

1
00:01:08,469 --> 00:00:14,910

[Music]

2
00:01:16,950 --> 00:01:12,070

what's up everybody

3
00:01:19,830 --> 00:01:16,960

thanks for joining us on this saturday

4
00:01:22,469 --> 00:01:19,840

morning for me but not morning for

5
00:01:28,870 --> 00:01:26,789

uh we're just gonna do a quick recap

6
00:01:30,789 --> 00:01:28,880

of all this stuff i'm not even gonna do

7
00:01:32,469 --> 00:01:30,799

introductions i'm just putting you guys

8
00:01:35,830 --> 00:01:32,479

right in here

9
00:01:38,830 --> 00:01:35,840

hi sean how are you guys doing hey max

10
00:01:41,030 --> 00:01:38,840

yeah i'm good thank you good max is

11
00:01:42,789 --> 00:01:41,040

muted max is muted yeah

12
00:01:45,030 --> 00:01:42,799

well he's gotta give me this give me the

13
00:01:45,390 --> 00:01:45,040

sign give me the sign bro

14

00:01:49,590 --> 00:01:45,400

hi

15

00:01:52,310 --> 00:01:49,600

[Laughter]

16

00:01:54,230 --> 00:01:52,320

sorry about that all right yeah great

17

00:01:54,950 --> 00:01:54,240

intros witness citizen you got that

18

00:01:58,709 --> 00:01:54,960

right

19

00:02:00,709 --> 00:01:58,719

that was awesome that was awesome dude

20

00:02:02,230 --> 00:02:00,719

yeah i love doing that stuff in this

21

00:02:04,870 --> 00:02:02,240

program i got on my phone

22

00:02:06,230 --> 00:02:04,880

um you can you can it just makes it

23

00:02:09,109 --> 00:02:06,240

really user friendly

24

00:02:11,589 --> 00:02:09,119

to split up clips and you know overlay

25

00:02:14,790 --> 00:02:11,599

them over each other and everything so

26

00:02:17,110 --> 00:02:14,800

yeah um

27

00:02:18,869 --> 00:02:17,120

and we all talked to a lot of people i

28

00:02:22,470 --> 00:02:18,879

just realized that looking at that clip

29

00:02:25,589 --> 00:02:24,470

that's when we yeah if you go back a

30

00:02:28,309 --> 00:02:25,599

little farther

31

00:02:29,589 --> 00:02:28,319

then we even got our max and vinnie one

32

00:02:33,509 --> 00:02:29,599

we did together a couple

33

00:02:35,589 --> 00:02:33,519

more yeah i mean so

34

00:02:37,589 --> 00:02:35,599

you start first what was your big

35

00:02:38,470 --> 00:02:37,599

takeaway from your interviews this week

36

00:02:40,710 --> 00:02:38,480

vinnie

37

00:02:42,790 --> 00:02:40,720

me who'd you have did you have a

38

00:02:45,750 --> 00:02:42,800

highlight

39

00:02:47,990 --> 00:02:45,760

each interview because they were all so

40

00:02:50,309 --> 00:02:48,000

different so i think i started the week

41

00:02:52,550 --> 00:02:50,319

well i think gary hassell time was the

42

00:02:55,430 --> 00:02:52,560

first and then i had ryan sprague

43

00:02:57,910 --> 00:02:55,440

then i had rich hoffman and i had danny

44

00:02:59,190 --> 00:02:57,920

silva so a complete mix when it comes to

45

00:03:03,030 --> 00:02:59,200

talking about this subject

46

00:03:05,030 --> 00:03:03,040

like their backgrounds and stuff yeah so

47

00:03:06,550 --> 00:03:05,040

no one particularly stood out more than

48

00:03:08,070 --> 00:03:06,560

the other because i really

49

00:03:10,630 --> 00:03:08,080

you know i wanted to speak to all those

50

00:03:11,430 --> 00:03:10,640

guys and i enjoyed every conversation it

51
00:03:14,949 --> 00:03:11,440
was awesome

52
00:03:16,550 --> 00:03:14,959
so yeah yeah no stand out from

53
00:03:18,390 --> 00:03:16,560
you know i wouldn't like to pick it's

54
00:03:19,830 --> 00:03:18,400
like picking a favorite child

55
00:03:21,509 --> 00:03:19,840
yeah well maybe you get in a fight with

56
00:03:23,830 --> 00:03:21,519
one i don't know i'm not

57
00:03:25,110 --> 00:03:23,840
never gonna happen never gonna happen

58
00:03:28,229 --> 00:03:25,120
what about you max

59
00:03:31,430 --> 00:03:28,239
you talk to the uh another pilot

60
00:03:34,470 --> 00:03:31,440
yeah yeah yeah yeah tell us about that

61
00:03:36,550 --> 00:03:34,480
well um i thought that was quite amazing

62
00:03:38,630 --> 00:03:36,560
what this guy had experienced you know

63
00:03:42,550 --> 00:03:38,640

he had a great great

64

00:03:45,509 --> 00:03:42,560

uh you know very eloquent stories about

65

00:03:45,990 --> 00:03:45,519

uh you know what he went through i think

66

00:03:49,350 --> 00:03:46,000

i'm

67

00:03:52,710 --> 00:03:49,360

a bit in a too noisy spot aren't i um

68

00:03:54,149 --> 00:03:52,720

i think it's fine maybe yeah all right

69

00:04:00,710 --> 00:03:54,159

all right if you're efficient enough at

70

00:04:03,509 --> 00:04:00,720

hitting the mute button when you're done

71

00:04:05,990 --> 00:04:03,519

no so taco is in kaiser he uh you know

72

00:04:09,270 --> 00:04:06,000

has been a pilot since 1988

73

00:04:12,309 --> 00:04:09,280

um he flies for a huge dutch airliner

74

00:04:14,390 --> 00:04:12,319

um and you know he had maybe seven or

75

00:04:15,350 --> 00:04:14,400

eight experiences and two of them were

76

00:04:18,550 --> 00:04:15,360

just

77

00:04:20,310 --> 00:04:18,560

incredible um and you know

78

00:04:21,670 --> 00:04:20,320

it was just mind-blowing to me what this

79

00:04:25,830 --> 00:04:21,680

guy had seen

80

00:04:27,510 --> 00:04:25,840

you know and um it was i think i think

81

00:04:29,430 --> 00:04:27,520

maybe historical you know this is i

82

00:04:31,110 --> 00:04:29,440

think one of the first times

83

00:04:33,270 --> 00:04:31,120

airline pilots are coming out with their

84

00:04:36,790 --> 00:04:33,280

uh stories openly

85

00:04:37,749 --> 00:04:36,800

yeah and um you know this is just adding

86

00:04:42,950 --> 00:04:37,759

to

87

00:04:45,430 --> 00:04:42,960

military pilots the navy

88

00:04:46,950 --> 00:04:45,440

um now airline pilots are coming out and

89

00:04:49,270 --> 00:04:46,960

i think you know that that's

90

00:04:50,629 --> 00:04:49,280

to me that's a big step i'm i'm quite

91

00:04:53,670 --> 00:04:50,639

proud actually that it

92

00:04:54,790 --> 00:04:53,680

was the dutchies who made the first move

93

00:04:56,950 --> 00:04:54,800

you know i hope

94

00:04:58,550 --> 00:04:56,960

internationally the pilots will you know

95

00:05:01,830 --> 00:04:58,560

share their stories because

96

00:05:02,790 --> 00:05:01,840

he uh told us uh that there's actually

97

00:05:05,670 --> 00:05:02,800

an app group

98

00:05:07,909 --> 00:05:05,680

these guys are uh talking with each

99

00:05:10,870 --> 00:05:07,919

other sharing experiences

100

00:05:11,670 --> 00:05:10,880

so i'm hoping for coming out yeah that's

101
00:05:15,830 --> 00:05:11,680
fantastic

102
00:05:18,710 --> 00:05:15,840
i mean um it was interesting that

103
00:05:20,469 --> 00:05:18,720
now how did he feel about it was does he

104
00:05:20,950 --> 00:05:20,479
act like it's no big deal like the one

105
00:05:31,510 --> 00:05:20,960
pilot

106
00:05:36,550 --> 00:05:33,830
he's very uh sober about it you know

107
00:05:38,469 --> 00:05:36,560
yeah it's just what i've seen

108
00:05:40,150 --> 00:05:38,479
and he's very into the topic you know he

109
00:05:41,909 --> 00:05:40,160
studies it himself

110
00:05:43,510 --> 00:05:41,919
he knows a lot actually yeah that was

111
00:05:46,230 --> 00:05:43,520
surprising to me you know you're getting

112
00:05:48,070 --> 00:05:46,240
good it was really really good you can

113
00:05:50,629 --> 00:05:48,080

really talk to him about the subject

114

00:05:51,430 --> 00:05:50,639

and uh you know i love that i really

115

00:05:54,230 --> 00:05:51,440

love that

116

00:05:56,070 --> 00:05:54,240

are you gonna keep pursuing um those

117

00:05:57,990 --> 00:05:56,080

kind of conversation

118

00:05:59,270 --> 00:05:58,000

yeah i'm gonna i'm chasing military

119

00:06:03,350 --> 00:05:59,280

personnel now

120

00:06:06,870 --> 00:06:03,360

wow nice yeah yeah yeah oh there was one

121

00:06:08,550 --> 00:06:06,880

uh i saw this uh on twitter actually not

122

00:06:11,749 --> 00:06:08,560

even on a dutch fee

123

00:06:15,350 --> 00:06:11,759

uh i think a very highly ranked

124

00:06:17,749 --> 00:06:15,360

dutch uh uh error uh force officer

125

00:06:19,350 --> 00:06:17,759

is now talking to american military men

126
00:06:20,710 --> 00:06:19,360
who had these experiences and he wants

127
00:06:23,909 --> 00:06:20,720
to set up a protocol

128
00:06:27,110 --> 00:06:23,919
oh that's awesome nice yeah so that's

129
00:06:31,430 --> 00:06:27,120
uh that those are big steps actually

130
00:06:34,790 --> 00:06:31,440
definitely man um

131
00:06:38,870 --> 00:06:34,800
vinny have you seen anything in this guy

132
00:06:40,469 --> 00:06:38,880
nah man afraid i'm just gonna keep

133
00:06:44,070 --> 00:06:40,479
asking you and remind you

134
00:06:46,550 --> 00:06:44,080
that max and i have now i know man

135
00:06:47,909 --> 00:06:46,560
listen if i do you two will get like a

136
00:06:49,350 --> 00:06:47,919
message whether it be the middle of the

137
00:06:52,710 --> 00:06:49,360
night or whenever

138
00:06:55,589 --> 00:06:52,720

you're freaking out yeah

139

00:06:56,870 --> 00:06:55,599

yeah hey sean how do you feel man the

140

00:07:00,629 --> 00:06:56,880

day after your

141

00:07:03,589 --> 00:07:00,639

big big big interview um

142

00:07:05,430 --> 00:07:03,599

yeah it it feels like it was longer ago

143

00:07:07,830 --> 00:07:05,440

already

144

00:07:08,870 --> 00:07:07,840

uh it is always i'm sorry yeah okay i

145

00:07:10,870 --> 00:07:08,880

was like man

146

00:07:11,990 --> 00:07:10,880

this phenomenon is really screwing with

147

00:07:15,110 --> 00:07:12,000

my time here

148

00:07:16,950 --> 00:07:15,120

yeah yeah yeah no but um yeah but it

149

00:07:19,990 --> 00:07:16,960

still feels like it was longer ago

150

00:07:21,589 --> 00:07:20,000

um i can say that in all my years of

151

00:07:25,270 --> 00:07:21,599

even like music

152

00:07:26,870 --> 00:07:25,280

which is a lot um like that's

153

00:07:28,790 --> 00:07:26,880

i could say that's the most amount of

154

00:07:30,870 --> 00:07:28,800

people that's

155

00:07:32,950 --> 00:07:30,880

watched anything i was really a part of

156

00:07:36,309 --> 00:07:32,960

or did you know

157

00:07:40,230 --> 00:07:36,319

um so so that was crazy and the whole

158

00:07:46,150 --> 00:07:43,350

and then lou comes in and i knew i

159

00:07:52,869 --> 00:07:49,830

i knew i wanted to deliver right um

160

00:07:53,909 --> 00:07:52,879

but and so there was some pressure but

161

00:07:57,029 --> 00:07:53,919

at the end of the day

162

00:07:57,670 --> 00:07:57,039

i just tried to turn the chat off and

163

00:08:00,070 --> 00:07:57,680

just

164

00:08:01,670 --> 00:08:00,080

be myself and be in the moment and

165

00:08:04,390 --> 00:08:01,680

that's what she saw

166

00:08:05,990 --> 00:08:04,400

um the question i asked about have you

167

00:08:07,909 --> 00:08:06,000

ever killed someone

168

00:08:09,510 --> 00:08:07,919

um i know that may have rubbed some

169

00:08:12,950 --> 00:08:09,520

people the wrong way

170

00:08:16,390 --> 00:08:12,960

and if you felt uncomfortable um

171

00:08:19,670 --> 00:08:16,400

you were supposed to feel uncomfortable

172

00:08:23,110 --> 00:08:19,680

and if you felt that pain

173

00:08:24,629 --> 00:08:23,120

and you saw that in lieu in that moment

174

00:08:27,990 --> 00:08:24,639

mission accomplished that's what you're

175

00:08:31,110 --> 00:08:28,000

supposed to do you're supposed to see

176

00:08:33,990 --> 00:08:31,120

that he is a human

177

00:08:35,990 --> 00:08:34,000

freaking being that still has more on

178

00:08:39,029 --> 00:08:36,000

his back than most of us

179

00:08:44,070 --> 00:08:39,039

yeah and on top of it he takes this on

180

00:08:49,590 --> 00:08:47,110

the guy is gone through a lot

181

00:08:50,389 --> 00:08:49,600

and keeps putting himself through a lot

182

00:08:53,829 --> 00:08:50,399

um

183

00:08:54,790 --> 00:08:53,839

for us you know so that was the point

184

00:08:57,829 --> 00:08:54,800

yeah

185

00:09:00,550 --> 00:08:57,839

um that was a it was a

186

00:09:02,150 --> 00:09:00,560

great conversation really great and i

187

00:09:04,150 --> 00:09:02,160

think people took it well

188

00:09:05,509 --> 00:09:04,160

the the interview and everything it

189

00:09:07,509 --> 00:09:05,519

seems like

190

00:09:09,509 --> 00:09:07,519

so that's fantastic my only hope is that

191

00:09:12,389 --> 00:09:09,519

some stick around

192

00:09:13,910 --> 00:09:12,399

you know to see all the other things

193

00:09:15,030 --> 00:09:13,920

going on too because there's so many

194

00:09:17,350 --> 00:09:15,040

great people

195

00:09:19,430 --> 00:09:17,360

in this community and lou of course is

196

00:09:20,829 --> 00:09:19,440

fantastic but he'll be the first to tell

197

00:09:25,509 --> 00:09:20,839

you

198

00:09:28,710 --> 00:09:25,519

we're all on a line together we're a

199

00:09:31,509 --> 00:09:28,720

team so he would want you to

200

00:09:32,230 --> 00:09:31,519

um lift up all those other people that i

201
00:09:33,990 --> 00:09:32,240
interviewed too

202
00:09:37,190 --> 00:09:34,000
that are talking and that you guys are

203
00:09:40,470 --> 00:09:37,200
interviewing absolutely

204
00:09:41,990 --> 00:09:40,480
yeah well well you know looking at your

205
00:09:43,910 --> 00:09:42,000
ratings my friend

206
00:09:45,910 --> 00:09:43,920
you the you know you did you did quite

207
00:09:48,389 --> 00:09:45,920
well people were very

208
00:09:50,070 --> 00:09:48,399
people were very very eager to see you

209
00:09:52,550 --> 00:09:50,080
do that interview and uh

210
00:09:53,670 --> 00:09:52,560
you know what for for my for me i'm very

211
00:09:56,150 --> 00:09:53,680
proud of you

212
00:09:57,509 --> 00:09:56,160
uh i think you did a great job i know

213
00:09:58,550 --> 00:09:57,519

you've been waiting for this this was

214

00:10:02,790 --> 00:09:58,560

your

215

00:10:06,069 --> 00:10:02,800

well done sir

216

00:10:09,030 --> 00:10:06,079

yeah i appreciate it yeah he's uh just

217

00:10:09,430 --> 00:10:09,040

i've always you know i've always fought

218

00:10:12,389 --> 00:10:09,440

just

219

00:10:14,470 --> 00:10:12,399

purely being on his side like i you know

220

00:10:18,550 --> 00:10:14,480

i want to have some

221

00:10:19,750 --> 00:10:18,560

um i want to oh sorry max i'm going to

222

00:10:23,350 --> 00:10:19,760

meet you

223

00:10:24,470 --> 00:10:23,360

i want to i want to always have

224

00:10:26,710 --> 00:10:24,480

you know i want to be in the middle i

225

00:10:28,310 --> 00:10:26,720

don't want to just really play sides or

226

00:10:30,069 --> 00:10:28,320

anything i want to observe everything

227

00:10:33,110 --> 00:10:30,079

the way it should be looked at

228

00:10:35,750 --> 00:10:33,120

and um with with lou

229

00:10:37,670 --> 00:10:35,760

it's more difficult for me to do that

230

00:10:40,230 --> 00:10:37,680

but i have to maintain that

231

00:10:41,269 --> 00:10:40,240

because the way he looks at just life in

232

00:10:43,910 --> 00:10:41,279

general

233

00:10:45,110 --> 00:10:43,920

there's a lot of things that i share

234

00:10:48,310 --> 00:10:45,120

with him there

235

00:10:51,590 --> 00:10:48,320

and so the way he talks is

236

00:10:53,110 --> 00:10:51,600

really just like my vibe like if i was

237

00:10:53,910 --> 00:10:53,120

his age and we were at a bar shooting

238

00:10:57,430 --> 00:10:53,920

pool

239

00:11:01,030 --> 00:10:57,440

we would be best friends probably yeah

240

00:11:03,030 --> 00:11:01,040

um so but in this position

241

00:11:04,150 --> 00:11:03,040

even though i wrote a song for the guy

242

00:11:06,630 --> 00:11:04,160

like it

243

00:11:08,389 --> 00:11:06,640

this interview wasn't about me you know

244

00:11:11,910 --> 00:11:08,399

so i had to play it

245

00:11:15,269 --> 00:11:11,920

um fair but positive

246

00:11:18,949 --> 00:11:15,279

because he deserves that respect

247

00:11:22,470 --> 00:11:18,959

yeah yeah well done

248

00:11:24,550 --> 00:11:22,480

and um you know uh

249

00:11:26,710 --> 00:11:24,560

what is your what is your where do you

250

00:11:30,790 --> 00:11:26,720

go for it from now

251
00:11:34,870 --> 00:11:32,550
well that's when i turn off my channel

252
00:11:37,190 --> 00:11:34,880
until um you know something big happens

253
00:11:40,310 --> 00:11:37,200
with him again and he comes back

254
00:11:42,470 --> 00:11:40,320
yeah i'm just kidding yeah yeah i've

255
00:11:46,470 --> 00:11:42,480
seen some people do stuff like this

256
00:11:49,750 --> 00:11:46,480
um i'm just i'm gonna keep going

257
00:11:53,190 --> 00:11:49,760
and keep trying to bring like a

258
00:11:55,430 --> 00:11:53,200
positive attitude to the situation

259
00:11:56,710 --> 00:11:55,440
but also you know at the same time be

260
00:11:59,829 --> 00:11:56,720
clear

261
00:12:04,069 --> 00:11:59,839
with what is not acceptable like

262
00:12:06,150 --> 00:12:04,079
with what is not acceptable um is not

263
00:12:07,110 --> 00:12:06,160

what i mean when i say you know come

264

00:12:10,550 --> 00:12:07,120

together and

265

00:12:12,629 --> 00:12:10,560

keep pushing forward um not acceptable i

266

00:12:15,030 --> 00:12:12,639

mean is like

267

00:12:15,990 --> 00:12:15,040

you know the extreme versions of grier

268

00:12:19,030 --> 00:12:16,000

you know

269

00:12:21,110 --> 00:12:19,040

yeah and and that has no place so

270

00:12:22,790 --> 00:12:21,120

i'll be direct with stuff like that when

271

00:12:23,190 --> 00:12:22,800

stuff crosses the line it crosses the

272

00:12:26,069 --> 00:12:23,200

line

273

00:12:26,470 --> 00:12:26,079

and and i have integrity you know so i

274

00:12:29,670 --> 00:12:26,480

can't

275

00:12:32,790 --> 00:12:29,680

stuff

276

00:12:36,069 --> 00:12:32,800

um when it messes with that integrity

277

00:12:37,350 --> 00:12:36,079

um it's really important to me so that i

278

00:12:38,870 --> 00:12:37,360

can sleep at night

279

00:12:40,949 --> 00:12:38,880

you know but i'm going to keep going

280

00:12:42,310 --> 00:12:40,959

forward and and hopefully do a bunch

281

00:12:44,949 --> 00:12:42,320

more with you guys and

282

00:12:45,990 --> 00:12:44,959

you know yeah yeah we can build up

283

00:12:49,110 --> 00:12:46,000

something together

284

00:12:49,590 --> 00:12:49,120

and uh really make this truly the first

285

00:12:54,470 --> 00:12:49,600

uh

286

00:12:59,509 --> 00:12:57,590

absolutely man yeah yeah

287

00:13:01,509 --> 00:12:59,519

yeah i like i like this little collab we

288

00:13:03,590 --> 00:13:01,519

have going on here you know uh yeah man

289

00:13:07,030 --> 00:13:03,600

it's very it's very international

290

00:13:09,750 --> 00:13:07,040

yeah yeah you know and i think

291

00:13:10,949 --> 00:13:09,760

this is the way it's supposed to be

292

00:13:12,790 --> 00:13:10,959

absolutely

293

00:13:13,990 --> 00:13:12,800

yeah i mean because you could look at it

294

00:13:17,509 --> 00:13:14,000

in a way as like uh

295

00:13:18,710 --> 00:13:17,519

one voice speaking to that many more

296

00:13:21,910 --> 00:13:18,720

people around the

297

00:13:23,269 --> 00:13:21,920

world versus just you know one place or

298

00:13:25,670 --> 00:13:23,279

another

299

00:13:27,110 --> 00:13:25,680

and i know you know that our voices

300

00:13:28,230 --> 00:13:27,120

together would be stronger than mine

301
00:13:30,310 --> 00:13:28,240
alone so

302
00:13:32,150 --> 00:13:30,320
absolutely man and i think also this is

303
00:13:33,990 --> 00:13:32,160
something we've been saying and

304
00:13:35,269 --> 00:13:34,000
and for everyone watching and who will

305
00:13:37,990 --> 00:13:35,279
watch this is we are

306
00:13:39,509 --> 00:13:38,000
we're going to start talking more behind

307
00:13:40,870 --> 00:13:39,519
the scenes so that our interviews don't

308
00:13:42,790 --> 00:13:40,880
overlap

309
00:13:44,310 --> 00:13:42,800
you know yeah because that's really

310
00:13:46,230 --> 00:13:44,320
important we don't want to be like

311
00:13:48,150 --> 00:13:46,240
making people choose who to go and watch

312
00:13:50,069 --> 00:13:48,160
or anything like that yeah yeah so maybe

313
00:13:51,829 --> 00:13:50,079

some of this is cool to to tell our

314

00:13:54,310 --> 00:13:51,839

audience that we uh

315

00:13:55,670 --> 00:13:54,320

we have the uh plan or the you know

316

00:13:59,910 --> 00:13:55,680

we're going to try

317

00:14:02,069 --> 00:13:59,920

to set up a broadcast consecutive

318

00:14:03,350 --> 00:14:02,079

right so and then we'll switch it up who

319

00:14:06,069 --> 00:14:03,360

goes first middle

320

00:14:06,710 --> 00:14:06,079

last but yeah yeah people you know you

321

00:14:09,910 --> 00:14:06,720

you get to

322

00:14:11,350 --> 00:14:09,920

you binge watch up stuff which is

323

00:14:13,829 --> 00:14:11,360

awesome

324

00:14:14,710 --> 00:14:13,839

yeah exactly man back to back to back

325

00:14:18,069 --> 00:14:14,720

yeah

326

00:14:19,910 --> 00:14:18,079

just don't put me in the middle hey

327

00:14:24,470 --> 00:14:19,920

we just switch it around everyone gets

328

00:14:31,750 --> 00:14:28,069

that is terrible wow um

329

00:14:34,150 --> 00:14:31,760

i'll say one thing to it um about like

330

00:14:34,870 --> 00:14:34,160

the week and the people i interviewed

331

00:14:38,550 --> 00:14:34,880

it's that

332

00:14:41,430 --> 00:14:38,560

um you know there are so many

333

00:14:42,710 --> 00:14:41,440

unique and fantastic people in this

334

00:14:45,430 --> 00:14:42,720

community

335

00:14:46,069 --> 00:14:45,440

um all the way from steve bassett like

336

00:14:48,069 --> 00:14:46,079

yeah

337

00:14:49,189 --> 00:14:48,079

that's another guy like i just felt like

338

00:14:52,150 --> 00:14:49,199

i could

339

00:14:53,509 --> 00:14:52,160

just hang out with for forever and just

340

00:14:57,189 --> 00:14:53,519

listen

341

00:15:00,230 --> 00:14:57,199

you know and and then um

342

00:15:00,550 --> 00:15:00,240

uh david marlar uh nick pope like those

343

00:15:03,110 --> 00:15:00,560

were

344

00:15:05,509 --> 00:15:03,120

all really great guests and then the uh

345

00:15:07,430 --> 00:15:05,519

mufon field investigator

346

00:15:09,030 --> 00:15:07,440

um he's a great guy i felt so bad

347

00:15:15,829 --> 00:15:09,040

because my internet went out at the end

348

00:15:20,470 --> 00:15:17,990

and then i picked it up on like my phone

349

00:15:24,069 --> 00:15:20,480

i was like hey guys

350

00:15:27,189 --> 00:15:24,079

sorry about that oh man but yeah

351
00:15:30,389 --> 00:15:27,199
and then on monday i had a great uh uh

352
00:15:33,590 --> 00:15:30,399
physicists you know super nice guy

353
00:15:35,430 --> 00:15:33,600
his big ideas is working hard for those

354
00:15:37,350 --> 00:15:35,440
it you know there's so many people out

355
00:15:39,990 --> 00:15:37,360
there yeah definitely

356
00:15:41,670 --> 00:15:40,000
the least i can do is show you guys that

357
00:15:44,949 --> 00:15:41,680
they exist

358
00:15:46,150 --> 00:15:44,959
of course some obviously you knew that

359
00:15:48,629 --> 00:15:46,160
already

360
00:15:49,670 --> 00:15:48,639
yeah yeah do you find as well when

361
00:15:52,949 --> 00:15:49,680
you're interviewing

362
00:15:54,550 --> 00:15:52,959
all these different people that you feel

363
00:15:55,829 --> 00:15:54,560

differently during each interview i mean

364

00:15:57,189 --> 00:15:55,839

like

365

00:15:59,030 --> 00:15:57,199

for example this week you know i was

366

00:16:00,230 --> 00:15:59,040

speaking to ryan sprague i

367

00:16:02,550 --> 00:16:00,240

felt like it was just two friends

368

00:16:05,509 --> 00:16:02,560

hanging out but then speaking to

369

00:16:05,910 --> 00:16:05,519

rich hoffman of the scu i'm like i've

370

00:16:10,550 --> 00:16:05,920

got

371

00:16:14,230 --> 00:16:12,310

strange how different you feel while

372

00:16:16,310 --> 00:16:14,240

you're in the middle of those interviews

373

00:16:17,509 --> 00:16:16,320

yeah i'm not used to it still that's for

374

00:16:20,629 --> 00:16:17,519

sure yeah

375

00:16:23,430 --> 00:16:20,639

it's um well i spent a lot of time

376

00:16:25,430 --> 00:16:23,440

in like um commercial roofing sales

377

00:16:27,670 --> 00:16:25,440

which i know it sounds like grunty but

378

00:16:28,550 --> 00:16:27,680

i'm actually dealing with uh executives

379

00:16:30,710 --> 00:16:28,560

and stuff and

380

00:16:31,990 --> 00:16:30,720

selling you know six figure roofs and

381

00:16:34,550 --> 00:16:32,000

whatever right

382

00:16:36,230 --> 00:16:34,560

and before that when i was 21 i was

383

00:16:40,550 --> 00:16:36,240

selling porsches which i had

384

00:16:43,189 --> 00:16:40,560

no business doing and i did and i did

385

00:16:44,389 --> 00:16:43,199

i did suck at it i didn't sell even one

386

00:16:47,749 --> 00:16:44,399

but i didn't work there

387

00:16:48,230 --> 00:16:47,759

and that was my job but you know i've

388

00:16:50,230 --> 00:16:48,240

always

389

00:16:51,590 --> 00:16:50,240

just done that stuff and then being on

390

00:16:54,069 --> 00:16:51,600

stage and all that so

391

00:16:56,310 --> 00:16:54,079

like i've really learned how to just um

392

00:16:59,509 --> 00:16:56,320

feed off the other person

393

00:17:02,230 --> 00:16:59,519

sure you know get a

394

00:17:06,870 --> 00:17:02,240

organic relationship and flow back and

395

00:17:12,069 --> 00:17:08,870

yeah by the way ryan's break that dude

396

00:17:15,909 --> 00:17:14,630

he's so nice yeah i guess i should tell

397

00:17:17,590 --> 00:17:15,919

you that

398

00:17:19,429 --> 00:17:17,600

he's coming on my show next week i'm

399

00:17:22,549 --> 00:17:19,439

winning perfect perfectly

400

00:17:26,870 --> 00:17:22,559

perfect now we've all had ryan too that

401
00:17:38,390 --> 00:17:28,850
you gotta stop talking like this

402
00:17:42,549 --> 00:17:41,110
yeah you don't know who that is huh well

403
00:17:45,430 --> 00:17:42,559
that's a great reaction

404
00:17:46,580 --> 00:17:45,440
thank you remind me like i announced

405
00:17:49,510 --> 00:17:46,590
something oh

406
00:17:53,270 --> 00:17:49,520
[Laughter]

407
00:17:57,029 --> 00:17:53,280
um yeah so i should apologize

408
00:18:00,630 --> 00:17:57,039
it's okay he is a super smart dude

409
00:18:03,029 --> 00:18:00,640
um and he'll be on

410
00:18:04,070 --> 00:18:03,039
yeah monday so you'll basically get to

411
00:18:06,549 --> 00:18:04,080
learn about him

412
00:18:08,470 --> 00:18:06,559
he's got a great uh youtube clip calling

413
00:18:11,510 --> 00:18:08,480

defying gravity

414

00:18:16,150 --> 00:18:13,990

derrick doherty asks i want to hear more

415

00:18:19,029 --> 00:18:16,160

letterman stories from sprague i

416

00:18:22,789 --> 00:18:19,039

what is that i want to know oh yeah he

417

00:18:22,799 --> 00:18:31,640

oh yeah i have ron james too whoa

418

00:18:31,650 --> 00:18:39,590

[Music]

419

00:18:43,350 --> 00:18:41,110

by the way me and vinnie we have nick

420

00:18:46,070 --> 00:18:43,360

pope uh next week too

421

00:18:49,029 --> 00:18:46,080

have we confirmed is that confirmed uh

422

00:18:57,590 --> 00:18:51,190

i wouldn't confirm it because now that i

423

00:19:01,270 --> 00:19:00,150

they're great guys yeah and i'm gonna

424

00:19:04,310 --> 00:19:01,280

have uh black vault

425

00:19:06,870 --> 00:19:04,320

uh anytime soon well annually yeah yeah

426

00:19:13,750 --> 00:19:06,880

oh nice wow he won't respond to me about

427

00:19:13,760 --> 00:19:22,390

[Music]

428

00:19:26,549 --> 00:19:24,230

i still keep getting replies from people

429

00:19:28,150 --> 00:19:26,559

though days after the fact you know that

430

00:19:29,669 --> 00:19:28,160

i've messaged them so i understand that

431

00:19:32,630 --> 00:19:29,679

people are busy and stuff

432

00:19:32,950 --> 00:19:32,640

worries again you know we're hustling

433

00:19:36,549 --> 00:19:32,960

too

434

00:19:39,750 --> 00:19:36,559

i mean you gotta remember that um

435

00:19:42,390 --> 00:19:39,760

well we're just stalkers yeah

436

00:19:43,909 --> 00:19:42,400

that you know where we have our vision

437

00:19:46,150 --> 00:19:43,919

and what we're trying to accomplish and

438

00:19:48,230 --> 00:19:46,160

everyone we talk to has theirs too going

439

00:19:51,350 --> 00:19:48,240

on simultaneously so

440

00:19:54,310 --> 00:19:51,360

you know it's just um nice one things

441

00:19:56,230 --> 00:19:54,320

mix well like that was my week last week

442

00:19:59,350 --> 00:19:56,240

every week's not gonna be

443

00:20:01,430 --> 00:19:59,360

um you know lou alexander

444

00:20:02,870 --> 00:20:01,440

no of course i mean i've got a quiet

445

00:20:04,950 --> 00:20:02,880

week next week i don't think i've got

446

00:20:06,870 --> 00:20:04,960

one interview lined up because

447

00:20:09,270 --> 00:20:06,880

i've got um i'm going on the new

448

00:20:10,870 --> 00:20:09,280

stranger times podcast which is

449

00:20:12,870 --> 00:20:10,880

one of the new ones which has just come

450

00:20:13,430 --> 00:20:12,880

out which jacob carson the guy that runs

451
00:20:14,549 --> 00:20:13,440
it

452
00:20:16,390 --> 00:20:14,559
i think he runs a whole bunch of

453
00:20:18,149 --> 00:20:16,400
podcasts but this is his one based on

454
00:20:18,789 --> 00:20:18,159
like uap he's had some great guests done

455
00:20:21,029 --> 00:20:18,799
already

456
00:20:22,950 --> 00:20:21,039
what was that what was that jacob carson

457
00:20:25,430 --> 00:20:22,960
who runs strange times podcast

458
00:20:27,029 --> 00:20:25,440
yeah yeah yeah yeah raise the belt yeah

459
00:20:28,149 --> 00:20:27,039
so we're going on that monday i don't

460
00:20:30,390 --> 00:20:28,159
know if it's live

461
00:20:31,430 --> 00:20:30,400
i forget if it's live or pre-recorded

462
00:20:33,190 --> 00:20:31,440
and that

463
00:20:34,950 --> 00:20:33,200

and then the week after i'm away on

464

00:20:36,549 --> 00:20:34,960

vacation with the family but then

465

00:20:38,149 --> 00:20:36,559

towards the end of the month i have a

466

00:20:39,110 --> 00:20:38,159

couple lined up let me just get my

467

00:20:40,870 --> 00:20:39,120

schedule up

468

00:20:41,990 --> 00:20:40,880

also when vinnie's waiting you know what

469

00:20:42,470 --> 00:20:42,000

you should have a lot of important

470

00:20:45,750 --> 00:20:42,480

people

471

00:20:46,870 --> 00:20:45,760

and scott brown too i totally forgot mr

472

00:20:48,710 --> 00:20:46,880

scott brown

473

00:20:49,909 --> 00:20:48,720

yeah i spoke to scott in a message we're

474

00:20:51,270 --> 00:20:49,919

going to arrange something

475

00:20:53,350 --> 00:20:51,280

for scott to come on i can't wait to

476

00:20:55,510 --> 00:20:53,360

speaking let's go little little me scott

477

00:20:59,510 --> 00:20:55,520

i'm so pissed because i wanted to bring

478

00:21:02,470 --> 00:20:59,520

up um um that uh brazil case

479

00:21:04,789 --> 00:21:02,480

to lou because we had talked about how

480

00:21:06,549 --> 00:21:04,799

atip investigated it

481

00:21:08,870 --> 00:21:06,559

and i was going to bring that up but see

482

00:21:09,750 --> 00:21:08,880

it's like i can go either two ways where

483

00:21:11,990 --> 00:21:09,760

i really

484

00:21:14,070 --> 00:21:12,000

like write down a bunch of questions and

485

00:21:17,750 --> 00:21:14,080

make sure i touch on everything

486

00:21:19,510 --> 00:21:17,760

or like just be in the flow and i

487

00:21:21,350 --> 00:21:19,520

realized just being in the flow makes

488

00:21:24,470 --> 00:21:21,360

for a better

489

00:21:26,470 --> 00:21:24,480

you know real talk but i still have a i

490

00:21:28,789 --> 00:21:26,480

still list a couple questions

491

00:21:29,590 --> 00:21:28,799

just in case or like one to start off

492

00:21:32,789 --> 00:21:29,600

with

493

00:21:33,350 --> 00:21:32,799

yeah you know but when i when i

494

00:21:36,470 --> 00:21:33,360

interview

495

00:21:37,510 --> 00:21:36,480

lou i i i write all my questions down

496

00:21:39,830 --> 00:21:37,520

like a school boy

497

00:21:41,909 --> 00:21:39,840

me too because i i don't want to miss

498

00:21:44,070 --> 00:21:41,919

any question you know

499

00:21:45,830 --> 00:21:44,080

it's just too important yeah definitely

500

00:21:47,029 --> 00:21:45,840

man mine took like two weeks of planning

501
00:21:49,190 --> 00:21:47,039
at least

502
00:21:50,630 --> 00:21:49,200
yeah they said it sounds crazy but it's

503
00:21:52,390 --> 00:21:50,640
you just don't know what to ask and

504
00:21:53,990 --> 00:21:52,400
stuff like that no no no look finn you

505
00:21:56,230 --> 00:21:54,000
did great man

506
00:21:58,390 --> 00:21:56,240
look what happened you know you blew up

507
00:21:59,669 --> 00:21:58,400
sean you blew up

508
00:22:01,990 --> 00:21:59,679
you know it's because you're a good

509
00:22:04,070 --> 00:22:02,000
interviewer you were prepared

510
00:22:06,230 --> 00:22:04,080
yeah i mean he's definitely interviewed

511
00:22:09,669 --> 00:22:06,240
with a lot of people

512
00:22:12,630 --> 00:22:09,679
they haven't got responses like that so

513
00:22:13,350 --> 00:22:12,640

you know whatever that means i'm

514

00:22:16,789 --> 00:22:13,360

grateful

515

00:22:19,430 --> 00:22:16,799

but i think uh

516

00:22:20,070 --> 00:22:19,440

vinnie you don't go into something uh

517

00:22:23,029 --> 00:22:20,080

like

518

00:22:23,909 --> 00:22:23,039

one foot in or one foot out you go in

519

00:22:27,110 --> 00:22:23,919

you're in

520

00:22:29,510 --> 00:22:27,120

you jump deep yeah a person like you

521

00:22:30,789 --> 00:22:29,520

does that you're just gonna succeed

522

00:22:33,669 --> 00:22:30,799

that's just how it goes

523

00:22:35,110 --> 00:22:33,679

you know you know hopefully i mean again

524

00:22:36,549 --> 00:22:35,120

it's not really about me but it is about

525

00:22:38,950 --> 00:22:36,559

getting the message across and

526

00:22:41,110 --> 00:22:38,960

having all these people on to to give

527

00:22:43,750 --> 00:22:41,120

their story their information

528

00:22:45,510 --> 00:22:43,760

yeah of course um so i'm just gonna

529

00:22:47,110 --> 00:22:45,520

announce my couple that i have confirmed

530

00:22:50,070 --> 00:22:47,120

so on the 23rd

531

00:22:50,870 --> 00:22:50,080

of this month i've got uh gary voorhees

532

00:22:53,990 --> 00:22:50,880

um

533

00:22:56,870 --> 00:22:54,000

lined up he's a cool guy super cool

534

00:22:59,270 --> 00:22:56,880

guy and then on the 26th i'm having a

535

00:23:01,110 --> 00:22:59,280

little bit of a uap media uk

536

00:23:03,350 --> 00:23:01,120

panel so i've got dave partridge from

537

00:23:04,230 --> 00:23:03,360

shadows of your mind i've got mr graham

538

00:23:07,350 --> 00:23:04,240

rendell

539

00:23:11,190 --> 00:23:07,360

and hopefully um the signal dan will be

540

00:23:14,950 --> 00:23:12,950

hey man that should be on the max and

541

00:23:17,110 --> 00:23:14,960

vinnie's uap show uk

542

00:23:18,549 --> 00:23:17,120

yeah welcome hey frick dude i'm sure

543

00:23:24,950 --> 00:23:18,559

they'll come on that as well man

544

00:23:30,870 --> 00:23:28,149

scratching you that's awesome graham

545

00:23:31,430 --> 00:23:30,880

oh man i've had him a couple times he is

546

00:23:41,909 --> 00:23:31,440

a

547

00:23:45,269 --> 00:23:41,919

vinnie

548

00:23:45,909 --> 00:23:45,279

shall we shall we tell him about our

549

00:23:50,950 --> 00:23:45,919

italian

550

00:23:54,230 --> 00:23:50,960

uh evening let's do it man you have to

551
00:23:54,950 --> 00:23:54,240
go through it so sean if you don't mind

552
00:23:59,190 --> 00:23:54,960
um

553
00:24:02,149 --> 00:23:59,200
next week on tuesday

554
00:24:02,950 --> 00:24:02,159
right or no sunday tomorrow it's

555
00:24:06,149 --> 00:24:02,960
tomorrow

556
00:24:09,750 --> 00:24:06,159
mixed up now

557
00:24:12,870 --> 00:24:09,760
me too so tomorrow uh we're gonna do

558
00:24:14,870 --> 00:24:12,880
an italian uh edition italian uab

559
00:24:17,110 --> 00:24:14,880
edition we're gonna have on

560
00:24:18,549 --> 00:24:17,120
our american sicilian friend michael

561
00:24:21,909 --> 00:24:18,559
mataloni

562
00:24:25,269 --> 00:24:21,919
and we're going to have on a bonafide

563
00:24:29,430 --> 00:24:25,279

ufologist from italy who writes books

564

00:24:33,029 --> 00:24:29,440

on italian cases and his name is cesare

565

00:24:36,310 --> 00:24:33,039

valokki and

566

00:24:38,789 --> 00:24:36,320

it's a ufo cesare yeah yeah and he's

567

00:24:41,590 --> 00:24:38,799

actually really

568

00:24:42,870 --> 00:24:41,600

specialized on the mussolini uap case

569

00:24:45,430 --> 00:24:42,880

and

570

00:24:46,310 --> 00:24:45,440

you know i'm very interested in that one

571

00:24:48,070 --> 00:24:46,320

it's gonna be good

572

00:24:50,950 --> 00:24:48,080

we tried to tie it in because obviously

573

00:24:53,669 --> 00:24:50,960

it's the england italy euro 2020

574

00:24:56,070 --> 00:24:53,679

final tomorrow so we're doing this

575

00:24:58,549 --> 00:24:56,080

tomorrow before the football starts so

576

00:25:00,149 --> 00:24:58,559

um yeah we just thought we'd do a little

577

00:25:02,600 --> 00:25:00,159

italian thing

578

00:25:05,269 --> 00:25:02,610

you know so yeah um

579

00:25:07,830 --> 00:25:05,279

[Music]

580

00:25:08,390 --> 00:25:07,840

i'm gonna go to italy for sure oh it's

581

00:25:12,950 --> 00:25:08,400

the best

582

00:25:14,870 --> 00:25:12,960

the food man

583

00:25:16,390 --> 00:25:14,880

yeah sorry i can i can talk about that

584

00:25:18,230 --> 00:25:16,400

food forever

585

00:25:19,750 --> 00:25:18,240

well we should one day have like a

586

00:25:22,070 --> 00:25:19,760

meet-up in a country

587

00:25:22,870 --> 00:25:22,080

none of us live in maybe that could be

588

00:25:26,070 --> 00:25:22,880

it

589

00:25:28,470 --> 00:25:26,080

oh yeah man let's go to palau

590

00:25:29,750 --> 00:25:28,480

no it's like they have to be somewhere i

591

00:25:32,630 --> 00:25:29,760

don't know maybe like

592

00:25:34,230 --> 00:25:32,640

portuguese ice iceland or somewhere oh

593

00:25:36,950 --> 00:25:34,240

oh i would love that actually

594

00:25:37,269 --> 00:25:36,960

i'd love to go there yeah yeah yeah if i

595

00:25:41,430 --> 00:25:37,279

wanted

596

00:25:43,590 --> 00:25:41,440

to go and i have to go because

597

00:25:44,470 --> 00:25:43,600

do you know uh the the inhabitants of

598

00:25:49,909 --> 00:25:44,480

iceland they

599

00:25:53,830 --> 00:25:53,029

that is yeah it's pretty inbred they all

600

00:25:57,190 --> 00:25:53,840

got like 12

601
00:25:59,750 --> 00:25:57,200
hours and stuff

602
00:26:03,430 --> 00:25:59,760
uh max any news on the old eastern

603
00:26:10,549 --> 00:26:06,549
sorry any news on an old

604
00:26:14,470 --> 00:26:10,559
eastern europe black and white video

605
00:26:20,230 --> 00:26:14,480
no no no fortunately not

606
00:26:24,870 --> 00:26:24,070
ron james uh had to move on uh ryan

607
00:26:26,870 --> 00:26:24,880
spriggs

608
00:26:28,710 --> 00:26:26,880
and nick cook next week that's gonna be

609
00:26:30,789 --> 00:26:28,720
good man and

610
00:26:33,430 --> 00:26:30,799
you know i'll probably be talking to you

611
00:26:37,190 --> 00:26:33,440
guys at some point next week and

612
00:26:38,950 --> 00:26:37,200
yeah hopefully i'll bring on some yeah

613
00:26:40,630 --> 00:26:38,960

other people so yeah it's going to be

614

00:26:44,870 --> 00:26:40,640

great but i can't

615

00:26:46,789 --> 00:26:44,880

honestly i need a br i do need a break

616

00:26:48,230 --> 00:26:46,799

that's why i'm i'm having i want to

617

00:26:50,390 --> 00:26:48,240

quiet a couple of weeks

618

00:26:51,430 --> 00:26:50,400

well i just want to make a bunch of like

619

00:26:54,870 --> 00:26:51,440

creative stuff

620

00:26:56,470 --> 00:26:54,880

for this you know yeah so taking like a

621

00:26:58,789 --> 00:26:56,480

day or two off

622

00:27:00,549 --> 00:26:58,799

and so i can just work on all that stuff

623

00:27:02,070 --> 00:27:00,559

and then want to back at it just have a

624

00:27:03,830 --> 00:27:02,080

bunch to choose from

625

00:27:05,909 --> 00:27:03,840

versus like making it on the fly and

626

00:27:08,710 --> 00:27:05,919

whatever so

627

00:27:09,029 --> 00:27:08,720

that's great man yeah you guys are just

628

00:27:11,750 --> 00:27:09,039

so

629

00:27:12,390 --> 00:27:11,760

damn productive both the both of you

630

00:27:15,669 --> 00:27:12,400

you're with like

631

00:27:19,029 --> 00:27:15,679

like four or five podcasts a week

632

00:27:20,870 --> 00:27:19,039

yeah yeah but that's gonna be every week

633

00:27:22,389 --> 00:27:20,880

you man to pace yourself man i know i

634

00:27:23,669 --> 00:27:22,399

feel the pressure as well like i just

635

00:27:25,830 --> 00:27:23,679

sometimes just

636

00:27:27,430 --> 00:27:25,840

i have to really psych myself up for it

637

00:27:30,630 --> 00:27:27,440

as well but what would help

638

00:27:31,190 --> 00:27:30,640

is if you force yourself to do an hour

639

00:27:34,870 --> 00:27:31,200

or so

640

00:27:37,990 --> 00:27:34,880

just by yourself you know

641

00:27:41,029 --> 00:27:38,000

because after a while you'll learn

642

00:27:43,350 --> 00:27:41,039

like well hopefully we learn

643

00:27:44,710 --> 00:27:43,360

like how to keep that up and be

644

00:27:46,870 --> 00:27:44,720

comfortable with it

645

00:27:48,789 --> 00:27:46,880

you know and once that happens there's

646

00:27:50,630 --> 00:27:48,799

not as much pressure

647

00:27:52,149 --> 00:27:50,640

if you have a day without a guest

648

00:27:52,710 --> 00:27:52,159

because you're confident that you can

649

00:27:54,870 --> 00:27:52,720

fill that

650

00:27:56,470 --> 00:27:54,880

hour with you know things whether it's

651
00:27:59,430 --> 00:27:56,480
the latest news

652
00:28:01,510 --> 00:27:59,440
yeah or you know a video that came out

653
00:28:04,870 --> 00:28:01,520
or you know i tried to do trivia

654
00:28:05,830 --> 00:28:04,880
that kind of bombed but i tend to do

655
00:28:08,870 --> 00:28:05,840
that

656
00:28:10,710 --> 00:28:08,880
instagram live

657
00:28:12,389 --> 00:28:10,720
i mean i was on last night after my

658
00:28:14,789 --> 00:28:12,399
interview um i must have been on

659
00:28:18,630 --> 00:28:14,799
instagram live for about two hours

660
00:28:20,149 --> 00:28:18,640
i andy from nyuap discussion join me and

661
00:28:21,990 --> 00:28:20,159
then we were just letting people in the

662
00:28:23,430 --> 00:28:22,000
chat just jump on and talk and it was it

663
00:28:24,870 --> 00:28:23,440

was really good man

664

00:28:28,070 --> 00:28:24,880

yeah i keep forgetting you're doing that

665

00:28:31,669 --> 00:28:28,080

but um yeah whatever

666

00:28:33,510 --> 00:28:31,679

andy is so cool yeah that guy i i i i

667

00:28:35,750 --> 00:28:33,520

need to speak with him on my podcast if

668

00:28:38,950 --> 00:28:35,760

you don't mind

669

00:28:41,110 --> 00:28:38,960

him yeah i would i will yeah yeah yeah

670

00:28:43,510 --> 00:28:41,120

that's a great idea

671

00:28:44,549 --> 00:28:43,520

and by the way vin you need to explain

672

00:28:47,190 --> 00:28:44,559

to me how you

673

00:28:47,590 --> 00:28:47,200

blow up your instagram like you did i

674

00:28:53,110 --> 00:28:47,600

need

675

00:28:56,230 --> 00:28:53,120

bro i really don't know a secret

676
00:28:59,430 --> 00:28:56,240
he probably made one promotional ad

677
00:29:00,149 --> 00:28:59,440
of like just his body from going like

678
00:29:02,470 --> 00:29:00,159
this

679
00:29:04,070 --> 00:29:02,480
and ran it straight for like a month

680
00:29:06,870 --> 00:29:04,080
until he got the followers

681
00:29:07,510 --> 00:29:06,880
and then he changed it all the uav no

682
00:29:11,029 --> 00:29:07,520
man

683
00:29:13,590 --> 00:29:11,039
it was a completely organic like

684
00:29:14,149 --> 00:29:13,600
rise let's say i don't know man it's

685
00:29:16,230 --> 00:29:14,159
great

686
00:29:17,590 --> 00:29:16,240
it still baffles me to this day because

687
00:29:21,110 --> 00:29:17,600
you know

688
00:29:22,789 --> 00:29:21,120

i look at the january the first um i had

689

00:29:25,029 --> 00:29:22,799

i think i hit a thousand at the start of

690

00:29:27,669 --> 00:29:25,039

january 1000 followers

691

00:29:28,950 --> 00:29:27,679

i'm so if you'd have told me what six

692

00:29:30,230 --> 00:29:28,960

seven months down the line i'd be at

693

00:29:33,269 --> 00:29:30,240

this position i'd have said

694

00:29:34,789 --> 00:29:33,279

man don't be stupid yeah well just go to

695

00:29:36,149 --> 00:29:34,799

see sure you gotta have confidence

696

00:29:38,230 --> 00:29:36,159

you're a great dude

697

00:29:39,909 --> 00:29:38,240

thanks man that wouldn't happen with if

698

00:29:43,830 --> 00:29:39,919

if you're a p.o.s

699

00:29:45,029 --> 00:29:43,840

bro i try not to be i have my moments

700

00:29:48,070 --> 00:29:45,039

i'm sure

701
00:29:49,029 --> 00:29:48,080
yeah well we all do yeah max is outside

702
00:29:50,789 --> 00:29:49,039
smoking

703
00:29:52,830 --> 00:29:50,799
max make me jealous i want to stay

704
00:29:55,590 --> 00:29:52,840
outside in amsterdam

705
00:29:57,110 --> 00:29:55,600
yes

706
00:29:58,950 --> 00:29:57,120
i can't wait till we can get the

707
00:30:04,389 --> 00:29:58,960
teleport thing going on

708
00:30:09,190 --> 00:30:07,510
and that looks uh pretty great yeah

709
00:30:11,510 --> 00:30:09,200
it's fun it's actually raining i'm under

710
00:30:13,590 --> 00:30:11,520
this uh hoodie thing

711
00:30:15,029 --> 00:30:13,600
yeah yeah what do you think of the

712
00:30:18,310 --> 00:30:15,039
sheehan stuff

713
00:30:20,789 --> 00:30:18,320

and the letter that he

714

00:30:22,070 --> 00:30:20,799

i thought i thought that was such a

715

00:30:24,070 --> 00:30:22,080

great move you know

716

00:30:26,070 --> 00:30:24,080

yeah he just took out all doubts you

717

00:30:29,990 --> 00:30:26,080

know that he had like this

718

00:30:34,549 --> 00:30:30,000

uh you know uh how do you say the string

719

00:30:36,630 --> 00:30:34,559

you know my english is gone

720

00:30:37,590 --> 00:30:36,640

you know that he has a multiple balls in

721

00:30:39,350 --> 00:30:37,600

the air

722

00:30:41,029 --> 00:30:39,360

you know working for grier working for

723

00:30:44,470 --> 00:30:41,039

elizondo but this

724

00:30:49,430 --> 00:30:47,990

um it was needed yeah yeah yeah now he

725

00:30:50,070 --> 00:30:49,440

really stepped in front of lou i love

726

00:30:53,430 --> 00:30:50,080

that

727

00:30:56,389 --> 00:30:53,440

yeah some people well on um

728

00:30:57,190 --> 00:30:56,399

some people were saying uh that he could

729

00:30:59,909 --> 00:30:57,200

have

730

00:31:00,630 --> 00:30:59,919

announced he's not working with greer

731

00:31:03,750 --> 00:31:00,640

anymore

732

00:31:05,430 --> 00:31:03,760

or he could have did it before the

733

00:31:08,870 --> 00:31:05,440

documentary came out

734

00:31:11,750 --> 00:31:08,880

or you know so the people taking

735

00:31:12,230 --> 00:31:11,760

things away from it in that direction

736

00:31:15,750 --> 00:31:12,240

that's

737

00:31:18,789 --> 00:31:15,760

happening with people in this community

738

00:31:22,549 --> 00:31:18,799

nonetheless somehow but

739

00:31:24,470 --> 00:31:22,559

i mean it's like you we don't know and

740

00:31:27,750 --> 00:31:24,480

we can't guess the circumstances

741

00:31:33,430 --> 00:31:27,760

which surround him doing that

742

00:31:36,230 --> 00:31:33,440

the point is he did it yeah

743

00:31:37,509 --> 00:31:36,240

it boggles the mind i don't know yeah i

744

00:31:39,110 --> 00:31:37,519

don't know how he

745

00:31:40,789 --> 00:31:39,120

gets up every morning thinking that he's

746

00:31:41,590 --> 00:31:40,799

doing something good when he's clearly

747

00:31:45,029 --> 00:31:41,600

not

748

00:31:50,549 --> 00:31:45,039

yeah yeah and other people are kind of

749

00:31:54,870 --> 00:31:52,549

i have mixed feelings about that guy you

750

00:31:56,630 --> 00:31:54,880

know yeah i think most people do because

751
00:31:57,509 --> 00:31:56,640
he did so much good work back in the day

752
00:32:00,149 --> 00:31:57,519
you know right

753
00:32:01,750 --> 00:32:00,159
yeah you know you can't take that away

754
00:32:02,470 --> 00:32:01,760
from him but he turned it into a

755
00:32:06,070 --> 00:32:02,480
religion

756
00:32:08,230 --> 00:32:06,080
basically yeah yeah but now he's

757
00:32:10,389 --> 00:32:08,240
you know basically saying that most of

758
00:32:13,990 --> 00:32:10,399
what we observe is human-made

759
00:32:16,549 --> 00:32:14,000
yeah where do you base

760
00:32:17,190 --> 00:32:16,559
where do you base it on you know yeah

761
00:32:19,750 --> 00:32:17,200
well

762
00:32:20,789 --> 00:32:19,760
for one you got to think about this

763
00:32:24,149 --> 00:32:20,799

let's say

764

00:32:26,070 --> 00:32:24,159

a disclosure happened right um

765

00:32:28,389 --> 00:32:26,080

you know even the cliché one that we all

766

00:32:30,549 --> 00:32:28,399

talk about white house lawn or whatever

767

00:32:32,230 --> 00:32:30,559

what what happens in the aftermath of

768

00:32:35,990 --> 00:32:32,240

that the first thing

769

00:32:40,310 --> 00:32:36,000

is uh greer has to find a new

770

00:32:44,230 --> 00:32:40,320

occupation you know like his business is

771

00:32:46,630 --> 00:32:44,240

over like and a lot of people's would be

772

00:32:49,029 --> 00:32:46,640

maybe at that time hey i have an idea

773

00:32:50,870 --> 00:32:49,039

why does it want that to happen

774

00:32:53,110 --> 00:32:50,880

hey why don't the three of us interview

775

00:32:55,990 --> 00:32:53,120

grier i'd love to

776

00:32:57,909 --> 00:32:56,000

yeah totally do it work your magic

777

00:32:59,990 --> 00:32:57,919

whoever gets hold of him first

778

00:33:01,909 --> 00:33:00,000

we'll all try yeah then again i'd love

779

00:33:05,590 --> 00:33:01,919

to interview danny sheehan as well

780

00:33:11,509 --> 00:33:05,600

right yes yes

781

00:33:13,110 --> 00:33:11,519

definitely put it out there internet

782

00:33:14,549 --> 00:33:13,120

but coming from a lawyer family is

783

00:33:18,549 --> 00:33:14,559

probably not going to do that

784

00:33:20,149 --> 00:33:18,559

yeah you just talk a lot though

785

00:33:21,750 --> 00:33:20,159

yeah that's what lawyers do they love to

786

00:33:23,350 --> 00:33:21,760

talk a lot but they talk

787

00:33:27,190 --> 00:33:23,360

you know they're very selective in what

788

00:33:30,549 --> 00:33:29,110

yeah yeah yeah no you didn't answer that

789

00:33:33,190 --> 00:33:30,559

oh good you can't give me the switch

790

00:33:35,430 --> 00:33:33,200

through here mr shield

791

00:33:36,470 --> 00:33:35,440

yeah that's what i asked yeah let's do

792

00:33:41,269 --> 00:33:36,480

it in black and white

793

00:33:45,669 --> 00:33:43,110

mr sheehan you're gonna speak up now

794

00:33:49,590 --> 00:33:45,679

yeah yeah exactly

795

00:33:51,830 --> 00:33:49,600

interrogation light that was so cool

796

00:33:53,750 --> 00:33:51,840

yeah that would be great but you know

797

00:33:55,350 --> 00:33:53,760

it's a busy time too and they have their

798

00:33:58,230 --> 00:33:55,360

things they're doing so

799

00:33:59,110 --> 00:33:58,240

all we can do is try but is what it is

800

00:34:02,230 --> 00:33:59,120

at that point

801
00:34:04,149 --> 00:34:02,240
yeah absolutely so matt did you tell us

802
00:34:06,630 --> 00:34:04,159
what you've got lined up

803
00:34:08,550 --> 00:34:06,640
probably not yeah yeah yeah so uh we

804
00:34:12,710 --> 00:34:08,560
were told about our italian uh

805
00:34:14,710 --> 00:34:12,720
uh adventure uh tomorrow uh

806
00:34:16,069 --> 00:34:14,720
yeah yeah i'm excited for that and uh

807
00:34:18,069 --> 00:34:16,079
you know uh black vault

808
00:34:19,430 --> 00:34:18,079
coming up oh you did say yeah yeah yeah

809
00:34:21,750 --> 00:34:19,440
yeah and uh well

810
00:34:22,629 --> 00:34:21,760
you know uh there's two dates with nick

811
00:34:25,750 --> 00:34:22,639
pope and

812
00:34:27,109 --> 00:34:25,760
we have to choose one so it is confirmed

813
00:34:27,750 --> 00:34:27,119

we're gonna have an interview with him

814

00:34:36,230 --> 00:34:27,760

but

815

00:34:40,389 --> 00:34:38,790

so uh and there was something else was

816

00:34:42,310 --> 00:34:40,399

there something more i'm i'm gonna think

817

00:34:44,069 --> 00:34:42,320

about that there there's something more

818

00:34:45,510 --> 00:34:44,079

no worries but listen max make sure you

819

00:34:47,349 --> 00:34:45,520

send me over those two dates for nick

820

00:34:47,990 --> 00:34:47,359

popes i need to make sure i book it in

821

00:34:49,589 --> 00:34:48,000

because i've

822

00:34:50,869 --> 00:34:49,599

like i said i've got this week is pretty

823

00:34:52,310 --> 00:34:50,879

quiet but then the week after i'm away

824

00:34:55,109 --> 00:34:52,320

on vacation so

825

00:34:56,950 --> 00:34:55,119

yeah it's either the 13th or the 15th

826

00:34:58,710 --> 00:34:56,960

13th or the 15th

827

00:35:00,870 --> 00:34:58,720

is just doing your business on my show

828

00:35:03,030 --> 00:35:00,880

now yeah hey

829

00:35:04,069 --> 00:35:03,040

matt for max vinnie's uap show and

830

00:35:06,310 --> 00:35:04,079

you're the co-host

831

00:35:07,510 --> 00:35:06,320

so you're a part you're a part of it so

832

00:35:07,910 --> 00:35:07,520

you've got to get that name in there

833

00:35:10,710 --> 00:35:07,920

then

834

00:35:11,910 --> 00:35:10,720

oh no it is it's uh the s is

835

00:35:14,630 --> 00:35:11,920

representative of me and

836

00:35:16,069 --> 00:35:14,640

max's well you know you make you make a

837

00:35:17,750 --> 00:35:16,079

great point there sean maybe

838

00:35:19,510 --> 00:35:17,760

maybe you should be in there you know

839

00:35:22,550 --> 00:35:19,520

maybe we yeah maybe we

840

00:35:27,190 --> 00:35:22,560

rebrand it already envy yeah the

841

00:35:30,710 --> 00:35:27,200

three musketeers mvp yeah

842

00:35:32,550 --> 00:35:30,720

mvs right yeah well we'll come up with

843

00:35:34,550 --> 00:35:32,560

something maybe uh

844

00:35:36,230 --> 00:35:34,560

i still think we should do ufos and hoes

845

00:35:37,750 --> 00:35:36,240

but that's just me yeah no you don't

846

00:35:40,150 --> 00:35:37,760

have to cheat

847

00:35:41,829 --> 00:35:40,160

no no i think it's a great idea it's

848

00:35:43,430 --> 00:35:41,839

such a new thing we're kind of learning

849

00:35:45,190 --> 00:35:43,440

as we go with that channel what it

850

00:35:47,190 --> 00:35:45,200

is when we know what it we want it to be

851

00:35:48,710 --> 00:35:47,200

with the european cases but

852

00:35:50,150 --> 00:35:48,720

i mean we literally threw the names out

853

00:35:51,670 --> 00:35:50,160

there really quick and just rolled with

854

00:35:54,390 --> 00:35:51,680

it even the graphics were thrown up

855

00:35:56,069 --> 00:35:54,400

really quickly as well we could really

856

00:35:57,510 --> 00:35:56,079

now is the time to change it i think

857

00:35:59,430 --> 00:35:57,520

that's a great idea

858

00:36:00,550 --> 00:35:59,440

yeah let's do that let's do that yeah it

859

00:36:03,990 --> 00:36:00,560

is pretty funny uh

860

00:36:07,190 --> 00:36:04,000

when um the video starts and you guys go

861

00:36:11,349 --> 00:36:07,200

hey it's max and vinnie's uab

862

00:36:14,390 --> 00:36:11,359

show yeah that's gonna get real tired

863

00:36:17,430 --> 00:36:16,550

no but it puts a smile on my face you

864

00:36:27,670 --> 00:36:17,440

know

865

00:36:29,030 --> 00:36:27,680

look at that comment there ufos and bros

866

00:36:35,510 --> 00:36:29,040

oh that's not a bro

867

00:36:40,069 --> 00:36:38,870

abraham no i think you know when we do

868

00:36:43,190 --> 00:36:40,079

the three of us you know

869

00:36:44,790 --> 00:36:43,200

like all of our screens should pop up uh

870

00:36:47,270 --> 00:36:44,800

right after each other and be like i'm

871

00:36:48,060 --> 00:36:47,280

max i'm sean i'm winning i'm not doing

872

00:36:52,069 --> 00:36:48,070

that crap

873

00:36:54,069 --> 00:36:52,079

[Laughter]

874

00:36:56,790 --> 00:36:54,079

uh yeah you guys can do it and then

875

00:37:01,430 --> 00:36:56,800

bring me in like a sit down

876

00:37:04,630 --> 00:37:01,440

yeah i'm too serious i gotta loosen up

877

00:37:08,230 --> 00:37:04,640

you're not serious at all sean rash

878

00:37:09,829 --> 00:37:08,240

yeah all right oh well you guys do what

879

00:37:12,950 --> 00:37:09,839

you want i'll probably just do something

880

00:37:15,030 --> 00:37:12,960

funny every time and different

881

00:37:16,230 --> 00:37:15,040

once it comes once it comes to sean i'll

882

00:37:20,829 --> 00:37:16,240

get it bring out the python

883

00:37:26,710 --> 00:37:22,230

python

884

00:37:29,910 --> 00:37:26,720

oh yeah i'm not gonna do that

885

00:37:33,589 --> 00:37:29,920

that's not good i would not do that and

886

00:37:36,630 --> 00:37:33,599

respectfully please don't ask

887

00:37:38,630 --> 00:37:36,640

and now there is a break with a

888

00:37:43,670 --> 00:37:38,640

mind performance by sean rush

889

00:37:46,150 --> 00:37:43,680

[Laughter]

890

00:37:47,190 --> 00:37:46,160

no i can't do this i like your

891

00:37:52,710 --> 00:37:47,200

seriousness

892

00:37:54,230 --> 00:37:52,720

oh thanks i'm pretty i try to be

893

00:37:57,510 --> 00:37:54,240

the right thing at the right time you

894

00:37:58,870 --> 00:37:57,520

know yeah no that's it man because

895

00:37:59,990 --> 00:37:58,880

i think we all need to be serious

896

00:38:01,430 --> 00:38:00,000

because we're putting out serious

897

00:38:03,270 --> 00:38:01,440

information but then again

898

00:38:05,030 --> 00:38:03,280

every now and again you've got to

899

00:38:06,550 --> 00:38:05,040

lighten up a tiny bit for this

900

00:38:08,630 --> 00:38:06,560

yeah because we are only human and i

901
00:38:10,470 --> 00:38:08,640
think i think even the guests that we

902
00:38:11,670 --> 00:38:10,480
have on feel that way sometimes as well

903
00:38:13,030 --> 00:38:11,680
so we want to make them feel like

904
00:38:14,870 --> 00:38:13,040
they're not just here to just

905
00:38:16,550 --> 00:38:14,880
bang out really hardcore serious

906
00:38:19,109 --> 00:38:16,560
information all the time

907
00:38:19,829 --> 00:38:19,119
exactly it's just vibe because it just

908
00:38:22,390 --> 00:38:19,839
shows that

909
00:38:23,190 --> 00:38:22,400
um you're not there for just the

910
00:38:25,030 --> 00:38:23,200
interview

911
00:38:27,589 --> 00:38:25,040
you actually care about the person

912
00:38:29,109 --> 00:38:27,599
exactly yeah and by the way people like

913
00:38:30,550 --> 00:38:29,119

it when it's a bit loosey-goosey

914

00:38:32,950 --> 00:38:30,560

you know i get a lot of comments when my

915

00:38:37,270 --> 00:38:32,960

son just pops up you know yeah

916

00:38:38,790 --> 00:38:37,280

because he doesn't care no yeah yeah

917

00:38:40,550 --> 00:38:38,800

he just wants something for me you know

918

00:38:42,150 --> 00:38:40,560

but i'm working yeah

919

00:38:43,910 --> 00:38:42,160

actually but actually people really like

920

00:38:46,150 --> 00:38:43,920

that it makes us human beings and

921

00:38:47,430 --> 00:38:46,160

you know but we're still trying to cover

922

00:38:50,950 --> 00:38:47,440

this very seriously

923

00:38:54,230 --> 00:38:50,960

of course definitely yep um

924

00:38:56,150 --> 00:38:54,240

yeah it's just learning to

925

00:38:57,829 --> 00:38:56,160

yeah find the growth and what's

926

00:39:02,550 --> 00:38:57,839

elsewhere you know

927

00:39:06,230 --> 00:39:02,560

and but a lot of that is uh trusting

928

00:39:09,030 --> 00:39:06,240

trusting yourself in the the process so

929

00:39:09,670 --> 00:39:09,040

i think it was with louis ximenez uh my

930

00:39:12,710 --> 00:39:09,680

son

931

00:39:13,510 --> 00:39:12,720

uh came in and uh asked me to go to the

932

00:39:17,750 --> 00:39:13,520

bathroom

933

00:39:18,230 --> 00:39:17,760

like a 20-minute [\h__\h] and i didn't even

934

00:39:21,430 --> 00:39:18,240

know

935

00:39:22,470 --> 00:39:21,440

oh my god and then i just after 20

936

00:39:25,670 --> 00:39:22,480

minutes i hear the

937

00:39:28,790 --> 00:39:25,680

the toilet flush and he wasn't

938

00:39:31,109 --> 00:39:28,800

in his bed you know yeah it was like

939

00:39:34,550 --> 00:39:31,119

once people start talking about poop we

940

00:39:38,390 --> 00:39:36,950

oh that was funny though um but because

941

00:39:39,829 --> 00:39:38,400

i could relate to that

942

00:39:41,430 --> 00:39:39,839

i just wanted to talk about our

943

00:39:42,870 --> 00:39:41,440

schedules and kind of touch base would

944

00:39:45,589 --> 00:39:42,880

be kind of neat if we did this

945

00:39:47,349 --> 00:39:45,599

periodically you know and yeah um people

946

00:39:48,870 --> 00:39:47,359

don't have to watch but we can catch up

947

00:39:50,710 --> 00:39:48,880

with each other

948

00:39:52,069 --> 00:39:50,720

yeah let's alternate our stuff each of

949

00:39:52,790 --> 00:39:52,079

our channels as well i think that'll be

950

00:39:55,270 --> 00:39:52,800

quite good

951
00:39:56,870 --> 00:39:55,280
yeah we'll do it online every time and

952
00:40:00,390 --> 00:39:56,880
just directing people to me

953
00:40:05,670 --> 00:40:00,400
until uh and then max but first me until

954
00:40:11,030 --> 00:40:08,829
hey alien girl linda derrick brendan

955
00:40:12,150 --> 00:40:11,040
steve uh we got a lot of people here

956
00:40:14,710 --> 00:40:12,160
chilling with us

957
00:40:15,510 --> 00:40:14,720
good to see everyone always ready alien

958
00:40:23,349 --> 00:40:15,520
girl

959
00:40:30,069 --> 00:40:27,109
male uh made wild wonders um

960
00:40:30,470 --> 00:40:30,079
yeah steve a lot of a lot of people cool

961
00:40:33,510 --> 00:40:30,480
hey

962
00:40:34,069 --> 00:40:33,520
robert what's up man how you doing um

963
00:40:37,990 --> 00:40:34,079

we're just

964

00:40:41,990 --> 00:40:38,000

wrapping up unfortunately um

965

00:40:46,470 --> 00:40:42,000

but the good thing about this is that

966

00:40:50,630 --> 00:40:46,480

you can still watch it oh yes

967

00:40:53,109 --> 00:40:50,640

right yeah and oh and max this is a no

968

00:40:53,829 --> 00:40:53,119

smoking room uh otherwise i have to pay

969

00:40:57,190 --> 00:40:53,839

for a

970

00:41:02,550 --> 00:40:59,190

okay then as good as you don't know what

971

00:41:07,109 --> 00:41:05,270

oh that yeah i know i contributed too

972

00:41:08,950 --> 00:41:07,119

remember

973

00:41:11,750 --> 00:41:08,960

i i said my son went to the bathroom and

974

00:41:18,150 --> 00:41:11,760

he didn't watch your carpet

975

00:41:21,910 --> 00:41:20,069

all right let's get out of here bro it's

976
00:41:24,790 --> 00:41:21,920
saturday i got some work to do

977
00:41:26,870 --> 00:41:24,800
to come up with some exciting clips and

978
00:41:28,309 --> 00:41:26,880
stuff from all the interviews and

979
00:41:30,470 --> 00:41:28,319
you know maybe have an hour to do

980
00:41:33,109 --> 00:41:30,480
research finally

981
00:41:34,230 --> 00:41:33,119
we need to get those clips on instagram

982
00:41:36,309 --> 00:41:34,240
as well and twitter

983
00:41:37,750 --> 00:41:36,319
yeah so yeah and by the way you're an

984
00:41:40,309 --> 00:41:37,760
incredibly talented

985
00:41:41,750 --> 00:41:40,319
dude that's i'm kind of jelly you know

986
00:41:43,829 --> 00:41:41,760
you have all these talents you can make

987
00:41:47,270 --> 00:41:43,839
music and clips and edit stuff

988
00:41:50,150 --> 00:41:47,280

i hate you yeah yeah the renaissance man

989

00:41:54,550 --> 00:41:52,470

no yeah well they make it pretty easy on

990

00:41:56,230 --> 00:41:54,560

the phone these days and the music yeah

991

00:41:58,230 --> 00:41:56,240

i make the music but

992

00:41:59,910 --> 00:41:58,240

a lot i put a lot of time into that in

993

00:42:02,069 --> 00:41:59,920

my life so

994

00:42:03,670 --> 00:42:02,079

that's good man are you sure you have a

995

00:42:06,630 --> 00:42:03,680

job sean

996

00:42:09,910 --> 00:42:06,640

yeah it doesn't well i own the job so

997

00:42:14,550 --> 00:42:11,670

nice and maybe i take advantage of that

998

00:42:16,790 --> 00:42:14,560

too much but it's my decision

999

00:42:19,030 --> 00:42:16,800

no go with it no i mean that's part of

1000

00:42:20,630 --> 00:42:19,040

the reason i get up every day at 4 30

1001
00:42:22,230 --> 00:42:20,640
you know i put in a lot of work in the

1002
00:42:25,030 --> 00:42:22,240
morning hours

1003
00:42:26,870 --> 00:42:25,040
so i can free myself up later for that

1004
00:42:30,069 --> 00:42:26,880
like i'm usually working just straight

1005
00:42:32,150 --> 00:42:30,079
hard and like tweeting and working

1006
00:42:33,349 --> 00:42:32,160
constantly no breaks and then i do this

1007
00:42:35,510 --> 00:42:33,359
stuff you know

1008
00:42:36,950 --> 00:42:35,520
yeah you got to do what you got to do

1009
00:42:38,870 --> 00:42:36,960
got to do what you got to do

1010
00:42:41,109 --> 00:42:38,880
yeah i just remembered something guys if

1011
00:42:41,829 --> 00:42:41,119
you don't mind before we go i am also

1012
00:42:44,470 --> 00:42:41,839
doing an

1013
00:42:47,510 --> 00:42:44,480

appearance on the observation deck on

1014

00:42:49,589 --> 00:42:47,520

the 24th of july and i'm going to

1015

00:42:51,270 --> 00:42:49,599

speak to them and maybe we can do it

1016

00:42:53,670 --> 00:42:51,280

together on there and

1017

00:42:55,829 --> 00:42:53,680

stuff like that because it's very

1018

00:42:59,109 --> 00:42:55,839

generous

1019

00:43:02,550 --> 00:42:59,119

the more the merrier i think

1020

00:43:04,390 --> 00:43:02,560

um yeah well think about it this weekend

1021

00:43:06,470 --> 00:43:04,400

i'll throw some ideas out of their way

1022

00:43:07,190 --> 00:43:06,480

but that's like the 24th so we got some

1023

00:43:10,230 --> 00:43:07,200

time

1024

00:43:11,430 --> 00:43:10,240

but um yeah thank you for having me

1025

00:43:13,270 --> 00:43:11,440

yeah it's a pleasure i love you guys you

1026

00:43:16,309 --> 00:43:13,280

guys are my bros

1027

00:43:16,790 --> 00:43:16,319

thanks for having me on virtual hug i'm

1028

00:43:24,150 --> 00:43:16,800

max

1029

00:43:24,160 --> 00:43:28,309

all right sounds good yo

1030

00:43:32,150 --> 00:43:31,430

take care see you tomorrow guys see you

1031

00:43:35,670 --> 00:43:32,160

tomorrow

1032

00:43:37,349 --> 00:43:35,680

bye-bye all right guys thanks for

1033

00:43:39,510 --> 00:43:37,359

joining the show

1034

00:43:42,069 --> 00:43:39,520

um yeah we're just going over our

1035

00:43:45,750 --> 00:43:42,079

interviews and chatting like friends so

1036

00:43:48,470 --> 00:43:45,760

um hope you enjoyed it

1037

00:43:51,270 --> 00:43:48,480

and um yeah i'll let you go i will see

1038

00:43:55,670 --> 00:43:53,990

maybe tomorrow on not this channel

1039

00:44:00,710 --> 00:43:55,680

somebody else's but

1040

00:44:09,960 --> 00:44:00,720

otherwise monday um or we have nick cook
