

1
00:00:07,590 --> 00:00:04,470
hello it is sunday at four o'clock

2
00:00:10,070 --> 00:00:07,600
central you are with witness citizen my

3
00:00:12,310 --> 00:00:10,080
name is sean

4
00:00:14,870 --> 00:00:12,320
for those of you joining us that are new

5
00:00:18,230 --> 00:00:14,880
to the show

6
00:00:20,710 --> 00:00:18,240
we show documents we show videos

7
00:00:26,310 --> 00:00:20,720
we talk about those documents we talk

8
00:00:26,320 --> 00:00:30,790
so with that being said

9
00:00:30,800 --> 00:00:38,300
i think we should just get into it

10
00:01:26,870 --> 00:01:05,930
[Music]

11
00:01:31,270 --> 00:01:29,749
yeah so um thanks for joining sunday

12
00:01:34,390 --> 00:01:31,280
that's the intro

13
00:01:36,230 --> 00:01:34,400

um what's up ethereal aura and robert

14

00:01:37,030 --> 00:01:36,240

thanks for hanging out i do appreciate

15

00:01:40,469 --> 00:01:37,040

it

16

00:01:41,590 --> 00:01:40,479

um this will make seven straight days

17

00:01:44,149 --> 00:01:41,600

i believe

18

00:01:46,230 --> 00:01:44,159

of a show

19

00:01:47,590 --> 00:01:46,240

seven days straight baby

20

00:01:49,030 --> 00:01:47,600

hardest

21

00:01:50,710 --> 00:01:49,040

working man

22

00:01:53,590 --> 00:01:50,720

in this office

23

00:01:56,149 --> 00:01:55,030

what's up rusty pack how you doing

24

00:01:57,830 --> 00:01:56,159

brother

25

00:01:59,030 --> 00:01:57,840

good to see you

26

00:02:01,429 --> 00:01:59,040

um

27

00:02:04,389 --> 00:02:01,439

like share all that stuff

28

00:02:06,310 --> 00:02:04,399

we're gonna go over some pretty cool

29

00:02:10,070 --> 00:02:06,320

documents

30

00:02:12,150 --> 00:02:10,080

um that's for sure so

31

00:02:14,390 --> 00:02:12,160

we can check those out

32

00:02:17,670 --> 00:02:14,400

uh the first one here

33

00:02:22,710 --> 00:02:20,070

we got norad involved norad command

34

00:02:27,510 --> 00:02:22,720

director

35

00:02:31,990 --> 00:02:29,830

you probably know about this one right

36

00:02:34,550 --> 00:02:32,000

receive seven radar cuts on the height

37

00:02:40,150 --> 00:02:34,560

finder radar it'll

38

00:02:42,630 --> 00:02:40,160

altitudes between 9 500 and 15 500.

39

00:02:46,150 --> 00:02:42,640

it's interesting because in this

40

00:02:47,830 --> 00:02:46,160

the witnesses say

41

00:02:50,550 --> 00:02:47,840

that

42

00:02:52,869 --> 00:02:50,560

it had lights on and when they vectored

43

00:02:54,949 --> 00:02:52,879

people in they turned it off

44

00:02:56,869 --> 00:02:54,959

and it as the craft left they turned

45

00:02:58,550 --> 00:02:56,879

them back on

46

00:03:01,589 --> 00:02:58,560

objects could not be intercepted

47

00:03:06,630 --> 00:03:01,599

fighters had to maintain a minimum

48

00:03:11,910 --> 00:03:08,790

can't see why is that twelve thousand

49

00:03:14,149 --> 00:03:11,920

hundred twenty seven thousand

50

00:03:15,990 --> 00:03:14,159

uh muttness terrain

51
00:03:17,670 --> 00:03:16,000
sightings head turn west increase speed

52
00:03:21,270 --> 00:03:17,680
up to under 50 knots two tracks were

53
00:03:22,869 --> 00:03:21,280
appearing on heightfinder radars

54
00:03:26,229 --> 00:03:22,879
pretty interesting

55
00:03:28,149 --> 00:03:26,239
maelstrom air force base

56
00:03:30,390 --> 00:03:28,159
mel's from receiving intermittent tracks

57
00:03:32,710 --> 00:03:30,400
on both search and height find

58
00:03:37,830 --> 00:03:32,720
finder radars

59
00:03:41,990 --> 00:03:38,949
um

60
00:03:42,000 --> 00:03:47,030
interesting huh

61
00:03:51,509 --> 00:03:48,470
very

62
00:03:58,070 --> 00:03:54,149
norad stated that northern northern

63
00:04:00,630 --> 00:03:58,080

lights will sometimes cause phenomena

64

00:04:02,710 --> 00:04:00,640

uh such as this on a height finder

65

00:04:05,270 --> 00:04:02,720

radars but their check with weather

66

00:04:14,710 --> 00:04:05,280

services revealed no possibility

67

00:04:24,629 --> 00:04:19,349

good question

68

00:04:27,110 --> 00:04:24,639

um norad command director

69

00:04:29,430 --> 00:04:27,120

observed one object to accelerate and

70

00:04:34,950 --> 00:04:29,440

climb rapidly to a point in altitude

71

00:04:34,960 --> 00:04:42,070

from the stars

72

00:04:48,230 --> 00:04:46,150

norad will carry this incident as a fade

73

00:04:49,670 --> 00:04:48,240

i don't know why that's capitalized it

74

00:04:51,749 --> 00:04:49,680

must mean something

75

00:04:53,909 --> 00:04:51,759

remaining unknown

76

00:04:57,270 --> 00:04:53,919

since after that time only visual

77

00:05:01,390 --> 00:04:57,280

sightings occurred

78

00:05:06,150 --> 00:05:03,909

[Music]

79

00:05:08,830 --> 00:05:06,160

then we i think this is a different one

80

00:05:11,590 --> 00:05:08,840

then yep so we're this is

81

00:05:14,150 --> 00:05:11,600

all you can believe it like you think

82

00:05:15,990 --> 00:05:14,160

about now with the tic tac in the new

83

00:05:18,390 --> 00:05:16,000

york times and all that stuff and it got

84

00:05:21,189 --> 00:05:18,400

everyone's attention and ryan graves is

85

00:05:23,189 --> 00:05:21,199

talking about um on the

86

00:05:26,790 --> 00:05:23,199

actual the

87

00:05:28,469 --> 00:05:26,800

last like kind of talk with nasa and

88

00:05:30,070 --> 00:05:28,479

and all that that they put together it

89

00:05:36,230 --> 00:05:30,080

was like a price press were there they

90

00:05:41,029 --> 00:05:37,189

i mean

91

00:05:44,390 --> 00:05:41,039

that's it's obviously not new right

92

00:05:47,189 --> 00:05:44,400

to military bases in our

93

00:05:50,390 --> 00:05:47,199

uh military service people

94

00:05:55,590 --> 00:05:53,670

this one and these are all bases

95

00:05:59,350 --> 00:05:55,600

and

96

00:05:59,360 --> 00:06:04,309

what's up scott how you doing

97

00:06:08,550 --> 00:06:06,309

oh don't worry about it brother i i'm

98

00:06:10,469 --> 00:06:08,560

going uh a little hard lately there's

99

00:06:12,950 --> 00:06:10,479

seven days in a row so

100

00:06:16,469 --> 00:06:12,960

but i like it and i just have

101

00:06:18,230 --> 00:06:16,479

a lot to unload here so so

102

00:06:21,029 --> 00:06:18,240

i'm trying to do it because i have a lot

103

00:06:24,150 --> 00:06:21,039

of a lot of documents and

104

00:06:27,270 --> 00:06:24,160

you know so i have them but i have to

105

00:06:31,430 --> 00:06:27,280

do something to impress the point of

106

00:06:33,510 --> 00:06:31,440

uh military sightings in better bases

107

00:06:35,909 --> 00:06:33,520

is not new and it's been happening for a

108

00:06:38,070 --> 00:06:35,919

long long time

109

00:06:40,309 --> 00:06:38,080

blue book never got those cases the air

110

00:06:49,350 --> 00:06:40,319

force actually uh looked at those

111

00:06:58,230 --> 00:06:51,749

what's up scott

112

00:07:05,110 --> 00:07:02,230

so that was elgin um

113

00:07:07,909 --> 00:07:05,120

this one has some civilians

114

00:07:09,909 --> 00:07:07,919

involved ufo sighting near mount airy

115

00:07:12,469 --> 00:07:09,919

maryland

116

00:07:15,350 --> 00:07:12,479

uh two separate patrols from site are

117

00:07:18,950 --> 00:07:15,360

reported citing three oblong objects

118

00:07:20,950 --> 00:07:18,960

with a reddish tint moving east to west

119

00:07:23,909 --> 00:07:20,960

personnel were located at separate

120

00:07:28,830 --> 00:07:23,919

locations on top of the mountain

121

00:07:28,840 --> 00:07:36,070

yeah yeah we're dependent

122

00:07:39,189 --> 00:07:38,390

uh well this stuff is just amazing to me

123

00:07:41,189 --> 00:07:39,199

you know

124

00:07:44,950 --> 00:07:41,199

uh army police sergeant on the way to

125

00:07:51,270 --> 00:07:44,960

work at site r reported citing a ufo in

126
00:07:54,710 --> 00:07:52,070
um

127
00:07:56,230 --> 00:07:54,720
a n mcc was requested to have each

128
00:07:57,670 --> 00:07:56,240
individual write a statement on the

129
00:07:59,670 --> 00:07:57,680
sightings

130
00:08:02,629 --> 00:07:59,680
one individual stated that the object

131
00:08:05,909 --> 00:08:02,639
was about the size of a two and a half

132
00:08:05,919 --> 00:08:08,550
wow

133
00:08:12,629 --> 00:08:10,550
based on a joint chiefs of staff

134
00:08:14,950 --> 00:08:12,639
memorandum subject temperature and

135
00:08:17,749 --> 00:08:14,960
version analysis dated 13th november

136
00:08:20,150 --> 00:08:17,759
1975

137
00:08:22,869 --> 00:08:20,160
uh contacted air force global weather

138
00:08:26,869 --> 00:08:24,629

reported that the dulles international

139

00:08:31,029 --> 00:08:26,879

airport observations showed two

140

00:08:31,039 --> 00:08:33,990

okay

141

00:08:45,590 --> 00:08:36,870

but the guy saw it with his

142

00:08:49,110 --> 00:08:46,870

interesting

143

00:08:54,790 --> 00:08:49,120

brigadier general

144

00:08:59,590 --> 00:08:57,350

um the first extended from the surface

145

00:09:01,110 --> 00:08:59,600

to a thousand feet absolute and the

146

00:09:02,949 --> 00:09:01,120

second existed

147

00:09:05,670 --> 00:09:02,959

between twenty seven thousand and thirty

148

00:09:08,550 --> 00:09:05,680

thousand feet absolute he also said the

149

00:09:16,310 --> 00:09:08,560

atmosphere between 12 and 20.

150

00:09:23,750 --> 00:09:18,630

sergeant stone

151
00:09:29,990 --> 00:09:25,670
remember him

152
00:09:36,310 --> 00:09:32,230
he's a wrestler

153
00:09:38,310 --> 00:09:36,320
he sucked i hated him

154
00:09:39,750 --> 00:09:38,320
uh this

155
00:09:42,550 --> 00:09:39,760
you've probably seen this i guess but

156
00:09:48,949 --> 00:09:42,560
this was in blue book uh stat data for

157
00:09:53,509 --> 00:09:51,670
we got your other here

158
00:09:55,750 --> 00:09:53,519
so on those years

159
00:09:56,949 --> 00:09:55,760
unidentified

160
00:10:03,550 --> 00:09:56,959
uh

161
00:10:13,190 --> 00:10:05,350
237

162
00:10:17,110 --> 00:10:15,190
and then other cases down here look at

163
00:10:18,389 --> 00:10:17,120

the things they looked at though which

164

00:10:19,829 --> 00:10:18,399

is pretty interesting

165

00:10:23,190 --> 00:10:19,839

i don't know if you can see it hopefully

166

00:10:23,200 --> 00:10:25,670

um

167

00:10:29,110 --> 00:10:27,990

aircraft balloon insufficient data other

168

00:10:31,190 --> 00:10:29,120

satellite

169

00:10:33,350 --> 00:10:31,200

meteors stars and planets

170

00:10:36,069 --> 00:10:33,360

hoaxes hallucinations

171

00:10:42,310 --> 00:10:36,079

unreliable reports and psychological

172

00:10:45,670 --> 00:10:44,470

physical specimen i don't know what that

173

00:10:47,350 --> 00:10:45,680

is

174

00:10:48,790 --> 00:10:47,360

that must mean that

175

00:10:51,269 --> 00:10:48,800

they

176

00:10:55,190 --> 00:10:51,279

were able to get some

177

00:10:58,870 --> 00:10:56,710

get some of whatever they were looking

178

00:10:59,960 --> 00:10:58,880

at

179

00:11:02,389 --> 00:10:59,970

i don't know

180

00:11:07,269 --> 00:11:02,399

[Music]

181

00:11:12,470 --> 00:11:10,389

yeah just gotta make sure

182

00:11:14,069 --> 00:11:12,480

same thing

183

00:11:20,550 --> 00:11:14,079

gives you pretty good breakdown by the

184

00:11:20,560 --> 00:11:26,389

very interesting

185

00:11:29,750 --> 00:11:28,630

yeah no that's exactly the point and

186

00:11:32,230 --> 00:11:29,760

this is just

187

00:11:33,190 --> 00:11:32,240

from these nine years or whatever

188

00:11:38,389 --> 00:11:33,200

you know

189

00:11:42,470 --> 00:11:39,829

that's a lot

190

00:11:44,550 --> 00:11:42,480

i thought this was interesting um

191

00:11:47,030 --> 00:11:44,560

and here's why so if you've been

192

00:11:49,110 --> 00:11:47,040

watching this uh show you know we've

193

00:11:52,470 --> 00:11:49,120

been talking about dr lopaz and the

194

00:11:58,629 --> 00:11:55,110

well at that time they that's what they

195

00:12:02,470 --> 00:12:00,710

you know maybe not at first but there

196

00:12:05,509 --> 00:12:02,480

was a point where they

197

00:12:09,750 --> 00:12:07,190

just straight up called

198

00:12:11,430 --> 00:12:09,760

the phenomenon was green fireballs

199

00:12:13,509 --> 00:12:11,440

so it's interesting because you see this

200

00:12:15,590 --> 00:12:13,519

fireball report right persons observing

201
00:12:17,269 --> 00:12:15,600
a fireball or meteor should report the

202
00:12:19,430 --> 00:12:17,279
information to the american meteor

203
00:12:22,829 --> 00:12:19,440
society the information desired is

204
00:12:30,069 --> 00:12:26,230
so american meteor society do you think

205
00:12:32,949 --> 00:12:30,079
they may have some information

206
00:12:38,870 --> 00:12:32,959
on things that may have happened

207
00:12:44,389 --> 00:12:40,310
yeah

208
00:12:46,150 --> 00:12:44,399
maybe the aliens stopped by like

209
00:12:53,590 --> 00:12:46,160
we're scratching their head some skin

210
00:12:56,629 --> 00:12:54,470
uh

211
00:12:58,949 --> 00:12:56,639
scott did i see

212
00:13:01,430 --> 00:12:58,959
latest vid of orbin someone's home

213
00:13:07,350 --> 00:13:01,440

clears about

214

00:13:10,550 --> 00:13:08,710

so

215

00:13:16,230 --> 00:13:10,560

let's look into this guy probably right

216

00:13:22,230 --> 00:13:18,550

um here we go again woodbridge oh you

217

00:13:25,110 --> 00:13:22,240

know this one right raf woodbridge

218

00:13:27,590 --> 00:13:25,120

charles halt

219

00:13:29,910 --> 00:13:27,600

you guys know this one so this is a an

220

00:13:35,990 --> 00:13:29,920

american document not a ministry of

221

00:13:40,389 --> 00:13:36,360

so

222

00:13:44,629 --> 00:13:43,189

pretty cool this is about rendell shrimp

223

00:13:48,790 --> 00:13:44,639

early in the morning

224

00:13:50,470 --> 00:13:48,800

december 27th 80 to united states air

225

00:13:52,389 --> 00:13:50,480

force security police patrolman saw

226

00:13:53,990 --> 00:13:52,399

unusual lights outside the back gate at

227

00:13:56,230 --> 00:13:54,000

woodbridge thinking an aircraft might

228

00:13:57,670 --> 00:13:56,240

have crashed or been forced down

229

00:13:59,590 --> 00:13:57,680

they called for permission to go outside

230

00:14:01,670 --> 00:13:59,600

the gate to investigate the on-duty

231

00:14:04,790 --> 00:14:01,680

flight chief responded in allowed three

232

00:14:06,710 --> 00:14:04,800

patrolmen to proceed on foot

233

00:14:08,310 --> 00:14:06,720

they reported seeing a glowing object in

234

00:14:10,710 --> 00:14:08,320

the forest

235

00:14:13,990 --> 00:14:10,720

subject was described as being metallic

236

00:14:16,790 --> 00:14:14,000

appearance and triangular in shape

237

00:14:18,310 --> 00:14:16,800

approximately two to three meters across

238

00:14:25,430 --> 00:14:18,320

the base

239

00:14:31,750 --> 00:14:27,829

so an american document on this is

240

00:14:36,710 --> 00:14:33,590

you got your three depressions i think

241

00:14:39,750 --> 00:14:36,720

they even you know they took like radar

242

00:14:41,910 --> 00:14:39,760

or radiation tests and all that and that

243

00:14:43,030 --> 00:14:41,920

was nick pope's kind of big thing is

244

00:14:44,710 --> 00:14:43,040

that

245

00:14:46,470 --> 00:14:44,720

um

246

00:14:48,790 --> 00:14:46,480

like there was a spike in those three

247

00:14:50,389 --> 00:14:48,800

spots of radiation

248

00:14:56,389 --> 00:14:50,399

that was pretty large

249

00:15:01,509 --> 00:14:59,030

um this is interesting because this is

250

00:15:02,790 --> 00:15:01,519

from a so now i'm just like these are

251
00:15:04,550 --> 00:15:02,800
highlights i took from some of the

252
00:15:07,590 --> 00:15:04,560
documents i looked at

253
00:15:08,389 --> 00:15:07,600
um there was an actual review done of

254
00:15:12,870 --> 00:15:08,399
the

255
00:15:14,629 --> 00:15:12,880
study colorado university did

256
00:15:17,750 --> 00:15:14,639
so i thought that was interesting i saw

257
00:15:21,110 --> 00:15:17,760
david denison in here

258
00:15:24,829 --> 00:15:21,120
i hear that name often

259
00:15:28,629 --> 00:15:24,839
these are the people that looked at

260
00:15:29,749 --> 00:15:28,639
it got the rocker rockefeller university

261
00:15:32,470 --> 00:15:29,759
in there

262
00:15:34,069 --> 00:15:32,480
stanford university here are the names

263
00:15:40,949 --> 00:15:34,079

yar hilgert

264

00:15:45,030 --> 00:15:41,990

so

265

00:15:47,189 --> 00:15:45,040

they did a review of the university of

266

00:15:50,550 --> 00:15:47,199

uh colorado study and they pretty much

267

00:15:51,749 --> 00:15:50,560

came up with the same [h__\h] but

268

00:15:53,910 --> 00:15:51,759

more or less

269

00:15:55,590 --> 00:15:53,920

a smithsonian institute center for

270

00:15:57,509 --> 00:15:55,600

short-lived phenomenon this is

271

00:16:00,949 --> 00:15:57,519

interesting huh

272

00:16:05,110 --> 00:16:03,110

funded by smithsonian institution this

273

00:16:07,590 --> 00:16:05,120

is the second time i've heard of

274

00:16:16,150 --> 00:16:10,069

having to do with the phenomenon in the

275

00:16:16,160 --> 00:16:23,430

so maybe there's something to that

276

00:16:29,829 --> 00:16:26,230

uh reports daily annual report event

277

00:16:32,389 --> 00:16:29,839

reports irregular interesting

278

00:16:34,230 --> 00:16:32,399

cambridge massachusetts

279

00:16:36,389 --> 00:16:34,240

interesting because

280

00:16:38,389 --> 00:16:36,399

cambridge

281

00:16:40,949 --> 00:16:38,399

um

282

00:16:43,749 --> 00:16:40,959

was the lab that actually helped on

283

00:16:46,310 --> 00:16:43,759

project twinkle but i don't know if

284

00:16:50,550 --> 00:16:46,320

those are related or not

285

00:16:53,829 --> 00:16:50,560

smithsonian is like a um

286

00:16:53,839 --> 00:16:57,350

more or less

287

00:16:59,749 --> 00:16:58,230

so

288

00:17:03,189 --> 00:16:59,759

what's up g

289

00:17:09,829 --> 00:17:04,870

green fireballs

290

00:17:15,189 --> 00:17:12,150

so this is interesting too

291

00:17:15,460 --> 00:17:15,199

uh this is from nasa

292

00:17:17,189 --> 00:17:15,470

so

293

00:17:19,510 --> 00:17:17,199

[Music]

294

00:17:20,870 --> 00:17:19,520

at this time

295

00:17:23,429 --> 00:17:20,880

apparently

296

00:17:25,990 --> 00:17:23,439

nasa was discussing the possibility of

297

00:17:29,669 --> 00:17:26,000

picking up the investigation

298

00:17:29,679 --> 00:17:33,669

did we know that

299

00:17:33,679 --> 00:17:36,789

um and

300

00:17:39,909 --> 00:17:38,549

nasa

301
00:17:42,710 --> 00:17:39,919
said

302
00:17:46,470 --> 00:17:42,720
thanks but no thanks

303
00:17:51,029 --> 00:17:49,350
they respond to ufo-related mail as it

304
00:17:52,470 --> 00:17:51,039
has in the past which is very

305
00:17:54,390 --> 00:17:52,480
interesting

306
00:17:56,150 --> 00:17:54,400
the new element of hard evidence that

307
00:17:59,110 --> 00:17:56,160
ufos exist is brought to nasa's

308
00:18:02,150 --> 00:17:59,120
attention from a credible source nasa

309
00:18:03,909 --> 00:18:02,160
will analyze the unexplained organic or

310
00:18:12,870 --> 00:18:03,919
inorganic sample

311
00:18:18,150 --> 00:18:15,350
they're pretty much saying they can't

312
00:18:19,590 --> 00:18:18,160
investigate it because

313
00:18:23,750 --> 00:18:19,600

they either don't believe in it or they

314

00:18:26,150 --> 00:18:24,710

um

315

00:18:28,630 --> 00:18:26,160

but they're okay

316

00:18:30,710 --> 00:18:28,640

taking the reports and stuff and if

317

00:18:34,070 --> 00:18:30,720

better evidence comes along then they'll

318

00:18:37,750 --> 00:18:35,270

and

319

00:18:39,590 --> 00:18:37,760

yeah so absence of data isn't that funny

320

00:18:42,150 --> 00:18:39,600

it's the same thing i

321

00:18:44,789 --> 00:18:42,160

i just um

322

00:18:47,270 --> 00:18:44,799

went over this with you guys

323

00:18:49,430 --> 00:18:47,280

was it yesterday with that video that we

324

00:18:56,470 --> 00:18:49,440

showed right that nasa was in and they

325

00:19:03,750 --> 00:18:59,190

what gives

326

00:19:08,830 --> 00:19:05,909

national aeronautics and space

327

00:19:21,830 --> 00:19:11,510

um not prepared by public services

328

00:19:25,909 --> 00:19:23,909

i've got a question here robert asks who

329

00:19:27,909 --> 00:19:25,919

did they report the information to

330

00:19:30,710 --> 00:19:27,919

that's a good question

331

00:19:30,720 --> 00:19:36,310

maybe we'll find out as we do

332

00:19:39,830 --> 00:19:38,390

um but they do

333

00:19:41,350 --> 00:19:39,840

at least they say stuff like that

334

00:19:46,630 --> 00:19:41,360

there's no way to indicate an ass has

335

00:19:52,789 --> 00:19:51,029

this was not always the case

336

00:19:55,110 --> 00:19:52,799

so

337

00:19:57,029 --> 00:19:55,120

the decision to discontinue ufo

338

00:19:59,350 --> 00:19:57,039

investigations the united states air

339

00:20:01,430 --> 00:19:59,360

force said was based on an evaluation of

340

00:20:03,430 --> 00:20:01,440

a report often called the condon report

341

00:20:04,950 --> 00:20:03,440

prepared by the university of colorado

342

00:20:07,909 --> 00:20:04,960

entitled scientific study of

343

00:20:09,909 --> 00:20:07,919

unidentified flying objects

344

00:20:15,190 --> 00:20:09,919

a review of the university colorado

345

00:20:17,270 --> 00:20:15,200

report by national academy of sciences

346

00:20:19,590 --> 00:20:17,280

passed ufo studies in air force

347

00:20:24,310 --> 00:20:19,600

experience investigating ufo reports for

348

00:20:28,470 --> 00:20:26,390

as a result of these investigations and

349

00:20:30,630 --> 00:20:28,480

studies and

350

00:20:36,230 --> 00:20:30,640

experience gained from investigating ufo

351
00:20:46,830 --> 00:20:39,590
the air force conclusions were

352
00:20:50,549 --> 00:20:49,270
serious that's what that's what they put

353
00:20:52,710 --> 00:20:50,559
it in the

354
00:20:59,990 --> 00:20:52,720
liner notes of this thing they're like

355
00:21:04,870 --> 00:21:02,870
50 years later

356
00:21:06,950 --> 00:21:04,880
it's interesting 50 years i've heard

357
00:21:09,510 --> 00:21:06,960
that before and it made me think like

358
00:21:12,310 --> 00:21:09,520
what do you mean 50 years

359
00:21:17,430 --> 00:21:15,270
um so yeah

360
00:21:18,789 --> 00:21:17,440
nasa is aware of the many ufo reports

361
00:21:20,950 --> 00:21:18,799
made in recent years however the

362
00:21:22,710 --> 00:21:20,960
majority of inquiries to nasa concerning

363
00:21:24,310 --> 00:21:22,720

ufo sightings

364

00:21:26,390 --> 00:21:24,320

addressed themselves to the reported

365

00:21:27,830 --> 00:21:26,400

sightings by astronauts during earth

366

00:21:29,590 --> 00:21:27,840

orbital

367

00:21:31,909 --> 00:21:29,600

and lunar missions in a report by

368

00:21:37,669 --> 00:21:31,919

president carter while serving as

369

00:21:42,630 --> 00:21:39,750

during several space missions nasa

370

00:21:45,350 --> 00:21:42,640

astronauts reported phenomena not

371

00:21:46,950 --> 00:21:45,360

immediately explainable

372

00:21:48,870 --> 00:21:46,960

and then they go in nearly every

373

00:21:53,830 --> 00:21:48,880

instance we were able to figure it out

374

00:21:59,350 --> 00:21:55,750

i'd like to know i'd like to i'd like

375

00:22:01,750 --> 00:22:00,630

um

376

00:22:03,110 --> 00:22:01,760

there we go

377

00:22:05,110 --> 00:22:03,120

yeah so this is about jimmy carter

378

00:22:06,549 --> 00:22:05,120

that's funny mr carter responded to

379

00:22:12,310 --> 00:22:06,559

inquiries from the national

380

00:22:16,549 --> 00:22:14,549

and they actually investigated that

381

00:22:20,789 --> 00:22:16,559

just a little bit to see what was going

382

00:22:43,909 --> 00:22:22,870

all such material will be returned with

383

00:22:48,390 --> 00:22:45,990

um yeah so here's a number of

384

00:22:51,669 --> 00:22:48,400

universities and scientific

385

00:22:56,149 --> 00:22:52,950

back then they were looking at this

386

00:23:00,390 --> 00:22:58,950

and this is 1966 i didn't know this one

387

00:23:02,549 --> 00:23:00,400

before so

388

00:23:08,390 --> 00:23:02,559

we looked at those nine years and then

389

00:23:08,400 --> 00:23:12,470

and

390

00:23:16,950 --> 00:23:16,230

unidentified 648

391

00:23:18,470 --> 00:23:16,960

oh

392

00:23:19,750 --> 00:23:18,480

wait a minute no this is still the

393

00:23:21,190 --> 00:23:19,760

nine-year thing

394

00:23:29,710 --> 00:23:21,200

they compiled it

395

00:23:29,720 --> 00:23:33,909

1969 won

396

00:23:39,909 --> 00:23:35,510

here it is here's a little more about it

397

00:23:41,750 --> 00:23:39,919

rob in 1977 president carter asked the s

398

00:23:44,149 --> 00:23:41,760

nasa to look into the possibility of

399

00:23:45,830 --> 00:23:44,159

resuming investigations

400

00:23:47,669 --> 00:23:45,840

after studying all the facts available

401
00:23:50,230 --> 00:23:47,679
nasa decided that nothing would be

402
00:23:52,390 --> 00:23:50,240
gained by further investigation

403
00:23:54,789 --> 00:23:52,400
the air force agrees with that decision

404
00:23:56,789 --> 00:23:54,799
if however firm evidence has found

405
00:23:59,029 --> 00:23:56,799
justifying further investigation an

406
00:24:02,390 --> 00:23:59,039
appropriate agency will be directed to

407
00:24:05,909 --> 00:24:04,630
our number of universities

408
00:24:07,909 --> 00:24:05,919
and professional scientific

409
00:24:11,990 --> 00:24:07,919
organizations such as the american

410
00:24:23,029 --> 00:24:12,000
association for advancement of science

411
00:24:27,029 --> 00:24:24,870
interesting

412
00:24:28,230 --> 00:24:27,039
uh this is pretty small but these are

413
00:24:30,470 --> 00:24:28,240

more

414

00:24:35,909 --> 00:24:30,480

organizations

415

00:24:42,549 --> 00:24:38,630

so what i want to do though with these

416

00:24:44,390 --> 00:24:42,559

my point is i want to look at who was

417

00:24:47,590 --> 00:24:44,400

you know in charge of some of these if

418

00:24:51,350 --> 00:24:47,600

they had ties and if so where that's all

419

00:24:55,590 --> 00:24:51,360

um then we get to the mod stuff ministry

420

00:24:55,600 --> 00:24:58,789

cool huh

421

00:25:04,710 --> 00:25:01,110

collected imagery and classification of

422

00:25:11,190 --> 00:25:08,390

spheres discs cigar star point oval

423

00:25:19,269 --> 00:25:11,200

triangle pyramid cone

424

00:25:19,279 --> 00:25:24,710

uh boomerang rectangle diamond

425

00:25:31,110 --> 00:25:26,470

interesting

426

00:25:31,120 --> 00:25:35,350

doesn't look so hot

427

00:25:41,190 --> 00:25:36,789

um interesting

428

00:25:45,909 --> 00:25:42,710

it's like all these pictures suck this

429

00:25:48,470 --> 00:25:45,919

one was kind of uh interesting to me

430

00:25:52,470 --> 00:25:48,480

because if you watch that uh video

431

00:25:56,390 --> 00:25:53,909

i think it's a

432

00:25:59,350 --> 00:25:56,400

a i a i think it was scientific

433

00:26:01,269 --> 00:25:59,360

coalition for uap studies or whatever

434

00:26:04,390 --> 00:26:01,279

so they were talking about the plasma

435

00:26:05,430 --> 00:26:04,400

sheathing like around it or the plasma

436

00:26:06,870 --> 00:26:05,440

um

437

00:26:08,710 --> 00:26:06,880

like that goes up

438

00:26:10,789 --> 00:26:08,720

seemingly plasma that goes around the

439

00:26:12,950 --> 00:26:10,799

object and that

440

00:26:15,110 --> 00:26:12,960

supposedly is the single source of light

441

00:26:17,110 --> 00:26:15,120

that it emits which is interesting when

442

00:26:19,190 --> 00:26:17,120

i heard that because that

443

00:26:22,630 --> 00:26:19,200

my encounter the both things that i saw

444

00:26:25,110 --> 00:26:22,640

within a couple days that freaked me out

445

00:26:27,269 --> 00:26:25,120

had that they had something around the

446

00:26:29,510 --> 00:26:27,279

edges of it

447

00:26:31,590 --> 00:26:29,520

and if you go back to like when i'm

448

00:26:34,230 --> 00:26:31,600

talking about this or whatever

449

00:26:36,789 --> 00:26:34,240

um i mentioned that

450

00:26:39,190 --> 00:26:36,799

it's interesting and this picture here

451
00:26:41,430 --> 00:26:39,200
it's a crappy picture but that could be

452
00:26:49,029 --> 00:26:41,440
the case here

453
00:26:49,039 --> 00:26:56,310
1991.

454
00:27:01,830 --> 00:26:59,190
here's we saw something similar to this

455
00:27:04,549 --> 00:27:01,840
not long ago i think it was the same low

456
00:27:06,870 --> 00:27:04,559
stuff too or whatever

457
00:27:09,190 --> 00:27:06,880
but it looked a little bit

458
00:27:11,029 --> 00:27:09,200
different a little clearer but the same

459
00:27:14,070 --> 00:27:11,039
and it's blue it reminded me of that

460
00:27:17,350 --> 00:27:15,430
this one's weird because it looked like

461
00:27:18,830 --> 00:27:17,360
an animal

462
00:27:22,389 --> 00:27:18,840
but it's

463
00:27:25,269 --> 00:27:22,399

not gulf of mexico dark shapes

464

00:27:27,510 --> 00:27:25,279

dark shape is the accompanying f-15

465

00:27:29,430 --> 00:27:27,520

aircraft

466

00:27:33,029 --> 00:27:29,440

interesting huh so they got a picture of

467

00:27:35,590 --> 00:27:33,039

the f-15 aircraft and the uap

468

00:27:37,269 --> 00:27:35,600

i'm guessing

469

00:27:40,630 --> 00:27:37,279

i mean i just

470

00:27:42,710 --> 00:27:40,640

see bullcrap but this one's

471

00:27:45,190 --> 00:27:42,720

looks like it's close to whatever it is

472

00:27:53,430 --> 00:27:48,549

france 1974.

473

00:27:53,440 --> 00:28:00,789

but is this black and white

474

00:28:00,799 --> 00:28:07,590

um air-to-air uap

475

00:28:13,269 --> 00:28:12,230

lake coniston england 1954.

476

00:28:17,510 --> 00:28:13,279

well

477

00:28:17,520 --> 00:28:25,269

they had this in japan no way man

478

00:28:30,070 --> 00:28:26,630

so

479

00:28:33,590 --> 00:28:30,080

that about does it for the docks

480

00:28:37,909 --> 00:28:33,600

objects could not be intercepted five

481

00:28:40,470 --> 00:28:37,919

that's it for docs of the day yeah

482

00:28:42,710 --> 00:28:40,480

that's all we got for that one

483

00:28:44,789 --> 00:28:42,720

um so yeah i wanted to show you those

484

00:28:46,470 --> 00:28:44,799

got the melstrom air force base in there

485

00:28:49,430 --> 00:28:46,480

we got a kind of a lot a bit of

486

00:28:53,029 --> 00:28:49,440

everything a rental ship forest

487

00:28:58,070 --> 00:28:55,430

that nasa uh piece

488

00:28:59,510 --> 00:28:58,080

that was written

489

00:29:02,070 --> 00:28:59,520

due to jimmy carter

490

00:29:05,350 --> 00:29:02,080

wondering if nasa would continue the ufo

491

00:29:07,909 --> 00:29:06,950

well it looks like to me like kind of

492

00:29:11,590 --> 00:29:07,919

the

493

00:29:13,510 --> 00:29:11,600

dod almost did or dia

494

00:29:14,389 --> 00:29:13,520

but yeah that was fun those were the

495

00:29:21,269 --> 00:29:14,399

docs

496

00:29:26,470 --> 00:29:23,110

what the heck is that what the heck is

497

00:29:26,480 --> 00:29:34,950

what the heck is the heck is that

498

00:29:37,830 --> 00:29:36,630

that's your classic what the heck is

499

00:29:42,789 --> 00:29:37,840

that

500

00:29:43,909 --> 00:29:42,799

it's about time

501
00:29:47,029 --> 00:29:43,919
we

502
00:29:47,909 --> 00:29:47,039
show some videos that's what it means

503
00:29:50,789 --> 00:29:47,919
um

504
00:29:53,750 --> 00:29:50,799
i found some interesting ones

505
00:30:01,990 --> 00:29:53,760
hopefully you'll think so too

506
00:30:02,000 --> 00:30:12,070
and let's cue it up

507
00:30:15,990 --> 00:30:13,190
if you

508
00:30:17,990 --> 00:30:16,000
have any info on the ones i

509
00:30:19,510 --> 00:30:18,000
picked cool let me know i have no idea

510
00:30:22,470 --> 00:30:19,520
what's real and what's fake these ones

511
00:30:29,120 --> 00:30:22,480
just seemed interesting to me got miami

512
00:30:29,130 --> 00:30:33,990
[Music]

513
00:30:37,270 --> 00:30:36,230

if it's mute let me know what is that

514

00:30:43,029 --> 00:30:37,280

literally

515

00:30:48,310 --> 00:30:44,310

i thought it was

516

00:30:56,389 --> 00:30:48,320

hasn't moved

517

00:30:56,399 --> 00:31:01,470

behind that cloud

518

00:31:17,669 --> 00:31:03,190

[Music]

519

00:31:20,950 --> 00:31:19,269

that's a pretty good one it's

520

00:31:23,350 --> 00:31:20,960

interesting we didn't get to see it move

521

00:31:26,100 --> 00:31:23,360

or anything so

522

00:31:35,350 --> 00:31:26,110

who knows but there's more

523

00:32:01,750 --> 00:31:37,570

i love this one

524

00:32:07,830 --> 00:32:03,190

yeah they're tracking this thing for a

525

00:32:07,840 --> 00:32:11,029

but we don't really have a

526
00:32:16,149 --> 00:32:13,430
source of reference which i hate that

527
00:32:36,549 --> 00:32:18,149
they have no idea

528
00:33:00,870 --> 00:32:39,430
upper left a little bit to the left

529
00:33:00,880 --> 00:33:05,190
that's an interesting one

530
00:33:10,070 --> 00:33:07,509
an unidentified flying object in a

531
00:33:11,750 --> 00:33:10,080
plasma state flashes and but i you know

532
00:33:14,389 --> 00:33:11,760
as long as i have this up here i should

533
00:33:16,470 --> 00:33:14,399
mention that there are

534
00:33:18,070 --> 00:33:16,480
like this video i am pretty sure came

535
00:33:22,870 --> 00:33:18,080
from one of them

536
00:33:24,950 --> 00:33:22,880
is there are like huge youtube channels

537
00:33:26,310 --> 00:33:24,960
that

538
00:33:27,750 --> 00:33:26,320

completely

539

00:33:31,909 --> 00:33:27,760

put out

540

00:33:34,549 --> 00:33:31,919

bull crap fake videos on purpose

541

00:33:37,590 --> 00:33:34,559

and get thousands and thousands and

542

00:33:39,029 --> 00:33:37,600

thousands of views

543

00:33:43,430 --> 00:33:39,039

you know

544

00:33:47,190 --> 00:33:43,440

goofy intros with their sad music and

545

00:33:51,669 --> 00:33:48,789

but this is all fake and that's what

546

00:33:53,750 --> 00:33:51,679

they do that's disinformation

547

00:33:57,509 --> 00:33:53,760

somebody should take those channels down

548

00:33:57,519 --> 00:35:01,109

this one's fun this is weird

549

00:35:06,630 --> 00:35:02,710

i don't want to watch that one yet i

550

00:35:06,640 --> 00:35:11,750

yeah uh john mack on oprah

551
00:35:18,630 --> 00:35:14,150
interesting hey so i'm gonna check that

552
00:35:25,670 --> 00:35:20,870
i have a feeling

553
00:35:37,430 --> 00:35:27,990
x-files music or something was x-files

554
00:35:37,440 --> 00:35:43,030
yeah probably is just a buoy

555
00:36:07,270 --> 00:35:45,270
uh i thought this was interesting i

556
00:36:07,280 --> 00:36:37,190
that's a moon

557
00:36:37,200 --> 00:36:51,910
of course you do

558
00:36:55,840 --> 00:36:55,830
oh thanks thanks smart guy

559
00:37:00,470 --> 00:36:58,069
[Laughter]

560
00:37:03,510 --> 00:37:00,480
all right so i just wanted to do a quick

561
00:37:06,310 --> 00:37:03,520
show today um that's about all i got in

562
00:37:07,510 --> 00:37:06,320
me for today um i just was looking at

563
00:37:08,390 --> 00:37:07,520

some of those documents like the

564

00:37:11,670 --> 00:37:08,400

maelstrom

565

00:37:12,870 --> 00:37:11,680

and randall shim ones with colonel halt

566

00:37:13,990 --> 00:37:12,880

actually right in the document and

567

00:37:15,270 --> 00:37:14,000

everything

568

00:37:16,790 --> 00:37:15,280

and

569

00:37:17,750 --> 00:37:16,800

yeah just want to hang out for a little

570

00:37:19,510 --> 00:37:17,760

bit

571

00:37:22,710 --> 00:37:19,520

so

572

00:37:24,069 --> 00:37:22,720

um seven days in a row though huh

573

00:37:26,390 --> 00:37:24,079

raise your hand if you've been here the

574

00:37:28,710 --> 00:37:26,400

whole time seven days

575

00:37:34,310 --> 00:37:28,720

bob you have

576

00:37:40,150 --> 00:37:37,670

so i appreciate you guys hanging out

577
