

# *Witness Citizen*

1  
00:00:55,790 --> 00:00:03,070  
you want to hear from me

2  
00:01:11,350 --> 00:01:02,370  
[Music]

3  
00:01:13,990 --> 00:01:12,540  
what's up everybody

4  
00:01:16,550 --> 00:01:14,000  
[Music]

5  
00:01:18,789 --> 00:01:16,560  
uh happy monday how are you guys doing

6  
00:01:22,149 --> 00:01:18,799  
today

7  
00:01:23,749 --> 00:01:22,159  
um glad to see

8  
00:01:24,830 --> 00:01:23,759  
some people here looks like we're

9  
00:01:27,350 --> 00:01:24,840  
missing

10  
00:01:31,990 --> 00:01:27,360  
some unfortunately

11  
00:01:35,270 --> 00:01:33,670  
i got no

12  
00:01:36,789 --> 00:01:35,280  
body

13  
00:01:41,190 --> 00:01:36,799

scott

14

00:01:43,109 --> 00:01:41,200

i got no megan i got no spaghetti

15

00:01:45,190 --> 00:01:43,119

i don't know what's going on

16

00:01:48,230 --> 00:01:45,200

but i got joe and rusty back so that's

17

00:01:55,350 --> 00:01:52,789

um yeah so we can get this um started

18

00:01:56,230 --> 00:01:55,360

the one thing i wanted to start off with

19

00:02:03,190 --> 00:01:56,240

is

20

00:02:06,830 --> 00:02:03,200

kind of blowing up right now uh we

21

00:02:13,190 --> 00:02:11,110

and taliban is pretty much taken over

22

00:02:16,710 --> 00:02:13,200

and a lot of innocent people's lives are

23

00:02:20,070 --> 00:02:18,790

and it's a big mess

24

00:02:22,390 --> 00:02:20,080

so

25

00:02:24,390 --> 00:02:22,400

i want to preface this with

26

00:02:26,790 --> 00:02:24,400

make sure that you

27

00:02:30,710 --> 00:02:26,800

also pay attention to

28

00:02:32,470 --> 00:02:30,720

the real world news because um

29

00:02:34,309 --> 00:02:32,480

important stuff is going on right now

30

00:02:35,190 --> 00:02:34,319

especially there

31

00:02:36,949 --> 00:02:35,200

um

32

00:02:39,990 --> 00:02:36,959

what that means for the future of

33

00:02:42,869 --> 00:02:40,000

anything i'm not sure you know

34

00:02:44,869 --> 00:02:42,879

um but i do think of

35

00:02:47,110 --> 00:02:44,879

you know what steve bassett said which

36

00:02:51,910 --> 00:02:49,589

the only way this thing stops us with a

37

00:02:53,750 --> 00:02:51,920

war and i just hope that doesn't happen

38

00:02:58,309 --> 00:02:53,760

so

39

00:03:03,030 --> 00:02:59,509

you know just

40

00:03:03,040 --> 00:03:07,509

well to those citizens and hopefully

41

00:03:12,550 --> 00:03:10,550

hopefully they can be okay somehow

42

00:03:15,750 --> 00:03:12,560

so

43

00:03:18,550 --> 00:03:15,760

just wanted to uh start with that

44

00:03:22,949 --> 00:03:18,560

so

45

00:03:25,670 --> 00:03:22,959

uh ethereal aura yes you are here

46

00:03:28,869 --> 00:03:25,680

um thank you for coming i appreciate it

47

00:03:32,630 --> 00:03:31,190

thank you thank you thank you

48

00:03:34,149 --> 00:03:32,640

um

49

00:03:37,910 --> 00:03:34,159

yeah so

50

00:03:39,910 --> 00:03:37,920

we are going to start

51

00:03:42,070 --> 00:03:39,920

this day off

52

00:03:45,589 --> 00:03:42,080

um with some pretty cool stuff it looks

53

00:03:47,270 --> 00:03:45,599

like we have some uap news today

54

00:03:49,830 --> 00:03:47,280

busy

55

00:04:00,710 --> 00:03:49,840

news

56

00:04:15,760 --> 00:04:03,790

what's the uh

57

00:04:20,160 --> 00:04:18,390

[Music]

58

00:04:42,230 --> 00:04:20,170

is

59

00:05:08,950 --> 00:04:42,240

[Music]

60

00:05:12,870 --> 00:05:10,629

man that's a long one i'm gonna have to

61

00:05:15,350 --> 00:05:12,880

shorten that up

62

00:05:17,110 --> 00:05:15,360

um yeah so we do actually have some uap

63

00:05:20,790 --> 00:05:17,120

news today

64

00:05:23,350 --> 00:05:20,800

um by way of black vault

65

00:05:25,830 --> 00:05:23,360

so we should definitely be checking that

66

00:05:28,710 --> 00:05:25,840

out we have the nasa administrator bill

67

00:05:30,310 --> 00:05:28,720

nelson scheduled for a uap briefing

68

00:05:32,310 --> 00:05:30,320

august 17th

69

00:05:34,950 --> 00:05:32,320

in 2021

70

00:05:36,710 --> 00:05:34,960

um and

71

00:05:38,629 --> 00:05:36,720

yeah i'll just read a quick nas as

72

00:05:42,230 --> 00:05:38,639

administrator bill nelson is scheduled

73

00:05:44,070 --> 00:05:42,240

to obtain a briefing on uap tomorrow

74

00:05:46,070 --> 00:05:44,080

this news which comes from two documents

75

00:05:47,830 --> 00:05:46,080

released through the foia

76

00:05:50,790 --> 00:05:47,840

and obtained by black vault was revealed

77

00:05:52,950 --> 00:05:50,800

within two office of international and

78

00:05:55,749 --> 00:05:52,960

interagency relations

79

00:05:58,950 --> 00:05:55,759

weekly update emails sent on july 18th

80

00:06:01,350 --> 00:05:58,960

and july 25th this year both updates

81

00:06:03,749 --> 00:06:01,360

outline a list of upcoming activities

82

00:06:04,870 --> 00:06:03,759

for administrator nelson and other nasa

83

00:06:07,270 --> 00:06:04,880

personnel

84

00:06:09,110 --> 00:06:07,280

and both list a briefing to

85

00:06:12,309 --> 00:06:09,120

administrator on task force report and

86

00:06:14,230 --> 00:06:12,319

uap set for august 17th

87

00:06:15,510 --> 00:06:14,240

um so we have that here briefing to

88

00:06:17,590 --> 00:06:15,520

administrator

89

00:06:19,670 --> 00:06:17,600

um it doesn't say

90

00:06:21,830 --> 00:06:19,680

um what they'll be briefing them with or

91

00:06:25,110 --> 00:06:21,840

who will be doing the briefing

92

00:06:26,150 --> 00:06:25,120

but we know that a briefing is happening

93

00:06:29,110 --> 00:06:26,160

um

94

00:06:32,309 --> 00:06:30,870

that's a positive

95

00:06:34,390 --> 00:06:32,319

you know although we don't know what

96

00:06:35,830 --> 00:06:34,400

they're briefing them with so

97

00:06:38,550 --> 00:06:35,840

[Music]

98

00:06:40,469 --> 00:06:38,560

you know there's things happening

99

00:06:43,920 --> 00:06:40,479

but we don't know what the meat of the

100

00:06:45,029 --> 00:06:43,930

topic is necessarily

101  
00:06:47,510 --> 00:06:45,039

[Music]

102  
00:06:48,790 --> 00:06:47,520  
so that would be nice to know because

103  
00:06:51,110 --> 00:06:48,800  
you know you want to get positive for

104  
00:06:53,510 --> 00:06:51,120  
this kind of stuff

105  
00:06:56,870 --> 00:06:54,390  
um

106  
00:06:58,150 --> 00:06:56,880  
you know if you don't know the substance

107  
00:07:01,189 --> 00:06:58,160  
of

108  
00:07:02,629 --> 00:07:01,199  
what they're doing and saying you know

109  
00:07:05,189 --> 00:07:02,639  
um

110  
00:07:07,430 --> 00:07:05,199  
you can't dive in all the way

111  
00:07:09,430 --> 00:07:07,440  
what's up spaghetti

112  
00:07:11,110 --> 00:07:09,440  
i'm glad you showed up

113  
00:07:12,469 --> 00:07:11,120

i was thinking my homies weren't coming

114

00:07:16,469 --> 00:07:12,479

today

115

00:07:18,469 --> 00:07:16,479

here's the link for it if you want it

116

00:07:20,870 --> 00:07:18,479

um if you want to check out the thing

117

00:07:22,790 --> 00:07:20,880

yourself and he also has like another

118

00:07:25,749 --> 00:07:22,800

article

119

00:07:28,790 --> 00:07:25,759

when he first got the

120

00:07:33,270 --> 00:07:28,800

foia for the emails

121

00:07:35,990 --> 00:07:33,280

for foreign so also put that in the show

122

00:07:39,990 --> 00:07:36,000

notes if you want them so

123

00:07:44,950 --> 00:07:42,629

not a whole lot to say there at this

124

00:07:46,710 --> 00:07:44,960

point i guess the one thing i would say

125

00:07:49,510 --> 00:07:46,720

is there's a couple reasons nasa would

126  
00:07:52,309 --> 00:07:49,520  
be involved one would be the

127  
00:07:53,589 --> 00:07:52,319  
um satellite photography

128  
00:07:54,629 --> 00:07:53,599  
possibly

129  
00:07:57,350 --> 00:07:54,639  
um

130  
00:07:59,270 --> 00:07:57,360  
which a lot of those

131  
00:08:02,309 --> 00:07:59,280  
you know i shot up with space vehicles

132  
00:08:04,550 --> 00:08:02,319  
in the orbit and stuff and nasa

133  
00:08:06,710 --> 00:08:04,560  
sometimes even works with the nro in

134  
00:08:09,749 --> 00:08:06,720  
regards to that

135  
00:08:11,589 --> 00:08:09,759  
um so it could be a briefing hopefully

136  
00:08:12,550 --> 00:08:11,599  
get some um

137  
00:08:14,710 --> 00:08:12,560  
you know

138  
00:08:16,150 --> 00:08:14,720

photographs or something of some sort

139

00:08:19,189 --> 00:08:16,160

would be great

140

00:08:22,469 --> 00:08:20,790

yeah so

141

00:08:24,710 --> 00:08:22,479

the interesting thing is earlier today i

142

00:08:26,710 --> 00:08:24,720

was reading a document of course that's

143

00:08:29,189 --> 00:08:26,720

what i do and

144

00:08:32,389 --> 00:08:29,199

it was pretty much discussing all the

145

00:08:34,709 --> 00:08:32,399

nro satellites put into space

146

00:08:38,709 --> 00:08:35,829

and

147

00:08:42,070 --> 00:08:38,719

or actually no it was a testimony yes is

148

00:08:43,350 --> 00:08:42,080

it testimony of the space

149

00:08:45,590 --> 00:08:43,360

commander

150

00:08:48,150 --> 00:08:45,600

and he was saying how there's like 30

151  
00:08:51,509 --> 00:08:48,160  
000 objects in space

152  
00:08:55,670 --> 00:08:53,590  
um

153  
00:08:57,590 --> 00:08:55,680  
sorry i'm doing this live on instagram

154  
00:09:00,150 --> 00:08:57,600  
too and vinnie's making more difficult

155  
00:09:04,389 --> 00:09:01,110  
but

156  
00:09:06,310 --> 00:09:04,399  
by requesting uh a live interview or a

157  
00:09:12,070 --> 00:09:06,320  
live request i don't know if i can

158  
00:09:17,670 --> 00:09:15,110  
but i'll put you on so we are live on

159  
00:09:19,990 --> 00:09:17,680  
instagram today too

160  
00:09:24,070 --> 00:09:20,000  
interesting so you can check over there

161  
00:09:29,590 --> 00:09:24,080  
um i can't do a whole lot hey vinnie

162  
00:09:36,870 --> 00:09:32,389  
good yeah i was just doing like a live

163  
00:09:41,110 --> 00:09:38,790

yeah thanks a lot man

164

00:09:42,870 --> 00:09:41,120

i was just hoping to have it up there

165

00:09:48,230 --> 00:09:42,880

and

166

00:09:54,870 --> 00:09:52,230

oh you too brother yeah

167

00:09:59,750 --> 00:09:56,710

yeah i appreciate you dropping in we'll

168

00:10:03,030 --> 00:10:01,269

all right peace out

169

00:10:05,110 --> 00:10:03,040

bye-bye

170

00:10:07,750 --> 00:10:05,120

sweet

171

00:10:09,750 --> 00:10:07,760

so that was mr vinnie

172

00:10:10,710 --> 00:10:09,760

checking in on instagram live pretty

173

00:10:11,750 --> 00:10:10,720

cool

174

00:10:14,710 --> 00:10:11,760

um

175

00:10:20,949 --> 00:10:14,720

yeah but now i gotta put this phone back

176

00:10:25,670 --> 00:10:24,550

there we are oh there we are

177

00:10:29,430 --> 00:10:25,680

so

178

00:10:32,870 --> 00:10:31,590

i kind of lost my train of thought there

179

00:10:37,829 --> 00:10:32,880

thanks vinnie

180

00:10:42,389 --> 00:10:41,110

nasa nro why'd they be briefed

181

00:10:44,069 --> 00:10:42,399

so

182

00:10:45,829 --> 00:10:44,079

you know we'll see

183

00:10:47,750 --> 00:10:45,839

we'll see something i learned recently

184

00:10:50,310 --> 00:10:47,760

is that a lot of those space vehicles

185

00:10:51,350 --> 00:10:50,320

use uh radio isotope engines

186

00:10:52,710 --> 00:10:51,360

um

187

00:10:55,110 --> 00:10:52,720

which

188

00:10:56,550 --> 00:10:55,120

you know function off of burning

189

00:10:58,470 --> 00:10:56,560

plutonium

190

00:11:00,470 --> 00:10:58,480

and they can you know seemingly last

191

00:11:03,670 --> 00:11:00,480

forever basically

192

00:11:05,430 --> 00:11:03,680

so the thing i was thinking it's like

193

00:11:07,430 --> 00:11:05,440

if these things are all about nuclear

194

00:11:10,230 --> 00:11:07,440

stuff

195

00:11:12,870 --> 00:11:10,240

is it smart to

196

00:11:17,509 --> 00:11:12,880

use an engine that runs off of

197

00:11:22,470 --> 00:11:20,310

uh no yeah oh yeah to go back oh sorry

198

00:11:25,110 --> 00:11:22,480

thanks rusty back yeah the third

199

00:11:28,550 --> 00:11:25,120

i was reading a testimony

200

00:11:30,790 --> 00:11:28,560

of a space commander um last year

201  
00:11:33,190 --> 00:11:30,800  
actually and he was talking about a

202  
00:11:36,310 --> 00:11:33,200  
couple things first he was talking about

203  
00:11:39,590 --> 00:11:36,320  
how china and russia are really ahead of

204  
00:11:42,389 --> 00:11:40,829  
let that sink

205  
00:11:44,710 --> 00:11:42,399  
in

206  
00:11:50,069 --> 00:11:46,790  
he said that his

207  
00:11:52,389 --> 00:11:50,079  
like all of our vehicles and stuff are

208  
00:11:54,470 --> 00:11:52,399  
not made to be retrofitted for new

209  
00:11:59,110 --> 00:11:54,480  
technology so we need completely new

210  
00:12:00,470 --> 00:11:59,390  
so

211  
00:12:03,990 --> 00:12:00,480  
[Music]

212  
00:12:07,110 --> 00:12:04,980  
so yeah

213  
00:12:09,670 --> 00:12:07,120

[Music]

214

00:12:11,430 --> 00:12:09,680

just let you know that

215

00:12:13,350 --> 00:12:11,440

because

216

00:12:14,790 --> 00:12:13,360

that's not good and that's good to know

217

00:12:17,030 --> 00:12:14,800

that stuff

218

00:12:18,870 --> 00:12:17,040

but yeah um and he also said there's

219

00:12:21,430 --> 00:12:18,880

thirty thousand objects in this guy that

220

00:12:23,509 --> 00:12:21,440

he has to keep basically keep track of

221

00:12:25,430 --> 00:12:23,519

any it said unfortunately i don't have

222

00:12:26,949 --> 00:12:25,440

the ability to focus on stopping a

223

00:12:28,790 --> 00:12:26,959

threat from one thing or the other i

224

00:12:32,150 --> 00:12:28,800

have to stop them from all things all

225

00:12:33,490 --> 00:12:33,030

so

226  
00:12:35,430 --> 00:12:33,500  
um

227  
00:12:37,190 --> 00:12:35,440  
[Music]

228  
00:12:39,030 --> 00:12:37,200  
yeah that's

229  
00:12:39,990 --> 00:12:39,040  
his testimony and that's just what he

230  
00:12:41,829 --> 00:12:40,000  
said

231  
00:12:44,470 --> 00:12:41,839  
um and it was pretty

232  
00:12:48,069 --> 00:12:44,480  
pretty crazy actually

233  
00:12:52,870 --> 00:12:50,389  
yeah we'll see at least

234  
00:12:55,750 --> 00:12:52,880  
there's stuff going on with the uap task

235  
00:12:57,190 --> 00:12:55,760  
force they're briefing nasa

236  
00:12:59,110 --> 00:12:57,200  
um

237  
00:13:02,230 --> 00:12:59,120  
you know the unfortunate things that it

238  
00:13:07,030 --> 00:13:04,550

that

239

00:13:09,430 --> 00:13:07,040

i don't know

240

00:13:11,910 --> 00:13:09,440

it's just there's a lot going in the

241

00:13:14,870 --> 00:13:11,920

background is uaptf even going to be

242

00:13:16,150 --> 00:13:14,880

uaptf it seems like um you know the

243

00:13:17,670 --> 00:13:16,160

space force

244

00:13:19,190 --> 00:13:17,680

may get involved here with this

245

00:13:23,030 --> 00:13:19,200

investigation

246

00:13:25,430 --> 00:13:23,040

um which basically the naisc

247

00:13:26,389 --> 00:13:25,440

who is involved

248

00:13:28,310 --> 00:13:26,399

um

249

00:13:29,350 --> 00:13:28,320

has been involved since the beginning it

250

00:13:30,389 --> 00:13:29,360

was called

251

00:13:32,550 --> 00:13:30,399

atec

252

00:13:34,870 --> 00:13:32,560

you know so

253

00:13:36,629 --> 00:13:34,880

what is the uap tf going to be are they

254

00:13:38,629 --> 00:13:36,639

just osi

255

00:13:40,710 --> 00:13:38,639

all over again

256

00:13:42,790 --> 00:13:40,720

you know with the dod

257

00:13:43,990 --> 00:13:42,800

um that's what it kind of seems like at

258

00:13:46,150 --> 00:13:44,000

this point

259

00:13:48,310 --> 00:13:46,160

what's up rodrigo

260

00:13:50,870 --> 00:13:48,320

greg grandmaster

261

00:13:52,790 --> 00:13:50,880

spaghetti robert

262

00:13:54,470 --> 00:13:52,800

say what's up to everybody

263

00:13:56,310 --> 00:13:54,480

ethereal

264

00:14:00,470 --> 00:13:56,320

what's up

265

00:14:04,069 --> 00:14:00,480

um

266

00:14:09,910 --> 00:14:06,629

so i should tell you actually that i

267

00:14:12,710 --> 00:14:09,920

just started a member thing on youtube

268

00:14:14,790 --> 00:14:12,720

i'm not going to keep mentioning it or

269

00:14:17,110 --> 00:14:14,800

reminding you of it

270

00:14:19,269 --> 00:14:17,120

but i'm gonna tell you

271

00:14:20,389 --> 00:14:19,279

this time that i do have one

272

00:14:23,670 --> 00:14:20,399

um

273

00:14:26,230 --> 00:14:23,680

you know the benefits are the benefits i

274

00:14:27,750 --> 00:14:26,240

may basically just use whatever youtube

275

00:14:30,150 --> 00:14:27,760

told me to

276

00:14:32,069 --> 00:14:30,160

um that's a way for you to contribute

277

00:14:33,110 --> 00:14:32,079

monthly if you feel like it

278

00:14:34,629 --> 00:14:33,120

um

279

00:14:36,870 --> 00:14:34,639

yeah

280

00:14:38,790 --> 00:14:36,880

so that's pretty cool and some of the

281

00:14:41,030 --> 00:14:38,800

videos that were on my page before like

282

00:14:42,790 --> 00:14:41,040

the little solo acoustic songs or

283

00:14:44,870 --> 00:14:42,800

whatever and all that

284

00:14:47,829 --> 00:14:44,880

um those are

285

00:14:52,949 --> 00:14:47,839

only available to members no

286

00:14:56,550 --> 00:14:53,990

like a

287

00:14:58,710 --> 00:14:56,560

acoustic performance live concert or

288

00:15:00,069 --> 00:14:58,720

something for just the members that

289

00:15:02,470 --> 00:15:00,079

would be cool

290

00:15:05,189 --> 00:15:02,480

um and you know i'll figure other things

291

00:15:06,470 --> 00:15:05,199

out to do as well to kind of say thank

292

00:15:08,870 --> 00:15:06,480

you for

293

00:15:11,430 --> 00:15:08,880

contributing

294

00:15:13,829 --> 00:15:11,440

so yeah that is

295

00:15:16,949 --> 00:15:13,839

that

296

00:15:18,550 --> 00:15:16,959

and i would have to say

297

00:15:21,030 --> 00:15:18,560

that um

298

00:15:28,230 --> 00:15:22,949

kind of tipped me over the edge to do

299

00:15:34,230 --> 00:15:30,150

thank you

300

00:15:36,550 --> 00:15:34,240

so um

301  
00:15:37,430 --> 00:15:36,560  
doc of the day should we start off with

302  
00:15:40,389 --> 00:15:37,440  
no

303  
00:15:42,310 --> 00:15:40,399  
i think we should start off with a

304  
00:15:47,110 --> 00:15:42,320  
little

305  
00:15:47,120 --> 00:15:52,310  
what the heck is that the heck is that

306  
00:15:52,320 --> 00:16:00,150  
what the heck is the heck is that

307  
00:16:05,749 --> 00:16:03,590  
what the heck is brought to you by

308  
00:16:09,749 --> 00:16:05,759  
funny things in the sky we don't know

309  
00:16:12,870 --> 00:16:09,759  
where they are but they buzz they fly

310  
00:16:14,230 --> 00:16:12,880  
they go interdimensional sometimes

311  
00:16:16,069 --> 00:16:14,240  
they're birds

312  
00:16:17,509 --> 00:16:16,079  
sometimes they aren't

313  
00:16:19,749 --> 00:16:17,519

but

314

00:16:21,670 --> 00:16:19,759

they are something

315

00:16:23,749 --> 00:16:21,680

that we don't know

316

00:16:26,710 --> 00:16:23,759

and i always find myself asking

317

00:16:29,110 --> 00:16:26,720

what the heck is that

318

00:16:32,150 --> 00:16:29,120

so without further ado let's go through

319

00:16:35,910 --> 00:16:32,160

our what the heck is that videos today

320

00:16:38,710 --> 00:16:35,920

um our document of the day is a new

321

00:16:40,069 --> 00:16:38,720

zealand pilot so

322

00:16:41,269 --> 00:16:40,079

um

323

00:16:43,430 --> 00:16:41,279

i thought

324

00:16:46,470 --> 00:16:43,440

i would try to find some new zealand

325

00:16:48,629 --> 00:16:46,480

ones they all are not new zealand i

326

00:16:51,430 --> 00:16:48,639

couldn't

327

00:16:52,230 --> 00:16:51,440

but um i did throw a

328

00:16:54,790 --> 00:16:52,240

uh

329

00:16:59,990 --> 00:16:54,800

canada one in there because i know a

330

00:17:04,549 --> 00:17:03,030

so we did that all right

331

00:17:06,390 --> 00:17:04,559

this guy looks awesome let's see what

332

00:17:11,350 --> 00:17:06,400

he's got

333

00:17:14,630 --> 00:17:13,270

photos taken about six o'clock from all

334

00:17:16,870 --> 00:17:14,640

over north canterbury show what looks

335

00:17:19,350 --> 00:17:16,880

like a massive smoking object hurtling

336

00:17:21,510 --> 00:17:19,360

from the sky doesn't the thing have gone

337

00:17:23,829 --> 00:17:21,520

viral today lisa murray was at home

338

00:17:25,429 --> 00:17:23,839

looking after her family's animals when

339

00:17:27,270 --> 00:17:25,439

as she told logan church she heard an

340

00:17:29,430 --> 00:17:27,280

unusual sound

341

00:17:31,110 --> 00:17:29,440

um i just actually had gone outside um

342

00:17:33,029 --> 00:17:31,120

to feed my animals

343

00:17:34,950 --> 00:17:33,039

just to feed up with the veggies and

344

00:17:37,510 --> 00:17:34,960

things rabbits and guinea pigs and um

345

00:17:39,750 --> 00:17:37,520

yeah looked over out to the west and saw

346

00:17:41,669 --> 00:17:39,760

this odd thing coming from the sky i did

347

00:17:43,510 --> 00:17:41,679

hear a noise at the time i didn't even

348

00:17:49,190 --> 00:17:43,520

think it was a sonic room but now that

349

00:17:53,350 --> 00:17:51,669

um and then heard what you know best

350

00:17:55,270 --> 00:17:53,360

description would be you know dropping a

351  
00:17:57,830 --> 00:17:55,280  
boulder or something really heavy into

352  
00:18:00,390 --> 00:17:57,840  
the back of a truck you know that sort

353  
00:18:02,230 --> 00:18:00,400  
of really big loud bang noise and we do

354  
00:18:03,830 --> 00:18:02,240  
live not too far from a landscape supply

355  
00:18:06,070 --> 00:18:03,840  
place so i sort of said oh maybe that's

356  
00:18:08,150 --> 00:18:06,080  
all it was but um yeah now that i've

357  
00:18:10,070 --> 00:18:08,160  
read people describing the sonic game it

358  
00:18:11,750 --> 00:18:10,080  
sort of makes sense that was lisa murray

359  
00:18:14,870 --> 00:18:11,760  
from rangiora we'll try and find out

360  
00:18:16,950 --> 00:18:14,880  
what it was for tomorrow night so we had

361  
00:18:19,270 --> 00:18:16,960  
a sonic boom hey everybody a beautiful

362  
00:18:21,750 --> 00:18:19,280  
look at edmonton this morning it is a

363  
00:18:23,350 --> 00:18:21,760

friday uh i said to the skies this

364

00:18:26,150 --> 00:18:23,360

morning is where our net next track

365

00:18:27,510 --> 00:18:26,160

brings us debo brown melanie ing um i'm

366

00:18:28,870 --> 00:18:27,520

gonna i'm gonna ask you this because i

367

00:18:30,549 --> 00:18:28,880

know none of us have been on a plane in

368

00:18:32,870 --> 00:18:30,559

what like uh two years

369

00:18:34,710 --> 00:18:32,880

yeah pretty much okay imagine finally

370

00:18:37,270 --> 00:18:34,720

being able to get onto a commercial

371

00:18:38,549 --> 00:18:37,280

flight looking out your window

372

00:18:39,909 --> 00:18:38,559

and seeing

373

00:18:43,669 --> 00:18:39,919

this

374

00:18:45,350 --> 00:18:43,679

i'm sorry what is that

375

00:18:47,029 --> 00:18:45,360

on the plane

376

00:18:49,909 --> 00:18:47,039

looks out the window

377

00:18:52,470 --> 00:18:49,919

wraps the phone this was filmed in june

378

00:18:54,930 --> 00:18:52,480

the traveler sees that an object

379

00:18:57,750 --> 00:18:54,940

apparently changing shapes in seconds

380

00:19:00,070 --> 00:18:57,760

[Applause]

381

00:19:03,270 --> 00:19:00,080

is it a shape-shifting object that is

382

00:19:05,669 --> 00:19:03,280

weird is it bezos is it branson what is

383

00:19:07,750 --> 00:19:05,679

it is it a ufo

384

00:19:09,029 --> 00:19:07,760

now go for it what do you see i have no

385

00:19:10,790 --> 00:19:09,039

okay i'm looking at this for the first

386

00:19:12,150 --> 00:19:10,800

time i want it to be something whoa

387

00:19:12,950 --> 00:19:12,160

[Music]

388

00:19:16,310 --> 00:19:12,960

no

389

00:19:17,510 --> 00:19:16,320

way okay crazy

390

00:19:18,950 --> 00:19:17,520

i don't

391

00:19:21,510 --> 00:19:18,960

that could be anything honestly here's

392

00:19:23,590 --> 00:19:21,520

the thing like i i i don't know what

393

00:19:24,950 --> 00:19:23,600

that could be there's someone said i i

394

00:19:26,390 --> 00:19:24,960

read this little bit online and someone

395

00:19:28,870 --> 00:19:26,400

said that maybe that's just a

396

00:19:31,029 --> 00:19:28,880

reflection off the window of something

397

00:19:33,190 --> 00:19:31,039

or other right like like

398

00:19:34,710 --> 00:19:33,200

catching the light funny

399

00:19:36,549 --> 00:19:34,720

if you ever look through the window

400

00:19:39,830 --> 00:19:36,559

there's always a little kind of

401  
00:19:42,070 --> 00:19:39,840  
it's interesting so

402  
00:19:44,549 --> 00:19:42,080  
you know if that's the case it is just

403  
00:19:45,510 --> 00:19:44,559  
like a camera thing like why are these

404  
00:19:52,789 --> 00:19:45,520  
people

405  
00:19:54,870 --> 00:19:52,799  
time with this stuff it's so ridiculous

406  
00:19:56,470 --> 00:19:54,880  
you know it's like if you get that like

407  
00:19:58,070 --> 00:19:56,480  
when i take something and it's weird

408  
00:19:59,990 --> 00:19:58,080  
like the first thing i think is like it

409  
00:20:02,549 --> 00:20:00,000  
was just something weird

410  
00:20:05,190 --> 00:20:02,559  
i you know i'm not gonna go sharing it

411  
00:20:06,789 --> 00:20:05,200  
if i know it's not something for sure

412  
00:20:11,029 --> 00:20:06,799  
like what did people have anything

413  
00:20:13,350 --> 00:20:11,039

better to do you know made the news

414

00:20:18,870 --> 00:20:13,360

isn't that weird

415

00:20:22,390 --> 00:20:20,470

it's on the news

416

00:20:25,029 --> 00:20:22,400

these douchebags are talking about it

417

00:20:28,149 --> 00:20:25,039

excuse my language

418

00:20:30,230 --> 00:20:28,159

all right let's try this one

419

00:20:34,070 --> 00:20:30,240

i'm richard southern happy friday what's

420

00:20:35,909 --> 00:20:34,080

lurking up there in the sky here's a

421

00:20:38,230 --> 00:20:35,919

really interesting story a russian

422

00:20:40,230 --> 00:20:38,240

cosmonaut who is currently up there on

423

00:20:41,110 --> 00:20:40,240

the international space station right

424

00:20:42,549 --> 00:20:41,120

now

425

00:20:46,470 --> 00:20:42,559

has suggested

426

00:20:48,070 --> 00:20:46,480

he may have filmed a ufo in orbit

427

00:20:49,190 --> 00:20:48,080

i want to show you the video he posted

428

00:20:51,590 --> 00:20:49,200

this happened

429

00:20:53,110 --> 00:20:51,600

when he was filming the aurora borealis

430

00:20:54,149 --> 00:20:53,120

he was doing a time

431

00:20:58,230 --> 00:20:54,159

lapse

432

00:21:00,070 --> 00:20:58,240

there's a few objects that appear we're

433

00:21:01,909 --> 00:21:00,080

going to freeze it wow so you can get a

434

00:21:04,390 --> 00:21:01,919

good look at it five objects appear

435

00:21:06,549 --> 00:21:04,400

flying alongside each other with the

436

00:21:08,390 --> 00:21:06,559

same distance in between them

437

00:21:10,149 --> 00:21:08,400

ivan wagner the cosmonaut question

438

00:21:14,390 --> 00:21:10,159

tweeted quote what do you think these

439

00:21:15,909 --> 00:21:14,400

are meteorites satellites or dot dot dot

440

00:21:18,470 --> 00:21:15,919

he suggested they may have been quote

441

00:21:21,270 --> 00:21:18,480

space guests whatever they were they

442

00:21:22,950 --> 00:21:21,280

were obviously arranged in a clear

443

00:21:25,430 --> 00:21:22,960

angled line

444

00:21:28,310 --> 00:21:25,440

the cosmonaut says he sent his video uh

445

00:21:30,630 --> 00:21:28,320

to the authorities in russia for further

446

00:21:31,909 --> 00:21:30,640

evaluation

447

00:21:34,149 --> 00:21:31,919

the greatest news you've heard all

448

00:21:35,909 --> 00:21:34,159

weekend if you enjoy a tippie on a

449

00:21:37,830 --> 00:21:35,919

friday night

450

00:21:39,590 --> 00:21:37,840

all right well more in canada again it

451  
00:21:41,830 --> 00:21:39,600  
looks like

452  
00:21:43,350 --> 00:21:41,840  
the late great astrophysicist stephen

453  
00:21:45,750 --> 00:21:43,360  
hawking believed with more than a

454  
00:21:48,070 --> 00:21:45,760  
hundred billion stars in our galaxy the

455  
00:21:49,990 --> 00:21:48,080  
odds are pretty good that aliens exist

456  
00:21:53,110 --> 00:21:50,000  
and he's talking about every day people

457  
00:21:55,510 --> 00:21:53,120  
across canada report seeing a ufo and

458  
00:21:58,390 --> 00:21:55,520  
while most can be identified as ctv's

459  
00:22:00,149 --> 00:21:58,400  
janet dirks reports some things just

460  
00:22:02,390 --> 00:22:00,159  
can't be explained

461  
00:22:03,430 --> 00:22:02,400  
i got it oh my gosh

462  
00:22:05,750 --> 00:22:03,440  
oh

463  
00:22:08,710 --> 00:22:05,760

what the hell that strange light in the

464

00:22:11,350 --> 00:22:08,720

sky is one of 1100 ufo sightings in

465

00:22:13,990 --> 00:22:11,360

canada last year according to the annual

466

00:22:16,549 --> 00:22:14,000

survey released by ufology research of

467

00:22:18,950 --> 00:22:16,559

manitoba there are at least three such

468

00:22:21,190 --> 00:22:18,960

sightings in the country every day ufo

469

00:22:22,710 --> 00:22:21,200

reports are still a thing people are

470

00:22:25,110 --> 00:22:22,720

reporting them in greater and greater

471

00:22:28,390 --> 00:22:25,120

numbers every year montreal is canada's

472

00:22:30,950 --> 00:22:28,400

ufo capital with 74 sightings reported

473

00:22:33,430 --> 00:22:30,960

last year followed by toronto then

474

00:22:36,840 --> 00:22:33,440

vancouver it's not that these cities are

475

00:22:39,190 --> 00:22:36,850

on an extraterrestrial highway

476

00:22:41,350 --> 00:22:39,200

[Music]

477

00:22:43,190 --> 00:22:41,360

it's a matter of population says the

478

00:22:44,549 --> 00:22:43,200

report's author the tree's falling in

479

00:22:46,390 --> 00:22:44,559

the forest you need somebody to hear it

480

00:22:48,470 --> 00:22:46,400

so if there's a ufo in the sky the more

481

00:22:50,950 --> 00:22:48,480

people around to see it the more reports

482

00:22:54,230 --> 00:22:52,830

none of the sightings match the

483

00:23:00,549 --> 00:22:54,240

drama you have to do that

484

00:23:00,559 --> 00:23:04,070

i can't believe it

485

00:23:12,470 --> 00:23:09,190

i had to turn that off like as soon as i

486

00:23:13,909 --> 00:23:12,480

heard the theme for

487

00:23:16,950 --> 00:23:13,919

freaking

488

00:23:24,390 --> 00:23:20,470

forget it

489

00:23:28,870 --> 00:23:24,400

play that x-file stuff

490

00:23:32,230 --> 00:23:30,230

you know what i mean

491

00:23:34,149 --> 00:23:32,240

we ain't got time for that

492

00:23:36,549 --> 00:23:34,159

come on man

493

00:23:39,669 --> 00:23:36,559

all right are you guys ready to

494

00:23:43,830 --> 00:23:39,679

get into the business today

495

00:23:53,029 --> 00:23:43,840

the business of documents

496

00:23:57,510 --> 00:23:55,110

oh yeah the nellis air force base video

497

00:24:00,789 --> 00:23:57,520

that was from like 10 years ago see that

498

00:24:05,750 --> 00:24:00,799

one was weird to me because it's above

499

00:24:08,070 --> 00:24:05,760

a place we test things and it acts like

500

00:24:10,390 --> 00:24:08,080

these uaps are described so you know

501  
00:24:12,630 --> 00:24:10,400  
again you have two thoughts is it

502  
00:24:15,430 --> 00:24:12,640  
is it um you know

503  
00:24:18,470 --> 00:24:15,440  
the phenomenon or is it ours

504  
00:24:20,710 --> 00:24:18,480  
you know

505  
00:24:22,310 --> 00:24:20,720  
so weird

506  
00:24:24,070 --> 00:24:22,320  
um but that one was very interesting

507  
00:24:25,510 --> 00:24:24,080  
that's funny it's funny how much you

508  
00:24:27,269 --> 00:24:25,520  
know what i've been realizing is how

509  
00:24:29,669 --> 00:24:27,279  
much stuff actually

510  
00:24:33,029 --> 00:24:29,679  
exists out there that just gets

511  
00:24:35,830 --> 00:24:34,310  
you know

512  
00:24:37,590 --> 00:24:35,840  
um

513  
00:24:39,029 --> 00:24:37,600

skinny bob video

514

00:24:40,310 --> 00:24:39,039

i don't know if i want to get into that

515

00:24:41,510 --> 00:24:40,320

revenue

516

00:24:45,110 --> 00:24:41,520

um

517

00:24:50,789 --> 00:24:47,669

convicted that that thing is real

518

00:24:53,590 --> 00:24:51,990

who knows

519

00:24:55,350 --> 00:24:53,600

who

520

00:24:57,750 --> 00:24:55,360

knows but let's get into it doc of the

521

00:25:00,789 --> 00:24:57,760

day uh we got bruce

522

00:25:03,350 --> 00:25:00,799

bruce coffey

523

00:25:05,110 --> 00:25:03,360

ladies and gentlemen the document of the

524

00:25:19,269 --> 00:25:05,120

day

525

00:25:21,490 --> 00:25:19,279

[Music]

526

00:25:26,230 --> 00:25:21,500

it's the dark of the day

527

00:25:30,710 --> 00:25:26,240

[Music]

528

00:25:35,350 --> 00:25:33,830

all right here we go today's document of

529

00:25:38,870 --> 00:25:35,360

the day

530

00:25:40,390 --> 00:25:38,880

is i'm just going to start off with this

531

00:25:42,630 --> 00:25:40,400

right here

532

00:25:44,710 --> 00:25:42,640

so what this is

533

00:25:48,870 --> 00:25:44,720

and i'll tell you where i started so

534

00:25:50,870 --> 00:25:48,880

this all started looking at the dia's uh

535

00:25:52,310 --> 00:25:50,880

ufo files

536

00:25:54,310 --> 00:25:52,320

um that

537

00:25:56,710 --> 00:25:54,320

i thought maybe i found for the first

538

00:25:57,830 --> 00:25:56,720

time turns out greenwald got him a long

539

00:25:59,110 --> 00:25:57,840

time ago

540

00:26:00,870 --> 00:25:59,120

of course

541

00:26:03,430 --> 00:26:00,880

um but whatever there's still good

542

00:26:04,549 --> 00:26:03,440

information in here um

543

00:26:06,310 --> 00:26:04,559

and

544

00:26:07,830 --> 00:26:06,320

wanted to get into it with you

545

00:26:09,029 --> 00:26:07,840

couple other people have written about

546

00:26:12,549 --> 00:26:09,039

this person

547

00:26:15,750 --> 00:26:12,559

um one is a notorious debunker jason

548

00:26:19,750 --> 00:26:15,760

calvito or something

549

00:26:21,029 --> 00:26:19,760

and his piece to debunk this is

550

00:26:24,630 --> 00:26:21,039

assuming

551  
00:26:26,710 --> 00:26:24,640  
what was in the minds of the agents that

552  
00:26:28,710 --> 00:26:26,720  
dealt with kathy

553  
00:26:31,590 --> 00:26:28,720  
based on

554  
00:26:33,669 --> 00:26:31,600  
words in the report that didn't say

555  
00:26:35,110 --> 00:26:33,679  
as such so regardless we're going to get

556  
00:26:37,830 --> 00:26:35,120  
into it

557  
00:26:40,310 --> 00:26:37,840  
and we're going to see what's

558  
00:26:42,390 --> 00:26:40,320  
what's up south coast

559  
00:26:46,549 --> 00:26:42,400  
media productions thanks for coming i

560  
00:26:51,430 --> 00:26:48,630  
appreciate you stopping by we're trying

561  
00:26:54,149 --> 00:26:51,440  
to work on a

562  
00:26:55,750 --> 00:26:54,159  
um smooth flow if you notice we're

563  
00:26:58,230 --> 00:26:55,760

trying to be

564

00:27:00,230 --> 00:26:58,240

you know one after the other right

565

00:27:02,549 --> 00:27:00,240

so i think we have a good flow so far

566

00:27:04,830 --> 00:27:02,559

with the heck is that and all that so

567

00:27:07,269 --> 00:27:04,840

we'll continue with the

568

00:27:10,070 --> 00:27:07,279

ufo um sightings

569

00:27:12,870 --> 00:27:10,080

form global grid are we being watched

570

00:27:15,909 --> 00:27:12,880

here's startling evidence that man's

571

00:27:17,510 --> 00:27:15,919

destiny may not be in his own hands

572

00:27:20,070 --> 00:27:17,520

new zealand airline captain has

573

00:27:22,230 --> 00:27:20,080

calculated mathematically that

574

00:27:25,029 --> 00:27:22,240

unidentified flying objects flying

575

00:27:28,389 --> 00:27:25,039

saucers are working to a definite

576

00:27:31,110 --> 00:27:28,399

pattern over the world's surface

577

00:27:34,710 --> 00:27:31,120

it's pretty interesting so bruce bruce

578

00:27:36,789 --> 00:27:34,720

um was actually a pilot for new zealand

579

00:27:38,470 --> 00:27:36,799

military he was a captain

580

00:27:41,029 --> 00:27:38,480

and he says his first sighting was in

581

00:27:43,269 --> 00:27:41,039

1952

582

00:27:45,350 --> 00:27:43,279

and he's had plenty of other ones

583

00:27:47,669 --> 00:27:45,360

afterwards

584

00:27:50,070 --> 00:27:47,679

and he started documenting all this

585

00:27:51,830 --> 00:27:50,080

stuff and the grid stuff

586

00:27:53,750 --> 00:27:51,840

he says he's not a mathematician he's

587

00:27:56,789 --> 00:27:53,760

just a normal guy

588

00:27:59,909 --> 00:27:56,799

and he figured this out and basically

589

00:28:03,110 --> 00:27:59,919

he tried to get in touch with

590

00:28:06,549 --> 00:28:03,120

the authorities over here and talk about

591

00:28:07,990 --> 00:28:06,559

this theory and see

592

00:28:10,389 --> 00:28:08,000

you know if they were interested if they

593

00:28:10,720 --> 00:28:10,399

knew of it and all that stuff

594

00:28:12,070 --> 00:28:10,730

um

595

00:28:13,750 --> 00:28:12,080

[Music]

596

00:28:16,630 --> 00:28:13,760

so

597

00:28:19,029 --> 00:28:16,640

what we'll do now is just quickly go

598

00:28:24,710 --> 00:28:21,029

those different

599

00:28:30,710 --> 00:28:26,310

because after all

600

00:28:34,789 --> 00:28:33,029

so yeah it's just newspaper one and so

601  
00:28:37,990 --> 00:28:34,799  
here's the biggest one that stood out to

602  
00:28:41,430 --> 00:28:38,000  
me because it just really now this is

603  
00:28:43,029 --> 00:28:41,440  
was in the government documents so

604  
00:28:45,510 --> 00:28:43,039  
um

605  
00:28:47,909 --> 00:28:45,520  
his american embassy

606  
00:28:50,070 --> 00:28:47,919  
looks like he wrote a letter

607  
00:28:52,470 --> 00:28:50,080  
and here is basically what he was

608  
00:28:54,470 --> 00:28:52,480  
proposing we have a ufo

609  
00:28:58,389 --> 00:28:54,480  
power grid

610  
00:29:01,510 --> 00:28:58,399  
uh ufo propulsion principles

611  
00:29:03,990 --> 00:29:01,520  
traveled by space-time manipulation

612  
00:29:05,750 --> 00:29:04,000  
basis for new form of astronomical

613  
00:29:08,710 --> 00:29:05,760

measurements construction of aerial

614

00:29:11,590 --> 00:29:08,720

systems to tap power of grid

615

00:29:13,750 --> 00:29:11,600

formation of volcanoes reason for

616

00:29:15,909 --> 00:29:13,760

earthquake phenomenon

617

00:29:19,510 --> 00:29:15,919

location of ancient civilizations

618

00:29:21,750 --> 00:29:19,520

geometrical basis for atomic explosions

619

00:29:23,269 --> 00:29:21,760

relationship between matter and

620

00:29:26,710 --> 00:29:23,279

antimatter

621

00:29:29,510 --> 00:29:26,720

and he says it's only a short list

622

00:29:34,470 --> 00:29:29,520

so it's very interesting so the whole

623

00:29:37,669 --> 00:29:36,789

whole theory of his grid

624

00:29:39,110 --> 00:29:37,679

right

625

00:29:41,029 --> 00:29:39,120

is

626  
00:29:42,870 --> 00:29:41,039  
that it's all energy so there's these

627  
00:29:44,630 --> 00:29:42,880  
different energy spots

628  
00:29:46,789 --> 00:29:44,640  
throughout the world that make up this

629  
00:29:49,750 --> 00:29:46,799  
grid

630  
00:29:52,230 --> 00:29:49,760  
um and that's where we see the ufos

631  
00:29:54,149 --> 00:29:52,240  
coming in and out apparently you know

632  
00:29:56,870 --> 00:29:54,159  
and he actually tracked and took

633  
00:30:00,230 --> 00:29:56,880  
locations of his sightings and other

634  
00:30:03,590 --> 00:30:00,240  
ones that lined up on his grid he even

635  
00:30:05,350 --> 00:30:03,600  
says that he predicted

636  
00:30:07,909 --> 00:30:05,360  
um french

637  
00:30:09,510 --> 00:30:07,919  
nuclear tests and it says that the

638  
00:30:14,070 --> 00:30:09,520

documents

639

00:30:15,590 --> 00:30:14,080

their you know our authorities are going

640

00:30:17,590 --> 00:30:15,600

to follow up

641

00:30:19,110 --> 00:30:17,600

on that because at the time he said he

642

00:30:22,310 --> 00:30:19,120

was going to predict it

643

00:30:26,070 --> 00:30:22,320

but it had not yet happened

644

00:30:28,789 --> 00:30:26,080

of course there's no follow-up on that

645

00:30:29,750 --> 00:30:28,799

but yet he says in subsequent interviews

646

00:30:36,070 --> 00:30:29,760

and stuff

647

00:30:41,190 --> 00:30:38,470

and what i do want to say is i'm not

648

00:30:43,750 --> 00:30:41,200

sure if any of the if what he's saying

649

00:30:44,950 --> 00:30:43,760

is right or not right but what i am sure

650

00:30:49,510 --> 00:30:44,960

of

651  
00:30:51,590 --> 00:30:49,520  
the people that have looked into him

652  
00:30:53,590 --> 00:30:51,600  
have not checked the math

653  
00:30:56,070 --> 00:30:53,600  
to see if it's even a thing

654  
00:30:59,029 --> 00:30:56,080  
so i do have someone checking on that

655  
00:31:02,389 --> 00:30:59,039  
and looking into it

656  
00:31:04,070 --> 00:31:02,399  
and when he reports back to me

657  
00:31:06,549 --> 00:31:04,080  
you know i'll let you know what he's got

658  
00:31:08,710 --> 00:31:06,559  
to say whether he says it's junk

659  
00:31:12,230 --> 00:31:08,720  
this jibber jabber

660  
00:31:16,389 --> 00:31:12,240  
or it's legit or maybe have an f

661  
00:31:16,399 --> 00:31:22,149  
either way pretty interesting

662  
00:31:25,750 --> 00:31:24,070  
pretty interesting because the most

663  
00:31:31,269 --> 00:31:25,760

interesting part of this to me is that

664

00:31:36,950 --> 00:31:33,909

i mean how many stories do we have here

665

00:31:38,549 --> 00:31:36,960

of people who are involved in this field

666

00:31:43,509 --> 00:31:38,559

in this community

667

00:31:46,470 --> 00:31:44,830

you know

668

00:31:48,070 --> 00:31:46,480

me

669

00:31:50,870 --> 00:31:48,080

it sounds like him

670

00:31:53,190 --> 00:31:50,880

but we take our different paths you know

671

00:31:54,950 --> 00:31:53,200

like this was my thing so

672

00:31:56,470 --> 00:31:54,960

you know like talking or singing or

673

00:31:58,230 --> 00:31:56,480

whatever

674

00:31:59,669 --> 00:31:58,240

that's what i'm used to so this is the

675

00:32:02,549 --> 00:31:59,679

way i knew

676  
00:32:05,029 --> 00:32:02,559  
to to do something

677  
00:32:06,389 --> 00:32:05,039  
after that and for him for bruce it

678  
00:32:09,750 --> 00:32:06,399  
seemed like

679  
00:32:12,149 --> 00:32:09,760  
you know he took his own route

680  
00:32:15,029 --> 00:32:12,159  
and he wasn't known as a

681  
00:32:16,230 --> 00:32:15,039  
uh he was known as having by his you

682  
00:32:17,909 --> 00:32:16,240  
know

683  
00:32:19,590 --> 00:32:17,919  
um

684  
00:32:20,630 --> 00:32:19,600  
i would say friends or co-workers or

685  
00:32:23,830 --> 00:32:20,640  
whatever

686  
00:32:28,750 --> 00:32:23,840  
colleagues as he had a bug about ufos

687  
00:32:36,470 --> 00:32:30,310  
1952

688  
00:32:38,789 --> 00:32:36,480

year of the ufo everywhere

689

00:32:40,870 --> 00:32:38,799

it seems definitely here

690

00:32:43,990 --> 00:32:40,880

so that's interesting i actually found a

691

00:32:46,310 --> 00:32:44,000

deciding spaghetti dating back to 1941

692

00:32:47,350 --> 00:32:46,320

in hong kong remember that

693

00:32:49,430 --> 00:32:47,360

crazy

694

00:32:50,870 --> 00:32:49,440

um but i'm reading john keel's book

695

00:32:53,669 --> 00:32:50,880

right now

696

00:32:59,750 --> 00:32:56,870

and he he goes what i really appreciate

697

00:33:02,549 --> 00:32:59,760

about his book operation trojanuaris is

698

00:33:05,029 --> 00:33:02,559

he goes through the history in the late

699

00:33:07,350 --> 00:33:05,039

1800s pretty thoroughly about the

700

00:33:10,549 --> 00:33:07,360

airships and everything

701  
00:33:11,909 --> 00:33:10,559  
um apparently there was somebody uh an

702  
00:33:14,950 --> 00:33:11,919  
inventor

703  
00:33:17,029 --> 00:33:14,960  
at the time or it's uh almost a

704  
00:33:18,789 --> 00:33:17,039  
phenomenon of people pretending to be

705  
00:33:21,029 --> 00:33:18,799  
inventors

706  
00:33:22,549 --> 00:33:21,039  
that have made these airships

707  
00:33:25,830 --> 00:33:22,559  
with different messages on them and

708  
00:33:26,710 --> 00:33:25,840  
everything about how they're lost or

709  
00:33:29,029 --> 00:33:26,720  
you know

710  
00:33:31,350 --> 00:33:29,039  
um

711  
00:33:33,269 --> 00:33:31,360  
they tell the supposed inventor they

712  
00:33:34,950 --> 00:33:33,279  
left the note too that you you're going

713  
00:33:36,470 --> 00:33:34,960

to be able to have this we don't want

714

00:33:40,070 --> 00:33:36,480

anything to do with it

715

00:33:45,909 --> 00:33:43,430

finish keyhole's book uh no i have not

716

00:33:47,750 --> 00:33:45,919

i'm finishing operation trojan horse and

717

00:33:49,190 --> 00:33:47,760

then i'll move on to

718

00:33:51,669 --> 00:33:49,200

the next one which is an

719

00:33:53,909 --> 00:33:51,679

interdimensional kind of book

720

00:33:56,070 --> 00:33:53,919

which i think i should be reading at

721

00:33:58,789 --> 00:33:56,080

least since it seems like

722

00:34:00,149 --> 00:33:58,799

people are really high on that

723

00:34:01,430 --> 00:34:00,159

scenario

724

00:34:03,590 --> 00:34:01,440

which

725

00:34:07,430 --> 00:34:03,600

i would have to say i am a little bit as

726  
00:34:07,440 --> 00:34:11,109  
so let's go

727  
00:34:11,119 --> 00:34:16,550  
and switch it up a little bit here

728  
00:34:22,710 --> 00:34:19,109  
just so you can get kind of an idea of

729  
00:34:22,720 --> 00:34:25,750  
we're going to

730  
00:34:32,310 --> 00:34:27,030  
check

731  
00:34:37,589 --> 00:34:35,270  
if you don't mind um he's a very soft

732  
00:34:40,869 --> 00:34:37,599  
quiet soft-spoken person

733  
00:34:46,790 --> 00:34:44,389  
weird at all which is interesting

734  
00:34:48,389 --> 00:34:46,800  
uh you know he just seems

735  
00:34:49,109 --> 00:34:48,399  
like he knows what he's doing

736  
00:34:51,430 --> 00:34:49,119  
so

737  
00:34:52,790 --> 00:34:51,440  
um whether he does or not i can't say

738  
00:34:54,149 --> 00:34:52,800

like i said i don't know the math and

739

00:34:57,349 --> 00:34:54,159

stuff but

740

00:35:01,430 --> 00:34:58,950

let's check it out this is probably the

741

00:35:03,589 --> 00:35:01,440

most controversial one so let's check it

742

00:35:06,470 --> 00:35:03,599

out he's trying to calculate uh an

743

00:35:07,829 --> 00:35:06,480

atomic bomb test apparently

744

00:35:09,190 --> 00:35:07,839

so

745

00:35:10,710 --> 00:35:09,200

let's see what he's got let's give you a

746

00:35:13,349 --> 00:35:10,720

quick demonstration

747

00:35:14,790 --> 00:35:13,359

he's really quiet

748

00:35:16,950 --> 00:35:14,800

and that's equated to the earth now

749

00:35:19,030 --> 00:35:16,960

we've got a bomb site here same euro or

750

00:35:20,870 --> 00:35:19,040

one of the southern ones

751  
00:35:23,190 --> 00:35:20,880  
and we've got the sun but imagine the

752  
00:35:24,630 --> 00:35:23,200  
earth is circular circulating

753  
00:35:26,470 --> 00:35:24,640  
it's rotating

754  
00:35:28,630 --> 00:35:26,480  
and it appears the sun is crossing

755  
00:35:31,510 --> 00:35:28,640  
across the face of the earth now

756  
00:35:32,790 --> 00:35:31,520  
if you imagine this sun is moving across

757  
00:35:34,390 --> 00:35:32,800  
moving across

758  
00:35:35,829 --> 00:35:34,400  
and we've set up here

759  
00:35:38,790 --> 00:35:35,839  
a spherical triangle on the earth's

760  
00:35:40,550 --> 00:35:38,800  
surface now that line there

761  
00:35:42,390 --> 00:35:40,560  
is a longitude line

762  
00:35:44,550 --> 00:35:42,400  
and that line there

763  
00:35:45,589 --> 00:35:44,560

will be

764

00:35:49,430 --> 00:35:45,599

a

765

00:35:50,630 --> 00:35:49,440

slight curve in it

766

00:35:52,950 --> 00:35:50,640

and um

767

00:35:55,270 --> 00:35:52,960

now if the distance from the bomb site

768

00:35:58,950 --> 00:35:55,280

to the asa just to make one sort of

769

00:36:00,790 --> 00:35:58,960

demonstration was 269.5

770

00:36:01,910 --> 00:36:00,800

minutes relative

771

00:36:03,589 --> 00:36:01,920

equator

772

00:36:05,030 --> 00:36:03,599

and that one was another harmonic in

773

00:36:07,510 --> 00:36:05,040

minutes and that was another harmonic in

774

00:36:09,270 --> 00:36:07,520

minutes it matched all these values

775

00:36:11,750 --> 00:36:09,280

now imagine the sun moving through and

776

00:36:14,710 --> 00:36:11,760

this is all set up the bomb is

777

00:36:17,589 --> 00:36:14,720

and ready to go but they need one more

778

00:36:19,270 --> 00:36:17,599

harmonic to detonate it so

779

00:36:22,150 --> 00:36:19,280

imagine the sun as soon as it hits that

780

00:36:23,829 --> 00:36:22,160

point that whole

781

00:36:24,870 --> 00:36:23,839

spherical

782

00:36:28,950 --> 00:36:24,880

triangle

783

00:36:31,829 --> 00:36:28,960

is harmonically tuned to that site

784

00:36:36,310 --> 00:36:31,839

uh now let's uh so

785

00:36:38,310 --> 00:36:36,320

what's interesting about um his

786

00:36:41,030 --> 00:36:38,320

one of the interesting things about this

787

00:36:43,589 --> 00:36:41,040

part of his theory is

788

00:36:47,910 --> 00:36:45,670

he says

789

00:36:50,390 --> 00:36:47,920

because like we everybody knows that

790

00:36:51,510 --> 00:36:50,400

like our militaries know that so

791

00:36:54,310 --> 00:36:51,520

the

792

00:36:56,069 --> 00:36:54,320

nuclear bombs and everything are a mute

793

00:36:58,870 --> 00:36:56,079

point because

794

00:37:02,069 --> 00:36:58,880

we all can figure out when they would be

795

00:37:04,310 --> 00:37:02,079

detonated because they need

796

00:37:06,829 --> 00:37:04,320

a piece of this harmonic

797

00:37:09,190 --> 00:37:06,839

energy grid point to

798

00:37:10,150 --> 00:37:09,200

uh work

799

00:37:12,870 --> 00:37:10,160

you know

800

00:37:16,710 --> 00:37:12,880

i have no idea

801

00:37:20,630 --> 00:37:16,720

if any of that is real you know but it's

802

00:37:23,829 --> 00:37:20,640

pretty intense and you see the guy and

803

00:37:28,390 --> 00:37:23,839

it's like he seems like he's got his

804

00:37:36,390 --> 00:37:30,470

or is that just me does he seem like a

805

00:37:39,990 --> 00:37:37,430

toby

806

00:37:43,109 --> 00:37:40,000

um that document um

807

00:37:44,710 --> 00:37:43,119

so every day after

808

00:37:46,630 --> 00:37:44,720

this show well it's gonna be at three

809

00:37:48,790 --> 00:37:46,640

o'clock so every day after the show

810

00:37:50,150 --> 00:37:48,800

where we do documents and such you can

811

00:37:52,310 --> 00:37:50,160

go to my website which is

812

00:37:54,870 --> 00:37:52,320

witnesscitizen.com

813

00:37:56,310 --> 00:37:54,880

and there will be an automatic

814

00:37:58,390 --> 00:37:56,320

blog post

815

00:38:00,310 --> 00:37:58,400

with this video here

816

00:38:02,150 --> 00:38:00,320

the links to the videos

817

00:38:05,990 --> 00:38:02,160

i used and referenced

818

00:38:09,030 --> 00:38:07,589

the documents

819

00:38:10,310 --> 00:38:09,040

so

820

00:38:15,750 --> 00:38:10,320

you will be

821

00:38:17,670 --> 00:38:16,110

shoe

822

00:38:19,589 --> 00:38:17,680

[Music]

823

00:38:22,310 --> 00:38:19,599

you'll have all that

824

00:38:24,069 --> 00:38:22,320

yeah so i'm trying to work on uh you

825

00:38:26,069 --> 00:38:24,079

know

826

00:38:27,510 --> 00:38:26,079

a nice system like that

827

00:38:29,510 --> 00:38:27,520

and i think that's going to work out so

828

00:38:31,589 --> 00:38:29,520

you have like one place

829

00:38:33,589 --> 00:38:31,599

where you can if you want to re-watch

830

00:38:36,310 --> 00:38:33,599

the video or anything you can if you

831

00:38:37,829 --> 00:38:36,320

just want the documents from the video

832

00:38:39,670 --> 00:38:37,839

they'll be there

833

00:38:41,430 --> 00:38:39,680

if you just

834

00:38:46,310 --> 00:38:41,440

want to watch you know one of the videos

835

00:38:50,069 --> 00:38:48,950

um try to have it all in one spot for

836

00:38:52,069 --> 00:38:50,079

you

837

00:38:54,069 --> 00:38:52,079

there i would put it in like the show

838

00:38:56,230 --> 00:38:54,079

notes and stuff but what i don't want is

839

00:38:59,109 --> 00:38:56,240

people to you know check all this stuff

840

00:39:01,430 --> 00:38:59,119

out beforehand and come to

841

00:39:02,390 --> 00:39:01,440

this with an influenced opinion of some

842

00:39:04,230 --> 00:39:02,400

sort

843

00:39:07,030 --> 00:39:04,240

you know i wanna

844

00:39:10,150 --> 00:39:07,040

uh open it up with you

845

00:39:20,390 --> 00:39:14,069

so um i'll just give you

846

00:39:20,400 --> 00:39:24,390

if you don't mind

847

00:39:28,630 --> 00:39:26,870

here he's kind of explaining a lot so

848

00:39:48,230 --> 00:39:28,640

i'm just going to let it go for just a

849

00:39:51,190 --> 00:39:49,589

so i'm just wasn't it just so you know

850

00:39:53,109 --> 00:39:51,200

what he's talking about is something

851  
00:39:54,790 --> 00:39:53,119  
that they photographed in the ocean that

852  
00:39:56,390 --> 00:39:54,800  
looks like some sort of weird antenna

853  
00:39:58,310 --> 00:39:56,400  
coming out of the water

854  
00:39:59,349 --> 00:39:58,320  
turns out they told them it was like a

855  
00:40:02,390 --> 00:39:59,359  
plant

856  
00:40:05,430 --> 00:40:02,400  
um but the seabed went down farther like

857  
00:40:06,950 --> 00:40:05,440  
than 30 000 miles or something so

858  
00:40:14,309 --> 00:40:06,960  
what he's trying to say is that's

859  
00:40:14,319 --> 00:40:19,349  
oh it's muted huh

860  
00:40:19,359 --> 00:40:22,390  
all right

861  
00:40:27,270 --> 00:40:24,550  
man it's like

862  
00:40:30,710 --> 00:40:27,280  
why would they like this thing why would

863  
00:40:32,390 --> 00:40:30,720

they even let you play

864

00:40:33,829 --> 00:40:32,400

a video without

865

00:40:36,950 --> 00:40:33,839

you know why would you want to do that

866

00:40:39,510 --> 00:40:36,960

it should be like automatic

867

00:40:41,270 --> 00:40:39,520

yeah we'll share the audio but they

868

00:40:42,790 --> 00:40:41,280

could have like a thing like are you

869

00:40:44,480 --> 00:40:42,800

sure you want to share this audio when

870

00:40:47,510 --> 00:40:44,490

you do it you're sharing audio

871

00:40:48,630 --> 00:40:47,520

[Laughter]

872

00:40:49,910 --> 00:40:48,640

so

873

00:40:52,950 --> 00:40:49,920

yeah

874

00:40:55,430 --> 00:40:52,960

that's what they should do but here we

875

00:40:57,430 --> 00:40:55,440

go and uh just sort of big flashing that

876

00:41:00,630 --> 00:40:57,440

blinked out there's nothing there

877

00:41:02,630 --> 00:41:00,640

so um i plotted this again on my map and

878

00:41:04,550 --> 00:41:02,640

found that these two objects were pretty

879

00:41:06,710 --> 00:41:04,560

well at right angles to each other and i

880

00:41:09,109 --> 00:41:06,720

think we're 11 years apart

881

00:41:10,870 --> 00:41:09,119

and i realized straight away now

882

00:41:13,190 --> 00:41:10,880

they couldn't be meteors there was

883

00:41:14,950 --> 00:41:13,200

nothing natural that would come

884

00:41:17,190 --> 00:41:14,960

into one point

885

00:41:19,109 --> 00:41:17,200

from two directions 90 degrees apart and

886

00:41:22,069 --> 00:41:19,119

disappear in the same place

887

00:41:23,109 --> 00:41:22,079

so it had to be a euphone

888

00:41:24,630 --> 00:41:23,119

yeah

889

00:41:27,109 --> 00:41:24,640  
was the starting point of all the

890

00:41:31,589 --> 00:41:27,119  
plotting in the whole world

891

00:41:34,710 --> 00:41:32,950  
so just kind of wanted you to hear that

892

00:41:36,230 --> 00:41:34,720  
for yourself that's how it started how

893

00:41:37,670 --> 00:41:36,240  
he started making those little points

894

00:41:41,589 --> 00:41:37,680  
and everything

895

00:41:44,630 --> 00:41:41,599  
um and yeah so he passed away

896

00:41:48,150 --> 00:41:44,640  
um i think it was in 2013

897

00:41:49,990 --> 00:41:48,160  
but the interesting thing about this the

898

00:41:51,190 --> 00:41:50,000  
most interesting thing i should say

899

00:41:56,150 --> 00:41:51,200  
about this

900

00:42:00,230 --> 00:41:59,190  
die it still exists and there's actually

901  
00:42:02,710 --> 00:42:00,240  
a little

902  
00:42:07,109 --> 00:42:02,720  
subcult of people who

903  
00:42:11,589 --> 00:42:09,510  
which is interesting

904  
00:42:14,870 --> 00:42:11,599  
to me and this is it

905  
00:42:18,230 --> 00:42:14,880  
and so this rod maupin right now

906  
00:42:20,550 --> 00:42:18,240  
is has this software status of grid

907  
00:42:23,510 --> 00:42:20,560  
point atlas software

908  
00:42:27,349 --> 00:42:23,520  
and he posted something about it not too

909  
00:42:30,069 --> 00:42:28,390  
so

910  
00:42:34,790 --> 00:42:30,079  
and it looks like he's writing his own

911  
00:42:39,109 --> 00:42:36,550  
because it only works on windows 7

912  
00:42:41,270 --> 00:42:39,119  
nothing else

913  
00:42:43,270 --> 00:42:41,280

so anybody got windows 7.

914

00:42:46,309 --> 00:42:43,280

so it's interesting but you can find

915

00:42:48,309 --> 00:42:46,319

samples of it online and pro it looks

916

00:42:51,349 --> 00:42:48,319

like you can use it and stuff

917

00:42:55,030 --> 00:42:53,670

so that is

918

00:42:58,470 --> 00:42:55,040

interesting

919

00:42:59,349 --> 00:42:58,480

um the yeah worldgrid.net

920

00:43:01,270 --> 00:42:59,359

so

921

00:43:02,790 --> 00:43:01,280

if you click on the different things i'm

922

00:43:04,470 --> 00:43:02,800

not sure if this is even a working

923

00:43:05,829 --> 00:43:04,480

website

924

00:43:07,670 --> 00:43:05,839

but

925

00:43:10,550 --> 00:43:07,680

oh it doesn't oh he's got a phone number

926

00:43:15,349 --> 00:43:10,560

there should we call 555. see that's

927

00:43:22,710 --> 00:43:17,109

very interesting

928

00:43:22,720 --> 00:43:26,309

here's a blog

929

00:43:26,319 --> 00:43:30,069

no it's just the same thing

930

00:43:34,790 --> 00:43:32,230

oh so he had an old website it looks

931

00:43:36,630 --> 00:43:34,800

like i'm having to rebid the world grid

932

00:43:38,309 --> 00:43:36,640

doesn't that sound like such a dramatic

933

00:43:42,870 --> 00:43:38,319

thing

934

00:43:47,910 --> 00:43:42,880

i have to rebuild the world grid

935

00:43:53,270 --> 00:43:50,470

so yeah that's what we got that's bruce

936

00:43:54,950 --> 00:43:53,280

cathy i do have someone that's

937

00:43:56,710 --> 00:43:54,960

you know

938

00:43:58,950 --> 00:43:56,720

said they're gonna look at the the math

939

00:44:02,150 --> 00:43:58,960

for me i'm not holding my breath but

940

00:44:04,790 --> 00:44:02,160

there are um instances where

941

00:44:07,030 --> 00:44:04,800

i found where this grid lines up with

942

00:44:09,030 --> 00:44:07,040

google earth

943

00:44:11,430 --> 00:44:09,040

in their grid so

944

00:44:13,510 --> 00:44:11,440

that's interesting to me you know and i

945

00:44:16,390 --> 00:44:13,520

don't spaghetti fake

946

00:44:18,870 --> 00:44:16,400

you think you can say fake sure it seems

947

00:44:20,309 --> 00:44:18,880

like it'd be fake but if we don't know

948

00:44:23,270 --> 00:44:20,319

the math

949

00:44:25,349 --> 00:44:23,280

you know what it says or what it does

950

00:44:27,430 --> 00:44:25,359

how do we know

951  
00:44:29,750 --> 00:44:27,440  
we can say fake all we want but we just

952  
00:44:31,800 --> 00:44:29,760  
don't know

953  
00:44:35,109 --> 00:44:31,810  
um but it probably is fake yeah

954  
00:44:37,109 --> 00:44:35,119  
[Laughter]

955  
00:44:42,150 --> 00:44:37,119  
but it's interesting because it started

956  
00:44:47,109 --> 00:44:45,430  
i don't know it's just like

957  
00:44:49,670 --> 00:44:47,119  
it's crazy how

958  
00:44:52,630 --> 00:44:49,680  
sightings can really

959  
00:44:54,069 --> 00:44:52,640  
throw you into a different lifestyle

960  
00:44:56,390 --> 00:44:54,079  
that you may not

961  
00:45:02,150 --> 00:44:56,400  
be used to or ever even think

962  
00:45:07,430 --> 00:45:03,109  
so

963  
00:45:12,790 --> 00:45:07,440

now back to the actual documents

964

00:45:19,430 --> 00:45:14,870

it says

965

00:45:23,829 --> 00:45:19,440

forecast of french atomic tests 1967

966

00:45:25,910 --> 00:45:23,839

based on mathematical theories

967

00:45:28,950 --> 00:45:25,920

this unclassified document from

968

00:45:30,630 --> 00:45:28,960

department of intelligence

969

00:45:33,510 --> 00:45:30,640

zooming in

970

00:45:36,870 --> 00:45:33,520

wellington new zealand april 28th

971

00:45:38,550 --> 00:45:36,880

captain bruce l cathy

972

00:45:40,230 --> 00:45:38,560

report describes in general terms of

973

00:45:41,589 --> 00:45:40,240

theory held by new zealand citizen that

974

00:45:43,589 --> 00:45:41,599

he had discovered a mathematical

975

00:45:45,750 --> 00:45:43,599

equation or process whereby can predict

976  
00:45:48,309 --> 00:45:45,760  
atomic explosions

977  
00:45:50,470 --> 00:45:48,319  
and in particular and in particular the

978  
00:45:52,790 --> 00:45:50,480  
fourth coming french test that

979  
00:45:54,309 --> 00:45:52,800  
whatever island within certain

980  
00:45:56,710 --> 00:45:54,319  
limitations these limitations are

981  
00:45:58,390 --> 00:45:56,720  
described in attachments here to further

982  
00:46:00,710 --> 00:45:58,400  
the report gives background information

983  
00:46:03,910 --> 00:46:00,720  
on this person his intense interest in

984  
00:46:06,230 --> 00:46:03,920  
ufos and other phenomena all of which he

985  
00:46:08,790 --> 00:46:06,240  
relates to his belief that the outer

986  
00:46:11,990 --> 00:46:08,800  
space intelligence of some sort is at

987  
00:46:12,829 --> 00:46:12,000  
work here on earth re-plotting a world

988  
00:46:16,390 --> 00:46:12,839

grid

989

00:46:18,150 --> 00:46:16,400

system it's just weird to me that if

990

00:46:20,230 --> 00:46:18,160

it was completely garbage do they have

991

00:46:25,670 --> 00:46:20,240

to make these reports and stuff

992

00:46:31,430 --> 00:46:27,990

40 years of age he's married two kids

993

00:46:31,440 --> 00:46:35,990

qualified airline captain

994

00:46:40,069 --> 00:46:38,390

first contact

995

00:46:42,950 --> 00:46:40,079

this was done in the attach made a

996

00:46:45,430 --> 00:46:42,960

letter report to afsc ftd foreign

997

00:46:47,990 --> 00:46:45,440

technology division on the 26th august

998

00:46:49,190 --> 00:46:48,000

1965.

999

00:46:52,230 --> 00:46:49,200

as we knew

1000

00:46:54,870 --> 00:46:52,240

foreign technology division

1001  
00:47:01,510 --> 00:46:54,880  
did in fact work

1002  
00:47:08,069 --> 00:47:02,550  
so

1003  
00:47:12,870 --> 00:47:10,710  
since 1952 his first sighting blah blah

1004  
00:47:16,790 --> 00:47:12,880  
blah later developments

1005  
00:47:20,950 --> 00:47:16,800  
deputy for technology and subsystems

1006  
00:47:22,870 --> 00:47:20,960  
uh he had no basis for his beliefs

1007  
00:47:27,190 --> 00:47:22,880  
on there here he's telling his antenna

1008  
00:47:34,309 --> 00:47:29,990  
and comment this man is not a typical

1009  
00:47:39,430 --> 00:47:37,109  
i wish i could just zoom in more

1010  
00:47:41,109 --> 00:47:39,440  
so at one time his employer apparently

1011  
00:47:43,829 --> 00:47:41,119  
thought he was a little off on the

1012  
00:47:45,910 --> 00:47:43,839  
subject but now offers no objection to

1013  
00:47:47,829 --> 00:47:45,920

his work in the field

1014

00:47:49,910 --> 00:47:47,839

he has no ex to grind her special

1015

00:47:53,349 --> 00:47:49,920

interests other than to prove his

1016

00:47:59,030 --> 00:47:57,030

uh harmonic 33 is his book

1017

00:48:02,790 --> 00:47:59,040

i have not read it

1018

00:48:05,430 --> 00:48:02,800

um i rather not read it until i can

1019

00:48:07,430 --> 00:48:05,440

find out if there's a

1020

00:48:12,630 --> 00:48:07,440

working math there not because i don't

1021

00:48:12,640 --> 00:48:19,349

so yeah interesting stuff

1022

00:48:25,030 --> 00:48:22,630

findings and conclusions

1023

00:48:27,109 --> 00:48:25,040

to date no since evidence exists that

1024

00:48:29,109 --> 00:48:27,119

three objects represent interstellar

1025

00:48:31,030 --> 00:48:29,119

travel in reverse

1026

00:48:40,549 --> 00:48:31,040

there is no basis for captain kathy's

1027

00:48:43,990 --> 00:48:42,230

so and there's a couple of these where

1028

00:48:48,069 --> 00:48:44,000

kathy's almost kind of like threatening

1029

00:48:52,870 --> 00:48:50,549

he also says that people are like

1030

00:48:58,790 --> 00:48:52,880

tailing him this lasted for a while this

1031

00:49:05,430 --> 00:49:00,470

i'm not sure i don't think it's 10 years

1032

00:49:09,910 --> 00:49:07,670

during the last two years made

1033

00:49:12,150 --> 00:49:09,920

intensive study

1034

00:49:18,950 --> 00:49:12,160

so you will be able to read all these if

1035

00:49:22,870 --> 00:49:21,589

they're pretty

1036

00:49:24,390 --> 00:49:22,880

it's bridge

1037

00:49:27,190 --> 00:49:24,400

you know it's just interesting because

1038

00:49:29,190 --> 00:49:27,200

they had so many of these files that

1039

00:49:30,870 --> 00:49:29,200

they made why would they go

1040

00:49:32,870 --> 00:49:30,880

is this something they have to do if

1041

00:49:34,630 --> 00:49:32,880

people are contacting them

1042

00:49:36,790 --> 00:49:34,640

so otherwise it seems like a just

1043

00:49:44,630 --> 00:49:36,800

incredible waste of resources if they

1044

00:49:55,109 --> 00:49:48,870

so yeah yeah here's his ufo uh

1045

00:49:59,829 --> 00:49:57,030

nothing too special there

1046

00:50:02,230 --> 00:49:59,839

here captain kathy is a lean wiry new

1047

00:50:03,990 --> 00:50:02,240

zealander with an

1048

00:50:05,750 --> 00:50:04,000

apparently above average knowledge of

1049

00:50:10,829 --> 00:50:05,760

mathematics

1050

00:50:15,190 --> 00:50:12,710

interesting

1051  
00:50:16,710 --> 00:50:15,200  
um then we have some

1052  
00:50:19,109 --> 00:50:16,720  
alleged interference with ufo

1053  
00:50:21,270 --> 00:50:19,119  
investigation

1054  
00:50:23,510 --> 00:50:21,280  
source in the last three months called

1055  
00:50:25,349 --> 00:50:23,520  
that three or four times by telephone

1056  
00:50:27,030 --> 00:50:25,359  
and reported his progress in the

1057  
00:50:28,630 --> 00:50:27,040  
investigation on april 30th he

1058  
00:50:32,309 --> 00:50:28,640  
telephoned that his investigation was

1059  
00:50:34,790 --> 00:50:32,319  
being hampered by u.s personnel

1060  
00:50:37,829 --> 00:50:34,800  
tailing him he requested relief from

1061  
00:50:39,670 --> 00:50:37,839  
such surveillance

1062  
00:50:41,750 --> 00:50:39,680  
see this is interesting how they say

1063  
00:50:44,069 --> 00:50:41,760

this alleged interference with ufo

1064

00:50:46,470 --> 00:50:44,079

investigation so there's

1065

00:50:49,270 --> 00:50:46,480

are these saying this is some sort of

1066

00:50:51,349 --> 00:50:49,280

legit ufo investigation and someone is

1067

00:50:59,270 --> 00:50:51,359

alleging interference because that's how

1068

00:51:03,270 --> 00:51:01,190

um yeah

1069

00:51:05,430 --> 00:51:03,280

and when they looked into it it turned

1070

00:51:07,430 --> 00:51:05,440

out that

1071

00:51:09,589 --> 00:51:07,440

they didn't have they actually looked to

1072

00:51:11,030 --> 00:51:09,599

see if anyone was there any other

1073

00:51:13,109 --> 00:51:11,040

personnel

1074

00:51:15,829 --> 00:51:13,119

and it turns out no one was but there

1075

00:51:17,990 --> 00:51:15,839

was a navy ship

1076  
00:51:28,630 --> 00:51:18,000  
around

1077  
00:51:28,640 --> 00:51:32,150  
and that's it

1078  
00:51:32,160 --> 00:51:36,309  
that's doc of the day

1079  
00:51:36,319 --> 00:51:39,670  
not bad

1080  
00:51:43,349 --> 00:51:41,990  
so yeah um

1081  
00:51:45,430 --> 00:51:43,359  
i know it's a little out there in left

1082  
00:51:47,990 --> 00:51:45,440  
field but i wanted to try something a

1083  
00:51:49,109 --> 00:51:48,000  
little interesting a little different

1084  
00:51:50,870 --> 00:51:49,119  
you know

1085  
00:51:53,270 --> 00:51:50,880  
stuff like that

1086  
00:51:56,710 --> 00:51:53,280  
i hope you

1087  
00:52:01,109 --> 00:51:59,109  
at least hearing about it so

1088  
00:52:05,510 --> 00:52:01,119

um

1089

00:52:08,549 --> 00:52:07,030

have any questions or anything about it

1090

00:52:11,109 --> 00:52:08,559

otherwise like i said you can head to my

1091

00:52:13,190 --> 00:52:11,119

website in a couple hours in all these

1092

00:52:14,390 --> 00:52:13,200

documents and the videos and stuff that

1093

00:52:15,829 --> 00:52:14,400

i showed you

1094

00:52:17,030 --> 00:52:15,839

will be there if you want to check it

1095

00:52:19,190 --> 00:52:17,040

out yourself

1096

00:52:20,069 --> 00:52:19,200

um

1097

00:52:21,829 --> 00:52:20,079

you know

1098

00:52:24,710 --> 00:52:21,839

what's a takeaway from this for me the

1099

00:52:25,990 --> 00:52:24,720

takeaway from for me from this is a

1100

00:52:29,430 --> 00:52:26,000

couple things

1101  
00:52:29,440 --> 00:52:34,950  
i don't doubt is his sighting it all and

1102  
00:52:34,960 --> 00:52:38,150  
sightings

1103  
00:52:42,950 --> 00:52:41,030  
have a way of just um pushing certain

1104  
00:52:44,950 --> 00:52:42,960  
kinds of people to

1105  
00:52:47,109 --> 00:52:44,960  
action with this stuff

1106  
00:52:49,990 --> 00:52:47,119  
you know and whether his stuff is right

1107  
00:52:51,910 --> 00:52:50,000  
or wrong or crap or not like

1108  
00:52:53,589 --> 00:52:51,920  
you look at the guy and he's an honest

1109  
00:52:58,309 --> 00:52:53,599  
sincere guy

1110  
00:53:03,670 --> 00:53:00,870  
you know

1111  
00:53:05,030 --> 00:53:03,680  
it could be complete crap and probably

1112  
00:53:06,870 --> 00:53:05,040  
is

1113  
00:53:08,870 --> 00:53:06,880

but he had a sighting and it put him to

1114

00:53:11,270 --> 00:53:08,880

do action and he

1115

00:53:14,230 --> 00:53:11,280

just had a weird way of doing it

1116

00:53:18,150 --> 00:53:14,240

that um

1117

00:53:22,790 --> 00:53:20,390

and another thing that that is important

1118

00:53:27,109 --> 00:53:22,800

if this is math and all that stuff is

1119

00:53:30,950 --> 00:53:29,349

it's kind of an example of

1120

00:53:33,510 --> 00:53:30,960

all the sorts of people that are out

1121

00:53:35,990 --> 00:53:33,520

there right now pushing their beliefs

1122

00:53:37,910 --> 00:53:36,000

and what they think is reality

1123

00:53:39,990 --> 00:53:37,920

like alien invasions or anything like

1124

00:53:42,790 --> 00:53:40,000

that

1125

00:53:44,390 --> 00:53:42,800

they're bruce kathy

1126

00:53:47,589 --> 00:53:44,400

you know

1127

00:53:49,510 --> 00:53:47,599

there's a lot of bruce cathy's

1128

00:53:52,790 --> 00:53:49,520

who have their way in their system and

1129

00:54:00,309 --> 00:53:54,390

and

1130

00:54:03,190 --> 00:54:01,670

so

1131

00:54:08,230 --> 00:54:03,200

don't let yourself

1132

00:54:12,150 --> 00:54:10,309

not to say bruce is crap for sure or

1133

00:54:16,470 --> 00:54:12,160

anything i don't know like i said you

1134

00:54:21,349 --> 00:54:19,109

my inclination is to say it's crap but

1135

00:54:23,109 --> 00:54:21,359

that's because

1136

00:54:25,109 --> 00:54:23,119

i feel like i was kind of

1137

00:54:27,829 --> 00:54:25,119

bred that way

1138

00:54:29,670 --> 00:54:27,839

you know to not believe outlandish

1139

00:54:31,670 --> 00:54:29,680

things even though i'm here but that's

1140

00:54:34,150 --> 00:54:31,680

because i've seen it if i didn't see

1141

00:54:37,109 --> 00:54:34,160

this phenomenon i wouldn't be here

1142

00:54:38,870 --> 00:54:37,119

um like ghosts and stuff

1143

00:54:41,829 --> 00:54:38,880

it's still hard for me to even believe

1144

00:54:44,549 --> 00:54:41,839

in that you should ask my wife

1145

00:54:46,950 --> 00:54:44,559

like i'm the guy on tv that goes

1146

00:54:50,390 --> 00:54:46,960

oh yeah i'm so sure or they go oh did

1147

00:54:53,109 --> 00:54:50,400

you hear that they said something uh-huh

1148

00:54:57,670 --> 00:54:53,119

you know that's me

1149

00:55:06,230 --> 00:55:01,190

and i'm not this kind of guy i'm the

1150

00:55:10,390 --> 00:55:08,309

i don't know i'm just

1151  
00:55:11,829 --> 00:55:10,400  
it's interesting you know how a sighting

1152  
00:55:18,150 --> 00:55:11,839  
can

1153  
00:55:22,950 --> 00:55:20,870  
so

1154  
00:55:25,190 --> 00:55:22,960  
you know that's the kind of thing that

1155  
00:55:26,470 --> 00:55:25,200  
makes me think that this phenomenon has

1156  
00:55:29,670 --> 00:55:26,480  
something to do

1157  
00:55:34,870 --> 00:55:32,230  
you know like my experience i was

1158  
00:55:38,789 --> 00:55:34,880  
thinking the other day that it literally

1159  
00:55:43,109 --> 00:55:41,430  
and placed it in my future in real life

1160  
00:55:44,789 --> 00:55:43,119  
you know and

1161  
00:55:47,030 --> 00:55:44,799  
it played out

1162  
00:55:49,990 --> 00:55:47,040  
and when it was playing out

1163  
00:55:51,750 --> 00:55:50,000

i've said this before but i felt like i

1164

00:55:53,670 --> 00:55:51,760

couldn't do anything about it like it

1165

00:55:56,150 --> 00:55:53,680

was just on automatic

1166

00:56:00,390 --> 00:55:58,309

and i was literally like watching this

1167

00:56:01,750 --> 00:56:00,400

as a spectator almost i guess like an

1168

00:56:03,109 --> 00:56:01,760

out-of-body thing

1169

00:56:04,710 --> 00:56:03,119

you could say

1170

00:56:06,710 --> 00:56:04,720

but i wasn't like

1171

00:56:08,069 --> 00:56:06,720

out of my body looking down at me or

1172

00:56:09,990 --> 00:56:08,079

anything like that

1173

00:56:12,150 --> 00:56:10,000

but i felt like a spectator watching

1174

00:56:14,390 --> 00:56:12,160

this happen in real life

1175

00:56:17,349 --> 00:56:14,400

and thinking about the dream

1176  
00:56:21,750 --> 00:56:17,359  
and all this stuff while it's happening

1177  
00:56:26,710 --> 00:56:23,030  
so

1178  
00:56:33,750 --> 00:56:26,720  
that has

1179  
00:56:33,760 --> 00:56:37,510  
and what i wonder is

1180  
00:56:40,710 --> 00:56:38,549  
did they

1181  
00:56:43,270 --> 00:56:40,720  
maybe it was something in my future that

1182  
00:56:44,870 --> 00:56:43,280  
they put in a dream or what

1183  
00:56:47,430 --> 00:56:44,880  
or was it a dream that they put in the

1184  
00:56:48,789 --> 00:56:47,440  
future you know it's just or i say they

1185  
00:56:49,910 --> 00:56:48,799  
because i don't know what to say really

1186  
00:56:54,630 --> 00:56:49,920  
but

1187  
00:56:58,150 --> 00:56:56,549  
and is it because i'm supposed to be

1188  
00:57:00,390 --> 00:56:58,160

here it was like we got to do something

1189

00:57:01,349 --> 00:57:00,400

really impactful so sean goes and does

1190

00:57:04,390 --> 00:57:01,359

this

1191

00:57:06,789 --> 00:57:04,400

is that too glorious

1192

00:57:11,030 --> 00:57:06,799

too glorioso

1193

00:57:22,069 --> 00:57:14,549

no or is that the way it is

1194

00:57:27,349 --> 00:57:24,069

i'm not really sure

1195

00:57:29,750 --> 00:57:27,359

not really sure but it is a mystery in

1196

00:57:32,950 --> 00:57:29,760

life worth pursuing

1197

00:57:35,270 --> 00:57:32,960

whatever the truth is it is

1198

00:57:37,270 --> 00:57:35,280

um but i'll pursue it just like bruce

1199

00:57:40,390 --> 00:57:37,280

tried to you know that's what he was

1200

00:57:43,030 --> 00:57:40,400

trying to do is pursue an answer and i

1201  
00:57:46,710 --> 00:57:43,040  
believed that he had honest intentions

1202  
00:57:50,470 --> 00:57:48,630  
now if like i said if everything in the

1203  
00:57:52,390 --> 00:57:50,480  
math whatever is garbage

1204  
00:57:53,910 --> 00:57:52,400  
that doesn't negate the fact that he was

1205  
00:57:56,390 --> 00:57:53,920  
a good guy he had a sighting and he

1206  
00:57:58,470 --> 00:57:56,400  
tried to do something you know

1207  
00:58:00,870 --> 00:57:58,480  
with conviction

1208  
00:58:04,230 --> 00:58:03,030  
but you know that seems like as much as

1209  
00:58:07,510 --> 00:58:04,240  
we could know

1210  
00:58:10,950 --> 00:58:07,520  
without knowing him or have you know

1211  
00:58:15,190 --> 00:58:10,960  
talk to him in the past about this stuff

1212  
00:58:15,200 --> 00:58:17,910  
yeah

1213  
00:58:21,349 --> 00:58:19,109

right

1214

00:58:26,870 --> 00:58:21,359

that's a great point

1215

00:58:31,270 --> 00:58:28,950

great point

1216

00:58:33,910 --> 00:58:31,280

so

1217

00:58:35,670 --> 00:58:33,920

christopher yeah i think the truth is

1218

00:58:37,910 --> 00:58:35,680

different what people are expecting i

1219

00:58:40,870 --> 00:58:37,920

think yeah i think you know we have a

1220

00:58:43,109 --> 00:58:40,880

tendency as humans to either fill in the

1221

00:58:45,190 --> 00:58:43,119

blanks of

1222

00:58:50,870 --> 00:58:45,200

um and

1223

00:58:53,510 --> 00:58:50,880

put in things that we are kind of

1224

00:58:54,950 --> 00:58:53,520

that fit our tendencies like for

1225

00:58:57,750 --> 00:58:54,960

for instance if you're someone that

1226

00:59:00,470 --> 00:58:57,760

maybe gravitates towards fear more maybe

1227

00:59:02,870 --> 00:59:00,480

the blanks within the ufo topic for you

1228

00:59:04,549 --> 00:59:02,880

are more fear driven

1229

00:59:06,950 --> 00:59:04,559

you know whether it's

1230

00:59:08,630 --> 00:59:06,960

invasions or messing with your brain so

1231

00:59:10,069 --> 00:59:08,640

you don't know what you're doing or you

1232

00:59:12,549 --> 00:59:10,079

know stuff like that

1233

00:59:13,990 --> 00:59:12,559

if you're more hopeful person or

1234

00:59:15,670 --> 00:59:14,000

you know whatever

1235

00:59:18,950 --> 00:59:15,680

maybe you're filling in these planks

1236

00:59:21,910 --> 00:59:18,960

with other stuff you know

1237

00:59:22,870 --> 00:59:21,920

my consciousness i don't know

1238

00:59:24,549 --> 00:59:22,880

is that

1239

00:59:26,549 --> 00:59:24,559

filling in the blank

1240

00:59:28,470 --> 00:59:26,559

or is that a real thing it's been

1241

00:59:30,870 --> 00:59:28,480

written about enough and i've

1242

00:59:34,230 --> 00:59:30,880

experienced

1243

00:59:37,030 --> 00:59:34,240

enough to know that i

1244

00:59:39,829 --> 00:59:37,040

know that there's something to me

1245

00:59:43,270 --> 00:59:39,839

with consciousness that's more at play

1246

00:59:44,230 --> 00:59:43,280

than any kind of nut and bolt thing

1247

00:59:46,150 --> 00:59:44,240

you know

1248

00:59:47,670 --> 00:59:46,160

the nut and bolting if anything is

1249

00:59:50,230 --> 00:59:47,680

probably just like

1250

00:59:53,349 --> 00:59:50,240

some sort of image

1251  
00:59:58,230 --> 00:59:53,359  
for relatability purposes

1252  
00:59:58,240 --> 01:00:01,910  
but

1253  
01:00:05,829 --> 01:00:03,990  
very interesting so

1254  
01:00:08,309 --> 01:00:05,839  
that's today's show

1255  
01:00:09,589 --> 01:00:08,319  
with um bruce

1256  
01:00:12,390 --> 01:00:09,599  
and we

1257  
01:00:15,589 --> 01:00:12,400  
saw some what the heck is that videos i

1258  
01:00:16,630 --> 01:00:15,599  
did that too talked about the um

1259  
01:00:18,710 --> 01:00:16,640  
nasa

1260  
01:00:22,309 --> 01:00:18,720  
and the black vault

1261  
01:00:24,390 --> 01:00:22,319  
article about uaptf briefing nasa

1262  
01:00:26,230 --> 01:00:24,400  
pretty cool development

1263  
01:00:27,030 --> 01:00:26,240

um

1264

01:00:30,470 --> 01:00:27,040

left

1265

01:00:32,390 --> 01:00:30,480

good

1266

01:00:34,390 --> 01:00:32,400

don't forget to subscribe and like the

1267

01:00:36,630 --> 01:00:34,400

video and share it follow me on twitter

1268

01:00:39,589 --> 01:00:36,640

instagram all that stuff

1269

01:00:43,670 --> 01:00:41,430

and yeah you'll be able to get the docs

1270

01:00:45,190 --> 01:00:43,680

and stuff online

1271

01:00:48,950 --> 01:00:45,200

tomorrow

1272

01:00:49,750 --> 01:00:48,960

we are going to do a call-in show okay

1273

01:00:52,549 --> 01:00:49,760

so

1274

01:00:54,630 --> 01:00:52,559

those of you who don't call and are too

1275

01:00:56,950 --> 01:00:54,640

nervous to call

1276

01:00:59,190 --> 01:00:56,960

i want you to drink a bunch of whiskey

1277

01:01:00,870 --> 01:00:59,200

before the show or whatever

1278

01:01:03,270 --> 01:01:00,880

not so you're too drunk you know that

1279

01:01:05,589 --> 01:01:03,280

would be embarrassing but enough to

1280

01:01:07,190 --> 01:01:05,599

get in there pick up the phone

1281

01:01:11,190 --> 01:01:07,200

and start a conversation

1282

01:01:13,109 --> 01:01:11,200

no problem joe i appreciate you

1283

01:01:13,450 --> 01:01:13,119

thank you very much

1284

01:01:15,670 --> 01:01:13,460

um

1285

01:01:18,630 --> 01:01:15,680

[Music]

1286

01:01:20,470 --> 01:01:18,640

maybe that i'd have no idea what this

1287

01:01:23,349 --> 01:01:20,480

means megan

1288

01:01:25,910 --> 01:01:23,359

maybe the pain in your mind

1289

01:01:26,789 --> 01:01:25,920

maybe the pain is your mind opening yeah

1290

01:01:29,109 --> 01:01:26,799

okay

1291

01:01:32,309 --> 01:01:29,119

sorry i think i just went dyslexic there

1292

01:01:35,829 --> 01:01:34,230

but anyways

1293

01:01:37,510 --> 01:01:35,839

yeah so check out all my stuff do all

1294

01:01:40,230 --> 01:01:37,520

that stuff become a member you want to

1295

01:01:42,309 --> 01:01:40,240

help me keep doing this um

1296

01:01:45,109 --> 01:01:42,319

otherwise

1297

01:01:47,430 --> 01:01:45,119

i will still

1298

01:01:51,670 --> 01:01:47,440

love you and hey

1299

01:01:53,829 --> 01:01:53,030

scott

1300

01:01:55,270 --> 01:01:53,839

so

1301  
01:01:57,349 --> 01:01:55,280  
when we see him again we're going to

1302  
01:01:59,109 --> 01:01:57,359  
have all the questions about this stuff

1303  
01:02:01,270 --> 01:01:59,119  
for him

1304  
01:02:02,390 --> 01:02:01,280  
what's up arrow good to see you i saw

1305  
01:02:08,309 --> 01:02:02,400  
you there

1306  
01:02:11,430 --> 01:02:10,309  
um yeah we're going to do a call-in show

1307  
01:02:13,750 --> 01:02:11,440  
tomorrow

1308  
01:02:15,990 --> 01:02:13,760  
wednesday i'm going to have vinnie from

1309  
01:02:18,470 --> 01:02:16,000  
disclosure team trying to get max on

1310  
01:02:20,710 --> 01:02:18,480  
here too he's got kind of a busy week so

1311  
01:02:23,829 --> 01:02:20,720  
that is left to be seen

1312  
01:02:25,510 --> 01:02:23,839  
um but either way we got uh vinnie i'll

1313  
01:02:26,789 --> 01:02:25,520

probably try to get

1314

01:02:30,390 --> 01:02:26,799

um maybe

1315

01:02:32,710 --> 01:02:30,400

one other person too to hang out with us

1316

01:02:34,470 --> 01:02:32,720

and we'll talk while talking and we'll

1317

01:02:36,549 --> 01:02:34,480

do like really fun

1318

01:02:39,109 --> 01:02:36,559

talk and stuff because

1319

01:02:40,309 --> 01:02:39,119

you know talking's fun especially about

1320

01:02:42,069 --> 01:02:40,319

this

1321

01:02:43,990 --> 01:02:42,079

but i did want to say

1322

01:02:46,390 --> 01:02:44,000

thanks for dropping by love you guys

1323

01:02:48,150 --> 01:02:46,400

thanks for hanging out um keep your eyes

1324

01:02:49,829 --> 01:02:48,160

on the prize don't stop watching the

1325

01:02:51,029 --> 01:02:49,839

real news there's stuff happening right

1326

01:02:52,069 --> 01:02:51,039

now too

1327

01:02:53,990 --> 01:02:52,079

um

1328

01:02:56,150 --> 01:02:54,000

and believe you me with this thing

1329

01:02:58,069 --> 01:02:56,160

connected to consciousness there is no

1330

01:02:59,750 --> 01:02:58,079

doubt my mind that it would have

1331

01:03:01,270 --> 01:02:59,760

something to do

1332

01:03:08,230 --> 01:03:01,280

um

1333

01:03:11,870 --> 01:03:08,240

relax

1334

01:04:05,050 --> 01:03:11,880

don't overdo it see you tomorrow
