

1
00:00:10,070 --> 00:00:07,070

what's up everybody

2
00:00:12,290 --> 00:00:10,080

uh happy Monday it's nice to be back

3
00:00:14,209 --> 00:00:12,300

um took a couple days off there although

4
00:00:15,650 --> 00:00:14,219

I did throw a little episode in there on

5
00:00:19,250 --> 00:00:15,660

Friday which

6
00:00:23,269 --> 00:00:19,260

there's a lot more to that story so

7
00:00:26,330 --> 00:00:25,250

um some papers I posted also over the

8
00:00:29,870 --> 00:00:26,340

weekend

9
00:00:32,389 --> 00:00:29,880

in regards to another ion

10
00:00:35,030 --> 00:00:32,399

engine and we're gonna have an actual

11
00:00:37,729 --> 00:00:35,040

engineer to come on and talk about those

12
00:00:41,209 --> 00:00:37,739

plans that are in those papers

13
00:00:44,630 --> 00:00:41,219

and how they may or may not work

14

00:00:46,729 --> 00:00:44,640

stay tuned but

15

00:00:48,889 --> 00:00:46,739

today

16

00:00:52,130 --> 00:00:48,899

we're going to go over

17

00:00:56,689 --> 00:00:52,140

a story you all may know of which is

18

00:01:01,369 --> 00:00:58,670

so

19

00:01:05,149 --> 00:01:01,379

it's a big story it's complicated

20

00:01:08,690 --> 00:01:06,770

and

21

00:01:11,090 --> 00:01:08,700

it's hard to make sense of right what's

22

00:01:13,250 --> 00:01:11,100

real what is it real

23

00:01:15,950 --> 00:01:13,260

is nothing real

24

00:01:19,130 --> 00:01:15,960

one thing is for sure is the Air Force

25

00:01:20,450 --> 00:01:19,140

definitely spent just about six months

26

00:01:22,969 --> 00:01:20,460

or more

27

00:01:23,749 --> 00:01:22,979

you know probably more really

28

00:01:27,050 --> 00:01:23,759

um

29

00:01:34,069 --> 00:01:30,350

let's say cover it up

30

00:01:36,530 --> 00:01:34,079

or untangle the web

31

00:01:38,690 --> 00:01:36,540

and that's that's a fact so if some of

32

00:01:40,789 --> 00:01:38,700

you might remember a while back I had uh

33

00:01:44,870 --> 00:01:40,799

Mr Robert kohford on and we talked about

34

00:01:48,830 --> 00:01:44,880

this as well and we talked a lot about

35

00:01:52,850 --> 00:01:48,840

the date of it uh being March 25th and

36

00:01:55,069 --> 00:01:52,860

because that really seems like the best

37

00:01:58,969 --> 00:01:55,079

possibility for many reasons one of

38

00:02:01,609 --> 00:01:58,979

which is the emergency error order that

39

00:02:04,730 --> 00:02:01,619

was put in action on the 25th and

40

00:02:07,310 --> 00:02:04,740

different Witnesses also saying that

41

00:02:09,469 --> 00:02:07,320

was the date so I'm not going to go into

42

00:02:11,210 --> 00:02:09,479

the date too much here what I really

43

00:02:13,490 --> 00:02:11,220

just want to go into are the different

44

00:02:17,210 --> 00:02:13,500

characters and then a couple documents

45

00:02:19,850 --> 00:02:17,220

that I have that really

46

00:02:22,250 --> 00:02:19,860

send it home so to speak

47

00:02:24,410 --> 00:02:22,260

uh because as you know

48

00:02:26,330 --> 00:02:24,420

I have a lot of arguments

49

00:02:30,470 --> 00:02:26,340

so

50

00:02:34,670 --> 00:02:32,809

what happened basically

51
00:02:39,050 --> 00:02:34,680
um what kind of got me started into this

52
00:02:39,830 --> 00:02:39,060
was I was going through the New Mexico

53
00:02:42,770 --> 00:02:39,840
um

54
00:02:45,670 --> 00:02:42,780
OSI files

55
00:02:50,570 --> 00:02:45,680
and there are so many

56
00:02:53,990 --> 00:02:50,580
there's over 700 in that District

57
00:02:55,490 --> 00:02:54,000
um so it's a lot of work and I just went

58
00:02:57,530 --> 00:02:55,500
through all the other districts which

59
00:02:59,750 --> 00:02:57,540
you know I have anywhere from 100 to 200

60
00:03:01,850 --> 00:02:59,760
to whatever

61
00:03:04,729 --> 00:03:01,860
um so

62
00:03:06,649 --> 00:03:04,739
when I got to the New Mexico one

63
00:03:08,750 --> 00:03:06,659

oh man I was like how am I gonna do this

64

00:03:10,130 --> 00:03:08,760

but I just powered through a lot of it

65

00:03:11,809 --> 00:03:10,140

was

66

00:03:13,550 --> 00:03:11,819

um some things I'll be adding to the Dr

67

00:03:18,410 --> 00:03:13,560

lepada story

68

00:03:21,229 --> 00:03:18,420

which includes probably over 150

69

00:03:23,270 --> 00:03:21,239

um unknown sightings within the course

70

00:03:24,949 --> 00:03:23,280

of like a year and a half or two and

71

00:03:28,070 --> 00:03:24,959

it's a whole list so I'm going to put

72

00:03:30,890 --> 00:03:28,080

that in there too but then I got to this

73

00:03:34,970 --> 00:03:30,900

very interesting story which brings me

74

00:03:38,990 --> 00:03:34,980

here today in regards to a one

75

00:03:42,770 --> 00:03:40,490

so

76

00:03:45,110 --> 00:03:42,780

and I'm going through this and this

77

00:03:48,050 --> 00:03:45,120

story is about

78

00:03:51,050 --> 00:03:48,060

um finding a saucer basically someone

79

00:03:54,110 --> 00:03:51,060

finds a saucer on uh the border of

80

00:03:56,630 --> 00:03:54,120

Arizona New Mexico

81

00:03:58,490 --> 00:03:56,640

by a radar station it crashed into it

82

00:04:01,789 --> 00:03:58,500

and there's two saucers

83

00:04:03,710 --> 00:04:01,799

and there's occupants in them into the

84

00:04:04,490 --> 00:04:03,720

occupants are scorched they're burned

85

00:04:06,830 --> 00:04:04,500

dead

86

00:04:10,130 --> 00:04:06,840

and the other occupants

87

00:04:12,410 --> 00:04:10,140

they're not alive but they're you know

88

00:04:13,970 --> 00:04:12,420

intact basically

89

00:04:15,589 --> 00:04:13,980

then it goes into a lot of the

90

00:04:18,050 --> 00:04:15,599

descriptors like

91

00:04:19,909 --> 00:04:18,060

um there's tablets of food like one

92

00:04:21,890 --> 00:04:19,919

white tablets and then a brown tablet

93

00:04:25,670 --> 00:04:21,900

and if you put it in water it you know

94

00:04:30,610 --> 00:04:28,010

um but I want to start with Rudy fit

95

00:04:33,409 --> 00:04:30,620

because that's where I started

96

00:04:35,749 --> 00:04:33,419

oh you know there's a lot of different

97

00:04:39,110 --> 00:04:35,759

characters and it's hard to keep up and

98

00:04:42,770 --> 00:04:39,120

I may screw up hopefully not but it's

99

00:04:49,129 --> 00:04:45,110

but we'll start with Rudy thick then

100

00:04:51,890 --> 00:04:49,139

we'll get to where uh Cabot comes in

101
00:04:53,990 --> 00:04:51,900
and then we'll get to where the bodies

102
00:04:56,749 --> 00:04:54,000
may possibly be

103
00:05:01,430 --> 00:04:56,759
if they exist of course

104
00:05:08,390 --> 00:05:03,830
so

105
00:05:13,670 --> 00:05:08,400
just looking at me alone I'm gonna put

106
00:05:22,010 --> 00:05:17,830
of the Aztec Ruins thank you

107
00:05:24,110 --> 00:05:22,020
okay so basically Rudy Fick he's a

108
00:05:27,110 --> 00:05:24,120
Motorcar dealer for Ford dealers

109
00:05:28,909 --> 00:05:27,120
and he's traveling on a business trip

110
00:05:30,890 --> 00:05:28,919
he's on a business trip he's traveling

111
00:05:32,990 --> 00:05:30,900
back home via train

112
00:05:35,570 --> 00:05:33,000
on the train

113
00:05:37,370 --> 00:05:35,580

he is next to pretty much a drunkard

114

00:05:39,590 --> 00:05:37,380

right

115

00:05:41,870 --> 00:05:39,600

um he can't stand it so

116

00:05:45,409 --> 00:05:41,880

there is a stop in Denver he's getting

117

00:05:48,350 --> 00:05:45,419

off the train and instead he is going to

118

00:05:50,510 --> 00:05:48,360

um buy plane tickets to go back home and

119

00:05:51,529 --> 00:05:50,520

not use the train and I believe his back

120

00:05:56,210 --> 00:05:51,539

home was

121

00:05:59,270 --> 00:05:58,249

but so while he's in town he goes to a

122

00:06:07,490 --> 00:05:59,280

hotel

123

00:06:09,950 --> 00:06:07,500

uh manager store manager dealer manager

124

00:06:13,610 --> 00:06:09,960

um who

125

00:06:16,430 --> 00:06:13,620

his name is Jack Murphy

126

00:06:19,730 --> 00:06:18,290

Jack basically meets him there and they

127

00:06:23,570 --> 00:06:19,740

start talking

128

00:06:25,730 --> 00:06:23,580

um Jack then gets a page from the you

129

00:06:28,070 --> 00:06:25,740

know concierge or whoever at the hotel I

130

00:06:29,510 --> 00:06:28,080

think he's got a call so Jack takes the

131

00:06:32,629 --> 00:06:29,520

call

132

00:06:37,790 --> 00:06:35,749

to Rudy and says hey we're going to go

133

00:06:38,749 --> 00:06:37,800

back to my office

134

00:06:41,809 --> 00:06:38,759

um in

135

00:06:45,189 --> 00:06:41,819

you're basically going to hear the story

136

00:06:49,610 --> 00:06:47,290

so

137

00:06:51,290 --> 00:06:49,620

together the things that go back to the

138

00:06:54,230 --> 00:06:51,300

office

139

00:07:00,189 --> 00:06:54,240

and there's somebody there first known

140

00:07:06,409 --> 00:07:04,850

later found out to be a George Kohler

141

00:07:09,110 --> 00:07:06,419

and there's

142

00:07:11,510 --> 00:07:09,120

you know the interesting part about this

143

00:07:14,809 --> 00:07:11,520

story is it's it comes from a newspaper

144

00:07:16,550 --> 00:07:14,819

article which was plastered all over the

145

00:07:21,409 --> 00:07:16,560

country

146

00:07:23,150 --> 00:07:21,419

copy and pasted and a lot of instances

147

00:07:25,370 --> 00:07:23,160

but basically it was there where they

148

00:07:27,830 --> 00:07:25,380

met George Kohler

149

00:07:29,330 --> 00:07:27,840

and I think it was Morley Davis was

150

00:07:30,290 --> 00:07:29,340

there too

151
00:07:33,290 --> 00:07:30,300
um

152
00:07:35,290 --> 00:07:33,300
but I'm not positive on that

153
00:07:37,850 --> 00:07:35,300
and the

154
00:07:40,070 --> 00:07:37,860
showed Rudy

155
00:07:44,589 --> 00:07:40,080
and Jack

156
00:07:49,670 --> 00:07:46,790
that eventually took to a radio store

157
00:07:51,469 --> 00:07:49,680
and spoke occasionally

158
00:07:55,909 --> 00:07:51,479
once a day

159
00:08:00,290 --> 00:07:55,919
at like 1115 I believe it was a.m in a

160
00:08:06,189 --> 00:08:03,290
um he also showed uh parts of different

161
00:08:13,430 --> 00:08:09,770
uh some were like discs

162
00:08:17,210 --> 00:08:13,440
and later on after you know

163
00:08:18,710 --> 00:08:17,220

Rudy winds up telling this story I mean

164

00:08:20,809 --> 00:08:18,720

well first of all I'll finish George

165

00:08:24,290 --> 00:08:20,819

winds up telling him that uh the story

166

00:08:26,869 --> 00:08:24,300

of him sneaking into this installation

167

00:08:29,089 --> 00:08:26,879

on the border of Arizona and Mexico this

168

00:08:32,810 --> 00:08:29,099

radar station where he then found these

169

00:08:35,149 --> 00:08:32,820

saucers and the people that you know he

170

00:08:36,649 --> 00:08:35,159

got there because there's a doctor that

171

00:08:39,949 --> 00:08:36,659

brought him in who specialize in

172

00:08:42,110 --> 00:08:39,959

magnetism and

173

00:08:46,310 --> 00:08:42,120

you know he says that he met this doctor

174

00:08:50,930 --> 00:08:49,250

so he tells in the story about what I

175

00:08:56,630 --> 00:08:50,940

just told you about the occupants the

176
00:08:56,640 --> 00:09:00,050
you know later on

177
00:09:00,060 --> 00:09:03,410
Rudy winds up

178
00:09:07,370 --> 00:09:05,630
telling this story to one person it's it

179
00:09:09,470 --> 00:09:07,380
goes into a newspaper

180
00:09:13,430 --> 00:09:09,480
and he's

181
00:09:15,769 --> 00:09:13,440
like getting calls from other newspapers

182
00:09:17,030 --> 00:09:15,779
but he starts getting really kind of

183
00:09:18,889 --> 00:09:17,040
irritated

184
00:09:21,230 --> 00:09:18,899
because everyone keeps calling his house

185
00:09:23,389 --> 00:09:21,240
like his friends and making fun of him

186
00:09:24,590 --> 00:09:23,399
like hey how are your boys from Venus

187
00:09:29,329 --> 00:09:24,600
and all that kind of stuff and then they

188
00:09:37,009 --> 00:09:33,650

he starts to recant his story and says

189

00:09:39,230 --> 00:09:37,019

things like they were just simple you

190

00:09:45,829 --> 00:09:39,240

know gears and the radio didn't work and

191

00:09:53,090 --> 00:09:48,470

um but here's

192

00:09:57,050 --> 00:09:55,430

so basically he said he wrangled into a

193

00:09:58,370 --> 00:09:57,060

radar station on the border and that's

194

00:10:01,250 --> 00:09:58,380

where he found the two ships and bodies

195

00:10:03,170 --> 00:10:01,260

in each they were toast and the others

196

00:10:05,449 --> 00:10:03,180

two were toast

197

00:10:09,230 --> 00:10:05,459

all forward dead but two of them were

198

00:10:17,530 --> 00:10:12,590

uh he had radio and metals he told Fisk

199

00:10:23,389 --> 00:10:20,509

flying discs actually were in possession

200

00:10:27,350 --> 00:10:23,399

of a company called us

201
00:10:29,509 --> 00:10:27,360
uh us research Bureau which turns out

202
00:10:33,350 --> 00:10:29,519
didn't exist

203
00:10:39,769 --> 00:10:36,110
uh the medal that he had he said he took

204
00:10:41,449 --> 00:10:39,779
to a Ford plant to be analyzed

205
00:10:43,069 --> 00:10:41,459
and the analysts couldn't figure out

206
00:10:49,190 --> 00:10:43,079
what it was and they said it was not

207
00:10:49,200 --> 00:10:53,810
and these are

208
00:10:59,389 --> 00:10:56,930
so Robert says he thinks he meant Rand

209
00:11:00,650 --> 00:10:59,399
just in the newspaper story it was like

210
00:11:04,670 --> 00:11:00,660
a Ford

211
00:11:07,009 --> 00:11:04,680
basically so

212
00:11:09,829 --> 00:11:07,019
um I didn't look further into any of

213
00:11:12,590 --> 00:11:09,839

that stuff I just kind of left it alone

214

00:11:14,810 --> 00:11:12,600

as described

215

00:11:17,030 --> 00:11:14,820

because if I went into each thing I

216

00:11:19,430 --> 00:11:17,040

wouldn't be here to tell this right now

217

00:11:23,090 --> 00:11:19,440

I'd be here like next year saying okay

218

00:11:25,730 --> 00:11:23,100

I've got it all but um these pieces you

219

00:11:28,850 --> 00:11:25,740

know connect enough to you know tell the

220

00:11:31,370 --> 00:11:28,860

story here and if things you know

221

00:11:34,009 --> 00:11:31,380

other things come into play you know

222

00:11:36,050 --> 00:11:34,019

I'll definitely talk about it

223

00:11:38,269 --> 00:11:36,060

but when I'm finished I think you'll

224

00:11:41,269 --> 00:11:38,279

agree with me that the story as is is

225

00:11:44,269 --> 00:11:42,829

uh so a statement of the plant they

226

00:11:48,949 --> 00:11:44,279

couldn't recognize what it was they said

227

00:11:51,829 --> 00:11:49,790

um

228

00:11:53,810 --> 00:11:51,839

then at some point there's this guy

229

00:11:57,530 --> 00:11:53,820

Davis

230

00:11:59,150 --> 00:11:57,540

who I think was so there was there's a

231

00:12:01,009 --> 00:11:59,160

story that there was two guys in the

232

00:12:04,009 --> 00:12:01,019

beginning talking to

233

00:12:05,629 --> 00:12:04,019

uh Jack and Rudy but really this story

234

00:12:07,129 --> 00:12:05,639

is only mentioned the one guy which was

235

00:12:09,650 --> 00:12:07,139

George

236

00:12:12,290 --> 00:12:09,660

um later and this could be a stretch but

237

00:12:14,389 --> 00:12:12,300

based on one of the OSI papers uh

238

00:12:17,569 --> 00:12:14,399

there's a guy named Davis in the

239

00:12:19,069 --> 00:12:17,579

newspaper that in the OSI paper you know

240

00:12:20,449 --> 00:12:19,079

they black out the name but it seems

241

00:12:22,430 --> 00:12:20,459

like it could be him

242

00:12:25,610 --> 00:12:22,440

but basically it takes the radio to a

243

00:12:27,350 --> 00:12:25,620

repair shop each day at 1115 hours a

244

00:12:29,449 --> 00:12:27,360

strange language starts broadcasting

245

00:12:32,389 --> 00:12:29,459

that's probably George took it there who

246

00:12:38,269 --> 00:12:34,970

I do want to give you the descriptors of

247

00:12:38,279 --> 00:12:42,230

three and a half foot tall

248

00:12:47,389 --> 00:12:44,930

one story it said 15 others parachuted

249

00:12:50,569 --> 00:12:47,399

down but became invisible

250

00:12:56,389 --> 00:12:50,579

they were uniformly blonde

251
00:12:59,810 --> 00:12:56,399
this Dr gee who later turns out to be

252
00:12:59,820 --> 00:13:04,250
but I got it

253
00:13:18,829 --> 00:13:08,210
turns out to be doctor

254
00:13:22,550 --> 00:13:21,170
basic and he made a point to say that

255
00:13:25,310 --> 00:13:22,560
their teeth were perfect this doctor

256
00:13:28,310 --> 00:13:25,320
that's why I mentioned him and he's also

257
00:13:30,350 --> 00:13:28,320
the scientist that um Kohler met that

258
00:13:32,269 --> 00:13:30,360
was apparently friends with his wife in

259
00:13:35,690 --> 00:13:32,279
Phoenix Arizona by the way

260
00:13:40,790 --> 00:13:37,910
so back to the descriptors no cavities

261
00:13:44,030 --> 00:13:40,800
in the teeth shoes were like human skin

262
00:13:47,449 --> 00:13:44,040
and no signs of Destruction

263
00:13:48,370 --> 00:13:47,459

gay Bauer Robert says he's coaching me

264

00:13:51,829 --> 00:13:48,380

along

265

00:13:53,269 --> 00:13:51,839

that's funny so for those of you don't

266

00:13:55,310 --> 00:13:53,279

know you can go back in my videos and

267

00:13:56,870 --> 00:13:55,320

see the one I did with Robert where he

268

00:13:59,449 --> 00:13:56,880

kind of hits it home on the day of March

269

00:14:00,949 --> 00:13:59,459

25th 1948.

270

00:14:02,689 --> 00:14:00,959

and so obviously he knows a lot about

271

00:14:04,970 --> 00:14:02,699

this stuff too

272

00:14:05,930 --> 00:14:04,980

more than me

273

00:14:08,629 --> 00:14:05,940

um

274

00:14:11,090 --> 00:14:08,639

and then there was a time device

275

00:14:14,150 --> 00:14:11,100

it was something like every month on the

276

00:14:16,009 --> 00:14:14,160

lunar cycle or whatever they went by

277

00:14:17,810 --> 00:14:16,019

um they were venusians apparently from

278

00:14:22,550 --> 00:14:17,820

Venus

279

00:14:25,790 --> 00:14:24,410

very interesting

280

00:14:29,329 --> 00:14:25,800

Ruby

281

00:14:32,150 --> 00:14:29,339

actually says of this

282

00:14:36,829 --> 00:14:32,160

Kohler that he's a straight guy he

283

00:14:41,269 --> 00:14:39,650

and Kohler eventually says that the Army

284

00:14:42,829 --> 00:14:41,279

took the saucer

285

00:14:45,110 --> 00:14:42,839

the Air Force did

286

00:14:47,210 --> 00:14:45,120

and he was told that by a three-star Air

287

00:14:48,350 --> 00:14:47,220

Force General

288

00:14:50,569 --> 00:14:48,360

um

289

00:14:52,850 --> 00:14:50,579

in one of the occupants

290

00:14:54,290 --> 00:14:52,860

but I saw in another story that two of

291

00:14:58,430 --> 00:14:54,300

the occupants

292

00:15:00,350 --> 00:14:58,440

went to the Rosenwald foundation in

293

00:15:02,590 --> 00:15:00,360

Chicago Illinois

294

00:15:06,350 --> 00:15:02,600

and it was a museum

295

00:15:10,550 --> 00:15:06,360

display in a room with Windows

296

00:15:15,110 --> 00:15:12,290

and I'll get to why

297

00:15:17,030 --> 00:15:15,120

that's very very interesting first of

298

00:15:18,769 --> 00:15:17,040

all Rosenwald if you don't know Julius

299

00:15:25,370 --> 00:15:18,779

Rosenwald

300

00:15:29,269 --> 00:15:25,380

if you ever heard of it

301

00:15:31,129 --> 00:15:29,279

um he was big into YMCAs and

302

00:15:33,710 --> 00:15:31,139

um helping the African-American

303

00:15:35,749 --> 00:15:33,720

Community I didn't look into much more

304

00:15:39,889 --> 00:15:35,759

than that but he was big into that doing

305

00:15:43,370 --> 00:15:41,629

obviously the newspapers called him for

306

00:15:45,710 --> 00:15:43,380

comment and he absolutely denied it but

307

00:15:53,870 --> 00:15:45,720

what is he gonna you know

308

00:15:59,449 --> 00:15:57,470

so in the end David says Kohler is not

309

00:16:00,350 --> 00:15:59,459

in the end but the end of this part

310

00:16:03,170 --> 00:16:00,360

um

311

00:16:05,210 --> 00:16:03,180

Dave is in Kohler I think we're actually

312

00:16:08,329 --> 00:16:05,220

oil guys

313

00:16:10,850 --> 00:16:08,339

um he heard a story that they were

314

00:16:12,590 --> 00:16:10,860

I actually started talking David says

315

00:16:15,650 --> 00:16:12,600

caller started talking about saucers in

316

00:16:17,810 --> 00:16:15,660

October October of 49. he said that they

317

00:16:24,410 --> 00:16:17,820

were landing near Albuquerque

318

00:16:24,420 --> 00:16:31,069

now

319

00:16:38,030 --> 00:16:33,829

it's time to

320

00:16:38,040 --> 00:16:42,230

connect the dots to a one

321

00:16:42,240 --> 00:16:46,249

Bruce Cavett

322

00:16:51,470 --> 00:16:48,829

now I'm going through my files

323

00:16:53,870 --> 00:16:51,480

you look at the one if I look at the

324

00:16:56,810 --> 00:16:53,880

ones that I found a Cabot and the ones

325

00:17:00,769 --> 00:16:56,820

of this thick and the stories are so

326

00:17:04,130 --> 00:17:02,509

and keep in mind for those who don't

327

00:17:06,949 --> 00:17:04,140

know

328

00:17:09,650 --> 00:17:06,959

that there was there's a book written

329

00:17:11,329 --> 00:17:09,660

about this by Hollywood Reporter

330

00:17:13,669 --> 00:17:11,339

um his name is escaping me it's Frank

331

00:17:19,970 --> 00:17:13,679

something you guys probably know who

332

00:17:23,630 --> 00:17:21,890

so yeah this is interesting So

333

00:17:26,210 --> 00:17:23,640

eventually

334

00:17:27,710 --> 00:17:26,220

this guy says you know I was told that

335

00:17:29,210 --> 00:17:27,720

my lips are sealed that I didn't see

336

00:17:36,529 --> 00:17:29,220

anything and that I can't talk or

337

00:17:36,539 --> 00:17:42,169

pretty pretty interesting

338

00:17:47,810 --> 00:17:45,770

so now we'll get into the

339

00:17:52,010 --> 00:17:47,820

uh Bruce Cabot

340

00:17:52,020 --> 00:17:55,310

story's got everything

341

00:17:59,510 --> 00:17:56,930

that's for sure

342

00:18:02,270 --> 00:17:59,520

so what I'll do here because this actual

343

00:18:06,110 --> 00:18:03,830

um I'm gonna read from it it's a

344

00:18:10,070 --> 00:18:06,120

newspaper clipping and it kind of ties

345

00:18:16,010 --> 00:18:10,080

them in together pretty well so

346

00:18:20,270 --> 00:18:19,190

so when I say Dr gee know that that

347

00:18:22,789 --> 00:18:20,280

means

348

00:18:24,409 --> 00:18:22,799

that's how they wrote it here why don't

349

00:18:30,289 --> 00:18:24,419

I just actually share that screen with

350

00:18:30,299 --> 00:18:37,909

I will share the screen

351

00:18:43,450 --> 00:18:40,789

all right here we go and

352

00:18:49,490 --> 00:18:46,909

let's make it bigger than that

353

00:18:56,390 --> 00:18:49,500

yeah hopefully you can read it but I'm

354

00:19:02,390 --> 00:18:58,970

so the name like Dr gee isn't a real

355

00:19:05,270 --> 00:19:02,400

name keep that in mind but according to

356

00:19:06,350 --> 00:19:05,280

the mysterious Dr gee but we're going to

357

00:19:09,470 --> 00:19:06,360

use that because it's just going to be

358

00:19:11,450 --> 00:19:09,480

easier to talk about identified as the

359

00:19:12,770 --> 00:19:11,460

top magnetic research specialist in the

360

00:19:14,330 --> 00:19:12,780

United States he have seven other

361

00:19:16,610 --> 00:19:14,340

scientists were called in by the Air

362

00:19:19,730 --> 00:19:16,620

Force to examine a strange aircraft that

363

00:19:24,049 --> 00:19:19,740

had landed in a very Rocky High Plateau

364

00:19:26,810 --> 00:19:24,059

area territory east of Aztec New Mexico

365

00:19:31,190 --> 00:19:28,970

the Dax group according to Scully Frank

366

00:19:33,230 --> 00:19:31,200

Scully that's the name do watch the

367

00:19:35,029 --> 00:19:33,240

thing from a safe distance for two days

368

00:19:38,029 --> 00:19:35,039

bombing it with cosmic rays and other

369

00:19:42,409 --> 00:19:39,409

um

370

00:19:44,570 --> 00:19:42,419

that part's not

371

00:19:46,730 --> 00:19:44,580

as important but basically we took the

372

00:19:48,950 --> 00:19:46,740

little bodies out

373

00:19:50,270 --> 00:19:48,960

um laid them on the grounds because he

374

00:19:52,250 --> 00:19:50,280

says the doc told them there are about

375

00:19:54,470 --> 00:19:52,260

16 of them were ranging in height from

376

00:19:56,990 --> 00:19:54,480

36 to 42 inches

377

00:19:59,029 --> 00:19:57,000

uh there then follows an account of how

378

00:20:01,130 --> 00:19:59,039

charred their skins were

379

00:20:03,649 --> 00:20:01,140

now keep in mind what I'm telling you is

380

00:20:05,870 --> 00:20:03,659

what I got from testimony from the two

381

00:20:07,610 --> 00:20:05,880

people we were talking about before and

382

00:20:11,570 --> 00:20:07,620

now we have it coming from a different

383

00:20:11,580 --> 00:20:17,029

and it won't be the last source

384

00:20:21,049 --> 00:20:18,830

so he went to the trouble of reporting

385

00:20:22,970 --> 00:20:21,059

that the teeth are the little men

386

00:20:25,190 --> 00:20:22,980

contain no cavities or fillings

387

00:20:27,529 --> 00:20:25,200

um but the wicked Air Force men sees the

388

00:20:29,390 --> 00:20:27,539

bodies for deception and broke up the

389

00:20:31,610 --> 00:20:29,400

nice saucer which was put together with

390

00:20:33,590 --> 00:20:31,620

no rivets

391

00:20:35,630 --> 00:20:33,600

the airports tossed

392

00:20:36,970 --> 00:20:35,640

um Dr gee a few crumbs uh here's a

393

00:20:39,830 --> 00:20:36,980

couple bucks

394

00:20:42,049 --> 00:20:39,840

but the story went on a tiny tubeless

395

00:20:44,810 --> 00:20:42,059

radio a few gears and some small discs

396

00:20:46,490 --> 00:20:44,820

for study another saucer which Scully

397

00:20:49,610 --> 00:20:46,500

said was examined by Dr gee and his

398

00:20:51,649 --> 00:20:49,620

staff fell near Phoenix it was 36 feet

399

00:20:53,810 --> 00:20:51,659

in diameter and the size of the cabin

400

00:20:57,230 --> 00:20:53,820

and the rest of the dimensions balanced

401
00:21:00,950 --> 00:20:57,240
out on the same system of nines that had

402
00:21:05,330 --> 00:21:03,230
I don't know what they call midgets

403
00:21:07,250 --> 00:21:05,340
two midges were in this one also very

404
00:21:08,410 --> 00:21:07,260
dead

405
00:21:10,970 --> 00:21:08,420
no toilet

406
00:21:18,230 --> 00:21:10,980
[Laughter]

407
00:21:22,190 --> 00:21:20,270
um yeah then they talk about the food

408
00:21:24,710 --> 00:21:22,200
which were in tablets they dropped it in

409
00:21:26,450 --> 00:21:24,720
a gallon of water and it would boil over

410
00:21:29,270 --> 00:21:26,460
the sides of the container and again

411
00:21:31,549 --> 00:21:29,280
they hated patagonians I named officers

412
00:21:33,350 --> 00:21:31,559
who constitute the Menace In the prayers

413
00:21:35,149 --> 00:21:33,360

book stepped in and took away all the

414

00:21:38,750 --> 00:21:35,159

fine evidence including some watches

415

00:21:41,090 --> 00:21:38,760

from Venus which inexplicably worked in

416

00:21:42,649 --> 00:21:41,100

consonants with their Moon that Venus's

417

00:21:44,210 --> 00:21:42,659

Moon

418

00:21:48,470 --> 00:21:44,220

so again

419

00:21:51,049 --> 00:21:48,480

this account is the same as what

420

00:21:58,549 --> 00:21:51,059

you know the other Witnesses are saying

421

00:22:03,110 --> 00:22:00,350

at the request

422

00:22:05,570 --> 00:22:03,120

um sorry Smith Watson had flown into

423

00:22:07,970 --> 00:22:05,580

Washington from right field uh for the

424

00:22:09,950 --> 00:22:07,980

interview he is in addition to his

425

00:22:12,950 --> 00:22:09,960

tracks officer duties Chief intelligence

426

00:22:15,950 --> 00:22:12,960

officer of air material comment so he

427

00:22:16,810 --> 00:22:15,960

actually was not the boss of the UFO

428

00:22:19,549 --> 00:22:16,820

project

429

00:22:23,029 --> 00:22:19,559

but it seems like he may be the boss

430

00:22:29,510 --> 00:22:23,039

just of this Aztec thing in the debacle

431

00:22:33,289 --> 00:22:31,070

so

432

00:22:35,870 --> 00:22:33,299

now we're going to get to the Bruce

433

00:22:38,630 --> 00:22:35,880

Cabot part

434

00:22:40,669 --> 00:22:38,640

late last year in the drinking room the

435

00:22:42,590 --> 00:22:40,679

Lakeside country club in Hollywood Bruce

436

00:22:44,810 --> 00:22:42,600

Cavett the actor overheard a man saying

437

00:22:47,450 --> 00:22:44,820

that he knew of a man who had in his

438

00:22:49,970 --> 00:22:47,460

possession portions of the Flying Saucer

439

00:22:52,430 --> 00:22:49,980

a later Kevin called an Air Force office

440

00:22:55,370 --> 00:22:52,440

in Los Angeles region and reported the

441

00:22:59,090 --> 00:22:55,380

incident his informants name he said was

442

00:23:05,029 --> 00:23:02,810

foreign that person had added

443

00:23:07,490 --> 00:23:05,039

Kevin stated that his friend had

444

00:23:11,090 --> 00:23:07,500

salvaged a mysterious little magnetic

445

00:23:12,770 --> 00:23:11,100

radio from wreckage of a saucer and that

446

00:23:15,590 --> 00:23:12,780

they were using it to locate oil

447

00:23:20,090 --> 00:23:17,930

remember their oil guys

448

00:23:22,250 --> 00:23:20,100

the tedious and expensive to the

449

00:23:24,770 --> 00:23:22,260

taxpayer's job aquarium Cabot who is

450

00:23:27,110 --> 00:23:24,780

suddenly very hard to find uh because he

451
00:23:33,350 --> 00:23:27,120
was on location filming a movie in

452
00:23:37,970 --> 00:23:35,870
after several wrong turns

453
00:23:39,289 --> 00:23:37,980
the investigators learned that aside

454
00:23:41,930 --> 00:23:39,299
Newton who is in the oil business

455
00:23:44,210 --> 00:23:41,940
sometimes played golf Lakeside but the

456
00:23:49,190 --> 00:23:44,220
club had no phone number address form

457
00:23:53,510 --> 00:23:51,230
so then it goes kind of in the story I

458
00:23:56,029 --> 00:23:53,520
just told you beforehand

459
00:23:58,430 --> 00:23:56,039
excuse me

460
00:24:04,970 --> 00:23:58,440
and some more kind of comes out of that

461
00:24:10,850 --> 00:24:07,850
um and the doctor

462
00:24:13,549 --> 00:24:10,860
we get his name

463
00:24:16,149 --> 00:24:13,559

and the interesting thing is that the

464

00:24:18,769 --> 00:24:16,159

Air Force always said that there was no

465

00:24:22,669 --> 00:24:18,779

radar station on the border of New

466

00:24:30,409 --> 00:24:24,649

so they were thinking it had to be

467

00:24:35,029 --> 00:24:33,049

I don't know what the truth that is but

468

00:24:37,970 --> 00:24:35,039

that's what they were saying you know I

469

00:24:39,470 --> 00:24:37,980

would imagine if there really is one in

470

00:24:41,630 --> 00:24:39,480

those radar things are getting as

471

00:24:43,130 --> 00:24:41,640

authors well maybe they're not going to

472

00:24:45,590 --> 00:24:43,140

want to put that in the papers and

473

00:24:48,350 --> 00:24:45,600

they're going to say Albuquerque but

474

00:24:49,789 --> 00:24:48,360

I'll say that Albuquerque had a lot of

475

00:24:51,049 --> 00:24:49,799

crashes

476
00:24:53,450 --> 00:24:51,059
um

477
00:24:54,710 --> 00:24:53,460
as well as just you know New Mexico in

478
00:24:56,029 --> 00:24:54,720
general

479
00:24:58,130 --> 00:24:56,039
um

480
00:25:00,649 --> 00:24:58,140
in Arizona

481
00:25:03,049 --> 00:25:00,659
so it's interesting that you go to

482
00:25:05,870 --> 00:25:03,059
someone like Leonard Springfield and he

483
00:25:09,769 --> 00:25:05,880
talks about crashes but his arrow is in

484
00:25:12,049 --> 00:25:09,779
1952. which is after this but

485
00:25:13,909 --> 00:25:12,059
nonetheless they seem to happen a lot

486
00:25:17,210 --> 00:25:13,919
there

487
00:25:18,789 --> 00:25:17,220
so here you can see Murphy the guy we

488
00:25:22,370 --> 00:25:18,799

first talked about

489

00:25:24,409 --> 00:25:22,380

starts to renege on his story and keep

490

00:25:25,730 --> 00:25:24,419

in mind at this time

491

00:25:27,350 --> 00:25:25,740

um he's getting phone calls from his

492

00:25:28,370 --> 00:25:27,360

friends being made fun of constantly

493

00:25:31,070 --> 00:25:28,380

about it

494

00:25:34,430 --> 00:25:31,080

so he's telling the investigators he

495

00:25:36,890 --> 00:25:34,440

identified the distance knockout plugs

496

00:25:39,049 --> 00:25:36,900

just gears

497

00:25:42,049 --> 00:25:39,059

which you know I mean I don't know I

498

00:25:44,450 --> 00:25:42,059

wasn't there I didn't see it but

499

00:25:46,490 --> 00:25:44,460

it's just interesting that everybody has

500

00:25:48,769 --> 00:25:46,500

pretty much the same story in all

501
00:25:52,070 --> 00:25:48,779
different directions from different OSI

502
00:25:53,990 --> 00:25:52,080
agents and districts and newspapers

503
00:25:57,409 --> 00:25:54,000
and then this one guy

504
00:26:00,230 --> 00:25:57,419
starts kind of back pedaling

505
00:26:03,830 --> 00:26:00,240
who it's on record he was being

506
00:26:03,840 --> 00:26:11,649
foreign

507
00:26:15,610 --> 00:26:13,970
midgets I don't know why they say

508
00:26:18,529 --> 00:26:15,620
midgets

509
00:26:20,149 --> 00:26:18,539
had parachuted safely to the Badlands of

510
00:26:23,090 --> 00:26:20,159
the Southwest but have made themselves

511
00:26:24,730 --> 00:26:23,100
invisible when pursued by

512
00:26:27,230 --> 00:26:24,740
uh gay bar

513
00:26:29,570 --> 00:26:27,240

Davies insisted that the saucers had

514

00:26:34,730 --> 00:26:29,580

come from Venus at a speed of a hundred

515

00:26:40,370 --> 00:26:36,950

uh

516

00:26:42,529 --> 00:26:40,380

I would have no way to check that

517

00:26:43,789 --> 00:26:42,539

but you know

518

00:26:47,690 --> 00:26:43,799

if it's going to come here it's going to

519

00:26:52,549 --> 00:26:49,850

so here we go we're back to the alleged

520

00:26:54,230 --> 00:26:52,559

laboratory near Phoenix

521

00:26:55,430 --> 00:26:54,240

before entering the place he was asked

522

00:26:57,529 --> 00:26:55,440

to destroy and put on a special

523

00:26:59,570 --> 00:26:57,539

one-piece suit despite these precautions

524

00:27:02,029 --> 00:26:59,580

the investigators patiently heard a

525

00:27:04,250 --> 00:27:02,039

warning Bell sounded as he entered

526

00:27:04,250 --> 00:27:07,310

because of the plate in his head

527

00:27:11,450 --> 00:27:09,289

so we're almost there in the course of

528

00:27:13,669 --> 00:27:11,460

the bizarre inquiry whose subject so

529

00:27:20,810 --> 00:27:13,679

soon was to be presented straight

530

00:27:26,450 --> 00:27:24,470

whose Hollywood drawers bring him in uh

531

00:27:30,049 --> 00:27:26,460

contact with members of the lake so

532

00:27:34,430 --> 00:27:30,059

Lakeside club which would be

533

00:27:38,529 --> 00:27:36,830

and they tracked down a report that one

534

00:27:42,049 --> 00:27:38,539

of the little men had been sent to

535

00:27:44,450 --> 00:27:42,059

Chicago's Rosenwald Institute

536

00:27:51,769 --> 00:27:44,460

the directors of the famed Rosenwald

537

00:27:56,029 --> 00:27:53,870

um I have a pretty interesting thing

538

00:27:57,470 --> 00:27:56,039

about that coming up so stay stay with

539

00:27:59,210 --> 00:27:57,480

me

540

00:28:04,610 --> 00:27:59,220

um and again if you're not familiar with

541

00:28:09,169 --> 00:28:07,250

Julius Rosenwald Rosenwald schools it's

542

00:28:11,269 --> 00:28:09,179

a very famous thing

543

00:28:13,490 --> 00:28:11,279

you know first of all why would you

544

00:28:16,190 --> 00:28:13,500

choose Rosenwald out of

545

00:28:18,590 --> 00:28:16,200

all the places you could that are even

546

00:28:20,750 --> 00:28:18,600

close to you or if you know Lake Los

547

00:28:24,350 --> 00:28:20,760

Angeles or New York or what you pick the

548

00:28:26,149 --> 00:28:24,360

Rosenwald Institute in Chicago okay

549

00:28:27,710 --> 00:28:26,159

um after six months of costly work which

550

00:28:30,169 --> 00:28:27,720

thoroughly immobilized officers and

551
00:28:30,179 --> 00:28:33,590
so here we go

552
00:28:38,870 --> 00:28:36,169
in the same paragraph

553
00:28:41,090 --> 00:28:38,880
they're saying

554
00:28:44,330 --> 00:28:41,100
it was a waste of time

555
00:28:47,510 --> 00:28:44,340
but they're also saying

556
00:28:50,330 --> 00:28:47,520
it must be true

557
00:28:51,710 --> 00:28:50,340
because who's but why would you like

558
00:28:54,350 --> 00:28:51,720
let's say if they just knew it was

559
00:28:57,950 --> 00:28:54,360
garbage right and they don't know if

560
00:29:00,649 --> 00:28:57,960
saucers or aliens no idea

561
00:29:02,690 --> 00:29:00,659
why would you spend six months

562
00:29:04,610 --> 00:29:02,700
tracking down all these different people

563
00:29:06,110 --> 00:29:04,620

they went to track down each people

564

00:29:08,029 --> 00:29:06,120

person that we've been talking about

565

00:29:11,570 --> 00:29:08,039

they went to find them and get their

566

00:29:16,669 --> 00:29:11,580

individual testimony which they all were

567

00:29:16,679 --> 00:29:19,610

you know

568

00:29:30,850 --> 00:29:24,169

so

569

00:29:33,649 --> 00:29:30,860

of thing has no relevance

570

00:29:36,230 --> 00:29:33,659

and then here we go tomorrow this is

571

00:29:38,990 --> 00:29:36,240

just great more saucer hoaxes and

572

00:29:43,269 --> 00:29:39,000

misconceptions that have been run to the

573

00:29:48,769 --> 00:29:45,950

basically you're saying these government

574

00:29:51,710 --> 00:29:48,779

agents are just going around

575

00:29:53,930 --> 00:29:51,720

chasing alien stories for no reason

576

00:29:55,909 --> 00:29:53,940

you know because it's easy if if you

577

00:29:58,370 --> 00:29:55,919

don't know of one and you're not really

578

00:30:00,110 --> 00:29:58,380

into that thing you hear something like

579

00:30:01,669 --> 00:30:00,120

them you go all that whatever

580

00:30:03,049 --> 00:30:01,679

you know whatever they're talking about

581

00:30:05,330 --> 00:30:03,059

who cares it's

582

00:30:07,850 --> 00:30:05,340

everybody knows it's fake I'll call the

583

00:30:10,970 --> 00:30:07,860

journalist no they go there with

584

00:30:13,669 --> 00:30:10,980

documents to the journalist and try to

585

00:30:18,049 --> 00:30:13,679

prove that it's all crap on top of

586

00:30:25,490 --> 00:30:20,350

interesting

587

00:30:30,289 --> 00:30:27,230

we're actually doing pretty good and I'm

588

00:30:32,149 --> 00:30:30,299

sure I've you know didn't you know I'm

589

00:30:34,370 --> 00:30:32,159

not getting into like the witnesses

590

00:30:35,870 --> 00:30:34,380

either anything

591

00:30:37,549 --> 00:30:35,880

I'm just letting you know what I found

592

00:30:40,070 --> 00:30:37,559

what I think of it and how it comes

593

00:30:44,330 --> 00:30:41,750

yeah they did

594

00:30:46,549 --> 00:30:44,340

I mean it makes a great point

595

00:30:50,090 --> 00:30:46,559

tons

596

00:30:53,330 --> 00:30:50,100

and that's just crashes sightings

597

00:30:59,330 --> 00:30:56,090

so and they even had like a little score

598

00:31:01,730 --> 00:30:59,340

system for their Witnesses

599

00:31:04,490 --> 00:31:01,740

you know that was in code like if it

600

00:31:07,310 --> 00:31:04,500

says R3 or F6 that means it's probably

601
00:31:11,930 --> 00:31:07,320
true if it's you know this other one

602
00:31:16,130 --> 00:31:13,669
why do they do that why are they why

603
00:31:18,169 --> 00:31:16,140
would they put something fake on there

604
00:31:20,509 --> 00:31:18,179
to say they're probably telling the

605
00:31:22,730 --> 00:31:20,519
truth about his thoughts or if they

606
00:31:25,850 --> 00:31:22,740
don't believe in this stuff

607
00:31:29,870 --> 00:31:25,860
and they think it's just ridiculous you

608
00:31:32,990 --> 00:31:31,430
so

609
00:31:35,389 --> 00:31:33,000
now

610
00:31:38,330 --> 00:31:35,399
I'm gonna get to a couple things

611
00:31:40,850 --> 00:31:38,340
that are pretty interesting

612
00:31:43,549 --> 00:31:40,860
first is

613
00:31:52,789 --> 00:31:43,559

the

614

00:31:54,950 --> 00:31:52,799

Roosevelt and I I shouldn't even do that

615

00:31:57,529 --> 00:31:54,960

but I mean I don't I don't know the

616

00:31:59,269 --> 00:31:57,539

house to do it I haven't seen them

617

00:32:02,630 --> 00:31:59,279

I haven't been there

618

00:32:11,690 --> 00:32:02,640

I don't know I'm just reading things

619

00:32:11,700 --> 00:32:14,690

so

620

00:32:22,669 --> 00:32:16,190

I'll tell you I think this is

621

00:32:22,679 --> 00:32:29,330

so this is interesting nowhere on here

622

00:32:32,930 --> 00:32:31,370

do you see you're you know you're

623

00:32:35,090 --> 00:32:32,940

thinking Rosenwald that you just said

624

00:32:37,610 --> 00:32:35,100

that was Chicago Chicago's not mentioned

625

00:32:39,590 --> 00:32:37,620

on here at all right

626
00:32:41,930 --> 00:32:39,600
right

627
00:32:46,130 --> 00:32:41,940
but this was in

628
00:32:47,630 --> 00:32:46,140
Illinois OSI districts folders

629
00:32:55,509 --> 00:32:47,640
this wasn't in

630
00:32:58,430 --> 00:32:55,519
Illinois

631
00:33:00,529 --> 00:32:58,440
OSI districts

632
00:33:03,529 --> 00:33:00,539
folder

633
00:33:06,529 --> 00:33:03,539
the only thing that Illinois that you

634
00:33:08,870 --> 00:33:06,539
can trace to this story is the Rosenwald

635
00:33:12,110 --> 00:33:08,880
Foundation where bodies apparently went

636
00:33:18,590 --> 00:33:14,870
that's quite a coincidence

637
00:33:20,450 --> 00:33:18,600
and then here we are with the story

638
00:33:24,289 --> 00:33:20,460

at the top you see purchase offer for

639

00:33:30,350 --> 00:33:24,299

flying saucer photographs McLaughlin

640

00:33:33,830 --> 00:33:31,970

a subject advise you've been offered

641

00:33:36,110 --> 00:33:33,840

1500 for photographs taken of the flank

642

00:33:38,090 --> 00:33:36,120

saucer by an individual named Klein from

643

00:33:40,669 --> 00:33:38,100

The Baltimore Sun

644

00:33:42,529 --> 00:33:40,679

now there's a rake client that was a CIA

645

00:33:45,470 --> 00:33:42,539

director but that wasn't a way later I

646

00:33:50,210 --> 00:33:47,630

subject later denied incident claiming

647

00:33:52,370 --> 00:33:50,220

intoxication

648

00:33:54,649 --> 00:33:52,380

no no no no it didn't happen I was drunk

649

00:33:57,889 --> 00:33:54,659

I was just drunk well who's just drunk

650

00:33:59,389 --> 00:33:57,899

making up a reporter wants to buy her

651
00:34:07,190 --> 00:33:59,399
photographs about something that didn't

652
00:34:13,129 --> 00:34:11,030
so the information dated October 6 1950

653
00:34:15,589 --> 00:34:13,139
ah thanks Robert

654
00:34:17,450 --> 00:34:15,599
if Robert says that about this story me

655
00:34:21,470 --> 00:34:17,460
talking about it that's awesome that's

656
00:34:24,530 --> 00:34:23,329
um so anyways The Fifth Army regional

657
00:34:26,569 --> 00:34:24,540
office

658
00:34:28,970 --> 00:34:26,579
the best part is at the end the best

659
00:34:32,089 --> 00:34:28,980
part proves it

660
00:34:34,849 --> 00:34:32,099
improves the whole thing honestly okay

661
00:34:36,889 --> 00:34:34,859
so he was interviewed by The Fifth Army

662
00:34:38,569 --> 00:34:36,899
regional office in Denver he then denied

663
00:34:40,730 --> 00:34:38,579

any knowledge of the Flying Saucer

664

00:34:43,849 --> 00:34:40,740

episode the regional office commented

665

00:34:46,609 --> 00:34:43,859

that in spite of his denials his manner

666

00:34:49,129 --> 00:34:46,619

indicated that he had some knowledge of

667

00:34:54,190 --> 00:34:49,139

the incident or may have taken pictures

668

00:34:59,569 --> 00:34:57,589

so when you're writing that

669

00:35:01,609 --> 00:34:59,579

you have put your

670

00:35:03,710 --> 00:35:01,619

you know pretend you're the person

671

00:35:06,349 --> 00:35:03,720

you're the writer you're the OSI writer

672

00:35:08,510 --> 00:35:06,359

for this or whatever or the agent and

673

00:35:13,430 --> 00:35:08,520

you know that this has happened

674

00:35:17,150 --> 00:35:15,109

if you don't know that it's happened

675

00:35:19,910 --> 00:35:17,160

what you think it may that is something

676
00:35:23,930 --> 00:35:21,250
if you

677
00:35:25,010 --> 00:35:23,940
absolutely don't think any of this is

678
00:35:30,770 --> 00:35:25,020
anything

679
00:35:35,390 --> 00:35:33,349
in spite of his denials his manner

680
00:35:37,790 --> 00:35:35,400
indicated that he had some knowledge of

681
00:35:45,109 --> 00:35:37,800
the incident or may have taken pictures

682
00:35:50,810 --> 00:35:48,589
there they think he's lying to them and

683
00:35:53,089 --> 00:35:50,820
that he did have knowledge of the

684
00:35:55,190 --> 00:35:53,099
incident and may have taken pictures of

685
00:35:57,710 --> 00:35:55,200
it

686
00:36:03,410 --> 00:35:57,720
so if that means they're lying to them

687
00:36:03,420 --> 00:36:14,150
you get where I'm going with this

688
00:36:19,310 --> 00:36:17,690

oh OG Skywatch bringing the attitude

689

00:36:23,930 --> 00:36:19,320

oh okay I don't put this show together

690

00:36:23,940 --> 00:36:34,370

okay here we go

691

00:36:34,380 --> 00:36:49,970

foreign

692

00:36:56,089 --> 00:36:53,750

and it's not folklore it's actually

693

00:36:58,849 --> 00:36:56,099

I mean I just proved to you how it's

694

00:37:00,349 --> 00:36:58,859

basically a true story

695

00:37:02,450 --> 00:37:00,359

his appearance did not give the

696

00:37:05,930 --> 00:37:02,460

impression of one who is either mentally

697

00:37:08,150 --> 00:37:05,940

unbalanced or was seeking attention

698

00:37:12,710 --> 00:37:08,160

he stuck persistently to a story of

699

00:37:17,450 --> 00:37:15,829

so he reached out to them

700

00:37:19,849 --> 00:37:17,460

then says I was drunk and made the whole

701
00:37:21,829 --> 00:37:19,859
thing up and they'd think he's lying to

702
00:37:24,010 --> 00:37:21,839
him and that he does know of the

703
00:37:30,349 --> 00:37:24,020
incident in his photos

704
00:37:35,270 --> 00:37:32,210
well

705
00:37:39,170 --> 00:37:35,280
doesn't make any sense

706
00:37:39,180 --> 00:37:43,490
the kicker

707
00:37:48,170 --> 00:37:45,349
um actually yeah that's a good idea

708
00:37:53,089 --> 00:37:48,180
Megan maybe we could bring Robert in and

709
00:37:54,829 --> 00:37:53,099
he could go over the last two documents

710
00:37:56,030 --> 00:37:54,839
that I want to show that are really

711
00:38:03,530 --> 00:37:56,040
interesting

712
00:38:03,540 --> 00:38:07,750
yeah that's true data

713
00:38:07,760 --> 00:38:12,980

good point good point

714

00:38:12,990 --> 00:38:17,210

[Music]

715

00:38:23,050 --> 00:38:19,250

well that means a lot man

716

00:38:28,069 --> 00:38:26,810

so now I'm going to show you a couple

717

00:38:32,530 --> 00:38:28,079

um

718

00:38:36,890 --> 00:38:32,540

that

719

00:38:42,829 --> 00:38:40,370

four years

720

00:38:46,310 --> 00:38:42,839

poor wait no two years actually after

721

00:38:46,320 --> 00:38:57,770

and this is really interesting

722

00:39:02,450 --> 00:38:59,990

I'm not sure if that's the right one

723

00:39:09,790 --> 00:39:02,460

actually that's one of them but

724

00:39:15,970 --> 00:39:13,730

and I just want to get it right

725

00:39:19,910 --> 00:39:15,980

so this is a

726

00:39:23,150 --> 00:39:19,920

insane story and the details are

727

00:39:25,069 --> 00:39:23,160

consistent throughout as far as we got

728

00:39:26,630 --> 00:39:25,079

Venus in there

729

00:39:27,950 --> 00:39:26,640

the numbers of

730

00:39:33,650 --> 00:39:27,960

things

731

00:39:37,250 --> 00:39:33,660

aliens 16 16 15 give or take

732

00:39:41,510 --> 00:39:39,290

okay yeah I can just use that document

733

00:39:45,109 --> 00:39:41,520

that's pretty good

734

00:39:49,430 --> 00:39:47,329

you know if you want to you know I'm

735

00:39:51,530 --> 00:39:49,440

using documents because it's the only

736

00:39:53,750 --> 00:39:51,540

thing that's not messy you know

737

00:39:55,609 --> 00:39:53,760

everything else is so messy people want

738

00:39:57,230 --> 00:39:55,619

you to kind of go along with their

739

00:40:01,790 --> 00:39:57,240

narrative whether it's thinking they're

740

00:40:04,430 --> 00:40:01,800

drones or that it's not real or that

741

00:40:07,370 --> 00:40:04,440

you know everybody's just hallucinating

742

00:40:09,470 --> 00:40:07,380

or whatever the story may be but if you

743

00:40:11,630 --> 00:40:09,480

know that's kind of why I like Greenwald

744

00:40:12,770 --> 00:40:11,640

and black fault because he uses this

745

00:40:16,430 --> 00:40:12,780

stuff

746

00:40:20,329 --> 00:40:18,109

written and made by the government

747

00:40:22,970 --> 00:40:20,339

against them

748

00:40:24,770 --> 00:40:22,980

and I'm sorry but the amount of these

749

00:40:28,490 --> 00:40:24,780

documents

750

00:40:30,100 --> 00:40:28,500

and the amount of people involved

751
00:40:33,349 --> 00:40:30,110
it's not made up

752
00:40:34,670 --> 00:40:33,359
[Music]

753
00:40:37,130 --> 00:40:34,680
it's

754
00:40:39,829 --> 00:40:37,140
I mean you would have to

755
00:40:41,870 --> 00:40:39,839
it's just ridiculous so

756
00:40:44,690 --> 00:40:41,880
um but it's also very interesting is you

757
00:40:48,109 --> 00:40:44,700
see some key players in this UFO

758
00:40:49,609 --> 00:40:48,119
Community who purposely stay away from

759
00:40:52,730 --> 00:40:49,619
the history of it

760
00:40:55,130 --> 00:40:52,740
who purposely degraded these papers in

761
00:40:57,950 --> 00:40:55,140
history of it and won't look

762
00:41:00,890 --> 00:40:57,960
at these documents or write about them

763
00:41:04,849 --> 00:41:00,900

on their website that's supposed to be

764

00:41:10,190 --> 00:41:07,970

you know this is proof

765

00:41:12,050 --> 00:41:10,200

that we that it's been covered up and

766

00:41:15,290 --> 00:41:12,060

we've been lied to

767

00:41:17,690 --> 00:41:15,300

and it's actual proof

768

00:41:19,910 --> 00:41:17,700

I mean if you can tell me that you knew

769

00:41:22,010 --> 00:41:19,920

about every one of those military cop

770

00:41:24,890 --> 00:41:22,020

civilian employee cases that I have my

771

00:41:27,050 --> 00:41:24,900

website which is 70 about to go to 150

772

00:41:29,210 --> 00:41:27,060

pretty soon

773

00:41:30,950 --> 00:41:29,220

if you knew about all those

774

00:41:33,050 --> 00:41:30,960

and the government told you about all of

775

00:41:37,010 --> 00:41:33,060

them and it you know I wouldn't have

776

00:41:37,020 --> 00:41:42,910

they haven't at all

777

00:41:51,530 --> 00:41:47,030

I'm an experienter too man

778

00:41:55,609 --> 00:41:53,329

but you know the way I know how to

779

00:41:59,210 --> 00:41:55,619

figure out that something is going on to

780

00:42:01,970 --> 00:41:59,220

then try to get or push people to reveal

781

00:42:05,030 --> 00:42:01,980

what is happening with the uavs is this

782

00:42:09,170 --> 00:42:07,130

because if they know the whole history

783

00:42:11,990 --> 00:42:09,180

of this and they've been outed with it

784

00:42:13,670 --> 00:42:12,000

you know you can't hide it any money you

785

00:42:18,349 --> 00:42:13,680

can't hide that anymore it's like okay

786

00:42:26,150 --> 00:42:20,930

you know

787

00:42:28,970 --> 00:42:26,160

about it too everyone's pushing your

788

00:42:34,609 --> 00:42:28,980

attention to now in the last three years

789

00:42:39,650 --> 00:42:37,670

it's because they don't want people to

790

00:42:43,849 --> 00:42:39,660

dig to see

791

00:42:45,829 --> 00:42:43,859

and unraveled the whole mystery here

792

00:42:48,530 --> 00:42:45,839

in the amount

793

00:42:50,870 --> 00:42:48,540

of lying that's been done

794

00:42:53,329 --> 00:42:50,880

they want you to just focus on the now

795

00:42:56,930 --> 00:42:53,339

and say aren't you happy

796

00:43:04,490 --> 00:43:01,069

but we're not giving you any evidence

797

00:43:08,270 --> 00:43:06,050

yeah

798

00:43:11,569 --> 00:43:08,280

this thing started with the New York

799

00:43:17,210 --> 00:43:11,579

Times in 2017 right in the Navy videos

800

00:43:22,670 --> 00:43:20,150

and you know it's been

801

00:43:24,530 --> 00:43:22,680

assumed and pushed on us that

802

00:43:26,270 --> 00:43:24,540

you know disclosures coming the

803

00:43:28,430 --> 00:43:26,280

government can't hide it anymore there's

804

00:43:29,809 --> 00:43:28,440

no choice well it's already been four

805

00:43:33,170 --> 00:43:29,819

years

806

00:43:40,550 --> 00:43:35,450

and we still get the same thing said to

807

00:43:45,170 --> 00:43:43,609

and it's always you know things are in

808

00:43:47,569 --> 00:43:45,180

motion things are happening just wait

809

00:43:50,329 --> 00:43:47,579

it's happening

810

00:43:52,609 --> 00:43:50,339

you know but then the next day they go

811

00:43:54,530 --> 00:43:52,619

if if you know you're just here for

812

00:43:56,329 --> 00:43:54,540

disclosure right now just you know you

813

00:43:59,270 --> 00:43:56,339

better go do something else and come

814

00:44:02,150 --> 00:43:59,280

back in three to five years

815

00:44:04,730 --> 00:44:02,160

do you realize what that means

816

00:44:06,650 --> 00:44:04,740

five years that'd be ten years since

817

00:44:12,710 --> 00:44:06,660

everything started and we have no

818

00:44:16,370 --> 00:44:14,569

and maybe you want to wait that long and

819

00:44:19,010 --> 00:44:16,380

be patient but

820

00:44:19,020 --> 00:44:23,990

you know and maybe we have no choice

821

00:44:27,950 --> 00:44:26,089

but

822

00:44:29,630 --> 00:44:27,960

sometimes I just feel like I'm in this

823

00:44:31,190 --> 00:44:29,640

position for a reason I have these

824

00:44:35,089 --> 00:44:31,200

documents for a reason that nobody else

825

00:44:40,130 --> 00:44:37,849

and I'm not so great that I found him I

826

00:44:42,470 --> 00:44:40,140

ran into him

827

00:44:45,410 --> 00:44:42,480

by Googling

828

00:44:49,430 --> 00:44:46,849

a lot of people knocked the Google

829

00:44:54,470 --> 00:44:49,440

researchers but guess what

830

00:44:54,480 --> 00:45:00,829

into 30 OSI districts

831

00:45:06,530 --> 00:45:04,010

to one of the biggest

832

00:45:11,329 --> 00:45:06,540

collections

833

00:45:15,650 --> 00:45:14,030

and I've been told this not I mean this

834

00:45:17,750 --> 00:45:15,660

wasn't my collection I found this

835

00:45:21,770 --> 00:45:17,760

collection

836

00:45:26,230 --> 00:45:21,780

is

837

00:45:31,069 --> 00:45:28,910

that changed since you know when you

838

00:45:32,930 --> 00:45:31,079

first got these years and years ago I

839

00:45:36,710 --> 00:45:32,940

think so

840

00:45:38,690 --> 00:45:36,720

you know for one you got David Marler

841

00:45:41,990 --> 00:45:38,700

and there's all you know a lot of other

842

00:45:48,890 --> 00:45:46,250

you know but since I landed on this

843

00:45:51,290 --> 00:45:48,900

I can't just sit here and waste it I

844

00:45:53,210 --> 00:45:51,300

tried to give these to other people with

845

00:45:54,650 --> 00:45:53,220

the bigger mouthpiece but they weren't

846

00:45:56,510 --> 00:45:54,660

interested and maybe that's because they

847

00:45:59,030 --> 00:45:56,520

didn't know me

848

00:46:00,230 --> 00:45:59,040

which could quite possibly be but they

849

00:46:03,109 --> 00:46:00,240

weren't

850

00:46:06,530 --> 00:46:03,119

and I even put these as is on my website

851
00:46:11,750 --> 00:46:09,050
it didn't really seem to hit a home with

852
00:46:14,329 --> 00:46:11,760
anyone so

853
00:46:16,010 --> 00:46:14,339
I'm just trying to get the military ones

854
00:46:17,990 --> 00:46:16,020
together and that seemed to work I got

855
00:46:19,690 --> 00:46:18,000
Russ coldhart's attention he retweeted

856
00:46:21,829 --> 00:46:19,700
it so now people know these exist

857
00:46:25,010 --> 00:46:21,839
researchers other people you can start

858
00:46:26,990 --> 00:46:25,020
putting patterns together

859
00:46:29,089 --> 00:46:27,000
you can start putting your spreadsheets

860
00:46:30,890 --> 00:46:29,099
together to say all the green ones are

861
00:46:32,809 --> 00:46:30,900
here or orange ones are there they

862
00:46:37,250 --> 00:46:32,819
always come at this time and in this way

863
00:46:39,170 --> 00:46:37,260

like this is that's why this is data

864

00:46:41,690 --> 00:46:39,180

and everybody is out there screaming for

865

00:46:45,890 --> 00:46:41,700

data but it's right here

866

00:46:51,770 --> 00:46:49,089

but it's real and it's data

867

00:46:55,130 --> 00:46:51,780

and you'll notice that the descriptors

868

00:46:58,069 --> 00:46:55,140

are the same ones used today 90 degree

869

00:47:03,950 --> 00:47:00,589

Hypersonic speeds

870

00:47:06,349 --> 00:47:03,960

quiet no sound

871

00:47:07,849 --> 00:47:06,359

it's fear

872

00:47:10,190 --> 00:47:07,859

you know whatever

873

00:47:12,410 --> 00:47:10,200

it's the same stuff

874

00:47:14,329 --> 00:47:12,420

so this data

875

00:47:16,790 --> 00:47:14,339

in essence

876
00:47:21,530 --> 00:47:16,800
could be used the same way

877
00:47:27,349 --> 00:47:25,430
because the similarities are so

878
00:47:30,650 --> 00:47:27,359
strong

879
00:47:38,030 --> 00:47:33,530
but

880
00:47:39,829 --> 00:47:38,040
I don't know

881
00:47:42,530 --> 00:47:39,839
one thing I know about this stuff is

882
00:47:44,270 --> 00:47:42,540
that there is a lot of misinformation a

883
00:47:46,609 --> 00:47:44,280
lot of people that are trying to shut

884
00:47:49,250 --> 00:47:46,619
other people up a lot of people that are

885
00:47:51,530 --> 00:47:49,260
trying to put lines and divide you know

886
00:47:53,030 --> 00:47:51,540
this guy from that guy or whatever

887
00:47:55,130 --> 00:47:53,040
I'm trying to put thoughts in your head

888
00:47:56,990 --> 00:47:55,140

about different things secret you know

889

00:47:59,150 --> 00:47:57,000

private messaging you trying to nudge

890

00:48:01,609 --> 00:47:59,160

you in different directions

891

00:48:04,309 --> 00:48:01,619

you know that's it that's happened to me

892

00:48:08,390 --> 00:48:04,319

and it's happening to other people

893

00:48:14,510 --> 00:48:10,790

and is wrong

894

00:48:18,170 --> 00:48:16,309

so what can we do let's go to the

895

00:48:22,730 --> 00:48:18,180

written word it's documented it's down

896

00:48:28,790 --> 00:48:24,470

anyways

897

00:48:32,450 --> 00:48:28,800

this is an awesome document

898

00:48:36,290 --> 00:48:33,890

approached him and wrote out 11

899

00:48:38,510 --> 00:48:36,300

questions for him wheeler to find the

900

00:48:39,770 --> 00:48:38,520

answers photo Stacks static copy of

901
00:48:42,349 --> 00:48:39,780
questions is attached to the

902
00:48:43,670 --> 00:48:42,359
correspondence as enclosure one Muncie

903
00:48:44,990 --> 00:48:43,680
suggested to Wheeler that the

904
00:48:46,910 --> 00:48:45,000
corresponding code concerning this

905
00:48:48,890 --> 00:48:46,920
matter and Wheeler admits helping once

906
00:48:51,049 --> 00:48:48,900
they write a code system which of course

907
00:48:52,910 --> 00:48:51,059
is a photo stack copy of attached to

908
00:48:54,710 --> 00:48:52,920
this letter enclosure to so that code

909
00:48:55,370 --> 00:48:54,720
system Robert

910
00:48:58,130 --> 00:48:55,380
um

911
00:49:01,609 --> 00:48:58,140
I know what that is

912
00:49:03,829 --> 00:49:01,619
I know what that's called I just I was

913
00:49:07,309 --> 00:49:03,839

just looked at that earlier today and

914

00:49:10,609 --> 00:49:07,319

was like oh I know what that is so if

915

00:49:12,230 --> 00:49:10,619

you need that I'll try to find that

916

00:49:14,870 --> 00:49:12,240

but I know what the code system is and

917

00:49:18,890 --> 00:49:14,880

that was a big part of this

918

00:49:22,630 --> 00:49:21,049

unless I just got reminded of that in

919

00:49:25,130 --> 00:49:22,640

your documentary

920

00:49:27,049 --> 00:49:25,140

who knows all right anyways according to

921

00:49:28,670 --> 00:49:27,059

Wheeler civilian employee at uh right

922

00:49:32,630 --> 00:49:28,680

pet air Development Center at the

923

00:49:35,930 --> 00:49:32,640

radiation laboratory identified only as

924

00:49:37,130 --> 00:49:35,940

link is a good friend of blank and is

925

00:49:39,670 --> 00:49:37,140

supposed to have supplied the

926

00:49:41,750 --> 00:49:39,680

information to like

927

00:49:46,809 --> 00:49:41,760

concerning the flying saucers being

928

00:49:53,390 --> 00:49:49,130

and the information concerning the

929

00:49:57,770 --> 00:49:53,400

bodies that were taken to the aeromed

930

00:50:04,010 --> 00:50:01,490

on the 13th of July 1952 wheeler typed a

931

00:50:05,930 --> 00:50:04,020

statement about a static copy of which

932

00:50:10,790 --> 00:50:05,940

is attached to this letter it's

933

00:50:16,250 --> 00:50:12,770

wait did you you read you read that

934

00:50:22,130 --> 00:50:18,349

civilian employee right air Development

935

00:50:24,470 --> 00:50:22,140

Center at the radiation Laboratory

936

00:50:26,510 --> 00:50:24,480

it's a good friend and is supposed to

937

00:50:28,730 --> 00:50:26,520

have supplied the information concerning

938

00:50:31,069 --> 00:50:28,740

Flags officers being disassembled at the

939

00:50:33,470 --> 00:50:31,079

radiation laboratory and the information

940

00:50:38,510 --> 00:50:33,480

concerning the bodies that were taken to

941

00:50:38,520 --> 00:50:44,710

foreign

942

00:50:48,650 --> 00:50:47,089

he wrote a complete report concerning

943

00:50:52,990 --> 00:50:48,660

the above caption matter and gave it to

944

00:50:59,170 --> 00:50:53,000

the report second Lieutenant George Jen

945

00:51:04,549 --> 00:51:01,490

jenizki is that right who is

946

00:51:07,970 --> 00:51:04,559

intelligence officer at Ed core Squadron

947

00:51:11,569 --> 00:51:07,980

um we'll give the report to the io

948

00:51:13,490 --> 00:51:11,579

he was instructed to listen to Ubuntu or

949

00:51:16,670 --> 00:51:13,500

anyone else who had knowledge of flying

950

00:51:20,030 --> 00:51:16,680

saucers and report back to him

951
00:51:23,270 --> 00:51:22,010
now this is kind of where it all comes

952
00:51:25,010 --> 00:51:23,280
together during the month of June

953
00:51:26,930 --> 00:51:25,020
wheeler claims he went to the base

954
00:51:29,270 --> 00:51:26,940
Liberty Selfridge Air Force Base and

955
00:51:32,030 --> 00:51:29,280
Drew a book entitled behind the flying

956
00:51:34,010 --> 00:51:32,040
saucers by Frank Scully this was the

957
00:51:36,770 --> 00:51:34,020
first suggest this was first suggested

958
00:51:38,750 --> 00:51:36,780
by Sergeant Bunce wheeler claims

959
00:51:40,430 --> 00:51:38,760
and after reading the book he found it

960
00:51:42,049 --> 00:51:40,440
contained the same information as

961
00:51:43,849 --> 00:51:42,059
related to him by Sergeant Bunce

962
00:51:44,930 --> 00:51:43,859
concerning the flying saucers with this

963
00:51:46,370 --> 00:51:44,940

exception

964

00:51:48,170 --> 00:51:46,380

so

965

00:51:50,390 --> 00:51:48,180

that book

966

00:51:53,870 --> 00:51:50,400

Aztec

967

00:51:55,609 --> 00:51:53,880

bodies saucers 16.

968

00:51:58,490 --> 00:51:55,619

all that stuff

969

00:52:05,329 --> 00:51:58,500

so he's saying that information is the

970

00:52:09,170 --> 00:52:07,010

that was related to him by Sergeant

971

00:52:12,470 --> 00:52:09,180

Bunce

972

00:52:14,809 --> 00:52:12,480

concerning the flying saucers

973

00:52:16,849 --> 00:52:14,819

with this exception

974

00:52:18,970 --> 00:52:16,859

there is no mention made

975

00:52:21,170 --> 00:52:18,980

of the flying sausage being

976
00:52:22,370 --> 00:52:21,180
disassembled at Rick Patterson Air Force

977
00:52:24,290 --> 00:52:22,380
Base

978
00:52:26,089 --> 00:52:24,300
and no mention about the bodies inside

979
00:52:32,829 --> 00:52:26,099
the sausage being taken to aeromed

980
00:52:38,630 --> 00:52:35,930
and so

981
00:52:40,430 --> 00:52:38,640
to me like if you go into this all makes

982
00:52:42,829 --> 00:52:40,440
sense mode

983
00:52:45,170 --> 00:52:42,839
you know a couple of them went to

984
00:52:49,670 --> 00:52:45,180
Rosenwald Foundation

985
00:53:04,430 --> 00:52:49,680
put on display where did the rest go

986
00:53:04,440 --> 00:53:07,430
so

987
00:53:12,230 --> 00:53:08,890
that's about it

988
00:53:17,030 --> 00:53:14,690

uh well they don't necessarily just put

989

00:53:18,770 --> 00:53:17,040

it out to the public pen tackle like uh

990

00:53:20,270 --> 00:53:18,780

it's still something that you have to

991

00:53:23,930 --> 00:53:20,280

like they have a system where they have

992

00:53:27,650 --> 00:53:23,940

to declassify uh documents in a certain

993

00:53:31,309 --> 00:53:27,660

amount of time you know what I mean

994

00:53:33,770 --> 00:53:31,319

um and a lot of these were Declassified

995

00:53:35,569 --> 00:53:33,780

but that doesn't mean they're on you

996

00:53:37,250 --> 00:53:35,579

know the the front page of their

997

00:53:41,089 --> 00:53:37,260

websites and you can just go grab them

998

00:53:44,049 --> 00:53:41,099

like try and search uh let's say the OSI

999

00:53:47,630 --> 00:53:44,059

website and see if you can find that

1000

00:53:49,549 --> 00:53:47,640

I don't think it will

1001
00:53:53,089 --> 00:53:49,559
it's very interesting

1002
00:53:57,290 --> 00:53:53,099
um

1003
00:54:02,089 --> 00:53:58,450
you know

1004
00:54:03,589 --> 00:54:02,099
this story has stuck in the bodies and

1005
00:54:06,190 --> 00:54:03,599
all that stuff

1006
00:54:11,990 --> 00:54:09,230
so much to it but if you just break it

1007
00:54:14,809 --> 00:54:12,000
down to even the last couple documents

1008
00:54:16,849 --> 00:54:14,819
that we went over

1009
00:54:19,849 --> 00:54:16,859
um

1010
00:54:22,250 --> 00:54:19,859
it's you know it's not easy for me to

1011
00:54:24,829 --> 00:54:22,260
say you know

1012
00:54:28,430 --> 00:54:24,839
it's it's not easy for me to just say I

1013
00:54:30,230 --> 00:54:28,440

think this actually happened you know um

1014

00:54:32,510 --> 00:54:30,240

um I've said this before but I'm not

1015

00:54:34,730 --> 00:54:32,520

that kind of person

1016

00:54:39,109 --> 00:54:37,430

I was to make fun of go shows and UFO

1017

00:54:40,849 --> 00:54:39,119

stuff guy

1018

00:54:43,430 --> 00:54:40,859

until I had my little experience

1019

00:54:45,349 --> 00:54:43,440

whatever it was

1020

00:54:47,510 --> 00:54:45,359

and even when I'm looking in these

1021

00:54:49,910 --> 00:54:47,520

documents and watching the you know the

1022

00:54:52,849 --> 00:54:49,920

the latest happenings on all this stuff

1023

00:54:55,150 --> 00:54:52,859

in UAP stuff and all the people involved

1024

00:54:58,849 --> 00:54:55,160

in it like you know Elizondo or whatever

1025

00:55:00,410 --> 00:54:58,859

and all the others Ross

1026
00:55:04,730 --> 00:55:00,420
you know

1027
00:55:06,950 --> 00:55:04,740
I still have a tendency to

1028
00:55:11,270 --> 00:55:06,960
think someone's screwing me somehow or

1029
00:55:17,930 --> 00:55:15,710
you know covering for crap or

1030
00:55:21,049 --> 00:55:17,940
you know put it on psyups or

1031
00:55:23,930 --> 00:55:21,059
misinformation campaigns

1032
00:55:29,030 --> 00:55:25,970
and maybe there is some truth to it

1033
00:55:31,849 --> 00:55:29,040
maybe it isn't

1034
00:55:36,650 --> 00:55:34,130
you know if you just don't pay attention

1035
00:55:38,390 --> 00:55:36,660
to what's being forced on you

1036
00:55:40,130 --> 00:55:38,400
and you go and try and find your own

1037
00:55:45,770 --> 00:55:40,140
truth in your own way

1038
00:55:45,780 --> 00:55:51,470

because it's not you know an accident

1039

00:55:56,690 --> 00:55:54,230

you know that certain people always mock

1040

00:55:58,670 --> 00:55:56,700

what you say and turn it into drones and

1041

00:56:03,230 --> 00:55:58,680

that other people

1042

00:56:07,670 --> 00:56:06,230

it's not an accident

1043

00:56:09,829 --> 00:56:07,680

you know you can if you just take

1044

00:56:12,349 --> 00:56:09,839

everyone's word for it like in your own

1045

00:56:14,210 --> 00:56:12,359

personal life

1046

00:56:15,770 --> 00:56:14,220

you know and you just trusted everyone

1047

00:56:19,250 --> 00:56:15,780

that came in front of you and said

1048

00:56:21,829 --> 00:56:19,260

things how would that turn out for you

1049

00:56:23,870 --> 00:56:21,839

I can say that I've I've tried before in

1050

00:56:26,270 --> 00:56:23,880

my life and I've gotten screwed many

1051
00:56:30,109 --> 00:56:28,549
by just putting my faith in in people

1052
00:56:32,150 --> 00:56:30,119
like that

1053
00:56:35,630 --> 00:56:32,160
and it's not like

1054
00:56:39,950 --> 00:56:38,030
but you've learned to not just give all

1055
00:56:42,230 --> 00:56:39,960
your trust to

1056
00:56:44,030 --> 00:56:42,240
to everyone you see

1057
00:56:45,410 --> 00:56:44,040
and that's based on your real life

1058
00:56:49,069 --> 00:56:45,420
experiences

1059
00:56:50,870 --> 00:56:49,079
so why would this stuff on you know TV

1060
00:56:56,089 --> 00:56:50,880
or social media

1061
00:56:56,099 --> 00:57:01,190
why would you just trust them

1062
00:57:01,200 --> 00:57:05,510
you know shouldn't they get the same

1063
00:57:08,870 --> 00:57:07,190

you know the same treatment that you

1064

00:57:12,109 --> 00:57:08,880

would give people that you've met in

1065

00:57:15,470 --> 00:57:13,789

that you now treat in a certain way

1066

00:57:17,809 --> 00:57:15,480

because you've been screwed in your real

1067

00:57:22,970 --> 00:57:17,819

life enough to know

1068

00:57:28,250 --> 00:57:25,370

I mean it's not fun it sucks

1069

00:57:29,930 --> 00:57:28,260

it really sucks

1070

00:57:33,710 --> 00:57:29,940

I lived a large part of my life being

1071

00:57:36,230 --> 00:57:33,720

very open and honest and vulnerable

1072

00:57:43,789 --> 00:57:36,240

and I've gotten beaten the up

1073

00:57:48,530 --> 00:57:46,190

and

1074

00:57:51,289 --> 00:57:48,540

you know if you think I'm not

1075

00:57:56,510 --> 00:57:51,299

going to be cautious

1076
00:58:01,370 --> 00:57:58,789
that are you know the faces of all this

1077
00:58:03,530 --> 00:58:01,380
stuff you're kidding me

1078
00:58:07,370 --> 00:58:03,540
find somebody who's not talking to you

1079
00:58:10,309 --> 00:58:07,380
that you respect and talk to them engage

1080
00:58:12,349 --> 00:58:10,319
you know do your own stuff

1081
00:58:14,030 --> 00:58:12,359
and then see where that leads you and

1082
00:58:17,630 --> 00:58:14,040
who that

1083
00:58:19,609 --> 00:58:17,640
brings you to what kind of people come

1084
00:58:24,770 --> 00:58:19,619
into your life because of the things you

1085
00:58:30,170 --> 00:58:26,510
that's how he'll find where you're

1086
00:58:34,430 --> 00:58:32,030
I mean there's no doubt that there was a

1087
00:58:36,650 --> 00:58:34,440
community that's been created since 2017

1088
00:58:38,569 --> 00:58:36,660

and a lot of that you could say if you

1089

00:58:41,150 --> 00:58:38,579

want to play pessimistic you could say

1090

00:58:42,829 --> 00:58:41,160

that that was done on purpose every one

1091

00:58:46,490 --> 00:58:42,839

of these shows has been visited by

1092

00:58:47,450 --> 00:58:46,500

somebody and all of a sudden became an

1093

00:58:52,190 --> 00:58:47,460

operable

1094

00:58:52,200 --> 00:58:55,730

and a community

1095

00:58:55,740 --> 00:59:03,589

foreign

1096

00:59:08,930 --> 00:59:05,870

people being visited no matter how many

1097

00:59:12,230 --> 00:59:08,940

people watch their show is that

1098

00:59:16,069 --> 00:59:12,240

is that by accident or is it done to

1099

00:59:18,710 --> 00:59:16,079

create something that didn't before

1100

00:59:21,530 --> 00:59:18,720

and maybe those intentions are pure and

1101
00:59:26,109 --> 00:59:21,540
great and maybe they are not

1102
00:59:29,690 --> 00:59:27,890
foreign

1103
00:59:30,770 --> 00:59:29,700
but I do know if this happened in my

1104
00:59:32,930 --> 00:59:30,780
real life

1105
00:59:35,390 --> 00:59:32,940
I would accept it

1106
00:59:40,430 --> 00:59:35,400
I would be thankful for it

1107
00:59:40,440 --> 00:59:44,690
you know

1108
00:59:50,510 --> 00:59:46,309
otherwise they'll just be taken

1109
00:59:56,210 --> 00:59:53,630
people use that vulnerability

1110
01:00:04,910 --> 00:59:56,220
and the kindness against you

1111
01:00:17,390 --> 01:00:07,849
and that's just the nature of mankind

1112
01:00:21,170 --> 01:00:19,190
you know

1113
01:00:23,270 --> 01:00:21,180

but everybody has their own way and

1114

01:00:25,670 --> 01:00:23,280

everybody can go do whatever they want

1115

01:00:28,549 --> 01:00:25,680

to do as long as it's true to who you

1116

01:00:30,589 --> 01:00:28,559

are don't do what I'm doing if it

1117

01:00:32,390 --> 01:00:30,599

doesn't feel right don't do what anyone

1118

01:00:36,589 --> 01:00:32,400

else is if it doesn't feel right do it

1119

01:00:40,069 --> 01:00:36,599

feels right in natural to you

1120

01:00:45,049 --> 01:00:42,470

even if that's the complete opposite of

1121

01:00:46,609 --> 01:00:45,059

what I'm doing or and you wind up hating

1122

01:00:50,390 --> 01:00:46,619

my guts for it

1123

01:00:52,970 --> 01:00:50,400

as long as you are you

1124

01:00:54,770 --> 01:00:52,980

you know

1125

01:00:57,890 --> 01:00:54,780

it's unreasonable to think that

1126

01:01:00,890 --> 01:00:57,900

everyone's gonna like each other

1127

01:01:04,430 --> 01:01:00,900

it's impossible

1128

01:01:07,309 --> 01:01:04,440

and that helps me you know be more true

1129

01:01:12,829 --> 01:01:07,319

to myself in knowing that

1130

01:01:19,970 --> 01:01:16,190

no so know that accept that

1131

01:01:22,069 --> 01:01:19,980

and then go do what you want to do

1132

01:01:24,650 --> 01:01:22,079

whatever it is even if it's leaving all

1133

01:01:26,690 --> 01:01:24,660

this stuff behind

1134

01:01:29,750 --> 01:01:26,700

maybe sometimes that's not a bad idea

1135

01:01:32,770 --> 01:01:29,760

maybe sometimes it's a good idea

1136

01:01:36,710 --> 01:01:32,780

because this kind of just sucks you in

1137

01:01:40,309 --> 01:01:36,720

and Rosie around like a ball and spits

1138

01:01:46,430 --> 01:01:42,470

and then you look at what's accomplished

1139

01:01:52,490 --> 01:01:48,829

that can drive a man crazy

1140

01:01:57,829 --> 01:01:55,730

you know so sometimes

1141

01:02:01,010 --> 01:01:57,839

maybe it's not a bad idea to go live

1142

01:02:04,789 --> 01:02:02,450

these things have been here since the

1143

01:02:10,010 --> 01:02:04,799

40s if you think they're going to take

1144

01:02:14,510 --> 01:02:11,690

I mean do I have proof of that of course

1145

01:02:20,150 --> 01:02:17,450

but you know

1146

01:02:23,089 --> 01:02:20,160

the thing I think is if the thing I

1147

01:02:24,650 --> 01:02:23,099

always mention is if this were some sort

1148

01:02:26,450 --> 01:02:24,660

of emergency

1149

01:02:29,150 --> 01:02:26,460

we wouldn't hear things like come back

1150

01:02:31,010 --> 01:02:29,160

in three and five years or you know well

1151
01:02:32,450 --> 01:02:31,020
we're taking our time with Congressional

1152
01:02:34,430 --> 01:02:32,460
hearings because you know there's

1153
01:02:36,529 --> 01:02:34,440
coronavirus and there might be a war or

1154
01:02:39,410 --> 01:02:36,539
something if this had any sort of

1155
01:02:41,329 --> 01:02:39,420
urgency or emergency it stuff would be

1156
01:02:43,010 --> 01:02:41,339
happening now we would see these in our

1157
01:02:45,170 --> 01:02:43,020
neighborhoods

1158
01:02:47,569 --> 01:02:45,180
Congress would be having hearings right

1159
01:02:54,410 --> 01:02:50,210
our militaries would be getting prepared

1160
01:02:58,190 --> 01:02:56,089
instead of always just pushing it back

1161
01:02:59,809 --> 01:02:58,200
be patient be patient then how serious

1162
01:03:08,990 --> 01:02:59,819
is it

1163
01:03:14,270 --> 01:03:12,109

if we can wait another five years so how

1164

01:03:17,930 --> 01:03:14,280

serious is this

1165

01:03:21,589 --> 01:03:17,940

it tends to me I mean I seem to think

1166

01:03:26,150 --> 01:03:24,170

and whoever can get it first

1167

01:03:28,849 --> 01:03:26,160

and hiding what you know about it from

1168

01:03:34,490 --> 01:03:32,630

until you have it down pat and can

1169

01:03:39,170 --> 01:03:34,500

deploy it

1170

01:03:44,089 --> 01:03:41,809

so maybe the timelines that were hinted

1171

01:03:47,809 --> 01:03:44,099

at are the timelines when that will be

1172

01:03:53,630 --> 01:03:51,289

yeah exactly that's a great point it's

1173

01:03:57,109 --> 01:03:53,640

so serious that they haven't told us a

1174

01:03:59,390 --> 01:03:57,119

damn thing for over 70 years

1175

01:04:01,789 --> 01:03:59,400

you know

1176

01:04:03,349 --> 01:04:01,799

why

1177

01:04:04,910 --> 01:04:03,359

probably because they haven't figured

1178

01:04:07,609 --> 01:04:04,920

out how to use it to their own benefit

1179

01:04:15,170 --> 01:04:09,829

they haven't figured out how to make a

1180

01:04:17,089 --> 01:04:15,180

perfect saucer or UFO themselves

1181

01:04:19,430 --> 01:04:17,099

and maybe when we're told to come back

1182

01:04:21,650 --> 01:04:19,440

in three to five years take a break

1183

01:04:26,569 --> 01:04:21,660

maybe that's one that they will have it

1184

01:04:32,569 --> 01:04:29,569

you know hey now we can tell you because

1185

01:04:37,190 --> 01:04:32,579

we're using it out there

1186

01:04:40,789 --> 01:04:38,990

you know I mean one thing about the

1187

01:04:43,069 --> 01:04:40,799

military and new and secret projects

1188

01:04:45,049 --> 01:04:43,079

that is for sure and I've done a lot of

1189

01:04:46,670 --> 01:04:45,059

research into those projects because to

1190

01:04:48,829 --> 01:04:46,680

know what something is you have to know

1191

01:04:53,270 --> 01:04:48,839

what it is not

1192

01:04:55,370 --> 01:04:53,280

researching all the different

1193

01:04:58,430 --> 01:04:55,380

possibilities

1194

01:05:00,950 --> 01:04:58,440

one of which is black projects

1195

01:05:02,630 --> 01:05:00,960

and one thing is for sure with how we

1196

01:05:05,690 --> 01:05:02,640

treat black projects

1197

01:05:08,690 --> 01:05:05,700

nobody knows anything

1198

01:05:14,450 --> 01:05:08,700

no matter what they have to do

1199

01:05:17,750 --> 01:05:16,370

it's just how it is

1200

01:05:19,069 --> 01:05:17,760

do you blame it for that of course not

1201

01:05:20,089 --> 01:05:19,079

because other people could steal it

1202

01:05:23,930 --> 01:05:20,099

whatever

1203

01:05:29,569 --> 01:05:27,410

so if the military planned on using this

1204

01:05:31,849 --> 01:05:29,579

kind of tech

1205

01:05:36,770 --> 01:05:31,859

we're not going to know about it

1206

01:05:42,049 --> 01:05:39,470

and until then you would expect a lot of

1207

01:05:43,609 --> 01:05:42,059

psychological warfare hiding things

1208

01:05:46,910 --> 01:05:43,619

making you think different things

1209

01:05:48,470 --> 01:05:46,920

putting you on wrong tracks

1210

01:05:50,029 --> 01:05:48,480

from different countries from our own

1211

01:05:53,450 --> 01:05:50,039

country

1212

01:05:58,910 --> 01:05:53,460

look into the church committee

1213

01:06:03,650 --> 01:06:01,130

that was a huge investigation by a one

1214

01:06:08,230 --> 01:06:03,660

Frank church about the CIA infiltrating

1215

01:06:15,349 --> 01:06:10,730

why do they do that

1216

01:06:17,210 --> 01:06:15,359

just uh just a watch

1217

01:06:21,430 --> 01:06:17,220

or test out different schools to see

1218

01:06:25,430 --> 01:06:23,150

no

1219

01:06:29,270 --> 01:06:25,440

it's called influence

1220

01:06:33,349 --> 01:06:29,280

recruitment findings buys

1221

01:06:33,359 --> 01:06:41,230

those documents have been read and exist

1222

01:06:48,410 --> 01:06:45,349

they talk about percentage of media that

1223

01:06:52,910 --> 01:06:48,420

they want to be a part of in other

1224

01:06:52,920 --> 01:06:59,990

was this a long time ago 56 whatever yes

1225

01:07:04,309 --> 01:07:02,750

but like if no one's holding their feet

1226

01:07:13,069 --> 01:07:04,319

to the fire about that stuff why

1227

01:07:13,079 --> 01:07:19,250

foreign

1228

01:07:19,260 --> 01:07:24,589

yeah the U.S sub crash in the China Sea

1229

01:07:28,250 --> 01:07:26,690

you know what's what's interesting to me

1230

01:07:31,910 --> 01:07:28,260

about that

1231

01:07:36,650 --> 01:07:31,920

is it didn't take very long at all

1232

01:07:40,490 --> 01:07:38,990

yeah and we're gonna do a part two with

1233

01:07:42,529 --> 01:07:40,500

Robert

1234

01:07:43,970 --> 01:07:42,539

for sure maybe tomorrow depending on his

1235

01:07:46,730 --> 01:07:43,980

schedule

1236

01:07:49,190 --> 01:07:46,740

yes we'll do part two to this

1237

01:07:53,029 --> 01:07:49,200

and you can kind of tie it up in a bow

1238

01:07:53,039 --> 01:07:55,430

um

1239

01:07:59,870 --> 01:07:58,309

but yeah the sorry mistake question all

1240

01:08:02,270 --> 01:07:59,880

right yeah so

1241

01:08:04,670 --> 01:08:02,280

um yeah what was interesting to me about

1242

01:08:08,690 --> 01:08:04,680

that is it didn't take very long at all

1243

01:08:11,150 --> 01:08:08,700

for someone to you know put into the

1244

01:08:16,610 --> 01:08:11,160

uh threads here on Twitter and UFO

1245

01:08:16,620 --> 01:08:22,669

and maybe it is I don't know I can't say

1246

01:08:26,090 --> 01:08:24,709

that again it goes into know what

1247

01:08:28,070 --> 01:08:26,100

something is you have to know what it is

1248

01:08:31,090 --> 01:08:28,080

not

1249

01:08:34,789 --> 01:08:31,100

no so what else could it be it could be

1250

01:08:36,410 --> 01:08:34,799

a blank torpedo

1251

01:08:38,689 --> 01:08:36,420

warning shot

1252

01:08:40,249 --> 01:08:38,699

by country perhaps who's really upset

1253

01:08:43,570 --> 01:08:40,259

with us because we have Marines in

1254

01:08:49,550 --> 01:08:47,450

and basically we're threatening them for

1255

01:08:51,590 --> 01:08:49,560

a very long time

1256

01:08:53,090 --> 01:08:51,600

before this president

1257

01:08:56,510 --> 01:08:53,100

you know right or wrong that's what

1258

01:09:00,970 --> 01:08:59,269

who could be upset that they are looking

1259

01:09:03,410 --> 01:09:00,980

pretty stupid for giving the world

1260

01:09:12,349 --> 01:09:03,420

something we're all dealing with

1261

01:09:15,169 --> 01:09:13,070

um

1262

01:09:16,849 --> 01:09:15,179

and then you can go to even more room

1263

01:09:18,950 --> 01:09:16,859

prosaic which is

1264

01:09:22,249 --> 01:09:18,960

we hit a mountain

1265

01:09:26,209 --> 01:09:22,259

with a sub a couple years ago by Guam

1266

01:09:32,749 --> 01:09:29,510

so to me it's like

1267

01:09:38,450 --> 01:09:35,269

look at like what's

1268

01:09:42,829 --> 01:09:40,550

and be able to cross them off the list

1269

01:09:44,630 --> 01:09:42,839

and if you can't like you can't move

1270

01:09:46,789 --> 01:09:44,640

forward on it you know

1271

01:09:48,050 --> 01:09:46,799

and as far as we're concerned

1272

01:09:50,570 --> 01:09:48,060

you know the one thing I'll say about

1273

01:09:52,130 --> 01:09:50,580

the comment that was put on the website

1274

01:09:54,530 --> 01:09:52,140

I think it was by the Navy on their

1275

01:09:57,290 --> 01:09:54,540

website about it was

1276

01:10:02,030 --> 01:10:00,169

I believe it was something along the

1277

01:10:04,370 --> 01:10:02,040

lines of how we worded it it's like

1278

01:10:06,229 --> 01:10:04,380

something hit them versus they hit it

1279

01:10:09,530 --> 01:10:06,239

you know

1280

01:10:11,510 --> 01:10:09,540

so that leads me to believe that

1281

01:10:15,530 --> 01:10:11,520

you know maybe there's a huge shark or

1282

01:10:17,330 --> 01:10:15,540

whale or blank torpedo or Uso

1283

01:10:20,209 --> 01:10:17,340

you know

1284

01:10:21,770 --> 01:10:20,219

it was worded as something hit it and

1285

01:10:25,370 --> 01:10:21,780

they didn't like go out there and run

1286

01:10:32,510 --> 01:10:25,380

into something you know so I'll say that

1287

01:10:39,709 --> 01:10:36,470

so uh if you guys have any questions

1288

01:10:41,750 --> 01:10:39,719

now's the Tam otherwise

1289

01:10:44,510 --> 01:10:41,760

I had a great time

1290

01:10:45,980 --> 01:10:44,520

missed you guys took some time off

1291

01:10:48,649 --> 01:10:45,990

obviously I did a lot of work

1292

01:10:53,050 --> 01:10:48,659

[Laughter]

1293

01:10:57,709 --> 01:10:56,270

yeah for sure it's a great idea well one

1294

01:10:59,810 --> 01:10:57,719

thing I haven't done a lot of research

1295

01:11:01,669 --> 01:10:59,820

in is in the Usos but what I'm really

1296

01:11:05,030 --> 01:11:01,679

desperately trying to do I'll be honest

1297

01:11:08,810 --> 01:11:05,040

with you is to get through all these uh

1298

01:11:10,790 --> 01:11:08,820

AFS AF OSI files

1299

01:11:13,310 --> 01:11:10,800

um

1300

01:11:16,310 --> 01:11:13,320

and like get the military ones out of

1301

01:11:19,910 --> 01:11:16,320

there put them on my website

1302

01:11:22,090 --> 01:11:19,920

and then put all you know just post the

1303

01:11:24,649 --> 01:11:22,100

whole District's worth on the website

1304

01:11:26,229 --> 01:11:24,659

and be done but I can't do that until I

1305

01:11:29,209 --> 01:11:26,239

know I've looked at every one right

1306

01:11:31,610 --> 01:11:29,219

until I know I've

1307

01:11:32,890 --> 01:11:31,620

okay I looked at all of them

1308

01:11:37,189 --> 01:11:32,900

there it is

1309

01:11:39,709 --> 01:11:37,199

you know until I do that I can't

1310

01:11:41,149 --> 01:11:39,719

without you know a heavy heart like move

1311

01:11:44,450 --> 01:11:41,159

on from this stuff

1312

01:11:47,330 --> 01:11:44,460

that's just not me that's not that nice

1313

01:11:48,350 --> 01:11:47,340

and Crossing to use you know

1314

01:11:52,610 --> 01:11:48,360

so

1315

01:11:55,370 --> 01:11:52,620

I have to do that first almost there

1316

01:11:57,770 --> 01:11:55,380

I got through New Mexico which was by

1317

01:12:00,169 --> 01:11:57,780

far the largest

1318

01:12:02,530 --> 01:12:00,179

as 730

1319

01:12:05,330 --> 01:12:02,540

some pages

1320

01:12:08,030 --> 01:12:05,340

the other you know the others that kind

1321

01:12:12,709 --> 01:12:08,040

of get close is

1322

01:12:15,229 --> 01:12:12,719

like 250 Pages or 300 which is

1323

01:12:15,239 --> 01:12:19,430

big ones are

1324

01:12:19,440 --> 01:12:23,450

Texas Texas is a big one

1325

01:12:29,450 --> 01:12:27,709

and then you got like New York DC

1326

01:12:32,450 --> 01:12:29,460

um there's even a Puerto Rico but

1327

01:12:34,570 --> 01:12:32,460

there's only there's only two in there

1328

01:12:37,970 --> 01:12:34,580

but then there's like a

1329

01:12:40,370 --> 01:12:37,980

Eastern OSI a western OSI those are

1330

01:12:43,130 --> 01:12:40,380

small but there's stuff in them

1331

01:12:44,990 --> 01:12:43,140

yeah yeah I mean great question wonder

1332

01:12:49,070 --> 01:12:45,000

why there's so much New Mexico is it

1333

01:12:54,110 --> 01:12:51,229

you know

1334

01:12:56,870 --> 01:12:54,120

that ain't the case

1335

01:12:58,310 --> 01:12:56,880

there's so much and then you know Robert

1336

01:13:00,649 --> 01:12:58,320

um

1337

01:13:02,450 --> 01:13:00,659

I'm just starting to read his stuff so I

1338

01:13:04,729 --> 01:13:02,460

forget his first name already but uh

1339

01:13:07,010 --> 01:13:04,739

Springfield so he's got books on you

1340

01:13:08,510 --> 01:13:07,020

know crashes and stuff from sources or

1341

01:13:10,790 --> 01:13:08,520

whatever

1342

01:13:14,149 --> 01:13:10,800

but you know as I put these documents up

1343

01:13:17,510 --> 01:13:14,159

there you can read books like that and

1344

01:13:19,490 --> 01:13:17,520

you know check those documents for

1345

01:13:23,570 --> 01:13:19,500

to see if you can get any Clarity on it

1346

01:13:26,030 --> 01:13:23,580

you know is there an instance on such

1347

01:13:28,669 --> 01:13:26,040

and such date that was mentioned in his

1348

01:13:33,169 --> 01:13:28,679

book you know they can find a government

1349

01:13:33,179 --> 01:13:40,310

so yeah

1350

01:13:44,090 --> 01:13:41,630

um

1351

01:13:45,770 --> 01:13:44,100

but yeah I would just you know

1352

01:13:47,810 --> 01:13:45,780

before I go let me just encourage you to

1353

01:13:50,810 --> 01:13:47,820

think for yourself no matter who it is

1354

01:13:52,790 --> 01:13:50,820

no matter how popular they are

1355

01:13:57,709 --> 01:13:52,800

no matter

1356

01:14:01,010 --> 01:13:57,719

you know they don't care this is

1357

01:14:03,470 --> 01:14:01,020

not about everybody first of all

1358

01:14:06,290 --> 01:14:03,480

but it reminds me of working in a big

1359

01:14:08,149 --> 01:14:06,300

corporate business right

1360

01:14:10,130 --> 01:14:08,159

and you're just trying to be nice to

1361

01:14:11,689 --> 01:14:10,140

your boss and you're just trying to do

1362

01:14:13,010 --> 01:14:11,699

the right thing and stay there so you

1363

01:14:14,810 --> 01:14:13,020

can keep your benefits and keep your

1364

01:14:17,510 --> 01:14:14,820

schedule and everything's good and you

1365

01:14:21,290 --> 01:14:17,520

compare Hospital right and you do that

1366

01:14:23,090 --> 01:14:21,300

for 20 years 25 years and maybe things

1367

01:14:25,729 --> 01:14:23,100

take a little turn your health gets bad

1368

01:14:26,810 --> 01:14:25,739

you have huge bills and then oh you know

1369

01:14:28,850 --> 01:14:26,820

what

1370

01:14:30,169 --> 01:14:28,860

companies going in a little change of a

1371

01:14:36,470 --> 01:14:30,179

Direction so

1372

01:14:41,330 --> 01:14:38,149

but you've done everything they asked

1373

01:14:45,709 --> 01:14:41,340

for decades what do you mean

1374

01:14:45,719 --> 01:14:49,910

and you're replaceable

1375

01:14:54,770 --> 01:14:52,189

it's sad

1376

01:14:56,570 --> 01:14:54,780

I've seen it happen

1377

01:14:58,370 --> 01:14:56,580

to my family

1378

01:15:03,430 --> 01:14:58,380

to me

1379

01:15:08,630 --> 01:15:06,290

you really have to do what you know is

1380

01:15:10,070 --> 01:15:08,640

best for you no matter what anybody

1381

01:15:11,630 --> 01:15:10,080

tells you

1382

01:15:13,130 --> 01:15:11,640

know if it's somebody you trust whether

1383

01:15:14,090 --> 01:15:13,140

it's you know parent or a best friend

1384

01:15:16,130 --> 01:15:14,100

sure

1385

01:15:18,649 --> 01:15:16,140

but I just mean

1386

01:15:21,229 --> 01:15:18,659

um people that try to take up space in

1387

01:15:21,239 --> 01:15:25,189

that you don't know very well

1388

01:15:29,750 --> 01:15:27,350

and that's just how it you know the

1389

01:15:32,630 --> 01:15:29,760

world is rough but as much evil as there

1390

01:15:35,570 --> 01:15:32,640

is I believe there's as much good

1391

01:15:38,570 --> 01:15:35,580

it's just harder to find it because the

1392

01:15:41,030 --> 01:15:38,580

evil really drapes itself

1393

01:15:43,790 --> 01:15:41,040

and tries to

1394

01:15:45,169 --> 01:15:43,800

over the light

1395

01:15:49,010 --> 01:15:45,179

you know

1396

01:15:50,930 --> 01:15:49,020

best we can do is find other light

1397

01:15:52,850 --> 01:15:50,940

come together and make it as bright as

1398

01:15:55,490 --> 01:15:52,860

possible

1399

01:15:58,729 --> 01:15:55,500

and we may have to

1400

01:16:01,370 --> 01:15:58,739

do a Twitter thing with somebody that's

1401

01:16:04,070 --> 01:16:01,380

constantly pushing

1402

01:16:06,590 --> 01:16:04,080

effed up stuff

1403

01:16:08,570 --> 01:16:06,600

you know and nobody will stand up to the

1404

01:16:10,790 --> 01:16:08,580

person maybe you have to do that

1405

01:16:14,030 --> 01:16:10,800

sometimes

1406

01:16:17,990 --> 01:16:16,130

it's just how it goes

1407

01:16:22,250 --> 01:16:18,000

and I'll always be the guy

1408

01:16:22,260 --> 01:16:26,990

not at all

1409

01:16:33,169 --> 01:16:28,970

I'm the guy to put everything on my back

1410

01:16:37,630 --> 01:16:35,330

if you guys got to jump on

1411

01:16:40,310 --> 01:16:37,640

let's do it

1412

01:16:42,770 --> 01:16:40,320

otherwise have some faith in yourself

1413

01:16:46,550 --> 01:16:42,780

uh find your own truth I see that

1414

01:16:49,669 --> 01:16:46,560

Charles I have not looked into that no

1415

01:16:52,790 --> 01:16:49,679

um I know it's a great Disney movie

1416

01:16:54,530 --> 01:16:52,800

no but I have not

1417

01:17:00,649 --> 01:16:54,540

um I will though if you think it's worth

1418

01:17:04,729 --> 01:17:02,750

definitely

1419

01:17:05,990 --> 01:17:04,739

all right all right you guys are the

1420

01:17:08,570 --> 01:17:06,000

best

1421

01:17:10,010 --> 01:17:08,580

um I'll see you tomorrow whatever we do

1422

01:17:12,590 --> 01:17:10,020

um

1423

01:17:16,970 --> 01:17:12,600

uh Robert hopefully

1424

01:17:20,450 --> 01:17:18,770

and you can also catch our first video

1425

01:17:22,250 --> 01:17:20,460

to see the the thing about our first

1426

01:17:23,930 --> 01:17:22,260

video we did is I didn't know about any

1427

01:17:26,270 --> 01:17:23,940

of this stuff then so I was just trying

1428

01:17:29,149 --> 01:17:26,280

my best to keep up with him but now that

1429

01:17:30,770 --> 01:17:29,159

I've put in a lot of you know time I may

1430

01:17:33,169 --> 01:17:30,780

not be able to keep up with them but at

1431

01:17:35,330 --> 01:17:33,179

least have my wits about me

1432

01:17:36,890 --> 01:17:35,340

so I would like to have them back to

1433

01:17:38,390 --> 01:17:36,900

talk about this and I can't wait for it

1434

01:17:40,729 --> 01:17:38,400

so

1435

01:17:42,290 --> 01:17:40,739

um that being said

1436

01:17:44,510 --> 01:17:42,300

um you know hold the love in your heart

1437

01:17:47,570 --> 01:17:44,520

and hold those close to you and that

1438

01:17:52,550 --> 01:17:48,649

um

1439

01:17:57,830 --> 01:17:55,669

hey thanks Guy you remember thank you

1440

01:18:00,470 --> 01:17:57,840

everybody by the way for being here

1441

01:18:02,570 --> 01:18:00,480

uh those of you that are members who are

1442

01:18:04,550 --> 01:18:02,580

not the member stuff

1443

01:18:05,990 --> 01:18:04,560

cool

1444

01:18:07,970 --> 01:18:06,000

um

1445

01:18:11,689 --> 01:18:07,980

but I love you just the same

1446

01:18:13,250 --> 01:18:11,699

just for being here you know and being

1447

01:18:14,990 --> 01:18:13,260

peaceful and believing in me and

1448

01:18:16,250 --> 01:18:15,000

listening and all that stuff that means

1449

01:18:17,810 --> 01:18:16,260

a lot

1450

01:18:21,050 --> 01:18:17,820

um the member stuff

1451

01:18:22,729 --> 01:18:21,060

helps I'm not rich I'm not rich at all

1452

01:18:25,850 --> 01:18:22,739

I have a company that's struggling

1453

01:18:28,010 --> 01:18:25,860

because it's coronavirus and I can only

1454

01:18:29,990 --> 01:18:28,020

do so much with it

1455

01:18:31,790 --> 01:18:30,000

so

1456

01:18:35,450 --> 01:18:31,800

you know help is appreciated but not

1457

01:18:35,460 --> 01:18:38,450

so

1458

01:18:42,590 --> 01:18:39,950

that being said yeah

1459

01:18:46,090 --> 01:18:42,600

um stay in love peace out guys

1460

01:18:48,229 --> 01:18:46,100

I'm going to I have a post on my website

1461

01:18:50,930 --> 01:18:48,239

witnesscitizen.com that's going live

1462

01:18:52,669 --> 01:18:50,940

it's scheduled to go live uh shortly

1463

01:18:54,649 --> 01:18:52,679

then I'll have everything we want over

1464

01:18:55,970 --> 01:18:54,659

here all the documents all the newspaper

1465

01:18:58,070 --> 01:18:55,980

clippings

1466

01:19:00,250 --> 01:18:58,080

um along with this video again so if you

1467

01:19:02,510 --> 01:19:00,260

want those go to the website

1468

01:19:05,030 --> 01:19:02,520

witnesscitizen.com those will be

1469

01:19:07,970 --> 01:19:05,040

available shortly and keep your eyes on

1470

01:19:11,030 --> 01:19:07,980

that website because there will be a

1471

01:19:15,530 --> 01:19:11,040

whole lot more encounters

1472

01:19:17,950 --> 01:19:15,540

that will be posted on there including

1473

01:19:21,950 --> 01:19:17,960

basically a written spreadsheet of about

1474

01:19:23,570 --> 01:19:21,960

150 Plus in New Mexico Alone

1475

01:19:26,149 --> 01:19:23,580

um that's really nice and organized by

1476

01:19:27,910 --> 01:19:26,159

Mr Dr lapaz or whoever worked for him at

1477

01:19:31,669 --> 01:19:27,920

the time so

1478

01:19:44,149 --> 01:19:31,679

all right and remember
