1  
00:00:23,590 --> 00:00:09,540  
[Applause]

2  
00:00:23,600 --> 00:00:26,900  
west

3  
00:00:48,389 --> 00:00:32,420  
[Applause]

4  
00:00:50,709 --> 00:00:48,399  
[Music]

5  
00:00:51,910 --> 00:00:50,719  
what's up everybody happy thursday i

6  
00:00:55,430 --> 00:00:51,920  
hope you're all

7  
00:00:59,910 --> 00:00:56,830  
pretty

8  
00:01:02,069 --> 00:00:59,920  
great i got my awesome

9  
00:01:03,430 --> 00:01:02,079  
uh well it's awesome to me my horse

10  
00:01:05,350 --> 00:01:03,440  
shirt

11  
00:01:07,830 --> 00:01:05,360  
with cacti

12  
00:01:12,149 --> 00:01:07,840  
so that usually means that we're going

13  
00:01:15,030 --> 00:01:12,159

to be doing some pretty great stuff

14

00:01:17,910 --> 00:01:15,040

i'm seeing that oak ridge stuff in here

15

00:01:19,350 --> 00:01:17,920

um that's pretty dope if i have time

16

00:01:20,870 --> 00:01:19,360

i'll show you those stocks those are

17

00:01:22,870 --> 00:01:20,880

pretty good too

18

00:01:24,710 --> 00:01:22,880

um yeah

19

00:01:27,270 --> 00:01:24,720

you already know this i'm sure but there

20

00:01:29,749 --> 00:01:27,280

were a bunch of sightings over oak ridge

21

00:01:35,429 --> 00:01:31,429

so today we're going to cover a couple

22

00:01:37,910 --> 00:01:36,870

kind of give you where i'm at with that

23

00:01:41,350 --> 00:01:37,920

video

24

00:01:43,350 --> 00:01:41,360

that andy released yesterday

25

00:01:44,870 --> 00:01:43,360

and then i'll

26

00:01:47,429 --> 00:01:44,880

just briefly

27

00:01:49,030 --> 00:01:47,439

um touch on the einstein thing and where

28

00:01:50,389 --> 00:01:49,040

i'm at with that

29

00:01:53,350 --> 00:01:50,399

and then

30

00:01:53,360 --> 00:01:57,030

we'll get to the proof

31

00:02:00,870 --> 00:01:58,389

and i'm not messing around with that

32

00:02:02,310 --> 00:02:00,880

it's it's definitely it's definitely

33

00:02:05,429 --> 00:02:02,320

definitely proof

34

00:02:08,229 --> 00:02:05,439

um but first just wanted to say hello to

35

00:02:09,830 --> 00:02:08,239

everybody um the contributors everybody

36

00:02:11,029 --> 00:02:09,840

that's in this chat i really do

37

00:02:13,510 --> 00:02:11,039

appreciate it

38

00:02:15,270 --> 00:02:13,520

spaghetti

39

00:02:16,949 --> 00:02:15,280

i can't put you on the screen if you're

40

00:02:19,910 --> 00:02:16,959

gonna have that picture up

41

00:02:23,430 --> 00:02:19,920

that is just giving me nightmares

42

00:02:23,440 --> 00:02:28,070

look at that picture

43

00:02:28,080 --> 00:02:31,110

oh my god

44

00:02:36,229 --> 00:02:32,949

um

45

00:02:36,949 --> 00:02:36,239

yeah abbas uh megan t what's up how are

46

00:02:39,830 --> 00:02:36,959

you

47

00:02:41,430 --> 00:02:39,840

my flying saucers

48

00:02:42,869 --> 00:02:41,440

totally appreciate you guys hanging out

49

00:02:45,589 --> 00:02:42,879

today derek

50

00:02:48,229 --> 00:02:45,599

mr robert crawford

51  
00:02:51,670 --> 00:02:48,239  
uh existential minds let's do it we

52  
00:02:55,270 --> 00:02:51,680  
about to that's for sure rusty pack

53  
00:02:56,550 --> 00:02:55,280  
um andres hello how are you

54  
00:02:59,190 --> 00:02:56,560  
um

55  
00:03:00,309 --> 00:02:59,200  
who else we got who else we got avril

56  
00:03:03,350 --> 00:03:00,319  
what's up

57  
00:03:05,830 --> 00:03:03,360  
witness citizen thanks for coming

58  
00:03:08,390 --> 00:03:05,840  
uh case for infinity

59  
00:03:09,910 --> 00:03:08,400  
nice to see you thanks for being here

60  
00:03:12,070 --> 00:03:09,920  
um and

61  
00:03:13,670 --> 00:03:12,080  
the one and only alien girl

62  
00:03:15,750 --> 00:03:13,680  
how are you i always liked it when you

63  
00:03:16,830 --> 00:03:15,760

joined appreciate you being here

64

00:03:20,309 --> 00:03:16,840

in

65

00:03:23,270 --> 00:03:20,319

john elderwolf appreciate you thanks for

66

00:03:25,990 --> 00:03:23,280

being here and spaghetti says that is

67

00:03:28,550 --> 00:03:26,000

his good side well we know that's not

68

00:03:29,430 --> 00:03:28,560

the case we've had him on the show

69

00:03:31,830 --> 00:03:29,440

um

70

00:03:33,750 --> 00:03:31,840

so that's just it's not true it's

71

00:03:34,789 --> 00:03:33,760

absolutely not true

72

00:03:36,229 --> 00:03:34,799

um

73

00:03:38,229 --> 00:03:36,239

but for some reason it's like one of

74

00:03:40,550 --> 00:03:38,239

those weird things i can't stop staring

75

00:03:41,760 --> 00:03:40,560

at it

76

00:03:45,190 --> 00:03:41,770

probably not good for me

77

00:03:56,869 --> 00:03:46,710

um

78

00:03:59,110 --> 00:03:56,879

mcquest reaction uh yes yeah i did i

79

00:04:02,309 --> 00:03:59,120

well i think i did i just saw a comment

80

00:04:03,670 --> 00:04:02,319

real quick about balloons so

81

00:04:05,509 --> 00:04:03,680

not sure if that's what you're referring

82

00:04:08,070 --> 00:04:05,519

to or not but i don't know what else

83

00:04:09,270 --> 00:04:08,080

anyone ex you know

84

00:04:10,789 --> 00:04:09,280

expected

85

00:04:13,270 --> 00:04:10,799

there i'm sure

86

00:04:15,350 --> 00:04:13,280

maybe he's cooking up his little

87

00:04:16,310 --> 00:04:15,360

his little plans in the debunking

88

00:04:18,469 --> 00:04:16,320

kitchen

89

00:04:20,310 --> 00:04:18,479

i you know the weird part about well the

90

00:04:22,629 --> 00:04:20,320

thing i think about when i

91

00:04:24,150 --> 00:04:22,639

you know think about mick west and

92

00:04:26,070 --> 00:04:24,160

starting to be a couple other people in

93

00:04:27,110 --> 00:04:26,080

this field to be honest with you

94

00:04:28,950 --> 00:04:27,120

is the

95

00:04:30,070 --> 00:04:28,960

education

96

00:04:33,670 --> 00:04:30,080

course

97

00:04:37,830 --> 00:04:33,680

you know that went underway after

98

00:04:40,790 --> 00:04:37,840

um 1952 beginning 1953. they had a legit

99

00:04:43,189 --> 00:04:40,800

education course to where they were

100

00:04:44,070 --> 00:04:43,199

trained to debunk

101  
00:04:45,749 --> 00:04:44,080  
so

102  
00:04:48,629 --> 00:04:45,759  
you know when you find a document like

103  
00:04:49,990 --> 00:04:48,639  
that it's like you know i'm sorry but

104  
00:04:51,830 --> 00:04:50,000  
it's really hard to take those people

105  
00:04:53,189 --> 00:04:51,840  
seriously at this point

106  
00:04:55,270 --> 00:04:53,199  
um

107  
00:04:57,909 --> 00:04:55,280  
because you just don't know

108  
00:04:59,990 --> 00:04:57,919  
just don't know who's who um songs are

109  
00:05:02,230 --> 00:05:00,000  
honest and have honest intentions you

110  
00:05:05,110 --> 00:05:02,240  
know i'll try my best to

111  
00:05:06,070 --> 00:05:05,120  
um decipher that for myself and listen

112  
00:05:07,350 --> 00:05:06,080  
um

113  
00:05:08,629 --> 00:05:07,360

but you know it just makes it more

114

00:05:10,950 --> 00:05:08,639

difficult

115

00:05:12,629 --> 00:05:10,960

i guess so

116

00:05:14,710 --> 00:05:12,639

is what it is

117

00:05:17,189 --> 00:05:14,720

benji what's up brother

118

00:05:20,310 --> 00:05:17,199

appreciate you being here as always

119

00:05:24,230 --> 00:05:20,320

um so yeah while i get my docs in order

120

00:05:32,770 --> 00:05:26,790

let me just

121

00:05:32,780 --> 00:06:23,830

[Music]

122

00:06:27,029 --> 00:06:25,990

yeah you got a brother of course man you

123

00:06:28,950 --> 00:06:27,039

are

124

00:06:30,390 --> 00:06:28,960

you're so consistent you know if i was

125

00:06:33,110 --> 00:06:30,400

paying you to be here i would say you

126  
00:06:35,110 --> 00:06:33,120  
are so consistent you're gonna move up

127  
00:06:37,909 --> 00:06:35,120  
the ladder bro because you are here

128  
00:06:40,469 --> 00:06:37,919  
without a doubt all the time super nice

129  
00:06:41,670 --> 00:06:40,479  
never throwing anything mean out there

130  
00:06:44,070 --> 00:06:41,680  
um

131  
00:06:46,390 --> 00:06:44,080  
super kind and i look up to you for that

132  
00:06:48,870 --> 00:06:46,400  
man you're able to keep your cool

133  
00:06:49,909 --> 00:06:48,880  
being involved in all this and it's not

134  
00:06:53,990 --> 00:06:49,919  
easy

135  
00:06:56,150 --> 00:06:54,000  
hence our first topic of the day

136  
00:06:57,350 --> 00:06:56,160  
um

137  
00:06:58,950 --> 00:06:57,360  
some of you

138  
00:07:00,790 --> 00:06:58,960

um might have

139

00:07:05,909 --> 00:07:00,800

been able to catch that uh interview i

140

00:07:07,670 --> 00:07:05,919

did with andy uh ny uh uap

141

00:07:09,029 --> 00:07:07,680

um where we discussed the video that he

142

00:07:10,150 --> 00:07:09,039

was gonna have

143

00:07:11,990 --> 00:07:10,160

come out

144

00:07:13,189 --> 00:07:12,000

the first thing i'll say you know i'm

145

00:07:15,350 --> 00:07:13,199

just gonna be

146

00:07:18,950 --> 00:07:15,360

as honest

147

00:07:18,960 --> 00:07:24,309

the first thing i'll say is

148

00:07:28,070 --> 00:07:25,909

i don't i don't think that it was

149

00:07:31,110 --> 00:07:28,080

handled correctly the opening of the

150

00:07:32,150 --> 00:07:31,120

video and it coming out

151

00:07:33,749 --> 00:07:32,160

um

152

00:07:35,990 --> 00:07:33,759

a couple things there first of all it

153

00:07:37,189 --> 00:07:36,000

was uploaded without five gigs worth of

154

00:07:40,230 --> 00:07:37,199

the

155

00:07:41,990 --> 00:07:40,240

quality so thankfully he i think he's

156

00:07:44,629 --> 00:07:42,000

hooking up with black fault

157

00:07:46,469 --> 00:07:44,639

um john was you know kind enough to

158

00:07:49,189 --> 00:07:46,479

offer that to him so we can see it in

159

00:07:50,070 --> 00:07:49,199

the full eight gigs worth of the video

160

00:07:52,550 --> 00:07:50,080

which

161

00:07:53,830 --> 00:07:52,560

i would imagine is gonna make a lot of

162

00:07:55,670 --> 00:07:53,840

difference

163

00:07:57,350 --> 00:07:55,680

five gigs worth that's gonna be a lot of

164

00:07:59,029 --> 00:07:57,360

difference roughly

165

00:08:04,309 --> 00:07:59,039

um

166

00:08:08,230 --> 00:08:06,390

i think when we

167

00:08:10,550 --> 00:08:08,240

you know and i've done this before too

168

00:08:13,110 --> 00:08:10,560

so i'm not innocent here

169

00:08:14,950 --> 00:08:13,120

i think when we you know hype something

170

00:08:16,230 --> 00:08:14,960

or say it's going to be this or it's

171

00:08:17,350 --> 00:08:16,240

going to be that it's going to be a big

172

00:08:18,790 --> 00:08:17,360

deal

173

00:08:21,909 --> 00:08:18,800

um

174

00:08:25,589 --> 00:08:23,749

as content creators or people who are

175

00:08:27,029 --> 00:08:25,599

coming out with videos like that have to

176

00:08:29,430 --> 00:08:27,039

keep in mind

177

00:08:31,510 --> 00:08:29,440

is every time we do that

178

00:08:33,670 --> 00:08:31,520

the pendulum of emotion swings

179

00:08:36,469 --> 00:08:33,680

throughout this community

180

00:08:43,670 --> 00:08:38,870

and it's really

181

00:08:48,630 --> 00:08:45,670

so inevitably

182

00:08:50,470 --> 00:08:48,640

it goes back down with the deflation

183

00:08:53,030 --> 00:08:50,480

now some people are better at handling

184

00:08:55,110 --> 00:08:53,040

that and

185

00:08:57,509 --> 00:08:55,120

you people are great

186

00:08:59,269 --> 00:08:57,519

you know but me i tend to wear my

187

00:09:02,150 --> 00:08:59,279

emotions on my sleeve a little bit i try

188

00:09:04,790 --> 00:09:02,160

to get better with that as i grow older

189

00:09:07,190 --> 00:09:04,800

but in that scenario

190

00:09:09,509 --> 00:09:07,200

i get really excited

191

00:09:11,269 --> 00:09:09,519

and then i see something

192

00:09:14,150 --> 00:09:11,279

like what i saw

193

00:09:16,230 --> 00:09:14,160

and i was a little deflated

194

00:09:18,550 --> 00:09:16,240

now did i judge it too soon of course i

195

00:09:22,150 --> 00:09:18,560

did i just told you i wore my emotions

196

00:09:28,630 --> 00:09:24,470

you know but i'm not the only one

197

00:09:31,030 --> 00:09:28,640

we all saw a lot of people do that

198

00:09:34,630 --> 00:09:31,040

you know and all those people

199

00:09:37,430 --> 00:09:34,640

went on that emotional roller coaster

200

00:09:39,750 --> 00:09:37,440

and really in the end

201  
00:09:42,150 --> 00:09:39,760  
we're waiting for the full video still

202  
00:09:46,389 --> 00:09:42,160  
to be uploaded correctly

203  
00:09:51,350 --> 00:09:48,389  
now there wasn't one analysis given i

204  
00:09:53,509 --> 00:09:51,360  
forget his name and you know for the

205  
00:09:56,310 --> 00:09:53,519  
sake of the video that was positive he

206  
00:09:57,750 --> 00:09:56,320  
was a fleer tech i believe

207  
00:09:59,990 --> 00:09:57,760  
and

208  
00:10:01,190 --> 00:10:00,000  
he he couldn't say what it was so that's

209  
00:10:04,470 --> 00:10:01,200  
great

210  
00:10:07,269 --> 00:10:04,480  
um the other thing is it has no heat

211  
00:10:12,630 --> 00:10:09,670  
i did some looking into you know

212  
00:10:13,750 --> 00:10:12,640  
technology and what kind of

213  
00:10:24,069 --> 00:10:13,760

a

214

00:10:26,150 --> 00:10:24,079

i couldn't find one

215

00:10:28,069 --> 00:10:26,160

they do have some meta material that

216

00:10:31,110 --> 00:10:28,079

came out out of california but that

217

00:10:35,269 --> 00:10:31,120

makes the thing completely invisible

218

00:10:38,150 --> 00:10:36,470

so you know there could have been a

219

00:10:40,949 --> 00:10:38,160

bunch more flying around no but what i'm

220

00:10:40,959 --> 00:10:45,430

um there's there's a little

221

00:10:50,230 --> 00:10:47,590

there's you know it's it's not black and

222

00:10:52,470 --> 00:10:50,240

white so there's a little fault put on

223

00:10:54,310 --> 00:10:52,480

myself and probably other people

224

00:10:57,350 --> 00:10:54,320

who are waiting for this and there's a

225

00:10:58,630 --> 00:10:57,360

little fault also put on andy and the

226

00:11:01,910 --> 00:10:58,640

person who

227

00:11:05,430 --> 00:11:03,910

but that's not unique to this situation

228

00:11:08,710 --> 00:11:05,440

either

229

00:11:11,190 --> 00:11:08,720

it happens time and time again

230

00:11:13,269 --> 00:11:11,200

to the point of where when that is said

231

00:11:15,590 --> 00:11:13,279

and things are you know pushed up to be

232

00:11:16,470 --> 00:11:15,600

incredible unbelievable that kind of

233

00:11:19,030 --> 00:11:16,480

thing

234

00:11:21,190 --> 00:11:19,040

um it becomes increasingly difficult to

235

00:11:25,030 --> 00:11:21,200

give that any notice

236

00:11:27,030 --> 00:11:25,040

and not because it may not deserve it

237

00:11:31,110 --> 00:11:27,040

but because emotionally how much of that

238

00:11:35,350 --> 00:11:33,509

you know

239

00:11:36,550 --> 00:11:35,360

and maybe that's just me maybe i

240

00:11:39,030 --> 00:11:36,560

shouldn't be doing that and that's my

241

00:11:42,310 --> 00:11:39,040

own problem and that's fine

242

00:11:43,110 --> 00:11:42,320

you know i'll take that on

243

00:11:44,630 --> 00:11:43,120

so

244

00:11:47,030 --> 00:11:44,640

the first thing i'll say is i do

245

00:11:49,110 --> 00:11:47,040

apologize to andy for

246

00:11:51,590 --> 00:11:49,120

being off the cuff

247

00:11:54,150 --> 00:11:51,600

as i was

248

00:11:56,389 --> 00:11:54,160

i'm sure and i know he was under an

249

00:11:58,389 --> 00:11:56,399

extremely intense

250

00:12:01,430 --> 00:11:58,399

situation that provided a lot of

251  
00:12:05,750 --> 00:12:03,670  
but people like that and you also need

252  
00:12:07,350 --> 00:12:05,760  
to know that there are smart people

253  
00:12:09,110 --> 00:12:07,360  
carrying people around you that can help

254  
00:12:11,350 --> 00:12:09,120  
you in those situations do things

255  
00:12:13,110 --> 00:12:11,360  
properly

256  
00:12:14,870 --> 00:12:13,120  
because it's not like you've been doing

257  
00:12:18,150 --> 00:12:14,880  
it your whole life

258  
00:12:21,990 --> 00:12:19,990  
so with that being said don't beat

259  
00:12:24,629 --> 00:12:22,000  
yourself up i'm sorry if i beat you up

260  
00:12:28,230 --> 00:12:24,639  
i'm sorry if other people did

261  
00:12:31,509 --> 00:12:28,240  
hopefully the scu you know looks at this

262  
00:12:33,590 --> 00:12:31,519  
and clarifies what we're looking at

263  
00:12:35,190 --> 00:12:33,600

hopefully when it goes on black fault

264

00:12:39,030 --> 00:12:35,200

the picture is

265

00:12:42,870 --> 00:12:39,040

a lot clearer and we can see the little

266

00:12:44,870 --> 00:12:42,880

different details and things on it

267

00:12:47,990 --> 00:12:44,880

and so it kind of becomes more clear

268

00:12:53,750 --> 00:12:49,829

because it does look it does look like a

269

00:12:53,760 --> 00:12:56,870

so

270

00:12:56,880 --> 00:13:00,069

you know with that being said

271

00:13:05,269 --> 00:13:03,190

i just hope that in the future

272

00:13:06,870 --> 00:13:05,279

we all can learn from a situation like

273

00:13:07,910 --> 00:13:06,880

this

274

00:13:10,230 --> 00:13:07,920

i can

275

00:13:11,829 --> 00:13:10,240

i'm gonna try to

276

00:13:14,710 --> 00:13:11,839

because i know i'm not perfect and i may

277

00:13:16,389 --> 00:13:14,720

do that again and i apologize in advance

278

00:13:18,389 --> 00:13:16,399

but i'm gonna be tried try to be

279

00:13:22,949 --> 00:13:18,399

cognizant of it and sit back and just

280

00:13:26,389 --> 00:13:24,389

and

281

00:13:27,750 --> 00:13:26,399

you know the other thing that i think we

282

00:13:29,509 --> 00:13:27,760

could learn from

283

00:13:31,110 --> 00:13:29,519

and i hate seeing

284

00:13:32,870 --> 00:13:31,120

you know i don't want to tell act like

285

00:13:34,470 --> 00:13:32,880

i'm telling people what to do because i

286

00:13:36,389 --> 00:13:34,480

don't i'm just giving my advice in my

287

00:13:37,590 --> 00:13:36,399

opinion and you don't have to listen to

288

00:13:39,509 --> 00:13:37,600

it

289

00:13:40,710 --> 00:13:39,519

but i think

290

00:13:44,069 --> 00:13:40,720

you know you should take advantage of

291

00:13:47,590 --> 00:13:44,079

the people you surround yourself with

292

00:13:54,870 --> 00:13:51,269

because they may be able to help

293

00:13:57,030 --> 00:13:54,880

do things a little more appropriately

294

00:13:59,350 --> 00:13:57,040

you know

295

00:14:03,910 --> 00:14:00,829

that's all i got to say

296

00:14:05,829 --> 00:14:03,920

there andy i still love you man and i'm

297

00:14:08,389 --> 00:14:05,839

sorry for you know

298

00:14:12,150 --> 00:14:08,399

not being there

299

00:14:16,069 --> 00:14:14,150

um

300

00:14:18,150 --> 00:14:16,079

but i'm wishing you the best and i i

301  
00:14:19,829 --> 00:14:18,160  
hope this really goes well

302  
00:14:22,230 --> 00:14:19,839  
because you know we all need

303  
00:14:24,550 --> 00:14:22,240  
we all need something and we really

304  
00:14:26,870 --> 00:14:24,560  
haven't got much since the navy videos

305  
00:14:29,189 --> 00:14:26,880  
and that was four years ago

306  
00:14:32,470 --> 00:14:29,199  
it was four years ago and we've gotten

307  
00:14:35,670 --> 00:14:33,829  
and not

308  
00:14:37,750 --> 00:14:35,680  
in particular to him

309  
00:14:40,470 --> 00:14:37,760  
but just everybody so much talk big

310  
00:14:43,990 --> 00:14:40,480  
things big stuff four years ago

311  
00:14:46,230 --> 00:14:44,000  
and what do we really have

312  
00:14:50,230 --> 00:14:46,240  
do we really have we have the government

313  
00:14:52,790 --> 00:14:50,240

admitting that their uaps exist okay

314

00:14:55,829 --> 00:14:52,800

they have a mandate put in place okay

315

00:14:57,509 --> 00:14:55,839

but what are we going to see

316

00:14:59,189 --> 00:14:57,519

we're the ones that pushed this forward

317

00:15:01,030 --> 00:14:59,199

and made this happen

318

00:15:05,670 --> 00:15:01,040

and yet we're not going to see any of

319

00:15:12,389 --> 00:15:07,350

you can't tell me there's not a video

320

00:15:12,399 --> 00:15:16,150

that doesn't

321

00:15:22,230 --> 00:15:20,550

compromise any sensitive technology

322

00:15:25,269 --> 00:15:22,240

that you can't share

323

00:15:27,430 --> 00:15:25,279

i just don't believe that

324

00:15:29,910 --> 00:15:27,440

and because you won't we're stuck in

325

00:15:33,269 --> 00:15:29,920

these little situations scraping for

326

00:15:37,509 --> 00:15:35,030

and so i think most of all when we are

327

00:15:39,829 --> 00:15:37,519

in these situations

328

00:15:43,509 --> 00:15:39,839

that's the important thing to remember

329

00:15:43,519 --> 00:15:48,069

by the people that have lied about this

330

00:15:54,389 --> 00:15:49,990

since the 40s

331

00:15:57,829 --> 00:15:56,389

and that's not fair that's not fair to

332

00:16:01,509 --> 00:15:57,839

experiencers

333

00:16:04,389 --> 00:16:01,519

that's not fair to the

334

00:16:07,189 --> 00:16:04,399

air force pilots

335

00:16:09,509 --> 00:16:07,199

and not just flavor in dietrich

336

00:16:11,590 --> 00:16:09,519

i mean they're in the spotlight

337

00:16:15,269 --> 00:16:11,600

but there are

338

00:16:21,670 --> 00:16:18,150

probably i would say hundreds

339

00:16:25,910 --> 00:16:23,749

and that's a fair assessment

340

00:16:27,590 --> 00:16:25,920

it's a fair guess

341

00:16:29,670 --> 00:16:27,600

and you can't judge that guess if you

342

00:16:34,310 --> 00:16:29,680

have not looked at the thousands and

343

00:16:34,320 --> 00:16:43,030

because i have and it is a fair guess

344

00:16:43,040 --> 00:16:45,670

so

345

00:16:50,450 --> 00:16:47,350

that being said let's move on to the

346

00:16:52,310 --> 00:16:50,460

einstein thing

347

00:16:54,550 --> 00:16:52,320

[Music]

348

00:16:55,749 --> 00:16:54,560

um spaghetti wouldn't let that go

349

00:16:57,430 --> 00:16:55,759

yesterday

350

00:16:58,230 --> 00:16:57,440

and the day before

351  
00:17:00,150 --> 00:16:58,240  
and

352  
00:17:03,110 --> 00:17:00,160  
you know this is

353  
00:17:05,909 --> 00:17:03,120  
kind of one of those situations

354  
00:17:08,309 --> 00:17:05,919  
where if you grab onto it too much and

355  
00:17:11,590 --> 00:17:08,319  
get too excited for it then to be

356  
00:17:13,669 --> 00:17:11,600  
debunked here we are again

357  
00:17:15,909 --> 00:17:13,679  
deflate it

358  
00:17:19,350 --> 00:17:15,919  
and we have to find some sort of middle

359  
00:17:21,270 --> 00:17:19,360  
ground here to where we sit and wait for

360  
00:17:23,350 --> 00:17:21,280  
things to become a little more fleshed

361  
00:17:27,990 --> 00:17:23,360  
out otherwise we're just gonna be

362  
00:17:30,390 --> 00:17:28,000  
constantly taken advantage of by either

363  
00:17:33,029 --> 00:17:30,400

things that don't look so great on the

364

00:17:37,669 --> 00:17:33,039

outside at first or

365

00:17:40,950 --> 00:17:39,510

if you don't think there's legit people

366

00:17:43,110 --> 00:17:40,960

putting

367

00:17:45,990 --> 00:17:43,120

deliberate disinformation into this

368

00:17:47,510 --> 00:17:46,000

community you're fooling yourself

369

00:17:48,630 --> 00:17:47,520

if there are secrets that are hidden

370

00:17:51,430 --> 00:17:48,640

which

371

00:17:56,630 --> 00:17:53,590

they'll do anything to continue to hide

372

00:17:59,510 --> 00:17:56,640

those even if it means a distraction

373

00:18:02,070 --> 00:17:59,520

a distraction from where you currently

374

00:18:07,350 --> 00:18:02,080

are concentrating

375

00:18:13,590 --> 00:18:10,390

and i don't know maybe it is true the

376

00:18:15,990 --> 00:18:13,600

einstein thing i don't know

377

00:18:17,669 --> 00:18:16,000

but nobody none of us know

378

00:18:23,110 --> 00:18:17,679

and we can't go by

379

00:18:29,909 --> 00:18:26,830

i mean she was 17 years old in 1947

380

00:18:31,830 --> 00:18:29,919

17. and the amount of secrets you put

381

00:18:34,150 --> 00:18:31,840

into area 51 do you really think they're

382

00:18:37,190 --> 00:18:34,160

going to take a 17 year old no matter

383

00:18:38,870 --> 00:18:37,200

how smart she was

384

00:18:40,310 --> 00:18:38,880

to go to roswell and look at this stuff

385

00:18:44,549 --> 00:18:40,320

and trust her that

386

00:18:51,430 --> 00:18:47,669

it just doesn't make any sense

387

00:18:54,310 --> 00:18:51,440

and yes in this field of ufos what does

388

00:18:58,710 --> 00:18:56,390

but if you know we have to find a middle

389

00:19:01,350 --> 00:18:58,720

ground there

390

00:19:02,870 --> 00:19:01,360

so in these situations

391

00:19:06,390 --> 00:19:02,880

prove it

392

00:19:10,470 --> 00:19:06,400

it's just

393

00:19:13,590 --> 00:19:10,480

maybe possibly sorta kinda

394

00:19:18,470 --> 00:19:13,600

a 17 year old went to help einstein look

395

00:19:22,710 --> 00:19:21,350

i mean einstein like spaghetti you

396

00:19:25,510 --> 00:19:22,720

actually hit it

397

00:19:26,950 --> 00:19:25,520

yesterday the

398

00:19:29,510 --> 00:19:26,960

headline alone

399

00:19:32,310 --> 00:19:29,520

right einstein roswell

400

00:19:35,029 --> 00:19:32,320

that is an attention grabber who is not

401  
00:19:36,950 --> 00:19:35,039  
going to look at that read it and spend

402  
00:19:39,430 --> 00:19:36,960  
considerable amount of time thinking

403  
00:19:47,190 --> 00:19:39,440  
about it especially in this community

404  
00:19:47,200 --> 00:19:51,669  
i would bet the farm on it

405  
00:19:57,909 --> 00:19:54,070  
now i could be wrong and if i am i will

406  
00:20:00,470 --> 00:19:59,430  
so

407  
00:20:01,510 --> 00:20:00,480  
i see

408  
00:20:02,710 --> 00:20:01,520  
we just

409  
00:20:05,029 --> 00:20:02,720  
move on

410  
00:20:07,270 --> 00:20:05,039  
from here

411  
00:20:09,830 --> 00:20:07,280  
yeah i mean that's a good point jason

412  
00:20:11,350 --> 00:20:09,840  
huge clickbait but it's still fun

413  
00:20:12,870 --> 00:20:11,360

and you know

414

00:20:16,549 --> 00:20:12,880

there's different ways to look at this

415

00:20:17,590 --> 00:20:16,559

stuff some people look at this stuff and

416

00:20:19,510 --> 00:20:17,600

you know

417

00:20:21,750 --> 00:20:19,520

they're i don't want to say in it for

418

00:20:23,430 --> 00:20:21,760

entertainment but for the fun part of it

419

00:20:25,590 --> 00:20:23,440

and things to

420

00:20:28,630 --> 00:20:25,600

read that are interesting that may not

421

00:20:31,270 --> 00:20:28,640

be true or maybe true that's fine you

422

00:20:32,470 --> 00:20:31,280

know that's cool

423

00:20:34,230 --> 00:20:32,480

i'm

424

00:20:35,590 --> 00:20:34,240

i mean and this is fun to me but it's

425

00:20:37,350 --> 00:20:35,600

more than that it's about human

426  
00:20:39,430 --> 00:20:37,360  
relationships to me and it's about

427  
00:20:42,630 --> 00:20:39,440  
finding some truth

428  
00:20:44,149 --> 00:20:42,640  
in regards to what i went through

429  
00:20:45,909 --> 00:20:44,159  
and i'll leave out my dream stuff and

430  
00:20:50,390 --> 00:20:45,919  
the consciousness stuff just leave it at

431  
00:20:50,400 --> 00:20:54,230  
10 feet away 30 feet away

432  
00:21:00,870 --> 00:20:56,470  
what was it

433  
00:21:05,270 --> 00:21:02,710  
you know and will i find that going

434  
00:21:07,190 --> 00:21:05,280  
through these documents maybe not

435  
00:21:08,789 --> 00:21:07,200  
maybe not

436  
00:21:11,190 --> 00:21:08,799  
but at least

437  
00:21:13,830 --> 00:21:11,200  
i can show

438  
00:21:18,070 --> 00:21:13,840

that we deserve more answers

439

00:21:22,870 --> 00:21:18,080

from someone that can undoubtedly

440

00:21:22,880 --> 00:21:28,230

so

441

00:21:32,230 --> 00:21:29,990

the lack of an initial interest

442

00:21:33,430 --> 00:21:32,240

spaghetti is what i just discussed

443

00:21:35,909 --> 00:21:33,440

is a bunch of

444

00:21:37,830 --> 00:21:35,919

you know hoopla and big storylines that

445

00:21:39,590 --> 00:21:37,840

don't go anywhere so how many times are

446

00:21:41,909 --> 00:21:39,600

you going to be interested in that and

447

00:21:45,029 --> 00:21:41,919

invest your time in that and then just

448

00:21:46,870 --> 00:21:45,039

be let down again i understand a lot of

449

00:21:49,990 --> 00:21:46,880

people have been doing that for a lot

450

00:21:51,990 --> 00:21:50,000

longer than me

451  
00:21:57,029 --> 00:21:52,000  
but it doesn't take me long to just look

452  
00:22:00,390 --> 00:21:58,390  
maybe

453  
00:22:03,830 --> 00:22:00,400  
but i looked at it right away and

454  
00:22:08,470 --> 00:22:06,149  
complete [h\_\_h]

455  
00:22:10,789 --> 00:22:08,480  
and then the farther i looked into it

456  
00:22:13,029 --> 00:22:10,799  
she's 17.

457  
00:22:14,390 --> 00:22:13,039  
the girl was 17 years old

458  
00:22:16,149 --> 00:22:14,400  
and she just

459  
00:22:17,750 --> 00:22:16,159  
happened to not

460  
00:22:20,149 --> 00:22:17,760  
write this stuff down on her nose she

461  
00:22:23,669 --> 00:22:20,159  
forgot she forgot to write about alien

462  
00:22:29,029 --> 00:22:23,679  
bodies and spacecraft on her notes

463  
00:22:33,110 --> 00:22:30,710

i don't know

464

00:22:35,029 --> 00:22:33,120

and i think it just takes our vision and

465

00:22:37,029 --> 00:22:35,039

our concentration and it puts it

466

00:22:39,029 --> 00:22:37,039

somewhere

467

00:22:43,510 --> 00:22:39,039

and wastes

468

00:22:48,870 --> 00:22:46,230

and again stuff's up to you this is just

469

00:22:51,190 --> 00:22:48,880

my opinion and i won't

470

00:22:52,830 --> 00:22:51,200

you know

471

00:22:58,710 --> 00:22:52,840

you

472

00:23:00,549 --> 00:22:58,720

because i'm here for one thing doesn't

473

00:23:02,870 --> 00:23:00,559

mean you have to be

474

00:23:02,880 --> 00:23:08,789

that's for sure all right so

475

00:23:08,799 --> 00:23:13,430

now's the time where we show proof

476

00:23:17,909 --> 00:23:15,270

it's a lot of wise people out there that

477

00:23:19,909 --> 00:23:17,919

just you know debunk videos and

478

00:23:22,230 --> 00:23:19,919

and think this isn't real because you

479

00:23:23,590 --> 00:23:22,240

know the navy video thing doesn't do it

480

00:23:26,070 --> 00:23:23,600

for them or

481

00:23:27,350 --> 00:23:26,080

this last video looks like a balloon to

482

00:23:29,270 --> 00:23:27,360

them or

483

00:23:34,310 --> 00:23:29,280

you know whatever but i would honestly

484

00:23:37,350 --> 00:23:35,750

that's not the point spaghetti and this

485

00:23:39,590 --> 00:23:37,360

is the last time i'm going to talk about

486

00:23:41,510 --> 00:23:39,600

this because i don't even really

487

00:23:45,110 --> 00:23:41,520

appreciate the subject in here because i

488

00:23:47,190 --> 00:23:45,120

do think it is disinformation

489

00:23:48,870 --> 00:23:47,200

you could have started college at 17 but

490

00:23:53,669 --> 00:23:48,880

waited that's not the point the point is

491

00:23:58,310 --> 00:23:55,510

thing that happened that we still can't

492

00:23:59,909 --> 00:23:58,320

even find out about 80 years later

493

00:24:02,950 --> 00:23:59,919

they're not going to put her in this

494

00:24:02,960 --> 00:24:09,830

it's just ridiculous

495

00:24:09,840 --> 00:24:12,149

so

496

00:24:12,159 --> 00:24:16,549

the proof

497

00:24:19,990 --> 00:24:17,590

let's

498

00:24:21,269 --> 00:24:20,000

show you what real proof is

499

00:24:29,909 --> 00:24:21,279

and not

500

00:24:31,590 --> 00:24:29,919

this is actual proof

501  
00:24:35,029 --> 00:24:31,600  
of

502  
00:24:39,830 --> 00:24:37,350  
sham

503  
00:24:41,590 --> 00:24:39,840  
all right so these are new actual

504  
00:24:43,350 --> 00:24:41,600  
documents as opposed to what i shared

505  
00:24:46,149 --> 00:24:43,360  
before the 70 and

506  
00:24:48,310 --> 00:24:46,159  
already 70 well documented encounters by

507  
00:24:49,510 --> 00:24:48,320  
an fbi person

508  
00:25:01,830 --> 00:24:49,520  
a

509  
00:25:01,840 --> 00:25:04,950  
so here we go

510  
00:25:07,990 --> 00:25:06,390  
mr blank

511  
00:25:10,549 --> 00:25:08,000  
[Music]

512  
00:25:12,789 --> 00:25:10,559  
webster girls mrs mr blank he's very

513  
00:25:15,190 --> 00:25:12,799

popular person uh webster groves

514

00:25:18,070 --> 00:25:15,200

missouri reported citing two objects in

515

00:25:20,870 --> 00:25:18,080

the sky at approximately 1700 hours 29th

516

00:25:22,789 --> 00:25:20,880

of may 1952

517

00:25:25,190 --> 00:25:22,799

off the coast of florida keys well

518

00:25:28,870 --> 00:25:25,200

aboard the uss

519

00:25:31,350 --> 00:25:28,880

i'm not even going to try cva 34.

520

00:25:34,070 --> 00:25:31,360

um that we're standing beside the ship's

521

00:25:36,390 --> 00:25:34,080

telescope on the starboard side of the

522

00:25:38,470 --> 00:25:36,400

navigation deck and observed two objects

523

00:25:40,830 --> 00:25:38,480

through the telescope upon being

524

00:25:43,830 --> 00:25:40,840

informed by the radar officer name

525

00:25:45,669 --> 00:25:43,840

unknown that there were two saucers in

526

00:25:47,269 --> 00:25:45,679

the sky

527

00:25:51,350 --> 00:25:47,279

on the 10th

528

00:25:57,029 --> 00:25:53,430

his field representative engineer for

529

00:26:02,630 --> 00:25:57,039

vickers electric division

530

00:26:08,870 --> 00:26:04,390

why do they make stuff like i'm just

531

00:26:14,549 --> 00:26:11,830

uh cv34 commanded by captain j.o

532

00:26:17,590 --> 00:26:14,559

lambrick u.s navy and route from norfolk

533

00:26:20,070 --> 00:26:17,600

virginia to guantanamo

534

00:26:25,029 --> 00:26:21,990

um now when we look at this

535

00:26:26,950 --> 00:26:25,039

may 29 1952 remember what happened

536

00:26:30,230 --> 00:26:26,960

shortly thereafter

537

00:26:34,630 --> 00:26:31,909

the dc

538

00:26:34,640 --> 00:26:44,710

all right spaghetti i told you

539

00:26:49,590 --> 00:26:47,669

what else we got here

540

00:26:51,350 --> 00:26:49,600

two saucers in the sky advised that he

541

00:26:52,950 --> 00:26:51,360

was standing beside the ship's telescope

542

00:26:54,710 --> 00:26:52,960

located on the starboard side of the

543

00:26:56,149 --> 00:26:54,720

navigation deck and immediately looked

544

00:26:57,430 --> 00:26:56,159

at the objects in the sky through the

545

00:26:59,350 --> 00:26:57,440

telescope

546

00:27:01,430 --> 00:26:59,360

stated that there were two objects in

547

00:27:04,230 --> 00:27:01,440

the sky at an estimated altitude of 10

548

00:27:06,310 --> 00:27:04,240

to 15 000 feet flying in a front

549

00:27:11,510 --> 00:27:06,320

formation each object was leaving a

550

00:27:11,520 --> 00:27:15,240

okay so

551

00:27:28,789 --> 00:27:17,029

[Music]

552

00:27:32,710 --> 00:27:30,710

what else we got here there was no

553

00:27:34,470 --> 00:27:32,720

apparent color if you were celeret there

554

00:27:36,070 --> 00:27:34,480

were two objects each leaving a white

555

00:27:38,549 --> 00:27:36,080

vapor trail no apparent propulsion

556

00:27:41,110 --> 00:27:38,559

system could be observed familiar the

557

00:27:43,909 --> 00:27:41,120

speed was estimated above the sonic

558

00:27:45,909 --> 00:27:43,919

range as the objects were in view only

559

00:27:47,029 --> 00:27:45,919

15 to 20 seconds when they disappeared

560

00:27:49,510 --> 00:27:47,039

from sight

561

00:27:51,190 --> 00:27:49,520

there is no sound audible due to

562

00:27:52,950 --> 00:27:51,200

aircraft and operation on the flight

563

00:27:54,710 --> 00:27:52,960

deck

564

00:27:57,269 --> 00:27:54,720

the objects were viewed by means of

565

00:28:00,389 --> 00:27:57,279

telescope and the radar officer viewed

566

00:28:05,029 --> 00:28:00,399

the objects on the radar scope

567

00:28:09,510 --> 00:28:07,269

um the location of the aircraft carrier

568

00:28:11,909 --> 00:28:09,520

at the time of the sighting was

569

00:28:13,269 --> 00:28:11,919

approximately off the florida keys as

570

00:28:16,149 --> 00:28:13,279

the carrier passed

571

00:28:20,310 --> 00:28:16,159

santo domingo island sometime between

572

00:28:24,230 --> 00:28:20,320

2100 2100 hours and 2200 hours on the

573

00:28:27,430 --> 00:28:26,149

the objects course paralleled that of

574

00:28:29,110 --> 00:28:27,440

the carrier

575

00:28:34,710 --> 00:28:29,120

the weather conditions were described as

576

00:28:37,990 --> 00:28:36,310

um s

577

00:28:39,830 --> 00:28:38,000

person stated that he had flown a great

578

00:28:41,830 --> 00:28:39,840

deal and considered his estimate of the

579

00:28:44,789 --> 00:28:41,840

altitude carefully he gave the

580

00:28:47,110 --> 00:28:44,799

appearance of a calm person not readily

581

00:28:50,070 --> 00:28:47,120

excited and considered his answers very

582

00:28:52,549 --> 00:28:50,080

carefully before answering any questions

583

00:28:54,870 --> 00:28:52,559

he had advised he did not report the

584

00:28:57,190 --> 00:28:54,880

incident to the security officer nor to

585

00:28:58,549 --> 00:28:57,200

the intelligence officer upon arrival at

586

00:29:01,269 --> 00:28:58,559

the port

587

00:29:03,029 --> 00:29:01,279

he could not state as to what action the

588

00:29:05,430 --> 00:29:03,039

radar officer who first cited the

589

00:29:08,070 --> 00:29:05,440

objects took in reporting the incident

590

00:29:10,549 --> 00:29:08,080

stated that it was at the suggestion of

591

00:29:12,549 --> 00:29:10,559

his employer vickers incorporated that

592

00:29:14,549 --> 00:29:12,559

the matter be reported to the united

593

00:29:27,110 --> 00:29:14,559

states air force that he contacted the

594

00:29:32,230 --> 00:29:29,750

and there we go

595

00:29:33,830 --> 00:29:32,240

report of observation of ufo by police

596

00:29:38,870 --> 00:29:33,840

sergeant

597

00:29:45,190 --> 00:29:42,070

we have some a ufo round size of a tire

598

00:29:47,590 --> 00:29:45,200

on a heavy earth moving vehicle

599

00:29:49,590 --> 00:29:47,600

approximately nine feet diameter white

600

00:29:51,510 --> 00:29:49,600

three objects

601  
00:29:53,669 --> 00:29:51,520  
um

602  
00:29:55,830 --> 00:29:53,679  
three ship element i'm not sure what

603  
00:29:56,789 --> 00:29:55,840  
that word says objects flew over the

604  
00:30:01,669 --> 00:29:56,799  
city

605  
00:30:04,710 --> 00:30:01,679  
and only bottoms were observed round and

606  
00:30:06,710 --> 00:30:04,720  
appeared flat as saucer

607  
00:30:08,789 --> 00:30:06,720  
bright light appeared over vehicle area

608  
00:30:12,230 --> 00:30:08,799  
of lambert field missouri lasting about

609  
00:30:17,430 --> 00:30:14,310  
three objects were sighted directly

610  
00:30:19,430 --> 00:30:17,440  
overhead five to ten thousand feet

611  
00:30:21,389 --> 00:30:19,440  
traveling northeast visible for about

612  
00:30:22,950 --> 00:30:21,399  
six seconds

613  
00:30:25,029 --> 00:30:22,960

instantaneously

614

00:30:27,430 --> 00:30:25,039

below overcast six sentence

615

00:30:33,350 --> 00:30:27,440

ground visual a check with operations

616

00:30:39,350 --> 00:30:36,630

detective six radar bomb squad

617

00:30:41,269 --> 00:30:39,360

reported negative sighting

618

00:30:44,230 --> 00:30:41,279

check of the logs by mr clark tucker

619

00:30:45,510 --> 00:30:44,240

radar watch supervisor faa lambert field

620

00:30:49,029 --> 00:30:45,520

negative

621

00:30:58,470 --> 00:30:51,430

second observer was parked in a car on

622

00:31:03,190 --> 00:31:01,430

uh contacted

623

00:31:05,110 --> 00:31:03,200

car radio asked him if he noticed

624

00:31:07,590 --> 00:31:05,120

anything unusual answer do you mean the

625

00:31:11,750 --> 00:31:07,600

sky lighting up

626  
00:31:11,760 --> 00:31:16,070  
notice

627  
00:31:23,190 --> 00:31:18,230  
afr 200 dash

628  
00:31:28,710 --> 00:31:25,750  
jeff gill curious as sean said where how

629  
00:31:30,549 --> 00:31:28,720  
he got all these documents i have

630  
00:31:34,310 --> 00:31:30,559  
and the funny part is i've had him

631  
00:31:36,710 --> 00:31:34,320  
available for quite some time

632  
00:31:39,669 --> 00:31:36,720  
maybe in upwards of

633  
00:31:41,269 --> 00:31:39,679  
months where anyone could have got all

634  
00:31:42,950 --> 00:31:41,279  
of the documents

635  
00:31:46,310 --> 00:31:42,960  
looked at them did whatever they wanted

636  
00:31:48,870 --> 00:31:46,320  
even offered them to mr greenwald

637  
00:31:50,310 --> 00:31:48,880  
didn't care

638  
00:31:52,149 --> 00:31:50,320

a lot of people didn't

639

00:31:54,389 --> 00:31:52,159

so

640

00:31:55,269 --> 00:31:54,399

what i'm doing now is putting together

641

00:31:56,870 --> 00:31:55,279

the

642

00:32:02,470 --> 00:31:56,880

um

643

00:32:04,630 --> 00:32:02,480

you know i guess the most resonant for

644

00:32:09,029 --> 00:32:04,640

people which seem to be military

645

00:32:13,269 --> 00:32:11,190

former navy air force pilot had

646

00:32:16,389 --> 00:32:13,279

experience in reporting ufos during

647

00:32:17,350 --> 00:32:16,399

military service so you tell me how many

648

00:32:23,830 --> 00:32:17,360

more

649

00:32:28,710 --> 00:32:26,470

for us to get some sort of

650

00:32:30,710 --> 00:32:28,720

answer from somebody

651  
00:32:32,230 --> 00:32:30,720  
because is it just me i don't think

652  
00:32:34,389 --> 00:32:32,240  
anyone's

653  
00:32:43,509 --> 00:32:34,399  
you know had accountability to all this

654  
00:32:43,519 --> 00:32:50,789  
three objects going northeast

655  
00:32:54,789 --> 00:32:52,789  
uh then they say here but it is believed

656  
00:33:04,549 --> 00:32:54,799  
that it might be some form of unusual

657  
00:33:09,430 --> 00:33:06,630  
i mean i guess i can't say that it isn't

658  
00:33:13,350 --> 00:33:09,440  
but there's so many of these

659  
00:33:18,389 --> 00:33:15,909  
what's up uh bye joe's

660  
00:33:20,149 --> 00:33:18,399  
peace up

661  
00:33:24,310 --> 00:33:20,159  
um all right here we go

662  
00:33:27,830 --> 00:33:24,320  
on april 1st 1960 captain arnold

663  
00:33:31,110 --> 00:33:27,840

uh burbania's illinois cult captain

664

00:33:32,870 --> 00:33:31,120

shoot 21 4500 hours april 1st 1960 and

665

00:33:34,950 --> 00:33:32,880

reported the sighting of unidentified

666

00:33:37,190 --> 00:33:34,960

flying object

667

00:33:40,230 --> 00:33:37,200

he described as a ball blue in color

668

00:33:42,630 --> 00:33:40,240

that's first i haven't seen that much

669

00:33:45,110 --> 00:33:42,640

with a long trail coming from it maybe

670

00:33:49,029 --> 00:33:45,120

it was a plane he cited the object about

671

00:33:50,950 --> 00:33:49,039

four miles north of kaneki illinois

672

00:33:53,350 --> 00:33:50,960

and took a picture of it captain shoot

673

00:33:58,470 --> 00:33:53,360

requested to send the pictures to chernu

674

00:34:03,269 --> 00:34:00,230

who after being informed of action

675

00:34:08,790 --> 00:34:06,950

mr robert's favorite afr afr200-2

676

00:34:10,310 --> 00:34:08,800

stated that in the absence of an

677

00:34:12,550 --> 00:34:10,320

assigned intelligence officer he would

678

00:34:15,270 --> 00:34:12,560

take the information and initiate action

679

00:34:17,030 --> 00:34:15,280

required by that regulation

680

00:34:19,190 --> 00:34:17,040

the above furnace for your information

681

00:34:20,470 --> 00:34:19,200

although it was not received directly

682

00:34:39,190 --> 00:34:20,480

from the person

683

00:34:43,589 --> 00:34:41,589

i find the blocking

684

00:34:45,349 --> 00:34:43,599

uncalled for and rude

685

00:34:46,869 --> 00:34:45,359

see you in all the other chats where

686

00:34:48,389 --> 00:34:46,879

chatting is okay

687

00:34:57,270 --> 00:34:48,399

i don't understand what you're what

688

00:35:02,069 --> 00:35:00,150

investigation requested by cg lowry air

689

00:35:03,510 --> 00:35:02,079

force base unidentified fast-moving

690

00:35:06,390 --> 00:35:03,520

flame or light were reported to have

691

00:35:08,870 --> 00:35:06,400

been observed by lieutenant webb

692

00:35:10,790 --> 00:35:08,880

january 18 50 while flying in vicinity

693

00:35:13,910 --> 00:35:10,800

of denver

694

00:35:19,430 --> 00:35:15,349

lowry air force base training and

695

00:35:27,030 --> 00:35:21,349

had been notified of experimental

696

00:35:34,710 --> 00:35:29,589

had not been notified of experimental

697

00:35:38,550 --> 00:35:36,870

heading towards holloman air force base

698

00:35:51,510 --> 00:35:38,560

so they actually kind of tried to map it

699

00:35:56,870 --> 00:35:54,870

um joint investigation

700

00:35:59,030 --> 00:35:56,880

interviewed and stated substantially as

701  
00:36:01,510 --> 00:35:59,040  
follows webb and lieutenant drysdale

702  
00:36:03,990 --> 00:36:01,520  
were flying a t6 when they reached a

703  
00:36:06,470 --> 00:36:04,000  
point about 15 miles southeast of denver

704  
00:36:08,390 --> 00:36:06,480  
he observed an unusual spectacle he saw

705  
00:36:10,390 --> 00:36:08,400  
a long streak of flame cylinder and

706  
00:36:12,950 --> 00:36:10,400  
shape rounded at the front and tapered

707  
00:36:15,030 --> 00:36:12,960  
towards the rear

708  
00:36:19,030 --> 00:36:15,040  
it was of a white reddish color with

709  
00:36:23,030 --> 00:36:20,470  
webb stated that it moved on an

710  
00:36:25,190 --> 00:36:23,040  
estimated heading of 200 degrees

711  
00:36:28,310 --> 00:36:25,200  
at a high rate of speed without apparent

712  
00:36:30,310 --> 00:36:28,320  
change in altitude of course

713  
00:36:31,990 --> 00:36:30,320

the flame remained in sight for about

714

00:36:34,150 --> 00:36:32,000

three seconds and faded out the altitude

715

00:36:36,390 --> 00:36:34,160

of the flame was estimated about 5000

716

00:36:38,230 --> 00:36:36,400

feet higher than the observer webb was

717

00:36:41,670 --> 00:36:38,240

unable to see any running light

718

00:36:43,349 --> 00:36:41,680

silhouette or other features

719

00:36:46,710 --> 00:36:43,359

and then we also have first lieutenant

720

00:36:46,720 --> 00:36:58,390

and then we have captain hf daniel

721

00:36:58,400 --> 00:37:11,109

got a lot of those bad boys

722

00:37:16,310 --> 00:37:13,990

all right captain john kurtz

723

00:37:20,550 --> 00:37:16,320

major lindell avery

724

00:37:25,589 --> 00:37:20,560

798 3416 student officer squadron we're

725

00:37:29,349 --> 00:37:27,430

state in an interview that he observed

726  
00:37:30,630 --> 00:37:29,359  
would appear to be a meteor but larger

727  
00:37:33,589 --> 00:37:30,640  
and slower

728  
00:37:35,510 --> 00:37:33,599  
maintaining level flight

729  
00:37:37,270 --> 00:37:35,520  
he described it as a flame light blue to

730  
00:37:40,069 --> 00:37:37,280  
white in color similar to that of an

731  
00:37:46,069 --> 00:37:40,079  
oxygen torch

732  
00:37:51,109 --> 00:37:48,829  
uh the po then we have captain

733  
00:37:59,349 --> 00:37:51,119  
john can't read that first lieutenant

734  
00:38:04,870 --> 00:38:01,750  
two positions and headings of the four

735  
00:38:07,750 --> 00:38:04,880  
aforementioned aircraft were plotted

736  
00:38:09,349 --> 00:38:07,760  
an overlay of sentinel aeronautical

737  
00:38:11,190 --> 00:38:09,359  
charts

738  
00:38:14,150 --> 00:38:11,200

oh yeah i have that they're just kind of

739

00:38:19,270 --> 00:38:16,790

uh check with the denver bomb plot

740

00:38:21,030 --> 00:38:19,280

radar bomb

741

00:38:24,470 --> 00:38:21,040

scoring squadron disclosed that their

742

00:38:26,790 --> 00:38:24,480

radar was not operating

743

00:38:30,470 --> 00:38:26,800

check with base operations 3415

744

00:38:45,030 --> 00:38:33,670

failed to reveal any record of notice of

745

00:38:49,430 --> 00:38:47,109

oh this is a good one

746

00:38:54,870 --> 00:38:49,440

you'll have to remind me of that

747

00:38:59,670 --> 00:38:57,109

trinidad is this for yeah

748

00:39:01,829 --> 00:38:59,680

yeah robert so i'm definitely a very

749

00:39:04,470 --> 00:39:01,839

knowledgeable person with this stuff and

750

00:39:12,710 --> 00:39:04,480

i do lean on that knowledge

751  
00:39:16,630 --> 00:39:15,349  
okay so yeah then he gives the pictures

752  
00:39:19,349 --> 00:39:16,640  
and these are kind of chopped up

753  
00:39:23,750 --> 00:39:19,359  
obviously so they can fax them in

754  
00:39:30,069 --> 00:39:26,630  
and it really doesn't do much for me oh

755  
00:39:31,510 --> 00:39:30,079  
look at those planes beautiful planes

756  
00:39:34,550 --> 00:39:31,520  
as an artist

757  
00:39:48,069 --> 00:39:37,829  
background so akron ohio's up there

758  
00:39:52,470 --> 00:39:49,910  
here we go

759  
00:39:54,390 --> 00:39:52,480  
commander lowry air force base made

760  
00:39:57,670 --> 00:39:54,400

761

uh unidentified object glowing bright

762  
00:40:06,630 --> 00:40:04,000  
green cited by ual 600 flying eastbound

763

764

00:40:10,470 --> 00:40:09,760

767

00:40:20,470 --> 00:40:14,800

i wonder if lou was there probably not

768

00:40:25,190 --> 00:40:22,710

object first appeared 12 to 15 degrees

769

00:40:27,589 --> 00:40:25,200

true from observable observation point

770

00:40:28,790 --> 00:40:27,599

and disappeared behind cloud

um lieutenant 14th district osi at u.s

781

00:41:14,710 --> 00:41:11,760

air force base lowry air force base

782

00:41:16,950 --> 00:41:14,720

colorado filed 24-0 subject unidentified

783

00:41:21,589 --> 00:41:16,960

flying object reported by united

784

00:41:21,599 --> 00:41:28,790

march 30th 1954

785

00:41:32,550 --> 00:41:30,470

um

786

00:41:35,030 --> 00:41:32,560

july 9th 1954

787

00:41:38,230 --> 00:41:35,040

office received a communication from

788

00:41:40,870 --> 00:41:38,240

captain george german

789

00:41:42,870 --> 00:41:40,880

operations officer lowry air force base

790

00:41:45,430 --> 00:41:42,880

advising that between those hours he

791

00:41:47,430 --> 00:41:45,440

observed six or seven objects flying at

792

00:41:49,750 --> 00:41:47,440

a very high altitude

793

00:41:51,430 --> 00:41:49,760

and rate of speed and that he did not

794

00:41:53,990 --> 00:41:51,440

believe the objects were conventional

795

00:41:57,349 --> 00:41:54,000

type aircraft

796

00:42:00,309 --> 00:41:57,359

there was a interview conducted

797

00:42:03,510 --> 00:42:00,319

on july 9th a b-36 aircraft was in the

798

00:42:06,150 --> 00:42:03,520

vicinity of lowry air force base

799

00:42:08,790 --> 00:42:06,160

flying in about 30 000

800

00:42:11,030 --> 00:42:08,800

and was working radar and this is great

801  
00:42:13,109 --> 00:42:11,040  
radio and radio jamming

802  
00:42:14,069 --> 00:42:13,119  
and a radio jamming problem

803  
00:42:19,349 --> 00:42:14,079  
so

804  
00:42:22,309 --> 00:42:19,359  
unusual formations of objects on the

805  
00:42:27,349 --> 00:42:22,319  
radar however the jamming devices being

806  
00:42:27,359 --> 00:42:35,829  
so

807  
00:42:40,390 --> 00:42:38,710  
oh sure yeah um well

808  
00:42:42,470 --> 00:42:40,400  
there's reasons for it the first time i

809  
00:42:44,870 --> 00:42:42,480  
didn't appreciate you calling girls like

810  
00:42:47,670 --> 00:42:44,880  
hot in my chat room i'd like to keep it

811  
00:42:49,750 --> 00:42:47,680  
respectful and i don't think that was

812  
00:42:52,069 --> 00:42:49,760  
and then today i'm given actual proof

813  
00:42:54,069 --> 00:42:52,079

and information and we get distractions

814

00:42:56,790 --> 00:42:54,079

of something we don't have proof of

815

00:42:58,390 --> 00:42:56,800

so i just take that serious if this

816

00:43:05,109 --> 00:42:58,400

isn't for you if you don't like how i

817

00:43:05,119 --> 00:43:08,470

um

818

00:43:13,910 --> 00:43:10,470

edward rush and mcNabb conducted

819

00:43:17,430 --> 00:43:13,920

interviews personnel of 3933 radar bomb

820

00:43:19,589 --> 00:43:17,440

squadron who advised that about 1300

821

00:43:22,630 --> 00:43:19,599

hours on july 9th

822

00:43:27,430 --> 00:43:23,430

so

823

00:43:28,710 --> 00:43:27,440

still ask the radar if they got anything

824

00:43:30,069 --> 00:43:28,720

but that's interesting you know

825

00:43:31,990 --> 00:43:30,079

something like this you could think of

826  
00:43:34,150 --> 00:43:32,000  
maybe they threw some things up there to

827  
00:43:35,190 --> 00:43:34,160  
see if you know the radar could even

828  
00:43:37,109 --> 00:43:35,200  
pick it up

829  
00:43:41,190 --> 00:43:37,119  
because they were trying to jam things

830  
00:43:44,069 --> 00:43:42,309  
um

831  
00:43:46,390 --> 00:43:44,079  
observed six or seven objects overhead

832  
00:44:00,790 --> 00:43:46,400  
which appeared to be approximately one

833  
00:44:05,190 --> 00:44:02,390  
this is interesting

834  
00:44:06,870 --> 00:44:05,200  
so at the bottom here

835  
00:44:09,750 --> 00:44:06,880  
okay well first to be

836  
00:44:13,270 --> 00:44:09,760  
36 disappeared behind some clouds and

837  
00:44:15,109 --> 00:44:13,280  
attempting to resight the b-36

838  
00:44:16,870 --> 00:44:15,119

observe four or five shining specks at

839

00:44:19,829 --> 00:44:16,880

what they believe to be fifty thousand

840

00:44:25,750 --> 00:44:23,109

both advised that the both advised that

841

00:44:26,870 --> 00:44:25,760

the objects appeared to be triangular in

842

00:44:28,710 --> 00:44:26,880

shape

843

00:44:31,190 --> 00:44:28,720

and that they appear to be capable of

844

00:44:33,030 --> 00:44:31,200

hovering in one spot for some period of

845

00:44:35,990 --> 00:44:33,040

time and then moving off

846

00:44:42,760 --> 00:44:36,000

at a normal rate of speed in a easterly

847

00:44:42,770 --> 00:44:46,870

[Music]

848

00:44:50,309 --> 00:44:48,069

okay so

849

00:44:52,150 --> 00:44:50,319

according to captain german

850

00:44:54,950 --> 00:44:52,160

remain the objects were observed by

851  
00:45:01,270 --> 00:44:54,960  
himself and first lieutenant donald

852  
00:45:07,750 --> 00:45:03,589  
um they've been flight dispatchers for

853  
00:45:13,270 --> 00:45:07,760  
united airlines for some period of time

854  
00:45:13,280 --> 00:45:17,670  
information

855  
00:45:22,710 --> 00:45:19,829  
operation checkpoint was being held in

856  
00:45:25,270 --> 00:45:22,720  
this vicinity and that f-86 type

857  
00:45:28,470 --> 00:45:25,280  
aircraft was repelling the attack at

858  
00:45:32,950 --> 00:45:28,480  
exceptionally high altitude

859  
00:45:41,990 --> 00:45:38,390  
that's crazy

860  
00:45:44,309 --> 00:45:42,000  
what does that mean repelling what

861  
00:45:47,109 --> 00:45:44,319  
attack

862  
00:45:53,829 --> 00:45:47,119  
gonna have to look into

863  
00:46:01,349 --> 00:45:56,069

oh what do you make of this now robert

864

00:46:01,359 --> 00:46:05,670

september 7th 1954

865

00:46:15,670 --> 00:46:07,670

got a letter from denver regional office

866

00:46:19,270 --> 00:46:17,910

i received the report from blank aurora

867

00:46:21,829 --> 00:46:19,280

colorado

868

00:46:23,990 --> 00:46:21,839

august 22nd 1954 that he'd seen flag

869

00:46:25,109 --> 00:46:24,000

saucers on the night of the 21st of

870

00:46:28,550 --> 00:46:25,119

august

871

00:46:30,950 --> 00:46:28,560

from the lakeshore drive-in

872

00:46:33,990 --> 00:46:30,960

report made to the federal civil defense

873

00:46:37,990 --> 00:46:34,000

administration reflected

874

00:46:39,430 --> 00:46:38,000

saw one flying saucer traveling north

875

00:46:42,069 --> 00:46:39,440

what appeared to be the vicinity of

876  
00:46:44,790 --> 00:46:42,079  
stapleton airfield advised that he saw a

877  
00:46:46,309 --> 00:46:44,800  
flight containing from 10 to 12 flying

878  
00:46:48,470 --> 00:46:46,319  
saucers

879  
00:46:50,150 --> 00:46:48,480  
traveling west over north denver towards

880  
00:46:56,550 --> 00:46:50,160  
stapleton airfield at a high rate of

881  
00:46:56,560 --> 00:46:59,349  
um

882  
00:47:05,270 --> 00:47:01,750  
special agent interviewed at his

883  
00:47:11,109 --> 00:47:08,069  
i usually don't pick civilian cases so i

884  
00:47:15,750 --> 00:47:13,190  
oh here we go he advised the agent of

885  
00:47:17,030 --> 00:47:15,760  
this office that he had approximately 3

886  
00:47:19,990 --> 00:47:17,040  
000

887  
00:47:22,390 --> 00:47:20,000  
flying hours of flying time i'm guessing

888  
00:47:24,150 --> 00:47:22,400

in world war ii and could furnish no

889

00:47:26,309 --> 00:47:24,160

additional information in regard to the

890

00:47:31,750 --> 00:47:26,319

unidentified object other than what you

891

00:47:36,069 --> 00:47:33,750

fluorescent objects

892

00:47:37,349 --> 00:47:36,079

individual objects are one

893

00:47:42,230 --> 00:47:37,359

mass

894

00:47:50,630 --> 00:47:44,150

objector objects were almost directly

895

00:47:50,640 --> 00:48:01,910

left no trail

896

00:48:01,920 --> 00:48:08,150

200-2

897

00:48:10,549 --> 00:48:08,950

um

898

00:48:13,910 --> 00:48:10,559

technical training squadron reported

899

00:48:16,870 --> 00:48:13,920

this office that he observed ufos while

900

00:48:21,670 --> 00:48:18,950

at east driving theater what's with the

901  
00:48:24,150 --> 00:48:21,680  
driven theaters

902  
00:48:28,630 --> 00:48:24,160  
uh is obtained from heroin airmen not

903  
00:48:31,670 --> 00:48:29,750  
interesting

904  
00:48:32,870 --> 00:48:31,680  
size compared to a p so what is that

905  
00:48:37,349 --> 00:48:32,880  
small

906  
00:48:40,630 --> 00:48:39,190  
okay well formation ranging from a

907  
00:48:59,270 --> 00:48:40,640  
straight line to a v

908  
00:48:59,280 --> 00:49:03,510  
interesting

909  
00:49:03,520 --> 00:49:07,910  
well

910  
00:49:14,549 --> 00:49:09,510  
i don't know what do you guys think is

911  
00:49:24,630 --> 00:49:17,270  
i'm not sure maybe a bunch of people are

912  
00:49:24,640 --> 00:49:32,309  
i'm not sure what do you think

913  
00:49:37,589 --> 00:49:35,270

yeah so my picture thing is like frozen

914

00:49:39,510 --> 00:49:37,599

and not working now so

915

00:49:43,109 --> 00:49:39,520

that's okay but

916

00:49:45,109 --> 00:49:43,119

i'll finish getting up all these other

917

00:49:47,270 --> 00:49:45,119

ones and put them on the website so you

918

00:49:48,870 --> 00:49:47,280

can look at the entire documents for

919

00:49:53,990 --> 00:49:48,880

yourself

920

00:49:57,990 --> 00:49:56,630

it's it's you know there's a lot of

921

00:50:01,430 --> 00:49:58,000

different things happening different

922

00:50:03,430 --> 00:50:01,440

names different places different objects

923

00:50:05,589 --> 00:50:03,440

different

924

00:50:07,750 --> 00:50:05,599

qualities or

925

00:50:09,750 --> 00:50:07,760

physical attributes

926  
00:50:12,710 --> 00:50:09,760  
but one thing's for sure in all this is

927  
00:50:15,109 --> 00:50:12,720  
they're all respectable

928  
00:50:16,950 --> 00:50:15,119  
witnesses

929  
00:50:21,510 --> 00:50:16,960  
serving our country

930  
00:50:27,349 --> 00:50:24,829  
they don't know what the things are they

931  
00:50:30,470 --> 00:50:27,359  
saw apparently to the documents they

932  
00:50:36,309 --> 00:50:31,589  
right

933  
00:50:41,829 --> 00:50:38,470  
that it's not real it's not a thing and

934  
00:50:43,109 --> 00:50:41,839  
you're ridiculed and you're made fun of

935  
00:50:44,390 --> 00:50:43,119  
to the point of where you don't say

936  
00:50:45,990 --> 00:50:44,400  
anything

937  
00:50:48,150 --> 00:50:46,000  
and then the press starts making fun of

938  
00:50:51,109 --> 00:50:48,160

it and putting x-files things behind it

939

00:50:55,109 --> 00:50:52,829

you

940

00:50:59,510 --> 00:50:55,119

know and there's something to think

941

00:51:01,430 --> 00:50:59,520

about it like how many people can like

942

00:51:03,910 --> 00:51:01,440

trained observers in these cases we're

943

00:51:05,589 --> 00:51:03,920

upwards of if once i put these up there

944

00:51:11,109 --> 00:51:05,599

and the other ones i have will be up

945

00:51:17,270 --> 00:51:12,150

you know

946

00:51:21,190 --> 00:51:19,430

and that's just those ones like in these

947

00:51:24,230 --> 00:51:21,200

osi districts that i put up there

948

00:51:28,150 --> 00:51:24,240

there's also civilian cases and there's

949

00:51:28,160 --> 00:51:33,990

there's all sorts of different stuff

950

00:51:37,349 --> 00:51:35,349

um

951  
00:51:39,270 --> 00:51:37,359  
so why not just like

952  
00:51:43,750 --> 00:51:39,280  
i just don't get why they just don't say

953  
00:51:48,069 --> 00:51:46,549  
just don't understand that

954  
00:51:49,190 --> 00:51:48,079  
if you don't know just tell us you don't

955  
00:51:55,430 --> 00:51:49,200  
know

956  
00:52:02,870 --> 00:51:56,950  
if you're playing games on us with

957  
00:52:08,710 --> 00:52:05,990  
you know like any way you look at it

958  
00:52:13,750 --> 00:52:11,030  
and at this point from something in the

959  
00:52:16,829 --> 00:52:13,760  
50s you can surely

960  
00:52:18,470 --> 00:52:16,839  
give us some answers or be more

961  
00:52:21,349 --> 00:52:18,480  
transparent

962  
00:52:21,359 --> 00:52:26,630  
so that's my deal

963  
00:52:33,270 --> 00:52:28,390

i had a little serious tone today i

964

00:52:39,510 --> 00:52:36,069

but like i said um

965

00:52:41,510 --> 00:52:39,520

you know there's real proof out here

966

00:52:44,950 --> 00:52:41,520

but we all have to you know read and

967

00:52:49,270 --> 00:52:44,960

then ask for answers together based on

968

00:52:56,870 --> 00:52:52,069

and and maybe we'll get somewhere

969

00:53:03,030 --> 00:52:59,589

and you know if spaghetti is out there

970

00:53:05,670 --> 00:53:03,040

i love spaghetti i do like spaghetti

971

00:53:09,270 --> 00:53:05,680

uh but i'm just being honest with

972

00:53:12,790 --> 00:53:11,589

i'm trying to like it's really important

973

00:53:14,069 --> 00:53:12,800

to me

974

00:53:15,030 --> 00:53:14,079

obviously for you guys have been

975

00:53:16,549 --> 00:53:15,040

watching

976  
00:53:19,030 --> 00:53:16,559  
and it's in my heart

977  
00:53:22,549 --> 00:53:19,040  
um to do this and show these documents

978  
00:53:24,069 --> 00:53:22,559  
show actual proof of lies

979  
00:53:25,910 --> 00:53:24,079  
you know

980  
00:53:29,030 --> 00:53:25,920  
and it's not fair when i'm doing that

981  
00:53:31,349 --> 00:53:29,040  
and it's constantly being distracted

982  
00:53:33,910 --> 00:53:31,359  
by something

983  
00:53:37,270 --> 00:53:33,920  
that we can't prove

984  
00:53:39,030 --> 00:53:37,280  
and that really is

985  
00:53:42,470 --> 00:53:39,040  
to me

986  
00:53:44,069 --> 00:53:42,480  
kind of a distraction

987  
00:53:45,349 --> 00:53:44,079  
you know if we have proof i'll talk

988  
00:53:46,950 --> 00:53:45,359

about it for

989

00:53:50,309 --> 00:53:46,960

weeks or if there's a way to get the

990

00:53:52,870 --> 00:53:50,319

proof i'll try to do it

991

00:53:56,470 --> 00:53:54,790

but at some point you have to decide

992

00:53:58,390 --> 00:53:56,480

what you put your energy on because you

993

00:54:00,150 --> 00:53:58,400

only have so much i only have so much

994

00:54:02,230 --> 00:54:00,160

and this is where it goes and i don't

995

00:54:03,589 --> 00:54:02,240

want it you know it's just important to

996

00:54:06,790 --> 00:54:03,599

me so

997

00:54:11,589 --> 00:54:08,710

that's how it is and then the other day

998

00:54:14,230 --> 00:54:11,599

i don't take any sexist crap or you know

999

00:54:15,750 --> 00:54:14,240

talking about people's looks in kind of

1000

00:54:17,349 --> 00:54:15,760

a rude manner

1001  
00:54:18,950 --> 00:54:17,359  
you know you may not think it was and

1002  
00:54:20,870 --> 00:54:18,960  
the person may not think it was but i

1003  
00:54:23,030 --> 00:54:20,880  
think it was and it's

1004  
00:54:24,790 --> 00:54:23,040  
just how i roll here

1005  
00:54:30,790 --> 00:54:24,800  
and no offense to anybody who doesn't

1006  
00:54:36,390 --> 00:54:34,470  
um yeah thanks man i appreciate it

1007  
00:54:37,990 --> 00:54:36,400  
i want i just wanted to do this show i

1008  
00:54:40,950 --> 00:54:38,000  
did want to come out and say something

1009  
00:54:42,230 --> 00:54:40,960  
about um the video

1010  
00:54:44,150 --> 00:54:42,240  
yesterday

1011  
00:54:46,150 --> 00:54:44,160  
and you know hold myself accountable

1012  
00:54:48,710 --> 00:54:46,160  
that maybe i jumped the gun too much

1013  
00:54:49,829 --> 00:54:48,720

that doesn't mean i change my mind on if

1014

00:54:53,109 --> 00:54:49,839

i think it's

1015

00:54:57,270 --> 00:54:53,119

something impressive or not but you know

1016

00:55:02,069 --> 00:55:00,470

and then i really just wanted to show

1017

00:55:04,069 --> 00:55:02,079

you know proof because i almost felt

1018

00:55:09,190 --> 00:55:04,079

like the air sucked out of the room on

1019

00:55:14,390 --> 00:55:11,589

i guess i consider myself an empath if

1020

00:55:15,910 --> 00:55:14,400

there you know is

1021

00:55:17,270 --> 00:55:15,920

you know

1022

00:55:19,589 --> 00:55:17,280

i guess i am

1023

00:55:21,750 --> 00:55:19,599

and so i'm really susceptible to

1024

00:55:24,870 --> 00:55:21,760

emotional rollercoasters

1025

00:55:27,349 --> 00:55:24,880

and sucking up that energy

1026

00:55:28,870 --> 00:55:27,359

and it's hard for me to keep that at

1027

00:55:30,710 --> 00:55:28,880

base sometimes especially when it's so

1028

00:55:33,190 --> 00:55:30,720

intense and it's attached to something

1029

00:55:36,630 --> 00:55:33,200

so important to me

1030

00:55:39,910 --> 00:55:38,470

i do my best

1031

00:55:41,430 --> 00:55:39,920

thanks lara

1032

00:55:43,430 --> 00:55:41,440

appreciate you

1033

00:55:46,309 --> 00:55:43,440

andres you sean they don't want to look

1034

00:55:48,440 --> 00:55:46,319

incompetent it's that simple yeah

1035

00:55:50,630 --> 00:55:48,450

i get you well they are now

1036

00:55:51,430 --> 00:55:50,640

[Laughter]

1037

00:55:53,430 --> 00:55:51,440

you know

1038

00:55:57,109 --> 00:55:53,440

[Music]

1039

00:55:57,119 --> 00:55:59,670

so

1040

00:56:03,349 --> 00:56:00,630

we

1041

00:56:05,109 --> 00:56:03,359

know what that if at least one did crash

1042

00:56:08,150 --> 00:56:05,119

then at least some are physical yeah

1043

00:56:10,470 --> 00:56:08,160

that's true that's a good point

1044

00:56:13,589 --> 00:56:10,480

it's a good point

1045

00:56:15,990 --> 00:56:13,599

it passed two yeah i totally get it

1046

00:56:17,750 --> 00:56:16,000

yeah and it just it you know laura to be

1047

00:56:19,109 --> 00:56:17,760

honest it

1048

00:56:21,670 --> 00:56:19,119

you know it was hard living most of my

1049

00:56:23,589 --> 00:56:21,680

life not really really even realizing

1050

00:56:24,789 --> 00:56:23,599

that going through all this stuff and

1051

00:56:28,829 --> 00:56:24,799

being like why

1052

00:56:31,829 --> 00:56:28,839

you know um but like emotion just

1053

00:56:33,190 --> 00:56:31,839

um has a way of especially when it's

1054

00:56:35,829 --> 00:56:33,200

just that intense it can be really

1055

00:56:37,109 --> 00:56:35,839

difficult for me so i try my best

1056

00:56:38,230 --> 00:56:37,119

and i've gotten better at it through the

1057

00:56:39,510 --> 00:56:38,240

years

1058

00:56:41,829 --> 00:56:39,520

but

1059

00:56:43,030 --> 00:56:41,839

you know it has its pros and cons

1060

00:56:44,870 --> 00:56:43,040

um

1061

00:56:47,109 --> 00:56:44,880

some of the pros are

1062

00:56:49,670 --> 00:56:47,119

i can listen and

1063

00:56:50,789 --> 00:56:49,680

um really really be present with someone

1064

00:56:52,549 --> 00:56:50,799

and feel

1065

00:56:54,950 --> 00:56:52,559

uh what they're feeling and share that

1066

00:56:55,829 --> 00:56:54,960

with them when they need it

1067

00:57:00,069 --> 00:56:55,839

um

1068

00:57:05,510 --> 00:57:02,309

i like ross sees idea of a dorky officer

1069

00:57:06,549 --> 00:57:05,520

out there who doesn't want to admit that

1070

00:57:09,510 --> 00:57:06,559

yeah

1071

00:57:13,829 --> 00:57:09,520

um well you know

1072

00:57:17,270 --> 00:57:15,109

um

1073

00:57:19,270 --> 00:57:17,280

yeah he went over there totally he told

1074

00:57:20,710 --> 00:57:19,280

well no one's over there well maybe

1075

00:57:24,309 --> 00:57:20,720

maybe he figured it out maybe he went

1076  
00:57:27,510 --> 00:57:25,910  
yeah that's tony that's a good point and

1077  
00:57:28,870 --> 00:57:27,520  
that's a good point

1078  
00:57:33,270 --> 00:57:28,880  
um

1079  
00:57:36,390 --> 00:57:33,280  
video perhaps

1080  
00:57:38,470 --> 00:57:36,400  
uh maybe just um

1081  
00:57:40,630 --> 00:57:38,480  
maybe just wait on it best because i

1082  
00:57:43,829 --> 00:57:40,640  
think it's going up on black volt

1083  
00:57:46,150 --> 00:57:43,839  
and you know i'm assuming it'll be

1084  
00:57:47,990 --> 00:57:46,160  
uh better quality because the remaining

1085  
00:57:49,670 --> 00:57:48,000  
like five gigs of the file or whatever

1086  
00:57:53,030 --> 00:57:49,680  
will be in there

1087  
00:57:56,630 --> 00:57:53,040  
which i would hope um goes to the

1088  
00:57:58,950 --> 00:57:57,670

um

1089

00:58:00,470 --> 00:57:58,960

i don't know because as it says right

1090

00:58:01,349 --> 00:58:00,480

now you can't really make heads or tails

1091

00:58:04,870 --> 00:58:01,359

of it

1092

00:58:06,710 --> 00:58:04,880

it i mean sure it looks weird

1093

00:58:09,109 --> 00:58:06,720

has no heat signature i think that's

1094

00:58:10,789 --> 00:58:09,119

that's the the big one

1095

00:58:15,670 --> 00:58:10,799

so

1096

00:58:18,390 --> 00:58:15,680

answer for that maybe not

1097

00:58:23,190 --> 00:58:18,400

but regardless um

1098

00:58:30,549 --> 00:58:23,200

you know the guy tried his best in

1099

00:58:34,950 --> 00:58:33,030

1100

00:58:37,510 --> 00:58:34,960

s rush

1105

00:58:59,109 --> 00:58:57,589

you should be hopping on this

1109

00:59:09,030 --> 00:59:07,440

you'd be good man

1110

00:59:11,030 --> 00:59:09,040

yeah lara you should totally share you

1111

1112

00:59:20,069 --> 00:59:13,440

why don't you just send me an email

1113

00:59:23,670 --> 00:59:22,069

and yeah so thanks everybody for hanging

1114

00:59:25,510 --> 00:59:23,680

out

1115

00:59:26,549 --> 00:59:25,520

uh disclosure team i missed him he was

1116

00:59:29,510 --> 00:59:26,559

up there

1117

00:59:32,150 --> 00:59:29,520

he's the only oh look at him

1118

00:59:39,750 --> 00:59:32,160

super sticker

1119

00:59:43,750 --> 00:59:39,760

it's a flying saucer

1120

00:59:48,470 --> 00:59:47,510

i'm going to get back to work and

1121

00:59:49,829 --> 00:59:48,480

um

1122

00:59:51,990 --> 00:59:49,839

put all these together and get them up

1123

00:59:54,230 --> 00:59:52,000

on the website for you

1124

00:59:55,750 --> 00:59:54,240

and you know share this stuff let people

1125

00:59:58,230 --> 00:59:55,760

know that it exists that this is

1126

01:00:00,309 --> 00:59:58,240

documented and you know

1127

01:00:02,789 --> 01:00:00,319

we can make something of it um there's

1128

01:00:04,150 --> 01:00:02,799

answers there's a legitimate question

1129

01:00:07,270 --> 01:00:04,160

that we have

1130

01:00:11,270 --> 01:00:07,280

that should be legitimately answered

1131

01:00:15,510 --> 01:00:12,710

that's it

1132

01:00:17,349 --> 01:00:15,520

you know there's a pot to piss in so to

1133

01:00:19,190 --> 01:00:17,359

speak

1134

01:00:22,390 --> 01:00:19,200

so

1135

01:00:25,109 --> 01:00:22,400

you know just doing the best i can uh

1136

01:00:26,230 --> 01:00:25,119

ross coldheart man that guy's helped a

1137

01:00:28,230 --> 01:00:26,240

lot

1138

01:00:30,230 --> 01:00:28,240

retweeting that thing because i've tried

1139

01:00:32,630 --> 01:00:30,240

to show people in this

1140

01:00:34,710 --> 01:00:32,640

field in this community and tell them

1141

01:00:36,950 --> 01:00:34,720

about these things i had and i just

1142

01:00:39,190 --> 01:00:36,960

couldn't get anybody to pay attention

1143

01:00:40,950 --> 01:00:39,200

um so putting these together in the

1144

01:00:43,270 --> 01:00:40,960

military fashion and raw sharing them

1145

01:00:44,549 --> 01:00:43,280

like that um that's huge to me that

1146

01:00:45,910 --> 01:00:44,559

means a lot

1147

01:00:49,910 --> 01:00:45,920

because i just really at the end of the

1148

01:00:56,710 --> 01:00:53,109

yeah have a great day everyone

1149

01:00:58,309 --> 01:00:56,720

yeah well yeah maybe tomorrow

1150

01:01:00,390 --> 01:00:58,319

i'd love for you to come on man yeah

1151

01:01:02,150 --> 01:01:00,400

maybe tomorrow or something

1152

01:01:05,750 --> 01:01:02,160

let me know you know where to get at me

1153

01:01:06,870 --> 01:01:05,760

so robert appreciate you laura everybody

1154

01:01:09,750 --> 01:01:06,880

andreas

1155

01:01:11,109 --> 01:01:09,760

uh existential minds jos megan you're

1156

01:01:13,430 --> 01:01:11,119

the best

1157

01:01:14,710 --> 01:01:13,440

um spaghetti you're not here anymore but

1158

01:01:18,950 --> 01:01:14,720

you too

1159

01:01:22,549 --> 01:01:20,870

i don't know

1160

01:01:25,829 --> 01:01:22,559

and everybody

1161

01:01:31,670 --> 01:01:25,839

youtube stole your super sticker

1162

01:01:31,680 --> 01:01:34,710

god bless you

1163

01:01:38,309 --> 01:01:36,470

oh thank you i really appreciate that

1164

01:01:40,710 --> 01:01:38,319

man i need that kind of stuff more than

1165

01:01:43,349 --> 01:01:40,720

you know because it's not easy and the

1166

01:01:45,190 --> 01:01:43,359

muddy the waters are incredibly muddy

1167

01:01:47,670 --> 01:01:45,200

and you talk to one person the other

1168

01:01:50,069 --> 01:01:47,680

person ignores you and vice versa

1169

01:01:52,710 --> 01:01:50,079

and it's it's really difficult

1170

01:01:55,190 --> 01:01:52,720

um so i really appreciate that stuff and

1171

01:01:57,430 --> 01:01:55,200

i need it so thank you

1172

01:01:58,630 --> 01:01:57,440

uh yeah take care everyone

1173

01:01:59,829 --> 01:01:58,640

and

1174

01:02:04,390 --> 01:01:59,839

we'll see

1175

01:02:06,549 --> 01:02:05,430

um

1176

01:02:07,990 --> 01:02:06,559

yeah

1177

01:02:10,150 --> 01:02:08,000

maybe i'll just do that maybe we'll just

1178

01:02:14,470 --> 01:02:10,160

see you tomorrow

1179

01:02:17,990 --> 01:02:16,230

oh wait thanks

1180

01:02:21,270 --> 01:02:18,000

thanks to uh the experiencer group

1181

01:02:22,789 --> 01:02:21,280

yesterday and jay and kirsten and stuart

1182

01:02:25,270 --> 01:02:22,799

i had a great time with them and a great

1183

01:02:26,230 --> 01:02:25,280

talk with them um hopefully

1184

01:02:28,789 --> 01:02:26,240

um

1185

01:02:30,150 --> 01:02:28,799

you know how they're handling uh this or

1186

01:02:32,309 --> 01:02:30,160

what they're doing

1187

01:02:34,870 --> 01:02:32,319

um gets kind of a spotlight put on it

1188

01:02:37,109 --> 01:02:34,880

because i think it could be helpful

1189

01:02:41,270 --> 01:02:37,119

that's for sure so

1190

01:02:44,789 --> 01:02:43,589

just be empathetic nice and listen to

1191

01:02:46,950 --> 01:02:44,799

better

1192

01:02:48,470 --> 01:02:46,960

including me so just wanted to throw

1193

01:02:50,630 --> 01:02:48,480

that out there follow them they have a

1194

01:02:52,789 --> 01:02:50,640

youtube page the experienter group and

1195

01:02:53,829 --> 01:02:52,799

you can find them on twitter

1196

01:02:56,309 --> 01:02:53,839

um

1197

01:02:58,630 --> 01:02:56,319

yeah so if that's something that you may

1198

01:03:01,430 --> 01:02:58,640

need help with or you may want a little

1199

01:03:05,109 --> 01:03:01,440

more knowledge about it's there for you

1200

01:03:10,870 --> 01:03:05,119

so i'm glad there's a place for that
