

1
00:01:26,290 --> 00:00:12,790
do

2
00:01:26,300 --> 00:02:07,270
[Music]

3
00:02:12,150 --> 00:02:09,749
what's up everybody how you doing

4
00:02:13,350 --> 00:02:12,160
it is good to see you this friday

5
00:02:14,710 --> 00:02:13,360
afternoon

6
00:02:17,110 --> 00:02:14,720
um

7
00:02:18,550 --> 00:02:17,120
i had a pretty cool thing happen

8
00:02:21,270 --> 00:02:18,560
yesterday

9
00:02:23,990 --> 00:02:21,280
uh which is a

10
00:02:27,110 --> 00:02:24,000
um scheduled an interview with

11
00:02:29,589 --> 00:02:27,120
um senator harry reid

12
00:02:31,830 --> 00:02:29,599
um so that's pretty cool um that is

13
00:02:33,589 --> 00:02:31,840

gonna be on tuesday

14

00:02:35,670 --> 00:02:33,599

at noon

15

00:02:37,589 --> 00:02:35,680

so make sure you don't

16

00:02:39,430 --> 00:02:37,599

miss that it's going to be a great

17

00:02:41,270 --> 00:02:39,440

conversation

18

00:02:43,430 --> 00:02:41,280

i can tell you that

19

00:02:44,949 --> 00:02:43,440

i look very much forward to speaking

20

00:02:45,280 --> 00:02:44,959

with the senator

21

00:02:46,630 --> 00:02:45,290

um

22

00:02:49,190 --> 00:02:46,640

[Music]

23

00:02:51,110 --> 00:02:49,200

he's somewhat of a hero

24

00:02:53,509 --> 00:02:51,120

and

25

00:02:57,750 --> 00:02:53,519

he's a badass

26

00:03:00,630 --> 00:02:57,760

so i can't wait to talk with him um

27

00:03:05,990 --> 00:03:04,309

he'll have a lot more

28

00:03:07,750 --> 00:03:06,000

you know he he

29

00:03:09,509 --> 00:03:07,760

there's a lot more that i want to ask

30

00:03:11,270 --> 00:03:09,519

and talk to him about than an hour can

31

00:03:14,229 --> 00:03:11,280

provide but

32

00:03:15,350 --> 00:03:14,239

i am very grateful to have any time with

33

00:03:16,630 --> 00:03:15,360

this man

34

00:03:20,149 --> 00:03:16,640

um

35

00:03:26,550 --> 00:03:21,670

george knapp

36

00:03:28,789 --> 00:03:27,990

he could make

37

00:03:32,550 --> 00:03:28,799

an

38

00:03:34,229 --> 00:03:32,560

that's why we're here today

39

00:03:36,070 --> 00:03:34,239

um so

40

00:03:37,509 --> 00:03:36,080

i look very much forward to that but

41

00:03:41,589 --> 00:03:37,519

today

42

00:03:43,670 --> 00:03:41,599

talk about the

43

00:03:46,149 --> 00:03:43,680

lubak lights

44

00:03:48,470 --> 00:03:46,159

which is pretty interesting i love the

45

00:03:51,430 --> 00:03:48,480

way i learn about things right so i

46

00:03:54,550 --> 00:03:51,440

learned about this

47

00:03:57,990 --> 00:03:54,560

um the lubbock lights just looking at

48

00:04:01,270 --> 00:03:58,000

general documents that i have downloaded

49

00:04:03,750 --> 00:04:01,280

on my website actually and it's in the

50

00:04:05,589 --> 00:04:03,760

specific osi district you know so they

51
00:04:07,750 --> 00:04:05,599
have all the reports of the district and

52
00:04:10,390 --> 00:04:07,760
that folder and i have about 30 of them

53
00:04:13,830 --> 00:04:10,400
so i randomly picked one today

54
00:04:15,190 --> 00:04:13,840
check it out and it was a district for

55
00:04:17,270 --> 00:04:15,200
texas

56
00:04:19,349 --> 00:04:17,280
and

57
00:04:20,710 --> 00:04:19,359
literally the first report that stuck

58
00:04:23,749 --> 00:04:20,720
out to me

59
00:04:25,830 --> 00:04:23,759
was this one the lubach lights um

60
00:04:27,830 --> 00:04:25,840
and of course you know i did all my

61
00:04:29,189 --> 00:04:27,840
research and looked through everything

62
00:04:32,710 --> 00:04:29,199
and found out

63
00:04:33,909 --> 00:04:32,720

blue box lights the photo oh yeah that's

64

00:04:35,030 --> 00:04:33,919

where it's from

65

00:04:36,230 --> 00:04:35,040

so

66

00:04:39,990 --> 00:04:36,240

it's pretty cool

67

00:04:46,150 --> 00:04:42,870

i'm not sure if people have looked at

68

00:04:47,270 --> 00:04:46,160

the official documents of this stuff

69

00:04:47,740 --> 00:04:47,280

or not

70

00:04:49,590 --> 00:04:47,750

um

71

00:04:52,870 --> 00:04:49,600

[Music]

72

00:04:54,070 --> 00:04:52,880

but regardless we're going to

73

00:04:55,749 --> 00:04:54,080

do it

74

00:04:58,390 --> 00:04:55,759

um i'll say what's up to everybody first

75

00:05:00,390 --> 00:04:58,400

spaghetti lee what's happening

76

00:05:01,510 --> 00:05:00,400

uh ethereal aura

77

00:05:03,990 --> 00:05:01,520

what's up

78

00:05:05,749 --> 00:05:04,000

robert

79

00:05:07,670 --> 00:05:05,759

joss

80

00:05:12,310 --> 00:05:07,680

dutch uap

81

00:05:17,350 --> 00:05:12,320

fabit engage alex what is up

82

00:05:19,510 --> 00:05:17,360

um robert all right zero cool why me i'm

83

00:05:21,990 --> 00:05:19,520

not sure thanks for

84

00:05:24,390 --> 00:05:22,000

popping in though

85

00:05:27,029 --> 00:05:24,400

i like the ocean too uh maybe i'll bring

86

00:05:29,830 --> 00:05:27,039

that back next time

87

00:05:31,909 --> 00:05:29,840

i wanted to do a new pretty cool intro

88

00:05:35,270 --> 00:05:31,919

with the ocean and new song and stuff

89

00:05:36,469 --> 00:05:35,280

but i just ran out of time so

90

00:05:38,150 --> 00:05:36,479

um

91

00:05:39,270 --> 00:05:38,160

you know looking into this kind of just

92

00:05:42,150 --> 00:05:39,280

uh

93

00:05:44,390 --> 00:05:42,160

my time just flew away

94

00:05:46,390 --> 00:05:44,400

so

95

00:05:48,710 --> 00:05:46,400

this

96

00:05:51,670 --> 00:05:48,720

case is officially

97

00:05:54,230 --> 00:05:51,680

still as far as i know unidentified

98

00:05:56,309 --> 00:05:54,240

right not solved um

99

00:06:00,469 --> 00:05:56,319

the witnesses

100

00:06:04,309 --> 00:06:00,479

there were a few the main ones were

101
00:06:05,510 --> 00:06:04,319
these three professors from the texas

102
00:06:08,550 --> 00:06:05,520
tech college

103
00:06:11,029 --> 00:06:08,560
uh we have carl hart jr is one of them

104
00:06:12,550 --> 00:06:11,039
and jc cross is another i'm not sure who

105
00:06:15,430 --> 00:06:12,560
the other one is

106
00:06:18,070 --> 00:06:15,440
um carl hart jr was the one who took the

107
00:06:23,110 --> 00:06:18,080
now infamous photo

108
00:06:25,830 --> 00:06:24,309
you know on top of those three

109
00:06:28,390 --> 00:06:25,840
professors there were four more

110
00:06:31,510 --> 00:06:28,400
witnesses that validated what they said

111
00:06:33,350 --> 00:06:31,520
and on top of that there are

112
00:06:34,790 --> 00:06:33,360
there's a mom and a daughter

113
00:06:37,270 --> 00:06:34,800

who actually

114

00:06:39,270 --> 00:06:37,280

they might have seen something different

115

00:06:41,029 --> 00:06:39,280

they described it as a flying wing and

116

00:06:43,590 --> 00:06:41,039

there was only one

117

00:06:45,990 --> 00:06:43,600

um what the lubach lights were the big

118

00:06:46,950 --> 00:06:46,000

flying v formation

119

00:06:49,430 --> 00:06:46,960

um

120

00:06:50,390 --> 00:06:49,440

think phoenix lights right

121

00:06:52,950 --> 00:06:50,400

and

122

00:06:55,990 --> 00:06:52,960

they went over the course of many nights

123

00:06:57,990 --> 00:06:56,000

um upwards of three maybe maybe even

124

00:07:00,390 --> 00:06:58,000

more there's a lot more dates thrown

125

00:07:03,270 --> 00:07:00,400

around in these documents than three

126

00:07:06,070 --> 00:07:03,280

um so but it's hard to discern at first

127

00:07:15,430 --> 00:07:06,080

pass if they are just getting dates

128

00:07:20,070 --> 00:07:18,309

the lubach morning uh avalanche was the

129

00:07:23,670 --> 00:07:20,080

newspaper

130

00:07:26,309 --> 00:07:23,680

at the time and they got um

131

00:07:28,629 --> 00:07:26,319

swamped with calls

132

00:07:30,790 --> 00:07:28,639

about this stuff so we definitely know a

133

00:07:34,629 --> 00:07:30,800

lot of people saw it

134

00:07:36,390 --> 00:07:34,639

the general descriptions were a u or v

135

00:07:38,950 --> 00:07:36,400

shape as far as

136

00:07:40,870 --> 00:07:38,960

the formation there's about 20 or 30 of

137

00:07:43,189 --> 00:07:40,880

them in each

138

00:07:47,990 --> 00:07:43,199

one professor said

139

00:07:52,790 --> 00:07:50,629

above 50 000 feet he could see about 50

140

00:08:01,110 --> 00:07:52,800

of them which would also put them

141

00:08:06,390 --> 00:08:03,830

double row dots

142

00:08:09,830 --> 00:08:08,070

different reports on the colors from

143

00:08:15,270 --> 00:08:09,840

blue yellow to

144

00:08:19,749 --> 00:08:16,950

and then we have the photograph right

145

00:08:21,990 --> 00:08:19,759

the best part the photographs

146

00:08:25,430 --> 00:08:22,000

the photographs only made it i guess

147

00:08:28,150 --> 00:08:25,440

into a few newspapers like about

148

00:08:31,909 --> 00:08:28,160

four or five copies rather not like

149

00:08:35,670 --> 00:08:33,350

which is interesting

150

00:08:36,790 --> 00:08:35,680

at least that's what these documents say

151

00:08:38,870 --> 00:08:36,800

um

152

00:08:40,630 --> 00:08:38,880

and then there was a hunt for the

153

00:08:44,389 --> 00:08:40,640

originals

154

00:08:48,230 --> 00:08:44,399

and a part of that hunt was

155

00:08:51,269 --> 00:08:48,240

repeatedly interrogating carl hart jr

156

00:08:51,279 --> 00:08:55,670

um photographed it

157

00:09:00,790 --> 00:08:59,110

pretty interesting and it is 1951 robert

158

00:09:03,110 --> 00:09:00,800

what's up

159

00:09:06,710 --> 00:09:03,120

a cool fact

160

00:09:10,150 --> 00:09:06,720

april 1949 virginia identical

161

00:09:10,949 --> 00:09:10,160

very interesting you know not

162

00:09:13,030 --> 00:09:10,959

you know

163

00:09:15,750 --> 00:09:13,040

less than a year after this lubock

164

00:09:18,630 --> 00:09:15,760

lights we have the dc

165

00:09:22,310 --> 00:09:19,590

so

166

00:09:24,470 --> 00:09:22,320

these years are busy with ufos and it

167

00:09:25,990 --> 00:09:24,480

does not go away

168

00:09:29,110 --> 00:09:26,000

i mean and that's why i keep

169

00:09:31,190 --> 00:09:29,120

covering these cases one is

170

00:09:33,910 --> 00:09:31,200

i don't know about a lot of them and i'm

171

00:09:35,030 --> 00:09:33,920

educating myself in in doing this you

172

00:09:37,430 --> 00:09:35,040

know

173

00:09:40,070 --> 00:09:37,440

and it just so happens that the people

174

00:09:43,350 --> 00:09:40,080

are who are here and join me

175

00:09:44,389 --> 00:09:43,360

enjoy uh this stuff too which is great

176

00:09:45,910 --> 00:09:44,399

you know

177

00:09:48,070 --> 00:09:45,920

but it's also very important to me that

178

00:09:50,310 --> 00:09:48,080

when i do learn these cases or do learn

179

00:09:52,070 --> 00:09:50,320

different things i come in with an

180

00:09:53,990 --> 00:09:52,080

unbiased perspective i don't come in

181

00:09:55,030 --> 00:09:54,000

from somebody else's pre-prepared news

182

00:09:57,350 --> 00:09:55,040

report

183

00:09:57,360 --> 00:10:03,509

i don't come in as a skeptic

184

00:10:07,829 --> 00:10:05,590

i come in kind of in the middle you know

185

00:10:10,710 --> 00:10:07,839

because i don't believe all these either

186

00:10:10,720 --> 00:10:13,990

so

187

00:10:17,670 --> 00:10:16,069

spaghetti you put up a good point it

188

00:10:24,230 --> 00:10:17,680

only goes away because they stop

189

00:10:29,430 --> 00:10:26,790

maybe they didn't stop reporting them to

190

00:10:33,030 --> 00:10:29,440

the media but the media may have stopped

191

00:10:36,550 --> 00:10:33,040

reporting them right

192

00:10:39,829 --> 00:10:36,560

possibly but anyways um so

193

00:10:42,310 --> 00:10:39,839

you know in these cases around this time

194

00:10:44,710 --> 00:10:42,320

it was the

195

00:10:46,790 --> 00:10:44,720

um air material command

196

00:10:48,790 --> 00:10:46,800

who did a lot of this stuff a lot of the

197

00:10:52,550 --> 00:10:48,800

investigating which i first actually

198

00:10:54,310 --> 00:10:52,560

found out from mr robert here

199

00:10:56,870 --> 00:10:54,320

um

200

00:10:58,790 --> 00:10:56,880

and the air material command put it on

201

00:11:01,350 --> 00:10:58,800

reese air force base

202

00:11:09,269 --> 00:11:01,360

and an intelligence officer there to get

203

00:11:12,630 --> 00:11:10,870

so

204

00:11:14,310 --> 00:11:12,640

if you guys want we can take a look at

205

00:11:15,509 --> 00:11:14,320

those real quick they're black and white

206

00:11:16,310 --> 00:11:15,519

i get it

207

00:11:17,590 --> 00:11:16,320

but

208

00:11:19,590 --> 00:11:17,600

they're interesting and i'll tell you

209

00:11:21,350 --> 00:11:19,600

the most interesting part about these

210

00:11:25,269 --> 00:11:21,360

photographs to me

211

00:11:31,030 --> 00:11:27,990

there was a photographer william hands

212

00:11:34,949 --> 00:11:31,040

of the lubach morning avalanche that

213

00:11:36,069 --> 00:11:34,959

tried multiple times to recreate this

214

00:11:39,269 --> 00:11:36,079

by

215

00:11:41,829 --> 00:11:39,279

taking photographs of birds that go in

216

00:11:45,110 --> 00:11:41,839

the flag v formation because obviously

217

00:11:48,540 --> 00:11:45,120

everyone said it's birds right

218

00:11:50,230 --> 00:11:48,550

and guess what he was unsuccessful

219

00:11:55,430 --> 00:11:50,240

[Laughter]

220

00:12:01,110 --> 00:11:58,550

by taking photos of birds

221

00:12:03,430 --> 00:12:01,120

in the same formation

222

00:12:05,190 --> 00:12:03,440

so here's another one so you can see why

223

00:12:07,590 --> 00:12:05,200

some people say you or v

224

00:12:09,829 --> 00:12:07,600

and i get it the bird thing you know

225

00:12:12,230 --> 00:12:09,839

yeah you see them doing this but you

226

00:12:13,269 --> 00:12:12,240

know birds don't go 18 000 miles per

227

00:12:16,629 --> 00:12:13,279

hour

228

00:12:23,829 --> 00:12:18,710

so

229

00:12:26,069 --> 00:12:23,839

probably seen birds the others probably

230

00:12:27,670 --> 00:12:26,079

seen a really strange phenomenon the

231

00:12:30,150 --> 00:12:27,680

others probably seen

232

00:12:32,230 --> 00:12:30,160

light reflections and that could be true

233

00:12:34,069 --> 00:12:32,240

you know and that's maybe where it gets

234

00:12:35,990 --> 00:12:34,079

muddled i guess but

235

00:12:38,150 --> 00:12:36,000

um yeah

236

00:12:41,509 --> 00:12:38,160

there's definitely enough witnesses here

237

00:12:43,910 --> 00:12:41,519

so this one it's interesting i wonder

238

00:12:46,389 --> 00:12:43,920

if you just moved the camera quick right

239

00:12:48,069 --> 00:12:46,399

and it did that or

240

00:12:50,710 --> 00:12:48,079

is that them moving fast because if

241

00:12:51,750 --> 00:12:50,720

they're moving that fast

242

00:12:54,230 --> 00:12:51,760

i mean

243

00:12:56,069 --> 00:12:54,240

you're lucky to even get one photo right

244

00:12:58,470 --> 00:12:56,079

this is interesting right

245

00:12:59,829 --> 00:12:58,480

so what comes to mind when you see this

246

00:13:03,670 --> 00:12:59,839

i'll tell you what comes to mind when i

247

00:13:06,790 --> 00:13:04,470

uh

248

00:13:08,550 --> 00:13:06,800

boca

249

00:13:09,990 --> 00:13:08,560

red

250

00:13:12,870 --> 00:13:10,000

and no

251
00:13:14,949 --> 00:13:12,880
this isn't bokeh

252
00:13:16,790 --> 00:13:14,959
but it shows you

253
00:13:18,550 --> 00:13:16,800
how images

254
00:13:21,430 --> 00:13:18,560
can all be identical

255
00:13:23,590 --> 00:13:21,440
and look to be in a triangular formation

256
00:13:29,190 --> 00:13:23,600
and not be bokeh

257
00:13:33,430 --> 00:13:31,110
you know sometimes there's more than one

258
00:13:34,550 --> 00:13:33,440
explanation for things

259
00:13:36,150 --> 00:13:34,560
you know

260
00:13:37,110 --> 00:13:36,160
other people that believe the bokeh

261
00:13:39,110 --> 00:13:37,120
thing

262
00:13:40,470 --> 00:13:39,120
you know more power to you but that

263
00:13:42,710 --> 00:13:40,480

doesn't mean

264

00:13:44,870 --> 00:13:42,720

because it makes sense to you that it's

265

00:13:48,150 --> 00:13:44,880

the only explanation for what you're

266

00:13:53,750 --> 00:13:51,269

because in order to actually understand

267

00:13:56,790 --> 00:13:53,760

the correct explanation you'd have to be

268

00:13:58,629 --> 00:13:56,800

a lot smarter than you are or have a lot

269

00:14:02,870 --> 00:13:58,639

more information

270

00:14:07,269 --> 00:14:05,670

so and these are funny i i don't know

271

00:14:09,269 --> 00:14:07,279

looks like he's wearing a referee shirt

272

00:14:11,590 --> 00:14:09,279

but i think this is carl hart jr or

273

00:14:12,389 --> 00:14:11,600

something

274

00:14:22,949 --> 00:14:12,399

so

275

00:14:24,230 --> 00:14:22,959

quick the most interesting one to me

276

00:14:25,670 --> 00:14:24,240

and here we go

277

00:14:31,350 --> 00:14:25,680

quick you see

278

00:14:36,710 --> 00:14:34,550

um rupelt was uh heavily involved with

279

00:14:38,470 --> 00:14:36,720

this he actually made a special chapter

280

00:14:39,990 --> 00:14:38,480

in his book

281

00:14:41,430 --> 00:14:40,000

about it

282

00:14:42,829 --> 00:14:41,440

at first he

283

00:14:45,829 --> 00:14:42,839

went

284

00:14:48,230 --> 00:14:45,839

birds right

285

00:14:50,949 --> 00:14:48,240

um but he later changed his mind

286

00:14:53,030 --> 00:14:50,959

and what he said was extremely

287

00:14:54,949 --> 00:14:53,040

interesting

288

00:15:00,150 --> 00:14:54,959

if i can uh find it there's only a few

289

00:15:05,030 --> 00:15:02,550

rupelt it's it's really neat like going

290

00:15:06,790 --> 00:15:05,040

back into these papers and you know

291

00:15:07,990 --> 00:15:06,800

seeing

292

00:15:10,230 --> 00:15:08,000

the names

293

00:15:11,590 --> 00:15:10,240

of people i hear or have read about

294

00:15:15,269 --> 00:15:11,600

right

295

00:15:17,990 --> 00:15:16,389

so

296

00:15:21,189 --> 00:15:18,000

this is pretty interesting they give you

297

00:15:25,350 --> 00:15:23,590

texas weather observation

298

00:15:29,189 --> 00:15:25,360

for that day estimated ceiling five

299

00:15:29,199 --> 00:15:33,910

some data for you

300

00:15:38,069 --> 00:15:35,509

well

301

00:15:44,949 --> 00:15:38,079

this is what root belt did so rouvelt

302

00:15:50,629 --> 00:15:47,350

was testing a theory over and over and

303

00:15:54,550 --> 00:15:50,639

over again until finally they hit the

304

00:15:57,430 --> 00:15:54,560

jackpot which was figuring out a natural

305

00:15:59,990 --> 00:15:57,440

phenomenon that would cause these lights

306

00:16:02,629 --> 00:16:00,000

but he couldn't tell anyone

307

00:16:04,150 --> 00:16:02,639

what that was because it would give that

308

00:16:06,870 --> 00:16:04,160

person's name

309

00:16:09,350 --> 00:16:06,880

but rupaul said he was very very

310

00:16:11,110 --> 00:16:09,360

confident that's what it was i have no

311

00:16:13,670 --> 00:16:11,120

idea what kind of natural phenomenon

312

00:16:18,310 --> 00:16:16,310

if you guys know let me know

313

00:16:24,710 --> 00:16:18,320

so why would he say that

314

00:16:24,720 --> 00:16:31,910

we got some stuff on the pictures here

315

00:16:38,470 --> 00:16:36,069

just imagine if we had like um

316

00:16:40,470 --> 00:16:38,480

smartphones then

317

00:16:43,350 --> 00:16:40,480

man

318

00:16:45,350 --> 00:16:43,360

it's like these aliens or secret

319

00:16:47,430 --> 00:16:45,360

projects that's this is definitely not a

320

00:16:49,590 --> 00:16:47,440

secret project or any of these things

321

00:16:51,430 --> 00:16:49,600

like it's like they know

322

00:16:54,790 --> 00:16:51,440

that okay there's a lot more cameras

323

00:16:56,629 --> 00:16:54,800

around now so we can't

324

00:16:58,710 --> 00:16:56,639

do this stuff in front of a bunch of

325

00:17:01,030 --> 00:16:58,720

people anymore like

326

00:17:02,870 --> 00:17:01,040

you know we need to have another mass

327

00:17:04,630 --> 00:17:02,880

sighting now with all these phones

328

00:17:05,750 --> 00:17:04,640

that's what i think

329

00:17:12,390 --> 00:17:05,760

i think that would be good for

330

00:17:12,400 --> 00:17:16,069

so

331

00:17:23,029 --> 00:17:18,630

this is a great case because it's still

332

00:17:23,039 --> 00:17:28,230

pretty great

333

00:17:31,590 --> 00:17:30,150

oh the two women here it is this is a

334

00:17:32,950 --> 00:17:31,600

good one so

335

00:17:35,830 --> 00:17:32,960

i'm just going to read this whole thing

336

00:17:38,630 --> 00:17:35,840

here because

337

00:17:40,950 --> 00:17:38,640

it's pretty descriptive so

338

00:17:42,549 --> 00:17:40,960

these two women apparently just that saw

339

00:17:44,070 --> 00:17:42,559

a flying wing and i didn't put it

340

00:17:44,950 --> 00:17:44,080

together until i watched something else

341

00:17:47,029 --> 00:17:44,960

that

342

00:17:50,950 --> 00:17:47,039

they may have saw something different

343

00:17:53,110 --> 00:17:50,960

and rupaul even said that we had a

344

00:17:55,110 --> 00:17:53,120

secret uh plane or whatever that was a

345

00:17:59,110 --> 00:17:55,120

flying wing

346

00:18:04,870 --> 00:18:02,470

at matador texas two women mrs blank and

347

00:18:07,350 --> 00:18:04,880

her daughter mrs blank were alleged to

348

00:18:09,350 --> 00:18:07,360

have observed a wingless type aircraft

349

00:18:10,870 --> 00:18:09,360

traveling at a low altitude and low

350

00:18:13,350 --> 00:18:10,880

speed

351

00:18:16,070 --> 00:18:13,360

this craft allegedly passed within 150

352

00:18:18,230 --> 00:18:16,080

feet of their automobile

353

00:18:21,110 --> 00:18:18,240

then rose rapidly and was out of sight

354

00:18:22,470 --> 00:18:21,120

within a few minutes

355

00:18:25,029 --> 00:18:22,480

mom and daughter were alleged to have

356

00:18:27,990 --> 00:18:25,039

reported being near enough to the

357

00:18:29,830 --> 00:18:28,000

unidentified object to observe one door

358

00:18:33,270 --> 00:18:29,840

or porthole

359

00:18:34,789 --> 00:18:33,280

in the metal side of the aircraft

360

00:18:36,789 --> 00:18:34,799

since the initial sighting of the

361

00:18:38,310 --> 00:18:36,799

alleged objects many reports similar in

362

00:18:40,230 --> 00:18:38,320

nature have been received by the

363

00:18:43,029 --> 00:18:40,240

editorial offices

364

00:18:44,789 --> 00:18:43,039

of lubac avalanche journal

365

00:18:46,710 --> 00:18:44,799

and according to this new source

366

00:18:49,110 --> 00:18:46,720

speculation as to the nature of the

367

00:18:54,390 --> 00:18:49,120

phenomenon apparently is causing

368

00:18:59,270 --> 00:18:57,029

so

369

00:19:01,190 --> 00:18:59,280

the interesting thing there is yeah

370

00:19:03,750 --> 00:19:01,200

robert so

371

00:19:05,430 --> 00:19:03,760

whoops portal yeah

372

00:19:07,510 --> 00:19:05,440

maybe not right

373

00:19:11,990 --> 00:19:07,520

so

374

00:19:14,070 --> 00:19:12,000

military

375

00:19:15,510 --> 00:19:14,080

there would be a sound right there is no

376

00:19:18,789 --> 00:19:15,520

sound

377

00:19:22,470 --> 00:19:20,470

and again these reports all have the

378

00:19:24,710 --> 00:19:22,480

same thing no sound no means of

379

00:19:26,950 --> 00:19:24,720

propulsion

380

00:19:28,150 --> 00:19:26,960

incredible speeds

381

00:19:28,950 --> 00:19:28,160

people

382

00:19:30,630 --> 00:19:28,960

like

383

00:19:35,190 --> 00:19:30,640

wake up

384

00:19:41,669 --> 00:19:39,350

so eh you know

385

00:19:45,990 --> 00:19:41,679

and the special agent with osi was

386

00:19:46,000 --> 00:19:48,789

howard

387

00:19:48,799 --> 00:19:51,669

something

388

00:19:54,789 --> 00:19:53,590

so

389

00:19:56,549 --> 00:19:54,799

that's pretty

390

00:19:59,510 --> 00:19:56,559

much it

391

00:20:01,430 --> 00:19:59,520

it's just interesting how

392

00:20:04,230 --> 00:20:01,440

you know different formations and even

393

00:20:05,990 --> 00:20:04,240

different objects

394

00:20:10,950 --> 00:20:06,000

of the phenomenon and everything just

395

00:20:17,029 --> 00:20:12,149

and i

396

00:20:22,230 --> 00:20:19,669

you know i was watching lou and max

397

00:20:28,310 --> 00:20:22,240

right max made this documentary of

398

00:20:31,669 --> 00:20:30,470

and it was inspiring it was beautiful

399

00:20:35,909 --> 00:20:31,679

lou

400

00:20:35,919 --> 00:20:40,630

it's time to grow

401
00:20:43,830 --> 00:20:42,390
you know

402
00:20:47,590 --> 00:20:43,840
and if you don't grow you get left

403
00:20:52,710 --> 00:20:50,390
i don't like having fomo so

404
00:20:54,310 --> 00:20:52,720
i'm going to try to grow right and i

405
00:20:55,590 --> 00:20:54,320
don't know where this goes i don't know

406
00:20:58,070 --> 00:20:55,600
where i'm going

407
00:20:59,830 --> 00:20:58,080
i don't know where i'll be in a year

408
00:21:03,990 --> 00:20:59,840
i don't know where this topic will be in

409
00:21:11,430 --> 00:21:05,590
but i'm trying to grow that's all you

410
00:21:11,440 --> 00:21:15,190
i'm trying my best

411
00:21:19,590 --> 00:21:17,190
i'm not in it for money i'm in it to

412
00:21:21,900 --> 00:21:19,600
help if i was in it for money i wouldn't

413
00:21:24,149 --> 00:21:21,910

even have this office to do this in

414

00:21:26,950 --> 00:21:24,159

[Laughter]

415

00:21:28,710 --> 00:21:26,960

i'd have to buy like a

416

00:21:31,590 --> 00:21:28,720

pay-per-minute cell phone and hope it

417

00:21:33,830 --> 00:21:31,600

has a decent camera and then go find a

418

00:21:37,430 --> 00:21:33,840

wi-fi connection

419

00:21:41,430 --> 00:21:38,630

um

420

00:21:44,149 --> 00:21:41,440

i'm doing it to

421

00:21:48,310 --> 00:21:44,159

learn about this because i've had my own

422

00:21:50,870 --> 00:21:48,320

stuff happen to me that rocked my world

423

00:21:52,710 --> 00:21:50,880

and i know other people have two so if

424

00:21:54,070 --> 00:21:52,720

they appreciate the way i look into this

425

00:22:03,350 --> 00:21:54,080

stuff

426

00:22:07,510 --> 00:22:05,350

but it's also key that i get you know i

427

00:22:09,669 --> 00:22:07,520

can't just believe everything either

428

00:22:13,110 --> 00:22:09,679

just because i had my own

429

00:22:15,430 --> 00:22:13,120

encounter you know that was a conscious

430

00:22:19,669 --> 00:22:15,440

quantum consciousness driven basically

431

00:22:24,870 --> 00:22:20,630

so

432

00:22:29,750 --> 00:22:26,630

you know coming into this before i had

433

00:22:31,270 --> 00:22:29,760

the experience i was definitely a

434

00:22:33,110 --> 00:22:31,280

um

435

00:22:35,430 --> 00:22:33,120

naysayer type

436

00:22:37,190 --> 00:22:35,440

like oh that's funny yeah i'm sure

437

00:22:41,270 --> 00:22:37,200

so true

438

00:22:46,950 --> 00:22:43,110

you know so that's still a part of my

439

00:22:47,750 --> 00:22:46,960

dna although i've had a severe encounter

440

00:22:49,590 --> 00:22:47,760

that

441

00:22:51,190 --> 00:22:49,600

i can't deny

442

00:22:55,750 --> 00:22:51,200

you know so

443

00:22:56,789 --> 00:22:55,760

i'm constantly on this line of

444

00:23:01,190 --> 00:22:56,799

you know

445

00:23:01,200 --> 00:23:06,390

and not discounting everything

446

00:23:09,590 --> 00:23:07,990

you know and it's uh incredibly

447

00:23:13,029 --> 00:23:09,600

difficult because i feel like for the

448

00:23:16,630 --> 00:23:14,549

you know it's not just black and white

449

00:23:17,909 --> 00:23:16,640

but there are the two sides the skeptics

450

00:23:19,590 --> 00:23:17,919

and

451
00:23:20,789 --> 00:23:19,600
the believers then you get the believers

452
00:23:23,990 --> 00:23:20,799
who are

453
00:23:25,750 --> 00:23:24,000
into you know you could even break those

454
00:23:27,830 --> 00:23:25,760
up into people who think it's foreign

455
00:23:29,270 --> 00:23:27,840
tech people who think it's spaceships

456
00:23:32,870 --> 00:23:29,280
people who think it's our tech people

457
00:23:37,110 --> 00:23:34,470
and then you just go spaceships

458
00:23:39,510 --> 00:23:37,120
interdimensional

459
00:23:41,510 --> 00:23:39,520
you know and to me going that far just

460
00:23:43,110 --> 00:23:41,520
kind of seems

461
00:23:46,789 --> 00:23:43,120
it's fun to think about but it just

462
00:23:49,430 --> 00:23:46,799
seems silly because you know you can't

463
00:23:51,669 --> 00:23:49,440

you can't go from um

464

00:23:54,230 --> 00:23:51,679

navy videos to

465

00:24:00,470 --> 00:23:54,240

knowing exactly what it is

466

00:24:04,230 --> 00:24:02,230

but we just have to keep taking those

467

00:24:06,310 --> 00:24:04,240

steps to get more and more information

468

00:24:07,909 --> 00:24:06,320

and be open and available to whatever

469

00:24:10,549 --> 00:24:07,919

that truth is

470

00:24:19,909 --> 00:24:12,789

probably multiple truths could almost

471

00:24:19,919 --> 00:24:22,630

so

472

00:24:27,510 --> 00:24:24,310

yeah i mean that's a good point robert

473

00:24:33,350 --> 00:24:31,029

the effect it had on us is the real key

474

00:24:34,310 --> 00:24:33,360

like i've said this to my wife and other

475

00:24:35,909 --> 00:24:34,320

people

476

00:24:38,230 --> 00:24:35,919

it's like there's

477

00:24:40,789 --> 00:24:38,240

no way in a million years before i had

478

00:24:42,950 --> 00:24:40,799

that sighting i would ever have guessed

479

00:24:44,789 --> 00:24:42,960

or even thought about i don't even

480

00:24:47,830 --> 00:24:44,799

i haven't even thought

481

00:24:48,870 --> 00:24:47,840

of the idea

482

00:24:52,630 --> 00:24:48,880

of

483

00:24:56,070 --> 00:24:52,640

hosting a live podcast let alone

484

00:25:01,590 --> 00:24:58,710

i never even performed my music on a

485

00:25:04,070 --> 00:25:01,600

live stream

486

00:25:06,390 --> 00:25:04,080

and i was a musician for a long time and

487

00:25:07,909 --> 00:25:06,400

coronavirus came if i was gonna do it it

488

00:25:12,830 --> 00:25:07,919

would have been then but i didn't join

489

00:25:21,029 --> 00:25:16,070

crowd so it's like what does it all mean

490

00:25:24,870 --> 00:25:23,110

you know i'm saying all this stuff to

491

00:25:27,669 --> 00:25:24,880

you but what does that mean what's the

492

00:25:29,669 --> 00:25:27,679

point of it you know

493

00:25:35,110 --> 00:25:29,679

okay so i'm doing something i never

494

00:25:40,390 --> 00:25:38,149

so so what what does that mean

495

00:25:45,830 --> 00:25:40,400

i don't know

496

00:25:52,870 --> 00:25:49,830

i just don't know

497

00:25:54,390 --> 00:25:52,880

so if you want to read these files on

498

00:25:55,909 --> 00:25:54,400

the lubock

499

00:25:58,870 --> 00:25:55,919

lights

500

00:26:01,590 --> 00:25:58,880

you can go to my website and read them

501
00:26:03,669 --> 00:26:01,600
and look at the black-and-white photos

502
00:26:05,990 --> 00:26:03,679
and do what you want with it um it's a

503
00:26:08,070 --> 00:26:06,000
pretty good one i like the cases that

504
00:26:09,190 --> 00:26:08,080
they obviously put a lot of extra effort

505
00:26:11,750 --> 00:26:09,200
into

506
00:26:13,830 --> 00:26:11,760
and um this is one of them

507
00:26:16,149 --> 00:26:13,840
um and i think it's because there was

508
00:26:16,950 --> 00:26:16,159
authentic photos

509
00:26:18,950 --> 00:26:16,960
so

510
00:26:20,950 --> 00:26:18,960
you know you want disclosure i would say

511
00:26:23,269 --> 00:26:20,960
that those photos may be

512
00:26:27,510 --> 00:26:23,279
you know there you go

513
00:26:31,430 --> 00:26:29,909

haven't debunked them even skeptics

514

00:26:35,269 --> 00:26:31,440

where they're looking at the lights

515

00:26:41,430 --> 00:26:38,630

and they try to recreate it by filming

516

00:26:45,669 --> 00:26:41,440

birds in a flying v and they couldn't do

517

00:26:53,830 --> 00:26:48,630

means something doesn't it

518

00:26:59,510 --> 00:26:55,830

experiment there

519

00:27:04,070 --> 00:27:01,830

it's like if mick west were actually to

520

00:27:06,070 --> 00:27:04,080

decide to try and recreate the things he

521

00:27:11,669 --> 00:27:06,080

debunks

522

00:27:16,630 --> 00:27:13,909

at least being a passenger in a fighter

523

00:27:21,750 --> 00:27:19,350

getting a feel for it at the very least

524

00:27:31,029 --> 00:27:21,760

you know

525

00:27:35,510 --> 00:27:33,269

yeah so what's it gonna take because we

526
00:27:37,830 --> 00:27:35,520
have you know like how many times can i

527
00:27:40,470 --> 00:27:37,840
go over these cases

528
00:27:41,909 --> 00:27:40,480
like it's disclosure every day on here

529
00:27:44,230 --> 00:27:41,919
you know

530
00:27:46,310 --> 00:27:44,240
basically

531
00:27:48,870 --> 00:27:46,320
so what is it gonna take

532
00:27:49,830 --> 00:27:48,880
a photo

533
00:27:51,990 --> 00:27:49,840
no

534
00:27:54,870 --> 00:27:52,000
video

535
00:27:58,070 --> 00:27:54,880
unless it's like mind blowing

536
00:28:00,230 --> 00:27:58,080
like a convertible saucer with an alien

537
00:28:05,990 --> 00:28:00,240
and long hair blowing in the wind i'm

538
00:28:13,750 --> 00:28:07,430

you know another thing lou touched on

539

00:28:18,230 --> 00:28:15,669

i forgot the word he used but

540

00:28:23,110 --> 00:28:18,240

complacency basically

541

00:28:26,950 --> 00:28:25,350

what is it you're looking for

542

00:28:29,029 --> 00:28:26,960

it's a good question

543

00:28:31,990 --> 00:28:29,039

everybody has to ask that of themselves

544

00:28:37,110 --> 00:28:32,000

what is it you're looking for here right

545

00:28:41,110 --> 00:28:38,950

you know in the end sometimes i think

546

00:28:43,430 --> 00:28:41,120

i'm not even looking for what it is as

547

00:28:49,750 --> 00:28:43,440

much as i'm looking to help people who

548

00:28:49,760 --> 00:28:52,549

you know

549

00:29:02,149 --> 00:28:55,669

all i can do

550

00:29:04,310 --> 00:29:02,159

so yeah but i'm looking forward to harry

551
00:29:06,149 --> 00:29:04,320
reid that's gonna be awesome um i think

552
00:29:09,350 --> 00:29:06,159
he could give us some nice

553
00:29:11,269 --> 00:29:09,360
maybe advice too right

554
00:29:14,310 --> 00:29:11,279
um

555
00:29:19,909 --> 00:29:14,320
he's been around the block

556
00:29:24,310 --> 00:29:22,310
what are his thoughts

557
00:29:26,149 --> 00:29:24,320
what's his advice to keep pushing this

558
00:29:28,230 --> 00:29:26,159
forward

559
00:29:32,389 --> 00:29:28,240
i bet he would have some good stuff for

560
00:29:36,149 --> 00:29:34,630
yeah

561
00:29:38,230 --> 00:29:36,159
you know i think that's a great point

562
00:29:40,950 --> 00:29:38,240
robert if we don't get stars in our eyes

563
00:29:43,269 --> 00:29:40,960

with this stuff we can do it

564

00:29:45,190 --> 00:29:43,279

i think that's true right because when

565

00:29:46,230 --> 00:29:45,200

you do get a little too

566

00:29:48,230 --> 00:29:46,240

uh

567

00:29:49,510 --> 00:29:48,240

you know everything's awesome and cool

568

00:29:51,590 --> 00:29:49,520

you're you're not

569

00:29:52,710 --> 00:29:51,600

um

570

00:29:54,070 --> 00:29:52,720

you're not

571

00:29:57,110 --> 00:29:54,080

you've already made up your mind

572

00:30:02,230 --> 00:29:57,120

basically you know

573

00:30:05,990 --> 00:30:03,669

you're just biased

574

00:30:09,190 --> 00:30:06,000

towards what you want to be true

575

00:30:12,310 --> 00:30:09,200

which is a very hard thing to not do

576
00:30:16,310 --> 00:30:13,430
but

577
00:30:19,190 --> 00:30:16,320
that's what happens

578
00:30:26,310 --> 00:30:21,029
oh yeah spaghetti you get a microphone

579
00:30:28,789 --> 00:30:27,510
so

580
00:30:30,549 --> 00:30:28,799
um

581
00:30:32,789 --> 00:30:30,559
i'd like to move to

582
00:30:36,230 --> 00:30:32,799
maybe some uh

583
00:30:42,070 --> 00:30:36,240
phone calls how does that sound you guys

584
00:30:45,590 --> 00:30:43,590
um what's going on now it's pretty

585
00:30:49,190 --> 00:30:45,600
exciting with louis alzando all this

586
00:30:49,200 --> 00:30:53,110
happening

587
00:31:00,909 --> 00:30:56,310
you know in san marino um great article

588
00:31:07,269 --> 00:31:03,029

thedebrief.com today

589

00:31:11,590 --> 00:31:08,470

so you should check that out they kind

590

00:31:13,909 --> 00:31:11,600

of played it as is you know san marina

591

00:31:16,470 --> 00:31:13,919

or you know the new you know

592

00:31:17,509 --> 00:31:16,480

geneva for uap or whatever and i think

593

00:31:19,990 --> 00:31:17,519

that's

594

00:31:22,789 --> 00:31:20,000

um if you talk to gary who i talked with

595

00:31:23,909 --> 00:31:22,799

on uh disclosure teams show yesterday

596

00:31:25,990 --> 00:31:23,919

it's kind of

597

00:31:27,590 --> 00:31:26,000

maybe putting the

598

00:31:30,789 --> 00:31:27,600

card in front of the horse a little bit

599

00:31:33,269 --> 00:31:32,470

just a little

600

00:31:35,190 --> 00:31:33,279

but

601
00:31:36,870 --> 00:31:35,200
it all looks very great

602
00:31:39,190 --> 00:31:36,880
but that's you know

603
00:31:40,870 --> 00:31:39,200
i i would say i don't have a

604
00:31:43,350 --> 00:31:40,880
good enough feel

605
00:31:45,830 --> 00:31:43,360
for the actual situation to say one way

606
00:31:49,509 --> 00:31:45,840
or another first of all i wasn't there i

607
00:31:51,430 --> 00:31:49,519
haven't talked to anybody that was there

608
00:31:53,590 --> 00:31:51,440
you know all i have to go off of is what

609
00:31:55,509 --> 00:31:53,600
people are saying about it and it it

610
00:31:57,110 --> 00:31:55,519
seems pretty exciting

611
00:31:58,870 --> 00:31:57,120
um

612
00:32:05,590 --> 00:31:58,880
yeah and how would the u.n do this right

613
00:32:05,600 --> 00:32:08,310

yeah

614

00:32:17,509 --> 00:32:09,750

you know he's not the only one to say

615

00:32:23,190 --> 00:32:21,669

uh the uk i think has more to do with uh

616

00:32:25,110 --> 00:32:23,200

mums the word

617

00:32:28,549 --> 00:32:25,120

than people think

618

00:32:31,190 --> 00:32:28,559

i have a feeling

619

00:32:33,509 --> 00:32:31,200

you know it's interesting because uap

620

00:32:36,950 --> 00:32:33,519

and the definition for it they took from

621

00:32:42,310 --> 00:32:39,509

borrowed it

622

00:32:44,470 --> 00:32:42,320

so why are we

623

00:32:46,470 --> 00:32:44,480

borrowing things of how to do this from

624

00:32:47,990 --> 00:32:46,480

the uk

625

00:32:49,350 --> 00:32:48,000

does that mean they have more experience

626
00:32:54,149 --> 00:32:49,360
perhaps

627
00:32:57,750 --> 00:32:55,830
yesterday we learned the invisible

628
00:33:00,950 --> 00:32:57,760
college actually started with the royal

629
00:33:00,960 --> 00:33:04,710
in the uk

630
00:33:06,460 --> 00:33:05,909
who knows

631
00:33:08,470 --> 00:33:06,470
who

632
00:33:11,029 --> 00:33:08,480
[Music]

633
00:33:13,190 --> 00:33:11,039
knows

634
00:33:14,710 --> 00:33:13,200
but there are secret keepers and i hate

635
00:33:16,789 --> 00:33:14,720
them because

636
00:33:18,149 --> 00:33:16,799
all they could do is just share the data

637
00:33:21,430 --> 00:33:18,159
that they have

638
00:33:28,710 --> 00:33:24,870

you know we could skip so much

639

00:33:32,389 --> 00:33:30,549

you got avi going out there doing his

640

00:33:33,830 --> 00:33:32,399

projects super excited for that lou is

641

00:33:35,750 --> 00:33:33,840

doing his stuff

642

00:33:37,750 --> 00:33:35,760

everybody's doing things well and here

643

00:33:40,230 --> 00:33:37,760

we go we got the secret keepers sitting

644

00:33:41,750 --> 00:33:40,240

here with uh the data that could i don't

645

00:33:43,269 --> 00:33:41,760

know if they could put it into this or

646

00:33:45,029 --> 00:33:43,279

not but they could at least help shed

647

00:33:46,310 --> 00:33:45,039

some light on it and they're sitting

648

00:33:52,470 --> 00:33:46,320

there with their finger in their ass

649

00:33:57,110 --> 00:33:54,950

now so when we talk about grow up

650

00:33:58,710 --> 00:33:57,120

you got to grow or you get left behind

651
00:34:02,070 --> 00:33:58,720
whoever's holding onto this data and

652
00:34:03,990 --> 00:34:02,080
won't let it go you need to grow up this

653
00:34:05,509 --> 00:34:04,000
world isn't yours

654
00:34:06,630 --> 00:34:05,519
you don't have the right to make

655
00:34:10,310 --> 00:34:06,640
decisions

656
00:34:12,069 --> 00:34:10,320
on behalf of the world population

657
00:34:13,510 --> 00:34:12,079
and if you do think you have that

658
00:34:15,109 --> 00:34:13,520
privilege

659
00:34:19,430 --> 00:34:15,119
you should be

660
00:34:27,750 --> 00:34:20,950
because i don't care who you are you

661
00:34:32,069 --> 00:34:29,909
i don't care if you know you share this

662
00:34:33,829 --> 00:34:32,079
so maybe other people will find out what

663
00:34:37,430 --> 00:34:33,839

the tech is and

664

00:34:38,550 --> 00:34:37,440

maybe you won't make much money anymore

665

00:34:40,710 --> 00:34:38,560

well you know what you can't take it

666

00:34:42,149 --> 00:34:40,720

with you when you die what you will just

667

00:34:44,069 --> 00:34:42,159

like me

668

00:34:50,470 --> 00:34:44,079

that money won't go with you it'll stay

669

00:34:54,950 --> 00:34:52,950

and the tech will stay here

670

00:34:59,910 --> 00:34:54,960

well maybe there's other dimensions

671

00:35:05,109 --> 00:35:02,390

and you know what

672

00:35:06,790 --> 00:35:05,119

and how is not that not even like the

673

00:35:08,390 --> 00:35:06,800

most important thing that we're talking

674

00:35:10,870 --> 00:35:08,400

about right now is figuring out who

675

00:35:14,230 --> 00:35:10,880

these jerks are

676

00:35:16,310 --> 00:35:14,240

in getting stuff from them

677

00:35:18,470 --> 00:35:16,320

yeah we're we're still like looping

678

00:35:20,950 --> 00:35:18,480

around these people with different ideas

679

00:35:22,870 --> 00:35:20,960

and ways of doing things maybe this is

680

00:35:32,069 --> 00:35:22,880

the investigation of the ig we'll figure

681

00:35:32,079 --> 00:35:36,710

but

682

00:35:36,720 --> 00:35:41,829

it's jack crap you know

683

00:35:49,349 --> 00:35:43,670

it's like you got the cure but you want

684

00:35:55,589 --> 00:35:51,430

what an awful person in history will

685

00:36:02,710 --> 00:35:55,599

have those names in the books

686

00:36:06,630 --> 00:36:04,710

they won't be

687

00:36:09,750 --> 00:36:06,640

as beautiful

688

00:36:12,230 --> 00:36:09,760

as a martin luther king jr or an abraham

689

00:36:14,069 --> 00:36:12,240

lincoln

690

00:36:16,069 --> 00:36:14,079

or a jfk

691

00:36:21,750 --> 00:36:16,079

they will be the villain they'll be the

692

00:36:25,510 --> 00:36:23,670

you know

693

00:36:28,310 --> 00:36:25,520

and maybe they get off on that sort of

694

00:36:35,430 --> 00:36:28,320

thing that's fine but i'll tell you what

695

00:36:35,440 --> 00:36:42,390

so you can try as much as you want

696

00:36:46,150 --> 00:36:43,320

five steps away

697

00:36:48,390 --> 00:36:46,160

[Laughter]

698

00:36:53,990 --> 00:36:48,400

nice spaghetti

699

00:37:02,150 --> 00:36:55,670

yeah of course i want to know a secret

700

00:37:06,150 --> 00:37:04,069

gatekeepers are

701
00:37:09,750 --> 00:37:06,160
locked

702
00:37:10,870 --> 00:37:09,760
behind the gates of nda's huh

703
00:37:12,069 --> 00:37:10,880
oh yeah i was going to get the phone

704
00:37:13,670 --> 00:37:12,079
going

705
00:37:15,829 --> 00:37:13,680
i do have it

706
00:37:18,390 --> 00:37:15,839
up actually um

707
00:37:21,030 --> 00:37:18,400
i always forget the number

708
00:37:26,390 --> 00:37:21,040
god damn it

709
00:37:34,710 --> 00:37:28,550
yeah it's gotta be here somewhere

710
00:37:38,310 --> 00:37:36,550
secret keepers

711
00:37:39,589 --> 00:37:38,320
i wish i could just have one call with

712
00:37:44,390 --> 00:37:39,599
them one

713
00:37:47,030 --> 00:37:46,230

not that i would change anyone's minds

714

00:37:48,790 --> 00:37:47,040

but

715

00:37:50,310 --> 00:37:48,800

obviously

716

00:37:53,910 --> 00:37:50,320

it's not gonna be like oh sean came

717

00:37:53,920 --> 00:37:56,950

yellow

718

00:38:04,790 --> 00:38:00,310

hello

719

00:38:06,310 --> 00:38:04,800

hey i'm sorry man

720

00:38:11,030 --> 00:38:06,320

hold on give me a second

721

00:38:15,270 --> 00:38:13,190

yeah i bought a new mic i don't know the

722

00:38:17,270 --> 00:38:15,280

i i was surprised at how inexpensive

723

00:38:19,190 --> 00:38:17,280

they were and i did the tracking it's

724

00:38:21,109 --> 00:38:19,200

less than a half a mile away but it's

725

00:38:22,150 --> 00:38:21,119

still five stops you know new york goes

726

00:38:23,990 --> 00:38:22,160

up and down

727

00:38:27,750 --> 00:38:24,000

oh no um

728

00:38:31,589 --> 00:38:29,910

all right

729

00:38:32,630 --> 00:38:31,599

well i could probably see him from my

730

00:38:34,630 --> 00:38:32,640

window

731

00:38:36,230 --> 00:38:34,640

but i wanted to chase him down no i

732

00:38:38,470 --> 00:38:36,240

listened to the audio the audio was a

733

00:38:40,390 --> 00:38:38,480

little shitty on that i got to be honest

734

00:38:42,390 --> 00:38:40,400

you sounded good like we sounded good

735

00:38:44,390 --> 00:38:42,400

talking but the re i re-listened it

736

00:38:47,510 --> 00:38:44,400

didn't sound all that great oh well yeah

737

00:38:49,270 --> 00:38:47,520

i told you then it's just a computer mic

738

00:38:51,270 --> 00:38:49,280

you can only do so much

739

00:38:52,870 --> 00:38:51,280

i was surprised at how inexpensive some

740

00:38:54,390 --> 00:38:52,880

of this stuff was i'm looking at him

741

00:38:56,150 --> 00:38:54,400

like he could buy a whole podcast

742

00:38:58,390 --> 00:38:56,160

starter kit for like two hundred dollars

743

00:38:59,430 --> 00:38:58,400

like whoa hold the boat

744

00:39:02,790 --> 00:38:59,440

well

745

00:39:04,470 --> 00:39:02,800

be careful you do get what you pay for

746

00:39:06,310 --> 00:39:04,480

yeah so i kind of went middle in the

747

00:39:08,550 --> 00:39:06,320

road i like middle of the road i didn't

748

00:39:10,790 --> 00:39:08,560

buy so i don't want to boom in my face

749

00:39:12,470 --> 00:39:10,800

yeah i don't want that you know

750

00:39:14,950 --> 00:39:12,480

um i see but i bought a decent one i

751

00:39:16,390 --> 00:39:14,960

think i think we'll see we'll see could

752

00:39:18,630 --> 00:39:16,400

always upgrade it they're not that

753

00:39:20,150 --> 00:39:18,640

expensive i could always upgrade so let

754

00:39:22,470 --> 00:39:20,160

me ask you what do you remember about

755

00:39:24,150 --> 00:39:22,480

the lubbock lights

756

00:39:26,390 --> 00:39:24,160

not that you're there mispronouncing

757

00:39:36,550 --> 00:39:26,400

lubock it's lubbock

758

00:39:40,390 --> 00:39:38,790

yeah that's what i remember well what do

759

00:39:42,069 --> 00:39:40,400

i remember off the top of my head about

760

00:39:43,910 --> 00:39:42,079

lubbock lights nothing they're like

761

00:39:47,190 --> 00:39:43,920

boomerang shaped

762

00:39:48,710 --> 00:39:47,200

um or v-shaped and they're in all the

763

00:39:51,589 --> 00:39:48,720

old books

764

00:39:53,750 --> 00:39:51,599

there was uh college professors or

765

00:39:55,109 --> 00:39:53,760

something saw it that that was like that

766

00:39:57,510 --> 00:39:55,119

big claim to fame that they couldn't

767

00:40:00,310 --> 00:39:57,520

just whitewash that over like there were

768

00:40:01,910 --> 00:40:00,320

credible witnesses to that one yeah um

769

00:40:03,349 --> 00:40:01,920

not much it's like a footnote it's not

770

00:40:04,309 --> 00:40:03,359

like there were books written on it or

771

00:40:06,230 --> 00:40:04,319

anything

772

00:40:07,829 --> 00:40:06,240

um

773

00:40:09,750 --> 00:40:07,839

but it was like you know what's

774

00:40:11,670 --> 00:40:09,760

interesting about lubbock lights is you

775

00:40:14,309 --> 00:40:11,680

could like toss them into that giant

776

00:40:16,790 --> 00:40:14,319

wave of the early 50s you know yeah it's

777

00:40:19,109 --> 00:40:16,800

like got to be close in time to the dc

778

00:40:21,510 --> 00:40:19,119

sightings right it is it's a year before

779

00:40:24,150 --> 00:40:21,520

less than a year before

780

00:40:26,150 --> 00:40:24,160

yeah there was like a big wave back then

781

00:40:27,430 --> 00:40:26,160

you know like a lot of people are seeing

782

00:40:30,950 --> 00:40:27,440

stuff

783

00:40:33,430 --> 00:40:30,960

say maybe that didn't stop just the

784

00:40:35,030 --> 00:40:33,440

media stop reporting it possibly

785

00:40:36,710 --> 00:40:35,040

yeah i don't think so if you really

786

00:40:39,910 --> 00:40:36,720

really look at it right you had to

787

00:40:43,109 --> 00:40:39,920

grudge and sign and blue book and then

788

00:40:44,069 --> 00:40:43,119

after that it really went quiet right

789

00:40:45,910 --> 00:40:44,079

right

790

00:40:48,230 --> 00:40:45,920

there was in the beginning i say after

791

00:40:50,150 --> 00:40:48,240

saying 47 you got roswell and then it

792

00:40:53,030 --> 00:40:50,160

came out and they would talk about it

793

00:40:55,510 --> 00:40:53,040

all the way up to the 50s um they would

794

00:40:57,670 --> 00:40:55,520

act the media would talk about it like

795

00:41:00,230 --> 00:40:57,680

there was an active dialogue in the

796

00:41:02,870 --> 00:41:00,240

media about ufos the military was doing

797

00:41:05,190 --> 00:41:02,880

press conferences about ufos you know

798

00:41:08,069 --> 00:41:05,200

proclaiming that they're not a threat

799

00:41:11,030 --> 00:41:08,079

and you know it but then it went silent

800

00:41:13,030 --> 00:41:11,040

just literally media silent and that's

801
00:41:15,829 --> 00:41:13,040
where i think mockingbird

802
00:41:17,190 --> 00:41:15,839
um project mockingbird came into play

803
00:41:20,150 --> 00:41:17,200
that's where they like

804
00:41:22,470 --> 00:41:20,160
infiltrated the media and said shush

805
00:41:23,589 --> 00:41:22,480
quiet about this stuff don't talk about

806
00:41:25,190 --> 00:41:23,599
this stuff

807
00:41:26,150 --> 00:41:25,200
and then they started to make a mockery

808
00:41:28,790 --> 00:41:26,160
of it

809
00:41:30,550 --> 00:41:28,800
and it really went dead really until

810
00:41:32,550 --> 00:41:30,560
freeman kind of started digging around

811
00:41:35,990 --> 00:41:32,560
roswell and then it started to come back

812
00:41:38,230 --> 00:41:36,000
creep back in really you know

813
00:41:40,150 --> 00:41:38,240

interesting yeah so was it like a

814

00:41:42,390 --> 00:41:40,160

sighting that got everybody back or

815

00:41:44,790 --> 00:41:42,400

anything it was kind of a rehash of an

816

00:41:47,589 --> 00:41:44,800

old one

817

00:41:50,390 --> 00:41:47,599

it's it's that it never went away

818

00:41:52,390 --> 00:41:50,400

and curious people started poking around

819

00:41:53,990 --> 00:41:52,400

right you know stan freeman really

820

00:41:55,670 --> 00:41:54,000

didn't let it go

821

00:41:57,270 --> 00:41:55,680

and uh he

822

00:41:58,710 --> 00:41:57,280

literally the evidence just started to

823

00:42:01,270 --> 00:41:58,720

build where people got more and more

824

00:42:03,750 --> 00:42:01,280

curious look when you come out in 1947

825

00:42:04,870 --> 00:42:03,760

and say the army has retrieved a flying

826

00:42:07,030 --> 00:42:04,880

saucer

827

00:42:08,870 --> 00:42:07,040

and then debunk it the next day people

828

00:42:10,069 --> 00:42:08,880

are not going to forget that you know

829

00:42:12,390 --> 00:42:10,079

what i mean there's always going to be

830

00:42:13,750 --> 00:42:12,400

the plus with the extra sightings that

831

00:42:16,630 --> 00:42:13,760

were happening

832

00:42:18,390 --> 00:42:16,640

um the big wave in 1952 the crash in

833

00:42:20,150 --> 00:42:18,400

kecksburg the betty and barney hill

834

00:42:23,510 --> 00:42:20,160

thing in early 60s

835

00:42:25,190 --> 00:42:23,520

it it continued on yeah so that you

836

00:42:27,270 --> 00:42:25,200

can't really sweep it under the rock

837

00:42:29,670 --> 00:42:27,280

totally yeah but that's really like

838

00:42:31,829 --> 00:42:29,680

today they can never do that everybody's

839

00:42:33,589 --> 00:42:31,839

got phones everybody's got video cameras

840

00:42:34,470 --> 00:42:33,599

there's no way they could cover this up

841

00:42:35,990 --> 00:42:34,480

now

842

00:42:36,790 --> 00:42:36,000

let me ask you this

843

00:42:38,309 --> 00:42:36,800

um

844

00:42:39,829 --> 00:42:38,319

you know you've obviously done quite a

845

00:42:43,030 --> 00:42:39,839

bit of research on this stuff because

846

00:42:44,710 --> 00:42:43,040

you you know a good amount

847

00:42:46,230 --> 00:42:44,720

if you had to take a guess

848

00:42:49,589 --> 00:42:46,240

or maybe even know

849

00:42:50,870 --> 00:42:49,599

um who do you think is responsible for

850

00:42:54,309 --> 00:42:50,880

um

851
00:42:57,750 --> 00:42:54,319
you know keeping everything wrapped up

852
00:42:59,670 --> 00:42:57,760
keeping everything quiet yeah

853
00:43:01,270 --> 00:42:59,680
i think there's a combination of factors

854
00:43:03,349 --> 00:43:01,280
i think early on they were able to use

855
00:43:06,069 --> 00:43:03,359
it for military strategy

856
00:43:07,030 --> 00:43:06,079
okay because you have the government

857
00:43:09,349 --> 00:43:07,040
making

858
00:43:11,109 --> 00:43:09,359
or building manufacturing secret

859
00:43:13,910 --> 00:43:11,119
aircraft basically to fly over the

860
00:43:17,430 --> 00:43:13,920
soviet union and take pictures right

861
00:43:19,910 --> 00:43:17,440
and they used the ufo phenomenon

862
00:43:21,910 --> 00:43:19,920
to keep people like iffy about it no you

863
00:43:24,230 --> 00:43:21,920

didn't see an aircraft though you didn't

864

00:43:26,550 --> 00:43:24,240

see a ufo they just denied everything

865

00:43:28,630 --> 00:43:26,560

because they had secret aircraft in the

866

00:43:29,910 --> 00:43:28,640

air so let's just hush hush hush you

867

00:43:32,309 --> 00:43:29,920

didn't see anything

868

00:43:33,349 --> 00:43:32,319

right sr-71 no there's nothing to see

869

00:43:35,750 --> 00:43:33,359

here

870

00:43:39,270 --> 00:43:35,760

so i think the military and i think you

871

00:43:41,430 --> 00:43:39,280

also had a very compliant population

872

00:43:44,150 --> 00:43:41,440

american public was compliant they were

873

00:43:45,430 --> 00:43:44,160

really high on themselves after the war

874

00:43:47,349 --> 00:43:45,440

right

875

00:43:48,950 --> 00:43:47,359

you came back we were the only country

876

00:43:51,990 --> 00:43:48,960

in the world that really wasn't

877

00:43:54,230 --> 00:43:52,000

destroyed all of europe was destroyed

878

00:43:56,790 --> 00:43:54,240

america had all its natural resources

879

00:43:58,710 --> 00:43:56,800

all its manufacturing we fed the world

880

00:44:00,870 --> 00:43:58,720

we built everything for the world he had

881

00:44:03,510 --> 00:44:00,880

a very compliant

882

00:44:04,950 --> 00:44:03,520

prosperous population that just got in

883

00:44:06,710 --> 00:44:04,960

line and did the right thing and they

884

00:44:09,270 --> 00:44:06,720

trusted their government and the

885

00:44:10,950 --> 00:44:09,280

government wanted it quiet and the media

886

00:44:12,870 --> 00:44:10,960

was compliant too

887

00:44:14,390 --> 00:44:12,880

you know after vietnam things started

888

00:44:16,470 --> 00:44:14,400

changing that's when people started to

889

00:44:18,069 --> 00:44:16,480

distrust the government you know

890

00:44:20,150 --> 00:44:18,079

interesting they're taking young people

891

00:44:23,270 --> 00:44:20,160

who aren't even volunteering to go to

892

00:44:25,109 --> 00:44:23,280

war and die and kill for why that's

893

00:44:27,109 --> 00:44:25,119

terrible you know what i mean so once

894

00:44:28,630 --> 00:44:27,119

the hippies got a hold of it you know

895

00:44:31,270 --> 00:44:28,640

they're all flower children but they

896

00:44:32,870 --> 00:44:31,280

also said no way man i'm not going and

897

00:44:34,630 --> 00:44:32,880

people started to change their attitude

898

00:44:37,109 --> 00:44:34,640

that the government might not be as nice

899

00:44:39,190 --> 00:44:37,119

or as trustworthy as you know we like to

900

00:44:41,670 --> 00:44:39,200

think yeah and they started to question

901
00:44:44,230 --> 00:44:41,680
it and then it started to come out

902
00:44:47,589 --> 00:44:44,240
i think freeman deserves a lot of credit

903
00:44:49,589 --> 00:44:47,599
yeah and roswell i know that a lot of

904
00:44:52,069 --> 00:44:49,599
you know roswell a lot of people just

905
00:44:53,589 --> 00:44:52,079
kind of tired of talking about it but if

906
00:44:55,270 --> 00:44:53,599
not for that

907
00:44:57,510 --> 00:44:55,280
um

908
00:44:59,910 --> 00:44:57,520
you know he he's really responsible for

909
00:45:02,550 --> 00:44:59,920
keeping it alive for real really

910
00:45:03,750 --> 00:45:02,560
getting jesse marcel to talk i mean just

911
00:45:05,910 --> 00:45:03,760
marcel made

912
00:45:09,990 --> 00:45:05,920
a confession near the end of his life

913
00:45:13,270 --> 00:45:12,309

so the guy the god but the guy in the

914

00:45:16,710 --> 00:45:13,280

picture

915

00:45:18,710 --> 00:45:16,720

with that tin foil at roswell confessed

916

00:45:20,870 --> 00:45:18,720

it was not from this earth

917

00:45:23,829 --> 00:45:20,880

i mean how much more do you need the

918

00:45:27,829 --> 00:45:23,839

confirmation just confessed it not even

919

00:45:28,870 --> 00:45:27,839

jesse marcel jr jesse marcel senior

920

00:45:30,550 --> 00:45:28,880

said that

921

00:45:32,390 --> 00:45:30,560

you know how much more do you really

922

00:45:34,390 --> 00:45:32,400

need and you want to talk about a

923

00:45:36,390 --> 00:45:34,400

population that believes it's it's

924

00:45:38,230 --> 00:45:36,400

government and its media

925

00:45:40,870 --> 00:45:38,240

i mean jesse marcel admitted that yet

926
00:45:42,710 --> 00:45:40,880
you still have people even today saying

927
00:45:44,309 --> 00:45:42,720
i don't know if i believe it and he was

928
00:45:46,710 --> 00:45:44,319
saying

929
00:45:48,230 --> 00:45:46,720
highly credited intelligence officer he

930
00:45:50,470 --> 00:45:48,240
was pretty up the chain

931
00:45:52,069 --> 00:45:50,480
eventually he was he was in charge of

932
00:45:54,550 --> 00:45:52,079
the five and ninth bomber group in

933
00:45:56,790 --> 00:45:54,560
roswell i mean that was our the home of

934
00:45:58,390 --> 00:45:56,800
our nuclear bombers

935
00:46:00,230 --> 00:45:58,400
i mean yeah it was i think the

936
00:46:02,790 --> 00:46:00,240
information officer or something i don't

937
00:46:05,030 --> 00:46:02,800
know his exact rank he wasn't

938
00:46:08,710 --> 00:46:05,040

uh nathan twining was

939

00:46:09,750 --> 00:46:08,720

on top of him he was a general but

940

00:46:16,150 --> 00:46:09,760

twining

941

00:46:20,630 --> 00:46:18,069

hey spaghetti yeah

942

00:46:22,550 --> 00:46:20,640

i'm from wisconsin i don't freaking know

943

00:46:24,710 --> 00:46:22,560

no it's like it's all good hey so is

944

00:46:25,670 --> 00:46:24,720

chris farley man it's all good it's all

945

00:46:26,870 --> 00:46:25,680

good

946

00:46:28,710 --> 00:46:26,880

um

947

00:46:30,309 --> 00:46:28,720

you know what can i ask you a question

948

00:46:33,829 --> 00:46:30,319

yeah really

949

00:46:35,430 --> 00:46:33,839

24 on my uh my battery almost dead

950

00:46:37,829 --> 00:46:35,440

um

951
00:46:40,550 --> 00:46:37,839
i'm concerned about you man

952
00:46:41,589 --> 00:46:40,560
a little bit uh-oh

953
00:46:44,710 --> 00:46:41,599
no

954
00:46:47,190 --> 00:46:44,720
you i i'm watching carefully okay it

955
00:46:50,069 --> 00:46:47,200
seems like you have really been

956
00:46:51,270 --> 00:46:50,079
affected by your experiences okay

957
00:46:53,270 --> 00:46:51,280
i'm not going to turn this into a

958
00:46:56,630 --> 00:46:53,280
therapy session or anything like that

959
00:46:58,950 --> 00:46:56,640
thank you but um you haven't like i

960
00:47:00,470 --> 00:46:58,960
don't know exactly what your experiences

961
00:47:01,430 --> 00:47:00,480
are

962
00:47:05,750 --> 00:47:01,440
but

963
00:47:07,589 --> 00:47:05,760

i could see you're clearly affected and

964

00:47:09,430 --> 00:47:07,599

perhaps coming out here every day and

965

00:47:11,750 --> 00:47:09,440

doing this with us even though maybe a

966

00:47:14,390 --> 00:47:11,760

small crowd that gathers here every day

967

00:47:15,750 --> 00:47:14,400

it may be good for you just keep talking

968

00:47:18,390 --> 00:47:15,760

yeah

969

00:47:19,589 --> 00:47:18,400

just just an observation bro no i

970

00:47:21,349 --> 00:47:19,599

appreciate it

971

00:47:22,790 --> 00:47:21,359

yeah there's good days and bad days i

972

00:47:25,030 --> 00:47:22,800

guess you know

973

00:47:27,910 --> 00:47:25,040

look if if something happens in your

974

00:47:30,950 --> 00:47:27,920

life regardless and say it's traumatic

975

00:47:33,430 --> 00:47:30,960

right and it's a life-changing event

976

00:47:34,390 --> 00:47:33,440

i've seen some crazy stuff myself

977

00:47:37,589 --> 00:47:34,400

so

978

00:47:40,150 --> 00:47:37,599

really quick

979

00:47:42,549 --> 00:47:40,160

and uh just hang in there man just keep

980

00:47:45,910 --> 00:47:42,559

uh keep keep doing this you'll get your

981

00:47:48,630 --> 00:47:45,920

answers yeah you know yeah things exist

982

00:47:51,190 --> 00:47:48,640

they exist bro the stuff is real

983

00:47:53,910 --> 00:47:51,200

you you equated it to if i recall a

984

00:47:55,430 --> 00:47:53,920

quantum consciousness thing

985

00:47:57,829 --> 00:47:55,440

let me let me ask you something further

986

00:47:59,190 --> 00:47:57,839

about that do you believe

987

00:48:02,069 --> 00:47:59,200

that

988

00:48:03,030 --> 00:48:02,079

your your thoughts somehow summoned them

989

00:48:06,150 --> 00:48:03,040

or

990

00:48:07,829 --> 00:48:06,160

that they showed themselves to you like

991

00:48:09,430 --> 00:48:07,839

direct like they didn't fly over your

992

00:48:11,030 --> 00:48:09,440

neighborhood in wisconsin to show the

993

00:48:12,950 --> 00:48:11,040

whole neighborhood like they showed up

994

00:48:14,470 --> 00:48:12,960

for you

995

00:48:16,790 --> 00:48:14,480

do you got that vibe

996

00:48:17,990 --> 00:48:16,800

definitely

997

00:48:21,190 --> 00:48:18,000

yeah

998

00:48:24,150 --> 00:48:21,200

did you have an induction experience uh

999

00:48:24,950 --> 00:48:24,160

not that i know of um

1000

00:48:27,190 --> 00:48:24,960

so

1001

00:48:30,950 --> 00:48:27,200

for for that experience i'll just i'll

1002

00:48:36,549 --> 00:48:30,960

just do a rundown for you um

1003

00:48:37,990 --> 00:48:36,559

so it was about august of 2020

1004

00:48:40,790 --> 00:48:38,000

i want to say

1005

00:48:41,910 --> 00:48:40,800

um so last year yeah

1006

00:48:43,670 --> 00:48:41,920

um

1007

00:48:46,150 --> 00:48:43,680

you know coronavirus was going pretty

1008

00:48:48,309 --> 00:48:46,160

strong and it was the bowling season was

1009

00:48:49,190 --> 00:48:48,319

gonna start i always pulled with my dad

1010

00:48:52,069 --> 00:48:49,200

um

1011

00:48:56,069 --> 00:48:52,079

but the coronavirus was pretty hardcore

1012

00:48:57,750 --> 00:48:56,079

but bowling league was still going on

1013

00:48:59,670 --> 00:48:57,760

i told him i would do it with them if

1014

00:49:03,910 --> 00:48:59,680

people were wearing masks people were

1015

00:49:06,150 --> 00:49:03,920

not wearing masks obviously and

1016

00:49:08,710 --> 00:49:06,160

we got no wound up getting in a pretty

1017

00:49:10,230 --> 00:49:08,720

big fight on the phone the next day with

1018

00:49:12,069 --> 00:49:10,240

like worse than i could ever imagine

1019

00:49:14,150 --> 00:49:12,079

worse than i ever fought with him we

1020

00:49:16,549 --> 00:49:14,160

barely even fought ever at all

1021

00:49:18,230 --> 00:49:16,559

so this was really peculiar

1022

00:49:21,430 --> 00:49:18,240

so the reason i'm mentioning this is

1023

00:49:24,470 --> 00:49:21,440

because two years before i had a dream

1024

00:49:27,030 --> 00:49:24,480

where we argued just like that and i had

1025

00:49:29,109 --> 00:49:27,040

the same thoughts of thinking this is

1026
00:49:30,470 --> 00:49:29,119
weird why are we arguing i've never done

1027
00:49:32,470 --> 00:49:30,480
this with him before

1028
00:49:34,390 --> 00:49:32,480
and it stayed with me all day

1029
00:49:35,109 --> 00:49:34,400
two years later that happened

1030
00:49:38,309 --> 00:49:35,119
so

1031
00:49:40,549 --> 00:49:38,319
a couple days before that

1032
00:49:43,270 --> 00:49:40,559
i'm outside smoking a cigarette

1033
00:49:44,870 --> 00:49:43,280
i'm about to walk into my house

1034
00:49:46,069 --> 00:49:44,880
and

1035
00:49:48,069 --> 00:49:46,079
just above

1036
00:49:49,430 --> 00:49:48,079
me probably looked like it was 50 feet

1037
00:49:50,390 --> 00:49:49,440
above me

1038
00:49:54,790 --> 00:49:50,400

you know

1039

00:49:57,430 --> 00:49:54,800

was a sideways teardrop that seemingly

1040

00:49:59,589 --> 00:49:57,440

like entered and left

1041

00:50:00,390 --> 00:49:59,599

the dimension almost you know

1042

00:50:03,030 --> 00:50:00,400

and

1043

00:50:07,109 --> 00:50:03,040

i was looking at it

1044

00:50:08,549 --> 00:50:07,119

so hard and i could see

1045

00:50:10,829 --> 00:50:08,559

the cloud

1046

00:50:12,950 --> 00:50:10,839

not like a very thick

1047

00:50:16,150 --> 00:50:12,960

dense cloud

1048

00:50:19,190 --> 00:50:16,160

kind of texture and around it was like

1049

00:50:21,190 --> 00:50:19,200

almost like an electric thing that was

1050

00:50:23,589 --> 00:50:21,200

constantly in motion

1051
00:50:25,030 --> 00:50:23,599
like the border of it yeah

1052
00:50:27,750 --> 00:50:25,040
and then so

1053
00:50:29,589 --> 00:50:27,760
that happened so that happens

1054
00:50:32,870 --> 00:50:29,599
the dream comes true

1055
00:50:35,270 --> 00:50:32,880
this is all within like a week's time

1056
00:50:37,589 --> 00:50:35,280
after the dream comes true

1057
00:50:38,630 --> 00:50:37,599
i'm outside

1058
00:50:41,109 --> 00:50:38,640
um

1059
00:50:43,430 --> 00:50:41,119
same thing smoking a cigarette

1060
00:50:44,950 --> 00:50:43,440
uh about to go

1061
00:50:47,750 --> 00:50:44,960
no this time i'm not about to go in the

1062
00:50:50,390 --> 00:50:47,760
house i'm looking at her garage which is

1063
00:50:54,230 --> 00:50:50,400

so the first sighting i was looking

1064

00:50:57,270 --> 00:50:54,240

uh east and this one i'm looking south

1065

00:51:04,470 --> 00:51:00,549

and all of a sudden i feel a like zip

1066

00:51:07,109 --> 00:51:04,480

of light coming across my soldier

1067

00:51:12,549 --> 00:51:10,390

felt and saw like peripheral saw

1068

00:51:15,270 --> 00:51:12,559

so i shouldn't say like feel like i hurt

1069

00:51:18,230 --> 00:51:15,280

or i felt i guess i should say my

1070

00:51:19,190 --> 00:51:18,240

peripheral i saw it coming across my

1071

00:51:21,670 --> 00:51:19,200

shoulder

1072

00:51:23,910 --> 00:51:21,680

and i just knew that i was going to see

1073

00:51:26,069 --> 00:51:23,920

one of these things again and then i had

1074

00:51:28,390 --> 00:51:26,079

to just keep my eyes fixed on the

1075

00:51:30,309 --> 00:51:28,400

direction of where this light went over

1076

00:51:31,589 --> 00:51:30,319

my shoulder

1077

00:51:33,910 --> 00:51:31,599

and it landed right where you were

1078

00:51:36,549 --> 00:51:33,920

looking that's where it went right right

1079

00:51:39,190 --> 00:51:36,559

there over stopped but this time it was

1080

00:51:41,910 --> 00:51:39,200

like a complete sphere but the same

1081

00:51:42,710 --> 00:51:41,920

texture and the same outer ring border

1082

00:51:44,470 --> 00:51:42,720

thing

1083

00:51:45,430 --> 00:51:44,480

right

1084

00:51:47,349 --> 00:51:45,440

and

1085

00:51:49,109 --> 00:51:47,359

so then it was coming you'd say it was

1086

00:51:53,910 --> 00:51:49,119

the same it was basically the same thing

1087

00:51:58,870 --> 00:51:55,829

and you said it was 50 feet away so you

1088

00:52:00,630 --> 00:51:58,880

had uh certain it was within view you

1089

00:52:02,069 --> 00:52:00,640

you could measure it in scale like you

1090

00:52:03,910 --> 00:52:02,079

could see it was in the garage you were

1091

00:52:05,589 --> 00:52:03,920

looking for the garage you could

1092

00:52:08,390 --> 00:52:05,599

tell it was this big in comparison

1093

00:52:10,150 --> 00:52:08,400

relative to the garage yeah

1094

00:52:12,150 --> 00:52:10,160

wow and that

1095

00:52:15,430 --> 00:52:12,160

is that your only two

1096

00:52:17,589 --> 00:52:15,440

uh one one more time my only two no

1097

00:52:20,309 --> 00:52:17,599

that was the only two experiences no

1098

00:52:21,349 --> 00:52:20,319

those were the first two that

1099

00:52:23,990 --> 00:52:21,359

rocked me

1100

00:52:25,190 --> 00:52:24,000

the um other experiences were just

1101
00:52:27,510 --> 00:52:25,200
visuals

1102
00:52:30,069 --> 00:52:27,520
like one was with my wife

1103
00:52:32,150 --> 00:52:30,079
um and those were actually really close

1104
00:52:34,470 --> 00:52:32,160
too yeah she saw it first and she's not

1105
00:52:36,230 --> 00:52:34,480
even into this stuff she saw it on her

1106
00:52:38,390 --> 00:52:36,240
way driving home told me to go outside

1107
00:52:39,510 --> 00:52:38,400
to the backyard because weird things

1108
00:52:41,589 --> 00:52:39,520
were in the sky

1109
00:52:42,630 --> 00:52:41,599
i get back there and the things are

1110
00:52:45,190 --> 00:52:42,640
literally

1111
00:52:47,349 --> 00:52:45,200
floating over our house

1112
00:52:48,790 --> 00:52:47,359
and over our backyards plural there's

1113
00:52:50,150 --> 00:52:48,800

more than one yeah there was like four

1114

00:52:52,150 --> 00:52:50,160

of them

1115

00:52:55,030 --> 00:52:52,160

and it was the same form teardrop

1116

00:52:59,430 --> 00:52:55,040

sideways no drop circular no these were

1117

00:53:04,150 --> 00:53:01,990

wow dude yeah

1118

00:53:05,829 --> 00:53:04,160

that turned white and

1119

00:53:07,990 --> 00:53:05,839

uh when they accelerated they turned

1120

00:53:10,230 --> 00:53:08,000

white and went up into the sky into the

1121

00:53:12,549 --> 00:53:10,240

clouds and left they went over our house

1122

00:53:15,990 --> 00:53:12,559

they were a little bit over the tree of

1123

00:53:18,150 --> 00:53:16,000

our house which is maybe 100 feet up

1124

00:53:20,230 --> 00:53:18,160

okay and so again you've got a size

1125

00:53:23,750 --> 00:53:20,240

comparison you got a size comparison

1126

00:53:26,710 --> 00:53:23,760

like the width of the tree yeah okay um

1127

00:53:28,309 --> 00:53:26,720

i have a video of that actually

1128

00:53:30,150 --> 00:53:28,319

oh that's awesome hey let me get let me

1129

00:53:31,910 --> 00:53:30,160

ask you this question when when you were

1130

00:53:34,230 --> 00:53:31,920

having these experiences did you get

1131

00:53:36,150 --> 00:53:34,240

this the feeling or the sensation like

1132

00:53:39,109 --> 00:53:36,160

there was a conscious connection between

1133

00:53:41,589 --> 00:53:39,119

you and the objects like did you

1134

00:53:42,710 --> 00:53:41,599

did you sense that they knew you were

1135

00:53:46,630 --> 00:53:42,720

looking

1136

00:53:50,069 --> 00:53:46,640

um the first one was

1137

00:53:53,910 --> 00:53:50,079

something divine something

1138

00:53:55,990 --> 00:53:53,920

divine interesting word um

1139

00:53:59,109 --> 00:53:56,000

something

1140

00:54:00,549 --> 00:53:59,119

that was just trying to make it all

1141

00:54:03,589 --> 00:54:00,559

cohesive

1142

00:54:08,069 --> 00:54:05,750

um all cohes in other words look at me

1143

00:54:10,790 --> 00:54:08,079

i'm here for you kind of a vibe like

1144

00:54:13,190 --> 00:54:10,800

every question is everything's just like

1145

00:54:14,470 --> 00:54:13,200

one and playing in and out of time loops

1146

00:54:16,069 --> 00:54:14,480

kind of stuff

1147

00:54:17,829 --> 00:54:16,079

you know

1148

00:54:19,510 --> 00:54:17,839

wow that's uh

1149

00:54:22,470 --> 00:54:19,520

that's very metaphysical right there

1150

00:54:24,790 --> 00:54:22,480

that's kind of wow the original words

1151

00:54:27,349 --> 00:54:24,800

the orbs seem grumpy

1152

00:54:30,309 --> 00:54:27,359

i remember that specifically the second

1153

00:54:31,990 --> 00:54:30,319

one came around and i said hey buddy

1154

00:54:34,470 --> 00:54:32,000

come on over

1155

00:54:36,829 --> 00:54:34,480

am i watching it it might respond my

1156

00:54:39,990 --> 00:54:36,839

wife goes no don't do

1157

00:54:44,230 --> 00:54:40,000

it just kept going but right away i got

1158

00:54:45,349 --> 00:54:44,240

hit with this grumpy feeling i'm grumpy

1159

00:54:47,750 --> 00:54:45,359

you know

1160

00:54:50,390 --> 00:54:47,760

um so i should say before the red orbs

1161

00:54:53,030 --> 00:54:50,400

one like a week before i was outside by

1162

00:54:54,630 --> 00:54:53,040

myself looking towards the school

1163

00:54:55,589 --> 00:54:54,640

which would be

1164

00:54:57,430 --> 00:54:55,599

uh

1165

00:54:59,510 --> 00:54:57,440

south northwest

1166

00:55:01,430 --> 00:54:59,520

and

1167

00:55:03,670 --> 00:55:01,440

all of a sudden shooting out of the sky

1168

00:55:06,390 --> 00:55:03,680

like a bullet it looked like an

1169

00:55:08,470 --> 00:55:06,400

anthracite bullet right

1170

00:55:10,710 --> 00:55:08,480

and there was a little orange-ness

1171

00:55:13,030 --> 00:55:10,720

around it and as it was going down which

1172

00:55:14,870 --> 00:55:13,040

was super fast like out of a gun the

1173

00:55:17,349 --> 00:55:14,880

orange thing was getting bigger and

1174

00:55:18,710 --> 00:55:17,359

bigger and bigger and then it just went

1175

00:55:20,710 --> 00:55:18,720

away

1176

00:55:22,470 --> 00:55:20,720

but

1177

00:55:24,150 --> 00:55:22,480

like you could you could see through it

1178

00:55:28,069 --> 00:55:24,160

like anthracite it was like very

1179

00:55:30,870 --> 00:55:28,079

translucent just like a dark metal gray

1180

00:55:32,630 --> 00:55:30,880

yeah it is what it was yeah so it looked

1181

00:55:34,470 --> 00:55:32,640

to be like it was in this forest or

1182

00:55:36,309 --> 00:55:34,480

something i knew it was over there and

1183

00:55:38,950 --> 00:55:36,319

i'm thinking like a flare or something

1184

00:55:40,630 --> 00:55:38,960

but then i'm thinking that flares aren't

1185

00:55:42,789 --> 00:55:40,640

you don't shoot them like a bullet at

1186

00:55:44,230 --> 00:55:42,799

the ground you know

1187

00:55:46,630 --> 00:55:44,240

right and they don't go that fast at the

1188

00:55:48,789 --> 00:55:46,640

ground so the weird thing about that is

1189

00:55:50,549 --> 00:55:48,799

spaghetti is the video i have of the

1190

00:55:54,470 --> 00:55:50,559

four orbs

1191

00:55:59,109 --> 00:55:56,309

but they didn't shoot they flew around

1192

00:56:01,589 --> 00:55:59,119

before yeah but the the orange

1193

00:56:07,270 --> 00:56:04,870

it i just knew it was the same

1194

00:56:09,990 --> 00:56:07,280

same thing same thing as you saw before

1195

00:56:12,150 --> 00:56:10,000

but still not the first one

1196

00:56:14,230 --> 00:56:12,160

disease experience they lasted obviously

1197

00:56:16,390 --> 00:56:14,240

long enough for you to have emotions

1198

00:56:19,030 --> 00:56:16,400

right they weren't like the blink of an

1199

00:56:21,829 --> 00:56:19,040

eye it took like what you can count 1001

1200

00:56:23,910 --> 00:56:21,839

1002 1003 they were there

1201
00:56:26,150 --> 00:56:23,920
and long enough for you to feel emotion

1202
00:56:27,430 --> 00:56:26,160
like you said one one caused you to feel

1203
00:56:36,309 --> 00:56:27,440
grumpy

1204
00:56:38,230 --> 00:56:36,319
like what are we doing here

1205
00:56:39,349 --> 00:56:38,240
your wife's like get out of here chased

1206
00:56:41,109 --> 00:56:39,359
it away

1207
00:56:42,950 --> 00:56:41,119
that's why you got to be welcoming man

1208
00:56:44,950 --> 00:56:42,960
bring out bring out a bowl of spaghetti

1209
00:56:46,069 --> 00:56:44,960
yeah

1210
00:56:55,750 --> 00:56:46,079
the

1211
00:56:57,589 --> 00:56:55,760
emotional part was all really

1212
00:56:58,710 --> 00:56:57,599
you know from my knowledge the first

1213
00:57:01,750 --> 00:56:58,720

part

1214

00:57:03,109 --> 00:57:01,760

in the dream coming true mostly around

1215

00:57:05,829 --> 00:57:03,119

it

1216

00:57:08,870 --> 00:57:05,839

that's what that's what really

1217

00:57:11,589 --> 00:57:08,880

put this whole thing in a box for me and

1218

00:57:13,829 --> 00:57:11,599

rocked me you know

1219

00:57:15,670 --> 00:57:13,839

because how do i see these things that

1220

00:57:16,950 --> 00:57:15,680

are absolutely insane for the first time

1221

00:57:19,910 --> 00:57:16,960

in my life

1222

00:57:21,910 --> 00:57:19,920

when that happens a dream literally

1223

00:57:23,190 --> 00:57:21,920

comes true and when i was doing an

1224

00:57:24,150 --> 00:57:23,200

argument

1225

00:57:26,390 --> 00:57:24,160

i could

1226

00:57:28,710 --> 00:57:26,400

i didn't have control of what i was

1227

00:57:31,349 --> 00:57:28,720

saying or doing i was watching it like a

1228

00:57:33,829 --> 00:57:31,359

movie play out and i was watching it and

1229

00:57:35,270 --> 00:57:33,839

saying this is my dream in my head

1230

00:57:36,950 --> 00:57:35,280

watch this

1231

00:57:42,150 --> 00:57:36,960

you know

1232

00:57:45,270 --> 00:57:43,589

so

1233

00:57:48,710 --> 00:57:45,280

you know yeah that makes me emotional

1234

00:57:50,309 --> 00:57:48,720

but it's not you know it's just a life

1235

00:57:52,710 --> 00:57:50,319

a hard life that

1236

00:57:54,789 --> 00:57:52,720

gives me bad days sometimes

1237

00:57:56,630 --> 00:57:54,799

no i get that yeah i believe me hey i

1238

00:57:58,950 --> 00:57:56,640

got my skill i got more skeletons in my

1239

00:57:59,750 --> 00:57:58,960

closet than a woman catacomb dude i got

1240

00:58:00,789 --> 00:57:59,760

you

1241

00:58:02,549 --> 00:58:00,799

um

1242

00:58:03,990 --> 00:58:02,559

but but that's why i love you guys are

1243

00:58:06,630 --> 00:58:04,000

you calling in because that totally

1244

00:58:08,150 --> 00:58:06,640

changes my attitude you know well you

1245

00:58:10,549 --> 00:58:08,160

know what a dude and i don't know again

1246

00:58:12,950 --> 00:58:10,559

i i like these experiences and i'm more

1247

00:58:14,630 --> 00:58:12,960

of a nuts and bolts guy and i'm sort of

1248

00:58:17,030 --> 00:58:14,640

veering down the more of the quantum

1249

00:58:17,990 --> 00:58:17,040

thing and you said something

1250

00:58:19,910 --> 00:58:18,000

just

1251
00:58:21,829 --> 00:58:19,920
having these conversations about what

1252
00:58:24,789 --> 00:58:21,839
how you're you're explaining your

1253
00:58:27,109 --> 00:58:24,799
experiences is opening doors for me to

1254
00:58:30,230 --> 00:58:27,119
explore the consciousness connection to

1255
00:58:32,390 --> 00:58:30,240
it okay it really is and that's cool i'm

1256
00:58:34,390 --> 00:58:32,400
learning as book smart as i may be with

1257
00:58:36,470 --> 00:58:34,400
three decades of research

1258
00:58:39,109 --> 00:58:36,480
i never really looked into the quan the

1259
00:58:40,950 --> 00:58:39,119
quantum level the consciousness so i'm

1260
00:58:42,150 --> 00:58:40,960
learning but let me let me ask you this

1261
00:58:43,829 --> 00:58:42,160
question

1262
00:58:45,910 --> 00:58:43,839
let me ask you this now

1263
00:58:51,750 --> 00:58:45,920

did you feel a connection with them as

1264

00:58:56,789 --> 00:58:54,789

the the first one i have an odd feeling

1265

00:58:59,829 --> 00:58:56,799

that i've had a relationship for it with

1266

00:59:05,750 --> 00:59:02,870

um a relationship yeah like that's an

1267

00:59:07,829 --> 00:59:05,760

interesting word um like maybe

1268

00:59:09,030 --> 00:59:07,839

like um

1269

00:59:15,349 --> 00:59:09,040

like

1270

00:59:17,990 --> 00:59:15,359

been watching over you

1271

00:59:21,190 --> 00:59:18,000

so use relationship use the word divine

1272

00:59:23,270 --> 00:59:21,200

use the word guiding angel um

1273

00:59:27,670 --> 00:59:23,280

are you afraid of these things

1274

00:59:32,549 --> 00:59:29,910

okay not at all you would you have

1275

00:59:36,470 --> 00:59:32,559

absolutely no no conscious recall of

1276

00:59:40,549 --> 00:59:38,870

this is kind of what i think about it if

1277

00:59:42,150 --> 00:59:40,559

you don't want to i can't first of all i

1278

00:59:43,750 --> 00:59:42,160

don't want to talk about a computer i

1279

00:59:45,349 --> 00:59:43,760

can't i can't see your face so i don't

1280

00:59:46,870 --> 00:59:45,359

know how you react it's just two dudes

1281

00:59:48,630 --> 00:59:46,880

having a conversation yeah no they don't

1282

00:59:50,150 --> 00:59:48,640

want to talk about it

1283

00:59:52,069 --> 00:59:50,160

um so

1284

00:59:54,230 --> 00:59:52,079

this is kind of my what i would have to

1285

00:59:55,750 --> 00:59:54,240

say to that because um

1286

00:59:57,910 --> 00:59:55,760

i've never had

1287

00:59:59,670 --> 00:59:57,920

an abduction like

1288

01:00:01,670 --> 00:59:59,680

people describe them

1289

01:00:04,069 --> 01:00:01,680

ever right you know

1290

01:00:06,630 --> 01:00:04,079

uh but i do remember and i know how you

1291

01:00:08,470 --> 01:00:06,640

feel about dreams

1292

01:00:10,069 --> 01:00:08,480

but this uh

1293

01:00:11,670 --> 01:00:10,079

dream is

1294

01:00:13,589 --> 01:00:11,680

the only thing that maybe could have

1295

01:00:15,109 --> 01:00:13,599

been something like that

1296

01:00:17,109 --> 01:00:15,119

um

1297

01:00:19,670 --> 01:00:17,119

i'm dreaming and it's a powerful dream

1298

01:00:20,870 --> 01:00:19,680

either way so even if it isn't that it

1299

01:00:24,710 --> 01:00:20,880

was powerful

1300

01:00:25,670 --> 01:00:24,720

um it's vivid yeah i'm outside on a like

1301

01:00:27,270 --> 01:00:25,680

um

1302

01:00:29,670 --> 01:00:27,280

oh and i'll tell you the kicker too at

1303

01:00:31,430 --> 01:00:29,680

the end it's pretty great so i'm outside

1304

01:00:33,910 --> 01:00:31,440

on the playground basketball court

1305

01:00:36,950 --> 01:00:33,920

concrete basketball court

1306

01:00:38,950 --> 01:00:36,960

um and i turned to go into the school in

1307

01:00:40,309 --> 01:00:38,960

these big double doors and it's uh

1308

01:00:42,069 --> 01:00:40,319

you're a child

1309

01:00:44,150 --> 01:00:42,079

uh at the time i was in high school i

1310

01:00:47,109 --> 01:00:44,160

was probably 17 or 18.

1311

01:00:50,309 --> 01:00:47,119

okay um

1312

01:00:53,190 --> 01:00:50,319

and i walk in there and it's a library

1313

01:00:55,670 --> 01:00:53,200

and there's a middle eastern guy

1314

01:00:57,349 --> 01:00:55,680

uh like behind the desk the rounded

1315

01:00:59,349 --> 01:00:57,359

desk

1316

01:01:02,150 --> 01:00:59,359

and with the turbine on and i go up

1317

01:01:04,710 --> 01:01:02,160

there and he hands me a scroll

1318

01:01:07,430 --> 01:01:04,720

and wow i have the scrolling as i'm

1319

01:01:09,190 --> 01:01:07,440

leaving the doors i'm opening it and i

1320

01:01:11,349 --> 01:01:09,200

see something that says

1321

01:01:13,190 --> 01:01:11,359

uh seven something

1322

01:01:14,150 --> 01:01:13,200

you know like seven this or seven

1323

01:01:15,910 --> 01:01:14,160

something

1324

01:01:17,910 --> 01:01:15,920

and then a big gust of wind came and

1325

01:01:21,270 --> 01:01:17,920

blew it out of my hands and it just blew

1326

01:01:22,870 --> 01:01:21,280

across the playground and that was it

1327

01:01:25,829 --> 01:01:22,880

i look over to whatever the hell did

1328

01:01:28,710 --> 01:01:25,839

that right and there's two huge

1329

01:01:31,190 --> 01:01:28,720

tornadoes coming at me

1330

01:01:34,069 --> 01:01:31,200

the tornadoes are coming at me and i

1331

01:01:35,829 --> 01:01:34,079

remember i had the option to run or you

1332

01:01:37,589 --> 01:01:35,839

know fight and

1333

01:01:38,390 --> 01:01:37,599

i decided to fight

1334

01:01:39,670 --> 01:01:38,400

you know

1335

01:01:41,589 --> 01:01:39,680

so i stayed

1336

01:01:44,470 --> 01:01:41,599

and let these tornadoes come at me and

1337

01:01:46,150 --> 01:01:44,480

when they came at me i had my hands open

1338

01:01:48,789 --> 01:01:46,160

both on each side of me and i grabbed

1339

01:01:51,589 --> 01:01:48,799

each one and crisscrossed them

1340

01:01:54,710 --> 01:01:51,599

across my body

1341

01:01:57,670 --> 01:01:54,720

and is that happening

1342

01:02:00,069 --> 01:01:57,680

um everything got completely

1343

01:02:03,349 --> 01:02:00,079

i was blinded by everything like i was

1344

01:02:04,230 --> 01:02:03,359

in the middle of a tornado i guess

1345

01:02:06,470 --> 01:02:04,240

um

1346

01:02:09,029 --> 01:02:06,480

but i was still

1347

01:02:12,390 --> 01:02:09,039

and all of a sudden i start lifting off

1348

01:02:14,630 --> 01:02:12,400

the ground like levitating and the weird

1349

01:02:15,829 --> 01:02:14,640

part about that is i flew in my dreams a

1350

01:02:18,630 --> 01:02:15,839

lot

1351

01:02:20,470 --> 01:02:18,640

so i knew how to activate that so to

1352

01:02:23,029 --> 01:02:20,480

speak in my dreams there is a feeling

1353

01:02:25,029 --> 01:02:23,039

connected to that like here we go

1354

01:02:27,349 --> 01:02:25,039

like i remember even trying it in my

1355

01:02:28,789 --> 01:02:27,359

waking life like i remembered the

1356

01:02:30,630 --> 01:02:28,799

feeling

1357

01:02:31,829 --> 01:02:30,640

that my feet would do or whatever but it

1358

01:02:33,190 --> 01:02:31,839

didn't work

1359

01:02:35,670 --> 01:02:33,200

um

1360

01:02:39,190 --> 01:02:35,680

but this one was not that i didn't do

1361

01:02:40,230 --> 01:02:39,200

that i just started raising on my own

1362

01:02:42,309 --> 01:02:40,240

or

1363

01:02:45,109 --> 01:02:42,319

you know not doing anything i just

1364

01:02:46,789 --> 01:02:45,119

started going up

1365

01:02:49,829 --> 01:02:46,799

so as this is happening i'm in the dust

1366

01:02:52,549 --> 01:02:49,839

storm or whatever tornado thing

1367

01:02:54,870 --> 01:02:52,559

and there's these light beings right

1368

01:02:56,309 --> 01:02:54,880

like uh angeli would describe i guess

1369

01:02:57,589 --> 01:02:56,319

light beings

1370

01:03:00,150 --> 01:02:57,599

um

1371

01:03:02,309 --> 01:03:00,160

and they're like little wisps

1372

01:03:05,750 --> 01:03:02,319

and they're flying past me in each

1373

01:03:10,549 --> 01:03:05,760

direction really fast

1374

01:03:14,150 --> 01:03:10,559

and what i hear is a very very beautiful

1375

01:03:16,710 --> 01:03:14,160

sound uh maybe like violin harp sound

1376

01:03:20,230 --> 01:03:16,720

most beautiful sound i

1377

01:03:22,230 --> 01:03:20,240

i ever heard i remember

1378

01:03:23,270 --> 01:03:22,240

just thinking what the hell is this it's

1379

01:03:24,950 --> 01:03:23,280

beautiful

1380

01:03:26,470 --> 01:03:24,960

um and

1381

01:03:28,309 --> 01:03:26,480

then i'm looking

1382

01:03:30,710 --> 01:03:28,319

things are clearing up

1383

01:03:32,789 --> 01:03:30,720

and i'm looking out into this guy i'm

1384

01:03:35,430 --> 01:03:32,799

still up in this guy

1385

01:03:37,270 --> 01:03:35,440

and i see a

1386

01:03:40,549 --> 01:03:37,280

stained glass

1387

01:03:44,230 --> 01:03:40,559

like window picture of what we know to

1388

01:03:48,710 --> 01:03:44,240

be jesus christ's face

1389

01:03:52,309 --> 01:03:48,720

okay and as i get closer to it

1390

01:03:54,230 --> 01:03:52,319

it turns into a real face

1391

01:03:55,829 --> 01:03:54,240

and says sean

1392

01:03:58,549 --> 01:03:55,839

just relax

1393

01:04:01,510 --> 01:03:58,559

and go back to school

1394

01:04:06,630 --> 01:04:03,750

that's incredible recall for a dream

1395

01:04:08,069 --> 01:04:06,640

dude yeah

1396

01:04:10,870 --> 01:04:08,079

that's wild

1397

01:04:13,109 --> 01:04:10,880

so um and i know that dreams are

1398

01:04:14,710 --> 01:04:13,119

something when my uncle passed away my

1399

01:04:17,109 --> 01:04:14,720

dad's twin brother

1400

01:04:19,750 --> 01:04:17,119

um i was sleeping

1401

01:04:21,589 --> 01:04:19,760

i had a dream that we were all in his

1402

01:04:23,990 --> 01:04:21,599

nursing home room

1403

01:04:27,270 --> 01:04:24,000

watching him uh pass

1404

01:04:29,510 --> 01:04:27,280

and i threw it like a golden bowl at him

1405

01:04:31,430 --> 01:04:29,520

and he sat straight up opened his eyes

1406

01:04:33,349 --> 01:04:31,440

and caught it

1407

01:04:35,829 --> 01:04:33,359

and the phone rang

1408

01:04:38,829 --> 01:04:35,839

and woke me up out of that dream and it

1409

01:04:40,549 --> 01:04:38,839

was a call that he had passed away

1410

01:04:45,029 --> 01:04:40,559

wow

1411

01:04:47,270 --> 01:04:45,039

so there's something there i know and

1412

01:04:49,349 --> 01:04:47,280

it's all this stuff it definitely is

1413

01:04:52,950 --> 01:04:49,359

it's always on my mind

1414

01:04:55,750 --> 01:04:52,960

you know that makes me kind of insular

1415

01:04:57,910 --> 01:04:55,760

at times no i hate it i hate it no it's

1416

01:04:59,270 --> 01:04:57,920

affected you it's affected you deeply

1417

01:05:00,870 --> 01:04:59,280

yeah i hear you

1418

01:05:02,549 --> 01:05:00,880

well you know you're not alone in this

1419

01:05:04,390 --> 01:05:02,559

bro there's a lot of people experience

1420

01:05:06,150 --> 01:05:04,400

this stuff and it shakes the foundations

1421

01:05:08,789 --> 01:05:06,160

of their world and and

1422

01:05:11,029 --> 01:05:08,799

and it's happening the fact that

1423

01:05:12,950 --> 01:05:11,039

there's been lying and cover up and and

1424

01:05:14,549 --> 01:05:12,960

ridicule about it is terrible there's a

1425

01:05:16,789 --> 01:05:14,559

terrible disservice to the people who

1426

01:05:17,829 --> 01:05:16,799

have experienced these things yeah you

1427

01:05:21,589 --> 01:05:17,839

know

1428

01:05:24,230 --> 01:05:21,599

i um yeah without too much of a reveal

1429

01:05:26,309 --> 01:05:24,240

without too much of a reveal i

1430

01:05:28,150 --> 01:05:26,319

i no longer but i have kind of worked in

1431

01:05:29,750 --> 01:05:28,160

the behavioral services before i'm not

1432

01:05:31,750 --> 01:05:29,760

licensed psychotherapist or anything

1433

01:05:34,230 --> 01:05:31,760

like that i just kind of worked in a

1434

01:05:35,109 --> 01:05:34,240

position where i would deal with

1435

01:05:38,390 --> 01:05:35,119

um

1436

01:05:41,910 --> 01:05:38,400

people in acute crisis shall we say yeah

1437

01:05:44,150 --> 01:05:41,920

again without too much reveal um

1438

01:05:46,549 --> 01:05:44,160

so it's a shame when there's no

1439

01:05:47,589 --> 01:05:46,559

resources for people to come and even

1440

01:05:51,750 --> 01:05:47,599

talk to

1441

01:05:53,430 --> 01:05:51,760

so do you know don't don't don't don't

1442

01:05:55,589 --> 01:05:53,440

don't give up this is you're not alone

1443

01:05:58,150 --> 01:05:55,599

in this kind of stuff no you're i find a

1444

01:06:00,549 --> 01:05:58,160

very unsung hero in my life spaghetti i

1445

01:06:02,309 --> 01:06:00,559

needed to talk about that you know and

1446

01:06:04,150 --> 01:06:02,319

you got it out of me well i could see it

1447

01:06:05,829 --> 01:06:04,160

dude i could see the vulnerability in

1448

01:06:07,829 --> 01:06:05,839

you and you i want to tell you something

1449

01:06:09,510 --> 01:06:07,839

else we'll swing a little we'll just

1450

01:06:11,670 --> 01:06:09,520

turn the car a little bit on the highway

1451

01:06:13,430 --> 01:06:11,680

here okay i'm proud of something that

1452

01:06:15,990 --> 01:06:13,440

you did that i didn't see any other

1453

01:06:19,190 --> 01:06:16,000

youtuber any other person do that you

1454

01:06:21,190 --> 01:06:19,200

did that i was both impressed by you

1455

01:06:23,109 --> 01:06:21,200

proud of you and happy for you and you

1456

01:06:23,990 --> 01:06:23,119

know what you did that nobody else has

1457

01:06:26,630 --> 01:06:24,000

done

1458

01:06:28,150 --> 01:06:26,640

you get avi love on your show and

1459

01:06:29,829 --> 01:06:28,160

everybody's got all the routine

1460

01:06:33,589 --> 01:06:29,839

questions and you

1461

01:06:36,470 --> 01:06:33,599

ask the man for personal advice yeah you

1462

01:06:39,029 --> 01:06:36,480

get a harvard professor and you do not

1463

01:06:41,589 --> 01:06:39,039

seize the opportunity ask the guy for

1464

01:06:43,510 --> 01:06:41,599

some personal advice dude i couldn't be

1465

01:06:45,990 --> 01:06:43,520

more proud of you that was impressive

1466

01:06:47,990 --> 01:06:46,000

that was really really cool thanks man

1467

01:06:49,589 --> 01:06:48,000

you know that it's it's stuff like that

1468

01:06:50,549 --> 01:06:49,599

amazing this guy's all right you're all

1469

01:06:52,150 --> 01:06:50,559

right

1470

01:06:53,750 --> 01:06:52,160

you're okay i might call you and harass

1471

01:06:55,910 --> 01:06:53,760

i might i might curse people out in your

1472

01:06:58,230 --> 01:06:55,920

chat room because i kind of like you

1473

01:07:00,230 --> 01:06:58,240

no but that was impressive bro

1474

01:07:02,230 --> 01:07:00,240

that took me to like whoa that's you

1475

01:07:04,630 --> 01:07:02,240

didn't see that coming you know oh you

1476

01:07:07,270 --> 01:07:04,640

have to you know i treat him like a man

1477

01:07:09,750 --> 01:07:07,280

like a person and who's done incredible

1478

01:07:10,870 --> 01:07:09,760

things that i'm genuinely curious about

1479

01:07:15,349 --> 01:07:10,880

you know

1480

01:07:18,069 --> 01:07:15,359

impressed with the question that i i

1481

01:07:19,910 --> 01:07:18,079

almost don't remember the answer

1482

01:07:22,630 --> 01:07:19,920

i don't remember what he said he

1483

01:07:24,789 --> 01:07:22,640

basically just said no you didn't keep

1484

01:07:26,630 --> 01:07:24,799

your pants on you know

1485

01:07:28,710 --> 01:07:26,640

like just wait till we get some proof

1486

01:07:30,230 --> 01:07:28,720

basically

1487

01:07:32,470 --> 01:07:30,240

but the fact that you had the presence

1488

01:07:34,789 --> 01:07:32,480

of mind to ask a guy with of that

1489

01:07:36,630 --> 01:07:34,799

caliber with those credentials

1490

01:07:38,789 --> 01:07:36,640

that level of achievement to ask him

1491

01:07:41,430 --> 01:07:38,799

that kind of question i thought was very

1492

01:07:43,349 --> 01:07:41,440

very cool very cool says a lot about

1493

01:07:45,589 --> 01:07:43,359

your character man thanks brother what

1494

01:07:47,109 --> 01:07:45,599

about your character thank you

1495

01:07:48,950 --> 01:07:47,119

i can tell right away you're not in it

1496

01:07:50,470 --> 01:07:48,960

for the popularity the likes the follows

1497

01:07:52,230 --> 01:07:50,480

the tweets the super chat so don't

1498

01:07:53,990 --> 01:07:52,240

forget to send the patreon and i'm going

1499

01:07:56,069 --> 01:07:54,000

to sell you a coffee mug there's a lot

1500

01:07:57,430 --> 01:07:56,079

of that out there bro it's

1501
01:08:02,230 --> 01:07:57,440
grotesque

1502
01:08:03,750 --> 01:08:02,240
okay i guess people gotta make a hustle

1503
01:08:05,510 --> 01:08:03,760
bro i don't mind people like making a

1504
01:08:07,750 --> 01:08:05,520
hustle it's all good

1505
01:08:09,589 --> 01:08:07,760
to me it's just a cause it's not a job

1506
01:08:11,750 --> 01:08:09,599
you know yeah says more about your

1507
01:08:14,150 --> 01:08:11,760
character and i like that i appreciate

1508
01:08:15,750 --> 01:08:14,160
it man all right man yeah

1509
01:08:18,070 --> 01:08:15,760
michael on the way

1510
01:08:20,550 --> 01:08:18,080
my mic's on the way okay so you'll be

1511
01:08:22,950 --> 01:08:20,560
able to see this pretty face on tv again

1512
01:08:24,709 --> 01:08:22,960
i can't wait 15 people that look at us

1513
01:08:27,349 --> 01:08:24,719

you may have to be my new full-time

1514

01:08:30,950 --> 01:08:28,789

all right well we'll discuss the

1515

01:08:33,349 --> 01:08:30,960

contracts later mr hollywood remember

1516

01:08:34,950 --> 01:08:33,359

i'm not in it for the monies

1517

01:08:37,189 --> 01:08:34,960

listen if you want to discuss something

1518

01:08:39,510 --> 01:08:37,199

here not well now when i show up it's

1519

01:08:40,550 --> 01:08:39,520

about the money that

1520

01:08:43,110 --> 01:08:40,560

not

1521

01:08:44,390 --> 01:08:43,120

totally we'll make your shirts

1522

01:08:46,229 --> 01:08:44,400

but yeah

1523

01:08:48,229 --> 01:08:46,239

no way we'll put the band back together

1524

01:08:50,390 --> 01:08:48,239

man you know you're a musician

1525

01:08:55,110 --> 01:08:50,400

i'm a terrible a terrible musician

1526
01:09:00,789 --> 01:08:58,149
harmonica and i can sing harmonies but i

1527
01:09:03,510 --> 01:09:00,799
play none of those instruments well

1528
01:09:05,990 --> 01:09:03,520
that's all as well yeah you're a utility

1529
01:09:09,510 --> 01:09:06,000
player

1530
01:09:11,669 --> 01:09:09,520
yeah yeah yeah but yeah yeah i guess i'm

1531
01:09:13,269 --> 01:09:11,679
good behind somebody who's better let's

1532
01:09:15,110 --> 01:09:13,279
put it that way

1533
01:09:16,950 --> 01:09:15,120
you know what i mean sure

1534
01:09:24,470 --> 01:09:16,960
yeah i've always had to be the better

1535
01:09:27,910 --> 01:09:26,550
you do your own music for the show right

1536
01:09:43,030 --> 01:09:27,920
yeah

1537
01:09:48,229 --> 01:09:44,630
you know dude as much as i know about

1538
01:09:49,910 --> 01:09:48,239

ufos music is my first thing really like

1539

01:09:51,669 --> 01:09:49,920

i'm not even kidding there's like music

1540

01:09:53,990 --> 01:09:51,679

for whatever it's not music that's my

1541

01:09:56,709 --> 01:09:54,000

passion but i don't talk about it i

1542

01:09:58,550 --> 01:09:56,719

don't go by records i just write music

1543

01:10:00,149 --> 01:09:58,560

you know it's kind of weird

1544

01:10:02,149 --> 01:10:00,159

i don't know well that's like when i

1545

01:10:03,669 --> 01:10:02,159

when i started playing guitar like i was

1546

01:10:05,189 --> 01:10:03,679

terrible at reading tablature and

1547

01:10:07,350 --> 01:10:05,199

playing other people's stuff i was

1548

01:10:08,950 --> 01:10:07,360

really good at making my own up

1549

01:10:11,510 --> 01:10:08,960

yeah you know what i mean i'm like but i

1550

01:10:12,550 --> 01:10:11,520

couldn't like all right let's play ac dc

1551

01:10:14,709 --> 01:10:12,560

and i'm like

1552

01:10:15,990 --> 01:10:14,719

okay but let's play ac dc done by like

1553

01:10:16,950 --> 01:10:16,000

the grateful dead because i want to go

1554

01:10:18,630 --> 01:10:16,960

this way

1555

01:10:19,910 --> 01:10:18,640

and no

1556

01:10:22,070 --> 01:10:19,920

you know

1557

01:10:23,590 --> 01:10:22,080

no you're fired no

1558

01:10:25,350 --> 01:10:23,600

what do you mean fire i'm the guy who

1559

01:10:28,630 --> 01:10:25,360

owns the house you're playing in mine's

1560

01:10:28,640 --> 01:10:32,210

fire

1561

01:10:32,220 --> 01:10:37,189

[Laughter]

1562

01:10:40,709 --> 01:10:39,270

um yeah i'll talk to you more i mean i

1563

01:10:42,709 --> 01:10:40,719

consider coming on and doing some more

1564

01:10:45,110 --> 01:10:42,719

stuff with you for sure i'm a rookie at

1565

01:10:47,030 --> 01:10:45,120

a lot of this dude i'm looking at it man

1566

01:10:49,030 --> 01:10:47,040

i don't know social media is for

1567

01:10:51,350 --> 01:10:49,040

you don't have to do that i can do i

1568

01:10:53,189 --> 01:10:51,360

know you i can do the orchestrating you

1569

01:10:54,709 --> 01:10:53,199

just show up

1570

01:10:56,709 --> 01:10:54,719

yeah all right

1571

01:10:57,990 --> 01:10:56,719

yeah i just be like my girlfriends just

1572

01:10:59,830 --> 01:10:58,000

i told my girlfriend just stand there

1573

01:11:02,950 --> 01:10:59,840

and look good don't say anything i'm

1574

01:11:07,430 --> 01:11:04,950

i think doors won't open for you the

1575

01:11:08,709 --> 01:11:07,440

standards look good

1576

01:11:10,550 --> 01:11:08,719

all right dude let me go because my

1577

01:11:12,229 --> 01:11:10,560

phone's burning a hole in my head yeah

1578

01:11:20,470 --> 01:11:12,239

no problem i'm gonna get out of here

1579

01:11:25,990 --> 01:11:23,110

well there you go spaghetti

1580

01:11:29,750 --> 01:11:26,000

did a good good job and again made an

1581

01:11:33,430 --> 01:11:29,760

episode fantastic

1582

01:11:35,110 --> 01:11:33,440

so yeah um got to actually talk about my

1583

01:11:37,669 --> 01:11:35,120

story a little bit so maybe i'll clip

1584

01:11:39,590 --> 01:11:37,679

that up and and you know make it its own

1585

01:11:41,910 --> 01:11:39,600

thing for people who want to hear it

1586

01:11:44,550 --> 01:11:41,920

um i think i may share it more because i

1587

01:11:45,750 --> 01:11:44,560

didn't break into a bunch of cry baby

1588

01:11:46,630 --> 01:11:45,760

stuff

1589

01:11:51,030 --> 01:11:46,640

you know

1590

01:11:53,430 --> 01:11:51,040

about but i have in previous times

1591

01:11:56,550 --> 01:11:53,440

telling it and it's not easy to share

1592

01:11:58,630 --> 01:11:56,560

that with people so but unable to

1593

01:12:01,270 --> 01:11:58,640

keep it straight keep the eyes dry for

1594

01:12:03,430 --> 01:12:01,280

the most part i think i'll share it so i

1595

01:12:05,510 --> 01:12:03,440

really appreciate uh spaghetti you

1596

01:12:07,030 --> 01:12:05,520

calling in and getting that out of me

1597

01:12:08,310 --> 01:12:07,040

um because i do want to connect with

1598

01:12:09,430 --> 01:12:08,320

more people who've been through that

1599

01:12:11,189 --> 01:12:09,440

stuff

1600

01:12:14,149 --> 01:12:11,199

um

1601

01:12:15,669 --> 01:12:14,159

because yeah you feel alone a lot

1602

01:12:17,350 --> 01:12:15,679

so

1603

01:12:18,870 --> 01:12:17,360

we want to see the orbs yeah i'll show

1604

01:12:21,110 --> 01:12:18,880

you the the

1605

01:12:23,189 --> 01:12:21,120

i've shown it so many times

1606

01:12:25,350 --> 01:12:23,199

um

1607

01:12:26,950 --> 01:12:25,360

but

1608

01:12:29,110 --> 01:12:26,960

i guess that was a couple months ago

1609

01:12:31,110 --> 01:12:29,120

maybe

1610

01:12:33,030 --> 01:12:31,120

but um yeah

1611

01:12:35,110 --> 01:12:33,040

i'll share it with you i'll share with

1612

01:12:38,070 --> 01:12:35,120

you

1613

01:12:42,149 --> 01:12:39,750

time

1614

01:12:44,870 --> 01:12:42,159

thanks for showing up everyone i

1615

01:12:46,870 --> 01:12:44,880

appreciate you as always jess

1616

01:12:48,149 --> 01:12:46,880

uh thanks for showing up i'd love to

1617

01:12:49,430 --> 01:12:48,159

have you on

1618

01:12:51,510 --> 01:12:49,440

sometime

1619

01:12:53,350 --> 01:12:51,520

um zero cool

1620

01:12:55,910 --> 01:12:53,360

you're new i think to the show love

1621

01:12:59,510 --> 01:12:55,920

having you thank you

1622

01:13:01,430 --> 01:12:59,520

um right see cr

1623

01:13:03,110 --> 01:13:01,440

robert thank you

1624

01:13:05,270 --> 01:13:03,120

um chris

1625

01:13:11,350 --> 01:13:05,280

psych

1626

01:13:11,360 --> 01:13:14,470

ben what's up

1627

01:13:18,550 --> 01:13:16,550

oh man yeah

1628

01:13:21,189 --> 01:13:18,560

that sounds like an emotional dream ben

1629

01:13:24,229 --> 01:13:21,199

sorry i'm just reading this comment here

1630

01:13:27,270 --> 01:13:24,239

uh yeah so sorry if i missed anybody

1631

01:13:28,310 --> 01:13:27,280

here i'm gonna get out here thanks chris

1632

01:13:31,350 --> 01:13:28,320

um

1633

01:13:33,189 --> 01:13:31,360

josh what's up thanks man

1634

01:13:36,070 --> 01:13:33,199

um hopefully we'll talk to you soon like

1635

01:13:37,830 --> 01:13:36,080

the video share it subscribe

1636

01:13:41,270 --> 01:13:37,840

all that stuff helps

1637

01:13:43,590 --> 01:13:41,280

um and that's all i ask everything else

1638

01:13:45,510 --> 01:13:43,600

is a bonus

1639

01:13:47,590 --> 01:13:45,520

have a great weekend maybe i'll see you

1640

01:13:50,630 --> 01:13:47,600

this weekend maybe i'll pop in at some

1641

01:13:51,669 --> 01:13:50,640

time maybe i won't we'll see

1642

01:13:53,270 --> 01:13:51,679

um

1643

01:13:53,990 --> 01:13:53,280

i probably will

1644

01:13:57,189 --> 01:13:54,000

but

1645

01:13:58,870 --> 01:13:57,199

those are randos and you can't count on

1646

01:14:02,229 --> 01:13:58,880

them

1647

01:14:06,149 --> 01:14:02,239

so um but yeah monday obviously back on

1648

01:14:08,229 --> 01:14:06,159

tuesday harry reid is in the house

1649

01:14:09,669 --> 01:14:08,239

cannot wait cannot wait to get harry

1650

01:14:10,790 --> 01:14:09,679

reading here

1651

01:14:13,270 --> 01:14:10,800

um

1652

01:14:16,390 --> 01:14:13,280

awesome so looking forward to that i'm

1653

01:14:19,110 --> 01:14:16,400

gonna study the out of that man

1654

01:14:20,149 --> 01:14:19,120

to make sure i got everything down

1655

01:14:21,910 --> 01:14:20,159

um

1656

01:14:24,390 --> 01:14:21,920

so it's a great

1657

01:14:26,790 --> 01:14:24,400

great interview

1658

01:14:28,950 --> 01:14:26,800

i appreciate you guys top podcasts know

1659

01:14:30,870 --> 01:14:28,960

it's teach their own everybody's got a

1660

01:14:32,470 --> 01:14:30,880

different taste and there's no wrongs or

1661

01:14:33,910 --> 01:14:32,480

rights

1662

01:14:36,870 --> 01:14:33,920

i appreciate you guys you guys are
