

1
00:00:05,510 --> 00:00:02,790
what's up everybody happy thursday yup

2
00:00:07,110 --> 00:00:05,520
thursday the 28th of october it's the

3
00:00:09,270 --> 00:00:07,120
week of halloween

4
00:00:12,070 --> 00:00:09,280
i'm not a big halloween fan

5
00:00:13,380 --> 00:00:12,080
but yet it comes every year

6
00:00:15,509 --> 00:00:13,390
nothing i can do about it

7
00:00:17,990 --> 00:00:15,519
[Laughter]

8
00:00:21,109 --> 00:00:18,000
um but i am

9
00:00:23,509 --> 00:00:21,119
glad that you guys are here as always

10
00:00:25,429 --> 00:00:23,519
so today we're gonna completely rehash

11
00:00:27,189 --> 00:00:25,439
the conversation i had yesterday with

12
00:00:29,109 --> 00:00:27,199
louis he's coming back we're gonna go

13
00:00:30,790 --> 00:00:29,119

right back to it

14

00:00:32,870 --> 00:00:30,800

i'm just kidding i wouldn't do that to

15

00:00:35,590 --> 00:00:32,880

you

16

00:00:37,750 --> 00:00:35,600

so no we have a great person on today

17

00:00:39,190 --> 00:00:37,760

her name is linda thompson

18

00:00:42,310 --> 00:00:39,200

um

19

00:00:44,310 --> 00:00:42,320

i've probably chatted with her

20

00:00:46,709 --> 00:00:44,320

you know at least a little bit uh here

21

00:00:48,150 --> 00:00:46,719

and there since

22

00:00:50,150 --> 00:00:48,160

i don't know probably since i started

23

00:00:53,350 --> 00:00:50,160

the show at least if not earlier than

24

00:00:54,310 --> 00:00:53,360

that uh she's a fantastic researcher as

25

00:00:56,150 --> 00:00:54,320

you know

26

00:00:57,910 --> 00:00:56,160

um that's

27

00:00:58,869 --> 00:00:57,920

you know kind of what i've been getting

28

00:01:02,630 --> 00:00:58,879

into

29

00:01:05,910 --> 00:01:02,640

when i started this show uh was research

30

00:01:06,870 --> 00:01:05,920

and it just keeps me interested it keeps

31

00:01:08,950 --> 00:01:06,880

me

32

00:01:11,109 --> 00:01:08,960

um motivated especially you know when

33

00:01:13,590 --> 00:01:11,119

you got those tasks and you and you get

34

00:01:16,390 --> 00:01:13,600

somewhere and yeah you know have your

35

00:01:19,030 --> 00:01:16,400

own little unveiling or revealing

36

00:01:21,590 --> 00:01:19,040

um it makes you just want to keep going

37

00:01:23,510 --> 00:01:21,600

it's those endorphins or whatever

38

00:01:25,350 --> 00:01:23,520

and you want to keep keep trying to find

39

00:01:27,429 --> 00:01:25,360

other stuff to help yourself help other

40

00:01:30,469 --> 00:01:27,439

people all that kind of stuff so

41

00:01:32,550 --> 00:01:30,479

um she's a great person to

42

00:01:34,789 --> 00:01:32,560

um rely on in this kind of situation

43

00:01:35,050 --> 00:01:34,799

especially if you're an experienter

44

00:01:36,630 --> 00:01:35,060

um

45

00:01:40,390 --> 00:01:36,640

[Music]

46

00:01:43,109 --> 00:01:40,400

but we will touch on that for sure so

47

00:01:46,149 --> 00:01:43,119

i got to say when i released those

48

00:01:50,149 --> 00:01:46,159

osi or when i found those osi

49

00:01:53,590 --> 00:01:51,109

it was

50

00:01:55,510 --> 00:01:53,600

kind of foreign enough to me

51
00:01:57,429 --> 00:01:55,520
to

52
00:01:59,990 --> 00:01:57,439
not be comfortable enough just saying

53
00:02:02,630 --> 00:02:00,000
this is what i'm looking at and release

54
00:02:04,389 --> 00:02:02,640
it up you know so so she was helpful

55
00:02:06,230 --> 00:02:04,399
looking at it and you know giving me

56
00:02:09,029 --> 00:02:06,240
pointers there too so

57
00:02:10,630 --> 00:02:09,039
um yeah so you know how it goes we're

58
00:02:13,830 --> 00:02:10,640
going to

59
00:02:15,589 --> 00:02:13,840
play the intro come back and have a chat

60
00:02:18,309 --> 00:02:15,599
with linda

61
00:02:19,350 --> 00:02:18,319
t minus 10 9 8

62
00:02:20,830 --> 00:02:19,360
7

63
00:02:23,430 --> 00:02:20,840

6

64

00:02:24,470 --> 00:02:23,440

5. three

65

00:02:25,589 --> 00:02:24,480

two

66

00:02:29,030 --> 00:02:25,599

one

67

00:02:35,330 --> 00:02:29,040

zero and liftoff of space shuttle and

68

00:02:35,340 --> 00:03:32,149

[Music]

69

00:03:35,190 --> 00:03:33,830

uh yeah i just wanted to put this

70

00:03:37,480 --> 00:03:35,200

comment up here

71

00:03:39,430 --> 00:03:37,490

spaghetti is so funny

72

00:03:41,670 --> 00:03:39,440

[Laughter]

73

00:03:43,990 --> 00:03:41,680

what did i miss yesterday uh let me

74

00:03:46,309 --> 00:03:44,000

recap it for you

75

00:03:49,830 --> 00:03:46,319

no hello to everybody trisha roberts

76

00:03:51,110 --> 00:03:49,840

spaghetti uh jos megan jason uap

77

00:03:52,550 --> 00:03:51,120

experiencers

78

00:03:53,750 --> 00:03:52,560

um

79

00:03:57,190 --> 00:03:53,760

robert

80

00:03:59,350 --> 00:03:57,200

roger that barry roscoe

81

00:04:04,390 --> 00:03:59,360

case for infinity awesome to see you

82

00:04:06,550 --> 00:04:04,400

here um and yeah so without further

83

00:04:08,390 --> 00:04:06,560

ado we have miss

84

00:04:10,070 --> 00:04:08,400

linda thompson how are you

85

00:04:10,949 --> 00:04:10,080

i'm fine how are you

86

00:04:15,110 --> 00:04:10,959

good

87

00:04:19,189 --> 00:04:15,120

um and adrian sorry forgot that one

88

00:04:21,990 --> 00:04:20,069

so

89

00:04:23,990 --> 00:04:22,000

i think

90

00:04:26,629 --> 00:04:24,000

you know what what would be good to

91

00:04:30,710 --> 00:04:26,639

discuss what you suggested was um kind

92

00:04:33,430 --> 00:04:30,720

of the role of an experimenter

93

00:04:36,150 --> 00:04:33,440

researcher as you know you know i like

94

00:04:37,350 --> 00:04:36,160

to do a lot of research um and i'm an

95

00:04:38,150 --> 00:04:37,360

experimenter

96

00:04:39,510 --> 00:04:38,160

not

97

00:04:40,629 --> 00:04:39,520

um

98

00:04:42,469 --> 00:04:40,639

you know i guess there's different

99

00:04:43,909 --> 00:04:42,479

levels of both researchers and

100

00:04:45,510 --> 00:04:43,919

experimenters

101
00:04:47,350 --> 00:04:45,520
and

102
00:04:49,510 --> 00:04:47,360
you know we're both different in an

103
00:04:50,950 --> 00:04:49,520
aspect but alike and that we both do

104
00:04:52,390 --> 00:04:50,960
those things and have had those

105
00:04:54,070 --> 00:04:52,400
experiences so

106
00:04:56,390 --> 00:04:54,080
um

107
00:04:59,030 --> 00:04:56,400
when you're doing your research

108
00:05:00,469 --> 00:04:59,040
do you find that people

109
00:05:02,150 --> 00:05:00,479
don't really

110
00:05:05,270 --> 00:05:02,160
find you credible because of your

111
00:05:08,150 --> 00:05:07,430
there's different factors that's one of

112
00:05:11,909 --> 00:05:08,160
them

113
00:05:12,870 --> 00:05:11,919

is yeah um being an experiencer it's

114

00:05:16,310 --> 00:05:12,880

like

115

00:05:19,990 --> 00:05:16,320

how can you be objective and

116

00:05:24,390 --> 00:05:23,270

there's other factors involved obviously

117

00:05:25,749 --> 00:05:24,400

and of course

118

00:05:29,430 --> 00:05:25,759

when i first

119

00:05:32,950 --> 00:05:29,440

started in ufo twitter and i was doing

120

00:05:37,189 --> 00:05:32,960

the ufo and military research and it was

121

00:05:42,150 --> 00:05:39,189

the woman thing where

122

00:05:45,270 --> 00:05:42,160

you know i wasn't really accepted as a

123

00:05:49,110 --> 00:05:45,280

researcher in either area

124

00:05:54,230 --> 00:05:50,550

yeah

125

00:05:59,590 --> 00:05:57,189

i'm careful in relating myself to you

126
00:06:01,749 --> 00:05:59,600
because you've had

127
00:06:03,830 --> 00:06:01,759
um your experiences have been so much

128
00:06:07,830 --> 00:06:03,840
more intense and i don't want to come

129
00:06:09,029 --> 00:06:07,840
off like um you know i'm

130
00:06:11,110 --> 00:06:09,039
you know what i mean i don't want to

131
00:06:14,230 --> 00:06:11,120
disrespect you in any way

132
00:06:16,950 --> 00:06:14,240
because um you've had very intense

133
00:06:18,870 --> 00:06:16,960
experiences and you've done so much more

134
00:06:23,189 --> 00:06:18,880
research than me

135
00:06:26,870 --> 00:06:25,510
similar feelings you know

136
00:06:29,110 --> 00:06:26,880
um when i

137
00:06:31,350 --> 00:06:29,120
find something pretty good that maybe

138
00:06:33,909 --> 00:06:31,360

not a whole lot of people have seen

139

00:06:35,990 --> 00:06:33,919

um sometimes it just seems to go over

140

00:06:38,150 --> 00:06:36,000

everyone's heads or and i'm not sure if

141

00:06:39,909 --> 00:06:38,160

it's because they don't care or maybe

142

00:06:43,189 --> 00:06:39,919

they know already

143

00:06:44,230 --> 00:06:43,199

or maybe it's because i'm an experimenter

144

00:06:48,469 --> 00:06:44,240

you know

145

00:06:50,710 --> 00:06:48,479

work with that personally how do you get

146

00:06:52,550 --> 00:06:50,720

through that

147

00:06:54,390 --> 00:06:52,560

okay well

148

00:06:55,909 --> 00:06:54,400

there's different factors

149

00:06:58,150 --> 00:06:55,919

but

150

00:07:00,230 --> 00:06:58,160

as a researcher and working with

151
00:07:02,629 --> 00:07:00,240
documents

152
00:07:04,790 --> 00:07:02,639
that is its own

153
00:07:06,950 --> 00:07:04,800
can of worms itself

154
00:07:09,749 --> 00:07:06,960
there's a lot of people that believe

155
00:07:11,029 --> 00:07:09,759
that everything that's going to cia

156
00:07:14,790 --> 00:07:11,039
archive

157
00:07:17,350 --> 00:07:14,800
is propaganda false made up

158
00:07:18,629 --> 00:07:17,360
not real um

159
00:07:21,110 --> 00:07:18,639
and so

160
00:07:23,029 --> 00:07:21,120
then you battle with that

161
00:07:25,670 --> 00:07:23,039
now there are a lot of documents on the

162
00:07:27,189 --> 00:07:25,680
ca cia site

163
00:07:31,430 --> 00:07:27,199

that

164

00:07:33,110 --> 00:07:31,440

are just there as information i mean cia

165

00:07:36,550 --> 00:07:33,120

used to collect

166

00:07:39,990 --> 00:07:36,560

newspaper articles magazine articles

167

00:07:42,950 --> 00:07:40,000

that type of thing so it's not like they

168

00:07:46,230 --> 00:07:42,960

issued it or they approved it

169

00:07:48,230 --> 00:07:46,240

and then of course you have the nj 12

170

00:07:50,869 --> 00:07:48,240

issue where

171

00:07:53,029 --> 00:07:50,879

you have half of the researchers saying

172

00:07:55,029 --> 00:07:53,039

all of that is fake

173

00:07:56,950 --> 00:07:55,039

then you have the other half saying no

174

00:07:57,670 --> 00:07:56,960

they're all real

175

00:08:09,430 --> 00:07:57,680

i

176

00:08:14,230 --> 00:08:09,440

um

177

00:08:15,350 --> 00:08:14,240

that i feel that way about

178

00:08:17,830 --> 00:08:15,360

and so

179

00:08:19,670 --> 00:08:17,840

you have all of that to begin with

180

00:08:21,110 --> 00:08:19,680

issues

181

00:08:25,270 --> 00:08:21,120

but then

182

00:08:29,110 --> 00:08:25,280

when you throw in being an experimenter

183

00:08:30,070 --> 00:08:29,120

um it can be difficult

184

00:08:31,990 --> 00:08:30,080

to

185

00:08:34,949 --> 00:08:32,000

be reckoned

186

00:08:39,829 --> 00:08:38,550

i know for instance i researched tape

187

00:08:42,870 --> 00:08:39,839

through

188

00:08:45,030 --> 00:08:42,880

of 1941.

189

00:08:48,230 --> 00:08:45,040

i believed

190

00:08:50,470 --> 00:08:48,240

that that was a landmark case

191

00:08:53,190 --> 00:08:50,480

that was going to help set up what

192

00:08:54,550 --> 00:08:53,200

happened at roswell

193

00:08:57,829 --> 00:08:54,560

however

194

00:08:59,430 --> 00:08:57,839

in months and months of research

195

00:09:01,990 --> 00:08:59,440

daily

196

00:09:05,190 --> 00:09:02,000

countless hours

197

00:09:06,870 --> 00:09:05,200

i found that there is no evidence that

198

00:09:09,829 --> 00:09:06,880

it happened

199

00:09:13,829 --> 00:09:09,839

it was all hearsay and rumor

200

00:09:17,509 --> 00:09:13,839

the story was based on false dates

201
00:09:18,790 --> 00:09:17,519
and so that's what i wrote my report

202
00:09:22,230 --> 00:09:18,800
and so

203
00:09:26,150 --> 00:09:22,240
i mean i feel that that itself shows

204
00:09:29,350 --> 00:09:27,030
yeah

205
00:09:31,110 --> 00:09:29,360
and you're talking about cape girado

206
00:09:32,150 --> 00:09:31,120
yeah yeah right

207
00:09:33,829 --> 00:09:32,160
yeah

208
00:09:35,350 --> 00:09:33,839
i mean if you're

209
00:09:36,550 --> 00:09:35,360
i mean for lack of a better term

210
00:09:39,030 --> 00:09:36,560
debunking

211
00:09:41,269 --> 00:09:39,040
a ufo case as an experiencer

212
00:09:43,829 --> 00:09:41,279
um you almost think that people should

213
00:09:45,670 --> 00:09:43,839

take that even more seriously

214

00:09:47,910 --> 00:09:45,680

right

215

00:09:50,790 --> 00:09:47,920

yeah i mean

216

00:09:53,110 --> 00:09:50,800

do you find yourself struggling with

217

00:09:56,949 --> 00:09:53,120

um

218

00:09:58,710 --> 00:09:56,959

personally like uh wanting to

219

00:10:01,350 --> 00:09:58,720

find evidence for something in

220

00:10:02,949 --> 00:10:01,360

particular because it will validate you

221

00:10:06,230 --> 00:10:02,959

in any way

222

00:10:11,030 --> 00:10:09,269

not really because

223

00:10:13,590 --> 00:10:11,040

well

224

00:10:17,350 --> 00:10:13,600

on one level

225

00:10:21,430 --> 00:10:17,360

i know no matter what you bring forth

226

00:10:25,030 --> 00:10:21,440

it's not going to matter to the hardcore

227

00:10:28,310 --> 00:10:25,040

people that want it to go one way

228

00:10:30,550 --> 00:10:28,320

and that's on either end whether you're

229

00:10:33,590 --> 00:10:30,560

the materials

230

00:10:34,550 --> 00:10:33,600

physicals physical ufo person or whether

231

00:10:35,750 --> 00:10:34,560

you're

232

00:10:39,350 --> 00:10:35,760

you know

233

00:10:42,389 --> 00:10:39,360

just into the experiencer realm

234

00:10:44,630 --> 00:10:42,399

i know that is an issue

235

00:10:46,790 --> 00:10:44,640

on the other side

236

00:10:49,269 --> 00:10:46,800

my family

237

00:10:51,910 --> 00:10:49,279

had all of this going on i mean my

238

00:10:53,750 --> 00:10:51,920

father even in the military

239

00:10:56,310 --> 00:10:53,760

and so

240

00:10:59,350 --> 00:10:56,320

you know i know for a fact he filed

241

00:11:00,470 --> 00:10:59,360

project blue book um

242

00:11:02,310 --> 00:11:00,480

you know

243

00:11:03,110 --> 00:11:02,320

cases

244

00:11:05,910 --> 00:11:03,120

which

245

00:11:07,430 --> 00:11:05,920

are nowhere to be found i mean i've

246

00:11:09,829 --> 00:11:07,440

looked

247

00:11:11,670 --> 00:11:09,839

the nrv blue book

248

00:11:14,150 --> 00:11:11,680

case

249

00:11:15,509 --> 00:11:14,160

thing that i can find and they're not

250

00:11:18,470 --> 00:11:15,519

there

251
00:11:21,030 --> 00:11:18,480
i was physically on location on one of

252
00:11:23,350 --> 00:11:21,040
those with air force people

253
00:11:24,550 --> 00:11:23,360
so i know it was loud

254
00:11:26,870 --> 00:11:24,560
wow so

255
00:11:29,910 --> 00:11:26,880
that kind of thing yeah i do have a

256
00:11:33,430 --> 00:11:29,920
personal interest in

257
00:11:36,230 --> 00:11:33,440
now i thought there was

258
00:11:38,949 --> 00:11:36,240
actually it was it was a it was a letter

259
00:11:42,389 --> 00:11:38,959
that i had read um

260
00:11:43,829 --> 00:11:42,399
a cia letter with uh robert lowe in it i

261
00:11:45,990 --> 00:11:43,839
i think

262
00:11:47,670 --> 00:11:46,000
and um he

263
00:11:50,310 --> 00:11:47,680

briefly said

264

00:11:53,430 --> 00:11:50,320

um i don't know if there was anything to

265

00:11:54,790 --> 00:11:53,440

kehoe making off with any of the the ufo

266

00:11:56,470 --> 00:11:54,800

files

267

00:11:58,949 --> 00:11:56,480

do you know anything about that by

268

00:12:00,069 --> 00:11:58,959

chance or is that a usual kind of rumor

269

00:12:02,150 --> 00:12:00,079

or

270

00:12:06,150 --> 00:12:02,160

um idea

271

00:12:07,190 --> 00:12:06,160

there's so many rumors and then

272

00:12:11,350 --> 00:12:07,200

in these

273

00:12:13,829 --> 00:12:11,360

cases that just drive me nuts um

274

00:12:16,790 --> 00:12:13,839

but i mean a lot of those people that

275

00:12:18,629 --> 00:12:16,800

were involved with blue book and of that

276

00:12:20,710 --> 00:12:18,639

time period

277

00:12:22,790 --> 00:12:20,720

if they were

278

00:12:25,910 --> 00:12:22,800

you know under the military at least if

279

00:12:27,829 --> 00:12:25,920

they were against these as being

280

00:12:30,949 --> 00:12:27,839

authentic

281

00:12:33,829 --> 00:12:30,959

afterwards they came out and said

282

00:12:35,110 --> 00:12:33,839

you know that they were

283

00:12:38,870 --> 00:12:35,120

and

284

00:12:43,509 --> 00:12:41,430

it's just a bigness i mean you know i'm

285

00:12:45,190 --> 00:12:43,519

looking at the files

286

00:12:49,030 --> 00:12:45,200

yeah

287

00:12:51,509 --> 00:12:49,040

you know it's funny that we're talking

288

00:12:53,829 --> 00:12:51,519

about blue book because i just started

289

00:12:55,910 --> 00:12:53,839

i just really like found the whole batch

290

00:12:57,670 --> 00:12:55,920

of blue book stuff on the archives or

291

00:12:58,790 --> 00:12:57,680

ran into it

292

00:13:01,350 --> 00:12:58,800

um

293

00:13:03,590 --> 00:13:01,360

and i'm looking at the

294

00:13:07,590 --> 00:13:03,600

like the sighting sheets

295

00:13:09,269 --> 00:13:07,600

where they just list them all off right

296

00:13:11,509 --> 00:13:09,279

and here i'll just bring one up if you

297

00:13:12,949 --> 00:13:11,519

don't mind just so i can use it as an

298

00:13:14,069 --> 00:13:12,959

example

299

00:13:16,470 --> 00:13:14,079

um

300

00:13:20,389 --> 00:13:16,480

i've got some case stuff i'm sure i

301
00:13:25,430 --> 00:13:22,470
just like yeah so like this it's i don't

302
00:13:29,350 --> 00:13:25,440
know if you can see that or not but

303
00:13:32,150 --> 00:13:31,110
but

304
00:13:34,710 --> 00:13:32,160
you know

305
00:13:38,389 --> 00:13:34,720
you look at it and everything is

306
00:13:39,829 --> 00:13:38,399
um astro unidentified other

307
00:13:43,189 --> 00:13:39,839
bird

308
00:13:47,030 --> 00:13:45,269
insufficient data

309
00:13:49,910 --> 00:13:47,040
so i guess

310
00:13:52,389 --> 00:13:49,920
oh so it's a newspaper case missing just

311
00:13:54,629 --> 00:13:52,399
as you said

312
00:13:56,550 --> 00:13:54,639
case missing case missing

313
00:14:00,550 --> 00:13:56,560

now what does that mean when it says

314

00:14:06,710 --> 00:14:02,470

conveniently lost

315

00:14:08,230 --> 00:14:06,720

probably

316

00:14:10,150 --> 00:14:08,240

yeah right

317

00:14:11,910 --> 00:14:10,160

it's just interesting but they have all

318

00:14:14,150 --> 00:14:11,920

these and they obviously looked into

319

00:14:14,949 --> 00:14:14,160

every one of them or at least a little

320

00:14:17,110 --> 00:14:14,959

bit

321

00:14:18,470 --> 00:14:17,120

yeah i was gonna say probably just a

322

00:14:21,590 --> 00:14:18,480

little bit

323

00:14:23,910 --> 00:14:21,600

i mean there are 701 cases that could

324

00:14:26,150 --> 00:14:23,920

not be solved

325

00:14:27,590 --> 00:14:26,160

well

326

00:14:30,310 --> 00:14:27,600

that's a lot

327

00:14:33,430 --> 00:14:30,320

a lot of those were citing by scientists

328

00:14:35,509 --> 00:14:33,440

by police by generals

329

00:14:38,790 --> 00:14:35,519

i mean even wright

330

00:14:42,629 --> 00:14:38,800

patterson air force base scientists had

331

00:14:43,590 --> 00:14:42,639

a sighting that was listening

332

00:14:46,230 --> 00:14:43,600

you know

333

00:14:48,230 --> 00:14:46,240

you have all these credible people just

334

00:14:51,110 --> 00:14:48,240

like today and

335

00:14:56,710 --> 00:14:51,120

they're not taken seriously

336

00:15:02,069 --> 00:14:58,949

i think the air force is just

337

00:15:02,949 --> 00:15:02,079

so dead set against anything to do with

338

00:15:05,350 --> 00:15:02,959

this

339

00:15:08,069 --> 00:15:05,360

i mean i was just looking on

340

00:15:11,509 --> 00:15:08,079

the air force site

341

00:15:13,030 --> 00:15:11,519

to see if they had like listings for

342

00:15:14,389 --> 00:15:13,040

their foia

343

00:15:16,629 --> 00:15:14,399

reading room

344

00:15:18,069 --> 00:15:16,639

i mean the navy does

345

00:15:20,389 --> 00:15:18,079

um

346

00:15:23,269 --> 00:15:20,399

no they don't

347

00:15:26,870 --> 00:15:23,279

um a lot of the air force faces that had

348

00:15:29,269 --> 00:15:26,880

that no longer have it like langley

349

00:15:31,590 --> 00:15:29,279

used to have it where you could go into

350

00:15:33,430 --> 00:15:31,600

the archives and search

351
00:15:35,430 --> 00:15:33,440
not anymore

352
00:15:37,350 --> 00:15:35,440
it's like the air force just does its

353
00:15:41,430 --> 00:15:37,360
own thing

354
00:15:42,870 --> 00:15:41,440
regardless of what anybody else does

355
00:15:45,189 --> 00:15:42,880
interesting

356
00:15:47,269 --> 00:15:45,199
i wonder how that came to be it must

357
00:15:50,550 --> 00:15:47,279
that pattern must have started somewhere

358
00:15:52,069 --> 00:15:50,560
maybe it was with the ufos

359
00:15:54,629 --> 00:15:52,079
probably

360
00:15:55,910 --> 00:15:54,639
yeah

361
00:15:57,509 --> 00:15:55,920
um

362
00:16:00,629 --> 00:15:57,519
yeah the air force

363
00:16:02,550 --> 00:16:00,639

i that's like i've done a foia with the

364

00:16:04,790 --> 00:16:02,560

air force

365

00:16:10,949 --> 00:16:04,800

and

366

00:16:12,150 --> 00:16:10,959

or identified or phenomenon all that

367

00:16:13,030 --> 00:16:12,160

stuff

368

00:16:14,389 --> 00:16:13,040

um

369

00:16:17,030 --> 00:16:14,399

and it's been

370

00:16:18,949 --> 00:16:17,040

months and they haven't given me one

371

00:16:21,590 --> 00:16:18,959

updater

372

00:16:23,670 --> 00:16:21,600

or anything it's just sitting there

373

00:16:26,230 --> 00:16:23,680

you should request it

374

00:16:29,269 --> 00:16:26,240

um there's a particular

375

00:16:31,670 --> 00:16:29,279

site and way to do it that is pretty

376

00:16:32,790 --> 00:16:31,680

fast on some documents so i'll have to

377

00:16:33,990 --> 00:16:32,800

show you that

378

00:16:34,790 --> 00:16:34,000

okay

379

00:16:38,150 --> 00:16:34,800

yeah

380

00:16:40,150 --> 00:16:38,160

in the foia stuff

381

00:16:42,629 --> 00:16:40,160

i guess because you have to maybe be

382

00:16:45,509 --> 00:16:42,639

more specific and

383

00:16:48,829 --> 00:16:45,519

i'm typically more general and

384

00:16:51,910 --> 00:16:48,839

overview kind of researcher i guess

385

00:16:55,269 --> 00:16:51,920

but well

386

00:16:58,389 --> 00:16:55,279

like i said i i accidentally found a way

387

00:16:59,430 --> 00:16:58,399

to get documents from the air force that

388

00:17:01,189 --> 00:16:59,440

yeah

389

00:17:02,550 --> 00:17:01,199

and i would

390

00:17:06,069 --> 00:17:02,560

yeah

391

00:17:08,630 --> 00:17:06,079

just like i accidentally went from

392

00:17:10,789 --> 00:17:08,640

bell this is like years ago this is

393

00:17:12,949 --> 00:17:10,799

2014.

394

00:17:18,630 --> 00:17:12,959

i accidentally

395

00:17:19,510 --> 00:17:18,640

found a back door from the cia to apple

396

00:17:21,909 --> 00:17:19,520

and

397

00:17:24,870 --> 00:17:21,919

i reported it to apple

398

00:17:26,150 --> 00:17:24,880

and i got a computer as a reward

399

00:17:27,750 --> 00:17:26,160

wow

400

00:17:29,669 --> 00:17:27,760

yeah

401

00:17:33,110 --> 00:17:29,679

so that's cool

402

00:17:35,430 --> 00:17:33,120

so you know

403

00:17:38,230 --> 00:17:35,440

interesting

404

00:17:39,990 --> 00:17:38,240

so are you a computer whiz as well or

405

00:17:41,750 --> 00:17:40,000

what's it

406

00:17:43,110 --> 00:17:41,760

i used to be

407

00:17:45,350 --> 00:17:43,120

i tried to

408

00:17:47,990 --> 00:17:45,360

essie the problem was all my friends

409

00:17:50,950 --> 00:17:48,000

were like here and saw this computer

410

00:17:53,270 --> 00:17:50,960

here set this up and i was like

411

00:17:55,750 --> 00:17:53,280

you know it was all his favors and it's

412

00:17:57,990 --> 00:17:55,760

like okay the first

413

00:18:00,150 --> 00:17:58,000

but then i called on when they said oh

414

00:18:01,990 --> 00:18:00,160

let's go to dinner together and they'd

415

00:18:05,750 --> 00:18:02,000

have a computer sitting there waiting

416

00:18:09,990 --> 00:18:08,070

work on it

417

00:18:12,830 --> 00:18:10,000

can you just be honest and tell me you

418

00:18:14,870 --> 00:18:12,840

need help with your computer

419

00:18:16,710 --> 00:18:14,880

right yeah

420

00:18:18,390 --> 00:18:16,720

um now you've

421

00:18:19,750 --> 00:18:18,400

i know for instance you put a lot of

422

00:18:22,150 --> 00:18:19,760

work into

423

00:18:24,870 --> 00:18:24,070

the memory metal

424

00:18:27,270 --> 00:18:24,880

yes

425

00:18:28,390 --> 00:18:27,280

the memory metal case no

426

00:18:33,029 --> 00:18:28,400

and

427

00:18:39,270 --> 00:18:36,390

so what what is the story there did

428

00:18:41,510 --> 00:18:39,280

like uh roswell um some metal was

429

00:18:43,350 --> 00:18:41,520

recovered it went to bethel and they

430

00:18:44,950 --> 00:18:43,360

like kind of worked on it and got it out

431

00:18:47,110 --> 00:18:44,960

into the public

432

00:18:50,950 --> 00:18:47,120

or

433

00:18:52,950 --> 00:18:50,960

it officially came through the naval lab

434

00:18:56,630 --> 00:18:52,960

now the thing is

435

00:18:59,590 --> 00:18:56,640

there were scientists at battelle

436

00:19:02,390 --> 00:18:59,600

that were working on the side for the

437

00:19:04,070 --> 00:19:02,400

navy and patel didn't know it at the

438

00:19:05,430 --> 00:19:04,080

time

439

00:19:07,750 --> 00:19:05,440

and so

440

00:19:13,270 --> 00:19:10,549

it's definitely not a clear-cut

441

00:19:14,789 --> 00:19:13,280

documented case but everybody who

442

00:19:17,750 --> 00:19:14,799

researches in it

443

00:19:18,630 --> 00:19:17,760

believes that that was the case with

444

00:19:21,510 --> 00:19:18,640

that

445

00:19:24,630 --> 00:19:21,520

because it was with other things

446

00:19:25,830 --> 00:19:24,640

but okay so that memory metal

447

00:19:28,549 --> 00:19:25,840

today

448

00:19:30,870 --> 00:19:28,559

has been used to advance some of the

449

00:19:34,710 --> 00:19:30,880

medical procedures

450

00:19:39,750 --> 00:19:34,720

like they use they use it in heart stent

451
00:19:41,190 --> 00:19:39,760
um i think it's also used on braces

452
00:19:45,270 --> 00:19:41,200
and so

453
00:19:48,070 --> 00:19:45,280
and like titanium that was the same way

454
00:19:50,710 --> 00:19:48,080
that was developed by patel

455
00:19:54,150 --> 00:19:50,720
okay so that's used in a lot of medical

456
00:19:56,710 --> 00:19:54,160
things today as well as the

457
00:19:58,150 --> 00:19:56,720
you know planes and all of that

458
00:20:00,070 --> 00:19:58,160
wow

459
00:20:04,549 --> 00:20:00,080
in

460
00:20:07,510 --> 00:20:04,559
came from

461
00:20:09,270 --> 00:20:07,520
uh roswell you think or no that is that

462
00:20:10,149 --> 00:20:09,280
is the allegation

463
00:20:11,750 --> 00:20:10,159

okay

464

00:20:13,510 --> 00:20:11,760

gotcha

465

00:20:18,310 --> 00:20:13,520

interesting

466

00:20:20,390 --> 00:20:18,320

know we talk so much about crashes or

467

00:20:22,390 --> 00:20:20,400

recovered material when

468

00:20:23,909 --> 00:20:22,400

if that's the case

469

00:20:27,029 --> 00:20:23,919

it you know and

470

00:20:29,590 --> 00:20:27,039

we'd feel kind of silly

471

00:20:31,040 --> 00:20:29,600

don't you think it's like

472

00:20:32,870 --> 00:20:31,050

it's there that whole time

473

00:20:35,750 --> 00:20:32,880

[Laughter]

474

00:20:37,270 --> 00:20:35,760

yeah and you have to keep in mind

475

00:20:40,310 --> 00:20:37,280

mattel

476
00:20:43,750 --> 00:20:40,320
is a non-profit

477
00:20:46,149 --> 00:20:43,760
purity defense contractor

478
00:20:49,430 --> 00:20:46,159
you know they do medical research they

479
00:20:51,430 --> 00:20:49,440
do aerospace stuff but they are

480
00:20:53,510 --> 00:20:51,440
a charity

481
00:20:54,390 --> 00:20:53,520
and the way it was set up

482
00:20:57,110 --> 00:20:54,400
and

483
00:21:00,310 --> 00:20:57,120
you know surprisingly they were never

484
00:21:02,789 --> 00:21:00,320
made to separate out their

485
00:21:05,270 --> 00:21:02,799
research through separate from their

486
00:21:07,430 --> 00:21:05,280
development

487
00:21:10,630 --> 00:21:07,440
so they're the only charity defense

488
00:21:14,310 --> 00:21:10,640

contractor there is

489

00:21:17,029 --> 00:21:14,320

interesting a charity defense contractor

490

00:21:20,549 --> 00:21:17,039

so i could give them a donation huh

491

00:21:23,590 --> 00:21:21,350

well

492

00:21:26,789 --> 00:21:23,600

i wonder what the benefits are

493

00:21:29,590 --> 00:21:26,799

well and if you go beyond that besides

494

00:21:33,590 --> 00:21:29,600

having stuff all over the world

495

00:21:34,710 --> 00:21:33,600

they also have an offshore

496

00:21:37,430 --> 00:21:34,720

um

497

00:21:41,430 --> 00:21:37,440

laundering company

498

00:21:44,710 --> 00:21:41,440

or um it's a fun company

499

00:21:46,390 --> 00:21:44,720

and i found that out big and deep in the

500

00:21:47,909 --> 00:21:46,400

u.s

501
00:21:49,669 --> 00:21:47,919
federal

502
00:21:51,830 --> 00:21:49,679
budget papers

503
00:21:53,909 --> 00:21:51,840
wow

504
00:21:54,789 --> 00:21:53,919
and that's uh battelle

505
00:21:56,310 --> 00:21:54,799
yes

506
00:21:58,789 --> 00:21:56,320
wow

507
00:22:01,669 --> 00:21:58,799
what is that for

508
00:22:03,510 --> 00:22:01,679
oh but all these major companies spend

509
00:22:06,070 --> 00:22:03,520
their money through it like proctor and

510
00:22:09,110 --> 00:22:06,080
gamble and other companies

511
00:22:11,190 --> 00:22:09,120
oh wow holy cow oh yeah

512
00:22:12,470 --> 00:22:11,200
so all this stuff you can get really

513
00:22:13,830 --> 00:22:12,480

deep into

514

00:22:15,590 --> 00:22:13,840

yeah

515

00:22:19,830 --> 00:22:15,600

it seems like that was the thing with

516

00:22:22,149 --> 00:22:19,840

patel is that i had so many pockets

517

00:22:24,950 --> 00:22:22,159

of trouble

518

00:22:26,710 --> 00:22:24,960

it was like i could stay focused

519

00:22:30,870 --> 00:22:26,720

yeah

520

00:22:31,830 --> 00:22:30,880

get distracted at finding you know

521

00:22:34,310 --> 00:22:31,840

uh

522

00:22:36,789 --> 00:22:34,320

yeah some bait somewhere here there and

523

00:22:38,950 --> 00:22:36,799

you know a couple weeks go by

524

00:22:40,149 --> 00:22:38,960

and you may come up empty

525

00:22:41,350 --> 00:22:40,159

and

526
00:22:43,909 --> 00:22:41,360
you know what you would have stayed

527
00:22:46,630 --> 00:22:43,919
focused or or but though vice versa i

528
00:22:47,830 --> 00:22:46,640
hear that sometimes you know those are

529
00:22:50,390 --> 00:22:47,840
the

530
00:22:51,430 --> 00:22:50,400
something

531
00:22:52,470 --> 00:22:51,440
right

532
00:22:53,270 --> 00:22:52,480
yeah

533
00:22:55,430 --> 00:22:53,280
so

534
00:22:58,230 --> 00:22:55,440
yeah it's got to be hard to decide how

535
00:23:00,070 --> 00:22:58,240
you make those decisions i guess

536
00:23:02,390 --> 00:23:00,080
um

537
00:23:06,310 --> 00:23:02,400
what has been

538
00:23:13,750 --> 00:23:06,320

like the best or most rewarding find

539

00:23:17,830 --> 00:23:16,149

that's hard to

540

00:23:21,430 --> 00:23:17,840

be fun

541

00:23:23,350 --> 00:23:21,440

i guess the most exciting part for me

542

00:23:27,990 --> 00:23:23,360

last year

543

00:23:33,190 --> 00:23:28,000

was finding the tell as

544

00:23:36,710 --> 00:23:34,390

places

545

00:23:39,029 --> 00:23:36,720

that could be

546

00:23:43,029 --> 00:23:39,039

overseeing

547

00:23:45,990 --> 00:23:43,039

not only the bodies but the crash

548

00:23:52,070 --> 00:23:47,990

they are

549

00:23:55,830 --> 00:23:52,080

closely tied to wright patterson

550

00:23:56,710 --> 00:23:55,840

and in the general vicinity

551
00:24:01,190 --> 00:23:56,720
and

552
00:24:03,350 --> 00:24:01,200
they manage most of the national labs

553
00:24:05,430 --> 00:24:03,360
they have

554
00:24:07,669 --> 00:24:05,440
things going on at most of the proving

555
00:24:09,590 --> 00:24:07,679
grounds

556
00:24:13,430 --> 00:24:09,600
white sands and everything

557
00:24:15,750 --> 00:24:13,440
they managed the uh fort dietrich

558
00:24:17,029 --> 00:24:15,760
chemical lab

559
00:24:20,710 --> 00:24:17,039
um

560
00:24:21,990 --> 00:24:20,720
and so they're just everywhere

561
00:24:24,070 --> 00:24:22,000
um so

562
00:24:27,029 --> 00:24:24,080
they have plenty of places to hide

563
00:24:29,669 --> 00:24:27,039

things if they can hide them

564

00:24:35,029 --> 00:24:32,549

no if they're not for profit

565

00:24:36,230 --> 00:24:35,039

do you how do you think it benefits them

566

00:24:38,310 --> 00:24:36,240

to

567

00:24:39,669 --> 00:24:38,320

hide it

568

00:24:42,310 --> 00:24:39,679

you know well

569

00:24:44,870 --> 00:24:42,320

just to keep it secure

570

00:24:46,390 --> 00:24:44,880

whether it's on behalf of the government

571

00:24:48,149 --> 00:24:46,400

or not

572

00:24:49,830 --> 00:24:48,159

yeah

573

00:24:50,120 --> 00:24:49,840

the big salaries i'm sure they have

574

00:24:53,350 --> 00:24:50,130

though

575

00:24:55,350 --> 00:24:53,360

[Laughter]

576

00:24:57,909 --> 00:24:55,360

yeah we don't get any profit we just pay

577

00:25:00,230 --> 00:24:57,919

ourselves a lot

578

00:25:02,390 --> 00:25:00,240

yeah kind of like insurance companies

579

00:25:04,070 --> 00:25:02,400

yeah

580

00:25:06,630 --> 00:25:04,080

right

581

00:25:09,510 --> 00:25:08,149

so

582

00:25:11,909 --> 00:25:09,520

do you think

583

00:25:12,870 --> 00:25:11,919

are you someone who who believes there's

584

00:25:15,269 --> 00:25:12,880

um

585

00:25:17,190 --> 00:25:15,279

or maybe knows that there's some sort of

586

00:25:20,149 --> 00:25:17,200

um group that

587

00:25:23,350 --> 00:25:20,159

uh hides all this stuff like a like a

588

00:25:25,269 --> 00:25:23,360

zodiac per se or a watch committee or

589

00:25:27,190 --> 00:25:25,279

you know a collins elite or whatever you

590

00:25:30,710 --> 00:25:27,200

want to call it

591

00:25:31,590 --> 00:25:30,720

i mean all of that information is out

592

00:25:32,630 --> 00:25:31,600

there

593

00:25:38,070 --> 00:25:32,640

no

594

00:25:41,110 --> 00:25:38,080

official documentation on it per se

595

00:25:45,990 --> 00:25:41,120

there is one document that

596

00:25:50,310 --> 00:25:46,000

i believe if any mj document is real

597

00:25:53,750 --> 00:25:50,320

it is the one that pertains to a group

598

00:25:57,029 --> 00:25:53,760

that was established by truman

599

00:25:58,310 --> 00:25:57,039

and it was 12 people

600

00:25:59,909 --> 00:25:58,320

and

601
00:26:03,029 --> 00:25:59,919
so

602
00:26:06,950 --> 00:26:03,039
i believe yeah i believe that that

603
00:26:09,350 --> 00:26:06,960
document if any document is real

604
00:26:13,110 --> 00:26:09,360
but as far as today

605
00:26:17,029 --> 00:26:14,310
yeah

606
00:26:19,269 --> 00:26:17,039
i do believe pissinger is involved and

607
00:26:21,590 --> 00:26:19,279
i've believed that for a long time

608
00:26:25,669 --> 00:26:21,600
interesting that you say that i've seen

609
00:26:27,510 --> 00:26:25,679
that a couple times in my research and i

610
00:26:29,990 --> 00:26:27,520
didn't know enough to make anything of

611
00:26:32,950 --> 00:26:30,000
it but i remembered it

612
00:26:36,390 --> 00:26:32,960
um yeah very interesting

613
00:26:38,789 --> 00:26:36,400

um i thought this was a good question

614

00:26:41,909 --> 00:26:38,799

yeah but tell

615

00:26:45,269 --> 00:26:41,919

on some of their documents that were

616

00:26:47,350 --> 00:26:45,279

released during wikileaks

617

00:26:49,190 --> 00:26:47,360

there were some interesting things that

618

00:26:53,110 --> 00:26:49,200

came out on those

619

00:26:55,510 --> 00:26:53,120

and one code word that kept showing up

620

00:26:59,590 --> 00:26:55,520

was kissinger

621

00:27:05,510 --> 00:27:03,190

no i've never had a cosmic clearance i

622

00:27:08,390 --> 00:27:05,520

don't know who came up with that

623

00:27:10,710 --> 00:27:08,400

no i did not yeah

624

00:27:13,510 --> 00:27:10,720

but i was like if that's true we gotta

625

00:27:17,510 --> 00:27:15,669

yeah i know

626
00:27:18,470 --> 00:27:17,520
and so

627
00:27:21,269 --> 00:27:18,480
yeah

628
00:27:22,310 --> 00:27:21,279
okay um

629
00:27:24,230 --> 00:27:22,320
so

630
00:27:25,590 --> 00:27:24,240
what do you think

631
00:27:30,070 --> 00:27:25,600
i'm sorry if i missed this but what do

632
00:27:32,149 --> 00:27:30,080
you think kissinger's role um really is

633
00:27:33,430 --> 00:27:32,159
you do you think he's a part or was a

634
00:27:35,909 --> 00:27:33,440
part of

635
00:27:38,389 --> 00:27:35,919
you know developing secrets around this

636
00:27:39,669 --> 00:27:38,399
stuff or organizat organization of a

637
00:27:41,350 --> 00:27:39,679
group or

638
00:27:44,310 --> 00:27:41,360

something i believe

639

00:27:47,830 --> 00:27:44,320

i believe he was on a group

640

00:27:51,909 --> 00:27:47,840

whether it was in j-12 or whatever and

641

00:27:53,830 --> 00:27:51,919

who knows that may be another factor why

642

00:28:02,789 --> 00:27:53,840

they're not going to release the kennedy

643

00:28:08,310 --> 00:28:06,870

he was involved in so much

644

00:28:10,070 --> 00:28:08,320

and so

645

00:28:13,269 --> 00:28:10,080

you know and of course you have to

646

00:28:14,789 --> 00:28:13,279

realize okay he worked with nixon and of

647

00:28:16,789 --> 00:28:14,799

course nixon's

648

00:28:18,549 --> 00:28:16,799

into all of this

649

00:28:20,310 --> 00:28:18,559

so it was

650

00:28:23,750 --> 00:28:20,320

you say of course like i would know that

651
00:28:26,870 --> 00:28:24,950
yeah

652
00:28:29,510 --> 00:28:26,880
and um

653
00:28:31,190 --> 00:28:29,520
the state department also

654
00:28:34,070 --> 00:28:31,200
gets a lot of

655
00:28:35,990 --> 00:28:34,080
reports of ufos over the years and

656
00:28:39,110 --> 00:28:36,000
things related to it

657
00:28:39,990 --> 00:28:39,120
you can look on their archives and find

658
00:28:42,789 --> 00:28:40,000
that

659
00:28:46,630 --> 00:28:42,799
and so he would have been involved in

660
00:28:48,310 --> 00:28:46,640
various things related to it

661
00:28:51,669 --> 00:28:48,320
you know that's another thing

662
00:28:53,669 --> 00:28:51,679
that i've seen pop up like nixon out of

663
00:28:55,750 --> 00:28:53,679

nowhere like or a nixon presidential

664

00:28:57,909 --> 00:28:55,760

library or something when i'm searching

665

00:29:00,630 --> 00:28:57,919

for something that has no reason to put

666

00:29:04,310 --> 00:29:01,590

yeah

667

00:29:07,350 --> 00:29:04,320

and the thing is with a lot of libraries

668

00:29:09,190 --> 00:29:07,360

it's it tells you the box number

669

00:29:11,990 --> 00:29:09,200

so if you're not gonna go there like

670

00:29:12,870 --> 00:29:12,000

grant cameron did you're not gonna see

671

00:29:15,350 --> 00:29:12,880

stuff

672

00:29:17,430 --> 00:29:15,360

right um and that's the discouraging

673

00:29:19,909 --> 00:29:17,440

thing too when you find out like a

674

00:29:22,389 --> 00:29:19,919

university has

675

00:29:24,470 --> 00:29:22,399

ufo files you know whether it's from a

676

00:29:25,750 --> 00:29:24,480

researcher or what

677

00:29:28,710 --> 00:29:25,760

that's the same thing you're going to

678

00:29:29,909 --> 00:29:28,720

get a shelf number a box number

679

00:29:32,549 --> 00:29:29,919

and so

680

00:29:34,870 --> 00:29:32,559

you know unless you can travel around to

681

00:29:37,750 --> 00:29:34,880

these places right

682

00:29:40,950 --> 00:29:37,760

that's difficult and of course last year

683

00:29:43,430 --> 00:29:40,960

there was one place i wanted to go

684

00:29:45,510 --> 00:29:43,440

because of that and

685

00:29:47,590 --> 00:29:45,520

of course he couldn't because most of

686

00:29:50,389 --> 00:29:47,600

the libraries were closed

687

00:29:52,149 --> 00:29:50,399

due to chosen

688

00:29:53,269 --> 00:29:52,159

interesting

689

00:29:58,630 --> 00:29:53,279

i

690

00:30:00,149 --> 00:29:58,640

uh james mcdonald

691

00:30:03,830 --> 00:30:00,159

and

692

00:30:04,630 --> 00:30:03,840

i found that all of his real stuff is at

693

00:30:06,630 --> 00:30:04,640

uh

694

00:30:09,029 --> 00:30:06,640

tucson

695

00:30:10,310 --> 00:30:09,039

and like you know i read what what he

696

00:30:12,230 --> 00:30:10,320

had on uh

697

00:30:13,750 --> 00:30:12,240

what's posted on tucson's site or

698

00:30:16,070 --> 00:30:13,760

princeton site but

699

00:30:18,870 --> 00:30:16,080

um there's a whole lot more and i want

700

00:30:20,789 --> 00:30:18,880

to look at it so bad

701
00:30:22,549 --> 00:30:20,799
you know but that might be worth a trip

702
00:30:24,789 --> 00:30:22,559
for me you know

703
00:30:27,510 --> 00:30:24,799
yeah see i have

704
00:30:29,750 --> 00:30:27,520
an issue with all these places having

705
00:30:32,070 --> 00:30:29,760
evolved

706
00:30:33,510 --> 00:30:32,080
most of them are government-funded to

707
00:30:36,470 --> 00:30:33,520
begin with

708
00:30:38,230 --> 00:30:36,480
some of them are private-funded colleges

709
00:30:39,350 --> 00:30:38,240
but at any point in time they could

710
00:30:41,269 --> 00:30:39,360
decide

711
00:30:42,310 --> 00:30:41,279
to do whatever they want with those

712
00:30:45,110 --> 00:30:42,320
files

713
00:30:48,630 --> 00:30:45,120

i mean even though they're in trust

714

00:30:51,269 --> 00:30:48,640

i have wanted a institute for this

715

00:30:52,630 --> 00:30:51,279

research to be independent but of course

716

00:30:54,710 --> 00:30:52,640

you've got to

717

00:30:56,710 --> 00:30:54,720

have somebody like rockefeller or

718

00:30:57,669 --> 00:30:56,720

something come forward and give the

719

00:31:00,310 --> 00:30:57,679

money

720

00:31:02,310 --> 00:31:00,320

right right we got to find somebody

721

00:31:04,789 --> 00:31:02,320

to pay us money

722

00:31:06,310 --> 00:31:04,799

to take trips to all these places and

723

00:31:07,909 --> 00:31:06,320

get what we can

724

00:31:08,789 --> 00:31:07,919

while we can

725

00:31:09,909 --> 00:31:08,799

yeah

726
00:31:13,830 --> 00:31:09,919
you know

727
00:31:16,710 --> 00:31:13,840
copies and stuff yeah yeah i know shoot

728
00:31:20,630 --> 00:31:16,720
yeah we need we need to find a

729
00:31:21,909 --> 00:31:20,640
um a sugar daddy or mama

730
00:31:22,950 --> 00:31:21,919
yeah

731
00:31:27,350 --> 00:31:22,960
i don't

732
00:31:28,470 --> 00:31:27,360
give that money for it

733
00:31:30,950 --> 00:31:28,480
yeah yeah

734
00:31:34,389 --> 00:31:30,960
that's a good point do you think um uh

735
00:31:36,630 --> 00:31:34,399
bass or bigelow has a lot of their own

736
00:31:38,710 --> 00:31:36,640
data in documents that

737
00:31:40,630 --> 00:31:38,720
uh possibly they should be sharing with

738
00:31:42,789 --> 00:31:40,640

the public

739

00:31:45,990 --> 00:31:42,799

i would say yes of course they're gonna

740

00:31:48,710 --> 00:31:46,000

decide that it's confidential or under

741

00:31:50,870 --> 00:31:48,720

ndas or who knows what

742

00:31:54,310 --> 00:31:50,880

i mean that's got plenty of factories

743

00:31:55,909 --> 00:31:54,320

and places to store stuff so that's not

744

00:31:59,190 --> 00:31:55,919

an issue

745

00:32:02,549 --> 00:31:59,200

you know they're under their security

746

00:32:03,750 --> 00:32:02,559

but it's like okay you know eric

747

00:32:05,990 --> 00:32:03,760

weinstein

748

00:32:08,149 --> 00:32:06,000

um saying you know well the scientists

749

00:32:11,269 --> 00:32:08,159

should have all this stuff we need it we

750

00:32:13,669 --> 00:32:11,279

need to research it we need to review it

751
00:32:15,029 --> 00:32:13,679
you know and i sent the comment back

752
00:32:16,230 --> 00:32:15,039
well

753
00:32:18,470 --> 00:32:16,240
if

754
00:32:20,870 --> 00:32:18,480
it's in the hands of the national labs

755
00:32:22,389 --> 00:32:20,880
and defense contractors

756
00:32:25,509 --> 00:32:22,399
mostly

757
00:32:26,870 --> 00:32:25,519
and if the scientists don't get together

758
00:32:29,830 --> 00:32:26,880
and

759
00:32:31,509 --> 00:32:29,840
make the congress do something about it

760
00:32:33,590 --> 00:32:31,519
it's not gonna happen

761
00:32:35,190 --> 00:32:33,600
right

762
00:32:37,190 --> 00:32:35,200
yeah so you think it has to be the

763
00:32:39,669 --> 00:32:37,200

scientists really

764

00:32:42,389 --> 00:32:39,679

like uh but you know our big scientists

765

00:32:43,909 --> 00:32:42,399

like neil negras tyson

766

00:32:45,990 --> 00:32:43,919

he ain't gonna do that

767

00:32:47,430 --> 00:32:46,000

but

768

00:32:49,350 --> 00:32:47,440

you know in your

769

00:32:51,830 --> 00:32:49,360

history with the subject you know

770

00:32:53,990 --> 00:32:51,840

staying on scientists

771

00:32:57,190 --> 00:32:54,000

have you noticed

772

00:32:58,630 --> 00:32:57,200

was there any time throughout ufology or

773

00:33:01,110 --> 00:32:58,640

ufo history

774

00:33:03,909 --> 00:33:01,120

where there was a solid

775

00:33:05,909 --> 00:33:03,919

scientific uh research

776

00:33:08,470 --> 00:33:05,919

program into this stuff that was at

777

00:33:11,190 --> 00:33:08,480

least public somewhat

778

00:33:13,509 --> 00:33:11,200

not public yeah

779

00:33:15,830 --> 00:33:13,519

there were things related to it at some

780

00:33:17,909 --> 00:33:15,840

of the universities that were under

781

00:33:19,029 --> 00:33:17,919

classified

782

00:33:21,269 --> 00:33:19,039

um

783

00:33:24,470 --> 00:33:21,279

i mean there's

784

00:33:27,350 --> 00:33:24,480

in the beginning with the dod records

785

00:33:30,230 --> 00:33:27,360

things like that cia records

786

00:33:32,630 --> 00:33:30,240

it had like mip and different

787

00:33:36,389 --> 00:33:32,640

institutions on it but

788

00:33:39,669 --> 00:33:36,399

it was under classified programs so

789

00:33:48,149 --> 00:33:42,310

so we lose so much

790

00:33:52,950 --> 00:33:49,830

how much does the government really know

791

00:33:55,669 --> 00:33:52,960

about this stuff

792

00:33:58,950 --> 00:33:55,679

i think they know enough to know that

793

00:34:01,669 --> 00:33:58,960

they cannot control what's going on

794

00:34:03,830 --> 00:34:01,679

and they can't do anything about it

795

00:34:05,590 --> 00:34:03,840

and so

796

00:34:08,310 --> 00:34:05,600

um

797

00:34:10,230 --> 00:34:08,320

yeah whether it goes further

798

00:34:13,270 --> 00:34:10,240

i believe it does

799

00:34:14,310 --> 00:34:13,280

because there's too many instances

800

00:34:16,149 --> 00:34:14,320

where

801
00:34:17,909 --> 00:34:16,159
swat teams

802
00:34:20,869 --> 00:34:17,919
special forces

803
00:34:21,990 --> 00:34:20,879
have gone out to particular locations

804
00:34:25,669 --> 00:34:22,000
they have a

805
00:34:29,510 --> 00:34:26,869
process

806
00:34:32,310 --> 00:34:29,520
that they use for different things

807
00:34:35,109 --> 00:34:32,320
they wouldn't do that if they didn't

808
00:34:37,030 --> 00:34:35,119
have this come up often

809
00:34:38,550 --> 00:34:37,040
right

810
00:34:40,790 --> 00:34:38,560
yeah i mean that's one thing i always

811
00:34:42,470 --> 00:34:40,800
think about and you know robert covert

812
00:34:44,470 --> 00:34:42,480
here has brought up to me before it's

813
00:34:46,550 --> 00:34:44,480

like you know all these sightings or

814

00:34:48,950 --> 00:34:46,560

crashes or whatever it's if there's

815

00:34:53,109 --> 00:34:48,960

nothing to it why do they put so much

816

00:34:55,750 --> 00:34:53,119

dang effort into investigating each one

817

00:34:59,829 --> 00:34:55,760

you know if it every time it's a balloon

818

00:35:01,670 --> 00:34:59,839

or a or a meteor or a hoax like

819

00:35:04,710 --> 00:35:01,680

why do they put

820

00:35:05,910 --> 00:35:04,720

all these osi districts on this and all

821

00:35:07,670 --> 00:35:05,920

these different

822

00:35:09,190 --> 00:35:07,680

you know captains in the air force and

823

00:35:10,310 --> 00:35:09,200

all that and

824

00:35:12,710 --> 00:35:10,320

you know

825

00:35:15,190 --> 00:35:12,720

even lab tests on some of this stuff

826

00:35:16,950 --> 00:35:15,200

they sent it into a lab like

827

00:35:19,829 --> 00:35:16,960

why would they do that if they don't

828

00:35:22,630 --> 00:35:19,839

think there's anything going on at all

829

00:35:23,670 --> 00:35:22,640

you know if it's just laughable

830

00:35:25,109 --> 00:35:23,680

right

831

00:35:28,829 --> 00:35:25,119

you know

832

00:35:32,550 --> 00:35:28,839

i mean there's been plenty of

833

00:35:35,670 --> 00:35:32,560

evidence experiences by objectives by

834

00:35:39,109 --> 00:35:35,680

research people by investigators

835

00:35:41,190 --> 00:35:39,119

by the military by the government and

836

00:35:45,670 --> 00:35:41,200

it all ends up

837

00:35:49,670 --> 00:35:46,790

so

838

00:35:51,430 --> 00:35:49,680

you know that doesn't just accidentally

839

00:35:53,109 --> 00:35:51,440

happen

840

00:35:55,109 --> 00:35:53,119

so what do you think

841

00:35:57,349 --> 00:35:55,119

what can we do about that what can we

842

00:35:59,750 --> 00:35:57,359

honestly do as you know either an

843

00:36:02,790 --> 00:35:59,760

experiencer or a researcher

844

00:36:05,829 --> 00:36:02,800

to you know help more information get

845

00:36:11,510 --> 00:36:09,750

well okay i worked with a researcher for

846

00:36:13,829 --> 00:36:11,520

several years

847

00:36:15,030 --> 00:36:13,839

on my private

848

00:36:17,990 --> 00:36:15,040

incident

849

00:36:20,470 --> 00:36:18,000

as well as helping them

850

00:36:22,470 --> 00:36:20,480

with writing and as an international

851
00:36:24,310 --> 00:36:22,480
speaker

852
00:36:26,790 --> 00:36:24,320
okay so

853
00:36:29,589 --> 00:36:26,800
but what i found

854
00:36:30,630 --> 00:36:29,599
is that the evidence you turn over to

855
00:36:32,550 --> 00:36:30,640
people

856
00:36:36,390 --> 00:36:32,560
you don't

857
00:36:40,630 --> 00:36:36,400
always get a clear answer or

858
00:36:45,109 --> 00:36:43,510
you you might see it later

859
00:36:47,510 --> 00:36:45,119
like in a video

860
00:36:51,670 --> 00:36:47,520
there's a video being made that uses

861
00:36:53,190 --> 00:36:51,680
some of my photos of body parts

862
00:36:54,950 --> 00:36:53,200
okay another

863
00:36:57,430 --> 00:36:54,960

another mine

864

00:37:01,270 --> 00:36:57,440

because i i have the phone wait your

865

00:37:04,950 --> 00:37:04,150

my photos of my body part okay gotcha

866

00:37:06,150 --> 00:37:04,960

both

867

00:37:08,790 --> 00:37:06,160

understood

868

00:37:11,349 --> 00:37:08,800

okay well i know they're mine because i

869

00:37:13,589 --> 00:37:11,359

have the photos i wasn't sure if you

870

00:37:16,390 --> 00:37:13,599

meant like alien body parts or something

871

00:37:19,510 --> 00:37:17,750

and so

872

00:37:21,270 --> 00:37:19,520

but also

873

00:37:22,470 --> 00:37:21,280

most of the time if you send something

874

00:37:25,349 --> 00:37:22,480

to the lab

875

00:37:26,230 --> 00:37:25,359

through a lab

876

00:37:28,790 --> 00:37:26,240

like

877

00:37:31,270 --> 00:37:28,800

okay whitley streepers had this i've had

878

00:37:34,470 --> 00:37:31,280

this other people have had this do you

879

00:37:36,950 --> 00:37:34,480

send an implant to a lab

880

00:37:38,390 --> 00:37:36,960

more likely you're not going to get an

881

00:37:39,270 --> 00:37:38,400

answer

882

00:37:40,950 --> 00:37:39,280

if

883

00:37:42,550 --> 00:37:40,960

you're not going to get a copy of the

884

00:37:44,470 --> 00:37:42,560

lab report

885

00:37:45,910 --> 00:37:44,480

and if you ask for it back you're not

886

00:37:48,069 --> 00:37:45,920

going to get it back

887

00:37:49,670 --> 00:37:48,079

it's going to be lost

888

00:37:52,230 --> 00:37:49,680

and so i've

889

00:37:54,390 --> 00:37:52,240

i've just come to where i'm not sending

890

00:37:56,310 --> 00:37:54,400

anything to anybody

891

00:37:59,750 --> 00:37:56,320

unless

892

00:38:01,430 --> 00:37:59,760

see i have one implant

893

00:38:03,910 --> 00:38:01,440

in my possession

894

00:38:05,910 --> 00:38:03,920

i'm not giving it to anybody i've shown

895

00:38:07,349 --> 00:38:05,920

people photos of it but i'm not giving

896

00:38:10,550 --> 00:38:07,359

it to anybody

897

00:38:11,510 --> 00:38:10,560

now if i have another implant that comes

898

00:38:14,470 --> 00:38:11,520

out

899

00:38:15,670 --> 00:38:14,480

i am going to get back to class

900

00:38:18,390 --> 00:38:15,680

because i

901
00:38:21,829 --> 00:38:18,400
i want to hold on to something

902
00:38:25,109 --> 00:38:21,839
you know it's very easy to say

903
00:38:26,870 --> 00:38:25,119
i had implant removed or whatever i know

904
00:38:28,950 --> 00:38:26,880
it's very easy to say

905
00:38:30,829 --> 00:38:28,960
but

906
00:38:34,870 --> 00:38:30,839
if you don't have

907
00:38:37,190 --> 00:38:34,880
it then it's nothing you know

908
00:38:40,230 --> 00:38:37,990
uh

909
00:38:42,630 --> 00:38:40,240
how does it just does it just naturally

910
00:38:44,630 --> 00:38:42,640
came out

911
00:38:47,670 --> 00:38:44,640
yes it i

912
00:38:51,670 --> 00:38:47,680
was having trouble with my nose

913
00:38:53,510 --> 00:38:51,680

and i sneezed and when i sneezed it came

914

00:38:55,270 --> 00:38:53,520

out in the tissue

915

00:38:56,069 --> 00:38:55,280

it's nice

916

00:39:02,710 --> 00:38:56,079

i

917

00:39:05,990 --> 00:39:02,720

huh

918

00:39:08,069 --> 00:39:06,000

and i picked it up and it was there

919

00:39:09,670 --> 00:39:08,079

so i think i'm going to have another one

920

00:39:11,910 --> 00:39:09,680

the same way

921

00:39:14,550 --> 00:39:11,920

and so that one is going to go to the

922

00:39:16,790 --> 00:39:14,560

left

923

00:39:19,510 --> 00:39:16,800

you just like uh intuition is telling

924

00:39:21,990 --> 00:39:19,520

you that or i started feel it

925

00:39:23,430 --> 00:39:22,000

i started having problems last week the

926
00:39:24,950 --> 00:39:23,440
same way

927
00:39:27,670 --> 00:39:24,960
and so

928
00:39:30,150 --> 00:39:27,680
it's a matter of time

929
00:39:32,630 --> 00:39:30,160
and see what they do

930
00:39:34,390 --> 00:39:32,640
if they go okay for the ones that are up

931
00:39:36,310 --> 00:39:34,400
in your nostril

932
00:39:38,950 --> 00:39:36,320
they put it up there because that's one

933
00:39:39,990 --> 00:39:38,960
way to get near your brain

934
00:39:42,870 --> 00:39:40,000
okay

935
00:39:44,870 --> 00:39:42,880
and even some surgeons today use a

936
00:39:46,230 --> 00:39:44,880
similar technique

937
00:39:49,190 --> 00:39:46,240
um

938
00:39:51,910 --> 00:39:49,200

and so you know i showed the doctors the

939

00:39:53,589 --> 00:39:51,920

photo of it and said is this any chance

940

00:39:56,550 --> 00:39:53,599

anything that i've gotten through a

941

00:39:59,589 --> 00:39:56,560

surgery or whatever and they're like no

942

00:40:00,470 --> 00:39:59,599

we've never seen anything like that

943

00:40:02,069 --> 00:40:00,480

so

944

00:40:06,069 --> 00:40:02,079

um

945

00:40:09,589 --> 00:40:07,589

i have a

946

00:40:10,550 --> 00:40:09,599

big scar up here

947

00:40:13,510 --> 00:40:10,560

from

948

00:40:15,270 --> 00:40:13,520

one that was removed years ago

949

00:40:18,150 --> 00:40:15,280

wow

950

00:40:21,589 --> 00:40:18,160

and are they just like um like metal

951
00:40:25,030 --> 00:40:21,599
little metal pieces or fragments the lab

952
00:40:27,510 --> 00:40:25,040
the lab could not identify it

953
00:40:29,510 --> 00:40:27,520
couldn't identify it at all

954
00:40:33,109 --> 00:40:29,520
and the doctor told me when it took it

955
00:40:36,630 --> 00:40:33,119
out that it was encapsulated

956
00:40:39,190 --> 00:40:36,640
it hadn't seen anything like it before

957
00:40:41,270 --> 00:40:39,200
but now i understand

958
00:40:43,510 --> 00:40:41,280
is what happens a lot

959
00:40:45,190 --> 00:40:43,520
of course if it was now

960
00:40:48,870 --> 00:40:45,200
i would have known

961
00:40:50,550 --> 00:40:48,880
to do it different than i did back then

962
00:40:53,030 --> 00:40:50,560
yeah because i didn't know anything

963
00:40:55,270 --> 00:40:53,040

about implants i didn't know anything my

964

00:40:57,270 --> 00:40:55,280

family has a lot of cancer i was just

965

00:40:58,470 --> 00:40:57,280

happy it wasn't cancer that's all i

966

00:41:01,270 --> 00:40:58,480

cared about

967

00:41:04,829 --> 00:41:01,280

yeah okay but now they're also saying

968

00:41:06,630 --> 00:41:04,839

not to remove implants

969

00:41:08,870 --> 00:41:06,640

really because they attach into the

970

00:41:10,630 --> 00:41:08,880

nerves and so then they affect your

971

00:41:12,790 --> 00:41:10,640

neurosystem

972

00:41:14,790 --> 00:41:12,800

oh wow

973

00:41:16,710 --> 00:41:14,800

so are you noticing

974

00:41:18,710 --> 00:41:16,720

is that kind of the issues you're

975

00:41:22,309 --> 00:41:18,720

experiencing possibly

976

00:41:25,349 --> 00:41:22,319

um ever since the big incident that i

977

00:41:27,990 --> 00:41:25,359

had i've had a lot of neurological

978

00:41:29,670 --> 00:41:28,000

yeah different body things

979

00:41:31,270 --> 00:41:29,680

yeah

980

00:41:33,589 --> 00:41:31,280

that was um

981

00:41:34,950 --> 00:41:33,599

do you not want to go into that

982

00:41:37,270 --> 00:41:34,960

it's up to you

983

00:41:38,309 --> 00:41:37,280

i was gonna ask you when it was but

984

00:41:39,270 --> 00:41:38,319

yeah

985

00:41:40,950 --> 00:41:39,280

um

986

00:41:42,950 --> 00:41:40,960

right now it probably would take up too

987

00:41:44,230 --> 00:41:42,960

much time

988

00:41:46,710 --> 00:41:44,240

i understand

989

00:41:49,270 --> 00:41:46,720

we had all this stuff going on with my

990

00:41:51,430 --> 00:41:49,280

family the whole time but

991

00:41:55,030 --> 00:41:51,440

we didn't grow up with

992

00:41:56,470 --> 00:41:55,040

science fiction or movies about

993

00:41:59,910 --> 00:41:56,480

any of this

994

00:42:01,589 --> 00:41:59,920

you know i was clueless until

995

00:42:03,589 --> 00:42:01,599

you know i was watching i don't know

996

00:42:06,550 --> 00:42:03,599

whether it's ancient aliens or whatever

997

00:42:09,670 --> 00:42:06,560

and they were talking about every time

998

00:42:11,109 --> 00:42:09,680

it planted something and i was like

999

00:42:12,309 --> 00:42:11,119

huh

1000

00:42:14,230 --> 00:42:12,319

you know

1001
00:42:15,109 --> 00:42:14,240
yeah

1002
00:42:16,950 --> 00:42:15,119
wow

1003
00:42:18,950 --> 00:42:16,960
yeah how

1004
00:42:20,069 --> 00:42:18,960
how were you raised were you raised um

1005
00:42:22,950 --> 00:42:20,079
like in a

1006
00:42:25,589 --> 00:42:22,960
like catholic or anything like that or

1007
00:42:29,349 --> 00:42:25,599
not catholic i was raised

1008
00:42:31,190 --> 00:42:29,359
in a baptist church um but

1009
00:42:33,109 --> 00:42:31,200
you know

1010
00:42:36,390 --> 00:42:33,119
i wouldn't say it was hardcore or

1011
00:42:37,349 --> 00:42:36,400
anything like that um yeah

1012
00:42:42,710 --> 00:42:37,359
so

1013
00:42:44,309 --> 00:42:42,720

you know in fact the preacher

1014

00:42:47,109 --> 00:42:44,319

he was one of these that never talked

1015

00:42:49,349 --> 00:42:47,119

about the holy spirit of the holy ghost

1016

00:42:51,750 --> 00:42:49,359

and so like when i was married the first

1017

00:42:54,069 --> 00:42:51,760

time and that preacher was marrying from

1018

00:42:56,950 --> 00:42:54,079

another church was marrying us

1019

00:42:59,829 --> 00:42:56,960

and you know the ring ceremony he went

1020

00:43:01,030 --> 00:42:59,839

you know father son and the holy ghost

1021

00:43:02,790 --> 00:43:01,040

and i'm like

1022

00:43:04,950 --> 00:43:02,800

wait a minute

1023

00:43:07,910 --> 00:43:04,960

what do you mean holy ghost what is the

1024

00:43:08,710 --> 00:43:07,920

holy ghost yeah how's that possible

1025

00:43:10,710 --> 00:43:08,720

yeah

1026

00:43:13,030 --> 00:43:10,720

what is this i don't know what you're

1027

00:43:14,150 --> 00:43:13,040

doing with the holy ghost you know

1028

00:43:17,430 --> 00:43:14,160

as well

1029

00:43:20,230 --> 00:43:17,440

i mean it obviously it wasn't a very

1030

00:43:22,870 --> 00:43:20,240

bible or religious church that i grew up

1031

00:43:24,710 --> 00:43:22,880

in you know not to know that

1032

00:43:27,109 --> 00:43:24,720

right right right yeah

1033

00:43:29,750 --> 00:43:27,119

no i mean i grew up uh you know

1034

00:43:31,670 --> 00:43:29,760

non-denominational christian or whatever

1035

00:43:33,030 --> 00:43:31,680

i've noticed a lot of people who have

1036

00:43:35,430 --> 00:43:33,040

experiences

1037

00:43:37,990 --> 00:43:35,440

have some sort of you know religious or

1038

00:43:40,790 --> 00:43:38,000

spiritual upbringing

1039

00:43:43,990 --> 00:43:40,800

uh well i'll tell you that my

1040

00:43:47,270 --> 00:43:44,000

um this is called the camp i can never

1041

00:43:49,349 --> 00:43:47,280

get to work right santolini

1042

00:43:51,510 --> 00:43:49,359

you know there's a thing

1043

00:43:52,630 --> 00:43:51,520

when you're opened up and it's your back

1044

00:43:54,710 --> 00:43:52,640

being

1045

00:43:57,589 --> 00:43:54,720

uh know either

1046

00:44:00,230 --> 00:43:57,599

okay well that happened to me in a

1047

00:44:03,990 --> 00:44:00,240

non-denominator

1048

00:44:04,950 --> 00:44:04,000

and it was very noticeable when it

1049

00:44:06,230 --> 00:44:04,960

happened

1050

00:44:08,150 --> 00:44:06,240

and so

1051

00:44:09,190 --> 00:44:08,160

but yeah

1052

00:44:11,190 --> 00:44:09,200

so

1053

00:44:13,750 --> 00:44:11,200

interesting do you think it's the the

1054

00:44:15,990 --> 00:44:13,760

church or just like the practice of what

1055

00:44:19,109 --> 00:44:16,000

it is you're doing

1056

00:44:20,950 --> 00:44:19,119

i was in pondolini thank you julie

1057

00:44:24,550 --> 00:44:20,960

um

1058

00:44:27,030 --> 00:44:24,560

i would stick into prayer and meditation

1059

00:44:30,790 --> 00:44:28,069

oh yeah

1060

00:44:31,750 --> 00:44:30,800

yeah prayer meditation i've i've i feel

1061

00:44:34,230 --> 00:44:31,760

you there

1062

00:44:35,109 --> 00:44:34,240

i still practice both of those

1063

00:44:36,470 --> 00:44:35,119

right

1064

00:44:37,910 --> 00:44:36,480

yeah

1065

00:44:41,030 --> 00:44:37,920

sometimes i'm not sure who i'm talking

1066

00:44:44,550 --> 00:44:43,510

but i do it anyways yeah

1067

00:44:45,670 --> 00:44:44,560

um

1068

00:44:47,349 --> 00:44:45,680

now

1069

00:44:49,030 --> 00:44:47,359

we talked a lot about the research but

1070

00:44:50,950 --> 00:44:49,040

um

1071

00:44:53,349 --> 00:44:50,960

what do you think

1072

00:44:57,109 --> 00:44:53,359

you know your or mine or

1073

00:44:59,750 --> 00:44:57,119

the role of an experiencer is right now

1074

00:45:01,030 --> 00:44:59,760

in ufology you know it still seems for

1075

00:45:01,990 --> 00:45:01,040

the most part

1076

00:45:04,790 --> 00:45:02,000

um

1077

00:45:05,510 --> 00:45:04,800

you know that the disclosure push wants

1078

00:45:08,150 --> 00:45:05,520

to

1079

00:45:10,710 --> 00:45:08,160

you know put that in the corner because

1080

00:45:14,630 --> 00:45:10,720

they think it'll scare people away

1081

00:45:17,349 --> 00:45:14,640

um now for instance i think that um

1082

00:45:19,589 --> 00:45:17,359

you know that's kind of uh

1083

00:45:23,349 --> 00:45:19,599

deceptive

1084

00:45:25,670 --> 00:45:23,359

and i don't think that's the way to do

1085

00:45:28,230 --> 00:45:25,680

things um you can't hide something

1086

00:45:30,309 --> 00:45:28,240

that's that exists and is a part of it

1087

00:45:32,550 --> 00:45:30,319

um and to assume people are are too

1088

00:45:34,230 --> 00:45:32,560

stupid to know that that exists is kind

1089

00:45:35,430 --> 00:45:34,240

of naive as well

1090

00:45:39,190 --> 00:45:35,440

um

1091

00:45:43,510 --> 00:45:40,470

okay

1092

00:45:46,870 --> 00:45:43,520

there's two distinct

1093

00:45:50,950 --> 00:45:46,880

groups that we all know um there's a

1094

00:45:51,990 --> 00:45:50,960

group that is pushing for disclosure of

1095

00:45:53,510 --> 00:45:52,000

the

1096

00:45:55,829 --> 00:45:53,520

craft

1097

00:45:57,190 --> 00:45:55,839

um how is everything you know about the

1098

00:45:58,150 --> 00:45:57,200

craft

1099

00:46:01,030 --> 00:45:58,160

um

1100

00:46:03,270 --> 00:46:01,040

they don't really seem to

1101
00:46:05,990 --> 00:46:03,280
want to deal with whether there is

1102
00:46:08,870 --> 00:46:06,000
anything in the craft or not

1103
00:46:12,230 --> 00:46:08,880
they definitely do not want to deal with

1104
00:46:13,910 --> 00:46:12,240
the question of whether the crafts are

1105
00:46:17,030 --> 00:46:13,920
living

1106
00:46:20,870 --> 00:46:17,040
can transform

1107
00:46:23,829 --> 00:46:20,880
then you have the other side which is

1108
00:46:26,630 --> 00:46:23,839
you know the abductees experiencers

1109
00:46:28,550 --> 00:46:26,640
contact piece

1110
00:46:31,190 --> 00:46:28,560
and so

1111
00:46:32,710 --> 00:46:31,200
but never the twain shouldn't it says

1112
00:46:36,150 --> 00:46:32,720
cross you know

1113
00:46:38,470 --> 00:46:36,160

and it gets kind of hostile

1114

00:46:41,430 --> 00:46:38,480

okay i don't mind people

1115

00:46:43,349 --> 00:46:41,440

questioning asking questions

1116

00:46:46,870 --> 00:46:43,359

but i think that there should be an

1117

00:46:48,870 --> 00:46:46,880

atmosphere of respect

1118

00:46:51,030 --> 00:46:48,880

and you know

1119

00:46:52,630 --> 00:46:51,040

the whole we talk about this with the

1120

00:46:55,829 --> 00:46:52,640

news people

1121

00:46:58,309 --> 00:46:55,839

about when they bring up ufos or uat and

1122

00:47:01,670 --> 00:46:58,319

they start smirking and

1123

00:47:02,470 --> 00:47:01,680

laughing well the same thing happens

1124

00:47:05,750 --> 00:47:02,480

with

1125

00:47:06,550 --> 00:47:05,760

the disclosure schemes yeah it does you

1126
00:47:07,910 --> 00:47:06,560
know

1127
00:47:09,589 --> 00:47:07,920
and so

1128
00:47:14,069 --> 00:47:09,599
you know if you want to have a

1129
00:47:15,270 --> 00:47:14,079
conversation you have to be respectful

1130
00:47:18,470 --> 00:47:15,280
and

1131
00:47:21,589 --> 00:47:18,480
ask the questions in a proper way

1132
00:47:23,990 --> 00:47:21,599
you know don't expect and then give us

1133
00:47:25,430 --> 00:47:24,000
time to respond

1134
00:47:26,230 --> 00:47:25,440
you know

1135
00:47:31,910 --> 00:47:26,240
and

1136
00:47:33,510 --> 00:47:31,920
it can all

1137
00:47:36,630 --> 00:47:33,520
go ahead sorry

1138
00:47:39,270 --> 00:47:36,640

it can also exist

1139

00:47:43,670 --> 00:47:39,280

we can learn more from each other

1140

00:47:45,750 --> 00:47:43,680

if we would be open to communicating

1141

00:47:47,109 --> 00:47:45,760

respectfully

1142

00:47:48,710 --> 00:47:47,119

right

1143

00:47:51,670 --> 00:47:48,720

how do we make something like that

1144

00:47:54,230 --> 00:47:51,680

happen do you think

1145

00:47:58,230 --> 00:47:54,240

well there's some groups that are doing

1146

00:48:00,549 --> 00:47:58,240

it um obviously the experienter group is

1147

00:48:01,670 --> 00:48:00,559

involved with that

1148

00:48:04,309 --> 00:48:01,680

um

1149

00:48:06,710 --> 00:48:04,319

they were very good because they had

1150

00:48:08,309 --> 00:48:06,720

the representative from john mack

1151
00:48:09,190 --> 00:48:08,319
institute

1152
00:48:12,069 --> 00:48:09,200
um

1153
00:48:15,910 --> 00:48:12,079
who was talking about this

1154
00:48:20,309 --> 00:48:15,920
um so that was good talk

1155
00:48:21,270 --> 00:48:20,319
it's a question in answer by both sides

1156
00:48:22,710 --> 00:48:21,280
right

1157
00:48:24,630 --> 00:48:22,720
you can't be

1158
00:48:26,470 --> 00:48:24,640
having

1159
00:48:29,030 --> 00:48:26,480
somebody presenting

1160
00:48:31,270 --> 00:48:29,040
a presentation

1161
00:48:32,870 --> 00:48:31,280
or talking about something and

1162
00:48:36,309 --> 00:48:32,880
constantly

1163
00:48:37,230 --> 00:48:36,319

interrupt them with smirks and

1164

00:48:40,710 --> 00:48:37,240

you know

1165

00:48:43,270 --> 00:48:40,720

confrontations and stuff then expect to

1166

00:48:44,470 --> 00:48:43,280

have a conversation

1167

00:48:47,190 --> 00:48:44,480

yeah

1168

00:48:48,630 --> 00:48:47,200

well i mean like in my post yesterday

1169

00:48:49,910 --> 00:48:48,640

about you was

1170

00:48:51,589 --> 00:48:49,920

um

1171

00:48:52,549 --> 00:48:51,599

you know i was just looking in a chat

1172

00:48:54,549 --> 00:48:52,559

room

1173

00:48:55,349 --> 00:48:54,559

or watching a video looking in the chat

1174

00:48:57,109 --> 00:48:55,359

room

1175

00:48:59,030 --> 00:48:57,119

and

1176
00:49:01,430 --> 00:48:59,040
you know discussion of experiencers in

1177
00:49:02,790 --> 00:49:01,440
general is was happening in there

1178
00:49:05,670 --> 00:49:02,800
and

1179
00:49:07,510 --> 00:49:05,680
it's a normal ufo show or whatever

1180
00:49:09,109 --> 00:49:07,520
and it was

1181
00:49:10,790 --> 00:49:09,119
it was bad

1182
00:49:13,190 --> 00:49:10,800
it was like

1183
00:49:16,790 --> 00:49:13,200
oh my god

1184
00:49:18,470 --> 00:49:16,800
yeah i can't believe this is how people

1185
00:49:20,470 --> 00:49:18,480
talk about this

1186
00:49:22,549 --> 00:49:20,480
and meanwhile there has to be

1187
00:49:25,829 --> 00:49:22,559
experiencers in there

1188
00:49:29,190 --> 00:49:25,839

as well you know just like

1189

00:49:31,670 --> 00:49:29,200

watching a ufo show and simultaneously

1190

00:49:33,349 --> 00:49:31,680

being degraded while they do it

1191

00:49:35,109 --> 00:49:33,359

um

1192

00:49:37,750 --> 00:49:35,119

and i i just

1193

00:49:39,589 --> 00:49:37,760

i saw you there and i think maybe you

1194

00:49:40,630 --> 00:49:39,599

picked one out or something and we're

1195

00:49:41,910 --> 00:49:40,640

just

1196

00:49:45,510 --> 00:49:41,920

trying to be

1197

00:49:47,430 --> 00:49:45,520

the soft-spoken voice and um

1198

00:49:49,190 --> 00:49:47,440

you know not being mean or anything and

1199

00:49:51,270 --> 00:49:49,200

just answering

1200

00:49:53,430 --> 00:49:51,280

a question respectfully while other

1201

00:49:54,790 --> 00:49:53,440

people were doing it in a very

1202

00:49:56,710 --> 00:49:54,800

um

1203

00:49:58,870 --> 00:49:56,720

terrible way you know to make people

1204

00:50:03,030 --> 00:49:58,880

feel bad obviously

1205

00:50:06,309 --> 00:50:03,040

um that was very confusing to me because

1206

00:50:08,710 --> 00:50:06,319

yeah everybody was slamming experiencers

1207

00:50:10,150 --> 00:50:08,720

but then some of them i mean it was

1208

00:50:12,549 --> 00:50:10,160

quite a few

1209

00:50:16,470 --> 00:50:12,559

they were like well robert salas is to

1210

00:50:19,829 --> 00:50:16,480

blame for all of this and i'm like what

1211

00:50:22,309 --> 00:50:19,839

what this phone happened to do with

1212

00:50:26,510 --> 00:50:22,319

nuclear weapons

1213

00:50:28,630 --> 00:50:26,520

and that issue has to do with

1214

00:50:30,630 --> 00:50:28,640

experiencers and what y'all are talking

1215

00:50:32,309 --> 00:50:30,640

about now

1216

00:50:33,510 --> 00:50:32,319

yeah

1217

00:50:35,430 --> 00:50:33,520

it's like

1218

00:50:36,710 --> 00:50:35,440

irrational

1219

00:50:39,829 --> 00:50:36,720

thinking

1220

00:50:40,710 --> 00:50:39,839

yeah as far as i'm concerned

1221

00:50:47,910 --> 00:50:40,720

i

1222

00:50:50,390 --> 00:50:47,920

what that could even mean

1223

00:50:52,549 --> 00:50:50,400

or why who could put that together in

1224

00:50:55,829 --> 00:50:52,559

any sort of comprehensible way

1225

00:50:59,510 --> 00:50:55,839

um you know he was at a he was at a base

1226

00:51:01,109 --> 00:50:59,520

uh ufos came by and communications were

1227

00:51:04,230 --> 00:51:01,119

shut down they couldn't

1228

00:51:06,870 --> 00:51:04,240

do anything with the missiles

1229

00:51:08,870 --> 00:51:06,880

because of these things like and he's

1230

00:51:10,069 --> 00:51:08,880

not told what they are nobody knows what

1231

00:51:11,430 --> 00:51:10,079

they are like

1232

00:51:13,589 --> 00:51:11,440

uh

1233

00:51:15,430 --> 00:51:13,599

and he's damned upset that nobody takes

1234

00:51:17,030 --> 00:51:15,440

them seriously which he

1235

00:51:20,150 --> 00:51:17,040

very well should be

1236

00:51:22,230 --> 00:51:20,160

um it's it's pretty

1237

00:51:25,109 --> 00:51:22,240

you know to me it is borderline and

1238

00:51:27,349 --> 00:51:25,119

forgivable unforgivable you know

1239

00:51:29,430 --> 00:51:27,359

it gets to a point where um

1240

00:51:30,549 --> 00:51:29,440

you know how much can you put people

1241

00:51:31,670 --> 00:51:30,559

through

1242

00:51:35,910 --> 00:51:31,680

that

1243

00:51:38,390 --> 00:51:35,920

put their lives on the line for the

1244

00:51:39,430 --> 00:51:38,400

country and donate their life

1245

00:51:41,270 --> 00:51:39,440

you know

1246

00:51:44,230 --> 00:51:41,280

um because they trust in the government

1247

00:51:45,190 --> 00:51:44,240

and want to fight for it in our country

1248

00:51:53,990 --> 00:51:45,200

and

1249

00:51:56,710 --> 00:51:54,000

there's so many other kinds of instances

1250

00:51:57,829 --> 00:51:56,720

even non-ufo related where that happens

1251
00:51:59,589 --> 00:51:57,839
but

1252
00:52:01,430 --> 00:51:59,599
this as well

1253
00:52:02,390 --> 00:52:01,440
and it's like how many times can this

1254
00:52:03,750 --> 00:52:02,400
happen

1255
00:52:05,750 --> 00:52:03,760
to where

1256
00:52:07,510 --> 00:52:05,760
you know we

1257
00:52:08,790 --> 00:52:07,520
we don't do anything about it you know

1258
00:52:11,750 --> 00:52:08,800
we don't

1259
00:52:13,030 --> 00:52:11,760
ask for more respect here you know as as

1260
00:52:16,230 --> 00:52:13,040
we're paying

1261
00:52:17,270 --> 00:52:16,240
you know

1262
00:52:19,430 --> 00:52:17,280
like

1263
00:52:20,309 --> 00:52:19,440

a lot of us you know almost half our

1264

00:52:21,670 --> 00:52:20,319

checks

1265

00:52:23,270 --> 00:52:21,680

disappear

1266

00:52:25,510 --> 00:52:23,280

and go to the government

1267

00:52:27,589 --> 00:52:25,520

you know and meanwhile

1268

00:52:30,230 --> 00:52:27,599

you know and we're trying to pay rent or

1269

00:52:33,030 --> 00:52:30,240

buy food or take care of a bill or a or

1270

00:52:34,630 --> 00:52:33,040

a hospital bill or whatever or a

1271

00:52:36,309 --> 00:52:34,640

mortgage

1272

00:52:38,710 --> 00:52:36,319

and

1273

00:52:40,950 --> 00:52:38,720

you know they just

1274

00:52:43,750 --> 00:52:40,960

they they don't even try

1275

00:52:45,430 --> 00:52:43,760

sometimes seemingly to earn it

1276
00:52:46,549 --> 00:52:45,440
you know

1277
00:52:47,510 --> 00:52:46,559
and

1278
00:52:50,150 --> 00:52:47,520
i mean

1279
00:52:51,349 --> 00:52:50,160
and the ufo case is one of them like

1280
00:52:54,309 --> 00:52:51,359
let's say

1281
00:52:55,270 --> 00:52:54,319
now you know experiencers know better

1282
00:52:57,589 --> 00:52:55,280
because

1283
00:53:00,549 --> 00:52:57,599
you know for reasons that should be

1284
00:53:03,349 --> 00:53:00,559
obvious i guess but like that there's

1285
00:53:06,630 --> 00:53:03,359
something going on i mean

1286
00:53:09,030 --> 00:53:06,640
um but let's say it was all crap

1287
00:53:10,150 --> 00:53:09,040
right and none of it was real and they

1288
00:53:13,270 --> 00:53:10,160

knew that

1289

00:53:15,510 --> 00:53:13,280

and they let it go 80 years

1290

00:53:17,190 --> 00:53:15,520

without saying a goddamn thing about it

1291

00:53:19,829 --> 00:53:17,200

and just let people

1292

00:53:22,630 --> 00:53:19,839

believe this and fight about it and

1293

00:53:25,030 --> 00:53:22,640

all that kind of stuff you know and

1294

00:53:28,309 --> 00:53:25,040

vice versa

1295

00:53:29,670 --> 00:53:28,319

which is uh the truth here

1296

00:53:32,549 --> 00:53:29,680

you know

1297

00:53:34,390 --> 00:53:32,559

all these experiences that leave people

1298

00:53:36,790 --> 00:53:34,400

um

1299

00:53:39,589 --> 00:53:36,800

and sometimes dire straits of just pure

1300

00:53:41,510 --> 00:53:39,599

confusion and at a loss

1301
00:53:43,829 --> 00:53:41,520
with what's happened

1302
00:53:47,430 --> 00:53:43,839
battling between their mind of

1303
00:53:48,549 --> 00:53:47,440
if there's insane or sane

1304
00:53:50,309 --> 00:53:48,559
you know when

1305
00:53:54,230 --> 00:53:50,319
that is just

1306
00:53:58,309 --> 00:53:56,870
because um you know

1307
00:54:01,190 --> 00:53:58,319
you shouldn't have to have that inner

1308
00:54:03,190 --> 00:54:01,200
fight with yourself when something

1309
00:54:04,710 --> 00:54:03,200
just kind of obvious happens to you you

1310
00:54:07,190 --> 00:54:04,720
know

1311
00:54:09,510 --> 00:54:07,200
and meanwhile the government

1312
00:54:10,470 --> 00:54:09,520
doesn't do a damn thing to help you you

1313
00:54:12,470 --> 00:54:10,480

know

1314

00:54:14,790 --> 00:54:12,480

not a damn thing and we have people

1315

00:54:16,790 --> 00:54:14,800

making phone calls

1316

00:54:19,190 --> 00:54:16,800

i make phone calls we get 1500

1317

00:54:22,710 --> 00:54:19,200

signatures on something and i'm sorry

1318

00:54:24,150 --> 00:54:22,720

but it's just not going to do anything

1319

00:54:26,069 --> 00:54:24,160

you know we need something a little

1320

00:54:28,309 --> 00:54:26,079

stronger and a little faster and a

1321

00:54:29,990 --> 00:54:28,319

little more powerful you know and i

1322

00:54:32,230 --> 00:54:30,000

don't know what that is

1323

00:54:33,750 --> 00:54:32,240

um because we shouldn't need something

1324

00:54:34,710 --> 00:54:33,760

like that

1325

00:54:36,870 --> 00:54:34,720

but

1326

00:54:40,710 --> 00:54:36,880

yet we do um

1327

00:54:44,390 --> 00:54:40,720

so sorry that was a little rant but

1328

00:54:48,230 --> 00:54:44,400

no i mean i understand

1329

00:54:50,950 --> 00:54:48,240

i mean when highneck came out and

1330

00:54:54,630 --> 00:54:50,960

was coming more public with

1331

00:54:58,470 --> 00:54:54,640

towards the reality of all of this

1332

00:54:59,910 --> 00:54:58,480

my father he was doing some radio shows

1333

00:55:01,510 --> 00:54:59,920

and so

1334

00:55:03,030 --> 00:55:01,520

my father who

1335

00:55:05,670 --> 00:55:03,040

never came home

1336

00:55:07,430 --> 00:55:05,680

at lunch or anything else like that

1337

00:55:10,630 --> 00:55:07,440

he would come home

1338

00:55:13,109 --> 00:55:10,640

every day for once when hi nick was

1339

00:55:15,589 --> 00:55:13,119

going to be on the radio show

1340

00:55:17,190 --> 00:55:15,599

and he would say he's going to tell him

1341

00:55:21,190 --> 00:55:17,200

the truth he's going to tell him the

1342

00:55:23,750 --> 00:55:21,200

truth and of course he never was able to

1343

00:55:24,950 --> 00:55:23,760

come out and make a move

1344

00:55:27,750 --> 00:55:24,960

yeah

1345

00:55:30,470 --> 00:55:27,760

is that how you feel about um

1346

00:55:32,789 --> 00:55:30,480

the people that are kind of

1347

00:55:34,069 --> 00:55:32,799

in that role more or less

1348

00:55:35,829 --> 00:55:34,079

you know obviously they're different

1349

00:55:36,870 --> 00:55:35,839

people different times different stuff

1350

00:55:39,190 --> 00:55:36,880

different

1351

00:55:41,430 --> 00:55:39,200

prerogatives but you know

1352

00:55:43,109 --> 00:55:41,440

it seems like um

1353

00:55:46,390 --> 00:55:43,119

there's always been someone in the

1354

00:55:49,190 --> 00:55:46,400

spotlight as far as ufos go and

1355

00:55:51,349 --> 00:55:49,200

you know talking to the public

1356

00:55:53,670 --> 00:55:51,359

and after a person like hindick you may

1357

00:55:54,870 --> 00:55:53,680

think that it's on purpose to placate

1358

00:55:56,710 --> 00:55:54,880

everybody

1359

00:55:57,990 --> 00:55:56,720

um

1360

00:55:59,589 --> 00:55:58,000

do you think that's what's happening

1361

00:56:03,750 --> 00:55:59,599

here do you think there's some honesty

1362

00:56:06,069 --> 00:56:03,760

or some difference than times past

1363

00:56:07,510 --> 00:56:06,079

this is very complicated situation and

1364

00:56:09,510 --> 00:56:07,520

you don't have to answer either if you

1365

00:56:12,470 --> 00:56:09,520

don't want to

1366

00:56:14,870 --> 00:56:12,480

so i will just say

1367

00:56:17,190 --> 00:56:14,880

i'll just say there's at least three

1368

00:56:18,630 --> 00:56:17,200

ring circus going on

1369

00:56:21,750 --> 00:56:18,640

um

1370

00:56:25,910 --> 00:56:21,760

lou and chris i believe that they're

1371

00:56:32,069 --> 00:56:26,950

as

1372

00:56:33,190 --> 00:56:32,079

but there's other people involved in

1373

00:56:35,270 --> 00:56:33,200

this

1374

00:56:37,589 --> 00:56:35,280

and so

1375

00:56:40,950 --> 00:56:37,599

for instance with the

1376

00:56:44,870 --> 00:56:40,960

skin walker in the pentagon

1377

00:56:46,230 --> 00:56:44,880

okay that really upset a lot of people

1378

00:56:47,510 --> 00:56:46,240

that were

1379

00:56:49,990 --> 00:56:47,520

physical

1380

00:56:52,150 --> 00:56:50,000

ufo people

1381

00:56:53,829 --> 00:56:52,160

because it talked about all the

1382

00:56:57,109 --> 00:56:53,839

paranormal

1383

00:56:59,030 --> 00:56:57,119

things and all of that and

1384

00:57:00,870 --> 00:56:59,040

i mean there were some that just like

1385

00:57:03,349 --> 00:57:00,880

okay well this is

1386

00:57:05,190 --> 00:57:03,359

it then i'm just not gonna even go any

1387

00:57:06,950 --> 00:57:05,200

further kind of thing

1388

00:57:08,150 --> 00:57:06,960

um

1389

00:57:11,030 --> 00:57:08,160

and of course

1390

00:57:12,549 --> 00:57:11,040

they look at things more black and white

1391

00:57:14,470 --> 00:57:12,559

so

1392

00:57:16,150 --> 00:57:14,480

you know it's like the hitchhiker well

1393

00:57:20,870 --> 00:57:16,160

it's a virus

1394

00:57:23,829 --> 00:57:20,880

need to figure out how to treat this

1395

00:57:24,789 --> 00:57:23,839

virus and it's like oh my god

1396

00:57:26,390 --> 00:57:24,799

you know

1397

00:57:28,069 --> 00:57:26,400

they they just

1398

00:57:31,829 --> 00:57:28,079

take things

1399

00:57:33,670 --> 00:57:31,839

and run with them in these weird ways

1400

00:57:35,430 --> 00:57:33,680

yeah

1401

00:57:37,349 --> 00:57:35,440

how can we profit off of it is what i

1402

00:57:39,510 --> 00:57:37,359

heard when it when they turn it into a

1403

00:57:40,610 --> 00:57:39,520

virus what kind of medicine can we

1404

00:57:41,829 --> 00:57:40,620

charge people for

1405

00:57:44,630 --> 00:57:41,839

[Laughter]

1406

00:57:47,589 --> 00:57:46,470

i just

1407

00:57:52,789 --> 00:57:47,599

yeah

1408

00:57:55,190 --> 00:57:52,799

it it acts like a virus right it goes

1409

00:57:57,270 --> 00:57:55,200

with you it goes to your home

1410

00:57:59,030 --> 00:57:57,280

it affects other people clings onto them

1411

00:58:01,430 --> 00:57:59,040

in your household

1412

00:58:04,390 --> 00:58:01,440

yeah it also goes to people that don't

1413

00:58:06,870 --> 00:58:04,400

know anything about it

1414

00:58:11,030 --> 00:58:06,880

yeah that's interesting

1415

00:58:11,750 --> 00:58:11,040

that is interesting to me and how yeah

1416

00:58:14,470 --> 00:58:11,760

and

1417

00:58:16,549 --> 00:58:14,480

it's interesting because i go to like

1418

00:58:18,710 --> 00:58:16,559

doctor's offices and things like that

1419

00:58:21,190 --> 00:58:18,720

and weird stuff will happen

1420

00:58:24,789 --> 00:58:21,200

and the doctors will go

1421

00:58:26,950 --> 00:58:24,799

you know they're like that is so weird

1422

00:58:28,950 --> 00:58:26,960

my office must be

1423

00:58:33,750 --> 00:58:28,960

you know haunted or whatever and i'm

1424

00:58:37,829 --> 00:58:35,349

yeah must be

1425

00:58:39,910 --> 00:58:37,839

yeah your office is haunted

1426

00:58:40,950 --> 00:58:39,920

nothing can do this nothing to do with

1427

00:58:45,750 --> 00:58:40,960

me

1428

00:58:50,789 --> 00:58:49,670

i should probably go for your benefit

1429

00:58:53,030 --> 00:58:50,799

yeah

1430

00:58:54,710 --> 00:58:53,040

um well i had a great we're hitting the

1431

00:58:56,789 --> 00:58:54,720

hour mark here i had a wonderful time

1432

00:58:59,349 --> 00:58:56,799

with you linda and finally meeting with

1433

00:59:00,390 --> 00:58:59,359

you and getting to talk uh with you

1434

00:59:02,630 --> 00:59:00,400

um

1435

00:59:04,309 --> 00:59:02,640

before we go is there

1436

00:59:05,670 --> 00:59:04,319

uh and i'm sure we'll do it again

1437

00:59:08,549 --> 00:59:05,680

hopefully

1438

00:59:10,150 --> 00:59:08,559

um if it's up to me yes

1439

00:59:12,230 --> 00:59:10,160

um

1440

00:59:14,870 --> 00:59:12,240

is there anything you would like to say

1441

00:59:17,030 --> 00:59:14,880

before you go anything at all you know

1442

00:59:19,510 --> 00:59:17,040

um get out there anything we missed or

1443

00:59:22,069 --> 00:59:19,520

anything on your mind or hard

1444

00:59:23,750 --> 00:59:22,079

i just think you know there needs to be

1445

00:59:25,750 --> 00:59:23,760

better dialogue

1446

00:59:27,910 --> 00:59:25,760

um

1447

00:59:29,030 --> 00:59:27,920

that's the only way we can

1448

00:59:30,950 --> 00:59:29,040

[Music]

1449

00:59:33,750 --> 00:59:30,960

help with this issue

1450

00:59:36,870 --> 00:59:33,760

open it up help people to understand but

1451
00:59:38,789 --> 00:59:36,880
it has to be respectful dialogue

1452
00:59:41,829 --> 00:59:38,799
yeah

1453
00:59:43,109 --> 00:59:41,839
um

1454
00:59:44,789 --> 00:59:43,119
i know

1455
00:59:48,150 --> 00:59:44,799
that i could

1456
00:59:49,990 --> 00:59:48,160
do better with that sometimes as well so

1457
00:59:50,950 --> 00:59:50,000
maybe we all could in different ways i

1458
00:59:52,870 --> 00:59:50,960
guess

1459
00:59:55,589 --> 00:59:52,880
um but we're only responsible for

1460
00:59:56,549 --> 00:59:55,599
ourselves so i know i will do uh the

1461
00:59:58,789 --> 00:59:56,559
best

1462
01:00:02,549 --> 00:59:58,799
on my behalf so for those of you

1463
01:00:03,750 --> 01:00:02,559

watching i hope you do that too

1464

01:00:05,510 --> 01:00:03,760

um

1465

01:00:07,190 --> 01:00:05,520

and yeah take it a step at a time you

1466

01:00:08,950 --> 01:00:07,200

know we're not the masters of anything

1467

01:00:10,950 --> 01:00:08,960

or have the answers of everything but i

1468

01:00:13,829 --> 01:00:10,960

think what you said is is brilliant just

1469

01:00:14,789 --> 01:00:13,839

let's start with respectful dialogue

1470

01:00:15,670 --> 01:00:14,799

wow

1471

01:00:18,069 --> 01:00:15,680

yeah

1472

01:00:19,750 --> 01:00:18,079

all right linda i had a great time with

1473

01:00:27,349 --> 01:00:19,760

you

1474

01:00:29,030 --> 01:00:27,359

and we will do it again

1475

01:00:30,870 --> 01:00:29,040

okay thank you

1476

01:00:32,789 --> 01:00:30,880

all right bye linda hi

1477

01:00:35,990 --> 01:00:32,799

hi

1478

01:00:37,910 --> 01:00:36,000

all right that was a great chat with

1479

01:00:39,109 --> 01:00:37,920

linda uh you can go follow her on

1480

01:00:40,950 --> 01:00:39,119

twitter

1481

01:00:42,390 --> 01:00:40,960

obviously you've just listened to her

1482

01:00:45,349 --> 01:00:42,400

great person

1483

01:00:46,630 --> 01:00:45,359

um and i'm happy i got to talk to her

1484

01:00:50,150 --> 01:00:46,640

and

1485

01:00:51,670 --> 01:00:50,160

wait to do it more so

1486

01:00:53,190 --> 01:00:51,680

with that being said

1487

01:00:54,069 --> 01:00:53,200

i

1488

01:00:55,510 --> 01:00:54,079

have

1489

01:00:58,710 --> 01:00:55,520

a brand new

1490

01:01:01,430 --> 01:00:58,720

very cool song that i made this morning

1491

01:01:03,030 --> 01:01:01,440

yes i keep making songs but this one

1492

01:01:04,549 --> 01:01:03,040

is like this should be on the pop charts

1493

01:01:07,910 --> 01:01:04,559

for sure

1494

01:01:11,349 --> 01:01:07,920

like it's indie skinny jean rock

1495

01:01:12,789 --> 01:01:11,359

you know synthesizers 80 80s stuff and

1496

01:01:13,120 --> 01:01:12,799

all that so

1497

01:01:15,190 --> 01:01:13,130

um

1498

01:01:16,069 --> 01:01:15,200

[Music]

1499

01:01:17,589 --> 01:01:16,079

you know

1500

01:01:20,630 --> 01:01:17,599

hopefully you like it all right have a

1501
01:01:22,829 --> 01:01:20,640
good day i'll check you tomorrow

1502
01:01:26,549 --> 01:01:22,839
and we'll have a good time

1503
01:01:27,589 --> 01:01:26,559
bye ten nine eight

1504
01:01:28,549 --> 01:01:27,599
seven

1505
01:01:30,630 --> 01:01:28,559
six

1506
01:01:31,750 --> 01:01:30,640
five

1507
01:01:32,870 --> 01:01:31,760
three

1508
01:01:33,910 --> 01:01:32,880
two

1509
01:01:38,110 --> 01:01:33,920
one

1510
01:01:44,150 --> 01:01:38,120
zero and liftoff

1511
01:01:47,910 --> 01:01:44,160
[Music]

1512
01:01:47,920 --> 01:01:52,069
it's really up from here

1513
01:01:52,079 --> 01:01:56,069

no place to run from

1514

01:01:56,079 --> 01:02:00,150

your secret fear

1515

01:02:00,160 --> 01:02:04,309

you brought a knife out

1516

01:02:04,319 --> 01:02:08,230

to a gunfight

1517

01:02:08,240 --> 01:02:12,470

we thought you held it

1518

01:02:12,480 --> 01:02:18,820

too late at night

1519

01:02:18,830 --> 01:02:22,470

[Music]

1520

01:02:22,480 --> 01:02:26,850

[Applause]

1521

01:02:26,860 --> 01:02:32,309

[Music]

1522

01:02:32,319 --> 01:02:35,510

madness

1523

01:02:39,990 --> 01:02:37,610

you just gotta let it go

1524

01:02:43,589 --> 01:02:40,000

[Music]

1525

01:02:48,069 --> 01:02:46,580

you just gotta let it

1526
01:02:51,670 --> 01:02:48,079
[Music]

1527
01:02:51,680 --> 01:02:55,589
just gotta let it

1528
01:02:55,599 --> 01:02:59,670
get deep sadness

1529
01:02:59,680 --> 01:03:05,010
just gotta let it flow

1530
01:03:12,230 --> 01:03:07,990
[Music]

1531
01:03:15,990 --> 01:03:13,840
all your baggage

1532
01:03:19,990 --> 01:03:16,000
[Music]

1533
01:03:20,000 --> 01:03:27,240
how we got here

1534
01:03:27,250 --> 01:03:36,950
[Music]

1535
01:03:40,950 --> 01:03:39,420
spend your money

1536
01:03:44,710 --> 01:03:40,960
[Music]

1537
01:03:47,470 --> 01:03:44,720
or leave it here

1538
01:03:48,950 --> 01:03:47,480

my grandpa told me

1539

01:04:01,510 --> 01:03:48,960

[Music]

1540

01:04:01,520 --> 01:04:07,040

just stop don't drop

1541

01:04:07,050 --> 01:04:28,309

[Music]

1542

01:04:28,319 --> 01:04:35,790

before you live in fear

1543

01:05:07,109 --> 01:04:43,860

[Music]
