# Ex-C.I.A. Chief Wants UFO Probe

By BULKLEY GRIFFIN  
Chief of Evening Gazette  
Washington Bureau

WASHINGTON — Adm. R. H. Hillenkoetter, who headed the Central Intelligence Agency from May 1947 to October 1950, recently declared, speaking about the so-called flying saucers: "The unknown objects are operating under intelligent control. It is imperative that we learn where the UFO's (unidentified flying objects) come from and what their purpose is."

Then, referring to the years of World War II and the years immediately following, he said: "I know that neither Russia nor this country had anything even approaching such high speeds and maneuvers." Here Admiral Hillenkoetter presumably was speaking of at least part of the period during which he was the director of C.I.A.

objects. That conference issued conclusions which, among other things, said the UFOs pose no apparent threat to national security and recommended that the public be told more about them. This recommendation immediately died.

No need to stress that when Admiral Hillenkoetter states the UFO's are intelligently controlled and were neither our invention nor Russian inventions he speaks with a knowledge possessed by few other citizens. Whether a former director of C.I.A. keeps in some contact with the C.I.A. and its information after he has left the Agency, no one will probably answer.

### Lied by Plan

But to come to the U-2 matter. Here was a case where we lied by prearrangement, lied by plan. In the light of the Air Force handling of the UFO matter, insisting against plain evidence to the contrary in certain cases that the

such a case? Let it be said parenthetically that the majority of sightings obviously involve mistaken identity. But a small minority do not; these present evidence that that Air Force explanations are not true. Admiral Hillenkoetter, with all his special knowledge, says this — says this indirectly, if you will.

Does C.I.A. Director Allen Dulles believe that something like national panic might be produced if the Air Force flatly said that it just can't explain certain UFO sightings? Or has he advised, for some other reason, the Air Force line of conduct?

Former C.I.A. Director R. H. Hillenkoetter does not believe the

Wants To Investigate U.F.O.'s

Air Force is telling our citizens the truth about the unidentified flying objects. He would have a Congressional investigation. His judgment is entitled to extraordinary attention.

8  
00:00:26,630 --> 00:00:25,119  
as you know he's i think it's the

9  
00:00:29,349 --> 00:00:26,640

um i prefer to keep everything as

19

00:00:47,510 --> 00:00:46,399

natural as possible then if there's time

20

00:00:51,670 --> 00:00:47,520

at the end

21

00:00:54,790 --> 00:00:51,680

um that really helps it really does so

34

00:01:59,990 --> 00:01:57,040

without further ado

35

00:02:01,670 --> 00:02:00,000

i bring in the man of the hour mr john

36

00:02:03,510 --> 00:02:01,680

greenwald how are you today

37

00:02:04,709 --> 00:02:03,520

i'm good man thanks for uh thanks for

38

00:02:05,429 --> 00:02:04,719

having me i appreciate it it's good to

39

00:02:07,109 --> 00:02:05,439

be here

40

00:02:09,190 --> 00:02:07,119

yeah no problem thanks for taking the

41

00:02:10,389 --> 00:02:09,200

time i do appreciate it i mean it seems

42

00:02:14,150 --> 00:02:10,399

like you've been

43

00:02:16,630 --> 00:02:14,160

um busy to say the least so

44

00:02:18,370 --> 00:02:16,640

you know a little bit uh here and there

45

00:02:21,510 --> 00:02:18,380

mostly just relaxing

46

00:02:23,430 --> 00:02:21,520

[Laughter]

47

00:02:24,710 --> 00:02:23,440

yeah well i mean the reason i said that

48

00:02:28,390 --> 00:02:24,720

is because you are all

49

00:02:32,229 --> 00:02:28,400

caught up in uh the latest uh

50

00:02:35,990 --> 00:02:32,239

how do you call it the talk soup of ufo

51  
00:02:38,390 --> 00:02:36,000  
tmz yeah the uh the gossip rumor mill

52  
00:02:39,830 --> 00:02:38,400  
yeah that that generally happens yeah

53  
00:02:42,630 --> 00:02:39,840  
yeah so

54  
00:02:45,270 --> 00:02:42,640  
i noticed that you got the email that

55  
00:02:47,589 --> 00:02:45,280  
confirmed it was about 17 pages

56  
00:02:48,390 --> 00:02:47,599  
and obviously everybody not everybody

57  
00:02:50,150 --> 00:02:48,400  
but there's

58  
00:02:52,390 --> 00:02:50,160  
characters out there saying different

59  
00:02:55,509 --> 00:02:52,400  
numbers i guess to be

60  
00:02:58,710 --> 00:02:55,519  
kind of cut and dry is there any way

61  
00:03:01,589 --> 00:02:58,720  
possible that what they emailed you

62  
00:03:02,309 --> 00:03:01,599  
could mean any other number in any other

63  
00:03:06,309 --> 00:03:02,319

way

64

00:03:08,390 --> 00:03:06,319

sure uh in in the

65

00:03:09,589 --> 00:03:08,400

the short way to answer your question i

66

00:03:13,190 --> 00:03:09,599

i believe not

67

00:03:16,710 --> 00:03:13,200

but here's here's why so this is not

68

00:03:17,350 --> 00:03:16,720

not not not a spokesperson that gave me

69

00:03:20,550 --> 00:03:17,360

this

70

00:03:22,710 --> 00:03:20,560

that that is definitely thought of

71

00:03:24,390 --> 00:03:22,720

by many people that are throwing you

72

00:03:26,309 --> 00:03:24,400

know shots my way

73

00:03:27,509 --> 00:03:26,319

saying no no they're just a spokesperson

74

00:03:29,910 --> 00:03:27,519

lying that is

75

00:03:32,229 --> 00:03:29,920

this is not a spokesperson rather this

76

00:03:35,190 --> 00:03:32,239

is the person in charge of the group

77

00:03:36,470 --> 00:03:35,200

that handles cases like i filed this

78

00:03:37,670 --> 00:03:36,480

isn't even through the freedom of

79

00:03:39,830 --> 00:03:37,680

information act this is called a

80

00:03:41,670 --> 00:03:39,840

mandatory declassification review

81

00:03:43,430 --> 00:03:41,680

something totally different it's part of

82

00:03:44,869 --> 00:03:43,440

the code of federal regulations each

83

00:03:47,750 --> 00:03:44,879

agency is different

84

00:03:49,750 --> 00:03:47,760

but essentially what you can do is

85

00:03:51,750 --> 00:03:49,760

request that certain information

86

00:03:53,030 --> 00:03:51,760

documents reports videos photographs

87

00:03:54,630 --> 00:03:53,040

whatever go

88

00:03:56,309 --> 00:03:54,640

under a what's called mandatory

89

00:03:58,309 --> 00:03:56,319

declassification review

90

00:04:00,869 --> 00:03:58,319

essentially they look at it figure out

91

00:04:02,390 --> 00:04:00,879

is it classified and can they release it

92

00:04:04,070 --> 00:04:02,400

if it's not exempted

93

00:04:06,309 --> 00:04:04,080

now the reason why i'm kind of giving

94

00:04:09,429 --> 00:04:06,319

you a little bit of a longer answer

95

00:04:11,990 --> 00:04:09,439

is because that case that legal case

96

00:04:15,110 --> 00:04:12,000

that i initiated the morning after

97

00:04:16,390 --> 00:04:15,120

the classified uh report or annex or

98

00:04:17,030 --> 00:04:16,400

whatever you want to call it was handed

99

00:04:20,390 --> 00:04:17,040

over

100

00:04:22,150 --> 00:04:20,400

i filed the case i have updates that say

101  
00:04:25,510 --> 00:04:22,160  
the written portion

102  
00:04:29,030 --> 00:04:25,520  
of what was handed over to congress was

103  
00:04:29,990 --> 00:04:29,040  
17 pages so does that mean it's

104  
00:04:32,790 --> 00:04:30,000  
something else

105  
00:04:34,310 --> 00:04:32,800  
well according to this case and in the

106  
00:04:38,230 --> 00:04:34,320  
eyes of the law

107  
00:04:41,590 --> 00:04:38,240  
no now is there a different 70 plus page

108  
00:04:43,430 --> 00:04:41,600  
draft is there a 400 page whatever

109  
00:04:46,550 --> 00:04:43,440  
although i think that that number was a

110  
00:04:49,030 --> 00:04:46,560  
little bit um uh too astronomical but

111  
00:04:49,830 --> 00:04:49,040  
regardless are there are there other

112  
00:04:52,390 --> 00:04:49,840  
versions

113  
00:04:54,070 --> 00:04:52,400

of course that that that's not what i'm

114

00:04:57,350 --> 00:04:54,080

saying what i'm saying is what was

115

00:04:58,150 --> 00:04:57,360

physically handed over to congress my

116

00:05:01,590 --> 00:04:58,160

case that is

117

00:05:04,710 --> 00:05:01,600

asking for that they say it's 17 pages

118

00:05:05,270 --> 00:05:04,720

okay yeah that that's interesting

119

00:05:07,909 --> 00:05:05,280

because

120

00:05:09,590 --> 00:05:07,919

you know it seems like every time you

121

00:05:11,270 --> 00:05:09,600

try to get a word from

122

00:05:12,870 --> 00:05:11,280

almost anybody whether it's the

123

00:05:14,870 --> 00:05:12,880

government or

124

00:05:17,270 --> 00:05:14,880

um you know anyone else it seems like

125

00:05:20,629 --> 00:05:17,280

there's always semantics at play

126

00:05:22,390 --> 00:05:20,639

you know yeah so it

127

00:05:25,029 --> 00:05:22,400

it's got to be extremely difficult for

128

00:05:27,990 --> 00:05:25,039

you to stay grounded and sift

129

00:05:28,390 --> 00:05:28,000

through that i would imagine correct it

130

00:05:31,189 --> 00:05:28,400

is

131

00:05:32,390 --> 00:05:31,199

uh and you have to find the line between

132

00:05:35,189 --> 00:05:32,400

the semantics that

133

00:05:36,150 --> 00:05:35,199

truly are played because they are played

134

00:05:38,150 --> 00:05:36,160

yeah but also

135

00:05:40,150 --> 00:05:38,160

not skirt into the territory that

136

00:05:40,629 --> 00:05:40,160

everything is semantic so you just don't

137

00:05:42,550 --> 00:05:40,639

believe

138

00:05:44,870 --> 00:05:42,560

anything that's true to us because

139

00:05:47,110 --> 00:05:44,880

that's a very dangerous approach too

140

00:05:49,110 --> 00:05:47,120

to where then you know you're just anti

141

00:05:50,790 --> 00:05:49,120

anything that comes from the government

142

00:05:52,390 --> 00:05:50,800

and that kind of translates to you're

143

00:05:54,310 --> 00:05:52,400

just anti-anything that comes from the

144

00:05:55,590 --> 00:05:54,320

government that you don't like to hear

145

00:05:57,510 --> 00:05:55,600

right you know and i think that that's

146

00:05:59,749 --> 00:05:57,520

what a lot of people suffer from

147

00:06:00,950 --> 00:05:59,759

and i've tried very hard to to stay away

148

00:06:03,029 --> 00:06:00,960

from and sometimes

149

00:06:04,870 --> 00:06:03,039

you can't help but go hmm are they lying

150

00:06:06,790 --> 00:06:04,880

to me because i want to believe

151  
00:06:08,390 --> 00:06:06,800  
something else we all do it you know i'm

152  
00:06:09,029 --> 00:06:08,400  
not saying everybody else does it and

153  
00:06:12,230 --> 00:06:09,039  
i'm an

154  
00:06:14,230 --> 00:06:12,240  
exception we all do it but

155  
00:06:16,550 --> 00:06:14,240  
not everything is semantics you know and

156  
00:06:18,469 --> 00:06:16,560  
not everything is a play on words

157  
00:06:19,670 --> 00:06:18,479  
and so you have to find that happy line

158  
00:06:21,510 --> 00:06:19,680  
where

159  
00:06:23,590 --> 00:06:21,520  
they do play that game so you got to

160  
00:06:24,550 --> 00:06:23,600  
figure out what would be semantics but

161  
00:06:27,670 --> 00:06:24,560  
also just not

162  
00:06:31,830 --> 00:06:27,680  
not go to the extreme sure

163  
00:06:34,309 --> 00:06:31,840

um are you kind of left conflicted

164

00:06:36,070 --> 00:06:34,319

dealing with the government as a whole

165

00:06:38,150 --> 00:06:36,080

when you're in a situation

166

00:06:39,830 --> 00:06:38,160

where they delete all those elizondo

167

00:06:42,150 --> 00:06:39,840

emails you've been fighting so hard for

168

00:06:45,510 --> 00:06:42,160

for years which i feel awful for you

169

00:06:47,670 --> 00:06:45,520

by the way and and then

170

00:06:48,790 --> 00:06:47,680

you know actually getting constructive

171

00:06:51,909 --> 00:06:48,800

information from them

172

00:06:52,710 --> 00:06:51,919

on the other hand at times it's are you

173

00:06:56,309 --> 00:06:52,720

conflicted

174

00:07:00,150 --> 00:06:56,319

on i guess trusting

175

00:07:02,070 --> 00:07:00,160

them absolutely after 25 years it's very

176  
00:07:03,589 --> 00:07:02,080  
hard to trust

177  
00:07:05,510 --> 00:07:03,599  
when the government says something

178  
00:07:06,390 --> 00:07:05,520  
because i've been able to prove so many

179  
00:07:09,990 --> 00:07:06,400  
times

180  
00:07:12,230 --> 00:07:10,000  
even well away from ufos that they lie

181  
00:07:13,990 --> 00:07:12,240  
the problem though and the challenge and

182  
00:07:14,710 --> 00:07:14,000  
this is where generally a lot of people

183  
00:07:16,950 --> 00:07:14,720  
don't don't

184  
00:07:19,430 --> 00:07:16,960  
like me for saying this they have told

185  
00:07:21,510 --> 00:07:19,440  
the truth more times than they've lied

186  
00:07:23,189 --> 00:07:21,520  
so at what point do you find that happy

187  
00:07:25,110 --> 00:07:23,199  
medium of questioning

188  
00:07:27,670 --> 00:07:25,120

that narrative and that's a huge

189

00:07:28,790 --> 00:07:27,680

challenge even after 25 years for me

190

00:07:30,950 --> 00:07:28,800

it's challenging because you're

191

00:07:32,950 --> 00:07:30,960

conflicted on do you believe this one

192

00:07:34,790 --> 00:07:32,960

are they lying on this one you know and

193

00:07:36,629 --> 00:07:34,800

it's it's challenging and i

194

00:07:38,550 --> 00:07:36,639

and i'm not gonna lie and and say the

195

00:07:41,589 --> 00:07:38,560

government is truthful all the time

196

00:07:43,430 --> 00:07:41,599

but again the other end of that extreme

197

00:07:46,230 --> 00:07:43,440

is also very dangerous where you just

198

00:07:48,150 --> 00:07:46,240

think well anything they say is a lie

199

00:07:50,950 --> 00:07:48,160

and if anything or everything that they

200

00:07:53,029 --> 00:07:50,960

say is a lie and if people believe that

201  
00:07:55,589 --> 00:07:53,039  
it's it's odd to see that the same

202  
00:07:57,589 --> 00:07:55,599  
voices that are very vocal about that

203  
00:07:59,749 --> 00:07:57,599  
were the ones drooling over the uap

204  
00:08:00,950 --> 00:07:59,759  
report prior to it being published

205  
00:08:02,790 --> 00:08:00,960  
so it's like well if the government is

206  
00:08:04,469 --> 00:08:02,800  
lying to you all the time why do you

207  
00:08:05,510 --> 00:08:04,479  
care what they have to say about ufos in

208  
00:08:07,189 --> 00:08:05,520  
a report

209  
00:08:09,189 --> 00:08:07,199  
and that's what was very intriguing for

210  
00:08:12,070 --> 00:08:09,199  
me was to just kind of see

211  
00:08:12,869 --> 00:08:12,080  
that conversation take place in social

212  
00:08:15,189 --> 00:08:12,879  
media which

213  
00:08:16,550 --> 00:08:15,199

which i like to stay very active in and

214

00:08:18,150 --> 00:08:16,560

and pay attention to what people are

215

00:08:21,189 --> 00:08:18,160

talking about because

216

00:08:22,150 --> 00:08:21,199

it shows what the collective ideas are

217

00:08:24,790 --> 00:08:22,160

out there and

218

00:08:25,990 --> 00:08:24,800

where people's mindset are and what are

219

00:08:28,309 --> 00:08:26,000

what are people expecting

220

00:08:29,430 --> 00:08:28,319

and so on and it also helps drive me

221

00:08:31,110 --> 00:08:29,440

like well what do people

222

00:08:32,870 --> 00:08:31,120

want to know more about you know and i

223

00:08:34,790 --> 00:08:32,880

try and give people

224

00:08:36,550 --> 00:08:34,800

more of of what they want to hear but

225

00:08:38,389 --> 00:08:36,560

it's it's very interesting when you do

226

00:08:42,149 --> 00:08:38,399

pay attention to that

227

00:08:44,070 --> 00:08:42,159

where it's it's i i i

228

00:08:45,990 --> 00:08:44,080

i the easy way to say is when you pay

229

00:08:46,790 --> 00:08:46,000

attention to that it's very interesting

230

00:08:49,110 --> 00:08:46,800

to see

231

00:08:49,829 --> 00:08:49,120

the contradictions and mindsets and

232

00:08:53,110 --> 00:08:49,839

that's

233

00:08:56,230 --> 00:08:53,120

guess you can say is not

234

00:08:56,710 --> 00:08:56,240

falling into that trap of saying i don't

235

00:08:59,110 --> 00:08:56,720

believe

236

00:09:01,030 --> 00:08:59,120

anything the government says but in the

237

00:09:01,670 --> 00:09:01,040

same breath say i can't wait for this

238

00:09:04,389 --> 00:09:01,680

ufo

239

00:09:05,750 --> 00:09:04,399

uap report to come out because you know

240

00:09:07,829 --> 00:09:05,760

this is disclosure

241

00:09:10,230 --> 00:09:07,839

so it's it's a it's an interesting time

242

00:09:12,150 --> 00:09:10,240

we live in because we have to again

243

00:09:14,310 --> 00:09:12,160

separate a lot of these issues rather

244

00:09:15,829 --> 00:09:14,320

than just lumping them all together and

245

00:09:17,829 --> 00:09:15,839

going to an extreme

246

00:09:18,949 --> 00:09:17,839

yeah i mean i think what you what we

247

00:09:21,910 --> 00:09:18,959

might end up

248

00:09:23,269 --> 00:09:21,920

seeing is people that i mean there is a

249

00:09:26,070 --> 00:09:23,279

sense of need to believe

250

00:09:28,470 --> 00:09:26,080

for sure but then there is also a sense

251  
00:09:31,190 --> 00:09:28,480  
of just complete confusion given to us

252  
00:09:31,910 --> 00:09:31,200  
by the government and both kind as it

253  
00:09:36,150 --> 00:09:31,920  
almost

254  
00:09:39,110 --> 00:09:36,160  
i don't know a skeptic or

255  
00:09:39,750 --> 00:09:39,120  
or a believer you could really say the

256  
00:09:42,230 --> 00:09:39,760  
same thing

257  
00:09:43,509 --> 00:09:42,240  
when you trust and when you don't trust

258  
00:09:45,590 --> 00:09:43,519  
uh the government

259  
00:09:46,550 --> 00:09:45,600  
it's just in different ways i guess you

260  
00:09:48,870 --> 00:09:46,560  
could say

261  
00:09:50,470 --> 00:09:48,880  
yeah and and you bring up an interesting

262  
00:09:53,190 --> 00:09:50,480  
point of

263  
00:09:54,150 --> 00:09:53,200

again when do you trust because i just

264

00:09:56,550 --> 00:09:54,160

tweeted this out

265

00:09:57,509 --> 00:09:56,560

i think it was early this morning uh but

266

00:09:58,230 --> 00:09:57,519

or no

267

00:10:00,710 --> 00:09:58,240

the other day but the

268

00:10:04,470 --> 00:10:00,720

counterintelligence value

269

00:10:06,389 --> 00:10:04,480

to this issue is a gold mine and and

270

00:10:09,110 --> 00:10:06,399

what what i mean by that

271

00:10:09,910 --> 00:10:09,120

is that there is a certain percentage of

272

00:10:12,310 --> 00:10:09,920

the uap

273

00:10:14,150 --> 00:10:12,320

phenomena according to the military

274

00:10:15,110 --> 00:10:14,160

anyway that they just are they have no

275

00:10:17,350 --> 00:10:15,120

idea what it is

276

00:10:19,190 --> 00:10:17,360

they can't identify it they're pursuing

277

00:10:19,590 --> 00:10:19,200

it they have a task force investigating

278

00:10:21,269 --> 00:10:19,600

it

279

00:10:22,790 --> 00:10:21,279

but there is a lot of stuff that i would

280

00:10:25,990 --> 00:10:22,800

argue they could

281

00:10:28,230 --> 00:10:26,000

identify and and the counterintelligence

282

00:10:30,230 --> 00:10:28,240

aspect that i feel is a big value in

283

00:10:32,870 --> 00:10:30,240

case that confused anybody

284

00:10:34,230 --> 00:10:32,880

is the fact that this topic can be used

285

00:10:35,910 --> 00:10:34,240

to confuse

286

00:10:37,269 --> 00:10:35,920

whether it be confused the general

287

00:10:38,310 --> 00:10:37,279

public about what the government

288

00:10:40,870 --> 00:10:38,320

military

289

00:10:42,710 --> 00:10:40,880

really is doing here in america confuse

290

00:10:44,790 --> 00:10:42,720

our friends and foes alike around the

291

00:10:47,590 --> 00:10:44,800

world on a global scale

292

00:10:49,430 --> 00:10:47,600

with what do we have and look russia's

293

00:10:50,630 --> 00:10:49,440

doing the exact same thing where they're

294

00:10:54,069 --> 00:10:50,640

starting to

295

00:10:56,389 --> 00:10:54,079

essentially taunt uh this this drive by

296

00:10:58,630 --> 00:10:56,399

america to research ufos

297

00:11:00,230 --> 00:10:58,640

and i think they're i forget what agency

298

00:11:01,750 --> 00:11:00,240

it was in russia but they

299

00:11:04,310 --> 00:11:01,760

you know put this thing out and

300

00:11:06,870 --> 00:11:04,320

essentially hint at

301  
00:11:07,509 --> 00:11:06,880  
it's much more simpler than we all want

302  
00:11:10,150 --> 00:11:07,519  
it to be

303  
00:11:11,990 --> 00:11:10,160  
and essentially trying to to hint that

304  
00:11:13,910 --> 00:11:12,000  
maybe it's their technology

305  
00:11:15,350 --> 00:11:13,920  
all of that is counterintelligence all

306  
00:11:17,910 --> 00:11:15,360  
of that has value

307  
00:11:18,470 --> 00:11:17,920  
all of that is cause for confusion all

308  
00:11:22,069 --> 00:11:18,480  
of that

309  
00:11:24,949 --> 00:11:22,079  
is a game and and they're absolutely

310  
00:11:25,430 --> 00:11:24,959  
right i'm a chess player to use a chess

311  
00:11:28,630 --> 00:11:25,440  
but i

312  
00:11:31,110 --> 00:11:28,640  
i love playing chess and so too yeah

313  
00:11:32,069 --> 00:11:31,120

absolutely and so to use a chess piece

314

00:11:33,829 --> 00:11:32,079

was brilliant

315

00:11:35,509 --> 00:11:33,839

you know i mean because that's what all

316

00:11:37,990 --> 00:11:35,519

of this is it's a

317

00:11:40,630 --> 00:11:38,000

massive chess game so even though

318

00:11:43,030 --> 00:11:40,640

there's a portion of the uap

319

00:11:44,550 --> 00:11:43,040

i call you uap phenomena but there's a

320

00:11:46,630 --> 00:11:44,560

portion of uaps

321

00:11:47,670 --> 00:11:46,640

uh i know that's grammatically incorrect

322

00:11:49,269 --> 00:11:47,680

but whatever

323

00:11:50,870 --> 00:11:49,279

we all we're all on the same page there

324

00:11:52,550 --> 00:11:50,880

right so there's a portion of that that

325

00:11:55,990 --> 00:11:52,560

that yes is absolutely

326

00:11:57,670 --> 00:11:56,000

a mystery but the bigger portion is used

327

00:11:58,710 --> 00:11:57,680

in that chess match and that's what i

328

00:12:01,030 --> 00:11:58,720

mean by the value of

329

00:12:02,150 --> 00:12:01,040

of counter intelligence yeah that's i

330

00:12:04,470 --> 00:12:02,160

mean one of the

331

00:12:05,430 --> 00:12:04,480

i think it was one of the first reports

332

00:12:08,829 --> 00:12:05,440

i saw

333

00:12:12,230 --> 00:12:08,839

when i was digging for documents in the

334

00:12:15,590 --> 00:12:12,240

cia foia reading room i think it was

335

00:12:16,310 --> 00:12:15,600

um i've it was like it's some sort of

336

00:12:17,910 --> 00:12:16,320

intern

337

00:12:20,790 --> 00:12:17,920

like meeting or something they were

338

00:12:24,069 --> 00:12:20,800

having and they wanted to start

339

00:12:26,629 --> 00:12:24,079

a group of advisor scientific whatever

340

00:12:27,350 --> 00:12:26,639

and one of the things that they listed

341

00:12:28,629 --> 00:12:27,360

as

342

00:12:31,350 --> 00:12:28,639

you know something to look into and

343

00:12:31,910 --> 00:12:31,360

figure out is if this phenomenon can be

344

00:12:34,629 --> 00:12:31,920

used

345

00:12:36,870 --> 00:12:34,639

against each other and psychological

346

00:12:39,350 --> 00:12:36,880

warfare was also another one

347

00:12:41,269 --> 00:12:39,360

that was you know thought about and when

348

00:12:43,110 --> 00:12:41,279

i see russia and the chess piece that's

349

00:12:45,750 --> 00:12:43,120

exactly what i think

350

00:12:47,190 --> 00:12:45,760

yeah yeah yeah and you better believe if

351

00:12:49,430 --> 00:12:47,200

we see it from the russians

352

00:12:51,350 --> 00:12:49,440

america is doing it too and and likely

353

00:12:52,470 --> 00:12:51,360

doing it better and and so then that

354

00:12:55,030 --> 00:12:52,480

raises

355

00:12:55,910 --> 00:12:55,040

a whole other slew of questions is what

356

00:12:58,870 --> 00:12:55,920

are they doing

357

00:13:00,870 --> 00:12:58,880

with this topic and in what way are they

358

00:13:01,829 --> 00:13:00,880

lying when they say we have no idea what

359

00:13:03,829 --> 00:13:01,839

these things are

360

00:13:05,350 --> 00:13:03,839

are they telling the truth are they you

361

00:13:07,030 --> 00:13:05,360

know like right

362

00:13:09,750 --> 00:13:07,040

which way do you go with it but but

363

00:13:11,509 --> 00:13:09,760

again it is an absolute chess match

364

00:13:13,509 --> 00:13:11,519

that meanwhile we're all kind of stuck

365

00:13:17,190 --> 00:13:13,519

here in the middle of filling in blanks

366

00:13:20,069 --> 00:13:17,200

with almost either what we want it to be

367

00:13:20,870 --> 00:13:20,079

or what we fear you know that's right

368

00:13:24,550 --> 00:13:20,880

yeah

369

00:13:26,230 --> 00:13:24,560

i guess is the government could step in

370

00:13:28,310 --> 00:13:26,240

at any time and and

371

00:13:30,550 --> 00:13:28,320

you know stop a lot of this trivial

372

00:13:32,550 --> 00:13:30,560

stuff but

373

00:13:33,829 --> 00:13:32,560

but they won't yeah but they because

374

00:13:36,069 --> 00:13:33,839

because i think that there's a ben

375

00:13:37,910 --> 00:13:36,079

there's a benefit to it you know i think

376

00:13:40,710 --> 00:13:37,920

that that it absolutely

377

00:13:42,230 --> 00:13:40,720

benefits them to keep the confusion

378

00:13:45,590 --> 00:13:42,240

whether the confusion

379

00:13:48,230 --> 00:13:45,600

is real or not it's still a benefit yeah

380

00:13:50,310 --> 00:13:48,240

and you you know more than me looking at

381

00:13:53,189 --> 00:13:50,320

looking back at old documents

382

00:13:54,870 --> 00:13:53,199

the same descriptors used over the

383

00:13:57,990 --> 00:13:54,880

course of 80 years

384

00:14:01,110 --> 00:13:58,000

it you know it's no wonder that people

385

00:14:02,150 --> 00:14:01,120

hang on for so long um and don't just

386

00:14:05,189 --> 00:14:02,160

kind of get frustrated

387

00:14:07,990 --> 00:14:05,199

with it but let me ask you this

388

00:14:09,750 --> 00:14:08,000

what was your first um what was the

389

00:14:13,189 --> 00:14:09,760

thing that really

390

00:14:14,710 --> 00:14:13,199

um started a fire in you to go

391

00:14:17,750 --> 00:14:14,720

more towards the route you're going now

392

00:14:21,030 --> 00:14:17,760

as far as foia documents all that

393

00:14:24,069 --> 00:14:21,040

going back to the beginning yeah so

394

00:14:26,629 --> 00:14:24,079

i was 15 years old and and honestly the

395

00:14:30,230 --> 00:14:26,639

quickest way to explain it is curiosity

396

00:14:32,710 --> 00:14:30,240

sure and i was i started with ufos i was

397

00:14:33,350 --> 00:14:32,720

massively curious about what was out

398

00:14:37,030 --> 00:14:33,360

there and

399

00:14:38,710 --> 00:14:37,040

and this was prior to you know being

400

00:14:41,030 --> 00:14:38,720

being able to google you know i mean now

401

00:14:42,949 --> 00:14:41,040

we use it as an action word but

402

00:14:44,790 --> 00:14:42,959

this was when alta vista was at its

403

00:14:47,189 --> 00:14:44,800

heyday you know and i think ask

404

00:14:49,430 --> 00:14:47,199

jeeves was around yes and so i remember

405

00:14:52,790 --> 00:14:49,440

that that's going old school

406

00:14:54,230 --> 00:14:52,800

yeah so so even back then you know you

407

00:14:56,150 --> 00:14:54,240

had hundreds and hundreds of thousands

408

00:14:59,189 --> 00:14:56,160

of websites on ufos and i didn't know

409

00:15:01,670 --> 00:14:59,199

really what to believe and so

410

00:15:02,710 --> 00:15:01,680

i stumbled across this four-page

411

00:15:05,590 --> 00:15:02,720

government document

412

00:15:08,389 --> 00:15:05,600

it was infamously known in the ufo field

413

00:15:10,230 --> 00:15:08,399

as the 1976 iran incident

414

00:15:12,150 --> 00:15:10,240

and i didn't i read through it i did not

415

00:15:13,509 --> 00:15:12,160

believe it was real at all i thought

416

00:15:15,269 --> 00:15:13,519

there's no way

417

00:15:16,550 --> 00:15:15,279

that this is a government document that

418

00:15:18,629 --> 00:15:16,560

they will give you because the

419

00:15:20,790 --> 00:15:18,639

government wanted you to believe

420

00:15:22,550 --> 00:15:20,800

there's nothing to the ufo phenomena

421

00:15:23,990 --> 00:15:22,560

they investigated it you know it's

422

00:15:25,430 --> 00:15:24,000

essentially all explained

423

00:15:28,150 --> 00:15:25,440

and you read this thing and you're like

424

00:15:30,790 --> 00:15:28,160

wow this is this is pretty mind-blowing

425

00:15:31,350 --> 00:15:30,800

so this website taught you that you can

426  
00:15:32,790 --> 00:15:31,360  
get it

427  
00:15:33,829 --> 00:15:32,800  
for free from the government through

428  
00:15:35,189 --> 00:15:33,839  
this thing called the freedom of

429  
00:15:37,910 --> 00:15:35,199  
information act

430  
00:15:39,590 --> 00:15:37,920  
had no idea what that was printed out

431  
00:15:42,069 --> 00:15:39,600  
the template letter you know and

432  
00:15:43,030 --> 00:15:42,079  
after i filled in my name and then sent

433  
00:15:44,470 --> 00:15:43,040  
off this template

434  
00:15:45,990 --> 00:15:44,480  
and sure enough that four page

435  
00:15:47,030 --> 00:15:46,000  
government document came about a month

436  
00:15:49,430 --> 00:15:47,040  
later it only

437  
00:15:50,949 --> 00:15:49,440  
took about three and a half weeks and uh

438  
00:15:54,230 --> 00:15:50,959

i wish time frames were

439

00:15:56,470 --> 00:15:54,240  
were still like that back in 96

440

00:15:58,389 --> 00:15:56,480  
but that was that was it for me i was

441

00:16:00,069 --> 00:15:58,399  
hooked and and started

442

00:16:02,470 --> 00:16:00,079  
teaching myself the foia because i

443

00:16:04,550 --> 00:16:02,480  
learned how to uh obviously use that

444

00:16:05,189 --> 00:16:04,560  
template at first but but build off of

445

00:16:06,949 --> 00:16:05,199  
that

446

00:16:09,430 --> 00:16:06,959  
figure out different ways to get

447

00:16:12,069 --> 00:16:09,440  
information different agencies

448

00:16:12,629 --> 00:16:12,079  
and while i was waiting for ufos went

449

00:16:15,110 --> 00:16:12,639  
after

450

00:16:17,910 --> 00:16:15,120  
all sorts of other stuff whether it be

451

00:16:20,310 --> 00:16:17,920

jfk assassination biological weapons

452

00:16:21,990 --> 00:16:20,320

it's a bad idea to make me bored because

453

00:16:23,990 --> 00:16:22,000

i find something to fill

454

00:16:25,990 --> 00:16:24,000

the time yeah so i wouldn't always start

455

00:16:29,030 --> 00:16:26,000

at chess i was like i was gonna learn

456

00:16:31,269 --> 00:16:29,040

everything yeah yeah no that's it so

457

00:16:32,710 --> 00:16:31,279

yeah well that's great i i hope you

458

00:16:36,870 --> 00:16:32,720

don't mind telling it uh

459

00:16:37,189 --> 00:16:36,880

no not at all um yeah it's a great story

460

00:16:40,150 --> 00:16:37,199

and

461

00:16:41,509 --> 00:16:40,160

yeah uh documentation really yeah in the

462

00:16:44,310 --> 00:16:41,519

end

463

00:16:45,590 --> 00:16:44,320

is kind of your joker it's like hey you

464

00:16:48,949 --> 00:16:45,600

said it not me

465

00:16:49,990 --> 00:16:48,959

right yeah and that's what fascinates me

466

00:16:53,030 --> 00:16:50,000

about it is because

467

00:16:56,069 --> 00:16:53,040

you can irrefutably irrefutably

468

00:16:57,749 --> 00:16:56,079

prove the ufo cover-up using only their

469

00:17:00,389 --> 00:16:57,759

own information that they give you

470

00:17:02,310 --> 00:17:00,399

and in my opinion using only the

471

00:17:05,350 --> 00:17:02,320

information that they give you

472

00:17:08,270 --> 00:17:05,360

you can't necessarily i would say 100

473

00:17:10,390 --> 00:17:08,280

definitively prove this is all alien and

474

00:17:13,189 --> 00:17:10,400

extraterrestrially connected

475

00:17:14,870 --> 00:17:13,199

but rather you keep it on the list and

476

00:17:16,870 --> 00:17:14,880

you can't rule it out

477

00:17:18,549 --> 00:17:16,880

based on their own evidence and so

478

00:17:20,710 --> 00:17:18,559

that's why i love it because when you

479

00:17:23,029 --> 00:17:20,720

use that official documentation

480

00:17:24,630 --> 00:17:23,039

contrary to popular belief i don't think

481

00:17:27,909 --> 00:17:24,640

it's the end-all be-all

482

00:17:29,110 --> 00:17:27,919

but that is a a unbelievably strong

483

00:17:31,590 --> 00:17:29,120

foundation

484

00:17:32,789 --> 00:17:31,600

to build upon and then when you do talk

485

00:17:34,470 --> 00:17:32,799

about people that

486

00:17:36,390 --> 00:17:34,480

either are former government former

487

00:17:39,029 --> 00:17:36,400

military or just everyday

488

00:17:40,870 --> 00:17:39,039

people that have experiences that

489

00:17:41,750 --> 00:17:40,880

foundation you can cross-reference you

490

00:17:43,909 --> 00:17:41,760

can figure out

491

00:17:45,029 --> 00:17:43,919

and build upon it and that's why i love

492

00:17:48,669 --> 00:17:45,039

love this

493

00:17:51,669 --> 00:17:48,679

this aspect to it that's that is

494

00:17:53,510 --> 00:17:51,679

fantastic have you ever

495

00:17:55,669 --> 00:17:53,520

are there still good documents to find

496

00:17:57,990 --> 00:17:55,679

in foyer reading rooms or

497

00:18:00,070 --> 00:17:58,000

do you start there and then go to foia

498

00:18:02,310 --> 00:18:00,080

or how does that process work

499

00:18:04,230 --> 00:18:02,320

so the foia reading rooms they never

500

00:18:07,669 --> 00:18:04,240

really existed when i started

501  
00:18:09,430 --> 00:18:07,679  
um the government when they passed the

502  
00:18:11,270 --> 00:18:09,440  
electronic freedom of information act

503  
00:18:11,990 --> 00:18:11,280  
which was roughly about 96 i think it

504  
00:18:14,150 --> 00:18:12,000  
was

505  
00:18:15,990 --> 00:18:14,160  
if memory serves that essentially

506  
00:18:17,909 --> 00:18:16,000  
started mandating a couple different

507  
00:18:19,590 --> 00:18:17,919  
different things which included these

508  
00:18:22,390 --> 00:18:19,600  
foia reading rooms

509  
00:18:24,789 --> 00:18:22,400  
and it took in some cases like years for

510  
00:18:27,029 --> 00:18:24,799  
them to actually put them online

511  
00:18:27,990 --> 00:18:27,039  
and it really kind of fell flat some

512  
00:18:31,110 --> 00:18:28,000  
agencies are really

513  
00:18:34,070 --> 00:18:31,120

good and they just like post uh a ton

514

00:18:36,070 --> 00:18:34,080

of material and other agencies are

515

00:18:38,470 --> 00:18:36,080

horrible they've been updated once in

516

00:18:41,750 --> 00:18:38,480

the last like decade and a half

517

00:18:43,750 --> 00:18:41,760

and yeah

518

00:18:45,430 --> 00:18:43,760

the dia i think is another one if i

519

00:18:46,150 --> 00:18:45,440

remember what their reading room looks

520

00:18:49,110 --> 00:18:46,160

like but just

521

00:18:51,590 --> 00:18:49,120

very very few updates and then i think

522

00:18:54,549 --> 00:18:51,600

it's the nrc which just has this

523

00:18:55,990 --> 00:18:54,559

overwhelming amount of information uh

524

00:18:57,990 --> 00:18:56,000

where they just like they post like

525

00:18:59,430 --> 00:18:58,000

everything and and they just dump it on

526

00:19:01,510 --> 00:18:59,440

there and so that

527

00:19:02,630 --> 00:19:01,520

that's good in a way but also sometimes

528

00:19:04,549 --> 00:19:02,640

it creates other

529

00:19:05,990 --> 00:19:04,559

challenges which i won't get into but

530

00:19:08,710 --> 00:19:06,000

yeah it's um

531

00:19:10,470 --> 00:19:08,720

uh it varies across the board so to go

532

00:19:12,390 --> 00:19:10,480

back to your question do you start there

533

00:19:14,710 --> 00:19:12,400

absolutely i mean it's always good to

534

00:19:16,789 --> 00:19:14,720

if you're going to foia the nsa or the

535

00:19:18,470 --> 00:19:16,799

cia or dia or whomever

536

00:19:20,549 --> 00:19:18,480

you know to check out what do they have

537

00:19:23,830 --> 00:19:20,559

on their foia reading room

538

00:19:25,830 --> 00:19:23,840

but what they don't advertise and this

539

00:19:26,310 --> 00:19:25,840

is important to anybody who dabbles in

540

00:19:27,990 --> 00:19:26,320

foia

541

00:19:29,510 --> 00:19:28,000

and it took me years to realize this on

542

00:19:32,150 --> 00:19:29,520

the fbi website

543

00:19:33,990 --> 00:19:32,160

what they don't really advertise is that

544

00:19:37,110 --> 00:19:34,000

their reading room is potentially not

545

00:19:39,669 --> 00:19:37,120

it and the fbi i'll use that as an

546

00:19:42,390 --> 00:19:39,679

example i collect fbi files and i have

547

00:19:44,150 --> 00:19:42,400

literally hundreds of thousands of fbi

548

00:19:47,270 --> 00:19:44,160

files on

549

00:19:48,230 --> 00:19:47,280

tons of people celebrities former ufo

550

00:19:52,870 --> 00:19:48,240

figures

551  
00:19:55,190 --> 00:19:52,880  
abductees even the mj-12 members

552  
00:19:56,789 --> 00:19:55,200  
just like the list goes on and on so i

553  
00:19:58,870 --> 00:19:56,799  
collect these things well if they're on

554  
00:20:00,390 --> 00:19:58,880  
what the fbi launched as their reading

555  
00:20:03,590 --> 00:20:00,400  
room they renamed it

556  
00:20:06,710 --> 00:20:03,600  
the vault uh a couple years ago

557  
00:20:08,390 --> 00:20:06,720  
yeah they saw that yeah yeah um it was

558  
00:20:11,270 --> 00:20:08,400  
confusing

559  
00:20:13,029 --> 00:20:11,280  
it confused me too flattering in a way

560  
00:20:13,430 --> 00:20:13,039  
but not so much i mean i don't own the

561  
00:20:15,430 --> 00:20:13,440  
word

562  
00:20:17,190 --> 00:20:15,440  
vault obviously but it was just a very

563  
00:20:20,149 --> 00:20:17,200

interesting parallel but

564

00:20:20,549 --> 00:20:20,159

be that as it may so what i learned was

565

00:20:24,390 --> 00:20:20,559

let's

566

00:20:25,510 --> 00:20:24,400

uh i'll use marilyn monroe's file as an

567

00:20:27,430 --> 00:20:25,520

example

568

00:20:29,190 --> 00:20:27,440

so i've had that file for years they

569

00:20:31,750 --> 00:20:29,200

eventually put it on the fbi

570

00:20:32,789 --> 00:20:31,760

reading room and so on and so forth what

571

00:20:34,950 --> 00:20:32,799

they don't tell you

572

00:20:36,870 --> 00:20:34,960

is that the reading room is not complete

573

00:20:38,870 --> 00:20:36,880

so they make it look like when you

574

00:20:39,990 --> 00:20:38,880

download marilyn monroe's fbi file

575

00:20:43,110 --> 00:20:40,000

that's everything

576  
00:20:44,950 --> 00:20:43,120  
or you download let's say martin luther

577  
00:20:45,990 --> 00:20:44,960  
king jr's file that that's everything

578  
00:20:47,830 --> 00:20:46,000  
and it's not

579  
00:20:49,830 --> 00:20:47,840  
so what i've done is has gone back to

580  
00:20:51,110 --> 00:20:49,840  
some of the bigger files and requested

581  
00:20:54,310 --> 00:20:51,120  
from the fbi

582  
00:20:56,230 --> 00:20:54,320  
everything on whatever individual but

583  
00:20:56,789 --> 00:20:56,240  
only request the documents that are not

584  
00:20:59,430 --> 00:20:56,799  
currently

585  
00:20:59,830 --> 00:20:59,440  
on the vault and what's interesting

586  
00:21:02,070 --> 00:20:59,840  
they're

587  
00:21:04,390 --> 00:21:02,080  
fbi vault by the way and what's very

588  
00:21:06,710 --> 00:21:04,400

interesting is they will yield responses

589

00:21:07,830 --> 00:21:06,720

meaning there are records that are still

590

00:21:09,750 --> 00:21:07,840

in their holdings

591

00:21:11,190 --> 00:21:09,760

that have not seen the light of day

592

00:21:13,510 --> 00:21:11,200

cattle mutilations

593

00:21:14,390 --> 00:21:13,520

was one of the bigger finds where they

594

00:21:16,549 --> 00:21:14,400

make you think

595

00:21:17,510 --> 00:21:16,559

everything on cattle mutilations is on

596

00:21:19,909 --> 00:21:17,520

their website

597

00:21:21,590 --> 00:21:19,919

it's not and i got records had never

598

00:21:23,510 --> 00:21:21,600

seen the light of day before

599

00:21:24,630 --> 00:21:23,520

and it was interesting because in my

600

00:21:26,230 --> 00:21:24,640

opinion

601  
00:21:28,310 --> 00:21:26,240  
these were one of the better ones where

602  
00:21:31,029 --> 00:21:28,320  
they were profiling a case

603  
00:21:32,070 --> 00:21:31,039  
of cattle mutilations where a helicopter

604  
00:21:36,390 --> 00:21:32,080  
came in

605  
00:21:38,310 --> 00:21:36,400  
uh essentially grabbed a cow took it off

606  
00:21:39,669 --> 00:21:38,320  
took off took it away and and the

607  
00:21:41,590 --> 00:21:39,679  
mutilation took place

608  
00:21:42,789 --> 00:21:41,600  
so they tried to say that it was pretty

609  
00:21:45,110 --> 00:21:42,799  
much pranksters

610  
00:21:46,310 --> 00:21:45,120  
flying this bell certain model bell

611  
00:21:48,470 --> 00:21:46,320  
helicopter

612  
00:21:50,470 --> 00:21:48,480  
well all of that sounds very plausible

613  
00:21:52,070 --> 00:21:50,480

like it potentially could happen

614

00:21:54,310 --> 00:21:52,080

but if you actually research the bell

615

00:21:57,029 --> 00:21:54,320

helicopter it could not carry

616

00:21:58,070 --> 00:21:57,039

an adult bull it didn't have the lift

617

00:21:59,430 --> 00:21:58,080

capacity

618

00:22:00,789 --> 00:21:59,440

and so it's like well what are the odds

619

00:22:02,950 --> 00:22:00,799

that they keep this one away that

620

00:22:05,190 --> 00:22:02,960

they're trying to pass these silly

621

00:22:06,390 --> 00:22:05,200

explanations off up the food chain

622

00:22:08,470 --> 00:22:06,400

within the fbi

623

00:22:09,830 --> 00:22:08,480

but to the general public they say you

624

00:22:11,430 --> 00:22:09,840

who look over here

625

00:22:12,950 --> 00:22:11,440

but in reality it's the one that they

626

00:22:14,950 --> 00:22:12,960

kept hidden over here

627

00:22:16,789 --> 00:22:14,960

that was more of the of the interesting

628

00:22:18,390 --> 00:22:16,799

one and so those are the types of

629

00:22:21,270 --> 00:22:18,400

discoveries that you

630

00:22:22,149 --> 00:22:21,280

you learn that you don't take their word

631

00:22:25,510 --> 00:22:22,159

for it

632

00:22:27,990 --> 00:22:25,520

or don't assume anything and that's

633

00:22:29,830 --> 00:22:28,000

that's that's what i would uh say to

634

00:22:31,270 --> 00:22:29,840

anybody dabbling in foia and looking at

635

00:22:33,350 --> 00:22:31,280

those reading rooms

636

00:22:35,669 --> 00:22:33,360

the the old saying comes up a lot in

637

00:22:36,789 --> 00:22:35,679

this topic don't assume anything because

638

00:22:39,510 --> 00:22:36,799

it makes an ass

639

00:22:40,549 --> 00:22:39,520

you and me that's right yep it's your

640

00:22:43,590 --> 00:22:40,559

show i didn't want to use that

641

00:22:44,789 --> 00:22:43,600

expression so you you can say it

642

00:22:47,669 --> 00:22:44,799

that's fine but that's one of my

643

00:22:51,029 --> 00:22:47,679

favorite expressions um

644

00:22:52,549 --> 00:22:51,039

what i wanted to you know i like to kind

645

00:22:55,110 --> 00:22:52,559

of let conversations go

646

00:22:56,070 --> 00:22:55,120

where they will you mention cattle

647

00:22:59,350 --> 00:22:56,080

mutilations

648

00:22:59,830 --> 00:22:59,360

what's your take on that it seems first

649

00:23:01,669 --> 00:22:59,840

of all

650

00:23:04,070 --> 00:23:01,679

they're always for the most part just

651

00:23:06,549 --> 00:23:04,080

clean cuts no blood

652

00:23:08,149 --> 00:23:06,559

um out in the middle of nowhere no

653

00:23:11,590 --> 00:23:08,159

tracks like

654

00:23:13,190 --> 00:23:11,600

is is this a ritual is it a alien like

655

00:23:15,190 --> 00:23:13,200

what could this be

656

00:23:17,190 --> 00:23:15,200

so i don't consider myself a cattle

657

00:23:19,110 --> 00:23:17,200

mutilation researcher but i will

658

00:23:20,390 --> 00:23:19,120

tell this quick story uh which you might

659

00:23:21,830 --> 00:23:20,400

find interesting i don't

660

00:23:24,950 --> 00:23:21,840

know how many times i've told it before

661

00:23:27,110 --> 00:23:24,960

but early on in my television career

662

00:23:29,190 --> 00:23:27,120

i worked a lot as a producer and writer

663

00:23:30,870 --> 00:23:29,200

and director on various projects

664

00:23:33,270 --> 00:23:30,880

and one of the first ones i worked on

665

00:23:35,750 --> 00:23:33,280

was a history channel show

666

00:23:37,909 --> 00:23:35,760

as part of their ufo files series so

667

00:23:39,830 --> 00:23:37,919

this was before ufo hunters

668

00:23:41,350 --> 00:23:39,840

i worked on that as a producer in season

669

00:23:43,510 --> 00:23:41,360

three but prior to that

670

00:23:45,350 --> 00:23:43,520

this was an older series it was awesome

671

00:23:47,830 --> 00:23:45,360

they were one hour documentaries

672

00:23:48,950 --> 00:23:47,840

kind of cheesy and old school in today's

673

00:23:51,029 --> 00:23:48,960

standards but

674

00:23:52,470 --> 00:23:51,039

they were a lot of fun to do and one of

675

00:23:53,669 --> 00:23:52,480

the first ones i worked on was on cattle

676  
00:23:56,310 --> 00:23:53,679  
mutilations

677  
00:23:57,909 --> 00:23:56,320  
and i remember i had known linda for

678  
00:24:00,149 --> 00:23:57,919  
many years at this point and so

679  
00:24:01,190 --> 00:24:00,159  
of course you know you gotta call linda

680  
00:24:02,310 --> 00:24:01,200  
if you're talking about cattle

681  
00:24:05,510 --> 00:24:02,320  
mutilations

682  
00:24:06,470 --> 00:24:05,520  
and so uh she and i you know touched

683  
00:24:09,190 --> 00:24:06,480  
base about it

684  
00:24:10,549 --> 00:24:09,200  
we started um uh talking about including

685  
00:24:12,310 --> 00:24:10,559  
her in this documentary

686  
00:24:13,830 --> 00:24:12,320  
well in the in the process of

687  
00:24:15,269 --> 00:24:13,840  
pre-production when you're kind of

688  
00:24:16,870 --> 00:24:15,279

planning everything

689

00:24:18,390 --> 00:24:16,880

we had everything written out it was

690

00:24:22,070 --> 00:24:18,400

ready to roll

691

00:24:23,669 --> 00:24:22,080

and right before uh i believe it was

692

00:24:26,230 --> 00:24:23,679

linda had called us and said that there

693

00:24:29,669 --> 00:24:26,240

was a case in nebraska

694

00:24:31,590 --> 00:24:29,679

brand new cattle mutilation down all the

695

00:24:32,789 --> 00:24:31,600

the normal signs that something strange

696

00:24:35,110 --> 00:24:32,799

was going to happen

697

00:24:36,870 --> 00:24:35,120

or that something strange happened and

698

00:24:39,830 --> 00:24:36,880

all the characteristics were there

699

00:24:40,549 --> 00:24:39,840

and so she calls us and the entire show

700

00:24:42,549 --> 00:24:40,559

changed

701  
00:24:43,750 --> 00:24:42,559  
we immediately got the executives on the

702  
00:24:45,190 --> 00:24:43,760  
phone we said look

703  
00:24:47,190 --> 00:24:45,200  
this is a way to get in the field and

704  
00:24:50,070 --> 00:24:47,200  
this was before reality tv

705  
00:24:51,590 --> 00:24:50,080  
really took off i mean especially for

706  
00:24:52,070 --> 00:24:51,600  
history channel they just weren't doing

707  
00:24:55,830 --> 00:24:52,080  
it

708  
00:24:58,710 --> 00:24:55,840  
which i prefer

709  
00:24:59,430 --> 00:24:58,720  
and so that was the documentary but then

710  
00:25:01,669 --> 00:24:59,440  
this

711  
00:25:02,470 --> 00:25:01,679  
dead cow was down how could you say no

712  
00:25:04,870 --> 00:25:02,480  
to that

713  
00:25:06,549 --> 00:25:04,880

we got approval to switch everything got

714

00:25:08,230 --> 00:25:06,559

linda on a plane

715

00:25:09,990 --> 00:25:08,240

our crew got on a plane we went out to

716

00:25:12,549 --> 00:25:10,000

nebraska shot the whole thing

717

00:25:13,990 --> 00:25:12,559

and so the whole show changed now why i

718

00:25:16,710 --> 00:25:14,000

say all this

719

00:25:18,070 --> 00:25:16,720

is that exploring for that show and

720

00:25:20,149 --> 00:25:18,080

creating

721

00:25:21,110 --> 00:25:20,159

even if it's a one-hour documentary you

722

00:25:24,310 --> 00:25:21,120

put so many

723

00:25:25,510 --> 00:25:24,320

hours into looking at whatever you're

724

00:25:27,269 --> 00:25:25,520

you're dealing with

725

00:25:29,029 --> 00:25:27,279

and in this particular case looking at

726

00:25:30,310 --> 00:25:29,039

the cattle mutilation phenomena was

727

00:25:32,310 --> 00:25:30,320

fascinating for me

728

00:25:33,990 --> 00:25:32,320

because i just had no background in it

729

00:25:35,350 --> 00:25:34,000

you know i was into ufos and

730

00:25:37,190 --> 00:25:35,360

i was doing the black vault for many

731

00:25:39,110 --> 00:25:37,200

years already and

732

00:25:41,029 --> 00:25:39,120

was was pursuing those angles but cattle

733

00:25:41,590 --> 00:25:41,039

mutilations that was linda molten howe

734

00:25:44,710 --> 00:25:41,600

and

735

00:25:46,470 --> 00:25:44,720

a very short other list of of people

736

00:25:48,230 --> 00:25:46,480

uh so she's not the end-all be-all

737

00:25:51,269 --> 00:25:48,240

either by the way uh

738

00:25:52,870 --> 00:25:51,279

i we used a couple other people but

739

00:25:55,190 --> 00:25:52,880

i'm using her as the example because she

740

00:25:57,190 --> 00:25:55,200

was the in the field investigator that

741

00:25:59,510 --> 00:25:57,200

we shot

742

00:26:00,230 --> 00:25:59,520

for a history channel so to see that and

743

00:26:03,269 --> 00:26:00,240

and to

744

00:26:06,070 --> 00:26:03,279

explore the phenomena you realize

745

00:26:08,149 --> 00:26:06,080

you know does is this satanic rituals

746

00:26:11,510 --> 00:26:08,159

like you were saying is that all it is

747

00:26:13,510 --> 00:26:11,520

i mean maybe but you don't have

748

00:26:15,110 --> 00:26:13,520

an exceptional amount of information to

749

00:26:16,149 --> 00:26:15,120

support that you know i mean i'm sure

750

00:26:17,750 --> 00:26:16,159

you have

751

00:26:19,669 --> 00:26:17,760

select evidence here and there but

752

00:26:21,830 --> 00:26:19,679

collectively as a whole

753

00:26:22,710 --> 00:26:21,840

it's it's just not it's just not there

754

00:26:24,549 --> 00:26:22,720

and then

755

00:26:25,750 --> 00:26:24,559

fast forward quite a few years after we

756

00:26:28,549 --> 00:26:25,760

did that show

757

00:26:29,110 --> 00:26:28,559

i made that that discovery with the fbi

758

00:26:30,789 --> 00:26:29,120

uh

759

00:26:33,190 --> 00:26:30,799

and the bell helicopter and that whole

760

00:26:36,149 --> 00:26:33,200

thing it makes you wonder how much

761

00:26:36,950 --> 00:26:36,159

else is there that maybe they're not

762

00:26:39,350 --> 00:26:36,960

acknowledging

763

00:26:41,350 --> 00:26:39,360

or maybe that they're exempting or maybe

764

00:26:41,990 --> 00:26:41,360

it's not within their arms reach so they

765

00:26:44,870 --> 00:26:42,000

think

766

00:26:46,390 --> 00:26:44,880

okay we've given greenwald everything

767

00:26:47,750 --> 00:26:46,400

all of those are big possibilities

768

00:26:48,310 --> 00:26:47,760

because i have cases that i can

769

00:26:50,149 --> 00:26:48,320

reference

770

00:26:51,990 --> 00:26:50,159

where all of that has happened where

771

00:26:54,390 --> 00:26:52,000

they say they have nothing and they

772

00:26:56,310 --> 00:26:54,400

actually do or they say they gave you

773

00:26:58,390 --> 00:26:56,320

everything and they actually didn't

774

00:26:59,669 --> 00:26:58,400

so all of those are on the table but it

775

00:27:02,549 --> 00:26:59,679

really does make you think

776  
00:27:04,470 --> 00:27:02,559  
about cattle mutilations as as sometimes

777  
00:27:06,870 --> 00:27:04,480  
as silly as that sounds

778  
00:27:08,950 --> 00:27:06,880  
official documentation supports there's

779  
00:27:10,230 --> 00:27:08,960  
really no feasible explanation to deal

780  
00:27:12,070 --> 00:27:10,240  
with at all

781  
00:27:14,230 --> 00:27:12,080  
yeah and it seems like that's kind of

782  
00:27:18,630 --> 00:27:14,240  
the case with the phenomenon as well

783  
00:27:23,590 --> 00:27:18,640  
at times um yeah

784  
00:27:27,830 --> 00:27:26,310  
um i know it's really hard to be black

785  
00:27:29,029 --> 00:27:27,840  
and white with an answer for something

786  
00:27:32,389 --> 00:27:29,039  
like this

787  
00:27:35,990 --> 00:27:32,399  
and i'll start with the simple question

788  
00:27:39,110 --> 00:27:36,000

do you right now believe

789

00:27:43,110 --> 00:27:39,120

that uh uaps

790

00:27:46,389 --> 00:27:43,120

uap is real and it's general

791

00:27:49,110 --> 00:27:46,399

it could be anything i guess

792

00:27:50,070 --> 00:27:49,120

do i believe uaps are real yeah

793

00:27:55,269 --> 00:27:50,080

absolutely

794

00:27:59,110 --> 00:27:56,549

and it kind of broke up you're you're

795

00:28:01,029 --> 00:27:59,120

saying aliens and what about aliens yeah

796

00:28:02,630 --> 00:28:01,039

the interdimensional or from another

797

00:28:04,149 --> 00:28:02,640

planet or whatever gotcha sorry there

798

00:28:05,110 --> 00:28:04,159

was an audio hit right when you said it

799

00:28:07,269 --> 00:28:05,120

and i wanted to make sure

800

00:28:09,110 --> 00:28:07,279

i was following you so when it comes to

801  
00:28:11,750 --> 00:28:09,120  
aliens i'm not a hundred percent i'm

802  
00:28:13,350 --> 00:28:11,760  
i'm a nuts and bolts i need to see to

803  
00:28:15,990 --> 00:28:13,360  
believe kind of guy

804  
00:28:17,190 --> 00:28:16,000  
now uh have i ruled it out absolutely

805  
00:28:19,269 --> 00:28:17,200  
not do i feel

806  
00:28:21,350 --> 00:28:19,279  
it is on the bottom of the list where

807  
00:28:23,590 --> 00:28:21,360  
someone like mick west kind of says

808  
00:28:24,549 --> 00:28:23,600  
you know sure it's a possibility but way

809  
00:28:26,149 --> 00:28:24,559  
down here

810  
00:28:27,990 --> 00:28:26,159  
i don't consider it on the bottom of the

811  
00:28:30,389 --> 00:28:28,000  
list either i believe that there's

812  
00:28:33,830 --> 00:28:30,399  
actually a big possibility here

813  
00:28:36,230 --> 00:28:33,840

but that that opens up a ton

814

00:28:37,510 --> 00:28:36,240

of other unanswered questions which

815

00:28:40,070 --> 00:28:37,520

fascinate me to no

816

00:28:41,510 --> 00:28:40,080

end that in my opinion goes beyond the

817

00:28:43,110 --> 00:28:41,520

phenomena where

818

00:28:45,269 --> 00:28:43,120

you start talking about intelligent

819

00:28:47,190 --> 00:28:45,279

civilizations alien life out there

820

00:28:48,630 --> 00:28:47,200

if they are here and we are here then

821

00:28:49,830 --> 00:28:48,640

there are likely billions of

822

00:28:51,830 --> 00:28:49,840

civilizations

823

00:28:53,269 --> 00:28:51,840

that we could be talking with so then

824

00:28:54,549 --> 00:28:53,279

that poses the question of would they

825

00:28:57,750 --> 00:28:54,559

even care we're here

826

00:29:00,710 --> 00:28:57,760

and and yes i know that that

827

00:29:02,230 --> 00:29:00,720

that is not a popular um question to

828

00:29:04,870 --> 00:29:02,240

tackle when you think

829

00:29:05,830 --> 00:29:04,880

that they're not good enough yes tyson

830

00:29:07,590 --> 00:29:05,840

said it yeah

831

00:29:10,149 --> 00:29:07,600

exactly and but here's the thing with

832

00:29:12,549 --> 00:29:10,159

with dr tyson and i tweeted at him after

833

00:29:14,070 --> 00:29:12,559

that i worked with with dr tyson

834

00:29:15,750 --> 00:29:14,080

and and i've said this a couple times

835

00:29:16,789 --> 00:29:15,760

and i'll and i'll continue to say it i

836

00:29:19,350 --> 00:29:16,799

really like him

837

00:29:20,149 --> 00:29:19,360

i worked with him he's funny he's super

838

00:29:22,870 --> 00:29:20,159

intelligent

839

00:29:25,190 --> 00:29:22,880

i have zero complaints but where he

840

00:29:26,310 --> 00:29:25,200

approaches the ufo topic and how he

841

00:29:29,510 --> 00:29:26,320

approaches it

842

00:29:31,669 --> 00:29:29,520

is not scientific so for him to say that

843

00:29:32,549 --> 00:29:31,679

and to say that it was egotistical for

844

00:29:34,870 --> 00:29:32,559

humans to

845

00:29:37,350 --> 00:29:34,880

to think that way you can't just

846

00:29:40,070 --> 00:29:37,360

automatically go there and dismiss

847

00:29:42,149 --> 00:29:40,080

everything and the analogy that i use is

848

00:29:44,710 --> 00:29:42,159

the antel analogy which i love

849

00:29:46,230 --> 00:29:44,720

and and that is essentially um where i

850

00:29:48,950 --> 00:29:46,240

agree with dr tyson

851  
00:29:50,950 --> 00:29:48,960  
the majority of humanity does not care

852  
00:29:54,070 --> 00:29:50,960  
to march out into the middle of the

853  
00:29:55,350 --> 00:29:54,080  
sahara desert and plant a u.s flag or a

854  
00:29:58,070 --> 00:29:55,360  
flag for humanity

855  
00:29:59,750 --> 00:29:58,080  
and say you're an intelligent species we

856  
00:30:01,510 --> 00:29:59,760  
want to communicate with you

857  
00:30:03,190 --> 00:30:01,520  
we're going to share our technology with

858  
00:30:05,669 --> 00:30:03,200  
you and then we'll we'll learn

859  
00:30:06,230 --> 00:30:05,679  
uh from from whatever you can offer well

860  
00:30:10,389 --> 00:30:06,240  
that

861  
00:30:13,669 --> 00:30:10,399  
where i kind of see eye to eye with

862  
00:30:16,310 --> 00:30:13,679  
with that that concept by dr tyson but

863  
00:30:17,830 --> 00:30:16,320

my rebuttal which is where i feel he was

864

00:30:22,230 --> 00:30:17,840

not scientific

865

00:30:24,230 --> 00:30:22,240

is there still is a fraction of humanity

866

00:30:25,350 --> 00:30:24,240

albeit a small one but a fraction of

867

00:30:27,750 --> 00:30:25,360

humanity

868

00:30:29,990 --> 00:30:27,760

that does want to march out there and

869

00:30:32,870 --> 00:30:30,000

does want to sit next to that ant hill

870

00:30:34,710 --> 00:30:32,880

and does want to stop that ant hill from

871

00:30:36,630 --> 00:30:34,720

warring from a

872

00:30:38,389 --> 00:30:36,640

from warring with a neighboring termite

873

00:30:40,070 --> 00:30:38,399

colony and that that

874

00:30:41,990 --> 00:30:40,080

small percentage of people they want to

875

00:30:43,750 --> 00:30:42,000

sit there and understand ants

876

00:30:45,830 --> 00:30:43,760

and how they built their colony and what

877

00:30:47,269 --> 00:30:45,840

their mating habits are and do they

878

00:30:49,190 --> 00:30:47,279

communicate and how

879

00:30:52,230 --> 00:30:49,200

what's their structure inside that

880

00:30:54,389 --> 00:30:52,240

colony that is a very small but albeit

881

00:30:56,470 --> 00:30:54,399

very important aspect to

882

00:30:57,830 --> 00:30:56,480

who we are as humans we want to

883

00:31:00,310 --> 00:30:57,840

understand

884

00:31:01,350 --> 00:31:00,320

certain aspects of other life forms so

885

00:31:03,190 --> 00:31:01,360

we can't say

886

00:31:05,269 --> 00:31:03,200

even though i partially agree with it

887

00:31:05,909 --> 00:31:05,279

that all aliens just wouldn't care about

888

00:31:10,070 --> 00:31:05,919

us

889

00:31:12,870 --> 00:31:10,080

very similar way

890

00:31:14,149 --> 00:31:12,880

you'll have a very small percentage that

891

00:31:17,269 --> 00:31:14,159

will want to come here

892

00:31:19,750 --> 00:31:17,279

regardless of them being super advanced

893

00:31:21,430 --> 00:31:19,760

and highly intelligent that they will

894

00:31:23,110 --> 00:31:21,440

want to come here and learn

895

00:31:25,110 --> 00:31:23,120

so i kind of played devil's advocate

896

00:31:27,350 --> 00:31:25,120

with myself a little bit

897

00:31:29,350 --> 00:31:27,360

but in the same respect i i have to deal

898

00:31:31,990 --> 00:31:29,360

with it from a

899

00:31:33,830 --> 00:31:32,000

i would say a juxtaposition with us here

900

00:31:34,870 --> 00:31:33,840

on earth because if the evolution out

901  
00:31:38,230 --> 00:31:34,880  
there

902  
00:31:39,029 --> 00:31:38,240  
for intelligence is similar to how it is

903  
00:31:40,789 --> 00:31:39,039  
here

904  
00:31:42,950 --> 00:31:40,799  
then that's kind of how i approach it

905  
00:31:45,909 --> 00:31:42,960  
until until proven otherwise

906  
00:31:47,190 --> 00:31:45,919  
yeah no that's a that's a fair and

907  
00:31:50,230 --> 00:31:47,200  
respectable way to

908  
00:31:53,269 --> 00:31:50,240  
approach it with the subject it's so

909  
00:31:54,630 --> 00:31:53,279  
um you're so easily taken into many

910  
00:31:57,269 --> 00:31:54,640  
different directions so

911  
00:31:58,389 --> 00:31:57,279  
whatever you can do to stay grounded i

912  
00:32:00,950 --> 00:31:58,399  
think is important

913  
00:32:03,110 --> 00:32:00,960

uh with neil degrasse tyson if i feel

914

00:32:06,630 --> 00:32:03,120

like um

915

00:32:09,750 --> 00:32:06,640

yeah i feel like at some point

916

00:32:12,870 --> 00:32:09,760

tone uh unintended tone

917

00:32:14,149 --> 00:32:12,880

possibly um plays a role in this and

918

00:32:17,350 --> 00:32:14,159

people get

919

00:32:19,269 --> 00:32:17,360

maybe a worse idea than was intended

920

00:32:21,190 --> 00:32:19,279

does that make sense

921

00:32:23,430 --> 00:32:21,200

like because he's tweeting things about

922

00:32:25,430 --> 00:32:23,440

space aliens and all that but there's no

923

00:32:28,310 --> 00:32:25,440

boom there's no personality

924

00:32:28,549 --> 00:32:28,320

so did you get the way that people take

925

00:32:30,950 --> 00:32:28,559

it

926

00:32:31,990 --> 00:32:30,960

you know i i i think that one thing that

927

00:32:34,070 --> 00:32:32,000

has to be

928

00:32:35,990 --> 00:32:34,080

remembered with this when you we read it

929

00:32:37,350 --> 00:32:36,000

like a doctor neil degrasse tyson i i

930

00:32:38,389 --> 00:32:37,360

don't want him to make it seem like i'm

931

00:32:39,750 --> 00:32:38,399

picking on him

932

00:32:41,990 --> 00:32:39,760

because again i have a lot of respect

933

00:32:44,710 --> 00:32:42,000

for him but people like him the

934

00:32:46,789 --> 00:32:44,720

bill nyes of the science world uh and

935

00:32:48,149 --> 00:32:46,799

and even i would argue dr seth shostak

936

00:32:51,029 --> 00:32:48,159

who i've also worked with

937

00:32:52,470 --> 00:32:51,039

and very highly respect but what what i

938

00:32:55,350 --> 00:32:52,480

think we have to keep in mind

939

00:32:56,310 --> 00:32:55,360

is that these guys are also entertainers

940

00:32:58,789 --> 00:32:56,320

in a way

941

00:33:00,870 --> 00:32:58,799

that they are on television they have

942

00:33:02,950 --> 00:33:00,880

cameras to appeal to

943

00:33:04,549 --> 00:33:02,960

and they're very good i'll take my

944

00:33:06,630 --> 00:33:04,559

researcher hat off for a second

945

00:33:07,590 --> 00:33:06,640

and put my television producer hat on

946

00:33:09,669 --> 00:33:07,600

they're brilliant

947

00:33:11,110 --> 00:33:09,679

they they speak in sound bites they

948

00:33:14,230 --> 00:33:11,120

speak with clarity

949

00:33:15,430 --> 00:33:14,240

and what they say is likely funny you

950

00:33:17,830 --> 00:33:15,440

know half the time

951  
00:33:19,430 --> 00:33:17,840  
uh doctor dr shotzak has a wonderful

952  
00:33:20,870 --> 00:33:19,440  
sense of humor as well which i

953  
00:33:23,509 --> 00:33:20,880  
was actually caught off guard by when i

954  
00:33:24,630 --> 00:33:23,519  
first met him so what i mean by that is

955  
00:33:30,230 --> 00:33:24,640  
they know

956  
00:33:31,909 --> 00:33:30,240  
make those television producers want to

957  
00:33:33,029 --> 00:33:31,919  
call them on the next story

958  
00:33:34,950 --> 00:33:33,039  
and so i'm not saying that they're

959  
00:33:37,430 --> 00:33:34,960  
fabricating anything or

960  
00:33:38,310 --> 00:33:37,440  
or anything like that but rather they

961  
00:33:41,269 --> 00:33:38,320  
know

962  
00:33:43,029 --> 00:33:41,279  
how to stay in the forefront of the

963  
00:33:45,669 --> 00:33:43,039

entertainment side of this

964

00:33:46,470 --> 00:33:45,679

and so yes dr tyson i think sacrificed a

965

00:33:48,950 --> 00:33:46,480

bit of his

966

00:33:50,789 --> 00:33:48,960

scientist background for more of that

967

00:33:52,950 --> 00:33:50,799

entertainment and had the

968

00:33:53,830 --> 00:33:52,960

you know the the short punchy tweet

969

00:33:56,470 --> 00:33:53,840

saying oh how

970

00:33:57,269 --> 00:33:56,480

egotistical and hahaha and that

971

00:33:59,190 --> 00:33:57,279

resonates

972

00:34:01,350 --> 00:33:59,200

maybe not to you or me or or your

973

00:34:03,830 --> 00:34:01,360

audience but that resonates

974

00:34:05,590 --> 00:34:03,840

to a lot of people out there sadly and

975

00:34:06,789 --> 00:34:05,600

then they will realize oh yeah that's

976

00:34:08,869 --> 00:34:06,799

that's true let's

977

00:34:10,470 --> 00:34:08,879

who cares about the ufo thing dr tyson

978

00:34:12,790 --> 00:34:10,480

said it'd be egotistical

979

00:34:14,470 --> 00:34:12,800

and he's right he's smarter than i am

980

00:34:16,790 --> 00:34:14,480

well no that's that's not it

981

00:34:17,750 --> 00:34:16,800

but he knows that that will resonate to

982

00:34:19,190 --> 00:34:17,760

the masses

983

00:34:20,869 --> 00:34:19,200

and that's what we have to keep in mind

984

00:34:22,550 --> 00:34:20,879

with people like that

985

00:34:24,069 --> 00:34:22,560

i'm more intrigued by the people that

986

00:34:25,190 --> 00:34:24,079

aren't in front of the cameras all the

987

00:34:27,270 --> 00:34:25,200

time

988

00:34:29,190 --> 00:34:27,280

in the scientific realm those that are

989

00:34:31,510 --> 00:34:29,200

entertaining the possibilities the dr

990

00:34:34,069 --> 00:34:31,520

avi loebs of that world

991

00:34:36,470 --> 00:34:34,079

i got to interview quite a few uh people

992

00:34:38,550 --> 00:34:36,480

for a discovery channel show that

993

00:34:39,909 --> 00:34:38,560

you again you don't necessarily see on

994

00:34:42,109 --> 00:34:39,919

on camera all the time

995

00:34:43,750 --> 00:34:42,119

but got to talk to them about

996

00:34:46,629 --> 00:34:43,760

astrobiology and

997

00:34:47,589 --> 00:34:46,639

astronomy and then yes even ufos in some

998

00:34:50,790 --> 00:34:47,599

cases

999

00:34:52,069 --> 00:34:50,800

and it's amazing to hear what true

1000

00:34:53,990 --> 00:34:52,079

scientists

1001  
00:34:56,230 --> 00:34:54,000  
who are not making a living being on

1002  
00:34:58,390 --> 00:34:56,240  
camera and getting a paycheck hosting

1003  
00:35:00,390 --> 00:34:58,400  
shows every other day

1004  
00:35:02,069 --> 00:35:00,400  
it's amazing just to hear and see what

1005  
00:35:05,349 --> 00:35:02,079  
they what they feel about this

1006  
00:35:08,150 --> 00:35:05,359  
and i do think that that's very much a

1007  
00:35:10,150 --> 00:35:08,160  
i would say shielded part of of the

1008  
00:35:11,430 --> 00:35:10,160  
scientific community because they don't

1009  
00:35:13,510 --> 00:35:11,440  
want to be

1010  
00:35:14,710 --> 00:35:13,520  
attacked by a neil degrasse tyson

1011  
00:35:17,349 --> 00:35:14,720  
because you have this

1012  
00:35:18,950 --> 00:35:17,359  
powerhouse of a name who's essentially

1013  
00:35:21,829 --> 00:35:18,960

making fun of the topic

1014

00:35:22,870 --> 00:35:21,839

so then if somebody comes out and and

1015

00:35:25,829 --> 00:35:22,880

says something

1016

00:35:28,230 --> 00:35:25,839

you know that's that's potential grounds

1017

00:35:29,990 --> 00:35:28,240

to be ridiculed and i think doctor i

1018

00:35:31,750 --> 00:35:30,000

i don't remember the exact video so i

1019

00:35:35,109 --> 00:35:31,760

don't want to speak out a turn here but

1020

00:35:37,910 --> 00:35:35,119

i remember dr avi loeb was on a

1021

00:35:39,430 --> 00:35:37,920

live stream i think and and and help me

1022

00:35:41,510 --> 00:35:39,440

out if you remember this video but i

1023

00:35:42,550 --> 00:35:41,520

think that it was dr jill tarter from

1024

00:35:44,310 --> 00:35:42,560

seti

1025

00:35:46,069 --> 00:35:44,320

that they kind of started going at it a

1026

00:35:47,430 --> 00:35:46,079

little bit on this live stream i don't

1027

00:35:49,349 --> 00:35:47,440

know if you ever saw that but

1028

00:35:51,270 --> 00:35:49,359

i didn't see it but i know people were

1029

00:35:52,550 --> 00:35:51,280

rebutting his theory pretty quick so i

1030

00:35:54,790 --> 00:35:52,560

could imagine that happening

1031

00:35:56,790 --> 00:35:54,800

yeah and and that's that's kind of what

1032

00:35:57,990 --> 00:35:56,800

i'm referring to here is that you do

1033

00:36:00,550 --> 00:35:58,000

have these

1034

00:36:01,510 --> 00:36:00,560

these debates that could be very healthy

1035

00:36:04,150 --> 00:36:01,520

and and very

1036

00:36:06,550 --> 00:36:04,160

interesting to watch but rather those

1037

00:36:08,870 --> 00:36:06,560

that are willing to go out on a limb

1038

00:36:10,710 --> 00:36:08,880

are more ridiculed and chastised for it

1039

00:36:12,870 --> 00:36:10,720

and that's what needs to

1040

00:36:13,750 --> 00:36:12,880

to end when it comes to the scientific

1041

00:36:15,670 --> 00:36:13,760

uh

1042

00:36:17,190 --> 00:36:15,680

standpoint so are you saying some of

1043

00:36:19,829 --> 00:36:17,200

these scientists that are

1044

00:36:21,510 --> 00:36:19,839

let's say in the dark or you know not

1045

00:36:23,589 --> 00:36:21,520

trying to have their voices known no

1046

00:36:26,470 --> 00:36:23,599

one's asking them to speak

1047

00:36:27,430 --> 00:36:26,480

um there's is there a consensus that

1048

00:36:29,349 --> 00:36:27,440

there may be

1049

00:36:32,550 --> 00:36:29,359

something there at least to further

1050

00:36:35,910 --> 00:36:34,470

yeah in my experience i and again i

1051  
00:36:38,069 --> 00:36:35,920  
haven't talked to every scientist on the

1052  
00:36:40,870 --> 00:36:38,079  
planet or anything but yeah

1053  
00:36:42,550 --> 00:36:40,880  
but uh i know i know it's a shocking uh

1054  
00:36:45,430 --> 00:36:42,560  
revelation but

1055  
00:36:47,510 --> 00:36:45,440  
you know the select few that i've

1056  
00:36:49,430 --> 00:36:47,520  
interviewed and been very lucky to to

1057  
00:36:51,510 --> 00:36:49,440  
get on different shows

1058  
00:36:53,030 --> 00:36:51,520  
where you where you do that

1059  
00:36:55,430 --> 00:36:53,040  
pre-production stage

1060  
00:36:57,030 --> 00:36:55,440  
you sometimes spend you know hours on

1061  
00:36:58,710 --> 00:36:57,040  
the phone with people

1062  
00:37:01,190 --> 00:36:58,720  
and then when you get them on camera you

1063  
00:37:02,550 --> 00:37:01,200

spend another hour or two and then sadly

1064

00:37:04,550 --> 00:37:02,560

you only see them for three and a half

1065

00:37:05,990 --> 00:37:04,560

minutes in a one-hour show you know and

1066

00:37:08,390 --> 00:37:06,000

it gets cut way down

1067

00:37:10,230 --> 00:37:08,400

but those off the record slash cameras

1068

00:37:12,150 --> 00:37:10,240

aren't rolling conversations you start

1069

00:37:15,910 --> 00:37:12,160

to realize that

1070

00:37:16,790 --> 00:37:15,920

scientists at least some are much more

1071

00:37:19,430 --> 00:37:16,800

open to

1072

00:37:20,310 --> 00:37:19,440

to these types of what others would call

1073

00:37:23,510 --> 00:37:20,320

fringe

1074

00:37:24,150 --> 00:37:23,520

they're more open to it but they like

1075

00:37:25,910 --> 00:37:24,160

myself

1076

00:37:27,430 --> 00:37:25,920

i'm not a scientist but but but very

1077

00:37:28,710 --> 00:37:27,440

much like myself just want a little bit

1078

00:37:30,870 --> 00:37:28,720

more evidence

1079

00:37:31,910 --> 00:37:30,880

and it's a double-edged sword how do you

1080

00:37:34,069 --> 00:37:31,920

get more evidence

1081

00:37:36,470 --> 00:37:34,079

if you're apprehensive to come out and

1082

00:37:38,710 --> 00:37:36,480

say i want ufo evidence

1083

00:37:40,230 --> 00:37:38,720

you know and you can't you those things

1084

00:37:43,430 --> 00:37:40,240

don't go hand in hand

1085

00:37:46,150 --> 00:37:43,440

so that apprehension has to go away

1086

00:37:46,870 --> 00:37:46,160

the ridicule and chastising has to go

1087

00:37:49,510 --> 00:37:46,880

away

1088

00:37:49,990 --> 00:37:49,520

you know the the punchy one or two liner

1089

00:37:52,390 --> 00:37:50,000

tweets

1090

00:37:54,390 --> 00:37:52,400

that sure get tens of thousands of

1091

00:37:55,030 --> 00:37:54,400

retweets and comments and so on and so

1092

00:37:58,150 --> 00:37:55,040

forth

1093

00:37:59,750 --> 00:37:58,160

those have to go away because i hope and

1094

00:38:01,829 --> 00:37:59,760

i'm a big advocate

1095

00:38:04,310 --> 00:38:01,839

for telling people that are in the

1096

00:38:06,870 --> 00:38:04,320

scientific world that are on television

1097

00:38:07,750 --> 00:38:06,880

and are now valuing entertainment over

1098

00:38:09,510 --> 00:38:07,760

science

1099

00:38:11,190 --> 00:38:09,520

i'm an advocate for pointing it out

1100

00:38:12,710 --> 00:38:11,200

saying you're sacrificing your

1101

00:38:15,109 --> 00:38:12,720

scientific background

1102

00:38:17,030 --> 00:38:15,119

in in exchange for entertainment and

1103

00:38:19,430 --> 00:38:17,040

with this topic or topics like

1104

00:38:21,190 --> 00:38:19,440

it you just can't do that yeah that was

1105

00:38:21,750 --> 00:38:21,200

a that's a really interesting take that

1106

00:38:25,109 --> 00:38:21,760

you had

1107

00:38:25,990 --> 00:38:25,119

as far as reasons to make those little

1108

00:38:29,670 --> 00:38:26,000

tweets

1109

00:38:31,430 --> 00:38:29,680

uh because whether you you know it it

1110

00:38:33,109 --> 00:38:31,440

sparks an emotion in you if you're

1111

00:38:33,910 --> 00:38:33,119

involved in this topic one way or

1112

00:38:36,550 --> 00:38:33,920

another

1113

00:38:38,069 --> 00:38:36,560

whether it's i hate that you said that

1114

00:38:41,109 --> 00:38:38,079

or i like that you said that

1115

00:38:42,310 --> 00:38:41,119

so it makes perfect sense um that's

1116

00:38:45,030 --> 00:38:42,320

something like that

1117

00:38:46,230 --> 00:38:45,040

could lead to further involvement in

1118

00:38:49,270 --> 00:38:46,240

major media

1119

00:38:51,670 --> 00:38:49,280

yeah they cover this topic um you know

1120

00:38:53,829 --> 00:38:51,680

which is unfortunate that major media

1121

00:38:56,870 --> 00:38:53,839

would make a decision like that

1122

00:38:57,990 --> 00:38:56,880

uh but goes to show you why um they

1123

00:39:01,270 --> 00:38:58,000

cover the stuff they do

1124

00:39:02,470 --> 00:39:01,280

i guess yeah yeah at the end of the day

1125

00:39:04,790 --> 00:39:02,480

it's entertainment

1126

00:39:07,030 --> 00:39:04,800

yeah you know it really is it translates

1127

00:39:08,950 --> 00:39:07,040

to clicks it translates to which then

1128

00:39:11,030 --> 00:39:08,960

translates to money and for some

1129

00:39:13,430 --> 00:39:11,040

outlets that's the intent and so they

1130

00:39:16,550 --> 00:39:13,440

will they meaning the the mainstream

1131

00:39:19,109 --> 00:39:16,560

media makes things worse by sacrificing

1132

00:39:20,550 --> 00:39:19,119

journalistic integrity yeah in exchange

1133

00:39:23,910 --> 00:39:20,560

for entertainment

1134

00:39:27,510 --> 00:39:23,920

and i think the last three years i think

1135

00:39:28,550 --> 00:39:27,520

if if this whole saga has taught us

1136

00:39:31,030 --> 00:39:28,560

anything

1137

00:39:32,790 --> 00:39:31,040

in the last few years when it comes to

1138

00:39:35,190 --> 00:39:32,800

the mainstream media is they will

1139

00:39:37,510 --> 00:39:35,200

sacrifice that journalistic integrity

1140

00:39:39,510 --> 00:39:37,520

and and and that's another thing i harp

1141

00:39:41,750 --> 00:39:39,520

on a lot about because

1142

00:39:42,630 --> 00:39:41,760

the mainstream media is incredibly

1143

00:39:45,349 --> 00:39:42,640

powerful

1144

00:39:46,230 --> 00:39:45,359

and it can sway minds it can sway an

1145

00:39:50,150 --> 00:39:46,240

election

1146

00:39:51,990 --> 00:39:50,160

it can it can inject ideas into a

1147

00:39:54,230 --> 00:39:52,000

society with a headline

1148

00:39:55,190 --> 00:39:54,240

and and that's the power of it and so

1149

00:39:57,430 --> 00:39:55,200

when you come

1150

00:39:58,870 --> 00:39:57,440

to something like ufos which deserves a

1151  
00:40:01,589 --> 00:39:58,880  
lot more

1152  
00:40:02,470 --> 00:40:01,599  
attention but serious and accurate

1153  
00:40:04,069 --> 00:40:02,480  
attention

1154  
00:40:06,069 --> 00:40:04,079  
uh and they just don't care and they

1155  
00:40:08,630 --> 00:40:06,079  
just put whatever headline out there and

1156  
00:40:10,550 --> 00:40:08,640  
and and truth be darned you know it's

1157  
00:40:13,109 --> 00:40:10,560  
it's flashy it'll get clicks

1158  
00:40:14,309 --> 00:40:13,119  
we'll we'll issue a correction tomorrow

1159  
00:40:16,710 --> 00:40:14,319  
that has to stop

1160  
00:40:17,750 --> 00:40:16,720  
will it no but it has to stop

1161  
00:40:20,230 --> 00:40:17,760  
nonetheless

1162  
00:40:21,670 --> 00:40:20,240  
do you think that um there's an

1163  
00:40:24,630 --> 00:40:21,680

apprehension to cover this

1164

00:40:25,109 --> 00:40:24,640

topic perhaps because it is bipartisan

1165

00:40:28,550 --> 00:40:25,119

and they

1166

00:40:30,150 --> 00:40:28,560

fear of agreeing with like um

1167

00:40:31,670 --> 00:40:30,160

anderson cooper agreeing with like a

1168

00:40:34,230 --> 00:40:31,680

tucker carlson

1169

00:40:35,430 --> 00:40:34,240

on something or you know covering it

1170

00:40:36,870 --> 00:40:35,440

after he does

1171

00:40:38,630 --> 00:40:36,880

do you think there's any pettiness

1172

00:40:40,550 --> 00:40:38,640

involved like that i've

1173

00:40:42,390 --> 00:40:40,560

yeah with with the mainstream media

1174

00:40:43,910 --> 00:40:42,400

journalists when you come to the pundits

1175

00:40:46,710 --> 00:40:43,920

and stuff like that

1176

00:40:47,670 --> 00:40:46,720

um i'm sure that there's going to be

1177

00:40:50,150 --> 00:40:47,680

some kind of

1178

00:40:52,390 --> 00:40:50,160

apprehension that if tucker carlson

1179

00:40:54,790 --> 00:40:52,400

covered a story oh my gosh can we

1180

00:40:56,230 --> 00:40:54,800

on this network well let's let's really

1181

00:40:59,190 --> 00:40:56,240

think twice about that so

1182

00:41:00,790 --> 00:40:59,200

so informing the masses takes takes the

1183

00:41:02,710 --> 00:41:00,800

back seat versus

1184

00:41:04,230 --> 00:41:02,720

do we want that connection with another

1185

00:41:06,550 --> 00:41:04,240

outlet so i'm sure

1186

00:41:08,309 --> 00:41:06,560

it plays a role there i think though the

1187

00:41:09,109 --> 00:41:08,319

bigger challenge that i would see with

1188

00:41:12,230 --> 00:41:09,119

journalists

1189

00:41:13,030 --> 00:41:12,240

is this topic when it comes to ufos and

1190

00:41:16,550 --> 00:41:13,040

uaps

1191

00:41:19,589 --> 00:41:16,560

is so complicated and it is so

1192

00:41:22,150 --> 00:41:19,599

in depth how can you do that in

1193

00:41:22,710 --> 00:41:22,160

you know 900 words or whatever their

1194

00:41:25,750 --> 00:41:22,720

article

1195

00:41:27,430 --> 00:41:25,760

is and so it's overwhelming and and you

1196

00:41:29,990 --> 00:41:27,440

see a lot of journalists that that want

1197

00:41:32,870 --> 00:41:30,000

to just come in and do a really good job

1198

00:41:34,550 --> 00:41:32,880

but it is so overwhelming because you go

1199

00:41:35,190 --> 00:41:34,560

in and you like who do you believe look

1200

00:41:37,750 --> 00:41:35,200

at

1201  
00:41:38,390 --> 00:41:37,760  
hashtag ufo twitter just as a starting

1202  
00:41:40,309 --> 00:41:38,400  
point

1203  
00:41:42,470 --> 00:41:40,319  
you know you look at the at the world

1204  
00:41:44,870 --> 00:41:42,480  
war three that goes on there

1205  
00:41:46,470 --> 00:41:44,880  
with some of these topics remove

1206  
00:41:47,670 --> 00:41:46,480  
yourself from that for a second and look

1207  
00:41:48,390 --> 00:41:47,680  
at it from the standpoint of a

1208  
00:41:50,950 --> 00:41:48,400  
journalist

1209  
00:41:52,630 --> 00:41:50,960  
how do you make sense of that and some

1210  
00:41:53,750 --> 00:41:52,640  
of the bigger stories that we banter

1211  
00:41:56,550 --> 00:41:53,760  
about

1212  
00:41:56,950 --> 00:41:56,560  
regardless of of if we believe it or not

1213  
00:41:59,990 --> 00:41:56,960

just

1214

00:42:01,750 --> 00:42:00,000

lacks the evidence to support the claim

1215

00:42:03,190 --> 00:42:01,760

and i remember there was a lot of hoopla

1216

00:42:05,349 --> 00:42:03,200

going what five

1217

00:42:07,030 --> 00:42:05,359

six months ago or whatever it was about

1218

00:42:09,510 --> 00:42:07,040

the wilson davis documents

1219

00:42:10,870 --> 00:42:09,520

and how that leak was going to end up in

1220

00:42:14,150 --> 00:42:10,880

the new york times

1221

00:42:15,829 --> 00:42:14,160

and there was this gigantic explosion of

1222

00:42:17,670 --> 00:42:15,839

excitement that the new york times was

1223

00:42:20,309 --> 00:42:17,680

going to blow the lid

1224

00:42:21,589 --> 00:42:20,319

off of uh you know this this particular

1225

00:42:23,750 --> 00:42:21,599

document and

1226  
00:42:25,270 --> 00:42:23,760  
and so on and so forth and what happened

1227  
00:42:27,990 --> 00:42:25,280  
absolutely nothing

1228  
00:42:29,270 --> 00:42:28,000  
because the evidence just wasn't there

1229  
00:42:31,589 --> 00:42:29,280  
in my opinion

1230  
00:42:32,950 --> 00:42:31,599  
my whole point is that to a journalist

1231  
00:42:35,829 --> 00:42:32,960  
it's so

1232  
00:42:37,030 --> 00:42:35,839  
challenging because you don't have a

1233  
00:42:39,109 --> 00:42:37,040  
month or two

1234  
00:42:41,109 --> 00:42:39,119  
essentially to write this story for for

1235  
00:42:43,030 --> 00:42:41,119  
the majority of instances

1236  
00:42:44,950 --> 00:42:43,040  
sure there could be some expose that

1237  
00:42:46,870 --> 00:42:44,960  
that somebody writes for four months

1238  
00:42:48,550 --> 00:42:46,880

of course but for the most part when

1239

00:42:49,109 --> 00:42:48,560

they're covering a story they gotta jump

1240

00:42:51,190 --> 00:42:49,119

in

1241

00:42:52,950 --> 00:42:51,200

they gotta like boom boom boom bang it

1242

00:42:54,309 --> 00:42:52,960

out and then they're off covering

1243

00:42:56,230 --> 00:42:54,319

you know the trial of the century

1244

00:42:59,430 --> 00:42:56,240

somewhere else and so

1245

00:43:01,109 --> 00:42:59,440

that's journalism right and and so how

1246

00:43:03,030 --> 00:43:01,119

do you do that with the ufo

1247

00:43:06,069 --> 00:43:03,040

topic and i think that that is one of

1248

00:43:07,990 --> 00:43:06,079

the bigger challenges with all of this

1249

00:43:10,790 --> 00:43:08,000

how do you condense it all into

1250

00:43:14,790 --> 00:43:10,800

something that the general population

1251  
00:43:18,150 --> 00:43:14,800  
can consume and like and i think that

1252  
00:43:21,670 --> 00:43:18,160  
that that challenge translates

1253  
00:43:23,430 --> 00:43:21,680  
into sacrificing journalistic integrity

1254  
00:43:25,349 --> 00:43:23,440  
going to entertainment because it will

1255  
00:43:28,230 --> 00:43:25,359  
swap be swallowed easier

1256  
00:43:29,910 --> 00:43:28,240  
and that i think is is sadly the really

1257  
00:43:33,270 --> 00:43:29,920  
vicious circle they're in

1258  
00:43:34,630 --> 00:43:33,280  
yeah that makes sense you could even

1259  
00:43:37,270 --> 00:43:34,640  
think about

1260  
00:43:39,270 --> 00:43:37,280  
bringing in documentaries that were made

1261  
00:43:41,510 --> 00:43:39,280  
uh on the history channel and such

1262  
00:43:42,790 --> 00:43:41,520  
as far as this topic goes to get out

1263  
00:43:44,470 --> 00:43:42,800

there on television

1264

00:43:45,990 --> 00:43:44,480

uh it's funny you bring up the wilson

1265

00:43:49,670 --> 00:43:46,000

davis uh and

1266

00:43:51,910 --> 00:43:49,680

i wasn't gonna but oh yes yeah because

1267

00:43:53,349 --> 00:43:51,920

nothing's off limits with me ever so you

1268

00:43:56,790 --> 00:43:53,359

know it's just sometimes

1269

00:43:58,630 --> 00:43:56,800

things seem overly talked about

1270

00:44:00,790 --> 00:43:58,640

and it can be a turn off for me

1271

00:44:04,710 --> 00:44:00,800

sometimes but

1272

00:44:08,550 --> 00:44:04,720

um the wilson davis documents is there

1273

00:44:11,990 --> 00:44:08,560

anything in there that if it was proven

1274

00:44:15,430 --> 00:44:12,000

um and i don't mean as far as like the

1275

00:44:18,150 --> 00:44:15,440

you know the conversations like maybe

1276

00:44:19,349 --> 00:44:18,160

a detail in there or something um that

1277

00:44:21,990 --> 00:44:19,359

was proven that would

1278

00:44:23,910 --> 00:44:22,000

kind of sway you a little more the

1279

00:44:25,750 --> 00:44:23,920

reason i ask is because i found that

1280

00:44:26,309 --> 00:44:25,760

there actually is a watch committee or

1281

00:44:29,430 --> 00:44:26,319

there was

1282

00:44:31,190 --> 00:44:29,440

a watch committee and that's got to be a

1283

00:44:35,030 --> 00:44:31,200

hard thing for people to

1284

00:44:39,510 --> 00:44:35,040

find out or know about so when i

1285

00:44:42,710 --> 00:44:39,520

realized that i'm like someone has to

1286

00:44:43,910 --> 00:44:42,720

at least be either really informed to

1287

00:44:46,390 --> 00:44:43,920

hoax this

1288

00:44:48,150 --> 00:44:46,400

or something because i haven't heard

1289

00:44:49,349 --> 00:44:48,160

anyone mention the watch committee other

1290

00:44:52,470 --> 00:44:49,359

than that document

1291

00:44:53,829 --> 00:44:52,480

but they do exist yeah yeah the the

1292

00:44:57,030 --> 00:44:53,839

problem with

1293

00:44:59,750 --> 00:44:57,040

the documents for me is that it's

1294

00:45:01,910 --> 00:44:59,760

it's it's just simply a document one of

1295

00:45:04,069 --> 00:45:01,920

many that has come out over the years

1296

00:45:05,910 --> 00:45:04,079

and you can draw parallels between what

1297

00:45:08,150 --> 00:45:05,920

we know as historical fact

1298

00:45:09,430 --> 00:45:08,160

and what is in these documents mj12 is a

1299

00:45:12,550 --> 00:45:09,440

prime example

1300

00:45:15,109 --> 00:45:12,560

and we know that a lot of those

1301  
00:45:15,670 --> 00:45:15,119  
are fake i've seen a couple of them i'm

1302  
00:45:18,390 --> 00:45:15,680  
not saying

1303  
00:45:20,150 --> 00:45:18,400  
all of them are my my dear friend the

1304  
00:45:22,150 --> 00:45:20,160  
late stanton friedman was very much

1305  
00:45:23,510 --> 00:45:22,160  
convinced on those original mj 12

1306  
00:45:25,829 --> 00:45:23,520  
documents

1307  
00:45:27,270 --> 00:45:25,839  
i don't i'm not versed enough to go yeah

1308  
00:45:29,109 --> 00:45:27,280  
stan was wrong

1309  
00:45:30,790 --> 00:45:29,119  
well he put in a lot more research than

1310  
00:45:33,109 --> 00:45:30,800  
i did and i reserve

1311  
00:45:36,069 --> 00:45:33,119  
you know uh judgment on it just on the

1312  
00:45:38,870 --> 00:45:36,079  
fact that i haven't put that much

1313  
00:45:39,270 --> 00:45:38,880

effort into those original documents but

1314

00:45:41,510 --> 00:45:39,280

there

1315

00:45:42,390 --> 00:45:41,520

are other mj12 documents that have come

1316

00:45:44,470 --> 00:45:42,400

out

1317

00:45:46,630 --> 00:45:44,480

that i feel very strongly they're just

1318

00:45:50,390 --> 00:45:46,640

all a hoax

1319

00:45:52,790 --> 00:45:50,400

are there factually correct segments

1320

00:45:53,990 --> 00:45:52,800

of what i feel are proven hoaxes

1321

00:45:56,470 --> 00:45:54,000

absolutely

1322

00:45:58,390 --> 00:45:56,480

but does that in itself give credence to

1323

00:46:01,190 --> 00:45:58,400

say maybe they are real

1324

00:46:02,950 --> 00:46:01,200

and and in my opinion no uh when you had

1325

00:46:03,910 --> 00:46:02,960

said nobody really talks about it but

1326

00:46:06,710 --> 00:46:03,920

you had found

1327

00:46:07,829 --> 00:46:06,720

evidence of of you know a watch

1328

00:46:10,870 --> 00:46:07,839

committee

1329

00:46:12,069 --> 00:46:10,880

uh where i would then politely counter

1330

00:46:14,630 --> 00:46:12,079

back is say

1331

00:46:16,470 --> 00:46:14,640

you found that evidence and if you found

1332

00:46:18,150 --> 00:46:16,480

that evidence i could find that evidence

1333

00:46:19,589 --> 00:46:18,160

a hoaxer can find that evidence

1334

00:46:21,349 --> 00:46:19,599

or anybody can find that evidence

1335

00:46:24,309 --> 00:46:21,359

anything i find anybody can find

1336

00:46:26,790 --> 00:46:24,319

you know what i mean so so that evidence

1337

00:46:28,790 --> 00:46:26,800

could potentially be known by somebody

1338

00:46:30,390 --> 00:46:28,800

i think hoaxers for the most part are

1339

00:46:32,150 --> 00:46:30,400

knowledgeable about this

1340

00:46:34,630 --> 00:46:32,160

uh that serves as potentially a

1341

00:46:37,109 --> 00:46:34,640

motivation for creating something

1342

00:46:37,829 --> 00:46:37,119

um i got a lot of heat for a video i did

1343

00:46:42,390 --> 00:46:37,839

on this

1344

00:46:42,950 --> 00:46:42,400

uh exploring essentially the uh history

1345

00:46:44,630 --> 00:46:42,960

behind the

1346

00:46:46,069 --> 00:46:44,640

the wilson davis documents just to kind

1347

00:46:47,270 --> 00:46:46,079

of give you know my audience a little

1348

00:46:49,589 --> 00:46:47,280

bit of background

1349

00:46:51,589 --> 00:46:49,599

but then put out there a plausible

1350

00:46:51,990 --> 00:46:51,599

theory not anything i'd bet my house on

1351  
00:46:54,710 --> 00:46:52,000  
and then

1352  
00:46:55,990 --> 00:46:54,720  
sadly internet trolls translated to that

1353  
00:46:57,670 --> 00:46:56,000  
that i was i was ready

1354  
00:47:00,230 --> 00:46:57,680  
to go to the bank that it was a movie

1355  
00:47:03,750 --> 00:47:00,240  
script but rather my point

1356  
00:47:06,870 --> 00:47:03,760  
was to show that there is a perfectly

1357  
00:47:09,510 --> 00:47:06,880  
and and just as plausible uh reason for

1358  
00:47:11,670 --> 00:47:09,520  
these documents to exist

1359  
00:47:12,550 --> 00:47:11,680  
and it could be for fictional reasons

1360  
00:47:15,270 --> 00:47:12,560  
that it that it

1361  
00:47:16,069 --> 00:47:15,280  
could absolutely have been based on real

1362  
00:47:19,589 --> 00:47:16,079  
people

1363  
00:47:22,069 --> 00:47:19,599

with real elements but the actual

1364

00:47:23,109 --> 00:47:22,079

scene if you will just didn't take place

1365

00:47:24,790 --> 00:47:23,119

in in real life

1366

00:47:27,589 --> 00:47:24,800

now of course a lot of people hated me

1367

00:47:29,990 --> 00:47:27,599

for that and they still do in fact

1368

00:47:32,390 --> 00:47:30,000

somebody said what's not worth hating

1369

00:47:32,950 --> 00:47:32,400

somebody over but it is just speculation

1370

00:47:35,670 --> 00:47:32,960

like everything

1371

00:47:37,030 --> 00:47:35,680

sure yeah i mean and and i and i'm the

1372

00:47:38,950 --> 00:47:37,040

first to admit that's as much

1373

00:47:40,390 --> 00:47:38,960

speculation as it is to say that the

1374

00:47:42,630 --> 00:47:40,400

documents are real

1375

00:47:44,230 --> 00:47:42,640

and and those that have often touted

1376

00:47:46,390 --> 00:47:44,240

that those particular documents

1377

00:47:48,549 --> 00:47:46,400

are real and there's a long list i'm not

1378

00:47:49,829 --> 00:47:48,559

in my mind trying to spotlight anybody

1379

00:47:51,430 --> 00:47:49,839

in particular

1380

00:47:53,190 --> 00:47:51,440

but there's there's a lot of people that

1381

00:47:55,349 --> 00:47:53,200

say that those things are real based on

1382

00:47:56,390 --> 00:47:55,359

on their evidence and so on and so forth

1383

00:47:58,309 --> 00:47:56,400

and again they will pull

1384

00:47:59,750 --> 00:47:58,319

well this is real that's a real person

1385

00:48:01,030 --> 00:47:59,760

this really took place and so on and

1386

00:48:03,589 --> 00:48:01,040

that's all great

1387

00:48:04,549 --> 00:48:03,599

but the but the thing that drives it

1388

00:48:06,309 --> 00:48:04,559

home for them

1389

00:48:08,870 --> 00:48:06,319

are anonymous sources that they can't

1390

00:48:10,950 --> 00:48:08,880

tell you about and that to me is very

1391

00:48:13,750 --> 00:48:10,960

frustrating because then

1392

00:48:15,109 --> 00:48:13,760

it's like well well why not but so these

1393

00:48:18,069 --> 00:48:15,119

people are telling

1394

00:48:19,270 --> 00:48:18,079

either this podcaster this blogger this

1395

00:48:21,910 --> 00:48:19,280

whomever

1396

00:48:23,030 --> 00:48:21,920

this secret insider highly classified

1397

00:48:25,510 --> 00:48:23,040

information

1398

00:48:26,549 --> 00:48:25,520

and then those people come out and say

1399

00:48:28,710 --> 00:48:26,559

yep so these

1400

00:48:30,630 --> 00:48:28,720

anonymous sources told me this is all

1401

00:48:32,230 --> 00:48:30,640

true so just believe me

1402

00:48:34,069 --> 00:48:32,240

well it doesn't work like that could

1403

00:48:37,030 --> 00:48:34,079

very well be true i could absolutely

1404

00:48:37,670 --> 00:48:37,040

be wrong and and all of this is 100

1405

00:48:40,790 --> 00:48:37,680

genuine

1406

00:48:42,710 --> 00:48:40,800

point yeah it's like but

1407

00:48:43,910 --> 00:48:42,720

it's speculation at the end of the day

1408

00:48:46,150 --> 00:48:43,920

on my end

1409

00:48:48,549 --> 00:48:46,160

but also on those that are advocating

1410

00:48:52,150 --> 00:48:48,559

and preaching that they're real and then

1411

00:48:53,750 --> 00:48:52,160

to me i think we need more evidence

1412

00:48:55,349 --> 00:48:53,760

than what's there and the anonymous

1413

00:48:57,270 --> 00:48:55,359

source thing i've harped on for a long

1414

00:48:59,589 --> 00:48:57,280

time and i'll continue to do it

1415

00:49:01,030 --> 00:48:59,599

that is a huge challenge when it comes

1416

00:49:02,870 --> 00:49:01,040

to these types of stories

1417

00:49:04,470 --> 00:49:02,880

yeah especially because you can get why

1418

00:49:06,230 --> 00:49:04,480

someone would want to be an

1419

00:49:07,990 --> 00:49:06,240

anonymous but on the other hand it

1420

00:49:09,990 --> 00:49:08,000

doesn't help the cause of

1421

00:49:11,589 --> 00:49:10,000

uh validating whatever it is you're

1422

00:49:14,309 --> 00:49:11,599

presenting that's yeah

1423

00:49:15,190 --> 00:49:14,319

because anything just throw it uh you

1424

00:49:19,349 --> 00:49:15,200

know

1425

00:49:21,510 --> 00:49:19,359

i uh have a source yeah and so exactly

1426  
00:49:22,390 --> 00:49:21,520  
and i remember a fun tweet that i said

1427  
00:49:24,390 --> 00:49:22,400  
was

1428  
00:49:26,069 --> 00:49:24,400  
uh my anonymous source says your

1429  
00:49:27,030 --> 00:49:26,079  
anonymous source is wrong does that

1430  
00:49:28,630 --> 00:49:27,040  
count for anything

1431  
00:49:29,589 --> 00:49:28,640  
and somebody thought i was serious and

1432  
00:49:30,630 --> 00:49:29,599  
they're like well i believe you're

1433  
00:49:33,190 --> 00:49:30,640  
anonymous source

1434  
00:49:34,069 --> 00:49:33,200  
over that one so i'm like no wait i was

1435  
00:49:37,109 --> 00:49:34,079  
just kidding

1436  
00:49:39,109 --> 00:49:37,119  
like i don't use novels right

1437  
00:49:40,950 --> 00:49:39,119  
but but my whole point is is like where

1438  
00:49:41,670 --> 00:49:40,960

do you draw the line on on who or what

1439

00:49:43,430 --> 00:49:41,680

to believe

1440

00:49:44,950 --> 00:49:43,440

you know i mean anonymous sources are

1441

00:49:45,589 --> 00:49:44,960

great they're used in journalism all the

1442

00:49:47,829 --> 00:49:45,599

time

1443

00:49:49,030 --> 00:49:47,839

on an hourly basis on all sorts of

1444

00:49:50,790 --> 00:49:49,040

topics

1445

00:49:52,870 --> 00:49:50,800

but to me anonymous sources should be

1446

00:49:55,270 --> 00:49:52,880

used as a support

1447

00:49:56,150 --> 00:49:55,280

not as a primary and when it's the soul

1448

00:49:59,270 --> 00:49:56,160

meaning it's

1449

00:50:01,910 --> 00:49:59,280

all based on that that becomes very

1450

00:50:03,990 --> 00:50:01,920

very very challenging and and i know

1451  
00:50:06,309 --> 00:50:04,000  
that i'm not popular in some circles for

1452  
00:50:07,990 --> 00:50:06,319  
for speaking out against that but you

1453  
00:50:09,829 --> 00:50:08,000  
know it's it's true and

1454  
00:50:11,670 --> 00:50:09,839  
and the new york times's article when

1455  
00:50:13,750 --> 00:50:11,680  
they started citing

1456  
00:50:15,030 --> 00:50:13,760  
you know things based on harry reid with

1457  
00:50:16,549 --> 00:50:15,040  
no quote and i think they had an

1458  
00:50:18,470 --> 00:50:16,559  
anonymous source for

1459  
00:50:20,150 --> 00:50:18,480  
confirming something else well what

1460  
00:50:22,309 --> 00:50:20,160  
happened they issued corrections because

1461  
00:50:24,150 --> 00:50:22,319  
they were wrong on attributing that to

1462  
00:50:25,510 --> 00:50:24,160  
harry reid and then another one was i

1463  
00:50:25,829 --> 00:50:25,520

think anonymous source i think that was

1464

00:50:27,589 --> 00:50:25,839

that

1465

00:50:30,390 --> 00:50:27,599

article and then of course you had dr

1466

00:50:33,589 --> 00:50:30,400

eric davis uh entwined in that as well

1467

00:50:34,150 --> 00:50:33,599

so that's that's the mess that anonymous

1468

00:50:36,950 --> 00:50:34,160

sources

1469

00:50:38,390 --> 00:50:36,960

often cause uh when it comes to these

1470

00:50:40,390 --> 00:50:38,400

types of stories

1471

00:50:42,150 --> 00:50:40,400

another example is where you started our

1472

00:50:45,270 --> 00:50:42,160

conversation today with the uap

1473

00:50:46,870 --> 00:50:45,280

report in the 17 pages with mr elizondo

1474

00:50:49,030 --> 00:50:46,880

being the exception

1475

00:50:51,030 --> 00:50:49,040

uh pretty much everyone else who was

1476

00:50:53,670 --> 00:50:51,040

placing a page count

1477

00:50:55,510 --> 00:50:53,680

and speaking on authority was doing so

1478

00:50:57,109 --> 00:50:55,520

citing anonymous sources

1479

00:50:59,670 --> 00:50:57,119

right and and i linked to him in the

1480

00:51:00,790 --> 00:50:59,680

article so again luis elizondo is that

1481

00:51:03,510 --> 00:51:00,800

exception

1482

00:51:04,390 --> 00:51:03,520

but the rest were all using anonymous

1483

00:51:06,390 --> 00:51:04,400

sources

1484

00:51:08,630 --> 00:51:06,400

and what was really interesting was to

1485

00:51:11,670 --> 00:51:08,640

see the ridicule for

1486

00:51:14,950 --> 00:51:11,680

posting the 17 page

1487

00:51:17,349 --> 00:51:14,960

uh statement that i got from the the

1488

00:51:18,549 --> 00:51:17,359

office that's handling my case but i

1489

00:51:20,470 --> 00:51:18,559

didn't see anybody

1490

00:51:22,150 --> 00:51:20,480

go to the other people that are citing

1491

00:51:23,829 --> 00:51:22,160

these anonymous sources

1492

00:51:25,270 --> 00:51:23,839

saying hey look you all can't be right

1493

00:51:27,030 --> 00:51:25,280

so this just has to stop

1494

00:51:28,710 --> 00:51:27,040

you guys either have to you know put up

1495

00:51:30,069 --> 00:51:28,720

evidence or

1496

00:51:32,390 --> 00:51:30,079

did you well good for me because i

1497

00:51:34,630 --> 00:51:32,400

didn't and i apologize then

1498

00:51:36,710 --> 00:51:34,640

i stand corrected i didn't i didn't see

1499

00:51:39,270 --> 00:51:36,720

that but that's good to know

1500

00:51:41,589 --> 00:51:39,280

because they they can't all be right you

1501  
00:51:43,510 --> 00:51:41,599  
know even od and i could be wrong

1502  
00:51:44,790 --> 00:51:43,520  
and and that's fine but not everybody

1503  
00:51:48,069 --> 00:51:44,800  
can be right

1504  
00:51:50,790 --> 00:51:48,079  
and yet you know that the sand gets

1505  
00:51:53,510 --> 00:51:50,800  
thrown in generally one direction

1506  
00:51:55,109 --> 00:51:53,520  
and and that's that's kind of a i would

1507  
00:51:57,829 --> 00:51:55,119  
say a frustrating aspect to

1508  
00:51:59,510 --> 00:51:57,839  
to some of this because when those hear

1509  
00:52:02,309 --> 00:51:59,520  
what they don't want to hear

1510  
00:52:03,349 --> 00:52:02,319  
uh it's lash out time and that's that's

1511  
00:52:04,950 --> 00:52:03,359  
not good either

1512  
00:52:07,109 --> 00:52:04,960  
but but again the going back to the

1513  
00:52:09,430 --> 00:52:07,119

anonymous source thing that's what makes

1514

00:52:11,750 --> 00:52:09,440

so much of this challenging and then to

1515

00:52:13,670 --> 00:52:11,760

journalists who really truly want

1516

00:52:14,870 --> 00:52:13,680

to go in and do a good job going back to

1517

00:52:17,190 --> 00:52:14,880

that question

1518

00:52:18,069 --> 00:52:17,200

that's what they're met with a lot also

1519

00:52:20,710 --> 00:52:18,079

is that people

1520

00:52:22,549 --> 00:52:20,720

making claims and to any good journalist

1521

00:52:23,510 --> 00:52:22,559

they'll say okay back it up and they go

1522

00:52:25,349 --> 00:52:23,520

well

1523

00:52:27,510 --> 00:52:25,359

can't tell you my source you know and

1524

00:52:29,430 --> 00:52:27,520

that's that's going to result in a

1525

00:52:30,790 --> 00:52:29,440

journalist just kind of clicking off and

1526

00:52:31,430 --> 00:52:30,800

going all right let's just get done with

1527

00:52:33,510 --> 00:52:31,440

this

1528

00:52:37,270 --> 00:52:33,520

assignment and and move on and i think

1529

00:52:41,430 --> 00:52:37,280

that that that's why we see a lot of uh

1530

00:52:44,790 --> 00:52:41,440

articles that miss the mark um

1531

00:52:46,470 --> 00:52:44,800

i would say you know having been

1532

00:52:49,190 --> 00:52:46,480

following you on twitter and everything

1533

00:52:51,430 --> 00:52:49,200

for for at least a few months or

1534

00:52:52,230 --> 00:52:51,440

not i can i can say i've gone honestly

1535

00:52:54,710 --> 00:52:52,240

back and forth

1536

00:52:56,230 --> 00:52:54,720

on you and a lot of it is just because

1537

00:52:58,870 --> 00:52:56,240

of the

1538

00:53:01,109 --> 00:52:58,880

i think the what's lost in translation

1539

00:53:02,950 --> 00:53:01,119

through tweets he'll read something and

1540

00:53:04,790 --> 00:53:02,960

put a tone or an attitude on somebody

1541

00:53:06,630 --> 00:53:04,800

that doesn't really exist

1542

00:53:08,069 --> 00:53:06,640

yeah you know like i meet you now and

1543

00:53:11,030 --> 00:53:08,079

you're a great

1544

00:53:12,390 --> 00:53:11,040

super nice uh very thorough uh

1545

00:53:14,870 --> 00:53:12,400

intelligent person

1546

00:53:17,030 --> 00:53:14,880

and i can tell that you're working for

1547

00:53:20,950 --> 00:53:17,040

the truth whatever that truth is

1548

00:53:23,270 --> 00:53:20,960

because in the end if we get the truth

1549

00:53:25,510 --> 00:53:23,280

it is what it is and there's no bones

1550

00:53:28,950 --> 00:53:25,520

about it and that should be the goal

1551  
00:53:30,069 --> 00:53:28,960  
um does it that does it hurt your morale

1552  
00:53:33,109 --> 00:53:30,079  
when

1553  
00:53:33,990 --> 00:53:33,119  
you find something that is truth and you

1554  
00:53:37,190 --> 00:53:34,000  
just get

1555  
00:53:39,829 --> 00:53:37,200  
crapped all over you know

1556  
00:53:41,190 --> 00:53:39,839  
uh it's like like that for instance like

1557  
00:53:42,390 --> 00:53:41,200  
you don't deserve that you're just

1558  
00:53:44,390 --> 00:53:42,400  
trying to get truth

1559  
00:53:46,069 --> 00:53:44,400  
you got 17 pages you got the email

1560  
00:53:46,790 --> 00:53:46,079  
you're sharing it and then people just

1561  
00:53:48,710 --> 00:53:46,800  
like

1562  
00:53:50,309 --> 00:53:48,720  
ridicule you that that doesn't make

1563  
00:53:52,230 --> 00:53:50,319

sense to me

1564

00:53:54,150 --> 00:53:52,240

uh it doesn't make sense uh it comes

1565

00:53:55,990 --> 00:53:54,160

with the territory if i had a nickel

1566

00:53:57,670 --> 00:53:56,000

for every time that happened you know

1567

00:54:00,150 --> 00:53:57,680

i'd be a rich man

1568

00:54:01,109 --> 00:54:00,160

uh and and it will continue to happen uh

1569

00:54:03,670 --> 00:54:01,119

and and the thing

1570

00:54:05,190 --> 00:54:03,680

that i have stressed uh about this

1571

00:54:09,270 --> 00:54:05,200

article that i wrote

1572

00:54:10,790 --> 00:54:09,280

since day one is publishing or writing

1573

00:54:13,829 --> 00:54:10,800

about something is not an

1574

00:54:15,670 --> 00:54:13,839

endorsement of something it is the

1575

00:54:18,309 --> 00:54:15,680

status of my case

1576

00:54:20,630 --> 00:54:18,319

it is what it is it is a fact in the

1577

00:54:23,430 --> 00:54:20,640

sense that that is what they told me

1578

00:54:24,630 --> 00:54:23,440

that is fact no one can ever ever ever

1579

00:54:27,910 --> 00:54:24,640

take that away

1580

00:54:29,190 --> 00:54:27,920

that as it stands right now odni's

1581

00:54:30,950 --> 00:54:29,200

official opinion

1582

00:54:33,190 --> 00:54:30,960

or excuse me official stance i should

1583

00:54:35,829 --> 00:54:33,200

say in a legal case

1584

00:54:37,750 --> 00:54:35,839

uh is that there were 17 pages that are

1585

00:54:40,470 --> 00:54:37,760

currently being reviewed

1586

00:54:42,470 --> 00:54:40,480

now what they would not answer is

1587

00:54:43,589 --> 00:54:42,480

whether there were photographs videos or

1588

00:54:46,549 --> 00:54:43,599

any other media

1589

00:54:48,230 --> 00:54:46,559

attached let's say a dvd that was handed

1590

00:54:50,230 --> 00:54:48,240

over with 17 pages

1591

00:54:51,270 --> 00:54:50,240

so that so that i can't and i put that

1592

00:54:53,670 --> 00:54:51,280

in the article

1593

00:54:55,030 --> 00:54:53,680

but no matter what however you slice it

1594

00:54:56,470 --> 00:54:55,040

dice it or julienne it

1595

00:54:58,069 --> 00:54:56,480

those are the facts as they've been

1596

00:54:59,990 --> 00:54:58,079

presented to me

1597

00:55:01,990 --> 00:55:00,000

and that's what i've published so to

1598

00:55:04,710 --> 00:55:02,000

have people just immediately

1599

00:55:06,470 --> 00:55:04,720

chastise for that or greenwald siding

1600

00:55:09,270 --> 00:55:06,480

with the pentagon again

1601  
00:55:10,950 --> 00:55:09,280  
well it's in and it shows a complete

1602  
00:55:12,470 --> 00:55:10,960  
lack of understanding about what is

1603  
00:55:14,150 --> 00:55:12,480  
going on right now

1604  
00:55:16,069 --> 00:55:14,160  
uh but then on top of that it really

1605  
00:55:18,390 --> 00:55:16,079  
shows me they didn't read

1606  
00:55:20,309 --> 00:55:18,400  
what i actually wrote and what i what i

1607  
00:55:23,270 --> 00:55:20,319  
wrote was just that a

1608  
00:55:24,789 --> 00:55:23,280  
a statement of the facts as they have

1609  
00:55:27,990 --> 00:55:24,799  
been presented to me

1610  
00:55:30,230 --> 00:55:28,000  
uh with the uh open-ended

1611  
00:55:31,510 --> 00:55:30,240  
uh portion of the article where i said

1612  
00:55:33,510 --> 00:55:31,520  
maybe they're wrong

1613  
00:55:35,589 --> 00:55:33,520

that maybe something will pop up by the

1614

00:55:38,230 --> 00:55:35,599

time my my case is over

1615

00:55:39,750 --> 00:55:38,240

in my opinion that will not happen

1616

00:55:42,230 --> 00:55:39,760

because the

1617

00:55:43,829 --> 00:55:42,240

for a couple different reasons that that

1618

00:55:45,750 --> 00:55:43,839

i won't bore you with all of it but but

1619

00:55:46,789 --> 00:55:45,760

the short of it is that i just don't see

1620

00:55:49,190 --> 00:55:46,799

that happening

1621

00:55:49,910 --> 00:55:49,200

everything is too precise at this point

1622

00:55:52,630 --> 00:55:49,920

uh

1623

00:55:54,630 --> 00:55:52,640

the what are called ocas or the original

1624

00:55:56,069 --> 00:55:54,640

classifying authorities

1625

00:55:57,750 --> 00:55:56,079

and there are quite a few of them are

1626

00:56:01,270 --> 00:55:57,760

all reviewing the pertinent

1627

00:56:02,710 --> 00:56:01,280

sections of the 17 pages and potentially

1628

00:56:05,589 --> 00:56:02,720

what other media may

1629

00:56:07,430 --> 00:56:05,599

exist they're already reviewing that i

1630

00:56:09,990 --> 00:56:07,440

have confirmation of it

1631

00:56:12,069 --> 00:56:10,000

so for it to be at that stage and then

1632

00:56:14,789 --> 00:56:12,079

my case ends and they go oops

1633

00:56:15,190 --> 00:56:14,799

sorry like 300 other pages showed up

1634

00:56:18,390 --> 00:56:15,200

well

1635

00:56:19,030 --> 00:56:18,400

that's likely not gonna happen what i've

1636

00:56:20,950 --> 00:56:19,040

stressed

1637

00:56:22,870 --> 00:56:20,960

to those who are making the claims and

1638

00:56:24,150 --> 00:56:22,880

holding strong that it's x amount of

1639

00:56:28,470 --> 00:56:24,160

pages more

1640

00:56:31,750 --> 00:56:28,480

uh and this goes to mr elizondo as well

1641

00:56:34,710 --> 00:56:31,760

if there is a lie here

1642

00:56:35,670 --> 00:56:34,720

that is being given to me in a case made

1643

00:56:39,109 --> 00:56:35,680

under a code of

1644

00:56:42,150 --> 00:56:39,119

federal regulations and they are lying

1645

00:56:42,470 --> 00:56:42,160

and they withheld something and all of

1646

00:56:48,150 --> 00:56:42,480

this

1647

00:56:50,309 --> 00:56:48,160

isn't a spokesperson who says something

1648

00:56:52,069 --> 00:56:50,319

and it's disproven later or they retract

1649

00:56:53,910 --> 00:56:52,079

it or they they change their statement

1650

00:56:55,510 --> 00:56:53,920

that's all frustrating but there's no

1651  
00:56:56,549 --> 00:56:55,520  
accountability there because no one

1652  
00:56:58,470 --> 00:56:56,559  
really cares

1653  
00:57:00,230 --> 00:56:58,480  
i mean i laugh about it because that's

1654  
00:57:00,870 --> 00:57:00,240  
the reality like they've changed

1655  
00:57:02,950 --> 00:57:00,880  
statements

1656  
00:57:04,630 --> 00:57:02,960  
no one cares you know it's a flashy

1657  
00:57:05,589 --> 00:57:04,640  
headline and it's really fascinating to

1658  
00:57:08,710 --> 00:57:05,599  
us but that's it

1659  
00:57:10,390 --> 00:57:08,720  
we move on in a legal case now you're

1660  
00:57:11,190 --> 00:57:10,400  
talking about potentially getting into a

1661  
00:57:13,910 --> 00:57:11,200  
court

1662  
00:57:14,710 --> 00:57:13,920  
and that is the process that i'm that

1663  
00:57:16,630 --> 00:57:14,720

i'm in

1664

00:57:18,710 --> 00:57:16,640

no i i'm not taking them to court right

1665

00:57:21,990 --> 00:57:18,720

now but but if they deny

1666

00:57:22,870 --> 00:57:22,000

everything or they give me 17 redacted

1667

00:57:26,069 --> 00:57:22,880

pages

1668

00:57:31,349 --> 00:57:26,079

and i have solid evidence that there's

1669

00:57:34,390 --> 00:57:31,359

74 pages or 78 or 400

1670

00:57:36,710 --> 00:57:34,400

if that evidence is there then i file

1671

00:57:38,390 --> 00:57:36,720

and i go in and see a judge or we go in

1672

00:57:41,030 --> 00:57:38,400

for a judicial review

1673

00:57:43,109 --> 00:57:41,040

and those are the rights afforded to me

1674

00:57:45,190 --> 00:57:43,119

under this code of federal regulations

1675

00:57:46,870 --> 00:57:45,200

right so they don't fool around with

1676

00:57:49,670 --> 00:57:46,880

stuff like this mistakes happen

1677

00:57:50,630 --> 00:57:49,680

absolutely but when it comes to this

1678

00:57:52,789 --> 00:57:50,640

level

1679

00:57:53,990 --> 00:57:52,799

they don't fool around it should also be

1680

00:57:56,230 --> 00:57:54,000

noted uh this was not

1681

00:57:57,430 --> 00:57:56,240

in the article but i'll tell you in your

1682

00:58:00,710 --> 00:57:57,440

audience

1683

00:58:03,349 --> 00:58:00,720

the spokespeople that i talked to would

1684

00:58:05,030 --> 00:58:03,359

not give me a page count this was before

1685

00:58:07,670 --> 00:58:05,040

my case got to a point

1686

00:58:08,069 --> 00:58:07,680

where they confirmed it they would not

1687

00:58:10,069 --> 00:58:08,079

the

1688

00:58:12,549 --> 00:58:10,079

report as it stands even as you and i

1689

00:58:14,789 --> 00:58:12,559

speaking is in a classified form

1690

00:58:16,710 --> 00:58:14,799

so to a spokesperson they're like nope

1691

00:58:18,630 --> 00:58:16,720

no comment we we can't

1692

00:58:20,710 --> 00:58:18,640

right that's why i had to go through the

1693

00:58:21,349 --> 00:58:20,720

office that was handling my case to get

1694

00:58:23,349 --> 00:58:21,359

it

1695

00:58:24,549 --> 00:58:23,359

so they handle things in very very

1696

00:58:27,190 --> 00:58:24,559

different ways

1697

00:58:28,069 --> 00:58:27,200

because of the legal aspect so

1698

00:58:30,789 --> 00:58:28,079

spokespeople

1699

00:58:33,030 --> 00:58:30,799

can you know get themselves in trouble

1700

00:58:34,630 --> 00:58:33,040

it seems like there's no accountability

1701  
00:58:36,150 --> 00:58:34,640  
but if they start speaking about

1702  
00:58:38,630 --> 00:58:36,160  
classified documents

1703  
00:58:40,309 --> 00:58:38,640  
and they're not a reviewing authority

1704  
00:58:42,710 --> 00:58:40,319  
then they cannot do that

1705  
00:58:44,309 --> 00:58:42,720  
so the safety fallback is no comment

1706  
00:58:46,390 --> 00:58:44,319  
which is what they did

1707  
00:58:49,270 --> 00:58:46,400  
however the group that i deals with

1708  
00:58:51,670 --> 00:58:49,280  
which is where i did get the number from

1709  
00:58:52,870 --> 00:58:51,680  
that is a legal case and what they put

1710  
00:58:54,950 --> 00:58:52,880  
in writing

1711  
00:58:56,870 --> 00:58:54,960  
becomes essentially evidence that if i

1712  
00:58:58,549 --> 00:58:56,880  
get to a judicial review

1713  
00:59:00,069 --> 00:58:58,559

there is nothing that stops me from

1714

00:59:00,789 --> 00:59:00,079

taking that piece of paper that they

1715

00:59:02,950 --> 00:59:00,799

sent me

1716

00:59:04,710 --> 00:59:02,960

and handing it to a judge saying there

1717

00:59:07,270 --> 00:59:04,720

you go this is what they did

1718

00:59:07,990 --> 00:59:07,280

however here's the evidence that someone

1719

00:59:11,109 --> 00:59:08,000

else gave me

1720

00:59:13,109 --> 00:59:11,119

irrefutable they're lying side with me

1721

00:59:15,829 --> 00:59:13,119

you know and that that's how that works

1722

00:59:18,710 --> 00:59:15,839

so seems pretty clear that

1723

00:59:20,950 --> 00:59:18,720

uh 17 is the number and i'm sure there

1724

00:59:23,589 --> 00:59:20,960

is just some sort of maybe

1725

00:59:25,030 --> 00:59:23,599

confusion or telephone game or whatever

1726

00:59:26,870 --> 00:59:25,040

happening on the other side

1727

00:59:28,950 --> 00:59:26,880

it's just uh when when that stuff

1728

00:59:29,910 --> 00:59:28,960

happens you know things would go a whole

1729

00:59:32,789 --> 00:59:29,920

lot better if

1730

00:59:33,349 --> 00:59:32,799

if folks were to just say i got my lines

1731

00:59:36,390 --> 00:59:33,359

crossed

1732

00:59:38,230 --> 00:59:36,400

i apologized yeah yeah it's

1733

00:59:40,390 --> 00:59:38,240

it's going to be interesting to see how

1734

00:59:42,710 --> 00:59:40,400

this all turns out you know and and

1735

00:59:45,270 --> 00:59:42,720

to go back to your question quickly it's

1736

00:59:47,670 --> 00:59:45,280

frustrating to see people throw

1737

00:59:49,990 --> 00:59:47,680

sand either my direction or anyone else

1738

00:59:50,870 --> 00:59:50,000

for simply reporting the current stance

1739

00:59:53,430 --> 00:59:50,880

or facts

1740

00:59:54,549 --> 00:59:53,440

as they're presented and and those quote

1741

00:59:56,870 --> 00:59:54,559

unquote facts

1742

00:59:58,309 --> 00:59:56,880

uh sometimes change you know and they

1743

01:00:00,390 --> 00:59:58,319

sometimes morph

1744

01:00:02,150 --> 01:00:00,400

uh and the story progresses but but

1745

01:00:04,309 --> 01:00:02,160

that's the point is you just stick with

1746

01:00:06,630 --> 01:00:04,319

the story

1747

01:00:08,390 --> 01:00:06,640

keep keep pushing keep asking questions

1748

01:00:10,309 --> 01:00:08,400

and keep pulling things out

1749

01:00:11,990 --> 01:00:10,319

and and reporting as such i mean that's

1750

01:00:14,309 --> 01:00:12,000

all you can do and

1751

01:00:15,349 --> 01:00:14,319

i i've just actually posted this in

1752

01:00:17,270 --> 01:00:15,359

response to something

1753

01:00:18,390 --> 01:00:17,280

someone sent me today but posted it out

1754

01:00:21,589 --> 01:00:18,400

there saying

1755

01:00:23,990 --> 01:00:21,599

i wish that instead of chastising others

1756

01:00:25,829 --> 01:00:24,000

people would would would take that time

1757

01:00:26,789 --> 01:00:25,839

and invest that time into seeking out

1758

01:00:28,870 --> 01:00:26,799

more evidence

1759

01:00:31,430 --> 01:00:28,880

you know into seeking out more facts and

1760

01:00:34,870 --> 01:00:31,440

to push the ball forward if you will

1761

01:00:36,150 --> 01:00:34,880

um but hey i i can't tell people what to

1762

01:00:37,510 --> 01:00:36,160

do i mean it's going to come with the

1763

01:00:39,430 --> 01:00:37,520

territory and

1764

01:00:41,510 --> 01:00:39,440

to finalize you know answering your

1765

01:00:44,230 --> 01:00:41,520

question is it frustrating

1766

01:00:45,670 --> 01:00:44,240

absolutely but it won't go away you know

1767

01:00:46,230 --> 01:00:45,680

there'll be people that will throw their

1768

01:00:48,710 --> 01:00:46,240

sand

1769

01:00:50,069 --> 01:00:48,720

my direction and i'm not the victim here

1770

01:00:51,030 --> 01:00:50,079

there's a lot of people that get sand

1771

01:00:53,670 --> 01:00:51,040

thrown at them

1772

01:00:54,390 --> 01:00:53,680

uh for for stuff that they've come out

1773

01:00:58,390 --> 01:00:54,400

with

1774

01:01:00,470 --> 01:00:58,400

and it just is what it is yeah well

1775

01:01:01,910 --> 01:01:00,480

i think that's uh admirable my friend

1776  
01:01:04,069 --> 01:01:01,920  
because you're not out there just trying

1777  
01:01:04,710 --> 01:01:04,079  
to get clicks or likes or be the popular

1778  
01:01:08,549 --> 01:01:04,720  
person

1779  
01:01:10,309 --> 01:01:08,559  
or uh bring everyone's optimism up for

1780  
01:01:11,589 --> 01:01:10,319  
you know it just put us all in some

1781  
01:01:14,390 --> 01:01:11,599  
certain

1782  
01:01:16,230 --> 01:01:14,400  
um emotional vibe uh i think it's very

1783  
01:01:19,990 --> 01:01:16,240  
respectable that

1784  
01:01:23,190 --> 01:01:20,000  
you'll take that crap in pursuit of

1785  
01:01:25,910 --> 01:01:23,200  
of what you believe in can be true uh

1786  
01:01:26,390 --> 01:01:25,920  
which is open-ended and that's why it's

1787  
01:01:29,430 --> 01:01:26,400  
so

1788  
01:01:31,910 --> 01:01:29,440

admirable i appreciate that yeah

1789

01:01:33,510 --> 01:01:31,920

and just adding things like i could be

1790

01:01:35,510 --> 01:01:33,520

wrong or

1791

01:01:36,870 --> 01:01:35,520

maybe this will happen later i don't

1792

01:01:39,990 --> 01:01:36,880

think so but it could

1793

01:01:40,710 --> 01:01:40,000

like you can't argue with that yeah you

1794

01:01:42,630 --> 01:01:40,720

know

1795

01:01:44,470 --> 01:01:42,640

yeah and i always try and stress that i

1796

01:01:45,190 --> 01:01:44,480

don't have all the answers you know i

1797

01:01:48,069 --> 01:01:45,200

really don't

1798

01:01:48,710 --> 01:01:48,079

and and and you can only formulate

1799

01:01:50,390 --> 01:01:48,720

theories

1800

01:01:52,230 --> 01:01:50,400

and sometimes conclusions based on the

1801  
01:01:53,990 --> 01:01:52,240  
evidence you have but when more evidence

1802  
01:01:57,029 --> 01:01:54,000  
is presented boom i'm i'm

1803  
01:01:58,390 --> 01:01:57,039  
right there i'm i'm all ears but i think

1804  
01:02:01,109 --> 01:01:58,400  
the controversy comes

1805  
01:02:03,029 --> 01:02:01,119  
with i since day one with the black

1806  
01:02:05,990 --> 01:02:03,039  
vault and especially in the last

1807  
01:02:07,910 --> 01:02:06,000  
five to ten years when i started really

1808  
01:02:11,270 --> 01:02:07,920  
digging into certain topics with

1809  
01:02:14,069 --> 01:02:11,280  
mind control and ufos what gets me into

1810  
01:02:16,309 --> 01:02:14,079  
controversial situations is i tell

1811  
01:02:17,670 --> 01:02:16,319  
people what they should hear not what

1812  
01:02:19,510 --> 01:02:17,680  
they want to hear

1813  
01:02:21,109 --> 01:02:19,520

and and i think that there's a lot of

1814

01:02:22,710 --> 01:02:21,119

people out there sometimes they're

1815

01:02:23,750 --> 01:02:22,720

journalists sometimes they're bloggers

1816

01:02:25,829 --> 01:02:23,760

sometimes they're

1817

01:02:28,069 --> 01:02:25,839

you know youtubers whatever they might

1818

01:02:30,950 --> 01:02:28,079

be uh and they tell people what they

1819

01:02:32,230 --> 01:02:30,960

what they want to hear and and and they

1820

01:02:34,390 --> 01:02:32,240

look they got a hundred more

1821

01:02:35,510 --> 01:02:34,400

a hundred thousand times more followers

1822

01:02:38,710 --> 01:02:35,520

than i do and

1823

01:02:41,029 --> 01:02:38,720

and and probably making a lot more uh uh

1824

01:02:42,470 --> 01:02:41,039

money just doing that i run a business

1825

01:02:43,990 --> 01:02:42,480

away from the black vault

1826

01:02:45,510 --> 01:02:44,000

uh that's how i make a living i don't

1827

01:02:46,470 --> 01:02:45,520

make a living off of the black vault i

1828

01:02:48,789 --> 01:02:46,480

never have

1829

01:02:50,230 --> 01:02:48,799

uh it's all free it's why there's

1830

01:02:52,069 --> 01:02:50,240

envelopes and

1831

01:02:53,829 --> 01:02:52,079

books and and binders and stuff behind

1832

01:02:54,549 --> 01:02:53,839

me this is my actual office there's no

1833

01:02:56,710 --> 01:02:54,559

set

1834

01:02:57,829 --> 01:02:56,720

my son comes in and sometimes places you

1835

01:02:59,750 --> 01:02:57,839

know uh

1836

01:03:03,109 --> 01:02:59,760

stuff to because he knows daddy's on

1837

01:03:04,870 --> 01:03:03,119

camera so he like rearranges stuff but

1838

01:03:06,630 --> 01:03:04,880

other than that you know that that's

1839

01:03:08,150 --> 01:03:06,640

that's what i do and and

1840

01:03:09,430 --> 01:03:08,160

and that's the controversy tell people

1841

01:03:09,910 --> 01:03:09,440

what they should hear not what they want

1842

01:03:12,549 --> 01:03:09,920

to hear

1843

01:03:13,430 --> 01:03:12,559

and some people will hate you for it

1844

01:03:16,870 --> 01:03:13,440

yeah

1845

01:03:19,029 --> 01:03:16,880

well um we are over an hour there is

1846

01:03:20,789 --> 01:03:19,039

so much left i would love to talk to you

1847

01:03:22,309 --> 01:03:20,799

about so i hope you come back again

1848

01:03:24,390 --> 01:03:22,319

of course yeah absolutely there's a lot

1849

01:03:25,430 --> 01:03:24,400

of i love great conversations like this

1850

01:03:28,069 --> 01:03:25,440

so thank you

1851  
01:03:29,670 --> 01:03:28,079  
yeah no i appreciate it i prefer to have

1852  
01:03:33,510 --> 01:03:29,680  
conversations over uh

1853  
01:03:37,670 --> 01:03:33,520  
interviews so um i think people

1854  
01:03:39,589 --> 01:03:37,680  
in this subject mostly um

1855  
01:03:41,829 --> 01:03:39,599  
it behooves them to not take extra time

1856  
01:03:44,150 --> 01:03:41,839  
to get to know uh the people

1857  
01:03:45,029 --> 01:03:44,160  
so and i appreciate you doing that so

1858  
01:03:46,789 --> 01:03:45,039  
thank you

1859  
01:03:48,710 --> 01:03:46,799  
yeah no problem all right john you take

1860  
01:03:50,150 --> 01:03:48,720  
care we'll see you soon thanks you as

1861  
01:03:50,950 --> 01:03:50,160  
well thank you and thanks everybody

1862  
01:03:55,430 --> 01:03:50,960  
thank you

1863  
01:03:57,190 --> 01:03:55,440

bye so yeah that was awesome

1864

01:03:58,470 --> 01:03:57,200

thank you john for chatting with us

1865

01:04:01,270 --> 01:03:58,480

today that was great i

1866

01:04:02,309 --> 01:04:01,280

actually wanted to do a doc of the day

1867

01:04:05,589 --> 01:04:02,319

with them

1868

01:04:06,710 --> 01:04:05,599

um but we just got we were just having a

1869

01:04:10,069 --> 01:04:06,720

good conversation

1870

01:04:13,910 --> 01:04:10,079

and i didn't want to interrupt it for

1871

01:04:17,190 --> 01:04:13,920

for anything um yeah he's a good guy

1872

01:04:19,430 --> 01:04:17,200

and he's he's really

1873

01:04:20,230 --> 01:04:19,440

he's really in the weeds on this stuff

1874

01:04:23,829 --> 01:04:20,240

you know

1875

01:04:27,430 --> 01:04:23,839

so i think he

1876

01:04:29,349 --> 01:04:27,440

is definitely more than worth your

1877

01:04:33,270 --> 01:04:29,359

attention and worth following

1878

01:04:36,789 --> 01:04:33,280

you need somebody that is trying

1879

01:04:40,230 --> 01:04:36,799

to work

1880

01:04:42,870 --> 01:04:40,240

this the right way you know

1881

01:04:44,950 --> 01:04:42,880

otherwise we can just go off and do all

1882

01:04:47,589 --> 01:04:44,960

sorts of different things

1883

01:04:49,190 --> 01:04:47,599

and get hooked on all sorts of different

1884

01:04:51,670 --> 01:04:49,200

theories

1885

01:04:53,270 --> 01:04:51,680

and you have to be grounded in something

1886

01:04:56,789 --> 01:04:53,280

you know and at least there's

1887

01:04:59,829 --> 01:04:56,799

someone trying to do it the right way

1888

01:05:05,109 --> 01:05:03,190

um and not to say that's the only right

1889

01:05:08,230 --> 01:05:05,119

way i'm not saying that

1890

01:05:10,950 --> 01:05:08,240

but i mean more so with the government

1891

01:05:13,910 --> 01:05:10,960

with the people that have the secrets

1892

01:05:17,370 --> 01:05:15,829

so that he can take it and say look what

1893

01:05:19,029 --> 01:05:17,380

you said bam

1894

01:05:22,630 --> 01:05:19,039

[Music]

1895

01:05:23,670 --> 01:05:22,640

so yeah i appreciate it i appreciate you

1896

01:05:26,230 --> 01:05:23,680

guys coming here

1897

01:05:27,349 --> 01:05:26,240

um and checking out this interview

1898

01:05:30,390 --> 01:05:27,359

please

1899

01:05:33,510 --> 01:05:30,400

like share and subscribe my channel

1900

01:05:36,549 --> 01:05:33,520

um that would really mean a lot it goes

1901

01:05:37,109 --> 01:05:36,559

a long way with me john doesn't get paid

1902

01:05:40,549 --> 01:05:37,119

for this

1903

01:05:43,040 --> 01:05:40,559

so you can imagine how much i do

1904

01:05:44,470 --> 01:05:43,050

nothing so is um

1905

01:05:46,230 --> 01:05:44,480

[Music]

1906

01:05:48,470 --> 01:05:46,240

you know if you can share it and spread

1907

01:05:51,190 --> 01:05:48,480

the love that's my payment

1908

01:05:52,069 --> 01:05:51,200

is reaching more people i'm on twitter

1909

01:05:55,270 --> 01:05:52,079

instagram

1910

01:05:56,950 --> 01:05:55,280

and here on youtube thanks megan

1911

01:06:00,230 --> 01:05:56,960

i really appreciate it she's so sweet

1912

01:06:04,230 --> 01:06:00,240

she gives me something every day

1913

01:06:06,470 --> 01:06:04,240

uh very kind so

1914

01:06:07,910 --> 01:06:06,480

yeah so pay attention to him pay

1915

01:06:09,670 --> 01:06:07,920

attention to what he gets

1916

01:06:11,510 --> 01:06:09,680

pay attention to how he gets it if you

1917

01:06:14,150 --> 01:06:11,520

want to do something like that yourself

1918

01:06:15,430 --> 01:06:14,160

i look at documents and stuff like that

1919

01:06:18,470 --> 01:06:15,440

um but he has

1920

01:06:19,589 --> 01:06:18,480

so much over my knowledge so maybe next

1921

01:06:22,470 --> 01:06:19,599

time we'll get them back

1922

01:06:23,510 --> 01:06:22,480

and and zone in on that aspect a little

1923

01:06:26,789 --> 01:06:23,520

bit

1924

01:06:29,810 --> 01:06:26,799

so um

1925

01:06:31,109 --> 01:06:29,820

yeah with that being said we are

1926

01:06:36,870 --> 01:06:31,119

[Music]

1927

01:06:43,349 --> 01:06:39,990

and i really missed my

1928

01:06:45,510 --> 01:06:43,359

chat verse you know every day lately

1929

01:06:47,510 --> 01:06:45,520

it's just been myself and the

1930

01:06:48,870 --> 01:06:47,520

in the chatters and we have a good time

1931

01:06:53,430 --> 01:06:48,880

and we get to know each other

1932

01:06:59,190 --> 01:06:53,440

and uh i miss that today

1933

01:07:04,549 --> 01:07:01,430

don't worry voodoo get your mama you can

1934

01:07:11,430 --> 01:07:07,670

um but tomorrow we'll come back with

1935

01:07:18,309 --> 01:07:14,870

and um

1936

01:07:20,630 --> 01:07:18,319

what the heck is that and

1937

01:07:21,430 --> 01:07:20,640

we got a lot of other stuff on tab too

1938

01:07:26,150 --> 01:07:21,440

so

1939

01:07:29,510 --> 01:07:26,160

um stay tuned hell yeah i can do a whole

1940

01:07:33,190 --> 01:07:29,520

i can do documents of the days

1941

01:07:34,470 --> 01:07:33,200

if you want just hour at docs oh yeah i

1942

01:07:38,870 --> 01:07:34,480

have some pretty good ones too

1943

01:07:42,309 --> 01:07:38,880

actually so um i'm excited for that

1944

01:07:44,390 --> 01:07:42,319

um but yeah john would have been great

1945

01:07:46,710 --> 01:07:44,400

to do that with but you only have an

1946

01:07:49,029 --> 01:07:46,720

hour and you know my main purpose here

1947

01:07:53,589 --> 01:07:49,039

is to try to shed light on

1948

01:07:55,910 --> 01:07:53,599

um people and who they are you know so

1949

01:07:57,670 --> 01:07:55,920

just like the intro tunes thanks me too

1950

01:08:01,750 --> 01:07:57,680

really

1951

01:08:03,430 --> 01:08:01,760

um so that's my goal here is to try to

1952

01:08:06,549 --> 01:08:03,440

help with that so people can actually

1953

01:08:08,710 --> 01:08:06,559

learn who these people are um that

1954

01:08:09,990 --> 01:08:08,720

are doing their different things because

1955

01:08:11,990 --> 01:08:10,000

you can't really judge a person

1956

01:08:13,430 --> 01:08:12,000

without knowing their intent and it's

1957

01:08:15,270 --> 01:08:13,440

hard to know what their intent is

1958

01:08:16,870 --> 01:08:15,280

if you don't know who they are as a

1959

01:08:20,309 --> 01:08:16,880

person

1960

01:08:23,510 --> 01:08:20,319

so that's why i do this that being

1961

01:08:26,950 --> 01:08:23,520

said i appreciate all here at

1962

01:08:30,709 --> 01:08:26,960
