

1
00:00:13,250 --> 00:00:10,629
[Music]

2
00:00:20,180 --> 00:00:13,260
so

3
00:00:27,509 --> 00:00:22,480
[Applause]

4
00:00:27,519 --> 00:00:32,109
five

5
00:00:40,389 --> 00:00:37,830
[Music]

6
00:00:41,830 --> 00:00:40,399
what's up everybody um we have an

7
00:00:45,990 --> 00:00:41,840
amazing

8
00:00:47,510 --> 00:00:46,000
it hasn't happened yet but i'm assuming

9
00:00:49,750 --> 00:00:47,520
it's going to be it's going to be

10
00:00:51,270 --> 00:00:49,760
amazing

11
00:00:53,270 --> 00:00:51,280
first off i wanted to thank everybody

12
00:00:55,750 --> 00:00:53,280
for being here everybody who's here with

13
00:00:58,150 --> 00:00:55,760

me every day monday through friday i

14

00:01:00,310 --> 00:00:58,160

really appreciate it um i wouldn't be

15

00:01:02,709 --> 00:01:00,320

here with this opportunity if it wasn't

16

00:01:05,990 --> 00:01:02,719

for you guys so i'm really grateful to

17

00:01:08,070 --> 00:01:06,000

be here and to have this opportunity

18

00:01:11,350 --> 00:01:08,080

with that being said i don't want to

19

00:01:13,109 --> 00:01:11,360

waste any more of your time with me

20

00:01:15,270 --> 00:01:13,119

i want to bring in

21

00:01:16,789 --> 00:01:15,280

someone who is really special

22

00:01:19,429 --> 00:01:16,799

to this community

23

00:01:22,390 --> 00:01:19,439

and to this story of ufos

24

00:01:24,789 --> 00:01:22,400

um he's a former boxer

25

00:01:28,710 --> 00:01:24,799

he's a former cop

26

00:01:32,789 --> 00:01:28,720

he is a former senate majority leader

27

00:01:34,710 --> 00:01:32,799

and he not only was the reason obama won

28

00:01:38,950 --> 00:01:34,720

his second election

29

00:01:42,389 --> 00:01:38,960

he is the reason we are here today

30

00:01:44,149 --> 00:01:42,399

and so without further ado i bring in

31

00:01:47,350 --> 00:01:44,159

senator

32

00:01:47,360 --> 00:01:51,910

hello sir

33

00:01:51,920 --> 00:01:58,950

did i get most of that right

34

00:02:04,230 --> 00:02:00,450

oh you're freezing up on me

35

00:02:05,190 --> 00:02:04,240

[Laughter]

36

00:02:06,870 --> 00:02:05,200

um

37

00:02:09,190 --> 00:02:06,880

well yeah you're freezing up on me for

38

00:02:13,110 --> 00:02:09,200

some reason is your internet connection

39

00:02:16,949 --> 00:02:15,350

so i'll just get straight to it first of

40

00:02:21,589 --> 00:02:16,959

all thank you for doing this i really

41

00:02:24,470 --> 00:02:21,599

appreciate it um most of us know that

42

00:02:28,390 --> 00:02:24,480

it all kind of started with

43

00:02:29,430 --> 00:02:28,400

mr net introducing you to a mr bigelow

44

00:02:30,630 --> 00:02:29,440

um

45

00:02:32,550 --> 00:02:30,640

and

46

00:02:35,430 --> 00:02:32,560

you know when i think about that i also

47

00:02:37,190 --> 00:02:35,440

think about when you said at one point

48

00:02:39,350 --> 00:02:37,200

you reviewed

49

00:02:41,190 --> 00:02:39,360

uh blue book files previously and it

50

00:02:43,350 --> 00:02:41,200

really didn't do much for you and then

51

00:02:45,670 --> 00:02:43,360

you went to this

52

00:02:51,990 --> 00:02:45,680

oh he disappeared

53

00:02:55,750 --> 00:02:53,990

man

54

00:02:57,830 --> 00:02:55,760

i don't know

55

00:03:00,070 --> 00:02:57,840

that's too bad

56

00:03:09,750 --> 00:03:00,080

um so we'll just wait for him to pop

57

00:03:15,670 --> 00:03:11,910

and yeah

58

00:03:15,680 --> 00:03:20,550

better

59

00:03:24,390 --> 00:03:21,589

um

60

00:03:28,789 --> 00:03:24,400

yeah i can i can hear you it's just uh

61

00:03:34,869 --> 00:03:32,390

uh but we can we can try to just get

62

00:03:35,670 --> 00:03:34,879

through this i suppose

63

00:03:38,869 --> 00:03:35,680

um

64

00:03:40,710 --> 00:03:38,879

my question basically was

65

00:03:48,710 --> 00:03:40,720

oh

66

00:03:54,470 --> 00:03:51,509

my question was what did mr bigelow show

67

00:03:57,990 --> 00:03:54,480

you it that um really put the fire in

68

00:04:00,229 --> 00:03:58,000

your belly to blaze this trail and um

69

00:04:08,309 --> 00:04:00,239

make sure that there was an organization

70

00:04:12,789 --> 00:04:11,429

well going back to bigelow

71

00:04:14,470 --> 00:04:12,799

yeah i

72

00:04:15,750 --> 00:04:14,480

was invited

73

00:04:17,430 --> 00:04:15,760

through

74

00:04:23,270 --> 00:04:17,440

george knapp

75

00:04:29,830 --> 00:04:25,270

and there were lots there

76

00:04:35,270 --> 00:04:32,550

interested people a few weirdos

77

00:04:37,430 --> 00:04:35,280

but generally it was a very very

78

00:04:39,189 --> 00:04:37,440

substantive meeting

79

00:04:41,110 --> 00:04:39,199

it was one where

80

00:04:45,670 --> 00:04:41,120

a lot of questions were asked

81

00:04:45,680 --> 00:04:51,030

it stimulated my your curiosity

82

00:05:03,830 --> 00:04:52,790

would you be able to share any of the

83

00:05:03,840 --> 00:05:08,830

well basically um

84

00:05:11,990 --> 00:05:10,550

the

85

00:05:17,670 --> 00:05:12,000

seminar was

86

00:05:17,680 --> 00:05:21,430

had my flat

87

00:05:28,150 --> 00:05:23,590

and

88

00:05:28,160 --> 00:05:33,430

accumulated my cure

89

00:05:37,430 --> 00:05:35,510

that was excuse me

90

00:05:39,909 --> 00:05:37,440

that's okay

91

00:05:44,710 --> 00:05:39,919

that was the beginning of my

92

00:05:48,710 --> 00:05:46,710

sometime later when i was a member of

93

00:05:54,150 --> 00:05:48,720

the senate

94

00:05:55,510 --> 00:05:54,160

i decided i wanted to find out if there

95

00:05:57,590 --> 00:05:55,520

was anything

96

00:05:58,950 --> 00:05:57,600

any substance to these so-called

97

00:05:59,909 --> 00:05:58,960

occurrences

98

00:06:02,390 --> 00:05:59,919

and i

99

00:06:04,309 --> 00:06:02,400

asked the two leaders of the defense

100

00:06:05,350 --> 00:06:04,319

appropriation program

101
00:06:07,270 --> 00:06:05,360
in a

102
00:06:08,150 --> 00:06:07,280
way of hawaii

103
00:06:09,909 --> 00:06:08,160
and

104
00:06:11,990 --> 00:06:09,919
stephens of alaska

105
00:06:12,950 --> 00:06:12,000
and told them i wanted to spend some

106
00:06:14,390 --> 00:06:12,960
money

107
00:06:17,350 --> 00:06:14,400
to find out if there was anything to

108
00:06:21,510 --> 00:06:20,390
the only way to do that is to

109
00:06:24,230 --> 00:06:21,520
and so we

110
00:06:26,070 --> 00:06:24,240
appropriated 22 million dollars

111
00:06:29,110 --> 00:06:26,080
put that out to bid

112
00:06:30,950 --> 00:06:29,120
and the whole

113
00:06:34,230 --> 00:06:30,960

effort was to determine

114

00:06:36,150 --> 00:06:34,240

if these

115

00:06:38,390 --> 00:06:36,160

we're substantiated by people actually

116

00:06:40,629 --> 00:06:38,400

seeing them

117

00:06:42,469 --> 00:06:40,639

and we didn't know if there would be

118

00:06:43,590 --> 00:06:42,479

ten people that just

119

00:06:46,070 --> 00:06:43,600

seen them

120

00:06:49,990 --> 00:06:46,080

but when we finished the program

121

00:06:50,000 --> 00:06:54,390

identified flying objects

122

00:06:58,870 --> 00:06:57,110

from all over the united states

123

00:07:00,629 --> 00:06:58,880

of course there were also different

124

00:07:01,589 --> 00:07:00,639

parts of the world

125

00:07:03,350 --> 00:07:01,599

right

126
00:07:05,189 --> 00:07:03,360
and i think that

127
00:07:07,110 --> 00:07:05,199
that was the beginning of

128
00:07:08,230 --> 00:07:07,120
the interest of the american people in

129
00:07:10,390 --> 00:07:08,240
the subject

130
00:07:13,749 --> 00:07:10,400
we stimulated their

131
00:07:13,759 --> 00:07:24,870
have you ever seen a ufo

132
00:07:24,880 --> 00:07:30,070
of course he freezes on me there

133
00:07:34,790 --> 00:07:32,550
and yeah we got kind of a

134
00:07:41,110 --> 00:07:34,800
uh not so hot

135
00:07:41,120 --> 00:07:49,110
so i'm not sure why that is but

136
00:07:49,120 --> 00:07:53,029
i got you back in here

137
00:08:00,150 --> 00:07:55,909
i don't know what the problem is

138
00:08:09,510 --> 00:08:01,510

who knows

139

00:08:09,520 --> 00:08:15,110

um

140

00:08:18,550 --> 00:08:17,430

yeah okay

141

00:08:20,230 --> 00:08:18,560

well

142

00:08:24,230 --> 00:08:20,240

it is what it is i'm just happy i'm

143

00:08:26,150 --> 00:08:24,240

sitting here with you so if if you're

144

00:08:27,270 --> 00:08:26,160

if your thing's in and out i don't care

145

00:08:29,350 --> 00:08:27,280

i'm happy

146

00:08:30,550 --> 00:08:29,360

may i be that sure here so

147

00:08:33,029 --> 00:08:30,560

um

148

00:08:42,550 --> 00:08:33,039

do you think other nations have more

149

00:08:42,560 --> 00:08:45,910

last one

150

00:08:49,269 --> 00:08:47,670

we know that there are other programs

151
00:08:51,509 --> 00:08:49,279
involved

152
00:08:54,710 --> 00:08:51,519
the

153
00:08:57,030 --> 00:08:54,720
former soviet union now russia is run by

154
00:08:57,990 --> 00:08:57,040
foreign head of the kgb

155
00:09:00,790 --> 00:08:58,000
putin

156
00:09:02,870 --> 00:09:00,800
had 33 000 asians at one time

157
00:09:04,470 --> 00:09:02,880
so we know they're looking

158
00:09:06,630 --> 00:09:04,480
we can't do it

159
00:09:09,030 --> 00:09:06,640
and there's we have there's credible

160
00:09:10,630 --> 00:09:09,040
evidence francis mental time and effort

161
00:09:12,310 --> 00:09:10,640
looking into that

162
00:09:14,790 --> 00:09:12,320
we there's no doubt that china is

163
00:09:16,550 --> 00:09:14,800

looking into it

164

00:09:18,389 --> 00:09:16,560

so the answer is yes

165

00:09:20,870 --> 00:09:18,399

other countries are interested in this

166

00:09:23,670 --> 00:09:20,880

just as much as we are

167

00:09:32,870 --> 00:09:23,680

yeah and that do you think that's one of

168

00:09:36,150 --> 00:09:33,910

well there are a number of reasons we

169

00:09:37,509 --> 00:09:36,160

need to look into this one is just basic

170

00:09:39,750 --> 00:09:37,519

science

171

00:09:42,070 --> 00:09:39,760

the other is technology

172

00:09:43,910 --> 00:09:42,080

the other security of our nation

173

00:09:49,990 --> 00:09:43,920

suppose the three main reasons we need

174

00:09:53,750 --> 00:09:51,430

do you think

175

00:09:56,310 --> 00:09:53,760

the public is ready for

176

00:09:58,470 --> 00:09:56,320

disclosure or is that more difficult to

177

00:10:03,509 --> 00:09:58,480

say and not knowing exactly what we're

178

00:10:03,519 --> 00:10:06,389

i think that

179

00:10:10,550 --> 00:10:08,150

the

180

00:10:13,110 --> 00:10:10,560

partners made a mistake and trying to

181

00:10:14,470 --> 00:10:13,120

keep this from the american people the

182

00:10:17,030 --> 00:10:14,480

american people

183

00:10:19,430 --> 00:10:17,040

want transparency

184

00:10:20,630 --> 00:10:19,440

the more we try to hide what's going on

185

00:10:23,829 --> 00:10:20,640

in government

186

00:10:28,550 --> 00:10:25,430

disillusioned people become with

187

00:10:30,949 --> 00:10:28,560

government because yes either

188

00:10:33,190 --> 00:10:30,959

totally transparent with the american

189

00:10:44,710 --> 00:10:33,200

people whatever we learn we've got to

190

00:10:59,269 --> 00:10:48,230

one thing we could do is just ditch the

191

00:10:59,279 --> 00:11:02,870

hello

192

00:11:02,880 --> 00:11:09,750

is that better

193

00:11:12,949 --> 00:11:10,630

hello

194

00:11:14,630 --> 00:11:12,959

let's try this to see if it

195

00:11:15,990 --> 00:11:14,640

sure

196

00:11:17,430 --> 00:11:16,000

you've not had a problem with this

197

00:11:20,470 --> 00:11:17,440

before

198

00:11:22,069 --> 00:11:20,480

that's okay it happens

199

00:11:23,829 --> 00:11:22,079

i can hear you

200

00:11:24,949 --> 00:11:23,839

we're going to cut off camera

201
00:11:26,710 --> 00:11:24,959
we're going to cut out the camera and

202
00:11:31,350 --> 00:11:26,720
just do audio

203
00:11:31,360 --> 00:11:38,150
and i'm here ready to go

204
00:11:46,389 --> 00:11:40,870
is that okay with you yeah

205
00:11:46,399 --> 00:11:48,870
um

206
00:11:54,790 --> 00:11:51,030
yeah so i mean obviously i agree with

207
00:11:56,629 --> 00:11:54,800
you the public needs to know right um

208
00:11:57,430 --> 00:11:56,639
and that's why i appreciate projects

209
00:11:59,910 --> 00:11:57,440
like

210
00:12:01,190 --> 00:11:59,920
avilova i know you appreciate his book

211
00:12:03,590 --> 00:12:01,200
as well

212
00:12:06,230 --> 00:12:03,600
um let me ask if he

213
00:12:08,230 --> 00:12:06,240

if project galileo captures a uap on

214

00:12:09,750 --> 00:12:08,240

video or picture

215

00:12:17,829 --> 00:12:09,760

how do you think the us government would

216

00:12:21,590 --> 00:12:20,389

i am convinced that the american people

217

00:12:24,150 --> 00:12:21,600

want

218

00:12:25,750 --> 00:12:24,160

to know what's going on in the world the

219

00:12:30,949 --> 00:12:25,760

more the government tries to hide what's

220

00:12:33,829 --> 00:12:32,230

have confidence

221

00:12:34,949 --> 00:12:33,839

you need to let the american people know

222

00:12:37,110 --> 00:12:34,959

what's how

223

00:12:39,190 --> 00:12:37,120

they they they can

224

00:12:42,470 --> 00:12:39,200

the truth is important to them just like

225

00:12:47,829 --> 00:12:43,430

yeah

226

00:12:52,710 --> 00:12:50,790

i can't i can't agree with you more um

227

00:12:55,829 --> 00:12:52,720

and and you kind of

228

00:12:58,389 --> 00:12:55,839

trail blaze this whole thing

229

00:13:00,710 --> 00:12:58,399

for all of us and we're all on behalf of

230

00:13:03,190 --> 00:13:00,720

everybody very grateful for all the work

231

00:13:04,389 --> 00:13:03,200

you put into this

232

00:13:06,949 --> 00:13:04,399

um

233

00:13:17,910 --> 00:13:06,959

what do you think is driving the fight

234

00:13:17,920 --> 00:13:35,910

i think that

235

00:13:35,920 --> 00:13:38,790

yeah

236

00:13:38,800 --> 00:13:41,829

lusty again

237

00:13:51,750 --> 00:13:43,829

man

238

00:13:55,829 --> 00:13:53,670

yeah i don't know what is happening

239

00:13:58,069 --> 00:13:55,839

maybe if you guys have a

240

00:13:58,949 --> 00:13:58,079

router to reset or something i don't

241

00:14:01,990 --> 00:13:58,959

know

242

00:14:04,790 --> 00:14:02,000

yeah i can hear you

243

00:14:06,310 --> 00:14:04,800

can you hear me can you hear me now

244

00:14:07,670 --> 00:14:06,320

i can um

245

00:14:12,629 --> 00:14:07,680

i think we've done a

246

00:14:12,639 --> 00:14:18,069

what's that

247

00:14:18,079 --> 00:14:28,150

yeah i can hear you you can go ahead

248

00:14:32,790 --> 00:14:30,230

i think we've done a pretty good job in

249

00:14:34,310 --> 00:14:32,800

recent months

250

00:14:40,310 --> 00:14:34,320

informing the american people what's

251
00:14:45,990 --> 00:14:41,750
man

252
00:14:55,269 --> 00:14:47,750
you know

253
00:14:58,949 --> 00:14:57,350
just my life

254
00:15:03,189 --> 00:14:58,959
but

255
00:15:04,470 --> 00:15:03,199
hang in there all um i'm sure we will

256
00:15:05,350 --> 00:15:04,480
take care of it

257
00:15:06,230 --> 00:15:05,360
so

258
00:15:16,230 --> 00:15:06,240
um

259
00:15:17,189 --> 00:15:16,240
from senator reid

260
00:15:20,949 --> 00:15:17,199
is

261
00:15:24,550 --> 00:15:22,230
you know what's pushing the fight for

262
00:15:30,550 --> 00:15:24,560
transparency now and he was very clear

263
00:15:34,550 --> 00:15:33,030

we're doing a good job right now right

264

00:15:38,470 --> 00:15:34,560

and we really are

265

00:15:42,870 --> 00:15:39,269

like

266

00:15:43,749 --> 00:15:42,880

the report that just came out

267

00:15:45,430 --> 00:15:43,759

and

268

00:15:48,230 --> 00:15:45,440

the dod

269

00:15:50,629 --> 00:15:48,240

you know forming a new task force

270

00:15:52,150 --> 00:15:50,639

within the dod and

271

00:15:54,870 --> 00:15:52,160

that's going to be permanent and give

272

00:15:58,150 --> 00:15:54,880

regular routine

273

00:15:58,160 --> 00:20:26,390

um so hang on with me for one second

274

00:20:26,400 --> 00:20:29,750

all right yo

275

00:20:35,909 --> 00:20:31,190

we are trying something a little

276

00:20:41,669 --> 00:20:39,750

can you guys hear me

277

00:20:47,270 --> 00:20:41,679

can you hear the senator senator i can

278

00:20:52,950 --> 00:20:49,750

can you hear me testing one two three

279

00:20:55,990 --> 00:20:52,960

yep yes i can all right

280

00:20:56,870 --> 00:20:56,000

i think we're in business

281

00:20:59,029 --> 00:20:56,880

okay

282

00:21:01,669 --> 00:20:59,039

[Music]

283

00:21:03,750 --> 00:21:01,679

awesome um everybody in the chat if you

284

00:21:05,350 --> 00:21:03,760

could let me know if you hear

285

00:21:13,590 --> 00:21:05,360

senator reid okay that would be

286

00:21:13,600 --> 00:21:19,990

so

287

00:21:25,510 --> 00:21:21,990

all right you can hear me we were

288

00:21:30,310 --> 00:21:28,470

well let's just start over um as

289

00:21:32,630 --> 00:21:30,320

the

290

00:21:37,669 --> 00:21:32,640

stigma 100 year

291

00:21:40,870 --> 00:21:39,750

what is the question

292

00:21:42,870 --> 00:21:40,880

um has

293

00:21:46,470 --> 00:21:42,880

the stigma of ufos hindered your

294

00:21:49,990 --> 00:21:49,029

no i don't think so i think that people

295

00:21:52,070 --> 00:21:50,000

are

296

00:21:54,630 --> 00:21:52,080

interested in the subject

297

00:21:56,549 --> 00:21:54,640

i think we've made a lot of progress

298

00:21:58,390 --> 00:21:56,559

and

299

00:22:00,549 --> 00:21:58,400

i think the work we've done

300

00:22:01,350 --> 00:22:00,559

where we've now determined that

301
00:22:03,669 --> 00:22:01,360
not

302
00:22:05,590 --> 00:22:03,679
ten or twenty people have seen these

303
00:22:06,870 --> 00:22:05,600
kind of done by flying objects but

304
00:22:07,830 --> 00:22:06,880
hundreds and hundreds of people have

305
00:22:09,430 --> 00:22:07,840
seen them

306
00:22:10,630 --> 00:22:09,440
i think the american people are

307
00:22:13,510 --> 00:22:10,640
interested

308
00:22:15,990 --> 00:22:13,520
and i think the more we study the more

309
00:22:17,430 --> 00:22:16,000
we don't know but the more we

310
00:22:19,909 --> 00:22:17,440
more we

311
00:22:21,430 --> 00:22:19,919
need to study more and more

312
00:22:22,390 --> 00:22:21,440
more work we doing this the better off

313
00:22:25,110 --> 00:22:22,400

we are

314

00:22:29,029 --> 00:22:25,120

for all mankind

315

00:22:32,310 --> 00:22:30,710

um

316

00:22:35,909 --> 00:22:32,320

do you think public hearings are the way

317

00:22:40,390 --> 00:22:38,470

well i think that that's one way forward

318

00:22:42,710 --> 00:22:40,400

i think that congress is headed in that

319

00:22:45,669 --> 00:22:42,720

direction i think that's a good idea

320

00:22:46,630 --> 00:22:45,679

uh i think that uh

321

00:22:50,549 --> 00:22:46,640

he

322

00:22:52,630 --> 00:22:50,559

do a report on it

323

00:22:54,470 --> 00:22:52,640

but it can't be a one once and it's over

324

00:22:56,070 --> 00:22:54,480

it's gotta be a ongoing

325

00:22:58,789 --> 00:22:56,080

process

326

00:23:02,070 --> 00:22:58,799

because it's something that

327

00:23:04,149 --> 00:23:02,080

we will learn more as time goes on

328

00:23:05,430 --> 00:23:04,159

it can't be ignored american people now

329

00:23:07,430 --> 00:23:05,440

care about this

330

00:23:09,190 --> 00:23:07,440

i can go goes

331

00:23:11,029 --> 00:23:09,200

place here in nevada

332

00:23:13,029 --> 00:23:11,039

any place else in the country

333

00:23:14,549 --> 00:23:13,039

and someone will say are you senator

334

00:23:16,950 --> 00:23:14,559

reid and i said yes

335

00:23:19,669 --> 00:23:16,960

say thanks for doing your work a lot of

336

00:23:20,470 --> 00:23:19,679

them say flying saucers i know what they

337

00:23:22,470 --> 00:23:20,480

mean

338

00:23:24,549 --> 00:23:22,480

identify flying objects

339

00:23:27,669 --> 00:23:24,559

so people are interested

340

00:23:33,190 --> 00:23:31,270

have you ever seen a flying saucer

341

00:23:38,470 --> 00:23:33,200

no

342

00:23:41,590 --> 00:23:39,590

um

343

00:23:43,350 --> 00:23:41,600

do you

344

00:23:46,710 --> 00:23:43,360

i guess what's the most impactful story

345

00:23:50,470 --> 00:23:46,720

you've ever heard regarding an encounter

346

00:23:54,630 --> 00:23:53,110

well there are lots of them one we had

347

00:23:56,630 --> 00:23:54,640

very recently

348

00:23:58,310 --> 00:23:56,640

for the uss omaha

349

00:24:00,070 --> 00:23:58,320

where a large

350

00:24:01,669 --> 00:24:00,080

football shaped

351
00:24:05,110 --> 00:24:01,679
sphere

352
00:24:06,710 --> 00:24:05,120
floating around around the

353
00:24:08,230 --> 00:24:06,720
battleship

354
00:24:10,470 --> 00:24:08,240
and it suddenly just plunges into the

355
00:24:13,350 --> 00:24:10,480
water it disappears

356
00:24:15,669 --> 00:24:13,360
so that's pretty stunningly

357
00:24:17,990 --> 00:24:15,679
stunningly interesting to me

358
00:24:19,909 --> 00:24:18,000
i don't know what it is what it was we

359
00:24:21,590 --> 00:24:19,919
don't know

360
00:24:24,950 --> 00:24:21,600
um there's

361
00:24:27,590 --> 00:24:24,960
there's kind of like a um

362
00:24:29,990 --> 00:24:27,600
a rumor of a triangle ufo coming out of

363
00:24:34,310 --> 00:24:30,000

the water if you've heard of that

364

00:24:39,350 --> 00:24:37,430

no i haven't seen it no i'm not poisoned

365

00:24:42,710 --> 00:24:39,360

but but the

366

00:24:44,470 --> 00:24:42,720

thing about that the omaha

367

00:24:45,750 --> 00:24:44,480

in the past we relied on people's

368

00:24:47,110 --> 00:24:45,760

eyesight

369

00:24:49,669 --> 00:24:47,120

memory

370

00:24:52,070 --> 00:24:49,679

but there we have sonar radar

371

00:24:53,830 --> 00:24:52,080

and other equipment on the

372

00:24:54,789 --> 00:24:53,840

ship itself so they have pictures of

373

00:24:57,430 --> 00:24:54,799

this

374

00:24:59,590 --> 00:24:57,440

uh football shaped sphere before it went

375

00:25:02,470 --> 00:24:59,600

into the water

376

00:25:06,390 --> 00:25:03,830

um

377

00:25:10,310 --> 00:25:06,400

you know i do a lot of research i found

378

00:25:12,070 --> 00:25:10,320

that we've had instances throughout

379

00:25:13,750 --> 00:25:12,080

the course of the last 80 years was

380

00:25:15,990 --> 00:25:13,760

sensitive

381

00:25:19,060 --> 00:25:16,000

facilities of ours like the green

382

00:25:20,390 --> 00:25:19,070

fireballs back in the late 40s

383

00:25:24,149 --> 00:25:20,400

[Music]

384

00:25:28,070 --> 00:25:24,159

what do you think drives the activity by

385

00:25:30,630 --> 00:25:28,080

our nuclear installations and just our

386

00:25:33,350 --> 00:25:30,640

warships

387

00:25:34,549 --> 00:25:33,360

we just don't know what why they're that

388

00:25:37,029 --> 00:25:34,559

why they're

389

00:25:39,269 --> 00:25:37,039

uh have these occurrences

390

00:25:40,230 --> 00:25:39,279

we do know that they have occurred

391

00:25:42,710 --> 00:25:40,240

uh

392

00:25:45,029 --> 00:25:42,720

it's well documented the one

393

00:25:47,430 --> 00:25:45,039

that sticks out in my mind is when

394

00:25:48,549 --> 00:25:47,440

one of the missile faces in the

395

00:25:49,990 --> 00:25:48,559

dakotas

396

00:25:51,830 --> 00:25:50,000

uh

397

00:25:53,909 --> 00:25:51,840

so these identified flying objects

398

00:25:55,510 --> 00:25:53,919

floating around outside

399

00:25:58,230 --> 00:25:55,520

and the

400

00:26:00,470 --> 00:25:58,240

communication system on the

401
00:26:01,990 --> 00:26:00,480
nuclear facility

402
00:26:04,549 --> 00:26:02,000
uh

403
00:26:05,990 --> 00:26:04,559
shut down they had to fire a

404
00:26:07,029 --> 00:26:06,000
rocket towards

405
00:26:08,549 --> 00:26:07,039
uh

406
00:26:11,269 --> 00:26:08,559
soviet union they couldn't do it their

407
00:26:14,390 --> 00:26:11,279
equipment didn't work shut it out shut

408
00:26:18,310 --> 00:26:16,549
well

409
00:26:24,149 --> 00:26:18,320
um

410
00:26:27,269 --> 00:26:26,549
no i don't think i'm afraid i think it's

411
00:26:29,510 --> 00:26:27,279
uh

412
00:26:31,510 --> 00:26:29,520
i'm glad we're looking into it i'm glad

413
00:26:32,630 --> 00:26:31,520

we're not trying to ignore it

414

00:26:34,230 --> 00:26:32,640

and uh

415

00:26:35,909 --> 00:26:34,240

at this stage we

416

00:26:37,110 --> 00:26:35,919

doesn't appear that there's anything

417

00:26:39,350 --> 00:26:37,120

anyone

418

00:26:40,789 --> 00:26:39,360

trying to do us harm

419

00:26:43,590 --> 00:26:40,799

we just don't know what they're what

420

00:26:45,830 --> 00:26:43,600

these that's what we call unidentified

421

00:26:48,710 --> 00:26:45,840

flying encounters

422

00:26:51,029 --> 00:26:48,720

unlike blind objects we don't know when

423

00:26:55,350 --> 00:26:51,039

we identify them it'll be interesting to

424

00:26:58,390 --> 00:26:57,430

that's true yeah

425

00:27:00,070 --> 00:26:58,400

um

426
00:27:01,110 --> 00:27:00,080
let me change the subject a little bit

427
00:27:06,310 --> 00:27:01,120
now

428
00:27:10,149 --> 00:27:06,320
there are certain

429
00:27:12,390 --> 00:27:10,159
factions seemingly within the dod that

430
00:27:13,750 --> 00:27:12,400
call these demons now if you make it to

431
00:27:15,990 --> 00:27:13,760
the dod

432
00:27:17,830 --> 00:27:16,000
you have to have some sort of sense and

433
00:27:19,269 --> 00:27:17,840
wits about you

434
00:27:20,470 --> 00:27:19,279
why do you think

435
00:27:21,830 --> 00:27:20,480
those people

436
00:27:24,870 --> 00:27:21,840
think these

437
00:27:29,110 --> 00:27:27,110
well i think you have to understand that

438
00:27:30,630 --> 00:27:29,120

in government there's a rule

439

00:27:32,230 --> 00:27:30,640

it hasn't been done before we're not

440

00:27:33,029 --> 00:27:32,240

going to do it now

441

00:27:36,310 --> 00:27:33,039

and

442

00:27:38,149 --> 00:27:36,320

that overlays much of what we do or

443

00:27:39,590 --> 00:27:38,159

don't do in government

444

00:27:40,950 --> 00:27:39,600

and right now

445

00:27:42,310 --> 00:27:40,960

uh this

446

00:27:43,909 --> 00:27:42,320

we just are not

447

00:27:45,510 --> 00:27:43,919

uh

448

00:27:47,590 --> 00:27:45,520

has been done before we're not going to

449

00:27:48,870 --> 00:27:47,600

look into it anymore

450

00:27:52,870 --> 00:27:48,880

that's changing

451
00:27:57,269 --> 00:27:53,830
yeah

452
00:28:03,430 --> 00:27:59,110
so do you think they called them

453
00:28:05,110 --> 00:28:03,440
demons as just kind of a way out

454
00:28:05,990 --> 00:28:05,120
i think it's just the nickname they gave

455
00:28:07,269 --> 00:28:06,000
them

456
00:28:08,549 --> 00:28:07,279
just a

457
00:28:10,230 --> 00:28:08,559
bureaucratic

458
00:28:11,510 --> 00:28:10,240
sure

459
00:28:12,789 --> 00:28:11,520
understand

460
00:28:14,789 --> 00:28:12,799
yeah

461
00:28:16,870 --> 00:28:14,799
um

462
00:28:18,310 --> 00:28:16,880
man i i really appreciate you being here

463
00:28:19,830 --> 00:28:18,320

we've gone through so many technical

464

00:28:21,190 --> 00:28:19,840

difficulties but i think we're doing

465

00:28:22,789 --> 00:28:21,200

okay

466

00:28:24,950 --> 00:28:22,799

um

467

00:28:26,950 --> 00:28:24,960

if you had some

468

00:28:30,630 --> 00:28:26,960

advice for

469

00:28:34,549 --> 00:28:32,549

as far as

470

00:28:37,990 --> 00:28:34,559

obtaining full disclosure

471

00:28:41,430 --> 00:28:39,669

i would go to

472

00:28:42,789 --> 00:28:41,440

town hall meetings held by members of

473

00:28:45,750 --> 00:28:42,799

congress

474

00:28:47,990 --> 00:28:45,760

ask quick direct pertinent questions

475

00:28:49,750 --> 00:28:48,000

i would write letters to my

476
00:28:51,110 --> 00:28:49,760
members of congress

477
00:28:52,549 --> 00:28:51,120
tell them that we want to know more

478
00:28:54,789 --> 00:28:52,559
what's going on

479
00:28:56,070 --> 00:28:54,799
i think just have to be

480
00:28:57,750 --> 00:28:56,080
let the

481
00:28:59,990 --> 00:28:57,760
people who hold

482
00:29:01,750 --> 00:29:00,000
these important federal jobs

483
00:29:04,789 --> 00:29:01,760
let them know that we care about what

484
00:29:07,110 --> 00:29:04,799
they're doing or not doing

485
00:29:12,870 --> 00:29:09,190
um you are the man

486
00:29:14,950 --> 00:29:12,880
by the way senator reid

487
00:29:17,750 --> 00:29:14,960
i just wanted to say that

488
00:29:22,710 --> 00:29:20,230

now you've faced so many challenges from

489

00:29:24,789 --> 00:29:22,720

being a boxer a cop and you know senate

490

00:29:27,750 --> 00:29:24,799

majority leader house whip

491

00:29:29,430 --> 00:29:27,760

um where does the

492

00:29:31,590 --> 00:29:29,440

ufo topic

493

00:29:34,310 --> 00:29:31,600

kind of land in in all the different

494

00:29:37,029 --> 00:29:34,320

hills you had to climb

495

00:29:38,230 --> 00:29:37,039

well my staff told me stayed away from

496

00:29:41,430 --> 00:29:38,240

all this

497

00:29:42,630 --> 00:29:41,440

but i was curious and i don't regret one

498

00:29:45,110 --> 00:29:42,640

minute

499

00:29:47,110 --> 00:29:45,120

or my efforts and trying to

500

00:29:48,310 --> 00:29:47,120

better understand what the ufos are all

501
00:29:49,990 --> 00:29:48,320
about

502
00:29:51,990 --> 00:29:50,000
i'm glad i did it

503
00:29:52,870 --> 00:29:52,000
and i think that

504
00:29:54,950 --> 00:29:52,880
the

505
00:29:56,789 --> 00:29:54,960
members of congress should understand

506
00:29:59,830 --> 00:29:56,799
that they will be

507
00:30:01,830 --> 00:29:59,840
performing legislative malpractice they

508
00:30:03,190 --> 00:30:01,840
don't proceed in this further

509
00:30:11,190 --> 00:30:03,200
yeah

510
00:30:13,830 --> 00:30:12,630
well they own

511
00:30:14,950 --> 00:30:13,840
certainly all the american people

512
00:30:16,310 --> 00:30:14,960
honestly

513
00:30:18,630 --> 00:30:16,320

yeah and they

514

00:30:21,110 --> 00:30:18,640

told the american people the fact that

515

00:30:24,549 --> 00:30:21,120

they cannot ignore this if people are

516

00:30:25,830 --> 00:30:24,559

interested as well they should be

517

00:30:28,870 --> 00:30:25,840

yeah

518

00:30:35,350 --> 00:30:29,830

do you

519

00:30:37,029 --> 00:30:35,360

technology at the uaps

520

00:30:39,510 --> 00:30:37,039

um

521

00:30:41,830 --> 00:30:39,520

bettering our environment maybe climate

522

00:30:44,870 --> 00:30:41,840

change hunger

523

00:30:49,029 --> 00:30:46,630

i just don't know that

524

00:30:52,389 --> 00:30:49,039

question is on my

525

00:30:53,830 --> 00:30:52,399

the online mental activities understand

526

00:30:56,149 --> 00:30:53,840

so i hope so

527

00:30:57,110 --> 00:30:56,159

i don't have an answer to it sure no

528

00:30:58,870 --> 00:30:57,120

problem

529

00:31:00,789 --> 00:30:58,880

um

530

00:31:05,350 --> 00:31:00,799

yeah you weren't really into ufos before

531

00:31:10,789 --> 00:31:07,669

no i he's the one that's stranded on my

532

00:31:13,190 --> 00:31:10,799

curiosity yeah bob bigelow

533

00:31:14,549 --> 00:31:13,200

yeah but

534

00:31:16,830 --> 00:31:14,559

in a long ways

535

00:31:19,590 --> 00:31:16,840

since that introduction

536

00:31:21,350 --> 00:31:19,600

yeah you know

537

00:31:23,110 --> 00:31:21,360

oops sorry about that

538

00:31:25,110 --> 00:31:23,120

go ahead oh yeah

539

00:31:27,190 --> 00:31:25,120

um you know senator bigelow is actually

540

00:31:29,029 --> 00:31:27,200

on 60 minutes and he said that they're

541

00:31:37,830 --> 00:31:29,039

walking among us

542

00:31:40,310 --> 00:31:37,840

the aliens he was on 60 minutes

543

00:31:42,149 --> 00:31:40,320

um saying that they're here you know on

544

00:31:44,710 --> 00:31:42,159

earth already

545

00:31:47,430 --> 00:31:44,720

um i don't i don't i don't i don't hold

546

00:31:49,110 --> 00:31:47,440

that opinion yeah i won't deny it but i

547

00:31:51,509 --> 00:31:49,120

i don't i don't

548

00:31:54,950 --> 00:31:51,519

know anything i don't know about that

549

00:31:55,830 --> 00:31:54,960

yeah that's okay gotta try it right

550

00:31:58,710 --> 00:31:55,840

yep

551

00:32:02,630 --> 00:32:00,789

now who's more difficult

552

00:32:06,230 --> 00:32:02,640

to

553

00:32:07,030 --> 00:32:06,240

uh work with um bob bigelow or john

554

00:32:10,070 --> 00:32:07,040

boehner

555

00:32:11,669 --> 00:32:10,080

[Laughter]

556

00:32:12,549 --> 00:32:11,679

donald

557

00:32:16,630 --> 00:32:12,559

trump

558

00:32:19,590 --> 00:32:18,149

john boehner was a sweetheart he was

559

00:32:22,149 --> 00:32:19,600

easy to work with

560

00:32:24,470 --> 00:32:22,159

and bob bigelow is somebody that's

561

00:32:25,509 --> 00:32:24,480

very very uh

562

00:32:27,509 --> 00:32:25,519

involved

563

00:32:30,149 --> 00:32:27,519

he certainly has put his money where his

564

00:32:32,630 --> 00:32:30,159

mouth is he's spending millions of

565

00:32:34,870 --> 00:32:32,640

dollars trying to figure out he's

566

00:32:35,830 --> 00:32:34,880

undergoing flying objects

567

00:32:37,830 --> 00:32:35,840

yeah

568

00:32:39,269 --> 00:32:37,840

other paranormal things

569

00:32:41,669 --> 00:32:39,279

yeah

570

00:32:44,310 --> 00:32:41,679

um right now i just if you don't mind i

571

00:32:46,789 --> 00:32:44,320

would like to do i'd like to

572

00:32:49,669 --> 00:32:46,799

just kind of give you the floor to say

573

00:32:52,389 --> 00:32:49,679

anything that you want to say

574

00:32:54,549 --> 00:32:52,399

to either the ufo community politicians

575

00:32:56,470 --> 00:32:54,559

whatever this is your time to just get

576

00:32:57,750 --> 00:32:56,480

it out whatever it is give us the

577

00:33:00,549 --> 00:32:57,760

message

578

00:33:02,389 --> 00:33:00,559

um well i appreciate that you're being

579

00:33:03,830 --> 00:33:02,399

involved in this i think it's something

580

00:33:06,070 --> 00:33:03,840

the american people

581

00:33:06,950 --> 00:33:06,080

are entitled to know more about

582

00:33:07,990 --> 00:33:06,960

and

583

00:33:20,149 --> 00:33:08,000

i

584

00:33:21,830 --> 00:33:20,159

to do

585

00:33:23,509 --> 00:33:21,840

something to make sure

586

00:33:24,950 --> 00:33:23,519

that there's constituents understand

587

00:33:26,230 --> 00:33:24,960

they're trying to

588

00:33:27,750 --> 00:33:26,240

figure this out

589

00:33:30,070 --> 00:33:27,760

i repeat

590

00:33:31,990 --> 00:33:30,080

also up to the american people

591

00:33:33,990 --> 00:33:32,000

who are interested in this subject to

592

00:33:36,830 --> 00:33:34,000

make sure they put pressure on their

593

00:33:39,909 --> 00:33:36,840

members of congress to make to

594

00:33:44,870 --> 00:33:39,919

determine what they're doing to try to

595

00:33:51,350 --> 00:33:47,509

that's beautiful

596

00:33:54,710 --> 00:33:51,360

do you believe in an afterlife senator

597

00:33:58,630 --> 00:33:56,789

yeah me too

598

00:34:00,149 --> 00:33:58,640

um

599

00:34:02,389 --> 00:34:00,159

do you think this has anything to do

600

00:34:03,990 --> 00:34:02,399

with that

601
00:34:06,870 --> 00:34:04,000
i don't know

602
00:34:08,950 --> 00:34:06,880
what if you use your leg

603
00:34:16,629 --> 00:34:08,960
i just don't know

604
00:34:20,950 --> 00:34:16,639
that's okay i understand

605
00:34:27,109 --> 00:34:25,190
what what would you like to see in this

606
00:34:28,869 --> 00:34:27,119
uap topic

607
00:34:31,510 --> 00:34:28,879
in the next

608
00:34:32,710 --> 00:34:31,520
three to five years

609
00:34:35,190 --> 00:34:32,720
well i think

610
00:34:36,950 --> 00:34:35,200
we need more people like you

611
00:34:38,069 --> 00:34:36,960
to understand that there's so much we

612
00:34:40,310 --> 00:34:38,079
don't know

613
00:34:41,349 --> 00:34:40,320

yeah and

614

00:34:43,270 --> 00:34:41,359

it's

615

00:34:45,430 --> 00:34:43,280

through programs like you're

616

00:34:47,829 --> 00:34:45,440

involved in it's going to make it even

617

00:34:49,990 --> 00:34:47,839

better for people in the future to learn

618

00:34:54,149 --> 00:34:50,000

more about this

619

00:34:58,710 --> 00:34:56,310

well

620

00:35:00,710 --> 00:34:58,720

i'm just thankful that you know you took

621

00:35:03,190 --> 00:35:00,720

that risk a long time ago so i could be

622

00:35:05,030 --> 00:35:03,200

here doing this

623

00:35:07,030 --> 00:35:05,040

well as time goes by if you have other

624

00:35:08,470 --> 00:35:07,040

questions don't hesitate to call me

625

00:35:10,950 --> 00:35:08,480

we'll talk again

626
00:35:13,750 --> 00:35:10,960
okay yeah we will i really appreciate

627
00:35:17,109 --> 00:35:13,760
your time in in dealing with all this

628
00:35:18,950 --> 00:35:17,119
on the technical difficulties

629
00:35:25,090 --> 00:35:18,960
stay in touch thank you all right

630
00:35:25,100 --> 00:35:28,829
[Music]

631
00:35:32,950 --> 00:35:31,349
thanks well

632
00:35:37,349 --> 00:35:32,960
that was

633
00:35:37,359 --> 00:35:40,870
so

634
00:35:40,880 --> 00:35:45,030
i appreciate you guys

635
00:35:47,990 --> 00:35:46,630
hanging out there going through the

636
00:35:53,030 --> 00:35:48,000
struggles

637
00:35:55,190 --> 00:35:53,040
this was not easy that's for sure

638
00:35:57,109 --> 00:35:55,200

um

639

00:35:58,550 --> 00:35:57,119

but we got through it i got to ask some

640

00:36:01,270 --> 00:35:58,560

questions

641

00:36:03,990 --> 00:36:01,280

he answered what he could

642

00:36:04,950 --> 00:36:04,000

uh he's a hell of a guy

643

00:36:09,109 --> 00:36:04,960

and

644

00:36:13,109 --> 00:36:10,470

do this

645

00:36:15,349 --> 00:36:13,119

i mean he definitely didn't have to

646

00:36:17,270 --> 00:36:15,359

you know

647

00:36:20,310 --> 00:36:17,280

there's so many other things that he

648

00:36:26,390 --> 00:36:24,710

then when he started this and now

649

00:36:28,390 --> 00:36:26,400

i mean he's got family

650

00:36:31,109 --> 00:36:28,400

he's got his own prerogatives and the

651
00:36:33,510 --> 00:36:31,119
fact that he's here on this show with a

652
00:36:35,990 --> 00:36:33,520
guy that gets maybe 100 plays a day to

653
00:36:41,270 --> 00:36:36,000
talk about this stuff says something and

654
00:36:46,950 --> 00:36:43,990
you know you don't go on shows

655
00:36:51,670 --> 00:36:46,960
like this about something if it's not

656
00:36:55,430 --> 00:36:53,670
you know

657
00:36:57,829 --> 00:36:55,440
and i think that we should take that to

658
00:37:04,230 --> 00:37:01,589
i'm not cnn i'm not fox news

659
00:37:08,550 --> 00:37:06,310
i'm a little guy from wisconsin and he

660
00:37:12,390 --> 00:37:08,560
came on this show to talk about this

661
00:37:15,829 --> 00:37:13,430
and

662
00:37:17,829 --> 00:37:15,839
so whether he gave you you know what you

663
00:37:20,710 --> 00:37:17,839

wanted to hear or not the fact is is

664

00:37:25,829 --> 00:37:23,829

and he wants more transparency

665

00:37:27,589 --> 00:37:25,839

he thinks the american public deserves

666

00:37:31,030 --> 00:37:27,599

answers

667

00:37:31,040 --> 00:37:36,069

and he believes in an afterlife

668

00:37:36,079 --> 00:37:40,790

so

669

00:37:40,800 --> 00:37:45,990

the what i'll leave you guys with is

670

00:37:52,710 --> 00:37:48,870

do things that are actionable

671

00:37:56,870 --> 00:37:54,390

be mean to each other about different

672

00:37:58,790 --> 00:37:56,880

opinions don't be mean to experiencers

673

00:38:01,670 --> 00:37:58,800

experiencers don't be mean to nuts and

674

00:38:06,630 --> 00:38:04,710

we all have a road to pave

675

00:38:09,349 --> 00:38:06,640

and we all have abilities to help in

676

00:38:13,270 --> 00:38:09,359

different ways

677

00:38:15,589 --> 00:38:13,280

and if we can somehow put those together

678

00:38:18,470 --> 00:38:15,599

that's how we'll get disclosure we'll

679

00:38:20,550 --> 00:38:18,480

get disclosure when the scientist and

680

00:38:30,470 --> 00:38:20,560

the experimenter

681

00:38:36,230 --> 00:38:30,480

that's you don't have to believe them to

682

00:38:45,349 --> 00:38:39,430

and experimenters don't have to be mean

683

00:38:50,150 --> 00:38:47,430

you know people have all different types

684

00:38:54,390 --> 00:38:50,160

of opinions and that is not unique to

685

00:38:58,069 --> 00:38:56,790

you know but maybe this community could

686

00:39:01,910 --> 00:38:58,079

be

687

00:39:04,230 --> 00:39:01,920

an example of different opinions

688

00:39:06,230 --> 00:39:04,240

that come together

689

00:39:08,390 --> 00:39:06,240

and get something done that's more

690

00:39:10,069 --> 00:39:08,400

powerful than we can do on our own

691

00:39:12,870 --> 00:39:10,079

because let's be honest we're humans and

692

00:39:17,589 --> 00:39:12,880

we are flawed and we need each other

693

00:39:21,750 --> 00:39:19,589

throughout the 80 past 80 years you

694

00:39:23,349 --> 00:39:21,760

could say it's government secrecy or you

695

00:39:25,910 --> 00:39:23,359

could say it's the inviting of this

696

00:39:29,190 --> 00:39:25,920

community whose fights for transparency

697

00:39:34,310 --> 00:39:29,200

that has held us back

698

00:39:39,589 --> 00:39:36,870

i would say we need to come together to

699

00:39:43,670 --> 00:39:39,599

strive and accomplish something bigger

700

00:39:46,550 --> 00:39:45,430

i love you guys thank you for hanging

701
00:39:52,069 --> 00:39:46,560
out

702
00:39:54,870 --> 00:39:53,109
um

703
00:39:57,430 --> 00:39:54,880
but do some soul searching see how you

704
00:39:59,430 --> 00:39:57,440
can help

705
00:40:00,950 --> 00:39:59,440
talk to somebody that you would never

706
00:40:02,390 --> 00:40:00,960
talk to in a million years in this

707
00:40:08,230 --> 00:40:02,400
community

708
00:40:11,109 --> 00:40:09,990
you have an engineer you have a

709
00:40:14,550 --> 00:40:11,119
scientist

710
00:40:17,030 --> 00:40:14,560
you have a janitor you have a boss

711
00:40:21,030 --> 00:40:17,040
but that company isn't successful

712
00:40:27,990 --> 00:40:23,510
and we have all of those pieces but now

713
00:40:30,870 --> 00:40:28,950

so

714

00:40:33,030 --> 00:40:30,880

smash the like button

715

00:40:35,670 --> 00:40:33,040

subscribe

716

00:40:40,150 --> 00:40:37,030

and

717

00:40:42,710 --> 00:40:40,160

go tell it on the mountain

718

00:40:46,630 --> 00:40:44,390

yeah you guys be well

719

00:40:48,309 --> 00:40:46,640

i really appreciate you um sticking with

720

00:40:54,390 --> 00:40:48,319

me through this so

721

00:41:00,550 --> 00:40:56,790

you know get excited
