

Witness Citizen

1
00:00:04,470 --> 00:00:03,270
what's up everybody sorry i'm late

2
00:00:06,710 --> 00:00:04,480
um

3
00:00:09,110 --> 00:00:06,720
life is a little bit different with cars

4
00:00:11,589 --> 00:00:09,120
and rides and stuff so i'm figuring out

5
00:00:12,549 --> 00:00:11,599
the exact schedule

6
00:00:14,310 --> 00:00:12,559
um

7
00:00:16,150 --> 00:00:14,320
so i apologize about that but here we

8
00:00:17,189 --> 00:00:16,160
are and i'm happy to be here with you

9
00:00:21,109 --> 00:00:17,199
guys

10
00:00:25,670 --> 00:00:23,349
roger that

11
00:00:29,109 --> 00:00:25,680
uh thanks for joining me today though

12
00:00:30,710 --> 00:00:29,119
everybody i really do appreciate it um

13
00:00:33,910 --> 00:00:30,720

spaghetti lee

14

00:00:35,030 --> 00:00:33,920

roger that robert cowford

15

00:00:36,790 --> 00:00:35,040

bass

16

00:00:38,069 --> 00:00:36,800

rusty pack

17

00:00:39,670 --> 00:00:38,079

um

18

00:00:42,310 --> 00:00:39,680

who else we got

19

00:00:46,150 --> 00:00:42,320

christian thompson hello

20

00:00:49,990 --> 00:00:46,160

um and benji of course alien girl hello

21

00:00:52,389 --> 00:00:50,000

uh yeah again sorry but we're here um

22

00:00:55,110 --> 00:00:52,399

you guys are familiar with the wilson

23

00:00:56,790 --> 00:00:55,120

davis documents obviously correct

24

00:00:57,670 --> 00:00:56,800

um

25

00:00:59,910 --> 00:00:57,680

well

26

00:01:02,310 --> 00:00:59,920

no one has really been able to

27

00:01:04,070 --> 00:01:02,320

definitely prove them

28

00:01:05,270 --> 00:01:04,080

wrong

29

00:01:06,469 --> 00:01:05,280

or

30

00:01:08,710 --> 00:01:06,479

right

31

00:01:11,750 --> 00:01:08,720

um but so all we can really do is take

32

00:01:12,630 --> 00:01:11,760

the little pieces within those

33

00:01:15,109 --> 00:01:12,640

notes

34

00:01:18,310 --> 00:01:15,119

and tried to

35

00:01:20,550 --> 00:01:18,320

flush them out a little bit what's

36

00:01:22,310 --> 00:01:20,560

real what isn't

37

00:01:24,870 --> 00:01:22,320

can we find things that aren't real or

38

00:01:27,109 --> 00:01:24,880

can we find things that are real that we

39

00:01:28,950 --> 00:01:27,119

haven't previously thought about and

40

00:01:31,830 --> 00:01:28,960

that's where we are today

41

00:01:35,109 --> 00:01:31,840

i am going to show you some things

42

00:01:37,990 --> 00:01:35,119

um pertaining to the real aspect of the

43

00:01:39,590 --> 00:01:38,000

wilson davis notes um that really

44

00:01:41,109 --> 00:01:39,600

doesn't get covered

45

00:01:43,510 --> 00:01:41,119

and it's called the watch committee most

46

00:01:45,670 --> 00:01:43,520

people are focused on zodiac but if you

47

00:01:47,270 --> 00:01:45,680

recall if you read the notes it's called

48

00:01:48,870 --> 00:01:47,280

zodiac or

49

00:01:50,789 --> 00:01:48,880

watch committee

50

00:01:52,310 --> 00:01:50,799

that's how

51

00:01:53,190 --> 00:01:52,320

it's listed

52

00:01:56,789 --> 00:01:53,200

so

53

00:01:57,990 --> 00:01:56,799

committee before

54

00:02:00,709 --> 00:01:58,000

if you guys have been following me for a

55

00:02:02,469 --> 00:02:00,719

while you know that um

56

00:02:05,429 --> 00:02:02,479

good news is

57

00:02:07,190 --> 00:02:05,439

a hard drive that i thought was

58

00:02:09,830 --> 00:02:07,200

blown or not working that had some

59

00:02:11,589 --> 00:02:09,840

documents on it i got to work and there

60

00:02:13,430 --> 00:02:11,599

was one document in there that i

61

00:02:19,910 --> 00:02:13,440

completely forgot about about the watch

62

00:02:23,270 --> 00:02:21,830

pretty soon and also we had some

63

00:02:27,350 --> 00:02:23,280

contributions

64

00:02:31,589 --> 00:02:29,750

um robert doesn't mind robert you tell

65

00:02:34,470 --> 00:02:31,599

me if you do or not but i would like to

66

00:02:36,390 --> 00:02:34,480

bring his contributions to the to that

67

00:02:37,350 --> 00:02:36,400

aspect of this in the watch committee as

68

00:02:38,630 --> 00:02:37,360

well

69

00:02:41,670 --> 00:02:38,640

um

70

00:02:46,350 --> 00:02:41,680

so yeah with that being said

71

00:02:47,960 --> 00:02:46,360

let's get into it

72

00:02:49,530 --> 00:02:47,970

[Applause]

73

00:02:50,690 --> 00:02:49,540

[Music]

74

00:03:04,360 --> 00:02:50,700

[Applause]

75

00:03:05,370 --> 00:03:04,370

[Music]

76

00:03:08,309 --> 00:03:05,380

[Laughter]

77

00:03:10,540 --> 00:03:08,319

[Music]

78

00:03:15,300 --> 00:03:10,550

to

79

00:03:16,490 --> 00:03:15,310

[Music]

80

00:03:33,330 --> 00:03:16,500

[Applause]

81

00:03:37,240 --> 00:03:33,920

[Music]

82

00:03:44,229 --> 00:03:37,250

[Laughter]

83

00:03:47,030 --> 00:03:45,750

i'm pretty pumped about that interview

84

00:03:49,350 --> 00:03:47,040

tomorrow

85

00:03:54,470 --> 00:03:49,360

with mr senator harry reid

86

00:03:54,480 --> 00:03:58,229

and yeah so

87

00:04:02,390 --> 00:04:00,070

yeah that's a uh well christian that's a

88

00:04:05,270 --> 00:04:02,400

good point but somebody has tried to

89

00:04:08,229 --> 00:04:05,280

interview eric davis about the wilson

90

00:04:11,509 --> 00:04:08,239

davis notes um and that would be

91

00:04:13,830 --> 00:04:11,519

stephen greenstreet um and eric davis

92

00:04:17,189 --> 00:04:13,840

couldn't

93

00:04:19,349 --> 00:04:17,199

and that's

94

00:04:21,349 --> 00:04:19,359

i guess that's a stereotypical response

95

00:04:23,189 --> 00:04:21,359

was something

96

00:04:26,070 --> 00:04:23,199

you know with a guy in that position he

97

00:04:27,990 --> 00:04:26,080

can't really say one way or another

98

00:04:30,070 --> 00:04:28,000

which is kind of odd because admiral

99

00:04:31,590 --> 00:04:30,080

wilson kind of did right

100

00:04:33,510 --> 00:04:31,600

um

101
00:04:35,110 --> 00:04:33,520
that being said when green street was on

102
00:04:37,510 --> 00:04:35,120
my show he did

103
00:04:40,469 --> 00:04:37,520
tell us that eric davis flat out told

104
00:04:41,590 --> 00:04:40,479
him that he thinks this is aliens

105
00:04:43,909 --> 00:04:41,600
so when you have somebody at that

106
00:04:45,670 --> 00:04:43,919
stature like eric davis saying something

107
00:04:47,189 --> 00:04:45,680
like that

108
00:04:48,310 --> 00:04:47,199
it's got to mean something that's for

109
00:04:49,990 --> 00:04:48,320
sure

110
00:04:52,070 --> 00:04:50,000
combine that with the

111
00:04:55,430 --> 00:04:52,080
off-world vehicles and hello

112
00:04:57,350 --> 00:04:55,440
[Laughter]

113
00:04:59,189 --> 00:04:57,360

um

114

00:05:02,150 --> 00:04:59,199

yeah so

115

00:05:05,350 --> 00:05:02,160

either way i don't think we have the

116

00:05:07,990 --> 00:05:05,360

exact uh truth about it but there are

117

00:05:10,870 --> 00:05:08,000

still avenues that are left untouched

118

00:05:13,590 --> 00:05:10,880

in those documents um

119

00:05:16,870 --> 00:05:13,600

or those notes i should say

120

00:05:19,029 --> 00:05:16,880

and this is going to be one of them

121

00:05:20,469 --> 00:05:19,039

there's another one that pertains to a

122

00:05:22,629 --> 00:05:20,479

person that's mentioned in there that

123

00:05:24,629 --> 00:05:22,639

i'm trying to get a hold of right now

124

00:05:30,310 --> 00:05:24,639

um

125

00:05:32,870 --> 00:05:30,320

so we'll see how that goes

126

00:05:35,430 --> 00:05:32,880

um robert

127

00:05:36,870 --> 00:05:35,440

i thought so

128

00:05:40,390 --> 00:05:36,880

but

129

00:05:45,029 --> 00:05:43,350

i'm double checking double checking

130

00:05:47,350 --> 00:05:45,039

well

131

00:05:49,430 --> 00:05:47,360

i don't want to really yeah i just got

132

00:05:50,550 --> 00:05:49,440

it sorry robert i don't want to read it

133

00:05:51,430 --> 00:05:50,560

right now

134

00:05:53,590 --> 00:05:51,440

but

135

00:05:56,710 --> 00:05:53,600

um maybe we could just read it together

136

00:05:59,670 --> 00:05:56,720

so that's okay too

137

00:06:02,469 --> 00:06:00,629

what

138

00:06:03,270 --> 00:06:02,479

are you guys gonna be here tomorrow for

139

00:06:05,029 --> 00:06:03,280

the

140

00:06:08,070 --> 00:06:05,039

uh senator harry reid interview by

141

00:06:12,230 --> 00:06:09,830

i hope you are

142

00:06:13,990 --> 00:06:12,240

i've got some good questions lined up

143

00:06:15,670 --> 00:06:14,000

and i gotta be honest i thought i almost

144

00:06:17,749 --> 00:06:15,680

blew it you know

145

00:06:19,510 --> 00:06:17,759

and i wasn't gonna be able to do it

146

00:06:22,070 --> 00:06:19,520

but

147

00:06:24,230 --> 00:06:22,080

that is not the case and

148

00:06:27,830 --> 00:06:24,240

we're doing it tomorrow it's confirmed

149

00:06:30,950 --> 00:06:27,840

12 30 central standard time

150

00:06:37,270 --> 00:06:30,960

we gonna get it on

151
00:06:39,110 --> 00:06:37,280
um slow today or a little less

152
00:06:40,309 --> 00:06:39,120
prepared i've had a lot going on

153
00:06:43,110 --> 00:06:40,319
recently

154
00:06:45,189 --> 00:06:43,120
um so but i wanted to do

155
00:06:47,670 --> 00:06:45,199
you know a show so

156
00:06:49,110 --> 00:06:47,680
um here we are

157
00:06:51,189 --> 00:06:49,120
oh you're not here tomorrow what the

158
00:06:56,230 --> 00:06:51,199
hell spaghetti i was going to bring you

159
00:07:00,710 --> 00:06:57,510
but

160
00:07:05,270 --> 00:07:00,720
guess i can't do that now huh

161
00:07:10,150 --> 00:07:06,150
okay

162
00:07:15,990 --> 00:07:11,909
all right here we go

163
00:07:18,950 --> 00:07:16,000

so without further ado

164

00:07:25,270 --> 00:07:19,990

bring up

165

00:07:30,390 --> 00:07:29,510

all right so i have kind of a lot here

166

00:07:33,510 --> 00:07:30,400

so

167

00:07:35,830 --> 00:07:33,520

um just bear with me

168

00:07:38,629 --> 00:07:35,840

as i get the screen correct for us

169

00:07:42,629 --> 00:07:38,639

so we can just roll right on

170

00:07:47,589 --> 00:07:45,430

we gonna roll right through it right

171

00:07:49,830 --> 00:07:47,599

through it we're gonna roll right

172

00:07:52,710 --> 00:07:49,840

through it here we go

173

00:07:54,150 --> 00:07:52,720

all right i am going to

174

00:07:56,710 --> 00:07:54,160

pry myself

175

00:08:02,150 --> 00:07:56,720

primus and nyc oh i see so light's back

176

00:08:07,110 --> 00:08:03,990

typical

177

00:08:11,430 --> 00:08:07,120

i'm just i'm just playing with them

178

00:08:13,029 --> 00:08:11,440

okay so let's go full screen

179

00:08:17,110 --> 00:08:13,039

um if you have any issues seeing this

180

00:08:21,029 --> 00:08:19,589

this first one

181

00:08:23,990 --> 00:08:21,039

so again

182

00:08:30,230 --> 00:08:24,000

zoom you want me to zoom okay

183

00:08:38,829 --> 00:08:33,509

yeah it's not looking like it's working

184

00:08:42,230 --> 00:08:41,110

well i don't know what to tell you i

185

00:08:45,430 --> 00:08:42,240

guess

186

00:08:50,550 --> 00:08:45,440

the best i can do that's a little bit

187

00:08:54,710 --> 00:08:52,310

so i'll make sure these documents are

188

00:08:56,550 --> 00:08:54,720

available to you after this and i will

189

00:08:59,110 --> 00:08:56,560

just read

190

00:09:01,750 --> 00:08:59,120

the good parts

191

00:09:03,829 --> 00:09:01,760

so this first one proposed interagency

192

00:09:06,710 --> 00:09:03,839

operating procedure it's dated march 6

193

00:09:08,949 --> 00:09:06,720

1950 subject permanent watch committee

194

00:09:10,550 --> 00:09:08,959

again remember it's called zodiac or

195

00:09:11,509 --> 00:09:10,560

watch committee in the wilson davis

196

00:09:14,630 --> 00:09:11,519

notes

197

00:09:16,949 --> 00:09:14,640

agencies participating in this agreement

198

00:09:21,190 --> 00:09:16,959

just about everyone cia department of

199

00:09:24,070 --> 00:09:22,470

and

200

00:09:25,829 --> 00:09:24,080

then it kind of i mean there's a lot of

201
00:09:27,430 --> 00:09:25,839
documents here to to kind of sort

202
00:09:29,030 --> 00:09:27,440
through but i underline the best parts

203
00:09:31,590 --> 00:09:29,040
of it first of all the watch committee

204
00:09:34,150 --> 00:09:31,600
shall act under the chairmanship of the

205
00:09:35,829 --> 00:09:34,160
cia

206
00:09:38,150 --> 00:09:35,839
and shall be compromised of the

207
00:09:40,470 --> 00:09:38,160
currently constituted checklist group

208
00:09:42,310 --> 00:09:40,480
which is hereby redesignated the watch

209
00:09:44,710 --> 00:09:42,320
committee

210
00:09:47,000 --> 00:09:44,720
i am going to look in the check into the

211
00:09:48,949 --> 00:09:47,010
checklist group as well

212
00:09:52,230 --> 00:09:48,959
[Music]

213
00:09:54,470 --> 00:09:52,240

i guess maybe after this show

214

00:09:56,870 --> 00:09:54,480

um here committees established in

215

00:10:00,310 --> 00:09:56,880

intelligence advisory committee so the

216

00:10:02,630 --> 00:10:00,320

iac the iac

217

00:10:04,630 --> 00:10:02,640

had their hands all over this stuff

218

00:10:06,790 --> 00:10:04,640

um so you can see all the different

219

00:10:09,590 --> 00:10:06,800

committees under the aic

220

00:10:11,670 --> 00:10:09,600

um here we go right

221

00:10:16,710 --> 00:10:11,680

here we got the

222

00:10:22,949 --> 00:10:19,430

you can see there

223

00:10:24,470 --> 00:10:22,959

december 7th 1950.

224

00:10:30,069 --> 00:10:24,480

so a few months after what we just

225

00:10:34,069 --> 00:10:31,190

this

226

00:10:38,230 --> 00:10:35,670

in here it's basically in the production

227

00:10:40,470 --> 00:10:38,240

of national intelligence together with

228

00:10:41,750 --> 00:10:40,480

the proposed national security council

229

00:10:47,030 --> 00:10:41,760

directive

230

00:10:51,110 --> 00:10:47,040

basically they said violation of the

231

00:10:51,120 --> 00:10:54,790

um

232

00:10:59,269 --> 00:10:56,310

you know the watch committee their their

233

00:11:01,590 --> 00:10:59,279

main thing was to be the first to know

234

00:11:04,870 --> 00:11:01,600

of imminent danger or attack by the

235

00:11:07,590 --> 00:11:04,880

soviet union ussr or as we will see

236

00:11:09,990 --> 00:11:07,600

flying saucers

237

00:11:12,949 --> 00:11:10,000

i'm here underlined we have

238

00:11:15,829 --> 00:11:12,959

collecting and analyzing indications of

239

00:11:18,310 --> 00:11:15,839

hostile intentions that will give

240

00:11:20,710 --> 00:11:18,320

maximum prior warning of possible

241

00:11:24,949 --> 00:11:20,720

aggression or subversion

242

00:11:29,670 --> 00:11:26,870

we're getting the saucer part just hang

243

00:11:33,269 --> 00:11:29,680

in there

244

00:11:37,509 --> 00:11:35,509

the watch committee is one of the means

245

00:11:39,190 --> 00:11:37,519

we have of carrying out this function

246

00:11:41,110 --> 00:11:39,200

the joint chiefs of staff are entirely

247

00:11:43,190 --> 00:11:41,120

within their province and setting up the

248

00:11:44,150 --> 00:11:43,200

weckerling committee in order to arrive

249

00:11:49,269 --> 00:11:44,160

at

250

00:11:53,350 --> 00:11:51,430

not too much here

251
00:11:56,470 --> 00:11:53,360
that i can speak of at least

252
00:11:57,990 --> 00:11:56,480
intelligence advisory committee handbook

253
00:12:01,030 --> 00:11:58,000
so this has all the standing

254
00:12:02,310 --> 00:12:01,040
subcommittees of the iac in it at that

255
00:12:03,990 --> 00:12:02,320
time

256
00:12:06,550 --> 00:12:04,000
and you can see here

257
00:12:08,949 --> 00:12:06,560
we have

258
00:12:11,509 --> 00:12:08,959
international communism

259
00:12:14,069 --> 00:12:11,519
economic defense economic intelligence

260
00:12:15,350 --> 00:12:14,079
guided missile intelligence interagency

261
00:12:17,509 --> 00:12:15,360
defector

262
00:12:19,030 --> 00:12:17,519
interagency priorities

263
00:12:19,990 --> 00:12:19,040

joint atomic energy intelligence

264

00:12:33,430 --> 00:12:20,000

committee

265

00:12:34,389 --> 00:12:33,440

pretty

266

00:12:35,750 --> 00:12:34,399

you know

267

00:12:38,310 --> 00:12:35,760

i'm surprised that no one has really

268

00:12:40,550 --> 00:12:38,320

looked into the watch committee in

269

00:12:41,829 --> 00:12:40,560

relation to the wilson davis notes

270

00:12:45,990 --> 00:12:41,839

because there

271

00:12:50,470 --> 00:12:47,509

this one

272

00:12:53,190 --> 00:12:50,480

to see

273

00:12:55,829 --> 00:12:53,200

but trust me um

274

00:13:04,790 --> 00:12:55,839

the watch committee and those members of

275

00:13:04,800 --> 00:13:10,150

i mean that's emergency stuff

276

00:13:15,190 --> 00:13:13,269

that it's they had a

277

00:13:20,949 --> 00:13:15,200

big hand in all this stuff and i will

278

00:13:26,069 --> 00:13:23,990

um here's a little graph

279

00:13:27,670 --> 00:13:26,079

that shows you all that

280

00:13:31,030 --> 00:13:27,680

oh my mouse is kind of getting away from

281

00:13:36,310 --> 00:13:33,670

senior officer representing each

282

00:13:37,829 --> 00:13:36,320

intelligence agency organization

283

00:13:44,790 --> 00:13:37,839

one of whom will be designated by the

284

00:13:50,710 --> 00:13:47,829

i don't know oh and here's uh bob's so

285

00:13:52,389 --> 00:13:50,720

let's go through this together here

286

00:13:54,389 --> 00:13:52,399

i'm not sure if it's pertaining to the

287

00:13:58,310 --> 00:13:54,399

watch committee or not

288

00:13:58,320 --> 00:14:01,350

i didn't get that far

289

00:14:06,230 --> 00:14:04,629

it doesn't look like it is actually

290

00:14:08,389 --> 00:14:06,240

uh but let's read it anyways the

291

00:14:11,110 --> 00:14:08,399

following information was received from

292

00:14:12,069 --> 00:14:11,120

we know this guy hector quintilla

293

00:14:13,350 --> 00:14:12,079

uh

294

00:14:14,949 --> 00:14:13,360

t do

295

00:14:18,310 --> 00:14:14,959

i see that all the time with ufo

296

00:14:20,310 --> 00:14:18,320

documents tdew regarding his briefings

297

00:14:26,389 --> 00:14:20,320

in dc

298

00:14:29,910 --> 00:14:28,550

yeah general thomas seemed to be

299

00:14:32,069 --> 00:14:29,920

successful at the conclusion the

300

00:14:34,550 --> 00:14:32,079

briefing general thomas came up and

301

00:14:37,910 --> 00:14:34,560

expressed an appreciation

302

00:14:39,670 --> 00:14:37,920

most interesting briefing

303

00:14:41,590 --> 00:14:39,680

uh both briefings went off much better

304

00:14:43,670 --> 00:14:41,600

than expected hmm

305

00:14:45,750 --> 00:14:43,680

very interesting though

306

00:14:48,710 --> 00:14:45,760

very interesting i'll have to dive into

307

00:14:48,720 --> 00:14:51,829

nro

308

00:14:56,790 --> 00:14:54,949

i gotta put the pieces together robert

309

00:14:58,069 --> 00:14:56,800

after this i haven't been able to do

310

00:14:59,670 --> 00:14:58,079

that

311

00:15:01,990 --> 00:14:59,680

but you are more than welcome to join us

312

00:15:04,870 --> 00:15:02,000

too and walk us through it if you're

313

00:15:04,880 --> 00:15:07,350

so

314

00:15:07,360 --> 00:15:12,230

here we go

315

00:15:15,509 --> 00:15:14,550

we are getting

316

00:15:17,750 --> 00:15:15,519

to

317

00:15:20,629 --> 00:15:17,760

the saucer

318

00:15:22,629 --> 00:15:20,639

here's a couple here's the fbi

319

00:15:25,550 --> 00:15:22,639

um and now we're going to start it in

320

00:15:29,990 --> 00:15:27,750

1957 on the capture matter which

321

00:15:32,629 --> 00:15:30,000

reflected on intelligence advisory

322

00:15:43,430 --> 00:15:32,639

committee evaluation of an air defense

323

00:15:47,590 --> 00:15:45,990

and here we go

324

00:15:49,509 --> 00:15:47,600

the watch committee also examined

325

00:15:51,030 --> 00:15:49,519

possible soviet motives for launching a

326

00:15:53,110 --> 00:15:51,040

one-way missile

327

00:15:54,790 --> 00:15:53,120

on an operation over the us and it was

328

00:15:59,430 --> 00:15:54,800

concluded that there would be a little

329

00:15:59,440 --> 00:16:04,470

saucers

330

00:16:12,150 --> 00:16:06,710

very interesting

331

00:16:16,470 --> 00:16:14,710

now we have this one but i am not seeing

332

00:16:19,350 --> 00:16:16,480

the one i actually wanted to show you

333

00:16:19,360 --> 00:16:21,829

so

334

00:16:29,110 --> 00:16:25,350

let me pop back for a second

335

00:16:36,069 --> 00:16:29,120

and make sure i have that one for you

336

00:16:37,829 --> 00:16:36,079

because it is a very very a good one

337

00:16:39,590 --> 00:16:37,839

we can't

338

00:16:43,990 --> 00:16:39,600

not

339

00:16:44,000 --> 00:16:47,189

because it's the main one

340

00:16:52,230 --> 00:16:49,910

it's the main kitten caboodle all right

341

00:16:56,310 --> 00:16:52,240

here it is i got you i got you let's

342

00:16:59,910 --> 00:16:56,320

just get the meat potatoes here right

343

00:17:06,150 --> 00:17:02,550

we got good stuff and it's time to check

344

00:17:06,160 --> 00:17:11,510

here we go all right

345

00:17:23,829 --> 00:17:12,630

so

346

00:17:23,839 --> 00:17:28,710

facts and discussion

347

00:17:34,310 --> 00:17:31,029

and i

348

00:17:37,430 --> 00:17:34,320

underlined all this stuff

349

00:17:39,110 --> 00:17:37,440

psychological strategy board

350

00:17:40,549 --> 00:17:39,120

conclusions flying saucers opposed to

351
00:17:42,549 --> 00:17:40,559
elements of danger which have national

352
00:17:45,350 --> 00:17:42,559
security implications the first involves

353
00:17:46,789 --> 00:17:45,360
mass psychological considerations

354
00:17:48,390 --> 00:17:46,799
and the second concerns the

355
00:17:50,710 --> 00:17:48,400
vulnerability of the united states to

356
00:17:56,230 --> 00:17:50,720
air attack isn't that interesting is the

357
00:18:00,549 --> 00:17:57,270
same

358
00:18:02,710 --> 00:18:00,559
things we're talking about

359
00:18:05,669 --> 00:18:02,720
there's a lot to look in here

360
00:18:08,310 --> 00:18:05,679
to look into here by the way if you are

361
00:18:12,630 --> 00:18:08,320
someone who is available

362
00:18:12,640 --> 00:18:18,789
this is interesting

363
00:18:25,430 --> 00:18:20,789

recently an inquiry conducted by the

364

00:18:29,190 --> 00:18:26,870

it was found that the

365

00:18:31,110 --> 00:18:29,200

and i used to say this a lot

366

00:18:32,390 --> 00:18:31,120

it was found that the only unit of the

367

00:18:34,789 --> 00:18:32,400

government currently studying the

368

00:18:36,230 --> 00:18:34,799

problem is the doctorate of intelligence

369

00:18:38,390 --> 00:18:36,240

united states air force which has

370

00:18:41,029 --> 00:18:38,400

charged the

371

00:18:48,390 --> 00:18:43,029

with responsibility for investigating

372

00:18:52,630 --> 00:18:50,549

and this is pretty interesting since 47

373

00:18:55,669 --> 00:18:52,640

atec has received approximately 1500

374

00:18:58,870 --> 00:18:55,679

official reports uh 20 percent

375

00:19:01,590 --> 00:18:58,880

is unexplained 20

376

00:19:02,870 --> 00:19:01,600

from january through july 52 it carries

377

00:19:05,270 --> 00:19:02,880

28

378

00:19:07,909 --> 00:19:05,280

unexplained we never told that one were

379

00:19:14,070 --> 00:19:11,830

no we weren't

380

00:19:15,430 --> 00:19:14,080

and i've already gone over this document

381

00:19:19,430 --> 00:19:15,440

this is not even a watch community

382

00:19:21,270 --> 00:19:19,440

document i apologize but it's a good one

383

00:19:23,190 --> 00:19:21,280

uh psychological

384

00:19:26,390 --> 00:19:23,200

look at what they're looking at

385

00:19:28,150 --> 00:19:26,400

could be controlled could be predicted

386

00:19:30,150 --> 00:19:28,160

and could be used from a psychological

387

00:19:33,750 --> 00:19:30,160

warfare point of view either offensively

388

00:19:33,760 --> 00:19:36,950

pretty interesting

389

00:19:40,789 --> 00:19:39,270

ayna

390

00:19:43,029 --> 00:19:40,799

pretty interesting

391

00:19:44,230 --> 00:19:43,039

duck you mint

392

00:19:45,190 --> 00:19:44,240

all right but i'm gonna find the good

393

00:19:50,310 --> 00:19:45,200

one

394

00:19:57,430 --> 00:19:52,470

just need some more time

395

00:20:02,710 --> 00:19:59,430

man

396

00:20:08,310 --> 00:20:06,310

hopefully it wasn't

397

00:20:11,909 --> 00:20:08,320

i had one document that something really

398

00:20:17,669 --> 00:20:11,919

weird happened to on my computer

399

00:20:25,029 --> 00:20:20,950

i hope it's not the good one

400

00:20:31,350 --> 00:20:26,390

yeah

401
00:20:39,510 --> 00:20:35,510
oh boy

402
00:20:42,630 --> 00:20:39,520
somebody's messing with my stuff aren't

403
00:20:42,640 --> 00:20:47,350
that's not good

404
00:20:47,360 --> 00:20:51,350
that's too bad

405
00:21:00,390 --> 00:20:53,430
that is

406
00:21:00,400 --> 00:21:06,710
very depressing yeah it's that one oh no

407
00:21:06,720 --> 00:21:10,070
what the hell

408
00:21:12,950 --> 00:21:11,750
i might have to report back to you i

409
00:21:17,669 --> 00:21:12,960
guess

410
00:21:21,110 --> 00:21:19,430
oh man

411
00:21:22,470 --> 00:21:21,120
i you know maybe somebody hacked my

412
00:21:28,310 --> 00:21:22,480
computer i guess

413
00:21:28,320 --> 00:21:33,830

that is no good um so

414

00:21:37,190 --> 00:21:35,590

you know i know it seems kind of quiet

415

00:21:41,669 --> 00:21:37,200

right now with all this stuff but i

416

00:21:44,630 --> 00:21:41,679

can't help but feel some sort of

417

00:21:46,630 --> 00:21:44,640

oh i found it okay

418

00:21:48,630 --> 00:21:46,640

uh i still feel like a buzz like

419

00:21:52,630 --> 00:21:48,640

something is going on something is

420

00:21:56,549 --> 00:21:54,230

like there's some real work behind the

421

00:21:59,110 --> 00:21:56,559

scenes going on right now

422

00:22:04,710 --> 00:21:59,120

and we are about to be

423

00:22:04,720 --> 00:22:07,190

so

424

00:22:22,310 --> 00:22:10,390

here is the good one okay

425

00:22:25,430 --> 00:22:23,590

well i'll read it to you this one's

426
00:22:27,029 --> 00:22:25,440
worth it

427
00:22:28,950 --> 00:22:27,039
okay

428
00:22:31,190 --> 00:22:28,960
this connects the watch committee

429
00:22:33,430 --> 00:22:31,200
directly to flying saucers again the

430
00:22:36,070 --> 00:22:33,440
watch committee

431
00:22:39,350 --> 00:22:36,080
slash zodiac as mentioned in the wilson

432
00:22:39,360 --> 00:22:43,750
at the top we got iac

433
00:22:51,029 --> 00:22:46,950
flying unidentified objects

434
00:22:52,789 --> 00:22:51,039
i never heard of it called that before

435
00:22:56,230 --> 00:22:52,799
area

436
00:22:58,070 --> 00:22:56,240
let me flying identified objects

437
00:23:00,149 --> 00:22:58,080
attached is a proposed letter to

438
00:23:01,830 --> 00:23:00,159

secretary levitt from the dci

439

00:23:03,830 --> 00:23:01,840
recommending the initiation of

440

00:23:08,230 --> 00:23:03,840
fundamental scientific research with

441

00:23:11,190 --> 00:23:08,240
respect to the nature and causes of ufos

442

00:23:12,789 --> 00:23:11,200
in parentheses flying saucers

443

00:23:14,390 --> 00:23:12,799
well does recognize the implications of

444

00:23:16,070 --> 00:23:14,400
flying saucers our

445

00:23:17,590 --> 00:23:16,080
primary concern to the defense

446

00:23:21,029 --> 00:23:17,600
department and carrying out its

447

00:23:24,870 --> 00:23:23,190
um if you can't even see this or read it

448

00:23:27,350 --> 00:23:24,880
let me know because then i'll just take

449

00:23:28,710 --> 00:23:27,360
it off the screen altogether but

450

00:23:30,549 --> 00:23:28,720
um

451
00:23:32,950 --> 00:23:30,559
is carrying out its responsibility to

452
00:23:34,950 --> 00:23:32,960
defend the united states it is also

453
00:23:36,630 --> 00:23:34,960
believed that intelligence must request

454
00:23:37,990 --> 00:23:36,640
of appropriate authorities such

455
00:23:39,590 --> 00:23:38,000
assistance

456
00:23:41,590 --> 00:23:39,600
as it needs to carry out its

457
00:23:43,029 --> 00:23:41,600
responsibility

458
00:23:45,110 --> 00:23:43,039
it is believed that the scientific

459
00:23:47,029 --> 00:23:45,120
research required in the intelligence

460
00:23:49,110 --> 00:23:47,039
research contingent

461
00:23:50,789 --> 00:23:49,120
uh thereon can be most fruitful if they

462
00:23:54,470 --> 00:23:50,799
go hand in hand and here we go

463
00:23:56,630 --> 00:23:54,480

recommendations the iac

464

00:23:59,590 --> 00:23:56,640

uh concur in the proposed letter to the

465

00:24:00,390 --> 00:23:59,600

secretary of defense the iac request

466

00:24:02,470 --> 00:24:00,400

that

467

00:24:04,470 --> 00:24:02,480

the watch committee to give close

468

00:24:06,470 --> 00:24:04,480

attention to indications which may

469

00:24:09,669 --> 00:24:06,480

reflect russian actions are being taken

470

00:24:12,710 --> 00:24:09,679

with respect to or on the basis of

471

00:24:15,110 --> 00:24:12,720

cognizant's flying saucers with respect

472

00:24:28,789 --> 00:24:15,120

to the state of the united states public

473

00:24:32,710 --> 00:24:30,549

and then here we go it goes on to kind

474

00:24:35,350 --> 00:24:32,720

of reiterate what we just talked about

475

00:24:37,190 --> 00:24:35,360

since 1947 approximately 1500 official

476
00:24:39,510 --> 00:24:37,200
reports of sightings have been received

477
00:24:41,830 --> 00:24:39,520
and of these about 20 are yet

478
00:24:45,430 --> 00:24:41,840
unexplained

479
00:24:48,710 --> 00:24:46,470
so

480
00:24:51,110 --> 00:24:48,720
the iac

481
00:24:55,750 --> 00:24:51,120
did their own review of all this stuff

482
00:25:01,190 --> 00:24:57,909
it is therefore recommended that the

483
00:25:04,070 --> 00:25:01,200
department of defense undertake an

484
00:25:05,990 --> 00:25:04,080
expanded scientific research program to

485
00:25:08,230 --> 00:25:06,000
reveal the nature of the various

486
00:25:10,149 --> 00:25:08,240
phenomena which are causing these

487
00:25:12,870 --> 00:25:10,159
sightings

488
00:25:15,430 --> 00:25:12,880

and means by which these phenomena may

489

00:25:17,510 --> 00:25:15,440

be identified immediately

490

00:25:19,269 --> 00:25:17,520

it is also recommended that in such a

491

00:25:21,590 --> 00:25:19,279

project there be close cooperation

492

00:25:24,070 --> 00:25:21,600

between those conducting the research

493

00:25:25,590 --> 00:25:24,080

in scientific and technical intelligence

494

00:25:28,070 --> 00:25:25,600

research

495

00:25:37,510 --> 00:25:28,080

the iac agencies are prepared to do

496

00:25:43,029 --> 00:25:39,830

now here's where we get

497

00:25:47,909 --> 00:25:43,039

kind of going backwards here but

498

00:25:53,190 --> 00:25:50,149

whatever they want basically

499

00:25:54,830 --> 00:25:53,200

as far as intelligence

500

00:25:58,230 --> 00:25:54,840

they can withhold

501
00:26:00,149 --> 00:25:58,240
intelligence if it suits their mission

502
00:26:02,390 --> 00:26:00,159
and they can have access to any

503
00:26:06,470 --> 00:26:02,400
intelligence they need to suit their

504
00:26:11,669 --> 00:26:08,710
it is also believed intelligence must

505
00:26:14,630 --> 00:26:11,679
request of appropriate authority such

506
00:26:26,870 --> 00:26:14,640
assistance as it needs to carry out its

507
00:26:30,710 --> 00:26:29,029
yeah then this one that's the one that

508
00:26:32,549 --> 00:26:30,720
went away i don't know what happened to

509
00:26:35,350 --> 00:26:32,559
it

510
00:26:37,669 --> 00:26:35,360
oh this is a good one this is a un one

511
00:26:40,950 --> 00:26:37,679
i'm just getting totally random eric

512
00:26:44,070 --> 00:26:43,029
yeah coordinating and disseminating the

513
00:26:46,390 --> 00:26:44,080

results

514

00:26:49,909 --> 00:26:46,400

now i'm just all over the place

515

00:26:54,149 --> 00:26:51,669

that wasn't as organized as it could

516

00:27:02,149 --> 00:26:54,159

have made it i apologize but um kind of

517

00:27:05,750 --> 00:27:04,230

no what does that mean for the wilson

518

00:27:09,269 --> 00:27:05,760

davis documents does that mean that

519

00:27:12,630 --> 00:27:10,950

does that mean that

520

00:27:14,230 --> 00:27:12,640

it's happenstance what does that mean

521

00:27:15,510 --> 00:27:14,240

well

522

00:27:16,710 --> 00:27:15,520

you know you go around and you ask

523

00:27:20,149 --> 00:27:16,720

people have you heard of the watch

524

00:27:20,159 --> 00:27:23,669

i bet you

525

00:27:29,269 --> 00:27:25,510

uh robert yeah you definitely can i'll

526

00:27:34,470 --> 00:27:33,350

uh via email so go to your email robert

527

00:27:48,950 --> 00:27:34,480

and

528

00:27:48,960 --> 00:27:52,549

so

529

00:27:56,149 --> 00:27:54,149

i can say this like the thing about the

530

00:27:58,470 --> 00:27:56,159

wilson davis documents is there's so

531

00:28:00,310 --> 00:27:58,480

many fine details there that would

532

00:28:02,389 --> 00:28:00,320

really take it's

533

00:28:06,789 --> 00:28:02,399

somebody like involved

534

00:28:12,789 --> 00:28:09,110

that's probably deep in it to know that

535

00:28:18,230 --> 00:28:14,950

you don't see the watch committee listed

536

00:28:19,029 --> 00:28:18,240

anywhere on anything ever

537

00:28:20,710 --> 00:28:19,039

not

538

00:28:22,230 --> 00:28:20,720

hollywood movies

539

00:28:27,029 --> 00:28:22,240

not books

540

00:28:30,950 --> 00:28:29,110

so how did they know how did they know

541

00:28:33,990 --> 00:28:30,960

of the watch committee and how did they

542

00:28:38,230 --> 00:28:35,750

that they did have to look out for

543

00:28:41,590 --> 00:28:38,240

saucers

544

00:28:45,590 --> 00:28:44,630

i would have to say

545

00:28:47,990 --> 00:28:45,600

um

546

00:28:49,029 --> 00:28:48,000

let's try to bring in our good friend

547

00:28:50,870 --> 00:28:49,039

robert

548

00:28:52,310 --> 00:28:50,880

hello sir you're pretty dark out there

549

00:28:54,630 --> 00:28:52,320

are you ready or no

550

00:28:56,389 --> 00:28:54,640

let me pull this closer

551
00:28:57,430 --> 00:28:56,399
yeah

552
00:28:59,510 --> 00:28:57,440
there we go

553
00:29:01,510 --> 00:28:59,520
good to see you sir hey good thing good

554
00:29:03,350 --> 00:29:01,520
to see you too thanks those early

555
00:29:05,190 --> 00:29:03,360
documents they actually have a lot to do

556
00:29:06,070 --> 00:29:05,200
with it so i thought maybe before yeah i

557
00:29:10,149 --> 00:29:06,080
just

558
00:29:12,470 --> 00:29:10,159
have time but um to go deep into it

559
00:29:13,430 --> 00:29:12,480
further but i'm so happy that you came

560
00:29:16,470 --> 00:29:13,440
on to

561
00:29:18,549 --> 00:29:16,480
you know help me out

562
00:29:20,470 --> 00:29:18,559
there is one other thing uh

563
00:29:22,630 --> 00:29:20,480

something i should say i've noticed in

564

00:29:24,470 --> 00:29:22,640

all my years researching the program as

565

00:29:26,070 --> 00:29:24,480

it was different programs you know

566

00:29:27,830 --> 00:29:26,080

researching and being able to compare

567

00:29:30,389 --> 00:29:27,840

them in a bigger picture

568

00:29:31,990 --> 00:29:30,399

not just the air force ufo programs but

569

00:29:34,549 --> 00:29:32,000

like what you were just reading with the

570

00:29:36,549 --> 00:29:34,559

intelligence advisory committee right

571

00:29:39,269 --> 00:29:36,559

see this pattern that keeps getting

572

00:29:40,870 --> 00:29:39,279

displayed over and over again of

573

00:29:42,549 --> 00:29:40,880

obviously

574

00:29:44,950 --> 00:29:42,559

they've you'd think it's one of those

575

00:29:46,870 --> 00:29:44,960

screeching to a whole all right folks

576
00:29:48,389 --> 00:29:46,880
disembark here this is where we're going

577
00:29:49,350 --> 00:29:48,399
to make camp you know

578
00:29:51,269 --> 00:29:49,360
and yeah

579
00:29:53,430 --> 00:29:51,279
then it just fizzles away

580
00:29:55,590 --> 00:29:53,440
and then the whole process starts all

581
00:29:57,510 --> 00:29:55,600
over yeah

582
00:29:59,750 --> 00:29:57,520
that's the same spot

583
00:30:02,789 --> 00:29:59,760
and then it just fizzles away and then

584
00:30:05,029 --> 00:30:02,799
it just goes all over it keeps happening

585
00:30:07,990 --> 00:30:05,039
i know why did that spot again right now

586
00:30:10,070 --> 00:30:08,000
we are aren't we yep this has happened

587
00:30:11,350 --> 00:30:10,080
so many times before it's just

588
00:30:13,269 --> 00:30:11,360

ridiculous

589

00:30:15,430 --> 00:30:13,279

yeah and so many different branches

590

00:30:16,630 --> 00:30:15,440

what i actually was driving to is as

591

00:30:19,909 --> 00:30:16,640

you're reading like that one of those

592

00:30:22,549 --> 00:30:19,919

last documents it sounds like the iac or

593

00:30:24,789 --> 00:30:22,559

the cia's clueless

594

00:30:27,190 --> 00:30:24,799

as to any deeper

595

00:30:29,590 --> 00:30:27,200

meaning going on and yeah

596

00:30:30,549 --> 00:30:29,600

and that is unconscionable we know for

597

00:30:33,110 --> 00:30:30,559

sure

598

00:30:35,029 --> 00:30:33,120

starting with the war department

599

00:30:37,590 --> 00:30:35,039

that there's a core group somewhere

600

00:30:40,789 --> 00:30:37,600

there's got to be there is no i mean i

601
00:30:43,430 --> 00:30:40,799
am beyond convinced whatever it's called

602
00:30:45,750 --> 00:30:43,440
whatever person i suspect army general

603
00:30:47,430 --> 00:30:45,760
staff but that's my opinion based on my

604
00:30:49,750 --> 00:30:47,440
research it's the only thing that makes

605
00:30:52,870 --> 00:30:49,760
sense because they were ones in control

606
00:30:54,389 --> 00:30:52,880
when the flying disc problem showed up

607
00:30:59,029 --> 00:30:54,399
yeah

608
00:31:00,470 --> 00:30:59,039
it's hard to

609
00:31:02,870 --> 00:31:00,480
no no no i mean you're taking the

610
00:31:05,029 --> 00:31:02,880
pressure off me so go

611
00:31:07,269 --> 00:31:05,039
no it's it's

612
00:31:09,269 --> 00:31:07,279
it's frustrating isn't it because you

613
00:31:12,470 --> 00:31:09,279

see so many opportunities in the past

614

00:31:14,630 --> 00:31:12,480

for maybe something to be put together

615

00:31:16,310 --> 00:31:14,640

you know to figure something out

616

00:31:18,070 --> 00:31:16,320

i forgot what it was that i read a

617

00:31:20,549 --> 00:31:18,080

document or something but it just

618

00:31:22,149 --> 00:31:20,559

basically talked about how if they would

619

00:31:24,470 --> 00:31:22,159

have taken this seriously a long time

620

00:31:27,269 --> 00:31:24,480

ago they would have so many different

621

00:31:28,870 --> 00:31:27,279

electromagnetic readings by now and and

622

00:31:31,509 --> 00:31:28,880

different things that they can work off

623

00:31:33,590 --> 00:31:31,519

of and a plethora of decades of

624

00:31:34,470 --> 00:31:33,600

information

625

00:31:35,669 --> 00:31:34,480

you know

626

00:31:38,789 --> 00:31:35,679

or um

627

00:31:39,990 --> 00:31:38,799

the conspiracy people get you know

628

00:31:41,350 --> 00:31:40,000

lots of good

629

00:31:44,389 --> 00:31:41,360

information to

630

00:31:46,549 --> 00:31:44,399

hope and i don't blame them because

631

00:31:48,149 --> 00:31:46,559

somebody has got to have found something

632

00:31:49,830 --> 00:31:48,159

out because it all even goes back to

633

00:31:51,750 --> 00:31:49,840

that original you know they call the

634

00:31:54,230 --> 00:31:51,760

twining memorandum

635

00:31:57,110 --> 00:31:54,240

yes that memorandum was right at the

636

00:31:59,590 --> 00:31:57,120

beginning after general garrett

637

00:32:00,789 --> 00:31:59,600

made the first deck of

638

00:32:02,549 --> 00:32:00,799

you know what an estimate of the

639

00:32:04,389 --> 00:32:02,559

situation

640

00:32:06,630 --> 00:32:04,399

colonel garrett did that and that's

641

00:32:08,789 --> 00:32:06,640

where project sign came from because of

642

00:32:10,470 --> 00:32:08,799

that estimate of the situation

643

00:32:12,710 --> 00:32:10,480

in information like some of the stuff

644

00:32:14,310 --> 00:32:12,720

you found that was earlier than kenneth

645

00:32:17,830 --> 00:32:14,320

arnold you know they had a lot of disc

646

00:32:19,509 --> 00:32:17,840

sightings before kenneth arnold

647

00:32:20,630 --> 00:32:19,519

even though it's reported

648

00:32:22,149 --> 00:32:20,640

his

649

00:32:23,830 --> 00:32:22,159

sighting is what came that's where we

650

00:32:26,070 --> 00:32:23,840

get the term flying saucer

651
00:32:29,350 --> 00:32:26,080
really that is not true even though it

652
00:32:31,269 --> 00:32:29,360
fits well flying disc in flying saucer

653
00:32:33,669 --> 00:32:31,279
was used in secret

654
00:32:35,029 --> 00:32:33,679
military documents before that because

655
00:32:37,269 --> 00:32:35,039
they were already calling it because

656
00:32:38,710 --> 00:32:37,279
that was the shape of the object being

657
00:32:41,509 --> 00:32:38,720
seen discus

658
00:32:46,230 --> 00:32:41,519
if you now have you heard of um

659
00:32:49,509 --> 00:32:46,240
uh that uh artist that um that drew

660
00:32:51,509 --> 00:32:49,519
pictures of these discs like in the 30s

661
00:32:53,990 --> 00:32:51,519
and had a patent for it alexander

662
00:32:55,190 --> 00:32:54,000
wieger's is he called i'm not super

663
00:32:57,750 --> 00:32:55,200

familiar with him but actually there

664

00:32:59,350 --> 00:32:57,760

have been several people over the

665

00:33:02,920 --> 00:32:59,360

years that was in the

666

00:33:06,549 --> 00:33:02,930

30s 1942 he patented patented it

667

00:33:10,710 --> 00:33:08,630

no go ahead while you talk i'll look up

668

00:33:12,549 --> 00:33:10,720

a a picture for you

669

00:33:15,590 --> 00:33:12,559

along those lines

670

00:33:17,190 --> 00:33:15,600

playing it up further in blue book files

671

00:33:19,590 --> 00:33:17,200

there's a couple of documents one of

672

00:33:22,230 --> 00:33:19,600

them is really blatant where where some

673

00:33:24,789 --> 00:33:22,240

people saw a c-47

674

00:33:27,190 --> 00:33:24,799

dc i think that's a dc4

675

00:33:29,830 --> 00:33:27,200

a double two engine prop plane you know

676

00:33:31,350 --> 00:33:29,840

the basic for the time but a military

677

00:33:33,430 --> 00:33:31,360

c47

678

00:33:35,029 --> 00:33:33,440

going over it with a disc underneath it

679

00:33:36,789 --> 00:33:35,039

and they watched it launch from the

680

00:33:39,269 --> 00:33:36,799

belly of the

681

00:33:43,350 --> 00:33:39,279

c47

682

00:33:45,430 --> 00:33:43,360

and that was like 47 1947 that was cited

683

00:33:47,909 --> 00:33:45,440

interesting yeah so you go well those

684

00:33:49,430 --> 00:33:47,919

people are lying maybe they were but

685

00:33:50,789 --> 00:33:49,440

that is interesting they can you know

686

00:33:52,470 --> 00:33:50,799

that's an interesting little thing to

687

00:33:54,630 --> 00:33:52,480

add to the

688

00:33:56,470 --> 00:33:54,640

yeah

689

00:33:57,100 --> 00:33:56,480

almost too confusing i don't want to get

690

00:34:03,669 --> 00:33:57,110

into it now

691

00:34:07,830 --> 00:34:05,430

you know like the i always thought

692

00:34:09,349 --> 00:34:07,840

though like the avro car and everything

693

00:34:10,310 --> 00:34:09,359

like

694

00:34:11,750 --> 00:34:10,320

it's

695

00:34:13,589 --> 00:34:11,760

it

696

00:34:15,270 --> 00:34:13,599

you know i don't buy this story they put

697

00:34:17,109 --> 00:34:15,280

out a hundred percent that it was just a

698

00:34:18,869 --> 00:34:17,119

complete flop and that said it only got

699

00:34:20,550 --> 00:34:18,879

it only wobbled a little bit and that's

700

00:34:22,710 --> 00:34:20,560

it come on you put all that money into

701
00:34:24,230 --> 00:34:22,720
it jack frost

702
00:34:25,510 --> 00:34:24,240
is in on this

703
00:34:30,069 --> 00:34:25,520
and

704
00:34:31,589 --> 00:34:30,079
previously been working on it since like

705
00:34:33,430 --> 00:34:31,599
52 or whatever

706
00:34:35,829 --> 00:34:33,440
you're telling me it's

707
00:34:37,909 --> 00:34:35,839
you worked on it for that long and you

708
00:34:39,829 --> 00:34:37,919
only could get it to wobble with the

709
00:34:42,069 --> 00:34:39,839
detailed plans they have on it and

710
00:34:44,389 --> 00:34:42,079
everything it's very interesting it is

711
00:34:47,030 --> 00:34:44,399
interesting no i'm kind of like you not

712
00:34:48,550 --> 00:34:47,040
knowing what but something

713
00:34:49,909 --> 00:34:48,560

something yeah

714

00:34:51,909 --> 00:34:49,919

and that like i said that's what i'm

715

00:34:54,310 --> 00:34:51,919

saying you see that over and over again

716

00:34:55,510 --> 00:34:54,320

like when the ufo programs are handing

717

00:34:57,589 --> 00:34:55,520

off

718

00:34:59,510 --> 00:34:57,599

the ufo program to the new blood coming

719

00:35:01,750 --> 00:34:59,520

in you know new new directors and stuff

720

00:35:03,670 --> 00:35:01,760

like that each time that happened it was

721

00:35:05,510 --> 00:35:03,680

as if they got further and further away

722

00:35:06,950 --> 00:35:05,520

from what we're talking about all these

723

00:35:09,190 --> 00:35:06,960

other moments where you know they must

724

00:35:11,670 --> 00:35:09,200

have found something out there

725

00:35:12,950 --> 00:35:11,680

lost in history and then the new guys

726

00:35:14,790 --> 00:35:12,960

take over

727

00:35:17,190 --> 00:35:14,800

it just gets worse now what do you think

728

00:35:19,910 --> 00:35:17,200

of when you see this

729

00:35:22,710 --> 00:35:19,920

looks almost submarine-like too you know

730

00:35:25,030 --> 00:35:22,720

looks more like it was meant to be a sub

731

00:35:26,630 --> 00:35:25,040

well it's called the disco chopper so he

732

00:35:28,470 --> 00:35:26,640

was trying to design something more

733

00:35:30,390 --> 00:35:28,480

reliable than helicopters because at the

734

00:35:32,310 --> 00:35:30,400

time in the 30s they were just crashing

735

00:35:33,190 --> 00:35:32,320

all the time but i mean this looks like

736

00:35:34,710 --> 00:35:33,200

a

737

00:35:36,790 --> 00:35:34,720

you know you got the thing in the center

738

00:35:38,950 --> 00:35:36,800

where the person goes

739

00:35:41,030 --> 00:35:38,960

you know and the little protuberance out

740

00:35:44,310 --> 00:35:41,040

there very familiar looking

741

00:35:46,550 --> 00:35:44,320

yeah and he was drawing these things

742

00:35:47,990 --> 00:35:46,560

since the 30s

743

00:35:49,670 --> 00:35:48,000

you know so

744

00:35:50,870 --> 00:35:49,680

hard to know what to make of it in this

745

00:35:52,950 --> 00:35:50,880

timeline

746

00:35:55,750 --> 00:35:52,960

i heard he was more of an artist but he

747

00:35:58,150 --> 00:35:55,760

was um

748

00:36:00,390 --> 00:35:58,160

what's a metal uh metal person what do

749

00:36:03,430 --> 00:36:00,400

they call those not allergic

750

00:36:05,430 --> 00:36:03,440

yes so it like he went to the top-notch

751

00:36:07,829 --> 00:36:05,440

schools for all that in a ship building

752

00:36:10,150 --> 00:36:07,839

he was a huge shipbuilder i guess

753

00:36:11,910 --> 00:36:10,160

an engineer with that so it's very

754

00:36:14,150 --> 00:36:11,920

interesting because there's all these

755

00:36:15,750 --> 00:36:14,160

loose ends all over the place and it's

756

00:36:17,960 --> 00:36:15,760

like there's got to be a connection

757

00:36:19,750 --> 00:36:17,970

somewhere

758

00:36:21,670 --> 00:36:19,760

[Laughter]

759

00:36:24,520 --> 00:36:21,680

in his day he must have caused a lot of

760

00:36:29,589 --> 00:36:26,630

[Laughter]

761

00:36:31,030 --> 00:36:29,599

with a p not a t right

762

00:36:33,190 --> 00:36:31,040

okay that's good

763

00:36:35,030 --> 00:36:33,200

so what what have you been uh looking

764

00:36:37,829 --> 00:36:35,040

into recently what have you been

765

00:36:40,870 --> 00:36:37,839

researching on my spare time i still i'm

766

00:36:44,069 --> 00:36:40,880

hooked i'm hooked on 25 march 1948 like

767

00:36:45,349 --> 00:36:44,079

it's a drug i cannot go because i keep

768

00:36:46,630 --> 00:36:45,359

finding new

769

00:36:47,910 --> 00:36:46,640

things you know

770

00:36:49,829 --> 00:36:47,920

one of the things we didn't go over i

771

00:36:52,069 --> 00:36:49,839

was so mad at myself for talking so much

772

00:36:55,109 --> 00:36:52,079

we didn't even cover half of what we

773

00:36:58,069 --> 00:36:55,119

should have when we talked yeah

774

00:36:59,030 --> 00:36:58,079

move your body to the left actually

775

00:37:00,710 --> 00:36:59,040

that way

776

00:37:02,230 --> 00:37:00,720

yeah then then it gets really bright for

777

00:37:04,390 --> 00:37:02,240

you there you go

778

00:37:05,430 --> 00:37:04,400

that's way better thing is at the other

779

00:37:08,100 --> 00:37:05,440

end

780

00:37:11,270 --> 00:37:08,110

perfect now now we can see

781

00:37:12,230 --> 00:37:11,280

[Laughter]

782

00:37:14,150 --> 00:37:12,240

uh

783

00:37:16,710 --> 00:37:14,160

what was i saying

784

00:37:18,790 --> 00:37:16,720

uh march 25th yeah yeah yeah yeah i

785

00:37:19,910 --> 00:37:18,800

can't tons of things were going on you

786

00:37:23,589 --> 00:37:19,920

know

787

00:37:26,390 --> 00:37:23,599

accident lieutenant york had with his

788

00:37:27,829 --> 00:37:26,400

p80 at the right at the airport where

789

00:37:29,030 --> 00:37:27,839

head of air defense command just

790

00:37:31,109 --> 00:37:29,040

happened to be

791

00:37:32,950 --> 00:37:31,119

on a day when it was

792

00:37:35,270 --> 00:37:32,960

of an international

793

00:37:38,069 --> 00:37:35,280

declaration of emergency declared by

794

00:37:40,230 --> 00:37:38,079

general spots who was head of the air

795

00:37:41,349 --> 00:37:40,240

you know chief air staff

796

00:37:43,910 --> 00:37:41,359

yeah

797

00:37:45,349 --> 00:37:43,920

something happened anyway right of an

798

00:37:48,150 --> 00:37:45,359

example of what i didn't tell you is

799

00:37:50,150 --> 00:37:48,160

there were also they called them subs

800

00:37:51,270 --> 00:37:50,160

but no one ever actually saw an actual

801
00:37:54,390 --> 00:37:51,280
submarine

802
00:37:57,349 --> 00:37:54,400
it reminds me so much of the nimitz

803
00:38:01,510 --> 00:37:59,510
right people citing things they were

804
00:38:04,390 --> 00:38:01,520
cited that same morning that the disc

805
00:38:06,150 --> 00:38:04,400
landed off the coast of san francisco

806
00:38:08,470 --> 00:38:06,160
wow yeah

807
00:38:12,550 --> 00:38:08,480
wait a disc landed off the coast of san

808
00:38:15,670 --> 00:38:12,560
francisco but that same morning oh right

809
00:38:17,990 --> 00:38:15,680
what happened in new mexico

810
00:38:20,310 --> 00:38:18,000
the same morning the general spots

811
00:38:23,109 --> 00:38:20,320
declares an emergency

812
00:38:24,790 --> 00:38:23,119
and puts air defense on a status of 24

813
00:38:26,310 --> 00:38:24,800

hour a day alert

814

00:38:28,230 --> 00:38:26,320

and it's really hard for me to convey

815

00:38:31,109 --> 00:38:28,240

how important that is we have to know

816

00:38:35,430 --> 00:38:31,119

our defense what year was that

817

00:38:37,829 --> 00:38:36,630

roswell

818

00:38:39,430 --> 00:38:37,839

after

819

00:38:41,190 --> 00:38:39,440

the watch committee

820

00:38:42,310 --> 00:38:41,200

was this whatever he begins gelling in

821

00:38:44,470 --> 00:38:42,320

49

822

00:38:46,870 --> 00:38:44,480

see this

823

00:38:48,870 --> 00:38:46,880

you're on to what i'm you know

824

00:38:49,990 --> 00:38:48,880

and i'm not afraid to say i don't care

825

00:38:51,270 --> 00:38:50,000

people can say where they want

826

00:38:53,270 --> 00:38:51,280

everything i tell you is based on

827

00:38:55,829 --> 00:38:53,280

everything i've read if i'm wrong i'm

828

00:38:58,069 --> 00:38:55,839

wrong i'll i'm wrong you know but yeah

829

00:38:59,990 --> 00:38:58,079

me too yeah there's something there's a

830

00:39:02,790 --> 00:39:00,000

connection i'm really certain now of

831

00:39:04,390 --> 00:39:02,800

whatever happened march 25th 1948 i

832

00:39:05,510 --> 00:39:04,400

think dovetails in a lot of these

833

00:39:08,150 --> 00:39:05,520

subjects

834

00:39:09,670 --> 00:39:08,160

that have affected us as people in not

835

00:39:11,589 --> 00:39:09,680

just in this country but the world

836

00:39:15,589 --> 00:39:11,599

historically i think

837

00:39:17,990 --> 00:39:15,599

whatever they got in 48 in march of 48

838

00:39:19,829 --> 00:39:18,000

capturing that and studying it has

839

00:39:21,030 --> 00:39:19,839

the problems associated with that has

840

00:39:22,550 --> 00:39:21,040

branched out

841

00:39:23,990 --> 00:39:22,560

into different things and as far as i'm

842

00:39:25,510 --> 00:39:24,000

concerned including the formation of

843

00:39:28,630 --> 00:39:25,520

nato

844

00:39:31,510 --> 00:39:28,640

it matches so perfectly it's crazy

845

00:39:33,990 --> 00:39:31,520

well that morning of the march 25th

846

00:39:34,870 --> 00:39:34,000

something weird happened

847

00:39:37,270 --> 00:39:34,880

and

848

00:39:38,310 --> 00:39:37,280

you know i know uh here's the thing i

849

00:39:40,870 --> 00:39:38,320

want to say this because i don't know

850

00:39:42,470 --> 00:39:40,880

how to answer that fully for for my

851

00:39:45,270 --> 00:39:42,480

friend but

852

00:39:47,510 --> 00:39:45,280

i like the example i told you that last

853

00:39:51,030 --> 00:39:47,520

group of mj twelve documents are just

854

00:39:53,270 --> 00:39:51,040

total fakes and yet oh right right right

855

00:39:55,030 --> 00:39:53,280

yeah because important people that still

856

00:39:58,390 --> 00:39:55,040

are claiming they're real this is what i

857

00:40:00,230 --> 00:39:58,400

don't understand could there be like uh

858

00:40:02,630 --> 00:40:00,240

some of them that are and some that

859

00:40:04,870 --> 00:40:02,640

aren't well that's possible for the

860

00:40:07,510 --> 00:40:04,880

majestic documents all the ones ryan

861

00:40:08,950 --> 00:40:07,520

wood and his dad have i think there may

862

00:40:10,630 --> 00:40:08,960

be a couple of

863

00:40:12,790 --> 00:40:10,640

what they've got sprinkled in there they

864

00:40:14,550 --> 00:40:12,800

may be they were a couple of got my

865

00:40:16,630 --> 00:40:14,560

attention because what would you do if

866

00:40:18,870 --> 00:40:16,640

there's a couple real documents on the

867

00:40:21,190 --> 00:40:18,880

loose and you're trying to not let

868

00:40:23,030 --> 00:40:21,200

anyone see that you would probably make

869

00:40:25,510 --> 00:40:23,040

a bunch of fake ones to throw in there

870

00:40:27,109 --> 00:40:25,520

with them

871

00:40:28,630 --> 00:40:27,119

yeah but it's such a waste of time this

872

00:40:30,790 --> 00:40:28,640

is why i'm so

873

00:40:33,510 --> 00:40:30,800

against all this leak stuff now that's

874

00:40:36,870 --> 00:40:33,520

why i am this way we can't afford to go

875

00:40:38,069 --> 00:40:36,880

down these weird highways anymore and

876

00:40:39,349 --> 00:40:38,079

like what you're doing here with the

877

00:40:41,750 --> 00:40:39,359

watch committee that should have been

878

00:40:45,510 --> 00:40:41,760

done a long time ago but nobody was

879

00:40:47,430 --> 00:40:45,520

interested i've never understood it

880

00:40:49,670 --> 00:40:47,440

obviously what would you do if you had

881

00:40:51,190 --> 00:40:49,680

the super secret committee that's

882

00:40:52,950 --> 00:40:51,200

designed to keep the president up to

883

00:40:55,190 --> 00:40:52,960

date

884

00:40:57,670 --> 00:40:55,200

on emergency

885

00:40:58,790 --> 00:40:57,680

uh emergency hostile

886

00:41:01,109 --> 00:40:58,800

actions

887

00:41:03,030 --> 00:41:01,119

that's like the number one document yeah

888

00:41:04,630 --> 00:41:03,040

they came up with they were looking like

889

00:41:06,630 --> 00:41:04,640

whether it was a missile or not but

890

00:41:09,510 --> 00:41:06,640

that's always been intermingled flying

891

00:41:11,030 --> 00:41:09,520

disc unconventional aircraft

892

00:41:12,870 --> 00:41:11,040

could be associated with missile

893

00:41:14,790 --> 00:41:12,880

technology in fact

894

00:41:17,430 --> 00:41:14,800

discs in the early days many times they

895

00:41:18,470 --> 00:41:17,440

were referred to as missiles

896

00:41:19,589 --> 00:41:18,480

when somebody

897

00:41:20,630 --> 00:41:19,599

they would refer to them as missiles

898

00:41:23,190 --> 00:41:20,640

because that's what they're used to

899

00:41:24,710 --> 00:41:23,200

thinking about right high speed objects

900

00:41:27,349 --> 00:41:24,720

going through the sky

901
00:41:29,990 --> 00:41:27,359
yeah well maybe they saw one crash too

902
00:41:33,190 --> 00:41:30,000
and it had quite the explosion

903
00:41:37,109 --> 00:41:34,870
i don't know if anybody knows who kevin

904
00:41:39,510 --> 00:41:37,119
randle is he runs a blog

905
00:41:41,750 --> 00:41:39,520
yeah i've heard of him yeah i recommend

906
00:41:44,150 --> 00:41:41,760
if you get over to his site uh

907
00:41:46,790 --> 00:41:44,160
kevinrandle.blogspot.com

908
00:41:49,190 --> 00:41:46,800
his latest article he's touching on an

909
00:41:50,710 --> 00:41:49,200
and on a blue book document

910
00:41:52,630 --> 00:41:50,720
i mean blue book case

911
00:41:54,630 --> 00:41:52,640
one of many as we know

912
00:41:55,829 --> 00:41:54,640
that's why i i commented and made sure

913
00:41:57,349 --> 00:41:55,839

to thank him for it because it's just

914

00:41:58,069 --> 00:41:57,359

one of many that people have never heard

915

00:41:59,510 --> 00:41:58,079

of

916

00:42:01,670 --> 00:41:59,520

and it's a crash

917

00:42:03,270 --> 00:42:01,680

some kind of a crash report i mean it

918

00:42:05,750 --> 00:42:03,280

takes back off again

919

00:42:08,069 --> 00:42:05,760

but it's reported debris found and

920

00:42:10,230 --> 00:42:08,079

heineken involved it's pretty good i

921

00:42:13,430 --> 00:42:10,240

recommend checking it out where was that

922

00:42:16,069 --> 00:42:13,440

at uh kevin randle's blog

923

00:42:17,910 --> 00:42:16,079

dot blogspot.com is where his vlog is i

924

00:42:21,190 --> 00:42:17,920

have a project for you if you're

925

00:42:25,910 --> 00:42:22,230

um

926

00:42:28,630 --> 00:42:25,920

starting i think it's october 16th it is

927

00:42:33,030 --> 00:42:28,640

uh that whole week is going to be called

928

00:42:35,750 --> 00:42:33,040

uh crash week right so they're every uh

929

00:42:38,150 --> 00:42:35,760

streamer researcher and everything like

930

00:42:40,710 --> 00:42:38,160

on twitter and everything like um

931

00:42:42,550 --> 00:42:40,720

we're all putting our efforts into

932

00:42:46,069 --> 00:42:42,560

uh crashes

933

00:42:49,670 --> 00:42:46,079

okay you know and trying to find

934

00:42:51,750 --> 00:42:49,680

something you know whether it's yeah so

935

00:42:54,069 --> 00:42:51,760

whatever you got on that that's most

936

00:42:56,550 --> 00:42:54,079

convincing

937

00:42:58,950 --> 00:42:56,560

that's why i am still get with me 25

938

00:43:01,670 --> 00:42:58,960

march because yeah everything i keep

939

00:43:03,670 --> 00:43:01,680

finding out including myriads if you

940

00:43:05,030 --> 00:43:03,680

were to go to fold three right now you

941

00:43:07,589 --> 00:43:05,040

know where the blue book documents are

942

00:43:09,990 --> 00:43:07,599

being held for for the archives go to

943

00:43:11,670 --> 00:43:10,000

old three if you're a basic membership

944

00:43:13,349 --> 00:43:11,680

it's free and you go there

945

00:43:15,510 --> 00:43:13,359

you type in the search engine in the

946

00:43:19,349 --> 00:43:15,520

blue book documents

947

00:43:21,030 --> 00:43:19,359

25 march 1948 you will be surprised at

948

00:43:21,990 --> 00:43:21,040

the different types of hits you're going

949

00:43:23,270 --> 00:43:22,000

to get

950

00:43:25,190 --> 00:43:23,280

because

951
00:43:27,430 --> 00:43:25,200
it just proves how important that date

952
00:43:30,150 --> 00:43:27,440
was for years afterwards not just for

953
00:43:32,309 --> 00:43:30,160
months after for years after they're

954
00:43:34,150 --> 00:43:32,319
citing that date

955
00:43:36,470 --> 00:43:34,160
for the authorization for why they're

956
00:43:37,270 --> 00:43:36,480
reporting this disk in this current up

957
00:43:39,750 --> 00:43:37,280
you know

958
00:43:41,990 --> 00:43:39,760
it was like 1957 and they're still

959
00:43:45,030 --> 00:43:42,000
citing at you know

960
00:43:47,510 --> 00:43:45,040
25 march 1948 army letter

961
00:43:49,190 --> 00:43:47,520
452.1

962
00:43:51,109 --> 00:43:49,200
still citing that as the authority

963
00:43:53,589 --> 00:43:51,119

because of that morning something

964

00:43:55,670 --> 00:43:53,599

happened i'm telling you and if it isn't

965

00:43:57,750 --> 00:43:55,680

what people like scott ramsay have found

966

00:43:59,030 --> 00:43:57,760

to their witnesses that a disc was

967

00:44:01,270 --> 00:43:59,040

captured

968

00:44:02,550 --> 00:44:01,280

that would why that fits so perfectly

969

00:44:04,870 --> 00:44:02,560

come on

970

00:44:06,790 --> 00:44:04,880

how can i ignore that

971

00:44:10,150 --> 00:44:06,800

yeah people didn't know me that's really

972

00:44:12,069 --> 00:44:10,160

my point of dragging it in is obviously

973

00:44:13,990 --> 00:44:12,079

and there's so many

974

00:44:15,270 --> 00:44:14,000

around that time too there were so many

975

00:44:16,230 --> 00:44:15,280

other

976
00:44:17,430 --> 00:44:16,240
uh

977
00:44:19,030 --> 00:44:17,440
alleged

978
00:44:20,390 --> 00:44:19,040
crashes

979
00:44:22,870 --> 00:44:20,400
in dogfights

980
00:44:24,870 --> 00:44:22,880
they investigated a bunch of them

981
00:44:27,109 --> 00:44:24,880
mm-hmm

982
00:44:29,750 --> 00:44:27,119
because one was mantel that was

983
00:44:32,150 --> 00:44:29,760
50 that's 48 minutes later

984
00:44:34,470 --> 00:44:32,160
see that happens right before

985
00:44:35,990 --> 00:44:34,480
the march 25th see there's

986
00:44:39,030 --> 00:44:36,000
interesting

987
00:44:41,510 --> 00:44:39,040
february they put sign together february

988
00:44:43,109 --> 00:44:41,520

11th 1948 it's it's

989

00:44:46,150 --> 00:44:43,119

official so

990

00:44:47,670 --> 00:44:46,160

maybe sign kind of ruffled these things

991

00:44:48,470 --> 00:44:47,680

feathers

992

00:44:49,589 --> 00:44:48,480

yeah

993

00:44:51,670 --> 00:44:49,599

so i'll tell

994

00:44:53,910 --> 00:44:51,680

there's another example of that

995

00:44:56,870 --> 00:44:53,920

and it dovetails with this case january

996

00:44:59,030 --> 00:44:56,880

6 1950 the wyandot echo

997

00:45:00,950 --> 00:44:59,040

publishes an article about a disk being

998

00:45:02,390 --> 00:45:00,960

found in bodies inside everything first

999

00:45:05,670 --> 00:45:02,400

time something like that actually comes

1000

00:45:06,790 --> 00:45:05,680

out it's before frank scully

1001
00:45:07,589 --> 00:45:06,800
and

1002
00:45:08,950 --> 00:45:07,599
what

1003
00:45:10,870 --> 00:45:08,960
something happened

1004
00:45:11,829 --> 00:45:10,880
no i just said well

1005
00:45:16,630 --> 00:45:11,839
yeah

1006
00:45:21,109 --> 00:45:20,150
i'm seeing there's so many cases

1007
00:45:22,710 --> 00:45:21,119
where

1008
00:45:25,190 --> 00:45:22,720
this thing gets published in the

1009
00:45:26,790 --> 00:45:25,200
newspaper the osi of all people get

1010
00:45:28,870 --> 00:45:26,800
involved and they start investigating

1011
00:45:31,349 --> 00:45:28,880
who leaked this information so that it

1012
00:45:32,710 --> 00:45:31,359
got published in this newspaper that

1013
00:45:35,589 --> 00:45:32,720

seems to be what they're most interested

1014

00:45:38,309 --> 00:45:35,599

in what's really fascinating is the same

1015

00:45:40,069 --> 00:45:38,319

night that thing gets published ufos

1016

00:45:42,230 --> 00:45:40,079

come discs actually

1017

00:45:46,069 --> 00:45:42,240

three of them come and hover over the

1018

00:45:51,349 --> 00:45:48,630

not kidding it's in the files

1019

00:45:53,670 --> 00:45:51,359

oh my god that's awesome

1020

00:45:55,270 --> 00:45:53,680

very nice that the newspaper publishes

1021

00:45:56,309 --> 00:45:55,280

this article

1022

00:45:57,750 --> 00:45:56,319

wow

1023

00:45:59,750 --> 00:45:57,760

so i brought that up as you were saying

1024

00:46:01,589 --> 00:45:59,760

you know the connection there you know

1025

00:46:02,390 --> 00:46:01,599

yeah you know there are many types like

1026

00:46:04,790 --> 00:46:02,400

that

1027

00:46:05,750 --> 00:46:04,800

thanks for leading me on to the uh the

1028

00:46:09,109 --> 00:46:05,760

actual

1029

00:46:12,309 --> 00:46:09,119

like newspaper articles because there is

1030

00:46:14,069 --> 00:46:12,319

so much information in there in those

1031

00:46:16,710 --> 00:46:14,079

you have you know you got to be wary or

1032

00:46:19,030 --> 00:46:16,720

whatever but um yeah there's and there's

1033

00:46:21,190 --> 00:46:19,040

so there's a plethora

1034

00:46:22,230 --> 00:46:21,200

there's so many articles all over the

1035

00:46:23,430 --> 00:46:22,240

world

1036

00:46:25,670 --> 00:46:23,440

in that time

1037

00:46:28,870 --> 00:46:25,680

it's really crazy

1038

00:46:30,870 --> 00:46:28,880

you have to overlay the press stuff with

1039

00:46:32,710 --> 00:46:30,880

them you can't just read the blue book

1040

00:46:35,349 --> 00:46:32,720

documents you have to see what was

1041

00:46:37,829 --> 00:46:35,359

reported in the press

1042

00:46:39,510 --> 00:46:37,839

yeah man tells one of them

1043

00:46:41,589 --> 00:46:39,520

we always get told

1044

00:46:44,309 --> 00:46:41,599

really quick after he passed out and he

1045

00:46:45,589 --> 00:46:44,319

didn't it was like 40 minutes

1046

00:46:48,950 --> 00:46:45,599

yeah what's up

1047

00:46:51,430 --> 00:46:48,960

yeah 45 minutes 45 minutes right yeah

1048

00:46:52,950 --> 00:46:51,440

you have to get that by reading the in

1049

00:46:55,270 --> 00:46:52,960

interviews with the witnesses that were

1050

00:46:57,589 --> 00:46:55,280

there and that's in the press

1051
00:46:59,109 --> 00:46:57,599
and they're clear he he was flying

1052
00:47:00,790 --> 00:46:59,119
around all over his plane was doing all

1053
00:47:01,510 --> 00:47:00,800
kinds of things flying back and forth

1054
00:47:04,630 --> 00:47:01,520
and

1055
00:47:06,550 --> 00:47:04,640
one guy said it sounded like the poor

1056
00:47:10,470 --> 00:47:06,560
devil was lost

1057
00:47:12,230 --> 00:47:10,480
that's not a plane coming in and a dive

1058
00:47:14,230 --> 00:47:12,240
no it's not

1059
00:47:15,990 --> 00:47:14,240
did you see the picture of it crashed on

1060
00:47:17,349 --> 00:47:16,000
the ground too you saw that i've seen a

1061
00:47:19,829 --> 00:47:17,359
couple there's some pictures in the blue

1062
00:47:22,390 --> 00:47:19,839
files scott ramsey has seen some in the

1063
00:47:24,790 --> 00:47:22,400

actual archives at the air force

1064

00:47:27,030 --> 00:47:24,800

archives he said they were really clear

1065

00:47:30,150 --> 00:47:27,040

and one thing he noticed is the damage

1066

00:47:32,230 --> 00:47:30,160

to the fuselage is way less than it make

1067

00:47:33,750 --> 00:47:32,240

than the ones we've seen so far and it

1068

00:47:35,510 --> 00:47:33,760

really made it interesting it looked

1069

00:47:37,190 --> 00:47:35,520

like the only thing that happened

1070

00:47:38,870 --> 00:47:37,200

in reality was mainly the main damage

1071

00:47:40,549 --> 00:47:38,880

the tail section

1072

00:47:43,109 --> 00:47:40,559

is somehow

1073

00:47:44,069 --> 00:47:43,119

disengaged and his wings collapse and

1074

00:47:45,750 --> 00:47:44,079

they

1075

00:47:48,470 --> 00:47:45,760

but nobody can really explain the

1076
00:47:50,470 --> 00:47:48,480
explosion they always explained it they

1077
00:47:51,750 --> 00:47:50,480
the experts that we've listened to

1078
00:47:53,349 --> 00:47:51,760
they always explain the explosion that

1079
00:47:54,390 --> 00:47:53,359
it was over speed

1080
00:47:55,750 --> 00:47:54,400
you know and it reached over but

1081
00:47:58,069 --> 00:47:55,760
remember we're talking about a p51

1082
00:48:00,309 --> 00:47:58,079
mustang this thing was designed to dive

1083
00:48:02,150 --> 00:48:00,319
bomb and give it you know and i looked

1084
00:48:04,470 --> 00:48:02,160
together i'm telling you

1085
00:48:08,309 --> 00:48:04,480
i'm not just blown smoke i tried my best

1086
00:48:12,470 --> 00:48:10,069
two things i found that fascinated me if

1087
00:48:13,990 --> 00:48:12,480
you were to let go of the stick

1088
00:48:15,109 --> 00:48:14,000

it would immediately start pitching to

1089

00:48:15,990 --> 00:48:15,119

the left

1090

00:48:17,670 --> 00:48:16,000

oh

1091

00:48:20,230 --> 00:48:17,680

and remember he had it trimmed for

1092

00:48:23,510 --> 00:48:20,240

climbing the back rudders trimmed angled

1093

00:48:25,109 --> 00:48:23,520

up to go up so if he were unconscious

1094

00:48:26,950 --> 00:48:25,119

immediately what happened they would

1095

00:48:28,549 --> 00:48:26,960

have kept kind of going

1096

00:48:30,390 --> 00:48:28,559

left immediately

1097

00:48:33,670 --> 00:48:30,400

i believe that's what happened and that

1098

00:48:37,829 --> 00:48:33,680

happened at 3 18 in the afternoon right

1099

00:48:39,109 --> 00:48:37,839

and was turning away to peel back

1100

00:48:42,069 --> 00:48:39,119

well

1101

00:48:43,990 --> 00:48:42,079

and that's in the press

1102

00:48:45,030 --> 00:48:44,000

i'm blabbing but you were on the subject

1103

00:48:46,390 --> 00:48:45,040

they're perfect

1104

00:48:48,549 --> 00:48:46,400

yeah no i i

1105

00:48:50,710 --> 00:48:48,559

like kevin randle dr randall

1106

00:48:52,150 --> 00:48:50,720

he thinks cases like the child's witted

1107

00:48:53,430 --> 00:48:52,160

case are solved

1108

00:48:54,630 --> 00:48:53,440

which is

1109

00:48:55,990 --> 00:48:54,640

okay

1110

00:48:58,309 --> 00:48:56,000

but

1111

00:49:00,470 --> 00:48:58,319

charles if you interview again if you

1112

00:49:02,870 --> 00:49:00,480

watch the read the interviews with the

1113

00:49:05,270 --> 00:49:02,880

captain and his co-pilot that were taken

1114

00:49:06,710 --> 00:49:05,280

the very day that this happened in july

1115

00:49:08,309 --> 00:49:06,720

48

1116

00:49:10,069 --> 00:49:08,319

of the it's the rocket shape thing with

1117

00:49:11,829 --> 00:49:10,079

the double windows going down the side

1118

00:49:13,510 --> 00:49:11,839

you probably

1119

00:49:15,990 --> 00:49:13,520

the argument was like kevin randle would

1120

00:49:17,670 --> 00:49:16,000

say it's a bolide because of the type of

1121

00:49:19,589 --> 00:49:17,680

bullets that can break up and look like

1122

00:49:22,150 --> 00:49:19,599

there's like rows of maybe windows or

1123

00:49:23,430 --> 00:49:22,160

something did you see this daisy chain

1124

00:49:25,349 --> 00:49:23,440

or something like that

1125

00:49:27,270 --> 00:49:25,359

you ever see this

1126

00:49:30,309 --> 00:49:27,280

yeah these are from the uh air

1127

00:49:31,910 --> 00:49:30,319

intelligence files about okay about uh

1128

00:49:34,309 --> 00:49:31,920

captain mantell

1129

00:49:39,349 --> 00:49:35,750

because what's this statement on a

1130

00:49:41,990 --> 00:49:39,359

cone-shaped object is that what

1131

00:49:43,670 --> 00:49:42,000

uh that's the way it appeared to command

1132

00:49:45,190 --> 00:49:43,680

the colonel hicks

1133

00:49:47,829 --> 00:49:45,200

right before it disappeared in the

1134

00:49:50,630 --> 00:49:47,839

clouds wow they were comparing it to

1135

00:49:51,910 --> 00:49:50,640

possible balloon sightings uh that had

1136

00:49:53,670 --> 00:49:51,920

been released

1137

00:49:54,630 --> 00:49:53,680

from not too far away that had nothing

1138

00:49:56,710 --> 00:49:54,640

to do with

1139

00:49:59,030 --> 00:49:56,720

the case they found out

1140

00:50:00,870 --> 00:49:59,040

you know the the cone shape thing is

1141

00:50:02,870 --> 00:50:00,880

very common too

1142

00:50:04,549 --> 00:50:02,880

and reported several times yeah

1143

00:50:08,950 --> 00:50:04,559

yeah

1144

00:50:10,230 --> 00:50:08,960

i'll try to i i babbled but there's so

1145

00:50:12,230 --> 00:50:10,240

much to i always feel that there's so

1146

00:50:14,549 --> 00:50:12,240

much i want me people to know because

1147

00:50:15,829 --> 00:50:14,559

they don't i know they don't know this

1148

00:50:18,710 --> 00:50:15,839

and

1149

00:50:20,870 --> 00:50:18,720

charles captain charles or witted which

1150

00:50:23,030 --> 00:50:20,880

one when he looked out the window and

1151

00:50:24,150 --> 00:50:23,040

saw this thing coming at them this is

1152

00:50:25,670 --> 00:50:24,160

july

1153

00:50:29,349 --> 00:50:25,680

24th

1154

00:50:32,390 --> 00:50:29,359

july 2 1948 after the crash landing in

1155

00:50:33,109 --> 00:50:32,400

aztec these guys are pilots

1156

00:50:35,270 --> 00:50:33,119

and

1157

00:50:37,190 --> 00:50:35,280

over montgomery alabama this rocket ship

1158

00:50:39,349 --> 00:50:37,200

thing just misses them and goes into a

1159

00:50:40,870 --> 00:50:39,359

club he said it had two rows of windows

1160

00:50:41,910 --> 00:50:40,880

going down the sides what's important

1161

00:50:43,750 --> 00:50:41,920

though is

1162

00:50:45,990 --> 00:50:43,760

the reason it can't be a bow light is

1163

00:50:47,829 --> 00:50:46,000

because the captain was sure

1164

00:50:50,950 --> 00:50:47,839

he could see through it he could see it

1165

00:50:52,470 --> 00:50:50,960

was hollow except glowing inside like

1166

00:50:54,549 --> 00:50:52,480

like burning gas

1167

00:50:56,390 --> 00:50:54,559

maybe he was guessing but there were

1168

00:50:58,230 --> 00:50:56,400

rows of windows on the other side too

1169

00:51:00,549 --> 00:50:58,240

and he was looking through it

1170

00:51:02,870 --> 00:51:00,559

well he described it that way

1171

00:51:04,630 --> 00:51:02,880

but if you don't include that in the air

1172

00:51:07,270 --> 00:51:04,640

intelligence reports

1173

00:51:09,670 --> 00:51:07,280

you you miss that part of the story

1174

00:51:11,990 --> 00:51:09,680

interesting yeah so you have to combine

1175

00:51:14,390 --> 00:51:12,000

things press reports and combine them

1176

00:51:16,390 --> 00:51:14,400

with the documents together

1177

00:51:18,870 --> 00:51:16,400

the press reports are probably more

1178

00:51:19,910 --> 00:51:18,880

inclined to give it to you like they're

1179

00:51:21,430 --> 00:51:19,920

told

1180

00:51:22,470 --> 00:51:21,440

right especially if it's really soon

1181

00:51:24,790 --> 00:51:22,480

after

1182

00:51:26,390 --> 00:51:24,800

and spectacular

1183

00:51:28,549 --> 00:51:26,400

like windows

1184

00:51:31,829 --> 00:51:28,559

yeah and rows of windows right through

1185

00:51:34,870 --> 00:51:31,839

it he said to the other side

1186

00:51:36,470 --> 00:51:34,880

do you think what's your feeling on um

1187

00:51:38,150 --> 00:51:36,480

like so when they're making up these

1188

00:51:39,990 --> 00:51:38,160

reports and everything do you think

1189

00:51:41,190 --> 00:51:40,000

there was maybe some sort of directive

1190

00:51:44,230 --> 00:51:41,200

to not

1191

00:51:47,430 --> 00:51:44,240

um list particular things on these

1192

00:51:49,750 --> 00:51:47,440

documents because

1193

00:51:50,390 --> 00:51:49,760

yeah you know somebody might see that

1194

00:51:51,349 --> 00:51:50,400

and

1195

00:51:52,309 --> 00:51:51,359

you know

1196

00:51:54,870 --> 00:51:52,319

whatever

1197

00:51:56,230 --> 00:51:54,880

i even see that as you go through if you

1198

00:51:57,990 --> 00:51:56,240

read some of the i don't know how many

1199

00:52:00,790 --> 00:51:58,000

have you read any intelligence advisory

1200

00:52:02,309 --> 00:52:00,800

community uh meetings the the the

1201
00:52:05,270 --> 00:52:02,319
minutes of meetings yeah yeah the

1202
00:52:07,349 --> 00:52:05,280
committee meetings any of them when they

1203
00:52:09,349 --> 00:52:07,359
even have secret meetings that from

1204
00:52:11,349 --> 00:52:09,359
subgroups of them you read those

1205
00:52:13,030 --> 00:52:11,359
meetings even and they're top secret at

1206
00:52:15,109 --> 00:52:13,040
the time

1207
00:52:16,549 --> 00:52:15,119
but you can tell when they're talking

1208
00:52:19,190 --> 00:52:16,559
and these you can picture these are in a

1209
00:52:19,910 --> 00:52:19,200
really secret room probably bet built

1210
00:52:22,309 --> 00:52:19,920
for

1211
00:52:23,270 --> 00:52:22,319
quiet and secrecy you know they're still

1212
00:52:25,510 --> 00:52:23,280
talking

1213
00:52:27,430 --> 00:52:25,520

like they think somebody's listening

1214

00:52:28,950 --> 00:52:27,440

yeah because they'll they'll talk about

1215

00:52:30,710 --> 00:52:28,960

things and you go oh i know what he's

1216

00:52:32,710 --> 00:52:30,720

talking about that's blah blah but when

1217

00:52:34,630 --> 00:52:32,720

they're in that meeting they're not just

1218

00:52:36,390 --> 00:52:34,640

coming around and going okay frank you

1219

00:52:38,390 --> 00:52:36,400

know that disc we just picked up last

1220

00:52:40,390 --> 00:52:38,400

friday you know right

1221

00:52:42,069 --> 00:52:40,400

yeah why is that you think you think uh

1222

00:52:45,829 --> 00:52:42,079

because the

1223

00:52:47,589 --> 00:52:45,839

aliens can read their brain boy are

1224

00:52:49,270 --> 00:52:47,599

very good question who would be who

1225

00:52:50,549 --> 00:52:49,280

would they think is listening

1226

00:52:51,990 --> 00:52:50,559

right

1227

00:52:53,430 --> 00:52:52,000

crazy

1228

00:52:56,309 --> 00:52:53,440

you can see it for yourself you go

1229

00:52:57,750 --> 00:52:56,319

through and you go why are they being so

1230

00:52:59,190 --> 00:52:57,760

yeah

1231

00:53:01,109 --> 00:52:59,200

because what's what's the point of the

1232

00:53:03,589 --> 00:53:01,119

meetings and

1233

00:53:06,870 --> 00:53:03,599

if you can't just be frank you know

1234

00:53:08,630 --> 00:53:06,880

exactly that's my point exactly yeah

1235

00:53:10,790 --> 00:53:08,640

and if if not there'd be big black

1236

00:53:12,069 --> 00:53:10,800

splotches where it's where they were but

1237

00:53:14,470 --> 00:53:12,079

that's not right

1238

00:53:17,910 --> 00:53:14,480

there's hardly any blocked out areas no

1239

00:53:19,829 --> 00:53:17,920

i can actually bring up an example

1240

00:53:22,790 --> 00:53:19,839

uh because

1241

00:53:25,670 --> 00:53:22,800

yeah i i love those because you're just

1242

00:53:26,829 --> 00:53:25,680

like a fly on the wall almost you know

1243

00:53:28,630 --> 00:53:26,839

exactly

1244

00:53:30,309 --> 00:53:28,640

yeah it's pretty interesting we would be

1245

00:53:31,190 --> 00:53:30,319

reading these either that's not the

1246

00:53:31,990 --> 00:53:31,200

answer

1247

00:53:34,069 --> 00:53:32,000

yeah

1248

00:53:35,829 --> 00:53:34,079

true to why they're being so tongue and

1249

00:53:37,829 --> 00:53:35,839

cheeky i mean

1250

00:53:40,309 --> 00:53:37,839

right but because yeah

1251
00:53:42,870 --> 00:53:40,319
i mean are we thinking of what

1252
00:53:44,130 --> 00:53:42,880
people are gonna see in

1253
00:53:46,309 --> 00:53:44,140
you know 20 80.

1254
00:53:48,150 --> 00:53:46,319
[Laughter]

1255
00:53:52,470 --> 00:53:48,160
are we carrying

1256
00:53:58,630 --> 00:53:54,829
do you think by the year

1257
00:53:59,990 --> 00:53:58,640
3000 will have something figured out

1258
00:54:02,630 --> 00:54:00,000
yeah i don't know that's what the thing

1259
00:54:04,230 --> 00:54:02,640
is it just keeps going around and around

1260
00:54:06,950 --> 00:54:04,240
and around we keep finding ourselves in

1261
00:54:10,069 --> 00:54:06,960
the same spot all over again it's like

1262
00:54:12,390 --> 00:54:10,079
that movie groundhog day yeah it feels

1263
00:54:14,630 --> 00:54:12,400

sometimes and i know someone that i'm

1264

00:54:16,230 --> 00:54:14,640

not even one of the older ufology type

1265

00:54:17,670 --> 00:54:16,240

people i'm not i'm gonna know he is

1266

00:54:19,270 --> 00:54:17,680

better but i just happen to have been

1267

00:54:20,950 --> 00:54:19,280

doing it for a long time

1268

00:54:22,710 --> 00:54:20,960

but some of these older men just think

1269

00:54:26,710 --> 00:54:22,720

how they feel they're looking and just

1270

00:54:29,750 --> 00:54:26,720

going [h__h] joe this is only 852.

1271

00:54:31,670 --> 00:54:29,760

what's it gonna take you know

1272

00:54:32,790 --> 00:54:31,680

and here we are again

1273

00:54:33,910 --> 00:54:32,800

yeah

1274

00:54:40,710 --> 00:54:33,920

so

1275

00:54:42,549 --> 00:54:40,720

maybe these things are just especially

1276

00:54:44,549 --> 00:54:42,559

if the psychological aspect and

1277

00:54:46,630 --> 00:54:44,559

everything is it seems to be panning out

1278

00:54:49,589 --> 00:54:46,640

to be accurate um

1279

00:54:50,950 --> 00:54:49,599

maybe it's all like on purpose

1280

00:54:52,470 --> 00:54:50,960

done to us

1281

00:54:54,549 --> 00:54:52,480

you know yeah

1282

00:54:56,950 --> 00:54:54,559

keep us running in circles

1283

00:54:59,430 --> 00:54:56,960

when people like you begin to explore

1284

00:55:02,470 --> 00:54:59,440

you know because you had your experience

1285

00:55:04,150 --> 00:55:02,480

you cannot help but immediately go off

1286

00:55:05,190 --> 00:55:04,160

in a completely other direction and

1287

00:55:07,430 --> 00:55:05,200

start exploring things you never

1288

00:55:09,510 --> 00:55:07,440

explored before mentally

1289

00:55:10,309 --> 00:55:09,520

psychically spiritually

1290

00:55:12,230 --> 00:55:10,319

so

1291

00:55:14,390 --> 00:55:12,240

that i mean that's why i i think

1292

00:55:15,750 --> 00:55:14,400

logically speaking part of the answer

1293

00:55:17,510 --> 00:55:15,760

has to be there

1294

00:55:19,589 --> 00:55:17,520

yeah i think so

1295

00:55:21,270 --> 00:55:19,599

which is actually to me it's whether you

1296

00:55:23,270 --> 00:55:21,280

call believe in a god or anything like

1297

00:55:25,349 --> 00:55:23,280

that and separately but to me things

1298

00:55:28,069 --> 00:55:25,359

like that give me hope that

1299

00:55:30,150 --> 00:55:28,079

there is quality in the universe or

1300

00:55:31,829 --> 00:55:30,160

there are quality beings in the universe

1301

00:55:35,270 --> 00:55:31,839

that come and go

1302

00:55:37,670 --> 00:55:35,280

that don't want to eat us

1303

00:55:39,990 --> 00:55:37,680

but maybe they don't even want to overly

1304

00:55:41,670 --> 00:55:40,000

bless us but they're friendly and they

1305

00:55:43,910 --> 00:55:41,680

want to help in somewhere i don't have

1306

00:55:46,470 --> 00:55:43,920

any problem with that i see evidence for

1307

00:55:49,030 --> 00:55:46,480

that but i also have seen evidence which

1308

00:55:51,109 --> 00:55:49,040

i've sent you some which is i think why

1309

00:55:53,510 --> 00:55:51,119

i'm still interested in separating the

1310

00:55:56,069 --> 00:55:53,520

physical flying disk stories

1311

00:55:58,950 --> 00:55:56,079

from all the other stuff because

1312

00:56:01,349 --> 00:55:58,960

they seem to be associated with possible

1313

00:56:03,990 --> 00:56:01,359

military interactions with

1314

00:56:06,470 --> 00:56:04,000

and airline accidents possibly including

1315

00:56:13,109 --> 00:56:06,480

one i sent you of that p-80 that crashed

1316

00:56:16,470 --> 00:56:15,190

by the by train tracks or something

1317

00:56:18,230 --> 00:56:16,480

wasn't it

1318

00:56:19,270 --> 00:56:18,240

there's train tracks nearby in a gas

1319

00:56:21,910 --> 00:56:19,280

station

1320

00:56:23,670 --> 00:56:21,920

yeah and what's weird is the report was

1321

00:56:26,789 --> 00:56:23,680

that he had flown out of riverside this

1322

00:56:28,230 --> 00:56:26,799

is july 18th 1947 anybody's curious

1323

00:56:29,589 --> 00:56:28,240

this guy

1324

00:56:32,390 --> 00:56:29,599

uh air force

1325

00:56:33,990 --> 00:56:32,400

in a p 80 the same kind that we already

1326

00:56:35,589 --> 00:56:34,000

knew were being decked out with

1327

00:56:37,990 --> 00:56:35,599

surveillance equipment to hunt for the

1328

00:56:40,309 --> 00:56:38,000

saucers that's unknown it's not some

1329

00:56:43,190 --> 00:56:40,319

fantasy anybody has they were doing that

1330

00:56:45,109 --> 00:56:43,200

they were hot on that the army was hot

1331

00:56:47,109 --> 00:56:45,119

on that yeah

1332

00:56:48,789 --> 00:56:47,119

this day this

1333

00:56:51,270 --> 00:56:48,799

i have had this confirmed through the

1334

00:56:52,950 --> 00:56:51,280

files again that air force files

1335

00:56:56,710 --> 00:56:52,960

that this plane was

1336

00:56:58,710 --> 00:56:56,720

was uh met it was um assigned

1337

00:57:00,870 --> 00:56:58,720

to land on the highway because they were

1338

00:57:03,750 --> 00:57:00,880

very deserted highways

1339

00:57:05,910 --> 00:57:03,760

he was assigned on the highway there to

1340

00:57:09,109 --> 00:57:05,920

still cover for the remnants of the

1341

00:57:11,030 --> 00:57:09,119

roswell cleanup that was still going on

1342

00:57:14,069 --> 00:57:11,040

he was staying it was near

1343

00:57:16,230 --> 00:57:14,079

corzozo new mexico is where this was

1344

00:57:17,349 --> 00:57:16,240

and the story is that

1345

00:57:19,670 --> 00:57:17,359

a disc

1346

00:57:22,390 --> 00:57:19,680

was indeed cited and he was vectored to

1347

00:57:24,710 --> 00:57:22,400

take off and intercept by ground

1348

00:57:27,109 --> 00:57:24,720

ground control intercept

1349

00:57:29,829 --> 00:57:27,119

something happened and he lost control

1350

00:57:31,990 --> 00:57:29,839

of his plane and it veered to the left

1351

00:57:34,470 --> 00:57:32,000

of all things and went

1352

00:57:35,430 --> 00:57:34,480

to that gas station killing one young

1353

00:57:37,349 --> 00:57:35,440

man and

1354

00:57:39,430 --> 00:57:37,359

injuring killing him and another young

1355

00:57:41,349 --> 00:57:39,440

man and i think and injuring somebody

1356

00:57:43,589 --> 00:57:41,359

else in in the fire

1357

00:57:45,750 --> 00:57:43,599

no did you find uh like a

1358

00:57:49,270 --> 00:57:45,760

incident report or anything on it

1359

00:57:51,510 --> 00:57:49,280

uh scott ramsey did when he was down at

1360

00:57:52,789 --> 00:57:51,520

the archives uh it was read to him he

1361

00:57:54,870 --> 00:57:52,799

wasn't allowed

1362

00:57:57,750 --> 00:57:54,880

they found there were two reports

1363

00:57:59,349 --> 00:57:57,760

there was the one given to the press

1364

00:58:00,789 --> 00:57:59,359

and the one that he wasn't allowed to

1365

00:58:02,470 --> 00:58:00,799

read but

1366

00:58:04,870 --> 00:58:02,480

the the head of the one he wasn't

1367

00:58:05,670 --> 00:58:04,880

allowed to read couldn't leave this

1368

00:58:07,910 --> 00:58:05,680

other

1369

00:58:09,990 --> 00:58:07,920

set and then the archive was founded by

1370

00:58:11,750 --> 00:58:10,000

accident actually he was going through

1371

00:58:13,829 --> 00:58:11,760

to go get it and he realized wait what's

1372

00:58:15,750 --> 00:58:13,839

this and he pulled this other file out

1373

00:58:17,589 --> 00:58:15,760

and it was a whole other file on this

1374

00:58:18,630 --> 00:58:17,599

accident air accident yeah what's

1375

00:58:22,789 --> 00:58:18,640

interesting

1376

00:58:26,230 --> 00:58:22,799

is uh dr mcdonald right he was the case

1377

00:58:27,910 --> 00:58:26,240

he investigated for iaa

1378

00:58:29,510 --> 00:58:27,920

it was like ufo encounter one or

1379

00:58:30,309 --> 00:58:29,520

something it's called

1380

00:58:31,589 --> 00:58:30,319

um

1381

00:58:33,190 --> 00:58:31,599

initially

1382

00:58:34,549 --> 00:58:33,200

he couldn't find the files for it they

1383

00:58:36,630 --> 00:58:34,559

weren't where they were supposed to be

1384

00:58:38,390 --> 00:58:36,640

and he found them in a completely

1385

00:58:39,670 --> 00:58:38,400

different district's

1386

00:58:41,349 --> 00:58:39,680

case files

1387

00:58:43,910 --> 00:58:41,359

and he finally found them and was able

1388

00:58:45,990 --> 00:58:43,920

to do this report so sometimes i wonder

1389

00:58:48,710 --> 00:58:46,000

if the answer

1390

00:58:48,720 --> 00:58:52,230

in the wrong files

1391

00:58:57,670 --> 00:58:55,270

i found a uh aztec document in the blue

1392

00:59:00,150 --> 00:58:57,680

book files it's referring to

1393

00:59:02,150 --> 00:59:00,160

to newton and

1394

00:59:04,390 --> 00:59:02,160

bruce abbott the actor who's the one who

1395

00:59:05,910 --> 00:59:04,400

turned silent

1396

00:59:07,670 --> 00:59:05,920

well this document is dealing with that

1397

00:59:09,589 --> 00:59:07,680

and yet handwritten in the top it says

1398

00:59:12,870 --> 00:59:09,599

mari island and that's where i found it

1399

00:59:14,870 --> 00:59:12,880

it was in the mari island files so

1400

00:59:16,630 --> 00:59:14,880

jl and heineck are

1401

00:59:18,630 --> 00:59:16,640

or jay allen heidi

1402

00:59:20,230 --> 00:59:18,640

jacques or jalen hynix that's whose

1403

00:59:22,150 --> 00:59:20,240

handwriting that's got to be so they

1404

00:59:24,230 --> 00:59:22,160

must have misfiled that

1405

00:59:25,990 --> 00:59:24,240

in the mari island case for some reason

1406

00:59:28,470 --> 00:59:26,000

i don't know i think it's do you think

1407

00:59:31,030 --> 00:59:28,480

it's misfiled or hit

1408

00:59:32,390 --> 00:59:31,040

that's what i mean it it was misfiled

1409

00:59:34,150 --> 00:59:32,400

and i found it by accident i'm sure

1410

00:59:36,549 --> 00:59:34,160

other people have two but

1411

00:59:38,309 --> 00:59:36,559

it was not i was looking at maury island

1412

00:59:42,069 --> 00:59:38,319

and i came across this one i went well

1413

00:59:46,309 --> 00:59:44,230

this goes with this

1414

00:59:47,670 --> 00:59:46,319

idiot

1415

00:59:48,710 --> 00:59:47,680

he's an interesting guy too he's an

1416

00:59:50,470 --> 00:59:48,720

actor

1417

00:59:51,430 --> 00:59:50,480

he was the one that turned silas newton

1418

01:00:03,990 --> 00:59:51,440

in

1419

01:00:08,069 --> 01:00:06,230

so i could see now later he's on the

1420

01:00:11,589 --> 01:00:08,079

golf course he's probably thinking oh i

1421

01:00:13,910 --> 01:00:11,599

could get in good with my old bosses

1422

01:00:15,750 --> 01:00:13,920

you know yeah and silas newton he's

1423

01:00:18,230 --> 01:00:15,760

talking about flying sausage

1424

01:00:20,789 --> 01:00:18,240

i'll look good if i turn him in

1425

01:00:23,270 --> 01:00:20,799

and so he did to the fbi

1426

01:00:24,390 --> 01:00:23,280

freaking rats see i'm off people don't

1427

01:00:26,870 --> 01:00:24,400

even know what i'm talking about right

1428

01:00:29,829 --> 01:00:26,880

now what what you talking about yeah

1429

01:00:31,270 --> 01:00:29,839

well hey we hit the hour mark so

1430

01:00:34,549 --> 01:00:31,280

i didn't mean to

1431

01:00:36,710 --> 01:00:34,559

my main thing was those early documents

1432

01:00:38,549 --> 01:00:36,720

they did they do really have to do with

1433

01:00:40,549 --> 01:00:38,559

this so yeah go back you'll see

1434

01:00:41,990 --> 01:00:40,559

that one with that says tdo the

1435

01:00:43,190 --> 01:00:42,000

technology development

1436

01:00:45,829 --> 01:00:43,200

weapons group

1437

01:00:47,589 --> 01:00:45,839

that's atik and the ftd combined

1438

01:00:49,190 --> 01:00:47,599

together foreign technology

1439

01:00:52,069 --> 01:00:49,200

that's that's the

1440

01:00:53,670 --> 01:00:52,079

office they were in charge of the ufos

1441

01:00:56,549 --> 01:00:53,680

because i thought they switched over

1442

01:00:58,230 --> 01:00:56,559

from atec to ftd so they were

1443

01:01:01,270 --> 01:00:58,240

co-existing they worked together it's

1444

01:01:03,589 --> 01:01:01,280

all see the way it was was uh

1445

01:01:05,580 --> 01:01:03,599

i'll try to do this quickly yeah use

1446

01:01:07,829 --> 01:01:05,590

your hands

1447

01:01:09,589 --> 01:01:07,839

[Laughter]

1448

01:01:11,750 --> 01:01:09,599

air of course

1449

01:01:12,630 --> 01:01:11,760

no i don't know as long as i should

1450

01:01:14,710 --> 01:01:12,640

uh

1451

01:01:16,470 --> 01:01:14,720

it's called assistant chief of staff

1452

01:01:19,030 --> 01:01:16,480

intelligence

1453

01:01:20,950 --> 01:01:19,040

okay the army had assistant chief of

1454

01:01:23,270 --> 01:01:20,960

stalin's intelligence ground

1455

01:01:24,950 --> 01:01:23,280

intelligence the air force had assistant

1456

01:01:26,549 --> 01:01:24,960

chief of staff intelligence air

1457

01:01:28,870 --> 01:01:26,559

intelligence a2

1458

01:01:31,270 --> 01:01:28,880

those two combined together

1459

01:01:34,630 --> 01:01:31,280

liaisoning worked with air defense

1460

01:01:37,030 --> 01:01:34,640

command and they were the ones truly

1461

01:01:38,150 --> 01:01:37,040

under assistant chief of tavern staff

1462

01:01:42,230 --> 01:01:38,160

and children they were in charge of the

1463

01:01:43,670 --> 01:01:42,240

ufo program okay so a tick ftd all these

1464

01:01:45,510 --> 01:01:43,680

people there were some

1465

01:01:48,870 --> 01:01:45,520

offices under this

1466

01:01:50,950 --> 01:01:48,880

officialdom of aaron of uh air force

1467

01:01:54,630 --> 01:01:50,960

intelligence

1468

01:01:56,549 --> 01:01:54,640

man that has to be see because we know

1469

01:01:57,270 --> 01:01:56,559

blue book we know sun

1470

01:02:03,510 --> 01:01:57,280

and

1471

01:02:07,270 --> 01:02:03,520

octopuses arm

1472

01:02:10,069 --> 01:02:07,280

of the real ufo program which was

1473

01:02:11,349 --> 01:02:10,079

made up of multiple groups they've been

1474

01:02:13,750 --> 01:02:11,359

there are multipliers right now that

1475

01:02:15,270 --> 01:02:13,760

have been lying to us yeah totally

1476

01:02:17,510 --> 01:02:15,280

they've got to believe they're doing it

1477

01:02:19,670 --> 01:02:17,520

for our good otherwise we have to

1478

01:02:20,390 --> 01:02:19,680

believe they're bad guys you would think

1479

01:02:23,029 --> 01:02:20,400

so

1480

01:02:25,430 --> 01:02:23,039

i know that's i know that's the problem

1481

01:02:27,670 --> 01:02:25,440

yeah all right well here we go

1482

01:02:31,029 --> 01:02:27,680

until i think i'm going extra long

1483

01:02:32,789 --> 01:02:31,039

because uh spaghetti wants to talk so

1484

01:02:36,150 --> 01:02:32,799

don't stop doing that stop being

1485

01:02:38,309 --> 01:02:36,160

apologetic you're uh contributing and i

1486

01:02:42,950 --> 01:02:38,319

actually needed needed you to do that

1487

01:02:42,960 --> 01:02:49,750

dr kos lov he was head of nro

1488

01:02:53,670 --> 01:02:51,829

so go check that out it's definitely the

1489

01:02:56,549 --> 01:02:53,680

watch committee it's just you're seeing

1490

01:02:58,390 --> 01:02:56,559

it from the back door afnan

1491

01:03:00,630 --> 01:02:58,400

and other groups that you don't usually

1492

01:03:03,190 --> 01:03:00,640

see associated but they're all part of

1493

01:03:03,990 --> 01:03:03,200

the same thing

1494

01:03:05,270 --> 01:03:04,000

cool

1495

01:03:07,589 --> 01:03:05,280

i can't i'm going to look into that

1496

01:03:09,349 --> 01:03:07,599

tonight my lady's working so i got i got

1497

01:03:11,029 --> 01:03:09,359

some time

1498

01:03:14,150 --> 01:03:11,039

you're going to be turning gray before

1499

01:03:14,829 --> 01:03:14,160

away before your time

1500

01:03:18,549 --> 01:03:14,839

all

1501

01:03:20,230 --> 01:03:18,559

right i appreciate you brother um

1502

01:03:22,390 --> 01:03:20,240

yeah looking forward to talking tomorrow

1503

01:03:26,870 --> 01:03:22,400

and later in the week all right you take

1504

01:03:31,510 --> 01:03:29,109

all right so

1505

01:03:33,990 --> 01:03:31,520

um it looks like

1506

01:03:37,029 --> 01:03:34,000

uh spaghetti wants to talk and i'm cool

1507

01:03:38,470 --> 01:03:37,039

with that i just gonna take a breather

1508

01:03:40,950 --> 01:03:38,480

um

1509

01:03:42,549 --> 01:03:40,960

so i'll take a breather and then we will

1510

01:03:46,549 --> 01:03:42,559

bring

1511

01:03:48,789 --> 01:03:47,829

so

1512

01:03:50,710 --> 01:03:48,799

just

1513

01:06:52,630 --> 01:03:50,720

hang

1514

01:06:58,870 --> 01:06:54,549

all right i'm back

1515

01:06:58,880 --> 01:07:02,470

we're gonna bring spaghetti in i think

1516

01:07:06,630 --> 01:07:04,470

but he's not here so

1517

01:07:08,630 --> 01:07:06,640

he better

1518

01:07:12,470 --> 01:07:08,640

you better show up quick or i'm just

1519

01:07:17,109 --> 01:07:14,789

thanks robert for coming by

1520

01:07:19,270 --> 01:07:17,119

helping out

1521

01:07:23,910 --> 01:07:19,280

i do appreciate that

1522

01:07:29,750 --> 01:07:25,109

so

1523

01:07:32,880 --> 01:07:29,760

um just give me a sec here and we will

1524

01:07:36,060 --> 01:07:34,500

[Applause]

1525

01:07:37,220 --> 01:07:36,070

[Music]

1526

01:07:42,470 --> 01:07:37,230

[Applause]

1527

01:07:51,900 --> 01:07:42,480

[Music]

1528

01:07:56,710 --> 01:07:51,910

[Laughter]

1529

01:07:56,720 --> 01:08:01,800

me

1530

01:08:19,849 --> 01:08:03,020

[Applause]

1531

01:08:23,769 --> 01:08:20,240

[Music]

1532

01:08:31,189 --> 01:08:23,779

[Laughter]

1533

01:08:34,390 --> 01:08:32,630

all right

1534

01:08:36,470 --> 01:08:34,400

now we reset the room we had a great

1535

01:08:39,189 --> 01:08:36,480

talk with

1536

01:08:40,870 --> 01:08:39,199

uh mr robert covert that was fantastic

1537

01:08:42,630 --> 01:08:40,880

i'm happy that he comes along and helps

1538

01:08:44,229 --> 01:08:42,640

me out with that historical reference

1539

01:08:45,910 --> 01:08:44,239

most definitely

1540

01:08:48,550 --> 01:08:45,920

um and

1541

01:08:52,630 --> 01:08:48,560

if spaghetti is ready

1542

01:08:57,590 --> 01:08:54,550

that's got to be a song right

1543

01:08:59,349 --> 01:08:57,600

if spaghetti is ready

1544

01:09:03,269 --> 01:08:59,359

is spaghetti ready

1545

01:09:04,829 --> 01:09:03,279

spaghetti's ready but you haven't been

1546

01:09:09,510 --> 01:09:04,839

oh really i don't have

1547

01:09:11,829 --> 01:09:10,470

yeah but

1548

01:09:13,430 --> 01:09:11,839

yeah so what's up with you what do you

1549

01:09:14,789 --> 01:09:13,440

want to talk about man

1550

01:09:15,590 --> 01:09:14,799

hold on a minute

1551

01:09:18,070 --> 01:09:15,600

sure

1552

01:09:20,309 --> 01:09:18,080

all right i think i just finished

1553

01:09:22,429 --> 01:09:20,319

i just realized oh boy i never do this

1554

01:09:24,229 --> 01:09:22,439

you got full metals full metal spaghetti

1555

01:09:26,550 --> 01:09:24,239

[Laughter]

1556

01:09:28,709 --> 01:09:26,560

awesome i love it sorry man

1557

01:09:31,030 --> 01:09:28,719

i love it how are your ears best hair

1558

01:09:33,030 --> 01:09:31,040

and you followed you right the best

1559

01:09:34,950 --> 01:09:33,040

best hair come on i got giorgio from

1560

01:09:37,110 --> 01:09:34,960

ancient aliens ain't got nothing on this

1561

01:09:39,030 --> 01:09:37,120

this are you are you talking to that mic

1562

01:09:41,430 --> 01:09:39,040

or is that your computer mike

1563

01:09:42,870 --> 01:09:41,440

hold on is that different

1564

01:09:44,229 --> 01:09:42,880

yeah i think you're using the computer

1565

01:09:45,829 --> 01:09:44,239

mic

1566

01:09:47,829 --> 01:09:45,839

how's that

1567

01:09:50,390 --> 01:09:47,839

i mean i get i can hear you but i don't

1568

01:09:53,510 --> 01:09:50,400

think you're going to like yesterday

1569

01:09:55,030 --> 01:09:53,520

so go down to where it says cam mic yeah

1570

01:09:58,390 --> 01:09:55,040

hand mic

1571

01:10:02,149 --> 01:09:58,400

and then you go audio

1572

01:10:04,070 --> 01:10:02,159

usb live camera is that better

1573

01:10:06,310 --> 01:10:04,080

and then you get your mic there and then

1574

01:10:08,310 --> 01:10:06,320

speaker

1575

01:10:13,270 --> 01:10:08,320

um

1576

01:10:17,750 --> 01:10:15,110

oh now you're just cut yeah that's

1577

01:10:19,669 --> 01:10:17,760

better i can't hear you at all so

1578

01:10:21,110 --> 01:10:19,679

[Laughter]

1579

01:10:22,709 --> 01:10:21,120

just looking still

1580

01:10:26,070 --> 01:10:22,719

all right this is this is good this

1581

01:10:26,950 --> 01:10:26,080

works yeah you're good yeah

1582

01:10:29,189 --> 01:10:26,960

yep

1583

01:10:31,270 --> 01:10:29,199

i'm sorry it's rookie mistakes man

1584

01:10:33,590 --> 01:10:31,280

oh don't don't worry about it brother i

1585

01:10:35,510 --> 01:10:33,600

can hear you

1586

01:10:37,270 --> 01:10:35,520

before we begin anything i have to do

1587

01:10:39,750 --> 01:10:37,280

something has to be done here something

1588

01:10:41,910 --> 01:10:39,760

has to be done

1589

01:10:43,990 --> 01:10:41,920

no it's out of love it's out of love

1590

01:10:47,270 --> 01:10:44,000

it's an intervention out of love i got

1591

01:10:48,950 --> 01:10:47,280

to do an intervention on you brother

1592

01:10:52,310 --> 01:10:48,960

you're going to have to properly learn

1593

01:10:53,270 --> 01:10:52,320

to pronounce the name jack valet

1594

01:10:56,229 --> 01:10:53,280

jacques

1595

01:11:05,110 --> 01:10:56,239

jack ass forway is not going to fly no

1596

01:11:10,870 --> 01:11:08,950

all right i'm saying it the right way

1597

01:11:19,750 --> 01:11:10,880

for french pronunciation

1598

01:11:24,390 --> 01:11:21,910

yep hey i didn't i didn't make the name

1599

01:11:28,550 --> 01:11:24,400

that's just what it is

1600

01:11:31,990 --> 01:11:30,709

yeah well i appreciate it i'll i'll i'll

1601

01:11:33,830 --> 01:11:32,000

think about it

1602

01:11:34,150 --> 01:11:33,840

i'll just come i'll just call him jack

1603

01:11:36,390 --> 01:11:34,160

val

1604

01:11:37,750 --> 01:11:36,400

[Laughter]

1605

01:11:40,310 --> 01:11:37,760

you don't have to add the extra

1606

01:11:44,870 --> 01:11:42,709

all right you got it jacques valet going

1607

01:11:47,110 --> 01:11:44,880

jack valley just americanized the hell

1608

01:11:48,010 --> 01:11:47,120

out of it jack jack

1609

01:11:50,790 --> 01:11:48,020

jack val

1610

01:11:52,709 --> 01:11:50,800

[Laughter]

1611

01:11:56,790 --> 01:11:52,719

i think roger that i think you're

1612

01:12:00,870 --> 01:11:57,830

fine

1613

01:12:02,950 --> 01:12:00,880

okay hey robert man that guy robert is

1614

01:12:05,030 --> 01:12:02,960

amazing with his uh

1615

01:12:07,990 --> 01:12:05,040

legitimate research man that guy that

1616

01:12:09,350 --> 01:12:08,000

guy's document now that guy gets into it

1617

01:12:11,830 --> 01:12:09,360

yeah

1618

01:12:13,030 --> 01:12:11,840

and that's like straight up because you

1619

01:12:14,390 --> 01:12:13,040

can use

1620

01:12:16,229 --> 01:12:14,400

you know what the government's produced

1621

01:12:17,590 --> 01:12:16,239

against them

1622

01:12:21,110 --> 01:12:17,600

you know

1623

01:12:23,350 --> 01:12:21,120

man i admire people that get in there

1624

01:12:25,189 --> 01:12:23,360

and actually look at the details you

1625

01:12:27,990 --> 01:12:25,199

know get in there and see that stuff and

1626

01:12:30,229 --> 01:12:28,000

that date in 1948 is important things

1627

01:12:31,510 --> 01:12:30,239

did change suddenly

1628

01:12:33,510 --> 01:12:31,520

um

1629

01:12:35,590 --> 01:12:33,520

but i think you could trace it back even

1630

01:12:37,910 --> 01:12:35,600

right to immediately after roswell

1631

01:12:39,750 --> 01:12:37,920

immediately after roswell the cia is put

1632

01:12:42,149 --> 01:12:39,760

into play is created

1633

01:12:44,310 --> 01:12:42,159

the air force becomes a separate

1634

01:12:46,070 --> 01:12:44,320

uh branch of the military breaks away

1635

01:12:48,229 --> 01:12:46,080

from the army although i'm sure that was

1636

01:12:50,709 --> 01:12:48,239

planned before as well but that yeah

1637

01:12:53,910 --> 01:12:50,719

that's the around the the national

1638

01:12:54,790 --> 01:12:53,920

security act that's 47 right right yeah

1639

01:12:55,990 --> 01:12:54,800

yeah

1640

01:12:58,310 --> 01:12:56,000

and um

1641

01:13:00,390 --> 01:12:58,320

but there are these dates now we have to

1642

01:13:03,510 --> 01:13:00,400

find the date the exact date can be

1643

01:13:05,750 --> 01:13:03,520

found for when supposedly eisenhower met

1644

01:13:07,510 --> 01:13:05,760

with the et's at edwards air force base

1645

01:13:09,510 --> 01:13:07,520

that date can be found

1646

01:13:11,990 --> 01:13:09,520

somebody's dropping it's in uh richard

1647

01:13:13,510 --> 01:13:12,000

dolan's book well look the president is

1648

01:13:15,990 --> 01:13:13,520

you know everything he does every day

1649

01:13:17,510 --> 01:13:16,000

his itinerary is public we know what

1650

01:13:20,149 --> 01:13:17,520

he's doing for that day even if it's a

1651

01:13:22,390 --> 01:13:20,159

day off they'll say he took a day off

1652

01:13:25,270 --> 01:13:22,400

but he was on a trip to california he

1653

01:13:27,510 --> 01:13:25,280

had a an engagement in san diego and

1654

01:13:28,950 --> 01:13:27,520

suddenly they called it off for a dental

1655

01:13:31,430 --> 01:13:28,960

emergency

1656

01:13:33,590 --> 01:13:31,440

and according to gordon cooper at least

1657

01:13:36,390 --> 01:13:33,600

the astronaut gordon cooper there was a

1658

01:13:38,870 --> 01:13:36,400

meeting at edwards air force base where

1659

01:13:42,070 --> 01:13:38,880

again according to gordon cooper

1660

01:13:43,990 --> 01:13:42,080

and a craft landed and the et's met with

1661

01:13:45,270 --> 01:13:44,000

eisenhower

1662

01:13:47,110 --> 01:13:45,280

who knows

1663

01:13:50,630 --> 01:13:47,120

that would be intense it would be

1664

01:13:55,350 --> 01:13:53,510

is eisenhower's public uh library is

1665

01:13:57,910 --> 01:13:55,360

that on the national archives i would

1666

01:13:59,350 --> 01:13:57,920

assume right or no i would think so yeah

1667

01:14:02,149 --> 01:13:59,360

i would think so

1668

01:14:04,630 --> 01:14:02,159

or i don't know where the snoop

1669

01:14:07,189 --> 01:14:04,640

his his uh his granddaughter is um out

1670

01:14:08,870 --> 01:14:07,199

there i've seen her somewhere in ufology

1671

01:14:12,630 --> 01:14:08,880

circles she's out there

1672

01:14:18,390 --> 01:14:12,640

talking about this stuff yeah so cool

1673

01:14:21,990 --> 01:14:20,310

congratulations on this harry reid thing

1674

01:14:24,470 --> 01:14:22,000

man and i'd love to join you tomorrow

1675

01:14:27,270 --> 01:14:24,480

and i may be able to do it if it goes

1676

01:14:29,189 --> 01:14:27,280

down on time i could probably do it i'm

1677

01:14:31,430 --> 01:14:29,199

going to be cutting my train close

1678

01:14:33,030 --> 01:14:31,440

because i have to go into the city

1679

01:14:34,709 --> 01:14:33,040

yeah don't work don't worry it's just

1680

01:14:36,630 --> 01:14:34,719

going to be me and him for an hour you

1681

01:14:38,390 --> 01:14:36,640

could always watch the

1682

01:14:39,910 --> 01:14:38,400

well i'll rerun

1683

01:14:43,189 --> 01:14:39,920

i'll watch it on the train it's just

1684

01:14:44,709 --> 01:14:43,199

like i don't i can't yeah but uh you

1685

01:14:46,950 --> 01:14:44,719

know you're going to do all right with

1686

01:14:48,229 --> 01:14:46,960

him just i i even i think i emailed you

1687

01:14:50,470 --> 01:14:48,239

some questions last week when i thought

1688

01:14:52,950 --> 01:14:50,480

it was going to be on yeah

1689

01:14:54,390 --> 01:14:52,960

yeah i grabbed a few of those for sure

1690

01:14:57,510 --> 01:14:54,400

yeah i mean though i'm sure you were

1691

01:15:00,550 --> 01:14:57,520

going most of those anyway but um

1692

01:15:03,510 --> 01:15:00,560

yeah ask them if it's possible to

1693

01:15:05,110 --> 01:15:03,520

amend ndas or give temporary on ndas

1694

01:15:07,110 --> 01:15:05,120

that's the thing and that's going why

1695

01:15:09,189 --> 01:15:07,120

they kept that secret for so long that's

1696

01:15:11,270 --> 01:15:09,199

what the only two i would hit him with

1697

01:15:12,870 --> 01:15:11,280

yeah well it's going to be a different

1698

01:15:14,870 --> 01:15:12,880

kind of interview it's not like i'm

1699

01:15:16,229 --> 01:15:14,880

interviewing you or anyone else you know

1700

01:15:19,510 --> 01:15:16,239

there's uh

1701

01:15:22,390 --> 01:15:19,520

an assistant that i have to you know

1702

01:15:25,270 --> 01:15:22,400

yeah no dick jokes with this guy okay

1703

01:15:27,030 --> 01:15:25,280

just straight to it

1704

01:15:29,030 --> 01:15:27,040

yeah yeah

1705

01:15:31,350 --> 01:15:29,040

totally

1706

01:15:33,910 --> 01:15:31,360

well as long as max and vinnie aaron i

1707

01:15:35,430 --> 01:15:33,920

think will be all right

1708

01:15:37,350 --> 01:15:35,440

yeah all right

1709

01:15:39,910 --> 01:15:37,360

yeah i want to show you how influential

1710

01:15:43,270 --> 01:15:39,920

you are to me look what i'm listening to

1711

01:15:45,830 --> 01:15:43,280

uh buddy holly yeah sweetie

1712

01:15:48,630 --> 01:15:45,840

i love buddy holly from lubac lubac

1713

01:15:50,830 --> 01:15:48,640

texas buddy holly yeah we just went over

1714

01:15:53,189 --> 01:15:50,840

that case

1715

01:15:56,870 --> 01:15:53,199

yeah um

1716

01:16:00,709 --> 01:15:58,630

the buddy holly story i did i saw it in

1717

01:16:03,270 --> 01:16:00,719

the movies when i was eight years old

1718

01:16:06,070 --> 01:16:03,280

well well that's that guy's name gary's

1719

01:16:08,390 --> 01:16:06,080

gary busey yeah

1720

01:16:11,189 --> 01:16:08,400

it's a little bit a little bit of a

1721

01:16:12,550 --> 01:16:11,199

brain injury on gary dc yeah

1722

01:16:14,470 --> 01:16:12,560

yeah

1723

01:16:15,750 --> 01:16:14,480

he did well in the movie

1724

01:16:19,910 --> 01:16:15,760

yeah

1725

01:16:23,910 --> 01:16:19,920

these days what what are you at with all

1726

01:16:28,390 --> 01:16:25,830

or thinking about

1727

01:16:30,070 --> 01:16:28,400

what am i thinking about um well i'm

1728

01:16:32,950 --> 01:16:30,080

really still getting kind of acclimated

1729

01:16:34,790 --> 01:16:32,960

to the whole youtube ufo kind of a thing

1730

01:16:37,669 --> 01:16:34,800

and bouncing around from show to show

1731

01:16:39,189 --> 01:16:37,679

and getting engaged in the chats and um

1732

01:16:41,189 --> 01:16:39,199

trying to just

1733

01:16:43,990 --> 01:16:41,199

get in there that's really

1734

01:16:45,430 --> 01:16:44,000

um what i did mostly this weekend

1735

01:16:47,990 --> 01:16:45,440

um

1736

01:16:49,350 --> 01:16:48,000

christina gomez had a hollywood producer

1737

01:16:51,270 --> 01:16:49,360

on last night he's going to be doing a

1738

01:16:53,990 --> 01:16:51,280

show with some pop star

1739

01:16:55,750 --> 01:16:54,000

yeah briefly and um is my buddy zero

1740

01:16:58,149 --> 01:16:55,760

cool still in the chat

1741

01:17:00,950 --> 01:16:58,159

yeah what what i don't want to say we

1742

01:17:03,030 --> 01:17:00,960

tag team there but i uh i expressed some

1743

01:17:04,470 --> 01:17:03,040

dissatisfaction with the hollywood

1744

01:17:05,910 --> 01:17:04,480

establishment

1745

01:17:07,910 --> 01:17:05,920

um

1746

01:17:13,510 --> 01:17:07,920

but all right so here's where i'm at all

1747

01:17:17,590 --> 01:17:15,910

i support her i send her money i watch

1748

01:17:19,270 --> 01:17:17,600

her she's great she's like a little

1749

01:17:20,390 --> 01:17:19,280

sister that goes to college and does the

1750

01:17:22,470 --> 01:17:20,400

right thing

1751

01:17:23,830 --> 01:17:22,480

you know i like christina gomez it's

1752

01:17:25,750 --> 01:17:23,840

just like just this is what i

1753

01:17:26,709 --> 01:17:25,760

disappeared wasn't even her it was just

1754

01:17:29,270 --> 01:17:26,719

the whole

1755

01:17:32,870 --> 01:17:29,280

the concept of bringing hollywood into

1756

01:17:34,709 --> 01:17:32,880

this even deeper at this stage where we

1757

01:17:36,790 --> 01:17:34,719

are with the government finally

1758

01:17:39,669 --> 01:17:36,800

beginning to talk a little bit finally

1759

01:17:41,830 --> 01:17:39,679

opening up the whole culture at large

1760

01:17:45,110 --> 01:17:41,840

starting to accept it as real

1761

01:17:47,270 --> 01:17:45,120

um i'd like to see a little more

1762

01:17:49,430 --> 01:17:47,280

legitimate scientific

1763

01:17:51,270 --> 01:17:49,440

interest from academics from real

1764

01:17:52,630 --> 01:17:51,280

scientists and a little less of the

1765

01:17:54,709 --> 01:17:52,640

hollywood

1766

01:17:56,709 --> 01:17:54,719

uh you know feel-good fakery that

1767

01:17:58,390 --> 01:17:56,719

hollywood brings now

1768

01:17:59,750 --> 01:17:58,400

they're going gonna put a pop star in

1769

01:18:01,830 --> 01:17:59,760

there and they're gonna you know because

1770

01:18:04,390 --> 01:18:01,840

it's eyes on i get it they're exploiting

1771

01:18:06,390 --> 01:18:04,400

for money and eyes on and i get it but

1772

01:18:08,149 --> 01:18:06,400

the argument that we need more people

1773

01:18:09,669 --> 01:18:08,159

involved is not necessarily the right

1774

01:18:12,070 --> 01:18:09,679

argument it's not the wrong argument

1775

01:18:15,189 --> 01:18:12,080

either we need more people involved but

1776

01:18:16,709 --> 01:18:15,199

we need the right people involved we

1777

01:18:18,709 --> 01:18:16,719

need more

1778

01:18:20,630 --> 01:18:18,719

more brett weinstein's less harvey

1779

01:18:22,870 --> 01:18:20,640

weinstein's you know what i mean well

1780

01:18:24,310 --> 01:18:22,880

let me play devil's advocate here so you

1781

01:18:26,470 --> 01:18:24,320

already touched on it a little bit but

1782

01:18:28,229 --> 01:18:26,480

most people will come back to you in

1783

01:18:30,790 --> 01:18:28,239

this community and say

1784

01:18:34,070 --> 01:18:30,800

uh well she's gonna reach such and such

1785

01:18:36,550 --> 01:18:34,080

million people and so of those million

1786

01:18:39,510 --> 01:18:36,560

people this percentage will start

1787

01:18:41,270 --> 01:18:39,520

looking into it for themselves and you

1788

01:18:42,870 --> 01:18:41,280

know take their own route

1789

01:18:44,790 --> 01:18:42,880

it's not it's not a bad thing and i

1790

01:18:47,030 --> 01:18:44,800

bring an old guy

1791

01:18:49,350 --> 01:18:47,040

opinion to it it's just great because

1792

01:18:51,189 --> 01:18:49,360

what if the next stanford stanford

1793

01:18:53,189 --> 01:18:51,199

freedom freedman

1794

01:18:55,030 --> 01:18:53,199

is watching the show and that's what

1795

01:18:58,149 --> 01:18:55,040

sparked them yeah i mean you got a good

1796

01:19:00,070 --> 01:18:58,159

point i mean curtis um kurt jumango at

1797

01:19:01,750 --> 01:19:00,080

the theory of everything had ross on

1798

01:19:02,790 --> 01:19:01,760

ross coldheart on

1799

01:19:05,590 --> 01:19:02,800

to

1800

01:19:06,470 --> 01:19:05,600

over the weekend and that was an amazing

1801

01:19:08,870 --> 01:19:06,480

um

1802

01:19:11,590 --> 01:19:08,880

show and a really really lively vibrate

1803

01:19:13,510 --> 01:19:11,600

chat and that's a show a podcast for

1804

01:19:15,590 --> 01:19:13,520

real brainiacs i mean they're like

1805

01:19:17,270 --> 01:19:15,600

physicists and people in the theory i

1806

01:19:18,310 --> 01:19:17,280

love that guy that's

1807

01:19:19,669 --> 01:19:18,320

that's

1808

01:19:21,510 --> 01:19:19,679

um

1809

01:19:23,669 --> 01:19:21,520

an audience that i would like to see

1810

01:19:25,350 --> 01:19:23,679

much more engaged in the subject matter

1811

01:19:27,430 --> 01:19:25,360

than opposed to let's just bring pop

1812

01:19:28,390 --> 01:19:27,440

stars and disney channel people

1813

01:19:33,590 --> 01:19:28,400

so

1814

01:19:35,990 --> 01:19:33,600

right i don't disagree

1815

01:19:37,590 --> 01:19:36,000

i mean what what i would i think of when

1816

01:19:39,910 --> 01:19:37,600

i think of hollywood getting involved is

1817

01:19:43,510 --> 01:19:39,920

how they ruin everything

1818

01:19:45,669 --> 01:19:43,520

as musicians we know what what you know

1819

01:19:47,430 --> 01:19:45,679

corporations and people have done to the

1820

01:19:53,030 --> 01:19:47,440

music industry which is completely

1821

01:19:56,870 --> 01:19:54,709

this is kind of like i mean you could

1822

01:19:58,470 --> 01:19:56,880

listen this is this is weird right you

1823

01:20:00,229 --> 01:19:58,480

know how i'm like defensive about even

1824

01:20:02,229 --> 01:20:00,239

using the word uap

1825

01:20:03,990 --> 01:20:02,239

it's kind of like this was my thing it's

1826

01:20:05,990 --> 01:20:04,000

kind of like we can relate this to music

1827

01:20:07,669 --> 01:20:06,000

it's like if you're into a band and that

1828

01:20:09,350 --> 01:20:07,679

band's an underground band and they're

1829

01:20:10,709 --> 01:20:09,360

you're banned man you go see them and

1830

01:20:11,990 --> 01:20:10,719

there's three or four hundred people in

1831

01:20:13,110 --> 01:20:12,000

the room and you've been following for

1832

01:20:14,310 --> 01:20:13,120

years and all of a sudden they have a

1833

01:20:15,430 --> 01:20:14,320

hit song

1834

01:20:17,430 --> 01:20:15,440

and now they're playing at madison

1835

01:20:18,950 --> 01:20:17,440

square garden in front of 25 000 people

1836

01:20:20,470 --> 01:20:18,960

and they they don't know anything about

1837

01:20:21,750 --> 01:20:20,480

the band they just knew they liked the

1838

01:20:22,629 --> 01:20:21,760

hit song they're here for the one hit

1839

01:20:24,390 --> 01:20:22,639

song

1840

01:20:26,070 --> 01:20:24,400

you know that's kind of how i feel now

1841

01:20:27,669 --> 01:20:26,080

in ufology it's like everybody's here

1842

01:20:30,950 --> 01:20:27,679

for lou elizondo and they don't know

1843

01:20:32,709 --> 01:20:30,960

anything about you know majestic 12.

1844

01:20:34,470 --> 01:20:32,719

i kind of feel the same way like who are

1845

01:20:36,470 --> 01:20:34,480

these posers like everybody just showed

1846

01:20:38,229 --> 01:20:36,480

up but it's it's all that let me say

1847

01:20:39,830 --> 01:20:38,239

this it's a clown yeah and you can't you

1848

01:20:41,669 --> 01:20:39,840

can't blanket statement all those people

1849

01:20:43,430 --> 01:20:41,679

either maybe what you're seeing is that

1850

01:20:45,590 --> 01:20:43,440

but you don't know the whole scope of it

1851
01:20:47,590 --> 01:20:45,600
right because people like me are here

1852
01:20:50,470 --> 01:20:47,600
yeah and i also understand that this is

1853
01:20:52,870 --> 01:20:50,480
a subject that affects all of humanity

1854
01:20:54,310 --> 01:20:52,880
all of it everyone every culture every

1855
01:20:56,229 --> 01:20:54,320
nation every language every

1856
01:20:57,590 --> 01:20:56,239
socio-economic class the guy sleeping

1857
01:20:59,110 --> 01:20:57,600
under the bridge or the guy living in

1858
01:21:01,189 --> 01:20:59,120
the marvel palace

1859
01:21:03,750 --> 01:21:01,199
every human being on earth is affected

1860
01:21:05,030 --> 01:21:03,760
by this so for me to say no you stay out

1861
01:21:07,270 --> 01:21:05,040
of it

1862
01:21:10,149 --> 01:21:07,280
it's kind of just ingest it really

1863
01:21:12,149 --> 01:21:10,159

really is i wish everybody could come on

1864

01:21:14,709 --> 01:21:12,159

and get involved i just

1865

01:21:15,510 --> 01:21:14,719

i'm more i'm more inclined to

1866

01:21:17,590 --> 01:21:15,520

want

1867

01:21:19,110 --> 01:21:17,600

at this stage right now we're finally

1868

01:21:20,550 --> 01:21:19,120

getting recognition we're finally

1869

01:21:23,030 --> 01:21:20,560

getting the

1870

01:21:25,030 --> 01:21:23,040

the scientific establishment is finally

1871

01:21:27,350 --> 01:21:25,040

starting to look at it let's not scare

1872

01:21:29,110 --> 01:21:27,360

them away let's just you know come in

1873

01:21:30,790 --> 01:21:29,120

and look at this stuff for real that's

1874

01:21:33,270 --> 01:21:30,800

not where i stand

1875

01:21:34,870 --> 01:21:33,280

what do you mean by scare them away

1876

01:21:37,350 --> 01:21:34,880

we'll scare them away with more give

1877

01:21:39,750 --> 01:21:37,360

them more reasons to smirk about little

1878

01:21:41,510 --> 01:21:39,760

green men you know the mainstream news

1879

01:21:43,270 --> 01:21:41,520

doesn't take it seriously when they do

1880

01:21:45,669 --> 01:21:43,280

there's always some the weatherman

1881

01:21:48,390 --> 01:21:45,679

cracks a joke about you know little

1882

01:21:51,590 --> 01:21:48,400

green men and tinfoil hats and it's

1883

01:21:54,310 --> 01:21:51,600

almost can't be spoken in public without

1884

01:21:55,990 --> 01:21:54,320

a little joke just to ease into the

1885

01:22:02,470 --> 01:21:56,000

subject

1886

01:22:04,550 --> 01:22:02,480

saucers in the sky this involves the

1887

01:22:06,310 --> 01:22:04,560

government line government cover-ups

1888

01:22:07,350 --> 01:22:06,320

international

1889

01:22:09,350 --> 01:22:07,360

everything

1890

01:22:11,830 --> 01:22:09,360

can you

1891

01:22:14,790 --> 01:22:11,840

i mean i'd i don't think that you should

1892

01:22:17,750 --> 01:22:14,800

have to hold back because the person

1893

01:22:19,910 --> 01:22:17,760

isn't mature enough to

1894

01:22:21,590 --> 01:22:19,920

take in the information right it's not

1895

01:22:22,870 --> 01:22:21,600

my fault that they can't take it

1896

01:22:27,750 --> 01:22:22,880

seriously

1897

01:22:32,149 --> 01:22:30,229

a story that seems a little bizarre or

1898

01:22:34,229 --> 01:22:32,159

maybe there's a little green man in it

1899

01:22:34,950 --> 01:22:34,239

i'm convicted in the story and i believe

1900

01:22:36,629 --> 01:22:34,960

it

1901

01:22:38,390 --> 01:22:36,639

um

1902

01:22:41,669 --> 01:22:38,400

you know it's an experience and the

1903

01:22:43,270 --> 01:22:41,679

experiences the real ones are the real

1904

01:22:44,229 --> 01:22:43,280

part of all of this

1905

01:22:46,629 --> 01:22:44,239

you know

1906

01:22:49,990 --> 01:22:46,639

experiences

1907

01:22:50,870 --> 01:22:50,000

you know

1908

01:22:52,470 --> 01:22:50,880

i mean

1909

01:22:54,629 --> 01:22:52,480

those are the things that change

1910

01:22:56,870 --> 01:22:54,639

people's lives forever and their

1911

01:22:59,270 --> 01:22:56,880

trajectory of their life

1912

01:23:00,470 --> 01:22:59,280

those are things that impact humanity

1913

01:23:02,870 --> 01:23:00,480

and they should not be mocked or

1914

01:23:04,470 --> 01:23:02,880

ridiculed or told that they're crazy or

1915

01:23:06,950 --> 01:23:04,480

held back

1916

01:23:08,709 --> 01:23:06,960

right i know i agree with you 100

1917

01:23:10,390 --> 01:23:08,719

and i just want to stay for the record

1918

01:23:12,390 --> 01:23:10,400

you know the more the merrier it's going

1919

01:23:14,390 --> 01:23:12,400

to happen you know it's going to happen

1920

01:23:16,310 --> 01:23:14,400

i'm not advocating for anybody really

1921

01:23:18,070 --> 01:23:16,320

staying away

1922

01:23:19,830 --> 01:23:18,080

you can't right it's out of our control

1923

01:23:21,910 --> 01:23:19,840

anyway

1924

01:23:23,430 --> 01:23:21,920

i said it affects every human being on

1925

01:23:25,270 --> 01:23:23,440

earth so

1926

01:23:27,750 --> 01:23:25,280

i will just i want to see more brett

1927

01:23:29,189 --> 01:23:27,760

weinstein's unless harvey weinstein's

1928

01:23:32,950 --> 01:23:29,199

you know to put it into a catchy

1929

01:23:35,430 --> 01:23:32,960

catchphrase you know what i mean

1930

01:23:37,350 --> 01:23:35,440

the more real deal stuff but uh you

1931

01:23:40,310 --> 01:23:37,360

could say the more

1932

01:23:42,950 --> 01:23:40,320

pop people like uh demi lovato do this

1933

01:23:44,790 --> 01:23:42,960

sort of thing you're gonna

1934

01:23:46,790 --> 01:23:44,800

get more of a catch-all from different

1935

01:23:49,270 --> 01:23:46,800

types of people see i heard

1936

01:23:50,870 --> 01:23:49,280

saw zero cool say something and i'm not

1937

01:23:52,870 --> 01:23:50,880

saying this in the wrong way but he's

1938

01:23:54,709 --> 01:23:52,880

saying um i'm wondering what everything

1939

01:23:57,750 --> 01:23:54,719

real cool says is legit

1940

01:24:00,709 --> 01:23:57,760

demi lovato fans aren't going to push

1941

01:24:03,350 --> 01:24:00,719

legit disclosure see but right there

1942

01:24:05,990 --> 01:24:03,360

you're making a blanket statement on a

1943

01:24:08,070 --> 01:24:06,000

huge group of people it could you know

1944

01:24:10,629 --> 01:24:08,080

there's ceos who probably pop in her

1945

01:24:13,590 --> 01:24:10,639

album once in a while and very smart

1946

01:24:14,629 --> 01:24:13,600

people it's not just young little kids

1947

01:24:16,470 --> 01:24:14,639

you know

1948

01:24:19,030 --> 01:24:16,480

i don't know

1949

01:24:20,870 --> 01:24:19,040

what you're doing is turning on a huge

1950

01:24:23,110 --> 01:24:20,880

tv in front of

1951

01:24:25,910 --> 01:24:23,120

millions of people and when you do that

1952

01:24:27,189 --> 01:24:25,920

people take what they want from it and

1953

01:24:29,830 --> 01:24:27,199

there will be

1954

01:24:32,629 --> 01:24:29,840

people that take

1955

01:24:35,030 --> 01:24:32,639

produce crap from it but there will be

1956

01:24:36,310 --> 01:24:35,040

people that take it and produce great

1957

01:24:38,790 --> 01:24:36,320

stuff from it

1958

01:24:41,189 --> 01:24:38,800

you know so and that's always how it is

1959

01:24:44,470 --> 01:24:41,199

is you get good and bad

1960

01:24:46,310 --> 01:24:44,480

you know yeah and with this we see that

1961

01:24:48,070 --> 01:24:46,320

now on a minute scale

1962

01:24:50,390 --> 01:24:48,080

but if we wanted to get big we have to

1963

01:24:51,430 --> 01:24:50,400

be prepared for that to happen globally

1964

01:24:53,830 --> 01:24:51,440

anyways

1965

01:24:56,550 --> 01:24:53,840

see i'm not necessarily interested in it

1966

01:25:00,070 --> 01:24:56,560

getting big i just want it i want i want

1967

01:25:03,910 --> 01:25:00,080

it to be studied i want to be taken

1968

01:25:04,830 --> 01:25:03,920

seriously um i just want real academics

1969

01:25:06,870 --> 01:25:04,840

to be

1970

01:25:08,950 --> 01:25:06,880

enthusiastic about it's the best

1971

01:25:10,709 --> 01:25:08,960

question that ever faces mankind you

1972

01:25:12,470 --> 01:25:10,719

know are we alone

1973

01:25:14,149 --> 01:25:12,480

for those of us who know the answer is

1974

01:25:17,110 --> 01:25:14,159

you know likely not

1975

01:25:18,870 --> 01:25:17,120

you know yeah and when you ask a normie

1976

01:25:21,590 --> 01:25:18,880

someone who's not interested or not a

1977

01:25:23,030 --> 01:25:21,600

ufo enthusiast if you know i ask on

1978

01:25:24,870 --> 01:25:23,040

occasion i'll ask somebody you know what

1979

01:25:26,790 --> 01:25:24,880

do you think of ufos and they'll give

1980

01:25:28,149 --> 01:25:26,800

you the generic oh there's got to be

1981

01:25:29,830 --> 01:25:28,159

something out there there's got to be

1982

01:25:31,990 --> 01:25:29,840

something out there in the universe it

1983

01:25:33,430 --> 01:25:32,000

has to be we can't be alone but they're

1984

01:25:35,350 --> 01:25:33,440

missing the point it's not what's out

1985

01:25:37,030 --> 01:25:35,360

there it's what's visiting here and i

1986

01:25:38,950 --> 01:25:37,040

want to know what's visiting here and i

1987

01:25:40,390 --> 01:25:38,960

want science to look at what's visiting

1988

01:25:41,750 --> 01:25:40,400

here i want to know

1989

01:25:43,990 --> 01:25:41,760

who's who's

1990

01:25:46,390 --> 01:25:44,000

abducting our people and what are they

1991

01:25:49,350 --> 01:25:46,400

doing and why are they doing it and how

1992

01:25:51,669 --> 01:25:49,360

can we stop it can we stop it is it

1993

01:25:53,030 --> 01:25:51,679

possible these are the big questions

1994

01:25:55,030 --> 01:25:53,040

these are the things that i think we

1995

01:25:57,590 --> 01:25:55,040

need to discuss or i'd like to see

1996

01:25:59,270 --> 01:25:57,600

discussed more and specific answers real

1997

01:26:02,709 --> 01:25:59,280

people with real

1998

01:26:05,030 --> 01:26:02,719

um true academic uh you know credibility

1999

01:26:07,590 --> 01:26:05,040

who have the actual instrumentation to

2000

01:26:11,750 --> 01:26:07,600

record and find these things

2001

01:26:14,790 --> 01:26:11,760

yeah real legit answers um

2002

01:26:15,910 --> 01:26:14,800

you're familiar with uapx and ivylog

2003

01:26:18,310 --> 01:26:15,920

yeah i love it

2004

01:26:20,310 --> 01:26:18,320

um those guys i mean i'm all behind

2005

01:26:23,910 --> 01:26:20,320

those guys going out and finding this

2006

01:26:26,870 --> 01:26:25,350

the government

2007

01:26:28,470 --> 01:26:26,880

it's almost un-american to ask the

2008

01:26:30,709 --> 01:26:28,480

government to do something for you

2009

01:26:33,750 --> 01:26:30,719

although i know a lot of americans do

2010

01:26:35,910 --> 01:26:33,760

that's cool but you know we're supposed

2011

01:26:38,390 --> 01:26:35,920

to be independent of the government go

2012

01:26:40,790 --> 01:26:38,400

out and do your own thing and

2013

01:26:42,790 --> 01:26:40,800

a private group should find this

2014

01:26:44,550 --> 01:26:42,800

private group is more likely to come

2015

01:26:46,870 --> 01:26:44,560

back with a picture say if you get a

2016

01:26:49,830 --> 01:26:46,880

group i agree but the government's

2017

01:26:52,550 --> 01:26:49,840

expanding itself uh massively which

2018

01:26:54,229 --> 01:26:52,560

makes it almost impossible to not you

2019

01:26:57,030 --> 01:26:54,239

know to function without asking for

2020

01:26:58,550 --> 01:26:57,040

things hence the corona virus not to me

2021

01:27:00,950 --> 01:26:58,560

not without getting too political not to

2022

01:27:03,669 --> 01:27:00,960

mention the entire swath of the culture

2023

01:27:05,270 --> 01:27:03,679

that's dependent upon the government um

2024

01:27:06,870 --> 01:27:05,280

yeah it's not their fault though they

2025

01:27:08,870 --> 01:27:06,880

were put in that position

2026

01:27:09,750 --> 01:27:08,880

yeah no well yeah

2027

01:27:13,990 --> 01:27:09,760

yeah

2028

01:27:15,830 --> 01:27:14,000

credit cards i always feel that way like

2029

01:27:17,990 --> 01:27:15,840

it's like they just take advantage of

2030

01:27:20,550 --> 01:27:18,000

young people who don't know any better

2031

01:27:21,990 --> 01:27:20,560

here you're 18. oh here you go go get

2032

01:27:23,910 --> 01:27:22,000

what you want

2033

01:27:25,510 --> 01:27:23,920

what's what's this interest don't

2034

01:27:28,870 --> 01:27:25,520

concern yourself with that just take

2035

01:27:31,030 --> 01:27:28,880

your credit card it's free no yeah

2036

01:27:33,110 --> 01:27:31,040

what's this interest

2037

01:27:34,070 --> 01:27:33,120

what else did i want to mention

2038

01:27:35,110 --> 01:27:34,080

um

2039

01:27:37,350 --> 01:27:35,120

oh dude

2040

01:27:39,750 --> 01:27:37,360

i don't know have you given up hope on

2041

01:27:42,629 --> 01:27:39,760

trying to get angeli

2042

01:27:44,790 --> 01:27:42,639

uh yeah pretty much you have oh i want

2043

01:27:46,709 --> 01:27:44,800

to do it like an open letter invitation

2044

01:27:49,270 --> 01:27:46,719

to jelly and jelly

2045

01:27:52,709 --> 01:27:49,280

please come on the witness citizen show

2046

01:27:54,310 --> 01:27:52,719

with sean please please look at this

2047

01:27:56,229 --> 01:27:54,320

come on

2048

01:27:58,550 --> 01:27:56,239

send her a message or something i did

2049

01:27:59,350 --> 01:27:58,560

she didn't respond senator sender this

2050

01:28:01,510 --> 01:27:59,360

this

2051

01:28:03,750 --> 01:28:01,520

open let open letter anjoy open letter

2052

01:28:06,390 --> 01:28:03,760

to angelic not really

2053

01:28:08,149 --> 01:28:06,400

what would you want to hear from her

2054

01:28:11,990 --> 01:28:08,159

first of all

2055

01:28:14,229 --> 01:28:12,000

not much more in regards to

2056

01:28:16,470 --> 01:28:14,239

her promise all right what she said

2057

01:28:18,709 --> 01:28:16,480

she's gonna do with the contact down the

2058

01:28:21,430 --> 01:28:18,719

tunnel i wouldn't even press her on that

2059

01:28:23,270 --> 01:28:21,440

i'm curious about angeli herself

2060

01:28:25,110 --> 01:28:23,280

what is she into she's got like this new

2061

01:28:26,870 --> 01:28:25,120

eg kind of a vibe you know like the

2062

01:28:28,550 --> 01:28:26,880

crystal crowd and i don't mean that in a

2063

01:28:30,470 --> 01:28:28,560

derogatory way i don't know much about

2064

01:28:33,510 --> 01:28:30,480

it i had a girlfriend that was all into

2065

01:28:34,950 --> 01:28:33,520

that stuff um you know

2066

01:28:36,870 --> 01:28:34,960

reiki

2067

01:28:39,189 --> 01:28:36,880

and all that stuff and that's all cool

2068

01:28:42,550 --> 01:28:39,199

and i'm curious about her i'm curious

2069

01:28:45,669 --> 01:28:42,560

about how her experiences affected her

2070

01:28:48,709 --> 01:28:45,679

um what did it teach her what does she

2071

01:28:49,910 --> 01:28:48,719

how does she view life now after her

2072

01:28:52,070 --> 01:28:49,920

context

2073

01:28:53,990 --> 01:28:52,080

as opposed to before what has she

2074

01:28:56,070 --> 01:28:54,000

learned what does she have to tell us

2075

01:28:58,470 --> 01:28:56,080

now forget about what's happening i want

2076

01:29:00,470 --> 01:28:58,480

to know this is a person who's

2077

01:29:02,070 --> 01:29:00,480

had these experiences i want to talk to

2078

01:29:04,310 --> 01:29:02,080

experiences

2079

01:29:07,270 --> 01:29:04,320

and with an open mind non-judgmental i

2080

01:29:08,790 --> 01:29:07,280

believe you i believe people are being

2081

01:29:11,030 --> 01:29:08,800

abducted i believe people are being

2082

01:29:13,030 --> 01:29:11,040

contacted i believe there's um

2083

01:29:14,629 --> 01:29:13,040

telepathic communication with et

2084

01:29:16,629 --> 01:29:14,639

civilizations i believe this is

2085

01:29:17,750 --> 01:29:16,639

happening and i want to know

2086

01:29:20,470 --> 01:29:17,760

from her

2087

01:29:22,629 --> 01:29:20,480

to share that experience with us what's

2088

01:29:24,310 --> 01:29:22,639

going on you know

2089

01:29:26,629 --> 01:29:24,320

that's what i want that's what i want to

2090

01:29:30,149 --> 01:29:26,639

know now to counter that wouldn't that

2091

01:29:33,030 --> 01:29:30,159

be one of those things that scares away

2092

01:29:34,790 --> 01:29:33,040

you know scientists or whatever to come

2093

01:29:35,830 --> 01:29:34,800

take it seriously

2094

01:29:36,950 --> 01:29:35,840

yeah

2095

01:29:38,310 --> 01:29:36,960

probably

2096

01:29:39,750 --> 01:29:38,320

yeah but you know what you know what i

2097

01:29:42,790 --> 01:29:39,760

say to that

2098

01:29:45,590 --> 01:29:43,830

so what

2099

01:29:47,590 --> 01:29:45,600

if you like i said always you can't deal

2100

01:29:49,830 --> 01:29:47,600

with the whole story get out and it

2101
01:29:51,510 --> 01:29:49,840
affects everybody dude the guy sleeping

2102
01:29:53,430 --> 01:29:51,520
under the bridge when you drive home and

2103
01:29:57,270 --> 01:29:53,440
the guy living in the marvel palace that

2104
01:30:00,310 --> 01:29:57,280
you drive by that everybody everybody

2105
01:30:02,550 --> 01:30:00,320
doesn't belong to any one group or or

2106
01:30:03,430 --> 01:30:02,560
any one nation or any one culture

2107
01:30:06,470 --> 01:30:03,440
yeah

2108
01:30:08,870 --> 01:30:06,480
you know it really does

2109
01:30:10,790 --> 01:30:08,880
all of us as a species as a family and

2110
01:30:12,790 --> 01:30:10,800
dare i say i don't like to go too mushy

2111
01:30:14,950 --> 01:30:12,800
with the group huggy stuff well what

2112
01:30:16,310 --> 01:30:14,960
would scientists even have to add to the

2113
01:30:17,430 --> 01:30:16,320

picture right now because we already

2114

01:30:19,030 --> 01:30:17,440

know they're real the government's

2115

01:30:21,270 --> 01:30:19,040

already admitted that they're real so

2116

01:30:22,629 --> 01:30:21,280

what what do we we need a scientist to

2117

01:30:24,870 --> 01:30:22,639

tell us how fast they're really going

2118

01:30:27,350 --> 01:30:24,880

okay they're real you know what science

2119

01:30:29,510 --> 01:30:27,360

can tell us what are they where are they

2120

01:30:31,350 --> 01:30:29,520

from what are their motives who's in

2121

01:30:34,070 --> 01:30:31,360

control of those shows how do those

2122

01:30:36,470 --> 01:30:34,080

ships work what are their ships made of

2123

01:30:38,550 --> 01:30:36,480

all that stuff i mean all of it this

2124

01:30:41,430 --> 01:30:38,560

there's the area

2125

01:30:42,950 --> 01:30:41,440

of knowledge that we stand to gain

2126

01:30:45,510 --> 01:30:42,960

the amount of knowledge we stand to gain

2127

01:30:46,709 --> 01:30:45,520

from studying the subject is endless

2128

01:30:49,270 --> 01:30:46,719

endless

2129

01:30:51,270 --> 01:30:49,280

and everybody's every branch of science

2130

01:30:52,390 --> 01:30:51,280

and biologists if they want us to we get

2131

01:30:54,070 --> 01:30:52,400

a body

2132

01:30:56,790 --> 01:30:54,080

we get a crash why don't you let

2133

01:30:58,629 --> 01:30:56,800

biologists and anatomists look at at the

2134

01:31:00,790 --> 01:30:58,639

grace what's going on there what's in

2135

01:31:02,550 --> 01:31:00,800

the gray's brain that allows them to

2136

01:31:04,229 --> 01:31:02,560

have telepathy there's got to be

2137

01:31:06,070 --> 01:31:04,239

something going on in the anatomy and

2138

01:31:08,709 --> 01:31:06,080

the physiology of the

2139

01:31:11,350 --> 01:31:08,719

cranium in that brain that they could

2140

01:31:13,830 --> 01:31:11,360

talk to each other and talk simply by

2141

01:31:15,669 --> 01:31:13,840

staring into the human being's eyes

2142

01:31:17,510 --> 01:31:15,679

yeah you know think that's the

2143

01:31:19,830 --> 01:31:17,520

communication yeah yeah i don't want to

2144

01:31:22,470 --> 01:31:19,840

go too off on on on a weird tangent but

2145

01:31:24,149 --> 01:31:22,480

i've been thinking this has to do with

2146

01:31:26,229 --> 01:31:24,159

the consciousness

2147

01:31:28,629 --> 01:31:26,239

uh component of it

2148

01:31:31,830 --> 01:31:28,639

imagine this you know in the human body

2149

01:31:34,790 --> 01:31:31,840

the only nerve that's exposed to the

2150

01:31:36,950 --> 01:31:34,800

outside the only nerve is the eyeballs

2151
01:31:39,590 --> 01:31:36,960
that's a nerve that's the optic nerve

2152
01:31:41,110 --> 01:31:39,600
connects directly into the brain so i

2153
01:31:43,430 --> 01:31:41,120
think the grays

2154
01:31:45,510 --> 01:31:43,440
have this ability with their eyes to

2155
01:31:47,990 --> 01:31:45,520
connect almost like tuning in a radio

2156
01:31:49,510 --> 01:31:48,000
station they hover in boom and they look

2157
01:31:51,030 --> 01:31:49,520
right into your eyes

2158
01:31:53,510 --> 01:31:51,040
and they're able to

2159
01:31:55,590 --> 01:31:53,520
read your thoughts implant thoughts and

2160
01:31:57,830 --> 01:31:55,600
they're able to even attach themselves

2161
01:32:00,229 --> 01:31:57,840
to connect to the autonomic nervous

2162
01:32:01,270 --> 01:32:00,239
system of a human being and paralyze

2163
01:32:03,350 --> 01:32:01,280

them

2164

01:32:04,709 --> 01:32:03,360

that's an incredible

2165

01:32:07,350 --> 01:32:04,719

technology

2166

01:32:09,270 --> 01:32:07,360

imagine that tip forget about the craft

2167

01:32:11,990 --> 01:32:09,280

and the nuts and bolts of the ship

2168

01:32:13,270 --> 01:32:12,000

imagine if we could figure out a way to

2169

01:32:15,430 --> 01:32:13,280

do that

2170

01:32:18,229 --> 01:32:15,440

imagine if the military can get a hold

2171

01:32:19,830 --> 01:32:18,239

of that dissect its brain see oh okay

2172

01:32:22,070 --> 01:32:19,840

here's the part that controls the

2173

01:32:24,870 --> 01:32:22,080

telepathy and then they manage to make

2174

01:32:26,790 --> 01:32:24,880

like a like a military contact lens and

2175

01:32:29,350 --> 01:32:26,800

you can just look at your enemy and read

2176

01:32:31,430 --> 01:32:29,360

his brain and look paralyzed is it the

2177

01:32:33,510 --> 01:32:31,440

smart glasses what happened to those

2178

01:32:35,189 --> 01:32:33,520

remember that google

2179

01:32:36,310 --> 01:32:35,199

put them on right now here you go do i

2180

01:32:37,910 --> 01:32:36,320

look smart

2181

01:32:39,910 --> 01:32:37,920

no but there was that was a real thing

2182

01:32:41,910 --> 01:32:39,920

where their your smart screen was like

2183

01:32:43,430 --> 01:32:41,920

in your lens or something

2184

01:32:45,030 --> 01:32:43,440

all right whether the computer your

2185

01:32:46,950 --> 01:32:45,040

computer and your phone or on that

2186

01:32:49,910 --> 01:32:46,960

that's not seem distracting that seems a

2187

01:32:51,590 --> 01:32:49,920

little distracting yeah totally awesome

2188

01:32:54,470 --> 01:32:51,600

it's not in the market so probably

2189

01:32:56,229 --> 01:32:54,480

didn't work out

2190

01:32:58,229 --> 01:32:56,239

yeah i was probably in the prototype

2191

01:32:59,669 --> 01:32:58,239

stage

2192

01:33:01,830 --> 01:32:59,679

well that's what we're getting to with

2193

01:33:03,750 --> 01:33:01,840

the nero link and everything

2194

01:33:06,550 --> 01:33:03,760

with the elon musk i'm all for it man

2195

01:33:08,550 --> 01:33:06,560

i'm all for buyer robotics you know

2196

01:33:11,189 --> 01:33:08,560

i'm actually colorblind i would love to

2197

01:33:13,430 --> 01:33:11,199

be able to like oh are you what yeah

2198

01:33:15,030 --> 01:33:13,440

that's common one in ten men but i i

2199

01:33:17,110 --> 01:33:15,040

would love to be on my dad

2200

01:33:19,669 --> 01:33:17,120

some contact lenses and be able to

2201

01:33:23,030 --> 01:33:19,679

actually see color again like real color

2202

01:33:24,709 --> 01:33:23,040

vivid color yeah

2203

01:33:26,149 --> 01:33:24,719

i mean aren't we really just going

2204

01:33:28,709 --> 01:33:26,159

towards uh

2205

01:33:31,110 --> 01:33:28,719

singularity

2206

01:33:33,830 --> 01:33:31,120

maybe i'm not sure i understand any for

2207

01:33:36,070 --> 01:33:33,840

what singularity is it's such a broad

2208

01:33:37,990 --> 01:33:36,080

thing it's like yeah a bit more it's

2209

01:33:41,110 --> 01:33:38,000

like

2210

01:33:43,510 --> 01:33:41,120

more so that's us becoming

2211

01:33:46,709 --> 01:33:43,520

one with technology

2212

01:33:47,750 --> 01:33:46,719

oh in that sense yeah i'm all for it

2213

01:33:51,110 --> 01:33:47,760

do it

2214

01:33:52,790 --> 01:33:51,120

yeah live forever reverse your aging

2215

01:33:53,990 --> 01:33:52,800

jeans i don't i don't know why we don't

2216

01:33:56,709 --> 01:33:54,000

do that why

2217

01:33:58,550 --> 01:33:56,719

think about it at birth we take um take

2218

01:34:00,709 --> 01:33:58,560

the umbilical cord right stick it in the

2219

01:34:02,390 --> 01:34:00,719

jar and whenever you need an organ later

2220

01:34:03,830 --> 01:34:02,400

in life oh looks like your kidneys are

2221

01:34:05,830 --> 01:34:03,840

starting to go and then they just grow

2222

01:34:07,510 --> 01:34:05,840

your new set of kidneys and grow your

2223

01:34:09,350 --> 01:34:07,520

new liver and a new heart and then you

2224

01:34:11,110 --> 01:34:09,360

reach 40 years old and you just put

2225

01:34:14,229 --> 01:34:11,120

everything new and again

2226

01:34:18,390 --> 01:34:15,990

that'll never happen unless we find

2227

01:34:19,830 --> 01:34:18,400

another planet to habitat

2228

01:34:21,990 --> 01:34:19,840

yeah well we're doing a good job of

2229

01:34:23,750 --> 01:34:22,000

destroying this one that's for sure

2230

01:34:26,310 --> 01:34:23,760

right well because there's only so much

2231

01:34:27,750 --> 01:34:26,320

room for for people to just keep living

2232

01:34:29,990 --> 01:34:27,760

right

2233

01:34:30,870 --> 01:34:30,000

yeah i mean it's there's only so many

2234

01:34:33,350 --> 01:34:30,880

it's not

2235

01:34:35,510 --> 01:34:33,360

an endless supermarket we're gonna enter

2236

01:34:36,390 --> 01:34:35,520

the show

2237

01:34:38,149 --> 01:34:36,400

soon

2238

01:34:40,470 --> 01:34:38,159

and you know there's not enough i mean

2239

01:34:42,229 --> 01:34:40,480

even right here dude i mean people

2240

01:34:44,629 --> 01:34:42,239

everyone who lives in the southwest

2241

01:34:47,430 --> 01:34:44,639

united states you know anything west of

2242

01:34:50,310 --> 01:34:47,440

say el paso you're living in the desert

2243

01:34:52,070 --> 01:34:50,320

man all those cities tucson phoenix los

2244

01:34:54,470 --> 01:34:52,080

angeles san diego

2245

01:34:56,629 --> 01:34:54,480

right that's you're in the desert dude

2246

01:34:58,229 --> 01:34:56,639

water has to be brought in it just

2247

01:35:00,950 --> 01:34:58,239

doesn't rain there

2248

01:35:02,149 --> 01:35:00,960

so even water is going to be scarce

2249

01:35:04,709 --> 01:35:02,159

you know

2250

01:35:06,709 --> 01:35:04,719

it's so basic when avi was on the show

2251
01:35:08,709 --> 01:35:06,719
he actually talked about like part of

2252
01:35:11,189 --> 01:35:08,719
his um

2253
01:35:15,669 --> 01:35:11,199
uh motivation is to find another

2254
01:35:19,030 --> 01:35:15,679
habitable planet that we can go to

2255
01:35:20,790 --> 01:35:19,040
and start at you know yeah yeah isn't

2256
01:35:24,390 --> 01:35:20,800
that awesome

2257
01:35:28,550 --> 01:35:26,390
yeah it the strangest part is where he

2258
01:35:30,550 --> 01:35:28,560
comes from harvard right who's the last

2259
01:35:31,270 --> 01:35:30,560
guy that came from harvard that oh my

2260
01:35:32,070 --> 01:35:31,280
god

2261
01:35:33,830 --> 01:35:32,080
yeah

2262
01:35:37,109 --> 01:35:33,840
how different are those two that's one

2263
01:35:39,750 --> 01:35:37,119

thing i would have asked uh avi log um

2264

01:35:42,550 --> 01:35:39,760

what's john mack's reputation like back

2265

01:35:43,990 --> 01:35:42,560

at harvard i mean

2266

01:35:46,149 --> 01:35:44,000

did they talk about him at the water

2267

01:35:48,629 --> 01:35:46,159

cooler you know do they seem to never

2268

01:35:50,550 --> 01:35:48,639

whisper about him i know his his the

2269

01:35:52,070 --> 01:35:50,560

faculty was not happy with what john

2270

01:35:54,470 --> 01:35:52,080

mack was doing

2271

01:35:56,709 --> 01:35:54,480

um some of them were not did you ever

2272

01:35:58,070 --> 01:35:56,719

watch the uh the john mack oprah

2273

01:35:58,870 --> 01:35:58,080

interview

2274

01:35:59,669 --> 01:35:58,880

uh

2275

01:36:01,990 --> 01:35:59,679

yeah

2276

01:36:04,950 --> 01:36:02,000

i'm not an avid oprah fan but i have

2277

01:36:06,149 --> 01:36:04,960

never seen that woman so nervous in my

2278

01:36:08,310 --> 01:36:06,159

life

2279

01:36:10,149 --> 01:36:08,320

she had a look on her face like she was

2280

01:36:11,910 --> 01:36:10,159

just scared

2281

01:36:13,750 --> 01:36:11,920

and that was in the 90s when those shows

2282

01:36:15,830 --> 01:36:13,760

were like those shows were crazy like

2283

01:36:17,590 --> 01:36:15,840

gerald got his freaking nose busted

2284

01:36:20,149 --> 01:36:17,600

there was everything

2285

01:36:23,189 --> 01:36:20,159

anything yeah anything went on talk

2286

01:36:25,270 --> 01:36:23,199

shows in the 90s anything the crazier

2287

01:36:27,830 --> 01:36:25,280

you are the better and oprah goes for

2288

01:36:29,510 --> 01:36:27,840

let's get an alien abductees on and all

2289

01:36:32,470 --> 01:36:29,520

of a sudden there's a professor of

2290

01:36:34,629 --> 01:36:32,480

harvard psychiatry

2291

01:36:36,870 --> 01:36:34,639

she's like oh my god this is not some

2292

01:36:38,709 --> 01:36:36,880

guy you know living in a hut in a

2293

01:36:41,270 --> 01:36:38,719

[h__\h] kentucky this is like a

2294

01:36:43,109 --> 01:36:41,280

harvard professor and that's what no

2295

01:36:45,669 --> 01:36:43,119

offense to kentucky and that's why you

2296

01:36:47,750 --> 01:36:45,679

always see mass uh

2297

01:36:49,590 --> 01:36:47,760

you know mass hysteria mentioned with

2298

01:36:53,590 --> 01:36:49,600

this stuff because you'll have all these

2299

01:36:56,550 --> 01:36:55,189

that's okay everybody needs a little

2300

01:36:59,189 --> 01:36:56,560

opera

2301

01:37:00,629 --> 01:36:59,199

no i mean just scared shitless

2302

01:37:01,750 --> 01:37:00,639

oh nervous

2303

01:37:04,310 --> 01:37:01,760

yeah

2304

01:37:07,189 --> 01:37:04,320

you know it's an interesting thing that

2305

01:37:09,430 --> 01:37:07,199

i think about sometimes where um there

2306

01:37:12,070 --> 01:37:09,440

was a great question posed to lou

2307

01:37:13,590 --> 01:37:12,080

alexander right great question i think

2308

01:37:15,750 --> 01:37:13,600

it was first pressed

2309

01:37:17,109 --> 01:37:15,760

uh on the curt show kurt germongel shout

2310

01:37:20,709 --> 01:37:17,119

out to that guy who was a great

2311

01:37:23,350 --> 01:37:20,719

interview yeah great and um somebody

2312

01:37:25,590 --> 01:37:23,360

asked him what would the world be like

2313

01:37:28,709 --> 01:37:25,600

if we all knew what you knew

2314

01:37:30,950 --> 01:37:28,719

and luke paused and then the first word

2315

01:37:33,350 --> 01:37:30,960

he said was

2316

01:37:37,830 --> 01:37:33,360

somber

2317

01:37:39,990 --> 01:37:37,840

does he mean

2318

01:37:43,109 --> 01:37:40,000

and uh

2319

01:37:44,629 --> 01:37:43,119

i think somber means um

2320

01:37:48,950 --> 01:37:44,639

that

2321

01:37:51,109 --> 01:37:48,960

religions will be basically just

2322

01:37:53,270 --> 01:37:51,119

nullified immediately

2323

01:37:56,149 --> 01:37:53,280

and that perhaps our

2324

01:37:58,310 --> 01:37:56,159

the very dna that we have in our as our

2325

01:38:00,470 --> 01:37:58,320

on our species is basically a hybrid

2326

01:38:02,390 --> 01:38:00,480

species the alien

2327

01:38:04,790 --> 01:38:02,400

species came here

2328

01:38:06,950 --> 01:38:04,800

from our planet be the dimension being

2329

01:38:09,669 --> 01:38:06,960

another planet but came here

2330

01:38:12,550 --> 01:38:09,679

and through a process of hybridization

2331

01:38:14,790 --> 01:38:12,560

took a local primate native to earth

2332

01:38:17,270 --> 01:38:14,800

and added some of their genes to that

2333

01:38:19,270 --> 01:38:17,280

primate and created the homo sapien

2334

01:38:21,350 --> 01:38:19,280

sapien so in this in

2335

01:38:22,550 --> 01:38:21,360

essence we're all

2336

01:38:25,510 --> 01:38:22,560

hybrids

2337

01:38:27,910 --> 01:38:25,520

and we've made up all our gods and all

2338

01:38:30,470 --> 01:38:27,920

of our religions are man-made and all

2339

01:38:31,750 --> 01:38:30,480

your religious leaders are scam artists

2340

01:38:34,229 --> 01:38:31,760

and

2341

01:38:36,149 --> 01:38:34,239

that's what i think meant by somber i'm

2342

01:38:38,229 --> 01:38:36,159

sorry that was deep but

2343

01:38:40,149 --> 01:38:38,239

no think about it how would you react if

2344

01:38:41,830 --> 01:38:40,159

you worship and believe in a god and all

2345

01:38:42,950 --> 01:38:41,840

of a sudden you find out yeah that's not

2346

01:38:46,229 --> 01:38:42,960

true

2347

01:38:48,390 --> 01:38:46,239

so for whatever reason this thought just

2348

01:38:50,709 --> 01:38:48,400

came across me and sometimes

2349

01:38:52,870 --> 01:38:50,719

you know i definitely question these but

2350

01:38:56,070 --> 01:38:52,880

sometimes

2351
01:38:57,430 --> 01:38:56,080
they're little moments of premonition so

2352
01:38:58,390 --> 01:38:57,440
i'm just gonna throw it out there just

2353
01:39:00,390 --> 01:38:58,400
in case

2354
01:39:03,030 --> 01:39:00,400
but um

2355
01:39:05,510 --> 01:39:03,040
what i heard him say was what have we

2356
01:39:10,790 --> 01:39:07,990
right like destroying the planet maybe

2357
01:39:13,030 --> 01:39:10,800
or to each other or to each other i mean

2358
01:39:15,109 --> 01:39:13,040
how many people died in world war ii

2359
01:39:16,470 --> 01:39:15,119
we're basically

2360
01:39:19,030 --> 01:39:16,480
like tribal

2361
01:39:22,070 --> 01:39:19,040
morons killing each other for what

2362
01:39:25,590 --> 01:39:22,080
yeah it's really sad the way the human

2363
01:39:28,310 --> 01:39:25,600

being behaves in some ways we're really

2364

01:39:29,750 --> 01:39:28,320

not enlightened in that sense that you

2365

01:39:31,510 --> 01:39:29,760

know maybe

2366

01:39:32,550 --> 01:39:31,520

they are violent

2367

01:39:35,830 --> 01:39:32,560

and maybe

2368

01:39:38,629 --> 01:39:37,350

what do you mean like this is a prison

2369

01:39:41,910 --> 01:39:38,639

planet like

2370

01:39:43,030 --> 01:39:41,920

no just like with the maybe our nuclear

2371

01:39:46,550 --> 01:39:43,040

stuff

2372

01:39:48,629 --> 01:39:46,560

you know 45 white sands

2373

01:39:51,590 --> 01:39:48,639

you know running around our nuclear

2374

01:39:55,990 --> 01:39:51,600

facilities montana maybe something we

2375

01:39:57,990 --> 01:39:56,000

did brought them here and they are bad

2376

01:39:59,430 --> 01:39:58,000

yeah what are we done well one good way

2377

01:40:02,790 --> 01:39:59,440

to get attention is let off the

2378

01:40:04,229 --> 01:40:02,800

firecracker that is a nuclear bomb

2379

01:40:06,229 --> 01:40:04,239

are you going to listen are you going to

2380

01:40:11,270 --> 01:40:06,239

tell the public if you're responsible

2381

01:40:13,910 --> 01:40:13,030

yeah i hear what you're saying

2382

01:40:14,790 --> 01:40:13,920

right

2383

01:40:17,669 --> 01:40:14,800

now

2384

01:40:19,109 --> 01:40:17,679

you would try to hide that as much as

2385

01:40:21,030 --> 01:40:19,119

you can

2386

01:40:24,070 --> 01:40:21,040

otherwise the people would revolt

2387

01:40:28,070 --> 01:40:26,149

yeah there's many reasons for people to

2388

01:40:29,510 --> 01:40:28,080

revolt if they knew the truth about a

2389

01:40:31,350 --> 01:40:29,520

lot of the government

2390

01:40:33,270 --> 01:40:31,360

right but if they're out here like

2391

01:40:35,350 --> 01:40:33,280

abducting us for all this time and

2392

01:40:37,590 --> 01:40:35,360

everything and it turns out it was their

2393

01:40:38,870 --> 01:40:37,600

fault because they built this nuclear

2394

01:40:40,950 --> 01:40:38,880

[h__\h]

2395

01:40:42,550 --> 01:40:40,960

yeah well they're definitely not happy

2396

01:40:45,189 --> 01:40:42,560

and the et's are definitely not happy

2397

01:40:46,950 --> 01:40:45,199

with our use and of nukes that

2398

01:40:49,430 --> 01:40:46,960

they're definitely curious

2399

01:40:50,629 --> 01:40:49,440

um here's an interesting theory that

2400

01:40:52,229 --> 01:40:50,639

maybe

2401

01:40:53,990 --> 01:40:52,239

um

2402

01:40:55,510 --> 01:40:54,000

they're they're curious because they've

2403

01:40:57,750 --> 01:40:55,520

been visiting earth

2404

01:41:00,629 --> 01:40:57,760

for millions of years we've existed in

2405

01:41:02,790 --> 01:41:00,639

this body this type of about 300 000

2406

01:41:04,310 --> 01:41:02,800

according to the fossil record what if

2407

01:41:06,229 --> 01:41:04,320

they've been visiting for millions and

2408

01:41:09,030 --> 01:41:06,239

millions of years and they're accustomed

2409

01:41:10,790 --> 01:41:09,040

to the cycles of life on earth

2410

01:41:12,629 --> 01:41:10,800

they're familiar with the dinosaurs and

2411

01:41:15,109 --> 01:41:12,639

a mass extinction they're familiar with

2412

01:41:16,790 --> 01:41:15,119

with an ice age and then a natural

2413

01:41:18,950 --> 01:41:16,800

warming they're familiar with the cycles

2414

01:41:20,870 --> 01:41:18,960

of earth and all of a sudden here's this

2415

01:41:23,030 --> 01:41:20,880

species that creates

2416

01:41:24,870 --> 01:41:23,040

a technology that can destroy the entire

2417

01:41:28,149 --> 01:41:24,880

planet just destroy it

2418

01:41:29,910 --> 01:41:28,159

and uh they're not happy with that

2419

01:41:31,270 --> 01:41:29,920

uh you guys are gonna you know destroy

2420

01:41:32,390 --> 01:41:31,280

your own house here we're not going to

2421

01:41:33,990 --> 01:41:32,400

let you do that

2422

01:41:35,910 --> 01:41:34,000

and not even just the planet you're

2423

01:41:38,790 --> 01:41:35,920

starting to destroy

2424

01:41:40,149 --> 01:41:38,800

like your galaxy as i've said before

2425

01:41:41,350 --> 01:41:40,159

like nasa

2426

01:41:42,709 --> 01:41:41,360

uses

2427

01:41:45,350 --> 01:41:42,719

uh

2428

01:41:46,390 --> 01:41:45,360

you know they burn plutonium

2429

01:41:48,709 --> 01:41:46,400

in space

2430

01:41:50,149 --> 01:41:48,719

to keep

2431

01:41:51,590 --> 01:41:50,159

you know for their spaceships and

2432

01:41:52,709 --> 01:41:51,600

everything so like

2433

01:41:56,709 --> 01:41:52,719

that

2434

01:41:59,270 --> 01:41:56,719

radiation so it's not like it's going to

2435

01:42:01,430 --> 01:41:59,280

get radiated i mean i guess yeah

2436

01:42:03,910 --> 01:42:01,440

if we had an efficient and safe way to

2437

01:42:06,229 --> 01:42:03,920

put our radioactive waste into space

2438

01:42:08,790 --> 01:42:06,239

it'd probably be safer for the planet

2439

01:42:10,390 --> 01:42:08,800

right now they're burying it in nevada

2440

01:42:12,550 --> 01:42:10,400

that's not supposed to that's supposed

2441

01:42:14,629 --> 01:42:12,560

to like i have a half-life it's supposed

2442

01:42:15,750 --> 01:42:14,639

to be radioactive for over a million

2443

01:42:17,990 --> 01:42:15,760

years

2444

01:42:20,070 --> 01:42:18,000

yeah where do we put that

2445

01:42:23,189 --> 01:42:20,080

yeah you know what i mean we're this

2446

01:42:24,790 --> 01:42:23,199

byproduct this this this nuclear waste

2447

01:42:26,830 --> 01:42:24,800

where we put that

2448

01:42:29,510 --> 01:42:26,840

if we put it on the moon maybe not a bad

2449

01:42:31,080 --> 01:42:29,520

idea i don't know

2450

01:42:32,390 --> 01:42:31,090

i like doing them

2451

01:42:34,149 --> 01:42:32,400

[Laughter]

2452

01:42:37,189 --> 01:42:34,159

well why haven't we why are there not

2453

01:42:39,109 --> 01:42:37,199

hotels on the moon by now why are there

2454

01:42:40,870 --> 01:42:39,119

not did columbus

2455

01:42:43,189 --> 01:42:40,880

did columbus come to the new world and

2456

01:42:44,709 --> 01:42:43,199

then go back to europe and say uh yeah

2457

01:42:46,550 --> 01:42:44,719

there's something there and then nobody

2458

01:42:48,149 --> 01:42:46,560

came no as soon as columbus went back

2459

01:42:50,629 --> 01:42:48,159

and said there's land there

2460

01:42:52,950 --> 01:42:50,639

everybody started coming you know why

2461

01:42:54,790 --> 01:42:52,960

are we not going back to the moon

2462

01:42:57,430 --> 01:42:54,800

why yeah that's that's interesting

2463

01:42:59,590 --> 01:42:57,440

what's going on bill nelson is talking

2464

01:43:01,830 --> 01:42:59,600

about that again isn't he like and we'll

2465

01:43:03,430 --> 01:43:01,840

go back to the moon or something

2466

01:43:06,870 --> 01:43:03,440

i thought i heard him say that i don't

2467

01:43:08,870 --> 01:43:06,880

know why hasn't like the chinese or or

2468

01:43:10,470 --> 01:43:08,880

didn't russia didn't land on the moon

2469

01:43:11,910 --> 01:43:10,480

did they never put a man on the moon i

2470

01:43:13,910 --> 01:43:11,920

don't know i'm sure

2471

01:43:16,149 --> 01:43:13,920

i don't know they got close but i don't

2472

01:43:18,310 --> 01:43:16,159

think they put anybody there or maybe we

2473

01:43:19,270 --> 01:43:18,320

never got there like the flat earthers

2474

01:43:21,830 --> 01:43:19,280

say

2475

01:43:23,830 --> 01:43:21,840

yeah wow

2476

01:43:25,270 --> 01:43:23,840

you know these compelling arguments to

2477

01:43:26,870 --> 01:43:25,280

say that we've never made we didn't

2478

01:43:28,950 --> 01:43:26,880

really go to the men there was

2479

01:43:30,790 --> 01:43:28,960

compelling yeah i ain't getting into

2480

01:43:32,310 --> 01:43:30,800

that but i mean there is i wouldn't

2481

01:43:35,910 --> 01:43:32,320

touch that i wouldn't touch that with

2482

01:43:37,189 --> 01:43:35,920

bigfoot football yeah

2483

01:43:38,470 --> 01:43:37,199

do you know how to stand on the moon

2484

01:43:39,910 --> 01:43:38,480

without going into it you know where i

2485

01:43:41,669 --> 01:43:39,920

stand on the moon whether

2486

01:43:44,070 --> 01:43:41,679

it depends on whatever documentary i

2487

01:43:46,790 --> 01:43:44,080

watched last if i watch one that says we

2488

01:43:49,830 --> 01:43:46,800

went and we went if our watch says

2489

01:43:50,629 --> 01:43:49,840

we didn't go no that's why i'm so fickle

2490

01:43:57,430 --> 01:43:50,639

on it

2491

01:44:01,910 --> 01:43:59,030

that's that's totally true that's how i

2492

01:44:04,390 --> 01:44:01,920

am with my uh my sports teams like

2493

01:44:06,470 --> 01:44:04,400

however they played in their last game

2494

01:44:09,430 --> 01:44:06,480

they're going all the way or

2495

01:44:11,189 --> 01:44:09,440

they freaking suck

2496

01:44:13,270 --> 01:44:11,199

that's why i stay i stay loyal to the

2497

01:44:15,030 --> 01:44:13,280

sport and not the team like i'm a hockey

2498

01:44:17,030 --> 01:44:15,040

fan and people always say well what team

2499

01:44:19,510 --> 01:44:17,040

and i'm like all of them

2500

01:44:20,950 --> 01:44:19,520

yeah i'll watch any hockey game i don't

2501
01:44:22,310 --> 01:44:20,960
care

2502
01:44:23,910 --> 01:44:22,320
you know

2503
01:44:25,590 --> 01:44:23,920
that's awesome

2504
01:44:26,950 --> 01:44:25,600
all right boss all right can i just

2505
01:44:28,870 --> 01:44:26,960
before i go quick i'm not going to be

2506
01:44:31,030 --> 01:44:28,880
here tomorrow i'm sorry i will watch it

2507
01:44:32,149 --> 01:44:31,040
good luck congratulations on this is a

2508
01:44:34,709 --> 01:44:32,159
big one man you're going to have a lot

2509
01:44:35,990 --> 01:44:34,719
of eyes on do a good job you will yeah i

2510
01:44:37,990 --> 01:44:36,000
will i'll make you guys proud don't let

2511
01:44:40,229 --> 01:44:38,000
them wiggle don't let them wiggle don't

2512
01:44:41,830 --> 01:44:40,239
be rude it's not it's not a

2513
01:44:43,990 --> 01:44:41,840

you know it's not an interrogation it's

2514

01:44:46,310 --> 01:44:44,000

not a homicide case but don't let him

2515

01:44:47,590 --> 01:44:46,320

wiggle yeah no i got he's tired he

2516

01:44:49,590 --> 01:44:47,600

doesn't care he's not getting elected

2517

01:44:51,350 --> 01:44:49,600

he's going to be forthcoming

2518

01:44:54,149 --> 01:44:51,360

right he's going to be what's coming but

2519

01:44:55,990 --> 01:44:54,159

let me give shouts out to zero cool

2520

01:44:59,109 --> 01:44:56,000

me and him tag teams is that poor

2521

01:45:01,430 --> 01:44:59,119

christina gomez sorry honey and robert

2522

01:45:04,310 --> 01:45:01,440

covert and og skywatch and rusty and

2523

01:45:06,950 --> 01:45:04,320

scott and expendable

2524

01:45:09,030 --> 01:45:06,960

all those guys i was at a boxing match

2525

01:45:11,189 --> 01:45:09,040

and a hockey game broke out you know

2526

01:45:13,750 --> 01:45:11,199

yeah we went to a street fight a hockey

2527

01:45:17,750 --> 01:45:13,760

game broke out i had a dream a hamburger

2528

01:45:21,350 --> 01:45:19,750

all right

2529

01:45:23,910 --> 01:45:21,360

yep love you bro good seeing you bye

2530

01:45:26,070 --> 01:45:23,920

i'll see you guys uh later in the week

2531

01:45:28,149 --> 01:45:26,080

all right sounds good man bye guys

2532

01:45:32,229 --> 01:45:28,159

bye

2533

01:45:35,030 --> 01:45:32,239

all right that was awesome as always

2534

01:45:37,189 --> 01:45:35,040

um it was a crazy day wild a lot of

2535

01:45:38,709 --> 01:45:37,199

different stuff we had robert come in we

2536

01:45:39,510 --> 01:45:38,719

had joey come in

2537

01:45:42,950 --> 01:45:39,520

um

2538

01:45:45,430 --> 01:45:42,960

and we talked about some watch committee

2539

01:45:46,149 --> 01:45:45,440

documents which are pretty interesting i

2540

01:45:47,350 --> 01:45:46,159

do

2541

01:45:48,709 --> 01:45:47,360

encourage you guys to look into those

2542

01:45:52,229 --> 01:45:48,719

especially the people that know a lot

2543

01:45:54,070 --> 01:45:52,239

more about this stuff and names in times

2544

01:45:56,470 --> 01:45:54,080

take a look at those and see if they you

2545

01:45:58,709 --> 01:45:56,480

know correlate with anything else

2546

01:46:00,709 --> 01:45:58,719

may be surprised what you find

2547

01:46:02,310 --> 01:46:00,719

um but yeah

2548

01:46:03,510 --> 01:46:02,320

other than that i'm gonna see you

2549

01:46:07,109 --> 01:46:03,520

tomorrow

2550

01:46:08,470 --> 01:46:07,119

for uh what is going to be a great

2551

01:46:11,510 --> 01:46:08,480

episode

2552

01:46:13,350 --> 01:46:11,520

uh with harry reid i'll be joining max

2553

01:46:14,950 --> 01:46:13,360

as the second

2554

01:46:18,070 --> 01:46:14,960

um

2555

01:46:19,910 --> 01:46:18,080

basically ufo show to interview the guy

2556

01:46:21,590 --> 01:46:19,920

so that's awesome

2557

01:46:22,950 --> 01:46:21,600

and i hope you guys join me bring your

2558

01:46:24,229 --> 01:46:22,960

support

2559

01:46:25,750 --> 01:46:24,239

i'll

2560

01:46:27,189 --> 01:46:25,760

i won't have the super chat on or

2561

01:46:29,030 --> 01:46:27,199

anything because i don't want somebody

2562

01:46:31,510 --> 01:46:29,040

to come in and give me a bunch of money

2563

01:46:33,750 --> 01:46:31,520

for a question i can't ask so

2564

01:46:35,350 --> 01:46:33,760

so i'm gonna i'm gonna uh turn that off

2565

01:46:36,149 --> 01:46:35,360

but the live chat will be up of course

2566

01:46:39,350 --> 01:46:36,159

so

2567

01:46:41,109 --> 01:46:39,360

um yeah you guys take care thanks avril

2568

01:46:42,149 --> 01:46:41,119

hope to see you tomorrow

2569

01:46:44,709 --> 01:46:42,159

um

2570

01:46:46,870 --> 01:46:44,719

yeah vapid engaged scott robert

2571

01:46:48,149 --> 01:46:46,880

everybody rusty pack surf psych zero

2572

01:46:49,669 --> 01:46:48,159

cool

2573

01:46:52,310 --> 01:46:49,679

um scott

2574

01:46:56,470 --> 01:46:52,320

thanks again for your support

2575

01:47:00,070 --> 01:46:56,480

um expendable 72

2576

01:47:01,669 --> 01:47:00,080

og skywatch um and then

2577

01:47:05,350 --> 01:47:01,679

i think there was a guy that made a root

2578

01:47:08,709 --> 01:47:05,360

comment but yeah there he is nyt tag

2579

01:47:11,750 --> 01:47:08,719

what's up i'll say hi to you

2580

01:47:14,229 --> 01:47:11,760

benji always always awesome always

2581

01:47:16,070 --> 01:47:14,239

awesome to have you

2582

01:47:18,070 --> 01:47:16,080

and

2583

01:47:20,070 --> 01:47:18,080

i hope i didn't miss anybody

2584

01:47:23,830 --> 01:47:20,080

i miss megan where's megan been at hey

2585

01:47:26,870 --> 01:47:23,840

she's been traveling a lot i guess

2586

01:47:29,350 --> 01:47:26,880

all right uh we'll see you tomorrow guys
