1
00:00:06,630 --> 00:00:04,070
what's up everybody happy tuesday i'm

2
00:00:09,270 --> 00:00:06,640
glad you are here with me if you are if

3
00:00:09,270 --> 00:00:09,280
you aren't

4
00:00:15,110 --> 00:00:11,589
that's kind of annoying but you know

5
00:00:16,630 --> 00:00:15,120
there's not much i can do about it so

6
00:00:18,150 --> 00:00:16,640
if you're seeing me on twitter come hang

7
00:00:21,189 --> 00:00:18,160
out in the chat

8
00:00:22,230 --> 00:00:21,199
um we got a great guest i've known zach

9
00:00:25,750 --> 00:00:22,240
for

10
00:00:28,310 --> 00:00:25,760
um it feels like a while but you know

11
00:00:29,429 --> 00:00:28,320
i've really only been here for

12
00:00:31,269 --> 00:00:29,439
[Music]

13
00:00:33,750 --> 00:00:31,279

maybe a year now

14

00:00:35,510 --> 00:00:33,760

or less doing this show maybe since you

15

00:00:37,110 --> 00:00:35,520

know six months

16

00:00:40,389 --> 00:00:37,120

and time

17

00:00:42,549 --> 00:00:40,399

goes by pretty fast but in uh the ufo

18

00:00:45,430 --> 00:00:42,559

world it seems like

19

00:00:46,549 --> 00:00:45,440

an eternity sometimes to be quite honest

20

00:00:49,430 --> 00:00:46,559

with you

21

00:00:51,510 --> 00:00:49,440

um for better for worse

22

00:00:53,670 --> 00:00:51,520

um but yeah so i've known him for a

23

00:00:56,630 --> 00:00:53,680

while he's always been a good dude to me

24

00:00:58,310 --> 00:00:56,640

um i've always liked to show he he has

25

00:00:59,910 --> 00:00:58,320

great questions it's called project

26
00:01:01,510 --> 00:00:59,920
human check it out he's got great

27
00:01:03,189 --> 00:01:01,520
interviews on there

28
00:01:05,910 --> 00:01:03,199
um so

29
00:01:08,230 --> 00:01:05,920
yeah so give me a second

30
00:01:11,109 --> 00:01:08,240
and we will be

31
00:01:13,100 --> 00:01:11,119
right back with mr zach from project

32
00:02:04,630 --> 00:01:13,110
human

33
00:02:06,789 --> 00:02:04,640
[Music]

34
00:02:09,029 --> 00:02:06,799
hope you like it

35
00:02:11,830 --> 00:02:09,039
but uh without further ado i'm gonna

36
00:02:13,030 --> 00:02:11,840
bring him in mr zach i am not saying

37
00:02:15,190 --> 00:02:13,040
your last name because i feel like i'm

38
00:02:17,510 --> 00:02:15,200

gonna butcher it saichi

39

00:02:20,070 --> 00:02:17,520

zaichi okay

40

00:02:21,510 --> 00:02:20,080

how are you today i am doing uh very

41

00:02:23,670 --> 00:02:21,520

well how are you sir

42

00:02:26,070 --> 00:02:23,680

good good um

43

00:02:27,670 --> 00:02:26,080

yeah it's it's

44

00:02:28,550 --> 00:02:27,680

you know i feel like it's been a long

45

00:02:29,990 --> 00:02:28,560

time

46

00:02:31,910 --> 00:02:30,000

for whatever reason

47

00:02:32,710 --> 00:02:31,920

um but right it hasn't

48

00:02:35,670 --> 00:02:32,720

right

49

00:02:38,710 --> 00:02:35,680

yeah well you know um i've been very

50

00:02:42,229 --> 00:02:38,720

kind of in and out of things um the last

51
00:02:44,390 --> 00:02:42,239
probably several months i would say i uh

52
00:02:46,710 --> 00:02:44,400
my kids went back to school i started

53
00:02:50,070 --> 00:02:46,720
working full-time again so i haven't had

54
00:02:53,750 --> 00:02:50,080
as much time to dedicate to uh the cause

55
00:02:55,910 --> 00:02:53,760
uh yeah as as i as i was i was kind of

56
00:02:57,270 --> 00:02:55,920
going full on into it for a little bit

57
00:02:59,110 --> 00:02:57,280
and uh

58
00:03:00,550 --> 00:02:59,120
more recently i just haven't been able

59
00:03:03,430 --> 00:03:00,560
to put in the time

60
00:03:05,270 --> 00:03:03,440
i've got a backlog of interviews of

61
00:03:06,470 --> 00:03:05,280
people that want to be on the show that

62
00:03:08,550 --> 00:03:06,480
i just haven't been able to get on the

63
00:03:09,589 --> 00:03:08,560

show yet and i've got stuff recorded

64

00:03:11,670 --> 00:03:09,599

that i just haven't been able to get

65

00:03:13,990 --> 00:03:11,680

edited and out so

66

00:03:15,750 --> 00:03:14,000

hopefully uh hopefully in january things

67

00:03:17,670 --> 00:03:15,760

will clear up and i'll start getting

68

00:03:19,589 --> 00:03:17,680

getting some episodes out again

69

00:03:21,270 --> 00:03:19,599

yeah well you know you got to do what

70

00:03:22,470 --> 00:03:21,280

you got to do family comes first

71

00:03:23,589 --> 00:03:22,480

obviously

72

00:03:26,149 --> 00:03:23,599

you know

73

00:03:28,550 --> 00:03:26,159

um i for better for worse don't have any

74

00:03:30,309 --> 00:03:28,560

children so you know if you see me kind

75

00:03:33,190 --> 00:03:30,319

of balls into the walls sometimes that's

76

00:03:35,190 --> 00:03:33,200

probably why

77

00:03:38,070 --> 00:03:35,200

uh what's up spaghetti

78

00:03:40,470 --> 00:03:38,080

uh just saying uh what's up to you it's

79

00:03:41,589 --> 00:03:40,480

some fam here quick lord bass what's

80

00:03:45,670 --> 00:03:41,599

happening

81

00:03:46,470 --> 00:03:45,680

lara ethereal aura what's up megan t

82

00:03:49,910 --> 00:03:46,480

um

83

00:03:52,630 --> 00:03:49,920

jeremy jerkinson what's happening

84

00:03:53,429 --> 00:03:52,640

he actually uses his name i love that

85

00:03:55,110 --> 00:03:53,439

uh

86

00:03:56,630 --> 00:03:55,120

otherwise i'm always saying these

87

00:03:58,550 --> 00:03:56,640

interesting names and my dad always

88

00:03:59,350 --> 00:03:58,560

tells me like you got some people with

89

00:04:01,270 --> 00:03:59,360

some

90

00:04:01,690 --> 00:04:01,280

crazy names that you're always saying hi

91

00:04:05,270 --> 00:04:01,700

too

92

00:04:09,589 --> 00:04:07,589

nigel disclosure's team what's up diesel

93

00:04:13,270 --> 00:04:09,599

girl i got your message you named it

94

00:04:15,429 --> 00:04:13,280

after your dog that's awesome by the way

95

00:04:18,310 --> 00:04:15,439

um if i did that my name would be sweet

96

00:04:20,789 --> 00:04:18,320

pea so

97

00:04:21,749 --> 00:04:20,799

dope knows that's a good one

98

00:04:23,990 --> 00:04:21,759

um

99

00:04:25,189 --> 00:04:24,000

yeah so

100

00:04:27,350 --> 00:04:25,199

just

101

00:04:28,550 --> 00:04:27,360

to get into it i mean

102

00:04:30,790 --> 00:04:28,560

you know the

103

00:04:34,550 --> 00:04:30,800

i first learned about you when i first

104

00:04:36,629 --> 00:04:34,560

started doing um the ufo twitter thing

105

00:04:38,310 --> 00:04:36,639

uh i was always kind of paying attention

106

00:04:39,990 --> 00:04:38,320

to this stuff but

107

00:04:42,310 --> 00:04:40,000

not really

108

00:04:44,950 --> 00:04:42,320

too much just more like to be honest

109

00:04:47,270 --> 00:04:44,960

more like entertainment like watching

110

00:04:48,629 --> 00:04:47,280

um luella lozando's show and all that i

111

00:04:50,629 --> 00:04:48,639

thought it was pretty cool pretty

112

00:04:52,550 --> 00:04:50,639

intriguing um but

113

00:04:54,710 --> 00:04:52,560

you know after i had my little thing or

114

00:04:56,469 --> 00:04:54,720

whatever um i was

115

00:04:57,510 --> 00:04:56,479

going a little deeper

116

00:04:59,990 --> 00:04:57,520

and

117

00:05:02,710 --> 00:05:00,000

um you know you're one of the first

118

00:05:03,909 --> 00:05:02,720

podcasts that i found

119

00:05:08,230 --> 00:05:03,919

before

120

00:05:12,150 --> 00:05:08,240

obviously

121

00:05:14,310 --> 00:05:12,160

and others and i just found your style

122

00:05:17,909 --> 00:05:14,320

really captivating because you took the

123

00:05:20,550 --> 00:05:17,919

time to ask great thoughtful questions

124

00:05:21,830 --> 00:05:20,560

um and you were one of the you know you

125

00:05:23,430 --> 00:05:21,840

were

126

00:05:25,830 --> 00:05:23,440

pretty

127

00:05:27,830 --> 00:05:25,840

you know early to the ball as far as

128

00:05:30,550 --> 00:05:27,840

interviews with lou elizondo and all

129

00:05:31,830 --> 00:05:30,560

that and um i thought you did quite a

130

00:05:34,390 --> 00:05:31,840

good job

131

00:05:36,230 --> 00:05:34,400

um do you mind telling us

132

00:05:39,270 --> 00:05:36,240

you know your relationship

133

00:05:40,230 --> 00:05:39,280

to ufos and and how you got here how you

134

00:05:42,710 --> 00:05:40,240

got there

135

00:05:43,749 --> 00:05:42,720

if you you know share whatever you want

136

00:05:47,270 --> 00:05:43,759

yeah

137

00:05:49,430 --> 00:05:47,280

you know i guess

138

00:05:52,230 --> 00:05:49,440

it's a long story but the you know it

139

00:05:57,029 --> 00:05:52,240

for me it began more or less at birth um

140

00:06:00,390 --> 00:05:58,309

whatever

141

00:06:02,309 --> 00:06:00,400

sure so

142

00:06:04,469 --> 00:06:02,319

the the shortest way to put it is that

143

00:06:06,790 --> 00:06:04,479

my mom was really into this stuff when i

144

00:06:10,390 --> 00:06:06,800

was growing up um i don't remember a

145

00:06:13,350 --> 00:06:10,400

time uh when she was alive that she did

146

00:06:16,790 --> 00:06:13,360

not have like ufo books next to her

147

00:06:19,430 --> 00:06:16,800

bedside um or she was listening to coast

148

00:06:21,830 --> 00:06:19,440

to coast am with art belle or

149

00:06:24,469 --> 00:06:21,840

you know she was really into um all

150

00:06:25,510 --> 00:06:24,479

things kind of esoteric weird conspiracy

151
00:06:28,629 --> 00:06:25,520
theories

152
00:06:29,909 --> 00:06:28,639
uh the jfk assassination um

153
00:06:32,830 --> 00:06:29,919
roswell

154
00:06:35,909 --> 00:06:32,840
you know the whole gamut chemtrails

155
00:06:39,189 --> 00:06:35,919
um pretty much all of that kind of stuff

156
00:06:40,870 --> 00:06:39,199
but ufos were were like the thing that

157
00:06:43,029 --> 00:06:40,880
was like the main thing she always

158
00:06:43,909 --> 00:06:43,039
circled back to ufos

159
00:06:45,189 --> 00:06:43,919
and

160
00:06:47,670 --> 00:06:45,199
um

161
00:06:49,350 --> 00:06:47,680
i grew up

162
00:06:50,550 --> 00:06:49,360
so you know a lot of people the way that

163
00:06:52,230 --> 00:06:50,560

i put it to people is like a lot of

164

00:06:54,309 --> 00:06:52,240

people grow up with christianity or they

165

00:06:55,430 --> 00:06:54,319

grow up with a religion of some kind or

166

00:06:57,270 --> 00:06:55,440

maybe not

167

00:07:01,589 --> 00:06:57,280

um for me the closest thing to an

168

00:07:04,070 --> 00:07:01,599

organizing principle that i had was

169

00:07:06,629 --> 00:07:04,080

my mom's interest in this weird stuff

170

00:07:07,430 --> 00:07:06,639

and uh when you grow up at a young age

171

00:07:10,390 --> 00:07:07,440

with

172

00:07:11,270 --> 00:07:10,400

that kind of in the backdrop um thinking

173

00:07:14,230 --> 00:07:11,280

that

174

00:07:16,790 --> 00:07:14,240

real

175

00:07:20,230 --> 00:07:16,800

um it definitely alters sort of the

176

00:07:24,629 --> 00:07:22,550

you know and

177

00:07:27,029 --> 00:07:24,639

there's stuff that i would like to get

178

00:07:29,830 --> 00:07:27,039

into but i can't um and not because i

179

00:07:32,230 --> 00:07:29,840

have an nda

180

00:07:33,670 --> 00:07:32,240

stuff that involves family stuff that

181

00:07:36,629 --> 00:07:33,680

involves

182

00:07:39,029 --> 00:07:36,639

i hear you yeah you know um i grew up in

183

00:07:41,029 --> 00:07:39,039

the middle of the woods was isolated

184

00:07:43,430 --> 00:07:41,039

um

185

00:07:46,230 --> 00:07:43,440

and things happened and i'll leave it at

186

00:07:48,070 --> 00:07:46,240

that i've never really gotten into this

187

00:07:49,430 --> 00:07:48,080

with anybody so

188

00:07:51,029 --> 00:07:49,440

it's something that i'm currently i'm

189

00:07:52,309 --> 00:07:51,039

actually in the process of writing about

190

00:07:54,070 --> 00:07:52,319

it um

191

00:07:57,029 --> 00:07:54,080

trying to make sense of some some

192

00:08:00,230 --> 00:07:57,039

memories that i have but um

193

00:08:03,029 --> 00:08:00,240

yeah fast forwarding a little bit i um

194

00:08:04,790 --> 00:08:03,039

over time you know as as kids grow up

195

00:08:07,189 --> 00:08:04,800

and they rebel against the religion that

196

00:08:08,150 --> 00:08:07,199

they were brought up in i rebelled

197

00:08:10,550 --> 00:08:08,160

against

198

00:08:12,230 --> 00:08:10,560

uh my mom's interest a bit in in all

199

00:08:14,469 --> 00:08:12,240

these weird things and i kind of started

200

00:08:16,869 --> 00:08:14,479

to think wow you've been sort of wasting

201
00:08:18,869 --> 00:08:16,879
your time i would stay up late with her

202
00:08:21,830 --> 00:08:18,879
and um we would argue about like the

203
00:08:24,309 --> 00:08:21,840
guest that was on uh coast to coast

204
00:08:25,510 --> 00:08:24,319
you know richard hoagland or someone

205
00:08:26,869 --> 00:08:25,520
would be on

206
00:08:28,869 --> 00:08:26,879
you know and i would just be like these

207
00:08:29,909 --> 00:08:28,879
people are all so full of

208
00:08:31,510 --> 00:08:29,919
like

209
00:08:33,190 --> 00:08:31,520
you know and and then as soon as the

210
00:08:34,469 --> 00:08:33,200
internet started to be a thing i would

211
00:08:36,070 --> 00:08:34,479
literally you know i'd go to the

212
00:08:37,909 --> 00:08:36,080
internet and i'd start

213
00:08:40,310 --> 00:08:37,919

looking for things like trying to sort

214

00:08:42,790 --> 00:08:40,320

of debunk a lot of the things that that

215

00:08:44,070 --> 00:08:42,800

my mom uh was super into not because i

216

00:08:46,870 --> 00:08:44,080

was trying to be an but because

217

00:08:47,990 --> 00:08:46,880

i truly believed that

218

00:08:49,430 --> 00:08:48,000

you know

219

00:08:52,710 --> 00:08:49,440

i felt like there was a lot of

220

00:08:56,070 --> 00:08:52,720

vulnerable people out there that

221

00:08:57,990 --> 00:08:56,080

would buy into this stuff and

222

00:08:59,350 --> 00:08:58,000

you know my mom was one of these people

223

00:09:01,110 --> 00:08:59,360

and

224

00:09:02,150 --> 00:09:01,120

i felt like it was just this circular

225

00:09:04,230 --> 00:09:02,160

thing where

226

00:09:05,750 --> 00:09:04,240

she was really really interested never

227

00:09:08,710 --> 00:09:05,760

really getting answers getting really

228

00:09:10,150 --> 00:09:08,720

angry um i remember her swearing you

229

00:09:12,310 --> 00:09:10,160

know at

230

00:09:14,310 --> 00:09:12,320

documentaries about ufos going you know

231

00:09:15,990 --> 00:09:14,320

government you know like

232

00:09:17,750 --> 00:09:16,000

yeah mother they're all

233

00:09:18,870 --> 00:09:17,760

lying you know things like that

234

00:09:21,269 --> 00:09:18,880

um

235

00:09:23,030 --> 00:09:21,279

and you know

236

00:09:26,310 --> 00:09:23,040

a lot of that is in me

237

00:09:28,310 --> 00:09:26,320

uh now today you know she passed away in

238

00:09:29,509 --> 00:09:28,320

2016.

239

00:09:32,389 --> 00:09:29,519

um

240

00:09:35,829 --> 00:09:32,399

uh just just a year prior to

241

00:09:38,550 --> 00:09:35,839

the the new york times story

242

00:09:42,070 --> 00:09:38,560

the new york times story

243

00:09:43,269 --> 00:09:42,080

in the aftermath of my mom's death uh is

244

00:09:45,190 --> 00:09:43,279

really the kind of the thing that was

245

00:09:47,990 --> 00:09:45,200

the catalyst for me to get back into

246

00:09:50,230 --> 00:09:48,000

this subject i always had my eye on it i

247

00:09:52,790 --> 00:09:50,240

knew that tom delonge was interested i

248

00:09:54,389 --> 00:09:52,800

knew that things were going on there

249

00:09:55,750 --> 00:09:54,399

but then the new york times story came

250

00:09:57,590 --> 00:09:55,760

out and kind of

251

00:10:00,710 --> 00:09:57,600

added some validity

252

00:10:03,350 --> 00:10:00,720

to to it and um

253

00:10:05,509 --> 00:10:03,360

i sort of re-litigated the whole subject

254

00:10:06,630 --> 00:10:05,519

in my brain and it was also kind of a

255

00:10:07,910 --> 00:10:06,640

way

256

00:10:10,470 --> 00:10:07,920

of being able to have those

257

00:10:11,670 --> 00:10:10,480

conversations again with my mom

258

00:10:14,069 --> 00:10:11,680

and also

259

00:10:17,590 --> 00:10:14,079

reinspecting my own memories my own

260

00:10:23,430 --> 00:10:20,069

thoughts on the subject um you know and

261

00:10:25,110 --> 00:10:23,440

i i started to kind of think that maybe

262

00:10:28,069 --> 00:10:25,120

maybe there is actually something to all

263

00:10:29,910 --> 00:10:28,079

this after all maybe

264

00:10:32,550 --> 00:10:29,920

you know maybe

265

00:10:35,190 --> 00:10:32,560

yeah right yeah yeah

266

00:10:36,949 --> 00:10:35,200

yeah i mean and real quick i mean

267

00:10:40,069 --> 00:10:36,959

i also want to say that i was i was

268

00:10:41,590 --> 00:10:40,079

really angry um and i still am like

269

00:10:42,870 --> 00:10:41,600

there's this anger in me over this

270

00:10:44,870 --> 00:10:42,880

subject

271

00:10:46,470 --> 00:10:44,880

um

272

00:10:47,990 --> 00:10:46,480

that i don't know that everyone can

273

00:10:50,949 --> 00:10:48,000

relate to

274

00:10:52,870 --> 00:10:50,959

so when the us government sort of plays

275

00:10:55,030 --> 00:10:52,880

with this subject and they come out and

276

00:10:56,870 --> 00:10:55,040

they say well we're not saying it's not

277

00:10:59,110 --> 00:10:56,880

aliens

278

00:11:01,110 --> 00:10:59,120

the level to which that infuriates me i

279

00:11:04,550 --> 00:11:01,120

don't know if everyone can

280

00:11:06,870 --> 00:11:04,560

relate to um again because my mom's gone

281

00:11:08,630 --> 00:11:06,880

she's not here she can't see this she

282

00:11:10,150 --> 00:11:08,640

wanted answers to these questions she's

283

00:11:11,829 --> 00:11:10,160

not gonna get them

284

00:11:13,269 --> 00:11:11,839

and

285

00:11:15,190 --> 00:11:13,279

you know i'll even i'll even tell you

286

00:11:16,949 --> 00:11:15,200

this this is something that kind of

287

00:11:17,910 --> 00:11:16,959

during that interview with lou elizondo

288

00:11:20,389 --> 00:11:17,920

this

289

00:11:21,910 --> 00:11:20,399

he had a response that um even though i

290

00:11:23,430 --> 00:11:21,920

didn't call it out at the time it kind

291

00:11:26,069 --> 00:11:23,440

of kind of pissed me off a little bit

292

00:11:27,990 --> 00:11:26,079

because he said you know i asked him

293

00:11:31,030 --> 00:11:28,000

i talked about people that die they live

294

00:11:33,509 --> 00:11:31,040

and they die for this subject right

295

00:11:34,470 --> 00:11:33,519

um and they don't get answers and he

296

00:11:36,949 --> 00:11:34,480

said

297

00:11:39,509 --> 00:11:36,959

he kind of gave this long-winded sincere

298

00:11:41,350 --> 00:11:39,519

response

299

00:11:43,030 --> 00:11:41,360

saying he hoped that

300

00:11:45,350 --> 00:11:43,040

or he thinks that people get answers

301
00:11:47,030 --> 00:11:45,360
when they die

302
00:11:48,550 --> 00:11:47,040
okay

303
00:11:50,629 --> 00:11:48,560
i remember that

304
00:11:52,710 --> 00:11:50,639
yeah and i i

305
00:11:55,030 --> 00:11:52,720
chose not to react to it i just kept

306
00:11:57,190 --> 00:11:55,040
going with the with the interview but

307
00:11:59,269 --> 00:11:57,200
i'll be honest it's it's horseshit it's

308
00:12:00,870 --> 00:11:59,279
not a real answer for me

309
00:12:03,269 --> 00:12:00,880
um

310
00:12:04,470 --> 00:12:03,279
because either either someone does know

311
00:12:06,470 --> 00:12:04,480
something

312
00:12:07,990 --> 00:12:06,480
about these things that are going on or

313
00:12:09,269 --> 00:12:08,000

they don't

314

00:12:11,190 --> 00:12:09,279

and

315

00:12:13,990 --> 00:12:11,200

this game that's been being played for

316

00:12:17,590 --> 00:12:14,000

80 years uh 80 plus years with the

317

00:12:20,310 --> 00:12:17,600

subject is not tolerable to me i am not

318

00:12:23,190 --> 00:12:20,320

happy about that situation so

319

00:12:25,910 --> 00:12:23,200

yeah long-winded way of uh

320

00:12:27,190 --> 00:12:25,920

you know leaving a lot of things out but

321

00:12:29,590 --> 00:12:27,200

that's not just

322

00:12:31,509 --> 00:12:29,600

i thought you did a good job um

323

00:12:33,910 --> 00:12:31,519

you know

324

00:12:35,990 --> 00:12:33,920

kind of just setting up

325

00:12:38,389 --> 00:12:36,000

your story and who you are and what you

326

00:12:39,509 --> 00:12:38,399

know why you feel the way you feel

327

00:12:42,389 --> 00:12:39,519

um

328

00:12:45,509 --> 00:12:42,399

you know i get angry about it too but

329

00:12:46,389 --> 00:12:45,519

not for the same reasons more or less

330

00:12:48,069 --> 00:12:46,399

um

331

00:12:50,069 --> 00:12:48,079

you know because

332

00:12:52,710 --> 00:12:50,079

you know i i grew up

333

00:12:54,949 --> 00:12:52,720

non-denominational christian so you know

334

00:12:57,190 --> 00:12:54,959

i was living the same kind of life like

335

00:12:59,910 --> 00:12:57,200

you kind of hinted at except

336

00:13:01,829 --> 00:12:59,920

fighting against that on and off quite a

337

00:13:03,190 --> 00:13:01,839

bit yeah you know

338

00:13:05,269 --> 00:13:03,200

um so

339

00:13:07,110 --> 00:13:05,279

i can understand that way and relate

340

00:13:09,590 --> 00:13:07,120

that way um

341

00:13:11,110 --> 00:13:09,600

and a lot of people you know from from

342

00:13:13,670 --> 00:13:11,120

that community

343

00:13:15,910 --> 00:13:13,680

whether they say they believe or don't

344

00:13:16,870 --> 00:13:15,920

believe it's something that they'll

345

00:13:19,350 --> 00:13:16,880

never

346

00:13:22,790 --> 00:13:19,360

get answers to either really

347

00:13:23,670 --> 00:13:22,800

you know um but the the irritation with

348

00:13:26,470 --> 00:13:23,680

um

349

00:13:28,310 --> 00:13:26,480

i'm gonna skip over the get the answers

350

00:13:30,790 --> 00:13:28,320

when you die because

351

00:13:32,949 --> 00:13:30,800

i feel a different way about that but

352

00:13:35,590 --> 00:13:32,959

none of us can really prove it

353

00:13:37,430 --> 00:13:35,600

sure should be quite unjust

354

00:13:39,750 --> 00:13:37,440

so yeah well and i i want to be clear

355

00:13:42,310 --> 00:13:39,760

that the reason why that

356

00:13:44,230 --> 00:13:42,320

made me angry is

357

00:13:45,829 --> 00:13:44,240

it just doesn't do any good

358

00:13:48,389 --> 00:13:45,839

right right now because you're saying

359

00:13:50,470 --> 00:13:48,399

people hear it right now either know or

360

00:13:53,269 --> 00:13:50,480

don't know i could get into a really

361

00:13:54,949 --> 00:13:53,279

long-winded uh thing about

362

00:13:57,269 --> 00:13:54,959

how i feel about religion and the

363

00:13:59,269 --> 00:13:57,279

afterlife and blah blah blah

364

00:14:01,509 --> 00:13:59,279

the short version is i

365

00:14:04,069 --> 00:14:01,519

i think that heaven and hell are right

366

00:14:05,829 --> 00:14:04,079

here on earth i i don't i don't think

367

00:14:09,430 --> 00:14:05,839

about them as being after

368

00:14:10,949 --> 00:14:09,440

um i think about the entire point of of

369

00:14:11,910 --> 00:14:10,959

existence

370

00:14:14,949 --> 00:14:11,920

as

371

00:14:16,230 --> 00:14:14,959

what is here and heaven and hell are our

372

00:14:18,069 --> 00:14:16,240

states of being on earth they're not

373

00:14:20,550 --> 00:14:18,079

things to be attained

374

00:14:21,509 --> 00:14:20,560

uh after because

375

00:14:23,030 --> 00:14:21,519

that

376

00:14:24,629 --> 00:14:23,040

ultimately we can only do what we can do

377

00:14:25,750 --> 00:14:24,639

with what we have with what's right in

378

00:14:28,230 --> 00:14:25,760

front of us

379

00:14:30,310 --> 00:14:28,240

and that's how that's how i feel about

380

00:14:32,949 --> 00:14:30,320

life and i i think a lot of people do

381

00:14:34,550 --> 00:14:32,959

too so when you have someone say

382

00:14:36,629 --> 00:14:34,560

well you know hopefully you got an

383

00:14:37,910 --> 00:14:36,639

answer when yeah when you die it's like

384

00:14:41,269 --> 00:14:37,920

well

385

00:14:44,470 --> 00:14:41,279

okay but also um that doesn't do any

386

00:14:45,590 --> 00:14:44,480

good yeah that's it that's uh just well

387

00:14:46,470 --> 00:14:45,600

you know

388

00:14:47,990 --> 00:14:46,480

um

389

00:14:50,310 --> 00:14:48,000

don't worry about it like you could just

390

00:14:51,030 --> 00:14:50,320

say that to about anything like yeah

391

00:14:53,189 --> 00:14:51,040

yeah

392

00:14:56,069 --> 00:14:53,199

if you feel so i mean

393

00:14:58,389 --> 00:14:56,079

if you feel life matters then it matters

394

00:15:00,550 --> 00:14:58,399

that people get answers here right it

395

00:15:02,150 --> 00:15:00,560

matters if they get answers now well we

396

00:15:04,230 --> 00:15:02,160

can do what we want because when you die

397

00:15:05,509 --> 00:15:04,240

you're going to figure it out so yeah

398

00:15:07,509 --> 00:15:05,519

and and

399

00:15:08,790 --> 00:15:07,519

yeah and look there there are a million

400

00:15:10,470 --> 00:15:08,800

questions that you're not going to get

401
00:15:13,269 --> 00:15:10,480
an answer to you know the two biggest

402
00:15:14,790 --> 00:15:13,279
questions i think uh that you can ask

403
00:15:16,870 --> 00:15:14,800
are like you know what happens when you

404
00:15:19,269 --> 00:15:16,880
die and is there life in the universe

405
00:15:20,870 --> 00:15:19,279
and he the the pro you know the first

406
00:15:22,949 --> 00:15:20,880
one you're not gonna get an answer until

407
00:15:24,949 --> 00:15:22,959
you die and we're not really even gonna

408
00:15:27,750 --> 00:15:24,959
have a conversation about it

409
00:15:29,829 --> 00:15:27,760
uh probably unless you're robert bigelow

410
00:15:31,030 --> 00:15:29,839
and you know you pour tons of money into

411
00:15:32,949 --> 00:15:31,040
it and he's still not gonna get the

412
00:15:34,150 --> 00:15:32,959
answer probably until he's dead

413
00:15:36,870 --> 00:15:34,160

um

414

00:15:38,550 --> 00:15:36,880

completely agree but the second question

415

00:15:40,710 --> 00:15:38,560

um is there other life in the universe

416

00:15:41,990 --> 00:15:40,720

that feels attainable that feels

417

00:15:43,990 --> 00:15:42,000

answerable

418

00:15:47,430 --> 00:15:44,000

um you know

419

00:15:50,150 --> 00:15:47,440

either there is or there or there isn't

420

00:15:51,910 --> 00:15:50,160

um you know and as far as this this

421

00:15:55,110 --> 00:15:51,920

dance the government's been playing for

422

00:15:56,310 --> 00:15:55,120

80 plus years um

423

00:15:57,110 --> 00:15:56,320

either they

424

00:16:04,310 --> 00:15:57,120

know

425

00:16:06,470 --> 00:16:04,320

data that shows that there's something

426

00:16:09,749 --> 00:16:06,480

unambiguously weird

427

00:16:11,269 --> 00:16:09,759

or they they don't have that um

428

00:16:13,350 --> 00:16:11,279

and i want to be clear this isn't my

429

00:16:16,069 --> 00:16:13,360

only interest in the subject

430

00:16:19,110 --> 00:16:16,079

but as far as like how i think about

431

00:16:21,030 --> 00:16:19,120

what i can do in a public realm

432

00:16:23,030 --> 00:16:21,040

asking this question feels like the most

433

00:16:25,990 --> 00:16:23,040

important thing

434

00:16:27,590 --> 00:16:26,000

i can talk about experiences i can talk

435

00:16:29,110 --> 00:16:27,600

about things that i personally believe

436

00:16:31,350 --> 00:16:29,120

which are not the same as what i

437

00:16:32,550 --> 00:16:31,360

necessarily say all the time

438

00:16:33,350 --> 00:16:32,560

um

439

00:16:35,829 --> 00:16:33,360

but

440

00:16:38,550 --> 00:16:35,839

when it comes i do that sometimes too i

441

00:16:40,389 --> 00:16:38,560

there's a bifurcation in in how i think

442

00:16:42,550 --> 00:16:40,399

about things and i think it drives

443

00:16:45,670 --> 00:16:42,560

people a bit crazy sometimes because

444

00:16:48,389 --> 00:16:45,680

i do believe experiencers i do believe

445

00:16:49,590 --> 00:16:48,399

that the universe is weird i even think

446

00:16:51,590 --> 00:16:49,600

that there

447

00:16:53,670 --> 00:16:51,600

might be an afterlife it just doesn't do

448

00:16:55,509 --> 00:16:53,680

any good right like that

449

00:16:58,870 --> 00:16:55,519

a lot of that stuff is interesting to

450

00:17:00,870 --> 00:16:58,880

explore on my own but as far as like

451

00:17:03,269 --> 00:17:00,880

i i often try to think about like what

452

00:17:05,829 --> 00:17:03,279

can i do here and now

453

00:17:07,829 --> 00:17:05,839

and i've had friends who have you know

454

00:17:09,750 --> 00:17:07,839

i've had family and friends who've died

455

00:17:13,669 --> 00:17:09,760

looking for answers into the subject and

456

00:17:15,189 --> 00:17:13,679

so the most pertinent thing to me is

457

00:17:17,510 --> 00:17:15,199

why is the government playing with

458

00:17:18,470 --> 00:17:17,520

people why are they gaslighting us

459

00:17:20,710 --> 00:17:18,480

well

460

00:17:22,710 --> 00:17:20,720

why you know

461

00:17:26,069 --> 00:17:22,720

that that to me is the sort of sort of

462

00:17:28,150 --> 00:17:26,079

been the central theme of of my interest

463

00:17:31,590 --> 00:17:28,160

for the last several years at least on a

464

00:17:34,230 --> 00:17:31,600

public level well hey if it was like

465

00:17:36,950 --> 00:17:34,240

i don't think we any of us would really

466

00:17:39,590 --> 00:17:36,960

be here if we'll get the answers when we

467

00:17:41,750 --> 00:17:39,600

die was it was good enough right correct

468

00:17:43,830 --> 00:17:41,760

yeah yeah but otherwise what would we be

469

00:17:46,070 --> 00:17:43,840

doing here we'd say oh it's fine

470

00:17:48,230 --> 00:17:46,080

and and to be fair to like lou himself

471

00:17:49,750 --> 00:17:48,240

wouldn't be doing what he's doing if

472

00:17:50,950 --> 00:17:49,760

that was like

473

00:17:52,470 --> 00:17:50,960

good enough

474

00:17:55,110 --> 00:17:52,480

um

475

00:17:57,590 --> 00:17:55,120

i just think it's yeah and and i by the

476
00:17:59,430 --> 00:17:57,600
way like nothing against lou for what he

477
00:18:01,190 --> 00:17:59,440
said it's just

478
00:18:02,390 --> 00:18:01,200
it's like man you

479
00:18:03,430 --> 00:18:02,400
you're okay

480
00:18:05,110 --> 00:18:03,440
you know what i'm saying it's like

481
00:18:06,150 --> 00:18:05,120
you're talking to the guy who says he

482
00:18:08,390 --> 00:18:06,160
knows

483
00:18:09,350 --> 00:18:08,400
and and the thing that he says in return

484
00:18:11,110 --> 00:18:09,360
is

485
00:18:12,390 --> 00:18:11,120
not you know i would think that that

486
00:18:14,789 --> 00:18:12,400
like the response would be more

487
00:18:16,470 --> 00:18:14,799
something along the lines of that's why

488
00:18:18,390 --> 00:18:16,480

i'm doing what i'm doing it's that no

489

00:18:19,990 --> 00:18:18,400

one else has to die

490

00:18:22,390 --> 00:18:20,000

you know not getting the

491

00:18:24,150 --> 00:18:22,400

something like that right motivating

492

00:18:25,990 --> 00:18:24,160

yeah yeah something kind of motivating

493

00:18:27,909 --> 00:18:26,000

instead he's like people get answers

494

00:18:31,669 --> 00:18:27,919

when they die it's like what are you

495

00:18:34,150 --> 00:18:31,679

saying are you like what's this for then

496

00:18:35,830 --> 00:18:34,160

yeah right yeah that's what what's this

497

00:18:37,029 --> 00:18:35,840

that's a good point i wish i could just

498

00:18:38,789 --> 00:18:37,039

follow up with him but i haven't been

499

00:18:41,029 --> 00:18:38,799

able to get in touch with him since

500

00:18:43,270 --> 00:18:41,039

yeah well i haven't got a follow-up

501
00:18:44,710 --> 00:18:43,280
either so we're in the no follow-up crew

502
00:18:48,070 --> 00:18:44,720
all right

503
00:18:50,789 --> 00:18:48,080
but no yeah um i could say

504
00:18:52,950 --> 00:18:50,799
you know and kind of you know being on

505
00:18:55,669 --> 00:18:52,960
twitter with you and kind of watching

506
00:18:56,630 --> 00:18:55,679
the different battles you you've been in

507
00:18:57,909 --> 00:18:56,640
you know

508
00:19:00,630 --> 00:18:57,919
um

509
00:19:02,310 --> 00:19:00,640
yeah it's sometimes it's hard uh

510
00:19:03,510 --> 00:19:02,320
watching them because people don't

511
00:19:04,470 --> 00:19:03,520
understand

512
00:19:06,470 --> 00:19:04,480
you know

513
00:19:08,549 --> 00:19:06,480

um and

514

00:19:11,350 --> 00:19:08,559

because there's a real person behind the

515

00:19:13,750 --> 00:19:11,360

avatar you know and there's a reason for

516

00:19:14,950 --> 00:19:13,760

their actions whether they're positive

517

00:19:17,990 --> 00:19:14,960

or negative

518

00:19:20,710 --> 00:19:18,000

and reasons for why they're here that

519

00:19:21,669 --> 00:19:20,720

you don't you know you as far as people

520

00:19:23,590 --> 00:19:21,679

you would

521

00:19:24,390 --> 00:19:23,600

get into things with don't even know

522

00:19:25,750 --> 00:19:24,400

about

523

00:19:28,870 --> 00:19:25,760

correct you know and they're just

524

00:19:30,630 --> 00:19:28,880

reading words and um making instinct

525

00:19:32,950 --> 00:19:30,640

reactions to them

526
00:19:33,909 --> 00:19:32,960
and it's not fair it's not fair at all

527
00:19:35,430 --> 00:19:33,919
and

528
00:19:36,950 --> 00:19:35,440
you know sometimes i think that's the

529
00:19:38,470 --> 00:19:36,960
reason that we're not

530
00:19:40,549 --> 00:19:38,480
getting anywhere with this is because

531
00:19:41,830 --> 00:19:40,559
we're more divided in this tiny little

532
00:19:44,789 --> 00:19:41,840
community

533
00:19:46,470 --> 00:19:44,799
uh than we want to admit and yeah

534
00:19:47,909 --> 00:19:46,480
first of all i don't think there's many

535
00:19:48,789 --> 00:19:47,919
of us even

536
00:19:51,110 --> 00:19:48,799
here

537
00:19:53,350 --> 00:19:51,120
in the scheme of in the whole scheme of

538
00:19:55,270 --> 00:19:53,360

things like yeah

539

00:19:57,590 --> 00:19:55,280

who really cares about this outside of

540

00:19:59,990 --> 00:19:57,600

this community if you go ask a general

541

00:20:02,630 --> 00:20:00,000

you know civilian or whatever at pick

542

00:20:05,029 --> 00:20:02,640

and say or target or grocery store

543

00:20:07,430 --> 00:20:05,039

because no i don't really think about it

544

00:20:09,029 --> 00:20:07,440

i don't really care so

545

00:20:11,350 --> 00:20:09,039

you know it it almost feels like

546

00:20:12,950 --> 00:20:11,360

sometimes that we're you know wrangled

547

00:20:16,470 --> 00:20:12,960

into this pit

548

00:20:17,990 --> 00:20:16,480

in and used for a reason you know

549

00:20:20,870 --> 00:20:18,000

whether that

550

00:20:23,830 --> 00:20:20,880

what that is i don't know but yeah i

551
00:20:26,470 --> 00:20:23,840
mean so so so people

552
00:20:28,710 --> 00:20:26,480
um often say things like

553
00:20:30,310 --> 00:20:28,720
um disclosure's personal you know

554
00:20:31,270 --> 00:20:30,320
disclosure is like whatever it means to

555
00:20:33,029 --> 00:20:31,280
you

556
00:20:35,510 --> 00:20:33,039
um

557
00:20:37,190 --> 00:20:35,520
it isn't though and i'll tell you why

558
00:20:40,470 --> 00:20:37,200
like so the

559
00:20:43,430 --> 00:20:40,480
ufo twitter wouldn't be a thing

560
00:20:45,350 --> 00:20:43,440
if this was all about our own isolated

561
00:20:48,230 --> 00:20:45,360
renegade journeys

562
00:20:49,909 --> 00:20:48,240
where we are off on their on our own

563
00:20:52,310 --> 00:20:49,919

path and like we get our own answers we

564

00:20:54,870 --> 00:20:52,320

do see e5 and we see the thing in the

565

00:20:56,950 --> 00:20:54,880

sky and then we get our own answers and

566

00:20:58,950 --> 00:20:56,960

that's all i need you know that's not

567

00:21:01,510 --> 00:20:58,960

what it is we wouldn't be out here

568

00:21:03,590 --> 00:21:01,520

talking about it right so so the for

569

00:21:05,350 --> 00:21:03,600

them it is but not everybody

570

00:21:07,110 --> 00:21:05,360

it isn't though but it isn't even for

571

00:21:08,230 --> 00:21:07,120

them because because the only reason i

572

00:21:09,750 --> 00:21:08,240

know about those people is because

573

00:21:11,990 --> 00:21:09,760

they're on twitter and they talk about

574

00:21:13,750 --> 00:21:12,000

it and then they say things like

575

00:21:16,390 --> 00:21:13,760

i'm on my own personal journey and i

576
00:21:20,710 --> 00:21:16,400
don't need blah blah blah okay but the

577
00:21:21,830 --> 00:21:20,720
whole human experience is is

578
00:21:25,590 --> 00:21:21,840
is

579
00:21:27,909 --> 00:21:25,600
validation through conversation through

580
00:21:30,870 --> 00:21:27,919
meeting with others who

581
00:21:32,870 --> 00:21:30,880
feel the same or similar or

582
00:21:34,470 --> 00:21:32,880
being able to communicate something

583
00:21:36,390 --> 00:21:34,480
right these people wouldn't be

584
00:21:38,470 --> 00:21:36,400
communicating this at all if they did

585
00:21:39,990 --> 00:21:38,480
not seek on some level some kind of

586
00:21:41,270 --> 00:21:40,000
validation for

587
00:21:43,110 --> 00:21:41,280
the things that they believe their

588
00:21:45,270 --> 00:21:43,120

experience they're trying to find

589

00:21:46,470 --> 00:21:45,280

commonality with someone

590

00:21:49,350 --> 00:21:46,480

um

591

00:21:51,110 --> 00:21:49,360

so disclosure to me is actually not

592

00:21:52,789 --> 00:21:51,120

it's not just personal it actually is

593

00:21:54,310 --> 00:21:52,799

very interpersonal it's a community

594

00:21:57,270 --> 00:21:54,320

thing and that's why there's a community

595

00:21:58,710 --> 00:21:57,280

of people that are all very interested

596

00:21:59,990 --> 00:21:58,720

we all have have a different way of

597

00:22:01,750 --> 00:22:00,000

thinking about it and we all have a

598

00:22:03,510 --> 00:22:01,760

different way i guess of

599

00:22:07,669 --> 00:22:03,520

defining things

600

00:22:09,029 --> 00:22:07,679

but you know this to me is why

601
00:22:10,830 --> 00:22:09,039
this question of what the government

602
00:22:13,830 --> 00:22:10,840
does or doesn't know is

603
00:22:15,190 --> 00:22:13,840
actually super duper important because

604
00:22:17,510 --> 00:22:15,200
either

605
00:22:18,870 --> 00:22:17,520
sort of

606
00:22:20,549 --> 00:22:18,880
all

607
00:22:22,390 --> 00:22:20,559
you know talking about philosophy and

608
00:22:23,990 --> 00:22:22,400
spirituality and

609
00:22:27,590 --> 00:22:24,000
that kind of thing

610
00:22:29,990 --> 00:22:27,600
right or we're talking about something

611
00:22:31,990 --> 00:22:30,000
that we can concretely

612
00:22:34,549 --> 00:22:32,000
know more about

613
00:22:36,470 --> 00:22:34,559

um and maybe it's a mix of both but i

614

00:22:39,270 --> 00:22:36,480

don't feel like we can get to

615

00:22:40,630 --> 00:22:39,280

anything like a like a sane

616

00:22:44,470 --> 00:22:40,640

conversation

617

00:22:47,110 --> 00:22:44,480

without a solid ground to stand on and

618

00:22:49,430 --> 00:22:47,120

you know and um

619

00:22:51,990 --> 00:22:49,440

right now there is a solid ground being

620

00:22:54,630 --> 00:22:52,000

dangled out in the distance and we are

621

00:22:56,870 --> 00:22:54,640

chasing after that solid ground

622

00:22:58,470 --> 00:22:56,880

um

623

00:23:01,029 --> 00:22:58,480

and

624

00:23:02,230 --> 00:23:01,039

increasingly i don't buy it if i'm being

625

00:23:04,870 --> 00:23:02,240

honest with you

626
00:23:06,149 --> 00:23:04,880
i don't i don't i'm not the type of

627
00:23:07,510 --> 00:23:06,159
person to

628
00:23:10,310 --> 00:23:07,520
um hold

629
00:23:12,310 --> 00:23:10,320
hostile feelings or judgment or think of

630
00:23:14,710 --> 00:23:12,320
you a certain way for having a

631
00:23:16,149 --> 00:23:14,720
completely reasonable perspective on

632
00:23:18,390 --> 00:23:16,159
this situation

633
00:23:19,750 --> 00:23:18,400
yeah you know it's not it's not that i

634
00:23:20,950 --> 00:23:19,760
don't buy yeah but well and it's not

635
00:23:22,470 --> 00:23:20,960
that i don't buy that they know

636
00:23:24,310 --> 00:23:22,480
something it's that i don't buy that

637
00:23:26,870 --> 00:23:24,320
they're ever going to deliver

638
00:23:29,190 --> 00:23:26,880

what they know um sure

639

00:23:30,070 --> 00:23:29,200

you know and i'm i'm increasingly there

640

00:23:31,590 --> 00:23:30,080

so

641

00:23:32,470 --> 00:23:31,600

well um

642

00:23:33,350 --> 00:23:32,480

it

643

00:23:35,909 --> 00:23:33,360

you know

644

00:23:39,110 --> 00:23:35,919

how do most people live life um judging

645

00:23:41,510 --> 00:23:39,120

things on precedence and how things have

646

00:23:43,350 --> 00:23:41,520

happened before like and so you don't

647

00:23:44,950 --> 00:23:43,360

repeat the same type of mistakes right

648

00:23:46,710 --> 00:23:44,960

like if you go to a job and you have an

649

00:23:48,390 --> 00:23:46,720

interview you're gonna remember the last

650

00:23:51,269 --> 00:23:48,400

interview you blew and you're gonna know

651

00:23:53,669 --> 00:23:51,279

what not to do right it's it's the same

652

00:23:55,909 --> 00:23:53,679

thing on a much bigger level like okay

653

00:23:58,310 --> 00:23:55,919

so how does this play out how does it

654

00:24:01,190 --> 00:23:58,320

how has ufo disclosure played out in the

655

00:24:02,230 --> 00:24:01,200

past were there people that came out on

656

00:24:04,230 --> 00:24:02,240

tv

657

00:24:05,990 --> 00:24:04,240

that were a part of the government that

658

00:24:09,029 --> 00:24:06,000

said things exist and we need to get

659

00:24:11,269 --> 00:24:09,039

disclosure um did they ever give us

660

00:24:14,549 --> 00:24:11,279

anything you know so on and so forth and

661

00:24:16,149 --> 00:24:14,559

the answer quite honestly is yes

662

00:24:18,230 --> 00:24:16,159

yes to people who have come out on

663

00:24:20,390 --> 00:24:18,240

television from the government

664

00:24:23,029 --> 00:24:20,400

throughout almost the history of this

665

00:24:24,070 --> 00:24:23,039

whole thing and we're still here

666

00:24:28,310 --> 00:24:24,080

so

667

00:24:31,990 --> 00:24:28,320

like what is it and then we're told what

668

00:24:34,950 --> 00:24:32,000

it is is the existence of uap that uap

669

00:24:37,830 --> 00:24:34,960

exists you know yeah and and we're told

670

00:24:40,549 --> 00:24:37,840

that's you know disclosure but at the

671

00:24:42,630 --> 00:24:40,559

end of the day the government won't say

672

00:24:44,630 --> 00:24:42,640

what a phenomenon

673

00:24:47,430 --> 00:24:44,640

is as far as

674

00:24:50,149 --> 00:24:47,440

foreign tech or

675

00:24:53,110 --> 00:24:50,159

something unknown how is it even

676
00:24:55,510 --> 00:24:53,120
classified as a phenomenon if you can't

677
00:24:56,950 --> 00:24:55,520
say it isn't human made

678
00:25:00,950 --> 00:24:56,960
the ua

679
00:25:02,549 --> 00:25:00,960
the government's actions on this topic

680
00:25:04,950 --> 00:25:02,559
for the last several years has been a

681
00:25:06,870 --> 00:25:04,960
choose your own adventure game are you

682
00:25:09,029 --> 00:25:06,880
mick west because there's plenty here

683
00:25:12,149 --> 00:25:09,039
for you there's uh glitches there's

684
00:25:13,750 --> 00:25:12,159
potential radar issues there is

685
00:25:17,029 --> 00:25:13,760
possibility of foreign adversarial

686
00:25:18,870 --> 00:25:17,039
drones are you a full-on believer in

687
00:25:21,750 --> 00:25:18,880
ufos well there's something here for you

688
00:25:22,950 --> 00:25:21,760

too because there's anomalous stuff that

689

00:25:24,630 --> 00:25:22,960

we are not going to show you any of the

690

00:25:25,510 --> 00:25:24,640

specific data but we don't know what it

691

00:25:27,190 --> 00:25:25,520

is

692

00:25:29,430 --> 00:25:27,200

well well you're going to get any more

693

00:25:30,710 --> 00:25:29,440

specific than that no we're not

694

00:25:31,990 --> 00:25:30,720

we're and we're also not going to say

695

00:25:34,630 --> 00:25:32,000

it's not aliens so we're not going to

696

00:25:36,070 --> 00:25:34,640

put any cold water on anything and

697

00:25:37,510 --> 00:25:36,080

this is the

698

00:25:39,110 --> 00:25:37,520

you know for someone who's been

699

00:25:42,630 --> 00:25:39,120

following this topic the way that i have

700

00:25:45,990 --> 00:25:42,640

for as long as i have again um this is

701

00:25:48,310 --> 00:25:46,000

the most frustrating time ever

702

00:25:51,830 --> 00:25:48,320

in the history of this topic

703

00:25:54,870 --> 00:25:51,840

because it it it does feel as though

704

00:25:58,549 --> 00:25:54,880

um a game is being played i just i don't

705

00:26:00,310 --> 00:25:58,559

understand why the game is being played

706

00:26:01,830 --> 00:26:00,320

um

707

00:26:04,230 --> 00:26:01,840

some would say let me play devil's

708

00:26:06,149 --> 00:26:04,240

advocate some would say that we're

709

00:26:07,350 --> 00:26:06,159

about to have an amendment passed

710

00:26:10,870 --> 00:26:07,360

possibly

711

00:26:13,590 --> 00:26:10,880

um that is you know pretty detailed

712

00:26:15,510 --> 00:26:13,600

well-rounded uh with some public reports

713

00:26:17,990 --> 00:26:15,520

and all that which is quite a bit

714

00:26:19,830 --> 00:26:18,000

different than any times in in the past

715

00:26:21,750 --> 00:26:19,840

i would have to say sure not that it

716

00:26:24,390 --> 00:26:21,760

hasn't been in congress before it has

717

00:26:25,190 --> 00:26:24,400

not since the 60s but

718

00:26:28,230 --> 00:26:25,200

so

719

00:26:29,669 --> 00:26:28,240

with that difference in mind

720

00:26:31,669 --> 00:26:29,679

do you

721

00:26:34,630 --> 00:26:31,679

i guess my question is

722

00:26:37,269 --> 00:26:34,640

does that change your perspective at all

723

00:26:38,710 --> 00:26:37,279

and if not why

724

00:26:39,750 --> 00:26:38,720

no

725

00:26:42,390 --> 00:26:39,760

because

726
00:26:45,590 --> 00:26:42,400
nowhere in any of this including and in

727
00:26:46,870 --> 00:26:45,600
that in that amendment um

728
00:26:50,070 --> 00:26:46,880
is any

729
00:26:53,350 --> 00:26:50,080
hope or promise that we are going to get

730
00:26:54,710 --> 00:26:53,360
anything like a confirmation of

731
00:26:56,149 --> 00:26:54,720
here's what i'm looking for i'm going to

732
00:26:57,830 --> 00:26:56,159
put it in what it is

733
00:26:58,789 --> 00:26:57,840
i'm going to put it actually as

734
00:27:00,070 --> 00:26:58,799
i i

735
00:27:03,990 --> 00:27:00,080
have

736
00:27:07,190 --> 00:27:04,000
annoying thing because i keep drumming

737
00:27:10,310 --> 00:27:07,200
the same thing but look what we need is

738
00:27:12,710 --> 00:27:10,320

one single piece of data showing that

739

00:27:14,230 --> 00:27:12,720

there is something unambiguously weird

740

00:27:15,990 --> 00:27:14,240

that has happened

741

00:27:19,350 --> 00:27:16,000

they don't even necessarily need to get

742

00:27:21,269 --> 00:27:19,360

into specifics they can just say

743

00:27:22,470 --> 00:27:21,279

so the nimitz incident

744

00:27:25,029 --> 00:27:22,480

uh

745

00:27:26,789 --> 00:27:25,039

right so like those those pi we keep

746

00:27:29,190 --> 00:27:26,799

hearing about the pilots we keep hearing

747

00:27:31,430 --> 00:27:29,200

about the witnesses we keep hearing um

748

00:27:33,269 --> 00:27:31,440

from senators and officials like oh yeah

749

00:27:35,430 --> 00:27:33,279

of course we take them seriously

750

00:27:39,110 --> 00:27:35,440

all right the nimitz incident's pretty

751
00:27:41,070 --> 00:27:39,120
good um you guys have that data because

752
00:27:44,149 --> 00:27:41,080
would you find did you

753
00:27:46,470 --> 00:27:44,159
unambiguously weird or not

754
00:27:50,070 --> 00:27:46,480
there's no confirmation right it's

755
00:27:53,029 --> 00:27:50,080
always this vague pool of possibilities

756
00:27:55,909 --> 00:27:53,039
they don't confirm anything at any point

757
00:27:58,389 --> 00:27:55,919
we have this um

758
00:28:00,310 --> 00:27:58,399
circus play out

759
00:28:01,990 --> 00:28:00,320
where we have um

760
00:28:03,590 --> 00:28:02,000
again people who come at this from all

761
00:28:07,350 --> 00:28:03,600
these different angles and everybody

762
00:28:09,669 --> 00:28:07,360
supports more data what data

763
00:28:11,029 --> 00:28:09,679

i'm not seeing any data i we've we've

764

00:28:12,630 --> 00:28:11,039

been we've been doing this for a few

765

00:28:15,510 --> 00:28:12,640

years now from

766

00:28:19,190 --> 00:28:15,520

tom delong to today right this most

767

00:28:22,149 --> 00:28:19,200

recent flap of or wave of of um

768

00:28:24,070 --> 00:28:22,159

of uh ufos being in the news and uh

769

00:28:26,789 --> 00:28:24,080

ultimately making its way through

770

00:28:27,990 --> 00:28:26,799

government level stuff

771

00:28:30,789 --> 00:28:28,000

where's the

772

00:28:32,310 --> 00:28:30,799

data um and and is there's not even a

773

00:28:34,950 --> 00:28:32,320

promise of it

774

00:28:35,669 --> 00:28:34,960

there's not even a data yeah

775

00:28:37,350 --> 00:28:35,679

and

776

00:28:38,870 --> 00:28:37,360

lou himself has

777

00:28:41,990 --> 00:28:38,880

said that we need

778

00:28:45,430 --> 00:28:42,000

data and this has to be data driven

779

00:28:47,909 --> 00:28:45,440

yeah and and yeah scientific

780

00:28:50,070 --> 00:28:47,919

so yeah i mean the question is where is

781

00:28:52,470 --> 00:28:50,080

the data but my other question is if we

782

00:28:55,830 --> 00:28:52,480

get the data

783

00:28:57,190 --> 00:28:55,840

um like if i got data i don't know if i

784

00:28:59,110 --> 00:28:57,200

wouldn't know what to do with it

785

00:29:01,990 --> 00:28:59,120

necessarily or know what it means

786

00:29:03,350 --> 00:29:02,000

probably so we need someone to

787

00:29:04,310 --> 00:29:03,360

tell us that

788

00:29:06,710 --> 00:29:04,320

yeah

789

00:29:09,510 --> 00:29:06,720

and then still there's

790

00:29:11,830 --> 00:29:09,520

you know the opportunity for

791

00:29:13,990 --> 00:29:11,840

more muddied waters in the translation

792

00:29:14,870 --> 00:29:14,000

of the data

793

00:29:18,590 --> 00:29:14,880

is there

794

00:29:20,710 --> 00:29:18,600

something that people if i can't

795

00:29:22,950 --> 00:29:20,720

understand the data

796

00:29:25,750 --> 00:29:22,960

you know and this guy's telling me here

797

00:29:29,350 --> 00:29:25,760

look this says that i'm like okay

798

00:29:31,190 --> 00:29:29,360

so an object yeah no totally but so i'll

799

00:29:32,870 --> 00:29:31,200

i'll give you an example so during the

800

00:29:34,710 --> 00:29:32,880

nimitz incident

801
00:29:36,710 --> 00:29:34,720
we're not talking there was like one

802
00:29:38,470 --> 00:29:36,720
sensor we're not saying there was one

803
00:29:43,669 --> 00:29:38,480
video camera

804
00:29:45,909 --> 00:29:43,679
dozens of sensors and this

805
00:29:46,789 --> 00:29:45,919
in any given

806
00:29:49,510 --> 00:29:46,799
uh

807
00:29:51,909 --> 00:29:49,520
incursion incident involving military

808
00:29:55,430 --> 00:29:51,919
there are dozens of sensor platforms in

809
00:29:57,190 --> 00:29:55,440
play not counting all the other

810
00:29:59,110 --> 00:29:57,200
private stuff that could also

811
00:30:01,669 --> 00:29:59,120
potentially you know the contracted

812
00:30:02,630 --> 00:30:01,679
stuff there's all sorts of things

813
00:30:05,029 --> 00:30:02,640

that

814

00:30:06,950 --> 00:30:05,039

can corroborate the situation and try to

815

00:30:10,230 --> 00:30:06,960

make sense of it

816

00:30:13,830 --> 00:30:10,240

and when you have um

817

00:30:15,830 --> 00:30:13,840

kevin day and fraver and gary voris and

818

00:30:17,190 --> 00:30:15,840

everyone else uh saying all these

819

00:30:19,430 --> 00:30:17,200

different things and and saying yeah

820

00:30:20,630 --> 00:30:19,440

that we saw it right there on the it's

821

00:30:22,389 --> 00:30:20,640

like okay

822

00:30:25,029 --> 00:30:22,399

someone at some point

823

00:30:27,029 --> 00:30:25,039

had the pile of data in front of them

824

00:30:30,149 --> 00:30:27,039

and they were able to either corroborate

825

00:30:32,230 --> 00:30:30,159

what was said or not and some of this is

826

00:30:35,350 --> 00:30:32,240

again i'm looking for unambiguously

827

00:30:36,789 --> 00:30:35,360

weird what would qualify an object goes

828

00:30:39,510 --> 00:30:36,799

from here in the ocean

829

00:30:42,070 --> 00:30:39,520

all the way up to positive space then

830

00:30:43,750 --> 00:30:42,080

like back down it happened 80 000 foot

831

00:30:46,149 --> 00:30:43,760

drop all these different things right

832

00:30:49,110 --> 00:30:46,159

like so actually some of this stuff

833

00:30:51,430 --> 00:30:49,120

should be pretty straightforward and

834

00:30:53,510 --> 00:30:51,440

people act

835

00:30:55,190 --> 00:30:53,520

they want us to act as if it's not

836

00:30:56,230 --> 00:30:55,200

straightforward

837

00:30:58,389 --> 00:30:56,240

and

838

00:30:59,269 --> 00:30:58,399

it's a game that's the game part of it

839

00:31:00,389 --> 00:30:59,279

it's like

840

00:31:03,269 --> 00:31:00,399

they're trying to say it's not

841

00:31:04,710 --> 00:31:03,279

straightforward it's like yes it is

842

00:31:06,950 --> 00:31:04,720

well what if

843

00:31:08,310 --> 00:31:06,960

you know i just sometimes i put my

844

00:31:11,029 --> 00:31:08,320

self in

845

00:31:12,070 --> 00:31:11,039

uh their shoes whoever they would be i

846

00:31:14,389 --> 00:31:12,080

guess with the government that would

847

00:31:16,389 --> 00:31:14,399

have the data and they have this data

848

00:31:17,430 --> 00:31:16,399

and the thing drops from 80 000 feet or

849

00:31:18,389 --> 00:31:17,440

whatever

850

00:31:20,389 --> 00:31:18,399

and

851
00:31:21,350 --> 00:31:20,399
or to corroborate the stories we've been

852
00:31:22,470 --> 00:31:21,360
told

853
00:31:25,190 --> 00:31:22,480
um

854
00:31:27,990 --> 00:31:25,200
and they don't know of anything as far

855
00:31:30,789 --> 00:31:28,000
as previously to this or maybe even

856
00:31:32,950 --> 00:31:30,799
currently that aliens exist or

857
00:31:35,029 --> 00:31:32,960
there's some sort of interdimensional

858
00:31:37,590 --> 00:31:35,039
being that could be doing this

859
00:31:40,950 --> 00:31:37,600
at what point do you make the jump to

860
00:31:44,549 --> 00:31:40,960
say that like and how hard do you dig to

861
00:31:46,389 --> 00:31:44,559
see if it's foreign until you tap out

862
00:31:48,230 --> 00:31:46,399
you know well and

863
00:31:50,710 --> 00:31:48,240

i mean you you're you're a great

864

00:31:52,470 --> 00:31:50,720

resource on this because you um have dug

865

00:31:55,990 --> 00:31:52,480

up all these different documents right

866

00:31:58,070 --> 00:31:56,000

uh sure showing how far back this kind

867

00:32:01,590 --> 00:31:58,080

of thing goes the nimitz incident is not

868

00:32:04,549 --> 00:32:01,600

that unique in the history of uf

869

00:32:07,110 --> 00:32:04,559

ufo um incursion incidents specifically

870

00:32:09,350 --> 00:32:07,120

involving the military not counting all

871

00:32:11,750 --> 00:32:09,360

the others right like

872

00:32:13,909 --> 00:32:11,760

millions probably but we're still here

873

00:32:16,389 --> 00:32:13,919

even with that being said and being out

874

00:32:18,470 --> 00:32:16,399

we're still here you know like most

875

00:32:20,470 --> 00:32:18,480

people don't believe that it's a thing

876

00:32:22,470 --> 00:32:20,480

or even think about it

877

00:32:24,630 --> 00:32:22,480

so i guess i was that different from the

878

00:32:27,430 --> 00:32:24,640

person who would have the data now you

879

00:32:29,990 --> 00:32:27,440

know on the nimitz case or whatever

880

00:32:31,029 --> 00:32:30,000

wouldn't they still be in a position to

881

00:32:33,269 --> 00:32:31,039

not

882

00:32:35,909 --> 00:32:33,279

care or believe it or accept it just

883

00:32:38,149 --> 00:32:35,919

like everybody else throughout history

884

00:32:39,750 --> 00:32:38,159

so i mean what are we saying here then

885

00:32:42,149 --> 00:32:39,760

um are we saying that someone looks at

886

00:32:43,909 --> 00:32:42,159

the data and then this is hypothetical

887

00:32:45,269 --> 00:32:43,919

sure right right

888

00:32:47,430 --> 00:32:45,279

i'm trying to think about it from a

889

00:32:49,110 --> 00:32:47,440

defense perspective though it's like

890

00:32:51,830 --> 00:32:49,120

yeah they look at the data and they're

891

00:32:54,470 --> 00:32:51,840

like yeah it's like unambiguously weird

892

00:32:57,190 --> 00:32:54,480

like you'd say yeah and

893

00:32:58,470 --> 00:32:57,200

they have to decide like

894

00:33:00,470 --> 00:32:58,480

okay

895

00:33:02,789 --> 00:33:00,480

this is not foreign we're sure how could

896

00:33:06,549 --> 00:33:02,799

you really ever be sure how do you know

897

00:33:09,350 --> 00:33:06,559

that china or whoever is just they hid

898

00:33:11,350 --> 00:33:09,360

this incredibly well and you can't find

899

00:33:13,350 --> 00:33:11,360

it well i would say because of how far

900

00:33:16,630 --> 00:33:13,360

back the phenomenon goes again if they

901
00:33:18,549 --> 00:33:16,640
can take um say the nimitz incident and

902
00:33:20,710 --> 00:33:18,559
let's just say hypothetically that it is

903
00:33:22,389 --> 00:33:20,720
unambiguously weird and they know that

904
00:33:24,230 --> 00:33:22,399
they go back and they look at the

905
00:33:26,149 --> 00:33:24,240
treasure trove of their other data and

906
00:33:28,710 --> 00:33:26,159
they go oh look at this other incident

907
00:33:29,669 --> 00:33:28,720
other similar and unambiguously weird

908
00:33:31,350 --> 00:33:29,679
stuff

909
00:33:32,870 --> 00:33:31,360
um then you can start to eliminate

910
00:33:34,870 --> 00:33:32,880
foreign adversaries i'm not saying

911
00:33:36,789 --> 00:33:34,880
anything that lou elizondo himself has

912
00:33:40,149 --> 00:33:36,799
not said which is part part of my

913
00:33:43,190 --> 00:33:40,159

impatience here it's like

914

00:33:45,590 --> 00:33:43,200

it's again they it's it is actually

915

00:33:48,389 --> 00:33:45,600

black and white straightforward that

916

00:33:51,350 --> 00:33:48,399

part of it what it is that's a whole

917

00:33:54,230 --> 00:33:51,360

different ballgame right now yeah right

918

00:33:55,430 --> 00:33:54,240

um is it weird or not goddammit weird or

919

00:33:57,830 --> 00:33:55,440

so weird

920

00:34:00,470 --> 00:33:57,840

i'm looking for weird

921

00:34:03,269 --> 00:34:00,480

unambiguously weird either it

922

00:34:06,149 --> 00:34:03,279

happened or it did not and um you'll

923

00:34:07,950 --> 00:34:06,159

have the attention of everyone if you

924

00:34:10,629 --> 00:34:07,960

just simply say

925

00:34:11,750 --> 00:34:10,639

unambiguously weird this thing did this

926
00:34:13,349 --> 00:34:11,760
and this

927
00:34:16,389 --> 00:34:13,359
we don't know what it is

928
00:34:17,909 --> 00:34:16,399
yeah all right um sure

929
00:34:20,310 --> 00:34:17,919
yeah that would be the beginning of a

930
00:34:22,389 --> 00:34:20,320
conversation but this is not a

931
00:34:23,510 --> 00:34:22,399
conversation what this is is a game

932
00:34:26,950 --> 00:34:23,520
between

933
00:34:28,310 --> 00:34:26,960
people that have knowledge and people

934
00:34:30,149 --> 00:34:28,320
that don't

935
00:34:31,669 --> 00:34:30,159
okay and and and everything that's

936
00:34:33,030 --> 00:34:31,679
occurring

937
00:34:35,430 --> 00:34:33,040
for one reason or the other sort of

938
00:34:37,510 --> 00:34:35,440

being allowed to occur i'm not saying

939

00:34:39,909 --> 00:34:37,520

that in a conspiratorial way i'm saying

940

00:34:41,669 --> 00:34:39,919

it in a matter-of-fact way right i mean

941

00:34:43,270 --> 00:34:41,679

like kirby could yesterday's press

942

00:34:45,270 --> 00:34:43,280

conference say oh

943

00:34:48,230 --> 00:34:45,280

elizondo and chris mellon said that

944

00:34:50,790 --> 00:34:48,240

we're trying to cover this up again well

945

00:34:52,869 --> 00:34:50,800

you know let me tell you something um

946

00:34:55,430 --> 00:34:52,879

they actually never had anything to do

947

00:34:57,910 --> 00:34:55,440

with ufos they're on a public speaking

948

00:35:00,390 --> 00:34:57,920

tour banking money right now and i can

949

00:35:02,069 --> 00:35:00,400

prove it like they could you know that's

950

00:35:03,349 --> 00:35:02,079

hypothetical obviously but they could

951
00:35:09,589 --> 00:35:03,359

just

952
00:35:12,310 --> 00:35:09,599

whatever it is and by not doing that

953
00:35:14,069 --> 00:35:12,320

exactly yeah so yeah well and i this is

954
00:35:15,910 --> 00:35:14,079

what does that mean that they don't know

955
00:35:18,310 --> 00:35:15,920

or maybe it is aliens and they're trying

956
00:35:20,870 --> 00:35:18,320

to you know think about how to do it

957
00:35:24,390 --> 00:35:20,880

look and look i'm i'm one of the few

958
00:35:25,430 --> 00:35:24,400

uh people that like i'm i'm i love mick

959
00:35:27,270 --> 00:35:25,440

west

960
00:35:30,310 --> 00:35:27,280

i love joe mergia

961
00:35:32,550 --> 00:35:30,320

i like i love all these different people

962
00:35:36,150 --> 00:35:32,560

it's not okay to do that in the ufo

963
00:35:37,510 --> 00:35:36,160

community no as you know but i actually

964

00:35:39,990 --> 00:35:37,520

genuinely

965

00:35:42,069 --> 00:35:40,000

um sincerely love a lot of people of

966

00:35:44,550 --> 00:35:42,079

differing um points of view and here's

967

00:35:46,710 --> 00:35:44,560

the thing the perspective that i have

968

00:35:48,870 --> 00:35:46,720

and one of the reasons why i think that

969

00:35:50,790 --> 00:35:48,880

i have people following me from all of

970

00:35:53,910 --> 00:35:50,800

the different walks of the of ufo

971

00:35:55,990 --> 00:35:53,920

twitter from mick west to joe mergia i'm

972

00:35:59,349 --> 00:35:56,000

just using those as two extreme examples

973

00:36:01,430 --> 00:35:59,359

polar officers right um i think one of

974

00:36:04,470 --> 00:36:01,440

the reasons is that the art that the

975

00:36:05,510 --> 00:36:04,480

arguments that i make cut across all of

976

00:36:08,470 --> 00:36:05,520

it

977

00:36:10,470 --> 00:36:08,480

right and and the reason why mick and i

978

00:36:12,630 --> 00:36:10,480

um get along and we're friends is

979

00:36:14,470 --> 00:36:12,640

because

980

00:36:15,990 --> 00:36:14,480

he has the same questions that i do man

981

00:36:17,510 --> 00:36:16,000

like

982

00:36:19,589 --> 00:36:17,520

because

983

00:36:22,150 --> 00:36:19,599

why is this all being allowed to happen

984

00:36:23,990 --> 00:36:22,160

now he he probably wouldn't come out and

985

00:36:26,550 --> 00:36:24,000

put it quite the way that i do because i

986

00:36:28,230 --> 00:36:26,560

think he sees giving an inch to any of

987

00:36:29,589 --> 00:36:28,240

this as being like

988

00:36:32,470 --> 00:36:29,599

they'll take they'll take miles and

989

00:36:33,670 --> 00:36:32,480

miles so he um

990

00:36:35,270 --> 00:36:33,680

he doesn't put it quite the way that i

991

00:36:39,030 --> 00:36:35,280

do but instead he had me on a show and

992

00:36:43,990 --> 00:36:40,710

so he could bounce off of it and tell me

993

00:36:46,230 --> 00:36:44,000

why i was uh you know nutty um but

994

00:36:49,270 --> 00:36:46,240

you know

995

00:36:51,829 --> 00:36:49,280

the because here's the thing

996

00:36:53,190 --> 00:36:51,839

when was the last time you remember um a

997

00:36:57,430 --> 00:36:53,200

foreign threat

998

00:37:00,390 --> 00:36:57,440

being discussed in a in a public way

999

00:37:01,430 --> 00:37:00,400

like a secret foreign threat

1000

00:37:03,910 --> 00:37:01,440

right

1001
00:37:05,990 --> 00:37:03,920
was the last time that happened

1002
00:37:07,750 --> 00:37:06,000
we think they're they have more nukes

1003
00:37:09,750 --> 00:37:07,760
than us possibly we don't really know

1004
00:37:11,190 --> 00:37:09,760
for sure yet but we're trying to figure

1005
00:37:12,310 --> 00:37:11,200
it out so

1006
00:37:13,910 --> 00:37:12,320
you know

1007
00:37:17,349 --> 00:37:13,920
this is where journalism has completely

1008
00:37:19,589 --> 00:37:17,359
failed by the way yeah um so so here the

1009
00:37:20,870 --> 00:37:19,599
first underlying question that i've i'm

1010
00:37:22,950 --> 00:37:20,880
a journalist and i'm at the new york

1011
00:37:24,390 --> 00:37:22,960
times the question that i ask is wait

1012
00:37:25,750 --> 00:37:24,400
wait wait wait wait

1013
00:37:27,750 --> 00:37:25,760

what are you guys doing like we're wait

1014

00:37:31,750 --> 00:37:27,760

we're having a we're having a

1015

00:37:33,270 --> 00:37:31,760

conversation about incursion incidents

1016

00:37:35,109 --> 00:37:33,280

at all

1017

00:37:38,310 --> 00:37:35,119

this is usually the kind of thing that

1018

00:37:40,870 --> 00:37:38,320

is strictly behind classified walls

1019

00:37:44,230 --> 00:37:40,880

period regardless of whether it leaks or

1020

00:37:46,470 --> 00:37:44,240

not and the dod response is nothing

1021

00:37:49,430 --> 00:37:46,480

nothing they will say nothing about it

1022

00:37:50,630 --> 00:37:49,440

and if it is if it's possibly a foreign

1023

00:37:52,310 --> 00:37:50,640

drone

1024

00:37:54,150 --> 00:37:52,320

um they'll they'll

1025

00:37:56,069 --> 00:37:54,160

that's intelligence that they need in

1026
00:37:58,870 --> 00:37:56,079
the backdrop and it's nothing you get to

1027
00:38:01,270 --> 00:37:58,880
know about so what are we doing what is

1028
00:38:02,790 --> 00:38:01,280
that's why i call this a game

1029
00:38:04,790 --> 00:38:02,800
um

1030
00:38:06,270 --> 00:38:04,800
either

1031
00:38:10,069 --> 00:38:06,280
this is some kind of

1032
00:38:12,630 --> 00:38:10,079
compartmentalization nightmare where

1033
00:38:15,190 --> 00:38:12,640
someone is asking a question about a

1034
00:38:16,230 --> 00:38:15,200
thing that someone else can't say what

1035
00:38:18,790 --> 00:38:16,240
the truth is i'll give you a

1036
00:38:20,550 --> 00:38:18,800
hypothetical hypothetical is i love

1037
00:38:23,190 --> 00:38:20,560
those yeah so the hypothetical is the

1038
00:38:25,510 --> 00:38:23,200

nimitz incident is we actually know that

1039

00:38:29,910 --> 00:38:25,520

it's chinese drones let's just say that

1040

00:38:34,870 --> 00:38:33,270

you might let all of this play out in

1041

00:38:37,910 --> 00:38:34,880

order to

1042

00:38:39,510 --> 00:38:37,920

not say what you know right and and and

1043

00:38:41,510 --> 00:38:39,520

the problem being that you've got

1044

00:38:43,190 --> 00:38:41,520

witnesses coming out and talking about

1045

00:38:44,710 --> 00:38:43,200

what they saw

1046

00:38:46,390 --> 00:38:44,720

they can't do anything about that they

1047

00:38:47,910 --> 00:38:46,400

can't like kill them

1048

00:38:49,430 --> 00:38:47,920

right they're gonna come out and they're

1049

00:38:51,589 --> 00:38:49,440

gonna talk about it

1050

00:38:53,510 --> 00:38:51,599

you've got tom belongs to the stars

1051

00:38:56,630 --> 00:38:53,520

academy you've got people that were in

1052

00:38:59,270 --> 00:38:56,640

the government who um come out and they

1053

00:39:02,390 --> 00:38:59,280

they saw data of something that was

1054

00:39:04,630 --> 00:39:02,400

weird maybe they those people themselves

1055

00:39:07,270 --> 00:39:04,640

did not have the access

1056

00:39:09,030 --> 00:39:07,280

to the actual data or the

1057

00:39:10,790 --> 00:39:09,040

level of intelligence where they

1058

00:39:12,950 --> 00:39:10,800

actually did confirm it was a chinese

1059

00:39:14,630 --> 00:39:12,960

drone

1060

00:39:16,630 --> 00:39:14,640

something like this entire cluster

1061

00:39:19,510 --> 00:39:16,640

of a situation could play out as a

1062

00:39:22,710 --> 00:39:19,520

result of people basically chasing each

1063

00:39:25,030 --> 00:39:22,720

other's tail um and then the dod being

1064

00:39:26,630 --> 00:39:25,040

like we're just trying to control

1065

00:39:29,190 --> 00:39:26,640

the situation

1066

00:39:31,030 --> 00:39:29,200

um in which we have been technologically

1067

00:39:32,550 --> 00:39:31,040

leapfrogged and we don't know how to

1068

00:39:34,870 --> 00:39:32,560

tell people that

1069

00:39:37,109 --> 00:39:34,880

so we are going to play a game where we

1070

00:39:39,829 --> 00:39:37,119

don't um let anybody know our cards by

1071

00:39:41,030 --> 00:39:39,839

obfuscating the entire situation by

1072

00:39:44,310 --> 00:39:41,040

dangling

1073

00:39:46,550 --> 00:39:44,320

it may or may not be aliens right oh a

1074

00:39:48,790 --> 00:39:46,560

way easier thing would

1075

00:39:51,270 --> 00:39:48,800

would be to just say it's ours

1076
00:39:52,950 --> 00:39:51,280
yeah that's ours because then you would

1077
00:39:54,310 --> 00:39:52,960
have china or russia or whatever

1078
00:39:56,470 --> 00:39:54,320
thinking like

1079
00:39:58,470 --> 00:39:56,480
they think it's theirs so they do have

1080
00:40:00,950 --> 00:39:58,480
this but then you'd be but then then

1081
00:40:03,349 --> 00:40:00,960
you're then talking about disclosure of

1082
00:40:06,230 --> 00:40:03,359
secret advanced technology which is a

1083
00:40:07,510 --> 00:40:06,240
whole it's the same problem again right

1084
00:40:08,470 --> 00:40:07,520
so but i mean you know what i'm saying

1085
00:40:10,630 --> 00:40:08,480
like

1086
00:40:14,150 --> 00:40:10,640
there there are versions of this where

1087
00:40:17,349 --> 00:40:14,160
it need not necessarily be um aliens or

1088
00:40:20,309 --> 00:40:17,359

anything um weird right

1089

00:40:21,589 --> 00:40:20,319

i personally do think it is weird just

1090

00:40:23,190 --> 00:40:21,599

for the record

1091

00:40:26,950 --> 00:40:23,200

i just try to think about it from the

1092

00:40:30,230 --> 00:40:26,960

skeptical position and um even for the

1093

00:40:32,470 --> 00:40:30,240

most hardened skeptic you cannot

1094

00:40:35,030 --> 00:40:32,480

i mean you can see the frustration with

1095

00:40:37,190 --> 00:40:35,040

with mick and others like

1096

00:40:39,910 --> 00:40:37,200

they are just as like much trying to

1097

00:40:42,230 --> 00:40:39,920

figure out what the hell is the pentagon

1098

00:40:44,790 --> 00:40:42,240

doing yeah yeah

1099

00:40:46,390 --> 00:40:44,800

the unfortunate part sometimes is that

1100

00:40:48,950 --> 00:40:46,400

you know this whole

1101

00:40:50,550 --> 00:40:48,960

ufo twitter and this whole situation

1102

00:40:53,589 --> 00:40:50,560

and the whole like

1103

00:40:57,670 --> 00:40:53,599

amendment stuff and and everything

1104

00:41:00,069 --> 00:40:57,680

is just has such a narrow view of the

1105

00:41:02,150 --> 00:41:00,079

reality of the situation

1106

00:41:06,230 --> 00:41:02,160

like you know like you said

1107

00:41:08,710 --> 00:41:06,240

yes i have gone deep into documents and

1108

00:41:10,950 --> 00:41:08,720

they're probably if i had to guess that

1109

00:41:13,670 --> 00:41:10,960

at least a thousand military incursions

1110

00:41:16,150 --> 00:41:13,680

of things that are uh unknown that they

1111

00:41:19,109 --> 00:41:16,160

didn't wind up identifying throughout

1112

00:41:21,589 --> 00:41:19,119

you know the course of time up until now

1113

00:41:24,309 --> 00:41:21,599

right and it's

1114

00:41:25,670 --> 00:41:24,319

into to act like that's

1115

00:41:28,069 --> 00:41:25,680

not a thing

1116

00:41:28,950 --> 00:41:28,079

is which is basically what's happening

1117

00:41:32,390 --> 00:41:28,960

is

1118

00:41:35,109 --> 00:41:32,400

irresponsible and um kind of offensive

1119

00:41:37,670 --> 00:41:35,119

to be honest and there were papers

1120

00:41:40,069 --> 00:41:37,680

uh newspapers and journalists that wrote

1121

00:41:42,309 --> 00:41:40,079

about these reports and the military

1122

00:41:45,030 --> 00:41:42,319

incursions sometimes you know

1123

00:41:46,950 --> 00:41:45,040

um and i've seen those newspaper

1124

00:41:49,109 --> 00:41:46,960

clippings you have to look at those when

1125

00:41:52,069 --> 00:41:49,119

you look at these other reports

1126

00:41:54,150 --> 00:41:52,079

yeah and it's just like what

1127

00:41:55,349 --> 00:41:54,160

what happened and because they're not

1128

00:41:58,069 --> 00:41:55,359

what

1129

00:42:01,030 --> 00:41:58,079

why is it because they were told not is

1130

00:42:03,190 --> 00:42:01,040

it because they were burned on it before

1131

00:42:04,630 --> 00:42:03,200

maybe and made to look silly for

1132

00:42:06,950 --> 00:42:04,640

reporting it

1133

00:42:07,829 --> 00:42:06,960

like what's the deal what you're right

1134

00:42:09,990 --> 00:42:07,839

why

1135

00:42:12,870 --> 00:42:10,000

how can a journalist not

1136

00:42:16,150 --> 00:42:12,880

why is ufo twitter way more into finding

1137

00:42:17,670 --> 00:42:16,160

the truth than a journalist on this

1138

00:42:18,870 --> 00:42:17,680

right and it doesn't make sense because

1139

00:42:20,790 --> 00:42:18,880

they get paid

1140

00:42:24,309 --> 00:42:20,800

well and again

1141

00:42:26,309 --> 00:42:24,319

you don't you need not involve aliens to

1142

00:42:29,030 --> 00:42:26,319

ask why is this going on right you could

1143

00:42:30,710 --> 00:42:29,040

be keith klore who everyone like in ufo

1144

00:42:32,790 --> 00:42:30,720

twitter land loads

1145

00:42:33,910 --> 00:42:32,800

but he could he could go ask this

1146

00:42:35,430 --> 00:42:33,920

question

1147

00:42:37,829 --> 00:42:35,440

what are you doing

1148

00:42:39,750 --> 00:42:37,839

what is this about right and the best he

1149

00:42:42,390 --> 00:42:39,760

could probably do is is speculate but

1150

00:42:45,829 --> 00:42:42,400

you don't have to speculate to ask

1151
00:42:47,670 --> 00:42:45,839
hey pentagon yeah unambiguously weird or

1152
00:42:50,390 --> 00:42:47,680
not that should be the new york times

1153
00:42:53,109 --> 00:42:50,400
headline hey pentagon unambiguously

1154
00:42:55,430 --> 00:42:53,119
weird or not we demand answers

1155
00:42:57,109 --> 00:42:55,440
on behalf of you know the people that we

1156
00:42:58,870 --> 00:42:57,119
represent in our readership we want to

1157
00:43:01,030 --> 00:42:58,880
know what the hell is actually going on

1158
00:43:03,910 --> 00:43:01,040
and we'd like you to stop dangling this

1159
00:43:05,349 --> 00:43:03,920
issue because it's dangerous to do that

1160
00:43:07,109 --> 00:43:05,359
especially

1161
00:43:08,470 --> 00:43:07,119
makes a good point here

1162
00:43:10,790 --> 00:43:08,480
um

1163
00:43:13,670 --> 00:43:10,800

like if it was an adversary wouldn't

1164

00:43:15,109 --> 00:43:13,680

they be shutting lou down from talking

1165

00:43:17,589 --> 00:43:15,119

at this point

1166

00:43:20,710 --> 00:43:17,599

unless if they think the obfuscation of

1167

00:43:23,750 --> 00:43:20,720

the topic is fantastic and they don't

1168

00:43:26,550 --> 00:43:23,760

have a problem with it so if lou is so

1169

00:43:29,109 --> 00:43:26,560

what's lou doing um he's he's

1170

00:43:33,190 --> 00:43:29,119

kind of adding fuel to the to the belief

1171

00:43:37,510 --> 00:43:34,790

he is yeah yeah

1172

00:43:39,190 --> 00:43:37,520

he's very look yeah he's very much

1173

00:43:41,910 --> 00:43:39,200

adding fuel to the belief that this is

1174

00:43:43,510 --> 00:43:41,920

something unambiguously weird probably

1175

00:43:44,390 --> 00:43:43,520

extraterrestrial

1176

00:43:45,430 --> 00:43:44,400

um

1177

00:43:47,910 --> 00:43:45,440

you know

1178

00:43:49,589 --> 00:43:47,920

but he said he believes roswell happened

1179

00:43:54,150 --> 00:43:49,599

yeah

1180

00:43:56,550 --> 00:43:54,160

you know without getting into everything

1181

00:43:58,870 --> 00:43:56,560

that lou thinks it's like

1182

00:44:02,150 --> 00:43:58,880

if i'm if i'm if i'm

1183

00:44:04,230 --> 00:44:02,160

in the intelligence game um

1184

00:44:05,670 --> 00:44:04,240

and i'm above lou and i actually know

1185

00:44:09,349 --> 00:44:05,680

what's going on

1186

00:44:11,109 --> 00:44:09,359

and this guy um who used to work for us

1187

00:44:13,190 --> 00:44:11,119

is going around talking about how it you

1188

00:44:15,349 --> 00:44:13,200

know might be this or might be that

1189

00:44:17,349 --> 00:44:15,359

that might be a much better situation

1190

00:44:20,790 --> 00:44:17,359

than someone who is actually informed

1191

00:44:22,870 --> 00:44:20,800

about exactly what it is

1192

00:44:24,790 --> 00:44:22,880

right versus them just saying like dude

1193

00:44:27,109 --> 00:44:24,800

you can't talk about this anymore come

1194

00:44:28,630 --> 00:44:27,119

over here this is like this kind of tech

1195

00:44:31,030 --> 00:44:28,640

like enough

1196

00:44:32,470 --> 00:44:31,040

yeah again again i'm not even saying

1197

00:44:34,230 --> 00:44:32,480

that that

1198

00:44:37,270 --> 00:44:34,240

is the case again i'm going i'm running

1199

00:44:38,950 --> 00:44:37,280

through hypotheticals here yeah no no no

1200

00:44:40,390 --> 00:44:38,960

because the kind these are the kinds of

1201

00:44:41,829 --> 00:44:40,400

things that if like you if you were to

1202

00:44:43,510 --> 00:44:41,839

tweet them

1203

00:44:45,349 --> 00:44:43,520

you know people read the worst possible

1204

00:44:48,069 --> 00:44:45,359

interpretation of like why it is that

1205

00:44:49,670 --> 00:44:48,079

you you say things right yeah

1206

00:44:51,190 --> 00:44:49,680

no matter what you do

1207

00:44:53,510 --> 00:44:51,200

and um

1208

00:44:55,750 --> 00:44:53,520

yeah i mean and and people will probably

1209

00:44:57,190 --> 00:44:55,760

there are people that don't like me who

1210

00:44:59,270 --> 00:44:57,200

will go through this interview they'll

1211

00:45:02,230 --> 00:44:59,280

find like this part where zach said this

1212

00:45:04,710 --> 00:45:02,240

and you know whatever yeah it just but i

1213

00:45:06,790 --> 00:45:04,720

mean it is what it is i'm just saying

1214

00:45:09,190 --> 00:45:06,800

we're two adults conversing about a

1215

00:45:11,670 --> 00:45:09,200

crazy situation that is not being made

1216

00:45:14,710 --> 00:45:11,680

black and white to us when we think it

1217

00:45:17,030 --> 00:45:14,720

probably should be you know yeah i i i

1218

00:45:18,870 --> 00:45:17,040

just i'm of the firm

1219

00:45:22,230 --> 00:45:18,880

belief that this is actually

1220

00:45:23,430 --> 00:45:22,240

straightforward and to pretend that it's

1221

00:45:27,670 --> 00:45:23,440

not

1222

00:45:28,870 --> 00:45:27,680

um is participating in a larp

1223

00:45:30,309 --> 00:45:28,880

i mean

1224

00:45:32,950 --> 00:45:30,319

you know what i'm saying like and the

1225

00:45:34,630 --> 00:45:32,960

reason i say that is because again

1226

00:45:36,150 --> 00:45:34,640

are you it's like you're asking me to

1227

00:45:38,069 --> 00:45:36,160

pretend that i don't know that the

1228

00:45:39,349 --> 00:45:38,079

sensor data is there

1229

00:45:41,910 --> 00:45:39,359

this has been my problem with this from

1230

00:45:43,910 --> 00:45:41,920

the start that uap report is asking me

1231

00:45:45,589 --> 00:45:43,920

to pretend that i don't know

1232

00:45:47,030 --> 00:45:45,599

that there are dozens of sensor

1233

00:45:51,510 --> 00:45:47,040

platforms and every one of these

1234

00:45:53,510 --> 00:45:51,520

incidents in a 143 out of 144 cases they

1235

00:45:56,309 --> 00:45:53,520

couldn't figure out any of them

1236

00:45:57,910 --> 00:45:56,319

except for one that was maybe a balloon

1237

00:46:02,309 --> 00:45:57,920

this doesn't make any sense it doesn't

1238

00:46:03,430 --> 00:46:02,319

pass any kind of basic logic again

1239

00:46:05,190 --> 00:46:03,440

i think it's possible they're

1240

00:46:06,790 --> 00:46:05,200

unidentified

1241

00:46:08,550 --> 00:46:06,800

what i'm saying is

1242

00:46:10,150 --> 00:46:08,560

yeah i think they're unidentified they

1243

00:46:11,829 --> 00:46:10,160

probably just can't figure out what it

1244

00:46:13,589 --> 00:46:11,839

is based on what they have is i mean

1245

00:46:15,190 --> 00:46:13,599

that's what i imagine

1246

00:46:17,670 --> 00:46:15,200

yeah and and i think a lot of it

1247

00:46:19,430 --> 00:46:17,680

probably falls with one within what mick

1248

00:46:22,390 --> 00:46:19,440

would call the low information zone not

1249

00:46:23,589 --> 00:46:22,400

enough information to identify

1250

00:46:25,510 --> 00:46:23,599

um

1251
00:46:27,670 --> 00:46:25,520
yeah so either the thing is like too far

1252
00:46:29,670 --> 00:46:27,680
away or whatever or actually maybe it's

1253
00:46:31,349 --> 00:46:29,680
just not that interesting like literally

1254
00:46:32,550 --> 00:46:31,359
it was just a glimmer in the distance

1255
00:46:35,670 --> 00:46:32,560
and that was it

1256
00:46:40,550 --> 00:46:35,680
um we don't know what those 143 cases

1257
00:46:42,950 --> 00:46:40,560
were but um some number of them um

1258
00:46:44,710 --> 00:46:42,960
i imagine the nimitz is maybe one of

1259
00:46:46,230 --> 00:46:44,720
those like

1260
00:46:48,230 --> 00:46:46,240
the nimitz one

1261
00:46:50,069 --> 00:46:48,240
gets me it's like that one's public that

1262
00:46:52,230 --> 00:46:50,079
one we know about and that one we know

1263
00:46:55,109 --> 00:46:52,240

how many sensor platforms were involved

1264

00:46:57,030 --> 00:46:55,119

so again we either do or we don't know

1265

00:46:58,309 --> 00:46:57,040

this is actually

1266

00:47:00,710 --> 00:46:58,319

amazingly

1267

00:47:03,030 --> 00:47:00,720

quite straightforward to get an answer

1268

00:47:05,190 --> 00:47:03,040

and nobody's asking that question and i

1269

00:47:07,670 --> 00:47:05,200

find that fascinating

1270

00:47:09,990 --> 00:47:07,680

so it should be uh yeah front and center

1271

00:47:12,150 --> 00:47:10,000

for sure and i'm not asking the pentagon

1272

00:47:14,390 --> 00:47:12,160

to release classified information here

1273

00:47:17,510 --> 00:47:14,400

i'm asking for confirmation

1274

00:47:20,150 --> 00:47:17,520

unambiguously weird or not witnesses

1275

00:47:23,670 --> 00:47:20,160

is what they're saying true or not this

1276

00:47:24,470 --> 00:47:23,680

is not classified unless

1277

00:47:27,430 --> 00:47:24,480

yes

1278

00:47:31,990 --> 00:47:29,990

it would be the start of a conversation

1279

00:47:34,390 --> 00:47:32,000

right yeah because then you get to ask a

1280

00:47:36,470 --> 00:47:34,400

follow-up right because but we're not

1281

00:47:38,950 --> 00:47:36,480

we're not even there yet

1282

00:47:42,630 --> 00:47:38,960

like like where we are right now is we

1283

00:47:44,390 --> 00:47:42,640

have a choose your own adventure game

1284

00:47:46,309 --> 00:47:44,400

couldn't it still be though if they said

1285

00:47:47,910 --> 00:47:46,319

yes like oh they just want us to think

1286

00:47:50,470 --> 00:47:47,920

that so they can

1287

00:47:52,790 --> 00:47:50,480

you know control us or make us you know

1288

00:47:54,309 --> 00:47:52,800

think about this stuff or

1289

00:47:55,750 --> 00:47:54,319

you know you could always say that like

1290

00:47:58,470 --> 00:47:55,760

would people like what people do with

1291

00:47:59,750 --> 00:47:58,480

the coronavirus right now you know

1292

00:48:00,790 --> 00:47:59,760

yeah

1293

00:48:03,109 --> 00:48:00,800

but

1294

00:48:04,069 --> 00:48:03,119

no um so i mean

1295

00:48:05,990 --> 00:48:04,079

they're

1296

00:48:07,109 --> 00:48:06,000

um i mean that yeah i mean that's a

1297

00:48:08,470 --> 00:48:07,119

whole

1298

00:48:11,430 --> 00:48:08,480

can of worms another

1299

00:48:13,510 --> 00:48:11,440

gambit there are people for whom that

1300

00:48:15,670 --> 00:48:13,520

like hearing anything out of a out of a

1301
00:48:17,349 --> 00:48:15,680
authority they're automatically gonna

1302
00:48:19,910 --> 00:48:17,359
jump to the assumption that it's not

1303
00:48:23,190 --> 00:48:19,920
true or whatever i'm not i'm not that

1304
00:48:24,870 --> 00:48:23,200
person i don't think

1305
00:48:28,790 --> 00:48:24,880
you know people in the circles that i

1306
00:48:29,910 --> 00:48:28,800
run in are not that way um and

1307
00:48:31,589 --> 00:48:29,920
yeah

1308
00:48:33,190 --> 00:48:31,599
i hear you

1309
00:48:35,230 --> 00:48:33,200
you know it's kind of like

1310
00:48:36,950 --> 00:48:35,240
i don't know there's always this like

1311
00:48:39,670 --> 00:48:36,960
unfalsifiability with everything in the

1312
00:48:40,549 --> 00:48:39,680
ufo community um

1313
00:48:42,470 --> 00:48:40,559

like

1314

00:48:45,270 --> 00:48:42,480

people will say

1315

00:48:47,589 --> 00:48:45,280

no video would ever prove it

1316

00:48:49,829 --> 00:48:47,599

no video i'm like no video

1317

00:48:51,670 --> 00:48:49,839

really hold my beer because i bet you i

1318

00:48:53,349 --> 00:48:51,680

could if i were

1319

00:48:55,190 --> 00:48:53,359

if i were in the pentagon i bet you i

1320

00:48:57,829 --> 00:48:55,200

could find a video that would prove it

1321

00:48:59,829 --> 00:48:57,839

um all you need is two couple things you

1322

00:49:02,390 --> 00:48:59,839

need provenance you need to know where

1323

00:49:04,870 --> 00:49:02,400

it's from you need in other words you

1324

00:49:06,549 --> 00:49:04,880

know off the bat it's not photoshop

1325

00:49:07,990 --> 00:49:06,559

um and then it needs to show something

1326

00:49:08,710 --> 00:49:08,000

weird

1327

00:49:10,309 --> 00:49:08,720

that's

1328

00:49:12,950 --> 00:49:10,319

that video does actually alter the

1329

00:49:15,589 --> 00:49:12,960

conversation there's this idea like

1330

00:49:17,349 --> 00:49:15,599

there's no there's nothing that could

1331

00:49:21,430 --> 00:49:17,359

ever prove it for people

1332

00:49:22,470 --> 00:49:21,440

is nuts to me um of course there is

1333

00:49:25,030 --> 00:49:22,480

yeah that's

1334

00:49:27,750 --> 00:49:25,040

that's tough i mean because you could be

1335

00:49:30,470 --> 00:49:27,760

absolutely right but like i always just

1336

00:49:32,150 --> 00:49:30,480

kind of seem to fall back on what i just

1337

00:49:33,750 --> 00:49:32,160

talked about is like

1338

00:49:35,829 --> 00:49:33,760

is that enough the government telling

1339

00:49:38,150 --> 00:49:35,839

you that this is real and from here

1340

00:49:40,710 --> 00:49:38,160

like there will always be a subset of

1341

00:49:42,309 --> 00:49:40,720

highly conspiratorial people that think

1342

00:49:44,549 --> 00:49:42,319

that everything is a conspiracy they

1343

00:49:46,549 --> 00:49:44,559

think that right look there's people

1344

00:49:49,270 --> 00:49:46,559

that think that the covet vaccine will

1345

00:49:50,630 --> 00:49:49,280

cause your arm to be magnetic you know

1346

00:49:52,150 --> 00:49:50,640

there are people who think all sorts of

1347

00:49:55,270 --> 00:49:52,160

things they obviously you can't stop at

1348

00:49:57,829 --> 00:49:55,280

all now but actually this circles back

1349

00:50:00,309 --> 00:49:57,839

to part of my anger and frustration with

1350

00:50:03,109 --> 00:50:00,319

the government because

1351

00:50:05,829 --> 00:50:03,119

this is an all-time high situation of

1352

00:50:08,549 --> 00:50:05,839

people believing in conspiracy theories

1353

00:50:09,910 --> 00:50:08,559

of of of a populist and a society that

1354

00:50:13,990 --> 00:50:09,920

is vulnerable

1355

00:50:16,309 --> 00:50:14,000

uh to um being led misled uh by all

1356

00:50:19,990 --> 00:50:16,319

sorts of different groups and people and

1357

00:50:21,990 --> 00:50:20,000

and all sorts of things um

1358

00:50:25,349 --> 00:50:22,000

and they're playing this game

1359

00:50:27,750 --> 00:50:25,359

with ufos really because it's

1360

00:50:29,030 --> 00:50:27,760

yeah is that is that different like uh

1361

00:50:31,190 --> 00:50:29,040

let's you know they come out with a

1362

00:50:33,190 --> 00:50:31,200

video whatever it's it's

1363

00:50:34,069 --> 00:50:33,200

you know jaw-dropping and there's the

1364

00:50:36,710 --> 00:50:34,079

people

1365

00:50:39,510 --> 00:50:36,720

that are still conspiracy whatever and

1366

00:50:42,150 --> 00:50:39,520

won't buy it or whatever so

1367

00:50:43,750 --> 00:50:42,160

i guess how is that different from not

1368

00:50:45,589 --> 00:50:43,760

believing them now when they say they

1369

00:50:47,190 --> 00:50:45,599

don't know what they are

1370

00:50:49,349 --> 00:50:47,200

the difference is that the scale of the

1371

00:50:51,510 --> 00:50:49,359

conversation would widen so

1372

00:50:53,349 --> 00:50:51,520

significantly that the people on the

1373

00:50:54,870 --> 00:50:53,359

fringe would just be on the fringe and

1374

00:50:57,349 --> 00:50:54,880

then the rest of us would actually be

1375

00:50:59,829 --> 00:50:57,359

having a conversation about reality the

1376

00:51:01,990 --> 00:50:59,839

new reality becomes that there's a video

1377

00:51:04,710 --> 00:51:02,000

of an unambiguously weird thing we know

1378

00:51:06,309 --> 00:51:04,720

what the provenance was and we know yeah

1379

00:51:07,670 --> 00:51:06,319

right so

1380

00:51:10,309 --> 00:51:07,680

and yes there's going to be some group

1381

00:51:11,829 --> 00:51:10,319

of people out there who says that's

1382

00:51:13,030 --> 00:51:11,839

but then they shrink to being the

1383

00:51:15,349 --> 00:51:13,040

minority

1384

00:51:17,030 --> 00:51:15,359

right um and then the the majority of

1385

00:51:18,470 --> 00:51:17,040

people are like okay i guess

1386

00:51:19,910 --> 00:51:18,480

there's aliens let's figure that out

1387

00:51:21,510 --> 00:51:19,920

what yeah

1388

00:51:23,910 --> 00:51:21,520

and right

1389

00:51:25,510 --> 00:51:23,920

life changes pretty much but yeah i

1390

00:51:27,589 --> 00:51:25,520

still don't understand why life would

1391

00:51:29,190 --> 00:51:27,599

change because you see you see a video

1392

00:51:32,549 --> 00:51:29,200

okay you know there's other life out

1393

00:51:33,670 --> 00:51:32,559

there you know for networks and

1394

00:51:34,549 --> 00:51:33,680

let's say

1395

00:51:36,470 --> 00:51:34,559

but

1396

00:51:38,390 --> 00:51:36,480

does your life really have to change

1397

00:51:39,270 --> 00:51:38,400

does that mean all of a sudden that you

1398

00:51:41,270 --> 00:51:39,280

have to

1399

00:51:43,349 --> 00:51:41,280

deal with it or confront it and you

1400

00:51:46,870 --> 00:51:43,359

can't just live your life as you were

1401

00:51:48,549 --> 00:51:46,880

yes you know i i i i would call it

1402

00:51:51,430 --> 00:51:48,559

are you familiar with like disruption

1403

00:51:53,430 --> 00:51:51,440

theory and technology where there's uh

1404

00:51:54,630 --> 00:51:53,440

there's like a disruptive force say

1405

00:51:56,470 --> 00:51:54,640

something along the lines of like the

1406

00:51:58,870 --> 00:51:56,480

automobile gets invented and then it

1407

00:52:01,030 --> 00:51:58,880

changes real estate therefore all jobs

1408

00:52:02,829 --> 00:52:01,040

change and society changes smartphone

1409

00:52:05,510 --> 00:52:02,839

being the most recent example

1410

00:52:09,829 --> 00:52:05,520

where everything changes as a result of

1411

00:52:11,990 --> 00:52:09,839

that that one thing um i would call

1412

00:52:16,309 --> 00:52:12,000

knowledge of not being alone in the

1413

00:52:17,990 --> 00:52:16,319

universe and um existential disruption

1414

00:52:19,990 --> 00:52:18,000

no it's not going to alter your

1415

00:52:22,150 --> 00:52:20,000

day-to-day life exactly at least not

1416

00:52:23,670 --> 00:52:22,160

overnight but what it will do is it's

1417

00:52:25,910 --> 00:52:23,680

going

1418

00:52:27,910 --> 00:52:25,920

there are zero people on this planet

1419

00:52:29,750 --> 00:52:27,920

that don't ask this question

1420

00:52:32,630 --> 00:52:29,760

and for whom that this question is like

1421

00:52:35,430 --> 00:52:32,640

not important on some level sure it's

1422

00:52:38,470 --> 00:52:35,440

going to alter the way that we think

1423

00:52:40,150 --> 00:52:38,480

about our role in life like what we're

1424

00:52:42,390 --> 00:52:40,160

doing and it's going to change the way

1425

00:52:44,470 --> 00:52:42,400

we think about the future it's going to

1426
00:52:46,150 --> 00:52:44,480
change the way we think about like where

1427
00:52:48,309 --> 00:52:46,160
we're putting our priorities so all of a

1428
00:52:50,710 --> 00:52:48,319
sudden i bet nasa's gonna get a lot more

1429
00:52:53,270 --> 00:52:50,720
funding because like

1430
00:52:55,430 --> 00:52:53,280
we we need to know more about that

1431
00:52:58,390 --> 00:52:55,440
um and now we'll have a concrete reason

1432
00:52:59,589 --> 00:52:58,400
to do it right as opposed to now

1433
00:53:01,190 --> 00:52:59,599
where

1434
00:53:02,790 --> 00:53:01,200
we're still playing with like oh there

1435
00:53:04,230 --> 00:53:02,800
might be life on mars we don't really

1436
00:53:05,910 --> 00:53:04,240
know we're going to send a rover up and

1437
00:53:08,710 --> 00:53:05,920
see if there's let's collect some rock

1438
00:53:12,230 --> 00:53:08,720

blah blah blah like

1439

00:53:14,630 --> 00:53:12,240

that changes immediately it's like oh

1440

00:53:16,470 --> 00:53:14,640

there's life um

1441

00:53:18,309 --> 00:53:16,480

or there's something and we need to

1442

00:53:20,630 --> 00:53:18,319

start exploring that and i think yes

1443

00:53:24,790 --> 00:53:20,640

it's actually a massive existential

1444

00:53:26,309 --> 00:53:24,800

disruption to our um identity um

1445

00:53:27,510 --> 00:53:26,319

your day-to-day life you still gotta eat

1446

00:53:29,109 --> 00:53:27,520

you still gotta have a job you still

1447

00:53:31,829 --> 00:53:29,119

gotta do all those things

1448

00:53:33,270 --> 00:53:31,839

but it will it would be a uh that's when

1449

00:53:35,910 --> 00:53:33,280

you get home from work will be a whole

1450

00:53:37,670 --> 00:53:35,920

lot different than they used to be

1451

00:53:40,710 --> 00:53:37,680

it's yeah it's gonna it's gonna it's

1452

00:53:43,270 --> 00:53:40,720

gonna change your framing of of how you

1453

00:53:45,589 --> 00:53:43,280

think about your place in this life in

1454

00:53:48,230 --> 00:53:45,599

this this mortal short

1455

00:53:49,829 --> 00:53:48,240

the blip that you get um it might alter

1456

00:53:50,790 --> 00:53:49,839

the way that you choose to live that

1457

00:53:53,109 --> 00:53:50,800

life

1458

00:53:55,190 --> 00:53:53,119

yeah and i think that that is why this

1459

00:53:58,230 --> 00:53:55,200

is such an important question you know

1460

00:54:00,710 --> 00:53:58,240

and i think it's why it's so important

1461

00:54:02,549 --> 00:54:00,720

that uh that the government clear up

1462

00:54:04,790 --> 00:54:02,559

some of this if

1463

00:54:05,750 --> 00:54:04,800

you know i feel like we're we're at the

1464

00:54:07,750 --> 00:54:05,760

the

1465

00:54:09,750 --> 00:54:07,760

precipice of

1466

00:54:12,309 --> 00:54:09,760

one of two things with with this

1467

00:54:15,750 --> 00:54:12,319

amendment either

1468

00:54:17,750 --> 00:54:15,760

yeah you know this goes through and they

1469

00:54:20,069 --> 00:54:17,760

do their job and there are reports that

1470

00:54:22,549 --> 00:54:20,079

are coming out and they're clear and

1471

00:54:24,950 --> 00:54:22,559

give more details and

1472

00:54:27,030 --> 00:54:24,960

get to an answer of

1473

00:54:28,470 --> 00:54:27,040

you know what it is

1474

00:54:30,950 --> 00:54:28,480

or

1475

00:54:33,190 --> 00:54:30,960

it's gonna be like the ultimate

1476
00:54:34,549 --> 00:54:33,200
deflating balloon

1477
00:54:36,549 --> 00:54:34,559
type of thing

1478
00:54:39,670 --> 00:54:36,559
get everybody's hopes up get everybody

1479
00:54:42,309 --> 00:54:39,680
ramped up talking um you know doing

1480
00:54:43,990 --> 00:54:42,319
activism let's go let's do it we're here

1481
00:54:45,670 --> 00:54:44,000
this is real see the government said

1482
00:54:47,670 --> 00:54:45,680
that and then they just

1483
00:54:49,829 --> 00:54:47,680
um like condone report it

1484
00:54:52,549 --> 00:54:49,839
if it's the deflating balloon this is

1485
00:54:54,630 --> 00:54:52,559
one of the single most dangerous pieces

1486
00:54:55,829 --> 00:54:54,640
of pr that the government has done in

1487
00:54:57,910 --> 00:54:55,839
history

1488
00:54:59,109 --> 00:54:57,920

and and the reason why i say that is

1489

00:55:01,829 --> 00:54:59,119

because

1490

00:55:04,150 --> 00:55:01,839

i don't worry about

1491

00:55:06,950 --> 00:55:04,160

what people are doing about this today

1492

00:55:08,630 --> 00:55:06,960

i worry about the way that this

1493

00:55:11,349 --> 00:55:08,640

fodder that they're putting out there

1494

00:55:14,710 --> 00:55:11,359

for people is going to permeate

1495

00:55:16,789 --> 00:55:14,720

through communities for decades to come

1496

00:55:19,270 --> 00:55:16,799

uh people are going to look back at this

1497

00:55:21,910 --> 00:55:19,280

time with this ufo stuff even if it's

1498

00:55:23,430 --> 00:55:21,920

especially if it's a deflating balloon

1499

00:55:25,589 --> 00:55:23,440

they're going to say well look at this

1500

00:55:27,829 --> 00:55:25,599

time that they almost disclosed

1501

00:55:29,990 --> 00:55:27,839

information and they didn't

1502

00:55:31,030 --> 00:55:30,000

right look at this period of time and

1503

00:55:32,470 --> 00:55:31,040

and

1504

00:55:34,470 --> 00:55:32,480

you know

1505

00:55:38,069 --> 00:55:34,480

queueing on and all sorts of really

1506

00:55:40,710 --> 00:55:38,079

dangerous groups out there um use

1507

00:55:43,030 --> 00:55:40,720

historical stuff as

1508

00:55:44,470 --> 00:55:43,040

fuel for that and it's like

1509

00:55:46,390 --> 00:55:44,480

yeah if this all turns out to be a

1510

00:55:48,470 --> 00:55:46,400

deflating balloon then this is the

1511

00:55:49,510 --> 00:55:48,480

dumbest thing that our government's done

1512

00:55:51,510 --> 00:55:49,520

in

1513

00:55:52,950 --> 00:55:51,520

i mean not ever like they've done dumber

1514

00:55:54,870 --> 00:55:52,960

things but like

1515

00:55:56,630 --> 00:55:54,880

but it's it's up there it's dumb it's

1516

00:55:58,870 --> 00:55:56,640

super dumb um

1517

00:56:01,270 --> 00:55:58,880

you know i make zero sense really you

1518

00:56:03,270 --> 00:56:01,280

know yeah yeah i mean one of the ways

1519

00:56:05,109 --> 00:56:03,280

that i just try to have fun with this i

1520

00:56:07,829 --> 00:56:05,119

just i just call it dumb this is all

1521

00:56:10,230 --> 00:56:07,839

dumb you know like

1522

00:56:11,670 --> 00:56:10,240

this is so dumb this is a really dumb

1523

00:56:14,630 --> 00:56:11,680

situation

1524

00:56:16,630 --> 00:56:14,640

it's not like the the this like the

1525

00:56:19,349 --> 00:56:16,640

pretending that we don't know that

1526

00:56:22,470 --> 00:56:19,359

there's sensors like that's dumb

1527

00:56:25,270 --> 00:56:22,480

um playing this game if it's not

1528

00:56:27,349 --> 00:56:25,280

something cool that's dumb um playing

1529

00:56:30,309 --> 00:56:27,359

this game if it's

1530

00:56:31,990 --> 00:56:30,319

foreign like every version of this i

1531

00:56:33,829 --> 00:56:32,000

used to say like every version of this

1532

00:56:35,990 --> 00:56:33,839

is something interesting now i say every

1533

00:56:36,789 --> 00:56:36,000

version of this is something dumb

1534

00:56:37,910 --> 00:56:36,799

um

1535

00:56:40,309 --> 00:56:37,920

in a way

1536

00:56:43,190 --> 00:56:40,319

like it could be profound but also dumb

1537

00:56:44,789 --> 00:56:43,200

it could be this way to get there was

1538

00:56:46,069 --> 00:56:44,799

always dumb i just want to be super

1539

00:56:47,670 --> 00:56:46,079

clear

1540

00:56:50,069 --> 00:56:47,680

aliens on the other side of this this

1541

00:56:52,470 --> 00:56:50,079

was still dumb i don't i don't get it

1542

00:56:53,510 --> 00:56:52,480

now there is one scenario

1543

00:56:57,270 --> 00:56:53,520

where

1544

00:56:58,710 --> 00:56:57,280

makes sense

1545

00:57:02,789 --> 00:56:58,720

one

1546

00:57:04,950 --> 00:57:02,799

probably wouldn't yeah well not even

1547

00:57:06,950 --> 00:57:04,960

that i'm that i'm fighting like i'm hope

1548

00:57:09,030 --> 00:57:06,960

this is what i want

1549

00:57:10,470 --> 00:57:09,040

okay like obviously it's what you want

1550

00:57:12,390 --> 00:57:10,480

it's what i want it's what everybody

1551
00:57:13,750 --> 00:57:12,400
would like ideally like i want to hear

1552
00:57:15,350 --> 00:57:13,760
it yeah

1553
00:57:16,870 --> 00:57:15,360
it's aliens

1554
00:57:20,309 --> 00:57:16,880
[Laughter]

1555
00:57:21,829 --> 00:57:20,319
it actually is aliens and they can't

1556
00:57:24,230 --> 00:57:21,839
figure out how to get their

1557
00:57:27,349 --> 00:57:24,240
together enough to to like

1558
00:57:29,910 --> 00:57:27,359
it's like do we say it like in one day

1559
00:57:31,750 --> 00:57:29,920
or do we say it over like five years

1560
00:57:34,950 --> 00:57:31,760
right and they probably choose let's say

1561
00:57:36,549 --> 00:57:34,960
it over five years for a lot of reasons

1562
00:57:38,870 --> 00:57:36,559
right

1563
00:57:41,430 --> 00:57:38,880

that's a possibility now the problem

1564

00:57:43,589 --> 00:57:41,440
with that let's say that's true it's

1565

00:57:48,630 --> 00:57:43,599
like

1566

00:57:49,750 --> 00:57:48,640
how long can that go

1567

00:57:51,510 --> 00:57:49,760
right

1568

00:57:52,630 --> 00:57:51,520
yeah before you it's like or get

1569

00:57:54,470 --> 00:57:52,640
off the pot

1570

00:57:56,630 --> 00:57:54,480
and and let's say you believe that

1571

00:57:59,270 --> 00:57:56,640
that's what's happening

1572

00:58:01,190 --> 00:57:59,280
and you are say a personality in the ufo

1573

00:58:02,549 --> 00:58:01,200
world and you are saying look it's it's

1574

00:58:06,069 --> 00:58:02,559
coming it's gonna happen it's gonna

1575

00:58:07,870 --> 00:58:06,079
happen you know um you know

1576

00:58:10,549 --> 00:58:07,880

how long can you keep up that

1577

00:58:13,270 --> 00:58:10,559

unfalsifiable situation right

1578

00:58:15,349 --> 00:58:13,280

like it's very it's it's very positive

1579

00:58:17,190 --> 00:58:15,359

so the problem is that one it could be

1580

00:58:18,950 --> 00:58:17,200

true and then two

1581

00:58:21,190 --> 00:58:18,960

um

1582

00:58:23,750 --> 00:58:21,200

there's no timeline so you get to say

1583

00:58:26,069 --> 00:58:23,760

that it could be true forever

1584

00:58:28,309 --> 00:58:26,079

cool it's like it's like trying to prove

1585

00:58:29,430 --> 00:58:28,319

god it's like

1586

00:58:31,270 --> 00:58:29,440

you know

1587

00:58:32,309 --> 00:58:31,280

well you'll get you'll find out when you

1588

00:58:36,390 --> 00:58:32,319

die

1589

00:58:38,789 --> 00:58:36,400

oh he brought it back yeah

1590

00:58:41,589 --> 00:58:38,799

circle back to that i'm not a big fan of

1591

00:58:43,430 --> 00:58:41,599

of like unfalsifiable

1592

00:58:45,030 --> 00:58:43,440

thinking and it just kind of drives me

1593

00:58:46,150 --> 00:58:45,040

crazy so

1594

00:58:50,950 --> 00:58:46,160

it's like

1595

00:58:53,109 --> 00:58:50,960

like i'm like when you know there are

1596

00:58:55,109 --> 00:58:53,119

the black and white point-blank question

1597

00:58:57,349 --> 00:58:55,119

they could answer today is whether or

1598

00:59:00,069 --> 00:58:57,359

not there is or is not unambiguously

1599

00:59:01,910 --> 00:59:00,079

weird data and honestly like

1600

00:59:03,510 --> 00:59:01,920

you people talk about the witnesses and

1601
00:59:05,829 --> 00:59:03,520
the pilots and whatever it's like the

1602
00:59:08,470 --> 00:59:05,839
biggest disservice happening right now

1603
00:59:13,829 --> 00:59:08,480
is to those people just to be clear

1604
00:59:16,230 --> 00:59:13,839
um they are being hung out to dry um

1605
00:59:18,390 --> 00:59:16,240
i know i i know some of those witnesses

1606
00:59:20,630 --> 00:59:18,400
feel this way diatruck does not i've

1607
00:59:22,309 --> 00:59:20,640
taught i've i've had brief interactions

1608
00:59:23,750 --> 00:59:22,319
with her on twitter where she basically

1609
00:59:24,870 --> 00:59:23,760
says

1610
00:59:26,870 --> 00:59:24,880
she doesn't spend any time thinking

1611
00:59:28,549 --> 00:59:26,880
about this at all and

1612
00:59:30,630 --> 00:59:28,559
while she's leave that for a second by

1613
00:59:32,710 --> 00:59:30,640

the way yeah i don't believe it like but

1614

00:59:37,270 --> 00:59:32,720

but but this is what she says and i'll

1615

00:59:40,549 --> 00:59:37,280

take her word she says you know um

1616

00:59:42,789 --> 00:59:40,559

that that she is not seeking validation

1617

00:59:44,230 --> 00:59:42,799

or confirmation of anything like and she

1618

00:59:45,750 --> 00:59:44,240

also doesn't seem to think it's like

1619

00:59:47,910 --> 00:59:45,760

that interesting

1620

00:59:50,630 --> 00:59:47,920

i personally think that has to not be

1621

00:59:53,349 --> 00:59:50,640

true because i don't think judy evolved

1622

00:59:55,589 --> 00:59:53,359

at all if that were true i

1623

00:59:58,069 --> 00:59:55,599

you know um

1624

00:59:59,750 --> 00:59:58,079

a potential ufo and you don't find that

1625

01:00:02,230 --> 00:59:59,760

interesting okay you don't need

1626
01:00:04,150 --> 01:00:02,240
validation or whatever but that doesn't

1627
01:00:06,870 --> 01:00:04,160
mean that like you can't think about it

1628
01:00:09,349 --> 01:00:06,880
constantly what you would have to do

1629
01:00:10,950 --> 01:00:09,359
if you were well i think she would say

1630
01:00:12,710 --> 01:00:10,960
to be fair to her i think what she would

1631
01:00:14,710 --> 01:00:12,720
say is like i was being dragged into

1632
01:00:17,190 --> 01:00:14,720
this whether i wanted to or not

1633
01:00:18,710 --> 01:00:17,200
um people were starting to know my name

1634
01:00:21,589 --> 01:00:18,720
i know and as soon as i went on the

1635
01:00:24,150 --> 01:00:21,599
thing like everyone knew and so i i

1636
01:00:25,990 --> 01:00:24,160
think she's like i'm a ufo personality

1637
01:00:28,549 --> 01:00:26,000
whether i want to be or not i guess i'll

1638
01:00:30,470 --> 01:00:28,559

play with it like kind of thing um

1639

01:00:31,190 --> 01:00:30,480

hypothetically yeah

1640

01:00:34,150 --> 01:00:31,200

but

1641

01:00:35,829 --> 01:00:34,160

her her aside and you know i totally

1642

01:00:37,990 --> 01:00:35,839

respect that it's like

1643

01:00:39,910 --> 01:00:38,000

other well and also it's i put fravor

1644

01:00:41,910 --> 01:00:39,920

kind of in the same boat as her not

1645

01:00:44,870 --> 01:00:41,920

really pounding the table for answers

1646

01:00:46,710 --> 01:00:44,880

exactly um but some of the other some of

1647

01:00:48,870 --> 01:00:46,720

the other witnesses are pounding the

1648

01:00:51,030 --> 01:00:48,880

table and saying like it would be

1649

01:00:52,630 --> 01:00:51,040

really great guys if you could just tell

1650

01:00:54,549 --> 01:00:52,640

us one way or the other

1651
01:00:57,510 --> 01:00:54,559
that what the hell you don't even have

1652
01:01:00,069 --> 01:00:57,520
to tell us what just at least say

1653
01:01:02,789 --> 01:01:00,079
at least validate it at least say like

1654
01:01:04,309 --> 01:01:02,799
yeah this happened right they can say

1655
01:01:05,990 --> 01:01:04,319
that it happened but it would be that

1656
01:01:08,309 --> 01:01:06,000
much more meaningful if the if the

1657
01:01:11,510 --> 01:01:08,319
pentagon confirmed that it happened if

1658
01:01:14,390 --> 01:01:11,520
the way that they said it happened

1659
01:01:15,109 --> 01:01:14,400
you know and that that part of this is

1660
01:01:17,829 --> 01:01:15,119
is

1661
01:01:20,470 --> 01:01:17,839
straightforward black and white and no

1662
01:01:23,670 --> 01:01:20,480
journalist that um is

1663
01:01:28,150 --> 01:01:25,990

uh you know no no new york times

1664

01:01:30,630 --> 01:01:28,160

journalist or washington post or

1665

01:01:33,030 --> 01:01:30,640

whatever like they have not

1666

01:01:34,549 --> 01:01:33,040

pounded on this question in that way

1667

01:01:37,829 --> 01:01:34,559

instead

1668

01:01:39,270 --> 01:01:37,839

they're participating in the game of

1669

01:01:40,789 --> 01:01:39,280

well it could be aliens and they're

1670

01:01:44,150 --> 01:01:40,799

playing the x-files music and they're

1671

01:01:46,630 --> 01:01:44,160

doing all that you know yeah very true

1672

01:01:48,549 --> 01:01:46,640

it's frustrating this is this is why i'm

1673

01:01:51,030 --> 01:01:48,559

mad and why i'm still

1674

01:01:53,670 --> 01:01:51,040

very frustrated that's uh that's good to

1675

01:01:55,510 --> 01:01:53,680

me that's the most frustrating part is

1676

01:01:57,109 --> 01:01:55,520

is the media aspect of this like the

1677

01:01:58,549 --> 01:01:57,119

last press conference kirby did or

1678

01:02:01,349 --> 01:01:58,559

whatever yesterday

1679

01:02:03,109 --> 01:02:01,359

like how do you not just ask

1680

01:02:04,950 --> 01:02:03,119

when will you be able to tell us what

1681

01:02:07,589 --> 01:02:04,960

this is

1682

01:02:09,670 --> 01:02:07,599

yeah yeah i mean yeah i mean one and

1683

01:02:10,630 --> 01:02:09,680

then you can follow up on that well we

1684

01:02:12,950 --> 01:02:10,640

don't know

1685

01:02:14,590 --> 01:02:12,960

maybe we got some reports yet well when

1686

01:02:16,470 --> 01:02:14,600

is that going to be sir

1687

01:02:18,549 --> 01:02:16,480

[Laughter]

1688

01:02:20,710 --> 01:02:18,559

no one's why are they asking that hit

1689

01:02:22,549 --> 01:02:20,720

the presser honestly if i were there i'd

1690

01:02:25,109 --> 01:02:22,559

pl i'd play it different because i know

1691

01:02:27,430 --> 01:02:25,119

what he'll say to questions direct about

1692

01:02:30,470 --> 01:02:27,440

it he'll say some pat thing

1693

01:02:32,150 --> 01:02:30,480

about well you know it's classified blah

1694

01:02:33,990 --> 01:02:32,160

blah blah we're looking into it because

1695

01:02:35,910 --> 01:02:34,000

obviously it's we have a directive to do

1696

01:02:37,349 --> 01:02:35,920

so so we're looking into it

1697

01:02:41,910 --> 01:02:37,359

i would ask him something different i

1698

01:02:46,789 --> 01:02:44,789

hey why are you doing this

1699

01:02:48,710 --> 01:02:46,799

at all like what do you

1700

01:02:51,430 --> 01:02:48,720

do do you guys are you guys usually in

1701

01:02:53,750 --> 01:02:51,440

the business of talking openly about

1702

01:02:55,270 --> 01:02:53,760

potential foreign threats

1703

01:02:57,430 --> 01:02:55,280

yeah you could say you know you've never

1704

01:02:59,349 --> 01:02:57,440

done this in the past what so what's the

1705

01:03:00,710 --> 01:02:59,359

change of course what's the difference

1706

01:03:07,029 --> 01:03:00,720

here

1707

01:03:09,190 --> 01:03:07,039

articulate that like clearly

1708

01:03:10,230 --> 01:03:09,200

they wouldn't they'd be like get him out

1709

01:03:12,230 --> 01:03:10,240

of here

1710

01:03:13,910 --> 01:03:12,240

you know him i would i would even ask

1711

01:03:15,670 --> 01:03:13,920

the same thing of you know if i could

1712

01:03:18,069 --> 01:03:15,680

get if i could get barack obama on the

1713

01:03:20,069 --> 01:03:18,079

spot because he's made comments

1714

01:03:22,150 --> 01:03:20,079

man yes like

1715

01:03:24,390 --> 01:03:22,160

i can't believe with

1716

01:03:27,670 --> 01:03:24,400

the comment he's made that the media

1717

01:03:29,349 --> 01:03:27,680

hasn't been constantly jumping all over

1718

01:03:32,630 --> 01:03:29,359

everything about this

1719

01:03:33,510 --> 01:03:32,640

like you know like like dude clarify the

1720

01:03:35,829 --> 01:03:33,520

president

1721

01:03:37,430 --> 01:03:35,839

yeah like and it's really important that

1722

01:03:39,190 --> 01:03:37,440

you and i would this is what drives me

1723

01:03:42,470 --> 01:03:39,200

crazy i have a way that i would ask

1724

01:03:43,910 --> 01:03:42,480

these questions they never do it

1725

01:03:46,309 --> 01:03:43,920

you know and and the way that i would

1726

01:03:47,510 --> 01:03:46,319

ask barack obama is i'd say

1727

01:03:49,750 --> 01:03:47,520

sir

1728

01:03:52,390 --> 01:03:49,760

this is really serious are you sure that

1729

01:03:53,829 --> 01:03:52,400

you don't want to put cold water on this

1730

01:03:55,589 --> 01:03:53,839

because

1731

01:03:57,109 --> 01:03:55,599

look there's there's people like myself

1732

01:03:59,750 --> 01:03:57,119

who like they've lived with this thing

1733

01:04:01,670 --> 01:03:59,760

their whole lives and they feel gaslit

1734

01:04:04,870 --> 01:04:01,680

when you say these things just want to

1735

01:04:06,390 --> 01:04:04,880

be super clear you know mr x president

1736

01:04:07,910 --> 01:04:06,400

um

1737

01:04:09,990 --> 01:04:07,920

well we furry says we don't know what

1738

01:04:10,789 --> 01:04:10,000

they are so if that's true

1739

01:04:15,670 --> 01:04:10,799

yeah

1740

01:04:17,349 --> 01:04:15,680

because right now

1741

01:04:21,029 --> 01:04:17,359

everyone between

1742

01:04:24,870 --> 01:04:23,430

to christopher mellon and lou elizondo

1743

01:04:26,630 --> 01:04:24,880

are they're all shaping their own

1744

01:04:28,230 --> 01:04:26,640

narratives some of these people say that

1745

01:04:29,430 --> 01:04:28,240

there's a fake alien invasion coming do

1746

01:04:31,910 --> 01:04:29,440

you want people to believe that that's

1747

01:04:34,069 --> 01:04:31,920

the danger yeah yeah the

1748

01:04:36,309 --> 01:04:34,079

yeah the moldable narrative and forget

1749

01:04:37,829 --> 01:04:36,319

the things that like we know about uh

1750

01:04:39,990 --> 01:04:37,839

it's the things that i don't know about

1751

01:04:41,910 --> 01:04:40,000

that scare me the most you know i didn't

1752

01:04:44,150 --> 01:04:41,920

know about q anon until it was like kind

1753

01:04:45,510 --> 01:04:44,160

of too late um

1754

01:04:47,750 --> 01:04:45,520

you know these but these people had been

1755

01:04:48,470 --> 01:04:47,760

percolating for quite a long time and

1756

01:04:49,349 --> 01:04:48,480

and

1757

01:04:51,589 --> 01:04:49,359

um

1758

01:04:55,670 --> 01:04:51,599

it wasn't a problem until it was

1759

01:04:57,990 --> 01:04:55,680

and they they they use stuff like this

1760

01:04:59,910 --> 01:04:58,000

as a way to get people to believe

1761

01:05:02,309 --> 01:04:59,920

it's like the government says there's

1762

01:05:03,829 --> 01:05:02,319

aliens even if it's i can come out and

1763

01:05:05,430 --> 01:05:03,839

say that

1764

01:05:07,829 --> 01:05:05,440

and a lot of people are just like yeah

1765

01:05:11,430 --> 01:05:07,839

they did

1766

01:05:14,390 --> 01:05:11,440

right

1767

01:05:15,910 --> 01:05:14,400

yeah because they didn't they did not do

1768

01:05:17,990 --> 01:05:15,920

that so

1769

01:05:19,589 --> 01:05:18,000

there's this wiggle room of again this

1770

01:05:21,430 --> 01:05:19,599

is why i call it a choose your own

1771

01:05:27,349 --> 01:05:21,440

adventure game

1772

01:05:34,390 --> 01:05:29,930

a phenomenal piece of foreign deck or

1773

01:05:37,029 --> 01:05:34,400

[Laughter]

1774

01:05:38,950 --> 01:05:37,039

do you like radar glitches like here's

1775

01:05:41,430 --> 01:05:38,960

the the only this is the kind of the

1776

01:05:43,589 --> 01:05:41,440

scenario that makes the most sense to me

1777

01:05:45,510 --> 01:05:43,599

after you know because you know me too

1778

01:05:48,309 --> 01:05:45,520

like i don't just sit here and believe

1779

01:05:49,990 --> 01:05:48,319

everything i am skeptical yeah of stuff

1780

01:05:51,270 --> 01:05:50,000

too and i do think about it pretty

1781

01:05:53,910 --> 01:05:51,280

deeply

1782

01:05:56,069 --> 01:05:53,920

even having an experience i don't just

1783

01:05:58,230 --> 01:05:56,079

sit there and say that was an alien

1784

01:06:00,390 --> 01:05:58,240

because nothing about it looked you know

1785

01:06:02,549 --> 01:06:00,400

there's nothing i could take from that

1786

01:06:05,589 --> 01:06:02,559

to say oh that was an e.t

1787

01:06:07,349 --> 01:06:05,599

you know it was weird it was bizarre

1788

01:06:09,270 --> 01:06:07,359

most definitely but by no means does

1789

01:06:09,990 --> 01:06:09,280

that mean it was from outer space you

1790

01:06:12,710 --> 01:06:10,000

know

1791

01:06:15,670 --> 01:06:13,589

it's

1792

01:06:17,190 --> 01:06:15,680

i forgot where i was going with this but

1793

01:06:20,789 --> 01:06:17,200

uh oh the thing that makes the most

1794

01:06:23,190 --> 01:06:20,799

sense to me um is like in

1795

01:06:25,109 --> 01:06:23,200

i can say this truly and honestly and

1796

01:06:27,910 --> 01:06:25,119

i'll say this and you know you can have

1797

01:06:30,150 --> 01:06:27,920

your last word and we'll get out of here

1798

01:06:39,190 --> 01:06:30,160

um

1799

01:06:41,349 --> 01:06:39,200

military incursions and

1800

01:06:43,829 --> 01:06:41,359

the same kind of descriptors as people

1801
01:06:46,549 --> 01:06:43,839
give now like take out the navy videos

1802
01:06:48,710 --> 01:06:46,559
take out lou and all that still reports

1803
01:06:51,270 --> 01:06:48,720
that people give are the same kind of

1804
01:06:54,789 --> 01:06:51,280
descriptors same maneuvers

1805
01:06:56,950 --> 01:06:54,799
um all that sort of thing and but also

1806
01:06:57,910 --> 01:06:56,960
along with those

1807
01:07:00,549 --> 01:06:57,920
are

1808
01:07:02,950 --> 01:07:00,559
like final reports from everyone from

1809
01:07:05,910 --> 01:07:02,960
physics and research to

1810
01:07:07,430 --> 01:07:05,920
um psychological boards to

1811
01:07:08,549 --> 01:07:07,440
uh cia

1812
01:07:09,430 --> 01:07:08,559
to

1813
01:07:14,069 --> 01:07:09,440

um

1814

01:07:15,029 --> 01:07:14,079

you know other branches and it's always

1815

01:07:17,270 --> 01:07:15,039

like

1816

01:07:19,589 --> 01:07:17,280

i truly think

1817

01:07:21,750 --> 01:07:19,599

that this stuff exists

1818

01:07:23,750 --> 01:07:21,760

and they really don't

1819

01:07:25,270 --> 01:07:23,760

know what it is

1820

01:07:26,789 --> 01:07:25,280

still

1821

01:07:29,750 --> 01:07:26,799

that's what i think and they've been

1822

01:07:32,309 --> 01:07:29,760

trying to ignore it they tried to ignore

1823

01:07:34,309 --> 01:07:32,319

it many times let's pretend it don't it

1824

01:07:36,710 --> 01:07:34,319

doesn't exist maybe it won't

1825

01:07:39,029 --> 01:07:36,720

they've tried to debunk it

1826

01:07:40,950 --> 01:07:39,039

maybe it's just these people get it in

1827

01:07:42,870 --> 01:07:40,960

their heads that you know this stuff is

1828

01:07:45,750 --> 01:07:42,880

possible and they see stuff and report

1829

01:07:48,230 --> 01:07:45,760

it as such so let's try to do something

1830

01:07:49,589 --> 01:07:48,240

about that but it keeps going and it

1831

01:07:50,470 --> 01:07:49,599

keeps happening

1832

01:07:51,829 --> 01:07:50,480

and

1833

01:07:54,230 --> 01:07:51,839

you know it's getting the point where

1834

01:07:56,789 --> 01:07:54,240

technology is has gotten good enough to

1835

01:07:58,549 --> 01:07:56,799

maybe get some data on this stuff but

1836

01:07:59,910 --> 01:07:58,559

they still that doesn't mean they know

1837

01:08:02,309 --> 01:07:59,920

what it is

1838

01:08:05,270 --> 01:08:02,319

right and sometimes i think like they're

1839

01:08:08,230 --> 01:08:05,280

just as confused as anybody else and

1840

01:08:10,230 --> 01:08:08,240

then how at that point do you tell

1841

01:08:13,829 --> 01:08:10,240

people about something you don't

1842

01:08:14,710 --> 01:08:13,839

understand like that without causing

1843

01:08:16,309 --> 01:08:14,720

like

1844

01:08:20,070 --> 01:08:16,319

even more

1845

01:08:21,990 --> 01:08:20,080

multiple narratives yeah at that point

1846

01:08:26,070 --> 01:08:22,000

i um

1847

01:08:28,070 --> 01:08:26,080

100 agree um in fact i would actually go

1848

01:08:30,229 --> 01:08:28,080

a step further and i would say

1849

01:08:33,430 --> 01:08:30,239

it's almost like it's almost necessarily

1850

01:08:35,590 --> 01:08:33,440

true that they don't understand it um

1851
01:08:37,510 --> 01:08:35,600
you know we have science fiction and

1852
01:08:40,390 --> 01:08:37,520
movies about like

1853
01:08:41,990 --> 01:08:40,400
these biped aliens coming down that look

1854
01:08:43,910 --> 01:08:42,000
kind of like us or they look like a

1855
01:08:45,030 --> 01:08:43,920
squid creature or they look like this or

1856
01:08:46,950 --> 01:08:45,040
they look like that like all these

1857
01:08:48,550 --> 01:08:46,960
different guesses and sometimes they try

1858
01:08:52,390 --> 01:08:48,560
to get as weird as humanly possible in

1859
01:08:55,910 --> 01:08:52,400
order to get away from the usual tropes

1860
01:08:57,990 --> 01:08:55,920
the reality is intelligence is uh other

1861
01:08:59,829 --> 01:08:58,000
intelligence or

1862
01:09:01,430 --> 01:08:59,839
other not even intelligence like we

1863
01:09:03,189 --> 01:09:01,440

don't even know what we're talking about

1864

01:09:04,149 --> 01:09:03,199

here at all like are we talking about

1865

01:09:05,669 --> 01:09:04,159

intelligence are we talking about

1866

01:09:06,709 --> 01:09:05,679

consciousness are we

1867

01:09:08,709 --> 01:09:06,719

what are we talking about are we talking

1868

01:09:10,550 --> 01:09:08,719

about a phenomenology of something like

1869

01:09:13,669 --> 01:09:10,560

space animals

1870

01:09:15,110 --> 01:09:13,679

we have no idea yeah and it's probably

1871

01:09:17,189 --> 01:09:15,120

that

1872

01:09:19,030 --> 01:09:17,199

i agree it's probably

1873

01:09:21,669 --> 01:09:19,040

something outside the bounds of our

1874

01:09:25,110 --> 01:09:21,679

ability to to talk about

1875

01:09:27,990 --> 01:09:25,120

there are i absolutely believe um

1876

01:09:29,669 --> 01:09:28,000

there's there's things on this planet

1877

01:09:31,590 --> 01:09:29,679

um

1878

01:09:37,269 --> 01:09:31,600

and things in space

1879

01:09:39,990 --> 01:09:37,279

um that we either lack the um

1880

01:09:41,430 --> 01:09:40,000

the sense the senses or the sensors to

1881

01:09:43,910 --> 01:09:41,440

to see

1882

01:09:44,789 --> 01:09:43,920

um that we will discover we are going to

1883

01:09:46,070 --> 01:09:44,799

find

1884

01:09:48,709 --> 01:09:46,080

more things

1885

01:09:51,269 --> 01:09:48,719

about reality over time things that

1886

01:09:52,709 --> 01:09:51,279

previously seemed super weird or things

1887

01:09:54,149 --> 01:09:52,719

that we thought we didn't understand or

1888

01:09:55,510 --> 01:09:54,159

we thought we had an understanding of

1889

01:09:58,550 --> 01:09:55,520

until we found this other thing that

1890

01:09:59,990 --> 01:09:58,560

contradicted that right um there's gonna

1891

01:10:03,430 --> 01:10:00,000

be more of that

1892

01:10:04,790 --> 01:10:03,440

and this is probably a variation of that

1893

01:10:07,910 --> 01:10:04,800

um

1894

01:10:08,870 --> 01:10:07,920

yeah and and alien life or or it just

1895

01:10:10,950 --> 01:10:08,880

puts

1896

01:10:13,510 --> 01:10:10,960

a nail in the coffin to so much like

1897

01:10:14,310 --> 01:10:13,520

roswell and bodies and crafts and

1898

01:10:18,070 --> 01:10:14,320

like

1899

01:10:20,229 --> 01:10:18,080

that's not a that's not a thing anymore

1900

01:10:23,350 --> 01:10:20,239

you know if they just genuinely are

1901

01:10:25,350 --> 01:10:23,360

confused i think that i think that under

1902

01:10:27,910 --> 01:10:25,360

any version of it they they are

1903

01:10:29,910 --> 01:10:27,920

certainly not sure and they are confused

1904

01:10:33,270 --> 01:10:29,920

and that could be part of why the

1905

01:10:34,550 --> 01:10:33,280

secrecy has been kept up so long um

1906

01:10:35,830 --> 01:10:34,560

yeah

1907

01:10:38,070 --> 01:10:35,840

and there might have been different

1908

01:10:40,550 --> 01:10:38,080

times of secrecy and there might have

1909

01:10:42,149 --> 01:10:40,560

been different um people who felt

1910

01:10:42,950 --> 01:10:42,159

differently about what to do which is

1911

01:10:45,669 --> 01:10:42,960

why

1912

01:10:47,030 --> 01:10:45,679

you've had mixed messaging and like

1913

01:10:48,310 --> 01:10:47,040

sometimes it seems like the government's

1914

01:10:49,430 --> 01:10:48,320

a little more open and other times

1915

01:10:50,709 --> 01:10:49,440

they're not

1916

01:10:54,790 --> 01:10:50,719

um

1917

01:10:57,110 --> 01:10:54,800

yeah but yeah i i agree and honestly i i

1918

01:10:59,189 --> 01:10:57,120

again i support this

1919

01:11:00,550 --> 01:10:59,199

amendment

1920

01:11:02,790 --> 01:11:00,560

generally

1921

01:11:05,510 --> 01:11:02,800

it's just you know

1922

01:11:07,910 --> 01:11:05,520

i want to say real quick why i have

1923

01:11:09,270 --> 01:11:07,920

hesitancy about that

1924

01:11:12,310 --> 01:11:09,280

real quick

1925

01:11:14,229 --> 01:11:12,320

um i don't think we have agency and

1926

01:11:15,910 --> 01:11:14,239

whatever is playing out and this is

1927

01:11:18,229 --> 01:11:15,920

something i talked to jamarl thomas

1928

01:11:20,870 --> 01:11:18,239

about um it's something i talk to talk

1929

01:11:23,270 --> 01:11:20,880

to everyone about it's like

1930

01:11:25,189 --> 01:11:23,280

we want to believe that ufo twitter is

1931

01:11:27,590 --> 01:11:25,199

making a difference

1932

01:11:29,510 --> 01:11:27,600

i don't i don't think it is

1933

01:11:31,910 --> 01:11:29,520

i think that this stuff has all played

1934

01:11:33,669 --> 01:11:31,920

out without us

1935

01:11:35,750 --> 01:11:33,679

and that's

1936

01:11:37,990 --> 01:11:35,760

what has me the most suspicious of all

1937

01:11:40,550 --> 01:11:38,000

of it and and um

1938

01:11:42,390 --> 01:11:40,560

it's it feels as though we don't really

1939

01:11:44,550 --> 01:11:42,400

have a voice in this process the this

1940

01:11:46,149 --> 01:11:44,560

amendment is not gonna pass or fail on

1941

01:11:48,550 --> 01:11:46,159

the basis of whether or not we call our

1942

01:11:50,149 --> 01:11:48,560

representatives that's just my opinion

1943

01:11:51,830 --> 01:11:50,159

um

1944

01:11:53,830 --> 01:11:51,840

everything else that has happened up to

1945

01:11:56,310 --> 01:11:53,840

this point happened without any kind of

1946

01:11:59,350 --> 01:11:56,320

public pressure whatsoever

1947

01:12:01,590 --> 01:11:59,360

so this is just the next phase of

1948

01:12:04,229 --> 01:12:01,600

whatever seems to be playing out that we

1949

01:12:05,590 --> 01:12:04,239

have no agency in

1950

01:12:07,590 --> 01:12:05,600

um

1951

01:12:10,790 --> 01:12:07,600

i just feel like if

1952

01:12:13,590 --> 01:12:10,800

if there was no ufo twitter

1953

01:12:17,110 --> 01:12:13,600

there would probably be no

1954

01:12:19,189 --> 01:12:17,120

you know lou elizondo almost maybe and

1955

01:12:21,110 --> 01:12:19,199

would they even be talking about this

1956

01:12:23,990 --> 01:12:21,120

stuff at all would any of this be public

1957

01:12:26,149 --> 01:12:24,000

would there be a uap task force

1958

01:12:28,310 --> 01:12:26,159

you know if there wasn't there was no

1959

01:12:30,390 --> 01:12:28,320

ufo twitter i

1960

01:12:31,750 --> 01:12:30,400

really that that we would know about at

1961

01:12:34,070 --> 01:12:31,760

least like

1962

01:12:35,750 --> 01:12:34,080

why would they have to be public with it

1963

01:12:37,830 --> 01:12:35,760

except because we're the only ones that

1964

01:12:39,669 --> 01:12:37,840

basically care

1965

01:12:42,709 --> 01:12:39,679

if there's a louis elizondo there is a

1966

01:12:48,709 --> 01:12:45,030

if that makes sense so what i i guess i

1967

01:12:53,350 --> 01:12:51,350

so because of the of the nature of the

1968

01:12:55,110 --> 01:12:53,360

of the question if we're talking about

1969

01:12:57,350 --> 01:12:55,120

the possibility of other life in the

1970

01:12:59,430 --> 01:12:57,360

universe and aliens and blah blah

1971

01:13:01,270 --> 01:12:59,440

there's going to be some

1972

01:13:02,470 --> 01:13:01,280

amount of people that respond to that

1973

01:13:04,950 --> 01:13:02,480

period

1974

01:13:07,510 --> 01:13:04,960

and i guess i i'm not saying that like

1975

01:13:10,149 --> 01:13:07,520

the people of ufo twitter are irrelevant

1976

01:13:11,590 --> 01:13:10,159

and i'm not saying like as people you

1977

01:13:12,709 --> 01:13:11,600

better not

1978

01:13:14,630 --> 01:13:12,719

like

1979

01:13:16,550 --> 01:13:14,640

well it's great that you and i can talk

1980

01:13:18,390 --> 01:13:16,560

like we met because of this to me that's

1981

01:13:20,950 --> 01:13:18,400

what this is about it's about us being

1982

01:13:22,630 --> 01:13:20,960

able to talk and sort through this stuff

1983

01:13:24,950 --> 01:13:22,640

and honestly like

1984

01:13:26,950 --> 01:13:24,960

therapy like i consider this probably

1985

01:13:27,990 --> 01:13:26,960

therapy more than anything

1986

01:13:29,990 --> 01:13:28,000

um

1987

01:13:31,830 --> 01:13:30,000

but but do i can do i think that this

1988

01:13:33,110 --> 01:13:31,840

conversation that i just had with you is

1989

01:13:35,830 --> 01:13:33,120

going to

1990

01:13:37,590 --> 01:13:35,840

make a difference um as far as like

1991

01:13:39,189 --> 01:13:37,600

whether or not this amendment passes or

1992

01:13:41,110 --> 01:13:39,199

like whether or not

1993

01:13:43,430 --> 01:13:41,120

a journalist finally asks a damn

1994

01:13:47,030 --> 01:13:43,440

question i hope so

1995

01:13:49,590 --> 01:13:47,040

but but probably not um it's more about

1996

01:13:51,830 --> 01:13:49,600

like therapy for me and you and like

1997

01:13:53,270 --> 01:13:51,840

let's talk this out and see see where we

1998

01:13:55,350 --> 01:13:53,280

end up

1999

01:13:57,189 --> 01:13:55,360

but but the underlying thing i would say

2000

01:13:58,790 --> 01:13:57,199

is

2001

01:14:07,830 --> 01:13:58,800

the

2002

01:14:08,870 --> 01:14:07,840

and with or without ufo twitter and ufo

2003

01:14:11,350 --> 01:14:08,880

twitter to me is just sort of a

2004

01:14:13,590 --> 01:14:11,360

byproduct of the fact that there is a

2005

01:14:15,110 --> 01:14:13,600

there is there are these questions being

2006

01:14:17,430 --> 01:14:15,120

posed therefore there are people

2007

01:14:19,270 --> 01:14:17,440

discussing those questions being posed

2008

01:14:21,270 --> 01:14:19,280

now with the ufo topic you happen to

2009

01:14:24,149 --> 01:14:21,280

have something that's gone back as long

2010

01:14:25,830 --> 01:14:24,159

as it has and it's got a lot of history

2011

01:14:27,830 --> 01:14:25,840

um there's a certain number of people

2012

01:14:30,390 --> 01:14:27,840

that are always going to respond but i

2013

01:14:33,030 --> 01:14:30,400

don't think that we are making a

2014

01:14:34,229 --> 01:14:33,040

difference here i think that whatever is

2015

01:14:35,510 --> 01:14:34,239

happening

2016

01:14:36,790 --> 01:14:35,520

was

2017

01:14:39,430 --> 01:14:36,800

you know not to make it into a

2018

01:14:42,310 --> 01:14:39,440

conspiracy i'm just saying

2019

01:14:44,630 --> 01:14:42,320

they have pr sheets they they know

2020

01:14:46,550 --> 01:14:44,640

exactly what they're doing when they're

2021

01:14:47,910 --> 01:14:46,560

not throwing cold water

2022

01:14:50,709 --> 01:14:47,920

that's what i'm saying

2023

01:14:52,550 --> 01:14:50,719

this is happening without yeah so

2024

01:14:54,709 --> 01:14:52,560

it honestly makes me inclined to think

2025

01:14:56,229 --> 01:14:54,719

that it is aliens and that they

2026

01:14:58,229 --> 01:14:56,239

are slow disclosing it because that's

2027

01:15:00,070 --> 01:14:58,239

like one of the ones that makes the most

2028

01:15:02,550 --> 01:15:00,080

sense to me out of a litany of things

2029

01:15:04,550 --> 01:15:02,560

that make no sense so

2030

01:15:06,790 --> 01:15:04,560

you know what i'm saying and people

2031

01:15:08,550 --> 01:15:06,800

people misread me a lot because i ask

2032

01:15:10,310 --> 01:15:08,560

questions in a way that makes it sound

2033

01:15:12,229 --> 01:15:10,320

as though i must not believe any of this

2034

01:15:15,510 --> 01:15:12,239

it's like no yeah that's the that's the

2035

01:15:18,310 --> 01:15:15,520

irony of it all it is and and and

2036

01:15:20,790 --> 01:15:18,320

the reality of it is that i i do think

2037

01:15:24,870 --> 01:15:20,800

that there's something to it my point is

2038

01:15:26,870 --> 01:15:24,880

this game sucks and is dumb

2039

01:15:29,910 --> 01:15:26,880

or it's a freaking cheat cook and i

2040

01:15:31,910 --> 01:15:29,920

might well and you might die tomorrow i

2041

01:15:34,390 --> 01:15:31,920

might die tomorrow i might die in a

2042

01:15:38,460 --> 01:15:34,400

couple hours you don't know and it will

2043

01:15:44,550 --> 01:15:42,870

[Laughter]

2044

01:15:48,149 --> 01:15:44,560

yeah bring it back

2045

01:15:49,830 --> 01:15:48,159

and that's why i'm angry and uh

2046

01:15:52,470 --> 01:15:49,840

sorry

2047

01:15:53,669 --> 01:15:52,480

yeah i i mean i don't get this all out

2048

01:15:55,990 --> 01:15:53,679

there though it's good i think there's

2049

01:15:58,470 --> 01:15:56,000

been a good conversation where we we

2050

01:16:00,390 --> 01:15:58,480

articulate and get through

2051

01:16:02,390 --> 01:16:00,400

these things in a nuanced way well

2052

01:16:04,470 --> 01:16:02,400

that's the point i mean we don't have to

2053

01:16:06,709 --> 01:16:04,480

take um you know

2054

01:16:09,830 --> 01:16:06,719

no one's in the position to take their

2055

01:16:12,310 --> 01:16:09,840

uh opinion about whatever this is as

2056

01:16:13,590 --> 01:16:12,320

a hundred percent truth or fact so in

2057

01:16:15,590 --> 01:16:13,600

that case

2058

01:16:17,910 --> 01:16:15,600

like you have to be open-minded other

2059

01:16:20,070 --> 01:16:17,920

opinions you may not even share

2060

01:16:22,149 --> 01:16:20,080

um if they're grounded in some sort of

2061

01:16:23,990 --> 01:16:22,159

practicality which i think cares are you

2062

01:16:25,669 --> 01:16:24,000

know yeah well there's so much that

2063

01:16:28,070 --> 01:16:25,679

isn't grounded in practicality that i

2064

01:16:30,310 --> 01:16:28,080

don't share that i do believe like

2065

01:16:33,110 --> 01:16:30,320

right i'm careful about what i say

2066

01:16:36,149 --> 01:16:33,120

publicly about stuff like this because i

2067

01:16:38,709 --> 01:16:36,159

i honestly i worry about um influencing

2068

01:16:40,709 --> 01:16:38,719

people who are vulnerable i like i i

2069

01:16:43,030 --> 01:16:40,719

feel i have a responsibility when i go

2070

01:16:46,070 --> 01:16:43,040

out and i talk about this stuff to an

2071

01:16:47,669 --> 01:16:46,080

audience it's like suddenly i'm not

2072

01:16:49,270 --> 01:16:47,679

like it's not just about me and what i

2073

01:16:51,830 --> 01:16:49,280

believe it's about

2074

01:16:54,070 --> 01:16:51,840

something else and i feel i have a

2075

01:16:55,830 --> 01:16:54,080

sometimes people tell me

2076

01:16:57,990 --> 01:16:55,840

i wasn't interested in the subject until

2077

01:16:58,870 --> 01:16:58,000

i started listening to your show and i'm

2078

01:17:00,229 --> 01:16:58,880

like

2079

01:17:02,550 --> 01:17:00,239

oh

2080

01:17:04,390 --> 01:17:02,560

sorry

2081

01:17:05,669 --> 01:17:04,400

and then and then they tell me some of

2082

01:17:06,950 --> 01:17:05,679

the things that they believe and i'm

2083

01:17:09,430 --> 01:17:06,960

like

2084

01:17:11,990 --> 01:17:09,440

wait you entered this through my show

2085

01:17:13,110 --> 01:17:12,000

and now you believe in reptilians like

2086

01:17:15,270 --> 01:17:13,120

what

2087

01:17:17,350 --> 01:17:15,280

uh you know

2088

01:17:19,990 --> 01:17:17,360

but some of that you can't control but

2089

01:17:22,070 --> 01:17:20,000

what i'm saying is i've i personally

2090

01:17:24,310 --> 01:17:22,080

feel a deep responsibility to be as

2091

01:17:26,950 --> 01:17:24,320

careful about how i talk about this as

2092

01:17:29,350 --> 01:17:26,960

possible i'm not gonna i'm not gonna say

2093

01:17:30,630 --> 01:17:29,360

every single thing that i believe

2094

01:17:33,350 --> 01:17:30,640

or think

2095

01:17:34,950 --> 01:17:33,360

um even if i'm pretty sure

2096

01:17:37,510 --> 01:17:34,960

if that makes sense

2097

01:17:40,550 --> 01:17:37,520

yeah no i hear you i understand

2098

01:17:44,550 --> 01:17:40,560

um the one thing i'll say

2099

01:17:46,709 --> 01:17:44,560

about um ufo twitter and and everything

2100

01:17:47,830 --> 01:17:46,719

is i just

2101

01:17:49,910 --> 01:17:47,840

i just

2102

01:17:52,149 --> 01:17:49,920

you know so things could still play out

2103

01:17:55,350 --> 01:17:52,159

obviously without ufo twitter and all

2104

01:17:58,550 --> 01:17:55,360

that yeah um but

2105

01:18:01,669 --> 01:17:58,560

i i not i don't think any of it would be

2106

01:18:03,910 --> 01:18:01,679

as public as as it is

2107

01:18:06,950 --> 01:18:03,920

um without

2108

01:18:09,510 --> 01:18:06,960

ufo twitter yes we have surfaced it so i

2109

01:18:12,470 --> 01:18:09,520

will definitely hand that to ufo twitter

2110

01:18:13,910 --> 01:18:12,480

we have surfaced it for for lazy

2111

01:18:15,990 --> 01:18:13,920

journalists who

2112

01:18:17,430 --> 01:18:16,000

can't investigate things and they look

2113

01:18:19,430 --> 01:18:17,440

on twitter instead of like actually

2114

01:18:20,950 --> 01:18:19,440

researching things

2115

01:18:23,110 --> 01:18:20,960

we put it in front of people's face i

2116

01:18:24,470 --> 01:18:23,120

mean that you know yeah so i think

2117

01:18:25,430 --> 01:18:24,480

there's something there

2118

01:18:28,149 --> 01:18:25,440

um

2119

01:18:30,229 --> 01:18:28,159

and yeah i totally agree i agree with

2120

01:18:32,070 --> 01:18:30,239

you you know i i hear how you got to be

2121

01:18:33,189 --> 01:18:32,080

careful with everything too

2122

01:18:35,030 --> 01:18:33,199

um

2123

01:18:38,630 --> 01:18:35,040

you know me being a little bit newer to

2124

01:18:40,870 --> 01:18:38,640

this it's i just feel like i have to

2125

01:18:43,030 --> 01:18:40,880

you say newer but you've got like stick

2126
01:18:45,030 --> 01:18:43,040
to myself times the amount of episodes

2127
01:18:47,590 --> 01:18:45,040
that i have i'm just saying yeah

2128
01:18:49,590 --> 01:18:47,600
yeah a lot of experience new but a lot

2129
01:18:50,870 --> 01:18:49,600
of experience i would just work through

2130
01:18:53,270 --> 01:18:50,880
it you are

2131
01:18:55,590 --> 01:18:53,280
far more of a pro at this than i am and

2132
01:18:57,189 --> 01:18:55,600
uh you know whatever but you you you're

2133
01:18:58,470 --> 01:18:57,199
doing awesome

2134
01:18:59,910 --> 01:18:58,480
you're doing an awesome work it's

2135
01:19:01,350 --> 01:18:59,920
amazing

2136
01:19:03,430 --> 01:19:01,360
i love to see it

2137
01:19:05,430 --> 01:19:03,440
yeah well i'm really happy you came on

2138
01:19:08,229 --> 01:19:05,440

so i appreciate that

2139

01:19:11,510 --> 01:19:08,239

what i really truly hope from from this

2140

01:19:14,790 --> 01:19:11,520

video and it's probably um unrealistic

2141

01:19:18,070 --> 01:19:14,800

to hope this but i hope that new people

2142

01:19:20,149 --> 01:19:18,080

um see this and watch it and understand

2143

01:19:22,550 --> 01:19:20,159

like how to have conversations with each

2144

01:19:25,030 --> 01:19:22,560

other in this realm yeah you know one

2145

01:19:26,950 --> 01:19:25,040

when you don't necessarily come at it

2146

01:19:28,709 --> 01:19:26,960

from the same way because

2147

01:19:29,750 --> 01:19:28,719

i think

2148

01:19:32,149 --> 01:19:29,760

we do

2149

01:19:34,950 --> 01:19:32,159

look at things differently but we're

2150

01:19:37,350 --> 01:19:34,960

both kind of still grounded on those

2151

01:19:38,550 --> 01:19:37,360

sides you know

2152

01:19:41,189 --> 01:19:38,560

um

2153

01:19:44,550 --> 01:19:41,199

and that's how we meet in the middle and

2154

01:19:46,310 --> 01:19:44,560

have a you know good conversation and i

2155

01:19:48,870 --> 01:19:46,320

take away something from it

2156

01:19:50,550 --> 01:19:48,880

that maybe i didn't think of before and

2157

01:19:51,910 --> 01:19:50,560

you know if you don't i hope somebody

2158

01:19:54,149 --> 01:19:51,920

watches it does

2159

01:19:56,630 --> 01:19:54,159

you know from me so

2160

01:19:59,990 --> 01:19:56,640

um and it's it's just how the only way

2161

01:20:01,990 --> 01:20:00,000

to really do this you know to just slam

2162

01:20:03,590 --> 01:20:02,000

people down on twitter for

2163

01:20:05,910 --> 01:20:03,600

saying something that you don't agree

2164

01:20:08,149 --> 01:20:05,920

with and just nailing it home over and

2165

01:20:11,189 --> 01:20:08,159

over is just unacceptable and

2166

01:20:13,910 --> 01:20:11,199

and not adult and it's adolescent and it

2167

01:20:16,950 --> 01:20:13,920

makes the community look bad i'll be

2168

01:20:18,790 --> 01:20:16,960

honest with you you know i agree so

2169

01:20:20,629 --> 01:20:18,800

if you want respect you have to act

2170

01:20:22,070 --> 01:20:20,639

respectable you know

2171

01:20:23,669 --> 01:20:22,080

yeah i

2172

01:20:25,350 --> 01:20:23,679

that's that's how i've always felt man

2173

01:20:27,669 --> 01:20:25,360

and um you're doing a great job with

2174

01:20:29,030 --> 01:20:27,679

this show and uh thank you so much for

2175

01:20:32,470 --> 01:20:29,040

thanks thank you so much for having me

2176

01:20:34,470 --> 01:20:32,480

on um yeah any time you know if you

2177

01:20:37,189 --> 01:20:34,480

reconvene in a few months and see see

2178

01:20:38,790 --> 01:20:37,199

where things are at then a few months

2179

01:20:39,990 --> 01:20:38,800

man i was thinking what do you got going

2180

01:20:42,790 --> 01:20:40,000

next week

2181

01:20:44,149 --> 01:20:42,800

no it was it was a great conversation

2182

01:20:44,790 --> 01:20:44,159

and it you know

2183

01:20:56,070 --> 01:20:44,800

i

2184

01:20:57,669 --> 01:20:56,080

of yeah youtube youtube thank you man

2185

01:20:59,350 --> 01:20:57,679

all right brother you have a good one

2186

01:21:05,590 --> 01:20:59,360

all right you too all right peace all

2187

01:21:08,149 --> 01:21:06,709

my circle

2188

01:21:08,810 --> 01:21:08,159

yeah oh

2189

01:21:11,110 --> 01:21:08,820

there you go

2190

01:21:13,990 --> 01:21:11,120

[Laughter]

2191

01:21:17,030 --> 01:21:14,000

all right so that was uh mr zach that

2192

01:21:19,669 --> 01:21:17,040

was a great conversation um i had an

2193

01:21:21,669 --> 01:21:19,679

awesome time talking with him

2194

01:21:24,950 --> 01:21:21,679

um and i've been looking forward to it

2195

01:21:28,470 --> 01:21:24,960

for a while so thank you everybody for

2196

01:21:32,470 --> 01:21:28,480

hanging out and being here with us i

2197

01:21:34,950 --> 01:21:32,480

really do appreciate that and

2198

01:21:36,310 --> 01:21:34,960

these are the kind of conversations i

2199

01:21:37,750 --> 01:21:36,320

live for

2200

01:21:39,669 --> 01:21:37,760

um

2201

01:21:40,390 --> 01:21:39,679

most definitely 100

2202

01:21:43,110 --> 01:21:40,400

so

2203

01:21:45,750 --> 01:21:43,120

i have to go to the grocery store and do

2204

01:21:47,830 --> 01:21:45,760

drawers now so

2205

01:21:48,629 --> 01:21:47,840

um thank you again for catching up with

2206

01:21:51,590 --> 01:21:48,639

01:22:09,590 --> 01:22:07,280

everybody if i missed you i'm sorry

2215

01:22:11,590 --> 01:22:09,600

um hopefully we'll see again

2216

01:22:13,110 --> 01:22:11,600

i got a new song for you hope you like

2217

01:22:14,310 --> 01:22:13,120

it lord best

2218

01:22:18,149 --> 01:22:14,320

adios

2219

01:22:19,910 --> 01:22:18,159

awake at 3 30 in the morning

2220

01:22:22,550 --> 01:22:19,920

not quite the crack of dumb but early

2221

01:22:25,750 --> 01:22:22,560

enough for a wide yawn

2222

01:22:27,669 --> 01:22:25,760

and like it or not i'm up to think

2223

01:22:30,629 --> 01:22:27,679

given the day who knows what's on the

2224

01:22:36,229 --> 01:22:33,990

and even i know how this story goes

2225

01:22:38,149 --> 01:22:36,239

betrayed by most but i'm still on humble

2226

01:22:39,910 --> 01:22:38,159

on coast

2227

01:22:42,070 --> 01:22:39,920

where the water finds a way to get out

2228

01:22:43,480 --> 01:22:42,080

from underneath it i can smell

2229

01:22:46,470 --> 01:22:43,490

my senses are real tall

2230

01:22:48,629 --> 01:22:46,480

[Music]

2231

01:22:50,550 --> 01:22:48,639

and at this rate it's insane to think

2232

01:22:52,229 --> 01:22:50,560

we'll know it all

2233

01:22:53,990 --> 01:22:52,239

both sides just want attraction for

2234

01:22:55,750 --> 01:22:54,000

deception now give me some truth to give

2235

01:22:57,350 --> 01:22:55,760

me nothing

2236

01:22:58,790 --> 01:22:57,360

you said you would but it's been years

2237

01:23:00,550 --> 01:22:58,800

and man that's really something how a

2238

01:23:01,940 --> 01:23:00,560

smile can take you this far but patience

2239

01:23:03,990 --> 01:23:01,950

runs out like gas in a car

2240

01:23:05,960 --> 01:23:04,000

[Music]

2241

01:23:07,750 --> 01:23:05,970

and exotic maneuvers

2242

01:23:09,990 --> 01:23:07,760

[Music]

2243

01:23:12,310 --> 01:23:10,000

like a drunk in the bar

2244

01:23:14,149 --> 01:23:12,320

no year to say the kingdom belongs to

2245

01:23:15,810 --> 01:23:14,159

anyone but us i just gotta know why the

2246

01:23:18,950 --> 01:23:15,820

words collect so much

2247

01:23:20,390 --> 01:23:18,960

[Music]

2248

01:23:21,830 --> 01:23:20,400

are dust

2249

01:23:23,840 --> 01:23:21,840

on

2250

01:23:35,910 --> 01:23:23,850

the edge

2251

01:23:45,490 --> 01:23:37,510

are we

2252

01:24:02,950 --> 01:23:59,270

[Music]

2253

01:24:08,260 --> 01:24:02,960

are we on the edge
