

1
00:00:05,670 --> 00:00:03,350
hello

2
00:00:08,390 --> 00:00:05,680
what's up everybody thanks for

3
00:00:09,990 --> 00:00:08,400
uh coming and hanging out today for the

4
00:00:13,350 --> 00:00:10,000
experiencer panel

5
00:00:14,910 --> 00:00:13,360
um turns out it's just gonna be myself

6
00:00:16,790 --> 00:00:14,920
and the

7
00:00:19,269 --> 00:00:16,800
bird so

8
00:00:20,710 --> 00:00:19,279
everybody else kind of ditched out on me

9
00:00:22,390 --> 00:00:20,720
so i'm going to be talking to the

10
00:00:25,269 --> 00:00:22,400
peacock up there

11
00:00:26,790 --> 00:00:25,279
or the parrot and

12
00:00:29,349 --> 00:00:26,800
you know hopefully it has something to

13
00:00:30,790 --> 00:00:29,359

add to the discussion sometimes it's

14

00:00:33,990 --> 00:00:30,800

kind of quiet

15

00:00:35,830 --> 00:00:34,000

but oh priscilla is here busted

16

00:00:40,069 --> 00:00:35,840

busted

17

00:00:41,750 --> 00:00:40,079

but no i appreciate you guys coming um

18

00:00:42,830 --> 00:00:41,760

we're gonna have a good thoughtful

19

00:00:45,670 --> 00:00:42,840

discussion

20

00:00:49,670 --> 00:00:45,680

on you know hopefully a lot of different

21

00:00:51,110 --> 00:00:49,680

stuff um but we'll see i i'd like to

22

00:00:52,549 --> 00:00:51,120

you know keep things kind of stream of

23

00:00:55,110 --> 00:00:52,559

consciousness based as far as the

24

00:00:57,029 --> 00:00:55,120

conversation so you know wherever

25

00:00:59,670 --> 00:00:57,039

somebody's feeling they want it to go

26

00:01:00,549 --> 00:00:59,680

i'm more than willing to let it go there

27

00:01:02,229 --> 00:01:00,559

um

28

00:01:05,030 --> 00:01:02,239

but you know you can read in the notes

29

00:01:07,270 --> 00:01:05,040

basically uh the notes of the show

30

00:01:08,149 --> 00:01:07,280

basically what i was thinking at least

31

00:01:09,510 --> 00:01:08,159

uh

32

00:01:11,830 --> 00:01:09,520

when i made this

33

00:01:13,910 --> 00:01:11,840

event so i'm super grateful that

34

00:01:15,510 --> 00:01:13,920

everybody um

35

00:01:16,870 --> 00:01:15,520

you know who's joining us can join us

36

00:01:18,469 --> 00:01:16,880

christopher walford unfortunately

37

00:01:21,350 --> 00:01:18,479

couldn't make it uh something pretty

38

00:01:25,429 --> 00:01:21,360

pressing came up so he couldn't join

39

00:01:28,310 --> 00:01:25,439

um but everybody else is here so

40

00:01:31,910 --> 00:01:28,320

we will have a great time and i will be

41

00:01:34,630 --> 00:01:31,920

back after one of my fancy intros

42

00:01:35,670 --> 00:01:34,640

t-minus ten nine eight

43

00:01:36,630 --> 00:01:35,680

seven

44

00:01:38,630 --> 00:01:36,640

six

45

00:01:39,749 --> 00:01:38,640

five

46

00:01:40,870 --> 00:01:39,759

three

47

00:01:41,910 --> 00:01:40,880

two

48

00:01:45,270 --> 00:01:41,920

one

49

00:01:51,720 --> 00:01:45,280

zero and liftoff of space shuttle

50

00:02:48,390 --> 00:02:17,190

[Music]

51
00:02:52,949 --> 00:02:50,470
cool so yeah i like that one that's one

52
00:02:56,150 --> 00:02:52,959
of my favorites i would have to say

53
00:02:58,309 --> 00:02:56,160
um so at this point i will start

54
00:03:01,350 --> 00:02:58,319
introducing the

55
00:03:03,830 --> 00:03:01,360
superstar team here

56
00:03:04,949 --> 00:03:03,840
uh that we got together for this event

57
00:03:07,350 --> 00:03:04,959
and

58
00:03:11,190 --> 00:03:07,360
i'll do it one at a time um first person

59
00:03:16,830 --> 00:03:14,550
he has become one of uh he's become a

60
00:03:19,030 --> 00:03:16,840
good friend to me i consider him

61
00:03:21,190 --> 00:03:19,040
and you know

62
00:03:22,070 --> 00:03:21,200
it's like sometimes when i'm doing this

63
00:03:25,750 --> 00:03:22,080

i just

64

00:03:27,509 --> 00:03:25,760

because of

65

00:03:29,110 --> 00:03:27,519

the amazing people i've been meeting and

66

00:03:30,949 --> 00:03:29,120

how it's helped me through you know my

67

00:03:35,270 --> 00:03:30,959

own experience and my journey and all

68

00:03:39,350 --> 00:03:35,280

this so um and that person is the parrot

69

00:03:44,390 --> 00:03:41,830

well i i'm i'm very flattered it's great

70

00:03:46,550 --> 00:03:44,400

to be back with you sean and

71

00:03:48,630 --> 00:03:46,560

i feel very similarly about you

72

00:03:50,949 --> 00:03:48,640

and man i just need i didn't i just need

73

00:03:53,670 --> 00:03:50,959

to bring i need to bring you wherever i

74

00:03:55,750 --> 00:03:53,680

go i think at this point you know like

75

00:03:57,429 --> 00:03:55,760

with killer intros like that like oh my

76

00:03:59,270 --> 00:03:57,439

gosh i feel like

77

00:04:00,949 --> 00:03:59,280

if i could just pay you to like walk 10

78

00:04:02,789 --> 00:04:00,959

steps ahead of me that would be amazing

79

00:04:04,630 --> 00:04:02,799

but i don't think that that can happen i

80

00:04:06,390 --> 00:04:04,640

just prefer to be friends with you maybe

81

00:04:08,070 --> 00:04:06,400

we could hold hands you know walk around

82

00:04:09,429 --> 00:04:08,080

the park it'll be great

83

00:04:10,880 --> 00:04:09,439

rice is right

84

00:04:13,190 --> 00:04:10,890

you know maybe we'll talk

85

00:04:16,069 --> 00:04:13,200

[Laughter]

86

00:04:19,110 --> 00:04:16,079

next person i want to introduce um

87

00:04:20,789 --> 00:04:19,120

is i consider another friend um

88

00:04:23,110 --> 00:04:20,799

and

89

00:04:25,430 --> 00:04:23,120

it's because

90

00:04:28,150 --> 00:04:25,440

you know ever since i got into

91

00:04:28,500 --> 00:04:28,160

this community she's just kind of always

92

00:04:29,909 --> 00:04:28,510

been

93

00:04:31,749 --> 00:04:29,919

[Music]

94

00:04:34,150 --> 00:04:31,759

there for me if i needed something

95

00:04:35,830 --> 00:04:34,160

reaching out to her i'm a big researcher

96

00:04:38,390 --> 00:04:35,840

i love doing my own research via

97

00:04:39,830 --> 00:04:38,400

documents and everything and she's very

98

00:04:41,749 --> 00:04:39,840

very good at it

99

00:04:42,790 --> 00:04:41,759

and um

100

00:04:44,710 --> 00:04:42,800

you know

101
00:04:46,790 --> 00:04:44,720
i really appreciate that because when i

102
00:04:49,110 --> 00:04:46,800
do it at some points i've been kind of

103
00:04:52,230 --> 00:04:49,120
lost what is this legit is it not what

104
00:04:54,230 --> 00:04:52,240
is it um you know and

105
00:04:56,469 --> 00:04:54,240
it's really great having a rock like

106
00:04:58,070 --> 00:04:56,479
that in the community should be

107
00:05:00,230 --> 00:04:58,080
grateful for that so

108
00:05:02,710 --> 00:05:00,240
um with that being said i am going to

109
00:05:08,150 --> 00:05:02,720
introduce her

110
00:05:13,029 --> 00:05:10,469
good to see you uh hope you're doing

111
00:05:15,590 --> 00:05:13,039
well thank you so much for joining us

112
00:05:17,110 --> 00:05:15,600
thank you um

113
00:05:19,189 --> 00:05:17,120

just wanted to do a quick check

114

00:05:21,110 --> 00:05:19,199

everybody hearing things okay

115

00:05:22,830 --> 00:05:21,120

yeah everything sounding okay all right

116

00:05:26,230 --> 00:05:22,840

gotcha

117

00:05:29,350 --> 00:05:26,240

um excellent so the next person i want

118

00:05:31,430 --> 00:05:29,360

to bring in um

119

00:05:34,469 --> 00:05:31,440

great person um

120

00:05:36,830 --> 00:05:34,479

i i met her not too long ago and again

121

00:05:39,430 --> 00:05:36,840

it was just a you know random occurrence

122

00:05:41,110 --> 00:05:39,440

of talking to the right people your

123

00:05:44,390 --> 00:05:41,120

heart kind of guides you to

124

00:05:46,469 --> 00:05:44,400

and and she's someone i came to and

125

00:05:48,310 --> 00:05:46,479

she's been helpful to me in many

126

00:05:50,070 --> 00:05:48,320

different ways her support and

127

00:05:51,670 --> 00:05:50,080

positivity has always been great she's

128

00:05:52,870 --> 00:05:51,680

helped me dissect some of my crazy

129

00:05:57,189 --> 00:05:52,880

dreams

130

00:05:59,350 --> 00:05:57,199

um and she's very smart intelligent and

131

00:06:02,070 --> 00:05:59,360

she has a lot to offer so it's my

132

00:06:04,150 --> 00:06:02,080

pleasure bringing her on a board to

133

00:06:06,790 --> 00:06:04,160

participate in this and with that being

134

00:06:07,590 --> 00:06:06,800

said i'll bring around priscilla quantum

135

00:06:09,670 --> 00:06:07,600

witch

136

00:06:12,550 --> 00:06:09,680

hello everyone how are you

137

00:06:14,150 --> 00:06:12,560

good and you got a new microphone i did

138

00:06:15,909 --> 00:06:14,160

it was supposed to be like a christmas

139

00:06:19,670 --> 00:06:15,919

present i guess but i opened

140

00:06:23,500 --> 00:06:22,150

so well merry christmas

141

00:06:26,070 --> 00:06:23,510

well he knows it works now right

142

00:06:29,270 --> 00:06:26,080

[Laughter]

143

00:06:30,390 --> 00:06:29,280

um last person i am bringing on

144

00:06:33,029 --> 00:06:30,400

you know

145

00:06:35,670 --> 00:06:33,039

i can't unfortunately say anything nice

146

00:06:36,950 --> 00:06:35,680

about him because i've never met him but

147

00:06:40,390 --> 00:06:36,960

he does

148

00:06:43,110 --> 00:06:40,400

have a beautiful first name

149

00:06:44,150 --> 00:06:43,120

um and it's spelled exactly the way i

150

00:06:46,870 --> 00:06:44,160

spell it

151
00:06:49,749 --> 00:06:46,880
so right out of the gate synchronicities

152
00:06:53,430 --> 00:06:49,759
are aligning and so i i'm just going to

153
00:06:56,390 --> 00:06:53,440
take a risk and say he's a good dude so

154
00:06:58,629 --> 00:06:56,400
so right doctor how's it going his knees

155
00:06:59,909 --> 00:06:58,639
are alive good hey everyone

156
00:07:12,950 --> 00:06:59,919
hi

157
00:07:20,230 --> 00:07:14,830
up here

158
00:07:24,469 --> 00:07:22,390
oh it's so beautiful to see sean though

159
00:07:25,110 --> 00:07:24,479
oh my gosh all right oh thank you so

160
00:07:26,710 --> 00:07:25,120
much

161
00:07:28,309 --> 00:07:26,720
a meeting of the minds no i was talking

162
00:07:31,029 --> 00:07:28,319
about the other sean it's always great

163
00:07:35,589 --> 00:07:31,039

to see you

164

00:07:36,870 --> 00:07:35,599

it's great to see the seans

165

00:07:37,749 --> 00:07:36,880

the sean

166

00:07:39,990 --> 00:07:37,759

there's a

167

00:07:42,469 --> 00:07:40,000

square to help them right now so it's

168

00:07:45,270 --> 00:07:42,479

like i'm half paying attention

169

00:07:47,270 --> 00:07:45,280

yeah i get it and squaring of the john's

170

00:07:49,670 --> 00:07:47,280

that's what we're getting today

171

00:07:52,230 --> 00:07:49,680

he's the guy that's what happens

172

00:07:53,990 --> 00:07:52,240

you guys are opening a crazy time space

173

00:07:56,869 --> 00:07:54,000

anomaly just by

174

00:08:06,469 --> 00:07:56,879

jafar your brilliant sean this

175

00:08:09,909 --> 00:08:08,309

internally i was thinking like superman

176

00:08:12,230 --> 00:08:09,919

2 i think it was the one where those

177

00:08:14,390 --> 00:08:12,240

like or those like space russians that

178

00:08:15,749 --> 00:08:14,400

are stuck in the prism like from down to

179

00:08:17,430 --> 00:08:15,759

earth

180

00:08:19,110 --> 00:08:17,440

and they're kind of like going like this

181

00:08:21,510 --> 00:08:19,120

when they're in the cube

182

00:08:23,590 --> 00:08:21,520

or the prism you know full disclosure

183

00:08:27,029 --> 00:08:23,600

i'm lost already

184

00:08:29,189 --> 00:08:27,039

[Laughter]

185

00:08:31,110 --> 00:08:29,199

i think it's a generational thing sean i

186

00:08:33,190 --> 00:08:31,120

don't think you're that young i mean i

187

00:08:35,190 --> 00:08:33,200

was i think i was only like maybe three

188

00:08:36,949 --> 00:08:35,200

when that movie came out so

189

00:08:39,190 --> 00:08:36,959

it's like that i think i might be the

190

00:08:41,190 --> 00:08:39,200

cut off i'm 42

191

00:08:43,350 --> 00:08:41,200

so oh thank goodness

192

00:08:45,910 --> 00:08:43,360

i'm sorry i'm usually like

193

00:08:47,750 --> 00:08:45,920

the uh grandma's on here so i'm always

194

00:08:50,710 --> 00:08:47,760

like oh

195

00:08:52,470 --> 00:08:50,720

we'll be 38 in february so i'm almost

196

00:08:54,790 --> 00:08:52,480

there

197

00:08:57,030 --> 00:08:54,800

bam he's back

198

00:08:58,790 --> 00:08:57,040

hey everyone good to be here

199

00:09:01,269 --> 00:08:58,800

sean and awesome

200

00:09:02,630 --> 00:09:01,279

and uh hey great to see you

201
00:09:04,630 --> 00:09:02,640
awesome

202
00:09:07,350 --> 00:09:04,640
we still have an audio problem and it's

203
00:09:12,470 --> 00:09:07,360
that you sound way too beautiful for my

204
00:09:16,630 --> 00:09:14,550
that's right so sean hasn't met sean

205
00:09:19,590 --> 00:09:16,640
before so sean sean

206
00:09:24,630 --> 00:09:19,600
sean sean nice to meet you

207
00:09:29,190 --> 00:09:26,949
yeah i mean holy cow

208
00:09:32,710 --> 00:09:29,200
um first i'll i'll just say hi to what's

209
00:09:33,509 --> 00:09:32,720
up uh hi to everybody in the chat um so

210
00:09:35,430 --> 00:09:33,519
there's

211
00:09:38,310 --> 00:09:35,440
a good amount is so

212
00:09:40,710 --> 00:09:38,320
um i'm just gonna say overall hello and

213
00:09:41,910 --> 00:09:40,720

i really appreciate everybody being here

214

00:09:45,190 --> 00:09:41,920

and coming here

215

00:09:47,269 --> 00:09:45,200

um please keep the chat just positive um

216

00:09:49,509 --> 00:09:47,279

if you're feeling negative or emotional

217

00:09:50,389 --> 00:09:49,519

or anything just refrain

218

00:09:52,550 --> 00:09:50,399

um

219

00:09:53,430 --> 00:09:52,560

that would be fantastic

220

00:09:55,910 --> 00:09:53,440

um

221

00:09:59,430 --> 00:09:55,920

yeah so with that being said

222

00:10:00,949 --> 00:09:59,440

what i wanted to do is kind of kick this

223

00:10:03,110 --> 00:10:00,959

off with

224

00:10:04,550 --> 00:10:03,120

um

225

00:10:07,990 --> 00:10:04,560

a piece

226

00:10:11,509 --> 00:10:08,000

a video actually from uh john mack

227

00:10:13,190 --> 00:10:11,519

and it was um uh like a consciousness

228

00:10:15,590 --> 00:10:13,200

conference or something that he that he

229

00:10:16,949 --> 00:10:15,600

was talking at but um you know he always

230

00:10:20,150 --> 00:10:16,959

kind of

231

00:10:21,750 --> 00:10:20,160

puts up really great

232

00:10:24,150 --> 00:10:21,760

you know things for you to think about

233

00:10:25,030 --> 00:10:24,160

that maybe you can't stop thinking about

234

00:10:26,389 --> 00:10:25,040

so

235

00:10:28,150 --> 00:10:26,399

with that being said i'm just going to

236

00:10:31,509 --> 00:10:28,160

play that and we can kind of just

237

00:10:33,269 --> 00:10:31,519

generally discuss it afterwards um if

238

00:10:35,430 --> 00:10:33,279

you know somebody's feeling it and has a

239

00:10:38,310 --> 00:10:35,440

first thought go for it and we'll just

240

00:10:42,150 --> 00:10:39,269

kyle

241

00:10:46,310 --> 00:10:42,160

because they did not know much about

242

00:10:48,630 --> 00:10:46,320

ufos okay so he gave several lectures to

243

00:10:50,470 --> 00:10:48,640

them and they took it in and you know

244

00:10:51,750 --> 00:10:50,480

that was their education

245

00:10:54,790 --> 00:10:51,760

now

246

00:10:58,389 --> 00:10:54,800

the ufo literature around this was

247

00:11:00,069 --> 00:10:58,399

mcabee has been co-opted by the cia he's

248

00:11:03,110 --> 00:11:00,079

really working for them he's working

249

00:11:05,110 --> 00:11:03,120

behind the scenes so his contact got

250

00:11:06,069 --> 00:11:05,120

turned into something else

251

00:11:08,150 --> 00:11:06,079

so

252

00:11:09,430 --> 00:11:08,160

there is you know that

253

00:11:12,389 --> 00:11:09,440

i'm not saying the government doesn't do

254

00:11:15,030 --> 00:11:12,399

bad things but the the the assumption

255

00:11:16,870 --> 00:11:15,040

that they not only that they know a lot

256

00:11:18,790 --> 00:11:16,880

but that they're engaged in some kind of

257

00:11:21,030 --> 00:11:18,800

systematic

258

00:11:24,630 --> 00:11:21,040

nefarious activity

259

00:11:29,030 --> 00:11:27,430

i'm questioning about that i mean

260

00:11:30,470 --> 00:11:29,040

yes people have been sworn to secrecy

261

00:11:32,230 --> 00:11:30,480

you know about this because but

262

00:11:33,990 --> 00:11:32,240

particularly because of the technical

263

00:11:35,910 --> 00:11:34,000

aspects but there's a lot on you know

264

00:11:37,750 --> 00:11:35,920

this disclosure thing that happened in

265

00:11:40,790 --> 00:11:37,760

may of uh

266

00:11:42,550 --> 00:11:40,800

last year uh a number of very prominent

267

00:11:44,870 --> 00:11:42,560

experts came forward and

268

00:11:46,870 --> 00:11:44,880

spoke about ufos

269

00:11:48,949 --> 00:11:46,880

shutting down silos and tremendous

270

00:11:51,350 --> 00:11:48,959

amount of evidence how big a ripple did

271

00:11:52,870 --> 00:11:51,360

it make in the society and but why is

272

00:11:54,710 --> 00:11:52,880

that is that because of

273

00:11:56,470 --> 00:11:54,720

specific military suppression i don't

274

00:11:57,910 --> 00:11:56,480

think so i think it's about world views

275

00:11:58,790 --> 00:11:57,920

i think it's just

276

00:12:01,590 --> 00:11:58,800

about

277

00:12:03,990 --> 00:12:01,600

what's both but i think it's the change

278

00:12:05,430 --> 00:12:04,000

occurs not just through evidence it

279

00:12:08,829 --> 00:12:05,440

occurs through

280

00:12:13,750 --> 00:12:08,839

transformative experience individual and

281

00:12:16,790 --> 00:12:14,550

so

282

00:12:18,870 --> 00:12:16,800

yeah just uh preface that he was talking

283

00:12:21,910 --> 00:12:18,880

about uh like somebody who is like the

284

00:12:25,509 --> 00:12:21,920

top-notch photographer as far as ufos go

285

00:12:27,590 --> 00:12:25,519

and the cia wanted to talk to him about

286

00:12:29,110 --> 00:12:27,600

it but the narrative that came out from

287

00:12:31,829 --> 00:12:29,120

it is that he's co-opted and all that

288

00:12:35,269 --> 00:12:31,839

kind of stuff um but the main thing was

289

00:12:37,829 --> 00:12:35,279

at the end uh where he's

290

00:12:41,190 --> 00:12:37,839

you know literally talking about

291

00:12:44,949 --> 00:12:41,200

what just happened again with um

292

00:12:46,069 --> 00:12:44,959

the maelstrom and um

293

00:12:49,030 --> 00:12:46,079

solace

294

00:12:51,030 --> 00:12:49,040

doing the conference and everything and

295

00:12:52,710 --> 00:12:51,040

you know you could relate that to

296

00:12:55,590 --> 00:12:52,720

other things that have come out whether

297

00:12:58,389 --> 00:12:55,600

it be the navy videos or or other type

298

00:12:59,509 --> 00:12:58,399

of uh evidence or you know intelligence

299

00:13:01,110 --> 00:12:59,519

witnesses

300

00:13:03,590 --> 00:13:01,120

um and what kind of ripple effect does

301

00:13:04,949 --> 00:13:03,600

that really have um

302

00:13:07,990 --> 00:13:04,959

and

303

00:13:09,990 --> 00:13:08,000

you know is any data enough really but

304

00:13:11,910 --> 00:13:10,000

you guys can take it from your where you

305

00:13:13,910 --> 00:13:11,920

want and you know i'll just say

306

00:13:15,829 --> 00:13:13,920

priscilla why don't you start

307

00:13:18,310 --> 00:13:15,839

okay well i definitely think that he's

308

00:13:21,030 --> 00:13:18,320

right um i think that

309

00:13:22,550 --> 00:13:21,040

once you see other people opening to

310

00:13:24,550 --> 00:13:22,560

possibilities that we once considered

311

00:13:26,550 --> 00:13:24,560

extreme it does create some sort of

312

00:13:27,829 --> 00:13:26,560

ripple effect now i might just be saying

313

00:13:30,470 --> 00:13:27,839

that because

314

00:13:33,030 --> 00:13:30,480

of like my knowledge and the my the way

315

00:13:35,350 --> 00:13:33,040

i believe energy works and thoughts work

316

00:13:37,110 --> 00:13:35,360

it is very connected so i think that

317

00:13:39,189 --> 00:13:37,120

once we see these sorts of videos and

318

00:13:41,670 --> 00:13:39,199

these sorts of people coming forward

319

00:13:43,350 --> 00:13:41,680

then it's gonna if people are gonna

320

00:13:45,350 --> 00:13:43,360

start believing more and understanding

321

00:13:50,230 --> 00:13:45,360

more but i don't think it's ever gonna

322

00:13:55,910 --> 00:13:51,910

yeah anybody else you can just take it

323

00:14:02,550 --> 00:13:58,710

well he was oh go ahead linda

324

00:14:04,310 --> 00:14:02,560

he was referring to the previous solace

325

00:14:06,310 --> 00:14:04,320

um

326

00:14:07,509 --> 00:14:06,320

hearings on the

327

00:14:11,269 --> 00:14:07,519

missile

328

00:14:14,310 --> 00:14:11,279

incidents and so this kind of shows you

329

00:14:16,949 --> 00:14:14,320

that we haven't gotten very far

330

00:14:18,550 --> 00:14:16,959

you know because here we are again

331

00:14:22,470 --> 00:14:18,560

and so

332

00:14:23,350 --> 00:14:22,480

we need the momentum to keep going

333

00:14:25,670 --> 00:14:23,360

but

334

00:14:29,030 --> 00:14:25,680

we also need to

335

00:14:32,389 --> 00:14:29,040

through consciousness and awareness

336

00:14:33,430 --> 00:14:32,399

we need to have a more united front in

337

00:14:36,710 --> 00:14:33,440

this

338

00:14:40,310 --> 00:14:36,720

and not get negative about it we need to

339

00:14:41,590 --> 00:14:40,320

not lose ground this time

340

00:14:43,430 --> 00:14:41,600

great

341

00:14:45,990 --> 00:14:43,440

yeah i'll just add in i mean it's always

342

00:14:47,430 --> 00:14:46,000

nice to see john mack speaking and i was

343

00:14:49,670 --> 00:14:47,440

really glad to

344

00:14:51,829 --> 00:14:49,680

hear him highlight world views and the

345

00:14:53,590 --> 00:14:51,839

role world views plays in this and you

346

00:14:55,110 --> 00:14:53,600

know this is actually an area i

347

00:14:56,790 --> 00:14:55,120

spent a lot of time studying i've done

348

00:14:58,710 --> 00:14:56,800

research around the different major

349

00:14:59,829 --> 00:14:58,720

world views that are occurring in

350

00:15:00,870 --> 00:14:59,839

society

351
00:15:04,230 --> 00:15:00,880
and

352
00:15:07,350 --> 00:15:04,240
we move through different world views

353
00:15:09,750 --> 00:15:07,360
and and what you know facilitates that

354
00:15:11,829 --> 00:15:09,760
and you know each worldview you know

355
00:15:14,150 --> 00:15:11,839
really sees the world differently that's

356
00:15:16,150 --> 00:15:14,160
why we call it world view so like what

357
00:15:18,069 --> 00:15:16,160
exists as evidence in one world view

358
00:15:18,949 --> 00:15:18,079
does not even show up in another world

359
00:15:21,910 --> 00:15:18,959
view

360
00:15:23,670 --> 00:15:21,920
and and i think we often assume everyone

361
00:15:25,910 --> 00:15:23,680
should have kind of the same world view

362
00:15:27,910 --> 00:15:25,920
and so why aren't they getting the point

363
00:15:28,870 --> 00:15:27,920

why aren't they responding to you know

364

00:15:30,629 --> 00:15:28,880

the different

365

00:15:33,110 --> 00:15:30,639

witnesses and whistleblowers and

366

00:15:34,470 --> 00:15:33,120

evidence but when you incorporate kind

367

00:15:37,350 --> 00:15:34,480

of the landscape of world views and

368

00:15:39,110 --> 00:15:37,360

recognize there's three to five major

369

00:15:41,269 --> 00:15:39,120

you know kind of cultural world views

370

00:15:43,110 --> 00:15:41,279

operative at any one time and even

371

00:15:44,389 --> 00:15:43,120

within ourselves we can move in and out

372

00:15:46,550 --> 00:15:44,399

of you know slightly different world

373

00:15:48,230 --> 00:15:46,560

views because we often have two or three

374

00:15:50,389 --> 00:15:48,240

that we inhabit ourselves so it's not

375

00:15:52,389 --> 00:15:50,399

like we have a singular worldview you

376

00:15:54,310 --> 00:15:52,399

know in one context we we might have a

377

00:15:55,910 --> 00:15:54,320

more traditional value orientation

378

00:15:57,189 --> 00:15:55,920

another context and more modern

379

00:15:58,870 --> 00:15:57,199

scientific

380

00:16:01,269 --> 00:15:58,880

you know kind of values and orientation

381

00:16:03,350 --> 00:16:01,279

and another kind of a more post-modern

382

00:16:05,269 --> 00:16:03,360

you know orientation

383

00:16:06,949 --> 00:16:05,279

and and so understanding you know and

384

00:16:08,629 --> 00:16:06,959

danny sheen's done a great job of

385

00:16:11,030 --> 00:16:08,639

highlighting you know eight different

386

00:16:13,590 --> 00:16:11,040

world use and he kind of builds it along

387

00:16:15,430 --> 00:16:13,600

a political spectrum right and and

388

00:16:16,949 --> 00:16:15,440

that's an interesting frame to do it but

389

00:16:19,350 --> 00:16:16,959

there's other ways to also understand

390

00:16:21,189 --> 00:16:19,360

world views but i think this is you know

391

00:16:23,509 --> 00:16:21,199

why there's so much polarization and so

392

00:16:25,509 --> 00:16:23,519

many cultural worlds happening now is

393

00:16:27,189 --> 00:16:25,519

these different world views are not in

394

00:16:29,030 --> 00:16:27,199

dialogue with each other and they're

395

00:16:31,670 --> 00:16:29,040

really kind of polarized and positioned

396

00:16:34,150 --> 00:16:31,680

off and one of the main you know kind of

397

00:16:36,550 --> 00:16:34,160

practices that supports you know

398

00:16:37,990 --> 00:16:36,560

connecting integrating information from

399

00:16:40,069 --> 00:16:38,000

different world views

400

00:16:42,069 --> 00:16:40,079

is you know what's sometimes referred to

401
00:16:43,509 --> 00:16:42,079
as perspective taking so taking the

402
00:16:44,310 --> 00:16:43,519
perspective of these different world

403
00:16:46,790 --> 00:16:44,320
views

404
00:16:48,790 --> 00:16:46,800
perspective seeking which is actually

405
00:16:50,389 --> 00:16:48,800
talking to people who

406
00:16:52,310 --> 00:16:50,399
embody and express these different

407
00:16:54,949 --> 00:16:52,320
worldviews and then perspective

408
00:16:56,629 --> 00:16:54,959
coordinating where after talking with

409
00:16:59,189 --> 00:16:56,639
different people who have a different

410
00:17:01,189 --> 00:16:59,199
view on key topics then you try and

411
00:17:03,189 --> 00:17:01,199
assimilate and coordinate those

412
00:17:04,390 --> 00:17:03,199
perspectives and insights with your own

413
00:17:05,510 --> 00:17:04,400

and with others

414

00:17:06,789 --> 00:17:05,520

and so

415

00:17:09,669 --> 00:17:06,799

you know i think so much of what's

416

00:17:11,750 --> 00:17:09,679

needed in the ufo discussion is just

417

00:17:13,270 --> 00:17:11,760

more perspective seeking right you know

418

00:17:14,789 --> 00:17:13,280

we need to hear from the experiencers we

419

00:17:16,949 --> 00:17:14,799

need to hear from the academics we need

420

00:17:19,110 --> 00:17:16,959

to hear from the scientists and then we

421

00:17:20,870 --> 00:17:19,120

need to really bring in a lot of voices

422

00:17:22,949 --> 00:17:20,880

and then we need to try and coordinate

423

00:17:25,029 --> 00:17:22,959

and find a way you know you know forward

424

00:17:26,630 --> 00:17:25,039

that includes as much of the insight

425

00:17:30,870 --> 00:17:26,640

that comes from all those different kind

426

00:17:34,789 --> 00:17:32,789

i i couldn't top that but jay you can

427

00:17:36,549 --> 00:17:34,799

try it

428

00:17:38,470 --> 00:17:36,559

sure

429

00:17:39,350 --> 00:17:38,480

oh yes and it's it's

430

00:17:53,909 --> 00:17:39,360

a

431

00:17:55,270 --> 00:17:53,919

in terms of the timeliness of you

432

00:17:57,990 --> 00:17:55,280

playing that clip

433

00:17:59,110 --> 00:17:58,000

uh with the cyclical nature of these

434

00:18:01,350 --> 00:17:59,120

reveals

435

00:18:03,190 --> 00:18:01,360

say with salus and hastings i think that

436

00:18:04,070 --> 00:18:03,200

that was perfectly well timed that that

437

00:18:05,510 --> 00:18:04,080

was

438

00:18:08,630 --> 00:18:05,520

probably

439

00:18:11,110 --> 00:18:08,640

uh gosh was that about 18 years ago 19

440

00:18:12,950 --> 00:18:11,120

years ago that that that that happened

441

00:18:15,430 --> 00:18:12,960

and and

442

00:18:17,430 --> 00:18:15,440

incidentally that clip that actual

443

00:18:19,350 --> 00:18:17,440

interview that full well not interview

444

00:18:21,669 --> 00:18:19,360

but that full talk that john mack did

445

00:18:23,909 --> 00:18:21,679

there that was actually the very first

446

00:18:25,029 --> 00:18:23,919

test post that we did on the experimenter

447

00:18:27,750 --> 00:18:25,039

group site

448

00:18:29,669 --> 00:18:27,760

um like if you if you roll if you scroll

449

00:18:31,830 --> 00:18:29,679

the infinite feed all the way back to

450

00:18:32,870 --> 00:18:31,840

the beginning you'll see that interview

451

00:18:34,950 --> 00:18:32,880

wow

452

00:18:38,230 --> 00:18:34,960

yeah it's fun

453

00:18:41,510 --> 00:18:38,240

nice synchronicity yeah yeah yeah um and

454

00:18:43,590 --> 00:18:41,520

and and why um you know i i've been

455

00:18:44,310 --> 00:18:43,600

looking at it right then but i i think

456

00:18:45,270 --> 00:18:44,320

that

457

00:18:50,470 --> 00:18:45,280

there's

458

00:18:52,390 --> 00:18:50,480

kind of pulls us back to that moment and

459

00:18:54,549 --> 00:18:52,400

and there's so much as we talked about

460

00:18:58,070 --> 00:18:54,559

the last the last time that karen and i

461

00:18:59,669 --> 00:18:58,080

were on your show sean that where where

462

00:19:02,150 --> 00:18:59,679

you know in some ways it feels like

463

00:19:03,029 --> 00:19:02,160

we're recirculating back to a moment

464

00:19:05,909 --> 00:19:03,039

the

465

00:19:07,750 --> 00:19:05,919

near when john passed in some ways in

466

00:19:10,950 --> 00:19:07,760

terms of

467

00:19:13,190 --> 00:19:10,960

what is where is the public where are we

468

00:19:15,190 --> 00:19:13,200

acclimating to in a public way and

469

00:19:17,510 --> 00:19:15,200

unfortunately at that time

470

00:19:19,590 --> 00:19:17,520

um the the although in a lot of ways

471

00:19:22,230 --> 00:19:19,600

some of the some portions of our

472

00:19:25,029 --> 00:19:22,240

community was way ahead of the curve and

473

00:19:27,510 --> 00:19:25,039

some portions of our community um

474

00:19:28,789 --> 00:19:27,520

we're kind of like trying to drag

475

00:19:30,870 --> 00:19:28,799

people

476

00:19:33,110 --> 00:19:30,880

as best as they could right

477

00:19:35,590 --> 00:19:33,120

and and it's unfortunate right there

478

00:19:37,669 --> 00:19:35,600

it's unfortunate in some ways that

479

00:19:39,430 --> 00:19:37,679

in looking back on that you can choose

480

00:19:41,510 --> 00:19:39,440

you could choose to be

481

00:19:43,110 --> 00:19:41,520

frustrated or upset

482

00:19:44,150 --> 00:19:43,120

with regard to

483

00:19:48,710 --> 00:19:44,160

how

484

00:19:50,549 --> 00:19:48,720

the more things change the more they

485

00:19:53,029 --> 00:19:50,559

stay the same or any of those other kind

486

00:19:54,470 --> 00:19:53,039

of of truisms that one might have in a

487

00:19:55,510 --> 00:19:54,480

situation like that

488

00:19:58,630 --> 00:19:55,520

and

489

00:20:01,510 --> 00:19:58,640

also at the same time um

490

00:20:04,149 --> 00:20:01,520

there's the idea of what we can do

491

00:20:06,470 --> 00:20:04,159

in terms of being thought leaders right

492

00:20:08,390 --> 00:20:06,480

there's the idea that that

493

00:20:10,470 --> 00:20:08,400

along with perspective seeking and

494

00:20:12,390 --> 00:20:10,480

things like that we've also we've also

495

00:20:14,789 --> 00:20:12,400

heard for many decades

496

00:20:17,270 --> 00:20:14,799

back to the condon report for example

497

00:20:21,350 --> 00:20:17,280

and back before that that that for

498

00:20:23,590 --> 00:20:21,360

example that that we're not that

499

00:20:26,070 --> 00:20:23,600

the public isn't going to be ready until

500

00:20:28,230 --> 00:20:26,080

everybody is ready right

501
00:20:30,789 --> 00:20:28,240
and and in some ways we can think about

502
00:20:33,590 --> 00:20:30,799
that as being like yet another

503
00:20:36,149 --> 00:20:33,600
impossible metric possibly because we

504
00:20:37,190 --> 00:20:36,159
all know that the condon report was that

505
00:20:38,390 --> 00:20:37,200
was

506
00:20:39,590 --> 00:20:38,400
um

507
00:20:40,950 --> 00:20:39,600
that was

508
00:20:44,710 --> 00:20:40,960
not a

509
00:20:47,029 --> 00:20:44,720
a honest effort right and it was not in

510
00:20:49,590 --> 00:20:47,039
fact it was an effort to shut down

511
00:20:52,070 --> 00:20:49,600
conversation so this so we've been kind

512
00:20:54,230 --> 00:20:52,080
of like built on in some ways

513
00:20:56,149 --> 00:20:54,240

in this con cultural conversation we've

514

00:20:57,669 --> 00:20:56,159

been built on

515

00:21:00,070 --> 00:20:57,679

um something that's kind of

516

00:21:01,510 --> 00:21:00,080

fundamentally dishonest in some ways and

517

00:21:03,590 --> 00:21:01,520

i think that that may be something that

518

00:21:05,990 --> 00:21:03,600

john was missing maybe even in that

519

00:21:07,029 --> 00:21:06,000

conversation which is that

520

00:21:09,350 --> 00:21:07,039

that

521

00:21:10,470 --> 00:21:09,360

you know like we

522

00:21:15,669 --> 00:21:10,480

the whole

523

00:21:17,510 --> 00:21:15,679

cultural conversation did not have to

524

00:21:19,430 --> 00:21:17,520

understand

525

00:21:22,070 --> 00:21:19,440

einstein's theories

526
00:21:24,310 --> 00:21:22,080
for them to become dominant theories

527
00:21:27,510 --> 00:21:24,320
right right we didn't all need to learn

528
00:21:30,230 --> 00:21:27,520
how to play electric guitar for us to

529
00:21:32,630 --> 00:21:30,240
to leap forward and pop music with bands

530
00:21:34,870 --> 00:21:32,640
like the beatles or whatever right right

531
00:21:37,510 --> 00:21:34,880
like that ex those kinds of thought

532
00:21:39,270 --> 00:21:37,520
leaders existed and and brought us

533
00:21:41,270 --> 00:21:39,280
forward in a way

534
00:21:42,789 --> 00:21:41,280
right so i think that there's a level

535
00:21:45,190 --> 00:21:42,799
where where

536
00:21:47,110 --> 00:21:45,200
you know that kind of resonance

537
00:21:49,350 --> 00:21:47,120
there's a way to think about sometimes

538
00:21:51,990 --> 00:21:49,360

those impossible metrics and things like

539

00:21:54,310 --> 00:21:52,000

that that that can that we can start to

540

00:21:57,430 --> 00:21:54,320

maybe evade in the future if that makes

541

00:21:58,789 --> 00:21:57,440

sense yeah it does and i i think it's uh

542

00:22:00,230 --> 00:21:58,799

very well put

543

00:22:02,950 --> 00:22:00,240

um the

544

00:22:04,950 --> 00:22:02,960

you know another part of that uh talk

545

00:22:07,510 --> 00:22:04,960

that he was that he gave

546

00:22:10,710 --> 00:22:07,520

um that really stood out to me was

547

00:22:14,070 --> 00:22:10,720

um i think it was somebody from harvard

548

00:22:15,510 --> 00:22:14,080

like um they were like investigating him

549

00:22:17,350 --> 00:22:15,520

or whatever to make sure that he was

550

00:22:18,230 --> 00:22:17,360

like up to snuff with the stuff he was

551
00:22:20,870 --> 00:22:18,240
doing

552
00:22:22,390 --> 00:22:20,880
um but in the end and he provided like

553
00:22:24,470 --> 00:22:22,400
evidence and everything to these people

554
00:22:25,990 --> 00:22:24,480
but in the end um

555
00:22:27,830 --> 00:22:26,000
even with the evidence from

556
00:22:30,390 --> 00:22:27,840
professionals and everything um they

557
00:22:32,149 --> 00:22:30,400
said well it doesn't fit our

558
00:22:35,590 --> 00:22:32,159
um what we're trying to do our thought

559
00:22:37,270 --> 00:22:35,600
process here but basically he said um

560
00:22:40,070 --> 00:22:37,280
you know even if

561
00:22:42,950 --> 00:22:40,080
you know there was a saucer that did

562
00:22:46,149 --> 00:22:42,960
land you know i hate using this cliché

563
00:22:49,110 --> 00:22:46,159

but on the white house lawn so to speak

564

00:22:51,190 --> 00:22:49,120

and you were there or it was all over tv

565

00:22:54,549 --> 00:22:51,200

in their pictures and the best videos

566

00:22:56,950 --> 00:22:54,559

you still wouldn't believe it would you

567

00:22:59,029 --> 00:22:56,960

and he's like you know to be honest i i

568

00:23:01,990 --> 00:22:59,039

don't think i would no

569

00:23:02,950 --> 00:23:02,000

you know and you know then he goes into

570

00:23:05,830 --> 00:23:02,960

you know

571

00:23:07,909 --> 00:23:05,840

it's going to take more than um

572

00:23:09,750 --> 00:23:07,919

just factual evidence it's going to

573

00:23:12,070 --> 00:23:09,760

change a paradigm shift of the world

574

00:23:13,909 --> 00:23:12,080

view possibly you know

575

00:23:16,149 --> 00:23:13,919

so that's going backwards a little bit

576

00:23:17,909 --> 00:23:16,159

but but that did stick with me i don't

577

00:23:19,350 --> 00:23:17,919

think it is because you're absolutely

578

00:23:20,230 --> 00:23:19,360

right like it has to touch people in a

579

00:23:21,990 --> 00:23:20,240

way

580

00:23:23,270 --> 00:23:22,000

like you can read all the books you want

581

00:23:26,149 --> 00:23:23,280

you can read all the facts you want but

582

00:23:29,190 --> 00:23:26,159

if it doesn't resonate with uh what you

583

00:23:30,870 --> 00:23:29,200

know like in your whole being honestly

584

00:23:32,950 --> 00:23:30,880

you're not gonna believe it people need

585

00:23:35,270 --> 00:23:32,960

to feel it not just know it because how

586

00:23:37,029 --> 00:23:35,280

many times do you know something

587

00:23:38,870 --> 00:23:37,039

but you don't care or it doesn't stick

588

00:23:41,430 --> 00:23:38,880

with you because you're not feeling it i

589

00:23:43,190 --> 00:23:41,440

know that sounds crazy but

590

00:23:44,789 --> 00:23:43,200

well

591

00:23:46,390 --> 00:23:44,799

this other layer that can be built on

592

00:23:48,149 --> 00:23:46,400

what jay was saying around thought

593

00:23:49,269 --> 00:23:48,159

leaders is

594

00:23:51,590 --> 00:23:49,279

you know

595

00:23:54,070 --> 00:23:51,600

in spite of ourselves we we often have a

596

00:23:56,070 --> 00:23:54,080

very heard mentality like we we look

597

00:23:58,149 --> 00:23:56,080

external to ourselves for reference

598

00:23:59,669 --> 00:23:58,159

points as to kind of what's true how to

599

00:24:01,909 --> 00:23:59,679

make sense of things that are happening

600

00:24:03,830 --> 00:24:01,919

and so the role of what you know in some

601
00:24:05,590 --> 00:24:03,840
places are called epistemological

602
00:24:07,830 --> 00:24:05,600
authorities is really important and so

603
00:24:10,149 --> 00:24:07,840
this means like people into public

604
00:24:12,710 --> 00:24:10,159
intellectuals to public you know figures

605
00:24:15,430 --> 00:24:12,720
who you know we kind of tee up to and

606
00:24:18,390 --> 00:24:15,440
kind of take cues from as to how to make

607
00:24:20,630 --> 00:24:18,400
sense of of new information and i think

608
00:24:22,950 --> 00:24:20,640
this is what's so fascinating by what

609
00:24:25,669 --> 00:24:22,960
happened with sam harris over the summer

610
00:24:27,750 --> 00:24:25,679
where he came out on a few podcasts and

611
00:24:29,510 --> 00:24:27,760
basically seemed to be saying that you

612
00:24:31,830 --> 00:24:29,520
know he had been approached about

613
00:24:34,070 --> 00:24:31,840

playing a role with helping the public

614

00:24:35,350 --> 00:24:34,080

acclimate to the reality of the

615

00:24:37,590 --> 00:24:35,360

phenomenon

616

00:24:39,190 --> 00:24:37,600

and he didn't go into a lot of details

617

00:24:41,190 --> 00:24:39,200

but it highlights that you know

618

00:24:44,070 --> 00:24:41,200

individuals like that who have been kind

619

00:24:45,909 --> 00:24:44,080

of naysayers or skeptical or critical if

620

00:24:47,590 --> 00:24:45,919

people like that kind of come into the

621

00:24:49,430 --> 00:24:47,600

fold and start saying well i think there

622

00:24:52,630 --> 00:24:49,440

actually is something to this or i've

623

00:24:54,549 --> 00:24:52,640

changed my opinion you know then that is

624

00:24:56,070 --> 00:24:54,559

going to go a long ways with you know

625

00:24:58,230 --> 00:24:56,080

people who are kind of on the fence or

626

00:24:59,269 --> 00:24:58,240

who haven't really considered it much

627

00:25:01,350 --> 00:24:59,279

they're all of a sudden going to turn

628

00:25:04,070 --> 00:25:01,360

their heads and go holy smokes like sam

629

00:25:06,149 --> 00:25:04,080

harris or whoever it might be you know

630

00:25:09,110 --> 00:25:06,159

is kind of getting behind this or is

631

00:25:11,110 --> 00:25:09,120

open to this so you know now you know

632

00:25:13,029 --> 00:25:11,120

i'll reconsider it so in a sense it

633

00:25:15,590 --> 00:25:13,039

isn't about the photograph or the good

634

00:25:17,990 --> 00:25:15,600

video footage we tend as human beings to

635

00:25:19,990 --> 00:25:18,000

often kind of look towards people we

636

00:25:22,710 --> 00:25:20,000

respect or we think who have some kind

637

00:25:25,350 --> 00:25:22,720

of you know you know authority around

638

00:25:27,750 --> 00:25:25,360

truth and if if they're getting on the

639

00:25:28,789 --> 00:25:27,760

train we're going to get on the train so

640

00:25:30,230 --> 00:25:28,799

i think that's going to play an

641

00:25:32,149 --> 00:25:30,240

interesting role as we go forward like

642

00:25:34,470 --> 00:25:32,159

who are the thought leaders um you know

643

00:25:36,070 --> 00:25:34,480

and both within the ufo you know

644

00:25:38,390 --> 00:25:36,080

community but also outside the ufo

645

00:25:39,669 --> 00:25:38,400

community who start to kind of go hey

646

00:25:41,510 --> 00:25:39,679

like wow

647

00:25:43,029 --> 00:25:41,520

this is happening

648

00:25:46,549 --> 00:25:43,039

i mean that's a good point especially

649

00:25:49,029 --> 00:25:46,559

with um um avi loeb's project and and

650

00:25:51,269 --> 00:25:49,039

bringing in mike shermer right or

651
00:25:54,390 --> 00:25:51,279
or the guy from seti maybe there's more

652
00:25:56,870 --> 00:25:54,400
to that than we think you know and if

653
00:25:58,789 --> 00:25:56,880
folks like that um

654
00:26:00,789 --> 00:25:58,799
kind of alter their

655
00:26:02,149 --> 00:26:00,799
um perspective because of you know

656
00:26:02,870 --> 00:26:02,159
whatever reason

657
00:26:05,029 --> 00:26:02,880
um

658
00:26:06,710 --> 00:26:05,039
you know i think that will actually you

659
00:26:10,149 --> 00:26:06,720
know you're right that that'll go a long

660
00:26:12,149 --> 00:26:10,159
way as as we've seen people who are even

661
00:26:13,990 --> 00:26:12,159
ex-intelligence you know and have been

662
00:26:17,110 --> 00:26:14,000
confirmed to be

663
00:26:19,590 --> 00:26:17,120

um tell you what's going on it's it you

664

00:26:21,909 --> 00:26:19,600

know it struggles to get 4 000 views on

665

00:26:23,269 --> 00:26:21,919

a youtube video and it's

666

00:26:25,590 --> 00:26:23,279

because it needs

667

00:26:26,630 --> 00:26:25,600

somebody they look to

668

00:26:28,549 --> 00:26:26,640

um

669

00:26:30,390 --> 00:26:28,559

you know just like you said somebody or

670

00:26:32,870 --> 00:26:30,400

like a mick west or whatever

671

00:26:34,950 --> 00:26:32,880

um and they changed their perspective

672

00:26:37,269 --> 00:26:34,960

when you know you thought never in a

673

00:26:39,269 --> 00:26:37,279

million years would they you know uh

674

00:26:40,870 --> 00:26:39,279

like the college like the education

675

00:26:42,870 --> 00:26:40,880

course for blue book or whatever is

676
00:26:45,029 --> 00:26:42,880
going out there now educating people

677
00:26:47,190 --> 00:26:45,039
that this stuff's real

678
00:26:50,390 --> 00:26:47,200
on jeff [h__h] has this great concept

679
00:26:52,470 --> 00:26:50,400
called flip where you know scientists or

680
00:26:56,149 --> 00:26:52,480
you know researchers or public

681
00:26:59,190 --> 00:26:56,159
intellectuals will have a an experience

682
00:27:00,870 --> 00:26:59,200
you know the paranormal or of a ufo you

683
00:27:02,710 --> 00:27:00,880
know encounter and they'll flip like the

684
00:27:04,549 --> 00:27:02,720
worldview will flip and so in that book

685
00:27:06,310 --> 00:27:04,559
he kind of talks about a lot of

686
00:27:08,549 --> 00:27:06,320
prominent examples of people who flipped

687
00:27:10,549 --> 00:27:08,559
kind of from one world view to another

688
00:27:12,470 --> 00:27:10,559

so that's going to be interesting to see

689

00:27:14,230 --> 00:27:12,480

that process happening but even if we

690

00:27:16,070 --> 00:27:14,240

look at john mack part of what makes

691

00:27:18,230 --> 00:27:16,080

john mack so compelling

692

00:27:20,230 --> 00:27:18,240

is i mean he's a lovely man right but

693

00:27:22,630 --> 00:27:20,240

there's a lot of lovely men and women in

694

00:27:24,549 --> 00:27:22,640

the ufo community now you know sharing

695

00:27:26,070 --> 00:27:24,559

their insights and perspectives part of

696

00:27:28,389 --> 00:27:26,080

what makes him so compelling is he was

697

00:27:30,710 --> 00:27:28,399

from harvard right and that harvard went

698

00:27:32,870 --> 00:27:30,720

after him and danny sheehan helped him

699

00:27:34,950 --> 00:27:32,880

fight that off and and stay standing in

700

00:27:36,710 --> 00:27:34,960

spite of their efforts to discredit him

701
00:27:38,149 --> 00:27:36,720
so so that's a great example of like an

702
00:27:40,630 --> 00:27:38,159
epistemological authority of someone

703
00:27:43,269 --> 00:27:40,640
suicide got a lot of credibility very

704
00:27:45,669 --> 00:27:43,279
heartfelt and very smart and like that

705
00:27:47,430 --> 00:27:45,679
combination is you know really powerful

706
00:27:48,630 --> 00:27:47,440
you know and we really look towards that

707
00:27:51,430 --> 00:27:48,640
and i think that's going to play a big

708
00:27:53,110 --> 00:27:51,440
role you know in the coming years

709
00:27:55,669 --> 00:27:53,120
yeah it's interesting because he also

710
00:27:57,510 --> 00:27:55,679
touches on uh this topic more or less in

711
00:27:59,510 --> 00:27:57,520
that same discussion

712
00:28:01,269 --> 00:27:59,520
about where about leaders and where a

713
00:28:03,350 --> 00:28:01,279

leader is going to come from linda did

714

00:28:05,750 --> 00:28:03,360

you have any other thoughts on it

715

00:28:08,950 --> 00:28:05,760

well thought leaders cover a lot of

716

00:28:10,310 --> 00:28:08,960

areas and even with someone like demi

717

00:28:12,630 --> 00:28:10,320

lovato

718

00:28:15,669 --> 00:28:12,640

which a lot of people have questioned

719

00:28:17,510 --> 00:28:15,679

you know whether that's a benefit or not

720

00:28:19,029 --> 00:28:17,520

she brings

721

00:28:21,269 --> 00:28:19,039

a lot

722

00:28:23,430 --> 00:28:21,279

of people with her

723

00:28:24,630 --> 00:28:23,440

to this subject

724

00:28:25,510 --> 00:28:24,640

and so

725

00:28:27,990 --> 00:28:25,520

um

726

00:28:30,710 --> 00:28:28,000

you know there are people that believe

727

00:28:32,310 --> 00:28:30,720

that what she has seen and said and was

728

00:28:35,350 --> 00:28:32,320

on the show was

729

00:28:38,149 --> 00:28:35,360

very credible and all of that so she's

730

00:28:38,950 --> 00:28:38,159

definitely bringing people in to at

731

00:28:41,350 --> 00:28:38,960

least

732

00:28:43,029 --> 00:28:41,360

look at the topic right

733

00:28:44,950 --> 00:28:43,039

i'm so glad you mentioned that linda

734

00:28:47,510 --> 00:28:44,960

because i have a 15 year old daughter

735

00:28:49,669 --> 00:28:47,520

and you know she hears me talking about

736

00:28:51,269 --> 00:28:49,679

ufos and what's happening and so you

737

00:28:52,149 --> 00:28:51,279

know she has a sense of a lot of this

738

00:28:53,029 --> 00:28:52,159

for me

739

00:28:55,430 --> 00:28:53,039

but

740

00:28:57,269 --> 00:28:55,440

demi lovato is like she is so excited

741

00:28:58,789 --> 00:28:57,279

she doesn't listen to demi's music so

742

00:29:00,870 --> 00:28:58,799

much but the fact that demi's out there

743

00:29:02,230 --> 00:29:00,880

saying this and doing that it's like

744

00:29:05,990 --> 00:29:02,240

that's a bigger epistemological

745

00:29:10,070 --> 00:29:07,990

it's true though you can see this whole

746

00:29:12,789 --> 00:29:10,080

wave of the younger generation you know

747

00:29:15,990 --> 00:29:12,799

with people like demi you know

748

00:29:19,669 --> 00:29:16,000

speaking out it's having a huge impact

749

00:29:21,269 --> 00:29:19,679

yeah and i kind of relate that to um any

750

00:29:23,590 --> 00:29:21,279

you know evidence or leaks that have

751

00:29:25,990 --> 00:29:23,600

come out in the past where people are

752

00:29:28,470 --> 00:29:26,000

always such naysayers about whatever it

753

00:29:31,510 --> 00:29:28,480

is like a corbel thing or whatever yeah

754

00:29:33,510 --> 00:29:31,520

and in in in his high noon stuff and all

755

00:29:35,669 --> 00:29:33,520

that but you know i think if you get

756

00:29:37,990 --> 00:29:35,679

yourself outside of the

757

00:29:39,830 --> 00:29:38,000

um you know the instant reflex of

758

00:29:41,830 --> 00:29:39,840

wanting to react on something like that

759

00:29:42,630 --> 00:29:41,840

right away like i was guilty of at the

760

00:29:43,510 --> 00:29:42,640

time

761

00:29:49,029 --> 00:29:43,520

um

762

00:29:51,909 --> 00:29:49,039

really the big picture is all that noise

763

00:29:54,389 --> 00:29:51,919

and all that buzz is an attempt to get

764

00:29:56,389 --> 00:29:54,399

more people looking at this subject and

765

00:29:57,430 --> 00:29:56,399

once they're here they can find their

766

00:29:58,789 --> 00:29:57,440

own way

767

00:30:02,630 --> 00:29:58,799

you know

768

00:30:06,710 --> 00:30:02,640

these

769

00:30:08,070 --> 00:30:06,720

linda brought up demi lovato because

770

00:30:10,070 --> 00:30:08,080

it's it's come up sometimes in

771

00:30:12,149 --> 00:30:10,080

conversation

772

00:30:13,830 --> 00:30:12,159

and there's

773

00:30:16,710 --> 00:30:13,840

there's there's

774

00:30:18,470 --> 00:30:16,720

i i i and i'm glad that sean seconded it

775

00:30:20,870 --> 00:30:18,480

because there are

776

00:30:23,190 --> 00:30:20,880

there are a lot of times in in

777

00:30:26,310 --> 00:30:23,200

in our field if we're looking at the the

778

00:30:27,830 --> 00:30:26,320

kind of small corner of

779

00:30:29,669 --> 00:30:27,840

when you think about it right when you

780

00:30:31,269 --> 00:30:29,679

think about how big the universe is or

781

00:30:32,710 --> 00:30:31,279

the multiverse or however you want to

782

00:30:35,430 --> 00:30:32,720

think about it right

783

00:30:38,310 --> 00:30:35,440

and how like baked into reality the

784

00:30:39,750 --> 00:30:38,320

weirdness is at least from many of our

785

00:30:42,630 --> 00:30:39,760

perspectives

786

00:30:45,590 --> 00:30:42,640

it's it can be strange to recognize how

787

00:30:46,549 --> 00:30:45,600

small or how used to

788

00:30:49,110 --> 00:30:46,559

uh

789

00:30:51,269 --> 00:30:49,120

this kind of small corner that we that

790

00:30:54,389 --> 00:30:51,279

we exist in or this conversation has

791

00:30:56,149 --> 00:30:54,399

existed in and at the same time i see

792

00:30:58,630 --> 00:30:56,159

people on the internet that'll say like

793

00:30:59,750 --> 00:30:58,640

oh demi lovato doesn't represent me or

794

00:31:03,110 --> 00:30:59,760

whatever

795

00:31:04,630 --> 00:31:03,120

because because people within ufology

796

00:31:07,190 --> 00:31:04,640

sometimes

797

00:31:09,990 --> 00:31:07,200

tend to think that whatever is making it

798

00:31:11,669 --> 00:31:10,000

into the public consciousness should be

799

00:31:14,789 --> 00:31:11,679

reflective of

800

00:31:16,950 --> 00:31:14,799

the small world of ufology rather than

801
00:31:20,870 --> 00:31:16,960
the actual

802
00:31:23,110 --> 00:31:20,880
construct of reality right the the the

803
00:31:25,110 --> 00:31:23,120
the epistemological constraints the

804
00:31:27,430 --> 00:31:25,120
ontological constraints the world views

805
00:31:29,909 --> 00:31:27,440
and things like that and so i i think

806
00:31:31,590 --> 00:31:29,919
that in the in the years to come

807
00:31:34,149 --> 00:31:31,600
we we often

808
00:31:36,870 --> 00:31:34,159
people people sometimes say

809
00:31:38,630 --> 00:31:36,880
oh the public is going to be so shocked

810
00:31:41,029 --> 00:31:38,640
when they hear

811
00:31:43,509 --> 00:31:41,039
uh what's really going down or whatever

812
00:31:45,750 --> 00:31:43,519
right as if any one of us

813
00:31:48,230 --> 00:31:45,760

knows exactly what's happening and at

814

00:31:51,029 --> 00:31:48,240

the same time right

815

00:31:52,470 --> 00:31:51,039

we in a in our community also have to

816

00:31:55,590 --> 00:31:52,480

get used to

817

00:31:58,789 --> 00:31:55,600

these conversations happening in a way

818

00:32:02,310 --> 00:31:58,799

that don't necessarily even involve us

819

00:32:04,710 --> 00:32:02,320

because they they exist they will exist

820

00:32:05,990 --> 00:32:04,720

and have to exist culture wide right

821

00:32:07,830 --> 00:32:06,000

absolutely

822

00:32:09,509 --> 00:32:07,840

i don't think that people understand

823

00:32:11,110 --> 00:32:09,519

some people are here and i think that a

824

00:32:13,509 --> 00:32:11,120

lot of people are kind of

825

00:32:14,950 --> 00:32:13,519

um kind of hurt from this because

826

00:32:16,389 --> 00:32:14,960

there's been so many people in the

827

00:32:18,310 --> 00:32:16,399

community that have been experiencers

828

00:32:21,350 --> 00:32:18,320

for so long and been laughed at and all

829

00:32:23,029 --> 00:32:21,360

that and now we see um all these people

830

00:32:25,269 --> 00:32:23,039

coming out into the main public doing it

831

00:32:27,430 --> 00:32:25,279

like the popular people like people gave

832

00:32:28,310 --> 00:32:27,440

time to long stuff some people gave demi

833

00:32:30,470 --> 00:32:28,320

stuff but here's the thing with

834

00:32:32,630 --> 00:32:30,480

disclosure needs to be global it can't

835

00:32:34,389 --> 00:32:32,640

be for our small community otherwise we

836

00:32:35,750 --> 00:32:34,399

wouldn't even need the movement to be

837

00:32:37,430 --> 00:32:35,760

happening we wouldn't need the breaking

838

00:32:40,549 --> 00:32:37,440

of stigma if everybody already believed

839

00:32:41,990 --> 00:32:40,559

we need whoever will join and believe

840

00:32:44,230 --> 00:32:42,000

that this is real and that we need to

841

00:32:46,070 --> 00:32:44,240

expose truth and stigma and help people

842

00:32:47,909 --> 00:32:46,080

report these things we need it to happen

843

00:32:49,590 --> 00:32:47,919

however it's going to happen and we need

844

00:32:51,430 --> 00:32:49,600

these big names whether you like them or

845

00:32:54,950 --> 00:32:51,440

not we can't get disclosure by

846

00:32:56,149 --> 00:32:54,960

gatekeeping the disclosure

847

00:32:58,070 --> 00:32:56,159

i think that's such a great point

848

00:32:59,590 --> 00:32:58,080

priscilla and you know one of the

849

00:33:01,909 --> 00:32:59,600

concepts i really love that louis

850

00:33:04,149 --> 00:33:01,919

lozando's put forward a number of times

851

00:33:05,750 --> 00:33:04,159

is just the notion of a big tent right

852

00:33:07,669 --> 00:33:05,760

that we just need a big tent where like

853

00:33:09,430 --> 00:33:07,679

everyone is welcome right like we just

854

00:33:11,110 --> 00:33:09,440

need a lot of people with a lot of

855

00:33:12,710 --> 00:33:11,120

different views on this and like let's

856

00:33:15,590 --> 00:33:12,720

bring him into the tent and let's be in

857

00:33:17,350 --> 00:33:15,600

conversation and debate and clarify and

858

00:33:20,470 --> 00:33:17,360

challenge and support and and you know

859

00:33:21,909 --> 00:33:20,480

in an honest loving respectful way

860

00:33:23,990 --> 00:33:21,919

because i think your point brazil is

861

00:33:25,669 --> 00:33:24,000

really key like disclosure is going to

862

00:33:27,750 --> 00:33:25,679

look different within these different

863

00:33:29,750 --> 00:33:27,760

world views right you know like each

864

00:33:32,149 --> 00:33:29,760

worldview you know is going to approach

865

00:33:33,750 --> 00:33:32,159

it and respond to different things right

866

00:33:35,990 --> 00:33:33,760

and so if we're trying to manage the

867

00:33:37,750 --> 00:33:36,000

narrative in our own ufo logical way

868

00:33:39,830 --> 00:33:37,760

like we're just part of that same

869

00:33:42,149 --> 00:33:39,840

process right it's kind of like let a

870

00:33:44,230 --> 00:33:42,159

thousand you know blossoms bloom right

871

00:33:45,750 --> 00:33:44,240

you know like and how do we support that

872

00:33:48,310 --> 00:33:45,760

you know how do we support kind of a

873

00:33:50,710 --> 00:33:48,320

diversity of of dialogue and engagement

874

00:33:53,029 --> 00:33:50,720

while still trying to advocate for

875

00:33:54,630 --> 00:33:53,039

you know good information and and

876

00:33:56,389 --> 00:33:54,640

thoughtful and grounded and you know

877

00:33:58,549 --> 00:33:56,399

scientific or you know bringing the

878

00:34:00,230 --> 00:33:58,559

experiencers in i mean there's a lot to

879

00:34:02,870 --> 00:34:00,240

do to try and have it be a good

880

00:34:05,110 --> 00:34:02,880

conversation but i think having a big

881

00:34:06,789 --> 00:34:05,120

tent where we just really allow all of

882

00:34:08,149 --> 00:34:06,799

this to go on because

883

00:34:10,950 --> 00:34:08,159

you know it's

884

00:34:12,790 --> 00:34:10,960

it's it's a multi-front you know process

885

00:34:16,950 --> 00:34:12,800

you know it's it's going to be happening

886

00:34:20,389 --> 00:34:19,270

i couldn't agree with you more and

887

00:34:22,069 --> 00:34:20,399

i think

888

00:34:23,190 --> 00:34:22,079

you know you you touched on something

889

00:34:24,869 --> 00:34:23,200

that that

890

00:34:27,270 --> 00:34:24,879

i've been thinking about for a while and

891

00:34:28,629 --> 00:34:27,280

it's that the ability to discuss this

892

00:34:29,430 --> 00:34:28,639

and be open

893

00:34:31,669 --> 00:34:29,440

um

894

00:34:34,470 --> 00:34:31,679

and do it in an honest way and honest

895

00:34:36,550 --> 00:34:34,480

fashion like if you are interested in

896

00:34:39,190 --> 00:34:36,560

this topic or you want to take part in

897

00:34:42,790 --> 00:34:39,200

the discussion it's imperative that you

898

00:34:45,349 --> 00:34:42,800

don't come with a glass half empty

899

00:34:48,950 --> 00:34:45,359

you know kind of attitude which so many

900

00:34:51,990 --> 00:34:48,960

people do and that negativity um is what

901
00:34:53,990 --> 00:34:52,000
kind of poisons the well so to speak you

902
00:34:56,790 --> 00:34:54,000
don't have to come and you know throw

903
00:34:58,790 --> 00:34:56,800
your critical thinking in the garbage um

904
00:35:00,950 --> 00:34:58,800
and just believe everything those aren't

905
00:35:03,829 --> 00:35:00,960
the two options you know

906
00:35:06,710 --> 00:35:03,839
um the option is to come and open your

907
00:35:09,190 --> 00:35:06,720
mind to what the possibilities could be

908
00:35:11,190 --> 00:35:09,200
um and to help it in a positive manner

909
00:35:13,349 --> 00:35:11,200
so um i think what you guys are saying

910
00:35:15,109 --> 00:35:13,359
is great yeah

911
00:35:16,710 --> 00:35:15,119
if you have anything else to add to that

912
00:35:17,310 --> 00:35:16,720
you can otherwise i could pop another

913
00:35:19,430 --> 00:35:17,320

video

914

00:35:22,230 --> 00:35:19,440

[Laughter]

915

00:35:25,750 --> 00:35:22,240

well what you were just saying about

916

00:35:29,109 --> 00:35:25,760

openmon and everything um one person

917

00:35:32,630 --> 00:35:29,119

this week on ufo twitter asked

918

00:35:33,829 --> 00:35:32,640

well how do we listen to experiencers

919

00:35:35,190 --> 00:35:33,839

and know

920

00:35:37,190 --> 00:35:35,200

if they're telling the truth and

921

00:35:38,950 --> 00:35:37,200

everything and i said

922

00:35:40,870 --> 00:35:38,960

you just listen

923

00:35:43,109 --> 00:35:40,880

i said just listen

924

00:35:45,349 --> 00:35:43,119

to everybody

925

00:35:47,670 --> 00:35:45,359

i said you know not everybody's going to

926
00:35:48,950 --> 00:35:47,680
have the same experience

927
00:35:50,470 --> 00:35:48,960
and you're going to have to use your

928
00:35:51,270 --> 00:35:50,480
discernment

929
00:35:52,950 --> 00:35:51,280
but

930
00:35:56,390 --> 00:35:52,960
you have to have

931
00:35:59,510 --> 00:35:56,400
an open mind to hear it before you shut

932
00:36:01,910 --> 00:35:59,520
it down or before you start judging

933
00:36:04,470 --> 00:36:01,920
and i think you know that goes with that

934
00:36:05,750 --> 00:36:04,480
you can't have a conversation without

935
00:36:07,670 --> 00:36:05,760
listening

936
00:36:10,390 --> 00:36:07,680
and you know what to me you don't even

937
00:36:12,630 --> 00:36:10,400
have to believe an experience here you

938
00:36:14,390 --> 00:36:12,640

don't have to believe them to still

939

00:36:16,230 --> 00:36:14,400

be positive and engaged in the

940

00:36:18,310 --> 00:36:16,240

conversation you know because let's be

941

00:36:21,670 --> 00:36:18,320

honest even like john mack or anybody

942

00:36:23,829 --> 00:36:21,680

else has always said like he's

943

00:36:26,390 --> 00:36:23,839

you know in that video we played he was

944

00:36:28,310 --> 00:36:26,400

gearing towards a you know a system

945

00:36:29,589 --> 00:36:28,320

you know to figure out

946

00:36:31,190 --> 00:36:29,599

for that but

947

00:36:32,870 --> 00:36:31,200

but in the end there's there's always

948

00:36:35,829 --> 00:36:32,880

going to be a bad apple that is no

949

00:36:38,550 --> 00:36:35,839

different than anything else that exists

950

00:36:41,349 --> 00:36:38,560

in the world you know like your favorite

951
00:36:43,190 --> 00:36:41,359
basketball team or favorite movie like

952
00:36:45,270 --> 00:36:43,200
you know there's going to be the great

953
00:36:48,069 --> 00:36:45,280
actors who you love then there's going

954
00:36:50,790 --> 00:36:48,079
to be the crappy one that you don't like

955
00:36:52,230 --> 00:36:50,800
and you know who lied and stole a bunch

956
00:36:54,470 --> 00:36:52,240
of money from his girlfriend in real

957
00:36:57,190 --> 00:36:54,480
life or whatever like you know like

958
00:36:59,349 --> 00:36:57,200
there's always going like i think

959
00:37:01,750 --> 00:36:59,359
sometimes we have the

960
00:37:05,349 --> 00:37:01,760
um the kind of tunnel vision of thinking

961
00:37:07,829 --> 00:37:05,359
that um issues that the ufo community or

962
00:37:10,630 --> 00:37:07,839
the disclosure or whatever

963
00:37:13,270 --> 00:37:10,640

like those issues are unique to it

964

00:37:16,069 --> 00:37:13,280

you know when that is not the case you

965

00:37:17,430 --> 00:37:16,079

know the same issues people have

966

00:37:19,670 --> 00:37:17,440

everywhere else

967

00:37:20,470 --> 00:37:19,680

it follows us here too

968

00:37:22,310 --> 00:37:20,480

so

969

00:37:25,589 --> 00:37:22,320

i just think it's important to know that

970

00:37:27,430 --> 00:37:25,599

be cognizant of it and not to you know

971

00:37:30,550 --> 00:37:27,440

just think because someone

972

00:37:32,550 --> 00:37:30,560

has a wild experience that all of a

973

00:37:34,550 --> 00:37:32,560

sudden you have to treat them

974

00:37:37,109 --> 00:37:34,560

any different than you would anyone else

975

00:37:38,790 --> 00:37:37,119

you know whether you believe them or not

976
00:37:40,310 --> 00:37:38,800
another one to come forward if people

977
00:37:42,069 --> 00:37:40,320
keep treating them that way

978
00:37:43,430 --> 00:37:42,079
you know um whether they're telling the

979
00:37:44,710 --> 00:37:43,440
truth or not like you said like linda

980
00:37:47,270 --> 00:37:44,720
said just listen

981
00:37:49,270 --> 00:37:47,280
and the more stories we hear the more

982
00:37:51,109 --> 00:37:49,280
experiences we hear about

983
00:37:53,349 --> 00:37:51,119
will be able to kind of find some ways

984
00:37:55,270 --> 00:37:53,359
to differentiate between who's telling

985
00:37:56,790 --> 00:37:55,280
the truth and who's actually lived this

986
00:37:58,310 --> 00:37:56,800
versus somebody that might have had some

987
00:38:00,310 --> 00:37:58,320
sort of hallucination versus somebody

988
00:38:02,310 --> 00:38:00,320

that's just making it up but we're not

989

00:38:03,349 --> 00:38:02,320

going to get to see these different

990

00:38:04,630 --> 00:38:03,359

we're not going to be able to measure

991

00:38:07,270 --> 00:38:04,640

the different things if we don't get

992

00:38:09,349 --> 00:38:07,280

enough people to tell their stories or

993

00:38:11,190 --> 00:38:09,359

their experiences and i kind of am like

994

00:38:12,470 --> 00:38:11,200

afraid to use the word story because it

995

00:38:13,910 --> 00:38:12,480

kind of um

996

00:38:15,510 --> 00:38:13,920

it can be like kind of you know

997

00:38:17,829 --> 00:38:15,520

victimizing to the person saying you

998

00:38:19,750 --> 00:38:17,839

don't believe them

999

00:38:21,430 --> 00:38:19,760

so you want to hear as many experiences

1000

00:38:23,270 --> 00:38:21,440

as possible whether you believe it or

1001
00:38:24,870 --> 00:38:23,280
not like she said just listen take notes

1002
00:38:27,349 --> 00:38:24,880
if you want and then you can start

1003
00:38:30,069 --> 00:38:27,359
comparing like the the things that

1004
00:38:32,470 --> 00:38:30,079
happened in most experiences experiences

1005
00:38:34,230 --> 00:38:32,480
and things that kind of seem like they

1006
00:38:35,510 --> 00:38:34,240
have they're like they're an outlier or

1007
00:38:37,030 --> 00:38:35,520
part of their story or part of their

1008
00:38:38,230 --> 00:38:37,040
experience is kind of like an outlier so

1009
00:38:40,950 --> 00:38:38,240
you want to kind of like watch it a

1010
00:38:42,470 --> 00:38:40,960
little more maybe

1011
00:38:44,310 --> 00:38:42,480
you know and if we look at

1012
00:38:45,829 --> 00:38:44,320
qualitative and quantitative research

1013
00:38:47,910 --> 00:38:45,839

right like if you look at people who

1014

00:38:49,910 --> 00:38:47,920

actually research different kinds of

1015

00:38:52,870 --> 00:38:49,920

psychological sociological natural

1016

00:38:55,510 --> 00:38:52,880

phenomenon there's actually an amazing

1017

00:38:58,150 --> 00:38:55,520

landscape of different criteria for

1018

00:39:00,710 --> 00:38:58,160

truth in different contexts i think part

1019

00:39:02,710 --> 00:39:00,720

of what we bump up against is we we take

1020

00:39:04,870 --> 00:39:02,720

the criteria of truth that's associated

1021

00:39:06,470 --> 00:39:04,880

with natural science and we try and

1022

00:39:08,230 --> 00:39:06,480

apply that to

1023

00:39:10,230 --> 00:39:08,240

listening to an experimenter and that

1024

00:39:11,750 --> 00:39:10,240

doesn't always work very well because if

1025

00:39:13,349 --> 00:39:11,760

you look at qualitative researchers

1026

00:39:15,829 --> 00:39:13,359

researchers like psychologists and

1027

00:39:17,510 --> 00:39:15,839

sociologists who do in-depth interviews

1028

00:39:19,670 --> 00:39:17,520

you know and try and make sense of

1029

00:39:21,430 --> 00:39:19,680

different dynamics and psychological

1030

00:39:23,349 --> 00:39:21,440

sociological phenomena

1031

00:39:25,109 --> 00:39:23,359

they have criteria to tell whether or

1032

00:39:27,430 --> 00:39:25,119

not someone's being truthful and it's

1033

00:39:29,589 --> 00:39:27,440

things like are they sincere are they

1034

00:39:31,430 --> 00:39:29,599

vulnerable right do they do they display

1035

00:39:32,630 --> 00:39:31,440

or express some sense of vulnerability

1036

00:39:33,910 --> 00:39:32,640

and what they're sharing you know like

1037

00:39:36,950 --> 00:39:33,920

they're afraid that you're going to

1038

00:39:39,270 --> 00:39:36,960

think they're crazy right do they have

1039

00:39:41,510 --> 00:39:39,280

epistemic reflexivity like are they

1040

00:39:43,910 --> 00:39:41,520

demonstrating like reflective capacities

1041

00:39:45,750 --> 00:39:43,920

as they're sharing the information um

1042

00:39:47,270 --> 00:39:45,760

are there certain patterns that line up

1043

00:39:49,030 --> 00:39:47,280

with what they're sharing with what

1044

00:39:50,630 --> 00:39:49,040

other people who have claimed other

1045

00:39:53,030 --> 00:39:50,640

similar experiences right so there's

1046

00:39:54,870 --> 00:39:53,040

actually a really sophisticated you know

1047

00:39:57,109 --> 00:39:54,880

set of criteria

1048

00:39:59,030 --> 00:39:57,119

that professional researchers use to

1049

00:40:01,190 --> 00:39:59,040

help tell if someone's telling the truth

1050

00:40:03,510 --> 00:40:01,200

and we actually do that in an informal

1051

00:40:06,069 --> 00:40:03,520

way as well right so i think part of it

1052

00:40:08,309 --> 00:40:06,079

is as we bring experiencers into the

1053

00:40:09,829 --> 00:40:08,319

conversation more right and ju because i

1054

00:40:12,870 --> 00:40:09,839

think one of the risks with what's

1055

00:40:14,950 --> 00:40:12,880

happening now is like the conversation's

1056

00:40:16,630 --> 00:40:14,960

getting dominated by criteria associated

1057

00:40:18,230 --> 00:40:16,640

with science right and while that's

1058

00:40:20,230 --> 00:40:18,240

really important i think we also have to

1059

00:40:21,589 --> 00:40:20,240

bring the experiencers in right they can

1060

00:40:23,430 --> 00:40:21,599

in fact in some ways they're more

1061

00:40:25,190 --> 00:40:23,440

important because they they bring in the

1062

00:40:27,510 --> 00:40:25,200

quality of consciousness which seems to

1063

00:40:29,349 --> 00:40:27,520

be you know essential and foundational

1064

00:40:31,349 --> 00:40:29,359

to so much of the phenomenon so i think

1065

00:40:32,790 --> 00:40:31,359

we have to also start to expand our

1066

00:40:34,630 --> 00:40:32,800

understanding of kind of what is truth

1067

00:40:37,190 --> 00:40:34,640

how do we understand truth and that

1068

00:40:39,670 --> 00:40:37,200

there's different criteria that can be

1069

00:40:41,910 --> 00:40:39,680

used to verify truthfulness in different

1070

00:40:44,550 --> 00:40:41,920

contexts

1071

00:40:47,990 --> 00:40:44,560

i think that's beautiful what is reality

1072

00:40:49,430 --> 00:40:48,000

right what is truth um in the context of

1073

00:40:51,910 --> 00:40:49,440

that like

1074

00:40:54,470 --> 00:40:51,920

you know going back to john mack again

1075

00:40:56,950 --> 00:40:54,480

um you know it doesn't necessarily mean

1076

00:40:59,990 --> 00:40:56,960

that people are actually going in an

1077

00:41:02,069 --> 00:41:00,000

actual hard nuts and bolts spaceship or

1078

00:41:03,910 --> 00:41:02,079

maybe it does like we don't i don't

1079

00:41:05,910 --> 00:41:03,920

think we know enough to say that but it

1080

00:41:08,950 --> 00:41:05,920

brings me up to a topic i did want to

1081

00:41:10,390 --> 00:41:08,960

talk about is is you know

1082

00:41:12,230 --> 00:41:10,400

how do you

1083

00:41:15,190 --> 00:41:12,240

make the difference between if this is

1084

00:41:15,990 --> 00:41:15,200

outer space or inner space

1085

00:41:18,230 --> 00:41:16,000

yeah

1086

00:41:19,510 --> 00:41:18,240

i think i think that there's a really

1087

00:41:20,950 --> 00:41:19,520

i didn't mean to jump in there did you

1088

00:41:23,670 --> 00:41:20,960

have something further there that you

1089

00:41:25,430 --> 00:41:23,680

wanted to go with sean um no i think i

1090

00:41:26,230 --> 00:41:25,440

think that the the

1091

00:41:29,910 --> 00:41:26,240

oh

1092

00:41:35,910 --> 00:41:33,349

um i think i think along with what sean

1093

00:41:37,910 --> 00:41:35,920

and sean and priscilla and linda what

1094

00:41:41,109 --> 00:41:37,920

all of you are saying um

1095

00:41:41,910 --> 00:41:41,119

you know one thing here is that yes um

1096

00:41:45,750 --> 00:41:41,920

it

1097

00:41:47,589 --> 00:41:45,760

be respectful and again i've said this

1098

00:41:49,750 --> 00:41:47,599

before and i'll say it again

1099

00:41:51,349 --> 00:41:49,760

i don't need anybody to believe

1100

00:41:56,309 --> 00:41:51,359

what

1101

00:41:57,829 --> 00:41:56,319

i don't like that's unnecessary it's and

1102

00:41:59,430 --> 00:41:57,839

in fact it can be kind of

1103

00:42:02,069 --> 00:41:59,440

counterproductive to the conversation

1104

00:42:04,150 --> 00:42:02,079

moving forward like it's it's okay like

1105

00:42:05,430 --> 00:42:04,160

whoever doesn't resonate with that fine

1106

00:42:07,190 --> 00:42:05,440

just you know

1107

00:42:08,870 --> 00:42:07,200

go have a conversation that you will

1108

00:42:11,109 --> 00:42:08,880

resonate with at this point right

1109

00:42:13,270 --> 00:42:11,119

because there are plenty of people that

1110

00:42:15,510 --> 00:42:13,280

can resonate with this conversation at

1111

00:42:17,109 --> 00:42:15,520

any given point and i'm okay with that

1112

00:42:19,829 --> 00:42:17,119

right and i'm sure that many other

1113

00:42:21,750 --> 00:42:19,839

experiences are as well you know donald

1114

00:42:22,790 --> 00:42:21,760

hoffman uh

1115

00:42:24,950 --> 00:42:22,800

who

1116

00:42:27,270 --> 00:42:24,960

does a lot of work with

1117

00:42:29,589 --> 00:42:27,280

cognitive science and understanding

1118

00:42:31,270 --> 00:42:29,599

cognition wrote a really interesting

1119

00:42:33,349 --> 00:42:31,280

book called the case against reality a

1120

00:42:35,030 --> 00:42:33,359

couple years ago and

1121

00:42:36,470 --> 00:42:35,040

one of the and

1122

00:42:37,270 --> 00:42:36,480

in my

1123

00:42:44,630 --> 00:42:37,280

in

1124

00:42:46,870 --> 00:42:44,640

more people need to read john mack or

1125

00:42:50,150 --> 00:42:46,880

look into john mack other people should

1126

00:42:51,990 --> 00:42:50,160

also within this field look at

1127

00:42:54,069 --> 00:42:52,000

the work of people like don hoffman and

1128

00:42:57,030 --> 00:42:54,079

others that are looking at cognition

1129

00:43:00,470 --> 00:42:57,040

consciousness and even

1130

00:43:02,470 --> 00:43:00,480

even ai because those those people

1131

00:43:04,390 --> 00:43:02,480

focused on that are trying to figure out

1132

00:43:07,190 --> 00:43:04,400

how our brains work how our senses work

1133

00:43:08,630 --> 00:43:07,200

how how we take in information right

1134

00:43:10,630 --> 00:43:08,640

and what people are starting to

1135

00:43:15,190 --> 00:43:10,640

recognize as don hoffman puts in the

1136

00:43:16,150 --> 00:43:15,200

case against reality it seems like a a a

1137

00:43:16,950 --> 00:43:16,160

kind of

1138

00:43:30,870 --> 00:43:16,960

a

1139

00:43:33,589 --> 00:43:30,880

limited

1140

00:43:35,589 --> 00:43:33,599

visual spectrum we hear less than dogs

1141

00:43:38,790 --> 00:43:35,599

here you know there's so much along

1142

00:43:40,870 --> 00:43:38,800

those lines and what it comes down to is

1143

00:43:42,309 --> 00:43:40,880

that it seems like our senses are

1144

00:43:44,870 --> 00:43:42,319

actually dulled

1145

00:43:47,430 --> 00:43:44,880

or we have a filter on them

1146

00:43:49,030 --> 00:43:47,440

um and don hoffman's contention is that

1147

00:43:51,910 --> 00:43:49,040

this is so that

1148

00:43:53,670 --> 00:43:51,920

we're we're built to to get old enough

1149

00:43:57,190 --> 00:43:53,680

to procreate

1150

00:43:59,990 --> 00:43:57,200

and safely and and and everything has

1151
00:44:01,109 --> 00:44:00,000
been kind of like sanded down in terms

1152
00:44:07,109 --> 00:44:01,119
of our

1153
00:44:09,510 --> 00:44:07,119
we do that right and it seems like you

1154
00:44:11,589 --> 00:44:09,520
know and embedded in that might be the

1155
00:44:13,349 --> 00:44:11,599
idea that there are all sorts of things

1156
00:44:14,790 --> 00:44:13,359
maybe within what eric davis called the

1157
00:44:16,710 --> 00:44:14,800
shadow biome

1158
00:44:17,910 --> 00:44:16,720
that are right here next to us at any

1159
00:44:20,230 --> 00:44:17,920
given point

1160
00:44:21,750 --> 00:44:20,240
and we've even we've been evolved to not

1161
00:44:24,630 --> 00:44:21,760
see them

1162
00:44:26,870 --> 00:44:24,640
so that so that we can just get by right

1163
00:44:28,230 --> 00:44:26,880

and along those lines you know there's

1164

00:44:30,069 --> 00:44:28,240

there's so much

1165

00:44:32,790 --> 00:44:30,079

along

1166

00:44:34,710 --> 00:44:32,800

in ufology that where we don't want

1167

00:44:35,990 --> 00:44:34,720

we don't want to lose information and i

1168

00:44:37,990 --> 00:44:36,000

think that that's one thing that

1169

00:44:39,750 --> 00:44:38,000

everybody can get on board with like

1170

00:44:41,510 --> 00:44:39,760

whether you're an experimenter or you're

1171

00:44:43,109 --> 00:44:41,520

not an experimenter or whether you're not

1172

00:44:45,190 --> 00:44:43,119

even given to

1173

00:44:47,270 --> 00:44:45,200

wanting to listen to experiences

1174

00:44:50,069 --> 00:44:47,280

quote-unquote claims i hate that word

1175

00:44:51,589 --> 00:44:50,079

too claims really bums me out right

1176
00:44:53,990 --> 00:44:51,599
because most people that come forward

1177
00:44:56,309 --> 00:44:54,000
about this stuff like they like it's at

1178
00:44:57,829 --> 00:44:56,319
great personal risk oh yeah

1179
00:45:00,390 --> 00:44:57,839
right and so

1180
00:45:02,069 --> 00:45:00,400
um along those lines you know within the

1181
00:45:04,470 --> 00:45:02,079
experiencer group

1182
00:45:06,710 --> 00:45:04,480
we've had about 1100 people come through

1183
00:45:08,550 --> 00:45:06,720
and you can start making

1184
00:45:10,870 --> 00:45:08,560
you can start putting things together

1185
00:45:12,870 --> 00:45:10,880
you know once you start having these

1186
00:45:14,790 --> 00:45:12,880
numbers kind of like accumulate you

1187
00:45:16,470 --> 00:45:14,800
start you start seeing patterns develop

1188
00:45:18,630 --> 00:45:16,480

in front of you they don't it doesn't

1189

00:45:20,950 --> 00:45:18,640

mean that it's there's some grand

1190

00:45:21,910 --> 00:45:20,960

cohesion that i see at this point at all

1191

00:45:24,150 --> 00:45:21,920

but like

1192

00:45:27,030 --> 00:45:24,160

once you start hearing people being able

1193

00:45:29,349 --> 00:45:27,040

to speak freely without worrying about

1194

00:45:30,950 --> 00:45:29,359

whether somebody is going to

1195

00:45:31,670 --> 00:45:30,960

to to

1196

00:45:35,990 --> 00:45:31,680

to

1197

00:45:38,790 --> 00:45:36,000

ring some bell about whether something's

1198

00:45:40,230 --> 00:45:38,800

true or false or not so it doesn't

1199

00:45:42,309 --> 00:45:40,240

necessarily even have to be something

1200

00:45:44,710 --> 00:45:42,319

like the experienter group it can be

1201
00:45:46,390 --> 00:45:44,720
there needs to be more in my opinion

1202
00:45:48,470 --> 00:45:46,400
situations within

1203
00:45:50,550 --> 00:45:48,480
ufology and within the greater culture

1204
00:45:51,510 --> 00:45:50,560
where people can anonymously talk about

1205
00:45:54,309 --> 00:45:51,520
this stuff

1206
00:45:56,470 --> 00:45:54,319
to places maybe other than mufon right

1207
00:45:57,270 --> 00:45:56,480
maybe even other than the experiencer

1208
00:45:58,790 --> 00:45:57,280
group

1209
00:46:00,630 --> 00:45:58,800
like there needs to be a lot of

1210
00:46:02,309 --> 00:46:00,640
situations there needs to be a lot of

1211
00:46:05,109 --> 00:46:02,319
avenues where people can talk about

1212
00:46:07,349 --> 00:46:05,119
stuff and and maybe an even an anonymous

1213
00:46:08,550 --> 00:46:07,359

framework and along those lines even

1214

00:46:10,230 --> 00:46:08,560

there's one more thing that i want to

1215

00:46:13,430 --> 00:46:10,240

point out before we maybe go to the next

1216

00:46:15,510 --> 00:46:13,440

clip is that that we we often listen to

1217

00:46:17,030 --> 00:46:15,520

the idea of of

1218

00:46:18,470 --> 00:46:17,040

and i think this is critically important

1219

00:46:19,190 --> 00:46:18,480

to what we were just talking about is

1220

00:46:21,430 --> 00:46:19,200

that

1221

00:46:23,349 --> 00:46:21,440

there's often this idea of just

1222

00:46:24,950 --> 00:46:23,359

disclosure with a capital d that's going

1223

00:46:26,309 --> 00:46:24,960

to come from the government it's going

1224

00:46:29,829 --> 00:46:26,319

to come from some

1225

00:46:32,470 --> 00:46:29,839

old probably man at a podium somewhere

1226
00:46:34,470 --> 00:46:32,480
that's gonna tell you something and then

1227
00:46:35,910 --> 00:46:34,480
it's we're all gonna do a dance because

1228
00:46:38,550 --> 00:46:35,920
then we're gonna know what the truth is

1229
00:46:40,069 --> 00:46:38,560
or something like that as if our any one

1230
00:46:42,069 --> 00:46:40,079
particular dysfunctional government is

1231
00:46:44,870 --> 00:46:42,079
gonna know exactly what's going on with

1232
00:46:47,990 --> 00:46:44,880
reality with all of reality with all of

1233
00:46:51,190 --> 00:46:48,000
the universe but we do have the ability

1234
00:46:53,270 --> 00:46:51,200
as experiencers and as listeners

1235
00:46:54,630 --> 00:46:53,280
to embrace the idea of personal

1236
00:46:57,349 --> 00:46:54,640
disclosure

1237
00:47:00,550 --> 00:46:57,359
like what what ha like what happened to

1238
00:47:02,150 --> 00:47:00,560

you and who what loved one can you trust

1239

00:47:04,790 --> 00:47:02,160

with that information

1240

00:47:06,069 --> 00:47:04,800

and are you are you that loved one are

1241

00:47:07,910 --> 00:47:06,079

you the loved one and not the

1242

00:47:09,190 --> 00:47:07,920

experencer can you listen with a more

1243

00:47:11,430 --> 00:47:09,200

open mind

1244

00:47:12,870 --> 00:47:11,440

and think back to times where people

1245

00:47:14,390 --> 00:47:12,880

have like tried to tell you these

1246

00:47:17,190 --> 00:47:14,400

vulnerable truths

1247

00:47:19,109 --> 00:47:17,200

and you know again we can we can spread

1248

00:47:22,069 --> 00:47:19,119

things organically as well because that

1249

00:47:24,470 --> 00:47:22,079

does seem to be something that that at

1250

00:47:26,790 --> 00:47:24,480

least some of these other beings

1251
00:47:29,270 --> 00:47:26,800
maybe are interested in they might be

1252
00:47:32,309 --> 00:47:29,280
interested in these kinds of more

1253
00:47:34,870 --> 00:47:32,319
um organic even grassroots

1254
00:47:37,030 --> 00:47:34,880
uh kind of situations

1255
00:47:40,150 --> 00:47:37,040
yeah and i mean really it how

1256
00:47:41,670 --> 00:47:40,160
unrealistic is it to to honestly think

1257
00:47:42,870 --> 00:47:41,680
something like this

1258
00:47:45,670 --> 00:47:42,880
exists

1259
00:47:48,069 --> 00:47:45,680
in which is probably many different ways

1260
00:47:49,510 --> 00:47:48,079
but it's only up to the white house to

1261
00:47:51,670 --> 00:47:49,520
tell us about it

1262
00:47:54,710 --> 00:47:51,680
um i just don't think that's really

1263
00:47:56,549 --> 00:47:54,720

grounded in reality i i would you know i

1264

00:47:58,390 --> 00:47:56,559

actually go back to this conversation i

1265

00:48:01,109 --> 00:47:58,400

had with sean cahill where he's like i'm

1266

00:48:02,069 --> 00:48:01,119

more inclined to think if if there's

1267

00:48:05,190 --> 00:48:02,079

like

1268

00:48:07,589 --> 00:48:05,200

a disclosure it would probably be more

1269

00:48:08,950 --> 00:48:07,599

up to them to make the move i would

1270

00:48:11,430 --> 00:48:08,960

think

1271

00:48:13,109 --> 00:48:11,440

you know but otherwise you know digging

1272

00:48:15,670 --> 00:48:13,119

in within yourself and finding your own

1273

00:48:17,270 --> 00:48:15,680

truth i thought was beautiful uh jay

1274

00:48:18,150 --> 00:48:17,280

because um

1275

00:48:19,670 --> 00:48:18,160

you know

1276

00:48:22,069 --> 00:48:19,680

i think some people

1277

00:48:24,549 --> 00:48:22,079

you know would think or or act like

1278

00:48:26,390 --> 00:48:24,559

that's some sort of cop-out you know to

1279

00:48:29,270 --> 00:48:26,400

find oh you're just you got your own

1280

00:48:30,870 --> 00:48:29,280

truth okay whatever you know but i mean

1281

00:48:32,549 --> 00:48:30,880

in the end who

1282

00:48:34,470 --> 00:48:32,559

you know you're going to bed with with

1283

00:48:36,630 --> 00:48:34,480

your mind you're looking at yourself in

1284

00:48:38,470 --> 00:48:36,640

the mirror you're living your life so

1285

00:48:41,030 --> 00:48:38,480

but you know you have to be comfortable

1286

00:48:41,829 --> 00:48:41,040

with yourself to love yourself and you

1287

00:48:43,750 --> 00:48:41,839

know

1288

00:48:45,589 --> 00:48:43,760

you you won't be able to do that with

1289

00:48:47,190 --> 00:48:45,599

somebody else's truth

1290

00:48:48,710 --> 00:48:47,200

you'll only be able to do that with your

1291

00:48:55,030 --> 00:48:48,720

own so

1292

00:48:55,040 --> 00:48:58,710

that's it

1293

00:49:02,390 --> 00:49:00,230

yeah it's um

1294

00:49:04,870 --> 00:49:02,400

okay so first of all you gave me a

1295

00:49:06,870 --> 00:49:04,880

ridiculous um when you said dance around

1296

00:49:08,309 --> 00:49:06,880

i just pictured ufo flash mob

1297

00:49:10,069 --> 00:49:08,319

so i was trying not to laugh because i

1298

00:49:12,069 --> 00:49:10,079

get crazy thoughts um

1299

00:49:13,510 --> 00:49:12,079

but you did say something sean before we

1300

00:49:15,670 --> 00:49:13,520

um started talking about this he said

1301

00:49:18,950 --> 00:49:15,680

something about um how do we even know

1302

00:49:21,430 --> 00:49:18,960

it's happening on this oh which one

1303

00:49:24,230 --> 00:49:21,440

okay what oh my gosh there's two of you

1304

00:49:25,750 --> 00:49:24,240

um sr sean oh

1305

00:49:27,270 --> 00:49:25,760

well both of you actually know it'd be

1306

00:49:28,630 --> 00:49:27,280

great to hear both of you

1307

00:49:29,910 --> 00:49:28,640

you know

1308

00:49:31,750 --> 00:49:29,920

but you said something like how do we

1309

00:49:33,990 --> 00:49:31,760

know it's even happening like on like

1310

00:49:35,430 --> 00:49:34,000

physically almost um

1311

00:49:37,589 --> 00:49:35,440

a lot of people we don't know enough

1312

00:49:39,829 --> 00:49:37,599

about consciousness and parallel

1313

00:49:41,510 --> 00:49:39,839

dimensions in the many worlds theory to

1314

00:49:43,430 --> 00:49:41,520

actually even say whether that's a thing

1315

00:49:45,430 --> 00:49:43,440

or not because we have people that are

1316

00:49:47,589 --> 00:49:45,440

getting these um a lot of experiences

1317

00:49:48,630 --> 00:49:47,599

that i've met they kind of get dream

1318

00:49:50,470 --> 00:49:48,640

recall

1319

00:49:52,549 --> 00:49:50,480

um you know memories coming back in

1320

00:49:53,990 --> 00:49:52,559

their dreams and then a lot of there are

1321

00:49:56,790 --> 00:49:54,000

some people a lot of people that i've

1322

00:49:58,470 --> 00:49:56,800

talked to that are experiencers that

1323

00:50:00,150 --> 00:49:58,480

i'm not gonna say a lot because people

1324

00:50:01,349 --> 00:50:00,160

are starting to come to me more but

1325

00:50:05,589 --> 00:50:01,359

people

1326
00:50:07,750 --> 00:50:05,599
experiencers have had this thing happen

1327
00:50:09,990 --> 00:50:07,760
where they have a vivid dream and they

1328
00:50:12,710 --> 00:50:10,000
wake up with marks so

1329
00:50:14,870 --> 00:50:12,720
we just we are so embedded in these

1330
00:50:17,190 --> 00:50:14,880
other dimensions right now that we don't

1331
00:50:20,069 --> 00:50:17,200
think um outside of our own

1332
00:50:22,630 --> 00:50:20,079
when they might be parallel to us but

1333
00:50:23,510 --> 00:50:22,640
just a different vibration or in

1334
00:50:25,349 --> 00:50:23,520
different

1335
00:50:27,030 --> 00:50:25,359
you know if you heard all the dimensions

1336
00:50:28,790 --> 00:50:27,040
explained in physics like it's not

1337
00:50:30,230 --> 00:50:28,800
literally like up and down people might

1338
00:50:32,230 --> 00:50:30,240

think it's that way but

1339

00:50:34,630 --> 00:50:32,240

it could be both they could be

1340

00:50:36,710 --> 00:50:34,640

on in some part of deep space but then

1341

00:50:39,109 --> 00:50:36,720

the consciousness can travel

1342

00:50:41,829 --> 00:50:39,119

interdimensionally just like uh through

1343

00:50:44,470 --> 00:50:41,839

entanglement or um like the quantum

1344

00:50:46,790 --> 00:50:44,480

leaps so we don't know enough to even

1345

00:50:48,549 --> 00:50:46,800

say this is real this is not real but

1346

00:50:49,990 --> 00:50:48,559

what what scares the crap out of me is

1347

00:50:51,750 --> 00:50:50,000

the people that have had these big

1348

00:50:53,910 --> 00:50:51,760

dreams these real dreams they always say

1349

00:50:56,230 --> 00:50:53,920

oh it was so real it was so real this is

1350

00:50:57,910 --> 00:50:56,240

what they tell me and then they wake up

1351
00:51:00,549 --> 00:50:57,920
with these marks on themselves or they

1352
00:51:02,549 --> 00:51:00,559
wake up with um physical evidence and

1353
00:51:04,230 --> 00:51:02,559
that's something that if there was even

1354
00:51:05,670 --> 00:51:04,240
an anonymous place to collect that they

1355
00:51:06,950 --> 00:51:05,680
might come forward more because a lot of

1356
00:51:09,990 --> 00:51:06,960
the people are looking for evidence with

1357
00:51:11,910 --> 00:51:10,000
experiencers but it might only exist

1358
00:51:13,670 --> 00:51:11,920
like um almost like if you're exposed to

1359
00:51:15,270 --> 00:51:13,680
a virus and your immune system kicks up

1360
00:51:16,870 --> 00:51:15,280
you do blood work you know what i mean

1361
00:51:18,150 --> 00:51:16,880
your blood work will show that but

1362
00:51:19,910 --> 00:51:18,160
people don't have a place to go

1363
00:51:22,470 --> 00:51:19,920

immediately after an experience in most

1364

00:51:24,309 --> 00:51:22,480

cases even if you contact lufon or

1365

00:51:25,430 --> 00:51:24,319

somebody else they're they're not going

1366

00:51:27,030 --> 00:51:25,440

to get out there right away what are you

1367

00:51:28,870 --> 00:51:27,040

going to tell your doctor like hey i had

1368

00:51:29,670 --> 00:51:28,880

this dream and can you do some blood

1369

00:51:30,870 --> 00:51:29,680

work

1370

00:51:32,230 --> 00:51:30,880

good luck getting your insurance to

1371

00:51:33,910 --> 00:51:32,240

improve that but

1372

00:51:35,109 --> 00:51:33,920

i think that a lot of the evidence isn't

1373

00:51:36,390 --> 00:51:35,119

going to be

1374

00:51:39,030 --> 00:51:36,400

as scientific

1375

00:51:41,349 --> 00:51:39,040

and as uh three you know as

1376
00:51:43,109 --> 00:51:41,359
we are used to collecting evidence but

1377
00:51:45,510 --> 00:51:43,119
as jay was saying if we have more places

1378
00:51:48,150 --> 00:51:45,520
for people to report quicker

1379
00:51:49,510 --> 00:51:48,160
or more immediately after an experience

1380
00:51:51,510 --> 00:51:49,520
where they can get

1381
00:51:53,109 --> 00:51:51,520
like physical tests done like blood work

1382
00:51:54,710 --> 00:51:53,119
electromagnetic frequency testing and

1383
00:51:56,870 --> 00:51:54,720
stuff like that i think that we would

1384
00:51:58,470 --> 00:51:56,880
have more of a chance of catching the

1385
00:52:00,390 --> 00:51:58,480
evidence that everybody's looking out

1386
00:52:01,829 --> 00:52:00,400
for outside of this like small

1387
00:52:03,589 --> 00:52:01,839
experience or group where we just know

1388
00:52:06,390 --> 00:52:03,599

it's happening or maybe it's happened to

1389

00:52:10,790 --> 00:52:08,950

yeah that's great i i can say like for

1390

00:52:12,230 --> 00:52:10,800

instance if that existed

1391

00:52:14,870 --> 00:52:12,240

you know and i knew that was available

1392

00:52:16,309 --> 00:52:14,880

to me i would have went

1393

00:52:20,549 --> 00:52:16,319

you know

1394

00:52:22,390 --> 00:52:20,559

it is available to some people um i have

1395

00:52:25,030 --> 00:52:22,400

done that type of thing

1396

00:52:27,910 --> 00:52:25,040

you have to be careful about who it is

1397

00:52:30,549 --> 00:52:27,920

that you're giving it to because

1398

00:52:33,270 --> 00:52:30,559

you do not know what it's ultimately

1399

00:52:36,309 --> 00:52:33,280

being used for and you also lose

1400

00:52:40,309 --> 00:52:36,319

possession of things

1401

00:52:44,829 --> 00:52:42,790

well maybe this is a good time to

1402

00:52:46,390 --> 00:52:44,839

take a little break

1403

00:52:48,069 --> 00:52:46,400

and

1404

00:52:49,510 --> 00:52:48,079

come back in about five minutes or

1405

00:52:51,430 --> 00:52:49,520

something else unless you guys want to

1406

00:52:53,829 --> 00:52:51,440

keep rolling i'll just stitch out for a

1407

00:52:59,349 --> 00:52:56,309

uh but something that kind of builds on

1408

00:53:00,470 --> 00:52:59,359

several other themes here

1409

00:53:02,230 --> 00:53:00,480

yeah

1410

00:53:04,309 --> 00:53:02,240

and well i i think it's interesting we

1411

00:53:07,510 --> 00:53:04,319

look at kind of

1412

00:53:09,670 --> 00:53:07,520

you know michio kaku who often makes

1413

00:53:12,390 --> 00:53:09,680

this comment i've seen him make three or

1414

00:53:14,069 --> 00:53:12,400

four times get an ashtray right like

1415

00:53:15,990 --> 00:53:14,079

when you're on the ship if you've been

1416

00:53:18,069 --> 00:53:16,000

abducted get an ashtray

1417

00:53:20,790 --> 00:53:18,079

and and i just think like oh my gosh

1418

00:53:22,630 --> 00:53:20,800

like like seriously but like you know

1419

00:53:24,630 --> 00:53:22,640

this is that's the whole point right

1420

00:53:25,670 --> 00:53:24,640

it's like to him because he's a

1421

00:53:28,710 --> 00:53:25,680

physicist

1422

00:53:30,950 --> 00:53:28,720

he only trafficks in objective reality

1423

00:53:33,270 --> 00:53:30,960

in with particular kind of criteria

1424

00:53:36,790 --> 00:53:33,280

which an ashtray from a spaceship would

1425

00:53:38,549 --> 00:53:36,800

would satisfy that right and so so he

1426

00:53:41,589 --> 00:53:38,559

only can see because of his worldview he

1427

00:53:44,309 --> 00:53:41,599

can only see physical evidence in that

1428

00:53:46,390 --> 00:53:44,319

simple location as physical evidence

1429

00:53:49,190 --> 00:53:46,400

right he's not going to even allow for

1430

00:53:51,430 --> 00:53:49,200

body marks or for you know any number of

1431

00:53:52,950 --> 00:53:51,440

other physical traces and evidence

1432

00:53:54,309 --> 00:53:52,960

because there is a lot there's four or

1433

00:53:55,910 --> 00:53:54,319

five different types of physical

1434

00:53:57,510 --> 00:53:55,920

evidence and different kinds of

1435

00:53:59,510 --> 00:53:57,520

abductions and

1436

00:54:01,829 --> 00:53:59,520

encounters with non-human intelligences

1437

00:54:03,270 --> 00:54:01,839

but he won't even allow that into you

1438

00:54:05,670 --> 00:54:03,280

know kind of the conversation like he

1439

00:54:08,950 --> 00:54:05,680

just kind of keeps it framed around like

1440

00:54:11,030 --> 00:54:08,960

an ashtray like an object

1441

00:54:13,190 --> 00:54:11,040

if you contrast that with john mack

1442

00:54:15,910 --> 00:54:13,200

right so john mack was a psychiatrist

1443

00:54:17,349 --> 00:54:15,920

right so we see him as an authority in

1444

00:54:19,990 --> 00:54:17,359

whether or not people are telling the

1445

00:54:21,910 --> 00:54:20,000

truth right like that's his job he's

1446

00:54:23,990 --> 00:54:21,920

gone through a lot of training to be

1447

00:54:26,710 --> 00:54:24,000

able to do that and one of the things he

1448

00:54:27,990 --> 00:54:26,720

often says in his um interviews is he

1449

00:54:30,230 --> 00:54:28,000

says

1450

00:54:32,710 --> 00:54:30,240

these people are not crazy like they

1451

00:54:35,589 --> 00:54:32,720

don't have psychopathology like i've ran

1452

00:54:37,750 --> 00:54:35,599

the test i've looked for the the

1453

00:54:39,510 --> 00:54:37,760

you know the examples of whether or not

1454

00:54:41,829 --> 00:54:39,520

they would be having these issues and

1455

00:54:44,230 --> 00:54:41,839

they don't right like all i can do is

1456

00:54:46,309 --> 00:54:44,240

believe them because you know like

1457

00:54:48,390 --> 00:54:46,319

they've passed all the criteria that i

1458

00:54:50,230 --> 00:54:48,400

have as a psychiatrist

1459

00:54:51,589 --> 00:54:50,240

right and so so i think it's interesting

1460

00:54:52,950 --> 00:54:51,599

that you know that's why i think we

1461

00:54:55,270 --> 00:54:52,960

really love john mack is because he

1462

00:54:57,750 --> 00:54:55,280

really made room for this aspect but

1463

00:55:01,109 --> 00:54:57,760

then coming back to michio kaku he

1464

00:55:02,789 --> 00:55:01,119

flipped he recently really shifted how

1465

00:55:05,510 --> 00:55:02,799

he's approaching this and that's i think

1466

00:55:08,390 --> 00:55:05,520

such a good example right of like at a

1467

00:55:10,309 --> 00:55:08,400

certain threshold of kind of information

1468

00:55:12,309 --> 00:55:10,319

and evidence he started singing a

1469

00:55:14,390 --> 00:55:12,319

different tune and saying okay now the

1470

00:55:17,109 --> 00:55:14,400

burden of proof is no longer on the you

1471

00:55:18,950 --> 00:55:17,119

know the experiencers the burden of

1472

00:55:21,109 --> 00:55:18,960

proof is on the government and on you

1473

00:55:23,430 --> 00:55:21,119

know the the naysayers and you know and

1474

00:55:24,710 --> 00:55:23,440

so so i think that's really healthy for

1475

00:55:26,710 --> 00:55:24,720

us to see

1476

00:55:29,190 --> 00:55:26,720

you know a scientist like him being able

1477

00:55:31,349 --> 00:55:29,200

to shift like that now neil degrasse

1478

00:55:32,470 --> 00:55:31,359

tyson is not in that camp right he is

1479

00:55:34,549 --> 00:55:32,480

who knows

1480

00:55:36,390 --> 00:55:34,559

for him to come around right but i think

1481

00:55:38,710 --> 00:55:36,400

the other thing this points to is is

1482

00:55:41,430 --> 00:55:38,720

what i refer to as doubleness that the

1483

00:55:44,390 --> 00:55:41,440

phenomenon is simultaneously physical

1484

00:55:46,710 --> 00:55:44,400

and mental right and so if we're only

1485

00:55:48,630 --> 00:55:46,720

looking for it to be expressed in

1486

00:55:50,390 --> 00:55:48,640

concrete physical terms

1487

00:55:51,750 --> 00:55:50,400

we're going to you know

1488

00:55:53,670 --> 00:55:51,760

we're going to run up against the fact

1489

00:55:56,390 --> 00:55:53,680

that that's not how it really plays

1490

00:55:58,630 --> 00:55:56,400

right and that it it has aspects of that

1491

00:56:00,309 --> 00:55:58,640

but it also has a lot of dynamic you

1492

00:56:03,349 --> 00:56:00,319

know kind of mental

1493

00:56:06,309 --> 00:56:03,359

you know spiritual conscious aspects to

1494

00:56:09,670 --> 00:56:06,319

it and so people have dreams but then

1495

00:56:11,750 --> 00:56:09,680

they have physical realities that result

1496

00:56:14,710 --> 00:56:11,760

you know directly from those dreams so

1497

00:56:16,789 --> 00:56:14,720

the phenomenon moves across these

1498

00:56:18,870 --> 00:56:16,799

boundaries of subjective and objective

1499

00:56:21,190 --> 00:56:18,880

and john mack was really good also about

1500

00:56:23,030 --> 00:56:21,200

highlighting that and talking about the

1501
00:56:25,349 --> 00:56:23,040
shift of the phenomena from kind of the

1502
00:56:27,109 --> 00:56:25,359
subtle realms to the physical realms

1503
00:56:28,549 --> 00:56:27,119
right and i think that's part of what's

1504
00:56:30,630 --> 00:56:28,559
you know having our scientists kind of

1505
00:56:32,630 --> 00:56:30,640
throw their hands up as you know or why

1506
00:56:35,190 --> 00:56:32,640
a situation like skinwalker ranch is so

1507
00:56:36,390 --> 00:56:35,200
confusing right a lot of physical

1508
00:56:38,549 --> 00:56:36,400
elements but then there's a lot of

1509
00:56:41,109 --> 00:56:38,559
subjective consciousness elements and we

1510
00:56:43,430 --> 00:56:41,119
don't yet have a framework to know how

1511
00:56:45,349 --> 00:56:43,440
to hold all of that because for us

1512
00:56:47,430 --> 00:56:45,359
unless it's concrete and physical that's

1513
00:56:49,030 --> 00:56:47,440

the only thing that's real but here's

1514

00:56:51,349 --> 00:56:49,040

the phenomenon that seems to have

1515

00:56:54,069 --> 00:56:51,359

aspects of that but tends to play more

1516

00:56:55,829 --> 00:56:54,079

from the consciousness domain and so you

1517

00:56:58,549 --> 00:56:55,839

know we tend to just reduce it and

1518

00:57:00,470 --> 00:56:58,559

discount it as a result

1519

00:57:02,870 --> 00:57:00,480

yes

1520

00:57:05,109 --> 00:57:02,880

i think this is a really good point and

1521

00:57:07,750 --> 00:57:05,119

and you know there's there's so much

1522

00:57:10,150 --> 00:57:07,760

even within that that

1523

00:57:11,990 --> 00:57:10,160

you know first of all michio kaku is his

1524

00:57:14,309 --> 00:57:12,000

i'm glad he's singing a different tune

1525

00:57:16,309 --> 00:57:14,319

now a and i'm glad you brought that up

1526

00:57:17,910 --> 00:57:16,319

that i and i think

1527

00:57:20,870 --> 00:57:17,920

that it's all that it's kind of great

1528

00:57:23,109 --> 00:57:20,880

that kaku had that had that example for

1529

00:57:25,990 --> 00:57:23,119

so many years and others have as well

1530

00:57:28,150 --> 00:57:26,000

because because eventually that will be

1531

00:57:30,069 --> 00:57:28,160

like a really great case to study an

1532

00:57:32,950 --> 00:57:30,079

example for like

1533

00:57:34,470 --> 00:57:32,960

how unthinking people were with regard

1534

00:57:36,710 --> 00:57:34,480

to world views and with regards to

1535

00:57:39,349 --> 00:57:36,720

ontology because you know i think of all

1536

00:57:42,230 --> 00:57:39,359

the assumptions that are there like a

1537

00:57:43,030 --> 00:57:42,240

they have to smoke right or whatever

1538

00:57:45,190 --> 00:57:43,040

we

1539

00:57:46,950 --> 00:57:45,200

they they have to they they have to

1540

00:57:50,549 --> 00:57:46,960

still be at a level where where the

1541

00:57:52,950 --> 00:57:50,559

smoke leads to an ashtray and yeah

1542

00:57:54,870 --> 00:57:52,960

yeah and even we've even got vaping and

1543

00:57:58,150 --> 00:57:54,880

e-cigs and stuff like that so even we

1544

00:57:59,910 --> 00:57:58,160

have now transcended aliens

1545

00:58:01,589 --> 00:57:59,920

oh my god there goes another fundamental

1546

00:58:03,589 --> 00:58:01,599

picture just some alien kick back like

1547

00:58:05,750 --> 00:58:03,599

while you're on the table

1548

00:58:07,990 --> 00:58:05,760

right

1549

00:58:09,190 --> 00:58:08,000

and that we're fully conscious the whole

1550

00:58:11,109 --> 00:58:09,200

time

1551
00:58:13,510 --> 00:58:11,119
you know to be able to just do whatever

1552
00:58:16,069 --> 00:58:13,520
we want yes yeah yeah

1553
00:58:19,190 --> 00:58:16,079
yeah absolutely and the wooziness there

1554
00:58:20,630 --> 00:58:19,200
are so many factors that it just assumes

1555
00:58:23,589 --> 00:58:20,640
and and

1556
00:58:25,190 --> 00:58:23,599
at the same time i'm i'm i'm very very

1557
00:58:26,870 --> 00:58:25,200
glad that we

1558
00:58:29,109 --> 00:58:26,880
we're we're able to even joke about that

1559
00:58:30,309 --> 00:58:29,119
now that there's that when we talk about

1560
00:58:32,069 --> 00:58:30,319
things like what sean's talking about

1561
00:58:34,150 --> 00:58:32,079
with regards to consciousness and the

1562
00:58:37,349 --> 00:58:34,160
dreams and priscilla and linda brought

1563
00:58:39,990 --> 00:58:37,359

up as well that that you know

1564

00:58:41,349 --> 00:58:40,000

once you take it as a given once you

1565

00:58:44,230 --> 00:58:41,359

start to take it as a given that

1566

00:58:45,670 --> 00:58:44,240

telepathy is is possible the telepathic

1567

00:58:48,069 --> 00:58:45,680

communication is possible in these

1568

00:58:50,069 --> 00:58:48,079

contact cases you know once people start

1569

00:58:52,470 --> 00:58:50,079

actually looking at the literature that

1570

00:58:55,750 --> 00:58:52,480

way then then they'll they'll see you

1571

00:58:58,710 --> 00:58:55,760

know is that a purely

1572

00:59:00,549 --> 00:58:58,720

you know for years back that seemed like

1573

00:59:03,670 --> 00:59:00,559

something that was

1574

00:59:05,589 --> 00:59:03,680

witchy or woo or new agey or however you

1575

00:59:06,390 --> 00:59:05,599

want to think about it anyway

1576

00:59:08,950 --> 00:59:06,400

yeah

1577

00:59:11,430 --> 00:59:08,960

and yes and this which is a very very

1578

00:59:13,349 --> 00:59:11,440

good point and and the the further along

1579

00:59:15,430 --> 00:59:13,359

we get you know the the more that we're

1580

00:59:17,349 --> 00:59:15,440

able to say even now

1581

00:59:20,630 --> 00:59:17,359

and we probably should have been for

1582

00:59:21,349 --> 00:59:20,640

many decades now if not millennia right

1583

00:59:24,390 --> 00:59:21,359

that

1584

00:59:26,230 --> 00:59:24,400

it could be something innate to

1585

00:59:28,390 --> 00:59:26,240

consciousness it could also be something

1586

00:59:30,390 --> 00:59:28,400

that's aided by advanced tech

1587

00:59:32,789 --> 00:59:30,400

right where if if you can start to

1588

00:59:35,109 --> 00:59:32,799

manipulate space-time bubbles around you

1589

00:59:37,430 --> 00:59:35,119

or however they're faster than light

1590

00:59:38,390 --> 00:59:37,440

travel seems to work or if that's even

1591

00:59:40,470 --> 00:59:38,400

happening

1592

00:59:43,750 --> 00:59:40,480

right we can make all sorts of like

1593

00:59:45,910 --> 00:59:43,760

goofy you know we can think within that

1594

00:59:48,150 --> 00:59:45,920

kind of framework that kind of you know

1595

00:59:49,510 --> 00:59:48,160

not saying that's necessarily exactly

1596

00:59:51,030 --> 00:59:49,520

true but

1597

00:59:52,309 --> 00:59:51,040

going along with it for the sake of

1598

00:59:55,510 --> 00:59:52,319

argument right

1599

00:59:57,190 --> 00:59:55,520

uh so like if if even telepathy was

1600

00:59:59,910 --> 00:59:57,200

advanced tech right

1601
01:00:02,150 --> 00:59:59,920
if even you know years ago people would

1602
01:00:04,309 --> 01:00:02,160
be embarrassed about saying that they

1603
01:00:05,990 --> 01:00:04,319
were floated through a wall right that

1604
01:00:08,789 --> 01:00:06,000
they were levitated and floated through

1605
01:00:11,030 --> 01:00:08,799
a wall and the and

1606
01:00:13,109 --> 01:00:11,040
as we as we progress as science

1607
01:00:15,270 --> 01:00:13,119
progresses even within the last few

1608
01:00:17,510 --> 01:00:15,280
decades whether it's because of people

1609
01:00:19,670 --> 01:00:17,520
have observed this and other people have

1610
01:00:21,670 --> 01:00:19,680
kind of taken it and really thought

1611
01:00:23,750 --> 01:00:21,680
through it that there's the idea of

1612
01:00:26,390 --> 01:00:23,760
quantum tunneling which could which

1613
01:00:28,069 --> 01:00:26,400

involves the idea of of rearranging

1614

01:00:29,990 --> 01:00:28,079

physical matter so that it could slide

1615

01:00:31,670 --> 01:00:30,000

through other physical matter like this

1616

01:00:34,549 --> 01:00:31,680

is something that is theoretically

1617

01:00:37,270 --> 01:00:34,559

possible even for us now so

1618

01:00:39,990 --> 01:00:37,280

there's so much that when we think about

1619

01:00:42,390 --> 01:00:40,000

even within the idea of dreams within

1620

01:00:45,030 --> 01:00:42,400

consciousness right if if

1621

01:00:47,750 --> 01:00:45,040

we have this still made possibly

1622

01:00:49,829 --> 01:00:47,760

erroneous assumption that we can only be

1623

01:00:52,150 --> 01:00:49,839

communicated our telepathic

1624

01:00:54,470 --> 01:00:52,160

communication can only be happening when

1625

01:00:56,950 --> 01:00:54,480

we're in some kind of like alert or even

1626

01:00:58,710 --> 01:00:56,960

kind of zombie-like

1627

01:01:01,349 --> 01:00:58,720

like waking state

1628

01:01:04,630 --> 01:01:01,359

but we sleep so much of the time and

1629

01:01:06,630 --> 01:01:04,640

boy do these beings seem to really adore

1630

01:01:07,510 --> 01:01:06,640

three o'clock in the morning right and

1631

01:01:11,589 --> 01:01:07,520

so

1632

01:01:13,589 --> 01:01:11,599

you know we assume mysticism and things

1633

01:01:16,150 --> 01:01:13,599

like that but we but it doesn't

1634

01:01:17,109 --> 01:01:16,160

necessarily preclude advanced technology

1635

01:01:19,510 --> 01:01:17,119

as well

1636

01:01:21,589 --> 01:01:19,520

and in part i'm i'm bringing that up

1637

01:01:23,829 --> 01:01:21,599

just to say that you know like if you're

1638

01:01:25,589 --> 01:01:23,839

an obsessive nuts and bolts person you

1639

01:01:28,150 --> 01:01:25,599

can still

1640

01:01:30,230 --> 01:01:28,160

just get on board and just think

1641

01:01:32,549 --> 01:01:30,240

a little bit further down the road think

1642

01:01:33,910 --> 01:01:32,559

about where we could be in 400 years

1643

01:01:36,470 --> 01:01:33,920

think about where we could even be in

1644

01:01:39,510 --> 01:01:36,480

150 years and the idea of being able to

1645

01:01:41,109 --> 01:01:39,520

communicate communicate a message when

1646

01:01:43,510 --> 01:01:41,119

somebody is in

1647

01:01:44,789 --> 01:01:43,520

is drifting off to sleep doesn't seem as

1648

01:01:47,270 --> 01:01:44,799

impossible

1649

01:01:49,829 --> 01:01:47,280

uh as not as that's right

1650

01:01:53,430 --> 01:01:49,839

i can't remember offhand or i've seen

1651

01:01:55,750 --> 01:01:53,440

this but i think that's a thing already

1652

01:01:58,069 --> 01:01:55,760

um sending messages to people in their

1653

01:01:59,589 --> 01:01:58,079

sleep it's been a thing for a very long

1654

01:02:01,190 --> 01:01:59,599

time and the synchronicities line up

1655

01:02:02,549 --> 01:02:01,200

with the time and everything you don't

1656

01:02:04,710 --> 01:02:02,559

have to just look at

1657

01:02:07,510 --> 01:02:04,720

uh this phenomenon

1658

01:02:09,910 --> 01:02:07,520

to the phenomena around the you know the

1659

01:02:11,910 --> 01:02:09,920

abductions or experiences you don't even

1660

01:02:13,750 --> 01:02:11,920

have to look just at that there's you

1661

01:02:15,430 --> 01:02:13,760

look at almost any religion that is

1662

01:02:17,990 --> 01:02:15,440

considered mystical

1663

01:02:19,910 --> 01:02:18,000

that time period between three and when

1664

01:02:22,150 --> 01:02:19,920

the sun rises and actually a little bit

1665

01:02:25,109 --> 01:02:22,160

after the sun rises is a said to be a

1666

01:02:28,069 --> 01:02:25,119

sacred time and an opening for um for

1667

01:02:29,430 --> 01:02:28,079

you to con contact other realms

1668

01:02:30,950 --> 01:02:29,440

and if they're coming i know this is

1669

01:02:32,470 --> 01:02:30,960

very would you but i don't know you know

1670

01:02:35,029 --> 01:02:32,480

tripping me out because i talk in my

1671

01:02:37,349 --> 01:02:35,039

sleep every friday night and night

1672

01:02:39,029 --> 01:02:37,359

usually around one or two it's not just

1673

01:02:40,710 --> 01:02:39,039

this like there's so many parallels with

1674

01:02:42,549 --> 01:02:40,720

that time and with a lot that's

1675

01:02:44,710 --> 01:02:42,559

happening in the dream state that lines

1676

01:02:46,630 --> 01:02:44,720

up with with other people's belief

1677

01:02:48,150 --> 01:02:46,640

systems with different belief systems

1678

01:02:50,630 --> 01:02:48,160

all around the world and dating all the

1679

01:02:52,870 --> 01:02:50,640

way back to samaria so people have to

1680

01:02:54,309 --> 01:02:52,880

remember that this isn't just

1681

01:02:56,150 --> 01:02:54,319

but you're looking for nuts and bolts

1682

01:02:57,910 --> 01:02:56,160

you're looking for facts but some

1683

01:02:59,829 --> 01:02:57,920

there's a lot of things lining up if you

1684

01:03:02,230 --> 01:02:59,839

read about more than just your

1685

01:03:05,430 --> 01:03:02,240

scientific articles and you need to read

1686

01:03:07,510 --> 01:03:05,440

both because that's what i i read both i

1687

01:03:08,789 --> 01:03:07,520

was molecular about as a biology student

1688

01:03:11,109 --> 01:03:08,799

before i just decided to stay home with

1689

01:03:12,710 --> 01:03:11,119

my kids so i feel like you have to

1690

01:03:15,190 --> 01:03:12,720

balance the thing but i'm also very

1691

01:03:16,390 --> 01:03:15,200

spiritual so i can see both things and

1692

01:03:17,910 --> 01:03:16,400

sometimes when i'm reading something

1693

01:03:19,589 --> 01:03:17,920

they're like oh we just found this out

1694

01:03:21,190 --> 01:03:19,599

i'm like yes but that's been part of you

1695

01:03:23,109 --> 01:03:21,200

know that's been in the buddhist beliefs

1696

01:03:24,630 --> 01:03:23,119

that's in the vedas so it's weird that

1697

01:03:27,029 --> 01:03:24,640

you say we need to think forward about

1698

01:03:29,109 --> 01:03:27,039

technology but are we actually

1699

01:03:31,029 --> 01:03:29,119

have were we already there

1700

01:03:33,990 --> 01:03:31,039

and open to these things and then now we

1701

01:03:35,910 --> 01:03:34,000

got dumbed down or you know evolved a

1702

01:03:37,270 --> 01:03:35,920

certain way to not feel those things

1703

01:03:40,150 --> 01:03:37,280

that and see the things that are

1704

01:03:42,150 --> 01:03:40,160

actually happening around us

1705

01:03:44,309 --> 01:03:42,160

i have to drop off in just a moment but

1706

01:03:46,150 --> 01:03:44,319

i'll just make one more comment and then

1707

01:03:48,309 --> 01:03:46,160

say goodbye and it's been really

1708

01:03:49,349 --> 01:03:48,319

delightful to connect and chat with all

1709

01:03:51,109 --> 01:03:49,359

of you

1710

01:03:52,789 --> 01:03:51,119

the you know i think

1711

01:03:54,789 --> 01:03:52,799

one of the things i i spend a lot of

1712

01:03:57,270 --> 01:03:54,799

time reflecting on is this like

1713

01:03:59,990 --> 01:03:57,280

there's no evidence right i see this all

1714

01:04:02,069 --> 01:04:00,000

the time in like articles and people say

1715

01:04:03,990 --> 01:04:02,079

there's no evidence and and there's so

1716

01:04:05,510 --> 01:04:04,000

much evidence so how is it we live in a

1717

01:04:07,750 --> 01:04:05,520

world where on the one hand there's no

1718

01:04:10,150 --> 01:04:07,760

evidence and now on the other hand there

1719

01:04:11,829 --> 01:04:10,160

is so much evidence right this gets back

1720

01:04:13,510 --> 01:04:11,839

to this whole worldview issue that we're

1721

01:04:15,029 --> 01:04:13,520

talking about and this this notion of

1722

01:04:17,510 --> 01:04:15,039

epistemological authorities and kind of

1723

01:04:19,190 --> 01:04:17,520

what counts as evidence and i actually

1724

01:04:21,190 --> 01:04:19,200

spent several months making a list of

1725

01:04:23,829 --> 01:04:21,200

like all the different kinds of evidence

1726

01:04:25,430 --> 01:04:23,839

that i thought were solid and and i came

1727

01:04:26,789 --> 01:04:25,440

up with 30 right there was like

1728

01:04:28,230 --> 01:04:26,799

archaeological evidence there was

1729

01:04:30,390 --> 01:04:28,240

sociological evidence there was

1730

01:04:32,069 --> 01:04:30,400

political evidence there was military

1731

01:04:34,549 --> 01:04:32,079

evidence there was physical you know

1732

01:04:36,789 --> 01:04:34,559

like and i and i i made this list over

1733

01:04:38,950 --> 01:04:36,799

many months and i was just like wow like

1734

01:04:40,549 --> 01:04:38,960

there was so much evidence right and so

1735

01:04:42,150 --> 01:04:40,559

like how is it we live in this world

1736

01:04:44,390 --> 01:04:42,160

where there's no evidence and yet

1737

01:04:46,630 --> 01:04:44,400

there's a ton of it so the issues are

1738

01:04:48,950 --> 01:04:46,640

education right you know like you know

1739

01:04:50,230 --> 01:04:48,960

bringing people into up to speed like

1740

01:04:53,430 --> 01:04:50,240

letting them know

1741

01:04:55,029 --> 01:04:53,440

part of its exposure to all of this um

1742

01:04:56,950 --> 01:04:55,039

and part of it's just world view people

1743

01:04:58,549 --> 01:04:56,960

won't allow or admit some of that

1744

01:05:00,309 --> 01:04:58,559

evidence just because it goes against

1745

01:05:02,789 --> 01:05:00,319

their worldview and they'll just say

1746

01:05:05,190 --> 01:05:02,799

no it can't be because it can't be

1747

01:05:06,470 --> 01:05:05,200

it's like but wait a second um so you

1748

01:05:08,630 --> 01:05:06,480

know it's fascinating that there's so

1749

01:05:10,630 --> 01:05:08,640

much evidence and yet people constantly

1750

01:05:13,270 --> 01:05:10,640

say there's no evidence

1751

01:05:14,789 --> 01:05:13,280

um so with that i'm gonna bow out have a

1752

01:05:17,029 --> 01:05:14,799

great rest of your evening and weekend

1753

01:05:19,270 --> 01:05:17,039

everyone great thank you shawn thank you

1754

01:05:28,549 --> 01:05:19,280

so much i had a great time

1755

01:05:33,029 --> 01:05:30,549

is your hat sparkly

1756

01:05:34,870 --> 01:05:33,039

no i think i just have like white fuzz

1757

01:05:36,390 --> 01:05:34,880

on it or something well no it doesn't

1758

01:05:38,230 --> 01:05:36,400

like fuzz though it looks sparkly i was

1759

01:05:41,670 --> 01:05:38,240

just like wow he's got like a metallic

1760

01:05:44,390 --> 01:05:41,680

black beanie it really freaked me out as

1761

01:05:46,150 --> 01:05:44,400

i was leaving because i

1762

01:05:47,990 --> 01:05:46,160

full disclosure smoked a cigarette and

1763

01:05:49,990 --> 01:05:48,000

that's exactly what you guys went on

1764

01:05:51,670 --> 01:05:50,000

talking about for like the next five

1765

01:05:57,349 --> 01:05:51,680

minutes i'm like i gotta stop hanging

1766

01:06:05,750 --> 01:06:01,670

sean have jay tell you what um sean's

1767

01:06:08,390 --> 01:06:05,760

position is and what he just created

1768

01:06:11,029 --> 01:06:08,400

so we know who who it was that was just

1769

01:06:13,190 --> 01:06:11,039

here oh good idea yeah go ahead jake you

1770

01:06:14,950 --> 01:06:13,200

could do better to me

1771

01:06:18,390 --> 01:06:14,960

okay sure um

1772

01:06:21,270 --> 01:06:18,400

so so sean uh he's been teaching he's

1773

01:06:22,309 --> 01:06:21,280

been doing this this this this private

1774

01:06:23,750 --> 01:06:22,319

course

1775

01:06:25,750 --> 01:06:23,760

that's also been kind of a bit of a

1776

01:06:27,349 --> 01:06:25,760

think tank it was an opportunity it's

1777

01:06:28,630 --> 01:06:27,359

called exo studies

1778

01:06:31,029 --> 01:06:28,640

and um

1779

01:06:33,829 --> 01:06:31,039

and sean

1780

01:06:36,309 --> 01:06:33,839

sean came onto my radar back when uh i

1781

01:06:37,750 --> 01:06:36,319

was i was doing some community

1782

01:06:39,750 --> 01:06:37,760

management and things like that for

1783

01:06:42,549 --> 01:06:39,760

richard dolan's website

1784

01:06:43,430 --> 01:06:42,559

and working with him and sean

1785

01:06:44,870 --> 01:06:43,440

uh

1786

01:06:50,069 --> 01:06:44,880

has

1787

01:06:52,390 --> 01:06:50,079

historical work

1788

01:06:54,710 --> 01:06:52,400

um ufos in the national security state

1789

01:06:56,230 --> 01:06:54,720

et cetera et cetera and so

1790

01:07:01,270 --> 01:06:56,240

um

1791

01:07:04,390 --> 01:07:01,280

workshopping the idea of putting

1792

01:07:07,510 --> 01:07:04,400

together a curriculum so that so that

1793

01:07:10,789 --> 01:07:07,520

anomalous studies ufology and kind of a

1794

01:07:14,069 --> 01:07:10,799

much wider framework could be integrated

1795

01:07:17,589 --> 01:07:14,079

into curriculums in academic situations

1796

01:07:20,069 --> 01:07:17,599

right and so uh that's actually uh john

1797

01:07:22,630 --> 01:07:20,079

ramirez for example was in was was in

1798

01:07:25,029 --> 01:07:22,640

the exit studies workshopping course

1799

01:07:25,910 --> 01:07:25,039

that's how i met him about a year ago or

1800

01:07:31,670 --> 01:07:25,920

so

1801
01:07:32,870 --> 01:07:31,680
yeah i know i know john through there

1802
01:07:35,349 --> 01:07:32,880
and chance

1803
01:07:36,390 --> 01:07:35,359
sean's been doing this amazing job of

1804
01:07:39,029 --> 01:07:36,400
kind of

1805
01:07:41,750 --> 01:07:39,039
cobbling together sean has a sean's

1806
01:07:43,349 --> 01:07:41,760
doctorate i believe his is in philosophy

1807
01:07:44,870 --> 01:07:43,359
don't quote me on that i believe it is

1808
01:07:46,549 --> 01:07:44,880
and and he

1809
01:07:50,150 --> 01:07:46,559
um

1810
01:07:55,270 --> 01:07:50,160
recently got hired as a

1811
01:07:58,230 --> 01:07:55,280
as a program head at the california

1812
01:08:00,470 --> 01:07:58,240
institute for human science okay and

1813
01:08:03,349 --> 01:08:00,480

it's a it's a it's a

1814

01:08:06,470 --> 01:08:03,359

it's a somewhat smaller program but he

1815

01:08:07,349 --> 01:08:06,480

has he's created this new concentration

1816

01:08:09,990 --> 01:08:07,359

uh

1817

01:08:11,349 --> 01:08:10,000

within under the kind of umbrella of the

1818

01:08:14,069 --> 01:08:11,359

philosophy

1819

01:08:15,270 --> 01:08:14,079

program but it's in what's called noetic

1820

01:08:17,829 --> 01:08:15,280

sciences

1821

01:08:19,990 --> 01:08:17,839

um and and so

1822

01:08:22,149 --> 01:08:20,000

they focus at the california institute

1823

01:08:23,510 --> 01:08:22,159

for human science on mind body and

1824

01:08:26,070 --> 01:08:23,520

consciousness

1825

01:08:29,189 --> 01:08:26,080

studies cognition things like this and

1826

01:08:32,390 --> 01:08:29,199

so it created an opening for sean to

1827

01:08:33,910 --> 01:08:32,400

create a a doctorate program in

1828

01:08:35,510 --> 01:08:33,920

anomalous studies

1829

01:08:36,870 --> 01:08:35,520

and so

1830

01:08:38,870 --> 01:08:36,880

uh

1831

01:08:40,870 --> 01:08:38,880

it's pretty amazing i remember the day

1832

01:08:42,870 --> 01:08:40,880

that he he told me that this was gonna

1833

01:08:45,269 --> 01:08:42,880

happen and i was like

1834

01:08:47,990 --> 01:08:45,279

kind of floored right because there's

1835

01:08:49,829 --> 01:08:48,000

there's been some study of this but it's

1836

01:08:51,990 --> 01:08:49,839

often been in religious studies

1837

01:08:54,550 --> 01:08:52,000

departments like for example diana

1838

01:08:56,070 --> 01:08:54,560

pasulka who wrote american cosmic she's

1839

01:08:57,910 --> 01:08:56,080

got kind of a pocket of religious

1840

01:09:00,709 --> 01:08:57,920

studies that deals with

1841

01:09:03,189 --> 01:09:00,719

the history of anomalies within but it's

1842

01:09:04,870 --> 01:09:03,199

always couched in this idea of belief

1843

01:09:06,950 --> 01:09:04,880

and it's couched in the eye of the

1844

01:09:09,829 --> 01:09:06,960

framework of belief systems and things

1845

01:09:11,749 --> 01:09:09,839

like that and jeff kreipel at rice

1846

01:09:14,470 --> 01:09:11,759

university also has

1847

01:09:17,590 --> 01:09:14,480

a noetic religious studies wing that

1848

01:09:20,149 --> 01:09:17,600

that deals with esoterica and but again

1849

01:09:23,269 --> 01:09:20,159

it has a lot to do with belief systems

1850

01:09:24,870 --> 01:09:23,279

and not necessarily with regard to

1851

01:09:27,189 --> 01:09:24,880

what sean was just talking about like

1852

01:09:29,349 --> 01:09:27,199

physical evidence and like where do we

1853

01:09:31,510 --> 01:09:29,359

actually look at these things and so the

1854

01:09:33,669 --> 01:09:31,520

cool part is that now he has this

1855

01:09:35,669 --> 01:09:33,679

awesome masters and doctorate programs

1856

01:09:37,910 --> 01:09:35,679

that can be they can be a replicable

1857

01:09:38,709 --> 01:09:37,920

format they can hopefully

1858

01:09:43,590 --> 01:09:38,719

other

1859

01:09:45,349 --> 01:09:43,600

look at this and be able to to replicate

1860

01:09:46,870 --> 01:09:45,359

formats like this in the future so that

1861

01:09:50,470 --> 01:09:46,880

people can study people like jacques

1862

01:09:51,269 --> 01:09:50,480

villa or john mack or even richard dolan

1863

01:09:52,149 --> 01:09:51,279

or

1864

01:09:52,950 --> 01:09:52,159

you know

1865

01:09:57,110 --> 01:09:52,960

and

1866

01:10:00,149 --> 01:09:57,120

anybody like that which is super cool

1867

01:10:01,990 --> 01:10:00,159

right um because hopefully it'll create

1868

01:10:04,390 --> 01:10:02,000

you know even just with sean's program

1869

01:10:07,350 --> 01:10:04,400

that it'll it's you know it'll be it'll

1870

01:10:09,350 --> 01:10:07,360

be a ball that can turn into a snowball

1871

01:10:11,270 --> 01:10:09,360

coming down the mountain in terms of the

1872

01:10:13,030 --> 01:10:11,280

dialogues in the conversations that we

1873

01:10:16,070 --> 01:10:13,040

can have with people that are in

1874

01:10:20,229 --> 01:10:16,080

traditional academia as odd as it is it

1875

01:10:21,430 --> 01:10:20,239

sometimes feels like um you know

1876

01:10:23,910 --> 01:10:21,440

belief

1877

01:10:26,310 --> 01:10:23,920

in in anything

1878

01:10:27,750 --> 01:10:26,320

almost serve as shackles in this

1879

01:10:28,870 --> 01:10:27,760

you know kind of

1880

01:10:30,470 --> 01:10:28,880

study

1881

01:10:33,350 --> 01:10:30,480

um

1882

01:10:34,630 --> 01:10:33,360

and i don't know so it's like

1883

01:10:35,910 --> 01:10:34,640

you speak of all those studies that

1884

01:10:36,870 --> 01:10:35,920

they're kind of tied to belief and

1885

01:10:38,229 --> 01:10:36,880

everything

1886

01:10:40,550 --> 01:10:38,239

and it just

1887

01:10:42,310 --> 01:10:40,560

made me think of you know

1888

01:10:43,510 --> 01:10:42,320

any of us having belief in anything

1889

01:10:46,870 --> 01:10:43,520

maybe

1890

01:10:49,669 --> 01:10:46,880

what stops us from finding truth

1891

01:10:51,990 --> 01:10:49,679

you know and in our personal truth

1892

01:10:53,189 --> 01:10:52,000

um so yeah i just thought that was that

1893

01:10:57,990 --> 01:10:53,199

was pretty good

1894

01:11:02,550 --> 01:11:00,149

you know there's such beautiful minds in

1895

01:11:04,390 --> 01:11:02,560

this community um

1896

01:11:06,950 --> 01:11:04,400

that have done such great work and i

1897

01:11:08,950 --> 01:11:06,960

feel like their work kind of just

1898

01:11:11,030 --> 01:11:08,960

gets thrown under the bus because of the

1899

01:11:13,270 --> 01:11:11,040

community they do it in

1900

01:11:15,510 --> 01:11:13,280

um and it's too bad because you know avi

1901

01:11:17,590 --> 01:11:15,520

actually speaks of this as a the ego is

1902

01:11:20,709 --> 01:11:17,600

the root of all evil and and i think

1903

01:11:23,590 --> 01:11:20,719

that rings true a lot here you know

1904

01:11:26,550 --> 01:11:23,600

um the more we can admit that we don't

1905

01:11:27,830 --> 01:11:26,560

know anything the better off we'll be

1906

01:11:30,070 --> 01:11:27,840

um

1907

01:11:32,229 --> 01:11:30,080

you know and that's just a big

1908

01:11:33,510 --> 01:11:32,239

bigger picture general way of saying

1909

01:11:34,550 --> 01:11:33,520

everything but

1910

01:11:36,229 --> 01:11:34,560

um

1911

01:11:40,709 --> 01:11:36,239

yeah so far this has been a great

1912

01:11:42,229 --> 01:11:40,719

conversation so really happy with it

1913

01:11:45,110 --> 01:11:42,239

gladly agreed

1914

01:11:47,350 --> 01:11:45,120

yeah um we were gonna take a break i

1915

01:11:48,950 --> 01:11:47,360

already took my internet a cigarette so

1916

01:11:50,229 --> 01:11:48,960

if you guys don't need one we don't have

1917

01:11:52,550 --> 01:11:50,239

to take one

1918

01:11:56,070 --> 01:11:52,560

it's up to you so

1919

01:11:59,030 --> 01:11:56,080

we can go ahead okay all right so we'll

1920

01:12:00,870 --> 01:11:59,040

just take a quick little break and i'll

1921

01:12:03,430 --> 01:12:00,880

just leave it to jay to just kind of

1922

01:12:05,510 --> 01:12:03,440

talk to you guys one-on-one

1923

01:12:07,910 --> 01:12:05,520

um because that won't make them nervous

1924

01:12:09,990 --> 01:12:07,920

at all so i'm just kidding i'm just

1925

01:12:12,630 --> 01:12:10,000

kidding i'm just kidding so we'll take a

1926

01:12:14,310 --> 01:12:12,640

break and we will be right back with

1927

01:12:20,950 --> 01:12:14,320

some more talking

1928

01:12:25,270 --> 01:12:21,840

i'm just kidding

1929

01:12:26,790 --> 01:12:25,280

[Laughter]

1930

01:12:29,430 --> 01:12:26,800

so yeah well we'll just take a five

1931

01:12:30,550 --> 01:12:29,440

minute break yo um take your bathroom

1932

01:12:32,390 --> 01:12:30,560

breaks go

1933

01:12:54,670 --> 01:12:32,400

do whatever you got to do and we'll be

1934

01:12:54,680 --> 01:13:01,110

[Music]

1935

01:13:09,189 --> 01:13:04,630

everything started back in the 40s

1936

01:13:12,470 --> 01:13:09,199

media reported a crashed flying saucer

1937

01:13:15,030 --> 01:13:12,480

and now 80 years later

1938

01:13:16,470 --> 01:13:15,040

the decades of secrecy

1939

01:13:19,270 --> 01:13:16,480

led to a certain

1940

01:13:20,970 --> 01:13:19,280

unpreparedness

1941

01:13:23,510 --> 01:13:20,980

that was not unique to anyone

1942

01:13:26,390 --> 01:13:23,520

[Music]

1943

01:13:27,510 --> 01:13:26,400

and now et's are here and

1944

01:13:31,430 --> 01:13:27,520

well

1945

01:13:35,990 --> 01:13:34,149

i guess earth's resources are so rare

1946

01:13:38,790 --> 01:13:36,000

that they had to do it for survival

1947

01:13:41,750 --> 01:13:40,709

i mean everything pretty much looks the

1948

01:13:43,990 --> 01:13:41,760

same

1949

01:13:48,070 --> 01:13:44,000

people work

1950

01:13:52,070 --> 01:13:48,080

although all for the et's but they work

1951

01:13:57,669 --> 01:13:53,510

it's the 100

1952

01:14:02,149 --> 01:13:59,830

my wife and i moved to the midwest it's

1953

01:14:04,149 --> 01:14:02,159

a little less controlled there is the

1954

01:14:06,180 --> 01:14:04,159

aliens can't really seem to manage the

1955

01:14:08,709 --> 01:14:06,190

season change very well

1956

01:14:11,110 --> 01:14:08,719

[Music]

1957

01:14:14,070 --> 01:14:11,120

in retrospect it's maybe not my best

1958

01:14:16,550 --> 01:14:14,080

decision ever

1959

01:14:17,930 --> 01:14:16,560

i'm not working for aliens

1960

01:14:20,310 --> 01:14:17,940

and historian

1961

01:14:22,390 --> 01:14:20,320

[Music]

1962

01:14:26,229 --> 01:14:22,400

so the following is a story about how i

1963

01:14:33,830 --> 01:14:29,030

in all of this

1964

01:14:39,669 --> 01:14:36,630

all i could do was fight

1965

01:14:41,350 --> 01:14:39,679

fight for a place in this new world

1966

01:14:43,730 --> 01:14:41,360

and hopefully

1967

01:15:00,280 --> 01:14:43,740

get my wife back

1968

01:15:12,870 --> 01:15:08,870

[Music]

1969

01:15:15,750 --> 01:15:12,880

my go as far as i have to

1970

01:15:18,390 --> 01:15:15,760

to get back to you

1971

01:15:22,470 --> 01:15:18,400

driving to nowhere

1972

01:15:25,350 --> 01:15:22,480

moving as fast as i dare

1973

01:15:28,870 --> 01:15:25,360

convincing no one

1974

01:15:31,030 --> 01:15:28,880

plans on a formula

1975

01:15:36,310 --> 01:15:31,040

the rest is given

1976

01:15:42,940 --> 01:15:40,790

and it was really brilliant

1977

01:15:45,030 --> 01:15:42,950

and magnificent

1978

01:15:47,520 --> 01:15:45,040

[Music]

1979

01:16:10,709 --> 01:15:47,530

i wish

1980

01:16:35,990 --> 01:16:31,430

so

1981

01:16:38,149 --> 01:16:36,000

get a part in a movie or a play or

1982

01:16:40,709 --> 01:16:38,159

whatever when you can't make soundtrack

1983

01:16:41,920 --> 01:16:40,719

music what do you do

1984

01:16:43,910 --> 01:16:41,930

you make your own

1985

01:16:47,669 --> 01:16:43,920

[Laughter]

1986

01:16:49,350 --> 01:16:47,679

so that's what i did i actually did that

1987

01:16:50,740 --> 01:16:49,360

somewhat

1988

01:16:53,030 --> 01:16:50,750

close to

1989

01:16:55,189 --> 01:16:53,040

[Music]

1990

01:16:59,910 --> 01:16:55,199

um

1991

01:17:05,030 --> 01:17:02,070

when i started this stream and

1992

01:17:07,030 --> 01:17:05,040

everything so i actually shared it then

1993

01:17:10,550 --> 01:17:07,040

but um

1994

01:17:13,270 --> 01:17:10,560

you know i had like 100 followers maybe

1995

01:17:14,630 --> 01:17:13,280

just getting 10 views or so a day so i

1996

01:17:15,990 --> 01:17:14,640

don't know and then i get self-conscious

1997

01:17:17,510 --> 01:17:16,000

and i just took it down but i put it

1998

01:17:18,870 --> 01:17:17,520

back up and people are saying nice stuff

1999

01:17:20,790 --> 01:17:18,880

so um

2000

01:17:22,950 --> 01:17:20,800

i just you know that

2001
01:17:26,470 --> 01:17:22,960
makes me want to share it again so

2002
01:17:27,830 --> 01:17:26,480
with that being said i'm gonna play a

2003
01:17:30,550 --> 01:17:27,840
clip

2004
01:17:33,669 --> 01:17:30,560
that will

2005
01:17:35,910 --> 01:17:33,679
um further the next half of the

2006
01:17:36,270 --> 01:17:35,920
discussion

2007
01:17:38,229 --> 01:17:36,280
and

2008
01:17:41,030 --> 01:17:38,239
[Music]

2009
01:17:42,630 --> 01:17:41,040
it's pretty interesting so

2010
01:17:43,430 --> 01:17:42,640
first

2011
01:17:44,100 --> 01:17:43,440
oh

2012
01:17:46,709 --> 01:17:44,110
it was like

2013
01:17:50,229 --> 01:17:46,719

[Laughter]

2014

01:17:51,669 --> 01:17:50,239

so um the one thing i wanted to say

2015

01:17:54,950 --> 01:17:51,679

they're concerned about me with that

2016

01:17:59,110 --> 01:17:54,960

clip it it's not a real thing

2017

01:18:01,830 --> 01:17:59,120

i'm acting it's like a movie script

2018

01:18:04,149 --> 01:18:01,840

just so you know it's not real i made it

2019

01:18:06,470 --> 01:18:04,159

up yeah

2020

01:18:10,149 --> 01:18:06,480

we're all concerned tell us no no

2021

01:18:14,310 --> 01:18:10,159

seriously it's i wrote it so yeah

2022

01:18:16,070 --> 01:18:14,320

my wife loves me i love her we're happy

2023

01:18:18,070 --> 01:18:16,080

so yeah just say no

2024

01:18:19,830 --> 01:18:18,080

but you can you can tell us sean it's

2025

01:18:25,350 --> 01:18:19,840

okay

2026

01:18:28,390 --> 01:18:27,189

i just like doing that kind of

2027

01:18:32,790 --> 01:18:28,400

all right

2028

01:18:34,790 --> 01:18:32,800

so this uh this next clip is more of a

2029

01:18:37,590 --> 01:18:34,800

you know let me

2030

01:18:40,790 --> 01:18:37,600

let me know what you see in it i thought

2031

01:18:41,830 --> 01:18:40,800

there was so much said in this clip and

2032

01:18:44,790 --> 01:18:41,840

it's

2033

01:18:47,669 --> 01:18:44,800

um i think still rings true today

2034

01:18:50,470 --> 01:18:47,679

actually so and it's

2035

01:18:53,030 --> 01:18:50,480

it's an interesting one too so okay

2036

01:18:55,030 --> 01:18:53,040

i've seen a ufo on a plane is that a

2037

01:18:56,870 --> 01:18:55,040

in comedy what you saw gary tell me um

2038

01:18:59,830 --> 01:18:56,880

all i saw was a light that was falling

2039

01:19:01,590 --> 01:18:59,840

exactly along with our plane uh i was

2040

01:19:03,189 --> 01:19:01,600

sitting in the passenger window i kept

2041

01:19:05,070 --> 01:19:03,199

telling my mom look you're sitting in

2042

01:19:13,350 --> 01:19:05,080

the window why don't you sit in this

2043

01:19:17,430 --> 01:19:15,430

looking at a red light and a green light

2044

01:19:19,350 --> 01:19:17,440

and there was no body no shape or

2045

01:19:22,550 --> 01:19:19,360

nothing just these two lights was it

2046

01:19:26,790 --> 01:19:24,630

gary did it did it move away or did it

2047

01:19:28,709 --> 01:19:26,800

just stay there i turned to my mother

2048

01:19:29,990 --> 01:19:28,719

stupid me you know because you know when

2049

01:19:32,229 --> 01:19:30,000

you turn away from these things they're

2050

01:19:34,149 --> 01:19:32,239

not there i said ma will you look out

2051

01:19:37,189 --> 01:19:34,159

the

2052

01:19:38,709 --> 01:19:37,199

something here i was trying to tell you

2053

01:19:40,470 --> 01:19:38,719

that it was there and it wasn't there

2054

01:19:42,550 --> 01:19:40,480

anymore i mean i turned my back for two

2055

01:19:43,990 --> 01:19:42,560

seconds it wasn't there now what do you

2056

01:19:45,030 --> 01:19:44,000

call it

2057

01:19:50,550 --> 01:19:45,040

well it sounds like you might have had a

2058

01:19:55,030 --> 01:19:52,300

i want two copies of your book

2059

01:19:59,350 --> 01:19:55,040

[Laughter]

2060

01:20:03,189 --> 01:20:01,350

you got the 40 bucks j well we'll strike

2061

01:20:04,790 --> 01:20:03,199

a deal now is that a common occurrence

2062

01:20:06,390 --> 01:20:04,800

in a sense if one person sees it nobody

2063

01:20:07,990 --> 01:20:06,400

else does no no no that is no that is

2064

01:20:09,590 --> 01:20:08,000

not a common occurrence usually if if

2065

01:20:10,790 --> 01:20:09,600

it's up there and one person sees it a

2066

01:20:13,110 --> 01:20:10,800

lot of people see it and we have

2067

01:20:15,590 --> 01:20:13,120

astronauts we have uh

2068

01:20:17,189 --> 01:20:15,600

politicians we have uh show business

2069

01:20:19,510 --> 01:20:17,199

personalities people on every walk of

2070

01:20:20,950 --> 01:20:19,520

life now the experience that i'm dealing

2071

01:20:22,790 --> 01:20:20,960

with are people who have these abduction

2072

01:20:24,629 --> 01:20:22,800

experiences and i know it sounds funny

2073

01:20:26,790 --> 01:20:24,639

and it isn't funny because it's very

2074

01:20:28,550 --> 01:20:26,800

much as if they're in the position of a

2075

01:20:31,350 --> 01:20:28,560

kidnap victim and even a kind of a rape

2076

01:20:37,430 --> 01:20:34,149

so uh i'll i i just wanted to start with

2077

01:20:38,629 --> 01:20:37,440

i think that is um the epitome of uh

2078

01:20:41,669 --> 01:20:38,639

stigma

2079

01:20:44,629 --> 01:20:41,679

right there and how it's um put on to

2080

01:20:46,709 --> 01:20:44,639

people like you could see in i think his

2081

01:20:49,590 --> 01:20:46,719

name's gary right you could see in

2082

01:20:50,870 --> 01:20:49,600

gary's face like how serious

2083

01:20:52,229 --> 01:20:50,880

he was

2084

01:20:53,270 --> 01:20:52,239

about it

2085

01:20:55,030 --> 01:20:53,280

um

2086

01:20:56,629 --> 01:20:55,040

and

2087

01:20:59,110 --> 01:20:56,639

you know how he's kind of perturbed by

2088

01:21:01,430 --> 01:20:59,120

it and then you have the funny guy

2089

01:21:03,189 --> 01:21:01,440

with the hat oh i've seen this i'm gonna

2090

01:21:04,950 --> 01:21:03,199

buy two books

2091

01:21:07,350 --> 01:21:04,960

you know and

2092

01:21:10,229 --> 01:21:07,360

you know am i going too far into that

2093

01:21:12,870 --> 01:21:10,239

maybe but i just saw like a perfect

2094

01:21:15,750 --> 01:21:12,880

example there of

2095

01:21:18,550 --> 01:21:15,760

of you know what this stuff looks like

2096

01:21:21,910 --> 01:21:18,560

to people i think sometimes we don't

2097

01:21:25,030 --> 01:21:21,920

realize how uh insular we can be

2098

01:21:26,310 --> 01:21:25,040

um in this community and what people on

2099

01:21:29,669 --> 01:21:26,320

the outside

2100

01:21:31,270 --> 01:21:29,679

um still think of this kind of thing and

2101

01:21:34,550 --> 01:21:31,280

you know for

2102

01:21:36,950 --> 01:21:34,560

lack of a better way to um

2103

01:21:39,189 --> 01:21:36,960

you know say it i think that comedian or

2104

01:21:42,070 --> 01:21:39,199

whoever he has kind of kind of showed it

2105

01:21:44,070 --> 01:21:42,080

perfectly unfortunately but i guess my

2106

01:21:46,470 --> 01:21:44,080

question you know you say what you what

2107

01:21:48,550 --> 01:21:46,480

you took from it but my question is how

2108

01:21:50,950 --> 01:21:48,560

do you get over that you know how do you

2109

01:21:52,550 --> 01:21:50,960

bust through that

2110

01:21:54,470 --> 01:21:52,560

well i thought exactly what you thought

2111

01:21:56,550 --> 01:21:54,480

and i've never seen that clip um because

2112

01:21:59,270 --> 01:21:56,560

that's often the case even if you just

2113

01:22:00,870 --> 01:21:59,280

bring up the topic uh people think it's

2114

01:22:02,229 --> 01:22:00,880

funny or they'll be like oh well well

2115

01:22:03,750 --> 01:22:02,239

this has happened

2116

01:22:05,110 --> 01:22:03,760

you know um i know you don't want to

2117

01:22:07,430 --> 01:22:05,120

talk about personal experiences but i

2118

01:22:09,830 --> 01:22:07,440

think it's relevant like i've been like

2119

01:22:11,270 --> 01:22:09,840

even like people close to me i'm like oh

2120

01:22:13,669 --> 01:22:11,280

well you should ask her

2121

01:22:14,709 --> 01:22:13,679

about her thoughts on ufos

2122

01:22:17,189 --> 01:22:14,719

and then

2123

01:22:19,110 --> 01:22:17,199

uh i will tell people what i seriously

2124

01:22:20,390 --> 01:22:19,120

think and then it ends up being a joke

2125

01:22:21,430 --> 01:22:20,400

and then there's always the one the

2126

01:22:23,590 --> 01:22:21,440

couple people that come to you after

2127

01:22:26,149 --> 01:22:23,600

like really they believe you but

2128

01:22:27,990 --> 01:22:26,159

that is exactly what happens

2129

01:22:29,830 --> 01:22:28,000

in most cases when you bring up the

2130

01:22:31,590 --> 01:22:29,840

topic can you and that doesn't even

2131

01:22:38,870 --> 01:22:31,600

include bringing up an experience that

2132

01:22:45,830 --> 01:22:42,550

yeah that's very true muhammad ali

2133

01:22:49,189 --> 01:22:45,840

appeared on several late night shows

2134

01:22:52,149 --> 01:22:49,199

and talked about sightings he had had he

2135

01:22:53,990 --> 01:22:52,159

was a um an experiercer

2136

01:22:54,870 --> 01:22:54,000

with ufos

2137

01:22:56,070 --> 01:22:54,880

and

2138

01:22:58,790 --> 01:22:56,080

he was

2139

01:23:01,270 --> 01:22:58,800

people were like more in shock when he

2140

01:23:03,430 --> 01:23:01,280

said it and then just kind of ignored

2141

01:23:05,270 --> 01:23:03,440

the comments and kept one with the

2142

01:23:07,750 --> 01:23:05,280

conversation because

2143

01:23:09,270 --> 01:23:07,760

they were so uncomfortable about the

2144

01:23:10,950 --> 01:23:09,280

topic

2145

01:23:12,390 --> 01:23:10,960

but yeah

2146

01:23:15,990 --> 01:23:12,400

um

2147

01:23:18,709 --> 01:23:16,000

you know you ca it's very difficult

2148

01:23:22,709 --> 01:23:20,950

bring it up

2149

01:23:25,030 --> 01:23:22,719

without

2150

01:23:28,070 --> 01:23:25,040

you know it's a discomfort

2151
01:23:29,510 --> 01:23:28,080
factor for some and so then they turn it

2152
01:23:33,189 --> 01:23:29,520
into a joke

2153
01:23:36,629 --> 01:23:33,199
yes and so even if it's not something

2154
01:23:38,310 --> 01:23:36,639
that they believe or they don't believe

2155
01:23:40,070 --> 01:23:38,320
the public's

2156
01:23:43,910 --> 01:23:40,080
stigma with it

2157
01:23:45,270 --> 01:23:43,920
you know pushes the joke

2158
01:23:47,510 --> 01:23:45,280
yeah i

2159
01:23:49,350 --> 01:23:47,520
i agree with both priscilla and linda

2160
01:23:50,950 --> 01:23:49,360
here and like i

2161
01:23:53,830 --> 01:23:50,960
i really

2162
01:23:54,550 --> 01:23:53,840
enjoy bud hopkins work here i've got my

2163
01:23:56,629 --> 01:23:54,560

uh

2164

01:23:57,910 --> 01:23:56,639

my first edition copy of missing time

2165

01:24:00,070 --> 01:23:57,920

here you know

2166

01:24:02,790 --> 01:24:00,080

and i i um

2167

01:24:05,430 --> 01:24:02,800

even got his autobiography here

2168

01:24:06,310 --> 01:24:05,440

i love bud hopkins and the the thing

2169

01:24:07,990 --> 01:24:06,320

about

2170

01:24:10,310 --> 01:24:08,000

bud you know eve

2171

01:24:12,070 --> 01:24:10,320

a he's so well prepared

2172

01:24:13,270 --> 01:24:12,080

look how unflappable he was in that

2173

01:24:15,270 --> 01:24:13,280

situation

2174

01:24:17,430 --> 01:24:15,280

and the fact that he had one of the

2175

01:24:19,830 --> 01:24:17,440

biggest stars on tv gary coleman at the

2176
01:24:20,790 --> 01:24:19,840
time sitting there talking about this

2177
01:24:22,629 --> 01:24:20,800
stuff

2178
01:24:24,950 --> 01:24:22,639
and everybody else

2179
01:24:26,310 --> 01:24:24,960
playing it up for laughs and he was able

2180
01:24:31,270 --> 01:24:26,320
to

2181
01:24:33,669 --> 01:24:31,280
end and say no this is closer this is

2182
01:24:35,110 --> 01:24:33,679
close to you know abduction we're

2183
01:24:39,830 --> 01:24:35,120
talking about

2184
01:24:42,629 --> 01:24:39,840
something close to rape and i i think

2185
01:24:44,870 --> 01:24:42,639
that him being able to to

2186
01:24:48,229 --> 01:24:44,880
be that assertive and being that

2187
01:24:50,229 --> 01:24:48,239
demonstrative and saying and trying to

2188
01:24:52,550 --> 01:24:50,239

and in a way i think that that was also

2189

01:24:54,470 --> 01:24:52,560

him trying to to bolster what gary was

2190

01:24:56,149 --> 01:24:54,480

just talking about which is which is

2191

01:24:59,270 --> 01:24:56,159

just like no this is actually super

2192

01:25:01,590 --> 01:24:59,280

serious this is real and it's this is

2193

01:25:03,189 --> 01:25:01,600

not a laughing matter and even then at

2194

01:25:05,030 --> 01:25:03,199

the same time

2195

01:25:07,350 --> 01:25:05,040

you know the host said

2196

01:25:09,510 --> 01:25:07,360

is this does this happen sometimes where

2197

01:25:12,390 --> 01:25:09,520

one person sees it and somebody else

2198

01:25:14,950 --> 01:25:12,400

doesn't and that absolutely happens that

2199

01:25:17,510 --> 01:25:14,960

absolutely happens all the time

2200

01:25:20,310 --> 01:25:17,520

and and the and

2201

01:25:21,669 --> 01:25:20,320

in watching this part of my frustration

2202

01:25:22,709 --> 01:25:21,679

is

2203

01:25:35,430 --> 01:25:22,719

in

2204

01:25:38,950 --> 01:25:35,440

of course and

2205

01:25:41,590 --> 01:25:38,960

the idea of and even now if you were say

2206

01:25:43,750 --> 01:25:41,600

on on cable television or whatever you'd

2207

01:25:46,629 --> 01:25:43,760

probably be butting up against the idea

2208

01:25:48,310 --> 01:25:46,639

of of people cognitively not you know

2209

01:25:50,870 --> 01:25:48,320

not necessarily understanding the

2210

01:25:53,430 --> 01:25:50,880

cognitive implications of one person

2211

01:25:55,030 --> 01:25:53,440

seeing something and one person not but

2212

01:25:56,950 --> 01:25:55,040

that's but that's an important part of

2213

01:25:57,830 --> 01:25:56,960

the phenomena and so

2214

01:26:01,270 --> 01:25:57,840

you know

2215

01:26:04,229 --> 01:26:01,280

um

2216

01:26:06,149 --> 01:26:04,239

one of the one of the sad parts and one

2217

01:26:08,629 --> 01:26:06,159

of the frustrations of where we were 40

2218

01:26:09,510 --> 01:26:08,639

years ago versus where are we right now

2219

01:26:11,669 --> 01:26:09,520

yeah

2220

01:26:12,470 --> 01:26:11,679

it's a great point

2221

01:26:14,390 --> 01:26:12,480

like

2222

01:26:15,430 --> 01:26:14,400

maybe it was just me and i just want to

2223

01:26:18,550 --> 01:26:15,440

bring this

2224

01:26:19,430 --> 01:26:18,560

point up because i think it's a good one

2225

01:26:21,590 --> 01:26:19,440

you know

2226

01:26:23,590 --> 01:26:21,600

um or here it is

2227

01:26:27,830 --> 01:26:23,600

it's i don't think it necessarily short

2228

01:26:30,470 --> 01:26:27,840

sigma it's a joke joke and yeah you know

2229

01:26:33,030 --> 01:26:30,480

i i don't disagree with that but

2230

01:26:35,030 --> 01:26:33,040

it's uh when i

2231

01:26:37,590 --> 01:26:35,040

when you look at gary coleman's face in

2232

01:26:38,950 --> 01:26:37,600

the frustration he had in it when he was

2233

01:26:41,270 --> 01:26:38,960

telling this

2234

01:26:43,510 --> 01:26:41,280

um even though it wasn't meant

2235

01:26:45,510 --> 01:26:43,520

as harm like they didn't mean to hurt

2236

01:26:48,070 --> 01:26:45,520

him or you know

2237

01:26:49,910 --> 01:26:48,080

you know cast him aside and

2238

01:26:51,830 --> 01:26:49,920

make fun of him and put him on the

2239

01:26:53,910 --> 01:26:51,840

spotlight as a weirdo

2240

01:26:54,870 --> 01:26:53,920

they were just doing them you know what

2241

01:26:56,629 --> 01:26:54,880

they do

2242

01:26:59,590 --> 01:26:56,639

um but

2243

01:27:02,149 --> 01:26:59,600

you know that person gary you know had

2244

01:27:04,550 --> 01:27:02,159

pain in his heart and

2245

01:27:06,070 --> 01:27:04,560

he was bringing sup and who knows that

2246

01:27:08,070 --> 01:27:06,080

could have been maybe his only

2247

01:27:09,510 --> 01:27:08,080

opportunity to bring it up to somebody

2248

01:27:11,430 --> 01:27:09,520

that would have listened

2249

01:27:14,229 --> 01:27:11,440

i mean and that's kind of what it turns

2250

01:27:16,310 --> 01:27:14,239

out to is is the the jokes kind of take

2251
01:27:17,590 --> 01:27:16,320
over the

2252
01:27:20,550 --> 01:27:17,600
the actual

2253
01:27:21,350 --> 01:27:20,560
you know curiosity for for what he saw

2254
01:27:22,629 --> 01:27:21,360
and

2255
01:27:24,470 --> 01:27:22,639
you know i think

2256
01:27:26,470 --> 01:27:24,480
that's kind of what i saw in that clip

2257
01:27:28,550 --> 01:27:26,480
and it kind of broke my heart but i see

2258
01:27:31,430 --> 01:27:28,560
that all the time you know

2259
01:27:32,709 --> 01:27:31,440
and especially on twitter is is you just

2260
01:27:33,669 --> 01:27:32,719
don't know

2261
01:27:35,350 --> 01:27:33,679
um

2262
01:27:37,110 --> 01:27:35,360
i guess what other people are going

2263
01:27:38,629 --> 01:27:37,120

through and

2264

01:27:41,270 --> 01:27:38,639

you know sometimes

2265

01:27:43,750 --> 01:27:41,280

a joke is a joke to you and everybody

2266

01:27:45,430 --> 01:27:43,760

else and it's not even

2267

01:27:46,390 --> 01:27:45,440

intentionally

2268

01:27:49,830 --> 01:27:46,400

meant to

2269

01:27:50,790 --> 01:27:49,840

to harm anybody but it still can

2270

01:27:53,990 --> 01:27:50,800

you know

2271

01:27:56,790 --> 01:27:54,000

um and i i just think we'd be better

2272

01:27:59,110 --> 01:27:56,800

enough to be cognizant of that as as you

2273

01:28:00,390 --> 01:27:59,120

know easier said than it is done

2274

01:28:03,189 --> 01:28:00,400

sometimes

2275

01:28:05,830 --> 01:28:03,199

so that's what i got from that clip yeah

2276

01:28:07,350 --> 01:28:05,840

but you are correct um and what what he

2277

01:28:09,350 --> 01:28:07,360

brought up you know when he brought it

2278

01:28:11,030 --> 01:28:09,360

back to like no this is serious

2279

01:28:13,030 --> 01:28:11,040

uh people

2280

01:28:16,229 --> 01:28:13,040

even so just even if you don't believe

2281

01:28:18,390 --> 01:28:16,239

it you have to imagine being that person

2282

01:28:21,910 --> 01:28:18,400

he said it's almost like rape in some

2283

01:28:24,709 --> 01:28:21,920

experiences um there is um

2284

01:28:26,950 --> 01:28:24,719

there is you know violations occurring

2285

01:28:29,910 --> 01:28:26,960

of the body so

2286

01:28:31,590 --> 01:28:29,920

people have to realize that even if this

2287

01:28:34,709 --> 01:28:31,600

person is having a delusion they believe

2288

01:28:36,870 --> 01:28:34,719

it that much it's very violating to be

2289

01:28:39,270 --> 01:28:36,880

to believe that you were taken

2290

01:28:40,629 --> 01:28:39,280

from the safety of your own bed while

2291

01:28:43,430 --> 01:28:40,639

you were sleeping you're supposed to

2292

01:28:45,189 --> 01:28:43,440

just be resting and then you wake up

2293

01:28:47,510 --> 01:28:45,199

some people wake up somewhere else some

2294

01:28:49,750 --> 01:28:47,520

people wake up um like i said with the

2295

01:28:51,110 --> 01:28:49,760

marks some people wake up just terrified

2296

01:28:53,110 --> 01:28:51,120

some people don't want to go back to

2297

01:28:53,910 --> 01:28:53,120

sleep for months after that's happened

2298

01:28:55,669 --> 01:28:53,920

so

2299

01:28:57,350 --> 01:28:55,679

for anybody to joke about it i get what

2300

01:28:59,189 --> 01:28:57,360

curious george is saying like a joke is

2301

01:29:01,189 --> 01:28:59,199

a joke like i have like a very dry sense

2302

01:29:02,870 --> 01:29:01,199

of humor but like you said in gary's

2303

01:29:04,070 --> 01:29:02,880

face like how do we know there's not

2304

01:29:05,189 --> 01:29:04,080

more to the story maybe something

2305

01:29:07,270 --> 01:29:05,199

happened to him that night and now he's

2306

01:29:09,590 --> 01:29:07,280

never gonna talk about it so i think

2307

01:29:11,590 --> 01:29:09,600

that yes it's a joke it's a tonight show

2308

01:29:12,950 --> 01:29:11,600

but i really hope that he was able to

2309

01:29:14,229 --> 01:29:12,960

talk to somebody else about that because

2310

01:29:16,310 --> 01:29:14,239

so many people

2311

01:29:17,350 --> 01:29:16,320

just they feel and then they feel like

2312

01:29:18,470 --> 01:29:17,360

they're going crazy you're the only one

2313

01:29:20,790 --> 01:29:18,480

that saw it

2314

01:29:22,790 --> 01:29:20,800

oh cool so i am crazy i'm the only one

2315

01:29:24,550 --> 01:29:22,800

that saw it um i better keep it to

2316

01:29:26,310 --> 01:29:24,560

myself now because

2317

01:29:27,350 --> 01:29:26,320

you know i'm going to get committed or

2318

01:29:29,669 --> 01:29:27,360

you know

2319

01:29:30,950 --> 01:29:29,679

it's just i'm a mom so if i see

2320

01:29:32,310 --> 01:29:30,960

something i'm afraid to say something

2321

01:29:33,750 --> 01:29:32,320

because they'll be like oh well you're a

2322

01:29:35,270 --> 01:29:33,760

mom and you're crazy let's lock her up

2323

01:29:36,790 --> 01:29:35,280

yeah i know that's like slippery slope

2324

01:29:40,229 --> 01:29:36,800

but it's real things that people are

2325

01:29:44,470 --> 01:29:42,149

yeah

2326

01:29:49,350 --> 01:29:46,629

that's i guess you know that's all i

2327

01:29:53,910 --> 01:29:49,360

kind of took from that but

2328

01:29:56,310 --> 01:29:54,709

that

2329

01:29:58,709 --> 01:29:56,320

people just

2330

01:30:01,430 --> 01:29:58,719

take a second to see the person and not

2331

01:30:03,270 --> 01:30:01,440

the experience sometimes you know that

2332

01:30:04,229 --> 01:30:03,280

there's a real person

2333

01:30:07,189 --> 01:30:04,239

that

2334

01:30:09,110 --> 01:30:07,199

is is talking and feeling um some pretty

2335

01:30:11,030 --> 01:30:09,120

hard things and they're trying to deal

2336

01:30:14,390 --> 01:30:11,040

with some pretty tough stuff

2337

01:30:16,470 --> 01:30:14,400

uh internally um and even if people yeah

2338

01:30:19,350 --> 01:30:16,480

don't don't mean to be harmful

2339

01:30:21,270 --> 01:30:19,360

um they can be and you know a part of

2340

01:30:24,470 --> 01:30:21,280

that even happens within our own

2341

01:30:25,430 --> 01:30:24,480

community there's you know it's

2342

01:30:27,110 --> 01:30:25,440

it's

2343

01:30:29,510 --> 01:30:27,120

somewhat ridiculous

2344

01:30:32,390 --> 01:30:29,520

you know when i think about the the

2345

01:30:35,030 --> 01:30:32,400

stigma that we put on each other in the

2346

01:30:36,390 --> 01:30:35,040

ufo community

2347

01:30:38,709 --> 01:30:36,400

which is

2348

01:30:39,590 --> 01:30:38,719

you know a nuts and bolts versus stigma

2349

01:30:42,310 --> 01:30:39,600

or

2350

01:30:45,270 --> 01:30:42,320

um you know like let's say you know i

2351
01:30:47,430 --> 01:30:45,280
can't do anything with something unless

2352
01:30:49,750 --> 01:30:47,440
it you know proves something to the

2353
01:30:51,590 --> 01:30:49,760
government so they're truthful well how

2354
01:30:54,390 --> 01:30:51,600
do we even know that the government

2355
01:30:55,990 --> 01:30:54,400
knows what the truth is

2356
01:30:56,950 --> 01:30:56,000
you know right

2357
01:30:58,870 --> 01:30:56,960
and

2358
01:31:01,990 --> 01:30:58,880
go ahead keep going no it's just good to

2359
01:31:04,629 --> 01:31:02,000
say uh but one thing that um

2360
01:31:07,189 --> 01:31:04,639
bud hopkins uh was saying a clip that i

2361
01:31:08,149 --> 01:31:07,199
watched of them earlier today was

2362
01:31:09,510 --> 01:31:08,159
um

2363
01:31:11,910 --> 01:31:09,520

you know

2364

01:31:14,229 --> 01:31:11,920

if if they don't know what the truth is

2365

01:31:15,990 --> 01:31:14,239

let's let's just say and and i

2366

01:31:17,110 --> 01:31:16,000

personally don't think that they really

2367

01:31:22,149 --> 01:31:17,120

do

2368

01:31:24,470 --> 01:31:22,159

then tell people that there's things

2369

01:31:26,709 --> 01:31:24,480

flying around the sky taking people up

2370

01:31:29,270 --> 01:31:26,719

doing sexual things to them and we can't

2371

01:31:31,350 --> 01:31:29,280

really do anything about it so you know

2372

01:31:33,110 --> 01:31:31,360

if they communicate with us um you know

2373

01:31:35,669 --> 01:31:33,120

we'll give you an update but until then

2374

01:31:38,709 --> 01:31:35,679

good luck you know it get that would

2375

01:31:40,470 --> 01:31:38,719

cause you know kind of a hysteria

2376

01:31:42,310 --> 01:31:40,480

situation

2377

01:31:46,709 --> 01:31:42,320

so

2378

01:31:49,350 --> 01:31:46,719

i i agree with you and i think that

2379

01:31:51,430 --> 01:31:49,360

there's there's

2380

01:31:54,310 --> 01:31:51,440

very very much so i i agree with

2381

01:31:57,430 --> 01:31:54,320

everybody in the stream yard room i i

2382

01:31:58,629 --> 01:31:57,440

there's there's so much within the the

2383

01:31:59,750 --> 01:31:58,639

concept

2384

01:32:07,910 --> 01:31:59,760

of

2385

01:32:09,669 --> 01:32:07,920

bringing up bud hopkins that's that's

2386

01:32:11,590 --> 01:32:09,679

very much the center point for what he

2387

01:32:12,390 --> 01:32:11,600

was looking at as well as john mack

2388

01:32:13,350 --> 01:32:12,400

right

2389

01:32:17,350 --> 01:32:13,360

and

2390

01:32:19,590 --> 01:32:17,360

some ways

2391

01:32:21,350 --> 01:32:19,600

we can thank our lucky stars that some

2392

01:32:22,870 --> 01:32:21,360

people in

2393

01:32:23,669 --> 01:32:22,880

popular culture

2394

01:32:24,830 --> 01:32:23,679

or

2395

01:32:28,229 --> 01:32:24,840

even within

2396

01:32:30,550 --> 01:32:28,239

ufology um maybe it's okay that some of

2397

01:32:31,750 --> 01:32:30,560

those people haven't taken that

2398

01:32:33,430 --> 01:32:31,760

to heart

2399

01:32:36,390 --> 01:32:33,440

because if they had maybe they would

2400

01:32:38,629 --> 01:32:36,400

have like a tank in their backyard

2401

01:32:42,390 --> 01:32:38,639

you know the idea of of

2402

01:32:44,790 --> 01:32:42,400

like how far people can go when they

2403

01:32:46,629 --> 01:32:44,800

when they are faced with the reality of

2404

01:32:48,790 --> 01:32:46,639

of a situation where

2405

01:32:49,910 --> 01:32:48,800

they believe in

2406

01:32:51,270 --> 01:32:49,920

this

2407

01:32:53,750 --> 01:32:51,280

security

2408

01:32:55,030 --> 01:32:53,760

state within the the idea of the

2409

01:32:55,910 --> 01:32:55,040

situation

2410

01:32:59,910 --> 01:32:55,920

and

2411

01:33:02,070 --> 01:32:59,920

i i i don't i i try to stay pretty

2412

01:33:03,910 --> 01:33:02,080

apolitical within regard to the

2413

01:33:06,390 --> 01:33:03,920

experiencer group and things like that

2414

01:33:09,270 --> 01:33:06,400

um because there's so many conversations

2415

01:33:10,709 --> 01:33:09,280

like this that need to happen and then

2416

01:33:12,310 --> 01:33:10,719

and that

2417

01:33:15,270 --> 01:33:12,320

that doesn't even need to necessarily

2418

01:33:17,510 --> 01:33:15,280

rank into things but in other situations

2419

01:33:19,669 --> 01:33:17,520

like with the idea of of bringing up

2420

01:33:21,750 --> 01:33:19,679

abduction it absolutely does have

2421

01:33:24,229 --> 01:33:21,760

political implications because we've

2422

01:33:26,790 --> 01:33:24,239

been we've been told for years that like

2423

01:33:29,189 --> 01:33:26,800

oh you know other every other country

2424

01:33:31,189 --> 01:33:29,199

can afford they can afford free health

2425

01:33:32,470 --> 01:33:31,199

care but we can't because we have the

2426

01:33:34,950 --> 01:33:32,480

most and

2427

01:33:36,790 --> 01:33:34,960

we have the most dominant military in

2428

01:33:39,590 --> 01:33:36,800

the whole world and you guys are all

2429

01:33:41,510 --> 01:33:39,600

protected forever we promise

2430

01:33:43,990 --> 01:33:41,520

or whatever well what if that was

2431

01:33:46,229 --> 01:33:44,000

fundamentally completely untrue

2432

01:33:48,470 --> 01:33:46,239

right what if that has always been

2433

01:33:50,629 --> 01:33:48,480

fundamentally completely untrue what do

2434

01:33:52,709 --> 01:33:50,639

you do then right what do you do then

2435

01:33:56,070 --> 01:33:52,719

what do you do when you say like oh my

2436

01:33:57,669 --> 01:33:56,080

my daughter my wife uh my father whoever

2437

01:33:59,750 --> 01:33:57,679

um they could just be swooped up in the

2438

01:34:02,870 --> 01:33:59,760

middle of the night i could too and then

2439

01:34:04,950 --> 01:34:02,880

and then brought back and and these and

2440

01:34:08,070 --> 01:34:04,960

these beings may be so technologically

2441

01:34:10,550 --> 01:34:08,080

advanced that they're really good at at

2442

01:34:12,870 --> 01:34:10,560

hiding at for for the most part in terms

2443

01:34:13,910 --> 01:34:12,880

of hiding themselves not perfect not

2444

01:34:15,910 --> 01:34:13,920

perfect by any stretch of the

2445

01:34:17,669 --> 01:34:15,920

imagination but when you think about it

2446

01:34:19,430 --> 01:34:17,679

people recently have brought up the idea

2447

01:34:21,669 --> 01:34:19,440

of the time travel hypothesis i

2448

01:34:23,669 --> 01:34:21,679

exo-academia and others frank milburn

2449

01:34:25,430 --> 01:34:23,679

others have have brought this idea up

2450

01:34:27,590 --> 01:34:25,440

recently and saying like oh intelligence

2451

01:34:29,669 --> 01:34:27,600

people are starting to talk about

2452

01:34:31,750 --> 01:34:29,679

this idea that there are two factions of

2453

01:34:33,590 --> 01:34:31,760

people from the future and one of them

2454

01:34:35,030 --> 01:34:33,600

is bad and one of them is good and

2455

01:34:37,189 --> 01:34:35,040

they're coming back

2456

01:34:38,070 --> 01:34:37,199

and that's what they're doing and it's

2457

01:34:39,750 --> 01:34:38,080

like

2458

01:34:41,750 --> 01:34:39,760

and here we go again

2459

01:34:43,590 --> 01:34:41,760

right here here we go again there's this

2460

01:34:47,189 --> 01:34:43,600

idea that that

2461

01:34:49,270 --> 01:34:47,199

it's and there may be something to to i

2462

01:34:51,189 --> 01:34:49,280

mean there certainly seems to be some

2463

01:34:53,430 --> 01:34:51,199

some something about the time space

2464

01:34:55,109 --> 01:34:53,440

continuum that that could be manipulated

2465

01:34:57,109 --> 01:34:55,119

that does seem to be something that that

2466

01:34:58,790 --> 01:34:57,119

could be in play for sure and at the

2467

01:35:00,550 --> 01:34:58,800

same time when i hear stuff like that i

2468

01:35:02,149 --> 01:35:00,560

think like god they're trying to turn

2469

01:35:04,310 --> 01:35:02,159

this into a football game aren't they

2470

01:35:06,229 --> 01:35:04,320

yes yes

2471

01:35:08,149 --> 01:35:06,239

more divisive culture happening just

2472

01:35:10,229 --> 01:35:08,159

divisiveness divisiveness this is good

2473

01:35:11,750 --> 01:35:10,239

this is bad maybe it's neither maybe

2474

01:35:13,350 --> 01:35:11,760

they're just doing their job if you

2475

01:35:15,510 --> 01:35:13,360

think about it even that way even if

2476

01:35:17,430 --> 01:35:15,520

they're from the future doing research

2477

01:35:19,350 --> 01:35:17,440

on us you know it's uh i don't think

2478

01:35:21,510 --> 01:35:19,360

that i think that people want things to

2479

01:35:23,830 --> 01:35:21,520

be like black and white and we obviously

2480

01:35:25,990 --> 01:35:23,840

know that's not the case yeah it's like

2481

01:35:28,790 --> 01:35:26,000

mankind's innate ability to make things

2482

01:35:31,590 --> 01:35:28,800

dark and light good versus bad and like

2483

01:35:33,430 --> 01:35:31,600

a movie you know when that's the exact

2484

01:35:37,030 --> 01:35:33,440

thing that i think we need to get away

2485

01:35:40,229 --> 01:35:37,040

from is you know anything that would be

2486

01:35:42,709 --> 01:35:40,239

able to come here and do the things that

2487

01:35:46,790 --> 01:35:42,719

have been done um

2488

01:35:50,390 --> 01:35:46,800

i the first thing you have i i think is

2489

01:35:52,950 --> 01:35:50,400

um i have to any preconceived notions of

2490

01:35:54,870 --> 01:35:52,960

human behavior that i instinctively want

2491

01:35:58,070 --> 01:35:54,880

to put on this i have to throw in the

2492

01:36:02,310 --> 01:36:01,189

you know and and that's not easy

2493

01:36:04,229 --> 01:36:02,320

but

2494

01:36:07,189 --> 01:36:04,239

you know what are the chances that it

2495

01:36:10,870 --> 01:36:07,199

has an emotion like love or hate when

2496

01:36:13,750 --> 01:36:10,880

most people who are abducted report no

2497

01:36:15,590 --> 01:36:13,760

feeling cold coldness

2498

01:36:16,950 --> 01:36:15,600

absolutely nothing

2499

01:36:18,390 --> 01:36:16,960

um

2500

01:36:20,470 --> 01:36:18,400

you know it doesn't mean that it doesn't

2501
01:36:22,070 --> 01:36:20,480
exist elsewhere in other beings or other

2502
01:36:25,590 --> 01:36:22,080
situations but

2503
01:36:27,830 --> 01:36:25,600
um you you really don't know what

2504
01:36:30,390 --> 01:36:27,840
they're doing here what the plan is you

2505
01:36:31,590 --> 01:36:30,400
know is there a plan is it a part of a

2506
01:36:33,750 --> 01:36:31,600
routine

2507
01:36:35,990 --> 01:36:33,760
you know is there a good or bad do they

2508
01:36:38,790 --> 01:36:36,000
even know what good or bad is you know

2509
01:36:40,870 --> 01:36:38,800
do they even know what physical you know

2510
01:36:43,350 --> 01:36:40,880
harassment or aggressive

2511
01:36:44,390 --> 01:36:43,360
aggressive behavior is

2512
01:36:56,070 --> 01:36:44,400
you know

2513
01:36:58,229 --> 01:36:56,080

for us to make things like priscilla

2514

01:37:00,149 --> 01:36:58,239

said black and white um because it makes

2515

01:37:03,510 --> 01:37:00,159

more sense to us but

2516

01:37:07,030 --> 01:37:03,520

um i think whatever makes sense to us is

2517

01:37:08,870 --> 01:37:07,040

probably not what it's to be

2518

01:37:11,030 --> 01:37:08,880

it all goes back to the concept of like

2519

01:37:13,030 --> 01:37:11,040

the cow thing right like we eat cows we

2520

01:37:14,629 --> 01:37:13,040

heard them we heard chickens and we're

2521

01:37:17,030 --> 01:37:14,639

just like oh well we're just doing it to

2522

01:37:18,470 --> 01:37:17,040

eat you know um how do people like oh

2523

01:37:20,790 --> 01:37:18,480

well chickens and cows don't feel we

2524

01:37:23,430 --> 01:37:20,800

don't know that what if we're just the

2525

01:37:26,870 --> 01:37:23,440

chickens and cows and they're doing work

2526

01:37:30,709 --> 01:37:28,790

absolutely i mean there could be you

2527

01:37:33,030 --> 01:37:30,719

know and and one thing that i i've

2528

01:37:35,669 --> 01:37:33,040

brought up

2529

01:37:37,189 --> 01:37:35,679

and and within the

2530

01:37:39,990 --> 01:37:37,199

confines of some of our meetings on the

2531

01:37:41,189 --> 01:37:40,000

experencer group is is the idea that

2532

01:37:42,629 --> 01:37:41,199

you know if they're trying to tell us

2533

01:37:44,950 --> 01:37:42,639

that there's this good bad thing

2534

01:37:47,189 --> 01:37:44,960

happening you know and first of all

2535

01:37:49,030 --> 01:37:47,199

you know it's so the oversimplification

2536

01:37:50,390 --> 01:37:49,040

can be so ridiculous and maybe there's

2537

01:37:51,430 --> 01:37:50,400

some truth to some of this and at the

2538

01:37:52,950 --> 01:37:51,440

same time

2539

01:37:55,109 --> 01:37:52,960

when when you actually talk to

2540

01:37:57,350 --> 01:37:55,119

experiencers you you tend to get an

2541

01:38:00,070 --> 01:37:57,360

understanding that even that there are

2542

01:38:03,109 --> 01:38:00,080

there are some many situations that seem

2543

01:38:06,390 --> 01:38:03,119

very scary and very traumatic and and or

2544

01:38:08,870 --> 01:38:06,400

just bad just like not a good situation

2545

01:38:10,629 --> 01:38:08,880

at all and then you see a range you see

2546

01:38:13,910 --> 01:38:10,639

a range of people that have had great

2547

01:38:16,629 --> 01:38:13,920

experiences you have and you have even a

2548

01:38:18,790 --> 01:38:16,639

huge portion in the middle where you can

2549

01:38:21,350 --> 01:38:18,800

tell you're dealing with an advanced

2550

01:38:23,590 --> 01:38:21,360

entity an advanced being that has

2551
01:38:24,390 --> 01:38:23,600
complex motivations just like each of us

2552
01:38:27,270 --> 01:38:24,400
do

2553
01:38:29,430 --> 01:38:27,280
right and and have they have their own

2554
01:38:32,149 --> 01:38:29,440
they're they they're they're basically

2555
01:38:34,470 --> 01:38:32,159
doing their job right

2556
01:38:36,470 --> 01:38:34,480
like whatever they're doing and it's it

2557
01:38:39,030 --> 01:38:36,480
doesn't seem like this is a hobby

2558
01:38:40,070 --> 01:38:39,040
you know often often it seems like it's

2559
01:38:41,830 --> 01:38:40,080
not something they're doing on the

2560
01:38:43,669 --> 01:38:41,840
weekends like oh let's go to earth and

2561
01:38:44,870 --> 01:38:43,679
like you know just like picking people

2562
01:38:46,470 --> 01:38:44,880
up in the middle of the night it'll be

2563
01:38:48,310 --> 01:38:46,480

fun it'll be cool you know hopefully

2564

01:38:50,870 --> 01:38:48,320

their cigarette breaks i could say the

2565

01:38:53,590 --> 01:38:50,880

one thing john mack would say is that a

2566

01:38:55,750 --> 01:38:53,600

lot of people go and do uh like a shock

2567

01:38:58,870 --> 01:38:55,760

when it happens or whatever

2568

01:39:01,109 --> 01:38:58,880

um but then he also talks about people

2569

01:39:03,350 --> 01:39:01,119

who are a lot farther along in their

2570

01:39:06,390 --> 01:39:03,360

experience life and it turns into

2571

01:39:09,109 --> 01:39:06,400

something else so

2572

01:39:10,310 --> 01:39:09,119

absolutely um i don't know if anybody

2573

01:39:13,189 --> 01:39:10,320

else would

2574

01:39:15,510 --> 01:39:13,199

i i hope somebody else has has

2575

01:39:17,510 --> 01:39:15,520

has a great take on this i think that

2576

01:39:18,870 --> 01:39:17,520

there's that there's there's so much

2577

01:39:21,270 --> 01:39:18,880

personal growth that happens through

2578

01:39:23,830 --> 01:39:21,280

these situations whether it's intended

2579

01:39:26,790 --> 01:39:23,840

by these other intelligences or not

2580

01:39:28,550 --> 01:39:26,800

you know and so you can even take like

2581

01:39:30,310 --> 01:39:28,560

something that can be an enormously

2582

01:39:32,470 --> 01:39:30,320

difficult situation i've talked to

2583

01:39:34,470 --> 01:39:32,480

people that have dealt with like

2584

01:39:36,870 --> 01:39:34,480

poltergeists or shadow beings or all

2585

01:39:38,870 --> 01:39:36,880

sorts of manners of things that that

2586

01:39:41,030 --> 01:39:38,880

that don't that really seem pretty

2587

01:39:43,189 --> 01:39:41,040

malicious and then they're able to

2588

01:39:44,470 --> 01:39:43,199

process that they're able to take it in

2589

01:39:45,510 --> 01:39:44,480

and over the course of years they're

2590

01:39:47,669 --> 01:39:45,520

able to

2591

01:39:50,550 --> 01:39:47,679

you know that the capacity of the human

2592

01:39:52,790 --> 01:39:50,560

brain to be able to make lemonade out of

2593

01:39:54,629 --> 01:39:52,800

lemons is is

2594

01:39:57,430 --> 01:39:54,639

absolutely incredible

2595

01:39:59,270 --> 01:39:57,440

and so there's there also seems to be

2596

01:40:01,030 --> 01:39:59,280

a little bit of mixing sometimes where

2597

01:40:04,470 --> 01:40:01,040

people

2598

01:40:07,109 --> 01:40:04,480

sometimes maybe want to ascribe

2599

01:40:09,109 --> 01:40:07,119

a growth moment

2600

01:40:11,270 --> 01:40:09,119

on the part of another intelligence that

2601
01:40:13,350 --> 01:40:11,280
isn't necessarily there

2602
01:40:15,030 --> 01:40:13,360
but sometimes it is

2603
01:40:17,590 --> 01:40:15,040
you know i think we're dealing with a

2604
01:40:19,750 --> 01:40:17,600
really vast and diverse cast of

2605
01:40:22,070 --> 01:40:19,760
characters is what it comes down to i'd

2606
01:40:24,310 --> 01:40:22,080
love to hear from linda on this one yeah

2607
01:40:27,270 --> 01:40:24,320
me too i'm having a

2608
01:40:29,590 --> 01:40:27,280
mouth shut on a lot of this

2609
01:40:30,629 --> 01:40:29,600
okay so i'm a lifer

2610
01:40:31,430 --> 01:40:30,639
um

2611
01:40:33,669 --> 01:40:31,440
my

2612
01:40:34,830 --> 01:40:33,679
granddaughter is fifth generation in

2613
01:40:38,070 --> 01:40:34,840

this

2614

01:40:41,590 --> 01:40:38,080

um i don't see

2615

01:40:43,270 --> 01:40:41,600

a lot positive in it i have had

2616

01:40:45,590 --> 01:40:43,280

um

2617

01:40:48,950 --> 01:40:45,600

see the thing is

2618

01:40:50,550 --> 01:40:48,960

the positive that's there is also mixed

2619

01:40:52,870 --> 01:40:50,560

with the

2620

01:40:55,750 --> 01:40:52,880

terror or

2621

01:40:57,510 --> 01:40:55,760

shock and everything else and it takes

2622

01:40:59,830 --> 01:40:57,520

you a long time

2623

01:41:01,669 --> 01:40:59,840

i mean it's like you're

2624

01:41:03,990 --> 01:41:01,679

you have to find something good out of

2625

01:41:06,070 --> 01:41:04,000

everything you know that's part of

2626

01:41:08,310 --> 01:41:06,080

survival is that

2627

01:41:10,310 --> 01:41:08,320

you know if you're gonna transcend this

2628

01:41:12,950 --> 01:41:10,320

and you're gonna get on with your life

2629

01:41:16,390 --> 01:41:12,960

you have to find something good

2630

01:41:19,430 --> 01:41:16,400

and in my case that has been extremely

2631

01:41:22,709 --> 01:41:19,440

difficult with everything but you get to

2632

01:41:25,750 --> 01:41:22,719

that point so it's like on the free

2633

01:41:29,430 --> 01:41:25,760

survey and other surveys when they ask

2634

01:41:32,709 --> 01:41:29,440

you if you had to do this all over again

2635

01:41:33,669 --> 01:41:32,719

would you go through this again or would

2636

01:41:35,430 --> 01:41:33,679

you

2637

01:41:36,390 --> 01:41:35,440

say no

2638

01:41:37,189 --> 01:41:36,400

okay

2639

01:41:41,350 --> 01:41:37,199

well

2640

01:41:43,590 --> 01:41:41,360

on one level you would say absolutely no

2641

01:41:44,470 --> 01:41:43,600

but then for

2642

01:41:46,950 --> 01:41:44,480

you know

2643

01:41:47,830 --> 01:41:46,960

some possible healings

2644

01:41:48,709 --> 01:41:47,840

um

2645

01:41:49,830 --> 01:41:48,719

you know

2646

01:41:53,430 --> 01:41:49,840

the

2647

01:41:54,390 --> 01:41:53,440

different giftings that you receive

2648

01:41:56,390 --> 01:41:54,400

um

2649

01:41:58,470 --> 01:41:56,400

you know

2650

01:42:00,310 --> 01:41:58,480

different abilities that you wouldn't

2651
01:42:04,149 --> 01:42:00,320
have otherwise

2652
01:42:06,390 --> 01:42:04,159
um so it's a real mixed bag

2653
01:42:09,189 --> 01:42:06,400
and yes i do believe that there are

2654
01:42:10,070 --> 01:42:09,199
conflicting forces that

2655
01:42:11,270 --> 01:42:10,080
are

2656
01:42:13,189 --> 01:42:11,280
active

2657
01:42:14,550 --> 01:42:13,199
in different programs and different

2658
01:42:17,189 --> 01:42:14,560
agendas

2659
01:42:18,790 --> 01:42:17,199
and so it's not all simple

2660
01:42:21,109 --> 01:42:18,800
um

2661
01:42:24,070 --> 01:42:21,119
but those and that you can have like a

2662
01:42:27,350 --> 01:42:24,080
stockholm syndrome to an extent with

2663
01:42:28,629 --> 01:42:27,360

these experiences

2664

01:42:29,750 --> 01:42:28,639

so

2665

01:42:31,990 --> 01:42:29,760

um

2666

01:42:35,430 --> 01:42:32,000

somebody just commented that right it at

2667

01:42:37,430 --> 01:42:35,440

the same time you said that

2668

01:42:39,510 --> 01:42:37,440

like literally that's crazy

2669

01:42:46,229 --> 01:42:39,520

yeah

2670

01:42:48,950 --> 01:42:46,239

personally um i'm very new to all of

2671

01:42:53,910 --> 01:42:48,960

this and i'm doing the best i can to

2672

01:42:57,669 --> 01:42:56,229

you know but i think it was george knapp

2673

01:42:59,350 --> 01:42:57,679

who said this for somebody else it's

2674

01:43:01,189 --> 01:42:59,360

like um if

2675

01:43:03,350 --> 01:43:01,199

you stare at the phenomenon it stares

2676

01:43:05,189 --> 01:43:03,360

right back at you and you know the more

2677

01:43:07,990 --> 01:43:05,199

you look into it the more confused you

2678

01:43:11,910 --> 01:43:10,870

you know um and sometimes i think that's

2679

01:43:12,709 --> 01:43:11,920

the case

2680

01:43:14,790 --> 01:43:12,719

um

2681

01:43:16,470 --> 01:43:14,800

and you know if there's anybody else out

2682

01:43:17,350 --> 01:43:16,480

there like me sometimes it makes you

2683

01:43:19,109 --> 01:43:17,360

want to

2684

01:43:20,950 --> 01:43:19,119

just throw your hands up and walk away

2685

01:43:24,470 --> 01:43:20,960

say i can't figure anything i don't know

2686

01:43:26,790 --> 01:43:24,480

what i'm doing you know but um you know

2687

01:43:29,109 --> 01:43:26,800

it's people like yourself and jay

2688

01:43:31,350 --> 01:43:29,119

priscilla sean it's it's the strength

2689

01:43:34,149 --> 01:43:31,360

that you guys show that you know gives

2690

01:43:37,030 --> 01:43:34,159

me the ability to to keep keep in and

2691

01:43:39,830 --> 01:43:37,040

keep thinking and keep being open and

2692

01:43:41,189 --> 01:43:39,840

trying to provide a space for people to

2693

01:43:43,189 --> 01:43:41,199

talk um

2694

01:43:47,109 --> 01:43:43,199

well that is one thing that's been

2695

01:43:49,189 --> 01:43:47,119

important with the experienter group um

2696

01:43:51,910 --> 01:43:49,199

you know

2697

01:43:53,510 --> 01:43:51,920

we know people who have been through

2698

01:43:55,669 --> 01:43:53,520

this

2699

01:43:58,629 --> 01:43:55,679

for a long time

2700

01:44:02,149 --> 01:43:58,639

they end up alcoholic

2701

01:44:04,629 --> 01:44:02,159

drug abusers they end up dead

2702

01:44:06,790 --> 01:44:04,639

you know whether it's through the abuses

2703

01:44:10,070 --> 01:44:06,800

or suicide

2704

01:44:12,070 --> 01:44:10,080

many or on multiple marriages

2705

01:44:15,109 --> 01:44:12,080

um you know

2706

01:44:17,350 --> 01:44:15,119

just you name it because you have to

2707

01:44:23,510 --> 01:44:17,360

walk a double life

2708

01:44:25,030 --> 01:44:23,520

in shadows or compartmental sections of

2709

01:44:26,950 --> 01:44:25,040

your life

2710

01:44:28,790 --> 01:44:26,960

you can't deal

2711

01:44:31,590 --> 01:44:28,800

with the public

2712

01:44:32,550 --> 01:44:31,600

you can't have a regular job you can't

2713

01:44:34,550 --> 01:44:32,560

have

2714

01:44:36,790 --> 01:44:34,560

a regular anything

2715

01:44:40,790 --> 01:44:36,800

and so one thing with the experiercer

2716

01:44:43,910 --> 01:44:40,800

group is it gives people an opportunity

2717

01:44:45,830 --> 01:44:43,920

to voice those issues and to come out of

2718

01:44:48,790 --> 01:44:45,840

the shadows

2719

01:44:51,669 --> 01:44:48,800

and to learn more about yourself and

2720

01:44:58,229 --> 01:44:51,679

others and how to deal with this type of

2721

01:45:03,109 --> 01:45:00,790

yeah i i have to say like um

2722

01:45:05,990 --> 01:45:03,119

i had you know i don't want this turned

2723

01:45:07,270 --> 01:45:06,000

into a commercial or anything but

2724

01:45:09,990 --> 01:45:07,280

but um

2725

01:45:13,030 --> 01:45:10,000

you know it was very nice to not have to

2726

01:45:14,790 --> 01:45:13,040

i i literally said uh this i said

2727

01:45:17,109 --> 01:45:14,800

it's nice to not have to hold back

2728

01:45:19,350 --> 01:45:17,119

because some of the

2729

01:45:21,750 --> 01:45:19,360

the aspects of my experience like i

2730

01:45:23,990 --> 01:45:21,760

wanted so and a couple times i've put it

2731

01:45:26,550 --> 01:45:24,000

on youtube and then i've taken it down

2732

01:45:27,669 --> 01:45:26,560

and the reason is because it involves

2733

01:45:30,870 --> 01:45:27,679

other

2734

01:45:32,790 --> 01:45:30,880

people in my life that and it's personal

2735

01:45:35,590 --> 01:45:32,800

to me and i don't want to upset anybody

2736

01:45:36,550 --> 01:45:35,600

that may not understand it you know

2737

01:45:37,750 --> 01:45:36,560

um

2738

01:45:40,229 --> 01:45:37,760

like

2739

01:45:43,270 --> 01:45:40,239

the other people that were really not

2740

01:45:46,629 --> 01:45:43,280

knowingly involved you know so you know

2741

01:45:48,870 --> 01:45:46,639

to have a place uh to go and and talk

2742

01:45:50,470 --> 01:45:48,880

about everything that happened

2743

01:45:52,709 --> 01:45:50,480

you know and how it happened and not

2744

01:45:55,910 --> 01:45:52,719

have to worry about

2745

01:45:57,669 --> 01:45:55,920

about that is is pretty huge

2746

01:45:59,270 --> 01:45:57,679

um because

2747

01:46:00,229 --> 01:45:59,280

it just feels like i'm unloading

2748

01:46:04,310 --> 01:46:00,239

something

2749

01:46:06,390 --> 01:46:04,320

uh that's attached inside you know

2750

01:46:10,629 --> 01:46:06,400

yeah

2751

01:46:13,109 --> 01:46:10,639

it's very heavy it's very heavy um

2752

01:46:14,550 --> 01:46:13,119

for people you know um i didn't realize

2753

01:46:15,669 --> 01:46:14,560

that there was a community for this i

2754

01:46:16,550 --> 01:46:15,679

just you know

2755

01:46:17,830 --> 01:46:16,560

i'm

2756

01:46:20,790 --> 01:46:17,840

i had my first experience with those

2757

01:46:22,629 --> 01:46:20,800

five i didn't realize this existed until

2758

01:46:23,830 --> 01:46:22,639

honestly this year so a lot of people

2759

01:46:27,189 --> 01:46:23,840

are still

2760

01:46:29,430 --> 01:46:27,199

um kind of in the shadows with this and

2761

01:46:31,270 --> 01:46:29,440

uh the fact that

2762

01:46:34,070 --> 01:46:31,280

i just think that you learn so much from

2763

01:46:36,390 --> 01:46:34,080

other experiencers um so

2764

01:46:38,470 --> 01:46:36,400

um and more lights kind of turn on the

2765

01:46:39,990 --> 01:46:38,480

more you hear because you can hear a lot

2766

01:46:41,430 --> 01:46:40,000

of people you know come to a lot of

2767

01:46:44,149 --> 01:46:41,440

people come to me with like all sorts of

2768

01:46:47,030 --> 01:46:44,159

experiences uh their dream experiences

2769

01:46:49,030 --> 01:46:47,040

even if it's just paranormal um the

2770

01:46:50,550 --> 01:46:49,040

shadow people with all sorts of things

2771

01:46:52,870 --> 01:46:50,560

um i'm here to hold space for people

2772

01:46:53,750 --> 01:46:52,880

that's like one calling i know that i'm

2773

01:46:55,669 --> 01:46:53,760

here for

2774

01:46:57,189 --> 01:46:55,679

but just hearing other people talk about

2775

01:46:58,310 --> 01:46:57,199

it being more open and meeting people

2776

01:47:00,229 --> 01:46:58,320

like sean said like he said he didn't

2777

01:47:02,070 --> 01:47:00,239

know what's going on or you know

2778

01:47:03,590 --> 01:47:02,080

it's uh there's a lot of people like

2779

01:47:05,669 --> 01:47:03,600

that there's a lot of people that have

2780

01:47:08,870 --> 01:47:05,679

been involved with this for

2781

01:47:11,590 --> 01:47:08,880

generations that don't know where to go

2782

01:47:13,189 --> 01:47:11,600

and uh we have to keep that space open

2783

01:47:14,310 --> 01:47:13,199

for people we have to hold it for them

2784

01:47:15,990 --> 01:47:14,320

because

2785

01:47:18,149 --> 01:47:16,000

like you said there's so many people

2786

01:47:20,950 --> 01:47:18,159

that are just like outcasts in their own

2787

01:47:22,870 --> 01:47:20,960

family they feel isolated they feel

2788

01:47:24,149 --> 01:47:22,880

crazy they don't know if it's real they

2789

01:47:25,669 --> 01:47:24,159

think it's real

2790

01:47:27,189 --> 01:47:25,679

and maybe part of them knows it's real

2791

01:47:28,709 --> 01:47:27,199

but then they're trying to kind of talk

2792

01:47:30,790 --> 01:47:28,719

themselves out of it like oh no maybe i

2793

01:47:33,189 --> 01:47:30,800

was just sleepwalking or no um it was

2794

01:47:35,590 --> 01:47:33,199

just you know i was really tired and i

2795

01:47:36,870 --> 01:47:35,600

had a really deep dream so thank you so

2796

01:47:38,790 --> 01:47:36,880

much for saying all that because i

2797

01:47:40,390 --> 01:47:38,800

didn't really um

2798

01:47:41,270 --> 01:47:40,400

this is one of the few times i've heard

2799

01:47:43,590 --> 01:47:41,280

people

2800

01:47:44,870 --> 01:47:43,600

um be so open about it

2801

01:47:47,109 --> 01:47:44,880

and i

2802

01:47:48,709 --> 01:47:47,119

it's it's crazy to me that this has been

2803

01:47:50,149 --> 01:47:48,719

here the whole time and i don't know so

2804

01:47:52,070 --> 01:47:50,159

i'm a little like dumbfounded by what

2805

01:47:53,590 --> 01:47:52,080

you said because um i think you were in

2806

01:47:56,310 --> 01:47:53,600

the chat when i was on that one time i

2807

01:47:59,990 --> 01:47:56,320

was addicted by aliens uh show

2808

01:48:01,590 --> 01:48:00,000

and that was scary telling people um

2809

01:48:03,350 --> 01:48:01,600

like something not so cool happened when

2810

01:48:05,350 --> 01:48:03,360

i was six you know

2811

01:48:06,709 --> 01:48:05,360

um it started as something fascinating

2812

01:48:08,149 --> 01:48:06,719

and then when you become like you i

2813

01:48:09,590 --> 01:48:08,159

didn't even know the term lifer was a

2814

01:48:11,350 --> 01:48:09,600

thing i haven't honestly i've stayed

2815

01:48:13,270 --> 01:48:11,360

away from it because i didn't really

2816

01:48:14,790 --> 01:48:13,280

know um

2817

01:48:16,149 --> 01:48:14,800

i didn't know what to read and who to

2818

01:48:17,830 --> 01:48:16,159

trust as far as the experience your

2819

01:48:19,910 --> 01:48:17,840

stuff goes so i fell back on the whole

2820

01:48:21,030 --> 01:48:19,920

nuts and bolts thing because it seems

2821

01:48:22,550 --> 01:48:21,040

simpler

2822

01:48:24,149 --> 01:48:22,560

and i think that's one of the reasons

2823

01:48:25,510 --> 01:48:24,159

people stayed at symbols too is because

2824

01:48:27,270 --> 01:48:25,520

it's simple

2825

01:48:28,790 --> 01:48:27,280

yep you get to experience your stuff

2826

01:48:30,310 --> 01:48:28,800

there's so many different types of

2827

01:48:33,189 --> 01:48:30,320

experiences there's so many different

2828

01:48:35,189 --> 01:48:33,199

types of beings and it's just

2829

01:48:36,950 --> 01:48:35,199

there's a lot of data to take in

2830

01:48:38,550 --> 01:48:36,960

and there's also not just the data but

2831

01:48:41,189 --> 01:48:38,560

the people as sean said like there's

2832

01:48:42,950 --> 01:48:41,199

people behind these experiences and

2833

01:48:44,229 --> 01:48:42,960

yeah it's just um you kind of blew my

2834

01:48:46,390 --> 01:48:44,239

mind with everything you've said right

2835

01:48:48,790 --> 01:48:46,400

now because even though i've known it

2836

01:48:51,189 --> 01:48:48,800

um having somebody say even what sean

2837

01:48:54,390 --> 01:48:51,199

just said too it's just like

2838

01:48:57,030 --> 01:48:54,400

you um i have a feeling of uh not being

2839

01:49:01,350 --> 01:48:57,040

so isolated now so thank you for paving

2840

01:49:03,030 --> 01:49:01,360

the way and and doing this first

2841

01:49:04,950 --> 01:49:03,040

well i don't know who you're talking to

2842

01:49:06,870 --> 01:49:04,960

for the thank you part but i'll give it

2843

01:49:09,510 --> 01:49:06,880

to everybody else

2844

01:49:11,270 --> 01:49:09,520

just to be fair

2845

01:49:12,229 --> 01:49:11,280

um

2846

01:49:13,750 --> 01:49:12,239

yeah

2847

01:49:15,589 --> 01:49:13,760

there's

2848

01:49:18,629 --> 01:49:15,599

you know i can say

2849

01:49:20,709 --> 01:49:18,639

that after my experience i had directly

2850

01:49:23,510 --> 01:49:20,719

went to

2851

01:49:26,149 --> 01:49:23,520

uh documents in trying to

2852

01:49:28,310 --> 01:49:26,159

almost first and i still do that

2853

01:49:32,149 --> 01:49:28,320

but really what i was trying to do was

2854

01:49:33,350 --> 01:49:32,159

prove to myself that i wasn't nuts

2855

01:49:35,669 --> 01:49:33,360

you know

2856

01:49:38,790 --> 01:49:35,679

like did this really happen to me how is

2857

01:49:41,270 --> 01:49:38,800

that possible how did all this happen

2858

01:49:43,430 --> 01:49:41,280

um well what can i do because i i can't

2859

01:49:45,430 --> 01:49:43,440

rely on other people to tell me things

2860

01:49:47,030 --> 01:49:45,440

because who do you trust i barely know

2861

01:49:48,070 --> 01:49:47,040

these people or this person or that

2862

01:49:49,750 --> 01:49:48,080

person

2863

01:49:52,149 --> 01:49:49,760

and some people are just trying to take

2864

01:49:54,629 --> 01:49:52,159

your money some people are just trying

2865

01:49:55,669 --> 01:49:54,639

to be like a lord and savior of the ufo

2866

01:49:58,310 --> 01:49:55,679

community

2867

01:50:00,229 --> 01:49:58,320

some people are doing good stuff but

2868

01:50:01,350 --> 01:50:00,239

also are doing bad stuff you know what

2869

01:50:02,310 --> 01:50:01,360

do you do

2870

01:50:04,070 --> 01:50:02,320

um

2871

01:50:06,229 --> 01:50:04,080

all i knew to do was

2872

01:50:08,070 --> 01:50:06,239

do something for myself

2873

01:50:11,030 --> 01:50:08,080

you know and that's the only thing i

2874

01:50:13,750 --> 01:50:11,040

could trust that was so i

2875

01:50:15,750 --> 01:50:13,760

did that and i did find a truth in that

2876

01:50:19,669 --> 01:50:15,760

and i didn't find ships and i didn't

2877

01:50:22,870 --> 01:50:19,679

find aliens but i found that a for sure

2878

01:50:25,669 --> 01:50:22,880

phenomenon that has confused even our

2879

01:50:28,229 --> 01:50:25,679

government since the 40s

2880

01:50:29,270 --> 01:50:28,239

you know and some of the answers they

2881

01:50:31,189 --> 01:50:29,280

give now

2882

01:50:34,790 --> 01:50:31,199

you look at some of these documents and

2883

01:50:35,830 --> 01:50:34,800

they're almost like word for word

2884

01:50:36,790 --> 01:50:35,840

you know

2885

01:50:40,470 --> 01:50:36,800

um

2886

01:50:43,109 --> 01:50:40,480

and so and i find that very interesting

2887

01:50:45,430 --> 01:50:43,119

because everyone just assumes that the

2888

01:50:48,070 --> 01:50:45,440

almighty powerful government will have

2889

01:50:50,390 --> 01:50:48,080

the answers and they must be lying to us

2890

01:50:52,229 --> 01:50:50,400

but they also forget that they are

2891

01:50:54,709 --> 01:50:52,239

people too and there are people that

2892

01:50:56,709 --> 01:50:54,719

lead the positions and new ones come in

2893

01:50:59,189 --> 01:50:56,719

and it's not the same

2894

01:51:01,270 --> 01:50:59,199

you know lord masters of the truth since

2895

01:51:03,350 --> 01:51:01,280

47 that have been here just holding it

2896

01:51:07,189 --> 01:51:03,360

over your head the whole time you know

2897

01:51:09,270 --> 01:51:07,199

it's um there's a lot more going on

2898

01:51:12,310 --> 01:51:09,280

and you know when i read those documents

2899

01:51:15,750 --> 01:51:12,320

and experiences the pilots go through or

2900

01:51:18,229 --> 01:51:15,760

or civilians too um

2901

01:51:21,030 --> 01:51:18,239

they're intense and

2902

01:51:24,870 --> 01:51:21,040

there is way too many of them

2903

01:51:26,870 --> 01:51:24,880

um for there not to be a misunderstood

2904

01:51:29,270 --> 01:51:26,880

and unknown phenomenon that is currently

2905

01:51:31,189 --> 01:51:29,280

present you know and i found that truth

2906

01:51:32,550 --> 01:51:31,199

doing that um

2907

01:51:36,470 --> 01:51:32,560

but

2908

01:51:38,950 --> 01:51:36,480

i also realized after doing that um i'm

2909

01:51:41,350 --> 01:51:38,960

a little fearful of going into the

2910

01:51:42,629 --> 01:51:41,360

consciousness aspect and the meditation

2911

01:51:43,589 --> 01:51:42,639

aspect and

2912

01:51:45,510 --> 01:51:43,599

um

2913

01:51:47,830 --> 01:51:45,520

will i have more experiences what will

2914

01:51:49,830 --> 01:51:47,840

those look like you know

2915

01:51:51,830 --> 01:51:49,840

will i lose myself how do i stay

2916

01:51:53,189 --> 01:51:51,840

grounded you know all that stuff runs

2917

01:51:54,629 --> 01:51:53,199

through my mind

2918

01:51:57,430 --> 01:51:54,639

you know um

2919

01:51:59,350 --> 01:51:57,440

so yeah just wanted to say that

2920

01:52:02,470 --> 01:51:59,360

i i think that those are all very

2921

01:52:04,790 --> 01:52:02,480

important questions as well and i think

2922

01:52:06,310 --> 01:52:04,800

i said i think that those are some of

2923

01:52:08,629 --> 01:52:06,320

the most central questions we could

2924

01:52:09,669 --> 01:52:08,639

possibly have how do we stay grounded

2925

01:52:11,510 --> 01:52:09,679

how do we

2926
01:52:12,629 --> 01:52:11,520
keep

2927
01:52:15,030 --> 01:52:12,639
centered

2928
01:52:18,149 --> 01:52:15,040
uh to ourselves uh

2929
01:52:19,030 --> 01:52:18,159
how do we how do we look through the fog

2930
01:52:24,870 --> 01:52:19,040
of

2931
01:52:27,350 --> 01:52:24,880
disinformation or whatever and this

2932
01:52:28,310 --> 01:52:27,360
isn't i mean one of the wild things

2933
01:52:30,470 --> 01:52:28,320
about

2934
01:52:33,750 --> 01:52:30,480
as we go further with this stuff is that

2935
01:52:36,229 --> 01:52:33,760
that it's not just experiencers that

2936
01:52:38,550 --> 01:52:36,239
that that

2937
01:52:40,870 --> 01:52:38,560
can or should be dealing with those

2938
01:52:44,070 --> 01:52:40,880

questions like every this is this stuff

2939

01:52:47,270 --> 01:52:44,080

is so baked into at least in in my

2940

01:52:50,550 --> 01:52:47,280

opinion and i think in reality

2941

01:52:52,550 --> 01:52:50,560

we're talking about as a wider reality

2942

01:52:54,470 --> 01:52:52,560

we're talking about stuff that's really

2943

01:52:57,750 --> 01:52:54,480

baked into the fabric

2944

01:53:00,149 --> 01:52:57,760

of our reality or a reality whether we

2945

01:53:01,990 --> 01:53:00,159

want to acknowledge it or not right

2946

01:53:04,950 --> 01:53:02,000

and and

2947

01:53:07,109 --> 01:53:04,960

i i completely comport with i i

2948

01:53:09,350 --> 01:53:07,119

completely agree with priscilla and

2949

01:53:11,669 --> 01:53:09,360

linda and sean in terms of

2950

01:53:13,589 --> 01:53:11,679

being an experienter and then running

2951
01:53:15,910 --> 01:53:13,599
towards the documents and running to try

2952
01:53:18,870 --> 01:53:15,920
to find some pdf that will tell me that

2953
01:53:20,629 --> 01:53:18,880
i'm not crazy right and like we've all

2954
01:53:23,990 --> 01:53:20,639
done it priscilla was just talking about

2955
01:53:25,910 --> 01:53:24,000
it linda linda does does does her own

2956
01:53:28,310 --> 01:53:25,920
document finding and she helps with

2957
01:53:30,070 --> 01:53:28,320
other researchers of course

2958
01:53:32,070 --> 01:53:30,080
we all know what sean has been doing in

2959
01:53:35,109 --> 01:53:32,080
terms of document finding that way and

2960
01:53:37,510 --> 01:53:35,119
processing them and i i got so far into

2961
01:53:39,910 --> 01:53:37,520
that that you know i started

2962
01:53:42,310 --> 01:53:39,920
that i found myself working for richard

2963
01:53:44,149 --> 01:53:42,320

dolan who's arguably the grand poobah of

2964

01:53:45,189 --> 01:53:44,159

nuts and bolts at this point you know

2965

01:53:49,109 --> 01:53:45,199

what i mean

2966

01:53:50,950 --> 01:53:49,119

and and it but what i found was and i i

2967

01:53:52,550 --> 01:53:50,960

deeply appreciate richard's work i

2968

01:53:54,629 --> 01:53:52,560

appreciate

2969

01:53:57,030 --> 01:53:54,639

the work of many nuts and bolts people

2970

01:53:58,709 --> 01:53:57,040

because it really takes everybody and it

2971

01:54:01,030 --> 01:53:58,719

takes it's like what we were talking

2972

01:54:03,750 --> 01:54:01,040

about before with demi lovato even that

2973

01:54:06,390 --> 01:54:03,760

that that coming together as a community

2974

01:54:08,950 --> 01:54:06,400

we need to to be approaching this from

2975

01:54:11,109 --> 01:54:08,960

so many different frameworks and world

2976

01:54:13,830 --> 01:54:11,119

views because that will give us the

2977

01:54:16,070 --> 01:54:13,840

expanded world view that will actually

2978

01:54:18,550 --> 01:54:16,080

maybe be able to embrace this whole

2979

01:54:21,430 --> 01:54:18,560

thing right that's a good point about

2980

01:54:24,470 --> 01:54:21,440

this may take it this takes everybody

2981

01:54:26,229 --> 01:54:24,480

because it does it it does take

2982

01:54:30,149 --> 01:54:26,239

everybody because

2983

01:54:32,709 --> 01:54:30,159

um you know people are individuals and

2984

01:54:34,870 --> 01:54:32,719

they have different skills and talents

2985

01:54:37,189 --> 01:54:34,880

that if they're all utilized to their

2986

01:54:37,990 --> 01:54:37,199

best of ability and you know left to

2987

01:54:40,550 --> 01:54:38,000

stay

2988

01:54:43,030 --> 01:54:40,560

in their lane and vice versa like uh we

2989

01:54:45,910 --> 01:54:43,040

would definitely get much farther and i

2990

01:54:48,310 --> 01:54:45,920

just wanted to add that in the documents

2991

01:54:51,189 --> 01:54:48,320

stuff in my document work it's

2992

01:54:52,629 --> 01:54:51,199

interesting how it is turned

2993

01:54:55,350 --> 01:54:52,639

from

2994

01:54:57,910 --> 01:54:55,360

uh finding truth for myself

2995

01:55:00,550 --> 01:54:57,920

to now trying to provide something

2996

01:55:01,430 --> 01:55:00,560

tangible to other people

2997

01:55:02,310 --> 01:55:01,440

you know

2998

01:55:05,350 --> 01:55:02,320

which

2999

01:55:07,910 --> 01:55:05,360

like the other sean out there that might

3000

01:55:10,310 --> 01:55:07,920

be looking for something that needs to

3001

01:55:12,870 --> 01:55:10,320

see that document to go holy crap i

3002

01:55:15,109 --> 01:55:12,880

can't believe it you know to to feel a

3003

01:55:17,430 --> 01:55:15,119

little better about themselves and what

3004

01:55:19,669 --> 01:55:17,440

they went through you know so i think

3005

01:55:20,950 --> 01:55:19,679

that's what linda does too correct me if

3006

01:55:21,910 --> 01:55:20,960

i'm wrong but

3007

01:55:23,830 --> 01:55:21,920

um

3008

01:55:26,070 --> 01:55:23,840

yeah so i

3009

01:55:27,990 --> 01:55:26,080

you're right it's it's like a whole a

3010

01:55:30,390 --> 01:55:28,000

whole approach to this

3011

01:55:32,790 --> 01:55:30,400

um is really positive and really good

3012

01:55:34,950 --> 01:55:32,800

because you know

3013

01:55:37,350 --> 01:55:34,960

that's that's all we can do is show

3014

01:55:39,669 --> 01:55:37,360

compassion for other people and try to

3015

01:55:42,629 --> 01:55:39,679

help whatever the answer is going to be

3016

01:55:43,750 --> 01:55:42,639

is in doing that for each other

3017

01:55:46,390 --> 01:55:43,760

yeah

3018

01:55:49,109 --> 01:55:46,400

and there's so many people that have

3019

01:55:51,189 --> 01:55:49,119

been in the military for

3020

01:55:54,709 --> 01:55:51,199

decades back

3021

01:55:56,229 --> 01:55:54,719

police officers pilots

3022

01:55:58,390 --> 01:55:56,239

um

3023

01:55:59,270 --> 01:55:58,400

you know you name it

3024

01:56:02,550 --> 01:55:59,280

that

3025

01:56:03,430 --> 01:56:02,560

have seen these and have experience with

3026

01:56:05,350 --> 01:56:03,440

them

3027

01:56:07,990 --> 01:56:05,360

and they've just have been under the

3028

01:56:11,430 --> 01:56:08,000

cover of don't tell

3029

01:56:15,669 --> 01:56:11,440

and so you have that big

3030

01:56:17,669 --> 01:56:15,679

group of people out there that once you

3031

01:56:19,990 --> 01:56:17,679

unleash them

3032

01:56:28,950 --> 01:56:20,000

you know there's going to be all those

3033

01:56:33,510 --> 01:56:29,830

yeah

3034

01:56:37,669 --> 01:56:35,669

i'd love to hear if priscilla has has

3035

01:56:40,070 --> 01:56:37,679

anything that she'd like to add to the

3036

01:56:41,990 --> 01:56:40,080

to this point of it

3037

01:56:43,669 --> 01:56:42,000

well i'm just kind of like taking it in

3038

01:56:45,589 --> 01:56:43,679

um i

3039

01:56:47,189 --> 01:56:45,599

i mean i just like i said this is kind

3040

01:56:49,350 --> 01:56:47,199

of like a new uh

3041

01:56:51,510 --> 01:56:49,360

it's i'm not new to the experiences i'm

3042

01:56:54,950 --> 01:56:51,520

not new to the whole um subject but i

3043

01:56:57,750 --> 01:56:54,960

didn't like i said i'm new to twitter

3044

01:56:59,430 --> 01:56:57,760

and i'm new to talking about this openly

3045

01:57:01,910 --> 01:56:59,440

because it was already hard enough for

3046

01:57:04,470 --> 01:57:01,920

me coming out being a witch let alone or

3047

01:57:06,390 --> 01:57:04,480

a spiritualist uh let alone being an

3048

01:57:07,510 --> 01:57:06,400

experiencer as well so

3049

01:57:09,589 --> 01:57:07,520

it's the same

3050

01:57:11,030 --> 01:57:09,599

i i like i don't know i just agree with

3051

01:57:12,390 --> 01:57:11,040

you guys and i'm listening because i

3052

01:57:14,709 --> 01:57:12,400

feel like you have been all you all have

3053

01:57:17,430 --> 01:57:14,719

been talking about it openly for so long

3054

01:57:19,270 --> 01:57:17,440

um and yes everybody goes down i'm gonna

3055

01:57:20,870 --> 01:57:19,280

find the facts and i still do believe

3056

01:57:22,070 --> 01:57:20,880

that the governments of the world need

3057

01:57:23,430 --> 01:57:22,080

to be held accountable for what they've

3058

01:57:26,629 --> 01:57:23,440

been keeping secret

3059

01:57:29,270 --> 01:57:26,639

um what they do know needs to be told if

3060

01:57:32,149 --> 01:57:29,280

um but yeah i just i'm on point with all

3061

01:57:34,390 --> 01:57:32,159

you guys i agree i just i'm kind of uh

3062

01:57:35,270 --> 01:57:34,400

taking it all in right now because

3063

01:57:37,109 --> 01:57:35,280

yeah

3064

01:57:38,629 --> 01:57:37,119

it's i've seen spirits i've seen ghosts

3065

01:57:40,629 --> 01:57:38,639

and now i'm like do i tell people i've

3066

01:57:43,430 --> 01:57:40,639

seen other things too that i can't

3067

01:57:44,790 --> 01:57:43,440

exactly explain or um just kind of

3068

01:57:46,070 --> 01:57:44,800

dealing with like the

3069

01:57:47,350 --> 01:57:46,080

the paradigm

3070

01:57:49,030 --> 01:57:47,360

shift of

3071

01:57:50,390 --> 01:57:49,040

i thought this was one thing maybe it

3072

01:57:51,189 --> 01:57:50,400

was something else

3073

01:57:53,510 --> 01:57:51,199

and

3074

01:57:55,510 --> 01:57:53,520

maybe it's all of it at the same time

3075

01:57:56,870 --> 01:57:55,520

so it's kind of like a mind-blowing to

3076

01:57:59,030 --> 01:57:56,880

hear other people

3077

01:58:02,709 --> 01:57:59,040

uh talk about it honestly

3078

01:58:05,189 --> 01:58:02,719

because so i'm just taking it all in

3079

01:58:07,350 --> 01:58:05,199

you know it's really interesting because

3080

01:58:11,109 --> 01:58:07,360

um

3081

01:58:13,669 --> 01:58:11,119

a lot of children will call these beings

3082

01:58:14,950 --> 01:58:13,679

they see spiders

3083

01:58:17,990 --> 01:58:14,960

okay

3084

01:58:21,350 --> 01:58:18,000

but but they're actually mantids that

3085

01:58:22,550 --> 01:58:21,360

they're seeing but see they don't know

3086

01:58:29,430 --> 01:58:22,560

the word for

3087

01:58:30,790 --> 01:58:29,440

yeah and so but you correlate that to

3088

01:58:32,149 --> 01:58:30,800

everything

3089

01:58:33,750 --> 01:58:32,159

going back

3090

01:58:34,550 --> 01:58:33,760

millennia

3091

01:58:39,990 --> 01:58:34,560

in

3092

01:58:43,030 --> 01:58:40,000

is that people don't use the same

3093

01:58:46,149 --> 01:58:43,040

descriptions for what they see

3094

01:58:49,030 --> 01:58:46,159

part of that is based on their knowledge

3095

01:58:50,149 --> 01:58:49,040

or their culture or their age

3096

01:58:53,510 --> 01:58:50,159

and so

3097

01:58:55,430 --> 01:58:53,520

when we look at this whole thing

3098

01:58:57,669 --> 01:58:55,440

you know it's like somebody said one

3099

01:59:00,070 --> 01:58:57,679

time well how come they weren't seeing

3100

01:59:02,229 --> 01:59:00,080

tic tacs back in the 40s i said well

3101
01:59:04,870 --> 01:59:02,239
because there were no tic tacs back in

3102
01:59:06,310 --> 01:59:04,880
the 40s they were calling them cigars

3103
01:59:08,149 --> 01:59:06,320
they were calling them

3104
01:59:11,030 --> 01:59:08,159
you know cylinders

3105
01:59:12,149 --> 01:59:11,040
you know and so i'm glad you said that

3106
01:59:15,669 --> 01:59:12,159
yeah so

3107
01:59:16,709 --> 01:59:15,679
you know we have to open our minds to

3108
01:59:18,390 --> 01:59:16,719
you know

3109
01:59:21,669 --> 01:59:18,400
a lot of times it's

3110
01:59:23,430 --> 01:59:21,679
people don't set things in the time

3111
01:59:24,790 --> 01:59:23,440
period cultural

3112
01:59:28,149 --> 01:59:24,800
aspect

3113
01:59:31,109 --> 01:59:28,159

and you know and so a lot of this

3114

01:59:33,589 --> 01:59:31,119

we do have to have an open mind

3115

01:59:34,790 --> 01:59:33,599

when we are talking about it or

3116

01:59:39,430 --> 01:59:34,800

listening

3117

01:59:42,950 --> 01:59:41,189

i think that's that's great because i've

3118

01:59:45,189 --> 01:59:42,960

thought of that so many times um but

3119

01:59:46,149 --> 01:59:45,199

like where are the flying saucers why is

3120

01:59:49,109 --> 01:59:46,159

nobody

3121

01:59:50,950 --> 01:59:49,119

reported flying discs anymore

3122

01:59:53,270 --> 01:59:50,960

um in in all the pictures that you see

3123

01:59:55,669 --> 01:59:53,280

of flying discs like if one showed up

3124

01:59:57,510 --> 01:59:55,679

now it would look like a 56 chevy really

3125

01:59:59,910 --> 01:59:57,520

it would seem like that you know it

3126
02:00:01,910 --> 01:59:59,920
wouldn't seem like futuristic but maybe

3127
02:00:03,910 --> 02:00:01,920
that's not because what it actually is

3128
02:00:05,910 --> 02:00:03,920
that's it was just the descriptor used

3129
02:00:07,430 --> 02:00:05,920
and the scriptures changed to something

3130
02:00:09,030 --> 02:00:07,440
else now

3131
02:00:10,390 --> 02:00:09,040
yeah i think that's great

3132
02:00:12,470 --> 02:00:10,400
even going back to like the ancient

3133
02:00:14,470 --> 02:00:12,480
artwork that we're finding of these um

3134
02:00:17,589 --> 02:00:14,480
giant insects and

3135
02:00:18,870 --> 02:00:17,599
yeah i remember seeing a spider smiling

3136
02:00:20,470 --> 02:00:18,880
at me when i was little one time but

3137
02:00:22,229 --> 02:00:20,480
that makes sense because it wasn't

3138
02:00:24,390 --> 02:00:22,239

exactly a spider it was like a weird

3139

02:00:25,990 --> 02:00:24,400

looking like bug thing but that's kind

3140

02:00:28,149 --> 02:00:26,000

of funny um and i don't think it was

3141

02:00:30,310 --> 02:00:28,159

smile i think that like the telepathy of

3142

02:00:31,109 --> 02:00:30,320

it putting energy out um was telling me

3143

02:00:32,790 --> 02:00:31,119

it was

3144

02:00:34,709 --> 02:00:32,800

maybe like a in peace or it made me feel

3145

02:00:35,910 --> 02:00:34,719

happy because the mantids are i feel

3146

02:00:37,830 --> 02:00:35,920

like there's two stories with like the

3147

02:00:38,950 --> 02:00:37,840

mantis beings some people say that

3148

02:00:40,629 --> 02:00:38,960

they're kind of like overwatching

3149

02:00:42,229 --> 02:00:40,639

they're kind of like leering and mean

3150

02:00:43,750 --> 02:00:42,239

and then some people say that they they

3151
02:00:46,149 --> 02:00:43,760
impart great wisdom and they bring all

3152
02:00:47,510 --> 02:00:46,159
this comfort to the situation so

3153
02:00:49,270 --> 02:00:47,520
it's interesting that you bring that up

3154
02:00:50,790 --> 02:00:49,280
because we don't think about um what

3155
02:00:53,510 --> 02:00:50,800
even like our children are saying that

3156
02:00:55,510 --> 02:00:53,520
might be they might be seeing um

3157
02:00:56,950 --> 02:00:55,520
and like sean said like sometimes people

3158
02:00:58,070 --> 02:00:56,960
have these experiences and involves

3159
02:00:59,669 --> 02:00:58,080
other people

3160
02:01:01,830 --> 02:00:59,679
and that's why like you might be having

3161
02:01:03,830 --> 02:01:01,840
an experience and you see somebody that

3162
02:01:05,830 --> 02:01:03,840
you know there as well in the same

3163
02:01:08,070 --> 02:01:05,840

experience and

3164

02:01:09,830 --> 02:01:08,080

you have to how would they explain what

3165

02:01:11,189 --> 02:01:09,840

you're seeing it's just like so many

3166

02:01:13,270 --> 02:01:11,199

people see a crime committed and they

3167

02:01:16,070 --> 02:01:13,280

all explain it differently but it's all

3168

02:01:17,350 --> 02:01:16,080

like the same crime

3169

02:01:20,629 --> 02:01:17,360

right

3170

02:01:22,550 --> 02:01:20,639

yeah absolutely yeah i i when i was

3171

02:01:24,790 --> 02:01:22,560

when i was younger i used to refer to

3172

02:01:26,709 --> 02:01:24,800

them as the grasshoppers the mantids

3173

02:01:28,470 --> 02:01:26,719

because i grew up in the midwest and we

3174

02:01:31,109 --> 02:01:28,480

didn't really have pragmatizes out there

3175

02:01:33,189 --> 02:01:31,119

but we had a ton of grasshoppers right

3176

02:01:35,030 --> 02:01:33,199

and so you know it's important these

3177

02:01:37,430 --> 02:01:35,040

these cultural reference and and

3178

02:01:39,669 --> 02:01:37,440

thinking about how they they can

3179

02:01:42,310 --> 02:01:39,679

and then there's it's not just like what

3180

02:01:44,790 --> 02:01:42,320

what's the language that we know right

3181

02:01:46,550 --> 02:01:44,800

it's also the language that

3182

02:01:48,709 --> 02:01:46,560

they know we know

3183

02:01:50,709 --> 02:01:48,719

right because there does seem to be an

3184

02:01:52,950 --> 02:01:50,719

element of translation that seems to be

3185

02:01:55,350 --> 02:01:52,960

happening sometimes not just in terms of

3186

02:01:57,430 --> 02:01:55,360

the language that they use when they're

3187

02:02:00,470 --> 02:01:57,440

when they're speaking how is it possible

3188

02:02:02,709 --> 02:02:00,480

you know we we just gloss over the part

3189

02:02:04,149 --> 02:02:02,719

where it's like oh telepathy so it makes

3190

02:02:06,310 --> 02:02:04,159

sense that they we understand each other

3191

02:02:08,310 --> 02:02:06,320

but how are they able to speak german

3192

02:02:09,990 --> 02:02:08,320

german to german experiencers how are

3193

02:02:12,629 --> 02:02:10,000

they able to speak japanese japanese

3194

02:02:15,030 --> 02:02:12,639

experiences and not just that but if

3195

02:02:17,510 --> 02:02:15,040

they'll use cultural reference that are

3196

02:02:19,910 --> 02:02:17,520

that are significant to say

3197

02:02:21,669 --> 02:02:19,920

and speak differently to to an artist

3198

02:02:23,109 --> 02:02:21,679

than they might to a chemical engineer

3199

02:02:25,189 --> 02:02:23,119

or something like that and there seems

3200

02:02:26,310 --> 02:02:25,199

to be an understanding or being able to

3201

02:02:28,709 --> 02:02:26,320

apprehend

3202

02:02:30,390 --> 02:02:28,719

the not the the language base

3203

02:02:32,790 --> 02:02:30,400

right with which somebody's looking at

3204

02:02:34,390 --> 02:02:32,800

so then you start to think about these

3205

02:02:35,910 --> 02:02:34,400

things like the cigars and the flying

3206

02:02:36,709 --> 02:02:35,920

saucers and stuff like that and you

3207

02:02:39,189 --> 02:02:36,719

think

3208

02:02:41,109 --> 02:02:39,199

maybe there still is even in the visual

3209

02:02:42,950 --> 02:02:41,119

like of course with screen memories and

3210

02:02:45,510 --> 02:02:42,960

stuff like that an element of cultural

3211

02:02:47,589 --> 02:02:45,520

translation that's happening so

3212

02:02:50,470 --> 02:02:47,599

example back in the old airship cases

3213

02:02:53,030 --> 02:02:50,480

right that valet reported on in the back

3214

02:02:55,030 --> 02:02:53,040

of passport to magonia and otherwise um

3215

02:02:57,910 --> 02:02:55,040

people there were the first kind of case

3216

02:02:59,750 --> 02:02:57,920

reports of cows being taken right and

3217

02:03:02,229 --> 02:02:59,760

they and some of the early reports were

3218

02:03:04,709 --> 02:03:02,239

like oh they they threw down ropes and

3219

02:03:05,750 --> 02:03:04,719

they grabbed them up with ropes right

3220

02:03:07,270 --> 02:03:05,760

now

3221

02:03:09,510 --> 02:03:07,280

we can

3222

02:03:12,229 --> 02:03:09,520

you know no matter where we are in 2021

3223

02:03:14,310 --> 02:03:12,239

we can be relatively sure that that

3224

02:03:15,270 --> 02:03:14,320

might not have been exactly literally

3225

02:03:18,070 --> 02:03:15,280

true

3226

02:03:20,149 --> 02:03:18,080

but it but we can look at it from all

3227

02:03:22,550 --> 02:03:20,159

from all of those perspectives maybe the

3228

02:03:24,709 --> 02:03:22,560

person reporting it would be like if i

3229

02:03:26,550 --> 02:03:24,719

say that it's it that took the cow on a

3230

02:03:27,669 --> 02:03:26,560

beam of light i'm gonna look even more

3231

02:03:28,550 --> 02:03:27,679

crazy

3232

02:03:30,870 --> 02:03:28,560

right

3233

02:03:33,030 --> 02:03:30,880

all the way over to to those beings

3234

02:03:35,510 --> 02:03:33,040

being like if we don't show them the

3235

02:03:37,510 --> 02:03:35,520

ropes they're going to go insane

3236

02:03:39,350 --> 02:03:37,520

right and that's kind of john keels

3237

02:03:41,350 --> 02:03:39,360

operation trojan horse where he thinks

3238

02:03:43,669 --> 02:03:41,360

he's you know these things are trickers

3239

02:03:45,830 --> 02:03:43,679

and tricksters and sometimes even

3240

02:03:49,030 --> 02:03:45,840

purposely leaving behind

3241

02:03:49,830 --> 02:03:49,040

human materials that we would understand

3242

02:03:52,870 --> 02:03:49,840

to

3243

02:03:53,910 --> 02:03:52,880

um put us you know off the right path

3244

02:03:55,910 --> 02:03:53,920

basically

3245

02:03:58,629 --> 02:03:55,920

he talked a lot about those airships too

3246

02:04:01,030 --> 02:03:58,639

and and how often times there'd be huge

3247

02:04:02,950 --> 02:04:01,040

anchors left

3248

02:04:04,629 --> 02:04:02,960

you know one that it was even attached

3249

02:04:07,270 --> 02:04:04,639

to a church or something

3250

02:04:09,510 --> 02:04:07,280

um it's like yeah and but then there's

3251

02:04:11,430 --> 02:04:09,520

always like there's notes too that are

3252

02:04:14,470 --> 02:04:11,440

left where you know i come from this

3253

02:04:16,069 --> 02:04:14,480

place or that place yeah and you know

3254

02:04:17,510 --> 02:04:16,079

yeah it's it's interesting in my

3255

02:04:19,189 --> 02:04:17,520

experience personally like one of my

3256

02:04:20,310 --> 02:04:19,199

dream experiences

3257

02:04:22,629 --> 02:04:20,320

um

3258

02:04:24,629 --> 02:04:22,639

fits with what you said jay perfectly

3259

02:04:25,830 --> 02:04:24,639

like a cultural thing

3260

02:04:28,390 --> 02:04:25,840

um

3261

02:04:30,950 --> 02:04:28,400

because there is no other way i would

3262

02:04:32,550 --> 02:04:30,960

have taken that dream

3263

02:04:33,430 --> 02:04:32,560

uh well

3264

02:04:35,990 --> 02:04:33,440

or

3265

02:04:38,470 --> 02:04:36,000

maybe even survived the surrealness of

3266

02:04:40,310 --> 02:04:38,480

it if it didn't show itself to me the

3267

02:04:41,350 --> 02:04:40,320

way it that it did

3268

02:04:45,510 --> 02:04:41,360

you know

3269

02:04:47,910 --> 02:04:45,520

think there's something to say there

3270

02:04:50,629 --> 02:04:47,920

for sure

3271

02:04:52,629 --> 02:04:50,639

yep i i know a gentleman that um he does

3272

02:04:55,669 --> 02:04:52,639

the meditation to um

3273

02:04:56,470 --> 02:04:55,679

to call them and he's a guitarist and he

3274

02:05:00,470 --> 02:04:56,480

has

3275

02:05:02,390 --> 02:05:00,480

too but he um

3276

02:05:04,229 --> 02:05:02,400

he plays guitar and he gets into his

3277

02:05:05,109 --> 02:05:04,239

flow state and

3278

02:05:06,629 --> 02:05:05,119

that's

3279

02:05:08,310 --> 02:05:06,639

that might like he's like uh they speak

3280

02:05:09,830 --> 02:05:08,320

to you a certain way due to your what's

3281

02:05:11,030 --> 02:05:09,840

culturally normal for you to make you

3282

02:05:13,990 --> 02:05:11,040

accept it

3283

02:05:15,189 --> 02:05:14,000

um mine have it's just um sometimes a

3284

02:05:17,750 --> 02:05:15,199

lot of times might have turned into

3285

02:05:19,910 --> 02:05:17,760

children um since i've been a mom more

3286

02:05:21,109 --> 02:05:19,920

often but it's a kind of insane that

3287

02:05:23,510 --> 02:05:21,119

they will show you something that you're

3288

02:05:25,430 --> 02:05:23,520

comfortable with it's like they know

3289

02:05:26,870 --> 02:05:25,440

um because they'll feel that you're a

3290

02:05:28,709 --> 02:05:26,880

little startled and they're like oh just

3291

02:05:30,629 --> 02:05:28,719

kidding i'm a cat like

3292

02:05:32,069 --> 02:05:30,639

really

3293

02:05:33,350 --> 02:05:32,079

or something you're comfortable with

3294

02:05:35,189 --> 02:05:33,360

like you said you're not to accept it

3295

02:05:38,790 --> 02:05:35,199

any other way because it would be too

3296

02:05:40,229 --> 02:05:38,800

much at once for us to kind of take in

3297

02:05:41,990 --> 02:05:40,239

and some like you said they leave things

3298

02:05:43,270 --> 02:05:42,000

behind that's interesting and it's also

3299

02:05:44,870 --> 02:05:43,280

interesting that sometimes they leave

3300

02:05:46,629 --> 02:05:44,880

people outside

3301

02:05:47,750 --> 02:05:46,639

like you took them out of the bed why

3302

02:05:49,910 --> 02:05:47,760

did you leave them outside do you want

3303

02:05:51,669 --> 02:05:49,920

them to know that it was a legitimate

3304

02:05:54,310 --> 02:05:51,679

experience do you want them to know they

3305

02:05:56,390 --> 02:05:54,320

were taken um there's even been people

3306

02:05:58,149 --> 02:05:56,400

that have dreamt of the exact spot they

3307

02:05:59,589 --> 02:05:58,159

wake up in and then a week later they

3308

02:06:01,189 --> 02:05:59,599

have this uh

3309

02:06:03,189 --> 02:06:01,199

this encounter

3310

02:06:04,709 --> 02:06:03,199

in the lucid state of dreaming or at

3311

02:06:06,229 --> 02:06:04,719

night time and then they're like they've

3312

02:06:07,109 --> 02:06:06,239

seen the spot that they're going to end

3313

02:06:08,550 --> 02:06:07,119

up in

3314

02:06:10,229 --> 02:06:08,560

they've seen the scene before even

3315

02:06:12,310 --> 02:06:10,239

sometimes had like a vision or a dream

3316

02:06:13,350 --> 02:06:12,320

of it and then it happens like how do

3317

02:06:15,109 --> 02:06:13,360

you

3318

02:06:17,350 --> 02:06:15,119

there's no way to explain that and also

3319

02:06:19,430 --> 02:06:17,360

how do people tell somebody that because

3320

02:06:21,669 --> 02:06:19,440

that's just you know outside of this

3321

02:06:23,510 --> 02:06:21,679

circle it's not exactly something you're

3322

02:06:25,109 --> 02:06:23,520

going to tell another parent on the

3323

02:06:26,870 --> 02:06:25,119

playground or like hey honey guess what

3324

02:06:28,229 --> 02:06:26,880

happened last night you were paralyzed

3325

02:06:29,830 --> 02:06:28,239

and so was i and they took me through

3326

02:06:31,750 --> 02:06:29,840

the window but you don't remember and i

3327

02:06:33,109 --> 02:06:31,760

barely remember cool

3328

02:06:35,589 --> 02:06:33,119

yeah

3329

02:06:38,310 --> 02:06:35,599

don't worry only one of us got probed

3330

02:06:45,109 --> 02:06:41,830

yeah uh well we are over the two hour

3331

02:06:46,870 --> 02:06:45,119

mark and i am starving yeah i want to

3332

02:06:49,030 --> 02:06:46,880

eat some dinner

3333

02:06:51,350 --> 02:06:49,040

um so now would be a good time to leave

3334

02:06:54,229 --> 02:06:51,360

but i'll definitely offer the

3335

02:06:56,950 --> 02:06:54,239

opportunity to anybody that wants to add

3336

02:06:59,669 --> 02:06:56,960

anything to that or or you know say

3337

02:07:02,470 --> 02:06:59,679

anything else for that matter so

3338

02:07:05,030 --> 02:07:02,480

thank you sean for asking us someone

3339

02:07:07,189 --> 02:07:05,040

it's good to see everybody

3340

02:07:08,069 --> 02:07:07,199

thank you same thing thank you um i

3341

02:07:10,830 --> 02:07:08,079

didn't

3342

02:07:14,310 --> 02:07:10,840

i'm i'm just kind of like

3343

02:07:15,430 --> 02:07:14,320

um talking about things openly more so

3344

02:07:17,189 --> 02:07:15,440

it's very

3345

02:07:19,510 --> 02:07:17,199

refreshing to meet people that are

3346

02:07:21,669 --> 02:07:19,520

making me feel not crazy so thank you

3347

02:07:24,149 --> 02:07:21,679

for making me feel a little bit more uh

3348

02:07:26,390 --> 02:07:24,159

sane i guess yeah well hey i need you

3349

02:07:28,149 --> 02:07:26,400

for that too so for myself

3350

02:07:30,069 --> 02:07:28,159

so yeah

3351

02:07:31,589 --> 02:07:30,079

thank you priscilla and for myself i

3352

02:07:34,470 --> 02:07:31,599

just want to say thank you sean thank

3353

02:07:37,510 --> 02:07:34,480

you priscilla linda and to

3354

02:07:39,109 --> 02:07:37,520

dr ezbjorn hargens for for tonight sean

3355

02:07:40,790 --> 02:07:39,119

it's always great to be here priscilla

3356

02:07:42,870 --> 02:07:40,800

is wonderful to meet you tonight and

3357

02:07:44,629 --> 02:07:42,880

linda it's always a pleasure i i see you

3358

02:07:46,629 --> 02:07:44,639

pretty regularly and it's always nice to

3359

02:07:48,550 --> 02:07:46,639

see you it's great too it's great to do

3360

02:07:49,750 --> 02:07:48,560

that within this format i feel like this

3361

02:07:51,350 --> 02:07:49,760

has been like a really productive

3362

02:07:53,189 --> 02:07:51,360

conversation and

3363

02:07:54,550 --> 02:07:53,199

you know and it's and it and it keeps

3364

02:07:56,390 --> 02:07:54,560

going like every time that we have a

3365

02:07:58,709 --> 02:07:56,400

conversation like this it grows and it

3366

02:07:59,750 --> 02:07:58,719

gets deeper and people start to pull

3367

02:08:04,310 --> 02:07:59,760

more together

3368

02:08:06,069 --> 02:08:04,320

an important part of of what you were

3369

02:08:07,589 --> 02:08:06,079

talking about when you're setting this

3370

02:08:08,390 --> 02:08:07,599

up you're like how do we do this as a

3371

02:08:11,189 --> 02:08:08,400

community

3372

02:08:12,870 --> 02:08:11,199

and i think in part part of the answer

3373

02:08:14,229 --> 02:08:12,880

is is just what we're doing here right

3374

02:08:15,669 --> 02:08:14,239

now

3375

02:08:18,310 --> 02:08:15,679

absolutely

3376

02:08:21,430 --> 02:08:18,320

well i appreciate you for taking the

3377

02:08:24,629 --> 02:08:21,440

chance and doing this um because it is

3378

02:08:28,709 --> 02:08:24,639

not you know it is a sensitive topic and

3379

02:08:31,990 --> 02:08:28,719

to um hold a discussion like this isn't

3380

02:08:33,510 --> 02:08:32,000

um for some people is terrifying or you

3381

02:08:34,870 --> 02:08:33,520

know um

3382

02:08:36,950 --> 02:08:34,880

don't want to say the wrong thing or

3383

02:08:38,950 --> 02:08:36,960

mention the wrong thing or whatever

3384

02:08:40,390 --> 02:08:38,960

and people have different views that

3385

02:08:42,550 --> 02:08:40,400

they're committed to how's that going to

3386

02:08:44,149 --> 02:08:42,560

work or whatever

3387

02:08:46,310 --> 02:08:44,159

and

3388

02:08:48,629 --> 02:08:46,320

you know

3389

02:08:50,629 --> 02:08:48,639

and i don't have the answers but i know

3390

02:08:52,629 --> 02:08:50,639

that i have compassion and i have a good

3391

02:08:53,430 --> 02:08:52,639

eye for people

3392

02:08:54,950 --> 02:08:53,440

and

3393

02:08:57,910 --> 02:08:54,960

um i

3394

02:08:59,189 --> 02:08:57,920

you know i highly respect all of you um

3395

02:09:00,870 --> 02:08:59,199

and so

3396

02:09:02,470 --> 02:09:00,880

you bring those people together the

3397

02:09:04,709 --> 02:09:02,480

right people together and i think good

3398

02:09:06,950 --> 02:09:04,719

things can happen so i'm so grateful

3399

02:09:09,669 --> 02:09:06,960

that you came and this

3400

02:09:11,430 --> 02:09:09,679

hopefully you know um i don't want this

3401
02:09:13,589 --> 02:09:11,440
to be a one and done thing i want to

3402
02:09:16,229 --> 02:09:13,599
grow upon it as well so

3403
02:09:17,270 --> 02:09:16,239
uh we'll do it more down the road for

3404
02:09:18,390 --> 02:09:17,280
sure

3405
02:09:20,950 --> 02:09:18,400
thank you

3406
02:09:22,870 --> 02:09:20,960
all right y'all

3407
02:09:24,470 --> 02:09:22,880
have a good night sleep tight have a

3408
02:09:25,750 --> 02:09:24,480
great time

3409
02:09:29,350 --> 02:09:25,760
everyone

3410
02:09:35,189 --> 02:09:31,990
all right so thanks y'all for hanging in

3411
02:09:37,910 --> 02:09:35,199
there uh we had two hours of

3412
02:09:40,229 --> 02:09:37,920
good talking and discussion

3413
02:09:42,550 --> 02:09:40,239

and i'm so appreciative for everybody

3414

02:09:44,550 --> 02:09:42,560

that hung in there and stuck around i

3415

02:09:47,430 --> 02:09:44,560

hope you took something from it

3416

02:09:48,629 --> 02:09:47,440

um for yourself whatever that means

3417

02:09:51,109 --> 02:09:48,639

um

3418

02:09:51,480 --> 02:09:51,119

the only thing i can say is

3419

02:09:52,790 --> 02:09:51,490

um

3420

02:09:54,709 --> 02:09:52,800

[Music]

3421

02:09:56,390 --> 02:09:54,719

you know just try to be your best self

3422

02:09:58,550 --> 02:09:56,400

that's all you can do

3423

02:10:00,870 --> 02:09:58,560

and um i think good things will come

3424

02:10:04,550 --> 02:10:00,880

from that so with that being said

3425

02:10:05,430 --> 02:10:04,560

tomorrow is my first 6 p.m new time slot

3426

02:10:08,950 --> 02:10:05,440

show

3427

02:10:11,430 --> 02:10:08,960

with robert gofford and we will be doing

3428

02:10:13,430 --> 02:10:11,440

a deep dive on some very interesting

3429

02:10:15,910 --> 02:10:13,440

documents what do you know

3430

02:10:23,750 --> 02:10:15,920

um so can't wait to do that please join
