1
00:00:04,870 --> 00:00:03,429
what's up everybody happy friday um

2
00:00:06,470 --> 00:00:04,880
thanks for joining me

3
00:00:08,470 --> 00:00:06,480
we got more of that good stuff on the

4
00:00:10,230 --> 00:00:08,480
way we have

5
00:00:11,669 --> 00:00:10,240
military encounters

6
00:00:14,709 --> 00:00:11,679
what do you know

7
00:00:17,189 --> 00:00:14,719
there happened to be a lot of those

8
00:00:19,429 --> 00:00:17,199
especially back in the 50s so you know i

9
00:00:22,310 --> 00:00:19,439
could really have a show every day based

10
00:00:27,670 --> 00:00:25,750
for probably almost a year

11
00:00:30,390 --> 00:00:27,680
so we'll see i don't know if i got that

12
00:00:31,910 --> 00:00:30,400
kind of energy

13
00:00:34,069 --> 00:00:31,920

uh

14

00:00:36,870 --> 00:00:34,079

but today i put a poll actually on

15

00:00:40,389 --> 00:00:38,229

see

16

00:00:42,229 --> 00:00:40,399

um just gotta put fillers out for if

17

00:00:44,229 --> 00:00:42,239

people are even interested in other

18

00:00:45,430 --> 00:00:44,239

types of stuff like black projects and

19

00:00:48,150 --> 00:00:45,440

stuff like that

20

00:00:49,670 --> 00:00:48,160

um i was doing quite a bit of work in

21

00:00:51,110 --> 00:00:49,680

that realm

22

00:00:52,709 --> 00:00:51,120

um

23

00:00:53,510 --> 00:00:52,719

maybe a month a half ago or two months

24

00:00:55,189 --> 00:00:53,520

ago

25

00:00:56,389 --> 00:00:55,199

so

26

00:00:58,310 --> 00:00:56,399

um i

27

00:01:00,150 --> 00:00:58,320

you know

28

00:01:01,270 --> 00:01:00,160

compiled a lot of documents for that

29

00:01:03,430 --> 00:01:01,280

stuff too

30

00:01:05,590 --> 00:01:03,440

um but that being said i wasn't as

31

00:01:06,870 --> 00:01:05,600

prepared because i really didn't think

32

00:01:08,310 --> 00:01:06,880

you were gonna pick that but i do have

33

00:01:10,230 --> 00:01:08,320

that so we're gonna go

34

00:01:13,830 --> 00:01:10,240

through something pretty interesting as

35

00:01:18,310 --> 00:01:13,840

far as that goes um and then we'll go

36

00:01:19,910 --> 00:01:18,320

straight to the military encounters

37

00:01:21,830 --> 00:01:19,920

so just wanted to say what's up to

38

00:01:23,749 --> 00:01:21,840

everybody for being here megan t my one

39

00:01:25,109 --> 00:01:23,759

and only flying saucer subscriber

40

00:01:26,710 --> 00:01:25,119

appreciate you

41

00:01:27,670 --> 00:01:26,720

you are the best

42

00:01:28,550 --> 00:01:27,680

um

43

00:01:35,830 --> 00:01:28,560

t

44

00:01:38,230 --> 00:01:35,840

uh vapid engage

45

00:01:40,950 --> 00:01:38,240

uh and just

46

00:01:42,310 --> 00:01:40,960

thank you so much for um hopping on with

47

00:01:44,950 --> 00:01:42,320

me today

48

00:01:47,510 --> 00:01:44,960

i really do appreciate that

49

00:01:50,789 --> 00:01:47,520

uh so today is gonna be just you know

50

00:01:52,950 --> 00:01:50,799

like it was the other day informative

51
00:01:57,030 --> 00:01:52,960
you know spaghetti what's up

52
00:02:02,389 --> 00:01:59,749
and what i consider proof

53
00:02:05,190 --> 00:02:02,399
of a very long

54
00:02:09,430 --> 00:02:07,990
you know going back to well 47 earlier

55
00:02:12,229 --> 00:02:09,440
than that i mean i found one document is

56
00:02:14,070 --> 00:02:12,239
45 actually in california

57
00:02:16,070 --> 00:02:14,080
um and then you have the battle of la

58
00:02:18,150 --> 00:02:16,080
all that stuff but i really started my

59
00:02:20,229 --> 00:02:18,160
investigation starting in

60
00:02:22,550 --> 00:02:20,239
47 really with dr lapaz and the green

61
00:02:23,910 --> 00:02:22,560
fireballs but we have moved past that we

62
00:02:25,830 --> 00:02:23,920
have documented that part we have

63
00:02:28,949 --> 00:02:25,840

covered that part the flaps at los

64

00:02:31,350 --> 00:02:28,959

almos and basically all of southwestern

65

00:02:32,949 --> 00:02:31,360

uh united states so you can go back to

66

00:02:35,270 --> 00:02:32,959

previous episodes if you want to catch

67

00:02:39,270 --> 00:02:35,280

up because right now we're in

68

00:02:41,190 --> 00:02:39,280

50s land and 49

69

00:02:42,790 --> 00:02:41,200

what's up stargate

70

00:02:45,190 --> 00:02:42,800

appreciate ya

71

00:02:47,190 --> 00:02:45,200

uh laura thanks for coming

72

00:02:48,790 --> 00:02:47,200

uh it's

73

00:02:50,949 --> 00:02:48,800

in stavron

74

00:02:52,790 --> 00:02:50,959

did i say that right uh thanks for

75

00:02:55,430 --> 00:02:52,800

coming i appreciate you

76
00:02:58,309 --> 00:02:55,440
um anything you could do like the video

77
00:02:59,430 --> 00:02:58,319
if you wind up liking this um subscribe

78
00:03:01,350 --> 00:02:59,440
share it

79
00:03:04,949 --> 00:03:01,360
all that stuff really helps you can be a

80
00:03:07,670 --> 00:03:04,959
member too that's up to you it helps um

81
00:03:10,390 --> 00:03:07,680
but no expectations there um if i get

82
00:03:11,910 --> 00:03:10,400
enough yell i'll definitely provide um

83
00:03:14,630 --> 00:03:11,920
extra content

84
00:03:15,430 --> 00:03:14,640
um so you guys

85
00:03:16,949 --> 00:03:15,440
um

86
00:03:20,070 --> 00:03:16,959
can you know the members can have some

87
00:03:22,229 --> 00:03:20,080
extra content um it would it would never

88
00:03:24,550 --> 00:03:22,239

be like information that only you can

89

00:03:27,190 --> 00:03:24,560

have or anything it would be like

90

00:03:28,149 --> 00:03:27,200

probably music based or odd weird

91

00:03:30,390 --> 00:03:28,159

one-off

92

00:03:31,830 --> 00:03:30,400

documents of like civilian gazette or

93

00:03:34,070 --> 00:03:31,840

something like that

94

00:03:35,750 --> 00:03:34,080

that remain unidentified something like

95

00:03:37,190 --> 00:03:35,760

that you know

96

00:03:39,750 --> 00:03:37,200

but

97

00:03:41,670 --> 00:03:39,760

for all the

98

00:03:43,670 --> 00:03:41,680

um you know good stuff that everybody

99

00:03:46,470 --> 00:03:43,680

needs to know like these

100

00:03:48,630 --> 00:03:46,480

military encounters especially

101
00:03:51,110 --> 00:03:48,640
i would never you know keep that for one

102
00:03:52,949 --> 00:03:51,120
person and not show the other

103
00:03:54,869 --> 00:03:52,959
and that's why we do this so we can get

104
00:03:58,789 --> 00:03:54,879
the word out there

105
00:04:05,429 --> 00:04:00,390
but what you got coming up for us any

106
00:04:09,110 --> 00:04:06,949
about clues or if you're asking about

107
00:04:10,390 --> 00:04:09,120
the project that i'm working on

108
00:04:11,830 --> 00:04:10,400
um

109
00:04:13,589 --> 00:04:11,840
watching this show gives you a clue

110
00:04:15,750 --> 00:04:13,599
every day

111
00:04:18,069 --> 00:04:15,760
you know so

112
00:04:20,629 --> 00:04:18,079
if you're looking at these documents

113
00:04:22,550 --> 00:04:20,639

i'm kind of almost teasing you bit by

114

00:04:25,110 --> 00:04:22,560

bit with what i have only because i can

115

00:04:27,749 --> 00:04:25,120

only do so much at one time so

116

00:04:29,189 --> 00:04:27,759

this is a way for me to review my own

117

00:04:34,790 --> 00:04:29,199

material

118

00:04:37,670 --> 00:04:36,150

yes

119

00:04:39,189 --> 00:04:37,680

so um

120

00:04:40,950 --> 00:04:39,199

but yeah i kind of gave a little bit of

121

00:04:42,629 --> 00:04:40,960

a tease on

122

00:04:44,870 --> 00:04:42,639

actually about like the more well

123

00:04:46,629 --> 00:04:44,880

thought out idea i have

124

00:04:48,950 --> 00:04:46,639

um on the

125

00:04:52,070 --> 00:04:48,960

podcast

126

00:04:54,150 --> 00:04:52,080

that i did with um

127

00:04:56,710 --> 00:04:54,160

uh stranger times today so catch that

128

00:04:57,670 --> 00:04:56,720

that's coming out on sunday

129

00:04:59,670 --> 00:04:57,680

um

130

00:05:01,510 --> 00:04:59,680

but you know things change maybe

131

00:05:03,990 --> 00:05:01,520

sometimes people want to help out things

132

00:05:05,830 --> 00:05:04,000

get bigger who knows

133

00:05:07,430 --> 00:05:05,840

so we can cross our fingers for that

134

00:05:09,749 --> 00:05:07,440

that would be awesome i'm definitely

135

00:05:12,310 --> 00:05:09,759

putting in work so hopefully some

136

00:05:14,629 --> 00:05:12,320

people see that want to jump on board

137

00:05:19,890 --> 00:05:14,639

but yeah with that being said hopefully

138

00:06:13,430 --> 00:05:41,290

[Music]

139

00:06:18,790 --> 00:06:14,950

all right you know that's a cute little

140

00:06:22,390 --> 00:06:18,800

uh video i made here so without further

141

00:06:23,670 --> 00:06:22,400

ado let's get into the first one

142

00:06:26,390 --> 00:06:23,680

so

143

00:06:27,830 --> 00:06:26,400

beautiful details we have air force base

144

00:06:30,550 --> 00:06:27,840

louisiana

145

00:06:32,830 --> 00:06:30,560

dated 9th of december 1949

146

00:06:34,950 --> 00:06:32,840

biloxi mississipp

147

00:06:37,110 --> 00:06:34,960

mississippi um

148

00:06:39,029 --> 00:06:37,120

i haphazardly put these together so if

149

00:06:40,309 --> 00:06:39,039

i'm repeating something

150

00:06:41,350 --> 00:06:40,319

just so you know it's been a busy

151
00:06:43,909 --> 00:06:41,360
morning

152
00:06:46,230 --> 00:06:43,919
good that's a good thing

153
00:06:49,909 --> 00:06:46,240
um a lot of things for me are going

154
00:06:51,670 --> 00:06:49,919
in motion they're moving um as far as

155
00:06:53,990 --> 00:06:51,680
my big project not that kind of stuff so

156
00:06:55,909 --> 00:06:54,000
i was busy kind of doing that but i

157
00:06:59,029 --> 00:06:55,919
still think we're gonna nail it

158
00:07:02,550 --> 00:06:59,039
uh first we're gonna go over these these

159
00:07:04,629 --> 00:07:02,560
uh ufo military encounters and we'll

160
00:07:08,629 --> 00:07:04,639
follow it up i guess what the

161
00:07:10,309 --> 00:07:08,639
with the black project stuff in the a11

162
00:07:11,350 --> 00:07:10,319
which as far as i know

163
00:07:15,749 --> 00:07:11,360

um

164

00:07:17,589 --> 00:07:15,759

people don't think that it actually flew

165

00:07:19,270 --> 00:07:17,599

so i could be wrong there but i'm pretty

166

00:07:20,870 --> 00:07:19,280

sure that's the case

167

00:07:22,629 --> 00:07:20,880

um

168

00:07:24,629 --> 00:07:22,639

and you know you'll find out if that's

169

00:07:26,870 --> 00:07:24,639

true or not i guess but i kind of

170

00:07:27,830 --> 00:07:26,880

already blew that in the subject line

171

00:07:28,830 --> 00:07:27,840

so

172

00:07:32,390 --> 00:07:28,840

anyways

173

00:07:33,830 --> 00:07:32,400

um an ident unidentified aerial object

174

00:07:35,029 --> 00:07:33,840

remember yesterday we were talking about

175

00:07:39,029 --> 00:07:35,039

the different terms that they use

176

00:07:43,189 --> 00:07:39,039

unidentified uh flying object um

177

00:07:45,270 --> 00:07:43,199

unidentified uh phenomenon um

178

00:07:47,029 --> 00:07:45,280

unidentified aerial phenomenon see this

179

00:07:49,510 --> 00:07:47,039

is kind of a mix of both which is weird

180

00:07:50,790 --> 00:07:49,520

and unidentified aerial object

181

00:07:53,909 --> 00:07:50,800

um it was

182

00:07:55,510 --> 00:07:53,919

served 18th of november 1949 we're going

183

00:07:58,629 --> 00:07:55,520

way back

184

00:08:00,869 --> 00:07:58,639

um directly south of the biloxi veterans

185

00:08:06,070 --> 00:08:00,879

hospital

186

00:08:07,670 --> 00:08:06,080

by chief guard james cicero rice

187

00:08:09,430 --> 00:08:07,680

this one i was kind of confused if they

188

00:08:11,990 --> 00:08:09,440

were military or not or if they're

189

00:08:14,309 --> 00:08:12,000

hospital i don't know but you know they

190

00:08:16,230 --> 00:08:14,319

sounded prestigious enough so

191

00:08:18,309 --> 00:08:16,240

we're gonna put that in here

192

00:08:21,110 --> 00:08:18,319

uh james cicero rice

193

00:08:23,270 --> 00:08:21,120

received during um

194

00:08:24,309 --> 00:08:23,280

interviews with a aforementioned persons

195

00:08:27,430 --> 00:08:24,319

on 5th

196

00:08:30,070 --> 00:08:27,440

15th december 1949 guard saint john

197

00:08:31,589 --> 00:08:30,080

first cited the object while

198

00:08:34,630 --> 00:08:31,599

on duty at the hospital may gate

199

00:08:36,149 --> 00:08:34,640

notified his superior

200

00:08:38,709 --> 00:08:36,159

there was only one object at the

201
00:08:41,509 --> 00:08:38,719
distance of 10 miles altitude of object

202
00:08:42,550 --> 00:08:41,519
appeared to be between 2500 and 3000

203
00:08:44,230 --> 00:08:42,560
feet

204
00:08:47,430 --> 00:08:44,240
the object remained in sight for

205
00:08:49,670 --> 00:08:47,440
approximately 25 minutes it was white

206
00:08:51,590 --> 00:08:49,680
and reflected the sunlight

207
00:08:55,110 --> 00:08:51,600
the shape was similar

208
00:08:56,870 --> 00:08:55,120
to a cigar hmm what does that sound like

209
00:08:59,350 --> 00:08:56,880
tic tac perhaps

210
00:09:01,190 --> 00:08:59,360
you know my grandpa actually saw a cigar

211
00:09:03,269 --> 00:09:01,200
he served in world war ii he was in the

212
00:09:04,710 --> 00:09:03,279
navy he didn't see it then saw it back

213
00:09:06,710 --> 00:09:04,720

home

214

00:09:09,269 --> 00:09:06,720

he actually said he saw windows

215

00:09:11,350 --> 00:09:09,279

interesting here uh he's no longer with

216

00:09:13,990 --> 00:09:11,360

us he's a good man he was a cook they

217

00:09:17,509 --> 00:09:14,000

called him cookie

218

00:09:22,150 --> 00:09:19,269

um he stated that the size of the object

219

00:09:24,470 --> 00:09:22,160

appeared to be approximately 200 feet in

220

00:09:27,590 --> 00:09:24,480

length and a proportionate diameter of

221

00:09:29,509 --> 00:09:27,600

that of a cigar of that size

222

00:09:31,910 --> 00:09:29,519

uh the line of fl you know and we also

223

00:09:33,430 --> 00:09:31,920

hear like commander dietrich saying

224

00:09:35,509 --> 00:09:33,440

things like it looked like a large

225

00:09:37,269 --> 00:09:35,519

fuselage without wings well you know

226

00:09:39,430 --> 00:09:37,279

here we go

227

00:09:43,030 --> 00:09:39,440

the day was clear and new clouds were

228

00:09:45,030 --> 00:09:43,040

viewed near this object no clouds

229

00:09:46,630 --> 00:09:45,040

um

230

00:09:51,269 --> 00:09:46,640

the main line of flight was from new

231

00:09:54,389 --> 00:09:51,279

orleans louisiana to mobile alabama

232

00:09:56,949 --> 00:09:54,399

i got a real terrible southern accent

233

00:09:59,269 --> 00:09:56,959

uh no lights of any kind were observed

234

00:10:01,030 --> 00:09:59,279

in connection with the object

235

00:10:03,990 --> 00:10:01,040

oh look at this you know have you ever

236

00:10:05,350 --> 00:10:04,000

heard this before i think we have right

237

00:10:07,670 --> 00:10:05,360

i think we've heard this before the

238

00:10:09,910 --> 00:10:07,680

method of propulsion could not be

239

00:10:14,230 --> 00:10:09,920

determined

240

00:10:17,670 --> 00:10:16,150

of any power or visible evidence of

241

00:10:19,230 --> 00:10:17,680

engine and the method of control could

242

00:10:22,310 --> 00:10:19,240

not be determined the speed was

243

00:10:24,470 --> 00:10:22,320

approximately 50 miles per hour that's

244

00:10:27,590 --> 00:10:24,480

slow and this object was completely

245

00:10:27,880 --> 00:10:27,600

silent in its passage through the air

246

00:10:29,030 --> 00:10:27,890

um

247

00:10:30,630 --> 00:10:29,040

[Music]

248

00:10:32,389 --> 00:10:30,640

i'm sure you guys have all

249

00:10:35,750 --> 00:10:32,399

heard planes

250

00:10:39,670 --> 00:10:37,750

so if it was that it'd probably make

251
00:10:42,310 --> 00:10:39,680
that kind of sound i would think

252
00:10:43,829 --> 00:10:42,320
it finally passed from a site behind the

253
00:10:45,430 --> 00:10:43,839
tree surrounding the area from which the

254
00:10:47,670 --> 00:10:45,440
object was observed after having

255
00:10:53,990 --> 00:10:47,680
remained within view for approximately

256
00:10:58,069 --> 00:10:56,550
interesting it talks about the

257
00:10:59,750 --> 00:10:58,079
people a little bit they worked at the

258
00:11:01,350 --> 00:10:59,760
veterans hospital

259
00:11:03,910 --> 00:11:01,360
all these men in connection with their

260
00:11:06,710 --> 00:11:03,920
assigned duties are trained to observe

261
00:11:08,310 --> 00:11:06,720
and report unusual incidences the

262
00:11:10,230 --> 00:11:08,320
executive officer of the veterans

263
00:11:13,350 --> 00:11:10,240

hospital

264

00:11:15,430 --> 00:11:13,360

sales of war j sacks was interviewed

265

00:11:17,110 --> 00:11:15,440

regarding the reliability of the

266

00:11:19,430 --> 00:11:17,120

observers and i

267

00:11:20,710 --> 00:11:19,440

always see this at the end of these

268

00:11:24,310 --> 00:11:20,720

reports

269

00:11:33,030 --> 00:11:26,470

stated that in his opinion they were

270

00:11:33,040 --> 00:11:36,389

personnel

271

00:11:36,399 --> 00:11:42,069

that all had been employed

272

00:11:47,350 --> 00:11:42,949

so

273

00:11:51,269 --> 00:11:49,430

um

274

00:11:52,550 --> 00:11:51,279

this one's interesting because i believe

275

00:11:54,150 --> 00:11:52,560

it is

276

00:11:55,590 --> 00:11:54,160

national guard right

277

00:11:57,990 --> 00:11:55,600

yeah

278

00:12:00,870 --> 00:11:58,000

oh and we got a chase we got a chase on

279

00:12:06,710 --> 00:12:03,350

so report of unconventional aircraft

280

00:12:11,990 --> 00:12:09,110

you know it's got to be hard to like um

281

00:12:14,870 --> 00:12:12,000

come up with any substantive substantial

282

00:12:16,629 --> 00:12:14,880

um you know idea

283

00:12:18,310 --> 00:12:16,639

of what these things are and doing

284

00:12:19,750 --> 00:12:18,320

research if you're calling it something

285

00:12:22,710 --> 00:12:19,760

different every time unless that's

286

00:12:25,430 --> 00:12:22,720

intentional some people think it is

287

00:12:27,829 --> 00:12:25,440

anyways major babe beatties stevens of

288

00:12:30,790 --> 00:12:27,839

mississippi air national guard said he

289

00:12:33,350 --> 00:12:30,800

chased an unidentified object for 65

290

00:12:36,150 --> 00:12:33,360

miles at 300 miles an hour

291

00:12:38,389 --> 00:12:36,160

oh man but he never got near it

292

00:12:40,870 --> 00:12:38,399

hmm

293

00:12:42,790 --> 00:12:40,880

it didn't have a vapor trail

294

00:12:44,310 --> 00:12:42,800

and it resembled the edge of a bright

295

00:12:48,230 --> 00:12:44,320

tilted plate

296

00:12:52,629 --> 00:12:48,240

bar or flattened out new moon

297

00:12:58,069 --> 00:12:55,829

oh nope there it is

298

00:13:00,069 --> 00:12:58,079

two mechanics

299

00:13:02,710 --> 00:13:00,079

uh watched the light with binoculars and

300

00:13:05,350 --> 00:13:02,720

said it could have been vapor trails

301
00:13:08,310 --> 00:13:05,360
from a b36 oh

302
00:13:13,030 --> 00:13:10,470
maybe it was maybe it wasn't who resides

303
00:13:14,629 --> 00:13:13,040
between jackson clinton and she and

304
00:13:16,949 --> 00:13:14,639
other members of her family saw the

305
00:13:18,389 --> 00:13:16,959
object 4 45 pm

306
00:13:21,990 --> 00:13:18,399
they said it was flying at a very high

307
00:13:25,269 --> 00:13:22,000
altitude and traveling very fast

308
00:13:28,470 --> 00:13:26,710
she could not see the front of the

309
00:13:31,030 --> 00:13:28,480
object but the rear end looked like a

310
00:13:32,949 --> 00:13:31,040
cylinder of flame about five or six feet

311
00:13:34,870 --> 00:13:32,959
long

312
00:13:36,550 --> 00:13:34,880
um she said she called the observation

313
00:13:38,550 --> 00:13:36,560

tower at the jackson air base who

314

00:13:40,389 --> 00:13:38,560

confirmed a report of seeing the strange

315

00:13:43,030 --> 00:13:40,399

object but officials there would not

316

00:13:45,990 --> 00:13:43,040

attempt to identify it

317

00:13:46,000 --> 00:13:50,310

they wouldn't know what it is anyways

318

00:13:55,110 --> 00:13:51,910

next

319

00:13:58,389 --> 00:13:55,120

we're rolling through these today

320

00:14:00,710 --> 00:13:58,399

oh this is a good one um north atlantic

321

00:14:03,590 --> 00:14:00,720

huh wow

322

00:14:06,389 --> 00:14:03,600

we got the broccoli bank line of cattle

323

00:14:13,509 --> 00:14:06,399

calcutta streamers

324

00:14:13,519 --> 00:14:16,550

um

325

00:14:20,310 --> 00:14:18,389

thanks for all the help and becoming

326

00:14:23,590 --> 00:14:20,320

members and you know donating and all

327

00:14:29,110 --> 00:14:25,350

november 8th

328

00:14:33,030 --> 00:14:29,120

here we go 1955 phenomenon witnessed by

329

00:14:36,870 --> 00:14:35,430

at the wheel bright yellow in air

330

00:14:39,910 --> 00:14:36,880

approximately

331

00:14:43,269 --> 00:14:39,920

50 feet high which cast a circular pool

332

00:14:44,790 --> 00:14:43,279

of light on the water interesting

333

00:14:46,150 --> 00:14:44,800

that kind of sounds like the tic tac

334

00:14:49,269 --> 00:14:46,160

thing too doesn't it it approached

335

00:14:53,269 --> 00:14:49,279

vessel 2 within three cables anyone know

336

00:14:58,949 --> 00:14:55,430

i don't know what that means

337

00:14:59,750 --> 00:14:58,959

oh spaghetti new member awesome oh scott

338

00:15:01,590 --> 00:14:59,760

yes

339

00:15:03,829 --> 00:15:01,600

i'll give it back to you i was kind of

340

00:15:05,590 --> 00:15:03,839

um in panic mode trying to make sure i

341

00:15:07,430 --> 00:15:05,600

had enough moderators for the harry reid

342

00:15:09,350 --> 00:15:07,440

thing i must uh

343

00:15:11,350 --> 00:15:09,360

get rid of you

344

00:15:13,110 --> 00:15:11,360

sorry i'll put you back on

345

00:15:14,790 --> 00:15:13,120

it's not the easiest thing to do that's

346

00:15:16,550 --> 00:15:14,800

why i always screwed up

347

00:15:18,470 --> 00:15:16,560

it approached vessel to within three

348

00:15:20,230 --> 00:15:18,480

cables um

349

00:15:21,269 --> 00:15:20,240

from a

350

00:15:23,269 --> 00:15:21,279

i don't know what that's supposed to

351
00:15:26,150 --> 00:15:23,279
mean southerly direction and remain

352
00:15:28,949 --> 00:15:26,160
stationary for 30 seconds

353
00:15:31,990 --> 00:15:28,959
uh contact attempted with

354
00:15:35,990 --> 00:15:33,749
bright light directed at ship and moved

355
00:15:37,829 --> 00:15:36,000
away in a westerly direction no engine

356
00:15:41,670 --> 00:15:37,839
noise detected throughout oh very

357
00:15:43,829 --> 00:15:41,680
interesting november 9 1955

358
00:15:45,749 --> 00:15:43,839
again yellow light observed by third

359
00:15:47,269 --> 00:15:45,759
officer approximately 10 degrees

360
00:15:50,790 --> 00:15:47,279
altitude

361
00:15:54,870 --> 00:15:52,629
forward of star beam i don't know what

362
00:15:56,790 --> 00:15:54,880
that means you'll have to bear with me

363
00:15:58,710 --> 00:15:56,800

on some of this lingo this is definitely

364

00:16:00,790 --> 00:15:58,720

a new kind of document for me

365

00:16:02,550 --> 00:16:00,800

uh light remained visible and stationary

366

00:16:05,110 --> 00:16:02,560

for 15 minutes in this case light was

367

00:16:07,749 --> 00:16:05,120

seen by master for 30 seconds before

368

00:16:10,069 --> 00:16:07,759

disappearing whether in both cases we

369

00:16:13,430 --> 00:16:10,079

see this every time well not every time

370

00:16:15,350 --> 00:16:13,440

but mostly calm fine and clear

371

00:16:20,069 --> 00:16:15,360

with long moderate

372

00:16:20,079 --> 00:16:23,350

interesting

373

00:16:27,829 --> 00:16:25,350

alan dooley's

374

00:16:29,269 --> 00:16:27,839

maybe that's the wrong one

375

00:16:30,870 --> 00:16:29,279

oh okay yeah

376

00:16:32,870 --> 00:16:30,880

so

377

00:16:35,030 --> 00:16:32,880

now we're gonna hit the

378

00:16:42,069 --> 00:16:35,040

man that went really fast

379

00:16:50,870 --> 00:16:44,710

so you see that they i'm not gonna be as

380

00:16:54,470 --> 00:16:52,389

hopefully this is all right one actually

381

00:16:57,990 --> 00:16:54,480

right

382

00:16:59,670 --> 00:16:58,000

oh actually there's ufo stuff

383

00:17:01,189 --> 00:16:59,680

i love these newspaper reports string

384

00:17:03,430 --> 00:17:01,199

two weeks and 75 the string of the

385

00:17:05,669 --> 00:17:03,440

nation's super sensitive nuclear missile

386

00:17:08,069 --> 00:17:05,679

launch sites and bomber bases were

387

00:17:10,549 --> 00:17:08,079

visited by unidentified low-flying and

388

00:17:13,429 --> 00:17:10,559

elusive objects according to the defense

389

00:17:15,669 --> 00:17:13,439

department reports

390

00:17:17,909 --> 00:17:15,679

the sightings made visually and on radar

391

00:17:20,150 --> 00:17:17,919

by aaron ground crews and sabotage alert

392

00:17:22,789 --> 00:17:20,160

forces occurred at installations in

393

00:17:25,029 --> 00:17:22,799

montana we've heard about that one the

394

00:17:28,069 --> 00:17:25,039

others we have not heard of michigan and

395

00:17:30,310 --> 00:17:28,079

maine it led to extensive but

396

00:17:34,390 --> 00:17:30,320

unsuccessful air force attempts to track

397

00:17:34,400 --> 00:17:40,710

in several instances

398

00:17:44,150 --> 00:17:42,470

oh sorry i skipped that one air force

399

00:17:45,830 --> 00:17:44,160

and defense department records variously

400

00:17:47,990 --> 00:17:45,840

describe the objects as helicopters

401
00:17:49,909 --> 00:17:48,000
aircraft unknown

402
00:17:51,909 --> 00:17:49,919
entities

403
00:17:53,190 --> 00:17:51,919
and brightly lit fast-moving vehicles

404
00:17:55,750 --> 00:17:53,200
that hovered

405
00:18:00,710 --> 00:17:55,760
over nuclear weapon storage areas and

406
00:18:04,470 --> 00:18:02,390
in several instances after the base

407
00:18:06,310 --> 00:18:04,480
security had been penetrated the air

408
00:18:08,310 --> 00:18:06,320
force sent fighter planes

409
00:18:11,430 --> 00:18:08,320
and airborne command planes aloft to

410
00:18:13,350 --> 00:18:11,440
carry on the unsuccessful pursuit

411
00:18:20,710 --> 00:18:13,360
the records do not indicate if the

412
00:18:20,720 --> 00:18:24,950
it's pretty good

413
00:18:29,430 --> 00:18:26,789

an air force press officer who deals

414

00:18:31,510 --> 00:18:29,440

with ufo inquiries said he could have no

415

00:18:32,870 --> 00:18:31,520

comment oh

416

00:18:34,070 --> 00:18:32,880

what's new

417

00:18:40,390 --> 00:18:34,080

you know what we don't need your comment

418

00:18:44,710 --> 00:18:42,710

uh oh they put a formal investigation

419

00:18:46,470 --> 00:18:44,720

together that's great

420

00:18:48,470 --> 00:18:46,480

uh yet another air force intelligence

421

00:18:53,029 --> 00:18:48,480

report indicated extensive interest in

422

00:18:55,510 --> 00:18:53,039

the 76 iranian one we know about that

423

00:18:55,520 --> 00:18:59,750

here we got some norad over here

424

00:18:59,760 --> 00:19:03,110

oh look at this

425

00:19:07,430 --> 00:19:05,350

the report uh compiled by american

426
00:19:09,669 --> 00:19:07,440
officials said that the electronic

427
00:19:10,470 --> 00:19:09,679
weapon system of one of the planes went

428
00:19:13,830 --> 00:19:10,480
dead

429
00:19:15,430 --> 00:19:13,840
when its pilot prepared to fire

430
00:19:17,350 --> 00:19:15,440
an aim-9 missile

431
00:19:26,470 --> 00:19:17,360
at a smaller object that appeared to

432
00:19:30,549 --> 00:19:27,909
the plane's electronic equipment

433
00:19:32,070 --> 00:19:30,559
reportedly became operative after they

434
00:19:33,669 --> 00:19:32,080
veered away from the smaller object

435
00:19:38,789 --> 00:19:33,679
which had returned to the larger light

436
00:19:42,390 --> 00:19:40,870
well we're all most of us are familiar

437
00:19:44,710 --> 00:19:42,400
with the iranian one definitely john

438
00:19:47,190 --> 00:19:44,720

greenwald that's his favorite case

439

00:19:49,110 --> 00:19:47,200

uh the information on the 75 and 76

440

00:19:52,549 --> 00:19:49,120

sightings records from the air force in

441

00:19:54,470 --> 00:19:52,559

north american air defense command norad

442

00:19:56,800 --> 00:19:54,480

was turned over to

443

00:19:58,230 --> 00:19:56,810

roberts wright

444

00:20:00,070 --> 00:19:58,240

[Laughter]

445

00:20:02,149 --> 00:20:00,080

ground saucer watch

446

00:20:05,270 --> 00:20:02,159

phoenix based organization that monitors

447

00:20:08,390 --> 00:20:07,350

where's dude here you guys

448

00:20:15,750 --> 00:20:08,400

look at him

449

00:20:20,549 --> 00:20:17,750

um

450

00:20:21,510 --> 00:20:20,559

we can actually go over

451
00:20:23,350 --> 00:20:21,520
here

452
00:20:25,430 --> 00:20:23,360
the tip you said led to information

453
00:20:26,630 --> 00:20:25,440
requests that produce the reports on the

454
00:20:33,430 --> 00:20:26,640
flap

455
00:20:37,029 --> 00:20:35,590
this is interesting too hey

456
00:20:38,549 --> 00:20:37,039
you guys will have to read this one for

457
00:20:40,149 --> 00:20:38,559
yourself

458
00:20:42,630 --> 00:20:40,159
incidents around the missile and bomber

459
00:20:44,950 --> 00:20:42,640
facilities would not have been revealed

460
00:20:46,470 --> 00:20:44,960
had it not been for a leak from the

461
00:20:48,710 --> 00:20:46,480
pentagon source

462
00:20:49,830 --> 00:20:48,720
oh

463
00:20:51,270 --> 00:20:49,840

too bad

464

00:20:52,710 --> 00:20:51,280

maybe you should just be honest and

465

00:20:53,909 --> 00:20:52,720

forthright people wouldn't have to do

466

00:20:56,470 --> 00:20:53,919

that

467

00:20:58,310 --> 00:20:56,480

uh the air force norad data provided

468

00:21:00,549 --> 00:20:58,320

detailed accounts of sightings of

469

00:21:03,990 --> 00:21:00,559

unexplained objects from

470

00:21:06,630 --> 00:21:04,000

loring air force base in maine

471

00:21:09,750 --> 00:21:06,640

wordsmith air force base in michigan

472

00:21:15,990 --> 00:21:09,760

and maelstrom air force base in montana

473

00:21:20,230 --> 00:21:17,990

at those in other missile launch sites

474

00:21:21,830 --> 00:21:20,240

in the northern tier of states military

475

00:21:23,750 --> 00:21:21,840

personnel reported that the objects

476
00:21:26,310 --> 00:21:23,760
hovered over nuclear weapons storage

477
00:21:28,870 --> 00:21:26,320
areas in some cases as low as 10 feet

478
00:21:32,230 --> 00:21:28,880
from the ground

479
00:21:33,909 --> 00:21:32,240
and missile silos before they departed

480
00:21:35,990 --> 00:21:33,919
the reports referred to the objects in

481
00:21:38,710 --> 00:21:36,000
some cases as helicopters although no

482
00:21:40,789 --> 00:21:38,720
witness made a positive identification

483
00:21:43,110 --> 00:21:40,799
the sounds the objects emitted were

484
00:21:45,190 --> 00:21:43,120
described at being similar to helicopter

485
00:21:46,310 --> 00:21:45,200
noise

486
00:21:49,590 --> 00:21:46,320
i'm sure they could catch them if

487
00:21:52,789 --> 00:21:49,600
they're helicopters right

488
00:21:54,470 --> 00:21:52,799

in what such instance on november 7th 75

489

00:21:56,310 --> 00:21:54,480

maelstrom

490

00:21:59,029 --> 00:21:56,320

captain thomas o'brien who had just left

491

00:22:01,110 --> 00:21:59,039

duty as a missile launch officer

492

00:22:05,750 --> 00:22:01,120

said an aircraft resembling a helicopter

493

00:22:09,909 --> 00:22:07,830

and his deputy heard what they thought

494

00:22:11,669 --> 00:22:09,919

was a helicopter rotor over the building

495

00:22:14,070 --> 00:22:11,679

where they were resting the

496

00:22:15,990 --> 00:22:14,080

unidentified deputy looked out the

497

00:22:18,950 --> 00:22:16,000

window and saw the silhouette of a large

498

00:22:20,230 --> 00:22:18,960

aircraft hovering about 10 to

499

00:22:21,669 --> 00:22:20,240

10 to

500

00:22:25,270 --> 00:22:21,679

something

501
00:22:28,549 --> 00:22:26,630
i don't think i was supposed to put that

502
00:22:33,430 --> 00:22:28,559
in this batch but it's still good it's

503
00:22:38,070 --> 00:22:36,070
still a good piece here it is

504
00:22:39,909 --> 00:22:38,080
a 11 baby

505
00:22:45,830 --> 00:22:39,919
look at that thing you can kind of see

506
00:22:49,750 --> 00:22:47,990
no mufan um

507
00:22:51,669 --> 00:22:49,760
apparently you know i don't have any

508
00:22:54,230 --> 00:22:51,679
experience with them but uh they don't

509
00:22:57,029 --> 00:22:54,240
have a good uh reputation right now and

510
00:22:58,630 --> 00:22:57,039
the main reason is

511
00:23:00,230 --> 00:22:58,640
they pirate their information they don't

512
00:23:01,190 --> 00:23:00,240
share with anybody

513
00:23:03,110 --> 00:23:01,200

um

514

00:23:04,710 --> 00:23:03,120

you know one case that invisible night

515

00:23:06,549 --> 00:23:04,720

school is working on now listen to that

516

00:23:10,549 --> 00:23:06,559

you'll get a good take on it

517

00:23:12,390 --> 00:23:10,559

um he covered a 1994 case maybe so it's

518

00:23:13,990 --> 00:23:12,400

a while ago in michigan

519

00:23:15,669 --> 00:23:14,000

um

520

00:23:17,590 --> 00:23:15,679

where the people called mufon they came

521

00:23:18,789 --> 00:23:17,600

out to investigate i think but then

522

00:23:20,230 --> 00:23:18,799

never

523

00:23:22,710 --> 00:23:20,240

you couldn't get a hold of him again

524

00:23:23,909 --> 00:23:22,720

they're just gone

525

00:23:25,510 --> 00:23:23,919

but you'll have to listen to that for

526
00:23:28,230 --> 00:23:25,520
yourself i shared it on my twitter

527
00:23:29,590 --> 00:23:28,240
invisible night

528
00:23:31,510 --> 00:23:29,600
school

529
00:23:34,630 --> 00:23:31,520
great case he has actual audio

530
00:23:37,590 --> 00:23:34,640
recordings of the 911 calls

531
00:23:40,789 --> 00:23:37,600
radar

532
00:23:43,170 --> 00:23:42,789
who should mufon share with uh the

533
00:23:46,789 --> 00:23:43,180
public

534
00:23:47,990 --> 00:23:46,799
[Laughter]

535
00:23:53,730 --> 00:23:48,000
uh

536
00:23:57,590 --> 00:23:54,870
[Music]

537
00:23:59,830 --> 00:23:57,600
yep yeah robert i know that's that's why

538
00:24:02,070 --> 00:23:59,840

i wanted to share this because even

539

00:24:05,269 --> 00:24:02,080

people who knew about the a11 didn't

540

00:24:06,710 --> 00:24:05,279

know that it actually did fly

541

00:24:10,630 --> 00:24:06,720

and it was

542

00:24:15,750 --> 00:24:13,029

interesting

543

00:24:18,070 --> 00:24:15,760

lockheed 11 is a mach 3.5 special

544

00:24:20,789 --> 00:24:18,080

purpose aircraft that has already flown

545

00:24:23,029 --> 00:24:20,799

long-range reconnaissance missions over

546

00:24:24,549 --> 00:24:23,039

communist territory

547

00:24:26,870 --> 00:24:24,559

during operations over the past two

548

00:24:29,830 --> 00:24:26,880

years it has proved its ability to

549

00:24:31,990 --> 00:24:29,840

outfly any air defense system now in

550

00:24:33,990 --> 00:24:32,000

operational use

551
00:24:35,590 --> 00:24:34,000
a11 was originally designed primarily

552
00:24:37,750 --> 00:24:35,600
for long-range reconnaissance and other

553
00:24:39,590 --> 00:24:37,760
clandestine missions at altitudes

554
00:24:41,190 --> 00:24:39,600
exceeding a hundred thousand feet

555
00:24:42,950 --> 00:24:41,200
because of its size range and altitude

556
00:24:46,950 --> 00:24:42,960
performance it is also capable of

557
00:24:47,990 --> 00:24:46,960
specialized precision nuclear strike

558
00:24:51,269 --> 00:24:48,000
missions

559
00:24:54,549 --> 00:24:51,279
and we didn't even know that existed

560
00:24:57,830 --> 00:24:54,559
top defense department officials deny

561
00:25:00,549 --> 00:24:57,840
that it now has such a role

562
00:25:04,310 --> 00:25:00,559
first public disclosure by president

563
00:25:08,310 --> 00:25:07,430

lockheed lockheed other lockheed secrets

564

00:25:10,070 --> 00:25:08,320

sir

565

00:25:13,110 --> 00:25:10,080

it's been tested in sustained flight

566

00:25:15,990 --> 00:25:13,120

speeds greater than 2 000 miles per hour

567

00:25:19,750 --> 00:25:16,000

at altitudes above 70 thousand feet you

568

00:25:21,350 --> 00:25:19,760

think that was maybe identified as a

569

00:25:26,070 --> 00:25:21,360

ufo at some point

570

00:25:32,149 --> 00:25:27,830

if i find something like this i'm going

571

00:25:36,070 --> 00:25:34,149

but no way shape or form is responsible

572

00:25:37,029 --> 00:25:36,080

for all

573

00:25:42,630 --> 00:25:37,039

of them

574

00:25:46,710 --> 00:25:44,789

um designation not a military

575

00:25:49,510 --> 00:25:46,720

identification has been un under

576

00:25:50,390 --> 00:25:49,520

development since 1959.

577

00:25:53,190 --> 00:25:50,400

wow

578

00:25:56,230 --> 00:25:53,200

1959 they were developing that hey mach

579

00:26:00,630 --> 00:25:57,750

in 58

580

00:26:03,190 --> 00:26:00,640

for the u2 successor

581

00:26:05,190 --> 00:26:03,200

with conveyors fort worth boeing north

582

00:26:07,190 --> 00:26:05,200

american as its competitors the a11

583

00:26:09,110 --> 00:26:07,200

development project was heated by

584

00:26:11,510 --> 00:26:09,120

clarence I kelly johnson who designed

585

00:26:13,990 --> 00:26:11,520

the youtube

586

00:26:16,310 --> 00:26:14,000

in the same maximum security area of the

587

00:26:19,190 --> 00:26:16,320

lockheed burbank california plant known

588

00:26:20,549 --> 00:26:19,200

as the skunk works

589

00:26:24,549 --> 00:26:20,559

which it looks like they spelled the

590

00:26:28,230 --> 00:26:24,559

wrong looks like they spelled it skunk

591

00:26:29,909 --> 00:26:28,240

but they know skunk works

592

00:26:31,830 --> 00:26:29,919

so i don't know

593

00:26:34,789 --> 00:26:31,840

oh look at this

594

00:26:36,870 --> 00:26:34,799

first day 11 was trucked in

595

00:26:39,669 --> 00:26:36,880

sub-assemblies from burbank to a secret

596

00:26:41,990 --> 00:26:39,679

nevada base known as the ranch which we

597

00:26:43,830 --> 00:26:42,000

now know is um

598

00:26:52,310 --> 00:26:43,840

area 51

599

00:26:56,630 --> 00:26:54,070

it was assembled flight tested from this

600

00:26:58,870 --> 00:26:56,640

base late in 1961. okay

601
00:27:00,789 --> 00:26:58,880
at least eight a11 aircraft have been

602
00:27:03,029 --> 00:27:00,799
operating from this nevada base during

603
00:27:04,830 --> 00:27:03,039
the past two years total of 50 aircraft

604
00:27:06,549 --> 00:27:04,840
are on order

605
00:27:10,230 --> 00:27:06,559
hmm

606
00:27:16,310 --> 00:27:13,350
reaches its top speed slightly above 70

607
00:27:18,549 --> 00:27:16,320
000 feet retaining speed above mach 2 up

608
00:27:20,389 --> 00:27:18,559
to 100 000 feet

609
00:27:22,389 --> 00:27:20,399
first military aircraft in the world to

610
00:27:24,310 --> 00:27:22,399
achieve sustained mach 3 flight and it

611
00:27:30,630 --> 00:27:24,320
has a range considerably in excess of

612
00:27:33,990 --> 00:27:31,510
the

613
00:27:36,950 --> 00:27:34,000

frame technology

614

00:27:38,950 --> 00:27:36,960

which runs heavily on the x-15

615

00:27:40,630 --> 00:27:38,960

which i believe is a nasa research

616

00:27:43,029 --> 00:27:40,640

aircraft that could be wrong

617

00:27:44,789 --> 00:27:43,039

maybe cia

618

00:27:47,190 --> 00:27:44,799

maybe that was the ox card thing i'm not

619

00:27:49,909 --> 00:27:47,200

sure i can't say

620

00:27:51,909 --> 00:27:49,919

but the x there's a lot of x things yes

621

00:27:55,029 --> 00:27:51,919

okay here we go

622

00:27:56,860 --> 00:27:55,039

which has reached a maximum of 4 104

623

00:27:58,470 --> 00:27:56,870

miles per hour

624

00:27:59,830 --> 00:27:58,480

[Music]

625

00:28:02,630 --> 00:27:59,840

for short periods combined with

626
00:28:05,669 --> 00:28:02,640
lockheed's earlier supersonic experience

627
00:28:08,710 --> 00:28:05,679
with its f-104 mach 2 interceptor

628
00:28:10,149 --> 00:28:08,720
and it's x-17 hypersonic

629
00:28:15,269 --> 00:28:10,159
sure that

630
00:28:20,710 --> 00:28:17,990
right ox card is 8 12 yeah

631
00:28:24,549 --> 00:28:20,720
so there's ox card tag board

632
00:28:26,789 --> 00:28:24,559
um there's so many of them actually

633
00:28:30,630 --> 00:28:26,799
project aqualine i have that that's a

634
00:28:34,389 --> 00:28:32,470
the a11 design

635
00:28:45,110 --> 00:28:34,399
uh like that of the u2 is optimized for

636
00:28:45,120 --> 00:28:50,389
want some more goodies

637
00:28:54,630 --> 00:28:52,470
talking about the x-15 tech how to

638
00:28:57,110 --> 00:28:54,640

extensively end it again

639

00:29:00,549 --> 00:28:57,120

um similar characteristics in the fin

640

00:29:04,549 --> 00:29:00,559

configuration and fuselage bulges

641

00:29:08,630 --> 00:29:07,190

x-15a2 below which is

642

00:29:09,830 --> 00:29:08,640

the rebuilt

643

00:29:12,230 --> 00:29:09,840

wow

644

00:29:17,510 --> 00:29:12,240

look at that thing

645

00:29:17,520 --> 00:29:22,710

that is incredible

646

00:29:22,720 --> 00:29:29,029

absolutely incredible

647

00:29:31,669 --> 00:29:29,870

uh

648

00:29:33,750 --> 00:29:31,679

aqualin

649

00:29:38,830 --> 00:29:33,760

no that's not it robert we're thinking

650

00:29:41,590 --> 00:29:38,840

of something else it's a q u i l i n e i

651
00:29:44,630 --> 00:29:41,600
believe i have like the the whole

652
00:29:49,590 --> 00:29:44,640
project rundown file on that so i'll

653
00:29:54,149 --> 00:29:51,430
here it was just kind of an argument

654
00:29:58,389 --> 00:29:54,159
about differing on the a11 role in

655
00:30:01,750 --> 00:30:00,310
then it kind of goes into discuss

656
00:30:03,590 --> 00:30:01,760
powered by two

657
00:30:06,710 --> 00:30:03,600
turbojets

658
00:30:11,110 --> 00:30:09,350
that's what they used

659
00:30:13,590 --> 00:30:11,120
um then they started actually looking at

660
00:30:17,909 --> 00:30:13,600
the kanada effect even after the flop of

661
00:30:17,919 --> 00:30:21,029
interestingly enough

662
00:30:25,269 --> 00:30:23,269
um and radioisotope engines

663
00:30:27,590 --> 00:30:25,279

which nasa uses right now for their

664

00:30:28,950 --> 00:30:27,600

spacecraft in outer space yes they burn

665

00:30:29,909 --> 00:30:28,960

plutonium

666

00:30:31,830 --> 00:30:29,919

um

667

00:30:35,430 --> 00:30:31,840

it doesn't mean it can go fast but it

668

00:30:36,549 --> 00:30:35,440

can go basically forever out there

669

00:30:38,310 --> 00:30:36,559

but they

670

00:30:39,909 --> 00:30:38,320

i don't know if they've ever used it in

671

00:30:41,350 --> 00:30:39,919

a plane here

672

00:30:48,950 --> 00:30:41,360

but they've definitely thought about it

673

00:30:48,960 --> 00:30:55,269

11 suppliers

674

00:30:55,279 --> 00:30:59,190

right here

675

00:31:03,669 --> 00:31:01,509

mach 3.5 special mission aircraft our

676

have we heard that before exotic

686
00:31:35,350 --> 00:31:33,669
interesting

687

bridgeport brass

688
00:31:47,669 --> 00:31:45,669

oh okay so back to the ufos i believe

689

00:31:50,549 --> 00:31:47,679

oh yes ohio okay so we're in the right

690

00:31:50,559 --> 00:31:54,389

sorry to switch back

691

00:32:02,310 --> 00:31:57,750

but i want to make this impactful

692

00:32:04,389 --> 00:32:02,320

so i'm trying to cram a lot in here um

693

00:32:05,990 --> 00:32:04,399

you know this is funny because um i had

694

00:32:07,830 --> 00:32:06,000

posted something earlier today and

695

00:32:10,310 --> 00:32:07,840

someone said uh talked about wright

696

00:32:12,950 --> 00:32:10,320

patterson right and i was actually at

697

00:32:14,870 --> 00:32:12,960

that time looking at

698

00:32:16,710 --> 00:32:14,880

um these so

699

00:32:19,190 --> 00:32:16,720

so i was like i gotta bring these out

700

00:32:22,149 --> 00:32:19,200

today there's too much synchronicity

701
00:32:26,870 --> 00:32:24,710
here we go

702
00:32:29,029 --> 00:32:26,880
these are my favorite things cited in

703
00:32:31,830 --> 00:32:29,039
unidentified flying object over norwood

704
00:32:35,029 --> 00:32:31,840
ohio object was picked up in a

705
00:32:40,070 --> 00:32:37,269
very interesting

706
00:32:41,909 --> 00:32:40,080
um searchlight has picked up the object

707
00:32:44,310 --> 00:32:41,919
in the searchlight beam on seven

708
00:32:45,590 --> 00:32:44,320
separate occasions at three separate

709
00:32:47,029 --> 00:32:45,600
sites

710
00:32:49,269 --> 00:32:47,039
searchlight beam has always been

711
00:32:50,950 --> 00:32:49,279
vertical and sky conditions have been

712
00:32:53,430 --> 00:32:50,960
practically

713
00:32:56,070 --> 00:32:53,440

the same on each occasion physics

714

00:32:58,070 --> 00:32:56,080

department university of Cincinnati

715

00:33:00,070 --> 00:32:58,080

stated that he considers the object to

716

00:33:07,830 --> 00:33:00,080

an atmospheric phenomenon yeah in three

717

00:33:14,070 --> 00:33:11,460

yes i can't say it wasn't but

718

00:33:17,269 --> 00:33:14,080

[Music]

719

00:33:19,350 --> 00:33:17,279

all right moving on march 8 1950 Dayton

720

00:33:21,909 --> 00:33:19,360

municipal airport

721

00:33:24,549 --> 00:33:21,919

cited a unidentified aerial object on a

722

00:33:26,470 --> 00:33:24,559

bearing of 110 degrees from the control

723

00:33:28,389 --> 00:33:26,480

tower

724

00:33:31,430 --> 00:33:28,399

and approximately 30 degrees above the

725

00:33:33,590 --> 00:33:31,440

horizon object remain in sight from

726
00:33:34,870 --> 00:33:33,600
zero six five zero hours until one

727
00:33:36,470 --> 00:33:34,880
thousand hours

728
00:33:38,470 --> 00:33:36,480
or what do you say

729
00:33:39,830 --> 00:33:38,480
what's the correct way to say that

730
00:33:46,710 --> 00:33:39,840
100

731
00:33:50,830 --> 00:33:48,470
interestingly enough it was seen by at

732
00:33:52,789 --> 00:33:50,840
least 25

733
00:33:55,269 --> 00:33:52,799
persons and

734
00:33:56,149 --> 00:33:55,279
an air national guard pilot who took off

735
00:33:57,909 --> 00:33:56,159
in an

736
00:34:00,630 --> 00:33:57,919
f51

737
00:34:02,310 --> 00:34:00,640
at 0 900 hours in pursuit of the object

738
00:34:06,070 --> 00:34:02,320

indicated that he believed the object to

739

00:34:09,919 --> 00:34:07,750

that was hot back then blaming it on

740

00:34:13,589 --> 00:34:09,929

venus ah that's venus

741

00:34:15,750 --> 00:34:13,599

[Laughter]

742

00:34:18,069 --> 00:34:15,760

maybe sometimes it was actually but uh

743

00:34:21,589 --> 00:34:18,079

it's pretty ridiculous

744

00:34:28,550 --> 00:34:21,599

you ask me like 25 people are confused

745

00:34:32,389 --> 00:34:30,550

uh national guard you vectored somebody

746

00:34:33,990 --> 00:34:32,399

over for a planet venus you don't look

747

00:34:35,190 --> 00:34:34,000

at it first before you send somebody out

748

00:34:37,750 --> 00:34:35,200

there

749

00:34:40,230 --> 00:34:37,760

people call in and yeah we saw it said

750

00:34:43,680 --> 00:34:40,240

somebody right away let's not okay

751
00:34:50,550 --> 00:34:43,690
oh it's venus

752
00:34:55,589 --> 00:34:52,790
and we have it's okay robert i'm looking

753
00:34:57,990 --> 00:34:55,599
at the chat you guys kick ass

754
00:34:59,910 --> 00:34:58,000
sorry i'm just staying focused here

755
00:35:05,270 --> 00:34:59,920
um but i love you guys over there

756
00:35:10,310 --> 00:35:07,990
details chief airport traffic controller

757
00:35:12,069 --> 00:35:10,320
and mr popular guy

758
00:35:14,150 --> 00:35:12,079
officer in charge of the airport weather

759
00:35:16,790 --> 00:35:14,160
station in an interview on 8th of march

760
00:35:19,190 --> 00:35:16,800
1950 stated that they had observed

761
00:35:20,950 --> 00:35:19,200
object from zero 700 hours until it was

762
00:35:23,750 --> 00:35:20,960
obscured by clouds oh we already did

763
00:35:27,670 --> 00:35:25,750

or maybe not but um

764

00:35:33,670 --> 00:35:27,680

they described the object as circular in

765

00:35:39,750 --> 00:35:36,630

121st fighter group ohio national guard

766

00:35:41,430 --> 00:35:39,760

dayton municipal airport

767

00:35:44,470 --> 00:35:41,440

in an interview he said that he had

768

00:35:45,349 --> 00:35:44,480

first sighted the object

769

00:35:48,790 --> 00:35:45,359

at

770

00:35:52,390 --> 00:35:48,800

800 hours 8th of march 1950. colonel

771

00:35:54,550 --> 00:35:52,400

sharper took off in a f-51 aircraft

772

00:35:57,589 --> 00:35:54,560

and pursued the object for approximately

773

00:36:00,310 --> 00:35:57,599

25 minutes he pursued planet venus for

774

00:36:04,550 --> 00:36:00,320

25 minutes everybody

775

00:36:08,230 --> 00:36:06,790

incredible he says it would that guy

776

00:36:09,990 --> 00:36:08,240

said it was venus

777

00:36:14,550 --> 00:36:10,000

and he was up there chasing it for 25

778

00:36:17,430 --> 00:36:16,470

but that kind of goes back to ufo blind

779

00:36:19,190 --> 00:36:17,440

spot

780

00:36:21,430 --> 00:36:19,200

and how people react to things that are

781

00:36:23,030 --> 00:36:21,440

unknown

782

00:36:24,950 --> 00:36:23,040

at this point the object appeared no

783

00:36:26,470 --> 00:36:24,960

near and had not changed in size or

784

00:36:34,710 --> 00:36:26,480

shape

785

00:36:43,190 --> 00:36:36,790

those crazy unidentified planets

786

00:36:47,030 --> 00:36:45,510

um

787

00:36:49,109 --> 00:36:47,040

control tower at patterson air force

788

00:36:50,790 --> 00:36:49,119

base was notified of the object here we

789

00:36:51,990 --> 00:36:50,800

go

790

00:36:53,750 --> 00:36:52,000

didn't hear this one the tower

791

00:36:56,150 --> 00:36:53,760

dispatched two f-80 aircraft to

792

00:36:57,589 --> 00:36:56,160

investigate

793

00:37:00,630 --> 00:36:57,599

they couldn't

794

00:37:02,550 --> 00:37:00,640

locate the object

795

00:37:08,230 --> 00:37:02,560

radar units alerted by patterson tower

796

00:37:13,750 --> 00:37:08,240

one unable to locate the object also

797

00:37:19,950 --> 00:37:15,990

all right

798

00:37:24,150 --> 00:37:21,670

1952

799

00:37:25,670 --> 00:37:24,160

uh special agent george kerry of this

800

00:37:27,750 --> 00:37:25,680

district office

801
00:37:28,790 --> 00:37:27,760
he received a cone fall from a mr

802
00:37:34,150 --> 00:37:28,800
popular

803
00:37:36,390 --> 00:37:34,160
wright-patterson air force base

804
00:37:37,750 --> 00:37:36,400
he advised that he's been watching an

805
00:37:39,109 --> 00:37:37,760
unidentified

806
00:37:41,109 --> 00:37:39,119
unidentifiable

807
00:37:43,030 --> 00:37:41,119
viable object in the sky at about 30

808
00:37:45,829 --> 00:37:43,040
degrees to the east of his residence

809
00:37:47,109 --> 00:37:45,839
near beaver creek schoolhouse route 35

810
00:37:49,349 --> 00:37:47,119
ohio

811
00:37:51,030 --> 00:37:49,359
you watch the object with 8 by 30

812
00:37:56,790 --> 00:37:51,040
binoculars and advised that it remained

813
00:38:00,550 --> 00:37:58,790

at a brilliant red spot in the center it

814

00:38:04,630 --> 00:38:00,560

glowed brilliant red and then turned to

815

00:38:14,150 --> 00:38:08,310

interesting

816

00:38:18,470 --> 00:38:16,069

okay now

817

00:38:20,790 --> 00:38:18,480

this one i was really excited about

818

00:38:24,790 --> 00:38:20,800

and those of you who watch this and know

819

00:38:26,710 --> 00:38:24,800

how i've looked into the watch committee

820

00:38:28,790 --> 00:38:26,720

all you guys

821

00:38:31,109 --> 00:38:28,800

hey

822

00:38:33,030 --> 00:38:31,119

chris and your former radar operator oh

823

00:38:34,470 --> 00:38:33,040

cool

824

00:38:37,829 --> 00:38:34,480

so what are you trying to say that it's

825

00:38:42,230 --> 00:38:40,790

we got to get you in here for uh

826

00:38:44,790 --> 00:38:42,240

you know look at some of these and give

827

00:38:44,800 --> 00:38:51,109

that'd be cool

828

00:38:54,710 --> 00:38:52,950

all right so those you guys who watch

829

00:38:56,870 --> 00:38:54,720

this look at my stuff on the watch

830

00:39:07,750 --> 00:38:56,880

committee i got a really good one here

831

00:39:12,710 --> 00:39:10,390

this directly ties them to

832

00:39:14,710 --> 00:39:12,720

unidentified flying objects remember

833

00:39:17,030 --> 00:39:14,720

again watch committee is mentioned in

834

00:39:19,510 --> 00:39:17,040

the wilson davis documents

835

00:39:21,349 --> 00:39:19,520

it's zodiac slash

836

00:39:25,349 --> 00:39:21,359

watch committee

837

00:39:27,589 --> 00:39:25,359

in those documents this is dated 9th of

838

00:39:29,030 --> 00:39:27,599

june 1952

839

00:39:32,470 --> 00:39:29,040

references made to watch committee

840

00:39:33,510 --> 00:39:32,480

report number 95 dated 25th of may 1952

841

00:39:36,230 --> 00:39:33,520

paragraph

842

00:39:38,790 --> 00:39:36,240

188 of analysis of indication section

843

00:39:41,349 --> 00:39:38,800

above report mentions the existence of

844

00:39:43,190 --> 00:39:41,359

photos of a new type of aircraft taking

845

00:39:45,670 --> 00:39:43,200

its second sighting

846

00:39:47,190 --> 00:39:45,680

request copies of these photos be

847

00:39:50,790 --> 00:39:47,200

furnished

848

00:39:55,510 --> 00:39:50,800

already with reference blah blah blah

849

00:39:59,430 --> 00:39:57,670

number 95 yeah i couldn't

850

00:40:00,550 --> 00:39:59,440

find that one but i only searched for a

851
00:40:04,470 --> 00:40:00,560
little bit

852
00:40:04,480 --> 00:40:09,430
write that down

853
00:40:12,950 --> 00:40:11,430
oh i got this again so i just shared

854
00:40:14,710 --> 00:40:12,960
that frankly because it was the watch

855
00:40:16,069 --> 00:40:14,720
committee and i found a lot more stuff

856
00:40:17,430 --> 00:40:16,079
on the watch committee so if the watch

857
00:40:22,309 --> 00:40:17,440
committee is watching they're probably

858
00:40:26,069 --> 00:40:23,990
i'm getting nervous because of how deep

859
00:40:27,670 --> 00:40:26,079
i'm actually getting on this stuff

860
00:40:30,150 --> 00:40:27,680
um

861
00:40:31,670 --> 00:40:30,160
with that the watch committee okay the

862
00:40:33,510 --> 00:40:31,680
following information pertaining to the

863
00:40:36,630 --> 00:40:33,520

above caption subject

864

00:40:40,710 --> 00:40:36,640

here we go kentucky

865

00:40:44,870 --> 00:40:40,720

fifth district osi 27th of june 1952.

866

00:40:51,510 --> 00:40:47,349

got your witnesses there concerning the

867

00:40:56,950 --> 00:40:54,550

a more national guard

868

00:41:00,230 --> 00:40:56,960

he saw his first flying saucers why did

869

00:41:01,750 --> 00:41:00,240

they cross that out his first

870

00:41:06,150 --> 00:41:01,760

maybe did he take it back okay that

871

00:41:12,550 --> 00:41:10,309

uh depp i wonder if it's johnny depp hmm

872

00:41:16,309 --> 00:41:12,560

so his first flying saucers on the 23rd

873

00:41:18,630 --> 00:41:16,319

june 1952 at approximately 100 hours

874

00:41:22,550 --> 00:41:18,640

sighting took place three miles east of

875

00:41:24,309 --> 00:41:22,560

ownsboro on u.s highway number 60.

876
00:41:26,150 --> 00:41:24,319
he was walking north when he heard a

877
00:41:27,670 --> 00:41:26,160
noise similar to a flight of an aircraft

878
00:41:29,670 --> 00:41:27,680
at high altitude upon looking up and

879
00:41:33,030 --> 00:41:29,680
ahead of the noise he saw two round

880
00:41:35,109 --> 00:41:33,040
objects resembling giant soup bubbles

881
00:41:37,349 --> 00:41:35,119
that reflected the sun in a yellow

882
00:41:39,349 --> 00:41:37,359
lavenderish light

883
00:41:40,790 --> 00:41:39,359
you're proceeding north

884
00:41:42,630 --> 00:41:40,800
flying in trail

885
00:41:44,390 --> 00:41:42,640
one behind the other

886
00:41:45,990 --> 00:41:44,400
and passed out of sight in about five

887
00:41:48,870 --> 00:41:46,000
seconds

888
00:41:51,750 --> 00:41:48,880

estimated the objects were

889

00:41:55,109 --> 00:41:51,760

15 to 20 000 feet altitude sighting took

890

00:41:57,190 --> 00:41:55,119

place on a very bright clear day

891

00:41:58,470 --> 00:41:57,200

johnny depp added that he was

892

00:42:00,710 --> 00:41:58,480

accompanied by

893

00:42:04,470 --> 00:42:00,720

cc friar

894

00:42:08,309 --> 00:42:06,309

and

895

00:42:12,630 --> 00:42:08,319

they don't need to investigate further

896

00:42:12,640 --> 00:42:17,190

this is a cool news article

897

00:42:25,829 --> 00:42:19,349

the saucers keep coming there's

898

00:42:31,030 --> 00:42:28,309

so this is interesting an air force

899

00:42:32,870 --> 00:42:31,040

spokesman said today some 60 reports of

900

00:42:35,910 --> 00:42:32,880

flying saucers have been received during

901
00:42:37,670 --> 00:42:35,920
the past two weeks

902
00:42:39,589 --> 00:42:37,680
you could give no reason for the sudden

903
00:42:40,950 --> 00:42:39,599
increase

904
00:42:43,190 --> 00:42:40,960
rupell

905
00:42:45,589 --> 00:42:43,200
of attic

906
00:42:47,990 --> 00:42:45,599
reports of phantom activity in the sky

907
00:42:54,630 --> 00:42:48,000
were pouring into his office at an

908
00:42:59,910 --> 00:42:57,510
people are seeing unidentified objects

909
00:43:01,990 --> 00:42:59,920
at a rate almost double over the last

910
00:43:04,550 --> 00:43:02,000
year

911
00:43:06,950 --> 00:43:04,560
69 reports in the last two weeks alone

912
00:43:11,270 --> 00:43:06,960
whereas they'd say 60 i don't know

913
00:43:16,390 --> 00:43:14,150

operation sky watch

914

00:43:19,109 --> 00:43:16,400

project officer for operation blue book

915

00:43:21,589 --> 00:43:19,119

operation blue book that's funny the air

916

00:43:23,430 --> 00:43:21,599

force group maybe we should uh search

917

00:43:25,270 --> 00:43:23,440

that operation blue book maybe we'll

918

00:43:27,349 --> 00:43:25,280

find something

919

00:43:29,910 --> 00:43:27,359

the air force group that investigates

920

00:43:31,589 --> 00:43:29,920

unidentified aerial objects well

921

00:43:35,109 --> 00:43:31,599

actually the ones who do the air

922

00:43:36,710 --> 00:43:35,119

material command and osi right

923

00:43:38,710 --> 00:43:36,720

um said there was

924

00:43:39,990 --> 00:43:38,720

no addicted to

925

00:43:42,150 --> 00:43:40,000

there's no connection between the

926

00:43:46,069 --> 00:43:42,160

saucers citing splurge in the recent

927

00:43:49,829 --> 00:43:46,079

inauguration of operation skywatch

928

00:43:52,150 --> 00:43:49,839

by the ground observer corpse

929

00:43:54,150 --> 00:43:52,160

in the reports we're getting in here

930

00:44:01,829 --> 00:43:54,160

kevin rupelo said i see no cutting

931

00:44:05,910 --> 00:44:03,190

there's something flying around our

932

00:44:18,870 --> 00:44:07,510

colonel mcgee said

933

00:44:26,150 --> 00:44:21,430

pretty interesting

934

00:44:28,150 --> 00:44:26,160

yeah that's what they say chris and i

935

00:44:34,550 --> 00:44:28,160

got a better report than blue book where

936

00:44:39,190 --> 00:44:37,270

um and that's by osi

937

00:44:40,069 --> 00:44:39,200

i'll show you that at some point

938

00:44:43,030 --> 00:44:40,079

um

939

00:44:43,040 --> 00:44:47,750

july 27 1952

940

00:44:52,309 --> 00:44:50,550

um in the b25 colonel wademann of the

941

00:44:55,990 --> 00:44:52,319

pentagon

942

00:44:58,309 --> 00:44:56,000

another colonel whose name the captain

943

00:45:00,230 --> 00:44:58,319

did not recall and the crew chief all

944

00:45:05,910 --> 00:45:00,240

these persons observed the lights in

945

00:45:10,790 --> 00:45:07,910

all the officers aboard the b-25 were

946

00:45:16,790 --> 00:45:10,800

pilots and captain kinnison

947

00:45:19,510 --> 00:45:16,800

has over 3 000 hours of flying time

948

00:45:28,390 --> 00:45:19,520

and has had six years service

949

00:45:33,750 --> 00:45:30,390

still don't think there's something

950

00:45:42,790 --> 00:45:33,760

unidentified in our skies

951
00:45:42,800 --> 00:45:49,349
robbins field air force base

952
00:45:52,710 --> 00:45:50,349
ac

953
00:45:54,309 --> 00:45:52,720
668608 um

954
00:46:00,630 --> 00:45:54,319
108

955
00:46:06,069 --> 00:46:02,710
they repo they reported it to the office

956
00:46:08,150 --> 00:46:06,079
on the 24th of july 1952 that on 23rd of

957
00:46:10,470 --> 00:46:08,160
july 1952 while resting awaiting

958
00:46:12,870 --> 00:46:10,480
clearance from lockbourne air force base

959
00:46:14,710 --> 00:46:12,880
ohio to turner air force base georgia

960
00:46:17,510 --> 00:46:14,720
his attention was directed by members of

961
00:46:19,430 --> 00:46:17,520
the operations office lockhorn to aerial

962
00:46:22,630 --> 00:46:19,440
objects located in the vicinity of

963
00:46:24,390 --> 00:46:22,640

lockhorn in columbus

964

00:46:26,470 --> 00:46:24,400

the captain stated that these objects

965

00:46:29,670 --> 00:46:26,480

were easily visible to him and that

966

00:46:30,790 --> 00:46:29,680

there were four in number

967

00:46:32,630 --> 00:46:30,800

uh

968

00:46:34,390 --> 00:46:32,640

the captain further stated that one of

969

00:46:37,430 --> 00:46:34,400

the objects seemed to hover

970

00:46:41,030 --> 00:46:37,440

above the other three objects it was not

971

00:46:45,910 --> 00:46:41,040

visible at all times being hidden

972

00:46:48,950 --> 00:46:47,030

he observed the objects for

973

00:46:50,790 --> 00:46:48,960

approximately 45 minutes and described

974

00:46:52,870 --> 00:46:50,800

them as being round in shape and almost

975

00:46:54,550 --> 00:46:52,880

fluorescent white in color that's

976
00:46:57,990 --> 00:46:54,560
exactly what i saw guys it was

977
00:47:03,109 --> 00:46:58,000
fluorescent white in color

978
00:47:06,230 --> 00:47:04,390
that's awesome

979
00:47:08,069 --> 00:47:06,240
uh he added that he arranged himself so

980
00:47:10,150 --> 00:47:08,079
that he could sight along the top of a

981
00:47:11,589 --> 00:47:10,160
telephone pole at the

982
00:47:15,190 --> 00:47:11,599
at the objects

983
00:47:17,349 --> 00:47:15,200
have any forward motion but seem to be

984
00:47:19,750 --> 00:47:17,359
hovering in one particular area captain

985
00:47:22,230 --> 00:47:19,760
further stated that two f-84 aircraft

986
00:47:24,710 --> 00:47:22,240
were dispatched from lockbourne to try

987
00:47:26,230 --> 00:47:24,720
to observe and identify these objects

988
00:47:28,069 --> 00:47:26,240

and that upon the pilot's return to

989

00:47:31,030 --> 00:47:28,079

operations they reported that they had

990

00:47:33,030 --> 00:47:31,040

obtained an altitude of 43 000 feet were

991

00:47:35,430 --> 00:47:33,040

still unable to identify or approach

992

00:47:37,190 --> 00:47:35,440

these unidentified objects

993

00:47:39,109 --> 00:47:37,200

he further added that weather personnel

994

00:47:46,069 --> 00:47:39,119

from lockhorn set up an observer

995

00:47:49,430 --> 00:47:47,750

the type used in reading leather

996

00:47:52,309 --> 00:47:49,440

balloons and that he personally observed

997

00:47:54,230 --> 00:47:52,319

these objects through the telescope

998

00:47:55,990 --> 00:47:54,240

he continued that with the assistance of

999

00:47:58,549 --> 00:47:56,000

this telescope the object still appeared

1000

00:48:00,950 --> 00:47:58,559

around in shape and white in color

1001
00:48:04,829 --> 00:48:00,960
so it's not your iphone 11 camera doing

1002
00:48:09,270 --> 00:48:07,670
sometimes right because that's what we

1003
00:48:12,069 --> 00:48:09,280
see somebody takes a video something

1004
00:48:14,069 --> 00:48:12,079
like that oh that's what your phone does

1005
00:48:16,950 --> 00:48:14,079
your phone does that

1006
00:48:20,230 --> 00:48:16,960
and sometimes it does yeah

1007
00:48:21,750 --> 00:48:20,240
but sometimes it doesn't

1008
00:48:22,540 --> 00:48:21,760
and if you don't know maybe you should

1009
00:48:24,069 --> 00:48:22,550
talk crap

1010
00:48:26,309 --> 00:48:24,079
[Laughter]

1011
00:48:28,790 --> 00:48:26,319
the only assistance uh the only

1012
00:48:34,230 --> 00:48:28,800
assistance the telescope uh gave was

1013
00:48:37,750 --> 00:48:36,069

further stated that it was reported to

1014

00:48:40,950 --> 00:48:37,760

lockport operations while he was there

1015

00:48:42,950 --> 00:48:40,960

that an observatory in columbus ohio

1016

00:48:44,470 --> 00:48:42,960

through means of triangulation

1017

00:48:47,750 --> 00:48:44,480

had placed the height of these objects

1018

00:48:49,910 --> 00:48:47,760

at 75 000 feet

1019

00:48:52,950 --> 00:48:49,920

he stated that he did not see any vapor

1020

00:48:54,950 --> 00:48:52,960

trails or any glow around the objects

1021

00:48:56,470 --> 00:48:54,960

when asked what he believed the objects

1022

00:48:59,829 --> 00:48:56,480

to be

1023

00:49:03,270 --> 00:49:02,309

all i know is they were round white in

1024

00:49:04,790 --> 00:49:03,280

color

1025

00:49:08,870 --> 00:49:04,800

and approximately

1026
00:49:13,670 --> 00:49:11,270
he's a senior pilot in the united states

1027
00:49:18,230 --> 00:49:13,680
air force

1028
00:49:21,750 --> 00:49:20,390
served on active duty as a pilot for

1029
00:49:22,549 --> 00:49:21,760
approximately

1030
00:49:25,829 --> 00:49:22,559
10

1031
00:49:29,750 --> 00:49:27,990
he's described by his fellow officers as

1032
00:49:32,790 --> 00:49:29,760
being quiet

1033
00:49:37,349 --> 00:49:32,800
very conscientious consciences

1034
00:49:41,190 --> 00:49:39,510
screwed that up and most reliable i'm

1035
00:49:47,910 --> 00:49:41,200
just skipping it that's too much of a

1036
00:49:51,349 --> 00:49:49,750
got to get that blooper reel going i

1037
00:49:53,430 --> 00:49:51,359
remember that one time i said flying

1038
00:49:54,950 --> 00:49:53,440

dicks that was funny we could put that

1039

00:49:58,309 --> 00:49:54,960

in the uh

1040

00:49:59,910 --> 00:49:58,319

in the blooper reel

1041

00:50:02,230 --> 00:49:59,920

that was a funny one

1042

00:50:08,549 --> 00:50:02,240

i saw three flying decks

1043

00:50:17,750 --> 00:50:12,790

well we look down with that one already

1044

00:50:21,109 --> 00:50:19,750

that was pretty good man 50 minutes that

1045

00:50:25,349 --> 00:50:21,119

time flies when you're going through

1046

00:50:25,359 --> 00:50:29,109

so

1047

00:50:32,710 --> 00:50:30,790

you know i'm going to keep bringing this

1048

00:50:35,109 --> 00:50:32,720

proof every day and i'm not trying to

1049

00:50:37,430 --> 00:50:35,119

prove it's this or that or the other i'm

1050

00:50:40,069 --> 00:50:37,440

just trying to prove that it is

1051

00:50:43,030 --> 00:50:40,079

unidentified exists has been around our

1052

00:50:45,750 --> 00:50:43,040

sensitive installations for a very very

1053

00:50:50,710 --> 00:50:48,390

so even if somebody debunks one of the

1054

00:50:53,109 --> 00:50:50,720

videos that comes out who cares man like

1055

00:50:55,750 --> 00:50:53,119

this has been going on

1056

00:50:59,510 --> 00:50:55,760

since what you know all the years we've

1057

00:51:01,910 --> 00:50:59,520

been looking at 47 48 49 50 51 52 all

1058

00:51:05,190 --> 00:51:01,920

the way up until now

1059

00:51:09,109 --> 00:51:05,200

and we haven't got one answer on on why

1060

00:51:19,030 --> 00:51:15,270

not one

1061

00:51:21,910 --> 00:51:20,470

the only answers they're prepared to

1062

00:51:24,150 --> 00:51:21,920

give us are the ones that they can

1063

00:51:25,910 --> 00:51:24,160

debunk

1064

00:51:35,349 --> 00:51:25,920

by balloon

1065

00:51:42,230 --> 00:51:37,030

and you know that's a really easy thing

1066

00:51:42,240 --> 00:51:47,109

i have

1067

00:51:51,829 --> 00:51:50,309

i'm going to end on this document

1068

00:51:57,030 --> 00:51:51,839

i want you all

1069

00:51:57,040 --> 00:52:03,030

because this is pretty serious

1070

00:52:06,950 --> 00:52:04,630

this isn't just going to be a report

1071

00:52:08,390 --> 00:52:06,960

this one

1072

00:52:09,829 --> 00:52:08,400

uh this is going to be the most

1073

00:52:14,870 --> 00:52:09,839

comprehensive

1074

00:52:19,750 --> 00:52:16,390

as far as

1075

00:52:23,270 --> 00:52:19,760

what osi thought this was

1076
00:52:27,270 --> 00:52:23,280
i've never seen it before in my life

1077
00:52:29,750 --> 00:52:28,710
and that came with a couple of other

1078
00:52:33,030 --> 00:52:29,760
pages

1079
00:52:40,630 --> 00:52:33,040
but i found one that came with drafts

1080
00:52:45,270 --> 00:52:43,109
i underlined

1081
00:52:50,630 --> 00:52:45,280
the important parts

1082
00:52:53,990 --> 00:52:52,340
we already went through this

1083
00:52:55,750 --> 00:52:54,000
[Music]

1084
00:52:58,309 --> 00:52:55,760
intelligence advisory committee flying

1085
00:53:02,470 --> 00:52:58,319
identified objects nature and causes of

1086
00:53:06,069 --> 00:53:04,230
worried about the response you know in

1087
00:53:10,150 --> 00:53:06,079
carrying out its responsibility to

1088
00:53:14,150 --> 00:53:12,309

recommendations here we go the watch

1089

00:53:16,069 --> 00:53:14,160

committee

1090

00:53:18,950 --> 00:53:16,079

and i just found a document that has a

1091

00:53:22,390 --> 00:53:18,960

watch committee in 1984 so

1092

00:53:26,309 --> 00:53:24,790

so we've already seen that before

1093

00:53:28,150 --> 00:53:26,319

but as i go it's going to get kind of

1094

00:53:29,190 --> 00:53:28,160

more eye-opening

1095

00:53:30,470 --> 00:53:29,200

and i'm not

1096

00:53:33,670 --> 00:53:30,480

kidding

1097

00:53:35,670 --> 00:53:33,680

i'm serious when i say this that this is

1098

00:53:39,910 --> 00:53:35,680

um

1099

00:53:43,829 --> 00:53:39,920

probably put it on twitter as uh this is

1100

00:53:45,829 --> 00:53:43,839

huge news breaking news kind of thing

1101

00:53:47,510 --> 00:53:45,839

um but i literally

1102

00:53:50,069 --> 00:53:47,520

finished reading it before i started

1103

00:53:53,349 --> 00:53:51,829

i mean we have 10 minutes left and i was

1104

00:53:57,589 --> 00:53:53,359

deciding if i was going to go through it

1105

00:54:00,309 --> 00:53:57,599

or not yeah but i'm going to because

1106

00:54:01,430 --> 00:54:00,319

we just need to

1107

00:54:06,230 --> 00:54:01,440

memorial

1108

00:54:09,829 --> 00:54:08,150

current situation

1109

00:54:11,510 --> 00:54:09,839

flying objects caused extensive

1110

00:54:13,670 --> 00:54:11,520

speculation in the press and have been

1111

00:54:16,950 --> 00:54:13,680

the subject of concern to government

1112

00:54:20,870 --> 00:54:19,270

the air force within the limitations of

1113

00:54:23,589 --> 00:54:20,880

manpower

1114

00:54:25,670 --> 00:54:23,599

which could be devoted to the subject

1115

00:54:28,069 --> 00:54:25,680

has thus far thus far carried the full

1116

00:54:30,069 --> 00:54:28,079

responsibility for investigating we know

1117

00:54:32,710 --> 00:54:30,079

that

1118

00:54:34,390 --> 00:54:32,720

since 47 approximately 1500 official

1119

00:54:37,750 --> 00:54:34,400

reports of sightings have been received

1120

00:54:42,230 --> 00:54:37,760

and of these about 20 percent

1121

00:54:42,240 --> 00:54:46,789

it's 1947 what year was this

1122

00:54:53,270 --> 00:54:49,030

i remember we'll figure that out

1123

00:54:55,670 --> 00:54:53,280

but i think it's 50 52 i want to say

1124

00:54:58,630 --> 00:54:55,680

so five years 20

1125

00:55:03,030 --> 00:55:00,549

the possible implications for national

1126
00:55:07,990 --> 00:55:03,040
security vulnerability to you of the us

1127
00:55:12,069 --> 00:55:09,630
but it can't discharge its

1128
00:55:14,950 --> 00:55:12,079
responsibilities with regard to

1129
00:55:17,270 --> 00:55:14,960
estimating the capabilities of an enemy

1130
00:55:20,150 --> 00:55:17,280
to create and use such phenomenon

1131
00:55:22,069 --> 00:55:20,160
against the us

1132
00:55:23,829 --> 00:55:22,079
unless they determine through scientific

1133
00:55:26,470 --> 00:55:23,839
research whether or not such phenomena

1134
00:55:33,109 --> 00:55:26,480
can in fact be generated and controlled

1135
00:55:37,430 --> 00:55:35,430
recommended dod

1136
00:55:39,190 --> 00:55:37,440
expanded scientific research program to

1137
00:55:41,349 --> 00:55:39,200
reveal the nature of various phenomena

1138
00:55:44,069 --> 00:55:41,359

which are causing these sightings in

1139

00:55:50,789 --> 00:55:44,079

means by which these phenomena may be

1140

00:55:50,799 --> 00:55:58,470

you can read the rest there

1141

00:56:05,589 --> 00:56:01,510

problem we've heard that before

1142

00:56:10,789 --> 00:56:07,750

i said this is one of my like first few

1143

00:56:11,990 --> 00:56:10,799

videos i've said this

1144

00:56:14,870 --> 00:56:12,000

and that's how i found all these

1145

00:56:20,630 --> 00:56:16,390

was by looking up

1146

00:56:24,710 --> 00:56:22,710

blue book per documents

1147

00:56:27,670 --> 00:56:24,720

grudge

1148

00:56:30,630 --> 00:56:27,680

were cover names

1149

00:56:36,950 --> 00:56:30,640

for the people who actually researched

1150

00:56:43,109 --> 00:56:40,230

who was attic attic

1151

00:56:44,630 --> 00:56:43,119

effort and study to this subject

1169

00:57:44,950 --> 00:57:42,559

and possible panic resulting from the

1170

1177

stay with me it gets

1178

00:58:22,230 --> 00:58:20,549

believe it or not i've seen all that

1179

00:58:26,309 --> 00:58:22,240

stuff before already and have gone over

1180

00:58:26,319 --> 00:58:33,510

when i first started doing this stuff

1181

00:58:37,750 --> 00:58:34,829

you can

1182

00:58:39,349 --> 00:58:37,760

reuse read the first paragraph there

1183

00:58:41,589 --> 00:58:39,359

again i'd underline the best stuff

1184

00:58:45,990 --> 00:58:41,599

because it is a big document

1185

00:58:52,710 --> 00:58:46,000

attic three officers and two secretaries

1186

00:58:56,950 --> 00:58:54,470

and they consulted with air force and

1187

00:59:00,230 --> 00:58:56,960

civilian technical personnel

1188

00:59:02,069 --> 00:59:00,240

a world wide reporting system has been

1189

00:59:04,549 --> 00:59:02,079

instituted

1190

00:59:07,190 --> 00:59:04,559

and major air force bases have been

1191

00:59:10,150 --> 00:59:07,200

ordered to make interceptions of

1192

00:59:17,589 --> 00:59:10,160

unidentified flying objects ordered to

1193

00:59:21,910 --> 00:59:19,670

research conducted on a case-by-case

1194

00:59:24,230 --> 00:59:21,920

basis

1195

00:59:25,430 --> 00:59:24,240

to provide a satisfactory explanation of

1196

00:59:27,349 --> 00:59:25,440

each sighting

1197

00:59:32,230 --> 00:59:27,359

etiquette has concluded an arrangement

1198

00:59:36,630 --> 00:59:34,309

for the latter to establish a machine

1199

00:59:41,990 --> 00:59:36,640

indexing system for official reports of

1200

00:59:43,829 --> 00:59:43,030

now

1201

00:59:45,190 --> 00:59:43,839

this

1202

00:59:47,190 --> 00:59:45,200

there's a couple of these documents that

1203

00:59:48,789 --> 00:59:47,200

are in your quest because a couple times

1204

00:59:51,190 --> 00:59:48,799

because they're dressed but in those

1205

00:59:52,950 --> 00:59:51,200

other drafts there is

1206

00:59:54,390 --> 00:59:52,960

quite the information that didn't make

1207

00:59:57,910 --> 00:59:54,400

it to the final

1208

01:00:04,390 --> 01:00:00,870

here we go 28 from january through july

1209

01:00:19,270 --> 01:00:04,400

1952 okay fine only six months 28

1210

01:00:23,109 --> 01:00:20,950

addict study is probably valid if the

1211

01:00:26,549 --> 01:00:23,119

purpose is limited to a case-by-case

1212

01:00:29,510 --> 01:00:28,069

determine definitely the nature of

1213

01:00:31,430 --> 01:00:29,520

various phenomena which are causing

1214

01:00:33,510 --> 01:00:31,440

these sightings and to discover means by

1215

01:00:36,470 --> 01:00:33,520

which these causes and their visual or

1216

01:00:40,470 --> 01:00:36,480

electronic effects may be identified

1217

01:00:45,829 --> 01:00:43,109

cia consultants said solutions would

1218

01:00:48,069 --> 01:00:45,839

probably be found on the margins or just

1219

01:00:49,910 --> 01:00:48,079

beyond the frontiers of our present

1220

01:00:51,349 --> 01:00:49,920

knowledge in the fields

1221

01:00:53,910 --> 01:00:51,359

of atmospheric

1222

01:00:55,750 --> 01:00:53,920

ionospheric and extraterrestrial

1223

01:00:57,990 --> 01:00:55,760

phenomenon

1224

01:01:00,150 --> 01:00:58,000

with the added possibility that the

1225

01:01:07,430 --> 01:01:00,160

present dispersal of nuclear waste

1226

01:01:14,270 --> 01:01:08,829

you guys hear

1227

01:01:21,270 --> 01:01:16,230

extraterrestrial doesn't necessarily

1228

01:01:27,910 --> 01:01:24,549

but the kicker is present dispersed of

1229

01:01:47,670 --> 01:01:27,920

nuclear waste products might also be a

1230

01:01:51,990 --> 01:01:49,670

the flank saucer situation contains two

1231

01:01:53,829 --> 01:01:52,000

elements of danger which in a situation

1232

01:01:56,150 --> 01:01:53,839

of internal tension have national

1233

01:02:01,430 --> 01:01:56,160

security implications

1234

01:02:05,990 --> 01:02:04,470

psychological worldwide sightings

1235

01:02:07,510 --> 01:02:06,000

up to the time of the investigation

1236

01:02:09,670 --> 01:02:07,520

there had been in the soviet press no

1237

01:02:12,150 --> 01:02:09,680

reporter comment even satirical

1238

01:02:13,990 --> 01:02:12,160

satirical on flying saucers

1239

01:02:17,750 --> 01:02:14,000

and they thought that would have to be

1240

01:02:20,950 --> 01:02:19,190

question arises

1241

01:02:22,230 --> 01:02:20,960

could the phenomenon be controlled

1242

01:02:24,630 --> 01:02:22,240

predicted

1243

01:02:26,789 --> 01:02:24,640

or used from a psychological warfare

1244

01:02:32,789 --> 01:02:26,799

point of view either offensively and

1245

01:02:36,710 --> 01:02:35,190

it's a fair proportion of our population

1246

01:02:39,109 --> 01:02:36,720

is mentally conditioned to the

1247

01:02:41,510 --> 01:02:39,119

acceptance of the incredible in this

1248

01:02:47,990 --> 01:02:41,520

fact lies the potential for the touching

1249

01:02:52,150 --> 01:02:49,589

combination of radar screening and

1250

01:02:54,789 --> 01:02:52,160

visual observation will undoubtedly

1251

01:03:01,190 --> 01:02:54,799

always depend on

1252

01:03:06,950 --> 01:03:04,150

yet at any given moment now there may be

1253

01:03:10,309 --> 01:03:06,960

current a dozen official unidentified

1254

01:03:12,309 --> 01:03:10,319

sightings plus many unofficial ones

1255

01:03:14,870 --> 01:03:12,319

at any moment of attack we are now in

1256

01:03:24,789 --> 01:03:17,109

where we cannot on an instant basis

1257

01:03:28,549 --> 01:03:27,029

increasing risk of false alerts and even

1258

01:03:34,789 --> 01:03:28,559

the greater danger of falsely

1259

01:03:38,390 --> 01:03:36,549

these steps be taken to improve

1260

01:03:40,309 --> 01:03:38,400

identification of both visual and

1261

01:03:42,069 --> 01:03:40,319

electronic phantoms so that in the event

1262

01:03:43,910 --> 01:03:42,079

of an attack instant and positive

1263

01:03:51,430 --> 01:03:43,920

identification of enemy planes or

1264

01:03:57,349 --> 01:03:55,029

a study should be instituted

1265

01:03:59,589 --> 01:03:57,359

can hear about this study if any

1266

01:04:02,150 --> 01:03:59,599

utilization could be made of these

1267

01:04:04,549 --> 01:04:02,160

phenomenon by the united states

1268

01:04:06,789 --> 01:04:04,559

psychological warfare planners

1269

01:04:08,870 --> 01:04:06,799

and what if any defenses should be

1270

01:04:10,829 --> 01:04:08,880

planned in anticipation of soviet

1271

01:04:14,549 --> 01:04:10,839

attempts to utilize

1272

01:04:17,829 --> 01:04:14,559

them in order to minimize risk of panic

1273

01:04:20,069 --> 01:04:17,839

a national policy

1274

01:04:21,990 --> 01:04:20,079

should be established as to what should

1275

01:04:30,710 --> 01:04:22,000

be told

1276

01:04:34,470 --> 01:04:32,230

present level of soviet knowledge

1277

01:04:36,870 --> 01:04:34,480

regarding the phenomenon

1278

01:04:38,549 --> 01:04:36,880

and their capabilities to utilize it to

1279

01:04:40,950 --> 01:04:38,559

the detriment of the united states

1280

01:04:42,950 --> 01:04:40,960

security interests

1281

01:04:51,990 --> 01:04:42,960

and the reasons for silence in the

1282

01:04:55,510 --> 01:04:54,069

regards both collection analysis can be

1283

01:04:58,309 --> 01:04:55,520

discharged with the maximum

1284

01:05:00,230 --> 01:04:58,319

effectiveness only after much more is

1285

01:05:06,470 --> 01:05:00,240

known regarding the exact nature of

1286

01:05:10,870 --> 01:05:08,630

i consider this problem to be of such

1287

01:05:13,029 --> 01:05:10,880

importance

1288

01:05:15,510 --> 01:05:13,039

that should be brought to the attention

1289

01:05:17,349 --> 01:05:15,520
of the national security council

1290

01:05:19,029 --> 01:05:17,359
in order that a community-wide

1291

01:05:21,670 --> 01:05:19,039
coordinated effort towards its solution

1292

01:05:23,029 --> 01:05:21,680
may be initiated

1293

01:05:29,109 --> 01:05:23,039
chadwell assistant director of

1294

01:05:29,119 --> 01:05:34,710
so here we get to the

1295

01:05:34,720 --> 01:05:38,309
i believe drafts

1296

01:05:41,670 --> 01:05:40,069
um so i'm just going to scroll through

1297

01:05:44,150 --> 01:05:41,680
this because a lot of it's the same but

1298

01:05:47,510 --> 01:05:44,160
i think i underline the stuff that is

1299

01:05:50,789 --> 01:05:48,710
osi

1300

01:05:52,390 --> 01:05:50,799
entered into its inquiry fully aware

1301

01:05:56,230 --> 01:05:52,400

that it was coming into a field already

1302

01:06:02,309 --> 01:05:58,870

in which objectivity has been overridden

1303

01:06:05,589 --> 01:06:02,319

by numerous sensational writers

1304

01:06:10,069 --> 01:06:07,670

and one in which there are pressure for

1305

01:06:30,710 --> 01:06:10,079

extravagant explanations

1306

01:06:36,069 --> 01:06:32,630

psychological worldwide sightings

1307

01:06:41,829 --> 01:06:39,270

we already kind of been through that

1308

01:06:43,750 --> 01:06:41,839

could be used

1309

01:06:46,390 --> 01:06:43,760

from a psychological warfare point of

1310

01:06:52,309 --> 01:06:46,400

view either offensively or

1311

01:06:55,750 --> 01:06:54,069

the public concern with the phenomenon

1312

01:06:57,349 --> 01:06:55,760

which is reflected in the united states

1313

01:07:00,549 --> 01:06:57,359

press

1314

01:07:02,870 --> 01:07:00,559

force indicates that there is a fair

1315

01:07:07,270 --> 01:07:02,880

proportion population

1316

01:07:13,109 --> 01:07:09,510

in this fact lies the potential for the

1317

01:07:17,029 --> 01:07:13,119

touching off of mass hysteria and panic

1318

01:07:18,710 --> 01:07:17,039

so based on this they were afraid

1319

01:07:19,670 --> 01:07:18,720

that

1320

01:07:21,190 --> 01:07:19,680

media

1321

01:07:23,270 --> 01:07:21,200

who put out their

1322

01:07:24,230 --> 01:07:23,280

who put out like grandiose reports and

1323

01:07:26,230 --> 01:07:24,240

stuff

1324

01:07:28,230 --> 01:07:26,240

could set off mass hysteria because the

1325

01:07:32,950 --> 01:07:28,240

public was conditioned to accept things

1326
01:07:32,960 --> 01:07:39,029
so we sit here sometimes and we wonder

1327
01:07:39,039 --> 01:07:45,589
why isn't the media talking about this

1328
01:07:50,630 --> 01:07:47,750
this explains it

1329
01:07:55,990 --> 01:07:50,640
this explains why the media doesn't talk

1330
01:08:01,829 --> 01:07:58,150
because the public's preconditioned to

1331
01:08:03,910 --> 01:08:01,839
accept extravagant things

1332
01:08:05,750 --> 01:08:03,920
and if the media gives big grandiose

1333
01:08:13,029 --> 01:08:05,760
reports it could be the touching off

1334
01:08:16,630 --> 01:08:14,470
you guys want to know why the media is

1335
01:08:20,149 --> 01:08:16,640
not reporting this stuff i'm telling you

1336
01:08:26,550 --> 01:08:21,749
i'm telling you right now it's right

1337
01:08:31,430 --> 01:08:28,630
and subsequently

1338
01:08:37,510 --> 01:08:34,789

spied on and tracked

1339

01:08:39,669 --> 01:08:37,520

saucer groups one in california that was

1340

01:08:42,309 --> 01:08:39,679

funded by an anonymous source and had a

1341

01:08:59,990 --> 01:08:42,319

ton of money and made extravagant

1342

01:09:03,590 --> 01:09:02,070

psychological warfare planners and what

1343

01:09:05,430 --> 01:09:03,600

if any defenses should be planned in

1344

01:09:07,669 --> 01:09:05,440

anticipation of soviet attempts to

1345

01:09:09,349 --> 01:09:07,679

utilize them national policy should be

1346

01:09:11,430 --> 01:09:09,359

established to what should be told to

1347

01:09:13,749 --> 01:09:11,440

the public regarding the phenomena

1348

01:09:18,470 --> 01:09:13,759

in order to minimize risk of panic so

1349

01:09:23,430 --> 01:09:20,709

they were afraid that we were going to

1350

01:09:26,870 --> 01:09:23,440

panic because we were so ready to accept

1351

01:09:26,880 --> 01:09:36,070

and they still are

1352

01:09:36,080 --> 01:09:39,510

it's the same stuff

1353

01:09:43,269 --> 01:09:41,030

the problem transcends the level of

1354

01:09:45,510 --> 01:09:43,279

individual departmental responsibilities

1355

01:09:47,189 --> 01:09:45,520

and it is such importance as to merit

1356

01:09:56,390 --> 01:09:47,199

cognizance in action by the national

1357

01:10:01,270 --> 01:09:58,550

it's recommended

1358

01:10:03,830 --> 01:10:01,280

the ca director of central intelligence

1359

01:10:06,149 --> 01:10:03,840

advise uh national security council of

1360

01:10:08,390 --> 01:10:06,159

security implications inherent in the

1361

01:10:15,030 --> 01:10:08,400

flying saucer problem which we always

1362

01:10:15,040 --> 01:10:18,470

skip that crap

1363

01:10:21,990 --> 01:10:20,709

cia under its assigned responsibilities

1364

01:10:24,229 --> 01:10:22,000

and in cooperation with the

1365

01:10:25,830 --> 01:10:24,239

psychological strategy board immediately

1366

01:10:28,149 --> 01:10:25,840

investigate possible offensive or

1367

01:10:30,229 --> 01:10:28,159

defensive utilization

1368

01:10:33,030 --> 01:10:30,239

of the phenomenon for psychological

1369

01:10:34,790 --> 01:10:33,040

warfare purposes both for and against

1370

01:10:37,430 --> 01:10:34,800

the united states advising those

1371

01:10:39,590 --> 01:10:37,440

agencies charged with u.s internal

1372

01:10:53,910 --> 01:10:39,600

security of any pertinent findings

1373

01:10:57,510 --> 01:10:56,149

um here we go again

1374

01:10:59,110 --> 01:10:57,520

what appears to be moscow's first

1375

01:11:01,030 --> 01:10:59,120

mention of flying saucers listeners

1376

01:11:03,189 --> 01:11:01,040

mailbag answers questions on the subject

1377

01:11:05,910 --> 01:11:03,199

to the effect that the chief of nuclear

1378

01:11:08,630 --> 01:11:05,920

physics and the u.s naval research

1379

01:11:10,550 --> 01:11:08,640

bureau explained to them recently as

1380

01:11:13,030 --> 01:11:10,560

used for stratospheric studies u.s

1381

01:11:15,189 --> 01:11:13,040

government circles knew all along of the

1382

01:11:17,189 --> 01:11:15,199

harmless nature of these objects but if

1383

01:11:19,590 --> 01:11:17,199

they refrain from denying false reports

1384

01:11:22,550 --> 01:11:19,600

the purpose behind such tactics was to

1385

01:11:25,270 --> 01:11:22,560

fan war hysteria in the country now

1386

01:11:29,030 --> 01:11:25,280

there's a russian saying this so

1387

01:11:29,040 --> 01:11:33,110

but they put it in here so i don't know

1388

01:11:37,669 --> 01:11:35,270

state department cable recently received

1389

01:11:39,189 --> 01:11:37,679

from budapest flank saucer stories are

1390

01:11:41,830 --> 01:11:39,199

another american attempt to fan more

1391

01:11:43,510 --> 01:11:41,840

hysteria radar detection of saucers

1392

01:11:45,669 --> 01:11:43,520

quoted an article and it comments on the

1393

01:11:48,149 --> 01:11:45,679

ridiculous aspects of the source of the

1394

01:11:49,750 --> 01:11:48,159

mystery

1395

01:11:51,830 --> 01:11:49,760

that is part of american rulers

1396

01:11:53,430 --> 01:11:51,840

propaganda to prove you know it's just

1397

01:11:59,510 --> 01:11:53,440

another country saying things and they

1398

01:12:04,070 --> 01:12:01,510

the air force stand on flank saucers as

1399

01:12:09,030 --> 01:12:04,080

stated by the c i a in a briefing on the

1400

01:12:09,040 --> 01:12:12,709

after the

1401

01:12:18,790 --> 01:12:16,070

dc sightings and basically all of the

1402

01:12:20,550 --> 01:12:18,800

cases we've been going through

1403

01:12:23,430 --> 01:12:20,560

air force officially denies that flanks

1404

01:12:25,350 --> 01:12:23,440

lessers are u.s secret weapons soviet

1405

01:12:28,070 --> 01:12:25,360

secret weapons or extraterrestrial

1406

01:12:35,990 --> 01:12:30,229

it believes that all sightings are a

1407

01:12:39,110 --> 01:12:37,350

that's not the case we're gonna get to

1408

01:12:41,270 --> 01:12:39,120

the end of it hold on

1409

01:12:42,790 --> 01:12:41,280

um

1410

01:12:44,390 --> 01:12:42,800

phenomenon of atmosphere which are

1411

01:12:47,030 --> 01:12:44,400

presently poorly understood blah blah

1412

01:12:48,709 --> 01:12:47,040

blah excuses

1413

01:12:50,470 --> 01:12:48,719

and some of them really are all this

1414

01:12:52,790 --> 01:12:50,480

stuff but when we get to the end you'll

1415

01:12:54,390 --> 01:12:52,800

see what i mean

1416

01:12:56,149 --> 01:12:54,400

not a shred of evidence exists to

1417

01:12:58,470 --> 01:12:56,159

substantiate the belief that saucers are

1418

01:13:01,669 --> 01:12:58,480

material objects not falling into

1419

01:13:03,350 --> 01:13:01,679

category b

1420

01:13:09,350 --> 01:13:03,360

one

1421

01:13:13,350 --> 01:13:11,110

this is juicy a study of flying saucer

1422

01:13:16,310 --> 01:13:13,360

sightings on a geographical basis showed

1423

01:13:21,910 --> 01:13:16,320

them to be more frequent in the vicinity

1424

01:13:25,189 --> 01:13:23,910

which is explained by the greater

1425

01:13:31,430 --> 01:13:25,199

security

1426

01:13:38,709 --> 01:13:34,390

that byproducts of atomic

1427

01:13:42,550 --> 01:13:38,719

fission may be in some way act as

1428

01:13:45,110 --> 01:13:42,560

catalytically to produce flying saucers

1429

01:13:47,910 --> 01:13:45,120

has not been disproved

1430

01:13:49,270 --> 01:13:47,920

it's funny because i asked that question

1431

01:13:51,590 --> 01:13:49,280

to somebody

1432

01:13:53,030 --> 01:13:51,600

and i've never seen this before

1433

01:13:55,830 --> 01:13:53,040

the greatest number of sightings has

1434

01:13:58,830 --> 01:13:55,840

been made at or near dayton ohio where

1435

01:14:01,750 --> 01:13:58,840

the investigations are going

1436

01:14:03,669 --> 01:14:01,760

on of the thousands of flying saucers

1437

01:14:06,709 --> 01:14:03,679

cited

1438

01:14:08,950 --> 01:14:06,719

air forces at 78 have been explained

1439

01:14:11,430 --> 01:14:08,960

by what we looked at before

1440

01:14:13,750 --> 01:14:11,440

meteors blah blah

1441

01:14:15,110 --> 01:14:13,760

two percent hoaxes

1442

01:14:17,590 --> 01:14:15,120

twenty percent

1443

01:14:19,510 --> 01:14:17,600

have not been explained

1444

01:14:24,709 --> 01:14:19,520

they say here primarily because of the

1445

01:14:29,189 --> 01:14:27,510

the air force is mostly interested in

1446

01:14:33,750 --> 01:14:29,199

the saucer problem because of its

1447

01:14:33,760 --> 01:14:36,950

here it says

1448

01:14:40,229 --> 01:14:38,310

on the other hand several saucer

1449

01:14:41,830 --> 01:14:40,239

societies in the united states have been

1450

01:14:43,110 --> 01:14:41,840

investigated key members of some of

1451

01:14:44,950 --> 01:14:43,120

these societies which have been

1452

01:14:46,790 --> 01:14:44,960

instrumental in keeping

1453

01:14:49,110 --> 01:14:46,800

the flying saucer crazed before the

1454

01:14:51,110 --> 01:14:49,120

public have been exposed as being of

1455

01:14:53,270 --> 01:14:51,120

doubtful loyalty

1456

01:14:55,189 --> 01:14:53,280

furthermore the societies in some cases

1457

01:14:57,990 --> 01:14:55,199

are financed

1458

01:15:00,550 --> 01:14:58,000

from an unknown source

1459

01:15:03,030 --> 01:15:00,560

air force realizes that the public made

1460

01:15:05,270 --> 01:15:03,040

jumpy by the flying saucer scare would

1461

01:15:13,510 --> 01:15:05,280

be a serious liability in the event of

1462

01:15:17,110 --> 01:15:15,270

air defense could not operate

1463

01:15:19,030 --> 01:15:17,120

effectively if the air force were

1464

01:15:22,229 --> 01:15:19,040

consistently called upon to intercept

1465

01:15:26,149 --> 01:15:22,239

mirages which persons had mistaken for

1466

01:15:34,149 --> 01:15:29,669

tell you what i saw was not a mirage

1467

01:15:44,790 --> 01:15:37,189

a whole presentation here

1468

01:15:51,189 --> 01:15:47,270

i don't know if i got this far too uh

1469

01:15:56,630 --> 01:15:53,750

started in 1947 this is just a bunch of

1470

01:15:59,270 --> 01:15:56,640

blah blah blah blah blah

1471

01:16:02,149 --> 01:15:59,280

therefore in 48 air force initiated

1472

01:16:04,310 --> 01:16:02,159

project saucer to study the phenomenon

1473

01:16:06,630 --> 01:16:04,320

december 49 released sections of its

1474

01:16:09,830 --> 01:16:06,640

secret report to the press

1475

01:16:14,870 --> 01:16:13,030

increasing reports of sightings built up

1476

01:16:19,750 --> 01:16:14,880

such resurgence of public interest at

1477

01:16:22,470 --> 01:16:19,760

air force 1951 reopened its study

1478

01:16:25,510 --> 01:16:22,480

instituted a worldwide reporting system

1479

01:16:28,470 --> 01:16:25,520

and alerted its bases to intercept

1480

01:16:30,390 --> 01:16:28,480

the unidentified objects

1481

01:16:34,229 --> 01:16:30,400

talks about samford we all know his

1482

01:16:38,149 --> 01:16:36,310

unexplained sightings could not have

1483

01:16:39,430 --> 01:16:38,159

resulted from any experiments or tests

1484

01:16:44,149 --> 01:16:39,440

conducted

1485

01:16:49,350 --> 01:16:46,470

the main theories u.s

1486

01:16:52,149 --> 01:16:49,360

russian development spaceships

1487

01:16:53,910 --> 01:16:52,159

strongly against them

1488

01:16:57,990 --> 01:16:53,920

and they weren't at present no more

1489

01:17:01,510 --> 01:16:59,750

however it is important that there are

1490

01:17:03,590 --> 01:17:01,520

many who believe in them and will

1491

01:17:07,270 --> 01:17:03,600

continue to do so in spite of any

1492

01:17:09,030 --> 01:17:07,280

official pronouncement which may be made

1493

01:17:10,550 --> 01:17:09,040

this whole affair has demonstrated that

1494

01:17:12,070 --> 01:17:10,560

there is a fair portion of our

1495

01:17:14,310 --> 01:17:12,080

population which is mentally conditioned

1496

01:17:19,820 --> 01:17:14,320

blah blah blah

1497

01:17:23,830 --> 01:17:21,990

[Music]

1498

01:17:25,590 --> 01:17:23,840

this could result only from an official

1499

01:17:27,910 --> 01:17:25,600

policy just so it talks about why they

1500

01:17:29,510 --> 01:17:27,920

think moscow isn't talking about it they

1501

01:17:31,750 --> 01:17:29,520

think they have an official policy

1502

01:17:39,590 --> 01:17:31,760

decision and

1503

01:17:39,600 --> 01:17:43,350

russia that is

1504

01:17:47,910 --> 01:17:45,270

uh one the civilian saucer committee in

1505

01:17:50,870 --> 01:17:47,920

california has substantial funds uh

1506

01:17:52,870 --> 01:17:50,880

strongly influences the editorial policy

1507

01:17:56,149 --> 01:17:52,880

of a number of newspapers and as leaders

1508

01:17:58,390 --> 01:17:56,159

whose connections may be questionable

1509

01:18:00,229 --> 01:17:58,400

air force is watching this organization

1510

01:18:06,310 --> 01:18:00,239

because of its power to touch off mass

1511

01:18:10,070 --> 01:18:08,070

we should watch for any indication of

1512

01:18:13,350 --> 01:18:10,080

russian efforts to capitalize upon this

1513

01:18:19,430 --> 01:18:13,360

present american

1514

01:18:24,870 --> 01:18:21,830

air warning system

1515

01:18:24,880 --> 01:18:30,790

blah blah blah

1516

01:18:35,750 --> 01:18:33,189

the call okay little

1517

01:18:37,350 --> 01:18:35,760

knowledge is achieved at the causes back

1518

01:18:39,910 --> 01:18:37,360

up the sightings the little understood

1519

01:18:45,110 --> 01:18:39,920

phenomenon as described we will run

1520

01:18:49,189 --> 01:18:46,870

cannot

1521

01:18:51,030 --> 01:18:49,199

there's more okay finally

1522

01:18:52,390 --> 01:18:51,040

this is interesting finally no debris or

1523

01:18:53,910 --> 01:18:52,400

material evidence has ever been

1524

01:18:58,709 --> 01:18:53,920

recovered following an unexplained

1525

01:19:04,149 --> 01:19:00,470

these are lies

1526

01:19:05,830 --> 01:19:04,159

they're completely lying by the way

1527

01:19:06,830 --> 01:19:05,840

because i have documents that say the

1528

01:19:09,990 --> 01:19:06,840

exact

1529

01:19:12,470 --> 01:19:10,000

opposite they have found debris of an

1530

01:19:15,030 --> 01:19:12,480

unexplained sighting

1531

01:19:17,510 --> 01:19:15,040

i don't know they've tested it

1532

01:19:20,149 --> 01:19:17,520

i don't know what happened with that

1533

01:19:23,030 --> 01:19:20,159

but they found certain things

1534

01:19:25,590 --> 01:19:23,040

whether it be silver pellets

1535

01:19:27,030 --> 01:19:25,600

or a weird kind of um

1536

01:19:30,070 --> 01:19:27,040

you know

1537

01:19:31,750 --> 01:19:30,080

just weird stuff

1538

01:19:33,189 --> 01:19:31,760

but i'm trying to look into those to see

1539

01:19:36,630 --> 01:19:33,199

what happened with it

1540

01:19:44,630 --> 01:19:36,640

but i'm waiting for crash week sorry

1541

01:19:44,640 --> 01:19:47,669

so

1542

01:19:51,750 --> 01:19:49,830

in case of reported sightings exists the

1543

01:19:53,189 --> 01:19:51,760

personal element

1544

01:19:59,270 --> 01:19:53,199

this is the combined effect of

1545

01:20:04,950 --> 01:20:01,350

mental conditioning by newspaper stories

1546

01:20:07,350 --> 01:20:04,960

of earlier reported sightings

1547

01:20:10,709 --> 01:20:07,360

individual emotional response with

1548

01:20:13,430 --> 01:20:10,719

respect to the unknown

1549

01:20:15,750 --> 01:20:13,440

desire for publicity resulting in

1550

01:20:20,709 --> 01:20:15,760

embroidering of facts or complete

1551

01:20:29,830 --> 01:20:22,950

the motion of chase

1552

01:20:34,310 --> 01:20:32,149

then we have physiological factors

1553

01:20:36,229 --> 01:20:34,320

general general physical condition of

1554

01:20:39,110 --> 01:20:36,239

persons

1555

01:20:42,550 --> 01:20:41,189

talks about mantel

1556

01:20:46,070 --> 01:20:42,560

i'm not even going to go through that

1557

01:20:47,189 --> 01:20:46,080

because it's just um

1558

01:20:53,270 --> 01:20:47,199

actually

1559

01:20:58,870 --> 01:20:55,510

mantel skyhook

1560

01:21:05,030 --> 01:21:00,629

there are two types of high altitude

1561

01:21:10,629 --> 01:21:06,070

there were

1562

01:21:12,470 --> 01:21:10,639

they discussed the mantel thing

1563

01:21:17,430 --> 01:21:12,480

uh there were three interceptor

1564

01:21:17,440 --> 01:21:21,669

oh this

1565

01:21:21,679 --> 01:21:29,560

no this

1566

01:21:35,189 --> 01:21:32,149

[Music]

1567

01:21:36,870 --> 01:21:35,199

f 94 interceptor climbed up 40 000 feet

1568

01:21:38,470 --> 01:21:36,880

at this altitude the pilot could see

1569

01:21:45,590 --> 01:21:38,480

clearly that the objects were a cluster

1570

01:21:45,600 --> 01:21:55,430

okay so that's one thing

1571

01:21:59,270 --> 01:21:57,030

the medical staff at right field

1572

01:22:05,110 --> 01:21:59,280

including the senior

1573

01:22:17,230 --> 01:22:06,950

despite the official statement they felt

1574

01:22:17,240 --> 01:22:20,870

[Music]

1575

01:22:25,510 --> 01:22:22,629

talk about something in maryland blah

1576

01:22:26,550 --> 01:22:25,520

blah there are a number of reports of

1577

01:22:28,870 --> 01:22:26,560

cylinder

1578

01:22:31,830 --> 01:22:28,880

cylindrical objects with square tails or

1579

01:22:33,990 --> 01:22:31,840

having lighted portholes which have been

1580

01:22:36,870 --> 01:22:34,000

explained as distorted images of

1581

01:22:43,910 --> 01:22:36,880

conventional aircraft profiles on clouds

1582

01:22:43,920 --> 01:22:51,030

wow

1583

01:22:51,040 --> 01:22:57,110

oh man that's a that's hilarious

1584

01:22:57,120 --> 01:23:01,750

capital airline pilots

1585

01:23:12,390 --> 01:23:02,709

we

1586

01:23:14,709 --> 01:23:12,400

right that's the same thing

1587

01:23:17,270 --> 01:23:14,719

a few weeks ago in washington

1588

01:23:20,310 --> 01:23:17,280

a man who was familiar with this report

1589

01:23:22,470 --> 01:23:20,320

saw an anti-collision light installation

1590

01:23:23,750 --> 01:23:22,480

on a capital airlines plane

1591

01:23:24,870 --> 01:23:23,760

uh that

1592

01:23:28,070 --> 01:23:24,880

we know

1593

01:23:31,590 --> 01:23:28,080

we went over that yesterday

1594

01:23:35,590 --> 01:23:33,270

fake

1595

01:23:37,430 --> 01:23:35,600

because we have the document from

1596

01:23:46,709 --> 01:23:37,440

capital airlines

1597

01:23:51,830 --> 01:23:49,910

so if you watched the show yesterday

1598

01:23:53,590 --> 01:23:51,840

and we're seeing the synchronicity here

1599

01:23:57,110 --> 01:23:53,600

today

1600

01:23:58,709 --> 01:23:57,120

we just made an open and shut case

1601
01:24:00,310 --> 01:23:58,719
for the government lying to the

1602
01:24:13,830 --> 01:24:00,320
population

1603
01:24:17,430 --> 01:24:16,070
and even further proof i'm just going to

1604
01:24:19,270 --> 01:24:17,440
skip to the end because i'm pretty uh

1605
01:24:34,629 --> 01:24:19,280
tired actually right now we've been

1606
01:24:39,189 --> 01:24:36,310
canadian geese

1607
01:24:44,629 --> 01:24:39,199
setting off radars

1608
01:24:51,430 --> 01:24:49,110
okay let's get to it

1609
01:24:57,350 --> 01:24:51,440
i'm just yeah

1610
01:25:01,590 --> 01:24:59,590
okay

1611
01:25:03,110 --> 01:25:01,600
the list could be extended at

1612
01:25:04,070 --> 01:25:03,120
length

1613
01:25:06,390 --> 01:25:04,080

oh wait

1614

01:25:08,149 --> 01:25:06,400

material toss the loss atmospheric

1615

01:25:10,709 --> 01:25:08,159

phenomenon for instance the cosmic and

1616

01:25:12,709 --> 01:25:10,719

gamma natural radiation which pours in

1617

01:25:13,910 --> 01:25:12,719

daily from outer space is many thousands

1618

01:25:18,229 --> 01:25:13,920

times greater than the radiation

1619

01:25:22,870 --> 01:25:19,910

yeah should we be like dying then or

1620

01:25:25,110 --> 01:25:22,880

something i don't know

1621

01:25:26,709 --> 01:25:25,120

i don't know enough about that i guess

1622

01:25:27,910 --> 01:25:26,719

but the list could be extended at

1623

01:25:30,390 --> 01:25:27,920

lengths of

1624

01:25:33,110 --> 01:25:30,400

suffice to say our ignorance of the

1625

01:25:36,950 --> 01:25:33,120

nature and controlling factors

1626

01:25:38,870 --> 01:25:36,960

of all the above is immense

1627

01:25:40,629 --> 01:25:38,880

effects of interaction between these

1628

01:25:43,990 --> 01:25:40,639

natural phenomenon and radioactive

1629

01:25:45,189 --> 01:25:44,000

material in the air can only be

1630

01:25:47,270 --> 01:25:45,199

conjectured

1631

01:25:49,110 --> 01:25:47,280

the appearance of unusual optical radar

1632

01:25:50,470 --> 01:25:49,120

sightings caused by these phenomenon is

1633

01:25:57,350 --> 01:25:50,480

possible

1634

01:26:01,110 --> 01:25:58,870

there's some strength saying the

1635

01:26:04,070 --> 01:26:01,120

unexplained ufos may be electromagnetic

1636

01:26:09,350 --> 01:26:04,080

or electrostatic in character

1637

01:26:14,229 --> 01:26:11,030

phenomenon are apparently affected by

1638

01:26:16,310 --> 01:26:14,239

shock waves or electromagnetic radiation

1639

01:26:18,629 --> 01:26:16,320

of aircraft

1640

01:26:21,510 --> 01:26:18,639

reports of erratic operation of various

1641

01:26:25,110 --> 01:26:21,520

kinds of instruments

1642

01:26:28,229 --> 01:26:25,990

what

1643

01:26:31,350 --> 01:26:28,239

they stopped the document there

1644

01:26:34,310 --> 01:26:31,360

oh my god

1645

01:26:38,470 --> 01:26:34,320

what bull crap

1646

01:26:38,480 --> 01:26:42,629

what dicks

1647

01:26:42,639 --> 01:26:45,910

um

1648

01:26:49,669 --> 01:26:46,730

there's something

1649

01:26:51,990 --> 01:26:49,679

[Music]

1650

01:26:58,070 --> 01:26:52,000

one more thing

1651
01:27:06,790 --> 01:26:58,080
that i want to show you

1652
01:27:09,030 --> 01:27:07,850
it is

1653
01:27:11,590 --> 01:27:09,040
[Music]

1654
01:27:14,870 --> 01:27:11,600
something really really interesting well

1655
01:27:20,070 --> 01:27:16,310
um

1656
01:27:25,590 --> 01:27:23,830
out of blue yonder explanations and yet

1657
01:27:28,470 --> 01:27:25,600
there remains

1658
01:27:29,910 --> 01:27:28,480
hundreds of sightings by hundreds of

1659
01:27:31,750 --> 01:27:29,920
credible

1660
01:27:42,550 --> 01:27:31,760
outstanding

1661
01:27:42,560 --> 01:27:46,629
so

1662
01:27:50,149 --> 01:27:48,470
they go through all this and it's

1663
01:27:52,629 --> 01:27:50,159

they're basically admitting that it's a

1664

01:27:55,430 --> 01:27:52,639

list of excuses but there still remains

1665

01:27:57,510 --> 01:27:55,440

a bunch of unexplained sightings

1666

01:27:58,950 --> 01:27:57,520

so i don't know

1667

01:28:03,910 --> 01:27:58,960

i'm pretty

1668

01:28:07,910 --> 01:28:05,669

but we did

1669

01:28:13,350 --> 01:28:07,920

a whole bunch of stuff

1670

01:28:17,910 --> 01:28:15,590

a whole lot so

1671

01:28:20,229 --> 01:28:17,920

like the video share subscribe tell your

1672

01:28:21,990 --> 01:28:20,239

friends tell your pals

1673

01:28:28,550 --> 01:28:22,000

if you call them amigos

1674

01:28:35,110 --> 01:28:31,750

we covered 35 we probably covered

1675

01:28:40,709 --> 01:28:35,120

upwards of 40 documents today

1676

01:28:47,270 --> 01:28:43,760

that's a lot that's a lot of stuff

1677

01:28:50,149 --> 01:28:47,280

[Laughter]

1678

01:28:52,709 --> 01:28:50,159

oh man that's hilarious uh yeah become a

1679

01:28:55,350 --> 01:28:52,719

member if you like it

1680

01:28:59,189 --> 01:28:57,830

yeah today today was good today was good

1681

01:29:01,270 --> 01:28:59,199

but i'm not i don't want to let these

1682

01:29:03,189 --> 01:29:01,280

things go to waste you know so i want to

1683

01:29:05,350 --> 01:29:03,199

go through them with you guys

1684

01:29:07,510 --> 01:29:05,360

but and i did so much today because this

1685

01:29:08,790 --> 01:29:07,520

weekend

1686

01:29:10,310 --> 01:29:08,800

um

1687

01:29:11,910 --> 01:29:10,320

you know it's the weekend i am doing a

1688

01:29:13,189 --> 01:29:11,920

show tomorrow actually though with uh

1689

01:29:17,030 --> 01:29:13,199

andy

1690

01:29:20,149 --> 01:29:17,040

40-minute video

1691

01:29:23,110 --> 01:29:20,159

of a uap he's about to release

1692

01:29:28,470 --> 01:29:26,790

verified in every way he could do it

1693

01:29:29,750 --> 01:29:28,480

full analysis and everything he's not

1694

01:29:31,350 --> 01:29:29,760

releasing it tomorrow on my show or

1695

01:29:33,750 --> 01:29:31,360

anything he's just a really good dude

1696
