

Witness Citizen

1
00:00:08,560 --> 00:00:55,590

[Music]

2
00:00:55,600 --> 00:00:59,750

what's up everybody

3
00:01:01,910 --> 00:01:01,029

i'm glad you're hanging out with me

4
00:01:04,310 --> 00:01:01,920

today

5
00:01:06,550 --> 00:01:04,320

thanks for being patient with me

6
00:01:08,710 --> 00:01:06,560

um

7
00:01:10,789 --> 00:01:08,720

i am going to

8
00:01:12,390 --> 00:01:10,799

yeah i got some stuff that i'm going to

9
00:01:14,870 --> 00:01:12,400

show you

10
00:01:18,070 --> 00:01:14,880

but it took me probably up until this

11
00:01:21,830 --> 00:01:18,080

point to put it together

12
00:01:25,990 --> 00:01:24,310

so um

13
00:01:29,590 --> 00:01:26,000

you know it's interesting that all this

14

00:01:32,870 --> 00:01:29,600

kind of started back uh 2017 right

15

00:01:38,069 --> 00:01:36,069

a lot happened a lot of clips happened

16

00:01:40,789 --> 00:01:38,079

a lot of stuff was said

17

00:01:43,270 --> 00:01:40,799

but i think sometimes we forget about it

18

00:01:46,149 --> 00:01:43,280

uh because there is so much so

19

00:01:48,069 --> 00:01:46,159

i went back and

20

00:01:49,910 --> 00:01:48,079

got some pretty good stuff

21

00:01:52,789 --> 00:01:49,920

and we're gonna go through it

22

00:01:55,590 --> 00:01:52,799

and talk about it see what we think

23

00:01:58,389 --> 00:01:55,600

the program advanced aerospace threat

24

00:02:00,389 --> 00:01:58,399

identification program was really

25

00:02:02,709 --> 00:02:00,399

designed to do just that

26
00:02:05,990 --> 00:02:02,719
from a national security perspective

27
00:02:06,870 --> 00:02:06,000
identify those things that we see

28
00:02:08,550 --> 00:02:06,880
whether

29
00:02:11,029 --> 00:02:08,560
we see them electrophilically we see

30
00:02:14,630 --> 00:02:11,039
them with radar we see them

31
00:02:16,390 --> 00:02:14,640
as as eyewitness reports

32
00:02:18,470 --> 00:02:16,400
through a myriad of different ways and

33
00:02:20,390 --> 00:02:18,480
avenues that we receive the information

34
00:02:21,750 --> 00:02:20,400
and try to ascertain and determine if

35
00:02:23,110 --> 00:02:21,760
that information

36
00:02:25,430 --> 00:02:23,120
is a potential threat to national

37
00:02:27,589 --> 00:02:25,440
security in a nutshell

38
00:02:30,150 --> 00:02:27,599

so what did you find

39

00:02:31,670 --> 00:02:30,160

well we found a lot um

40

00:02:36,470 --> 00:02:31,680

i think

41

00:02:38,869 --> 00:02:36,480

mischaracterized in some of the the the

42

00:02:40,790 --> 00:02:38,879

social media you see and and and what

43

00:02:42,630 --> 00:02:40,800

people put out because a lot of times

44

00:02:45,509 --> 00:02:42,640

when we don't have a lot of information

45

00:02:47,270 --> 00:02:45,519

we tend to fill in those gaps with

46

00:02:49,350 --> 00:02:47,280

what we think is logical

47

00:02:51,030 --> 00:02:49,360

uh and there's still by the way a lot we

48

00:02:53,670 --> 00:02:51,040

really don't know

49

00:02:56,470 --> 00:02:53,680

i think what's important is that we have

50

00:02:58,390 --> 00:02:56,480

identified some very very interesting

51
00:02:59,589 --> 00:02:58,400
anomalous

52
00:03:03,190 --> 00:02:59,599
type of aircraft let's call them

53
00:03:05,030 --> 00:03:03,200
aircraft things that don't have

54
00:03:06,229 --> 00:03:05,040
any obvious flight surfaces

55
00:03:08,470 --> 00:03:06,239
any obvious

56
00:03:11,350 --> 00:03:08,480
forms of propulsion and maneuvering in

57
00:03:14,309 --> 00:03:11,360
ways um that include extreme

58
00:03:16,470 --> 00:03:14,319
maneuverability beyond uh i would submit

59
00:03:18,630 --> 00:03:16,480
the healthy g-forces of

60
00:03:20,869 --> 00:03:18,640
of a human or anything biological

61
00:03:23,750 --> 00:03:20,879
uh hypersonic velocities low

62
00:03:27,830 --> 00:03:23,760
observability um

63
00:03:31,190 --> 00:03:27,840

positive lift again seemingly in defying

64

00:03:33,030 --> 00:03:31,200

the laws of aerodynamics so um

65

00:03:34,390 --> 00:03:33,040

people are talking i mean you know but

66

00:03:36,390 --> 00:03:34,400

do you believe you know when when you

67

00:03:37,830 --> 00:03:36,400

get that navy pilot saying what he said

68

00:03:40,470 --> 00:03:37,840

do you think that

69

00:03:41,589 --> 00:03:40,480

that was um you know a ufo to obviously

70

00:03:43,589 --> 00:03:41,599

i don't have any other word to use or

71

00:03:45,589 --> 00:03:43,599

that or something else sure that's a

72

00:03:47,589 --> 00:03:45,599

great question keeping in mind it's not

73

00:03:49,589 --> 00:03:47,599

just the the pilot's testimony on

74

00:03:50,789 --> 00:03:49,599

observation sure when when someone comes

75

00:03:53,110 --> 00:03:50,799

to you who's in charge of a

76
00:03:55,350 --> 00:03:53,120
multi-million dollar weapon platform who

77
00:03:58,229 --> 00:03:55,360
maintains a top secret security

78
00:04:00,710 --> 00:03:58,239
clearance who is paid and trusted by

79
00:04:03,429 --> 00:04:00,720
this country to go fight wars

80
00:04:05,190 --> 00:04:03,439
and and to fly over cities with with

81
00:04:06,630 --> 00:04:05,200
live munitions

82
00:04:08,309 --> 00:04:06,640
and by the way they're trained observers

83
00:04:09,990 --> 00:04:08,319
with millions of dollars invested in

84
00:04:11,589 --> 00:04:10,000
their training i would submit to you

85
00:04:14,149 --> 00:04:11,599
it's pretty compelling but on top of

86
00:04:17,430 --> 00:04:14,159
that it's not just the eyewitness

87
00:04:19,670 --> 00:04:17,440
testimony it is it is actual

88
00:04:22,870 --> 00:04:19,680

electro-optical data and radar returns

89

00:04:25,270 --> 00:04:22,880

it's also people like uh radar operators

90

00:04:26,870 --> 00:04:25,280

and air traffic controllers so i think

91

00:04:28,230 --> 00:04:26,880

the discussion is should be maybe a

92

00:04:30,790 --> 00:04:28,240

little bit broader than that i think

93

00:04:34,230 --> 00:04:30,800

people are focusing just on two videos

94

00:04:36,310 --> 00:04:34,240

uh coming from a set of f-18s when when

95

00:04:38,710 --> 00:04:36,320

really it's it's it's a lot lot more

96

00:04:40,150 --> 00:04:38,720

than that so so you know recently i

97

00:04:42,790 --> 00:04:40,160

guess it was in october astronomers

98

00:04:44,390 --> 00:04:42,800

spotted uh what they say could be the

99

00:04:45,909 --> 00:04:44,400

first interstellar

100

00:04:48,150 --> 00:04:45,919

asteroid um you see it there kind of

101
00:04:49,510 --> 00:04:48,160
that strange shape um from behind the

102
00:04:51,990 --> 00:04:49,520
solar system

103
00:04:53,430 --> 00:04:52,000
what do you see when you look at that

104
00:04:55,030 --> 00:04:53,440
well

105
00:04:57,510 --> 00:04:55,040
you know miss burnett i i have to admit

106
00:04:59,110 --> 00:04:57,520
to you when when i ran this program i

107
00:05:00,870 --> 00:04:59,120
was fundamentally looking at my

108
00:05:03,590 --> 00:05:00,880
colleagues looking at two things

109
00:05:05,189 --> 00:05:03,600
what is it and how does it work um we

110
00:05:07,110 --> 00:05:05,199
have deliberately stayed away from going

111
00:05:09,110 --> 00:05:07,120
down the rabbit hole of who's behind the

112
00:05:11,430 --> 00:05:09,120
wheel and what are their intentions yeah

113
00:05:12,150 --> 00:05:11,440

because that a lot of people have a lot

114

00:05:13,670 --> 00:05:12,160

of

115

00:05:15,590 --> 00:05:13,680

feelings towards that and are very

116

00:05:17,350 --> 00:05:15,600

emotional about that and what i wanted

117

00:05:19,189 --> 00:05:17,360

to do is to allow the data to speak for

118

00:05:22,230 --> 00:05:19,199

itself and then use that data to inform

119

00:05:24,070 --> 00:05:22,240

leadership senior dod leadership about

120

00:05:26,870 --> 00:05:24,080

the potential threat that that these

121

00:05:29,270 --> 00:05:26,880

type of of technologies pose to national

122

00:05:31,350 --> 00:05:29,280

security especially over any type of

123

00:05:33,990 --> 00:05:31,360

controlled airspace that we might have

124

00:05:35,670 --> 00:05:34,000

um so i'm not trying to be evasive in

125

00:05:37,350 --> 00:05:35,680

any way or vague with your with your

126

00:05:38,710 --> 00:05:37,360

answer but yeah

127

00:05:40,070 --> 00:05:38,720

i think there's a lot of possibilities

128

00:05:41,110 --> 00:05:40,080

look and i know you think it's important

129

00:05:42,469 --> 00:05:41,120

i know you think that the government

130

00:05:44,230 --> 00:05:42,479

didn't take the threat seriously enough

131

00:05:46,230 --> 00:05:44,240

so let me just ask you point blank the

132

00:05:48,310 --> 00:05:46,240

question do you believe that that life

133

00:05:49,350 --> 00:05:48,320

from somewhere else while you ran this

134

00:05:50,830 --> 00:05:49,360

program

135

00:05:54,230 --> 00:05:50,840

came here visited

136

00:05:55,590 --> 00:05:54,240

observed i will tell you unequivocally

137

00:05:57,350 --> 00:05:55,600

that that

138

00:05:59,350 --> 00:05:57,360

through the observation scientific

139

00:06:03,110 --> 00:05:59,360

methodologies that were applied to to

140

00:06:04,710 --> 00:06:03,120

look at this phenomena that these

141

00:06:06,629 --> 00:06:04,720

aircraft will call them aircraft are

142

00:06:08,710 --> 00:06:06,639

displaying characteristics

143

00:06:11,749 --> 00:06:08,720

that are not currently within the u.s

144

00:06:13,830 --> 00:06:11,759

inventory nor in any foreign inventory

145

00:06:15,270 --> 00:06:13,840

that that we are aware of

146

00:06:16,629 --> 00:06:15,280

so i know you're using

147

00:06:17,990 --> 00:06:16,639

you're being clear but i mean the answer

148

00:06:20,390 --> 00:06:18,000

is yes

149

00:06:21,909 --> 00:06:20,400

um my personal i can't speak on behalf

150

00:06:24,070 --> 00:06:21,919

of the government obviously i'm not in

151
00:06:25,830 --> 00:06:24,080
the us government anymore my personal

152
00:06:27,430 --> 00:06:25,840
belief is that uh there is very

153
00:06:30,309 --> 00:06:27,440
compelling evidence that

154
00:06:32,710 --> 00:06:30,319
we uh we may not be alone

155
00:06:34,790 --> 00:06:32,720
the threshold for what when one invokes

156
00:06:36,469 --> 00:06:34,800
the word compelling right

157
00:06:38,150 --> 00:06:36,479
in reference to evidence is very

158
00:06:40,790 --> 00:06:38,160
different for different people to a

159
00:06:41,990 --> 00:06:40,800
scientist compelling evidence would be

160
00:06:44,150 --> 00:06:42,000
uh

161
00:06:47,670 --> 00:06:44,160
an alien like walks into the bar with

162
00:06:50,550 --> 00:06:47,680
you an alien you have the craft you the

163
00:06:54,390 --> 00:06:50,560

alien is there on something other than

164

00:06:56,629 --> 00:06:54,400

fuzzy video yeah and so and everybody

165

00:06:57,990 --> 00:06:56,639

has a high definition video camera on

166

00:07:00,150 --> 00:06:58,000

their hip

167

00:07:02,309 --> 00:07:00,160

right now and so

168

00:07:05,350 --> 00:07:02,319

uh what i'd like to see is an increase

169

00:07:07,589 --> 00:07:05,360

in sort of high definition imagery of

170

00:07:09,510 --> 00:07:07,599

actual aliens or the interior of an

171

00:07:11,189 --> 00:07:09,520

alien craft look at all the stories

172

00:07:14,390 --> 00:07:11,199

we've heard about people having been

173

00:07:17,589 --> 00:07:14,400

abducted and so so i'm just waiting for

174

00:07:19,670 --> 00:07:17,599

that and and keep go get abducted

175

00:07:22,150 --> 00:07:19,680

invite yourself together and come back

176
00:07:27,220 --> 00:07:22,160
then you'll be famous you'll be rich and

177
00:07:45,189 --> 00:07:43,909
[Music]

178
00:07:51,110 --> 00:07:45,199
how just

179
00:07:51,120 --> 00:07:55,029
you know

180
00:07:59,589 --> 00:07:56,950
look at all the people who have been

181
00:08:00,730 --> 00:07:59,599
abducted

182
00:08:03,830 --> 00:08:00,740
laughing

183
00:08:05,170 --> 00:08:03,840
[Music]

184
00:08:08,710 --> 00:08:05,180
it's just too bad

185
00:08:08,720 --> 00:08:14,070
he is spaghetti at the right point

186
00:08:17,520 --> 00:08:16,710
um and there's

187
00:08:20,309 --> 00:08:17,530
definitely more

188
00:08:22,150 --> 00:08:20,319

[Music]

189

00:08:25,270 --> 00:08:22,160

you know more things that he said it was

190

00:08:25,980 --> 00:08:25,280

pretty clear that one that started out

191

00:08:28,950 --> 00:08:25,990

right after

192

00:08:31,110 --> 00:08:28,960

[Music]

193

00:08:33,909 --> 00:08:31,120

you know the story came out the new york

194

00:08:41,190 --> 00:08:37,190

that there was definitely pushback

195

00:08:48,070 --> 00:08:45,430

um neil degrasse tyson was

196

00:08:49,750 --> 00:08:48,080

leading that charge for sure

197

00:08:52,829 --> 00:08:49,760

all the news channels were bringing him

198

00:09:00,949 --> 00:08:54,710

and

199

00:09:03,910 --> 00:09:00,959

along with being pretty immature about

200

00:09:08,710 --> 00:09:05,509

um so that was kind of the first clip

201
00:09:11,110 --> 00:09:08,720
that i wanted to play

202
00:09:13,030 --> 00:09:11,120
because it kind of really

203
00:09:15,750 --> 00:09:13,040
wraps up

204
00:09:20,470 --> 00:09:15,760
a lot all in there

205
00:09:23,829 --> 00:09:22,070
you know it's it almost seemed like at

206
00:09:26,550 --> 00:09:23,839
first um

207
00:09:29,350 --> 00:09:26,560
elizondo was kind of out there

208
00:09:32,470 --> 00:09:29,360
really on his own

209
00:09:38,870 --> 00:09:34,790
do all this stuff

210
00:09:41,190 --> 00:09:38,880
he was out there on the news channels

211
00:09:42,870 --> 00:09:41,200
and

212
00:09:45,030 --> 00:09:42,880
he was he was fighting not just neil

213
00:09:47,670 --> 00:09:45,040

degrasse tyson but he was also fighting

214

00:09:51,509 --> 00:09:48,870

right

215

00:09:51,760 --> 00:09:51,519

and he was also fighting

216

00:09:54,630 --> 00:09:51,770

um

217

00:09:57,670 --> 00:09:54,640

[Music]

218

00:09:59,190 --> 00:09:57,680

just i feel like almost uh

219

00:10:01,990 --> 00:09:59,200

jealousy

220

00:10:06,069 --> 00:10:02,000

to some extent you know

221

00:10:07,509 --> 00:10:06,079

um jealousy that they weren't in on

222

00:10:09,269 --> 00:10:07,519

um this

223

00:10:10,550 --> 00:10:09,279

huge

224

00:10:16,630 --> 00:10:10,560

revealing

225

00:10:21,509 --> 00:10:19,829

and it's just unfortunate that

226

00:10:23,670 --> 00:10:21,519

you know jealous people can't just put

227

00:10:26,949 --> 00:10:23,680

down their ego and

228

00:10:29,269 --> 00:10:26,959

um try to work for something great

229

00:10:33,509 --> 00:10:29,279

uh because if they did i think we'd

230

00:10:35,509 --> 00:10:33,519

accomplish a lot more uh this next clip

231

00:10:36,710 --> 00:10:35,519

that i'm gonna play is featuring ralph

232

00:10:38,550 --> 00:10:36,720

blumenthal

233

00:10:39,350 --> 00:10:38,560

uh the new york times writer you know

234

00:10:43,430 --> 00:10:39,360

him

235

00:10:46,069 --> 00:10:43,440

uh leslie and uh wanna better gail that

236

00:10:48,710 --> 00:10:46,079

i was not able to

237

00:10:50,230 --> 00:10:48,720

um finish putting that clip

238

00:10:52,069 --> 00:10:50,240

together yet

239

00:10:53,350 --> 00:10:52,079

because there's a lot a lot happened and

240

00:10:55,030 --> 00:10:53,360

i do want to say

241

00:10:56,790 --> 00:10:55,040

omni radio

242

00:10:58,550 --> 00:10:56,800

go follow that person i'll get the

243

00:10:59,670 --> 00:10:58,560

website for you

244

00:11:02,230 --> 00:10:59,680

um

245

00:11:04,870 --> 00:11:02,240

what that person has done an amazing job

246

00:11:06,949 --> 00:11:04,880

documenting absolutely everything in the

247

00:11:09,750 --> 00:11:06,959

press since this started happening

248

00:11:11,829 --> 00:11:09,760

um i just went there and started looking

249

00:11:12,870 --> 00:11:11,839

at this stuff and

250

00:11:15,269 --> 00:11:12,880

um

251
00:11:17,030 --> 00:11:15,279
it's pretty amazing

252
00:11:18,230 --> 00:11:17,040
to be honest with you not only the job

253
00:11:20,389 --> 00:11:18,240
he's done but

254
00:11:22,630 --> 00:11:20,399
um everything that's happened

255
00:11:23,910 --> 00:11:22,640
and all the words that have been said

256
00:11:27,269 --> 00:11:23,920
you know for so

257
00:11:29,110 --> 00:11:27,279
somebody like recently for instance um

258
00:11:31,509 --> 00:11:29,120
you know do we have material we're still

259
00:11:33,350 --> 00:11:31,519
asking do we have any of this

260
00:11:35,829 --> 00:11:33,360
do we have any material

261
00:11:37,430 --> 00:11:35,839
um well this clip is is pretty clear

262
00:11:38,389 --> 00:11:37,440
that

263
00:11:39,750 --> 00:11:38,399

um

264

00:11:41,110 --> 00:11:39,760

thanks so much for watching

265

00:11:42,949 --> 00:11:41,120

i appreciate it

266

00:11:44,550 --> 00:11:42,959

talk to me about the research that went

267

00:11:46,389 --> 00:11:44,560

into this okay first of all it was not

268

00:11:47,750 --> 00:11:46,399

22 million a year it was 22 million

269

00:11:49,829 --> 00:11:47,760

total which is really a drop in the

270

00:11:52,230 --> 00:11:49,839

bucket of the pentagon budget but it

271

00:11:55,110 --> 00:11:52,240

went for research into these objects and

272

00:11:56,949 --> 00:11:55,120

no one knows what they are to this day

273

00:11:58,949 --> 00:11:56,959

that have been seen by navy planes

274

00:12:01,110 --> 00:11:58,959

they've engaged with them they've been

275

00:12:01,910 --> 00:12:01,120

reported by witnesses

276

00:12:04,629 --> 00:12:01,920

but

277

00:12:07,430 --> 00:12:04,639

beyond that we really don't know much

278

00:12:09,990 --> 00:12:07,440

and the research went into

279

00:12:11,670 --> 00:12:10,000

trying to identify their strange means

280

00:12:13,670 --> 00:12:11,680

of propulsion they have phenomenal

281

00:12:16,949 --> 00:12:13,680

aerodynamics which represent nothing on

282

00:12:19,190 --> 00:12:16,959

the face of this earth by any country

283

00:12:21,110 --> 00:12:19,200

and the research even though the program

284

00:12:23,430 --> 00:12:21,120

was officially

285

00:12:25,509 --> 00:12:23,440

ran out of money in 2012 it really has

286

00:12:27,110 --> 00:12:25,519

continued we found out so what's been

287

00:12:28,310 --> 00:12:27,120

going on why and why have they not

288

00:12:30,150 --> 00:12:28,320

publicized the fact that it has

289

00:12:32,230 --> 00:12:30,160

continued well it's a controversial it's

290

00:12:34,230 --> 00:12:32,240

a controversial program a lot of people

291

00:12:35,750 --> 00:12:34,240

uh there's a ridicule factor a lot of

292

00:12:37,190 --> 00:12:35,760

people are afraid of that you know the

293

00:12:39,030 --> 00:12:37,200

people would make fun of the government

294

00:12:41,030 --> 00:12:39,040

spending this money as has already

295

00:12:42,710 --> 00:12:41,040

happened in other media

296

00:12:44,870 --> 00:12:42,720

but there's also a lot of fascination

297

00:12:45,990 --> 00:12:44,880

there is fascination this is probably

298

00:12:47,590 --> 00:12:46,000

the most

299

00:12:50,389 --> 00:12:47,600

watched and looked at story the new york

300

00:12:52,310 --> 00:12:50,399

times has run in a long time because

301
00:12:54,069 --> 00:12:52,320
people are fascinated by the subject

302
00:12:56,710 --> 00:12:54,079
yeah so what what are they finding have

303
00:12:58,389 --> 00:12:56,720
they found anything so far well um

304
00:13:00,550 --> 00:12:58,399
they have confirmed in effect for the

305
00:13:03,190 --> 00:13:00,560
first time that these things exist

306
00:13:04,710 --> 00:13:03,200
according to what the program said

307
00:13:06,949 --> 00:13:04,720
that they have established a kind of

308
00:13:08,389 --> 00:13:06,959
reality to these objects that didn't

309
00:13:10,550 --> 00:13:08,399
exist before that the government was

310
00:13:12,069 --> 00:13:10,560
standing behind

311
00:13:13,670 --> 00:13:12,079
at least this unit of the of the

312
00:13:15,590 --> 00:13:13,680
pentagon

313
00:13:17,670 --> 00:13:15,600

they have as we reported in the paper

314

00:13:20,230 --> 00:13:17,680

some material from these objects that is

315

00:13:22,389 --> 00:13:20,240

being studied so that scientists can try

316

00:13:28,069 --> 00:13:22,399

to figure out what accounts for their

317

00:13:32,150 --> 00:13:30,150

i just wanted to hop in here real quick

318

00:13:34,470 --> 00:13:32,160

and make sure that you heard that

319

00:13:36,150 --> 00:13:34,480

and i'm gonna put it back on

320

00:13:37,750 --> 00:13:36,160

and rewind it

321

00:13:43,430 --> 00:13:37,760

because you need to hear it because it's

322

00:13:47,670 --> 00:13:45,269

material from these objects that is

323

00:13:49,990 --> 00:13:47,680

being studied so that scientists can try

324

00:13:51,990 --> 00:13:50,000

to figure out what accounts

325

00:13:55,110 --> 00:13:52,000

um at least this unit of the of the

326

00:13:56,870 --> 00:13:55,120

pentagon uh they have as we reported in

327

00:13:59,189 --> 00:13:56,880

the paper some material from these

328

00:14:01,030 --> 00:13:59,199

objects that is being studied so that

329

00:14:03,910 --> 00:14:01,040

scientists can try to figure out what

330

00:14:05,829 --> 00:14:03,920

accounts for their amazing properties

331

00:14:07,910 --> 00:14:05,839

they have as we reported in the paper

332

00:14:10,629 --> 00:14:07,920

some material from these objects they

333

00:14:13,430 --> 00:14:10,639

have as we reported in the paper some

334

00:14:15,670 --> 00:14:13,440

material from these objects

335

00:14:16,790 --> 00:14:15,680

technology these objects whatever they

336

00:14:19,750 --> 00:14:16,800

are

337

00:14:21,350 --> 00:14:19,760

so they have made some material

338

00:14:22,870 --> 00:14:21,360

they don't know they're studying it but

339

00:14:24,389 --> 00:14:22,880

it's some kind of compound that they

340

00:14:25,430 --> 00:14:24,399

don't recognize

341

00:14:30,470 --> 00:14:25,440

so

342

00:14:33,110 --> 00:14:32,790

and you know it's it's interesting that

343

00:14:34,710 --> 00:14:33,120

um

344

00:14:36,870 --> 00:14:34,720

[Music]

345

00:14:40,470 --> 00:14:36,880

you know everybody has to laugh

346

00:14:40,480 --> 00:14:43,430

which is so

347

00:14:47,670 --> 00:14:45,189

you know everyone has to laugh or giggle

348

00:14:50,790 --> 00:14:47,680

or feel uncomfortable

349

00:14:55,829 --> 00:14:52,710

and that's just too bad because if you

350

00:14:56,829 --> 00:14:55,839

can't have a serious conversation

351

00:14:58,629 --> 00:14:56,839

i don't

352

00:15:00,550 --> 00:14:58,639

know

353

00:15:01,540 --> 00:15:00,560

oh gee yeah don't bring the pessimist

354

00:15:04,470 --> 00:15:01,550

i'm here today

355

00:15:05,910 --> 00:15:04,480

[Laughter]

356

00:15:08,150 --> 00:15:05,920

just kidding

357

00:15:10,710 --> 00:15:08,160

uh glad you could join us everybody we

358

00:15:12,389 --> 00:15:10,720

got uh 29 people in the chat

359

00:15:14,949 --> 00:15:12,399

cool glad you're here

360

00:15:16,550 --> 00:15:14,959

um you know like i was saying earlier so

361

00:15:17,990 --> 00:15:16,560

this was all pushing and it was pushing

362

00:15:20,710 --> 00:15:18,000

pretty hard

363

00:15:23,670 --> 00:15:20,720

um good day ladies uh that one time i

364

00:15:29,030 --> 00:15:23,680

was abducted by aliens hello

365

00:15:32,389 --> 00:15:30,150

yes

366

00:15:34,629 --> 00:15:32,399

um

367

00:15:37,030 --> 00:15:34,639

who else we got here don't miss anybody

368

00:15:39,590 --> 00:15:37,040

laura yep lara

369

00:15:42,230 --> 00:15:39,600

yep lara and lara

370

00:15:43,350 --> 00:15:42,240

ethereal aura

371

00:15:45,189 --> 00:15:43,360

hayley

372

00:15:47,189 --> 00:15:45,199

what's up dope nose

373

00:15:49,269 --> 00:15:47,199

type nose

374

00:15:51,430 --> 00:15:49,279

dope nose on that burger sugar and then

375

00:15:53,110 --> 00:15:51,440

we got josh what's up yeah that wasn't

376

00:15:56,550 --> 00:15:53,120

me by the way that was

377

00:15:59,350 --> 00:15:56,560

the cnn host was coughing quite a bit

378

00:16:01,509 --> 00:15:59,360

um maybe in disbelief who knows

379

00:16:04,150 --> 00:16:01,519

what up surf psych

380

00:16:05,590 --> 00:16:04,160

hope you guys are doing good

381

00:16:08,230 --> 00:16:05,600

roger that

382

00:16:09,350 --> 00:16:08,240

nice to see you

383

00:16:13,430 --> 00:16:09,360

benji

384

00:16:16,629 --> 00:16:13,440

something about actually you know

385

00:16:19,110 --> 00:16:16,639

i see benji here and

386

00:16:23,829 --> 00:16:19,120

i wanted to

387

00:16:25,189 --> 00:16:23,839

give benji a shout out what's up trisha

388

00:16:26,550 --> 00:16:25,199

thanks for hanging

389

00:16:29,829 --> 00:16:26,560

um

390

00:16:31,430 --> 00:16:29,839

josh b what's up thanks for coming

391

00:16:34,790 --> 00:16:31,440

uh benji

392

00:16:37,350 --> 00:16:34,800

kyle brown okay all right

393

00:16:39,189 --> 00:16:37,360

benji like every time we do a show every

394

00:16:40,069 --> 00:16:39,199

time i do a show and other people do a

395

00:16:42,949 --> 00:16:40,079

show

396

00:16:45,269 --> 00:16:42,959

he not only watches it but he

397

00:16:47,749 --> 00:16:45,279

then like retweets it

398

00:16:50,310 --> 00:16:47,759

and writes something positive about it

399

00:16:51,749 --> 00:16:50,320

and sometimes he tweets well most of the

400

00:16:54,310 --> 00:16:51,759

time he tweets

401
00:16:55,990 --> 00:16:54,320
that the show's happening and everything

402
00:16:57,910 --> 00:16:56,000
um and

403
00:16:59,910 --> 00:16:57,920
you know without support like that in

404
00:17:01,590 --> 00:16:59,920
this community man

405
00:17:02,389 --> 00:17:01,600
it can be really tough

406
00:17:04,390 --> 00:17:02,399
so

407
00:17:06,230 --> 00:17:04,400
i just wanted to say how grateful i am

408
00:17:09,270 --> 00:17:06,240
for that dude benji

409
00:17:10,789 --> 00:17:09,280
um because he kicks ass he's always

410
00:17:12,789 --> 00:17:10,799
always nice

411
00:17:15,750 --> 00:17:12,799
um and respectful

412
00:17:16,789 --> 00:17:15,760
polite and supportive and positive

413
00:17:18,870 --> 00:17:16,799

um

414

00:17:21,029 --> 00:17:18,880

love that guy

415

00:17:22,549 --> 00:17:21,039

so thanks for doing that benji because

416

00:17:25,110 --> 00:17:22,559

it's hard out there i mean there's a lot

417

00:17:27,510 --> 00:17:25,120

of voices um

418

00:17:29,350 --> 00:17:27,520

you know good ones bad ones

419

00:17:31,110 --> 00:17:29,360

but it's hard to get yours out there you

420

00:17:32,870 --> 00:17:31,120

know do a bigger crowd

421

00:17:33,909 --> 00:17:32,880

and the people that are willing to go

422

00:17:36,310 --> 00:17:33,919

the the

423

00:17:38,470 --> 00:17:36,320

the distance and you know share the

424

00:17:40,710 --> 00:17:38,480

stuff on their socials

425

00:17:42,710 --> 00:17:40,720

and you know write stuff about it like

426

00:17:44,390 --> 00:17:42,720

that to get the word out like

427

00:17:46,549 --> 00:17:44,400

that's the kind of thing that makes a

428

00:17:47,430 --> 00:17:46,559

really big big difference in this space

429

00:17:50,150 --> 00:17:47,440

so

430

00:17:51,990 --> 00:17:50,160

i'm real thankful for that

431

00:17:55,590 --> 00:17:52,000

um

432

00:18:00,470 --> 00:17:57,190

so uh

433

00:18:02,150 --> 00:18:00,480

i really appreciate that of course i'm

434

00:18:04,070 --> 00:18:02,160

super thankful that you guys are just

435

00:18:05,590 --> 00:18:04,080

here in general

436

00:18:07,029 --> 00:18:05,600

i mean that's awesome

437

00:18:09,750 --> 00:18:07,039

there's other things you could do with

438

00:18:11,909 --> 00:18:09,760

your day but you know benji deserves a

439

00:18:15,270 --> 00:18:11,919

pat on the back for that and i want him

440

00:18:17,909 --> 00:18:15,280

to know that means a lot to me so

441

00:18:20,870 --> 00:18:18,980

yeah i know laura

442

00:18:23,110 --> 00:18:20,880

[Laughter]

443

00:18:24,870 --> 00:18:23,120

we gotta work on that we gotta get uh we

444

00:18:26,710 --> 00:18:24,880

gotta get somebody on that

445

00:18:29,110 --> 00:18:26,720

uh maybe i'll do it like a demonstration

446

00:18:36,870 --> 00:18:29,120

one day

447

00:18:40,950 --> 00:18:38,870

what do we got here uh

448

00:18:43,990 --> 00:18:40,960

oh you've been in it yeah no i

449

00:18:44,870 --> 00:18:44,000

understand it's not a easy thing man you

450

00:18:46,870 --> 00:18:44,880

know

451
00:18:48,950 --> 00:18:46,880
uh stigma runs hard but the only way

452
00:18:50,630 --> 00:18:48,960
that we'll get through to

453
00:18:52,230 --> 00:18:50,640
get through the stigma stuff is if more

454
00:18:54,870 --> 00:18:52,240
of us like

455
00:18:57,990 --> 00:18:54,880
you know make the decision to not

456
00:18:58,950 --> 00:18:58,000
um let that stop us

457
00:19:00,310 --> 00:18:58,960
you know

458
00:19:01,750 --> 00:19:00,320
um

459
00:19:03,350 --> 00:19:01,760
and when you

460
00:19:05,510 --> 00:19:03,360
you know you don't necessarily you don't

461
00:19:08,549 --> 00:19:05,520
have to believe that it's aliens or that

462
00:19:10,950 --> 00:19:08,559
it's this or that like

463
00:19:14,070 --> 00:19:10,960

it's just clear that there's something

464

00:19:17,430 --> 00:19:16,150

that's incredible and we don't know what

465

00:19:19,110 --> 00:19:17,440

it is

466

00:19:28,230 --> 00:19:19,120

you know

467

00:19:30,150 --> 00:19:28,240

after this next clip i'm going to play

468

00:19:31,750 --> 00:19:30,160

uh there he is

469

00:19:33,029 --> 00:19:31,760

after this uh

470

00:19:34,789 --> 00:19:33,039

next clip i'm going to play it's called

471

00:19:36,310 --> 00:19:34,799

the pushback

472

00:19:38,470 --> 00:19:36,320

which is

473

00:19:41,669 --> 00:19:38,480

you know what happened when all this um

474

00:19:44,150 --> 00:19:41,679

tipped off not only was there um champs

475

00:19:46,070 --> 00:19:44,160

like elizondo out there trying to

476

00:19:48,070 --> 00:19:46,080

um get this out there

477

00:19:51,350 --> 00:19:48,080

but there was also people like neil

478

00:19:52,950 --> 00:19:51,360

degrasse tyson and then some other

479

00:19:55,669 --> 00:19:52,960

real

480

00:19:59,909 --> 00:19:57,350

that you'll see one was talking about

481

00:20:01,430 --> 00:19:59,919

rainbows um so you know rainbows are

482

00:20:04,070 --> 00:20:01,440

nice and everything but

483

00:20:04,950 --> 00:20:04,080

saying to rainbow all right so

484

00:20:07,830 --> 00:20:04,960

um

485

00:20:09,909 --> 00:20:07,840

here we go airborne threats

486

00:20:12,149 --> 00:20:09,919

and threats come at all

487

00:20:14,390 --> 00:20:12,159

in all flavors whether it's equipment

488

00:20:16,390 --> 00:20:14,400

problems or procedural errors

489

00:20:19,029 --> 00:20:16,400

criminals hackers or real enemies or

490

00:20:20,470 --> 00:20:19,039

even even space aliens and so anything

491

00:20:21,990 --> 00:20:20,480

you see out there whether it's in the

492

00:20:24,390 --> 00:20:22,000

air or in my experience in mission

493

00:20:26,230 --> 00:20:24,400

control in space you want to trace it

494

00:20:28,230 --> 00:20:26,240

track it down

495

00:20:30,870 --> 00:20:28,240

uh james said had you ever heard of this

496

00:20:32,789 --> 00:20:30,880

program uh in the past i haven't but i

497

00:20:35,350 --> 00:20:32,799

know that there's people interested and

498

00:20:37,990 --> 00:20:35,360

always should be in fact there's another

499

00:20:39,990 --> 00:20:38,000

tremendously important reason to pay

500

00:20:42,070 --> 00:20:40,000

attention to the reports you can't study

501
00:20:44,149 --> 00:20:42,080
ufos because you don't have any but you

502
00:20:47,110 --> 00:20:44,159
can study ufo reports

503
00:20:49,350 --> 00:20:47,120
turns out that among the ufo reports uh

504
00:20:52,630 --> 00:20:49,360
and one of the causes

505
00:20:53,430 --> 00:20:52,640
can't say all of them one of the causes

506
00:20:55,510 --> 00:20:53,440
are

507
00:20:57,029 --> 00:20:55,520
misperceptions by startled viewers

508
00:20:59,350 --> 00:20:57,039
especially in russia and around the

509
00:21:00,789 --> 00:20:59,360
russian border of secret missile and

510
00:21:02,310 --> 00:21:00,799
space activities

511
00:21:04,230 --> 00:21:02,320
i've done some research on that now that

512
00:21:07,029 --> 00:21:04,240
i'm retired and working as a historian

513
00:21:09,909 --> 00:21:07,039

of spaceflight found out rocket tests

514

00:21:12,470 --> 00:21:09,919

satellite tests satellite explosions

515

00:21:15,669 --> 00:21:12,480

have been seen misperceived reported and

516

00:21:19,270 --> 00:21:15,679

are on file in all the world's ufo uh

517

00:21:22,230 --> 00:21:19,280

bibliographies as as aliens when in fact

518

00:21:24,870 --> 00:21:22,240

they were just locals they were russians

519

00:21:26,549 --> 00:21:24,880

doing these uh activities and people

520

00:21:28,230 --> 00:21:26,559

were just misinterpreting and wildly

521

00:21:30,870 --> 00:21:28,240

exaggerating what they're seeing the key

522

00:21:32,470 --> 00:21:30,880

is though scott that when you study

523

00:21:34,310 --> 00:21:32,480

these reports you get some information

524

00:21:36,230 --> 00:21:34,320

about how the rockets were working or

525

00:21:38,149 --> 00:21:36,240

not working or the spacecraft is

526

00:21:40,230 --> 00:21:38,159

important intelligence data for u.s

527

00:21:42,230 --> 00:21:40,240

agencies but only as long as the

528

00:21:44,710 --> 00:21:42,240

russians don't catch on that we're

529

00:21:47,590 --> 00:21:44,720

reading their ufo books

530

00:21:50,789 --> 00:21:47,600

now james the uh secret program captured

531

00:21:52,789 --> 00:21:50,799

video from a hornet showing some kind of

532

00:21:55,430 --> 00:21:52,799

uh aircraft what what are your thoughts

533

00:21:56,870 --> 00:21:55,440

on on that video and and what well you

534

00:21:58,950 --> 00:21:56,880

can't you can't you know that's a

535

00:22:01,270 --> 00:21:58,960

premature question because we've just

536

00:22:02,950 --> 00:22:01,280

seen uh partial videos of it we haven't

537

00:22:04,549 --> 00:22:02,960

seen the backup support it's really

538

00:22:06,710 --> 00:22:04,559

important to get those kind of videos

539

00:22:08,070 --> 00:22:06,720

out to the world beyond the closed

540

00:22:10,710 --> 00:22:08,080

circle of any kind of potential

541

00:22:12,630 --> 00:22:10,720

groupthink organization because uh

542

00:22:15,190 --> 00:22:12,640

crowdsourcing as we know is one of the

543

00:22:17,270 --> 00:22:15,200

great problem solving and puzzle solving

544

00:22:20,070 --> 00:22:17,280

uh techniques on the internet the

545

00:22:21,830 --> 00:22:20,080

example of this report is that to me it

546

00:22:22,549 --> 00:22:21,840

reminds me of a one about a year ago

547

00:22:25,190 --> 00:22:22,559

that

548

00:22:27,350 --> 00:22:25,200

leslie came came out with champion a

549

00:22:30,950 --> 00:22:27,360

great report from chile from a military

550

00:22:32,950 --> 00:22:30,960

helicopter unsolved by a top-level panel

551
00:22:34,630 --> 00:22:32,960
of experts turned out as soon as the

552
00:22:36,070 --> 00:22:34,640
information was published

553
00:22:37,590 --> 00:22:36,080
experts around the world quickly

554
00:22:40,310 --> 00:22:37,600
determined that it was a commercial

555
00:22:42,390 --> 00:22:40,320
airliner just farther away than these

556
00:22:45,029 --> 00:22:42,400
supposedly top flight investigators

557
00:22:47,430 --> 00:22:45,039
assumed it was so the last time that we

558
00:22:49,830 --> 00:22:47,440
came up with a big video from airborne

559
00:22:51,830 --> 00:22:49,840
video from miss keane

560
00:22:53,350 --> 00:22:51,840
it was a real egg on her face so very

561
00:22:57,029 --> 00:22:53,360
quickly

562
00:23:00,630 --> 00:22:58,710
did you hear that the last time we seen

563
00:23:03,430 --> 00:23:00,640

something by miss keane it was a real

564

00:23:05,990 --> 00:23:03,440

big egg on her face

565

00:23:08,390 --> 00:23:06,000

did you hear that

566

00:23:10,789 --> 00:23:08,400

that's like um you know the interesting

567

00:23:13,350 --> 00:23:10,799

part to me about the pushback which we

568

00:23:15,750 --> 00:23:13,360

see on twitter all the time

569

00:23:19,990 --> 00:23:15,760

is that they always have to take it

570

00:23:21,669 --> 00:23:20,000

a step farther with the ridicule

571

00:23:23,270 --> 00:23:21,679

they always have to go

572

00:23:24,149 --> 00:23:23,280

low

573

00:23:26,230 --> 00:23:24,159

you know

574

00:23:27,669 --> 00:23:26,240

and sometimes i think maybe it's because

575

00:23:29,510 --> 00:23:27,679

they don't have

576

00:23:30,789 --> 00:23:29,520

uh

577

00:23:36,070 --> 00:23:30,799

any ammo

578

00:23:39,590 --> 00:23:38,070

a pretty exciting day and i want to talk

579

00:23:41,269 --> 00:23:39,600

a little like

580

00:23:43,029 --> 00:23:41,279

straight

581

00:23:45,110 --> 00:23:43,039

forward about the actual videos

582

00:23:47,269 --> 00:23:45,120

themselves and as you as someone who

583

00:23:49,269 --> 00:23:47,279

spent your career around aviation

584

00:23:51,750 --> 00:23:49,279

aviation and physics and and the physics

585

00:23:52,390 --> 00:23:51,760

of aviation and what humans are capable

586

00:23:55,190 --> 00:23:52,400

of

587

00:23:57,909 --> 00:23:55,200

what is it about how these unknown

588

00:24:00,549 --> 00:23:57,919

objects in these videos are moving that

589

00:24:01,900 --> 00:24:00,559

makes the aircraft so

590

00:24:03,750 --> 00:24:01,910

unidentifiable

591

00:24:05,990 --> 00:24:03,760

[Music]

592

00:24:08,549 --> 00:24:06,000

yeah i've only seen the video on the uh

593

00:24:10,630 --> 00:24:08,559

on the news outlets and it appears to be

594

00:24:12,870 --> 00:24:10,640

uh an object that is flying in a way

595

00:24:14,870 --> 00:24:12,880

that normal aircraft don't fly uh

596

00:24:17,510 --> 00:24:14,880

however i wouldn't be quick to ascribe

597

00:24:19,669 --> 00:24:17,520

it to any kind of a an extraterrestrial

598

00:24:21,909 --> 00:24:19,679

vehicle or anything like that as an

599

00:24:24,630 --> 00:24:21,919

astronaut i've seen plenty of things

600

00:24:26,310 --> 00:24:24,640

that looked odd at the moment and all of

601
00:24:29,190 --> 00:24:26,320
those things were later explained as

602
00:24:31,430 --> 00:24:29,200
either man-made or a natural phenomenon

603
00:24:33,750 --> 00:24:31,440
and you know i think several astronauts

604
00:24:35,990 --> 00:24:33,760
and aviators have seen similar things

605
00:24:37,430 --> 00:24:36,000
and and we can give you examples of some

606
00:24:39,029 --> 00:24:37,440
of those what are some of the things

607
00:24:40,390 --> 00:24:39,039
that might make that i mean what are

608
00:24:42,470 --> 00:24:40,400
things that could

609
00:24:44,549 --> 00:24:42,480
have made who could that can move like

610
00:24:46,149 --> 00:24:44,559
that

611
00:24:48,950 --> 00:24:46,159
well it's hard to say you know it could

612
00:24:50,789 --> 00:24:48,960
be a trick played by the lighting it

613
00:24:53,269 --> 00:24:50,799

could be any number of things i can tell

614

00:24:55,430 --> 00:24:53,279

you about an example on my second space

615

00:24:57,269 --> 00:24:55,440

mission uh we were told by the the

616

00:24:58,870 --> 00:24:57,279

mission control center to look down

617

00:25:00,549 --> 00:24:58,880

towards florida because we might be able

618

00:25:02,549 --> 00:25:00,559

to see a rocket launch launching a

619

00:25:03,830 --> 00:25:02,559

satellite and we couldn't actually see

620

00:25:06,230 --> 00:25:03,840

the rocket but suddenly the whole

621

00:25:10,520 --> 00:25:06,240

horizon lit up in all all the colors of

622

00:25:21,430 --> 00:25:10,530

the rainbow he uh colors the rainbow

623

00:25:23,909 --> 00:25:23,110

i don't know if that's a coincidence or

624

00:25:25,590 --> 00:25:23,919

not

625

00:25:27,669 --> 00:25:25,600

i feel like i already want to pass on

626

00:25:30,549 --> 00:25:27,679

this question given that you've got

627

00:25:31,909 --> 00:25:30,559

aliens sitting among you several reports

628

00:25:33,510 --> 00:25:31,919

disclosed the existence of a secret

629

00:25:36,710 --> 00:25:33,520

pentagon program that was researching

630

00:25:38,470 --> 00:25:36,720

ufos funding right now for that in 2012.

631

00:25:40,549 --> 00:25:38,480

um does the president believe in the

632

00:25:42,230 --> 00:25:40,559

assistance of ufos and

633

00:25:44,149 --> 00:25:42,240

would he be interested in restoring

634

00:25:46,070 --> 00:25:44,159

funding for that program somehow that

635

00:25:47,909 --> 00:25:46,080

question hasn't come up in our back and

636

00:25:49,990 --> 00:25:47,919

forth over the last couple days but i

637

00:25:52,470 --> 00:25:50,000

will uh check into that and be happy to

638

00:25:55,470 --> 00:25:52,480

circle back and then finally on the one

639

00:26:05,029 --> 00:25:55,480

let me start one at a time

640

00:26:08,310 --> 00:26:06,870

which is awesome astrophysics for people

641

00:26:11,190 --> 00:26:08,320

in a hurry

642

00:26:13,350 --> 00:26:11,200

oh yeah thank you yeah i'm still shocked

643

00:26:14,630 --> 00:26:13,360

that people care about it at the level

644

00:26:16,549 --> 00:26:14,640

they have to be

645

00:26:18,549 --> 00:26:16,559

you are our science explainer in chief

646

00:26:20,710 --> 00:26:18,559

and so explain what you see on that

647

00:26:23,350 --> 00:26:20,720

video well so people i think have

648

00:26:25,590 --> 00:26:23,360

conflated the concept of a ufo with

649

00:26:27,430 --> 00:26:25,600

whether we're visited by aliens ufo

650

00:26:28,870 --> 00:26:27,440

means unidentified

651
00:26:31,830 --> 00:26:28,880
flying

652
00:26:34,310 --> 00:26:31,840
object okay this is a highly

653
00:26:36,870 --> 00:26:34,320
non-specific term yeah it is so

654
00:26:37,909 --> 00:26:36,880
non-specific it admits you don't know

655
00:26:39,430 --> 00:26:37,919
what you're looking at but what's

656
00:26:42,470 --> 00:26:39,440
driving that thing it's not a space

657
00:26:45,029 --> 00:26:42,480
alien it's unidentified okay so so

658
00:26:47,510 --> 00:26:45,039
so that's not good enough well it's fine

659
00:26:50,230 --> 00:26:47,520
so the universe brims with mysteries and

660
00:26:51,669 --> 00:26:50,240
so just because you don't know what it

661
00:26:53,110 --> 00:26:51,679
is you're looking at

662
00:26:54,789 --> 00:26:53,120
doesn't mean

663
00:26:57,350 --> 00:26:54,799

it's intelligent aliens visiting from

664

00:26:58,789 --> 00:26:57,360

another planet yes you just said you

665

00:27:00,789 --> 00:26:58,799

don't know what you're looking at so

666

00:27:03,029 --> 00:27:00,799

it's not you cannot as a next sentence

667

00:27:05,029 --> 00:27:03,039

say therefore it must be anything yes

668

00:27:07,110 --> 00:27:05,039

but you know what we're looking at you

669

00:27:12,870 --> 00:27:07,120

stare at the cosmos for a limit i'm not

670

00:27:16,070 --> 00:27:14,390

a couple of things

671

00:27:17,750 --> 00:27:16,080

consider what what made people

672

00:27:20,230 --> 00:27:17,760

interested in this is that it involved

673

00:27:22,310 --> 00:27:20,240

the pentagon and 22 million or whatever

674

00:27:23,830 --> 00:27:22,320

the figure was consider by the way

675

00:27:25,750 --> 00:27:23,840

that's 22 million dollars over five

676
00:27:27,190 --> 00:27:25,760
years and the pentagon's budget is huge

677
00:27:31,190 --> 00:27:27,200
so how much of the pentagon budget is

678
00:27:36,870 --> 00:27:34,870
of the pentagon budget so so a b

679
00:27:38,870 --> 00:27:36,880
it's a flying object and we don't know

680
00:27:40,149 --> 00:27:38,880
what it is i would hope somebody is

681
00:27:42,470 --> 00:27:40,159
checking it out

682
00:27:44,630 --> 00:27:42,480
i would hope there's a program of our

683
00:27:46,950 --> 00:27:44,640
defense department to make sure they do

684
00:27:48,549 --> 00:27:46,960
not pose a threat and sure enough that's

685
00:27:51,269 --> 00:27:48,559
what that program was they just buzzed

686
00:27:52,549 --> 00:27:51,279
away they didn't know what it was

687
00:27:54,310 --> 00:27:52,559
we still don't know it's a mystery we

688
00:27:56,630 --> 00:27:54,320

still don't know wait hold on and i'm

689

00:28:00,310 --> 00:27:56,640

i'm cool with that okay that's where we

690

00:28:03,110 --> 00:28:00,320

differ we are cool with letting that

691

00:28:05,430 --> 00:28:03,120

letting you scientists

692

00:28:07,909 --> 00:28:05,440

every day of our lives there's this

693

00:28:10,230 --> 00:28:07,919

there is the circle of knowledge that we

694

00:28:12,149 --> 00:28:10,240

have and then there is beyond that

695

00:28:13,510 --> 00:28:12,159

circle is the unknown

696

00:28:16,070 --> 00:28:13,520

and and

697

00:28:17,029 --> 00:28:16,080

even as the perimeter of that knowledge

698

00:28:19,350 --> 00:28:17,039

grows

699

00:28:21,269 --> 00:28:19,360

okay that as the area of the knowledge

700

00:28:23,269 --> 00:28:21,279

goes so so does the perimeter of our

701

00:28:25,350 --> 00:28:23,279

ignorance all right because it's it's

702

00:28:27,029 --> 00:28:25,360

touching this wider and wider area okay

703

00:28:29,269 --> 00:28:27,039

i understand so people are uncomfortable

704

00:28:30,549 --> 00:28:29,279

not knowing not the scientist i'm fine

705

00:28:33,190 --> 00:28:30,559

we don't know what it is keep checking

706

00:28:35,029 --> 00:28:33,200

it out okay but hold on a second

707

00:28:36,070 --> 00:28:35,039

when you have dinner invite from an

708

00:28:38,470 --> 00:28:36,080

alien

709

00:28:41,510 --> 00:28:38,480

so you're skeptical you're skeptical

710

00:28:42,630 --> 00:28:41,520

that space aliens have visited earth the

711

00:28:46,710 --> 00:28:42,640

evidence

712

00:28:48,870 --> 00:28:46,720

is so paltry for aliens to visit earth i

713

00:28:51,430 --> 00:28:48,880

have no further

714

00:28:53,430 --> 00:28:51,440

interest let other people who care go

715

00:28:55,590 --> 00:28:53,440

ahead and then when you finally find

716

00:28:58,630 --> 00:28:55,600

some aliens bring them into times square

717

00:29:00,549 --> 00:28:58,640

no no too many weird people actually

718

00:29:02,070 --> 00:29:00,559

that's happened you will not stand out

719

00:29:03,990 --> 00:29:02,080

in time right try not to come back

720

00:29:06,470 --> 00:29:04,000

during comic-con

721

00:29:07,669 --> 00:29:06,480

when the alien would just blend in fight

722

00:29:09,830 --> 00:29:07,679

fight

723

00:29:11,830 --> 00:29:09,840

go to the county fair or something where

724

00:29:15,110 --> 00:29:11,840

there's a uniformity of who's there and

725

00:29:18,149 --> 00:29:15,120

then you so i and everybody's got a

726
00:29:20,630 --> 00:29:18,159
high-definition video camera on them now

727
00:29:23,430 --> 00:29:20,640
where there would be where are we have

728
00:29:25,590 --> 00:29:23,440
video footage of rare things that you

729
00:29:29,190 --> 00:29:25,600
knew happened but no one saw it happen

730
00:29:31,190 --> 00:29:29,200
like buses tumbling in tornadoes you in

731
00:29:32,710 --> 00:29:31,200
the day you didn't say oh there's a that

732
00:29:34,710 --> 00:29:32,720
bus is about to turn let me go back and

733
00:29:36,789 --> 00:29:34,720
get my video camera to film this no you

734
00:29:39,110 --> 00:29:36,799
got your tail out of there everybody's

735
00:29:42,070 --> 00:29:39,120
got a video camera i'm just waiting for

736
00:29:44,230 --> 00:29:42,080
images of people visiting

737
00:29:46,310 --> 00:29:44,240
having dot t

738
00:29:48,470 --> 00:29:46,320

with with aliens on the spacecraft but

739

00:29:50,310 --> 00:29:48,480

they do acknowledge that

740

00:29:52,630 --> 00:29:50,320

carbon is not a rare substance there

741

00:29:54,789 --> 00:29:52,640

must be carbon based life forms out

742

00:29:56,310 --> 00:29:54,799

there so if there's life elsewhere it is

743

00:29:59,350 --> 00:29:56,320

likely based on carbon not only because

744

00:30:01,350 --> 00:29:59,360

carbon is abundant but it is highly

745

00:30:03,590 --> 00:30:01,360

versatile in what kinds of molecules it

746

00:30:05,669 --> 00:30:03,600

makes and you need the diversity of life

747

00:30:07,190 --> 00:30:05,679

is enabled and empowered by the

748

00:30:08,230 --> 00:30:07,200

diversity of the molecules carbon

749

00:30:08,980 --> 00:30:08,240

dioxide do you think there's intelligent

750

00:30:10,230 --> 00:30:08,990

life out there

751
00:30:12,230 --> 00:30:10,240

[Music]

752
00:30:14,149 --> 00:30:12,240

i would first start with that question

753
00:30:16,549 --> 00:30:14,159

on earth

754
00:30:18,710 --> 00:30:16,559

you set me up for that

755
00:30:20,310 --> 00:30:18,720

uh no so the question is have aliens

756
00:30:21,830 --> 00:30:20,320

visited and just kept going because

757
00:30:24,070 --> 00:30:21,840

there was no sign of intelligent life

758
00:30:25,350 --> 00:30:24,080

we've we've used ours who defined us as

759
00:30:26,710 --> 00:30:25,360

intelligent

760
00:30:27,430 --> 00:30:26,720

we dated

761
00:30:34,789 --> 00:30:27,440

so

762
00:30:37,590 --> 00:30:34,799

uh who are we to say i'm just saying

763
00:30:40,389 --> 00:30:37,600

it seems to me aliens who visited us it

764

00:30:43,590 --> 00:30:40,399

would be much they would manifest

765

00:30:46,310 --> 00:30:43,600

more convincingly than fuzzy video

766

00:30:47,350 --> 00:30:46,320

and and there's no reason to assume that

767

00:30:49,430 --> 00:30:47,360

because you don't know what you're

768

00:30:50,950 --> 00:30:49,440

looking at it equals aliens that visited

769

00:30:52,549 --> 00:30:50,960

us from outer space i'm glad the

770

00:30:54,630 --> 00:30:52,559

pentagon was looking at this because if

771

00:30:55,990 --> 00:30:54,640

it posed a threat i want them on top of

772

00:30:58,310 --> 00:30:56,000

it right away

773

00:31:00,789 --> 00:30:58,320

and otherwise

774

00:31:05,570 --> 00:31:00,799

and the program is closed down and and

775

00:31:09,029 --> 00:31:07,909

[Music]

776

00:31:11,909 --> 00:31:09,039

i'm just saying

777

00:31:14,710 --> 00:31:11,919

it seems to me aliens who visited us it

778

00:31:18,310 --> 00:31:14,720

would be much they would manifest

779

00:31:20,710 --> 00:31:18,320

more convincingly than fuzzy video and

780

00:31:21,669 --> 00:31:20,720

and there's no reason to assume that

781

00:31:23,830 --> 00:31:21,679

because you don't know what you're

782

00:31:25,350 --> 00:31:23,840

looking at it equals aliens that visited

783

00:31:26,870 --> 00:31:25,360

us from outside he's wrong i'm glad the

784

00:31:28,789 --> 00:31:26,880

pentagon was looking at this because if

785

00:31:30,310 --> 00:31:28,799

it posed a threat i want them on top of

786

00:31:31,240 --> 00:31:30,320

this right away

787

00:31:36,690 --> 00:31:31,250

it didn't close

788

00:31:36,700 --> 00:31:44,389

[Music]

789

00:31:49,269 --> 00:31:47,269

yeah that i mean

790

00:31:51,350 --> 00:31:49,279

the thing you know the other thing is

791

00:31:54,470 --> 00:31:51,360

he's he's sitting there

792

00:31:59,669 --> 00:31:54,480

um degrading human beings calling us um

793

00:32:03,029 --> 00:32:01,509

you know who are we to say

794

00:32:05,990 --> 00:32:03,039

we're intelligent if we call ourselves

795

00:32:08,310 --> 00:32:06,000

intelligent and in the same interview

796

00:32:10,549 --> 00:32:08,320

he's saying how ridiculous it is for

797

00:32:16,950 --> 00:32:10,559

something to happen

798

00:32:21,830 --> 00:32:19,029

and then he gets his facts wrong about

799

00:32:24,149 --> 00:32:21,840

it being closed down when

800

00:32:29,909 --> 00:32:24,159

that's when elizondo really

801
00:32:34,230 --> 00:32:32,310
so it's stuff like that that um you know

802
00:32:36,149 --> 00:32:34,240
doesn't really uh allow you to take a

803
00:32:39,190 --> 00:32:36,159
person like that seriously because

804
00:32:39,200 --> 00:32:44,630
factually when they don't have the facts

805
00:32:44,640 --> 00:32:47,029
so

806
00:32:51,669 --> 00:32:49,269
you know i know it it stinks listening

807
00:32:53,029 --> 00:32:51,679
to that guy

808
00:32:56,230 --> 00:32:53,039
but um

809
00:32:58,149 --> 00:32:56,240
you know i think sometimes you just uh

810
00:33:00,470 --> 00:32:58,159
you have to

811
00:33:03,029 --> 00:33:00,480
and you know i'm really again i'm

812
00:33:04,470 --> 00:33:03,039
thankful for um

813
00:33:06,710 --> 00:33:04,480

uh omni

814

00:33:08,789 --> 00:33:06,720

radio for doing

815

00:33:13,029 --> 00:33:08,799

all the work he has been doing

816

00:33:17,190 --> 00:33:14,389

because

817

00:33:20,870 --> 00:33:17,200

i think they really prove a point to be

818

00:33:20,880 --> 00:33:25,669

and when you look at them like that

819

00:33:29,590 --> 00:33:27,430

you go back and you get that perspective

820

00:33:33,269 --> 00:33:29,600

of what happened then right and there's

821

00:33:38,630 --> 00:33:35,909

for sure like it would take

822

00:33:41,669 --> 00:33:38,640

forever to really do that but i tried to

823

00:33:44,549 --> 00:33:41,679

you know pick the ones that were

824

00:33:46,789 --> 00:33:44,559

um that i saw that i think were the most

825

00:33:48,389 --> 00:33:46,799

impactful um

826

00:33:50,710 --> 00:33:48,399

and i thought it was very interesting

827

00:33:53,990 --> 00:33:50,720

that neil degrasse tyson was out there

828

00:33:58,710 --> 00:33:54,000

right away right away

829

00:33:58,720 --> 00:34:01,350

and

830

00:34:04,710 --> 00:34:02,710

now we know

831

00:34:07,509 --> 00:34:04,720

with more facts out

832

00:34:08,950 --> 00:34:07,519

that he was incorrect

833

00:34:10,950 --> 00:34:08,960

about

834

00:34:12,869 --> 00:34:10,960

um so many things

835

00:34:14,869 --> 00:34:12,879

and you know when he goes

836

00:34:19,669 --> 00:34:14,879

for science we need more proof like you

837

00:34:23,829 --> 00:34:21,349

wow

838

00:34:25,750 --> 00:34:23,839

it's stuff like that that that really

839

00:34:26,470 --> 00:34:25,760

you know shows you the kind of person he

840

00:34:27,589 --> 00:34:26,480

is

841

00:34:30,310 --> 00:34:27,599

really

842

00:34:31,909 --> 00:34:30,320

and then he says um or how about time

843

00:34:33,510 --> 00:34:31,919

square no no no there's so many

844

00:34:36,389 --> 00:34:33,520

different people there no put them in a

845

00:34:38,310 --> 00:34:36,399

fair where everyone's kind of uniform

846

00:34:44,470 --> 00:34:38,320

do you hear that

847

00:34:49,990 --> 00:34:46,149

it's too bad

848

00:34:56,629 --> 00:34:53,030

and baffled two navy pilots it's not a

849

00:34:59,270 --> 00:34:56,639

drone it's not a drone it's not a drone

850

00:35:01,910 --> 00:34:59,280

it's not a drone

851

00:35:05,030 --> 00:35:01,920

it's not something that we can easily

852

00:35:07,349 --> 00:35:05,040

say oh that's an airplane luis elizondo

853

00:35:09,750 --> 00:35:07,359

ran the advanced aviation threat

854

00:35:11,910 --> 00:35:09,760

identification program at the defense

855

00:35:14,829 --> 00:35:11,920

department he believes the way that

856

00:35:16,390 --> 00:35:14,839

school bus sized object moved

857

00:35:17,750 --> 00:35:16,400

defied

858

00:35:20,790 --> 00:35:17,760

you know what i don't mean to do this

859

00:35:22,790 --> 00:35:20,800

but yeah i do it this one's for everyone

860

00:35:24,470 --> 00:35:22,800

that

861

00:35:25,829 --> 00:35:24,480

especially one person if you're on

862

00:35:27,109 --> 00:35:25,839

twitter you definitely know who i'm

863

00:35:29,829 --> 00:35:27,119

talking about

864

00:35:30,550 --> 00:35:29,839

um who keeps calling these drones well

865

00:35:31,990 --> 00:35:30,560

if

866

00:35:33,829 --> 00:35:32,000

and then you know

867

00:35:35,990 --> 00:35:33,839

i've even confronted the person before

868

00:35:38,230 --> 00:35:36,000

so are you saying that elizondo and

869

00:35:40,550 --> 00:35:38,240

everything is lying he goes whoa i'm not

870

00:35:43,190 --> 00:35:40,560

saying that i'm just i'm not saying that

871

00:35:45,030 --> 00:35:43,200

you're not because i'm pretty sure

872

00:35:47,109 --> 00:35:45,040

he said they're not drones

873

00:35:50,390 --> 00:35:47,119

this object appeared off the california

874

00:35:53,910 --> 00:35:50,400

coast in 2004 and baffled two navy

875

00:35:58,390 --> 00:35:53,920

pilots it's not a drone it's not a drone

876

00:36:01,190 --> 00:35:58,400

it's not a drone it's not a drone it's

877

00:36:04,310 --> 00:36:01,200

not something that we can easily say oh

878

00:36:06,950 --> 00:36:04,320

that's an airplane luis elizondo ran the

879

00:36:09,510 --> 00:36:06,960

advanced aviation threat identification

880

00:36:11,510 --> 00:36:09,520

program at the defense department he

881

00:36:14,230 --> 00:36:11,520

believes the way that school bus sized

882

00:36:17,030 --> 00:36:14,240

object moved defied the known laws of

883

00:36:19,270 --> 00:36:17,040

physics what we are looking at is truly

884

00:36:21,430 --> 00:36:19,280

beyond next generation technologies

885

00:36:23,910 --> 00:36:21,440

former nevada senator harry reid

886

00:36:25,910 --> 00:36:23,920

championed the ufo program and some of

887

00:36:28,870 --> 00:36:25,920

the funding reportedly went to one of

888

00:36:31,990 --> 00:36:28,880

his donors robert bigelow founder of the

889

00:36:34,310 --> 00:36:32,000

military contractor bigelow aerospace

890

00:36:35,990 --> 00:36:34,320

the las vegas tycoon spoke with 60

891

00:36:39,190 --> 00:36:36,000

minutes in may

892

00:36:40,630 --> 00:36:39,200

do you imagine that in our space travels

893

00:36:42,950 --> 00:36:40,640

we will encounter

894

00:36:44,790 --> 00:36:42,960

other forms of intelligent life you

895

00:36:49,589 --> 00:36:44,800

don't have to go anywhere

896

00:36:54,630 --> 00:36:51,589

where exactly it's just like right under

897

00:36:57,349 --> 00:36:54,640

people's noses oh my gosh

898

00:37:02,870 --> 00:36:58,950

i think sometimes people forget about

899

00:37:07,109 --> 00:37:05,510

uh yes pass i mean alexander so you said

900

00:37:09,349 --> 00:37:07,119

you wanted to hear other people's you

901
00:37:11,030 --> 00:37:09,359
know chime in

902
00:37:13,990 --> 00:37:11,040
and that does happen

903
00:37:15,349 --> 00:37:14,000
uh eventually but you can see right here

904
00:37:18,230 --> 00:37:15,359
it's like him

905
00:37:21,270 --> 00:37:18,240
almost against the world

906
00:37:23,750 --> 00:37:21,280
there's so many other people chiming in

907
00:37:25,510 --> 00:37:23,760
to to push back and he's out there kind

908
00:37:28,069 --> 00:37:25,520
of by himself you know

909
00:37:32,069 --> 00:37:29,430
but that you know that doesn't last

910
00:37:34,829 --> 00:37:32,079
forever and it seems like uh melon and

911
00:37:38,310 --> 00:37:34,839
other people kind of step in too to help

912
00:37:43,990 --> 00:37:40,550
yeah exactly

913
00:37:47,030 --> 00:37:44,790

um

914

00:37:50,310 --> 00:37:47,040

you know he doesn't he doesn't i think

915

00:37:51,910 --> 00:37:50,320

that when he goes out there in public

916

00:37:52,790 --> 00:37:51,920

you know or does like these casts and

917

00:37:55,349 --> 00:37:52,800

stuff

918

00:37:57,589 --> 00:37:55,359

he's by himself but i think that maybe

919

00:37:59,910 --> 00:37:57,599

for a reason i don't know but i would

920

00:38:01,670 --> 00:37:59,920

assume because it's

921

00:38:04,150 --> 00:38:01,680

first of all other people may not know

922

00:38:06,950 --> 00:38:04,160

what he knows and he may want to have

923

00:38:09,349 --> 00:38:06,960

somewhat of a controlled

924

00:38:10,470 --> 00:38:09,359

environment so maybe he doesn't

925

00:38:12,390 --> 00:38:10,480

blow it

926
00:38:16,470 --> 00:38:12,400
and get handcuffed

927
00:38:19,829 --> 00:38:18,550
they're just waiting for them to uh

928
00:38:22,870 --> 00:38:19,839
screw up

929
00:38:26,310 --> 00:38:22,880
for sure so

930
00:38:30,950 --> 00:38:28,230
i wanted to read this one okay i wish

931
00:38:33,430 --> 00:38:30,960
lucas is idea new book had more hard

932
00:38:36,550 --> 00:38:33,440
data than just the hitchhiker's story's

933
00:38:37,990 --> 00:38:36,560
administrative history of offset

934
00:38:41,430 --> 00:38:38,000
yeah they were

935
00:38:43,030 --> 00:38:41,440
definitely chilling i would imagine

936
00:38:45,910 --> 00:38:43,040
eve that

937
00:38:47,430 --> 00:38:45,920
um maybe they can't release that i mean

938
00:38:49,589 --> 00:38:47,440

i don't know for certain but i would

939

00:38:52,150 --> 00:38:49,599

imagine because not much

940

00:38:54,550 --> 00:38:52,160

of that stuff has been released right so

941

00:38:56,470 --> 00:38:54,560

there must be a reason for that um and

942

00:38:58,069 --> 00:38:56,480

yes some people will say because you

943

00:38:59,670 --> 00:38:58,079

know they'll take the pessimistic route

944

00:39:01,670 --> 00:38:59,680

of course but

945

00:39:04,069 --> 00:39:01,680

i don't take that route i take the route

946

00:39:07,510 --> 00:39:04,079

of well maybe

947

00:39:20,710 --> 00:39:17,109

so

948

00:39:23,270 --> 00:39:20,720

yeah there's what we got with that

949

00:39:30,550 --> 00:39:26,829

so there's more clips and stuff but

950

00:39:32,630 --> 00:39:30,560

um we're not going to be playing those

951
00:39:34,069 --> 00:39:32,640
so

952
00:39:35,910 --> 00:39:34,079
the one clip

953
00:39:39,430 --> 00:39:35,920
i did want to end on

954
00:39:44,950 --> 00:39:43,589
is a pretty good one and i think we

955
00:39:47,030 --> 00:39:44,960
should

956
00:39:48,870 --> 00:39:47,040
definitely

957
00:39:52,310 --> 00:39:48,880
watch it especially after dealing with

958
00:39:58,790 --> 00:39:56,310
after dealing with all those uh

959
00:39:58,800 --> 00:40:04,870
neil degrasse tyson clips

960
00:40:10,630 --> 00:40:07,829
because that sucked

961
00:40:12,230 --> 00:40:10,640
man i don't know it's so some reason

962
00:40:16,230 --> 00:40:12,240
some days it's really difficult to find

963
00:40:16,240 --> 00:40:20,230

oh here it is okay

964

00:40:25,910 --> 00:40:23,589

my ear drops i got my ear drops on

965

00:40:29,589 --> 00:40:25,920

got my ear drops on

966

00:40:31,750 --> 00:40:30,870

this

967

00:40:34,710 --> 00:40:31,760

is

968

00:40:37,349 --> 00:40:34,720

the hot clip right now

969

00:40:39,829 --> 00:40:37,359

and this is not 2017 this is like a

970

00:40:41,349 --> 00:40:39,839

couple days ago but it's

971

00:40:45,270 --> 00:40:41,359

you know it's interesting because i want

972

00:40:47,829 --> 00:40:45,280

to put it in reference to

973

00:40:49,750 --> 00:40:47,839

those videos right so remember neil

974

00:40:54,150 --> 00:40:49,760

degrasse tyson

975

00:40:55,750 --> 00:40:54,160

making a complete joke of all this right

976

00:40:57,990 --> 00:40:55,760

first of all he was pushing a book

977

00:40:59,349 --> 00:40:58,000

that's astrophysicist for

978

00:41:01,829 --> 00:40:59,359

um

979

00:41:03,510 --> 00:41:01,839

people on the run or people with no time

980

00:41:05,349 --> 00:41:03,520

like so

981

00:41:08,870 --> 00:41:05,359

you know let me give you a hint at how

982

00:41:10,550 --> 00:41:08,880

complicated that book probably is

983

00:41:13,270 --> 00:41:10,560

and why is that

984

00:41:14,950 --> 00:41:13,280

maybe because he doesn't know much

985

00:41:17,670 --> 00:41:14,960

so maybe he had to make it kind of

986

00:41:20,710 --> 00:41:17,680

simple because that's the only

987

00:41:22,230 --> 00:41:20,720

stuff he has

988

00:41:24,309 --> 00:41:22,240

but you know if you

989

00:41:26,550 --> 00:41:24,319

if you you know put a title on it that

990

00:41:29,349 --> 00:41:26,560

says for people in a hurry then you can

991

00:41:33,829 --> 00:41:30,790

i know what

992

00:41:35,349 --> 00:41:33,839

you've seen is what those navy pilots

993

00:41:37,670 --> 00:41:35,359

saw into that

994

00:41:38,550 --> 00:41:37,680

okay so i'm gonna put this full screen

995

00:41:44,069 --> 00:41:38,560

here

996

00:41:46,230 --> 00:41:44,079

but the key is like enjoy this clip for

997

00:41:48,470 --> 00:41:46,240

those of you who've been looking at this

998

00:41:50,950 --> 00:41:48,480

stuff for a long time and i've been

999

00:41:52,790 --> 00:41:50,960

waiting for stuff like this like enjoy

1000

00:41:55,190 --> 00:41:52,800

this clip

1001
00:41:57,750 --> 00:41:55,200
don't second-guess it and

1002
00:41:58,790 --> 00:41:57,760
go down a rabbit hole just enjoy the

1003
00:42:00,230 --> 00:41:58,800
clip

1004
00:42:03,109 --> 00:42:00,240
now i know what

1005
00:42:06,870 --> 00:42:03,119
you've seen is what those navy pilots

1006
00:42:09,109 --> 00:42:06,880
saw in 2004 and there have been some 300

1007
00:42:11,750 --> 00:42:09,119
sightings since then

1008
00:42:13,430 --> 00:42:11,760
and i've talked to those pilots

1009
00:42:16,390 --> 00:42:13,440
and they know they saw something and

1010
00:42:19,109 --> 00:42:16,400
their radars locked onto it

1011
00:42:20,630 --> 00:42:19,119
and and then all of a sudden it was here

1012
00:42:22,710 --> 00:42:20,640
on the surface

1013
00:42:24,790 --> 00:42:22,720

and then it's there

1014

00:42:26,710 --> 00:42:24,800

uh and they don't know what it is and we

1015

00:42:29,030 --> 00:42:26,720

don't know what it is

1016

00:42:32,710 --> 00:42:29,040

we hope it's not an adversary here on

1017

00:42:35,430 --> 00:42:32,720

earth that has that kind of technology

1018

00:42:38,150 --> 00:42:35,440

but it's something

1019

00:42:40,470 --> 00:42:38,160

and uh and so this is a mission that

1020

00:42:44,150 --> 00:42:40,480

we're constantly looking

1021

00:42:46,390 --> 00:42:44,160

what who is out there who are we how did

1022

00:42:50,150 --> 00:42:46,400

we get here

1023

00:42:52,230 --> 00:42:50,160

how did we become as we are

1024

00:42:56,069 --> 00:42:52,240

how did we develop

1025

00:43:00,150 --> 00:42:56,079

how did we civilize and are those same

1026
00:43:01,829 --> 00:43:00,160
conditions out there in a universe

1027
00:43:03,349 --> 00:43:01,839
that has

1028
00:43:05,990 --> 00:43:03,359
billions

1029
00:43:06,710 --> 00:43:06,000
of other suns

1030
00:43:10,950 --> 00:43:06,720
in

1031
00:43:12,390 --> 00:43:10,960
billions of other galaxies

1032
00:43:14,150 --> 00:43:12,400
it's so large

1033
00:43:16,390 --> 00:43:14,160
i can't conceive it

1034
00:43:18,870 --> 00:43:16,400
it was suggested to me by

1035
00:43:19,910 --> 00:43:18,880
many different people they did want your

1036
00:43:22,230 --> 00:43:19,920
comment

1037
00:43:24,710 --> 00:43:22,240
on what you think

1038
00:43:27,030 --> 00:43:24,720

the fighter pilot saw i think most

1039

00:43:28,710 --> 00:43:27,040

people saw that 60 minutes piece and

1040

00:43:30,630 --> 00:43:28,720

they were

1041

00:43:33,109 --> 00:43:30,640

right so i do want to pause this just

1042

00:43:35,109 --> 00:43:33,119

for a second so you know what he's

1043

00:43:36,790 --> 00:43:35,119

asking him is for his opinion on what

1044

00:43:38,550 --> 00:43:36,800

these are right so

1045

00:43:42,069 --> 00:43:38,560

it's not a

1046

00:43:44,550 --> 00:43:42,079

direct like i think these are um aliens

1047

00:43:45,990 --> 00:43:44,560

right but that's pretty much what he's

1048

00:43:46,870 --> 00:43:46,000

that's what he's saying

1049

00:43:48,710 --> 00:43:46,880

so

1050

00:43:51,670 --> 00:43:48,720

you have to

1051
00:43:53,190 --> 00:43:51,680
take what he says as the answer and at

1052
00:43:55,750 --> 00:43:53,200
the end of it like

1053
00:44:00,069 --> 00:43:55,760
ask yourself what is he saying right now

1054
00:44:05,990 --> 00:44:03,030
a lot of newspapers pieces about whether

1055
00:44:09,349 --> 00:44:06,000
or not it was russia or china or

1056
00:44:11,510 --> 00:44:09,359
perhaps more likely uh some extra

1057
00:44:12,710 --> 00:44:11,520
terrestrial intelligent

1058
00:44:15,430 --> 00:44:12,720
beings

1059
00:44:17,750 --> 00:44:15,440
uh what is your theory what you've heard

1060
00:44:20,630 --> 00:44:17,760
a lot of options which one do you think

1061
00:44:23,349 --> 00:44:20,640
is the most credible if you can choose

1062
00:44:25,829 --> 00:44:23,359
my personal opinion is that the universe

1063
00:44:27,910 --> 00:44:25,839

is so big and now there are even

1064

00:44:30,870 --> 00:44:27,920

theories there there might be other

1065

00:44:34,870 --> 00:44:31,829

and

1066

00:44:37,910 --> 00:44:34,880

if that's the case

1067

00:44:40,470 --> 00:44:37,920

who am i to say

1068

00:44:44,309 --> 00:44:40,480

that planet earth

1069

00:44:45,829 --> 00:44:44,319

is the only location of a life form that

1070

00:44:47,510 --> 00:44:45,839

is

1071

00:44:57,430 --> 00:44:47,520

civilized

1072

00:44:59,109 --> 00:44:57,440

and organized

1073

00:45:00,550 --> 00:44:59,119

like uh so

1074

00:45:02,150 --> 00:45:00,560

you know right there

1075

00:45:03,510 --> 00:45:02,160

the first thing you know that i was

1076

00:45:06,150 --> 00:45:03,520

thinking was well he's pretty much

1077

00:45:08,150 --> 00:45:06,160

saying this is you know extraterrestrial

1078

00:45:10,309 --> 00:45:08,160

and then someone commented on twitter

1079

00:45:12,790 --> 00:45:10,319

saying um

1080

00:45:15,270 --> 00:45:12,800

or interdimensional and i responded and

1081

00:45:18,550 --> 00:45:15,280

i said well he wasn't saying that

1082

00:45:21,430 --> 00:45:18,560

and he responded like well multiple

1083

00:45:25,589 --> 00:45:21,440

universes would be parallel universes

1084

00:45:30,390 --> 00:45:28,150

mind blown

1085

00:45:32,550 --> 00:45:30,400

because what if we've been kinda

1086

00:45:35,270 --> 00:45:32,560

if you pay attention to you know

1087

00:45:38,950 --> 00:45:35,280

elizondo and all that stuff like

1088

00:45:43,589 --> 00:45:38,960

that's where this is going

1089

00:45:48,790 --> 00:45:44,829

you

1090

00:45:52,230 --> 00:45:48,800

know um yeah and worlds too sneaky

1091

00:45:55,030 --> 00:45:52,240

toaster totally um

1092

00:45:58,829 --> 00:45:55,040

it may be multiple maybe different kinds

1093

00:46:05,589 --> 00:46:02,710

right you know when i when i dream and

1094

00:46:08,630 --> 00:46:05,599

my dreams i go to different worlds you

1095

00:46:10,870 --> 00:46:08,640

know and i'm not saying like i'm on

1096

00:46:12,150 --> 00:46:10,880

you know saturn or whatever

1097

00:46:14,470 --> 00:46:12,160

but

1098

00:46:17,109 --> 00:46:14,480

i'm in some sort of other

1099

00:46:19,109 --> 00:46:17,119

world you know like where things exist

1100

00:46:20,470 --> 00:46:19,119

that i haven't seen before

1101
00:46:23,430 --> 00:46:20,480
that are

1102
00:46:23,440 --> 00:46:29,349
you know distinctively detailed

1103
00:46:29,359 --> 00:46:32,150
so

1104
00:46:37,430 --> 00:46:33,990
and i'm with people

1105
00:46:41,030 --> 00:46:37,440
that i haven't seen in person ever

1106
00:46:46,550 --> 00:46:41,040
that are so crisp and detailed and i

1107
00:46:46,560 --> 00:46:49,589
you know

1108
00:46:49,599 --> 00:46:54,550
like there's something to that

1109
00:46:54,560 --> 00:46:59,190
like how does my subconscious create

1110
00:47:03,349 --> 00:47:01,829
a building in a road

1111
00:47:05,030 --> 00:47:03,359
and people

1112
00:47:07,670 --> 00:47:05,040
in such

1113
00:47:09,430 --> 00:47:07,680

perfect detail

1114

00:47:11,829 --> 00:47:09,440

that i have never seen

1115

00:47:15,430 --> 00:47:11,839

i mean that has to be

1116

00:47:19,829 --> 00:47:17,109

it has to be something because i close

1117

00:47:21,349 --> 00:47:19,839

my eyes right and try to imagine

1118

00:47:25,109 --> 00:47:21,359

something i've never seen before in

1119

00:47:27,030 --> 00:47:25,119

complete detail i can't do it

1120

00:47:28,549 --> 00:47:27,040

you know or you lose sight of one part

1121

00:47:30,309 --> 00:47:28,559

of it like you're thinking of the door

1122

00:47:32,470 --> 00:47:30,319

or something and it's in detail now you

1123

00:47:35,750 --> 00:47:32,480

lose sight of what's in your peripheral

1124

00:47:35,760 --> 00:47:39,190

you know

1125

00:47:45,510 --> 00:47:41,349

so that's pretty interesting

1126

00:47:49,750 --> 00:47:46,870

now i know what

1127

00:47:53,510 --> 00:47:49,760

you've seen is what those navy pilots

1128

00:47:55,670 --> 00:47:53,520

saw in 2004 and there have been some 300

1129

00:47:58,309 --> 00:47:55,680

sightings since then

1130

00:47:59,910 --> 00:47:58,319

and i've talked to those pilots

1131

00:48:02,950 --> 00:47:59,920

and they know they saw something and

1132

00:48:05,589 --> 00:48:02,960

their radars locked onto it

1133

00:48:07,109 --> 00:48:05,599

and and then all of a sudden it was here

1134

00:48:09,510 --> 00:48:07,119

on the surface

1135

00:48:11,190 --> 00:48:09,520

and then it's there

1136

00:48:13,109 --> 00:48:11,200

and they don't know what it is and we

1137

00:48:15,349 --> 00:48:13,119

don't know what it is

1138

00:48:19,030 --> 00:48:15,359

we hope it's not an adversary here on

1139

00:48:21,750 --> 00:48:19,040

earth that has that kind of technology

1140

00:48:24,470 --> 00:48:21,760

but it's something

1141

00:48:26,790 --> 00:48:24,480

and uh and so this is a mission that

1142

00:48:30,470 --> 00:48:26,800

we're constantly looking

1143

00:48:32,710 --> 00:48:30,480

what who is out there who are we how did

1144

00:48:36,390 --> 00:48:32,720

we get here

1145

00:48:38,470 --> 00:48:36,400

how did we become as we are

1146

00:48:42,390 --> 00:48:38,480

how did we develop

1147

00:48:46,390 --> 00:48:42,400

how did we civilize and are those same

1148

00:48:49,670 --> 00:48:46,400

conditions out there in a universe

1149

00:48:52,230 --> 00:48:49,680

that has billions

1150

00:48:57,190 --> 00:48:52,240

of other sons

1151
00:49:00,390 --> 00:48:57,200
in billions of other galaxies

1152
00:49:02,630 --> 00:49:00,400
it's so large i can't conceive it

1153
00:49:05,109 --> 00:49:02,640
it was suggested to me by

1154
00:49:06,150 --> 00:49:05,119
many different people they did want your

1155
00:49:08,390 --> 00:49:06,160
comment

1156
00:49:10,870 --> 00:49:08,400
on what you think

1157
00:49:13,190 --> 00:49:10,880
the fighter pilot saw i think most

1158
00:49:15,670 --> 00:49:13,200
people saw that 60 minutes piece and

1159
00:49:16,390 --> 00:49:15,680
there were a lot of newspaper pieces

1160
00:49:20,630 --> 00:49:16,400
about

1161
00:49:21,589 --> 00:49:20,640
whether or not it was russia or china or

1162
00:49:24,069 --> 00:49:21,599
likely

1163
00:49:29,349 --> 00:49:24,079

uh some extraterrestrial

1164

00:49:31,829 --> 00:49:29,359

intelligent beings perhaps more likely

1165

00:49:34,549 --> 00:49:31,839

perhaps more likely

1166

00:49:36,870 --> 00:49:34,559

uh what is your theory what you've heard

1167

00:49:40,790 --> 00:49:36,880

a lot of options which one do you think

1168

00:49:42,150 --> 00:49:40,800

is the most credible mr nasa director of

1169

00:49:43,270 --> 00:49:42,160

nasa

1170

00:49:45,829 --> 00:49:43,280

okay

1171

00:49:46,710 --> 00:49:45,839

you're the director of nasa and i want

1172

00:49:48,630 --> 00:49:46,720

you

1173

00:49:50,309 --> 00:49:48,640

to tell me

1174

00:49:52,390 --> 00:49:50,319

what do you think about these things

1175

00:49:55,109 --> 00:49:52,400

well if you can choose

1176

00:49:57,589 --> 00:49:55,119

my personal opinion is that the universe

1177

00:49:59,589 --> 00:49:57,599

is so big and now there are even

1178

00:50:02,549 --> 00:49:59,599

theories there there might be other

1179

00:50:06,549 --> 00:50:03,589

and

1180

00:50:09,589 --> 00:50:06,559

if that's the case oh that's the case

1181

00:50:13,910 --> 00:50:09,599

who am i to say

1182

00:50:17,589 --> 00:50:13,920

that planet earth is the only location

1183

00:50:19,190 --> 00:50:17,599

of a life form that is

1184

00:50:23,109 --> 00:50:19,200

civilized

1185

00:50:26,470 --> 00:50:25,190

he gets it

1186

00:50:28,630 --> 00:50:26,480

who is he to say

1187

00:50:30,470 --> 00:50:28,640

you know and there's

1188

00:50:33,270 --> 00:50:30,480

i'm gonna put a little montage together

1189

00:50:37,349 --> 00:50:35,270

there was one where he was talking about

1190

00:50:44,390 --> 00:50:37,359

um

1191

00:50:47,510 --> 00:50:44,400

maybe it was moons or

1192

00:50:48,309 --> 00:50:47,520

something that have uh oceans

1193

00:50:52,150 --> 00:50:48,319

it

1194

00:50:54,309 --> 00:50:52,160

and the way they have and if they have

1195

00:50:56,549 --> 00:50:54,319

oceans

1196

00:50:59,829 --> 00:50:56,559

well i'm sure they have life

1197

00:51:01,270 --> 00:50:59,839

and the interesting thing here is

1198

00:51:06,150 --> 00:51:01,280

you know he's

1199

00:51:06,160 --> 00:51:12,630

you know and organized

1200

00:51:12,640 --> 00:51:16,309

so

1201
00:51:16,319 --> 00:51:18,870
yeah

1202
00:51:22,790 --> 00:51:21,109
it's just really interesting and i

1203
00:51:27,030 --> 00:51:22,800
really like it

1204
00:51:29,510 --> 00:51:27,040
um

1205
00:51:31,910 --> 00:51:29,520
sure political appointee not a scientist

1206
00:51:32,790 --> 00:51:31,920
okay so let's handle that one

1207
00:51:34,230 --> 00:51:32,800
um

1208
00:51:39,030 --> 00:51:34,240
does that mean

1209
00:51:40,630 --> 00:51:39,040
he wouldn't have relative information

1210
00:51:43,430 --> 00:51:40,640
does that mean

1211
00:51:49,190 --> 00:51:45,670
couldn't be told by scientist in an

1212
00:51:50,390 --> 00:51:49,200
explainable understandable way

1213
00:51:52,950 --> 00:51:50,400

does that mean

1214

00:51:55,990 --> 00:51:52,960

that he's automatically a liar

1215

00:52:00,150 --> 00:51:56,000

is he not an individual

1216

00:52:00,160 --> 00:52:03,349

i believe he is

1217

00:52:07,349 --> 00:52:05,190

and i think

1218

00:52:10,309 --> 00:52:07,359

that some people

1219

00:52:10,319 --> 00:52:14,470

um

1220

00:52:20,230 --> 00:52:17,270

take a glass half empty

1221

00:52:25,030 --> 00:52:22,470

and some people

1222

00:52:27,190 --> 00:52:25,040

take a glass half full

1223

00:52:30,150 --> 00:52:27,200

you know it's clear that some people

1224

00:52:35,750 --> 00:52:33,829

don't want to believe anybody and that's

1225

00:52:38,069 --> 00:52:35,760

you know in this field at least

1226
00:52:39,349 --> 00:52:38,079
and that's just not a good life you know

1227
00:52:43,670 --> 00:52:39,359
so who

1228
00:52:47,270 --> 00:52:45,829
you know and if the answer that is no

1229
00:52:48,470 --> 00:52:47,280
one could tell me

1230
00:52:50,630 --> 00:52:48,480
then you have to figure it out for

1231
00:52:55,829 --> 00:52:50,640
yourself

1232
00:52:55,839 --> 00:52:59,030
you know

1233
00:53:04,549 --> 00:53:02,309
and if you believe somebody

1234
00:53:07,030 --> 00:53:04,559
here we go yes let's believe it all if

1235
00:53:09,750 --> 00:53:07,040
you believe one of these guys

1236
00:53:11,589 --> 00:53:09,760
and you like it

1237
00:53:15,990 --> 00:53:11,599
does that mean you're believing it all

1238
00:53:21,109 --> 00:53:18,630

could the same point be made for

1239

00:53:24,950 --> 00:53:21,119

somebody who doesn't believe any of this

1240

00:53:29,829 --> 00:53:27,750

because maybe they're in just a

1241

00:53:31,990 --> 00:53:29,839

not believe anything mode

1242

00:53:36,150 --> 00:53:32,000

and their critical thinking has been

1243

00:53:36,160 --> 00:53:39,109

could be

1244

00:53:43,109 --> 00:53:41,670

you know just because it means you don't

1245

00:53:44,309 --> 00:53:43,119

believe

1246

00:53:46,390 --> 00:53:44,319

what they say

1247

00:53:52,630 --> 00:53:46,400

doesn't mean

1248

00:53:52,640 --> 00:53:59,030

you know

1249

00:53:59,040 --> 00:54:03,190

so

1250

00:54:03,200 --> 00:54:07,430

we do have to use our critical thinking

1251

00:54:12,950 --> 00:54:10,710

you have to right

1252

00:54:15,030 --> 00:54:12,960

and i can't speak for anybody else but

1253

00:54:17,190 --> 00:54:15,040

in this topic

1254

00:54:19,750 --> 00:54:17,200

i've

1255

00:54:21,990 --> 00:54:19,760

researched

1256

00:54:22,870 --> 00:54:22,000

you know in such a small amount of time

1257

00:54:26,870 --> 00:54:22,880

too

1258

00:54:31,829 --> 00:54:29,910

so much black projects

1259

00:54:34,230 --> 00:54:31,839

you know i've researched uh

1260

00:54:38,309 --> 00:54:34,240

psychological warfare

1261

00:54:40,150 --> 00:54:38,319

and have dug deep into those documents

1262

00:54:43,270 --> 00:54:40,160

trying to find answers in every

1263

00:54:49,349 --> 00:54:45,910

i really have and i'm still not done

1264

00:54:52,390 --> 00:54:50,789

um and i'm

1265

00:54:53,589 --> 00:54:52,400

am i going to be the best person to look

1266

00:54:56,230 --> 00:54:53,599

at this stuff

1267

00:54:57,990 --> 00:54:56,240

i can't say that

1268

00:55:00,470 --> 00:54:58,000

but i have to do what i have to do to

1269

00:55:02,789 --> 00:55:00,480

try and find the truth on my side of

1270

00:55:03,589 --> 00:55:02,799

things you know

1271

00:55:04,549 --> 00:55:03,599

and

1272

00:55:10,309 --> 00:55:04,559

i've

1273

00:55:14,630 --> 00:55:13,589

and you know the one that i keep coming

1274

00:55:16,950 --> 00:55:14,640

back to

1275

00:55:16,960 --> 00:55:21,030

i believe bill nelson

1276
00:55:21,040 --> 00:55:25,510
you know

1277
00:55:30,470 --> 00:55:28,069
because to not

1278
00:55:32,390 --> 00:55:30,480
means something so

1279
00:55:34,870 --> 00:55:32,400
um

1280
00:55:37,190 --> 00:55:34,880
i i mean it's just as confusing

1281
00:55:40,390 --> 00:55:37,200
it's more confusing

1282
00:55:41,190 --> 00:55:40,400
if you were to not believe

1283
00:55:45,190 --> 00:55:41,200
him

1284
00:55:46,069 --> 00:55:45,200
wholeheartedly just like grain of salt

1285
00:55:48,630 --> 00:55:46,079
sure

1286
00:55:49,750 --> 00:55:48,640
you know whatever you don't have to do

1287
00:55:51,190 --> 00:55:49,760
anything

1288
00:55:54,549 --> 00:55:51,200

to be honest but

1289

00:55:58,630 --> 00:55:57,670

i uh i bel i take it i take him for his

1290

00:56:01,670 --> 00:55:58,640

word

1291

00:56:03,109 --> 00:56:01,680

if you look at this build up from

1292

00:56:05,030 --> 00:56:03,119

2017

1293

00:56:07,190 --> 00:56:05,040

and that's kind of why i'm doing this

1294

00:56:10,069 --> 00:56:07,200

and here we are and there's more pieces

1295

00:56:11,990 --> 00:56:10,079

and more things come into play

1296

00:56:14,789 --> 00:56:12,000

and there's

1297

00:56:17,510 --> 00:56:14,799

photos out in space

1298

00:56:18,950 --> 00:56:17,520

i've seen a couple things other people

1299

00:56:20,870 --> 00:56:18,960

have

1300

00:56:22,150 --> 00:56:20,880

i understand people don't

1301
00:56:23,270 --> 00:56:22,160
uh really

1302
00:56:26,630 --> 00:56:23,280
listen to

1303
00:56:30,150 --> 00:56:26,640
you know witness testimony but

1304
00:56:32,150 --> 00:56:30,160
there's been enough for so long to know

1305
00:56:34,470 --> 00:56:32,160
that something exists

1306
00:56:40,150 --> 00:56:34,480
you know whether it's interdimensional

1307
00:56:40,160 --> 00:56:43,589
he offered an opinion

1308
00:56:46,950 --> 00:56:44,549
good point

1309
00:56:49,270 --> 00:56:46,960
so when he says

1310
00:56:52,069 --> 00:56:49,280
um

1311
00:56:54,630 --> 00:56:52,079
you know there are 300 encounters since

1312
00:56:56,390 --> 00:56:54,640
2004

1313
00:56:58,950 --> 00:56:56,400

that's not an opinion

1314

00:57:00,789 --> 00:56:58,960

i and i believe that

1315

00:57:03,829 --> 00:57:00,799

and the maneuvers they made it's not an

1316

00:57:07,430 --> 00:57:03,839

opinion and i believe that

1317

00:57:09,589 --> 00:57:07,440

um let's see what else we got um the

1318

00:57:13,190 --> 00:57:09,599

the rest is

1319

00:57:14,630 --> 00:57:13,200

you know he he was specifically asked

1320

00:57:17,589 --> 00:57:14,640

you know

1321

00:57:21,510 --> 00:57:17,599

was it what's your opinion so that part

1322

00:57:24,069 --> 00:57:21,520

is of course an opinion you know

1323

00:57:26,549 --> 00:57:24,079

but it's a very strong opinion

1324

00:57:28,150 --> 00:57:26,559

it's not easy for somebody especially in

1325

00:57:31,270 --> 00:57:28,160

government to

1326
00:57:33,109 --> 00:57:31,280
to choose that over

1327
00:57:35,990 --> 00:57:33,119
china or russia

1328
00:57:36,000 --> 00:57:44,230
for sure

1329
00:57:44,240 --> 00:57:48,549
i have

1330
00:57:55,589 --> 00:57:51,030
you know the the other thing

1331
00:58:00,630 --> 00:57:57,990
you know the y or whatever or why now

1332
00:58:02,710 --> 00:58:00,640
because that's i've heard that before

1333
00:58:05,510 --> 00:58:02,720
matthew you're missing the y but the

1334
00:58:07,349 --> 00:58:05,520
massive part of the y

1335
00:58:09,510 --> 00:58:07,359
first of all why would you have it

1336
00:58:10,789 --> 00:58:09,520
correct over other people that's the

1337
00:58:12,390 --> 00:58:10,799
first thing i would say and the first

1338
00:58:15,829 --> 00:58:12,400

thing i would ask myself

1339

00:58:21,030 --> 00:58:17,750

then

1340

00:58:25,589 --> 00:58:23,349

because i would

1341

00:58:26,870 --> 00:58:25,599

and because i think this is leading to a

1342

00:58:28,069 --> 00:58:26,880

certain thing

1343

00:58:29,990 --> 00:58:28,079

which would be

1344

00:58:33,349 --> 00:58:30,000

you know maybe extraterrestrials

1345

00:58:36,230 --> 00:58:34,470

um

1346

00:58:38,069 --> 00:58:36,240

does it mean that the people who are

1347

00:58:41,270 --> 00:58:38,079

telling you this are not going to be

1348

00:58:42,710 --> 00:58:41,280

flawed and have their own

1349

00:58:45,510 --> 00:58:42,720

you know intents

1350

00:58:47,109 --> 00:58:45,520

or whatever

1351
00:58:49,510 --> 00:58:47,119
right

1352
00:58:52,470 --> 00:58:49,520
but there's also a time where you can

1353
00:58:55,510 --> 00:58:52,480
play along with people to get things to

1354
00:58:59,190 --> 00:58:56,870
you know and then see what happens from

1355
00:59:04,150 --> 00:59:02,150
versus not getting it at all like in in

1356
00:59:07,750 --> 00:59:04,160
a workplace

1357
00:59:13,670 --> 00:59:07,760
with people that may not be the most

1358
00:59:19,270 --> 00:59:16,230
stuff like that now i know what

1359
00:59:21,349 --> 00:59:19,280
you've seen is what those

1360
00:59:24,069 --> 00:59:21,359
i think like a

1361
00:59:25,420 --> 00:59:24,079
fire alarm is going off

1362
00:59:26,630 --> 00:59:25,430
fire alarm's going off yell

1363
00:59:27,910 --> 00:59:26,640

[Music]

1364

00:59:30,710 --> 00:59:27,920

so

1365

00:59:34,630 --> 00:59:30,720

i think it's just a test but

1366

00:59:34,640 --> 00:59:38,390

um

1367

00:59:38,400 --> 00:59:42,230

so yeah i don't know

1368

00:59:48,470 --> 00:59:44,870

in my opinion i saw bass ask if i think

1369

00:59:50,309 --> 00:59:48,480

we're getting like played or whatever

1370

00:59:52,309 --> 00:59:50,319

i think

1371

00:59:53,589 --> 00:59:52,319

that some people are and some people

1372

00:59:54,549 --> 00:59:53,599

aren't

1373

00:59:56,549 --> 00:59:54,559

you know

1374

00:59:58,789 --> 00:59:56,559

and when it's that messy you really have

1375

01:00:05,430 --> 01:00:01,750

trust your insides the best you can

1376

01:00:10,390 --> 01:00:08,230

so do what you can don't trust everybody

1377

01:00:12,710 --> 01:00:10,400

but take the information feel it in your

1378

01:00:14,710 --> 01:00:12,720

gut and listen to that as much as you

1379

01:00:16,950 --> 01:00:14,720

can listen to that

1380

01:00:18,950 --> 01:00:16,960

more even so than the words let's know

1381

01:00:20,789 --> 01:00:18,960

what's in here not what you want to be

1382

01:00:23,430 --> 01:00:20,799

or what you fear it to be

1383

01:00:24,870 --> 01:00:23,440

listen to what's in here

1384

01:00:27,349 --> 01:00:24,880

because that will be the only thing that

1385

01:00:29,829 --> 01:00:27,359

will guide you to the right place

1386

01:00:31,190 --> 01:00:29,839

peace

1387

01:00:33,430 --> 01:00:31,200

i have a good one sorry about the fire

1388

01:00:35,589 --> 01:00:33,440

alarm

1389

01:00:41,030 --> 01:00:35,599

apparently
