

1
00:00:06,470 --> 00:00:05,030
hello everybody it is

2
00:00:09,110 --> 00:00:06,480
wednesday

3
00:00:11,990 --> 00:00:09,120
update uh we have a really special day

4
00:00:15,350 --> 00:00:12,000
for you today um we have the experiencer

5
00:00:18,070 --> 00:00:16,710
oh

6
00:00:21,269 --> 00:00:18,080
we have

7
00:00:23,670 --> 00:00:21,279
uh kirsten j stewart the whole gang is

8
00:00:26,150 --> 00:00:23,680
here so we're gonna talk to them and get

9
00:00:27,990 --> 00:00:26,160
you know um

10
00:00:29,109 --> 00:00:28,000
their mission out their story what you

11
00:00:31,029 --> 00:00:29,119
know what

12
00:00:33,190 --> 00:00:31,039
motivates them all that sort of thing i

13
00:00:34,630 --> 00:00:33,200

think a lot of times the experience

14

00:00:35,910 --> 00:00:34,640

aspect of this

15

00:00:37,590 --> 00:00:35,920

is

16

00:00:39,350 --> 00:00:37,600

you know just pushed in the corner and

17

00:00:42,310 --> 00:00:39,360

brushed aside and

18

00:00:45,830 --> 00:00:42,320

um i don't know that that's necessarily

19

00:00:47,029 --> 00:00:45,840

the right thing to do because oftentimes

20

00:00:50,630 --> 00:00:47,039

you know that's

21

00:00:51,510 --> 00:00:50,640

the most emotional uh human part of all

22

00:00:54,069 --> 00:00:51,520

this

23

00:00:56,310 --> 00:00:54,079

um it's not just you know nuts and bolts

24

00:00:57,510 --> 00:00:56,320

and things flying around ships it's

25

00:01:00,470 --> 00:00:57,520

um

26
00:01:03,430 --> 00:01:00,480
phenomenon that affect people's lives uh

27
00:01:05,670 --> 00:01:03,440
like my own so i am really happy to host

28
00:01:06,469 --> 00:01:05,680
this and to talk to them and get to know

29
00:01:08,550 --> 00:01:06,479
them

30
00:01:10,390 --> 00:01:08,560
um and

31
00:01:13,590 --> 00:01:10,400
i'm happy i get to do it with you guys

32
00:01:21,860 --> 00:01:13,600
so in a second i will bring them on but

33
00:01:21,870 --> 00:02:13,110
[Music]

34
00:02:18,790 --> 00:02:15,589
all right so here we go uh

35
00:02:21,750 --> 00:02:18,800
the first person we're gonna bring in

36
00:02:23,670 --> 00:02:21,760
i call the sexiest experiencer in all of

37
00:02:26,150 --> 00:02:23,680
america

38
00:02:28,790 --> 00:02:26,160

mr jay christopher king how are you

39

00:02:30,790 --> 00:02:28,800

oh my gosh

40

00:02:33,750 --> 00:02:30,800

that was a monkey wrench in the gears

41

00:02:35,670 --> 00:02:33,760

sean but i'll take it gosh i'll take it

42

00:02:37,589 --> 00:02:35,680

from you anyway that's really exciting

43

00:02:39,430 --> 00:02:37,599

all right fair enough

44

00:02:40,949 --> 00:02:39,440

thanks thanks for having me back i

45

00:02:42,229 --> 00:02:40,959

really appreciate it i just like to

46

00:02:44,150 --> 00:02:42,239

throw you up for a little bit you know

47

00:02:46,790 --> 00:02:44,160

long time no see it's our second date so

48

00:02:49,030 --> 00:02:46,800

i got flowers there right over there

49

00:02:52,150 --> 00:02:49,040

uh yes yes yes

50

00:02:53,030 --> 00:02:52,160

you know my wife may watch so all right

51

00:02:57,350 --> 00:02:53,040

all right

52

00:03:00,869 --> 00:02:57,360

next up we have the wonderful the

53

00:03:03,030 --> 00:03:00,879

beautiful kirsten blackburn how are you

54

00:03:04,710 --> 00:03:03,040

i'm really well thank you sean thank you

55

00:03:05,670 --> 00:03:04,720

for throwing my partner off that was

56

00:03:06,550 --> 00:03:05,680

lovely

57

00:03:09,509 --> 00:03:06,560

yes

58

00:03:13,670 --> 00:03:09,519

i have to try you know

59

00:03:15,110 --> 00:03:13,680

and then at last but not least

60

00:03:17,350 --> 00:03:15,120

stewart

61

00:03:18,949 --> 00:03:17,360

alien's an artist what's up brother how

62

00:03:20,149 --> 00:03:18,959

are you good to make your acquaintance

63

00:03:22,550 --> 00:03:20,159

sir

64

00:03:25,350 --> 00:03:22,560

yeah you as well

65

00:03:27,190 --> 00:03:25,360

thank you so much for uh doing this on

66

00:03:30,149 --> 00:03:27,200

the show and taking the time to chat

67

00:03:33,270 --> 00:03:30,159

with me that means a lot because i know

68

00:03:35,190 --> 00:03:33,280

you guys probably get opportunities um

69

00:03:37,509 --> 00:03:35,200

left and right so you didn't have to do

70

00:03:39,110 --> 00:03:37,519

this one but i appreciate it so

71

00:03:40,070 --> 00:03:39,120

um thank you very much just wanted to

72

00:03:42,070 --> 00:03:40,080

say that

73

00:03:43,990 --> 00:03:42,080

oh hey we're really happy to be here you

74

00:03:46,789 --> 00:03:44,000

do a great show we love you

75

00:03:48,789 --> 00:03:46,799

yeah thank you thank you for having us

76

00:03:50,949 --> 00:03:48,799

yeah it's but it's uh more than my

77

00:03:53,350 --> 00:03:50,959

pleasure most definitely i'm thankful

78

00:03:54,309 --> 00:03:53,360

joe also ufo joe introduced me to you

79

00:03:55,190 --> 00:03:54,319

guys so

80

00:03:58,229 --> 00:03:55,200

um

81

00:04:00,869 --> 00:03:58,239

he's a good dude so i guess

82

00:04:04,550 --> 00:04:00,879

let's start with

83

00:04:06,070 --> 00:04:04,560

how it you came to be how did you three

84

00:04:09,589 --> 00:04:06,080

come together

85

00:04:11,190 --> 00:04:09,599

um and develop this vision to have this

86

00:04:13,509 --> 00:04:11,200

experiences group

87

00:04:15,350 --> 00:04:13,519

um and like yeah let's just start there

88

00:04:16,949 --> 00:04:15,360

whoever wants to go that's a great

89

00:04:18,229 --> 00:04:16,959

question kirsten do you want to start

90

00:04:20,150 --> 00:04:18,239

with uh

91

00:04:21,030 --> 00:04:20,160

with the old days back with richard and

92

00:04:22,710 --> 00:04:21,040

stuff

93

00:04:24,070 --> 00:04:22,720

sure yeah

94

00:04:27,110 --> 00:04:24,080

so um

95

00:04:29,749 --> 00:04:27,120

i was uh working with richard dolan and

96

00:04:32,469 --> 00:04:29,759

his lovely wife tracy um

97

00:04:34,950 --> 00:04:32,479

on their website called richard dolan

98

00:04:37,830 --> 00:04:34,960

members and um

99

00:04:40,070 --> 00:04:37,840

i was basically uh what they call a host

100

00:04:42,310 --> 00:04:40,080

which is someone who basically lets in

101
00:04:44,230 --> 00:04:42,320
new members and helps them out and stuff

102
00:04:46,870 --> 00:04:44,240
and then that job sort of morphed into

103
00:04:47,990 --> 00:04:46,880
being um somewhat of their assistant

104
00:04:48,950 --> 00:04:48,000
pretty much

105
00:04:51,430 --> 00:04:48,960
um

106
00:04:56,629 --> 00:04:51,440
they had some members who had this

107
00:04:58,230 --> 00:04:56,639
brilliant idea of having um hey julie um

108
00:05:01,029 --> 00:04:58,240
having a

109
00:05:01,400 --> 00:05:01,039
uh meet up in new york city

110
00:05:02,950 --> 00:05:01,410
um

111
00:05:04,950 --> 00:05:02,960
[Music]

112
00:05:06,790 --> 00:05:04,960
in person so

113
00:05:08,950 --> 00:05:06,800

we organized this and i just want to do

114

00:05:10,710 --> 00:05:08,960

a quick little shout out to

115

00:05:14,390 --> 00:05:10,720

those folks who are in that meet up in

116

00:05:17,510 --> 00:05:14,400

person um that's sarah and alex and evan

117

00:05:20,230 --> 00:05:17,520

and sherry and of course jay was there

118

00:05:21,110 --> 00:05:20,240

and so uh jay and i met for the first

119

00:05:21,990 --> 00:05:21,120

time

120

00:05:22,830 --> 00:05:22,000

um

121

00:05:25,749 --> 00:05:22,840

and

122

00:05:26,550 --> 00:05:25,759

we had these meetups in these diners

123

00:05:28,150 --> 00:05:26,560

that

124

00:05:30,310 --> 00:05:28,160

i think we did like two or three months

125

00:05:34,310 --> 00:05:30,320

where we'd meet in these uh cute little

126

00:05:37,590 --> 00:05:34,320

like retro diners in new york city

127

00:05:39,270 --> 00:05:37,600

have diner coffee diner pie diner beer

128

00:05:41,510 --> 00:05:39,280

and we would sit for

129

00:05:42,710 --> 00:05:41,520

up to five hours

130

00:05:45,430 --> 00:05:42,720

just

131

00:05:46,469 --> 00:05:45,440

hanging out together and talking

132

00:05:48,870 --> 00:05:46,479

about

133

00:05:50,629 --> 00:05:48,880

ufology and everything that surrounds

134

00:05:54,150 --> 00:05:50,639

ufology and the anomalies

135

00:06:00,469 --> 00:05:58,070

so that's yeah and so like a half dozen

136

00:06:02,469 --> 00:06:00,479

up to eight or so people from from

137

00:06:04,629 --> 00:06:02,479

richard dolan members

138

00:06:07,590 --> 00:06:04,639

you know we we meet at this diner in

139

00:06:09,830 --> 00:06:07,600

midtown manhattan and this is just a few

140

00:06:12,550 --> 00:06:09,840

months before the pandemic started

141

00:06:14,710 --> 00:06:12,560

and uh so yeah pre-pandemic we're all

142

00:06:16,870 --> 00:06:14,720

kind of like elbow to elbow with coffee

143

00:06:18,150 --> 00:06:16,880

in the pie as kristen was saying

144

00:06:20,870 --> 00:06:18,160

and i can't remember i think it was

145

00:06:23,029 --> 00:06:20,880

kirsten i think you asked the question

146

00:06:25,909 --> 00:06:23,039

for us to go around the table and say

147

00:06:28,629 --> 00:06:25,919

how we got into ufology like what like

148

00:06:29,670 --> 00:06:28,639

how we got into looking at the field

149

00:06:33,189 --> 00:06:29,680

and

150

00:06:35,029 --> 00:06:33,199

i was the last to go as i recall

151
00:06:36,790 --> 00:06:35,039
so i'm just thinking to myself

152
00:06:38,550 --> 00:06:36,800
so i'm i'm just thinking to myself like

153
00:06:40,870 --> 00:06:38,560
do i tell the truth that i'm an

154
00:06:43,670 --> 00:06:40,880
experiencer that i've interacted

155
00:06:45,670 --> 00:06:43,680
with some of these non-human entities

156
00:06:47,029 --> 00:06:45,680
i'd never done that before with people i

157
00:06:49,189 --> 00:06:47,039
didn't know

158
00:06:51,189 --> 00:06:49,199
and with each person answering the

159
00:06:52,790 --> 00:06:51,199
question like going around this table

160
00:06:55,510 --> 00:06:52,800
i'm like really feeling the heat you

161
00:06:57,510 --> 00:06:55,520
know i i realize i'm last my hands are

162
00:06:59,510 --> 00:06:57,520
shaking under the table i'm thinking i

163
00:07:00,629 --> 00:06:59,520

don't want to lie about this

164

00:07:01,830 --> 00:07:00,639

and

165

00:07:03,189 --> 00:07:01,840

you know if anybody's going to

166

00:07:06,070 --> 00:07:03,199

understand it's probably going to be

167

00:07:07,749 --> 00:07:06,080

these people and i'm thinking myself i'm

168

00:07:09,350 --> 00:07:07,759

40 years old

169

00:07:11,350 --> 00:07:09,360

i've generally had this stuff bottled up

170

00:07:13,510 --> 00:07:11,360

since i was a kid it's not a super

171

00:07:14,830 --> 00:07:13,520

healthy way to be you know

172

00:07:19,230 --> 00:07:14,840

yeah uh

173

00:07:21,510 --> 00:07:19,240

so it was like an uh impulsive

174

00:07:23,670 --> 00:07:21,520

anxiety-fueled experiment

175

00:07:25,430 --> 00:07:23,680

in the moment i guess but i did it i

176

00:07:27,589 --> 00:07:25,440

just blurted blurted out some like word

177

00:07:29,350 --> 00:07:27,599

salad about how i'd had experiences

178

00:07:31,430 --> 00:07:29,360

myself

179

00:07:33,189 --> 00:07:31,440

and so of course i started researching

180

00:07:35,589 --> 00:07:33,199

everything i could so i could understand

181

00:07:37,430 --> 00:07:35,599

what the hell was going on with my life

182

00:07:39,270 --> 00:07:37,440

and it really worked out like kirsten

183

00:07:41,430 --> 00:07:39,280

was super supportive every the other

184

00:07:43,350 --> 00:07:41,440

people there were very very supportive

185

00:07:45,029 --> 00:07:43,360

people got it or at the very least they

186

00:07:47,430 --> 00:07:45,039

were very kind about it which made a

187

00:07:48,390 --> 00:07:47,440

huge impact and it made a huge

188

00:07:51,350 --> 00:07:48,400

difference

189

00:07:53,749 --> 00:07:51,360

for me and that experience of doing that

190

00:07:56,710 --> 00:07:53,759

so that experience i felt i felt like it

191

00:07:58,950 --> 00:07:56,720

really bonded kirsten and i like it was

192

00:08:01,270 --> 00:07:58,960

the very first time that chris and i saw

193

00:08:04,150 --> 00:08:01,280

each other face to face

194

00:08:05,830 --> 00:08:04,160

well um yeah that's incredible yeah

195

00:08:07,350 --> 00:08:05,840

that's the first time you saw each other

196

00:08:09,670 --> 00:08:07,360

face to face

197

00:08:11,430 --> 00:08:09,680

well yeah and actually um shortly after

198

00:08:12,790 --> 00:08:11,440

that i i

199

00:08:14,950 --> 00:08:12,800

you know

200

00:08:17,589 --> 00:08:14,960

felt like jay and his wife sherry should

201
00:08:19,510 --> 00:08:17,599
come on and be hosts uh with richard

202
00:08:21,430 --> 00:08:19,520
dolan's site because um you know we had

203
00:08:24,190 --> 00:08:21,440
this great connection so they did

204
00:08:25,430 --> 00:08:24,200
which was really great and um

205
00:08:27,749 --> 00:08:25,440
[Music]

206
00:08:30,790 --> 00:08:27,759
right around that time i think jay

207
00:08:31,990 --> 00:08:30,800
that's when covid hit hard in new york

208
00:08:34,230 --> 00:08:32,000
and

209
00:08:37,110 --> 00:08:34,240
you know we had these serious lockdowns

210
00:08:39,589 --> 00:08:37,120
and the city went quiet so we decided to

211
00:08:40,630 --> 00:08:39,599
do these meetups on zoom

212
00:08:43,110 --> 00:08:40,640
and

213
00:08:44,949 --> 00:08:43,120

then we decided to open them up to all

214

00:08:47,750 --> 00:08:44,959

the members on the site so we did what

215

00:08:50,630 --> 00:08:47,760

we called a worldwide meetup and that

216

00:08:52,389 --> 00:08:50,640

morphed into you know the more jay and

217

00:08:53,910 --> 00:08:52,399

and sherry and some other members and i

218

00:08:56,310 --> 00:08:53,920

thought the more we felt like we needed

219

00:08:58,949 --> 00:08:56,320

to have an outlet for experiencers and

220

00:09:00,389 --> 00:08:58,959

one of the reasons why too was because

221

00:09:02,710 --> 00:09:00,399

you know

222

00:09:05,910 --> 00:09:02,720

researchers like richard get

223

00:09:08,470 --> 00:09:05,920

tons and tons of

224

00:09:09,670 --> 00:09:08,480

emails and um when they're at a

225

00:09:11,269 --> 00:09:09,680

conference they get approached by

226

00:09:13,030 --> 00:09:11,279

experiencers

227

00:09:15,190 --> 00:09:13,040

who want to talk about their experience

228

00:09:16,630 --> 00:09:15,200

they want to talk to the right person so

229

00:09:19,110 --> 00:09:16,640

there wasn't you know there wasn't a

230

00:09:21,269 --> 00:09:19,120

whole lot of i mean they couldn't handle

231

00:09:23,910 --> 00:09:21,279

all this all these accounts that were

232

00:09:25,509 --> 00:09:23,920

coming in and so um

233

00:09:27,590 --> 00:09:25,519

you know jay came up with this idea of

234

00:09:29,829 --> 00:09:27,600

doing an experiencers meetup so we

235

00:09:33,509 --> 00:09:29,839

started that way and um you know i can

236

00:09:37,750 --> 00:09:33,519

let jay sort of take it from there

237

00:09:39,430 --> 00:09:37,760

sure we we um i mean we

238

00:09:41,509 --> 00:09:39,440

don't forget about that guy when did

239

00:09:43,350 --> 00:09:41,519

stuart come in oh yeah he's coming he's

240

00:09:45,670 --> 00:09:43,360

coming he's coming all right

241

00:09:46,550 --> 00:09:45,680

i'm impatient he's coming

242

00:09:48,230 --> 00:09:46,560

all right

243

00:09:51,269 --> 00:09:48,240

he's off to the side

244

00:09:54,230 --> 00:09:51,279

he's swinging his back he's ready to go

245

00:09:55,910 --> 00:09:54,240

um fair enough so yeah so so richard and

246

00:09:58,230 --> 00:09:55,920

tracy were thinking like what do we do

247

00:10:00,389 --> 00:09:58,240

about the experiencers like how can we

248

00:10:01,670 --> 00:10:00,399

how can how can this work out

249

00:10:09,030 --> 00:10:01,680

and

250

00:10:10,470 --> 00:10:09,040

doing some meetups just for experiencers

251
00:10:12,150 --> 00:10:10,480
of all kinds

252
00:10:15,110 --> 00:10:12,160
no matter what uh out of body

253
00:10:17,110 --> 00:10:15,120
experiencers near-death experiencers the

254
00:10:19,030 --> 00:10:17,120
the whole gamut because

255
00:10:22,310 --> 00:10:19,040
i think one of the things that a lot of

256
00:10:25,829 --> 00:10:22,320
people in ufology don't realize is that

257
00:10:26,870 --> 00:10:25,839
a lot of experiencers

258
00:10:27,750 --> 00:10:26,880
uh

259
00:10:30,550 --> 00:10:27,760
have

260
00:10:33,190 --> 00:10:30,560
encounters in more than one modality

261
00:10:35,910 --> 00:10:33,200
and that used to be like a really taboo

262
00:10:37,829 --> 00:10:35,920
topic to bring up and it's more coming

263
00:10:40,230 --> 00:10:37,839

to the fore now that

264

00:10:41,509 --> 00:10:40,240

that if you experience one modality

265

00:10:43,190 --> 00:10:41,519

there is

266

00:10:45,430 --> 00:10:43,200

a lot of likelihood that you may

267

00:10:46,550 --> 00:10:45,440

experience another one

268

00:10:47,350 --> 00:10:46,560

and so

269

00:10:50,870 --> 00:10:47,360

in

270

00:10:53,430 --> 00:10:50,880

people we recognize that

271

00:10:55,350 --> 00:10:53,440

and so we proposed immediately having

272

00:10:57,509 --> 00:10:55,360

two groups because we realized that

273

00:10:58,710 --> 00:10:57,519

there was a lot of need

274

00:11:02,470 --> 00:10:58,720

and so

275

00:11:05,829 --> 00:11:02,480

one of them was mainly people that

276
00:11:08,150 --> 00:11:05,839
had um non-human entity encounters like

277
00:11:09,670 --> 00:11:08,160
abductees and things like that

278
00:11:11,990 --> 00:11:09,680
and um

279
00:11:12,870 --> 00:11:12,000
and because

280
00:11:14,790 --> 00:11:12,880
we

281
00:11:17,110 --> 00:11:14,800
those needs the needs for those people

282
00:11:18,710 --> 00:11:17,120
are really different right yeah they're

283
00:11:19,590 --> 00:11:18,720
a little they can be a little different

284
00:11:21,509 --> 00:11:19,600
and

285
00:11:24,069 --> 00:11:21,519
we recognized immediately that we didn't

286
00:11:25,509 --> 00:11:24,079
want to there to be

287
00:11:26,949 --> 00:11:25,519
um

288
00:11:30,069 --> 00:11:26,959

that it could be

289

00:11:32,550 --> 00:11:30,079

no pun intended but alienating to have

290

00:11:35,030 --> 00:11:32,560

everybody together considering that the

291

00:11:37,110 --> 00:11:35,040

very specific needs of the kind of

292

00:11:39,269 --> 00:11:37,120

ontological shock and trauma that can

293

00:11:40,630 --> 00:11:39,279

happen for abductees and other people

294

00:11:44,550 --> 00:11:40,640

like that

295

00:11:46,230 --> 00:11:44,560

so we did two groups immediately and

296

00:11:48,150 --> 00:11:46,240

i you know

297

00:11:49,350 --> 00:11:48,160

according to

298

00:11:52,949 --> 00:11:49,360

myself

299

00:11:55,190 --> 00:11:52,959

and most and folks involved like i it

300

00:11:57,509 --> 00:11:55,200

it just there was so much energy right

301
00:12:00,069 --> 00:11:57,519
at the outset right at the outside there

302
00:12:02,470 --> 00:12:00,079
is so much energy and stewart

303
00:12:04,389 --> 00:12:02,480
who i'd love to bring in

304
00:12:07,509 --> 00:12:04,399
was right there in the very first

305
00:12:10,629 --> 00:12:07,519
meeting of of non-human entities like

306
00:12:11,509 --> 00:12:10,639
our original group 2 meeting

307
00:12:13,269 --> 00:12:11,519
um

308
00:12:17,430 --> 00:12:13,279
stewart would you like to say anything

309
00:12:19,829 --> 00:12:18,790
well i

310
00:12:22,310 --> 00:12:19,839
i

311
00:12:25,590 --> 00:12:22,320
up

312
00:12:27,430 --> 00:12:25,600
the emotional component to people coming

313
00:12:28,870 --> 00:12:27,440

forward and

314

00:12:30,230 --> 00:12:28,880

speaking maybe that was behind the

315

00:12:31,509 --> 00:12:30,240

curtain before we came live on the show

316

00:12:33,590 --> 00:12:31,519

but you mentioned the emotion and i

317

00:12:34,790 --> 00:12:33,600

think that that's such a central aspect

318

00:12:38,150 --> 00:12:34,800

to

319

00:12:41,110 --> 00:12:38,160

what an experience or his process is

320

00:12:43,269 --> 00:12:41,120

first in admitting to themselves what

321

00:12:45,110 --> 00:12:43,279

may have transpired

322

00:12:46,629 --> 00:12:45,120

and

323

00:12:49,590 --> 00:12:46,639

further going

324

00:12:51,350 --> 00:12:49,600

as jay related so beautifully in his

325

00:12:53,269 --> 00:12:51,360

account of sharing for the first time

326

00:12:55,670 --> 00:12:53,279

with anyone what it is to say it out

327

00:12:59,829 --> 00:12:55,680

loud is

328

00:13:01,269 --> 00:12:59,839

such an impactful moment and when these

329

00:13:03,350 --> 00:13:01,279

initial meetup groups were happening

330

00:13:05,509 --> 00:13:03,360

with richard dolan i think that one of

331

00:13:07,590 --> 00:13:05,519

the kinetic

332

00:13:10,150 --> 00:13:07,600

emergence and those groups is that you

333

00:13:12,470 --> 00:13:10,160

get to see and feel

334

00:13:14,069 --> 00:13:12,480

the empathetic resonance with these

335

00:13:15,910 --> 00:13:14,079

other human beings

336

00:13:17,430 --> 00:13:15,920

it happens on zoom it happens in real

337

00:13:18,949 --> 00:13:17,440

time and you can feel like oh my gosh

338

00:13:21,269 --> 00:13:18,959

someone really

339

00:13:22,310 --> 00:13:21,279

is feeling me is getting this and they

340

00:13:24,310 --> 00:13:22,320

know

341

00:13:26,870 --> 00:13:24,320

of what i speak perhaps not in the

342

00:13:28,389 --> 00:13:26,880

duplicate identical form but

343

00:13:29,829 --> 00:13:28,399

everyone's been there in some form or

344

00:13:32,550 --> 00:13:29,839

another so

345

00:13:34,389 --> 00:13:32,560

when i came to those initial meetups it

346

00:13:36,389 --> 00:13:34,399

seemed to be

347

00:13:39,350 --> 00:13:36,399

closing a loop on a question that had

348

00:13:41,350 --> 00:13:39,360

been open in my life for decades because

349

00:13:43,829 --> 00:13:41,360

for me this goes back to

350

00:13:46,470 --> 00:13:43,839

you know decades back john mack knowing

351

00:13:48,949 --> 00:13:46,480

the experiencers he introduced me to

352

00:13:50,389 --> 00:13:48,959

becoming one myself later on in life and

353

00:13:52,389 --> 00:13:50,399

i think that jane kirsten and i just

354

00:13:55,269 --> 00:13:52,399

kind of looked at each other and thought

355

00:13:57,910 --> 00:13:55,279

right away wow why isn't this

356

00:14:00,230 --> 00:13:57,920

totally a thing all over the planet why

357

00:14:03,350 --> 00:14:00,240

isn't this more

358

00:14:05,829 --> 00:14:03,360

centrally organized or located like a

359

00:14:07,350 --> 00:14:05,839

a haven you can walk into easily and

360

00:14:09,430 --> 00:14:07,360

know you're among

361

00:14:11,750 --> 00:14:09,440

friends and you're safe and it's

362

00:14:13,829 --> 00:14:11,760

discreet so that's how i entered into

363

00:14:15,189 --> 00:14:13,839

the picture i fell in love right away i

364

00:14:17,910 --> 00:14:15,199

mean you're right you take one look at

365

00:14:19,910 --> 00:14:17,920

jay and then you take a look at kirsten

366

00:14:21,750 --> 00:14:19,920

and you just drape your arms around the

367

00:14:24,230 --> 00:14:21,760

two of them and you let them carry you

368

00:14:27,030 --> 00:14:24,240

forward into the night

369

00:14:28,949 --> 00:14:27,040

that's kind of what happened spiritually

370

00:14:31,590 --> 00:14:28,959

well so far i mean i've picked up on

371

00:14:32,710 --> 00:14:31,600

some really really great things um the

372

00:14:34,870 --> 00:14:32,720

first one

373

00:14:37,189 --> 00:14:34,880

jay you talked about having

374

00:14:40,150 --> 00:14:37,199

you know kind of almost different

375

00:14:41,269 --> 00:14:40,160

sections of this where one that

376

00:14:44,310 --> 00:14:41,279

has seen

377

00:14:47,430 --> 00:14:44,320

uh beings or entities um and right away

378

00:14:50,310 --> 00:14:47,440

i thought that's awesome because if you

379

00:14:51,910 --> 00:14:50,320

know if i was involved in this i

380

00:14:54,470 --> 00:14:51,920

wouldn't feel

381

00:14:57,030 --> 00:14:54,480

a part of that because i haven't really

382

00:14:59,509 --> 00:14:57,040

you know like my experience was more

383

00:15:01,910 --> 00:14:59,519

like dream relating consciousness and

384

00:15:03,829 --> 00:15:01,920

seeing things around it and

385

00:15:06,790 --> 00:15:03,839

you know it'd be hard to

386

00:15:08,629 --> 00:15:06,800

relate or express yourself and then stew

387

00:15:10,710 --> 00:15:08,639

the emotional aspect of this and

388

00:15:12,470 --> 00:15:10,720

mentioning it sorry i call you stu i

389

00:15:13,910 --> 00:15:12,480

know a couple of students i'll call you

390

00:15:16,389 --> 00:15:13,920

stuart

391

00:15:19,990 --> 00:15:16,399

you can say steal it's fine okay all

392

00:15:25,910 --> 00:15:23,350

you can call me scene that's fine

393

00:15:28,949 --> 00:15:25,920

but yeah the emotional aspect of it um

394

00:15:31,990 --> 00:15:28,959

the first time that um i said it out

395

00:15:36,150 --> 00:15:32,000

loud was on this very

396

00:15:38,069 --> 00:15:36,160

this very uh cast and it was so

397

00:15:40,550 --> 00:15:38,079

like kind of emotional i wound up having

398

00:15:42,629 --> 00:15:40,560

a i just took it down

399

00:15:44,949 --> 00:15:42,639

um and then debated with putting it back

400

00:15:46,949 --> 00:15:44,959

up and then going back and forth and

401
00:15:48,949 --> 00:15:46,959
um it's just a hard thing to accept you

402
00:15:51,269 --> 00:15:48,959
know at this point i'm fully

403
00:15:53,189 --> 00:15:51,279
accepting of it but it wasn't easy so i

404
00:15:55,110 --> 00:15:53,199
appreciate you guys you know hitting

405
00:15:56,870 --> 00:15:55,120
home on those points because i think

406
00:15:59,269 --> 00:15:56,880
it's important so

407
00:16:00,710 --> 00:15:59,279
i didn't mean to interrupt stuart but um

408
00:16:03,269 --> 00:16:00,720
if somebody wants to pick it up and go

409
00:16:06,389 --> 00:16:03,279
from there um i guess

410
00:16:09,829 --> 00:16:08,710
yeah i guess my next question would be

411
00:16:12,310 --> 00:16:09,839
um

412
00:16:15,509 --> 00:16:12,320
how soon did you know that you were

413
00:16:18,550 --> 00:16:15,519

really on to something and wanted to

414

00:16:19,749 --> 00:16:18,560

see it blossom even more

415

00:16:21,670 --> 00:16:19,759

well

416

00:16:23,430 --> 00:16:21,680

it was such like a really specific

417

00:16:25,910 --> 00:16:23,440

period of time you know we're talking

418

00:16:28,150 --> 00:16:25,920

about the early pandemic right

419

00:16:29,749 --> 00:16:28,160

and yeah right and of course which we're

420

00:16:32,389 --> 00:16:29,759

still kind of in feeling the effects of

421

00:16:34,870 --> 00:16:32,399

that right and i would say

422

00:16:37,110 --> 00:16:34,880

and when we started doing these meetings

423

00:16:39,350 --> 00:16:37,120

pretty much everyone was in a lockdown

424

00:16:40,550 --> 00:16:39,360

or kind of work from home situation

425

00:16:42,389 --> 00:16:40,560

still

426
00:16:44,069 --> 00:16:42,399
and people needed to talk they needed to

427
00:16:46,790 --> 00:16:44,079
meet people

428
00:16:47,829 --> 00:16:46,800
just and we all remember how that was

429
00:16:51,030 --> 00:16:47,839
right

430
00:16:53,749 --> 00:16:51,040
and i think that the stress of people

431
00:16:55,749 --> 00:16:53,759
the stress of the future and the

432
00:16:58,710 --> 00:16:55,759
unknowingness of what we were getting

433
00:17:02,069 --> 00:16:58,720
ourselves into back then mixed with the

434
00:17:05,750 --> 00:17:02,079
stress for experiencers of keeping these

435
00:17:08,069 --> 00:17:05,760
encounters these these situations secret

436
00:17:09,829 --> 00:17:08,079
you know there was an internal and an

437
00:17:12,309 --> 00:17:09,839
external pressure

438
00:17:14,390 --> 00:17:12,319

that i think pretty much everyone was

439

00:17:15,350 --> 00:17:14,400

feeling in their own unique ways back

440

00:17:17,110 --> 00:17:15,360

then

441

00:17:18,870 --> 00:17:17,120

and probably so are

442

00:17:22,309 --> 00:17:18,880

but i think

443

00:17:24,390 --> 00:17:22,319

that there was an a unique color to that

444

00:17:27,750 --> 00:17:24,400

for experiencers

445

00:17:31,110 --> 00:17:27,760

in our situation that

446

00:17:33,430 --> 00:17:31,120

really brought a spotlight to

447

00:17:35,270 --> 00:17:33,440

something that needed to happen

448

00:17:38,630 --> 00:17:35,280

you know these sessions would go all

449

00:17:40,950 --> 00:17:38,640

over the place long sprawling

450

00:17:42,870 --> 00:17:40,960

amazing discussions some of them would

451
00:17:44,789 --> 00:17:42,880
as kirsten was saying they would run

452
00:17:47,190 --> 00:17:44,799
five hours sometimes longer sometimes

453
00:17:49,190 --> 00:17:47,200
six hours and of course that was

454
00:17:51,750 --> 00:17:49,200
something that before the pandemic or

455
00:17:53,510 --> 00:17:51,760
maybe even now where we are right now it

456
00:17:55,669 --> 00:17:53,520
wouldn't be really able to happen but

457
00:17:58,070 --> 00:17:55,679
right then that kind of

458
00:17:58,830 --> 00:17:58,080
that that there was there was an opening

459
00:18:01,430 --> 00:17:58,840
there

460
00:18:05,430 --> 00:18:01,440
that felt

461
00:18:06,470 --> 00:18:05,440
needed and necessary

462
00:18:07,270 --> 00:18:06,480
um

463
00:18:09,430 --> 00:18:07,280

and

464

00:18:11,110 --> 00:18:09,440

uh we were dealing with some like really

465

00:18:13,430 --> 00:18:11,120

tough cases we were dealing with some

466

00:18:15,830 --> 00:18:13,440

really amazing you know some people

467

00:18:18,870 --> 00:18:15,840

that it's just all like cosmic high

468

00:18:21,270 --> 00:18:18,880

fives right like

469

00:18:23,029 --> 00:18:21,280

a hundred percent of the time you know

470

00:18:24,950 --> 00:18:23,039

that it just it just feels like

471

00:18:26,549 --> 00:18:24,960

everything is it's smooth sailing and

472

00:18:27,669 --> 00:18:26,559

then there are some tough cases you know

473

00:18:29,990 --> 00:18:27,679

people that

474

00:18:31,270 --> 00:18:30,000

couldn't get rid of like poltergeist

475

00:18:33,590 --> 00:18:31,280

type energy

476
00:18:34,950 --> 00:18:33,600
yeah stuff like that people that had

477
00:18:37,990 --> 00:18:34,960
really deep

478
00:18:40,310 --> 00:18:38,000
trauma from abduction encounters

479
00:18:44,230 --> 00:18:40,320
and stuart has a private practice doing

480
00:18:49,669 --> 00:18:47,029
and was a

481
00:18:51,830 --> 00:18:49,679
vitally important person in those early

482
00:18:53,510 --> 00:18:51,840
private meetup sessions

483
00:18:55,350 --> 00:18:53,520
so chris and i were like let's get

484
00:18:57,029 --> 00:18:55,360
stuart on a call

485
00:18:59,110 --> 00:18:57,039
and pick his brain

486
00:19:02,230 --> 00:18:59,120
about what we can do

487
00:19:03,830 --> 00:19:02,240
to help out with these tough cases

488
00:19:05,590 --> 00:19:03,840

where it seems like

489

00:19:07,029 --> 00:19:05,600

it needs to go further

490

00:19:08,470 --> 00:19:07,039

if there's a way we can point point to

491

00:19:09,909 --> 00:19:08,480

resources

492

00:19:11,350 --> 00:19:09,919

that's great you didn't just throw in

493

00:19:12,630 --> 00:19:11,360

the towel because a lot of people would

494

00:19:14,470 --> 00:19:12,640

have at that point

495

00:19:15,590 --> 00:19:14,480

and said that's a little too much for me

496

00:19:18,070 --> 00:19:15,600

you know

497

00:19:20,070 --> 00:19:18,080

yeah and i think that that's that's

498

00:19:22,390 --> 00:19:20,080

where it's been for a lot of people for

499

00:19:25,270 --> 00:19:22,400

years for maybe decades

500

00:19:28,470 --> 00:19:25,280

and researchers themselves ufologist

501
00:19:29,909 --> 00:19:28,480
researchers are often in that boat too

502
00:19:32,710 --> 00:19:29,919
because

503
00:19:34,230 --> 00:19:32,720
frankly a lot of them are they're okay

504
00:19:36,070 --> 00:19:34,240
with the history they're okay with

505
00:19:38,310 --> 00:19:36,080
document finding they're okay with

506
00:19:39,669 --> 00:19:38,320
trying to pull things together but some

507
00:19:41,430 --> 00:19:39,679
of them don't necessarily have the

508
00:19:42,950 --> 00:19:41,440
emotional toolbox to deal with these

509
00:19:45,750 --> 00:19:42,960
kinds of cases

510
00:19:46,710 --> 00:19:45,760
you know it's a very specific skill set

511
00:19:56,630 --> 00:19:46,720
and

512
00:19:57,590 --> 00:19:56,640
stewart was at the top of the list

513
00:20:00,150 --> 00:19:57,600

and so

514

00:20:01,350 --> 00:20:00,160

uh we organized this uh we just had the

515

00:20:02,390 --> 00:20:01,360

zoom call

516

00:20:04,789 --> 00:20:02,400

and

517

00:20:07,029 --> 00:20:04,799

it became like a really kind of pivotal

518

00:20:09,430 --> 00:20:07,039

moment i guess i don't know if kirsten

519

00:20:11,190 --> 00:20:09,440

or stewart would like to comment on that

520

00:20:15,350 --> 00:20:11,200

but how that went

521

00:20:19,430 --> 00:20:16,950

i we did we

522

00:20:22,549 --> 00:20:19,440

we were going back and forth together on

523

00:20:25,029 --> 00:20:22,559

this with this particular problem um

524

00:20:26,630 --> 00:20:25,039

and and stuart definitely was on the top

525

00:20:28,549 --> 00:20:26,640

of the list and when we got on on the

526

00:20:30,630 --> 00:20:28,559

calls with him i think there were more

527

00:20:32,230 --> 00:20:30,640

than one but one in particular where we

528

00:20:36,789 --> 00:20:32,240

just kind of felt like

529

00:20:40,230 --> 00:20:36,799

um okay maybe this needs to be its own

530

00:20:42,870 --> 00:20:40,240

thing and maybe something maybe we can

531

00:20:43,669 --> 00:20:42,880

work with this and expand it if we do

532

00:20:47,190 --> 00:20:43,679

this

533

00:20:49,270 --> 00:20:47,200

for experiencers specifically um

534

00:20:50,310 --> 00:20:49,280

and that was sort of this moment i think

535

00:20:53,350 --> 00:20:50,320

we can

536

00:20:54,870 --> 00:20:53,360

all agree was this kind of aha moment

537

00:20:55,990 --> 00:20:54,880

of inspiration

538

00:20:59,110 --> 00:20:56,000

um where

539

00:21:00,789 --> 00:20:59,120

we felt like this little baby was being

540

00:21:02,950 --> 00:21:00,799

birthed and

541

00:21:05,430 --> 00:21:02,960

and then everything started to fall into

542

00:21:07,510 --> 00:21:05,440

place i think i

543

00:21:09,669 --> 00:21:07,520

really did it really did and stuart i'd

544

00:21:13,110 --> 00:21:09,679

love to get your thoughts on this too

545

00:21:16,470 --> 00:21:15,110

yeah i completely concur

546

00:21:19,510 --> 00:21:16,480

i think that it was

547

00:21:21,190 --> 00:21:19,520

an exercise of the three of us really

548

00:21:22,390 --> 00:21:21,200

just listening

549

00:21:23,990 --> 00:21:22,400

almost

550

00:21:25,270 --> 00:21:24,000

in a

551
00:21:28,070 --> 00:21:25,280
day-to-day

552
00:21:30,870 --> 00:21:28,080
a few weeks probably we spent

553
00:21:31,990 --> 00:21:30,880
in a meditative kind of listening and

554
00:21:34,470 --> 00:21:32,000
feeling

555
00:21:36,630 --> 00:21:34,480
about what is it that really would help

556
00:21:37,430 --> 00:21:36,640
experiences where are

557
00:21:39,909 --> 00:21:37,440
the

558
00:21:40,789 --> 00:21:39,919
voids and craters

559
00:21:42,630 --> 00:21:40,799
and

560
00:21:45,590 --> 00:21:42,640
if they were to

561
00:21:47,909 --> 00:21:45,600
assemble a menu of helpful items

562
00:21:49,190 --> 00:21:47,919
and presents to us how could we respond

563
00:21:51,430 --> 00:21:49,200

then by

564

00:21:54,950 --> 00:21:51,440

putting together a place in a community

565

00:21:56,549 --> 00:21:54,960

that expressly from day one

566

00:21:59,029 --> 00:21:56,559

had those pieces

567

00:22:01,190 --> 00:21:59,039

in play so

568

00:22:02,789 --> 00:22:01,200

that's what we felt inspired to do

569

00:22:04,310 --> 00:22:02,799

immediately this is really one of those

570

00:22:06,870 --> 00:22:04,320

situations and sean i'm sure you can

571

00:22:09,430 --> 00:22:06,880

relate to it it's like oftentimes we

572

00:22:11,909 --> 00:22:09,440

build the things that we wish deeply to

573

00:22:13,830 --> 00:22:11,919

exist in the world right we we make the

574

00:22:14,710 --> 00:22:13,840

arts or we build the community that we

575

00:22:16,310 --> 00:22:14,720

need

576

00:22:17,909 --> 00:22:16,320

i i can't speak

577

00:22:19,190 --> 00:22:17,919

kirsten beyond the fact that i do think

578

00:22:20,230 --> 00:22:19,200

all three of us

579

00:22:22,390 --> 00:22:20,240

were

580

00:22:23,990 --> 00:22:22,400

deeply desirous of

581

00:22:25,190 --> 00:22:24,000

this kind of community this kind of

582

00:22:28,310 --> 00:22:25,200

connection

583

00:22:30,149 --> 00:22:28,320

some of it being really simple no trolls

584

00:22:31,270 --> 00:22:30,159

no mean-spiritedness

585

00:22:33,430 --> 00:22:31,280

none of that

586

00:22:34,950 --> 00:22:33,440

chicanery underhandedness

587

00:22:36,870 --> 00:22:34,960

you don't have to agree with everyone at

588

00:22:38,789 --> 00:22:36,880

all but there's no

589

00:22:42,070 --> 00:22:38,799

assassination and attacking

590

00:22:44,230 --> 00:22:42,080

and the spirit of it you know love is in

591

00:22:45,830 --> 00:22:44,240

our mission statement for the

592

00:22:47,430 --> 00:22:45,840

experienter group

593

00:22:49,990 --> 00:22:47,440

i think all three of us

594

00:22:52,149 --> 00:22:50,000

feel as committed and exuberant about

595

00:22:54,789 --> 00:22:52,159

that as we did day one

596

00:22:56,549 --> 00:22:54,799

so really yeah building the experience

597

00:22:58,549 --> 00:22:56,559

of group community was just listening

598

00:22:59,590 --> 00:22:58,559

what our experience are saying what do

599

00:23:02,870 --> 00:22:59,600

they wish

600

00:23:04,310 --> 00:23:02,880

was there that isn't and how can we help

601
00:23:05,750 --> 00:23:04,320
formulate that

602
00:23:07,029 --> 00:23:05,760
and you're right like like you had

603
00:23:09,110 --> 00:23:07,039
touched on there once you start doing

604
00:23:10,310 --> 00:23:09,120
that you follow that passion and your

605
00:23:12,070 --> 00:23:10,320
soul's

606
00:23:14,149 --> 00:23:12,080
an integer in the equation if not the

607
00:23:17,669 --> 00:23:14,159
whole equation itself

608
00:23:19,350 --> 00:23:17,679
the response from the universe from your

609
00:23:23,909 --> 00:23:19,360
local neighborhood

610
00:23:27,590 --> 00:23:25,830
i can say in all my

611
00:23:30,710 --> 00:23:27,600
years playing music writing music

612
00:23:34,149 --> 00:23:30,720
recording performing all of that um i

613
00:23:35,190 --> 00:23:34,159

have never had as much positive feedback

614

00:23:37,110 --> 00:23:35,200

as i

615

00:23:39,270 --> 00:23:37,120

have doing this

616

00:23:40,950 --> 00:23:39,280

you know it's it's

617

00:23:43,909 --> 00:23:40,960

and i wouldn't be here without

618

00:23:46,070 --> 00:23:43,919

coronavirus i literally had a brand new

619

00:23:48,390 --> 00:23:46,080

record that i pressed for the very first

620

00:23:50,230 --> 00:23:48,400

time never done that before and had a

621

00:23:52,950 --> 00:23:50,240

show and everything and i was going and

622

00:23:56,149 --> 00:23:52,960

rehearsing and so ready and it was in

623

00:23:59,350 --> 00:23:56,159

april of 2020 was was the show

624

00:24:01,750 --> 00:23:59,360

and in march everything shut down

625

00:24:03,510 --> 00:24:01,760

and i couldn't do it and i was just like

626
00:24:05,830 --> 00:24:03,520
freaking

627
00:24:07,669 --> 00:24:05,840
it you know and then everyone's playing

628
00:24:09,190 --> 00:24:07,679
music and streaming and everything in

629
00:24:11,350 --> 00:24:09,200
their shows and i was like that's not

630
00:24:13,269 --> 00:24:11,360
what i want to do you know i want to

631
00:24:16,830 --> 00:24:13,279
connect with people and that's why i

632
00:24:19,830 --> 00:24:16,840
perform and so i was

633
00:24:21,990 --> 00:24:19,840
um you know

634
00:24:23,590 --> 00:24:22,000
i don't know i was just trying to find

635
00:24:26,470 --> 00:24:23,600
myself i guess and

636
00:24:29,669 --> 00:24:26,480
and something found me it seems like so

637
00:24:31,590 --> 00:24:29,679
um here i am but yeah you know it's it's

638
00:24:33,909 --> 00:24:31,600

nice to hear that

639

00:24:36,630 --> 00:24:33,919

you know agree agreeable

640

00:24:38,310 --> 00:24:36,640

things uh with you guys for sure and uh

641

00:24:39,990 --> 00:24:38,320

you don't have to agree with everyone

642

00:24:43,750 --> 00:24:40,000

either at that aspect that you mentioned

643

00:24:45,190 --> 00:24:43,760

that's huge like one of my big things is

644

00:24:47,830 --> 00:24:45,200

you don't have to agree with them you

645

00:24:50,310 --> 00:24:47,840

don't even have to believe them to just

646

00:24:51,269 --> 00:24:50,320

show love and be polite and respectful

647

00:24:52,870 --> 00:24:51,279

you know

648

00:24:56,789 --> 00:24:52,880

there's no reason

649

00:24:58,870 --> 00:24:56,799

um to to you know show hatred or or

650

00:25:01,590 --> 00:24:58,880

meanness or crudeness

651
00:25:02,549 --> 00:25:01,600
to people that are are not hurting you

652
00:25:04,870 --> 00:25:02,559
at all

653
00:25:06,870 --> 00:25:04,880
you know there's just no reason

654
00:25:09,669 --> 00:25:06,880
um so i love everything you guys are

655
00:25:10,950 --> 00:25:09,679
doing and saying so yeah

656
00:25:12,630 --> 00:25:10,960
um

657
00:25:14,549 --> 00:25:12,640
tell me about

658
00:25:17,190 --> 00:25:14,559
if you don't mind

659
00:25:22,149 --> 00:25:20,149
now when you guys started with um miss

660
00:25:24,470 --> 00:25:22,159
leslie keenan ralph blumenthal tell me

661
00:25:26,950 --> 00:25:24,480
about that part of it

662
00:25:28,390 --> 00:25:26,960
okay sure

663
00:25:30,710 --> 00:25:28,400

you don't um

664

00:25:33,430 --> 00:25:30,720

it'd be i'd be curious to hear kristen

665

00:25:36,149 --> 00:25:33,440

stewart's take on this as well but

666

00:25:38,950 --> 00:25:36,159

along with what stewart was just saying

667

00:25:41,909 --> 00:25:38,960

just in setting things up just setting

668

00:25:44,950 --> 00:25:41,919

these parameters up setting the site up

669

00:25:47,430 --> 00:25:44,960

um that happened over january and we

670

00:25:48,230 --> 00:25:47,440

opened the doors privately to

671

00:25:52,149 --> 00:25:48,240

uh

672

00:25:55,750 --> 00:25:52,159

a beta group of people a group of people

673

00:25:57,110 --> 00:25:55,760

we invited it was only maybe 100 people

674

00:25:58,710 --> 00:25:57,120

at most

675

00:26:02,070 --> 00:25:58,720

of which

676
00:26:04,070 --> 00:26:02,080
about 60 or 70 participated in that very

677
00:26:05,190 --> 00:26:04,080
first month or something like that

678
00:26:06,870 --> 00:26:05,200
um but

679
00:26:08,630 --> 00:26:06,880
even within those first couple months

680
00:26:14,149 --> 00:26:08,640
there was

681
00:26:16,710 --> 00:26:14,159
and i don't mean to sound

682
00:26:20,149 --> 00:26:16,720
big here but there's a lot of like

683
00:26:21,669 --> 00:26:20,159
intellectual firepower coming in hot

684
00:26:23,990 --> 00:26:21,679
right at the outset

685
00:26:26,390 --> 00:26:24,000
it felt like and we don't we don't

686
00:26:28,710 --> 00:26:26,400
mention a lot of names in terms of and

687
00:26:29,830 --> 00:26:28,720
we have a policy where we don't out our

688
00:26:31,510 --> 00:26:29,840

members

689

00:26:33,110 --> 00:26:31,520

um sure

690

00:26:34,470 --> 00:26:33,120

to the largest it should be up to them

691

00:26:35,430 --> 00:26:34,480

definitely

692

00:26:38,070 --> 00:26:35,440

100

693

00:26:41,110 --> 00:26:38,080

and and so along with that we have very

694

00:26:42,950 --> 00:26:41,120

strict privacy standards so we don't

695

00:26:44,630 --> 00:26:42,960

there's only so much we can say about

696

00:26:48,070 --> 00:26:44,640

that in a way but

697

00:26:49,110 --> 00:26:48,080

but suffice to say that other people

698

00:26:51,590 --> 00:26:49,120

that are

699

00:26:53,750 --> 00:26:51,600

significant in this community that other

700

00:26:56,470 --> 00:26:53,760

people might know

701
00:26:58,950 --> 00:26:56,480
resonated with the idea that that this

702
00:27:00,149 --> 00:26:58,960
was something that was deeply needed for

703
00:27:01,669 --> 00:27:00,159
a very

704
00:27:03,430 --> 00:27:01,679
very long time

705
00:27:04,870 --> 00:27:03,440
there's been other there's been other

706
00:27:07,190 --> 00:27:04,880
groups of course

707
00:27:10,070 --> 00:27:07,200
that have met in real life and even

708
00:27:12,710 --> 00:27:10,080
online and things like that but

709
00:27:14,149 --> 00:27:12,720
for me personally as an abductee and

710
00:27:16,230 --> 00:27:14,159
experiencer

711
00:27:18,389 --> 00:27:16,240
where did i go when i was in my 20s in

712
00:27:20,630 --> 00:27:18,399
the aunts right where i looked at places

713
00:27:22,549 --> 00:27:20,640

like above top secret i looked at places

714

00:27:24,950 --> 00:27:22,559

like project avalon

715

00:27:25,750 --> 00:27:24,960

and and things like that and

716

00:27:27,990 --> 00:27:25,760

and

717

00:27:32,230 --> 00:27:28,000

um there could be good discussions there

718

00:27:35,029 --> 00:27:32,240

but the as we all know these topics

719

00:27:37,350 --> 00:27:35,039

ufology in general and especially

720

00:27:40,070 --> 00:27:37,360

anything that involves somebody having

721

00:27:43,269 --> 00:27:40,080

an actual experience for whatever reason

722

00:27:44,470 --> 00:27:43,279

it can become a toxic conversation

723

00:27:48,870 --> 00:27:44,480

so fast

724

00:27:51,029 --> 00:27:48,880

and and so we recognized that

725

00:27:52,389 --> 00:27:51,039

like there needed to be a place and

726
00:27:54,230 --> 00:27:52,399
other people

727
00:27:55,909 --> 00:27:54,240
um that that

728
00:27:59,110 --> 00:27:55,919
are much more

729
00:28:01,430 --> 00:27:59,120
decorated than me

730
00:28:03,350 --> 00:28:01,440
um felt the same way i guess

731
00:28:07,269 --> 00:28:03,360
and so we had a lot of special guests

732
00:28:09,909 --> 00:28:07,279
and and early important members and

733
00:28:11,269 --> 00:28:09,919
leslie kane was one of those people and

734
00:28:12,789 --> 00:28:11,279
um

735
00:28:15,350 --> 00:28:12,799
and she

736
00:28:16,549 --> 00:28:15,360
um she attended some really key early

737
00:28:17,669 --> 00:28:16,559
meetups

738
00:28:21,830 --> 00:28:17,679

and

739

00:28:23,590 --> 00:28:21,840

i think may have contributed to the

740

00:28:26,070 --> 00:28:23,600

relationship with ralph

741

00:28:27,830 --> 00:28:26,080

i don't know if uh stuart or kirsten

742

00:28:30,070 --> 00:28:27,840

would like to speak on that but

743

00:28:31,990 --> 00:28:30,080

leslie was also a guest on stewart's

744

00:28:34,470 --> 00:28:32,000

wonderful podcast aliens and artists

745

00:28:35,909 --> 00:28:34,480

yeah i heard that right around then

746

00:28:38,710 --> 00:28:35,919

she's my favorite

747

00:28:40,070 --> 00:28:38,720

for sure she's she's great

748

00:28:41,750 --> 00:28:40,080

i've never met her but just like

749

00:28:44,250 --> 00:28:41,760

listening to her reader own books and

750

00:28:46,310 --> 00:28:44,260

that podcast like i love this girl

751
00:28:48,310 --> 00:28:46,320
[Laughter]

752
00:28:51,510 --> 00:28:48,320
she's amazing

753
00:28:55,909 --> 00:28:51,520
uh and she's such a she's like a bright

754
00:28:58,070 --> 00:28:57,190
she's such like

755
00:29:11,510 --> 00:28:58,080
an

756
00:29:14,149 --> 00:29:11,520
about

757
00:29:15,510 --> 00:29:14,159
how to present things in a way

758
00:29:17,269 --> 00:29:15,520
that

759
00:29:19,510 --> 00:29:17,279
really reaches people

760
00:29:20,549 --> 00:29:19,520
and i think that that's incredibly

761
00:29:23,590 --> 00:29:20,559
important

762
00:29:27,510 --> 00:29:25,750
and we recognize the challenges there i

763
00:29:29,190 --> 00:29:27,520

think kirsten and stewart recognize as

764

00:29:32,389 --> 00:29:29,200

well that that

765

00:29:35,510 --> 00:29:32,399

this there's a lot of rough edges to

766

00:29:37,269 --> 00:29:35,520

experience her life there's a lot of

767

00:29:38,789 --> 00:29:37,279

things that are difficult for people to

768

00:29:40,630 --> 00:29:38,799

wrap their heads around

769

00:29:41,990 --> 00:29:40,640

there's a lot that

770

00:29:43,269 --> 00:29:42,000

that

771

00:29:44,870 --> 00:29:43,279

there's a lot of

772

00:29:47,750 --> 00:29:44,880

of

773

00:29:49,029 --> 00:29:47,760

experiential hurdles

774

00:29:51,990 --> 00:29:49,039

in terms of

775

00:29:53,669 --> 00:29:52,000

what is my life like versus what is this

776

00:29:54,549 --> 00:29:53,679

person's life like

777

00:30:00,870 --> 00:29:54,559

that

778

00:30:03,110 --> 00:30:00,880

feels like it exists sometimes between

779

00:30:04,070 --> 00:30:03,120

consensus reality and experience your

780

00:30:07,110 --> 00:30:04,080

life

781

00:30:09,669 --> 00:30:07,120

it feels like a lot of us have

782

00:30:12,070 --> 00:30:09,679

feet in two different worlds right

783

00:30:15,269 --> 00:30:12,080

and oh my god and

784

00:30:17,110 --> 00:30:15,279

leslie does a great job of articulating

785

00:30:18,950 --> 00:30:17,120

this kind of middle space

786

00:30:21,510 --> 00:30:18,960

where you can have legs

787

00:30:22,789 --> 00:30:21,520

and a body on top of those two different

788

00:30:23,830 --> 00:30:22,799

worlds

789

00:30:25,830 --> 00:30:23,840

um

790

00:30:28,070 --> 00:30:25,840

yeah uh yeah

791

00:30:30,630 --> 00:30:28,080

and i think like

792

00:30:34,630 --> 00:30:30,640

empathy is is huge especially for the

793

00:30:37,590 --> 00:30:34,640

people who haven't had experiences hey

794

00:30:39,590 --> 00:30:37,600

you should not feel like left out

795

00:30:42,070 --> 00:30:39,600

or not a part of anything because you

796

00:30:44,230 --> 00:30:42,080

didn't have an experience or you're not

797

00:30:47,190 --> 00:30:44,240

this person or that person because you

798

00:30:49,590 --> 00:30:47,200

didn't like that means nothing you know

799

00:30:51,510 --> 00:30:49,600

you are a human being and you have a

800

00:30:54,230 --> 00:30:51,520

beautiful soul that you can take

801
00:30:56,389 --> 00:30:54,240
advantage of just like the experiencers

802
00:30:58,149 --> 00:30:56,399
and people have had experiences or

803
00:30:58,870 --> 00:30:58,159
experiences um

804
00:31:01,669 --> 00:30:58,880
but

805
00:31:04,549 --> 00:31:01,679
uh one thing if you haven't and you may

806
00:31:06,149 --> 00:31:04,559
feel weird about it when you listen

807
00:31:08,070 --> 00:31:06,159
i would you know and i'm talking to

808
00:31:08,950 --> 00:31:08,080
those people i guess but

809
00:31:11,430 --> 00:31:08,960
um

810
00:31:12,310 --> 00:31:11,440
realize that at least for people like me

811
00:31:16,549 --> 00:31:12,320
um

812
00:31:18,230 --> 00:31:16,559
thinking about it

813
00:31:21,029 --> 00:31:18,240

you know and every day it's something

814

00:31:23,430 --> 00:31:21,039

that i'm not sure i'll figure out

815

00:31:25,269 --> 00:31:23,440

you know so i have to live with that and

816

00:31:26,070 --> 00:31:25,279

i wouldn't

817

00:31:30,630 --> 00:31:26,080

i

818

00:31:32,310 --> 00:31:30,640

anyone else you know

819

00:31:33,430 --> 00:31:32,320

so

820

00:31:35,509 --> 00:31:33,440

headsets

821

00:31:36,630 --> 00:31:35,519

it's a difficult thing there's there's

822

00:31:38,389 --> 00:31:36,640

there's

823

00:31:40,389 --> 00:31:38,399

it seems like this is

824

00:31:43,509 --> 00:31:40,399

having these conversations needs to

825

00:31:45,909 --> 00:31:43,519

happen not just top down not just

826
00:31:47,669 --> 00:31:45,919
as we're kind of trained to do since the

827
00:31:49,509 --> 00:31:47,679
project blue book phase where it's like

828
00:31:51,350 --> 00:31:49,519
we need to wait for the newspapers to

829
00:31:52,549 --> 00:31:51,360
tell us whether it's okay to believe in

830
00:31:54,950 --> 00:31:52,559
things

831
00:31:57,430 --> 00:31:54,960
yeah there's there's an organic level

832
00:31:59,190 --> 00:31:57,440
where this can grow up right and that

833
00:32:01,029 --> 00:31:59,200
organic level

834
00:32:02,470 --> 00:32:01,039
partially depends on

835
00:32:05,269 --> 00:32:02,480
us

836
00:32:05,990 --> 00:32:05,279
realizing that our loved ones have tried

837
00:32:09,029 --> 00:32:06,000
to

838
00:32:11,029 --> 00:32:09,039

have sometimes tried or resisted

839

00:32:12,710 --> 00:32:11,039

to speak about these things

840

00:32:15,909 --> 00:32:12,720

for decades

841

00:32:17,509 --> 00:32:15,919

there's there's almost always somebody

842

00:32:20,230 --> 00:32:17,519

in each family

843

00:32:22,789 --> 00:32:20,240

that depending on whether they're a

844

00:32:24,389 --> 00:32:22,799

revered grandmother or a black sheep

845

00:32:25,269 --> 00:32:24,399

stepbrother

846

00:32:30,710 --> 00:32:25,279

they

847

00:32:32,630 --> 00:32:30,720

the rest of the family on how these

848

00:32:34,230 --> 00:32:32,640

stories are sometimes heard and there's

849

00:32:36,470 --> 00:32:34,240

probably many other parameters that i'm

850

00:32:38,710 --> 00:32:36,480

not speaking of right now but

851
00:32:40,470 --> 00:32:38,720
there's a if we can come as you were

852
00:32:42,230 --> 00:32:40,480
saying before as if we can come at this

853
00:32:45,430 --> 00:32:42,240
from a position of respect and that's

854
00:32:47,990 --> 00:32:45,440
great but what we did from the outset

855
00:32:49,590 --> 00:32:48,000
what we realized that we needed to have

856
00:32:51,750 --> 00:32:49,600
a protected

857
00:32:52,470 --> 00:32:51,760
private environment

858
00:33:03,590 --> 00:32:52,480
to

859
00:33:04,870 --> 00:33:03,600
conversations in private that were kind

860
00:33:07,430 --> 00:33:04,880
of like

861
00:33:08,950 --> 00:33:07,440
that situation with me and kirsten in

862
00:33:11,990 --> 00:33:08,960
the diner

863
00:33:14,070 --> 00:33:12,000

where it's just where it's just

864

00:33:16,230 --> 00:33:14,080

this thing building up and you know that

865

00:33:17,830 --> 00:33:16,240

it's not you know that it's not healthy

866

00:33:19,750 --> 00:33:17,840

to bottle up that kind of energy it

867

00:33:21,909 --> 00:33:19,760

literally makes people sick

868

00:33:24,870 --> 00:33:21,919

yeah literally i think

869

00:33:27,669 --> 00:33:24,880

it makes people sick to have that that

870

00:33:28,870 --> 00:33:27,679

kind of secret hidden for years and

871

00:33:31,269 --> 00:33:28,880

years and years

872

00:33:33,269 --> 00:33:31,279

so um i'd love to hear what kirsten and

873

00:33:35,029 --> 00:33:33,279

stewart have to say about

874

00:33:37,430 --> 00:33:35,039

what we were trying to build with the

875

00:33:38,389 --> 00:33:37,440

site and with the community and anything

876

00:33:41,350 --> 00:33:38,399

like that

877

00:33:45,909 --> 00:33:41,360

uh so i will pass the baton to whoever

878

00:33:49,590 --> 00:33:47,990

uh stuart do you want to go are you

879

00:33:51,110 --> 00:33:49,600

shelly

880

00:33:54,789 --> 00:33:51,120

go ahead okay

881

00:33:57,830 --> 00:33:54,799

okay um yeah i mean everything's jay

882

00:33:59,830 --> 00:33:57,840

just said and and um you know another

883

00:34:03,830 --> 00:33:59,840

word that came up while we were

884

00:34:05,269 --> 00:34:03,840

uh setting the site up is sanctuary

885

00:34:07,350 --> 00:34:05,279

um

886

00:34:08,790 --> 00:34:07,360

and that's basically the same thing as

887

00:34:11,990 --> 00:34:08,800

sitting in a diner

888

00:34:14,069 --> 00:34:12,000

cozy um together and just feeling safe

889

00:34:15,669 --> 00:34:14,079

and knowing that the person isn't gonna

890

00:34:18,470 --> 00:34:15,679

glaze over

891

00:34:20,629 --> 00:34:18,480

they're not gonna change the subject

892

00:34:21,589 --> 00:34:20,639

they're not to walk away

893

00:34:24,230 --> 00:34:21,599

which

894

00:34:26,230 --> 00:34:24,240

so many experiencers um

895

00:34:29,430 --> 00:34:26,240

talk about you know being in a social

896

00:34:31,750 --> 00:34:29,440

setting and having this need to um

897

00:34:34,470 --> 00:34:31,760

to tell their story to someone

898

00:34:37,829 --> 00:34:34,480

and that person like literally either

899

00:34:42,069 --> 00:34:37,839

not hearing them which is always bizarre

900

00:34:44,149 --> 00:34:42,079

walking away like it's it's a strange

901
00:34:46,869 --> 00:34:44,159
barrier between

902
00:34:49,430 --> 00:34:46,879
um people who are in need of telling

903
00:34:51,589 --> 00:34:49,440
their stories and people who are not

904
00:34:55,190 --> 00:34:51,599
ready to hear their stories

905
00:34:57,030 --> 00:34:55,200
but one of the things too that we all

906
00:35:01,270 --> 00:34:57,040
often laugh about

907
00:35:04,630 --> 00:35:03,109
people who don't think they've had

908
00:35:06,470 --> 00:35:04,640
experiences

909
00:35:08,230 --> 00:35:06,480
very often say

910
00:35:09,430 --> 00:35:08,240
well there was this one thing that

911
00:35:10,790 --> 00:35:09,440
happened

912
00:35:12,790 --> 00:35:10,800
yeah and

913
00:35:14,790 --> 00:35:12,800

and then they tell this

914

00:35:16,550 --> 00:35:14,800

i mean i'm kind of i'm kind of telling

915

00:35:18,069 --> 00:35:16,560

one of stewart's stories i'm

916

00:35:19,510 --> 00:35:18,079

paraphrasing one of stewart's stories so

917

00:35:21,910 --> 00:35:19,520

i have to give him credit but but

918

00:35:23,750 --> 00:35:21,920

usually they come up with this like

919

00:35:26,069 --> 00:35:23,760

bizarre

920

00:35:26,790 --> 00:35:26,079

anomalous weird

921

00:35:28,230 --> 00:35:26,800

like

922

00:35:29,829 --> 00:35:28,240

that they've explained away with ball

923

00:35:31,270 --> 00:35:29,839

lightning or something like him how to

924

00:35:33,030 --> 00:35:31,280

be balling

925

00:35:34,069 --> 00:35:33,040

so so

926
00:35:37,349 --> 00:35:34,079
this

927
00:35:39,430 --> 00:35:37,359
we in in creating a sanctuary it's like

928
00:35:41,510 --> 00:35:39,440
everybody's there by choice everybody

929
00:35:42,550 --> 00:35:41,520
knows they're safe

930
00:35:46,630 --> 00:35:42,560
and

931
00:35:47,750 --> 00:35:46,640
what interestingly enough

932
00:35:49,670 --> 00:35:47,760
um

933
00:35:51,190 --> 00:35:49,680
in doing this work

934
00:35:53,510 --> 00:35:51,200
some people have expressed to me that

935
00:35:54,870 --> 00:35:53,520
it's changed how they approach the rest

936
00:35:56,950 --> 00:35:54,880
of their life

937
00:35:59,910 --> 00:35:56,960
they are better able to straddle these

938
00:36:02,390 --> 00:35:59,920

two worlds and actually

939

00:36:04,390 --> 00:36:02,400

give them a sort of springboard

940

00:36:05,829 --> 00:36:04,400

towards what they really want to do with

941

00:36:07,109 --> 00:36:05,839

their lives

942

00:36:08,470 --> 00:36:07,119

now this is

943

00:36:10,150 --> 00:36:08,480

keeping in mind that a lot of

944

00:36:11,430 --> 00:36:10,160

experiencers feel that they actually

945

00:36:13,270 --> 00:36:11,440

have a mission

946

00:36:16,870 --> 00:36:13,280

um that's one thing but then there's

947

00:36:18,950 --> 00:36:16,880

also we all want to have a life that is

948

00:36:20,950 --> 00:36:18,960

you know it's self-realization it's what

949

00:36:23,109 --> 00:36:20,960

we want to do it's following our bliss

950

00:36:25,109 --> 00:36:23,119

etc however you want to put it but

951
00:36:27,270 --> 00:36:25,119
someone told me that just today that

952
00:36:29,109 --> 00:36:27,280
that this group has actually given them

953
00:36:31,670 --> 00:36:29,119
a springboard to make decisions that

954
00:36:33,030 --> 00:36:31,680
feel better for themselves

955
00:36:37,910 --> 00:36:33,040
um

956
00:36:40,150 --> 00:36:37,920
yeah and then

957
00:36:41,589 --> 00:36:40,160
there's also

958
00:36:43,510 --> 00:36:41,599
when you start talking about your

959
00:36:44,870 --> 00:36:43,520
experiences in a safe environment

960
00:36:46,310 --> 00:36:44,880
sometimes you find out things from

961
00:36:48,790 --> 00:36:46,320
people like we just recently found out

962
00:36:52,069 --> 00:36:48,800
my husband and i found out that his aunt

963
00:36:54,870 --> 00:36:52,079

mimi who lives on long island and is 90

964

00:36:56,630 --> 00:36:54,880

years old has had a whole host of

965

00:36:57,670 --> 00:36:56,640

experiences in her life

966

00:36:59,270 --> 00:36:57,680

and

967

00:37:01,190 --> 00:36:59,280

never really talked about them to the

968

00:37:05,430 --> 00:37:01,200

family so that kind of stuff comes up

969

00:37:08,790 --> 00:37:07,349

it's stuart you have anything to add

970

00:37:11,270 --> 00:37:08,800

yeah

971

00:37:14,310 --> 00:37:11,280

we'll do the other

972

00:37:16,390 --> 00:37:14,320

sure we can brady bunch this thing

973

00:37:17,750 --> 00:37:16,400

until the mutilated cows come home

974

00:37:19,750 --> 00:37:17,760

um

975

00:37:21,670 --> 00:37:19,760

the

976
00:37:24,230 --> 00:37:21,680
component that arises from me and listen

977
00:37:25,430 --> 00:37:24,240
to jane kirsten share which i i confirm

978
00:37:27,510 --> 00:37:25,440
and

979
00:37:28,790 --> 00:37:27,520
share everything that they have touched

980
00:37:33,750 --> 00:37:28,800
on so far

981
00:37:37,109 --> 00:37:33,760
and it reminds me of the tempo and

982
00:37:40,870 --> 00:37:37,119
measure that is such a key

983
00:37:43,030 --> 00:37:40,880
part of how experiencers choose to tell

984
00:37:45,510 --> 00:37:43,040
their story their experiences and what

985
00:37:48,150 --> 00:37:45,520
we very often find i wouldn't quite say

986
00:37:49,349 --> 00:37:48,160
that it's universal but it's very common

987
00:37:51,109 --> 00:37:49,359
is that

988
00:37:53,750 --> 00:37:51,119

first people

989

00:37:55,430 --> 00:37:53,760

show up and a lot of this goes for the

990

00:37:57,030 --> 00:37:55,440

experience or group our community but i

991

00:37:58,790 --> 00:37:57,040

think more broadly

992

00:38:01,430 --> 00:37:58,800

across continents cultures and

993

00:38:02,950 --> 00:38:01,440

demographics in general so people

994

00:38:04,630 --> 00:38:02,960

will show up to an environment and

995

00:38:06,069 --> 00:38:04,640

they'll hang out for a long time they'll

996

00:38:08,310 --> 00:38:06,079

see if it's safe

997

00:38:10,790 --> 00:38:08,320

they'll watch how people behave over

998

00:38:12,550 --> 00:38:10,800

time in different situations and after

999

00:38:14,150 --> 00:38:12,560

there's been enough checking

1000

00:38:16,310 --> 00:38:14,160

and this could be one person with

1001
00:38:17,589 --> 00:38:16,320
another just two people it could be a

1002
00:38:19,109 --> 00:38:17,599
meetup group

1003
00:38:22,390 --> 00:38:19,119
so then they'll watch and wait for a

1004
00:38:24,870 --> 00:38:22,400
long time and then they'll try a little

1005
00:38:27,510 --> 00:38:24,880
experimental offering see how that's

1006
00:38:31,670 --> 00:38:27,520
received the process in which someone

1007
00:38:32,950 --> 00:38:31,680
may eventually arrive at disclosing

1008
00:38:34,630 --> 00:38:32,960
the

1009
00:38:36,950 --> 00:38:34,640
deep hidden heart

1010
00:38:39,349 --> 00:38:36,960
of the most meaningful

1011
00:38:41,349 --> 00:38:39,359
ontologically shocking life-changing

1012
00:38:44,310 --> 00:38:41,359
components of their experiences

1013
00:38:46,950 --> 00:38:44,320

that could be years or decades or

1014

00:38:50,230 --> 00:38:46,960

generations i mean it really

1015

00:38:52,550 --> 00:38:50,240

can be anything and we see this

1016

00:38:55,030 --> 00:38:52,560

over and over again i've lived it myself

1017

00:38:56,230 --> 00:38:55,040

you know it took me eight years to say

1018

00:38:58,230 --> 00:38:56,240

out loud

1019

00:39:00,790 --> 00:38:58,240

my experience and

1020

00:39:04,150 --> 00:39:00,800

i don't even have a face or a reputation

1021

00:39:06,630 --> 00:39:04,160

to protect you know i always say like

1022

00:39:09,030 --> 00:39:06,640

isn't that how we just uh treat life in

1023

00:39:10,870 --> 00:39:09,040

general too but this is just such such a

1024

00:39:12,950 --> 00:39:10,880

more impactful

1025

00:39:14,630 --> 00:39:12,960

thing to do even like if you're new in

1026

00:39:15,910 --> 00:39:14,640

the workplace you're

1027

00:39:18,230 --> 00:39:15,920

you know and you haven't had an

1028

00:39:20,150 --> 00:39:18,240

experience or anything you you're quiet

1029

00:39:22,069 --> 00:39:20,160

and you test the boundaries little by

1030

00:39:24,230 --> 00:39:22,079

little see if your sense of humor works

1031

00:39:26,550 --> 00:39:24,240

with this person or by saying a little

1032

00:39:31,270 --> 00:39:26,560

joke there or whatever but this is just

1033

00:39:33,510 --> 00:39:31,280

on such a larger uh scale so

1034

00:39:35,510 --> 00:39:33,520

you know at least for me i'm a lot more

1035

00:39:36,310 --> 00:39:35,520

careful you know and

1036

00:39:37,670 --> 00:39:36,320

and

1037

00:39:40,150 --> 00:39:37,680

you know tentative

1038

00:39:42,710 --> 00:39:40,160

to testing that stuff but you know to be

1039

00:39:45,349 --> 00:39:42,720

honest there's no one i can talk to in

1040

00:39:47,990 --> 00:39:45,359

real life about this i'm in milwaukee

1041

00:39:49,510 --> 00:39:48,000

you know and i don't know anybody um so

1042

00:39:51,109 --> 00:39:49,520

this is i can introduce you to people in

1043

00:39:51,990 --> 00:39:51,119

milwaukee that you can talk to though

1044

00:39:53,990 --> 00:39:52,000

sean

1045

00:39:55,109 --> 00:39:54,000

well there we go

1046

00:39:57,190 --> 00:39:55,119

they're probably right at the street

1047

00:39:59,270 --> 00:39:57,200

from you i mean not literally

1048

00:40:01,430 --> 00:39:59,280

right but yeah point

1049

00:40:02,870 --> 00:40:01,440

so importantly

1050

00:40:03,750 --> 00:40:02,880

highlighted there

1051

00:40:05,270 --> 00:40:03,760

that

1052

00:40:07,030 --> 00:40:05,280

to the experienter group and what we

1053

00:40:09,750 --> 00:40:07,040

were trying to build and what we

1054

00:40:11,510 --> 00:40:09,760

continue to try to improve is

1055

00:40:13,270 --> 00:40:11,520

what are the parts of that dynamic that

1056

00:40:16,230 --> 00:40:13,280

you just shared that we could have an

1057

00:40:17,430 --> 00:40:16,240

impact on how could we make it safer

1058

00:40:19,190 --> 00:40:17,440

sooner

1059

00:40:20,390 --> 00:40:19,200

for people what

1060

00:40:22,710 --> 00:40:20,400

could be

1061

00:40:24,790 --> 00:40:22,720

a way to configure a community in which

1062

00:40:27,589 --> 00:40:24,800

we could half the time

1063

00:40:30,390 --> 00:40:27,599

that someone has to spend

1064

00:40:31,910 --> 00:40:30,400

confirming reconfirming checking that

1065

00:40:33,510 --> 00:40:31,920

it's safe and that it's okay what if you

1066

00:40:35,990 --> 00:40:33,520

knew you're not going to lose your job

1067

00:40:37,750 --> 00:40:36,000

what if you knew your family isn't going

1068

00:40:39,589 --> 00:40:37,760

to hear you're not gonna ruin

1069

00:40:41,430 --> 00:40:39,599

thanksgiving dinner you might not lose

1070

00:40:43,190 --> 00:40:41,440

this friendship like could there be an

1071

00:40:45,109 --> 00:40:43,200

environment in which those things were

1072

00:40:48,230 --> 00:40:45,119

not the kind of questions an experience

1073

00:40:50,829 --> 00:40:48,240

or had to ask in deciding should i tell

1074

00:40:54,950 --> 00:40:50,839

should i share what happened to me

1075

00:40:56,550 --> 00:40:54,960

right i think that's beautiful

1076
00:40:57,870 --> 00:40:56,560
you guys keep rolling you're doing good

1077
00:40:59,670 --> 00:40:57,880
i'm just gonna listen

1078
00:41:03,829 --> 00:40:59,680
[Laughter]

1079
00:41:05,349 --> 00:41:03,839
100 i mean i i you know along with what

1080
00:41:07,910 --> 00:41:05,359
stewart's i

1081
00:41:11,910 --> 00:41:07,920
i often have a difficult job following

1082
00:41:13,750 --> 00:41:11,920
up stewart and i have to do it a lot uh

1083
00:41:16,630 --> 00:41:13,760
everyone has a difficult time following

1084
00:41:17,910 --> 00:41:16,640
stuart it's it's challenging but is he

1085
00:41:21,430 --> 00:41:17,920
that fast

1086
00:41:24,150 --> 00:41:21,440
so i'm not going he really is so i'm i'm

1087
00:41:27,270 --> 00:41:24,160
i'm not gonna use myself but uh there's

1088
00:41:28,390 --> 00:41:27,280

i'll just graft in some joseph campbell

1089

00:41:30,950 --> 00:41:28,400

um

1090

00:41:32,710 --> 00:41:30,960

along those lines uh joseph campbell had

1091

00:41:35,030 --> 00:41:32,720

this quote he said i don't think what

1092

00:41:37,589 --> 00:41:35,040

we're looking for is a meaning of life

1093

00:41:39,750 --> 00:41:37,599

what we're looking for is an experience

1094

00:41:42,390 --> 00:41:39,760

of being alive

1095

00:41:44,390 --> 00:41:42,400

so that the experiences that we have on

1096

00:41:47,510 --> 00:41:44,400

the physical plane

1097

00:41:49,670 --> 00:41:47,520

will have resonances within

1098

00:41:51,670 --> 00:41:49,680

yeah right and i think there's so much

1099

00:41:53,510 --> 00:41:51,680

truth i think there's so much truth to

1100

00:41:56,150 --> 00:41:53,520

that and it might even be like a more

1101

00:41:58,069 --> 00:41:56,160

utilitarian way of going about looking

1102

00:42:00,230 --> 00:41:58,079

at these big questions

1103

00:42:02,230 --> 00:42:00,240

but along those lines what gets explored

1104

00:42:03,990 --> 00:42:02,240

over and over at the experimenter group

1105

00:42:07,109 --> 00:42:04,000

is these resonances

1106

00:42:10,069 --> 00:42:07,119

resonances of the experiences themselves

1107

00:42:12,550 --> 00:42:10,079

resonances between experimenters

1108

00:42:13,990 --> 00:42:12,560

resonances with other people's

1109

00:42:14,790 --> 00:42:14,000

experiences

1110

00:42:17,990 --> 00:42:14,800

and

1111

00:42:20,309 --> 00:42:18,000

kirsten had a had a great situation of

1112

00:42:21,190 --> 00:42:20,319

that relatively recently with

1113

00:42:23,270 --> 00:42:21,200

um

1114

00:42:25,910 --> 00:42:23,280

finding somebody else in our group that

1115

00:42:29,430 --> 00:42:25,920

had a similar experience if not the same

1116

00:42:31,510 --> 00:42:29,440

experience um back in the 70s

1117

00:42:33,190 --> 00:42:31,520

wow

1118

00:42:34,550 --> 00:42:33,200

do you want me to take it from here jay

1119

00:42:36,309 --> 00:42:34,560

yeah please

1120

00:42:37,829 --> 00:42:36,319

so this is i love this i mean it's a

1121

00:42:39,990 --> 00:42:37,839

delicious story for me especially

1122

00:42:41,589 --> 00:42:40,000

because it was my own experience um but

1123

00:42:43,510 --> 00:42:41,599

this was one of those golden moments

1124

00:42:44,630 --> 00:42:43,520

where it's like oh this is really

1125

00:42:45,430 --> 00:42:44,640

working

1126

00:42:48,069 --> 00:42:45,440

um

1127

00:42:52,069 --> 00:42:48,079

i had an angel hair experience in

1128

00:42:55,030 --> 00:42:52,079

probably between 1973 and 1975

1129

00:42:58,390 --> 00:42:55,040

their ish when i was a child that i was

1130

00:42:59,430 --> 00:42:58,400

a child in the 70s uh in the bay area

1131

00:43:02,790 --> 00:42:59,440

and

1132

00:43:05,750 --> 00:43:02,800

angel hair is uh this gelatinous

1133

00:43:07,670 --> 00:43:05,760

substance that um

1134

00:43:10,470 --> 00:43:07,680

falls from the sky

1135

00:43:13,670 --> 00:43:10,480

and was mostly documented between the

1136

00:43:15,109 --> 00:43:13,680

50s and the 70s and it often would fall

1137

00:43:17,030 --> 00:43:15,119

from the sky

1138

00:43:19,750 --> 00:43:17,040

after a ufo sighting

1139

00:43:20,710 --> 00:43:19,760

and it would dissolve when touched

1140

00:43:21,910 --> 00:43:20,720

um

1141

00:43:24,390 --> 00:43:21,920

and

1142

00:43:26,390 --> 00:43:24,400

there's dig into the angel hair thing

1143

00:43:28,069 --> 00:43:26,400

it's very interesting so this happened

1144

00:43:30,630 --> 00:43:28,079

to me i was a little kid and it happened

1145

00:43:32,069 --> 00:43:30,640

to me and they were they the teachers

1146

00:43:34,230 --> 00:43:32,079

tried to explain it away by saying

1147

00:43:36,390 --> 00:43:34,240

spider webs but spider webs don't

1148

00:43:38,790 --> 00:43:36,400

dissolve in your fingertips right

1149

00:43:41,750 --> 00:43:38,800

so i was talking about this uh in a

1150

00:43:43,670 --> 00:43:41,760

meeting and uh i have permission to talk

1151
00:43:47,030 --> 00:43:43,680
about this from the other member and

1152
00:43:49,910 --> 00:43:47,040
i've spoken about it publicly um

1153
00:43:53,349 --> 00:43:49,920
she said oh this happened to me too and

1154
00:43:55,589 --> 00:43:53,359
i was in california and i tasted it

1155
00:43:58,470 --> 00:43:55,599
because she was a kid

1156
00:44:01,430 --> 00:43:58,480
and her brother you know

1157
00:44:02,630 --> 00:44:01,440
dared her to taste it and she tasted it

1158
00:44:04,390 --> 00:44:02,640
so

1159
00:44:06,230 --> 00:44:04,400
we were like oh okay this thing happened

1160
00:44:08,790 --> 00:44:06,240
in california then she digs in and she

1161
00:44:10,710 --> 00:44:08,800
starts asking her family more about it

1162
00:44:13,030 --> 00:44:10,720
and she finds out not only did it happen

1163
00:44:15,030 --> 00:44:13,040

in california around the same time it

1164

00:44:17,990 --> 00:44:15,040

probably happened in the same year and

1165

00:44:20,470 --> 00:44:18,000

it was in exactly the same city probably

1166

00:44:22,790 --> 00:44:20,480

just about a mile and a half away

1167

00:44:25,430 --> 00:44:22,800

wow and since then we've also and she

1168

00:44:27,750 --> 00:44:25,440

was on vacation in palo alto which is

1169

00:44:28,950 --> 00:44:27,760

exactly where it happened um

1170

00:44:33,109 --> 00:44:28,960

so

1171

00:44:34,790 --> 00:44:33,119

that sent me a note on instagram saying

1172

00:44:36,309 --> 00:44:34,800

i was in san jose and this happened as

1173

00:44:37,829 --> 00:44:36,319

well and i haven't been able to have any

1174

00:44:39,430 --> 00:44:37,839

further conversations with that person i

1175

00:44:42,870 --> 00:44:39,440

want that person to come and talk to me

1176

00:44:45,750 --> 00:44:42,880

some more but this was the cool ass

1177

00:44:46,870 --> 00:44:45,760

thing is that you connect the dots

1178

00:44:49,270 --> 00:44:46,880

together

1179

00:44:52,470 --> 00:44:49,280

not only are we talking about sort of

1180

00:44:54,550 --> 00:44:52,480

uh anomalous out there consciousness

1181

00:44:56,150 --> 00:44:54,560

stuff that we're corroborating but we're

1182

00:44:58,470 --> 00:44:56,160

also corroborating some physical

1183

00:45:00,390 --> 00:44:58,480

experiences as well and i think more of

1184

00:45:02,309 --> 00:45:00,400

that's going to start unfolding as we go

1185

00:45:04,950 --> 00:45:02,319

forward

1186

00:45:06,390 --> 00:45:04,960

and kirsten there's a third note in that

1187

00:45:08,470 --> 00:45:06,400

connectivity

1188

00:45:10,950 --> 00:45:08,480

that i think is interesting to bring up

1189

00:45:13,430 --> 00:45:10,960

which is the radio host that you further

1190

00:45:15,990 --> 00:45:13,440

you want to share that aspect

1191

00:45:18,710 --> 00:45:16,000

sure i was on night dreams radio with

1192

00:45:19,990 --> 00:45:18,720

gary anderson and um

1193

00:45:21,510 --> 00:45:20,000

i was talking about the angel hair

1194

00:45:23,910 --> 00:45:21,520

experience

1195

00:45:25,670 --> 00:45:23,920

and i hadn't even mentioned that this

1196

00:45:27,109 --> 00:45:25,680

other member had tasted it and he said

1197

00:45:30,069 --> 00:45:27,119

you know something like that happened to

1198

00:45:31,030 --> 00:45:30,079

me too in the seattle area

1199

00:45:33,270 --> 00:45:31,040

in the

1200

00:45:37,430 --> 00:45:33,280

late 50s early 60s

1201
00:45:39,589 --> 00:45:37,440
when he was a kid and he tasted it too

1202
00:45:42,230 --> 00:45:39,599
wow yeah i tasted it it was tasted

1203
00:45:43,750 --> 00:45:42,240
really bitter like what

1204
00:45:46,790 --> 00:45:43,760
what

1205
00:45:48,790 --> 00:45:46,800
and his father worked for boeing and um

1206
00:45:50,790 --> 00:45:48,800
his he told his father about it later

1207
00:45:53,109 --> 00:45:50,800
and his father said something along the

1208
00:45:55,190 --> 00:45:53,119
lines of and i'm paraphrasing here well

1209
00:45:57,190 --> 00:45:55,200
you know we're always testing things in

1210
00:45:59,430 --> 00:45:57,200
the sky

1211
00:46:03,190 --> 00:45:59,440
and

1212
00:46:05,349 --> 00:46:03,200
so i got this that's a problem

1213
00:46:06,950 --> 00:46:05,359

right wow yeah

1214

00:46:08,790 --> 00:46:06,960

that's incredible

1215

00:46:10,390 --> 00:46:08,800

and and there are other

1216

00:46:12,550 --> 00:46:10,400

resonances like that that happen too

1217

00:46:15,990 --> 00:46:12,560

where it's not just it doesn't it's not

1218

00:46:19,030 --> 00:46:16,000

just an emotionally resonant experience

1219

00:46:20,950 --> 00:46:19,040

between people it's not just that of of

1220

00:46:24,390 --> 00:46:20,960

recognizing

1221

00:46:28,390 --> 00:46:24,400

being in a room even a virtual room a

1222

00:46:29,270 --> 00:46:28,400

zoom room of say 12 to 20 people

1223

00:46:37,510 --> 00:46:29,280

that

1224

00:46:38,870 --> 00:46:37,520

before having those kinds of

1225

00:46:40,790 --> 00:46:38,880

being able to share that kind of

1226

00:46:43,750 --> 00:46:40,800

ontological shock

1227

00:46:46,470 --> 00:46:43,760

experience of recognizing that the

1228

00:46:49,349 --> 00:46:46,480

world or consciousness or however you'd

1229

00:46:52,470 --> 00:46:49,359

like to frame it is not exactly it

1230

00:46:54,390 --> 00:46:52,480

doesn't exactly abide by the rules that

1231

00:46:56,230 --> 00:46:54,400

we read about in the newspaper

1232

00:46:58,790 --> 00:46:56,240

you know or we learned about that you

1233

00:47:00,150 --> 00:46:58,800

expect it to yeah

1234

00:47:02,230 --> 00:47:00,160

yeah 100

1235

00:47:03,589 --> 00:47:02,240

but there are other cases too where in

1236

00:47:06,230 --> 00:47:03,599

these in these

1237

00:47:10,069 --> 00:47:06,240

in these situations we've we've heard

1238

00:47:11,190 --> 00:47:10,079

about say like tools implements used by

1239

00:47:15,510 --> 00:47:11,200

grays

1240

00:47:16,309 --> 00:47:15,520

or mantids and and beings like that that

1241

00:47:17,109 --> 00:47:16,319

and

1242

00:47:22,790 --> 00:47:17,119

i

1243

00:47:25,109 --> 00:47:22,800

um

1244

00:47:27,030 --> 00:47:25,119

intensely emotional sessions where

1245

00:47:29,589 --> 00:47:27,040

somebody recognized for the first time

1246

00:47:32,710 --> 00:47:29,599

that somebody else saw the exact same

1247

00:47:35,190 --> 00:47:32,720

thing that they experienced and and and

1248

00:47:37,430 --> 00:47:35,200

something like this and it means a lot

1249

00:47:38,870 --> 00:47:37,440

you know one of the reasons why stewards

1250

00:47:40,230 --> 00:47:38,880

one of the reasons why stewart and i

1251
00:47:41,430 --> 00:47:40,240
bonded so well

1252
00:47:43,510 --> 00:47:41,440
i think

1253
00:47:46,309 --> 00:47:43,520
um among other reasons is that stewart's

1254
00:47:48,630 --> 00:47:46,319
a mansive experiencer as well i you know

1255
00:47:50,870 --> 00:47:48,640
i've i've i've

1256
00:47:53,190 --> 00:47:50,880
been privy to those folks and and so is

1257
00:47:55,670 --> 00:47:53,200
stuart and so

1258
00:47:58,630 --> 00:47:55,680
you know recently online and

1259
00:47:59,430 --> 00:47:58,640
coming out with with my

1260
00:48:02,069 --> 00:47:59,440
uh

1261
00:48:03,109 --> 00:48:02,079
um story in ralph blumenthal's recent

1262
00:48:05,430 --> 00:48:03,119
article

1263
00:48:06,950 --> 00:48:05,440

in which stewart was also mentioned

1264

00:48:08,470 --> 00:48:06,960

um

1265

00:48:10,630 --> 00:48:08,480

there was some there's a little bit of

1266

00:48:13,270 --> 00:48:10,640

black backlash from some people saying

1267

00:48:15,829 --> 00:48:13,280

oh yeah some that's just some praying

1268

00:48:17,829 --> 00:48:15,839

mantis and a cloak like that's that's

1269

00:48:18,790 --> 00:48:17,839

ridiculous or what's that or something

1270

00:48:19,670 --> 00:48:18,800

like that

1271

00:48:21,510 --> 00:48:19,680

and

1272

00:48:23,270 --> 00:48:21,520

the thing is is that like people need to

1273

00:48:25,109 --> 00:48:23,280

do their research there are so many

1274

00:48:26,790 --> 00:48:25,119

people in ufology that just like don't

1275

00:48:28,549 --> 00:48:26,800

even do the basic reading there needs to

1276

00:48:31,829 --> 00:48:28,559

be like 50 more

1277

00:48:34,230 --> 00:48:31,839

levar burdens in ufology

1278

00:48:37,030 --> 00:48:34,240

you know like there needs to be more

1279

00:48:39,430 --> 00:48:37,040

reading rainbow happening because

1280

00:48:40,230 --> 00:48:39,440

they're there man they're there

1281

00:48:43,349 --> 00:48:40,240

and

1282

00:48:45,910 --> 00:48:43,359

they exist going back decades

1283

00:48:47,270 --> 00:48:45,920

yeah you know and and so when people

1284

00:48:48,950 --> 00:48:47,280

talk about the insectoids the

1285

00:48:50,710 --> 00:48:48,960

insectilins the mantis beings the

1286

00:48:52,950 --> 00:48:50,720

mantids like

1287

00:48:55,349 --> 00:48:52,960

even the ant beings we're generally

1288

00:48:56,630 --> 00:48:55,359

talking probably about a lot of the same

1289

00:48:59,349 --> 00:48:56,640

things here

1290

00:49:02,309 --> 00:48:59,359

and so um in stuart and i

1291

00:49:04,390 --> 00:49:02,319

talking early with and with stuart with

1292

00:49:05,589 --> 00:49:04,400

kirsten in these in these meetup groups

1293

00:49:08,710 --> 00:49:05,599

that that

1294

00:49:10,710 --> 00:49:08,720

was a huge bonding point stewart saw an

1295

00:49:13,430 --> 00:49:10,720

eight-foot mantis being

1296

00:49:14,950 --> 00:49:13,440

in a purple cloak show up

1297

00:49:17,109 --> 00:49:14,960

i think in that bedroom where you are

1298

00:49:19,430 --> 00:49:17,119

right now if i'm not mistaken is that

1299

00:49:20,870 --> 00:49:19,440

right down one floor

1300

00:49:22,549 --> 00:49:20,880

down one i was going to say you must

1301
00:49:24,630 --> 00:49:22,559
have left it on the bed

1302
00:49:27,829 --> 00:49:24,640
yeah it's purple

1303
00:49:30,309 --> 00:49:27,839
yeah but um you know and so

1304
00:49:32,549 --> 00:49:30,319
even just things like that where getting

1305
00:49:33,349 --> 00:49:32,559
in situations where somebody like stuart

1306
00:49:35,430 --> 00:49:33,359
and i

1307
00:49:37,829 --> 00:49:35,440
will sit and talk about what are these

1308
00:49:38,549 --> 00:49:37,839
weird fashion decisions why do they do

1309
00:49:40,790 --> 00:49:38,559
that

1310
00:49:42,630 --> 00:49:40,800
what's up with the pageantry like we

1311
00:49:44,390 --> 00:49:42,640
think it's weird purple is royalty

1312
00:49:45,950 --> 00:49:44,400
something you probably thought about

1313
00:49:47,910 --> 00:49:45,960

that you know some of these

1314

00:49:49,750 --> 00:49:47,920

non-experiencers they're saying like oh

1315

00:49:52,309 --> 00:49:49,760

what's that and it's

1316

00:49:55,270 --> 00:49:52,319

experiencers also

1317

00:49:58,710 --> 00:49:55,280

recognize the vast strangeness of of

1318

00:50:00,309 --> 00:49:58,720

what's happening here and and and that's

1319

00:50:01,990 --> 00:50:00,319

why conversations like what we're doing

1320

00:50:03,829 --> 00:50:02,000

right now

1321

00:50:06,230 --> 00:50:03,839

they need to happen more

1322

00:50:09,670 --> 00:50:06,240

because a lot of the conversations that

1323

00:50:10,829 --> 00:50:09,680

happen online about experiencers don't

1324

00:50:13,190 --> 00:50:10,839

involve

1325

00:50:14,790 --> 00:50:13,200

experiencers yeah

1326
00:50:15,589 --> 00:50:14,800
and emotion

1327
00:50:18,150 --> 00:50:15,599
and

1328
00:50:20,870 --> 00:50:18,160
these conversations need to happen by

1329
00:50:24,150 --> 00:50:20,880
people that live these situations

1330
00:50:25,109 --> 00:50:24,160
because they think about it all the damn

1331
00:50:26,710 --> 00:50:25,119
time

1332
00:50:28,150 --> 00:50:26,720
yeah and they're going to talk about

1333
00:50:29,030 --> 00:50:28,160
things differently

1334
00:50:31,829 --> 00:50:29,040
than

1335
00:50:35,589 --> 00:50:31,839
some weird game of telephone

1336
00:50:38,069 --> 00:50:35,599
where where somebody goes and and just

1337
00:50:40,150 --> 00:50:38,079
checks in with some author that happens

1338
00:50:42,549 --> 00:50:40,160

to have had a few interviews with

1339

00:50:45,030 --> 00:50:42,559

somebody or something like that it's a

1340

00:50:47,190 --> 00:50:45,040

different lived scenario

1341

00:50:48,230 --> 00:50:47,200

and it brings up different issues does

1342

00:50:50,790 --> 00:50:48,240

that make sense

1343

00:50:52,870 --> 00:50:50,800

yeah i had one of those um if you know

1344

00:50:55,349 --> 00:50:52,880

if i'm getting your right the one of

1345

00:50:58,069 --> 00:50:55,359

those residences listening to

1346

00:50:59,750 --> 00:50:58,079

uh your podcast with the the author of

1347

00:51:02,630 --> 00:50:59,760

the book we were talking about earlier

1348

00:51:05,670 --> 00:51:02,640

um with owls and such

1349

00:51:07,349 --> 00:51:05,680

um he actually was listing

1350

00:51:10,069 --> 00:51:07,359

by the difference

1351
00:51:11,990 --> 00:51:10,079
yes michael and yeah um he was listening

1352
00:51:13,829 --> 00:51:12,000
to different things you know could uh

1353
00:51:15,270 --> 00:51:13,839
owls and

1354
00:51:17,270 --> 00:51:15,280
deer and

1355
00:51:21,750 --> 00:51:17,280
i think he even said squirrels and then

1356
00:51:23,349 --> 00:51:21,760
he said jesus and when he said jesus

1357
00:51:26,309 --> 00:51:23,359
that was

1358
00:51:27,430 --> 00:51:26,319
heard that

1359
00:51:30,230 --> 00:51:27,440
before

1360
00:51:32,549 --> 00:51:30,240
um and you know one of my experiences

1361
00:51:34,790 --> 00:51:32,559
was that and

1362
00:51:37,069 --> 00:51:34,800
that's been something that because

1363
00:51:39,190 --> 00:51:37,079

being raised non-denominate

1364

00:51:41,589 --> 00:51:39,200

non-denominational christian i mean i've

1365

00:51:43,109 --> 00:51:41,599

i'm on my own path at this point but

1366

00:51:45,670 --> 00:51:43,119

um you know

1367

00:51:48,150 --> 00:51:45,680

i i couldn't always help but tie it to

1368

00:51:52,470 --> 00:51:48,160

that or like you know just make sense of

1369

00:51:54,950 --> 00:51:52,480

that um so i think i found at least you

1370

00:51:56,790 --> 00:51:54,960

know a little path to start walking down

1371

00:51:57,750 --> 00:51:56,800

a little light on it now because i've

1372

00:52:00,230 --> 00:51:57,760

heard

1373

00:52:01,750 --> 00:52:00,240

him say that just from him saying that

1374

00:52:02,630 --> 00:52:01,760

um has

1375

00:52:04,630 --> 00:52:02,640

you know

1376

00:52:07,030 --> 00:52:04,640

made me feel better about it if that

1377

00:52:09,190 --> 00:52:07,040

makes sense so

1378

00:52:10,710 --> 00:52:09,200

you know along those lines i completely

1379

00:52:12,870 --> 00:52:10,720

agree with you and i would love to hear

1380

00:52:14,309 --> 00:52:12,880

from kirsten stewart about this but one

1381

00:52:17,190 --> 00:52:14,319

of the things that

1382

00:52:19,349 --> 00:52:17,200

that we do on the experienter group is

1383

00:52:21,109 --> 00:52:19,359

do we have we have a lot of different

1384

00:52:23,109 --> 00:52:21,119

ways for people to connect with each

1385

00:52:26,309 --> 00:52:23,119

other and one of those ways is our book

1386

00:52:28,230 --> 00:52:26,319

group we've got a book group and um

1387

00:52:31,109 --> 00:52:28,240

along the lines of we need more levar

1388

00:52:33,270 --> 00:52:31,119

burdens in this in this realm

1389

00:52:35,750 --> 00:52:33,280

and we covered diana basalka really

1390

00:52:37,270 --> 00:52:35,760

early and of course american cosmic

1391

00:52:40,069 --> 00:52:37,280

diana pasoka

1392

00:52:41,270 --> 00:52:40,079

who's a religious studies professor um

1393

00:52:43,430 --> 00:52:41,280

at

1394

00:52:44,790 --> 00:52:43,440

university of north carolina wilmington

1395

00:52:46,630 --> 00:52:44,800

as i recall

1396

00:52:48,950 --> 00:52:46,640

she did a great job in an american

1397

00:52:51,750 --> 00:52:48,960

cosmic of of bringing together

1398

00:52:55,190 --> 00:52:51,760

and thinking really about like how these

1399

00:52:58,150 --> 00:52:55,200

anomalous situations were documented in

1400

00:53:01,670 --> 00:52:58,160

centuries back however they had

1401
00:53:02,950 --> 00:53:01,680
the the the color or they had this kind

1402
00:53:05,910 --> 00:53:02,960
of cast

1403
00:53:08,870 --> 00:53:05,920
of of being in a religious experience

1404
00:53:10,790 --> 00:53:08,880
rather than an anomalous experience and

1405
00:53:12,150 --> 00:53:10,800
she really tried to bring that together

1406
00:53:14,470 --> 00:53:12,160
in a way that

1407
00:53:16,950 --> 00:53:14,480
jacques valet also alluded to in books

1408
00:53:19,670 --> 00:53:16,960
like passports and begonia where things

1409
00:53:20,950 --> 00:53:19,680
that we might consider myth or religion

1410
00:53:23,190 --> 00:53:20,960
um could be

1411
00:53:24,790 --> 00:53:23,200
viewed in a different framework and

1412
00:53:26,230 --> 00:53:24,800
along those lines

1413
00:53:27,910 --> 00:53:26,240

um

1414

00:53:30,470 --> 00:53:27,920

one thing that i'd mentioned briefly is

1415

00:53:31,670 --> 00:53:30,480

that stewart's initial mantis encounter

1416

00:53:32,630 --> 00:53:31,680

if you don't mind me bringing this up

1417

00:53:35,829 --> 00:53:32,640

stewart

1418

00:53:39,030 --> 00:53:35,839

is after a period of time where you were

1419

00:53:41,430 --> 00:53:39,040

basically asking to be shown

1420

00:53:44,950 --> 00:53:41,440

stuart has a history within kind of

1421

00:53:47,270 --> 00:53:44,960

vajrayana buddhism and zen and and deep

1422

00:53:48,309 --> 00:53:47,280

meditational practice and part of that

1423

00:53:50,390 --> 00:53:48,319

is

1424

00:53:54,230 --> 00:53:50,400

the vajrayana side of it as i understand

1425

00:53:57,109 --> 00:53:54,240

it anyway as a novice is is connecting

1426

00:53:59,270 --> 00:53:57,119

um potentially with with

1427

00:54:02,069 --> 00:53:59,280

the idea that you might you might in

1428

00:54:03,270 --> 00:54:02,079

meditation meet a discarnated entity

1429

00:54:06,230 --> 00:54:03,280

that you might

1430

00:54:08,710 --> 00:54:06,240

speak or try to connect with something

1431

00:54:11,190 --> 00:54:08,720

that's and so you know our modern

1432

00:54:13,589 --> 00:54:11,200

framework

1433

00:54:14,470 --> 00:54:13,599

has there's there's a dis there's

1434

00:54:16,069 --> 00:54:14,480

there's

1435

00:54:18,390 --> 00:54:16,079

a connection that could be made there

1436

00:54:20,549 --> 00:54:18,400

right because within mainstream ufology

1437

00:54:22,549 --> 00:54:20,559

we can finally say well maybe there is

1438

00:54:25,670 --> 00:54:22,559

something to remote viewing right

1439

00:54:27,990 --> 00:54:25,680

because russell targ did it and hal

1440

00:54:30,230 --> 00:54:28,000

did it and ingo swan did it and all

1441

00:54:31,589 --> 00:54:30,240

these other people but how long has it

1442

00:54:33,910 --> 00:54:31,599

been suppressed

1443

00:54:36,150 --> 00:54:33,920

so long exactly and if we can remote

1444

00:54:38,789 --> 00:54:36,160

view can other beings remote view and

1445

00:54:41,349 --> 00:54:38,799

what happens when we both

1446

00:54:43,990 --> 00:54:41,359

explore that right and it seems like

1447

00:54:46,549 --> 00:54:44,000

that that maybe just maybe there are

1448

00:54:48,549 --> 00:54:46,559

there are these lineages that

1449

00:54:50,069 --> 00:54:48,559

explored this differently but had a lot

1450

00:54:51,510 --> 00:54:50,079

of overlap

1451
00:54:53,430 --> 00:54:51,520
and so

1452
00:54:55,270 --> 00:54:53,440
you know for i think

1453
00:54:59,910 --> 00:54:55,280
i don't want to tell stewart's story for

1454
00:55:03,430 --> 00:54:59,920
him but he he was meditating for a

1455
00:55:04,230 --> 00:55:03,440
somebody to show up and they did

1456
00:55:07,430 --> 00:55:04,240
um

1457
00:55:10,549 --> 00:55:07,440
and and he thought that it was going to

1458
00:55:12,230 --> 00:55:10,559
maybe look like uh maybe a i don't know

1459
00:55:13,030 --> 00:55:12,240
a greek scholar

1460
00:55:14,470 --> 00:55:13,040
a

1461
00:55:16,069 --> 00:55:14,480
some some

1462
00:55:17,109 --> 00:55:16,079
some levitating

1463
00:55:18,069 --> 00:55:17,119

uh

1464

00:55:20,230 --> 00:55:18,079

um

1465

00:55:22,230 --> 00:55:20,240

you know tibetan or something like that

1466

00:55:26,150 --> 00:55:22,240

and it turned out to be

1467

00:55:27,510 --> 00:55:26,160

uh a very very large mantis and a in a

1468

00:55:28,309 --> 00:55:27,520

purple cloak

1469

00:55:30,069 --> 00:55:28,319

right

1470

00:55:33,349 --> 00:55:30,079

how do you react to something like that

1471

00:55:34,470 --> 00:55:33,359

when it's completely off of what you

1472

00:55:37,270 --> 00:55:34,480

expect

1473

00:55:38,309 --> 00:55:37,280

and maybe not so much in a pleasant way

1474

00:55:40,870 --> 00:55:38,319

like i could

1475

00:55:42,789 --> 00:55:40,880

you know not having experienced that i

1476

00:55:44,470 --> 00:55:42,799

put myself in that place and i would

1477

00:55:45,510 --> 00:55:44,480

assume that i would be

1478

00:55:46,829 --> 00:55:45,520

scared

1479

00:55:49,990 --> 00:55:46,839

you know

1480

00:55:52,630 --> 00:55:50,000

um i have nightmares all the time

1481

00:55:53,990 --> 00:55:52,640

and so i could see that popping me off

1482

00:55:55,670 --> 00:55:54,000

big time

1483

00:55:57,109 --> 00:55:55,680

you know so how do you keep your calm in

1484

00:55:58,230 --> 00:55:57,119

that scenario

1485

00:55:59,910 --> 00:55:58,240

and

1486

00:56:01,750 --> 00:55:59,920

you know just experience it for what it

1487

00:56:05,030 --> 00:56:01,760

is i guess and that and not what you're

1488

00:56:10,390 --> 00:56:07,990

well thankfully perhaps

1489

00:56:14,870 --> 00:56:12,309

rapidity with which the experience

1490

00:56:17,030 --> 00:56:14,880

unfolded didn't allow for any kind of

1491

00:56:19,270 --> 00:56:17,040

reflection at all

1492

00:56:20,950 --> 00:56:19,280

uh jay's right i was meditating trying

1493

00:56:22,950 --> 00:56:20,960

to

1494

00:56:24,630 --> 00:56:22,960

evoke this was

1495

00:56:26,549 --> 00:56:24,640

to

1496

00:56:29,510 --> 00:56:26,559

bring in another fold of why these

1497

00:56:31,510 --> 00:56:29,520

stories are so multi-dimensionally

1498

00:56:34,630 --> 00:56:31,520

challenging and

1499

00:56:38,069 --> 00:56:34,640

vaccine embarrassing hilarious so this

1500

00:56:41,910 --> 00:56:38,079

also happened to have been at midnight

1501

00:56:44,549 --> 00:56:41,920

on new year's eve in 2010

1502

00:56:46,390 --> 00:56:44,559

i was meditating because of that

1503

00:56:48,630 --> 00:56:46,400

and i thought it would be a great way to

1504

00:56:51,430 --> 00:56:48,640

bring in the new year i'll meditate

1505

00:56:53,829 --> 00:56:51,440

and call in my guides and i would like

1506

00:56:55,030 --> 00:56:53,839

to see my guides i want to meet my guys

1507

00:56:57,589 --> 00:56:55,040

in a more

1508

00:56:59,349 --> 00:56:57,599

and i fully anticipated

1509

00:57:01,510 --> 00:56:59,359

a dead monk

1510

00:57:03,190 --> 00:57:01,520

perhaps from one of the lineages that i

1511

00:57:06,309 --> 00:57:03,200

work with or some

1512

00:57:08,789 --> 00:57:06,319

dikini maybe or a bodhisattva

1513

00:57:09,990 --> 00:57:08,799

and instead was this

1514

00:57:10,950 --> 00:57:10,000

eight foot

1515

00:57:13,510 --> 00:57:10,960

tall

1516

00:57:16,470 --> 00:57:13,520

mantis entity and a purple

1517

00:57:17,430 --> 00:57:16,480

indigo cloak with a high collar

1518

00:57:18,309 --> 00:57:17,440

and

1519

00:57:20,710 --> 00:57:18,319

you know

1520

00:57:22,789 --> 00:57:20,720

the entire experience lasted probably a

1521

00:57:25,430 --> 00:57:22,799

minute but as soon as it

1522

00:57:26,789 --> 00:57:25,440

manifest at the end of my bed it shot me

1523

00:57:28,069 --> 00:57:26,799

full of

1524

00:57:53,430 --> 00:57:28,079

a

1525

00:57:55,670 --> 00:57:53,440

highly kinetic

1526

00:57:58,150 --> 00:57:55,680

physical quality to it it affected my

1527

00:58:00,950 --> 00:57:58,160

body very strongly it was

1528

00:58:03,510 --> 00:58:00,960

crazy intense totally unbidden and out

1529

00:58:04,390 --> 00:58:03,520

of nowhere which is probably

1530

00:58:06,470 --> 00:58:04,400

why

1531

00:58:08,150 --> 00:58:06,480

like i said in part i had no response to

1532

00:58:10,470 --> 00:58:08,160

it there wasn't any response or any time

1533

00:58:13,349 --> 00:58:10,480

for that i was just completely

1534

00:58:16,630 --> 00:58:13,359

immersed in a somatic

1535

00:58:19,510 --> 00:58:16,640

experience it wasn't painful but it was

1536

00:58:21,349 --> 00:58:19,520

so intense that the acute

1537

00:58:23,109 --> 00:58:21,359

quality of it i don't think i could have

1538

00:58:24,309 --> 00:58:23,119

handled for very long at all kirsten has

1539

00:58:25,750 --> 00:58:24,319

a very interesting thought about the

1540

00:58:30,870 --> 00:58:25,760

robe

1541

00:58:32,789 --> 00:58:30,880

in part as a filter or an obstruction to

1542

00:58:35,349 --> 00:58:32,799

protect me from the presence of this

1543

00:58:37,190 --> 00:58:35,359

entity which in retrospect i think is

1544

00:58:38,870 --> 00:58:37,200

possibly the best

1545

00:58:40,950 --> 00:58:38,880

as good as any explanation i've ever

1546

00:58:42,230 --> 00:58:40,960

heard about why it would adorn itself in

1547

00:58:44,309 --> 00:58:42,240

this way

1548

00:58:45,510 --> 00:58:44,319

so the experience yeah i got shot full

1549

00:58:49,030 --> 00:58:45,520

of this

1550

00:58:52,069 --> 00:58:49,040

signal or like a thousand signals it

1551

00:58:54,870 --> 00:58:52,079

felt like a library was deposited into

1552

00:58:58,069 --> 00:58:54,880

my body none of it was verbal

1553

00:59:01,670 --> 00:58:58,079

until that shut off instantaneously

1554

00:59:04,150 --> 00:59:01,680

and then it just like deposited it felt

1555

00:59:07,190 --> 00:59:04,160

as though this thing reached over and

1556

00:59:09,270 --> 00:59:07,200

just plopped deposited into my head

1557

00:59:11,990 --> 00:59:09,280

one phrase in english

1558

00:59:13,030 --> 00:59:12,000

which was remember who you work for

1559

00:59:14,549 --> 00:59:13,040

and

1560

00:59:16,710 --> 00:59:14,559

that was it

1561

00:59:18,870 --> 00:59:16,720

so how do you respond to that i took me

1562

00:59:21,430 --> 00:59:18,880

eight years like i said i i

1563

00:59:23,430 --> 00:59:21,440

ate up the better part of the decade

1564

00:59:26,470 --> 00:59:23,440

pacing the planet

1565

00:59:29,349 --> 00:59:26,480

wondering in every conceivable iteration

1566

00:59:31,349 --> 00:59:29,359

what what's with the little phrases

1567

00:59:34,150 --> 00:59:31,359

i was told that just relax and go back

1568

00:59:36,950 --> 00:59:35,750

i would love to hear your story sean i

1569

00:59:38,549 --> 00:59:36,960

mean i don't know how many times you've

1570

00:59:39,910 --> 00:59:38,559

recounted it on the show or where it's

1571

00:59:41,190 --> 00:59:39,920

at but i don't know

1572

00:59:42,630 --> 00:59:41,200

that story

1573

00:59:44,870 --> 00:59:42,640

it's a couple

1574

00:59:46,789 --> 00:59:44,880

uh but i don't want to take up my show

1575

00:59:48,710 --> 00:59:46,799

with my story i want this to be by you

1576

00:59:49,829 --> 00:59:48,720

guys and have you shared it on this show

1577

00:59:51,990 --> 00:59:49,839

though

1578

00:59:53,670 --> 00:59:52,000

uh yeah there was there's one show i

1579

00:59:56,950 --> 00:59:53,680

kind of read through it all that one was

1580

01:00:02,069 --> 00:59:56,960

basically a dream um i was younger

1581

01:00:03,670 --> 01:00:02,079

um i went into a like um

1582

01:00:05,829 --> 01:00:03,680

i don't know what kind of school it was

1583

01:00:07,990 --> 01:00:05,839

but when i walked in it was a library

1584

01:00:11,190 --> 01:00:08,000

with your typical rounded desk and there

1585

01:00:13,190 --> 01:00:11,200

was a person at it um and they had a

1586

01:00:14,470 --> 01:00:13,200

it was uh like a middle eastern person

1587

01:00:15,750 --> 01:00:14,480

who had a

1588

01:00:18,069 --> 01:00:15,760

um

1589

01:00:20,710 --> 01:00:18,079

i'm just blanking on what you call that

1590

01:00:24,309 --> 01:00:20,720

um but anyways like a turban or a head

1591

01:00:25,190 --> 01:00:24,319

yes a german sorry just um spaced out

1592

01:00:28,230 --> 01:00:25,200

um

1593

01:00:31,030 --> 01:00:28,240

and he handed me a like a scroll and i

1594

01:00:32,710 --> 01:00:31,040

was opening it up and on there i could

1595

01:00:34,549 --> 01:00:32,720

and as i was opening i was walking out

1596

01:00:36,230 --> 01:00:34,559

the door and i was opening it and it

1597

01:00:37,829 --> 01:00:36,240

said seven something on it i don't

1598

01:00:40,150 --> 01:00:37,839

remember what it was

1599

01:00:43,990 --> 01:00:40,160

uh and when i get outside it's windy the

1600

01:00:45,430 --> 01:00:44,000

wind takes it and it takes off it's gone

1601
01:00:47,030 --> 01:00:45,440
um

1602
01:00:50,069 --> 01:00:47,040
and i'm going like towards the

1603
01:00:52,230 --> 01:00:50,079
basketball hoop area concrete

1604
01:00:55,349 --> 01:00:52,240
basketball hoop outdoors

1605
01:00:58,150 --> 01:00:55,359
and i see two tornadoes coming at me

1606
01:01:00,870 --> 01:00:58,160
and i remember i had the option to

1607
01:01:03,109 --> 01:01:00,880
um run or

1608
01:01:04,950 --> 01:01:03,119
like try to just take it on

1609
01:01:06,309 --> 01:01:04,960
in my life i'm always the take it on

1610
01:01:07,589 --> 01:01:06,319
kind of person

1611
01:01:08,870 --> 01:01:07,599
um

1612
01:01:11,430 --> 01:01:08,880
and that's what i did i was like i'm

1613
01:01:12,549 --> 01:01:11,440

gonna let them come at me and i'm gonna

1614

01:01:15,349 --> 01:01:12,559

do this

1615

01:01:18,870 --> 01:01:15,359

and they come at me and i grab each one

1616

01:01:20,789 --> 01:01:18,880

and i like flip them on each side of me

1617

01:01:24,470 --> 01:01:20,799

and all of a sudden there's dust

1618

01:01:26,950 --> 01:01:24,480

swirling around i can't see anything um

1619

01:01:28,870 --> 01:01:26,960

and i start floating like off the ground

1620

01:01:31,750 --> 01:01:28,880

in a standing position

1621

01:01:34,069 --> 01:01:31,760

um and i remember i flew a lot my dreams

1622

01:01:36,309 --> 01:01:34,079

and i knew how to like activate that

1623

01:01:38,150 --> 01:01:36,319

like with my feet there i mean i even

1624

01:01:40,390 --> 01:01:38,160

remember trying it in real life like

1625

01:01:42,549 --> 01:01:40,400

nope that doesn't work but like i could

1626
01:01:45,270 --> 01:01:42,559
remember the feeling your feet make

1627
01:01:47,430 --> 01:01:45,280
um but this that it wasn't it i wasn't

1628
01:01:49,990 --> 01:01:47,440
doing that i was lifting off like on my

1629
01:01:52,710 --> 01:01:50,000
own and i remember that specifically

1630
01:01:56,710 --> 01:01:52,720
um so as i'm lifting up

1631
01:02:00,069 --> 01:01:56,720
these uh white wispy beings are

1632
01:02:02,470 --> 01:02:00,079
just zipping around me like

1633
01:02:04,069 --> 01:02:02,480
um and i heard the most beautiful music

1634
01:02:05,349 --> 01:02:04,079
i've ever heard in my life i can't

1635
01:02:06,710 --> 01:02:05,359
describe it

1636
01:02:07,589 --> 01:02:06,720
um

1637
01:02:09,990 --> 01:02:07,599
at all

1638
01:02:12,069 --> 01:02:10,000

i just especially now it was kind of far

1639

01:02:14,549 --> 01:02:12,079

away but i remember it was just

1640

01:02:16,789 --> 01:02:14,559

absolutely beautiful and

1641

01:02:18,390 --> 01:02:16,799

i was not hating what was going on i was

1642

01:02:20,789 --> 01:02:18,400

just like

1643

01:02:23,670 --> 01:02:20,799

this is pretty nice i like this

1644

01:02:25,349 --> 01:02:23,680

um and then i see

1645

01:02:26,950 --> 01:02:25,359

uh like what a

1646

01:02:29,190 --> 01:02:26,960

stained glass

1647

01:02:30,950 --> 01:02:29,200

window version would be of jesus

1648

01:02:32,470 --> 01:02:30,960

christ's face

1649

01:02:34,950 --> 01:02:32,480

um

1650

01:02:36,870 --> 01:02:34,960

and as it's getting closer to me and as

1651

01:02:37,990 --> 01:02:36,880

it gets close to me right in front of my

1652

01:02:44,549 --> 01:02:38,000

face

1653

01:02:46,390 --> 01:02:44,559

and it says sean just relax and go back

1654

01:02:51,510 --> 01:02:46,400

to school

1655

01:02:55,349 --> 01:02:53,829

wow

1656

01:02:58,390 --> 01:02:55,359

i don't know

1657

01:03:00,870 --> 01:02:58,400

uh yeah so and it took me a while but i

1658

01:03:03,990 --> 01:03:00,880

think basically the gist of it was

1659

01:03:05,910 --> 01:03:04,000

um go learn some [h__h] go live life you

1660

01:03:07,510 --> 01:03:05,920

know grow

1661

01:03:09,829 --> 01:03:07,520

and do that because at the time i was

1662

01:03:11,910 --> 01:03:09,839

worrying about a lot of things that i

1663

01:03:13,029 --> 01:03:11,920

didn't really necessarily need to be you

1664

01:03:14,390 --> 01:03:13,039

know

1665

01:03:16,630 --> 01:03:14,400

so

1666

01:03:18,630 --> 01:03:16,640

and i think what what you're what you're

1667

01:03:20,069 --> 01:03:18,640

also alluding to there is is something

1668

01:03:21,510 --> 01:03:20,079

that's really important that a lot of

1669

01:03:24,230 --> 01:03:21,520

experiencers

1670

01:03:26,309 --> 01:03:24,240

uh recognize and it comes up a lot on

1671

01:03:27,190 --> 01:03:26,319

the experienter group is that

1672

01:03:30,710 --> 01:03:27,200

that

1673

01:03:33,670 --> 01:03:30,720

a lot of these situations are exist a

1674

01:03:35,029 --> 01:03:33,680

lot of these encounters

1675

01:03:37,270 --> 01:03:35,039

exist in

1676

01:03:39,549 --> 01:03:37,280

these kind of subtle realms and these

1677

01:03:41,670 --> 01:03:39,559

contact experiences happen in

1678

01:03:43,270 --> 01:03:41,680

non-ordinary states

1679

01:03:45,349 --> 01:03:43,280

so

1680

01:03:47,510 --> 01:03:45,359

there's strange data points like a lot

1681

01:03:51,029 --> 01:03:47,520

of experiencers start meditating at a

1682

01:03:55,829 --> 01:03:53,670

assuming different religions that were

1683

01:03:58,950 --> 01:03:55,839

involved with that you know middle

1684

01:04:00,549 --> 01:03:58,960

eastern jesus christ now i'm like all of

1685

01:04:03,190 --> 01:04:00,559

a sudden i'm thinking like maybe there

1686

01:04:04,549 --> 01:04:03,200

is something there as far as it's all

1687

01:04:06,870 --> 01:04:04,559

one thing

1688

01:04:09,589 --> 01:04:06,880

you know dude you know

1689

01:04:12,150 --> 01:04:09,599

it's not believe this or believe that

1690

01:04:13,510 --> 01:04:12,160

you know it's i don't know so now things

1691

01:04:14,710 --> 01:04:13,520

are just coming to my head as i talk

1692

01:04:17,349 --> 01:04:14,720

about it but

1693

01:04:19,670 --> 01:04:17,359

yeah but for for me myself like i

1694

01:04:21,990 --> 01:04:19,680

started meditating just to calm the calm

1695

01:04:23,349 --> 01:04:22,000

the f down you know like just so that i

1696

01:04:24,789 --> 01:04:23,359

could kind of

1697

01:04:28,390 --> 01:04:24,799

level out

1698

01:04:31,430 --> 01:04:28,400

uh some years ago in terms of

1699

01:04:34,309 --> 01:04:31,440

straddling these realms between

1700

01:04:37,510 --> 01:04:34,319

these these these encounters and what

1701

01:04:40,630 --> 01:04:37,520

we're told is is is actually happening

1702

01:04:42,950 --> 01:04:40,640

and that happens a lot and there are

1703

01:04:44,789 --> 01:04:42,960

routes like that like what stewart was

1704

01:04:46,069 --> 01:04:44,799

talking about and

1705

01:04:49,349 --> 01:04:46,079

where

1706

01:04:51,190 --> 01:04:49,359

sometimes

1707

01:04:53,270 --> 01:04:51,200

these

1708

01:04:55,750 --> 01:04:53,280

sometimes

1709

01:04:58,630 --> 01:04:55,760

entities might reach out to you in ways

1710

01:04:59,670 --> 01:04:58,640

that are not so obvious

1711

01:05:02,710 --> 01:04:59,680

right

1712

01:05:04,630 --> 01:05:02,720

and and if somebody that is coming from

1713

01:05:07,270 --> 01:05:04,640

a relatively nuts and bolts perspective

1714

01:05:09,190 --> 01:05:07,280

i would point them towards

1715

01:05:11,910 --> 01:05:09,200

maybe remote viewing and things like

1716

01:05:13,589 --> 01:05:11,920

that and the idea of consciousness in

1717

01:05:15,190 --> 01:05:13,599

that kind of realm

1718

01:05:17,990 --> 01:05:15,200

and thinking about

1719

01:05:20,069 --> 01:05:18,000

that remote that remote viewing might be

1720

01:05:23,270 --> 01:05:20,079

able to be

1721

01:05:25,270 --> 01:05:23,280

amplified or accessed by more than one

1722

01:05:27,670 --> 01:05:25,280

group of people like we might not have

1723

01:05:30,390 --> 01:05:27,680

like a total walk on remote viewing

1724

01:05:31,910 --> 01:05:30,400

right sure or moving around

1725

01:05:34,549 --> 01:05:31,920

without our body

1726

01:05:35,990 --> 01:05:34,559

um and so maybe that opens things up and

1727

01:05:38,069 --> 01:05:36,000

maybe that sounds strange but that's

1728

01:05:41,190 --> 01:05:38,079

okay the thing is is that like

1729

01:05:44,069 --> 01:05:41,200

we need to have these conversations

1730

01:05:46,789 --> 01:05:44,079

because so many people within this

1731

01:05:49,589 --> 01:05:46,799

community are so based around

1732

01:05:51,670 --> 01:05:49,599

just thinking about craft

1733

01:05:53,829 --> 01:05:51,680

yeah and they can only talk about

1734

01:05:54,950 --> 01:05:53,839

something the navy videos five miles up

1735

01:05:57,430 --> 01:05:54,960

in the

1736

01:05:59,430 --> 01:05:57,440

frickin sky they can only talk about

1737

01:06:02,870 --> 01:05:59,440

something if they saw it through a

1738

01:06:05,990 --> 01:06:02,880

telescope and it didn't actually

1739

01:06:07,750 --> 01:06:06,000

touch them it didn't touch their

1740

01:06:09,510 --> 01:06:07,760

mind it didn't touch their heart it

1741

01:06:11,670 --> 01:06:09,520

didn't touch their soul however you want

1742

01:06:14,069 --> 01:06:11,680

to put it you know what i mean like

1743

01:06:16,309 --> 01:06:14,079

there there's a level there

1744

01:06:19,750 --> 01:06:16,319

that we need to get over

1745

01:06:21,829 --> 01:06:19,760

and and and it involves vulnerability

1746

01:06:23,430 --> 01:06:21,839

there's an aspect of vulnerability that

1747

01:06:25,589 --> 01:06:23,440

needs to happen here

1748

01:06:27,190 --> 01:06:25,599

and it's not going to get solved by

1749

01:06:30,390 --> 01:06:27,200

telescopes

1750

01:06:32,630 --> 01:06:30,400

and it might not even get solved by by

1751
01:06:34,710 --> 01:06:32,640
government documents like they're like

1752
01:06:36,309 --> 01:06:34,720
that happens too and that needs to

1753
01:06:37,109 --> 01:06:36,319
happen as well

1754
01:06:39,109 --> 01:06:37,119
and

1755
01:06:40,630 --> 01:06:39,119
there's reasons to have all of this

1756
01:06:42,630 --> 01:06:40,640
involved together

1757
01:06:45,750 --> 01:06:42,640
you know sometimes like uh with my

1758
01:06:47,190 --> 01:06:45,760
documents i feel like i'm uh trying to

1759
01:06:49,349 --> 01:06:47,200
um

1760
01:06:51,910 --> 01:06:49,359
that's almost like

1761
01:06:53,270 --> 01:06:51,920
my meditation and way of

1762
01:06:55,589 --> 01:06:53,280
just

1763
01:06:56,470 --> 01:06:55,599

almost a distraction from

1764

01:06:57,990 --> 01:06:56,480
from

1765

01:07:00,789 --> 01:06:58,000
you know maybe

1766

01:07:02,470 --> 01:07:00,799
looking inward more uh which i used to

1767

01:07:05,109 --> 01:07:02,480
do a lot but since

1768

01:07:07,190 --> 01:07:05,119
uh that experience it's kind of almost

1769

01:07:09,910 --> 01:07:07,200
um shook me so much i'm afraid to go

1770

01:07:13,109 --> 01:07:09,920
back if that makes sense

1771

01:07:14,390 --> 01:07:13,119
it's um very very deeply understandable

1772

01:07:16,069 --> 01:07:14,400
yeah so but

1773

01:07:18,549 --> 01:07:16,079
but it is also key to remember to be

1774

01:07:21,589 --> 01:07:18,559
fair like to each their own right as

1775

01:07:22,549 --> 01:07:21,599
long as you respect each other right if

1776

01:07:25,029 --> 01:07:22,559

you want to sit and look in your

1777

01:07:28,549 --> 01:07:25,039

telescope all day looking for ufos good

1778

01:07:31,109 --> 01:07:28,559

on you just 100 don't be mean to me

1779

01:07:33,910 --> 01:07:31,119

for what i'm doing you know yeah a

1780

01:07:35,589 --> 01:07:33,920

hundred percent and one thing that that

1781

01:07:37,829 --> 01:07:35,599

it would be cool to bring up is that you

1782

01:07:40,789 --> 01:07:37,839

know there are other even within our

1783

01:07:42,630 --> 01:07:40,799

within the experimenter group there are

1784

01:07:44,630 --> 01:07:42,640

smaller groups

1785

01:07:47,510 --> 01:07:44,640

that that help these conversations

1786

01:07:48,789 --> 01:07:47,520

happen because even in these situations

1787

01:07:50,069 --> 01:07:48,799

it's helpful

1788

01:07:52,549 --> 01:07:50,079

to

1789

01:07:53,829 --> 01:07:52,559

kind of have that diner table where

1790

01:07:56,390 --> 01:07:53,839

where where

1791

01:07:57,750 --> 01:07:56,400

you know everybody in the room

1792

01:08:00,069 --> 01:07:57,760

things like that

1793

01:08:02,789 --> 01:08:00,079

and um for example

1794

01:08:04,470 --> 01:08:02,799

kirsten has has runs a group while she

1795

01:08:05,670 --> 01:08:04,480

co-hosts a group

1796

01:08:07,430 --> 01:08:05,680

that's

1797

01:08:09,270 --> 01:08:07,440

uh just for women

1798

01:08:12,069 --> 01:08:09,280

um kristen

1799

01:08:15,029 --> 01:08:12,079

if you don't mind sean i i no of course

1800

01:08:15,910 --> 01:08:15,039

is it all right i spoke for sean

1801

01:08:19,189 --> 01:08:15,920

yeah

1802

01:08:21,030 --> 01:08:19,199

wait let me think okay

1803

01:08:25,510 --> 01:08:21,040

yeah um we you know we saw the need

1804

01:08:28,870 --> 01:08:25,520

pretty pretty early um that there are

1805

01:08:30,870 --> 01:08:28,880

there are situations for women uh men

1806

01:08:33,669 --> 01:08:30,880

too this is not to exclude men in any

1807

01:08:35,749 --> 01:08:33,679

way but for women to

1808

01:08:37,189 --> 01:08:35,759

where they can't talk about certain

1809

01:08:40,789 --> 01:08:37,199

things

1810

01:08:42,870 --> 01:08:40,799

in a open mixed meeting so

1811

01:08:45,510 --> 01:08:42,880

and a lot of those subjects may have to

1812

01:08:46,390 --> 01:08:45,520

do with um you know

1813

01:08:47,110 --> 01:08:46,400

um

1814

01:08:52,870 --> 01:08:47,120

so

1815

01:08:57,030 --> 01:08:52,880

you know um

1816

01:08:58,870 --> 01:08:57,040

reproductive systems uh physical um

1817

01:09:01,510 --> 01:08:58,880

you know things left over physically

1818

01:09:02,630 --> 01:09:01,520

from anomalous experiences

1819

01:09:05,430 --> 01:09:02,640

um

1820

01:09:07,910 --> 01:09:05,440

and it's not just to do with

1821

01:09:10,950 --> 01:09:07,920

abduction or contactees it's also to do

1822

01:09:12,550 --> 01:09:10,960

with people uh women who have perhaps

1823

01:09:16,390 --> 01:09:12,560

had a

1824

01:09:17,910 --> 01:09:16,400

strange uncomfortable and um

1825

01:09:20,709 --> 01:09:17,920

embarrassing

1826

01:09:21,590 --> 01:09:20,719

experience with a spirit

1827

01:09:23,349 --> 01:09:21,600

um

1828

01:09:25,110 --> 01:09:23,359

so you probably don't want to make

1829

01:09:27,829 --> 01:09:25,120

yourself vulnerable in front of men

1830

01:09:28,789 --> 01:09:27,839

right no well and it's it's interesting

1831

01:09:30,229 --> 01:09:28,799

because

1832

01:09:32,070 --> 01:09:30,239

you know the culture of the experimenter

1833

01:09:34,630 --> 01:09:32,080

group of course is be kind

1834

01:09:38,229 --> 01:09:34,640

you know that's that's so so there's a

1835

01:09:42,870 --> 01:09:38,239

there's an abundance of supportive um

1836

01:09:44,550 --> 01:09:42,880

energy in any uh meeting but it still

1837

01:09:48,149 --> 01:09:44,560

doesn't

1838

01:09:49,910 --> 01:09:48,159

replace just the company of women and we

1839

01:09:50,260 --> 01:09:49,920

um really

1840

01:09:52,709 --> 01:09:50,270

um

1841

01:09:55,260 --> 01:09:52,719

[Music]

1842

01:09:56,470 --> 01:09:55,270

it's amazing what these women um

1843

01:09:58,709 --> 01:09:56,480

[Music]

1844

01:10:01,030 --> 01:09:58,719

you know art feel free to talk about and

1845

01:10:03,430 --> 01:10:01,040

how they support each other and

1846

01:10:05,430 --> 01:10:03,440

um and the inspiration that comes out of

1847

01:10:07,590 --> 01:10:05,440

that and i and i'm co-hosting it with

1848

01:10:10,550 --> 01:10:07,600

one of our members who's actually been

1849

01:10:14,070 --> 01:10:10,560

practicing psychology for you know 35

1850

01:10:16,470 --> 01:10:14,080

years and she's um amazing and

1851

01:10:18,709 --> 01:10:16,480

uh so it's it's a great

1852

01:10:20,229 --> 01:10:18,719

and and this is i think just one of many

1853

01:10:23,110 --> 01:10:20,239

groups like this that that are going to

1854

01:10:25,750 --> 01:10:23,120

happen with within the experienter group

1855

01:10:28,070 --> 01:10:25,760

and yes does jay just wrote to me yes

1856

01:10:29,430 --> 01:10:28,080

our motto in our opening statement for

1857

01:10:31,270 --> 01:10:29,440

every meeting we have an opening

1858

01:10:33,590 --> 01:10:31,280

statement that basically says

1859

01:10:36,310 --> 01:10:33,600

you know keep things anonymous

1860

01:10:37,910 --> 01:10:36,320

respect everybody keep politics out of

1861

01:10:38,709 --> 01:10:37,920

the meeting today please thank you very

1862

01:10:39,510 --> 01:10:38,719

much

1863

01:10:41,590 --> 01:10:39,520

um

1864

01:10:42,390 --> 01:10:41,600

politics inflame people so we don't need

1865

01:10:45,189 --> 01:10:42,400

that

1866

01:10:48,229 --> 01:10:45,199

um but at the end we say uh stay kind

1867

01:10:50,149 --> 01:10:48,239

and stay curious um which which kind of

1868

01:10:52,630 --> 01:10:50,159

sets the tone

1869

01:10:53,910 --> 01:10:52,640

stay kind and stay curious yeah that's

1870

01:10:55,270 --> 01:10:53,920

uh

1871

01:10:57,590 --> 01:10:55,280

that's perfect

1872

01:10:59,510 --> 01:10:57,600

it's very perfect um

1873

01:11:02,149 --> 01:10:59,520

i couldn't say anything

1874

01:11:03,750 --> 01:11:02,159

better than that myself because

1875

01:11:06,470 --> 01:11:03,760

you know i think

1876

01:11:08,950 --> 01:11:06,480

when you really look at this uh topic

1877

01:11:10,470 --> 01:11:08,960

if you go to just the ufo side of it or

1878

01:11:13,590 --> 01:11:10,480

whatever

1879

01:11:16,149 --> 01:11:13,600

people who haven't had experiences or

1880

01:11:19,750 --> 01:11:16,159

how i was before i had an experience the

1881

01:11:20,870 --> 01:11:19,760

whole thing seems bizarre and it's hard

1882

01:11:21,830 --> 01:11:20,880

to believe

1883

01:11:24,709 --> 01:11:21,840

you know

1884

01:11:26,950 --> 01:11:24,719

so what makes my experience

1885

01:11:28,550 --> 01:11:26,960

so much harder to believe

1886

01:11:30,630 --> 01:11:28,560

than what you're already trying to

1887

01:11:31,990 --> 01:11:30,640

believe

1888

01:11:33,350 --> 01:11:32,000

and so why are you being mean to me

1889

01:11:35,270 --> 01:11:33,360

about it

1890

01:11:37,030 --> 01:11:35,280

you know because it's not the idea of

1891

01:11:39,510 --> 01:11:37,040

what you want to believe like that

1892

01:11:42,390 --> 01:11:39,520

that's not fair stay kind

1893

01:11:43,830 --> 01:11:42,400

stay curious i like it

1894

01:11:47,990 --> 01:11:43,840

and there's

1895

01:11:50,229 --> 01:11:48,000

able to talk out

1896

01:11:53,110 --> 01:11:50,239

um your personal testimony being able to

1897

01:11:55,510 --> 01:11:53,120

kind of release this kind of energy

1898

01:11:57,750 --> 01:11:55,520

so it's not just zoomer it's not just

1899

01:11:59,350 --> 01:11:57,760

zoom groups we have a custom built

1900

01:12:00,950 --> 01:11:59,360

social interface

1901

01:12:01,750 --> 01:12:00,960

um

1902

01:12:03,669 --> 01:12:01,760

and

1903

01:12:05,270 --> 01:12:03,679

there's a few different modes with which

1904

01:12:08,149 --> 01:12:05,280

people can reach each other we have a

1905

01:12:09,430 --> 01:12:08,159

private discord we have our own custom

1906

01:12:11,830 --> 01:12:09,440

built site

1907

01:12:15,110 --> 01:12:11,840

and and so people can kind of go off

1908

01:12:17,189 --> 01:12:15,120

into their corners in a way and and dm

1909

01:12:21,270 --> 01:12:17,199

each other compare notes

1910

01:12:22,550 --> 01:12:21,280

find resonances and so at this point

1911

01:12:24,149 --> 01:12:22,560

since we started at the beginning of

1912

01:12:26,790 --> 01:12:24,159

february there's

1913

01:12:29,510 --> 01:12:26,800

all these cool points where

1914

01:12:31,750 --> 01:12:29,520

where i'll be talking to somebody and it

1915

01:12:32,550 --> 01:12:31,760

turns out that there's this whole other

1916

01:12:36,149 --> 01:12:32,560

this

1917

01:12:38,470 --> 01:12:36,159

between some of the members that we

1918

01:12:39,990 --> 01:12:38,480

weren't even privy to because they just

1919

01:12:41,830 --> 01:12:40,000

bonded so much

1920

01:12:43,590 --> 01:12:41,840

and because of their experience or

1921

01:12:44,950 --> 01:12:43,600

because because of their resonance with

1922

01:12:47,750 --> 01:12:44,960

each other and

1923

01:12:49,590 --> 01:12:47,760

and seeing stuff like that happen is is

1924

01:12:50,630 --> 01:12:49,600

really really crucial

1925

01:12:52,229 --> 01:12:50,640

and

1926

01:12:54,550 --> 01:12:52,239

even just

1927

01:12:56,950 --> 01:12:54,560

being able to kind of lay it out

1928

01:13:00,070 --> 01:12:56,960

being able to talk it out

1929

01:13:02,709 --> 01:13:00,080

and and and spill it out without without

1930

01:13:05,669 --> 01:13:02,719

being judged is critically important i

1931

01:13:08,149 --> 01:13:05,679

think one of the reasons why even the

1932

01:13:10,070 --> 01:13:08,159

we created the experienter group and why

1933

01:13:11,669 --> 01:13:10,080

stuart is such a crucial component of

1934

01:13:14,709 --> 01:13:11,679

that is because

1935

01:13:18,390 --> 01:13:14,719

we were all inspired by aliens and

1936

01:13:20,149 --> 01:13:18,400

artists his podcast and and and aliens

1937

01:13:21,830 --> 01:13:20,159

and artists which i've known about

1938

01:13:25,590 --> 01:13:21,840

before i even knew that you guys were

1939

01:13:27,110 --> 01:13:25,600
affiliated with it which is amazing

1940

01:13:29,110 --> 01:13:27,120
but i'm like all right stuart i got to

1941

01:13:31,590 --> 01:13:29,120
look at this guy yep

1942

01:13:32,870 --> 01:13:31,600
you got to be kidding me

1943

01:13:36,390 --> 01:13:32,880
it's just so

1944

01:13:37,110 --> 01:13:36,400
dang well done i mean like i i went on

1945

01:13:41,430 --> 01:13:37,120
it

1946

01:13:43,430 --> 01:13:41,440
september of last year

1947

01:13:46,070 --> 01:13:43,440
and those episodes came out in january

1948

01:13:48,950 --> 01:13:46,080
kirsten was just on it this last month

1949

01:13:50,630 --> 01:13:48,960
um and but there's

1950

01:13:54,390 --> 01:13:50,640
such a rich

1951

01:13:55,430 --> 01:13:54,400

body of work there um to look at and

1952

01:13:59,110 --> 01:13:55,440

you know

1953

01:14:03,830 --> 01:13:59,120

before coming out to the public

1954

01:14:05,990 --> 01:14:03,840

two weeks ago for myself yeah um and

1955

01:14:08,229 --> 01:14:06,000

being able to

1956

01:14:10,550 --> 01:14:08,239

walk around i go on long walks pretty

1957

01:14:12,149 --> 01:14:10,560

much every day and i would listen

1958

01:14:13,830 --> 01:14:12,159

there's a whole stretch of months and

1959

01:14:17,669 --> 01:14:13,840

this still happens when he's got a new

1960

01:14:19,430 --> 01:14:17,679

episode out i i walk around and i listen

1961

01:14:20,870 --> 01:14:19,440

to these accounts of these other

1962

01:14:22,790 --> 01:14:20,880

experiencers

1963

01:14:25,110 --> 01:14:22,800

and there are a couple other podcasts

1964

01:14:26,070 --> 01:14:25,120

like that but there's

1965

01:14:27,830 --> 01:14:26,080

there's

1966

01:14:30,229 --> 01:14:27,840

something about hearing the intimacy of

1967

01:14:32,229 --> 01:14:30,239

that that was really inspirational and i

1968

01:14:34,229 --> 01:14:32,239

think that it really shifted the tenor

1969

01:14:35,510 --> 01:14:34,239

from for me of

1970

01:14:38,790 --> 01:14:35,520

of what

1971

01:14:39,750 --> 01:14:38,800

what could be done in this kind of space

1972

01:14:42,790 --> 01:14:39,760

and

1973

01:14:45,350 --> 01:14:42,800

how it could be taken

1974

01:14:47,669 --> 01:14:45,360

where it could be taken because so much

1975

01:14:50,310 --> 01:14:47,679

of ufology is built around these rules

1976

01:14:52,630 --> 01:14:50,320

and these parameters that we learned

1977

01:14:54,630 --> 01:14:52,640

from people like jl and heineck we

1978

01:14:57,189 --> 01:14:54,640

learned from people who are already

1979

01:14:58,950 --> 01:14:57,199

compromised right that that we were

1980

01:15:01,430 --> 01:14:58,960

supposed to look at the pentagon we were

1981

01:15:03,270 --> 01:15:01,440

supposed to ask the pentagon for answers

1982

01:15:05,590 --> 01:15:03,280

right that we were supposed to

1983

01:15:08,470 --> 01:15:05,600

automatically think about swamp gas

1984

01:15:10,550 --> 01:15:08,480

things like that we weren't supposed to

1985

01:15:12,390 --> 01:15:10,560

look at mythology we weren't supposed to

1986

01:15:14,229 --> 01:15:12,400

look at the history of spirituality and

1987

01:15:18,390 --> 01:15:14,239

religion we weren't supposed to look at

1988

01:15:20,229 --> 01:15:18,400

where else these records could exist

1989

01:15:21,590 --> 01:15:20,239

in in history

1990

01:15:22,790 --> 01:15:21,600

yeah and

1991

01:15:25,189 --> 01:15:22,800

and

1992

01:15:28,229 --> 01:15:25,199

that kind of that kind of rooting still

1993

01:15:30,310 --> 01:15:28,239

happens now where there's cons there's

1994

01:15:32,550 --> 01:15:30,320

constantly i mean if you exist within

1995

01:15:34,630 --> 01:15:32,560

ufology you're you're in this framework

1996

01:15:37,510 --> 01:15:34,640

where people are constantly trying to

1997

01:15:39,669 --> 01:15:37,520

like it's like a laser pointer

1998

01:15:41,910 --> 01:15:39,679

yeah it's like a laser pointer and a cat

1999

01:15:43,430 --> 01:15:41,920

they're lit it's like it's like go over

2000

01:15:45,270 --> 01:15:43,440

here go over here it's where the

2001

01:15:47,430 --> 01:15:45,280

pentagon is like go over there go to

2002

01:15:49,350 --> 01:15:47,440

langley or whatever yeah and if you

2003

01:15:51,350 --> 01:15:49,360

don't the pentagon folks won't want to

2004

01:15:52,390 --> 01:15:51,360

talk to you

2005

01:15:54,870 --> 01:15:52,400

that's right

2006

01:15:57,270 --> 01:15:54,880

but that's part of the decentralization

2007

01:16:00,149 --> 01:15:57,280

of these cases because like you have a

2008

01:16:01,110 --> 01:16:00,159

history sean and it's and that in the

2009

01:16:02,870 --> 01:16:01,120

end

2010

01:16:05,270 --> 01:16:02,880

that kind of that

2011

01:16:06,950 --> 01:16:05,280

that kind of situation is more resonant

2012

01:16:09,350 --> 01:16:06,960

it's going to be more resonant it's

2013

01:16:12,070 --> 01:16:09,360

going to be more important to you than

2014

01:16:14,070 --> 01:16:12,080

anything that you ever read from dc

2015

01:16:15,669 --> 01:16:14,080

and the same is true for me and the same

2016

01:16:17,590 --> 01:16:15,679

is true for stuart and the same is true

2017

01:16:19,510 --> 01:16:17,600

for kirsten and anybody else that's had

2018

01:16:21,350 --> 01:16:19,520

these kinds of experiences

2019

01:16:23,030 --> 01:16:21,360

and so there's a different way that we

2020

01:16:24,070 --> 01:16:23,040

can have these conversations and that we

2021

01:16:26,149 --> 01:16:24,080

can hear

2022

01:16:26,870 --> 01:16:26,159

this kind of dialogue

2023

01:16:34,470 --> 01:16:26,880

and

2024

01:16:36,149 --> 01:16:34,480

of having all of those people involved

2025

01:16:37,750 --> 01:16:36,159

in the conversation

2026
01:16:39,030 --> 01:16:37,760
it can also

2027
01:16:44,470 --> 01:16:39,040
it can

2028
01:16:47,030 --> 01:16:44,480
varied

2029
01:16:48,950 --> 01:16:47,040
the this experience can be

2030
01:16:51,270 --> 01:16:48,960
our lived experience

2031
01:16:53,430 --> 01:16:51,280
not just anomalous experience right

2032
01:16:54,229 --> 01:16:53,440
but we can look at this the width of

2033
01:16:57,510 --> 01:16:54,239
that

2034
01:16:58,310 --> 01:16:57,520
and and it can give us a wider framework

2035
01:17:00,950 --> 01:16:58,320
and

2036
01:17:02,950 --> 01:17:00,960
maybe it can help us be more empathetic

2037
01:17:06,229 --> 01:17:02,960
to other people i don't know but i i

2038
01:17:07,350 --> 01:17:06,239

would hope so and in the meantime

2039

01:17:09,669 --> 01:17:07,360

um

2040

01:17:11,110 --> 01:17:09,679

i know that i feel this way and kirsten

2041

01:17:12,950 --> 01:17:11,120

and stuart do as well that the

2042

01:17:14,149 --> 01:17:12,960

experiencer group is absolutely

2043

01:17:15,830 --> 01:17:14,159

necessary

2044

01:17:17,830 --> 01:17:15,840

for us in terms of this kind of

2045

01:17:19,030 --> 01:17:17,840

framework because

2046

01:17:20,630 --> 01:17:19,040

people

2047

01:17:22,229 --> 01:17:20,640

like you

2048

01:17:23,510 --> 01:17:22,239

people like us

2049

01:17:25,110 --> 01:17:23,520

people that have had anonymous

2050

01:17:26,470 --> 01:17:25,120

experiences

2051

01:17:29,110 --> 01:17:26,480

maybe they can share it with people

2052

01:17:30,390 --> 01:17:29,120

around them maybe they can't maybe those

2053

01:17:32,790 --> 01:17:30,400

they don't feel like they really

2054

01:17:34,630 --> 01:17:32,800

connected maybe they tried to tell their

2055

01:17:36,870 --> 01:17:34,640

mom or their sister or their wife or

2056

01:17:38,550 --> 01:17:36,880

their husband about this stuff and it

2057

01:17:40,070 --> 01:17:38,560

didn't quite land

2058

01:17:43,270 --> 01:17:40,080

it didn't resonate

2059

01:17:46,790 --> 01:17:43,280

you know oh or or you saw or you saw

2060

01:17:49,110 --> 01:17:46,800

them kind of get it but not really and

2061

01:17:50,950 --> 01:17:49,120

you know and that can be a really

2062

01:17:52,709 --> 01:17:50,960

it sounds like that could be

2063

01:17:53,910 --> 01:17:52,719

you maybe you found that to be the case

2064

01:17:54,870 --> 01:17:53,920

but it can be a really difficult

2065

01:17:57,189 --> 01:17:54,880

situation

2066

01:18:00,310 --> 01:17:57,199

yeah especially when it is so emotional

2067

01:18:02,709 --> 01:18:00,320

and it's even hard to get it out without

2068

01:18:04,229 --> 01:18:02,719

getting a little tear in your eye and

2069

01:18:05,030 --> 01:18:04,239

you get someone looking right through

2070

01:18:08,550 --> 01:18:05,040

you

2071

01:18:11,910 --> 01:18:08,560

that's that's tough it's definitely

2072

01:18:12,870 --> 01:18:11,920

tough and it makes you feel alone

2073

01:18:14,070 --> 01:18:12,880

so

2074

01:18:17,030 --> 01:18:14,080

you know

2075

01:18:19,750 --> 01:18:17,040

just this episode

2076

01:18:21,750 --> 01:18:19,760

talking to you guys um

2077

01:18:24,310 --> 01:18:21,760

you know you can feel how good that

2078

01:18:26,310 --> 01:18:24,320

feels or i can feel

2079

01:18:27,830 --> 01:18:26,320

how good that feels and warming and

2080

01:18:30,070 --> 01:18:27,840

positive and

2081

01:18:31,030 --> 01:18:30,080

uh reassuring and calming

2082

01:18:32,229 --> 01:18:31,040

so

2083

01:18:34,070 --> 01:18:32,239

yeah

2084

01:18:35,750 --> 01:18:34,080

i totally get it

2085

01:18:37,990 --> 01:18:35,760

i'm with you so

2086

01:18:41,030 --> 01:18:38,000

that's so great i'm so glad you hear

2087

01:18:43,350 --> 01:18:41,040

that sean and yeah and it's great to be

2088

01:18:45,910 --> 01:18:43,360

here with you and it

2089

01:18:48,070 --> 01:18:45,920

it was one of the reasons why we we knew

2090

01:18:51,270 --> 01:18:48,080

that you're an experimenter and it

2091

01:18:52,950 --> 01:18:51,280

was an extra level of trust involved in

2092

01:18:55,910 --> 01:18:52,960

us coming here to have this conversation

2093

01:18:57,030 --> 01:18:55,920

today so it's it's great to be here with

2094

01:19:01,750 --> 01:18:57,040

you

2095

01:19:06,470 --> 01:19:01,760

did that and came here so

2096

01:19:08,149 --> 01:19:06,480

i feel super honored and uh very lucky

2097

01:19:09,990 --> 01:19:08,159

um

2098

01:19:11,590 --> 01:19:10,000

yeah and i feel connected to you already

2099

01:19:13,430 --> 01:19:11,600

so that's great

2100

01:19:14,870 --> 01:19:13,440

um i would say

2101
01:19:16,229 --> 01:19:14,880
stuart you've been quiet for a little

2102
01:19:18,709 --> 01:19:16,239
while

2103
01:19:23,990 --> 01:19:18,719
you got anything before

2104
01:19:28,390 --> 01:19:26,310
sean i just want to extend an open

2105
01:19:30,790 --> 01:19:28,400
invitation to have you come on

2106
01:19:31,669 --> 01:19:30,800
aliens and artists and

2107
01:19:35,189 --> 01:19:31,679
share

2108
01:19:37,430 --> 01:19:35,199
your experiences at your own pace

2109
01:19:38,390 --> 01:19:37,440
yeah in your own color and terms it

2110
01:19:39,750 --> 01:19:38,400
would be

2111
01:19:42,470 --> 01:19:39,760
really wonderful and we would love to

2112
01:19:45,590 --> 01:19:42,480
have you so please anytime starting now

2113
01:19:48,390 --> 01:19:45,600

forward i'll ping you afterwards

2114

01:19:50,390 --> 01:19:48,400

when we hop off and i just i appreciate

2115

01:19:51,510 --> 01:19:50,400

what everyone shared today

2116

01:19:53,590 --> 01:19:51,520

and

2117

01:19:54,950 --> 01:19:53,600

really appreciate being invited here i

2118

01:19:56,709 --> 01:19:54,960

think there's so much

2119

01:20:00,470 --> 01:19:56,719

important

2120

01:20:02,709 --> 01:20:00,480

in jay's reflections on the multifaceted

2121

01:20:05,350 --> 01:20:02,719

nature of this and how

2122

01:20:07,350 --> 01:20:05,360

we really don't have to succumb

2123

01:20:10,229 --> 01:20:07,360

to the superficial

2124

01:20:12,149 --> 01:20:10,239

notion that this is going to collapse to

2125

01:20:17,830 --> 01:20:12,159

one particular

2126

01:20:21,030 --> 01:20:17,840

need nuts and bolts we need rationality

2127

01:20:23,110 --> 01:20:21,040

we need the assessment and analyzation

2128

01:20:25,590 --> 01:20:23,120

of the physical properties of this

2129

01:20:27,510 --> 01:20:25,600

everything from radar data that's why we

2130

01:20:29,990 --> 01:20:27,520

love the leslie keynes that's why we

2131

01:20:33,350 --> 01:20:30,000

love all of these brilliant

2132

01:20:35,270 --> 01:20:33,360

scientists my personal advocacy is that

2133

01:20:38,070 --> 01:20:35,280

we also need

2134

01:20:39,830 --> 01:20:38,080

the spiritual the emotional

2135

01:20:42,790 --> 01:20:39,840

the metaphysical

2136

01:20:46,550 --> 01:20:42,800

every human being born is endowed with a

2137

01:20:49,110 --> 01:20:46,560

suite of capacities that include

2138

01:20:50,149 --> 01:20:49,120

an interiority that's just as big on the

2139

01:20:52,070 --> 01:20:50,159

inside

2140

01:20:54,550 --> 01:20:52,080

one of the things that i felt as an

2141

01:20:56,870 --> 01:20:54,560

experiencer is that the universe is just

2142

01:21:00,149 --> 01:20:56,880

as big on the inside and there are

2143

01:21:02,070 --> 01:21:00,159

technologies there are very old lineages

2144

01:21:04,790 --> 01:21:02,080

that specialize

2145

01:21:05,510 --> 01:21:04,800

and plumb the depths of the interiors

2146

01:21:07,510 --> 01:21:05,520

and

2147

01:21:10,629 --> 01:21:07,520

in my view like it or not

2148

01:21:13,590 --> 01:21:10,639

the phenomenon has an inner life and we

2149

01:21:16,629 --> 01:21:13,600

will never enter into a more meaningful

2150

01:21:19,110 --> 01:21:16,639

relationship with it by excluding its

2151
01:21:21,270 --> 01:21:19,120
inner life it is meeting us and our

2152
01:21:23,510 --> 01:21:21,280
inner life i i think you're it is

2153
01:21:25,669 --> 01:21:23,520
account that you shared sean is a great

2154
01:21:27,830 --> 01:21:25,679
indicator of that and

2155
01:21:30,229 --> 01:21:27,840
so i love that that got brought up here

2156
01:21:32,310 --> 01:21:30,239
today and that's certainly a big part of

2157
01:21:34,390 --> 01:21:32,320
where the love come from comes from in

2158
01:21:35,669 --> 01:21:34,400
our community and our support groups is

2159
01:21:38,149 --> 01:21:35,679
that

2160
01:21:39,590 --> 01:21:38,159
without having to codify

2161
01:21:41,750 --> 01:21:39,600
and define

2162
01:21:44,470 --> 01:21:41,760
the mysterious enigmatic parts of our

2163
01:21:46,790 --> 01:21:44,480

inner experiences they're welcomed and

2164

01:21:48,470 --> 01:21:46,800

supported in our community and that's

2165

01:21:49,830 --> 01:21:48,480

not a problem it's not a problem for

2166

01:21:51,350 --> 01:21:49,840

anyone that's not going to take away

2167

01:21:53,510 --> 01:21:51,360

from the nuts and bolts

2168

01:21:55,669 --> 01:21:53,520

gig that's going on

2169

01:21:58,470 --> 01:21:55,679

we we need everybody we need all the

2170

01:21:59,590 --> 01:21:58,480

methods all the tools it's going to take

2171

01:22:01,830 --> 01:21:59,600

the

2172

01:22:03,430 --> 01:22:01,840

comprehensive intelligence

2173

01:22:05,910 --> 01:22:03,440

of our humanity

2174

01:22:07,750 --> 01:22:05,920

to get more meaningful with this so

2175

01:22:09,830 --> 01:22:07,760

that's my last parting thought and i

2176
01:22:12,070 --> 01:22:09,840
just want to express my appreciation to

2177
01:22:13,510 --> 01:22:12,080
you for having us on thank you

2178
01:22:15,270 --> 01:22:13,520
it's completely my

2179
01:22:16,950 --> 01:22:15,280
my pleasure you know when you paint a

2180
01:22:18,950 --> 01:22:16,960
picture you don't just use one color

2181
01:22:20,229 --> 01:22:18,960
when you write a song you don't just use

2182
01:22:22,790 --> 01:22:20,239
one note

2183
01:22:25,030 --> 01:22:22,800
um and when you're dealing with this i

2184
01:22:27,669 --> 01:22:25,040
don't think yeah you use just one type

2185
01:22:31,590 --> 01:22:27,679
of person or one type of experience

2186
01:22:32,470 --> 01:22:31,600
um so i yeah you nailed it um so i guess

2187
01:22:34,229 --> 01:22:32,480
i'll

2188
01:22:35,590 --> 01:22:34,239

uh end on

2189

01:22:37,669 --> 01:22:35,600

saying

2190

01:22:39,189 --> 01:22:37,679

that i can already say that i love you

2191

01:22:41,750 --> 01:22:39,199

guys

2192

01:22:43,910 --> 01:22:41,760

and i appreciate you coming on this show

2193

01:22:46,390 --> 01:22:43,920

and doing this it means a lot to me

2194

01:22:47,510 --> 01:22:46,400

um i can i cannot wait

2195

01:22:49,990 --> 01:22:47,520

to uh

2196

01:22:52,629 --> 01:22:50,000

to do aliens and artists that is going

2197

01:22:54,950 --> 01:22:52,639

to be a thrill and treat for me

2198

01:22:57,189 --> 01:22:54,960

um so thank you for asking me

2199

01:23:00,310 --> 01:22:57,199

um and before we

2200

01:23:02,550 --> 01:23:00,320

knock it off um i'll give a word to jay

2201

01:23:04,870 --> 01:23:02,560

or kirsten uh for whatever you want to

2202

01:23:06,870 --> 01:23:04,880

whatever you want to say

2203

01:23:09,990 --> 01:23:06,880

kirsten why don't you why don't you have

2204

01:23:12,070 --> 01:23:10,000

uh the last the last word on this one

2205

01:23:14,470 --> 01:23:12,080

sure sure i'm just going to do on first

2206

01:23:16,310 --> 01:23:14,480

of all i'm going to thank you sean so

2207

01:23:18,629 --> 01:23:16,320

sincerely for having us on it's just so

2208

01:23:20,870 --> 01:23:18,639

lovely to spend this time with you and

2209

01:23:22,629 --> 01:23:20,880

um and i really look forward to your

2210

01:23:24,950 --> 01:23:22,639

aliens and artists episode because i

2211

01:23:27,270 --> 01:23:24,960

have to tell you it is a hoot it is a

2212

01:23:29,030 --> 01:23:27,280

hoot yeah i'm excited already

2213

01:23:29,990 --> 01:23:29,040

goosebumps so yes

2214

01:23:31,830 --> 01:23:30,000

um

2215

01:23:33,910 --> 01:23:31,840

i want to do a shameless plug though for

2216

01:23:35,430 --> 01:23:33,920

the experienter group and just say that

2217

01:23:38,470 --> 01:23:35,440

it's a great place to be there are so

2218

01:23:40,390 --> 01:23:38,480

many great groups online and

2219

01:23:42,870 --> 01:23:40,400

for experiencers and they are all

2220

01:23:44,629 --> 01:23:42,880

wonderful and they're all different

2221

01:23:48,629 --> 01:23:44,639

one of the really great things about

2222

01:23:52,149 --> 01:23:48,639

ours though is that we bring in

2223

01:23:54,390 --> 01:23:52,159

luminaries such as leslie kane such as

2224

01:23:57,030 --> 01:23:54,400

michael ellen such as

2225

01:23:58,550 --> 01:23:57,040

jeffrey kreipel such as richard dolan

2226

01:24:01,189 --> 01:23:58,560

such as

2227

01:24:04,310 --> 01:24:01,199

kathleen martin yvonne smith we're going

2228

01:24:07,350 --> 01:24:04,320

to have gordon white coming up soon

2229

01:24:10,550 --> 01:24:07,360

um and this is a chance for our members

2230

01:24:12,470 --> 01:24:10,560

to be on zoom with these folks these

2231

01:24:16,790 --> 01:24:12,480

deep thinkers these

2232

01:24:20,229 --> 01:24:16,800

you know ogs of the anomalous uh world

2233

01:24:21,830 --> 01:24:20,239

and ask them questions themselves which

2234

01:24:23,030 --> 01:24:21,840

this is a double

2235

01:24:25,830 --> 01:24:23,040

um

2236

01:24:27,510 --> 01:24:25,840

it's a double coin here it's a double

2237

01:24:28,709 --> 01:24:27,520

edged sword i guess you'd say in a good

2238

01:24:30,550 --> 01:24:28,719

way because

2239

01:24:33,030 --> 01:24:30,560

it exposes

2240

01:24:35,830 --> 01:24:33,040

information to our experimenter to to the

2241

01:24:37,270 --> 01:24:35,840

experimenters they're not ours they come

2242

01:24:39,030 --> 01:24:37,280

and go as they please

2243

01:24:39,910 --> 01:24:39,040

um and

2244

01:24:41,510 --> 01:24:39,920

yeah

2245

01:24:45,110 --> 01:24:41,520

and also

2246

01:24:49,350 --> 01:24:45,120

it it exposes experimenters to these

2247

01:24:50,390 --> 01:24:49,360

luminaries which really is important um

2248

01:24:53,030 --> 01:24:50,400

and

2249

01:24:55,270 --> 01:24:53,040

we love them for coming on so that's

2250

01:24:57,750 --> 01:24:55,280

that's one of the great things uh among

2251

01:25:00,229 --> 01:24:57,760

many things that we have to offer but

2252

01:25:02,149 --> 01:25:00,239

once again thank you so much and um

2253

01:25:04,550 --> 01:25:02,159

it's great to be here

2254

01:25:06,470 --> 01:25:04,560

yeah jay

2255

01:25:09,270 --> 01:25:06,480

thank you so much sean it's wonderful to

2256

01:25:11,910 --> 01:25:09,280

be here uh it was it was great to

2257

01:25:15,030 --> 01:25:11,920

to be on with you the other day the very

2258

01:25:18,790 --> 01:25:15,040

uh within hours of coming out in public

2259

01:25:21,430 --> 01:25:18,800

as an abductee and experiencer and and

2260

01:25:22,550 --> 01:25:21,440

uh so we'll we'll always have that

2261

01:25:24,629 --> 01:25:22,560

um but

2262

01:25:26,709 --> 01:25:24,639

uh you know and

2263

01:25:29,110 --> 01:25:26,719

um if you want me to send the flowers

2264

01:25:30,629 --> 01:25:29,120

that i bought for you today um i don't

2265

01:25:32,310 --> 01:25:30,639

know if they're going to make it

2266

01:25:35,110 --> 01:25:32,320

but um

2267

01:25:36,950 --> 01:25:35,120

i i i appreciate your

2268

01:25:38,950 --> 01:25:36,960

i'll smell some out here and

2269

01:25:40,629 --> 01:25:38,960

caring and

2270

01:25:42,470 --> 01:25:40,639

i've i feel like i've been blushing this

2271

01:25:43,590 --> 01:25:42,480

whole time and

2272

01:25:45,189 --> 01:25:43,600

i'll take it

2273

01:25:46,950 --> 01:25:45,199

um yeah yeah it's been a wonderful

2274

01:25:49,030 --> 01:25:46,960

conversation

2275

01:25:50,709 --> 01:25:49,040

you said earlier you're not decorate

2276

01:25:53,030 --> 01:25:50,719

you're not decorated

2277

01:25:54,470 --> 01:25:53,040

however you are decorative

2278

01:25:56,870 --> 01:25:54,480

i do yes

2279

01:25:58,470 --> 01:25:56,880

there's a lot yeah

2280

01:25:59,430 --> 01:25:58,480

i mean he's got the string lights up

2281

01:26:00,790 --> 01:25:59,440

there

2282

01:26:03,030 --> 01:26:00,800

exactly

2283

01:26:05,990 --> 01:26:03,040

one of the most decorative authorities

2284

01:26:09,270 --> 01:26:06,000

in the anomalous realms

2285

01:26:10,070 --> 01:26:09,280

don't worry you know yeah took me so

2286

01:26:11,669 --> 01:26:10,080

much

2287

01:26:14,470 --> 01:26:11,679

get to this

2288

01:26:17,350 --> 01:26:14,480

it's all flare flare 100 flare not

2289

01:26:19,830 --> 01:26:17,360

flares but flare it's important yeah

2290

01:26:22,629 --> 01:26:19,840

but um uh anyway so thank you sean for

2291

01:26:24,070 --> 01:26:22,639

having us today and uh these are

2292

01:26:27,430 --> 01:26:24,080

conversations that are starting they're

2293

01:26:30,149 --> 01:26:27,440

not ending with this this realm what

2294

01:26:32,629 --> 01:26:30,159

we're talking about today will continue

2295

01:26:33,430 --> 01:26:32,639

to have resonance for years to come so

2296

01:26:35,750 --> 01:26:33,440

uh

2297

01:26:37,830 --> 01:26:35,760

i i appreciate you having us on to start

2298

01:26:38,790 --> 01:26:37,840

this conversation and we can continue in

2299

01:26:40,550 --> 01:26:38,800

the future

2300

01:26:42,950 --> 01:26:40,560

yeah i can't wait

2301

01:26:44,550 --> 01:26:42,960

um yeah and with that being said thank

2302

01:26:47,590 --> 01:26:44,560

you everybody in the chat for hanging

2303

01:26:49,270 --> 01:26:47,600

out and being as cool as you are and

2304

01:26:51,750 --> 01:26:49,280

being with us this whole time i really

2305

01:26:53,910 --> 01:26:51,760

do appreciate that and i will see you
