um it is

13  
00:01:27,830 --> 00:01:23,600

pretty good for sure

14

00:01:30,710 --> 00:01:27,840

uh oh 9 pm good evening to you then

disclosure team what's going on thanks

17

00:01:37,670 --> 00:01:34,799

for joining

18

00:01:39,270 --> 00:01:37,680

um who else we got rapid uh

19

00:01:40,710 --> 00:01:39,280

vapid engage

20

00:01:42,469 --> 00:01:40,720

starting a channel

21

00:01:44,149 --> 00:01:42,479

of my own soon so i'm struggling on the

22

00:01:47,030 --> 00:01:44,159

name because that

23

00:01:50,310 --> 00:01:47,040

oh nice cool keep us informed man

24

00:01:53,270 --> 00:01:52,550

um hope i didn't miss anyone jay what's

25

00:01:55,270 --> 00:01:53,280

up

26  
00:01:56,789 --> 00:01:55,280  
hope you're feeling better toby what's

27  
00:01:59,109 --> 00:01:56,799  
going on

28  
00:02:00,709 --> 00:01:59,119  
appreciate you guys stopping by

29  
00:02:04,550 --> 00:02:00,719  
so today

30  
00:02:07,510 --> 00:02:06,709  
uh we're going to start the overview of

31  
00:02:09,669 --> 00:02:07,520  
the

32  
00:02:11,510 --> 00:02:09,679  
class basically

33  
00:02:12,790 --> 00:02:11,520  
so that's right

34  
00:02:14,949 --> 00:02:12,800  
got the head on

35  
00:02:17,190 --> 00:02:14,959  
spaghetti what's up so let's start the

36  
00:02:19,190 --> 00:02:17,200  
overview of the class and what we're

37  
00:02:21,670 --> 00:02:19,200  
going to do i'm not going to be like a

38  
00:02:23,750 --> 00:02:21,680

real strict jerk teacher or anything

39

00:02:27,430 --> 00:02:23,760

i'm just going to go through certain

40

00:02:29,670 --> 00:02:27,440

things um i will have a quiz

41

00:02:31,830 --> 00:02:29,680

so that'll be

42

00:02:33,270 --> 00:02:31,840

up to you if you want to take it you

43

00:02:36,150 --> 00:02:33,280

don't have to

44

00:02:37,270 --> 00:02:36,160

but i will have like um i'll give a

45

00:02:38,790 --> 00:02:37,280

prize out

46

00:02:40,390 --> 00:02:38,800

uh probably like

47

00:02:41,670 --> 00:02:40,400

some sort of amazon gift card or

48

00:02:43,830 --> 00:02:41,680

something like that

49

00:02:47,910 --> 00:02:43,840

um let's make it

50

00:02:51,430 --> 00:02:49,509

so if you

51  
00:02:53,670 --> 00:02:51,440  
um do the best

52  
00:02:55,350 --> 00:02:53,680  
on the quiz you get 50 bucks if there's

53  
00:03:01,110 --> 00:02:55,360  
a tie

54  
00:03:04,869 --> 00:03:02,149  
cool

55  
00:03:08,550 --> 00:03:04,879  
what's up tim how you doing brother

56  
00:03:13,910 --> 00:03:08,560  
uh how about a song sure if you win

57  
00:03:17,430 --> 00:03:15,190  
30 seconds

58  
00:03:20,790 --> 00:03:17,440  
i'll do that

59  
00:03:25,910 --> 00:03:24,390  
so yeah so just real quick

60  
00:03:27,430 --> 00:03:25,920  
i'm going to

61  
00:03:35,190 --> 00:03:27,440  
quick show you

62  
00:03:47,990 --> 00:03:35,200  
show yeah show you a quick reel show you

63  
00:03:54,789 --> 00:03:51,190

so that is going to be the uh basic

64

00:04:00,470 --> 00:03:58,710

of everything so i'll have some guest

65

00:04:02,710 --> 00:04:00,480

um hosann here who are going to bring

66

00:04:04,949 --> 00:04:02,720

their own topic and their own story

67

00:04:07,350 --> 00:04:04,959

and their own little piece of education

68

00:04:09,670 --> 00:04:07,360

uh that they can share with us

69

00:04:12,550 --> 00:04:09,680

uh the reason i'm doing this is there's

70

00:04:15,429 --> 00:04:12,560

a couple reasons uh one is

71

00:04:17,830 --> 00:04:15,439

i need a place to put everything i've

72

00:04:19,189 --> 00:04:17,840

learned in the past few months

73

00:04:21,110 --> 00:04:19,199

um

74

00:04:22,710 --> 00:04:21,120

that's how i do it so if i didn't have a

75

00:04:24,390 --> 00:04:22,720

show i would take these documents or

76

00:04:26,710 --> 00:04:24,400

what i learned and i probably put

77

00:04:29,430 --> 00:04:26,720

together my own little personal summary

78

00:04:31,909 --> 00:04:29,440

and organize everything

79

00:04:34,070 --> 00:04:31,919

so since i have the show might as well

80

00:04:36,790 --> 00:04:34,080

do it with you

81

00:04:40,790 --> 00:04:38,710

so i'll go through what i've learned

82

00:04:41,670 --> 00:04:40,800

what i've collected

83

00:04:43,990 --> 00:04:41,680

and

84

00:04:45,430 --> 00:04:44,000

with that mind when we're done i want to

85

00:04:47,350 --> 00:04:45,440

move on

86

00:04:49,270 --> 00:04:47,360

um

87

00:04:50,710 --> 00:04:49,280

you know with other things instead of

88

00:04:52,710 --> 00:04:50,720

being stuck

89

00:04:55,110 --> 00:04:52,720

uh in the past right

90

00:04:58,950 --> 00:04:57,430

that's what we do

91

00:05:00,770 --> 00:04:58,960

and in the meantime we're going to look

92

00:05:02,230 --> 00:05:00,780

at some really cool stuff

93

00:05:03,909 --> 00:05:02,240

[Music]

94

00:05:06,550 --> 00:05:03,919

so

95

00:05:08,390 --> 00:05:06,560

thanks vinnie i appreciate it yes i take

96

00:05:11,029 --> 00:05:08,400

i take donations

97

00:05:11,670 --> 00:05:11,039

i got a little owl owl of disclosure

98

00:05:13,510 --> 00:05:11,680

perhaps

99

00:05:15,350 --> 00:05:13,520

[Music]

100

00:05:17,670 --> 00:05:15,360

that's right

101  
00:05:19,590 --> 00:05:17,680  
we got some surprises coming for y'all

102  
00:05:22,310 --> 00:05:19,600  
uh vinnie and i

103  
00:05:23,590 --> 00:05:22,320  
and max moskowitz so you just keep an

104  
00:05:25,510 --> 00:05:23,600  
eye out for that

105  
00:05:27,029 --> 00:05:25,520  
uh again maybe there's a better way to

106  
00:05:28,469 --> 00:05:27,039  
show it

107  
00:05:31,110 --> 00:05:28,479  
so today we'll have the overview

108  
00:05:32,390 --> 00:05:31,120  
tomorrow we'll do 90s and 50s military

109  
00:05:34,469 --> 00:05:32,400  
sightings

110  
00:05:37,270 --> 00:05:34,479  
uh 8 25

111  
00:05:39,510 --> 00:05:37,280  
we have graeme rendell

112  
00:05:41,110 --> 00:05:39,520  
uh on the 26th we have christopher

113  
00:05:43,749 --> 00:05:41,120

walford

114

00:05:46,230 --> 00:05:43,759  
on the 27th we have jay shaw

115

00:05:48,550 --> 00:05:46,240  
and on the monday

116

00:05:52,790 --> 00:05:48,560  
following the weekend we'll do a quick

117

00:05:56,629 --> 00:05:52,800  
uh like a trivia thing prize thing

118

00:05:59,110 --> 00:05:56,639  
just to see what you have retained right

119

00:06:01,749 --> 00:05:59,120  
uh the curriculum i'll you know i hate

120

00:06:03,189 --> 00:06:01,759  
using that word i guess but um it's just

121

00:06:06,550 --> 00:06:03,199  
gonna be

122

00:06:09,110 --> 00:06:06,560  
you know like the documents on my on my

123

00:06:11,670 --> 00:06:09,120  
website and everything so

124

00:06:14,309 --> 00:06:11,680  
you'll be able to

125

00:06:17,670 --> 00:06:14,319  
play along so to speak if you're not

126

00:06:20,469 --> 00:06:17,680

familiar with it i'd say the

127

00:06:22,710 --> 00:06:20,479

best place to go

128

00:06:25,510 --> 00:06:22,720

um to prepare for tomorrow if you want

129

00:06:27,909 --> 00:06:25,520

to you don't have to

130

00:06:30,230 --> 00:06:27,919

it's up to you

131

00:06:31,990 --> 00:06:30,240

but if you know if there's anyone out

132

00:06:34,550 --> 00:06:32,000

there like me

133

00:06:37,270 --> 00:06:34,560

you like this kind of stuff and it's

134

00:06:39,430 --> 00:06:37,280

really more about

135

00:06:41,350 --> 00:06:39,440

it's like reading a

136

00:06:43,909 --> 00:06:41,360

factual book you know that's based on

137

00:06:47,350 --> 00:06:43,919

true stories that's wild

138

00:06:53,270 --> 00:06:49,270

if you're like me you'll like going

139

00:06:58,710 --> 00:06:55,990

so just real quick

140

00:07:01,749 --> 00:06:58,720

here is the

141

00:07:03,990 --> 00:07:01,759

drive link to

142

00:07:06,070 --> 00:07:04,000

all the folders i'll be dipping into

143

00:07:07,589 --> 00:07:06,080

otherwise you can just go to the old

144

00:07:09,270 --> 00:07:07,599

website

145

00:07:11,589 --> 00:07:09,280

and that'll take you there too click on

146

00:07:15,350 --> 00:07:11,599

the picture

147

00:07:18,390 --> 00:07:15,360

so yeah looking forward to it

148

00:07:20,070 --> 00:07:18,400

disclosure team yep says

149

00:07:22,469 --> 00:07:20,080

good lineup thank you very much thank

150

00:07:26,629 --> 00:07:22,479

you um

151

00:07:31,990 --> 00:07:29,430

we'll see how this goes we may go

152

00:07:34,070 --> 00:07:32,000

continue to go into next week

153

00:07:36,550 --> 00:07:34,080

and do other things or

154

00:07:39,749 --> 00:07:36,560

instead of at least doing it like every

155

00:07:42,230 --> 00:07:39,759

day i'll just continue a series

156

00:07:46,869 --> 00:07:42,240

uh randomly

157

00:07:46,879 --> 00:07:51,029

so what do we got what do we got

158

00:07:56,230 --> 00:07:54,390

anybody got something to say here

159

00:07:58,629 --> 00:07:56,240

i feel like we have a

160

00:08:01,270 --> 00:07:58,639

comment or something

161

00:08:01,280 --> 00:08:05,589

i missed one i know i missed one

162

00:08:09,510 --> 00:08:07,189

i think it was from scott oh it was

163

00:08:11,110 --> 00:08:09,520

about that press conference thing with

164

00:08:13,749 --> 00:08:11,120

the lady i don't know how to say her

165

00:08:14,869 --> 00:08:13,759

name anaya ranaj

166

00:08:16,230 --> 00:08:14,879

yeah

167

00:08:18,629 --> 00:08:16,240

um

168

00:08:20,150 --> 00:08:18,639

for me it's like

169

00:08:22,790 --> 00:08:20,160

cool

170

00:08:25,510 --> 00:08:22,800

you know if that's true awesome

171

00:08:27,260 --> 00:08:25,520

i want to know

172

00:08:28,469 --> 00:08:27,270

um but i'm not about to

173

00:08:30,950 --> 00:08:28,479

[Music]

174

00:08:32,149 --> 00:08:30,960

just buy it 100

175

00:08:33,829 --> 00:08:32,159

and you know

176

00:08:35,990 --> 00:08:33,839

be on her team and say yeah she's

177

00:08:38,469 --> 00:08:36,000

telling the truth and i'm with her i'm

178

00:08:41,829 --> 00:08:38,479

not ready to do that no

179

00:08:46,070 --> 00:08:43,750

could happen

180

00:08:48,790 --> 00:08:46,080

maybe it's true i don't know

181

00:08:52,630 --> 00:08:48,800

there's a lot of stuff out there

182

00:08:54,630 --> 00:08:52,640

that is true that's pretty wild

183

00:08:55,590 --> 00:08:54,640

some i know about some i have no idea

184

00:08:57,430 --> 00:08:55,600

about

185

00:08:58,790 --> 00:08:57,440

so

186

00:09:01,509 --> 00:08:58,800

maybe

187

00:09:01,810 --> 00:09:01,519

um but my instinct says no

188

00:09:03,910 --> 00:09:01,820

and

189

00:09:06,310 --> 00:09:03,920

[Music]

190

00:09:09,110 --> 00:09:06,320

yeah i mean you gotta watch for yourself

191

00:09:11,269 --> 00:09:09,120

and make your own choices for sure

192

00:09:13,750 --> 00:09:11,279

um but my instinct

193

00:09:16,310 --> 00:09:13,760

doesn't like what it sees

194

00:09:17,829 --> 00:09:16,320

i feel like she is well at least the

195

00:09:19,829 --> 00:09:17,839

press conference she seemed like she

196

00:09:22,470 --> 00:09:19,839

just had an attitude problem to be quite

197

00:09:25,430 --> 00:09:22,480

honest with you

198

00:09:26,949 --> 00:09:25,440

so like she was pissed

199

00:09:28,550 --> 00:09:26,959

um

200

00:09:31,190 --> 00:09:28,560

i don't know

201  
00:09:33,190 --> 00:09:31,200  
i mean how many times have stuff has

202  
00:09:36,310 --> 00:09:33,200  
people or things like that come around

203  
00:09:42,630 --> 00:09:36,320  
with these grandiose prophecies

204  
00:09:42,640 --> 00:09:46,550  
it's like what what have they ever done

205  
00:09:51,110 --> 00:09:48,630  
so at some point you gotta like

206  
00:09:53,430 --> 00:09:51,120  
ask for more

207  
00:09:55,590 --> 00:09:53,440  
and you know there's and i've seen this

208  
00:09:57,110 --> 00:09:55,600  
kind of lately too

209  
00:09:58,550 --> 00:09:57,120  
where

210  
00:09:59,829 --> 00:09:58,560  
you know believers some people are

211  
00:10:01,590 --> 00:09:59,839  
saying you should just believe all

212  
00:10:03,910 --> 00:10:01,600  
experiences or

213  
00:10:05,990 --> 00:10:03,920

yeah the onus is on the experience there

214

00:10:07,350 --> 00:10:06,000

to provide proof for their experience or

215

00:10:10,230 --> 00:10:07,360

what have you

216

00:10:12,870 --> 00:10:10,240

um and there's a couple things with that

217

00:10:14,069 --> 00:10:12,880

uh the first one is if you just believe

218

00:10:15,430 --> 00:10:14,079

all of them

219

00:10:19,590 --> 00:10:15,440

then you

220

00:10:22,470 --> 00:10:19,600

are apt to have people sneak in

221

00:10:23,829 --> 00:10:22,480

and take advantage and lie

222

00:10:25,509 --> 00:10:23,839

right

223

00:10:27,190 --> 00:10:25,519

but if you were to put the onus on the

224

00:10:28,790 --> 00:10:27,200

experiencer

225

00:10:30,470 --> 00:10:28,800

to provide evidence along with their

226

00:10:33,350 --> 00:10:30,480

story

227

00:10:35,590 --> 00:10:33,360

you would get a lot less people

228

00:10:37,350 --> 00:10:35,600

discussing what happened to them

229

00:10:39,350 --> 00:10:37,360

because it often doesn't come with

230

00:10:42,230 --> 00:10:39,360

evidence

231

00:10:46,630 --> 00:10:42,240

so where is the

232

00:10:50,870 --> 00:10:48,550

i say you

233

00:10:52,310 --> 00:10:50,880

accept and listen to people's stories if

234

00:10:53,910 --> 00:10:52,320

you're into that

235

00:10:55,829 --> 00:10:53,920

if you're not that's fine just don't be

236

00:10:59,269 --> 00:10:55,839

mean or rude

237

00:11:01,430 --> 00:10:59,279

um otherwise listen to the story

238

00:11:03,030 --> 00:11:01,440

any you know because you're listening to

239

00:11:04,949 --> 00:11:03,040

it doesn't mean you have to commit to it

240

00:11:07,110 --> 00:11:04,959

being real or fake or anything you just

241

00:11:09,030 --> 00:11:07,120

listened

242

00:11:10,230 --> 00:11:09,040

you know then do what you want with

243

00:11:12,310 --> 00:11:10,240

move on

244

00:11:16,630 --> 00:11:12,320

in the case of this person that we're

245

00:11:20,710 --> 00:11:18,069

and if something changes and there's

246

00:11:22,310 --> 00:11:20,720

some big thing and you know

247

00:11:24,630 --> 00:11:22,320

some truth comes out of it then we can

248

00:11:28,069 --> 00:11:24,640

pay attention and you don't have to feel

249

00:11:35,110 --> 00:11:28,079

bad for not believing it either because

250

00:11:39,590 --> 00:11:36,230

yeah

251

00:11:41,269 --> 00:11:39,600

she seemed distressed i'd say

252

00:11:43,750 --> 00:11:41,279

yeah she just seemed like uh like she

253

00:11:50,470 --> 00:11:43,760

had an attitude problem just like

254

00:11:52,710 --> 00:11:51,829

um

255

00:11:54,870 --> 00:11:52,720

yeah

256

00:11:56,790 --> 00:11:54,880

yes and no i mean you want to say that

257

00:11:57,910 --> 00:11:56,800

because you got to believe some stuff

258

00:11:59,750 --> 00:11:57,920

right like

259

00:12:04,230 --> 00:11:59,760

what i look like when i look at myself

260

00:12:04,240 --> 00:12:07,160

yeah so

261

00:12:10,790 --> 00:12:08,389

[Music]

262

00:12:13,190 --> 00:12:10,800

that's what we'll do um just to give you

263

00:12:15,670 --> 00:12:13,200

a quick taste you know since it's 12

264

00:12:17,030 --> 00:12:15,680

minutes in that overview didn't last uh

265

00:12:21,990 --> 00:12:17,040

too long

266

00:12:27,829 --> 00:12:24,629

i guess what we actually could do first

267

00:12:31,910 --> 00:12:29,910

i can kind of fill you in on the latest

268

00:12:35,509 --> 00:12:31,920

um

269

00:12:39,269 --> 00:12:35,519

sure yeah the eyeballs i got it

270

00:12:42,230 --> 00:12:39,990

so

271

00:12:43,030 --> 00:12:42,240

i don't know if you guys follow and like

272

00:12:43,910 --> 00:12:43,040

watch

273

00:12:45,910 --> 00:12:43,920

um

274

00:12:48,949 --> 00:12:45,920

like and look for the latest louis

275

00:12:49,910 --> 00:12:48,959

lozando interviews or anything like that

276

00:12:54,550 --> 00:12:49,920

um

277

00:12:57,190 --> 00:12:54,560

watched one today thanks to

278

00:12:59,670 --> 00:12:57,200

i think it's nyuap on instagram he

279

00:13:03,269 --> 00:12:59,680

posted it so i watched it

280

00:13:06,550 --> 00:13:04,629

and he's i mean he's quadruple

281

00:13:07,910 --> 00:13:06,560

quadrupling triple and doubling down on

282

00:13:11,190 --> 00:13:07,920

everything he's been saying this whole

283

00:13:14,310 --> 00:13:11,200

time there is um ig

284

00:13:15,990 --> 00:13:14,320

um evaluation right now he even said

285

00:13:18,870 --> 00:13:16,000

investigation but right now i'll just

286

00:13:20,790 --> 00:13:18,880

say evaluation i should stop there

287

00:13:23,829 --> 00:13:20,800

that means something

288

00:13:29,110 --> 00:13:26,470

and you know the interesting thing came

289

00:13:31,269 --> 00:13:29,120

up in this video is that

290

00:13:34,310 --> 00:13:31,279

the host lady asked him about

291

00:13:36,470 --> 00:13:34,320

congressional hearings

292

00:13:38,949 --> 00:13:36,480

and his

293

00:13:41,670 --> 00:13:38,959

response was kind of

294

00:13:43,269 --> 00:13:41,680

interesting to me because

295

00:13:46,150 --> 00:13:43,279

you know he didn't outright say no

296

00:13:51,509 --> 00:13:46,160

that's not a good idea obviously

297

00:13:56,389 --> 00:13:53,829

that's one way to do it

298

00:13:58,069 --> 00:13:56,399

and then kind of went on another way to

299

00:13:59,990 --> 00:13:58,079

do it

300

00:14:01,670 --> 00:14:00,000

but didn't really describe that too much

301

00:14:03,670 --> 00:14:01,680

you just kind of talked about writing

302

00:14:05,509 --> 00:14:03,680

your congressman saying hey what is this

303

00:14:08,550 --> 00:14:05,519

what is that what is this

304

00:14:12,470 --> 00:14:10,949

so it is he's saying that's

305

00:14:14,230 --> 00:14:12,480

another way of doing it versus

306

00:14:16,069 --> 00:14:14,240

congressional hearings

307

00:14:17,750 --> 00:14:16,079

um he said he's afraid of the

308

00:14:22,389 --> 00:14:17,760

congressional hearings turning into

309

00:14:28,710 --> 00:14:25,750

which i could i could see that happening

310

00:14:32,949 --> 00:14:30,790

but you know i don't really i guess i

311

00:14:34,389 --> 00:14:32,959

don't care what kind of show it is if

312

00:14:36,870 --> 00:14:34,399

it's public

313

00:14:42,629 --> 00:14:36,880

and people are under oath and it's the

314

00:14:47,189 --> 00:14:45,110

i don't i don't care what kind of circus

315

00:14:50,629 --> 00:14:47,199

is going on outside as long as those

316

00:14:50,639 --> 00:14:53,670

all right

317

00:15:01,269 --> 00:14:56,550

just my take on it just my take that's

318

00:15:06,230 --> 00:15:03,590

um well i think

319

00:15:07,269 --> 00:15:06,240

you know the the one thing that i would

320

00:15:10,230 --> 00:15:07,279

hit on

321

00:15:13,189 --> 00:15:11,670

you know i don't think it's going to be

322

00:15:15,189 --> 00:15:13,199

this or that

323

00:15:17,910 --> 00:15:15,199

or the other thing

324

00:15:20,310 --> 00:15:17,920

that makes disclosure come i think it's

325

00:15:23,110 --> 00:15:20,320

going to be the

326

00:15:24,230 --> 00:15:23,120

culmination of everybody's efforts in

327

00:15:26,150 --> 00:15:24,240

the different

328

00:15:27,509 --> 00:15:26,160

aspects

329

00:15:28,470 --> 00:15:27,519

or the different things that they're

330

00:15:29,509 --> 00:15:28,480

good at

331

00:15:31,509 --> 00:15:29,519

you know

332

00:15:34,629 --> 00:15:31,519

like

333

00:15:36,870 --> 00:15:34,639

i do this i talk um i've had a career of

334

00:15:39,749 --> 00:15:36,880

making like phone calls and everything

335

00:15:41,990 --> 00:15:39,759

or writing songs and stuff like that so

336

00:15:44,870 --> 00:15:42,000

those are the talents i'll utilize or

337

00:15:46,310 --> 00:15:44,880

try to utilize with disclosure how can i

338

00:15:47,269 --> 00:15:46,320

do that

339

00:15:49,110 --> 00:15:47,279

uh

340

00:15:50,550 --> 00:15:49,120

i don't know write songs about how i

341

00:15:52,790 --> 00:15:50,560

feel about it

342

00:15:54,710 --> 00:15:52,800

in my own experience

343

00:15:57,189 --> 00:15:54,720

um

344

00:15:59,990 --> 00:15:57,199

other things i can do is participate in

345

00:16:01,829 --> 00:16:00,000

things like the big phone home

346

00:16:05,670 --> 00:16:01,839

uh if you're not familiar the big phone

347

00:16:07,269 --> 00:16:05,680

home is coming up soon in september

348

00:16:08,790 --> 00:16:07,279

and it's

349

00:16:10,870 --> 00:16:08,800

a big push for people to get in touch

350

00:16:11,860 --> 00:16:10,880

with their representatives

351  
00:16:13,030 --> 00:16:11,870  
whether by email

352  
00:16:14,550 --> 00:16:13,040  
[Music]

353  
00:16:15,509 --> 00:16:14,560  
calls

354  
00:16:18,150 --> 00:16:15,519  
whatever

355  
00:16:19,910 --> 00:16:18,160  
even tweets

356  
00:16:21,269 --> 00:16:19,920  
um

357  
00:16:23,110 --> 00:16:21,279  
now with that being said that shouldn't

358  
00:16:24,069 --> 00:16:23,120  
be the only time we do this stuff but

359  
00:16:26,389 --> 00:16:24,079  
it's

360  
00:16:28,470 --> 00:16:26,399  
happening to hopefully

361  
00:16:30,710 --> 00:16:28,480  
you know put some weaponry in people's

362  
00:16:32,230 --> 00:16:30,720  
hands that may not have known

363  
00:16:35,189 --> 00:16:32,240

uh they had it

364

00:16:38,870 --> 00:16:36,629

now break it down into two different

365

00:16:41,110 --> 00:16:38,880

things you have people like um

366

00:16:42,870 --> 00:16:41,120

uapx

367

00:16:44,629 --> 00:16:42,880

um

368

00:16:46,870 --> 00:16:44,639

doing great stuff

369

00:16:49,430 --> 00:16:46,880

they're trying to get their own data

370

00:16:50,710 --> 00:16:49,440

right and not rely on

371

00:16:53,030 --> 00:16:50,720

some sort of disclosure from the

372

00:16:55,110 --> 00:16:53,040

government that's great

373

00:16:59,189 --> 00:16:55,120

but that also doesn't mean that that's

374

00:16:59,199 --> 00:17:06,069

you know the way i look at it is

375

00:17:10,870 --> 00:17:08,549

anything you want the human body a car a

376

00:17:13,270 --> 00:17:10,880

bicycle

377

00:17:16,470 --> 00:17:13,280

a building whatever it is

378

00:17:20,710 --> 00:17:16,480

none of them work with just one

379

00:17:23,750 --> 00:17:20,720

thing with one product or one part

380

00:17:25,990 --> 00:17:23,760

of the building material or

381

00:17:28,950 --> 00:17:26,000

you know one tire or one

382

00:17:31,590 --> 00:17:28,960

piston or whatever

383

00:17:34,310 --> 00:17:31,600

you need you need the culmination of all

384

00:17:36,230 --> 00:17:34,320

those things working in tandem to create

385

00:17:39,270 --> 00:17:36,240

the beast

386

00:17:41,029 --> 00:17:39,280

of the 65 mustang

387

00:17:43,029 --> 00:17:41,039

you know

388

00:17:44,870 --> 00:17:43,039

and they'll serve their purpose so if

389

00:17:47,750 --> 00:17:44,880

somebody's out there trying to get their

390

00:17:51,270 --> 00:17:47,760

own data and they're doing really good

391

00:17:53,590 --> 00:17:51,280

that's gonna put pressure on people

392

00:17:54,470 --> 00:17:53,600

to be transparent and meanwhile they're

393

00:17:58,630 --> 00:17:54,480

getting

394

00:18:00,950 --> 00:17:58,640

a thousand calls a day

395

00:18:02,549 --> 00:18:00,960

for this stuff

396

00:18:04,789 --> 00:18:02,559

and then you think about how many people

397

00:18:06,789 --> 00:18:04,799

are actually in the country how many are

398

00:18:10,710 --> 00:18:06,799

interested in this

399

00:18:15,190 --> 00:18:13,669

that's actually possible

400

00:18:17,270 --> 00:18:15,200

you think they would actually come out

401  
00:18:20,789 --> 00:18:17,280  
with some truth and be more transparent

402  
00:18:22,710 --> 00:18:20,799  
if they were getting annoyed like that

403  
00:18:24,710 --> 00:18:22,720  
because being truthful

404  
00:18:30,870 --> 00:18:24,720  
uh would at that point

405  
00:18:34,630 --> 00:18:32,710  
so and and i talk about that because

406  
00:18:37,029 --> 00:18:34,640  
i've seen this a couple times now like

407  
00:18:38,150 --> 00:18:37,039  
mcquest posted something about why don't

408  
00:18:39,750 --> 00:18:38,160  
we

409  
00:18:42,870 --> 00:18:39,760  
you know instead of

410  
00:18:44,950 --> 00:18:42,880  
a lobbying congress lobby camera maker

411  
00:18:46,870 --> 00:18:44,960  
to have this feature on their cameras so

412  
00:18:51,350 --> 00:18:46,880  
they can get better

413  
00:18:56,310 --> 00:18:54,310

let's do that too

414

00:18:57,990 --> 00:18:56,320

you know

415

00:18:59,909 --> 00:18:58,000

there doesn't have to be one or the

416

00:19:02,230 --> 00:18:59,919

other i mean to make this black and

417

00:19:04,150 --> 00:19:02,240

white is just ridiculous it's like

418

00:19:08,710 --> 00:19:04,160

anything that

419

00:19:08,720 --> 00:19:12,950

find a way to use it in this field

420

00:19:17,270 --> 00:19:15,830

to push the ball forward you know

421

00:19:18,630 --> 00:19:17,280

what if

422

00:19:20,950 --> 00:19:18,640

you're good at clerical stuff or

423

00:19:25,350 --> 00:19:20,960

organizing or filing things i have a

424

00:19:28,070 --> 00:19:25,360

whole bunch of files that could use that

425

00:19:30,390 --> 00:19:28,080

you know or there's a big phone home

426

00:19:31,830 --> 00:19:30,400

that could use volunteers

427

00:19:34,070 --> 00:19:31,840

i'm sure

428

00:19:36,070 --> 00:19:34,080

to organize stuff and put stuff together

429

00:19:38,549 --> 00:19:36,080

or future events or

430

00:19:41,190 --> 00:19:38,559

people that researchers that need assist

431

00:19:42,060 --> 00:19:41,200

there's all sorts of stuff

432

00:19:43,750 --> 00:19:42,070

that you can do

433

00:19:45,350 --> 00:19:43,760

[Music]

434

00:19:50,230 --> 00:19:45,360

you know no matter what it is that

435

00:19:50,240 --> 00:19:54,940

so

436

00:19:54,950 --> 00:20:00,150

[Music]

437

00:20:04,789 --> 00:20:02,310

yeah we need to people draw the close

438

00:20:07,350 --> 00:20:04,799

encounter so we can

439

00:20:08,549 --> 00:20:07,360

compare them yeah

440

00:20:11,750 --> 00:20:08,559

people have been drawing them for a

441

00:20:15,909 --> 00:20:13,909

um you know the one thing i think of

442

00:20:18,789 --> 00:20:15,919

when people

443

00:20:22,230 --> 00:20:20,950

like drawing things as it seems like

444

00:20:24,070 --> 00:20:22,240

well at least i

445

00:20:26,149 --> 00:20:24,080

i'm reading this book so i guess when i

446

00:20:27,029 --> 00:20:26,159

read a book i tend to bring it up a lot

447

00:20:29,270 --> 00:20:27,039

but

448

00:20:30,710 --> 00:20:29,280

it's operational operation trojan artist

449

00:20:32,310 --> 00:20:30,720

by john keel and he actually said

450

00:20:33,990 --> 00:20:32,320

something that struck me and said out of

451  
00:20:35,510 --> 00:20:34,000  
the hundreds thousands of pictures that

452  
00:20:37,750 --> 00:20:35,520  
he's seen

453  
00:20:38,710 --> 00:20:37,760  
for this stuff is not one looks like the

454  
00:20:39,669 --> 00:20:38,720  
other

455  
00:20:42,549 --> 00:20:39,679  
you know

456  
00:20:44,950 --> 00:20:42,559  
and oftentimes people's witness accounts

457  
00:20:46,630 --> 00:20:44,960  
are different

458  
00:20:51,029 --> 00:20:46,640  
even to the point of one sees something

459  
00:20:54,470 --> 00:20:52,470  
you know so

460  
00:20:56,630 --> 00:20:54,480  
sometimes i think it's like looking at

461  
00:20:59,029 --> 00:20:56,640  
the smaller particulars like what did it

462  
00:21:03,110 --> 00:20:59,039  
look like or the time

463  
00:21:04,870 --> 00:21:03,120

um or anything like that

464

00:21:07,110 --> 00:21:04,880

would get us

465

00:21:09,270 --> 00:21:07,120

not as far as looking at an overall

466

00:21:10,789 --> 00:21:09,280

picture of a phenomenon that basically

467

00:21:12,870 --> 00:21:10,799

tricks us and

468

00:21:15,190 --> 00:21:12,880

goofs with us

469

00:21:17,430 --> 00:21:15,200

and i don't think it's just ufos i think

470

00:21:20,630 --> 00:21:17,440

the phenomenon may be the same

471

00:21:29,350 --> 00:21:25,590

other paranormal things you know like uh

472

00:21:29,360 --> 00:21:32,549

maybe

473

00:21:35,830 --> 00:21:33,990

it sure seems like some of the

474

00:21:43,510 --> 00:21:35,840

phenomenon is

475

00:21:43,520 --> 00:21:46,230

so

476

00:21:46,240 --> 00:21:48,950

i don't know

477

00:21:51,990 --> 00:21:50,870

also i think we should start with the

478

00:21:53,430 --> 00:21:52,000

people who probably have the most

479

00:21:56,470 --> 00:21:53,440

information which is at government so

480

00:21:58,950 --> 00:21:56,480

make a call send an email send a tweet

481

00:22:01,190 --> 00:21:58,960

get ramped up for the big phone home

482

00:22:02,710 --> 00:22:01,200

uh lou puts a lot

483

00:22:05,110 --> 00:22:02,720

of effort

484

00:22:06,630 --> 00:22:05,120

from identified celebrity review into

485

00:22:09,190 --> 00:22:06,640

putting that together

486

00:22:13,110 --> 00:22:09,200

he's got a lot of fantastic guess

487

00:22:14,549 --> 00:22:13,120

organizing that maintaining it um and on

488

00:22:18,230 --> 00:22:14,559

top of that going

489

00:22:20,950 --> 00:22:18,240

like eight hours all the time less

490

00:22:23,510 --> 00:22:20,960

it's pretty intense so

491

00:22:26,870 --> 00:22:23,520

you know if he can do all of that action

492

00:22:34,230 --> 00:22:26,880

at least we can do is one action

493

00:22:34,240 --> 00:22:36,950

yeah

494

00:22:41,029 --> 00:22:39,190

even the discs though like the pictures

495

00:22:43,909 --> 00:22:41,039

of them never even looked

496

00:22:46,549 --> 00:22:43,919

uh 100 the same but it's interesting and

497

00:22:48,789 --> 00:22:46,559

i would say that maybe these uaps kind

498

00:22:52,310 --> 00:22:48,799

of adapt their

499

00:22:56,470 --> 00:22:52,320

uh visuals along with the

500

00:22:56,480 --> 00:22:59,669

possibly

501  
00:23:03,190 --> 00:23:01,350  
you know um

502  
00:23:10,470 --> 00:23:03,200  
because i don't feel like we see any

503  
00:23:14,630 --> 00:23:12,710  
could be wrong

504  
00:23:17,510 --> 00:23:14,640  
but and if we did i feel like it would

505  
00:23:19,350 --> 00:23:17,520  
be seeing like a muscle car or something

506  
00:23:22,390 --> 00:23:19,360  
you know

507  
00:23:24,630 --> 00:23:22,400  
like uh

508  
00:23:26,070 --> 00:23:24,640  
at least in the drawing you know this

509  
00:23:29,110 --> 00:23:26,080  
who knows but

510  
00:23:33,750 --> 00:23:31,029  
pictures or renditions of how these

511  
00:23:41,510 --> 00:23:36,470  
they look like they fit that time era

512  
00:23:41,520 --> 00:23:43,750  
so

513  
00:23:49,590 --> 00:23:47,510

if that popped in now it'd be like oh

514

00:23:56,549 --> 00:23:49,600

john hamm mad men

515

00:24:01,480 --> 00:23:58,950

but you know i i think

516

00:24:02,789 --> 00:24:01,490

the ability might exist for them to

517

00:24:05,029 --> 00:24:02,799

[Music]

518

00:24:09,669 --> 00:24:05,039

adapt to the person they're showing

519

00:24:13,750 --> 00:24:12,070

and spaghetti you know spaghetti you

520

00:24:16,470 --> 00:24:13,760

made a great point

521

00:24:17,669 --> 00:24:16,480

the other day that's that's still with

522

00:24:22,630 --> 00:24:17,679

me men

523

00:24:25,990 --> 00:24:24,950

um and that's

524

00:24:28,710 --> 00:24:26,000

you know

525

00:24:31,750 --> 00:24:28,720

we tend to only believe what we're

526

00:24:33,430 --> 00:24:31,760

prepared to believe

527

00:24:34,789 --> 00:24:33,440

that's a good one i don't know if you

528

00:24:36,630 --> 00:24:34,799

came up with that or if somebody else

529

00:24:41,669 --> 00:24:36,640

did but you said it

530

00:24:44,830 --> 00:24:43,990

yeah he met people from venus

531

00:24:49,110 --> 00:24:44,840

you know

532

00:24:53,190 --> 00:24:50,870

i don't know if you guys read operation

533

00:24:58,230 --> 00:24:53,200

trojan orders if you haven't i

534

00:25:03,269 --> 00:25:00,710

because he has like answers and ways to

535

00:25:07,830 --> 00:25:03,279

address things like the spaghetti like

536

00:25:13,830 --> 00:25:11,750

which is basically the phenomenon

537

00:25:15,269 --> 00:25:13,840

is responsible for telling people that

538

00:25:17,269 --> 00:25:15,279

or whatever but they're tricking them

539

00:25:19,350 --> 00:25:17,279

they're not really from there it's to

540

00:25:21,830 --> 00:25:19,360

throw people off the center the track of

541

00:25:28,870 --> 00:25:21,840

the reality of it

542

00:25:33,269 --> 00:25:30,950

he's you know and

543

00:25:38,149 --> 00:25:33,279

his views and his takes

544

00:25:42,549 --> 00:25:40,390

the guy was talking about and put it

545

00:25:43,990 --> 00:25:42,559

together i maybe there's a report

546

00:25:46,230 --> 00:25:44,000

somewhere of it but

547

00:25:52,149 --> 00:25:46,240

that sightings were most prevalent on

548

00:25:52,159 --> 00:25:54,710

and

549

00:25:59,909 --> 00:25:57,269

they're usually close to

550

00:26:04,549 --> 00:25:59,919

like an electromagnetic anomaly

551  
00:26:08,789 --> 00:26:06,310  
so

552  
00:26:10,470 --> 00:26:08,799  
he even said if you want to go

553  
00:26:11,669 --> 00:26:10,480  
looking at these

554  
00:26:14,390 --> 00:26:11,679  
um

555  
00:26:16,710 --> 00:26:14,400  
find one of those electromagnetic like

556  
00:26:18,710 --> 00:26:16,720  
anomaly somewhere

557  
00:26:21,909 --> 00:26:18,720  
in the lion

558  
00:26:26,149 --> 00:26:21,919  
go on a wednesday or saturday night

559  
00:26:31,510 --> 00:26:28,230  
i i haven't done it yet to be able to

560  
00:26:31,520 --> 00:26:35,590  
could be true

561  
00:26:40,310 --> 00:26:37,430  
hey what's up knight yeah i never see

562  
00:26:42,390 --> 00:26:40,320  
you live thanks for popping in

563  
00:26:44,230 --> 00:26:42,400

appreciate you

564

00:26:50,390 --> 00:26:44,240

men are from mars and women came from

565

00:26:50,400 --> 00:26:54,310

so yeah

566

00:26:59,990 --> 00:26:56,470

kind of just uh going off a little bit

567

00:27:06,149 --> 00:27:00,000

there so i tend to kind of lose track

568

00:27:11,830 --> 00:27:08,070

but let's check

569

00:27:16,310 --> 00:27:14,390

something cool have you guys at least uh

570

00:27:18,870 --> 00:27:16,320

checked out the different folders and

571

00:27:21,029 --> 00:27:18,880

stuff that um

572

00:27:22,610 --> 00:27:21,039

i got from those clifford stone files

573

00:27:24,149 --> 00:27:22,620

like spaghetti

574

00:27:28,789 --> 00:27:24,159

[Music]

575

00:27:28,799 --> 00:27:35,909

if not oh that's the whole screen huh

576  
00:27:35,919 --> 00:27:43,510  
i will share with you

577  
00:27:54,870 --> 00:27:46,389  
i'll share my screen if you be nice to

578  
00:27:54,880 --> 00:27:57,430  
okay

579  
00:28:01,510 --> 00:27:58,870  
here we go

580  
00:28:04,950 --> 00:28:02,789  
oh yeah

581  
00:28:08,070 --> 00:28:04,960  
sue

582  
00:28:10,290 --> 00:28:08,080  
i think um so we have all these right

583  
00:28:11,510 --> 00:28:10,300  
um the ones that we'll be going through

584  
00:28:15,190 --> 00:28:11,520  
[Music]

585  
00:28:15,200 --> 00:28:20,710  
these different osi districts right

586  
00:28:25,269 --> 00:28:22,870  
so

587  
00:28:27,110 --> 00:28:25,279  
you know we got 25

588  
00:28:31,110 --> 00:28:27,120

27

589

00:28:34,230 --> 00:28:31,120

24 23 22 21 right

590

00:28:37,909 --> 00:28:34,240

and i think pretty much all of them have

591

00:28:42,789 --> 00:28:37,919

military encounters in them

592

00:28:42,799 --> 00:28:47,590

this one district 2 new york so

593

00:28:52,789 --> 00:28:50,870

i'm going to pull some of the

594

00:28:55,830 --> 00:28:52,799

what i find to be some of the more major

595

00:28:57,750 --> 00:28:55,840

military sightings

596

00:29:00,389 --> 00:28:57,760

and we're going to go through those and

597

00:29:04,230 --> 00:29:00,399

the whole real reason is to prove a

598

00:29:07,830 --> 00:29:04,240

point of how long this has been around

599

00:29:10,549 --> 00:29:07,840

and how long we've known about it

600

00:29:13,269 --> 00:29:10,559

and military pilots seeing these

601  
00:29:17,029 --> 00:29:13,279  
are not new

602  
00:29:21,750 --> 00:29:19,590  
june 26 1950

603  
00:29:25,430 --> 00:29:21,760  
bronx 52 new york reported that during

604  
00:29:28,070 --> 00:29:25,440  
the night of 25th 26 june 1950 he

605  
00:29:31,669 --> 00:29:28,080  
observed what he described as a flying

606  
00:29:38,789 --> 00:29:34,310  
going approximately 30 to 40 feet in

607  
00:29:38,799 --> 00:29:43,510  
so all sorts of stuff like that

608  
00:29:43,520 --> 00:29:49,029  
um thousands of pages of it actually

609  
00:29:54,789 --> 00:29:51,430  
jet black in color now see when you see

610  
00:29:57,029 --> 00:29:54,799  
that but some of these sightings though

611  
00:29:59,909 --> 00:29:57,039  
you know we do have to realize aren't

612  
00:30:02,310 --> 00:29:59,919  
going to be of an actual

613  
00:30:03,510 --> 00:30:02,320

uap like that one when i see that i

614

00:30:05,510 --> 00:30:03,520

think

615

00:30:07,750 --> 00:30:05,520

of our secret tech

616

00:30:09,669 --> 00:30:07,760

that we had at the time

617

00:30:12,470 --> 00:30:09,679

jet black

618

00:30:14,630 --> 00:30:12,480

maybe it's just the word jet

619

00:30:15,669 --> 00:30:14,640

that made me think that but

620

00:30:17,110 --> 00:30:15,679

yeah so

621

00:30:21,269 --> 00:30:17,120

and they all kind of look like this

622

00:30:28,310 --> 00:30:21,279

captain starrett uh alleged u s a

623

00:30:34,549 --> 00:30:30,950

close two officers whose name correspond

624

00:30:37,669 --> 00:30:34,559

with that of the subject

625

00:30:39,590 --> 00:30:37,679

so we have that

626

00:30:41,990 --> 00:30:39,600

and then some of these reports

627

00:30:45,750 --> 00:30:42,000

go really in depth and even pick up a

628

00:30:50,230 --> 00:30:47,350

one that i'm really excited to show you

629

00:30:56,149 --> 00:30:50,240

guys is pennsylvania in the 50s where

630

00:30:56,159 --> 00:31:00,070

apparently um

631

00:31:03,909 --> 00:31:01,669

actually i'll just go find it and show

632

00:31:05,110 --> 00:31:03,919

you and show you but it was pretty cool

633

00:31:06,710 --> 00:31:05,120

because um

634

00:31:09,269 --> 00:31:06,720

it's something

635

00:31:11,509 --> 00:31:09,279

like dropped in harrisburg pennsylvania

636

00:31:12,950 --> 00:31:11,519

like right in front of everybody

637

00:31:16,230 --> 00:31:12,960

and

638

00:31:18,870 --> 00:31:16,240

the way the spot report was written spot

639

00:31:21,909 --> 00:31:18,880

intelligence report was

640

00:31:24,389 --> 00:31:21,919

that we the military

641

00:31:29,750 --> 00:31:24,399

went and cleaned up

642

00:31:29,760 --> 00:31:34,470

so i thought that was interesting

643

00:31:38,950 --> 00:31:37,269

in the report was pretty big like more

644

00:31:41,830 --> 00:31:38,960

so than typical

645

00:31:45,430 --> 00:31:41,840

uh reports that i see uh from these like

646

00:31:47,350 --> 00:31:45,440

some are just a couple pages

647

00:31:49,269 --> 00:31:47,360

you know of just like your typical what

648

00:31:50,310 --> 00:31:49,279

you have to do when you make these spot

649

00:31:52,470 --> 00:31:50,320

reports

650

00:31:53,269 --> 00:31:52,480

uh some of these

651  
00:31:58,389 --> 00:31:53,279  
are

652  
00:32:03,110 --> 00:32:00,870  
so here's the harrisburg one

653  
00:32:06,950 --> 00:32:03,120  
108 pages in this district see what i

654  
00:32:09,669 --> 00:32:06,960  
mean see each one of these districts has

655  
00:32:10,789 --> 00:32:09,679  
well some have like three like uh puerto

656  
00:32:14,549 --> 00:32:10,799  
rico

657  
00:32:17,029 --> 00:32:14,559  
but new mexico has like 730 some in that

658  
00:32:22,070 --> 00:32:19,029  
and they're all like los alamos

659  
00:32:25,590 --> 00:32:22,080  
sightings the lab or kirkland air force

660  
00:32:28,870 --> 00:32:27,590  
these are good cases and this proves a

661  
00:32:30,950 --> 00:32:28,880  
real point

662  
00:32:33,269 --> 00:32:30,960  
of hello they've been taking this

663  
00:32:35,669 --> 00:32:33,279

seriously for a long time because their

664

00:32:38,149 --> 00:32:35,679

bases have had their own flaps

665

00:32:39,990 --> 00:32:38,159

and i'm not joking los alamos had like

666

00:32:41,590 --> 00:32:40,000

four or five sightings back in the day

667

00:32:45,669 --> 00:32:41,600

within a week

668

00:32:45,679 --> 00:32:57,269

langley air force base everything

669

00:33:02,710 --> 00:33:00,549

i'm both considered reliable and sober

670

00:33:04,470 --> 00:33:02,720

citizens you know the funny part about

671

00:33:05,750 --> 00:33:04,480

these is the witnesses are always

672

00:33:08,230 --> 00:33:05,760

reliable

673

00:33:11,269 --> 00:33:08,240

not always but i would say 90 of the

674

00:33:14,549 --> 00:33:11,279

time at least they speak kindly of the

675

00:33:19,350 --> 00:33:16,149

so don't mind me i'm just going to

676  
00:33:20,789 --> 00:33:19,360  
scroll through to get to what i was just

677  
00:33:23,350 --> 00:33:20,799  
talking about so you can see for

678  
00:33:26,149 --> 00:33:23,360  
yourself because it was pretty great

679  
00:33:29,590 --> 00:33:26,159  
wow estimated speeds to be 900 to 1900

680  
00:33:34,230 --> 00:33:32,070  
geometry at altitude and methods navy

681  
00:33:38,870 --> 00:33:34,240  
pilots and estimating speed of other

682  
00:33:45,269 --> 00:33:41,269  
and some i mean some of these are have

683  
00:33:45,279 --> 00:33:48,149  
of that time

684  
00:33:56,870 --> 00:33:50,230  
referred upon completion to the physical

685  
00:34:03,110 --> 00:34:00,310  
oh this way yep so these are

686  
00:34:05,190 --> 00:34:03,120  
there's so many of them

687  
00:34:07,110 --> 00:34:05,200  
and then the important thing to do if

688  
00:34:10,790 --> 00:34:07,120

you want to look further into the stuff

689

00:34:12,710 --> 00:34:10,800

is notice who it's going to you know

690

00:34:15,510 --> 00:34:12,720

there's a lot where it's going to osi

691

00:34:15,840 --> 00:34:15,520

then there's some where it's going to

692

00:34:17,349 --> 00:34:15,850

um

693

00:34:23,669 --> 00:34:17,359

[Music]

694

00:34:33,510 --> 00:34:25,909

and i think

695

00:34:38,230 --> 00:34:35,510

los angeles had a remarkable sighting in

696

00:34:40,869 --> 00:34:38,240

1950 that can only be described as an

697

00:34:42,710 --> 00:34:40,879

unknown drone of some type it's it's i

698

00:34:47,109 --> 00:34:42,720

guarantee it's in there

699

00:34:50,389 --> 00:34:49,270

i guarantee it is only because there's

700

00:34:52,710 --> 00:34:50,399

so much

701  
00:34:53,589 --> 00:34:52,720  
and these green fireballs here here's

702  
00:34:57,670 --> 00:34:53,599  
lesson

703  
00:34:59,190 --> 00:34:57,680  
philly

704  
00:35:03,030 --> 00:34:59,200  
so

705  
00:35:06,710 --> 00:35:05,190  
roswell and

706  
00:35:08,310 --> 00:35:06,720  
other sightings in new mexico

707  
00:35:09,750 --> 00:35:08,320  
albuquerque

708  
00:35:11,670 --> 00:35:09,760  
pennsylvania here

709  
00:35:15,030 --> 00:35:11,680  
they called these

710  
00:35:18,390 --> 00:35:15,040  
green fireballs and dr lapaz worked at

711  
00:35:20,870 --> 00:35:18,400  
los alamos laboratories

712  
00:35:23,349 --> 00:35:20,880  
on our atomic stuff

713  
00:35:26,390 --> 00:35:23,359

so he he was uh pretty up there pretty

714

00:35:28,550 --> 00:35:26,400

smart he was astrologist i believe

715

00:35:30,470 --> 00:35:28,560

um

716

00:35:32,870 --> 00:35:30,480

he worked at los alamos and our

717

00:35:36,150 --> 00:35:32,880

government asked him to participate in a

718

00:35:39,750 --> 00:35:36,160

study of these green fireballs which he

719

00:35:41,990 --> 00:35:39,760

does refer to roswell as uh getting hit

720

00:35:43,510 --> 00:35:42,000

by one of these green fireballs

721

00:35:45,910 --> 00:35:43,520

the green fireballs they said were a

722

00:35:48,710 --> 00:35:45,920

phenomenon they looked into if it was a

723

00:35:51,109 --> 00:35:48,720

meteor and it was

724

00:35:54,230 --> 00:35:51,119

apparently completely different than the

725

00:35:55,349 --> 00:35:54,240

typical characteristics of a meteor

726

00:35:57,670 --> 00:35:55,359

um

727

00:35:59,349 --> 00:35:57,680

so they continue to try to figure it out

728

00:36:00,790 --> 00:35:59,359

what something else that they did with

729

00:36:03,430 --> 00:36:00,800

this study like

730

00:36:07,750 --> 00:36:03,440

for lab tests and lab results is they

731

00:36:10,390 --> 00:36:07,760

partnered with cambridge laboratory

732

00:36:11,190 --> 00:36:10,400

so that sometimes is what makes me think

733

00:36:13,510 --> 00:36:11,200

that

734

00:36:15,510 --> 00:36:13,520

cambridge laboratory might even have

735

00:36:17,750 --> 00:36:15,520

some info on roswell

736

00:36:22,710 --> 00:36:17,760

because the green fireball study headed

737

00:36:25,109 --> 00:36:22,720

by dr lapaz also called project twinkle

738

00:36:29,030 --> 00:36:25,119

yes new mexico university

739

00:36:34,630 --> 00:36:32,390

so he was studying the green fireballs

740

00:36:36,630 --> 00:36:34,640

so when you see that on these papers

741

00:36:38,550 --> 00:36:36,640

that's why they knew him as the greek

742

00:36:40,710 --> 00:36:38,560

fireballs

743

00:36:43,990 --> 00:36:40,720

and it's funny because

744

00:36:45,430 --> 00:36:44,000

some of them you can relate to

745

00:36:52,550 --> 00:36:45,440

body

746

00:36:58,150 --> 00:36:55,190

new mexico university is that's where la

747

00:37:01,270 --> 00:36:58,160

paz was from right robert yeah

748

00:37:03,670 --> 00:37:01,280

um los alamos funny enough

749

00:37:05,270 --> 00:37:03,680

there is i i forget what college it is

750

00:37:09,430 --> 00:37:05,280

maybe even just the university of

751

00:37:11,910 --> 00:37:09,440

california or something um

752

00:37:13,990 --> 00:37:11,920

was running that thing it was theirs

753

00:37:18,069 --> 00:37:14,000

basically

754

00:37:22,870 --> 00:37:19,510

so

755

00:37:24,790 --> 00:37:22,880

when people say things like you need to

756

00:37:25,589 --> 00:37:24,800

get the universities involved and stuff

757

00:37:28,069 --> 00:37:25,599

and

758

00:37:30,470 --> 00:37:28,079

you know i hate to say it but they have

759

00:37:37,510 --> 00:37:32,230

in one instance they completely took

760

00:37:41,470 --> 00:37:40,150

corbell said he has lots of videos he

761

00:37:44,069 --> 00:37:41,480

gone quiet

762

00:37:47,430 --> 00:37:44,079

[Music]

763

00:37:52,550 --> 00:37:49,270

interesting i mean i appreciate the

764

00:37:54,470 --> 00:37:52,560

pressure that his videos uh kind of

765

00:37:56,950 --> 00:37:54,480

do and what they serve the purpose they

766

00:37:58,630 --> 00:37:56,960

serve which is to build pressure

767

00:38:03,109 --> 00:37:58,640

um but

768

00:38:09,270 --> 00:38:04,790

and they can go and figure out their own

769

00:38:17,430 --> 00:38:10,630

but

770

00:38:17,440 --> 00:38:21,349

robert that's a good point

771

00:38:26,790 --> 00:38:23,430

i thought we always hear project twinkle

772

00:38:26,800 --> 00:38:32,950

not sure he's on that train well

773

00:38:43,510 --> 00:38:36,390

i

774

00:38:46,550 --> 00:38:43,520

he

775

00:38:49,670 --> 00:38:46,560

was

776

00:38:52,230 --> 00:38:49,680

um you know foreign or a meteor and so

777

00:38:54,710 --> 00:38:52,240

they thought it was a failure

778

00:38:57,109 --> 00:38:54,720

you know what i mean

779

00:38:58,829 --> 00:38:57,119

uh well why don't we just

780

00:39:01,349 --> 00:38:58,839

since we're here

781

00:39:03,670 --> 00:39:01,359

right i mean some of you guys are like

782

00:39:04,710 --> 00:39:03,680

uap boot camp you're like yeah you do

783

00:39:06,200 --> 00:39:04,720

this

784

00:39:08,710 --> 00:39:06,210

every day what's the difference

785

00:39:11,510 --> 00:39:08,720

[Laughter]

786

00:39:14,630 --> 00:39:11,520

and you'd kind of be right there

787

00:39:17,190 --> 00:39:14,640

all right so this one is pretty good

788

00:39:18,550 --> 00:39:17,200

so this is actually a conference with dr

789

00:39:23,589 --> 00:39:18,560

lapaz

790

00:39:26,710 --> 00:39:25,670

and is about project grudge interesting

791

00:39:28,950 --> 00:39:26,720

huh

792

00:39:31,270 --> 00:39:28,960

so this is and then look at the top

793

00:39:32,150 --> 00:39:31,280

there fourth army intelligence liaison

794

00:39:41,510 --> 00:39:32,160

office

795

00:39:45,589 --> 00:39:42,470

so

796

00:39:48,470 --> 00:39:45,599

these are the people that went

797

00:39:50,550 --> 00:39:48,480

4th army u.s air force

798

00:39:52,950 --> 00:39:50,560

university of new mexico

799

00:39:53,990 --> 00:39:52,960

robert was correct ding ding ding

800

00:39:58,870 --> 00:39:54,000

ding

801  
00:40:02,069 --> 00:40:00,550  
uh captain eva opened the meeting by

802  
00:40:03,910 --> 00:40:02,079  
saying the problem was being presented

803  
00:40:05,829 --> 00:40:03,920  
to los alamos scientists in hopes that

804  
00:40:07,030 --> 00:40:05,839  
they would be able to indicate some mode

805  
00:40:08,470 --> 00:40:07,040  
of attack

806  
00:40:12,069 --> 00:40:08,480  
on the problem and offer some

807  
00:40:13,589 --> 00:40:12,079  
explanations for the phenomenon observed

808  
00:40:15,589 --> 00:40:13,599  
he stated that this question had been

809  
00:40:17,190 --> 00:40:15,599  
classified military secret under the

810  
00:40:20,870 --> 00:40:17,200  
name project grudge and that the

811  
00:40:27,670 --> 00:40:22,870  
the primary responsibility of the united

812  
00:40:31,750 --> 00:40:29,589  
and t2

813  
00:40:38,150 --> 00:40:31,760

never heard of t2 have to look that one

814

00:40:43,910 --> 00:40:40,550

um he then turned over the discussion to

815

00:40:47,349 --> 00:40:45,829

dr paz stated that he had been assisting

816

00:40:49,190 --> 00:40:47,359

the military for the past two months and

817

00:40:51,109 --> 00:40:49,200

at the request in the investigation of

818

00:40:52,870 --> 00:40:51,119

the subject problem and went on with the

819

00:40:54,950 --> 00:40:52,880

general discussion of phenomena

820

00:40:57,030 --> 00:40:54,960

attending normal

821

00:40:58,710 --> 00:40:57,040

meteorite fall postulating the following

822

00:41:00,790 --> 00:40:58,720

important characteristics

823

00:41:03,190 --> 00:41:00,800

random path of fall color and intensity

824

00:41:06,230 --> 00:41:03,200

variations and light emitted sound

825

00:41:09,030 --> 00:41:06,240

frightened animals

826

00:41:13,270 --> 00:41:11,190

uh he discussed a number of the

827

00:41:15,430 --> 00:41:13,280

observations

828

00:41:17,589 --> 00:41:15,440

diversity of their backgrounds including

829

00:41:18,710 --> 00:41:17,599

commercial airline pilots military

830

00:41:20,470 --> 00:41:18,720

pilots

831

00:41:24,150 --> 00:41:20,480

special intelligence

832

00:41:26,950 --> 00:41:24,160

agents los alamos personnel mr hoyt and

833

00:41:29,270 --> 00:41:26,960

himself as well as various

834

00:41:36,790 --> 00:41:32,150

i can't see that

835

00:41:41,829 --> 00:41:39,670

dr pazan described the starvation peak

836

00:41:43,670 --> 00:41:41,839

incident

837

00:41:45,430 --> 00:41:43,680

which he observed himself detailing the

838

00:41:47,670 --> 00:41:45,440

following characteristics which indicate

839

00:41:50,710 --> 00:41:47,680

the phenomenon cannot be classified as a

840

00:41:53,990 --> 00:41:50,720

normal meteorite fall

841

00:41:57,910 --> 00:41:56,470

constant intensity during duration

842

00:42:00,550 --> 00:41:57,920

yellow green color

843

00:42:02,550 --> 00:42:00,560

essentially horizontal path

844

00:42:04,790 --> 00:42:02,560

trajectory traversed at constant angular

845

00:42:08,950 --> 00:42:04,800

velocity duration about two seconds no

846

00:42:12,950 --> 00:42:11,190

t2 for it you know keep your eyes on

847

00:42:17,190 --> 00:42:12,960

what robert says because what he says is

848

00:42:20,230 --> 00:42:18,790

gonna be

849

00:42:21,750 --> 00:42:20,240

most likely true

850

00:42:31,349 --> 00:42:21,760

and

851  
00:42:39,990 --> 00:42:33,829  
since about 5th of december 1948 there

852  
00:42:45,030 --> 00:42:42,390  
from green fireballs described and some

853  
00:42:47,750 --> 00:42:45,040  
20 more presenting minor deviations to

854  
00:42:51,190 --> 00:42:49,430  
which you could be considered in

855  
00:42:52,630 --> 00:42:51,200  
connection with them in addition there

856  
00:42:54,390 --> 00:42:52,640  
have been a number of normal shooting

857  
00:42:58,630 --> 00:42:54,400  
stars in meteorites

858  
00:42:58,640 --> 00:43:05,430  
pretty interesting though

859  
00:43:11,750 --> 00:43:08,790  
pretty interesting

860  
00:43:13,589 --> 00:43:11,760  
mr teller took over

861  
00:43:15,430 --> 00:43:13,599  
and showed that a material object

862  
00:43:18,790 --> 00:43:15,440  
traveling with the velocity of the

863  
00:43:22,630 --> 00:43:20,710

would have to have a mass of about 20

864

00:43:24,150 --> 00:43:22,640

grams assuming all the kinetic energy

865

00:43:26,390 --> 00:43:24,160

could be converted to light under the

866

00:43:29,510 --> 00:43:26,400

assumption that the light output

867

00:43:33,190 --> 00:43:30,470

of

868

00:43:34,790 --> 00:43:33,200

10 herbs per second

869

00:43:37,349 --> 00:43:34,800

sorry that's a little off my path if

870

00:43:41,750 --> 00:43:37,359

it's a word that i can read i'm good at

871

00:43:47,430 --> 00:43:44,470

uh mr bradbury demurred so as far as the

872

00:43:49,349 --> 00:43:47,440

electronic explanation was concerned

873

00:43:51,109 --> 00:43:49,359

saying if it were assumed that the

874

00:43:53,190 --> 00:43:51,119

answer lay in the region

875

00:43:55,589 --> 00:43:53,200

many more difficult problems would have

876

00:43:56,390 --> 00:43:55,599

to be solved

877

00:43:58,230 --> 00:43:56,400

well

878

00:44:01,109 --> 00:43:58,240

we should look at electronics and optics

879

00:44:05,430 --> 00:44:01,119

for an explanation rather than in field

880

00:44:10,790 --> 00:44:07,190

is clear that the government was trying

881

00:44:12,870 --> 00:44:10,800

to figure it out right i mean

882

00:44:15,190 --> 00:44:12,880

if they weren't

883

00:44:17,670 --> 00:44:15,200

like this is a whole lot of like psyop

884

00:44:20,630 --> 00:44:17,680

stuff let's just craft this thing

885

00:44:25,750 --> 00:44:20,640

perfectly so someday when somebody finds

886

00:44:30,150 --> 00:44:27,750

you know they'll think we

887

00:44:34,829 --> 00:44:30,160

did this

888

00:44:38,950 --> 00:44:37,270

serious lapaz captain neve have

889

00:44:41,190 --> 00:44:38,960

fruitlessly attempted to obtain

890

00:44:43,910 --> 00:44:41,200

information from a meteorite observers

891

00:44:46,230 --> 00:44:43,920

group now at white sands said to be

892

00:44:49,510 --> 00:44:46,240

performing work under a contract for the

893

00:44:53,670 --> 00:44:51,670

interesting navy you know i've been

894

00:44:55,030 --> 00:44:53,680

seeing the navy pop up a lot more in

895

00:44:57,270 --> 00:44:55,040

these things

896

00:45:07,510 --> 00:44:57,280

so i think they may know more than they

897

00:45:11,750 --> 00:45:09,910

in former vehicles never heard of them

898

00:45:13,190 --> 00:45:11,760

talked about like that before

899

00:45:14,790 --> 00:45:13,200

until their source and meaning have been

900

00:45:17,750 --> 00:45:14,800

satisfactory explained although mr

901  
00:45:19,829 --> 00:45:17,760  
teller's discussion tends to disprove

902  
00:45:23,030 --> 00:45:19,839  
the hypothesis that guide missiles or

903  
00:45:24,790 --> 00:45:23,040  
informer vehicles are responsible

904  
00:45:26,470 --> 00:45:24,800  
there is cause for concern of the

905  
00:45:28,870 --> 00:45:26,480  
continued occurrences of unexplained

906  
00:45:35,589 --> 00:45:28,880  
phenomena of this nature in the vicinity

907  
00:45:40,390 --> 00:45:37,589  
did you see that

908  
00:45:43,750 --> 00:45:40,400  
sensitive installations

909  
00:45:46,710 --> 00:45:43,760  
continued occurrences of unexplained

910  
00:45:52,390 --> 00:45:46,720  
phenomena of this nature in the vicinity

911  
00:45:57,589 --> 00:45:55,589  
what's the difference now

912  
00:46:00,550 --> 00:45:57,599  
come on this has been going on since

913  
00:46:04,710 --> 00:46:00,560

here we go 49.

914

00:46:12,150 --> 00:46:04,720

1949 february 18th

915

00:46:18,390 --> 00:46:13,430

right

916

00:46:26,069 --> 00:46:20,710

you know

917

00:46:32,710 --> 00:46:29,030

and before that roswell's 47 right

918

00:46:34,870 --> 00:46:32,720

but i'm just saying on paper documented

919

00:46:38,550 --> 00:46:34,880

49.

920

00:46:43,510 --> 00:46:40,710

the description

921

00:46:46,230 --> 00:46:43,520

if that wasn't enough for you

922

00:46:48,470 --> 00:46:46,240

yellow and orange cigar-shaped

923

00:46:50,069 --> 00:46:48,480

light

924

00:46:52,550 --> 00:46:50,079

cigar-shaped

925

00:46:54,230 --> 00:46:52,560

sensitive installations

926  
00:46:56,470 --> 00:46:54,240  
february 18

927  
00:47:00,630 --> 00:46:56,480  
1949.

928  
00:47:05,349 --> 00:47:02,550  
come on and it's the government that

929  
00:47:08,550 --> 00:47:05,359  
acts like we're just ignorant to it well

930  
00:47:12,390 --> 00:47:10,630  
and you guys

931  
00:47:14,230 --> 00:47:12,400  
aren't

932  
00:47:15,430 --> 00:47:14,240  
so why are they allowed to continue to

933  
00:47:17,109 --> 00:47:15,440  
act like

934  
00:47:20,790 --> 00:47:17,119  
uh

935  
00:47:23,190 --> 00:47:20,800  
we're we are ignorant to this

936  
00:47:24,470 --> 00:47:23,200  
there's a thousand pages right here of

937  
00:47:28,390 --> 00:47:24,480  
instances

938  
00:47:29,670 --> 00:47:28,400

of uaps and military sightings sensitive

939

00:47:31,829 --> 00:47:29,680

installations

940

00:47:33,190 --> 00:47:31,839

and them trying to figure it out so be

941

00:47:35,270 --> 00:47:33,200

honest with us

942

00:47:36,150 --> 00:47:35,280

and tell us that you couldn't figure it

943

00:47:37,990 --> 00:47:36,160

out

944

00:47:41,349 --> 00:47:38,000

because it's clear that you can't figure

945

00:47:44,069 --> 00:47:42,790

you know and

946

00:47:46,390 --> 00:47:44,079

it takes

947

00:47:47,270 --> 00:47:46,400

an adult

948

00:47:50,470 --> 00:47:47,280

right

949

00:47:55,349 --> 00:47:52,470

to not just cover it up and move on like

950

00:47:59,349 --> 00:47:58,069

like a kid who spills grape juice on the

951  
00:48:01,510 --> 00:47:59,359  
carpet

952  
00:48:03,510 --> 00:48:01,520  
and puts his pillow or stuffed animal

953  
00:48:14,230 --> 00:48:03,520  
over it to hide it right

954  
00:48:22,309 --> 00:48:17,190  
so what's the deal

955  
00:48:25,990 --> 00:48:22,319  
marco rubio mark warner what is the deal

956  
00:48:31,349 --> 00:48:28,870  
sensitive military installations

957  
00:48:34,950 --> 00:48:31,359  
harassed by ufos

958  
00:48:34,960 --> 00:48:39,990  
for that long

959  
00:48:44,710 --> 00:48:41,829  
it's ridiculous

960  
00:48:47,510 --> 00:48:44,720  
because if if any of us were able to say

961  
00:48:52,230 --> 00:48:47,520  
that to them they would have

962  
00:48:57,510 --> 00:48:54,549  
they would have no answer who would have

963  
00:48:59,270 --> 00:48:57,520

an answer as in this is fake

964

00:49:03,750 --> 00:48:59,280

what kind of normal person would have an

965

00:49:06,790 --> 00:49:03,760

answer that this is fake or even

966

00:49:09,430 --> 00:49:06,800

a psyop to hide intelligent weapons or

967

00:49:11,430 --> 00:49:09,440

new weapons

968

00:49:14,069 --> 00:49:11,440

at this point with all these documents

969

00:49:17,190 --> 00:49:14,079

and all this effort put into it

970

00:49:20,549 --> 00:49:17,200

for this long

971

00:49:26,150 --> 00:49:20,559

there is no response to other than

972

00:49:30,470 --> 00:49:28,710

and that's it you know it doesn't mean

973

00:49:32,710 --> 00:49:30,480

other things aren't real like drones and

974

00:49:37,030 --> 00:49:32,720

other things of course they are

975

00:49:39,670 --> 00:49:37,040

we're not idiots we know there's drones

976

00:49:42,950 --> 00:49:39,680

and balloons we know that but we're not

977

00:49:48,630 --> 00:49:46,549

we're talking about the ufos and uabs

978

00:49:50,710 --> 00:49:48,640

around these sensitive installations

979

00:49:54,390 --> 00:49:50,720

because if somebody reset you'd think we

980

00:49:58,630 --> 00:49:55,829

that the things that are supposed to

981

00:50:00,230 --> 00:49:58,640

protect us from other countries are just

982

00:50:03,510 --> 00:50:00,240

infiltrated by

983

00:50:05,430 --> 00:50:03,520

ufos all the time

984

00:50:08,230 --> 00:50:05,440

why should we not be scared for our

985

00:50:14,790 --> 00:50:10,230

if

986

00:50:14,800 --> 00:50:22,230

can't hold the line

987

00:50:28,069 --> 00:50:25,510

and your response is to not tell us that

988

00:50:29,750 --> 00:50:28,079

so what are you gonna do just wait until

989

00:50:32,309 --> 00:50:29,760

um it's

990

00:50:40,549 --> 00:50:32,319

of quite concern

991

00:50:45,109 --> 00:50:42,710

it's not good planning

992

00:50:47,030 --> 00:50:45,119

and i'm sorry but

993

00:50:52,630 --> 00:50:47,040

i don't have faith for you to do that

994

00:50:57,030 --> 00:50:54,950

or to make up my mind for me

995

00:51:02,790 --> 00:50:57,040

i'm a grown man and i want to know the

996

00:51:02,800 --> 00:51:06,870

i don't care what it is

997

00:51:11,190 --> 00:51:09,270

because what we all just deserve to know

998

00:51:13,030 --> 00:51:11,200

what it is in the reality of the life in

999

00:51:14,549 --> 00:51:13,040

which we live

1000

00:51:17,270 --> 00:51:14,559

they cannot be

1001  
00:51:18,470 --> 00:51:17,280  
controlled

1002  
00:51:21,349 --> 00:51:18,480  
by

1003  
00:51:24,710 --> 00:51:21,359  
elected representatives

1004  
00:51:30,390 --> 00:51:27,270  
whether there's reincarnation or not

1005  
00:51:32,230 --> 00:51:30,400  
right now in this time

1006  
00:51:34,069 --> 00:51:32,240  
this is this is our time this is our

1007  
00:51:35,430 --> 00:51:34,079  
life right

1008  
00:51:38,470 --> 00:51:35,440  
and some of those people in control of

1009  
00:51:40,230 --> 00:51:38,480  
this stuff think it's our only life

1010  
00:51:41,589 --> 00:51:40,240  
so by hiding that stuff just makes it

1011  
00:51:46,150 --> 00:51:41,599  
more worse

1012  
00:51:50,390 --> 00:51:48,710  
well guess what

1013  
00:51:51,270 --> 00:51:50,400

there's gonna be new people younger

1014

00:51:52,950 --> 00:51:51,280

people

1015

00:51:55,910 --> 00:51:52,960

and it's gonna be just

1016

00:51:57,829 --> 00:51:55,920

and you know it's just more information

1017

00:51:59,510 --> 00:51:57,839

is gonna come out as new people come

1018

00:52:01,670 --> 00:51:59,520

around

1019

00:52:03,430 --> 00:52:01,680

and then what then we're all just here

1020

00:52:05,670 --> 00:52:03,440

knowing it's a lie without you even

1021

00:52:07,910 --> 00:52:05,680

taking accountability government

1022

00:52:09,349 --> 00:52:07,920

you know without an apology

1023

00:52:10,870 --> 00:52:09,359

what kind of friend is that what kind of

1024

00:52:12,390 --> 00:52:10,880

person is that

1025

00:52:14,230 --> 00:52:12,400

let alone

1026

00:52:22,790 --> 00:52:14,240

someone you would put in charge of

1027

00:52:22,800 --> 00:52:30,069

i don't know and that's just how it is

1028

00:52:33,349 --> 00:52:31,109

you know

1029

00:52:35,990 --> 00:52:33,359

why is it so difficult to why do we have

1030

00:52:37,670 --> 00:52:36,000

to fight for public hearings

1031

00:52:39,910 --> 00:52:37,680

i'll tell you why because there's

1032

00:52:41,910 --> 00:52:39,920

secrets and lies

1033

00:52:43,270 --> 00:52:41,920

that'll be unveiled and people get in

1034

00:52:46,150 --> 00:52:43,280

trouble

1035

00:52:47,829 --> 00:52:46,160

elizondo actually touched on that in the

1036

00:52:50,150 --> 00:52:47,839

his last interview that i mentioned

1037

00:52:51,589 --> 00:52:50,160

earlier

1038

00:52:54,790 --> 00:52:51,599

he said he doesn't want to play the

1039

00:52:59,030 --> 00:52:54,800

blame game or get anybody in trouble

1040

00:53:04,870 --> 00:53:01,670

um

1041

00:53:06,309 --> 00:53:04,880

he said that there was people

1042

00:53:09,510 --> 00:53:06,319

in the establishment here that are

1043

00:53:12,309 --> 00:53:09,520

actively resisting this

1044

00:53:14,870 --> 00:53:12,319

that are giving things

1045

00:53:17,109 --> 00:53:14,880

to spokespeople

1046

00:53:22,150 --> 00:53:17,119

that then say it publicly and it's

1047

00:53:33,589 --> 00:53:24,790

so i wonder what the investigation is

1048

00:53:33,599 --> 00:53:37,750

you know

1049

00:53:41,190 --> 00:53:38,710

and

1050

00:53:43,829 --> 00:53:41,200

you know when loose is a little quieter

1051  
00:53:46,150 --> 00:53:43,839  
kind of does it isn't doing a thousand

1052  
00:53:47,910 --> 00:53:46,160  
interviews a day

1053  
00:53:50,870 --> 00:53:47,920  
you know you kind of lose sight of who

1054  
00:53:51,829 --> 00:53:50,880  
he is as a person almost and then the

1055  
00:53:55,030 --> 00:53:51,839  
the

1056  
00:53:57,670 --> 00:53:55,040  
start coming in your brain of what this

1057  
00:53:59,510 --> 00:53:57,680  
all really could be but i tell you

1058  
00:54:01,190 --> 00:53:59,520  
if that happens just go watch an

1059  
00:54:05,030 --> 00:54:01,200  
interview with them because

1060  
00:54:10,950 --> 00:54:08,069  
he's he's a good dude

1061  
00:54:13,349 --> 00:54:10,960  
working hard you know and you know the

1062  
00:54:16,549 --> 00:54:13,359  
interesting part about him is

1063  
00:54:18,470 --> 00:54:16,559

is he doesn't want to

1064

00:54:20,470 --> 00:54:18,480

throw anyone under the bus he wants

1065

00:54:22,790 --> 00:54:20,480

everybody to just be safe and okay

1066

00:54:25,190 --> 00:54:22,800

nobody gets in trouble let's just let

1067

00:54:27,829 --> 00:54:25,200

the info out you know i don't think

1068

00:54:35,670 --> 00:54:27,839

that's probably going to be possible but

1069

00:54:38,630 --> 00:54:37,030

yeah totally

1070

00:54:40,069 --> 00:54:38,640

that's and that's

1071

00:54:42,309 --> 00:54:40,079

that is

1072

00:54:44,870 --> 00:54:42,319

a good point you know

1073

00:54:49,990 --> 00:54:44,880

um things like it is true the government

1074

00:54:53,829 --> 00:54:52,230

come on they've said ufos are real a

1075

00:54:55,349 --> 00:54:53,839

long time ago

1076  
00:54:58,789 --> 00:54:55,359  
in the 50s

1077  
00:55:00,150 --> 00:54:58,799  
just as unidentified flying objects

1078  
00:55:01,270 --> 00:55:00,160  
probably

1079  
00:55:03,190 --> 00:55:01,280  
something

1080  
00:55:09,750 --> 00:55:03,200  
mundane and

1081  
00:55:14,870 --> 00:55:11,510  
so

1082  
00:55:20,470 --> 00:55:14,880  
we're ignorant to things that i don't

1083  
00:55:27,990 --> 00:55:25,030  
uh i don't know anyone from the cia

1084  
00:55:31,589 --> 00:55:29,109  
but

1085  
00:55:33,349 --> 00:55:31,599  
i think it's important to

1086  
00:55:37,030 --> 00:55:33,359  
maybe overall

1087  
00:55:39,030 --> 00:55:37,040  
the consensus don't trust

1088  
00:55:41,510 --> 00:55:39,040

but you can't say everyone that's in the

1089

00:55:46,069 --> 00:55:41,520

cia or has ever been in the cia is not

1090

00:55:49,990 --> 00:55:47,750

there's so many people

1091

00:55:51,750 --> 00:55:50,000

you know and people are individuals and

1092

00:55:53,829 --> 00:55:51,760

are capable of their own choices based

1093

00:55:56,870 --> 00:55:53,839

on their background experiences dna and

1094

00:55:59,270 --> 00:55:56,880

so on and so forth

1095

00:56:01,270 --> 00:55:59,280

so maybe you know

1096

00:56:02,470 --> 00:56:01,280

in that line of work maybe that's

1097

00:56:04,230 --> 00:56:02,480

something that

1098

00:56:05,829 --> 00:56:04,240

becomes like muscle memory because

1099

00:56:07,109 --> 00:56:05,839

everyone else does it like lies or

1100

00:56:08,309 --> 00:56:07,119

whatever

1101

00:56:09,990 --> 00:56:08,319

but there's still going to be some

1102

00:56:13,510 --> 00:56:10,000

people in there that aren't okay with it

1103

00:56:13,520 --> 00:56:17,990

you know

1104

00:56:23,030 --> 00:56:20,870

louis c.i.a where's your proof

1105

00:56:25,270 --> 00:56:23,040

now you got people that say things like

1106

00:56:33,510 --> 00:56:25,280

that

1107

00:56:33,520 --> 00:56:37,510

oh usdi or something

1108

00:56:37,520 --> 00:56:42,069

work for the department of

1109

00:56:45,190 --> 00:56:43,990

dna or department of defense or

1110

00:56:48,230 --> 00:56:45,200

something

1111

00:56:51,349 --> 00:56:48,240

and all that stuff

1112

00:57:05,750 --> 00:56:54,630

um but not the cie i maybe did we don't

1113

00:57:09,109 --> 00:57:07,990

crazy huh crazy

1114

00:57:11,109 --> 00:57:09,119

so

1115

00:57:13,589 --> 00:57:11,119

that's what we're gonna do yo

1116

00:57:15,910 --> 00:57:13,599

so tomorrow we'll go through the 40s and

1117

00:57:19,670 --> 00:57:15,920

50s by jay

1118

00:57:23,589 --> 00:57:21,670

and i'm not gonna you know i'll take

1119

00:57:25,109 --> 00:57:23,599

this as seriously as you guys want me to

1120

00:57:27,190 --> 00:57:25,119

take it right if you guys are just

1121

00:57:29,349 --> 00:57:27,200

hanging out and that's good for you and

1122

00:57:30,950 --> 00:57:29,359

that's good for me too

1123

00:57:32,549 --> 00:57:30,960

so

1124

00:57:35,910 --> 00:57:32,559

um but like i said i just want to get a

1125

00:57:37,910 --> 00:57:35,920

lot of this information out of me

1126  
00:57:40,470 --> 00:57:37,920  
so i can move on like this for instance

1127  
00:57:43,349 --> 00:57:40,480  
just looking at this stuff just these

1128  
00:57:45,829 --> 00:57:43,359  
couple pages of documents just really

1129  
00:57:47,589 --> 00:57:45,839  
pisses you off

1130  
00:57:49,349 --> 00:57:47,599  
you know

1131  
00:57:52,470 --> 00:57:49,359  
it really does

1132  
00:57:54,950 --> 00:57:52,480  
just pisses you off

1133  
00:57:57,589 --> 00:57:54,960  
how many people do you think know have

1134  
00:57:59,829 --> 00:57:57,599  
that these bases and stuff have had uap

1135  
00:58:06,710 --> 00:57:59,839  
sightings since the 40s how many people

1136  
00:58:10,069 --> 00:58:07,670  
none

1137  
00:58:12,069 --> 00:58:10,079  
and when they see something

1138  
00:58:14,309 --> 00:58:12,079

on

1139

00:58:15,510 --> 00:58:14,319

like let's say cnn or fox or something

1140

00:58:18,549 --> 00:58:15,520

about

1141

00:58:21,990 --> 00:58:18,559

some video coming out it's kind of half

1142

00:58:23,270 --> 00:58:22,000

blurry or whatever

1143

00:58:26,150 --> 00:58:23,280

they think oh that's just a freaking

1144

00:58:27,750 --> 00:58:26,160

drone but they don't know

1145

00:58:29,270 --> 00:58:27,760

about this

1146

00:58:31,349 --> 00:58:29,280

stuff

1147

00:58:33,589 --> 00:58:31,359

you know

1148

00:58:36,710 --> 00:58:33,599

that yeah okay blurry it's a dream well

1149

00:58:39,430 --> 00:58:36,720

it's been happening since the 40s

1150

00:58:42,309 --> 00:58:39,440

same report same descriptions

1151

00:58:45,030 --> 00:58:42,319

same velocities same shapes

1152

00:58:49,990 --> 00:58:45,040

various but same shapes

1153

00:58:59,829 --> 00:58:50,789

know

1154

00:59:04,789 --> 00:59:02,710

because if they knew that

1155

00:59:07,190 --> 00:59:04,799

they'd unders and if they realized and

1156

00:59:09,030 --> 00:59:07,200

understood how much time and effort

1157

00:59:11,829 --> 00:59:09,040

our own government and money our own

1158

00:59:12,950 --> 00:59:11,839

government spent on investigating this

1159

00:59:18,710 --> 00:59:12,960

stuff

1160

00:59:24,549 --> 00:59:21,109

you know then i'm sure they'd be pretty

1161

00:59:27,589 --> 00:59:25,670

so

1162

00:59:29,109 --> 00:59:27,599

share this video

1163

00:59:32,630 --> 00:59:29,119

that's a good start

1164

00:59:34,309 --> 00:59:32,640

uh like it too by the way and subscribe

1165

00:59:35,670 --> 00:59:34,319

um

1166

00:59:37,990 --> 00:59:35,680

that really helps

1167

00:59:39,109 --> 00:59:38,000

every time you like it or share this or

1168

00:59:42,710 --> 00:59:39,119

subscribe

1169

00:59:45,109 --> 00:59:42,720

it really really helps me do my thing so

1170

00:59:47,430 --> 00:59:45,119

if you enjoy it please share it spread

1171

00:59:49,430 --> 00:59:47,440

the word

1172

00:59:51,109 --> 00:59:49,440

um and we'll get into it more tomorrow

1173

00:59:53,109 --> 00:59:51,119

like if

1174

00:59:54,230 --> 00:59:53,119

you know a good way to share this with

1175

00:59:56,309 --> 00:59:54,240

people

1176

00:59:58,829 --> 00:59:56,319

is

1177

01:00:02,390 --> 00:59:58,839

if you want hard

1178

01:00:05,349 --> 01:00:02,400

detailed factual accounts

1179

01:00:09,670 --> 01:00:05,359

of how long this has been going on

1180

01:00:11,910 --> 01:00:11,030

so

1181

01:00:13,670 --> 01:00:11,920

uh

1182

01:00:14,100 --> 01:00:13,680

what the heck thanks all do your

1183

01:00:15,829 --> 01:00:14,110

homework

1184

01:00:17,589 --> 01:00:15,839

[Laughter]

1185

01:00:19,510 --> 01:00:17,599

yeah you think you do this at your own

1186

01:00:20,950 --> 01:00:19,520

pace you don't have to do later you know

1187

01:00:22,950 --> 01:00:20,960

homework or whatever if you don't want

1188

01:00:24,230 --> 01:00:22,960

but you can

1189

01:00:25,430 --> 01:00:24,240

um

1190

01:00:28,230 --> 01:00:25,440

because the more you know the more

1191

01:00:30,630 --> 01:00:28,240

comfortable you are within the topic the

1192

01:00:32,789 --> 01:00:30,640

more confidence you'll have in what you

1193

01:00:34,390 --> 01:00:32,799

think and what you say

1194

01:00:37,589 --> 01:00:34,400

which is what's needed

1195

01:00:40,230 --> 01:00:37,599

to do good work out there

1196

01:00:42,950 --> 01:00:40,240

thanks scott appreciate it

1197

01:00:44,549 --> 01:00:42,960

yeah well yeah i'm curious as to what

1198

01:00:47,109 --> 01:00:44,559

you think but you

1199

01:00:52,950 --> 01:00:47,119

uh smart ass new yorker i kind of think

1200

01:00:58,870 --> 01:00:56,789

oh z prep yeah um i posted in the

1201  
01:01:01,910 --> 01:00:58,880  
comments here

1202  
01:01:03,750 --> 01:01:01,920  
um but basically you can go to

1203  
01:01:07,430 --> 01:01:03,760  
i'll just share my

1204  
01:01:11,270 --> 01:01:09,349  
so

1205  
01:01:12,870 --> 01:01:11,280  
these

1206  
01:01:14,789 --> 01:01:12,880  
so you click on that you click on the

1207  
01:01:15,910 --> 01:01:14,799  
picture that pops up

1208  
01:01:17,510 --> 01:01:15,920  
we're gonna go through the different

1209  
01:01:21,190 --> 01:01:17,520  
districts so

1210  
01:01:25,510 --> 01:01:23,190  
and then maybe just new mexico on its

1211  
01:01:26,390 --> 01:01:25,520  
own because it's so there's so much to

1212  
01:01:28,390 --> 01:01:26,400  
it

1213  
01:01:32,390 --> 01:01:28,400

uh but yeah we'll do that so what

1214

01:01:39,589 --> 01:01:34,950

write this down everybody

1215

01:01:45,750 --> 01:01:42,710

how about there's a new york one i know

1216

01:01:51,270 --> 01:01:49,349

just want to get the number district

1217

01:01:54,069 --> 01:01:51,280

wow

1218

01:01:55,109 --> 01:01:54,079

kelly airfield 206 pages let's do this

1219

01:01:56,150 --> 01:01:55,119

one

1220

01:01:57,589 --> 01:01:56,160

at

1221

01:02:00,309 --> 01:01:57,599

texas

1222

01:02:02,950 --> 01:02:00,319

uh 10th district

1223

01:02:04,950 --> 01:02:02,960

so it'll say osi district 10

1224

01:02:06,390 --> 01:02:04,960

on it

1225

01:02:07,829 --> 01:02:06,400

skim through those

1226

01:02:08,789 --> 01:02:07,839

if you want

1227

01:02:09,990 --> 01:02:08,799

and

1228

01:02:13,670 --> 01:02:10,000

i'll see you

1229

01:02:13,680 --> 01:02:17,270

and we'll hang out

1230

01:02:20,950 --> 01:02:19,670

and i'll be i'll do the calls thing too

1231

01:02:23,190 --> 01:02:20,960

because i still want you guys to have a

1232

01:02:30,069 --> 01:02:23,200

place to share your experience so

1233

01:02:34,390 --> 01:02:32,309

so maybe i'll come back at like a 3 30

1234

01:02:36,710 --> 01:02:34,400

or something and just do all calls or

1235

01:02:39,990 --> 01:02:36,720

something

1236

01:02:44,309 --> 01:02:40,000

because that's fun stuff so

1237

01:02:48,950 --> 01:02:48,069

so all right peace out yo this one is

1238

01:02:49,940 --> 01:02:48,960

for

1239

01:02:51,860 --> 01:02:49,950

scott

1240

01:02:53,470 --> 01:02:51,870

[Music]

1241

01:02:55,829 --> 01:02:53,480

[Applause]

1242

01:02:57,670 --> 01:02:55,839

[Music]

1243

01:03:00,240 --> 01:02:57,680

that that's the wrong one this one's for

1244

01:03:13,349 --> 01:03:00,250

scott
