

1
00:00:05,670 --> 00:00:04,789
what's up everybody it is thursday night

2
00:00:09,350 --> 00:00:05,680
um

3
00:00:12,230 --> 00:00:09,360
just before 6 p.m central standard time

4
00:00:14,150 --> 00:00:12,240
and this is our second show today busy

5
00:00:16,870 --> 00:00:14,160
day i think it was last week i said i

6
00:00:18,870 --> 00:00:16,880
was gonna calm down a little bit

7
00:00:20,900 --> 00:00:18,880
but that's like the third time i've said

8
00:00:22,470 --> 00:00:20,910
that in a couple weeks so

9
00:00:24,390 --> 00:00:22,480
[Laughter]

10
00:00:26,870 --> 00:00:24,400
um

11
00:00:30,150 --> 00:00:26,880
but you know when when duty calls you

12
00:00:31,910 --> 00:00:30,160
have to step up to the plate right um

13
00:00:35,990 --> 00:00:31,920

and i've been

14

00:00:38,790 --> 00:00:36,000

fortunate enough to have this outlet

15

00:00:40,709 --> 00:00:38,800

um to speak to put other people uh on

16

00:00:42,310 --> 00:00:40,719

here to speak to to say what they need

17

00:00:45,029 --> 00:00:42,320

to say or want to say

18

00:00:45,830 --> 00:00:45,039

and just to get positive messages out

19

00:00:46,709 --> 00:00:45,840

um

20

00:00:48,229 --> 00:00:46,719

so

21

00:00:53,110 --> 00:00:48,239

with that being said

22

00:00:55,510 --> 00:00:53,120

um i have a duty to um do this

23

00:00:57,590 --> 00:00:55,520

and it is a pleasure doing that and in

24

00:00:59,670 --> 00:00:57,600

such i meet such wonderful people and

25

00:01:01,029 --> 00:00:59,680

today that person is going to be at

26

00:01:01,910 --> 00:01:01,039

deborah jordan

27

00:01:04,469 --> 00:01:01,920

uh

28

00:01:10,870 --> 00:01:07,830

and um i talked to her a little bit

29

00:01:14,149 --> 00:01:10,880

backstage we had the with the beer

30

00:01:16,870 --> 00:01:14,159

cooler back there we were drinking pabst

31

00:01:18,070 --> 00:01:16,880

i'm talking about the show

32

00:01:20,230 --> 00:01:18,080

no she's

33

00:01:22,789 --> 00:01:20,240

seems like a really nice person if you

34

00:01:25,429 --> 00:01:22,799

haven't seen the movie the observers um

35

00:01:27,190 --> 00:01:25,439

i highly recommend you look at it it is

36

00:01:28,230 --> 00:01:27,200

thought provoking

37

00:01:31,190 --> 00:01:28,240

um

38

00:01:33,510 --> 00:01:31,200

no bones about it and right now it seems

39

00:01:34,870 --> 00:01:33,520

like uh synchronicity at its finest with

40

00:01:37,670 --> 00:01:34,880

everything going on

41

00:01:41,429 --> 00:01:37,680

um with the government and and you know

42

00:01:43,749 --> 00:01:41,439

where they're taking this stuff so

43

00:01:46,789 --> 00:01:43,759

uh with that being said uh you know me

44

00:01:54,110 --> 00:01:46,799

i'm just gonna play an intro

45

00:01:54,120 --> 00:02:45,750

[Music]

46

00:02:49,750 --> 00:02:47,750

thanks laura i really appreciate that i

47

00:02:50,949 --> 00:02:49,760

have to get on some new intros you know

48

00:02:52,790 --> 00:02:50,959

i like

49

00:02:55,589 --> 00:02:52,800

switching those up and i've been

50

00:02:57,190 --> 00:02:55,599

slacking slacking slack and slacking

51
00:03:00,309 --> 00:02:57,200
real quick i'll just say hi to everybody

52
00:03:02,869 --> 00:03:00,319
here uh robert as always thank you

53
00:03:05,190 --> 00:03:02,879
um diesel girl what's up i love that you

54
00:03:07,030 --> 00:03:05,200
keep coming back i love that you're new

55
00:03:08,149 --> 00:03:07,040
i love that you that you're liking the

56
00:03:09,110 --> 00:03:08,159
show

57
00:03:11,589 --> 00:03:09,120
um

58
00:03:13,350 --> 00:03:11,599
lara how are you

59
00:03:14,550 --> 00:03:13,360
always a pleasure to see you

60
00:03:18,229 --> 00:03:14,560
um

61
00:03:21,310 --> 00:03:18,239
k 42 d what's happening

62
00:03:23,589 --> 00:03:21,320
and jake christopher king what's up

63
00:03:26,229 --> 00:03:23,599

[Laughter]

64

00:03:27,990 --> 00:03:26,239

nice comment i love that um you know i'm

65

00:03:28,949 --> 00:03:28,000

actually enjoying getting dressed up if

66

00:03:31,110 --> 00:03:28,959

it

67

00:03:33,350 --> 00:03:31,120

you know old blues players you know i

68

00:03:35,270 --> 00:03:33,360

was really into old blues music and

69

00:03:37,350 --> 00:03:35,280

everything and um they would always

70

00:03:39,190 --> 00:03:37,360

dress up for their for their shows and

71

00:03:40,470 --> 00:03:39,200

and because it was they had business

72

00:03:43,110 --> 00:03:40,480

that they had to do they had to take

73

00:03:43,470 --> 00:03:43,120

care of business so i like that

74

00:03:44,710 --> 00:03:43,480

um

75

00:03:46,710 --> 00:03:44,720

[Music]

76

00:03:48,630 --> 00:03:46,720

who else we got here here let's primate

77

00:03:50,949 --> 00:03:48,640

what's up everybody else in here who

78

00:03:53,750 --> 00:03:50,959

hasn't said what's up what's up

79

00:03:55,910 --> 00:03:53,760

um ethereal aura disclosure team

80

00:03:58,789 --> 00:03:55,920

everybody all right so we're gonna have

81

00:04:00,550 --> 00:03:58,799

lord bass what's up sir psych what's up

82

00:04:01,429 --> 00:04:00,560

all right i can't keep up

83

00:04:03,030 --> 00:04:01,439

all right

84

00:04:05,110 --> 00:04:03,040

um so

85

00:04:07,270 --> 00:04:05,120

we're going to have a conversation

86

00:04:08,309 --> 00:04:07,280

without further ado i'm going to bring

87

00:04:11,270 --> 00:04:08,319

in

88

00:04:13,910 --> 00:04:11,280

deborah jordan kabul how are you

89

00:04:16,150 --> 00:04:13,920

i'm good thank you thanks for having me

90

00:04:18,469 --> 00:04:16,160

and yeah i love your intro i thought it

91

00:04:20,949 --> 00:04:18,479

was awesome you like it uh yeah that

92

00:04:23,189 --> 00:04:20,959

means a lot that means a lot i have this

93

00:04:25,030 --> 00:04:23,199

issue where i get um bored of things

94

00:04:27,430 --> 00:04:25,040

quick like i have like 20 in here

95

00:04:31,510 --> 00:04:29,030

with different logos and different

96

00:04:33,110 --> 00:04:31,520

themes or whatever but you know uh that

97

00:04:34,550 --> 00:04:33,120

one i think is one of my better ones

98

00:04:36,790 --> 00:04:34,560

because uh

99

00:04:39,110 --> 00:04:36,800

you know i think a message

100

00:04:41,590 --> 00:04:39,120

gets across with it uh that's important

101
00:04:43,030 --> 00:04:41,600
to me so powerful

102
00:04:46,150 --> 00:04:43,040
yeah

103
00:04:50,070 --> 00:04:48,980
uh the observers came out yesterday um

104
00:04:51,430 --> 00:04:50,080
[Music]

105
00:04:53,189 --> 00:04:51,440
you know it's pretty powerful movie

106
00:04:55,110 --> 00:04:53,199
there's there's a lot of people in it

107
00:04:58,230 --> 00:04:55,120
that everybody is familiar with richard

108
00:05:01,909 --> 00:04:58,240
dolan jimmy church yourself lou elizondo

109
00:05:02,870 --> 00:05:01,919
um and that's just a couple of them um

110
00:05:04,310 --> 00:05:02,880
linda

111
00:05:05,270 --> 00:05:04,320
moulton howell is that how you say her

112
00:05:07,590 --> 00:05:05,280
name yeah

113
00:05:10,550 --> 00:05:07,600

she plays the main role she's great

114

00:05:11,510 --> 00:05:10,560

um but let me ask you

115

00:05:13,590 --> 00:05:11,520

know you

116

00:05:15,350 --> 00:05:13,600

you had your experience

117

00:05:16,629 --> 00:05:15,360

um long enough ago

118

00:05:19,029 --> 00:05:16,639

um

119

00:05:22,469 --> 00:05:19,039

when did you start

120

00:05:24,070 --> 00:05:22,479

like looking for answers physically like

121

00:05:25,510 --> 00:05:24,080

was it right out of the bat you're

122

00:05:27,990 --> 00:05:25,520

you're reading books looking for people

123

00:05:29,670 --> 00:05:28,000

to talk to or were we in denial for a

124

00:05:31,830 --> 00:05:29,680

bit

125

00:05:33,990 --> 00:05:31,840

how did that work

126

00:05:36,550 --> 00:05:34,000

i've had weird things happen to me my

127

00:05:40,390 --> 00:05:36,560

whole life but um

128

00:05:41,350 --> 00:05:40,400

after that june 30 1983 incident that

129

00:05:42,230 --> 00:05:41,360

was

130

00:05:44,070 --> 00:05:42,240

uh

131

00:05:47,430 --> 00:05:44,080

basically what bud hopkins wrote about

132

00:05:49,270 --> 00:05:47,440

in intruders right i'd say for the first

133

00:05:52,469 --> 00:05:49,280

um

134

00:05:53,909 --> 00:05:52,479

six months or so after that at least i

135

00:05:57,990 --> 00:05:53,919

was just

136

00:05:59,670 --> 00:05:58,000

stunned i mean i was trying to find

137

00:06:01,830 --> 00:05:59,680

normal answers

138

00:06:04,469 --> 00:06:01,840

to uh what could have caused all this

139

00:06:06,870 --> 00:06:04,479

stuff and and doubt myself thinking okay

140

00:06:08,629 --> 00:06:06,880

i'm having a nervous breakdown i'm i'm

141

00:06:10,950 --> 00:06:08,639

you know this can't be

142

00:06:13,590 --> 00:06:10,960

what it looks like and

143

00:06:15,350 --> 00:06:13,600

frankly at that point if mom hadn't been

144

00:06:18,150 --> 00:06:15,360

there that night

145

00:06:21,430 --> 00:06:18,160

um so and the neighbors

146

00:06:23,110 --> 00:06:21,440

hadn't witnessed things you know i

147

00:06:25,029 --> 00:06:23,120

i don't know if i would have reached out

148

00:06:26,469 --> 00:06:25,039

to bud

149

00:06:27,670 --> 00:06:26,479

especially if mom hadn't been there that

150

00:06:29,430 --> 00:06:27,680

night

151
00:06:32,150 --> 00:06:29,440
but um

152
00:06:35,350 --> 00:06:32,160
it's interesting how that works well and

153
00:06:37,590 --> 00:06:35,360
yeah eventually i did start um trying to

154
00:06:39,909 --> 00:06:37,600
find answers not just for myself but for

155
00:06:40,629 --> 00:06:39,919
other people that seemed like it

156
00:06:44,790 --> 00:06:40,639
it

157
00:06:46,469 --> 00:06:44,800
that night changed me profoundly and um

158
00:06:48,390 --> 00:06:46,479
set me off in

159
00:06:50,950 --> 00:06:48,400
what i believe

160
00:06:52,629 --> 00:06:50,960
was the direction that my whole life is

161
00:06:53,909 --> 00:06:52,639
intended to be for i mean i feel like i

162
00:06:55,589 --> 00:06:53,919
was born

163
00:06:57,909 --> 00:06:55,599

to

164

00:07:00,950 --> 00:06:57,919

do this that i'm doing right now and

165

00:07:04,070 --> 00:07:00,960

talk about this openly i didn't for a

166

00:07:05,189 --> 00:07:04,080

long time um

167

00:07:07,350 --> 00:07:05,199

and uh

168

00:07:10,469 --> 00:07:07,360

i became an investigator for mufon for

169

00:07:12,469 --> 00:07:10,479

about 10 years oh well well because in

170

00:07:14,309 --> 00:07:12,479

you know in indiana because i felt like

171

00:07:16,469 --> 00:07:14,319

um one of the ways i dealt with things

172

00:07:18,790 --> 00:07:16,479

that scared me was to learn as much

173

00:07:20,629 --> 00:07:18,800

about it as i could because i felt like

174

00:07:22,950 --> 00:07:20,639

there's power and knowledge you know

175

00:07:25,990 --> 00:07:22,960

yeah when i smile it's just because i'm

176

00:07:29,749 --> 00:07:26,000

the same way so okay

177

00:07:31,990 --> 00:07:29,759

great so don't worry about it and um

178

00:07:33,830 --> 00:07:32,000

and then uh i started feeling pulled

179

00:07:36,230 --> 00:07:33,840

into the paranormal side of things

180

00:07:39,110 --> 00:07:36,240

because i also had a lot of paranormal

181

00:07:41,189 --> 00:07:39,120

activity in my life you know all my life

182

00:07:42,629 --> 00:07:41,199

and it seemed to me like somehow

183

00:07:44,309 --> 00:07:42,639

i was discovering that there was some

184

00:07:46,790 --> 00:07:44,319

kind of connection you know because i

185

00:07:50,469 --> 00:07:46,800

was meeting tons of people

186

00:07:51,830 --> 00:07:50,479

like me and who had witnessed ufo or

187

00:07:53,670 --> 00:07:51,840

extraterrestrial whatever you want to

188

00:07:55,990 --> 00:07:53,680

call this kind of contact

189

00:07:57,029 --> 00:07:56,000

who also had paranormal stuff happening

190

00:07:58,469 --> 00:07:57,039

to them

191

00:08:00,309 --> 00:07:58,479

simultaneously

192

00:08:01,430 --> 00:08:00,319

or you know at some point in their life

193

00:08:02,550 --> 00:08:01,440

so

194

00:08:14,390 --> 00:08:02,560

i

195

00:08:17,909 --> 00:08:14,400

own

196

00:08:20,150 --> 00:08:17,919

and uh did that for a while all the time

197

00:08:21,749 --> 00:08:20,160

trying to manage that

198

00:08:22,710 --> 00:08:21,759

with um

199

00:08:25,110 --> 00:08:22,720

life

200

00:08:28,309 --> 00:08:25,120

i had two kids to raise and i've worked

201
00:08:30,790 --> 00:08:28,319
in a factory i also was a hairdresser so

202
00:08:32,709 --> 00:08:30,800
i i always work work i've worked since i

203
00:08:33,670 --> 00:08:32,719
was 15 and a half years old you know

204
00:08:36,709 --> 00:08:33,680
that's

205
00:08:37,829 --> 00:08:36,719
i i this this is how i make my living

206
00:08:39,670 --> 00:08:37,839
area

207
00:08:42,389 --> 00:08:39,680
for 15 years so

208
00:08:44,870 --> 00:08:42,399
it's very midwestern of you

209
00:08:47,990 --> 00:08:44,880
you know it's just like my family it is

210
00:08:50,310 --> 00:08:48,000
what it is that's what you do you work

211
00:08:52,070 --> 00:08:50,320
let me let me ask you this like you're

212
00:08:53,670 --> 00:08:52,080
working

213
00:08:55,670 --> 00:08:53,680

you know um

214

00:08:57,910 --> 00:08:55,680

full time you're working your butt off

215

00:08:59,670 --> 00:08:57,920

and you're pursuing these endeavors

216

00:09:00,710 --> 00:08:59,680

outside of work

217

00:09:02,710 --> 00:09:00,720

um

218

00:09:04,790 --> 00:09:02,720

what kept you going what

219

00:09:05,829 --> 00:09:04,800

you know i'm sure there was times where

220

00:09:07,910 --> 00:09:05,839

you were like

221

00:09:08,790 --> 00:09:07,920

is this even worth it you know should i

222

00:09:10,949 --> 00:09:08,800

just

223

00:09:12,550 --> 00:09:10,959

throw in the towel or whatever like how

224

00:09:14,550 --> 00:09:12,560

do you get through that

225

00:09:15,990 --> 00:09:14,560

i yeah there were a lot of times in my

226

00:09:19,350 --> 00:09:16,000

life when i said

227

00:09:22,150 --> 00:09:19,360

i'm done with this get away from me

228

00:09:23,509 --> 00:09:22,160

i didn't ask for this you know leave me

229

00:09:25,750 --> 00:09:23,519

alone

230

00:09:27,990 --> 00:09:25,760

especially times like when my uh late

231

00:09:30,710 --> 00:09:28,000

husband passed away very traumatic time

232

00:09:32,710 --> 00:09:30,720

for me in my life and i'm like don't you

233

00:09:34,230 --> 00:09:32,720

know i'm i was lucky i didn't just you

234

00:09:35,910 --> 00:09:34,240

know die with him

235

00:09:37,509 --> 00:09:35,920

and the only thing that kept me going at

236

00:09:39,110 --> 00:09:37,519

that point was i had two teenage boys

237

00:09:40,790 --> 00:09:39,120

that needed me to raise

238

00:09:42,630 --> 00:09:40,800

and so um you know i didn't want to have

239

00:09:44,949 --> 00:09:42,640

anything to do with this but

240

00:09:46,550 --> 00:09:44,959

the universe in all of its wisdom you

241

00:09:47,430 --> 00:09:46,560

know or god or whatever you want to call

242

00:09:49,190 --> 00:09:47,440

it

243

00:09:52,070 --> 00:09:49,200

always seemed to

244

00:09:54,070 --> 00:09:52,080

give me space when i would push it away

245

00:09:55,350 --> 00:09:54,080

but always drop kick me right back into

246

00:09:57,030 --> 00:09:55,360

the middle of it

247

00:09:58,550 --> 00:09:57,040

at some point in my life

248

00:10:00,630 --> 00:09:58,560

so um

249

00:10:02,829 --> 00:10:00,640

you know i finally got to a point in an

250

00:10:06,230 --> 00:10:02,839

age in my life where i'm like okay i get

251

00:10:09,750 --> 00:10:06,240

it you know i know i get it now

252

00:10:11,350 --> 00:10:09,760

and you know this last few last two

253

00:10:12,150 --> 00:10:11,360

years or so

254

00:10:14,389 --> 00:10:12,160

as

255

00:10:17,430 --> 00:10:14,399

the the governments have begun to speak

256

00:10:20,949 --> 00:10:17,440

out and um

257

00:10:22,949 --> 00:10:20,959

uh i just you know i wrote a book um

258

00:10:25,590 --> 00:10:22,959

to kind of compliment bud's book

259

00:10:27,590 --> 00:10:25,600

intruders about my life and family

260

00:10:29,990 --> 00:10:27,600

and i finished it just at the same time

261

00:10:32,389 --> 00:10:30,000

intruders was being republished and same

262

00:10:33,910 --> 00:10:32,399

publisher actually picked up my book

263

00:10:37,190 --> 00:10:33,920

and so that all came out at the same

264

00:10:38,470 --> 00:10:37,200

time and then linda asked me if i would

265

00:10:41,670 --> 00:10:38,480

be on her

266

00:10:44,230 --> 00:10:41,680

earth files and i've known her for years

267

00:10:46,630 --> 00:10:44,240

she's like a sister to me in in many

268

00:10:47,910 --> 00:10:46,640

ways and uh so i agreed and then she

269

00:10:50,389 --> 00:10:47,920

asked me would you

270

00:10:51,350 --> 00:10:50,399

want to participate with me in this

271

00:10:55,829 --> 00:10:51,360

um

272

00:10:58,069 --> 00:10:55,839

said i know you don't do it very often

273

00:11:00,870 --> 00:10:58,079

uh because i don't i was

274

00:11:03,430 --> 00:11:00,880

very picky about what i did participate

275

00:11:04,949 --> 00:11:03,440

in and a lot of times i didn't want to

276

00:11:06,389 --> 00:11:04,959

there were times at work where i didn't

277

00:11:08,069 --> 00:11:06,399

want people to know

278

00:11:10,470 --> 00:11:08,079

who i was because i just didn't want to

279

00:11:11,829 --> 00:11:10,480

have to deal with them but then careers

280

00:11:13,910 --> 00:11:11,839

passed

281

00:11:16,230 --> 00:11:13,920

a little few people began to

282

00:11:19,910 --> 00:11:16,240

recognize me from something or other or

283

00:11:21,910 --> 00:11:19,920

realize who i was and i was surprised

284

00:11:25,269 --> 00:11:21,920

the 38 years ago when this first

285

00:11:26,829 --> 00:11:25,279

happened to me and i first met bud and

286

00:11:29,750 --> 00:11:26,839

this became

287

00:11:31,509 --> 00:11:29,760

public the time people had a whole

288

00:11:32,310 --> 00:11:31,519

different attitude about it that they do

289

00:11:33,829 --> 00:11:32,320

now

290

00:11:35,990 --> 00:11:33,839

and even

291

00:11:37,990 --> 00:11:36,000

several years ago when people found out

292

00:11:39,509 --> 00:11:38,000

oh you know i was interested in ufos i'd

293

00:11:41,030 --> 00:11:39,519

start to have people coming up to me in

294

00:11:43,750 --> 00:11:41,040

the break room and say hey do you

295

00:11:46,710 --> 00:11:43,760

believe in ufos i'm gonna be like yeah

296

00:11:49,030 --> 00:11:46,720

and they go i saw something and then

297

00:11:51,030 --> 00:11:49,040

they share with me and tell me

298

00:11:53,670 --> 00:11:51,040

and i was and i began to realize there's

299

00:11:57,350 --> 00:11:53,680

a lot of people out here like me

300

00:11:59,590 --> 00:11:57,360

and i began to slowly gel into

301
00:12:02,710 --> 00:11:59,600
you know i always thought

302
00:12:05,350 --> 00:12:02,720
that i had a job to do that i had some

303
00:12:07,590 --> 00:12:05,360
kind of destiny within this whole thing

304
00:12:11,509 --> 00:12:07,600
that i needed to do and it finally began

305
00:12:13,590 --> 00:12:11,519
to dawn on me um

306
00:12:16,710 --> 00:12:13,600
a few years back that

307
00:12:19,350 --> 00:12:16,720
i think anyway my job is to

308
00:12:21,990 --> 00:12:19,360
be here be out here

309
00:12:23,750 --> 00:12:22,000
to show people that

310
00:12:28,230 --> 00:12:23,760
it's okay

311
00:12:29,829 --> 00:12:28,240
see weird stuff and talk about it i feel

312
00:12:31,110 --> 00:12:29,839
like i

313
00:12:31,990 --> 00:12:31,120

part of my

314

00:12:34,949 --> 00:12:32,000

um

315

00:12:37,190 --> 00:12:34,959

job is to help remove the stigma

316

00:12:38,870 --> 00:12:37,200

the first people

317

00:12:40,949 --> 00:12:38,880

that really i've

318

00:12:43,269 --> 00:12:40,959

been concerned about um

319

00:12:44,949 --> 00:12:43,279

this the airline pilots that they

320

00:12:46,230 --> 00:12:44,959

interviewed when they did the tic tac

321

00:12:48,310 --> 00:12:46,240

videos and stuff

322

00:12:51,030 --> 00:12:48,320

you know and i heard them i heard what

323

00:12:53,430 --> 00:12:51,040

they said and i understood it the stigma

324

00:12:54,870 --> 00:12:53,440

around a report like this you know they

325

00:12:57,430 --> 00:12:54,880

were afraid to lose their jobs they were

326

00:13:00,389 --> 00:12:57,440

afraid to to be thought as crazy and to

327

00:13:02,150 --> 00:13:00,399

not be able to fly anymore and

328

00:13:03,990 --> 00:13:02,160

i was afraid people in my job would find

329

00:13:05,990 --> 00:13:04,000

out who he was and run me out on a rail

330

00:13:07,670 --> 00:13:06,000

and i would lose my income you know i

331

00:13:10,069 --> 00:13:07,680

didn't want my kids to be

332

00:13:11,590 --> 00:13:10,079

ridiculed because of what i saw

333

00:13:13,670 --> 00:13:11,600

and i thought

334

00:13:16,069 --> 00:13:13,680

that's not right and i

335

00:13:18,150 --> 00:13:16,079

after years of being in the public on

336

00:13:20,069 --> 00:13:18,160

and off and being out and meeting

337

00:13:22,069 --> 00:13:20,079

thousands of people um over the years

338

00:13:24,230 --> 00:13:22,079

with bud and on my own i've come to

339

00:13:26,389 --> 00:13:24,240

realize that for every person like me

340

00:13:28,310 --> 00:13:26,399

who's speaking out publicly there's

341

00:13:30,629 --> 00:13:28,320

probably fifty thousand

342

00:13:32,470 --> 00:13:30,639

or a hundred thousand more

343

00:13:36,389 --> 00:13:32,480

that aren't singing a word that haven't

344

00:13:37,190 --> 00:13:36,399

said a word for years yeah and um

345

00:13:52,870 --> 00:13:37,200

i

346

00:13:54,790 --> 00:13:52,880

um and my brother and all that and

347

00:13:57,350 --> 00:13:54,800

you know although

348

00:13:58,230 --> 00:13:57,360

they haven't experienced it the way i

349

00:14:00,470 --> 00:13:58,240

have

350

00:14:02,949 --> 00:14:00,480

they both told me about

351

00:14:06,710 --> 00:14:02,959

weird sightings they had

352

00:14:08,870 --> 00:14:06,720

everybody's got a story man everybody

353

00:14:10,310 --> 00:14:08,880

so and i just had something like that

354

00:14:11,750 --> 00:14:10,320

last week where i reached out to

355

00:14:13,829 --> 00:14:11,760

somebody from

356

00:14:15,509 --> 00:14:13,839

you know over 10 years ago that i worked

357

00:14:17,430 --> 00:14:15,519

with and

358

00:14:19,350 --> 00:14:17,440

he told me about a sighting he had and i

359

00:14:22,470 --> 00:14:19,360

would have never guessed it it it's just

360

00:14:25,509 --> 00:14:22,480

uh yeah i think you're exactly right

361

00:14:26,949 --> 00:14:25,519

now i'm curious about this did you feel

362

00:14:28,069 --> 00:14:26,959

like you

363

00:14:30,069 --> 00:14:28,079

um

364

00:14:31,110 --> 00:14:30,079

you know had a mission to accomplish so

365

00:14:33,430 --> 00:14:31,120

to speak

366

00:14:34,870 --> 00:14:33,440

um before this happened at all

367

00:14:35,990 --> 00:14:34,880

you know but you just weren't sure what

368

00:14:38,629 --> 00:14:36,000

it was

369

00:14:41,590 --> 00:14:38,639

um you know before this before the june

370

00:14:43,990 --> 00:14:41,600

3083 incident now i didn't particularly

371

00:14:46,949 --> 00:14:44,000

feel like i had a mission my main goal

372

00:14:49,670 --> 00:14:46,959

in life prior to that was to be a mom

373

00:14:52,870 --> 00:14:49,680

all i wanted to do and i'm a baby boomer

374

00:14:55,670 --> 00:14:52,880

i'm 62 years old i'll be 63 in february

375

00:14:57,110 --> 00:14:55,680

and so my generation you know we wanted

376

00:14:59,110 --> 00:14:57,120

the white picket fence in the house and

377

00:15:02,389 --> 00:14:59,120

the husband and the kids and that's what

378

00:15:04,069 --> 00:15:02,399

i wanted i didn't think any farther than

379

00:15:06,710 --> 00:15:04,079

my own little world

380

00:15:08,069 --> 00:15:06,720

and that when i got hit

381

00:15:10,230 --> 00:15:08,079

by that light

382

00:15:15,110 --> 00:15:10,240

in my mom's garage

383

00:15:17,430 --> 00:15:15,120

something changed and that my world

384

00:15:18,870 --> 00:15:17,440

changed and i changed

385

00:15:20,949 --> 00:15:18,880

yeah

386

00:15:23,829 --> 00:15:20,959

you got hit with the light in the garage

387

00:15:28,629 --> 00:15:26,550

was it at the same time you

388

00:15:30,230 --> 00:15:28,639

had your experience

389

00:15:31,749 --> 00:15:30,240

yeah that that was part of the

390

00:15:33,350 --> 00:15:31,759

experience right

391

00:15:37,030 --> 00:15:33,360

gotcha

392

00:15:40,550 --> 00:15:38,949

do you think this happens to people for

393

00:15:43,430 --> 00:15:40,560

a reason

394

00:15:44,470 --> 00:15:43,440

i think everything it picks people

395

00:15:47,590 --> 00:15:44,480

well

396

00:15:50,069 --> 00:15:47,600

i don't maybe i don't know that you know

397

00:15:52,310 --> 00:15:50,079

i don't know i can only speak for myself

398

00:15:55,350 --> 00:15:52,320

and i you know anything i'd say would be

399

00:15:58,310 --> 00:15:55,360

pure speculation i know when i

400

00:16:01,189 --> 00:15:58,320

had that encounter in 83 the one that i

401
00:16:04,790 --> 00:16:01,199
said you know that i got hit by a light

402
00:16:07,110 --> 00:16:04,800
my eyes were damaged i believe and now i

403
00:16:08,389 --> 00:16:07,120
believe that my eyes were damaged by

404
00:16:10,949 --> 00:16:08,399
that light because it was so bright and

405
00:16:13,749 --> 00:16:10,959
intense i was diagnosed with cataracts

406
00:16:17,189 --> 00:16:13,759
and macular degeneration in my 30s

407
00:16:19,670 --> 00:16:17,199
and ended up these are new lenses

408
00:16:21,509 --> 00:16:19,680
now acrylic lenses had they had to be

409
00:16:23,030 --> 00:16:21,519
replaced

410
00:16:25,430 --> 00:16:23,040
and i don't

411
00:16:28,230 --> 00:16:25,440
while i feel that my experience

412
00:16:29,430 --> 00:16:28,240
contributed to this problem with my eyes

413
00:16:31,350 --> 00:16:29,440

i don't think it was something that was

414

00:16:33,509 --> 00:16:31,360

done to me intentionally but i think it

415

00:16:34,629 --> 00:16:33,519

was a side effect of it you know

416

00:16:36,470 --> 00:16:34,639

yeah

417

00:16:38,629 --> 00:16:36,480

i don't know that

418

00:16:39,430 --> 00:16:38,639

i could say that it healed me

419

00:16:41,030 --> 00:16:39,440

but

420

00:16:42,949 --> 00:16:41,040

that's not to say that it hasn't done

421

00:16:44,470 --> 00:16:42,959

that to other people travis walton

422

00:16:46,710 --> 00:16:44,480

thinks that the reason they picked him

423

00:16:47,829 --> 00:16:46,720

up to begin with was because

424

00:16:49,829 --> 00:16:47,839

um

425

00:16:51,430 --> 00:16:49,839

the when he was hit with that beam of

426
00:16:53,189 --> 00:16:51,440
light it

427
00:16:54,389 --> 00:16:53,199
essentially killed him

428
00:16:56,230 --> 00:16:54,399
and he

429
00:16:58,310 --> 00:16:56,240
thinks they picked him up and took him

430
00:17:00,310 --> 00:16:58,320
back onto the ship to

431
00:17:03,430 --> 00:17:00,320
save him right they tried to fix what

432
00:17:05,029 --> 00:17:03,440
they messed up so yeah yeah

433
00:17:08,150 --> 00:17:05,039
um

434
00:17:09,029 --> 00:17:08,160
did you find it hard just living

435
00:17:12,949 --> 00:17:09,039
life

436
00:17:14,870 --> 00:17:12,959
something that's still after all these

437
00:17:16,230 --> 00:17:14,880
years is just in your head all the time

438
00:17:18,470 --> 00:17:16,240

or have you

439

00:17:21,110 --> 00:17:18,480
managed to keep it at bay

440

00:17:23,669 --> 00:17:21,120
i don't yeah i well you know where i

441

00:17:26,150 --> 00:17:23,679
live i i'm kind of isolated and i don't

442

00:17:29,350 --> 00:17:26,160
have people around me a lot that talk

443

00:17:32,630 --> 00:17:29,360
about this subject therefore years can

444

00:17:34,390 --> 00:17:32,640
pat before now years could pass

445

00:17:35,909 --> 00:17:34,400
and i wouldn't talk about it now i'd see

446

00:17:38,070 --> 00:17:35,919
something on tv occasionally i'd watch

447

00:17:39,830 --> 00:17:38,080
or i'd talk to an old friend on the

448

00:17:41,830 --> 00:17:39,840
phone or see something on the internet

449

00:17:43,669 --> 00:17:41,840
but i didn't go around talking about it

450

00:17:44,710 --> 00:17:43,679
or even thinking about it you know

451
00:17:46,230 --> 00:17:44,720
um

452
00:17:48,789 --> 00:17:46,240
it always seemed like something would

453
00:17:51,270 --> 00:17:48,799
happen to push me back in wouldn't let

454
00:17:52,710 --> 00:17:51,280
me get very far and kind of you know

455
00:17:54,950 --> 00:17:52,720
follow me back

456
00:17:56,710 --> 00:17:54,960
into it but um

457
00:17:58,310 --> 00:17:56,720
and i've always

458
00:17:59,110 --> 00:17:58,320
seeked to

459
00:18:01,029 --> 00:17:59,120
be

460
00:18:02,870 --> 00:18:01,039
what i considered normal

461
00:18:04,789 --> 00:18:02,880
you know i just wanted to

462
00:18:06,150 --> 00:18:04,799
i wanted to get my kids raised so they

463
00:18:08,870 --> 00:18:06,160

could be productive

464

00:18:09,909 --> 00:18:08,880

productive adults in this society and be

465

00:18:11,430 --> 00:18:09,919

happy

466

00:18:14,230 --> 00:18:11,440

and i wanted to

467

00:18:16,150 --> 00:18:14,240

be happy myself and be healthy and you

468

00:18:17,909 --> 00:18:16,160

know not have to worry about

469

00:18:19,430 --> 00:18:17,919

getting the rent paid or

470

00:18:20,789 --> 00:18:19,440

what i got to put back at the grocery

471

00:18:22,549 --> 00:18:20,799

because i ain't got enough money you

472

00:18:25,669 --> 00:18:22,559

know for it right so i've worked for

473

00:18:28,470 --> 00:18:25,679

things like that and

474

00:18:30,580 --> 00:18:28,480

so that's how i've been yeah pretty

475

00:18:33,110 --> 00:18:30,590

pretty easy life then huh well no

476

00:18:35,270 --> 00:18:33,120

[Laughter]

477

00:18:36,150 --> 00:18:35,280

no

478

00:18:37,350 --> 00:18:36,160

better

479

00:18:39,430 --> 00:18:37,360

light in the mood a little bit what are

480

00:18:41,350 --> 00:18:39,440

some of your favorite things to do

481

00:18:43,190 --> 00:18:41,360

some of my favorite things to do yeah if

482

00:18:45,669 --> 00:18:43,200

you like shooting pool bowling what do

483

00:18:47,990 --> 00:18:45,679

you do i love to go outside and go for

484

00:18:51,190 --> 00:18:48,000

walks i like to be out in nature i love

485

00:18:52,789 --> 00:18:51,200

animals i'm currently addicted to my

486

00:18:56,470 --> 00:18:52,799

oculus quest

487

00:18:59,110 --> 00:18:56,480

vr headset theme and i play a bowling

488

00:19:01,750 --> 00:18:59,120

game and i play um

489

00:19:05,029 --> 00:19:01,760

beat saber like every night that thing

490

00:19:07,350 --> 00:19:05,039

saved my sanity during covert lockdown

491

00:19:10,070 --> 00:19:07,360

yeah and i love to travel and see my

492

00:19:11,830 --> 00:19:10,080

friends and hang out and um yeah of

493

00:19:13,909 --> 00:19:11,840

course i don't get to do that very much

494

00:19:15,990 --> 00:19:13,919

because that costs money

495

00:19:18,710 --> 00:19:16,000

and for 15 years when i worked in the

496

00:19:20,789 --> 00:19:18,720

factory i literally had one week a year

497

00:19:22,950 --> 00:19:20,799

that i could do anything or go anywhere

498

00:19:25,909 --> 00:19:22,960

with because the rest of the time i had

499

00:19:27,350 --> 00:19:25,919

to work i had one week's vacation yeah

500

00:19:30,789 --> 00:19:27,360

isn't that interesting you spend your

501
00:19:32,549 --> 00:19:30,799
life working and then you retire and

502
00:19:34,789 --> 00:19:32,559
you know everything you wanted to

503
00:19:36,150 --> 00:19:34,799
probably do when you started working

504
00:19:40,070 --> 00:19:36,160
when you retired

505
00:19:43,909 --> 00:19:41,430
and i love spending time with my

506
00:19:46,710 --> 00:19:43,919
granddaughter she's my little minnie me

507
00:19:48,870 --> 00:19:46,720
yeah well not little she's 15.

508
00:19:51,190 --> 00:19:48,880
is this a hereditary at all or is like

509
00:19:53,750 --> 00:19:51,200
anybody else in your family deal with

510
00:19:55,590 --> 00:19:53,760
this stuff or well my mother had a

511
00:19:57,909 --> 00:19:55,600
strange thing happen to her which i

512
00:19:59,510 --> 00:19:57,919
didn't even know about uh until bud

513
00:20:01,830 --> 00:19:59,520

hopkins came to the house to interview

514

00:20:04,549 --> 00:20:01,840

us the first time and mom great guy by

515

00:20:05,669 --> 00:20:04,559

the way i from what i see

516

00:20:06,950 --> 00:20:05,679

he was

517

00:20:09,029 --> 00:20:06,960

uh

518

00:20:11,510 --> 00:20:09,039

such a compassionate and caring person

519

00:20:13,830 --> 00:20:11,520

and i owe him my life honestly there is

520

00:20:14,870 --> 00:20:13,840

nothing about the life that i have today

521

00:20:16,149 --> 00:20:14,880

that would

522

00:20:18,549 --> 00:20:16,159

even be

523

00:20:20,549 --> 00:20:18,559

happening had i not met him and changed

524

00:20:23,430 --> 00:20:20,559

this whole course of my life

525

00:20:25,669 --> 00:20:23,440

yeah but um

526
00:20:27,110 --> 00:20:25,679
and then you know like i said my my mom

527
00:20:29,669 --> 00:20:27,120
and then my

528
00:20:30,870 --> 00:20:29,679
sons had

529
00:20:32,549 --> 00:20:30,880
some effects

530
00:20:34,710 --> 00:20:32,559
uh some things happened to them when

531
00:20:36,549 --> 00:20:34,720
they were children a little bit in the

532
00:20:37,510 --> 00:20:36,559
house no i don't think to the extent

533
00:20:40,070 --> 00:20:37,520
that

534
00:20:42,549 --> 00:20:40,080
um i was and

535
00:20:44,310 --> 00:20:42,559
the oldest ones won't talk about it now

536
00:20:46,470 --> 00:20:44,320
and then he and then my granddaughter

537
00:20:48,149 --> 00:20:46,480
who he is her father

538
00:20:51,029 --> 00:20:48,159

i guess when she was maybe about five or

539

00:20:52,950 --> 00:20:51,039

six she started having uh um

540

00:20:53,990 --> 00:20:52,960

for a period of about three months night

541

00:20:55,430 --> 00:20:54,000

terrors

542

00:20:56,549 --> 00:20:55,440

and uh

543

00:20:57,990 --> 00:20:56,559

she

544

00:21:01,029 --> 00:20:58,000

told her father

545

00:21:02,390 --> 00:21:01,039

that the uh

546

00:21:03,990 --> 00:21:02,400

little men with the big heads were

547

00:21:07,270 --> 00:21:04,000

trying to take her through her bedroom

548

00:21:10,390 --> 00:21:07,280

window and my son called me and he was

549

00:21:12,310 --> 00:21:10,400

so mad at me he was like emma mom why

550

00:21:14,070 --> 00:21:12,320

did you what have you told her what has

551
00:21:16,470 --> 00:21:14,080
she heard and i'm like

552
00:21:18,230 --> 00:21:16,480
nothing we had a rule and we have you

553
00:21:20,230 --> 00:21:18,240
know how to rule we don't talk about

554
00:21:22,870 --> 00:21:20,240
this in front of the kids we don't want

555
00:21:25,270 --> 00:21:22,880
to contaminate their memory for future

556
00:21:27,510 --> 00:21:25,280
and we don't want to scare them yeah

557
00:21:29,909 --> 00:21:27,520
you know it's scary to a little kid sure

558
00:21:33,029 --> 00:21:32,230
he was mad at me because he thought i

559
00:21:34,789 --> 00:21:33,039
had

560
00:21:36,549 --> 00:21:34,799
exposed her to some of this stuff which

561
00:21:38,870 --> 00:21:36,559
we had not and he wouldn't let her come

562
00:21:39,909 --> 00:21:38,880
stay the night at my house for a couple

563
00:21:42,630 --> 00:21:39,919

months

564

00:21:45,990 --> 00:21:42,640

and then it finally stopped you know and

565

00:21:48,310 --> 00:21:46,000

then fast forward thank god it stopped

566

00:21:50,950 --> 00:21:48,320

fast forward um

567

00:21:52,630 --> 00:21:50,960

oh and this is cute he got a can of

568

00:21:55,190 --> 00:21:52,640

glade air freshener and he put a new

569

00:21:57,830 --> 00:21:55,200

label on it that said it had an alien

570

00:21:58,789 --> 00:21:57,840

head on it with the big slash red no on

571

00:21:59,750 --> 00:21:58,799

it it's like

572

00:22:00,950 --> 00:21:59,760

it was like

573

00:22:02,950 --> 00:22:00,960

repellent

574

00:22:05,909 --> 00:22:02,960

and he got her a nightlight and a radio

575

00:22:07,270 --> 00:22:05,919

and had the whole ritual and it worked

576

00:22:09,270 --> 00:22:07,280

yeah um

577

00:22:11,110 --> 00:22:09,280

or they just stopped i don't know

578

00:22:13,830 --> 00:22:11,120

yeah fast forward they don't like

579

00:22:15,830 --> 00:22:13,840

febreze yeah yeah so like 10 no like

580

00:22:17,510 --> 00:22:15,840

eight years later she's at my house i

581

00:22:18,630 --> 00:22:17,520

think she's probably like 14 at that

582

00:22:21,110 --> 00:22:18,640

point

583

00:22:22,549 --> 00:22:21,120

uh so fast forward we're watching tv and

584

00:22:23,750 --> 00:22:22,559

some commercial comes on for ancient

585

00:22:26,710 --> 00:22:23,760

aliens

586

00:22:27,990 --> 00:22:26,720

and i started to instinctively reach

587

00:22:30,630 --> 00:22:28,000

over and change the channel i'm like

588

00:22:32,070 --> 00:22:30,640

she's 15 you know she's heard it she's

589

00:22:33,669 --> 00:22:32,080

in high school

590

00:22:35,669 --> 00:22:33,679

so after the commercial was over she

591

00:22:37,190 --> 00:22:35,679

looked at me and she said hey nene and

592

00:22:38,870 --> 00:22:37,200

i'm like yeah and she says do you

593

00:22:41,590 --> 00:22:38,880

believe in aliens

594

00:22:44,310 --> 00:22:41,600

and i i just looked at her and said

595

00:22:46,149 --> 00:22:44,320

all i did was say yeah i do

596

00:22:49,029 --> 00:22:46,159

and she looked at me for a minute and

597

00:22:51,430 --> 00:22:49,039

then she said cool so do i

598

00:22:53,669 --> 00:22:51,440

and i said cool

599

00:22:55,350 --> 00:22:53,679

and and then we just carried on and i

600

00:22:56,789 --> 00:22:55,360

but i and i never made a big deal out of

601
00:22:58,950 --> 00:22:56,799
it i didn't say anything else about it

602
00:23:00,789 --> 00:22:58,960
but i thought now she knows

603
00:23:02,549 --> 00:23:00,799
if she ever has something that she wants

604
00:23:05,350 --> 00:23:02,559
to talk to someone about she knows that

605
00:23:08,950 --> 00:23:05,360
she can talk to me right enough yeah

606
00:23:09,909 --> 00:23:08,960
yeah so i don't know if it has affected

607
00:23:12,950 --> 00:23:09,919
her

608
00:23:14,310 --> 00:23:12,960
it would appear that it may have

609
00:23:15,830 --> 00:23:14,320
yeah i would i

610
00:23:18,149 --> 00:23:15,840
you know it breaks my heart to think

611
00:23:21,270 --> 00:23:18,159
that she went through scary stuff but

612
00:23:22,470 --> 00:23:21,280
right you know i can't stop it so do you

613
00:23:24,870 --> 00:23:22,480

find that the

614

00:23:27,909 --> 00:23:24,880

topic or that experience brings you

615

00:23:29,990 --> 00:23:27,919

maybe a little bit closer to

616

00:23:30,789 --> 00:23:30,000

particular family members at some point

617

00:23:34,789 --> 00:23:30,799

like

618

00:23:36,789 --> 00:23:34,799

maybe in that moment did you two

619

00:23:38,710 --> 00:23:36,799

maybe become maybe just a little bit

620

00:23:41,750 --> 00:23:38,720

closer in that moment

621

00:23:43,350 --> 00:23:41,760

well i'd say my oldest sister and i and

622

00:23:45,350 --> 00:23:43,360

she and i actually

623

00:23:48,630 --> 00:23:45,360

we wrote the first we wrote the first

624

00:23:50,870 --> 00:23:48,640

incarnation of my book together and then

625

00:23:52,230 --> 00:23:50,880

later on i took it and carried forward

626
00:23:53,190 --> 00:23:52,240
to the second one

627
00:23:55,269 --> 00:23:53,200
um

628
00:23:57,510 --> 00:23:55,279
she's uh quite a bit older than me she's

629
00:23:59,350 --> 00:23:57,520
like 74 and she's in a nursing home now

630
00:24:02,310 --> 00:23:59,360
and she has dementia so

631
00:24:05,029 --> 00:24:02,320
you know it's it's rough but she had an

632
00:24:07,750 --> 00:24:05,039
experience in 1965

633
00:24:09,990 --> 00:24:07,760
when i was only six years old

634
00:24:11,190 --> 00:24:10,000
and she has always remembered it all

635
00:24:14,149 --> 00:24:11,200
consciously

636
00:24:17,830 --> 00:24:14,159
and had a period of missing time and has

637
00:24:20,470 --> 00:24:17,840
told the story many times in our family

638
00:24:22,870 --> 00:24:21,750

so

639

00:24:25,269 --> 00:24:22,880

you know i

640

00:24:27,190 --> 00:24:25,279

her and i got closer

641

00:24:29,029 --> 00:24:27,200

when uh

642

00:24:30,549 --> 00:24:29,039

we were working on when when when the

643

00:24:33,990 --> 00:24:30,559

stuff happened in the yard and it all

644

00:24:37,669 --> 00:24:34,000

started flushing out i being the

645

00:24:40,149 --> 00:24:37,679

bratty little sister that i am

646

00:24:42,070 --> 00:24:40,159

uh when i wrote to bud

647

00:24:44,390 --> 00:24:42,080

before i told him about what happened to

648

00:24:45,830 --> 00:24:44,400

me that left the mark in the yard and

649

00:24:46,950 --> 00:24:45,840

hit me with the light and everything in

650

00:24:49,830 --> 00:24:46,960

83

651

00:24:52,390 --> 00:24:49,840

i i told him about my sister's event in

652

00:24:54,230 --> 00:24:52,400

65 taking my mom to the bingo and then

653

00:24:56,070 --> 00:24:54,240

feeling compelled to drive into this

654

00:24:58,230 --> 00:24:56,080

parking lot this church and their whole

655

00:25:00,630 --> 00:24:58,240

car being picked up by this ufo that was

656

00:25:03,269 --> 00:25:00,640

hovering over this church parking lot

657

00:25:05,830 --> 00:25:03,279

and then when she woke up in her car the

658

00:25:07,669 --> 00:25:05,840

light it was dark many hours had passed

659

00:25:09,430 --> 00:25:07,679

and it was time to get mom from bingo

660

00:25:11,990 --> 00:25:09,440

you know and i wrote to him about this

661

00:25:13,590 --> 00:25:12,000

but i didn't ask for her permission to

662

00:25:16,310 --> 00:25:13,600

tell him

663

00:25:18,470 --> 00:25:16,320

so when she found out she was not

664

00:25:20,710 --> 00:25:18,480

pleased with me at all

665

00:25:22,390 --> 00:25:20,720

and so that's why

666

00:25:25,190 --> 00:25:22,400

and that's snail mail too probably not

667

00:25:28,789 --> 00:25:25,200

even an email no that was yeah

668

00:25:29,830 --> 00:25:28,799

there was no cell phones or emails or

669

00:25:32,549 --> 00:25:29,840

you know

670

00:25:34,950 --> 00:25:32,559

the closest i think was compuserve just

671

00:25:37,110 --> 00:25:34,960

started nobody i knew had computers

672

00:25:39,269 --> 00:25:37,120

i didn't even know how to turn one on

673

00:25:40,149 --> 00:25:39,279

yeah so

674

00:25:43,269 --> 00:25:40,159

um

675

00:25:45,590 --> 00:25:43,279

what do you think you know with this

676
00:25:48,230 --> 00:25:45,600
disclosure process happening or what the

677
00:25:52,070 --> 00:25:48,240
government's doing with all this and

678
00:25:53,990 --> 00:25:52,080
um you know they're kind of hinting at

679
00:25:55,190 --> 00:25:54,000
extraterrestrial at least being an

680
00:25:57,350 --> 00:25:55,200
option

681
00:25:59,510 --> 00:25:57,360
um

682
00:26:01,269 --> 00:25:59,520
where do you see this going is it is

683
00:26:03,430 --> 00:26:01,279
this good that they're

684
00:26:05,669 --> 00:26:03,440
that they're doing this or should we be

685
00:26:06,870 --> 00:26:05,679
in your you know point of view

686
00:26:09,110 --> 00:26:06,880
um

687
00:26:11,990 --> 00:26:09,120
should we be worried about their actions

688
00:26:14,870 --> 00:26:12,000

or what do you see coming from this

689

00:26:27,669 --> 00:26:15,830

i

690

00:26:28,789 --> 00:26:27,679

about um

691

00:26:30,870 --> 00:26:28,799

when i heard that they were going to

692

00:26:33,190 --> 00:26:30,880

release something i really wasn't

693

00:26:34,789 --> 00:26:33,200

excited about it but then when i saw it

694

00:26:36,470 --> 00:26:34,799

i know it was only eight pages long but

695

00:26:37,669 --> 00:26:36,480

i was very

696

00:26:40,070 --> 00:26:37,679

you could have knocked me over with a

697

00:26:41,430 --> 00:26:40,080

feather when they said

698

00:26:43,269 --> 00:26:41,440

you know i assumed they were going to

699

00:26:44,950 --> 00:26:43,279

say oh it's all this

700

00:26:46,789 --> 00:26:44,960

or you know it's all that it's it's the

701
00:26:48,549 --> 00:26:46,799
russians or it's us it's secret stuff

702
00:26:50,710 --> 00:26:48,559
and we can't talk about it or something

703
00:26:52,870 --> 00:26:50,720
but when they said we don't know what it

704
00:26:55,269 --> 00:26:52,880
is or where it's from i'm like really

705
00:26:56,870 --> 00:26:55,279
i mean that that little that little

706
00:26:58,070 --> 00:26:56,880
bitty one line

707
00:26:59,750 --> 00:26:58,080
was

708
00:27:03,110 --> 00:26:59,760
to me

709
00:27:05,269 --> 00:27:04,310
huge

710
00:27:06,390 --> 00:27:05,279
yeah

711
00:27:08,470 --> 00:27:06,400
so

712
00:27:09,830 --> 00:27:08,480
but as far as disclosure goes

713
00:27:11,990 --> 00:27:09,840

i don't think it's what people are

714

00:27:13,510 --> 00:27:12,000

expecting that it would be

715

00:27:15,750 --> 00:27:13,520

i don't think it's going to come from

716

00:27:18,070 --> 00:27:15,760

any one government

717

00:27:19,029 --> 00:27:18,080

i think it's going to come from whatever

718

00:27:21,110 --> 00:27:19,039

it is

719

00:27:22,630 --> 00:27:21,120

that we're having contact with and it's

720

00:27:24,710 --> 00:27:22,640

going to be when they want on their

721

00:27:27,190 --> 00:27:24,720

terms and i don't think any one

722

00:27:29,110 --> 00:27:27,200

government or even one

723

00:27:30,789 --> 00:27:29,120

body of people in the world can stop

724

00:27:33,669 --> 00:27:30,799

that so i mean

725

00:27:37,029 --> 00:27:33,679

clearly there are advanced from us

726

00:27:38,149 --> 00:27:37,039

right um i know um

727

00:27:39,909 --> 00:27:38,159

do you think that's something that'll

728

00:27:41,350 --> 00:27:39,919

happen

729

00:27:44,710 --> 00:27:41,360

oh yeah

730

00:27:46,149 --> 00:27:44,720

yeah yeah i do i mean

731

00:27:47,510 --> 00:27:46,159

it's kind of happening in front of our

732

00:27:49,350 --> 00:27:47,520

face right now

733

00:27:51,190 --> 00:27:49,360

you and i and other people that's part

734

00:27:52,870 --> 00:27:51,200

of the point of me

735

00:27:56,389 --> 00:27:52,880

trying to help people be comfortable to

736

00:28:02,149 --> 00:27:59,430

for first of all i

737

00:28:04,870 --> 00:28:02,159

my feeling then this is just my feeling

738

00:28:07,669 --> 00:28:04,880

it doesn't i don't speak for anyone else

739

00:28:10,070 --> 00:28:07,679

but i fee and i do understand

740

00:28:12,310 --> 00:28:10,080

that you know they pose a threat in the

741

00:28:14,149 --> 00:28:12,320

sky when people are flying around on

742

00:28:15,750 --> 00:28:14,159

airplanes and they're out there just

743

00:28:18,630 --> 00:28:15,760

doing whatever they want to do darting

744

00:28:20,389 --> 00:28:18,640

around and you know shutting off nuclear

745

00:28:23,909 --> 00:28:20,399

weapons which don't hurt my feelings

746

00:28:25,990 --> 00:28:23,919

none and stuff like that but

747

00:28:27,669 --> 00:28:26,000

i mean our own airplanes run into each

748

00:28:29,430 --> 00:28:27,679

other you know accidents are going to

749

00:28:31,350 --> 00:28:29,440

happen up there

750

00:28:33,990 --> 00:28:31,360

as far as you know

751

00:28:35,909 --> 00:28:34,000

intentionally going after us i believe

752

00:28:38,789 --> 00:28:35,919

they could have done a long time ago and

753

00:28:40,630 --> 00:28:38,799

we none of us would be here so i i feel

754

00:28:42,830 --> 00:28:40,640

like

755

00:28:45,590 --> 00:28:42,840

i'm not gonna allow myself to be

756

00:28:46,549 --> 00:28:45,600

afraid of something new just because

757

00:28:48,630 --> 00:28:46,559

it's something new and i don't

758

00:28:50,230 --> 00:28:48,640

understand i that ship sailed for me a

759

00:28:51,269 --> 00:28:50,240

long time ago

760

00:28:53,029 --> 00:28:51,279

so

761

00:28:54,549 --> 00:28:53,039

uh you know

762

00:28:56,230 --> 00:28:54,559

i think it's uh

763

00:28:58,389 --> 00:28:56,240

the more people

764

00:28:59,590 --> 00:28:58,399

who get that attitude and aren't

765

00:29:02,389 --> 00:28:59,600

afraid

766

00:29:04,470 --> 00:29:02,399

and realize that their voice is powerful

767

00:29:05,430 --> 00:29:04,480

and that

768

00:29:08,149 --> 00:29:05,440

we all

769

00:29:09,269 --> 00:29:08,159

stick together you know i'm it's i think

770

00:29:10,710 --> 00:29:09,279

that it'll

771

00:29:12,870 --> 00:29:10,720

we're going we're going to see a whole

772

00:29:14,630 --> 00:29:12,880

lot more i think the government is

773

00:29:17,430 --> 00:29:14,640

actually knows a lot more than they're

774

00:29:18,710 --> 00:29:17,440

saying and i think that i do and i think

775

00:29:19,669 --> 00:29:18,720

that they're going to

776

00:29:21,990 --> 00:29:19,679

um

777

00:29:24,389 --> 00:29:22,000

they're going to fess up i mean at least

778

00:29:26,389 --> 00:29:24,399

for now

779

00:29:28,070 --> 00:29:26,399

you can't really trust anything they say

780

00:29:30,870 --> 00:29:28,080

a hundred percent i'm going to trust my

781

00:29:33,029 --> 00:29:30,880

own eyes and my own experiences

782

00:29:35,909 --> 00:29:33,039

first because i know i've already

783

00:29:37,830 --> 00:29:35,919

exhausted every means available to me to

784

00:29:39,990 --> 00:29:37,840

try to put some kind of prosaic

785

00:29:43,430 --> 00:29:40,000

explanation to these things and i can't

786

00:29:44,310 --> 00:29:43,440

do it and in 38 years nobody else has

787

00:29:45,750 --> 00:29:44,320

either

788

00:29:47,750 --> 00:29:45,760

so

789

00:29:50,789 --> 00:29:47,760

yeah but but yeah i think that it's i

790

00:29:52,710 --> 00:29:50,799

think it's gonna be um

791

00:29:54,630 --> 00:29:52,720

i mean it just

792

00:29:56,470 --> 00:29:54,640

that they're here

793

00:29:57,750 --> 00:29:56,480

yeah

794

00:29:59,430 --> 00:29:57,760

do you think they could

795

00:30:02,389 --> 00:29:59,440

they could probably stop that if they

796

00:30:04,630 --> 00:30:02,399

wanted to i would i would imagine if

797

00:30:05,750 --> 00:30:04,640

somebody wanted to you know squeal so to

798

00:30:07,110 --> 00:30:05,760

speak

799

00:30:09,430 --> 00:30:07,120

he could probably

800

00:30:11,669 --> 00:30:09,440

you know i'm speculating of course but

801
00:30:13,269 --> 00:30:11,679
they probably haven't been and go

802
00:30:16,630 --> 00:30:13,279
not today

803
00:30:17,590 --> 00:30:16,640
i think they're just watching to see how

804
00:30:19,830 --> 00:30:17,600
we do

805
00:30:22,389 --> 00:30:19,840
with it you know and not interfering and

806
00:30:24,549 --> 00:30:22,399
allowing it to happen in a natural way

807
00:30:27,510 --> 00:30:24,559
until it reaches a point where

808
00:30:29,750 --> 00:30:27,520
um you know it's like when the water

809
00:30:31,990 --> 00:30:29,760
goes up to the edge of the glass

810
00:30:33,750 --> 00:30:32,000
and then you know it it'll go up a

811
00:30:35,590 --> 00:30:33,760
little bit higher but when that membrane

812
00:30:37,590 --> 00:30:35,600
breaks and it spills out then it's

813
00:30:40,470 --> 00:30:37,600

everywhere and that's i think we're at

814

00:30:42,549 --> 00:30:40,480

that membrane point right now

815

00:30:45,110 --> 00:30:42,559

i just wonder why that why they would

816

00:30:47,669 --> 00:30:45,120

care so much uh because we're live

817

00:30:50,470 --> 00:30:47,679

how we feel about it yeah well because

818

00:30:53,350 --> 00:30:50,480

we're sentient life you know i mean

819

00:30:55,669 --> 00:30:53,360

we're i feel like all life is connected

820

00:30:57,269 --> 00:30:55,679

even them i mean we're all

821

00:31:01,350 --> 00:30:57,279

alive

822

00:31:04,710 --> 00:31:01,360

and i think all life is drawn

823

00:31:07,110 --> 00:31:04,720

to itself so to speak well just because

824

00:31:09,909 --> 00:31:07,120

sometimes it seems

825

00:31:13,350 --> 00:31:09,919

like it said the actions are very

826
00:31:14,950 --> 00:31:13,360
almost rude and abrasive and um

827
00:31:18,230 --> 00:31:14,960
you know

828
00:31:21,430 --> 00:31:18,240
demeaning it sometimes so it's like do

829
00:31:23,509 --> 00:31:21,440
they care to the you know

830
00:31:24,230 --> 00:31:23,519
we're looking at them with human eyes

831
00:31:26,630 --> 00:31:24,240
yeah

832
00:31:30,630 --> 00:31:26,640
we don't know

833
00:31:33,269 --> 00:31:30,640
what

834
00:31:34,389 --> 00:31:33,279
they think is

835
00:31:37,110 --> 00:31:34,399
rude

836
00:31:38,950 --> 00:31:37,120
or funny or anything else we don't know

837
00:31:40,710 --> 00:31:38,960
we're looking at it from a human

838
00:31:42,310 --> 00:31:40,720

perspective and we're looking at

839

00:31:44,950 --> 00:31:42,320

something that's not human

840

00:31:46,549 --> 00:31:44,960

so we can't possibly even fathom we may

841

00:31:48,549 --> 00:31:46,559

not even be able to

842

00:31:50,710 --> 00:31:48,559

fathom in our minds

843

00:31:52,630 --> 00:31:50,720

their intent or will or why they're here

844

00:31:54,870 --> 00:31:52,640

i mean you know when i say

845

00:31:58,789 --> 00:31:54,880

all life is drawn it that's my

846

00:32:01,509 --> 00:31:58,799

perspective and so it's my opinion but

847

00:32:04,789 --> 00:32:01,519

we may not even be able to fathom why or

848

00:32:06,870 --> 00:32:04,799

how and and to we're judging them

849

00:32:08,710 --> 00:32:06,880

human scary parts humans

850

00:32:10,950 --> 00:32:08,720

and you know

851
00:32:13,350 --> 00:32:10,960
yeah i mean it makes complete sense i've

852
00:32:16,149 --> 00:32:13,360
i've said that myself uh when when

853
00:32:19,830 --> 00:32:16,159
people talk about why or how or or any

854
00:32:21,269 --> 00:32:19,840
of that um i always think it's kind of

855
00:32:22,149 --> 00:32:21,279
silly to put

856
00:32:23,029 --> 00:32:22,159
uh

857
00:32:26,269 --> 00:32:23,039
any

858
00:32:28,470 --> 00:32:26,279
human characteristics on something that

859
00:32:30,470 --> 00:32:28,480
potentially not be human

860
00:32:34,230 --> 00:32:30,480
no yeah

861
00:32:37,509 --> 00:32:34,240
i mean there there's probably some broad

862
00:32:41,990 --> 00:32:39,509
set of boundaries where

863
00:32:43,590 --> 00:32:42,000

there's probability that this would be a

864

00:32:45,990 --> 00:32:43,600

certain way you know out there in the

865

00:32:48,230 --> 00:32:46,000

world based on science of some kind but

866

00:32:51,590 --> 00:32:48,240

then again

867

00:32:54,070 --> 00:32:51,600

our science our physics maybe

868

00:32:57,190 --> 00:32:54,080

our gobbledy goop

869

00:32:59,430 --> 00:32:57,200

wherever they're at you know so you know

870

00:33:01,990 --> 00:32:59,440

i laugh when i hear scientists i like

871

00:33:03,590 --> 00:33:02,000

believe science here for us but

872

00:33:05,110 --> 00:33:03,600

when scientists say oh they can't do

873

00:33:06,549 --> 00:33:05,120

that because this is impossible i'm like

874

00:33:09,909 --> 00:33:06,559

yeah maybe

875

00:33:12,149 --> 00:33:09,919

uh in human terms on planet earth but

876

00:33:13,430 --> 00:33:12,159

what about in some different dimension

877

00:33:14,870 --> 00:33:13,440

or some different

878

00:33:16,870 --> 00:33:14,880

galaxy

879

00:33:19,830 --> 00:33:16,880

10 million years advance from here you

880

00:33:22,230 --> 00:33:19,840

know how do you how can you say that

881

00:33:24,230 --> 00:33:22,240

you're just guessing like i am buddy

882

00:33:26,230 --> 00:33:24,240

well that's that's the thing is you know

883

00:33:27,430 --> 00:33:26,240

when every anyone really tries to claim

884

00:33:29,909 --> 00:33:27,440

that they

885

00:33:31,669 --> 00:33:29,919

know what is or isn't possible it you

886

00:33:33,830 --> 00:33:31,679

know i always just think okay so we're

887

00:33:36,070 --> 00:33:33,840

done learning we know everything now we

888

00:33:38,710 --> 00:33:36,080

know everything there is to know now in

889

00:33:39,830 --> 00:33:38,720

my mind we're capped off

890

00:33:41,750 --> 00:33:39,840

yeah yeah

891

00:33:44,149 --> 00:33:41,760

in my mind i think

892

00:33:45,909 --> 00:33:44,159

if you can think it

893

00:33:47,269 --> 00:33:45,919

it's happening somewhere

894

00:33:49,750 --> 00:33:47,279

maybe not here

895

00:33:50,830 --> 00:33:49,760

but somewhere it's kind of case in point

896

00:33:53,830 --> 00:33:50,840

is the

897

00:33:56,870 --> 00:33:53,840

movies you know how many movies have

898

00:33:58,070 --> 00:33:56,880

been made and later in life in the

899

00:33:59,830 --> 00:33:58,080

history of

900

00:34:01,909 --> 00:33:59,840

of the world or whatever

901
00:34:03,029 --> 00:34:01,919
those things some some of those things

902
00:34:04,710 --> 00:34:03,039
come true

903
00:34:07,350 --> 00:34:04,720
you know see my

904
00:34:09,589 --> 00:34:07,360
star trek yeah

905
00:34:11,589 --> 00:34:09,599
yeah i that's my you know i can talk to

906
00:34:13,990 --> 00:34:11,599
my son to my watch

907
00:34:15,109 --> 00:34:14,000
yeah right and that was dick tracy to me

908
00:34:16,470 --> 00:34:15,119
yeah

909
00:34:18,470 --> 00:34:16,480
when i was growing up he had one of

910
00:34:20,629 --> 00:34:18,480
those watches and i would wear the fake

911
00:34:22,950 --> 00:34:20,639
one now i got a real one

912
00:34:24,069 --> 00:34:22,960
all right same here yeah very

913
00:34:25,990 --> 00:34:24,079

interesting

914

00:34:29,190 --> 00:34:26,000

i just try to keep my mind as open as

915

00:34:31,109 --> 00:34:29,200

possible and my wonder is i try to have

916

00:34:34,710 --> 00:34:31,119

the wonderment of a child

917

00:34:35,829 --> 00:34:34,720

and keep my mind as open as i can um you

918

00:34:38,149 --> 00:34:35,839

know

919

00:34:40,069 --> 00:34:38,159

within reasons i'm still

920

00:34:41,109 --> 00:34:40,079

trying to be you know

921

00:34:42,389 --> 00:34:41,119

sensible

922

00:34:43,510 --> 00:34:42,399

sometimes i have trouble with that

923

00:34:44,950 --> 00:34:43,520

though

924

00:34:48,310 --> 00:34:44,960

yeah well i mean

925

00:34:52,069 --> 00:34:48,320

yeah it's no different than anyone else

926
00:34:53,829 --> 00:34:52,079
yeah to be quite honest with you yeah um

927
00:34:55,829 --> 00:34:53,839
what what kind of advice would you have

928
00:34:58,390 --> 00:34:55,839
for somebody who

929
00:35:00,390 --> 00:34:58,400
um has an encounter that really shakes i

930
00:35:03,109 --> 00:35:00,400
mean i don't just mean like

931
00:35:05,349 --> 00:35:03,119
lights in the sky or whatever but

932
00:35:07,349 --> 00:35:05,359
i mean like you know something paradigm

933
00:35:11,510 --> 00:35:07,359
shifting and maybe this has never been

934
00:35:12,710 --> 00:35:11,520
on their radar uh and they're lost

935
00:35:15,270 --> 00:35:12,720
what kind of advice would you give

936
00:35:17,109 --> 00:35:15,280
somebody like that well i can tell them

937
00:35:19,990 --> 00:35:17,119
um i was there

938
00:35:22,310 --> 00:35:20,000

i was totally in that place

939

00:35:25,510 --> 00:35:22,320

and i reached out

940

00:35:27,270 --> 00:35:25,520

i reached out to bud

941

00:35:28,550 --> 00:35:27,280

and i reached out to somebody at a time

942

00:35:30,470 --> 00:35:28,560

when there wasn't very many people

943

00:35:32,069 --> 00:35:30,480

available to reach out to and he was in

944

00:35:33,750 --> 00:35:32,079

new york and i was in indiana but i

945

00:35:34,550 --> 00:35:33,760

managed to figure out a way to get to

946

00:35:36,710 --> 00:35:34,560

him

947

00:35:39,109 --> 00:35:36,720

and um

948

00:35:39,829 --> 00:35:39,119

i re i reached out

949

00:35:55,190 --> 00:35:39,839

i

950

00:35:57,030 --> 00:35:55,200

and other researchers

951
00:35:58,870 --> 00:35:57,040
and um

952
00:36:01,109 --> 00:35:58,880
i mean i was fortunate

953
00:36:03,349 --> 00:36:01,119
i back then i was i feel like i was

954
00:36:05,670 --> 00:36:03,359
blessed and fortunate because i found

955
00:36:07,109 --> 00:36:05,680
him and he did spend a lot of time with

956
00:36:09,430 --> 00:36:07,119
me and my family because i found him

957
00:36:11,510 --> 00:36:09,440
early in his career before he got

958
00:36:14,550 --> 00:36:11,520
swamped you know

959
00:36:16,550 --> 00:36:14,560
and also i had the support of my family

960
00:36:19,750 --> 00:36:16,560
and friends and neighbors

961
00:36:21,030 --> 00:36:19,760
because they experienced different weird

962
00:36:23,510 --> 00:36:21,040
things with me

963
00:36:24,230 --> 00:36:23,520

and so i wasn't alone

964

00:36:27,990 --> 00:36:24,240

and

965

00:36:29,750 --> 00:36:28,000

so i've made myself available

966

00:36:31,109 --> 00:36:29,760

for people like me

967

00:36:33,270 --> 00:36:31,119

if they want

968

00:36:34,630 --> 00:36:33,280

you know i don't have any answers for my

969

00:36:37,990 --> 00:36:34,640

own stuff

970

00:36:41,750 --> 00:36:38,000

but i i have an open mind and

971

00:36:44,470 --> 00:36:41,760

a willing heart and i'm happy to listen

972

00:36:45,589 --> 00:36:44,480

and if i know of a therapist

973

00:36:48,550 --> 00:36:45,599

because there are a lot of therapists

974

00:36:52,310 --> 00:36:48,560

now who are getting interested in this

975

00:36:54,790 --> 00:36:52,320

i highly advise that i i'm in therapy i

976

00:36:56,550 --> 00:36:54,800

have a lot of anxiety issues for years

977

00:37:00,390 --> 00:36:56,560

sure and i'm i'm having and i got

978

00:37:03,750 --> 00:37:00,400

diagnosed with ptsd before ptsd was even

979

00:37:06,069 --> 00:37:03,760

talked about in public right and um

980

00:37:09,510 --> 00:37:06,079

my therapist now we've been doing emdr

981

00:37:11,829 --> 00:37:09,520

therapy for the last year not just on uh

982

00:37:13,270 --> 00:37:11,839

my life tragedies like my husband's

983

00:37:14,069 --> 00:37:13,280

suicide in the tornado and things like

984

00:37:15,030 --> 00:37:14,079

that

985

00:37:17,670 --> 00:37:15,040

but

986

00:37:19,670 --> 00:37:17,680

also we've included some of these weird

987

00:37:21,270 --> 00:37:19,680

experiences like the june 3083

988

00:37:23,190 --> 00:37:21,280

experience i told her about it and i

989

00:37:24,390 --> 00:37:23,200

said i'm you know i'm going to tell you

990

00:37:25,829 --> 00:37:24,400

about this if you think i need

991

00:37:27,750 --> 00:37:25,839

medication

992

00:37:29,990 --> 00:37:27,760

okay you know

993

00:37:31,589 --> 00:37:30,000

but it's a part of my life and i need to

994

00:37:33,589 --> 00:37:31,599

to deal with this and so we've been

995

00:37:41,510 --> 00:37:33,599

doing the mdr therapy on that too and it

996

00:37:45,670 --> 00:37:43,990

the letters and i can't remember what it

997

00:37:48,230 --> 00:37:45,680

stands for but it's

998

00:37:50,230 --> 00:37:48,240

it somehow reprograms your thought

999

00:37:52,230 --> 00:37:50,240

processes and takes traumatic

1000

00:37:54,550 --> 00:37:52,240

experiences and puts them in a different

1001
00:37:56,950 --> 00:37:54,560
place in your memory where you're able

1002
00:37:59,030 --> 00:37:56,960
to cope with them better they use it uh

1003
00:38:01,670 --> 00:37:59,040
they used it on like first responders

1004
00:38:02,950 --> 00:38:01,680
and um soldiers had to come back for

1005
00:38:06,150 --> 00:38:02,960
more

1006
00:38:09,109 --> 00:38:06,160
with ptsd and it works

1007
00:38:11,990 --> 00:38:09,119
it worked for me with this stuff as well

1008
00:38:14,069 --> 00:38:12,000
so you know for my advice is reach out

1009
00:38:15,829 --> 00:38:14,079
talk to people there's lots of people

1010
00:38:17,109 --> 00:38:15,839
now available you can find on the

1011
00:38:18,710 --> 00:38:17,119
internet

1012
00:38:20,870 --> 00:38:18,720
and um i'm one of them and i have a

1013
00:38:24,310 --> 00:38:20,880

website you can come send me an email

1014

00:38:26,870 --> 00:38:24,320

and and maybe i can uh refer you to

1015

00:38:29,109 --> 00:38:26,880

you know somebody that does hypnotherapy

1016

00:38:32,150 --> 00:38:29,119

if that's what you want to do or talk

1017

00:38:34,790 --> 00:38:32,160

therapy you know or just

1018

00:38:37,109 --> 00:38:34,800

like how do you know who to trust if

1019

00:38:39,990 --> 00:38:37,119

you're just reaching out and looking

1020

00:38:42,310 --> 00:38:40,000

you know online as as many good people

1021

00:38:46,069 --> 00:38:42,320

as there are that will help honestly and

1022

00:38:47,349 --> 00:38:46,079

earnestly there are also not good people

1023

00:38:50,150 --> 00:38:47,359

exactly

1024

00:38:51,829 --> 00:38:50,160

yeah that's right i mean hypnotherapy i

1025

00:38:54,390 --> 00:38:51,839

know a lot of people look really down on

1026

00:38:56,310 --> 00:38:54,400

it and i and and i understand why

1027

00:38:58,470 --> 00:38:56,320

because if it's in the wrong hands it

1028

00:39:01,750 --> 00:38:58,480

can mess people up

1029

00:39:04,069 --> 00:39:01,760

uh so uh if i would suggest if that's a

1030

00:39:05,510 --> 00:39:04,079

route you want to take be very um

1031

00:39:08,630 --> 00:39:05,520

mindful of who

1032

00:39:10,150 --> 00:39:08,640

you do it with um i've been around in

1033

00:39:13,190 --> 00:39:10,160

this field for

1034

00:39:14,950 --> 00:39:13,200

almost 40 years now 38 years since the

1035

00:39:17,030 --> 00:39:14,960

experience in 83.

1036

00:39:18,630 --> 00:39:17,040

and i've had the fortunate

1037

00:39:20,870 --> 00:39:18,640

uh i've been fortunate enough to meet

1038

00:39:24,630 --> 00:39:20,880

some of the best of the best you know

1039

00:39:26,870 --> 00:39:24,640

and so i can say like um

1040

00:39:28,790 --> 00:39:26,880

yvonne smith

1041

00:39:30,710 --> 00:39:28,800

out in california is wonderful and she

1042

00:39:32,870 --> 00:39:30,720

does hypnotherapy kim trotman does

1043

00:39:34,710 --> 00:39:32,880

hypnotherapy she's in california

1044

00:39:35,990 --> 00:39:34,720

um and if you know if that's a route

1045

00:39:38,069 --> 00:39:36,000

that you want to go those were people

1046

00:39:39,670 --> 00:39:38,079

those are a couple people i would trust

1047

00:39:41,910 --> 00:39:39,680

um

1048

00:39:44,470 --> 00:39:41,920

my friend peter robbins he knows a

1049

00:39:46,310 --> 00:39:44,480

couple of psychologists i'm in

1050

00:39:48,069 --> 00:39:46,320

on the east coast that work with

1051
00:39:49,910 --> 00:39:48,079
abductees and people who have had these

1052
00:39:51,510 --> 00:39:49,920
kinds of experiences ain't no one in

1053
00:39:51,790 --> 00:39:51,520
indiana

1054
00:39:57,910 --> 00:39:51,800
hell

1055
00:40:03,750 --> 00:40:00,630
my therapist is she is the bomb

1056
00:40:06,870 --> 00:40:03,760
i love her she doesn't like do it with

1057
00:40:10,550 --> 00:40:06,880
she doesn't like advertise with this but

1058
00:40:12,870 --> 00:40:10,560
she's very open and intelligent and she

1059
00:40:14,790 --> 00:40:12,880
has been so helpful to me and she's here

1060
00:40:16,710 --> 00:40:14,800
in indiana so i mean they're there you

1061
00:40:18,069 --> 00:40:16,720
gotta just look you've got to hunt for

1062
00:40:21,030 --> 00:40:18,079
them i guess

1063
00:40:22,790 --> 00:40:21,040

i would be almost afraid of

1064

00:40:25,030 --> 00:40:22,800

talking to a therapist about it and then

1065

00:40:27,190 --> 00:40:25,040

just like their own medicine down my

1066

00:40:30,150 --> 00:40:27,200

throat just to yeah well you just need

1067

00:40:32,630 --> 00:40:30,160

to take this yeah whatever

1068

00:40:34,950 --> 00:40:32,640

yeah so that you know you're good that's

1069

00:40:37,190 --> 00:40:34,960

a good one well yeah because you you

1070

00:40:38,470 --> 00:40:37,200

know you're it's ultimately up to you

1071

00:40:40,710 --> 00:40:38,480

you don't have to

1072

00:40:42,150 --> 00:40:40,720

do what they suggest but i do remember

1073

00:40:44,470 --> 00:40:42,160

when i went to new york the first time

1074

00:40:46,790 --> 00:40:44,480

and i saw dr clamar bud took me to see

1075

00:40:48,309 --> 00:40:46,800

her she's a psychiatrist

1076

00:40:50,790 --> 00:40:48,319

and then i was tested i had

1077

00:40:52,870 --> 00:40:50,800

psychological testing at the hospital in

1078

00:40:54,309 --> 00:40:52,880

new york that was donated for the

1079

00:40:57,990 --> 00:40:54,319

investigation

1080

00:41:00,390 --> 00:40:58,000

i remember telling the guy during the um

1081

00:41:02,390 --> 00:41:00,400

verbal testing portion you know it's

1082

00:41:03,910 --> 00:41:02,400

okay if you if you tell me i'm crazy i'm

1083

00:41:05,510 --> 00:41:03,920

okay with that because i know they don't

1084

00:41:07,349 --> 00:41:05,520

want to be

1085

00:41:08,870 --> 00:41:07,359

they make pills for that and if i take

1086

00:41:10,550 --> 00:41:08,880

pills and this goes away you know it's

1087

00:41:12,150 --> 00:41:10,560

not a bad thing

1088

00:41:15,349 --> 00:41:12,160

and but

1089

00:41:18,069 --> 00:41:15,359

i'm i'm not crazy i was tested

1090

00:41:19,829 --> 00:41:18,079

right right yeah they just they were the

1091

00:41:21,030 --> 00:41:19,839

ones who gave me the first diagnosis of

1092

00:41:22,390 --> 00:41:21,040

ptsd

1093

00:41:24,470 --> 00:41:22,400

and uh

1094

00:41:27,670 --> 00:41:24,480

you know she said they said she's not

1095

00:41:29,670 --> 00:41:27,680

that i don't they did eat eeg on my

1096

00:41:31,990 --> 00:41:29,680

brain and a cat scan of my brain i

1097

00:41:33,270 --> 00:41:32,000

didn't have brain tumors i didn't have

1098

00:41:35,270 --> 00:41:33,280

um

1099

00:41:36,950 --> 00:41:35,280

uh like seizure disorders or anything

1100

00:41:37,990 --> 00:41:36,960

like that going on physically with my

1101

00:41:39,109 --> 00:41:38,000

brain

1102

00:41:41,910 --> 00:41:39,119

broke

1103

00:41:43,750 --> 00:41:41,920

and i didn't test the only thing they

1104

00:41:45,030 --> 00:41:43,760

they came away was i was above average

1105

00:41:46,790 --> 00:41:45,040

intelligence

1106

00:41:49,190 --> 00:41:46,800

and um

1107

00:41:51,430 --> 00:41:49,200

i had ptsd

1108

00:41:54,390 --> 00:41:51,440

that i wasn't prone to delusions or

1109

00:41:57,030 --> 00:41:54,400

psychotic things or stuff like that yeah

1110

00:41:58,390 --> 00:41:57,040

yeah i don't have the results of that

1111

00:42:00,069 --> 00:41:58,400

those testing

1112

00:42:01,349 --> 00:42:00,079

but bud did but you know since he's

1113

00:42:02,470 --> 00:42:01,359

passed now i don't know where any of

1114

00:42:03,349 --> 00:42:02,480

that stuff is

1115

00:42:05,510 --> 00:42:03,359

oh

1116

00:42:07,190 --> 00:42:05,520

yeah well i'd probably i'm sure you'd

1117

00:42:09,430 --> 00:42:07,200

still like to have it

1118

00:42:12,309 --> 00:42:09,440

um yeah it would be kind of nice but

1119

00:42:14,470 --> 00:42:12,319

yeah it is what it is yeah it's

1120

00:42:16,470 --> 00:42:14,480

interesting i was um

1121

00:42:19,990 --> 00:42:16,480

watching some john mack stuff not not

1122

00:42:22,150 --> 00:42:20,000

too long ago and he was talking about

1123

00:42:23,670 --> 00:42:22,160

you know mental this was a while ago but

1124

00:42:26,069 --> 00:42:23,680

he was talking about mental conditions

1125

00:42:26,710 --> 00:42:26,079

and and things that go on in the brain

1126

00:42:29,510 --> 00:42:26,720

and

1127

00:42:33,190 --> 00:42:29,520

how there's so much of our human brain

1128

00:42:36,150 --> 00:42:33,200

that is completely not understood in our

1129

00:42:38,390 --> 00:42:36,160

recipe to fix things we don't understand

1130

00:42:39,910 --> 00:42:38,400

is just medicine

1131

00:42:42,390 --> 00:42:39,920

and we really don't know what the

1132

00:42:44,550 --> 00:42:42,400

outcome of it is going to be either at

1133

00:42:45,510 --> 00:42:44,560

the end of the day you know and some

1134

00:42:47,510 --> 00:42:45,520

things

1135

00:42:49,589 --> 00:42:47,520

maybe

1136

00:42:53,270 --> 00:42:49,599

you know could could use just a little

1137

00:42:55,910 --> 00:42:53,280

shift of of a point of view of

1138

00:42:59,109 --> 00:42:55,920

you know how the brain works and what is

1139

00:43:00,309 --> 00:42:59,119

and what isn't you know supposed to be

1140

00:43:02,630 --> 00:43:00,319

um

1141

00:43:03,430 --> 00:43:02,640

because you know like experiences like

1142

00:43:04,710 --> 00:43:03,440

this

1143

00:43:08,069 --> 00:43:04,720

for instance

1144

00:43:10,309 --> 00:43:08,079

again like john mack so many times

1145

00:43:13,109 --> 00:43:10,319

he would

1146

00:43:15,349 --> 00:43:13,119

one of his main talking points was

1147

00:43:17,430 --> 00:43:15,359

so many such and such amount of people

1148

00:43:20,950 --> 00:43:17,440

not one of them have

1149

00:43:22,550 --> 00:43:20,960

any sign of any mental disorder whatever

1150

00:43:25,109 --> 00:43:22,560

it is you know

1151

00:43:27,270 --> 00:43:25,119

paranoid schizophrenia or you know

1152

00:43:29,030 --> 00:43:27,280

delusions or anything

1153

00:43:32,550 --> 00:43:29,040

and you know he's

1154

00:43:35,750 --> 00:43:32,560

a harvard psychiatrist you know

1155

00:43:37,750 --> 00:43:35,760

and he thought bud was crazy at first

1156

00:43:39,990 --> 00:43:37,760

yeah until he started to see

1157

00:43:41,670 --> 00:43:40,000

what bud was doing are you ready

1158

00:43:45,190 --> 00:43:41,680

to see the evidence yeah and meet the

1159

00:43:47,109 --> 00:43:45,200

people yeah my thing is um

1160

00:43:48,790 --> 00:43:47,119

you know when we had mom and i had an

1161

00:43:51,670 --> 00:43:48,800

experience in 84

1162

00:43:58,550 --> 00:43:55,750

bud had given us the phone number for uh

1163

00:43:59,910 --> 00:43:58,560

the uh center for ufo studies kufos app

1164

00:44:01,829 --> 00:43:59,920

in chicago

1165

00:44:04,470 --> 00:44:01,839

and so i called their hotline

1166

00:44:06,309 --> 00:44:04,480

and in 1984 i called their 24-hour ufo

1167

00:44:07,270 --> 00:44:06,319

hotline and dr jalen heineck answered

1168

00:44:09,589 --> 00:44:07,280

the phone

1169

00:44:11,910 --> 00:44:09,599

so we spoke to him mom and i both did we

1170

00:44:13,750 --> 00:44:11,920

made drawings for him and sent them to

1171

00:44:15,030 --> 00:44:13,760

him and then my mother spoke to him one

1172

00:44:17,510 --> 00:44:15,040

more time

1173

00:44:19,190 --> 00:44:17,520

and he made a comment to her

1174

00:44:21,030 --> 00:44:19,200

that he felt like

1175

00:44:23,510 --> 00:44:21,040

in all the years he'd been studying

1176

00:44:26,390 --> 00:44:23,520

these things that he felt like

1177

00:44:28,550 --> 00:44:26,400

[Laughter]

1178

00:44:29,990 --> 00:44:28,560

he was beginning he told mom he was

1179

00:44:32,870 --> 00:44:30,000

beginning to think that maybe not

1180

00:44:34,230 --> 00:44:32,880

everyone could see these things

1181

00:44:36,150 --> 00:44:34,240

and

1182

00:44:38,390 --> 00:44:36,160

we felt like that was because we were

1183

00:44:40,390 --> 00:44:38,400

thrown off but this thing that was over

1184

00:44:42,230 --> 00:44:40,400

the house that night was absolutely huge

1185

00:44:45,030 --> 00:44:42,240

in indianapolis which is not a small

1186

00:44:47,910 --> 00:44:45,040

town like 10 15 minutes from downtown

1187

00:44:49,510 --> 00:44:47,920

indy uh you to think

1188

00:44:51,990 --> 00:44:49,520

thousands of people would reported this

1189

00:44:53,109 --> 00:44:52,000

giant thing over the house and we heard

1190

00:44:55,190 --> 00:44:53,119

nothing

1191

00:44:57,190 --> 00:44:55,200

and dr heineck made that comment to my

1192

00:44:58,309 --> 00:44:57,200

mom which kind of like was an epiphany

1193

00:44:59,030 --> 00:44:58,319

for me

1194

00:45:01,829 --> 00:44:59,040

and

1195

00:45:03,750 --> 00:45:01,839

my my own personal opinion

1196

00:45:05,589 --> 00:45:03,760

at this point in my life after these all

1197

00:45:07,589 --> 00:45:05,599

these years and meeting everybody that

1198

00:45:09,670 --> 00:45:07,599

i've met and talked to

1199

00:45:10,630 --> 00:45:09,680

that i you know i don't know if it was

1200

00:45:11,990 --> 00:45:10,640

because

1201
00:45:13,990 --> 00:45:12,000
there was something different about us

1202
00:45:16,950 --> 00:45:14,000
when we were born you know up here the

1203
00:45:18,950 --> 00:45:16,960
wiring right uh i don't know if we have

1204
00:45:21,190 --> 00:45:18,960
a few extra circuits

1205
00:45:23,349 --> 00:45:21,200
that you know people have in there but

1206
00:45:28,309 --> 00:45:23,359
they just haven't connected yet

1207
00:45:29,829 --> 00:45:28,319
or if the experiences that we've had

1208
00:45:32,069 --> 00:45:29,839
have

1209
00:45:34,630 --> 00:45:32,079
connected the circuitry

1210
00:45:39,589 --> 00:45:37,510
opened up us to be able to perceive more

1211
00:45:41,670 --> 00:45:39,599
of the world around us i saw something

1212
00:45:43,589 --> 00:45:41,680
neat just a little while ago a friend

1213
00:45:45,270 --> 00:45:43,599

sent me about the perception of the

1214

00:45:48,630 --> 00:45:45,280

human mind in the world that we live in

1215

00:45:49,670 --> 00:45:48,640

we see a tiny we we visually see a tiny

1216

00:45:52,790 --> 00:45:49,680

sliver

1217

00:45:56,230 --> 00:45:52,800

of the spectrum that we exist in

1218

00:45:58,630 --> 00:45:56,240

a tiny sliver there's a ton

1219

00:46:01,430 --> 00:45:58,640

going on all around us that we can't

1220

00:46:03,109 --> 00:46:01,440

perceive a brain isn't wired that way

1221

00:46:04,630 --> 00:46:03,119

the same way with hearing

1222

00:46:08,390 --> 00:46:04,640

when we sit in

1223

00:46:10,710 --> 00:46:08,400

sitting here in my office there are

1224

00:46:13,349 --> 00:46:10,720

wi-fi signals and

1225

00:46:15,510 --> 00:46:13,359

television signals and all kinds of

1226
00:46:18,950 --> 00:46:15,520
signals all around me and going through

1227
00:46:22,950 --> 00:46:18,960
me but i'm not wired to receive them so

1228
00:46:26,470 --> 00:46:22,960
i can't perceive them right i feel

1229
00:46:30,950 --> 00:46:26,480
something happens to an experimenter in

1230
00:46:32,470 --> 00:46:30,960
an experience that changes the wiring

1231
00:46:34,630 --> 00:46:32,480
plugs in a connection that wasn't

1232
00:46:36,550 --> 00:46:34,640
plugged in before maybe some of us are

1233
00:46:38,550 --> 00:46:36,560
born plugged in a little bit but

1234
00:46:40,390 --> 00:46:38,560
everybody's capable of it but they

1235
00:46:42,230 --> 00:46:40,400
haven't gotten that

1236
00:46:45,349 --> 00:46:42,240
stimulus that flipped the switch you

1237
00:46:47,990 --> 00:46:45,359
know yeah and so um

1238
00:46:51,510 --> 00:46:48,000

that's why i feel like uh

1239

00:46:53,190 --> 00:46:51,520

it's so important to allow people to uh

1240

00:46:55,190 --> 00:46:53,200

talk about their experiences because

1241

00:46:57,430 --> 00:46:55,200

they're really have their this they're

1242

00:46:59,990 --> 00:46:57,440

really seeing something and maybe if you

1243

00:47:02,550 --> 00:47:00,000

know other people who aren't can be open

1244

00:47:04,950 --> 00:47:02,560

to it that connection in them can be

1245

00:47:07,030 --> 00:47:04,960

made and they too can have this

1246

00:47:08,550 --> 00:47:07,040

experience you know it's interesting if

1247

00:47:11,030 --> 00:47:08,560

you read um

1248

00:47:13,190 --> 00:47:11,040

um american cosmic

1249

00:47:14,710 --> 00:47:13,200

by chance it's it's pretty good book

1250

00:47:16,710 --> 00:47:14,720

i've started reading that for like a

1251

00:47:18,309 --> 00:47:16,720

book club that that we do

1252

00:47:21,030 --> 00:47:18,319

um her name

1253

00:47:22,870 --> 00:47:21,040

uh her name debbie or deborah is her

1254

00:47:25,750 --> 00:47:22,880

name too or something

1255

00:47:29,670 --> 00:47:25,760

but anyways she she talks about um this

1256

00:47:33,270 --> 00:47:29,680

character in the book who who tells her

1257

00:47:36,390 --> 00:47:33,280

basically it's you know dna and your

1258

00:47:38,069 --> 00:47:36,400

your entire dna is kind of a receptor so

1259

00:47:40,390 --> 00:47:38,079

to speak and and some people have

1260

00:47:42,470 --> 00:47:40,400

different dna than others

1261

00:47:45,510 --> 00:47:42,480

i know that uh you know

1262

00:47:47,109 --> 00:47:45,520

dna is like a giant massive complicated

1263

00:47:49,589 --> 00:47:47,119

computer program

1264

00:47:50,790 --> 00:47:49,599

yeah that you plug into a machine or i

1265

00:47:52,950 --> 00:47:50,800

call the

1266

00:47:55,030 --> 00:47:52,960

the meat bags

1267

00:47:56,710 --> 00:47:55,040

walking meat bags full of water that's

1268

00:47:58,150 --> 00:47:56,720

what people are with little electrical

1269

00:48:00,710 --> 00:47:58,160

impulses

1270

00:48:03,990 --> 00:48:00,720

that's how i see people that's so sad

1271

00:48:04,829 --> 00:48:04,000

what about how do i ever get married

1272

00:48:06,790 --> 00:48:04,839

but

1273

00:48:08,549 --> 00:48:06,800

that's john you thinking meat bag we're

1274

00:48:11,030 --> 00:48:08,559

going to the store

1275

00:48:13,750 --> 00:48:11,040

but um yeah so

1276

00:48:13,760 --> 00:48:17,589

any yeah i'll never mind yeah

1277

00:48:21,349 --> 00:48:19,190

he didn't know

1278

00:48:24,150 --> 00:48:21,359

i was just yeah so it just made me think

1279

00:48:25,430 --> 00:48:24,160

of that uh definitely um but yeah i mean

1280

00:48:28,790 --> 00:48:25,440

i can say

1281

00:48:30,790 --> 00:48:28,800

um so my first encounter saw a huge

1282

00:48:32,829 --> 00:48:30,800

sideways teardrop thing right above my

1283

00:48:35,190 --> 00:48:32,839

house was probably like 40 feet up or

1284

00:48:37,510 --> 00:48:35,200

something uh it looked like it came in

1285

00:48:39,910 --> 00:48:37,520

and out of a dimension um it had a

1286

00:48:40,870 --> 00:48:39,920

little curve to it like a border around

1287

00:48:45,990 --> 00:48:40,880

it

1288

00:48:48,790 --> 00:48:46,000

um

1289

00:48:50,470 --> 00:48:48,800

you know at first i was thinking

1290

00:48:53,589 --> 00:48:50,480

you know i don't know what it was that

1291

00:48:56,309 --> 00:48:53,599

was awesome it was probably this or a

1292

00:48:57,750 --> 00:48:56,319

really big version of that or whatever

1293

00:48:59,589 --> 00:48:57,760

um

1294

00:49:00,829 --> 00:48:59,599

a couple days go by i have a dream that

1295

00:49:02,950 --> 00:49:00,839

comes

1296

00:49:04,950 --> 00:49:02,960

true um a dream that i had two years

1297

00:49:06,309 --> 00:49:04,960

prior about something pretty dramatic

1298

00:49:07,190 --> 00:49:06,319

came true

1299

00:49:09,030 --> 00:49:07,200

um

1300

00:49:10,630 --> 00:49:09,040

a couple days after

1301

00:49:13,109 --> 00:49:10,640

saw the same thing

1302

00:49:14,950 --> 00:49:13,119

first the light went over my shoulder i

1303

00:49:17,190 --> 00:49:14,960

knew to look in that same direction

1304

00:49:19,430 --> 00:49:17,200

there it came in that trajectory it was

1305

00:49:22,470 --> 00:49:19,440

a complete ball this time

1306

00:49:23,990 --> 00:49:22,480

um but the same exact material and and

1307

00:49:25,990 --> 00:49:24,000

everything and that was over my garage

1308

00:49:28,549 --> 00:49:26,000

so that must have been 10 to 15 feet

1309

00:49:31,750 --> 00:49:28,559

away but ever since then

1310

00:49:34,230 --> 00:49:31,760

i've seen i've seen different odd things

1311

00:49:36,630 --> 00:49:34,240

never again like that

1312

00:49:37,349 --> 00:49:36,640

have i had an experience like that but i

1313

00:49:39,109 --> 00:49:37,359

have

1314

00:49:41,750 --> 00:49:39,119

uh seen

1315

00:49:43,990 --> 00:49:41,760

at least two hands worth of

1316

00:49:47,670 --> 00:49:44,000

things that don't make any sense you

1317

00:49:49,190 --> 00:49:47,680

know yeah so it i don't know

1318

00:49:52,309 --> 00:49:49,200

well i like waiting but maybe you're

1319

00:49:56,950 --> 00:49:52,319

right you know i you know

1320

00:49:59,750 --> 00:49:56,960

this movie um the observers i hope

1321

00:50:02,390 --> 00:49:59,760

that everyone who sees it

1322

00:50:05,589 --> 00:50:02,400

comes away with the uh

1323

00:50:07,670 --> 00:50:05,599

pulsco dw pulska okay

1324

00:50:10,390 --> 00:50:07,680

diana

1325

00:50:12,710 --> 00:50:10,400

i i hope that you know everybody will

1326

00:50:14,870 --> 00:50:12,720

see this movie and this movie when i

1327

00:50:17,510 --> 00:50:14,880

watched it it's like a a different

1328

00:50:19,109 --> 00:50:17,520

puzzle piece from each person in the

1329

00:50:21,510 --> 00:50:19,119

movie yeah

1330

00:50:23,510 --> 00:50:21,520

each person comes at the the phenomenon

1331

00:50:24,470 --> 00:50:23,520

from a slightly different uh point of

1332

00:50:28,309 --> 00:50:24,480

view

1333

00:50:31,430 --> 00:50:28,319

and um but you you can see how they all

1334

00:50:33,510 --> 00:50:31,440

mesh together in a way but at the end

1335

00:50:36,150 --> 00:50:33,520

it's it's uh

1336

00:50:38,470 --> 00:50:36,160

it's the people it's

1337

00:50:40,710 --> 00:50:38,480

everybody you and me

1338

00:50:43,510 --> 00:50:40,720

the people that the guy next door the

1339

00:50:45,750 --> 00:50:43,520

guy at the girls grocery store

1340

00:50:48,150 --> 00:50:45,760

this is the people that it affects these

1341

00:50:51,990 --> 00:50:48,160

the people that deserve the truth and

1342

00:50:54,309 --> 00:50:52,000

these are the people that are going to

1343

00:50:56,710 --> 00:50:54,319

help make the truth come out you know

1344

00:50:59,750 --> 00:50:56,720

and i want and i hope that people who've

1345

00:51:01,589 --> 00:50:59,760

had experiences who watch this movie

1346

00:51:02,870 --> 00:51:01,599

come away feeling

1347

00:51:04,950 --> 00:51:02,880

comfortable

1348

00:51:07,270 --> 00:51:04,960

with their experience enough i know it's

1349

00:51:09,430 --> 00:51:07,280

hard believe me sure i have not been

1350

00:51:11,430 --> 00:51:09,440

comfortable for 40 years you know it

1351
00:51:13,349 --> 00:51:11,440
took me a long time to get there but to

1352
00:51:15,430 --> 00:51:13,359
start the process to learn to be

1353
00:51:17,349 --> 00:51:15,440
comfortable to learn to speak out and

1354
00:51:19,270 --> 00:51:17,359
understand that you're not alone

1355
00:51:21,270 --> 00:51:19,280
and that it's okay to have the

1356
00:51:23,829 --> 00:51:21,280
experience uh

1357
00:51:25,750 --> 00:51:23,839
and um

1358
00:51:29,190 --> 00:51:25,760
people don't think you're crazy believe

1359
00:51:31,829 --> 00:51:29,200
me and also um you know

1360
00:51:34,470 --> 00:51:31,839
i i mean that's why i i did it when

1361
00:51:36,950 --> 00:51:34,480
linda asked me if i would come and sit

1362
00:51:38,150 --> 00:51:36,960
with her and let myself be interviewed

1363
00:51:39,750 --> 00:51:38,160

it was my

1364

00:51:42,790 --> 00:51:39,760

i usually say no

1365

00:51:45,109 --> 00:51:42,800

for these things by the way but uh

1366

00:51:46,870 --> 00:51:45,119

i did it because a i trust linda and b

1367

00:51:48,309 --> 00:51:46,880

something was compelling me to go and do

1368

00:51:51,829 --> 00:51:48,319

this and i've always trusted the

1369

00:51:53,670 --> 00:51:51,839

universe to put me where i need to be

1370

00:51:55,910 --> 00:51:53,680

i literally got down on my hands and

1371

00:51:58,069 --> 00:51:55,920

knees every day

1372

00:51:59,510 --> 00:51:58,079

before i went to filming

1373

00:52:02,150 --> 00:51:59,520

and said

1374

00:52:03,109 --> 00:52:02,160

you brought me here

1375

00:52:07,829 --> 00:52:03,119

please

1376

00:52:11,510 --> 00:52:09,270

help me say

1377

00:52:13,670 --> 00:52:11,520

what i need to say what you want me to

1378

00:52:15,510 --> 00:52:13,680

say to help

1379

00:52:17,109 --> 00:52:15,520

what do what i'm supposed to do which is

1380

00:52:19,430 --> 00:52:17,119

help other people

1381

00:52:21,750 --> 00:52:19,440

so i did that i prayed every morning

1382

00:52:23,270 --> 00:52:21,760

before i left to go say those same

1383

00:52:25,349 --> 00:52:23,280

things

1384

00:52:28,150 --> 00:52:25,359

who do you pray to

1385

00:52:29,750 --> 00:52:28,160

um i believe in a higher

1386

00:52:32,069 --> 00:52:29,760

spiritual

1387

00:52:34,309 --> 00:52:32,079

power you know i believe in god i

1388

00:52:35,910 --> 00:52:34,319

believe god has many names you can call

1389

00:52:36,950 --> 00:52:35,920

god universe or whatever you want you

1390

00:52:38,309 --> 00:52:36,960

know sure

1391

00:52:39,829 --> 00:52:38,319

um

1392

00:52:42,870 --> 00:52:39,839

i also believe that there's a part of

1393

00:52:43,910 --> 00:52:42,880

that in inside of me

1394

00:52:44,950 --> 00:52:43,920

you know

1395

00:52:48,069 --> 00:52:44,960

so

1396

00:52:50,069 --> 00:52:48,079

yeah but i i think the power of

1397

00:52:52,790 --> 00:52:50,079

thought and prayer and manifestation you

1398

00:52:55,510 --> 00:52:52,800

know i'm like i tried to reach out to

1399

00:52:56,790 --> 00:52:55,520

the universe and pull in what

1400

00:52:59,990 --> 00:52:56,800

needed to be

1401
00:53:01,190 --> 00:53:00,000
brought out from me

1402
00:53:03,109 --> 00:53:01,200
so

1403
00:53:04,790 --> 00:53:03,119
yeah well thank you for doing that i

1404
00:53:07,190 --> 00:53:04,800
really appreciate it i was very brave of

1405
00:53:09,510 --> 00:53:07,200
you especially after all this time i'm

1406
00:53:11,990 --> 00:53:09,520
sure it could be you know very easy to

1407
00:53:13,349 --> 00:53:12,000
just say yeah you know what i don't need

1408
00:53:18,309 --> 00:53:13,359
to do this

1409
00:53:23,430 --> 00:53:20,870
you know but but you but you still did

1410
00:53:25,430 --> 00:53:23,440
it and you know it's people like myself

1411
00:53:28,549 --> 00:53:25,440
and people in this chat that that do

1412
00:53:30,790 --> 00:53:28,559
appreciate it i know that for certain so

1413
00:53:31,990 --> 00:53:30,800

um

1414

00:53:33,589 --> 00:53:32,000

what else

1415

00:53:35,190 --> 00:53:33,599

do you think from this movie it's fair

1416

00:53:38,069 --> 00:53:35,200

to talk about this movie

1417

00:53:41,589 --> 00:53:39,910

what do you think

1418

00:53:43,910 --> 00:53:41,599

people should take away from it other

1419

00:53:46,470 --> 00:53:43,920

than the experiencers say

1420

00:53:47,829 --> 00:53:46,480

so to speak that this is real that this

1421

00:53:48,950 --> 00:53:47,839

stuff is happening

1422

00:53:52,549 --> 00:53:48,960

that is

1423

00:53:54,870 --> 00:53:52,559

that ufo sightings and uh contact is not

1424

00:53:57,829 --> 00:53:54,880

a figment of people's imagination it's

1425

00:54:00,309 --> 00:53:57,839

real things are hap people are seeing

1426
00:54:02,390 --> 00:54:00,319
things and people and at an i think an

1427
00:54:03,589 --> 00:54:02,400
accelerated rate

1428
00:54:06,390 --> 00:54:03,599
you know

1429
00:54:08,069 --> 00:54:06,400
um i don't just think that it's because

1430
00:54:09,910 --> 00:54:08,079
we all have cell phones with cameras on

1431
00:54:11,270 --> 00:54:09,920
them now i think that there's more to it

1432
00:54:13,190 --> 00:54:11,280
than just that

1433
00:54:14,470 --> 00:54:13,200
you know we're reaching i think

1434
00:54:16,230 --> 00:54:14,480
humanity's reaching a point where

1435
00:54:17,990 --> 00:54:16,240
they're ready

1436
00:54:19,270 --> 00:54:18,000
for the most part i mean there's never

1437
00:54:20,390 --> 00:54:19,280
they're always going to be people that

1438
00:54:21,430 --> 00:54:20,400

aren't

1439

00:54:23,670 --> 00:54:21,440

yeah

1440

00:54:24,880 --> 00:54:23,680

that that's for certain i can think of

1441

00:54:28,150 --> 00:54:24,890

uh quite a few

1442

00:54:30,870 --> 00:54:28,160

[Laughter]

1443

00:54:32,230 --> 00:54:30,880

for the most part

1444

00:54:35,750 --> 00:54:32,240

yeah

1445

00:54:38,549 --> 00:54:35,760

i'm i'm

1446

00:54:43,270 --> 00:54:38,559

i'm hopeful that this movie will if

1447

00:54:48,549 --> 00:54:46,470

just open people's minds i don't expect

1448

00:54:50,390 --> 00:54:48,559

people to believe

1449

00:54:53,349 --> 00:54:50,400

things that i say

1450

00:54:55,829 --> 00:54:53,359

i have

1451
00:54:59,750 --> 00:54:57,589
if i hadn't seen and experienced it

1452
00:55:02,230 --> 00:54:59,760
myself i would also

1453
00:55:04,789 --> 00:55:02,240
question and questioning is a good thing

1454
00:55:06,710 --> 00:55:04,799
questioning is not skepticism is not bad

1455
00:55:08,950 --> 00:55:06,720
it is healthy there's a big difference

1456
00:55:11,430 --> 00:55:08,960
between being a skeptic or being a

1457
00:55:13,190 --> 00:55:11,440
debunker debunkers have an agenda and

1458
00:55:15,270 --> 00:55:13,200
it's one agenda and they don't care

1459
00:55:18,950 --> 00:55:15,280
about facts

1460
00:55:20,789 --> 00:55:18,960
they don't bother to talk to you period

1461
00:55:22,230 --> 00:55:20,799
i personally felt like i was my biggest

1462
00:55:24,710 --> 00:55:22,240
skeptic because i was always trying to

1463
00:55:26,789 --> 00:55:24,720

find a rational explanation for the

1464

00:55:27,910 --> 00:55:26,799

irrational stuff that i was experiencing

1465

00:55:29,589 --> 00:55:27,920

and seeing

1466

00:55:32,150 --> 00:55:29,599

yeah so

1467

00:55:35,750 --> 00:55:32,160

i mean uh what i first did was it you

1468

00:55:37,750 --> 00:55:35,760

know went really deep into documents and

1469

00:55:39,910 --> 00:55:37,760

i've pulled some documents and found

1470

00:55:42,230 --> 00:55:39,920

some documents that i don't think anyone

1471

00:55:44,470 --> 00:55:42,240

really has yet even here

1472

00:55:45,510 --> 00:55:44,480

and you know to try to find some sense

1473

00:55:47,910 --> 00:55:45,520

of truth

1474

00:55:49,670 --> 00:55:47,920

um and i feel like i have found enough

1475

00:55:52,390 --> 00:55:49,680

truth that something's going on i mean i

1476
00:55:53,750 --> 00:55:52,400
found over 130 military encounters from

1477
00:55:55,510 --> 00:55:53,760
the 50s

1478
00:55:58,069 --> 00:55:55,520
um the documents and everything it's

1479
00:55:59,109 --> 00:55:58,079
like so yeah something is going on so

1480
00:56:00,710 --> 00:55:59,119
from there

1481
00:56:02,549 --> 00:56:00,720
you know it makes you

1482
00:56:04,630 --> 00:56:02,559
feel a little bit better about the

1483
00:56:06,549 --> 00:56:04,640
experience you know and

1484
00:56:08,630 --> 00:56:06,559
allows you to move forward a little bit

1485
00:56:10,549 --> 00:56:08,640
because you're right you kind of are a

1486
00:56:11,829 --> 00:56:10,559
skeptic of yourself

1487
00:56:14,150 --> 00:56:11,839
are you

1488
00:56:16,309 --> 00:56:14,160

do you still

1489

00:56:18,230 --> 00:56:16,319

you know you mentioned you were kind of

1490

00:56:19,670 --> 00:56:18,240

did that too when you started and i know

1491

00:56:20,789 --> 00:56:19,680

we'll get out of here soon it's almost

1492

00:56:22,390 --> 00:56:20,799

an hour

1493

00:56:25,270 --> 00:56:22,400

you did that in your own way when you

1494

00:56:28,789 --> 00:56:25,280

started um you know uh works tried to

1495

00:56:34,150 --> 00:56:31,990

looking back was it was that um

1496

00:56:37,109 --> 00:56:34,160

beneficial is that a good idea

1497

00:56:39,030 --> 00:56:37,119

not a good idea either way is fine well

1498

00:56:40,390 --> 00:56:39,040

i think everyone is different and

1499

00:56:42,069 --> 00:56:40,400

everybody has their own journey and

1500

00:56:43,670 --> 00:56:42,079

their own way of doing things for

1501
00:56:44,630 --> 00:56:43,680
themselves and they know what works for

1502
00:56:47,270 --> 00:56:44,640
them

1503
00:56:49,270 --> 00:56:47,280
i knew that i couldn't live the rest of

1504
00:56:50,789 --> 00:56:49,280
my life being afraid

1505
00:56:52,789 --> 00:56:50,799
because

1506
00:56:54,309 --> 00:56:52,799
when you're afraid of everything you're

1507
00:56:57,750 --> 00:56:54,319
not living

1508
00:57:01,030 --> 00:56:57,760
and i wanted to make the most of

1509
00:57:03,190 --> 00:57:01,040
the time i have here

1510
00:57:05,670 --> 00:57:03,200
on this planet in this in this world in

1511
00:57:07,430 --> 00:57:05,680
this life before i move on to wherever

1512
00:57:08,870 --> 00:57:07,440
i'm going or whatever

1513
00:57:11,109 --> 00:57:08,880

you know i'm gonna do

1514

00:57:12,789 --> 00:57:11,119

and so for me

1515

00:57:16,710 --> 00:57:12,799

um

1516

00:57:18,710 --> 00:57:16,720

there was no other option but to

1517

00:57:21,270 --> 00:57:18,720

you know

1518

00:57:24,069 --> 00:57:21,280

learn as much as i can can about it and

1519

00:57:25,270 --> 00:57:24,079

uh try to find meaning in it for myself

1520

00:57:27,109 --> 00:57:25,280

and for

1521

00:57:28,549 --> 00:57:27,119

the bigger picture and try to find my

1522

00:57:30,789 --> 00:57:28,559

place in the bigger picture i mean

1523

00:57:33,349 --> 00:57:30,799

that's that's that was just there was no

1524

00:57:35,990 --> 00:57:33,359

other option that was why i was born

1525

00:57:37,589 --> 00:57:36,000

yeah you know and i feel you found it

1526

00:57:39,990 --> 00:57:37,599

i believe i found

1527

00:57:42,789 --> 00:57:40,000

some of it i believe i'm still a work in

1528

00:57:44,390 --> 00:57:42,799

progress until the day i die i'm going

1529

00:57:46,150 --> 00:57:44,400

to continue to learn

1530

00:57:47,349 --> 00:57:46,160

about the world around me and about

1531

00:57:49,589 --> 00:57:47,359

myself

1532

00:57:51,910 --> 00:57:49,599

you know my only hope

1533

00:57:54,789 --> 00:57:51,920

my main hope is that i can help someone

1534

00:57:58,150 --> 00:57:54,799

else on this same journey that i'm going

1535

00:58:00,630 --> 00:57:58,160

on now whether it's by watching me and

1536

00:58:04,470 --> 00:58:00,640

by example or whether i if i can take

1537

00:58:09,109 --> 00:58:04,480

your hand and carry you with me you know

1538

00:58:13,910 --> 00:58:11,510

i will sure do that you can you can

1539

00:58:14,630 --> 00:58:13,920

write me at my website and well you get

1540

00:58:16,950 --> 00:58:14,640

my

1541

00:58:19,990 --> 00:58:16,960

phone numbers yeah oh i get the general

1542

00:58:22,950 --> 00:58:20,000

website email info it

1543

00:58:25,190 --> 00:58:22,960

debra oh that's garbage

1544

00:58:26,630 --> 00:58:25,200

yeah you have my phone number i'm just

1545

00:58:28,230 --> 00:58:26,640

kidding yeah

1546

00:58:31,270 --> 00:58:28,240

um

1547

00:58:35,030 --> 00:58:31,280

well it i like to do this with a

1548

00:58:36,950 --> 00:58:35,040

first-time guest um at at the end of uh

1549

00:58:38,950 --> 00:58:36,960

the show it you know

1550

00:58:40,390 --> 00:58:38,960

and it's just give you the floor

1551

00:58:42,710 --> 00:58:40,400

basically if there's anything you want

1552

00:58:45,349 --> 00:58:42,720

to say anything you you know want to

1553

00:58:47,589 --> 00:58:45,359

make sure you touch on or any advice you

1554

00:58:48,950 --> 00:58:47,599

want to give to the ufo community it's

1555

00:58:51,349 --> 00:58:48,960

up to you

1556

00:58:52,789 --> 00:58:51,359

well i want to give my website address

1557

00:58:55,670 --> 00:58:52,799

for all the people out there who've had

1558

00:58:57,910 --> 00:58:55,680

experiences who would like someone

1559

00:58:58,670 --> 00:58:57,920

to talk to or have an ear and it's

1560

00:59:02,309 --> 00:58:58,680

called

1561

00:59:04,870 --> 00:59:02,319

debshome.com d-e-b-s-h-o-m-e.com

1562

00:59:07,190 --> 00:59:04,880

we have a lot my husband is my webmaster

1563

00:59:08,710 --> 00:59:07,200

we've had this website for

1564

00:59:11,589 --> 00:59:08,720

25 years

1565

00:59:13,589 --> 00:59:11,599

um a lot of information on there i'm

1566

00:59:15,910 --> 00:59:13,599

trying to now that i'm retired i'm gonna

1567

00:59:17,030 --> 00:59:15,920

put more personal content on it

1568

00:59:19,109 --> 00:59:17,040

um

1569

00:59:20,789 --> 00:59:19,119

and uh

1570

00:59:22,390 --> 00:59:20,799

you know there's a place where you can

1571

00:59:24,390 --> 00:59:22,400

to email me write to me if you want to

1572

00:59:26,789 --> 00:59:24,400

share your experiences with me

1573

00:59:28,150 --> 00:59:26,799

um if i can help you in any way i will

1574

00:59:30,390 --> 00:59:28,160

do my best

1575

00:59:32,630 --> 00:59:30,400

and sometimes you know i don't have any

1576

00:59:34,150 --> 00:59:32,640

answers but i have a great ear

1577

00:59:38,630 --> 00:59:34,160

i'm a great listener

1578

00:59:44,069 --> 00:59:41,750

a friend of mine says cosmic hugs yeah

1579

00:59:45,109 --> 00:59:44,079

yes got some goods

1580

00:59:46,710 --> 00:59:45,119

all right

1581

00:59:48,549 --> 00:59:46,720

uh well i had a great time talking to

1582

00:59:50,710 --> 00:59:48,559

you i really did you're a wonderful

1583

00:59:52,870 --> 00:59:50,720

person um thank you very much i

1584

00:59:54,950 --> 00:59:52,880

appreciate the the

1585

00:59:57,270 --> 00:59:54,960

invite and uh

1586

01:00:00,069 --> 00:59:57,280

yeah yeah means a lot to me

1587

01:00:02,470 --> 01:00:00,079

my pleasure i i hope uh you know maybe

1588

01:00:04,870 --> 01:00:02,480

we can talk again uh sooner than later i

1589

01:00:07,910 --> 01:00:04,880

wouldn't mind that either so absolutely

1590

01:00:10,150 --> 01:00:07,920

anytime all right have a great rest of

1591

01:00:11,430 --> 01:00:10,160

the night i hope you win whatever games

1592

01:00:13,030 --> 01:00:11,440

you're playing

1593

01:00:15,589 --> 01:00:13,040

just um

1594

01:00:17,829 --> 01:00:15,599

you know just be be uh mindful of that

1595

01:00:19,190 --> 01:00:17,839

body sack and get it

1596

01:00:21,190 --> 01:00:19,200

i'm just kidding

1597

01:00:24,230 --> 01:00:21,200

don't pull a new band right

1598

01:00:26,069 --> 01:00:24,240

yeah meat bag i said body suck i'd watch

1599

01:00:28,710 --> 01:00:26,079

that one all right

1600

01:00:32,390 --> 01:00:28,720

all right take care debra you too all

1601
01:00:38,309 --> 01:00:36,710
all right well that was fantastic i had

1602
01:00:40,870 --> 01:00:38,319
a great conversation with her she's a

1603
01:00:42,549 --> 01:00:40,880
great person um

1604
01:00:44,470 --> 01:00:42,559
you know and it's it's really nice to

1605
01:00:50,390 --> 01:00:44,480
put

1606
01:00:52,069 --> 01:00:50,400
you know compassionate real um people

1607
01:00:53,750 --> 01:00:52,079
um to

1608
01:00:54,870 --> 01:00:53,760
some of the stories that people hear and

1609
01:00:58,069 --> 01:00:54,880
maybe they're

1610
01:01:00,789 --> 01:00:58,079
you know not so knowledgeable of

1611
01:01:03,829 --> 01:01:00,799
the who what where and and when and why

1612
01:01:06,230 --> 01:01:03,839
um because i think

1613
01:01:07,670 --> 01:01:06,240

you know it's it always happens this way

1614

01:01:10,789 --> 01:01:07,680

right yo

1615

01:01:13,990 --> 01:01:10,799

not me or well me in other ways but

1616

01:01:18,309 --> 01:01:14,000

people always seem to judge one another

1617

01:01:22,549 --> 01:01:20,390

and emotions

1618

01:01:24,150 --> 01:01:22,559

are felt

1619

01:01:25,510 --> 01:01:24,160

and all of a sudden those judgments kind

1620

01:01:27,030 --> 01:01:25,520

of melt away

1621

01:01:29,910 --> 01:01:27,040

and you see the person for who they

1622

01:01:31,589 --> 01:01:29,920

really are which is a human being

1623

01:01:32,789 --> 01:01:31,599

you know

1624

01:01:34,230 --> 01:01:32,799

um

1625

01:01:37,589 --> 01:01:34,240

and so i think that's important what

1626

01:01:41,430 --> 01:01:37,599

she's doing and i'm happy she's doing it

1627

01:01:45,589 --> 01:01:43,190

um

1628

01:01:47,990 --> 01:01:45,599

yeah and i hope that kind of thing moves

1629

01:01:50,789 --> 01:01:48,000

forward so

1630

01:01:52,630 --> 01:01:50,799

we can't let people who make experiences

1631

01:01:54,069 --> 01:01:52,640

feel bad win

1632

01:01:55,829 --> 01:01:54,079

right

1633

01:01:57,190 --> 01:01:55,839

gotta keep doing our thing keeping our

1634

01:01:58,789 --> 01:01:57,200

composure

1635

01:02:01,430 --> 01:01:58,799

stay loving

1636

01:02:04,309 --> 01:02:01,440

stay skeptical

1637

01:02:07,670 --> 01:02:04,319

that being said i really appreciate

1638

01:02:10,150 --> 01:02:07,680

everybody here i had such a great time

1639

01:02:13,109 --> 01:02:10,160

um second

1640

01:02:14,309 --> 01:02:13,119

second slot today um i'm gonna try my

1641

01:02:17,349 --> 01:02:14,319

hardest

1642

01:02:19,670 --> 01:02:17,359

to take off until monday

1643

01:02:20,950 --> 01:02:19,680

um which will be the first night with

1644

01:02:24,150 --> 01:02:20,960

priscilla

1645

01:02:25,589 --> 01:02:24,160

uh quantum wish full-time co-host so i'm

1646

01:02:29,270 --> 01:02:25,599

looking forward to that

1647

01:02:29,280 --> 01:02:32,829

ain't got nothing left to say

1648

01:02:37,990 --> 01:02:35,910

um but it's time to go watch the movie

1649

01:02:39,829 --> 01:02:38,000

that's what you should do now right um

1650

01:02:41,029 --> 01:02:39,839

and i guess jimmy church i i saw

1651

01:02:42,870 --> 01:02:41,039

somebody commenting here's gonna have

1652

01:02:45,349 --> 01:02:42,880

the whole cast and crew

1653

01:02:47,589 --> 01:02:45,359

um so that's pretty cool

1654

01:02:49,430 --> 01:02:47,599

so but yeah with that being said

1655

01:02:52,710 --> 01:02:49,440

um

1656

01:02:55,109 --> 01:02:52,720

have a great weekend have a great friday

1657

01:02:57,109 --> 01:02:55,119

have a great time

1658

01:02:58,950 --> 01:02:57,119

um really enjoy you guys really

1659

01:03:01,670 --> 01:02:58,960

appreciate you guys very much like the

1660

01:03:03,829 --> 01:03:01,680

video you know share it um subscribe to

1661

01:03:07,270 --> 01:03:03,839

the channel if you can

1662

01:03:09,589 --> 01:03:07,280

um that stuff is really the only thing

1663

01:03:10,630 --> 01:03:09,599

i'm concerned with

1664

01:03:14,710 --> 01:03:10,640

so

1665

01:03:17,270 --> 01:03:14,720

um and y'all have a good evening and

1666

01:03:20,710 --> 01:03:17,280

since i got some kudos

1667

01:03:28,690 --> 01:03:20,720

on the video from a couple people today
