00:00:16,310 --> 00:00:12,789
[Music]

2
00:00:18,230 --> 00:00:16,320
just close your eyes and hope it's not

3
00:00:22,550 --> 00:00:18,240
ours

4
00:00:26,870 --> 00:00:22,560
cause you can travel until you get so

5
00:00:35,190 --> 00:00:31,109
it's like it's watching over me

6
00:00:47,990 --> 00:00:38,470
telling me what i can say

7
00:00:48,000 --> 00:00:52,470
so

8
00:00:52,480 --> 00:01:01,110
[Music]

9
00:01:05,830 --> 00:01:04,460
get loud inside

10
00:01:09,830 --> 00:01:05,840
[Applause]

11
00:01:13,910 --> 00:01:12,340
using internal patients

12
00:01:18,390 --> 00:01:13,920
[Music]

13
00:01:22,630 --> 00:01:18,400

the rest is all just waiting

14

00:01:27,109 --> 00:01:22,640

sitting long enough to survive

15

00:01:30,810 --> 00:01:27,119

the rest is all just waiting

16

00:01:33,190 --> 00:01:30,820

get loud inside

17

00:01:35,870 --> 00:01:33,200

[Music]

18

00:01:37,520 --> 00:01:35,880

we're all in the revelations

19

00:01:37,600 --> 00:01:37,530

[Music]

20

00:01:44,230 --> 00:01:37,610

[Applause]

21

00:01:48,469 --> 00:01:46,389

or big enough

22

00:01:50,710 --> 00:01:48,479

to cause a stir

23

00:01:55,030 --> 00:01:50,720

was small enough so it

24

00:01:57,680 --> 00:01:55,040

just occurs i wonder if it even knows

25

00:02:18,790 --> 00:01:57,690

how to try

26
00:02:22,390 --> 00:02:18,800
[Music]

27
00:02:24,070 --> 00:02:22,400
seconds watching over

28
00:02:27,110 --> 00:02:24,080
as it talks so

29
00:02:35,589 --> 00:02:29,910
telling me what i can say

30
00:02:44,040 --> 00:02:39,670
it's like it's watching over

31
00:02:55,420 --> 00:02:53,589
[Music]

32
00:02:58,149 --> 00:02:55,430
get loud inside

33
00:03:01,440 --> 00:02:58,159
[Music]

34
00:03:11,350 --> 00:03:01,450
for all the revelations

35
00:03:15,030 --> 00:03:11,360
[Music]

36
00:03:17,890 --> 00:03:15,040
long enough to survive

37
00:03:28,149 --> 00:03:17,900
the rest is all just

38
00:03:28,159 --> 00:03:33,960

using internal patients

39

00:03:40,789 --> 00:03:35,589

[Music]

40

00:03:44,550 --> 00:03:43,270

um so yeah

41

00:03:47,509 --> 00:03:44,560

thanks for

42

00:03:51,430 --> 00:03:47,519

joining me here today

43

00:03:56,470 --> 00:03:53,110

it is

44

00:03:58,830 --> 00:03:56,480

thursday today

45

00:04:02,070 --> 00:03:58,840

in case you didn't

46

00:04:06,070 --> 00:04:02,080

know um yeah so hello to everybody here

47

00:04:09,030 --> 00:04:06,080

with me um we have uh kristen

48

00:04:11,429 --> 00:04:09,040

christian uh ethereal aura surfsike

49

00:04:12,390 --> 00:04:11,439

witness citizen what's up

50

00:04:14,710 --> 00:04:12,400

um

51
00:04:17,670 --> 00:04:14,720
not sure about that guy case for

52
00:04:20,229 --> 00:04:17,680
infinity what's happening

53
00:04:25,110 --> 00:04:20,239
um made wild wonders hello

54
00:04:29,510 --> 00:04:28,150
yeah so thanks everybody um for hanging

55
00:04:31,990 --> 00:04:29,520
out here today

56
00:04:34,469 --> 00:04:32,000
i do appreciate you joining i'm starting

57
00:04:36,469 --> 00:04:34,479
a little early because i wanted to touch

58
00:04:36,730 --> 00:04:36,479
on something quick

59
00:04:38,710 --> 00:04:36,740
um

60
00:04:40,870 --> 00:04:38,720
[Music]

61
00:04:44,390 --> 00:04:40,880
that you know

62
00:04:50,310 --> 00:04:47,110
but i'm going to try my best and it has

63
00:04:54,790 --> 00:04:50,320

to do with um

64

00:05:00,070 --> 00:04:57,510

i guess really in general

65

00:05:02,070 --> 00:05:00,080

as opposed to um you know in this

66

00:05:04,150 --> 00:05:02,080

community but

67

00:05:07,189 --> 00:05:04,160

um

68

00:05:09,270 --> 00:05:07,199

i thought after yesterday it'd be worth

69

00:05:11,350 --> 00:05:09,280

um at least

70

00:05:16,230 --> 00:05:11,360

touch again

71

00:05:22,469 --> 00:05:18,950

so yesterday we uh i had a show and it

72

00:05:25,590 --> 00:05:22,479

was going pretty great it was on um

73

00:05:27,510 --> 00:05:25,600

the book that came out skin loggers uh

74

00:05:29,350 --> 00:05:27,520

at the pentagon

75

00:05:30,629 --> 00:05:29,360

um

76

00:05:31,749 --> 00:05:30,639

and we were discussing kind of the

77

00:05:37,270 --> 00:05:31,759

mystery

78

00:05:41,029 --> 00:05:37,280

knapp and caskey and all that

79

00:05:43,590 --> 00:05:42,390

which i thought it was very very

80

00:05:45,110 --> 00:05:43,600

interesting

81

00:05:46,870 --> 00:05:45,120

and i enjoyed it i bought the book i

82

00:05:47,749 --> 00:05:46,880

can't wait to read it

83

00:05:49,749 --> 00:05:47,759

hello

84

00:05:52,710 --> 00:05:49,759

that one time i was abducted by aliens

85

00:05:55,710 --> 00:05:52,720

that's a long name to say i got to get

86

00:05:56,870 --> 00:05:55,720

an acronym for that or something

87

00:05:58,309 --> 00:05:56,880

[Music]

88

00:05:59,590 --> 00:05:58,319

but then it kind of went into a

89

00:06:01,430 --> 00:05:59,600

different direction

90

00:06:04,710 --> 00:06:01,440

and i don't want to go too far into

91

00:06:08,309 --> 00:06:04,720

those details and all that

92

00:06:12,870 --> 00:06:10,790

you know i just

93

00:06:15,110 --> 00:06:12,880

because somebody came on and i made a

94

00:06:17,830 --> 00:06:15,120

decision to take it off and the decision

95

00:06:20,629 --> 00:06:17,840

i made to take it off is

96

00:06:24,390 --> 00:06:20,639

um because

97

00:06:27,909 --> 00:06:26,070

i didn't feel right about it i felt that

98

00:06:28,950 --> 00:06:27,919

there was uh maybe something more going

99

00:06:30,070 --> 00:06:28,960

on there

100

00:06:33,670 --> 00:06:30,080

um

101
00:06:35,590 --> 00:06:33,680
like uh like a mental thing and

102
00:06:37,510 --> 00:06:35,600
you know i felt like i was just more

103
00:06:39,189 --> 00:06:37,520
trying to be protective of the person

104
00:06:39,909 --> 00:06:39,199
because the comments that were coming in

105
00:06:44,070 --> 00:06:39,919
were

106
00:06:45,990 --> 00:06:44,080
um

107
00:06:46,950 --> 00:06:46,000
and if i was right about that person

108
00:06:49,189 --> 00:06:46,960
having

109
00:06:51,270 --> 00:06:49,199
um something like that like a mental

110
00:06:52,070 --> 00:06:51,280
illness and those comments were coming

111
00:06:54,629 --> 00:06:52,080
in

112
00:06:57,749 --> 00:06:54,639
um i

113
00:07:00,469 --> 00:06:57,759

i just didn't want to see um

114

00:07:03,909 --> 00:07:00,479

that happen to a person

115

00:07:07,270 --> 00:07:03,919

um i've this is hard for me to say i

116

00:07:11,189 --> 00:07:07,280

guess um but i've suffered from my own

117

00:07:16,550 --> 00:07:14,629

undiagnosed for most of my life

118

00:07:19,430 --> 00:07:16,560

um and i've been in certain situations

119

00:07:22,230 --> 00:07:19,440

where where people were incredibly

120

00:07:24,309 --> 00:07:22,240

mean to me not knowing that you know

121

00:07:28,230 --> 00:07:24,319

and have said things

122

00:07:32,950 --> 00:07:31,350

and i felt that pain and it was real and

123

00:07:35,589 --> 00:07:32,960

so

124

00:07:37,510 --> 00:07:35,599

i guess in that instance um

125

00:07:38,950 --> 00:07:37,520

all i was trying to do maybe i was

126
00:07:42,390 --> 00:07:38,960
trying you know

127
00:07:44,950 --> 00:07:42,400
in a weird way trying to protect myself

128
00:07:46,390 --> 00:07:44,960
from when i was in those situations or

129
00:07:48,710 --> 00:07:46,400
or whatever but

130
00:07:49,830 --> 00:07:48,720
um in the end that's what i was

131
00:07:51,909 --> 00:07:49,840
in him

132
00:07:53,830 --> 00:07:51,919
you know why i'm not putting it up is

133
00:07:56,950 --> 00:07:53,840
that's what i'm trying to do

134
00:07:57,670 --> 00:07:56,960
um i have no comments on

135
00:08:06,309 --> 00:07:57,680
the

136
00:08:10,790 --> 00:08:08,469
research or anything beforehand it was

137
00:08:14,150 --> 00:08:10,800
just in the chat i sporadically

138
00:08:16,629 --> 00:08:14,160

um let the person on and you know if you

139

00:08:17,589 --> 00:08:16,639

ask me the person is is a dear dear

140

00:08:20,230 --> 00:08:17,599

sweet

141

00:08:22,550 --> 00:08:20,240

good person

142

00:08:23,990 --> 00:08:22,560

you know because people like that can

143

00:08:28,869 --> 00:08:24,000

suffer

144

00:08:32,949 --> 00:08:28,879

from mental stuff um i'm not a doctor

145

00:08:37,029 --> 00:08:35,190

you know i'm diagnosing someone and i'm

146

00:08:38,949 --> 00:08:37,039

not

147

00:08:42,310 --> 00:08:38,959

this is just my channel and that's the

148

00:08:43,670 --> 00:08:42,320

way i felt and that's what i

149

00:08:45,030 --> 00:08:43,680

that's how i feel

150

00:08:49,190 --> 00:08:45,040

um

151
00:08:52,310 --> 00:08:49,610
and

152
00:08:54,550 --> 00:08:52,320
[Music]

153
00:08:57,910 --> 00:08:54,560
but there's a lot that i think was uh

154
00:09:01,030 --> 00:08:57,920
kind of uh learned

155
00:09:03,910 --> 00:09:01,040
by myself and and hopefully others in in

156
00:09:06,150 --> 00:09:03,920
you know in all this happening

157
00:09:09,269 --> 00:09:06,160
and for the record um that person is

158
00:09:11,030 --> 00:09:09,279
still free to do what you know they wish

159
00:09:13,110 --> 00:09:11,040
whether it be

160
00:09:14,949 --> 00:09:13,120
you know on their own youtube thing or

161
00:09:18,470 --> 00:09:14,959
somebody else's that's fine that's none

162
00:09:22,710 --> 00:09:20,230
but you know i have my thing here and i

163
00:09:25,750 --> 00:09:22,720

make my choices and i do try to push

164

00:09:28,230 --> 00:09:25,760

truth uh there was a comment on my page

165

00:09:30,310 --> 00:09:28,240

um that i'm you know trying to hold

166

00:09:32,630 --> 00:09:30,320

secrets or something but

167

00:09:34,829 --> 00:09:32,640

um if you watch my channel or look at my

168

00:09:37,269 --> 00:09:34,839

website

169

00:09:40,150 --> 00:09:37,279

um i

170

00:09:42,790 --> 00:09:40,160

put forth thousands

171

00:09:43,910 --> 00:09:42,800

of ufo encounter documents on my website

172

00:09:45,990 --> 00:09:43,920

that

173

00:09:48,070 --> 00:09:46,000

no one has seen

174

00:09:49,670 --> 00:09:48,080

including over a hundred military

175

00:09:51,670 --> 00:09:49,680

encounters

176

00:09:52,870 --> 00:09:51,680

with you at both

177

00:09:55,030 --> 00:09:52,880

so

178

00:09:55,910 --> 00:09:55,040

you know not that i need to defend that

179

00:09:57,110 --> 00:09:55,920

but

180

00:10:00,389 --> 00:09:57,120

um

181

00:10:02,630 --> 00:10:00,399

i want to make that clear that you know

182

00:10:06,230 --> 00:10:02,640

one thing that happens doesn't define a

183

00:10:08,230 --> 00:10:06,240

person in their intent

184

00:10:09,590 --> 00:10:08,240

or what they're trying to do

185

00:10:12,949 --> 00:10:09,600

you know

186

00:10:16,829 --> 00:10:12,959

so what i learned from that is

187

00:10:22,470 --> 00:10:19,910

that you know

188

00:10:24,470 --> 00:10:22,480

whether that person is or not

189

00:10:26,790 --> 00:10:24,480

is irrelevant because mental illness

190

00:10:31,590 --> 00:10:26,800

exists in this community and everywhere

191

00:10:36,470 --> 00:10:34,389

you know and i saw somebody comment on

192

00:10:37,670 --> 00:10:36,480

twitter something

193

00:10:40,790 --> 00:10:37,680

about

194

00:10:43,269 --> 00:10:40,800

the subject and it

195

00:10:44,230 --> 00:10:43,279

riled me up because again you know i go

196

00:10:45,990 --> 00:10:44,240

into this

197

00:10:47,829 --> 00:10:46,000

protective mode like i got to protect

198

00:10:49,190 --> 00:10:47,839

the person and i'm

199

00:10:51,269 --> 00:10:49,200

you know

200

00:10:54,470 --> 00:10:51,279

it's just i was just raised that way and

201
00:10:57,269 --> 00:10:55,509
um

202
00:11:00,470 --> 00:10:57,279
but if i see something that i believe is

203
00:11:03,590 --> 00:11:00,480
wrong in my heart i i act on it

204
00:11:05,190 --> 00:11:03,600
and sometimes i really um

205
00:11:06,870 --> 00:11:05,200
you know maybe i'm better off not

206
00:11:08,949 --> 00:11:06,880
because i i

207
00:11:10,790 --> 00:11:08,959
go through a lot of a lot of trouble in

208
00:11:11,910 --> 00:11:10,800
pain doing that

209
00:11:13,590 --> 00:11:11,920
um

210
00:11:15,190 --> 00:11:13,600
but i can't

211
00:11:16,630 --> 00:11:15,200
i can't help it it's almost like an

212
00:11:18,630 --> 00:11:16,640
instinct you know

213
00:11:20,230 --> 00:11:18,640

um

214

00:11:23,750 --> 00:11:20,240

and that doesn't mean that i'm some

215

00:11:25,590 --> 00:11:23,760

great person because i've screwed up

216

00:11:28,230 --> 00:11:25,600

so many times and what i'm telling you

217

00:11:29,430 --> 00:11:28,240

like my comment on twitter was screw up

218

00:11:31,509 --> 00:11:29,440

you know

219

00:11:34,069 --> 00:11:31,519

jumping down someone's throat the way i

220

00:11:37,910 --> 00:11:34,079

did was was not the appropriate way to

221

00:11:45,269 --> 00:11:40,150

you know

222

00:11:51,430 --> 00:11:47,590

and i can't make excuses for that i just

223

00:11:55,829 --> 00:11:53,269

and i'm not even going to comment on

224

00:11:57,269 --> 00:11:55,839

anyone else's actions or tweets or

225

00:12:00,230 --> 00:11:57,279

anything because

226

00:12:02,389 --> 00:12:00,240

i have no

227

00:12:03,910 --> 00:12:02,399

i can't speak on it

228

00:12:05,910 --> 00:12:03,920

and i'll get in

229

00:12:07,350 --> 00:12:05,920

what i mean by that is we don't know who

230

00:12:08,949 --> 00:12:07,360

we're talking to

231

00:12:10,790 --> 00:12:08,959

on twitter and i don't mean that they're

232

00:12:12,949 --> 00:12:10,800

just strangers or

233

00:12:14,470 --> 00:12:12,959

this or that i just mean you don't know

234

00:12:16,949 --> 00:12:14,480

what they're going through you don't

235

00:12:18,949 --> 00:12:16,959

know who they are

236

00:12:21,430 --> 00:12:18,959

i didn't know who that person was that i

237

00:12:22,949 --> 00:12:21,440

that i tweeted to just like that person

238

00:12:25,910 --> 00:12:22,959

didn't know

239

00:12:30,150 --> 00:12:27,829

and it turns out we both kind of suffer

240

00:12:32,150 --> 00:12:30,160

from the same type of stuff

241

00:12:35,670 --> 00:12:32,160

and here we are like

242

00:12:39,750 --> 00:12:37,750

you know

243

00:12:41,190 --> 00:12:39,760

you see someone on twitter and sometimes

244

00:12:44,310 --> 00:12:41,200

it's an avatar

245

00:12:45,750 --> 00:12:44,320

and no name or even a a picture and a

246

00:12:46,629 --> 00:12:45,760

name

247

00:12:48,629 --> 00:12:46,639

and

248

00:12:53,590 --> 00:12:48,639

that doesn't mean you can act or treat

249

00:12:57,269 --> 00:12:55,269

and it's incredibly

250

00:13:02,150 --> 00:12:57,279

uh difficult

251
00:13:10,150 --> 00:13:03,670
because twitter really feeds on your

252
00:13:15,110 --> 00:13:12,629
but somehow some way i

253
00:13:17,509 --> 00:13:15,120
and i think others

254
00:13:20,389 --> 00:13:17,519
have to

255
00:13:22,310 --> 00:13:20,399
find a way to treat everyone

256
00:13:24,069 --> 00:13:22,320
as if they were directly in front of you

257
00:13:28,949 --> 00:13:24,079
as a real person because that's what

258
00:13:33,030 --> 00:13:31,430
and even you know so to speak uh trolls

259
00:13:35,670 --> 00:13:33,040
or people who

260
00:13:37,509 --> 00:13:35,680
deliberately seem to just um live their

261
00:13:39,829 --> 00:13:37,519
life on twitter to bring other people

262
00:13:41,670 --> 00:13:39,839
down

263
00:13:42,790 --> 00:13:41,680

you know sometimes you can only do so

264

00:13:45,430 --> 00:13:42,800

much but

265

00:13:47,750 --> 00:13:45,440

um i can tell you like battling with

266

00:13:51,750 --> 00:13:47,760

them on twitter in a feed is not going

267

00:13:56,550 --> 00:13:52,870

with those

268

00:14:03,350 --> 00:13:59,829

so we have to learn that we can only

269

00:14:06,949 --> 00:14:03,360

we don't have to allow

270

00:14:10,150 --> 00:14:06,959

everybody in our life or our view

271

00:14:12,389 --> 00:14:10,160

on twitter you know we can block people

272

00:14:14,310 --> 00:14:12,399

and we don't have to say something mean

273

00:14:17,750 --> 00:14:14,320

before we block them

274

00:14:19,430 --> 00:14:17,760

like i've done you know

275

00:14:21,509 --> 00:14:19,440

we can mute them

276

00:14:24,150 --> 00:14:21,519

we can locate the source of negativity

277

00:14:27,829 --> 00:14:24,160

in our lives and do our best to

278

00:14:29,509 --> 00:14:27,839

uh rid that from our day-to-day life

279

00:14:33,750 --> 00:14:29,519

and in the end we're going to be better

280

00:14:39,670 --> 00:14:35,990

now this conversation isn't about

281

00:14:41,430 --> 00:14:39,680

um mental illness and experiences or

282

00:14:43,189 --> 00:14:41,440

this or that

283

00:14:45,750 --> 00:14:43,199

because that part is irrelevant to me

284

00:14:47,670 --> 00:14:45,760

it's about the person it's not about

285

00:14:49,350 --> 00:14:47,680

what they say happened to him or what

286

00:14:51,829 --> 00:14:49,360

didn't happen to him it's about the

287

00:14:55,350 --> 00:14:53,590

you know

288

00:14:58,310 --> 00:14:55,360

i've heard some people tell me

289

00:15:01,110 --> 00:14:58,320

incredible experiences that they've had

290

00:15:05,269 --> 00:15:03,269

they're more than mentally stable

291

00:15:08,629 --> 00:15:05,279

they're beautiful they're smarter than

292

00:15:13,670 --> 00:15:11,829

i mean you know in some

293

00:15:16,069 --> 00:15:13,680

but you know what i mean

294

00:15:17,110 --> 00:15:16,079

like the the experience doesn't make the

295

00:15:18,150 --> 00:15:17,120

person

296

00:15:20,069 --> 00:15:18,160

um

297

00:15:24,230 --> 00:15:20,079

you know mentally

298

00:15:28,870 --> 00:15:24,240

stable or not you know their brain does

299

00:15:32,470 --> 00:15:30,550

and so when you think about somebody

300

00:15:35,350 --> 00:15:32,480

like and you're wondering about that

301
00:15:36,949 --> 00:15:35,360
like you have to think of that and not

302
00:15:45,350 --> 00:15:36,959
like what they're trying to tell you

303
00:15:48,949 --> 00:15:46,870
uh and yesterday i just kind of made

304
00:15:51,350 --> 00:15:48,959
that choice

305
00:15:53,509 --> 00:15:51,360
and if it was wrong or right

306
00:15:54,710 --> 00:15:53,519
you know i'm sorry but that's just the

307
00:16:00,550 --> 00:15:54,720
best

308
00:16:05,110 --> 00:16:03,189
and i learned a lot yesterday

309
00:16:08,150 --> 00:16:05,120
and i really

310
00:16:13,670 --> 00:16:08,160
have prayed and hope

311
00:16:18,069 --> 00:16:15,590
as well as everybody else

312
00:16:20,310 --> 00:16:18,079
that is going through that

313
00:16:23,670 --> 00:16:20,320

because what we need more than

314

00:16:25,509 --> 00:16:23,680

anything right now is

315

00:16:29,189 --> 00:16:25,519

especially in this community is each

316

00:16:34,550 --> 00:16:31,350

you know

317

00:16:35,509 --> 00:16:34,560

there are so many forces

318

00:16:36,550 --> 00:16:35,519

that are

319

00:16:39,509 --> 00:16:36,560

already

320

00:16:40,720 --> 00:16:39,519

trying to attack this community and

321

00:16:41,829 --> 00:16:40,730

the things we're trying to do

322

00:16:45,670 --> 00:16:41,839

[Music]

323

00:16:47,189 --> 00:16:45,680

including different opinions within it

324

00:16:53,829 --> 00:16:47,199

that turn into

325

00:16:59,350 --> 00:16:56,310

and you look at the accomplishments at

326

00:17:02,069 --> 00:16:59,360

the end of that and they are absolutely

327

00:17:03,670 --> 00:17:02,079

none there are no accomplishments except

328

00:17:06,470 --> 00:17:03,680

people who leave

329

00:17:13,270 --> 00:17:06,480

with a lot more negativity and hate in

330

00:17:16,230 --> 00:17:14,630

and it's tough because there's some

331

00:17:17,990 --> 00:17:16,240

people on twitter

332

00:17:20,390 --> 00:17:18,000

and i'm not thinking of anyone in

333

00:17:23,270 --> 00:17:20,400

particular that seems like that's their

334

00:17:25,750 --> 00:17:23,280

goal in life is to do that and you know

335

00:17:27,750 --> 00:17:25,760

that's not unique to twitter that's in

336

00:17:29,669 --> 00:17:27,760

real life as well

337

00:17:31,029 --> 00:17:29,679

and you meet people like that

338

00:17:33,750 --> 00:17:31,039

or work

339

00:17:40,230 --> 00:17:33,760

work with somebody like that

340

00:17:46,549 --> 00:17:43,750

it exists you know and all we can do is

341

00:17:49,190 --> 00:17:46,559

try to avoid it

342

00:17:51,590 --> 00:17:49,200

and not get sucked into

343

00:17:57,590 --> 00:17:53,590

the negativity and the poison and the

344

00:18:00,950 --> 00:17:59,190

because that will spread and will

345

00:18:06,230 --> 00:18:00,960

destroy

346

00:18:10,230 --> 00:18:07,750

and these are just my thoughts i'm not

347

00:18:14,870 --> 00:18:10,240

perfect i'm not a doctor

348

00:18:18,710 --> 00:18:14,880

i'm just trying to lead with my heart in

349

00:18:22,070 --> 00:18:20,470

so that people who are wondering what

350

00:18:25,350 --> 00:18:22,080

happened or

351
00:18:27,909 --> 00:18:25,360
are we gonna get info on yesterday like

352
00:18:30,630 --> 00:18:27,919
i don't care about any of the info or

353
00:18:33,270 --> 00:18:30,640
what he said or anything that's just

354
00:18:35,029 --> 00:18:33,280
irrelevant to me i just care about the

355
00:18:36,630 --> 00:18:35,039
person you know

356
00:18:39,190 --> 00:18:36,640
and i hope that you can find a way to do

357
00:18:40,549 --> 00:18:39,200
that as well

358
00:18:42,950 --> 00:18:40,559
and

359
00:18:45,190 --> 00:18:42,960
you know try to trust what i'm telling

360
00:18:48,310 --> 00:18:45,200
you is

361
00:18:52,950 --> 00:18:48,320
is honest and real and if you can't

362
00:18:52,960 --> 00:18:56,950
you know

363
00:19:00,310 --> 00:18:58,470

uh but i'm

364

00:19:01,909 --> 00:19:00,320

i'm not perfect and i'm gonna make

365

00:19:03,590 --> 00:19:01,919

mistakes

366

00:19:04,789 --> 00:19:03,600

and everybody is and that's something to

367

00:19:06,630 --> 00:19:04,799

remember too

368

00:19:12,789 --> 00:19:06,640

you know when we talk to each other is

369

00:19:20,470 --> 00:19:15,029

i'm talking about myself charles you

370

00:19:20,480 --> 00:19:30,789

talking about myself

371

00:19:35,750 --> 00:19:33,430

so um

372

00:19:37,830 --> 00:19:35,760

just know that when you

373

00:19:40,070 --> 00:19:37,840

deal with people out here that there are

374

00:19:42,870 --> 00:19:40,080

some really serious things people are

375

00:19:44,150 --> 00:19:42,880

going through and not even relation to

376

00:19:47,750 --> 00:19:44,160

um

377

00:19:52,310 --> 00:19:47,760

the friend that i spoke to yesterday

378

00:19:52,320 --> 00:19:56,390

me that other people in the chat

379

00:20:00,230 --> 00:19:57,669

you know

380

00:20:02,549 --> 00:20:00,240

we just got to be kind

381

00:20:05,510 --> 00:20:02,559

and when we're not

382

00:20:07,510 --> 00:20:05,520

the second we realized we weren't

383

00:20:09,190 --> 00:20:07,520

own up to it be accountable for it

384

00:20:11,750 --> 00:20:09,200

apologize say yeah that was me i

385

00:20:13,669 --> 00:20:11,760

shouldn't have said that

386

00:20:15,510 --> 00:20:13,679

and that's the hardest part but you know

387

00:20:18,070 --> 00:20:15,520

that's a part of getting rid of the ego

388

00:20:19,750 --> 00:20:18,080

isn't it and we all know the hugo is has

389

00:20:24,630 --> 00:20:19,760

a lot to do with why we're here right

390

00:20:24,640 --> 00:20:31,270

things for disclosure

391

00:20:35,029 --> 00:20:33,029

is because we can't manage to put that

392

00:20:36,950 --> 00:20:35,039

down and just work together like you

393

00:20:39,110 --> 00:20:36,960

know a nuts and bolts person who's just

394

00:20:41,430 --> 00:20:39,120

purely scientific can't put their ego

395

00:20:43,190 --> 00:20:41,440

down enough to maybe consider that

396

00:20:45,350 --> 00:20:43,200

someone who had an experience might have

397

00:20:46,830 --> 00:20:45,360

something relevant to say in regards to

398

00:20:53,909 --> 00:20:46,840

their scientific

399

00:20:53,919 --> 00:20:56,230

so

400

00:20:56,240 --> 00:21:03,590

that's what i got

401
00:21:11,909 --> 00:21:05,430
um

402
00:21:16,630 --> 00:21:13,350
yeah i mean

403
00:21:18,549 --> 00:21:16,640
this is a great point like humor like

404
00:21:20,310 --> 00:21:18,559
sometimes you're commenting and you're

405
00:21:21,669 --> 00:21:20,320
saying something funny on something and

406
00:21:23,669 --> 00:21:21,679
to you

407
00:21:25,350 --> 00:21:23,679
you know it's light-hearted and ingest

408
00:21:27,190 --> 00:21:25,360
but the person

409
00:21:28,310 --> 00:21:27,200
may be having a really hard day and

410
00:21:30,390 --> 00:21:28,320
reads it

411
00:21:34,789 --> 00:21:30,400
and

412
00:21:36,470 --> 00:21:34,799
something that was totally out of

413
00:21:39,909 --> 00:21:36,480

context

414

00:21:45,430 --> 00:21:44,070

which is what twitter does right

415

00:21:48,390 --> 00:21:45,440

so you don't have the face the

416

00:21:53,510 --> 00:21:48,400

personality the you know the intent

417

00:21:57,909 --> 00:21:55,750

and that makes it really difficult to

418

00:21:59,430 --> 00:21:57,919

develop any sort of real relationship

419

00:22:02,070 --> 00:21:59,440

with people because you're just going

420

00:22:07,909 --> 00:22:02,080

based on typed words

421

00:22:10,630 --> 00:22:09,190

and that's it and

422

00:22:13,029 --> 00:22:10,640

[Music]

423

00:22:15,350 --> 00:22:13,039

like and there's it's twofold like as

424

00:22:17,430 --> 00:22:15,360

the person doing the tweet you gotta

425

00:22:19,350 --> 00:22:17,440

remember that and the person receiving

426

00:22:20,870 --> 00:22:19,360

the tweet has to remember that if

427

00:22:24,070 --> 00:22:20,880

something rubs them the wrong way you

428

00:22:28,149 --> 00:22:26,230

and again not easy but we have to try if

429

00:22:29,510 --> 00:22:28,159

we're going to use this medium and we're

430

00:22:31,590 --> 00:22:29,520

going to

431

00:22:37,110 --> 00:22:31,600

have discourse on it like that's our

432

00:22:43,029 --> 00:22:40,070

and allow ourselves to screw up and make

433

00:22:46,390 --> 00:22:44,470

you know but

434

00:22:48,950 --> 00:22:46,400

be kind enough so if someone does it to

435

00:22:50,789 --> 00:22:48,960

you they feel okay being accountable and

436

00:22:52,390 --> 00:22:50,799

saying yeah that was the wrong choice

437

00:22:53,909 --> 00:22:52,400

you know

438

00:22:57,110 --> 00:22:53,919

you have to be able to do that because

439

00:22:59,990 --> 00:22:58,230

you know

440

00:23:03,750 --> 00:23:00,000

they'll be apt to not

441

00:23:07,430 --> 00:23:05,190

because

442

00:23:09,590 --> 00:23:07,440

of ego and embarrassment

443

00:23:12,070 --> 00:23:09,600

and you're right you were right haha you

444

00:23:17,669 --> 00:23:15,350

we have to be understanding

445

00:23:21,110 --> 00:23:17,679

and show compassion

446

00:23:23,590 --> 00:23:21,120

for the flaws of humanity

447

00:23:25,909 --> 00:23:23,600

because that's something we all share

448

00:23:31,430 --> 00:23:25,919

and have in common

449

00:23:34,870 --> 00:23:32,549

you know

450

00:23:37,350 --> 00:23:34,880

and just because we don't know how the

451

00:23:39,830 --> 00:23:37,360

person is not perfect

452

00:23:43,830 --> 00:23:41,110

doesn't mean

453

00:23:45,909 --> 00:23:43,840

that we can assume that they think

454

00:23:52,230 --> 00:23:45,919

that they're right and you know not

455

00:23:55,510 --> 00:23:53,269

all right

456

00:23:57,510 --> 00:23:55,520

see

457

00:23:59,830 --> 00:23:57,520

king milk

458

00:24:03,990 --> 00:23:59,840

perfect thank you still laughing back i

459

00:24:10,549 --> 00:24:06,070

oh man

460

00:24:12,950 --> 00:24:11,590

yeah

461

00:24:15,190 --> 00:24:12,960

um

462

00:24:19,909 --> 00:24:15,200

but i just wanted to say like i just

463

00:24:24,149 --> 00:24:22,390

i just wanted to say that you know and

464

00:24:26,390 --> 00:24:24,159

sneaky toaster

465

00:24:27,269 --> 00:24:26,400

perfect perfect thing to say grace needs

466

00:24:29,350 --> 00:24:27,279

to be

467

00:24:31,110 --> 00:24:29,360

given to everyone

468

00:24:32,630 --> 00:24:31,120

you know and you can like i said you can

469

00:24:36,710 --> 00:24:32,640

get to troll

470

00:24:40,470 --> 00:24:38,950

and you know to be fair i didn't look at

471

00:24:42,789 --> 00:24:40,480

all these comments i just picked

472

00:24:46,549 --> 00:24:42,799

sneakies and i thought grace needs to be

473

00:24:49,669 --> 00:24:46,559

even everyone is is really good

474

00:24:54,470 --> 00:24:52,710

um you know just we all have [\h__\h] days

475

00:24:55,830 --> 00:24:54,480

and i'm no different than you and vice

476

00:24:57,990 --> 00:24:55,840

versa so

477

00:24:59,990 --> 00:24:58,000

just

478

00:25:00,789 --> 00:25:00,000

try to think of that i guess you know

479

00:25:03,110 --> 00:25:00,799

and

480

00:25:06,230 --> 00:25:03,120

somebody's talking about a an experience

481

00:25:08,710 --> 00:25:06,240

that's really wild you know and you even

482

00:25:12,230 --> 00:25:08,720

think like there's no wait that's even

483

00:25:15,909 --> 00:25:14,630

you know it's it's like uh it's cliché

484

00:25:17,510 --> 00:25:15,919

because it's true if you don't have

485

00:25:19,350 --> 00:25:17,520

anything nice to say just don't say

486

00:25:21,110 --> 00:25:19,360

anything at all you know

487

00:25:24,070 --> 00:25:21,120

if you can't stand to look at it without

488

00:25:27,590 --> 00:25:24,080

saying it like hide it block it whatever

489

00:25:30,710 --> 00:25:27,600

you know do whatever you have to do

490

00:25:33,669 --> 00:25:30,720

because i can say your one mean tweet

491

00:25:36,230 --> 00:25:33,679

you know isn't going to uh change

492

00:25:37,909 --> 00:25:36,240

uh the whole big picture of everything

493

00:25:40,789 --> 00:25:37,919

you know

494

00:25:45,029 --> 00:25:40,799

it's not a useful tool

495

00:25:48,950 --> 00:25:47,430

it's a one ounce hammer

496

00:25:52,630 --> 00:25:48,960

oh that's going to be a good name for a

497

00:25:58,230 --> 00:25:56,710

one ounce hammer that's gonna be good

498

00:26:00,789 --> 00:25:58,240

um

499

00:26:04,230 --> 00:26:00,799

so yeah thanks for listening me guys

500

00:26:05,990 --> 00:26:04,240

that's uh the best i have and yesterday

501
00:26:08,549 --> 00:26:06,000
and you know

502
00:26:12,870 --> 00:26:08,559
uh the mental stuff and um i guess in

503
00:26:17,110 --> 00:26:15,669
um yeah but

504
00:26:19,669 --> 00:26:17,120
that's what we're gonna do that's what

505
00:26:21,750 --> 00:26:19,679
we're gonna say and now we're gonna move

506
00:26:25,350 --> 00:26:21,760
on to

507
00:26:26,710 --> 00:26:25,360
the fun stuff where we get real

508
00:26:30,070 --> 00:26:26,720
fun

509
00:26:33,909 --> 00:26:30,080
with some man-made saucer plans from

510
00:26:39,990 --> 00:26:37,350
confirmed by a general what a general

511
00:26:42,870 --> 00:26:40,000
confirmed that a general said that a man

512
00:26:44,630 --> 00:26:42,880
made a flying saucer

513
00:26:46,390 --> 00:26:44,640

oh

514

00:26:47,830 --> 00:26:46,400

wow

515

00:26:50,230 --> 00:26:47,840

well

516

00:26:52,070 --> 00:26:50,240

that's what i thought when i read it so

517

00:26:54,070 --> 00:26:52,080

i've enlisted

518

00:26:56,710 --> 00:26:54,080

the engineer

519

00:26:58,870 --> 00:26:56,720

to come discuss the plans that were

520

00:27:02,149 --> 00:26:58,880

actually outlined in the documents to

521

00:27:06,230 --> 00:27:02,159

see if there's any validity to them at

522

00:27:09,190 --> 00:27:06,240

all and guess what i think you will be

523

00:27:16,750 --> 00:27:09,200

very very surprised so we'll be right

524

00:27:16,760 --> 00:28:07,990

[Music]

525

00:28:12,630 --> 00:28:10,710

yeah that's right now guess what i know

526

00:28:15,350 --> 00:28:12,640

just keep playing clips and songs but

527

00:28:18,149 --> 00:28:15,360

that's what i gotta do because coming up

528

00:28:21,269 --> 00:28:18,159

next is the meat and potatoes the duck

529

00:28:25,590 --> 00:28:23,830

ladies and gentlemen the document of the

530

00:28:32,850 --> 00:28:25,600

day

531

00:28:46,710 --> 00:28:39,830

[Music]

532

00:28:46,720 --> 00:28:51,590

document of the day

533

00:28:56,789 --> 00:28:54,710

doc of the day that's by that you gotta

534

00:28:58,870 --> 00:28:56,799

love the doc of the day doesn't that

535

00:29:01,830 --> 00:28:58,880

just make you happy

536

00:29:04,389 --> 00:29:01,840

makes me happy that's for sure

537

00:29:06,549 --> 00:29:04,399

and you know right now

538

00:29:09,029 --> 00:29:06,559

sitting on the dock of the day

539

00:29:13,590 --> 00:29:09,039

oh that's a good one

540

00:29:17,669 --> 00:29:13,600

nice nice job i think i got actually a

541

00:29:21,909 --> 00:29:17,679

i got a pretty great um

542

00:29:27,669 --> 00:29:24,549

uh maybe not i lost it but i had like

543

00:29:31,669 --> 00:29:27,679

goofy effects that i could play

544

00:29:31,679 --> 00:29:35,750

um wasting time

545

00:29:40,950 --> 00:29:37,750

so what you can do i put the link in the

546

00:29:43,029 --> 00:29:40,960

description of this video um it

547

00:29:45,190 --> 00:29:43,039

discusses

548

00:29:47,750 --> 00:29:45,200

what we're about to look at here so

549

00:29:50,149 --> 00:29:47,760

first we'll start with the townsend

550

00:29:51,510 --> 00:29:50,159

browned

551
00:29:54,389 --> 00:29:51,520
foundation

552
00:29:56,549 --> 00:29:54,399
and i can't zoom in

553
00:29:57,430 --> 00:29:56,559
oops

554
00:30:00,070 --> 00:29:57,440
so

555
00:30:03,669 --> 00:30:00,080
i'm just going to make this full screen

556
00:30:08,389 --> 00:30:05,909
yeah that's pretty big okay

557
00:30:11,110 --> 00:30:08,399
so

558
00:30:13,669 --> 00:30:11,120
check this out office of naval research

559
00:30:15,590 --> 00:30:13,679
pasadena right brief description of the

560
00:30:17,669 --> 00:30:15,600
alleged phenomena

561
00:30:18,630 --> 00:30:17,679
um

562
00:30:20,389 --> 00:30:18,640
so

563
00:30:24,230 --> 00:30:20,399

you know the name that's blacked out is

564

00:30:26,470 --> 00:30:24,240

this townsend person basically so

565

00:30:27,990 --> 00:30:26,480

several ease

566

00:30:30,470 --> 00:30:28,000

claims to have found several new

567

00:30:32,070 --> 00:30:30,480

physical effects considers them to be

568

00:30:33,029 --> 00:30:32,080

interrelated

569

00:30:34,630 --> 00:30:33,039

um

570

00:30:37,430 --> 00:30:34,640

we'll be concerned here with those

571

00:30:39,190 --> 00:30:37,440

relating to the force upon and between

572

00:30:40,789 --> 00:30:39,200

electorally charged bodies in the air

573

00:30:41,830 --> 00:30:40,799

and under oil

574

00:30:45,510 --> 00:30:41,840

so

575

00:30:47,510 --> 00:30:45,520

is probably not the best document to

576
00:30:48,630 --> 00:30:47,520
start with here so these are some of the

577
00:30:50,870 --> 00:30:48,640
plans

578
00:30:53,830 --> 00:30:50,880
of the person

579
00:30:55,750 --> 00:30:53,840
and i'll give you some more context here

580
00:30:57,830 --> 00:30:55,760
when we get to the right document so

581
00:30:59,590 --> 00:30:57,840
when we bring out joe engineer

582
00:31:01,990 --> 00:30:59,600
he's actually gonna

583
00:31:03,669 --> 00:31:02,000
um

584
00:31:07,190 --> 00:31:03,679
you know let us know of you know are

585
00:31:08,789 --> 00:31:07,200
these legit do they work what is it

586
00:31:10,389 --> 00:31:08,799
so you know in the meantime these

587
00:31:12,710 --> 00:31:10,399
documents are on my website which you

588
00:31:15,509 --> 00:31:12,720

can grab yourself in my description if

589

00:31:17,029 --> 00:31:15,519

you want to follow along

590

00:31:21,830 --> 00:31:17,039

you can

591

00:31:26,789 --> 00:31:24,710

march 31st 1952. you know the funny part

592

00:31:28,389 --> 00:31:26,799

about this and actually uh spaghetti

593

00:31:29,990 --> 00:31:28,399

what's up by the way spaghetti good to

594

00:31:31,110 --> 00:31:30,000

see you back brother

595

00:31:33,909 --> 00:31:31,120

um

596

00:31:36,470 --> 00:31:33,919

mention this to me

597

00:31:37,909 --> 00:31:36,480

it's 1952 that was like the biggest year

598

00:31:40,710 --> 00:31:37,919

of all this stuff

599

00:31:45,350 --> 00:31:43,269

and only a couple months before dc and

600

00:31:48,789 --> 00:31:45,360

all that so what does that mean i don't

601
00:31:54,470 --> 00:31:50,070
so

602
00:31:57,190 --> 00:31:54,480
thought

603
00:31:59,190 --> 00:31:57,200
that what he had was

604
00:32:01,029 --> 00:31:59,200
like an anti-gravity

605
00:32:05,269 --> 00:32:01,039
thing right

606
00:32:06,070 --> 00:32:05,279
uh and it turns out that it was

607
00:32:09,750 --> 00:32:06,080
not

608
00:32:11,750 --> 00:32:09,760
into gravity it was like a uh ion

609
00:32:16,070 --> 00:32:11,760
type repulsion

610
00:32:16,080 --> 00:32:20,549
you know it's completely silent

611
00:32:24,230 --> 00:32:22,230
silent you know we always hear that

612
00:32:28,630 --> 00:32:24,240
these reports no noise didn't make a

613
00:32:33,190 --> 00:32:31,190

and these plans like uh the osi when

614

00:32:37,110 --> 00:32:33,200

they went to investigate they

615

00:32:40,870 --> 00:32:37,120

watched like a demonstration i believe

616

00:32:40,880 --> 00:32:47,269

so i'm realizing that i'm missing

617

00:32:51,269 --> 00:32:49,190

like kind of the best meat potato

618

00:32:55,110 --> 00:32:51,279

document here of this which

619

00:32:59,430 --> 00:32:56,950

unless it's um

620

00:33:02,549 --> 00:32:59,440

it's actually the document where uh the

621

00:33:04,149 --> 00:33:02,559

general is

622

00:33:06,789 --> 00:33:04,159

where the general first comes and talks

623

00:33:09,110 --> 00:33:06,799

about this and i posted on my twitter uh

624

00:33:11,669 --> 00:33:09,120

basically it's um

625

00:33:13,269 --> 00:33:11,679

goes in the kind of context of the

626

00:33:15,190 --> 00:33:13,279

generals talking to the other guy he

627

00:33:17,830 --> 00:33:15,200

says listen sir this is going to sound

628

00:33:19,830 --> 00:33:17,840

kind of nutty but uh

629

00:33:23,990 --> 00:33:19,840

i go to this place and the guy's got two

630

00:33:28,070 --> 00:33:24,000

flag saucers in there

631

00:33:31,110 --> 00:33:28,080

and uh the conversation is pretty great

632

00:33:36,070 --> 00:33:31,120

but if you just hang with me

633

00:33:36,080 --> 00:33:41,110

and you know the interesting thing is

634

00:33:47,110 --> 00:33:43,750

they're flying saucers but with

635

00:33:49,909 --> 00:33:47,120

you know that doesn't mean that um

636

00:33:52,470 --> 00:33:49,919

like it's ion propulsion so

637

00:33:54,310 --> 00:33:52,480

it only goes

638

00:33:58,549 --> 00:33:54,320

like the thrust as far as i know it only

639

00:34:00,950 --> 00:33:58,559

goes so fast you know you can't

640

00:34:02,950 --> 00:34:00,960

you know do 90 degree turns and 7 000

641

00:34:08,869 --> 00:34:02,960

miles per hour with it is is what i'm

642

00:34:08,879 --> 00:34:13,430

but then there's more to the story

643

00:34:17,990 --> 00:34:14,869

definitely

644

00:34:21,030 --> 00:34:18,000

so oh my camera got messed up sorry

645

00:34:22,790 --> 00:34:21,040

i kind of liked it there actually

646

00:34:26,869 --> 00:34:22,800

so there is a little more to the story

647

00:34:31,030 --> 00:34:29,750

like short video on friday last week i

648

00:34:34,790 --> 00:34:31,040

don't know if you caught that it was

649

00:34:39,109 --> 00:34:34,800

about uh alexander this alexander guy

650

00:34:42,869 --> 00:34:40,950

and he's working on like the same kind

651
00:34:47,990 --> 00:34:42,879
of stuff afterwards and it turns out

652
00:34:51,430 --> 00:34:49,909
he's designing this stuff

653
00:34:53,909 --> 00:34:51,440
so i'm thinking

654
00:34:56,230 --> 00:34:53,919
wait a minute

655
00:34:59,589 --> 00:34:56,240
did the air force just like freaking

656
00:35:02,630 --> 00:34:59,599
steal this guy's plans

657
00:35:07,430 --> 00:35:02,640
and gave it to this gentleman to work on

658
00:35:12,550 --> 00:35:09,910
and i think possibly that could be the

659
00:35:15,829 --> 00:35:14,550
but i also you know wouldn't know and

660
00:35:18,310 --> 00:35:15,839
that's why we're going to bring on

661
00:35:19,510 --> 00:35:18,320
somebody a lot smarter than me

662
00:35:21,829 --> 00:35:19,520
to

663
00:35:25,109 --> 00:35:21,839

you know let us know about that

664

00:35:26,150 --> 00:35:25,119

because the interesting thing is just

665

00:35:27,030 --> 00:35:26,160

that

666

00:35:30,150 --> 00:35:27,040

so

667

00:35:30,510 --> 00:35:30,160

what i'm going to do here

668

00:35:34,150 --> 00:35:30,520

is

669

00:35:34,160 --> 00:35:42,550

just play a little bit

670

00:35:47,510 --> 00:35:44,870

on july 14th five objects were seen in

671

00:35:49,270 --> 00:35:47,520

less than a two hour period they have

672

00:35:51,190 --> 00:35:49,280

also been observed at various times

673

00:35:53,430 --> 00:35:51,200

since the objects were seen over bitter

674

00:35:55,670 --> 00:35:53,440

rock mountain range the rest of which

675

00:35:57,109 --> 00:35:55,680

forms part of the state boundary between

676

00:35:59,990 --> 00:35:57,119

montana and

677

00:36:05,190 --> 00:36:02,310

this was a letter

678

00:36:07,349 --> 00:36:05,200

it began dear sir in communication from

679

00:36:09,510 --> 00:36:07,359

brigadier general philip blackmore white

680

00:36:11,990 --> 00:36:09,520

sands proving grounds new mexico on

681

00:36:14,950 --> 00:36:12,000

flying saucers my attention was called

682

00:36:21,510 --> 00:36:14,960

to a case at hamilton montana on which

683

00:36:24,950 --> 00:36:23,589

you know actually this document i'm

684

00:36:27,109 --> 00:36:24,960

about to go through is the right

685

00:36:33,829 --> 00:36:27,119

document so this little video actually

686

00:36:40,550 --> 00:36:36,069

secure the typical questions that you

687

00:36:42,390 --> 00:36:40,560

ask people on these ufo reports 200-2

688

00:36:43,510 --> 00:36:42,400

secure the flight direction and confirm

689

00:36:52,310 --> 00:36:43,520

it

690

00:36:57,030 --> 00:36:52,320

these will be available to you

691

00:37:00,790 --> 00:36:59,750

one of the things that mrs blank

692

00:37:02,710 --> 00:37:00,800

wanted

693

00:37:03,589 --> 00:37:02,720

them to do verified that the object

694

00:37:05,670 --> 00:37:03,599

seemed

695

00:37:07,750 --> 00:37:05,680

to change shape while in flight this is

696

00:37:09,990 --> 00:37:07,760

very important and when this information

697

00:37:11,910 --> 00:37:10,000

is later correlated with laboratory

698

00:37:14,230 --> 00:37:11,920

laboratory work involving

699

00:37:16,310 --> 00:37:14,240

focused wave sections the ionization

700

00:37:18,790 --> 00:37:16,320

patterns will already be confirmed from

701
00:37:20,950 --> 00:37:18,800
this witness

702
00:37:25,430 --> 00:37:20,960
so please give the witness mrs blank all

703
00:37:25,440 --> 00:37:31,190
she saw

704
00:37:36,860 --> 00:37:33,670
so i don't think that is actually

705
00:37:39,190 --> 00:37:36,870
uh right either

706
00:37:42,470 --> 00:37:39,200
[Laughter]

707
00:37:45,270 --> 00:37:42,480
man i'm just behind the ball today

708
00:37:47,430 --> 00:37:45,280
um i am sorry about that

709
00:37:49,270 --> 00:37:47,440
kind of uh lat my head

710
00:37:51,510 --> 00:37:49,280
but

711
00:37:54,550 --> 00:37:51,520
the reason i did that video is because

712
00:37:56,870 --> 00:37:54,560
it kind of describes what the things are

713
00:37:59,349 --> 00:37:56,880

that we're kind of talking about

714

00:38:01,030 --> 00:37:59,359

um those are triangles that were

715

00:38:03,030 --> 00:38:01,040

discussed there

716

00:38:07,430 --> 00:38:03,040

they're triangles

717

00:38:14,950 --> 00:38:10,310

they're like mainly floating there's no

718

00:38:19,270 --> 00:38:16,390

and the reason that was interesting to

719

00:38:21,589 --> 00:38:19,280

me is you know triangles i don't know if

720

00:38:22,470 --> 00:38:21,599

you guys have ever heard this but i

721

00:38:24,710 --> 00:38:22,480

heard

722

00:38:27,270 --> 00:38:24,720

and i have no idea if it's true

723

00:38:30,069 --> 00:38:27,280

that the triangles are

724

00:38:35,910 --> 00:38:30,079

ours so if they are

725

00:38:41,030 --> 00:38:37,270

but i don't know what do you guys think

726

00:38:43,829 --> 00:38:41,040

you think the triangles are ours or not

727

00:38:49,510 --> 00:38:43,839

let me know let me know your thoughts

728

00:38:52,310 --> 00:38:51,430

but i don't know seems like they could

729

00:38:55,750 --> 00:38:52,320

be

730

00:38:58,390 --> 00:38:55,760

i'm gonna i just want to find this one

731

00:39:02,150 --> 00:38:58,400

document that points out the generals

732

00:39:05,190 --> 00:39:03,829

and

733

00:39:06,150 --> 00:39:05,200

discussing

734

00:39:08,950 --> 00:39:06,160

this

735

00:39:11,349 --> 00:39:08,960

flying saucer

736

00:39:13,829 --> 00:39:11,359

but you know unfortunately i post a lot

737

00:39:15,349 --> 00:39:13,839

of documents

738

00:39:17,190 --> 00:39:15,359

so

739

00:39:18,870 --> 00:39:17,200

may take a little bit but i'll get there

740

00:39:22,550 --> 00:39:18,880

i'm going to do the scrolling so don't

741

00:39:27,270 --> 00:39:24,470

what did you you know

742

00:39:29,430 --> 00:39:27,280

it's just all pretty crazy that's for

743

00:39:31,349 --> 00:39:29,440

sure

744

00:39:33,910 --> 00:39:31,359

a little bit i'll touch on

745

00:39:35,670 --> 00:39:33,920

um you know kind of rewind i guess for a

746

00:39:38,790 --> 00:39:35,680

second

747

00:39:40,829 --> 00:39:38,800

i'm gonna i want to touch on

748

00:39:42,710 --> 00:39:40,839

like the ossep stuff and the

749

00:39:44,069 --> 00:39:42,720

a-tip i know it's kind of going

750

00:39:45,990 --> 00:39:44,079

backwards but i'm going to talk about

751
00:39:49,109 --> 00:39:46,000
this until i get to where i need to be

752
00:39:52,630 --> 00:39:49,119
in the document stuff

753
00:39:53,670 --> 00:39:52,640
i think people spend

754
00:39:56,310 --> 00:39:53,680
it's just

755
00:39:57,910 --> 00:39:56,320
an opinion you know so don't hate me if

756
00:39:59,750 --> 00:39:57,920
you don't feel this way

757
00:40:02,870 --> 00:39:59,760
but i think people spend a little too

758
00:40:05,270 --> 00:40:02,880
much time on

759
00:40:07,910 --> 00:40:05,280
like those little details that may not

760
00:40:10,309 --> 00:40:07,920
be the same from one person to the other

761
00:40:12,069 --> 00:40:10,319
person you know

762
00:40:13,829 --> 00:40:12,079
because at the end of the day let's say

763
00:40:15,829 --> 00:40:13,839

okay so they're given two conflicting

764

00:40:17,670 --> 00:40:15,839

statements about this or that so what

765

00:40:20,069 --> 00:40:17,680

does that mean you still don't know what

766

00:40:21,910 --> 00:40:20,079

that means

767

00:40:24,470 --> 00:40:21,920

you know it could mean somebody goofed

768

00:40:27,109 --> 00:40:24,480

up and made a mistake it could mean

769

00:40:29,990 --> 00:40:27,119

um you're being misled it could mean

770

00:40:33,430 --> 00:40:30,000

two people were given two different

771

00:40:37,349 --> 00:40:34,950

you know it could mean a lot of

772

00:40:40,710 --> 00:40:37,359

different stuff

773

00:40:45,030 --> 00:40:43,510

it's just not worth it to me to sit here

774

00:40:47,430 --> 00:40:45,040

and figure out

775

00:40:52,550 --> 00:40:50,470

what's this and you know like oh oscep

776

00:40:55,030 --> 00:40:52,560

did this was lou there and they did that

777

00:40:55,910 --> 00:40:55,040

an atip and was that being done like i

778

00:40:57,910 --> 00:40:55,920

don't

779

00:41:01,190 --> 00:40:57,920

you know what's it what difference does

780

00:41:02,470 --> 00:41:01,200

that make in the end as far as truth

781

00:41:04,470 --> 00:41:02,480

you know

782

00:41:08,550 --> 00:41:04,480

i think sometimes we take our eye off

783

00:41:09,349 --> 00:41:08,560

the ball as far as what we really want

784

00:41:11,750 --> 00:41:09,359

right

785

00:41:14,150 --> 00:41:11,760

and what we really want

786

00:41:17,670 --> 00:41:14,160

is

787

00:41:20,470 --> 00:41:18,630

and

788

00:41:21,910 --> 00:41:20,480

if somebody's given a different story

789

00:41:23,670 --> 00:41:21,920

from the other guy

790

00:41:27,030 --> 00:41:23,680

as far as what they did when they were

791

00:41:29,349 --> 00:41:27,040

working for the government i don't know

792

00:41:31,190 --> 00:41:29,359

that it either

793

00:41:32,550 --> 00:41:31,200

i don't know that it i don't know it

794

00:41:34,630 --> 00:41:32,560

just seems like a

795

00:41:36,710 --> 00:41:34,640

way to

796

00:41:40,630 --> 00:41:36,720

nitpick and fight each other on twitter

797

00:41:40,640 --> 00:41:45,109

and who needs more of that

798

00:41:49,670 --> 00:41:47,589

right so it's just like find your own

799

00:41:52,710 --> 00:41:49,680

truth whatever that means if it means

800

00:41:55,349 --> 00:41:52,720

that you have to go and find your own

801
00:41:57,670 --> 00:41:55,359
uh research or documents or find your

802
00:42:00,230 --> 00:41:57,680
own way or whatever like do that

803
00:42:01,270 --> 00:42:00,240
sometimes it gets too messy for me and i

804
00:42:02,950 --> 00:42:01,280
wind up

805
00:42:05,030 --> 00:42:02,960
not paying attention what's even

806
00:42:07,190 --> 00:42:05,040
happening because you know it's

807
00:42:09,109 --> 00:42:07,200
impossible to make heads or tails of it

808
00:42:13,349 --> 00:42:09,119
in the end so what's the point of

809
00:42:20,390 --> 00:42:14,390
you know

810
00:42:23,589 --> 00:42:22,390
you could even say

811
00:42:27,990 --> 00:42:23,599
that

812
00:42:28,000 --> 00:42:33,030
you know

813
00:42:36,470 --> 00:42:34,630

uh back to the triangles experiencer

814

00:42:38,710 --> 00:42:36,480

group what's up

815

00:42:41,670 --> 00:42:38,720

uh they're usually seen either hovering

816

00:42:44,309 --> 00:42:41,680

or flag fast to sell super low seemingly

817

00:42:46,470 --> 00:42:44,319

under conventional radar range within a

818

00:42:47,589 --> 00:42:46,480

couple hundred feet of the ground

819

00:42:50,630 --> 00:42:47,599

yes

820

00:42:53,109 --> 00:42:50,640

you know the interesting part of that um

821

00:42:54,710 --> 00:42:53,119

you know what we're gonna talk about

822

00:42:56,069 --> 00:42:54,720

even though i don't think can go very

823

00:42:58,390 --> 00:42:56,079

fast but

824

00:42:59,100 --> 00:42:58,400

um

825

00:43:01,750 --> 00:42:59,110

it can

826

00:43:06,550 --> 00:43:01,760

[Music]

827

00:43:12,069 --> 00:43:08,069

so that's pretty interesting so it

828

00:43:13,270 --> 00:43:12,079

almost has all of this stuff other than

829

00:43:15,910 --> 00:43:13,280

you know

830

00:43:17,510 --> 00:43:15,920

flag fest itself

831

00:43:19,349 --> 00:43:17,520

and i would think that's you know pretty

832

00:43:20,150 --> 00:43:19,359

big part of it

833

00:43:23,190 --> 00:43:20,160

right

834

00:43:27,270 --> 00:43:23,200

but this was also in 1952 so who's to

835

00:43:29,589 --> 00:43:27,280

say they haven't figured out a way it to

836

00:43:35,349 --> 00:43:29,599

do that make it flying

837

00:43:38,950 --> 00:43:37,270

yeah that's right megan good point yeah

838

00:43:42,069 --> 00:43:38,960

we had that conversation with david

839

00:43:43,910 --> 00:43:42,079

marler super triangle dude you know he

840

00:43:45,750 --> 00:43:43,920

said something very interesting is he

841

00:43:48,309 --> 00:43:45,760

doesn't have one

842

00:43:49,910 --> 00:43:48,319

document of a triangle

843

00:43:52,790 --> 00:43:49,920

landing

844

00:43:57,589 --> 00:43:55,589

that's interesting isn't it

845

00:43:59,670 --> 00:43:57,599

um all the documents i've went through

846

00:44:00,790 --> 00:43:59,680

recently i haven't seen one

847

00:44:02,710 --> 00:44:00,800

i've seen

848

00:44:06,550 --> 00:44:02,720

a lot of you know

849

00:44:07,430 --> 00:44:06,560

supposed crashes of saucers yes

850

00:44:14,710 --> 00:44:07,440

or

851
00:44:17,750 --> 00:44:14,720
know

852
00:44:19,430 --> 00:44:17,760
so that's kind of interesting

853
00:44:21,670 --> 00:44:19,440
yeah

854
00:44:24,470 --> 00:44:21,680
good point david is super interesting

855
00:44:26,950 --> 00:44:24,480
amazing archive did you know he's like a

856
00:44:30,470 --> 00:44:26,960
sleep doctor

857
00:44:35,430 --> 00:44:33,030
um yeah megan so what i'm talking about

858
00:44:37,670 --> 00:44:35,440
is in the us

859
00:44:43,190 --> 00:44:37,680
so he doesn't have one of one landing in

860
00:44:46,390 --> 00:44:45,349
uh what's that case

861
00:44:50,470 --> 00:44:46,400
in

862
00:44:54,950 --> 00:44:52,550
right

863
00:44:56,710 --> 00:44:54,960

where it was there

864

00:44:58,630 --> 00:44:56,720

there's audio of it if you haven't heard

865

00:45:01,030 --> 00:44:58,640

it you can download the audio the army

866

00:45:03,670 --> 00:45:01,040

guy or whatever air force guy actually

867

00:45:05,829 --> 00:45:03,680

recorded them going up upon these lights

868

00:45:08,550 --> 00:45:05,839

which wound up being this triangle and

869

00:45:12,870 --> 00:45:08,560

then the story gets really juicy when

870

00:45:19,750 --> 00:45:14,950

and he wrote down like the symbols that

871

00:45:24,069 --> 00:45:21,910

so

872

00:45:26,630 --> 00:45:24,079

you know i guess who's to say we can't

873

00:45:29,270 --> 00:45:26,640

really know at this point but

874

00:45:31,109 --> 00:45:29,280

it's fun to speculate

875

00:45:33,829 --> 00:45:31,119

um

876

00:45:35,990 --> 00:45:33,839

uso triangle yeah we hear the story

877

00:45:37,910 --> 00:45:36,000

about

878

00:45:39,750 --> 00:45:37,920

there's even like a picture that i don't

879

00:45:41,829 --> 00:45:39,760

know if anyone's officially debunked it

880

00:45:45,990 --> 00:45:41,839

or not but it's of a triangle coming out

881

00:45:51,510 --> 00:45:47,829

very interesting

882

00:45:53,109 --> 00:45:51,520

and you know the reason i'm i've been on

883

00:45:56,309 --> 00:45:53,119

this uh

884

00:45:57,990 --> 00:45:56,319

on this tip the triangle tip right

885

00:45:59,829 --> 00:45:58,000

uh it could be ours right well for a

886

00:46:02,390 --> 00:45:59,839

couple of reasons but i i'll really just

887

00:46:05,910 --> 00:46:02,400

go into the main one which is

888

00:46:05,920 --> 00:46:09,510

secret machines

889

00:46:14,069 --> 00:46:10,710

right

890

00:46:15,510 --> 00:46:14,079

i don't know if you've read it but

891

00:46:17,270 --> 00:46:15,520

he has

892

00:46:20,069 --> 00:46:17,280

gone into like what the things are

893

00:46:22,790 --> 00:46:20,079

throughout the whole story

894

00:46:26,150 --> 00:46:22,800

and the triangles if you go by that book

895

00:46:30,069 --> 00:46:26,160

are ours and the spaceships are aliens

896

00:46:32,230 --> 00:46:30,079

and there's like a hatchet type thing

897

00:46:34,150 --> 00:46:32,240

i don't know

898

00:46:36,870 --> 00:46:34,160

i think that's where it is

899

00:46:38,470 --> 00:46:36,880

but anyways and a pilot winds up uh you

900

00:46:40,550 --> 00:46:38,480

know flying the thing and they tell the

901
00:46:42,069 --> 00:46:40,560
story of him going to you know places

902
00:46:44,309 --> 00:46:42,079
all around the world it's quite fun

903
00:46:46,230 --> 00:46:44,319
actually especially to put yourself um

904
00:46:47,510 --> 00:46:46,240
mentally in that situation close your

905
00:46:49,190 --> 00:46:47,520
eyes you know

906
00:46:52,390 --> 00:46:49,200
it's a book on tape so i just got to

907
00:46:57,670 --> 00:46:54,870
uh yeah that's a good point i don't even

908
00:46:58,870 --> 00:46:57,680
know if he does or or doesn't but just

909
00:47:03,109 --> 00:46:58,880
not make

910
00:47:10,390 --> 00:47:05,589
i have no idea he seems like a good

911
00:47:16,630 --> 00:47:12,630
if they are ours why don't you use them

912
00:47:21,030 --> 00:47:18,309
sure

913
00:47:21,040 --> 00:47:25,910

that would be more up to you know

914

00:47:35,030 --> 00:47:28,630

you know the powers that be

915

00:47:39,190 --> 00:47:37,349

um i'm a little behind on what you guys

916

00:47:41,190 --> 00:47:39,200

are talking about but that seems to make

917

00:47:43,829 --> 00:47:41,200

sense yes

918

00:47:46,630 --> 00:47:44,870

definitely

919

00:47:49,190 --> 00:47:46,640

oh here's is it

920

00:47:50,790 --> 00:47:49,200

uh louis pitching ai ufo detection

921

00:47:52,870 --> 00:47:50,800

software now

922

00:47:55,109 --> 00:47:52,880

uh how can we train that how to know

923

00:47:58,230 --> 00:47:55,119

what's real in the first place whoa well

924

00:48:00,630 --> 00:47:58,240

that is way beyond me first of all

925

00:48:04,829 --> 00:48:00,640

because i'm real intelligence although i

926
00:48:07,589 --> 00:48:04,839
made a song called ai a few years

927
00:48:09,910 --> 00:48:07,599
back um

928
00:48:11,990 --> 00:48:09,920
but yeah that's interesting so i mean in

929
00:48:13,430 --> 00:48:12,000
the presentation he gave you know he

930
00:48:15,270 --> 00:48:13,440
shows a picture

931
00:48:18,390 --> 00:48:15,280
with a black craft

932
00:48:20,309 --> 00:48:18,400
and you know a black disc

933
00:48:22,630 --> 00:48:20,319
so right away i was thinking you know

934
00:48:24,630 --> 00:48:22,640
not to be smart ass but i was thinking

935
00:48:27,109 --> 00:48:24,640
uh well first of all

936
00:48:30,069 --> 00:48:27,119
it's not real because they're they don't

937
00:48:32,390 --> 00:48:30,079
they're never black discs

938
00:48:35,030 --> 00:48:32,400

they're sometimes i've maybe heard dark

939

00:48:36,309 --> 00:48:35,040

gray but those are silver shiny metallic

940

00:48:37,589 --> 00:48:36,319

discs right

941

00:48:39,990 --> 00:48:37,599

um

942

00:48:42,430 --> 00:48:40,000

so right away i was like that ain't real

943

00:48:44,630 --> 00:48:42,440

even though it did look super real

944

00:48:46,390 --> 00:48:44,640

[Laughter]

945

00:48:48,790 --> 00:48:46,400

it it did look

946

00:48:50,760 --> 00:48:48,800

pretty legit like to where i was

947

00:48:51,910 --> 00:48:50,770

thinking like is this gonna be a real

948

00:48:53,910 --> 00:48:51,920

[Music]

949

00:48:55,990 --> 00:48:53,920

and actually is he giving us an actual

950

00:48:57,510 --> 00:48:56,000

real thing here and of course the answer

951
00:48:59,829 --> 00:48:57,520
is no but

952
00:49:02,710 --> 00:48:59,839
and then the ai picks up on it figures

953
00:49:05,589 --> 00:49:02,720
out it's a tent

954
00:49:11,510 --> 00:49:06,950
but that would be cool to get some

955
00:49:15,109 --> 00:49:13,270
like if that turned into a video of a

956
00:49:18,549 --> 00:49:15,119
triangle flying around i think that's

957
00:49:25,430 --> 00:49:18,559
exactly what everyone is like

958
00:49:25,440 --> 00:49:29,589
uh we get the blurry stuff so whatever

959
00:49:33,430 --> 00:49:32,630
and um i'm not gonna get into that

960
00:49:35,670 --> 00:49:33,440
but

961
00:49:38,870 --> 00:49:35,680
that's what happens

962
00:49:41,190 --> 00:49:38,880
so uh we're gonna have joe on in a

963
00:49:44,470 --> 00:49:41,200

second here

964

00:49:46,790 --> 00:49:44,480

and we're going to

965

00:49:49,430 --> 00:49:46,800

bring the smart guy

966

00:49:51,510 --> 00:49:49,440

to talk about uh those plans so if you

967

00:49:52,790 --> 00:49:51,520

want again you can kind of

968

00:49:55,190 --> 00:49:52,800

catch up with everything in the

969

00:49:56,710 --> 00:49:55,200

description of this video

970

00:49:57,990 --> 00:49:56,720

and the documents are there too if you

971

00:49:59,589 --> 00:49:58,000

want to follow along if you're an

972

00:50:03,589 --> 00:49:59,599

engineer you can follow along those

973

00:50:07,030 --> 00:50:03,599

plans um you know after we do our thing

974

00:50:09,510 --> 00:50:07,040

quick um or whatever you are free to ask

975

00:50:11,670 --> 00:50:09,520

him you know stuff if he can answer

976
00:50:13,510 --> 00:50:11,680
great if he can he can't

977
00:50:15,270 --> 00:50:13,520
but i'm super

978
00:50:16,230 --> 00:50:15,280
thankful that he's doing this because

979
00:50:18,470 --> 00:50:16,240
you know

980
00:50:20,309 --> 00:50:18,480
i see that and i don't know what to make

981
00:50:24,069 --> 00:50:20,319
of it like

982
00:50:24,079 --> 00:50:27,829
so

983
00:50:27,839 --> 00:50:31,109
i'm just going to take a

984
00:50:36,230 --> 00:50:33,589
quick break and bring him back on max

985
00:50:37,990 --> 00:50:36,240
and the icer guy

986
00:50:40,790 --> 00:50:38,000
cool

987
00:50:43,750 --> 00:50:40,800
yeah you know to get their uh little

988
00:50:44,790 --> 00:50:43,760

things going on there um

989

00:50:46,950 --> 00:50:44,800

and

990

00:50:49,670 --> 00:50:46,960

you know i don't really seem to take

991

00:50:50,549 --> 00:50:49,680

part in that so i'm doing my thing over

992

00:50:52,829 --> 00:50:50,559

here

993

00:50:55,190 --> 00:50:52,839

which is

994

00:50:57,190 --> 00:50:55,200

cool it's bad

995

00:50:58,950 --> 00:50:57,200

you know i hope whatever that they're

996

00:51:00,710 --> 00:50:58,960

working on

997

00:51:01,910 --> 00:51:00,720

goes really

998

00:51:04,950 --> 00:51:01,920

well

999

00:51:06,309 --> 00:51:04,960

and that we get some good stuff from it

1000

00:51:09,109 --> 00:51:06,319

i know icer

1001
00:51:09,910 --> 00:51:09,119
works their butt off

1002
00:51:12,950 --> 00:51:09,920
um

1003
00:51:14,790 --> 00:51:12,960
blue works his butt off so

1004
00:51:16,470 --> 00:51:14,800
you know i hope that all pays off in a

1005
00:51:18,470 --> 00:51:16,480
way that really in the end can be

1006
00:51:20,470 --> 00:51:18,480
transparent to the public so

1007
00:51:22,710 --> 00:51:20,480
you know we can

1008
00:51:24,630 --> 00:51:22,720
have some sort of confidence in what we

1009
00:51:26,710 --> 00:51:24,640
believe

1010
00:51:29,430 --> 00:51:26,720
you know

1011
00:51:30,790 --> 00:51:29,440
does that make sense

1012
00:51:32,950 --> 00:51:30,800
because i think that in the end that's

1013
00:51:34,950 --> 00:51:32,960

the thing right like uh what we're given

1014

00:51:37,910 --> 00:51:34,960

mandates all this stuff the government

1015

00:51:39,030 --> 00:51:37,920

you know admitted uaps cool great that's

1016

00:51:40,950 --> 00:51:39,040

awesome

1017

00:51:43,829 --> 00:51:40,960

but it doesn't you know give anyone

1018

00:51:46,150 --> 00:51:43,839

confidence in certain things you know

1019

00:51:48,069 --> 00:51:46,160

like not in the people but just like

1020

00:51:51,670 --> 00:51:48,079

what it is

1021

00:51:53,270 --> 00:51:51,680

or what it looks like or

1022

00:51:54,230 --> 00:51:53,280

or what it can do

1023

00:51:56,390 --> 00:51:54,240

you know

1024

00:51:57,510 --> 00:51:56,400

and there's a lot of reasons for that

1025

00:52:01,510 --> 00:51:57,520

government doesn't have a good

1026

00:52:06,549 --> 00:52:03,990

uh reports that you can just go on the

1027

00:52:09,910 --> 00:52:06,559

cia's website that describe how can we

1028

00:52:11,030 --> 00:52:09,920

use this for psychological warfare

1029

00:52:13,510 --> 00:52:11,040

you know

1030

00:52:15,829 --> 00:52:13,520

like sure it was forever ago but they

1031

00:52:19,430 --> 00:52:15,839

did it they thought of it so you know

1032

00:52:21,430 --> 00:52:19,440

how are we supposed to know that

1033

00:52:23,109 --> 00:52:21,440

they don't still think of things that

1034

00:52:24,390 --> 00:52:23,119

way you know

1035

00:52:26,470 --> 00:52:24,400

it doesn't mean

1036

00:52:27,670 --> 00:52:26,480

you know louis or anybody else is or

1037

00:52:29,829 --> 00:52:27,680

isn't but

1038

00:52:31,670 --> 00:52:29,839

you know other people or whatnot i don't

1039

00:52:34,230 --> 00:52:31,680

know

1040

00:52:36,069 --> 00:52:34,240

gets complicated right gets so

1041

00:52:38,230 --> 00:52:36,079

complicated

1042

00:52:39,430 --> 00:52:38,240

but you know there's one thing

1043

00:52:41,589 --> 00:52:39,440

um

1044

00:52:43,190 --> 00:52:41,599

and i'm mainly talking for people who

1045

00:52:44,950 --> 00:52:43,200

haven't had an experience that kind of

1046

00:52:47,109 --> 00:52:44,960

proved a little something to them

1047

00:52:48,390 --> 00:52:47,119

already you know like it's happened to

1048

00:52:51,190 --> 00:52:48,400

me i know that

1049

00:52:54,790 --> 00:52:51,200

i'm 100 confident something happened

1050

00:52:56,230 --> 00:52:54,800

um because i've had that

1051
00:52:59,030 --> 00:52:56,240
but you know i'm still left with not

1052
00:53:01,750 --> 00:52:59,040
knowing really what it is or why or what

1053
00:53:11,190 --> 00:53:01,760
it was

1054
00:53:13,030 --> 00:53:11,200
so

1055
00:53:16,870 --> 00:53:13,040
i don't know

1056
00:53:19,670 --> 00:53:18,790
what

1057
00:53:21,510 --> 00:53:19,680
oh

1058
00:53:23,589 --> 00:53:21,520
sweet

1059
00:53:27,990 --> 00:53:23,599
we got

1060
00:53:30,790 --> 00:53:28,000
pretty cool thing about to go down

1061
00:53:33,510 --> 00:53:30,800
i did want to

1062
00:53:37,430 --> 00:53:33,520
do something quick

1063
00:53:39,349 --> 00:53:37,440

and what that is is really

1064

00:53:43,510 --> 00:53:39,359

i have to go to the bathroom i'm sorry

1065

00:53:48,470 --> 00:53:46,710

i gotta go bathroom so what i'm gonna do

1066

00:53:53,270 --> 00:53:48,480

is

1067

00:53:54,630 --> 00:53:53,280

just take a quick breather to go do that

1068

00:53:57,190 --> 00:53:54,640

and

1069

00:53:59,589 --> 00:53:57,200

do

1070

00:53:59,599 --> 00:54:03,829

just uh take a little break

1071

00:54:06,549 --> 00:54:04,720

back in

1072

00:54:11,910 --> 00:54:06,559

[Music]

1073

00:54:11,920 --> 00:54:16,150

i guess it means something

1074

00:54:16,160 --> 00:54:21,430

that you get upset and start running

1075

00:54:26,549 --> 00:54:24,390

i'll take your advice to the queens and

1076
00:54:29,589 --> 00:54:26,559
i'll accidentally leave it there on

1077
00:54:37,920 --> 00:54:33,910
i got ufos on my mind

1078
00:54:50,549 --> 00:54:37,930
is it even raining on me so right above

1079
00:54:52,510 --> 00:54:50,559
[Music]

1080
00:55:03,349 --> 00:54:52,520
is it even raining on me

1081
00:55:12,710 --> 00:55:03,359
[Music]

1082
00:55:12,720 --> 00:55:17,770
is

1083
00:55:25,270 --> 00:55:20,230
[Music]

1084
00:55:38,140 --> 00:55:29,200
i got ufos on my mind

1085
00:56:02,549 --> 00:55:59,750
[Music]

1086
00:56:11,670 --> 00:56:02,559
leave it there on purpose is it even

1087
00:56:11,680 --> 00:56:21,589
[Music]

1088
00:56:21,599 --> 00:56:27,030

with time comes now

1089

00:56:36,549 --> 00:56:31,270

i guess it means something

1090

00:56:41,670 --> 00:56:39,349

i'll take your advice to the cleaners

1091

00:56:42,870 --> 00:56:41,680

and i'll accidentally leave it there on

1092

00:56:46,150 --> 00:56:42,880

purpose

1093

00:56:48,710 --> 00:56:46,160

all right cool so thanks uh for being

1094

00:56:50,230 --> 00:56:48,720

cool there giving me a break so without

1095

00:56:52,789 --> 00:56:50,240

further

1096

00:56:55,910 --> 00:56:52,799

ado oh basically i should say this thank

1097

00:56:58,470 --> 00:56:55,920

you joshua remember sweet i'm going to

1098

00:57:01,030 --> 00:56:58,480

get to work on doing stuff for that and

1099

00:57:03,990 --> 00:57:01,040

spaghetti good to see you yes

1100

00:57:05,829 --> 00:57:04,000

everybody else surf psych

1101
00:57:09,589 --> 00:57:05,839
everybody

1102
00:57:13,589 --> 00:57:11,109
what's up joe how you doing

1103
00:57:16,390 --> 00:57:13,599
good how are you good yeah can you hear

1104
00:57:18,309 --> 00:57:16,400
me okay yeah again hear me okay i

1105
00:57:19,990 --> 00:57:18,319
haven't done this before so i'm kind of

1106
00:57:21,670 --> 00:57:20,000
like working through the tech on this

1107
00:57:22,789 --> 00:57:21,680
part of it you're great

1108
00:57:24,390 --> 00:57:22,799
yeah

1109
00:57:26,710 --> 00:57:24,400
if it sounds like i've got an echo or

1110
00:57:28,789 --> 00:57:26,720
anything i'll uh try to adjust the

1111
00:57:30,390 --> 00:57:28,799
volume or something but

1112
00:57:32,390 --> 00:57:30,400
it sounds good ben

1113
00:57:36,230 --> 00:57:32,400

sounds real good hey you're a handsome

1114

00:57:40,390 --> 00:57:38,309

yeah so

1115

00:57:42,230 --> 00:57:40,400

you know we were talking on twitter just

1116

00:57:43,910 --> 00:57:42,240

uh a little bit back and forth and when

1117

00:57:45,030 --> 00:57:43,920

this came up when i came into these

1118

00:57:45,910 --> 00:57:45,040

documents

1119

00:57:47,270 --> 00:57:45,920

um

1120

00:57:50,309 --> 00:57:47,280

you know and it looked like gibberish to

1121

00:57:53,510 --> 00:57:50,319

me but i was just so curious about like

1122

00:57:55,030 --> 00:57:53,520

um the validity of those and for those

1123

00:57:56,789 --> 00:57:55,040

of you if you're just joining us we're

1124

00:57:59,349 --> 00:57:56,799

talking about those townsend

1125

00:58:01,750 --> 00:57:59,359

uh brown foundation documents where it's

1126
00:58:02,710 --> 00:58:01,760
a man made like flank saucer and in

1127
00:58:07,349 --> 00:58:02,720
general

1128
00:58:11,270 --> 00:58:07,359
office and he tells them i went to this

1129
00:58:12,710 --> 00:58:11,280
place and there's two flying saucers

1130
00:58:15,589 --> 00:58:12,720
flying discs

1131
00:58:17,430 --> 00:58:15,599
um and basically they wind up you know

1132
00:58:19,670 --> 00:58:17,440
meet this guy investigating checking it

1133
00:58:21,349 --> 00:58:19,680
out and everything like that so

1134
00:58:22,870 --> 00:58:21,359
um

1135
00:58:25,030 --> 00:58:22,880
first of all

1136
00:58:27,430 --> 00:58:25,040
like the story if i'm you know correct

1137
00:58:29,670 --> 00:58:27,440
me if i'm wrong but the townsend guy

1138
00:58:31,430 --> 00:58:29,680

thought it was anti-gravity but in

1139

00:58:34,789 --> 00:58:31,440

reality it was

1140

00:58:37,430 --> 00:58:34,799

uh an ion-based propulsion

1141

00:58:39,510 --> 00:58:37,440

that's correct yeah oh so tell me a

1142

00:58:41,030 --> 00:58:39,520

little bit about what you found out with

1143

00:58:44,069 --> 00:58:41,040

uh

1144

00:58:46,630 --> 00:58:44,079

with that and and looking at those plans

1145

00:58:48,789 --> 00:58:46,640

so from from looking at the documents

1146

00:58:50,710 --> 00:58:48,799

it's clear that

1147

00:58:53,349 --> 00:58:50,720

there was some interest here because the

1148

00:58:56,069 --> 00:58:53,359

one general i don't recall specifically

1149

00:58:59,030 --> 00:58:56,079

which one what his name was but he was

1150

00:59:00,950 --> 00:58:59,040

uh a witness to one of the tests that

1151

00:59:02,230 --> 00:59:00,960

they were actually doing

1152

00:59:04,950 --> 00:59:02,240

so

1153

00:59:06,789 --> 00:59:04,960

he saw it firsthand saw that it was

1154

00:59:08,870 --> 00:59:06,799

working and

1155

00:59:10,069 --> 00:59:08,880

it drew a lot of questions from him and

1156

00:59:11,430 --> 00:59:10,079

he thought it was something that they

1157

00:59:12,870 --> 00:59:11,440

should investigate

1158

00:59:15,430 --> 00:59:12,880

which caused

1159

00:59:17,750 --> 00:59:15,440

that research division to

1160

00:59:19,510 --> 00:59:17,760

look into it and

1161

00:59:22,150 --> 00:59:19,520

their conclusion

1162

00:59:24,069 --> 00:59:22,160

uh while different from townsend

1163

00:59:26,150 --> 00:59:24,079

um you know they they obviously had some

1164

00:59:27,829 --> 00:59:26,160

initial skepticism but

1165

00:59:29,990 --> 00:59:27,839

um from looking through

1166

00:59:33,030 --> 00:59:30,000

their research and and you know they

1167

00:59:34,950 --> 00:59:33,040

even conclude that well it works but not

1168

00:59:37,829 --> 00:59:34,960

for the same reason that townsend

1169

00:59:39,430 --> 00:59:37,839

thought it worked and and um

1170

00:59:41,990 --> 00:59:39,440

there's probably still people to this

1171

00:59:44,069 --> 00:59:42,000

day that that think maybe it is

1172

00:59:45,750 --> 00:59:44,079

anti-gravity but um

1173

00:59:46,870 --> 00:59:45,760

it is a pretty well known phenomenon at

1174

00:59:47,910 --> 00:59:46,880

this point

1175

00:59:50,710 --> 00:59:47,920

um

1176

00:59:52,870 --> 00:59:50,720

it you know it is it is ionic wind which

1177

00:59:55,109 --> 00:59:52,880

ionic propulsion and

1178

00:59:56,549 --> 00:59:55,119

what's interesting about it is

1179

00:59:58,069 --> 00:59:56,559

he doesn't really get a lot of credit

1180

00:59:59,670 --> 00:59:58,079

for finding it

1181

01:00:02,069 --> 00:59:59,680

and knitting

1182

01:00:04,710 --> 01:00:02,079

even though he uh

1183

01:00:06,870 --> 01:00:04,720

he had found or in he basically

1184

01:00:09,030 --> 01:00:06,880

discovered this effect

1185

01:00:11,430 --> 01:00:09,040

he gets almost no credit for it because

1186

01:00:12,870 --> 01:00:11,440

he had called it the wrong thing and i

1187

01:00:14,390 --> 01:00:12,880

don't think that that's really fair to

1188

01:00:15,589 --> 01:00:14,400

him or

1189

01:00:17,430 --> 01:00:15,599

any of the

1190

01:00:18,870 --> 01:00:17,440

other individuals that were assisting

1191

01:00:21,270 --> 01:00:18,880

him in the effort because there was a

1192

01:00:23,430 --> 01:00:21,280

whole foundation there that was actually

1193

01:00:25,190 --> 01:00:23,440

uh participating in this it wasn't just

1194

01:00:28,309 --> 01:00:25,200

him and

1195

01:00:31,510 --> 01:00:28,319

he had a uh he had an astronomer um that

1196

01:00:33,750 --> 01:00:31,520

a professor of astronomy that that was

1197

01:00:34,789 --> 01:00:33,760

also assisting him in his uh efforts

1198

01:00:36,950 --> 01:00:34,799

there and

1199

01:00:38,870 --> 01:00:36,960

in any case the design

1200

01:00:41,030 --> 01:00:38,880

specifications that are listed

1201

01:00:43,430 --> 01:00:41,040

are interesting and and you can tell

1202

01:00:45,910 --> 01:00:43,440

that they're from the time if that makes

1203

01:00:47,589 --> 01:00:45,920

any sense we have more efficient power

1204

01:00:49,109 --> 01:00:47,599

supplies now

1205

01:00:50,230 --> 01:00:49,119

uh back then it would have been really

1206

01:00:53,349 --> 01:00:50,240

difficult

1207

01:00:55,990 --> 01:00:53,359

to do this on a moving craft like with

1208

01:00:58,630 --> 01:00:56,000

sustained propulsion

1209

01:01:00,470 --> 01:00:58,640

the type of voltage source required for

1210

01:01:02,950 --> 01:01:00,480

something like this is in the realm of

1211

01:01:04,789 --> 01:01:02,960

30 to 50 kv minimum

1212

01:01:06,710 --> 01:01:04,799

and that's just not something that's

1213

01:01:09,510 --> 01:01:06,720

super easy to do especially back in the

1214

01:01:11,270 --> 01:01:09,520

day storing that type of

1215

01:01:13,270 --> 01:01:11,280

i mean even if you look

1216

01:01:15,510 --> 01:01:13,280

just in the last 20 years how much

1217

01:01:16,789 --> 01:01:15,520

battery tech has come along you know

1218

01:01:18,870 --> 01:01:16,799

tesla's and

1219

01:01:21,030 --> 01:01:18,880

the electric cars can go a lot further

1220

01:01:23,510 --> 01:01:21,040

now and you know so it's it's just one

1221

01:01:25,910 --> 01:01:23,520

of those things it's improved with the

1222

01:01:27,430 --> 01:01:25,920

tech but um back in the day

1223

01:01:30,230 --> 01:01:27,440

would have been difficult to make it uh

1224

01:01:32,710 --> 01:01:30,240

on a moving vehicle at the time um i

1225

01:01:34,950 --> 01:01:32,720

know they did try and they they

1226

01:01:37,270 --> 01:01:34,960

were more had it set up and their test

1227

01:01:40,069 --> 01:01:37,280

apparatus is like a stationary thing it

1228

01:01:40,870 --> 01:01:40,079

can only move with certain space

1229

01:01:41,670 --> 01:01:40,880

um

1230

01:01:43,990 --> 01:01:41,680

okay

1231

01:01:46,230 --> 01:01:44,000

they even looked at doing this in in

1232

01:01:49,190 --> 01:01:46,240

another type of fluid besides air

1233

01:01:51,030 --> 01:01:49,200

um the effect holds in oil as well

1234

01:01:53,349 --> 01:01:51,040

so that was pretty interesting

1235

01:01:55,430 --> 01:01:53,359

interesting so

1236

01:01:58,150 --> 01:01:55,440

from what you can tell

1237

01:02:00,870 --> 01:01:58,160

this thing wasn't responsible for like

1238

01:02:03,270 --> 01:02:00,880

the dc sightings

1239

01:02:04,829 --> 01:02:03,280

correct

1240

01:02:07,109 --> 01:02:04,839

okay good to

1241

01:02:09,190 --> 01:02:07,119

know um

1242

01:02:12,309 --> 01:02:09,200

now the other thing that was interesting

1243

01:02:14,630 --> 01:02:12,319

is the alexander's part

1244

01:02:16,069 --> 01:02:14,640

and what well he was kind of doing the

1245

01:02:17,349 --> 01:02:16,079

same thing

1246

01:02:21,829 --> 01:02:17,359

um

1247

01:02:23,670 --> 01:02:21,839

u.s air force guy

1248

01:02:25,109 --> 01:02:23,680

and he was like um

1249

01:02:26,309 --> 01:02:25,119

and there's videos on him you can check

1250

01:02:28,950 --> 01:02:26,319

him out

1251

01:02:30,630 --> 01:02:28,960

where he's got like the string up to it

1252

01:02:32,789 --> 01:02:30,640

it's almost like he ignites it or

1253

01:02:36,549 --> 01:02:32,799

something and then it rises up real slow

1254

01:02:38,309 --> 01:02:36,559

and hovers um is that like the same

1255

01:02:39,349 --> 01:02:38,319

kind of design or whatever

1256

01:02:41,109 --> 01:02:39,359

it's

1257

01:02:42,549 --> 01:02:41,119

related to the same exact principles

1258

01:02:44,710 --> 01:02:42,559

it's you can tell that there's some

1259

01:02:47,190 --> 01:02:44,720

changes to design but

1260

01:02:50,150 --> 01:02:47,200

fairness you can make the assumption

1261

01:02:53,109 --> 01:02:50,160

that the principles described and maybe

1262

01:02:54,309 --> 01:02:53,119

even investigated due to the townsend

1263

01:02:55,029 --> 01:02:54,319

exposure

1264

01:02:57,349 --> 01:02:55,039

is

1265

01:03:00,390 --> 01:02:57,359

there you know there's a link clear link

1266

01:03:03,109 --> 01:03:00,400

yeah so it's like they just stole dude's

1267

01:03:05,270 --> 01:03:03,119

plans

1268

01:03:07,829 --> 01:03:05,280

basically

1269

01:03:10,470 --> 01:03:07,839

yeah that's that's very interesting um

1270

01:03:12,630 --> 01:03:10,480

like it's in a patent law right so

1271

01:03:15,430 --> 01:03:12,640

he tried to submit his patents

1272

01:03:17,670 --> 01:03:15,440

he was submitting them under like a

1273

01:03:19,029 --> 01:03:17,680

anti-gravity type

1274

01:03:19,829 --> 01:03:19,039

propulsion

1275

01:03:21,349 --> 01:03:19,839

so

1276

01:03:23,270 --> 01:03:21,359

it's still unfair because you know this

1277

01:03:25,430 --> 01:03:23,280

guy found this thing and

1278

01:03:27,349 --> 01:03:25,440

and then you know someone else took the

1279

01:03:28,230 --> 01:03:27,359

idea almost

1280

01:03:32,549 --> 01:03:28,240

yeah

1281

01:03:35,670 --> 01:03:32,559

basically in uh the townsend um

1282

01:03:37,510 --> 01:03:35,680

townsend brown what is his name he

1283

01:03:39,750 --> 01:03:37,520

yeah they he was kind of mocked a little

1284

01:03:41,270 --> 01:03:39,760

bit by other scientists didn't they say

1285

01:03:42,710 --> 01:03:41,280

like this is never gonna work or

1286

01:03:45,029 --> 01:03:42,720

whatever

1287

01:03:46,710 --> 01:03:45,039

right which is why his test facility was

1288

01:03:48,710 --> 01:03:46,720

important for him because

1289

01:03:50,630 --> 01:03:48,720

being able to actually show that even if

1290

01:03:52,549 --> 01:03:50,640

he even if he was wrong about what was

1291

01:03:56,390 --> 01:03:52,559

going on he was correct that there was

1292

01:03:59,029 --> 01:03:56,400

an effect there and uh it was observable

1293

01:04:00,950 --> 01:03:59,039

yeah and he never like even

1294

01:04:03,029 --> 01:04:00,960

finished college or anything either he

1295

01:04:05,349 --> 01:04:03,039

was just like a part of a rich family i

1296

01:04:07,589 --> 01:04:05,359

think if i remember correctly

1297

01:04:10,710 --> 01:04:07,599

um and kind of a recluse and just did

1298

01:04:14,950 --> 01:04:12,710

but um

1299

01:04:18,470 --> 01:04:14,960

are there any aspects of that

1300

01:04:20,789 --> 01:04:18,480

technology around today and if so what

1301

01:04:22,789 --> 01:04:20,799

is it being used for

1302

01:04:27,029 --> 01:04:22,799

so there are aspects of that tech around

1303

01:04:28,789 --> 01:04:27,039

today um i would say that and i shared

1304

01:04:29,910 --> 01:04:28,799

this with you i believe in our uh

1305

01:04:31,670 --> 01:04:29,920

twitter

1306

01:04:34,470 --> 01:04:31,680

discussion i don't know if you have that

1307

01:04:37,589 --> 01:04:34,480

ready or not to maybe bring up but

1308

01:04:41,430 --> 01:04:37,599

there's a an mit program that sure

1309

01:04:43,670 --> 01:04:41,440

made a uh flying uh flying wing that's

1310

01:04:45,270 --> 01:04:43,680

no moving parts and it's using this

1311

01:04:46,069 --> 01:04:45,280

ionic propulsion

1312

01:04:48,069 --> 01:04:46,079

um

1313

01:04:51,109 --> 01:04:48,079

which i i can maybe explain a little bit

1314

01:04:52,950 --> 01:04:51,119

generally for everyone but sure

1315

01:04:55,270 --> 01:04:52,960

before i do while you're maybe looking

1316

01:04:58,230 --> 01:04:55,280

for that the the

1317

01:04:59,750 --> 01:04:58,240

the comment i wanted to make about this

1318

01:05:03,029 --> 01:04:59,760

it's kind of you can say whatever you

1319

01:05:06,230 --> 01:05:05,270

think about this very interesting that

1320

01:05:08,150 --> 01:05:06,240

there's

1321

01:05:09,270 --> 01:05:08,160

some interesting well the interesting

1322

01:05:12,230 --> 01:05:09,280

thing is

1323

01:05:14,390 --> 01:05:12,240

with ionic propulsion like this uh

1324

01:05:17,910 --> 01:05:14,400

certain things that are commonly

1325

01:05:18,950 --> 01:05:17,920

discussed in like a ufo sighting uh

1326
01:05:19,910 --> 01:05:18,960
might be

1327
01:05:22,470 --> 01:05:19,920
also

1328
01:05:23,670 --> 01:05:22,480
attributable to this type of propulsion

1329
01:05:25,750 --> 01:05:23,680
for example

1330
01:05:27,190 --> 01:05:25,760
ionic propulsion is silent you're not

1331
01:05:29,829 --> 01:05:27,200
going to hear anything other than the

1332
01:05:31,589 --> 01:05:29,839
corona that might be happening because

1333
01:05:33,829 --> 01:05:31,599
the air around

1334
01:05:36,069 --> 01:05:33,839
the the airfoil

1335
01:05:37,190 --> 01:05:36,079
so to speak is ionizing

1336
01:05:39,190 --> 01:05:37,200
by the way

1337
01:05:42,069 --> 01:05:39,200
i will say this for anybody in here that

1338
01:05:43,829 --> 01:05:42,079

is a uh like an aerospace engineer an

1339

01:05:45,510 --> 01:05:43,839

aeronautics engineer i am not an

1340

01:05:49,190 --> 01:05:45,520

aeronautics engineer

1341

01:05:51,589 --> 01:05:49,200

i'm not a rocket scientist so if um if i

1342

01:05:54,230 --> 01:05:51,599

use a colloquial term instead of the

1343

01:05:55,670 --> 01:05:54,240

technical term i apologize

1344

01:05:57,670 --> 01:05:55,680

my specialty is intellectual engineering

1345

01:06:00,309 --> 01:05:57,680

but i do have some understanding of

1346

01:06:03,750 --> 01:06:00,319

propulsion so

1347

01:06:05,349 --> 01:06:03,760

the ionization around the air will cause

1348

01:06:08,870 --> 01:06:05,359

um basically

1349

01:06:11,270 --> 01:06:08,880

weird distortions um

1350

01:06:13,349 --> 01:06:11,280

it's kind of like um it's kind of like

1351

01:06:14,470 --> 01:06:13,359

the aurora borealis you know like you

1352

01:06:15,510 --> 01:06:14,480

you can get

1353

01:06:18,390 --> 01:06:15,520

effects

1354

01:06:21,270 --> 01:06:18,400

ionization

1355

01:06:24,950 --> 01:06:21,280

or or um another great one is you know

1356

01:06:27,510 --> 01:06:24,960

geomagnetic events due to solar winds

1357

01:06:29,750 --> 01:06:27,520

yeah so that happens with with this

1358

01:06:31,829 --> 01:06:29,760

effect to some extent it just depends if

1359

01:06:34,870 --> 01:06:31,839

you go really big with it and have some

1360

01:06:36,950 --> 01:06:34,880

massive airplane you could have some

1361

01:06:38,549 --> 01:06:36,960

distortion effects around it that are

1362

01:06:41,589 --> 01:06:38,559

very noticeable from the ground it just

1363

01:06:43,109 --> 01:06:41,599

depends but i know the uh the mit plane

1364

01:06:45,430 --> 01:06:43,119

is a lot smaller

1365

01:06:47,430 --> 01:06:45,440

um but but yeah that's still around and

1366

01:06:49,109 --> 01:06:47,440

a lot of people are advocating for

1367

01:06:53,190 --> 01:06:49,119

investing in that as a way to get away

1368

01:06:55,990 --> 01:06:53,200

from you know regular jet propulsion

1369

01:06:57,349 --> 01:06:56,000

yeah that's crazy that it came all this

1370

01:07:01,029 --> 01:06:57,359

way

1371

01:07:05,349 --> 01:07:03,109

i mean it's it's not necessarily ready

1372

01:07:07,430 --> 01:07:05,359

for prime time yet but it's uh

1373

01:07:09,510 --> 01:07:07,440

i know that um from what i from what i

1374

01:07:10,390 --> 01:07:09,520

understand

1375

01:07:11,990 --> 01:07:10,400

this is

1376

01:07:13,990 --> 01:07:12,000

more in the rumor mill than anything i

1377

01:07:15,349 --> 01:07:14,000

have to point you but some people that i

1378

01:07:16,230 --> 01:07:15,359

know for

1379

01:07:18,710 --> 01:07:16,240

um

1380

01:07:20,549 --> 01:07:18,720

in industry so to speak

1381

01:07:23,029 --> 01:07:20,559

amazon has looked at doing something

1382

01:07:25,750 --> 01:07:23,039

with their drone tech to

1383

01:07:28,230 --> 01:07:25,760

use some maybe this form of propulsion

1384

01:07:30,390 --> 01:07:28,240

has experimented with it at least so

1385

01:07:32,549 --> 01:07:30,400

that they can have drone delivery that's

1386

01:07:33,510 --> 01:07:32,559

you know not producing any fossil fuels

1387

01:07:35,670 --> 01:07:33,520

and also

1388

01:07:37,349 --> 01:07:35,680

silence so you don't hear a bunch of

1389

01:07:37,860 --> 01:07:37,359

drones buzzing to deliver your amazon

1390

01:07:39,910 --> 01:07:37,870

packages

1391

01:07:41,589 --> 01:07:39,920

[Laughter]

1392

01:07:44,470 --> 01:07:41,599

right yeah otherwise it sounds like we

1393

01:07:46,870 --> 01:07:44,480

have these giant robot robotic flies all

1394

01:07:47,750 --> 01:07:46,880

over the place

1395

01:07:49,990 --> 01:07:47,760

yeah

1396

01:07:51,109 --> 01:07:50,000

um the corona part of it i was

1397

01:07:53,990 --> 01:07:51,119

interested

1398

01:07:54,789 --> 01:07:54,000

you said other than the corona part of

1399

01:07:57,109 --> 01:07:54,799

it

1400

01:07:59,109 --> 01:07:57,119

does that make

1401

01:08:01,109 --> 01:07:59,119

that very that could make a sound what

1402

01:08:02,549 --> 01:08:01,119

that's what would that sound like just

1403

01:08:03,510 --> 01:08:02,559

curious so

1404

01:08:05,990 --> 01:08:03,520

um

1405

01:08:07,910 --> 01:08:06,000

boy i wish i had an exact video it

1406

01:08:10,150 --> 01:08:07,920

sounds like it could sound like a

1407

01:08:11,589 --> 01:08:10,160

crackling sound and you're probably not

1408

01:08:12,549 --> 01:08:11,599

gonna hear it

1409

01:08:13,349 --> 01:08:12,559

um

1410

01:08:16,070 --> 01:08:13,359

so

1411

01:08:17,590 --> 01:08:16,080

long story short i used to be when i was

1412

01:08:19,189 --> 01:08:17,600

in college in my undergrad there's we

1413

01:08:21,349 --> 01:08:19,199

had something in my school called tesla

1414

01:08:23,510 --> 01:08:21,359

club and we had a an actual working

1415

01:08:28,789 --> 01:08:23,520

tesla coil

1416

01:08:30,390 --> 01:08:28,799

put a wire out specifically so that it

1417

01:08:34,630 --> 01:08:30,400

would have a corona on the end of that

1418

01:08:37,510 --> 01:08:34,640

wire and we used it to play music so

1419

01:08:41,030 --> 01:08:37,520

yeah we use the ionization of the air to

1420

01:08:42,550 --> 01:08:41,040

create sound waves wow cool that's why i

1421

01:08:45,030 --> 01:08:42,560

said it could create a sound but you

1422

01:08:47,990 --> 01:08:45,040

probably design it so that you

1423

01:08:49,590 --> 01:08:48,000

minimize the sound effect if you're

1424

01:08:50,550 --> 01:08:49,600

looking for silent flight

1425

01:08:52,950 --> 01:08:50,560

right

1426

01:08:54,709 --> 01:08:52,960

that's that's crazy did you look at the

1427

01:08:57,430 --> 01:08:54,719

walden stuff at all

1428

01:08:59,349 --> 01:08:57,440

is that a real company walden aerospace

1429

01:09:02,550 --> 01:08:59,359

i don't i don't even know

1430

01:09:03,990 --> 01:09:02,560

i i didn't look into that but

1431

01:09:07,349 --> 01:09:04,000

looking at the plans and everything on

1432

01:09:09,189 --> 01:09:07,359

there the the math and the physics of it

1433

01:09:12,229 --> 01:09:09,199

are sound

1434

01:09:13,430 --> 01:09:12,239

with the exception again that that um

1435

01:09:16,550 --> 01:09:13,440

misunderstanding that it was

1436

01:09:17,829 --> 01:09:16,560

anti-gravity versus uh right what was

1437

01:09:19,910 --> 01:09:17,839

actually going on

1438

01:09:22,789 --> 01:09:19,920

yeah because he didn't go to school but

1439

01:09:25,030 --> 01:09:22,799

he was super smart so he was

1440

01:09:26,870 --> 01:09:25,040

so he figured something out

1441

01:09:27,749 --> 01:09:26,880

there's a lot of credit for that yeah

1442

01:09:29,030 --> 01:09:27,759

yeah

1443

01:09:31,590 --> 01:09:29,040

um

1444

01:09:34,229 --> 01:09:31,600

interesting do you know

1445

01:09:37,110 --> 01:09:34,239

you probably would don't know but um if

1446

01:09:39,749 --> 01:09:37,120

there's any members in his family that

1447

01:09:42,070 --> 01:09:39,759

might still be around you know working

1448

01:09:44,630 --> 01:09:42,080

on stuff like that

1449

01:09:47,269 --> 01:09:44,640

to my knowledge no but that doesn't end

1450

01:09:49,030 --> 01:09:47,279

because i've just worn it out there

1451

01:09:51,349 --> 01:09:49,040

yeah

1452

01:09:52,550 --> 01:09:51,359

no the the walden thing is pretty

1453

01:09:53,510 --> 01:09:52,560

interesting

1454

01:09:55,830 --> 01:09:53,520

and

1455

01:09:57,830 --> 01:09:55,840

here i'm gonna bring that up

1456

01:10:01,590 --> 01:09:57,840

so because

1457

01:10:09,669 --> 01:10:05,669

and they're all you and they use

1458

01:10:12,709 --> 01:10:10,950

so

1459

01:10:14,149 --> 01:10:12,719

it's pretty interesting you'll have to

1460

01:10:15,590 --> 01:10:14,159

take a look at this in your own time i

1461

01:10:17,590 --> 01:10:15,600

guess but

1462

01:10:19,430 --> 01:10:17,600

um

1463

01:10:21,750 --> 01:10:19,440

it's pretty crazy because they talk

1464

01:10:23,570 --> 01:10:21,760

about

1465

01:10:25,830 --> 01:10:23,580

look at this

1466

01:10:27,030 --> 01:10:25,840

[Laughter]

1467

01:10:29,669 --> 01:10:27,040

wow

1468

01:10:32,390 --> 01:10:29,679

and i'm pretty sure that it's

1469

01:10:33,510 --> 01:10:32,400

oh here there's a triangle hypothesis

1470

01:10:36,550 --> 01:10:33,520

interesting

1471

01:10:38,390 --> 01:10:36,560

i'm pretty sure it's a real company

1472

01:10:40,630 --> 01:10:38,400

that does i don't think they're making

1473

01:10:42,149 --> 01:10:40,640

these things right now but

1474

01:10:43,590 --> 01:10:42,159

um

1475

01:10:51,669 --> 01:10:43,600

yeah

1476

01:10:53,270 --> 01:10:51,679

have to maybe we'll do a part two where

1477

01:10:55,270 --> 01:10:53,280

you're where we talk about this stuff

1478

01:10:58,390 --> 01:10:55,280

while the aerospace

1479

01:11:01,830 --> 01:10:58,400

look at that it's a disk

1480

01:11:04,149 --> 01:11:01,840

um yeah so megan had a good question

1481

01:11:06,390 --> 01:11:04,159

that i will bring up

1482

01:11:08,550 --> 01:11:06,400

oh it's still up there hey can you see

1483

01:11:12,470 --> 01:11:08,560

it yep uh

1484

01:11:15,110 --> 01:11:12,480

alexi jerkoffs grab a flyer um i am not

1485

01:11:15,990 --> 01:11:15,120

familiar with it but that will now be on

1486

01:11:18,229 --> 01:11:16,000

the list

1487

01:11:21,430 --> 01:11:18,239

that's the guy that's uh

1488

01:11:23,110 --> 01:11:21,440

the guy who is you know working on the

1489

01:11:24,229 --> 01:11:23,120

stuff from the air force where it went

1490

01:11:26,709 --> 01:11:24,239

to this

1491

01:11:29,110 --> 01:11:26,719

yeah yeah yeah okay i what but i'm not

1492

01:11:30,790 --> 01:11:29,120

familiar with the graviflyer if that's

1493

01:11:32,630 --> 01:11:30,800

maybe that's what it was called but yeah

1494

01:11:34,390 --> 01:11:32,640

that's what it was called okay so he

1495

01:11:38,470 --> 01:11:34,400

also was saying that it was anti-gravity

1496

01:11:41,110 --> 01:11:38,480

then i suppose but it's uh yeah no um

1497

01:11:45,430 --> 01:11:41,120

there was a clear link between what what

1498

01:11:49,590 --> 01:11:47,669

yeah related product ends up coming out

1499

01:11:51,910 --> 01:11:49,600

with essentially maybe not product isn't

1500

01:11:56,310 --> 01:11:51,920

the right term but yeah

1501
01:11:58,470 --> 01:11:56,320
device yeah crazy so what's what's your

1502
01:12:00,709 --> 01:11:58,480
take away from this what's your scoop

1503
01:12:02,550 --> 01:12:00,719
because you know first of all thank you

1504
01:12:04,149 --> 01:12:02,560
for doing this and i'm really glad that

1505
01:12:06,310 --> 01:12:04,159
you found it interesting

1506
01:12:08,470 --> 01:12:06,320
because even i did and i you know i

1507
01:12:09,910 --> 01:12:08,480
don't really know much about the actual

1508
01:12:10,709 --> 01:12:09,920
science behind it

1509
01:12:12,470 --> 01:12:10,719
um

1510
01:12:14,310 --> 01:12:12,480
but yeah what what are some of your

1511
01:12:15,830 --> 01:12:14,320
biggest takeaways from it after looking

1512
01:12:17,830 --> 01:12:15,840
into it

1513
01:12:20,950 --> 01:12:17,840

my biggest takeaways

1514

01:12:25,189 --> 01:12:23,830

a there's probably some very interesting

1515

01:12:27,110 --> 01:12:25,199

technologies that have been in

1516

01:12:30,070 --> 01:12:27,120

development for a lot longer than maybe

1517

01:12:32,070 --> 01:12:30,080

i was aware of um i i've been familiar

1518

01:12:34,149 --> 01:12:32,080

with ionic propulsion but it seemed like

1519

01:12:35,910 --> 01:12:34,159

more of a relatively new

1520

01:12:38,149 --> 01:12:35,920

aspect and honestly before this i had

1521

01:12:39,030 --> 01:12:38,159

never heard of townsend so

1522

01:12:41,590 --> 01:12:39,040

um

1523

01:12:42,630 --> 01:12:41,600

this is uh that was a very interesting

1524

01:12:45,350 --> 01:12:42,640

find

1525

01:12:46,390 --> 01:12:45,360

the uh the other aspect of this

1526

01:12:48,310 --> 01:12:46,400

it's possible that some of these

1527

01:12:52,470 --> 01:12:48,320

technologies have been developed maybe

1528

01:12:55,350 --> 01:12:52,480

in secret that that are beyond what what

1529

01:12:57,590 --> 01:12:55,360

mainstream academia would be aware of

1530

01:13:00,229 --> 01:12:57,600

uh which is kind of fascinating

1531

01:13:02,229 --> 01:13:00,239

yeah because you would probably know

1532

01:13:03,510 --> 01:13:02,239

about it if

1533

01:13:04,630 --> 01:13:03,520

you know

1534

01:13:08,709 --> 01:13:04,640

if it

1535

01:13:10,310 --> 01:13:08,719

had a longer history not in secret

1536

01:13:11,750 --> 01:13:10,320

i would suppose

1537

01:13:13,990 --> 01:13:11,760

so

1538

01:13:16,870 --> 01:13:14,000

have you ever heard of this guy salvador

1539

01:13:18,390 --> 01:13:16,880

paez ah software pass yeah i've looked

1540

01:13:20,950 --> 01:13:18,400

at his patents and i've

1541

01:13:22,550 --> 01:13:20,960

i've looked at um

1542

01:13:25,110 --> 01:13:22,560

kind of comments that

1543

01:13:26,709 --> 01:13:25,120

that were made before he he did a

1544

01:13:27,750 --> 01:13:26,719

interesting interview

1545

01:13:29,350 --> 01:13:27,760

um

1546

01:13:30,709 --> 01:13:29,360

trying to remember where it was at but i

1547

01:13:33,750 --> 01:13:30,719

think was the drive and i'm trying to

1548

01:13:36,149 --> 01:13:33,760

remember who i think that's right

1549

01:13:38,070 --> 01:13:36,159

i'm i don't want to um i just i don't

1550

01:13:40,310 --> 01:13:38,080

want to say the wrong author so the

1551

01:13:42,070 --> 01:13:40,320

journalist who did that but he had an

1552

01:13:43,750 --> 01:13:42,080

actual interview where he was kind of

1553

01:13:44,470 --> 01:13:43,760

defending himself because a lot of a lot

1554

01:13:46,630 --> 01:13:44,480

of

1555

01:13:48,310 --> 01:13:46,640

feedback came back after

1556

01:13:50,790 --> 01:13:48,320

those patents were kind of discussed and

1557

01:13:53,110 --> 01:13:50,800

brought up by the drive

1558

01:13:55,030 --> 01:13:53,120

by mainstream academia saying that no

1559

01:13:56,390 --> 01:13:55,040

this is not what is possible

1560

01:13:58,709 --> 01:13:56,400

um

1561

01:14:00,550 --> 01:13:58,719

i would like to see a working model

1562

01:14:02,229 --> 01:14:00,560

that's that's my take on it i'm not

1563

01:14:03,430 --> 01:14:02,239

saying that it's impossible but it

1564

01:14:05,189 --> 01:14:03,440

definitely

1565

01:14:06,709 --> 01:14:05,199

from reading through the patents does

1566

01:14:09,189 --> 01:14:06,719

things that

1567

01:14:10,310 --> 01:14:09,199

my understanding of and and from my

1568

01:14:12,790 --> 01:14:10,320

experience

1569

01:14:13,669 --> 01:14:12,800

of how a lot of these these physics

1570

01:14:16,470 --> 01:14:13,679

work

1571

01:14:17,750 --> 01:14:16,480

it it's beyond what my understanding

1572

01:14:19,750 --> 01:14:17,760

suggests

1573

01:14:22,870 --> 01:14:19,760

would be possible but

1574

01:14:24,709 --> 01:14:22,880

he also in his defense has the

1575

01:14:27,270 --> 01:14:24,719

the uh basically

1576

01:14:28,550 --> 01:14:27,280

his boss from his time there with the

1577

01:14:29,910 --> 01:14:28,560

navy

1578

01:14:31,990 --> 01:14:29,920

came to his defense and said yeah they

1579

01:14:33,590 --> 01:14:32,000

have working models so if they release

1580

01:14:34,790 --> 01:14:33,600

that or would prove that

1581

01:14:36,229 --> 01:14:34,800

you know

1582

01:14:38,229 --> 01:14:36,239

that's when i would maybe buy it or

1583

01:14:40,709 --> 01:14:38,239

maybe i you know test it out myself

1584

01:14:42,390 --> 01:14:40,719

build it but that to me i'd have to see

1585

01:14:44,070 --> 01:14:42,400

a working model where i can point to

1586

01:14:45,590 --> 01:14:44,080

some working models for these these

1587

01:14:46,870 --> 01:14:45,600

ionic planes

1588

01:14:47,990 --> 01:14:46,880

right

1589

01:14:50,310 --> 01:14:48,000

yeah

1590

01:14:55,910 --> 01:14:52,790

can we go off topic a little bit of that

1591

01:14:57,830 --> 01:14:55,920

yeah what brought you into the ufo field

1592

01:14:59,990 --> 01:14:57,840

why are you interested

1593

01:15:02,950 --> 01:15:00,000

um i've always been

1594

01:15:04,470 --> 01:15:02,960

so this goes back a long ways when i was

1595

01:15:06,390 --> 01:15:04,480

younger i was always very interested in

1596

01:15:07,750 --> 01:15:06,400

science and obviously from my career

1597

01:15:10,870 --> 01:15:07,760

path

1598

01:15:12,390 --> 01:15:10,880

i followed that in those steps but i've

1599

01:15:14,630 --> 01:15:12,400

always been very interested in science

1600

01:15:16,950 --> 01:15:14,640

from a young age and growing up i was

1601
01:15:19,830 --> 01:15:16,960
always interested in even paranormal or

1602
01:15:21,669 --> 01:15:19,840
like in interesting science fiction

1603
01:15:24,630 --> 01:15:21,679
maybe is the better term

1604
01:15:26,070 --> 01:15:24,640
and uh i read a lot of ufo books growing

1605
01:15:27,669 --> 01:15:26,080
up and

1606
01:15:30,070 --> 01:15:27,679
at a certain point

1607
01:15:32,950 --> 01:15:30,080
when i was younger you know you get

1608
01:15:34,229 --> 01:15:32,960
socialized that the stigma around it so

1609
01:15:37,189 --> 01:15:34,239
i kind of

1610
01:15:39,830 --> 01:15:37,199
boxed that up so to speak and put it put

1611
01:15:43,510 --> 01:15:39,840
it aside a little bit and then

1612
01:15:44,870 --> 01:15:43,520
that all kind of came back in 2017 so

1613
01:15:46,470 --> 01:15:44,880

2017

1614

01:15:50,070 --> 01:15:46,480

you know the videos

1615

01:15:52,310 --> 01:15:50,080

and the the navy and government and new

1616

01:15:54,390 --> 01:15:52,320

york times talking about this got me

1617

01:15:56,070 --> 01:15:54,400

back into it and i've kind of been back

1618

01:15:58,070 --> 01:15:56,080

into it since

1619

01:16:03,270 --> 01:15:58,080

that's a good point so what's your take

1620

01:16:08,229 --> 01:16:05,830

i will preface this with saying that i

1621

01:16:11,510 --> 01:16:08,239

am not a flier expert

1622

01:16:14,310 --> 01:16:11,520

totally or uh nor am i

1623

01:16:15,350 --> 01:16:14,320

an expert on military aviation so to

1624

01:16:17,110 --> 01:16:15,360

speak but

1625

01:16:18,870 --> 01:16:17,120

i do think that there are some

1626
01:16:20,950 --> 01:16:18,880
interesting properties being exhibited

1627
01:16:22,310 --> 01:16:20,960
that i would have assumed

1628
01:16:25,110 --> 01:16:22,320
would not would be outside of our

1629
01:16:26,870 --> 01:16:25,120
capabilities the one i'm most interested

1630
01:16:27,910 --> 01:16:26,880
in actually was the the nimitz incident

1631
01:16:30,310 --> 01:16:27,920
video

1632
01:16:32,310 --> 01:16:30,320
um there was a uh

1633
01:16:34,790 --> 01:16:32,320
peer-reviewed journal article that was

1634
01:16:36,470 --> 01:16:34,800
done on this that i i read through

1635
01:16:37,990 --> 01:16:36,480
i don't know how much attention it's

1636
01:16:40,229 --> 01:16:38,000
gotten but

1637
01:16:42,070 --> 01:16:40,239
the acceleration shown in there like if

1638
01:16:44,149 --> 01:16:42,080

you even without knowing

1639

01:16:46,630 --> 01:16:44,159

the specifics of the shutter rate of the

1640

01:16:48,149 --> 01:16:46,640

the flear camera you can still from

1641

01:16:51,110 --> 01:16:48,159

knowing that where it's centered on the

1642

01:16:53,990 --> 01:16:51,120

fleer camera to when it accelerates off

1643

01:16:55,350 --> 01:16:54,000

you know that that the acceleration is

1644

01:16:57,590 --> 01:16:55,360

beyond

1645

01:16:59,910 --> 01:16:57,600

a certain number plus or minus with this

1646

01:17:02,390 --> 01:16:59,920

uncertainty and they did the um they did

1647

01:17:03,830 --> 01:17:02,400

the probabilistic analysis on it uh

1648

01:17:06,229 --> 01:17:03,840

probability density function i should

1649

01:17:08,470 --> 01:17:06,239

say on it and we're able to come up with

1650

01:17:11,270 --> 01:17:08,480

the plus or minus you know statistical

1651

01:17:15,110 --> 01:17:11,280

error and it's it's well over 49 g's

1652

01:17:19,990 --> 01:17:17,430

from a design standpoint i think that's

1653

01:17:21,189 --> 01:17:20,000

beyond what we have only because i would

1654

01:17:24,390 --> 01:17:21,199

think so

1655

01:17:25,830 --> 01:17:24,400

you look at the uh the the jet engines

1656

01:17:28,790 --> 01:17:25,840

well sorry

1657

01:17:32,070 --> 01:17:28,800

the f-18s and

1658

01:17:33,350 --> 01:17:32,080

somewhere around 20 g's the wings will

1659

01:17:34,790 --> 01:17:33,360

shear off

1660

01:17:35,830 --> 01:17:34,800

wow

1661

01:17:38,870 --> 01:17:35,840

so

1662

01:17:41,270 --> 01:17:38,880

that's like uh your thrust

1663

01:17:43,590 --> 01:17:41,280

basically right or your uh torque

1664

01:17:44,470 --> 01:17:43,600

or it's like an acceleration

1665

01:17:46,950 --> 01:17:44,480

yeah

1666

01:17:49,830 --> 01:17:46,960

i'm not sure uh like mock something or

1667

01:17:51,910 --> 01:17:49,840

miles per hour does it translate to that

1668

01:17:53,110 --> 01:17:51,920

it translates into a force like i guess

1669

01:17:54,630 --> 01:17:53,120

you were correct with saying like a

1670

01:17:56,870 --> 01:17:54,640

thrust or a

1671

01:17:58,950 --> 01:17:56,880

torque um again

1672

01:18:02,630 --> 01:17:58,960

aerospace maybe not my specialty but

1673

01:18:06,550 --> 01:18:04,310

translated into like an acceleration

1674

01:18:08,790 --> 01:18:06,560

yeah it's a force that's being exerted

1675

01:18:10,229 --> 01:18:08,800

on the wings if you think of it that way

1676

01:18:11,350 --> 01:18:10,239

so man

1677

01:18:13,910 --> 01:18:11,360

so

1678

01:18:15,270 --> 01:18:13,920

you know complete speculation and it's

1679

01:18:19,110 --> 01:18:15,280

clear we're doing that

1680

01:18:24,070 --> 01:18:21,189

if you had to take a guess which you

1681

01:18:25,430 --> 01:18:24,080

don't have to but if you hit

1682

01:18:27,750 --> 01:18:25,440

so

1683

01:18:29,669 --> 01:18:27,760

i'll be honest with you i don't know

1684

01:18:33,030 --> 01:18:29,679

what they are but if i was to take a

1685

01:18:34,870 --> 01:18:33,040

guess at least the item in the 2004

1686

01:18:36,630 --> 01:18:34,880

nimitz incident case

1687

01:18:39,510 --> 01:18:36,640

i would say is

1688

01:18:41,910 --> 01:18:39,520

some form of non-human technology but i

1689

01:18:42,790 --> 01:18:41,920

i don't have anything to really

1690

01:18:44,310 --> 01:18:42,800

you know

1691

01:18:45,270 --> 01:18:44,320

say

1692

01:18:48,709 --> 01:18:45,280

yeah

1693

01:18:51,990 --> 01:18:50,790

pretty nuts did you see the rubber duck

1694

01:18:53,590 --> 01:18:52,000

video

1695

01:18:55,270 --> 01:18:53,600

i did

1696

01:18:56,790 --> 01:18:55,280

what did you think of that there's not

1697

01:18:59,350 --> 01:18:56,800

much you can take from it i would assume

1698

01:19:01,669 --> 01:18:59,360

right no for me there wasn't

1699

01:19:03,830 --> 01:19:01,679

a whole lot to take from it i'm not

1700

01:19:06,390 --> 01:19:03,840

gonna say that it's

1701

01:19:09,510 --> 01:19:06,400

not it's somewhat interesting but to me

1702

01:19:11,590 --> 01:19:09,520

i um i didn't find it

1703

01:19:13,830 --> 01:19:11,600

as interesting as

1704

01:19:16,630 --> 01:19:13,840

maybe some of the lead up to it was

1705

01:19:18,630 --> 01:19:16,640

suggesting it was right not that i'm

1706

01:19:19,430 --> 01:19:18,640

taking i get you i'm not at it at all i

1707

01:19:27,820 --> 01:19:19,440

just

1708

01:19:32,550 --> 01:19:30,790

[Laughter]

1709

01:19:33,590 --> 01:19:32,560

you just have to pretend it's great

1710

01:19:34,709 --> 01:19:33,600

that's all

1711

01:19:38,390 --> 01:19:34,719

you do

1712

01:19:40,470 --> 01:19:38,400

i'm just kidding um yeah so i really

1713

01:19:43,590 --> 01:19:40,480

appreciate you coming on dude doing this

1714

01:19:45,270 --> 01:19:43,600

stuff um i'd love to do more of it with

1715

01:19:47,910 --> 01:19:45,280

you if you're interested

1716

01:19:50,390 --> 01:19:47,920

um i think you did great and you're

1717

01:19:52,149 --> 01:19:50,400

obviously very smart so

1718

01:19:55,270 --> 01:19:52,159

um maybe there's some more

1719

01:19:57,990 --> 01:19:55,280

things we can work on in the future so

1720

01:19:59,430 --> 01:19:58,000

um it'd be cool to have a resource like

1721

01:20:01,110 --> 01:19:59,440

that so

1722

01:20:02,470 --> 01:20:01,120

absolutely yeah

1723

01:20:04,709 --> 01:20:02,480

honestly it was a great honor you having

1724

01:20:06,790 --> 01:20:04,719

me on i've uh i love your show and

1725

01:20:08,709 --> 01:20:06,800

thanks man appreciate it so

1726

01:20:11,189 --> 01:20:08,719

yeah i find my mess by the way i just

1727

01:20:13,110 --> 01:20:11,199

moved so uh there's that's a another

1728

01:20:14,470 --> 01:20:13,120

desk that i'm trying to put together oh

1729

01:20:22,229 --> 01:20:14,480

yeah i was gonna say that's not gonna

1730

01:20:26,229 --> 01:20:24,629

cool man well yeah i appreciate it dude

1731

01:20:28,870 --> 01:20:26,239

i appreciate your time

1732

01:20:31,830 --> 01:20:28,880

uh everybody here appreciate appreciates

1733

01:20:32,870 --> 01:20:31,840

your time as well um so yeah we'll see

1734

01:20:34,709 --> 01:20:32,880

you soon

1735

01:20:35,590 --> 01:20:34,719

thanks for having me all right see joe

1736

01:20:37,030 --> 01:20:35,600

peace

1737

01:20:39,910 --> 01:20:37,040

bye

1738

01:20:42,870 --> 01:20:39,920

all right so that was cool

1739

01:20:45,270 --> 01:20:42,880

um good dude can't wait to have him on

1740

01:20:47,669 --> 01:20:45,280

more often and talk about some more

1741

01:20:49,030 --> 01:20:47,679

scientific stuff um because i think

1742

01:20:51,110 --> 01:20:49,040

that's cool

1743

01:20:53,030 --> 01:20:51,120

so

1744

01:20:55,270 --> 01:20:53,040

again

1745

01:20:56,709 --> 01:20:55,280

you know if you want to

1746

01:20:59,350 --> 01:20:56,719

you know reference what we were

1747

01:21:02,229 --> 01:20:59,360

discussing he did obviously a way better

1748

01:21:04,229 --> 01:21:02,239

job talking about it than i did

1749

01:21:05,990 --> 01:21:04,239

so go back watch it again in the

1750

01:21:08,390 --> 01:21:06,000

documents actual documents you can see

1751

01:21:10,550 --> 01:21:08,400

yourself are in there that's a part of

1752

01:21:13,110 --> 01:21:10,560

this big batch i got that i'm trying to

1753

01:21:15,510 --> 01:21:13,120

spread around as much as possible

1754

01:21:17,430 --> 01:21:15,520

that spaghetti will vouch for are

1755

01:21:19,990 --> 01:21:17,440

pretty intense so

1756

01:21:22,070 --> 01:21:20,000

um check it out

1757

01:21:24,550 --> 01:21:22,080

i hope you had a good time

1758

01:21:26,550 --> 01:21:24,560

um remember the message at the beginning

1759

01:21:28,550 --> 01:21:26,560

hopefully that i did it the right way i

1760

01:21:31,030 --> 01:21:28,560

tried my best

1761

01:21:33,110 --> 01:21:31,040

love you guys peace

1762

01:21:35,110 --> 01:21:33,120

stay in love benji

1763

01:21:37,750 --> 01:21:35,120

it's happening

1764

01:21:41,350 --> 01:21:39,350

hopefully i'll come up with something

1765

01:21:43,830 --> 01:21:41,360

clever and i'll see you tomorrow i'm

1766

01:21:46,310 --> 01:21:43,840

sure that'll be the case

1767

01:21:48,550 --> 01:21:46,320

but yeah until then be good be kind stay
