1
00:00:01,920 --> 00:00:05,590
what's up everybody

2
00:00:09,509 --> 00:00:07,430
it's tuesday

3
00:00:12,789 --> 00:00:09,519
night

4
00:00:14,070 --> 00:00:12,799
we have two amazing guests

5
00:00:19,590 --> 00:00:14,080
first

6
00:00:24,950 --> 00:00:22,870
later at 9 pm central we have ross

7
00:00:27,509 --> 00:00:24,960
colehart

8
00:00:29,509 --> 00:00:27,519
thanks for joining us

9
00:00:36,069 --> 00:00:29,519
i hope this lives up to your

10
00:00:41,510 --> 00:00:38,790
there's footage and records of

11
00:00:43,590 --> 00:00:41,520
objects in the skies that we

12
00:00:44,830 --> 00:00:43,600
don't know exactly what they are we

13
00:00:46,229 --> 00:00:44,840

can't explain

14

00:00:47,990 --> 00:00:46,239

[Music]

15

00:00:50,869 --> 00:00:48,000

how they moved

16

00:00:53,510 --> 00:00:50,879

their trajectory uh there are moons of

17

00:00:55,110 --> 00:00:53,520

other planets that we think there are

18

00:01:00,229 --> 00:00:55,120

oceans

19

00:01:02,709 --> 00:01:00,239

there is very likely to be life

20

00:01:04,390 --> 00:01:02,719

so seven decades after unidentified

21

00:01:06,469 --> 00:01:04,400

aerial phenomena first appeared on the

22

00:01:07,990 --> 00:01:06,479

radar defense ministries around the

23

00:01:09,910 --> 00:01:08,000

world

24

00:01:12,230 --> 00:01:09,920

what they are the recent report doesn't

25

00:01:14,870 --> 00:01:12,240

require us to accept the reality of

26

00:01:17,590 --> 00:01:14,880

alien visitation but it does require us

27

00:01:19,270 --> 00:01:17,600

to take ufo seriously

28

00:01:22,149 --> 00:01:19,280

therefore how seriously does her

29

00:01:25,190 --> 00:01:22,159

majesty's government now take ufos in

30

00:01:27,030 --> 00:01:25,200

the light of this report

31

00:01:28,789 --> 00:01:27,040

i refer the noble lady to my previous

32

00:01:29,960 --> 00:01:28,799

answers to which the short response is

33

00:01:33,190 --> 00:01:29,970

very seriously

34

00:01:33,200 --> 00:01:47,590

identifiable can be substantiated

35

00:01:47,600 --> 00:01:51,630

there you go i love making those things

36

00:01:57,030 --> 00:01:54,550

unfortunately i always do it like last

37

00:02:01,270 --> 00:01:57,040

minute and i'm rushing to finish this up

38

00:02:03,429 --> 00:02:02,069

but

39

00:02:07,270 --> 00:02:03,439

you know it's always worth it i love

40

00:02:08,869 --> 00:02:07,280

those things so how is everybody doing

41

00:02:10,389 --> 00:02:08,879

christopher how are you thanks for

42

00:02:11,589 --> 00:02:10,399

joining us

43

00:02:13,830 --> 00:02:11,599

we have

44

00:02:16,949 --> 00:02:13,840

spaghetti lee

45

00:02:19,430 --> 00:02:16,959

uh roger renee james

46

00:02:21,750 --> 00:02:19,440

surf psych what's up everybody thanks

47

00:02:25,510 --> 00:02:21,760

for coming jd

48

00:02:29,830 --> 00:02:25,520

um i think that we're gonna put

49

00:02:34,830 --> 00:02:33,430

i think we need some optimism in the ufo

50

00:02:37,910 --> 00:02:34,840

twitter

51
00:02:40,630 --> 00:02:37,920
realm and i have a feeling he can give

52
00:02:42,470 --> 00:02:40,640
it to us toby what's up how are you so i

53
00:02:44,070 --> 00:02:42,480
do have super chat and everything if you

54
00:02:46,550 --> 00:02:44,080
want to ask a question i can't guarantee

55
00:02:48,229 --> 00:02:46,560
you that i would ask it um

56
00:02:49,190 --> 00:02:48,239
but you know super chat's your best

57
00:02:53,270 --> 00:02:49,200
chance

58
00:02:58,869 --> 00:02:57,270
mr steve bassett

59
00:03:01,270 --> 00:02:58,879
how you doing today

60
00:03:03,830 --> 00:03:01,280
i'm doing just great

61
00:03:05,190 --> 00:03:03,840
just good birthday

62
00:03:07,990 --> 00:03:05,200
a little what

63
00:03:09,750 --> 00:03:08,000

busy a lot going on not going okay

64

00:03:11,990 --> 00:03:09,760

anything you want to discuss you want to

65

00:03:16,229 --> 00:03:12,000

get straight into it no you ask me all

66

00:03:21,589 --> 00:03:20,390

i had a really any tough questions um

67

00:03:23,589 --> 00:03:21,599

but you know

68

00:03:25,750 --> 00:03:23,599

i just really wanted to get get you back

69

00:03:28,390 --> 00:03:25,760

on it i feel like um

70

00:03:29,990 --> 00:03:28,400

you uap news is kind of quiet you know

71

00:03:32,630 --> 00:03:30,000

so that typically means stuff is

72

00:03:34,149 --> 00:03:32,640

happening in the background although

73

00:03:35,910 --> 00:03:34,159

people have a hard time committing to

74

00:03:39,270 --> 00:03:35,920

that idea and kind of just fight each

75

00:03:41,750 --> 00:03:39,280

other so i thought i'd bring you on

76

00:03:44,390 --> 00:03:41,760

um maybe you can clue us in on the

77

00:03:47,990 --> 00:03:44,400

happenings behind the scene and give us

78

00:03:51,910 --> 00:03:49,509

yeah no no

79

00:03:53,270 --> 00:03:51,920

yeah okay that works too all right

80

00:03:55,509 --> 00:03:53,280

that's your smile for the day don't

81

00:03:56,550 --> 00:03:55,519

expect anything else okay

82

00:03:58,550 --> 00:03:56,560

all right

83

00:04:00,309 --> 00:03:58,560

fire away man let's let's let's get

84

00:04:02,470 --> 00:04:00,319

rocking here sure so where are the

85

00:04:04,789 --> 00:04:02,480

congressional hearings at

86

00:04:06,789 --> 00:04:04,799

nowhere uh nowhere

87

00:04:07,990 --> 00:04:06,799

yeah it's not it's not uh it's not our

88

00:04:09,190 --> 00:04:08,000

fault

89

00:04:16,390 --> 00:04:09,200

uh

90

00:04:19,030 --> 00:04:16,400

poorly

91

00:04:20,789 --> 00:04:19,040

if we'd handled the 1918 pandemic this

92

00:04:21,830 --> 00:04:20,799

badly probably half the country would

93

00:04:23,749 --> 00:04:21,840

have died

94

00:04:26,469 --> 00:04:23,759

but uh what can i say

95

00:04:28,230 --> 00:04:26,479

as a result uh that's delayed everything

96

00:04:29,590 --> 00:04:28,240

you can't hold hearings of this

97

00:04:30,629 --> 00:04:29,600

magnitude

98

00:04:33,590 --> 00:04:30,639

uh

99

00:04:34,950 --> 00:04:33,600

that's not gonna happen

100

00:04:36,710 --> 00:04:34,960

sure you've got to be able to bring the

101
00:04:38,950 --> 00:04:36,720
witnesses into dc

102
00:04:41,350 --> 00:04:38,960
you want a audience of course

103
00:04:43,990 --> 00:04:41,360
uh and you don't want to

104
00:04:45,909 --> 00:04:44,000
yeah you want to have some normalcy

105
00:04:46,790 --> 00:04:45,919
and we don't have that

106
00:04:47,990 --> 00:04:46,800
so

107
00:04:50,390 --> 00:04:48,000
minimum

108
00:04:52,950 --> 00:04:50,400
i don't expect i would not i would not

109
00:04:54,390 --> 00:04:52,960
expect any any congressional chair to

110
00:04:57,749 --> 00:04:54,400
call for hearings for at least another

111
00:04:59,350 --> 00:04:57,759
60 days we also have three major massive

112
00:05:01,510 --> 00:04:59,360
bills these are not

113
00:05:02,550 --> 00:05:01,520

typical bills that are going through

114

00:05:04,390 --> 00:05:02,560

congress

115

00:05:05,430 --> 00:05:04,400

uh one is doing well there's two more

116

00:05:08,629 --> 00:05:05,440

behind that

117

00:05:10,629 --> 00:05:08,639

that's going to take up 30 days easily

118

00:05:12,710 --> 00:05:10,639

and so the timing of things has not been

119

00:05:15,110 --> 00:05:12,720

ideal there was a time when it was very

120

00:05:17,510 --> 00:05:15,120

good but before

121

00:05:20,310 --> 00:05:17,520

before anybody could make a serious move

122

00:05:22,310 --> 00:05:20,320

meaning shortly after the uh classified

123

00:05:24,390 --> 00:05:22,320

report was delivered

124

00:05:27,830 --> 00:05:24,400

to the uh the the four committees in the

125

00:05:29,909 --> 00:05:27,840

congress on june 16.

126

00:05:31,909 --> 00:05:29,919

they needed time to to examine it they

127

00:05:33,430 --> 00:05:31,919

needed time to digest all that totally

128

00:05:35,830 --> 00:05:33,440

understandable

129

00:05:37,430 --> 00:05:35,840

25th the senate went into recess that's

130

00:05:38,950 --> 00:05:37,440

that was scheduled

131

00:05:40,870 --> 00:05:38,960

so even if they had planned to do

132

00:05:42,070 --> 00:05:40,880

something maybe in early july by early

133

00:05:43,909 --> 00:05:42,080

july

134

00:05:46,150 --> 00:05:43,919

as you know

135

00:05:47,110 --> 00:05:46,160

the word was getting out uh oh we got a

136

00:05:49,029 --> 00:05:47,120

problem

137

00:05:51,110 --> 00:05:49,039

so 60 days

138

00:05:53,909 --> 00:05:51,120

would be about the soonest i would

139

00:05:55,670 --> 00:05:53,919

expect a major committee chair to say

140

00:05:56,790 --> 00:05:55,680

let's begin hearings now

141

00:05:57,909 --> 00:05:56,800

okay

142

00:06:00,550 --> 00:05:57,919

um

143

00:06:03,110 --> 00:06:00,560

are have you heard of any chatter like

144

00:06:05,189 --> 00:06:03,120

behind the scenes as far as what these

145

00:06:06,950 --> 00:06:05,199

senators or congress people are saying

146

00:06:07,670 --> 00:06:06,960

about this report at all

147

00:06:08,870 --> 00:06:07,680

no

148

00:06:09,749 --> 00:06:08,880

they're keeping their mouths closed

149

00:06:10,710 --> 00:06:09,759

they're not they're not giving

150

00:06:13,350 --> 00:06:10,720

interviews

151

00:06:16,309 --> 00:06:13,360

the the press once the report the 20

152

00:06:17,350 --> 00:06:16,319

the public report was issued in the 25th

153

00:06:18,870 --> 00:06:17,360

the press

154

00:06:20,550 --> 00:06:18,880

had covered everything right up to them

155

00:06:22,230 --> 00:06:20,560

and then they just kind of stood down

156

00:06:24,629 --> 00:06:22,240

there's there's issues there's articles

157

00:06:26,230 --> 00:06:24,639

turning up but overall the major press

158

00:06:27,590 --> 00:06:26,240

new york times washington post they just

159

00:06:31,749 --> 00:06:27,600

kind of step back

160

00:06:32,790 --> 00:06:31,759

uh because the story needs a new chapter

161

00:06:34,150 --> 00:06:32,800

and then of course you've got the

162

00:06:36,150 --> 00:06:34,160

pandemic story and you've got the

163

00:06:38,790 --> 00:06:36,160

political stories underway

164

00:06:40,950 --> 00:06:38,800

so uh not surprisingly the members of

165

00:06:42,469 --> 00:06:40,960

congress have simply they've stepped

166

00:06:44,710 --> 00:06:42,479

back they're not talking about it there

167

00:06:46,790 --> 00:06:44,720

was a leak that came out

168

00:06:48,469 --> 00:06:46,800

uh toward the end of june

169

00:06:49,990 --> 00:06:48,479

that may have been legitimate went to

170

00:06:51,430 --> 00:06:50,000

richard dolan which is very interesting

171

00:06:52,710 --> 00:06:51,440

i think we have talked about it on the

172

00:06:55,430 --> 00:06:52,720

show i'm not sure

173

00:06:57,830 --> 00:06:55,440

and uh andre carson kind of

174

00:07:00,150 --> 00:06:57,840

took a bold step forward and and

175

00:07:02,309 --> 00:07:00,160

announced uh he's a subcommittee chair

176
00:07:03,990 --> 00:07:02,319
he's a powerful man that uh yeah we're

177
00:07:05,909 --> 00:07:04,000
gonna hold hearings on this i think he

178
00:07:08,629 --> 00:07:05,919
might have been a little bit of a skis

179
00:07:10,870 --> 00:07:08,639
yeah but so there's that but overall no

180
00:07:13,110 --> 00:07:10,880
uh we're not hearing any any nothing is

181
00:07:15,510 --> 00:07:13,120
getting into the high end press or even

182
00:07:17,270 --> 00:07:15,520
the lower empress

183
00:07:19,189 --> 00:07:17,280
do you think there's any coordinated

184
00:07:22,550 --> 00:07:19,199
effort for that or is it just strictly

185
00:07:23,909 --> 00:07:22,560
coronavirus screwed everything up

186
00:07:25,189 --> 00:07:23,919
you know

187
00:07:26,870 --> 00:07:25,199
you don't coordinate much with the

188
00:07:28,070 --> 00:07:26,880

senate the senators or even members of

189

00:07:29,510 --> 00:07:28,080

congress frankly they have their

190

00:07:31,749 --> 00:07:29,520

caucuses they do a little that but

191

00:07:33,110 --> 00:07:31,759

overall they do their thing i assure you

192

00:07:35,110 --> 00:07:33,120

if they wanted to speak up they would

193

00:07:37,510 --> 00:07:35,120

but i think they they all pretty much

194

00:07:38,950 --> 00:07:37,520

see the landscape they're smart they

195

00:07:40,870 --> 00:07:38,960

understand the landscape right now and

196

00:07:42,230 --> 00:07:40,880

this is not the time to go

197

00:07:43,990 --> 00:07:42,240

to start actually

198

00:07:45,510 --> 00:07:44,000

getting something going on hearings of

199

00:07:47,029 --> 00:07:45,520

this magnitude these are not trivial

200

00:07:49,110 --> 00:07:47,039

hearings right

201

00:07:50,230 --> 00:07:49,120

so uh they just get it right that

202

00:07:51,510 --> 00:07:50,240

doesn't mean that somebody couldn't say

203

00:07:53,350 --> 00:07:51,520

something tomorrow they do anything they

204

00:07:54,790 --> 00:07:53,360

want right but i don't think that will

205

00:07:57,110 --> 00:07:54,800

happen i think you're going to see him

206

00:07:58,950 --> 00:07:57,120

generally focusing on these bills

207

00:08:00,230 --> 00:07:58,960

and trying to assess the pandemic's

208

00:08:02,469 --> 00:08:00,240

progress

209

00:08:03,990 --> 00:08:02,479

over the next 30 days at least

210

00:08:05,830 --> 00:08:04,000

and i think we're still going to be in

211

00:08:08,629 --> 00:08:05,840

deep trouble in 30 days

212

00:08:10,070 --> 00:08:08,639

and so 60 days we might get over this

213

00:08:11,350 --> 00:08:10,080

particular surge it depends on the

214

00:08:17,909 --> 00:08:11,360

vaccination

215

00:08:19,909 --> 00:08:17,919

and get up to a decent percentage

216

00:08:20,790 --> 00:08:19,919

things could look optimistic in 60 days

217

00:08:21,670 --> 00:08:20,800

we'll see

218

00:08:24,710 --> 00:08:21,680

okay

219

00:08:31,589 --> 00:08:24,720

um just for us will you just say things

220

00:08:35,190 --> 00:08:33,269

a lot of people are coming off the fence

221

00:08:37,750 --> 00:08:35,200

about the vaccination

222

00:08:40,230 --> 00:08:37,760

they're seeing the children and the icus

223

00:08:41,190 --> 00:08:40,240

they're seeing children on ventilators

224

00:08:43,990 --> 00:08:41,200

so

225

00:08:44,949 --> 00:08:44,000

they're starting to realize maybe i need

226

00:08:47,350 --> 00:08:44,959

to

227

00:08:49,509 --> 00:08:47,360

go with the science and not with

228

00:08:51,110 --> 00:08:49,519

facebook i hear you

229

00:08:52,870 --> 00:08:51,120

um

230

00:08:54,550 --> 00:08:52,880

so it's

231

00:08:58,230 --> 00:08:54,560

kind of a sit and wait game is there

232

00:08:59,910 --> 00:08:58,240

anything we can do at this point to

233

00:09:00,870 --> 00:08:59,920

push the ball forward

234

00:09:03,590 --> 00:09:00,880

sure

235

00:09:05,750 --> 00:09:03,600

i'm involved in a major project

236

00:09:07,509 --> 00:09:05,760

a couple of significant projects i know

237

00:09:08,949 --> 00:09:07,519

of other projects in the work i know of

238

00:09:10,310 --> 00:09:08,959

a number of films that are coming out

239

00:09:13,110 --> 00:09:10,320

later this year

240

00:09:15,829 --> 00:09:13,120

you've got the four hours of uh ufo

241

00:09:18,949 --> 00:09:15,839

series dropped that was put up on

242

00:09:21,269 --> 00:09:18,959

a streaming uh showtime jj abrams bad

243

00:09:21,990 --> 00:09:21,279

robot that's that's a list that's top of

244

00:09:23,670 --> 00:09:22,000

the

245

00:09:25,030 --> 00:09:23,680

list okay

246

00:09:27,430 --> 00:09:25,040

and that that's a multi-million dollar

247

00:09:29,750 --> 00:09:27,440

production millions of advertising

248

00:09:32,630 --> 00:09:29,760

yeah right uh more money was spent on

249

00:09:34,150 --> 00:09:32,640

the advertising on that documentary than

250

00:09:35,829 --> 00:09:34,160

any other documentary in this field and

251
00:09:36,630 --> 00:09:35,839
probably any five documentaries in this

252
00:09:39,269 --> 00:09:36,640
field

253
00:09:41,990 --> 00:09:39,279
so you had that and netflix dropped a

254
00:09:44,389 --> 00:09:42,000
six part series fairly comprehensive not

255
00:09:47,829 --> 00:09:44,399
the production levels of bad robot but

256
00:09:49,829 --> 00:09:47,839
certainly uh a decent series uh

257
00:09:51,269 --> 00:09:49,839
not just because i'm in most of them it

258
00:09:53,110 --> 00:09:51,279
was a good series

259
00:09:54,389 --> 00:09:53,120
and and so how many million people are

260
00:09:55,430 --> 00:09:54,399
watching those

261
00:09:58,949 --> 00:09:55,440
millions

262
00:10:00,790 --> 00:09:58,959
so it's not like things just stop

263
00:10:03,350 --> 00:10:00,800

and i have another project that i'm

264

00:10:05,750 --> 00:10:03,360

about to get into a third one

265

00:10:07,030 --> 00:10:05,760

which could drop in october

266

00:10:09,750 --> 00:10:07,040

so

267

00:10:12,550 --> 00:10:09,760

believe me uh it's okay to take a couple

268

00:10:15,990 --> 00:10:12,560

of months down and plus as we know the

269

00:10:19,190 --> 00:10:16,000

uap blogs will never shut down right

270

00:10:21,430 --> 00:10:19,200

they go on 24 7. right yeah

271

00:10:24,389 --> 00:10:21,440

yeah they go on to

272

00:10:25,910 --> 00:10:24,399

attack themselves basically yeah

273

00:10:28,470 --> 00:10:25,920

well the blogs will keep everything

274

00:10:29,269 --> 00:10:28,480

alive and that's fun

275

00:10:30,389 --> 00:10:29,279

um

276
00:10:31,590 --> 00:10:30,399
i have

277
00:10:33,829 --> 00:10:31,600
an interesting

278
00:10:35,350 --> 00:10:33,839
interesting to me question i i just

279
00:10:36,949 --> 00:10:35,360
wrapped up reading uh john keele's

280
00:10:38,230 --> 00:10:36,959
operation trojan horse and he had

281
00:10:39,350 --> 00:10:38,240
mentioned

282
00:10:40,870 --> 00:10:39,360
how

283
00:10:43,350 --> 00:10:40,880
you know when he was writing that book

284
00:10:44,630 --> 00:10:43,360
there were the extraterrestrial folks

285
00:10:46,470 --> 00:10:44,640
and they would fight the

286
00:10:48,550 --> 00:10:46,480
interdimensional folks

287
00:10:52,710 --> 00:10:48,560
basically and they wouldn't get anywhere

288
00:10:56,630 --> 00:10:52,720

um do you notice that trend today

289

00:11:03,670 --> 00:10:56,640

with the community and maybe not those

290

00:11:06,630 --> 00:11:05,030

let's put it this way

291

00:11:09,190 --> 00:11:06,640

there's always going to be there's

292

00:11:10,710 --> 00:11:09,200

resistance to the truth embargo amongst

293

00:11:12,069 --> 00:11:10,720

the general population there's some

294

00:11:13,430 --> 00:11:12,079

resistance certainly and there's a lot

295

00:11:16,150 --> 00:11:13,440

of resistance within the military

296

00:11:20,230 --> 00:11:16,160

intelligence complex that hasn't changed

297

00:11:22,389 --> 00:11:20,240

but the the percentages have shifted

298

00:11:24,150 --> 00:11:22,399

as you probably have noticed

299

00:11:26,710 --> 00:11:24,160

all the hard debunkers are virtually

300

00:11:28,790 --> 00:11:26,720

gone they don't even speak up

301
00:11:30,949 --> 00:11:28,800
uh some of the mid-range people are

302
00:11:33,590 --> 00:11:30,959
occasionally saying something

303
00:11:35,030 --> 00:11:33,600
uh and then you're high-end skeptics

304
00:11:36,630 --> 00:11:35,040
occasionally you're saying something but

305
00:11:38,389 --> 00:11:36,640
they're getting a lot of flack back

306
00:11:40,150 --> 00:11:38,399
every time they do it

307
00:11:42,230 --> 00:11:40,160
so uh

308
00:11:45,110 --> 00:11:42,240
the resistance

309
00:11:47,670 --> 00:11:45,120
i won't say that resistance is futile

310
00:11:49,829 --> 00:11:47,680
but it's getting to be

311
00:11:52,389 --> 00:11:49,839
very ineffective

312
00:11:54,949 --> 00:11:52,399
um and as i've said already on a number

313
00:11:56,230 --> 00:11:54,959

of shows and we'll say again tonight

314

00:11:58,710 --> 00:11:56,240

uh

315

00:12:00,949 --> 00:11:58,720

based on everything i've seen

316

00:12:02,870 --> 00:12:00,959

it it appears to me that the the

317

00:12:04,629 --> 00:12:02,880

department of defense

318

00:12:06,470 --> 00:12:04,639

officially i say

319

00:12:08,150 --> 00:12:06,480

unofficially

320

00:12:10,310 --> 00:12:08,160

but at the top level

321

00:12:11,590 --> 00:12:10,320

agents sick death

322

00:12:13,829 --> 00:12:11,600

i believe they've thrown in the towel

323

00:12:16,230 --> 00:12:13,839

they've accepted the fact that

324

00:12:17,990 --> 00:12:16,240

we're now moving towards disclosure and

325

00:12:19,590 --> 00:12:18,000

and they've chosen to strategically

326

00:12:20,629 --> 00:12:19,600

participate

327

00:12:21,430 --> 00:12:20,639

to

328

00:12:22,310 --> 00:12:21,440

uh

329

00:12:24,710 --> 00:12:22,320

not

330

00:12:26,949 --> 00:12:24,720

do anything that's going to

331

00:12:28,389 --> 00:12:26,959

embarrass them at the very end like

332

00:12:29,269 --> 00:12:28,399

somebody that's finished

333

00:12:30,710 --> 00:12:29,279

you know

334

00:12:32,310 --> 00:12:30,720

i've seen you actually seen this happen

335

00:12:34,230 --> 00:12:32,320

they're approaching the finish line of a

336

00:12:36,470 --> 00:12:34,240

long marathon or a triathlon and they

337

00:12:38,550 --> 00:12:36,480

just fall flat on their face right

338

00:12:40,550 --> 00:12:38,560

uh they don't want to do that i believe

339

00:12:42,949 --> 00:12:40,560

they throw it in the toe which

340

00:12:45,590 --> 00:12:42,959

means the end can't be that far away

341

00:12:47,829 --> 00:12:45,600

yeah i would imagine so um

342

00:12:50,389 --> 00:12:47,839

do you what's what's your theory or what

343

00:12:51,509 --> 00:12:50,399

do you say as far as uh the secrecy for

344

00:12:53,430 --> 00:12:51,519

so long

345

00:12:55,910 --> 00:12:53,440

um i was just going through a document

346

00:12:59,350 --> 00:12:55,920

the other day put together by osi was

347

00:13:01,430 --> 00:12:59,360

osi briefing right after washington dc

348

00:13:04,629 --> 00:13:01,440

and they're talking about

349

00:13:07,670 --> 00:13:04,639

uh something getting clocked at 17 000

350

00:13:09,590 --> 00:13:07,680

miles per hour at white sands like

351
00:13:11,670 --> 00:13:09,600
how did they hang on to that secrecy for

352
00:13:13,829 --> 00:13:11,680
so long and why

353
00:13:16,310 --> 00:13:13,839
first of all it's not a secret

354
00:13:19,110 --> 00:13:16,320
yeah there are secrets in the regarding

355
00:13:20,550 --> 00:13:19,120
the uap issue in government yes

356
00:13:23,350 --> 00:13:20,560
but the actual

357
00:13:24,150 --> 00:13:23,360
reality of et's is hardly a secret

358
00:13:26,150 --> 00:13:24,160
right

359
00:13:28,389 --> 00:13:26,160
they do everything but show up at the

360
00:13:29,590 --> 00:13:28,399
supermarket shopping for

361
00:13:31,350 --> 00:13:29,600
you know

362
00:13:33,430 --> 00:13:31,360
for goods uh

363
00:13:34,949 --> 00:13:33,440

so no it's not a secret it's an embargo

364

00:13:37,190 --> 00:13:34,959

it's a truth embargo that's the term

365

00:13:40,710 --> 00:13:37,200

that i came up with very early on that's

366

00:13:41,990 --> 00:13:40,720

good uh to replace uh ufo cover up and

367

00:13:45,829 --> 00:13:42,000

it's

368

00:13:47,430 --> 00:13:45,839

hear your cover up nearly as much

369

00:13:49,269 --> 00:13:47,440

because it's not a cover-up really it's

370

00:13:51,750 --> 00:13:49,279

an embargo and it's not illegal it's

371

00:13:53,829 --> 00:13:51,760

national security policy

372

00:13:55,750 --> 00:13:53,839

why did it last 75 years because it

373

00:13:58,230 --> 00:13:55,760

served

374

00:13:59,590 --> 00:13:58,240

by and large the state

375

00:14:01,189 --> 00:13:59,600

in this case certainly the military

376

00:14:02,870 --> 00:14:01,199

intelligence complex because the

377

00:14:04,949 --> 00:14:02,880

Congress and the presidency the

378

00:14:06,230 --> 00:14:04,959

executive were somewhat pushed aside on

379

00:14:08,629 --> 00:14:06,240

this so serving the military

380

00:14:10,790 --> 00:14:08,639

intelligence complex

381

00:14:12,790 --> 00:14:10,800

uh for that length of time

382

00:14:14,150 --> 00:14:12,800

or it either served them to have an

383

00:14:16,949 --> 00:14:14,160

embargo

384

00:14:19,110 --> 00:14:16,959

or it served them not to end it because

385

00:14:21,430 --> 00:14:19,120

of the various public relations issues

386

00:14:24,150 --> 00:14:21,440

and whatever would come about

387

00:14:25,670 --> 00:14:24,160

nothing unusual about that segregation

388

00:14:28,069 --> 00:14:25,680

warfare

389

00:14:31,509 --> 00:14:28,079

yeah segregation lasted in the south why

390

00:14:33,030 --> 00:14:31,519

did it last so long because it served

391

00:14:34,470 --> 00:14:33,040

the governing authorities in the

392

00:14:35,509 --> 00:14:34,480

southern states

393

00:14:37,430 --> 00:14:35,519

yeah

394

00:14:39,509 --> 00:14:37,440

until it ended

395

00:14:42,550 --> 00:14:39,519

yeah now did that mean that it didn't it

396

00:14:45,030 --> 00:14:42,560

wouldn't have served them anymore

397

00:14:46,629 --> 00:14:45,040

uh no if it if if the civil rights act

398

00:14:47,750 --> 00:14:46,639

hadn't been passed and segregation

399

00:14:49,269 --> 00:14:47,760

remained in the states it would have

400

00:14:51,189 --> 00:14:49,279

continued to serve

401
00:14:53,670 --> 00:14:51,199
uh a certain segment of the political

402
00:14:55,910 --> 00:14:53,680
class in the southern states

403
00:14:57,750 --> 00:14:55,920
uh but the reason it lasted as long as

404
00:15:01,189 --> 00:14:57,760
it did is because it did serve them

405
00:15:02,710 --> 00:15:01,199
until it was ended by force measure

406
00:15:04,470 --> 00:15:02,720
that's what's going to happen here now

407
00:15:06,949 --> 00:15:04,480
the force measure

408
00:15:08,870 --> 00:15:06,959
is not going to be a a law passed by

409
00:15:11,269 --> 00:15:08,880
congress which is really what ended the

410
00:15:12,710 --> 00:15:11,279
civil rights uh ended the segregation

411
00:15:15,189 --> 00:15:12,720
era itself

412
00:15:17,030 --> 00:15:15,199
uh it's going to be a actual a more

413
00:15:18,710 --> 00:15:17,040

elaborate process involving the public

414

00:15:21,189 --> 00:15:18,720

involving the congress

415

00:15:22,710 --> 00:15:21,199

journalists and so forth not in law

416

00:15:25,110 --> 00:15:22,720

you're not going to see

417

00:15:27,030 --> 00:15:25,120

the congress pass a law saying that

418

00:15:28,310 --> 00:15:27,040

there's extraterrestrials here what kind

419

00:15:29,910 --> 00:15:28,320

of law

420

00:15:32,550 --> 00:15:29,920

is going to do a lot it will give the

421

00:15:33,910 --> 00:15:32,560

president the opportunity to make that

422

00:15:35,509 --> 00:15:33,920

statement which is in fact the

423

00:15:37,590 --> 00:15:35,519

president's program

424

00:15:40,310 --> 00:15:37,600

right yeah you were here last time and

425

00:15:43,670 --> 00:15:40,320

you're really specific about that it's

426

00:15:45,189 --> 00:15:43,680

not congress's job it's you know it's

427

00:15:45,990 --> 00:15:45,199

the president's

428

00:15:47,749 --> 00:15:46,000

job

429

00:15:48,949 --> 00:15:47,759

uh to inform us on this and we had

430

00:15:52,470 --> 00:15:48,959

talked about

431

00:15:54,230 --> 00:15:52,480

how the tsa and how that started was in

432

00:15:55,670 --> 00:15:54,240

the whole plan i guess i should say

433

00:15:58,389 --> 00:15:55,680

disclosure plan

434

00:16:00,069 --> 00:15:58,399

uh was based off of hillary clinton and

435

00:16:02,230 --> 00:16:00,079

clinton winning the election and that

436

00:16:04,230 --> 00:16:02,240

didn't happen it was it was i believe

437

00:16:05,590 --> 00:16:04,240

that factored into the decision to do it

438

00:16:07,110 --> 00:16:05,600

uh

439

00:16:08,629 --> 00:16:07,120

so it

440

00:16:10,550 --> 00:16:08,639

what would they have done it would they

441

00:16:12,790 --> 00:16:10,560

have tried to put that project together

442

00:16:14,949 --> 00:16:12,800

if she wasn't running say it was uh

443

00:16:16,150 --> 00:16:14,959

another democratic candidate yeah we'll

444

00:16:20,470 --> 00:16:16,160

never know

445

00:16:22,069 --> 00:16:20,480

that she was a candidate and i believe

446

00:16:24,389 --> 00:16:22,079

now they haven't spoken to that and i

447

00:16:26,389 --> 00:16:24,399

don't expect them to speak to it until

448

00:16:28,870 --> 00:16:26,399

after disclosure when i think

449

00:16:30,870 --> 00:16:28,880

uh everyone in the tsa will will be

450

00:16:32,870 --> 00:16:30,880

open to talking to the media

451
00:16:34,790 --> 00:16:32,880
more in depth about all of this because

452
00:16:35,910 --> 00:16:34,800
i i think they they're proud of it i

453
00:16:37,430 --> 00:16:35,920
think they're very proud of their role

454
00:16:41,110 --> 00:16:37,440
they played and and i think they want

455
00:16:42,550 --> 00:16:41,120
history to know about it but not

456
00:16:45,350 --> 00:16:42,560
yeah they should be

457
00:16:47,749 --> 00:16:45,360
i was just going to say i think um just

458
00:16:50,710 --> 00:16:47,759
being an observer of this whole thing

459
00:16:52,550 --> 00:16:50,720
looking back at what happened

460
00:16:54,710 --> 00:16:52,560
decades ago and what's happening now

461
00:16:56,310 --> 00:16:54,720
it's pretty clear that uh things have

462
00:16:57,670 --> 00:16:56,320
haven't come this far

463
00:16:58,550 --> 00:16:57,680

uh ever

464

00:17:00,230 --> 00:16:58,560

and

465

00:17:02,550 --> 00:17:00,240

a lot of that has to do with tom delonge

466

00:17:04,069 --> 00:17:02,560

and tedious or beyond it's just nowadays

467

00:17:04,949 --> 00:17:04,079

yeah we're beyond any place we've been

468

00:17:05,590 --> 00:17:04,959

before

469

00:17:07,270 --> 00:17:05,600

yeah

470

00:17:09,429 --> 00:17:07,280

the closest we came to disclosure prior

471

00:17:11,750 --> 00:17:09,439

to this was roswell and that wasn't

472

00:17:13,750 --> 00:17:11,760

a public uh thing

473

00:17:16,949 --> 00:17:13,760

well it was but i mean it wasn't it was

474

00:17:18,870 --> 00:17:16,959

just it was just circumstantial right

475

00:17:21,429 --> 00:17:18,880

they had a limited amount of time to

476
00:17:23,270 --> 00:17:21,439
retract that story right before the

477
00:17:25,270 --> 00:17:23,280
media got there

478
00:17:26,949 --> 00:17:25,280
and fortunately for them

479
00:17:28,470 --> 00:17:26,959
everything was slower

480
00:17:30,630 --> 00:17:28,480
and here we are

481
00:17:32,710 --> 00:17:30,640
and so they were able to retract it and

482
00:17:35,270 --> 00:17:32,720
now it's taking 75 years to do what

483
00:17:37,750 --> 00:17:35,280
could have happened 75 years that damn

484
00:17:39,830 --> 00:17:37,760
guy with the screw up telling him flying

485
00:17:40,789 --> 00:17:39,840
sauce

486
00:17:42,390 --> 00:17:40,799
later

487
00:17:43,830 --> 00:17:42,400
it's gerber's fault i mean he's the one

488
00:17:46,470 --> 00:17:43,840

ravi did not

489

00:17:48,870 --> 00:17:46,480

do that press conference with uh with

490

00:17:50,710 --> 00:17:48,880

jesse marcel senior on his own authority

491

00:17:53,350 --> 00:17:50,720

i assure you that was a truman decision

492

00:17:55,510 --> 00:17:53,360

asking him by facts or whatever the hell

493

00:17:57,590 --> 00:17:55,520

they were using back then uh and he did

494

00:17:59,350 --> 00:17:57,600

it and they did it fast and boom but we

495

00:18:01,430 --> 00:17:59,360

came that close

496

00:18:03,750 --> 00:18:01,440

and i i'd love to have a more an

497

00:18:06,230 --> 00:18:03,760

extensive kind i'd love to go get up on

498

00:18:08,710 --> 00:18:06,240

a college campus stage uh or college

499

00:18:10,150 --> 00:18:08,720

auditorium stage maybe with one of the

500

00:18:12,630 --> 00:18:10,160

history professors

501
00:18:15,990 --> 00:18:12,640
and just spitball about

502
00:18:18,870 --> 00:18:16,000
how the 20th century might have gone

503
00:18:21,110 --> 00:18:18,880
if if if truman had been uh

504
00:18:23,350 --> 00:18:21,120
off somewhere and unavailable and remy

505
00:18:24,470 --> 00:18:23,360
couldn't act and and by the time they

506
00:18:26,710 --> 00:18:24,480
could get their press conference

507
00:18:28,230 --> 00:18:26,720
together maybe another 48 hours the

508
00:18:30,950 --> 00:18:28,240
press was all over town interviewing

509
00:18:32,950 --> 00:18:30,960
people what a great idea yeah and what

510
00:18:34,549 --> 00:18:32,960
would the 20th century be like there

511
00:18:36,230 --> 00:18:34,559
it's all kinds of fascinating

512
00:18:37,909 --> 00:18:36,240
possibilities there well

513
00:18:39,669 --> 00:18:37,919

but maybe one day we'll have i'll have

514

00:18:41,190 --> 00:18:39,679

that chat with someone yeah we'll have

515

00:18:42,390 --> 00:18:41,200

to make a movie

516

00:18:44,310 --> 00:18:42,400

minor

517

00:18:45,350 --> 00:18:44,320

that's it yeah

518

00:18:47,669 --> 00:18:45,360

um

519

00:18:50,549 --> 00:18:47,679

so the there's something that came out

520

00:18:52,390 --> 00:18:50,559

recently about

521

00:18:53,830 --> 00:18:52,400

the space force possibly getting

522

00:18:55,590 --> 00:18:53,840

involved

523

00:18:59,110 --> 00:18:55,600

in this investigation do you know

524

00:19:02,230 --> 00:19:00,230

well

525

00:19:04,070 --> 00:19:02,240

it wouldn't surprise me if somebody in

526

00:19:05,029 --> 00:19:04,080

the space force didn't raise the idea

527

00:19:07,270 --> 00:19:05,039

that

528

00:19:09,669 --> 00:19:07,280

maybe we could be involved

529

00:19:11,510 --> 00:19:09,679

the space force is a

530

00:19:13,029 --> 00:19:11,520

awkward entity

531

00:19:15,110 --> 00:19:13,039

um

532

00:19:16,870 --> 00:19:15,120

and probably if i were the space force

533

00:19:19,750 --> 00:19:16,880

i'd keep a low profile right now and

534

00:19:20,710 --> 00:19:19,760

just let other people do this

535

00:19:37,270 --> 00:19:20,720

um

536

00:19:41,350 --> 00:19:39,350

meaning you have a militaristic capacity

537

00:19:44,230 --> 00:19:41,360

military capacity to go up and

538

00:19:45,590 --> 00:19:44,240

shoot things uh i guess

539

00:19:47,190 --> 00:19:45,600

i assume that they're talking about

540

00:19:48,950 --> 00:19:47,200

satellites

541

00:19:51,909 --> 00:19:48,960

uh okay

542

00:19:54,070 --> 00:19:51,919

but you realize if we had a a satellite

543

00:19:55,190 --> 00:19:54,080

war where we were taking out satellites

544

00:19:57,510 --> 00:19:55,200

and our enemies were taking out

545

00:19:59,190 --> 00:19:57,520

satellites it's over yeah we realized

546

00:20:00,870 --> 00:19:59,200

we'd have to blow anything up down here

547

00:20:02,789 --> 00:20:00,880

it would just all go to hell without any

548

00:20:05,350 --> 00:20:02,799

explosions down below

549

00:20:08,470 --> 00:20:05,360

so i'm not sure where that's going

550

00:20:10,310 --> 00:20:08,480

uh or is it against the ets is that

551
00:20:12,390 --> 00:20:10,320
really what was behind the space force

552
00:20:13,750 --> 00:20:12,400
or because if it's against the ets

553
00:20:15,830 --> 00:20:13,760
that's not going to work out because we

554
00:20:17,830 --> 00:20:15,840
haven't got a chance against them i

555
00:20:19,669 --> 00:20:17,840
don't care how much force we put in the

556
00:20:21,350 --> 00:20:19,679
space force how much money we spend and

557
00:20:22,950 --> 00:20:21,360
i assure you there are plenty of people

558
00:20:25,669 --> 00:20:22,960
who would love to spend lots of money on

559
00:20:32,070 --> 00:20:28,789
uh so or is it just a political maneuver

560
00:20:35,669 --> 00:20:32,080
a shiny object oh why did this i created

561
00:20:36,950 --> 00:20:35,679
the space force uh so i'm not you know i

562
00:20:38,870 --> 00:20:36,960
don't really give a damn whether the

563
00:20:41,270 --> 00:20:38,880

space force investigates it or not

564

00:20:43,350 --> 00:20:41,280

really but frankly they would be very

565

00:20:45,270 --> 00:20:43,360

wise to just keep out of this

566

00:20:47,590 --> 00:20:45,280

because i know anything they do is

567

00:20:50,390 --> 00:20:47,600

probably not going to work out too well

568

00:20:53,110 --> 00:20:50,400

um got a question here from megan if you

569

00:20:54,630 --> 00:20:53,120

don't mind she is fantastic she's a

570

00:20:57,590 --> 00:20:54,640

great friend of the show

571

00:20:59,590 --> 00:20:57,600

um any thoughts on the new bill you

572

00:21:01,669 --> 00:20:59,600

covered scope an assignment of

573

00:21:04,710 --> 00:21:01,679

responsibilities is there an army and

574

00:21:09,590 --> 00:21:04,720

navy conflict in play is ross cole hart

575

00:21:12,230 --> 00:21:09,600

speculated i know i did i have no idea

576

00:21:14,950 --> 00:21:12,240

by and large for most of the last 75

577

00:21:17,110 --> 00:21:14,960

years the various services were working

578

00:21:18,870 --> 00:21:17,120

very hard did not deal with it at all

579

00:21:20,710 --> 00:21:18,880

so if there was a competition it was on

580

00:21:23,350 --> 00:21:20,720

who could hide the most right who could

581

00:21:24,950 --> 00:21:23,360

who could who could use the scarcer the

582

00:21:27,110 --> 00:21:24,960

most okay

583

00:21:28,950 --> 00:21:27,120

the air force got dragged into this

584

00:21:30,630 --> 00:21:28,960

early and so it's got all this history

585

00:21:34,789 --> 00:21:30,640

and finally it was able to get out from

586

00:21:37,270 --> 00:21:34,799

under it in 69 after really

587

00:21:40,470 --> 00:21:37,280

embarrassing itself got dragged back in

588

00:21:42,950 --> 00:21:40,480

back into it uh in the 90s

589

00:21:45,909 --> 00:21:42,960

uh embarrassed it up again

590

00:21:48,470 --> 00:21:45,919

uh so um

591

00:21:50,230 --> 00:21:48,480

so if it if it is learned

592

00:21:52,870 --> 00:21:50,240

by some of the more

593

00:21:54,630 --> 00:21:52,880

astute aggressive white uh pentagon

594

00:21:56,789 --> 00:21:54,640

correspondents

595

00:21:58,390 --> 00:21:56,799

that the navy the air force in the army

596

00:22:00,390 --> 00:21:58,400

are trying to compete with each other to

597

00:22:03,990 --> 00:22:00,400

see who can get the most stuff out and

598

00:22:04,789 --> 00:22:04,000

be the most helpful to this process

599

00:22:06,390 --> 00:22:04,799

hey

600

00:22:08,230 --> 00:22:06,400

works for me yeah that would be

601
00:22:11,029 --> 00:22:08,240
fantastic

602
00:22:12,630 --> 00:22:11,039
let them compete for who is going to be

603
00:22:13,830 --> 00:22:12,640
who's going to tell the most truth the

604
00:22:15,830 --> 00:22:13,840
fastest

605
00:22:17,669 --> 00:22:15,840
yeah that would be a good idea i highly

606
00:22:19,909 --> 00:22:17,679
recommend that

607
00:22:23,350 --> 00:22:19,919
i'm okay i can back that too that'd be

608
00:22:25,190 --> 00:22:23,360
fantastic yeah sure yeah and i think

609
00:22:27,190 --> 00:22:25,200
it's clear too throughout these decades

610
00:22:29,190 --> 00:22:27,200
there are so many different like um

611
00:22:31,110 --> 00:22:29,200
little departments here and there that's

612
00:22:34,549 --> 00:22:31,120
been looking at this stuff

613
00:22:37,029 --> 00:22:34,559

uh for a long time you know so

614

00:22:40,070 --> 00:22:37,039

i'm sure people have their hands on this

615

00:22:41,830 --> 00:22:40,080

in different ways at uh to some extent

616

00:22:42,630 --> 00:22:41,840

um

617

00:22:45,590 --> 00:22:42,640

so

618

00:22:48,070 --> 00:22:45,600

now you i saw that to you i'm on your uh

619

00:22:48,950 --> 00:22:48,080

newsletter list apparently so

620

00:22:49,830 --> 00:22:48,960

i

621

00:22:51,510 --> 00:22:49,840

yeah

622

00:22:52,870 --> 00:22:51,520

you you're not supposed to be on the

623

00:22:55,270 --> 00:22:52,880

newsletter with this i mean i'm just

624

00:22:57,909 --> 00:22:55,280

kidding

625

00:22:59,190 --> 00:22:57,919

no i just got one so uh today i haven't

626
00:23:01,830 --> 00:22:59,200
heard one in a while and you may have

627
00:23:03,909 --> 00:23:01,840
been out okay you know uh you you've

628
00:23:06,789 --> 00:23:03,919
been off it until just recently but that

629
00:23:10,310 --> 00:23:06,799
wasn't intentional i think that i i

630
00:23:12,630 --> 00:23:10,320
i put them on when i get them

631
00:23:15,270 --> 00:23:12,640
that's okay um no what i wanted to ask

632
00:23:18,950 --> 00:23:15,280
you is the new developments and plans

633
00:23:23,590 --> 00:23:20,789
um

634
00:23:25,270 --> 00:23:23,600
i have some new developments

635
00:23:26,470 --> 00:23:25,280
now i don't want you to take this the

636
00:23:28,070 --> 00:23:26,480
wrong way

637
00:23:29,909 --> 00:23:28,080
sean

638
00:23:32,230 --> 00:23:29,919

ryan's you're a good guy

639

00:23:34,230 --> 00:23:32,240

i respect you and i expect your show

640

00:23:35,750 --> 00:23:34,240

but as it happens

641

00:23:39,029 --> 00:23:35,760

i'm gonna be making an announcement of

642

00:23:41,269 --> 00:23:39,039

prg's new plans a little later today

643

00:23:42,070 --> 00:23:41,279

on jimmy church

644

00:23:44,549 --> 00:23:42,080

yeah

645

00:23:47,190 --> 00:23:44,559

and that's kind of a done deal right so

646

00:23:49,190 --> 00:23:47,200

i'm afraid i okay i can tip your

647

00:23:52,149 --> 00:23:49,200

audience off that i'm going to tip his

648

00:23:53,909 --> 00:23:52,159

audience off uh about some of prg's

649

00:23:55,510 --> 00:23:53,919

future plans which are

650

00:23:59,430 --> 00:23:55,520

i can't

651
00:24:01,430 --> 00:23:59,440
jimmy i cannot get into a lot i can

652
00:24:04,149 --> 00:24:01,440
basically give some basics more will

653
00:24:07,029 --> 00:24:04,159
come later it's a pretty big deal so

654
00:24:09,510 --> 00:24:07,039
yeah um yeah i think after your show was

655
00:24:11,990 --> 00:24:09,520
over i i encourage some people political

656
00:24:13,750 --> 00:24:12,000
pack over to fate and black it doesn't

657
00:24:15,750 --> 00:24:13,760
overlap i don't think

658
00:24:16,630 --> 00:24:15,760
and uh catch me

659
00:24:19,510 --> 00:24:16,640
next

660
00:24:22,230 --> 00:24:19,520
i'm just kidding that's okay uh just

661
00:24:23,590 --> 00:24:22,240
remind jimmy if if he can do this i'll

662
00:24:26,310 --> 00:24:23,600
call it even

663
00:24:28,710 --> 00:24:26,320

uh when you see him go yeah i was just

664

00:24:31,029 --> 00:24:28,720

talking to sean from witness citizen the

665

00:24:33,350 --> 00:24:31,039

guy that got the scoop on the 23-minute

666

00:24:35,510 --> 00:24:33,360

video from elizondo that you didn't get

667

00:24:37,590 --> 00:24:35,520

if you say that it's all good okay now

668

00:24:40,390 --> 00:24:37,600

you're you're you're quite sure you've

669

00:24:42,390 --> 00:24:40,400

got a scoop on that right you got it

670

00:24:44,870 --> 00:24:42,400

oh positively

671

00:24:46,950 --> 00:24:44,880

okay our toy with this possibility yeah

672

00:24:48,710 --> 00:24:46,960

yeah he was pretty pissed about it but

673

00:24:50,390 --> 00:24:48,720

he didn't mention me at all you know

674

00:24:53,029 --> 00:24:50,400

look i think all the podcasts would be

675

00:24:54,789 --> 00:24:53,039

all part of the universe

676

00:24:56,549 --> 00:24:54,799

i got lucky

677

00:24:58,230 --> 00:24:56,559

so um

678

00:24:59,750 --> 00:24:58,240

yeah so i'm excited to hear that so if

679

00:25:03,029 --> 00:24:59,760

you guys want to hear more about uh

680

00:25:06,390 --> 00:25:03,039

paradigm in the future for paradigm

681

00:25:08,950 --> 00:25:06,400

um you can tune into jimmy church later

682

00:25:12,149 --> 00:25:08,960

to hear about that 7 p.m

683

00:25:14,310 --> 00:25:12,159

7 p.m and it seems like it

684

00:25:16,230 --> 00:25:14,320

could work out possibly to come back

685

00:25:19,029 --> 00:25:16,240

here for ross afterwards but although

686

00:25:22,470 --> 00:25:19,039

that's a lot of ufo stuff

687

00:25:24,950 --> 00:25:22,480

how like does your show go um i do all

688

00:25:28,149 --> 00:25:24,960

different types of stuff for for you and

689

00:25:30,390 --> 00:25:28,159

ross i'm doing night shows to you know

690

00:25:31,269 --> 00:25:30,400

just kind of accommodate of course

691

00:25:34,390 --> 00:25:31,279

otherwise

692

00:25:37,510 --> 00:25:34,400

early afternoon we are live correct yeah

693

00:25:38,789 --> 00:25:37,520

yeah and ross is at nine so okay so ross

694

00:25:40,950 --> 00:25:38,799

is at nine

695

00:25:43,909 --> 00:25:40,960

and you'll probably do an hour with ross

696

00:25:47,750 --> 00:25:43,919

yeah okay so boom boom boom people have

697

00:25:49,590 --> 00:25:47,760

got it from from from uh 4 30

698

00:25:51,190 --> 00:25:49,600

all the way to

699

00:25:52,390 --> 00:25:51,200

uh

700

00:25:55,110 --> 00:25:52,400

maybe

701

00:25:56,950 --> 00:25:55,120

nothing but ui back i'm telling you it's

702

00:25:59,909 --> 00:25:56,960

only a matter of time before you can get

703

00:26:02,310 --> 00:25:59,919

up in the morning at like 6 a.m

704

00:26:04,390 --> 00:26:02,320

go to your open your computer up

705

00:26:08,950 --> 00:26:04,400

have everything scheduled and watch

706

00:26:11,430 --> 00:26:08,960

nothing but uap et uh podcasts all day

707

00:26:13,590 --> 00:26:11,440

long just the whole day all the way to

708

00:26:16,310 --> 00:26:13,600

three in the morning right it's only one

709

00:26:18,710 --> 00:26:16,320

time before that's possible

710

00:26:20,310 --> 00:26:18,720

yeah that's true and i mean uh grant

711

00:26:21,909 --> 00:26:20,320

cameron was on here not too long ago and

712

00:26:25,510 --> 00:26:21,919

i really appreciated the way he looked

713

00:26:27,110 --> 00:26:25,520

at uh disclosure uh mentioning

714

00:26:29,750 --> 00:26:27,120

the more you mention it the more people

715

00:26:31,669 --> 00:26:29,760

are talking about it the bigger it gets

716

00:26:34,149 --> 00:26:31,679

it just then happens

717

00:26:35,830 --> 00:26:34,159

you know that's activism my friend if

718

00:26:38,230 --> 00:26:35,840

you want if you want something to happen

719

00:26:40,230 --> 00:26:38,240

you need to mention it all the time

720

00:26:42,070 --> 00:26:40,240

right all the time it's not like you

721

00:26:44,149 --> 00:26:42,080

just put up a statement we need to do

722

00:26:46,310 --> 00:26:44,159

this and then go off and wait for people

723

00:26:47,510 --> 00:26:46,320

to line up behind it oh no you mentioned

724

00:26:49,110 --> 00:26:47,520

it mentioned it mentioned it's called a

725

00:26:51,110 --> 00:26:49,120

presumptive close

726

00:26:53,909 --> 00:26:51,120

and sale i know about that yeah yeah

727

00:26:56,470 --> 00:26:53,919

i've been i was in sales for a while

728

00:26:59,190 --> 00:26:56,480

yeah me too the productive close is

729

00:27:03,350 --> 00:26:59,200

simply this you conduct yourself and

730

00:27:06,390 --> 00:27:03,360

talk to people as if it is a done deal

731

00:27:08,630 --> 00:27:06,400

and it turns out that when you do that

732

00:27:10,070 --> 00:27:08,640

it becomes a done deal

733

00:27:11,510 --> 00:27:10,080

right now you may see this as

734

00:27:12,950 --> 00:27:11,520

manipulative

735

00:27:15,350 --> 00:27:12,960

it's a little bit

736

00:27:17,669 --> 00:27:15,360

but it is it is uh

737

00:27:20,630 --> 00:27:17,679

fundamentally a basis of human nature

738

00:27:21,990 --> 00:27:20,640

and it's how people do live their lives

739

00:27:24,389 --> 00:27:22,000

in other words

740

00:27:27,110 --> 00:27:24,399

if you hear about positive thinking

741

00:27:28,789 --> 00:27:27,120

meaning if you want to go to college

742

00:27:30,389 --> 00:27:28,799

while you're in high school you think

743

00:27:31,510 --> 00:27:30,399

positively about i'm going to college

744

00:27:33,350 --> 00:27:31,520

i'm going to college i'm going to

745

00:27:35,269 --> 00:27:33,360

college and if you do that your chances

746

00:27:36,950 --> 00:27:35,279

of going are a hell of a lot better

747

00:27:38,870 --> 00:27:36,960

that's okay so there's nothing wrong

748

00:27:40,230 --> 00:27:38,880

with that i'm saying if you want

749

00:27:41,430 --> 00:27:40,240

disclosure then you've got to think

750

00:27:42,630 --> 00:27:41,440

disclosure is going to happen it's

751
00:27:43,909 --> 00:27:42,640
definitely going to happen it's going to

752
00:27:46,230 --> 00:27:43,919
happen it's going to happen and guess

753
00:27:48,230 --> 00:27:46,240
what it happens because we're dealing

754
00:27:51,029 --> 00:27:48,240
with human nature not only in a single

755
00:27:53,350 --> 00:27:51,039
person but in millions of people

756
00:27:54,710 --> 00:27:53,360
all activists operate this way

757
00:27:57,269 --> 00:27:54,720
you don't want to go too far you don't

758
00:27:58,950 --> 00:27:57,279
want to become clawing you want to

759
00:28:01,590 --> 00:27:58,960
you want to be reasonable about it but

760
00:28:04,870 --> 00:28:01,600
you never give up the idea

761
00:28:06,470 --> 00:28:04,880
that oh this is going to happen and in

762
00:28:10,070 --> 00:28:06,480
most cases

763
00:28:12,389 --> 00:28:10,080

it always does if you are talking about

764

00:28:14,710 --> 00:28:12,399

righteous goals in other words it's the

765

00:28:17,110 --> 00:28:14,720

classic line of king the moral arc of

766

00:28:18,149 --> 00:28:17,120

the universe is long but it bends toward

767

00:28:19,590 --> 00:28:18,159

justice

768

00:28:21,590 --> 00:28:19,600

so if

769

00:28:23,110 --> 00:28:21,600

if it is justice you're seeking if it's

770

00:28:25,190 --> 00:28:23,120

the truth you're seeking

771

00:28:27,669 --> 00:28:25,200

the ark is going to come it's just a

772

00:28:29,750 --> 00:28:27,679

question of how long and anything you

773

00:28:30,950 --> 00:28:29,760

can do to bend that ark a little bit get

774

00:28:34,549 --> 00:28:30,960

it sooner

775

00:28:36,070 --> 00:28:34,559

you do it yeah no i'm i totally agree

776

00:28:37,590 --> 00:28:36,080

with you it's the power of positive

777

00:28:38,789 --> 00:28:37,600

thinking and that's why i hate to see

778

00:28:41,029 --> 00:28:38,799

when people are fighting right now

779

00:28:43,909 --> 00:28:41,039

because we could be using that to propel

780

00:28:45,350 --> 00:28:43,919

this disclosure movement this down time

781

00:28:49,190 --> 00:28:45,360

isn't a time

782

00:28:50,310 --> 00:28:49,200

for losing sight of reality and how

783

00:28:53,110 --> 00:28:50,320

close it is

784

00:28:54,470 --> 00:28:53,120

what it's time for is recouping

785

00:28:55,350 --> 00:28:54,480

reloading

786

00:28:57,350 --> 00:28:55,360

you know

787

00:28:59,110 --> 00:28:57,360

getting ready for the next push because

788

00:29:01,190 --> 00:28:59,120

there's going to be one and if we're

789

00:29:02,549 --> 00:29:01,200

down and pessimistic we're not going to

790

00:29:04,389 --> 00:29:02,559

do very well

791

00:29:05,750 --> 00:29:04,399

so

792

00:29:07,669 --> 00:29:05,760

you're always going to have push back

793

00:29:09,669 --> 00:29:07,679

you don't don't worry about it i would

794

00:29:11,669 --> 00:29:09,679

much rather have people

795

00:29:13,750 --> 00:29:11,679

engaged and aware of what's going on and

796

00:29:15,669 --> 00:29:13,760

arguing in opposition they're not paying

797

00:29:18,389 --> 00:29:15,679

attention at all simply not caring

798

00:29:20,149 --> 00:29:18,399

anything at all because that they're

799

00:29:22,630 --> 00:29:20,159

and when they debate it they're bringing

800

00:29:24,230 --> 00:29:22,640

the issue up aren't they yeah so i don't

801

00:29:26,310 --> 00:29:24,240

i don't mind it that much if it becomes

802

00:29:28,470 --> 00:29:26,320

overwhelming well yeah it can undermine

803

00:29:30,470 --> 00:29:28,480

but no no no it's okay it's okay to

804

00:29:31,830 --> 00:29:30,480

disagree it's okay to say hey disclosure

805

00:29:34,630 --> 00:29:31,840

i've had plenty of people tell me

806

00:29:36,710 --> 00:29:34,640

disclosure's never gonna happen yeah

807

00:29:38,389 --> 00:29:36,720

that's fine but they they said

808

00:29:39,350 --> 00:29:38,399

disclosure didn't they they used the

809

00:29:42,070 --> 00:29:39,360

word

810

00:29:46,710 --> 00:29:44,630

that's not going to happen right

811

00:29:48,230 --> 00:29:46,720

i'm telling you these this is the art of

812

00:29:50,230 --> 00:29:48,240

activism folks

813

00:29:52,830 --> 00:29:50,240

listen carefully one day you can get in

814

00:29:55,909 --> 00:29:52,840

a lot of trouble like i

815

00:29:57,110 --> 00:29:55,919

have i think you're doing fantastic

816

00:29:59,590 --> 00:29:57,120

by the way

817

00:30:03,830 --> 00:30:02,149

that way some days it does yeah i know

818

00:30:06,389 --> 00:30:03,840

but you've been at this for a while and

819

00:30:08,070 --> 00:30:06,399

you put a lot of hard work into it and i

820

00:30:08,870 --> 00:30:08,080

think it will you know if it wasn't for

821

00:30:10,870 --> 00:30:08,880

you

822

00:30:11,750 --> 00:30:10,880

uh we'd probably be even more in the

823

00:30:13,430 --> 00:30:11,760

dark

824

00:30:14,710 --> 00:30:13,440

especially with the political side of

825

00:30:16,870 --> 00:30:14,720

this so

826

00:30:18,549 --> 00:30:16,880

um you know speaking for everybody else

827

00:30:20,310 --> 00:30:18,559

we're really appreciative of that you've

828

00:30:21,830 --> 00:30:20,320

taken the time to tell us what's going

829

00:30:23,909 --> 00:30:21,840

on so you can say the same thing about

830

00:30:26,230 --> 00:30:23,919

many many of my colleagues i assure you

831

00:30:28,950 --> 00:30:26,240

i there's this is a very large

832

00:30:31,510 --> 00:30:28,960

uh process with a lot of people involved

833

00:30:33,269 --> 00:30:31,520

and in various ways almost every aspect

834

00:30:34,549 --> 00:30:33,279

whether it's journalism research

835

00:30:36,389 --> 00:30:34,559

activism

836

00:30:38,789 --> 00:30:36,399

film production all that kind of stuff

837

00:30:40,870 --> 00:30:38,799

yeah the the disclosure activist

838

00:30:43,669 --> 00:30:40,880

movement is substantial

839

00:30:45,909 --> 00:30:43,679

and talented uh always underfunded if

840

00:30:47,430 --> 00:30:45,919

we've gotten a lot of money tell me we

841

00:30:49,830 --> 00:30:47,440

could have wrapped this up sooner if

842

00:30:51,269 --> 00:30:49,840

yuri milner that very wealthy russian

843

00:30:53,110 --> 00:30:51,279

who decide to give a hundred million

844

00:30:55,990 --> 00:30:53,120

dollars to the disclosure activist

845

00:30:58,389 --> 00:30:56,000

movement instead of to seti to look for

846

00:31:01,750 --> 00:30:58,399

radio signals in the sky which

847

00:31:04,230 --> 00:31:01,760

apparently just start coming through

848

00:31:06,149 --> 00:31:04,240

we would have been further along now but

849

00:31:08,070 --> 00:31:06,159

yuri was sold a bill of goods he bought

850

00:31:09,509 --> 00:31:08,080

it and well apparently he could afford

851
00:31:10,549 --> 00:31:09,519
to lose the money so he threw it down

852
00:31:12,710 --> 00:31:10,559
the toilet

853
00:31:13,669 --> 00:31:12,720
well that's unfortunate

854
00:31:20,230 --> 00:31:13,679
um

855
00:31:22,470 --> 00:31:20,240
think they're just et's or do you have a

856
00:31:25,590 --> 00:31:22,480
hunch on do we got interdimensional

857
00:31:27,990 --> 00:31:25,600
going to or are there more than two

858
00:31:31,509 --> 00:31:28,000
things three four five six seven what

859
00:31:35,830 --> 00:31:33,750
if i were to then i don't go to him but

860
00:31:37,830 --> 00:31:35,840
let's say that i got dragged to a new

861
00:31:39,430 --> 00:31:37,840
york grave

862
00:31:41,430 --> 00:31:39,440
one day and i'm down there and people

863
00:31:42,789 --> 00:31:41,440

are an incredible makeup and these crazy

864

00:31:44,470 --> 00:31:42,799

outfits and they're walking around

865

00:31:46,470 --> 00:31:44,480

semi-stoned and

866

00:31:48,710 --> 00:31:46,480

uh so forth i i could be asked the

867

00:31:49,990 --> 00:31:48,720

question steve is people at this rate

868

00:31:51,590 --> 00:31:50,000

pretty strange yeah they're pretty

869

00:31:53,110 --> 00:31:51,600

strange what do you think you think

870

00:31:54,870 --> 00:31:53,120

they're just regular humans or do you

871

00:31:57,669 --> 00:31:54,880

think they're interdimensionals

872

00:31:59,190 --> 00:31:57,679

uh they could be interdimensionals but

873

00:32:01,269 --> 00:31:59,200

i'm just going to go with you

874

00:32:03,830 --> 00:32:01,279

with just regular humans right because

875

00:32:05,269 --> 00:32:03,840

the odds extremely favor

876

00:32:08,310 --> 00:32:05,279

that basic

877

00:32:10,149 --> 00:32:08,320

uh and a simple explanation it's the

878

00:32:11,590 --> 00:32:10,159

same thing with ets

879

00:32:13,029 --> 00:32:11,600

um

880

00:32:15,990 --> 00:32:13,039

they could be interventionals they could

881

00:32:18,789 --> 00:32:16,000

be time travelers they could be

882

00:32:21,350 --> 00:32:18,799

holograms being

883

00:32:22,230 --> 00:32:21,360

projected from a higher power whatever

884

00:32:25,110 --> 00:32:22,240

the hell

885

00:32:26,549 --> 00:32:25,120

but the overwhelming odds is that our

886

00:32:29,909 --> 00:32:26,559

evolved

887

00:32:31,430 --> 00:32:29,919

sentient beings who are based at another

888

00:32:33,269 --> 00:32:31,440

planet

889

00:32:35,590 --> 00:32:33,279

the odds are overwhelming that that's

890

00:32:37,909 --> 00:32:35,600

where they are and so i just don't need

891

00:32:39,590 --> 00:32:37,919

to go anywhere else until somebody

892

00:32:41,509 --> 00:32:39,600

proves to me there's they're not just

893

00:32:43,509 --> 00:32:41,519

from another planet

894

00:32:44,389 --> 00:32:43,519

i don't need to waste any time

895

00:32:46,470 --> 00:32:44,399

yeah

896

00:32:48,310 --> 00:32:46,480

um what planet

897

00:32:50,470 --> 00:32:48,320

pick one anyone doesn't matter whatever

898

00:32:52,230 --> 00:32:50,480

planet it is there are several 100

899

00:32:53,590 --> 00:32:52,240

million of them i'm talking earth-like

900

00:32:54,389 --> 00:32:53,600

planets out there

901
00:32:56,149 --> 00:32:54,399
so

902
00:32:58,149 --> 00:32:56,159
who knows only a few hundred million

903
00:32:59,029 --> 00:32:58,159
it's not it's not it's not a lot that's

904
00:33:01,269 --> 00:32:59,039
not

905
00:33:02,789 --> 00:33:01,279
a million yeah you know

906
00:33:04,950 --> 00:33:02,799
you know and none of them actually got

907
00:33:05,830 --> 00:33:04,960
the life it just it didn't work out you

908
00:33:08,310 --> 00:33:05,840
know

909
00:33:10,389 --> 00:33:08,320
only here right yeah i thought we were

910
00:33:11,830 --> 00:33:10,399
special yeah

911
00:33:13,029 --> 00:33:11,840
i'll tell you there's a whole lot of

912
00:33:15,029 --> 00:33:13,039
people

913
00:33:16,630 --> 00:33:15,039

you see there was a time before the

914

00:33:18,070 --> 00:33:16,640

internet when you could say anything

915

00:33:19,830 --> 00:33:18,080

about this issue i mean you could come

916

00:33:22,630 --> 00:33:19,840

up with any cockamamie explanation

917

00:33:24,149 --> 00:33:22,640

debunk whatever and it was printed out

918

00:33:25,029 --> 00:33:24,159

on some newsletter

919

00:33:26,470 --> 00:33:25,039

on a

920

00:33:27,590 --> 00:33:26,480

machine what they call one of those

921

00:33:28,710 --> 00:33:27,600

machines

922

00:33:30,549 --> 00:33:28,720

uh

923

00:33:32,950 --> 00:33:30,559

or it was printed in a newspaper that

924

00:33:35,830 --> 00:33:32,960

got thrown out the next day

925

00:33:37,269 --> 00:33:35,840

uh what have you or if you were really

926
00:33:39,590 --> 00:33:37,279
you might write a book

927
00:33:41,269 --> 00:33:39,600
that would disappear because nobody it

928
00:33:44,230 --> 00:33:41,279
would just be gone

929
00:33:46,549 --> 00:33:44,240
since 1995

930
00:33:48,950 --> 00:33:46,559
all pretty much everything anybody in

931
00:33:51,750 --> 00:33:48,960
the public arena has said

932
00:33:54,310 --> 00:33:51,760
about how this issue is bogus how it's

933
00:33:56,470 --> 00:33:54,320
not real how we're the only life in the

934
00:33:57,269 --> 00:33:56,480
universe wherever the hell

935
00:33:59,110 --> 00:33:57,279
well

936
00:34:01,909 --> 00:33:59,120
it's still there

937
00:34:04,950 --> 00:34:01,919
and so soon they're going to have to go

938
00:34:06,630 --> 00:34:04,960

back and kind of deal with this some of

939

00:34:08,950 --> 00:34:06,640

them will try to expunge i don't know

940

00:34:11,109 --> 00:34:08,960

they'll they'll claim to be a a teenager

941

00:34:13,990 --> 00:34:11,119

and and try to get facebook to expunge

942

00:34:16,310 --> 00:34:14,000

all their earlier posts which

943

00:34:17,669 --> 00:34:16,320

that's not going to work twit tweeters

944

00:34:19,349 --> 00:34:17,679

all that kind of stuff

945

00:34:21,270 --> 00:34:19,359

uh they're they're literally going to

946

00:34:22,710 --> 00:34:21,280

have to answer for every stupid thing

947

00:34:24,909 --> 00:34:22,720

they've ever said about this issue and

948

00:34:27,589 --> 00:34:24,919

i'm talking about physicists

949

00:34:29,430 --> 00:34:27,599

astrophysicists other college professors

950

00:34:30,710 --> 00:34:29,440

top journalists pulitzer prize winners

951
00:34:32,389 --> 00:34:30,720
all of them

952
00:34:34,950 --> 00:34:32,399
are going to have an issue because

953
00:34:38,149 --> 00:34:34,960
people are going to point out you

954
00:34:40,869 --> 00:34:38,159
you said this back in 1998 really you

955
00:34:43,349 --> 00:34:42,389
why didn't you get what was going on i

956
00:34:44,470 --> 00:34:43,359
mean what

957
00:34:45,669 --> 00:34:44,480
uh were you

958
00:34:48,149 --> 00:34:45,679
how do you account for it oh i just

959
00:34:50,310 --> 00:34:48,159
didn't know i'm sorry i didn't get it

960
00:34:52,790 --> 00:34:50,320
hey but you know you've got two phds in

961
00:34:54,310 --> 00:34:52,800
physics yeah you get it right you have

962
00:34:56,310 --> 00:34:54,320
no nobody told you

963
00:34:57,510 --> 00:34:56,320

you can't really read stanton friedman's

964

00:34:58,310 --> 00:34:57,520

books i mean what

965

00:35:00,870 --> 00:34:58,320

so

966

00:35:02,069 --> 00:35:00,880

it's going to be interesting uh

967

00:35:04,069 --> 00:35:02,079

and you didn't have to be so

968

00:35:06,310 --> 00:35:04,079

condescending either you know that's the

969

00:35:08,230 --> 00:35:06,320

thing you cannot you know

970

00:35:10,390 --> 00:35:08,240

no not you the

971

00:35:12,069 --> 00:35:10,400

the the scientists yeah

972

00:35:13,670 --> 00:35:12,079

oh oh

973

00:35:16,870 --> 00:35:13,680

yeah yeah

974

00:35:17,910 --> 00:35:16,880

now am i going to be condescending

975

00:35:19,510 --> 00:35:17,920

um

976

00:35:20,950 --> 00:35:19,520

i'll tell you what

977

00:35:22,870 --> 00:35:20,960

i'm going to be condescending in a

978

00:35:24,950 --> 00:35:22,880

general sense like this because i am

979

00:35:27,829 --> 00:35:24,960

being condescending right now but i'm

980

00:35:29,349 --> 00:35:27,839

not going to do it in person

981

00:35:31,190 --> 00:35:29,359

i'm not going to move your face and be

982

00:35:33,589 --> 00:35:31,200

condescending i'm just gonna be

983

00:35:38,550 --> 00:35:33,599

generally condescending

984

00:35:38,560 --> 00:35:42,710

general condescension

985

00:35:46,870 --> 00:35:45,390

oh yeah that's gc yep yeah pc

986

00:35:48,390 --> 00:35:46,880

[Laughter]

987

00:35:49,270 --> 00:35:48,400

yeah yeah

988

00:35:52,069 --> 00:35:49,280

so

989

00:35:54,230 --> 00:35:52,079

um i appreciate you bringing your gc

990

00:35:56,829 --> 00:35:54,240

here to this show because it does make

991

00:36:00,230 --> 00:35:58,390

so

992

00:36:02,630 --> 00:36:00,240

what is there anything

993

00:36:05,349 --> 00:36:02,640

that we should know what should we know

994

00:36:07,190 --> 00:36:05,359

you know there's there's a lot happening

995

00:36:08,950 --> 00:36:07,200

and these podcasters and the people

996

00:36:11,589 --> 00:36:08,960

doing the interviews they do their best

997

00:36:13,750 --> 00:36:11,599

to to get out what the most important

998

00:36:16,150 --> 00:36:13,760

stuff is but sometimes we miss stuff

999

00:36:19,430 --> 00:36:16,160

and you don't get that answer if you

1000

00:36:20,390 --> 00:36:19,440

don't ask so i'm asking you okay tell me

1001
00:36:22,550 --> 00:36:20,400
yeah

1002
00:36:23,829 --> 00:36:22,560
without me asking here's what they need

1003
00:36:24,790 --> 00:36:23,839
to know

1004
00:36:26,790 --> 00:36:24,800
well i'll tell you some things you need

1005
00:36:29,910 --> 00:36:26,800
to know but first they need to know this

1006
00:36:32,069 --> 00:36:29,920
my website is paradigmresearchgroup.org

1007
00:36:33,829 --> 00:36:32,079
and you got to know how to spell paragon

1008
00:36:35,270 --> 00:36:33,839
a lot of people can't

1009
00:36:37,510 --> 00:36:35,280
uh but it's a really it's gonna be a big

1010
00:36:38,829 --> 00:36:37,520
word this century all right

1011
00:36:40,870 --> 00:36:38,839
so go to

1012
00:36:42,230 --> 00:36:40,880
paradigmresearchgroup.org go go over in

1013
00:36:45,190 --> 00:36:42,240

the right to

1014

00:36:46,630 --> 00:36:45,200

resources go down to print media archive

1015

00:36:48,870 --> 00:36:46,640

click on that click through the flash

1016

00:36:50,470 --> 00:36:48,880

page and get to the archive

1017

00:36:52,150 --> 00:36:50,480

now when you get there

1018

00:36:53,510 --> 00:36:52,160

what you're going to find

1019

00:36:55,829 --> 00:36:53,520

is 12 000

1020

00:36:57,990 --> 00:36:55,839

links to links to 12 000

1021

00:37:00,790 --> 00:36:58,000

news print media articles

1022

00:37:02,630 --> 00:37:00,800

uh mainstream mainstream not not fringe

1023

00:37:06,069 --> 00:37:02,640

stuff not paranormal

1024

00:37:10,150 --> 00:37:06,079

uh but focus on the last four years

1025

00:37:11,750 --> 00:37:10,160

started october the 10th of 2017

1026
00:37:14,550 --> 00:37:11,760
okay and where you'll see the first two

1027
00:37:16,550 --> 00:37:14,560
articles regarding the tsa which

1028
00:37:18,230 --> 00:37:16,560
launched the next day

1029
00:37:19,589 --> 00:37:18,240
and those two articles are earmarked and

1030
00:37:23,270 --> 00:37:19,599
read

1031
00:37:25,190 --> 00:37:23,280
forward in time

1032
00:37:27,349 --> 00:37:25,200
to the present day

1033
00:37:29,190 --> 00:37:27,359
and you will have about 1 000 articles

1034
00:37:30,310 --> 00:37:29,200
that you can read that are earmarked and

1035
00:37:33,109 --> 00:37:30,320
read

1036
00:37:34,630 --> 00:37:33,119
about the tsa the people in it uh

1037
00:37:35,990 --> 00:37:34,640
things that develop

1038
00:37:38,069 --> 00:37:36,000

from the new york times articles and

1039

00:37:40,150 --> 00:37:38,079

everything else it just unfolded so it's

1040

00:37:41,750 --> 00:37:40,160

like an expanding cone

1041

00:37:44,310 --> 00:37:41,760

one thousand articles and when you

1042

00:37:46,069 --> 00:37:44,320

finish reading all 1 000 of us articles

1043

00:37:49,030 --> 00:37:46,079

you will know more

1044

00:37:51,430 --> 00:37:49,040

than 99.9

1045

00:37:52,710 --> 00:37:51,440

on this subject in the america on on

1046

00:37:54,950 --> 00:37:52,720

what's happened in the last four years

1047

00:37:57,109 --> 00:37:54,960

the nine of the people in the country

1048

00:37:58,390 --> 00:37:57,119

now after you get that take about three

1049

00:38:01,910 --> 00:37:58,400

to four days

1050

00:38:03,670 --> 00:38:01,920

uh you go to over two uh issues

1051
00:38:05,910 --> 00:38:03,680
in the menu come on down

1052
00:38:08,870 --> 00:38:05,920
you want me to screen share it

1053
00:38:11,030 --> 00:38:08,880
do whatever you want ttsa

1054
00:38:13,030 --> 00:38:11,040
and then slide over to

1055
00:38:14,150 --> 00:38:13,040
ttsa media

1056
00:38:16,390 --> 00:38:14,160
click on that

1057
00:38:19,589 --> 00:38:16,400
and you'll go to a media page

1058
00:38:22,150 --> 00:38:19,599
okay that has about right now it has 160

1059
00:38:24,790 --> 00:38:22,160
video clips some

1060
00:38:27,190 --> 00:38:24,800
video clips of a presentation by melon

1061
00:38:28,950 --> 00:38:27,200
elizondo and others as well as news

1062
00:38:31,270 --> 00:38:28,960
interviews of them and news clips and so

1063
00:38:34,630 --> 00:38:31,280

forth 160 video clips

1064

00:38:37,030 --> 00:38:34,640

uh and and i need to put up 50 more

1065

00:38:38,390 --> 00:38:37,040

that i've gotten behind on so soon it'll

1066

00:38:39,829 --> 00:38:38,400

be 200.

1067

00:38:41,990 --> 00:38:39,839

watch them all

1068

00:38:44,230 --> 00:38:42,000

and when and he's again in chronological

1069

00:38:46,069 --> 00:38:44,240

order okay in this case i have to

1070

00:38:47,750 --> 00:38:46,079

reverse you start at the top and you

1071

00:38:49,670 --> 00:38:47,760

just keep looking as you go down to the

1072

00:38:52,230 --> 00:38:49,680

bottom and when you have watched every

1073

00:38:53,589 --> 00:38:52,240

one of those you will know more about

1074

00:38:55,910 --> 00:38:53,599

what's happened in the last four years

1075

00:38:57,589 --> 00:38:55,920

than 99.99

1076

00:38:59,190 --> 00:38:57,599

of the people in the country and

1077

00:39:01,190 --> 00:38:59,200

therefore anybody asks you what's going

1078

00:39:03,750 --> 00:39:01,200

on you're going to say i know

1079

00:39:06,550 --> 00:39:03,760

that's what you need to do if you really

1080

00:39:10,470 --> 00:39:06,560

want to know grabbing a little a tidbit

1081

00:39:11,829 --> 00:39:10,480

from this podcast that podcast whatever

1082

00:39:14,790 --> 00:39:11,839

you're not going to get this picture

1083

00:39:16,630 --> 00:39:14,800

because what's going on is big

1084

00:39:18,630 --> 00:39:16,640

like the civil war you know civil war

1085

00:39:20,150 --> 00:39:18,640

was big so like trying to keep up with

1086

00:39:22,390 --> 00:39:20,160

it was really hard back then not to

1087

00:39:24,069 --> 00:39:22,400

mention there was no internet uh but

1088

00:39:25,910 --> 00:39:24,079

this is big too if you want to keep up

1089

00:39:27,510 --> 00:39:25,920

with this history of this level you're

1090

00:39:29,750 --> 00:39:27,520

just not going to keep up by i don't

1091

00:39:32,150 --> 00:39:29,760

know checking in once in a while

1092

00:39:34,150 --> 00:39:32,160

no no no so that's the first thing i'll

1093

00:39:36,069 --> 00:39:34,160

tell you the second third thing second

1094

00:39:38,550 --> 00:39:36,079

thing third thing

1095

00:39:41,349 --> 00:39:38,560

you got to keep these things in mind

1096

00:39:44,230 --> 00:39:41,359

whatever you read here

1097

00:39:45,990 --> 00:39:44,240

uh and view on this on this subject

1098

00:39:48,069 --> 00:39:46,000

first of all and you're trying to

1099

00:39:49,910 --> 00:39:48,079

understand it in other words

1100

00:39:51,430 --> 00:39:49,920

why did they say that what does it mean

1101
00:39:54,150 --> 00:39:51,440
does it make sense why does it make

1102
00:39:55,670 --> 00:39:54,160
sense et cetera et cetera et cetera

1103
00:39:56,950 --> 00:39:55,680
i've said this a thousand times but i

1104
00:39:59,030 --> 00:39:56,960
love saying it and i'll say it a

1105
00:40:01,109 --> 00:39:59,040
thousand more

1106
00:40:03,030 --> 00:40:01,119
the united states government

1107
00:40:04,390 --> 00:40:03,040
meaning those who have a need to know on

1108
00:40:06,150 --> 00:40:04,400
the subject

1109
00:40:07,589 --> 00:40:06,160
as well of a lot of other people inside

1110
00:40:09,190 --> 00:40:07,599
the government figured it out on their

1111
00:40:10,470 --> 00:40:09,200
own or were tipped off you know one of

1112
00:40:12,309 --> 00:40:10,480
this you know

1113
00:40:13,910 --> 00:40:12,319

nudge nudge

1114

00:40:15,990 --> 00:40:13,920

has known about the extraterrestrial

1115

00:40:17,109 --> 00:40:16,000

presence since 1947.

1116

00:40:20,790 --> 00:40:17,119

yeah

1117

00:40:22,710 --> 00:40:20,800

at 74 years it's a long time okay 1947.

1118

00:40:25,430 --> 00:40:22,720

74 years

1119

00:40:27,990 --> 00:40:25,440

people in our government need to know

1120

00:40:29,589 --> 00:40:28,000

not a massive number probably varies but

1121

00:40:31,430 --> 00:40:29,599

you know so in a sense the government

1122

00:40:36,230 --> 00:40:31,440

knows if you talk to the right person

1123

00:40:38,230 --> 00:40:36,240

about the et presence for 74 years

1124

00:40:41,190 --> 00:40:38,240

two the government has been studying

1125

00:40:43,670 --> 00:40:41,200

every aspect of that phenomena

1126
00:40:46,950 --> 00:40:43,680
under classified programs

1127
00:40:48,790 --> 00:40:46,960
for 74 years everything they can find if

1128
00:40:52,309 --> 00:40:48,800
they if they've got crash vehicles which

1129
00:40:54,710 --> 00:40:52,319
they do uh re-engineering research study

1130
00:40:55,670 --> 00:40:54,720
for 74 years they've never taken a year

1131
00:40:57,190 --> 00:40:55,680
off

1132
00:40:58,950 --> 00:40:57,200
they never said look you know we're

1133
00:41:00,550 --> 00:40:58,960
learning some things about the tech but

1134
00:41:02,390 --> 00:41:00,560
let's take four or five years off just

1135
00:41:05,030 --> 00:41:02,400
don't hurry no

1136
00:41:07,270 --> 00:41:05,040
they've been studying it religiously for

1137
00:41:09,990 --> 00:41:07,280
74 years so when they talk about the

1138
00:41:12,630 --> 00:41:10,000

8-tip program fine

1139

00:41:15,190 --> 00:41:12,640

but in context what does it mean not a

1140

00:41:17,030 --> 00:41:15,200

lot no because the real research is

1141

00:41:18,390 --> 00:41:17,040

happening completely out of sight and

1142

00:41:20,950 --> 00:41:18,400

it's a thousand times bigger than the

1143

00:41:22,230 --> 00:41:20,960

a-tip program okay that's the second

1144

00:41:24,150 --> 00:41:22,240

thing you need to know third thing you

1145

00:41:26,470 --> 00:41:24,160

need to know the government made the

1146

00:41:28,069 --> 00:41:26,480

decision to embargo this issue

1147

00:41:30,950 --> 00:41:28,079

prevent it from being acknowledged

1148

00:41:33,990 --> 00:41:30,960

confirmed minimize it being engaged by

1149

00:41:36,390 --> 00:41:34,000

society scientists colleges universities

1150

00:41:40,309 --> 00:41:36,400

and to the extent they could without

1151
00:41:42,630 --> 00:41:40,319
taking over the the media a la well

1152
00:41:44,150 --> 00:41:42,640
you know coups uh

1153
00:41:49,190 --> 00:41:44,160
keeping an embargo

1154
00:41:50,630 --> 00:41:49,200
yeah a sophisticated 74-year program

1155
00:41:52,069 --> 00:41:50,640
you don't have a need to know you don't

1156
00:41:53,589 --> 00:41:52,079
have a right to know you can't handle

1157
00:41:55,990 --> 00:41:53,599
the truth we're not going to tell you if

1158
00:41:58,309 --> 00:41:56,000
you ask us we'll lie or we'll ignore you

1159
00:41:59,990 --> 00:41:58,319
for 74 years okay

1160
00:42:03,109 --> 00:42:00,000
got to know that that's that's not a

1161
00:42:05,270 --> 00:42:03,119
theory that is a fact so when you get

1162
00:42:07,750 --> 00:42:05,280
these three things down in your head and

1163
00:42:08,870 --> 00:42:07,760

you realize these are all facts

1164

00:42:10,150 --> 00:42:08,880

oh did i mention that there's an

1165

00:42:11,510 --> 00:42:10,160

extraterrestrial present yeah that's a

1166

00:42:13,829 --> 00:42:11,520

fact too

1167

00:42:15,349 --> 00:42:13,839

now when you see these things happening

1168

00:42:16,390 --> 00:42:15,359

you start to see them in a different

1169

00:42:18,470 --> 00:42:16,400

light

1170

00:42:20,230 --> 00:42:18,480

it's not like marco rubio just

1171

00:42:22,950 --> 00:42:20,240

discovered

1172

00:42:25,670 --> 00:42:22,960

there's extraterrestrials here you know

1173

00:42:27,030 --> 00:42:25,680

or or some air force guy goes

1174

00:42:29,670 --> 00:42:27,040

wow

1175

00:42:31,109 --> 00:42:29,680

uh i had no idea that

1176

00:42:33,829 --> 00:42:31,119

there were these things flying around

1177

00:42:34,710 --> 00:42:33,839

our aircraft carriers

1178

00:42:37,109 --> 00:42:34,720

no

1179

00:42:39,349 --> 00:42:37,119

yeah oh again so

1180

00:42:41,270 --> 00:42:39,359

people well then

1181

00:42:43,990 --> 00:42:41,280

okay but then that's not right they

1182

00:42:45,589 --> 00:42:44,000

should acknowledge that they've known or

1183

00:42:47,910 --> 00:42:45,599

they should acknowledge this not why are

1184

00:42:51,349 --> 00:42:47,920

they having to dance around the issue

1185

00:42:53,349 --> 00:42:51,359

yeah because of the truth embargo

1186

00:42:55,109 --> 00:42:53,359

first of all the truth embargo was still

1187

00:42:56,790 --> 00:42:55,119

underway

1188

00:42:58,710 --> 00:42:56,800

and so theoretically they're not

1189

00:43:01,829 --> 00:42:58,720

supposed to do that

1190

00:43:04,069 --> 00:43:01,839

and but as things start to unfold as we

1191

00:43:05,910 --> 00:43:04,079

start to extricate out from under the

1192

00:43:08,230 --> 00:43:05,920

truth embargo

1193

00:43:10,950 --> 00:43:08,240

they are having to deal with that

1194

00:43:13,430 --> 00:43:10,960

and if they can't just come out and say

1195

00:43:15,430 --> 00:43:13,440

yeah we had an improv

1196

00:43:17,750 --> 00:43:15,440

all right here's the deal et's are here

1197

00:43:19,589 --> 00:43:17,760

they can't do that i mean they can but i

1198

00:43:21,670 --> 00:43:19,599

assure you it will not go well for them

1199

00:43:23,829 --> 00:43:21,680

and so they're having they had to play

1200

00:43:26,390 --> 00:43:23,839

ball during those 74 years the truth

1201

00:43:28,309 --> 00:43:26,400

embargo was in place and everyone to one

1202

00:43:30,309 --> 00:43:28,319

degree or another is having to play ball

1203

00:43:32,950 --> 00:43:30,319

as we get out from under the truth

1204

00:43:34,550 --> 00:43:32,960

embargo and by and large

1205

00:43:36,069 --> 00:43:34,560

you're not going to start getting what

1206

00:43:37,349 --> 00:43:36,079

we'll call

1207

00:43:39,349 --> 00:43:37,359

fact

1208

00:43:41,109 --> 00:43:39,359

clear straightforward answers from

1209

00:43:43,510 --> 00:43:41,119

anybody

1210

00:43:46,069 --> 00:43:43,520

until after the embargo is over and

1211

00:43:47,030 --> 00:43:46,079

we're in the post-disclosure world

1212

00:43:48,790 --> 00:43:47,040

then

1213

00:43:51,270 --> 00:43:48,800

a lot of people are going to be freed up

1214

00:43:53,190 --> 00:43:51,280

and pretty much tell you what's what

1215

00:43:55,990 --> 00:43:53,200

but now before the truth embargo is

1216

00:43:57,510 --> 00:43:56,000

ended i i believe that you will get

1217

00:43:58,550 --> 00:43:57,520

straight answers from the witnesses that

1218

00:43:59,910 --> 00:43:58,560

are going to appear at these hearings

1219

00:44:01,589 --> 00:43:59,920

there's no reason for them to lie they

1220

00:44:02,950 --> 00:44:01,599

will tell the truth and if there's

1221

00:44:05,109 --> 00:44:02,960

something they can't talk about they

1222

00:44:08,230 --> 00:44:05,119

will simply defer to private uh

1223

00:44:09,829 --> 00:44:08,240

classified hearings uh they

1224

00:44:10,950 --> 00:44:09,839

so we will get some straight answers in

1225

00:44:15,510 --> 00:44:10,960

the hearings

1226

00:44:17,750 --> 00:44:15,520

you nobody is giving a straight answer

1227

00:44:20,630 --> 00:44:17,760

they're having to play ball now because

1228

00:44:23,270 --> 00:44:20,640

there is a process underway that is

1229

00:44:26,150 --> 00:44:23,280

leading to where we need to go and that

1230

00:44:28,150 --> 00:44:26,160

process is more important than them

1231

00:44:30,069 --> 00:44:28,160

being able to be absolutely

1232

00:44:32,630 --> 00:44:30,079

matter-of-fact with the press or you or

1233

00:44:34,790 --> 00:44:32,640

anybody else and i respect that i'm not

1234

00:44:36,710 --> 00:44:34,800

going to be bitching about that when

1235

00:44:38,870 --> 00:44:36,720

we're getting to the finish line i'm not

1236

00:44:41,829 --> 00:44:38,880

going to be complaining to other runners

1237

00:44:43,910 --> 00:44:41,839

you know you know your shorts are dirty

1238

00:44:45,190 --> 00:44:43,920

you need to get a new top or whatever

1239

00:44:46,790 --> 00:44:45,200

you would do

1240

00:44:48,710 --> 00:44:46,800

yeah i'm not going to

1241

00:44:51,109 --> 00:44:48,720

finish the race first and then we can

1242

00:44:52,710 --> 00:44:51,119

complain or criticize each other's uh

1243

00:44:53,750 --> 00:44:52,720

building outfits

1244

00:44:55,349 --> 00:44:53,760

sure

1245

00:44:57,910 --> 00:44:55,359

um

1246

00:44:59,829 --> 00:44:57,920

you think hearings were to happen you

1247

00:45:01,349 --> 00:44:59,839

know hard to say i guess but by the end

1248

00:45:02,630 --> 00:45:01,359

of the year

1249

00:45:05,190 --> 00:45:02,640

or at least

1250

00:45:07,990 --> 00:45:05,200

it'd be getting close a lot of hoopla

1251

00:45:10,150 --> 00:45:08,000

about it at the very least look

1252

00:45:11,589 --> 00:45:10,160

if is it just a virus

1253

00:45:13,670 --> 00:45:11,599

they have a hearing they can hold it in

1254

00:45:15,750 --> 00:45:13,680

a couple of days right i mean it's not

1255

00:45:17,030 --> 00:45:15,760

hard to do that's why the

1256

00:45:19,030 --> 00:45:17,040

committee chair says we're going to have

1257

00:45:20,790 --> 00:45:19,040

a hearing they put the call out to the

1258

00:45:22,309 --> 00:45:20,800

witnesses they fly them in and they

1259

00:45:23,109 --> 00:45:22,319

stick them up on the table that's it

1260

00:45:25,190 --> 00:45:23,119

okay

1261

00:45:27,990 --> 00:45:25,200

so it's a big deal yeah so let's say

1262

00:45:30,470 --> 00:45:28,000

that 60 days is now the framework

1263

00:45:33,589 --> 00:45:30,480

so we're talking end of uh september

1264

00:45:35,750 --> 00:45:33,599

early october all right so

1265

00:45:36,870 --> 00:45:35,760

it's possible about 60 days if the

1266

00:45:38,309 --> 00:45:36,880

pandemic

1267

00:45:39,190 --> 00:45:38,319

starts to look better we get over this

1268

00:45:40,790 --> 00:45:39,200

surge

1269

00:45:42,390 --> 00:45:40,800

uh one of the chairs could call for

1270

00:45:43,589 --> 00:45:42,400

hearings in early october and it might

1271

00:45:45,030 --> 00:45:43,599

take 10 days to put it together

1272

00:45:46,550 --> 00:45:45,040

mid-october

1273

00:45:48,069 --> 00:45:46,560

that's kind of the end of the year but

1274

00:45:49,030 --> 00:45:48,079

it's not december

1275

00:45:49,829 --> 00:45:49,040

all right

1276

00:45:51,910 --> 00:45:49,839

uh

1277

00:45:53,910 --> 00:45:51,920

and i can assure you

1278

00:45:56,150 --> 00:45:53,920

they're smart enough to know

1279

00:45:58,550 --> 00:45:56,160

how big this is

1280

00:46:01,750 --> 00:45:58,560

and they need to get it done this year

1281

00:46:04,150 --> 00:46:01,760

for sure because next year is an

1282

00:46:06,069 --> 00:46:04,160

election year and you don't want to be

1283

00:46:07,430 --> 00:46:06,079

having to deal with something of this

1284

00:46:09,270 --> 00:46:07,440

magnitude

1285

00:46:11,349 --> 00:46:09,280

while you're trying to decide to run or

1286

00:46:12,870 --> 00:46:11,359

not run or be in the primaries or raise

1287

00:46:14,630 --> 00:46:12,880

money or anything else

1288

00:46:16,550 --> 00:46:14,640

not that not that this issue would

1289

00:46:19,270 --> 00:46:16,560

necessarily hurt them i don't know if it

1290

00:46:22,550 --> 00:46:19,280

would it probably wouldn't but it's just

1291

00:46:24,069 --> 00:46:22,560

big it's it's like

1292

00:46:25,430 --> 00:46:24,079

if it's right for president you're not

1293

00:46:27,670 --> 00:46:25,440

gonna that's not gonna be one of your

1294

00:46:30,470 --> 00:46:27,680

talking points right now well you would

1295

00:46:31,829 --> 00:46:30,480

rather have it done i mean look right

1296

00:46:33,829 --> 00:46:31,839

yeah but it's not a presidential

1297

00:46:35,750 --> 00:46:33,839

elections congressional election and so

1298

00:46:37,190 --> 00:46:35,760

it just they they need they need to get

1299

00:46:38,630 --> 00:46:37,200

these bills done and they need to get

1300

00:46:41,190 --> 00:46:38,640

disclosure done

1301

00:46:43,030 --> 00:46:41,200

so that they will be all campaigning in

1302

00:46:45,750 --> 00:46:43,040

the post-disclosure world the same the

1303

00:46:47,430 --> 00:46:45,760

same situation okay and the issue of

1304

00:46:48,870 --> 00:46:47,440

disclosure not disclosure what's your

1305

00:46:50,470 --> 00:46:48,880

opinion of this do you believe et's are

1306

00:46:52,150 --> 00:46:50,480

here will be moot

1307

00:46:54,069 --> 00:46:52,160

and they could just focus

1308

00:46:55,670 --> 00:46:54,079

on post-disclosure issues and there were

1309

00:46:57,670 --> 00:46:55,680

plenty of those

1310

00:46:59,030 --> 00:46:57,680

and i will be happy to consult with any

1311

00:47:01,030 --> 00:46:59,040

of the members of congress to bring them

1312

00:47:01,750 --> 00:47:01,040

up to speed on the subject what do you

1313

00:47:04,230 --> 00:47:01,760

think

1314

00:47:05,190 --> 00:47:04,240

we're looking at

1315

00:47:07,270 --> 00:47:05,200

uh

1316

00:47:08,550 --> 00:47:07,280

to help them get up to speed and now i

1317

00:47:10,550 --> 00:47:08,560

have plenty of colleagues with well

1318

00:47:12,470 --> 00:47:10,560

they're happy to do the same because if

1319

00:47:14,470 --> 00:47:12,480

they don't get up to speed and we get

1320

00:47:16,390 --> 00:47:14,480

disclosure this year and they start

1321

00:47:17,750 --> 00:47:16,400

flapping their lips next year they're

1322

00:47:19,829 --> 00:47:17,760

going to make rules of themselves and

1323

00:47:20,950 --> 00:47:19,839

that's not a good look for a candidate

1324

00:47:22,470 --> 00:47:20,960

right

1325

00:47:24,150 --> 00:47:22,480

yeah uh

1326

00:47:26,630 --> 00:47:24,160

need to take care of it now most

1327

00:47:29,109 --> 00:47:26,640

definitely and whoever is most vocal

1328

00:47:31,109 --> 00:47:29,119

about it at this point can brag about it

1329

00:47:32,870 --> 00:47:31,119

the most on the election trail you know

1330

00:47:34,790 --> 00:47:32,880

especially if it happens

1331

00:47:35,670 --> 00:47:34,800

and it's actually what we need and

1332

00:47:37,430 --> 00:47:35,680

what's

1333

00:47:39,589 --> 00:47:37,440

you know we think is going to happen

1334

00:47:40,790 --> 00:47:39,599

which is an unveiling to a certain

1335

00:47:43,670 --> 00:47:40,800

extent

1336

00:47:45,589 --> 00:47:43,680

that person who was the head and the

1337

00:47:48,390 --> 00:47:45,599

voice of this thing

1338

00:47:50,069 --> 00:47:48,400

um is looking pretty good so you know we

1339

00:47:52,470 --> 00:47:50,079

were joking about the navy and air force

1340

00:47:54,790 --> 00:47:52,480

fighting to give us disclosure

1341

00:47:57,589 --> 00:47:54,800

uh these guys should be fighting to have

1342

00:48:00,790 --> 00:47:57,599

the hearings at this point

1343

00:48:03,030 --> 00:48:00,800

uh that's not their job uh you know

1344

00:48:05,190 --> 00:48:03,040

where's the the the armed services don't

1345

00:48:07,589 --> 00:48:05,200

put out no no no no

1346

00:48:09,750 --> 00:48:07,599

congress oh congress yeah yeah yeah no

1347

00:48:12,390 --> 00:48:09,760

well they don't need to fight that's the

1348

00:48:14,470 --> 00:48:12,400

beauty of the hearing process yeah any

1349

00:48:15,990 --> 00:48:14,480

committee chair can call hearing any

1350

00:48:17,510 --> 00:48:16,000

time doesn't need permission from

1351

00:48:19,190 --> 00:48:17,520

anybody to have to fight anybody

1352

00:48:20,870 --> 00:48:19,200

basically we're having a hearing and the

1353

00:48:22,230 --> 00:48:20,880

other members the committee could say

1354

00:48:23,589 --> 00:48:22,240

i don't want to do that because they

1355

00:48:24,630 --> 00:48:23,599

tough

1356

00:48:27,030 --> 00:48:24,640

so

1357

00:48:29,109 --> 00:48:27,040

and you might say well if it's that easy

1358

00:48:31,270 --> 00:48:29,119

why hasn't there been lots of hearings

1359

00:48:33,190 --> 00:48:31,280

since 1968

1360

00:48:34,390 --> 00:48:33,200

truth embargo the truth embargo has been

1361

00:48:35,750 --> 00:48:34,400

very effective

1362

00:48:37,510 --> 00:48:35,760

so effective

1363

00:48:39,270 --> 00:48:37,520

effective that

1364

00:48:41,030 --> 00:48:39,280

not a single committee now i know

1365

00:48:42,150 --> 00:48:41,040

there's some some some attempts to get

1366

00:48:43,589 --> 00:48:42,160

hearings

1367

00:48:44,870 --> 00:48:43,599

including some committee chairs that

1368

00:48:46,549 --> 00:48:44,880

were approached

1369

00:48:49,270 --> 00:48:46,559

but the truth embargo was effective

1370

00:48:50,950 --> 00:48:49,280

enough that not a single

1371

00:48:52,710 --> 00:48:50,960

member of a committee

1372

00:48:54,069 --> 00:48:52,720

capable of holding hearings meaning i

1373

00:48:55,349 --> 00:48:54,079

had the clout

1374

00:48:58,870 --> 00:48:55,359

has done it

1375

00:49:00,870 --> 00:48:58,880

since 1968 and so that so again don't

1376

00:49:02,549 --> 00:49:00,880

underestimate how effective the truth

1377

00:49:03,510 --> 00:49:02,559

embargo was it was extraordinarily

1378

00:49:05,349 --> 00:49:03,520

effective

1379

00:49:08,069 --> 00:49:05,359

yeah well i mean we're here yeah it

1380

00:49:09,910 --> 00:49:08,079

seems like it it's just um

1381

00:49:11,589 --> 00:49:09,920

it's time to put the power back in our

1382

00:49:13,190 --> 00:49:11,599

own hands right who are they to have

1383

00:49:15,109 --> 00:49:13,200

this truth over us that's not fair

1384

00:49:17,030 --> 00:49:15,119

there's more of us than them

1385

00:49:19,670 --> 00:49:17,040

so if we can stay positive and keep

1386

00:49:21,190 --> 00:49:19,680

working and we have you

1387

00:49:22,790 --> 00:49:21,200

to keep us happy

1388

00:49:24,309 --> 00:49:22,800

i think we're good we're looking pretty

1389

00:49:26,630 --> 00:49:24,319

good

1390

00:49:28,950 --> 00:49:26,640

that's my job to keep people happy i

1391

00:49:32,230 --> 00:49:28,960

like the condescending steve i don't

1392

00:49:33,910 --> 00:49:32,240

know why i don't know why it plays off

1393

00:49:36,390 --> 00:49:33,920

my dry sense of humor

1394

00:49:38,069 --> 00:49:36,400

um which is similar to my sense of humor

1395

00:49:39,829 --> 00:49:38,079

by the way i must tell you i mean we

1396

00:49:41,670 --> 00:49:39,839

could do we could do a dual act at the

1397

00:49:43,510 --> 00:49:41,680

comedy store i think we could do well

1398

00:49:45,430 --> 00:49:43,520

i'm in it i did stand up when i was a

1399

00:49:47,270 --> 00:49:45,440

kid at my church youth group but i

1400

00:49:51,190 --> 00:49:47,280

didn't have any jokes so i just ripped

1401
00:49:55,589 --> 00:49:54,069
and you didn't make it oh come on man

1402
00:49:57,430 --> 00:49:55,599
really there must have been a producer

1403
00:50:01,030 --> 00:49:57,440
from some show there i mean for crying

1404
00:50:03,109 --> 00:50:01,040
out loud not at church group okay

1405
00:50:04,710 --> 00:50:03,119
you could you could 16 and stand up in

1406
00:50:06,230 --> 00:50:04,720
front of a church youth group you could

1407
00:50:08,309 --> 00:50:06,240
have been a professional

1408
00:50:09,430 --> 00:50:08,319
because i was doing that since i was a

1409
00:50:12,549 --> 00:50:09,440
kid yeah

1410
00:50:16,710 --> 00:50:14,549
steve here here's a good one uh with

1411
00:50:19,750 --> 00:50:16,720
your experience how could this political

1412
00:50:22,790 --> 00:50:19,760
and social process still go wrong

1413
00:50:26,950 --> 00:50:22,800

first of all i'd say humans have the

1414

00:50:29,190 --> 00:50:26,960

enact ability to fixate on

1415

00:50:30,950 --> 00:50:29,200

fear in the worst case scenario

1416

00:50:33,030 --> 00:50:30,960

so i would say

1417

00:50:34,630 --> 00:50:33,040

uh level that out there's so many ways

1418

00:50:38,790 --> 00:50:34,640

this can go wrong right

1419

00:50:42,069 --> 00:50:38,800

but it's not going to so uh well

1420

00:50:44,950 --> 00:50:42,079

look uh i'm not going to be that i i

1421

00:50:50,230 --> 00:50:47,270

look there there are

1422

00:50:52,950 --> 00:50:50,240

there's two kinds of go wrong

1423

00:50:56,870 --> 00:50:52,960

one go wrong is that

1424

00:50:59,510 --> 00:50:56,880

people within government

1425

00:51:01,829 --> 00:50:59,520

develop and uh institute a really big

1426

00:51:04,630 --> 00:51:01,839

pushback and start screwing around with

1427

00:51:06,870 --> 00:51:04,640

the system and whatever to block it

1428

00:51:08,950 --> 00:51:06,880

another way is that the people that are

1429

00:51:10,870 --> 00:51:08,960

really part of the process start doing

1430

00:51:14,150 --> 00:51:10,880

really stupid things

1431

00:51:16,309 --> 00:51:14,160

and kind of undermine their own uh

1432

00:51:18,870 --> 00:51:16,319

progress like again snatching

1433

00:51:21,990 --> 00:51:18,880

uh defeat from the jaws of victory

1434

00:51:23,910 --> 00:51:22,000

and i don't see that happening at all so

1435

00:51:25,910 --> 00:51:23,920

i think we're good there but there's

1436

00:51:27,910 --> 00:51:25,920

some other ways things go wrong and

1437

00:51:30,870 --> 00:51:27,920

unfortunately that that is just the

1438

00:51:32,390 --> 00:51:30,880

nature of the human condition

1439

00:51:35,349 --> 00:51:32,400

uh so

1440

00:51:37,030 --> 00:51:35,359

on the list of those things

1441

00:51:39,829 --> 00:51:37,040

uh

1442

00:51:41,829 --> 00:51:39,839

there's at least a good half dozen

1443

00:51:43,829 --> 00:51:41,839

maybe more

1444

00:51:46,230 --> 00:51:43,839

hot spots in the world right now that

1445

00:51:47,109 --> 00:51:46,240

could open a ward anytime

1446

00:51:48,950 --> 00:51:47,119

yeah

1447

00:51:51,270 --> 00:51:48,960

uh a serious war

1448

00:51:52,710 --> 00:51:51,280

uh this issue is going to get sidelined

1449

00:51:54,069 --> 00:51:52,720

i'm sorry

1450

00:51:55,990 --> 00:51:54,079

uh now i'm not talking about some

1451
00:51:59,030 --> 00:51:56,000
skirmish i'm talking about a serious war

1452
00:52:01,670 --> 00:51:59,040
right another israel uh arab war

1453
00:52:02,870 --> 00:52:01,680
a serious conflict in the south china

1454
00:52:05,589 --> 00:52:02,880
sea

1455
00:52:08,230 --> 00:52:05,599
uh and and i can name others

1456
00:52:10,470 --> 00:52:08,240
uh because wars what we do

1457
00:52:12,950 --> 00:52:10,480
i think throughout the galaxy i think

1458
00:52:14,309 --> 00:52:12,960
the uh human race is known for

1459
00:52:16,309 --> 00:52:14,319
uh

1460
00:52:19,990 --> 00:52:16,319
war guys you know that's what they do

1461
00:52:23,750 --> 00:52:21,990
these guys are into it big they're

1462
00:52:26,549 --> 00:52:23,760
really big into war you know like

1463
00:52:28,390 --> 00:52:26,559

somebody is really big into baseball or

1464

00:52:30,870 --> 00:52:28,400

nhl or whatever the hell

1465

00:52:34,390 --> 00:52:30,880

uh we're into it we're good at it we've

1466

00:52:36,230 --> 00:52:34,400

been uh honing our skills for at least

1467

00:52:37,030 --> 00:52:36,240

10 000 years

1468

00:52:40,950 --> 00:52:37,040

uh

1469

00:52:41,829 --> 00:52:40,960

we we're still doing it

1470

00:52:44,630 --> 00:52:41,839

damn

1471

00:52:47,190 --> 00:52:44,640

they're now using b-52s to try to push

1472

00:52:48,710 --> 00:52:47,200

back the taliban i don't want to be

1473

00:52:50,230 --> 00:52:48,720

critical

1474

00:52:53,430 --> 00:52:50,240

but though

1475

00:52:56,230 --> 00:52:53,440

my my i've lived long enough to know

1476
00:52:59,510 --> 00:52:56,240
that b-52s are not exactly the most

1477
00:53:00,710 --> 00:52:59,520
precise way to how would you say

1478
00:53:02,630 --> 00:53:00,720
inflict

1479
00:53:05,349 --> 00:53:02,640
uh

1480
00:53:09,349 --> 00:53:05,359
laser-like damage surgical damage on the

1481
00:53:11,349 --> 00:53:09,359
ground sure so uh there we have it now

1482
00:53:13,270 --> 00:53:11,359
this was just announced i'm waiting for

1483
00:53:15,829 --> 00:53:13,280
the pushback on this

1484
00:53:16,790 --> 00:53:15,839
uh but i would like to put a shout out

1485
00:53:18,309 --> 00:53:16,800
to joe

1486
00:53:19,109 --> 00:53:18,319
uh joe

1487
00:53:21,270 --> 00:53:19,119
uh

1488
00:53:23,030 --> 00:53:21,280

you seem like a good guy you're kind of

1489

00:53:23,910 --> 00:53:23,040

a centrist giving the left a little

1490

00:53:26,069 --> 00:53:23,920

action

1491

00:53:28,870 --> 00:53:26,079

that's nice that's good

1492

00:53:30,470 --> 00:53:28,880

but if you think the b52 thing is going

1493

00:53:32,950 --> 00:53:30,480

to work for you

1494

00:53:34,870 --> 00:53:32,960

you really need to take more five hour

1495

00:53:37,430 --> 00:53:34,880

energy drinks in the morning because

1496

00:53:39,349 --> 00:53:37,440

it's not it's a huge mistake

1497

00:53:42,790 --> 00:53:39,359

and so yeah

1498

00:53:46,470 --> 00:53:42,800

uh there are a lot of ways that we could

1499

00:53:48,390 --> 00:53:46,480

blow this up along those lines

1500

00:53:50,549 --> 00:53:48,400

uh and uh

1501
00:53:52,230 --> 00:53:50,559
and i and why do i say why bother to say

1502
00:53:53,910 --> 00:53:52,240
this why bother to bring it up at all

1503
00:53:55,829 --> 00:53:53,920
i'll tell you why

1504
00:53:57,030 --> 00:53:55,839
because it is that

1505
00:53:59,349 --> 00:53:57,040
aspect

1506
00:54:01,109 --> 00:53:59,359
of this unfolding history

1507
00:54:03,589 --> 00:54:01,119
that should be

1508
00:54:04,630 --> 00:54:03,599
burned into the brain of every committee

1509
00:54:05,990 --> 00:54:04,640
chair

1510
00:54:07,990 --> 00:54:06,000
in the congress

1511
00:54:10,230 --> 00:54:08,000
as well as every supporter of this issue

1512
00:54:12,390 --> 00:54:10,240
within the dod or the army of the navy

1513
00:54:14,710 --> 00:54:12,400

the air force

1514

00:54:16,790 --> 00:54:14,720

get this done now

1515

00:54:18,470 --> 00:54:16,800

stop dragging your feet

1516

00:54:20,390 --> 00:54:18,480

because somebody is going to blow

1517

00:54:21,829 --> 00:54:20,400

something up somewhere don't you know

1518

00:54:24,230 --> 00:54:21,839

don't you get that you haven't lived

1519

00:54:26,230 --> 00:54:24,240

long enough to know that so get it done

1520

00:54:28,069 --> 00:54:26,240

once you get it done then we're in the

1521

00:54:29,910 --> 00:54:28,079

post-disclosure world then people could

1522

00:54:32,309 --> 00:54:29,920

blow something up and it won't end it

1523

00:54:34,309 --> 00:54:32,319

won't it won't stop our progress on this

1524

00:54:36,710 --> 00:54:34,319

it will not it will we'll still be in

1525

00:54:39,190 --> 00:54:36,720

the post-disclosure world sure all right

1526
00:54:42,630 --> 00:54:39,200
i i know this may sound complex to some

1527
00:54:46,710 --> 00:54:42,640
people but it's really very simple

1528
00:54:49,510 --> 00:54:46,720
yeah get it done now you have delayed it

1529
00:54:52,870 --> 00:54:49,520
for 34

1530
00:54:55,510 --> 00:54:52,880
30 years rather 30 years after the end

1531
00:54:57,829 --> 00:54:55,520
of the cold war which is when we sort of

1532
00:54:59,109 --> 00:54:57,839
got back to normal and started to think

1533
00:55:01,829 --> 00:54:59,119
like we wouldn't blow ourselves up

1534
00:55:03,750 --> 00:55:01,839
anymore and so the time to do it and it

1535
00:55:05,430 --> 00:55:03,760
could have happened in the 1990s but

1536
00:55:08,150 --> 00:55:05,440
they blocked it

1537
00:55:09,750 --> 00:55:08,160
and now we're 30 years into the post

1538
00:55:11,430 --> 00:55:09,760

cold war era

1539

00:55:14,789 --> 00:55:11,440

and we still haven't acknowledged

1540

00:55:17,030 --> 00:55:14,799

something they knew in 1947

1541

00:55:19,510 --> 00:55:17,040

and the weapons are bigger and badder

1542

00:55:20,870 --> 00:55:19,520

and faster and there's seven billion

1543

00:55:23,030 --> 00:55:20,880

people instead of three and a half

1544

00:55:25,589 --> 00:55:23,040

billion people and we're running out of

1545

00:55:27,270 --> 00:55:25,599

water and fish and god knows what else

1546

00:55:28,630 --> 00:55:27,280

and you want to kick the can down the

1547

00:55:30,309 --> 00:55:28,640

road some more

1548

00:55:32,230 --> 00:55:30,319

meaning like another paradigm shift

1549

00:55:34,069 --> 00:55:32,240

without magnitude now okay it'll mess

1550

00:55:37,349 --> 00:55:34,079

anything up mess anything up worse than

1551
00:55:39,109 --> 00:55:37,359
what yeah then we have yeah so again

1552
00:55:41,829 --> 00:55:39,119
that's why i bring that up all right i

1553
00:55:43,510 --> 00:55:41,839
bring it up to be a pain in the ass yeah

1554
00:55:45,510 --> 00:55:43,520
well you should bring that up because

1555
00:55:47,190 --> 00:55:45,520
the war is also

1556
00:55:49,910 --> 00:55:47,200
uh first think of the stuff like the

1557
00:55:51,030 --> 00:55:49,920
pentagon papers you know

1558
00:55:54,710 --> 00:55:51,040
awful

1559
00:55:56,150 --> 00:55:54,720
course yeah and that brings up that

1560
00:55:58,470 --> 00:55:56,160
brings up a little something i like to

1561
00:55:59,829 --> 00:55:58,480
say because i'm i'm working on this i

1562
00:56:00,829 --> 00:55:59,839
may use it again on jimmy he won't give

1563
00:56:02,390 --> 00:56:00,839

a [h__h]

1564

00:56:04,950 --> 00:56:02,400

uh

1565

00:56:07,670 --> 00:56:04,960

there's this famous fable which is one

1566

00:56:10,390 --> 00:56:07,680

of the most uh repeated and known fables

1567

00:56:13,430 --> 00:56:10,400

in the world because it's just a classic

1568

00:56:14,950 --> 00:56:13,440

it goes back to the middle ages

1569

00:56:16,870 --> 00:56:14,960

it turned up initially in groom's fairy

1570

00:56:18,549 --> 00:56:16,880

tales and it's about the boy who called

1571

00:56:20,710 --> 00:56:18,559

look cried wolf

1572

00:56:23,349 --> 00:56:20,720

in the original story the boy keeps

1573

00:56:25,430 --> 00:56:23,359

playing a prank on the on the villagers

1574

00:56:26,870 --> 00:56:25,440

crying room they'll rush out there and

1575

00:56:29,349 --> 00:56:26,880

you know he's he's there getting some

1576

00:56:30,710 --> 00:56:29,359

attention and he's i you know i i

1577

00:56:32,309 --> 00:56:30,720

thought i saw him

1578

00:56:34,789 --> 00:56:32,319

and they'd go home

1579

00:56:37,349 --> 00:56:34,799

he did it again and he came out and he

1580

00:56:39,349 --> 00:56:37,359

did it again and they come again and now

1581

00:56:41,430 --> 00:56:39,359

they're really pissed

1582

00:56:42,390 --> 00:56:41,440

so the fourth time the wolf pack shows

1583

00:56:44,230 --> 00:56:42,400

up

1584

00:56:47,030 --> 00:56:44,240

man in the fable it's a wolf but they

1585

00:56:49,349 --> 00:56:47,040

they run in packs okay right and the guy

1586

00:56:53,030 --> 00:56:49,359

he's crying

1587

00:56:55,510 --> 00:56:53,040

and the villagers say screw you

1588

00:56:57,349 --> 00:56:55,520

and in the fable then the wolf pack eats

1589

00:56:59,910 --> 00:56:57,359

the sheep

1590

00:57:01,430 --> 00:56:59,920

okay that's great fable everybody gets

1591

00:57:02,470 --> 00:57:01,440

it don't they they totally get it really

1592

00:57:04,230 --> 00:57:02,480

cool

1593

00:57:06,549 --> 00:57:04,240

now what a lot of your

1594

00:57:08,069 --> 00:57:06,559

viewers may not know is that there was

1595

00:57:10,549 --> 00:57:08,079

another version a little later in the

1596

00:57:12,470 --> 00:57:10,559

medieval mid ages that came out a

1597

00:57:14,069 --> 00:57:12,480

slightly different one in which the boy

1598

00:57:15,510 --> 00:57:14,079

does the wolf thing and the daddy come

1599

00:57:16,950 --> 00:57:15,520

out and go back and then the wolf pack

1600

00:57:17,990 --> 00:57:16,960

shows up the fourth time and he cries

1601
00:57:18,710 --> 00:57:18,000
wolf

1602
00:57:20,549 --> 00:57:18,720
but

1603
00:57:22,470 --> 00:57:20,559
the villagers don't come out

1604
00:57:24,150 --> 00:57:22,480
and the wolf pack eats the sheep

1605
00:57:27,750 --> 00:57:24,160
and the boy

1606
00:57:30,710 --> 00:57:27,760
okay that was the the later verb

1607
00:57:33,109 --> 00:57:30,720
okay now let's bring this up to the 21st

1608
00:57:35,589 --> 00:57:33,119
century where everything is done on a

1609
00:57:37,589 --> 00:57:35,599
grander scale i guess you could say all

1610
00:57:39,589 --> 00:57:37,599
right more intense

1611
00:57:40,950 --> 00:57:39,599
so in the fable in the version of the

1612
00:57:42,789 --> 00:57:40,960
fable that we're going to be dealing

1613
00:57:45,109 --> 00:57:42,799

with

1614

00:57:47,910 --> 00:57:45,119

uh the boy cries wolf

1615

00:57:49,349 --> 00:57:47,920

and joking christ wolf again oh thanks

1616

00:57:51,750 --> 00:57:49,359

for coming out and i don't see him the

1617

00:57:53,430 --> 00:57:51,760

wolf seems to be gone tries again

1618

00:57:55,270 --> 00:57:53,440

and then finally the fourth time that

1619

00:57:57,190 --> 00:57:55,280

wolfpack shows up and he's yelling god

1620

00:57:59,109 --> 00:57:57,200

has to look back and the people go ah

1621

00:58:01,510 --> 00:57:59,119

screw you

1622

00:58:02,789 --> 00:58:01,520

and what happens next is the wolf pack

1623

00:58:03,829 --> 00:58:02,799

eats the

1624

00:58:05,030 --> 00:58:03,839

sheep

1625

00:58:08,390 --> 00:58:05,040

the boy

1626
00:58:10,390 --> 00:58:08,400
and everybody in the village

1627
00:58:12,789 --> 00:58:10,400
you following me here

1628
00:58:14,150 --> 00:58:12,799
yeah all right okay now let me let me

1629
00:58:17,270 --> 00:58:14,160
let's let's uh

1630
00:58:19,510 --> 00:58:17,280
let's uh uh now interpret that

1631
00:58:20,870 --> 00:58:19,520
in modern terms some of you didn't get

1632
00:58:23,190 --> 00:58:20,880
it the first time it's okay i'm gonna

1633
00:58:24,230 --> 00:58:23,200
spell it out for you vividly unpack it

1634
00:58:26,390 --> 00:58:24,240
please

1635
00:58:27,910 --> 00:58:26,400
now i'm just i'm i'm just selecting some

1636
00:58:31,270 --> 00:58:27,920
things here there are many i could

1637
00:58:34,069 --> 00:58:31,280
select but let's let's look at it

1638
00:58:35,510 --> 00:58:34,079

united states government said

1639

00:58:36,789 --> 00:58:35,520

our ships were attacked to the gulf of

1640

00:58:38,870 --> 00:58:36,799

tonkin

1641

00:58:41,270 --> 00:58:38,880

by pt boats tried to sink them this is

1642

00:58:43,349 --> 00:58:41,280

outrageous unacceptable it's north korea

1643

00:58:45,990 --> 00:58:43,359

okay not earth great north vietnam

1644

00:58:47,109 --> 00:58:46,000

we need to escalate we're gonna have to

1645

00:58:49,109 --> 00:58:47,119

you know bomb

1646

00:58:50,630 --> 00:58:49,119

north vietnam we're gonna have to get

1647

00:58:53,190 --> 00:58:50,640

going we need several hundred thousand

1648

00:58:56,309 --> 00:58:53,200

more troops blah blah blah and off we go

1649

00:58:59,589 --> 00:58:56,319

and then years later we discover well no

1650

00:59:02,069 --> 00:58:59,599

really it wasn't like that

1651
00:59:05,510 --> 00:59:02,079
yeah okay years go by

1652
00:59:07,750 --> 00:59:05,520
oh god says look there's

1653
00:59:09,030 --> 00:59:07,760
mass destruction in iraq

1654
00:59:11,270 --> 00:59:09,040
i mean they said it over and over and

1655
00:59:12,870 --> 00:59:11,280
over and over and over again right yeah

1656
00:59:14,390 --> 00:59:12,880
we have to think action look rock didn't

1657
00:59:16,069 --> 00:59:14,400
have really anything to do with 9-1-1

1658
00:59:18,230 --> 00:59:16,079
but you know they've got weapons of mass

1659
00:59:20,789 --> 00:59:18,240
destruction and you know and that could

1660
00:59:23,270 --> 00:59:20,799
spread whatever and they go in

1661
00:59:24,549 --> 00:59:23,280
and then not too long after that what

1662
00:59:25,750 --> 00:59:24,559
happened

1663
00:59:27,910 --> 00:59:25,760

no

1664

00:59:29,270 --> 00:59:27,920

they went over

1665

00:59:32,390 --> 00:59:29,280

so sorry

1666

00:59:33,670 --> 00:59:32,400

yeah we were sled wolf

1667

00:59:35,430 --> 00:59:33,680

okay

1668

00:59:38,309 --> 00:59:35,440

now

1669

00:59:40,549 --> 00:59:38,319

let's talk about the et issue

1670

00:59:42,950 --> 00:59:40,559

bt issue they've been lying about for 74

1671

00:59:43,829 --> 00:59:42,960

years every day not just

1672

00:59:45,670 --> 00:59:43,839

no the

1673

00:59:47,910 --> 00:59:45,680

the the the vietnam war had a couple of

1674

00:59:50,150 --> 00:59:47,920

lies specific to that time the iraq war

1675

00:59:53,109 --> 00:59:50,160

had several lies specific to that time

1676
00:59:55,510 --> 00:59:53,119
the e.t issue has been a lie for 74

1677
00:59:58,150 --> 00:59:55,520
years every day it is a continuous lie

1678
00:59:59,190 --> 00:59:58,160
it's not a lie no no they have to keep

1679
01:00:00,789 --> 00:59:59,200
lying

1680
01:00:02,390 --> 01:00:00,799
over and over and over and over and over

1681
01:00:04,150 --> 01:00:02,400
again

1682
01:00:07,190 --> 01:00:04,160
and

1683
01:00:08,150 --> 01:00:07,200
that's a big lie woof

1684
01:00:11,750 --> 01:00:08,160
okay

1685
01:00:16,309 --> 01:00:12,829
when you do

1686
01:00:17,750 --> 01:00:16,319
that then something really comes along

1687
01:00:19,030 --> 01:00:17,760
when you need to get the people's

1688
01:00:20,630 --> 01:00:19,040

attention

1689

01:00:23,589 --> 01:00:20,640

right

1690

01:00:26,390 --> 01:00:23,599

in other words believe me

1691

01:00:29,430 --> 01:00:26,400

you need to act now

1692

01:00:32,630 --> 01:00:29,440

you need to respond this is really

1693

01:00:35,190 --> 01:00:33,750

what do you think the villagers are

1694

01:00:38,549 --> 01:00:35,200

going to do

1695

01:00:40,630 --> 01:00:38,559

they're going to say screw you

1696

01:00:41,510 --> 01:00:40,640

and so

1697

01:00:42,789 --> 01:00:41,520

if

1698

01:00:45,430 --> 01:00:42,799

the government's

1699

01:00:46,870 --> 01:00:45,440

not you not united nations are right

1700

01:00:49,430 --> 01:00:46,880

particularly the us government is right

1701

01:00:51,430 --> 01:00:49,440

about the threat of global warming

1702

01:00:54,789 --> 01:00:51,440

and they are going to the people and say

1703

01:00:57,030 --> 01:00:54,799

please believe me like uh

1704

01:00:58,470 --> 01:00:57,040

al gore did who was a course notable

1705

01:01:00,630 --> 01:00:58,480

politician

1706

01:01:03,510 --> 01:01:00,640

please believe me

1707

01:01:07,270 --> 01:01:03,520

you must take we must take action

1708

01:01:10,950 --> 01:01:07,280

the villagers are saying screw you

1709

01:01:12,789 --> 01:01:10,960

and then along comes a pandemic

1710

01:01:14,150 --> 01:01:12,799

really big problem

1711

01:01:16,230 --> 01:01:14,160

and the government comes to the people

1712

01:01:18,390 --> 01:01:16,240

and says believe us

1713

01:01:19,349 --> 01:01:18,400

you need to take this action in that

1714

01:01:21,270 --> 01:01:19,359

action

1715

01:01:23,430 --> 01:01:21,280

and the government is shocked that the

1716

01:01:24,470 --> 01:01:23,440

people are saying screw

1717

01:01:31,589 --> 01:01:24,480

you

1718

01:01:32,470 --> 01:01:31,599

it's not the the the the the wolf's

1719

01:01:33,750 --> 01:01:32,480

you know

1720

01:01:35,349 --> 01:01:33,760

come the fourth time and then they eat

1721

01:01:38,390 --> 01:01:35,359

the sheep

1722

01:01:41,670 --> 01:01:38,400

everybody gets eaten

1723

01:01:43,670 --> 01:01:41,680

all right and so

1724

01:01:45,109 --> 01:01:43,680

the villagers are going to get eaten the

1725

01:01:46,309 --> 01:01:45,119

government that's crying woof is going

1726

01:01:47,430 --> 01:01:46,319

to get eaten

1727

01:01:48,230 --> 01:01:47,440

all right

1728

01:01:49,829 --> 01:01:48,240

and

1729

01:01:53,430 --> 01:01:49,839

whoever the sheep are

1730

01:01:55,029 --> 01:01:53,440

take a pic they're going to get eaten so

1731

01:01:57,990 --> 01:01:55,039

a lot of people are not

1732

01:01:59,270 --> 01:01:58,000

properly appreciative of this fact

1733

01:02:02,069 --> 01:01:59,280

that

1734

01:02:03,670 --> 01:02:02,079

governments got into the lying business

1735

01:02:05,990 --> 01:02:03,680

which you can get away with if you're a

1736

01:02:07,910 --> 01:02:06,000

king or an emperor or an absolute

1737

01:02:09,910 --> 01:02:07,920

dictator when you can just shoot anybody

1738

01:02:13,430 --> 01:02:09,920

that's irritated with you

1739

01:02:15,029 --> 01:02:13,440

but in in endemic democracies lying is

1740

01:02:18,069 --> 01:02:15,039

poison

1741

01:02:19,589 --> 01:02:18,079

you know and sometimes you take the

1742

01:02:21,430 --> 01:02:19,599

first two shots it doesn't kill you but

1743

01:02:22,470 --> 01:02:21,440

the third one does

1744

01:02:24,789 --> 01:02:22,480

so

1745

01:02:26,390 --> 01:02:24,799

they have been lying on a grand scale on

1746

01:02:29,349 --> 01:02:26,400

numerous times and now they're

1747

01:02:31,589 --> 01:02:29,359

incredibly upset that the people are not

1748

01:02:34,950 --> 01:02:31,599

believing them

1749

01:02:36,309 --> 01:02:34,960

and you may say well so what hey

1750

01:02:39,670 --> 01:02:36,319

guess what

1751

01:02:43,190 --> 01:02:41,430

in the not too distant future the entire

1752

01:02:44,950 --> 01:02:43,200

state of california will be on fire and

1753

01:02:46,470 --> 01:02:44,960

they're all going to have to move to the

1754

01:02:48,630 --> 01:02:46,480

midwest and the midwest is going to be

1755

01:02:50,870 --> 01:02:48,640

very upset about that what the hell is

1756

01:02:52,549 --> 01:02:50,880

20 million californians doing moving

1757

01:02:58,710 --> 01:02:52,559

into my state

1758

01:03:02,549 --> 01:03:00,630

what's going on you're still talking

1759

01:03:06,230 --> 01:03:02,559

that's awesome what happened you went to

1760

01:03:08,710 --> 01:03:06,240

the bathroom no the my the stream yard

1761

01:03:10,549 --> 01:03:08,720

uh is not working every other well i was

1762

01:03:12,630 --> 01:03:10,559

i was talking through nothing i was

1763

01:03:13,990 --> 01:03:12,640

talking to nothing for a while yeah you

1764

01:03:14,829 --> 01:03:14,000

did how long

1765

01:03:18,789 --> 01:03:14,839

how

1766

01:03:19,390 --> 01:03:18,799

long like 30 miles like you cut off my

1767

01:03:21,750 --> 01:03:19,400

mic

1768

01:03:23,829 --> 01:03:21,760

[Laughter]

1769

01:03:27,029 --> 01:03:23,839

like 30 minutes you were just talking

1770

01:03:30,950 --> 01:03:28,870

so i'm not sure what's going on here

1771

01:03:32,630 --> 01:03:30,960

with the all the other everything's

1772

01:03:35,430 --> 01:03:32,640

working but stream yards so i'm not

1773

01:03:37,589 --> 01:03:35,440

really sure so hang on why if streaming

1774

01:03:38,870 --> 01:03:37,599

is not working why am i showing on my

1775

01:03:41,349 --> 01:03:38,880

screen and everything

1776

01:03:44,230 --> 01:03:41,359

uh well it's just not working for me

1777

01:03:45,829 --> 01:03:44,240

so you're not you're not seeing me uh

1778

01:03:47,349 --> 01:03:45,839

this is on my phone

1779

01:03:49,589 --> 01:03:47,359

so uh

1780

01:03:52,549 --> 01:03:49,599

on your phone man

1781

01:03:56,710 --> 01:03:52,559

on your computer not your phone no no no

1782

01:04:00,069 --> 01:03:57,910

yeah i didn't want to leave you hanging

1783

01:04:02,230 --> 01:04:00,079

so i popped up my phone quick

1784

01:04:04,710 --> 01:04:02,240

so we have no idea this was one of the

1785

01:04:05,990 --> 01:04:04,720

great analogies of my entire career

1786

01:04:09,109 --> 01:04:06,000

right there i mean

1787

01:04:10,630 --> 01:04:09,119

i was rolling man uh uh and we have no

1788

01:04:12,549 --> 01:04:10,640

idea

1789

01:04:14,309 --> 01:04:12,559

where i and where that went well i'll

1790

01:04:17,910 --> 01:04:14,319

tell you what it was fake

1791

01:04:21,910 --> 01:04:20,789

okay so ask me something else so we can

1792

01:04:22,950 --> 01:04:21,920

move on

1793

01:04:24,309 --> 01:04:22,960

okay

1794

01:04:26,470 --> 01:04:24,319

um

1795

01:04:27,589 --> 01:04:26,480

i'll ask you

1796

01:04:29,990 --> 01:04:27,599

because i got to figure out this

1797

01:04:32,230 --> 01:04:30,000

internet stuff before my next interview

1798

01:04:36,710 --> 01:04:32,240

so i'll ask you one

1799

01:04:40,549 --> 01:04:37,510

um

1800

01:04:43,349 --> 01:04:40,559

how do i look so young this old go ahead

1801

01:04:47,589 --> 01:04:43,359

do you think that do you think the et's

1802

01:04:51,349 --> 01:04:50,069

interesting question

1803

01:04:53,910 --> 01:04:51,359

uh

1804

01:04:56,630 --> 01:04:53,920

if you if you read a reasonable number

1805

01:04:58,630 --> 01:04:56,640

of accounts of contact abducted

1806

01:05:00,549 --> 01:04:58,640

abduction whatever you want to call it

1807

01:05:01,990 --> 01:05:00,559

uh and there have been hundreds and

1808

01:05:03,430 --> 01:05:02,000

hundreds of thousands of these that have

1809

01:05:04,950 --> 01:05:03,440

been submitted

1810

01:05:06,710 --> 01:05:04,960

people don't know that they don't

1811

01:05:08,069 --> 01:05:06,720

realize that only a very small portion

1812

01:05:09,990 --> 01:05:08,079

of the contact accounts have actually

1813

01:05:11,990 --> 01:05:10,000

been researched who knows got the money

1814

01:05:14,309 --> 01:05:12,000
to research 500 000

1815

01:05:16,150 --> 01:05:14,319
contact reports which go in in emails to

1816

01:05:17,670 --> 01:05:16,160
researchers and letters or what have you

1817

01:05:19,589 --> 01:05:17,680
but if you read a number of them you

1818

01:05:21,589 --> 01:05:19,599
discover is that

1819

01:05:23,190 --> 01:05:21,599
often time a person who is in the

1820

01:05:24,390 --> 01:05:23,200
presence of the et's does have the

1821

01:05:25,750 --> 01:05:24,400
ability to

1822

01:05:27,750 --> 01:05:25,760
to speak

1823

01:05:29,190 --> 01:05:27,760
or even move around sometimes they can't

1824

01:05:30,789 --> 01:05:29,200
do anything they just lie there on the

1825

01:05:35,029 --> 01:05:30,799
table frozen you know

1826

01:05:36,950 --> 01:05:35,039

like that that's true uh and so

1827

01:05:38,710 --> 01:05:36,960

if you were just a regular person and

1828

01:05:40,309 --> 01:05:38,720

you're you're you find that you can talk

1829

01:05:42,230 --> 01:05:40,319

and you're there in the craft

1830

01:05:43,190 --> 01:05:42,240

and you got an opportunity

1831

01:05:45,750 --> 01:05:43,200

you know

1832

01:05:48,630 --> 01:05:45,760

naturally you're thinking ask something

1833

01:05:50,230 --> 01:05:48,640

right and what would you ask okay

1834

01:05:51,670 --> 01:05:50,240

you know and and i'm sure that there's

1835

01:05:55,750 --> 01:05:51,680

some some

1836

01:05:57,670 --> 01:05:55,760

what do you think about the cubs in the

1837

01:05:59,750 --> 01:05:57,680

series yeah i mean

1838

01:06:01,910 --> 01:05:59,760

not me

1839

01:06:04,789 --> 01:06:01,920

but not not surprisingly what a lot of

1840

01:06:05,910 --> 01:06:04,799

people ask often is do you believe in

1841

01:06:11,190 --> 01:06:05,920

god

1842

01:06:16,870 --> 01:06:13,270

and i have never read an instance of

1843

01:06:20,150 --> 01:06:16,880

that when the et's did not respond yes

1844

01:06:22,390 --> 01:06:20,160

really yeah

1845

01:06:25,190 --> 01:06:22,400

that's notable just put a little

1846

01:06:27,190 --> 01:06:25,200

you know put a pin in there

1847

01:06:29,750 --> 01:06:27,200

are the et's

1848

01:06:30,630 --> 01:06:29,760

actually saying that yeah as fast as we

1849

01:06:32,710 --> 01:06:30,640

are

1850

01:06:35,029 --> 01:06:32,720

we we actually believe there's a god or

1851

01:06:37,029 --> 01:06:35,039

or we we know there is a god or are they

1852

01:06:39,670 --> 01:06:37,039

just humoring this poor person that's

1853

01:06:41,349 --> 01:06:39,680

scared out of their mind

1854

01:06:42,230 --> 01:06:41,359

around in this in the saucer in their

1855

01:06:43,990 --> 01:06:42,240

socks

1856

01:06:45,670 --> 01:06:44,000

that's okay there's a gun

1857

01:06:47,029 --> 01:06:45,680

the commas are half off and they're just

1858

01:06:48,950 --> 01:06:47,039

trying to calm them down so yeah you

1859

01:06:50,309 --> 01:06:48,960

know give them an answer they like

1860

01:06:51,990 --> 01:06:50,319

right like you know do you think the

1861

01:06:53,510 --> 01:06:52,000

cubs will make the series absolutely the

1862

01:06:54,950 --> 01:06:53,520

cubs that only make the series but

1863

01:06:56,309 --> 01:06:54,960

they're going to win the world shirt so

1864

01:06:58,150 --> 01:06:56,319

it's like uh

1865

01:07:00,230 --> 01:06:58,160

uh i don't know

1866

01:07:02,069 --> 01:07:00,240

but that's that's the only answer i have

1867

01:07:04,069 --> 01:07:02,079

for that question that makes any sense

1868

01:07:04,789 --> 01:07:04,079

uh that's good i thought i'd give it to

1869

01:07:13,750 --> 01:07:04,799

you

1870

01:07:15,270 --> 01:07:13,760

because they were liking it and then i

1871

01:07:17,829 --> 01:07:15,280

somehow got my connection back and

1872

01:07:19,430 --> 01:07:17,839

screwed it up so okay

1873

01:07:20,630 --> 01:07:19,440

where the hell i was when the connection

1874

01:07:22,390 --> 01:07:20,640

went off

1875

01:07:24,069 --> 01:07:22,400

yeah i asked something tell you what

1876

01:07:25,670 --> 01:07:24,079

where i was when the connection ended

1877

01:07:27,589 --> 01:07:25,680

they can hear you they could hear you

1878

01:07:30,069 --> 01:07:27,599

the whole time so you're the whole park

1879

01:07:31,910 --> 01:07:30,079

yeah okay okay good in other words the

1880

01:07:34,630 --> 01:07:31,920

screw up was just with you

1881

01:07:36,630 --> 01:07:34,640

yeah it's the usual the professional but

1882

01:07:38,710 --> 01:07:36,640

the the audience they they're totally in

1883

01:07:41,910 --> 01:07:38,720

control they're working okay yeah okay

1884

01:07:43,430 --> 01:07:41,920

so yeah the the punch line to this is

1885

01:07:45,430 --> 01:07:43,440

this

1886

01:07:46,870 --> 01:07:45,440

that

1887

01:07:48,789 --> 01:07:46,880

the government needs to finally

1888

01:07:52,150 --> 01:07:48,799

understand

1889

01:07:53,910 --> 01:07:52,160

that lying to the public

1890

01:07:55,829 --> 01:07:53,920

doesn't work

1891

01:07:56,870 --> 01:07:55,839

there's a tremendous price to be paid

1892

01:07:59,029 --> 01:07:56,880

for it

1893

01:08:01,589 --> 01:07:59,039

something that it may be a short-term

1894

01:08:03,029 --> 01:08:01,599

thing meaning lying right now is helpful

1895

01:08:05,829 --> 01:08:03,039

i really want to send a half a million

1896

01:08:07,990 --> 01:08:05,839

troops to vietnam and by lying now in

1897

01:08:09,190 --> 01:08:08,000

the short term i get what i want i get

1898

01:08:10,390 --> 01:08:09,200

to send a half a million trips to

1899

01:08:13,270 --> 01:08:10,400

vietnam

1900

01:08:15,109 --> 01:08:13,280

long term it doesn't work out so well

1901

01:08:16,950 --> 01:08:15,119

uh and in fact it can work out really

1902

01:08:19,990 --> 01:08:16,960

really badly

1903

01:08:22,550 --> 01:08:20,000

like the like the boy in the in the in

1904

01:08:24,550 --> 01:08:22,560

the in the uh fairy tale

1905

01:08:26,870 --> 01:08:24,560

uh the sheep get eaten

1906

01:08:29,110 --> 01:08:26,880

he gets eaten and the entire town gets

1907

01:08:30,870 --> 01:08:29,120

eaten okay that's bad

1908

01:08:33,269 --> 01:08:30,880

so

1909

01:08:35,030 --> 01:08:33,279

the the full analogy

1910

01:08:36,390 --> 01:08:35,040

take it to its extreme

1911

01:08:38,390 --> 01:08:36,400

all right

1912

01:08:40,309 --> 01:08:38,400

as you lie to the public you lie to the

1913

01:08:41,910 --> 01:08:40,319

public you lie to the public and then

1914

01:08:44,229 --> 01:08:41,920

you come back and they need you need

1915

01:08:46,149 --> 01:08:44,239

them to do something and they tell you

1916

01:08:47,749 --> 01:08:46,159

to go to hell

1917

01:08:50,229 --> 01:08:47,759

now it could be about global warming

1918

01:08:51,990 --> 01:08:50,239

it's a fairly slow process it takes a

1919

01:08:54,550 --> 01:08:52,000

while it's not like everybody's going to

1920

01:08:56,309 --> 01:08:54,560

drown tomorrow but now there's going to

1921

01:08:58,789 --> 01:08:56,319

be chaos okay

1922

01:09:00,789 --> 01:08:58,799

it could be about pandemics

1923

01:09:02,550 --> 01:09:00,799

not everybody's going to die from any

1924

01:09:04,870 --> 01:09:02,560

particular pandemic

1925

01:09:07,910 --> 01:09:04,880

the human race will go on

1926

01:09:09,430 --> 01:09:07,920

but still a lot may die so it's uh

1927

01:09:10,950 --> 01:09:09,440

a lot of the village

1928

01:09:12,709 --> 01:09:10,960

gets eaten

1929

01:09:15,349 --> 01:09:12,719

okay

1930

01:09:16,630 --> 01:09:15,359

then there's another bugaboo

1931

01:09:17,910 --> 01:09:16,640

all right

1932

01:09:19,510 --> 01:09:17,920

nuclear

1933

01:09:23,590 --> 01:09:19,520

war

1934

01:09:24,630 --> 01:09:23,600

now they lied about nuclear weapons many

1935

01:09:26,070 --> 01:09:24,640

times

1936

01:09:29,030 --> 01:09:26,080

okay

1937

01:09:30,309 --> 01:09:29,040

kennedy lied about how uh how powerful

1938

01:09:32,709 --> 01:09:30,319

the nuclear

1939

01:09:35,349 --> 01:09:32,719

nuclear weapons situation was

1940

01:09:37,110 --> 01:09:35,359

in russia soviet union in order to get

1941

01:09:39,510 --> 01:09:37,120

elected and then admitted later that he

1942

01:09:42,709 --> 01:09:39,520

overstated it deliberately

1943

01:09:43,590 --> 01:09:42,719

uh we have lied about other things

1944

01:09:47,349 --> 01:09:43,600

and

1945

01:09:48,470 --> 01:09:47,359

we undermine trust in government

1946

01:09:51,669 --> 01:09:48,480

okay

1947

01:09:54,310 --> 01:09:51,679

not only to our own citizens

1948

01:09:55,990 --> 01:09:54,320

but to other nations

1949

01:09:57,750 --> 01:09:56,000

because when you lie to your people

1950

01:09:59,110 --> 01:09:57,760

because of the modern communication

1951

01:10:00,950 --> 01:09:59,120

system now

1952

01:10:02,630 --> 01:10:00,960

the rest of the world knows your life

1953

01:10:03,990 --> 01:10:02,640

now maybe you're lying to the people but

1954

01:10:05,030 --> 01:10:04,000

they're getting it you're lying to your

1955

01:10:06,950 --> 01:10:05,040

own people

1956

01:10:09,350 --> 01:10:06,960

would you lie to us

1957

01:10:10,870 --> 01:10:09,360

us russians us chinese of course you

1958

01:10:11,669 --> 01:10:10,880

would probably

1959

01:10:14,830 --> 01:10:11,679

okay

1960

01:10:17,830 --> 01:10:14,840

all right and so hmm

1961

01:10:19,350 --> 01:10:17,840

so they don't trust you

1962

01:10:21,270 --> 01:10:19,360

and if you can't if you don't have the

1963

01:10:23,350 --> 01:10:21,280

trust of other nations

1964

01:10:25,430 --> 01:10:23,360

they will take the necessary measures to

1965

01:10:26,950 --> 01:10:25,440

protect themselves against you lying son

1966

01:10:28,070 --> 01:10:26,960

of a [h__h]

1967

01:10:31,030 --> 01:10:28,080

all right

1968

01:10:32,950 --> 01:10:31,040

and so when we lied about the gulf of

1969

01:10:34,870 --> 01:10:32,960

tong kin

1970

01:10:36,229 --> 01:10:34,880

which the chinese eventually learned

1971

01:10:38,070 --> 01:10:36,239

that we did

1972

01:10:41,110 --> 01:10:38,080

which resulted in us

1973

01:10:42,950 --> 01:10:41,120

going big into vietnam

1974

01:10:46,950 --> 01:10:42,960

where we dropped

1975

01:10:49,750 --> 01:10:46,960

hundreds of thousands of tons of bombs

1976

01:10:51,830 --> 01:10:49,760

on north vietnam

1977

01:10:53,430 --> 01:10:51,840

which happens to be right up against the

1978

01:10:55,590 --> 01:10:53,440

chinese border

1979

01:10:58,390 --> 01:10:55,600

it's like next door

1980

01:11:00,550 --> 01:10:58,400

and so you're a chinese person or a

1981

01:11:03,990 --> 01:11:00,560

chinese head of state and you're going

1982

01:11:05,910 --> 01:11:04,000

hmm america lied about uh the dolphin

1983

01:11:08,950 --> 01:11:05,920

ken escalated the war and is now

1984

01:11:10,870 --> 01:11:08,960

dropping bombs just over the hill here

1985

01:11:12,950 --> 01:11:10,880

lots of bombs

1986

01:11:14,709 --> 01:11:12,960

do you think that nation is going to be

1987

01:11:17,030 --> 01:11:14,719

really keen on

1988

01:11:18,709 --> 01:11:17,040

nuclear arms reductions

1989

01:11:20,950 --> 01:11:18,719

get rid of the nukes so that we don't

1990

01:11:24,470 --> 01:11:20,960

end up blowing ourselves up no they're

1991

01:11:27,590 --> 01:11:24,480

not and so as a result

1992

01:11:30,550 --> 01:11:27,600

30 years after the end of the cold war

1993

01:11:33,669 --> 01:11:30,560

we are closer to nuclear war than we

1994

01:11:35,590 --> 01:11:33,679

were then or even closer than we were in

1995

01:11:37,430 --> 01:11:35,600

the cuban missile crisis if you don't

1996

01:11:39,830 --> 01:11:37,440

believe me ask the bulletin of atomic

1997

01:11:41,430 --> 01:11:39,840

scientists who recently parked the

1998

01:11:42,470 --> 01:11:41,440

doomsday clock in 100 seconds to

1999

01:11:44,070 --> 01:11:42,480

midnight

2000

01:11:45,189 --> 01:11:44,080

and this is not something they do for a

2001

01:11:46,550 --> 01:11:45,199

hobby

2002

01:11:48,070 --> 01:11:46,560

this is not something they do to get

2003

01:11:50,310 --> 01:11:48,080

press i mean they do do it to get

2004

01:11:51,590 --> 01:11:50,320

attention but they're not they're not

2005

01:11:52,870 --> 01:11:51,600

just moving that clock closer to

2006

01:11:55,430 --> 01:11:52,880

midnight because they think it'll get

2007

01:11:57,590 --> 01:11:55,440

some action no they believe that and i

2008

01:12:01,669 --> 01:11:57,600

happen to believe they're right

2009

01:12:03,990 --> 01:12:01,679

and so the boy who called wolf

2010

01:12:05,669 --> 01:12:04,000

in this scenario is like the version

2011

01:12:08,310 --> 01:12:05,679

that i talked about

2012

01:12:10,630 --> 01:12:08,320

you lie you lie you lie and then you

2013

01:12:13,990 --> 01:12:10,640

can't get what you desperately need and

2014

01:12:17,270 --> 01:12:14,000

then everybody dies

2015

01:12:19,669 --> 01:12:17,280

okay i mean let me make this clear

2016

01:12:20,630 --> 01:12:19,679

the biggest threat to the human race but

2017

01:12:22,390 --> 01:12:20,640

now

2018

01:12:24,830 --> 01:12:22,400

is not global warming

2019

01:12:29,030 --> 01:12:24,840

it is not an asteroid it is not

2020

01:12:31,669 --> 01:12:29,040

extraterrestrials it is nuclear weapons

2021

01:12:34,070 --> 01:12:31,679

and count the number of times a

2022

01:12:35,270 --> 01:12:34,080

politician in the united states or the

2023

01:12:37,590 --> 01:12:35,280

uk

2024

01:12:39,669 --> 01:12:37,600

in any election going back the next last

2025

01:12:40,709 --> 01:12:39,679

12 years where they brought up in a

2026

01:12:43,910 --> 01:12:40,719

serious

2027

01:12:45,990 --> 01:12:43,920

manner the nuclear weapons issue they

2028

01:12:48,550 --> 01:12:46,000

don't even discuss it anymore there have

2029

01:12:52,390 --> 01:12:48,560

been more nuclear arms limitations talks

2030

01:12:55,270 --> 01:12:53,910

it's not

2031

01:12:57,590 --> 01:12:55,280

trivial

2032

01:13:02,470 --> 01:12:57,600

at all and one of the one of the things

2033

01:13:04,870 --> 01:13:02,480

that i'm most intensely engaged with

2034

01:13:06,709 --> 01:13:04,880

is that the most significant thing that

2035

01:13:11,669 --> 01:13:06,719

extraterrestrials have done in the

2036

01:13:14,229 --> 01:13:11,679

modern era since 70 says 47

2037

01:13:16,390 --> 01:13:14,239

is not abducting travis walton because i

2038

01:13:17,910 --> 01:13:16,400

love travis and you know it was a big

2039

01:13:20,390 --> 01:13:17,920

deal for him but that's not the biggest

2040

01:13:21,350 --> 01:13:20,400

one the biggest thing that the ets have

2041

01:13:22,149 --> 01:13:21,360

done

2042

01:13:24,790 --> 01:13:22,159

is

2043

01:13:26,950 --> 01:13:24,800

turning off nuclear weapons in the

2044

01:13:28,070 --> 01:13:26,960

united states and the soviet union and

2045

01:13:29,990 --> 01:13:28,080

in russia

2046

01:13:32,950 --> 01:13:30,000

turn them off and turning them on we

2047

01:13:35,110 --> 01:13:32,960

call it nuclear weapons tampering

2048

01:13:36,470 --> 01:13:35,120

now if i'm a member of congress or a

2049

01:13:39,189 --> 01:13:36,480

member of the washington post the new

2050

01:13:41,270 --> 01:13:39,199

york times and i'm not charged up about

2051
01:13:43,270 --> 01:13:41,280
that i need to become something else

2052
01:13:45,430 --> 01:13:43,280
than a journalist or a politician and if

2053
01:13:48,229 --> 01:13:45,440
i'm a citizen of the united states

2054
01:13:49,350 --> 01:13:48,239
i should be paying real close

2055
01:13:50,310 --> 01:13:49,360
to that

2056
01:13:52,630 --> 01:13:50,320
all right

2057
01:13:55,110 --> 01:13:52,640
you've got a greater nuclear threat than

2058
01:13:56,390 --> 01:13:55,120
ever and you've got an et engagement

2059
01:13:58,630 --> 01:13:56,400
where they keep turning our nuclear

2060
01:14:00,390 --> 01:13:58,640
weapons off i think we need to have some

2061
01:14:02,470 --> 01:14:00,400
hearings on that what do you think

2062
01:14:05,910 --> 01:14:02,480
uh yeah if somebody can control your

2063
01:14:08,229 --> 01:14:05,920

most powerful weapon that you have

2064

01:14:09,830 --> 01:14:08,239

which could destroy the world

2065

01:14:13,189 --> 01:14:09,840

uh that's not cool because who knows

2066

01:14:17,110 --> 01:14:15,189

yeah but what we know is this

2067

01:14:20,550 --> 01:14:17,120

they're not destroying the weapons in

2068

01:14:22,709 --> 01:14:20,560

order to to let let us know that we can

2069

01:14:24,310 --> 01:14:22,719

mess with you we already know that

2070

01:14:26,149 --> 01:14:24,320

they're destroying those weapons and

2071

01:14:28,630 --> 01:14:26,159

most of the witnesses agree

2072

01:14:30,229 --> 01:14:28,640

to let us know what in the hell are you

2073

01:14:34,229 --> 01:14:30,239

doing

2074

01:14:36,390 --> 01:14:34,239

okay you know and and i and i and i seem

2075

01:14:38,149 --> 01:14:36,400

to be striving about this

2076

01:14:40,830 --> 01:14:38,159

but do you realize that we've almost had

2077

01:14:43,590 --> 01:14:40,840

a nuclear war about six times and since

2078

01:14:46,310 --> 01:14:43,600

1947 and people just blow it off it's

2079

01:14:47,669 --> 01:14:46,320

like my god if the kid if the kid

2080

01:14:49,990 --> 01:14:47,679

goes into the deep end of the pool the

2081

01:14:51,510 --> 01:14:50,000

mother jumps up and down and goes crazy

2082

01:14:52,950 --> 01:14:51,520

but the fact that we're we can have a

2083

01:14:53,750 --> 01:14:52,960

nuclear war tomorrow it's like hey you

2084

01:14:56,070 --> 01:14:53,760

know

2085

01:14:57,590 --> 01:14:56,080

things happen

2086

01:14:59,189 --> 01:14:57,600

they say everybody's got them so no

2087

01:15:01,910 --> 01:14:59,199

one's going to use them

2088

01:15:05,270 --> 01:15:01,920

uh yeah you know yeah that's kind of

2089

01:15:09,590 --> 01:15:07,270

this is getting into the deep end of the

2090

01:15:12,149 --> 01:15:09,600

pool i'll go back to that analogy

2091

01:15:14,470 --> 01:15:12,159

and uh and uh but i'm just trying to

2092

01:15:16,470 --> 01:15:14,480

point out folks that what's going on now

2093

01:15:18,149 --> 01:15:16,480

these hearings the issues involved are

2094

01:15:19,910 --> 01:15:18,159

bigger than anything you've ever

2095

01:15:21,189 --> 01:15:19,920

experienced in your lifetime

2096

01:15:22,550 --> 01:15:21,199

all right bigger than world war one

2097

01:15:24,070 --> 01:15:22,560

world war ii

2098

01:15:25,590 --> 01:15:24,080

bigger than the space race bigger than

2099

01:15:27,910 --> 01:15:25,600

landing on the moon bigger than the

2100

01:15:29,910 --> 01:15:27,920

pandemic bigger than the political

2101
01:15:31,350 --> 01:15:29,920
parties okay

2102
01:15:33,750 --> 01:15:31,360
uh and so

2103
01:15:35,910 --> 01:15:33,760
we really would invite your

2104
01:15:38,470 --> 01:15:35,920
uh uh full attention

2105
01:15:39,830 --> 01:15:38,480
on this and your support for

2106
01:15:41,430 --> 01:15:39,840
congressional hearings and by the way

2107
01:15:42,630 --> 01:15:41,440
this is the first interview i've ever

2108
01:15:43,910 --> 01:15:42,640
done

2109
01:15:47,189 --> 01:15:43,920
where the

2110
01:15:50,070 --> 01:15:47,199
host was completely mobile

2111
01:15:51,510 --> 01:15:50,080
and getting the hearing on the move

2112
01:15:53,270 --> 01:15:51,520
right

2113
01:15:54,550 --> 01:15:53,280

this is the first okay

2114

01:15:56,870 --> 01:15:54,560

i think you were in three different

2115

01:15:59,270 --> 01:15:56,880

rooms there

2116

01:16:02,229 --> 01:15:59,280

okay but let's buy the routers it turns

2117

01:16:04,310 --> 01:16:02,239

out we have a huge storm going on

2118

01:16:07,750 --> 01:16:04,320

outside this office so then the hell

2119

01:16:09,750 --> 01:16:07,760

outside let's do it right get out there

2120

01:16:12,310 --> 01:16:09,760

i want some rain i want us to be

2121

01:16:13,240 --> 01:16:12,320

dripping wet let's build it man that's

2122

01:16:16,550 --> 01:16:13,250

right

2123

01:16:19,510 --> 01:16:16,560

[Laughter]

2124

01:16:22,229 --> 01:16:19,520

folks which is why we can do this

2125

01:16:24,790 --> 01:16:22,239

it looks like a pretty good thing

2126

01:16:27,990 --> 01:16:24,800

oh [h__h] oh don't don't destroy your

2127

01:16:32,790 --> 01:16:30,470

okay if if sean gets struck by lightning

2128

01:16:37,430 --> 01:16:32,800

this will be a podcast first

2129

01:16:41,430 --> 01:16:39,669

so that could be what my internet went

2130

01:16:44,790 --> 01:16:41,440

down

2131

01:16:48,070 --> 01:16:44,800

hey hey act of god man act of god

2132

01:16:50,550 --> 01:16:48,080

i i appreciate your uh your resilience

2133

01:16:53,750 --> 01:16:50,560

your flexibility your creativity

2134

01:16:55,990 --> 01:16:53,760

your fears i appreciate everything

2135

01:16:57,510 --> 01:16:56,000

i think you're gonna be star

2136

01:17:00,070 --> 01:16:57,520

thanks for hanging in there with me i

2137

01:17:02,470 --> 01:17:00,080

apologize uh the storm came

2138

01:17:04,229 --> 01:17:02,480

and uh set me out i was freaking out for

2139

01:17:07,030 --> 01:17:04,239

a second but

2140

01:17:08,870 --> 01:17:07,040

i'm glad uh we rebounded yeah there'll

2141

01:17:09,990 --> 01:17:08,880

be a flash flood it'll be flash flood in

2142

01:17:11,990 --> 01:17:10,000

about an hour and a half but other than

2143

01:17:13,430 --> 01:17:12,000

that things will be fine okay you got

2144

01:17:15,030 --> 01:17:13,440

any more questions you want to wrap this

2145

01:17:17,669 --> 01:17:15,040

up and get ready for ross

2146

01:17:20,229 --> 01:17:17,679

yeah yeah let's wrap this up so i can

2147

01:17:22,070 --> 01:17:20,239

see what the hell uh this storm is gonna

2148

01:17:24,229 --> 01:17:22,080

do to me tonight so

2149

01:17:26,950 --> 01:17:24,239

yeah let me tell you something sean

2150

01:17:29,030 --> 01:17:26,960

just because you mentioned that before

2151

01:17:31,350 --> 01:17:29,040

anytime i wanted to stand up i could do

2152

01:17:33,350 --> 01:17:31,360

it i could walk down to the comedy club

2153

01:17:35,110 --> 01:17:33,360

and do it but i haven't got the guts

2154

01:17:36,790 --> 01:17:35,120

i've got the ability i don't the guts

2155

01:17:39,189 --> 01:17:36,800

because doing real stand up in front of

2156

01:17:44,870 --> 01:17:39,199

people to pay to see you make them laugh

2157

01:17:49,030 --> 01:17:46,390

you know gratis right when nobody

2158

01:17:51,110 --> 01:17:49,040

expects anything i can do it right

2159

01:17:54,790 --> 01:17:51,120

exactly

2160

01:17:56,950 --> 01:17:54,800

so uh uh uh good luck godspeed in my

2161

01:17:58,470 --> 01:17:56,960

regards to ross he's really a

2162

01:18:00,870 --> 01:17:58,480

top-of-the-line guy and he's doing

2163

01:18:02,790 --> 01:18:00,880

tremendous work even though he has to

2164

01:18:05,510 --> 01:18:02,800

fly from australia to do it i don't know

2165

01:18:07,669 --> 01:18:05,520

how that works

2166

01:18:10,709 --> 01:18:07,679

ross coulther everybody else in media in

2167

01:18:12,390 --> 01:18:10,719

australia needs any gravity drive badly

2168

01:18:14,070 --> 01:18:12,400

so they can zip on the united states in

2169

01:18:15,350 --> 01:18:14,080

about 20 minutes get some good news and

2170

01:18:17,669 --> 01:18:15,360

take it back

2171

01:18:19,350 --> 01:18:17,679

having to fly from sydney to l.a in

2172

01:18:21,430 --> 01:18:19,360

order to get a story

2173

01:18:22,310 --> 01:18:21,440

i'm sorry i ain't going there

2174

01:18:24,550 --> 01:18:22,320

yeah

2175

01:18:27,990 --> 01:18:24,560

okay well he did a great job it was

2176
01:18:29,990 --> 01:18:28,000
totally worth it so okay yeah thank you

2177
01:18:33,270 --> 01:18:30,000
so much for doing this don't forget to

2178
01:18:35,350 --> 01:18:33,280
tell jimmy about that video 20 minutes

2179
01:18:36,870 --> 01:18:35,360
i'm giving it a lot of serious thought

2180
01:18:38,550 --> 01:18:36,880
okay

2181
01:18:40,790 --> 01:18:38,560
right

2182
01:18:41,510 --> 01:18:40,800
bye bye take care

2183
01:18:42,950 --> 01:18:41,520
out

2184
01:18:47,030 --> 01:18:42,960
all right

2185
01:18:49,270 --> 01:18:47,040
that yeah we have a huge storm going on

2186
01:18:53,270 --> 01:18:49,280
outside so that's why my internet went

2187
01:18:56,470 --> 01:18:53,280
down and i'd use my phone so i am going

2188
01:18:59,189 --> 01:18:56,480

to hopefully get this working before

2189

01:19:01,590 --> 01:18:59,199

coal heart comes back but there's not

2190

01:19:04,070 --> 01:19:01,600

you know a lot i can do

2191

01:19:06,470 --> 01:19:04,080

um because the weather controls that but

2192

01:19:08,550 --> 01:19:06,480

at the very least i got my phone so uh

2193

01:19:10,630 --> 01:19:08,560

we'll do it that way but

2194

01:19:13,669 --> 01:19:10,640

i appreciate you

2195

01:19:16,149 --> 01:19:13,679

um and yeah i went out in the rain and

2196

01:19:18,229 --> 01:19:16,159

stormed and got soaked

2197

01:19:19,510 --> 01:19:18,239

pristine bassett
