alleged Flying saucers  
from Denmark.

REGRADED UNCLASSIFIED  
ON 6 JULY 1994

1  
00:01:12,340 --> 00:00:14,910

[Music]

2  
00:01:24,230 --> 00:01:12,350

do

3  
00:01:32,149 --> 00:01:28,310

what's up everybody uh happy tuesday uh

4  
00:01:37,109 --> 00:01:32,159

it is just you and me today

5  
00:01:40,149 --> 00:01:37,119

um so that should be fun

6  
00:01:42,550 --> 00:01:40,159

i have

7  
00:01:43,910 --> 00:01:42,560

some things that um i would like to talk

8  
00:01:48,230 --> 00:01:43,920

about ooh my chest here

9  
00:01:48,630 --> 00:01:48,240

whoops uh that i'd uh that we can talk

10  
00:01:52,230 --> 00:01:48,640

about

11  
00:01:55,590 --> 00:01:52,240

um sheehan and lure on fade to black

12  
00:01:59,109 --> 00:01:55,600

uh last night and i gotta say mr

13  
00:01:59,670 --> 00:01:59,119

sheehan is pretty loose lips that's for

14

00:02:05,429 --> 00:01:59,680

sure

15

00:02:05,439 --> 00:02:10,229

and you know it's like um

16

00:02:13,589 --> 00:02:12,180

if you go by what he says i mean

17

00:02:15,910 --> 00:02:13,599

[Music]

18

00:02:17,030 --> 00:02:15,920

everything's pretty crazy uh he's

19

00:02:18,390 --> 00:02:17,040

definitely

20

00:02:21,190 --> 00:02:18,400

went out there and said a private

21

00:02:22,150 --> 00:02:21,200

company is holding the goods that's for

22

00:02:25,830 --> 00:02:22,160

sure

23

00:02:29,270 --> 00:02:25,840

so if you take sheehan at his words

24

00:02:31,190 --> 00:02:29,280

which i don't know if we if we should or

25

00:02:34,790 --> 00:02:31,200

shouldn't i can't say that

26

00:02:37,670 --> 00:02:34,800

but he is definitely

27

00:02:38,309 --> 00:02:37,680

saying that there is a group of powerful

28

00:02:41,589 --> 00:02:38,319

people

29

00:02:43,589 --> 00:02:41,599

it sounds like a private company that is

30

00:02:47,190 --> 00:02:43,599

holding the cards to this stuff

31

00:02:51,270 --> 00:02:47,200

and they want to monopolize

32

00:02:55,110 --> 00:02:51,280

the technology from it

33

00:02:57,509 --> 00:02:55,120

so that's pretty crazy

34

00:02:58,470 --> 00:02:57,519

now what company would it be would it be

35

00:03:04,309 --> 00:02:58,480

lockheed

36

00:03:06,149 --> 00:03:04,319

martin would it be

37

00:03:09,110 --> 00:03:06,159

i mean it seems like things would point

38

00:03:11,430 --> 00:03:09,120

in that direction right

39

00:03:13,110 --> 00:03:11,440

and you'll notice in that preliminary

40

00:03:15,589 --> 00:03:13,120

report

41

00:03:19,910 --> 00:03:15,599

yeah maybe skunk works megan in that

42

00:03:19,920 --> 00:03:23,670

tell they couldn't um

43

00:03:23,680 --> 00:03:28,869

officially rule out private

44

00:03:34,710 --> 00:03:32,710

uh it being you know private corporation

45

00:03:37,830 --> 00:03:34,720

technology nobody talks about that but

46

00:03:40,949 --> 00:03:37,840

it did say that in the preliminary

47

00:03:44,550 --> 00:03:40,959

report so

48

00:03:47,750 --> 00:03:46,949

you know i don't maybe it's not a big

49

00:03:49,910 --> 00:03:47,760

deal

50

00:03:51,589 --> 00:03:49,920

there's no way i'm the only one that saw

51  
00:03:53,190 --> 00:03:51,599  
it i know the debrief

52  
00:03:55,429 --> 00:03:53,200  
wrote something on that piece or

53  
00:03:55,990 --> 00:03:55,439  
whatever but i mean you could spin that

54  
00:03:57,589 --> 00:03:56,000  
to be

55  
00:04:00,550 --> 00:03:57,599  
whatever you want but if you just read

56  
00:04:03,589 --> 00:04:00,560  
the words

57  
00:04:04,630 --> 00:04:03,599  
they couldn't definitively rule out a

58  
00:04:07,589 --> 00:04:04,640  
private

59  
00:04:11,270 --> 00:04:07,599  
company whether by itself or working for

60  
00:04:16,629 --> 00:04:15,509  
um so that is i look like two faces here

61  
00:04:27,990 --> 00:04:16,639  
i got a

62  
00:04:31,110 --> 00:04:28,000  
dark face light face dark face line

63  
00:04:32,390 --> 00:04:31,120

so that's pretty interesting um and he's

64

00:04:35,909 --> 00:04:32,400  
encouraging people to

65

00:04:38,790 --> 00:04:35,919  
kind of do ce5 to

66

00:04:40,629 --> 00:04:38,800  
contact uh these beings and welcome them

67

00:04:43,830 --> 00:04:40,639  
and he talks about um

68

00:04:47,670 --> 00:04:43,840  
like a citizen diplomacy for this stuff

69

00:04:52,870 --> 00:04:51,270  
so yeah i mean private organizations in

70

00:04:57,430 --> 00:04:52,880  
a contract with the government

71

00:05:00,230 --> 00:04:57,440  
yeah quite possibly you know um

72

00:05:00,790 --> 00:05:00,240  
skunk works definitely has done stuff

73

00:05:03,350 --> 00:05:00,800  
for us

74

00:05:05,029 --> 00:05:03,360  
you know a lot of companies have um and

75

00:05:07,189 --> 00:05:05,039  
when it comes to this we know harry reid

76  
00:05:09,270 --> 00:05:07,199  
tried to check something out at lockheed

77  
00:05:12,230 --> 00:05:09,280  
and he was denied

78  
00:05:13,990 --> 00:05:12,240  
now why is that and now there's a

79  
00:05:17,189 --> 00:05:14,000  
private company that holds

80  
00:05:19,350 --> 00:05:17,199  
um this technology

81  
00:05:21,430 --> 00:05:19,360  
um and they're not sharing it they're

82  
00:05:24,469 --> 00:05:21,440  
monopolizing the technology according to

83  
00:05:29,350 --> 00:05:24,479  
danny sheehan

84  
00:05:36,070 --> 00:05:29,360  
so isn't the writing on the wall here

85  
00:05:36,080 --> 00:05:39,830  
i don't know if he wants to conte

86  
00:05:44,150 --> 00:05:42,310  
he i don't recall him saying that he

87  
00:05:45,270 --> 00:05:44,160  
necessarily wanted to contact these on

88  
00:05:48,710 --> 00:05:45,280

our behalf

89

00:05:51,029 --> 00:05:48,720

as much as design something

90

00:05:52,629 --> 00:05:51,039

where we could you know the interesting

91

00:05:57,189 --> 00:05:52,639

part of all of this

92

00:05:58,870 --> 00:05:57,199

is sheehan came out with the statement

93

00:06:00,550 --> 00:05:58,880

that you guys are probably familiar with

94

00:06:03,029 --> 00:06:00,560

not too long ago

95

00:06:07,510 --> 00:06:03,039

basically disowning gurir and the

96

00:06:12,390 --> 00:06:07,520

decisions made

97

00:06:15,270 --> 00:06:12,400

by him but in this interview

98

00:06:18,830 --> 00:06:15,280

it's clear that he still has a working

99

00:06:25,189 --> 00:06:23,110

um i don't know how much we can

100

00:06:28,870 --> 00:06:25,199

i mean you can take that for what you

101  
00:06:32,070 --> 00:06:28,880  
want and you can say

102  
00:06:32,469 --> 00:06:32,080  
what are you doing you're disowning the

103  
00:06:34,870 --> 00:06:32,479  
guy

104  
00:06:36,469 --> 00:06:34,880  
you're representing lou um but you're

105  
00:06:39,510 --> 00:06:36,479  
still working with this greater guy

106  
00:06:41,189 --> 00:06:39,520  
like what the hell is going on i think

107  
00:06:43,350 --> 00:06:41,199  
somebody needs to answer for what the

108  
00:06:49,029 --> 00:06:43,360  
hell is going on

109  
00:06:51,110 --> 00:06:49,039  
this is ridiculous it's it's too messy

110  
00:06:53,270 --> 00:06:51,120  
and at what point do you say this is too

111  
00:06:58,870 --> 00:06:53,280  
messy to be

112  
00:07:03,029 --> 00:07:00,550  
i mean he's done some great stuff

113  
00:07:07,430 --> 00:07:03,039

pentagon papers

114

00:07:12,710 --> 00:07:11,110

but i mean there's gotta be other good

115

00:07:17,749 --> 00:07:12,720

lawyers right

116

00:07:19,350 --> 00:07:17,759

but unless sheehan

117

00:07:23,830 --> 00:07:19,360

i mean i know he's got a specialty with

118

00:07:26,870 --> 00:07:26,150

but does that negate itself at some

119

00:07:31,029 --> 00:07:26,880

point with the

120

00:07:34,390 --> 00:07:31,039

the mess it creates i don't know

121

00:07:36,710 --> 00:07:34,400

yeah i mean i think that's that's

122

00:07:39,350 --> 00:07:36,720

weird too and you can really only say so

123

00:07:42,790 --> 00:07:39,360

much to make it not weird

124

00:07:45,110 --> 00:07:42,800

you know um you don't care

125

00:07:46,550 --> 00:07:45,120

what she and other clients are you just

126  
00:07:47,749 --> 00:07:46,560  
know he's a good lawyer and that's why

127  
00:07:51,430 --> 00:07:47,759  
you want him

128  
00:07:53,990 --> 00:07:51,440  
to me sure let's take it at face value

129  
00:07:57,029 --> 00:07:54,000  
is that the case

130  
00:08:03,110 --> 00:07:57,039  
great now sheehan

131  
00:08:07,189 --> 00:08:06,469  
have you heard of a denmark crash before

132  
00:08:07,840 --> 00:08:07,199  
by chance

133  
00:08:10,550 --> 00:08:07,850  
has anyone

134  
00:08:15,990 --> 00:08:10,560  
[Music]

135  
00:08:20,710 --> 00:08:16,000  
oh he is mr max all right

136  
00:08:22,230 --> 00:08:20,720  
sheen q is launching their own ufo stuff

137  
00:08:24,270 --> 00:08:22,240  
because q's history of abusing

138  
00:08:25,670 --> 00:08:24,280

misinformation they need to squelch the

139

00:08:29,909 --> 00:08:25,680

conspiracies

140

00:08:36,070 --> 00:08:33,430

i don't know what that means

141

00:08:38,829 --> 00:08:36,080

but i am not down with q and it doesn't

142

00:08:41,750 --> 00:08:38,839

sound like you are either

143

00:08:42,790 --> 00:08:41,760

um

144

00:08:44,149 --> 00:08:42,800

but yeah we were talking about the

145

00:08:45,430 --> 00:08:44,159

sheenhead stuff and it's pretty messy

146

00:08:48,389 --> 00:08:45,440

and then this fade develop

147

00:08:50,470 --> 00:08:48,399

the fade to black guy jimmy church goes

148

00:08:52,470 --> 00:08:50,480

out there and makes a big deal this 22

149

00:08:54,389 --> 00:08:52,480

minute video

150

00:08:55,990 --> 00:08:54,399

who's seen it did you see it did i you

151  
00:08:57,430 --> 00:08:56,000  
know do you see it how much do you see

152  
00:08:59,350 --> 00:08:57,440  
what is it what is it what is it

153  
00:09:00,949 --> 00:08:59,360  
it just rails him with questions that he

154  
00:09:02,230 --> 00:09:00,959  
basically can't answer

155  
00:09:07,110 --> 00:09:02,240  
probably because he's pissed he didn't

156  
00:09:10,949 --> 00:09:09,390  
but you know

157  
00:09:13,750 --> 00:09:10,959  
[Music]

158  
00:09:15,509 --> 00:09:13,760  
i don't know what good it does anyways

159  
00:09:18,070 --> 00:09:15,519  
because we can't see it do it i mean it

160  
00:09:20,230 --> 00:09:18,080  
was just a conversation

161  
00:09:21,110 --> 00:09:20,240  
like two guys drinking beer and he goes

162  
00:09:24,310 --> 00:09:21,120  
oh yeah

163  
00:09:26,470 --> 00:09:24,320

there's some good stuff i asked him

164

00:09:27,220 --> 00:09:26,480

you need to bring a diaper he said

165

00:09:29,350 --> 00:09:27,230

perhaps

166

00:09:34,949 --> 00:09:29,360

[Laughter]

167

00:09:41,590 --> 00:09:38,389

you know um what i mean what's

168

00:09:43,670 --> 00:09:41,600

i don't find that is news i don't find

169

00:09:45,590 --> 00:09:43,680

that as breaking news

170

00:09:48,710 --> 00:09:45,600

because we can't we're not going to see

171

00:09:50,630 --> 00:09:48,720

it i mean maybe we'll see it one day

172

00:09:56,389 --> 00:09:50,640

i'm sure there are people that want us

173

00:10:00,150 --> 00:09:59,509

it's a and keep working without that in

174

00:10:02,150 --> 00:10:00,160

mind

175

00:10:05,750 --> 00:10:02,160

you know and then as that comes that's a

176

00:10:07,829 --> 00:10:05,760

bonus that's awesome

177

00:10:08,790 --> 00:10:07,839

but i think sometimes we get too

178

00:10:10,550 --> 00:10:08,800

attached to

179

00:10:12,780 --> 00:10:10,560

wanting to see that video and this and

180

00:10:14,470 --> 00:10:12,790

that and maybe

181

00:10:18,069 --> 00:10:14,480

[Music]

182

00:10:18,470 --> 00:10:18,079

we don't do as much research or work i

183

00:10:20,870 --> 00:10:18,480

can't

184

00:10:22,630 --> 00:10:20,880

that doesn't count for everyone but some

185

00:10:26,389 --> 00:10:22,640

people

186

00:10:29,750 --> 00:10:26,399

so whether there is or is not that video

187

00:10:32,790 --> 00:10:29,760

well what there is but i mean

188

00:10:35,030 --> 00:10:32,800

what's there's really no use in

189

00:10:35,910 --> 00:10:35,040

talking about it too much because you

190

00:10:40,710 --> 00:10:35,920

can't

191

00:10:45,509 --> 00:10:43,910

cool that it exists though um

192

00:10:49,509 --> 00:10:45,519

and that interview with lou is really

193

00:10:52,630 --> 00:10:51,430

you know it it was great talking to i've

194

00:10:54,630 --> 00:10:52,640

talked to so many

195

00:10:56,069 --> 00:10:54,640

people in my life and i feel like i'm a

196

00:10:58,069 --> 00:10:56,079

good guide who's

197

00:11:01,030 --> 00:10:58,079

a genuine with me when you look at their

198

00:11:04,150 --> 00:11:01,040

eyes and their response to you

199

00:11:05,990 --> 00:11:04,160

and what you're putting out there um it

200

00:11:11,269 --> 00:11:06,000

was pretty even kill with that

201

00:11:11,279 --> 00:11:16,150

you would take an act of god

202

00:11:19,670 --> 00:11:18,949

yeah i don't know well i mean she had

203

00:11:22,949 --> 00:11:19,680

also

204

00:11:23,910 --> 00:11:22,959

talked about um you know why aren't they

205

00:11:28,230 --> 00:11:23,920

coming forward

206

00:11:30,069 --> 00:11:28,240

the others you know what's stopping them

207

00:11:33,509 --> 00:11:30,079

can we communicate to them and find out

208

00:11:37,509 --> 00:11:33,519

why that is so we can work on it

209

00:11:38,710 --> 00:11:37,519

that's you can't even get the thing in a

210

00:11:40,470 --> 00:11:38,720

picture

211

00:11:44,389 --> 00:11:40,480

what is it with my microphone you can't

212

00:11:48,230 --> 00:11:45,750

you know you can't even take a picture

213

00:11:51,190 --> 00:11:48,240

of it and you're trying to

214

00:11:53,590 --> 00:11:51,200

work on all this diplomacy and stuff i

215

00:11:57,190 --> 00:11:55,190

seems a little cart in front of the

216

00:12:01,990 --> 00:11:57,200

horse thing

217

00:12:09,030 --> 00:12:05,509

to me it does i mean it's just

218

00:12:11,829 --> 00:12:09,040

kind of messy right now and

219

00:12:13,430 --> 00:12:11,839

you know some people who are major

220

00:12:15,590 --> 00:12:13,440

players in this game right now and have

221

00:12:18,710 --> 00:12:15,600

their face on this stuff

222

00:12:19,990 --> 00:12:18,720

at some point you have to make clear

223

00:12:25,509 --> 00:12:20,000

that you 100

224

00:12:28,790 --> 00:12:25,519

back this person who's saying this stuff

225

00:12:31,190 --> 00:12:28,800

or make it clear that

226

00:12:31,990 --> 00:12:31,200

anything he does say shouldn't really be

227

00:12:35,190 --> 00:12:32,000

taken to

228

00:12:37,509 --> 00:12:35,200

into account too much

229

00:12:39,430 --> 00:12:37,519

because you don't agree with most of the

230

00:12:41,030 --> 00:12:39,440

things he says

231

00:12:43,670 --> 00:12:41,040

i think there should be a clear line

232

00:12:47,590 --> 00:12:45,910

i think that would help the messiness a

233

00:12:51,030 --> 00:12:47,600

little bit

234

00:12:54,949 --> 00:12:53,190

you know what what else would you think

235

00:12:57,430 --> 00:12:54,959

i would think uh

236

00:13:00,150 --> 00:12:57,440

this what she ends saying is probably

237

00:13:06,069 --> 00:13:02,069

because his client's a stand-up guy

238

00:13:09,670 --> 00:13:06,079

which he is

239

00:13:12,949 --> 00:13:09,680

i don't know but he's obviously she is

240

00:13:15,509 --> 00:13:12,959

still obviously hanging out with career

241

00:13:17,030 --> 00:13:15,519

and working on stuff and whatever you

242

00:13:18,710 --> 00:13:17,040

know i'd

243

00:13:21,829 --> 00:13:18,720

i'm not gonna claim to know the personal

244

00:13:24,470 --> 00:13:21,839

situations and relationships i can't

245

00:13:26,230 --> 00:13:24,480

and all we can see is what we see from

246

00:13:29,030 --> 00:13:26,240

our computer screens

247

00:13:29,590 --> 00:13:29,040

in the words that are spewed back and

248

00:13:33,030 --> 00:13:29,600

forth

249

00:13:34,710 --> 00:13:33,040

at each other but we don't really know

250

00:13:37,190 --> 00:13:34,720

the fine details of the personal

251  
00:13:40,230 --> 00:13:37,200  
relationships

252  
00:13:46,310 --> 00:13:40,240  
you know so i can't really judge

253  
00:13:49,590 --> 00:13:49,030  
and to take you know just what comes to

254  
00:13:53,030 --> 00:13:49,600  
us as

255  
00:13:53,509 --> 00:13:53,040  
truth no matter what what she it says or

256  
00:13:56,870 --> 00:13:53,519  
whatever

257  
00:13:59,990 --> 00:13:56,880  
that

258  
00:14:03,430 --> 00:14:00,000  
you can't commit

259  
00:14:06,870 --> 00:14:03,440  
to an opinion there because you know

260  
00:14:08,870 --> 00:14:06,880  
that there are there is smoke and

261  
00:14:14,550 --> 00:14:08,880  
mirrors

262  
00:14:18,389 --> 00:14:16,710  
repeat the demo crash you guys want to

263  
00:14:21,750 --> 00:14:18,399

hear about the denmark crash

264

00:14:26,230 --> 00:14:21,760

yeah i haven't even got to it yet so

265

00:14:33,910 --> 00:14:29,110

in the denmark crash here we can just

266

00:14:39,590 --> 00:14:37,910

um but you know i would end and say

267

00:14:41,829 --> 00:14:39,600

you know lose advice of think for

268

00:14:44,550 --> 00:14:41,839

yourself

269

00:14:46,150 --> 00:14:44,560

is perfect it's really perfect so if you

270

00:14:47,990 --> 00:14:46,160

do that

271

00:14:49,269 --> 00:14:48,000

i think you're fine as long as you don't

272

00:14:53,590 --> 00:14:49,279

throw your opinions

273

00:14:58,069 --> 00:14:55,990

and be understanding of the way they

274

00:14:58,629 --> 00:14:58,079

think and how they look at this stuff if

275

00:15:02,069 --> 00:14:58,639

you could do

276

00:15:05,110 --> 00:15:02,079

that grab their hand and fight for more

277

00:15:10,310 --> 00:15:08,710

that's the way to do it that is the way

278

00:15:12,870 --> 00:15:10,320

to do it think about it wonder when has

279

00:15:14,710 --> 00:15:12,880

that been tried when has it been tried

280

00:15:16,550 --> 00:15:14,720

when people took their theories and

281

00:15:19,110 --> 00:15:16,560

everything and put them down

282

00:15:22,230 --> 00:15:19,120

to join together to try to get more

283

00:15:32,310 --> 00:15:27,670

you know when has that ever happened

284

00:15:35,749 --> 00:15:32,320

i don't think ever um

285

00:15:40,230 --> 00:15:35,759

when have we ever got disclosure

286

00:15:43,110 --> 00:15:40,240

i don't think ever why don't we try that

287

00:15:44,389 --> 00:15:43,120

see if we can get coming together and

288

00:15:46,310 --> 00:15:44,399

get disclosure

289

00:15:47,910 --> 00:15:46,320

now i only have sold out of a voice so

290

00:15:50,310 --> 00:15:47,920

it takes people like you

291

00:15:51,910 --> 00:15:50,320

to repeat this stuff and go out there

292

00:15:53,590 --> 00:15:51,920

and try to do that

293

00:15:57,030 --> 00:15:53,600

because somehow we got to reach the

294

00:15:59,749 --> 00:15:57,040

bigger players in this

295

00:16:00,870 --> 00:15:59,759

you know if i go to church jimmy church

296

00:16:02,710 --> 00:16:00,880

and say this stuff

297

00:16:05,030 --> 00:16:02,720

he's not even going to listen to me i'm

298

00:16:08,150 --> 00:16:05,040

going to reply to my message

299

00:16:12,710 --> 00:16:08,160

you know so these

300

00:16:15,430 --> 00:16:12,720

are you know wishes

301  
00:16:17,110 --> 00:16:15,440  
and hopes but it takes all of us to go

302  
00:16:18,069 --> 00:16:17,120  
out there and act on that and spread

303  
00:16:21,430 --> 00:16:18,079  
that exact

304  
00:16:23,110 --> 00:16:21,440  
message and it can start with just how

305  
00:16:24,629 --> 00:16:23,120  
you respond to people you disagree with

306  
00:16:27,749 --> 00:16:24,639  
right

307  
00:16:32,470 --> 00:16:27,759  
i respect your opinion but

308  
00:16:36,389 --> 00:16:34,870  
man you are so smart i never thought of

309  
00:16:37,640 --> 00:16:36,399  
that but i just don't

310  
00:16:42,310 --> 00:16:37,650  
i don't get it

311  
00:16:47,189 --> 00:16:44,069  
oop there we go that's a little better

312  
00:16:52,629 --> 00:16:50,470  
all right as long as their theories

313  
00:16:53,590 --> 00:16:52,639

are not weaponized to suppress others

314

00:16:56,949 --> 00:16:53,600

that's my trigger

315

00:17:01,269 --> 00:16:56,959

yes sometimes we can be blind to our own

316

00:17:04,309 --> 00:17:01,279

control addictions yes we can

317

00:17:07,669 --> 00:17:04,319

alright so let me show you

318

00:17:10,470 --> 00:17:07,679

this thing so i don't really have

319

00:17:11,429 --> 00:17:10,480

um much of a story other than the actual

320

00:17:14,470 --> 00:17:11,439

document

321

00:17:15,990 --> 00:17:14,480

itself which is pretty interesting

322

00:17:19,270 --> 00:17:16,000

that's for sure

323

00:17:21,990 --> 00:17:19,280

so i'll try to zoom in here a little bit

324

00:17:25,429 --> 00:17:24,549

so it starts up at the top it looks like

325

00:17:29,110 --> 00:17:25,439

we have um

326

00:17:31,909 --> 00:17:29,120

some envelopes in the envelope say

327

00:17:33,350 --> 00:17:31,919

flying saucer it's kind of blacked out

328

00:17:35,510 --> 00:17:33,360

there

329

00:17:37,190 --> 00:17:35,520

flying saucer from denmark it says right

330

00:17:38,870 --> 00:17:37,200

here

331

00:17:40,230 --> 00:17:38,880

uh the denmark thing i believe was in

332

00:17:43,270 --> 00:17:40,240

the 50s

333

00:17:45,750 --> 00:17:43,280

and here you know

334

00:17:46,630 --> 00:17:45,760

um the denmark crash i believe was in

335

00:17:50,669 --> 00:17:46,640

the 50s

336

00:17:54,310 --> 00:17:50,679

and these documents were unclassified in

337

00:17:57,909 --> 00:17:56,870

and we have pictures oops man this mic

338

00:18:01,590 --> 00:17:57,919

is weird today

339

00:18:04,070 --> 00:18:01,600

we have pictures um but they're crappy

340

00:18:05,029 --> 00:18:04,080

but they are pictures and at least i

341

00:18:08,710 --> 00:18:05,039

didn't tell you

342

00:18:11,029 --> 00:18:08,720

they were fantastic so we'll skip

343

00:18:15,510 --> 00:18:11,039

through this stuff here we go flying

344

00:18:21,669 --> 00:18:15,520

saucers for denmark there it is

345

00:18:23,590 --> 00:18:21,679

and alleged flying saucers

346

00:18:28,950 --> 00:18:23,600

and here's the picture weird pictures

347

00:18:36,150 --> 00:18:28,960

hey what is that

348

00:18:36,160 --> 00:18:40,710

go to the next one

349

00:18:40,720 --> 00:18:44,070

looks like a bicycle seat

350

00:18:44,080 --> 00:18:49,420

interesting

351

00:18:52,870 --> 00:18:51,190

[Music]

352

00:18:54,870 --> 00:18:52,880

i mean i just did a quick google search

353

00:19:00,390 --> 00:18:54,880

but i haven't found anything on this so

354

00:19:00,400 --> 00:19:08,830

that looks like a creepy face almost

355

00:19:08,840 --> 00:19:15,110

there

356

00:19:23,990 --> 00:19:19,029

it's all kind of the same yeah

357

00:19:27,110 --> 00:19:24,000

interesting looks like it could be a bat

358

00:19:29,430 --> 00:19:27,120

huh but uh yeah so

359

00:19:31,190 --> 00:19:29,440

let's see then we have this kind of

360

00:19:33,990 --> 00:19:31,200

stuff which i don't know

361

00:19:35,909 --> 00:19:34,000

oh it looks like 1948 even wow that's

362

00:19:39,830 --> 00:19:35,919

way before i thought

363

00:19:43,190 --> 00:19:39,840

um so the cic was a source i

364

00:19:47,029 --> 00:19:43,200

believe that's command and control

365

00:19:56,789 --> 00:19:52,789

monday the 12th this 1948

366

00:19:56,799 --> 00:20:04,830

it's a ciccic

367

00:20:04,840 --> 00:20:11,909

german

368

00:20:15,909 --> 00:20:13,830

scribbles and blurs i'll take your

369

00:20:18,149 --> 00:20:15,919

expertise word for it

370

00:20:20,310 --> 00:20:18,159

yeah it scribbles and blurs um but

371

00:20:21,990 --> 00:20:20,320

basically it's just a breakdown sheet of

372

00:20:23,909 --> 00:20:22,000

those pictures and what they found

373

00:20:25,110 --> 00:20:23,919

i don't know what a lot of what a lot of

374

00:20:27,510 --> 00:20:25,120

these different things

375

00:20:29,750 --> 00:20:27,520

mean and there are different things in

376

00:20:34,230 --> 00:20:29,760

this uh report here

377

00:20:37,669 --> 00:20:34,240

that's interesting source oh my god

378

00:20:41,029 --> 00:20:37,679

um yeah so there's

379

00:20:43,510 --> 00:20:41,039

a lot of stuff uh in here but

380

00:20:44,870 --> 00:20:43,520

there's not much of a actual story to it

381

00:20:48,310 --> 00:20:44,880

near

382

00:20:50,070 --> 00:20:48,320

your intelligence guide right field very

383

00:20:53,669 --> 00:20:50,080

interesting

384

00:20:56,149 --> 00:20:53,679

they left it top secret horton

385

00:21:00,310 --> 00:20:56,159

rainer and walton so these are the names

386

00:21:05,110 --> 00:21:02,070

horton rainer and walton not sure who

387

00:21:11,350 --> 00:21:08,789

uh soviet experiments arctic circle

388

00:21:12,230 --> 00:21:11,360

flying saucers from denmark man these

389

00:21:17,830 --> 00:21:12,240

documents are

390

00:21:28,830 --> 00:21:17,840

crazy sometimes like

391

00:21:33,270 --> 00:21:32,549

hmm i don't know that's the document

392

00:21:39,590 --> 00:21:33,280

though

393

00:21:43,669 --> 00:21:41,990

so you can just look at it yourself or

394

00:21:44,789 --> 00:21:43,679

maybe i'll do some more digging on this

395

00:21:46,870 --> 00:21:44,799

see if we can

396

00:21:50,630 --> 00:21:46,880

bring up anything in the old denmark

397

00:21:54,789 --> 00:21:53,990

um i don't know

398

00:21:58,070 --> 00:21:54,799

i don't know if you guys are

399

00:22:03,750 --> 00:21:58,080

disappointed sorry um but yeah

400

00:22:11,190 --> 00:22:07,669

and yeah we got the pieces of it so

401  
00:22:14,310 --> 00:22:11,200  
it didn't go much farther beyond that

402  
00:22:16,390 --> 00:22:14,320  
like if they were tested um

403  
00:22:18,630 --> 00:22:16,400  
what it's made of all that kind of stuff

404  
00:22:19,750 --> 00:22:18,640  
but there's a lot of different cases

405  
00:22:22,789 --> 00:22:19,760  
like this

406  
00:22:25,270 --> 00:22:22,799  
um that you can find one is in sweden

407  
00:22:28,230 --> 00:22:25,280  
i mentioned i know jd i wanted to hear

408  
00:22:32,070 --> 00:22:31,190  
the documents are basically tell the

409  
00:22:33,990 --> 00:22:32,080  
same kind of thing

410  
00:22:35,190 --> 00:22:34,000  
something crashed nobody knew what it

411  
00:22:37,270 --> 00:22:35,200  
was

412  
00:22:38,710 --> 00:22:37,280  
they sent the team out there to actually

413  
00:22:40,549 --> 00:22:38,720

investigate it

414

00:22:41,909 --> 00:22:40,559

whatever it was they did actually bring

415

00:22:45,110 --> 00:22:41,919

it back to

416

00:22:46,789 --> 00:22:45,120

wright patterson um but they wound up

417

00:22:47,990 --> 00:22:46,799

saying it was some sort of balloon that

418

00:22:52,950 --> 00:22:48,000

they didn't

419

00:22:52,960 --> 00:22:57,270

so that's pretty interesting

420

00:22:57,280 --> 00:23:02,470

most definitely so

421

00:23:06,230 --> 00:23:04,070

you know what do you guys think when you

422

00:23:09,430 --> 00:23:06,240

hear people talk about

423

00:23:10,950 --> 00:23:09,440

disclosure and

424

00:23:17,190 --> 00:23:10,960

you know what we're going to be doing

425

00:23:26,870 --> 00:23:22,630

how does that make you feel

426

00:23:28,789 --> 00:23:26,880

does that make you excited

427

00:23:30,070 --> 00:23:28,799

that we'll still be doing things like

428

00:23:34,830 --> 00:23:30,080

this in three years

429

00:23:34,840 --> 00:23:40,950

well this is good information

430

00:23:40,960 --> 00:23:45,909

wow interesting

431

00:23:55,510 --> 00:23:50,870

i wonder if that's what it was

432

00:23:59,350 --> 00:23:55,520

very interesting thank you megan

433

00:24:05,190 --> 00:24:01,430

any of you guys want to call in i'll

434

00:24:07,110 --> 00:24:05,200

give you the link to this thing

435

00:24:08,470 --> 00:24:07,120

and you don't have to do video but you

436

00:24:12,710 --> 00:24:08,480

could do

437

00:24:16,390 --> 00:24:15,510

there you go i have at it see what you

438

00:24:20,630 --> 00:24:16,400

got

439

00:24:23,029 --> 00:24:20,640

maybe a sighting

440

00:24:25,669 --> 00:24:23,039

how do you feel about what's going on

441

00:24:28,950 --> 00:24:25,679

right now with disclosure

442

00:24:34,070 --> 00:24:28,960

stuff like that if you want in click

443

00:24:37,510 --> 00:24:36,549

um yeah and you can just activate your

444

00:24:44,870 --> 00:24:37,520

phone

445

00:24:48,390 --> 00:24:46,789

yeah we need a scientific community to

446

00:24:49,110 --> 00:24:48,400

find more concrete evidence but the

447

00:24:51,990 --> 00:24:49,120

difference is

448

00:24:53,510 --> 00:24:52,000

we can't have the government making this

449

00:24:56,789 --> 00:24:53,520

scientific community

450

00:24:58,390 --> 00:24:56,799

and only giving them the details uh

451  
00:25:00,630 --> 00:24:58,400  
because we see how that goes

452  
00:25:03,430 --> 00:25:00,640  
so we need to get these details out in

453  
00:25:05,990 --> 00:25:03,440  
the public right

454  
00:25:08,070 --> 00:25:06,000  
so that we can do that so that people

455  
00:25:11,830 --> 00:25:08,080  
like neil degrasse tyson really feel

456  
00:25:13,590 --> 00:25:11,840  
stupid for all the things that they say

457  
00:25:15,669 --> 00:25:13,600  
because right now he can say what he

458  
00:25:17,750 --> 00:25:15,679  
wants and nobody can really negate that

459  
00:25:19,830 --> 00:25:17,760  
because what's

460  
00:25:21,190 --> 00:25:19,840  
fact that's out in the public that a

461  
00:25:24,470 --> 00:25:21,200  
scientist like him

462  
00:25:28,149 --> 00:25:24,480  
would need to convince him is not

463  
00:25:32,230 --> 00:25:28,159

made available and this guy

464

00:25:34,549 --> 00:25:32,240

takes people through the cosmos on trips

465

00:25:36,149 --> 00:25:34,559

horton brothers yes that's right horton

466

00:25:40,470 --> 00:25:36,159

brothers

467

00:25:40,480 --> 00:25:44,870

a calling

468

00:25:44,880 --> 00:25:49,350

oh you muted yourself jd

469

00:25:53,590 --> 00:25:51,669

whenever you're ready just yep there we

470

00:25:55,990 --> 00:25:53,600

go that's it

471

00:25:57,190 --> 00:25:56,000

what's up man it's oh it's kind of noisy

472

00:25:59,029 --> 00:25:57,200

how you doing

473

00:26:01,830 --> 00:25:59,039

not too bad i'm getting the oil changed

474

00:26:05,590 --> 00:26:01,840

so i stepped outside how are you

475

00:26:07,590 --> 00:26:05,600

good yeah um yeah so what's up with you

476  
00:26:10,710 --> 00:26:07,600  
what are you thinking

477  
00:26:17,110 --> 00:26:10,720  
well couple of things

478  
00:26:17,120 --> 00:26:21,909  
up you cut out on me

479  
00:26:26,789 --> 00:26:25,110  
all right jd you there

480  
00:26:29,669 --> 00:26:26,799  
no all right try it again later if you

481  
00:26:34,950 --> 00:26:33,350  
so yeah maybe he will

482  
00:26:37,350 --> 00:26:34,960  
come back and try again anybody else is

483  
00:26:39,990 --> 00:26:37,360  
welcome to um

484  
00:26:42,549 --> 00:26:40,000  
but look you know i tried to ask you

485  
00:26:45,669 --> 00:26:42,559  
guys how do you

486  
00:26:47,590 --> 00:26:45,679  
um feel about what is going on right now

487  
00:26:48,149 --> 00:26:47,600  
with disclosure and how people talk

488  
00:26:51,269 --> 00:26:48,159

about

489

00:26:54,470 --> 00:26:51,279

you know um how things are gonna go in

490

00:26:54,480 --> 00:26:58,390

i get it

491

00:27:01,830 --> 00:27:00,070

but do we really want to wait three

492

00:27:04,870 --> 00:27:01,840

years

493

00:27:06,070 --> 00:27:04,880

do we want to do this and push for

494

00:27:10,870 --> 00:27:06,080

disclosure and

495

00:27:14,070 --> 00:27:10,880

go through uh empty

496

00:27:19,110 --> 00:27:14,080

promises of breaking news for three

497

00:27:27,190 --> 00:27:23,909

i don't know yeah someone said that

498

00:27:30,149 --> 00:27:27,200

someone um told lou told uh

499

00:27:32,310 --> 00:27:30,159

i was listening to the fade to black and

500

00:27:35,669 --> 00:27:32,320

it wasn't like a

501  
00:27:38,310 --> 00:27:35,679  
um a prognosis or anything like that

502  
00:27:38,950 --> 00:27:38,320  
yeah i think he just you know set it on

503  
00:27:40,789 --> 00:27:38,960  
a whim

504  
00:27:43,190 --> 00:27:40,799  
the three-year thing it was nothing

505  
00:27:47,110 --> 00:27:43,200  
exact i i don't believe

506  
00:27:51,909 --> 00:27:47,120  
but it's it's just like

507  
00:28:00,149 --> 00:27:56,230  
what's up bro nice shirt thanks man

508  
00:28:03,350 --> 00:28:00,159  
i'm in the i'm in the car

509  
00:28:07,190 --> 00:28:03,360  
oh you keep breaking up on me bro is it

510  
00:28:10,310 --> 00:28:07,200  
just a little better yeah

511  
00:28:12,230 --> 00:28:10,320  
um okay i might have to try back later

512  
00:28:16,470 --> 00:28:12,240  
oh i heard you're there but yeah you're

513  
00:28:19,510 --> 00:28:16,480

still sketching up

514

00:28:21,750 --> 00:28:19,520

sorry yeah no worries let's try it again

515

00:28:23,350 --> 00:28:21,760

i'll try and jump back in later okay

516

00:28:25,750 --> 00:28:23,360

sounds good yeah

517

00:28:27,430 --> 00:28:25,760

yeah don't worry about it all right so

518

00:28:30,389 --> 00:28:27,440

that didn't work got to will

519

00:28:31,830 --> 00:28:30,399

yeah no problem lucille um i don't know

520

00:28:34,070 --> 00:28:31,840

what you're thinking before but you're

521

00:28:36,230 --> 00:28:34,080

welcome

522

00:28:37,430 --> 00:28:36,240

uh maybe biden wants it at the end of

523

00:28:39,750 --> 00:28:37,440

his presidency hmm

524

00:28:41,110 --> 00:28:39,760

that's something i didn't think about eh

525

00:28:42,870 --> 00:28:41,120

i'm trying not to look

526  
00:28:45,590 --> 00:28:42,880  
too into the three years because i think

527  
00:28:47,590 --> 00:28:45,600  
it was just flippantly generally said

528  
00:28:49,269 --> 00:28:47,600  
it wasn't like uh we have a three-year

529  
00:28:52,470 --> 00:28:49,279  
plan kind of thing

530  
00:28:53,269 --> 00:28:52,480  
so i try not to you know go too far into

531  
00:28:58,070 --> 00:28:53,279  
that but i do

532  
00:28:59,669 --> 00:28:58,080  
like to tickle the idea so to speak

533  
00:29:01,669 --> 00:28:59,679  
jd don't worry about it bro you just

534  
00:29:06,950 --> 00:29:01,679  
said bad reception we'll try it again

535  
00:29:09,590 --> 00:29:06,960  
um a different time not a problem

536  
00:29:11,190 --> 00:29:09,600  
yeah but thanks for for doing it that

537  
00:29:15,750 --> 00:29:11,200  
you know we'll talk to you next time

538  
00:29:15,760 --> 00:29:22,310

yeah there's never agreement with anyone

539

00:29:25,990 --> 00:29:23,830

public hearings may take a couple of

540

00:29:28,310 --> 00:29:26,000

years to complete so maybe it's not

541

00:29:29,990 --> 00:29:28,320

that far off yeah that's a good point

542

00:29:31,669 --> 00:29:30,000

that's a good point but i think

543

00:29:33,510 --> 00:29:31,679

you know i've heard this before from

544

00:29:36,070 --> 00:29:33,520

other people that we could have public

545

00:29:42,470 --> 00:29:36,080

hearings tomorrow

546

00:29:48,710 --> 00:29:46,070

uh megan yes i have looked at the week

547

00:29:49,830 --> 00:29:48,720

wikileaks emails involving john podesta

548

00:29:52,630 --> 00:29:49,840

yeah

549

00:29:53,510 --> 00:29:52,640

um and edgar mitchell was in there too

550

00:29:55,909 --> 00:29:53,520

there were some of his

551  
00:29:57,430 --> 00:29:55,919  
emails in there now what edgar mitchell

552  
00:30:00,710 --> 00:29:57,440  
um definitely

553  
00:30:01,750 --> 00:30:00,720  
you know the interest again we're here

554  
00:30:04,630 --> 00:30:01,760  
with kind of like

555  
00:30:06,310 --> 00:30:04,640  
two um different sizes that people are

556  
00:30:07,350 --> 00:30:06,320  
playing right there's the one side

557  
00:30:10,710 --> 00:30:07,360  
that's totally

558  
00:30:12,630 --> 00:30:10,720  
extra terrestrial um

559  
00:30:13,750 --> 00:30:12,640  
we have to make this work we have to do

560  
00:30:15,909 --> 00:30:13,760  
contact

561  
00:30:17,510 --> 00:30:15,919  
no violence nukes and all that and then

562  
00:30:21,269 --> 00:30:17,520  
there's the

563  
00:30:22,630 --> 00:30:21,279

um don't get in any weird theories

564

00:30:25,110 --> 00:30:22,640

this is we're just looking at the

565

00:30:27,909 --> 00:30:25,120

details and sometimes you find those two

566

00:30:31,269 --> 00:30:27,919

kind of lingering around the same

567

00:30:32,230 --> 00:30:31,279

uh scenario like edgar mitchell and john

568

00:30:34,470 --> 00:30:32,240

podesta

569

00:30:38,950 --> 00:30:34,480

now to me what it looks like is edgar

570

00:30:41,029 --> 00:30:38,960

mitchell lost that fight to time to long

571

00:30:43,029 --> 00:30:41,039

does it not because ed mitchell was

572

00:30:46,389 --> 00:30:43,039

trying to do the same thing

573

00:30:48,149 --> 00:30:46,399

with podesta and brief people

574

00:30:51,909 --> 00:30:48,159

maybe not the same thing but he was

575

00:30:55,909 --> 00:30:54,149

but it was at that time that tom and

576

00:30:57,190 --> 00:30:55,919

podesta were doing this stuff and tom

577

00:30:59,909 --> 00:30:57,200

had these

578

00:31:05,430 --> 00:30:59,919

um you know pretty high up contacts that

579

00:31:08,470 --> 00:31:05,440

he was working with

580

00:31:10,310 --> 00:31:08,480

um like his secret meetings told about

581

00:31:13,669 --> 00:31:10,320

alien life

582

00:31:16,789 --> 00:31:13,679

meetings behind the white house you know

583

00:31:16,799 --> 00:31:21,269

i don't know i think it's pretty

584

00:31:25,110 --> 00:31:24,149

all signs point to the government helped

585

00:31:29,110 --> 00:31:25,120

us

586

00:31:30,470 --> 00:31:29,120

you know get started that's for sure

587

00:31:34,230 --> 00:31:30,480

but then you have to make up your mind

588

00:31:39,750 --> 00:31:37,269

does it bother you if we get

589

00:31:43,590 --> 00:31:39,760

disclosure does it bother you with how

590

00:31:47,669 --> 00:31:45,669

and if you think it started with a

591

00:31:50,230 --> 00:31:47,679

government you know

592

00:31:51,350 --> 00:31:50,240

with government help this disclosure

593

00:31:56,789 --> 00:31:51,360

process

594

00:32:01,029 --> 00:31:59,029

tom delong emailing podesta with all

595

00:32:07,029 --> 00:32:01,039

this stuff in his book talking about his

596

00:32:15,350 --> 00:32:10,549

i mean it seems or maybe it's

597

00:32:17,750 --> 00:32:15,360

you know but with this stuff it's like

598

00:32:18,870 --> 00:32:17,760

there's some people that play so damn

599

00:32:22,149 --> 00:32:18,880

dirty in this

600

00:32:23,750 --> 00:32:22,159

that that could be on purpose to make us

601  
00:32:26,310 --> 00:32:23,760  
think a certain thing you know i'm not

602  
00:32:28,549 --> 00:32:26,320  
saying that's the case

603  
00:32:31,669 --> 00:32:28,559  
but the cia and whatnot has definitely

604  
00:32:34,789 --> 00:32:31,679  
done stuff like that before

605  
00:32:35,590 --> 00:32:34,799  
so were these did they know wikileaks

606  
00:32:37,190 --> 00:32:35,600  
was gonna happen

607  
00:32:38,870 --> 00:32:37,200  
and so they sent some emails back and

608  
00:32:46,389 --> 00:32:38,880  
forth

609  
00:32:51,180 --> 00:32:48,870  
yeah gravity is a threat if you're on a

610  
00:32:53,269 --> 00:32:51,190  
ladder

611  
00:32:55,590 --> 00:32:53,279  
[Laughter]

612  
00:32:56,240 --> 00:32:55,600  
that freaking hostile ladder always let

613  
00:32:59,509 --> 00:32:56,250

me fall

614

00:33:05,029 --> 00:32:59,519

[Laughter]

615

00:33:09,269 --> 00:33:07,590

that's pretty good yeah but i'll give

616

00:33:12,549 --> 00:33:09,279

you my take on the threat narrative

617

00:33:13,990 --> 00:33:12,559

i'll give it to you right now um is this

618

00:33:17,029 --> 00:33:14,000

a threat

619

00:33:27,269 --> 00:33:20,710

and you know what we're told

620

00:33:33,029 --> 00:33:30,149

um it's not a threat to us what's

621

00:33:35,110 --> 00:33:33,039

happening to us that's a threat

622

00:33:37,110 --> 00:33:35,120

now there are stuff like abductions this

623

00:33:39,110 --> 00:33:37,120

and that that happen to people on an

624

00:33:39,990 --> 00:33:39,120

individual and personal basis but as a

625

00:33:43,110 --> 00:33:40,000

whole

626  
00:33:43,909 --> 00:33:43,120  
are we under threat right now look out

627  
00:33:48,789 --> 00:33:43,919  
your window

628  
00:33:55,590 --> 00:33:48,799  
what do you see look up in the sky

629  
00:34:03,190 --> 00:33:59,830  
yeah so is it a threat

630  
00:34:03,750 --> 00:34:03,200  
i would say no and if it is then they'll

631  
00:34:07,269 --> 00:34:03,760  
have to

632  
00:34:10,470 --> 00:34:07,279  
you know show proof of that like if it

633  
00:34:15,349 --> 00:34:10,480  
foreign power was you know

634  
00:34:20,629 --> 00:34:15,359  
around our ships and such

635  
00:34:23,750 --> 00:34:20,639  
or and we pose them as a threat

636  
00:34:26,869 --> 00:34:23,760  
like well it's right there you know we

637  
00:34:30,389 --> 00:34:28,550  
and then they start coming over land or

638  
00:34:32,950 --> 00:34:30,399

whatever you know like pearl harbor that

639

00:34:35,430 --> 00:34:32,960

was a threat

640

00:34:36,389 --> 00:34:35,440

and this could be there could be there

641

00:34:39,349 --> 00:34:36,399

are

642

00:34:40,950 --> 00:34:39,359

i think so many different sides to this

643

00:34:43,270 --> 00:34:40,960

phenomenon

644

00:34:46,310 --> 00:34:43,280

that it can very well be a threat that

645

00:34:49,669 --> 00:34:46,320

we just don't understand

646

00:34:53,510 --> 00:34:49,679

as well

647

00:34:54,950 --> 00:34:53,520

you know how can we understand something

648

00:34:57,190 --> 00:34:54,960

that's not from here

649

00:34:58,310 --> 00:34:57,200

and how it could even pose a threat

650

00:35:01,670 --> 00:34:58,320

what's said

651  
00:35:02,550 --> 00:35:01,680  
sometimes by people is what they do

652  
00:35:05,109 --> 00:35:02,560  
isn't

653  
00:35:07,109 --> 00:35:05,119  
on purpose like jamming radar and stuff

654  
00:35:17,910 --> 00:35:07,119  
like that it could just be a byproduct

655  
00:35:24,069 --> 00:35:22,550  
yeah i think that's a great point um

656  
00:35:26,390 --> 00:35:24,079  
you know something that lou actually

657  
00:35:30,150 --> 00:35:26,400  
said about space time i think it was him

658  
00:35:33,270 --> 00:35:30,160  
that that like would ever be in that

659  
00:35:37,270 --> 00:35:33,280  
bubble time would be moving incredibly

660  
00:35:41,430 --> 00:35:37,280  
slow for them even though we see them

661  
00:35:45,030 --> 00:35:44,150  
so that's interesting but he didn't

662  
00:35:46,710 --> 00:35:45,040  
answer my old

663  
00:35:49,829 --> 00:35:46,720

emp question

664

00:35:53,190 --> 00:35:51,910

which i don't know you can't can only

665

00:35:56,630 --> 00:35:53,200

take so much from that but

666

00:36:02,630 --> 00:35:56,640

if that's a a pretty good theory then

667

00:36:06,150 --> 00:36:04,470

why do you think lou says we would feel

668

00:36:08,230 --> 00:36:06,160

somber if we knew the truth

669

00:36:10,630 --> 00:36:08,240

um well i asked him that in the

670

00:36:14,069 --> 00:36:10,640

interview and he had a

671

00:36:17,270 --> 00:36:14,079

a pretty pretty good answer

672

00:36:21,430 --> 00:36:17,280

i think what he's just trying to say

673

00:36:24,470 --> 00:36:21,440

is nothing's nothing's really what it

674

00:36:27,589 --> 00:36:24,480

seems you know and

675

00:36:31,190 --> 00:36:27,599

maybe if we saw what he saw

676  
00:36:35,910 --> 00:36:34,310  
somber because we thought we had a

677  
00:36:38,550 --> 00:36:35,920  
handle on

678  
00:36:40,710 --> 00:36:38,560  
life and then you're throwing a

679  
00:36:42,550 --> 00:36:40,720  
curveball like that

680  
00:36:46,710 --> 00:36:42,560  
and maybe you're just not sure what's up

681  
00:36:56,150 --> 00:36:54,150  
maybe that's why it's somber

682  
00:36:57,510 --> 00:36:56,160  
it i mean if something like that exists

683  
00:37:00,230 --> 00:36:57,520  
and it's uh

684  
00:37:01,910 --> 00:37:00,240  
alien and when i say alien i mean all

685  
00:37:03,750 --> 00:37:01,920  
the above

686  
00:37:05,990 --> 00:37:03,760  
extraterrestrial interdimensional

687  
00:37:06,790 --> 00:37:06,000  
whatever and i'm not gonna hassle myself

688  
00:37:08,870 --> 00:37:06,800

by

689

00:37:10,630 --> 00:37:08,880

choosing which thing to pick here or

690

00:37:13,910 --> 00:37:10,640

where i'm just saying alien

691

00:37:17,589 --> 00:37:15,990

hey what's up nigel yeah i see you

692

00:37:20,870 --> 00:37:17,599

commenting on some videos

693

00:37:25,109 --> 00:37:20,880

that's awesome i love that

694

00:37:31,829 --> 00:37:28,150

aloha i love hawaii i miss hawaii

695

00:37:34,550 --> 00:37:31,839

y is great um

696

00:37:35,990 --> 00:37:34,560

but yeah i think that's probably why he

697

00:37:38,390 --> 00:37:36,000

would say sober because whatever

698

00:37:39,510 --> 00:37:38,400

it is would just rock our boats and give

699

00:37:46,310 --> 00:37:39,520

us something that

700

00:37:54,310 --> 00:37:50,950

until you see something face first

701  
00:37:57,589 --> 00:37:54,320  
i don't think you'll ever get a 100

702  
00:37:59,990 --> 00:37:57,599  
grasp on what it is right you can see

703  
00:38:01,589 --> 00:38:00,000  
pictures but it gets to a certain point

704  
00:38:02,230 --> 00:38:01,599  
but that's really no different than a

705  
00:38:05,270 --> 00:38:02,240  
movie

706  
00:38:07,349 --> 00:38:05,280  
or video games

707  
00:38:11,349 --> 00:38:07,359  
i understand it can be proposed as not

708  
00:38:18,950 --> 00:38:15,349  
but really it's a screen

709  
00:38:21,990 --> 00:38:18,960  
with a graphic on it

710  
00:38:24,710 --> 00:38:22,000  
that's what it really is that's what i

711  
00:38:30,470 --> 00:38:27,270  
but if you are seeing it up in person

712  
00:38:33,510 --> 00:38:30,480  
and it affects your daily life

713  
00:38:34,790 --> 00:38:33,520

that's real you know

714

00:38:36,470 --> 00:38:34,800

and i don't know that we're going to

715

00:38:38,150 --> 00:38:36,480

convince anybody of anything until

716

00:38:40,710 --> 00:38:38,160

something like that happens

717

00:38:41,910 --> 00:38:40,720

and the government can't come out and

718

00:38:43,990 --> 00:38:41,920

say

719

00:38:45,750 --> 00:38:44,000

aliens are real without them

720

00:38:46,150 --> 00:38:45,760

interrupting or screwing with people's

721

00:38:50,150 --> 00:38:46,160

lives

722

00:38:57,829 --> 00:38:54,310

you know otherwise they're just

723

00:39:01,750 --> 00:39:00,710

there's so many people that are so

724

00:39:04,710 --> 00:39:01,760

against this

725

00:39:06,310 --> 00:39:04,720

even being taken seriously for a second

726

00:39:07,589 --> 00:39:06,320

every government came out and said it's

727

00:39:13,190 --> 00:39:07,599

all real

728

00:39:22,870 --> 00:39:13,200

aliens unless they can see the thing

729

00:39:29,670 --> 00:39:25,910

so you know in some sense we're gonna be

730

00:39:33,270 --> 00:39:29,680

in the same place

731

00:39:38,390 --> 00:39:33,280

unless we actually can see

732

00:39:44,069 --> 00:39:40,230

so that goes back to what sheen says

733

00:39:48,310 --> 00:39:44,079

where he wants to develop

734

00:39:55,349 --> 00:39:52,150

and have diplomatic relations

735

00:39:57,349 --> 00:39:55,359

that's sure i don't know how to do that

736

00:39:59,510 --> 00:39:57,359

is there a guide is there a

737

00:40:00,310 --> 00:39:59,520

communication with aliens guide for

738

00:40:03,670 --> 00:40:00,320

dummies

739

00:40:08,790 --> 00:40:03,680

if there is i'll do it the ce5 it's not

740

00:40:13,670 --> 00:40:08,800

that easy to do that let alone

741

00:40:15,109 --> 00:40:13,680

try to practice diplomacy through that

742

00:40:18,390 --> 00:40:15,119

and if you're going to tell me greer's

743

00:40:22,790 --> 00:40:18,400

teaching people how to do that

744

00:40:25,270 --> 00:40:22,800

that unfortunately for me

745

00:40:26,309 --> 00:40:25,280

does such a disservice to what you're

746

00:40:32,230 --> 00:40:26,319

trying to do

747

00:40:44,150 --> 00:40:35,349

and that's the problem with him working

748

00:40:47,670 --> 00:40:45,310

how can you take anything

749

00:40:51,589 --> 00:40:47,680

[Music]

750

00:40:55,349 --> 00:40:54,870

but as long as he just agreeer just sends

751  
00:40:59,030 --> 00:40:55,359  
spam

752  
00:41:00,150 --> 00:40:59,040  
emails and um you know kind of paints

753  
00:41:03,349 --> 00:41:00,160  
his

754  
00:41:06,390 --> 00:41:03,359  
picture as a business

755  
00:41:08,630 --> 00:41:06,400  
i can't i can't do it he could say

756  
00:41:12,630 --> 00:41:08,640  
everything that he's saying

757  
00:41:19,990 --> 00:41:16,710  
or nasty things about other people

758  
00:41:21,750 --> 00:41:20,000  
and i wouldn't really care either way

759  
00:41:23,670 --> 00:41:21,760  
i'd probably actually start listening to

760  
00:41:27,510 --> 00:41:23,680  
the guy

761  
00:41:32,069 --> 00:41:30,309  
because he's actively you know

762  
00:41:35,510 --> 00:41:32,079  
distancing himself from

763  
00:41:38,550 --> 00:41:35,520

people that may be interested

764

00:41:41,589 --> 00:41:38,560

and now the ce5 and everything is he's

765

00:41:47,990 --> 00:41:44,870

thankfully so it can be

766

00:41:51,030 --> 00:41:48,000

used how it is by anybody

767

00:41:59,589 --> 00:41:51,040

because it's just a meditation it's not

768

00:42:06,230 --> 00:42:02,790

it's overpriced absolutely

769

00:42:08,710 --> 00:42:06,240

um yeah that app has been

770

00:42:10,309 --> 00:42:08,720

around for a while that's how i actually

771

00:42:12,630 --> 00:42:10,319

tried it for the first time i tried the

772

00:42:21,430 --> 00:42:16,470

um and i gotta say

773

00:42:26,950 --> 00:42:21,440

him doing the guided meditation

774

00:42:26,960 --> 00:42:33,910

get ready to be a little uncomfortable

775

00:42:38,550 --> 00:42:36,470

as doctor career you need to relax you

776

00:42:43,030 --> 00:42:38,560

need your body to be

777

00:42:47,349 --> 00:42:45,670

yeah i did a lot that was a long well

778

00:42:51,670 --> 00:42:47,359

not that long ago maybe a year ago i

779

00:42:55,910 --> 00:42:53,990

messiah complex yeah i don't know about

780

00:42:58,309 --> 00:42:55,920

that but

781

00:43:00,069 --> 00:42:58,319

that that's pretty hardcore galactic

782

00:43:04,390 --> 00:43:00,079

maya maya

783

00:43:08,309 --> 00:43:04,400

um on a small scale perhaps

784

00:43:12,069 --> 00:43:08,319

you know yeah cold shivers

785

00:43:15,750 --> 00:43:12,079

i threw up no i still went through

786

00:43:18,309 --> 00:43:15,760

it and everything because um

787

00:43:20,069 --> 00:43:18,319

you know so i can take that with me and

788

00:43:23,829 --> 00:43:20,079

do my own thing or whatever

789

00:43:25,589 --> 00:43:23,839

but i don't really it's like

790

00:43:27,589 --> 00:43:25,599

some people say you got to do it for so

791

00:43:31,750 --> 00:43:27,599

long at a time and i don't have much

792

00:43:31,760 --> 00:43:35,589

what you got christopher

793

00:43:42,790 --> 00:43:39,510

right yeah

794

00:43:44,390 --> 00:43:42,800

completely agree that's ex

795

00:43:49,910 --> 00:43:44,400

that's a better way of what i was just

796

00:43:54,390 --> 00:43:52,790

i i definitely agree with that that's a

797

00:43:57,510 --> 00:43:54,400

good point christopher thank you for

798

00:43:59,109 --> 00:43:57,520

commenting um

799

00:44:01,349 --> 00:43:59,119

what are you communicating with that's

800

00:44:04,470 --> 00:44:01,359

the issue well i mean

801  
00:44:05,990 --> 00:44:04,480  
it's either it is it could be an issue

802  
00:44:07,190 --> 00:44:06,000  
it may not be an issue but it's one of

803  
00:44:08,230 --> 00:44:07,200  
those things that you just won't know

804  
00:44:12,550 --> 00:44:08,240  
until you try

805  
00:44:14,069 --> 00:44:12,560  
you know like flying on an airplane for

806  
00:44:15,589 --> 00:44:14,079  
the first time

807  
00:44:17,589 --> 00:44:15,599  
i just don't know if it's going to crash

808  
00:44:20,309 --> 00:44:17,599  
or not or if there's going to be a crazy

809  
00:44:24,069 --> 00:44:22,390  
maybe but you don't know unless you go

810  
00:44:26,710 --> 00:44:24,079  
you miss every shot you don't take

811  
00:44:28,470 --> 00:44:26,720  
right so that's how i look at it just go

812  
00:44:29,750 --> 00:44:28,480  
out there and try it and it is what it

813  
00:44:31,829 --> 00:44:29,760

is

814

00:44:33,750 --> 00:44:31,839

but you need to have confidence that

815

00:44:38,309 --> 00:44:33,760

that can't hurt you

816

00:44:43,829 --> 00:44:41,910

what i do believe that comes to a point

817

00:44:46,790 --> 00:44:43,839

where it's up to you

818

00:44:49,109 --> 00:44:46,800

you know why do these things have power

819

00:44:50,790 --> 00:44:49,119

over us why is that the case

820

00:44:52,710 --> 00:44:50,800

why are they so great we're not because

821

00:44:54,950 --> 00:44:52,720

of technology

822

00:44:55,829 --> 00:44:54,960

i don't buy it i mean that's fine that

823

00:44:57,829 --> 00:44:55,839

they have that

824

00:44:59,030 --> 00:44:57,839

but that does not make them better more

825

00:45:02,470 --> 00:44:59,040

powerful

826

00:45:07,349 --> 00:45:02,480

or anything they

827

00:45:12,069 --> 00:45:10,470

it could be anything but i always

828

00:45:14,790 --> 00:45:12,079

believe that we're special no matter

829

00:45:18,309 --> 00:45:16,630

and i don't care what comes here that

830

00:45:25,349 --> 00:45:18,319

we're not familiar with

831

00:45:25,359 --> 00:45:30,710

you know

832

00:45:30,720 --> 00:45:37,910

we can't be afraid of it

833

00:45:51,990 --> 00:45:47,510

you know fear has no place

834

00:46:00,550 --> 00:45:55,109

where men have gone before but where you

835

00:46:02,790 --> 00:46:00,560

maybe have not gone before

836

00:46:04,630 --> 00:46:02,800

try it who knows maybe you'll be great

837

00:46:07,190 --> 00:46:04,640

at it

838

00:46:08,790 --> 00:46:07,200

maybe you'll be the one to actually

839

00:46:10,630 --> 00:46:08,800

change something

840

00:46:12,550 --> 00:46:10,640

or maybe not maybe nothing will happen

841

00:46:15,030 --> 00:46:12,560

well so what

842

00:46:16,150 --> 00:46:15,040

you spent your time doing a lot worse

843

00:46:19,349 --> 00:46:16,160

things probably

844

00:46:19,359 --> 00:46:23,510

you know

845

00:46:23,520 --> 00:46:27,589

um don't be afraid

846

00:46:37,670 --> 00:46:29,750

things can only hurt you or control you

847

00:46:37,680 --> 00:46:49,030

and i'm definitely a believer in that

848

00:46:54,309 --> 00:46:51,910

here we go lowlands pete what the comet

849

00:46:57,270 --> 00:46:54,319

the aliens will build a giant pyramid

850

00:47:00,790 --> 00:46:57,280

overnight and everyone has to believe

851

00:47:00,800 --> 00:47:13,270

where where would you put it

852

00:47:13,280 --> 00:47:18,470

yeah i mean if you guys want any um

853

00:47:22,150 --> 00:47:21,270

like info on that stuff i would highly

854

00:47:25,430 --> 00:47:22,160

recommend

855

00:47:28,790 --> 00:47:25,440

uh engaging the phenomenon

856

00:47:30,230 --> 00:47:28,800

that is a youtube channel and he's got a

857

00:47:36,069 --> 00:47:30,240

twitter and everything

858

00:47:45,109 --> 00:47:39,829

oh dude what do you give me money for

859

00:47:49,510 --> 00:47:47,670

you got a question steve or what you're

860

00:47:51,030 --> 00:47:49,520

just giving me 10 bucks

861

00:47:54,630 --> 00:47:51,040

it's a pack of cigarettes for later

862

00:47:58,309 --> 00:47:56,630

although i'm not sure how i hear youtube

863

00:48:02,150 --> 00:47:58,319

takes a lot of that stuff so i have no

864

00:48:09,510 --> 00:48:06,870

um and it just kind of feels weird

865

00:48:10,870 --> 00:48:09,520

tj i have no idea who this is we'll give

866

00:48:13,829 --> 00:48:10,880

it a shot

867

00:48:15,030 --> 00:48:13,839

hello hey can you hear me yeah a little

868

00:48:15,829 --> 00:48:15,040

bit yeah it's kind of loud back there

869

00:48:19,430 --> 00:48:15,839

but what's up

870

00:48:26,150 --> 00:48:22,630

how you doing i'm all right uh

871

00:48:29,990 --> 00:48:26,160

there you go that's better yeah

872

00:48:35,750 --> 00:48:33,589

hey um love the show thanks for

873

00:48:37,430 --> 00:48:35,760

taking the call so i'm a little

874

00:48:39,990 --> 00:48:37,440

scattered when it comes to this

875

00:48:40,630 --> 00:48:40,000

so i'm just gonna try to start somewhere

876

00:48:43,990 --> 00:48:40,640

sure

877

00:48:48,150 --> 00:48:44,000

um i believe in

878

00:48:50,630 --> 00:48:48,160

almost everything so one subject

879

00:48:52,390 --> 00:48:50,640

leads into the other and then you know i

880

00:48:53,829 --> 00:48:52,400

can be sitting there with your boys and

881

00:48:58,230 --> 00:48:53,839

just talking and

882

00:49:00,069 --> 00:48:58,240

everything connects somehow but um

883

00:49:01,270 --> 00:49:00,079

when i was younger i happened to see

884

00:49:03,349 --> 00:49:01,280

something so

885

00:49:05,270 --> 00:49:03,359

not to go all into detail but it made me

886

00:49:08,069 --> 00:49:05,280

believe in strange things

887

00:49:08,870 --> 00:49:08,079

sure so only one thing i've never seen

888

00:49:11,910 --> 00:49:08,880

anything else

889

00:49:12,790 --> 00:49:11,920

but anytime something strange comes up

890

00:49:15,510 --> 00:49:12,800

that

891

00:49:16,549 --> 00:49:15,520

seems like there's some credit to it i

892

00:49:20,230 --> 00:49:16,559

can't help but

893

00:49:21,750 --> 00:49:20,240

you know wonder if it's sure enough

894

00:49:23,910 --> 00:49:21,760

i'll leave you with this one freaky

895

00:49:25,990 --> 00:49:23,920

thing when i was young

896

00:49:27,589 --> 00:49:26,000

when i was younger for a summer reading

897

00:49:30,710 --> 00:49:27,599

excuse me

898

00:49:34,630 --> 00:49:30,720

i had to reward the world yeah

899

00:49:37,430 --> 00:49:34,640

and uh so i had this visual of

900

00:49:38,790 --> 00:49:37,440

when the when the aliens attacked it was

901  
00:49:42,390 --> 00:49:38,800  
the saucer with the long

902  
00:49:45,109 --> 00:49:42,400  
octopus legs hanging out so

903  
00:49:47,750 --> 00:49:45,119  
that was when i was 10 years old when

904  
00:49:50,630 --> 00:49:47,760  
tom cruise's war of the worlds came out

905  
00:49:51,109 --> 00:49:50,640  
you know almost 20 years later there's a

906  
00:49:54,470 --> 00:49:51,119  
scene

907  
00:49:56,390 --> 00:49:54,480  
in the movie where

908  
00:49:58,470 --> 00:49:56,400  
you know it's the sources with the

909  
00:50:00,549 --> 00:49:58,480  
octopus legs hanging out

910  
00:50:03,670 --> 00:50:00,559  
i swear if if i could have sketched it

911  
00:50:06,870 --> 00:50:03,680  
when i was a kid it was the exact

912  
00:50:09,430 --> 00:50:06,880  
visuals from the movie of what i saw

913  
00:50:10,230 --> 00:50:09,440

in my dream wow reading water worlds as

914

00:50:13,109 --> 00:50:10,240

a kid

915

00:50:13,589 --> 00:50:13,119

wow so that is crazy yeah that's it

916

00:50:16,630 --> 00:50:13,599

nothing

917

00:50:19,430 --> 00:50:16,640

excellent that's intense that's uh i've

918

00:50:21,670 --> 00:50:19,440

had stuff like that happen to me before

919

00:50:23,589 --> 00:50:21,680

it's like you can only think about it

920

00:50:24,710 --> 00:50:23,599

so much because you can't really figure

921

00:50:28,230 --> 00:50:24,720

anything out

922

00:50:31,349 --> 00:50:28,240

you know you drive yourself crazy

923

00:50:31,829 --> 00:50:31,359

i know yeah so well thanks for calling

924

00:50:34,069 --> 00:50:31,839

in man

925

00:50:35,750 --> 00:50:34,079

that was it that was a good story yeah

926

00:50:38,470 --> 00:50:35,760

no probably i just figured i

927

00:50:39,270 --> 00:50:38,480

dropped that yeah that was good what do

928

00:50:42,630 --> 00:50:39,280

you think

929

00:50:44,630 --> 00:50:42,640

go ahead nope

930

00:50:46,309 --> 00:50:44,640

no problem thanks for having me yeah all

931

00:50:55,030 --> 00:50:46,319

right dj come back again

932

00:50:58,870 --> 00:50:55,040

all right sounds good bye

933

00:51:02,069 --> 00:50:58,880

oh that was pretty good that's a

934

00:51:06,470 --> 00:51:02,079

crazy story isn't it um

935

00:51:10,950 --> 00:51:08,950

and imagining what the the thing looks

936

00:51:11,589 --> 00:51:10,960

like and he sees the movie 20 years

937

00:51:15,589 --> 00:51:11,599

later and it's

938

00:51:15,599 --> 00:51:19,510

that's nuts

939

00:51:28,630 --> 00:51:24,309

that i mean i've had not

940

00:51:30,630 --> 00:51:28,640

exactly like that but definitely

941

00:51:33,430 --> 00:51:30,640

odd things like that that are pretty

942

00:51:33,440 --> 00:51:39,270

visual syndrome

943

00:51:44,309 --> 00:51:42,549

interesting yeah i don't know

944

00:51:46,470 --> 00:51:44,319

too much about that stuff i would like

945

00:51:50,230 --> 00:51:46,480

to try it more because i feel like i'd

946

00:51:51,910 --> 00:51:50,240

be pretty good at it but um only

947

00:51:53,750 --> 00:51:51,920

really so much time in the day and i

948

00:51:55,829 --> 00:51:53,760

know if you want to be good at something

949

00:51:59,270 --> 00:51:55,839

you got to really give it everything

950

00:52:06,230 --> 00:52:02,950

um i guess i could j i do just try

951  
00:52:09,349 --> 00:52:06,240  
uh periodically um

952  
00:52:12,710 --> 00:52:09,359  
you know what i can meditation or

953  
00:52:14,390 --> 00:52:12,720  
ce5 stuff but it's probably not enough

954  
00:52:19,910 --> 00:52:14,400  
for it to be

955  
00:52:26,710 --> 00:52:21,430  
interesting yeah i've heard it put that

956  
00:52:26,720 --> 00:52:30,870  
very interesting

957  
00:52:37,910 --> 00:52:34,470  
um just stand upside down

958  
00:52:42,069 --> 00:52:37,920  
so uh one thing i do when i write songs

959  
00:52:46,390 --> 00:52:42,079  
is and i wonder if it's kind of the same

960  
00:52:49,190 --> 00:52:46,400  
uh theory wise i

961  
00:52:49,910 --> 00:52:49,200  
you know close my eyes and pretend i'm

962  
00:52:52,390 --> 00:52:49,920  
reading

963  
00:52:55,190 --> 00:52:52,400

a book where i just see a page and then

964

00:52:58,470 --> 00:52:55,200

the words are kind of just filled out

965

00:53:01,109 --> 00:52:58,480

and they fly and cycle through my head

966

00:53:02,710 --> 00:53:01,119

until it's almost like a jackpot lottery

967

00:53:07,670 --> 00:53:02,720

thing and one just sticks there

968

00:53:11,109 --> 00:53:09,510

i don't know if you think there's

969

00:53:14,069 --> 00:53:11,119

something to that you should go listen

970

00:53:17,670 --> 00:53:14,079

my songs

971

00:53:19,190 --> 00:53:17,680

but maybe not i don't know so um yeah

972

00:53:20,630 --> 00:53:19,200

the denmark thing we talked about we

973

00:53:26,470 --> 00:53:20,640

talked about sheehan

974

00:53:26,480 --> 00:53:29,910

it's like he

975

00:53:33,190 --> 00:53:31,510

there just has to be less mud somebody's

976  
00:53:34,630 --> 00:53:33,200  
got to stand up and say either what he's

977  
00:53:36,549 --> 00:53:34,640  
saying

978  
00:53:37,910 --> 00:53:36,559  
and i think it would have to be lou is

979  
00:53:40,870 --> 00:53:37,920  
accurate

980  
00:53:43,670 --> 00:53:40,880  
or you're just you know have nothing to

981  
00:53:45,510 --> 00:53:43,680  
do with it you can't vouch for any of it

982  
00:53:46,870 --> 00:53:45,520  
and we shouldn't listen when you're on

983  
00:53:47,750 --> 00:53:46,880  
the same radio show and he follows up

984  
00:53:49,430 --> 00:53:47,760  
with you and you say

985  
00:53:50,950 --> 00:53:49,440  
he's my lawyer you should listen to him

986  
00:53:54,069 --> 00:53:50,960  
and then he talks like that like

987  
00:54:02,069 --> 00:53:57,109  
and i think it's uh maybe on him

988  
00:54:06,630 --> 00:54:05,349

doesn't work with audiobooks steve you

989

00:54:10,069 --> 00:54:06,640

don't have a question

990

00:54:17,670 --> 00:54:10,079

just give me money huh all right

991

00:54:23,109 --> 00:54:21,190

uh here's a question all right so

992

00:54:24,790 --> 00:54:23,119

do you believe in full disclosure

993

00:54:28,150 --> 00:54:24,800

without concerns to

994

00:54:31,750 --> 00:54:28,160

the full ramifications um

995

00:54:41,990 --> 00:54:38,150

that's a tough question

996

00:54:42,000 --> 00:54:47,270

you know i don't what's said a lot is

997

00:54:53,510 --> 00:54:51,030

i rather have the security of my country

998

00:54:55,270 --> 00:54:53,520

right and when i hear ramifications

999

00:54:58,230 --> 00:54:55,280

that's kind of what i think of like

1000

00:55:02,390 --> 00:54:58,240

if there was a full disclosure are we

1001  
00:55:06,870 --> 00:55:04,829  
how do you know i don't know they say

1002  
00:55:08,470 --> 00:55:06,880  
that do you believe that

1003  
00:55:10,950 --> 00:55:08,480  
i don't know i probably don't believe

1004  
00:55:10,960 --> 00:55:14,150  
so

1005  
00:55:17,190 --> 00:55:16,630  
i mean i i'm i think they should just do

1006  
00:55:19,349 --> 00:55:17,200  
it all

1007  
00:55:20,870 --> 00:55:19,359  
want like a band-aid write off and let

1008  
00:55:24,630 --> 00:55:20,880  
the cards fall where they may

1009  
00:55:27,670 --> 00:55:24,640  
since we have been living on a

1010  
00:55:31,349 --> 00:55:27,680  
false pretense long

1011  
00:55:34,630 --> 00:55:31,359  
enough so it would be time to disclose

1012  
00:55:38,150 --> 00:55:34,640  
and move on with the way things

1013  
00:55:40,150 --> 00:55:38,160

really are and stop

1014

00:55:42,870 --> 00:55:40,160

the excuse my language pussyfooting

1015

00:55:46,069 --> 00:55:44,950

we don't need this big gradual here to

1016

00:55:49,430 --> 00:55:46,079

there whatever

1017

00:55:49,990 --> 00:55:49,440

i'm not a fan of that and i get you

1018

00:55:55,030 --> 00:55:50,000

can't just

1019

00:55:59,190 --> 00:55:55,040

take it off like a band-aid they say

1020

00:56:00,870 --> 00:55:59,200

but i'm a very black and white guy and

1021

00:56:03,270 --> 00:56:00,880

if there's people out there that know

1022

00:56:06,309 --> 00:56:03,280

this is real

1023

00:56:12,789 --> 00:56:06,319

and could disclose this stuff just

1024

00:56:17,670 --> 00:56:15,030

that's what i would say let's start

1025

00:56:22,470 --> 00:56:17,680

living

1026  
00:56:26,710 --> 00:56:24,950  
you know but if there's nothing there

1027  
00:56:27,349 --> 00:56:26,720  
just freaking say that and shut the

1028  
00:56:32,390 --> 00:56:27,359  
books

1029  
00:56:35,750 --> 00:56:35,349  
prolonging it is just stupid because

1030  
00:56:39,990 --> 00:56:35,760  
it's

1031  
00:56:42,470 --> 00:56:40,000  
been prolonged long enough and

1032  
00:56:44,230 --> 00:56:42,480  
i mean what about living in a fake world

1033  
00:56:47,430 --> 00:56:44,240  
do we not understand

1034  
00:56:55,589 --> 00:56:47,440  
that's what what we'd be doing and are

1035  
00:57:01,349 --> 00:56:59,670  
can we do it gently if it is what it

1036  
00:57:03,510 --> 00:57:01,359  
would what it's talked about i don't

1037  
00:57:06,630 --> 00:57:03,520  
know that it can be done gently

1038  
00:57:11,190 --> 00:57:06,640

you know and the more gently it's done

1039

00:57:14,870 --> 00:57:11,200

the more people who don't give this

1040

00:57:15,430 --> 00:57:14,880

any chance to be real won't change their

1041

00:57:17,190 --> 00:57:15,440

minds

1042

00:57:18,630 --> 00:57:17,200

see when i hear do it gently what i

1043

00:57:20,630 --> 00:57:18,640

think is like can we just kind of

1044

00:57:24,829 --> 00:57:20,640

sneak it into the goal and nobody really

1045

00:57:30,470 --> 00:57:26,789

no

1046

00:57:37,510 --> 00:57:30,480

mean but that's just what i think of

1047

00:57:42,390 --> 00:57:39,589

the chinese will beat us to it yeah

1048

00:57:46,390 --> 00:57:45,190

i don't know like beat us to what like

1049

00:57:50,069 --> 00:57:46,400

it's here it isn't

1050

00:57:54,069 --> 00:57:52,069

beat us beat us to say that there's

1051  
00:57:55,670 --> 00:57:54,079  
another intelligent life form

1052  
00:57:57,430 --> 00:57:55,680  
and when i'm saying this i'm not like

1053  
00:57:58,549 --> 00:57:57,440  
irritated with you i'm just irritated

1054  
00:58:01,109 --> 00:57:58,559  
with like

1055  
00:58:03,589 --> 00:58:01,119  
where we're at and how these countries

1056  
00:58:08,069 --> 00:58:03,599  
and people talk about this

1057  
00:58:12,150 --> 00:58:08,079  
it's like can't do it all at once

1058  
00:58:14,710 --> 00:58:12,160  
okay give me a break try me

1059  
00:58:16,230 --> 00:58:14,720  
that's what i would say try me don't

1060  
00:58:20,390 --> 00:58:16,240  
think we can handle it

1061  
00:58:20,400 --> 00:58:27,030  
that's what i would say

1062  
00:58:30,390 --> 00:58:29,270  
you know what because that's what

1063  
00:58:33,670 --> 00:58:30,400

reality is

1064

00:58:37,670 --> 00:58:33,680

and if people can't handle reality

1065

00:58:38,789 --> 00:58:37,680

that's not that's

1066

00:58:41,829 --> 00:58:38,799

the people who have been holding the

1067

00:58:47,190 --> 00:58:44,950

and they might owe a big check to that

1068

00:58:50,390 --> 00:58:47,200

person so maybe that's

1069

00:58:52,710 --> 00:58:50,400

why they're not doing it do i still

1070

00:58:56,789 --> 00:58:52,720

create music hell yeah

1071

00:59:03,510 --> 00:59:00,230

i don't know uh i do still like to

1072

00:59:04,950 --> 00:59:03,520

create music yeah nice to still do it

1073

00:59:07,910 --> 00:59:04,960

um i don't think it's something that'll

1074

00:59:11,109 --> 00:59:07,920

ever stop it's just part of me

1075

00:59:13,030 --> 00:59:11,119

um i don't think i'll ever pursue it

1076

00:59:16,150 --> 00:59:13,040

again to be like a

1077

00:59:18,630 --> 00:59:16,160

a job which i never wanted of course

1078

00:59:20,789 --> 00:59:18,640

famous rich great awesome but i really

1079

00:59:23,750 --> 00:59:20,799

just wanted to

1080

00:59:24,950 --> 00:59:23,760

you know make an honest living off of it

1081

00:59:27,589 --> 00:59:24,960

pay rent

1082

00:59:28,950 --> 00:59:27,599

i wasn't really asking so much but to do

1083

00:59:32,069 --> 00:59:28,960

that you got a tour

1084

00:59:35,750 --> 00:59:32,079

constantly and it's such a beating on

1085

00:59:38,870 --> 00:59:35,760

your body especially the older you get

1086

00:59:41,990 --> 00:59:38,880

so i still create music

1087

00:59:44,309 --> 00:59:42,000

for the i don't even say fun of it but

1088

00:59:47,510 --> 00:59:44,319

when inspiration comes

1089

00:59:52,390 --> 00:59:47,520

i put it to good use best way i know how

1090

00:59:56,630 --> 00:59:55,030

so the whole protecting what we know so

1091

01:00:00,710 --> 00:59:56,640

other

1092

01:00:06,069 --> 01:00:00,720

yeah yeah no [h\_\_h] hey hack-a-kick

1093

01:00:06,079 --> 01:00:10,950

i completely that's a great point

1094

01:00:14,630 --> 01:00:13,990

you know and if if it is what it is i

1095

01:00:16,230 --> 01:00:14,640

guarantee you

1096

01:00:18,710 --> 01:00:16,240

everybody all these other countries

1097

01:00:20,390 --> 01:00:18,720

knowing stuff and whatever already

1098

01:00:21,750 --> 01:00:20,400

so just somebody do it what is everybody

1099

01:00:23,910 --> 01:00:21,760

so scared for

1100

01:00:25,670 --> 01:00:23,920

unless this is some bull crap

1101

01:00:28,309 --> 01:00:25,680

misinformation so you can

1102

01:00:29,750 --> 01:00:28,319

hide your secret tech and if that's the

1103

01:00:32,230 --> 01:00:29,760

case

1104

01:00:40,829 --> 01:00:32,240

we will find out and that will be a

1105

01:00:44,390 --> 01:00:42,230

legally

1106

01:00:48,150 --> 01:00:44,400

otherwise just tell us what's going on

1107

01:00:54,470 --> 01:00:50,069

how many how many more lives do you have

1108

01:00:59,910 --> 01:00:58,789

you know abductees people have

1109

01:01:06,390 --> 01:00:59,920

experienced things

1110

01:01:14,150 --> 01:01:10,789

civilian people who have these crazy

1111

01:01:15,990 --> 01:01:14,160

encounters and they don't know what to

1112

01:01:17,670 --> 01:01:16,000

think of it or make sense of it nobody

1113

01:01:19,109 --> 01:01:17,680

will give you the freaking truth

1114

01:01:22,829 --> 01:01:19,119

so you're stuck there filling in the

1115

01:01:37,510 --> 01:01:24,950

time

1116

01:01:37,520 --> 01:01:45,510

sorry i get passionate um

1117

01:01:49,510 --> 01:01:48,470

international political risks the aliens

1118

01:01:51,589 --> 01:01:49,520

have told us that

1119

01:01:53,270 --> 01:01:51,599

government has been rise up people in

1120

01:01:56,470 --> 01:01:53,280

over 30 government

1121

01:01:57,270 --> 01:01:56,480

well i i don't i don't know i can't

1122

01:01:59,910 --> 01:01:57,280

speak to that

1123

01:02:00,950 --> 01:01:59,920

i know when people have encounters a lot

1124

01:02:04,309 --> 01:02:00,960

of the things they hear

1125

01:02:07,510 --> 01:02:04,319

is technology and

1126

01:02:10,710 --> 01:02:07,520

um you know nuclear stuff or whatever

1127

01:02:14,789 --> 01:02:10,720

yeah of course the new kill

1128

01:02:20,470 --> 01:02:14,799

nuclear bombs like why would you ever

1129

01:02:22,630 --> 01:02:20,480

why would you be that scared

1130

01:02:24,150 --> 01:02:22,640

that's a good a nuclear bomb is a

1131

01:02:29,670 --> 01:02:24,160

perfect example

1132

01:02:34,150 --> 01:02:32,870

you are so afraid that you have to come

1133

01:02:37,270 --> 01:02:34,160

up with something

1134

01:02:43,190 --> 01:02:37,280

that will kill everyone to protect

1135

01:02:48,390 --> 01:02:46,309

that's pretty crappy and now all these

1136

01:02:50,710 --> 01:02:48,400

countries have it so yeah if i was

1137

01:02:51,829 --> 01:02:50,720

a alien and i came here i'd be saying

1138

01:02:54,950 --> 01:02:51,839

the same thing

1139

01:02:59,910 --> 01:02:54,960

you guys are idiots and i know you don't

1140

01:02:59,920 --> 01:03:06,950

that's what i would do

1141

01:03:15,109 --> 01:03:11,990

but these others these beings

1142

01:03:16,789 --> 01:03:15,119

you know if if they're a thing they need

1143

01:03:21,670 --> 01:03:16,799

to stop being a bunch of wusses

1144

01:03:27,750 --> 01:03:24,309

they're so intelligent but yet they just

1145

01:03:31,349 --> 01:03:30,390

why i mean and just like you know

1146

01:03:34,870 --> 01:03:31,359

disclose

1147

01:03:37,910 --> 01:03:34,880

themselves like you know strong beings

1148

01:03:38,950 --> 01:03:37,920

would would not put their fate in the

1149

01:03:45,910 --> 01:03:38,960

hands

1150

01:03:54,470 --> 01:03:49,750

they'll do things the way they see fit

1151

01:04:01,109 --> 01:03:57,750

so i would challenge yes e t

1152

01:04:04,549 --> 01:04:01,119

aliens stop being a bunch of wusses

1153

01:04:06,710 --> 01:04:04,559

and come out here and show yourself

1154

01:04:07,589 --> 01:04:06,720

if you don't think we can handle it try

1155

01:04:13,829 --> 01:04:07,599

me

1156

01:04:16,470 --> 01:04:13,839

try us

1157

01:04:17,670 --> 01:04:16,480

you know if you're not smart enough to

1158

01:04:20,870 --> 01:04:17,680

know that there's really

1159

01:04:22,230 --> 01:04:20,880

great people here on earth

1160

01:04:25,190 --> 01:04:22,240

then i don't i don't know how

1161

01:04:34,710 --> 01:04:25,200

intelligent you really are

1162

01:04:44,950 --> 01:04:41,750

so someone has to step up here

1163

01:04:47,510 --> 01:04:44,960

they're not more afraid of us no i see

1164

01:04:52,390 --> 01:04:47,520

well if you believe that then you also

1165

01:04:55,910 --> 01:04:54,549

you know because if they truly were

1166

01:05:03,190 --> 01:04:55,920

intelligent and had what they had they

1167

01:05:08,950 --> 01:05:05,589

and they would come find the good ones

1168

01:05:15,670 --> 01:05:08,960

and work on something

1169

01:05:24,470 --> 01:05:22,470

yeah i'm being an exo bully

1170

01:05:26,100 --> 01:05:24,480

i'm just pushing people around come on

1171

01:05:28,390 --> 01:05:26,110

you say something you say something

1172

01:05:31,270 --> 01:05:28,400

[Laughter]

1173

01:05:31,990 --> 01:05:31,280

oh that's great somebody has to right

1174

01:05:34,630 --> 01:05:32,000

it's oh

1175

01:05:35,910 --> 01:05:34,640

aliens you do what check that you know

1176

01:05:40,390 --> 01:05:35,920

someone's got to

1177

01:05:44,470 --> 01:05:40,400

step up push them on their chest come on

1178

01:05:45,349 --> 01:05:44,480

do it the exo bully that's why they're

1179

01:05:49,190 --> 01:05:45,359

not coming

1180

01:05:57,190 --> 01:05:54,309

yes i agree

1181

01:05:58,710 --> 01:05:57,200

it's not all just us humans us humans

1182

01:06:02,829 --> 01:05:58,720

are flawed

1183

01:06:04,069 --> 01:06:02,839

extremely and maybe those things are too

1184

01:06:05,750 --> 01:06:04,079

but

1185

01:06:09,270 --> 01:06:05,760

if you're intelligent you'd know that

1186

01:06:15,430 --> 01:06:09,280

and you got to do this stuff

1187

01:06:21,510 --> 01:06:18,309

either that or they are in complete

1188

01:06:23,109 --> 01:06:21,520

control of how this goes down in reality

1189

01:06:25,430 --> 01:06:23,119

and we don't stand a chance at

1190

01:06:28,630 --> 01:06:25,440

controlling the narrative

1191

01:06:35,029 --> 01:06:31,270

but if that's the case come down here

1192

01:06:35,039 --> 01:06:43,990

say you got it right and ditch out

1193

01:06:51,029 --> 01:06:47,510

hey what's up vinny i'm just

1194

01:06:53,430 --> 01:06:51,039

about to peace out i've been

1195

01:06:55,430 --> 01:06:53,440

talking my butt off for an hour um

1196

01:06:56,230 --> 01:06:55,440

disclosure team's got a cool video out i

1197

01:06:59,510 --> 01:06:56,240

would love to

1198

01:07:01,589 --> 01:06:59,520

talk to him more about that video

1199

01:07:03,109 --> 01:07:01,599

um because i feel like sometimes with

1200

01:07:03,910 --> 01:07:03,119

the videos people don't really know what

1201

01:07:06,630 --> 01:07:03,920

to make with

1202

01:07:07,589 --> 01:07:06,640

it unless you're kind of talking about

1203

01:07:09,589 --> 01:07:07,599

it because i hear

1204

01:07:11,029 --> 01:07:09,599

some things like some people are i've

1205

01:07:11,990 --> 01:07:11,039

seen that i've seen that before that was

1206

01:07:14,390 --> 01:07:12,000

released before

1207

01:07:15,109 --> 01:07:14,400

they don't get that it's not just a clip

1208

01:07:19,510 --> 01:07:15,119

it's a full

1209

01:07:21,190 --> 01:07:19,520

thing so i don't know

1210

01:07:22,549 --> 01:07:21,200

we should talk about talk about the

1211

01:07:25,670 --> 01:07:22,559

video play it

1212

01:07:27,510 --> 01:07:25,680

you know yeah there we go speak tomorrow

1213

01:07:30,630 --> 01:07:27,520

sean

1214

01:07:30,640 --> 01:07:36,870

it'll all become clear

1215

01:07:44,390 --> 01:07:40,390

tomorrow so tomorrow i have

1216

01:07:47,670 --> 01:07:44,400

mr reinsberg of somewhere in the skies

1217

01:07:48,309 --> 01:07:47,680

um coming on he is an awesome dude and i

1218

01:07:51,510 --> 01:07:48,319

am so

1219

01:07:53,029 --> 01:07:51,520

happy that he um is finally

1220

01:07:54,829 --> 01:07:53,039

um going to be on the show we tried to

1221

01:07:56,710 --> 01:07:54,839

make it happen a couple times but just

1222

01:07:59,750 --> 01:07:56,720

schedules didn't allow

1223

01:08:03,510 --> 01:07:59,760

but the stars aligned and

1224

01:08:04,470 --> 01:08:03,520

he is on the show tomorrow so i cannot

1225

01:08:08,829 --> 01:08:04,480

wait

1226

01:08:11,910 --> 01:08:08,839

um oh thanks megan that's really nice of

1227

01:08:15,589 --> 01:08:13,670

yeah thanks for encouraging me i have it

1228

01:08:18,309 --> 01:08:15,599

huh

1229

01:08:18,870 --> 01:08:18,319

um yeah so i'm gonna have him tomorrow i

1230

01:08:21,910 --> 01:08:18,880

look

1231

01:08:22,950 --> 01:08:21,920

you know a lot of it is is always

1232

01:08:25,189 --> 01:08:22,960

decided on

1233

01:08:27,110 --> 01:08:25,199

you know what the guest wants to get

1234

01:08:29,590 --> 01:08:27,120

into

1235

01:08:31,269 --> 01:08:29,600

but if it were up to me maybe we'll get

1236

01:08:34,550 --> 01:08:31,279

into some pretty

1237

01:08:39,990 --> 01:08:34,560

um deep uh

1238

01:08:43,590 --> 01:08:41,669

because that's what i love talking about

1239

01:08:48,789 --> 01:08:43,600

and i think he

1240

01:08:56,070 --> 01:08:53,030

all right yes i should quit

1241

01:08:57,990 --> 01:08:56,080

oh right i was like what you're watching

1242

01:09:01,189 --> 01:08:58,000

it can't be that bad

1243

01:09:03,669 --> 01:09:01,199

the cigarettes yes yeah all right guys

1244

01:09:05,030 --> 01:09:03,679

uh thanks for watching um share

1245

01:09:07,110 --> 01:09:05,040

subscribe

1246

01:09:08,550 --> 01:09:07,120

thanks arthur yeah please let other

1247

01:09:12,070 --> 01:09:08,560

people know about it too

1248

01:09:14,789 --> 01:09:12,080

that'd be great um like me on

1249

01:09:16,870 --> 01:09:14,799

like me follow me whatever it is you do

1250

01:09:20,229 --> 01:09:16,880

what you're supposed to do on twitter

1251

01:09:22,789 --> 01:09:20,239

uh it's at witness citizen um instagram

1252

01:09:24,630 --> 01:09:22,799

is a good one um i'm trying to make

1253

01:09:26,229 --> 01:09:24,640

instagram its own unique thing with like

1254

01:09:27,590 --> 01:09:26,239

little short clips that i won't share

1255

01:09:29,510 --> 01:09:27,600

anywhere else so

1256

01:09:32,709 --> 01:09:29,520

uh try to come here later vinnie looking

1257

01:09:36,550 --> 01:09:32,719

forward to talking to you tomorrow bro

1258

01:13:20,229 --> 01:09:36,560

um yes so do that

1259

01:13:28,630 --> 01:13:23,590

hey what's the deal

1260

01:13:33,990 --> 01:13:31,910

yeah my internet went up so i don't know

1261

01:13:37,189 --> 01:13:34,000

that's been happening kind of

1262

01:13:39,590 --> 01:13:37,199

randomly sometimes so i'm gonna have to

1263

01:13:42,950 --> 01:13:39,600

look into that i guess

1264

01:13:45,590 --> 01:13:42,960

interview sheehan i would love to

1265

01:13:46,070 --> 01:13:45,600

but i have no idea how to get in touch

1266

01:13:48,229 --> 01:13:46,080

with them

1267

01:13:51,669 --> 01:13:48,239

[Laughter]

1268

01:13:53,030 --> 01:13:51,679

but um yeah i'm not going to just leave

1269

01:13:56,550 --> 01:13:53,040

you hanging i at least got a

1270

01:14:02,340 --> 01:14:00,790

i never leave awesome that's great

1271

01:14:05,510 --> 01:14:02,350

yep there you go

1272

01:14:08,390 --> 01:14:05,520

[Laughter]

1273

01:14:10,310 --> 01:14:08,400

all right you guys are great all right

1274

01:14:12,149 --> 01:14:10,320

i'm gonna get out of here

1275

01:14:13,350 --> 01:14:12,159

thanks again for hanging out i wanted to

1276

01:14:16,470 --> 01:14:13,360

come see

1277

01:14:19,030 --> 01:14:16,480

an official goodbye um

1278

01:14:20,229 --> 01:14:19,040

yeah tomorrow uh ryan sprague somewhere

1279

01:14:22,790 --> 01:14:20,239

in the skies

1280

01:14:23,910 --> 01:14:22,800

and i'll be all over disclosure teams

1281

01:14:28,390 --> 01:14:23,920

page tomorrow
