00:00:48,869 --> 00:00:41,390

[Music]

2  
00:00:53,630 --> 00:00:51,350

this cathedral is a house of prayer for

3  
00:01:00,150 --> 00:00:57,110

people here at any time

4  
00:01:03,189 --> 00:01:00,160

convening conversations bringing people

5  
00:01:10,430 --> 00:01:03,199

together to discuss and examine

6  
00:03:04,710 --> 00:01:22,110

[Music]

7  
00:03:04,720 --> 00:03:10,070

what's up everybody

8  
00:03:45,350 --> 00:03:11,110

i

9  
00:03:46,949 --> 00:03:45,360

um

10  
00:03:48,630 --> 00:03:46,959

it's just like some people talking about

11  
00:03:50,309 --> 00:03:48,640

i feel like almost have no business

12  
00:03:51,589 --> 00:03:50,319

talking about it

13  
00:03:54,309 --> 00:03:51,599

you know because they're not really

14

00:03:57,589 --> 00:03:54,319

giving you the the

15

00:03:58,470 --> 00:03:57,599

straight up like what any of this means

16

00:04:00,550 --> 00:03:58,480

um

17

00:04:01,990 --> 00:04:00,560

you know we have the who what where

18

00:04:03,670 --> 00:04:02,000

but the why is the important part

19

00:04:06,470 --> 00:04:03,680

anybody can say these people talked

20

00:04:08,229 --> 00:04:06,480

anybody can say how special it is but

21

00:04:11,509 --> 00:04:08,239

like why

22

00:04:13,270 --> 00:04:11,519

why why and what does this all mean

23

00:04:15,670 --> 00:04:13,280

you know there's there's a huge emphasis

24

00:04:19,030 --> 00:04:15,680

on space

25

00:04:24,070 --> 00:04:19,040

obviously right um and case in point the

26

00:04:28,550 --> 00:04:26,070

and so

27

00:04:31,830 --> 00:04:28,560

you know a lot of people ask why now

28

00:04:33,830 --> 00:04:31,840

for the uap stuff and you know all of

29

00:04:35,430 --> 00:04:33,840

that and you just got to think about it

30

00:04:38,790 --> 00:04:35,440

for a second like

31

00:04:38,800 --> 00:04:42,790

because we're

32

00:04:47,830 --> 00:04:44,870

we have more activities in space than

33

00:04:50,469 --> 00:04:47,840

we've ever had before

34

00:04:52,070 --> 00:04:50,479

including warfare

35

00:04:56,550 --> 00:04:52,080

you know everything tends to be for

36

00:04:58,710 --> 00:04:56,560

military sometimes right well yeah

37

00:05:00,870 --> 00:04:58,720

and china's in space as we heard bill

38

00:05:03,189 --> 00:05:00,880

nelson say yesterday and they are not

39

00:05:06,790 --> 00:05:03,199

being cooperative and he blatantly

40

00:05:10,790 --> 00:05:08,310

blatantly called them out on that

41

00:05:12,469 --> 00:05:10,800

program and said they're being secretive

42

00:05:14,629 --> 00:05:12,479

and

43

00:05:16,790 --> 00:05:14,639

you know we're

44

00:05:19,029 --> 00:05:16,800

we might have our issues with russia he

45

00:05:20,230 --> 00:05:19,039

said allah putin

46

00:05:22,390 --> 00:05:20,240

um

47

00:05:25,189 --> 00:05:22,400

but we don't have issues up there in

48

00:05:28,790 --> 00:05:25,199

space

49

00:05:34,950 --> 00:05:30,469

but he said that is not the case with

50

00:05:39,189 --> 00:05:36,150

you know

51

00:05:42,390 --> 00:05:40,870

our infrastructure our entire

52

00:05:44,150 --> 00:05:42,400

infrastructure

53

00:05:46,950 --> 00:05:44,160

is based

54

00:05:49,590 --> 00:05:46,960

off of satellites and electronic

55

00:05:55,510 --> 00:05:51,749

marketplace basically that's why bezos

56

00:05:55,520 --> 00:05:58,309

you know

57

00:06:07,270 --> 00:06:00,469

and

58

00:06:15,110 --> 00:06:10,390

intelligent life elsewhere was mentioned

59

00:06:19,270 --> 00:06:17,749

hitting asteroids

60

00:06:22,790 --> 00:06:19,280

to knock them out of the way was

61

00:06:29,510 --> 00:06:24,790

and avi was there talking about the

62

00:06:36,309 --> 00:06:31,830

and this is all for a reason it's all

63

00:06:42,150 --> 00:06:39,909

um i don't know about you but if

64

00:06:43,350 --> 00:06:42,160

you've listened to enough lou elizondo

65

00:06:46,309 --> 00:06:43,360

interviews

66

00:06:53,430 --> 00:06:48,790

about

67

00:06:59,990 --> 00:06:54,870

which

68

00:07:02,230 --> 00:07:00,000

is done in space with our satellites

69

00:07:03,110 --> 00:07:02,240

that means you know i heard one person

70

00:07:04,629 --> 00:07:03,120

say

71

00:07:07,350 --> 00:07:04,639

recently like

72

00:07:10,070 --> 00:07:07,360

what is the dni

73

00:07:11,589 --> 00:07:10,080

what is avril the dni lead director of

74

00:07:14,390 --> 00:07:11,599

national intelligence

75

00:07:16,390 --> 00:07:14,400

um doing talking about

76  
00:07:17,670 --> 00:07:16,400  
our future in space that's kind of weird

77  
00:07:19,749 --> 00:07:17,680  
isn't it

78  
00:07:23,589 --> 00:07:19,759  
i was like what

79  
00:07:27,909 --> 00:07:25,589  
if you saw the picture

80  
00:07:29,029 --> 00:07:27,919  
like on

81  
00:07:35,029 --> 00:07:29,039  
the

82  
00:07:37,029 --> 00:07:35,039  
that is

83  
00:07:38,790 --> 00:07:37,039  
like she controls the ic the

84  
00:07:39,670 --> 00:07:38,800  
intelligence community

85  
00:07:42,790 --> 00:07:39,680  
um

86  
00:07:44,550 --> 00:07:42,800  
yes so the nro satellites

87  
00:07:45,749 --> 00:07:44,560  
in our electromagnetic

88  
00:07:48,950 --> 00:07:45,759

attacks

89

00:07:51,110 --> 00:07:48,960

and her cyberspace

90

00:07:53,510 --> 00:07:51,120

like she's in charge of all that so our

91

00:07:57,510 --> 00:07:53,520

future in space

92

00:07:57,520 --> 00:08:02,230

right

93

00:08:02,240 --> 00:08:08,230

so i think the

94

00:08:13,909 --> 00:08:12,070

the seriousness although

95

00:08:16,230 --> 00:08:13,919

you know we're here

96

00:08:18,790 --> 00:08:16,240

and we we think about the uaps and the

97

00:08:25,350 --> 00:08:18,800

ufos but the seriousness of it all

98

00:08:25,360 --> 00:08:33,269

you know that's i believe that's

99

00:08:39,589 --> 00:08:35,350

i believe that's um

100

00:08:39,599 --> 00:08:42,389

it's done

101  
00:08:48,470 --> 00:08:44,949  
it sure it is

102  
00:08:52,790 --> 00:08:48,480  
but what i'm saying is it's space based

103  
00:08:59,910 --> 00:08:55,509  
you know

104  
00:08:59,920 --> 00:09:06,790  
because i don't just make stuff up

105  
00:09:06,800 --> 00:09:11,030  
but um yeah

106  
00:09:11,040 --> 00:09:15,590  
we need more critical think yeah

107  
00:09:24,790 --> 00:09:19,350  
um so

108  
00:09:26,550 --> 00:09:24,800  
interesting

109  
00:09:28,630 --> 00:09:26,560  
things to show you what i'm talking

110  
00:09:29,670 --> 00:09:28,640  
about exactly because i can say what i

111  
00:09:31,590 --> 00:09:29,680  
want but

112  
00:09:32,790 --> 00:09:31,600  
you know we should probably learn just

113  
00:09:34,070 --> 00:09:32,800

by the

114

00:09:39,269 --> 00:09:34,080

official

115

00:09:42,310 --> 00:09:41,110

versus

116

00:09:46,790 --> 00:09:42,320

um

117

00:09:46,800 --> 00:09:57,190

so that's what we'll do

118

00:10:05,750 --> 00:09:59,350

so here we go

119

00:10:09,990 --> 00:10:06,630

you can read it right there

120

00:10:10,000 --> 00:10:14,230

spectrum jamming

121

00:10:17,190 --> 00:10:15,590

and you can go down there and look at

122

00:10:19,430 --> 00:10:17,200

everything

123

00:10:22,870 --> 00:10:19,440

but i'm actually going to do

124

00:10:24,310 --> 00:10:22,880

one better here and bring up

125

00:10:25,350 --> 00:10:24,320

all

126  
00:10:29,670 --> 00:10:25,360  
of

127  
00:10:33,350 --> 00:10:31,430  
because they're all important and i'll

128  
00:10:37,190 --> 00:10:33,360  
go through real briefly i'll just slide

129  
00:10:40,710 --> 00:10:39,030  
it's important to know

130  
00:10:42,230 --> 00:10:40,720  
that all this

131  
00:10:44,470 --> 00:10:42,240  
is is very

132  
00:10:45,750 --> 00:10:44,480  
you know important

133  
00:10:50,389 --> 00:10:45,760  
if we just

134  
00:10:59,030 --> 00:10:53,829  
for intelligence purposes

135  
00:11:03,430 --> 00:11:01,269  
so here here's this one

136  
00:11:05,030 --> 00:11:03,440  
here's the army cyber electromagnetic

137  
00:11:06,790 --> 00:11:05,040  
activities

138  
00:11:10,069 --> 00:11:06,800

here's just some of the stuff that they

139

00:11:10,079 --> 00:11:16,550

electronic warfare

140

00:11:16,560 --> 00:11:20,949

to bring it around to bio effects

141

00:11:25,750 --> 00:11:24,470

you know avril mentioned um china as far

142

00:11:30,710 --> 00:11:25,760

as

143

00:11:33,190 --> 00:11:30,720

we don't have those

144

00:11:37,430 --> 00:11:33,200

uh but we do

145

00:11:42,710 --> 00:11:39,269

uh that's what hal put off was working

146

00:11:44,310 --> 00:11:42,720

on that's what asap was working on

147

00:11:46,310 --> 00:11:44,320

partially

148

00:11:48,949 --> 00:11:46,320

uh national reconnaissance office this

149

00:11:52,470 --> 00:11:48,959

is just a couple documents

150

00:12:04,870 --> 00:11:52,480

um here's space segment

151  
00:12:07,350 --> 00:12:05,750

yeah

152  
00:12:09,030 --> 00:12:07,360

you know we're not that far off that's

153  
00:12:13,110 --> 00:12:09,040

for sure

154  
00:12:13,990 --> 00:12:13,120

all

155  
00:12:15,430 --> 00:12:14,000

so

156  
00:12:17,509 --> 00:12:15,440

that's basically what i'm telling that

157  
00:12:19,150 --> 00:12:17,519

that's why she's there but she's also

158  
00:12:22,470 --> 00:12:19,160

there because this

159  
00:12:27,350 --> 00:12:22,480

electromagnetic spectrum and the the uap

160  
00:12:31,269 --> 00:12:29,350

you know is it not

161  
00:12:32,550 --> 00:12:31,279

is it just a coincidence

162  
00:12:34,389 --> 00:12:32,560

that it's

163  
00:12:36,790 --> 00:12:34,399

at a cathedral

164

00:12:39,110 --> 00:12:36,800

of a church that allows any type of

165

00:12:40,790 --> 00:12:39,120

religion to be there pretty much

166

00:12:42,310 --> 00:12:40,800

in worship

167

00:12:45,990 --> 00:12:42,320

um

168

00:12:46,000 --> 00:12:50,629

i don't think so at all

169

00:12:56,230 --> 00:12:53,110

but

170

00:12:59,190 --> 00:12:56,240

you know let's actually

171

00:13:14,310 --> 00:13:03,190

is actually go deep into

172

00:13:20,389 --> 00:13:15,430

and

173

00:13:20,399 --> 00:13:25,990

um bill nelson was great as always

174

00:13:32,230 --> 00:13:28,389

you know he's kind of a cowboy to be

175

00:13:37,590 --> 00:13:35,030

i like the guy um but you know it's no

176  
00:13:40,629 --> 00:13:37,600  
coincidence that you know avi even talks

177  
00:13:45,030 --> 00:13:43,269  
who are you jr yeah

178  
00:13:52,790 --> 00:13:45,040  
our conspiracy theorist i just showed

179  
00:13:56,069 --> 00:13:54,389  
all right

180  
00:13:58,389 --> 00:13:56,079  
so i took that

181  
00:14:00,230 --> 00:13:58,399  
took that guy out

182  
00:14:03,829 --> 00:14:00,240  
a conspiracy theory is showing me

183  
00:14:03,839 --> 00:14:10,629  
what the heck

184  
00:14:10,639 --> 00:14:14,629  
what a loser

185  
00:14:14,639 --> 00:14:21,110  
yep okay so yeah

186  
00:14:24,389 --> 00:14:22,949  
you know just come on my page do that

187  
00:14:26,069 --> 00:14:24,399  
kind of stuff you know

188  
00:14:32,470 --> 00:14:26,079

forget that guy

189

00:14:38,389 --> 00:14:34,790

some of my you know when uh avril was

190

00:14:38,399 --> 00:14:43,189

and they talked about

191

00:14:45,990 --> 00:14:44,550

and they were talking about the uap

192

00:14:49,829 --> 00:14:46,000

report

193

00:14:49,839 --> 00:14:54,629

you know when she made the comment

194

00:14:54,639 --> 00:14:57,990

of course

195

00:15:03,269 --> 00:15:00,470

there's questions

196

00:15:03,279 --> 00:15:08,150

there's always questions about

197

00:15:08,160 --> 00:15:12,470

um extraterrestrial

198

00:15:12,480 --> 00:15:15,829

right

199

00:15:20,550 --> 00:15:17,910

and that's

200

00:15:22,710 --> 00:15:20,560

you know already um

201

00:15:24,470 --> 00:15:22,720

uh mick west and others are

202

00:15:26,389 --> 00:15:24,480

trying to throw that to the side well

203

00:15:28,150 --> 00:15:26,399

you can't throw it to the side she said

204

00:15:29,189 --> 00:15:28,160

extraterrestrial i don't think people

205

00:15:31,829 --> 00:15:29,199

realize

206

00:15:34,710 --> 00:15:31,839

that the director of national

207

00:15:40,389 --> 00:15:39,030

is in this cathedral talking about uaps

208

00:15:42,310 --> 00:15:40,399

whether she's saying what you want or

209

00:15:43,430 --> 00:15:42,320

not she's talking about it

210

00:15:46,949 --> 00:15:43,440

and

211

00:15:48,310 --> 00:15:46,959

it's on youtube available to go out

212

00:15:54,790 --> 00:15:48,320

to

213

00:15:54,800 --> 00:16:01,110

it's that in itself is unprecedented

214

00:16:06,829 --> 00:16:03,030

and

215

00:16:08,629 --> 00:16:06,839

you know she said on multiple times

216

00:16:11,030 --> 00:16:08,639

um

217

00:16:14,310 --> 00:16:11,040

they don't know what they're seeing

218

00:16:18,790 --> 00:16:14,320

they don't know what they're looking at

219

00:16:23,430 --> 00:16:21,990

that's that's a pretty big deal

220

00:16:27,350 --> 00:16:23,440

now is that true

221

00:16:28,629 --> 00:16:27,360

i don't know but she's talking about it

222

00:16:34,069 --> 00:16:28,639

and she's not

223

00:16:39,430 --> 00:16:35,670

and it was pretty awkward for her to

224

00:16:39,440 --> 00:16:46,150

you know that being said

225

00:16:53,110 --> 00:16:50,389

and she said other things like um

226

00:16:55,030 --> 00:16:53,120

you know a space or

227

00:16:57,350 --> 00:16:55,040

you know this is literally her words if

228

00:17:00,389 --> 00:16:57,360

that our goofball is still watching she

229

00:17:03,110 --> 00:17:00,399

said um space is rapidly growing

230

00:17:05,029 --> 00:17:03,120

especially within this decade so things

231

00:17:08,390 --> 00:17:05,039

will be um

232

00:17:12,630 --> 00:17:10,710

there'll be a lot of change

233

00:17:14,150 --> 00:17:12,640

and then you have bezos up there talking

234

00:17:16,949 --> 00:17:14,160

about

235

00:17:19,669 --> 00:17:16,959

basically shows on his amazon prime

236

00:17:24,309 --> 00:17:19,679

channel with humans living and operating

237

00:17:24,319 --> 00:17:29,110

you know

238

00:17:34,310 --> 00:17:32,230

yeah christina is on point she is really

239

00:17:36,549 --> 00:17:34,320

smart but you know she does her research

240

00:17:38,710 --> 00:17:36,559

and everything

241

00:17:40,789 --> 00:17:38,720

and so that's like when she when she

242

00:17:42,950 --> 00:17:40,799

talks i really listen to her because she

243

00:17:45,270 --> 00:17:42,960

knows so much about this stuff

244

00:17:47,590 --> 00:17:45,280

because she's researched so much of it

245

00:17:50,310 --> 00:17:47,600

and that's you know

246

00:17:54,150 --> 00:17:50,320

he was not a third wing see he's like

247

00:17:56,150 --> 00:17:54,160

one of the richest guys in the world

248

00:17:58,950 --> 00:17:56,160

and he was there to

249

00:18:00,789 --> 00:17:58,960

tell you his opinion of

250

00:18:02,230 --> 00:18:00,799

space and what he sees happening in

251  
00:18:05,029 --> 00:18:02,240  
space

252  
00:18:08,150 --> 00:18:05,039  
and they put him up there along with the

253  
00:18:17,029 --> 00:18:08,160  
pastor and avi

254  
00:18:21,990 --> 00:18:20,470  
you know that's a great comment jay

255  
00:18:26,470 --> 00:18:22,000  
if the projects do what they say they're

256  
00:18:29,590 --> 00:18:28,070  
this event will seem quite because the

257  
00:18:34,470 --> 00:18:29,600  
revelations will be so wild in

258  
00:18:39,990 --> 00:18:36,549  
you know and

259  
00:18:42,470 --> 00:18:40,000  
avi even made a pretty snarky comment

260  
00:18:44,070 --> 00:18:42,480  
about

261  
00:18:46,150 --> 00:18:44,080  
you know he just had a lot of a little

262  
00:18:48,549 --> 00:18:46,160  
attitude about um

263  
00:18:50,230 --> 00:18:48,559

how by the way i booked avi to be on the

264

00:18:52,470 --> 00:18:50,240

show and we're gonna talk a little

265

00:18:54,070 --> 00:18:52,480

deeper about his segment

266

00:18:57,029 --> 00:18:54,080

um

267

00:18:58,950 --> 00:18:57,039

on the 17th of november

268

00:19:04,070 --> 00:18:58,960

so that's cool

269

00:19:04,080 --> 00:19:09,270

and i look forward to that

270

00:19:15,510 --> 00:19:12,070

but he said something about um

271

00:19:20,150 --> 00:19:17,750

he's gonna find something but i i like

272

00:19:23,669 --> 00:19:20,160

the way he thinks about it like um

273

00:19:26,950 --> 00:19:23,679

you know ai at drones perhaps or

274

00:19:28,070 --> 00:19:26,960

leftover hardware you know

275

00:19:30,150 --> 00:19:28,080

from

276

00:19:32,070 --> 00:19:30,160

things that may have been here before

277

00:19:35,830 --> 00:19:32,080

bill nelson like the james webb

278

00:19:40,630 --> 00:19:37,990

the james webb telescope is going to

279

00:19:46,150 --> 00:19:40,640

look back billions of years

280

00:19:50,470 --> 00:19:47,510

you know and some people think that this

281

00:19:52,789 --> 00:19:50,480

is all kind of a lead up to that

282

00:19:55,909 --> 00:19:52,799

is that the case i don't know

283

00:19:59,510 --> 00:19:55,919

but some people think that

284

00:20:06,950 --> 00:20:01,830

one thing i don't like

285

00:20:12,149 --> 00:20:09,830

play a clip but

286

00:20:16,549 --> 00:20:12,159

it's not working almost like somebody

287

00:20:16,559 --> 00:20:21,110

sucks man

288

00:20:27,830 --> 00:20:23,669

really freaking sucks maya

289

00:20:27,840 --> 00:20:31,430

i don't know what that's about

290

00:20:36,310 --> 00:20:34,950

i don't know what it's about

291

00:20:37,510 --> 00:20:36,320

but yeah they don't want to play the

292

00:20:42,390 --> 00:20:37,520

videos but

293

00:20:46,070 --> 00:20:43,510

you know

294

00:20:50,789 --> 00:20:46,080

arrows said we're focused generally on

295

00:20:53,590 --> 00:20:50,799

life um on earth right but then our life

296

00:20:55,510 --> 00:20:53,600

in space and well what do you have to do

297

00:20:57,029 --> 00:20:55,520

with your life and space right you have

298

00:20:59,270 --> 00:20:57,039

to figure out what's there and if it's

299

00:21:01,430 --> 00:20:59,280

sustainable so what's a part of that

300

00:21:03,590 --> 00:21:01,440

seeing if anything else is living there

301  
00:21:06,310 --> 00:21:03,600  
i suppose would be one of them

302  
00:21:07,830 --> 00:21:06,320  
um and figuring out how to defend

303  
00:21:10,070 --> 00:21:07,840  
against asteroids coming at your

304  
00:21:11,029 --> 00:21:10,080  
infrastructure would be another one

305  
00:21:13,909 --> 00:21:11,039  
um

306  
00:21:16,230 --> 00:21:13,919  
the planet depleted of resources what do

307  
00:21:18,149 --> 00:21:16,240  
we do we have to go somewhere else the

308  
00:21:19,830 --> 00:21:18,159  
moon would be a start

309  
00:21:22,310 --> 00:21:19,840  
if we can make it there and figure out

310  
00:21:24,710 --> 00:21:22,320  
how to get to mars that would be a next

311  
00:21:28,310 --> 00:21:24,720  
place to go and if that works we can

312  
00:21:31,830 --> 00:21:28,320  
figure out how to get to the next planet

313  
00:21:33,909 --> 00:21:31,840

it's no coincidence either that avi uh

314

00:21:35,990 --> 00:21:33,919

thinks and i think even wrote a book

315

00:21:38,390 --> 00:21:36,000

about um

316

00:21:42,470 --> 00:21:38,400

bringing people off of earth to a

317

00:21:48,310 --> 00:21:45,510

you know um nelson even started the

318

00:21:50,630 --> 00:21:48,320

whole thing talking about how he

319

00:21:54,390 --> 00:21:50,640

uh when he was an astronaut he saw how

320

00:21:54,400 --> 00:21:57,270

um

321

00:22:06,390 --> 00:21:59,669

how we're treating our earth poorly

322

00:22:10,149 --> 00:22:08,390

what's up fee

323

00:22:15,029 --> 00:22:10,159

yeah

324

00:22:20,470 --> 00:22:18,710

so i mean that's pretty exciting

325

00:22:23,590 --> 00:22:20,480

and i look you know i'm kind of going

326

00:22:25,830 --> 00:22:23,600

back and forth because um

327

00:22:27,510 --> 00:22:25,840

all the videos that i had made

328

00:22:30,789 --> 00:22:27,520

aren't working

329

00:22:30,799 --> 00:22:34,710

but

330

00:22:38,830 --> 00:22:36,390

um yeah so

331

00:22:40,710 --> 00:22:38,840

we got a few people

332

00:22:42,149 --> 00:22:40,720

first

333

00:22:44,390 --> 00:22:42,159

bill nelson

334

00:22:47,590 --> 00:22:44,400

he's talking about uh colonizing the

335

00:22:53,590 --> 00:22:50,310

and he literally said that he believes

336

00:22:54,950 --> 00:22:53,600

there's other intelligent life out there

337

00:22:56,870 --> 00:22:54,960

straight up

338

00:22:58,789 --> 00:22:56,880

you know i remember when chris mellon

339

00:22:59,830 --> 00:22:58,799

shared a clip not too long ago and all

340

00:23:01,110 --> 00:22:59,840

the uh

341

00:23:03,190 --> 00:23:01,120

the

342

00:23:05,270 --> 00:23:03,200

trolls so to speak were

343

00:23:06,789 --> 00:23:05,280

even on my page

344

00:23:08,390 --> 00:23:06,799

i shared the video and goes why are you

345

00:23:10,310 --> 00:23:08,400

sharing this

346

00:23:12,149 --> 00:23:10,320

that's a cut video

347

00:23:14,070 --> 00:23:12,159

why did chris mel cut it why are you

348

00:23:16,070 --> 00:23:14,080

sharing it what are you up to you know

349

00:23:18,549 --> 00:23:16,080

it's almost like bill nelson did

350

00:23:21,830 --> 00:23:18,559

this and said it directly

351

00:23:24,149 --> 00:23:21,840

uh for idiots like that

352

00:23:26,630 --> 00:23:24,159

said so if you're asking me if there's

353

00:23:30,630 --> 00:23:26,640

other intelligent life yes i do think

354

00:23:30,640 --> 00:23:34,950

you know

355

00:23:39,990 --> 00:23:37,270

and and he's right billions of galaxies

356

00:23:42,470 --> 00:23:40,000

maybe trillions of galaxies

357

00:23:45,430 --> 00:23:42,480

um and you know him and avi are on the

358

00:23:48,230 --> 00:23:45,440

same page there with the ego like

359

00:23:49,990 --> 00:23:48,240

who who am i to limit life and it's

360

00:23:52,950 --> 00:23:50,000

pretty interesting because the pastor

361

00:23:57,750 --> 00:23:52,960

started out the whole event

362

00:23:59,430 --> 00:23:57,760

um by saying don't limit god's creation

363

00:24:01,669 --> 00:23:59,440

where are we to limit god's creation

364

00:24:03,510 --> 00:24:01,679

that is the same thing as what bill

365

00:24:09,350 --> 00:24:03,520

nelson is saying

366

00:24:14,230 --> 00:24:11,990

it's not a coincidence that the pastor

367

00:24:17,789 --> 00:24:14,240

also started by talking about

368

00:24:24,230 --> 00:24:19,750

extraterrestrial um

369

00:24:24,240 --> 00:24:29,430

you know

370

00:24:34,390 --> 00:24:31,350

and it's in church and there's a pastor

371

00:24:39,990 --> 00:24:34,400

there like what they're doing is

372

00:24:43,750 --> 00:24:41,269

get people

373

00:24:46,789 --> 00:24:43,760

used to this idea

374

00:24:48,549 --> 00:24:46,799

of extraterrestrial life

375

00:24:52,070 --> 00:24:48,559

or maybe even a different kind of

376

00:24:56,950 --> 00:24:54,390

you know it's it's hard to remember this

377

00:25:00,870 --> 00:24:56,960

sometimes but we do have to remember

378

00:25:06,149 --> 00:25:00,880

that that event was not for ufo twitter

379

00:25:09,830 --> 00:25:08,630

so if that's the case we have to look at

380

00:25:14,310 --> 00:25:09,840

how they're talking with that

381

00:25:18,549 --> 00:25:15,350

and

382

00:25:20,710 --> 00:25:18,559

they're not going to

383

00:25:23,029 --> 00:25:20,720

uh schedule something like this that few

384

00:25:24,950 --> 00:25:23,039

kind of know about really in the end i

385

00:25:28,710 --> 00:25:24,960

guarantee my parents like for instance

386

00:25:32,149 --> 00:25:30,789

like they're not gonna disclose stuff

387

00:25:33,510 --> 00:25:32,159

there you know

388

00:25:35,350 --> 00:25:33,520

but maybe

389

00:25:37,830 --> 00:25:35,360

they're going to start

390

00:25:41,029 --> 00:25:37,840

testing the waters

391

00:25:44,470 --> 00:25:42,710

you know

392

00:25:45,669 --> 00:25:44,480

how many times have we heard people talk

393

00:25:46,950 --> 00:25:45,679

about now

394

00:25:48,549 --> 00:25:46,960

um

395

00:25:50,710 --> 00:25:48,559

paradigm shifts

396

00:25:52,870 --> 00:25:50,720

faith changing

397

00:25:54,710 --> 00:25:52,880

people's worlds getting rocked

398

00:25:56,470 --> 00:25:54,720

religious people

399

00:25:58,870 --> 00:25:56,480

other people thinking that these uaps

400

00:26:03,430 --> 00:25:58,880

are demons

401  
00:26:08,950 --> 00:26:05,190  
it's not a coincidence bill nelson has

402  
00:26:12,710 --> 00:26:11,029  
basically telling people

403  
00:26:16,950 --> 00:26:12,720  
that there's other intelligent life out

404  
00:26:20,710 --> 00:26:18,070  
you know

405  
00:26:22,470 --> 00:26:20,720  
thanks great master i appreciate it man

406  
00:26:23,830 --> 00:26:22,480  
yeah i want it to grow

407  
00:26:25,190 --> 00:26:23,840  
i feel like i'm spinning my wheels

408  
00:26:27,269 --> 00:26:25,200  
sometimes but

409  
00:26:29,590 --> 00:26:27,279  
um i'm gonna

410  
00:26:32,630 --> 00:26:29,600  
first of all i should let you guys know

411  
00:26:35,110 --> 00:26:32,640  
that i'm doing some

412  
00:26:38,149 --> 00:26:35,120  
switching up of the show

413  
00:26:42,549 --> 00:26:38,159

um i am going to

414

00:26:46,710 --> 00:26:43,669

and

415

00:26:48,390 --> 00:26:46,720

but

416

00:26:51,110 --> 00:26:48,400

um

417

00:26:53,669 --> 00:26:51,120

i just feel like there needs to be

418

00:26:55,669 --> 00:26:53,679

other options for people and i might be

419

00:26:57,350 --> 00:26:55,679

shooting myself in the foot by not going

420

00:27:01,590 --> 00:26:57,360

at night

421

00:27:04,789 --> 00:27:03,269

you know no no offense to them or

422

00:27:06,710 --> 00:27:04,799

anything but

423

00:27:09,430 --> 00:27:06,720

you know i put in a lot of work to be

424

00:27:11,750 --> 00:27:09,440

able to talk the way i do

425

00:27:13,590 --> 00:27:11,760

and um i just want there to be more

426  
00:27:16,390 --> 00:27:13,600  
options i think there should be more

427  
00:27:17,830 --> 00:27:16,400  
options for people

428  
00:27:19,110 --> 00:27:17,840  
and if that means i have to stream at

429  
00:27:21,029 --> 00:27:19,120  
night i have to stream at night so

430  
00:27:22,950 --> 00:27:21,039  
that's what i'm gonna do

431  
00:27:25,990 --> 00:27:22,960  
and that's not gonna start next week

432  
00:27:26,950 --> 00:27:26,000  
it'll start the week after that

433  
00:27:29,190 --> 00:27:26,960  
right

434  
00:27:34,070 --> 00:27:29,200  
and on monday

435  
00:27:36,230 --> 00:27:34,080  
the 17th will be the first

436  
00:27:44,149 --> 00:27:36,240  
episode of that

437  
00:27:51,190 --> 00:27:45,350  
so

438  
00:27:55,350 --> 00:27:53,669

you know just think about it like

439

00:27:56,789 --> 00:27:55,360

um

440

00:27:59,510 --> 00:27:56,799

you know there's times for laughs and

441

00:28:01,830 --> 00:27:59,520

all that kind of stuff but um

442

00:28:05,350 --> 00:28:01,840

you know if there are

443

00:28:10,630 --> 00:28:08,789

about other intelligent life um it's

444

00:28:12,230 --> 00:28:10,640

it's not joke time anymore it's serious

445

00:28:14,710 --> 00:28:12,240

time and you better know your you

446

00:28:17,190 --> 00:28:14,720

better at least have tried to learn

447

00:28:18,789 --> 00:28:17,200

about this stuff by the time that comes

448

00:28:20,630 --> 00:28:18,799

because if you haven't

449

00:28:25,110 --> 00:28:20,640

you will be

450

00:28:25,120 --> 00:28:30,549

you'll be so lost when it happens

451  
00:28:33,750 --> 00:28:31,990  
you know

452  
00:28:35,590 --> 00:28:33,760  
you have to study and research are you

453  
00:28:39,190 --> 00:28:35,600  
going to learn everything you can even

454  
00:28:39,990 --> 00:28:39,200  
learn what the thing is probably not

455  
00:28:41,590 --> 00:28:40,000  
you know

456  
00:28:49,269 --> 00:28:41,600  
people have studied for decades and

457  
00:28:55,029 --> 00:28:51,190  
unless you think disclosure and this

458  
00:28:58,630 --> 00:28:56,870  
right if you don't really think it's

459  
00:28:59,909 --> 00:28:58,640  
real then maybe you don't try i don't

460  
00:29:01,590 --> 00:28:59,919  
know

461  
00:29:03,350 --> 00:29:01,600  
but like i take this with authority i

462  
00:29:06,149 --> 00:29:03,360  
don't get paid i don't make this my job

463  
00:29:07,350 --> 00:29:06,159

i do this for free

464

00:29:09,510 --> 00:29:07,360

i study

465

00:29:12,389 --> 00:29:09,520

and i try to bring you relevant details

466

00:29:17,510 --> 00:29:12,399

so in that time and when it comes

467

00:29:23,029 --> 00:29:19,830

thanks grandmaster for sharing that man

468

00:29:27,190 --> 00:29:25,110

um

469

00:29:29,990 --> 00:29:27,200

okay so

470

00:29:33,190 --> 00:29:30,000

you know sometimes we show documents on

471

00:29:33,200 --> 00:29:36,789

yes we do

472

00:29:40,630 --> 00:29:38,070

um some people don't like those

473

00:29:47,990 --> 00:29:40,640

documents as we

474

00:29:52,389 --> 00:29:50,070

but

475

00:29:57,669 --> 00:29:52,399

you know and there's no drills like

476

00:30:02,230 --> 00:29:59,430

oh yeah we're out for wednesday robert

477

00:30:03,669 --> 00:30:02,240

next week i'm doing the the normal times

478

00:30:04,710 --> 00:30:03,679

that i agreed on with you and someone

479

00:30:07,430 --> 00:30:04,720

else

480

00:30:09,909 --> 00:30:07,440

um but the week following on the 17th

481

00:30:11,830 --> 00:30:09,919

i'm starting to stream at night javilobe

482

00:30:14,630 --> 00:30:11,840

is the first guest i just confirmed that

483

00:30:17,590 --> 00:30:16,070

so

484

00:30:18,870 --> 00:30:17,600

i'm showing you this i've showed you

485

00:30:21,430 --> 00:30:18,880

this before

486

00:30:25,750 --> 00:30:21,440

but just hang with me i want to

487

00:30:28,950 --> 00:30:27,350

the only reason i'm really showing you

488

00:30:31,029 --> 00:30:28,960

this again right now

489

00:30:32,789 --> 00:30:31,039

is so that you can see this part

490

00:30:40,230 --> 00:30:32,799

air material command

491

00:30:43,669 --> 00:30:42,070

now you can go back to a former episode

492

00:30:44,630 --> 00:30:43,679

and

493

00:30:46,630 --> 00:30:44,640

see how

494

00:30:49,430 --> 00:30:46,640

you know more about this where i read it

495

00:30:53,669 --> 00:30:49,440

through and everything but

496

00:30:57,590 --> 00:30:55,750

1952

497

00:31:04,230 --> 00:30:57,600

air material command

498

00:31:12,070 --> 00:31:06,230

right

499

00:31:15,350 --> 00:31:13,909

he will tell you all about that

500

00:31:16,710 --> 00:31:15,360

um so

501  
00:31:20,230 --> 00:31:16,720  
i'm gonna get to why i'm showing you

502  
00:31:31,269 --> 00:31:22,149  
but we're not done yet the other thing i

503  
00:31:34,710 --> 00:31:32,470  
this one

504  
00:31:35,590 --> 00:31:34,720  
so this is a part of the same document

505  
00:31:39,190 --> 00:31:35,600  
actually

506  
00:31:45,350 --> 00:31:39,200  
so look at this mr loftus becker deputy

507  
00:31:51,190 --> 00:31:47,190  
ufos right

508  
00:31:55,350 --> 00:31:53,590  
deputy director for intelligence so who

509  
00:31:57,190 --> 00:31:55,360  
do we got so far we got

510  
00:31:58,830 --> 00:31:57,200  
avril

511  
00:32:01,509 --> 00:31:58,840  
dni

512  
00:32:03,830 --> 00:32:01,519  
right in on it

513  
00:32:08,710 --> 00:32:03,840

but there's someone

514

00:32:08,720 --> 00:32:12,950

that i think

515

00:32:12,960 --> 00:32:16,870

we don't hear about right now

516

00:32:16,880 --> 00:32:21,509

and i'm gonna make a little

517

00:32:27,029 --> 00:32:23,909

point here to show you this

518

00:32:28,389 --> 00:32:27,039

which is remember 1952 material come in

519

00:32:29,350 --> 00:32:28,399

and that wasn't just one document

520

00:32:31,669 --> 00:32:29,360

there's

521

00:32:33,830 --> 00:32:31,679

there on every document

522

00:32:37,830 --> 00:32:33,840

every ufo investigation document they're

523

00:32:37,840 --> 00:32:49,350

so you take it to now

524

00:32:49,360 --> 00:32:52,630

and what do we have here

525

00:32:57,269 --> 00:32:54,950

air force material command reaches ioc

526  
00:33:01,110 --> 00:32:57,279  
as servicing major command for space

527  
00:33:01,120 --> 00:33:05,190  
interesting huh

528  
00:33:05,200 --> 00:33:11,909  
who else is working on uaps

529  
00:33:11,919 --> 00:33:21,110  
who else did work on uabs

530  
00:33:34,950 --> 00:33:22,789  
attic

531  
00:33:34,960 --> 00:33:41,190  
where a code name

532  
00:33:48,789 --> 00:33:44,230  
and this is not a document or code name

533  
00:33:52,310 --> 00:33:50,470  
right

534  
00:33:54,710 --> 00:33:52,320  
so

535  
00:33:56,870 --> 00:33:54,720  
if you follow attic

536  
00:33:57,909 --> 00:33:56,880  
to now

537  
00:33:59,909 --> 00:33:57,919  
which by the way they're at

538  
00:34:01,430 --> 00:33:59,919

wright-patterson air force base to now

539

00:34:03,110 --> 00:34:01,440

where are they

540

00:34:05,590 --> 00:34:03,120

uh

541

00:34:09,030 --> 00:34:05,600

national area in space intelligence at

542

00:34:14,790 --> 00:34:09,040

wright patterson air force base

543

00:34:20,790 --> 00:34:18,550

very very interesting is it not

544

00:34:22,710 --> 00:34:20,800

i think it is

545

00:34:28,310 --> 00:34:22,720

so

546

00:34:31,909 --> 00:34:29,510

now

547

00:34:33,669 --> 00:34:31,919

here's the kicker if you guys follow the

548

00:34:37,909 --> 00:34:33,679

ossep

549

00:34:37,919 --> 00:34:43,190

and looked at the reports that they

550

00:34:46,829 --> 00:34:46,149

well the the 39 ones or whatever that we

551  
00:34:48,950 --> 00:34:46,839  
know

552  
00:34:51,190 --> 00:34:48,960  
about like what were they about with

553  
00:34:52,629 --> 00:34:51,200  
eric davis hal put off

554  
00:34:55,909 --> 00:34:52,639  
well we had

555  
00:34:57,829 --> 00:34:55,919  
direct energy we had lasers

556  
00:35:00,710 --> 00:34:57,839  
advanced propulsion

557  
00:35:02,390 --> 00:35:00,720  
advanced aerospace vehicles right and we

558  
00:35:07,829 --> 00:35:02,400  
know of them as

559  
00:35:12,470 --> 00:35:10,790  
so remember what i was saying earlier

560  
00:35:14,230 --> 00:35:12,480  
so now what i'm going to show you is

561  
00:35:17,430 --> 00:35:14,240  
space force's 20

562  
00:35:19,510 --> 00:35:17,440  
22 budget

563  
00:35:23,190 --> 00:35:19,520

and look at what they research high

564

00:35:26,310 --> 00:35:23,200

energy laser research initiatives

565

00:35:30,550 --> 00:35:26,320

aerospace vehicle technology

566

00:35:33,270 --> 00:35:30,560

aerospace propulsion sensors

567

00:35:35,270 --> 00:35:33,280

energy technology high energy laser

568

00:35:38,069 --> 00:35:35,280

research

569

00:35:43,910 --> 00:35:38,079

space technology advanced materials for

570

00:35:43,920 --> 00:35:47,990

advanced aerospace sensors

571

00:35:54,950 --> 00:35:50,790

human effectiveness advanced technology

572

00:35:59,589 --> 00:35:57,510

advanced weapons technology uh wasn't

573

00:36:04,150 --> 00:35:59,599

atip literally

574

00:36:08,950 --> 00:36:06,870

nato research and development

575

00:36:11,589 --> 00:36:08,960

so what i'm telling you is that space

576  
00:36:15,829 --> 00:36:13,349  
is doing

577  
00:36:17,190 --> 00:36:15,839  
direct energy prototyping hypersonics

578  
00:36:19,990 --> 00:36:17,200  
prototyping

579  
00:36:32,550 --> 00:36:20,000  
space force is doing the things that

580  
00:36:32,560 --> 00:36:36,550  
so

581  
00:36:42,470 --> 00:36:40,470  
air material command is along with them

582  
00:36:47,190 --> 00:36:42,480  
i think this is all connected in some

583  
00:36:47,200 --> 00:36:51,990  
uh rand who made an actual ufo report

584  
00:37:01,670 --> 00:36:55,270  
rand project air force

585  
00:37:07,030 --> 00:37:04,950  
rocket systems launch program space now

586  
00:37:09,750 --> 00:37:07,040  
so remember

587  
00:37:11,829 --> 00:37:09,760  
space force so all this stuff space

588  
00:37:14,710 --> 00:37:11,839

space space

589

00:37:22,310 --> 00:37:14,720

orient for foreign material acquisition

590

00:37:27,349 --> 00:37:24,710

i think

591

00:37:29,190 --> 00:37:27,359

that maybe we don't think about space

592

00:37:31,030 --> 00:37:29,200

force having to do with this stuff

593

00:37:33,829 --> 00:37:31,040

enough

594

00:37:38,230 --> 00:37:33,839

right it's in colorado springs air

595

00:37:40,470 --> 00:37:38,240

material command colorado springs like

596

00:37:42,870 --> 00:37:40,480

and we're asking questions about

597

00:37:44,950 --> 00:37:42,880

you know the uap report and getting

598

00:37:48,790 --> 00:37:44,960

something together for people to report

599

00:37:48,800 --> 00:37:51,910

um

600

00:37:58,230 --> 00:37:53,670

but i think there may be

601  
00:38:02,950 --> 00:38:01,430  
with the space command uh or space force

602  
00:38:07,750 --> 00:38:02,960  
having a lot more to do with this stuff

603  
00:38:13,670 --> 00:38:10,150  
our future in space is a directed energy

604  
00:38:18,870 --> 00:38:16,870  
that comes from space

605  
00:38:20,150 --> 00:38:18,880  
electro electromagnetic

606  
00:38:30,310 --> 00:38:20,160  
warfare

607  
00:38:30,320 --> 00:38:34,630  
and those weapons

608  
00:38:34,640 --> 00:39:29,750  
have bio effects

609  
00:39:33,910 --> 00:39:32,150  
i'm back

610  
00:39:35,910 --> 00:39:33,920  
i don't know

611  
00:39:38,390 --> 00:39:35,920  
it's storming over here so

612  
00:39:39,829 --> 00:39:38,400  
that could be the problem could be taken

613  
00:39:41,190 --> 00:39:39,839

out my internet

614

00:39:43,190 --> 00:39:41,200

um

615

00:39:46,630 --> 00:39:43,200

but yeah so

616

00:39:50,550 --> 00:39:48,710

you know and i also think like the

617

00:39:58,390 --> 00:39:50,560

electromagnetic

618

00:40:00,069 --> 00:39:59,270

could

619

00:40:02,710 --> 00:40:00,079

that

620

00:40:04,790 --> 00:40:02,720

have something to do

621

00:40:08,069 --> 00:40:04,800

with why we're here right now in the uap

622

00:40:15,990 --> 00:40:08,079

report because we have so much going on

623

00:40:19,589 --> 00:40:17,990

we have so much going on in space and

624

00:40:23,510 --> 00:40:19,599

maybe

625

00:40:25,670 --> 00:40:23,520

because of that we're seeing things

626  
00:40:27,670 --> 00:40:25,680  
because of new technology that we have

627  
00:40:44,950 --> 00:40:27,680  
never seen before and don't quite

628  
00:40:49,990 --> 00:40:47,430  
uh all it takes is china to use their

629  
00:40:54,390 --> 00:40:50,000  
satellite with a robotic arm to take one

630  
00:40:54,400 --> 00:40:57,430  
that completely

631  
00:41:01,990 --> 00:41:00,230  
holds up our infrastructure for a gps

632  
00:41:04,390 --> 00:41:02,000  
system per se

633  
00:41:07,030 --> 00:41:04,400  
let's say

634  
00:41:09,589 --> 00:41:07,040  
and that's that's how war is gonna go

635  
00:41:15,750 --> 00:41:12,630  
is our electronic systems will be shut

636  
00:41:20,710 --> 00:41:17,750  
and won't we won't be able to do things

637  
00:41:21,750 --> 00:41:20,720  
like that like okay

638  
00:41:23,670 --> 00:41:21,760

i don't mean to harp on this but

639

00:41:25,670 --> 00:41:23,680

electromagnetic

640

00:41:27,430 --> 00:41:25,680

uh cyber warfare one of the things that

641

00:41:30,470 --> 00:41:27,440

they do

642

00:41:32,069 --> 00:41:30,480

um is they'll call

643

00:41:34,150 --> 00:41:32,079

like somebody will get a call at their

644

00:41:35,430 --> 00:41:34,160

base let's say china or whatever china

645

00:41:36,390 --> 00:41:35,440

general or i don't know what they're

646

00:41:37,670 --> 00:41:36,400

called

647

00:41:39,829 --> 00:41:37,680

over there

648

00:41:41,990 --> 00:41:39,839

but just hang with me

649

00:41:44,150 --> 00:41:42,000

they pick up the phone right and someone

650

00:41:49,270 --> 00:41:44,160

tells them hey you gotta

651  
00:41:52,670 --> 00:41:49,280  
retreat your army over to this place

652  
00:41:55,109 --> 00:41:52,680  
where it's safe right well

653  
00:41:57,349 --> 00:41:55,119  
electromagnetic warfare is

654  
00:41:59,109 --> 00:41:57,359  
america

655  
00:42:00,470 --> 00:41:59,119  
spoofing the frequency

656  
00:42:04,390 --> 00:42:00,480  
calling

657  
00:42:09,510 --> 00:42:06,950  
faking the call to send them into an

658  
00:42:11,829 --> 00:42:09,520  
area that is not safe and is actually

659  
00:42:14,829 --> 00:42:11,839  
very dangerous where our

660  
00:42:20,870 --> 00:42:19,750  
is that happens through space satellites

661  
00:42:25,589 --> 00:42:20,880  
and

662  
00:42:25,599 --> 00:43:05,990  
you know

663  
00:43:06,000 --> 00:43:27,349

constant electromagnetic pulses in

664

00:43:29,750 --> 00:43:28,790

man

665

00:43:32,630 --> 00:43:29,760

yeah

666

00:43:37,430 --> 00:43:33,589

i think

667

00:43:40,150 --> 00:43:37,440

doing in space we're

668

00:43:41,829 --> 00:43:40,160

uh running into

669

00:43:46,150 --> 00:43:41,839

some things that maybe we're not very

670

00:43:51,030 --> 00:43:46,160

familiar with like these uaps perhaps

671

00:43:56,069 --> 00:43:53,109

electromagnetic

672

00:43:57,030 --> 00:43:56,079

frequencies may be the way as seeming as

673

00:44:04,790 --> 00:43:57,040

they are

674

00:44:08,710 --> 00:44:06,870

you know

675

00:44:11,109 --> 00:44:08,720

yeah i don't know my

676

00:44:15,910 --> 00:44:11,119

internet's all crappy

677

00:44:20,230 --> 00:44:17,990

and we're obviously getting ushered

678

00:44:23,750 --> 00:44:20,240

towards a certain place right now and

679

00:44:33,030 --> 00:44:23,760

last night was uh was a

680

00:44:37,589 --> 00:44:35,510

i personally think

681

00:44:39,030 --> 00:44:37,599

that it's a consciousness thing and a

682

00:44:42,390 --> 00:44:39,040

heart thing

683

00:46:08,630 --> 00:44:44,390

um but i don't i'm not saying that

684

00:46:08,640 --> 00:46:11,910

what's up

685

00:46:17,750 --> 00:46:16,470

i'm on my phone um so yeah i guess

686

00:46:19,430 --> 00:46:17,760

that's it

687

00:46:20,390 --> 00:46:19,440

the old internet

688

00:46:23,270 --> 00:46:20,400

is

689

00:46:25,829 --> 00:46:23,280

not doing so hot here so

690

00:46:28,309 --> 00:46:25,839

i'm gonna have to

691

00:46:31,430 --> 00:46:28,319

call it i guess

692

00:46:33,430 --> 00:46:31,440

yeah not a good not a good uh

693

00:46:35,910 --> 00:46:33,440

not a good start those videos which just

694

00:46:37,270 --> 00:46:35,920

completely weren't working and now this

695

00:46:40,309 --> 00:46:37,280

is happening

696

00:46:43,589 --> 00:46:40,319

so i don't know what that's about

697

00:46:45,589 --> 00:46:43,599

but it is what it is

698

00:46:50,309 --> 00:46:45,599

here's my space

699

00:46:53,109 --> 00:46:52,150

it's not that great

700

00:46:55,109 --> 00:46:53,119

but it's

701

00:46:58,069 --> 00:46:55,119

it's what i got

702

00:46:58,950 --> 00:46:58,079

so oh this is gonna be crazy check this

703

00:47:03,270 --> 00:46:58,960

out

704

00:47:18,230 --> 00:47:04,790

if this works

705

00:47:18,240 --> 00:47:25,829

okay

706

00:47:25,839 --> 00:47:31,270

we have
