

**Witness
Citizen**

1
00:00:09,370 --> 00:00:21,780
[Laughter]

2
00:00:41,790 --> 00:00:38,010
[Music]

3
00:00:41,800 --> 00:00:54,150
[Laughter]

4
00:00:54,160 --> 00:00:57,950
[Music]

5
00:00:57,960 --> 00:01:17,030
[Laughter]

6
00:01:17,040 --> 00:01:20,710
what's up everybody

7
00:01:27,990 --> 00:01:23,910
as you can see we have

8
00:01:31,030 --> 00:01:28,000
nuap secrecy december 17th

9
00:01:35,749 --> 00:01:33,749
we got ross goldhart john ramirez jay

10
00:01:37,670 --> 00:01:35,759
king stephen bassett

11
00:01:45,670 --> 00:01:37,680
baptiste friscort

12
00:01:48,870 --> 00:01:47,109
linda thompson calling all beings

13
00:01:50,710 --> 00:01:48,880

christopher sharp quantum witch benji

14

00:01:52,069 --> 00:01:50,720

boyd

15

00:01:54,710 --> 00:01:52,079

benji boy

16

00:01:55,940 --> 00:01:54,720

christian thompson unidentified

17

00:02:00,709 --> 00:01:55,950

celebrity review

18

00:02:07,270 --> 00:02:04,469

uap media graeme rendell

19

00:02:16,869 --> 00:02:09,430

we will be you representing france

20

00:02:22,210 --> 00:02:20,470

and our wonderful co-host penny adams

21

00:02:30,229 --> 00:02:22,220

from disclosure team

22

00:02:35,030 --> 00:02:30,239

[Music]

23

00:02:41,270 --> 00:02:35,040

and i wanted to quick say why i

24

00:02:48,710 --> 00:02:44,550

i want to end uap secrecy for

25

00:02:55,050 --> 00:02:51,910

i didn't know what to make of it

26

00:02:58,630 --> 00:02:55,060

i want to end uab secrecy

27

00:03:01,910 --> 00:02:58,640

[Music]

28

00:03:03,670 --> 00:03:01,920

because the possibility of our world be

29

00:03:07,030 --> 00:03:03,680

being something more than we know

30

00:03:11,910 --> 00:03:09,589

is a thought

31

00:03:13,910 --> 00:03:11,920

that not only we need

32

00:03:17,350 --> 00:03:13,920

to be reality

33

00:03:23,270 --> 00:03:21,190

and until we end uap secrecy

34

00:03:25,509 --> 00:03:23,280

the handcuffs of life and the monotonous

35

00:03:28,550 --> 00:03:25,519

of the routine

36

00:03:30,710 --> 00:03:28,560

it won't stop it won't end

37

00:03:31,670 --> 00:03:30,720

so it's more than just knowing if

38

00:03:33,830 --> 00:03:31,680

there's

39

00:03:36,949 --> 00:03:33,840

aliens or if

40

00:03:39,110 --> 00:03:36,959

i've seen a flying saucer it's

41

00:03:41,670 --> 00:03:39,120

about life

42

00:03:55,110 --> 00:03:41,680

it's about the beauty

43

00:03:58,310 --> 00:03:56,869

most of all it's about each other it's

44

00:04:02,710 --> 00:03:58,320

about humanity

45

00:04:02,720 --> 00:04:06,949

and we can handle it

46

00:04:19,030 --> 00:04:07,750

so

47

00:04:20,469 --> 00:04:19,040

hopefully you like that

48

00:04:22,950 --> 00:04:20,479

um

49

00:04:25,909 --> 00:04:22,960

poster just made it so we have a lot of

50

00:04:30,550 --> 00:04:27,510

all set up

51
00:04:32,629 --> 00:04:30,560
to do this and uap secrecy event there's

52
00:04:35,110 --> 00:04:32,639
some people that i wanted to

53
00:04:37,670 --> 00:04:35,120
you know hopefully participate like uh

54
00:04:39,749 --> 00:04:37,680
lou elizondo and

55
00:04:44,230 --> 00:04:39,759
sean cahill and others but uh they're

56
00:04:44,240 --> 00:04:47,110
but

57
00:04:52,550 --> 00:04:50,550
we have a wonderful list of people and i

58
00:04:53,749 --> 00:04:52,560
have a feeling i'm not done adding to it

59
00:04:55,030 --> 00:04:53,759
either

60
00:04:59,030 --> 00:04:55,040
um

61
00:05:01,370 --> 00:05:00,710
you know i'm meeting new people every

62
00:05:03,590 --> 00:05:01,380
day

63
00:05:05,830 --> 00:05:03,600

[Laughter]

64

00:05:08,310 --> 00:05:05,840

so and i'm not opposed to bringing new

65

00:05:10,629 --> 00:05:08,320

people into the event either as i

66

00:05:12,469 --> 00:05:10,639

organize it um i would like to have as

67

00:05:13,909 --> 00:05:12,479

many people take part they really want

68

00:05:15,110 --> 00:05:13,919

to take part

69

00:05:17,430 --> 00:05:15,120

um

70

00:05:20,950 --> 00:05:17,440

you know if spaghetti wants to be on or

71

00:05:24,150 --> 00:05:20,960

whatever um i'm down with that so this

72

00:05:25,909 --> 00:05:24,160

isn't like a reserved show for a cool

73

00:05:26,950 --> 00:05:25,919

kids club this is

74

00:05:29,670 --> 00:05:26,960

uh

75

00:05:31,189 --> 00:05:29,680

you know where people come together

76

00:05:34,629 --> 00:05:31,199

for one cause

77

00:05:36,790 --> 00:05:34,639

you know and it's ending uap secrecy

78

00:05:38,950 --> 00:05:36,800

you know

79

00:05:41,189 --> 00:05:38,960

also we want to know is

80

00:05:44,310 --> 00:05:41,199

what the deal is i mean there's been 70

81

00:05:46,469 --> 00:05:44,320

80 some years on it right

82

00:05:48,950 --> 00:05:46,479

got to know something

83

00:05:50,469 --> 00:05:48,960

um whether it's aliens from another

84

00:05:54,230 --> 00:05:50,479

planet

85

00:05:54,950 --> 00:05:54,240

whether it's interdimensional beings

86

00:05:57,189 --> 00:05:54,960

uh

87

00:06:01,510 --> 00:05:57,199

whether it's neither

88

00:06:07,909 --> 00:06:06,230

uh be open-minded about what it reveals

89

00:06:11,510 --> 00:06:07,919

sorry just messing with the lights when

90

00:06:14,550 --> 00:06:13,189

um

91

00:06:16,629 --> 00:06:14,560

but you know in the end of the day we

92

00:06:19,590 --> 00:06:16,639

just have to do that we have to get that

93

00:06:21,909 --> 00:06:19,600

done and right now we have something

94

00:06:24,230 --> 00:06:21,919

that is

95

00:06:29,350 --> 00:06:24,240

literally

96

00:06:35,029 --> 00:06:33,270

passed and i'm making my phone calls

97

00:06:37,270 --> 00:06:35,039

you know is it

98

00:06:38,950 --> 00:06:37,280

gonna be good enough i don't know but

99

00:06:40,469 --> 00:06:38,960

i'm doing what i can and a lot of other

100

00:06:41,909 --> 00:06:40,479

people are doing stuff too they're

101
00:06:44,309 --> 00:06:41,919
sending emails they're making calls

102
00:06:46,870 --> 00:06:44,319
they're sending tweets and if anything i

103
00:06:48,710 --> 00:06:46,880
think it's just so beautiful to see that

104
00:06:50,950 --> 00:06:48,720
everybody is chipping in

105
00:06:53,029 --> 00:06:50,960
um to do something

106
00:06:55,909 --> 00:06:53,039
you know and i hope at the end of the

107
00:06:59,589 --> 00:06:55,919
day uh people like senator gildebrand

108
00:07:01,189 --> 00:06:59,599
um feel empowered um by the care and the

109
00:07:03,270 --> 00:07:01,199
amount of effort that people are putting

110
00:07:06,070 --> 00:07:03,280
in

111
00:07:11,270 --> 00:07:06,080
and how much that people want

112
00:07:17,510 --> 00:07:15,189
because it's been long enough you know

113
00:07:19,749 --> 00:07:17,520

you just think of of of all the people

114

00:07:21,510 --> 00:07:19,759

who who spent their life doing this kind

115

00:07:23,589 --> 00:07:21,520

of thing

116

00:07:27,350 --> 00:07:23,599

and

117

00:07:29,270 --> 00:07:27,360

you know they never got an end to that

118

00:07:31,430 --> 00:07:29,280

uap secrecy

119

00:07:33,510 --> 00:07:31,440

you know as actually

120

00:07:34,309 --> 00:07:33,520

um zach on the show the other day said

121

00:07:37,909 --> 00:07:34,319

it

122

00:07:41,270 --> 00:07:39,350

he was telling the story about how his

123

00:07:47,110 --> 00:07:41,280

mother passed away and never got

124

00:07:53,830 --> 00:07:49,110

you know i think we'll know everything

125

00:07:57,189 --> 00:07:55,430

and that's just something that we don't

126
00:08:01,589 --> 00:07:57,199
know

127
00:08:04,469 --> 00:08:01,599
can leave as a zeitgeist with people

128
00:08:06,150 --> 00:08:04,479
um as we pass on

129
00:08:09,189 --> 00:08:06,160
you know

130
00:08:12,070 --> 00:08:09,199
so we need to figure it out now

131
00:08:14,390 --> 00:08:12,080
so that we can stop wasting time know

132
00:08:18,150 --> 00:08:14,400
what i mean

133
00:08:19,110 --> 00:08:18,160
and just get on with the show

134
00:08:21,749 --> 00:08:19,120
so

135
00:08:23,670 --> 00:08:21,759
um i just wanted to do that announcement

136
00:08:25,350 --> 00:08:23,680
um again

137
00:08:26,950 --> 00:08:25,360
i'll put it up here

138
00:08:28,070 --> 00:08:26,960

so we can see

139

00:08:30,950 --> 00:08:28,080

we have

140

00:08:33,350 --> 00:08:30,960

these fine people uh ross called heart

141

00:08:34,870 --> 00:08:33,360

john ramirez jay king everybody knows

142

00:08:36,870 --> 00:08:34,880

him i guess i should put christopher in

143

00:08:38,389 --> 00:08:36,880

there right

144

00:08:40,870 --> 00:08:38,399

um

145

00:08:43,350 --> 00:08:40,880

stephen bassett baptiste first court who

146

00:08:46,310 --> 00:08:43,360

we got a lot of great people um from

147

00:08:47,670 --> 00:08:46,320

france that are involved including

148

00:08:51,509 --> 00:08:47,680

a

149

00:08:53,509 --> 00:08:51,519

um

150

00:08:55,030 --> 00:08:53,519

we also have linda thompson calling all

151
00:08:57,910 --> 00:08:55,040
beings christopher sharp quantum which

152
00:08:59,590 --> 00:08:57,920
bingey boy christian thompson um

153
00:09:02,870 --> 00:08:59,600
unidentified celebrity review the

154
00:09:04,790 --> 00:09:02,880
co-host the wonderful benny adams uap

155
00:09:05,750 --> 00:09:04,800
media with at least graeme rendell and

156
00:09:09,110 --> 00:09:05,760
others

157
00:09:11,350 --> 00:09:09,120
um myself

158
00:09:14,630 --> 00:09:11,360
representing france u.s australia

159
00:09:17,350 --> 00:09:14,640
denmark united kingdom

160
00:09:19,350 --> 00:09:17,360
so i'm looking very much forward to that

161
00:09:21,750 --> 00:09:19,360
very much forward to it

162
00:09:26,389 --> 00:09:23,990
that's going to be a great event and i

163
00:09:28,710 --> 00:09:26,399

hope you guys all hang out

164

00:09:32,230 --> 00:09:28,720

for sure so

165

00:09:34,630 --> 00:09:32,240

i do have some interesting documents

166

00:09:37,430 --> 00:09:34,640

that i will show you today i thought

167

00:09:38,870 --> 00:09:37,440

they were pretty cool to be quite honest

168

00:09:41,350 --> 00:09:38,880

with you so

169

00:09:43,750 --> 00:09:41,360

as i get them

170

00:09:48,070 --> 00:09:43,760

uploaded here

171

00:09:52,630 --> 00:09:50,470

we can all just think about how cool

172

00:09:55,509 --> 00:09:52,640

it's going to be

173

00:09:58,710 --> 00:09:55,519

the end uap secrecy

174

00:10:01,350 --> 00:10:00,150

you know when all these people really

175

00:10:04,150 --> 00:10:01,360

have a

176

00:10:05,350 --> 00:10:04,160

conviction too and that uap secrecy you

177

00:10:07,350 --> 00:10:05,360

know

178

00:10:08,710 --> 00:10:07,360

like john ramirez when he talked to him

179

00:10:10,630 --> 00:10:08,720

about like

180

00:10:12,630 --> 00:10:10,640

why he's helping out and why he's doing

181

00:10:15,590 --> 00:10:12,640

this like

182

00:10:18,470 --> 00:10:15,600

he's got his reason that's

183

00:10:21,110 --> 00:10:18,480

convicted

184

00:10:23,269 --> 00:10:21,120

ross cole hard everybody does you know

185

00:10:25,910 --> 00:10:23,279

everybody

186

00:10:27,350 --> 00:10:25,920

vinnie i can't wait either bro

187

00:10:29,269 --> 00:10:27,360

can't wait

188

00:10:30,230 --> 00:10:29,279

so

189

00:10:31,509 --> 00:10:30,240

um

190

00:10:34,949 --> 00:10:31,519

let me see what's up to everybody

191

00:10:38,710 --> 00:10:34,959

bricktop spaghetti lee

192

00:10:42,949 --> 00:10:40,870

uh awesome

193

00:10:46,069 --> 00:10:42,959

what's up dawg

194

00:10:48,150 --> 00:10:46,079

lara what's up daniel christensen megan

195

00:10:49,350 --> 00:10:48,160

t

196

00:10:51,670 --> 00:10:49,360

um

197

00:10:55,190 --> 00:10:51,680

i rage awesome

198

00:10:57,829 --> 00:10:55,200

uh jason uh faye who else we got

199

00:10:59,269 --> 00:10:57,839

who else we got robert gofford what's

200

00:11:02,150 --> 00:10:59,279

happening buddy

201
00:11:04,790 --> 00:11:02,160
awesome to see you as always

202
00:11:06,310 --> 00:11:04,800
um lord bass what's happening

203
00:11:07,910 --> 00:11:06,320
benji

204
00:11:09,430 --> 00:11:07,920
ben jill

205
00:11:16,310 --> 00:11:09,440
i don't know your name always confuses

206
00:11:19,670 --> 00:11:17,670
i want to get it spelled right for the

207
00:11:22,870 --> 00:11:19,680
poster you know

208
00:11:25,110 --> 00:11:22,880
i can always remake it so

209
00:11:26,949 --> 00:11:25,120
specialty advanced computers at los

210
00:11:29,110 --> 00:11:26,959
alamos labs i know quite a bit about

211
00:11:30,790 --> 00:11:29,120
what happened at that place

212
00:11:33,350 --> 00:11:30,800
back in the day

213
00:11:36,150 --> 00:11:33,360

that's for sure

214

00:11:37,829 --> 00:11:36,160

jack ryan what's up

215

00:11:38,550 --> 00:11:37,839

appreciate you guys

216

00:11:42,710 --> 00:11:38,560

so

217

00:11:45,110 --> 00:11:42,720

let me get what we gonna do up on the

218

00:11:46,949 --> 00:11:45,120

screen here

219

00:11:50,790 --> 00:11:46,959

let's see what we got

220

00:11:52,710 --> 00:11:50,800

first one we're gonna start with a

221

00:11:59,670 --> 00:11:52,720

just a pretty cool

222

00:12:05,910 --> 00:12:01,269

pretty cool

223

00:12:09,350 --> 00:12:05,920

things

224

00:12:13,350 --> 00:12:09,360

we have a chief of aerial phenomena

225

00:12:17,110 --> 00:12:14,230

um

226

00:12:18,870 --> 00:12:17,120

foreign technical director

227

00:12:21,750 --> 00:12:18,880

fftd

228

00:12:27,269 --> 00:12:21,760

i've never heard any of those terms

229

00:12:32,550 --> 00:12:29,509

uh dope knows what's up i'm sorry to

230

00:12:34,790 --> 00:12:32,560

hear your funeral man

231

00:12:37,509 --> 00:12:34,800

sorry to hear about that brother you

232

00:12:39,030 --> 00:12:37,519

stay good you stay good

233

00:12:41,829 --> 00:12:39,040

psychoapocalypse

234

00:12:46,790 --> 00:12:44,629

and then we have

235

00:12:48,069 --> 00:12:46,800

i thought this was pretty cool because

236

00:12:49,110 --> 00:12:48,079

it is

237

00:12:52,150 --> 00:12:49,120

whoops

238

00:12:55,509 --> 00:12:52,160

it is a synopsis

239

00:12:55,519 --> 00:12:58,949

ufo reports

240

00:13:03,190 --> 00:13:00,710

from 1820

241

00:13:04,710 --> 00:13:03,200

to the end of 1910

242

00:13:07,750 --> 00:13:04,720

chart reproduced with permission of

243

00:13:09,269 --> 00:13:07,760

henry ragner company from a anatomy of a

244

00:13:15,350 --> 00:13:09,279

phenomenon

245

00:13:21,509 --> 00:13:17,269

isn't it interesting to see how it

246

00:13:26,990 --> 00:13:24,550

interesting is it not

247

00:13:29,590 --> 00:13:27,000

you could say along with our tech

248

00:13:31,670 --> 00:13:29,600

[Music]

249

00:13:33,590 --> 00:13:31,680

this is pretty interesting

250

00:13:36,310 --> 00:13:33,600

reporting invested and this is all by

251
00:13:38,550 --> 00:13:36,320
the way i should probably tell you what

252
00:13:41,590 --> 00:13:38,560
where this is coming from right this is

253
00:13:44,230 --> 00:13:41,600
all coming from this right here the

254
00:13:48,389 --> 00:13:44,240
library of congress legislative

255
00:13:53,189 --> 00:13:50,629
pretty interesting

256
00:13:56,550 --> 00:13:53,199
science policy research division so

257
00:13:58,949 --> 00:13:56,560
that's where this is coming from

258
00:14:01,350 --> 00:13:58,959
that is not really a part of this but i

259
00:14:03,189 --> 00:14:01,360
thought it was a cool envelope

260
00:14:05,350 --> 00:14:03,199
so and these are just the highlights in

261
00:14:06,550 --> 00:14:05,360
it i'll upload this bad boy to google

262
00:14:08,310 --> 00:14:06,560
drive if you want to look at the whole

263
00:14:10,310 --> 00:14:08,320

thing

264

00:14:12,310 --> 00:14:10,320

you just let me know if i don't hear

265

00:14:15,030 --> 00:14:12,320

anything then i'm probably forgetting i

266

00:14:17,030 --> 00:14:15,040

don't do it so

267

00:14:19,350 --> 00:14:17,040

reporting investigating and

268

00:14:21,030 --> 00:14:19,360

analyzing it ufo sightings interesting

269

00:14:23,030 --> 00:14:21,040

hey so you get the sighting you got the

270

00:14:24,790 --> 00:14:23,040

first report news media private

271

00:14:26,069 --> 00:14:24,800

organizations state and local law

272

00:14:28,629 --> 00:14:26,079

officers

273

00:14:31,590 --> 00:14:28,639

um public officials military service or

274

00:14:34,389 --> 00:14:31,600

federal government aerial phenomenon

275

00:14:37,030 --> 00:14:34,399

branch red patterson air force base

276

00:14:38,870 --> 00:14:37,040

also goes to the public interesting

277

00:14:41,509 --> 00:14:38,880

so they kind of given you a breakdown of

278

00:14:43,509 --> 00:14:41,519

how things typically go

279

00:14:45,829 --> 00:14:43,519

not what they you know what they do or

280

00:14:48,310 --> 00:14:45,839

what the plan is or whatever just they

281

00:14:49,910 --> 00:14:48,320

mapped out how these sightings typically

282

00:14:50,949 --> 00:14:49,920

go

283

00:14:53,829 --> 00:14:50,959

um

284

00:14:55,990 --> 00:14:53,839

at the bottom investigation compilation

285

00:14:58,790 --> 00:14:56,000

analysis

286

00:15:01,189 --> 00:14:58,800

pretty interesting hey we got faa nasa

287

00:15:03,590 --> 00:15:01,199

other government agencies

288

00:15:06,389 --> 00:15:03,600

radar specialists witnesses air traffic

289

00:15:10,389 --> 00:15:06,399

controllers local air force base army

290

00:15:15,350 --> 00:15:13,260

who are the consultants i wonder

291

00:15:17,269 --> 00:15:15,360

[Music]

292

00:15:19,670 --> 00:15:17,279

this is on the attempts to create a

293

00:15:21,509 --> 00:15:19,680

flying saucer model an attempt to

294

00:15:23,430 --> 00:15:21,519

discern meaningful trends and patterns

295

00:15:25,430 --> 00:15:23,440

in ufo sightings

296

00:15:27,269 --> 00:15:25,440

was made by analla

297

00:15:28,629 --> 00:15:27,279

analyzing the descriptions of the

298

00:15:30,389 --> 00:15:28,639

physical appearance flight

299

00:15:32,150 --> 00:15:30,399

characteristics and other significant

300

00:15:34,230 --> 00:15:32,160

attributes of various

301
00:15:35,030 --> 00:15:34,240
uh classes of ufos

302
00:15:38,389 --> 00:15:35,040
uh

303
00:15:40,230 --> 00:15:38,399
the 434 objects cited identified as

304
00:15:41,749 --> 00:15:40,240
unknowns only 12 were described in

305
00:15:43,829 --> 00:15:41,759
enough detail that they could serve on

306
00:15:45,189 --> 00:15:43,839
the basis for the creation of a flying

307
00:15:47,030 --> 00:15:45,199
saucer model

308
00:15:52,069 --> 00:15:47,040
other you know what that means though

309
00:15:56,629 --> 00:15:53,990
other exciting data did however

310
00:15:58,790 --> 00:15:56,639
sometimes coincide with certain features

311
00:16:00,550 --> 00:15:58,800
of the reported ufos in these four

312
00:16:02,310 --> 00:16:00,560
categories these 12 sightings could be

313
00:16:04,710 --> 00:16:02,320

placed in four categories on the basis

314

00:16:06,710 --> 00:16:04,720

of their shapes

315

00:16:10,550 --> 00:16:06,720

shapes

316

00:16:21,110 --> 00:16:17,269

pretty interesting

317

00:16:22,550 --> 00:16:21,120

interesting

318

00:16:25,350 --> 00:16:22,560

look at that

319

00:16:29,030 --> 00:16:25,360

lighted windows

320

00:16:29,040 --> 00:16:32,470

very interesting

321

00:16:32,480 --> 00:16:38,230

again this is the library of congress

322

00:16:42,389 --> 00:16:39,910

here we go

323

00:16:52,389 --> 00:16:42,399

portholes

324

00:16:52,399 --> 00:16:55,430

and it continues

325

00:17:00,389 --> 00:16:57,749

again we're looking at this the library

326
00:17:02,470 --> 00:17:00,399
of congress legislative reference

327
00:17:12,230 --> 00:17:02,480
service facts about

328
00:17:17,909 --> 00:17:15,350
pretty interesting i would say

329
00:17:23,270 --> 00:17:17,919
public reaction to ufos for nearly two

330
00:17:27,510 --> 00:17:25,029
i don't know what that uh word is

331
00:17:29,830 --> 00:17:27,520
evinced

332
00:17:32,630 --> 00:17:29,840
a strong

333
00:17:35,190 --> 00:17:32,640
though cynical uh interest in ufos the

334
00:17:37,750 --> 00:17:35,200
reported presence of aerial phenomenon

335
00:17:39,549 --> 00:17:37,760
has held psychological significance for

336
00:17:41,750 --> 00:17:39,559
some

337
00:17:43,750 --> 00:17:41,760
quasi-scientific importance for others

338
00:17:45,669 --> 00:17:43,760

in a religious connotation for yet

339

00:17:48,470 --> 00:17:45,679

others in general there are two main

340

00:17:51,510 --> 00:17:48,480

groups of persons who study ufos

341

00:17:53,350 --> 00:17:51,520

ufologists serious scientific students

342

00:17:55,590 --> 00:17:53,360

of the exciting phenomenon now taking

343

00:17:57,750 --> 00:17:55,600

place in our heavens

344

00:17:59,750 --> 00:17:57,760

among such intellectually curious

345

00:18:02,150 --> 00:17:59,760

students are numbered today many

346

00:18:03,750 --> 00:18:02,160

outstanding aviators space scientists

347

00:18:05,510 --> 00:18:03,760

engineers radar experts college

348

00:18:07,350 --> 00:18:05,520

professors ministers high-ranking

349

00:18:08,390 --> 00:18:07,360

officers of the armed services and

350

00:18:12,310 --> 00:18:08,400

others

351

00:18:14,870 --> 00:18:12,320

contactees are saucerians

352

00:18:17,190 --> 00:18:14,880

many of these uh people purport to have

353

00:18:19,110 --> 00:18:17,200

made contact with those who they call

354

00:18:21,510 --> 00:18:19,120

the space people either by physical

355

00:18:23,750 --> 00:18:21,520

means or utilization of mysterious and

356

00:18:27,270 --> 00:18:23,760

mystical techniques which are never

357

00:18:30,150 --> 00:18:27,280

subject to objective uh scientific

358

00:18:32,789 --> 00:18:30,160

analysis or other kinds of demonstrable

359

00:18:34,789 --> 00:18:32,799

proof well that's not true

360

00:18:37,310 --> 00:18:34,799

dr carl young and the psychologist

361

00:18:39,669 --> 00:18:37,320

points out that despite the

362

00:18:41,350 --> 00:18:39,679

[Music]

363

00:18:43,669 --> 00:18:41,360

i don't know what that's going to say of

364

00:18:46,789 --> 00:18:43,679

observational data which has been

365

00:18:49,830 --> 00:18:46,799

accrued the physical reality of ufos

366

00:18:51,750 --> 00:18:49,840

remains a problematic matter

367

00:18:54,150 --> 00:18:51,760

the longer the uncertainty lasted the

368

00:18:56,310 --> 00:18:54,160

greater became the probability that the

369

00:18:59,270 --> 00:18:56,320

obviously complicated phenomena had an

370

00:19:04,340 --> 00:18:59,280

extremely important psychic component as

371

00:19:09,350 --> 00:19:06,710

[Music]

372

00:19:12,070 --> 00:19:09,360

interesting interesting

373

00:19:13,990 --> 00:19:13,110

this

374

00:19:16,150 --> 00:19:14,000

and you

375

00:19:18,549 --> 00:19:16,160

you guys may have seen this may not have

376

00:19:21,350 --> 00:19:18,559

but this is um before

377

00:19:22,870 --> 00:19:21,360

so this is basically

378

00:19:25,669 --> 00:19:22,880

you know yesterday if you were with us

379

00:19:27,190 --> 00:19:25,679

there were some changes in the documents

380

00:19:29,110 --> 00:19:27,200

they were talking about changes and

381

00:19:30,310 --> 00:19:29,120

where the ufo investigation was going to

382

00:19:33,350 --> 00:19:30,320

go and everything

383

00:19:35,590 --> 00:19:33,360

that also included the paperwork right

384

00:19:38,230 --> 00:19:35,600

um and

385

00:19:41,029 --> 00:19:38,240

you know names of stuff curtis lemay

386

00:19:44,150 --> 00:19:41,039

chief of staff on the bottom

387

00:19:49,830 --> 00:19:47,029

and we have

388

00:19:52,150 --> 00:19:49,840

afsc

389

00:19:55,350 --> 00:19:52,160

also known as ftd we'll prepare final

390

00:19:58,310 --> 00:19:55,360

report on each sighting after collection

391

00:20:00,950 --> 00:19:58,320

um then we have we'll forward a copy to

392

00:20:02,710 --> 00:20:00,960

the report to hq usaf

393

00:20:05,510 --> 00:20:02,720

so for reach searchers these are great

394

00:20:07,190 --> 00:20:05,520

acronyms to look into a f n i

395

00:20:20,549 --> 00:20:07,200

d

396

00:20:25,270 --> 00:20:20,559

looking into afcin

397

00:20:28,710 --> 00:20:27,270

up that's funny we said that at the

398

00:20:34,390 --> 00:20:28,720

exact same time

399

00:20:34,400 --> 00:20:37,750

pretty funny

400

00:20:41,029 --> 00:20:39,830

and then we have change to

401
00:20:44,230 --> 00:20:41,039
td

402
00:20:46,390 --> 00:20:44,240
e to t

403
00:20:54,070 --> 00:20:46,400
pretty interesting

404
00:20:56,710 --> 00:20:55,430
um

405
00:20:58,789 --> 00:20:56,720
so yeah

406
00:21:01,750 --> 00:20:58,799
daniel christensen's got a lot of

407
00:21:04,950 --> 00:21:01,760
interesting stuff he's talking about

408
00:21:06,549 --> 00:21:04,960
might as well get him on the show

409
00:21:08,950 --> 00:21:06,559
you know if you want to hop on and just

410
00:21:10,149 --> 00:21:08,960
tell everybody about all the intense

411
00:21:13,350 --> 00:21:10,159
things you're talking about you're more

412
00:21:19,510 --> 00:21:16,950
more than welcome to my sir my good

413
00:21:23,510 --> 00:21:21,430

while you think about it

414

00:21:28,230 --> 00:21:23,520

i'll take a look-see

415

00:21:32,230 --> 00:21:30,549

i believe

416

00:21:34,149 --> 00:21:32,240

um the other one

417

00:21:36,950 --> 00:21:34,159

other documents that is that i was going

418

00:21:40,310 --> 00:21:38,789

actually i think that might actually be

419

00:21:44,070 --> 00:21:40,320

the only one i was going to show and i

420

00:21:48,149 --> 00:21:44,080

just wanted to do an announcement

421

00:21:51,990 --> 00:21:48,159

of the nuap secrecy

422

00:21:55,270 --> 00:21:53,669

so that's

423

00:21:57,029 --> 00:21:55,280

what the deal is

424

00:21:59,110 --> 00:21:57,039

today

425

00:22:01,350 --> 00:21:59,120

unless somebody feels like joining me

426
00:22:05,750 --> 00:22:01,360
and talking

427
00:22:10,830 --> 00:22:09,590
otherwise that's kind of all i got

428
00:22:13,510 --> 00:22:10,840
i'll put

429
00:22:15,830 --> 00:22:13,520
the link down here in case you're

430
00:22:19,430 --> 00:22:15,840
feeling frisky

431
00:22:26,630 --> 00:22:22,470
but no pressure

432
00:22:28,870 --> 00:22:26,640
no pressure at all

433
00:22:33,990 --> 00:22:28,880
in the meantime while you guys think

434
00:22:34,000 --> 00:22:37,830
an interesting document we can look at

435
00:22:42,149 --> 00:22:40,390
because there is never a shortage

436
00:22:44,230 --> 00:22:42,159
of those

437
00:22:45,830 --> 00:22:44,240
in that right

438
00:22:49,510 --> 00:22:45,840

well let's we could stay on the

439

00:22:49,520 --> 00:22:54,149

we could always do that

440

00:23:01,669 --> 00:22:57,430

let me share the screen

441

00:23:01,679 --> 00:23:04,230

so

442

00:23:04,240 --> 00:23:10,230

we can look at these right now

443

00:23:14,310 --> 00:23:12,710

let me try to make it a little bit

444

00:23:16,149 --> 00:23:14,320

bigger there we are

445

00:23:18,149 --> 00:23:16,159

i love this too this is the photocopy of

446

00:23:19,350 --> 00:23:18,159

the original folder and everything

447

00:23:21,510 --> 00:23:19,360

so cool

448

00:23:25,350 --> 00:23:21,520

uh foreign technology division command

449

00:23:28,149 --> 00:23:25,360

section correspondence action folder

450

00:23:31,270 --> 00:23:28,159

interesting here

451
00:23:33,190 --> 00:23:31,280
so this one's about 36 pages

452
00:23:35,510 --> 00:23:33,200
congressional correspondence on ufos

453
00:23:37,830 --> 00:23:35,520
received

454
00:23:40,230 --> 00:23:37,840
and we have congressman carl vinson

455
00:23:42,070 --> 00:23:40,240
requires your personal attention

456
00:23:46,070 --> 00:23:42,080
oh here we go too we got remember we

457
00:23:49,350 --> 00:23:46,080
just saw the change to a-f-n-i-n

458
00:23:52,870 --> 00:23:50,710
there have been two congressional

459
00:23:54,789 --> 00:23:52,880
briefings on the program one in the

460
00:23:58,950 --> 00:23:54,799
summer of 58 and the other in the summer

461
00:24:03,269 --> 00:24:01,430
um during the summer 61 we were

462
00:24:05,190 --> 00:24:03,279
successful in preventing isn't that

463
00:24:07,990 --> 00:24:05,200

interesting how they talk we were

464

00:24:11,190 --> 00:24:08,000

successful in preventing a hearing by

465

00:24:12,630 --> 00:24:11,200

briefing mr richard p heinz a staff

466

00:24:14,789 --> 00:24:12,640

member of the house space and

467

00:24:17,350 --> 00:24:14,799

aeronautics committee on her method of

468

00:24:20,070 --> 00:24:17,360

handling the program

469

00:24:22,470 --> 00:24:20,080

um that mr hines visited wright

470

00:24:23,830 --> 00:24:22,480

patterson ftd together background

471

00:24:25,909 --> 00:24:23,840

information

472

00:24:29,269 --> 00:24:25,919

and as a result

473

00:24:32,310 --> 00:24:29,279

he didn't want hearings anymore

474

00:24:38,789 --> 00:24:32,320

i wonder what happened there

475

00:24:41,990 --> 00:24:39,750

um

476
00:24:43,750 --> 00:24:42,000
oh i'm sorry laura you're in some pain

477
00:24:45,830 --> 00:24:43,760
huh

478
00:24:49,190 --> 00:24:45,840
i'm sorry about that you feel better you

479
00:24:53,510 --> 00:24:50,950
you get some rest

480
00:25:00,710 --> 00:24:53,520
bioluminescence

481
00:25:03,510 --> 00:25:00,720
studies and whatnot on dtic defense

482
00:25:05,430 --> 00:25:03,520
technical information center

483
00:25:06,310 --> 00:25:05,440
pretty interesting pretty interesting

484
00:25:08,470 --> 00:25:06,320
stuff

485
00:25:11,669 --> 00:25:08,480
uh basically earlier this year an

486
00:25:15,190 --> 00:25:11,679
article of ufos was prepared for the

487
00:25:16,950 --> 00:25:15,200
encyclopedia britannica by dr heineck

488
00:25:18,549 --> 00:25:16,960

who has his hands and everything if you

489

00:25:20,310 --> 00:25:18,559

haven't noticed

490

00:25:25,190 --> 00:25:20,320

which is very interesting and they're

491

00:25:28,789 --> 00:25:27,110

you know

492

00:25:30,310 --> 00:25:28,799

i don't know something fishy with

493

00:25:32,789 --> 00:25:30,320

heineck i haven't put my finger on it

494

00:25:38,950 --> 00:25:36,230

i haven't put my finger on it quite yet

495

00:25:42,230 --> 00:25:38,960

but there is something fishy with that

496

00:25:47,669 --> 00:25:42,240

with that person

497

00:25:50,310 --> 00:25:48,789

um

498

00:25:52,950 --> 00:25:50,320

cited the articles should be prepared

499

00:25:55,430 --> 00:25:52,960

bionic to prevent unnecessary publicity

500

00:25:57,990 --> 00:25:55,440

for ftd

501
00:26:00,230 --> 00:25:58,000
i mean if they're let's i mean basically

502
00:26:01,990 --> 00:26:00,240
if the air force is uh holding some

503
00:26:03,510 --> 00:26:02,000
secrecy together right and they're

504
00:26:05,830 --> 00:26:03,520
supporting a heineken they want heinek

505
00:26:08,230 --> 00:26:05,840
to stay they want to pay him more money

506
00:26:11,590 --> 00:26:08,240
basically is what we saw

507
00:26:12,950 --> 00:26:11,600
like what's up with that

508
00:26:15,590 --> 00:26:12,960
you know

509
00:26:22,310 --> 00:26:18,789
see i don't know it's just interesting

510
00:26:27,750 --> 00:26:25,830
but it is interesting

511
00:26:30,789 --> 00:26:27,760
uh the background section of the folder

512
00:26:35,110 --> 00:26:30,799
contains letter ftd copies of the

513
00:26:35,120 --> 00:26:38,710

here we go

514

00:26:48,870 --> 00:26:40,230

the suspense

515

00:26:56,149 --> 00:26:52,950

this one's a little hard to read

516

00:26:58,070 --> 00:26:56,159

article appeared in the 5th of july 1961

517

00:26:59,590 --> 00:26:58,080

issue of newsweek stating the

518

00:27:00,950 --> 00:26:59,600

possibility of congressional

519

00:27:02,950 --> 00:27:00,960

investigation

520

00:27:05,110 --> 00:27:02,960

of the united states air force ufo

521

00:27:07,990 --> 00:27:05,120

program contact with the secretary of

522

00:27:11,430 --> 00:27:08,000

the air force legislative liaison

523

00:27:15,269 --> 00:27:13,110

revealed that there were no official

524

00:27:18,149 --> 00:27:15,279

information concerning such an

525

00:27:21,110 --> 00:27:19,909

unofficial sources have it that

526
00:27:22,230 --> 00:27:21,120
congressman

527
00:27:23,909 --> 00:27:22,240
carth

528
00:27:25,909 --> 00:27:23,919
minnesota

529
00:27:27,909 --> 00:27:25,919
of the house sciences and astronautics

530
00:27:29,350 --> 00:27:27,919
committee

531
00:27:31,350 --> 00:27:29,360
and another person would head the

532
00:27:33,510 --> 00:27:31,360
investigation team the investigation to

533
00:27:36,230 --> 00:27:33,520
be directed towards determining

534
00:27:38,470 --> 00:27:36,240
generally how the usaf is handling the

535
00:27:41,590 --> 00:27:38,480
program

536
00:27:46,389 --> 00:27:43,710
um

537
00:27:47,190 --> 00:27:46,399
s-a-f-l-l's present efforts are directed

538
00:27:50,230 --> 00:27:47,200

toward

539

00:27:52,470 --> 00:27:50,240

heading off the investigation or if it

540

00:27:59,350 --> 00:27:52,480

is to occur having it take place in

541

00:27:59,360 --> 00:28:06,950

hmm

542

00:28:13,110 --> 00:28:08,470

these are pretty interesting documents

543

00:28:18,549 --> 00:28:14,470

um

544

00:28:20,230 --> 00:28:18,559

it is apparent

545

00:28:22,549 --> 00:28:20,240

uh the letter that major kehoe and

546

00:28:24,230 --> 00:28:22,559

others are attempting to force

547

00:28:26,950 --> 00:28:24,240

further congressional hearings on the

548

00:28:29,110 --> 00:28:26,960

ufo program it is my opinion that this

549

00:28:34,789 --> 00:28:29,120

rather long letter to mr vinson is

550

00:28:38,230 --> 00:28:36,230

these are in the folder i shared

551
00:28:40,549 --> 00:28:38,240
yesterday by the way

552
00:28:41,830 --> 00:28:40,559
for that show

553
00:28:45,029 --> 00:28:41,840
so

554
00:28:50,389 --> 00:28:45,039
you are more than welcome to read these

555
00:28:58,630 --> 00:28:53,430
they are in there

556
00:29:03,990 --> 00:29:00,950
better than ninety percent of the more

557
00:29:06,950 --> 00:29:04,000
oh we got a guest

558
00:29:11,190 --> 00:29:06,960
i can't see you though oh there you are

559
00:29:14,270 --> 00:29:13,029
oh i'll i'll kick you out until your

560
00:29:18,230 --> 00:29:14,280
audio's working

561
00:29:19,669 --> 00:29:18,240
[Laughter]

562
00:29:23,750 --> 00:29:19,679
just give me like a high five or

563
00:29:31,990 --> 00:29:26,310

uh united states are more than 50

564

00:29:40,389 --> 00:29:32,950

5

565

00:29:45,669 --> 00:29:42,710

allegedly through his support to

566

00:29:47,430 --> 00:29:45,679

president kennedy

567

00:29:51,669 --> 00:29:47,440

wow

568

00:29:54,950 --> 00:29:52,830

you good to go

569

00:29:56,710 --> 00:29:54,960

bro no

570

00:29:57,909 --> 00:29:56,720

i'll check with you again how about now

571

00:29:59,590 --> 00:29:57,919

can you hear me

572

00:30:00,630 --> 00:29:59,600

oh yeah

573

00:30:02,389 --> 00:30:00,640

all right

574

00:30:03,909 --> 00:30:02,399

how you doing

575

00:30:05,110 --> 00:30:03,919

i'm great man

576
00:30:09,350 --> 00:30:05,120
good

577
00:30:11,590 --> 00:30:09,360
i like the new york yankee cab

578
00:30:14,280 --> 00:30:11,600
what do you say sean i said i like the

579
00:30:17,430 --> 00:30:14,290
new york yankee cap

580
00:30:19,590 --> 00:30:17,440
[Laughter]

581
00:30:23,350 --> 00:30:19,600
it's it's more popular

582
00:30:25,269 --> 00:30:23,360
here in denmark in in the team

583
00:30:26,789 --> 00:30:25,279
yeah

584
00:30:28,470 --> 00:30:26,799
well you should start wearing milwaukee

585
00:30:29,669 --> 00:30:28,480
brewer stuff

586
00:30:31,269 --> 00:30:29,679
oh

587
00:30:34,149 --> 00:30:31,279
yeah

588
00:30:36,070 --> 00:30:34,159

well that's my team

589

00:30:37,510 --> 00:30:36,080

great

590

00:30:39,110 --> 00:30:37,520

i don't really watch that because the

591

00:30:41,830 --> 00:30:39,120

season's too long

592

00:30:43,430 --> 00:30:41,840

i was i was in

593

00:30:44,269 --> 00:30:43,440

in new york

594

00:30:46,149 --> 00:30:44,279

in

595

00:30:47,190 --> 00:30:46,159

2015.

596

00:30:48,630 --> 00:30:47,200

yeah

597

00:30:50,310 --> 00:30:48,640

so

598

00:30:52,470 --> 00:30:50,320

okay

599

00:30:55,750 --> 00:30:52,480

um yeah

600

00:30:57,830 --> 00:30:55,760

in denmark today there was a big news uh

601
00:31:01,110 --> 00:30:57,840
it was uh

602
00:31:02,870 --> 00:31:01,120
our defense minister came out and talked

603
00:31:04,950 --> 00:31:02,880
about ufos

604
00:31:06,470 --> 00:31:04,960
wow

605
00:31:08,070 --> 00:31:06,480
because

606
00:31:09,269 --> 00:31:08,080
she

607
00:31:12,310 --> 00:31:09,279
was

608
00:31:13,200 --> 00:31:12,320
asked about it from

609
00:31:14,789 --> 00:31:13,210
a politician

610
00:31:17,350 --> 00:31:14,799
[Music]

611
00:31:21,029 --> 00:31:17,360
and she responded

612
00:31:21,990 --> 00:31:21,039
and it went all over the news

613
00:31:23,190 --> 00:31:22,000

so

614

00:31:24,070 --> 00:31:23,200

you know

615

00:31:27,669 --> 00:31:24,080

but

616

00:31:37,269 --> 00:31:32,710

that they hadn't had our ufo on radar

617

00:31:40,070 --> 00:31:38,870

in denver

618

00:31:41,269 --> 00:31:40,080

interesting

619

00:31:43,990 --> 00:31:41,279

yeah

620

00:31:45,029 --> 00:31:44,000

and um

621

00:31:47,909 --> 00:31:45,039

all the

622

00:31:50,389 --> 00:31:47,919

civilian cases are going to

623

00:31:57,590 --> 00:31:53,750

private ufo group

624

00:31:58,830 --> 00:31:57,600

like mufon we have a

625

00:32:01,190 --> 00:31:58,840

move

626
00:32:02,950 --> 00:32:01,200
on based

627
00:32:04,230 --> 00:32:02,960
danish based

628
00:32:07,310 --> 00:32:04,240
group

629
00:32:12,710 --> 00:32:11,509
scandinavian ufo information

630
00:32:14,549 --> 00:32:12,720
interesting

631
00:32:17,269 --> 00:32:14,559
and

632
00:32:18,230 --> 00:32:17,279
how do you feel about that

633
00:32:22,389 --> 00:32:18,240
um

634
00:32:23,269 --> 00:32:22,399
i'm not glad about move on move on is

635
00:32:25,029 --> 00:32:23,279
has

636
00:32:25,909 --> 00:32:25,039
gone

637
00:32:27,269 --> 00:32:25,919
like

638
00:32:31,750 --> 00:32:27,279

mufon

639

00:32:35,190 --> 00:32:31,760

has gone in the u.s i believe that they

640

00:32:36,549 --> 00:32:35,200

have it like

641

00:32:39,350 --> 00:32:36,559

what do you say

642

00:32:40,870 --> 00:32:39,360

they're more skeptical

643

00:32:44,710 --> 00:32:40,880

yeah

644

00:32:47,509 --> 00:32:44,720

um i would say

645

00:32:49,269 --> 00:32:47,519

they seem to be kind of

646

00:32:51,509 --> 00:32:49,279

secretive as well

647

00:32:53,190 --> 00:32:51,519

yeah exactly

648

00:32:56,470 --> 00:32:53,200

and

649

00:32:58,789 --> 00:32:56,480

um

650

00:33:02,070 --> 00:32:58,799

so far here in denmark

651
00:33:04,149 --> 00:33:02,080
has had a long relationship with the air

652
00:33:08,230 --> 00:33:04,159
force

653
00:33:12,630 --> 00:33:08,240
um and in 2009 i believe

654
00:33:13,909 --> 00:33:12,640
they got all the danish air force

655
00:33:17,669 --> 00:33:13,919
files

656
00:33:21,909 --> 00:33:20,389
it was only civilian

657
00:33:25,190 --> 00:33:21,919
or

658
00:33:31,669 --> 00:33:28,310
i know that i've seen some non-civilian

659
00:33:36,710 --> 00:33:34,870
yeah there is none civilian

660
00:33:39,029 --> 00:33:36,720
cases also

661
00:33:39,909 --> 00:33:39,039
um

662
00:33:41,509 --> 00:33:39,919
but

663
00:33:45,430 --> 00:33:41,519

again

664

00:33:47,430 --> 00:33:45,440

the the letter to the other

665

00:33:49,830 --> 00:33:47,440

members of parliament

666

00:33:50,870 --> 00:33:49,840

was saying that

667

00:33:56,070 --> 00:33:50,880

the

668

00:34:00,950 --> 00:33:59,029

hazard to treat

669

00:34:04,070 --> 00:34:00,960

air air traffic

670

00:34:08,389 --> 00:34:04,080

as a potential

671

00:34:10,149 --> 00:34:08,399

hazard of flight issues

672

00:34:13,990 --> 00:34:10,159

well yeah

673

00:34:14,000 --> 00:34:17,270

of course

674

00:34:21,510 --> 00:34:19,510

that's like the number one issue i would

675

00:34:23,190 --> 00:34:21,520

say but well you know

676
00:34:24,950 --> 00:34:23,200
depending i guess you you could have

677
00:34:28,869 --> 00:34:24,960
like physiological and all that kind of

678
00:34:32,389 --> 00:34:28,879
stuff and yeah but but that were the the

679
00:34:34,629 --> 00:34:32,399
main concern from kevin day

680
00:34:37,669 --> 00:34:34,639
uh the the

681
00:34:40,710 --> 00:34:37,679
the flight safety issue

682
00:34:43,109 --> 00:34:40,720
it was not so much that there was

683
00:34:44,950 --> 00:34:43,119
tick ticks flying around

684
00:34:47,190 --> 00:34:44,960
he wasn't

685
00:34:48,389 --> 00:34:47,200
caring about that but

686
00:34:53,030 --> 00:34:48,399
if they wouldn't

687
00:34:59,030 --> 00:34:56,470
yeah on the west coast then he didn't do

688
00:35:01,990 --> 00:34:59,040

his job

689

00:35:04,530 --> 00:35:02,000

i got something for you here um you like

690

00:35:06,950 --> 00:35:04,540

denmark right

691

00:35:08,310 --> 00:35:06,960

[Laughter]

692

00:35:11,510 --> 00:35:08,320

yeah i don't know what it says though

693

00:35:12,870 --> 00:35:11,520

you're gonna have to read it so

694

00:35:13,910 --> 00:35:12,880

um

695

00:35:16,069 --> 00:35:13,920

but

696

00:35:18,550 --> 00:35:16,079

yes

697

00:35:21,829 --> 00:35:18,560

everything else i've found on this uh

698

00:35:23,030 --> 00:35:21,839

page has been pretty legit so

699

00:35:25,910 --> 00:35:23,040

we'll see

700

00:35:29,109 --> 00:35:25,920

let me bring it up here sean can you see

701
00:35:35,270 --> 00:35:32,790
oh yeah nice it's a little country

702
00:35:37,550 --> 00:35:35,280
man it's so small it's like

703
00:35:42,230 --> 00:35:37,560
a foot it's like a foot and a half

704
00:35:45,030 --> 00:35:42,240
[Laughter]

705
00:35:48,310 --> 00:35:45,040
smaller than

706
00:35:51,270 --> 00:35:48,320
i'm going to see a

707
00:35:52,950 --> 00:35:51,280
bd in in florida

708
00:35:53,670 --> 00:35:52,960
oh really

709
00:35:59,589 --> 00:35:53,680
cool

710
00:36:02,630 --> 00:35:59,599
oh yeah this is the report that they got

711
00:36:04,069 --> 00:36:02,640
okay and i can see you got the files

712
00:36:07,430 --> 00:36:04,079
from the

713
00:36:09,670 --> 00:36:07,440

largest ufo um

714

00:36:12,470 --> 00:36:09,680

you got that right baby

715

00:36:13,990 --> 00:36:12,480

correlation in in sweden

716

00:36:21,510 --> 00:36:14,000

yeah

717

00:36:25,430 --> 00:36:21,520

they they they have a lot of stuff and

718

00:36:27,030 --> 00:36:25,440

this is uh what the the header is saying

719

00:36:29,910 --> 00:36:27,040

is uh

720

00:36:34,069 --> 00:36:29,920

a question form

721

00:36:35,430 --> 00:36:34,079

uh to use or military and civilian

722

00:36:36,470 --> 00:36:35,440

gotcha

723

00:36:38,069 --> 00:36:36,480

and

724

00:36:40,390 --> 00:36:38,079

they

725

00:36:41,589 --> 00:36:40,400

if anybody calls in

726
00:36:43,190 --> 00:36:41,599
they will

727
00:36:46,310 --> 00:36:43,200
fill in

728
00:36:48,150 --> 00:36:46,320
yeah all this and you can see

729
00:36:50,310 --> 00:36:48,160
all the private

730
00:36:52,870 --> 00:36:50,320
name

731
00:36:59,109 --> 00:36:52,880
and so on is

732
00:37:06,150 --> 00:37:02,710
and uh we we had uh in this there's a

733
00:37:08,950 --> 00:37:06,160
drawing from uh a young boy

734
00:37:11,670 --> 00:37:08,960
where there is a ufo

735
00:37:12,870 --> 00:37:11,680
with aliens around it

736
00:37:14,630 --> 00:37:12,880
wow

737
00:37:15,510 --> 00:37:14,640
yeah

738
00:37:18,230 --> 00:37:15,520

and

739

00:37:20,390 --> 00:37:18,240

i believe it was in

740

00:37:21,589 --> 00:37:20,400

85

741

00:37:24,550 --> 00:37:21,599

oh wow

742

00:37:26,470 --> 00:37:24,560

he is sore and reported

743

00:37:29,270 --> 00:37:26,480

wow that yeah that's a year after i was

744

00:37:33,190 --> 00:37:31,030

yeah so there's oh man there's a whole

745

00:37:33,910 --> 00:37:33,200

bunch of stuff in here okay this is one

746

00:37:34,630 --> 00:37:33,920

one

747

00:37:38,710 --> 00:37:34,640

um

748

00:37:42,950 --> 00:37:38,720

gotcha we we did some research and

749

00:37:45,349 --> 00:37:42,960

we believe there is uh a ton of or

750

00:37:48,150 --> 00:37:45,359

more files uh

751
00:37:51,990 --> 00:37:48,160
to be gained from the air force

752
00:37:53,510 --> 00:37:52,000
we believe they have about 40 pounds and

753
00:37:54,710 --> 00:37:53,520
wow

754
00:37:55,829 --> 00:37:54,720
so

755
00:37:57,750 --> 00:37:55,839
do you know

756
00:37:59,910 --> 00:37:57,760
like roughly the

757
00:38:01,990 --> 00:37:59,920
time frame of these

758
00:38:05,109 --> 00:38:02,000
i'd say 80s

759
00:38:06,630 --> 00:38:05,119
80s that's so interesting uh you can see

760
00:38:07,510 --> 00:38:06,640
the date

761
00:38:09,910 --> 00:38:07,520
uh

762
00:38:13,030 --> 00:38:09,920
up in the corner

763
00:38:16,069 --> 00:38:13,040

uh it's a 89

764

00:38:24,950 --> 00:38:19,270

oh okay yeah gotcha

765

00:38:28,630 --> 00:38:27,910

uh i stay there right that yeah

766

00:38:31,030 --> 00:38:28,640

that

767

00:38:32,790 --> 00:38:31,040

laws of a bridge

768

00:38:34,790 --> 00:38:32,800

okay

769

00:38:36,870 --> 00:38:34,800

you know that's funny like some of these

770

00:38:39,430 --> 00:38:36,880

graphics look like

771

00:38:41,349 --> 00:38:39,440

straight out of blue book

772

00:38:45,750 --> 00:38:41,359

oh yeah you know how they did their

773

00:38:48,069 --> 00:38:45,760

reports yeah we we got a famous colonel

774

00:38:49,030 --> 00:38:48,079

who went to the u.s

775

00:39:06,390 --> 00:38:49,040

and

776
00:39:07,670 --> 00:39:06,400
he

777
00:39:09,109 --> 00:39:07,680
also

778
00:39:12,630 --> 00:39:09,119
talked about

779
00:39:15,349 --> 00:39:12,640
the phenomena with the other colonels in

780
00:39:16,710 --> 00:39:15,359
in the uf's air force

781
00:39:18,310 --> 00:39:16,720
ah

782
00:39:19,910 --> 00:39:18,320
interesting

783
00:39:21,510 --> 00:39:19,920
his name is

784
00:39:22,950 --> 00:39:21,520
uh

785
00:39:26,790 --> 00:39:22,960
h p

786
00:39:30,069 --> 00:39:26,800
p a christensen i believe

787
00:39:30,079 --> 00:39:35,270
i haven't heard that

788
00:39:38,790 --> 00:39:36,950

i turn on witness citizen and go

789

00:39:42,790 --> 00:39:38,800

straight into the fourth page of a case

790

00:39:47,270 --> 00:39:43,810

from denmark

791

00:39:49,829 --> 00:39:47,280

[Laughter]

792

00:39:50,790 --> 00:39:49,839

yeah that's how we do it here you know

793

00:39:52,550 --> 00:39:50,800

yeah

794

00:39:54,150 --> 00:39:52,560

we're looking at it we're checking it

795

00:39:57,349 --> 00:39:54,160

all out

796

00:40:00,870 --> 00:39:57,359

but um but if if

797

00:40:01,750 --> 00:40:00,880

you you didn't know that uh uh maybe

798

00:40:04,230 --> 00:40:01,760

other

799

00:40:06,870 --> 00:40:04,240

know in the chat but i

800

00:40:08,870 --> 00:40:06,880

i'm a former uh

801
00:40:13,109 --> 00:40:08,880
radar operator

802
00:40:16,150 --> 00:40:13,119
right yeah yes and and we we

803
00:40:18,950 --> 00:40:16,160
uh you you sent me some

804
00:40:22,069 --> 00:40:18,960
uh a sketch drawing from

805
00:40:26,309 --> 00:40:22,079
52 i believe uh yeah

806
00:40:28,630 --> 00:40:26,319
right yeah washington dc yes yeah

807
00:40:31,910 --> 00:40:28,640
yeah that was uh pretty helpful

808
00:40:44,069 --> 00:40:31,920
and and the funny thing about it is that

809
00:40:49,430 --> 00:40:47,510
but what was weird about that was um

810
00:40:51,910 --> 00:40:49,440
the date on the radar thing was

811
00:40:52,950 --> 00:40:51,920
different you know than the sightings

812
00:40:54,710 --> 00:40:52,960
yeah

813
00:40:57,270 --> 00:40:54,720

and i wasn't able to figure that out

814

00:41:02,790 --> 00:41:00,870

it was put together with with those

815

00:41:05,109 --> 00:41:02,800

documents so it would lead you to

816

00:41:06,390 --> 00:41:05,119

believe that it was a part of those

817

00:41:09,109 --> 00:41:06,400

sightings but

818

00:41:11,109 --> 00:41:09,119

yeah i don't know i actually did find

819

00:41:13,750 --> 00:41:11,119

something else too on what the

820

00:41:15,589 --> 00:41:13,760

washington dc sightings where they kind

821

00:41:18,870 --> 00:41:15,599

of um

822

00:41:21,030 --> 00:41:18,880

they had to pick a certain amount of

823

00:41:24,470 --> 00:41:21,040

you know the aerial phenomenon office or

824

00:41:25,589 --> 00:41:24,480

whatever of the air force had to pick

825

00:41:27,270 --> 00:41:25,599

four

826
00:41:29,829 --> 00:41:27,280
or five like

827
00:41:30,550 --> 00:41:29,839
best cases as they described

828
00:41:32,829 --> 00:41:30,560
for

829
00:41:36,069 --> 00:41:32,839
congressional folks

830
00:41:39,430 --> 00:41:36,079
and that was one of them

831
00:41:42,630 --> 00:41:40,550
so

832
00:41:44,230 --> 00:41:42,640
you know you know the hard part for me

833
00:41:46,470 --> 00:41:44,240
is i'm

834
00:41:48,390 --> 00:41:46,480
the more i do this the better i get at

835
00:41:49,829 --> 00:41:48,400
finding stuff

836
00:41:51,589 --> 00:41:49,839
i know i

837
00:41:54,390 --> 00:41:51,599
have been there

838
00:41:55,349 --> 00:41:54,400

then it's hard to keep track of it all

839

00:41:56,950 --> 00:41:55,359

it was

840

00:41:58,630 --> 00:41:56,960

about

841

00:41:59,750 --> 00:41:58,640

20 years ago

842

00:42:01,030 --> 00:41:59,760

um

843

00:42:04,630 --> 00:42:01,040

i i

844

00:42:07,030 --> 00:42:04,640

i could get on the internet and

845

00:42:08,820 --> 00:42:07,040

really looked up files

846

00:42:10,390 --> 00:42:08,830

many many uh

847

00:42:16,630 --> 00:42:10,400

[Music]

848

00:42:19,109 --> 00:42:17,910

uh ads

849

00:42:22,550 --> 00:42:19,119

um

850

00:42:25,589 --> 00:42:22,560

when you go on google now

851
00:42:27,030 --> 00:42:25,599
they have an uh a different kind of uh

852
00:42:28,470 --> 00:42:27,040
algorithm

853
00:42:32,069 --> 00:42:28,480
oh okay

854
00:42:34,309 --> 00:42:32,079
uh and i could find even more

855
00:42:35,510 --> 00:42:34,319
yeah years ago you know when they

856
00:42:37,349 --> 00:42:35,520
started

857
00:42:41,670 --> 00:42:37,359
oh wow and today

858
00:42:46,390 --> 00:42:41,680
and i i actually searched uh as you do

859
00:42:49,670 --> 00:42:46,400
uh ten years ago when where i

860
00:42:52,790 --> 00:42:49,680
did go into many

861
00:42:54,790 --> 00:42:52,800
servers where they had pdfs

862
00:42:58,630 --> 00:42:54,800
and confined

863
00:42:59,510 --> 00:42:58,640

a lot more than than today well

864

00:43:01,349 --> 00:42:59,520

because

865

00:43:03,190 --> 00:43:01,359

the the first

866

00:43:06,390 --> 00:43:03,200

you know really neat thing i found was

867

00:43:09,190 --> 00:43:06,400

actually via google search

868

00:43:14,710 --> 00:43:10,829

like searching that looking at the

869

00:43:17,190 --> 00:43:14,720

images that popped up and then hitting

870

00:43:18,870 --> 00:43:17,200

you know look at more images and then

871

00:43:21,030 --> 00:43:18,880

all of a sudden something looked like an

872

00:43:22,230 --> 00:43:21,040

interesting document and i click on it

873

00:43:23,750 --> 00:43:22,240

boom

874

00:43:26,550 --> 00:43:23,760

i got all those

875

00:43:29,190 --> 00:43:26,560

air force uh osi files

876

00:43:30,790 --> 00:43:29,200

from clifford stone himself

877

00:43:32,950 --> 00:43:30,800

um

878

00:43:35,670 --> 00:43:32,960

so this is pretty interesting i wanted

879

00:43:37,910 --> 00:43:35,680

to bring this up have you heard of uh

880

00:43:39,270 --> 00:43:37,920

so this dr dugan guy

881

00:43:41,990 --> 00:43:39,280

right

882

00:43:43,430 --> 00:43:42,000

past he passed away like maybe four

883

00:43:45,670 --> 00:43:43,440

years ago or so

884

00:43:48,950 --> 00:43:45,680

but um

885

00:43:51,430 --> 00:43:48,960

um the guy the main general that talked

886

00:43:53,109 --> 00:43:51,440

to tom de long that was uh kind of outed

887

00:43:54,069 --> 00:43:53,119

in those emails i forget what his name

888

00:43:55,589 --> 00:43:54,079

was now

889

00:43:57,109 --> 00:43:55,599

mccarthy

890

00:44:00,390 --> 00:43:57,119

yes

891

00:44:03,030 --> 00:44:00,400

mccaslin yeah so he left something

892

00:44:04,230 --> 00:44:03,040

um on his

893

00:44:05,990 --> 00:44:04,240

like uh

894

00:44:08,309 --> 00:44:06,000

like they had like a eulogy type of

895

00:44:11,030 --> 00:44:08,319

thing or whatever and he said dr dugan

896

00:44:13,349 --> 00:44:11,040

was great we'll forever respect his

897

00:44:15,349 --> 00:44:13,359

you know blah blah on what he did for us

898

00:44:17,670 --> 00:44:15,359

and it's interesting because you go to

899

00:44:20,710 --> 00:44:17,680

this document

900

00:44:24,710 --> 00:44:20,720

and dr dugan is an unofficial

901
00:44:27,589 --> 00:44:24,720
uh in a private capacity in 1973 and

902
00:44:33,109 --> 00:44:27,599
earlier all the way back to 1966

903
00:44:36,790 --> 00:44:33,119
investigating ufos along with dr heineck

904
00:44:39,589 --> 00:44:36,800
and this is in australia

905
00:44:41,430 --> 00:44:39,599
so yeah you must have uh cold hard of

906
00:44:43,510 --> 00:44:41,440
this

907
00:44:45,750 --> 00:44:43,520
what's that

908
00:44:47,670 --> 00:44:45,760
you you must have uh

909
00:44:51,109 --> 00:44:47,680
this uh

910
00:44:52,870 --> 00:44:51,119
australian reporter cole hard on this

911
00:44:53,990 --> 00:44:52,880
case

912
00:44:56,790 --> 00:44:54,000
um

913
00:45:03,270 --> 00:44:58,870

i hope he looks at it

914

00:45:06,309 --> 00:45:03,280

but i thought this was very interesting

915

00:45:10,470 --> 00:45:08,550

you you can see here however dr duggan's

916

00:45:12,790 --> 00:45:10,480

interest is unofficial

917

00:45:15,270 --> 00:45:12,800

as far as cicero is concerned and this

918

00:45:18,390 --> 00:45:15,280

may cause embarrassment

919

00:45:21,030 --> 00:45:18,400

did you did you know uh when you uh

920

00:45:24,470 --> 00:45:21,040

search him um

921

00:45:26,390 --> 00:45:24,480

if if you can go back and and look at

922

00:45:27,829 --> 00:45:26,400

his page

923

00:45:29,430 --> 00:45:27,839

um

924

00:45:32,309 --> 00:45:29,440

yeah

925

00:45:34,790 --> 00:45:32,319

and then you can you can see what

926
00:45:35,990 --> 00:45:34,800
departments he have been in

927
00:45:37,990 --> 00:45:36,000
right

928
00:45:40,150 --> 00:45:38,000
all the way down

929
00:45:43,510 --> 00:45:40,160
and i i actually

930
00:45:46,790 --> 00:45:43,520
had a lot of those uh going through

931
00:45:51,190 --> 00:45:46,800
those with a lot of a lot of people

932
00:45:55,109 --> 00:45:51,200
uh 10 years ago and also my cards my

933
00:45:56,309 --> 00:45:55,119
castle and i can't rem no that's great

934
00:45:57,589 --> 00:45:56,319
but but

935
00:46:01,030 --> 00:45:57,599
he is

936
00:46:02,150 --> 00:46:01,040
foreign technology division you know

937
00:46:03,510 --> 00:46:02,160
right

938
00:46:06,710 --> 00:46:03,520

yeah wow

939

00:46:09,510 --> 00:46:06,720

but but uh have you have you ever talked

940

00:46:11,109 --> 00:46:09,520

to michael frapp

941

00:46:12,470 --> 00:46:11,119

michael who

942

00:46:15,430 --> 00:46:12,480

frank

943

00:46:16,870 --> 00:46:15,440

i don't think so you know who that guy

944

00:46:18,710 --> 00:46:16,880

is

945

00:46:23,990 --> 00:46:18,720

um i don't think so

946

00:46:25,670 --> 00:46:24,000

um he he has he's his historian on

947

00:46:26,870 --> 00:46:25,680

ufo sightings

948

00:46:30,950 --> 00:46:26,880

okay

949

00:46:32,870 --> 00:46:30,960

uh he's going and illustrate all the

950

00:46:35,030 --> 00:46:32,880

major cases

951
00:46:36,069 --> 00:46:35,040
oh wow cool

952
00:46:39,270 --> 00:46:36,079
um

953
00:46:42,950 --> 00:46:39,280
and he he actually

954
00:46:46,069 --> 00:46:42,960
uh did go after

955
00:46:47,430 --> 00:46:46,079
black projects

956
00:46:48,390 --> 00:46:47,440
names

957
00:46:51,270 --> 00:46:48,400
and

958
00:46:53,589 --> 00:46:51,280
find a lot of stuff

959
00:46:56,790 --> 00:46:53,599
with those

960
00:46:58,309 --> 00:46:56,800
kind of project names you know

961
00:47:00,870 --> 00:46:58,319
but um

962
00:47:03,990 --> 00:47:00,880
then he

963
00:47:06,950 --> 00:47:04,000

posted it them and

964

00:47:08,829 --> 00:47:06,960

i can't remember a week later they were

965

00:47:11,430 --> 00:47:08,839

all gone

966

00:47:13,190 --> 00:47:11,440

wow yeah michael shred

967

00:47:17,109 --> 00:47:13,200

yeah okay gotcha

968

00:47:31,430 --> 00:47:17,990

yeah

969

00:47:33,670 --> 00:47:31,440

am going to take off

970

00:47:36,150 --> 00:47:33,680

um for the day yep

971

00:47:37,190 --> 00:47:36,160

get some rest maybe eat some food

972

00:47:39,910 --> 00:47:37,200

who knows

973

00:47:40,430 --> 00:47:39,920

great great to speak to you sean again

974

00:47:41,829 --> 00:47:40,440

yeah

975

00:47:45,270 --> 00:47:41,839

[Music]

976
00:47:47,670 --> 00:47:45,280
and uh and thanks for having me

977
00:47:49,910 --> 00:47:47,680
on the poster

978
00:47:52,549 --> 00:47:49,920
oh hell yeah

979
00:47:54,870 --> 00:47:52,559
you gotta put you on there

980
00:47:57,950 --> 00:47:54,880
why not right and

981
00:48:00,390 --> 00:47:57,960
i will just say go to my

982
00:48:01,589 --> 00:48:00,400
uapdb.com website

983
00:48:03,109 --> 00:48:01,599
and find

984
00:48:05,270 --> 00:48:03,119
more

985
00:48:07,349 --> 00:48:05,280
and awesome news that

986
00:48:08,710 --> 00:48:07,359
uap ufos are getting some coverage in

987
00:48:13,109 --> 00:48:08,720
denmark so

988
00:48:14,790 --> 00:48:13,119

yeah that's that yeah we have

989

00:48:17,430 --> 00:48:14,800

none

990

00:48:19,430 --> 00:48:17,440

but we can't say that anymore but the

991

00:48:20,870 --> 00:48:19,440

pressure from the us

992

00:48:23,510 --> 00:48:20,880

and

993

00:48:24,950 --> 00:48:23,520

what's going on there will affect

994

00:48:26,230 --> 00:48:24,960

all of european

995

00:48:28,230 --> 00:48:26,240

[Music]

996

00:48:31,510 --> 00:48:28,240

parliaments i believe

997

00:48:33,349 --> 00:48:31,520

yeah and that's awesome

998

00:48:35,270 --> 00:48:33,359

worldwide transparency because

999

00:48:36,069 --> 00:48:35,280

everybody's got reports

1000

00:48:38,150 --> 00:48:36,079

yeah

1001

00:48:41,829 --> 00:48:38,160

so and and even

1002

00:48:45,589 --> 00:48:41,839

if i can just state that uh i

1003

00:48:49,030 --> 00:48:45,599

i ask vinnie when he has louis as

1004

00:48:50,150 --> 00:48:49,040

alessandro on his show and

1005

00:48:52,069 --> 00:48:50,160

when he

1006

00:48:55,990 --> 00:48:52,079

go to

1007

00:48:57,270 --> 00:48:56,000

scu to have a presentation from for some

1008

00:48:58,790 --> 00:48:57,280

years ago

1009

00:49:00,790 --> 00:48:58,800

and

1010

00:49:03,589 --> 00:49:00,800

he had

1011

00:49:04,950 --> 00:49:03,599

a danish and a swedish and some other

1012

00:49:07,829 --> 00:49:04,960

flags

1013

00:49:12,710 --> 00:49:07,839

and said they had um

1014

00:49:15,270 --> 00:49:12,720

a ufo office in in denmark and

1015

00:49:16,390 --> 00:49:15,280

i asked him again

1016

00:49:21,109 --> 00:49:16,400

and he said

1017

00:49:22,069 --> 00:49:21,119

when he was at atip they had an office

1018

00:49:23,990 --> 00:49:22,079

there

1019

00:49:25,589 --> 00:49:24,000

in denver

1020

00:49:27,030 --> 00:49:25,599

and

1021

00:49:28,829 --> 00:49:27,040

um

1022

00:49:32,870 --> 00:49:28,839

yeah

1023

00:49:34,790 --> 00:49:32,880

wow we don't know what they do or what

1024

00:49:37,910 --> 00:49:34,800

branch they're in

1025

00:49:40,790 --> 00:49:37,920

right because apparently um they all the

1026

00:49:42,710 --> 00:49:40,800

cases went to civilians yeah

1027

00:49:47,430 --> 00:49:42,720

exactly

1028

00:49:51,750 --> 00:49:48,790

all right

1029

00:49:53,750 --> 00:49:51,760

adios amigo

1030

00:49:56,390 --> 00:49:53,760

but um yeah

1031

00:49:57,349 --> 00:49:56,400

i'll talk to you soon

1032

00:50:00,069 --> 00:49:57,359

bye

1033

00:50:07,190 --> 00:50:04,069

um oh i saw that by the way um

1034

00:50:09,270 --> 00:50:07,200

yes i think i'm gonna eat

1035

00:50:11,109 --> 00:50:09,280

maybe just a frozen pizza that i have at

1036

00:50:14,309 --> 00:50:11,119

home you know because i'm kind of tired

1037

00:50:16,230 --> 00:50:14,319

so i didn't get my nap today so

1038

00:50:19,270 --> 00:50:16,240

i think that's what i'm gonna do

1039

00:50:24,069 --> 00:50:22,549

have a great weekend like the video um

1040

00:50:26,390 --> 00:50:24,079

you know it helped me out if you gave a

1041

00:50:27,270 --> 00:50:26,400

bunch of money to me too like megan t

1042

00:50:29,030 --> 00:50:27,280

did

1043

00:50:31,589 --> 00:50:29,040

i would love money

1044

00:50:33,750 --> 00:50:31,599

i'm so money hungry

1045

00:50:35,990 --> 00:50:33,760

i would love to be like that one duck

1046

00:50:38,710 --> 00:50:36,000

cartoon that's just like

1047

00:50:42,390 --> 00:50:38,720

swimming in gold chips

1048

00:50:42,780 --> 00:50:42,400

forget what uh duck cartoon that was

1049

00:50:44,630 --> 00:50:42,790

um

1050

00:50:46,309 --> 00:50:44,640

[Music]

1051

00:50:48,549 --> 00:50:46,319

man i gotta figure out what that was but

1052

00:50:50,150 --> 00:50:48,559

he was like a rich duck

1053

00:50:52,630 --> 00:50:50,160

and the beginning of the show he would

1054

00:50:55,190 --> 00:50:52,640

like dive into a big

1055

00:50:58,069 --> 00:50:55,200

hill of gold

1056

00:51:02,870 --> 00:51:00,630

dark wink duck no that's not what it was

1057

00:51:08,900 --> 00:51:02,880

i'll figure it out otherwise
