

Scott Browne

1
00:00:08,470 --> 00:00:05,190
what is up everybody i hope um

2
00:00:10,150 --> 00:00:08,480
today is going well for you it's monday

3
00:00:12,070 --> 00:00:10,160
if you didn't know

4
00:00:15,190 --> 00:00:12,080
um sometimes i forget so that's why i

5
00:00:16,950 --> 00:00:15,200
say it before the show every time

6
00:00:18,950 --> 00:00:16,960
um

7
00:00:22,550 --> 00:00:18,960
and man is there a lot going on hey with

8
00:00:24,790 --> 00:00:22,560
the msg sauce committee and then the

9
00:00:25,750 --> 00:00:24,800
astro and all the different things

10
00:00:27,349 --> 00:00:25,760
happening

11
00:00:28,710 --> 00:00:27,359
um so

12
00:00:30,630 --> 00:00:28,720
you know and there's a lot of people

13
00:00:32,549 --> 00:00:30,640

contacting the representatives we'll see

14

00:00:34,229 --> 00:00:32,559

how that goes hopefully well

15

00:00:35,750 --> 00:00:34,239

um

16

00:00:38,549 --> 00:00:35,760

it's exciting that people are getting

17

00:00:39,670 --> 00:00:38,559

involved to say the very least right

18

00:00:41,030 --> 00:00:39,680

um

19

00:00:43,750 --> 00:00:41,040

and

20

00:00:45,910 --> 00:00:43,760

the topics being taken more seriously

21

00:00:48,310 --> 00:00:45,920

with government at the very least

22

00:00:50,950 --> 00:00:48,320

um whether that's a front or not it's to

23

00:00:55,189 --> 00:00:50,960

be determined i suppose but

24

00:00:56,709 --> 00:00:55,199

but it's all seemingly um good stuff so

25

00:00:58,790 --> 00:00:56,719

um that's exciting

26

00:01:00,869 --> 00:00:58,800

and today

27

00:01:03,430 --> 00:01:00,879

what's up laura say hi to everybody

28

00:01:05,270 --> 00:01:03,440

first laura what's up adam spaceman

29

00:01:06,870 --> 00:01:05,280

what's up

30

00:01:07,670 --> 00:01:06,880

diesel girl

31

00:01:09,270 --> 00:01:07,680

so

32

00:01:11,350 --> 00:01:09,280

i wanted to ask you about that diesel

33

00:01:13,429 --> 00:01:11,360

girl does that mean

34

00:01:16,870 --> 00:01:13,439

you have a diesel engine automobile

35

00:01:20,789 --> 00:01:19,670

mortimer james what's up

36

00:01:24,469 --> 00:01:20,799

and

37

00:01:26,149 --> 00:01:24,479

oh nice hat thank you i appreciate that

38

00:01:27,109 --> 00:01:26,159

i really do appreciate that thank you

39

00:01:29,190 --> 00:01:27,119

very much

40

00:01:31,109 --> 00:01:29,200

so yeah it's monday night we have kind

41

00:01:33,830 --> 00:01:31,119

of a new thing going on monday nights

42

00:01:36,550 --> 00:01:33,840

now and what it is is i have a new

43

00:01:39,190 --> 00:01:36,560

co-host and she's gonna be here

44

00:01:41,350 --> 00:01:39,200

every monday even if she's sick even if

45

00:01:43,670 --> 00:01:41,360

other important things come up she's

46

00:01:46,230 --> 00:01:43,680

gonna toss it in the trash and she's

47

00:01:47,270 --> 00:01:46,240

gonna be here on mondays

48

00:01:48,310 --> 00:01:47,280

every

49

00:01:50,069 --> 00:01:48,320

single

50

00:01:52,310 --> 00:01:50,079

time

51
00:01:54,149 --> 00:01:52,320
just in case she's listening i'm just

52
00:01:55,590 --> 00:01:54,159
kidding

53
00:01:57,429 --> 00:01:55,600
so that's pretty cool because i've

54
00:01:59,749 --> 00:01:57,439
gotten to know her uh

55
00:02:01,510 --> 00:01:59,759
a bit um throughout the past few weeks

56
00:02:04,630 --> 00:02:01,520
and months i guess

57
00:02:08,070 --> 00:02:04,640
um and she's phenomenal so i'm really

58
00:02:09,350 --> 00:02:08,080
honored that um she said yes to do this

59
00:02:12,309 --> 00:02:09,360
um because

60
00:02:15,110 --> 00:02:12,319
you know on this show i could use

61
00:02:15,990 --> 00:02:15,120
um you know just smarter people than me

62
00:02:20,869 --> 00:02:16,000
so

63
00:02:22,550 --> 00:02:20,879

have a wonderful guest today uh his name

64

00:02:24,229 --> 00:02:22,560

is scott brown

65

00:02:26,630 --> 00:02:24,239

um i've had him on the show a couple

66

00:02:28,710 --> 00:02:26,640

times in the past if you remember the

67

00:02:32,470 --> 00:02:28,720

ufo trivia days

68

00:02:34,470 --> 00:02:32,480

um and for for other things obviously um

69

00:02:35,430 --> 00:02:34,480

and we always got along he's a dear

70

00:02:38,150 --> 00:02:35,440

person

71

00:02:40,470 --> 00:02:38,160

um a sweet man a smart man

72

00:02:43,430 --> 00:02:40,480

filled with integrity so i can't wait to

73

00:02:45,670 --> 00:02:43,440

bring him on after learning about him

74

00:02:47,990 --> 00:02:45,680

being a superstar

75

00:02:51,190 --> 00:02:48,000

in the book america cosmic

76

00:02:52,229 --> 00:02:51,200

that's right i had no idea until i read

77

00:02:54,229 --> 00:02:52,239

the book

78

00:02:55,990 --> 00:02:54,239

so uh we're going to talk about that and

79

00:02:57,430 --> 00:02:56,000

whatever else comes up so with that

80

00:03:00,550 --> 00:02:57,440

being said

81

00:03:02,229 --> 00:03:00,560

i will be right back with all due

82

00:03:03,750 --> 00:03:02,239

respect to the air force i believe that

83

00:03:05,509 --> 00:03:03,760

some of them will prove to be of

84

00:03:07,350 --> 00:03:05,519

interplanetary origin

85

00:03:09,589 --> 00:03:07,360

during a three-year investigation i

86

00:03:12,390 --> 00:03:09,599

found that many police have described

87

00:03:14,229 --> 00:03:12,400

objects of substance and high speed one

88

00:03:16,070 --> 00:03:14,239

case polish reported their plane was

89

00:03:18,710 --> 00:03:16,080

buffeted by an object which passed them

90

00:03:20,550 --> 00:03:18,720

at 500 miles an hour obviously this was

91

00:03:21,990 --> 00:03:20,560

a solid object that i believe was from

92

00:03:23,509 --> 00:03:22,000

outer space

93

00:03:24,949 --> 00:03:23,519

against the healthy agnostics the

94

00:03:28,470 --> 00:03:24,959

skeptics don't want to listen to the

95

00:03:30,390 --> 00:03:28,480

data in my findings i point to the 2400

96

00:03:32,390 --> 00:03:30,400

plus landing trace cases physical

97

00:03:39,270 --> 00:03:32,400

changes in the environment collected

98

00:03:43,509 --> 00:03:41,509

we know now that there is no simple

99

00:03:44,710 --> 00:03:43,519

answer this is not

100

00:03:47,990 --> 00:03:44,720

simply

101
00:03:50,949 --> 00:03:48,000
a psychological phenomenon

102
00:03:52,390 --> 00:03:50,959
persons of really quite high credibility

103
00:03:54,470 --> 00:03:52,400
reporting

104
00:03:56,390 --> 00:03:54,480
unconventional objects

105
00:03:58,550 --> 00:03:56,400
discs cigar-shaped objects frequently at

106
00:04:00,710 --> 00:03:58,560
very low elevation

107
00:04:04,070 --> 00:04:00,720
hovering over sometimes urban areas

108
00:04:05,429 --> 00:04:04,080
sometimes over cars following cars

109
00:04:08,229 --> 00:04:05,439
same kind of

110
00:04:10,949 --> 00:04:08,239
public reaction quite a quite a strong

111
00:04:12,789 --> 00:04:10,959
similarity to the american reluctance to

112
00:04:14,630 --> 00:04:12,799
report them to official channels because

113
00:04:17,749 --> 00:04:14,640

of fear of ridicule

114

00:04:20,550 --> 00:04:17,759

but behind it all a very large number a

115

00:04:22,469 --> 00:04:20,560

very surprisingly large number of these

116

00:04:23,909 --> 00:04:22,479

sightings of quite

117

00:04:26,629 --> 00:04:23,919

unconventional

118

00:04:28,070 --> 00:04:26,639

objects maneuvering in our airspace

119

00:04:30,390 --> 00:04:28,080

i've taken a very good look at the

120

00:04:32,390 --> 00:04:30,400

american official investigation program

121

00:04:34,310 --> 00:04:32,400

project blue book run by the air force

122

00:04:36,150 --> 00:04:34,320

and i have

123

00:04:37,670 --> 00:04:36,160

quite unequivocally described it to

124

00:04:39,990 --> 00:04:37,680

scientific colleagues back in the states

125

00:04:42,150 --> 00:04:40,000

as superficial and incompetent what we

126
00:04:44,469 --> 00:04:42,160
are looking at is truly beyond next

127
00:04:46,310 --> 00:04:44,479
generation technologies there's footage

128
00:04:48,950 --> 00:04:46,320
and records of

129
00:04:51,110 --> 00:04:48,960
objects in the skies that we

130
00:04:53,749 --> 00:04:51,120
don't know exactly what they are we

131
00:04:55,510 --> 00:04:53,759
can't explain

132
00:05:03,830 --> 00:04:55,520
how they move

133
00:05:08,950 --> 00:05:06,629
all right so um that was an interesting

134
00:05:11,749 --> 00:05:08,960
video that i made that i think kind of

135
00:05:13,430 --> 00:05:11,759
captures um

136
00:05:15,270 --> 00:05:13,440
the history of all this in about two

137
00:05:15,990 --> 00:05:15,280
minutes obviously there's a lot left out

138
00:05:17,990 --> 00:05:16,000

but

139

00:05:21,749 --> 00:05:18,000

um so with that being said

140

00:05:24,469 --> 00:05:21,759

um i want to bring in first of all

141

00:05:26,390 --> 00:05:24,479

the co-host priscilla how are you

142

00:05:28,310 --> 00:05:26,400

hello how are you i hope everybody's

143

00:05:30,469 --> 00:05:28,320

well in the chat

144

00:05:32,310 --> 00:05:30,479

yeah me too thank you so much for doing

145

00:05:33,510 --> 00:05:32,320

this it really means a lot i appreciate

146

00:05:35,670 --> 00:05:33,520

it so

147

00:05:37,830 --> 00:05:35,680

likewise yeah it was a lot that i get to

148

00:05:39,029 --> 00:05:37,840

do this so thank you well don't let it

149

00:05:40,790 --> 00:05:39,039

go to your head we only have eight

150

00:05:43,909 --> 00:05:40,800

people watching i know you have other

151
00:05:47,350 --> 00:05:44,870
all right

152
00:05:49,990 --> 00:05:47,360
and uh without further ado let me bring

153
00:05:51,270 --> 00:05:50,000
in the man of the hour mr scott brown

154
00:05:52,469 --> 00:05:51,280
how are you sir

155
00:05:54,469 --> 00:05:52,479
how's it going

156
00:05:57,749 --> 00:05:54,479
pretty good thanks for having me again

157
00:06:00,309 --> 00:05:57,759
sean hi priscilla hello yeah of course

158
00:06:02,710 --> 00:06:00,319
we have you again um i'm sorry we didn't

159
00:06:03,749 --> 00:06:02,720
do it uh earlier

160
00:06:05,430 --> 00:06:03,759
but

161
00:06:07,430 --> 00:06:05,440
you know like i was saying early you

162
00:06:09,749 --> 00:06:07,440
know earlier in the show in the intro or

163
00:06:11,909 --> 00:06:09,759

whatever you call it um you know let's

164

00:06:13,749 --> 00:06:11,919

sneak to american cosmic and here comes

165

00:06:16,150 --> 00:06:13,759

scott brown

166

00:06:18,070 --> 00:06:16,160

um and i had to do a double take and

167

00:06:20,070 --> 00:06:18,080

then she said in the field and start

168

00:06:23,510 --> 00:06:20,080

describing you and i'm like yes that's

169

00:06:25,510 --> 00:06:23,520

exactly the scott brown i know

170

00:06:26,870 --> 00:06:25,520

well i thought i thought that you had

171

00:06:29,430 --> 00:06:26,880

already known

172

00:06:31,270 --> 00:06:29,440

no i had no i had no idea so i just

173

00:06:33,189 --> 00:06:31,280

never really mentioned it

174

00:06:35,189 --> 00:06:33,199

yeah no well that's the kind of person

175

00:06:37,590 --> 00:06:35,199

you are it's like no biggie i just have

176

00:06:39,270 --> 00:06:37,600

a whole chapter

177

00:06:41,590 --> 00:06:39,280

dedicated to me

178

00:06:43,029 --> 00:06:41,600

um yeah because i you know i'm still

179

00:06:45,670 --> 00:06:43,039

relatively

180

00:06:46,950 --> 00:06:45,680

new to all this and

181

00:06:48,550 --> 00:06:46,960

you know we

182

00:06:49,990 --> 00:06:48,560

priscilla hosted that book club thing

183

00:06:52,309 --> 00:06:50,000

yesterday were

184

00:06:54,710 --> 00:06:52,319

um dr

185

00:06:57,029 --> 00:06:54,720

paulska payalska

186

00:06:59,270 --> 00:06:57,039

basulka goddamn

187

00:07:01,029 --> 00:06:59,280

um she was on there and

188

00:07:02,390 --> 00:07:01,039

um

189

00:07:04,710 --> 00:07:02,400

you know

190

00:07:07,029 --> 00:07:04,720

in the the book encounter

191

00:07:10,309 --> 00:07:07,039

idea came up and

192

00:07:12,950 --> 00:07:10,319

you know really i've been in the 50s and

193

00:07:15,189 --> 00:07:12,960

50s documents since i got here

194

00:07:18,550 --> 00:07:15,199

um i feel like i am

195

00:07:19,350 --> 00:07:18,560

still in 1950 sometimes

196

00:07:20,150 --> 00:07:19,360

you know

197

00:07:24,070 --> 00:07:20,160

so

198

00:07:25,589 --> 00:07:24,080

and everything but um let me actually

199

00:07:27,110 --> 00:07:25,599

start off

200

00:07:28,390 --> 00:07:27,120

with asking

201

00:07:30,469 --> 00:07:28,400

um

202

00:07:31,830 --> 00:07:30,479

how did that come about how did you feel

203

00:07:33,909 --> 00:07:31,840

like how did you

204

00:07:36,870 --> 00:07:33,919

she did you just get a random call or an

205

00:07:38,150 --> 00:07:36,880

email or how did that work

206

00:07:41,749 --> 00:07:38,160

uh so

207

00:07:42,870 --> 00:07:41,759

i started the group in the field in 2013

208

00:07:45,189 --> 00:07:42,880

um

209

00:07:47,350 --> 00:07:45,199

started to gather gather people from all

210

00:07:50,469 --> 00:07:47,360

over that were shooting with infrared

211

00:07:51,510 --> 00:07:50,479

and full-spectrum cameras and telescopes

212

00:07:53,749 --> 00:07:51,520

and

213

00:07:55,589 --> 00:07:53,759

um you know kind of tried to

214

00:07:57,029 --> 00:07:55,599

vet the people that were coming into the

215

00:07:59,029 --> 00:07:57,039

group because i had a lot of problems

216

00:08:00,309 --> 00:07:59,039

with people coming in and

217

00:08:03,110 --> 00:08:00,319

posting

218

00:08:05,830 --> 00:08:03,120

outlandish stuff and

219

00:08:09,270 --> 00:08:05,840

you know so you know how that goes so

220

00:08:11,749 --> 00:08:09,280

she requested to come in the group

221

00:08:13,830 --> 00:08:11,759

and one of the questions to get in the

222

00:08:16,230 --> 00:08:13,840

group is

223

00:08:17,270 --> 00:08:16,240

who is your favorite

224

00:08:21,990 --> 00:08:17,280

uh

225

00:08:24,390 --> 00:08:22,000

vallee which is you know i'm i'm a

226

00:08:25,670 --> 00:08:24,400

student of valley i've read all his

227

00:08:28,469 --> 00:08:25,680

books and

228

00:08:31,350 --> 00:08:28,479

you know i just love the guy

229

00:08:33,350 --> 00:08:31,360

and so i let her in and uh didn't really

230

00:08:37,350 --> 00:08:33,360

think anything of it i saw that she was

231

00:08:39,029 --> 00:08:37,360

you know a professor of religion and um

232

00:08:41,029 --> 00:08:39,039

a couple months later a friend of mine

233

00:08:43,029 --> 00:08:41,039

says do you know who that is and i said

234

00:08:45,590 --> 00:08:43,039

no and they said well you know google

235

00:08:47,190 --> 00:08:45,600

her so i did

236

00:08:49,350 --> 00:08:47,200

and i looked her up and i said you know

237

00:08:52,230 --> 00:08:49,360

what she's probably looking at the

238

00:08:54,389 --> 00:08:52,240

parallels between modern day

239

00:08:57,030 --> 00:08:54,399

things that are going on compared to

240

00:08:58,710 --> 00:08:57,040

things that are in religious text

241

00:09:01,350 --> 00:08:58,720

um

242

00:09:03,190 --> 00:09:01,360

so you know it went on and and she would

243

00:09:05,269 --> 00:09:03,200

you know kind of like things and you

244

00:09:07,430 --> 00:09:05,279

know maybe comment every so often and

245

00:09:09,910 --> 00:09:07,440

then one day she sent me a message and

246

00:09:11,990 --> 00:09:09,920

said i'm working on a book called

247

00:09:14,070 --> 00:09:12,000

american cosmic and i'd like to feature

248

00:09:16,070 --> 00:09:14,080

you in the book and

249

00:09:18,230 --> 00:09:16,080

you know at first i was like what the

250

00:09:19,990 --> 00:09:18,240

hell is going on here you know

251

00:09:23,590 --> 00:09:20,000

i mean it's not anything

252

00:09:27,110 --> 00:09:23,600

he's ever asked me to do so um

253

00:09:27,990 --> 00:09:27,120

i said sure you know so she we set a

254

00:09:29,990 --> 00:09:28,000

date

255

00:09:31,829 --> 00:09:30,000

and um

256

00:09:33,350 --> 00:09:31,839

we corresponded back and forth in the

257

00:09:35,030 --> 00:09:33,360

private messages about a bunch of

258

00:09:37,269 --> 00:09:35,040

different things

259

00:09:39,350 --> 00:09:37,279

she flew out here from north carolina

260

00:09:41,590 --> 00:09:39,360

and we spent the day together

261

00:09:43,509 --> 00:09:41,600

and she brought i thought she was coming

262

00:09:46,550 --> 00:09:43,519

by herself

263

00:09:50,389 --> 00:09:46,560

and so i'm waiting in the restaurant

264

00:09:51,670 --> 00:09:50,399

and she walks in with this man and she

265

00:09:54,070 --> 00:09:51,680

says

266

00:09:56,150 --> 00:09:54,080

this is tyler

267

00:09:58,070 --> 00:09:56,160

but i can't tell you his real name and

268

00:10:00,310 --> 00:09:58,080

i'm you know

269

00:10:02,710 --> 00:10:00,320

looking around for cameras thinking this

270

00:10:07,590 --> 00:10:02,720

is some kind of like you know

271

00:10:12,710 --> 00:10:08,790

and so

272

00:10:15,030 --> 00:10:12,720

you know eventually um um you know i

273

00:10:17,030 --> 00:10:15,040

i found out who he is

274

00:10:19,110 --> 00:10:17,040

and um

275

00:10:22,230 --> 00:10:19,120

so we spent the whole day together you

276

00:10:24,870 --> 00:10:22,240

know walking around northampton and we

277

00:10:27,030 --> 00:10:24,880

sat at a couple coffee shops and you

278

00:10:28,630 --> 00:10:27,040

know i you know she was asking me for

279

00:10:31,110 --> 00:10:28,640

quotes and different things that i

280

00:10:33,269 --> 00:10:31,120

thought about the phenomenon

281

00:10:35,430 --> 00:10:33,279

she flew back home and

282

00:10:37,430 --> 00:10:35,440

the book came out i think two years

283

00:10:38,710 --> 00:10:37,440

later or a year and a half something

284

00:10:39,750 --> 00:10:38,720

like that

285

00:10:41,590 --> 00:10:39,760

and um

286

00:10:43,190 --> 00:10:41,600

you know we've been friends ever since i

287

00:10:44,829 --> 00:10:43,200

mean i talked to her on the phone all

288

00:10:47,269 --> 00:10:44,839

the time i talked to her through the

289

00:10:50,710 --> 00:10:47,279

email so

290

00:10:55,269 --> 00:10:50,720

very intelligent woman um you know very

291

00:10:56,949 --> 00:10:55,279

very meticulous about her research and

292

00:10:58,710 --> 00:10:56,959

you know i trusted her

293

00:11:02,069 --> 00:10:58,720

like it says in the book you know i

294

00:11:04,710 --> 00:11:02,079

asked her are are you religious because

295

00:11:07,350 --> 00:11:04,720

she's a professor of religion

296

00:11:08,069 --> 00:11:07,360

and you know she i was trying to get at

297

00:11:13,269 --> 00:11:08,079

her

298

00:11:14,630 --> 00:11:13,279

had a solid set of beliefs that were

299

00:11:17,910 --> 00:11:14,640

guiding her

300

00:11:18,790 --> 00:11:17,920

through this minefield of ufology right

301

00:11:21,509 --> 00:11:18,800

um

302

00:11:23,990 --> 00:11:21,519

and you know she was totally open i mean

303

00:11:26,389 --> 00:11:24,000

you know totally open to you know all

304

00:11:29,829 --> 00:11:26,399

kinds of new ideas and

305

00:11:31,030 --> 00:11:29,839

you know so that's how it all started

306

00:11:32,550 --> 00:11:31,040

awesome

307

00:11:34,550 --> 00:11:32,560

um

308

00:11:36,150 --> 00:11:34,560

yeah i guess uh to

309

00:11:38,710 --> 00:11:36,160

just follow up with that were you were

310

00:11:40,790 --> 00:11:38,720

you like um

311

00:11:44,470 --> 00:11:40,800

why why me

312

00:11:50,310 --> 00:11:46,230

if somebody asked me to be in a book i'd

313

00:11:54,310 --> 00:11:50,320

be like i think you got the wrong person

314

00:11:57,430 --> 00:11:54,320

well she somebody had pointed her to my

315

00:12:01,430 --> 00:11:57,440

group and i had only done

316

00:12:04,230 --> 00:12:01,440

two separate interviews online so

317

00:12:07,350 --> 00:12:04,240

you know i i thought well you know she

318

00:12:09,990 --> 00:12:07,360

she was watching what i was doing and so

319

00:12:12,310 --> 00:12:10,000

the main focus of the group was to take

320

00:12:13,190 --> 00:12:12,320

in footage

321

00:12:16,710 --> 00:12:13,200

that

322

00:12:19,750 --> 00:12:16,720

dedicated sky watchers were creating

323

00:12:23,190 --> 00:12:19,760

and try to debunk it ourselves

324

00:12:25,030 --> 00:12:23,200

because we were i'm very you know kind

325

00:12:27,430 --> 00:12:25,040

of discerning about that especially

326

00:12:29,590 --> 00:12:27,440

about my own footage about putting

327

00:12:31,670 --> 00:12:29,600

things online that i think maybe

328

00:12:34,710 --> 00:12:31,680

something and it turns out to be nothing

329

00:12:36,310 --> 00:12:34,720

and so i'm very careful about that so a

330

00:12:38,230 --> 00:12:36,320

lot of times people would come in you

331

00:12:41,110 --> 00:12:38,240

know they'd have a mylar balloon at a

332

00:12:43,670 --> 00:12:41,120

distance it's flipping in the wind

333

00:12:46,470 --> 00:12:43,680

and they're calling it a morphing ufo

334

00:12:47,670 --> 00:12:46,480

and you know so

335

00:12:52,550 --> 00:12:47,680

kind of like

336

00:12:53,590 --> 00:12:52,560

uh

337

00:12:56,230 --> 00:12:53,600

kind of

338

00:12:57,590 --> 00:12:56,240

tools that we use to try to teach people

339

00:13:04,949 --> 00:12:57,600

to

340

00:13:07,269 --> 00:13:04,959

you know that's a that's a bird

341

00:13:09,829 --> 00:13:07,279

you know or that's a balloon or whatever

342

00:13:13,190 --> 00:13:09,839

it is so she was watching this stuff and

343

00:13:15,430 --> 00:13:13,200

she was watching what i was doing and

344

00:13:18,389 --> 00:13:15,440

you know i had no idea that i was under

345

00:13:21,509 --> 00:13:18,399

such a microscope

346

00:13:24,389 --> 00:13:21,519

but uh she you know i i did feel that

347

00:13:26,230 --> 00:13:24,399

way i was like you know why me i mean

348

00:13:27,910 --> 00:13:26,240

when we got to the restaurant she goes

349

00:13:30,710 --> 00:13:27,920

because i trust you

350

00:13:32,829 --> 00:13:30,720

yeah so i said you know what that's good

351
00:13:35,990 --> 00:13:32,839
enough for me

352
00:13:37,509 --> 00:13:36,000
so yeah that that um

353
00:13:40,389 --> 00:13:37,519
you know in the end that that kind of

354
00:13:41,750 --> 00:13:40,399
goes a long way doesn't it it does

355
00:13:42,870 --> 00:13:41,760
you can be

356
00:13:45,590 --> 00:13:42,880
um

357
00:13:47,990 --> 00:13:45,600
as smart as you want or lack as much

358
00:13:49,189 --> 00:13:48,000
knowledge as possible but if you trust

359
00:13:51,189 --> 00:13:49,199
somebody

360
00:13:53,269 --> 00:13:51,199
um you can work through things and and

361
00:13:55,110 --> 00:13:53,279
get to good places together no matter

362
00:13:56,470 --> 00:13:55,120
what yeah

363
00:13:57,910 --> 00:13:56,480

what about you priscilla you got any

364

00:14:00,949 --> 00:13:57,920

questions for him

365

00:14:03,189 --> 00:14:00,959

i i kind of have some questions um

366

00:14:04,470 --> 00:14:03,199

that this the phenomenon has not been

367

00:14:06,629 --> 00:14:04,480

the recent thing for you you've

368

00:14:09,030 --> 00:14:06,639

experienced uh strange

369

00:14:11,189 --> 00:14:09,040

occurrences since you were small right

370

00:14:12,710 --> 00:14:11,199

um she goes into a little bit of that in

371

00:14:14,870 --> 00:14:12,720

the book but

372

00:14:16,629 --> 00:14:14,880

i'm starting to see um

373

00:14:18,150 --> 00:14:16,639

patterns you know and other people are

374

00:14:19,189 --> 00:14:18,160

seeing these patterns too

375

00:14:20,870 --> 00:14:19,199

but

376

00:14:22,470 --> 00:14:20,880

people like um like she talks a lot

377

00:14:23,990 --> 00:14:22,480

about your vocation and do you think

378

00:14:25,509 --> 00:14:24,000

that has anything to do with your early

379

00:14:27,910 --> 00:14:25,519

experiences

380

00:14:30,710 --> 00:14:27,920

um as a child and what was your earliest

381

00:14:32,710 --> 00:14:30,720

uh you know experience or sighting do

382

00:14:35,030 --> 00:14:32,720

you know about what age you were

383

00:14:38,550 --> 00:14:35,040

yeah so um

384

00:14:40,470 --> 00:14:38,560

it it all started in 1987 i had a couple

385

00:14:42,069 --> 00:14:40,480

episodes of what they call sleep

386

00:14:45,350 --> 00:14:42,079

paralysis

387

00:14:47,829 --> 00:14:45,360

um scared the living crap out of me

388

00:14:49,670 --> 00:14:47,839

um it was like nothing i had ever felt

389

00:14:51,990 --> 00:14:49,680

the feeling of it kind of just stayed

390

00:14:53,030 --> 00:14:52,000

with me for days afterwards

391

00:14:56,150 --> 00:14:53,040

um

392

00:15:00,790 --> 00:14:56,160

i didn't know what sleep paralysis was

393

00:15:03,590 --> 00:15:00,800

so you know long story short um

394

00:15:06,150 --> 00:15:03,600

soon after that i found a book by howard

395

00:15:07,509 --> 00:15:06,160

blum called out there and it was shoved

396

00:15:09,509 --> 00:15:07,519

into a

397

00:15:12,790 --> 00:15:09,519

section of biographies and i pulled it

398

00:15:15,110 --> 00:15:12,800

out i read it and that was it it

399

00:15:17,350 --> 00:15:15,120

launched me and i just began to read

400

00:15:20,069 --> 00:15:17,360

everything i could get my hands on the

401
00:15:21,750 --> 00:15:20,079
internet was young so it was you know

402
00:15:24,550 --> 00:15:21,760
library cards

403
00:15:27,350 --> 00:15:24,560
going through libraries things like that

404
00:15:30,629 --> 00:15:27,360
no so um

405
00:15:33,030 --> 00:15:30,639
when i began to get into the literature

406
00:15:35,189 --> 00:15:33,040
i began to see parallels with things

407
00:15:37,269 --> 00:15:35,199
that happened in my early life that i

408
00:15:39,749 --> 00:15:37,279
never even looked at before i never

409
00:15:42,230 --> 00:15:39,759
thought anything of it

410
00:15:45,350 --> 00:15:42,240
and the first one was when i was about

411
00:15:46,629 --> 00:15:45,360
four years old um i disappeared from our

412
00:15:48,949 --> 00:15:46,639
home

413
00:15:51,350 --> 00:15:48,959

and my father was a police officer in a

414

00:15:54,550 --> 00:15:51,360

small town in connecticut

415

00:15:56,389 --> 00:15:54,560

they put out an apb for me uh the whole

416

00:15:58,310 --> 00:15:56,399

town was looking for me you know very

417

00:16:00,310 --> 00:15:58,320

close-knit town everybody knew each

418

00:16:01,509 --> 00:16:00,320

other so all the families were looking

419

00:16:03,509 --> 00:16:01,519

for me

420

00:16:05,350 --> 00:16:03,519

a couple hours later i'd come wandering

421

00:16:08,629 --> 00:16:05,360

up out of a field saying that i was

422

00:16:10,710 --> 00:16:08,639

talking to horses but they were cows

423

00:16:13,269 --> 00:16:10,720

um so

424

00:16:15,269 --> 00:16:13,279

the the reason this stood out so much is

425

00:16:16,710 --> 00:16:15,279

because my mother wrote about it in her

426
00:16:18,870 --> 00:16:16,720
diary

427
00:16:20,470 --> 00:16:18,880
and she would talk about it her whole

428
00:16:23,350 --> 00:16:20,480
life

429
00:16:25,910 --> 00:16:23,360
right up until just a few years before

430
00:16:28,389 --> 00:16:25,920
she passed she would talk about it

431
00:16:32,389 --> 00:16:28,399
and why it stood out to her and my

432
00:16:38,150 --> 00:16:35,189
the door was dead bolted from the inside

433
00:16:40,389 --> 00:16:38,160
when they woke up so they still to this

434
00:16:41,829 --> 00:16:40,399
day have no idea how i got out of the

435
00:16:45,110 --> 00:16:41,839
house wow

436
00:16:47,509 --> 00:16:45,120
so this happened a second time uh

437
00:16:49,350 --> 00:16:47,519
some months down the road maybe maybe a

438
00:16:51,670 --> 00:16:49,360

year

439

00:16:53,430 --> 00:16:51,680

and they found me again wandering up out

440

00:16:55,189 --> 00:16:53,440

of the woods

441

00:16:57,509 --> 00:16:55,199

um and so

442

00:16:59,910 --> 00:16:57,519

i began to look at these incidents and

443

00:17:01,430 --> 00:16:59,920

think you know did something possibly

444

00:17:04,309 --> 00:17:01,440

happen to me i

445

00:17:06,710 --> 00:17:04,319

and i can't say for sure yeah um you

446

00:17:09,270 --> 00:17:06,720

know so then my brother

447

00:17:11,270 --> 00:17:09,280

would have we got a little bit older and

448

00:17:13,909 --> 00:17:11,280

my brother would have

449

00:17:17,189 --> 00:17:13,919

a recurring nightmare of a giant praying

450

00:17:19,270 --> 00:17:17,199

mantis looking in the window

451
00:17:21,029 --> 00:17:19,280
and

452
00:17:23,510 --> 00:17:21,039
he would have a second nightmare that

453
00:17:26,549 --> 00:17:23,520
would repeat itself where

454
00:17:29,350 --> 00:17:26,559
he would come to the top of the stairs

455
00:17:31,510 --> 00:17:29,360
he would float down the stairs

456
00:17:33,590 --> 00:17:31,520
when he got to the landing at the bottom

457
00:17:36,470 --> 00:17:33,600
he would come around the corner

458
00:17:38,549 --> 00:17:36,480
and he would see me in a chair hooked up

459
00:17:42,150 --> 00:17:38,559
to machinery

460
00:17:44,390 --> 00:17:42,160
with men around me with big heads

461
00:17:45,830 --> 00:17:44,400
and this was his dream

462
00:17:48,470 --> 00:17:45,840
so

463
00:17:50,710 --> 00:17:48,480

making that connection years and years

464

00:17:53,669 --> 00:17:50,720

later because at the time we would laugh

465

00:17:55,669 --> 00:17:53,679

it off you know that's stupid

466

00:17:58,789 --> 00:17:55,679

what a weird dream brother yeah like

467

00:18:01,430 --> 00:17:58,799

right and and it was just so you know so

468

00:18:04,150 --> 00:18:01,440

those connections started to kind of

469

00:18:06,710 --> 00:18:04,160

maybe solidify a little bit that's maybe

470

00:18:09,830 --> 00:18:06,720

something strange was going on

471

00:18:11,750 --> 00:18:09,840

um and so i ended up a few years ago

472

00:18:14,470 --> 00:18:11,760

making a short documentary i think

473

00:18:16,789 --> 00:18:14,480

sean's seen it yeah and the title of it

474

00:18:17,669 --> 00:18:16,799

is called what is the catalyst for the

475

00:18:19,430 --> 00:18:17,679

hunt

476
00:18:21,750 --> 00:18:19,440
meaning

477
00:18:24,710 --> 00:18:21,760
did this

478
00:18:27,350 --> 00:18:24,720
sleep paralysis incident

479
00:18:29,430 --> 00:18:27,360
launch me into this field and make me

480
00:18:31,510 --> 00:18:29,440
look at this phenomenon

481
00:18:33,909 --> 00:18:31,520
and i can't really say for sure so i

482
00:18:35,510 --> 00:18:33,919
don't know yeah i think we've had that

483
00:18:38,070 --> 00:18:35,520
discussion

484
00:18:40,390 --> 00:18:38,080
i think before yeah we're

485
00:18:42,870 --> 00:18:40,400
you know are we

486
00:18:44,789 --> 00:18:42,880
are we almost selected or given these

487
00:18:47,590 --> 00:18:44,799
experiences

488
00:18:49,990 --> 00:18:47,600

so that we then can be obsessed

489

00:18:51,350 --> 00:18:50,000

and just pursue it you know constantly i

490

00:18:52,870 --> 00:18:51,360

think they took you out of your bed why

491

00:18:54,630 --> 00:18:52,880

don't they just put you back in your bed

492

00:18:57,190 --> 00:18:54,640

i know people with

493

00:18:58,150 --> 00:18:57,200

similar experiences and

494

00:18:59,430 --> 00:18:58,160

i mean

495

00:19:00,950 --> 00:18:59,440

now that i've put it out there with my

496

00:19:02,789 --> 00:19:00,960

experience uh

497

00:19:04,789 --> 00:19:02,799

that's happened to me three three times

498

00:19:06,549 --> 00:19:04,799

in my life um the whole waking up

499

00:19:08,950 --> 00:19:06,559

outside thing i'm like well

500

00:19:10,630 --> 00:19:08,960

it's scary um

501
00:19:12,310 --> 00:19:10,640
you know like if they were spaced out it

502
00:19:14,950 --> 00:19:12,320
was like when i was five and then

503
00:19:16,950 --> 00:19:14,960
teenage years and then

504
00:19:18,710 --> 00:19:16,960
just on it like the beginning of this

505
00:19:20,870 --> 00:19:18,720
year and that one for me really stood

506
00:19:22,150 --> 00:19:20,880
out because i'm you know in my 30s and

507
00:19:25,350 --> 00:19:22,160
i'm like i thought that was all over

508
00:19:27,510 --> 00:19:25,360
with but the the thing that

509
00:19:29,029 --> 00:19:27,520
confuses me is why do they only let you

510
00:19:31,110 --> 00:19:29,039
remember a little bit

511
00:19:33,190 --> 00:19:31,120
of what happened if that is the case and

512
00:19:34,710 --> 00:19:33,200
like you said every experienter with

513
00:19:37,350 --> 00:19:34,720

sleep paralysis and those events

514

00:19:39,909 --> 00:19:37,360

happening cannot say like yeah i was

515

00:19:41,270 --> 00:19:39,919

taken but there's so much like you think

516

00:19:42,470 --> 00:19:41,280

as a child

517

00:19:44,390 --> 00:19:42,480

um

518

00:19:45,990 --> 00:19:44,400

you you're not talking to other people

519

00:19:48,070 --> 00:19:46,000

about their experiences and they just

520

00:19:49,510 --> 00:19:48,080

happen so it's definitely mind-boggling

521

00:19:50,789 --> 00:19:49,520

how everybody gets that type of sleep

522

00:19:52,310 --> 00:19:50,799

paralysis

523

00:19:54,150 --> 00:19:52,320

and not just the one where because i've

524

00:19:54,950 --> 00:19:54,160

had several types where

525

00:19:56,950 --> 00:19:54,960

um

526

00:19:59,270 --> 00:19:56,960

it is like the whole like coming back

527

00:20:01,430 --> 00:19:59,280

into my body of being awake

528

00:20:03,029 --> 00:20:01,440

but then there's a kind that

529

00:20:04,950 --> 00:20:03,039

it's just different i don't know how to

530

00:20:07,190 --> 00:20:04,960

explain it like you said it stays with

531

00:20:09,270 --> 00:20:07,200

you yeah

532

00:20:11,350 --> 00:20:09,280

yeah it was uh

533

00:20:13,350 --> 00:20:11,360

you know i and i i

534

00:20:15,029 --> 00:20:13,360

to this day i still can't describe it

535

00:20:17,110 --> 00:20:15,039

it's it's

536

00:20:18,070 --> 00:20:17,120

i had nightmares just like any other

537

00:20:21,110 --> 00:20:18,080

child

538

00:20:23,909 --> 00:20:21,120

uh got scared by horror films

539

00:20:27,190 --> 00:20:23,919

but it was nothing like that it was this

540

00:20:29,350 --> 00:20:27,200

deep deep-seated fear

541

00:20:31,350 --> 00:20:29,360

of something that i felt like it was

542

00:20:32,230 --> 00:20:31,360

near me

543

00:20:34,149 --> 00:20:32,240

and

544

00:20:37,110 --> 00:20:34,159

when the second incident happened i said

545

00:20:39,350 --> 00:20:37,120

to my wife i think this place is haunted

546

00:20:40,630 --> 00:20:39,360

and she said why and i said because you

547

00:20:42,070 --> 00:20:40,640

know and i told her what happened and

548

00:20:45,669 --> 00:20:42,080

she goes oh you were just having a

549

00:20:50,310 --> 00:20:47,350

and then i didn't think about it again

550

00:20:52,470 --> 00:20:50,320

that the feeling stayed with me

551
00:20:55,750 --> 00:20:52,480
for a while and i actually you know

552
00:20:57,510 --> 00:20:55,760
being an artist i sat down and i

553
00:20:59,270 --> 00:20:57,520
painted a watercolor

554
00:21:02,070 --> 00:20:59,280
of my impression

555
00:21:03,590 --> 00:21:02,080
not something that i had seen but the

556
00:21:05,990 --> 00:21:03,600
feeling that i got

557
00:21:08,870 --> 00:21:06,000
and it was this hooded being with almond

558
00:21:10,390 --> 00:21:08,880
shaped eyes but with no face no nose no

559
00:21:14,390 --> 00:21:10,400
mouth

560
00:21:16,390 --> 00:21:14,400
and just and red glowing eyes and um

561
00:21:17,990 --> 00:21:16,400
you know i i don't know

562
00:21:19,669 --> 00:21:18,000
i just don't know

563
00:21:21,750 --> 00:21:19,679

that's the most frustrating part isn't

564

00:21:23,510 --> 00:21:21,760

it yeah

565

00:21:25,029 --> 00:21:23,520

how are we supposed to know you know how

566

00:21:26,390 --> 00:21:25,039

are people supposed how do we study

567

00:21:28,230 --> 00:21:26,400

something like this because it's

568

00:21:30,630 --> 00:21:28,240

existing in our own consciousness in our

569

00:21:33,110 --> 00:21:30,640

own mind we haven't figured out how to

570

00:21:34,950 --> 00:21:33,120

like tap into each other's memories yet

571

00:21:36,470 --> 00:21:34,960

or kind of like go back it's not just

572

00:21:38,149 --> 00:21:36,480

like a filing system where you can go

573

00:21:39,430 --> 00:21:38,159

back you know some people say it can be

574

00:21:42,390 --> 00:21:39,440

like if i'm through like you know

575

00:21:44,310 --> 00:21:42,400

hypnosis and even um meditations where

576

00:21:46,870 --> 00:21:44,320

you do like your own regressions things

577

00:21:49,110 --> 00:21:46,880

can come up but it's um my heart really

578

00:21:50,149 --> 00:21:49,120

goes out to people because

579

00:21:51,110 --> 00:21:50,159

you kind of like don't want to tell

580

00:21:53,590 --> 00:21:51,120

anybody everybody's like oh well you

581

00:21:54,950 --> 00:21:53,600

were just dreaming but i mean come on

582

00:21:56,789 --> 00:21:54,960

you know every anybody that's

583

00:21:59,430 --> 00:21:56,799

experienced that knows the difference

584

00:22:02,470 --> 00:21:59,440

you know and i i um

585

00:22:04,149 --> 00:22:02,480

dr david jacobs if you're either of you

586

00:22:05,510 --> 00:22:04,159

are familiar with him he's written a

587

00:22:07,669 --> 00:22:05,520

couple of books

588

00:22:10,230 --> 00:22:07,679

uh he did a lot of regression work back

589

00:22:13,430 --> 00:22:10,240

in the 80s and the 90s

590

00:22:15,350 --> 00:22:13,440

he i had written him a letter uh an

591

00:22:18,950 --> 00:22:15,360

email telling him what happened to me

592

00:22:20,870 --> 00:22:18,960

and he offered to put me under

593

00:22:22,630 --> 00:22:20,880

and i talked to a few other people and

594

00:22:25,029 --> 00:22:22,640

you know they finally convinced me you

595

00:22:26,789 --> 00:22:25,039

know don't do it and i just said you

596

00:22:29,750 --> 00:22:26,799

know what i

597

00:22:31,029 --> 00:22:29,760

i don't want it to be where

598

00:22:33,430 --> 00:22:31,039

someone's

599

00:22:34,870 --> 00:22:33,440

injecting these ideas in my head and

600

00:22:38,070 --> 00:22:34,880

then all of a sudden they become

601
00:22:39,830 --> 00:22:38,080
memories for me i don't want that yeah

602
00:22:41,430 --> 00:22:39,840
i just kind of backed away from it and

603
00:22:43,430 --> 00:22:41,440
never did it

604
00:22:44,149 --> 00:22:43,440
what is your take on that now do you do

605
00:22:45,750 --> 00:22:44,159
you

606
00:22:47,029 --> 00:22:45,760
feel like there's

607
00:22:48,549 --> 00:22:47,039
um

608
00:22:50,149 --> 00:22:48,559
you know for the right person at least

609
00:22:52,870 --> 00:22:50,159
something good to be had from a

610
00:22:54,470 --> 00:22:52,880
regression if it's like the right person

611
00:22:56,630 --> 00:22:54,480
doing it or

612
00:22:58,950 --> 00:22:56,640
i do and i think that there are people

613
00:23:02,070 --> 00:22:58,960

out there that are are super qualified

614

00:23:05,270 --> 00:23:02,080

to do it um and and but there's there's

615

00:23:07,750 --> 00:23:05,280

rules that they have to go by and and

616

00:23:10,149 --> 00:23:07,760

you have to say things a certain way and

617

00:23:12,070 --> 00:23:10,159

you have to ask questions a certain way

618

00:23:15,110 --> 00:23:12,080

without

619

00:23:17,830 --> 00:23:15,120

forcing these ideas into someone's mind

620

00:23:21,110 --> 00:23:17,840

and there are you know very qualified

621

00:23:22,549 --> 00:23:21,120

hypnotherapists out there and um

622

00:23:24,789 --> 00:23:22,559

but you know there's a lot of people

623

00:23:27,190 --> 00:23:24,799

that have learned how to do it from

624

00:23:29,510 --> 00:23:27,200

watching videos and

625

00:23:31,669 --> 00:23:29,520

you know so you got to be really careful

626
00:23:33,270 --> 00:23:31,679
about what you're doing

627
00:23:35,990 --> 00:23:33,280
yeah it's kind of like everything else

628
00:23:37,270 --> 00:23:36,000
in this field here

629
00:23:38,870 --> 00:23:37,280
and it's no joke you're messing with

630
00:23:40,789 --> 00:23:38,880
somebody's brain i don't know if

631
00:23:43,190 --> 00:23:40,799
anybody's familiar with the show called

632
00:23:44,950 --> 00:23:43,200
hillier it was about um

633
00:23:45,909 --> 00:23:44,960
um you remember

634
00:23:47,510 --> 00:23:45,919
the second i don't know if it was the

635
00:23:49,350 --> 00:23:47,520
first one because there's a couple the

636
00:23:51,510 --> 00:23:49,360
one where they put his he put his friend

637
00:23:53,190 --> 00:23:51,520
under hypnosis and fed a

638
00:23:55,110 --> 00:23:53,200

abduction scenario into his friend's

639

00:23:57,350 --> 00:23:55,120

head and then after that his friend

640

00:23:59,510 --> 00:23:57,360

was well he was under his hypnosis and

641

00:24:01,990 --> 00:23:59,520

after that his friend like really didn't

642

00:24:04,950 --> 00:24:02,000

know he thought it was real he actually

643

00:24:06,630 --> 00:24:04,960

thought like i think this happened to me

644

00:24:08,549 --> 00:24:06,640

and he was terrified about it you can't

645

00:24:10,789 --> 00:24:08,559

just mess with people it's like yeah

646

00:24:12,390 --> 00:24:10,799

it's not you it's definitely gotta be

647

00:24:15,590 --> 00:24:12,400

somebody who's qualified if you're

648

00:24:19,350 --> 00:24:15,600

looking for real answers that show like

649

00:24:21,990 --> 00:24:19,360

uh had like had me intrigued for a while

650

00:24:24,230 --> 00:24:22,000

but then it started blowing it big time

651
00:24:26,149 --> 00:24:24,240
with like the balloon in the woods like

652
00:24:30,230 --> 00:24:26,159
okay so you can't just stop a camera and

653
00:24:34,789 --> 00:24:32,630
that doesn't yeah but

654
00:24:37,029 --> 00:24:34,799
yeah that's uh that's intense messing

655
00:24:39,430 --> 00:24:37,039
with people's minds especially when you

656
00:24:40,870 --> 00:24:39,440
know the topic at hand seems to discuss

657
00:24:43,110 --> 00:24:40,880
a lot of you know

658
00:24:45,510 --> 00:24:43,120
placed memories and

659
00:24:47,909 --> 00:24:45,520
you know what are the real memories like

660
00:24:50,070 --> 00:24:47,919
are the abductions are those real

661
00:24:51,269 --> 00:24:50,080
memories are those place memories from

662
00:24:53,510 --> 00:24:51,279
beings

663
00:24:55,750 --> 00:24:53,520

yeah you know

664

00:24:57,990 --> 00:24:55,760

maybe did something else happen and they

665

00:25:00,390 --> 00:24:58,000

put that there because they want you to

666

00:25:01,430 --> 00:25:00,400

think a certain thing you know

667

00:25:02,230 --> 00:25:01,440

it's

668

00:25:11,510 --> 00:25:02,240

i

669

00:25:14,710 --> 00:25:11,520

hypnotherapy because you know where do

670

00:25:17,269 --> 00:25:14,720

you go from there you know right and

671

00:25:18,470 --> 00:25:17,279

it's kind of like uh

672

00:25:20,710 --> 00:25:18,480

somebody

673

00:25:24,310 --> 00:25:20,720

gave me this analogy a few years ago

674

00:25:26,310 --> 00:25:24,320

where they said uh imagine you're a fish

675

00:25:29,830 --> 00:25:26,320

and you're swimming along

676
00:25:31,669 --> 00:25:29,840
and you see this worm dangling

677
00:25:33,830 --> 00:25:31,679
so you bite it

678
00:25:34,870 --> 00:25:33,840
and you're instantly pulled out of your

679
00:25:37,110 --> 00:25:34,880
world

680
00:25:39,750 --> 00:25:37,120
and these bigger beings are looking at

681
00:25:41,750 --> 00:25:39,760
you and they're you know examining you

682
00:25:43,830 --> 00:25:41,760
and the next thing you know they throw

683
00:25:45,990 --> 00:25:43,840
you back and you swim back to your

684
00:25:47,669 --> 00:25:46,000
school of fish and you say

685
00:25:49,990 --> 00:25:47,679
there's this other world out there and

686
00:25:52,070 --> 00:25:50,000
there's these other beings that are

687
00:25:54,549 --> 00:25:52,080
intelligent and

688
00:25:57,750 --> 00:25:54,559

all the other fish say yeah yeah yeah

689

00:25:58,950 --> 00:25:57,760

ugly you know

690

00:26:01,590 --> 00:25:58,960

and uh

691

00:26:04,310 --> 00:26:01,600

you know so i mean

692

00:26:08,310 --> 00:26:04,320

i i look at it like

693

00:26:13,669 --> 00:26:11,029

is very intelligent and it and is much

694

00:26:16,710 --> 00:26:13,679

more highly intelligent than we are

695

00:26:18,710 --> 00:26:16,720

and i think that it knows

696

00:26:20,070 --> 00:26:18,720

everything about us how we're going to

697

00:26:22,470 --> 00:26:20,080

react

698

00:26:25,430 --> 00:26:22,480

um how we're going to

699

00:26:27,430 --> 00:26:25,440

uh act towards a certain stimulus that

700

00:26:28,950 --> 00:26:27,440

they provide for us

701
00:26:30,149 --> 00:26:28,960
um

702
00:26:32,950 --> 00:26:30,159
and so

703
00:26:34,549 --> 00:26:32,960
that that can be you know if something

704
00:26:37,669 --> 00:26:34,559
had that

705
00:26:39,669 --> 00:26:37,679
you know source of knowledge

706
00:26:41,990 --> 00:26:39,679
it could easily easily be very

707
00:26:44,950 --> 00:26:42,000
manipulative it could do whatever it

708
00:26:46,390 --> 00:26:44,960
wanted and you would never know what was

709
00:26:51,750 --> 00:26:46,400
going on

710
00:26:55,990 --> 00:26:53,269
we even deal with that um just on a

711
00:26:57,590 --> 00:26:56,000
day-to-day basis uh with all the

712
00:26:58,870 --> 00:26:57,600
technology

713
00:27:01,190 --> 00:26:58,880

i i mean um

714

00:27:02,950 --> 00:27:01,200

diana went into some detail on it in her

715

00:27:04,390 --> 00:27:02,960

book like our brain doesn't know the

716

00:27:05,669 --> 00:27:04,400

difference between something that we see

717

00:27:08,149 --> 00:27:05,679

on a screen

718

00:27:09,830 --> 00:27:08,159

even if we know it's fake like our brain

719

00:27:12,149 --> 00:27:09,840

makes it a memory

720

00:27:15,190 --> 00:27:12,159

so that's just us that's just us little

721

00:27:16,710 --> 00:27:15,200

humans trying to manipulate one another

722

00:27:18,470 --> 00:27:16,720

but something

723

00:27:21,029 --> 00:27:18,480

you know that's

724

00:27:25,750 --> 00:27:21,039

mastered traveling in other dimensions

725

00:27:27,990 --> 00:27:25,760

or consciousness related um travel it's

726

00:27:29,269 --> 00:27:28,000

how do we stand a chance for it you know

727

00:27:30,470 --> 00:27:29,279

like how are we even supposed to

728

00:27:32,630 --> 00:27:30,480

understand it

729

00:27:35,590 --> 00:27:32,640

right

730

00:27:37,430 --> 00:27:35,600

i wanted to i know you gotta get out of

731

00:27:39,909 --> 00:27:37,440

here before the hour but i wanted to

732

00:27:42,789 --> 00:27:39,919

play this clip i post on twitter

733

00:27:46,389 --> 00:27:42,799

to kind of instigate uh a conversation

734

00:27:47,430 --> 00:27:46,399

between us and so i will just play that

735

00:27:49,430 --> 00:27:47,440

and

736

00:27:51,830 --> 00:27:49,440

that opens a question of

737

00:27:53,190 --> 00:27:51,840

really at two levels uh could the ufo

738

00:27:55,029 --> 00:27:53,200

phenomenon

739

00:27:57,269 --> 00:27:55,039

be manipulating us could it be a

740

00:27:59,750 --> 00:27:57,279

teaching system of some sort perhaps

741

00:28:01,750 --> 00:27:59,760

something that we are creating ourselves

742

00:28:04,149 --> 00:28:01,760

perhaps a series of images that we are

743

00:28:06,389 --> 00:28:04,159

projecting i think carl jung came very

744

00:28:09,590 --> 00:28:06,399

close to to expressing that idea in one

745

00:28:11,510 --> 00:28:09,600

of his books or could it be manipulated

746

00:28:13,830 --> 00:28:11,520

purposefully by people who have the

747

00:28:16,630 --> 00:28:13,840

technology to

748

00:28:18,230 --> 00:28:16,640

simulate ufo sightings and people say

749

00:28:21,190 --> 00:28:18,240

well of course not who would do a thing

750

00:28:22,950 --> 00:28:21,200

like that well i would remind you that

751
00:28:24,710 --> 00:28:22,960
during watergate during the watergate

752
00:28:26,549 --> 00:28:24,720
investigation it was discovered that

753
00:28:29,190 --> 00:28:26,559
there was a plan

754
00:28:31,750 --> 00:28:29,200
originated in the white house

755
00:28:33,909 --> 00:28:31,760
to surface a submarine off the coast of

756
00:28:35,830 --> 00:28:33,919
cuba and paint the second coming of

757
00:28:37,430 --> 00:28:35,840
christ over the island of cuba using

758
00:28:39,669 --> 00:28:37,440
holograms

759
00:28:41,990 --> 00:28:39,679
which is well within our technology

760
00:28:44,470 --> 00:28:42,000
today the idea was that since there is a

761
00:28:47,909 --> 00:28:44,480
large catholic population in cuba they

762
00:28:49,750 --> 00:28:47,919
would be so upset by this vision that

763
00:28:51,430 --> 00:28:49,760

this would saturate the communication

764

00:28:53,430 --> 00:28:51,440

channels you know the telephone system

765

00:28:57,510 --> 00:28:53,440

in cuba long enough for an invasion to

766

00:29:01,269 --> 00:29:00,149

good timing uh yeah

767

00:29:04,389 --> 00:29:01,279

yeah

768

00:29:06,630 --> 00:29:04,399

and what i first think about that is

769

00:29:08,149 --> 00:29:06,640

you know a part of me thinks the latter

770

00:29:11,990 --> 00:29:08,159

hypothesis

771

00:29:14,710 --> 00:29:12,000

is actually more realistic sometimes

772

00:29:17,029 --> 00:29:14,720

you know like the hologram thing or the

773

00:29:18,950 --> 00:29:17,039

because you look at those ufo reports

774

00:29:21,750 --> 00:29:18,960

back in the day and

775

00:29:25,510 --> 00:29:21,760

you know one of their big concerns was

776
00:29:28,230 --> 00:29:25,520
having their communication lines jammed

777
00:29:30,389 --> 00:29:28,240
with all the ufo reports right you know

778
00:29:32,630 --> 00:29:30,399
and the fake radar tracks

779
00:29:33,909 --> 00:29:32,640
but then the the earlier thing he said

780
00:29:35,350 --> 00:29:33,919
too was

781
00:29:38,950 --> 00:29:35,360
you know we hear about this law of

782
00:29:40,630 --> 00:29:38,960
attraction and you know the old

783
00:29:42,630 --> 00:29:40,640
you know what you think

784
00:29:44,310 --> 00:29:42,640
what you constantly think whether it's

785
00:29:46,070 --> 00:29:44,320
you know positivity or negativity or

786
00:29:47,590 --> 00:29:46,080
whatever that's what's you that's what

787
00:29:49,750 --> 00:29:47,600
you attract so

788
00:29:52,950 --> 00:29:49,760

is can that be

789

00:29:54,950 --> 00:29:52,960

so for this as well you know if you keep

790

00:29:57,510 --> 00:29:54,960

thinking something exists does that mean

791

00:29:59,110 --> 00:29:57,520

it exists you know

792

00:30:01,269 --> 00:29:59,120

yeah that's you know there's been

793

00:30:02,789 --> 00:30:01,279

researchers over the years that have had

794

00:30:06,070 --> 00:30:02,799

that

795

00:30:09,350 --> 00:30:06,080

type of hypothesis where

796

00:30:11,110 --> 00:30:09,360

uh you know we we picture something so

797

00:30:15,510 --> 00:30:11,120

it's like diana was saying the other

798

00:30:17,190 --> 00:30:15,520

night so you have the incident at fatima

799

00:30:19,190 --> 00:30:17,200

and there were hundreds of thousands of

800

00:30:22,870 --> 00:30:19,200

people that witnessed this

801
00:30:25,190 --> 00:30:22,880
phenomenon whatever it was but multiple

802
00:30:27,990 --> 00:30:25,200
people came forward with different

803
00:30:28,950 --> 00:30:28,000
descriptions of what this was

804
00:30:31,990 --> 00:30:28,960
yeah

805
00:30:32,789 --> 00:30:32,000
so was it based on

806
00:30:35,830 --> 00:30:32,799
their

807
00:30:37,590 --> 00:30:35,840
you know internal

808
00:30:38,789 --> 00:30:37,600
where it would push them in a certain

809
00:30:40,470 --> 00:30:38,799
direction

810
00:30:41,990 --> 00:30:40,480
you know you've got people like chris

811
00:30:44,149 --> 00:30:42,000
bledsoe

812
00:30:46,630 --> 00:30:44,159
who had his incidents

813
00:30:48,389 --> 00:30:46,640

and he leans more towards kind of a

814

00:30:49,590 --> 00:30:48,399

religious

815

00:30:54,389 --> 00:30:49,600

uh

816

00:30:57,430 --> 00:30:54,399

and and that's common

817

00:31:00,470 --> 00:30:57,440

i mean you know some people will see

818

00:31:01,990 --> 00:31:00,480

you know uh angels and some will see

819

00:31:03,110 --> 00:31:02,000

ghosts

820

00:31:07,190 --> 00:31:03,120

and um

821

00:31:11,269 --> 00:31:07,200

yeah so i i i always have been along the

822

00:31:17,350 --> 00:31:13,990

it's well beyond us and i believe it's

823

00:31:19,269 --> 00:31:17,360

able to i mean maybe it's not purposely

824

00:31:21,350 --> 00:31:19,279

you know manipulating maybe it's just

825

00:31:24,310 --> 00:31:21,360

leaving it up to us

826

00:31:25,750 --> 00:31:24,320

and we see it we go oh my god it's a ufo

827

00:31:27,190 --> 00:31:25,760

oh my god

828

00:31:29,350 --> 00:31:27,200

it's an angel

829

00:31:30,710 --> 00:31:29,360

you know what i mean so but if they're

830

00:31:31,669 --> 00:31:30,720

that smart

831

00:31:34,070 --> 00:31:31,679

you know

832

00:31:36,630 --> 00:31:34,080

you gotta imagine that

833

00:31:38,950 --> 00:31:36,640

they know what we're gonna make it into

834

00:31:41,430 --> 00:31:38,960

i mean let's assume that that our

835

00:31:43,430 --> 00:31:41,440

anthropomorphic ideals are correct

836

00:31:44,950 --> 00:31:43,440

yeah you know what i mean

837

00:31:46,230 --> 00:31:44,960

maybe they're just doing their job and i

838

00:31:48,230 --> 00:31:46,240

hate saying that because i say it all

839

00:31:49,750 --> 00:31:48,240

the time but we look at ants and they

840

00:31:51,269 --> 00:31:49,760

don't think we don't you know they're

841

00:31:52,310 --> 00:31:51,279

just doing their job they're doing

842

00:31:53,590 --> 00:31:52,320

what's

843

00:31:55,190 --> 00:31:53,600

their nature

844

00:31:57,190 --> 00:31:55,200

right if it's like that and they don't

845

00:31:59,110 --> 00:31:57,200

have like anything in common

846

00:32:01,430 --> 00:31:59,120

um with the way their

847

00:32:02,950 --> 00:32:01,440

brains work or the way um

848

00:32:04,870 --> 00:32:02,960

they interact with other beings and

849

00:32:05,909 --> 00:32:04,880

species

850

00:32:07,750 --> 00:32:05,919

i agree

851

00:32:10,630 --> 00:32:07,760

well it just really reminded me of like

852

00:32:12,389 --> 00:32:10,640

ce5 you know like

853

00:32:15,509 --> 00:32:12,399

so ce5

854

00:32:17,590 --> 00:32:15,519

you do a meditation to make contact

855

00:32:19,110 --> 00:32:17,600

and then you see things or make a

856

00:32:21,430 --> 00:32:19,120

contact now

857

00:32:24,950 --> 00:32:21,440

you know what i wonder sometimes is is

858

00:32:28,389 --> 00:32:24,960

it that meditation and

859

00:32:30,710 --> 00:32:28,399

you know thinking of that so much that

860

00:32:35,430 --> 00:32:30,720

it manifests or are you really

861

00:32:39,509 --> 00:32:37,750

i mean my my whole thing with you know

862

00:32:44,389 --> 00:32:39,519

and i have good friends in the community

863

00:32:46,230 --> 00:32:44,399

that are deep into the ce5 um

864

00:32:47,830 --> 00:32:46,240

but for a lot of people that i've worked

865

00:32:50,389 --> 00:32:47,840

with over the years they've they've

866

00:32:52,710 --> 00:32:50,399

never had to do that they've just gone

867

00:32:54,870 --> 00:32:52,720

out there and filmed something

868

00:32:57,830 --> 00:32:54,880

with no meditation

869

00:33:01,669 --> 00:32:57,840

you know and and can i say that you know

870

00:33:03,430 --> 00:33:01,679

c5 is is nothing i i can't say that i

871

00:33:07,430 --> 00:33:03,440

don't know that

872

00:33:11,350 --> 00:33:07,440

but my whole situation with it is

873

00:33:13,909 --> 00:33:11,360

their their idea of contact

874

00:33:17,750 --> 00:33:13,919

when this object shows up and does a

875

00:33:21,350 --> 00:33:17,760

what they call a power up it gets right

876

00:33:24,470 --> 00:33:21,360

and then shrinks back down and takes off

877

00:33:29,269 --> 00:33:24,480

i mean if that's contact

878

00:33:32,870 --> 00:33:29,279

i i don't see contact i mean i see

879

00:33:34,950 --> 00:33:32,880

maybe some kind of like subtle signal

880

00:33:37,029 --> 00:33:34,960

but it's not something that's you know

881

00:33:38,389 --> 00:33:37,039

okay well we just saw the humans so

882

00:33:39,590 --> 00:33:38,399

we're going to land and we're going to

883

00:33:41,269 --> 00:33:39,600

talk to them

884

00:33:43,669 --> 00:33:41,279

you know what i mean so

885

00:33:45,430 --> 00:33:43,679

and the ce5 work has been going on for

886

00:33:49,430 --> 00:33:45,440

years and years there were people that

887

00:33:51,190 --> 00:33:49,440

did it you know back in the 70s

888

00:33:53,509 --> 00:33:51,200

you know i mean

889

00:33:56,630 --> 00:33:53,519

if it's contact it's got to be a little

890

00:33:59,190 --> 00:33:56,640

more for me than just a light that gets

891

00:34:01,430 --> 00:33:59,200

brighter and shrinks back down it's

892

00:34:03,909 --> 00:34:01,440

you know i wanted to stand in front of

893

00:34:06,070 --> 00:34:03,919

me and say you know

894

00:34:09,030 --> 00:34:06,080

kind of black and white like you know

895

00:34:11,589 --> 00:34:09,040

here we are and this is what we are and

896

00:34:13,669 --> 00:34:11,599

we know about you humans and you know i

897

00:34:15,990 --> 00:34:13,679

mean that probably won't ever happen but

898

00:34:17,990 --> 00:34:16,000

yeah right well yeah because going back

899

00:34:20,310 --> 00:34:18,000

to what priscilla said maybe

900

00:34:22,869 --> 00:34:20,320

you know they can't even communicate

901
00:34:25,829 --> 00:34:22,879
that way if they wanted to maybe a light

902
00:34:26,550 --> 00:34:25,839
is like a desperate attempt at a wave

903
00:34:30,389 --> 00:34:26,560
yeah

904
00:34:32,550 --> 00:34:30,399
you in whatever way they can which is

905
00:34:34,869 --> 00:34:32,560
maybe telepathy and you don't even

906
00:34:36,629 --> 00:34:34,879
realize it and a lot of people

907
00:34:38,230 --> 00:34:36,639
experience strange things when they see

908
00:34:40,230 --> 00:34:38,240
those um

909
00:34:42,710 --> 00:34:40,240
like the uh like there's the tinnitus

910
00:34:45,030 --> 00:34:42,720
that you know you get from damage to

911
00:34:46,550 --> 00:34:45,040
your ears but some people get this um

912
00:34:48,790 --> 00:34:46,560
they've described it almost as it sounds

913
00:34:51,190 --> 00:34:48,800

like morse code but kind of digital

914

00:34:52,470 --> 00:34:51,200

uh overpowering

915

00:34:55,270 --> 00:34:52,480

like their thoughts to where they

916

00:34:57,910 --> 00:34:55,280

actually have to sit down or they have

917

00:34:59,589 --> 00:34:57,920

to break the connection or the download

918

00:35:01,109 --> 00:34:59,599

or whatever they want to call it or

919

00:35:03,270 --> 00:35:01,119

interpret it as

920

00:35:05,349 --> 00:35:03,280

because it actually kind of it's just

921

00:35:06,790 --> 00:35:05,359

like um like those bombs they put off

922

00:35:09,030 --> 00:35:06,800

that make the noise and everybody's like

923

00:35:11,109 --> 00:35:09,040

disabled from it you know um

924

00:35:13,030 --> 00:35:11,119

not to that level but it is pretty

925

00:35:13,750 --> 00:35:13,040

invasive to people when they experience

926
00:35:15,750 --> 00:35:13,760
that

927
00:35:17,270 --> 00:35:15,760
it's just another thing we can't measure

928
00:35:19,270 --> 00:35:17,280
it and like you said tell me more about

929
00:35:21,430 --> 00:35:19,280
that what is that

930
00:35:23,670 --> 00:35:21,440
oh the um when people get the ringing in

931
00:35:26,069 --> 00:35:23,680
the air like where it's more intense

932
00:35:28,230 --> 00:35:26,079
like the morse code or whatever

933
00:35:30,950 --> 00:35:28,240
so there's a lot of people that have had

934
00:35:33,109 --> 00:35:30,960
these experiences and in

935
00:35:34,870 --> 00:35:33,119
i guess like the ce5 or human initiated

936
00:35:37,109 --> 00:35:34,880
contact community

937
00:35:38,630 --> 00:35:37,119
they're calling downloads

938
00:35:40,390 --> 00:35:38,640

well some people

939

00:35:41,750 --> 00:35:40,400

just kind of looking at different things

940

00:35:44,310 --> 00:35:41,760

like in reddit and different people

941

00:35:45,349 --> 00:35:44,320

talking about it and crazy experiences

942

00:35:47,349 --> 00:35:45,359

myself

943

00:35:49,109 --> 00:35:47,359

when you see the craft do the the power

944

00:35:50,630 --> 00:35:49,119

up i didn't know that was the term for

945

00:35:52,310 --> 00:35:50,640

it but um i know what you're talking

946

00:35:53,270 --> 00:35:52,320

about um

947

00:35:54,790 --> 00:35:53,280

it's

948

00:35:56,950 --> 00:35:54,800

you get this like some people get like

949

00:35:58,790 --> 00:35:56,960

head pressure and then like an intense

950

00:36:00,550 --> 00:35:58,800

ringing in their ear but it's not the

951
00:36:02,230 --> 00:36:00,560
same as like tinnitus where it's a

952
00:36:05,589 --> 00:36:02,240
high-pitched ring

953
00:36:08,710 --> 00:36:05,599
or that whoosh sound it is almost like

954
00:36:10,950 --> 00:36:08,720
like morse code sounding but in one ear

955
00:36:13,349 --> 00:36:10,960
both is it like um some people get it in

956
00:36:15,349 --> 00:36:13,359
both but it just some people get in one

957
00:36:16,710 --> 00:36:15,359
but usually it almost like they it kind

958
00:36:18,550 --> 00:36:16,720
of like fills their head is what i've

959
00:36:20,390 --> 00:36:18,560
heard it like described us

960
00:36:22,230 --> 00:36:20,400
and it's to the point where

961
00:36:23,349 --> 00:36:22,240
um it's only happened to me a couple

962
00:36:26,710 --> 00:36:23,359
times

963
00:36:29,510 --> 00:36:26,720

and i was i've had these i've seen um

964

00:36:31,670 --> 00:36:29,520

many just without initiating the contact

965

00:36:33,829 --> 00:36:31,680

but when i started doing the meditations

966

00:36:35,270 --> 00:36:33,839

and reading about it i knew that if i

967

00:36:36,470 --> 00:36:35,280

went outside after that i was going to

968

00:36:38,150 --> 00:36:36,480

see something

969

00:36:40,230 --> 00:36:38,160

and i'm not out there like i don't have

970

00:36:41,510 --> 00:36:40,240

money for a dslr camera night vision all

971

00:36:44,710 --> 00:36:41,520

that stuff but

972

00:36:46,470 --> 00:36:44,720

um to me it was my own um

973

00:36:48,069 --> 00:36:46,480

trying to validate that

974

00:36:50,069 --> 00:36:48,079

something is happening

975

00:36:51,589 --> 00:36:50,079

that i believe is happening but i'm not

976

00:36:53,910 --> 00:36:51,599

sure it's happening

977

00:36:56,310 --> 00:36:53,920

yeah oh um but yeah it's like a ringing

978

00:36:59,109 --> 00:36:56,320

and it's almost like um almost like when

979

00:37:00,230 --> 00:36:59,119

you're at a concert it's this this loud

980

00:37:01,829 --> 00:37:00,240

that

981

00:37:02,790 --> 00:37:01,839

somebody puts their guitar next to the

982

00:37:03,829 --> 00:37:02,800

amp

983

00:37:06,390 --> 00:37:03,839

and it just takes everybody out

984

00:37:09,829 --> 00:37:06,400

basically it's like that but it's more

985

00:37:12,710 --> 00:37:09,839

like a weird morse code like the the

986

00:37:13,589 --> 00:37:12,720

tone is broken up in other words

987

00:37:15,910 --> 00:37:13,599

well

988

00:37:18,310 --> 00:37:15,920

that is intense only because uh i've had

989

00:37:22,870 --> 00:37:20,550

and it's it's not like a routine thing

990

00:37:25,750 --> 00:37:22,880

like what and it's just one ear and it's

991

00:37:28,069 --> 00:37:25,760

random um and

992

00:37:30,710 --> 00:37:28,079

you know so you you would think if that

993

00:37:32,470 --> 00:37:30,720

happens to me it's like okay so this is

994

00:37:34,390 --> 00:37:32,480

something wrong with my ears i have this

995

00:37:35,430 --> 00:37:34,400

happen once a month or every other month

996

00:37:37,430 --> 00:37:35,440

or whatever

997

00:37:39,670 --> 00:37:37,440

it happens to me too there's been a

998

00:37:40,950 --> 00:37:39,680

cluster here where it happens like kind

999

00:37:42,630 --> 00:37:40,960

of

1000

00:37:45,270 --> 00:37:42,640

once a week or whatever and then i

1001
00:37:47,589 --> 00:37:45,280
haven't had it in like a year probably

1002
00:37:48,470 --> 00:37:47,599
or more and then it just i don't know

1003
00:37:52,550 --> 00:37:48,480
where

1004
00:37:54,150 --> 00:37:52,560
right what the hell is is that yeah yeah

1005
00:37:56,310 --> 00:37:54,160
um but yeah that's

1006
00:37:58,230 --> 00:37:56,320
have you had any um somebody asked a

1007
00:37:59,670 --> 00:37:58,240
question earlier i wanted to ask scott

1008
00:38:02,150 --> 00:37:59,680
um

1009
00:38:05,589 --> 00:38:02,160
have you captured any interesting

1010
00:38:08,069 --> 00:38:05,599
footage recently

1011
00:38:09,109 --> 00:38:08,079
you know everything that i find

1012
00:38:12,150 --> 00:38:09,119
that's

1013
00:38:14,630 --> 00:38:12,160

i can't debunk myself you know i i

1014

00:38:15,990 --> 00:38:14,640

posted on my facebook page i mean on my

1015

00:38:17,190 --> 00:38:16,000

youtube channel

1016

00:38:19,510 --> 00:38:17,200

um

1017

00:38:22,310 --> 00:38:19,520

the last thing that i caught was a few

1018

00:38:24,390 --> 00:38:22,320

months back um

1019

00:38:26,470 --> 00:38:24,400

and it was

1020

00:38:30,390 --> 00:38:26,480

so we were up near this

1021

00:38:32,630 --> 00:38:30,400

swamp in this area that has had

1022

00:38:35,270 --> 00:38:32,640

random sightings over the years

1023

00:38:39,510 --> 00:38:35,280

so i was panning across with the

1024

00:38:42,390 --> 00:38:39,520

psionics the the full color night vision

1025

00:38:43,510 --> 00:38:42,400

and the camera will pick up uh shooting

1026
00:38:46,710 --> 00:38:43,520
stars

1027
00:38:48,310 --> 00:38:46,720
in multiple because it'll even pick up

1028
00:38:51,030 --> 00:38:48,320
the ones that you can't see with the

1029
00:38:54,310 --> 00:38:51,040
naked eye they're so small

1030
00:38:57,190 --> 00:38:54,320
and so as i was panning

1031
00:38:59,030 --> 00:38:57,200
one came down and i said to my research

1032
00:39:00,870 --> 00:38:59,040
partner i said i think i just got

1033
00:39:02,470 --> 00:39:00,880
another shooting star

1034
00:39:04,390 --> 00:39:02,480
so i got home

1035
00:39:06,069 --> 00:39:04,400
i took a look at it

1036
00:39:10,390 --> 00:39:06,079
and

1037
00:39:11,910 --> 00:39:10,400
dude

1038
00:39:15,589 --> 00:39:11,920

and i said

1039

00:39:17,829 --> 00:39:15,599

well i i is that even possible so

1040

00:39:19,990 --> 00:39:17,839

jumped online and i began to do a ton of

1041

00:39:24,069 --> 00:39:20,000

research and try to find out

1042

00:39:25,109 --> 00:39:24,079

about meteorites with a curved path

1043

00:39:27,030 --> 00:39:25,119

now

1044

00:39:28,790 --> 00:39:27,040

they've been seen

1045

00:39:30,870 --> 00:39:28,800

a guy wrote a book about it back in the

1046

00:39:32,950 --> 00:39:30,880

1800s i believe

1047

00:39:35,270 --> 00:39:32,960

all concerning

1048

00:39:36,630 --> 00:39:35,280

meteorites with a curved trajectory

1049

00:39:37,750 --> 00:39:36,640

interesting

1050

00:39:40,230 --> 00:39:37,760

so

1051

00:39:42,310 --> 00:39:40,240

i sent the footage off to a couple of

1052

00:39:44,310 --> 00:39:42,320

astronomers that i know one of them was

1053

00:39:46,230 --> 00:39:44,320

at nasa

1054

00:39:48,069 --> 00:39:46,240

and they looked at it and they said it's

1055

00:39:50,150 --> 00:39:48,079

not a meteorite

1056

00:39:51,510 --> 00:39:50,160

and i said well why not

1057

00:39:53,109 --> 00:39:51,520

because

1058

00:39:54,550 --> 00:39:53,119

it has no

1059

00:39:57,349 --> 00:39:54,560

um

1060

00:40:02,390 --> 00:39:57,359

what do they call it the when the tail

1061

00:40:04,870 --> 00:40:02,400

is uh coming off of it uh fragmentation

1062

00:40:07,589 --> 00:40:04,880

and it had no fragmentation there was no

1063

00:40:09,190 --> 00:40:07,599

tail it was just an object that came

1064

00:40:11,109 --> 00:40:09,200

looked just like a shooting star and

1065

00:40:12,069 --> 00:40:11,119

then it went in a curve

1066

00:40:13,910 --> 00:40:12,079

wow

1067

00:40:15,589 --> 00:40:13,920

so i said you know

1068

00:40:17,829 --> 00:40:15,599

well what is it and they said we don't

1069

00:40:21,030 --> 00:40:19,190

why so

1070

00:40:22,790 --> 00:40:21,040

you know i haven't caught anything

1071

00:40:24,710 --> 00:40:22,800

lately but um

1072

00:40:26,950 --> 00:40:24,720

and now it's getting colder up here in

1073

00:40:28,870 --> 00:40:26,960

massachusetts so yeah

1074

00:40:30,309 --> 00:40:28,880

i don't take the cameras out in the cold

1075

00:40:32,150 --> 00:40:30,319

because it's not really good for the

1076

00:40:34,390 --> 00:40:32,160

cameras um

1077

00:40:35,589 --> 00:40:34,400

so when spring comes i'll be back out

1078

00:40:36,829 --> 00:40:35,599

there again

1079

00:40:39,990 --> 00:40:36,839

wow

1080

00:40:41,750 --> 00:40:40,000

um i want to see that video because it

1081

00:40:44,230 --> 00:40:41,760

sounds exactly like what i saw at the

1082

00:40:46,069 --> 00:40:44,240

lake a couple weeks ago um

1083

00:40:48,870 --> 00:40:46,079

but it you know it was weird because it

1084

00:40:51,030 --> 00:40:48,880

was cloudy so i couldn't even

1085

00:40:53,510 --> 00:40:51,040

like there was complete cloud cover i

1086

00:40:55,990 --> 00:40:53,520

couldn't have mistaken it for a shooting

1087

00:40:58,710 --> 00:40:56,000

star it came out from

1088

00:41:00,710 --> 00:40:58,720

underneath the the clouds and just went

1089

00:41:02,309 --> 00:41:00,720

straight down seemingly into the lake

1090

00:41:04,150 --> 00:41:02,319

although i didn't see like an entry

1091

00:41:06,550 --> 00:41:04,160

splash or anything

1092

00:41:08,950 --> 00:41:06,560

um so yeah this is freaking weird man

1093

00:41:10,390 --> 00:41:08,960

when you started talking about that

1094

00:41:12,470 --> 00:41:10,400

yeah yeah

1095

00:41:13,829 --> 00:41:12,480

it was very it was very strange i mean

1096

00:41:16,150 --> 00:41:13,839

i've caught

1097

00:41:18,309 --> 00:41:16,160

dozens of shooting stars

1098

00:41:20,950 --> 00:41:18,319

their trajectory is always in a straight

1099

00:41:24,870 --> 00:41:20,960

line it never curves and never you know

1100

00:41:26,790 --> 00:41:24,880

does loops it doesn't do any of that

1101

00:41:27,750 --> 00:41:26,800

i i don't know what it was it was

1102

00:41:29,990 --> 00:41:27,760

bizarre

1103

00:41:32,150 --> 00:41:30,000

and did they ever go straight down i

1104

00:41:33,670 --> 00:41:32,160

mean they're usually in the sky like you

1105

00:41:34,390 --> 00:41:33,680

know

1106

00:41:38,550 --> 00:41:34,400

yeah

1107

00:41:40,950 --> 00:41:38,560

down diagonally

1108

00:41:45,030 --> 00:41:40,960

but then when it curves it kind of

1109

00:41:46,470 --> 00:41:45,040

almost goes horizontal oh man across the

1110

00:41:49,109 --> 00:41:46,480

horizon

1111

00:41:51,030 --> 00:41:49,119

so it was really weird i mean

1112

00:41:53,270 --> 00:41:51,040

i just asked your idea

1113

00:41:55,109 --> 00:41:53,280

yeah when i first caught it i thought

1114

00:41:58,230 --> 00:41:55,119

you know because it happened so fast i

1115

00:42:00,230 --> 00:41:58,240

said oh another shooting star

1116

00:42:03,270 --> 00:42:00,240

and when i watched it again and slowed

1117

00:42:04,230 --> 00:42:03,280

it down i was like what the hell is that

1118

00:42:05,430 --> 00:42:04,240

you know

1119

00:42:06,870 --> 00:42:05,440

i don't know

1120

00:42:07,750 --> 00:42:06,880

well

1121

00:42:10,309 --> 00:42:07,760

um

1122

00:42:12,870 --> 00:42:10,319

you got any more questions for scott i

1123

00:42:14,870 --> 00:42:12,880

think he has to get out of here maybe

1124

00:42:17,430 --> 00:42:14,880

when do you couple minutes couple

1125

00:42:19,109 --> 00:42:17,440

minutes uh i do have one more um and

1126

00:42:20,950 --> 00:42:19,119

it's it's considering it's concerning

1127

00:42:23,349 --> 00:42:20,960

the videos have you ever

1128

00:42:25,829 --> 00:42:23,359

seen something on your camera but then

1129

00:42:27,589 --> 00:42:25,839

looked and it wasn't there with your eye

1130

00:42:29,910 --> 00:42:27,599

but the camera sees it

1131

00:42:31,030 --> 00:42:29,920

yes okay because i i might have to send

1132

00:42:33,109 --> 00:42:31,040

you something because that happened to

1133

00:42:34,470 --> 00:42:33,119

me one day and i was like i saw i

1134

00:42:35,670 --> 00:42:34,480

thought i saw something but then when i

1135

00:42:37,829 --> 00:42:35,680

was looking at that one there was

1136

00:42:39,589 --> 00:42:37,839

something else that i didn't see

1137

00:42:41,270 --> 00:42:39,599

and one time i had like i don't have

1138

00:42:42,550 --> 00:42:41,280

cool cameras so like i had my i was like

1139

00:42:44,150 --> 00:42:42,560

sitting outside

1140

00:42:46,150 --> 00:42:44,160

normal meditation not like a you know

1141

00:42:47,430 --> 00:42:46,160

human like a ce5 or anything and i

1142

00:42:48,950 --> 00:42:47,440

looked up and i saw a little ball and i

1143

00:42:51,349 --> 00:42:48,960

was like what is that and i just like

1144

00:42:52,870 --> 00:42:51,359

had my ipad and it was like this and

1145

00:42:55,430 --> 00:42:52,880

then it disappeared but then i looked

1146

00:42:57,910 --> 00:42:55,440

again and i could see it in the ipad but

1147

00:43:00,630 --> 00:42:57,920

when i would do this it wasn't there

1148

00:43:02,470 --> 00:43:00,640

right super weird the first thing scott

1149

00:43:06,630 --> 00:43:02,480

will tell you when he sees it is get a

1150

00:43:10,550 --> 00:43:09,270

well i mean i encourage everybody that

1151

00:43:18,069 --> 00:43:10,560

whatever

1152

00:43:22,309 --> 00:43:19,990

i'm not trying to like post some wow

1153

00:43:23,829 --> 00:43:22,319

thing for me i just i like to see it to

1154

00:43:27,030 --> 00:43:23,839

know i'm not going crazy and seeing

1155

00:43:29,990 --> 00:43:27,040

things basically yeah so we had we had a

1156

00:43:32,150 --> 00:43:30,000

a guy in the group and i believe he has

1157

00:43:33,990 --> 00:43:32,160

now left the group i haven't had contact

1158

00:43:36,630 --> 00:43:34,000

with him for a while

1159

00:43:38,790 --> 00:43:36,640

what he did was he built a bracket

1160

00:43:40,550 --> 00:43:38,800

that he would put on the tripod and he

1161

00:43:42,710 --> 00:43:40,560

would shoot

1162

00:43:45,589 --> 00:43:42,720

one camera was just a regular video

1163

00:43:47,670 --> 00:43:45,599

camera and then the other camera

1164

00:43:49,190 --> 00:43:47,680

was an infrared

1165

00:43:52,069 --> 00:43:49,200

and so

1166

00:43:54,710 --> 00:43:52,079

one day he caught this

1167

00:43:56,630 --> 00:43:54,720

amber ball of light

1168

00:43:58,710 --> 00:43:56,640

comes into the frame

1169

00:44:00,309 --> 00:43:58,720

and stops directly in front of the

1170

00:44:02,230 --> 00:44:00,319

camera

1171

00:44:03,910 --> 00:44:02,240

on the infrared

1172

00:44:09,030 --> 00:44:03,920

clear as day

1173

00:44:10,309 --> 00:44:09,040

in the video cam blue sky nothing there

1174

00:44:17,589 --> 00:44:10,319

so

1175

00:44:23,589 --> 00:44:20,069

i'm not sure if lou was involved with

1176

00:44:25,910 --> 00:44:23,599

some footage that came out

1177

00:44:28,309 --> 00:44:25,920

where they um

1178

00:44:30,550 --> 00:44:28,319

i think i got that wrong uh somebody

1179

00:44:32,550 --> 00:44:30,560

posted some footage a while back

1180

00:44:35,190 --> 00:44:32,560

uh it was um

1181

00:44:39,750 --> 00:44:37,190

i can't remember his name

1182

00:44:41,270 --> 00:44:39,760

and he same thing they were filming with

1183

00:44:43,430 --> 00:44:41,280

two cameras

1184

00:44:45,510 --> 00:44:43,440

infrared regular video

1185

00:44:48,390 --> 00:44:45,520

the same thing happened the object came

1186

00:44:49,990 --> 00:44:48,400

in it was hovering above the clouds

1187

00:44:52,870 --> 00:44:50,000

and on the infrared you could see it

1188

00:44:55,510 --> 00:44:52,880

clear as day but in the video cam it was

1189

00:44:57,349 --> 00:44:55,520

just clouds there was nothing there

1190

00:45:06,550 --> 00:44:57,359

so

1191

00:45:08,870 --> 00:45:06,560

can't see it the infrared picks it up

1192

00:45:10,470 --> 00:45:08,880

because it's different wavelengths yeah

1193

00:45:13,030 --> 00:45:10,480

sometimes i wonder if they're just

1194

00:45:14,630 --> 00:45:13,040

living organisms in our skies

1195

00:45:17,190 --> 00:45:14,640

and that and that's been a theory too

1196

00:45:18,630 --> 00:45:17,200

there's a few books written about that

1197

00:45:21,109 --> 00:45:18,640

interesting

1198

00:45:23,430 --> 00:45:21,119

yeah it's crazy to think about

1199

00:45:24,710 --> 00:45:23,440

it is you're the man scott

1200

00:45:27,430 --> 00:45:24,720

um

1201

00:45:31,510 --> 00:45:27,440

so is uh the doctor gonna write is her

1202

00:45:34,470 --> 00:45:31,520

next book just gonna be just about you

1203

00:45:41,270 --> 00:45:36,230

no i don't i don't i'm not going to be

1204

00:45:46,230 --> 00:45:44,309

the good thing is is that she the people

1205

00:45:47,670 --> 00:45:46,240

that are going gonna be in this second

1206

00:45:50,230 --> 00:45:47,680

book

1207

00:45:53,190 --> 00:45:50,240

are not behind pseudonyms they're gonna

1208

00:45:55,190 --> 00:45:53,200

she's using their real names oh wow

1209

00:45:57,190 --> 00:45:55,200

which is gonna be really cool because of

1210

00:45:58,309 --> 00:45:57,200

course everybody's gonna want to talk to

1211

00:46:01,910 --> 00:45:58,319

them yeah

1212

00:46:05,910 --> 00:46:01,920

yeah right definitely a pre-order book

1213

00:46:08,470 --> 00:46:05,920

so um tyler if i guess him

1214

00:46:12,470 --> 00:46:08,480

will you wink at me if i get right

1215

00:46:19,030 --> 00:46:16,309

i i made a promise to diana

1216

00:46:21,349 --> 00:46:19,040

even though you know some people believe

1217

00:46:23,829 --> 00:46:21,359

they've outed him online already

1218

00:46:25,270 --> 00:46:23,839

i bet and and you know there's a few

1219

00:46:28,630 --> 00:46:25,280

people that have

1220

00:46:31,430 --> 00:46:28,640

i i got one guy he just keeps bugging me

1221

00:46:33,990 --> 00:46:31,440

oh my gosh he sends me messages like at

1222

00:46:36,550 --> 00:46:34,000

least once every couple weeks yeah you

1223

00:46:39,030 --> 00:46:36,560

know hey tyler this you know just what's

1224

00:46:40,950 --> 00:46:39,040

the difference you know even if you know

1225

00:46:44,230 --> 00:46:40,960

who he is or isn't what's the difference

1226

00:46:45,829 --> 00:46:44,240

if you know right right

1227

00:46:47,510 --> 00:46:45,839

they want to be nosy they want to be in

1228

00:46:48,790 --> 00:46:47,520

on the you know

1229

00:46:50,550 --> 00:46:48,800

okay you know who he is now what are you

1230

00:46:52,390 --> 00:46:50,560

going to do

1231

00:46:54,150 --> 00:46:52,400

yeah in spanish we call it chisma it's

1232

00:46:55,670 --> 00:46:54,160

like gossip and my friends are calling

1233

00:46:58,150 --> 00:46:55,680

like you want to hear some good cheese

1234

00:47:01,190 --> 00:46:59,349

okay

1235

00:47:02,710 --> 00:47:01,200

all right scott well i'll let you

1236

00:47:04,630 --> 00:47:02,720

create me out here

1237

00:47:06,790 --> 00:47:04,640

yeah you too and thanks for having me

1238

00:47:08,870 --> 00:47:06,800

again sean yeah we'll do it again scott

1239

00:47:11,670 --> 00:47:08,880

i appreciate it have a good night you

1240

00:47:14,710 --> 00:47:11,680

too bye-bye bye

1241

00:47:17,030 --> 00:47:14,720

all right that was pretty cool he's so

1242

00:47:18,069 --> 00:47:17,040

cool um i've known about him and then

1243

00:47:19,270 --> 00:47:18,079

like you said that kind of happened to

1244

00:47:19,990 --> 00:47:19,280

me when i was reading the book i was

1245

00:47:21,510 --> 00:47:20,000

like

1246

00:47:23,030 --> 00:47:21,520

is that the same person i'm thinking

1247

00:47:24,470 --> 00:47:23,040

about and then it was

1248

00:47:26,230 --> 00:47:24,480

i didn't realize that you had him on the

1249

00:47:28,390 --> 00:47:26,240

show because i haven't followed

1250

00:47:30,230 --> 00:47:28,400

everybody for a very long time so it's

1251

00:47:32,470 --> 00:47:30,240

your fault i know i've been missing i

1252

00:47:33,990 --> 00:47:32,480

missed out on the trivia and now i'm

1253

00:47:37,109 --> 00:47:34,000

afraid you're going to pop quiz me so

1254

00:47:39,190 --> 00:47:37,119

i'm going to be studying probably

1255

00:47:41,910 --> 00:47:39,200

what should we go with um

1256

00:47:43,670 --> 00:47:41,920

let's see in 1954

1257

00:47:45,589 --> 00:47:43,680

oh you know what you're not fair because

1258

00:47:48,230 --> 00:47:45,599

you like live in the documents let me

1259

00:47:51,190 --> 00:47:48,240

bring up a document quick no

1260

00:47:53,030 --> 00:47:51,200

yeah so um if you got a couple more

1261

00:47:57,430 --> 00:47:53,040

minutes you want to talk about the

1262

00:47:58,390 --> 00:47:57,440

latest uh jazz with um the msg

1263

00:48:02,790 --> 00:47:58,400

uh

1264

00:48:05,349 --> 00:48:02,800

and aoi msg or john kirby yeah

1265

00:48:06,549 --> 00:48:05,359

today msg i was like isn't that the uh

1266

00:48:08,230 --> 00:48:06,559

thing that we're putting

1267

00:48:09,829 --> 00:48:08,240

i didn't know you were joking yeah that

1268

00:48:11,990 --> 00:48:09,839

is uh

1269

00:48:13,750 --> 00:48:12,000

i am definitely on board with like the

1270

00:48:14,790 --> 00:48:13,760

whole they're trying to undermine the

1271

00:48:16,630 --> 00:48:14,800

children

1272

00:48:19,589 --> 00:48:16,640

i think so situation because why else

1273

00:48:22,230 --> 00:48:19,599

why now the timing right it's the timing

1274

00:48:23,910 --> 00:48:22,240

that is a little strange and i really

1275

00:48:25,589 --> 00:48:23,920

hope that everybody went back to work

1276

00:48:28,710 --> 00:48:25,599

this monday or today right today's

1277

00:48:31,190 --> 00:48:28,720

monday um and just had a butt load of

1278

00:48:33,589 --> 00:48:31,200

like support support gilbert and support

1279

00:48:35,270 --> 00:48:33,599

jill brown because i feel like what she

1280

00:48:36,630 --> 00:48:35,280

has going on is

1281

00:48:38,390 --> 00:48:36,640

it's very straightforward and it's

1282

00:48:39,990 --> 00:48:38,400

specific whereas the other one is not i

1283

00:48:42,069 --> 00:48:40,000

don't even know how to say the other one

1284

00:48:43,910 --> 00:48:42,079

i know there's a video on how to say it

1285

00:48:46,069 --> 00:48:43,920

yeah no that's why i just call it emma's

1286

00:48:48,950 --> 00:48:46,079

cheese sauce yeah

1287

00:48:50,710 --> 00:48:48,960

uh no it's

1288

00:48:52,630 --> 00:48:50,720

well some people say to play devil's

1289

00:48:54,870 --> 00:48:52,640

advocate that they it's not weird

1290

00:48:57,109 --> 00:48:54,880

because they did it on wednesday before

1291

00:48:57,910 --> 00:48:57,119

the holiday because that's typically

1292

00:49:02,069 --> 00:48:57,920

when

1293

00:49:03,990 --> 00:49:02,079

it

1294

00:49:05,109 --> 00:49:04,000

you know like on a friday or something

1295

00:49:08,069 --> 00:49:05,119

oh people are going to get drunk on

1296

00:49:09,430 --> 00:49:08,079

thanksgiving forget like yeah yeah i

1297

00:49:11,030 --> 00:49:09,440

mean i don't know who's buying it's

1298

00:49:12,549 --> 00:49:11,040

almost like getting the last word like

1299

00:49:14,150 --> 00:49:12,559

you know when you're like kind of like

1300

00:49:15,589 --> 00:49:14,160

bickering with somebody and they like

1301
00:49:17,109 --> 00:49:15,599
say something and walk out the room or

1302
00:49:20,790 --> 00:49:17,119
leave you're like

1303
00:49:23,430 --> 00:49:20,800
well it's it's like it's very anything

1304
00:49:25,430 --> 00:49:23,440
you can't bury anything with ufos

1305
00:49:28,230 --> 00:49:25,440
no i just think it's not i don't think

1306
00:49:32,150 --> 00:49:28,240
we know enough about it maybe um i would

1307
00:49:33,670 --> 00:49:32,160
like to believe that it's good but um i

1308
00:49:36,950 --> 00:49:33,680
don't know yet

1309
00:49:39,190 --> 00:49:36,960
i'm gonna play this clip um but first

1310
00:49:41,910 --> 00:49:39,200
i'm gonna make sure that i have the

1311
00:49:44,150 --> 00:49:41,920
audio on because i've done that so many

1312
00:49:45,589 --> 00:49:44,160
times

1313
00:49:46,870 --> 00:49:45,599

where the audio

1314

00:49:48,309 --> 00:49:46,880

okay got it

1315

00:49:50,230 --> 00:49:48,319

yeah and i always thought like why isn't

1316

00:49:51,670 --> 00:49:50,240

that just default why isn't that the

1317

00:49:54,309 --> 00:49:51,680

default option i know right like you're

1318

00:49:56,870 --> 00:49:54,319

gonna play a video with like you know

1319

00:49:58,950 --> 00:49:56,880

we're gonna play mimesy today

1320

00:50:02,470 --> 00:49:58,960

you're gonna reenact it yeah

1321

00:50:04,470 --> 00:50:02,480

all right so this was today um posted by

1322

00:50:08,390 --> 00:50:04,480

uh richard butt

1323

00:50:13,829 --> 00:50:11,349

i want to ask about this new uap office

1324

00:50:16,710 --> 00:50:13,839

that was created by deputy secretary

1325

00:50:17,750 --> 00:50:16,720

hicks and announced last week

1326

00:50:19,990 --> 00:50:17,760

the

1327

00:50:22,470 --> 00:50:20,000

aerial object identification and

1328

00:50:25,589 --> 00:50:22,480

management synchronization group

1329

00:50:30,069 --> 00:50:27,589

it's actually airborne not ariel was

1330

00:50:32,150 --> 00:50:30,079

there any coordination with lawmakers on

1331

00:50:34,630 --> 00:50:32,160

capitol hill they're proposing

1332

00:50:37,990 --> 00:50:34,640

related legislation like representative

1333

00:50:41,030 --> 00:50:38,000

gallego and senator gillibrand

1334

00:50:43,910 --> 00:50:41,040

and secondly some former pentagon

1335

00:50:46,470 --> 00:50:43,920

officials who had worked on this issue

1336

00:50:48,390 --> 00:50:46,480

uh chris mellon and lou elizondo have

1337

00:50:50,870 --> 00:50:48,400

said that this is an effort for the

1338

00:50:53,349 --> 00:50:50,880

pentagon to be less transparent than

1339

00:50:54,870 --> 00:50:53,359

uaps i was just wondering if if you had

1340

00:50:57,670 --> 00:50:54,880

any response

1341

00:50:59,430 --> 00:50:57,680

on the first one um i can't i can't

1342

00:51:01,990 --> 00:50:59,440

speak to pending legislation obviously

1343

00:51:03,829 --> 00:51:02,000

i'd refer to those members but uh but we

1344

00:51:06,390 --> 00:51:03,839

absolutely kept members of congress

1345

00:51:09,430 --> 00:51:06,400

informed uh as we uh

1346

00:51:11,349 --> 00:51:09,440

as we fashioned this this group together

1347

00:51:13,430 --> 00:51:11,359

and and announced it

1348

00:51:15,430 --> 00:51:13,440

um and it is

1349

00:51:18,230 --> 00:51:15,440

to your second question it is really

1350

00:51:21,270 --> 00:51:18,240

designed to help us better coordinate

1351
00:51:23,750 --> 00:51:21,280
the reporting processes um the actual

1352
00:51:26,150 --> 00:51:23,760
reports themselves and the analysis of

1353
00:51:28,710 --> 00:51:26,160
those reports so that um

1354
00:51:30,390 --> 00:51:28,720
rather than uh

1355
00:51:32,870 --> 00:51:30,400
getting them sort of piecemeal and ad

1356
00:51:35,030 --> 00:51:32,880
hoc as we've been getting them from uh

1357
00:51:36,870 --> 00:51:35,040
from the services

1358
00:51:38,549 --> 00:51:36,880
this is a way to coordinate the the

1359
00:51:40,710 --> 00:51:38,559
input so that we can

1360
00:51:43,030 --> 00:51:40,720
give a common set of parameters for how

1361
00:51:45,030 --> 00:51:43,040
to report them and to analyze them and

1362
00:51:45,750 --> 00:51:45,040
then to assess what we've got and not

1363
00:51:47,349 --> 00:51:45,760

all

1364

00:51:48,950 --> 00:51:47,359

uh reports are going to manifest

1365

00:51:50,870 --> 00:51:48,960

themselves in something that we consider

1366

00:51:53,510 --> 00:51:50,880

national security threat

1367

00:51:54,710 --> 00:51:53,520

so this is a chance for us to to be a

1368

00:51:56,710 --> 00:51:54,720

much more

1369

00:51:58,069 --> 00:51:56,720

organized in the way we process these

1370

00:52:00,230 --> 00:51:58,079

reports

1371

00:52:03,030 --> 00:52:00,240

and as we have we will certainly

1372

00:52:05,349 --> 00:52:03,040

continue to be as transparent as we can

1373

00:52:06,950 --> 00:52:05,359

about these phenomena

1374

00:52:09,670 --> 00:52:06,960

and and the impact that they may or may

1375

00:52:12,150 --> 00:52:09,680

not be having on our ability to operate

1376
00:52:14,069 --> 00:52:12,160
any specific commitment to release some

1377
00:52:16,069 --> 00:52:14,079
data or information on

1378
00:52:18,390 --> 00:52:16,079
these to the public at some point

1379
00:52:20,230 --> 00:52:18,400
beyond a briefing to congress

1380
00:52:23,030 --> 00:52:20,240
yeah i mean i don't have a specific

1381
00:52:24,549 --> 00:52:23,040
report to to announce today that on any

1382
00:52:26,470 --> 00:52:24,559
kind of a frequent basis that we would

1383
00:52:28,790 --> 00:52:26,480
do but i can assure you that our

1384
00:52:31,589 --> 00:52:28,800
intention is to be as transparent about

1385
00:52:35,030 --> 00:52:31,599
uh this phenomena as we can again try

1386
00:52:36,790 --> 00:52:35,040
this understanding that um uh that uh

1387
00:52:38,309 --> 00:52:36,800
that we don't share information national

1388
00:52:39,910 --> 00:52:38,319

security considerations that we have to

1389

00:52:41,750 --> 00:52:39,920

keep in mind but we'll be as transparent

1390

00:52:42,870 --> 00:52:41,760

as we can but not i don't want to leave

1391

00:52:45,510 --> 00:52:42,880

you with the impression that they'll be

1392

00:52:47,829 --> 00:52:45,520

sort of a regular drum beat of uh you

1393

00:52:49,349 --> 00:52:47,839

know of some kind of report that uh that

1394

00:52:51,670 --> 00:52:49,359

gets posted on the website you know

1395

00:52:53,430 --> 00:52:51,680

every couple months yeah

1396

00:52:55,910 --> 00:52:53,440

yeah going back to the

1397

00:52:58,870 --> 00:52:57,190

so

1398

00:53:01,430 --> 00:52:58,880

yeah i mean the interesting thing that i

1399

00:53:02,110 --> 00:53:01,440

just caught there was um

1400

00:53:04,069 --> 00:53:02,120

um

1401
00:53:06,790 --> 00:53:04,079
[Music]

1402
00:53:08,710 --> 00:53:06,800
you know all his

1403
00:53:10,710 --> 00:53:08,720
issues were you know

1404
00:53:12,630 --> 00:53:10,720
um these

1405
00:53:14,870 --> 00:53:12,640
different phenomenon

1406
00:53:17,190 --> 00:53:14,880
dehabilitating you know their ships

1407
00:53:18,950 --> 00:53:17,200
operations or their military operations

1408
00:53:20,069 --> 00:53:18,960
and yeah that's all they were concerned

1409
00:53:21,990 --> 00:53:20,079
with and

1410
00:53:23,030 --> 00:53:22,000
if they were going to tell anybody about

1411
00:53:25,270 --> 00:53:23,040
anything

1412
00:53:26,950 --> 00:53:25,280
you know he was like what may or may not

1413
00:53:29,030 --> 00:53:26,960

be you know

1414

00:53:31,190 --> 00:53:29,040

disrupting our operations or whatever

1415

00:53:32,870 --> 00:53:31,200

like you know dude it's not all about

1416

00:53:34,790 --> 00:53:32,880

you in the freaking military like how

1417

00:53:36,549 --> 00:53:34,800

about you tell all these other people

1418

00:53:38,630 --> 00:53:36,559

what you know about the

1419

00:53:41,430 --> 00:53:38,640

things they saw you know

1420

00:53:43,589 --> 00:53:41,440

yes yes i always go back to thinking um

1421

00:53:45,109 --> 00:53:43,599

like seeing kevin dey talk he's so

1422

00:53:47,430 --> 00:53:45,119

affected by

1423

00:53:49,349 --> 00:53:47,440

the crap he went through and

1424

00:53:51,349 --> 00:53:49,359

this guy honestly listening to him i

1425

00:53:53,589 --> 00:53:51,359

kind of want to laugh because my bs

1426
00:53:55,589 --> 00:53:53,599
meter's kind of going off like he's he's

1427
00:53:57,670 --> 00:53:55,599
trying to like uh it seems like they're

1428
00:53:59,670 --> 00:53:57,680
trying to just appease people

1429
00:54:01,030 --> 00:53:59,680
and go ahead do that have your office

1430
00:54:02,230 --> 00:54:01,040
but we still need the other one too

1431
00:54:03,670 --> 00:54:02,240
because we need the amendment to go

1432
00:54:05,829 --> 00:54:03,680
through because

1433
00:54:08,150 --> 00:54:05,839
people need to know like you can't just

1434
00:54:10,630 --> 00:54:08,160
say like like after everything that's

1435
00:54:12,630 --> 00:54:10,640
happened the past couple years you can't

1436
00:54:13,589 --> 00:54:12,640
just be like oh well here's a pentagon

1437
00:54:15,990 --> 00:54:13,599
office

1438
00:54:17,990 --> 00:54:16,000

yeah the pentagon

1439

00:54:19,270 --> 00:54:18,000

doesn't tell us anything and i do

1440

00:54:20,710 --> 00:54:19,280

understand that there are some things

1441

00:54:21,510 --> 00:54:20,720

that are national security i understand

1442

00:54:23,829 --> 00:54:21,520

there's

1443

00:54:25,030 --> 00:54:23,839

secret things happening that you know we

1444

00:54:27,190 --> 00:54:25,040

don't want other people to know about

1445

00:54:28,950 --> 00:54:27,200

other countries or adversaries you know

1446

00:54:31,030 --> 00:54:28,960

but i i don't think that i think too

1447

00:54:32,710 --> 00:54:31,040

many people have been affected by this

1448

00:54:34,630 --> 00:54:32,720

around the world to the point where

1449

00:54:36,230 --> 00:54:34,640

they're gonna have to give us something

1450

00:54:38,150 --> 00:54:36,240

yeah yeah

1451

00:54:40,069 --> 00:54:38,160

it's just frustrating and it's also like

1452

00:54:41,430 --> 00:54:40,079

listening to like

1453

00:54:43,589 --> 00:54:41,440

um

1454

00:54:45,270 --> 00:54:43,599

i don't know like i don't even i i was

1455

00:54:46,470 --> 00:54:45,280

trying not to laugh because

1456

00:54:47,910 --> 00:54:46,480

it kind of feels like you know when

1457

00:54:49,270 --> 00:54:47,920

you're like

1458

00:54:50,630 --> 00:54:49,280

like your pentagon's like a bad

1459

00:54:51,430 --> 00:54:50,640

boyfriend or girlfriend like they've

1460

00:54:53,030 --> 00:54:51,440

like

1461

00:54:55,190 --> 00:54:53,040

lied to you and they're trying to tell

1462

00:54:59,190 --> 00:54:55,200

you all that and you're like

1463

00:55:00,309 --> 00:54:59,200

i would tell you if i loved you

1464

00:55:02,630 --> 00:55:00,319

yeah

1465

00:55:05,430 --> 00:55:02,640

but it was one thing

1466

00:55:08,630 --> 00:55:05,440

that i'm not even sure if it happened

1467

00:55:09,910 --> 00:55:08,640

yeah i mean what had happened was yeah

1468

00:55:11,349 --> 00:55:09,920

that's what that sounded like to me and

1469

00:55:12,150 --> 00:55:11,359

i listened to everything i had to really

1470

00:55:14,470 --> 00:55:12,160

like

1471

00:55:17,030 --> 00:55:14,480

yeah you know put myself in check but no

1472

00:55:19,829 --> 00:55:17,040

yeah i underst i understand to me like

1473

00:55:22,549 --> 00:55:19,839

um really isn't it all kind of

1474

00:55:23,430 --> 00:55:22,559

meaningless unless

1475

00:55:24,390 --> 00:55:23,440

um

1476

00:55:26,390 --> 00:55:24,400

you know

1477

00:55:28,549 --> 00:55:26,400

we get some sort of answer to what the

1478

00:55:30,630 --> 00:55:28,559

stuff is right you made the point like

1479

00:55:31,910 --> 00:55:30,640

after the last couple years lou elizondo

1480

00:55:36,470 --> 00:55:31,920

coming out

1481

00:55:40,710 --> 00:55:36,480

ttsa all of that you know that was a big

1482

00:55:43,109 --> 00:55:40,720

deal and you know you could say like

1483

00:55:45,190 --> 00:55:43,119

he's taken that all the way to here to

1484

00:55:47,190 --> 00:55:45,200

this point you know

1485

00:55:49,190 --> 00:55:47,200

to where it's being talked about more by

1486

00:55:51,430 --> 00:55:49,200

the government which is great and you

1487

00:55:54,390 --> 00:55:51,440

know amendment and john kirby has to

1488

00:55:55,990 --> 00:55:54,400

answer questions so that's good

1489

00:55:57,990 --> 00:55:56,000

um but at

1490

00:56:00,390 --> 00:55:58,000

you know you i think you hit the nail on

1491

00:56:03,430 --> 00:56:00,400

the head like you have to give us

1492

00:56:05,910 --> 00:56:03,440

something at this point yes or

1493

00:56:07,829 --> 00:56:05,920

literally we've been taken

1494

00:56:09,190 --> 00:56:07,839

for a ride

1495

00:56:11,030 --> 00:56:09,200

yes and it's

1496

00:56:13,349 --> 00:56:11,040

it's not just national scary thing

1497

00:56:15,829 --> 00:56:13,359

happening yes like the more

1498

00:56:17,670 --> 00:56:15,839

um like we do need

1499

00:56:19,109 --> 00:56:17,680

ways for people to report it that are

1500

00:56:21,349 --> 00:56:19,119

pilots or

1501
00:56:22,710 --> 00:56:21,359
most i think the pilots obviously like

1502
00:56:24,230 --> 00:56:22,720
they go up there and they see something

1503
00:56:26,230 --> 00:56:24,240
like that i can't even imagine like

1504
00:56:28,470 --> 00:56:26,240
you're up in the sky like if this thing

1505
00:56:30,549 --> 00:56:28,480
hits your plane you're dead so they need

1506
00:56:32,630 --> 00:56:30,559
to have a space for them and people just

1507
00:56:34,069 --> 00:56:32,640
need to stop like that it's

1508
00:56:35,829 --> 00:56:34,079
if maybe if they would have did this

1509
00:56:37,190 --> 00:56:35,839
office a while ago but i feel like we've

1510
00:56:39,030 --> 00:56:37,200
come to the point where now we've seen

1511
00:56:40,150 --> 00:56:39,040
that there's people that want to give us

1512
00:56:41,670 --> 00:56:40,160
something

1513
00:56:42,870 --> 00:56:41,680

on a regular basis and that was another

1514

00:56:44,789 --> 00:56:42,880

thing he said it's like well i don't see

1515

00:56:46,309 --> 00:56:44,799

us you know on a regular basis like okay

1516

00:56:47,750 --> 00:56:46,319

well yeah

1517

00:56:49,670 --> 00:56:47,760

good i'm happy i'm happy you have more

1518

00:56:52,069 --> 00:56:49,680

secrets good for you guys you know just

1519

00:56:54,390 --> 00:56:52,079

tell us what the frick is is going on

1520

00:56:56,069 --> 00:56:54,400

and you know what are the videos at

1521

00:56:58,630 --> 00:56:56,079

least start there what are in those

1522

00:57:00,870 --> 00:56:58,640

videos you know you definitely know more

1523

00:57:02,309 --> 00:57:00,880

than you're saying at this point about

1524

00:57:06,549 --> 00:57:02,319

what

1525

00:57:08,870 --> 00:57:06,559

something you don't understand that is

1526
00:57:10,230 --> 00:57:08,880
unknown to you you can tell us that it's

1527
00:57:12,470 --> 00:57:10,240
not human

1528
00:57:14,470 --> 00:57:12,480
yeah it almost feels like i'm trying to

1529
00:57:16,870 --> 00:57:14,480
convince one of my kids of something

1530
00:57:18,870 --> 00:57:16,880
because like my son is four he knows

1531
00:57:20,630 --> 00:57:18,880
that if he does something he's gonna get

1532
00:57:23,030 --> 00:57:20,640
in trouble so he tries to like beat

1533
00:57:24,950 --> 00:57:23,040
around the bush and be like no he did it

1534
00:57:25,910 --> 00:57:24,960
you know like just tell me what happened

1535
00:57:27,270 --> 00:57:25,920
you're not always going to get in

1536
00:57:29,829 --> 00:57:27,280
trouble i'd rather you just tell the

1537
00:57:31,510 --> 00:57:29,839
truth right but the thing is they don't

1538
00:57:33,589 --> 00:57:31,520

they don't really see us as part of the

1539

00:57:35,990 --> 00:57:33,599

equation and that's also kind of scary

1540

00:57:37,990 --> 00:57:36,000

and i understand you know the defense

1541

00:57:39,990 --> 00:57:38,000

department and it needs to have these

1542

00:57:41,990 --> 00:57:40,000

things in order for national security

1543

00:57:45,030 --> 00:57:42,000

every country has that

1544

00:57:46,069 --> 00:57:45,040

um but at the same time there is some

1545

00:57:47,990 --> 00:57:46,079

things that are not going to be

1546

00:57:49,510 --> 00:57:48,000

classified if it's so classified why are

1547

00:57:51,510 --> 00:57:49,520

they popping up everywhere and people

1548

00:57:53,510 --> 00:57:51,520

are saying it yeah yeah i mean just

1549

00:57:56,309 --> 00:57:53,520

saying some things uh

1550

00:57:59,190 --> 00:57:56,319

that we know is made in here on earth

1551
00:58:01,510 --> 00:57:59,200
that's not made by humans that in itself

1552
00:58:02,950 --> 00:58:01,520
is not a classified thing

1553
00:58:04,630 --> 00:58:02,960
no

1554
00:58:07,109 --> 00:58:04,640
there's even talk of like there's things

1555
00:58:08,549 --> 00:58:07,119
that are not classified but kind of

1556
00:58:10,230 --> 00:58:08,559
classified right like there's things

1557
00:58:12,150 --> 00:58:10,240
that have been classified

1558
00:58:14,230 --> 00:58:12,160
but they're still not going to show us

1559
00:58:16,069 --> 00:58:14,240
right oh that's another thing like even

1560
00:58:18,309 --> 00:58:16,079
getting some of that and it's i'm not

1561
00:58:20,549 --> 00:58:18,319
being greedy like i understand that like

1562
00:58:22,470 --> 00:58:20,559
how much movement how much forward

1563
00:58:25,510 --> 00:58:22,480

movement has happened i understand that

1564

00:58:27,430 --> 00:58:25,520

totally um and i am all about people

1565

00:58:28,710 --> 00:58:27,440

getting opening their minds to this

1566

00:58:30,309 --> 00:58:28,720

phenomenon

1567

00:58:31,750 --> 00:58:30,319

however it happens it happens if they

1568

00:58:34,630 --> 00:58:31,760

need the government cool if they need

1569

00:58:36,870 --> 00:58:34,640

the alien to come pick them up cool but

1570

00:58:38,950 --> 00:58:36,880

it's people that are we just need more

1571

00:58:40,309 --> 00:58:38,960

people because the when more people

1572

00:58:41,990 --> 00:58:40,319

participate

1573

00:58:43,109 --> 00:58:42,000

even if you don't write your congress

1574

00:58:44,309 --> 00:58:43,119

which you definitely should because

1575

00:58:45,430 --> 00:58:44,319

you're still putting energy into

1576

00:58:48,150 --> 00:58:45,440

something

1577

00:58:49,510 --> 00:58:48,160

then it's going to cause this cascade of

1578

00:58:51,750 --> 00:58:49,520

people

1579

00:58:53,030 --> 00:58:51,760

um getting on board and i don't care

1580

00:58:55,510 --> 00:58:53,040

who's getting you on board i don't care

1581

00:58:57,190 --> 00:58:55,520

if it's demi lovato um i'm basically

1582

00:58:59,430 --> 00:58:57,200

like i came you know like i remember i

1583

00:59:01,589 --> 00:58:59,440

used to really like steven greer um he

1584

00:59:02,950 --> 00:59:01,599

brought me you know he he got a lot of

1585

00:59:04,710 --> 00:59:02,960

people into

1586

00:59:05,829 --> 00:59:04,720

the phenomenon and studying there's

1587

00:59:07,670 --> 00:59:05,839

something to be said there most

1588

00:59:10,069 --> 00:59:07,680

definitely so

1589

00:59:11,990 --> 00:59:10,079

i'm not trying to say you know

1590

00:59:13,510 --> 00:59:12,000

this way or that way only and you can be

1591

00:59:15,109 --> 00:59:13,520

both because there's a lot of people on

1592

00:59:16,789 --> 00:59:15,119

there upset like oh well we didn't need

1593

00:59:19,190 --> 00:59:16,799

this we already knew they were real well

1594

00:59:21,190 --> 00:59:19,200

good for you they didn't and now they

1595

00:59:23,030 --> 00:59:21,200

know we all know the same thing like

1596

00:59:24,309 --> 00:59:23,040

stop being so divisive and say like you

1597

00:59:27,829 --> 00:59:24,319

have to be

1598

00:59:29,430 --> 00:59:27,839

because you're going to be real

1599

00:59:32,069 --> 00:59:29,440

surprised to find out it's probably all

1600

00:59:33,910 --> 00:59:32,079

the same thing yeah yeah and about you

1601
00:59:36,230 --> 00:59:33,920
know like the example you just made you

1602
00:59:38,230 --> 00:59:36,240
know we already knew this well you know

1603
00:59:40,549 --> 00:59:38,240
then why are you commenting it's not

1604
00:59:41,349 --> 00:59:40,559
it's really just not about you then you

1605
00:59:46,069 --> 00:59:41,359
know

1606
00:59:48,789 --> 00:59:46,079
it's literally about the world and it's

1607
00:59:50,470 --> 00:59:48,799
about like the the generations that are

1608
00:59:53,349 --> 00:59:50,480
going to inherit whatever mess that we

1609
00:59:55,589 --> 00:59:53,359
that has happened until this point yeah

1610
00:59:58,069 --> 00:59:55,599
well good talk um i thought it was a

1611
00:59:59,670 --> 00:59:58,079
great first episode with you

1612
01:00:02,470 --> 00:59:59,680
so um i know i'm supposed to be here

1613
01:00:07,510 --> 01:00:02,480

every every every day um i told you i

1614

01:00:11,750 --> 01:00:09,349

uh after that i'm ready to commit did

1615

01:00:13,589 --> 01:00:11,760

you feel off did you fill out a time off

1616

01:00:15,829 --> 01:00:13,599

slippery oh i haven't i know i haven't

1617

01:00:17,030 --> 01:00:15,839

earned any uh has it been approved by

1618

01:00:18,309 --> 01:00:17,040

management

1619

01:00:20,789 --> 01:00:18,319

i'm just kidding

1620

01:00:24,710 --> 01:00:20,799

yeah no that's fine is that's not uh

1621

01:00:28,069 --> 01:00:24,720

that's two weeks yeah okay yeah no

1622

01:00:31,030 --> 01:00:28,079

cool okay i'm okay on my own i can do it

1623

01:00:33,829 --> 01:00:31,040

but after that i'm i'm when i'm you know

1624

01:00:34,870 --> 01:00:33,839

planning forward yeah monday night so

1625

01:00:35,990 --> 01:00:34,880

for sure

1626

01:00:38,230 --> 01:00:36,000

um

1627

01:00:39,510 --> 01:00:38,240

awesome yeah and i'm always up for like

1628

01:00:42,390 --> 01:00:39,520

if we don't have guests too just

1629

01:00:43,990 --> 01:00:42,400

conversing on whatever the topics are or

1630

01:00:46,069 --> 01:00:44,000

you know whatever documents we find

1631

01:00:47,910 --> 01:00:46,079

because i found a

1632

01:00:49,910 --> 01:00:47,920

a lot of them recently that you'd

1633

01:00:52,710 --> 01:00:49,920

probably dig so

1634

01:00:55,190 --> 01:00:52,720

um you know we'll see what happens but

1635

01:00:57,510 --> 01:00:55,200

appreciate everyone in the chat hanging

1636

01:00:59,030 --> 01:00:57,520

out robert i hope you're good brother

1637

01:01:00,549 --> 01:00:59,040

thanks for coming

1638

01:01:05,109 --> 01:01:00,559

um

1639

01:01:06,710 --> 01:01:05,119

great to subscribe if you haven't if

1640

01:01:08,710 --> 01:01:06,720

you're watching on youtube and you're

1641

01:01:11,109 --> 01:01:08,720

not signed in i say this to you but

1642

01:01:12,950 --> 01:01:11,119

freaking sign in and subscribe

1643

01:01:15,190 --> 01:01:12,960

there's no reason i should be done with

1644

01:01:16,630 --> 01:01:15,200

this and have 80 views when there's 20

1645

01:01:18,950 --> 01:01:16,640

people watching

1646

01:01:20,470 --> 01:01:18,960

sign in subscribe

1647

01:01:22,549 --> 01:01:20,480

make a fake email

1648

01:01:25,349 --> 01:01:22,559

do it 100 times i don't care

1649

01:01:27,109 --> 01:01:25,359

all right so uh but yeah with that being

1650

01:01:29,510 --> 01:01:27,119

said uh priscilla go check out her

1651
01:01:31,430 --> 01:01:29,520
channel at quantumwich uh cafe on

1652
01:01:33,270 --> 01:01:31,440
youtube subscribe to that

1653
01:01:35,190 --> 01:01:33,280
um it's a great show we did a great book

1654
01:01:38,470 --> 01:01:35,200
club thing yesterday so

1655
01:01:40,069 --> 01:01:38,480
um and you know where to find us so any

1656
01:01:42,309 --> 01:01:40,079
closing thoughts

1657
01:01:43,030 --> 01:01:42,319
no just thanks for everybody for showing

1658
01:01:47,270 --> 01:01:43,040
up

1659
01:01:51,030 --> 01:01:49,990
t-minus ten nine eight

1660
01:01:53,990 --> 01:01:51,040
seven

1661
01:01:55,109 --> 01:01:54,000
six five

1662
01:01:56,230 --> 01:01:55,119
three

1663
01:01:57,270 --> 01:01:56,240

two

1664

01:02:00,789 --> 01:01:57,280

one

1665

01:02:07,040 --> 01:02:00,799

zero and liftoff of space shuttle and
