14

00:01:30,310 --> 00:01:28,880

uh observation deck hey thanks for

15

00:01:33,590 --> 00:01:30,320

coming

16

00:01:38,950 --> 00:01:33,600

um who else we got here

17

00:01:45,510 --> 00:01:42,389

what's up expendable 72 how you doing

18

00:01:46,310 --> 00:01:45,520

uh the old atgack gack how are you i and

19

00:01:51,030 --> 00:01:46,320

so far

20

00:01:55,910 --> 00:01:51,040

at cat gack is my favorite

21

00:01:59,270 --> 00:01:55,920

kind of personality based on the name

22

00:02:00,310 --> 00:01:59,280

and the figure i mean mars attacks is an

23

00:02:06,389 --> 00:02:00,320

awesome movie

24

00:02:13,270 --> 00:02:09,430

so yeah thanks for joining me um

25

00:02:16,390 --> 00:02:13,280

so ryan is gonna join at two o'clock

26

00:02:19,430 --> 00:02:16,400

today so you have me for

27

00:02:23,750 --> 00:02:19,440

two hours the first hour

28

00:02:25,990 --> 00:02:23,760

is just gonna be me so

29

00:02:27,990 --> 00:02:26,000

um you know if you're the type that

30

00:02:31,110 --> 00:02:28,000

prefers more than one person

31

00:02:36,150 --> 00:02:31,120

you can come back in an hour otherwise

32

00:02:37,589 --> 00:02:36,160

uh what i want to talk about here is

33

00:02:39,509 --> 00:02:37,599

a couple things the first thing i wanted

34

00:02:41,830 --> 00:02:39,519

to talk about is based off a couple

35

00:02:45,190 --> 00:02:41,840

tweets yesterday

36

00:02:47,830 --> 00:02:45,200

um and that would include

37

00:02:48,550 --> 00:02:47,840

um the one i said where i shared jeremy

38

00:02:51,430 --> 00:02:48,560

corbell's

39

00:02:52,309 --> 00:02:51,440

uh post and i said is this helpful and

40

00:02:55,350 --> 00:02:52,319

the other one

41

00:02:59,270 --> 00:02:55,360

is um

42

00:03:03,670 --> 00:02:59,280

ryan bledsoe and

43

00:03:06,710 --> 00:03:03,680

then i have um some cool crash

44

00:03:09,830 --> 00:03:06,720

stuff some of which includes

45

00:03:12,869 --> 00:03:09,840

mr danny sheehan so that's cool

46

00:03:15,350 --> 00:03:12,879

um and i gotta thank a buddy for

47

00:03:16,070 --> 00:03:15,360

uh showing that to me because that was a

48

00:03:19,430 --> 00:03:16,080

pretty

49

00:03:23,350 --> 00:03:19,440

good video that kind of spurred

50

00:03:27,110 --> 00:03:24,869

the crash stuff i was kind of already

51
00:03:28,789 --> 00:03:27,120
getting into but this video that was

52
00:03:32,710 --> 00:03:28,799
shared with me kind of

53
00:03:35,110 --> 00:03:32,720
the synchronicity there was enough to

54
00:03:36,309 --> 00:03:35,120
definitely have me go through with what

55
00:03:40,470 --> 00:03:36,319
i wanted to do

56
00:03:44,830 --> 00:03:40,480
so yeah merchant ambassador

57
00:03:48,949 --> 00:03:47,350
act

58
00:03:50,710 --> 00:03:48,959
well don't stick around too long dude

59
00:03:51,030 --> 00:03:50,720
i'll start playing that music that pops

60
00:03:55,589 --> 00:03:51,040
your

61
00:03:57,750 --> 00:03:55,599
cover

62
00:03:59,030 --> 00:03:57,760
you know you gotta play that uh i'm not

63
00:04:03,589 --> 00:03:59,040

gonna sing it

64

00:04:06,070 --> 00:04:03,599

i can't get that high but yeah

65

00:04:06,710 --> 00:04:06,080

so um first of all i wanted to start

66

00:04:10,070 --> 00:04:06,720

with

67

00:04:12,149 --> 00:04:10,080

um ryan bledsoe so i commented and said

68

00:04:15,509 --> 00:04:12,159

i don't think i believe this person

69

00:04:18,150 --> 00:04:15,519

um and i can say

70

00:04:20,469 --> 00:04:18,160

that i should really just i at least i

71

00:04:23,909 --> 00:04:20,479

want to just stick to

72

00:04:27,430 --> 00:04:23,919

um ryan as of right now uh the dad

73

00:04:29,430 --> 00:04:27,440

i don't i have to look more into

74

00:04:31,749 --> 00:04:29,440

i know there's things that you could use

75

00:04:34,870 --> 00:04:31,759

to put him in the same category

76
00:04:35,909 --> 00:04:34,880
but he's not speaking right now as much

77
00:04:39,350 --> 00:04:35,919
as ryan

78
00:04:41,749 --> 00:04:39,360
and ryan is um

79
00:04:42,390 --> 00:04:41,759
he's clinging to his theory as absolute

80
00:04:45,670 --> 00:04:42,400
truth

81
00:04:48,790 --> 00:04:45,680
and that's fine as if it is to him um

82
00:04:49,749 --> 00:04:48,800
but to not encourage other ideas from

83
00:04:52,469 --> 00:04:49,759
other people

84
00:04:54,790 --> 00:04:52,479
that they put equal amount of work into

85
00:04:58,230 --> 00:04:54,800
to realize is their truth

86
00:04:59,590 --> 00:04:58,240
um it's just not i don't know it's not

87
00:05:01,430 --> 00:04:59,600
okay with me

88
00:05:02,790 --> 00:05:01,440

so what am i gonna do nothing i'm just

89

00:05:06,230 --> 00:05:02,800

gonna let you know

90

00:05:06,629 --> 00:05:06,240

um and you are free to still obviously

91

00:05:09,590 --> 00:05:06,639

do

92

00:05:12,550 --> 00:05:09,600

and listen and watch whoever you want um

93

00:05:13,990 --> 00:05:12,560

this is just one man's opinion

94

00:05:16,230 --> 00:05:14,000

if you share it great if you don't

95

00:05:18,390 --> 00:05:16,240

that's fine too you know

96

00:05:21,110 --> 00:05:18,400

we all have free thought free will and

97

00:05:23,430 --> 00:05:21,120

we can do what we want with that

98

00:05:24,950 --> 00:05:23,440

this is just where i've come to on that

99

00:05:28,469 --> 00:05:24,960

situation

100

00:05:30,870 --> 00:05:28,479

andy i could change my mind i have on

101
00:05:34,230 --> 00:05:30,880
him before

102
00:05:37,909 --> 00:05:34,240
um so i could again

103
00:05:39,590 --> 00:05:37,919
but i would need i would need to talk to

104
00:05:40,629 --> 00:05:39,600
him and he doesn't really talk to anyone

105
00:05:45,029 --> 00:05:40,639
so

106
00:05:48,310 --> 00:05:45,039
make that clear

107
00:05:48,950 --> 00:05:48,320
um i don't think it's probably helpful

108
00:05:53,270 --> 00:05:48,960
to bash

109
00:05:56,390 --> 00:05:53,280
the guy as much as just

110
00:05:59,590 --> 00:05:56,400
you know move on

111
00:06:01,590 --> 00:05:59,600
you know i guess like

112
00:06:03,590 --> 00:06:01,600
being mean about it may be the wrong way

113
00:06:06,870 --> 00:06:03,600

to go

114

00:06:09,749 --> 00:06:06,880

so maybe just put your attention

115

00:06:12,550 --> 00:06:09,759

somewhere else and just forget it

116

00:06:14,629 --> 00:06:12,560

you know as the people that follow him

117

00:06:17,029 --> 00:06:14,639

and watch him

118

00:06:18,870 --> 00:06:17,039

will just dwindle and it is what it is

119

00:06:21,670 --> 00:06:18,880

so

120

00:06:23,029 --> 00:06:21,680

what's up scott he pulls a lot of dust

121

00:06:26,150 --> 00:06:23,039

and moisture in the air picks

122

00:06:27,749 --> 00:06:26,160

yeah and i've seen um

123

00:06:29,749 --> 00:06:27,759

you know the thing about those is i've

124

00:06:32,950 --> 00:06:29,759

seen so many

125

00:06:34,950 --> 00:06:32,960

recreation videos where they try and

126

00:06:36,469 --> 00:06:34,960

where they talk about this kind of stuff

127

00:06:37,029 --> 00:06:36,479

happening and people taking pictures of

128

00:06:39,830 --> 00:06:37,039

this

129

00:06:40,390 --> 00:06:39,840

and what it really is and they do what's

130

00:06:41,990 --> 00:06:40,400

a real

131

00:06:44,390 --> 00:06:42,000

scientific experiment which is

132

00:06:47,590 --> 00:06:44,400

recreating the actual scene

133

00:06:48,550 --> 00:06:47,600

with the actual equipment used you know

134

00:06:49,700 --> 00:06:48,560

like mick west

135

00:06:51,909 --> 00:06:49,710

wish he could do

136

00:06:55,270 --> 00:06:51,919

[Laughter]

137

00:06:58,230 --> 00:06:55,280

um so they take the camera they see the

138

00:06:59,830 --> 00:06:58,240

the dust it looks just the same you know

139

00:07:02,150 --> 00:06:59,840

um

140

00:07:03,189 --> 00:07:02,160

but if it was something interesting it

141

00:07:04,950 --> 00:07:03,199

was something different

142

00:07:06,870 --> 00:07:04,960

and it just happened to look just like

143

00:07:10,070 --> 00:07:06,880

that like dust

144

00:07:13,110 --> 00:07:10,080

i wouldn't know the difference but

145

00:07:16,230 --> 00:07:13,120

um it's enough to not i mean i'm not

146

00:07:18,629 --> 00:07:16,240

gonna dive into anything he says um

147

00:07:19,670 --> 00:07:18,639

and that's one of the reasons i wouldn't

148

00:07:22,150 --> 00:07:19,680

so

149

00:07:23,909 --> 00:07:22,160

i recreated a thousand times yeah yeah

150

00:07:26,950 --> 00:07:23,919

it totally is

151

00:07:29,029 --> 00:07:26,960

totally totally is but um

152

00:07:31,830 --> 00:07:29,039

i don't want to talk too much on it

153

00:07:34,309 --> 00:07:31,840

without having more knowledge as far as

154

00:07:36,309 --> 00:07:34,319

um everything that happened before him

155

00:07:42,150 --> 00:07:36,319

which i do know some of it

156

00:07:46,230 --> 00:07:44,390

but i wanna i to go deeper into chris's

157

00:07:50,070 --> 00:07:46,240

story and

158

00:07:52,629 --> 00:07:50,080

you know all those years with him and

159

00:07:53,830 --> 00:07:52,639

how it came to be what it is now with

160

00:07:58,230 --> 00:07:53,840

ryan

161

00:07:59,830 --> 00:07:58,240

which i think is a little um i'm not

162

00:08:03,189 --> 00:07:59,840

gonna say culty because

163

00:08:05,510 --> 00:08:03,199

i don't it

164

00:08:06,309 --> 00:08:05,520

he doesn't have one as far as i know you

165

00:08:09,830 --> 00:08:06,319

know

166

00:08:13,189 --> 00:08:09,840

um i think

167

00:08:15,270 --> 00:08:13,199

it's easy to go to that for sure

168

00:08:17,589 --> 00:08:15,280

but without knowing the person's real

169

00:08:19,430 --> 00:08:17,599

intentions and talking to them in person

170

00:08:20,710 --> 00:08:19,440

it's really hard to make a judgment like

171

00:08:24,629 --> 00:08:20,720

that so i kind of

172

00:08:26,390 --> 00:08:24,639

try to stay try to not get too close to

173

00:08:29,110 --> 00:08:26,400

that even though i do agree

174

00:08:31,270 --> 00:08:29,120

that the actions kind of look like they

175

00:08:33,190 --> 00:08:31,280

could be

176

00:08:34,870 --> 00:08:33,200

but you know i don't think any of us

177

00:08:38,790 --> 00:08:34,880

would let that happen anyways

178

00:08:40,389 --> 00:08:38,800

so um and like i said

179

00:08:43,670 --> 00:08:40,399

i could change my mind but i really

180

00:08:45,670 --> 00:08:43,680

would need to talk to the person

181

00:08:47,350 --> 00:08:45,680

to come up with an actual conclusion i

182

00:08:50,230 --> 00:08:47,360

can back up

183

00:08:52,829 --> 00:08:50,240

without talking to the person i can't do

184

00:08:54,230 --> 00:08:52,839

that and everything's just really

185

00:08:55,590 --> 00:08:54,240

opinions

186

00:08:58,310 --> 00:08:55,600

because do you believe everything you

187

00:08:59,590 --> 00:08:58,320

see both ways is he telling the truth on

188

00:09:02,710 --> 00:08:59,600

everything right

189

00:09:03,190 --> 00:09:02,720

no probably not people that talk crap

190

00:09:05,350 --> 00:09:03,200

about him

191

00:09:07,350 --> 00:09:05,360

are they always telling the truth no

192

00:09:10,949 --> 00:09:07,360

there's always stuff in between

193

00:09:18,389 --> 00:09:15,750

next thing jeremy corbell so mr corbell

194

00:09:21,269 --> 00:09:18,399

um what's up graham how you doing

195

00:09:24,470 --> 00:09:21,279

disclosure team what's up dude

196

00:09:29,829 --> 00:09:24,480

um yeah so corbell

197

00:09:33,750 --> 00:09:29,839

um he tweeted something yesterday

198

00:09:35,269 --> 00:09:33,760

and it was along the lines of

199

00:09:38,070 --> 00:09:35,279

you know what he usually does very

200

00:09:41,430 --> 00:09:38,080

aggressive in your face

201
00:09:43,190 --> 00:09:41,440
and we have crash debris you know

202
00:09:44,710 --> 00:09:43,200
there's some construction going on over

203
00:09:45,910 --> 00:09:44,720
here at this building so if that's too

204
00:09:50,150 --> 00:09:45,920
loud

205
00:09:51,829 --> 00:09:50,160
let me know so um

206
00:09:55,190 --> 00:09:51,839
yeah mr corbell with that i didn't want

207
00:09:57,110 --> 00:09:55,200
to comment on

208
00:09:58,710 --> 00:09:57,120
what i thought of it and if it was

209
00:10:01,110 --> 00:09:58,720
helpful or not

210
00:10:02,310 --> 00:10:01,120
i wanted to see what everyone else

211
00:10:04,949 --> 00:10:02,320
thinks

212
00:10:05,670 --> 00:10:04,959
and if you looked at that thread it was

213
00:10:08,150 --> 00:10:05,680

smaller

214

00:10:08,870 --> 00:10:08,160

in comparison to the ryan the ryan one

215

00:10:11,430 --> 00:10:08,880

but this one

216

00:10:12,949 --> 00:10:11,440

um you can tell that different people

217

00:10:16,630 --> 00:10:12,959

take away different things

218

00:10:17,509 --> 00:10:16,640

from him um some get excited some get

219

00:10:21,829 --> 00:10:17,519

kind of

220

00:10:23,750 --> 00:10:21,839

angry some feel let down um

221

00:10:25,350 --> 00:10:23,760

some are grateful some definitely are

222

00:10:28,949 --> 00:10:25,360

not um

223

00:10:31,030 --> 00:10:28,959

any so in knowing that we have to

224

00:10:32,150 --> 00:10:31,040

think about what are the things that

225

00:10:35,829 --> 00:10:32,160

make people like

226

00:10:41,110 --> 00:10:38,550

yeah i tried steve but my walkie-talkie

227

00:10:41,120 --> 00:10:44,630

so um

228

00:10:48,630 --> 00:10:46,630

you know it's not gonna be a

229

00:10:48,949 --> 00:10:48,640

one-size-fits-all type of thing nobody

230

00:10:53,030 --> 00:10:48,959

is

231

00:10:55,949 --> 00:10:53,040

everything

232

00:10:58,069 --> 00:10:55,959

in a certain way so it's a

233

00:11:00,230 --> 00:10:58,079

one-size-fits-all

234

00:11:02,310 --> 00:11:00,240

um approach i totally screwed up that

235

00:11:05,030 --> 00:11:02,320

reins uh sprig

236

00:11:05,670 --> 00:11:05,040

thing because it's not at one o'clock

237

00:11:10,310 --> 00:11:05,680

it's at

238

00:11:13,269 --> 00:11:10,320

two o'clock so stupid sorry

239

00:11:13,990 --> 00:11:13,279

i am really tired today for some reason

240

00:11:17,430 --> 00:11:14,000

um

241

00:11:19,350 --> 00:11:17,440

there we go oh what oh god damn it

242

00:11:25,590 --> 00:11:19,360

there's gonna be one hell of a blooper

243

00:11:25,600 --> 00:11:30,389

so anyways um

244

00:11:33,990 --> 00:11:31,829

when he does it so aggressive and in

245

00:11:35,350 --> 00:11:34,000

your face like that i mean it's it's not

246

00:11:37,670 --> 00:11:35,360

necessarily for everyone

247

00:11:39,030 --> 00:11:37,680

and you know there's different flavors

248

00:11:41,509 --> 00:11:39,040

for different people

249

00:11:42,069 --> 00:11:41,519

so when i look at what he says first i

250

00:11:44,710 --> 00:11:42,079

look at

251
00:11:47,269 --> 00:11:44,720
the truth of it is there truth in the

252
00:11:49,670 --> 00:11:47,279
statement with the crash retrievals

253
00:11:50,389 --> 00:11:49,680
you know and i will get to my opinion on

254
00:11:54,150 --> 00:11:50,399
that but

255
00:11:56,949 --> 00:11:54,160
so far um you know he's not the only one

256
00:11:57,430 --> 00:11:56,959
that said that there's been plenty of

257
00:11:59,750 --> 00:11:57,440
people

258
00:12:01,110 --> 00:11:59,760
that have said that um and some would

259
00:12:04,150 --> 00:12:01,120
say there's evidence

260
00:12:10,230 --> 00:12:07,509
it's not that that people would disagree

261
00:12:13,990 --> 00:12:10,240
with right

262
00:12:15,990 --> 00:12:14,000
so i guess it's really the delivery

263
00:12:19,269 --> 00:12:16,000

so it's just if it's the delivery of

264

00:12:21,269 --> 00:12:19,279

this news and it does not suit you

265

00:12:22,710 --> 00:12:21,279

think about other people does it suit

266

00:12:25,190 --> 00:12:22,720

other people

267

00:12:25,990 --> 00:12:25,200

well how many twitter fans does he have

268

00:12:31,350 --> 00:12:26,000

how many people

269

00:12:33,350 --> 00:12:31,360

lots so there must be a lot of people

270

00:12:38,069 --> 00:12:33,360

that like that

271

00:12:41,670 --> 00:12:38,079

so if that's the case

272

00:12:44,629 --> 00:12:41,680

you just have to be okay with that

273

00:12:45,829 --> 00:12:44,639

if you want of course but understanding

274

00:12:46,790 --> 00:12:45,839

that there's different things for

275

00:12:48,949 --> 00:12:46,800

different people

276

00:12:50,629 --> 00:12:48,959

is imperative and when we're trying to

277

00:12:52,310 --> 00:12:50,639

do this disclosure thing

278

00:12:54,389 --> 00:12:52,320

and you want to reach all different

279

00:12:56,710 --> 00:12:54,399

types of people you need all different

280

00:13:04,550 --> 00:12:56,720

types of ways to present things

281

00:13:09,509 --> 00:13:06,629

what do we get did you see my alien demo

282

00:13:14,230 --> 00:13:09,519

i tweeted i did not

283

00:13:17,509 --> 00:13:16,550

yeah lazar has serious truth issues you

284

00:13:20,550 --> 00:13:17,519

know the thing

285

00:13:22,150 --> 00:13:20,560

is with lazar in his videos which are

286

00:13:25,750 --> 00:13:22,160

very similar

287

00:13:29,910 --> 00:13:25,760

is um they're intriguing

288

00:13:33,030 --> 00:13:29,920

um but i wouldn't call it like um

289

00:13:37,670 --> 00:13:33,040

proof for sure

290

00:13:40,790 --> 00:13:37,680

so i think what he does is just

291

00:13:45,590 --> 00:13:43,750

to you know extreme on purpose to make

292

00:13:48,870 --> 00:13:45,600

noise to get attention

293

00:13:52,069 --> 00:13:48,880

to get new people in

294

00:13:53,590 --> 00:13:52,079

by those big grandiose statements

295

00:13:56,790 --> 00:13:53,600

you know think of a new person looking

296

00:13:59,269 --> 00:13:56,800

at this stuff and they see

297

00:14:00,870 --> 00:13:59,279

let's say if al budoff was uh active on

298

00:14:02,629 --> 00:14:00,880

his twitter

299

00:14:03,910 --> 00:14:02,639

he would be talking about bismuth and

300

00:14:05,990 --> 00:14:03,920

all that stuff and people are

301

00:14:07,829 --> 00:14:06,000

gonna they're about what what is this

302

00:14:10,550 --> 00:14:07,839

but if they go across corbell's

303

00:14:13,990 --> 00:14:10,560

they're gonna be like oh what the heck

304

00:14:17,509 --> 00:14:15,509

you know and i gotta say when i first

305

00:14:20,470 --> 00:14:17,519

started doing you know looking at

306

00:14:23,269 --> 00:14:20,480

this stuff and the bob lazar thing and

307

00:14:27,829 --> 00:14:26,150

and um you know i watched that

308

00:14:30,069 --> 00:14:27,839

documentary and everything

309

00:14:32,230 --> 00:14:30,079

and the hunt for us skinwalker

310

00:14:34,069 --> 00:14:32,240

documentary

311

00:14:35,590 --> 00:14:34,079

um and he's got another one with

312

00:14:38,870 --> 00:14:35,600

implants patient

313

00:14:40,230 --> 00:14:38,880

something that's really good um so i

314

00:14:42,150 --> 00:14:40,240

think

315

00:14:43,350 --> 00:14:42,160

we have to be understanding that there's

316

00:14:44,870 --> 00:14:43,360

different types of people

317

00:14:47,110 --> 00:14:44,880

that do different things and if you

318

00:14:48,069 --> 00:14:47,120

don't like that delivery you don't have

319

00:14:51,590 --> 00:14:48,079

to accept it

320

00:14:56,310 --> 00:14:53,990

there's you can mute them hide them

321

00:14:59,910 --> 00:14:56,320

whatever not pay attention

322

00:15:01,030 --> 00:14:59,920

but you can't cast your version of

323

00:15:05,269 --> 00:15:01,040

somebody

324

00:15:08,389 --> 00:15:05,279

on everybody else you know

325

00:15:12,949 --> 00:15:08,399

we have different thoughts and opinions

326

00:15:16,069 --> 00:15:12,959

um is his stuff

327

00:15:16,949 --> 00:15:16,079

good for me not necessarily to be honest

328

00:15:20,069 --> 00:15:16,959

with you

329

00:15:22,629 --> 00:15:20,079

but what he's doing isn't for me

330

00:15:24,550 --> 00:15:22,639

you know does that make sense i think

331

00:15:28,389 --> 00:15:24,560

what he does is effective

332

00:15:30,870 --> 00:15:28,399

to new people and what gets attention

333

00:15:33,030 --> 00:15:30,880

big movie trailers

334

00:15:34,629 --> 00:15:33,040

you know i mean that's just the science

335

00:15:36,230 --> 00:15:34,639

of it so he's taking advantage of that

336

00:15:38,230 --> 00:15:36,240

to get that attention

337

00:15:39,430 --> 00:15:38,240

um you just hope that what he does with

338

00:15:42,790 --> 00:15:39,440

it

339

00:15:46,710 --> 00:15:42,800

is good and i don't have any

340

00:15:47,350 --> 00:15:46,720

specific reasons to say that what he's

341

00:15:52,389 --> 00:15:47,360

doing is

342

00:15:55,430 --> 00:15:52,399

not good you know i haven't seen anyone

343

00:15:57,910 --> 00:15:55,440

go crazy or anything because

344

00:15:59,829 --> 00:15:57,920

they saw a corbell post or whatever if

345

00:16:03,350 --> 00:15:59,839

anything he's adding material to

346

00:16:05,430 --> 00:16:03,360

the market so to speak um

347

00:16:07,990 --> 00:16:05,440

and giving us more to chew on and talk

348

00:16:11,110 --> 00:16:08,000

about while other people come in

349

00:16:16,230 --> 00:16:13,590

uh oh yeah let me know if no one else

350

00:16:20,069 --> 00:16:16,240

can hear me you should be able to i can

351
00:16:23,590 --> 00:16:22,389
check yeah it should be working looks

352
00:16:26,710 --> 00:16:23,600
like it

353
00:16:28,470 --> 00:16:26,720
um here we go

354
00:16:30,870 --> 00:16:28,480
all right so but if a new person finds

355
00:16:32,790 --> 00:16:30,880
out lazar light about his education

356
00:16:34,870 --> 00:16:32,800
for them like me his credibility goes

357
00:16:38,470 --> 00:16:34,880
out the window unlike me

358
00:16:39,749 --> 00:16:38,480
they may have uh distrust for the lot of

359
00:16:43,509 --> 00:16:39,759
us

360
00:16:46,550 --> 00:16:45,670
that's true but think of what kind of

361
00:16:48,310 --> 00:16:46,560
person would

362
00:16:49,670 --> 00:16:48,320
judge everybody else based on the

363
00:16:53,189 --> 00:16:49,680

actions of one

364

00:16:59,509 --> 00:16:55,269

and is that the kind of person that

365

00:17:07,909 --> 00:17:05,270

um but yes he lied about his education

366

00:17:09,189 --> 00:17:07,919

i don't know the depth of that if it was

367

00:17:12,230 --> 00:17:09,199

a misunderstanding

368

00:17:13,189 --> 00:17:12,240

or a complete lie i have no idea i don't

369

00:17:15,189 --> 00:17:13,199

remember

370

00:17:17,750 --> 00:17:15,199

but there is enough that was true

371

00:17:21,510 --> 00:17:17,760

including employees that work there

372

00:17:26,870 --> 00:17:23,750

and he's a freaking genius that's not a

373

00:17:35,590 --> 00:17:32,470

so deceit manipulation

374

00:17:38,310 --> 00:17:35,600

reads mistrust

375

00:17:39,510 --> 00:17:38,320

distrust yeah it does it does and for

376

00:17:42,230 --> 00:17:39,520

some people that first

377

00:17:43,669 --> 00:17:42,240

impression like kevin says is not going

378

00:17:45,990 --> 00:17:43,679

to be a good one

379

00:17:47,190 --> 00:17:46,000

you know i understand that for people

380

00:17:50,870 --> 00:17:47,200

like yourself

381

00:17:52,630 --> 00:17:50,880

or maybe even me but look at how many

382

00:17:53,430 --> 00:17:52,640

people follow him and like the stuff and

383

00:17:56,710 --> 00:17:53,440

share it

384

00:18:01,110 --> 00:17:56,720

so you know our impression

385

00:18:05,270 --> 00:18:01,120

is not the same as theirs and

386

00:18:06,549 --> 00:18:05,280

i can't say that he's deceiving people

387

00:18:10,390 --> 00:18:06,559

for sure

388

00:18:13,350 --> 00:18:10,400

i can't and

389

00:18:14,710 --> 00:18:13,360

i don't really know why he would unless

390

00:18:16,789 --> 00:18:14,720

he's working with the government or

391

00:18:18,630 --> 00:18:16,799

something

392

00:18:21,830 --> 00:18:18,640

which who knows you know but there's

393

00:18:24,230 --> 00:18:21,840

enough unknowns for me to not

394

00:18:25,350 --> 00:18:24,240

you know ban somebody or talk trash

395

00:18:27,110 --> 00:18:25,360

about them because there's too many

396

00:18:29,110 --> 00:18:27,120

unknowns

397

00:18:30,310 --> 00:18:29,120

but i would say that he's added a lot to

398

00:18:34,549 --> 00:18:30,320

this field if

399

00:18:39,750 --> 00:18:37,990

of this past year or whatever there's a

400

00:18:49,430 --> 00:18:39,760

lot

401
00:18:56,310 --> 00:18:53,190
so you know it's like what do you do

402
00:18:59,430 --> 00:18:56,320
do you do you not want the buzz or

403
00:19:01,190 --> 00:18:59,440
do you take the kind of maybe if he buzz

404
00:19:03,430 --> 00:19:01,200
but it is buzz that brings a lot of

405
00:19:06,549 --> 00:19:03,440
people in and keeps the news media on

406
00:19:09,350 --> 00:19:06,559
this before the report comes out

407
00:19:09,990 --> 00:19:09,360
so i think there is there's some good to

408
00:19:13,430 --> 00:19:10,000
what he's doing

409
00:19:15,350 --> 00:19:13,440
most definitely um this style

410
00:19:18,789 --> 00:19:15,360
not for me but it doesn't have to be for

411
00:19:22,630 --> 00:19:18,799
me as long as it reaches

412
00:19:24,549 --> 00:19:22,640
other people and brings them into this

413
00:19:25,909 --> 00:19:24,559

in the second that he you know if you

414

00:19:29,510 --> 00:19:25,919

were to get busted

415

00:19:33,830 --> 00:19:29,520

lying for sure you know

416

00:19:37,510 --> 00:19:33,840

then game on of course but until then

417

00:19:41,190 --> 00:19:37,520

is it yeah it kind of looks like a man

418

00:19:42,789 --> 00:19:41,200

yeah yeah i had that poster uh folded up

419

00:19:44,230 --> 00:19:42,799

in my house i was like oh this is a cool

420

00:19:47,510 --> 00:19:44,240

poster

421

00:19:49,830 --> 00:19:47,520

it's not booted up um yeah so

422

00:19:51,190 --> 00:19:49,840

that's kind of what i uh hope we get

423

00:19:55,430 --> 00:19:51,200

some more comments i don't wanna skip

424

00:19:59,750 --> 00:19:58,470

yeah that's a little bit different

425

00:20:06,070 --> 00:19:59,760

though daddy and

426

00:20:11,110 --> 00:20:06,080

corbell right i mean dottie

427

00:20:15,430 --> 00:20:13,029

really really bad but i mean so is

428

00:20:18,470 --> 00:20:15,440

corbell's if it would be

429

00:20:19,510 --> 00:20:18,480

the bad aspect that we think about which

430

00:20:22,950 --> 00:20:19,520

i don't think it is

431

00:20:26,549 --> 00:20:22,960

but um ooh thanks

432

00:20:27,029 --> 00:20:26,559

thanks drew so would you have to hear it

433

00:20:28,710 --> 00:20:27,039

from

434

00:20:30,630 --> 00:20:28,720

that lazar is lying to believe he's

435

00:20:35,350 --> 00:20:30,640

lying i believe him

436

00:20:38,149 --> 00:20:35,360

yeah right i don't know um

437

00:20:38,870 --> 00:20:38,159

i would have to hear it from i don't

438

00:20:42,149 --> 00:20:38,880

think

439

00:20:45,029 --> 00:20:42,159

hearing would do anything for me

440

00:20:47,029 --> 00:20:45,039

i would have to see like log books like

441

00:20:50,789 --> 00:20:47,039

employee punch cards

442

00:20:53,270 --> 00:20:50,799

um and employee position

443

00:20:54,390 --> 00:20:53,280

you know that's what i would have to see

444

00:20:56,870 --> 00:20:54,400

and then let's

445

00:21:00,789 --> 00:20:56,880

you know line that up with what was said

446

00:21:05,190 --> 00:21:03,590

what's up bro nope no problem dude um

447

00:21:07,029 --> 00:21:05,200

disclosure team's got some really cool

448

00:21:10,070 --> 00:21:07,039

stuff going on

449

00:21:13,510 --> 00:21:10,080

um he's working on or did release

450

00:21:15,029 --> 00:21:13,520

a pretty interesting video um it's about

451
00:21:18,310 --> 00:21:15,039
13 minutes long

452
00:21:19,909 --> 00:21:18,320
so um watch it it's pretty interesting i

453
00:21:20,710 --> 00:21:19,919
think he's got a lot more information

454
00:21:23,270 --> 00:21:20,720
he's prepping

455
00:21:23,909 --> 00:21:23,280
for it so keep that in mind when you do

456
00:21:27,029 --> 00:21:23,919
watch it

457
00:21:29,830 --> 00:21:27,039
um because i'm sure um

458
00:21:30,630 --> 00:21:29,840
you know he he does good work so just

459
00:21:34,310 --> 00:21:30,640
pay attention

460
00:21:40,630 --> 00:21:34,320
all right um greg o'brien is not

461
00:21:43,990 --> 00:21:43,350
but that was the easy one is that good

462
00:21:46,789 --> 00:21:44,000
is that a good

463
00:21:47,750 --> 00:21:46,799

answer um like i i don't think anyone

464

00:21:49,590 --> 00:21:47,760

could tell me that

465

00:21:50,950 --> 00:21:49,600

for and i would take their word for it i

466

00:21:56,710 --> 00:21:50,960

would have to see

467

00:22:01,430 --> 00:21:59,669

so yeah that's where i'm at with that i

468

00:22:03,270 --> 00:22:01,440

don't think anything can be proven right

469

00:22:04,950 --> 00:22:03,280

now one way or the other

470

00:22:06,630 --> 00:22:04,960

but what we can say is happening for

471

00:22:08,149 --> 00:22:06,640

sure is that it creates buzz and brings

472

00:22:11,990 --> 00:22:08,159

people in

473

00:22:13,750 --> 00:22:12,000

and i just

474

00:22:15,430 --> 00:22:13,760

you know i don't make commitments on

475

00:22:17,350 --> 00:22:15,440

this kind of stuff either

476
00:22:24,789 --> 00:22:17,360
you know i have got feelings that go one

477
00:22:28,549 --> 00:22:26,950
here we go how about the us government

478
00:22:29,270 --> 00:22:28,559
did everything possible to discredit

479
00:22:31,350 --> 00:22:29,280
lazar

480
00:22:33,350 --> 00:22:31,360
seems to make more sense to me it does

481
00:22:33,990 --> 00:22:33,360
and his initial story makes a lot of

482
00:22:35,750 --> 00:22:34,000
sense

483
00:22:38,830 --> 00:22:35,760
when he was first on george knapp and

484
00:22:41,510 --> 00:22:38,840
talked about why he came out to begin

485
00:22:43,430 --> 00:22:41,520
with

486
00:22:46,149 --> 00:22:43,440
worked at a much lower level than he

487
00:22:48,710 --> 00:22:46,159
says he didn't exaggerated everything

488
00:22:50,710 --> 00:22:48,720

yep maybe he just doesn't really he

489

00:22:53,750 --> 00:22:50,720

doesn't seem like an exaggerator

490

00:22:56,230 --> 00:22:53,760

but you know corbell

491

00:22:57,830 --> 00:22:56,240

kind of does but he's just got a loud

492

00:23:01,110 --> 00:22:57,840

personality

493

00:23:01,120 --> 00:23:05,750

you can't even move right to the soldier

494

00:23:12,470 --> 00:23:09,270

all right all right

495

00:23:14,149 --> 00:23:12,480

so that's kind of my take on it um if

496

00:23:17,190 --> 00:23:14,159

you

497

00:23:19,909 --> 00:23:17,200

say keep an open mind

498

00:23:20,830 --> 00:23:19,919

don't bash anyone and until proven

499

00:23:23,909 --> 00:23:20,840

guilty

500

00:23:25,590 --> 00:23:23,919

innocent yeah

501
00:23:27,110 --> 00:23:25,600
and there's things like this that you

502
00:23:28,950 --> 00:23:27,120
can throw in there now

503
00:23:30,710 --> 00:23:28,960
how long has he been doing this i mean

504
00:23:33,110 --> 00:23:30,720
we wouldn't even be here if he didn't

505
00:23:35,110 --> 00:23:33,120
introduce harry reid to bigelow

506
00:23:38,390 --> 00:23:35,120
you know so there's something to be said

507
00:23:44,230 --> 00:23:42,230
um oh she's with scott brown and lazar

508
00:23:46,230 --> 00:23:44,240
see the hard part for me is i can see

509
00:23:48,149 --> 00:23:46,240
both perspectives

510
00:23:51,190 --> 00:23:48,159
both of them make a reasonable amount of

511
00:23:53,669 --> 00:23:51,200
sense to me so it's hard to decide

512
00:23:54,630 --> 00:23:53,679
which one you know we need a jury at 12

513
00:23:58,470 --> 00:23:54,640

people or something

514

00:24:00,310 --> 00:23:58,480

don't put this on me um

515

00:24:02,830 --> 00:24:00,320

i think it's very interesting and i

516

00:24:05,510 --> 00:24:02,840

would not discount it all together

517

00:24:08,149 --> 00:24:05,520

and um

518

00:24:09,830 --> 00:24:08,159

i hope we hear more and when we do hear

519

00:24:11,430 --> 00:24:09,840

more i hope it's something conclusive

520

00:24:14,549 --> 00:24:11,440

that would be cool

521

00:24:16,149 --> 00:24:14,559

um but we do know lazar is a genius he

522

00:24:19,830 --> 00:24:16,159

did work there

523

00:24:23,110 --> 00:24:19,840

um he's had the same story for so

524

00:24:24,950 --> 00:24:23,120

long he does not seem like someone that

525

00:24:26,070 --> 00:24:24,960

wants any attention to me when he does

526

00:24:27,830 --> 00:24:26,080

talk

527

00:24:29,669 --> 00:24:27,840

uh if he's an actor he should win a

528

00:24:34,710 --> 00:24:29,679

grammy

529

00:24:37,669 --> 00:24:34,720

so kind of stuff randy kramer

530

00:24:40,630 --> 00:24:37,679

i don't know who's randy kramer gosh

531

00:24:44,070 --> 00:24:40,640

darn it that sounds familiar

532

00:24:45,669 --> 00:24:44,080

i guess really it's you know

533

00:24:48,149 --> 00:24:45,679

i don't like bashing anyone unless

534

00:24:51,990 --> 00:24:48,159

they're really hurting

535

00:24:53,269 --> 00:24:52,000

something um but you know that doesn't

536

00:24:56,870 --> 00:24:53,279

mean i don't

537

00:25:03,909 --> 00:25:00,230

definitely i've bashed and then had

538

00:25:09,750 --> 00:25:07,110

so this

539

00:25:10,390 --> 00:25:09,760

is some interesting stuff have you guys

540

00:25:13,110 --> 00:25:10,400

ever

541

00:25:14,950 --> 00:25:13,120

seen i'm going to change the subject

542

00:25:16,549 --> 00:25:14,960

here

543

00:25:18,470 --> 00:25:16,559

and this is something you guys are

544

00:25:20,390 --> 00:25:18,480

passionate about that's for sure

545

00:25:22,310 --> 00:25:20,400

yeah the element 113 that was

546

00:25:24,070 --> 00:25:22,320

interesting because um

547

00:25:25,909 --> 00:25:24,080

um if you hear the interview with nap

548

00:25:26,870 --> 00:25:25,919

and bigelow um how they talk about the

549

00:25:31,990 --> 00:25:26,880

one

550

00:25:33,990 --> 00:25:32,000

15 113 or i thought it was 15. um but

551
00:25:35,830 --> 00:25:34,000
he thought it was that but it turns out

552
00:25:38,310 --> 00:25:35,840
it was just the weird packaging

553
00:25:39,510 --> 00:25:38,320
that that was in that he had but he

554
00:25:44,149 --> 00:25:39,520
thought it was that

555
00:25:49,909 --> 00:25:44,159
so that's interesting um

556
00:25:55,269 --> 00:25:52,149
how can you prove it's not true just

557
00:25:59,430 --> 00:25:57,909
can you prove it's true completely no

558
00:26:00,390 --> 00:25:59,440
but you can make a really convincing

559
00:26:03,669 --> 00:26:00,400
argument

560
00:26:07,310 --> 00:26:03,679
and i think that's what he did all right

561
00:26:08,950 --> 00:26:07,320
so have you guys ever seen

562
00:26:12,549 --> 00:26:08,960
[Music]

563
00:26:16,190 --> 00:26:12,559

something like this changing the subject

564

00:26:20,549 --> 00:26:16,200

this is december 8

565

00:26:26,789 --> 00:26:24,549

condon uh the condom report everything

566

00:26:29,029 --> 00:26:26,799

like that mid 60s all that well they

567

00:26:30,310 --> 00:26:29,039

contracted out to the university of

568

00:26:33,830 --> 00:26:30,320

colorado

569

00:26:36,310 --> 00:26:33,840

to help um do this and this

570

00:26:37,669 --> 00:26:36,320

letter i found which is very interesting

571

00:26:40,789 --> 00:26:37,679

because it mentions

572

00:26:44,070 --> 00:26:40,799

i'm going to move this banner here um

573

00:26:47,430 --> 00:26:44,080

carl sagan and

574

00:26:48,230 --> 00:26:47,440

crash debris so yeah corbell was my

575

00:26:53,269 --> 00:26:48,240

segway into

576
00:26:56,070 --> 00:26:53,279
crash debris

577
00:26:57,750 --> 00:26:56,080
um let me make this full size here it's

578
00:27:01,110 --> 00:26:57,760
a pretty good one

579
00:27:04,630 --> 00:27:01,120
man it's so small sorry

580
00:27:09,830 --> 00:27:07,830
uh when you get a chance this is to dr

581
00:27:11,830 --> 00:27:09,840
tom when you get a chance i would

582
00:27:13,830 --> 00:27:11,840
appreciate it if you would let art

583
00:27:14,870 --> 00:27:13,840
know that i've been in contact with carl

584
00:27:16,870 --> 00:27:14,880
sagan

585
00:27:19,590 --> 00:27:16,880
about the establishment of the ufo

586
00:27:21,510 --> 00:27:19,600
commission in the ussr

587
00:27:22,630 --> 00:27:21,520
while sagan is very interested in the

588
00:27:25,430 --> 00:27:22,640

ufo problem

589

00:27:27,070 --> 00:27:25,440

and in what we're doing and also in the

590

00:27:28,549 --> 00:27:27,080

recent developments in russia he felt

591

00:27:30,549 --> 00:27:28,559

reluctant to

592

00:27:32,310 --> 00:27:30,559

contact i'm not even going to try to say

593

00:27:35,669 --> 00:27:32,320

that last name

594

00:27:37,350 --> 00:27:35,679

his re his reasoning is that uh soviet

595

00:27:39,510 --> 00:27:37,360

investigation is being conducted by the

596

00:27:42,870 --> 00:27:39,520

military it would be difficult

597

00:27:46,630 --> 00:27:44,549

uh whatever about it without

598

00:27:49,750 --> 00:27:46,640

compromising himself and sagan felt

599

00:27:53,029 --> 00:27:49,760

nervous about even asking him to comment

600

00:27:58,389 --> 00:27:56,389

um there's some follow-up with lindell

601
00:28:01,669 --> 00:27:58,399
in the meeting that frank rand called

602
00:28:02,549 --> 00:28:01,679
is it rand is that rand rand i don't

603
00:28:04,549 --> 00:28:02,559
know

604
00:28:06,389 --> 00:28:04,559
in addition to the second thing undel

605
00:28:08,950 --> 00:28:06,399
mentioned a patent lawyer mississippi

606
00:28:11,750 --> 00:28:08,960
named elmore who is thought to have

607
00:28:12,549 --> 00:28:11,760
in his possession a report of an

608
00:28:15,190 --> 00:28:12,559
analysis

609
00:28:15,990 --> 00:28:15,200
that was made of a piece of metal

610
00:28:18,630 --> 00:28:16,000
discovered

611
00:28:19,750 --> 00:28:18,640
after a fall through the atmosphere

612
00:28:23,590 --> 00:28:19,760
which i believe

613
00:28:25,350 --> 00:28:23,600

more observed himself as i recall

614

00:28:26,630 --> 00:28:25,360

as i recall it the piece of metal has

615

00:28:29,029 --> 00:28:26,640

been lost

616

00:28:32,630 --> 00:28:29,039

but the results of the analysis still

617

00:28:38,549 --> 00:28:36,230

interesting citing made by admiral

618

00:28:40,230 --> 00:28:38,559

bolster on a flight from hawaii

619

00:28:41,669 --> 00:28:40,240

to san francisco a long time ago he

620

00:28:42,950 --> 00:28:41,679

believes that this report is still in

621

00:28:45,269 --> 00:28:42,960

the navy's hands

622

00:28:46,870 --> 00:28:45,279

and that it is classified perhaps if it

623

00:28:48,549 --> 00:28:46,880

is classified

624

00:28:52,149 --> 00:28:48,559

no higher than secret we can get a hold

625

00:28:54,549 --> 00:28:52,159

of it and see what we do with it

626
00:28:55,669 --> 00:28:54,559
um question of this picture is very

627
00:28:57,190 --> 00:28:55,679
similar to the one

628
00:28:59,510 --> 00:28:57,200
of the classical pictures that still

629
00:29:02,950 --> 00:28:59,520
remains in the puzzling category

630
00:29:03,590 --> 00:29:02,960
interesting i thought that was a cool

631
00:29:09,110 --> 00:29:03,600
document

632
00:29:15,510 --> 00:29:13,350
university of colorado december 8th 1967

633
00:29:16,789 --> 00:29:15,520
uh the university of colorado then had

634
00:29:19,110 --> 00:29:16,799
what was called

635
00:29:20,950 --> 00:29:19,120
ufo officers which was pretty

636
00:29:24,230 --> 00:29:20,960
interesting

637
00:29:24,950 --> 00:29:24,240
um and i heard i forgot who told me this

638
00:29:27,269 --> 00:29:24,960

actually me

639

00:29:28,310 --> 00:29:27,279

maybe it was graham i don't know that

640

00:29:32,389 --> 00:29:28,320

like um

641

00:29:35,350 --> 00:29:32,399

four other colleges or something um

642

00:29:38,470 --> 00:29:35,360

were asked to participate in this

643

00:29:39,750 --> 00:29:38,480

program and they turned it down i guess

644

00:29:44,230 --> 00:29:39,760

i don't know if that's true but that's

645

00:29:51,750 --> 00:29:47,990

pretty cool so

646

00:29:57,190 --> 00:29:51,760

uh yeah carl sagan crash debris

647

00:30:11,590 --> 00:30:00,710

i have the really cool stuff

648

00:30:11,600 --> 00:30:17,990

but to me is cool

649

00:30:24,070 --> 00:30:21,190

all right believe this is it

650

00:30:26,310 --> 00:30:24,080

this is just a little project i made

651
00:30:26,789 --> 00:30:26,320
i've only had the technology over the

652
00:30:29,350 --> 00:30:26,799
last

653
00:30:30,710 --> 00:30:29,360
decade maybe decade and a half to do

654
00:30:32,789 --> 00:30:30,720
atomic engineering

655
00:30:35,190 --> 00:30:32,799
and that is when i say atomic i mean

656
00:30:37,750 --> 00:30:35,200
precision nano engineering

657
00:30:38,630 --> 00:30:37,760
being able to develop material with a

658
00:30:42,630 --> 00:30:38,640
precise

659
00:30:45,029 --> 00:30:42,640
uh atomic ratio isotopic ratio

660
00:30:46,950 --> 00:30:45,039
and and have that isotopic ratio

661
00:30:49,590 --> 00:30:46,960
consistent and uniform

662
00:30:50,310 --> 00:30:49,600
uh throughout uh throughout the material

663
00:30:52,549 --> 00:30:50,320

that's that

664

00:30:54,870 --> 00:30:52,559

that's very very complex very very

665

00:30:57,190 --> 00:30:54,880

expensive very very technical

666

00:30:59,430 --> 00:30:57,200

and when you when you have material in

667

00:31:02,149 --> 00:30:59,440

your possession in your hand

668

00:31:03,590 --> 00:31:02,159

that predates any of that technology and

669

00:31:04,870 --> 00:31:03,600

it's it's certainly it's clearly

670

00:31:07,190 --> 00:31:04,880

engineered

671

00:31:08,630 --> 00:31:07,200

then you're forced to to come to the

672

00:31:11,269 --> 00:31:08,640

conclusion that

673

00:31:12,910 --> 00:31:11,279

someone made it something has the story

674

00:31:15,990 --> 00:31:12,920

and the las vegas connection

675

00:31:15,990 --> 00:31:16,000

[Music]

676
00:31:20,870 --> 00:31:18,470
for years the pentagon secretly studied

677
00:31:23,430 --> 00:31:20,880
the seemingly impossible abilities of

678
00:31:24,310 --> 00:31:23,440
unknown craft captured in these military

679
00:31:25,990 --> 00:31:24,320
videos

680
00:31:28,710 --> 00:31:26,000
scientists now want to know if the

681
00:31:31,350 --> 00:31:28,720
materials used in these mystery aircraft

682
00:31:33,190 --> 00:31:31,360
allow them to do what they do for years

683
00:31:34,149 --> 00:31:33,200
one of the secret studies was carried

684
00:31:36,470 --> 00:31:34,159
out by bass

685
00:31:37,909 --> 00:31:36,480
a las vegas operation hidden within

686
00:31:40,149 --> 00:31:37,919
bigelow aerospace

687
00:31:42,389 --> 00:31:40,159
documents first reported by the i-team

688
00:31:43,509 --> 00:31:42,399

show that bass landed a contract with

689

00:31:45,750 --> 00:31:43,519

the dia

690

00:31:47,509 --> 00:31:45,760

and one of the objectives was to study

691

00:31:49,909 --> 00:31:47,519

so-called meta materials

692

00:31:50,710 --> 00:31:49,919

as well as futuristic technologies it

693

00:31:52,789 --> 00:31:50,720

was a

694

00:31:53,830 --> 00:31:52,799

multi-layered bismuth and magnesium

695

00:31:56,870 --> 00:31:53,840

sample

696

00:31:59,190 --> 00:31:56,880

bismuth layers less than a human hair

697

00:32:00,950 --> 00:31:59,200

magnesium samples about 10 times the

698

00:32:03,110 --> 00:32:00,960

size of human hair

699

00:32:04,310 --> 00:32:03,120

supposedly picked up in the crash

700

00:32:07,830 --> 00:32:04,320

retrieval

701
00:32:10,070 --> 00:32:07,840
of an advanced aerospace vehicle

702
00:32:11,509 --> 00:32:10,080
looks like it's been in the crash in las

703
00:32:13,750 --> 00:32:11,519
vegas back in june

704
00:32:14,549 --> 00:32:13,760
physicist hal put off came pretty close

705
00:32:17,269 --> 00:32:14,559
to saying

706
00:32:19,029 --> 00:32:17,279
that this weird wedge of meta material

707
00:32:21,269 --> 00:32:19,039
came from a crashed saucer

708
00:32:22,310 --> 00:32:21,279
but he can't know for sure put off and

709
00:32:24,389 --> 00:32:22,320
his colleague dr

710
00:32:25,830 --> 00:32:24,399
eric davis are on the cutting edge of

711
00:32:28,149 --> 00:32:25,840
attempts to identify

712
00:32:29,350 --> 00:32:28,159
an assortment of bits and pieces that

713
00:32:32,640 --> 00:32:29,360

are seemingly beyond

714

00:32:41,110 --> 00:32:32,650

anything we can create

715

00:32:41,120 --> 00:32:49,570

boom that's not bad right

716

00:32:54,830 --> 00:32:52,280

[Music]

717

00:32:57,269 --> 00:32:54,840

[Laughter]

718

00:33:17,669 --> 00:32:57,279

um

719

00:33:23,909 --> 00:33:20,789

i'll put this in there

720

00:33:24,549 --> 00:33:23,919

i'm going to thank steve k for showing

721

00:33:26,789 --> 00:33:24,559

me this one

722

00:33:29,350 --> 00:33:26,799

charge of the technology that was taken

723

00:33:32,549 --> 00:33:29,360

from the wreckage at roswell

724

00:33:35,110 --> 00:33:32,559

and uh given the assignment of of

725

00:33:37,110 --> 00:33:35,120

farming this equipment out to various

726

00:33:39,669 --> 00:33:37,120

major american corporations

727

00:33:41,350 --> 00:33:39,679

to attempt to capitalize on the

728

00:33:43,029 --> 00:33:41,360

technology that was recovered from the

729

00:33:46,070 --> 00:33:43,039

roswell crash

730

00:33:48,710 --> 00:33:46,080

and so we we start to begin to see

731

00:33:50,950 --> 00:33:48,720

this extraordinarily interesting

732

00:33:53,029 --> 00:33:50,960

unfolding in front of us

733

00:33:54,870 --> 00:33:53,039

because what i want what i want to do

734

00:33:55,669 --> 00:33:54,880

today in the brief time that we have

735

00:33:59,029 --> 00:33:55,679

together

736

00:34:02,070 --> 00:33:59,039

is i want to talk about this

737

00:34:03,909 --> 00:34:02,080

this conspiracy set of conspiracy

738

00:34:04,830 --> 00:34:03,919

theories in the context of the ufo

739

00:34:07,830 --> 00:34:04,840

phenomenon

740

00:34:09,270 --> 00:34:07,840

because the cover-up on the part of the

741

00:34:12,470 --> 00:34:09,280

united states government

742

00:34:15,829 --> 00:34:15,349

so i just wanted to go through this

743

00:34:18,829 --> 00:34:15,839

quick

744

00:34:22,790 --> 00:34:18,839

with you so what he's about to explain

745

00:34:26,710 --> 00:34:25,829

who really put pressure on this stuff to

746

00:34:29,829 --> 00:34:26,720

put it to bed

747

00:34:31,109 --> 00:34:29,839

and it was time life magazine and then

748

00:34:34,230 --> 00:34:31,119

it kind of goes through the

749

00:34:34,710 --> 00:34:34,240

connections there of the people one of

750

00:34:37,510 --> 00:34:34,720

which

751
00:34:38,629 --> 00:34:37,520
is the person responsible for briefing

752
00:34:46,149 --> 00:34:38,639
general

753
00:34:51,589 --> 00:34:49,990
the reality of ufos and the reality of

754
00:34:52,710 --> 00:34:51,599
contact with an extraterrestrial

755
00:34:55,430 --> 00:34:52,720
civilization

756
00:34:56,550 --> 00:34:55,440
like this is without any doubt

757
00:34:58,950 --> 00:34:56,560
whatsoever

758
00:35:00,550 --> 00:34:58,960
the biggest and the most important

759
00:35:04,230 --> 00:35:00,560
conspiracy

760
00:35:07,750 --> 00:35:04,240
that exists uh in on our planet today

761
00:35:10,230 --> 00:35:07,760
and in our country uh what i want to do

762
00:35:11,270 --> 00:35:10,240
is before i address that directly i want

763
00:35:13,670 --> 00:35:11,280

to use as

764

00:35:14,630 --> 00:35:13,680

another example of this a discussion

765

00:35:17,750 --> 00:35:14,640

about what the second

766

00:35:19,270 --> 00:35:17,760

biggest conspiracy is that we're all

767

00:35:21,109 --> 00:35:19,280

aware of i think we probably all could

768

00:35:22,950 --> 00:35:21,119

think pretty clearly about what that is

769

00:35:28,829 --> 00:35:22,960

in addition to the ufo phenomenon the

770

00:35:36,230 --> 00:35:31,270

i don't know

771

00:35:36,240 --> 00:35:40,710

so oh yeah i

772

00:35:47,990 --> 00:35:44,470

i did not what the [h__h]

773

00:35:54,230 --> 00:35:48,000

sorry my my language well anyways

774

00:35:59,430 --> 00:35:57,990

24 1928 a critical period in there and

775

00:36:00,710 --> 00:35:59,440

it turns out that the people that were

776

00:36:04,310 --> 00:36:00,720

working with him

777

00:36:07,109 --> 00:36:04,320

included george herbert walker

778

00:36:08,310 --> 00:36:07,119

and people go let me see now george

779

00:36:16,310 --> 00:36:08,320

herbert walker

780

00:36:20,069 --> 00:36:16,320

bush one turns out that's his

781

00:36:23,109 --> 00:36:20,079

father-in-law and his father-in-law

782

00:36:25,750 --> 00:36:23,119

was one of the major financiers of

783

00:36:26,630 --> 00:36:25,760

the rise of hitler and the people that

784

00:36:29,829 --> 00:36:26,640

he worked with

785

00:36:30,710 --> 00:36:29,839

included john foster dulles and alan

786

00:36:32,630 --> 00:36:30,720

dallas

787

00:36:34,550 --> 00:36:32,640

alan dulles being the man who went on to

788

00:36:36,310 --> 00:36:34,560

become the director of the central

789

00:36:39,270 --> 00:36:36,320

intelligence agency

790

00:36:41,349 --> 00:36:39,280

and john foster dulles having been the

791

00:36:43,510 --> 00:36:41,359

secretary of state of the united states

792

00:36:46,230 --> 00:36:43,520

so you start to then begin to see wait a

793

00:36:49,589 --> 00:36:46,240

second this is now getting complex again

794

00:36:51,589 --> 00:36:49,599

because as it turns out this cabal of

795

00:36:54,150 --> 00:36:51,599

extreme reactionaries

796

00:36:55,349 --> 00:36:54,160

are also involved in having attempted to

797

00:36:57,510 --> 00:36:55,359

overthrow

798

00:36:59,030 --> 00:36:57,520

the united states government actually

799

00:37:01,829 --> 00:36:59,040

back in 1932

800

00:37:02,950 --> 00:37:01,839

it was actually an effort to generate a

801
00:37:05,829 --> 00:37:02,960
military

802
00:37:08,790 --> 00:37:05,839
coup against the roosevelt government

803
00:37:10,550 --> 00:37:08,800
back in 1932

804
00:37:13,349 --> 00:37:10,560
and now these are things that that

805
00:37:15,510 --> 00:37:13,359
people have almost never heard about

806
00:37:17,270 --> 00:37:15,520
but it becomes very important for us for

807
00:37:18,870 --> 00:37:17,280
this reason

808
00:37:21,750 --> 00:37:18,880
because it turns out that the

809
00:37:25,430 --> 00:37:21,760
hand-picked editor-in-chief

810
00:37:28,630 --> 00:37:25,440
of time life picked by henry lewis

811
00:37:31,910 --> 00:37:28,640
was a man by the name of c.d jackson

812
00:37:35,430 --> 00:37:31,920
and c.d jackson turns out to be the man

813
00:37:38,470 --> 00:37:35,440

named by colonel corso

814

00:37:41,030 --> 00:37:38,480

as his briefing officer

815

00:37:42,710 --> 00:37:41,040

when corso was put in charge of the

816

00:37:44,950 --> 00:37:42,720

technology that was taken from the

817

00:37:48,069 --> 00:37:44,960

wreckage at roswell

818

00:37:50,710 --> 00:37:48,079

and given the assignment of of

819

00:37:52,710 --> 00:37:50,720

farming this equipment out to various

820

00:37:55,270 --> 00:37:52,720

major american corporations

821

00:37:56,870 --> 00:37:55,280

to attempt to capitalize on the

822

00:37:58,550 --> 00:37:56,880

technology that was recovered from the

823

00:38:02,829 --> 00:37:58,560

roswell crash

824

00:38:10,710 --> 00:38:06,069

yeah so

825

00:38:18,150 --> 00:38:14,550

interesting isn't it

826

00:38:23,910 --> 00:38:18,160

hey italy girl what up

827

00:38:32,630 --> 00:38:27,190

so you can see there's

828

00:38:37,270 --> 00:38:32,640

plenty of

829

00:38:40,790 --> 00:38:37,280

hints and rumblings at crash retrievals

830

00:38:44,069 --> 00:38:40,800

so it's not new and

831

00:38:46,710 --> 00:38:44,079

what would be

832

00:38:48,310 --> 00:38:46,720

irritating anyone about the core bell

833

00:38:50,470 --> 00:38:48,320

thing would be his delivery

834

00:38:51,670 --> 00:38:50,480

and we went over that before to each

835

00:38:55,190 --> 00:38:51,680

their own

836

00:38:58,630 --> 00:38:55,200

so that was a long thing

837

00:39:00,550 --> 00:38:58,640

sorry um yeah go back and watch that

838

00:39:03,670 --> 00:39:00,560

video it's on dark sky

839

00:39:08,310 --> 00:39:03,680

um yeah the oswald thing is

840

00:39:08,320 --> 00:39:11,829

he says

841

00:39:18,950 --> 00:39:15,349

what's up dj um

842

00:39:26,230 --> 00:39:18,960

that the person who actually shot him

843

00:39:31,910 --> 00:39:29,510

pretty interesting in that there was

844

00:39:33,990 --> 00:39:31,920

three people and these three people were

845

00:39:37,030 --> 00:39:34,000

assassination group and they actually

846

00:39:41,510 --> 00:39:37,040

went on a assassination plan

847

00:39:44,870 --> 00:39:41,520

to cuba and fidel castro

848

00:39:47,430 --> 00:39:44,880

kennedy's heard it they put a stop to it

849

00:39:52,470 --> 00:39:47,440

they're pretty pissed off that's what

850

00:39:59,670 --> 00:39:56,230

not bad huh

851

00:40:02,870 --> 00:39:59,680

actually i'll keep playing it while i

852

00:40:05,670 --> 00:40:02,880

take a quick break does that sound okay

853

00:40:07,109 --> 00:40:05,680

because we're going two hours today so

854

00:40:11,349 --> 00:40:07,119

uh ryan's coming in

855

00:40:15,030 --> 00:40:11,359

at 1.

856

00:40:20,309 --> 00:40:15,040

i've only had oh that's the wrong one

857

00:40:24,790 --> 00:40:22,950

i don't always travel the galaxy but

858

00:40:33,270 --> 00:40:24,800

when i do

859

00:40:58,870 --> 00:40:37,990

you guys are awesome all right

860

00:41:05,430 --> 00:41:01,910

oh god all right let's try it again here

861

00:41:09,030 --> 00:41:05,440

and i'll just let it go while i

862

00:41:14,950 --> 00:41:12,069

we we start to begin to see this

863

00:41:16,390 --> 00:41:14,960

extraordinarily interesting unfolding in

864

00:41:18,390 --> 00:41:16,400

front of us

865

00:41:19,990 --> 00:41:18,400

because what i want what i want to do

866

00:41:23,670 --> 00:41:20,000

today in the brief time that we

867

00:41:26,790 --> 00:41:23,680

have together is i want to talk about

868

00:41:28,790 --> 00:41:26,800

this this conspiracy set of

869

00:41:30,230 --> 00:41:28,800

conspiracy theories in the context of

870

00:41:33,270 --> 00:41:30,240

the ufo phenomenon

871

00:41:34,630 --> 00:41:33,280

because the cover-up on the part of the

872

00:41:38,069 --> 00:41:34,640

united states government

873

00:41:39,910 --> 00:41:38,079

of the reality of ufos

874

00:41:41,910 --> 00:41:39,920

and the reality of contact with an

875

00:41:44,630 --> 00:41:41,920

extraterrestrial civilization

876

00:41:45,750 --> 00:41:44,640

like this is without any doubt

877

00:41:48,150 --> 00:41:45,760

whatsoever

878

00:41:49,750 --> 00:41:48,160

the biggest and the most important

879

00:41:53,750 --> 00:41:49,760

conspiracy

880

00:41:57,270 --> 00:41:53,760

that exists uh in on our planet today in

881

00:41:59,829 --> 00:41:57,280

in our country what i want to do is

882

00:42:00,470 --> 00:41:59,839

before i address that directly i want to

883

00:42:02,790 --> 00:42:00,480

use as

884

00:42:03,829 --> 00:42:02,800

another example of this a discussion

885

00:42:06,950 --> 00:42:03,839

about what the second

886

00:42:08,470 --> 00:42:06,960

biggest conspiracy is that we're all

887

00:42:08,790 --> 00:42:08,480

aware of i think we probably all could

888

00:42:10,390 --> 00:42:08,800

think

889

00:42:12,150 --> 00:42:10,400

pretty clearly about what that is in

890

00:42:13,510 --> 00:42:12,160

addition to the ufo phenomenon the

891

00:42:15,829 --> 00:42:13,520

cover-up of the et's

892

00:42:17,349 --> 00:42:15,839

the biggest the most central conspiracy

893

00:42:18,870 --> 00:42:17,359

in the history of the united states

894

00:42:20,630 --> 00:42:18,880

is the assassination of president

895

00:42:22,710 --> 00:42:20,640

kennedy and uh

896

00:42:23,750 --> 00:42:22,720

and people will write immediately will

897

00:42:26,950 --> 00:42:23,760

say yes that's

898

00:42:29,030 --> 00:42:26,960

true and as it turns out i happen to be

899

00:42:31,349 --> 00:42:29,040

in a position to be able to speak quite

900

00:42:32,390 --> 00:42:31,359

directly to that and so what i want to

901
00:42:34,150 --> 00:42:32,400
do today

902
00:42:36,710 --> 00:42:34,160
given the fact that i was asked on short

903
00:42:38,470 --> 00:42:36,720
notice to talk with you

904
00:42:40,710 --> 00:42:38,480
i want to i want to tell you what it is

905
00:42:44,069 --> 00:42:40,720
that actually happened there

906
00:42:47,910 --> 00:42:44,079
and i think it's about time

907
00:42:49,589 --> 00:42:47,920
that that this was clarified directly

908
00:42:51,829 --> 00:42:49,599
because what's getting ready to happen

909
00:42:53,829 --> 00:42:51,839
is in june of this year

910
00:42:55,910 --> 00:42:53,839
just another couple months you're going

911
00:42:58,150 --> 00:42:55,920
to you're going to find something out

912
00:43:00,230 --> 00:42:58,160
that is going to be quite shocking and

913
00:43:02,790 --> 00:43:00,240

startling to all of you

914

00:43:03,750 --> 00:43:02,800

there is as we speak an article being

915

00:43:07,270 --> 00:43:03,760

prepared

916

00:43:09,430 --> 00:43:07,280

by new yorker magazine a 12 000

917

00:43:11,109 --> 00:43:09,440

word article that's going to be

918

00:43:13,190 --> 00:43:11,119

published

919

00:43:15,030 --> 00:43:13,200

and it's going to be it's it's being

920

00:43:18,069 --> 00:43:15,040

written right as we speak

921

00:43:20,710 --> 00:43:18,079

it's being written by a uh by two men

922

00:43:22,870 --> 00:43:20,720

a man by the name of jefferson morley

923

00:43:26,230 --> 00:43:22,880

and david talbot

924

00:43:29,510 --> 00:43:26,240

and what they're going to be revealing

925

00:43:31,670 --> 00:43:29,520

is that in june of 1968

926
00:43:33,430 --> 00:43:31,680
when bobby kennedy was killed at the

927
00:43:35,270 --> 00:43:33,440
ambassador hotel

928
00:43:38,390 --> 00:43:35,280
there has now been discovered a

929
00:43:41,589 --> 00:43:40,309
that was taken within minutes of the

930
00:43:44,870 --> 00:43:41,599
killing

931
00:43:47,270 --> 00:43:44,880
of three men standing in the lobby

932
00:43:48,950 --> 00:43:47,280
of the ambassador hotel which included

933
00:43:53,510 --> 00:43:48,960
david morales

934
00:43:55,510 --> 00:43:53,520
gordon campbell in jorge johandes

935
00:43:57,510 --> 00:43:55,520
now this doesn't mean anything to you

936
00:44:00,630 --> 00:43:57,520
yet but it turns out that

937
00:44:02,069 --> 00:44:00,640
david morales was in fact the shooter on

938
00:44:05,270 --> 00:44:02,079

the grassy knoll

939

00:44:09,349 --> 00:44:05,280
in daly plaza on november 22

940

00:44:11,670 --> 00:44:09,359
of 1963. and he was the

941

00:44:13,510 --> 00:44:11,680
the the lead shooter in the triangular

942

00:44:16,870 --> 00:44:13,520
fire team that was trained

943

00:44:21,109 --> 00:44:16,880
to assassinate fidel castro

944

00:44:22,150 --> 00:44:21,119
and jorge johannes was the head of the

945

00:44:26,069 --> 00:44:22,160
dre

946

00:44:28,870 --> 00:44:26,079
which is the cuban student group

947

00:44:30,309 --> 00:44:28,880
that oswald got into the argument with

948

00:44:32,470 --> 00:44:30,319
on the street corner

949

00:44:34,710 --> 00:44:32,480
in down in new orleans the famous

950

00:44:36,710 --> 00:44:34,720
incident that occurred down there

951
00:44:38,309 --> 00:44:36,720
but it turns out that these three men

952
00:44:39,670 --> 00:44:38,319
were actually standing right in the

953
00:44:41,589 --> 00:44:39,680
ambassador hotel

954
00:44:44,150 --> 00:44:41,599
in the lobby within minutes after the

955
00:44:47,109 --> 00:44:44,160
killing of bobby kennedy

956
00:44:48,069 --> 00:44:47,119
and a second revelation that's in the

957
00:44:50,710 --> 00:44:48,079
process of being

958
00:44:52,069 --> 00:44:50,720
made very soon is going to be undertaken

959
00:44:55,109 --> 00:44:52,079
by richard billings

960
00:44:57,030 --> 00:44:55,119
richard billings was the chief

961
00:44:58,790 --> 00:44:57,040
staff writer for the house select

962
00:45:01,270 --> 00:44:58,800
committee on assassinations

963
00:45:02,710 --> 00:45:01,280

there are a series of major intense

964

00:45:05,349 --> 00:45:02,720

meetings going on

965

00:45:08,069 --> 00:45:05,359

today actually they began yesterday and

966

00:45:10,390 --> 00:45:08,079

are continuing on to today

967

00:45:11,910 --> 00:45:10,400

in which dick billings is participating

968

00:45:13,750 --> 00:45:11,920

along with

969

00:45:14,950 --> 00:45:13,760

gayton fonzie who is the chief

970

00:45:16,470 --> 00:45:14,960

investigator for the house select

971

00:45:18,870 --> 00:45:16,480

committee on assassinations

972

00:45:20,309 --> 00:45:18,880

they're in communication with g robert

973

00:45:22,950 --> 00:45:20,319

blakey who is the staff

974

00:45:24,390 --> 00:45:22,960

staff chief they're now in the process

975

00:45:25,750 --> 00:45:24,400

of getting ready to reveal a second

976

00:45:29,670 --> 00:45:29,760

photograph

977

00:45:32,870 --> 00:45:29,680

which shows in daly plaza within seconds

978

00:45:36,230 --> 00:45:32,880

before the shooting a photograph of

979

00:45:38,710 --> 00:45:36,240

rip robertson in grayson lynch

980

00:45:40,630 --> 00:45:38,720

and that's important because rip

981

00:45:43,670 --> 00:45:40,640

robertson happens to be

982

00:45:45,349 --> 00:45:43,680

the fellow let me tell you who rip

983

00:45:47,030 --> 00:45:45,359

robertson is

984

00:45:48,790 --> 00:45:47,040

and why it's so important that he's

985

00:45:50,630 --> 00:45:48,800

standing right there in daley plaza and

986

00:45:53,349 --> 00:45:50,640

you can see the picture of the president

987

00:45:55,190 --> 00:45:53,359

in conley's vehicle going right past him

988

00:45:59,510 --> 00:45:55,200

and you can see him tipping his hat

989

00:46:02,710 --> 00:46:02,150

it turns out that the reason we know who

990

00:46:05,910 --> 00:46:02,720

he is

991

00:46:08,710 --> 00:46:05,920

is because back in june

992

00:46:09,309 --> 00:46:08,720

i'll take you together now back to june

993

00:46:14,069 --> 00:46:09,319

of

994

00:46:16,390 --> 00:46:14,079

months before the president

995

00:46:18,309 --> 00:46:16,400

was killed in dallas in november of

996

00:46:21,430 --> 00:46:18,319

1963.

997

00:46:24,069 --> 00:46:21,440

turns out that richard billings was

998

00:46:26,150 --> 00:46:24,079

at that time the miami bureau chief for

999

00:46:30,309 --> 00:46:26,160

time life magazine

1000

00:46:33,589 --> 00:46:30,319

and he received a call and was told to

1001
00:46:34,630 --> 00:46:33,599
go to the miami national airport this is

1002
00:46:37,670 --> 00:46:34,640
the night of june

1003
00:46:39,750 --> 00:46:37,680
8 of 1963.

1004
00:46:42,870 --> 00:46:39,760
he went to the miami national airport

1005
00:46:44,470 --> 00:46:42,880
international airport at midnight

1006
00:46:46,309 --> 00:46:44,480
was met by a group of men there and

1007
00:46:48,150 --> 00:46:46,319
taken to what they call corrosion corner

1008
00:46:51,750 --> 00:46:48,160
which is this big corner where the

1009
00:46:59,030 --> 00:46:51,760
the covert flights come out of miami

1010
00:47:02,069 --> 00:47:01,750
on to the ocean they landed on the ocean

1011
00:47:05,829 --> 00:47:02,079
and

1012
00:47:08,069 --> 00:47:05,839
large yacht

1013
00:47:09,990 --> 00:47:08,079

was called flying tight the flying tiger

1014

00:47:11,910 --> 00:47:10,000

too was owned by a man by the name of

1015

00:47:15,270 --> 00:47:11,920

william pauley

1016

00:47:17,750 --> 00:47:15,280

close friend of c d

1017

00:47:19,670 --> 00:47:17,760

jackson who was in fact the

1018

00:47:23,270 --> 00:47:19,680

editor-in-chief of time

1019

00:47:25,750 --> 00:47:23,280

life magazine and that's why billings

1020

00:47:27,750 --> 00:47:25,760

was asked to go because c.d jackson

1021

00:47:30,150 --> 00:47:27,760

the editor-in-chief of time life wanted

1022

00:47:32,470 --> 00:47:30,160

to have him on board

1023

00:47:34,950 --> 00:47:32,480

this yacht because they were they were

1024

00:47:37,270 --> 00:47:34,960

taking an assassination team

1025

00:47:38,150 --> 00:47:37,280

ashore that was going to make an attempt

1026

00:47:41,829 --> 00:47:38,160

to assassinate

1027

00:47:43,670 --> 00:47:41,839

fidel castro and

1028

00:47:46,630 --> 00:47:43,680

it turns out that the person who was in

1029

00:47:49,829 --> 00:47:46,640

charge of that assassination team

1030

00:47:56,069 --> 00:47:49,839

on that date from june 8th june 10th

1031

00:47:59,990 --> 00:47:58,950

all right that was pretty interesting

1032

00:48:03,190 --> 00:48:00,000

huh

1033

00:48:04,710 --> 00:48:03,200

i shared the link for you

1034

00:48:08,069 --> 00:48:04,720

so you can watch more of it if you want

1035

00:48:19,349 --> 00:48:09,910

oh come on og skywatch you're getting

1036

00:48:26,230 --> 00:48:23,750

for sure i can i can see that um

1037

00:48:27,750 --> 00:48:26,240

yeah so sprig is going to join us

1038

00:48:31,670 --> 00:48:27,760

shortly

1039

00:48:35,109 --> 00:48:31,680

um i kind of went through all uh

1040

00:48:37,589 --> 00:48:35,119

the material that i wanted to go through

1041

00:48:39,750 --> 00:48:37,599

so if you guys want to tackle any

1042

00:48:44,390 --> 00:48:39,760

questions or anything

1043

00:48:47,589 --> 00:48:44,400

let me know and we could do that

1044

00:48:47,990 --> 00:48:47,599

there is another great part of that

1045

00:48:52,150 --> 00:48:48,000

video

1046

00:48:55,190 --> 00:48:52,160

towards the end at about 55 minutes

1047

00:48:57,589 --> 00:48:55,200

where he talks about

1048

00:48:59,910 --> 00:48:57,599

how some of this stuff works right he he

1049

00:49:01,990 --> 00:48:59,920

goes

1050

00:49:03,990 --> 00:49:02,000

there's basically eight world theories

1051
00:49:06,470 --> 00:49:04,000
right

1052
00:49:07,270 --> 00:49:06,480
that's what he says and it's interesting

1053
00:49:11,430 --> 00:49:07,280
that there's

1054
00:49:15,670 --> 00:49:13,190
and when you take those eight colors and

1055
00:49:21,109 --> 00:49:15,680
mix them together you get a bright white

1056
00:49:26,630 --> 00:49:24,230
it's interesting he obviously knows a

1057
00:49:29,670 --> 00:49:26,640
lot of stuff

1058
00:49:33,990 --> 00:49:29,680
a lot so

1059
00:49:42,390 --> 00:49:38,710
i was very

1060
00:49:46,150 --> 00:49:44,390
like there needs to be a line divided

1061
00:49:49,270 --> 00:49:46,160
between sheehan and lou

1062
00:49:52,309 --> 00:49:49,280
which i'm starting to think

1063
00:49:55,510 --> 00:49:52,319

maybe mr sheehan

1064

00:49:57,510 --> 00:49:55,520

might actually uh

1065

00:50:00,790 --> 00:49:57,520

know what he's talking about because he

1066

00:50:05,109 --> 00:50:00,800

sure does with this stuff

1067

00:50:10,230 --> 00:50:07,750

i don't know is it unbelievable just

1068

00:50:12,069 --> 00:50:10,240

because of what he talks about

1069

00:50:13,589 --> 00:50:12,079

you know and what i mean is now that

1070

00:50:15,670 --> 00:50:13,599

he's on like jimmy church and fade to

1071

00:50:17,349 --> 00:50:15,680

black that kind of stuff he talks about

1072

00:50:19,270 --> 00:50:17,359

so he's obviously well put together he's

1073

00:50:22,230 --> 00:50:19,280

smart he's intelligent

1074

00:50:23,109 --> 00:50:22,240

and uh he talks like he does on fade to

1075

00:50:25,829 --> 00:50:23,119

black

1076
00:50:26,630 --> 00:50:25,839
which is taco talking about like witness

1077
00:50:30,069 --> 00:50:26,640
uh diploma

1078
00:50:34,309 --> 00:50:30,079
or citizen diplomacy

1079
00:50:40,230 --> 00:50:37,910
so that is interesting

1080
00:50:41,430 --> 00:50:40,240
um the conversation was actually on

1081
00:50:45,030 --> 00:50:41,440
conspiracies

1082
00:50:48,309 --> 00:50:45,040
and how to tell what a conspiracy is and

1083
00:50:50,309 --> 00:50:48,319
when it is not a conspiracy so

1084
00:50:51,510 --> 00:50:50,319
uh one that he talked about later was

1085
00:50:55,030 --> 00:50:51,520
actually

1086
00:50:58,870 --> 00:50:55,040
about john mack in the time life guy

1087
00:51:00,150 --> 00:50:58,880
um in that

1088
00:51:01,829 --> 00:51:00,160

you know people look back and they

1089

00:51:02,549 --> 00:51:01,839

thought maybe john mack was killed or

1090

00:51:04,630 --> 00:51:02,559

whatever

1091

00:51:06,790 --> 00:51:04,640

but that was actually just a drunken

1092

00:51:11,030 --> 00:51:06,800

mistake

1093

00:51:14,710 --> 00:51:13,270

uh the driver was drunk and hit him like

1094

00:51:17,430 --> 00:51:14,720

that's what it was

1095

00:51:18,150 --> 00:51:17,440

but there also was people putting

1096

00:51:21,829 --> 00:51:18,160

pressure

1097

00:51:22,710 --> 00:51:21,839

on him um john mack that is to not do

1098

00:51:26,470 --> 00:51:22,720

what he was doing

1099

00:51:28,790 --> 00:51:26,480

so his point was that people put those

1100

00:51:36,230 --> 00:51:28,800

things together and that's how the

1101
00:51:41,910 --> 00:51:36,240
conspiracy starts

1102
00:51:48,950 --> 00:51:45,510
uh i'm not sure if it was

1103
00:51:48,960 --> 00:51:55,750
then what is out in the public

1104
00:51:55,760 --> 00:52:01,589
so

1105
00:52:04,630 --> 00:52:03,829
maybe that's uh went right over my head

1106
00:52:14,950 --> 00:52:04,640
kind of thing

1107
00:52:14,960 --> 00:52:20,870
yeah maybe i'll save that for later

1108
00:52:27,990 --> 00:52:24,870
um but yeah i will try to find it yeah

1109
00:52:31,109 --> 00:52:30,069
yeah the career thing and there's always

1110
00:52:33,430 --> 00:52:31,119
these little

1111
00:52:34,309 --> 00:52:33,440
pieces of these people that just rub you

1112
00:52:36,470 --> 00:52:34,319
the wrong way

1113
00:52:37,430 --> 00:52:36,480

now here i am starting to think she ends

1114

00:52:41,829 --> 00:52:37,440

the man and then i

1115

00:52:45,510 --> 00:52:41,839

come back to that now but i could be

1116

00:52:47,349 --> 00:52:45,520

misadvised on that possibly who knows

1117

00:52:49,349 --> 00:52:47,359

i do know what he said about lou it was

1118

00:52:50,630 --> 00:52:49,359

terrible i do know that he runs his

1119

00:52:56,390 --> 00:52:50,640

stuff like a business

1120

00:53:04,790 --> 00:53:01,270

but um yeah so i'm trying to find

1121

00:53:11,510 --> 00:53:04,800

this other statement i have

1122

00:53:11,520 --> 00:53:19,430

which is very interesting

1123

00:53:25,910 --> 00:53:23,670

let me figure out how i can do this here

1124

00:53:32,069 --> 00:53:25,920

i'll just i don't want to read it i want

1125

00:53:32,079 --> 00:53:38,790

i just have to get it on my computer

1126

00:53:38,800 --> 00:53:45,589

that's all

1127

00:53:45,599 --> 00:53:49,349

um

1128

00:53:53,430 --> 00:53:50,710

what do you think is there going to be

1129

00:53:57,670 --> 00:53:55,349

like what else is coming down the road

1130

00:54:00,950 --> 00:53:57,680

is there more evidence coming you think

1131

00:54:05,990 --> 00:54:00,960

are we just kind of sitting here holding

1132

00:54:12,309 --> 00:54:10,470

i don't know

1133

00:54:16,470 --> 00:54:12,319

why do you guys think everybody goes on

1134

00:54:16,480 --> 00:54:22,230

oh thanks guitar me

1135

00:54:30,630 --> 00:54:24,390

do you why does everyone go on jimmy

1136

00:54:38,950 --> 00:54:33,349

i mean i'm not saying it's bad or good

1137

00:54:42,390 --> 00:54:38,960

or anything in between but um

1138

00:54:46,789 --> 00:54:42,400

it's just interesting that uh these

1139

00:54:55,829 --> 00:54:50,150

well i mean i guess they do i don't know

1140

00:54:55,839 --> 00:55:01,109

all right

1141

00:55:13,349 --> 00:55:05,349

because he has 1450 under his belt

1142

00:55:18,870 --> 00:55:15,349

oh right right that's the radio station

1143

00:55:24,740 --> 00:55:22,549

yeah that's true well radio is

1144

00:55:27,750 --> 00:55:24,750

dead someone needs to tell him

1145

00:55:31,670 --> 00:55:27,760

[Laughter]

1146

00:55:33,670 --> 00:55:31,680

oh show us yeah that's a lot of shows

1147

00:55:35,589 --> 00:55:33,680

i actually am about to hit my hundredth

1148

00:55:42,309 --> 00:55:35,599

show

1149

00:55:42,319 --> 00:55:50,230

so the statement

1150

00:55:50,240 --> 00:55:57,990

let's do this

1151

00:56:01,030 --> 00:55:59,750

um i'm not sure if you guys can see this

1152

00:56:12,549 --> 00:56:01,040

or not but

1153

00:56:12,559 --> 00:56:15,829

there it is okay

1154

00:56:15,839 --> 00:56:24,150

yeah i know on april 24th of this year

1155

00:56:24,160 --> 00:56:36,390

my capacity is 2001 general counsel

1156

00:56:43,190 --> 00:56:39,990

can you guys hear that stuff or not uh

1157

00:56:46,230 --> 00:56:43,200

read it or not here

1158

00:56:52,470 --> 00:56:46,240

i got some for you

1159

00:56:52,480 --> 00:56:57,190

here

1160

00:57:04,950 --> 00:57:00,870

that's the statement i just posted it

1161

00:57:21,430 --> 00:57:13,510

have fun read it

1162

00:57:24,829 --> 00:57:23,430

yeah you guys comments come in a little

1163

00:57:29,109 --> 00:57:24,839

late i'm i'm

1164

00:57:35,109 --> 00:57:32,710

but um yeah i just posted it in the uh

1165

00:57:35,910 --> 00:57:35,119

notes there so you can read that if

1166

00:57:41,670 --> 00:57:35,920

you'd like

1167

00:57:49,510 --> 00:57:41,680

um that is

1168

00:57:49,520 --> 00:57:52,950

so have fun with that

1169

00:58:01,430 --> 00:57:58,069

reading is hard reading is hard oh

1170

00:58:02,630 --> 00:58:01,440

i got a bunch of books you guys should

1171

00:58:06,630 --> 00:58:02,640

tell me which one to

1172

00:58:08,069 --> 00:58:06,640

start with i just picked random ones and

1173

00:58:10,309 --> 00:58:08,079

i don't really necessarily know about

1174

00:58:16,230 --> 00:58:10,319

the authors

1175

00:58:16,240 --> 00:58:24,470

this one

1176

00:58:30,710 --> 00:58:27,589

all right i think somebody's here

1177

00:58:31,670 --> 00:58:30,720

knocking at the door it reminds me of mr

1178

00:58:33,750 --> 00:58:31,680

rogers you know

1179

00:58:37,670 --> 00:58:33,760

oh somebody's at the door let me put on

1180

00:58:39,510 --> 00:58:37,680

my sweater and go answer it

1181

00:58:41,750 --> 00:58:39,520

we have a very special guest today he is

1182

00:58:45,510 --> 00:58:41,760

the host of somewhere in the skies

1183

00:58:48,549 --> 00:58:45,520

podcast he is an author for the debrief

1184

00:58:50,549 --> 00:58:48,559

media he has also written a book at

1185

00:58:53,829 --> 00:58:50,559

least one i know

1186

00:58:57,109 --> 00:58:53,839

and uh is very fantastic at what he

1187

00:58:57,510 --> 00:58:57,119

does and i'm very delighted to have him

1188

00:59:01,030 --> 00:58:57,520

on

1189

00:59:03,190 --> 00:59:01,040

with us so

1190

00:59:04,150 --> 00:59:03,200

here he is mr ryan how are you sean

1191

00:59:07,349 --> 00:59:04,160

what's up my man

1192

00:59:09,990 --> 00:59:07,359

hello neighbor how's that for mr rogers

1193

00:59:11,510 --> 00:59:10,000

yeah right hey hey that is the first

1194

00:59:13,030 --> 00:59:11,520

time i've ever been compared to mr

1195

00:59:16,230 --> 00:59:13,040

rogers and that is uh

1196

00:59:17,270 --> 00:59:16,240

beyond uh flattering so thanks man thank

1197

00:59:18,789 --> 00:59:17,280

you for having me

1198

00:59:20,870 --> 00:59:18,799

yeah no it's my pleasure thanks for

1199

00:59:23,589 --> 00:59:20,880

coming and i'm you know

1200

00:59:24,150 --> 00:59:23,599

i'm not necessarily comparing you to mr

1201
00:59:26,150 --> 00:59:24,160
rogers

1202
00:59:28,309 --> 00:59:26,160
as much as just how the whole thing

1203
00:59:31,430 --> 00:59:28,319
makes me feel when somebody arrives

1204
00:59:32,470 --> 00:59:31,440
right right well you do a damn good job

1205
00:59:35,430 --> 00:59:32,480
at it my man so

1206
00:59:36,230 --> 00:59:35,440
thank you i love that poster uh puerto

1207
00:59:38,230 --> 00:59:36,240
rico

1208
00:59:39,589 --> 00:59:38,240
oh thank you yeah that's part of a

1209
00:59:41,430 --> 00:59:39,599
series um

1210
00:59:42,950 --> 00:59:41,440
it's really cool the artist he does all

1211
00:59:45,910 --> 00:59:42,960
these twa

1212
00:59:46,549 --> 00:59:45,920
posters you know like the old uh i've

1213
00:59:49,190 --> 00:59:46,559

got a

1214

00:59:49,990 --> 00:59:49,200

russian one i've got chupacabra i've got

1215

00:59:52,630 --> 00:59:50,000

a um

1216

00:59:53,109 --> 00:59:52,640

loch ness monster somewhere here but uh

1217

00:59:56,630 --> 00:59:53,119

yeah

1218

00:59:57,990 --> 00:59:56,640

time we talk i'll probably have a

1219

01:00:01,030 --> 00:59:58,000

different one

1220

01:00:02,630 --> 01:00:01,040

it's so hard to find a good art uh like

1221

01:00:06,069 --> 01:00:02,640

ufo art like i would love

1222

01:00:06,630 --> 01:00:06,079

old 50s ufo art flying saucer stuff you

1223

01:00:08,789 --> 01:00:06,640

know that'd be

1224

01:00:10,069 --> 01:00:08,799

i know all the old book covers and

1225

01:00:12,390 --> 01:00:10,079

everything yeah it's

1226

01:00:13,829 --> 01:00:12,400

nostalgic to say the least yeah well

1227

01:00:15,510 --> 01:00:13,839

somebody will do that and make a bunch

1228

01:00:17,510 --> 01:00:15,520

of money i'm sure it's something oh yeah

1229

01:00:20,069 --> 01:00:17,520

only a matter of time i know i got a few

1230

01:00:22,150 --> 01:00:20,079

50s comic book style things on my own

1231

01:00:25,589 --> 01:00:22,160

store so

1232

01:00:26,710 --> 01:00:25,599

um so let me ask you um

1233

01:00:28,630 --> 01:00:26,720

you know if there's anything you don't

1234

01:00:31,109 --> 01:00:28,640

want to talk about that's fine but

1235

01:00:32,309 --> 01:00:31,119

um you know what i'm an open book man

1236

01:00:35,829 --> 01:00:32,319

whatever you need

1237

01:00:38,309 --> 01:00:35,839

well what really

1238

01:00:38,950 --> 01:00:38,319

kind of has stuck with me for a bit now

1239

01:00:41,190 --> 01:00:38,960

is

1240

01:00:43,430 --> 01:00:41,200

your tweet on how you felt a little

1241

01:00:48,069 --> 01:00:43,440

burnt out

1242

01:00:51,430 --> 01:00:48,079

yeah and you know i think that's

1243

01:00:54,549 --> 01:00:51,440

more common than not especially in this

1244

01:00:56,230 --> 01:00:54,559

scenario where there's seemingly a

1245

01:00:59,109 --> 01:00:56,240

finish line

1246

01:01:01,270 --> 01:00:59,119

somewhere but you don't know where you

1247

01:01:02,630 --> 01:01:01,280

know you know

1248

01:01:04,870 --> 01:01:02,640

and meanwhile you're working your butt

1249

01:01:06,470 --> 01:01:04,880

off so are you still

1250

01:01:08,470 --> 01:01:06,480

in that place or is there anything that

1251

01:01:10,549 --> 01:01:08,480

spurred it like how are you feeling

1252

01:01:13,030 --> 01:01:10,559

yeah oh i'm so happy you asked me that

1253

01:01:15,829 --> 01:01:13,040

because i think a lot of people

1254

01:01:17,349 --> 01:01:15,839

um feel that way i think a lot was

1255

01:01:20,630 --> 01:01:17,359

building up to this

1256

01:01:22,150 --> 01:01:20,640

report coming out um this seven page

1257

01:01:24,230 --> 01:01:22,160

report as we know now

1258

01:01:25,829 --> 01:01:24,240

i think we've all memorized it by heart

1259

01:01:28,150 --> 01:01:25,839

but um

1260

01:01:29,670 --> 01:01:28,160

you know so much anticipation leading up

1261

01:01:32,549 --> 01:01:29,680

to it it comes out

1262

01:01:34,390 --> 01:01:32,559

we all dissected it went through it and

1263

01:01:35,910 --> 01:01:34,400

now we're kind of like now what

1264

01:01:37,750 --> 01:01:35,920

and you know i've been seeing a lot on

1265

01:01:38,470 --> 01:01:37,760

like ufo twitter and stuff people being

1266

01:01:46,230 --> 01:01:38,480

like

1267

01:01:48,710 --> 01:01:46,240

can't say that it was the

1268

01:01:50,309 --> 01:01:48,720

report that did that to me but like you

1269

01:01:52,230 --> 01:01:50,319

know man

1270

01:01:53,510 --> 01:01:52,240

that whole couple months leading up to

1271

01:01:56,549 --> 01:01:53,520

it we were all

1272

01:01:59,190 --> 01:01:56,559

just constantly constantly

1273

01:02:00,390 --> 01:01:59,200

doing these live streams and and trying

1274

01:02:02,150 --> 01:02:00,400

to you know

1275

01:02:03,990 --> 01:02:02,160

just discuss this stuff and i think

1276

01:02:05,990 --> 01:02:04,000

right now we're living in um

1277

01:02:07,670 --> 01:02:06,000

it's kind of like new year's day you

1278

01:02:10,309 --> 01:02:07,680

know it's like the party's over

1279

01:02:10,950 --> 01:02:10,319

gotta clean up gotta look forward to

1280

01:02:13,990 --> 01:02:10,960

what comes

1281

01:02:17,029 --> 01:02:14,000

next and um for me i think i was just

1282

01:02:18,549 --> 01:02:17,039

uh i've been out of work for like since

1283

01:02:21,430 --> 01:02:18,559

the lockdown started

1284

01:02:21,670 --> 01:02:21,440

um during the pandemic no it's okay man

1285

01:02:37,750 --> 01:02:21,680

i

1286

01:02:40,630 --> 01:02:37,760

own stuff a new book uh the podcast

1287

01:02:41,829 --> 01:02:40,640

but i think for me just seeing it all

1288

01:02:44,950 --> 01:02:41,839

over every

1289

01:02:46,150 --> 01:02:44,960

news outlet um you know all over twitter

1290

01:02:49,510 --> 01:02:46,160

all over youtube

1291

01:02:52,390 --> 01:02:49,520

i just i woke up one morning and i

1292

01:02:54,230 --> 01:02:52,400

saw like three flying saucers on books

1293

01:02:56,789 --> 01:02:54,240

in my house and i was just like

1294

01:02:57,589 --> 01:02:56,799

i felt nauseous and and i don't mean

1295

01:03:00,390 --> 01:02:57,599

that really

1296

01:03:01,670 --> 01:03:00,400

in like oh so sick of this but i was

1297

01:03:04,150 --> 01:03:01,680

just done man

1298

01:03:05,270 --> 01:03:04,160

like you know we all have lives outside

1299

01:03:08,390 --> 01:03:05,280

of this stuff

1300

01:03:09,510 --> 01:03:08,400

and um i was kind of waiting for my my

1301

01:03:11,430 --> 01:03:09,520

life to restart

1302

01:03:13,029 --> 01:03:11,440

sure and um hopefully that's gonna

1303

01:03:14,950 --> 01:03:13,039

happen soon i live in new york city

1304

01:03:17,349 --> 01:03:14,960

where i uh work on broadway

1305

01:03:18,150 --> 01:03:17,359

so we're hoping that yeah you're an

1306

01:03:20,309 --> 01:03:18,160

actor

1307

01:03:22,950 --> 01:03:20,319

too aren't you i've done acting in the

1308

01:03:25,910 --> 01:03:22,960

past uh mostly i'm a play right now

1309

01:03:26,789 --> 01:03:25,920

oh wow but yeah man it's um hopefully in

1310

01:03:28,870 --> 01:03:26,799

september

1311

01:03:30,230 --> 01:03:28,880

uh the great white way will be coming

1312

01:03:32,390 --> 01:03:30,240

back but um

1313

01:03:33,510 --> 01:03:32,400

yeah i felt burnt out and then i talked

1314

01:03:36,470 --> 01:03:33,520

to vinnie

1315

01:03:38,390 --> 01:03:36,480

over at uh disclosure team yes and um we

1316

01:03:41,430 --> 01:03:38,400

had a really good chat

1317

01:03:43,109 --> 01:03:41,440

and uh that really i i could say this

1318

01:03:45,990 --> 01:03:43,119

that reinvigorated me

1319

01:03:48,710 --> 01:03:46,000

because i i love seeing all you guys

1320

01:03:50,789 --> 01:03:48,720

doing this stuff because i am learning

1321

01:03:53,829 --> 01:03:50,799

so much and i've been doing the ufo

1322

01:03:57,829 --> 01:03:53,839

thing since i was like 13 man but um

1323

01:03:59,990 --> 01:03:57,839

wow to see people like you and uh

1324

01:04:03,190 --> 01:04:00,000

unidentified celebrity review

1325

01:04:05,510 --> 01:04:03,200

and and vinnie and um who else we got

1326

01:04:07,270 --> 01:04:05,520

undead gaucho like just everybody out

1327

01:04:10,230 --> 01:04:07,280

there doing their thing

1328

01:04:10,950 --> 01:04:10,240

it makes me it's like having a uh a

1329

01:04:12,630 --> 01:04:10,960

spotter

1330

01:04:15,190 --> 01:04:12,640

at the gym you know you've got to keep

1331

01:04:16,390 --> 01:04:15,200

each other motivated or else you're just

1332

01:04:18,789 --> 01:04:16,400

going to sit at home and

1333

01:04:20,309 --> 01:04:18,799

yeah eat another pizza and the rocky guy

1334

01:04:21,270 --> 01:04:20,319

who tries to do it alone you're going to

1335

01:04:24,230 --> 01:04:21,280

get punished

1336

01:04:26,230 --> 01:04:24,240

exactly so i have to thank all you guys

1337

01:04:28,630 --> 01:04:26,240

for um i was feeling really

1338

01:04:29,750 --> 01:04:28,640

down and out and like i i don't know

1339

01:04:31,910 --> 01:04:29,760

where to go from here

1340

01:04:32,789 --> 01:04:31,920

like yeah the the podcast was feeling

1341

01:04:35,829 --> 01:04:32,799

stagnant

1342

01:04:37,029 --> 01:04:35,839

um i had severe writer's block with my

1343

01:04:39,990 --> 01:04:37,039

new book i'm writing

1344

01:04:42,069 --> 01:04:40,000

and i just i i passion tweeted that

1345

01:04:42,870 --> 01:04:42,079

thing out like i'm done guys i'm running

1346

01:04:45,589 --> 01:04:42,880

on fumes

1347

01:04:46,870 --> 01:04:45,599

and holy crap man like the positive

1348

01:04:49,510 --> 01:04:46,880

support i got

1349

01:04:50,630 --> 01:04:49,520

with that one tweet was just incredible

1350

01:04:52,950 --> 01:04:50,640

including yourself

1351
01:04:54,470 --> 01:04:52,960
and um yeah that's kind of where i'm at

1352
01:04:56,069 --> 01:04:54,480
now i'm slowly

1353
01:04:58,309 --> 01:04:56,079
building the muscles back up and i'm

1354
01:04:58,789 --> 01:04:58,319
ready to go back in the ufc gym i think

1355
01:05:01,270 --> 01:04:58,799
so yeah

1356
01:05:02,789 --> 01:05:01,280
awesome the one thing there's a couple

1357
01:05:04,150 --> 01:05:02,799
things if you don't mind that i would

1358
01:05:07,270 --> 01:05:04,160
that i would say

1359
01:05:11,430 --> 01:05:07,280
um one of which is

1360
01:05:14,630 --> 01:05:11,440
allow yourself to be frustrated

1361
01:05:17,349 --> 01:05:14,640
and to take a break because

1362
01:05:17,829 --> 01:05:17,359
it is a frustrating topic and everybody

1363
01:05:20,230 --> 01:05:17,839

gets

1364

01:05:21,029 --> 01:05:20,240

tired scott brown was in here he just

1365

01:05:22,950 --> 01:05:21,039

commented

1366

01:05:25,029 --> 01:05:22,960

he's been doing this for a while he quit

1367

01:05:28,549 --> 01:05:25,039

the field three times

1368

01:05:30,630 --> 01:05:28,559

yeah for extended periods of time yeah

1369

01:05:32,309 --> 01:05:30,640

i've been there for scott's quitting and

1370

01:05:34,470 --> 01:05:32,319

i just dude

1371

01:05:36,069 --> 01:05:34,480

you're so right you're so right like

1372

01:05:38,309 --> 01:05:36,079

there's times i just want to leave

1373

01:05:40,230 --> 01:05:38,319

but yeah yeah something always pulls you

1374

01:05:42,950 --> 01:05:40,240

back in but yeah sorry to enjoy yeah

1375

01:05:44,470 --> 01:05:42,960

no no and i just wanted to relate it to

1376

01:05:45,510 --> 01:05:44,480

something you're probably very familiar

1377

01:05:47,910 --> 01:05:45,520

with which is

1378

01:05:48,549 --> 01:05:47,920

you know anytime we work on big projects

1379

01:05:51,430 --> 01:05:48,559

right

1380

01:05:53,349 --> 01:05:51,440

whether you're writing a play or i'm

1381

01:05:56,069 --> 01:05:53,359

writing a song or whatever

1382

01:05:57,270 --> 01:05:56,079

and you have all this build up right to

1383

01:05:59,589 --> 01:05:57,280

the actual event

1384

01:06:01,510 --> 01:05:59,599

where it's going to be performed and

1385

01:06:03,349 --> 01:06:01,520

you've done all this marketing

1386

01:06:05,029 --> 01:06:03,359

and then you perform the show or you

1387

01:06:07,750 --> 01:06:05,039

release the album or

1388

01:06:09,430 --> 01:06:07,760

you know put on the play then it's over

1389

01:06:12,670 --> 01:06:09,440

then you have the same

1390

01:06:15,430 --> 01:06:12,680

feeling now what yeah it's like a

1391

01:06:15,910 --> 01:06:15,440

post-creation depression afterwards you

1392

01:06:18,549 --> 01:06:15,920

know

1393

01:06:19,109 --> 01:06:18,559

ah yeah it's the perfect framing of it

1394

01:06:21,430 --> 01:06:19,119

man i

1395

01:06:22,950 --> 01:06:21,440

know that feeling yeah yeah when i do

1396

01:06:25,510 --> 01:06:22,960

plays it's the same thing you

1397

01:06:26,390 --> 01:06:25,520

you build a trust and you build like a

1398

01:06:28,870 --> 01:06:26,400

family

1399

01:06:30,789 --> 01:06:28,880

in a cast you do the most intimate thing

1400

01:06:33,750 --> 01:06:30,799

you can do which is

1401
01:06:34,309 --> 01:06:33,760
perform create a world with these people

1402
01:06:36,309 --> 01:06:34,319
and then

1403
01:06:38,309 --> 01:06:36,319
it's over and you gotta move on with

1404
01:06:38,630 --> 01:06:38,319
your life and move on to the next thing

1405
01:06:39,910 --> 01:06:38,640
and

1406
01:06:42,309 --> 01:06:39,920
that's kind of what happened with my

1407
01:06:44,309 --> 01:06:42,319
podcast i was just feeling like

1408
01:06:45,990 --> 01:06:44,319
um every week i just had to get

1409
01:06:48,230 --> 01:06:46,000
something out had to get something out

1410
01:06:49,750 --> 01:06:48,240
instead of um sitting back and being

1411
01:06:51,670 --> 01:06:49,760
like wow that was an amazing

1412
01:06:54,710 --> 01:06:51,680
conversation i just had with vinnie

1413
01:06:57,349 --> 01:06:54,720

or you know with whoever my guest is and

1414

01:06:57,990 --> 01:06:57,359

absorb that the information instead of

1415

01:07:01,589 --> 01:06:58,000

just

1416

01:07:04,150 --> 01:07:01,599

has to be out so

1417

01:07:05,349 --> 01:07:04,160

um no i appreciate that and it's good

1418

01:07:07,270 --> 01:07:05,359

it's good to reflect

1419

01:07:08,549 --> 01:07:07,280

and uh you know know where you've been

1420

01:07:10,150 --> 01:07:08,559

and where you're going and

1421

01:07:12,710 --> 01:07:10,160

i think i was too worried about where i

1422

01:07:14,549 --> 01:07:12,720

was going and finding the answers to the

1423

01:07:16,870 --> 01:07:14,559

ufo question which

1424

01:07:18,309 --> 01:07:16,880

you know we're not even close to doing

1425

01:07:21,430 --> 01:07:18,319

man but uh

1426

01:07:23,109 --> 01:07:21,440

yeah yeah i i feel you for sure

1427

01:07:25,430 --> 01:07:23,119

sean cahill said it pretty good i think

1428

01:07:26,829 --> 01:07:25,440

when uh he said you don't have to lose

1429

01:07:29,910 --> 01:07:26,839

yourself to this

1430

01:07:32,390 --> 01:07:29,920

right absolutely that hit me

1431

01:07:33,190 --> 01:07:32,400

you know because at least when i started

1432

01:07:34,870 --> 01:07:33,200

getting into this

1433

01:07:37,029 --> 01:07:34,880

it definitely started taking away from

1434

01:07:40,549 --> 01:07:37,039

other things attention from other things

1435

01:07:43,349 --> 01:07:40,559

you know time money um and i think it's

1436

01:07:45,349 --> 01:07:43,359

really easy to just get swept away and

1437

01:07:47,029 --> 01:07:45,359

then become all ufos but

1438

01:07:48,630 --> 01:07:47,039

i don't think we'll be any good if we do

1439

01:07:51,029 --> 01:07:48,640

that right because

1440

01:07:53,029 --> 01:07:51,039

we get burnt the frick out and then what

1441

01:07:55,349 --> 01:07:53,039

good are we

1442

01:07:57,029 --> 01:07:55,359

you're so right man and you know i could

1443

01:07:57,670 --> 01:07:57,039

tell you're a musician because it's the

1444

01:08:01,829 --> 01:07:57,680

same

1445

01:08:04,710 --> 01:08:01,839

you start to hate your work

1446

01:08:05,270 --> 01:08:04,720

because it becomes a job and that's like

1447

01:08:07,829 --> 01:08:05,280

the word

1448

01:08:09,190 --> 01:08:07,839

it's it's the dream like make your craft

1449

01:08:10,069 --> 01:08:09,200

your job but then when it actually

1450

01:08:12,069 --> 01:08:10,079

happens

1451

01:08:13,750 --> 01:08:12,079

you're like oh this feels too much like

1452

01:08:15,349 --> 01:08:13,760

i'm punching in and punching out i don't

1453

01:08:17,510 --> 01:08:15,359

want to do that but

1454

01:08:20,229 --> 01:08:17,520

that's funny isn't it it is and you're

1455

01:08:24,070 --> 01:08:20,239

right like ufos are a part of my life

1456

01:08:25,749 --> 01:08:24,080

every single day for hours on end

1457

01:08:27,910 --> 01:08:25,759

and there's times i love it and times

1458

01:08:29,749 --> 01:08:27,920

where i'm like what else is going on in

1459

01:08:30,789 --> 01:08:29,759

the world you know we've been so focused

1460

01:08:34,470 --> 01:08:30,799

on this report

1461

01:08:36,709 --> 01:08:34,480

and and lou elizondo and tom delong

1462

01:08:38,309 --> 01:08:36,719

and blah blah blah when in reality like

1463

01:08:40,789 --> 01:08:38,319

there's a whole world

1464

01:08:41,590 --> 01:08:40,799

out there and i think we sometimes

1465

01:08:43,829 --> 01:08:41,600

forget that

1466

01:08:45,829 --> 01:08:43,839

and um that's kind of where i'm at right

1467

01:08:48,789 --> 01:08:45,839

now i kind of stepped back

1468

01:08:50,470 --> 01:08:48,799

and uh opened a script one of my plays

1469

01:08:52,070 --> 01:08:50,480

that i've been writing and hadn't looked

1470

01:08:55,749 --> 01:08:52,080

at in over a year and a half

1471

01:08:58,709 --> 01:08:55,759

and oh dude that feeling of like nice

1472

01:08:59,189 --> 01:08:58,719

inspiration it was amazing yeah that's

1473

01:09:03,110 --> 01:08:59,199

great

1474

01:09:06,390 --> 01:09:03,120

so now i'm writing a ufo play go fake

1475

01:09:06,950 --> 01:09:06,400

hey you combine the two i wrote a ufo

1476

01:09:10,789 --> 01:09:06,960

album

1477

01:09:11,510 --> 01:09:10,799

so exactly exactly and your elizondo

1478

01:09:14,950 --> 01:09:11,520

song man

1479

01:09:16,950 --> 01:09:14,960

uh oh yes and that one yeah i loved it

1480

01:09:19,510 --> 01:09:16,960

loved it that hit the mark apparently

1481

01:09:20,229 --> 01:09:19,520

so yeah that was cool i've written a lot

1482

01:09:23,510 --> 01:09:20,239

of songs

1483

01:09:25,030 --> 01:09:23,520

like that you know with the folky slow

1484

01:09:27,030 --> 01:09:25,040

stuff but

1485

01:09:28,550 --> 01:09:27,040

you know uh that one took just like five

1486

01:09:31,110 --> 01:09:28,560

minutes put it up and

1487

01:09:33,430 --> 01:09:31,120

you know it's just the weirdest thing it

1488

01:09:34,070 --> 01:09:33,440

is it's amazing how things catch on or

1489

01:09:36,149 --> 01:09:34,080

don't

1490

01:09:39,349 --> 01:09:36,159

um but no man like your heart was in

1491

01:09:43,430 --> 01:09:41,349

well it's people like you to be quite

1492

01:09:45,910 --> 01:09:43,440

honest um

1493

01:09:46,550 --> 01:09:45,920

make me give me the ability to feel

1494

01:09:49,669 --> 01:09:46,560

comfortable

1495

01:09:50,630 --> 01:09:49,679

in being myself i feel like the one

1496

01:09:54,470 --> 01:09:50,640

thing about you

1497

01:09:57,510 --> 01:09:54,480

is that you are true to who you are

1498

01:09:59,830 --> 01:09:57,520

and there's no bound bones about it and

1499

01:10:03,750 --> 01:09:59,840

you're confident in who that is

1500

01:10:07,270 --> 01:10:03,760

and that shows and that gives me

1501

01:10:09,430 --> 01:10:07,280

confidence in myself and to be who i am

1502

01:10:10,470 --> 01:10:09,440

because other people are doing it you

1503

01:10:13,669 --> 01:10:10,480

know yeah

1504

01:10:15,669 --> 01:10:13,679

and so so you know definitely

1505

01:10:17,590 --> 01:10:15,679

there's a lot of things that happen that

1506

01:10:19,510 --> 01:10:17,600

you may do

1507

01:10:21,830 --> 01:10:19,520

just like people do in in your life that

1508

01:10:24,630 --> 01:10:21,840

you're seeing that but you don't really

1509

01:10:26,149 --> 01:10:24,640

realize the kind of effect it has but

1510

01:10:27,590 --> 01:10:26,159

when you have good intentions and a pure

1511

01:10:30,630 --> 01:10:27,600

heart like you do

1512

01:10:32,790 --> 01:10:30,640

um people are gonna

1513

01:10:34,070 --> 01:10:32,800

get that good vibe in all sorts of

1514

01:10:34,870 --> 01:10:34,080

different ways that you don't even

1515

01:10:38,310 --> 01:10:34,880

realize

1516

01:10:40,950 --> 01:10:38,320

so know that when you get burnt out

1517

01:10:42,470 --> 01:10:40,960

no thank you man again it's here and

1518

01:10:44,470 --> 01:10:42,480

stuff like that that makes it worth it

1519

01:10:45,350 --> 01:10:44,480

and it makes me feel like it's a true

1520

01:10:48,229 --> 01:10:45,360

community

1521

01:10:48,550 --> 01:10:48,239

like you know within the past few years

1522

01:10:55,030 --> 01:10:48,560

this

1523

01:10:55,590 --> 01:10:55,040

off and i met so many new people and i

1524

01:10:58,950 --> 01:10:55,600

think the

1525

01:11:01,590 --> 01:10:58,960

the issue with that is a lot of the old

1526

01:11:04,149 --> 01:11:01,600

guard who have been in this for so long

1527

01:11:05,030 --> 01:11:04,159

um they saw a bunch of new people coming

1528

01:11:08,390 --> 01:11:05,040

into this field

1529

01:11:10,470 --> 01:11:08,400

guns ablaze in and just uh you know

1530

01:11:11,990 --> 01:11:10,480

kind of shamed all these people like you

1531

01:11:14,149 --> 01:11:12,000

don't know the history

1532

01:11:15,430 --> 01:11:14,159

like you're you're like you don't like

1533

01:11:17,430 --> 01:11:15,440

that's wrong blah blah blah

1534

01:11:19,189 --> 01:11:17,440

and the way i look at it man again i've

1535

01:11:20,950 --> 01:11:19,199

been doing this since i was 13. i'm not

1536

01:11:22,310 --> 01:11:20,960

a young gun by any stretch of the

1537

01:11:25,189 --> 01:11:22,320

imagination

1538

01:11:26,709 --> 01:11:25,199

of in terms of the ufo field but um i've

1539

01:11:30,189 --> 01:11:26,719

been doing it for a while

1540

01:11:33,350 --> 01:11:30,199

and as i saw this community growing and

1541

01:11:35,990 --> 01:11:33,360

diversifying uh it's what i

1542

01:11:36,950 --> 01:11:36,000

personally have wanted in this field for

1543

01:11:39,189 --> 01:11:36,960

so long

1544

01:11:40,149 --> 01:11:39,199

you know when i got into it it's all

1545

01:11:42,790 --> 01:11:40,159

just old

1546

01:11:44,070 --> 01:11:42,800

old white men and that was about it and

1547

01:11:47,270 --> 01:11:44,080

now everywhere i turn

1548

01:11:47,990 --> 01:11:47,280

every voice is now being amplified in

1549

01:11:49,990 --> 01:11:48,000

this field

1550

01:11:52,390 --> 01:11:50,000

and i think that's incredible it's

1551
01:11:53,350 --> 01:11:52,400
beautiful and we haven't had that ever

1552
01:11:56,310 --> 01:11:53,360
before

1553
01:11:57,110 --> 01:11:56,320
so i say embrace it you know when you

1554
01:11:59,750 --> 01:11:57,120
have these

1555
01:12:00,709 --> 01:11:59,760
older guard people being like like they

1556
01:12:02,550 --> 01:12:00,719
don't know what they're talking about

1557
01:12:05,030 --> 01:12:02,560
they just got into ufos last year

1558
01:12:05,669 --> 01:12:05,040
i'm like so what so did you at some

1559
01:12:09,430 --> 01:12:05,679
point

1560
01:12:12,550 --> 01:12:09,440
like you stumble along the way

1561
01:12:14,709 --> 01:12:12,560
i sure as hell did so um again

1562
01:12:15,830 --> 01:12:14,719
i i think it's amazing all these things

1563
01:12:18,630 --> 01:12:15,840

started somewhere

1564

01:12:19,510 --> 01:12:18,640

exactly dude exactly so um yeah i'm on

1565

01:12:22,850 --> 01:12:19,520

that weird

1566

01:12:25,750 --> 01:12:22,860

old guard new guard

1567

01:12:27,510 --> 01:12:25,760

[Laughter]

1568

01:12:29,910 --> 01:12:27,520

myself that way i can hang with the old

1569

01:12:33,030 --> 01:12:29,920

dudes and i can hang with the uh

1570

01:12:34,709 --> 01:12:33,040

the youngins so yeah

1571

01:12:36,149 --> 01:12:34,719

yeah that that's interesting that's an

1572

01:12:40,149 --> 01:12:36,159

interesting point because

1573

01:12:43,910 --> 01:12:40,159

um you know i think

1574

01:12:48,149 --> 01:12:43,920

as a new person i'm trying my best

1575

01:12:50,149 --> 01:12:48,159

to be careful with the things i say

1576

01:12:51,430 --> 01:12:50,159

i know or found out and i learned that

1577

01:12:53,430 --> 01:12:51,440

the hard way like

1578

01:12:54,950 --> 01:12:53,440

finding documents that like i don't

1579

01:12:56,630 --> 01:12:54,960

think anybody knows about this

1580

01:12:57,990 --> 01:12:56,640

asking a couple people they don't know

1581

01:13:00,149 --> 01:12:58,000

and then i kind of

1582

01:13:01,350 --> 01:13:00,159

post it like this is you know but

1583

01:13:03,830 --> 01:13:01,360

somebody does know about it

1584

01:13:04,390 --> 01:13:03,840

you know it's just not not spread out

1585

01:13:08,229 --> 01:13:04,400

and i

1586

01:13:11,430 --> 01:13:08,239

fast and hard

1587

01:13:13,350 --> 01:13:11,440

so i do find things out really quick but

1588

01:13:14,709 --> 01:13:13,360

it's hard to gain people's trust with

1589

01:13:17,110 --> 01:13:14,719

that because i'm new

1590

01:13:18,870 --> 01:13:17,120

you know that's that's hard man and

1591

01:13:19,830 --> 01:13:18,880

again that's the stumbling part i've

1592

01:13:22,950 --> 01:13:19,840

been there uh

1593

01:13:23,750 --> 01:13:22,960

a million times like for so many years i

1594

01:13:26,390 --> 01:13:23,760

was

1595

01:13:28,070 --> 01:13:26,400

a huge proponent of individuals that

1596

01:13:30,870 --> 01:13:28,080

have come forward with

1597

01:13:31,990 --> 01:13:30,880

either alien abduction accounts or um

1598

01:13:34,630 --> 01:13:32,000

you know close encounters

1599

01:13:35,189 --> 01:13:34,640

and then come to find out they were less

1600

01:13:37,510 --> 01:13:35,199

than

1601

01:13:38,790 --> 01:13:37,520

honest about involvement in certain

1602

01:13:41,030 --> 01:13:38,800

things and that's

1603

01:13:42,390 --> 01:13:41,040

that's just the way it is like we've all

1604

01:13:43,350 --> 01:13:42,400

made mistakes and we're all going to

1605

01:13:45,270 --> 01:13:43,360

continue

1606

01:13:46,550 --> 01:13:45,280

to make mistakes i'm wrong all the time

1607

01:13:49,750 --> 01:13:46,560

in this field man and

1608

01:13:51,110 --> 01:13:49,760

like that's okay i think that is a

1609

01:13:53,270 --> 01:13:51,120

prerequisite

1610

01:13:55,030 --> 01:13:53,280

it is you're gonna be wrong because none

1611

01:13:55,990 --> 01:13:55,040

of us know what the hell is actually

1612

01:13:58,470 --> 01:13:56,000

going on

1613

01:13:59,590 --> 01:13:58,480

i don't care who you are how long you've

1614

01:14:02,790 --> 01:13:59,600

been in this field

1615

01:14:06,149 --> 01:14:02,800

if you work for the dod if you didn't

1616

01:14:08,870 --> 01:14:06,159

like you do not know the answer

1617

01:14:11,030 --> 01:14:08,880

to this question of what are ufos

1618

01:14:14,149 --> 01:14:11,040

because there's probably

1619

01:14:15,910 --> 01:14:14,159

a million answers to every single

1620

01:14:17,910 --> 01:14:15,920

sighting that has happened every close

1621

01:14:19,350 --> 01:14:17,920

encounter experience and uh

1622

01:14:21,030 --> 01:14:19,360

i've kind of accepted that that i'm

1623

01:14:22,870 --> 01:14:21,040

never gonna find the answers

1624

01:14:24,070 --> 01:14:22,880

and i'm totally okay with that i might

1625

01:14:25,590 --> 01:14:24,080

find a couple

1626

01:14:27,669 --> 01:14:25,600

along the way but what did they say

1627

01:14:30,149 --> 01:14:27,679

prepare for the worst

1628

01:14:31,430 --> 01:14:30,159

plan for the worst or expect the worst

1629

01:14:33,830 --> 01:14:31,440

plane i don't know

1630

01:14:35,510 --> 01:14:33,840

yeah how does it go both on the same

1631

01:14:36,630 --> 01:14:35,520

wave like we just don't know the actual

1632

01:14:39,270 --> 01:14:36,640

quote but

1633

01:14:40,870 --> 01:14:39,280

it's so true it's so true like we're

1634

01:14:42,070 --> 01:14:40,880

even if we find those answers i don't

1635

01:14:43,910 --> 01:14:42,080

think they're going to be

1636

01:14:45,110 --> 01:14:43,920

even close to what any of us ever

1637

01:14:48,310 --> 01:14:45,120

expected so

1638

01:14:49,990 --> 01:14:48,320

right i love the journey you think we'll

1639

01:14:52,870 --> 01:14:50,000

have the same kind of feeling

1640

01:14:53,910 --> 01:14:52,880

as the report even if we do get true

1641

01:14:56,070 --> 01:14:53,920

answers

1642

01:14:58,310 --> 01:14:56,080

and there isn't some big like all of a

1643

01:15:01,590 --> 01:14:58,320

sudden they're all over the place

1644

01:15:03,110 --> 01:15:01,600

you know will we be left with that same

1645

01:15:06,550 --> 01:15:03,120

feeling of huh

1646

01:15:07,430 --> 01:15:06,560

that wasn't that great that's very

1647

01:15:10,550 --> 01:15:07,440

possible i

1648

01:15:11,910 --> 01:15:10,560

again you know maybe we don't we

1649

01:15:14,630 --> 01:15:11,920

shouldn't know the answers

1650

01:15:16,149 --> 01:15:14,640

or maybe uh you know it's not meant

1651

01:15:18,470 --> 01:15:16,159

maybe it's not written in the stars that

1652

01:15:20,310 --> 01:15:18,480

we ever truly know what ufos represent

1653

01:15:22,790 --> 01:15:20,320

maybe this conversation is supposed to

1654

01:15:26,149 --> 01:15:22,800

continue on and on until

1655

01:15:28,310 --> 01:15:26,159

you know inevitably the entire universe

1656

01:15:29,270 --> 01:15:28,320

collapses within itself and we never

1657

01:15:31,350 --> 01:15:29,280

find the answer

1658

01:15:32,390 --> 01:15:31,360

who knows but and someone's laughing at

1659

01:15:36,310 --> 01:15:32,400

you while it happens

1660

01:15:37,830 --> 01:15:36,320

yeah exactly but again like

1661

01:15:39,590 --> 01:15:37,840

it's the people i meet along the way

1662

01:15:40,630 --> 01:15:39,600

like you who make this all worth it i

1663

01:15:42,630 --> 01:15:40,640

don't give a [\h__\h]

1664

01:15:43,910 --> 01:15:42,640

if i ever know what excuse me part of my

1665

01:15:46,310 --> 01:15:43,920

language is

1666

01:15:47,350 --> 01:15:46,320

interesting you know what ufos truly

1667

01:15:49,750 --> 01:15:47,360

represent because

1668

01:15:52,070 --> 01:15:49,760

uh i don't think if we ever did find

1669

01:15:55,910 --> 01:15:52,080

those answers that uh they would even

1670

01:15:57,990 --> 01:15:55,920

satisfy the entire planet you know

1671

01:15:59,590 --> 01:15:58,000

yeah that's a good point yeah i'm

1672

01:16:03,990 --> 01:15:59,600

blabbing

1673

01:16:11,430 --> 01:16:07,270

oh no i forgot my question

1674

01:16:15,350 --> 01:16:11,440

oh do you do you think there's multiple

1675

01:16:17,830 --> 01:16:15,360

i i mean i know there's multiple uh uap

1676

01:16:18,870 --> 01:16:17,840

do you do you think they're from

1677

01:16:21,270 --> 01:16:18,880

different places

1678

01:16:23,030 --> 01:16:21,280

or do you think i know we're just

1679

01:16:26,310 --> 01:16:23,040

speculating but this is fun to me

1680

01:16:30,070 --> 01:16:26,320

or do you think that this thing

1681

01:16:33,590 --> 01:16:30,080

has the ability to change into different

1682

01:16:37,750 --> 01:16:33,600

things you know like so is it tic tac

1683

01:16:39,830 --> 01:16:37,760

in uh orb different or is it the same

1684

01:16:41,910 --> 01:16:39,840

and it just looks different for what

1685

01:16:45,350 --> 01:16:41,920

it's doing

1686

01:16:48,310 --> 01:16:45,360

i love that question um i i don't expect

1687

01:16:51,350 --> 01:16:48,320

you to know but yeah we're speculating

1688

01:16:54,470 --> 01:16:51,360

that's what the show is for um i

1689

01:16:56,870 --> 01:16:54,480

think that the phenomena is the most

1690

01:16:58,470 --> 01:16:56,880

amorphous thing you can possibly think

1691

01:17:02,470 --> 01:16:58,480

of the way i look at it is

1692

01:17:05,750 --> 01:17:02,480

it is it is just there

1693

01:17:08,709 --> 01:17:05,760

it's existing somehow some way and

1694

01:17:10,709 --> 01:17:08,719

it will it will appear to you in

1695

01:17:11,830 --> 01:17:10,719

whichever lens you choose to look at it

1696

01:17:14,149 --> 01:17:11,840

through

1697

01:17:15,510 --> 01:17:14,159

and i always go back to like valet

1698

01:17:18,310 --> 01:17:15,520

talking about

1699

01:17:18,709 --> 01:17:18,320

things like the uh the fatima sighting

1700

01:17:20,630 --> 01:17:18,719

and

1701

01:17:21,830 --> 01:17:20,640

these kids who believe that they saw the

1702

01:17:25,030 --> 01:17:21,840

virgin mary and

1703

01:17:27,270 --> 01:17:25,040

right this was a miraculous yeah yeah

1704

01:17:28,870 --> 01:17:27,280

yeah yep yep and it was just an amazing

1705

01:17:31,189 --> 01:17:28,880

experience for them and

1706

01:17:32,709 --> 01:17:31,199

religious uh but then you look at what

1707

01:17:35,030 --> 01:17:32,719

all the other witnesses kind of

1708

01:17:37,350 --> 01:17:35,040

described having happened and it was a

1709

01:17:38,790 --> 01:17:37,360

elliptical shaped light in the sky

1710

01:17:41,910 --> 01:17:38,800

hovering above them

1711

01:17:45,750 --> 01:17:41,920

shimmering and uh to me man like boom

1712

01:17:47,510 --> 01:17:45,760

you find saucer again i really think it

1713

01:17:49,110 --> 01:17:47,520

is the lens in which you choose to look

1714

01:17:51,510 --> 01:17:49,120

at the phenomena through

1715

01:17:52,149 --> 01:17:51,520

i don't think it is as black and white

1716

01:17:54,630 --> 01:17:52,159

as we

1717

01:17:55,910 --> 01:17:54,640

we think it is of little men and fun

1718

01:17:58,149 --> 01:17:55,920

saucers or

1719

01:17:59,189 --> 01:17:58,159

or anything i think it is a phenomenon

1720

01:18:01,270 --> 01:17:59,199

that chooses

1721

01:18:03,910 --> 01:18:01,280

to show itself to you however the hell

1722

01:18:06,149 --> 01:18:03,920

it wants to or however you want to

1723

01:18:07,830 --> 01:18:06,159

perceive it i mean i've had witnesses

1724

01:18:09,590 --> 01:18:07,840

that i've personally interviewed who

1725

01:18:11,910 --> 01:18:09,600

looked at the same object

1726

01:18:13,270 --> 01:18:11,920

and described it completely different

1727

01:18:14,870 --> 01:18:13,280

one saw it as a black

1728

01:18:16,790 --> 01:18:14,880

triangle another saw it as a white

1729

01:18:17,990 --> 01:18:16,800

triangle but they were looking at the

1730

01:18:21,030 --> 01:18:18,000

same damn thing

1731

01:18:23,510 --> 01:18:21,040

one second white triangle yeah okay

1732

01:18:25,189 --> 01:18:23,520

yeah um this is a cup a mother and

1733

01:18:28,070 --> 01:18:25,199

daughter in michigan

1734

01:18:29,189 --> 01:18:28,080

and uh they had they were staring at the

1735

01:18:31,750 --> 01:18:29,199

same object

1736

01:18:32,390 --> 01:18:31,760

and had completely different perceptions

1737

01:18:34,950 --> 01:18:32,400

of it

1738

01:18:36,630 --> 01:18:34,960

white and black um silent and

1739

01:18:39,270 --> 01:18:36,640

deafeningly loud

1740

01:18:39,990 --> 01:18:39,280

so i i don't know what to make of that

1741

01:18:42,870 --> 01:18:40,000

except that

1742

01:18:44,630 --> 01:18:42,880

it's crazy it's all in the observer i i

1743

01:18:48,550 --> 01:18:44,640

think we have a lot more to do with this

1744

01:18:52,950 --> 01:18:50,709

that's big that gives me the chills

1745

01:18:55,590 --> 01:18:52,960

that's a great answer

1746

01:18:57,189 --> 01:18:55,600

again i'm probably wrong but hey it's

1747

01:19:00,950 --> 01:18:57,199

something to put on the table

1748

01:19:01,910 --> 01:19:00,960

it reminds me of um mcmillan said

1749

01:19:04,229 --> 01:19:01,920

something all

1750

01:19:05,750 --> 01:19:04,239

a while ago now but it was something

1751

01:19:09,030 --> 01:19:05,760

about a sighting of things

1752

01:19:09,910 --> 01:19:09,040

and the same thing two people saw a

1753

01:19:11,750 --> 01:19:09,920

different thing

1754

01:19:14,070 --> 01:19:11,760

one side as white the other side is

1755

01:19:18,310 --> 01:19:14,080

black that is the same witness

1756

01:19:18,950 --> 01:19:18,320

it is it is i remember tim talking about

1757

01:19:21,830 --> 01:19:18,960

that and i

1758

01:19:23,990 --> 01:19:21,840

immediately texted him i'm like hey was

1759

01:19:24,390 --> 01:19:24,000

that patty in michigan and she's okay

1760

01:19:27,590 --> 01:19:24,400

with

1761

01:19:30,149 --> 01:19:27,600

us using her name and he was like yeah

1762

01:19:30,790 --> 01:19:30,159

i'm like dude like i've spoken to her

1763

01:19:33,270 --> 01:19:30,800

too that

1764

01:19:35,430 --> 01:19:33,280

that story is crazy tim and i started

1765

01:19:37,030 --> 01:19:35,440

comparing notes and it was awesome

1766

01:19:38,470 --> 01:19:37,040

it was awesome and then i got to meet

1767

01:19:41,270 --> 01:19:38,480

crazy actually

1768

01:19:42,870 --> 01:19:41,280

um in person because i interviewed over

1769

01:19:44,790 --> 01:19:42,880

hundreds of witnesses when i first

1770

01:19:47,590 --> 01:19:44,800

started writing my books and whatnot

1771

01:19:49,110 --> 01:19:47,600

and um she was amazing man like when i

1772

01:19:50,709 --> 01:19:49,120

finally got to sit down

1773

01:19:52,630 --> 01:19:50,719

and be like face to face with one of

1774

01:19:53,189 --> 01:19:52,640

these witnesses there's nothing like

1775

01:19:55,430 --> 01:19:53,199

that

1776

01:19:57,030 --> 01:19:55,440

to hear the story to look at them in the

1777

01:19:57,750 --> 01:19:57,040

eyes and say i would like to do more of

1778

01:20:00,470 --> 01:19:57,760

that

1779

01:20:01,110 --> 01:20:00,480

yeah hey who's to say you can't for sure

1780

01:20:03,590 --> 01:20:01,120

you know

1781

01:20:06,070 --> 01:20:03,600

get out there start meeting people once

1782

01:20:08,070 --> 01:20:06,080

things get back to normal and uh

1783

01:20:09,830 --> 01:20:08,080

you'll be surprised how much different

1784

01:20:11,669 --> 01:20:09,840

it can be than just getting a random

1785

01:20:12,390 --> 01:20:11,679

email from somebody you know it's weird

1786

01:20:14,870 --> 01:20:12,400

i went to

1787

01:20:16,149 --> 01:20:14,880

the antique store today it's like a

1788

01:20:19,430 --> 01:20:16,159

five-star antique store

1789

01:20:23,430 --> 01:20:19,440

and i got a bunch of like ufo books ooh

1790

01:20:26,709 --> 01:20:23,440

what'd you get um i got a bunch of stuff

1791

01:20:28,629 --> 01:20:26,719

interdimensional universe nice but this

1792

01:20:31,830 --> 01:20:28,639

lady apparently or this guy

1793

01:20:32,629 --> 01:20:31,840

is big into this stuff and i would have

1794

01:20:34,310 --> 01:20:32,639

never known that

1795

01:20:35,990 --> 01:20:34,320

in the coronavirus age because i

1796

01:20:39,669 --> 01:20:36,000

wouldn't have went there right

1797

01:20:42,870 --> 01:20:39,679

exactly this was written by root belt

1798

01:20:45,590 --> 01:20:42,880

1956 i think it's the blue book report

1799

01:20:46,070 --> 01:20:45,600

blue book winding wow that's okay that's

1800

01:20:47,750 --> 01:20:46,080

cool i

1801
01:20:49,110 --> 01:20:47,760
love that dude i love going to use

1802
01:20:52,629 --> 01:20:49,120
bookshops and just

1803
01:20:55,669 --> 01:20:52,639
trying to dig ooh the novelization

1804
01:20:57,990 --> 01:20:55,679
i have that here somewhere um but yeah i

1805
01:21:01,189 --> 01:20:58,000
was um i was very fortunate i

1806
01:21:04,390 --> 01:21:01,199
inherited i guess i could say um

1807
01:21:05,750 --> 01:21:04,400
an amazing used book collection of ufo

1808
01:21:07,669 --> 01:21:05,760
books from a uh

1809
01:21:08,870 --> 01:21:07,679
a witness that i actually interviewed

1810
01:21:11,830 --> 01:21:08,880
about a

1811
01:21:13,110 --> 01:21:11,840
very dramatic ufo sighting he had in uh

1812
01:21:14,709 --> 01:21:13,120
ohio i think it was

1813
01:21:16,229 --> 01:21:14,719

but he told me he's like you know i'm

1814

01:21:17,590 --> 01:21:16,239

getting up there in age

1815

01:21:19,270 --> 01:21:17,600

my kids i know they're just going to

1816

01:21:19,990 --> 01:21:19,280

sell these books off when i kick the

1817

01:21:21,590 --> 01:21:20,000

bucket

1818

01:21:23,270 --> 01:21:21,600

so i want someone to have them who i

1819

01:21:25,270 --> 01:21:23,280

know will appreciate them

1820

01:21:27,590 --> 01:21:25,280

and i was so touched man like i

1821

01:21:27,990 --> 01:21:27,600

literally started crying when he when he

1822

01:21:31,189 --> 01:21:28,000

told me

1823

01:21:34,390 --> 01:21:31,199

this and lo and behold he sent me like

1824

01:21:36,310 --> 01:21:34,400

this huge crate of books and it was like

1825

01:21:37,750 --> 01:21:36,320

christmas for me it was amazing i can't

1826

01:21:39,510 --> 01:21:37,760

even fit them in my tiny new york

1827

01:21:42,070 --> 01:21:39,520

apartment i had to bring them home to my

1828

01:21:42,950 --> 01:21:42,080

my parents house and shove them in the

1829

01:21:45,189 --> 01:21:42,960

attic for now

1830

01:21:46,470 --> 01:21:45,199

you know smallest is here come out

1831

01:21:48,229 --> 01:21:46,480

exactly

1832

01:21:50,629 --> 01:21:48,239

so you're paying three grand for it give

1833

01:21:52,709 --> 01:21:50,639

me a break

1834

01:21:54,229 --> 01:21:52,719

we do have one comment here only the

1835

01:21:55,350 --> 01:21:54,239

vatican called it mary not the kids

1836

01:21:58,390 --> 01:21:55,360

that's a good point

1837

01:22:01,189 --> 01:21:58,400

uh the fatima thing because it is

1838

01:22:02,149 --> 01:22:01,199

definitely well it seems like the

1839

01:22:05,350 --> 01:22:02,159

catholic church

1840

01:22:05,990 --> 01:22:05,360

just took that and made it to be about

1841

01:22:08,709 --> 01:22:06,000

them

1842

01:22:10,229 --> 01:22:08,719

you know that is such a good point again

1843

01:22:11,030 --> 01:22:10,239

i think that's what happens with these

1844

01:22:12,790 --> 01:22:11,040

things like

1845

01:22:14,470 --> 01:22:12,800

yeah as soon as someone else gets their

1846

01:22:17,110 --> 01:22:14,480

claws on it it becomes

1847

01:22:17,830 --> 01:22:17,120

their thing and uh their interpretation

1848

01:22:19,590 --> 01:22:17,840

so

1849

01:22:20,950 --> 01:22:19,600

yeah that's why i always tell people

1850

01:22:23,990 --> 01:22:20,960

yeah just

1851

01:22:25,830 --> 01:22:24,000

i tell people uh think for yourself

1852

01:22:27,590 --> 01:22:25,840

don't let anyone give you the answers to

1853

01:22:30,070 --> 01:22:27,600

what you experience because

1854

01:22:31,510 --> 01:22:30,080

deep down inside of you i think is where

1855

01:22:33,110 --> 01:22:31,520

the answers truly lie

1856

01:22:36,070 --> 01:22:33,120

and don't pay someone to give you the

1857

01:22:36,870 --> 01:22:36,080

answers to all of the mysteries out

1858

01:22:39,669 --> 01:22:36,880

there because

1859

01:22:40,709 --> 01:22:39,679

it ain't worth it i've done it and it

1860

01:22:43,510 --> 01:22:40,719

ain't worth it

1861

01:22:44,950 --> 01:22:43,520

money buys you everything even the

1862

01:22:48,709 --> 01:22:44,960

afterlife if you have enough

1863

01:22:51,510 --> 01:22:48,719

money you don't have to be in purgatory

1864

01:22:51,990 --> 01:22:51,520

buy your your fast pass into heaven

1865

01:22:55,350 --> 01:22:52,000

disney

1866

01:22:58,629 --> 01:22:55,360

style um so let me ask you this you've

1867

01:23:02,070 --> 01:22:58,639

been doing this since you were 13.

1868

01:23:02,709 --> 01:23:02,080

has your interest changed like your

1869

01:23:05,270 --> 01:23:02,719

interest

1870

01:23:05,990 --> 01:23:05,280

in this then is it different now like

1871

01:23:07,830 --> 01:23:06,000

were you more

1872

01:23:09,350 --> 01:23:07,840

into the alien stuff then but now you're

1873

01:23:10,629 --> 01:23:09,360

more into something else or

1874

01:23:13,430 --> 01:23:10,639

you know because there's a lot of

1875

01:23:16,629 --> 01:23:13,440

different categories and almost topics

1876

01:23:17,430 --> 01:23:16,639

that you can specialize in or focus your

1877

01:23:20,550 --> 01:23:17,440

efforts on

1878

01:23:21,270 --> 01:23:20,560

yeah so is is well i guess a better way

1879

01:23:23,510 --> 01:23:21,280

of asking

1880

01:23:25,430 --> 01:23:23,520

is is your inspiration change from then

1881

01:23:29,669 --> 01:23:25,440

to now

1882

01:23:30,629 --> 01:23:29,679

yeah i mean i i can honestly say that i

1883

01:23:35,110 --> 01:23:30,639

have become

1884

01:23:37,430 --> 01:23:35,120

much more uh i guess objective in my

1885

01:23:39,189 --> 01:23:37,440

approach to these things and that's okay

1886

01:23:42,390 --> 01:23:39,199

um i guess skeptical would be the right

1887

01:23:43,750 --> 01:23:42,400

word uh you know when i was 13 and every

1888

01:23:46,629 --> 01:23:43,760

book in the library was

1889

01:23:48,310 --> 01:23:46,639

truth to me you know crash the corona

1890

01:23:52,070 --> 01:23:48,320

was a spaceship that crashed

1891

01:23:54,950 --> 01:23:52,080

roswell uh loch ness monster was a true

1892

01:23:56,229 --> 01:23:54,960

okay let's do bigquery you know no

1893

01:23:59,350 --> 01:23:56,239

that's a great question

1894

01:24:01,510 --> 01:23:59,360

but i think as time went on and i

1895

01:24:02,790 --> 01:24:01,520

started to really look into it um that's

1896

01:24:05,510 --> 01:24:02,800

when you really start to

1897

01:24:06,390 --> 01:24:05,520

uh put stuff to the side and focus on

1898

01:24:08,790 --> 01:24:06,400

this and that

1899

01:24:10,709 --> 01:24:08,800

and um yeah my thoughts and feelings

1900

01:24:12,629 --> 01:24:10,719

changed constantly i think for a really

1901

01:24:16,310 --> 01:24:12,639

long time i was really into the

1902

01:24:20,229 --> 01:24:16,320

abduction thing alien abduction um

1903

01:24:22,149 --> 01:24:20,239

until i really started digging and uh

1904

01:24:23,750 --> 01:24:22,159

i can't i don't want to say that i don't

1905

01:24:25,350 --> 01:24:23,760

believe in it by any stretch of the

1906

01:24:25,910 --> 01:24:25,360

imagination i've interviewed hundreds of

1907

01:24:28,149 --> 01:24:25,920

people

1908

01:24:29,110 --> 01:24:28,159

who have claimed it uh but i think it's

1909

01:24:32,550 --> 01:24:29,120

far

1910

01:24:33,430 --> 01:24:32,560

stranger than just aliens kidnapping

1911

01:24:36,390 --> 01:24:33,440

people

1912

01:24:37,430 --> 01:24:36,400

uh i think that is somehow sometimes how

1913

01:24:39,110 --> 01:24:37,440

people

1914

01:24:41,189 --> 01:24:39,120

perceive david and we're talking about

1915

01:24:41,590 --> 01:24:41,199

that again yeah yeah so it all goes

1916

01:24:43,750 --> 01:24:41,600

again

1917

01:24:45,750 --> 01:24:43,760

back to the individual for me and that's

1918

01:24:47,750 --> 01:24:45,760

why i focus on the people because

1919

01:24:49,510 --> 01:24:47,760

i want to hear them tell me what

1920

01:24:50,350 --> 01:24:49,520

happened to them not what i think not

1921

01:24:52,550 --> 01:24:50,360

what some

1922

01:24:54,470 --> 01:24:52,560

hypnotherapist thinks or not even what a

1923

01:24:57,590 --> 01:24:54,480

ufo researcher thinks like

1924

01:24:59,510 --> 01:24:57,600

i want the most raw emotional uh

1925

01:25:02,070 --> 01:24:59,520

interpretation of what happened to you

1926
01:25:02,950 --> 01:25:02,080
from you the only person who was there

1927
01:25:05,510 --> 01:25:02,960
at the time

1928
01:25:06,870 --> 01:25:05,520
and experienced it that's great i think

1929
01:25:08,790 --> 01:25:06,880
maybe that's why i like you so much

1930
01:25:10,470 --> 01:25:08,800
because i try to do

1931
01:25:12,070 --> 01:25:10,480
the same thing maybe not in the

1932
01:25:14,709 --> 01:25:12,080
abduction sense but just make

1933
01:25:16,550 --> 01:25:14,719
what i'm doing you know more of a

1934
01:25:19,189 --> 01:25:16,560
personal thing than a

1935
01:25:19,990 --> 01:25:19,199
than a you know what's the latest crash

1936
01:25:23,189 --> 01:25:20,000
retrieval

1937
01:25:25,750 --> 01:25:23,199
you know because the people

1938
01:25:27,430 --> 01:25:25,760

in the community matter and if we can

1939

01:25:28,310 --> 01:25:27,440

learn each other more and talk to each

1940

01:25:30,390 --> 01:25:28,320

other more

1941

01:25:32,550 --> 01:25:30,400

i think we're more apt to work together

1942

01:25:33,510 --> 01:25:32,560

you know absolutely man and the big

1943

01:25:35,669 --> 01:25:33,520

thing right now is

1944

01:25:36,950 --> 01:25:35,679

obviously the government and the

1945

01:25:39,990 --> 01:25:36,960

military and

1946

01:25:42,070 --> 01:25:40,000

military ufo encounters and look that's

1947

01:25:42,870 --> 01:25:42,080

the way you get this topic to become

1948

01:25:45,350 --> 01:25:42,880

credible

1949

01:25:47,270 --> 01:25:45,360

when you have trained observers uh

1950

01:25:48,470 --> 01:25:47,280

describing these things which is awesome

1951

01:25:51,510 --> 01:25:48,480

i think that's great

1952

01:25:51,990 --> 01:25:51,520

but i i'm like you i try to remind

1953

01:25:54,229 --> 01:25:52,000

people

1954

01:25:56,470 --> 01:25:54,239

for every military witness or encounter

1955

01:25:58,390 --> 01:25:56,480

there's a hundred people outside of that

1956

01:25:59,990 --> 01:25:58,400

that have had experiences so talk to one

1957

01:26:02,310 --> 01:26:00,000

another don't just

1958

01:26:03,270 --> 01:26:02,320

keep going back to the tic tac and and

1959

01:26:05,189 --> 01:26:03,280

the gimbal like

1960

01:26:07,510 --> 01:26:05,199

again right we will be talking about

1961

01:26:09,430 --> 01:26:07,520

those they're not going anywhere

1962

01:26:10,629 --> 01:26:09,440

yeah exactly i'm on the shelf and see

1963

01:26:14,149 --> 01:26:10,639

what else is out there

1964

01:26:16,390 --> 01:26:14,159

and i think you'll be surprised yeah so

1965

01:26:17,510 --> 01:26:16,400

this kind of brings it back full circle

1966

01:26:18,310 --> 01:26:17,520

you know when you're done with the big

1967

01:26:19,750 --> 01:26:18,320

project

1968

01:26:22,149 --> 01:26:19,760

we were talking about you feel kind of

1969

01:26:23,030 --> 01:26:22,159

in a bummer state and what usually gets

1970

01:26:27,350 --> 01:26:23,040

you out of it it's

1971

01:26:29,189 --> 01:26:27,360

inspiration to start something new right

1972

01:26:30,950 --> 01:26:29,199

that could be there's something new that

1973

01:26:34,709 --> 01:26:30,960

we should do

1974

01:26:37,750 --> 01:26:34,719

yeah totally i again that's why i

1975

01:26:40,070 --> 01:26:37,760

keep going keep going yes thank you

1976

01:26:42,310 --> 01:26:40,080

because i needed to hear that and again

1977

01:26:42,950 --> 01:26:42,320

it was vinnie it was you who kind of got

1978

01:26:44,790 --> 01:26:42,960

me like

1979

01:26:46,390 --> 01:26:44,800

when you asked me to come on i know it

1980

01:26:47,430 --> 01:26:46,400

took us a while to finally make it

1981

01:26:49,350 --> 01:26:47,440

happen but yeah

1982

01:26:50,950 --> 01:26:49,360

i was like this is what i like doing

1983

01:26:53,270 --> 01:26:50,960

just talking me too and like

1984

01:26:55,189 --> 01:26:53,280

theorizing and trying to find

1985

01:26:57,350 --> 01:26:55,199

connections with other people

1986

01:26:59,030 --> 01:26:57,360

uh with this topic because again i can't

1987

01:27:01,270 --> 01:26:59,040

just go to like

1988

01:27:02,629 --> 01:27:01,280

you know the coffee shop and have these

1989

01:27:05,669 --> 01:27:02,639

profound

1990

01:27:08,149 --> 01:27:05,679

uh yeah

1991

01:27:09,990 --> 01:27:08,159

like that's just not a thing um so

1992

01:27:11,830 --> 01:27:10,000

that's why i love doing stuff like this

1993

01:27:13,430 --> 01:27:11,840

and i think you're right the more we

1994

01:27:15,910 --> 01:27:13,440

talk the more we share

1995

01:27:17,990 --> 01:27:15,920

the more this topic becomes normal and

1996

01:27:20,470 --> 01:27:18,000

the more data we finally have to

1997

01:27:22,629 --> 01:27:20,480

look at um you know the government's

1998

01:27:24,790 --> 01:27:22,639

looking at military ufo encounters great

1999

01:27:26,390 --> 01:27:24,800

but what again what about all these

2000

01:27:27,830 --> 01:27:26,400

other sightings throughout the world

2001
01:27:29,669 --> 01:27:27,840
from individuals who aren't in the

2002
01:27:32,149 --> 01:27:29,679
military who aren't in government

2003
01:27:33,350 --> 01:27:32,159
like that needs to be a part of the data

2004
01:27:36,629 --> 01:27:33,360
that they're collecting

2005
01:27:39,830 --> 01:27:36,639
or else what's the point i agree

2006
01:27:41,750 --> 01:27:39,840
and you know the reason

2007
01:27:43,750 --> 01:27:41,760
you know sometimes i think maybe it's

2008
01:27:46,310 --> 01:27:43,760
not necessarily that it's more credible

2009
01:27:47,350 --> 01:27:46,320
but whoever is designing you know the

2010
01:27:50,709 --> 01:27:47,360
stuff that we see

2011
01:27:51,750 --> 01:27:50,719
that gets pushed is lazy because there's

2012
01:27:54,629 --> 01:27:51,760
so many

2013
01:27:55,510 --> 01:27:54,639

more people in the other side outside of

2014

01:27:57,110 --> 01:27:55,520

military

2015

01:27:58,550 --> 01:27:57,120

and there's a lot more bull crap that

2016

01:28:00,950 --> 01:27:58,560

you have to sift through

2017

01:28:02,950 --> 01:28:00,960

you know to find the real good stories

2018

01:28:06,950 --> 01:28:02,960

and they don't want to deal with that

2019

01:28:10,629 --> 01:28:06,960

yeah well yeah and the other thing too

2020

01:28:13,990 --> 01:28:10,639

i think sean is that um

2021

01:28:15,510 --> 01:28:14,000

ufo incidents are so fleeting like what

2022

01:28:18,950 --> 01:28:15,520

is there to truly study

2023

01:28:19,830 --> 01:28:18,960

unless you have right downed wreckage or

2024

01:28:22,870 --> 01:28:19,840

you have

2025

01:28:25,270 --> 01:28:22,880

um some sort of trace evidence uh

2026

01:28:26,550 --> 01:28:25,280

that's why scientists are so afraid to

2027

01:28:28,950 --> 01:28:26,560

get involved with this

2028

01:28:29,590 --> 01:28:28,960

hey obviously this stigma and ridicule

2029

01:28:31,910 --> 01:28:29,600

but also

2030

01:28:33,510 --> 01:28:31,920

what is there to really study when these

2031

01:28:34,550 --> 01:28:33,520

things happen in the blink of an eye and

2032

01:28:36,629 --> 01:28:34,560

then they're gone

2033

01:28:37,910 --> 01:28:36,639

repeatability is like the key to the

2034

01:28:39,669 --> 01:28:37,920

scientific method

2035

01:28:42,070 --> 01:28:39,679

but it's the last thing we have when it

2036

01:28:44,870 --> 01:28:42,080

comes to these ufo um

2037

01:28:45,270 --> 01:28:44,880

sightings and accounts so uh it's tough

2038

01:28:47,510 --> 01:28:45,280

man

2039

01:28:48,550 --> 01:28:47,520

it's it's a tough it's tough water to

2040

01:28:51,270 --> 01:28:48,560

wade through

2041

01:28:53,110 --> 01:28:51,280

yeah it really is and it feels so

2042

01:28:54,149 --> 01:28:53,120

overwhelming doesn't it like he can't do

2043

01:28:56,950 --> 01:28:54,159

anything sometimes

2044

01:28:57,430 --> 01:28:56,960

but yeah we can't stand that tip because

2045

01:28:58,950 --> 01:28:57,440

we are

2046

01:29:01,110 --> 01:28:58,960

because we're doing things that we don't

2047

01:29:03,270 --> 01:29:01,120

even notice that really help

2048

01:29:05,750 --> 01:29:03,280

you know those things cause ricochet

2049

01:29:06,629 --> 01:29:05,760

effects and it could inspire somebody

2050

01:29:08,629 --> 01:29:06,639

else

2051

01:29:10,470 --> 01:29:08,639

five people separated that does

2052

01:29:11,430 --> 01:29:10,480

something really special you know or

2053

01:29:14,390 --> 01:29:11,440

whatever

2054

01:29:15,590 --> 01:29:14,400

yeah i remember um i'll tell you just a

2055

01:29:18,790 --> 01:29:15,600

quick story that guy

2056

01:29:21,830 --> 01:29:18,800

in ohio who sent me all the books he

2057

01:29:23,750 --> 01:29:21,840

had a mass ufo sighting um quote-unquote

2058

01:29:25,270 --> 01:29:23,760

mass ufo setting he was the only one who

2059

01:29:26,790 --> 01:29:25,280

remembered it happening

2060

01:29:29,189 --> 01:29:26,800

and he claimed that there were hundreds

2061

01:29:31,910 --> 01:29:29,199

of people there when this event

2062

01:29:32,550 --> 01:29:31,920

occurred at a drive-in movie theater um

2063

01:29:36,070 --> 01:29:32,560

so

2064

01:29:37,990 --> 01:29:36,080

he sees this thing and it happens

2065

01:29:39,590 --> 01:29:38,000

and then he didn't actually remember the

2066

01:29:41,510 --> 01:29:39,600

event until years later

2067

01:29:43,350 --> 01:29:41,520

when he had like a trigger memory he saw

2068

01:29:43,910 --> 01:29:43,360

like i think it was that rupell book

2069

01:29:45,990 --> 01:29:43,920

that you

2070

01:29:47,830 --> 01:29:46,000

you actually just got one of the covers

2071

01:29:50,310 --> 01:29:47,840

had like a ufo on it

2072

01:29:52,310 --> 01:29:50,320

and uh it just triggered his mind and

2073

01:29:54,790 --> 01:29:52,320

this whole event came back to him

2074

01:29:55,669 --> 01:29:54,800

and you know when i heard that i'm like

2075

01:29:57,910 --> 01:29:55,679

really dude

2076
01:29:59,830 --> 01:29:57,920
like hundreds of people were there and

2077
01:30:00,229 --> 01:29:59,840
nobody else is talking about it and i

2078
01:30:02,790 --> 01:30:00,239
dug

2079
01:30:03,350 --> 01:30:02,800
man like i i went into all the local

2080
01:30:05,910 --> 01:30:03,360
news

2081
01:30:07,430 --> 01:30:05,920
like archives at the time of where this

2082
01:30:10,070 --> 01:30:07,440
happened when it happened

2083
01:30:11,910 --> 01:30:10,080
no stories about it um it happened at a

2084
01:30:12,870 --> 01:30:11,920
drive-in movie theater i tried my best

2085
01:30:14,950 --> 01:30:12,880
to like

2086
01:30:17,030 --> 01:30:14,960
um reach out to anyone who worked at

2087
01:30:18,229 --> 01:30:17,040
that drive-in theater like i did some

2088
01:30:20,950 --> 01:30:18,239

crazy research

2089

01:30:21,590 --> 01:30:20,960

that is deep i couldn't find anybody and

2090

01:30:25,350 --> 01:30:21,600

then

2091

01:30:28,790 --> 01:30:25,360

i put a story in my book and between my

2092

01:30:30,629 --> 01:30:28,800

2016 book and my 2020 book

2093

01:30:33,110 --> 01:30:30,639

um which was a second edition of the

2094

01:30:34,950 --> 01:30:33,120

first book oh okay this guy's story was

2095

01:30:37,430 --> 01:30:34,960

in the 2016 version

2096

01:30:39,189 --> 01:30:37,440

between that time someone reached out to

2097

01:30:40,390 --> 01:30:39,199

me and said that they had seen the same

2098

01:30:43,430 --> 01:30:40,400

thing as him

2099

01:30:43,750 --> 01:30:43,440

same time only one town over so it was

2100

01:30:46,310 --> 01:30:43,760

like

2101
01:30:48,149 --> 01:30:46,320
wow you're right these things have an

2102
01:30:50,629 --> 01:30:48,159
effect that we don't truly realize

2103
01:30:53,110 --> 01:30:50,639
the power of it until after and that

2104
01:30:55,430 --> 01:30:53,120
person randomly like read my book

2105
01:30:57,030 --> 01:30:55,440
heard the story and now i'm able to put

2106
01:30:58,709 --> 01:30:57,040
these witnesses in touch with one

2107
01:30:59,350 --> 01:30:58,719
another to compare their stories and be

2108
01:31:02,149 --> 01:30:59,360
like

2109
01:31:04,070 --> 01:31:02,159
wow they might have seen the same exact

2110
01:31:07,350 --> 01:31:04,080
thing so that's what's so beautiful

2111
01:31:10,870 --> 01:31:07,360
you're right well hey awesome that

2112
01:31:12,950 --> 01:31:10,880
synchronicity but that's your hard work

2113
01:31:14,390 --> 01:31:12,960

like sometimes i feel like maybe you

2114

01:31:15,270 --> 01:31:14,400

feel like this you put in so much hard

2115

01:31:17,189 --> 01:31:15,280

work

2116

01:31:18,870 --> 01:31:17,199

and you don't see anything coming

2117

01:31:22,310 --> 01:31:18,880

together until something like that

2118

01:31:23,510 --> 01:31:22,320

happens and you're like oh you know and

2119

01:31:25,590 --> 01:31:23,520

it happens when you least

2120

01:31:26,870 --> 01:31:25,600

expect it yeah it's weird to get

2121

01:31:30,149 --> 01:31:26,880

rewarded that way

2122

01:31:30,790 --> 01:31:30,159

yeah this woman that um reached out to

2123

01:31:33,030 --> 01:31:30,800

me dude

2124

01:31:34,950 --> 01:31:33,040

her email went to my spam folder and

2125

01:31:35,750 --> 01:31:34,960

like how often do you just go to that

2126

01:31:40,629 --> 01:31:35,760

and

2127

01:31:43,030 --> 01:31:40,639

it just happened to be one day i was in

2128

01:31:44,470 --> 01:31:43,040

my spam folder there was maybe like only

2129

01:31:46,470 --> 01:31:44,480

six spam emails

2130

01:31:47,990 --> 01:31:46,480

so it wasn't like a huge barrage of them

2131

01:31:50,390 --> 01:31:48,000

where i would like mass delete

2132

01:31:52,950 --> 01:31:50,400

and i happen to see drive-in movie

2133

01:31:56,229 --> 01:31:52,960

theater ufo in the subject line

2134

01:31:59,669 --> 01:31:56,239

and i like my jaw dropped i'm like what

2135

01:32:01,669 --> 01:31:59,679

so i clicked on it and the minute this

2136

01:32:02,870 --> 01:32:01,679

woman started recalling what happened to

2137

01:32:05,830 --> 01:32:02,880

her i was like

2138

01:32:07,030 --> 01:32:05,840

holy [h__\h] like this is what we dream of

2139

01:32:09,110 --> 01:32:07,040

in the ufo field

2140

01:32:11,350 --> 01:32:09,120

like other people coming forward to an

2141

01:32:13,590 --> 01:32:11,360

event that only one person remembered

2142

01:32:14,470 --> 01:32:13,600

and like the burden of proof is on his

2143

01:32:16,950 --> 01:32:14,480

shoulders

2144

01:32:18,790 --> 01:32:16,960

right right right um so man he told me

2145

01:32:19,990 --> 01:32:18,800

like you have no idea how much weight

2146

01:32:22,709 --> 01:32:20,000

that lifted off of me

2147

01:32:24,550 --> 01:32:22,719

like people don't think i'm lying now b

2148

01:32:27,910 --> 01:32:24,560

people don't think i'm crazy

2149

01:32:29,270 --> 01:32:27,920

and uh those are that's the reason i

2150

01:32:31,669 --> 01:32:29,280

like doing this stuff

2151

01:32:32,709 --> 01:32:31,679

like it's not it's not about being on

2152

01:32:35,110 --> 01:32:32,719

shows or

2153

01:32:35,830 --> 01:32:35,120

writing books it's like talking to other

2154

01:32:37,990 --> 01:32:35,840

people

2155

01:32:39,030 --> 01:32:38,000

and trying to help if i can in any small

2156

01:32:40,390 --> 01:32:39,040

way of like

2157

01:32:42,470 --> 01:32:40,400

getting their story out there because

2158

01:32:45,189 --> 01:32:42,480

nobody else will listen to him

2159

01:32:46,390 --> 01:32:45,199

yeah wow that is amazing that's an

2160

01:32:50,550 --> 01:32:46,400

amazing story

2161

01:32:54,310 --> 01:32:50,560

yeah shoot that's cool

2162

01:32:57,430 --> 01:32:54,320

when was it

2163

01:32:58,470 --> 01:32:57,440

when was the event yeah in ohio that was

2164

01:33:01,990 --> 01:32:58,480

in

2165

01:33:05,990 --> 01:33:02,000

70 oh gosh

2166

01:33:07,270 --> 01:33:06,000

uh 1974 this happened at the ascot movie

2167

01:33:10,470 --> 01:33:07,280

theater in

2168

01:33:11,110 --> 01:33:10,480

uh cuyahoga falls ohio if anyone wants

2169

01:33:13,350 --> 01:33:11,120

to go

2170

01:33:14,470 --> 01:33:13,360

look it up yeah let's try to find some

2171

01:33:17,350 --> 01:33:14,480

more witnesses

2172

01:33:18,790 --> 01:33:17,360

um yeah man it's a crazy story and i

2173

01:33:22,790 --> 01:33:18,800

have so many like that

2174

01:33:24,629 --> 01:33:22,800

was it a triangle it was a um

2175

01:33:25,910 --> 01:33:24,639

yes i i should say it was in the

2176

01:33:28,390 --> 01:33:25,920

triangle family

2177

01:33:30,070 --> 01:33:28,400

right we're gonna go with that it was um

2178

01:33:32,870 --> 01:33:30,080

what is that shape chevron

2179

01:33:33,189 --> 01:33:32,880

it was shaped like a chevron um sort of

2180

01:33:36,709 --> 01:33:33,199

thing

2181

01:33:37,669 --> 01:33:36,719

and it was slick black no appendages no

2182

01:33:40,709 --> 01:33:37,679

lights no

2183

01:33:42,790 --> 01:33:40,719

windows and it was just this huge

2184

01:33:44,070 --> 01:33:42,800

craft that floated over the parking lot

2185

01:33:46,310 --> 01:33:44,080

of the movie theater

2186

01:33:48,070 --> 01:33:46,320

um the drive-in movie theater and he

2187

01:33:50,390 --> 01:33:48,080

said from like tip to tip that covered

2188

01:33:52,310 --> 01:33:50,400

the entire parking lot and

2189

01:33:53,669 --> 01:33:52,320

i should mention too when the thing went

2190

01:33:55,990 --> 01:33:53,679

over the theater

2191

01:33:58,629 --> 01:33:56,000

the the like all the floodlights turned

2192

01:33:59,270 --> 01:33:58,639

off everyone's cars stopped nobody's

2193

01:34:02,709 --> 01:33:59,280

cars

2194

01:34:06,310 --> 01:34:05,110

right and no one was freaking out either

2195

01:34:09,030 --> 01:34:06,320

like scott said

2196

01:34:10,709 --> 01:34:09,040

like everyone was super calm and even

2197

01:34:11,830 --> 01:34:10,719

after the thing floated over them and

2198

01:34:14,310 --> 01:34:11,840

disappeared

2199

01:34:14,870 --> 01:34:14,320

and the lights came on and people's cars

2200

01:34:17,189 --> 01:34:14,880

started

2201
01:34:18,629 --> 01:34:17,199
nobody left nobody freaked out and they

2202
01:34:19,669 --> 01:34:18,639
were like oh god what just happened i

2203
01:34:21,270 --> 01:34:19,679
gotta get out of here

2204
01:34:23,830 --> 01:34:21,280
they all just sat there and watched the

2205
01:34:25,590 --> 01:34:23,840
damn movie so like

2206
01:34:28,229 --> 01:34:25,600
what is that that that's the kind of

2207
01:34:30,470 --> 01:34:28,239
stuff that that's some

2208
01:34:32,149 --> 01:34:30,480
it just adds so many layers to the high

2209
01:34:34,790 --> 01:34:32,159
strangeness of this stuff man

2210
01:34:37,270 --> 01:34:34,800
there it is high strangeness yeah yeah

2211
01:34:39,590 --> 01:34:37,280
the high strangest onion as they call it

2212
01:34:43,189 --> 01:34:39,600
it's gonna peel back those layers have

2213
01:34:46,950 --> 01:34:43,199

you experienced uh high strangeness

2214

01:34:50,149 --> 01:34:46,960

um or even medium strangers

2215

01:34:52,790 --> 01:34:50,159

medium strangeness i'd say i've had a

2216

01:34:54,070 --> 01:34:52,800

i had a very dramatic or i should say

2217

01:34:57,270 --> 01:34:54,080

traumatic ufo

2218

01:34:58,950 --> 01:34:57,280

sighting when i was a kid um but

2219

01:35:01,430 --> 01:34:58,960

other than that i had what i would

2220

01:35:03,430 --> 01:35:01,440

consider maybe a supernatural experience

2221

01:35:04,550 --> 01:35:03,440

uh not too long ago actually this is a

2222

01:35:07,109 --> 01:35:04,560

few years ago

2223

01:35:09,270 --> 01:35:07,119

um that i would deem in the sort of

2224

01:35:11,350 --> 01:35:09,280

supernatural paranormal realm

2225

01:35:13,669 --> 01:35:11,360

uh it was completely foreign to me

2226

01:35:15,030 --> 01:35:13,679

unlike anything i'd ever seen or felt or

2227

01:35:17,350 --> 01:35:15,040

experienced before

2228

01:35:18,950 --> 01:35:17,360

uh but yeah that would that's a spot as

2229

01:35:21,189 --> 01:35:18,960

far as i think i've gone

2230

01:35:23,910 --> 01:35:21,199

in terms of high strength would be well

2231

01:35:26,149 --> 01:35:23,920

i mean you got to tell the story now

2232

01:35:28,149 --> 01:35:26,159

i can do that but that's what i do man

2233

01:35:30,709 --> 01:35:28,159

i'm a playwright um so

2234

01:35:31,189 --> 01:35:30,719

we opened on a bare stage no i'm just

2235

01:35:33,590 --> 01:35:31,199

kidding

2236

01:35:35,750 --> 01:35:33,600

all right i'll get my keyboard start

2237

01:35:39,030 --> 01:35:35,760

doing some background music

2238

01:35:42,390 --> 01:35:39,040

oh so i was in nova scotia in um

2239

01:35:45,669 --> 01:35:42,400

in canada i was speaking at a conference

2240

01:35:47,109 --> 01:35:45,679

and um i that night before

2241

01:35:49,189 --> 01:35:47,119

like the actual conference started the

2242

01:35:50,470 --> 01:35:49,199

next morning a bunch of me and the other

2243

01:35:53,189 --> 01:35:50,480

speakers went to a

2244

01:35:54,709 --> 01:35:53,199

paranormal investigation um so you know

2245

01:35:57,270 --> 01:35:54,719

basically a ghost hunt

2246

01:35:59,750 --> 01:35:57,280

um and we were all very skeptical like

2247

01:36:00,950 --> 01:35:59,760

we were ufo guys we weren't ghost people

2248

01:36:03,910 --> 01:36:00,960

by anything is it that weird

2249

01:36:04,550 --> 01:36:03,920

yeah yeah yeah the same way yeah it i

2250

01:36:07,030 --> 01:36:04,560

was too

2251

01:36:07,990 --> 01:36:07,040

i was very skeptical of it so we go to

2252

01:36:10,629 --> 01:36:08,000

this uh

2253

01:36:11,590 --> 01:36:10,639

this museum the queens county museum in

2254

01:36:13,750 --> 01:36:11,600

um

2255

01:36:15,270 --> 01:36:13,760

in nova scotia and supposedly it was

2256

01:36:17,430 --> 01:36:15,280

haunted a lot of people have said that

2257

01:36:19,030 --> 01:36:17,440

they've seen things heard things

2258

01:36:21,510 --> 01:36:19,040

so we were like oh this would be cool so

2259

01:36:22,149 --> 01:36:21,520

we go in and like everyone's got their

2260

01:36:24,550 --> 01:36:22,159

evp

2261

01:36:25,669 --> 01:36:24,560

meters and you know their little gadgets

2262

01:36:28,709 --> 01:36:25,679

and everything and

2263

01:36:30,629 --> 01:36:28,719

it's looking like ghost adventures um

2264

01:36:33,430 --> 01:36:30,639

straight up like going into rooms right

2265

01:36:43,510 --> 01:36:33,440

like who's here tell us

2266

01:36:47,590 --> 01:36:45,350

wow this is i can't believe i'm at a

2267

01:36:49,830 --> 01:36:47,600

ghost hunt um

2268

01:36:51,830 --> 01:36:49,840

and just like looking at it from the

2269

01:36:52,870 --> 01:36:51,840

outside and just having a good time but

2270

01:36:56,629 --> 01:36:52,880

um

2271

01:36:58,550 --> 01:36:56,639

called the activity room

2272

01:37:00,070 --> 01:36:58,560

it's like where you drop your kids off

2273

01:37:01,830 --> 01:37:00,080

and they would play while the parents go

2274

01:37:03,830 --> 01:37:01,840

and look at the museum

2275

01:37:06,390 --> 01:37:03,840

and uh supposedly that room was haunted

2276

01:37:07,270 --> 01:37:06,400

and we brought a ghost box into this

2277

01:37:10,390 --> 01:37:07,280

room

2278

01:37:12,950 --> 01:37:10,400

um which is this device that like

2279

01:37:15,510 --> 01:37:12,960

brushes through radio frequencies every

2280

01:37:17,590 --> 01:37:15,520

like half second a new frequency

2281

01:37:19,510 --> 01:37:17,600

so you you don't really hear anything

2282

01:37:20,310 --> 01:37:19,520

solid ever because it's just going

2283

01:37:23,030 --> 01:37:20,320

through these things

2284

01:37:24,390 --> 01:37:23,040

crazy yeah it's very distracting and

2285

01:37:26,950 --> 01:37:24,400

annoying and jarring

2286

01:37:28,550 --> 01:37:26,960

and um you try to communicate with

2287

01:37:30,470 --> 01:37:28,560

spirits and if you can

2288

01:37:32,310 --> 01:37:30,480

maybe a word will come out at a

2289

01:37:33,669 --> 01:37:32,320

frequency and that's you communicating

2290

01:37:36,229 --> 01:37:33,679

with the spirit and i'm like

2291

01:37:38,149 --> 01:37:36,239

this is such bs like it's all about

2292

01:37:39,109 --> 01:37:38,159

interpretation and being influenced blah

2293

01:37:43,109 --> 01:37:39,119

blah blah blah blah

2294

01:37:46,390 --> 01:37:43,119

right exactly but then

2295

01:37:50,790 --> 01:37:46,400

we asked is anyone in here and we got

2296

01:37:53,990 --> 01:37:50,800

a yes and then we got um

2297

01:37:54,629 --> 01:37:54,000

who are we talking to or um what what do

2298

01:37:57,750 --> 01:37:54,639

you want

2299

01:38:01,270 --> 01:37:57,760

heard was a

2300

01:38:04,629 --> 01:38:01,280

child whimpering on this ghost box

2301

01:38:07,510 --> 01:38:04,639

consistently which is impossible

2302

01:38:08,550 --> 01:38:07,520

if this machine actually brushes through

2303

01:38:10,629 --> 01:38:08,560

frequencies that

2304

01:38:11,669 --> 01:38:10,639

right could not have heard anything you

2305

01:38:13,510 --> 01:38:11,679

know that

2306

01:38:16,550 --> 01:38:13,520

uh consistently you'd hear it for a

2307

01:38:17,669 --> 01:38:16,560

little bit and then it'd be

2308

01:38:19,830 --> 01:38:17,679

again when you get back to that

2309

01:38:21,910 --> 01:38:19,840

frequency or something exactly

2310

01:38:23,990 --> 01:38:21,920

as well so that's when i kind of like my

2311

01:38:27,510 --> 01:38:24,000

ears [h__h] up and i was like

2312

01:38:28,310 --> 01:38:27,520

huh so then the person in charge was

2313

01:38:31,189 --> 01:38:28,320

like

2314

01:38:32,950 --> 01:38:31,199

um it's a child they're scared they're

2315

01:38:35,270 --> 01:38:32,960

crying let's get to their level

2316

01:38:37,189 --> 01:38:35,280

like let's get down on the floor and uh

2317

01:38:38,470 --> 01:38:37,199

make them more comfortable so we did

2318

01:38:40,629 --> 01:38:38,480

you know so i'm sitting there

2319

01:38:42,149 --> 01:38:40,639

cross-legged [h__h] dark

2320

01:38:44,629 --> 01:38:42,159

like we're still trying to communicate

2321

01:38:47,669 --> 01:38:46,870

and i'm just like oh man and we sat

2322

01:38:50,550 --> 01:38:47,679

there for maybe

2323

01:38:51,990 --> 01:38:50,560

45 minutes with nothing happening and i

2324

01:38:52,709 --> 01:38:52,000

was just starting to like kind of fall

2325

01:38:56,390 --> 01:38:52,719

asleep

2326

01:38:58,550 --> 01:38:56,400

or whatnot but then dude um

2327

01:39:00,950 --> 01:38:58,560

that's when it happened that's when my

2328

01:39:02,390 --> 01:39:00,960

whatever supernatural high strangeness

2329

01:39:03,750 --> 01:39:02,400

really happened i was sitting there

2330

01:39:07,750 --> 01:39:03,760

cross-legged

2331

01:39:10,470 --> 01:39:07,760

and my knees my legs hit the floor

2332

01:39:11,750 --> 01:39:10,480

and it wasn't because i was tired it

2333

01:39:14,470 --> 01:39:11,760

wasn't anything like that i

2334

01:39:15,350 --> 01:39:14,480

literally felt like there was a weight

2335

01:39:17,830 --> 01:39:15,360

in my lap

2336

01:39:18,950 --> 01:39:17,840

at that moment and my knees dropped and

2337

01:39:21,270 --> 01:39:18,960

i was like what the heck

2338

01:39:23,030 --> 01:39:21,280

and then i'm not kidding you i felt like

2339

01:39:24,149 --> 01:39:23,040

when that weight was on my lap i felt

2340

01:39:26,870 --> 01:39:24,159

fingers

2341

01:39:28,390 --> 01:39:26,880

clasped behind my neck and like grab my

2342

01:39:30,310 --> 01:39:28,400

neck like they were hugging me

2343

01:39:32,390 --> 01:39:30,320

almost like a child was in my lap

2344

01:39:34,390 --> 01:39:32,400

hugging me like being like

2345

01:39:35,910 --> 01:39:34,400

it's okay i'm here you're here like

2346

01:39:37,350 --> 01:39:35,920

let's have a conversation

2347

01:39:39,430 --> 01:39:37,360

and um i wasn't ready to have a

2348

01:39:41,990 --> 01:39:39,440

conversation flipped out dude

2349

01:39:43,990 --> 01:39:42,000

i like i sprung back i hit my head on

2350

01:39:44,629 --> 01:39:44,000

the back of like a board that was behind

2351

01:39:46,390 --> 01:39:44,639

me

2352

01:39:49,189 --> 01:39:46,400

and then i felt the weight lift up and

2353

01:39:52,470 --> 01:39:49,199

run away so i clearly scared

2354

01:39:53,750 --> 01:39:52,480

this spirit away and um

2355

01:39:56,229 --> 01:39:53,760

and that was kind of it and that could

2356

01:39:57,910 --> 01:39:56,239

be my subjective experience but i looked

2357

01:39:59,830 --> 01:39:57,920

at the doorway at the time

2358

01:40:01,270 --> 01:39:59,840

and my buddy greg was in the doorway

2359

01:40:03,270 --> 01:40:01,280

just kind of leaning there

2360

01:40:05,510 --> 01:40:03,280

and he is super skeptical of the

2361

01:40:08,390 --> 01:40:05,520

paranormal and um

2362

01:40:09,910 --> 01:40:08,400

i saw him when i kind of reared back i

2363

01:40:12,470 --> 01:40:09,920

saw him in the doorway

2364

01:40:13,510 --> 01:40:12,480

go to the edge and like like kind of be

2365

01:40:15,189 --> 01:40:13,520

like this

2366

01:40:17,030 --> 01:40:15,199

and wow he didn't know what just

2367

01:40:17,750 --> 01:40:17,040

happened to me mind you like nothing was

2368

01:40:19,270 --> 01:40:17,760

talked about

2369

01:40:21,030 --> 01:40:19,280

nobody else in the room knew this just

2370

01:40:22,070 --> 01:40:21,040

happened to me so i run up to greg i'm

2371

01:40:23,830 --> 01:40:22,080

like why did you do that

2372

01:40:26,310 --> 01:40:23,840

why did you do that in the doorway and

2373

01:40:28,390 --> 01:40:26,320

he was like i just felt like something

2374

01:40:30,070 --> 01:40:28,400

had to leave the room and i felt like

2375

01:40:33,350 --> 01:40:30,080

something brushed past me

2376

01:40:35,109 --> 01:40:33,360

and i was just like wow what is going on

2377

01:40:37,510 --> 01:40:35,119

here and i freaked out man

2378

01:40:38,310 --> 01:40:37,520

i i like started i i sometimes get panic

2379

01:40:40,709 --> 01:40:38,320

attacks

2380

01:40:42,070 --> 01:40:40,719

and oh yeah that was a moment where i

2381

01:40:43,109 --> 01:40:42,080

got really busy i started

2382

01:40:45,990 --> 01:40:43,119

hyperventilating

2383

01:40:47,750 --> 01:40:46,000

and i left the museum yeah i left the

2384

01:40:49,270 --> 01:40:47,760

museum i went outside and i stood out

2385

01:40:51,030 --> 01:40:49,280

there for like half an hour before

2386

01:40:53,030 --> 01:40:51,040

anyone knew i was gone

2387

01:40:54,310 --> 01:40:53,040

until like i think it was greg came out

2388

01:40:55,910 --> 01:40:54,320

he's like dude where'd you go what's

2389

01:40:57,590 --> 01:40:55,920

going on and i couldn't

2390

01:40:59,350 --> 01:40:57,600

i couldn't really describe what happened

2391

01:41:02,629 --> 01:40:59,360

but um yeah that was it

2392

01:41:04,790 --> 01:41:02,639

that was it i i firmly believe something

2393

01:41:07,510 --> 01:41:04,800

weird happened to me there and it wasn't

2394

01:41:09,750 --> 01:41:07,520

about seeing a ghost or hearing the

2395

01:41:11,270 --> 01:41:09,760

the ghost box whimper or whatever it was

2396

01:41:13,430 --> 01:41:11,280

literally what i felt

2397

01:41:14,629 --> 01:41:13,440

and um that's where it really came down

2398

01:41:17,430 --> 01:41:14,639

to me is like wow

2399

01:41:19,030 --> 01:41:17,440

that was that was pretty powerful yeah

2400

01:41:22,229 --> 01:41:19,040

that is powerful and to think

2401

01:41:23,350 --> 01:41:22,239

that it was a child whimpering and it

2402

01:41:25,030 --> 01:41:23,360

sounds like a child

2403

01:41:26,709 --> 01:41:25,040

jumped into your lap and put their arms

2404

01:41:28,709 --> 01:41:26,719

around your neck yeah

2405

01:41:30,149 --> 01:41:28,719

yeah i can still like feel it sometimes

2406

01:41:32,790 --> 01:41:30,159

man

2407

01:41:34,390 --> 01:41:32,800

it's so weird it's so weird um you know

2408

01:41:38,070 --> 01:41:34,400

when i get asked like would you want to

2409

01:41:40,470 --> 01:41:38,080

experience that again and um yeah

2410

01:41:42,070 --> 01:41:40,480

like would you i think so now that i've

2411

01:41:43,430 --> 01:41:42,080

done it like now that i'm on the other

2412

01:41:45,350 --> 01:41:43,440

side of it and i accept that it's

2413

01:41:48,550 --> 01:41:45,360

possible i'm like bring it on

2414

01:41:52,310 --> 01:41:48,560

let's go wow yeah yeah i've i've had

2415

01:41:55,350 --> 01:41:52,320

uh my panic attacks too that is

2416

01:41:57,830 --> 01:41:55,360

it's awful i always thought i was dying

2417

01:42:00,229 --> 01:41:57,840

every time every time man yep that's

2418

01:42:01,590 --> 01:42:00,239

exactly how i felt too so i'm like oh

2419

01:42:03,990 --> 01:42:01,600

i'm gonna die on an island

2420

01:42:06,470 --> 01:42:04,000

in canada great like this was not in the

2421

01:42:08,229 --> 01:42:06,480

cards but uh it's about to happen so

2422

01:42:09,590 --> 01:42:08,239

i'd leave it to that little ghost for

2423

01:42:11,270 --> 01:42:09,600

possibly uh

2424

01:42:13,350 --> 01:42:11,280

bringing me over to the afterlife with

2425

01:42:15,830 --> 01:42:13,360

him

2426

01:42:16,950 --> 01:42:15,840

um so we were we've been kind of friend

2427

01:42:19,910 --> 01:42:16,960

talking this whole time

2428

01:42:22,310 --> 01:42:19,920

let me let me get your thoughts on right

2429

01:42:27,270 --> 01:42:24,070

on the like what do you think of the

2430

01:42:29,910 --> 01:42:27,280

sheehan lou situation

2431

01:42:31,189 --> 01:42:29,920

i think it's interesting um and i know

2432

01:42:32,709 --> 01:42:31,199

that's a really

2433

01:42:34,709 --> 01:42:32,719

surface level way of answering that

2434

01:42:37,910 --> 01:42:34,719

question but it's it's interesting

2435

01:42:41,990 --> 01:42:37,920

i i don't know what

2436

01:42:46,070 --> 01:42:42,000

to make of it yet um this whole greer

2437

01:42:50,310 --> 01:42:46,080

and sheehan and elizondo thing um

2438

01:42:53,990 --> 01:42:50,320

to me it looks like someone like sheehan

2439

01:42:56,790 --> 01:42:54,000

kind of playing both ends both sides

2440

01:42:58,070 --> 01:42:56,800

yeah and reaping all the rewards and

2441

01:42:59,590 --> 01:42:58,080

benefits from

2442

01:43:01,590 --> 01:42:59,600

from both sides of it i'm not saying

2443

01:43:03,910 --> 01:43:01,600

that danny sheehan is like

2444

01:43:05,109 --> 01:43:03,920

some conniving person he's an extremely

2445

01:43:08,229 --> 01:43:05,119

smart brilliant man

2446

01:43:09,990 --> 01:43:08,239

yeah oh geez but i do find it very odd

2447

01:43:11,669 --> 01:43:10,000

what is going on and i think a lot of

2448

01:43:12,950 --> 01:43:11,679

people find it very odd that someone

2449

01:43:15,270 --> 01:43:12,960

like elizondo

2450

01:43:16,950 --> 01:43:15,280

who is striving for credibility and

2451

01:43:19,510 --> 01:43:16,960

trying to like really

2452

01:43:20,870 --> 01:43:19,520

push back against what they ostensibly

2453

01:43:22,229 --> 01:43:20,880

what the pentagon or department of

2454

01:43:24,629 --> 01:43:22,239

defense has done to him

2455

01:43:25,750 --> 01:43:24,639

and trying to kind of erase his career

2456

01:43:27,990 --> 01:43:25,760

and credibility

2457

01:43:29,990 --> 01:43:28,000

uh for elizondo to get connected to

2458

01:43:32,790 --> 01:43:30,000

someone like xi'an who has a very

2459

01:43:33,990 --> 01:43:32,800

controversial past in the ufo field and

2460

01:43:35,590 --> 01:43:34,000

again that's not to say he's not a

2461

01:43:36,470 --> 01:43:35,600

brilliant person he was part of some of

2462

01:43:39,109 --> 01:43:36,480

the most

2463

01:43:41,430 --> 01:43:39,119

incredible civil rights movements and

2464

01:43:44,390 --> 01:43:41,440

and cases in the past and everything

2465

01:43:45,590 --> 01:43:44,400

but um it's just weird man like what the

2466

01:43:47,270 --> 01:43:45,600

what

2467

01:43:49,030 --> 01:43:47,280

if you would have told me when i got

2468

01:43:52,310 --> 01:43:49,040

involved with this stuff that like

2469

01:43:54,070 --> 01:43:52,320

an ex-ufo pentagon employee would be

2470

01:43:55,750 --> 01:43:54,080

working with a lawyer

2471

01:43:58,629 --> 01:43:55,760

who also works with a guy who claims

2472

01:43:59,189 --> 01:43:58,639

that like he's vectored in ufos with a

2473

01:44:01,669 --> 01:43:59,199

flag

2474

01:44:03,590 --> 01:44:01,679

a better book i'm just like what is this

2475

01:44:07,990 --> 01:44:03,600

and why is no one writing the movie

2476

01:44:11,510 --> 01:44:09,830

i don't know dude i'm kind of sitting

2477

01:44:13,109 --> 01:44:11,520

back on that whole thing because i don't

2478

01:44:14,629 --> 01:44:13,119

have an opinion either way

2479

01:44:17,030 --> 01:44:14,639

because there's only so much you can

2480

01:44:18,310 --> 01:44:17,040

know without like being that fly on the

2481

01:44:20,950 --> 01:44:18,320

wall right exactly

2482

01:44:22,149 --> 01:44:20,960

like you're not gonna yeah yeah i i

2483

01:44:24,790 --> 01:44:22,159

don't know what to make of it i

2484

01:44:26,550 --> 01:44:24,800

i in you you your interview with

2485

01:44:28,390 --> 01:44:26,560

elizondo was incredible

2486

01:44:30,709 --> 01:44:28,400

by the way i really have to commend you

2487

01:44:32,550 --> 01:44:30,719

on that um i had him early on

2488

01:44:33,910 --> 01:44:32,560

and uh this is before he really started

2489

01:44:35,510 --> 01:44:33,920

giving his personal thoughts and

2490

01:44:38,390 --> 01:44:35,520

opinions on stuff

2491

01:44:39,590 --> 01:44:38,400

and um i must say the more he's doing

2492

01:44:41,669 --> 01:44:39,600

these interviews

2493

01:44:43,030 --> 01:44:41,679

the more you're seeing that [h__h] in his

2494

01:44:45,990 --> 01:44:43,040

armor and the more

2495

01:44:47,109 --> 01:44:46,000

it's kind of opening up and uh i think

2496

01:44:49,590 --> 01:44:47,119

that's awesome

2497

01:44:50,310 --> 01:44:49,600

so you know whatever we can get out of

2498

01:44:53,430 --> 01:44:50,320

this guy

2499

01:44:56,390 --> 01:44:53,440

i think is is valuable to the field and

2500

01:44:56,950 --> 01:44:56,400

even if you think he may be less than

2501

01:44:59,189 --> 01:44:56,960

genuine

2502

01:45:01,430 --> 01:44:59,199

in his motives or he's a disinformation

2503

01:45:04,229 --> 01:45:01,440

agent i just don't buy it

2504

01:45:05,270 --> 01:45:04,239

um i i'd like to think i'm a good judge

2505

01:45:07,990 --> 01:45:05,280

a character

2506

01:45:08,950 --> 01:45:08,000

and um yeah he seems like a straight

2507

01:45:10,870 --> 01:45:08,960

shooter to me

2508

01:45:12,709 --> 01:45:10,880

so you know that's where i lay in all

2509

01:45:14,709 --> 01:45:12,719

this i'm all elizondo

2510

01:45:15,990 --> 01:45:14,719

i've never been a fan of steven grier

2511

01:45:16,709 --> 01:45:16,000

even though he's done really good work

2512

01:45:19,350 --> 01:45:16,719

in the past

2513

01:45:20,470 --> 01:45:19,360

um yeah everybody's fortunate got the

2514

01:45:23,750 --> 01:45:20,480

best of him

2515

01:45:25,030 --> 01:45:23,760

yeah it seemed that i'm newer so i don't

2516

01:45:27,750 --> 01:45:25,040

come with

2517

01:45:29,830 --> 01:45:27,760

i don't know like the details of some of

2518

01:45:31,590 --> 01:45:29,840

that stuff like how was he acting 15

2519

01:45:32,310 --> 01:45:31,600

years ago like all that like i don't

2520

01:45:34,629 --> 01:45:32,320

know

2521

01:45:35,750 --> 01:45:34,639

totally a different person yeah tell you

2522

01:45:38,470 --> 01:45:35,760

that much yeah

2523

01:45:40,390 --> 01:45:38,480

um but you know again we do have to

2524

01:45:41,669 --> 01:45:40,400

thank him for many early things he did

2525

01:45:43,430 --> 01:45:41,679

he was the first

2526

01:45:46,149 --> 01:45:43,440

to get all these government officials

2527

01:45:49,189 --> 01:45:46,159

and pilots to kind of go on the record

2528

01:45:51,669 --> 01:45:49,199

uh this is long before you know the

2529

01:45:52,870 --> 01:45:51,679

the congress hearings the mock congress

2530

01:45:56,149 --> 01:45:52,880

hearings in

2531

01:45:58,390 --> 01:45:56,159

2013 i believe uh or everything going on

2532

01:45:59,510 --> 01:45:58,400

today steven grier was there first doing

2533

01:46:00,870 --> 01:45:59,520

things like that

2534

01:46:02,790 --> 01:46:00,880

so we'll always have him to thank for

2535

01:46:04,310 --> 01:46:02,800

that but yeah you look at that

2536

01:46:06,550 --> 01:46:04,320

and then you look at where he is now and

2537

01:46:08,950 --> 01:46:06,560

you're just like

2538

01:46:10,390 --> 01:46:08,960

interesting trajectory and you know it's

2539

01:46:13,510 --> 01:46:10,400

just like certain

2540

01:46:16,070 --> 01:46:13,520

uh just easy choices that he could have

2541

01:46:18,709 --> 01:46:16,080

just did differently like for instance

2542

01:46:19,189 --> 01:46:18,719

marketing email campaigns two for one

2543

01:46:21,669 --> 01:46:19,199

books

2544

01:46:22,790 --> 01:46:21,679

all that stuff like he does that like

2545

01:46:26,070 --> 01:46:22,800

that

2546

01:46:28,229 --> 01:46:26,080

step

2547

01:46:29,350 --> 01:46:28,239

i mean i'm glad you brought that up sean

2548

01:46:32,870 --> 01:46:29,360

there is

2549

01:46:34,629 --> 01:46:32,880

like

2550

01:46:36,390 --> 01:46:34,639

if you're making any money in this field

2551

01:46:40,229 --> 01:46:36,400

like you're you're a charlatan you're

2552

01:46:42,550 --> 01:46:40,239

you're a sell-out and dude like i

2553

01:46:44,149 --> 01:46:42,560

do a patreon i raise money for my

2554

01:46:47,910 --> 01:46:44,159

podcast i do every work

2555

01:46:50,470 --> 01:46:47,920

every week for free um i sell my books

2556

01:46:51,910 --> 01:46:50,480

and i make some money doing it and i

2557

01:46:53,350 --> 01:46:51,920

think that's okay

2558

01:46:55,910 --> 01:46:53,360

but you wouldn't get money if people

2559

01:46:58,229 --> 01:46:55,920

didn't want to give it to you

2560

01:46:59,109 --> 01:46:58,239

exactly man when it comes to things like

2561

01:47:02,390 --> 01:46:59,119

charging seven

2562

01:47:05,590 --> 01:47:02,400

thousand dollars to go out and like

2563

01:47:08,470 --> 01:47:05,600

communicate with um with a ship

2564

01:47:09,430 --> 01:47:08,480

uh that's where i'm kind of like hmm

2565

01:47:11,189 --> 01:47:09,440

what are the truma

2566

01:47:13,430 --> 01:47:11,199

and then to come out with a documentary

2567

01:47:16,070 --> 01:47:13,440

and have like download my app

2568

01:47:16,709 --> 01:47:16,080

right at the bottom for the entire film

2569

01:47:21,030 --> 01:47:16,719

um

2570

01:47:24,229 --> 01:47:21,040

like greer does i i question his motives

2571

01:47:25,669 --> 01:47:24,239

i i i do and um again i'm not one to say

2572

01:47:27,990 --> 01:47:25,679

you can't make money in this field

2573

01:47:30,390 --> 01:47:28,000

if you can all the power to you but most

2574

01:47:33,109 --> 01:47:30,400

of it is making up for money you've lost

2575

01:47:35,030 --> 01:47:33,119

going out and researching um hosting

2576

01:47:37,510 --> 01:47:35,040

websites hosting

2577

01:47:38,870 --> 01:47:37,520

podcast files every week like i can't

2578

01:47:40,550 --> 01:47:38,880

pretend to tell you i've made money

2579

01:47:43,750 --> 01:47:40,560

doing this i've probably

2580

01:47:48,830 --> 01:47:43,760

just about um you and i have lost money

2581

01:47:55,030 --> 01:47:51,990

definitely but that's how it goes it was

2582

01:47:58,229 --> 01:47:55,040

an easy transition from music to ufos

2583

01:47:59,910 --> 01:47:58,239

yeah it's so crazy you find a lot of

2584

01:48:01,510 --> 01:47:59,920

artists in this field

2585

01:48:02,950 --> 01:48:01,520

and i think again it's that part of the

2586

01:48:05,590 --> 01:48:02,960

brain yeah that

2587

01:48:06,950 --> 01:48:05,600

creative imaginative imaginative

2588

01:48:08,950 --> 01:48:06,960

imagination

2589

01:48:10,709 --> 01:48:08,960

side of the brain that really finds this

2590

01:48:11,750 --> 01:48:10,719

topic interesting because it is so

2591

01:48:13,669 --> 01:48:11,760

amorphous

2592

01:48:15,109 --> 01:48:13,679

and because you can make so much of it

2593

01:48:17,430 --> 01:48:15,119

you know so

2594

01:48:18,470 --> 01:48:17,440

i think it's cool i meet people like you

2595

01:48:23,510 --> 01:48:18,480

you know

2596

01:48:25,430 --> 01:48:23,520

imagination's definitely at play with

2597

01:48:27,830 --> 01:48:25,440

all this stuff but

2598

01:48:28,550 --> 01:48:27,840

you know it the the trick is keeping it

2599

01:48:31,350 --> 01:48:28,560

tame

2600

01:48:32,790 --> 01:48:31,360

yeah because i mean let's be honest

2601

01:48:34,149 --> 01:48:32,800

without imagination

2602

01:48:36,070 --> 01:48:34,159

we wouldn't even be able to think of

2603

01:48:38,790 --> 01:48:36,080

this kind of stuff right

2604

01:48:39,669 --> 01:48:38,800

yeah no there has to be a child like

2605

01:48:42,629 --> 01:48:39,679

wonderment

2606

01:48:45,109 --> 01:48:42,639

to this or else you're gonna be very

2607

01:48:48,229 --> 01:48:45,119

depressed very paranoid very

2608

01:48:49,669 --> 01:48:48,239

um somber about everything so i try to

2609

01:48:52,229 --> 01:48:49,679

keep that in mind too man

2610

01:48:53,590 --> 01:48:52,239

um you know looking at all this

2611

01:48:56,310 --> 01:48:53,600

government stuff and

2612

01:48:57,510 --> 01:48:56,320

this person is a disinformation agent

2613

01:48:59,270 --> 01:48:57,520

blah blah blah blah blah

2614

01:49:01,350 --> 01:48:59,280

i'm like let's get back to the core of

2615

01:49:02,390 --> 01:49:01,360

why we're all here this isn't to like

2616

01:49:04,870 --> 01:49:02,400

talk about

2617

01:49:06,870 --> 01:49:04,880

um the government and men in black which

2618

01:49:09,510 --> 01:49:06,880

is can also be pretty cool

2619

01:49:10,709 --> 01:49:09,520

um it's about staring up in the sky and

2620

01:49:11,350 --> 01:49:10,719

seeing something that you couldn't

2621

01:49:13,669 --> 01:49:11,360

explain

2622

01:49:16,149 --> 01:49:13,679

and wondering what that thing could be

2623

01:49:18,790 --> 01:49:16,159

right so yeah i agree with you i think

2624

01:49:20,229 --> 01:49:18,800

it has to it has to be there it has to

2625

01:49:22,310 --> 01:49:20,239

be there

2626

01:49:22,970 --> 01:49:22,320

oh that's beautiful i'm glad i had you

2627

01:49:25,350 --> 01:49:22,980

on

2628

01:49:26,790 --> 01:49:25,360

[Laughter]

2629

01:49:28,550 --> 01:49:26,800

yeah i don't get to really stretch my

2630

01:49:31,350 --> 01:49:28,560

muscles like this and uh let's

2631

01:49:32,870 --> 01:49:31,360

have a conversation yes that's what i'm

2632

01:49:37,189 --> 01:49:32,880

i tried to do

2633

01:49:39,030 --> 01:49:37,199

other than you know well back in 1995

2634

01:49:41,189 --> 01:49:39,040

we don't need more of those people man

2635

01:49:43,510 --> 01:49:41,199

we've had them

2636

01:49:45,030 --> 01:49:43,520

we've been through all of that we need

2637

01:49:47,910 --> 01:49:45,040

more people having just

2638

01:49:50,070 --> 01:49:47,920

vulnerable raw discussions where you can

2639

01:49:53,430 --> 01:49:50,080

make some incredible discoveries

2640

01:49:56,470 --> 01:49:53,440

yes yeah a lot of people didn't like uh

2641

01:49:57,350 --> 01:49:56,480

one of my questions with lou which one

2642

01:50:00,550 --> 01:49:57,360

was that

2643

01:50:03,669 --> 01:50:00,560

did you ever kill anyone oh my god

2644

01:50:04,070 --> 01:50:03,679

dude i missed that part of it what was

2645

01:50:07,189 --> 01:50:04,080

this

2646

01:50:09,589 --> 01:50:07,199

did he answer yeah yeah

2647

01:50:10,870 --> 01:50:09,599

yeah that that's a that was a big moment

2648

01:50:13,910 --> 01:50:10,880

and a lot of people

2649

01:50:14,470 --> 01:50:13,920

well i think eventually they were just

2650

01:50:15,990 --> 01:50:14,480

trolls

2651
01:50:17,750 --> 01:50:16,000
like who would just keep putting the

2652
01:50:22,550 --> 01:50:17,760
same comment on i think yeah

2653
01:50:25,990 --> 01:50:22,560
but um it's one of those questions

2654
01:50:28,470 --> 01:50:26,000
you can only ever ask

2655
01:50:29,430 --> 01:50:28,480
at the complete right time in the right

2656
01:50:32,790 --> 01:50:29,440
way

2657
01:50:35,589 --> 01:50:32,800
and i did and he answered it

2658
01:50:36,790 --> 01:50:35,599
and it was a moment where he was very

2659
01:50:39,510 --> 01:50:36,800
vulnerable

2660
01:50:41,189 --> 01:50:39,520
and human and that's what i'm saying man

2661
01:50:43,030 --> 01:50:41,199
like we're seeing the human side of

2662
01:50:46,470 --> 01:50:43,040
elizondo when he's kind of been

2663
01:50:49,350 --> 01:50:46,480

just a character for so long in this

2664

01:50:50,950 --> 01:50:49,360

play of ufology i guess but i think

2665

01:50:53,910 --> 01:50:50,960

asking a question like that

2666

01:50:55,910 --> 01:50:53,920

with someone who is used to knowing

2667

01:50:57,910 --> 01:50:55,920

exactly where a conversation is going

2668

01:51:00,229 --> 01:50:57,920

how to frame things how to spin things

2669

01:51:01,510 --> 01:51:00,239

that was his job and he was damn good at

2670

01:51:03,270 --> 01:51:01,520

it um

2671

01:51:04,790 --> 01:51:03,280

when you throw something at him like

2672

01:51:07,189 --> 01:51:04,800

that that's when like

2673

01:51:08,229 --> 01:51:07,199

you know something the brain kind of

2674

01:51:11,350 --> 01:51:08,239

malfunctions and

2675

01:51:12,790 --> 01:51:11,360

yeah and

2676

01:51:14,550 --> 01:51:12,800

if people think like that's an

2677

01:51:17,189 --> 01:51:14,560

inappropriate question to ask

2678

01:51:18,709 --> 01:51:17,199

all he had to say was no comment yeah

2679

01:51:19,189 --> 01:51:18,719

that's a good point look at what he's

2680

01:51:22,790 --> 01:51:19,199

done

2681

01:51:24,629 --> 01:51:22,800

look at his past like i kind of assumed

2682

01:51:26,709 --> 01:51:24,639

that probably happened at one point or

2683

01:51:28,149 --> 01:51:26,719

another it was an assumed question yeah

2684

01:51:29,990 --> 01:51:28,159

i kind of knew what he would say

2685

01:51:31,189 --> 01:51:30,000

if he answered it right and that's what

2686

01:51:32,550 --> 01:51:31,199

i wanted

2687

01:51:36,709 --> 01:51:32,560

good on you for doing that i wouldn't

2688

01:51:42,950 --> 01:51:39,750

it was spontaneous um but yeah no

2689

01:51:46,070 --> 01:51:42,960

i mean i've definitely um

2690

01:51:46,790 --> 01:51:46,080

i've haven't had a lot of time here but

2691

01:51:49,750 --> 01:51:46,800

i have

2692

01:51:50,709 --> 01:51:49,760

had a lot of time with people you know

2693

01:51:53,990 --> 01:51:50,719

um

2694

01:51:56,149 --> 01:51:54,000

my whole life for jobs mostly

2695

01:51:59,030 --> 01:51:56,159

where like my living depended on how

2696

01:52:02,229 --> 01:51:59,040

well i knew how to work with people

2697

01:52:02,709 --> 01:52:02,239

and in the end it's really easy you just

2698

01:52:06,229 --> 01:52:02,719

have to

2699

01:52:07,510 --> 01:52:06,239

genuinely care about them exactly that's

2700

01:52:09,990 --> 01:52:07,520

it yeah

2701
01:52:11,910 --> 01:52:10,000
that's you know it's like that's the key

2702
01:52:14,870 --> 01:52:11,920
to life just be

2703
01:52:16,229 --> 01:52:14,880
a decent human being like you look at

2704
01:52:18,390 --> 01:52:16,239
any major religion

2705
01:52:20,709 --> 01:52:18,400
and the answer is always the same like

2706
01:52:23,830 --> 01:52:20,719
do good and good will come upon you

2707
01:52:26,229 --> 01:52:23,840
yeah it i know it's not that easy

2708
01:52:27,589 --> 01:52:26,239
like humanity and the human condition is

2709
01:52:29,030 --> 01:52:27,599
complex but like

2710
01:52:30,950 --> 01:52:29,040
at the end of the day we're all looking

2711
01:52:33,910 --> 01:52:30,960
for the same thing you know

2712
01:52:34,950 --> 01:52:33,920
like yeah what comes next and uh where

2713
01:52:37,589 --> 01:52:34,960

do i go

2714

01:52:38,950 --> 01:52:37,599

after this life and uh is there other

2715

01:52:40,629 --> 01:52:38,960

life out there

2716

01:52:42,070 --> 01:52:40,639

and i think we're getting closer to

2717

01:52:43,350 --> 01:52:42,080

answering some of those questions at

2718

01:52:46,070 --> 01:52:43,360

least the last one

2719

01:52:46,790 --> 01:52:46,080

is their other life out there so yeah

2720

01:52:49,030 --> 01:52:46,800

man

2721

01:52:50,709 --> 01:52:49,040

yeah this stuff says so much more about

2722

01:52:51,669 --> 01:52:50,719

us than i think it does whatever we're

2723

01:52:53,270 --> 01:52:51,679

dealing with

2724

01:52:55,350 --> 01:52:53,280

and that's kind of right that's why i

2725

01:52:58,629 --> 01:52:55,360

always tell people like

2726

01:52:59,750 --> 01:52:58,639

this topic mirrors what we want to be

2727

01:53:01,669 --> 01:52:59,760

what we could be

2728

01:53:04,070 --> 01:53:01,679

what we're seeing displayed in these

2729

01:53:06,310 --> 01:53:04,080

paranormal experiences or ufos

2730

01:53:07,589 --> 01:53:06,320

it's in in aspiration to be more and

2731

01:53:08,870 --> 01:53:07,599

we're seeing that played out in the

2732

01:53:10,870 --> 01:53:08,880

technology

2733

01:53:12,870 --> 01:53:10,880

in these things and it's like what could

2734

01:53:13,589 --> 01:53:12,880

we do kind of like a kid looking up at

2735

01:53:15,270 --> 01:53:13,599

the

2736

01:53:16,950 --> 01:53:15,280

this first space shuttle going into

2737

01:53:19,510 --> 01:53:16,960

space i mean like whoa

2738

01:53:20,229 --> 01:53:19,520

i could do that someday and that's why

2739

01:53:23,270 --> 01:53:20,239

someone like

2740

01:53:24,070 --> 01:53:23,280

fravor is like whoa i want to fly that

2741

01:53:27,990 --> 01:53:24,080

tic tac

2742

01:53:29,350 --> 01:53:28,000

you know could we possibly be in the

2743

01:53:32,229 --> 01:53:29,360

future and i think that's

2744

01:53:32,550 --> 01:53:32,239

awesome like yeah hey that's all ufos

2745

01:53:35,350 --> 01:53:32,560

are

2746

01:53:36,070 --> 01:53:35,360

like something to strive for awesome

2747

01:53:38,790 --> 01:53:36,080

yeah

2748

01:53:39,669 --> 01:53:38,800

and you know that's beautiful that you

2749

01:53:41,990 --> 01:53:39,679

said that favor

2750

01:53:42,950 --> 01:53:42,000

yeah i want to fly that thing like yeah

2751
01:53:44,790 --> 01:53:42,960
so is this first

2752
01:53:47,189 --> 01:53:44,800
that's the moment you know that's the if

2753
01:53:51,510 --> 01:53:47,199
you build it they will come

2754
01:53:51,830 --> 01:53:51,520
you know dude they have to put that line

2755
01:53:55,830 --> 01:53:51,840
in

2756
01:53:58,589 --> 01:53:55,840
about leslie kane

2757
01:54:00,550 --> 01:53:58,599
um and all her work because you know

2758
01:54:02,070 --> 01:54:00,560
elizondo's character is going to be in

2759
01:54:04,070 --> 01:54:02,080
that in favor

2760
01:54:05,109 --> 01:54:04,080
oh they're doing like a legit movie

2761
01:54:08,390 --> 01:54:05,119
movie yeah

2762
01:54:10,709 --> 01:54:08,400
like a it's gonna documentary an actual

2763
01:54:12,790 --> 01:54:10,719

movie i um i spoke to leslie

2764

01:54:14,629 --> 01:54:12,800

maybe a week or so ago to congratulate

2765

01:54:17,430 --> 01:54:14,639

her because i'd heard the news

2766

01:54:18,149 --> 01:54:17,440

and um she's excited i'd love to have on

2767

01:54:20,390 --> 01:54:18,159

here i

2768

01:54:21,189 --> 01:54:20,400

admire the crap out of that girl she's

2769

01:54:24,149 --> 01:54:21,199

incredible

2770

01:54:24,870 --> 01:54:24,159

um very busy woman but i i yeah i can

2771

01:54:27,910 --> 01:54:24,880

imagine

2772

01:54:29,669 --> 01:54:27,920

yeah hit her up man i i'll see if i can

2773

01:54:31,910 --> 01:54:29,679

pull any strings but you know don't

2774

01:54:34,470 --> 01:54:31,920

worry she's incredible

2775

01:54:36,310 --> 01:54:34,480

to talk to i uh yeah i had like a three

2776

01:54:38,149 --> 01:54:36,320

and a half hour conversation with her

2777

01:54:40,390 --> 01:54:38,159

she lives here in new york so she's like

2778

01:54:41,510 --> 01:54:40,400

come on over like and i was like oh i'm

2779

01:54:44,070 --> 01:54:41,520

jealous

2780

01:54:45,189 --> 01:54:44,080

what is going on i was like fanboying

2781

01:54:47,109 --> 01:54:45,199

out and i

2782

01:54:48,629 --> 01:54:47,119

i went up to manhattan with her and

2783

01:54:51,189 --> 01:54:48,639

another buddy of mine and

2784

01:54:52,950 --> 01:54:51,199

we had amazing chinese food and then

2785

01:54:54,790 --> 01:54:52,960

just talked for like three hours

2786

01:54:56,390 --> 01:54:54,800

oh that sounds great those are the

2787

01:54:57,750 --> 01:54:56,400

moments in this field man where i'm like

2788

01:55:00,070 --> 01:54:57,760

is this it really happening

2789

01:55:01,270 --> 01:55:00,080

because yeah we do we have those heroes

2790

01:55:03,270 --> 01:55:01,280

in this field and that was

2791

01:55:04,310 --> 01:55:03,280

one day when i finally met one in one

2792

01:55:06,149 --> 01:55:04,320

day where like

2793

01:55:07,830 --> 01:55:06,159

my hero actually lived up to the

2794

01:55:10,070 --> 01:55:07,840

expectation because they already

2795

01:55:12,709 --> 01:55:10,080

it never happens does it yeah but she

2796

01:55:14,310 --> 01:55:12,719

was one of them um she is just like

2797

01:55:16,470 --> 01:55:14,320

she's an inspiration to all of us out

2798

01:55:18,310 --> 01:55:16,480

there of like what

2799

01:55:20,070 --> 01:55:18,320

what can happen and like how serious

2800

01:55:22,310 --> 01:55:20,080

this topic can be taken

2801
01:55:23,830 --> 01:55:22,320
and uh we we have everything we're

2802
01:55:27,189 --> 01:55:23,840
talking about right now

2803
01:55:29,990 --> 01:55:27,199
in 2020 uh 2021 wow i'm a year behind

2804
01:55:32,149 --> 01:55:30,000
um we have her to thank for that we

2805
01:55:34,229 --> 01:55:32,159
truly do her in ralph blumenthal um

2806
01:55:36,310 --> 01:55:34,239
paved the way for all of this yeah ralph

2807
01:55:39,510 --> 01:55:36,320
yeah

2808
01:55:40,629 --> 01:55:39,520
this is a great talk man my pleasure

2809
01:55:42,870 --> 01:55:40,639
dude

2810
01:55:43,750 --> 01:55:42,880
my pleasure i could go for hours but i

2811
01:55:46,790 --> 01:55:43,760
didn't probably have

2812
01:55:49,669 --> 01:55:46,800
stuff to do too yeah with you i could

2813
01:55:52,790 --> 01:55:49,679

um yeah i do this mid-day so it's kind

2814

01:55:55,669 --> 01:55:52,800

of like uh i can do this but then i also

2815

01:55:57,189 --> 01:55:55,679

have things to tend to on the other side

2816

01:55:59,189 --> 01:55:57,199

yeah the wall

2817

01:56:01,189 --> 01:55:59,199

exactly we all have that other side to

2818

01:56:03,270 --> 01:56:01,199

the wall yeah

2819

01:56:04,390 --> 01:56:03,280

oh that's nice that's beautiful you're

2820

01:56:06,550 --> 01:56:04,400

just full of good stuff

2821

01:56:08,310 --> 01:56:06,560

all right i'm a playwright that's my job

2822

01:56:10,550 --> 01:56:08,320

dude but no you copy right there

2823

01:56:12,149 --> 01:56:10,560

you said it i just stole it which is

2824

01:56:15,669 --> 01:56:12,159

also another thing playwrights do

2825

01:56:18,870 --> 01:56:15,679

okay china i'm just kidding

2826

01:56:21,669 --> 01:56:18,880

um is there uh

2827

01:56:23,430 --> 01:56:21,679

anything else that um you want to

2828

01:56:27,030 --> 01:56:23,440

discuss or let people

2829

01:56:29,510 --> 01:56:27,040

um know uh before we get off the horn

2830

01:56:30,709 --> 01:56:29,520

oh thanks man um yeah yeah i've got some

2831

01:56:33,750 --> 01:56:30,719

cool stuff coming up

2832

01:56:37,030 --> 01:56:33,760

uh my the television show i'm a part of

2833

01:56:39,270 --> 01:56:37,040

mysteries decoded uh we got picked up

2834

01:56:41,189 --> 01:56:39,280

for another season and um

2835

01:56:42,709 --> 01:56:41,199

wrapped filming and it's gonna premiere

2836

01:56:45,589 --> 01:56:42,719

this summer uh

2837

01:56:47,109 --> 01:56:45,599

this summer right now in august actually

2838

01:56:48,950 --> 01:56:47,119

so um

2839

01:56:51,030 --> 01:56:48,960

everyone can go check that out it's on

2840

01:56:53,109 --> 01:56:51,040

the cw network it's premiering

2841

01:56:55,589 --> 01:56:53,119

in august and i should have more

2842

01:56:58,310 --> 01:56:55,599

information soon about that but um

2843

01:57:00,149 --> 01:56:58,320

other than that man um i do the podcast

2844

01:57:00,709 --> 01:57:00,159

every week somewhere in the skies it's

2845

01:57:03,830 --> 01:57:00,719

uh

2846

01:57:05,589 --> 01:57:03,840

anywhere you get podcasts and um that's

2847

01:57:08,229 --> 01:57:05,599

it working on another book

2848

01:57:09,910 --> 01:57:08,239

beautiful podcast so i do recommend it

2849

01:57:11,750 --> 01:57:09,920

and when i was first getting into this

2850

01:57:14,070 --> 01:57:11,760

stuff that's one i landed on

2851

01:57:15,189 --> 01:57:14,080

and it you know helped develop my

2852

01:57:17,109 --> 01:57:15,199

interest even further

2853

01:57:18,709 --> 01:57:17,119

so i love hearing that like you said

2854

01:57:20,229 --> 01:57:18,719

dude it's a chain reaction

2855

01:57:22,390 --> 01:57:20,239

you have no idea who's out there

2856

01:57:24,870 --> 01:57:22,400

listening and taking something from you

2857

01:57:26,790 --> 01:57:24,880

and it's still like touches my heart

2858

01:57:28,310 --> 01:57:26,800

every time someone reaches out like you

2859

01:57:31,189 --> 01:57:28,320

so thank you

2860

01:57:31,990 --> 01:57:31,199

no my pleasure sir i hope you come back

2861

01:57:35,189 --> 01:57:32,000

again

2862

01:57:36,950 --> 01:57:35,199

uh soon um we'll see what happens but in

2863

01:57:38,709 --> 01:57:36,960

the meantime if anything

2864

01:57:41,109 --> 01:57:38,719

we're buddies and we can always just

2865

01:57:41,990 --> 01:57:41,119

talk absolutely sean thanks for having

2866

01:57:43,350 --> 01:57:42,000

2872

01:57:58,149 --> 01:57:55,040

amazing

2873

01:58:01,669 --> 01:57:58,159

he's got a couple books out um

2874

01:58:04,550 --> 01:58:01,679

you can follow him on twitter and

2875

01:58:07,109 --> 01:58:04,560

yeah just a great perspective and i

2876

01:58:09,589 --> 01:58:07,119

really appreciate that so

2877

01:58:10,310 --> 01:58:09,599

um thank you guys especially you guys

2878

01:58:12,390 --> 01:58:10,320

2880

01:58:16,950 --> 01:58:15,199

sorry you dealt with that

2881

01:58:18,550 --> 01:58:16,960

but thanks for hanging out most

2882

01:58:19,350 --> 01:58:18,560

definitely tomorrow we have a really

2883

01:58:23,669 --> 01:58:19,360

uh we have uh ron james

2885

01:58:27,669 --> 01:58:26,800

from mufon television president so that

2886

01:58:29,990 --> 01:58:27,679

will be

2887

01:58:32,629 --> 01:58:30,000

pretty cool i'm looking forward to that

2888

01:58:34,790 --> 01:58:32,639

i will see you guys

2889

01:58:36,629 --> 01:58:34,800

same time tomorrow thanks uh to those

2890

01:58:39,830 --> 01:58:36,639

who um gave their

2891

01:58:42,390 --> 01:58:39,840

hard-earned money um

2892

01:58:43,830 --> 01:58:42,400

in support that that's awesome and i

2893

01:58:46,149 --> 01:58:43,840

really do appreciate that if you don't

2894

01:58:48,310 --> 01:58:46,159

mind i'd kind of try to not mention that

2895

01:58:49,669 --> 01:58:48,320

during the talk so we can keep our

2896

01:58:53,109 --> 01:58:49,679

smooth flow

2897

01:58:53,750 --> 01:58:53,119

um but i'll try to definitely uh say

2898

01:58:57,109 --> 01:58:53,760

thank you

2899

01:58:59,109 --> 01:58:57,119

in the comments um yeah

2900

01:59:00,709 --> 01:58:59,119

but that is all i got for today i'll see

2901

01:59:02,709 --> 01:59:00,719

2902

01:59:04,070 --> 01:59:02,719

it's hump day just remember that

2903

01:59:07,350 --> 01:59:04,080

tomorrow

2904

01:59:09,430 --> 01:59:07,360

it's almost the weekend so with that

2905

01:59:17,640 --> 01:59:09,440

being said

2906

01:59:43,860 --> 01:59:17,650

peace be in love

2907

01:59:59,480 --> 01:59:54,170

[Music]

2908

02:00:07,350 --> 01:59:59,490

so
