spaghetti on the horn

1
00:00:05,829 --> 00:00:03,030
you you equated it to if i recall a

2
00:00:07,349 --> 00:00:05,839
quantum consciousness thing

3
00:00:09,750 --> 00:00:07,359
let me let me ask you something further

4
00:00:11,110 --> 00:00:09,760
about that do you believe

5
00:00:13,990 --> 00:00:11,120
that

6
00:00:14,950 --> 00:00:14,000
your your thoughts somehow summoned them

7
00:00:17,670 --> 00:00:14,960
or

8
00:00:19,510 --> 00:00:17,680
that they show themselves to you

9
00:00:21,189 --> 00:00:19,520
like direct like they didn't fly over

10
00:00:22,710 --> 00:00:21,199
your neighborhood in wisconsin to show

11
00:00:24,790 --> 00:00:22,720
the whole neighborhood like they showed

12
00:00:28,830 --> 00:00:24,800
up for you

13
00:00:31,029 --> 00:00:28,840

do you got that vibe definitely

14

00:00:32,950 --> 00:00:31,039

yeah did you have an induction

15

00:00:35,990 --> 00:00:32,960

experience uh

16

00:00:36,790 --> 00:00:36,000

not that i know of um

17

00:00:39,030 --> 00:00:36,800

so

18

00:00:42,790 --> 00:00:39,040

for for that experience i'll just i'll

19

00:00:48,389 --> 00:00:42,800

just do a rundown for you um

20

00:00:49,830 --> 00:00:48,399

so it was uh about august of 2020

21

00:00:52,549 --> 00:00:49,840

i want to say

22

00:00:53,750 --> 00:00:52,559

um so last year yeah

23

00:00:55,430 --> 00:00:53,760

um

24

00:00:57,990 --> 00:00:55,440

you know coronavirus was going pretty

25

00:00:59,590 --> 00:00:58,000

strong and it was the bowling season was

26

00:01:01,029 --> 00:00:59,600

going to start i always bulled with my

27

00:01:03,910 --> 00:01:01,039

dad um

28

00:01:07,910 --> 00:01:03,920

but the coronavirus was pretty hardcore

29

00:01:09,510 --> 00:01:07,920

but bowling league was still going on

30

00:01:11,510 --> 00:01:09,520

i told him i would do it with them if

31

00:01:14,149 --> 00:01:11,520

people were wearing masks people were

32

00:01:15,749 --> 00:01:14,159

not wearing masks obviously

33

00:01:17,990 --> 00:01:15,759

and

34

00:01:20,550 --> 00:01:18,000

we got no wound up getting in a pretty

35

00:01:22,070 --> 00:01:20,560

big fight on the phone the next day with

36

00:01:23,830 --> 00:01:22,080

like worse than i could ever imagine

37

00:01:26,310 --> 00:01:23,840

worse than i ever fought with him we

38

00:01:28,390 --> 00:01:26,320

barely even fought ever at all so this

39

00:01:30,069 --> 00:01:28,400

was really peculiar

40

00:01:33,270 --> 00:01:30,079

so the reason i'm mentioning this is

41

00:01:36,310 --> 00:01:33,280

because two years before i had a dream

42

00:01:38,789 --> 00:01:36,320

where we argued just like that and i had

43

00:01:40,950 --> 00:01:38,799

the same thoughts of thinking this is

44

00:01:43,030 --> 00:01:40,960

weird why are we arguing i've never done

45

00:01:44,310 --> 00:01:43,040

this with him before and it stayed with

46

00:01:46,230 --> 00:01:44,320

me all day

47

00:01:46,950 --> 00:01:46,240

two years later that happened

48

00:01:50,149 --> 00:01:46,960

so

49

00:01:52,389 --> 00:01:50,159

a couple days before that

50

00:01:55,030 --> 00:01:52,399

i'm outside smoking a cigarette

51
00:01:56,709 --> 00:01:55,040
i'm about to walk into my house

52
00:01:57,910 --> 00:01:56,719
and

53
00:01:59,910 --> 00:01:57,920
just above

54
00:02:01,270 --> 00:01:59,920
me probably looked like it was 50 feet

55
00:02:02,230 --> 00:02:01,280
above me

56
00:02:06,630 --> 00:02:02,240
you know

57
00:02:09,270 --> 00:02:06,640
was a sideways teardrop that seemingly

58
00:02:11,430 --> 00:02:09,280
like entered and left

59
00:02:12,229 --> 00:02:11,440
the dimension almost you know

60
00:02:14,869 --> 00:02:12,239
and

61
00:02:18,949 --> 00:02:14,879
i was looking at it

62
00:02:20,390 --> 00:02:18,959
so hard and i could see

63
00:02:22,390 --> 00:02:20,400

the cloud

64

00:02:23,670 --> 00:02:22,400

not like a very thick

65

00:02:24,790 --> 00:02:23,680

dense

66

00:02:27,990 --> 00:02:24,800

cloud

67

00:02:31,030 --> 00:02:28,000

kind of texture and around it was like

68

00:02:32,949 --> 00:02:31,040

almost like an electric thing that was

69

00:02:35,430 --> 00:02:32,959

constantly in motion

70

00:02:36,869 --> 00:02:35,440

like the border of it yeah

71

00:02:39,589 --> 00:02:36,879

and then so

72

00:02:41,430 --> 00:02:39,599

that happened so that happens

73

00:02:44,630 --> 00:02:41,440

the dream comes true

74

00:02:47,110 --> 00:02:44,640

this is all within like a week's time

75

00:02:49,350 --> 00:02:47,120

after the dream comes true

76

00:02:50,470 --> 00:02:49,360

i'm outside

77

00:02:52,869 --> 00:02:50,480

um

78

00:02:55,190 --> 00:02:52,879

same thing smoking a cigarette

79

00:02:56,790 --> 00:02:55,200

uh about to go

80

00:02:59,589 --> 00:02:56,800

no this time i'm not about to go in the

81

00:03:02,229 --> 00:02:59,599

house i'm looking at her garage which is

82

00:03:05,990 --> 00:03:02,239

so the first sighting i was looking

83

00:03:09,030 --> 00:03:06,000

uh east and this one i'm looking south

84

00:03:16,309 --> 00:03:12,390

and all of a sudden i feel a like zip

85

00:03:22,229 --> 00:03:16,319

of light coming across my soldier

86

00:03:27,110 --> 00:03:24,390

so i shouldn't say like feel like i hurt

87

00:03:30,070 --> 00:03:27,120

or i felt i guess i should say my

88

00:03:31,030 --> 00:03:30,080

peripheral i saw it coming across my

89

00:03:33,509 --> 00:03:31,040

shoulder

90

00:03:35,750 --> 00:03:33,519

and i just knew that i was going to see

91

00:03:37,910 --> 00:03:35,760

one of these things again and then i had

92

00:03:40,229 --> 00:03:37,920

to just keep my eyes fixed on the

93

00:03:42,149 --> 00:03:40,239

direction of where this light went over

94

00:03:43,430 --> 00:03:42,159

my shoulder

95

00:03:45,670 --> 00:03:43,440

and it landed right where you were

96

00:03:46,390 --> 00:03:45,680

looking that's where it went right right

97

00:03:48,710 --> 00:03:46,400

there

98

00:03:51,990 --> 00:03:48,720

over stopped but this time it was like a

99

00:03:54,470 --> 00:03:52,000

complete sphere but the same texture and

100

00:03:56,309 --> 00:03:54,480

the same outer ring border thing

101
00:03:57,190 --> 00:03:56,319
right

102
00:03:59,190 --> 00:03:57,200
and

103
00:04:00,949 --> 00:03:59,200
so then it was coming you'd say it was

104
00:04:05,670 --> 00:04:00,959
the same it was basically the same thing

105
00:04:07,589 --> 00:04:05,680
just took a shape yeah i got the feeling

106
00:04:10,710 --> 00:04:07,599
and you said it was 50 feet away so you

107
00:04:12,470 --> 00:04:10,720
had uh certain it was within view you

108
00:04:13,830 --> 00:04:12,480
you could measure it in scale like you

109
00:04:15,670 --> 00:04:13,840
could see it was near the garage you

110
00:04:17,430 --> 00:04:15,680
were looking for the garage you could

111
00:04:20,229 --> 00:04:17,440
tell it was this big in comparison

112
00:04:22,069 --> 00:04:20,239
relative to the garage yeah

113
00:04:23,990 --> 00:04:22,079

wow and that

114

00:04:27,270 --> 00:04:24,000

that your only two

115

00:04:29,430 --> 00:04:27,280

um one one more time my only two no

116

00:04:32,150 --> 00:04:29,440

that was the only two experiences no

117

00:04:33,189 --> 00:04:32,160

those were the first two that

118

00:04:35,830 --> 00:04:33,199

rocked me

119

00:04:36,950 --> 00:04:35,840

the um other experiences were just

120

00:04:39,350 --> 00:04:36,960

visuals

121

00:04:40,230 --> 00:04:39,360

like one was with my wife

122

00:04:42,310 --> 00:04:40,240

um

123

00:04:44,310 --> 00:04:42,320

and those were actually really close too

124

00:04:46,550 --> 00:04:44,320

yeah she saw it first and she's not even

125

00:04:48,230 --> 00:04:46,560

into this stuff she saw it on her way

126
00:04:50,310 --> 00:04:48,240
driving home told me to go outside to

127
00:04:52,870 --> 00:04:50,320
the backyard because weird things were

128
00:04:54,469 --> 00:04:52,880
in this guy i get back there and the

129
00:04:57,030 --> 00:04:54,479
things are literally

130
00:04:59,189 --> 00:04:57,040
floating over our house

131
00:05:00,629 --> 00:04:59,199
and over our backyards plural there's

132
00:05:01,909 --> 00:05:00,639
more than one yeah there was like four

133
00:05:03,990 --> 00:05:01,919
of them

134
00:05:05,430 --> 00:05:04,000
and it was the same form teardrop

135
00:05:08,550 --> 00:05:05,440
sideways

136
00:05:11,270 --> 00:05:08,560
circular no these were like amber uh

137
00:05:13,830 --> 00:05:11,280
orbs

138
00:05:15,990 --> 00:05:13,840

wow dude yeah

139

00:05:17,670 --> 00:05:16,000

that turned white and

140

00:05:19,749 --> 00:05:17,680

uh when they accelerated they turned

141

00:05:22,070 --> 00:05:19,759

white and went up into the sky into the

142

00:05:24,390 --> 00:05:22,080

clouds and left they went over our house

143

00:05:27,830 --> 00:05:24,400

they were a little bit over the tree of

144

00:05:29,990 --> 00:05:27,840

our house which is maybe 100 feet up

145

00:05:32,070 --> 00:05:30,000

okay and so again you've got a size

146

00:05:35,270 --> 00:05:32,080

comparison you got a size comparison

147

00:05:38,550 --> 00:05:35,280

like the width of the tree yeah okay

148

00:05:40,310 --> 00:05:38,560

um i have a video of that actually

149

00:05:41,990 --> 00:05:40,320

oh that's awesome hey let me let me ask

150

00:05:43,749 --> 00:05:42,000

you this question when when you were

151

00:05:46,070 --> 00:05:43,759

having these experiences did you get

152

00:05:47,909 --> 00:05:46,080

this the feeling or the sensation like

153

00:05:50,870 --> 00:05:47,919

there was a conscious connection between

154

00:05:53,430 --> 00:05:50,880

you and the objects like did you

155

00:05:54,469 --> 00:05:53,440

did you sense that they knew you were

156

00:05:58,469 --> 00:05:54,479

looking

157

00:06:01,909 --> 00:05:58,479

um the first one was

158

00:06:05,749 --> 00:06:01,919

something divine something

159

00:06:07,830 --> 00:06:05,759

divine interesting word um

160

00:06:10,870 --> 00:06:07,840

something

161

00:06:12,390 --> 00:06:10,880

that was just trying to make it all

162

00:06:15,430 --> 00:06:12,400

cohesive

163

00:06:19,909 --> 00:06:17,590

um all cohes in other words look at me

164

00:06:22,950 --> 00:06:19,919

i'm here for you kind of a vibe like

165

00:06:24,950 --> 00:06:22,960

everything is everything's just like one

166

00:06:26,309 --> 00:06:24,960

and playing in and out of time loops

167

00:06:27,909 --> 00:06:26,319

kind of stuff

168

00:06:29,590 --> 00:06:27,919

you know

169

00:06:31,350 --> 00:06:29,600

wow that's uh

170

00:06:34,469 --> 00:06:31,360

that's very metaphysical right there

171

00:06:36,550 --> 00:06:34,479

that's kind of wow the orders worked the

172

00:06:39,189 --> 00:06:36,560

orbs seemed grumpy

173

00:06:42,150 --> 00:06:39,199

i remember that specifically the second

174

00:06:43,830 --> 00:06:42,160

one came around and i said hey buddy

175

00:06:46,230 --> 00:06:43,840

come on over

176

00:06:48,390 --> 00:06:46,240

am i watching it it might respond my

177

00:06:49,510 --> 00:06:48,400

wife goes no don't do it

178

00:06:51,430 --> 00:06:49,520

and

179

00:06:54,629 --> 00:06:51,440

they just kept going but right away i

180

00:06:56,070 --> 00:06:54,639

got hit with this grumpy feeling i'm

181

00:06:57,189 --> 00:06:56,080

grumpy

182

00:06:59,589 --> 00:06:57,199

you know

183

00:07:02,230 --> 00:06:59,599

um so i should say before the red orbs

184

00:07:04,870 --> 00:07:02,240

one like a week before i was outside by

185

00:07:06,469 --> 00:07:04,880

myself looking towards the school

186

00:07:07,430 --> 00:07:06,479

which would be

187

00:07:09,270 --> 00:07:07,440

uh

188

00:07:11,270 --> 00:07:09,280

south northwest

189

00:07:13,270 --> 00:07:11,280

and

190

00:07:15,430 --> 00:07:13,280

all of a sudden shooting out of the sky

191

00:07:18,230 --> 00:07:15,440

like a bullet it looked like an

192

00:07:20,309 --> 00:07:18,240

anthracite bullet right

193

00:07:22,469 --> 00:07:20,319

and there was a little orange-ness

194

00:07:24,870 --> 00:07:22,479

around it and as it was going down which

195

00:07:26,629 --> 00:07:24,880

was super fast like out of a gun the

196

00:07:29,110 --> 00:07:26,639

orange thing was getting bigger and

197

00:07:30,550 --> 00:07:29,120

bigger and bigger and then it just went

198

00:07:32,550 --> 00:07:30,560

away

199

00:07:34,230 --> 00:07:32,560

but in the things that seem really loose

200

00:07:35,990 --> 00:07:34,240

like you could you could see through it

201

00:07:39,830 --> 00:07:36,000

like anthracite it was like very

202

00:07:42,629 --> 00:07:39,840

translucent just like a dark metal gray

203

00:07:44,469 --> 00:07:42,639

yeah it is what it was yeah so it looked

204

00:07:46,309 --> 00:07:44,479

to be like it was in this forest or

205

00:07:48,150 --> 00:07:46,319

something i knew it was over there and

206

00:07:50,790 --> 00:07:48,160

i'm thinking like a flare or something

207

00:07:52,469 --> 00:07:50,800

but then i'm thinking that flares aren't

208

00:07:54,550 --> 00:07:52,479

you don't shoot them like a bullet at

209

00:07:56,070 --> 00:07:54,560

the ground you know

210

00:07:58,390 --> 00:07:56,080

right and they don't go that fast at the

211

00:08:00,629 --> 00:07:58,400

ground so the weird thing about that is

212

00:08:02,390 --> 00:08:00,639

spaghetti is the video i have of the

213

00:08:06,309 --> 00:08:02,400

four orbs

214

00:08:10,869 --> 00:08:08,150

but they didn't shoot they flew around

215

00:08:13,430 --> 00:08:10,879

before yeah but the the orange

216

00:08:16,710 --> 00:08:13,440

and

217

00:08:19,110 --> 00:08:16,720

it i just knew it was the same

218

00:08:21,830 --> 00:08:19,120

same thing same thing as you saw before

219

00:08:23,990 --> 00:08:21,840

but still not the first one

220

00:08:26,070 --> 00:08:24,000

disease experience they lasted obviously

221

00:08:28,230 --> 00:08:26,080

long enough for you to have emotions

222

00:08:30,869 --> 00:08:28,240

right they weren't like the blink of an

223

00:08:33,670 --> 00:08:30,879

eye it took like what you can count 1001

224

00:08:35,750 --> 00:08:33,680

1002 1003 they were there

225

00:08:37,990 --> 00:08:35,760

and long enough for you to feel emotion

226

00:08:39,269 --> 00:08:38,000

like you said one one caused you to feel

227

00:08:47,430 --> 00:08:39,279

grumpy

228

00:08:49,350 --> 00:08:47,440

like what are we doing here looking on

229

00:08:51,190 --> 00:08:49,360

this guy your wife's like get out of

230

00:08:52,949 --> 00:08:51,200

here chased it away

231

00:08:54,790 --> 00:08:52,959

that's why you gotta be welcoming man

232

00:08:56,790 --> 00:08:54,800

bring out bring out a bowl of spaghetti

233

00:08:57,910 --> 00:08:56,800

yeah okay

234

00:09:07,590 --> 00:08:57,920

the

235

00:09:10,550 --> 00:09:07,600

emotional part was all really

236

00:09:13,590 --> 00:09:10,560

you know for my knowledge the first part

237

00:09:14,949 --> 00:09:13,600

in the dream coming true mostly around

238

00:09:17,590 --> 00:09:14,959

it

239

00:09:20,630 --> 00:09:17,600

that's what that's what really

240

00:09:23,509 --> 00:09:20,640

put this whole thing in a box for me and

241

00:09:25,670 --> 00:09:23,519

rocked me you know

242

00:09:27,509 --> 00:09:25,680

because how do i see these things that

243

00:09:28,790 --> 00:09:27,519

are absolutely insane for the first time

244

00:09:31,750 --> 00:09:28,800

in my life

245

00:09:33,670 --> 00:09:31,760

when that happens a dream literally

246

00:09:35,030 --> 00:09:33,680

comes true and when i was doing the

247

00:09:37,990 --> 00:09:35,040

argument

248

00:09:40,230 --> 00:09:38,000

i could i didn't have control of what i

249

00:09:42,870 --> 00:09:40,240

was saying or doing i was watching it

250

00:09:44,710 --> 00:09:42,880

like a movie play out and i was watching

251
00:09:45,670 --> 00:09:44,720
it and saying this is my dream in my

252
00:09:47,110 --> 00:09:45,680
head

253
00:09:48,790 --> 00:09:47,120
watch this

254
00:09:52,550 --> 00:09:48,800
you know

255
00:09:53,990 --> 00:09:52,560
it was yeah it was weird surreal mm-hmm

256
00:09:55,430 --> 00:09:54,000
yeah surreal

257
00:09:57,110 --> 00:09:55,440
so

258
00:09:58,230 --> 00:09:57,120
you know yeah that makes me emotional

259
00:10:00,550 --> 00:09:58,240
but it's not

260
00:10:02,069 --> 00:10:00,560
you know it's just a life

261
00:10:04,550 --> 00:10:02,079
a hard life that

262
00:10:06,550 --> 00:10:04,560
gives me bad days sometimes

263
00:10:08,470 --> 00:10:06,560

no i get that yeah i believe me hey i

264

00:10:10,710 --> 00:10:08,480

got my skill i got more skeletons in my

265

00:10:11,590 --> 00:10:10,720

closet than a woman catacomb dude i got

266

00:10:12,630 --> 00:10:11,600

you

267

00:10:14,310 --> 00:10:12,640

um

268

00:10:15,829 --> 00:10:14,320

but but that's why i love you guys are

269

00:10:18,470 --> 00:10:15,839

you calling in because that totally

270

00:10:19,990 --> 00:10:18,480

changes my attitude you know well you

271

00:10:22,389 --> 00:10:20,000

know what i dude and i don't know again

272

00:10:24,790 --> 00:10:22,399

i i like these experiences and i'm more

273

00:10:26,470 --> 00:10:24,800

of a nuts and bolts guy and i'm sort of

274

00:10:28,870 --> 00:10:26,480

veering down the more of the quantum

275

00:10:29,829 --> 00:10:28,880

thing and you said something

276

00:10:31,670 --> 00:10:29,839

just

277

00:10:33,670 --> 00:10:31,680

having these conversations about what

278

00:10:36,630 --> 00:10:33,680

how you're you're explaining your

279

00:10:38,949 --> 00:10:36,640

experiences is opening doors for me to

280

00:10:42,069 --> 00:10:38,959

explore the consciousness connection to

281

00:10:44,230 --> 00:10:42,079

it okay it really is and that's cool i'm

282

00:10:46,949 --> 00:10:44,240

learning as book smart as i may be with

283

00:10:49,110 --> 00:10:46,959

three decades of research i i never

284

00:10:51,509 --> 00:10:49,120

really looked into the quant the quantum

285

00:10:53,910 --> 00:10:51,519

level the consciousness so i'm learning

286

00:10:55,670 --> 00:10:53,920

but let me let me ask you this question

287

00:10:57,750 --> 00:10:55,680

let me ask you this now

288

00:11:03,590 --> 00:10:57,760

did you feel a connection with them as

289

00:11:08,470 --> 00:11:06,550

the the first one i have an odd feeling

290

00:11:11,670 --> 00:11:08,480

that i've had a relationship for it with

291

00:11:17,590 --> 00:11:14,710

um a relationship yeah like that's an

292

00:11:18,320 --> 00:11:17,600

interesting word um like maybe

293

00:11:19,590 --> 00:11:18,330

like um

294

00:11:20,870 --> 00:11:19,600

[Music]

295

00:11:24,230 --> 00:11:20,880

like a

296

00:11:27,190 --> 00:11:24,240

angel or something like that like it had

297

00:11:29,829 --> 00:11:27,200

been watching over you mm-hmm

298

00:11:33,030 --> 00:11:29,839

so use relationship use the word divine

299

00:11:35,110 --> 00:11:33,040

use the word guiding angel um

300

00:11:39,509 --> 00:11:35,120

are you afraid of these things

301
00:11:44,389 --> 00:11:41,750
okay not at all you would you have an

302
00:11:48,230 --> 00:11:44,399
absolutely no no conscious recall of

303
00:11:52,550 --> 00:11:50,710
this is kind of what i think about it if

304
00:11:54,389 --> 00:11:52,560
you don't want to i can't first of all i

305
00:11:55,670 --> 00:11:54,399
want to talk about the computer i can't

306
00:11:57,430 --> 00:11:55,680
i can't see your face so i don't know

307
00:11:58,870 --> 00:11:57,440
how you react it's just two dudes having

308
00:12:00,470 --> 00:11:58,880
a conversation yeah no they don't want

309
00:12:01,990 --> 00:12:00,480
to talk about it

310
00:12:03,910 --> 00:12:02,000
um so

311
00:12:06,069 --> 00:12:03,920
this is kind of my what i would have to

312
00:12:07,590 --> 00:12:06,079
say to that because um

313
00:12:09,750 --> 00:12:07,600

i've never had

314

00:12:11,509 --> 00:12:09,760

an abduction like

315

00:12:13,670 --> 00:12:11,519

people described them

316

00:12:15,910 --> 00:12:13,680

ever right you know

317

00:12:18,470 --> 00:12:15,920

but i do remember and i know how you

318

00:12:20,310 --> 00:12:18,480

feel about dreams

319

00:12:21,910 --> 00:12:20,320

but this uh

320

00:12:23,509 --> 00:12:21,920

dream is

321

00:12:25,509 --> 00:12:23,519

the only thing that maybe could have

322

00:12:26,949 --> 00:12:25,519

been something like that

323

00:12:28,949 --> 00:12:26,959

um

324

00:12:31,509 --> 00:12:28,959

i'm dreaming and it's a powerful dream

325

00:12:32,629 --> 00:12:31,519

either way so even if it isn't that it

326

00:12:36,550 --> 00:12:32,639

was powerful

327

00:12:37,509 --> 00:12:36,560

um it's vivid yeah i'm outside on a like

328

00:12:39,110 --> 00:12:37,519

um

329

00:12:41,509 --> 00:12:39,120

oh and i'll tell you the kicker too at

330

00:12:43,269 --> 00:12:41,519

the end it's pretty great so i'm outside

331

00:12:45,750 --> 00:12:43,279

on the playground basketball court

332

00:12:48,710 --> 00:12:45,760

concrete basketball court

333

00:12:50,790 --> 00:12:48,720

um and i turned to go into the school in

334

00:12:53,430 --> 00:12:50,800

these big double doors and it's uh

335

00:12:55,990 --> 00:12:53,440

you're a child uh at the time i was in

336

00:12:58,949 --> 00:12:56,000

high school i was probably 17 or 18.

337

00:13:02,150 --> 00:12:58,959

okay um

338

00:13:05,030 --> 00:13:02,160

and i walk in there and it's a library

339

00:13:07,509 --> 00:13:05,040

and there's a middle eastern guy

340

00:13:09,190 --> 00:13:07,519

uh like behind the desk the rounded

341

00:13:11,110 --> 00:13:09,200

desk

342

00:13:13,990 --> 00:13:11,120

and with the turbine on and i go up

343

00:13:16,550 --> 00:13:14,000

there and he hands me a scroll

344

00:13:19,269 --> 00:13:16,560

and wow i have the scrolling as i'm

345

00:13:21,030 --> 00:13:19,279

leaving the doors i'm opening it and i

346

00:13:23,190 --> 00:13:21,040

see something that says

347

00:13:25,030 --> 00:13:23,200

uh seven something

348

00:13:25,990 --> 00:13:25,040

you know like seven this or seven

349

00:13:27,670 --> 00:13:26,000

something

350

00:13:29,750 --> 00:13:27,680

and then a big gust of wind came and

351

00:13:33,110 --> 00:13:29,760

blew it out of my hands and it just blew

352

00:13:34,710 --> 00:13:33,120

across the playground and that was it

353

00:13:37,590 --> 00:13:34,720

i look over to whatever the hell did

354

00:13:40,550 --> 00:13:37,600

that right and there's two huge

355

00:13:42,949 --> 00:13:40,560

tornadoes coming at me

356

00:13:45,910 --> 00:13:42,959

the tornadoes are coming at me and i

357

00:13:47,590 --> 00:13:45,920

remember i had the option to run or you

358

00:13:49,430 --> 00:13:47,600

know fight and

359

00:13:52,230 --> 00:13:49,440

i decided to fight

360

00:13:54,069 --> 00:13:52,240

you know so i stayed and let these

361

00:13:56,870 --> 00:13:54,079

tornadoes come at me and when they came

362

00:13:59,030 --> 00:13:56,880

at me i had my hands open both on each

363

00:14:00,550 --> 00:13:59,040

side of me and i grabbed each one and

364

00:14:03,430 --> 00:14:00,560

crisscrossed them

365

00:14:06,550 --> 00:14:03,440

across my body

366

00:14:09,509 --> 00:14:06,560

and is that happening

367

00:14:11,910 --> 00:14:09,519

um everything got completely

368

00:14:15,189 --> 00:14:11,920

i was blinded by everything like i was

369

00:14:18,310 --> 00:14:15,199

in the middle of a tornado i guess

370

00:14:20,790 --> 00:14:18,320

um but i was still

371

00:14:24,230 --> 00:14:20,800

and all of a sudden i start lifting off

372

00:14:26,389 --> 00:14:24,240

the ground like levitating and the weird

373

00:14:27,670 --> 00:14:26,399

part about that is i flew in my dreams a

374

00:14:30,470 --> 00:14:27,680

lot

375

00:14:32,310 --> 00:14:30,480

so i knew how to activate that so to

376

00:14:34,870 --> 00:14:32,320

speak my dreams there was a feeling

377

00:14:36,870 --> 00:14:34,880

connected to that like here we go

378

00:14:39,110 --> 00:14:36,880

like i remember even trying it in my

379

00:14:40,550 --> 00:14:39,120

waking life like i remembered the

380

00:14:42,470 --> 00:14:40,560

feeling

381

00:14:43,670 --> 00:14:42,480

that my feet would do or whatever but it

382

00:14:45,030 --> 00:14:43,680

didn't work

383

00:14:47,509 --> 00:14:45,040

um

384

00:14:50,949 --> 00:14:47,519

but this one was not that i didn't do

385

00:14:51,990 --> 00:14:50,959

that i just started raising on my own

386

00:14:54,069 --> 00:14:52,000

or

387

00:14:56,870 --> 00:14:54,079

you know not doing anything i just

388

00:14:58,629 --> 00:14:56,880

started going up

389

00:15:01,670 --> 00:14:58,639

so as this is happening i'm in the dust

390

00:15:04,389 --> 00:15:01,680

storm or whatever tornado thing

391

00:15:06,710 --> 00:15:04,399

and there's these light beings right

392

00:15:08,150 --> 00:15:06,720

like uh angeli would describe i guess

393

00:15:09,430 --> 00:15:08,160

light beings

394

00:15:11,990 --> 00:15:09,440

um

395

00:15:14,150 --> 00:15:12,000

and they're like little wisps

396

00:15:17,509 --> 00:15:14,160

and they're flying past me in each

397

00:15:19,350 --> 00:15:17,519

direction really fast

398

00:15:22,389 --> 00:15:19,360

and what i hear is

399

00:15:25,990 --> 00:15:22,399

a very very beautiful

400

00:15:28,550 --> 00:15:26,000

sound uh maybe like violin harp sound

401
00:15:32,069 --> 00:15:28,560
most beautiful sound i

402
00:15:33,990 --> 00:15:32,079
i ever heard i remember

403
00:15:35,110 --> 00:15:34,000
just thinking what the hell is this it's

404
00:15:36,790 --> 00:15:35,120
beautiful

405
00:15:38,310 --> 00:15:36,800
um and right

406
00:15:40,790 --> 00:15:38,320
then i'm looking

407
00:15:43,350 --> 00:15:40,800
things are clearing up and i'm looking

408
00:15:44,629 --> 00:15:43,360
out into this guy i'm still up in this

409
00:15:47,269 --> 00:15:44,639
guy

410
00:15:49,110 --> 00:15:47,279
and i see a

411
00:15:52,389 --> 00:15:49,120
stained glass

412
00:15:56,069 --> 00:15:52,399
like window picture of what we know to

413
00:16:00,550 --> 00:15:56,079

be jesus christ's face

414

00:16:04,150 --> 00:16:00,560

okay and as i get closer to it

415

00:16:06,069 --> 00:16:04,160

it turns into a real face

416

00:16:07,670 --> 00:16:06,079

and says sean

417

00:16:10,310 --> 00:16:07,680

just relax

418

00:16:13,350 --> 00:16:10,320

and go back to school

419

00:16:18,470 --> 00:16:15,590

that's incredible recall for a dream

420

00:16:22,710 --> 00:16:19,910

that's wild

421

00:16:24,949 --> 00:16:22,720

so um and i know that dreams are

422

00:16:26,550 --> 00:16:24,959

something when my uncle passed away my

423

00:16:30,069 --> 00:16:26,560

dad's twin brother

424

00:16:31,590 --> 00:16:30,079

um i was sleeping i had a dream that we

425

00:16:33,430 --> 00:16:31,600

were all in his

426

00:16:36,790 --> 00:16:33,440

nursing home room

427

00:16:39,110 --> 00:16:36,800

watching him uh pass and i threw a like

428

00:16:41,350 --> 00:16:39,120

a golden bull at him

429

00:16:43,269 --> 00:16:41,360

and he sat straight up opened his eyes

430

00:16:45,189 --> 00:16:43,279

and caught it

431

00:16:47,670 --> 00:16:45,199

and the phone rang

432

00:16:52,389 --> 00:16:47,680

and woke me up out of that dream and it

433

00:16:54,949 --> 00:16:52,399

was a call that he had passed away wow

434

00:16:56,870 --> 00:16:54,959

wow yeah

435

00:16:59,110 --> 00:16:56,880

so there's something there i know and
