

REPORT ON THE UFO WAVE OF 1947

By Ted Bloecher

**Introduction by
Dr James E McDonald**

1967

UPDATED VERSION, 2005
Produced by the
National Investigations Committee
on Aerial Phenomena
Public Information Website
<http://www.nicad.org>

1
00:00:06,630 --> 00:00:03,830
what's up everybody um sorry about the

2
00:00:09,030 --> 00:00:06,640
weird timing today um

3
00:00:10,870 --> 00:00:09,040
working with one car these days so um

4
00:00:12,870 --> 00:00:10,880
helping my wife out and she's helping me

5
00:00:15,270 --> 00:00:12,880
with rides and such so that might screw

6
00:00:17,430 --> 00:00:15,280
up the schedule once in a while but um i

7
00:00:19,670 --> 00:00:17,440
still intend to be here as much as

8
00:00:21,830 --> 00:00:19,680
possible

9
00:00:25,109 --> 00:00:21,840
um

10
00:00:28,830 --> 00:00:25,119
i appreciate you guys hanging out with

11
00:00:33,270 --> 00:00:30,470
um

12
00:00:34,229 --> 00:00:33,280
so thanks thanks for being here

13
00:00:35,910 --> 00:00:34,239

scott

14

00:00:38,229 --> 00:00:35,920

appreciate you

15

00:00:40,229 --> 00:00:38,239

good to see you live again yeah

16

00:00:41,830 --> 00:00:40,239

um

17

00:00:46,389 --> 00:00:41,840

bob

18

00:00:47,430 --> 00:00:46,399

ns act national security act 1947

19

00:00:50,150 --> 00:00:47,440

um

20

00:00:51,430 --> 00:00:50,160

ben what's happening how you doing good

21

00:00:54,869 --> 00:00:51,440

to see you

22

00:00:56,310 --> 00:00:54,879

uh spaghetti you can't join today

23

00:00:58,709 --> 00:00:56,320

that's too bad

24

00:01:01,110 --> 00:00:58,719

tomorrow actually we have a pretty

25

00:01:02,790 --> 00:01:01,120

packed day tomorrow we have

26

00:01:04,229 --> 00:01:02,800

uh quantum witch

27

00:01:06,149 --> 00:01:04,239

coming on she's gonna help me kind of

28

00:01:07,910 --> 00:01:06,159

with some dreams i've had and such so

29

00:01:08,630 --> 00:01:07,920

that'll be very interesting

30

00:01:10,789 --> 00:01:08,640

uh

31

00:01:14,550 --> 00:01:10,799

very great person

32

00:01:18,310 --> 00:01:14,560

and we're also gonna have i just added

33

00:01:20,230 --> 00:01:18,320

to tomorrow a half hour with uh joe ufo

34

00:01:23,109 --> 00:01:20,240

joe he's gonna come on here and we're

35

00:01:25,109 --> 00:01:23,119

gonna talk about some two ufo crashes

36

00:01:27,670 --> 00:01:25,119

that he just learned about

37

00:01:30,149 --> 00:01:27,680

and anything else that we want to talk

38

00:01:34,310 --> 00:01:30,159

about for a half hour then after that uh

39

00:01:36,069 --> 00:01:34,320

we're gonna have project unity

40

00:01:37,749 --> 00:01:36,079

um so

41

00:01:39,910 --> 00:01:37,759

it's gonna be a really

42

00:01:42,069 --> 00:01:39,920

busy day tomorrow but i'm excited about

43

00:01:46,950 --> 00:01:42,079

that

44

00:01:51,990 --> 00:01:50,149

it is cold here in wisconsin um we're in

45

00:01:54,950 --> 00:01:52,000

the 50s so

46

00:01:57,670 --> 00:01:54,960

that sucks

47

00:01:58,709 --> 00:01:57,680

um but it is what it is i guess

48

00:02:00,709 --> 00:01:58,719

today

49

00:02:02,630 --> 00:02:00,719

you know i was a little

50

00:02:04,389 --> 00:02:02,640

did not know what

51
00:02:05,830 --> 00:02:04,399
i wanted to talk about

52
00:02:07,510 --> 00:02:05,840
um today

53
00:02:10,070 --> 00:02:07,520
and so i was like well let's just go

54
00:02:11,670 --> 00:02:10,080
through some of the old stuff i have um

55
00:02:13,190 --> 00:02:11,680
see what's there

56
00:02:14,949 --> 00:02:13,200
you know and then move on i could throw

57
00:02:15,830 --> 00:02:14,959
it out to make my computer a little bit

58
00:02:17,510 --> 00:02:15,840
lighter

59
00:02:20,229 --> 00:02:17,520
all that fun stuff

60
00:02:22,150 --> 00:02:20,239
um but then of course this always

61
00:02:23,270 --> 00:02:22,160
happens as i go through them i find

62
00:02:25,430 --> 00:02:23,280
something that

63
00:02:29,910 --> 00:02:25,440

is really interesting to me

64

00:02:33,110 --> 00:02:29,920

and this time it is the report on

65

00:02:36,229 --> 00:02:33,120

report on the ufo wave of 1947.

66

00:02:37,750 --> 00:02:36,239

um mr dr james mcdonald wrote the

67

00:02:39,509 --> 00:02:37,760

introduction

68

00:02:41,750 --> 00:02:39,519

and we all

69

00:02:42,050 --> 00:02:41,760

should know of him by now right

70

00:02:44,150 --> 00:02:42,060

so

71

00:02:46,070 --> 00:02:44,160

[Music]

72

00:02:54,470 --> 00:02:46,080

yeah

73

00:03:05,100 --> 00:02:54,480

want to back we are going to go over

74

00:03:35,030 --> 00:03:21,130

[Music]

75

00:03:53,260 --> 00:03:37,670

so

76

00:03:59,429 --> 00:03:56,309

[Applause]

77

00:04:01,190 --> 00:03:59,439

okay yeah i just love that

78

00:04:02,949 --> 00:04:01,200

the audience applause

79

00:04:05,910 --> 00:04:02,959

it's pretty awesome

80

00:04:08,070 --> 00:04:05,920

um so yeah this is the paper that was

81

00:04:09,910 --> 00:04:08,080

written um it's kind of long actually

82

00:04:12,149 --> 00:04:09,920

it's about 180 some pages so i'm going

83

00:04:13,110 --> 00:04:12,159

to read it word for word for you right

84

00:04:14,630 --> 00:04:13,120

now

85

00:04:16,789 --> 00:04:14,640

it'll take

86

00:04:19,590 --> 00:04:16,799

i'm not a fast reader either so it may

87

00:04:21,509 --> 00:04:19,600

take three four or five it may take us

88

00:04:24,310 --> 00:04:21,519

till the night time so

89

00:04:27,270 --> 00:04:24,320

uh buckle up get some popcorn

90

00:04:28,469 --> 00:04:27,280

i'm just i'm kidding by the way

91

00:04:29,990 --> 00:04:28,479

um

92

00:04:31,830 --> 00:04:30,000

it's something i used to do in sales i

93

00:04:33,749 --> 00:04:31,840

would go to like selling a commercial

94

00:04:35,430 --> 00:04:33,759

roof like a big flat roof and i would go

95

00:04:38,390 --> 00:04:35,440

into the presentation

96

00:04:40,150 --> 00:04:38,400

and we had these big thick books

97

00:04:41,590 --> 00:04:40,160

that were just

98

00:04:43,670 --> 00:04:41,600

stupid like

99

00:04:45,749 --> 00:04:43,680

like who's gonna read that whole thing

100

00:04:47,270 --> 00:04:45,759

especially at a presentation

101
00:04:49,189 --> 00:04:47,280
if they see that the customer they're

102
00:04:50,390 --> 00:04:49,199
like oh god please don't

103
00:04:51,830 --> 00:04:50,400
so

104
00:04:53,670 --> 00:04:51,840
what i would do

105
00:04:56,390 --> 00:04:53,680
is bring out the big booklet then i

106
00:04:57,189 --> 00:04:56,400
would say all right now i have a book on

107
00:04:59,189 --> 00:04:57,199
tape

108
00:05:01,749 --> 00:04:59,199
for this presentation i'm gonna bring

109
00:05:04,629 --> 00:05:01,759
out a tape player and we're gonna listen

110
00:05:05,670 --> 00:05:04,639
to it and jot your questions down as we

111
00:05:07,430 --> 00:05:05,680
go

112
00:05:08,830 --> 00:05:07,440
and they would usually be

113
00:05:12,230 --> 00:05:08,840

uh

114

00:05:13,990 --> 00:05:12,240

no like i'm just kidding

115

00:05:16,070 --> 00:05:14,000

oh you used to do flat roofing yourself

116

00:05:18,310 --> 00:05:16,080

i didn't do the flat roofing thankfully

117

00:05:21,189 --> 00:05:18,320

the guys who do man bless their hearts

118

00:05:23,830 --> 00:05:21,199

that is not easy work that's for sure um

119

00:05:27,029 --> 00:05:23,840

i was trained and and know how to do it

120

00:05:30,950 --> 00:05:30,150

but anyways

121

00:05:34,870 --> 00:05:30,960

so

122

00:05:37,189 --> 00:05:34,880

scroll through this

123

00:05:40,150 --> 00:05:37,199

actually i'm not going to distract you

124

00:05:42,950 --> 00:05:40,160

by showing it to you i'm just going to

125

00:05:44,790 --> 00:05:42,960

read the highlights a couple things they

126

00:05:47,670 --> 00:05:44,800

do in here is marked all the different

127

00:05:49,909 --> 00:05:47,680

kinds of witnesses first of all right

128

00:05:52,870 --> 00:05:49,919

everyone from

129

00:05:55,430 --> 00:05:52,880

engineers technicians public officials

130

00:05:57,590 --> 00:05:55,440

uh airline military and private pilots

131

00:05:59,990 --> 00:05:57,600

doctors newsmen editors

132

00:06:02,550 --> 00:06:00,000

navy marine corps coast guard personnel

133

00:06:02,560 --> 00:06:07,830

and this is just 1947.

134

00:06:12,950 --> 00:06:10,230

there's empirical evidence animal

135

00:06:16,230 --> 00:06:12,960

reactions fragments ashes traces

136

00:06:17,670 --> 00:06:16,240

electromagnetic effects photographs

137

00:06:19,110 --> 00:06:17,680

although we know what the photographs

138

00:06:21,510 --> 00:06:19,120

look like back then

139

00:06:24,390 --> 00:06:21,520

which are just basically

140

00:06:27,029 --> 00:06:24,400

uh black and white and if we can argue

141

00:06:28,790 --> 00:06:27,039

about the new videos that come out like

142

00:06:30,390 --> 00:06:28,800

the pyramid ones i don't think these

143

00:06:32,710 --> 00:06:30,400

black and white photos will do much for

144

00:06:35,510 --> 00:06:32,720

us but

145

00:06:37,990 --> 00:06:35,520

you know that's how it goes um quickly

146

00:06:39,670 --> 00:06:38,000

though here is a good

147

00:06:42,070 --> 00:06:39,680

page to start with

148

00:06:43,830 --> 00:06:42,080

uh the quote here is pretty good as well

149

00:06:46,830 --> 00:06:43,840

on the left and the right is a chart

150

00:06:50,629 --> 00:06:46,840

illustrating the number of cases daily

151
00:06:52,469 --> 00:06:50,639
um this looks like june 15th to july

152
00:06:54,469 --> 00:06:52,479
15th

153
00:06:56,469 --> 00:06:54,479
the little harlots would caper and

154
00:06:58,230 --> 00:06:56,479
freaks will distract attention and the

155
00:07:00,230 --> 00:06:58,240
clowns will break the rhythm of the hole

156
00:07:01,670 --> 00:07:00,240
with their buffooneries

157
00:07:04,870 --> 00:07:01,680
but the

158
00:07:06,710 --> 00:07:04,880
solidity of the procession as a whole

159
00:07:09,270 --> 00:07:06,720
the impressiveness of things that pass

160
00:07:10,870 --> 00:07:09,280
and pass and keep on and keep on and

161
00:07:12,710 --> 00:07:10,880
keep on coming

162
00:07:14,070 --> 00:07:12,720
the irresistibility of things that need

163
00:07:16,390 --> 00:07:14,080

to threaten or

164

00:07:18,309 --> 00:07:16,400

jeer nor defy i don't know if i said

165

00:07:20,950 --> 00:07:18,319

that right but arrange themselves in

166

00:07:23,990 --> 00:07:20,960

mass formations that pass and pass and

167

00:07:27,029 --> 00:07:24,000

keep on passing so by the damned

168

00:07:29,350 --> 00:07:27,039

i mean the excluded

169

00:07:31,270 --> 00:07:29,360

here's the chart look at that

170

00:07:34,629 --> 00:07:31,280

looks

171

00:07:36,070 --> 00:07:34,639

pretty buzzing july 7th maybe even

172

00:07:38,070 --> 00:07:36,080

well look at that

173

00:07:39,909 --> 00:07:38,080

it's like the highest day you know it's

174

00:07:41,670 --> 00:07:39,919

interesting in this report too because

175

00:07:43,430 --> 00:07:41,680

you know there are hoaxes that come

176

00:07:47,670 --> 00:07:43,440

along with this stuff and when i was

177

00:07:52,309 --> 00:07:49,350

this report i've seen

178

00:07:54,150 --> 00:07:52,319

of a ufo sighting on july 7th

179

00:07:56,950 --> 00:07:54,160

the same day as roswell

180

00:07:59,909 --> 00:07:56,960

1948 but in milwaukee wisconsin where

181

00:08:01,670 --> 00:07:59,919

i'm from um

182

00:08:03,270 --> 00:08:01,680

and i'm glad they didn't include that in

183

00:08:05,589 --> 00:08:03,280

this report because

184

00:08:08,150 --> 00:08:05,599

that wound up being a hoax it was like a

185

00:08:13,189 --> 00:08:08,160

big saw blade or something

186

00:08:14,080 --> 00:08:13,199

so that to me says that this report is

187

00:08:15,830 --> 00:08:14,090

pretty serious

188

00:08:17,189 --> 00:08:15,840

[Laughter]

189

00:08:18,749 --> 00:08:17,199

um

190

00:08:22,469 --> 00:08:18,759

now this was

191

00:08:24,550 --> 00:08:22,479

1967 i believe so if i read some of this

192

00:08:26,950 --> 00:08:24,560

um just be aware of that that the years

193

00:08:29,430 --> 00:08:26,960

are kind of different um so i like the

194

00:08:31,350 --> 00:08:29,440

introduction that mr mcdonald wrote

195

00:08:33,670 --> 00:08:31,360

some of my favorite parts here

196

00:08:36,389 --> 00:08:33,680

i quote just over 20 years ago the

197

00:08:38,709 --> 00:08:36,399

problem of ufos burst into the public

198

00:08:41,750 --> 00:08:38,719

attention in a single two-week period in

199

00:08:43,589 --> 00:08:41,760

the summer of 1947 the ufo problem was

200

00:08:45,350 --> 00:08:43,599

laid in confusing disorder before the

201
00:08:49,670 --> 00:08:45,360
american public by means of banner

202
00:08:51,670 --> 00:08:49,680
headlines and wire stories and profusion

203
00:08:53,990 --> 00:08:51,680
in retrospect it seems clear that the

204
00:08:57,030 --> 00:08:54,000
visible record of 1947 emergence of the

205
00:08:58,070 --> 00:08:57,040
ufo problem is primarily a journalistic

206
00:09:00,470 --> 00:08:58,080
record

207
00:09:02,310 --> 00:09:00,480
although scientists the military and few

208
00:09:04,790 --> 00:09:02,320
governmental spokesman took minor parts

209
00:09:07,190 --> 00:09:04,800
in the dramatic entry of ufos onto the

210
00:09:09,269 --> 00:09:07,200
modern scene newspapermen wrote and

211
00:09:12,310 --> 00:09:09,279
delivered the key lines

212
00:09:14,790 --> 00:09:12,320
that made the journalists role in drama

213
00:09:20,470 --> 00:09:14,800

in the drama pertinent

214

00:09:24,790 --> 00:09:23,269

he also says as i was to realize that

215

00:09:26,710 --> 00:09:24,800

already in the first two weeks after

216

00:09:29,509 --> 00:09:26,720

kenneth arnold's mount rainier report of

217

00:09:30,949 --> 00:09:29,519

june 24 1947 the press reports of other

218

00:09:33,430 --> 00:09:30,959

american sightings of highly

219

00:09:35,190 --> 00:09:33,440

unconventional aerial objects numbered

220

00:09:38,230 --> 00:09:35,200

not the dozen or so

221

00:09:42,470 --> 00:09:38,240

that most of us might recall

222

00:09:47,190 --> 00:09:43,910

and you know

223

00:09:51,910 --> 00:09:49,990

that hits the nail right on the head

224

00:09:54,070 --> 00:09:51,920

because as if you're with me on this

225

00:09:56,870 --> 00:09:54,080

show we've already gone through all the

226

00:09:58,310 --> 00:09:56,880

sightings of well this is 48 so it's a

227

00:10:01,509 --> 00:09:58,320

year after this

228

00:10:02,949 --> 00:10:01,519

but over los alamos labs sandia base

229

00:10:06,470 --> 00:10:02,959

laboratory

230

00:10:10,870 --> 00:10:08,790

and a lot of others

231

00:10:11,750 --> 00:10:10,880

edwards air force base all over the

232

00:10:13,590 --> 00:10:11,760

place

233

00:10:15,190 --> 00:10:13,600

and we don't hear about those we just

234

00:10:16,870 --> 00:10:15,200

hear

235

00:10:20,150 --> 00:10:16,880

really about

236

00:10:21,910 --> 00:10:20,160

you know like he said a handful of cases

237

00:10:24,389 --> 00:10:21,920

um when i think

238

00:10:25,269 --> 00:10:24,399

that may

239

00:10:27,190 --> 00:10:25,279

does

240

00:10:34,230 --> 00:10:27,200

take away from

241

00:10:39,350 --> 00:10:37,350

and then we have um

242

00:10:42,389 --> 00:10:39,360

you know he calls them unidentified

243

00:10:45,509 --> 00:10:42,399

objects of craft like nature if and this

244

00:10:47,670 --> 00:10:45,519

quote right here still rings true today

245

00:10:49,750 --> 00:10:47,680

and it's amazing

246

00:10:51,430 --> 00:10:49,760

that it still rings true today because

247

00:10:54,150 --> 00:10:51,440

it makes you think what the hell have we

248

00:10:56,790 --> 00:10:54,160

been doing for this long right

249

00:11:00,069 --> 00:10:56,800

quote if only science had not been so

250

00:11:03,269 --> 00:11:00,079

casual back in 1947 so ready to believe

251

00:11:05,350 --> 00:11:03,279

what so many feature writers and ill

252

00:11:07,430 --> 00:11:05,360

informed official spokesman had to say

253

00:11:09,590 --> 00:11:07,440

about ufos we might today have an

254

00:11:11,030 --> 00:11:09,600

abundance of meter readings with which

255

00:11:13,990 --> 00:11:11,040

to work

256

00:11:17,110 --> 00:11:14,000

but 1947 began at two decade which is

257

00:11:21,110 --> 00:11:18,230

eight

258

00:11:24,230 --> 00:11:21,120

a period of misinformation so we are

259

00:11:26,829 --> 00:11:24,240

still hardly at the start of an adequate

260

00:11:30,790 --> 00:11:26,839

scientific examination of

261

00:11:34,389 --> 00:11:30,800

ufos has that changed

262

00:11:39,269 --> 00:11:35,750

six decades

263

00:11:41,110 --> 00:11:39,279

well let's see 67 77 87 97

264

00:11:43,590 --> 00:11:41,120

wow six decades after this was written

265

00:11:44,710 --> 00:11:43,600

are we still are we finally doing

266

00:11:47,030 --> 00:11:44,720

something

267

00:11:50,150 --> 00:11:47,040

are we

268

00:11:57,110 --> 00:11:50,160

conducting an adequate scientific

269

00:12:06,949 --> 00:12:02,150

i hope so

270

00:12:09,910 --> 00:12:06,959

and then it kind of talks about um

271

00:12:13,110 --> 00:12:09,920

something i learned up from bob actually

272

00:12:15,750 --> 00:12:13,120

how the army was doing this stuff and

273

00:12:17,590 --> 00:12:15,760

then it was the air force naturally when

274

00:12:18,870 --> 00:12:17,600

the air force actually became the air

275

00:12:20,790 --> 00:12:18,880

force

276

00:12:23,269 --> 00:12:20,800

um around then

277

00:12:24,870 --> 00:12:23,279

there was project sign all that stuff it

278

00:12:27,030 --> 00:12:24,880

seemed like that was actually a good

279

00:12:30,629 --> 00:12:27,040

project uh but

280

00:12:33,750 --> 00:12:32,870

in the end it seems like they just tried

281

00:12:35,910 --> 00:12:33,760

to

282

00:12:38,629 --> 00:12:35,920

the military government politicians

283

00:12:42,550 --> 00:12:40,389

tamp this down to clear up their

284

00:12:44,790 --> 00:12:42,560

communication lines and

285

00:12:47,990 --> 00:12:44,800

possible emergencies whatever that's

286

00:12:52,710 --> 00:12:50,150

you know so like if there is a imminent

287

00:12:54,949 --> 00:12:52,720

attack coming they

288

00:12:56,870 --> 00:12:54,959

may not be able to take that call

289

00:12:59,030 --> 00:12:56,880

because the lines would be all clogged

290

00:13:01,030 --> 00:12:59,040

up with ufo calls

291

00:13:04,230 --> 00:13:01,040

pretty stupid

292

00:13:05,430 --> 00:13:04,240

let's not deal with the ufos right

293

00:13:07,350 --> 00:13:05,440

let's just

294

00:13:09,190 --> 00:13:07,360

take the calls and uh

295

00:13:10,790 --> 00:13:09,200

or let's just uh

296

00:13:14,629 --> 00:13:10,800

debunk them and hope people don't call

297

00:13:18,870 --> 00:13:17,110

um because we as we all know these

298

00:13:22,389 --> 00:13:18,880

things did not

299

00:13:25,750 --> 00:13:23,990

the public and many officials assume

300

00:13:28,310 --> 00:13:25,760

that flying saucers were merely some

301
00:13:30,870 --> 00:13:28,320
sort of tran transitory phenomenon and

302
00:13:33,030 --> 00:13:30,880
would soon go away while interest aside

303
00:13:35,670 --> 00:13:33,040
at the time of the sightings it died out

304
00:13:37,590 --> 00:13:35,680
not long after the wave had subsided and

305
00:13:38,470 --> 00:13:37,600
was not revitalized until the following

306
00:13:43,350 --> 00:13:38,480
year

307
00:13:46,069 --> 00:13:43,360
uh when a new flurry of reports were

308
00:13:50,710 --> 00:13:46,079
made and we've gone over a lot of those

309
00:13:55,430 --> 00:13:53,350
um the source is used for this paper uh

310
00:13:57,910 --> 00:13:55,440
blue book it right patterson air force

311
00:14:00,629 --> 00:13:59,910
all sorts of stuff i guess

312
00:14:07,509 --> 00:14:00,639
so

313
00:14:09,189 --> 00:14:07,519

it talks about the importance of kevin

314

00:14:12,629 --> 00:14:09,199

arnold sighting right

315

00:14:16,550 --> 00:14:14,310

it talks about what if he had decided

316

00:14:19,030 --> 00:14:16,560

not to assist in the search for the c

317

00:14:21,269 --> 00:14:19,040

46 marine transport that crashed on the

318

00:14:23,829 --> 00:14:21,279

slopes of mount rainier the introduction

319

00:14:30,629 --> 00:14:23,839

to modern period of ufo activity would

320

00:14:34,069 --> 00:14:32,629

this is interesting too there were no

321

00:14:39,350 --> 00:14:34,079

attitudes

322

00:14:44,150 --> 00:14:41,829

there were no preconceptions no

323

00:14:45,829 --> 00:14:44,160

misconceptions

324

00:14:48,310 --> 00:14:45,839

no policies

325

00:14:50,389 --> 00:14:48,320

by either press or public

326

00:14:52,150 --> 00:14:50,399

or by an official by any official

327

00:14:54,230 --> 00:14:52,160

agencies and certainly no pattern

328

00:14:55,269 --> 00:14:54,240

existed concerning the phenomenon by

329

00:14:58,710 --> 00:14:55,279

which

330

00:15:00,870 --> 00:14:58,720

comparisons might be made

331

00:15:02,710 --> 00:15:00,880

a few world war ii veterans who had

332

00:15:04,870 --> 00:15:02,720

observed foo fighters

333

00:15:06,790 --> 00:15:04,880

shout out to graeme rendell

334

00:15:08,870 --> 00:15:06,800

over germany and in the south pacific

335

00:15:10,790 --> 00:15:08,880

during the war were now reminded of

336

00:15:18,550 --> 00:15:10,800

those earlier incidents by the

337

00:15:22,230 --> 00:15:20,230

um

338

00:15:25,189 --> 00:15:22,240

i'm not sure ben that's that's a good

339

00:15:28,069 --> 00:15:25,199

question i'm not really sure

340

00:15:30,870 --> 00:15:28,079

i will look into it though

341

00:15:32,790 --> 00:15:30,880

it's a big report it there there's still

342

00:15:34,310 --> 00:15:32,800

a lot in here so it

343

00:15:36,870 --> 00:15:34,320

very well could be

344

00:15:38,550 --> 00:15:36,880

here's some maps case maps

345

00:15:40,949 --> 00:15:38,560

pretty cool

346

00:15:42,710 --> 00:15:40,959

i like this report in this paper because

347

00:15:44,230 --> 00:15:42,720

a lot of the stuff i've been looking for

348

00:15:46,470 --> 00:15:44,240

myself

349

00:15:48,790 --> 00:15:46,480

has

350

00:15:51,430 --> 00:15:48,800

i've found in here you know like maps

351

00:15:55,110 --> 00:15:51,440

and lists of these sightings so

352

00:15:58,949 --> 00:15:56,870

flying saucers were

353

00:16:00,790 --> 00:15:58,959

about as bizarre and experienced as one

354

00:16:02,389 --> 00:16:00,800

could imagine

355

00:16:03,430 --> 00:16:02,399

so it is therefore not surprising to

356

00:16:05,430 --> 00:16:03,440

find

357

00:16:07,990 --> 00:16:05,440

that by the end of june opinions and

358

00:16:09,430 --> 00:16:08,000

explanations as well as flying saucer

359

00:16:20,470 --> 00:16:09,440

reports

360

00:16:25,350 --> 00:16:22,710

one of the most original and imaginative

361

00:16:27,509 --> 00:16:25,360

explanations came the same day june 28th

362

00:16:28,710 --> 00:16:27,519

from the operator of a

363

00:16:30,389 --> 00:16:28,720

bottle capping plant in everett

364

00:16:31,990 --> 00:16:30,399

washington and was carried widely by the

365

00:16:33,670 --> 00:16:32,000

wire services

366

00:16:35,910 --> 00:16:33,680

offered with appearance seriousness the

367

00:16:37,829 --> 00:16:35,920

solution proposed that the little

368

00:16:40,389 --> 00:16:37,839

aluminum disks

369

00:16:42,629 --> 00:16:40,399

inside the bottle caps were set free

370

00:16:44,389 --> 00:16:42,639

when the bottle caps were melted down

371

00:16:47,030 --> 00:16:44,399

rose up the chimneys on columns of hot

372

00:16:47,990 --> 00:16:47,040

air and were then carried off by the

373

00:16:50,870 --> 00:16:48,000

winds

374

00:16:52,710 --> 00:16:50,880

to be reported as blankets by numerous

375

00:16:57,670 --> 00:16:52,720

people throughout the country

376

00:17:03,269 --> 00:16:59,240

i'm not buying that one

377

00:17:03,279 --> 00:17:08,230

oh man that's great

378

00:17:12,309 --> 00:17:09,429

so

379

00:17:15,110 --> 00:17:12,319

and then it goes to just chronicle all

380

00:17:16,069 --> 00:17:15,120

the balls that have been dropped then

381

00:17:18,710 --> 00:17:16,079

right

382

00:17:20,470 --> 00:17:18,720

major paul gaynor was quoted as saying

383

00:17:22,789 --> 00:17:20,480

that a preliminary investigation of

384

00:17:24,710 --> 00:17:22,799

reports had dropped because of a lack of

385

00:17:26,549 --> 00:17:24,720

concrete evidence

386

00:17:28,150 --> 00:17:26,559

you know when is the person going to be

387

00:17:29,029 --> 00:17:28,160

respected enough

388

00:17:33,270 --> 00:17:29,039

to

389

00:17:34,870 --> 00:17:33,280

witness right

390

00:17:36,630 --> 00:17:34,880

i understand that that comes with people

391

00:17:39,830 --> 00:17:36,640

that take advantage of it but if we let

392

00:17:43,190 --> 00:17:39,840

one bad apple spoil the bunch every time

393

00:17:45,029 --> 00:17:43,200

we're never gonna have any apples

394

00:17:47,430 --> 00:17:45,039

you know

395

00:17:48,789 --> 00:17:47,440

so instead of being lazy and discounting

396

00:17:51,350 --> 00:17:48,799

everyone

397

00:17:53,270 --> 00:17:51,360

why don't you put in the work

398

00:17:56,470 --> 00:17:53,280

and weed out the ones

399

00:17:59,669 --> 00:17:57,750

you know

400

00:18:01,990 --> 00:17:59,679

it's amazing to me

401
00:18:04,390 --> 00:18:02,000
at this point

402
00:18:07,029 --> 00:18:04,400
that we don't listen to someone like

403
00:18:08,070 --> 00:18:07,039
jacquez vale more

404
00:18:09,750 --> 00:18:08,080
right

405
00:18:12,950 --> 00:18:09,760
he

406
00:18:15,750 --> 00:18:12,960
genius

407
00:18:17,669 --> 00:18:15,760
of this field

408
00:18:19,510 --> 00:18:17,679
and goddammit i wish it didn't take so

409
00:18:21,430 --> 00:18:19,520
long for me to know that but here i am

410
00:18:24,150 --> 00:18:21,440
i'm reading

411
00:18:26,390 --> 00:18:24,160
invisible college

412
00:18:29,190 --> 00:18:26,400
and if you have not read it you need to

413
00:18:30,950 --> 00:18:29,200

read it because as an experimenter

414

00:18:35,110 --> 00:18:30,960

he is nailing

415

00:18:40,830 --> 00:18:38,230

and what i mean by that is

416

00:18:44,470 --> 00:18:40,840

it's not really

417

00:18:46,230 --> 00:18:44,480

available there's so many

418

00:18:48,870 --> 00:18:46,240

different complexities to this

419

00:18:52,150 --> 00:18:48,880

phenomenon that you can't simply wrap it

420

00:18:53,510 --> 00:18:52,160

up neatly in a box as he says

421

00:18:55,990 --> 00:18:53,520

and say here it is here's your

422

00:18:58,150 --> 00:18:56,000

explanation that's not how it works and

423

00:19:00,470 --> 00:18:58,160

it's funny that almost all these

424

00:19:03,190 --> 00:19:00,480

experiencers or witnesses including

425

00:19:07,430 --> 00:19:05,669

it almost seems like everybody has

426

00:19:09,270 --> 00:19:07,440

something different

427

00:19:12,789 --> 00:19:09,280

you know

428

00:19:15,990 --> 00:19:12,799

every experience has something unique

429

00:19:20,950 --> 00:19:17,909

what does that mean

430

00:19:24,390 --> 00:19:20,960

the one thing i think of is as people

431

00:19:26,150 --> 00:19:24,400

we are all unique to ourselves

432

00:19:30,470 --> 00:19:26,160

so maybe there's something to that i

433

00:19:34,630 --> 00:19:32,230

but i can tell you that the

434

00:19:35,750 --> 00:19:34,640

psychological aspect if not taken into

435

00:19:40,310 --> 00:19:35,760

account

436

00:19:40,320 --> 00:19:44,310

could be considered a mute point

437

00:19:47,909 --> 00:19:46,710

because it is the psychological aspect

438

00:19:54,310 --> 00:19:47,919

that is so

439

00:19:58,710 --> 00:19:55,909

you know for those of you who don't

440

00:20:03,510 --> 00:19:58,720

watch fox news or kennedy or whatever

441

00:20:06,390 --> 00:20:04,830

and she

442

00:20:07,270 --> 00:20:06,400

was

443

00:20:09,110 --> 00:20:07,280

she

444

00:20:11,029 --> 00:20:09,120

actually took on the attitude of a lot

445

00:20:13,510 --> 00:20:11,039

of people on ufo twitter which i'm

446

00:20:15,350 --> 00:20:13,520

curious if she's watches and monitors

447

00:20:18,070 --> 00:20:15,360

that and tries to

448

00:20:18,830 --> 00:20:18,080

you know mimic that

449

00:20:20,390 --> 00:20:18,840

but

450

00:20:22,310 --> 00:20:20,400

she

451
00:20:25,190 --> 00:20:22,320
was basically like okay enough's enough

452
00:20:26,789 --> 00:20:25,200
give me something give me something

453
00:20:28,549 --> 00:20:26,799
he would dance around the bush you go no

454
00:20:29,909 --> 00:20:28,559
no no it's something give me that's

455
00:20:33,750 --> 00:20:29,919
enough

456
00:20:40,230 --> 00:20:35,590
she got an admission from him that

457
00:20:44,630 --> 00:20:42,310
not all the time but

458
00:20:48,390 --> 00:20:44,640
um from these encounters from these

459
00:20:54,789 --> 00:20:49,909
now

460
00:21:00,870 --> 00:20:57,430
guy ran ufo program that the pentagon

461
00:21:04,789 --> 00:21:03,350
says that a

462
00:21:06,789 --> 00:21:04,799
these things are real and i don't just

463
00:21:08,470 --> 00:21:06,799

mean okay there's an identified flying

464

00:21:09,830 --> 00:21:08,480

object that could be anything it's real

465

00:21:11,430 --> 00:21:09,840

blah blah

466

00:21:14,070 --> 00:21:11,440

you know what i'm talking about they're

467

00:21:18,630 --> 00:21:15,750

and they can

468

00:21:21,270 --> 00:21:18,640

cause biological effects

469

00:21:27,029 --> 00:21:21,280

and he said this

470

00:21:29,909 --> 00:21:28,390

now

471

00:21:34,950 --> 00:21:29,919

i don't think he was gonna say that if

472

00:21:39,590 --> 00:21:37,270

i can't really say

473

00:21:41,830 --> 00:21:39,600

but i think his ego got in there and she

474

00:21:43,110 --> 00:21:41,840

was slamming on it and he couldn't deal

475

00:21:45,510 --> 00:21:43,120

with that

476

00:22:00,630 --> 00:21:45,520

so he gave her something

477

00:22:04,070 --> 00:22:02,710

so

478

00:22:06,070 --> 00:22:04,080

yeah

479

00:22:07,669 --> 00:22:06,080

the effect on all these back to the

480

00:22:09,990 --> 00:22:07,679

document the effect on all these

481

00:22:11,990 --> 00:22:10,000

celestial displays was extraordinary the

482

00:22:14,149 --> 00:22:12,000

next day july 5th newspapers all over

483

00:22:23,510 --> 00:22:14,159

the country gave front page banner

484

00:22:27,990 --> 00:22:25,510

another authority and i'm just reading

485

00:22:29,510 --> 00:22:28,000

ex excerpts here because we can't go

486

00:22:31,990 --> 00:22:29,520

through it all obviously but these are

487

00:22:33,750 --> 00:22:32,000

important ones

488

00:22:35,590 --> 00:22:33,760

another authority on secret government

489

00:22:37,110 --> 00:22:35,600

devices

490

00:22:39,029 --> 00:22:37,120

was national commander-in-chief the

491

00:22:41,270 --> 00:22:39,039

veterans of foreign wars lewis east star

492

00:22:44,149 --> 00:22:41,280

of portland oregon ap reports that in

493

00:22:46,470 --> 00:22:44,159

columbus on july 5th in a speech to ohio

494

00:22:48,470 --> 00:22:46,480

veteran members a star stated that he

495

00:22:50,390 --> 00:22:48,480

was momentarily

496

00:22:53,590 --> 00:22:50,400

expecting word from washington

497

00:23:05,510 --> 00:22:57,110

concerning the fleets of flag saucers

498

00:23:12,710 --> 00:23:08,549

too little is being told to the people

499

00:23:16,710 --> 00:23:13,909

in detroit

500

00:23:18,870 --> 00:23:16,720

ins quoted another expert

501
00:23:20,870 --> 00:23:18,880
this one unidentified meteorologist who

502
00:23:23,430 --> 00:23:20,880
proposed that ufos were from mars not

503
00:23:26,789 --> 00:23:23,440
spaceships but merely signals with free

504
00:23:29,029 --> 00:23:26,799
willing logic he asked why should it not

505
00:23:32,390 --> 00:23:29,039
be as logical for mars

506
00:23:37,110 --> 00:23:32,400
as to try to contact earth as for earth

507
00:23:40,149 --> 00:23:38,789
that's beautiful

508
00:23:42,149 --> 00:23:40,159
red

509
00:23:45,269 --> 00:23:42,159
and that's always

510
00:23:47,029 --> 00:23:45,279
a point to be made

511
00:23:50,149 --> 00:23:47,039
why is it so hard to believe that

512
00:23:52,390 --> 00:23:50,159
something could be visiting here

513
00:23:56,710 --> 00:23:52,400

we're flying helicopters on other

514

00:24:00,149 --> 00:23:58,149

so

515

00:24:02,470 --> 00:24:00,159

i guess it's just the egocentric that

516

00:24:03,990 --> 00:24:02,480

think it's not possible for other things

517

00:24:06,390 --> 00:24:04,000

to come here because we're the only

518

00:24:11,110 --> 00:24:06,400

special ones that are able to do such a

519

00:24:17,430 --> 00:24:14,950

and it's hard to fathom the entire size

520

00:24:20,149 --> 00:24:17,440

of the universe from just being on this

521

00:24:23,430 --> 00:24:20,159

planet being a speck of dust as we are

522

00:24:30,789 --> 00:24:25,190

ever expanding

523

00:24:35,590 --> 00:24:33,190

so much so that the galaxy's closest to

524

00:24:41,350 --> 00:24:37,350

at some point the future will be too far

525

00:24:41,360 --> 00:24:46,789

and we'll be alone

526
00:24:50,310 --> 00:24:48,950
so why can't something come here why

527
00:24:53,190 --> 00:24:50,320
can't something

528
00:24:59,669 --> 00:24:53,200
from that gigantic universe

529
00:25:05,029 --> 00:25:03,510
we're flawed we screw up every day

530
00:25:07,430 --> 00:25:05,039
every day

531
00:25:09,590 --> 00:25:07,440
that's why the catchphrase

532
00:25:11,909 --> 00:25:09,600
well i'm human right

533
00:25:13,510 --> 00:25:11,919
is a catchphrase

534
00:25:14,390 --> 00:25:13,520
because we're flawed and we make

535
00:25:18,149 --> 00:25:14,400
mistakes

536
00:25:21,990 --> 00:25:18,159
and still find our way on mars and fly a

537
00:25:35,830 --> 00:25:24,230
why can't something come here that may

538
00:25:38,120 --> 00:25:37,110

sorry i'm on a roll today i'm not

539

00:25:41,350 --> 00:25:38,130

looking at the comments

540

00:25:43,110 --> 00:25:41,360

[Laughter]

541

00:25:45,029 --> 00:25:43,120

um

542

00:25:46,950 --> 00:25:45,039

and people give out all sorts of

543

00:25:48,950 --> 00:25:46,960

different explanations to try to throw

544

00:25:51,350 --> 00:25:48,960

water on this which is just ridiculous

545

00:25:54,230 --> 00:25:51,360

like the psychological aspect there may

546

00:25:56,070 --> 00:25:54,240

be some mass psychological explanation

547

00:25:57,350 --> 00:25:56,080

to the sudden rash of flier saucer

548

00:25:59,190 --> 00:25:57,360

reports

549

00:26:03,430 --> 00:25:59,200

what would that be

550

00:26:07,029 --> 00:26:04,390

then

551
00:26:09,029 --> 00:26:07,039
the 40s and now

552
00:26:15,590 --> 00:26:09,039
okay so you can't blame it on the diet

553
00:26:15,600 --> 00:26:20,070
any of that stuff

554
00:26:27,350 --> 00:26:21,510
because it's

555
00:26:31,990 --> 00:26:30,149
and i don't see flying saucers

556
00:26:33,430 --> 00:26:32,000
what i've seen they have been flying

557
00:26:34,789 --> 00:26:33,440
saucers

558
00:26:36,310 --> 00:26:34,799
i don't think other people see him

559
00:26:41,990 --> 00:26:36,320
either

560
00:26:50,789 --> 00:26:43,750
but maybe they are

561
00:26:56,390 --> 00:26:53,669
right

562
00:26:58,310 --> 00:26:56,400
i think about my encounter and

563
00:27:01,190 --> 00:26:58,320

thankfully spaghetti kind of put two and

564

00:27:02,630 --> 00:27:01,200

two together for me is like oh you could

565

00:27:04,789 --> 00:27:02,640

you know that's where you saw the things

566

00:27:07,990 --> 00:27:04,799

you could actually like measure them the

567

00:27:09,990 --> 00:27:08,000

yeah so guess what guess how close

568

00:27:14,070 --> 00:27:10,000

that's what i did guess how close

569

00:27:19,990 --> 00:27:16,310

the first one that was above

570

00:27:23,029 --> 00:27:20,000

30 feet over my head

571

00:27:32,549 --> 00:27:25,190

a few days later

572

00:27:32,559 --> 00:27:36,230

you know

573

00:27:40,230 --> 00:27:37,909

i don't know what kind of psychological

574

00:27:41,909 --> 00:27:40,240

thing would would do that

575

00:27:43,110 --> 00:27:41,919

you know and was i stressed at the time

576

00:27:45,430 --> 00:27:43,120

sure i was

577

00:27:47,909 --> 00:27:45,440

yes definitely

578

00:27:49,830 --> 00:27:47,919

but i've been more stressed a lot more

579

00:27:54,630 --> 00:27:49,840

stressed before

580

00:27:57,750 --> 00:27:56,149

you know

581

00:27:59,190 --> 00:27:57,760

and in reading invisible college in

582

00:28:00,870 --> 00:27:59,200

jacques valley and he goes to the

583

00:28:03,430 --> 00:28:00,880

different cases a lot of people are

584

00:28:05,350 --> 00:28:03,440

stressed like he talks about a couple

585

00:28:07,269 --> 00:28:05,360

who they both lost their jobs and they

586

00:28:09,029 --> 00:28:07,279

were driving home and they had the

587

00:28:11,110 --> 00:28:09,039

encounter

588

00:28:12,950 --> 00:28:11,120

so what does that mean is it a signal

589

00:28:15,510 --> 00:28:12,960

perhaps from something telling you hey

590

00:28:21,190 --> 00:28:15,520

don't get too down in the dumps because

591

00:28:21,200 --> 00:28:27,990

or to this world

592

00:28:30,789 --> 00:28:29,269

he talks about

593

00:28:32,389 --> 00:28:30,799

you know i know i'm going back and forth

594

00:28:33,269 --> 00:28:32,399

between the book and this paper i'm

595

00:28:36,149 --> 00:28:33,279

sorry

596

00:28:42,389 --> 00:28:36,159

but the book is just so um beautiful to

597

00:28:42,399 --> 00:28:45,990

you know

598

00:28:50,310 --> 00:28:47,350

you just have to read it invisible

599

00:28:53,350 --> 00:28:50,320

college and i mean we should

600

00:28:55,510 --> 00:28:53,360

we should be going past this physical

601
00:28:57,110 --> 00:28:55,520
stuff does it exist what's give me a

602
00:28:59,990 --> 00:28:57,120
report

603
00:29:01,669 --> 00:29:00,000
90 days 180 days who gives a if

604
00:29:05,669 --> 00:29:01,679
you're not tackling the psychological

605
00:29:05,679 --> 00:29:10,950
i don't even know if i'm that interested

606
00:29:14,230 --> 00:29:12,630
because that's the part of this that i

607
00:29:16,870 --> 00:29:14,240
have to deal with

608
00:29:23,990 --> 00:29:18,789
and so many other people i don't have to

609
00:29:31,430 --> 00:29:27,350
being there with occupants in it or not

610
00:29:37,830 --> 00:29:31,440
i have to deal with the psychology of it

611
00:29:43,190 --> 00:29:40,549
so be nice if someone could study that

612
00:29:45,909 --> 00:29:43,200
aspect

613
00:29:48,710 --> 00:29:45,919

and god bless mr valet

614

00:29:50,070 --> 00:29:48,720

and i'm sure others but i am green

615

00:29:52,830 --> 00:29:50,080

i have

616

00:29:55,750 --> 00:29:52,840

and they've published books on

617

00:29:58,070 --> 00:29:55,760

it and i'm thankful that i can read it

618

00:30:01,750 --> 00:29:58,080

because in his book invisible college is

619

00:30:03,750 --> 00:30:01,760

the first time i've heard

620

00:30:05,510 --> 00:30:03,760

of an experimenter

621

00:30:07,269 --> 00:30:05,520

uh having

622

00:30:09,110 --> 00:30:07,279

a dream

623

00:30:14,789 --> 00:30:09,120

you know that came true around the

624

00:30:20,710 --> 00:30:18,310

and i haven't heard that anywhere else

625

00:30:23,350 --> 00:30:20,720

so if you think i'm gonna read that book

626
00:30:25,909 --> 00:30:23,360
and see that

627
00:30:28,549 --> 00:30:25,919
and dismiss it for the physical aspect

628
00:30:33,669 --> 00:30:28,559
of this stuff the nuts and bolts you're

629
00:30:51,830 --> 00:30:37,029
it's too powerful for me personally

630
00:30:51,840 --> 00:30:55,269
it's

631
00:30:58,389 --> 00:30:56,630
you know he talks about how these people

632
00:31:00,310 --> 00:30:58,399
have encounters and it changes the whole

633
00:31:02,630 --> 00:31:00,320
trajectory of their life some people

634
00:31:05,909 --> 00:31:02,640
actually feel as if they're on a mission

635
00:31:08,870 --> 00:31:07,669
who had his experience and then had

636
00:31:10,389 --> 00:31:08,880
psychic

637
00:31:13,750 --> 00:31:10,399
powers

638
00:31:21,669 --> 00:31:15,269

and other people have too in

639

00:31:21,679 --> 00:31:27,909

it's interesting

640

00:31:27,919 --> 00:31:32,389

back to the paper

641

00:31:37,110 --> 00:31:33,909

judging from the statements such as

642

00:31:39,990 --> 00:31:37,120

these the spirit of scientific inquiry

643

00:31:42,149 --> 00:31:40,000

had no relevance when it came to ufos

644

00:31:43,830 --> 00:31:42,159

as far as the scientific fraternity

645

00:31:47,269 --> 00:31:43,840

itself was concerned in 20 years the

646

00:31:49,110 --> 00:31:47,279

situation remains much the same

647

00:31:51,909 --> 00:31:49,120

to the discredit of the american

648

00:31:54,070 --> 00:31:51,919

scientific community and here we are

649

00:31:57,990 --> 00:31:54,080

avilob what does he say

650

00:32:03,509 --> 00:31:59,830

he

651
00:32:04,950 --> 00:32:03,519
directly talks crap to scientists

652
00:32:07,269 --> 00:32:04,960
and says get your head out of your ass

653
00:32:09,190 --> 00:32:07,279
and look at this thing

654
00:32:10,950 --> 00:32:09,200
don't be too cool for school don't worry

655
00:32:12,310 --> 00:32:10,960
about what your colleagues think of you

656
00:32:15,909 --> 00:32:12,320
do you want to make history or do you

657
00:32:19,269 --> 00:32:17,269
you know

658
00:32:21,029 --> 00:32:19,279
and those are some of the people that

659
00:32:22,789 --> 00:32:21,039
that kind of live among us right there's

660
00:32:26,870 --> 00:32:22,799
those who just want a job and those who

661
00:32:31,350 --> 00:32:28,389
well we need some scientists that want

662
00:32:35,750 --> 00:32:33,590
it's been 80 years

663
00:32:44,230 --> 00:32:35,760

does anyone

664

00:32:48,950 --> 00:32:46,789

and i know there's different

665

00:32:51,190 --> 00:32:48,960

kinds of scientists and different things

666

00:32:54,630 --> 00:32:51,200

to study and it's a blanket term and i

667

00:33:01,029 --> 00:32:56,389

but i'm talking about the scientists

668

00:33:01,039 --> 00:33:06,389

dr james mcdonald killed himself

669

00:33:06,399 --> 00:33:10,789

basically for this

670

00:33:17,430 --> 00:33:14,310

so if you're a scientist and

671

00:33:19,990 --> 00:33:17,440

you can't empathize with that or even

672

00:33:22,149 --> 00:33:20,000

look into it

673

00:33:27,430 --> 00:33:22,159

quit your job we don't need that kind of

674

00:33:32,870 --> 00:33:29,350

this world needs people with

675

00:33:35,029 --> 00:33:32,880

a passion and a mission

676
00:33:48,549 --> 00:33:35,039
and if placed here

677
00:33:48,559 --> 00:33:53,509
let me look at uh

678
00:33:58,950 --> 00:33:56,549
some of your comments here

679
00:34:00,950 --> 00:33:58,960
i'm so sorry i'm sorry scott i didn't

680
00:34:02,549 --> 00:34:00,960
mean to make you sad

681
00:34:04,070 --> 00:34:02,559
you know it's not

682
00:34:07,190 --> 00:34:04,080
supposed to be a sad thing it's supposed

683
00:34:08,230 --> 00:34:07,200
to be

684
00:34:09,990 --> 00:34:08,240
human

685
00:34:11,750 --> 00:34:10,000
right

686
00:34:15,990 --> 00:34:11,760
these are the things that experiences

687
00:34:19,510 --> 00:34:17,750
thinking about why the hell this

688
00:34:21,349 --> 00:34:19,520

happened

689

00:34:23,030 --> 00:34:21,359

to me

690

00:34:26,470 --> 00:34:23,040

and not that person

691

00:34:31,349 --> 00:34:26,480

or why doesn't it keep happening

692

00:34:31,359 --> 00:34:35,669

what was it about that moment

693

00:34:41,030 --> 00:34:38,389

and what do i need to learn

694

00:34:43,270 --> 00:34:41,040

what am i not learning

695

00:34:47,750 --> 00:34:43,280

what do i need to do

696

00:34:52,149 --> 00:34:50,389

every day

697

00:34:59,030 --> 00:34:52,159

those thoughts come into my head every

698

00:35:03,910 --> 00:35:00,630

and i don't know what the answer is i

699

00:35:07,990 --> 00:35:06,150

i feel like whatever the answer is has

700

00:35:08,870 --> 00:35:08,000

to be in

701
00:35:12,950 --> 00:35:08,880
me

702
00:35:17,750 --> 00:35:14,630
if i just go in this for selfish

703
00:35:32,790 --> 00:35:17,760
purposes i'm gonna get a selfish answer

704
00:35:37,030 --> 00:35:35,190
what pops in my head in moments of quiet

705
00:35:39,750 --> 00:35:37,040
uh that's

706
00:35:40,630 --> 00:35:39,760
a lot of different stuff

707
00:35:41,829 --> 00:35:40,640
you know

708
00:35:44,630 --> 00:35:41,839
um

709
00:35:47,109 --> 00:35:44,640
things i'm dealing with in life

710
00:35:48,710 --> 00:35:47,119
that are not easy

711
00:35:51,109 --> 00:35:48,720
my experience

712
00:35:54,230 --> 00:35:51,119
my future

713
00:35:55,589 --> 00:35:54,240

what i'm doing with my time

714

00:35:59,510 --> 00:35:55,599

it's all self

715

00:36:03,910 --> 00:35:59,520

uh reflection really it's a bad habit

716

00:36:07,510 --> 00:36:05,510

but

717

00:36:15,990 --> 00:36:07,520

visible night school peace out

718

00:36:16,000 --> 00:36:19,270

um

719

00:36:23,270 --> 00:36:21,430

yeah

720

00:36:25,030 --> 00:36:23,280

so here we are you know like looking at

721

00:36:27,190 --> 00:36:25,040

all these papers and all this stuff and

722

00:36:28,790 --> 00:36:27,200

it's like enough's enough this stuff

723

00:36:30,790 --> 00:36:28,800

happened and the government's just a

724

00:36:38,470 --> 00:36:30,800

piece of for not saying anything to

725

00:36:41,910 --> 00:36:40,550

and you know when people say trust the

726
00:36:43,910 --> 00:36:41,920
government they're coming clean now you

727
00:36:47,190 --> 00:36:43,920
got to be nice you got to play nice

728
00:36:49,510 --> 00:36:47,200
why is it on us to play nice

729
00:36:53,990 --> 00:36:49,520
why isn't it on them

730
00:36:58,470 --> 00:36:56,230
take my federal taxes every year for

731
00:37:01,030 --> 00:36:58,480
something that they say i owed eight

732
00:37:04,950 --> 00:37:01,040
years ago

733
00:37:09,190 --> 00:37:07,430
you know

734
00:37:11,990 --> 00:37:09,200
anyone who's looked at this long enough

735
00:37:15,430 --> 00:37:12,000
i would have to imagine is on board with

736
00:37:19,670 --> 00:37:17,750
and i don't know that everyone's

737
00:37:20,710 --> 00:37:19,680
if there is you know just one clear-cut

738
00:37:22,390 --> 00:37:20,720

answer

739

00:37:26,790 --> 00:37:22,400

and there there isn't

740

00:37:30,230 --> 00:37:28,390

maybe in the different categories of

741

00:37:32,870 --> 00:37:30,240

this thing there's

742

00:37:35,030 --> 00:37:32,880

clear-cut answers

743

00:37:38,550 --> 00:37:35,040

how fast was it flying where was it that

744

00:37:43,589 --> 00:37:41,829

but the answer of why is it here

745

00:37:47,829 --> 00:37:43,599

and why

746

00:37:52,630 --> 00:37:49,430

and is there something we're supposed to

747

00:37:57,030 --> 00:37:54,790

is it a burden placed on us

748

00:38:02,630 --> 00:37:57,040

or is it just simply like a breath of

749

00:38:08,870 --> 00:38:03,990

these are the kind of questions we have

750

00:38:12,310 --> 00:38:10,470

you can't really make a big deal about

751
00:38:19,510 --> 00:38:12,320
these things invading our airspace since

752
00:38:24,230 --> 00:38:22,630
so if if you as a military don't have

753
00:38:27,270 --> 00:38:24,240
any sort of clue

754
00:38:30,950 --> 00:38:27,280
on why that has happened for 80 years

755
00:38:30,960 --> 00:38:38,069
you are useless

756
00:38:42,069 --> 00:38:40,069
but i will tell you i don't think that

757
00:38:48,390 --> 00:38:42,079
is the case

758
00:38:51,670 --> 00:38:50,230
i think they do have some sort of idea

759
00:38:53,190 --> 00:38:51,680
why wouldn't they kick these out they're

760
00:38:57,030 --> 00:38:53,200
seeing them every day for years why

761
00:38:57,040 --> 00:39:01,750
because either they can't

762
00:39:11,349 --> 00:39:02,550
or

763
00:39:13,510 --> 00:39:11,359

written on ufos from the government

764

00:39:15,670 --> 00:39:13,520

stated a couple of things

765

00:39:18,710 --> 00:39:15,680

they wanted to study how the phenomenon

766

00:39:21,030 --> 00:39:18,720

could be possibly created

767

00:39:26,870 --> 00:39:21,040

and used against your enemy is that what

768

00:39:29,030 --> 00:39:28,310

is that what we're seeing is that why

769

00:39:31,750 --> 00:39:29,040

they

770

00:39:34,310 --> 00:39:31,760

can be seen by ryan graves every day for

771

00:39:37,109 --> 00:39:36,069

and no one talks about it

772

00:39:39,030 --> 00:39:37,119

none of the

773

00:39:41,270 --> 00:39:39,040

the big boys

774

00:39:43,829 --> 00:39:41,280

are dealing with it they just go oh yeah

775

00:39:45,349 --> 00:39:43,839

that's the old cylinder in a box thing

776

00:39:46,230 --> 00:39:45,359

it's there every day don't worry about

777

00:39:55,750 --> 00:39:46,240

it

778

00:39:56,950 --> 00:39:55,760

you know and this is what they play on

779

00:39:59,670 --> 00:39:56,960

us you don't know if it's just gonna

780

00:40:02,390 --> 00:39:59,680

blow up your ship right

781

00:40:04,470 --> 00:40:02,400

it could be a threat

782

00:40:06,950 --> 00:40:04,480

might not be a threat i don't know

783

00:40:06,950 --> 00:40:08,950

it's only been 80 years how do we know

784

00:40:08,960 --> 00:40:13,349

that's crap

785

00:40:16,870 --> 00:40:15,030

and i think for every year they don't

786

00:40:17,750 --> 00:40:16,880

say anything to us the government that

787

00:40:19,990 --> 00:40:17,760

is

788

00:40:21,430 --> 00:40:20,000

and i don't need them to tell me it's

789

00:40:23,030 --> 00:40:21,440

true some people say you need the

790

00:40:26,309 --> 00:40:23,040

government to tell you this stuff is

791

00:40:28,710 --> 00:40:26,319

real no i don't i want the government to

792

00:40:30,630 --> 00:40:28,720

do their part as a human being and be

793

00:40:33,910 --> 00:40:30,640

accountable for their actions over the

794

00:40:38,470 --> 00:40:36,069

that's what i want that's disclosure to

795

00:40:45,270 --> 00:40:38,480

me disclosure to me

796

00:40:45,280 --> 00:40:49,910

if they could ask for forgiveness

797

00:40:55,270 --> 00:40:51,430

i think

798

00:41:00,710 --> 00:40:57,030

with that being said i'm gonna leave you

799

00:41:01,910 --> 00:41:00,720

guys for now if you go on my

800

00:41:03,270 --> 00:41:01,920

website

801
00:41:05,030 --> 00:41:03,280
i encourage you to read this whole

802
00:41:09,349 --> 00:41:05,040
report

803
00:41:12,950 --> 00:41:11,750
they're talking about rock fragments i

804
00:41:13,560 --> 00:41:12,960
should probably show you that before i

805
00:41:15,589 --> 00:41:13,570
go

806
00:41:18,950 --> 00:41:15,599
[Laughter]

807
00:41:20,950 --> 00:41:18,960
who knows right so here we go i fifteen

808
00:41:23,030 --> 00:41:20,960
uh in addition to this it's not

809
00:41:23,829 --> 00:41:23,040
highlighted so it's just where my cursor

810
00:41:25,190 --> 00:41:23,839
is

811
00:41:27,270 --> 00:41:25,200
if you can see it

812
00:41:29,030 --> 00:41:27,280
in addition to this root belt writes

813
00:41:31,190 --> 00:41:29,040

that it was learned that chrisman and

814

00:41:34,630 --> 00:41:31,200

doll had sent rock fragments to chicago

815

00:41:36,309 --> 00:41:34,640

publisher as a joke

816

00:41:38,069 --> 00:41:36,319

stating that the rock could be part of a

817

00:41:39,750 --> 00:41:38,079

saucer

818

00:41:41,829 --> 00:41:39,760

he dull said the rock came from a flying

819

00:41:44,550 --> 00:41:41,839

saucer because that's what the publisher

820

00:41:46,790 --> 00:41:44,560

wanted him to say

821

00:41:48,870 --> 00:41:46,800

the publisher was the same man of course

822

00:41:54,710 --> 00:41:48,880

who had offered arnold the two hundred

823

00:42:02,150 --> 00:41:56,950

that's what i mean about what apple that

824

00:42:02,160 --> 00:42:06,710

screw that guy that guy

825

00:42:09,670 --> 00:42:08,150

you know doing hulk because they can do

826

00:42:11,910 --> 00:42:09,680

that all they want but what it really is

827

00:42:13,430 --> 00:42:11,920

is jealousy for a boring life that they

828

00:42:14,710 --> 00:42:13,440

live

829

00:42:17,670 --> 00:42:14,720

and they're jealous that they're not

830

00:42:19,430 --> 00:42:17,680

open enough

831

00:42:21,589 --> 00:42:19,440

to

832

00:42:22,309 --> 00:42:21,599

possibly see something more beautiful

833

00:42:30,069 --> 00:42:22,319

than

834

00:42:36,069 --> 00:42:33,349

or dimension however you look at it

835

00:42:37,990 --> 00:42:36,079

to me doesn't matter

836

00:42:40,150 --> 00:42:38,000

three branches of establishment share

837

00:42:42,470 --> 00:42:40,160

the responsibility for preventing any

838

00:42:44,069 --> 00:42:42,480

serious investigation of the ufo problem

839

00:42:46,230 --> 00:42:44,079

the press the government primarily but

840

00:42:49,750 --> 00:42:46,240

not exclusively the air force and the

841

00:42:52,790 --> 00:42:49,760

scientific fraternity until these three

842

00:42:54,790 --> 00:42:52,800

influential groups unequivocally discard

843

00:42:56,710 --> 00:42:54,800

their long-standing bias against

844

00:42:58,870 --> 00:42:56,720

considering ufos worthy of serious

845

00:43:03,349 --> 00:42:58,880

attention this subject is bound to

846

00:43:03,359 --> 00:43:09,430

so are we gonna still live in limbo

847

00:43:09,440 --> 00:43:12,950

you know

848

00:43:17,589 --> 00:43:14,550

and a lot of people say you don't need

849

00:43:19,510 --> 00:43:17,599

the government for this and we don't

850

00:43:21,030 --> 00:43:19,520

we definitely don't

851

00:43:22,230 --> 00:43:21,040

we have people

852

00:43:25,109 --> 00:43:22,240

that are

853

00:43:27,589 --> 00:43:25,119

smart enough and strong enough

854

00:43:30,069 --> 00:43:27,599

to do things and to get things done

855

00:43:31,750 --> 00:43:30,079

without them you think some of these

856

00:43:33,829 --> 00:43:31,760

reports and papers were made with the

857

00:43:35,829 --> 00:43:33,839

government's help that are a hell of a

858

00:43:38,630 --> 00:43:35,839

lot more detail than anything the

859

00:43:44,950 --> 00:43:38,640

government has ever put together

860

00:43:44,960 --> 00:43:47,270

right

861

00:43:50,470 --> 00:43:49,190

i'm sick

862

00:43:53,430 --> 00:43:50,480

and tired

863

00:44:00,470 --> 00:43:55,829

pussyfooting around this subject excuse

864

00:44:06,630 --> 00:44:03,750

uh trisha invisible college is the book

865

00:44:08,630 --> 00:44:06,640

by jacquez vale it's a great book

866

00:44:11,270 --> 00:44:08,640

um and i've only

867

00:44:12,470 --> 00:44:11,280

read not even a quarter of it so

868

00:44:14,230 --> 00:44:12,480

um

869

00:44:15,910 --> 00:44:14,240

i can't wait to finish it and there's

870

00:44:17,670 --> 00:44:15,920

just like so much material and there's

871

00:44:20,630 --> 00:44:17,680

so many books it's really hard to choose

872

00:44:21,990 --> 00:44:20,640

which one to do or read

873

00:44:24,470 --> 00:44:22,000

because there's only so much time in the

874

00:44:26,790 --> 00:44:24,480

day right

875

00:44:29,030 --> 00:44:26,800

and

876

00:44:31,990 --> 00:44:29,040

is what it is

877

00:44:34,309 --> 00:44:32,000

go back to this yeah there's just a lot

878

00:44:37,510 --> 00:44:34,319

i didn't go over yet sorry so you gotta

879

00:44:39,430 --> 00:44:37,520

get me for a little bit longer um

880

00:44:41,589 --> 00:44:39,440

reporting sighting in the fragments said

881

00:44:44,550 --> 00:44:41,599

to have been found in the abundance on

882

00:44:47,030 --> 00:44:44,560

maury island beach who just said that

883

00:44:50,790 --> 00:44:47,040

somebody just said maury island the chat

884

00:44:52,710 --> 00:44:50,800

i thought uh maybe not samples of

885

00:44:54,309 --> 00:44:52,720

alleged saucer fragments were displayed

886

00:44:56,230 --> 00:44:54,319

in arnold intrigue because of certain

887

00:44:57,750 --> 00:44:56,240

similarities the boise idaho report of

888

00:44:59,990 --> 00:44:57,760

july 8

889

00:45:02,630 --> 00:45:00,000

decided to ask united airlines pilot e.j

890

00:45:05,030 --> 00:45:02,640

smith to join him in tacoma

891

00:45:07,109 --> 00:45:05,040

blah blah following this meeting

892

00:45:09,030 --> 00:45:07,119

peculiar things began to happen a

893

00:45:11,430 --> 00:45:09,040

reporter from one of the local papers

894

00:45:16,069 --> 00:45:11,440

phoned the two pilots in arnold's room

895

00:45:21,190 --> 00:45:16,829

oh

896

00:45:24,069 --> 00:45:22,230

i don't know

897

00:45:30,309 --> 00:45:24,079

all right let me get to

898

00:45:34,470 --> 00:45:31,589

about

899

00:45:36,870 --> 00:45:34,480

arizona and new mexico

900

00:45:39,270 --> 00:45:36,880

the new mexico sighting made by dr lapaz

901
00:45:41,109 --> 00:45:39,280
himself right

902
00:45:42,710 --> 00:45:41,119
cool

903
00:45:44,630 --> 00:45:42,720
you almost need something like that you

904
00:45:47,109 --> 00:45:44,640
always hear well they wanted me because

905
00:45:49,430 --> 00:45:47,119
i wasn't into ufos at all

906
00:45:53,430 --> 00:45:49,440
well that's probably stupid

907
00:45:58,829 --> 00:45:55,349
again something

908
00:46:01,670 --> 00:45:58,839
especially said in his book uh invisible

909
00:46:04,069 --> 00:46:01,680
college he's like that's talking about

910
00:46:05,430 --> 00:46:04,079
the condon report

911
00:46:08,550 --> 00:46:05,440
he was

912
00:46:12,710 --> 00:46:09,910
you know the kind of report whatever

913
00:46:15,510 --> 00:46:12,720

they made a effort to get people and

914

00:46:16,950 --> 00:46:15,520

scientists involved that really haven't

915

00:46:17,750 --> 00:46:16,960

thought about this stuff a day in their

916

00:46:19,829 --> 00:46:17,760

life

917

00:46:21,910 --> 00:46:19,839

right and that's all well and fine but

918

00:46:23,670 --> 00:46:21,920

guess what you're not taking in the

919

00:46:27,430 --> 00:46:23,680

decades of

920

00:46:28,950 --> 00:46:27,440

sightings historical data

921

00:46:31,349 --> 00:46:28,960

witnesses

922

00:46:33,349 --> 00:46:31,359

into your research so what you're

923

00:46:34,150 --> 00:46:33,359

essentially doing

924

00:46:38,230 --> 00:46:34,160

is

925

00:46:41,270 --> 00:46:38,240

all over again with different people

926
00:46:46,710 --> 00:46:43,510
you know

927
00:46:48,870 --> 00:46:46,720
um let's say at my job or my office if i

928
00:46:50,790 --> 00:46:48,880
want to study an issue

929
00:46:53,270 --> 00:46:50,800
right

930
00:46:55,109 --> 00:46:53,280
i'm not going to

931
00:46:57,109 --> 00:46:55,119
not take into account

932
00:46:59,270 --> 00:46:57,119
everything else involved

933
00:47:01,589 --> 00:46:59,280
or if i already did a report on this

934
00:47:03,670 --> 00:47:01,599
nine weeks ago i'm not gonna

935
00:47:05,510 --> 00:47:03,680
go in fresh and do the same thing again

936
00:47:07,670 --> 00:47:05,520
i'm gonna use that

937
00:47:09,430 --> 00:47:07,680
first report

938
00:47:11,589 --> 00:47:09,440

and the things that transpired then to

939

00:47:16,870 --> 00:47:11,599

make that report i'm gonna take that and

940

00:47:21,349 --> 00:47:18,550

it's like and you wonder why the

941

00:47:22,950 --> 00:47:21,359

government says or whatever hasn't

942

00:47:24,950 --> 00:47:22,960

figured anything out it's because

943

00:47:26,230 --> 00:47:24,960

they're idiots

944

00:47:27,990 --> 00:47:26,240

keep getting

945

00:47:33,349 --> 00:47:28,000

people who don't know anything about

946

00:47:36,309 --> 00:47:34,950

definitely

947

00:47:39,829 --> 00:47:36,319

now thankfully

948

00:47:41,910 --> 00:47:39,839

i think louis elizondo is

949

00:47:42,790 --> 00:47:41,920

um an exception

950

00:47:44,230 --> 00:47:42,800

right

951
00:47:45,670 --> 00:47:44,240
because he didn't know much about this

952
00:47:47,910 --> 00:47:45,680
stuff and

953
00:47:51,589 --> 00:47:47,920
they hired him and look at how far he's

954
00:47:58,390 --> 00:47:53,109
so

955
00:48:02,549 --> 00:48:00,710
um let me just quick go through this

956
00:48:06,630 --> 00:48:02,559
paper to see if there's any cool

957
00:48:12,150 --> 00:48:06,640
graphics i can show you

958
00:48:16,390 --> 00:48:14,230
again join me tomorrow it's starting

959
00:48:18,470 --> 00:48:16,400
early tomorrow actually at 10 a.m

960
00:48:20,470 --> 00:48:18,480
central time with quantum witch we're

961
00:48:22,950 --> 00:48:20,480
gonna have some dream talk i've had a

962
00:48:24,710 --> 00:48:22,960
lot of crazy dreams

963
00:48:28,630 --> 00:48:24,720

but we're not regulated it's just that

964

00:48:31,510 --> 00:48:29,750

um

965

00:48:34,630 --> 00:48:31,520

and there's a lot of cases in this paper

966

00:48:36,309 --> 00:48:34,640

too as you can see

967

00:48:40,230 --> 00:48:36,319

um we have

968

00:48:43,349 --> 00:48:40,240

case 402 5 4 74. this is all in here

969

00:48:48,150 --> 00:48:43,359

elkhorn wisconsin hmm

970

00:48:52,549 --> 00:48:50,549

i'll have oh that's the july 7th one oh

971

00:48:54,390 --> 00:48:52,559

that's case then i know that

972

00:48:57,829 --> 00:48:54,400

for sure no but that was milwaukee this

973

00:49:03,349 --> 00:49:00,390

more wisconsin eagle wisconsin cool

974

00:49:05,190 --> 00:49:03,359

maybe i should go look them up

975

00:49:06,710 --> 00:49:05,200

take a road trip

976
00:49:09,349 --> 00:49:06,720
they're probably dead but maybe they got

977
00:49:12,710 --> 00:49:09,359
some family or something

978
00:49:13,510 --> 00:49:12,720
maybe a piece of a saucer somewhere

979
00:49:15,829 --> 00:49:13,520
who

980
00:49:17,430 --> 00:49:15,839
knows

981
00:49:18,470 --> 00:49:17,440
little drawing

982
00:49:20,790 --> 00:49:18,480
cool

983
00:49:24,630 --> 00:49:20,800
here's some pictures

984
00:49:27,270 --> 00:49:26,150
this one you see what i mean it's like

985
00:49:30,230 --> 00:49:27,280
black and white what are you supposed to

986
00:49:37,510 --> 00:49:30,240
do

987
00:49:41,270 --> 00:49:39,270
case number cross reference the section

988
00:49:43,990 --> 00:49:41,280

page number is cool

989

00:49:45,430 --> 00:49:44,000

and you put a lot into this you know and

990

00:49:48,790 --> 00:49:45,440

it's so

991

00:49:54,390 --> 00:49:48,800

interesting to me that this wasn't

992

00:49:58,710 --> 00:49:56,230

it's like the private citizens and

993

00:50:01,670 --> 00:49:58,720

everything do such a better job anyways

994

00:50:11,510 --> 00:50:03,030

these are all

995

00:50:11,520 --> 00:50:16,710

look at that

996

00:50:16,720 --> 00:50:21,430

all over the place

997

00:50:26,309 --> 00:50:23,109

indianapolis dallas portland san

998

00:50:30,390 --> 00:50:26,319

francisco new york louisville cincinnati

999

00:50:37,750 --> 00:50:32,870

los angeles

1000

00:50:40,390 --> 00:50:38,829

so

1001
00:50:43,109 --> 00:50:40,400
yeah

1002
00:50:44,630 --> 00:50:43,119
if you're looking for something to do

1003
00:50:48,390 --> 00:50:44,640
i got it for you

1004
00:50:51,270 --> 00:50:50,150
oh and there's a lot of

1005
00:50:53,430 --> 00:50:51,280
people here

1006
00:50:54,060 --> 00:50:53,440
listed that we can spend a bunch of time

1007
00:50:55,349 --> 00:50:54,070
looking into

1008
00:50:56,790 --> 00:50:55,359
[Laughter]

1009
00:50:59,349 --> 00:50:56,800
if we're bored

1010
00:51:02,150 --> 00:50:59,359
so yeah

1011
00:51:08,630 --> 00:51:05,190
which movie are you guys talking about

1012
00:51:12,630 --> 00:51:10,630
watched ufos the secret history on

1013
00:51:14,549 --> 00:51:12,640

amazon prime this morning super good

1014

00:51:18,230 --> 00:51:14,559

says there was a line between media

1015

00:51:20,470 --> 00:51:18,240

acceptance and media ridicule

1016

00:51:23,109 --> 00:51:20,480

yeah um

1017

00:51:26,150 --> 00:51:23,119

the media was definitely all about it at

1018

00:51:32,470 --> 00:51:26,160

first um and then not so much and one

1019

00:51:32,480 --> 00:51:36,470

i got a good idea

1020

00:51:41,190 --> 00:51:39,270

possibly a part of the debunking

1021

00:51:44,630 --> 00:51:41,200

program

1022

00:51:50,309 --> 00:51:47,430

conducted on debunking which is proven

1023

00:51:51,910 --> 00:51:50,319

it's a proven thing in a document

1024

00:51:54,790 --> 00:51:51,920

they've recommended

1025

00:51:57,349 --> 00:51:54,800

a school that people can come and learn

1026

00:51:58,710 --> 00:51:57,359

how to debunk these things

1027

00:52:00,470 --> 00:51:58,720

and it's not like

1028

00:52:03,589 --> 00:52:00,480

they use the words

1029

00:52:08,790 --> 00:52:03,599

uh find out what they really are

1030

00:52:13,910 --> 00:52:12,150

so when you use the word debunk

1031

00:52:19,589 --> 00:52:13,920

you're in essence saying that these

1032

00:52:24,470 --> 00:52:21,349

right

1033

00:52:26,710 --> 00:52:24,480

or you wouldn't have to debunk anything

1034

00:52:28,390 --> 00:52:26,720

you could simply have a school where

1035

00:52:30,390 --> 00:52:28,400

they learn to figure out what these

1036

00:52:32,470 --> 00:52:30,400

things really are

1037

00:52:33,829 --> 00:52:32,480

you know whether it be a plane or

1038

00:52:36,950 --> 00:52:33,839

whatever else

1039

00:52:39,349 --> 00:52:36,960

no but they use the word debunk

1040

00:52:43,990 --> 00:52:39,359

and that to me says shit's real we got

1041

00:52:47,750 --> 00:52:45,750

and how do you do that

1042

00:52:49,829 --> 00:52:47,760

first of all you get the media on your

1043

00:52:52,390 --> 00:52:49,839

side

1044

00:52:54,309 --> 00:52:52,400

now the government has definite i don't

1045

00:52:55,430 --> 00:52:54,319

know if they do now but in my research

1046

00:52:58,150 --> 00:52:55,440

i'm sure they do

1047

00:53:00,630 --> 00:52:58,160

definite programs where they plug in cia

1048

00:53:04,870 --> 00:53:00,640

operatives in all the different media

1049

00:53:09,030 --> 00:53:06,790

to peddle their influence so if you're

1050

00:53:12,150 --> 00:53:09,040

telling me that they didn't influence

1051

00:53:15,750 --> 00:53:12,160

media to i don't know maybe

1052

00:53:19,510 --> 00:53:15,760

get in their college debunking program

1053

00:53:24,470 --> 00:53:22,230

because if anyone doesn't believe

1054

00:53:27,430 --> 00:53:24,480

or care

1055

00:53:29,270 --> 00:53:27,440

i should say about the truth

1056

00:53:33,190 --> 00:53:29,280

uh

1057

00:53:39,190 --> 00:53:33,200

msm could probably be you know

1058

00:53:41,670 --> 00:53:40,470

so they would

1059

00:53:43,750 --> 00:53:41,680

definitely

1060

00:53:45,910 --> 00:53:43,760

not mind

1061

00:53:47,910 --> 00:53:45,920

i'm saying this stuff is weird and not

1062

00:53:50,950 --> 00:53:47,920

real

1063

00:53:53,829 --> 00:53:50,960

you can see it now like dude lou is just

1064

00:53:56,069 --> 00:53:53,839

on fox saying biological effects yes

1065

00:54:02,630 --> 00:53:56,079

humans these people who have observed

1066

00:54:02,640 --> 00:54:05,670

hello

1067

00:54:09,829 --> 00:54:07,270

what what do you need to know do you

1068

00:54:11,750 --> 00:54:09,839

actually need to see a saucer and have

1069

00:54:14,630 --> 00:54:11,760

it burn the out of you for you to

1070

00:54:22,549 --> 00:54:14,640

believe it if that is the case i pity

1071

00:54:22,559 --> 00:54:25,990

you know

1072

00:54:32,630 --> 00:54:27,910

a video

1073

00:54:37,190 --> 00:54:34,470

i had a little bit of a high horse today

1074

00:54:39,990 --> 00:54:37,200

huh a lot of talking

1075

00:54:41,109 --> 00:54:40,000

um passionate talking hopefully it was

1076
00:54:42,789 --> 00:54:41,119
good

1077
00:54:44,150 --> 00:54:42,799
hopefully you enjoyed it got something

1078
00:54:47,430 --> 00:54:44,160
from it

1079
00:54:51,270 --> 00:54:48,710
tomorrow

1080
00:54:53,990 --> 00:54:51,280
again we have a full day so we have

1081
00:54:55,670 --> 00:54:54,000
quantum which 10 am central standard

1082
00:54:58,789 --> 00:54:55,680
time pretty early

1083
00:55:00,230 --> 00:54:58,799
um then we're gonna have ufo joe

1084
00:55:03,270 --> 00:55:00,240
um at

1085
00:55:05,030 --> 00:55:03,280
about 12 15 central standard time

1086
00:55:06,950 --> 00:55:05,040
he's going to come on him um we're going

1087
00:55:09,430 --> 00:55:06,960
to talk about a couple crashes that he

1088
00:55:11,750 --> 00:55:09,440

learned about recently and anything else

1089

00:55:12,789 --> 00:55:11,760

that we decide to discuss he's a great

1090

00:55:14,309 --> 00:55:12,799

guy

1091

00:55:15,990 --> 00:55:14,319

um really enjoyed him he was actually

1092

00:55:17,990 --> 00:55:16,000

one of my first guests when i didn't

1093

00:55:21,030 --> 00:55:18,000

have any of this fancy

1094

00:55:22,390 --> 00:55:21,040

stuff going on and i was really just

1095

00:55:24,069 --> 00:55:22,400

learning

1096

00:55:26,309 --> 00:55:24,079

what the hell to do and how to do it he

1097

00:55:27,829 --> 00:55:26,319

was nice enough to come on and and be a

1098

00:55:30,230 --> 00:55:27,839

guest and

1099

00:55:31,829 --> 00:55:30,240

um i'll never forget that he took that

1100

00:55:32,789 --> 00:55:31,839

chance on me and did that he didn't have

1101
00:55:34,789 --> 00:55:32,799
to

1102
00:55:36,549 --> 00:55:34,799
um so

1103
00:55:37,750 --> 00:55:36,559
bringing them back we're going to chat

1104
00:55:39,190 --> 00:55:37,760
for a bit

1105
00:55:41,430 --> 00:55:39,200
and then after him

1106
00:55:42,390 --> 00:55:41,440
we got project unity on

1107
00:55:43,990 --> 00:55:42,400
um

1108
00:55:46,309 --> 00:55:44,000
for about an hour if you are not

1109
00:55:48,150 --> 00:55:46,319
familiar just go to my videos they're

1110
00:55:49,990 --> 00:55:48,160
upcoming and you can find the details on

1111
00:55:52,470 --> 00:55:50,000
the different people uh within those

1112
00:55:53,750 --> 00:55:52,480
videos i have not made one yet for uh

1113
00:55:55,990 --> 00:55:53,760

ufo joe

1114

00:55:57,430 --> 00:55:56,000

um so look for that that'll be coming i

1115

00:56:01,750 --> 00:55:57,440

literally just talked to him before i

1116

00:56:05,349 --> 00:56:03,109

peace

1117

00:56:05,710 --> 00:56:05,359

um just a couple crashes yeah no big

1118

00:56:10,150 --> 00:56:05,720

deal

1119

00:56:11,990 --> 00:56:10,160

[Laughter]

1120

00:56:15,030 --> 00:56:12,000

uh i'm not

1121

00:56:21,829 --> 00:56:19,589

i'm not hurting um if if i get like

1122

00:56:23,430 --> 00:56:21,839

teared up or something or i'm you know a

1123

00:56:27,349 --> 00:56:23,440

little emotional that's just who i am

1124

00:56:33,589 --> 00:56:31,109

you know i've lived my life

1125

00:56:35,349 --> 00:56:33,599

you know playing off of emotions

1126
00:56:36,789 --> 00:56:35,359
so

1127
00:56:39,670 --> 00:56:36,799
in the moment

1128
00:56:42,230 --> 00:56:39,680
sure yeah it's

1129
00:56:44,630 --> 00:56:42,240
it's hurtful to think about that all the

1130
00:56:46,309 --> 00:56:44,640
not me or just everyone who's been

1131
00:56:47,750 --> 00:56:46,319
through this stuff

1132
00:56:50,150 --> 00:56:47,760
and they don't get any sort of

1133
00:56:51,030 --> 00:56:50,160
explanation on the psychology aspect of

1134
00:56:53,829 --> 00:56:51,040
this

1135
00:56:55,349 --> 00:56:53,839
they can if they put it you know if they

1136
00:56:56,829 --> 00:56:55,359
put that goal within themselves and go

1137
00:57:00,549 --> 00:56:56,839
search for

1138
00:57:03,510 --> 00:57:00,559

it um but it's also hard to sift through

1139

00:57:05,190 --> 00:57:03,520

all the garbage especially with that

1140

00:57:07,750 --> 00:57:05,200

because you can really quick

1141

00:57:10,870 --> 00:57:07,760

quickly be steered off the right path

1142

00:57:14,950 --> 00:57:13,670

so

1143

00:57:17,030 --> 00:57:14,960

you know when

1144

00:57:19,750 --> 00:57:17,040

i get emotional or anything it's not

1145

00:57:21,589 --> 00:57:19,760

for me it's it's for everybody

1146

00:57:22,870 --> 00:57:21,599

everybody's gone through this stuff you

1147

00:57:26,390 --> 00:57:22,880

know

1148

00:57:29,109 --> 00:57:26,400

is

1149

00:57:32,230 --> 00:57:31,270

it could have been a lot worse let's say

1150

00:57:34,230 --> 00:57:32,240

that

1151
00:57:35,750 --> 00:57:34,240
you know

1152
00:57:37,750 --> 00:57:35,760
and it's been a lot worse for other

1153
00:57:42,710 --> 00:57:37,760
people

1154
00:57:45,910 --> 00:57:42,720
burned literally

1155
00:57:47,430 --> 00:57:45,920
fighter pilots have been shot at

1156
00:57:50,150 --> 00:57:47,440
you know

1157
00:57:52,390 --> 00:57:50,160
i had a dream come true

1158
00:57:54,309 --> 00:57:52,400
um the circumstance around it you know

1159
00:57:55,990 --> 00:57:54,319
what transpired was unfortunate but it

1160
00:57:58,470 --> 00:57:56,000
was not

1161
00:58:02,870 --> 00:57:58,480
anything that i didn't get over along

1162
00:58:02,880 --> 00:58:06,309
so

1163
00:58:11,190 --> 00:58:09,109

i think whatever it was maybe just

1164

00:58:12,710 --> 00:58:11,200

you know like mr valet says in that book

1165

00:58:14,549 --> 00:58:12,720

invisible college it

1166

00:58:16,789 --> 00:58:14,559

you know the experiences seem to set

1167

00:58:18,870 --> 00:58:16,799

people off on different trajectories of

1168

00:58:20,630 --> 00:58:18,880

their life and and give them certain

1169

00:58:23,349 --> 00:58:20,640

missions right or make them feel like

1170

00:58:25,750 --> 00:58:23,359

they're on a mission and

1171

00:58:28,470 --> 00:58:25,760

whatever it was that's

1172

00:58:31,030 --> 00:58:28,480

that's what's happening to me

1173

00:58:33,430 --> 00:58:31,040

i mean

1174

00:58:39,430 --> 00:58:34,870

done

1175

00:58:41,589 --> 00:58:39,440

music in my hometown for 20 years

1176

00:58:45,030 --> 00:58:41,599

and i just you know coronavirus had a

1177

00:58:48,630 --> 00:58:45,040

lot to do with that i guess but

1178

00:58:51,829 --> 00:58:49,510

and

1179

00:58:54,069 --> 00:58:51,839

i'm not probably gonna go back i'm still

1180

00:58:55,589 --> 00:58:54,079

gonna play music obviously but like that

1181

00:58:56,630 --> 00:58:55,599

life and that community and all that

1182

00:58:59,510 --> 00:58:56,640

stuff

1183

00:59:04,069 --> 00:59:01,670

you know the sighting completely changed

1184

00:59:06,710 --> 00:59:04,079

me

1185

00:59:10,470 --> 00:59:08,309

um and if

1186

00:59:12,630 --> 00:59:10,480

for the better or worse yet i don't know

1187

00:59:14,390 --> 00:59:12,640

but it is what it is and i'll just do my

1188

00:59:16,309 --> 00:59:14,400

best with the

1189

00:59:19,270 --> 00:59:16,319

um

1190

00:59:22,069 --> 00:59:19,280

resources i've been given

1191

00:59:25,670 --> 00:59:24,309

uh toby yeah you can actually look at my

1192

00:59:27,589 --> 00:59:25,680

twitter page i think i posted that

1193

00:59:29,589 --> 00:59:27,599

document maybe a few days ago you can

1194

00:59:32,950 --> 00:59:29,599

look at it you know is it

1195

00:59:36,470 --> 00:59:32,960

it looks pretty legit to me so um you'll

1196

00:59:39,190 --> 00:59:36,480

have to take that for what you want

1197

00:59:43,510 --> 00:59:41,670

yeah so be good stay in love

1198

00:59:44,950 --> 00:59:43,520

uh

1199

00:59:48,309 --> 00:59:44,960

scott thank you as always for your

1200

00:59:50,470 --> 00:59:48,319

support i do appreciate that very much

1201

00:59:51,990 --> 00:59:50,480

every little bit helps

1202

00:59:53,510 --> 00:59:52,000

um

1203

00:59:54,450 --> 00:59:53,520

especially when my wife sees what i'm

1204

00:59:57,349 --> 00:59:54,460

spending my time on

1205

00:59:58,549 --> 00:59:57,359

[Laughter]

1206

01:00:00,630 --> 00:59:58,559

like oh yeah at least you get a little

1207

01:00:01,430 --> 01:00:00,640

money and there

1208

01:00:03,190 --> 01:00:01,440

if

1209

01:00:05,270 --> 01:00:03,200

otherwise it's like yeah i do this for

1210

01:00:07,430 --> 01:00:05,280

free why

1211

01:00:08,870 --> 01:00:07,440

nobody understands that

1212

01:00:10,549 --> 01:00:08,880

um

1213

01:00:13,190 --> 01:00:10,559

all right so

1214

01:00:14,309 --> 01:00:13,200

yeah stop by tomorrow we got a whole day

1215

01:00:17,430 --> 01:00:14,319

psych

1216

01:00:21,349 --> 01:00:19,270

i'm too new to be a legend but maybe one

1217

01:00:23,990 --> 01:00:21,359

day

1218

01:00:25,670 --> 01:00:24,000

you guys are legendary in your own right

1219

01:00:27,109 --> 01:00:25,680

for being here putting up with me

1220

01:00:30,230 --> 01:00:27,119

listening to me

1221

01:00:34,470 --> 01:00:30,240

um i appreciate y'all love y'all

1222

01:00:38,630 --> 01:00:37,030

tomorrow so stay tuned

1223

01:00:40,710 --> 01:00:38,640

um

1224

01:00:42,630 --> 01:00:40,720

yeah if anything comes up or you need to

1225

01:00:45,510 --> 01:00:42,640

ask me about something just find me on

1226

01:00:47,910 --> 01:00:45,520

instagram or twitter or whatever

1227

01:00:50,230 --> 01:00:47,920

and i'll try to get back to you and

1228

01:00:53,430 --> 01:00:50,240

right away so i guess my recommendation

1229

01:00:57,430 --> 01:00:53,440

for today is take a look at this report

1230

01:01:00,549 --> 01:00:57,440

a report of the ufo wave of 1947 and

1231

01:01:02,309 --> 01:01:00,559

get the book invisible college

1232

01:01:04,549 --> 01:01:02,319

invisible college

1233

01:01:05,670 --> 01:01:04,559

if you haven't read that yet

1234

01:01:08,390 --> 01:01:05,680

read it

1235

01:01:10,309 --> 01:01:08,400

together

1236

01:01:12,470 --> 01:01:10,319

because i think there's a lot more truth

1237

01:01:13,829 --> 01:01:12,480

in that book than anything we've been

1238

01:01:15,910 --> 01:01:13,839

seeing lately

1239

01:01:16,950 --> 01:01:15,920

so

1240

01:01:18,630 --> 01:01:16,960

all right
