
00:24:17,510 --> 00:24:15,120
chinese government's

456
00:24:18,230 --> 00:24:17,520
ufo investigation said that they were

457
00:24:21,350 --> 00:24:18,240
already

458
00:24:24,870 --> 00:24:21,360
using ai to look for patterns

459
00:24:27,990 --> 00:24:24,880
to do trend analysis and i think

460
00:24:31,190 --> 00:24:28,000
the us is is in danger of

461
00:24:34,230 --> 00:24:31,200
lagging behind in this area not

462
00:24:37,269 --> 00:24:34,240
just in relation to uh ufo

463
00:24:40,070 --> 00:24:37,279

research but maybe in the wider sense

464

00:24:41,510 --> 00:24:40,080

too so that gave me some encouragement

465

00:24:43,830 --> 00:24:41,520

that they were going to do that

466

00:24:46,310 --> 00:24:43,840

yeah i i go back to something lou

467

00:24:48,549 --> 00:24:46,320

elizondo said once somebody asked him

468

00:24:50,470 --> 00:24:48,559

um when it really hit him what what this

469

00:24:53,909 --> 00:24:50,480

was when he was working at eight tip

470

00:24:57,110 --> 00:24:53,919

and he said um or what did he think

471

00:24:59,190 --> 00:24:57,120

and he said i think his word excuse my

472

00:25:02,390 --> 00:24:59,200

language oh [h__h]

473

00:25:04,470 --> 00:25:02,400

you know like um i hope that

474

00:25:05,750 --> 00:25:04,480

other countries don't already have this

475

00:25:08,390 --> 00:25:05,760

how far ahead are they

476
00:25:09,190 --> 00:25:08,400
than us you know that sort of thing and

477
00:25:12,870 --> 00:25:09,200
that's scary

478
00:25:15,830 --> 00:25:12,880
because seemingly

479
00:25:18,230 --> 00:25:15,840
we know russia at least has been looking

480
00:25:21,029 --> 00:25:18,240
at this for a long time

481
00:25:23,029 --> 00:25:21,039
yes very difficult of course as you know

482
00:25:25,909 --> 00:25:23,039
to untangle

483
00:25:26,310 --> 00:25:25,919
the situation in russia and china and

484
00:25:28,149 --> 00:25:26,320
and

485
00:25:29,830 --> 00:25:28,159
very often with these sorts of things

486
00:25:33,430 --> 00:25:29,840
sometimes one

487
00:25:36,630 --> 00:25:33,440
tries to hide a capability one has and

488
00:25:38,630 --> 00:25:36,640

talk upper capability one doesn't

489

00:25:39,909 --> 00:25:38,640

have but certainly when you look at

490

00:25:44,390 --> 00:25:39,919

putin's speeches

491

00:25:47,590 --> 00:25:44,400

over the last few years he certainly

492

00:25:48,710 --> 00:25:47,600

dropped into the conversation mention of

493

00:25:52,070 --> 00:25:48,720

of at least

494

00:25:53,269 --> 00:25:52,080

i think five or six different weapon

495

00:25:55,830 --> 00:25:53,279

systems that

496

00:25:56,549 --> 00:25:55,840

he says has put russia in a preeminent

497

00:26:00,549 --> 00:25:56,559

position

498

00:26:03,430 --> 00:26:00,559

in terms of things like hypersonics

499

00:26:05,830 --> 00:26:03,440

you know so we have to take that but

500

00:26:09,029 --> 00:26:05,840

obviously at any given time

501
00:26:09,669 --> 00:26:09,039
the us intelligence community one would

502
00:26:12,870 --> 00:26:09,679
hope and

503
00:26:16,070 --> 00:26:12,880
expect while not being infallible

504
00:26:19,269 --> 00:26:16,080
but has a reasonably good idea

505
00:26:22,549 --> 00:26:19,279
of where the upper limit of

506
00:26:25,590 --> 00:26:22,559
russian and chinese capability yeah

507
00:26:28,390 --> 00:26:25,600
lies with next generation aerospace tech

508
00:26:29,350 --> 00:26:28,400
yeah so you would hope that they would

509
00:26:32,470 --> 00:26:29,360
be able to take

510
00:26:36,710 --> 00:26:32,480
that assessment of where the ceiling

511
00:26:39,430 --> 00:26:36,720
is then take the uap data

512
00:26:40,070 --> 00:26:39,440
and say does it match could it be russia

513
00:26:43,269 --> 00:26:40,080

and china

514

00:26:45,510 --> 00:26:43,279

or could it be something else yeah yeah

515

00:26:47,269 --> 00:26:45,520

and you know that's something we were

516

00:26:50,310 --> 00:26:47,279

have been looking at the whole time

517

00:26:53,110 --> 00:26:50,320

too which is funny you know even back

518

00:26:53,750 --> 00:26:53,120

yeah during the cold war or ussr it was

519

00:26:56,310 --> 00:26:53,760

always

520

00:26:58,390 --> 00:26:56,320

keeping an eye on russia for any

521

00:27:00,710 --> 00:26:58,400

technology coming out of it that

522

00:27:01,590 --> 00:27:00,720

maybe this stuff so it kind of goes to

523

00:27:04,070 --> 00:27:01,600

show you that

524

00:27:05,430 --> 00:27:04,080

um no i don't know if you think this but

525

00:27:08,470 --> 00:27:05,440

at times i think

526

00:27:10,630 --> 00:27:08,480

it's just the true um

527

00:27:11,510 --> 00:27:10,640

situation with the uaps in our

528

00:27:15,190 --> 00:27:11,520

government i

529

00:27:17,990 --> 00:27:15,200

i feel like they honestly just haven't

530

00:27:20,149 --> 00:27:18,000

been able to figure it out and that

531

00:27:22,789 --> 00:27:20,159

could be why they haven't said anything

532

00:27:23,669 --> 00:27:22,799

i i agree i don't think there's

533

00:27:25,750 --> 00:27:23,679

literally

534

00:27:27,029 --> 00:27:25,760

as some believe a spaceship sitting in a

535

00:27:29,149 --> 00:27:27,039

hangar somewhere

536

00:27:30,710 --> 00:27:29,159

but i think there is this dawning

537

00:27:33,110 --> 00:27:30,720

realization

538

00:27:34,149 --> 00:27:33,120

now within the system that there is a

539

00:27:38,310 --> 00:27:34,159

real

540

00:27:40,870 --> 00:27:38,320

core phenomenon here maybe with multiple

541

00:27:42,789 --> 00:27:40,880

explanations i mean i i think you know

542

00:27:45,430 --> 00:27:42,799

we we should get away from this idea

543

00:27:47,269 --> 00:27:45,440

and the report to congress says this we

544

00:27:49,909 --> 00:27:47,279

should get away from the idea that

545

00:27:50,549 --> 00:27:49,919

there's a single neat solution oh it's

546

00:27:53,590 --> 00:27:50,559

russia

547

00:27:54,230 --> 00:27:53,600

it's china it's weather phenomena of

548

00:27:56,710 --> 00:27:54,240

some

549

00:27:58,149 --> 00:27:56,720

sort i mean no i think the report makes

550

00:27:58,789 --> 00:27:58,159

yeah the report makes it clear we're

551
00:28:02,310 --> 00:27:58,799
dealing with

552
00:28:04,470 --> 00:28:02,320
probably a range of explanations some

553
00:28:06,230 --> 00:28:04,480
conventional some not but the things

554
00:28:07,510 --> 00:28:06,240
that caught my eye in the report for

555
00:28:09,990 --> 00:28:07,520
example were the

556
00:28:11,669 --> 00:28:10,000
thing where it said a handful of cases

557
00:28:15,190 --> 00:28:11,679
do and i'm paraphrasing

558
00:28:18,149 --> 00:28:15,200
but a handful of cases do suggest

559
00:28:18,549 --> 00:28:18,159
advanced technology and it specifically

560
00:28:22,149 --> 00:28:18,559
then

561
00:28:24,789 --> 00:28:22,159
referenced radio frequency energy and

562
00:28:25,750 --> 00:28:24,799
signature management right so for for

563
00:28:27,510 --> 00:28:25,760

those

564

00:28:29,029 --> 00:28:27,520

people wanting to follow the breadcrumbs

565

00:28:32,470 --> 00:28:29,039

i think those are the the

566

00:28:36,149 --> 00:28:32,480

two phrases that should really

567

00:28:40,389 --> 00:28:36,159

catch their eye and i think the

568

00:28:41,990 --> 00:28:40,399

the well national reconnaissance office

569

00:28:43,430 --> 00:28:42,000

they would probably have a lot of this

570

00:28:45,430 --> 00:28:43,440

information don't you think

571

00:28:46,950 --> 00:28:45,440

because they were putting the satellites

572

00:28:48,389 --> 00:28:46,960

up in this guy

573

00:28:50,710 --> 00:28:48,399

you would think they have some pictures

574

00:28:54,310 --> 00:28:50,720

of that and signature data one

575

00:28:57,990 --> 00:28:54,320

one would hope so and and then um

576

00:29:01,510 --> 00:28:58,000

uh the the national

577

00:29:04,630 --> 00:29:01,520

geospatial intelligence um

578

00:29:06,470 --> 00:29:04,640

agencies in the name you know so and and

579

00:29:06,950 --> 00:29:06,480

that of course is one of the problems

580

00:29:10,070 --> 00:29:06,960

that the

581

00:29:13,590 --> 00:29:10,080

uap task force has had

582

00:29:16,149 --> 00:29:13,600

they've had to try and get inside

583

00:29:17,350 --> 00:29:16,159

each part of the u.s intelligence

584

00:29:21,990 --> 00:29:17,360

community

585

00:29:25,590 --> 00:29:22,000

find out who has active programs

586

00:29:29,350 --> 00:29:25,600

on this who has historical

587

00:29:33,029 --> 00:29:29,360

programs and data files

588

00:29:36,950 --> 00:29:33,039

information on this and find and just

589

00:29:40,389 --> 00:29:36,960

going in to all uh whatever it is now 17

590

00:29:43,750 --> 00:29:40,399

parts or or whatever finding

591

00:29:45,669 --> 00:29:43,760

the right person or people to talk to

592

00:29:47,510 --> 00:29:45,679

convincing them that you've got the

593

00:29:49,029 --> 00:29:47,520

correct even though you're doing this

594

00:29:50,870 --> 00:29:49,039

for dni

595

00:29:53,269 --> 00:29:50,880

that you've got the correct clearances

596

00:29:56,630 --> 00:29:56,149

yeah we're here with dna mm-hmm sure

597

00:30:00,789 --> 00:29:56,640

sure

598

00:30:03,909 --> 00:30:00,799

well then have him do it okay

599

00:30:04,630 --> 00:30:03,919

yeah he'll do it and and then then of

600

00:30:06,310 --> 00:30:04,640

course that

601
00:30:08,310 --> 00:30:06,320
doesn't take account of the fact that a

602
00:30:10,549 --> 00:30:08,320
lot of this is

603
00:30:12,870 --> 00:30:10,559
probably out in the private sector to

604
00:30:15,190 --> 00:30:12,880
take it further outside

605
00:30:17,669 --> 00:30:15,200
scrutiny from say the intelligence

606
00:30:20,310 --> 00:30:17,679
committees the armed services committees

607
00:30:21,269 --> 00:30:20,320
um outside the scope of freedom of

608
00:30:23,990 --> 00:30:21,279
information act

609
00:30:26,230 --> 00:30:24,000
right well like yeah that's uh bringing

610
00:30:28,710 --> 00:30:26,240
it back just a little bit the nro they

611
00:30:30,470 --> 00:30:28,720
i well i don't know if it's the

612
00:30:32,710 --> 00:30:30,480
documents i read were kind of old

613
00:30:33,669 --> 00:30:32,720

but um they were contracting out

614

00:30:36,230 --> 00:30:33,679

everything

615

00:30:36,710 --> 00:30:36,240

so that's a that's a lot of different

616

00:30:39,830 --> 00:30:36,720

people

617

00:30:41,510 --> 00:30:39,840

and you know yeah we did the same

618

00:30:42,870 --> 00:30:41,520

in in the ministry of defense with a lot

619

00:30:45,830 --> 00:30:42,880

of our most

620

00:30:46,630 --> 00:30:45,840

highly classified and often sometimes

621

00:30:49,990 --> 00:30:46,640

politically

622

00:30:53,269 --> 00:30:50,000

sensitive studies so

623

00:30:55,269 --> 00:30:53,279

certainly one one study into ufos uh but

624

00:30:58,789 --> 00:30:55,279

another one into remote viewing

625

00:31:03,590 --> 00:30:58,799

were done through a

626
00:31:06,870 --> 00:31:03,600
private defense corporation contractor

627
00:31:09,509 --> 00:31:06,880
and and yeah it's just to give a little

628
00:31:09,990 --> 00:31:09,519
not so much plausible deniability

629
00:31:12,389 --> 00:31:10,000
because

630
00:31:13,269 --> 00:31:12,399
it it was still our contract but a

631
00:31:16,149 --> 00:31:13,279
little bit of

632
00:31:17,990 --> 00:31:16,159
distance so that you could you could say

633
00:31:20,470 --> 00:31:18,000
well you know maybe the contractor went

634
00:31:22,789 --> 00:31:20,480
down a rabbit hole or something

635
00:31:23,509 --> 00:31:22,799
yeah i used to sell commercial roofs so

636
00:31:26,230 --> 00:31:23,519
it's like that

637
00:31:27,110 --> 00:31:26,240
yeah if you hire a subcontractor and

638
00:31:30,830 --> 00:31:27,120

they screw it up

639

00:31:33,990 --> 00:31:30,840

well they'll they're paying for that

640

00:31:37,750 --> 00:31:34,000

yeah um let's see

641

00:31:44,870 --> 00:31:41,350

if you just really dug in your gut

642

00:31:48,230 --> 00:31:44,880

use your instinct or intuition do you

643

00:31:51,029 --> 00:31:48,240

think we are on the cusp

644

00:31:52,389 --> 00:31:51,039

of disclosure and when i say disclosure

645

00:31:54,630 --> 00:31:52,399

i don't mean like you know

646

00:31:56,870 --> 00:31:54,640

on the white house lawn and all that i

647

00:32:00,149 --> 00:31:56,880

just more mean a confirmation of

648

00:32:03,430 --> 00:32:00,159

another intelligent life whether it be

649

00:32:05,430 --> 00:32:03,440

interdimensional or outer space

650

00:32:07,350 --> 00:32:05,440

i think we're getting there and i agree

651
00:32:08,389 --> 00:32:07,360
with you i don't think it will be the

652
00:32:11,590 --> 00:32:08,399
sort of big

653
00:32:13,590 --> 00:32:11,600
single event that

654
00:32:15,350 --> 00:32:13,600
that you mention and that people think

655
00:32:17,110 --> 00:32:15,360
about when when they talk about

656
00:32:19,190 --> 00:32:17,120
disclosure so

657
00:32:20,630 --> 00:32:19,200
no my fellow americans people of the

658
00:32:25,430 --> 00:32:20,640
world we're not alone

659
00:32:28,950 --> 00:32:25,440
but but more disclosure as a process

660
00:32:30,950 --> 00:32:28,960
as opposed to a a single event

661
00:32:32,470 --> 00:32:30,960
and we're we're living that process

662
00:32:35,509 --> 00:32:32,480
right now and

663
00:32:38,789 --> 00:32:35,519

part of it yeah part of it is is

664

00:32:42,389 --> 00:32:38,799

atip and the navy videos and and the

665

00:32:44,549 --> 00:32:42,399

odni report part of it is people like

666

00:32:47,269 --> 00:32:44,559

lou alexander and chris mellon and

667

00:32:49,110 --> 00:32:47,279

and others with the background in this

668

00:32:53,029 --> 00:32:49,120

increasingly speaking on

669

00:32:55,110 --> 00:32:53,039

on the record and part of it as well

670

00:32:56,149 --> 00:32:55,120

is when you listen to some of the

671

00:32:59,350 --> 00:32:56,159

interviews that

672

00:33:02,070 --> 00:32:59,360

people are doing like for example former

673

00:33:03,269 --> 00:33:02,080

president barack obama former dna john

674

00:33:06,389 --> 00:33:03,279

ratcliffe

675

00:33:07,909 --> 00:33:06,399

um obama that's a huge one i i feel like

676
00:33:09,909 --> 00:33:07,919
that totally

677
00:33:11,190 --> 00:33:09,919
i mean for the most part just went over

678
00:33:14,310 --> 00:33:11,200
everyone's head

679
00:33:17,430 --> 00:33:14,320
yeah because presidents including obama

680
00:33:19,590 --> 00:33:17,440
have discussed this before but

681
00:33:20,470 --> 00:33:19,600
on it tends to have been on shows like

682
00:33:23,110 --> 00:33:20,480
jimmy kimmel

683
00:33:23,590 --> 00:33:23,120
where they play it for laughs right and

684
00:33:26,310 --> 00:33:23,600
and

685
00:33:27,830 --> 00:33:26,320
obama was absolutely dead straight with

686
00:33:29,190 --> 00:33:27,840
this and basically said yeah

687
00:33:31,029 --> 00:33:29,200
there are things in our skies and we

688
00:33:32,549 --> 00:33:31,039

can't explain them yeah and he

689

00:33:35,750 --> 00:33:32,559

was like wait a minute dude to say he

690

00:33:38,789 --> 00:33:35,760

was being serious i'm being serious now

691

00:33:40,070 --> 00:33:38,799

that's pretty so yeah and part of it of

692

00:33:43,269 --> 00:33:40,080

course is coming from the

693

00:33:46,310 --> 00:33:43,279

scientific community maybe at first

694

00:33:47,990 --> 00:33:46,320

from people who are regarded as a little

695

00:33:51,590 --> 00:33:48,000

bit of a maverick so people like

696

00:33:53,669 --> 00:33:51,600

avi loeb talking about a muammar but

697

00:33:55,350 --> 00:33:53,679

you know if you once once you have

698

00:33:57,509 --> 00:33:55,360

harvard professors talking about all

699

00:33:59,909 --> 00:33:57,519

this it does give it a sort of

700

00:34:00,710 --> 00:33:59,919

respectability so all of these things

701
00:34:03,350 --> 00:34:00,720
happening

702
00:34:04,789 --> 00:34:03,360
as a process and one day we'll just wake

703
00:34:07,990 --> 00:34:04,799
up and realize that it's

704
00:34:09,990 --> 00:34:08,000
done and dusted without us quite knowing

705
00:34:11,589 --> 00:34:10,000
how we got there and it as i say it

706
00:34:13,030 --> 00:34:11,599
won't be a single thing

707
00:34:14,869 --> 00:34:13,040
that pushed it over the line but

708
00:34:15,430 --> 00:34:14,879
there'll just be a realization that yeah

709
00:34:17,349 --> 00:34:15,440
okay

710
00:34:18,629 --> 00:34:17,359
that's probably the world we live in

711
00:34:21,589 --> 00:34:18,639
yeah uh

712
00:34:22,790 --> 00:34:21,599
yeah and yeah so if more pilots come out

713
00:34:24,069 --> 00:34:22,800

with their experiences

714

00:34:26,629 --> 00:34:24,079

they'll probably feel a little more

715

00:34:27,750 --> 00:34:26,639

emboldened i mean in the report they

716

00:34:30,230 --> 00:34:27,760

said a lot of

717

00:34:32,149 --> 00:34:30,240

uh the frustration is with the stigma

718

00:34:34,950 --> 00:34:32,159

that still exists

719

00:34:35,909 --> 00:34:34,960

um which actually now that i say it that

720

00:34:38,470 --> 00:34:35,919

made me very

721

00:34:39,270 --> 00:34:38,480

happy to see that in the preliminary

722

00:34:41,589 --> 00:34:39,280

report

723

00:34:42,470 --> 00:34:41,599

how they discussed the stigma aspect of

724

00:34:46,629 --> 00:34:42,480

it

725

00:34:48,550 --> 00:34:46,639

um because first of all

726
00:34:51,430 --> 00:34:48,560
there is there's just no compassion for

727
00:34:53,829 --> 00:34:51,440
the people that go through this stuff

728
00:34:55,349 --> 00:34:53,839
i mean diedrich for instance i don't

729
00:34:58,310 --> 00:34:55,359
even think they were

730
00:34:59,510 --> 00:34:58,320
armed you know and they go out there

731
00:35:01,510 --> 00:34:59,520
after this stuff that

732
00:35:04,950 --> 00:35:01,520
is completely bizarre that we think is

733
00:35:08,550 --> 00:35:04,960
bizarre just by listening to it

734
00:35:11,829 --> 00:35:08,560
she was there um

735
00:35:13,109 --> 00:35:11,839
you know and there's still a possibility

736
00:35:15,270 --> 00:35:13,119
of stigma

737
00:35:16,870 --> 00:35:15,280
i mean to me that's just incredible so i

738
00:35:18,630 --> 00:35:16,880

was very happy that that was in the

739

00:35:19,430 --> 00:35:18,640

report do you think that will set a

740

00:35:24,310 --> 00:35:19,440

precedence

741

00:35:27,829 --> 00:35:27,030

i think so and i hope so and of course

742

00:35:31,589 --> 00:35:27,839

the u.s

743

00:35:33,589 --> 00:35:31,599

navy issued guidance to its pilots

744

00:35:35,670 --> 00:35:33,599

um over a year ago now right telling

745

00:35:38,069 --> 00:35:35,680

them that that they should be reporting

746

00:35:39,589 --> 00:35:38,079

these things now they refused to

747

00:35:42,470 --> 00:35:39,599

disclose

748

00:35:43,829 --> 00:35:42,480

exactly what that guidance said saying

749

00:35:45,510 --> 00:35:43,839

that it was classified

750

00:35:48,310 --> 00:35:45,520

which which is interesting because in

751
00:35:51,430 --> 00:35:48,320
one sense if you think back to something

752
00:35:53,349 --> 00:35:51,440
a public facing ufo program like

753
00:35:54,470 --> 00:35:53,359
project blue book or like the one i ran

754
00:35:57,030 --> 00:35:54,480
at the mod

755
00:35:58,710 --> 00:35:57,040
um there would be nothing wrong and

756
00:36:00,870 --> 00:35:58,720
indeed the all the

757
00:36:01,990 --> 00:36:00,880
forms that we use to record the

758
00:36:05,109 --> 00:36:02,000
sightings that's

759
00:36:07,430 --> 00:36:05,119
all in the public domain right and

760
00:36:09,190 --> 00:36:07,440
and and rightly so because because we

761
00:36:12,310 --> 00:36:09,200
wanted the reports it's not

762
00:36:14,470 --> 00:36:12,320
just from our own people and and

763
00:36:16,390 --> 00:36:14,480

military pilots commercial airline

764

00:36:19,190 --> 00:36:16,400

pilots but we wanted reports

765

00:36:20,390 --> 00:36:19,200

from everyone because because you know

766

00:36:23,190 --> 00:36:20,400

you can never know

767

00:36:23,670 --> 00:36:23,200

from where an interesting piece of data

768

00:36:27,589 --> 00:36:23,680

is

769

00:36:31,190 --> 00:36:27,599

only come from the military

770

00:36:33,030 --> 00:36:31,200

is is i think wrong-headed so yeah um

771

00:36:35,430 --> 00:36:33,040

so that's interesting but yes going back

772

00:36:39,190 --> 00:36:35,440

to your your question

773

00:36:39,990 --> 00:36:39,200

um i do think that building on the

774

00:36:43,109 --> 00:36:40,000

navy's

775

00:36:44,390 --> 00:36:43,119

guidance to its own people and building

776

00:36:49,030 --> 00:36:44,400

on the preliminary

777

00:36:52,150 --> 00:36:49,040

assessment from odni to congress

778

00:36:53,430 --> 00:36:52,160

we will have set up a more robust

779

00:36:56,870 --> 00:36:53,440

reporting system

780

00:36:59,990 --> 00:36:56,880

where reports will not only be

781

00:37:01,270 --> 00:37:00,000

not stigmatized but actively encouraged

782

00:37:02,870 --> 00:37:01,280

the chain of command

783

00:37:05,109 --> 00:37:02,880

and this is this is for the chain of

784

00:37:07,589 --> 00:37:05,119

command to take ownership

785

00:37:08,710 --> 00:37:07,599

of and if there is still reluctance the

786

00:37:11,430 --> 00:37:08,720

chain of command

787

00:37:12,630 --> 00:37:11,440

must push the message look no we're not

788

00:37:15,990 --> 00:37:12,640

kidding people

789

00:37:18,870 --> 00:37:16,000

um you see something you say something

790

00:37:20,550 --> 00:37:18,880

to coin a phrase yeah definitely if

791

00:37:22,150 --> 00:37:20,560

you're a boss you gotta you gotta set

792

00:37:28,069 --> 00:37:22,160

the tone right right

793

00:37:32,230 --> 00:37:31,190

are you gonna keep helping us until we

794

00:37:35,670 --> 00:37:32,240

cross the finish line

795

00:37:39,430 --> 00:37:35,680

mr pope well you know i'll

796

00:37:43,109 --> 00:37:39,440

i don't know exactly

797

00:37:44,950 --> 00:37:43,119

what my role in all of this will be but

798

00:37:48,470 --> 00:37:44,960

if it's if recent experience

799

00:37:51,910 --> 00:37:48,480

is anything to go by i do enjoy a

800

00:37:55,589 --> 00:37:51,920

fairly considerable mainstream media

801
00:37:59,030 --> 00:37:55,599
presence and i will continue to use that

802
00:38:02,829 --> 00:37:59,040
presence in the media to keep this

803
00:38:06,310 --> 00:38:02,839
issue in the public eye to

804
00:38:08,470 --> 00:38:06,320
keep pushing the message that this is a

805
00:38:09,510 --> 00:38:08,480
serious defense and national security

806
00:38:12,710 --> 00:38:09,520
issue

807
00:38:15,910 --> 00:38:12,720
and to to do what i can

808
00:38:18,150 --> 00:38:15,920
to to inform and educate

809
00:38:19,430 --> 00:38:18,160
when it comes to this topic and

810
00:38:23,190 --> 00:38:19,440
particularly

811
00:38:25,190 --> 00:38:23,200
hopefully to do what some of the other

812
00:38:26,790 --> 00:38:25,200
people that that are currently in the

813
00:38:29,910 --> 00:38:26,800

public eye on this are doing

814

00:38:31,109 --> 00:38:29,920

to use our government backgrounds to

815

00:38:34,710 --> 00:38:31,119

give people

816

00:38:38,470 --> 00:38:34,720

a sort of insider's perspective so that

817

00:38:42,069 --> 00:38:38,480

that even if it's an unrelated ufo story

818

00:38:44,630 --> 00:38:42,079

people like me can contextualize it

819

00:38:45,750 --> 00:38:44,640

for folks so yeah absolutely i will

820

00:38:48,950 --> 00:38:45,760

continue

821

00:38:50,470 --> 00:38:48,960

to do that and and yeah we need you

822

00:38:53,990 --> 00:38:50,480

absolutely

823

00:38:57,030 --> 00:38:54,000

we need you uh yeah uh this is

824

00:39:00,230 --> 00:38:57,040

pretty cool for me i gotta say um

825

00:39:02,390 --> 00:39:00,240

uh my dad likes you i like yeah you know

826

00:39:03,589 --> 00:39:02,400

and when you first kind of dabble into

827

00:39:05,510 --> 00:39:03,599

this stuff

828

00:39:06,790 --> 00:39:05,520

you're one of the faces that you run

829

00:39:09,910 --> 00:39:06,800

into you know

830

00:39:11,990 --> 00:39:09,920

um so that

831

00:39:13,430 --> 00:39:12,000

you know first chance to make an

832

00:39:17,109 --> 00:39:13,440

impression

833

00:39:20,150 --> 00:39:17,119

uh that that you give people in that way

834

00:39:23,190 --> 00:39:20,160

you do a great job of it because

835

00:39:26,150 --> 00:39:23,200

it's very welcoming and people need that

836

00:39:27,109 --> 00:39:26,160

to feel okay to dig a little deeper you

837

00:39:29,430 --> 00:39:27,119

know

838

00:39:31,670 --> 00:39:29,440

um so i appreciate that and even though

839

00:39:34,390 --> 00:39:31,680

you may not see what your role is

840

00:39:35,349 --> 00:39:34,400

like it doesn't have to be defined it

841

00:39:38,230 --> 00:39:35,359

can be

842

00:39:39,829 --> 00:39:38,240

you know um the great things that happen

843

00:39:44,150 --> 00:39:39,839

from the actions that you take

844

00:39:49,750 --> 00:39:47,510

well yeah yes no i i mean my yeah i

845

00:39:52,310 --> 00:39:49,760

don't want anyone to assume that

846

00:39:53,190 --> 00:39:52,320

i'm still working for the government and

847

00:39:56,630 --> 00:39:53,200

of course my

848

00:39:59,750 --> 00:39:56,640

direct experience of this is now

849

00:40:02,790 --> 00:39:59,760

quite quite old and and

850

00:40:03,829 --> 00:40:02,800

so so people like lou have much more

851
00:40:07,109 --> 00:40:03,839
recent

852
00:40:10,069 --> 00:40:07,119
experience of this than i do

853
00:40:12,069 --> 00:40:10,079
but hopefully i can still bring

854
00:40:15,270 --> 00:40:12,079
something to the table and

855
00:40:17,109 --> 00:40:15,280
and yeah as as long as i

856
00:40:19,109 --> 00:40:17,119
continue to have those opportunities i

857
00:40:19,750 --> 00:40:19,119
will i will take them and continue to do

858
00:40:22,870 --> 00:40:19,760
what i

859
00:40:26,040 --> 00:40:22,880
do yeah um that is great can i

860
00:40:27,510 --> 00:40:26,050
can i ask you some juicy stuff now

861
00:40:31,030 --> 00:40:27,520
[Laughter]

862
00:40:32,870 --> 00:40:31,040
fire away all right um also

863
00:40:34,230 --> 00:40:32,880

audience if you have like a quick

864

00:40:38,230 --> 00:40:34,240

question that's not

865

00:40:40,470 --> 00:40:38,240

really you know um in depth

866

00:40:41,270 --> 00:40:40,480

let me know and i can shoot them off

867

00:40:44,790 --> 00:40:41,280

adam

868

00:40:47,990 --> 00:40:44,800

um first one is have you

869

00:40:50,470 --> 00:40:48,000

ever seen a craft

870

00:40:52,390 --> 00:40:50,480

that was unidentified to you and i don't

871

00:40:52,950 --> 00:40:52,400

mean like walking and whoa what is that

872

00:40:56,309 --> 00:40:52,960

but

873

00:40:58,630 --> 00:40:56,319

in your job um i've

874

00:40:59,910 --> 00:40:58,640

i've seen photos and videos but i have

875

00:41:04,390 --> 00:40:59,920

never personally

876

00:41:06,870 --> 00:41:04,400

had a a sighting sadly yesterday

877

00:41:08,309 --> 00:41:06,880

huh perhaps my time will come yeah

878

00:41:11,589 --> 00:41:08,319

perhaps it will

879

00:41:13,190 --> 00:41:11,599

um have you

880

00:41:14,870 --> 00:41:13,200

are those videos and things that you've

881

00:41:19,349 --> 00:41:14,880

seen are they

882

00:41:22,470 --> 00:41:19,359

um convincing in any manner to you

883

00:41:23,349 --> 00:41:22,480

well they they're not a smoking gun in

884

00:41:26,390 --> 00:41:23,359

terms of

885

00:41:29,589 --> 00:41:26,400

that must be can only be

886

00:41:33,109 --> 00:41:29,599

an extraterrestrial spacecraft but

887

00:41:36,870 --> 00:41:33,119

it is a sense of wow

888

00:41:39,109 --> 00:41:36,880

what the heck is that right yeah

889

00:41:40,309 --> 00:41:39,119

um if you could fly in one of those

890

00:41:42,710 --> 00:41:40,319

would you

891

00:41:44,630 --> 00:41:42,720

yes absolutely all right just gotta make

892

00:41:47,270 --> 00:41:44,640

sure

893

00:41:48,050 --> 00:41:47,280

um only if i can have a go at the

894

00:41:50,470 --> 00:41:48,060

controls

895

00:41:52,309 --> 00:41:50,480

[Laughter]

896

00:41:53,990 --> 00:41:52,319

yeah i don't know i can't even imagine

897

00:41:55,270 --> 00:41:54,000

what those would be like as sometimes

898

00:41:59,670 --> 00:41:55,280

they just move so

899

00:42:02,950 --> 00:41:59,680

crazy that you would think it's

900

00:42:08,069 --> 00:42:02,960

you know controlled by thought almost

901
00:42:12,390 --> 00:42:08,079
well who knows yes yeah who knows um

902
00:42:14,950 --> 00:42:12,400
have you ever heard a rumor

903
00:42:15,430 --> 00:42:14,960
about someone in the english government

904
00:42:21,349 --> 00:42:15,440
seeing

905
00:42:29,829 --> 00:42:25,750
well there there was certainly um

906
00:42:32,950 --> 00:42:29,839
an occasion where the then home

907
00:42:35,589 --> 00:42:32,960
so very senior government

908
00:42:36,230 --> 00:42:35,599
figure in the the cabinet there was a

909
00:42:39,589 --> 00:42:36,240
story

910
00:42:43,589 --> 00:42:39,599
that a ufo was seen directly over his

911
00:42:46,630 --> 00:42:43,599
house and and i think there's still

912
00:42:49,670 --> 00:42:46,640
there's still a controversy about

913
00:42:52,309 --> 00:42:49,680

what if anything he personally

914

00:42:53,030 --> 00:42:52,319

saw and if so what he took away from

915

00:42:56,550 --> 00:42:53,040

that

916

00:42:58,470 --> 00:42:56,560

experience but yeah michael howard is

917

00:43:00,150 --> 00:42:58,480

and there's some material about that out

918

00:43:02,230 --> 00:43:00,160

on on the internet

919

00:43:03,510 --> 00:43:02,240

yeah it's kind of the case uh with a lot

920

00:43:07,510 --> 00:43:03,520

of these sightings

921

00:43:08,150 --> 00:43:07,520

you know what was exactly right what

922

00:43:11,589 --> 00:43:08,160

wasn't

923

00:43:12,950 --> 00:43:11,599

what was maybe you know fabricated even

924

00:43:14,870 --> 00:43:12,960

not on purpose

925

00:43:16,710 --> 00:43:14,880

you know trolls we've all had memories

926
00:43:20,230 --> 00:43:16,720
that

927
00:43:23,349 --> 00:43:20,240
i think we skew a little bit but

928
00:43:24,309 --> 00:43:23,359
not necessarily on purpose does that

929
00:43:27,670 --> 00:43:24,319
make sense

930
00:43:30,950 --> 00:43:27,680
i absolutely yes and any cop

931
00:43:33,190 --> 00:43:30,960
will will tell you that you know if

932
00:43:34,150 --> 00:43:33,200
if a whole bunch of people see for

933
00:43:37,270 --> 00:43:34,160
example a

934
00:43:37,910 --> 00:43:37,280
car accident and then they take the

935
00:43:39,510 --> 00:43:37,920
accounts

936
00:43:41,829 --> 00:43:39,520
everyone will have a slightly different

937
00:43:43,109 --> 00:43:41,839
story i mean yeah it's memory it's

938
00:43:46,309 --> 00:43:43,119

perception

939

00:43:47,430 --> 00:43:46,319

it's it's human variation which there's

940

00:43:50,230 --> 00:43:47,440

a lot

941

00:43:51,510 --> 00:43:50,240

um all right we got some questions here

942

00:43:53,430 --> 00:43:51,520

for you

943

00:43:55,030 --> 00:43:53,440

um we'll start with the bottom and go to

944

00:43:58,069 --> 00:43:55,040

the top how

945

00:43:59,750 --> 00:43:58,079

does okay

946

00:44:01,270 --> 00:43:59,760

what do you think about contact with

947

00:44:04,710 --> 00:44:01,280

these

948

00:44:08,069 --> 00:44:04,720

um is it possible or

949

00:44:11,270 --> 00:44:08,079

maybe a better question is should we

950

00:44:14,630 --> 00:44:11,280

yes well it would resolve

951
00:44:16,870 --> 00:44:14,640
the mystery i guess and and

952
00:44:17,750 --> 00:44:16,880
show us what we're dealing with so

953
00:44:20,829 --> 00:44:17,760
absolutely

954
00:44:26,150 --> 00:44:20,839
bring it on bring it on i like it

955
00:44:30,230 --> 00:44:28,390
if the craft are controlled by computers

956
00:44:32,309 --> 00:44:30,240
it would explain their actions

957
00:44:33,670 --> 00:44:32,319
uh nick pope can you speak to any

958
00:44:38,230 --> 00:44:33,680
vetting you've done on lou

959
00:44:40,550 --> 00:44:38,240
elizondo with greer's recent claims

960
00:44:41,589 --> 00:44:40,560
well this is an interesting one but i

961
00:44:45,030 --> 00:44:41,599
mean

962
00:44:48,069 --> 00:44:45,040
you know in a sense i i've been accused

963
00:44:50,390 --> 00:44:48,079

of being a part of this myself now for

964

00:44:52,150 --> 00:44:50,400

i you may well know this but for anyone

965

00:44:54,710 --> 00:44:52,160

watching who doesn't the

966

00:44:55,510 --> 00:44:54,720

the central accusation from dr stephen

967

00:44:58,710 --> 00:44:55,520

greer

968

00:45:02,950 --> 00:44:58,720

is that people like uh

969

00:45:07,349 --> 00:45:02,960

myself chris mellon lou elizondo

970

00:45:10,150 --> 00:45:07,359

jeremy corbell george knapp leslie kane

971

00:45:11,030 --> 00:45:10,160

and and maybe a few others but people

972

00:45:14,710 --> 00:45:11,040

either with

973

00:45:17,430 --> 00:45:14,720

direct or indirect ties to

974

00:45:18,309 --> 00:45:17,440

government and and the intelligence

975

00:45:23,349 --> 00:45:18,319

community

976

00:45:26,230 --> 00:45:23,359

um the accusation is that we are still

977

00:45:28,150 --> 00:45:26,240

part of you know a program that we are

978

00:45:30,950 --> 00:45:28,160

still working for the government

979

00:45:33,430 --> 00:45:30,960

and or some sort of shadowy but there's

980

00:45:36,550 --> 00:45:33,440

no illuminati

981

00:45:39,750 --> 00:45:36,560

right and so the the

982

00:45:43,270 --> 00:45:39,760

no the and and the accusation is

983

00:45:45,510 --> 00:45:43,280

that we are deliberately pushing

984

00:45:47,109 --> 00:45:45,520

the threat narrative in the mainstream

985

00:45:50,470 --> 00:45:47,119

media

986

00:45:53,829 --> 00:45:50,480

possibly as

987

00:45:55,910 --> 00:45:53,839

a prelude to a false flag

988

00:45:57,589 --> 00:45:55,920

alien invasion right let's just i mean

989

00:46:01,750 --> 00:45:57,599

this is super

990

00:46:05,109 --> 00:46:01,760

super easy um are these

991

00:46:08,309 --> 00:46:05,119

um a direct threat

992

00:46:09,430 --> 00:46:08,319

yes no or maybe maybe and beautiful and

993

00:46:12,390 --> 00:46:09,440

this is exactly this is

994

00:46:12,950 --> 00:46:12,400

right well this is this is exactly what

995

00:46:39,990 --> 00:46:12,960

i

996

00:46:43,270 --> 00:46:40,000

whether there's a threat or not

997

00:46:46,390 --> 00:46:43,280

and in those circumstances

998

00:46:48,390 --> 00:46:46,400

it's best to assume a threat and be

999

00:46:51,030 --> 00:46:48,400

relieved if it doesn't materialize

1000

00:46:52,069 --> 00:46:51,040

than the other way around in other words

1001

00:46:54,630 --> 00:46:52,079

hope for the best

1002

00:46:55,270 --> 00:46:54,640

prepare for the worst but but people

1003

00:46:57,589 --> 00:46:55,280

like

1004

00:46:59,190 --> 00:46:57,599

lou and chris and myself are then when

1005

00:47:02,550 --> 00:46:59,200

we point that out

1006

00:47:06,069 --> 00:47:02,560

and it's it's not an opinion it's

1007

00:47:08,309 --> 00:47:06,079

just a simple truism about the way in

1008

00:47:10,069 --> 00:47:08,319

which government and military view this

1009

00:47:11,829 --> 00:47:10,079

which is the way that they view lots of

1010

00:47:14,470 --> 00:47:11,839

things so

1011

00:47:15,030 --> 00:47:14,480

when we point this out some people in

1012

00:47:25,030 --> 00:47:15,040

the

1013

00:47:27,030 --> 00:47:25,040

fear-mongering and war-mongering

1014

00:47:28,069 --> 00:47:27,040

so that's what that's what that's all

1015

00:47:31,109 --> 00:47:28,079

about and

1016

00:47:31,430 --> 00:47:31,119

you know you think to yourself um you

1017

00:47:34,309 --> 00:47:31,440

know

1018

00:47:34,790 --> 00:47:34,319

just that video i saw 10 years ago of

1019

00:47:38,630 --> 00:47:34,800

you

1020

00:47:41,349 --> 00:47:38,640

and promote

1021

00:47:42,350 --> 00:47:41,359

um a fake alien invasion it's like man

1022

00:47:45,430 --> 00:47:42,360

are you slow

1023

00:47:49,750 --> 00:47:45,440

[Laughter]

1024

00:47:50,069 --> 00:47:49,760

just speed it up we did 10 20 years for

1025

00:47:55,190 --> 00:47:50,079

this

1026
00:47:58,870 --> 00:47:57,750
um let's see if i got anything else here

1027
00:48:01,109 --> 00:47:58,880
for you

1028
00:48:02,069 --> 00:48:01,119
i got a question i don't understand but

1029
00:48:05,510 --> 00:48:02,079
it's from

1030
00:48:07,109 --> 00:48:05,520
from somebody who uh comes around here a

1031
00:48:08,150 --> 00:48:07,119
lot and don't understand because i'm i'm

1032
00:48:11,190 --> 00:48:08,160
not familiar with

1033
00:48:12,150 --> 00:48:11,200
some of the stuff are you familiar with

1034
00:48:15,510 --> 00:48:12,160
the netted

1035
00:48:19,190 --> 00:48:15,520
emulation of multi-element signature

1036
00:48:21,910 --> 00:48:19,200
against integrated sensors or nemesis

1037
00:48:22,950 --> 00:48:21,920
does that make sense yeah it does not

1038
00:48:25,430 --> 00:48:22,960

i'm afraid

1039

00:48:26,150 --> 00:48:25,440

when i was doing this at the end of me

1040

00:48:28,230 --> 00:48:26,160

no

1041

00:48:29,510 --> 00:48:28,240

i mean if when when we had something

1042

00:48:32,069 --> 00:48:29,520

that yeah i

1043

00:48:34,069 --> 00:48:32,079

with apologies i don't understand the

1044

00:48:37,829 --> 00:48:34,079

question when did when i got

1045

00:48:39,109 --> 00:48:37,839

something i would be significant

1046

00:48:41,990 --> 00:48:39,119

technical

1047

00:48:43,910 --> 00:48:42,000

yeah expert i was just a bossy

1048

00:48:45,829 --> 00:48:43,920

investigations guy

1049

00:48:47,750 --> 00:48:45,839

yeah so maybe a question for somebody

1050

00:48:53,190 --> 00:48:47,760

else

1051

00:49:00,790 --> 00:48:57,270

are you do you believe in god

1052

00:49:03,910 --> 00:49:00,800

i do not you do not i'm i am an atheist

1053

00:49:06,390 --> 00:49:03,920

so atheist yes which

1054

00:49:08,549 --> 00:49:06,400

which is interesting because of course

1055

00:49:10,870 --> 00:49:08,559

it it

1056

00:49:12,150 --> 00:49:10,880

raises the question and lose talked

1057

00:49:16,150 --> 00:49:12,160

about this

1058

00:49:19,190 --> 00:49:16,160

that that there's a faction

1059

00:49:20,150 --> 00:49:19,200

in in the pentagon but there were people

1060

00:49:22,470 --> 00:49:20,160

in the uk

1061

00:49:24,390 --> 00:49:22,480

who thought like this too who believed

1062

00:49:28,150 --> 00:49:24,400

that the phenomenon was demonic

1063

00:49:30,790 --> 00:49:28,160

right and one of the things that they

1064

00:49:32,390 --> 00:49:30,800

cited was a passage in the bible in in

1065

00:49:34,470 --> 00:49:32,400

the book of ephesians

1066

00:49:36,710 --> 00:49:34,480

where it describes satan as being the

1067

00:49:39,589 --> 00:49:36,720

prince of the power of the air

1068

00:49:41,349 --> 00:49:39,599

and they've seized upon that and then

1069

00:49:44,470 --> 00:49:41,359

they've taken the view well

1070

00:49:47,589 --> 00:49:44,480

it's demonic and therefore it says

1071

00:49:50,710 --> 00:49:47,599

you shouldn't be studying it because it

1072

00:49:53,030 --> 00:49:50,720

somehow feeds it gives it energy so as

1073

00:49:54,630 --> 00:49:53,040

as an atheist this was frustrating to me

1074

00:49:58,549 --> 00:49:54,640

because my view was

1075

00:50:02,069 --> 00:49:58,559

look i can understand skepticism about

1076

00:50:04,630 --> 00:50:02,079

this rooted in

1077

00:50:05,270 --> 00:50:04,640

hard-nosed science if somebody says look

1078

00:50:07,109 --> 00:50:05,280

you know

1079

00:50:08,790 --> 00:50:07,119

i don't believe that it's possible to

1080

00:50:09,670 --> 00:50:08,800

break the light speed barrier therefore

1081

00:50:11,829 --> 00:50:09,680

they can't

1082

00:50:12,870 --> 00:50:11,839

get here from there well you can sit

1083

00:50:13,670 --> 00:50:12,880

down and you can have a reasonable

1084

00:50:15,829 --> 00:50:13,680

conversation

1085

00:50:16,790 --> 00:50:15,839

with someone about that you can debate

1086

00:50:19,510 --> 00:50:16,800

things like

1087

00:50:20,710 --> 00:50:19,520

wormholes and walk drive and and sub

1088

00:50:23,910 --> 00:50:20,720

light

1089

00:50:27,190 --> 00:50:23,920
travel with unmanned probes so

1090

00:50:29,349 --> 00:50:27,200
that's fine but if someone if if what

1091

00:50:30,069 --> 00:50:29,359
you're coming up against when you want

1092

00:50:32,950 --> 00:50:30,079
to do more

1093

00:50:33,829 --> 00:50:32,960
research and investigation is a sort of

1094

00:50:36,870 --> 00:50:33,839
fundamental

1095

00:50:39,430 --> 00:50:36,880
religiosity then to me as an atheist

1096

00:50:41,670 --> 00:50:39,440
particularly that was frustrating yeah

1097

00:50:44,870 --> 00:50:41,680
do you think there's a way to ever uh

1098

00:50:47,589 --> 00:50:44,880
marry um at least um

1099

00:50:48,390 --> 00:50:47,599
spirituality or faith not so much

1100

00:50:51,430 --> 00:50:48,400
religion

1101

00:50:53,589 --> 00:50:51,440

in science well i don't know i i

1102

00:50:55,670 --> 00:50:53,599

i know that your question said

1103

00:50:57,910 --> 00:50:55,680

spirituality and not religion but in a

1104

00:51:00,549 --> 00:50:57,920

sense

1105

00:51:01,750 --> 00:51:00,559

if i had a dollar for every time i'd

1106

00:51:04,470 --> 00:51:01,760

heard someone say well i'm not

1107

00:51:05,030 --> 00:51:04,480

religious but i i am spiritual yeah so i

1108

00:51:08,790 --> 00:51:05,040

think it

1109

00:51:11,349 --> 00:51:08,800

it the two segue into each other

1110

00:51:14,150 --> 00:51:11,359

and i think one can say that the

1111

00:51:16,390 --> 00:51:14,160

conflict between science and religion

1112

00:51:17,190 --> 00:51:16,400

has been going on for hundreds of years

1113

00:51:20,390 --> 00:51:17,200

and

1114

00:51:22,710 --> 00:51:20,400

i doubt that it will end tomorrow

1115

00:51:23,510 --> 00:51:22,720

so if there's like a basketball game and

1116

00:51:25,670 --> 00:51:23,520

one team

1117

00:51:27,910 --> 00:51:25,680

is science and the other is religion

1118

00:51:31,270 --> 00:51:27,920

you're playing for the science team

1119

00:51:32,150 --> 00:51:31,280

i'm playing for the science team fair

1120

00:51:37,510 --> 00:51:32,160

play

1121

00:51:38,470 --> 00:51:37,520

because for example the catholic church

1122

00:51:41,750 --> 00:51:38,480

in recent years

1123

00:51:45,030 --> 00:51:41,760

has said some very encouraging and

1124

00:51:45,589 --> 00:51:45,040

thoughtful things about extraterrestrial

1125

00:51:48,390 --> 00:51:45,599

life

1126
00:51:48,710 --> 00:51:48,400
and have even said that there's there's

1127
00:51:51,990 --> 00:51:48,720
no

1128
00:51:53,430 --> 00:51:52,000
doctrinal objection to the existence of

1129
00:51:55,190 --> 00:51:53,440
extraterrestrial life

1130
00:51:57,750 --> 00:51:55,200
and the reason that they gave which

1131
00:52:00,790 --> 00:51:57,760
makes perfect sense if you're religious

1132
00:52:03,829 --> 00:52:00,800
because we yeah we

1133
00:52:04,390 --> 00:52:03,839
human beings can place no creative

1134
00:52:08,470 --> 00:52:04,400
limits

1135
00:52:10,549 --> 00:52:08,480
upon god yeah how could you

1136
00:52:11,589 --> 00:52:10,559
yeah especially unless you know how to

1137
00:52:13,270 --> 00:52:11,599
make yourself

1138
00:52:15,270 --> 00:52:13,280

i don't think you can really start to

1139

00:52:18,790 --> 00:52:15,280

try and figure that out

1140

00:52:19,910 --> 00:52:18,800

yeah um well we let let me check for a

1141

00:52:23,430 --> 00:52:19,920

couple more questions

1142

00:52:25,510 --> 00:52:23,440

um it's we've been 52 minutes into this

1143

00:52:27,190 --> 00:52:25,520

it's been great um do you have a hard

1144

00:52:30,390 --> 00:52:27,200

stop

1145

00:52:30,870 --> 00:52:30,400

like an hour yeah let's let's take it to

1146

00:52:34,150 --> 00:52:30,880

the

1147

00:52:37,270 --> 00:52:34,160

perfect

1148

00:52:42,069 --> 00:52:37,280

um man

1149

00:52:44,309 --> 00:52:42,079

everybody is so let me just say this

1150

00:52:45,510 --> 00:52:44,319

i don't think it helps us and you

1151

00:52:46,790 --> 00:52:45,520

probably agree with this i'm just

1152

00:52:49,270 --> 00:52:46,800

looking at comments

1153

00:52:49,910 --> 00:52:49,280

i don't know that it helps us to dig in

1154

00:52:53,030 --> 00:52:49,920

deep

1155

00:52:55,670 --> 00:52:53,040

to another person's flaws like grier

1156

00:52:56,069 --> 00:52:55,680

and ask people to comment on it so as

1157

00:52:59,910 --> 00:52:56,079

such

1158

00:53:01,190 --> 00:52:59,920

to cause more conflict is that right do

1159

00:53:04,549 --> 00:53:01,200

you agree with that yeah i

1160

00:53:07,829 --> 00:53:04,559

i take the point but look um

1161

00:53:11,270 --> 00:53:07,839

and i've sat down and you know had

1162

00:53:14,790 --> 00:53:11,280

had conversations with with

1163

00:53:15,430 --> 00:53:14,800

steven greer about this phenomenon and

1164

00:53:18,150 --> 00:53:15,440

things we

1165

00:53:19,349 --> 00:53:18,160

we've not sat down and discussed this

1166

00:53:21,990 --> 00:53:19,359

particular

1167

00:53:23,349 --> 00:53:22,000

conflict grisha recently but look it's

1168

00:53:27,430 --> 00:53:23,359

not

1169

00:53:30,549 --> 00:53:27,440

i it's i don't think we can censor

1170

00:53:31,990 --> 00:53:30,559

this and if if we've got some some

1171

00:53:35,349 --> 00:53:32,000

unpleasantness

1172

00:53:38,710 --> 00:53:35,359

to deal with let's get it out there

1173

00:53:41,910 --> 00:53:38,720

and and the the other thing is

1174

00:53:43,990 --> 00:53:41,920

he was the one who made the comment so

1175

00:53:44,710 --> 00:53:44,000

you can't put the toothpaste back in the

1176
00:53:47,910 --> 00:53:44,720
tube

1177
00:53:51,910 --> 00:53:47,920
his his viewpoint is out there

1178
00:53:55,030 --> 00:53:51,920
and certainly my my rebuttal of that

1179
00:53:57,109 --> 00:53:55,040
um to you just now but

1180
00:53:58,309 --> 00:53:57,119
but i've been asked about it before my

1181
00:54:00,549 --> 00:53:58,319
my rebuttal

1182
00:54:02,630 --> 00:54:00,559
is is out there people know my position

1183
00:54:03,910 --> 00:54:02,640
on this i don't think we can pretend

1184
00:54:06,069 --> 00:54:03,920
i don't think we can pretend the

1185
00:54:09,349 --> 00:54:06,079
disagreement isn't there

1186
00:54:13,030 --> 00:54:09,359
and i don't think any of us can

1187
00:54:16,230 --> 00:54:13,040
or should police who

1188
00:54:19,190 --> 00:54:16,240

discusses what in in this field i

1189

00:54:19,510 --> 00:54:19,200

i take a very libertarian view on on

1190

00:54:21,910 --> 00:54:19,520

this

1191

00:54:23,349 --> 00:54:21,920

nothing's nothing's off the table it's

1192

00:54:26,790 --> 00:54:23,359

just when people start

1193

00:54:30,790 --> 00:54:26,800

forcing things at you as far as i'm

1194

00:54:31,750 --> 00:54:30,800

look even though i strongly refute the

1195

00:54:35,109 --> 00:54:31,760

allegation

1196

00:54:38,230 --> 00:54:35,119

i'm certainly not going to

1197

00:54:41,910 --> 00:54:38,240

turn that into a personal

1198

00:54:42,549 --> 00:54:41,920

attack right on dr greer he's entitled

1199

00:54:45,270 --> 00:54:42,559

to his

1200

00:54:46,950 --> 00:54:45,280

his view and i'm sure he genuinely and

1201

00:54:49,109 --> 00:54:46,960

sincerely holds that view i

1202

00:54:51,270 --> 00:54:49,119

i think he's wrong but good luck to him

1203

00:54:54,150 --> 00:54:51,280

yeah well i'm not worried about it

1204

00:54:54,950 --> 00:54:54,160

it's it's kind of um one of those things

1205

00:54:57,030 --> 00:54:54,960

where

1206

00:54:57,990 --> 00:54:57,040

if you can't tell the difference between

1207

00:55:01,430 --> 00:54:58,000

his

1208

00:55:04,549 --> 00:55:01,440

um promotion email in your gmail box

1209

00:55:08,630 --> 00:55:04,559

and the one from guitar center um

1210

00:55:15,990 --> 00:55:13,349

so that's all i'll say about that but um

1211

00:55:17,270 --> 00:55:16,000

do you do you think any other scientists

1212

00:55:19,589 --> 00:55:17,280

are gonna

1213

00:55:22,150 --> 00:55:19,599

like it seems like mainstream scientists

1214

00:55:24,670 --> 00:55:22,160

or such like elon musk and

1215

00:55:25,990 --> 00:55:24,680

uh neil degrasse tyson um

1216

00:55:27,310 --> 00:55:26,000

[Music]

1217

00:55:29,430 --> 00:55:27,320

why are they so

1218

00:55:32,390 --> 00:55:29,440

[Music]

1219

00:55:33,990 --> 00:55:32,400

i would say beyond hesitant it's it's

1220

00:55:36,630 --> 00:55:34,000

almost um

1221

00:55:37,349 --> 00:55:36,640

straight up resistance more so tyson

1222

00:55:40,470 --> 00:55:37,359

than musk

1223

00:55:41,430 --> 00:55:40,480

but do you think if not them other

1224

00:55:44,150 --> 00:55:41,440

scientists

1225

00:55:44,950 --> 00:55:44,160

like them are up to their level we'll

1226

00:55:47,990 --> 00:55:44,960

we'll start

1227

00:55:51,030 --> 00:55:48,000

studying it in the public well

1228

00:55:53,750 --> 00:55:51,040

one one example of i and

1229

00:55:56,390 --> 00:55:53,760

we talked about avi loeb right of course

1230

00:55:59,510 --> 00:55:56,400

earlier but uh another great example

1231

00:55:59,829 --> 00:55:59,520

possibly the finest scientific mind on

1232

00:56:03,030 --> 00:55:59,839

the

1233

00:56:06,069 --> 00:56:03,040

kaku

1234

00:56:09,510 --> 00:56:06,079

and and

1235

00:56:12,549 --> 00:56:09,520

you know michio has been

1236

00:56:16,150 --> 00:56:12,559

very struck by these

1237

00:56:19,750 --> 00:56:16,160

these navy videos and and the associated

1238

00:56:20,470 --> 00:56:19,760

backstory and and i think has has made

1239

00:56:23,750 --> 00:56:20,480

some

1240

00:56:27,270 --> 00:56:23,760

very helpful and

1241

00:56:28,390 --> 00:56:27,280

remarks about all this and and hopefully

1242

00:56:31,910 --> 00:56:28,400

others will

1243

00:56:36,309 --> 00:56:31,920

follow him in um we we had a

1244

00:56:39,589 --> 00:56:36,319

i did a live three-hour special

1245

00:56:44,710 --> 00:56:39,599

on which was simulcast on

1246

00:56:48,150 --> 00:56:46,549

we had an astrophysicist yeah we had an

1247

00:56:51,750 --> 00:56:48,160

astrophysicist on there dr

1248

00:56:54,870 --> 00:56:51,760

o who who talked talked about

1249

00:56:56,710 --> 00:56:54,880

uh this there there are other

1250

00:56:58,630 --> 00:56:56,720

scientists beginning to come forward and

1251

00:57:03,109 --> 00:56:58,640

speaking out and say at least

1252

00:57:05,829 --> 00:57:03,119

look we need to study this right as

1253

00:57:06,470 --> 00:57:05,839

you know using a scientific methodology

1254

00:57:09,190 --> 00:57:06,480

which

1255

00:57:11,670 --> 00:57:09,200

of course with some of this has

1256

00:57:12,309 --> 00:57:11,680

difficulties in terms of repeatability

1257

00:57:18,069 --> 00:57:12,319

but

1258

00:57:19,829 --> 00:57:18,079

are eyewitness accounts whether they're

1259

00:57:21,990 --> 00:57:19,839

radar tapes whether they're

1260

00:57:23,990 --> 00:57:22,000

forward-looking infrared camera videos

1261

00:57:26,789 --> 00:57:24,000

whether it's satellite data

1262

00:57:29,670 --> 00:57:26,799

so we have a lot of data yeah and you

1263

00:57:31,990 --> 00:57:29,680

can always look at that in

1264

00:57:32,870 --> 00:57:32,000

through a scientific lens at some point

1265

00:57:35,670 --> 00:57:32,880

and so yeah

1266

00:57:36,950 --> 00:57:35,680

we we will absolutely see more

1267

00:57:40,150 --> 00:57:36,960

scientists

1268

00:57:42,789 --> 00:57:40,160

stepping up speaking out

1269

00:57:43,430 --> 00:57:42,799

getting involved yeah and once that

1270

00:57:46,870 --> 00:57:43,440

happens

1271

00:57:47,829 --> 00:57:46,880

um the government's going to be pressed

1272

00:57:49,430 --> 00:57:47,839

to

1273

00:57:50,950 --> 00:57:49,440

maybe talk a little more because these

1274

00:57:53,109 --> 00:57:50,960

are smart people and they're

1275

00:57:54,309 --> 00:57:53,119

investigating this stuff so

1276

00:57:57,030 --> 00:57:54,319

and they're going to tell us what they

1277

00:58:00,390 --> 00:57:57,040

find so mr government you may want to uh

1278

00:58:04,950 --> 00:58:02,870

so that's exciting man we got 60 people

1279

00:58:07,510 --> 00:58:04,960

here watching us live i got to say

1280

00:58:09,030 --> 00:58:07,520

um that's the most ever for me so thank

1281

00:58:12,150 --> 00:58:09,040

you

1282

00:58:15,990 --> 00:58:12,160

no problem um

1283

00:58:19,030 --> 00:58:16,000

i have lou elizondo on later today

1284

00:58:19,910 --> 00:58:19,040

um oh well tell him hi from me i've i

1285

00:58:23,109 --> 00:58:19,920

was just gonna say

1286

00:58:27,030 --> 00:58:23,119

it's been a while since we've

1287

00:58:30,630 --> 00:58:27,040

spoken but of course uh it's it's just

1288

00:58:33,270 --> 00:58:30,640

he's been tied up in a media

1289

00:58:35,109 --> 00:58:33,280

firestorm i've been tied up in a media

1290

00:58:37,589 --> 00:58:35,119

firestorm and we've probably

1291

00:58:38,630 --> 00:58:37,599

yeah but uh i think i'm going to be

1292

00:58:43,109 --> 00:58:38,640

seeing him at

1293

00:58:47,510 --> 00:58:43,119

at um one of the one of the upcoming

1294

00:58:50,789 --> 00:58:47,520

in-person ufo yes conferences

1295

00:58:52,950 --> 00:58:50,799

coming back yeah i think yeah

1296

00:58:54,390 --> 00:58:52,960

where is that one do you know uh well

1297

00:58:57,030 --> 00:58:54,400

there's two coming up

1298

00:58:58,230 --> 00:58:57,040

and i'm not sure which we've got the the

1299

00:59:01,270 --> 00:58:58,240

mufon

1300

00:59:04,309 --> 00:59:01,280

symposium okay instead of move and field

1301

00:59:07,589 --> 00:59:04,319

yeah that's that's las vegas

1302

00:59:10,950 --> 00:59:07,599

i think the last weekend of august

1303

00:59:14,309 --> 00:59:10,960

then of course the people

1304

00:59:15,190 --> 00:59:14,319

at international ufo congress and their

1305

00:59:18,390 --> 00:59:15,200

new

1306

00:59:20,710 --> 00:59:18,400

downtown phoenix um

1307

00:59:22,470 --> 00:59:20,720

and that's september so but all the

1308

00:59:25,829 --> 00:59:22,480

details will be on the

1309

00:59:27,750 --> 00:59:25,839

sure the website and i know that um

1310

00:59:30,230 --> 00:59:27,760

lou is going to be at one of those so if

1311

00:59:34,150 --> 00:59:30,240

i don't see him in a tv studio before

1312

00:59:37,270 --> 00:59:34,160

i will see him at one of those whichever

1313

00:59:38,630 --> 00:59:37,280

one it is that he and i are on at and uh

1314

00:59:42,230 --> 00:59:38,640

yeah but tell them

1315

00:59:45,270 --> 00:59:42,240

tell him hello and uh that i i think

1316

00:59:46,470 --> 00:59:45,280

that he's continuing to do a tremendous

1317

00:59:49,270 --> 00:59:46,480

job and of course

1318

00:59:50,870 --> 00:59:49,280

you know weathering quite a storm of of

1319

00:59:55,109 --> 00:59:50,880

criticism

1320

00:59:57,750 --> 00:59:55,119

himself but he's he's responding i think

1321

00:59:59,270 --> 00:59:57,760

as as you would expect with honor and

1322

01:00:01,910 --> 00:59:59,280

integrity as he always does

1323

01:00:04,150 --> 01:00:01,920

yeah um well i will leave you with this

1324

01:00:06,470 --> 01:00:04,160

thank you so much for everything you do

1325

01:00:07,190 --> 01:00:06,480

thank you for everything you have done

1326

01:00:09,750 --> 01:00:07,200

um

1327

01:00:10,630 --> 01:00:09,760

it's you know without people like

1328

01:00:13,670 --> 01:00:10,640

yourself

1329

01:00:15,589 --> 01:00:13,680

and and lou we would be out here

1330

01:00:16,710 --> 01:00:15,599

on our own trying to figure stuff out

1331

01:00:19,510 --> 01:00:16,720

and and

1332

01:00:20,309 --> 01:00:19,520

not that we couldn't but the help is is

1333

01:00:22,549 --> 01:00:20,319

really needed

1334

01:00:23,430 --> 01:00:22,559

and i think i speak for everyone when i

1335

01:00:26,630 --> 01:00:23,440

say thank you

1336

01:00:29,030 --> 01:00:26,640

so with that being said um

1337

01:00:29,829 --> 01:00:29,040

hopefully we get to see you again uh

1338

01:00:32,069 --> 01:00:29,839

down the road

1339

01:00:33,510 --> 01:00:32,079

don't be a stranger and don't lose all

1340

01:00:36,230 --> 01:00:33,520

your money in vegas

1341

01:00:37,910 --> 01:00:36,240

i will try not to what uh happens in

1342

01:00:40,150 --> 01:00:37,920

vegas stays in vegas

1343

01:00:41,589 --> 01:00:40,160

but um hopefully my money comes back

1344

01:00:45,270 --> 01:00:41,599

with me

1345

01:00:47,510 --> 01:00:45,280

all right fair enough i appreciate it

1346

01:00:49,430 --> 01:00:47,520

okay well nice to talk to you and have a

1347

01:00:50,710 --> 01:00:49,440

great rest of the day and thank you

1348

01:00:53,190 --> 01:00:50,720

everyone else who was

1349

01:00:55,030 --> 01:00:53,200

listening in and watching live all right

1350

01:01:00,470 --> 01:00:55,040

thank you nick i appreciate it

1351

01:01:00,480 --> 01:01:07,510

all right um that was a lot of fun huh

1352

01:01:11,670 --> 01:01:09,510

how's everybody doing uh i hope you

1353

01:01:12,789 --> 01:01:11,680

enjoyed that um that was my conversation

1354

01:01:16,309 --> 01:01:12,799

with mr nick

1355

01:01:19,190 --> 01:01:16,319

pope um i do try to ask

1356

01:01:20,390 --> 01:01:19,200

you know um pre-thought out questions

1357

01:01:22,870 --> 01:01:20,400

but

1358

01:01:24,150 --> 01:01:22,880

if the conversation is going in a

1359

01:01:27,030 --> 01:01:24,160

certain direction

1360

01:01:27,829 --> 01:01:27,040

and you know there's a just a flow

1361

01:01:30,950 --> 01:01:27,839

happening

1362

01:01:32,470 --> 01:01:30,960

or whatever i'm bound to take that

1363

01:01:36,870 --> 01:01:32,480

versus going to the script

1364

01:01:39,990 --> 01:01:36,880

the scripted stuff um in questions so

1365

01:01:42,069 --> 01:01:40,000

and you know so you may not hear

1366

01:01:44,710 --> 01:01:42,079

the exact thing that you want answered

1367

01:01:46,870 --> 01:01:44,720

but i do try to put a lot into the

1368

01:01:50,150 --> 01:01:46,880

organicness of the conversation

1369

01:01:50,470 --> 01:01:50,160

um and be that as it may i i do think

1370

01:01:53,510 --> 01:01:50,480

that

1371

01:01:57,990 --> 01:01:53,520

these turn out pretty great so um

1372

01:02:00,069 --> 01:01:58,000

yeah mr pope is awesome super nice guy

1373

01:02:01,589 --> 01:02:00,079

um really a pleasure to talk to him

1374

01:02:04,870 --> 01:02:01,599

after seeing him on tv

1375

01:02:07,430 --> 01:02:04,880

too so that's that's a trip

1376

01:02:08,789 --> 01:02:07,440

please share and like and subscribe my

1377

01:02:12,150 --> 01:02:08,799

youtube channel

1378

01:02:14,549 --> 01:02:12,160

um i need that kind of help so um i can

1379

01:02:15,750 --> 01:02:14,559

keep having nick popeson and luella

1380

01:02:20,950 --> 01:02:15,760

sandoz

1381

01:02:24,069 --> 01:02:20,960

um i'd still do it without him

1382

01:02:27,349 --> 01:02:24,079

but it's uh more exciting if we go

1383

01:02:27,990 --> 01:02:27,359

up with the subs so please help me out

1384

01:02:29,990 --> 01:02:28,000

and sub

1385

01:02:31,349 --> 01:02:30,000

subscribe and share i'm on twitter at

1386

01:02:33,990 --> 01:02:31,359

witness citizen

1387

01:02:35,910 --> 01:02:34,000

um tick tock instagram although i don't

1388

01:02:39,990 --> 01:02:35,920

use those as much

1389

01:02:44,150 --> 01:02:40,000

but i am on there later today at 4

1390

01:02:47,750 --> 01:02:44,160

p.m central standard

1391

01:02:51,190 --> 01:02:47,760

time i have

1392

01:02:52,069 --> 01:02:51,200

lou elizondo and that is gonna be

1393

01:02:55,029 --> 01:02:52,079

awesome

1394

01:02:56,549 --> 01:02:55,039

i really am looking forward to that um i

1395

01:02:59,349 --> 01:02:56,559

actually wrote a song

1396

01:03:01,109 --> 01:02:59,359

for him a while ago now called in the

1397

01:03:03,829 --> 01:03:01,119

middle of wyoming

1398

01:03:05,829 --> 01:03:03,839

that got kind of popular for a little

1399

01:03:09,750 --> 01:03:05,839

bit well you know

1400

01:03:12,789 --> 01:03:09,760

not popular but within my subset of

1401

01:03:14,230 --> 01:03:12,799

friends in this community and lou

1402

01:03:15,670 --> 01:03:14,240

retweeted it and said thanks and

1403

01:03:16,470 --> 01:03:15,680

everything so it was this really cool

1404

01:03:19,270 --> 01:03:16,480

thing

1405

01:03:20,950 --> 01:03:19,280

um so now i'm here interviewing him but

1406

01:03:21,829 --> 01:03:20,960

um don't get me wrong it's not going to

1407

01:03:24,789 --> 01:03:21,839

be just a

1408

01:03:26,789 --> 01:03:24,799

fan fest so i'm going to take it

1409

01:03:30,390 --> 01:03:26,799

seriously like i would anyone else

1410

01:03:34,150 --> 01:03:30,400

so please join me four o'clock

1411

01:03:37,430 --> 01:03:34,160

central standard time 5 pm eastern um

1412

01:03:40,549 --> 01:03:37,440

the episode right now is

1413

01:03:44,710 --> 01:03:40,559

you know on my youtube so i will

1414

01:03:49,190 --> 01:03:44,720

check you out there

1415

01:03:52,789 --> 01:03:49,200

and please don't be shy

1416

01:03:54,870 --> 01:03:52,799

um you know

1417

01:03:56,230 --> 01:03:54,880

comments are great i love the comments

1418

01:03:59,990 --> 01:03:56,240

find me on twitter

1419

01:04:03,270 --> 01:04:00,000

comment there um any of that fun stuff

1420

01:04:03,750 --> 01:04:03,280

so i'm glad i am so glad that it worked

1421

01:04:06,870 --> 01:04:03,760

out

1422

01:04:13,029 --> 01:04:06,880

i was so afraid of you guys um

1423

01:04:15,349 --> 01:04:13,039

saying we can't we can't hear them

1424

01:04:17,589 --> 01:04:15,359

oh man that was that was like i was

1425

01:04:20,549 --> 01:04:17,599

super freaked out

1426

01:04:22,150 --> 01:04:20,559

i'm glad i am super glad i started early

1427

01:04:24,309 --> 01:04:22,160

so you guys could help me uh

1428

01:04:25,750 --> 01:04:24,319

test that stuff because we figured it

1429

01:04:27,510 --> 01:04:25,760

out together i couldn't have did that

1430

01:04:30,950 --> 01:04:27,520

without you guys so

1431

01:04:33,430 --> 01:04:30,960

um thanks for that

1432

01:04:36,470 --> 01:04:33,440

um yeah so i'm gonna go i don't know

1433

01:04:39,589 --> 01:04:36,480

probably take a nap or something

1434

01:04:41,829 --> 01:04:39,599

watch some more uh elizondo stuff

1435

01:04:44,150 --> 01:04:41,839

and just get myself ready and prepared

1436

01:04:47,190 --> 01:04:44,160

and in the moment for this

1437

01:04:48,470 --> 01:04:47,200

um yeah so i will see you then i hope to

1438

01:04:59,349 --> 01:04:48,480

see then

1439

01:04:59,359 --> 01:05:10,390

i'm witness citizen
