

IMMEDIATE RELEASE

DoD Announces the Establishment of the Airborne Object Identification and Management Synchronization Group (AOIMSG)

NOV. 23, 2021

1
00:00:00,000 --> 00:00:15,910
[Music]

2
00:00:15,920 --> 00:00:20,070
i'm factually anomalous

3
00:00:20,080 --> 00:00:24,710
i believe it regardless

4
00:00:24,720 --> 00:00:28,950
actually some sympathy

5
00:00:28,960 --> 00:00:33,430
i'm weak in my knees

6
00:00:37,350 --> 00:00:35,340
teaching hypocrisy

7
00:00:39,230 --> 00:00:37,360
[Music]

8
00:00:41,750 --> 00:00:39,240
well it seems so lovely

9
00:00:43,980 --> 00:00:41,760
[Music]

10
00:00:46,389 --> 00:00:43,990
it's a mixed up situation

11
00:01:11,690 --> 00:00:46,399
[Music]

12
00:01:20,310 --> 00:01:11,700
when will the two kids grow

13
00:01:20,320 --> 00:01:34,469

[Music]

14

00:01:44,150 --> 00:01:37,640

when will the clue

15

00:01:57,590 --> 00:01:49,600

[Music]

16

00:01:57,600 --> 00:02:02,149

yeah i'm judging a friend

17

00:02:06,389 --> 00:02:04,400

before i press in

18

00:02:10,710 --> 00:02:06,399

[Music]

19

00:02:10,720 --> 00:02:15,030

but i can't think of when

20

00:02:15,040 --> 00:02:25,510

there will be no end

21

00:02:33,190 --> 00:02:28,869

when the time comes

22

00:02:33,200 --> 00:02:42,550

it's a strong

23

00:02:46,309 --> 00:02:43,990

is that the way it shouldn't be

24

00:02:48,390 --> 00:02:46,319

[Music]

25

00:02:56,680 --> 00:02:48,400

i'm judging a friend

26

00:03:13,280 --> 00:03:00,190

[Music]

27

00:03:29,990 --> 00:03:13,290

blew

28

00:03:50,949 --> 00:03:30,000

[Music]

29

00:03:50,959 --> 00:03:54,149

what's up everybody

30

00:03:58,550 --> 00:03:56,949

when will the cool kids grow up

31

00:04:00,630 --> 00:03:58,560

you know that's written about all those

32

00:04:04,070 --> 00:04:00,640

emma effers who

33

00:04:07,429 --> 00:04:04,080

you know put stigma on this topic

34

00:04:09,350 --> 00:04:07,439

who don't think that we can do anything

35

00:04:11,670 --> 00:04:09,360

to have our voices heard

36

00:04:13,509 --> 00:04:11,680

those are the cool kids and when will

37

00:04:15,270 --> 00:04:13,519

they show up

38

00:04:19,110 --> 00:04:15,280

when they grow up

39

00:04:20,469 --> 00:04:19,120

um so yeah i've had some time off so

40

00:04:23,590 --> 00:04:20,479

um

41

00:04:24,950 --> 00:04:23,600

you know because of some personal stuff

42

00:04:26,070 --> 00:04:24,960

um

43

00:04:28,469 --> 00:04:26,080

but

44

00:04:30,550 --> 00:04:28,479

you know a lot's happening right now so

45

00:04:33,430 --> 00:04:30,560

i wanted to

46

00:04:34,390 --> 00:04:33,440

um be here for that because you know

47

00:04:36,870 --> 00:04:34,400

really

48

00:04:38,070 --> 00:04:36,880

that's why i'm here

49

00:04:41,350 --> 00:04:38,080

um

50

00:04:43,670 --> 00:04:41,360

yes astro

51
00:04:46,310 --> 00:04:43,680
good to see you too robert

52
00:04:48,550 --> 00:04:46,320
bow tie you got that right

53
00:04:49,990 --> 00:04:48,560
dab a man with the depth of plan you're

54
00:04:52,150 --> 00:04:50,000
showing up for business you got to do

55
00:04:54,390 --> 00:04:52,160
some work

56
00:04:56,629 --> 00:04:54,400
great intro i appreciate it i wrote that

57
00:04:59,670 --> 00:04:56,639
song um

58
00:05:02,230 --> 00:04:59,680
not too long ago i really liked that one

59
00:05:04,070 --> 00:05:02,240
by the way um i have enough to put out

60
00:05:05,350 --> 00:05:04,080
an album so i think i'll be doing that

61
00:05:07,430 --> 00:05:05,360
soon

62
00:05:09,430 --> 00:05:07,440
this song slaps thanks brother i

63
00:05:12,230 --> 00:05:09,440

appreciate that very much

64

00:05:13,749 --> 00:05:12,240

um hello to everybody who is here

65

00:05:14,629 --> 00:05:13,759

supporting this show

66

00:05:17,430 --> 00:05:14,639

and

67

00:05:19,430 --> 00:05:17,440

um the analysis we're gonna do in the

68

00:05:20,469 --> 00:05:19,440

bit of activism we're gonna do

69

00:05:23,990 --> 00:05:20,479

um

70

00:05:25,110 --> 00:05:24,000

we have jos uh salon hairless primate

71

00:05:27,270 --> 00:05:25,120

robert

72

00:05:31,830 --> 00:05:27,280

uh dope nose

73

00:05:33,990 --> 00:05:31,840

uh benji everybody um laura rodrigo

74

00:05:35,909 --> 00:05:34,000

i really appreciate it my court my

75

00:05:37,270 --> 00:05:35,919

portugal buddy

76

00:05:39,590 --> 00:05:37,280

thank you so much

77

00:05:44,950 --> 00:05:39,600

um okay so

78

00:05:49,749 --> 00:05:48,310

i wouldn't say that if i were you

79

00:05:52,950 --> 00:05:49,759

no i'm just kidding

80

00:05:55,430 --> 00:05:52,960

um so what we're gonna do here is call

81

00:05:55,440 --> 00:06:00,550

um ron johnson and i'm gonna use

82

00:06:05,909 --> 00:06:02,469

a template

83

00:06:08,390 --> 00:06:05,919

that you can find on ucr unidentified

84

00:06:09,749 --> 00:06:08,400

celebrity reviews website

85

00:06:14,150 --> 00:06:09,759

or

86

00:06:18,150 --> 00:06:15,909

um well i guess maybe i should first

87

00:06:23,990 --> 00:06:18,160

preface myself why i'm doing this right

88

00:06:27,430 --> 00:06:25,830

too late now

89

00:06:30,950 --> 00:06:27,440

thank you for calling my senator so

90

00:06:34,469 --> 00:06:32,790

phone's down

91

00:06:35,909 --> 00:06:34,479

oh yeah your viewpoint will be recorded

92

00:06:37,110 --> 00:06:35,919

for my review

93

00:06:39,830 --> 00:06:37,120

if you are calling for personal

94

00:06:41,350 --> 00:06:39,840

assistance please leave an email address

95

00:06:43,749 --> 00:06:41,360

in addition to your name and phone

96

00:06:47,110 --> 00:06:43,759

number so my staff can better assist you

97

00:06:48,790 --> 00:06:47,120

also visit my website at

98

00:06:51,029 --> 00:06:48,800

gov ronjohnson.senate.gov visit senator

99

00:06:52,870 --> 00:06:51,039

ron johnson on social media to stay up

100

00:06:56,150 --> 00:06:52,880

to date on the latest information have a

101
00:07:02,710 --> 00:06:59,589
uh dear senator johnson uh the inability

102
00:07:05,110 --> 00:07:02,720
of usdi to engage effectively on the uap

103
00:07:08,710 --> 00:07:05,120
issue is why so little has changed or

104
00:07:10,629 --> 00:07:08,720
been accomplished since 2004 yet

105
00:07:12,710 --> 00:07:10,639
when the deputy secretary of defense

106
00:07:15,270 --> 00:07:12,720
asked the usdi staff to make

107
00:07:17,990 --> 00:07:15,280
recommendations to improve the process

108
00:07:20,070 --> 00:07:18,000
usdi recommended itself

109
00:07:21,830 --> 00:07:20,080
uh despite the fact it is merely an

110
00:07:25,110 --> 00:07:21,840
advisory staff rather than an

111
00:07:28,230 --> 00:07:25,120
organization with technical managerial

112
00:07:30,230 --> 00:07:28,240
contracting or collection resources

113
00:07:33,350 --> 00:07:30,240

and authorities if congress decides to

114

00:07:35,029 --> 00:07:33,360

reward usdi's past failures

115

00:07:37,830 --> 00:07:35,039

the least it could do is demand some

116

00:07:39,110 --> 00:07:37,840

performance and progress toward critical

117

00:07:41,909 --> 00:07:39,120

objectives

118

00:07:43,749 --> 00:07:41,919

uh i do appreciate appreciate your time

119

00:07:48,629 --> 00:07:43,759

and i look forward to hearing from you

120

00:07:52,230 --> 00:07:50,070

okay

121

00:07:54,150 --> 00:07:52,240

so there we go

122

00:07:56,869 --> 00:07:54,160

that's a call

123

00:07:59,189 --> 00:07:56,879

that is a call so

124

00:08:01,350 --> 00:07:59,199

look up your representative

125

00:08:03,430 --> 00:08:01,360

make that call or you can send an email

126
00:08:06,230 --> 00:08:03,440
if you don't want to make a call

127
00:08:08,550 --> 00:08:06,240
templates are all over online right now

128
00:08:11,670 --> 00:08:08,560
an identified celebrity review seems to

129
00:08:14,550 --> 00:08:11,680
be the spot for that

130
00:08:16,550 --> 00:08:14,560
so check that out and do it

131
00:08:17,430 --> 00:08:16,560
um here's

132
00:08:19,909 --> 00:08:17,440
why

133
00:08:23,110 --> 00:08:19,919
i'm saying that

134
00:08:26,629 --> 00:08:23,120
so first of all we

135
00:08:31,990 --> 00:08:26,639
had senator gillibrand um put forth a

136
00:08:36,709 --> 00:08:34,550
uh a great amendment

137
00:08:38,949 --> 00:08:36,719
for astro right where it was going to be

138
00:08:41,190 --> 00:08:38,959

pretty well rounded right they were

139

00:08:41,990 --> 00:08:41,200

going to have

140

00:08:44,070 --> 00:08:42,000

um

141

00:08:45,990 --> 00:08:44,080

public reports available well that was

142

00:08:47,590 --> 00:08:46,000

part of the priority and they were also

143

00:08:49,190 --> 00:08:47,600

looking at everything from the trans

144

00:08:49,990 --> 00:08:49,200

medium crafts

145

00:08:53,670 --> 00:08:50,000

to

146

00:08:55,030 --> 00:08:53,680

you know just aerial stuff

147

00:08:57,350 --> 00:08:55,040

and they understood what it was going to

148

00:09:00,949 --> 00:08:57,360

be right project galileo was getting

149

00:09:03,190 --> 00:09:00,959

involved which is awesome um

150

00:09:05,990 --> 00:09:03,200

i believe it was the

151
00:09:07,590 --> 00:09:06,000
scientific coalition for uap studies was

152
00:09:08,710 --> 00:09:07,600
getting involved

153
00:09:10,310 --> 00:09:08,720
and they were all going to pick some

154
00:09:12,389 --> 00:09:10,320
representatives and that's still not off

155
00:09:13,990 --> 00:09:12,399
the table but that's why we're making

156
00:09:16,070 --> 00:09:14,000
these calls because now is the time to

157
00:09:18,630 --> 00:09:16,080
make those calls before that decision is

158
00:09:20,949 --> 00:09:18,640
made it has bipartisan support from one

159
00:09:26,310 --> 00:09:20,959
lindsey graham

160
00:09:32,550 --> 00:09:27,190
that's

161
00:09:37,590 --> 00:09:34,389
but i have to say

162
00:09:41,030 --> 00:09:37,600
um and for those of you

163
00:09:44,790 --> 00:09:41,040

who are unaware of this

164

00:09:44,800 --> 00:09:48,150

that came out

165

00:09:51,590 --> 00:09:49,509

and

166

00:09:53,509 --> 00:09:51,600

i learned about it first

167

00:09:56,230 --> 00:09:53,519

from john greenwald tweeted the

168

00:09:59,670 --> 00:09:57,990

so if you want to read it for yourself

169

00:10:01,590 --> 00:09:59,680

you can go on his website and look at it

170

00:10:03,509 --> 00:10:01,600

otherwise i'll wind up bringing it up

171

00:10:05,509 --> 00:10:03,519

eventually

172

00:10:06,949 --> 00:10:05,519

so here we go

173

00:10:10,630 --> 00:10:06,959

and then i looked at

174

00:10:12,790 --> 00:10:10,640

um mr brian bender's uh twitter he's a

175

00:10:14,949 --> 00:10:12,800

writer for political

176

00:10:17,509 --> 00:10:14,959

just to kind of get a feel for what was

177

00:10:22,230 --> 00:10:19,190

uh because he seemed to have this scoop

178

00:10:23,910 --> 00:10:22,240

here so he said he spoke to

179

00:10:26,150 --> 00:10:23,920

uh ruben this morning about the memo

180

00:10:27,910 --> 00:10:26,160

last night from department secretary

181

00:10:30,829 --> 00:10:27,920

defense memo creating a new pentagon

182

00:10:32,630 --> 00:10:30,839

offices study uap so this is

183

00:10:34,550 --> 00:10:32,640

different

184

00:10:36,150 --> 00:10:34,560

oh i had to look that word up because i

185

00:10:39,829 --> 00:10:36,160

wasn't sure what it meant

186

00:10:41,670 --> 00:10:39,839

it it meant what i assumed but

187

00:10:43,269 --> 00:10:41,680

he maintains it as a sign that the issue

188

00:10:46,150 --> 00:10:43,279

is being taken more seriously but it

189

00:10:48,870 --> 00:10:46,160

does not um i didn't look how to say it

190

00:10:50,790 --> 00:10:48,880

abbreviate the need for legislation to

191

00:10:52,790 --> 00:10:50,800

provide more authorities and resources

192

00:10:55,509 --> 00:10:52,800

and direction so basically this is

193

00:10:58,069 --> 00:10:55,519

saying that they they still feel um that

194

00:11:00,389 --> 00:10:58,079

they have a need for astro and if astro

195

00:11:03,430 --> 00:11:00,399

passes that's legislation that's law

196

00:11:06,949 --> 00:11:03,440

right so that's great

197

00:11:11,910 --> 00:11:09,350

but the reason this uh tweet came out is

198

00:11:14,630 --> 00:11:11,920

because of

199

00:11:15,430 --> 00:11:14,640

i'm gonna bring that up to that memo

200

00:11:18,630 --> 00:11:15,440

where

201
00:11:20,790 --> 00:11:18,640
uh basically the state department

202
00:11:23,030 --> 00:11:20,800
decided to

203
00:11:25,269 --> 00:11:23,040
put together their own office

204
00:11:26,829 --> 00:11:25,279
that has

205
00:11:29,670 --> 00:11:26,839
you know direct

206
00:11:32,550 --> 00:11:29,680
authority over all

207
00:11:33,990 --> 00:11:32,560
the uap stuff right and it's kind of

208
00:11:36,790 --> 00:11:34,000
unfortunate because in the name they

209
00:11:39,110 --> 00:11:36,800
just call it um

210
00:11:41,350 --> 00:11:39,120
in the name it

211
00:11:42,790 --> 00:11:41,360
is called airborne so right away they're

212
00:11:45,829 --> 00:11:42,800
getting it wrong because they're not

213
00:11:48,389 --> 00:11:45,839

including transmedium

214

00:11:52,710 --> 00:11:48,399

or usos

215

00:11:56,389 --> 00:11:54,310

and you you know you think it would be

216

00:11:58,310 --> 00:11:56,399

positive the director

217

00:12:00,710 --> 00:11:58,320

so it's called something pretty silly

218

00:12:02,550 --> 00:12:00,720

too aoi msg

219

00:12:06,629 --> 00:12:02,560

which i don't know if maybe that's a

220

00:12:09,430 --> 00:12:06,639

different kind of msg sauce or something

221

00:12:11,509 --> 00:12:09,440

that was a really terrible joke but

222

00:12:14,389 --> 00:12:11,519

a memorandum for senior pentagon

223

00:12:19,750 --> 00:12:14,399

leadership commanders so basically what

224

00:12:28,870 --> 00:12:21,670

is

225

00:12:30,550 --> 00:12:28,880

they're getting in here

226

00:12:32,870 --> 00:12:30,560

putting this together

227

00:12:34,389 --> 00:12:32,880

watering it down

228

00:12:37,990 --> 00:12:34,399

so they can have it going already

229

00:12:40,949 --> 00:12:38,000

probably so that representatives maybe

230

00:12:42,710 --> 00:12:40,959

don't feel the need as much to back

231

00:12:44,870 --> 00:12:42,720

astral

232

00:12:54,389 --> 00:12:44,880

possibly

233

00:13:01,670 --> 00:12:58,230

and that is very unfortunate because the

234

00:13:01,680 --> 00:13:05,110

osd dod

235

00:13:10,389 --> 00:13:07,590

they are the very groups that have

236

00:13:12,550 --> 00:13:10,399

really held secrecy over this

237

00:13:14,710 --> 00:13:12,560

for so long

238

00:13:17,269 --> 00:13:14,720

if you watch this show

239

00:13:19,750 --> 00:13:17,279

um we know it's you know from at least

240

00:13:21,910 --> 00:13:19,760

47.

241

00:13:23,670 --> 00:13:21,920

and i'm not let's not even throw roswell

242

00:13:25,430 --> 00:13:23,680

on there screw roswell we don't even

243

00:13:27,430 --> 00:13:25,440

need roswell

244

00:13:30,949 --> 00:13:27,440

okay

245

00:13:34,150 --> 00:13:31,990

um

246

00:13:35,750 --> 00:13:34,160

kevin arnold kevin arnold from wayne's

247

00:13:37,670 --> 00:13:35,760

world uh

248

00:13:42,870 --> 00:13:37,680

wonder years

249

00:13:42,880 --> 00:13:45,990

so many

250

00:13:49,350 --> 00:13:46,829

i have

251
00:13:51,350 --> 00:13:49,360
125 military

252
00:13:52,310 --> 00:13:51,360
uap encounters

253
00:13:54,150 --> 00:13:52,320
with

254
00:13:57,910 --> 00:13:54,160
that are documented by the government

255
00:14:00,710 --> 00:13:57,920
from af osi documents on my website

256
00:14:05,590 --> 00:14:00,720
military encounters

257
00:14:05,600 --> 00:14:09,110
civil servants

258
00:14:09,120 --> 00:14:12,870
you know

259
00:14:12,880 --> 00:14:17,189
so

260
00:14:21,590 --> 00:14:19,189
and a couple other interesting things

261
00:14:22,470 --> 00:14:21,600
came up and i don't know what the

262
00:14:24,470 --> 00:14:22,480
uh

263
00:14:26,790 --> 00:14:24,480

truth is here to this

264

00:14:29,030 --> 00:14:26,800

um but what i am also going to do i'll

265

00:14:31,910 --> 00:14:29,040

get to that i guess but what i also want

266

00:14:34,629 --> 00:14:31,920

to do is highlight some of the

267

00:14:36,629 --> 00:14:34,639

information that has come out today from

268

00:14:39,430 --> 00:14:36,639

particulars

269

00:14:40,949 --> 00:14:39,440

um one of my

270

00:14:43,350 --> 00:14:40,959

great friends of show

271

00:14:47,509 --> 00:14:43,360

love this dude um he says well i've

272

00:14:51,430 --> 00:14:50,389

it is apparent there are serious efforts

273

00:14:53,430 --> 00:14:51,440

in u.s

274

00:14:56,069 --> 00:14:53,440

u.s government bureaucracy to stifle

275

00:14:58,790 --> 00:14:56,079

ongoing transparency not all

276

00:14:59,990 --> 00:14:58,800

uh entering this stream have benevolent

277

00:15:01,910 --> 00:15:00,000

intentions

278

00:15:06,629 --> 00:15:01,920

it's imperative to maintain balance and

279

00:15:13,509 --> 00:15:09,350

so what he's saying is

280

00:15:17,189 --> 00:15:13,519

some folks are good some folks are bad

281

00:15:19,430 --> 00:15:17,199

but there is an apparent uh effort

282

00:15:22,790 --> 00:15:19,440

to stifle ongoing transparency why does

283

00:15:26,470 --> 00:15:22,800

he say that well astro calls for some of

284

00:15:29,030 --> 00:15:26,480

the reports to be public

285

00:15:34,949 --> 00:15:29,040

this uh msg sauce

286

00:15:41,110 --> 00:15:37,990

well there's also wonder years yep

287

00:15:43,350 --> 00:15:41,120

kevin arnold

288

00:15:45,110 --> 00:15:43,360

he loved that winnie girl

289

00:15:48,230 --> 00:15:45,120

he sure did

290

00:15:51,110 --> 00:15:48,240

um the other thing so

291

00:15:56,069 --> 00:15:51,120

i know this may be confusing or get

292

00:16:02,150 --> 00:15:58,710

but the msgs

293

00:16:06,389 --> 00:16:04,870

they're only concerned about special use

294

00:16:09,030 --> 00:16:06,399

airspace

295

00:16:10,629 --> 00:16:09,040

so they'll only investigate first of all

296

00:16:12,949 --> 00:16:10,639

if it's uh

297

00:16:14,550 --> 00:16:12,959

in the air

298

00:16:16,790 --> 00:16:14,560

and second of all if it's in this

299

00:16:18,069 --> 00:16:16,800

special use airspace so

300

00:16:19,910 --> 00:16:18,079

um just to

301
00:16:21,990 --> 00:16:19,920
let you know what that is quick

302
00:16:24,310 --> 00:16:22,000
consists of the airspace wherein

303
00:16:26,470 --> 00:16:24,320
activities must be confined confined

304
00:16:29,110 --> 00:16:26,480
because of their nature or wherein

305
00:16:31,110 --> 00:16:29,120
limitations are imposed upon aircraft

306
00:16:33,350 --> 00:16:31,120
operations that are not of those

307
00:16:35,509 --> 00:16:33,360
activities or both sua areas are

308
00:16:36,949 --> 00:16:35,519
depicted on aeronautical charts except

309
00:16:38,470 --> 00:16:36,959
so basically it's

310
00:16:40,949 --> 00:16:38,480
you know they're training missions and

311
00:16:41,829 --> 00:16:40,959
anything else special

312
00:16:43,269 --> 00:16:41,839
um

313
00:16:45,030 --> 00:16:43,279

that they want to do in a particular

314

00:16:47,509 --> 00:16:45,040

airspace

315

00:16:49,749 --> 00:16:47,519

businesses and everything can

316

00:16:51,030 --> 00:16:49,759

i guess apply for special use airspace

317

00:16:53,749 --> 00:16:51,040

too

318

00:16:55,590 --> 00:16:53,759

faa you can let people go through the

319

00:16:56,710 --> 00:16:55,600

special airspace if

320

00:16:58,949 --> 00:16:56,720

there's

321

00:17:01,910 --> 00:16:58,959

you know enough justification but you

322

00:17:07,189 --> 00:17:03,030

it's

323

00:17:09,829 --> 00:17:07,199

down and yes avril as i've

324

00:17:14,789 --> 00:17:09,839

mentioned a couple times now

325

00:17:19,510 --> 00:17:16,069

you know and there was a comment from

326

00:17:20,470 --> 00:17:19,520

somebody um on twitter about um

327

00:17:23,909 --> 00:17:20,480

you know

328

00:17:26,309 --> 00:17:23,919

thinking it was funny that people are um

329

00:17:28,230 --> 00:17:26,319

you know arguing here talking about who

330

00:17:29,190 --> 00:17:28,240

is going to be looking into this stuff

331

00:17:33,669 --> 00:17:29,200

right

332

00:17:35,830 --> 00:17:33,679

and i made the point well one group

333

00:17:37,590 --> 00:17:35,840

wants so far once do you have some

334

00:17:38,390 --> 00:17:37,600

public transparency or the other does

335

00:17:40,870 --> 00:17:38,400

not

336

00:17:44,630 --> 00:17:40,880

and i heard once

337

00:17:46,549 --> 00:17:44,640

and will are different

338

00:17:49,830 --> 00:17:46,559

and basically the person doesn't believe

339

00:17:52,789 --> 00:17:49,840

that um this would ever happen that

340

00:17:53,590 --> 00:17:52,799

once would never happen wanting to make

341

00:17:55,990 --> 00:17:53,600

this

342

00:18:00,950 --> 00:17:56,000

um anything transparent would never

343

00:18:00,960 --> 00:18:05,430

you know

344

00:18:05,440 --> 00:18:10,549

and what i say to that is

345

00:18:15,190 --> 00:18:12,870

you know basically

346

00:18:17,110 --> 00:18:15,200

you can't give up

347

00:18:19,510 --> 00:18:17,120

you know can't give up because

348

00:18:22,070 --> 00:18:19,520

precedence says or in history it's never

349

00:18:24,070 --> 00:18:22,080

happened or whatever so how many of the

350

00:18:26,230 --> 00:18:24,080

things in history have never happened

351
00:18:31,029 --> 00:18:26,240
that would be great if they did happen

352
00:18:31,039 --> 00:18:39,350
uap transparency is worth fighting for

353
00:18:44,950 --> 00:18:40,390
you know

354
00:18:46,789 --> 00:18:44,960
whatever these things are they owe an

355
00:18:52,870 --> 00:18:46,799
explanation they've taken the american

356
00:18:56,710 --> 00:18:54,870
you know even the navy videos let's

357
00:18:57,510 --> 00:18:56,720
throw the navy videos out the window

358
00:19:00,150 --> 00:18:57,520
okay

359
00:19:02,549 --> 00:19:00,160
we still have

360
00:19:03,830 --> 00:19:02,559
70 75 80 years

361
00:19:07,190 --> 00:19:03,840
of this stuff

362
00:19:14,150 --> 00:19:07,200
going on military encounters

363
00:19:20,150 --> 00:19:17,590

whether it be australia saudi arabia

364

00:19:23,029 --> 00:19:20,160

somewhere else in the middle east

365

00:19:25,669 --> 00:19:23,039

or here canada

366

00:19:27,590 --> 00:19:25,679

south america

367

00:19:30,630 --> 00:19:27,600

you know

368

00:19:35,750 --> 00:19:30,640

all this time the foo fighters

369

00:19:38,950 --> 00:19:37,750

and you still have factions within the

370

00:19:41,350 --> 00:19:38,960

government that are fighting

371

00:19:44,390 --> 00:19:41,360

transparency on this and for why for

372

00:19:47,750 --> 00:19:45,750

okay what

373

00:19:49,270 --> 00:19:47,760

if they think it's a joke right and they

374

00:19:50,789 --> 00:19:49,280

don't they don't want to

375

00:19:51,590 --> 00:19:50,799

um

376

00:19:54,070 --> 00:19:51,600

you know

377

00:19:55,510 --> 00:19:54,080

do anything for this group of people in

378

00:19:57,590 --> 00:19:55,520

the ufo

379

00:19:59,350 --> 00:19:57,600

twitter community or whatever and it you

380

00:20:01,510 --> 00:19:59,360

know it's not in the voting docket for

381

00:20:03,190 --> 00:20:01,520

the general population the least they

382

00:20:07,350 --> 00:20:03,200

could do is say here here's what we

383

00:20:09,430 --> 00:20:07,360

actually find out and prove it

384

00:20:15,270 --> 00:20:09,440

if it's all garbage

385

00:20:18,830 --> 00:20:17,029

but they can't say that because they

386

00:20:21,190 --> 00:20:18,840

can't prove

387

00:20:22,390 --> 00:20:21,200

it and what does that mean that means

388

00:20:25,909 --> 00:20:22,400

it's not

389

00:20:30,710 --> 00:20:28,070

so why don't they want to tell people

390

00:20:30,720 --> 00:20:35,190

there's a lot of theories

391

00:20:35,200 --> 00:20:39,909

a lot of theories one is

392

00:20:39,919 --> 00:20:42,390

um

393

00:20:42,400 --> 00:20:45,350

came from

394

00:20:45,360 --> 00:20:50,149

a one the ufo joe

395

00:20:56,710 --> 00:20:53,110

another great friend of show

396

00:20:57,909 --> 00:20:56,720

yes i have friends that are enemies

397

00:20:59,750 --> 00:20:57,919

but

398

00:21:02,870 --> 00:20:59,760

you know with this stuff we don't have

399

00:21:05,669 --> 00:21:02,880

enough people to

400

00:21:11,110 --> 00:21:09,029

and that's what i've decided you know

401
00:21:12,789 --> 00:21:11,120
if other people they have their choices

402
00:21:18,310 --> 00:21:12,799
to find whatever i'll respect that but

403
00:21:23,190 --> 00:21:21,110
it says usdi is basically the front

404
00:21:26,310 --> 00:21:23,200
for the religious fundamentalists and

405
00:21:28,230 --> 00:21:26,320
that's from a really solid source

406
00:21:29,590 --> 00:21:28,240
do you know the source is

407
00:21:32,470 --> 00:21:29,600
no

408
00:21:36,310 --> 00:21:34,230
but joe says a lot of things that come

409
00:21:38,950 --> 00:21:36,320
true

410
00:21:40,630 --> 00:21:38,960
and to me

411
00:21:42,390 --> 00:21:40,640
that's really how you define a track

412
00:21:45,430 --> 00:21:42,400
record i don't really care who your

413
00:21:47,190 --> 00:21:45,440

source is if what you say comes to pass

414

00:21:49,110 --> 00:21:47,200

or winds up coming true

415

00:21:52,789 --> 00:21:49,120

you win

416

00:21:56,950 --> 00:21:55,350

so religious fundament fundamentalists

417

00:21:58,870 --> 00:21:56,960

you know good dating back to this start

418

00:22:01,110 --> 00:21:58,880

when luna lozano would discuss this he

419

00:22:03,669 --> 00:22:01,120

would say that there are people or

420

00:22:04,870 --> 00:22:03,679

somebody actually said to him um to stop

421

00:22:07,110 --> 00:22:04,880

looking into it because they already

422

00:22:11,029 --> 00:22:07,120

know what they are yes what do you mean

423

00:22:14,390 --> 00:22:13,430

you know

424

00:22:20,789 --> 00:22:14,400

my

425

00:22:24,230 --> 00:22:22,070

uh

426

00:22:27,350 --> 00:22:24,240

don't we still have the right to know

427

00:22:30,390 --> 00:22:27,360

that they're demons then

428

00:22:38,710 --> 00:22:30,400

then tell us that they are

429

00:22:42,149 --> 00:22:40,630

you know and if you are a religious

430

00:22:43,430 --> 00:22:42,159

fundamentalist and you think there are

431

00:22:45,190 --> 00:22:43,440

demons

432

00:22:47,590 --> 00:22:45,200

you would know

433

00:22:50,310 --> 00:22:47,600

at least you would think

434

00:22:55,909 --> 00:22:53,350

you know god's in control

435

00:22:59,110 --> 00:22:55,919

no matter who you tell or not tell or

436

00:23:00,789 --> 00:22:59,120

let look at this or don't

437

00:23:03,990 --> 00:23:00,799

so grow a parrot

438

00:23:13,270 --> 00:23:05,750

that's what i would say to religious

439

00:23:17,750 --> 00:23:15,590

but if you don't

440

00:23:22,950 --> 00:23:17,760

that tells me that you're actually

441

00:23:26,630 --> 00:23:24,950

yeah thank garden

442

00:23:31,190 --> 00:23:26,640

garden root contractors i don't know

443

00:23:36,470 --> 00:23:32,630

yeah hit the like button guys that

444

00:23:39,270 --> 00:23:36,480

really helps um subscribe if you can

445

00:23:41,510 --> 00:23:39,280

share it on twitter if you can

446

00:24:03,909 --> 00:23:41,520

if you like the the message at least i

447

00:24:03,919 --> 00:24:08,230

i'm back sorry about that

448

00:24:11,870 --> 00:24:09,590

i think somebody got pissed because i

449

00:24:14,390 --> 00:24:11,880

was calling it the msg stuff

450

00:24:16,710 --> 00:24:14,400

[Laughter]

451
00:24:18,390 --> 00:24:16,720
um but yeah if you could share it like

452
00:24:19,510 --> 00:24:18,400
it do all that kind of stuff it makes a

453
00:24:22,070 --> 00:24:19,520
difference so

454
00:24:24,789 --> 00:24:22,080
um i would appreciate that it's not easy

455
00:24:29,510 --> 00:24:24,799
getting views on this stuff so

456
00:24:32,549 --> 00:24:29,520
whatever you can do to help is fantastic

457
00:24:35,190 --> 00:24:32,559
it definitely is

458
00:24:36,470 --> 00:24:35,200
more than anything i would really love

459
00:24:39,430 --> 00:24:36,480
you to

460
00:24:45,510 --> 00:24:39,440
contact a representative

461
00:24:50,390 --> 00:24:47,190
i mean

462
00:24:52,149 --> 00:24:50,400
they need to know that we care

463
00:24:54,549 --> 00:24:52,159

and if we sit back and we just pay

464

00:24:58,310 --> 00:24:54,559

attention and this is all like um

465

00:25:01,110 --> 00:25:00,149

you know are they going to care what we

466

00:25:02,789 --> 00:25:01,120

think

467

00:25:07,430 --> 00:25:02,799

you know and some say they don't care

468

00:25:11,430 --> 00:25:08,950

but i think the problem in that is

469

00:25:13,350 --> 00:25:11,440

saying they

470

00:25:15,029 --> 00:25:13,360

you know people are unique to themselves

471

00:25:16,549 --> 00:25:15,039

they're individuals they're capable of

472

00:25:19,830 --> 00:25:16,559

making their own mind and making their

473

00:25:24,710 --> 00:25:21,990

and if there's one bad apple that

474

00:25:27,350 --> 00:25:24,720

doesn't mean they're all bad apples

475

00:25:30,230 --> 00:25:27,360

you know it's an unfortunate scenario

476
00:25:31,909 --> 00:25:30,240
that people use broad brushes to paint

477
00:25:34,710 --> 00:25:31,919
entire groups

478
00:25:39,269 --> 00:25:36,950
but that still happens and yes it

479
00:25:46,470 --> 00:25:39,279
happens to the us government and no i'm

480
00:25:46,480 --> 00:25:49,669
i'm not about that

481
00:25:53,590 --> 00:25:51,110
you know if you can't play with

482
00:25:54,830 --> 00:25:53,600
integrity you can't play

483
00:25:57,430 --> 00:25:54,840
and being

484
00:26:00,070 --> 00:25:57,440
honest you know people are different you

485
00:26:02,789 --> 00:26:00,080
have to treat them as such no matter

486
00:26:04,710 --> 00:26:02,799
what group or fraction they are a part

487
00:26:06,870 --> 00:26:04,720
of

488
00:26:08,870 --> 00:26:06,880

you know

489

00:26:10,789 --> 00:26:08,880

there's another one from lou elizondo he

490

00:26:12,870 --> 00:26:10,799

says before anyone gets too excited

491

00:26:15,190 --> 00:26:12,880

about the recent pentagon announcement

492

00:26:18,310 --> 00:26:15,200

of a new uap group please consider the

493

00:26:21,110 --> 00:26:18,320

following a usdi is precisely the same

494

00:26:31,990 --> 00:26:21,120

organization that is underplayed and

495

00:26:47,909 --> 00:26:36,549

isn't that the case

496

00:26:50,230 --> 00:26:47,919

and it is people like

497

00:26:52,310 --> 00:26:50,240

mick west who still

498

00:26:53,190 --> 00:26:52,320

run the operations behind project blue

499

00:26:57,029 --> 00:26:53,200

books

500

00:26:58,070 --> 00:26:57,039

uh debunking education

501
00:27:02,789 --> 00:26:58,080
that are

502
00:27:06,870 --> 00:27:05,029
you know if if you do it in

503
00:27:09,029 --> 00:27:06,880
and you know with a good heart and

504
00:27:12,310 --> 00:27:09,039
you're really trying to to help things

505
00:27:16,710 --> 00:27:14,710
fine and you're you know we need you

506
00:27:18,710 --> 00:27:16,720
can't believe everything you see

507
00:27:20,870 --> 00:27:18,720
especially with ufo stuff when half of

508
00:27:23,350 --> 00:27:20,880
it more than that fit almost

509
00:27:25,269 --> 00:27:23,360
you know a lot of it's just blurry

510
00:27:27,269 --> 00:27:25,279
and some people want to know what is

511
00:27:29,669 --> 00:27:27,279
this what isn't that and if big west

512
00:27:32,070 --> 00:27:29,679
uses brains and looks at it and can say

513
00:27:33,590 --> 00:27:32,080

hey no realistically this is what it

514

00:27:37,190 --> 00:27:33,600

probably is

515

00:27:40,310 --> 00:27:38,630

all good

516

00:27:41,909 --> 00:27:40,320

but when you say even before a video

517

00:27:43,909 --> 00:27:41,919

comes out that you are going to take it

518

00:27:46,230 --> 00:27:43,919

on and debunk it in 10 minutes yes he

519

00:27:52,710 --> 00:27:46,240

said that in regards to jeremy corbell's

520

00:28:00,549 --> 00:27:56,070

that's not an honest effort at all

521

00:28:08,310 --> 00:28:01,510

that

522

00:28:08,320 --> 00:28:16,389

not in the least bit

523

00:28:16,399 --> 00:28:20,310

you know

524

00:28:25,750 --> 00:28:21,750

and somebody should ask the government

525

00:28:31,269 --> 00:28:28,630

how long do you want to

526

00:28:38,549 --> 00:28:31,279

deal with people irritated with your

527

00:28:47,190 --> 00:28:39,909

how long do you want that to go on

528

00:28:47,200 --> 00:28:53,830

as long as you keep the secrets

529

00:28:58,630 --> 00:28:55,750

you know and if your excuses little

530

00:29:00,950 --> 00:28:58,640

green men that's not real screw that

531

00:29:03,190 --> 00:29:00,960

throw that out the window okay the

532

00:29:07,750 --> 00:29:03,200

majority of people just want to know

533

00:29:11,909 --> 00:29:10,149

you know

534

00:29:15,269 --> 00:29:11,919

whether it be extraterrestrial

535

00:29:17,350 --> 00:29:15,279

interdimensional foreign chinese russian

536

00:29:20,789 --> 00:29:17,360

hours

537

00:29:23,110 --> 00:29:20,799

an electrostatic aberration

538

00:29:28,549 --> 00:29:23,120

whatever it is people just want to know

539

00:29:33,269 --> 00:29:30,230

that's how we will move

540

00:29:40,630 --> 00:29:33,279

it forward that's how we'll get over the

541

00:29:40,640 --> 00:29:46,870

and

542

00:29:46,880 --> 00:29:51,190

you know if you want to know why um

543

00:29:54,950 --> 00:29:53,110

people think you're holding secrets i

544

00:30:01,830 --> 00:29:54,960

mean

545

00:30:01,840 --> 00:30:06,310

because we can

546

00:30:12,789 --> 00:30:10,070

and definitely get into that and we will

547

00:30:17,350 --> 00:30:12,799

just for this episode

548

00:30:19,909 --> 00:30:17,360

why people are

549

00:30:27,590 --> 00:30:19,919

um here and

550

00:30:27,600 --> 00:30:32,710

just for you

551
00:30:36,789 --> 00:30:35,430
so let's first go to yeah this is a good

552
00:30:40,230 --> 00:30:36,799
one

553
00:30:44,070 --> 00:30:40,240
all sightings 47 through 69 let's see

554
00:30:48,870 --> 00:30:46,549
which year do you want to pick

555
00:30:52,549 --> 00:30:48,880
66 58

556
00:30:54,710 --> 00:30:52,559
49 let's go unredacted 52. that's that

557
00:30:59,509 --> 00:30:54,720
was a big year right here

558
00:30:59,519 --> 00:31:02,470
let's look at that

559
00:31:07,110 --> 00:31:03,669
let's see

560
00:31:09,190 --> 00:31:07,120
um how many pages we got whoa whoa

561
00:31:11,430 --> 00:31:09,200
look at all these wow

562
00:31:12,870 --> 00:31:11,440
multiple military

563
00:31:15,430 --> 00:31:12,880

um

564

00:31:16,230 --> 00:31:15,440

military military

565

00:31:18,470 --> 00:31:16,240

um

566

00:31:20,710 --> 00:31:18,480

multiple military

567

00:31:24,389 --> 00:31:20,720

military military

568

00:31:28,549 --> 00:31:24,399

um multiple military

569

00:31:31,190 --> 00:31:28,559

military military military ooh radar and

570

00:31:32,789 --> 00:31:31,200

military look at that

571

00:31:36,310 --> 00:31:32,799

look at that would you

572

00:31:39,110 --> 00:31:36,320

wow military military

573

00:31:40,149 --> 00:31:39,120

military military

574

00:31:43,590 --> 00:31:40,159

multiple

575

00:31:45,590 --> 00:31:43,600

british scientist ooh cyprus that's not

576
00:31:48,310 --> 00:31:45,600
even in our country

577
00:31:50,230 --> 00:31:48,320
could you believe it

578
00:31:53,029 --> 00:31:50,240
military military

579
00:31:56,470 --> 00:31:54,710
look at all that

580
00:31:57,269 --> 00:31:56,480
and i'm not this isn't even close to

581
00:31:58,789 --> 00:31:57,279
done

582
00:32:02,470 --> 00:31:58,799
it just keeps going

583
00:32:09,430 --> 00:32:02,480
this is oh there's 47 pages this is page

584
00:32:13,990 --> 00:32:12,149
1952

585
00:32:14,870 --> 00:32:14,000
okay

586
00:32:18,950 --> 00:32:14,880
so

587
00:32:21,909 --> 00:32:18,960
if uh the government is irritated

588
00:32:26,470 --> 00:32:21,919

that we don't get any

589

00:32:31,430 --> 00:32:29,830

and they want to laugh at the topic

590

00:32:36,070 --> 00:32:31,440

maybe they should look at something like

591

00:32:40,950 --> 00:32:37,350

i think that would probably be

592

00:32:46,870 --> 00:32:44,389

let's look at another year shall we hmm

593

00:32:49,430 --> 00:32:46,880

where should we go somebody pick a year

594

00:32:53,830 --> 00:32:49,440

uh 47 sure

595

00:32:53,840 --> 00:32:58,470

look at this summer 47-48

596

00:33:01,350 --> 00:32:59,960

it's in a merchant file

597

00:33:06,070 --> 00:33:01,360

[Music]

598

00:33:06,080 --> 00:33:10,230

here we go

599

00:33:13,110 --> 00:33:11,750

things are just getting started here

600

00:33:17,110 --> 00:33:13,120

apparently

601
00:33:18,789 --> 00:33:17,120
now this seems small three pages but

602
00:33:21,269 --> 00:33:18,799
but uh

603
00:33:23,909 --> 00:33:21,279
there's

604
00:33:29,590 --> 00:33:23,919
a lot here and look at this um air force

605
00:33:33,590 --> 00:33:31,509
got photos on this one did we ever see

606
00:33:35,590 --> 00:33:33,600
those oh a physical specimen what does

607
00:33:37,190 --> 00:33:35,600
that even mean why didn't you tell us oh

608
00:33:40,310 --> 00:33:37,200
it was a hoax apparently

609
00:33:45,190 --> 00:33:40,320
this one is not a hoax physical specimen

610
00:33:49,190 --> 00:33:48,149
black river falls wisconsin

611
00:33:53,509 --> 00:33:49,200
china

612
00:33:58,870 --> 00:33:53,519
what does that mean and why haven't you

613
00:33:58,880 --> 00:34:05,430

you know that's that's secrecy

614

00:34:08,790 --> 00:34:07,350

and

615

00:34:10,149 --> 00:34:08,800

we don't

616

00:34:12,149 --> 00:34:10,159

you know most people don't even know

617

00:34:18,710 --> 00:34:12,159

about this

618

00:34:22,149 --> 00:34:19,589

so

619

00:34:23,669 --> 00:34:22,159

that's secrecy uh here let's primate we

620

00:34:24,589 --> 00:34:23,679

only got

621

00:34:27,829 --> 00:34:24,599

through

622

00:34:29,430 --> 00:34:27,839

1969 sir

623

00:34:32,389 --> 00:34:29,440

sorry about that

624

00:34:34,710 --> 00:34:32,399

47-69

625

00:34:36,710 --> 00:34:34,720

uh 69 was actually the slowest year

626
00:34:39,109 --> 00:34:36,720
isn't that funny

627
00:34:44,629 --> 00:34:39,119
maybe they stopped documenting them or

628
00:34:44,639 --> 00:34:51,109
somebody else was

629
00:35:05,910 --> 00:34:55,030
67 lara says laura says 67

630
00:35:09,430 --> 00:35:07,349
67

631
00:35:14,390 --> 00:35:09,440
wow we got

632
00:35:17,030 --> 00:35:14,400
42 pages on 1967 that was a big year

633
00:35:18,630 --> 00:35:17,040
big gear

634
00:35:22,069 --> 00:35:18,640
any particular date

635
00:35:30,710 --> 00:35:27,270
uh what is the uh month oh that's the

636
00:35:37,109 --> 00:35:30,720
that's the year you were born i got you

637
00:35:44,230 --> 00:35:38,230
yeah

638
00:35:47,829 --> 00:35:46,230

you know and the the crappy part is

639

00:35:52,390 --> 00:35:47,839

looking at other countries and other

640

00:35:56,630 --> 00:35:54,950

uh australia right

641

00:35:59,109 --> 00:35:56,640

if you look at some of their documents

642

00:36:05,190 --> 00:35:59,119

they all looked at the condon report

643

00:36:09,190 --> 00:36:07,349

always referring to it like well you

644

00:36:11,349 --> 00:36:09,200

look at the condom report and they

645

00:36:12,950 --> 00:36:11,359

decided like

646

00:36:16,390 --> 00:36:12,960

that influence

647

00:36:16,400 --> 00:36:29,990

pretty dangerous

648

00:36:35,349 --> 00:36:32,870

insane how many there

649

00:36:38,390 --> 00:36:35,359

hey milwaukee sweet

650

00:36:46,230 --> 00:36:41,430

granted they're not all gonna be

651
00:36:50,230 --> 00:36:49,270
you know but it's a clear example of how

652
00:36:52,710 --> 00:36:50,240
many

653
00:36:55,589 --> 00:36:52,720
reports there were

654
00:36:57,829 --> 00:36:55,599
as opposed to the answers that were

655
00:36:59,349 --> 00:36:57,839
given

656
00:37:00,230 --> 00:36:59,359
you're going to tell me all of these

657
00:37:01,430 --> 00:37:00,240
were

658
00:37:13,750 --> 00:37:01,440
an

659
00:37:18,150 --> 00:37:13,760
do we know what they were i'm not saying

660
00:37:26,870 --> 00:37:22,950
but they weren't all what we were told

661
00:37:26,880 --> 00:37:30,390
that is why

662
00:37:34,710 --> 00:37:32,230
that's why people are irritated with the

663
00:37:38,069 --> 00:37:34,720

secrecy that's why these moves

664

00:37:42,150 --> 00:37:38,079

to set up a uap office that is like ross

665

00:37:44,950 --> 00:37:42,160

coldheart says completely watered down

666

00:37:50,390 --> 00:37:44,960

no trans medium no public reports just

667

00:37:55,829 --> 00:37:53,430

um and if you follow this show

668

00:37:58,550 --> 00:37:55,839

something came up again recently where

669

00:38:01,589 --> 00:37:58,560

uh well the reportings are just probably

670

00:38:10,150 --> 00:38:01,599

by the military installations because

671

00:38:13,910 --> 00:38:12,550

and better sensors

672

00:38:15,910 --> 00:38:13,920

interesting

673

00:38:17,750 --> 00:38:15,920

because

674

00:38:22,790 --> 00:38:17,760

i think we read a document on a couple

675

00:38:24,870 --> 00:38:22,800

episodes um from 1947 even or 1948

676

00:38:27,430 --> 00:38:24,880

maybe later maybe it's 52.

677

00:38:28,950 --> 00:38:27,440

said the same thing

678

00:38:31,190 --> 00:38:28,960

it's like they're just reading from a

679

00:38:33,990 --> 00:38:31,200

book of excuses

680

00:38:38,950 --> 00:38:34,000

well that book is pretty old and we

681

00:38:38,960 --> 00:38:48,470

sorry i was i was born for this stuff

682

00:38:51,430 --> 00:38:50,069

you know

683

00:38:54,069 --> 00:38:51,440

so

684

00:38:58,230 --> 00:38:54,079

um the one thing i was thinking of doing

685

00:38:58,240 --> 00:39:02,950

before i skedaddle

686

00:39:08,710 --> 00:39:06,950

i had one more thing that i wanted to do

687

00:39:12,310 --> 00:39:08,720

but

688

00:39:16,310 --> 00:39:12,320

um maybe i won't do it i'm not sure i

689

00:39:23,030 --> 00:39:18,470

but i have to find it what i wanted to

690

00:39:23,040 --> 00:39:27,990

is make another call

691

00:39:31,530 --> 00:39:30,710

to mr senator johnson but this way

692

00:39:33,430 --> 00:39:31,540

this time um

693

00:39:35,109 --> 00:39:33,440

[Music]

694

00:39:37,430 --> 00:39:35,119

kind of do it

695

00:39:39,990 --> 00:39:37,440

a little bit differently

696

00:39:46,950 --> 00:39:40,000

i wanted to read

697

00:39:54,390 --> 00:39:50,550

from a brigadier general

698

00:39:54,400 --> 00:39:58,710

of a flying saucer

699

00:40:05,190 --> 00:40:01,190

i think i can find it here

700

00:40:07,910 --> 00:40:06,470

okay so

701
00:40:12,950 --> 00:40:07,920
um

702
00:40:17,510 --> 00:40:15,589
hi this is senator ron johnson thank you

703

00:40:26,470 --> 00:40:25,280
recorded for my review

716

00:40:50,829 --> 00:40:48,390

hi senator johnson um just wanted to

717

00:40:54,710 --> 00:40:50,839

give a call my name is sean raj

718

00:40:57,510 --> 00:40:54,720

um colin in regards to uap transparency

719

00:41:00,470 --> 00:40:57,520

um i wanted to read this letter to you

720

00:41:03,270 --> 00:41:00,480

from a brigadier general e m day in the

721

00:41:06,390 --> 00:41:03,280

united states air force dated april 21

722

00:41:09,430 --> 00:41:06,400

1952 he wrote it to major general a

723

00:41:10,950 --> 00:41:09,440

samford he wrote dear sammy i never

724

00:41:13,349 --> 00:41:10,960

thought it would be said i would join

725

00:41:14,309 --> 00:41:13,359

the great army of flying saucer sears

726

00:41:16,550 --> 00:41:14,319

however

727

00:41:18,550 --> 00:41:16,560

note the attached report i know that you

728

00:41:20,870 --> 00:41:18,560

have some sort of section that is

729

00:41:23,190 --> 00:41:20,880

considering these reports therefore i

730

00:41:25,910 --> 00:41:23,200

send this to you so that you may pass it

731

00:41:28,390 --> 00:41:25,920

along to them the duration distinctness

732

00:41:31,990 --> 00:41:28,400

and complete unexpectedness of my

733

00:41:33,349 --> 00:41:32,000

sighting leave me in a position

734

00:41:36,230 --> 00:41:33,359

of the details

735

00:41:38,470 --> 00:41:36,240

of my report

736

00:41:39,589 --> 00:41:38,480

leave me positive of the details of my

737

00:41:41,829 --> 00:41:39,599

report

738

00:41:44,550 --> 00:41:41,839

never again will i be skeptical of

739

00:41:46,870 --> 00:41:44,560

anybody's fanciful tales

740

00:41:51,349 --> 00:41:46,880

please don't think that the desert has

741

00:41:53,990 --> 00:41:52,470

now

742

00:41:55,430 --> 00:41:54,000

i expect

743

00:41:57,349 --> 00:41:55,440

i assume

744

00:42:01,670 --> 00:41:57,359

that you respect brigadier generals in

745

00:42:01,680 --> 00:42:05,510

and people like alex dietrich

746

00:42:09,030 --> 00:42:07,349

anything you can do to help uap

747

00:42:12,870 --> 00:42:09,040

transparency

748

00:42:17,270 --> 00:42:14,069

thank you

749

00:42:20,710 --> 00:42:17,280

happy thanksgiving

750

00:42:22,550 --> 00:42:21,750

all right

751
00:42:29,349 --> 00:42:22,560
so

752
00:42:32,069 --> 00:42:29,359
comments and stuff with you today i

753
00:42:34,230 --> 00:42:32,079
wanted to make sure that i get

754
00:42:36,309 --> 00:42:34,240
um you know my thoughts out there on

755
00:42:37,910 --> 00:42:36,319
everything

756
00:42:40,390 --> 00:42:37,920
and basically when it comes down to it

757
00:42:43,270 --> 00:42:40,400
make a call make a call to a rep write

758
00:42:45,990 --> 00:42:43,280
an email to a representative that's it

759
00:42:49,750 --> 00:42:46,000
if we don't do something

760
00:42:54,950 --> 00:42:51,510
i don't know how much you can really

761
00:42:54,960 --> 00:42:57,430
you know

762
00:42:57,440 --> 00:43:01,750
you have to at least try it

763
00:43:06,150 --> 00:43:04,470

and i would argue with an amendment like

764

00:43:06,950 --> 00:43:06,160

gilda brands on

765

00:43:08,390 --> 00:43:06,960

um

766

00:43:09,910 --> 00:43:08,400

the front door

767

00:43:12,630 --> 00:43:09,920

of being put in the legislation with

768

00:43:15,190 --> 00:43:12,640

bipartisan support now is the time

769

00:43:20,790 --> 00:43:15,200

because when has that happened before

770

00:43:24,630 --> 00:43:22,710

before

771

00:43:27,109 --> 00:43:24,640

and i do know my history and i do know

772

00:43:29,910 --> 00:43:27,119

that this has been in congress back in

773

00:43:31,430 --> 00:43:29,920

the 60s

774

00:43:33,589 --> 00:43:31,440

okay

775

00:43:35,670 --> 00:43:33,599

and what was the answer to that i think

776

00:43:38,309 --> 00:43:35,680

it was the condom report which we all

777

00:43:44,950 --> 00:43:41,190

brushed the subject off

778

00:43:48,790 --> 00:43:46,710

you know they took it on like this is

779

00:43:50,950 --> 00:43:48,800

gonna be everything we're looking into

780

00:43:52,309 --> 00:43:50,960

this we're gonna find out what it is

781

00:43:54,470 --> 00:43:52,319

we're gonna write a whole report we're

782

00:43:56,390 --> 00:43:54,480

gonna work on it for two years

783

00:44:00,870 --> 00:43:56,400

and then what they came up with was a

784

00:44:00,880 --> 00:44:03,589

you know

785

00:44:06,550 --> 00:44:05,190

and people make mistakes governments

786

00:44:08,069 --> 00:44:06,560

make mistakes

787

00:44:09,750 --> 00:44:08,079

our current representative shouldn't be

788

00:44:12,470 --> 00:44:09,760

held to the

789

00:44:14,630 --> 00:44:12,480

mistakes in the past histories

790

00:44:17,109 --> 00:44:14,640

of other representatives

791

00:44:22,870 --> 00:44:17,119

but they have the opportunity to make a

792

00:44:26,550 --> 00:44:24,710

you know and the thing is

793

00:44:28,390 --> 00:44:26,560

i don't even expect you to know what it

794

00:44:30,470 --> 00:44:28,400

is and to be able to prove it i just

795

00:44:36,710 --> 00:44:30,480

expect you to be transparent with your

796

00:44:36,720 --> 00:44:40,550

that's all

797

00:44:40,560 --> 00:44:44,470

and it's comments like this

798

00:44:49,270 --> 00:44:46,790

the negative comments like

799

00:44:54,710 --> 00:44:49,280

people just know everything

800

00:44:54,720 --> 00:44:59,510

that just aren't helpful

801
00:45:02,950 --> 00:45:01,109
you know whether

802
00:45:06,390 --> 00:45:02,960
you know first of all you think that you

803
00:45:11,750 --> 00:45:08,150
and you may think strongly on it but you

804
00:45:16,150 --> 00:45:14,950
the amount of phone calls

805
00:45:17,990 --> 00:45:16,160
possibly

806
00:45:23,829 --> 00:45:18,000
don't work

807
00:45:23,839 --> 00:45:27,589
you know

808
00:45:32,150 --> 00:45:29,109
it's the fact that they know people are

809
00:45:34,309 --> 00:45:32,160
watching and paying attention

810
00:45:38,710 --> 00:45:34,319
we don't have the numbers to march on

811
00:45:42,470 --> 00:45:40,069
and that's

812
00:45:45,109 --> 00:45:42,480
that's just a fact

813
00:45:49,510 --> 00:45:45,119

and make a difference

814

00:45:49,520 --> 00:45:52,630

you know

815

00:45:52,640 --> 00:45:59,349

unfortunately

816

00:46:03,190 --> 00:46:01,430

emails make calls let them know that

817

00:46:11,030 --> 00:46:03,200

you're paying attention you know and be

818

00:46:14,630 --> 00:46:12,870

phone calls tagging and retweets work

819

00:46:16,470 --> 00:46:14,640

the more exposure this gets the better

820

00:46:18,230 --> 00:46:16,480

exactly

821

00:46:21,109 --> 00:46:18,240

you know it's like

822

00:46:23,910 --> 00:46:21,119

if everybody knew the stuff that we hear

823

00:46:27,349 --> 00:46:23,920

watching new like the documents i show

824

00:46:28,870 --> 00:46:27,359

and have shown if people knew that

825

00:46:34,150 --> 00:46:28,880

this would be different

826

00:46:39,190 --> 00:46:36,710

you know you don't doesn't take somebody

827

00:46:42,150 --> 00:46:39,200

having their own sighting or anything to

828

00:46:43,190 --> 00:46:42,160

be invested in this it just takes

829

00:46:46,550 --> 00:46:43,200

knowledge

830

00:46:48,950 --> 00:46:46,560

and education that there's something

831

00:46:51,670 --> 00:46:48,960

going on in our skies and it has been

832

00:46:54,950 --> 00:46:51,680

for a long time and we get to run around

833

00:46:59,910 --> 00:46:54,960

for as long as that has been happening

834

00:47:07,510 --> 00:47:01,270

written letter

835

00:47:09,589 --> 00:47:07,520

that's unique

836

00:47:10,870 --> 00:47:09,599

it stands out

837

00:47:13,030 --> 00:47:10,880

great

838

00:47:15,910 --> 00:47:13,040

you know another thing about phone calls

839

00:47:19,190 --> 00:47:17,829

you know i think sometimes the problem

840

00:47:21,109 --> 00:47:19,200

with um

841

00:47:23,750 --> 00:47:21,119

this community or people who want to go

842

00:47:25,430 --> 00:47:23,760

for disclosure not anyone in particular

843

00:47:26,630 --> 00:47:25,440

but people who say this doesn't work or

844

00:47:28,150 --> 00:47:26,640

that doesn't work

845

00:47:32,069 --> 00:47:28,160

it's it's

846

00:47:35,990 --> 00:47:33,829

alone

847

00:47:38,069 --> 00:47:36,000

probably not

848

00:47:40,470 --> 00:47:38,079

but if you put that together with

849

00:47:43,670 --> 00:47:40,480

different efforts in different areas

850

00:47:46,470 --> 00:47:43,680

that other people excel in

851
00:47:47,349 --> 00:47:46,480
for instance if spaghetti was really

852
00:47:49,190 --> 00:47:47,359
good

853
00:47:51,750 --> 00:47:49,200
at getting people together and doing

854
00:47:54,150 --> 00:47:51,760
some sort of march along with the person

855
00:47:57,430 --> 00:47:54,160
that's really good at organizing phone

856
00:47:59,990 --> 00:47:57,440
calls and emails along with an

857
00:48:02,470 --> 00:48:00,000
organization who is good at gathering

858
00:48:06,390 --> 00:48:02,480
data scientifically

859
00:48:09,109 --> 00:48:06,400
along with an amazing historian

860
00:48:12,549 --> 00:48:09,119
that's how we get it to work

861
00:48:16,790 --> 00:48:15,270
because it's not one thing or the other

862
00:48:19,109 --> 00:48:16,800
it has to be all

863
00:48:21,910 --> 00:48:19,119

and the community on that point is too

864

00:48:23,829 --> 00:48:21,920

small for a division

865

00:48:26,630 --> 00:48:23,839

we don't need division we need to come

866

00:48:31,990 --> 00:48:26,640

together and maybe sometimes i have fell

867

00:48:35,910 --> 00:48:33,670

if somebody doesn't do something i don't

868

00:48:39,589 --> 00:48:35,920

like i just won't comment on it but i'll

869

00:48:44,870 --> 00:48:42,309

because there's a person there

870

00:48:47,270 --> 00:48:44,880

who also wants

871

00:48:49,670 --> 00:48:47,280

you know transparency

872

00:48:52,549 --> 00:48:49,680

and that's why i'm here

873

00:48:56,870 --> 00:48:55,270

with that being said yes

874

00:48:58,390 --> 00:48:56,880

coordinated effort like civil rights

875

00:49:00,390 --> 00:48:58,400

movement

876

00:49:03,030 --> 00:49:00,400

you have to hit it from all sides i just

877

00:49:05,829 --> 00:49:03,040

hit it from one

878

00:49:08,950 --> 00:49:07,190

and i can sit here and say all this

879

00:49:10,390 --> 00:49:08,960

stuff but

880

00:49:14,470 --> 00:49:10,400

you know i don't have the power to put

881

00:49:19,349 --> 00:49:16,630

i don't even have the biggest podcast on

882

00:49:23,190 --> 00:49:19,359

your phone

883

00:49:26,549 --> 00:49:25,270

one day maybe that'll change

884

00:49:29,670 --> 00:49:26,559

but i'm just concerned about

885

00:49:31,829 --> 00:49:29,680

transparency from the government

886

00:49:33,990 --> 00:49:31,839

and us doing our part to get our own

887

00:49:35,670 --> 00:49:34,000

transparency side by side

888

00:49:38,069 --> 00:49:35,680

you know

889

00:49:40,630 --> 00:49:38,079

because in doing this kind of stuff like

890

00:49:42,950 --> 00:49:40,640

spaghetti said a coordinated effort

891

00:49:45,589 --> 00:49:42,960

doesn't mean we're putting everything on

892

00:49:47,430 --> 00:49:45,599

the government either you know there's

893

00:49:50,630 --> 00:49:47,440

past character on twitter that has since

894

00:49:52,950 --> 00:49:51,750

who said

895

00:49:54,950 --> 00:49:52,960

you want your answers from the

896

00:49:58,950 --> 00:49:54,960

government they've lied to you about so

897

00:50:01,910 --> 00:49:58,960

many things okay we're not stupid

898

00:50:03,990 --> 00:50:01,920

but that doesn't mean we can't also

899

00:50:05,990 --> 00:50:04,000

try to get our own data and

900

00:50:08,790 --> 00:50:06,000

understanding of what's happening at the

901
00:50:10,950 --> 00:50:08,800
same time

902
00:50:13,750 --> 00:50:10,960
as demanding transparency from our

903
00:50:16,790 --> 00:50:13,760
government

904
00:50:20,549 --> 00:50:16,800
now this picking one or the other way is

905
00:50:20,559 --> 00:50:25,990
so those are my thoughts for today

906
00:50:26,000 --> 00:50:29,589
i appreciate y'all

907
00:50:29,599 --> 00:50:33,510
you are the best

908
00:50:33,520 --> 00:50:37,750
the best in the world

909
00:50:37,760 --> 00:50:42,790
this is places ever damn scene

910
00:50:45,660 --> 00:50:43,170
and

911
00:50:47,589 --> 00:50:45,670
[Music]

912
00:50:49,750 --> 00:50:47,599
[Laughter]

913
00:50:51,270 --> 00:50:49,760

sorry i just saw something kind of funny

914

00:50:54,230 --> 00:50:51,280

all right

915

00:50:56,150 --> 00:50:54,240

i am going to go out with this new song

916

00:50:56,950 --> 00:50:56,160

because i really like it and again it's

917

00:50:58,390 --> 00:50:56,960

called

918

00:51:00,630 --> 00:50:58,400

cool kids

919

00:51:01,670 --> 00:51:00,640

and what it is

920

00:51:03,510 --> 00:51:01,680

is about

921

00:51:06,069 --> 00:51:03,520

everyone who

922

00:51:07,510 --> 00:51:06,079

um thinks that us trying to get

923

00:51:08,870 --> 00:51:07,520

transparency from the government it's

924

00:51:11,190 --> 00:51:08,880

not gonna work

925

00:51:12,309 --> 00:51:11,200

it's about all the people who put stigma

926
00:51:14,150 --> 00:51:12,319
on people

927
00:51:16,230 --> 00:51:14,160
um who

928
00:51:20,390 --> 00:51:16,240
you know had a ufo sighting or want to

929
00:51:22,950 --> 00:51:21,190
it's

930
00:51:28,150 --> 00:51:22,960
you know really intended for all those

931
00:51:31,670 --> 00:51:30,390
see you again soon not sure when that'll

932
00:51:33,030 --> 00:51:31,680
be

933
00:51:37,430 --> 00:51:33,040
um

934
00:51:39,589 --> 00:51:37,440
thanks for hanging with me being patient

935
00:51:41,670 --> 00:51:39,599
and watching this

936
00:51:45,910 --> 00:51:41,680
contact yo rep

937
00:51:45,920 --> 00:51:50,710
i believe it regardless

938
00:51:50,720 --> 00:51:54,950

actually some sympathy

939

00:51:54,960 --> 00:51:59,430

i'm weaking my knees

940

00:52:03,430 --> 00:52:01,360

teaching hypocrisy

941

00:52:05,280 --> 00:52:03,440

[Music]

942

00:52:07,829 --> 00:52:05,290

well it seems so lovely

943

00:52:10,010 --> 00:52:07,839

[Music]

944

00:52:12,150 --> 00:52:10,020

it's a mixed up situation

945

00:52:16,540 --> 00:52:12,160

[Music]

946

00:52:43,990 --> 00:52:16,550

i'm brave with elation
