Skinwalkers at the Pentagon
has been reviewed by the

1
00:00:02,480 --> 00:00:06,710
i guess it means something

2
00:00:06,720 --> 00:00:11,910
that you get upset and start running

3
00:00:17,029 --> 00:00:14,950
i'll take your advice to the queens and

4
00:00:20,070 --> 00:00:17,039
i'll accidentally leave it there on

5
00:00:27,670 --> 00:00:24,390
i got ufos on my mind

6
00:00:32,790 --> 00:00:27,680
is it even raining on me so bright above

7
00:00:45,300 --> 00:00:40,950
[Music]

8
00:00:53,830 --> 00:00:45,310
is it even raining on me

9
00:01:03,110 --> 00:00:53,840
[Music]

10
00:01:12,550 --> 00:01:04,180
is

11
00:01:15,670 --> 00:01:12,560
[Music]

12
00:01:15,680 --> 00:01:21,650
i got a ufo that's on my mind

13
00:01:38,789 --> 00:01:36,550

[Music]

14

00:01:41,190 --> 00:01:38,799

it is a good day today

15

00:01:43,510 --> 00:01:41,200

i hope you feel the same

16

00:01:47,830 --> 00:01:43,520

um

17

00:01:51,910 --> 00:01:47,840

don't even know what freaking day it is

18

00:01:54,469 --> 00:01:51,920

it's wednesday the 13th sweet

19

00:01:56,750 --> 00:01:54,479

um

20

00:01:57,910 --> 00:01:56,760

yesterday was a doozy wasn't it

21

00:02:01,030 --> 00:01:57,920

[Music]

22

00:02:03,830 --> 00:02:02,789

um let me know if you can hear me all

23

00:02:06,870 --> 00:02:03,840

right and everything i'm trying

24

00:02:12,949 --> 00:02:10,469

but yeah so we have

25

00:02:14,150 --> 00:02:12,959

a pretty good

26
00:02:16,470 --> 00:02:14,160
we we're gonna have some pretty good

27
00:02:19,670 --> 00:02:16,480
stuff to cover today and i look forward

28
00:02:23,589 --> 00:02:19,680
to it i've definitely been on the whole

29
00:02:25,190 --> 00:02:23,599
document thing lately and

30
00:02:27,589 --> 00:02:25,200
um you know

31
00:02:29,190 --> 00:02:27,599
i can take a toll on it for sure

32
00:02:31,030 --> 00:02:29,200
and i like doing it

33
00:02:32,229 --> 00:02:31,040
but this came just like at the perfect

34
00:02:33,670 --> 00:02:32,239
time

35
00:02:38,550 --> 00:02:33,680
and i was kind of getting in the

36
00:02:40,229 --> 00:02:38,560
doldrums just a little bit um so

37
00:02:42,390 --> 00:02:40,239
you know and this really

38
00:02:44,790 --> 00:02:42,400

peppy up at first

39

00:02:46,150 --> 00:02:44,800

i don't know i always get caught up

40

00:02:47,750 --> 00:02:46,160

in my own head

41

00:02:49,350 --> 00:02:47,760

you know going back and forth with my

42

00:02:50,949 --> 00:02:49,360

thoughts what do i think and what do i

43

00:02:52,949 --> 00:02:50,959

don't think and all that kind of stuff

44

00:02:56,949 --> 00:02:52,959

and and at some point you know just

45

00:03:03,509 --> 00:02:59,430

just feel feel it off you know and stop

46

00:03:07,030 --> 00:03:03,519

thinking so much and you know what

47

00:03:08,790 --> 00:03:07,040

a lot of this is uh it's so revealing

48

00:03:10,149 --> 00:03:08,800

first of all and i haven't even read the

49

00:03:13,030 --> 00:03:10,159

book

50

00:03:16,630 --> 00:03:14,869

but in a good way

51

00:03:18,470 --> 00:03:16,640

you know in in a

52

00:03:21,509 --> 00:03:18,480

i think in a positive way

53

00:03:22,949 --> 00:03:21,519

and i'm really excited for george and

54

00:03:25,589 --> 00:03:22,959

um

55

00:03:27,589 --> 00:03:25,599

that lukaszki is coming out and colin

56

00:03:29,270 --> 00:03:27,599

mckellier

57

00:03:30,229 --> 00:03:29,280

you know is talking

58

00:03:31,589 --> 00:03:30,239

and

59

00:03:32,949 --> 00:03:31,599

we found out

60

00:03:34,789 --> 00:03:32,959

a lot of stuff

61

00:03:39,110 --> 00:03:34,799

but i'm not gonna blow it right now

62

00:03:41,110 --> 00:03:39,120

we will get to just about as much as i

63

00:03:42,869 --> 00:03:41,120

can cover i haven't done one of these in

64

00:03:45,830 --> 00:03:42,879

a while actually where i cover

65

00:03:49,990 --> 00:03:45,840

a different person's interview um but

66

00:03:53,990 --> 00:03:51,910

um first yeah let's let's give some

67

00:03:55,670 --> 00:03:54,000

shout outs hello

68

00:03:58,550 --> 00:03:55,680

megan what's up

69

00:04:00,630 --> 00:03:58,560

um laura

70

00:04:03,429 --> 00:04:00,640

jose allen potter

71

00:04:07,990 --> 00:04:03,439

excuse me a couple new people love it

72

00:04:10,190 --> 00:04:09,750

we got bass

73

00:04:11,270 --> 00:04:10,200

what up

74

00:04:15,509 --> 00:04:11,280

[Music]

75

00:04:19,909 --> 00:04:17,749

robert what's happening buddy

76

00:04:21,110 --> 00:04:19,919

awesome to see you as always

77

00:04:23,430 --> 00:04:21,120

um

78

00:04:27,990 --> 00:04:23,440

ghastly guinea pig

79

00:04:31,830 --> 00:04:29,189

awesome

80

00:04:33,670 --> 00:04:31,840

um who else we got in here don't want to

81

00:04:35,670 --> 00:04:33,680

miss anybody

82

00:04:38,469 --> 00:04:35,680

ex-uab what's happening

83

00:04:39,909 --> 00:04:38,479

uh yeah that is professor mcdonald for

84

00:04:43,110 --> 00:04:39,919

sure

85

00:04:46,150 --> 00:04:43,120

maybe a depressing avatar to have but um

86

00:04:48,870 --> 00:04:47,030

um

87

00:04:51,510 --> 00:04:48,880

i respect the hell out of that guy and

88

00:04:54,230 --> 00:04:51,520

everything that he's that he did

89

00:04:57,749 --> 00:04:54,240

i would love to actually get all up in

90

00:04:59,350 --> 00:04:57,759

his papers um at uh

91

00:05:01,590 --> 00:04:59,360

i think they're at the university of

92

00:05:03,670 --> 00:05:01,600

tucson perhaps i think they were like i

93

00:05:05,590 --> 00:05:03,680

mean a lot of them are some are online

94

00:05:08,070 --> 00:05:05,600

on like princeton's website and tucson's

95

00:05:09,909 --> 00:05:08,080

but um i would love to

96

00:05:13,029 --> 00:05:09,919

get my hands on them and go through all

97

00:05:17,430 --> 00:05:13,039

the other ones that would be great

98

00:05:21,990 --> 00:05:20,150

i completely miss this gold you are

99

00:05:27,670 --> 00:05:22,000

covering it sean

100

00:05:32,310 --> 00:05:29,670

i'm wearing my witness citizen t-shirt

101

00:05:35,430 --> 00:05:32,320

now and it is very comfortable and very

102

00:05:40,150 --> 00:05:37,510

link

103

00:05:41,510 --> 00:05:40,160

yeah i wanted to maybe design some more

104

00:05:43,749 --> 00:05:41,520

too but you know

105

00:05:45,749 --> 00:05:43,759

i only got so much time in the date i'm

106

00:05:47,749 --> 00:05:45,759

trying to do a lot

107

00:05:49,749 --> 00:05:47,759

um trisha what's up oh don't worry about

108

00:05:51,430 --> 00:05:49,759

it you can always rerun it if you want

109

00:05:54,070 --> 00:05:51,440

it's up to you

110

00:05:55,029 --> 00:05:54,080

um good thing is that so much stuff out

111

00:05:56,790 --> 00:05:55,039

there

112

00:05:58,230 --> 00:05:56,800

that

113

00:06:00,309 --> 00:05:58,240

you know

114

00:06:02,070 --> 00:06:00,319

you got a down day check it out

115

00:06:03,830 --> 00:06:02,080

otherwise we'll have something new the

116

00:06:07,749 --> 00:06:03,840

next day

117

00:06:10,870 --> 00:06:07,759

hello how are you um g nin

118

00:06:14,870 --> 00:06:10,880

did i screw that up i'm sorry

119

00:06:17,029 --> 00:06:14,880

spooky morales what's happening

120

00:06:18,830 --> 00:06:17,039

um love that you guys are here love it

121

00:06:21,749 --> 00:06:18,840

love all the new folks

122

00:06:23,830 --> 00:06:21,759

um new faces all that stuff all right so

123

00:06:24,629 --> 00:06:23,840

let's get to it

124

00:06:28,070 --> 00:06:24,639

the

125

00:06:30,870 --> 00:06:28,080

first thing here that we can

126

00:06:32,870 --> 00:06:30,880

um discuss is

127

00:06:35,029 --> 00:06:32,880

in the description of this video i put

128

00:06:37,350 --> 00:06:35,039

some links in there for you all to

129

00:06:39,350 --> 00:06:37,360

you know kind of uh catch up and and get

130

00:06:41,430 --> 00:06:39,360

on the same page if you weren't able to

131

00:06:43,830 --> 00:06:41,440

do that i'll try to

132

00:06:47,189 --> 00:06:43,840

you know be cognizant of that so to

133

00:06:51,749 --> 00:06:49,029

and you know just run you through it so

134

00:06:53,589 --> 00:06:51,759

yesterday um apparently this book was

135

00:06:55,350 --> 00:06:53,599

out since the 10th i heard i i don't

136

00:06:57,510 --> 00:06:55,360

know what the truth of that is but i've

137

00:06:58,309 --> 00:06:57,520

heard that um but yesterday was like the

138

00:07:02,790 --> 00:06:58,319

big

139

00:07:04,150 --> 00:07:02,800

reveal everybody knew um george did a

140

00:07:06,710 --> 00:07:04,160

um

141

00:07:08,390 --> 00:07:06,720

george did a interview george knep did

142

00:07:09,830 --> 00:07:08,400

on mysterywire wrote an article on all

143

00:07:12,150 --> 00:07:09,840

that stuff and as you can see he

144

00:07:15,589 --> 00:07:12,160

co-authored it uh with those two other

145

00:07:18,390 --> 00:07:15,599

uh fine folks and mr kellier also i

146

00:07:21,589 --> 00:07:18,400

believe was co-author of the hunt for

147

00:07:23,430 --> 00:07:21,599

skinwalker which is another book um mr

148

00:07:25,110 --> 00:07:23,440

neb did

149

00:07:27,430 --> 00:07:25,120

uh which

150

00:07:29,189 --> 00:07:27,440

you know i see skinwalkers so maybe it's

151
00:07:30,710 --> 00:07:29,199
kind of too much of an assumption that

152
00:07:32,950 --> 00:07:30,720
that would be a good prequel to this

153
00:07:38,070 --> 00:07:32,960
book first but

154
00:07:38,080 --> 00:07:43,110
oh thank you so much i appreciate it

155
00:07:48,790 --> 00:07:45,670
thanks for coming christian

156
00:07:51,830 --> 00:07:48,800
yeah um love the community filling off

157
00:07:54,150 --> 00:07:51,840
the live shows hell yeah hell yeah oh we

158
00:07:55,909 --> 00:07:54,160
got a book buyer already that's great

159
00:07:57,909 --> 00:07:55,919
um just make sure you tell everyone it's

160
00:07:59,780 --> 00:07:57,919
because you watched this show then maybe

161
00:08:03,110 --> 00:07:59,790
we can get mr george on the show

162
00:08:05,029 --> 00:08:03,120
[Laughter]

163
00:08:06,309 --> 00:08:05,039

yeah and you know what like people you

164

00:08:09,189 --> 00:08:06,319

know the funny part i don't want to get

165

00:08:11,670 --> 00:08:09,199

into the drama part i guess but um

166

00:08:13,430 --> 00:08:11,680

you know cause i i'm not perfect i have

167

00:08:15,350 --> 00:08:13,440

my own thoughts that i wrestle with but

168

00:08:17,990 --> 00:08:15,360

right away you know you notice people

169

00:08:22,469 --> 00:08:20,710

making fun of the design and um that

170

00:08:25,430 --> 00:08:22,479

kind of stuff and

171

00:08:28,070 --> 00:08:25,440

um you know to me it's a teach their own

172

00:08:30,390 --> 00:08:28,080

kind of thing it looks old school

173

00:08:32,630 --> 00:08:30,400

george is old school classy

174

00:08:33,589 --> 00:08:32,640

sophisticated and i think it represents

175

00:08:37,509 --> 00:08:33,599

that

176

00:08:40,630 --> 00:08:39,029

and

177

00:08:45,910 --> 00:08:40,640

i thought maybe

178

00:08:45,920 --> 00:08:50,630

we're going to i'm going to put up the

179

00:08:55,030 --> 00:08:52,150

you know reminds me when i was a kid and

180

00:08:56,870 --> 00:08:55,040

i had to take like a book test and

181

00:08:58,790 --> 00:08:56,880

first of all i would go straight to the

182

00:09:01,910 --> 00:08:58,800

nancy drews because those were the

183

00:09:01,920 --> 00:09:04,949

and then i'd read the back

184

00:09:08,550 --> 00:09:06,949

um so yeah

185

00:09:11,509 --> 00:09:08,560

so maybe we can do that

186

00:09:16,790 --> 00:09:14,790

hopefully dude's not pissed but i

187

00:09:19,350 --> 00:09:16,800

completely

188

00:09:22,710 --> 00:09:19,360

uh stole this

189

00:09:23,590 --> 00:09:22,720

from christopher walford

190

00:09:25,350 --> 00:09:23,600

who

191

00:09:26,790 --> 00:09:25,360

i think got the kindle version or

192

00:09:29,190 --> 00:09:26,800

whatever so

193

00:09:30,470 --> 00:09:29,200

you know it's a little blurry

194

00:09:33,190 --> 00:09:30,480

here we go

195

00:09:35,509 --> 00:09:33,200

skinwalkers at the pentagon unmasked

196

00:09:37,430 --> 00:09:35,519

the massive scope of the pentagon's

197

00:09:40,310 --> 00:09:37,440

landmark study

198

00:09:42,550 --> 00:09:40,320

ran from defense intelligence agency in

199

00:09:44,389 --> 00:09:42,560

washington dc and was

200

00:09:45,430 --> 00:09:44,399

executed by bigelow aerospace advanced

201
00:09:48,949 --> 00:09:45,440
space

202
00:09:52,150 --> 00:09:48,959
studies in las vegas nevada

203
00:09:54,389 --> 00:09:52,160
um the advanced aerospace weapon system

204
00:09:56,310 --> 00:09:54,399
applications program or asap as it was

205
00:09:58,150 --> 00:09:56,320
known investigated the tic tac and other

206
00:10:01,190 --> 00:09:58,160
nuts and bolts ufo events analyzed

207
00:10:03,750 --> 00:10:01,200
intrusions of ufos on u.s military bases

208
00:10:04,949 --> 00:10:03,760
as well as probe the plethora of bizarre

209
00:10:07,030 --> 00:10:04,959
phenomenon that the government

210
00:10:09,269 --> 00:10:07,040
investigators encountered on skinwalker

211
00:10:11,110 --> 00:10:09,279
ranch so maybe that first book would be

212
00:10:13,190 --> 00:10:11,120
a good prelude

213
00:10:15,110 --> 00:10:13,200

this often led to the attachment of

214

00:10:17,110 --> 00:10:15,120

strange phenomena to military personnel

215

00:10:19,430 --> 00:10:17,120

who visited the ranch

216

00:10:21,590 --> 00:10:19,440

and brought something home to their

217

00:10:25,110 --> 00:10:21,600

families resulting in frightening

218

00:10:26,870 --> 00:10:25,120

eruptions of paranormal events

219

00:10:30,829 --> 00:10:26,880

in their households that terrorized and

220

00:10:35,509 --> 00:10:33,910

that's sucks

221

00:10:36,870 --> 00:10:35,519

first of all so it's like you want to

222

00:10:39,509 --> 00:10:36,880

get excited about something but then you

223

00:10:41,750 --> 00:10:39,519

read that and you're like

224

00:10:43,910 --> 00:10:41,760

um skinwalker is it

225

00:10:46,069 --> 00:10:43,920

but it's real you know

226

00:10:46,949 --> 00:10:46,079

i'll take the truth and it is what it is

227

00:10:49,110 --> 00:10:46,959

so

228

00:10:51,030 --> 00:10:49,120

um

229

00:10:52,790 --> 00:10:51,040

skinwalkers at pentagon provides a full

230

00:10:54,710 --> 00:10:52,800

picture of the purview and the

231

00:10:56,389 --> 00:10:54,720

compliment accomplishments achieved by

232

00:10:58,230 --> 00:10:56,399

asset program

233

00:11:00,470 --> 00:10:58,240

you'll be amazed and thrilled and i hope

234

00:11:03,190 --> 00:11:00,480

that the interest in studying uaps and

235

00:11:05,750 --> 00:11:03,200

related phenomena will be increased and

236

00:11:09,269 --> 00:11:05,760

who is that that is mr majority leader

237

00:11:11,110 --> 00:11:09,279

harry reid who we were very um lucky to

238

00:11:11,710 --> 00:11:11,120

have on the show

239

00:11:13,829 --> 00:11:11,720

along with

240

00:11:15,350 --> 00:11:13,839

[Laughter]

241

00:11:18,230 --> 00:11:15,360

everything else that came with it but it

242

00:11:21,509 --> 00:11:18,240

wound up being great and super

243

00:11:31,430 --> 00:11:24,710

so

244

00:11:34,550 --> 00:11:31,440

i'll read it among them was a 149 page

245

00:11:37,829 --> 00:11:34,560

report on the soviet and now russian uap

246

00:11:39,750 --> 00:11:37,839

investigation analysis capability

247

00:11:43,750 --> 00:11:39,760

which i think is probably going to be

248

00:11:46,069 --> 00:11:43,760

pretty vast and complex just considering

249

00:11:49,110 --> 00:11:46,079

how long they've been studying you know

250

00:11:53,190 --> 00:11:49,120

psychokinesis and telepathy and all that

251

00:11:56,790 --> 00:11:54,790

i'm sure it was way before but i know

252

00:11:59,750 --> 00:11:56,800

it's at least since you know the 40s

253

00:12:01,590 --> 00:11:59,760

late 30s and it's probably before that

254

00:12:03,910 --> 00:12:01,600

too so that just kind of gives you an

255

00:12:06,629 --> 00:12:03,920

idea of their openness to take on

256

00:12:08,230 --> 00:12:06,639

subjects like this so i'm sure you know

257

00:12:10,710 --> 00:12:08,240

for better for worse they're pretty far

258

00:12:13,670 --> 00:12:10,720

along

259

00:12:18,790 --> 00:12:15,829

and details to design a build of a

260

00:12:22,470 --> 00:12:18,800

functional prototype for an autonomous

261

00:12:25,190 --> 00:12:22,480

uap surveillance platform

262

00:12:28,230 --> 00:12:25,200

so yeah

263

00:12:32,870 --> 00:12:30,790

not too shabby

264

00:12:35,269 --> 00:12:32,880

and i was thinking i could just go

265

00:12:38,629 --> 00:12:36,870

you know the interview a little bit just

266

00:12:40,150 --> 00:12:38,639

um with my thoughts because it was it

267

00:12:42,150 --> 00:12:40,160

was a great

268

00:12:44,870 --> 00:12:42,160

interview and for me personally i know a

269

00:12:45,829 --> 00:12:44,880

lot of people have been more um invested

270

00:12:52,949 --> 00:12:45,839

in

271

00:12:55,190 --> 00:12:52,959

has been

272

00:12:59,670 --> 00:12:55,200

um

273

00:13:03,030 --> 00:12:59,680

well so

274

00:13:05,030 --> 00:13:03,040

i did put his website on

275

00:13:06,949 --> 00:13:05,040

matthew

276

00:13:08,900 --> 00:13:06,959

megan just get along

277

00:13:12,629 --> 00:13:08,910

get along yo

278

00:13:14,870 --> 00:13:12,639

[Laughter]

279

00:13:16,949 --> 00:13:14,880

um okay so

280

00:13:19,110 --> 00:13:16,959

hopefully lukaszki doesn't mind that i

281

00:13:21,269 --> 00:13:19,120

picked this photo but you know

282

00:13:22,629 --> 00:13:21,279

is is what it is

283

00:13:25,190 --> 00:13:22,639

so here we

284

00:13:27,829 --> 00:13:25,200

we get mr lukewski so we'll go through

285

00:13:30,150 --> 00:13:27,839

his part first

286

00:13:34,310 --> 00:13:33,110

yeah so anyways i was saying she's a ufo

287

00:13:35,750 --> 00:13:34,320

drill and other people have been into

288

00:13:38,389 --> 00:13:35,760

this for a while that

289

00:13:40,389 --> 00:13:38,399

this story and these characters um this

290

00:13:41,750 --> 00:13:40,399

for me is the first time and maybe

291

00:13:44,949 --> 00:13:41,760

others i'm not sure the first time i've

292

00:13:46,710 --> 00:13:44,959

heard him speak um and really

293

00:13:48,710 --> 00:13:46,720

you know gave

294

00:13:50,870 --> 00:13:48,720

you know more than a few minutes

295

00:13:53,509 --> 00:13:50,880

thinking about dude

296

00:13:55,110 --> 00:13:53,519

um i know he's been mentioned plenty

297

00:13:56,629 --> 00:13:55,120

um but you know

298

00:13:58,790 --> 00:13:56,639

you just pick and choose what you have

299

00:14:00,629 --> 00:13:58,800

time for and what you want to get into

300

00:14:02,550 --> 00:14:00,639

so thankfully we have people like joe to

301

00:14:04,230 --> 00:14:02,560

document all that stuff i put his

302

00:14:07,430 --> 00:14:04,240

website in our description if you want

303

00:14:08,310 --> 00:14:07,440

to go to that he does a great job

304

00:14:11,350 --> 00:14:08,320

um

305

00:14:13,189 --> 00:14:11,360

you know putting this all in writing and

306

00:14:15,750 --> 00:14:13,199

saving it for historical context and

307

00:14:17,430 --> 00:14:15,760

everything so i would go there and check

308

00:14:19,990 --> 00:14:17,440

it out

309

00:14:26,870 --> 00:14:22,389

first of all they addressed the

310

00:14:29,750 --> 00:14:26,880

confusion with the ossep in eight tip

311

00:14:32,389 --> 00:14:29,760

um which i will admit there's been a lot

312

00:14:35,990 --> 00:14:32,399

of confusion some of which is

313

00:14:37,509 --> 00:14:36,000

you know susan gow others is you know

314

00:14:39,509 --> 00:14:37,519

just the people part of this community

315

00:14:41,110 --> 00:14:39,519

because to be honest it's not really the

316

00:14:43,910 --> 00:14:41,120

easiest thing to

317

00:14:46,230 --> 00:14:43,920

you know make heads or tails out of

318

00:14:48,230 --> 00:14:46,240

right especially if you're not you know

319

00:14:50,550 --> 00:14:48,240

someone who's really

320

00:14:52,550 --> 00:14:50,560

meticulous on little details like this

321

00:14:55,350 --> 00:14:52,560

because you have a normal life

322

00:14:58,949 --> 00:14:57,430

so i totally understand that in new york

323

00:15:01,509 --> 00:14:58,959

times story was thrown in there but

324

00:15:02,389 --> 00:15:01,519

anyways this guy was super

325

00:15:04,069 --> 00:15:02,399

um

326

00:15:06,790 --> 00:15:04,079

professional about it and you know

327

00:15:08,949 --> 00:15:06,800

didn't really blame anyone for it and so

328

00:15:09,829 --> 00:15:08,959

dod was nice blah blah blah

329

00:15:12,230 --> 00:15:09,839

and

330

00:15:13,670 --> 00:15:12,240

just you know kind of for the record try

331

00:15:14,629 --> 00:15:13,680

to make it as clear as possible i

332

00:15:24,949 --> 00:15:14,639

believe

333

00:15:29,430 --> 00:15:28,230

oh that's weird

334

00:15:32,069 --> 00:15:29,440

um

335

00:15:34,069 --> 00:15:32,079

yeah 22 mil went to ossep

336

00:15:37,269 --> 00:15:34,079

and

337

00:15:38,470 --> 00:15:37,279

atip was basically a nickname for it

338

00:15:42,310 --> 00:15:38,480

right

339

00:15:46,790 --> 00:15:44,470

uh

340

00:15:49,350 --> 00:15:46,800

a tick that you know that went to the

341

00:15:50,550 --> 00:15:49,360

pentagon or whatever after asset

342

00:15:52,150 --> 00:15:50,560

went away

343

00:15:55,990 --> 00:15:52,160

um etip

344

00:15:58,230 --> 00:15:56,000

was not funded it had 0 budget

345

00:16:00,310 --> 00:15:58,240

but anyways asap was largely and

346

00:16:02,230 --> 00:16:00,320

primarily ufo encounters military and

347

00:16:06,829 --> 00:16:02,240

civilian

348

00:16:06,839 --> 00:16:13,670

um hundreds of reports

349

00:16:16,949 --> 00:16:14,949

and then

350

00:16:18,629 --> 00:16:16,959

um

351

00:16:20,310 --> 00:16:18,639

when it was just a tick they had zero

352

00:16:22,629 --> 00:16:20,320

budget and they were just investigating

353

00:16:24,069 --> 00:16:22,639

very specific in particular military

354

00:16:26,389 --> 00:16:24,079

encounters

355

00:16:33,189 --> 00:16:28,470

so yeah

356

00:16:37,430 --> 00:16:35,269

you know a bit more things that lukaszki

357

00:16:39,749 --> 00:16:37,440

said is like um the security was very

358

00:16:42,069 --> 00:16:39,759

tight like nobody really even knew that

359

00:16:45,670 --> 00:16:42,079

they were doing their thing

360

00:16:49,990 --> 00:16:45,680

um there was a 20-year af osi person

361

00:16:50,710 --> 00:16:50,000

veteran um that i think helped with that

362

00:16:52,310 --> 00:16:50,720

so

363

00:16:55,590 --> 00:16:52,320

it's interesting because i've just been

364

00:16:58,870 --> 00:16:55,600

looking at osi files so much

365

00:17:04,630 --> 00:16:58,880

granted back in the 50s but

366

00:17:10,390 --> 00:17:05,990

other things that he said yeah super

367

00:17:12,230 --> 00:17:10,400

large database um and if you wanted to

368

00:17:13,829 --> 00:17:12,240

like something about uh revealing the

369

00:17:16,069 --> 00:17:13,839

content you would have it'd be in the

370

00:17:17,590 --> 00:17:16,079

proposal basically

371

00:17:19,669 --> 00:17:17,600

so you'd have to see the proposal to

372

00:17:25,590 --> 00:17:19,679

reveal the content of the program

373

00:17:31,909 --> 00:17:27,350

and

374

00:17:36,070 --> 00:17:31,919

interesting part is i believe he said a

375

00:17:36,080 --> 00:17:41,029

so that is very interesting

376

00:17:44,070 --> 00:17:42,549

very interesting i'd love to see that

377

00:17:46,950 --> 00:17:44,080

film

378

00:17:49,190 --> 00:17:46,960

but you know when i hear that atip had

379

00:17:51,190 --> 00:17:49,200

zero funding some things start to make

380

00:17:53,029 --> 00:17:51,200

sense and why susan gao was kind of

381

00:17:55,669 --> 00:17:53,039

doing what she was doing right

382

00:17:58,150 --> 00:17:55,679

um with you know i can't guarantee i'm

383

00:18:03,110 --> 00:17:58,160

going to be specific with the things

384

00:18:05,270 --> 00:18:03,120

that she said um but more or less it was

385

00:18:07,750 --> 00:18:05,280

you know um lou was not the head of this

386

00:18:09,750 --> 00:18:07,760

program or had anything to do with it

387

00:18:11,990 --> 00:18:09,760

even maybe i think at one point

388

00:18:15,590 --> 00:18:12,000

um which

389

00:18:17,190 --> 00:18:15,600

she can really say because

390

00:18:19,110 --> 00:18:17,200

you if there's no budget he wasn't

391

00:18:20,789 --> 00:18:19,120

getting paid he wasn't on a

392

00:18:22,710 --> 00:18:20,799

staff really

393

00:18:24,870 --> 00:18:22,720

you know and it was super secret i guess

394

00:18:26,230 --> 00:18:24,880

so

395

00:18:31,029 --> 00:18:26,240

you know that's that's pretty

396

00:18:34,390 --> 00:18:31,830

um

397

00:18:37,669 --> 00:18:34,400

alejandro

398

00:18:38,710 --> 00:18:37,679

shared an email actually

399

00:18:40,870 --> 00:18:38,720

about

400

00:18:42,470 --> 00:18:40,880

uh with lou like writing susan gowen how

401
00:18:44,710 --> 00:18:42,480
disappointed he was and her giving her

402
00:18:46,630 --> 00:18:44,720
another chance to clear this up i'm so

403
00:18:48,870 --> 00:18:46,640
happy you cleared this other thing up

404
00:18:50,710 --> 00:18:48,880
you know just kind of trying to be nice

405
00:18:53,270 --> 00:18:50,720
play the role and then

406
00:18:54,789 --> 00:18:53,280
say come on what the hell are you doing

407
00:18:57,110 --> 00:18:54,799
on the other hand

408
00:18:59,190 --> 00:18:57,120
um

409
00:19:04,710 --> 00:18:59,200
but yeah that was a pretty intense email

410
00:19:08,150 --> 00:19:06,150
screwing up a lot of that stuff and

411
00:19:10,950 --> 00:19:08,160
maybe it's on purpose maybe it isn't i

412
00:19:13,190 --> 00:19:10,960
really don't know but it has had a large

413
00:19:14,470 --> 00:19:13,200

you know role in the confusion with all

414

00:19:16,870 --> 00:19:14,480

of this stuff

415

00:19:18,470 --> 00:19:16,880

um constantly trying to

416

00:19:19,909 --> 00:19:18,480

i don't know for lack of a better term

417

00:19:21,029 --> 00:19:19,919

debunk lou

418

00:19:22,549 --> 00:19:21,039

um

419

00:19:24,310 --> 00:19:22,559

but it's funny in that email he gave a

420

00:19:25,669 --> 00:19:24,320

whole list of people that could back him

421

00:19:27,350 --> 00:19:25,679

up

422

00:19:29,430 --> 00:19:27,360

and he even says if that's not enough

423

00:19:30,710 --> 00:19:29,440

let me know i'll get you more

424

00:19:33,430 --> 00:19:30,720

um

425

00:19:35,190 --> 00:19:33,440

so it was quite clear that he was like

426

00:19:37,029 --> 00:19:35,200

enough of this effort around here my

427

00:19:41,270 --> 00:19:37,039

reputation and my possible career

428

00:19:45,430 --> 00:19:42,470

which you know if you just take it for

429

00:19:47,590 --> 00:19:45,440

what it what it is uh that's terrible

430

00:19:50,070 --> 00:19:47,600

that's awful

431

00:19:53,270 --> 00:19:51,350

yeah

432

00:19:55,270 --> 00:19:53,280

so that's

433

00:19:57,990 --> 00:19:55,280

you know let's ask in a little bit more

434

00:19:59,350 --> 00:19:58,000

about mr

435

00:20:03,990 --> 00:19:59,360

elizondo

436

00:20:09,990 --> 00:20:06,310

in the kind of snippet that was shared

437

00:20:13,750 --> 00:20:10,000

by i think it was strategic doubt

438

00:20:15,510 --> 00:20:13,760

yeah strategic doubt shared it

439

00:20:17,669 --> 00:20:15,520

and i don't want to botch it so what i'm

440

00:20:19,669 --> 00:20:17,679

really going to do is try to just bring

441

00:20:20,630 --> 00:20:19,679

this up

442

00:20:24,310 --> 00:20:20,640

and

443

00:20:25,510 --> 00:20:24,320

a lot of people talking about it

444

00:20:28,230 --> 00:20:25,520

obviously

445

00:20:30,710 --> 00:20:28,240

and maybe thinking about it in different

446

00:20:36,230 --> 00:20:30,720

kinds of ways and what i mean by that is

447

00:20:39,830 --> 00:20:38,149

and you know i told you if you on

448

00:20:42,149 --> 00:20:39,840

twitter

449

00:20:47,430 --> 00:20:42,159

you know to be fair

450

00:20:53,190 --> 00:20:51,350

that uh he thought lou was possibly

451
00:20:55,270 --> 00:20:53,200
um pretty good at the

452
00:20:56,950 --> 00:20:55,280
remote viewing stuff

453
00:20:58,230 --> 00:20:56,960
so

454
00:21:01,029 --> 00:20:58,240
first of all

455
00:21:05,270 --> 00:21:01,039
we'll go down to the highlighted part

456
00:21:07,350 --> 00:21:05,280
um you can read the rest if you want

457
00:21:09,270 --> 00:21:07,360
it's definitely pretty interesting but

458
00:21:11,029 --> 00:21:09,280
we only have so much time right

459
00:21:12,870 --> 00:21:11,039
so at the bottom

460
00:21:15,510 --> 00:21:12,880
is where i'm going to as he enjoyed his

461
00:21:17,110 --> 00:21:15,520
steak tartare

462
00:21:19,750 --> 00:21:17,120
who would have thought heats were a

463
00:21:21,029 --> 00:21:19,760

steak i like it medium rare

464

00:21:24,390 --> 00:21:21,039

and then somebody on twitter said that

465

00:21:25,590 --> 00:21:24,400

they like it um

466

00:21:32,950 --> 00:21:25,600

well done

467

00:21:37,590 --> 00:21:34,950

so anyways

468

00:21:39,510 --> 00:21:37,600

uh elizondo regaled uh those around him

469

00:21:42,630 --> 00:21:39,520

with some more stories

470

00:21:44,789 --> 00:21:42,640

including one here raising exploit about

471

00:21:47,350 --> 00:21:44,799

how his advanced intuition and remote

472

00:21:49,510 --> 00:21:47,360

viewing capabilities it saved his life

473

00:21:51,750 --> 00:21:49,520

and the life of his men while on a

474

00:21:53,270 --> 00:21:51,760

covert combat mission in war-torn

475

00:21:55,270 --> 00:21:53,280

afghanistan

476
00:21:57,430 --> 00:21:55,280
and then you know says nice things about

477
00:21:59,350 --> 00:21:57,440
lou as far as it's too detail-oriented

478
00:22:01,669 --> 00:21:59,360
and has a open mind

479
00:22:03,350 --> 00:22:01,679
and then we got after that dinner plank

480
00:22:05,990 --> 00:22:03,360
nothing so you'll have to get the book

481
00:22:08,070 --> 00:22:06,000
which is available on kindle now

482
00:22:11,350 --> 00:22:08,080
um amazon do you can get it the

483
00:22:15,270 --> 00:22:13,350
um yeah i'm waiting for my book to show

484
00:22:16,789 --> 00:22:15,280
up too it should be here soon i think it

485
00:22:18,630 --> 00:22:16,799
didn't seem like it was gonna take too

486
00:22:20,149 --> 00:22:18,640
long so

487
00:22:21,990 --> 00:22:20,159
that's good i think in a couple days

488
00:22:23,830 --> 00:22:22,000

possibly

489

00:22:27,590 --> 00:22:23,840

so you know we can only go so far with

490

00:22:29,029 --> 00:22:27,600

this stuff until we do read the book

491

00:22:31,430 --> 00:22:29,039

you know what i mean

492

00:22:38,390 --> 00:22:35,029

and then it brings us to

493

00:22:40,470 --> 00:22:38,400

kind of another person in this story

494

00:22:46,070 --> 00:22:40,480

which is

495

00:22:50,789 --> 00:22:47,430

there he is

496

00:22:51,830 --> 00:22:50,799

look at that guy that's the irish guy

497

00:22:53,510 --> 00:22:51,840

i don't know you gotta have something to

498

00:22:55,270 --> 00:22:53,520

look at right putting up little graphics

499

00:22:58,390 --> 00:22:55,280

i don't know

500

00:23:01,909 --> 00:22:58,400

uh yeah that's a good point kenny

501
00:23:04,710 --> 00:23:01,919
um well it's dod

502
00:23:06,789 --> 00:23:04,720
it wasn't written by the by the pentagon

503
00:23:08,630 --> 00:23:06,799
um but

504
00:23:11,190 --> 00:23:08,640
it was like

505
00:23:13,430 --> 00:23:11,200
approved so it took 14 months that's one

506
00:23:15,430 --> 00:23:13,440
thing that was mentioned in the video

507
00:23:17,190 --> 00:23:15,440
um that it took 14 months to get

508
00:23:19,510 --> 00:23:17,200
approved by the dod

509
00:23:23,029 --> 00:23:19,520
so you know it's pretty interesting i

510
00:23:23,990 --> 00:23:23,039
heard you know one person say

511
00:23:25,669 --> 00:23:24,000
um

512
00:23:27,430 --> 00:23:25,679
it doesn't mean anything that the dod

513
00:23:28,950 --> 00:23:27,440

approved it doesn't mean any of this was

514

00:23:31,029 --> 00:23:28,960

true or any of that

515

00:23:31,990 --> 00:23:31,039

i would just say like why did it take so

516

00:23:33,750 --> 00:23:32,000

long

517

00:23:38,630 --> 00:23:33,760

you know

518

00:23:39,990 --> 00:23:38,640

are they taking 14 months to do it to be

519

00:23:42,230 --> 00:23:40,000

you know read the book and go yeah

520

00:23:44,149 --> 00:23:42,240

whatever do you do whatever you want and

521

00:23:46,950 --> 00:23:44,159

would they even just put their stamp on

522

00:23:49,110 --> 00:23:46,960

something so ridiculous

523

00:23:51,190 --> 00:23:49,120

if it was just completely untrue they

524

00:23:52,630 --> 00:23:51,200

put their allow them to put that stamp

525

00:24:01,190 --> 00:23:52,640

on i don't know how that works but it

526

00:24:01,200 --> 00:24:04,230

so

527

00:24:04,240 --> 00:24:06,710

um

528

00:24:11,190 --> 00:24:09,590

uh what doc are we talking about

529

00:24:15,190 --> 00:24:11,200

i'm sorry

530

00:24:19,110 --> 00:24:17,430

i mean you can go on cia's website into

531

00:24:21,990 --> 00:24:19,120

their foyer reading room and get all

532

00:24:26,390 --> 00:24:22,000

sorts of remote viewing stuff from sri

533

00:24:28,390 --> 00:24:26,400

um with you know swan and that other guy

534

00:24:31,269 --> 00:24:28,400

who said he got like a stone from john

535

00:24:34,390 --> 00:24:31,279

lennon yuri or something

536

00:24:34,720 --> 00:24:34,400

and then there was

537

00:24:37,909 --> 00:24:34,730

um

538

00:24:39,430 --> 00:24:37,919

[Laughter]

539

00:24:42,149 --> 00:24:39,440

you know there's

540

00:24:44,149 --> 00:24:42,159

kit green i believe too um they have

541

00:24:45,750 --> 00:24:44,159

their like session where they were i

542

00:24:47,830 --> 00:24:45,760

think it was jupiter they were trying to

543

00:24:49,669 --> 00:24:47,840

get eyes on jupiter is in there you can

544

00:24:51,590 --> 00:24:49,679

look at all that stuff i was actually

545

00:24:53,750 --> 00:24:51,600

looking at a lot of that last night

546

00:24:56,230 --> 00:24:53,760

because i just find it very interesting

547

00:24:57,750 --> 00:24:56,240

um and it went on for a very long time

548

00:25:00,070 --> 00:24:57,760

you can see the results you can see

549

00:25:01,669 --> 00:25:00,080

their practices you can see the targets

550

00:25:02,950 --> 00:25:01,679

you can see what they drew you can see

551

00:25:04,310 --> 00:25:02,960

their scores

552

00:25:06,789 --> 00:25:04,320

you can

553

00:25:09,269 --> 00:25:06,799

actually look at a meeting where they're

554

00:25:11,430 --> 00:25:09,279

talking about the different people who

555

00:25:13,190 --> 00:25:11,440

tried and this guy we didn't like or

556

00:25:14,950 --> 00:25:13,200

that girl wasn't this

557

00:25:17,590 --> 00:25:14,960

um but they don't use their names they

558

00:25:18,870 --> 00:25:17,600

just like use them by a number basically

559

00:25:20,470 --> 00:25:18,880

so you don't really know who they're

560

00:25:22,149 --> 00:25:20,480

talking about but

561

00:25:23,669 --> 00:25:22,159

um

562

00:25:25,830 --> 00:25:23,679

you know and there's some other stuff

563

00:25:28,310 --> 00:25:25,840

like uh well we don't have to tell

564

00:25:30,950 --> 00:25:28,320

the dod right now about this or that you

565

00:25:36,710 --> 00:25:33,909

that's just how it goes

566

00:25:39,590 --> 00:25:36,720

matthew's got a good gamut indigo swan's

567

00:25:44,950 --> 00:25:39,600

book penetration

568

00:25:48,470 --> 00:25:46,789

yeah you know that's an interesting

569

00:25:51,350 --> 00:25:48,480

point matthew like

570

00:25:53,830 --> 00:25:51,360

i think a lot of people get um

571

00:25:55,750 --> 00:25:53,840

defensive right away because like i

572

00:25:58,950 --> 00:25:55,760

don't believe it so i gotta fight

573

00:26:00,470 --> 00:25:58,960

against it but i think that's kind of a

574

00:26:02,070 --> 00:26:00,480

you know what i've done that before too

575

00:26:06,470 --> 00:26:02,080

i guess but that's kind of a silly way

576

00:26:09,510 --> 00:26:07,909

because first of all if you're really

577

00:26:12,230 --> 00:26:09,520

putting your ego down which is super

578

00:26:13,269 --> 00:26:12,240

hard to do for me and i'm sure you

579

00:26:14,789 --> 00:26:13,279

um

580

00:26:16,470 --> 00:26:14,799

you have to admit that you don't really

581

00:26:17,590 --> 00:26:16,480

know anything

582

00:26:18,310 --> 00:26:17,600

like

583

00:26:20,070 --> 00:26:18,320

so

584

00:26:21,750 --> 00:26:20,080

to say you don't believe this or that

585

00:26:24,710 --> 00:26:21,760

enough to like fight about it is pretty

586

00:26:28,149 --> 00:26:24,720

ridiculous

587

00:26:31,029 --> 00:26:30,230

um

588

00:26:34,710 --> 00:26:31,039

so

589

00:26:40,230 --> 00:26:34,720

gentleman

590

00:26:44,549 --> 00:26:42,070

and it's not the same person

591

00:26:49,830 --> 00:26:44,559

but they do look very similar is like

592

00:26:53,510 --> 00:26:51,350

and for a second i had to do a double

593

00:26:54,950 --> 00:26:53,520

take like that's not the

594

00:26:57,669 --> 00:26:54,960

same

595

00:26:59,909 --> 00:26:57,679

guy is it

596

00:27:01,350 --> 00:26:59,919

um

597

00:27:03,430 --> 00:27:01,360

you know i'm going to go on a limb and

598

00:27:06,789 --> 00:27:03,440

say it isn't although they do look

599

00:27:10,870 --> 00:27:09,190

and it was kind of funny

600

00:27:11,200 --> 00:27:10,880

i was like what is that guy doing this

601
00:27:13,510 --> 00:27:11,210
for

602
00:27:16,630 --> 00:27:13,520
[Laughter]

603
00:27:18,950 --> 00:27:16,640
so anyways so he actually tells a story

604
00:27:21,990 --> 00:27:18,960
um to george on the interview

605
00:27:25,190 --> 00:27:22,000
in regards to something pretty

606
00:27:27,430 --> 00:27:25,200
intense which really um

607
00:27:29,590 --> 00:27:27,440
got me thinking

608
00:27:31,029 --> 00:27:29,600
and it's a story about a bio

609
00:27:33,110 --> 00:27:31,039
technologist

610
00:27:35,750 --> 00:27:33,120
who is on the road

611
00:27:36,870 --> 00:27:35,760
um with his family i believe it is

612
00:27:39,830 --> 00:27:36,880
and

613
00:27:42,070 --> 00:27:39,840

i think his wife sees three

614

00:27:43,590 --> 00:27:42,080

basically unidentifieds

615

00:27:45,750 --> 00:27:43,600

i'm just

616

00:27:47,590 --> 00:27:45,760

you know probably orbs i'm guessing like

617

00:27:51,350 --> 00:27:47,600

white orbs or something

618

00:27:53,190 --> 00:27:51,360

um and as they kind of approach or the

619

00:27:54,950 --> 00:27:53,200

wife sees them

620

00:27:58,070 --> 00:27:54,960

two of them

621

00:27:59,990 --> 00:27:58,080

i think it's two actually get in the car

622

00:28:01,029 --> 00:28:00,000

so they're like baseball size they're

623

00:28:03,029 --> 00:28:01,039

small

624

00:28:05,909 --> 00:28:03,039

and one

625

00:28:10,630 --> 00:28:05,919

goes through the guy's shoulder and out

626
00:28:15,269 --> 00:28:12,789
um

627
00:28:16,789 --> 00:28:15,279
and he got

628
00:28:21,590 --> 00:28:16,799
pretty messed up

629
00:28:24,950 --> 00:28:21,600
so he got burns um and wound up getting

630
00:28:27,510 --> 00:28:24,960
cancer like eye cancer i believe

631
00:28:29,110 --> 00:28:27,520
and it was treated

632
00:28:31,350 --> 00:28:29,120
thankfully

633
00:28:36,149 --> 00:28:31,360
but they studied that case for years and

634
00:28:36,159 --> 00:28:43,029
that is

635
00:28:50,470 --> 00:28:45,430
that's something you know in the the

636
00:28:54,870 --> 00:28:52,630
we have no idea we still don't know what

637
00:29:08,230 --> 00:28:54,880
they were

638
00:29:11,750 --> 00:29:09,269

um

639

00:29:13,190 --> 00:29:11,760

that stinks

640

00:29:15,990 --> 00:29:13,200

have something like that out there and

641

00:29:17,269 --> 00:29:16,000

you're not really sure how to handle it

642

00:29:18,470 --> 00:29:17,279

if you don't know what they are how do

643

00:29:19,990 --> 00:29:18,480

you know where they're going to show up

644

00:29:22,710 --> 00:29:20,000

or what they're going to do or what the

645

00:29:24,630 --> 00:29:22,720

agenda is obviously

646

00:29:26,470 --> 00:29:24,640

which you know a lot of that is what

647

00:29:31,430 --> 00:29:26,480

we're trying to do now is figure out

648

00:29:31,440 --> 00:29:35,029

um in origin

649

00:29:38,549 --> 00:29:36,549

but it's interesting

650

00:29:40,310 --> 00:29:38,559

it's very interesting

651
00:29:42,710 --> 00:29:40,320
i just can't believe that that is so

652
00:29:45,990 --> 00:29:42,720
intense but anyways they had

653
00:29:47,830 --> 00:29:46,000
you know i think it was over a hundred

654
00:29:50,149 --> 00:29:47,840
people around the world cases around the

655
00:29:54,950 --> 00:29:50,159
world where they had harmful effects

656
00:29:59,029 --> 00:29:57,830
harmful causes

657
00:30:01,430 --> 00:29:59,039
you know so when you think about this

658
00:30:03,750 --> 00:30:01,440
kind of stuff and then you go back to

659
00:30:06,310 --> 00:30:03,760
the xuap guy and what he was talking

660
00:30:08,549 --> 00:30:06,320
about on twitter well

661
00:30:10,290 --> 00:30:08,559
you know i'm pretty sure

662
00:30:16,310 --> 00:30:10,300
that's what he was talking about

663
00:30:20,549 --> 00:30:18,230

you know

664

00:30:22,710 --> 00:30:20,559

and if i knew that as a fact or if i've

665

00:30:24,710 --> 00:30:22,720

seen it or whatever like i'd probably be

666

00:30:26,389 --> 00:30:24,720

saying the same stuff he was saying

667

00:30:29,350 --> 00:30:26,399

um

668

00:30:29,360 --> 00:30:32,870

were they even aware of the arm

669

00:30:40,230 --> 00:30:34,070

they it

670

00:30:43,990 --> 00:30:42,470

because you know something lou does say

671

00:30:46,230 --> 00:30:44,000

is you know a lot of it could be a

672

00:30:48,230 --> 00:30:46,240

byproduct of it it doesn't necessarily

673

00:30:51,110 --> 00:30:48,240

mean that they're you know trying to do

674

00:30:52,549 --> 00:30:51,120

any harm it's just you know

675

00:30:54,389 --> 00:30:52,559

like when they go around a plane and

676

00:30:56,389 --> 00:30:54,399

their radars get

677

00:30:58,310 --> 00:30:56,399

weird and electronics get weird it may

678

00:31:03,110 --> 00:30:58,320

not be that it's done on purpose as much

679

00:31:03,120 --> 00:31:06,070

you know

680

00:31:06,080 --> 00:31:10,870

drop the docks

681

00:31:10,880 --> 00:31:15,990

so that's that's um

682

00:31:21,909 --> 00:31:17,750

you know that stuff gets pretty intense

683

00:31:26,230 --> 00:31:24,230

um the other things that he talked about

684

00:31:28,630 --> 00:31:26,240

is

685

00:31:30,789 --> 00:31:28,640

just the database the largest databases

686

00:31:33,669 --> 00:31:30,799

that they have largest in the world

687

00:31:36,470 --> 00:31:33,679

like 11 different databases

688

00:31:38,070 --> 00:31:36,480

just a lot of information so

689

00:31:40,630 --> 00:31:38,080

but when you hit on something like that

690

00:31:49,669 --> 00:31:42,310

you know forces your attention on that

691

00:31:52,870 --> 00:31:51,269

so

692

00:31:55,190 --> 00:31:52,880

you know that's a lot of information

693

00:31:58,789 --> 00:31:55,200

that came out yesterday

694

00:32:00,950 --> 00:31:58,799

um in you know in a nutshell

695

00:32:02,549 --> 00:32:00,960

we were told that this book is going to

696

00:32:06,630 --> 00:32:02,559

be a

697

00:32:10,870 --> 00:32:06,640

synopsis of the program asap and

698

00:32:12,789 --> 00:32:10,880

encounters at skinwalker and

699

00:32:14,950 --> 00:32:12,799

you know maybe some things that military

700

00:32:19,830 --> 00:32:14,960

people took with them home to their

701
00:32:24,630 --> 00:32:21,909
you know and

702
00:32:27,350 --> 00:32:24,640
so some of it sounds pretty nasty

703
00:32:28,630 --> 00:32:27,360
and not good

704
00:32:31,590 --> 00:32:28,640
right

705
00:32:33,590 --> 00:32:31,600
now does that mean

706
00:32:35,269 --> 00:32:33,600
you know and what i can't help but think

707
00:32:37,590 --> 00:32:35,279
of is

708
00:32:40,310 --> 00:32:37,600
you know some of the stuff lou would say

709
00:32:42,549 --> 00:32:40,320
earlier is why this stuff would be

710
00:32:44,950 --> 00:32:42,559
stopped and it's because people thought

711
00:32:49,990 --> 00:32:44,960
they were demons

712
00:32:53,110 --> 00:32:52,310
is that true are they demons or are they

713
00:32:56,549 --> 00:32:53,120

just

714

00:33:01,830 --> 00:32:56,559

something that's scary to them and

715

00:33:06,310 --> 00:33:03,990

you know but i think we'll find out a

716

00:33:10,230 --> 00:33:06,320

lot more once you read the book

717

00:33:15,669 --> 00:33:13,590

walford on twitter um he

718

00:33:18,230 --> 00:33:15,679

he likes the book you know

719

00:33:20,389 --> 00:33:18,240

he said it's a doozy

720

00:33:21,909 --> 00:33:20,399

so i'm guessing it is a doozy i already

721

00:33:24,070 --> 00:33:21,919

know there was one story in there that

722

00:33:26,549 --> 00:33:24,080

he was talking about that's like exactly

723

00:33:29,590 --> 00:33:26,559

what happened to him in his life

724

00:33:33,830 --> 00:33:29,600

um so that's probably

725

00:33:35,909 --> 00:33:33,840

um pretty important stuff for him i know

726

00:33:38,549 --> 00:33:35,919

you know the first time i kind of heard

727

00:33:39,590 --> 00:33:38,559

a read a story that was somewhat similar

728

00:33:43,350 --> 00:33:39,600

to mine

729

00:33:47,509 --> 00:33:46,470

i took my breath away a little bit

730

00:33:50,310 --> 00:33:47,519

so

731

00:33:52,149 --> 00:33:50,320

grays not demons

732

00:33:55,029 --> 00:33:52,159

you know that's interesting that you say

733

00:33:59,669 --> 00:33:55,039

that you know i came across and maybe

734

00:33:59,679 --> 00:34:07,110

um frank churches

735

00:34:10,149 --> 00:34:08,710

yeah well you know i i think we're

736

00:34:15,030 --> 00:34:10,159

putting the cart in front of the horse a

737

00:34:18,069 --> 00:34:17,109

let me tell you this if they care about

738

00:34:20,230 --> 00:34:18,079

uh

739

00:34:21,190 --> 00:34:20,240

you know their names and what you call

740

00:34:22,550 --> 00:34:21,200

them

741

00:34:25,030 --> 00:34:22,560

um then you're putting their

742

00:34:31,589 --> 00:34:25,040

intelligence level down by us

743

00:34:36,069 --> 00:34:33,510

oh yeah there you go

744

00:34:39,430 --> 00:34:36,079

extra testicles you could call them by

745

00:34:39,440 --> 00:34:43,430

that's kind of funny i'm sorry

746

00:34:47,349 --> 00:34:45,589

did she approve e.t

747

00:34:48,629 --> 00:34:47,359

did she approve

748

00:34:50,550 --> 00:34:48,639

oh she's

749

00:34:52,710 --> 00:34:50,560

just the one right

750

00:34:57,589 --> 00:34:52,720

um

751

00:35:01,510 --> 00:34:57,599

want to touch on something

752

00:35:04,390 --> 00:35:01,520

um later today uh luel zondo is on the

753

00:35:05,910 --> 00:35:04,400

on disclosure teams podcast

754

00:35:09,589 --> 00:35:05,920

um

755

00:35:14,310 --> 00:35:09,599

and i think he's gonna do a

756

00:35:16,630 --> 00:35:14,320

demonstration of this ai software

757

00:35:18,710 --> 00:35:16,640

so we'll see how that goes

758

00:35:20,390 --> 00:35:18,720

um

759

00:35:23,910 --> 00:35:20,400

i mean i'm i'm sure it'll be great or

760

00:35:25,829 --> 00:35:23,920

whatever um if they use

761

00:35:28,870 --> 00:35:25,839

that dude andy's video that'll be kind

762

00:35:31,190 --> 00:35:28,880

of kind of suspicious to me but

763

00:35:33,430 --> 00:35:31,200

you know almost like it was

764

00:35:34,870 --> 00:35:33,440
thrown out there on purpose for

765

00:35:35,910 --> 00:35:34,880
them to use the

766

00:35:38,069 --> 00:35:35,920
software

767

00:35:40,630 --> 00:35:38,079
but you know whatever

768

00:35:42,630 --> 00:35:40,640
got to do what you got to do

769

00:35:44,390 --> 00:35:42,640
um and i don't know that that's the case

770

00:35:47,030 --> 00:35:44,400
so it's just something

771

00:35:48,630 --> 00:35:47,040
that my suspicious mind

772

00:35:52,150 --> 00:35:48,640
thinks of

773

00:35:56,829 --> 00:35:54,710
i have something interesting we could do

774

00:35:59,670 --> 00:35:56,839
that we haven't done in a

775

00:36:02,710 --> 00:35:59,680
while um

776

00:36:02,720 --> 00:36:08,550

you should call into the show

777

00:36:13,349 --> 00:36:10,870

um i got a phone line so

778

00:36:17,349 --> 00:36:13,359

you know don't even have to get dressed

779

00:36:22,630 --> 00:36:20,069

but you don't have to but i am going to

780

00:36:25,430 --> 00:36:22,640

put the phone number up there so you can

781

00:36:25,440 --> 00:36:29,430

and

782

00:36:29,440 --> 00:36:34,470

we can chat we can chat about whatever

783

00:36:40,390 --> 00:36:37,270

video link so we know it's
