

1
00:00:05,430 --> 00:00:02,710
what's up everybody it's monday night

2
00:00:07,510 --> 00:00:05,440
that's right i got the hat i got the

3
00:00:08,710 --> 00:00:07,520
i got the sport coat

4
00:00:10,870 --> 00:00:08,720
and

5
00:00:13,350 --> 00:00:10,880
that's about it i use that to you know

6
00:00:14,789 --> 00:00:13,360
when i try to like fix the tie looking

7
00:00:16,230 --> 00:00:14,799
at the screen

8
00:00:18,230 --> 00:00:16,240
but it's like a mirror and it goes the

9
00:00:19,750 --> 00:00:18,240
opposite direction so it doesn't really

10
00:00:21,269 --> 00:00:19,760
work out

11
00:00:23,910 --> 00:00:21,279
uh but we

12
00:00:25,910 --> 00:00:23,920
we got a pretty cool uh gig for you

13
00:00:28,710 --> 00:00:25,920

tonight by the way

14

00:00:30,470 --> 00:00:28,720

uh we have exo

15

00:00:33,830 --> 00:00:30,480

oh man i'm totally gonna screw that up

16

00:00:39,270 --> 00:00:36,950

uh on if you haven't uh checked him out

17

00:00:42,389 --> 00:00:39,280

i put his information in the

18

00:00:45,750 --> 00:00:42,399

uh description for the show

19

00:00:47,190 --> 00:00:45,760

um so you can check it out um his latest

20

00:00:49,750 --> 00:00:47,200

episode

21

00:00:50,709 --> 00:00:49,760

i started uh listening to you on the way

22

00:00:52,549 --> 00:00:50,719

here

23

00:00:54,950 --> 00:00:52,559

and i didn't have enough time to finish

24

00:00:57,110 --> 00:00:54,960

it i was so pissed cuz i really like the

25

00:00:58,950 --> 00:00:57,120

way he looks at all this stuff

26

00:01:01,590 --> 00:00:58,960

um and then the

27

00:01:04,630 --> 00:01:01,600

uh collins elite

28

00:01:05,429 --> 00:01:04,640

freaking episode was uh fantastic i

29

00:01:08,070 --> 00:01:05,439

learned

30

00:01:09,350 --> 00:01:08,080

uh something there so that's really what

31

00:01:12,789 --> 00:01:09,360

i appreciate

32

00:01:13,990 --> 00:01:12,799

um because i want to learn as much as i

33

00:01:15,429 --> 00:01:14,000

can

34

00:01:17,109 --> 00:01:15,439

so

35

00:01:18,550 --> 00:01:17,119

super excited

36

00:01:22,070 --> 00:01:18,560

um he

37

00:01:23,910 --> 00:01:22,080

will be here by voice only so you

38

00:01:25,109 --> 00:01:23,920

you guys who um like listen to him and

39

00:01:27,190 --> 00:01:25,119

everything

40

00:01:29,749 --> 00:01:27,200

probably know that's the deal

41

00:01:31,270 --> 00:01:29,759

but if not i'm telling you uh so right

42

00:01:33,190 --> 00:01:31,280

away i'll just say what's up to

43

00:01:36,149 --> 00:01:33,200

everybody that's here

44

00:01:38,069 --> 00:01:36,159

a waif soul i know you uh joe's i get

45

00:01:40,710 --> 00:01:38,079

you 1am

46

00:01:43,510 --> 00:01:40,720

um we'll catch you next time uh and

47

00:01:45,190 --> 00:01:43,520

taylor what's up

48

00:01:47,830 --> 00:01:45,200

awesome um

49

00:01:49,830 --> 00:01:47,840

robert cowford awesome

50

00:01:51,670 --> 00:01:49,840

um scott brown

51
00:01:53,109 --> 00:01:51,680
thanks for saying that scott brown says

52
00:01:55,190 --> 00:01:53,119
i look badass

53
00:01:57,590 --> 00:01:55,200
um that's pretty good

54
00:01:59,510 --> 00:01:57,600
better than

55
00:02:01,270 --> 00:01:59,520
i don't know i could

56
00:02:02,950 --> 00:02:01,280
i don't have anything sorry i thought i

57
00:02:05,910 --> 00:02:02,960
had something but i don't

58
00:02:09,350 --> 00:02:05,920
and benji what's up my co-host brother

59
00:02:10,949 --> 00:02:09,360
for the 17th really appreciate it

60
00:02:12,710 --> 00:02:10,959
um so yeah

61
00:02:15,110 --> 00:02:12,720
alien girl what's up we have uh

62
00:02:17,110 --> 00:02:15,120
priscilla quantum witch here uh just so

63
00:02:19,990 --> 00:02:17,120

you know that's our monday night thing

64

00:02:22,070 --> 00:02:20,000

if you remember so just give me a second

65

00:02:24,470 --> 00:02:22,080

we'll play our little you know our

66

00:02:31,900 --> 00:02:24,480

little clip a little fun stuff

67

00:03:39,670 --> 00:02:44,000

[Music]

68

00:03:44,470 --> 00:03:42,070

you got that right so uh first of all

69

00:03:46,869 --> 00:03:44,480

we'll bring in the

70

00:03:50,070 --> 00:03:46,879

best witch in town

71

00:03:53,350 --> 00:03:50,080

and tonight the only one

72

00:03:55,270 --> 00:03:53,360

but i'm working on my my witch um

73

00:03:56,949 --> 00:03:55,280

bachelor's degree so

74

00:03:58,789 --> 00:03:56,959

you give me some time i might be able to

75

00:04:01,030 --> 00:03:58,799

cook something up

76

00:04:02,470 --> 00:04:01,040

so how are you i'm doing great i'm just

77

00:04:03,670 --> 00:04:02,480

wondering if you're gonna take that hat

78

00:04:04,710 --> 00:04:03,680

off and you're gonna have perfect hair

79

00:04:06,229 --> 00:04:04,720

in like you did that one time with the

80

00:04:08,550 --> 00:04:06,239

beanie

81

00:04:10,229 --> 00:04:08,560

how do you do that yeah my head's not

82

00:04:12,550 --> 00:04:10,239

even in anything and i've got stuff all

83

00:04:18,390 --> 00:04:15,830

i cut it myself and the back of it is

84

00:04:21,830 --> 00:04:18,400

atrocious so until i get my wife to fix

85

00:04:22,629 --> 00:04:21,840

it it's going to be hat town usa

86

00:04:24,710 --> 00:04:22,639

um

87

00:04:25,909 --> 00:04:24,720

how's everything in

88

00:04:29,270 --> 00:04:25,919

like with you with your show and

89

00:04:32,070 --> 00:04:29,280

everything everything's good yeah

90

00:04:34,870 --> 00:04:32,080

um the only thing coming up is

91

00:04:37,430 --> 00:04:34,880

i have oh actually wednesday i am having

92

00:04:39,189 --> 00:04:37,440

ufo jane after she comes on she's gonna

93

00:04:41,110 --> 00:04:39,199

do a double she's gonna do ucr and then

94

00:04:44,150 --> 00:04:41,120

she's gonna come on my show so that'll

95

00:04:45,909 --> 00:04:44,160

be fun and then you should get ufo joe

96

00:04:47,670 --> 00:04:45,919

too yeah

97

00:04:49,749 --> 00:04:47,680

and then they get married

98

00:04:52,710 --> 00:04:49,759

before jane and joe well we have to have

99

00:04:54,830 --> 00:04:52,720

ufo jesus to officiate of course um

100

00:04:57,430 --> 00:04:54,840

but yeah and then

101

00:05:00,230 --> 00:04:57,440

yeah until monday so

102

00:05:03,909 --> 00:05:00,240

engage in the phenomenon toby

103

00:05:06,550 --> 00:05:03,919

awesome so happy everyone's here um k-42

104

00:05:07,670 --> 00:05:06,560

d so without further

105

00:05:10,870 --> 00:05:07,680

ado

106

00:05:13,110 --> 00:05:10,880

uh let me bring in i'm just gonna call

107

00:05:15,029 --> 00:05:13,120

him exo because that's easier for me

108

00:05:17,029 --> 00:05:15,039

mr xo how you doing

109

00:05:18,550 --> 00:05:17,039

i'm doing well can you hear me okay i

110

00:05:20,950 --> 00:05:18,560

can hear you great

111

00:05:23,510 --> 00:05:20,960

excellent you can go with exo academian

112

00:05:25,670 --> 00:05:23,520

or xo academian or exo works great for

113

00:05:29,029 --> 00:05:25,680

me okay yeah if you don't mind i'll call

114

00:05:31,189 --> 00:05:29,039

you xop sure if i don't i'm gonna call

115

00:05:32,870 --> 00:05:31,199

you like you know when you just listen

116

00:05:36,310 --> 00:05:32,880

to stuff whether it be

117

00:05:38,150 --> 00:05:36,320

on the phone or the radio and you kind

118

00:05:41,270 --> 00:05:38,160

of like make up what the person looks

119

00:05:44,469 --> 00:05:41,280

like in your mind maybe unintentionally

120

00:05:47,270 --> 00:05:44,479

and for whatever reason that to me

121

00:05:49,430 --> 00:05:47,280

you sound like rand paul

122

00:05:51,670 --> 00:05:49,440

yeah really okay

123

00:05:53,909 --> 00:05:51,680

and the secrets out it secrets out you

124

00:05:56,790 --> 00:05:53,919

figured it out my identity is exposed

125

00:05:59,510 --> 00:05:56,800

wow does it mean anything other than

126

00:06:00,550 --> 00:05:59,520

that than the sound that's it

127

00:06:02,710 --> 00:06:00,560

so

128

00:06:05,189 --> 00:06:02,720

i don't know why but i'm always

129

00:06:07,189 --> 00:06:05,199

completely wrong and i've spent like uh

130

00:06:09,670 --> 00:06:07,199

many many years in the phone business

131

00:06:11,430 --> 00:06:09,680

and i would you know you do that and i

132

00:06:12,950 --> 00:06:11,440

meet the person i'm like wow i was way

133

00:06:14,710 --> 00:06:12,960

off

134

00:06:16,550 --> 00:06:14,720

you know it's not funny i mean i i

135

00:06:18,870 --> 00:06:16,560

recently got together with with somebody

136

00:06:20,230 --> 00:06:18,880

locally who's been on ufo twitter

137

00:06:21,830 --> 00:06:20,240

and you don't realize you're doing it

138

00:06:23,510 --> 00:06:21,840

but you build up this whole conception

139

00:06:25,270 --> 00:06:23,520

of you know their personality their

140

00:06:26,550 --> 00:06:25,280

demeanor what they look like and then

141

00:06:28,390 --> 00:06:26,560

you meet them and it's only then that

142

00:06:29,590 --> 00:06:28,400

you realize that's totally not what i

143

00:06:31,029 --> 00:06:29,600

pictured and you weren't even really

144

00:06:32,629 --> 00:06:31,039

conscious that you were picturing them

145

00:06:35,909 --> 00:06:32,639

but it happened and then you're like i

146

00:06:38,550 --> 00:06:37,350

you're not him what are you talking

147

00:06:41,830 --> 00:06:38,560

about

148

00:06:44,790 --> 00:06:41,840

so um yeah meet priscilla priscilla exo

149

00:06:45,990 --> 00:06:44,800

um hi priscilla hello great to meet you

150

00:06:49,830 --> 00:06:46,000

love you

151

00:06:51,990 --> 00:06:49,840

so i'll just say um i'm new to the the

152

00:06:52,870 --> 00:06:52,000

exo show uh engaging the phenomena and

153

00:06:55,270 --> 00:06:52,880

actually

154

00:06:58,230 --> 00:06:55,280

uh james there um

155

00:07:00,390 --> 00:06:58,240

uh nudged me in your direction

156

00:07:02,790 --> 00:07:00,400

the cosmic networker also known as james

157

00:07:06,150 --> 00:07:02,800

iandoli yes yeah

158

00:07:07,830 --> 00:07:06,160

in the first episode i listened to was

159

00:07:10,390 --> 00:07:07,840

the collins elite one

160

00:07:12,710 --> 00:07:10,400

um and i'm you know i like

161

00:07:14,070 --> 00:07:12,720

i'm not a conspiracy guy

162

00:07:15,189 --> 00:07:14,080

really but

163

00:07:18,230 --> 00:07:15,199

i don't think

164

00:07:19,830 --> 00:07:18,240

this really is either at this point and

165

00:07:20,710 --> 00:07:19,840

you take things

166

00:07:22,390 --> 00:07:20,720

uh

167

00:07:24,790 --> 00:07:22,400

with a really great perspective to where

168

00:07:26,950 --> 00:07:24,800

you're not like attaching yourself to to

169

00:07:29,510 --> 00:07:26,960

this story or that story you're just

170

00:07:31,350 --> 00:07:29,520

kind of telling the story as it is as

171

00:07:33,110 --> 00:07:31,360

the facts lay bear and i really

172

00:07:35,670 --> 00:07:33,120

appreciate that and i learned some

173

00:07:39,350 --> 00:07:35,680

things about was it um jack parsons i

174

00:07:42,230 --> 00:07:39,360

think yeah in his occult stuff and

175

00:07:43,749 --> 00:07:42,240

um basically how the whole demon aspect

176
00:07:46,469 --> 00:07:43,759
of this thing

177
00:07:49,029 --> 00:07:46,479
may have gotten started and why we hear

178
00:07:51,350 --> 00:07:49,039
that um now

179
00:07:53,510 --> 00:07:51,360
as you know possibly the reason

180
00:07:55,350 --> 00:07:53,520
you know secrets are kept so

181
00:07:56,710 --> 00:07:55,360
um i guess the first thing i want to ask

182
00:08:05,510 --> 00:07:56,720
is

183
00:08:07,909 --> 00:08:05,520
kind of struck you were you irritated

184
00:08:09,270 --> 00:08:07,919
with the whole thing what was it

185
00:08:11,430 --> 00:08:09,280
yeah i think there's a there's a few

186
00:08:13,589 --> 00:08:11,440
factors with that one in particular one

187
00:08:15,270 --> 00:08:13,599
because luella zondo you know was pretty

188
00:08:17,510 --> 00:08:15,280

clear about running into those kind of

189

00:08:19,749 --> 00:08:17,520

elements so it's not just you know

190

00:08:23,029 --> 00:08:19,759

right back in the 50s 60s 70s 80s it's

191

00:08:24,710 --> 00:08:23,039

still got an active contingent now

192

00:08:26,390 --> 00:08:24,720

and you know so partly just as an

193

00:08:28,869 --> 00:08:26,400

american who understands that's

194

00:08:30,390 --> 00:08:28,879

completely unconstitutional and why

195

00:08:33,269 --> 00:08:30,400

would people in positions of power be

196

00:08:34,949 --> 00:08:33,279

making decisions for everybody else uh

197

00:08:36,310 --> 00:08:34,959

just that kind of creates some sort of

198

00:08:38,469 --> 00:08:36,320

you know a little bit of outreach

199

00:08:40,070 --> 00:08:38,479

outrage in me

200

00:08:42,389 --> 00:08:40,080

and just sort of shutting down the

201

00:08:43,430 --> 00:08:42,399

curiosity you know like just to

202

00:08:44,949 --> 00:08:43,440

uh

203

00:08:46,550 --> 00:08:44,959

just as a curious person i want to

204

00:08:48,630 --> 00:08:46,560

investigate things and learn more and

205

00:08:51,350 --> 00:08:48,640

i'm very open-minded and open-ended in

206

00:08:53,670 --> 00:08:51,360

terms of what's going on with reality

207

00:08:55,430 --> 00:08:53,680

but also i think another major factor

208

00:08:57,269 --> 00:08:55,440

for me is i uh

209

00:08:59,430 --> 00:08:57,279

you know i have a background in biblical

210

00:09:01,269 --> 00:08:59,440

studies and religious studies and you

211

00:09:02,870 --> 00:09:01,279

know at one point in my life considered

212

00:09:05,430 --> 00:09:02,880

myself an evangelical christian i don't

213

00:09:06,949 --> 00:09:05,440

anymore but at one point i did

214

00:09:09,190 --> 00:09:06,959

and so i

215

00:09:11,190 --> 00:09:09,200

i have a you know keen familiarity with

216

00:09:12,790 --> 00:09:11,200

what it's like to be in those circles

217

00:09:14,150 --> 00:09:12,800

when you're convinced of these things

218

00:09:15,990 --> 00:09:14,160

and i think

219

00:09:18,389 --> 00:09:16,000

when you've been in those circles do you

220

00:09:21,110 --> 00:09:18,399

really understand how that world view

221

00:09:23,030 --> 00:09:21,120

can be so absolute and how it could even

222

00:09:25,030 --> 00:09:23,040

lead you to do things professionally

223

00:09:26,389 --> 00:09:25,040

that are not even very professional

224

00:09:28,310 --> 00:09:26,399

because it's you know you wear it it's

225

00:09:29,990 --> 00:09:28,320

the it's the pair of glasses that you

226

00:09:31,910 --> 00:09:30,000

wear that you don't even see

227

00:09:33,269 --> 00:09:31,920

um and so it doesn't surprise me that

228

00:09:35,190 --> 00:09:33,279

there's a contingent within the us

229

00:09:36,389 --> 00:09:35,200

government that thinks that way because

230

00:09:38,230 --> 00:09:36,399

i've been in those circles and i know

231

00:09:41,990 --> 00:09:38,240

how absolute they are

232

00:09:44,870 --> 00:09:42,000

right yeah kind of uh summing up every

233

00:09:47,190 --> 00:09:44,880

evil that exists every down to the

234

00:09:50,790 --> 00:09:47,200

thought sometimes just straight up to

235

00:09:52,710 --> 00:09:50,800

the devil that's the devil

236

00:09:55,269 --> 00:09:52,720

behind every bush is the way the saying

237

00:09:56,070 --> 00:09:55,279

goes and uh yeah pretty much

238

00:09:57,670 --> 00:09:56,080

yeah

239

00:09:59,350 --> 00:09:57,680

um

240

00:10:02,550 --> 00:09:59,360

priscilla did you listen to that episode

241

00:10:04,230 --> 00:10:02,560

by chance yeah i did and it's kind of um

242

00:10:07,190 --> 00:10:04,240

i was kinda i've heard of it before but

243

00:10:09,030 --> 00:10:07,200

i the way you put it was you had all the

244

00:10:10,470 --> 00:10:09,040

facts so it made it was kind of like on

245

00:10:11,670 --> 00:10:10,480

the edge of like am i being paranoid

246

00:10:14,470 --> 00:10:11,680

when i'm reading about this or like

247

00:10:16,550 --> 00:10:14,480

leaving it but then the way that you

248

00:10:18,630 --> 00:10:16,560

made your episode you just had like he

249

00:10:20,550 --> 00:10:18,640

said you have all the facts and you're

250

00:10:21,670 --> 00:10:20,560

not uh trying to push some sort of

251

00:10:24,230 --> 00:10:21,680

narrative you're just like this is

252

00:10:25,750 --> 00:10:24,240

what's out there and it's kind of scary

253

00:10:27,430 --> 00:10:25,760

how um

254

00:10:29,030 --> 00:10:27,440

something things like that are happening

255

00:10:30,790 --> 00:10:29,040

to this day and you're right it's all

256

00:10:33,190 --> 00:10:30,800

unconstitutional and

257

00:10:36,790 --> 00:10:33,200

it does make people angry because

258

00:10:38,550 --> 00:10:36,800

we are putting our our livelihoods in

259

00:10:39,670 --> 00:10:38,560

in the hands of these you know of our

260

00:10:41,030 --> 00:10:39,680

government thinking that they're going

261

00:10:42,630 --> 00:10:41,040

to do the right thing and then they're

262

00:10:44,949 --> 00:10:42,640

hiding things from us

263

00:10:47,509 --> 00:10:44,959

now you actually started exo about 12

264

00:10:49,750 --> 00:10:47,519

months ago i heard today on on your

265

00:10:51,350 --> 00:10:49,760

latest episode was so what kick-started

266

00:10:52,870 --> 00:10:51,360

you there

267

00:10:53,670 --> 00:10:52,880

well i think

268

00:10:55,670 --> 00:10:53,680

um

269

00:10:57,910 --> 00:10:55,680

so i sort of came back into this sort of

270

00:10:59,430 --> 00:10:57,920

ufo picture

271

00:11:01,030 --> 00:10:59,440

around the time of the you know the new

272

00:11:02,870 --> 00:11:01,040

york times kind of breaking those

273

00:11:04,389 --> 00:11:02,880

articles i was interested in long before

274

00:11:05,590 --> 00:11:04,399

then but it had kind of gone dormant for

275

00:11:07,670 --> 00:11:05,600

a long time

276

00:11:09,670 --> 00:11:07,680

um so i have a long long history with

277

00:11:11,269 --> 00:11:09,680

this topic in general partly related to

278

00:11:13,269 --> 00:11:11,279

some personal experiences but it kind of

279

00:11:14,949 --> 00:11:13,279

was dormant for a long time kind of came

280

00:11:17,110 --> 00:11:14,959

back online when that whole revelation

281

00:11:18,710 --> 00:11:17,120

happened in 2017

282

00:11:21,910 --> 00:11:18,720

and then i came on to sort of ufo

283

00:11:23,590 --> 00:11:21,920

twitter i think in early 2019

284

00:11:26,949 --> 00:11:23,600

and what happened was you know what you

285

00:11:29,030 --> 00:11:26,959

can only say so much succinctly in 220

286

00:11:31,509 --> 00:11:29,040

characters right so of course and this

287

00:11:33,829 --> 00:11:31,519

is such a nuanced topic with so many

288

00:11:35,990 --> 00:11:33,839

elements involved that you constantly

289

00:11:36,790 --> 00:11:36,000

find yourself wrestling with what can i

290

00:11:38,790 --> 00:11:36,800

say

291

00:11:40,470 --> 00:11:38,800

in 220 characters that's going to be

292

00:11:42,310 --> 00:11:40,480

meaningful right and it's going to touch

293

00:11:43,910 --> 00:11:42,320

on all the elements i need to touch on

294

00:11:45,590 --> 00:11:43,920

eventually realize you really can't and

295

00:11:47,829 --> 00:11:45,600

it's not really

296

00:11:49,190 --> 00:11:47,839

the medium that's wired for that for

297

00:11:51,030 --> 00:11:49,200

that kind of you know ongoing

298

00:11:51,910 --> 00:11:51,040

conversation with nuance so that's why i

299

00:11:53,350 --> 00:11:51,920

thought

300

00:11:55,190 --> 00:11:53,360

what i'd really like to do and this is

301
00:11:57,670 --> 00:11:55,200

partly just based on

302
00:11:59,829 --> 00:11:57,680

relationships and and realizing that

303
00:12:01,590 --> 00:11:59,839

you can build up a shared vocabulary and

304
00:12:02,949 --> 00:12:01,600

a shared history where you understand

305
00:12:04,150 --> 00:12:02,959

what you're referring to and once you

306
00:12:06,069 --> 00:12:04,160

have that

307
00:12:07,430 --> 00:12:06,079

that sort of groundwork done

308
00:12:09,350 --> 00:12:07,440

then you can have really sort of

309
00:12:11,430 --> 00:12:09,360

sophisticated nuanced conversations

310
00:12:13,750 --> 00:12:11,440

where you have a background in in common

311
00:12:15,910 --> 00:12:13,760

with people so what i wanted to do it

312
00:12:17,430 --> 00:12:15,920

occurred to me why don't i do a podcast

313
00:12:19,350 --> 00:12:17,440

where i do these sort of 30 minute

314

00:12:21,750 --> 00:12:19,360

podcast i wanted to do something

315

00:12:23,509 --> 00:12:21,760

different not not just an interview

316

00:12:26,150 --> 00:12:23,519

show although i do that do that once in

317

00:12:27,670 --> 00:12:26,160

a while but generally i just do me

318

00:12:28,790 --> 00:12:27,680

taking on a certain topic and talking

319

00:12:29,670 --> 00:12:28,800

about it

320

00:12:31,110 --> 00:12:29,680

and

321

00:12:32,550 --> 00:12:31,120

i figured that over time i would be able

322

00:12:33,829 --> 00:12:32,560

to build on arguments be able to

323

00:12:34,949 --> 00:12:33,839

reference things that people had already

324

00:12:36,870 --> 00:12:34,959

heard so i wouldn't have to keep going

325

00:12:38,310 --> 00:12:36,880

back over it and you can say something a

326

00:12:40,069 --> 00:12:38,320

bit more sophisticated and with more

327

00:12:42,550 --> 00:12:40,079

nuance when you when you can speak in

328

00:12:45,269 --> 00:12:42,560

long form like that right right oh and i

329

00:12:46,870 --> 00:12:45,279

should say um is it your

330

00:12:49,190 --> 00:12:46,880

did i hear it right it's your one year

331

00:12:50,710 --> 00:12:49,200

anniversary basically

332

00:12:53,509 --> 00:12:50,720

yeah i think uh

333

00:12:55,750 --> 00:12:53,519

seems like around december 20th of last

334

00:12:57,269 --> 00:12:55,760

year was my first episode so yeah coming

335

00:12:58,870 --> 00:12:57,279

up on

336

00:13:01,509 --> 00:12:58,880

cool on the one year anniversary and i

337

00:13:03,670 --> 00:13:01,519

have so far you know knock on wood been

338

00:13:05,590 --> 00:13:03,680

able to do an episode every week so i've

339

00:13:08,150 --> 00:13:05,600

done 50 episodes now

340

00:13:10,470 --> 00:13:08,160

that's fantastic and that's not uh any

341

00:13:11,509 --> 00:13:10,480

small feat because of the work you put

342

00:13:13,350 --> 00:13:11,519

into it

343

00:13:15,430 --> 00:13:13,360

um i know

344

00:13:17,590 --> 00:13:15,440

you know researching and collecting is

345

00:13:18,470 --> 00:13:17,600

one thing but analyzing and putting

346

00:13:21,269 --> 00:13:18,480

together

347

00:13:23,190 --> 00:13:21,279

you know a podcast is

348

00:13:25,190 --> 00:13:23,200

is another and that that's quite a feats

349

00:13:26,629 --> 00:13:25,200

of good work man what do you think yeah

350

00:13:28,790 --> 00:13:26,639

appreciate that

351
00:13:30,710 --> 00:13:28,800
yeah i you're you're very thorough and

352
00:13:32,389 --> 00:13:30,720
i've i've started

353
00:13:34,550 --> 00:13:32,399
trying to write things to do on my own

354
00:13:36,389 --> 00:13:34,560
show but it takes so much time to

355
00:13:37,190 --> 00:13:36,399
properly research and i

356
00:13:38,389 --> 00:13:37,200
and

357
00:13:40,150 --> 00:13:38,399
you want to check the research that

358
00:13:41,509 --> 00:13:40,160
you're researching too so it's hard and

359
00:13:44,069 --> 00:13:41,519
then it's hard to put it all together in

360
00:13:45,990 --> 00:13:44,079
a way that is you know under 30 minutes

361
00:13:47,910 --> 00:13:46,000
so people actually listen and also have

362
00:13:49,430 --> 00:13:47,920
it flow and make sense and have all the

363
00:13:51,670 --> 00:13:49,440

points covered so you're doing an

364

00:13:53,350 --> 00:13:51,680

amazing job with that yeah thanks and i

365

00:13:54,150 --> 00:13:53,360

appreciate that and and and like you

366

00:13:55,350 --> 00:13:54,160

said

367

00:13:56,790 --> 00:13:55,360

you want to make sure you've covered

368

00:13:58,230 --> 00:13:56,800

your basis and you you want to make sure

369

00:14:00,150 --> 00:13:58,240

you don't say something you regret three

370

00:14:01,590 --> 00:14:00,160

months later you know like you if it's

371

00:14:03,430 --> 00:14:01,600

going to be for the record you want to

372

00:14:05,590 --> 00:14:03,440

feel confident that what you're saying

373

00:14:07,590 --> 00:14:05,600

you know you can really back up and so

374

00:14:09,829 --> 00:14:07,600

for instance even when i take on

375

00:14:11,350 --> 00:14:09,839

specific cases where people have had

376

00:14:12,470 --> 00:14:11,360

abduction experiences or contact

377

00:14:14,629 --> 00:14:12,480

experiences

378

00:14:17,269 --> 00:14:14,639

i want to know that there are other

379

00:14:19,269 --> 00:14:17,279

cases like that what other corroborating

380

00:14:20,870 --> 00:14:19,279

evidence is there for that case in

381

00:14:23,269 --> 00:14:20,880

general so i can feel fairly confident

382

00:14:25,509 --> 00:14:23,279

that the case i'm discussing is a fairly

383

00:14:28,150 --> 00:14:25,519

common one that's well supported kind of

384

00:14:31,110 --> 00:14:28,160

in in the literature

385

00:14:33,269 --> 00:14:31,120

um

386

00:14:35,990 --> 00:14:33,279

so can you

387

00:14:38,069 --> 00:14:36,000

can we go into the uh actual jack

388

00:14:40,310 --> 00:14:38,079

parsons aspect of this because he was

389

00:14:42,069 --> 00:14:40,320

working with nasa and everything back to

390

00:14:44,310 --> 00:14:42,079

the college elite stuff sorry to jump

391

00:14:46,710 --> 00:14:44,320

around but he was working with uh nasa

392

00:14:49,350 --> 00:14:46,720

and everything in you were talking about

393

00:14:52,389 --> 00:14:49,360

how there was he had an attachment to

394

00:14:54,230 --> 00:14:52,399

was it uh aleister crowley or maybe a

395

00:14:56,389 --> 00:14:54,240

degree short or something

396

00:14:59,350 --> 00:14:56,399

um but the belief is

397

00:15:02,949 --> 00:14:59,360

you know around 47 or or whatever

398

00:15:05,670 --> 00:15:02,959

crowley did some kind of um seance or

399

00:15:06,389 --> 00:15:05,680

ritual or whatever that possibly opened

400

00:15:08,310 --> 00:15:06,399

up

401
00:15:09,750 --> 00:15:08,320
this place whether it be a dimension or

402
00:15:12,949 --> 00:15:09,760
portal or whatever

403
00:15:15,110 --> 00:15:12,959
um for these uh saucers beings or

404
00:15:16,629 --> 00:15:15,120
whatever you want to say uh to start

405
00:15:18,310 --> 00:15:16,639
coming into

406
00:15:20,389 --> 00:15:18,320
you know our dimension

407
00:15:21,189 --> 00:15:20,399
um

408
00:15:23,430 --> 00:15:21,199
yeah

409
00:15:26,389 --> 00:15:23,440
leave that at all do we know if we

410
00:15:27,910 --> 00:15:26,399
you know if crowley thought that

411
00:15:28,790 --> 00:15:27,920
that's a good question i mean i think

412
00:15:30,550 --> 00:15:28,800
that

413
00:15:36,230 --> 00:15:30,560

my guess is

414

00:15:37,990 --> 00:15:36,240

a fundamentalist evangelical perspective

415

00:15:39,749 --> 00:15:38,000

on anything to do with the occult now

416

00:15:41,350 --> 00:15:39,759

right i don't know if either of you have

417

00:15:43,350 --> 00:15:41,360

a christian background but for me you

418

00:15:44,949 --> 00:15:43,360

can do it right so you know that the

419

00:15:46,870 --> 00:15:44,959

occult is bad news right in christian

420

00:15:49,189 --> 00:15:46,880

circles nothing to do with the occult

421

00:15:50,710 --> 00:15:49,199

like that's a bad word right in fact it

422

00:15:52,069 --> 00:15:50,720

was only years afterwards that i

423

00:15:53,990 --> 00:15:52,079

realized hey people are talking about

424

00:15:55,110 --> 00:15:54,000

that they don't mean it like like a slur

425

00:15:58,069 --> 00:15:55,120

you know i mean like they actually made

426
00:15:59,670 --> 00:15:58,079
it like a positive thing yeah but for me

427
00:16:01,749 --> 00:15:59,680
it was always you know

428
00:16:03,509 --> 00:16:01,759
magic and quote-unquote magic and

429
00:16:05,430 --> 00:16:03,519
quote-unquote the occult

430
00:16:07,749 --> 00:16:05,440
seances ouija boards all of that was

431
00:16:09,509 --> 00:16:07,759
kind of like this really dark deceptive

432
00:16:11,990 --> 00:16:09,519
nefarious stuff you don't mess with and

433
00:16:14,069 --> 00:16:12,000
if you do demons can possess you

434
00:16:15,990 --> 00:16:14,079
basically was the was the thinking so

435
00:16:17,430 --> 00:16:16,000
again i totally get the thinking and i

436
00:16:19,110 --> 00:16:17,440
know what it's like to be

437
00:16:20,790 --> 00:16:19,120
in those circles where

438
00:16:22,310 --> 00:16:20,800

that kind of that's the ethos that's

439

00:16:23,509 --> 00:16:22,320

kind of the smoke that's rising all

440

00:16:25,509 --> 00:16:23,519

around you and people just are kind of

441

00:16:27,509 --> 00:16:25,519

bit paranoid about it right and they

442

00:16:28,870 --> 00:16:27,519

even to the point where people

443

00:16:30,150 --> 00:16:28,880

don't want to even think about it

444

00:16:31,509 --> 00:16:30,160

critically because that makes them

445

00:16:33,269 --> 00:16:31,519

nervous that they might be letting it in

446

00:16:34,230 --> 00:16:33,279

by even thinking about it

447

00:16:36,790 --> 00:16:34,240

there's this

448

00:16:40,310 --> 00:16:36,800

like

449

00:16:43,590 --> 00:16:40,320

and uh

450

00:16:46,389 --> 00:16:43,600

so so yeah i don't think crowley and or

451
00:16:48,790 --> 00:16:46,399
parsons thought that i think that they

452
00:16:50,470 --> 00:16:48,800
thought that the the universe was

453
00:16:52,629 --> 00:16:50,480
teeming with interdimensional life and

454
00:16:54,790 --> 00:16:52,639
they felt like they could reach across

455
00:16:57,030 --> 00:16:54,800
and connect with entities beyond what we

456
00:16:58,550 --> 00:16:57,040
experience in our everyday waking world

457
00:17:00,230 --> 00:16:58,560
that's what they were trying it's the

458
00:17:01,990 --> 00:17:00,240
interpretation of the collins elite

459
00:17:03,829 --> 00:17:02,000
coming from a fundamentalist

460
00:17:06,150 --> 00:17:03,839
christian perspective that saw that is

461
00:17:08,470 --> 00:17:06,160
all connected and as i sort of you know

462
00:17:10,549 --> 00:17:08,480
said in the episode which is based on

463
00:17:12,870 --> 00:17:10,559

nick redfern's excellent book uh final

464

00:17:14,710 --> 00:17:12,880

event so he did a lot of the research

465

00:17:16,150 --> 00:17:14,720

and i you know i read his book and i

466

00:17:19,110 --> 00:17:16,160

also listened to a bunch of interviews

467

00:17:21,189 --> 00:17:19,120

he did talking about it and he also

468

00:17:22,789 --> 00:17:21,199

you know did a good job of of staying

469

00:17:25,029 --> 00:17:22,799

objective like he would share their

470

00:17:26,710 --> 00:17:25,039

perspectives share the theology they

471

00:17:28,230 --> 00:17:26,720

were basing this on but never did he buy

472

00:17:30,630 --> 00:17:28,240

into it or never did he say he thought

473

00:17:32,150 --> 00:17:30,640

that was legitimate or not he just you

474

00:17:33,190 --> 00:17:32,160

know presented the evidence presented

475

00:17:34,710 --> 00:17:33,200

the facts

476

00:17:38,870 --> 00:17:34,720

right from my point of view it looks a

477

00:17:41,270 --> 00:17:38,880

lot like uh hearsay a lot of like

478

00:17:42,789 --> 00:17:41,280

associations a lot of um you know

479

00:17:44,390 --> 00:17:42,799

correlation but not necessarily

480

00:17:46,789 --> 00:17:44,400

causation right that's what i mentioned

481

00:17:48,789 --> 00:17:46,799

in the podcast that events happened

482

00:17:51,029 --> 00:17:48,799

around those times right like so soon

483

00:17:53,669 --> 00:17:51,039

after parsons death and around parsons

484

00:17:55,750 --> 00:17:53,679

death there was this you know mysterious

485

00:17:57,510 --> 00:17:55,760

you know explosion that happened some

486

00:17:59,110 --> 00:17:57,520

people think he was just working on

487

00:18:00,870 --> 00:17:59,120

rockets because he had a rocket company

488

00:18:04,390 --> 00:18:00,880

right he built rockets for

489

00:18:06,950 --> 00:18:04,400

for nasa and he ended up getting losing

490

00:18:09,110 --> 00:18:06,960

his uh you know security privileges

491

00:18:10,710 --> 00:18:09,120

because he tried to

492

00:18:12,390 --> 00:18:10,720

he took some documents to show to the

493

00:18:13,830 --> 00:18:12,400

israelis not because he was a supply but

494

00:18:15,590 --> 00:18:13,840

because he wanted more work as a rocket

495

00:18:16,950 --> 00:18:15,600

scientist right

496

00:18:18,870 --> 00:18:16,960

he didn't have he didn't have a resume

497

00:18:20,630 --> 00:18:18,880

which sounds so bizarre right come on

498

00:18:21,830 --> 00:18:20,640

man

499

00:18:23,270 --> 00:18:21,840

it's like well i'll just take these top

500

00:18:27,270 --> 00:18:23,280

secret documents you know because i

501
00:18:29,110 --> 00:18:27,280
don't i don't got a resume you know um

502
00:18:30,950 --> 00:18:29,120
so some people think you know the

503
00:18:33,110 --> 00:18:30,960
prosaic explanation was he was working

504
00:18:35,190 --> 00:18:33,120
on a new rocket technology there was an

505
00:18:37,510 --> 00:18:35,200
explosion he got as far as the hospital

506
00:18:39,190 --> 00:18:37,520
he died there but to the collins elite

507
00:18:41,350 --> 00:18:39,200
knowing that he has again a loose

508
00:18:43,590 --> 00:18:41,360
connection he kind of was a follower a

509
00:18:46,230 --> 00:18:43,600
devotee of crowley's right

510
00:18:48,549 --> 00:18:46,240
and interested in similar aspects

511
00:18:50,630 --> 00:18:48,559
he also was supposedly trying to reach

512
00:18:52,470 --> 00:18:50,640
across dimensions and make contact with

513
00:18:54,549 --> 00:18:52,480

another kind of entity

514

00:18:55,909 --> 00:18:54,559

so from their perspective they wonder if

515

00:18:56,789 --> 00:18:55,919

actually what happened was this sort of

516

00:18:58,789 --> 00:18:56,799

like

517

00:18:59,990 --> 00:18:58,799

uh explosion that partly opened up a

518

00:19:01,590 --> 00:19:00,000

portal

519

00:19:03,909 --> 00:19:01,600

again from the fundamentalist christian

520

00:19:05,350 --> 00:19:03,919

perspective he died because they will

521

00:19:06,870 --> 00:19:05,360

fool you right they will mess with your

522

00:19:08,870 --> 00:19:06,880

mind they'll think that you're doing fun

523

00:19:10,470 --> 00:19:08,880

stuff but they will they're dark and

524

00:19:12,310 --> 00:19:10,480

deceptive and they will destroy you so

525

00:19:14,310 --> 00:19:12,320

that from the collins elite perspective

526

00:19:15,110 --> 00:19:14,320

parsons sort of paid the price

527

00:19:16,870 --> 00:19:15,120

for

528

00:19:18,870 --> 00:19:16,880

messing with the occult and in the

529

00:19:21,669 --> 00:19:18,880

meantime they got their way because he

530

00:19:23,830 --> 00:19:21,679

managed to open a portal uh to this sort

531

00:19:26,230 --> 00:19:23,840

of nefarious underworld where that

532

00:19:28,950 --> 00:19:26,240

ushered in a whole new wave

533

00:19:30,789 --> 00:19:28,960

of ufo sightings and abductions

534

00:19:32,230 --> 00:19:30,799

tied specifically to

535

00:19:34,870 --> 00:19:32,240

the the wave of sightings that happened

536

00:19:36,470 --> 00:19:34,880

over washington dc in 52 or 53 soon

537

00:19:37,990 --> 00:19:36,480

after his death

538

00:19:40,310 --> 00:19:38,000

yeah i've put a lot of research into

539

00:19:41,990 --> 00:19:40,320

that sighting actually i found over 103

540

00:19:43,909 --> 00:19:42,000

documents on it

541

00:19:45,830 --> 00:19:43,919

pretty really interesting yeah pretty

542

00:19:48,230 --> 00:19:45,840

pretty fascinating stuff they wind up

543

00:19:49,590 --> 00:19:48,240

blaming it on temperature inversions but

544

00:19:51,750 --> 00:19:49,600

um and

545

00:19:54,150 --> 00:19:51,760

in the visuals as well they were they

546

00:19:55,990 --> 00:19:54,160

were blaming on that too right um and

547

00:19:57,510 --> 00:19:56,000

they even said isn't it interesting that

548

00:19:59,909 --> 00:19:57,520

the visuals

549

00:20:03,270 --> 00:19:59,919

um the temperature inversions happened

550

00:20:05,430 --> 00:20:03,280

around the the same spot of like i think

551
00:20:08,310 --> 00:20:05,440
it was 9 000

552
00:20:10,630 --> 00:20:08,320
you know a feet altitude but the visuals

553
00:20:13,029 --> 00:20:10,640
happen at 40 000 feet altitude so that

554
00:20:14,870 --> 00:20:13,039
was just a whole whole bunch now but

555
00:20:17,110 --> 00:20:14,880
there is definitely some tricksters

556
00:20:19,350 --> 00:20:17,120
stuff involved

557
00:20:20,950 --> 00:20:19,360
with you know what what whatever

558
00:20:23,510 --> 00:20:20,960
intelligence you want to say it is

559
00:20:25,190 --> 00:20:23,520
whether it's right or not so you know

560
00:20:27,110 --> 00:20:25,200
how do you

561
00:20:29,190 --> 00:20:27,120
you know how could you trust yourself

562
00:20:31,909 --> 00:20:29,200
enough to differentiate if you've

563
00:20:32,630 --> 00:20:31,919

experienced that to say okay that you

564

00:20:35,110 --> 00:20:32,640

know

565

00:20:37,110 --> 00:20:35,120

there could be safe entities yet and

566

00:20:39,430 --> 00:20:37,120

maybe it's just this one or just this

567

00:20:42,149 --> 00:20:39,440

time and how do you not just say okay

568

00:20:43,590 --> 00:20:42,159

i'm done you know right right

569

00:20:44,390 --> 00:20:43,600

yeah that's a great question i think

570

00:20:46,070 --> 00:20:44,400

that

571

00:20:47,990 --> 00:20:46,080

it's a really complicated question i

572

00:20:48,789 --> 00:20:48,000

think there's a lot a lot of elements to

573

00:20:53,190 --> 00:20:48,799

that

574

00:20:54,789 --> 00:20:53,200

would say absolutely people have

575

00:20:56,149 --> 00:20:54,799

negative experiences with negative

576

00:20:57,990 --> 00:20:56,159

entities so

577

00:20:59,350 --> 00:20:58,000

uh you know i look at it like you go

578

00:21:01,029 --> 00:20:59,360

into the jungle right and it's like

579

00:21:02,710 --> 00:21:01,039

someone someone might say listen the

580

00:21:04,230 --> 00:21:02,720

jungle is all love and light just go

581

00:21:06,630 --> 00:21:04,240

there have fun you know it's no nothing

582

00:21:08,630 --> 00:21:06,640

bad play with the monkeys right yeah and

583

00:21:11,510 --> 00:21:08,640

yet you know there's lions and panthers

584

00:21:12,230 --> 00:21:11,520

and snakes and you know giant spiders

585

00:21:14,070 --> 00:21:12,240

and

586

00:21:15,909 --> 00:21:14,080

you know you can die right you could

587

00:21:16,710 --> 00:21:15,919

walk into quicksand and not get back out

588

00:21:18,230 --> 00:21:16,720

so

589

00:21:20,870 --> 00:21:18,240

in other words you have to be aware of

590

00:21:22,789 --> 00:21:20,880

the territory the terrain know the sort

591

00:21:24,070 --> 00:21:22,799

of you know diversity of entities you

592

00:21:25,990 --> 00:21:24,080

may run into

593

00:21:28,310 --> 00:21:26,000

and you go prepared right and you bring

594

00:21:30,070 --> 00:21:28,320

a guide and you you think

595

00:21:31,590 --> 00:21:30,080

think ahead and plan ahead right so i

596

00:21:33,110 --> 00:21:31,600

look at it the same way

597

00:21:34,789 --> 00:21:33,120

with any kind of

598

00:21:37,270 --> 00:21:34,799

anomalous investigation or any kind of

599

00:21:38,870 --> 00:21:37,280

ufo phenomenon investigation

600

00:21:40,710 --> 00:21:38,880

um

601
00:21:42,950 --> 00:21:40,720
but i also think that

602
00:21:44,710 --> 00:21:42,960
the approach we bring the energy we

603
00:21:46,710 --> 00:21:44,720
bring what we sort of primed the

604
00:21:48,310 --> 00:21:46,720
experience with seems to have a huge

605
00:21:49,590 --> 00:21:48,320
effect on what we end up experiencing

606
00:21:52,149 --> 00:21:49,600
and you and you have to practice

607
00:21:55,350 --> 00:21:52,159
spiritual hygiene you know before you go

608
00:21:57,669 --> 00:21:55,360
into these endeavors as well um

609
00:21:59,190 --> 00:21:57,679
you know it's just sort of i think once

610
00:22:00,950 --> 00:21:59,200
you've looked into it a lot you kind of

611
00:22:03,430 --> 00:22:00,960
go okay is there some common sense that

612
00:22:05,430 --> 00:22:03,440
you you wish everyone would use when

613
00:22:07,190 --> 00:22:05,440

they're going into this and

614

00:22:09,029 --> 00:22:07,200

i think i've met some people who say

615

00:22:11,909 --> 00:22:09,039

they tend towards fear states really

616

00:22:13,590 --> 00:22:11,919

easily and i think they're wise to say

617

00:22:15,750 --> 00:22:13,600

until i've worked some of that out done

618

00:22:17,430 --> 00:22:15,760

some more shadow work figured out where

619

00:22:19,029 --> 00:22:17,440

is this fear coming from

620

00:22:20,789 --> 00:22:19,039

which could end up manifesting and be

621

00:22:22,630 --> 00:22:20,799

reflected back to you right like even

622

00:22:25,029 --> 00:22:22,640

with the skinwalker ranch

623

00:22:26,870 --> 00:22:25,039

uh investigations it seems very clear

624

00:22:28,630 --> 00:22:26,880

that a lot of times people get reflected

625

00:22:30,310 --> 00:22:28,640

back to them so if you go in with fear

626

00:22:32,549 --> 00:22:30,320

and dismay you may get that staring

627

00:22:34,549 --> 00:22:32,559

right back at you and that's it may even

628

00:22:36,310 --> 00:22:34,559

be more subconscious than that too you

629

00:22:37,750 --> 00:22:36,320

know again if you haven't done shadow

630

00:22:38,870 --> 00:22:37,760

work if you're not a really self-aware

631

00:22:40,630 --> 00:22:38,880

person if you haven't worked through

632

00:22:42,630 --> 00:22:40,640

some of those issues

633

00:22:44,549 --> 00:22:42,640

you i think it is wise to be wary of

634

00:22:45,750 --> 00:22:44,559

what might end up happening but on the

635

00:22:47,909 --> 00:22:45,760

other hand

636

00:22:49,909 --> 00:22:47,919

you look at something like ce5 right and

637

00:22:51,190 --> 00:22:49,919

if people go in with having done their

638

00:22:52,870 --> 00:22:51,200

grounding work having done their

639

00:22:54,470 --> 00:22:52,880

spiritual hygiene preparation all that

640

00:22:56,390 --> 00:22:54,480

kind of stuff

641

00:22:58,470 --> 00:22:56,400

it's reaching out to a specific kind of

642

00:23:00,870 --> 00:22:58,480

peaceful positive entity

643

00:23:02,470 --> 00:23:00,880

that the data says that the vast

644

00:23:05,029 --> 00:23:02,480

majority of the time people have

645

00:23:07,430 --> 00:23:05,039

positive experiences with those so and

646

00:23:09,909 --> 00:23:07,440

and so it makes me tend to

647

00:23:11,750 --> 00:23:09,919

conclude that in the very few cases in

648

00:23:13,510 --> 00:23:11,760

those specific cases where people have

649

00:23:15,830 --> 00:23:13,520

negative experiences there's probably

650

00:23:18,950 --> 00:23:15,840

some outlier factor that's involved as

651

00:23:20,549 --> 00:23:18,960

well so i think it's a again a cosmos

652

00:23:22,950 --> 00:23:20,559

teaming with interdimensional life i

653

00:23:24,470 --> 00:23:22,960

don't think it's one or two or three or

654

00:23:26,470 --> 00:23:24,480

five or 10

655

00:23:27,990 --> 00:23:26,480

aces or intelligences i think it's

656

00:23:29,669 --> 00:23:28,000

teeming with life

657

00:23:31,270 --> 00:23:29,679

and you know yeah you have to be aware

658

00:23:33,270 --> 00:23:31,280

of what you're you're going to reach out

659

00:23:35,909 --> 00:23:33,280

to and be prepared

660

00:23:37,510 --> 00:23:35,919

yeah i guess there could be you know

661

00:23:39,830 --> 00:23:37,520

that being said there could be entities

662

00:23:41,909 --> 00:23:39,840

that are just straight up no good

663

00:23:44,230 --> 00:23:41,919

business no matter what you do or think

664

00:23:46,310 --> 00:23:44,240

and there could be some that maybe yeah

665

00:23:47,669 --> 00:23:46,320

reflect you a little more which kind of

666

00:23:48,789 --> 00:23:47,679

reminds me of

667

00:23:50,870 --> 00:23:48,799

um

668

00:23:53,830 --> 00:23:50,880

you know i i hate to say it i guess but

669

00:23:56,470 --> 00:23:53,840

uh uh hallucinogens are smoking weed for

670

00:23:59,110 --> 00:23:56,480

the first time it's like if if you have

671

00:24:01,269 --> 00:23:59,120

a lot of fear or anxiety going into it

672

00:24:03,510 --> 00:24:01,279

that's gonna be magnified times a

673

00:24:06,789 --> 00:24:03,520

million vice versa you know like i've

674

00:24:09,669 --> 00:24:06,799

never taken lsd but you know i was i've

675

00:24:11,029 --> 00:24:09,679

always been told um if you do it just

676

00:24:13,590 --> 00:24:11,039

you know make sure you're in the right

677

00:24:16,830 --> 00:24:13,600

mood drink some orange juice

678

00:24:20,630 --> 00:24:16,840

or ayahuasca even or

679

00:24:22,950 --> 00:24:20,640

psilocybin dmt all of these are you know

680

00:24:26,390 --> 00:24:22,960

known to open up other dimensions or you

681

00:24:28,470 --> 00:24:26,400

experience other dimensions ayahuasca

682

00:24:30,950 --> 00:24:28,480

really throws you in there and they call

683

00:24:32,390 --> 00:24:30,960

her the mother because

684

00:24:34,470 --> 00:24:32,400

when people do ayahuasca trips they're

685

00:24:36,710 --> 00:24:34,480

often confronted with their shadow work

686

00:24:38,470 --> 00:24:36,720

and i'm really glad that exo brought up

687

00:24:40,950 --> 00:24:38,480

you know doing your own work and working

688

00:24:42,549 --> 00:24:40,960

on your own vs and your own energy

689

00:24:44,470 --> 00:24:42,559

before you attempt anything like this

690

00:24:46,310 --> 00:24:44,480

because like attracts like in the

691

00:24:47,669 --> 00:24:46,320

universe and what we have you know

692

00:24:50,149 --> 00:24:47,679

everywhere in the universe that we know

693

00:24:51,990 --> 00:24:50,159

of has duality why wouldn't they have

694

00:24:53,430 --> 00:24:52,000

duality in other dimensions

695

00:24:55,190 --> 00:24:53,440

but i'm really glad you brought that up

696

00:24:57,669 --> 00:24:55,200

because it's all about you know your

697

00:25:00,950 --> 00:24:57,679

intention when you're doing these things

698

00:25:02,710 --> 00:25:00,960

right i totally agree and uh you know

699

00:25:04,149 --> 00:25:02,720

we're talking a lot about subtle states

700

00:25:05,669 --> 00:25:04,159

right is what i would call this and you

701
00:25:06,789 --> 00:25:05,679
know i have a background in integral

702
00:25:08,630 --> 00:25:06,799
theory and

703
00:25:09,990 --> 00:25:08,640
and that's what we talk a lot about is

704
00:25:12,149 --> 00:25:10,000
sort of gross

705
00:25:13,669 --> 00:25:12,159
you know everyday waking world subtle

706
00:25:15,669 --> 00:25:13,679
and then causal sort of being the three

707
00:25:17,909 --> 00:25:15,679
sort of main states of reality and in

708
00:25:21,029 --> 00:25:17,919
those subtle states yes it's the

709
00:25:22,870 --> 00:25:21,039
smallest degree of negativity that you

710
00:25:24,870 --> 00:25:22,880
bring in could end up manifesting or

711
00:25:25,909 --> 00:25:24,880
something coming right back at you so

712
00:25:28,149 --> 00:25:25,919
yeah i think you have to be really

713
00:25:29,909 --> 00:25:28,159

careful uh i remember even talking to my

714

00:25:32,230 --> 00:25:29,919

friend john murjowski who you guys

715

00:25:33,029 --> 00:25:32,240

probably know um you know he's talked

716

00:25:34,789 --> 00:25:33,039

about

717

00:25:36,310 --> 00:25:34,799

both he and i have used galanta mean

718

00:25:38,470 --> 00:25:36,320

kind of as this uh

719

00:25:40,789 --> 00:25:38,480

you know to help lucid dream if more

720

00:25:42,390 --> 00:25:40,799

kind of thing and he's talked about one

721

00:25:43,590 --> 00:25:42,400

time drinking too much and going in kind

722

00:25:44,789 --> 00:25:43,600

of in a negative state and using

723

00:25:45,909 --> 00:25:44,799

glantomy and having not a great

724

00:25:47,669 --> 00:25:45,919

experience and having to sort of pull

725

00:25:49,510 --> 00:25:47,679

himself out and wake back up

726

00:25:51,669 --> 00:25:49,520

so yes

727

00:25:53,510 --> 00:25:51,679

again you want to be conscious of of how

728

00:25:55,510 --> 00:25:53,520

you're going in for sure

729

00:25:57,750 --> 00:25:55,520

yeah that's

730

00:26:00,390 --> 00:25:57,760

interesting that you uh yeah mentioned

731

00:26:02,630 --> 00:26:00,400

the lucid dreaming uh i've i've

732

00:26:06,149 --> 00:26:02,640

definitely done that before and it kind

733

00:26:08,630 --> 00:26:06,159

of seems like uh whatever that

734

00:26:10,950 --> 00:26:08,640

you know it i guess i i miss doing it

735

00:26:13,190 --> 00:26:10,960

i'd like to do it again i i remember

736

00:26:14,950 --> 00:26:13,200

when i was a kid it was just uh not

737

00:26:16,870 --> 00:26:14,960

maybe kid but teenager it was just kind

738

00:26:19,590 --> 00:26:16,880

of a natural thing for me to do and to

739

00:26:20,470 --> 00:26:19,600

know that i was doing it um but but now

740

00:26:22,230 --> 00:26:20,480

it's

741

00:26:24,310 --> 00:26:22,240

you know i'm just stuck in these dreams

742

00:26:26,230 --> 00:26:24,320

that take me on their little roller

743

00:26:28,070 --> 00:26:26,240

coasters

744

00:26:29,590 --> 00:26:28,080

you know whether i realize it or not but

745

00:26:30,630 --> 00:26:29,600

i'm just starting to dream again for the

746

00:26:32,070 --> 00:26:30,640

first

747

00:26:33,350 --> 00:26:32,080

well one thing i find fascinating about

748

00:26:35,190 --> 00:26:33,360

lucid dreaming we're talking about

749

00:26:37,430 --> 00:26:35,200

shadow work and all that

750

00:26:39,110 --> 00:26:37,440

one thing i find fascinating is how it's

751

00:26:40,870 --> 00:26:39,120

such a shortcut

752

00:26:42,630 --> 00:26:40,880

to being confronted with your own

753

00:26:45,990 --> 00:26:42,640

subconscious because

754

00:26:47,510 --> 00:26:46,000

uh i will you know you can sort of like

755

00:26:49,590 --> 00:26:47,520

lie to yourself you can hide from

756

00:26:51,269 --> 00:26:49,600

yourself in your everyday waking world

757

00:26:52,870 --> 00:26:51,279

but in dreaming and even more so in

758

00:26:54,390 --> 00:26:52,880

lucid dreams when they get really vivid

759

00:26:56,470 --> 00:26:54,400

you can't like whatever's there and

760

00:26:57,990 --> 00:26:56,480

you're holding back or burying it's

761

00:27:00,390 --> 00:26:58,000

going to surface in those cases again

762

00:27:02,230 --> 00:27:00,400

it's kind of a subtle state and so i'm

763

00:27:03,590 --> 00:27:02,240

always amazed how

764

00:27:05,590 --> 00:27:03,600

you know

765

00:27:07,669 --> 00:27:05,600

if i go to bed

766

00:27:09,029 --> 00:27:07,679

planning to lose a dream i try to be

767

00:27:11,750 --> 00:27:09,039

aware of you know having done some

768

00:27:14,149 --> 00:27:11,760

preparation preparation work beforehand

769

00:27:16,149 --> 00:27:14,159

be aware do i do i feel frustration do i

770

00:27:17,669 --> 00:27:16,159

feel anxiety do i have

771

00:27:19,510 --> 00:27:17,679

anger or anything like that that i need

772

00:27:21,990 --> 00:27:19,520

to sort of work through meditate through

773

00:27:23,750 --> 00:27:22,000

first because if you don't it's a good

774

00:27:25,909 --> 00:27:23,760

chance it's gonna end up manifesting

775

00:27:28,630 --> 00:27:25,919

come right back at you in the dream

776

00:27:30,230 --> 00:27:28,640

yeah no that's that's uh interesting

777

00:27:32,230 --> 00:27:30,240

that you say that

778

00:27:35,110 --> 00:27:32,240

priscilla actually has done a lot of

779

00:27:37,029 --> 00:27:35,120

work with dreams i would say

780

00:27:39,350 --> 00:27:37,039

so i guess would you agree that a lot of

781

00:27:41,029 --> 00:27:39,360

it probably comes down to also

782

00:27:43,430 --> 00:27:41,039

if your subconscious is confronting you

783

00:27:44,310 --> 00:27:43,440

you also kind of have to know how to

784

00:27:45,430 --> 00:27:44,320

um

785

00:27:47,750 --> 00:27:45,440

tell the

786

00:27:51,269 --> 00:27:47,760

the symbols involved in your dream and

787

00:27:54,389 --> 00:27:52,950

to actually have it make sense i guess

788

00:27:55,990 --> 00:27:54,399

and not have it come out physically

789

00:27:57,269 --> 00:27:56,000

through a panic attack

790

00:27:59,909 --> 00:27:57,279

yeah

791

00:28:01,269 --> 00:27:59,919

go ahead um people

792

00:28:02,470 --> 00:28:01,279

a lot of people come to me about their

793

00:28:04,549 --> 00:28:02,480

dreams because

794

00:28:05,990 --> 00:28:04,559

it's always happened so that's i think

795

00:28:08,230 --> 00:28:06,000

i've always been a lucid dreamer since i

796

00:28:09,990 --> 00:28:08,240

was little and had some weird astral

797

00:28:12,149 --> 00:28:10,000

projection stuff happening like when i

798

00:28:13,750 --> 00:28:12,159

was little that was out of control the

799

00:28:15,990 --> 00:28:13,760

the second i realized i was lucid

800

00:28:17,909 --> 00:28:16,000

dreaming and i started dreaming with

801
00:28:19,510 --> 00:28:17,919
intention which sounds weird it could be

802
00:28:21,190 --> 00:28:19,520
something simple like you drink some tea

803
00:28:23,510 --> 00:28:21,200
before bed and you do a grounding

804
00:28:26,230 --> 00:28:23,520
breaths or something more out there

805
00:28:28,710 --> 00:28:26,240
where you use herbs known to

806
00:28:30,310 --> 00:28:28,720
facilitate lucid dreaming states but yes

807
00:28:31,669 --> 00:28:30,320
if you're not ready and you don't know

808
00:28:33,750 --> 00:28:31,679
how to wake up in your dream which

809
00:28:36,789 --> 00:28:33,760
sounds crazy but that's what you have to

810
00:28:38,389 --> 00:28:36,799
do then you're going to be shown

811
00:28:40,870 --> 00:28:38,399
exactly what you need to be shown in a

812
00:28:42,950 --> 00:28:40,880
lot of cases even if you don't like it

813
00:28:44,549 --> 00:28:42,960

but once you start working intentionally

814

00:28:46,070 --> 00:28:44,559

with your dreams like you said like as i

815

00:28:47,909 --> 00:28:46,080

said preparation

816

00:28:49,110 --> 00:28:47,919

um you go to sleep with an intention and

817

00:28:50,630 --> 00:28:49,120

you can fall asleep just kind of

818

00:28:51,669 --> 00:28:50,640

repeating that in your head and then

819

00:28:53,909 --> 00:28:51,679

you'll

820

00:28:55,430 --> 00:28:53,919

learn to wake up in your dreams and

821

00:28:57,430 --> 00:28:55,440

you'll interact more with the

822

00:28:58,389 --> 00:28:57,440

environment and if it's a scary

823

00:28:59,750 --> 00:28:58,399

environment

824

00:29:01,830 --> 00:28:59,760

you can kind of

825

00:29:03,830 --> 00:29:01,840

pull out of it a little or have it ease

826

00:29:06,389 --> 00:29:03,840

a little bit or you can change um

827

00:29:07,830 --> 00:29:06,399

direction if it's too much for you

828

00:29:09,669 --> 00:29:07,840

right and i like what you said there too

829

00:29:11,269 --> 00:29:09,679

in terms of you know

830

00:29:13,350 --> 00:29:11,279

i mean the way i look at it is yeah i

831

00:29:15,510 --> 00:29:13,360

think sometimes people can go in with

832

00:29:17,190 --> 00:29:15,520

kind of this more shallow i want to have

833

00:29:19,029 --> 00:29:17,200

happy positive thoughts all the time

834

00:29:21,110 --> 00:29:19,039

right but what we really want to do is

835

00:29:22,549 --> 00:29:21,120

grow right and so

836

00:29:24,630 --> 00:29:22,559

sometimes that means being confronted

837

00:29:26,549 --> 00:29:24,640

with things and and i really

838

00:29:29,430 --> 00:29:26,559

am of the perspective that the only way

839

00:29:30,789 --> 00:29:29,440

passed is through yeah and so sometimes

840

00:29:32,789 --> 00:29:30,799

what's going on inside of you that you

841

00:29:34,630 --> 00:29:32,799

need to work through will manifest in

842

00:29:36,950 --> 00:29:34,640

your dreams and even if that feels scary

843

00:29:38,630 --> 00:29:36,960

or negative it's a gift it's still

844

00:29:41,190 --> 00:29:38,640

something being presented to you that

845

00:29:43,269 --> 00:29:41,200

your higher self wants you to process to

846

00:29:44,870 --> 00:29:43,279

move and to grow and so

847

00:29:46,710 --> 00:29:44,880

again a lot of it comes down to having

848

00:29:48,470 --> 00:29:46,720

more of a mature nuanced perspective

849

00:29:50,310 --> 00:29:48,480

recognizing that even the negative can

850

00:29:52,230 --> 00:29:50,320

be a gift and something you can use to

851
00:29:55,430 --> 00:29:52,240
move forward

852
00:29:56,950 --> 00:29:55,440
now how do you think um

853
00:29:58,389 --> 00:29:56,960
beings

854
00:30:00,310 --> 00:29:58,399
uh come into play

855
00:30:02,789 --> 00:30:00,320
through these dreams do you think it's

856
00:30:05,430 --> 00:30:02,799
you know some sort of um connected

857
00:30:09,830 --> 00:30:05,440
consciousness or do they possibly just

858
00:30:11,350 --> 00:30:09,840
live there in only their um

859
00:30:13,909 --> 00:30:11,360
you know what's your take

860
00:30:15,430 --> 00:30:13,919
yeah great question i mean i think um

861
00:30:17,269 --> 00:30:15,440
the sky's the limit in terms of the

862
00:30:19,510 --> 00:30:17,279
possibility yeah we get to that point

863
00:30:22,149 --> 00:30:19,520

again yeah yeah i mean in my most recent

864

00:30:24,870 --> 00:30:22,159

podcast i was talking about this um sort

865

00:30:27,269 --> 00:30:24,880

of the cosmic canvas with a k for cosmic

866

00:30:29,430 --> 00:30:27,279

meaning sort of the interior cosmos as

867

00:30:30,230 --> 00:30:29,440

well as the exterior cosmos

868

00:30:32,470 --> 00:30:30,240

and

869

00:30:34,149 --> 00:30:32,480

that some some of these entities can

870

00:30:37,190 --> 00:30:34,159

sort of seamlessly

871

00:30:38,710 --> 00:30:37,200

show up and you know leave soil samples

872

00:30:41,110 --> 00:30:38,720

and markings on your body but the same

873

00:30:42,710 --> 00:30:41,120

way they can not just from your

874

00:30:44,870 --> 00:30:42,720

subconscious populate but they can

875

00:30:46,950 --> 00:30:44,880

populate themselves into your dream

876

00:30:48,549 --> 00:30:46,960

right and so they can and often they

877

00:30:49,430 --> 00:30:48,559

will they'll communicate to you there in

878

00:30:50,789 --> 00:30:49,440

fact

879

00:30:51,990 --> 00:30:50,799

one of the things i've come across in my

880

00:30:54,149 --> 00:30:52,000

research

881

00:30:55,669 --> 00:30:54,159

is that often though a reason why it's

882

00:30:57,750 --> 00:30:55,679

useful for them to do that is because

883

00:30:59,590 --> 00:30:57,760

your usual sort of biological fear

884

00:31:02,149 --> 00:30:59,600

response to sort of like an evolutionary

885

00:31:03,669 --> 00:31:02,159

trait we all have to the unknown is

886

00:31:05,669 --> 00:31:03,679

offline when you're in dreams a lot of

887

00:31:07,110 --> 00:31:05,679

the time so you can actually i've had

888

00:31:09,669 --> 00:31:07,120

experiences where

889

00:31:11,509 --> 00:31:09,679

some really weird looking entities

890

00:31:13,350 --> 00:31:11,519

are communicating with me and i had this

891

00:31:15,269 --> 00:31:13,360

one happen recently it looks something

892

00:31:17,269 --> 00:31:15,279

like an ancient egyptian or a babylonian

893

00:31:18,870 --> 00:31:17,279

kind of griffin and

894

00:31:21,909 --> 00:31:18,880

sort of half lion half eagle kind of

895

00:31:23,909 --> 00:31:21,919

creature and it's its head was turned

896

00:31:25,990 --> 00:31:23,919

sideways but its eye was looking

897

00:31:27,990 --> 00:31:26,000

directly at me so it's like it's i was

898

00:31:29,990 --> 00:31:28,000

pointing you know perpendicular from the

899

00:31:31,669 --> 00:31:30,000

shape of the head and just staring at me

900

00:31:32,950 --> 00:31:31,679

and it was what was what was uncanny

901
00:31:35,190 --> 00:31:32,960
about it was

902
00:31:37,110 --> 00:31:35,200
um i couldn't again because as a human

903
00:31:38,870 --> 00:31:37,120
being we're used to picking up subtle

904
00:31:40,549 --> 00:31:38,880
really subtle differences in facial

905
00:31:42,710 --> 00:31:40,559
expressions and body language right so

906
00:31:45,029 --> 00:31:42,720
much wealth of communication so when

907
00:31:47,430 --> 00:31:45,039
you're contacting this non-human entity

908
00:31:48,950 --> 00:31:47,440
none of that's there right any and this

909
00:31:50,389 --> 00:31:48,960
thing was not telepathically

910
00:31:52,549 --> 00:31:50,399
communicating with me it was just

911
00:31:54,310 --> 00:31:52,559
staring at me and so it's a bit

912
00:31:56,630 --> 00:31:54,320
unnerving at first because you're like

913
00:31:58,710 --> 00:31:56,640

what do you want what are you doing but

914

00:32:00,230 --> 00:31:58,720

uh when you sort of relax into it you're

915

00:32:01,269 --> 00:32:00,240

like well it's just it's just here with

916

00:32:03,509 --> 00:32:01,279

me

917

00:32:06,070 --> 00:32:03,519

it's able to be in my presence without

918

00:32:07,990 --> 00:32:06,080

judgment without fear and i can rest

919

00:32:09,430 --> 00:32:08,000

into that too but if that were to happen

920

00:32:11,590 --> 00:32:09,440

to my waking experience you know when

921

00:32:12,789 --> 00:32:11,600

i'm pouring my coffee i'd probably be

922

00:32:14,710 --> 00:32:12,799

you know running down the street

923

00:32:16,310 --> 00:32:14,720

screaming so it's it's really

924

00:32:17,750 --> 00:32:16,320

interesting and

925

00:32:18,870 --> 00:32:17,760

yeah to get back to what you're saying i

926
00:32:20,549 --> 00:32:18,880
think that

927
00:32:21,669 --> 00:32:20,559
there are some entities

928
00:32:23,430 --> 00:32:21,679
it's more like

929
00:32:25,750 --> 00:32:23,440
these i think a lot of these things

930
00:32:28,149 --> 00:32:25,760
exist in all of these different

931
00:32:30,389 --> 00:32:28,159
you know areas of life or different

932
00:32:32,230 --> 00:32:30,399
segments of life that we tend to like

933
00:32:33,509 --> 00:32:32,240
divide into different segments and i

934
00:32:35,029 --> 00:32:33,519
think that's largely because of our

935
00:32:36,789 --> 00:32:35,039
filters we've developed from an

936
00:32:38,950 --> 00:32:36,799
evolutionary point of view

937
00:32:41,190 --> 00:32:38,960
um and they have to find ways to get

938
00:32:43,909 --> 00:32:41,200

past our filters and if we could take

939

00:32:46,310 --> 00:32:43,919

down our and like we talked about dmt

940

00:32:47,350 --> 00:32:46,320

ayahuasca these kind of things

941

00:32:48,789 --> 00:32:47,360

uh

942

00:32:50,149 --> 00:32:48,799

basically i think what they're doing is

943

00:32:52,070 --> 00:32:50,159

they're taking down those filters

944

00:32:54,630 --> 00:32:52,080

they're going offline so you're actually

945

00:32:56,310 --> 00:32:54,640

experiencing closer to the reality right

946

00:32:58,470 --> 00:32:56,320

you're seeing more of what's really out

947

00:33:00,630 --> 00:32:58,480

there when your filters are offline

948

00:33:02,230 --> 00:33:00,640

these these evolutionary filters

949

00:33:03,909 --> 00:33:02,240

and so these things are always there

950

00:33:05,590 --> 00:33:03,919

it's just that we can only see them in

951
00:33:06,549 --> 00:33:05,600
certain times when our filters tend to

952
00:33:08,470 --> 00:33:06,559
be down

953
00:33:10,710 --> 00:33:08,480
yeah it's just for the record i'm not

954
00:33:13,430 --> 00:33:10,720
endorsing anything don't go tripping

955
00:33:15,430 --> 00:33:13,440
balls because you're hurt on shot show i

956
00:33:17,830 --> 00:33:15,440
mean if you want that's your thing

957
00:33:19,590 --> 00:33:17,840
you know i respect that but you know

958
00:33:20,470 --> 00:33:19,600
i don't know what the liability stuff is

959
00:33:22,950 --> 00:33:20,480
like

960
00:33:26,310 --> 00:33:22,960
i'm just being stupid yeah

961
00:33:27,669 --> 00:33:26,320
yeah gotcha yeah no um

962
00:33:29,110 --> 00:33:27,679
i guess

963
00:33:31,110 --> 00:33:29,120

you know that's

964

00:33:33,190 --> 00:33:31,120

the the dream stuff

965

00:33:35,509 --> 00:33:33,200

i've always had weird dreams and i talk

966

00:33:37,190 --> 00:33:35,519

in my sleep just about like every night

967

00:33:39,669 --> 00:33:37,200

and sometimes it sounds like i'm

968

00:33:42,230 --> 00:33:39,679

carrying on a conversation on them doing

969

00:33:44,470 --> 00:33:42,240

both of the voices where my voice is my

970

00:33:48,549 --> 00:33:44,480

voice and then the other person is like

971

00:33:53,830 --> 00:33:50,549

it's pretty intense and sometimes things

972

00:33:56,870 --> 00:33:53,840

are pretty pretty uh crazy that i say so

973

00:34:00,630 --> 00:33:56,880

there's definitely um it's an untapped

974

00:34:01,509 --> 00:34:00,640

galaxy uh of your conscious for sure

975

00:34:02,870 --> 00:34:01,519

for me

976

00:34:05,110 --> 00:34:02,880

it's so

977

00:34:07,269 --> 00:34:05,120

utterly fascinating just all of this

978

00:34:08,869 --> 00:34:07,279

stuff is but just dreams of lower alone

979

00:34:09,909 --> 00:34:08,879

are utterly fascinating of course you'll

980

00:34:11,829 --> 00:34:09,919

get like

981

00:34:13,349 --> 00:34:11,839

you know reductionistic scientific

982

00:34:15,349 --> 00:34:13,359

materialism wants to just say it's

983

00:34:17,190 --> 00:34:15,359

random firings of your brain

984

00:34:19,430 --> 00:34:17,200

and really sort of reduce it into

985

00:34:21,669 --> 00:34:19,440

something completely you know not

986

00:34:23,109 --> 00:34:21,679

fascinating at all and really mundane

987

00:34:24,710 --> 00:34:23,119

and yet those of us who've had these

988

00:34:26,869 --> 00:34:24,720

experiences you know there's something

989

00:34:29,270 --> 00:34:26,879

much more than that going on and it's

990

00:34:31,589 --> 00:34:29,280

amazing to me that these

991

00:34:34,389 --> 00:34:31,599

like full worlds can suddenly come

992

00:34:36,389 --> 00:34:34,399

online for you that are like filled with

993

00:34:38,470 --> 00:34:36,399

detail sometimes even more vivid detail

994

00:34:39,990 --> 00:34:38,480

than the waking world yeah

995

00:34:42,950 --> 00:34:40,000

and all these different characters you

996

00:34:44,950 --> 00:34:42,960

meet seem to have like they seem to have

997

00:34:47,270 --> 00:34:44,960

an ontological status that goes beyond

998

00:34:49,510 --> 00:34:47,280

you like even when we talked about dmt

999

00:34:51,190 --> 00:34:49,520

right people will

1000

00:34:52,790 --> 00:34:51,200

encounter these machine elves right

1001
00:34:54,069 --> 00:34:52,800
different people who who have not heard

1002
00:34:55,909 --> 00:34:54,079
anything about these machine ls

1003
00:34:58,550 --> 00:34:55,919
beforehand will meet them in different

1004
00:35:00,950 --> 00:34:58,560
cultures across time so that suggests

1005
00:35:02,069 --> 00:35:00,960
there's some sort of ontological status

1006
00:35:04,950 --> 00:35:02,079
to these things that they're real

1007
00:35:07,109 --> 00:35:04,960
they're existing in in dimensions or

1008
00:35:08,870 --> 00:35:07,119
aspects of reality that we enter into

1009
00:35:10,950 --> 00:35:08,880
and they were there all along so so

1010
00:35:11,750 --> 00:35:10,960
that's fascinating to me and

1011
00:35:13,750 --> 00:35:11,760
uh

1012
00:35:15,750 --> 00:35:13,760
yeah i'm definitely

1013
00:35:17,589 --> 00:35:15,760

i definitely go in not reducing it to

1014

00:35:20,150 --> 00:35:17,599

something mundane at all and i think the

1015

00:35:21,990 --> 00:35:20,160

more you can go in with fewer

1016

00:35:23,349 --> 00:35:22,000

uh preconceptions about what's going to

1017

00:35:25,910 --> 00:35:23,359

happen what it means the more

1018

00:35:29,190 --> 00:35:25,920

interesting it is just i really try to

1019

00:35:31,190 --> 00:35:29,200

focus on having a raw experience yes

1020

00:35:33,510 --> 00:35:31,200

try to interpret it later but at first

1021

00:35:36,069 --> 00:35:33,520

just experience it and let your mind be

1022

00:35:37,910 --> 00:35:36,079

really really open and by doing that you

1023

00:35:39,990 --> 00:35:37,920

begin to develop the capacity to notice

1024

00:35:41,109 --> 00:35:40,000

things you didn't notice before because

1025

00:35:42,710 --> 00:35:41,119

when we go in with all these

1026
00:35:44,790 --> 00:35:42,720
preconceptions of what we've been told

1027
00:35:46,950 --> 00:35:44,800
about what this all means you actually

1028
00:35:49,510 --> 00:35:46,960
are limiting how much you even can pay

1029
00:35:51,190 --> 00:35:49,520
attention to a notice

1030
00:35:52,470 --> 00:35:51,200
what do you two make of uh we'll start

1031
00:35:54,870 --> 00:35:52,480
with you priscilla what do you what do

1032
00:35:57,510 --> 00:35:54,880
you make of uh like the

1033
00:36:00,630 --> 00:35:57,520
like apoc apocalyptic dreams like i've

1034
00:36:03,270 --> 00:36:00,640
had a recurrence of those

1035
00:36:05,750 --> 00:36:03,280
for more than a decade i would have to

1036
00:36:09,349 --> 00:36:05,760
say of different kinds and i know that's

1037
00:36:10,870 --> 00:36:09,359
not unique to me either um

1038
00:36:14,390 --> 00:36:10,880

is that still

1039

00:36:17,349 --> 00:36:14,400

like a more a self self-apoc apocalyptic

1040

00:36:19,750 --> 00:36:17,359

type of thing or do you think there's a

1041

00:36:21,030 --> 00:36:19,760

a message being told to you or you know

1042

00:36:23,270 --> 00:36:21,040

what's your take

1043

00:36:24,829 --> 00:36:23,280

well i've had some horrible apocalyptic

1044

00:36:27,430 --> 00:36:24,839

dreams and

1045

00:36:29,910 --> 00:36:27,440

um the i think that you talked about it

1046

00:36:32,950 --> 00:36:29,920

a little bit so the parallel universes

1047

00:36:34,790 --> 00:36:32,960

um some people think that um

1048

00:36:37,349 --> 00:36:34,800

things are playing out at the same time

1049

00:36:38,550 --> 00:36:37,359

like uh like simultaneously

1050

00:36:39,750 --> 00:36:38,560

so

1051

00:36:41,270 --> 00:36:39,760

it could be one of two things it could

1052

00:36:43,589 --> 00:36:41,280

be like you're going through something

1053

00:36:45,910 --> 00:36:43,599

that is like the tower burning down your

1054

00:36:48,150 --> 00:36:45,920

personal apocalypse or it could be

1055

00:36:50,150 --> 00:36:48,160

all this fear in the world kind of

1056

00:36:51,589 --> 00:36:50,160

you're tapping into the world fear that

1057

00:36:52,790 --> 00:36:51,599

everybody's feeling right now because

1058

00:36:54,310 --> 00:36:52,800

things are just

1059

00:36:56,950 --> 00:36:54,320

kind of up in the air on so many

1060

00:36:59,430 --> 00:36:56,960

different areas of you know politics and

1061

00:37:01,910 --> 00:36:59,440

the planet and everything you might be

1062

00:37:03,430 --> 00:37:01,920

tapping into that collective fear and

1063

00:37:04,630 --> 00:37:03,440

then also like you said it could be a

1064

00:37:05,990 --> 00:37:04,640

personal

1065

00:37:08,470 --> 00:37:06,000

thing but you really have to start

1066

00:37:09,990 --> 00:37:08,480

writing everything down because then

1067

00:37:11,270 --> 00:37:10,000

as you're writing things down you'll be

1068

00:37:13,109 --> 00:37:11,280

able to draw parallels from your life

1069

00:37:14,310 --> 00:37:13,119

like oh this is why i'm dreaming about

1070

00:37:15,750 --> 00:37:14,320

this or

1071

00:37:17,670 --> 00:37:15,760

you know it's

1072

00:37:19,430 --> 00:37:17,680

it's scary to think about that

1073

00:37:21,349 --> 00:37:19,440

apocalypse happening in some other

1074

00:37:23,910 --> 00:37:21,359

dimension that we're living

1075

00:37:26,069 --> 00:37:23,920

like parallel to or simultaneously

1076
00:37:27,990 --> 00:37:26,079
but not in the same dimension it's kind

1077
00:37:29,750 --> 00:37:28,000
of weird to think about that and people

1078
00:37:32,069 --> 00:37:29,760
don't like that but i mean it's

1079
00:37:34,150 --> 00:37:32,079
definitely a possibility i was never

1080
00:37:35,990 --> 00:37:34,160
taught that my dreams were just dreams

1081
00:37:37,270 --> 00:37:36,000
like my mom would be like oh you know

1082
00:37:38,950 --> 00:37:37,280
she was the one just a dream but my

1083
00:37:40,950 --> 00:37:38,960
grandma took them very seriously as a

1084
00:37:44,230 --> 00:37:40,960
catholic and my dad's side being native

1085
00:37:46,150 --> 00:37:44,240
american your dreams are another place

1086
00:37:47,829 --> 00:37:46,160
so even if you do have this recurring

1087
00:37:50,950 --> 00:37:47,839
apocalypse dream i would start writing

1088
00:37:52,150 --> 00:37:50,960

it down because and ask your dream to

1089

00:37:53,670 --> 00:37:52,160

show you

1090

00:37:55,430 --> 00:37:53,680

uh what you're supposed to do with that

1091

00:37:57,510 --> 00:37:55,440

information because you have you can ask

1092

00:37:59,349 --> 00:37:57,520

your higher self to show you more and

1093

00:38:02,310 --> 00:37:59,359

make more sense of the symbolism that

1094

00:38:04,550 --> 00:38:02,320

you're seeing yeah

1095

00:38:06,390 --> 00:38:04,560

uh what do you think exo

1096

00:38:07,990 --> 00:38:06,400

yeah i mean that's another fascinating

1097

00:38:10,390 --> 00:38:08,000

aspect and even not even just with

1098

00:38:12,310 --> 00:38:10,400

dreams but so often abductees and

1099

00:38:13,670 --> 00:38:12,320

contactees are showing apocalyptic

1100

00:38:14,710 --> 00:38:13,680

visions as well

1101

00:38:16,630 --> 00:38:14,720

um

1102

00:38:19,349 --> 00:38:16,640

you know even even people like susie

1103

00:38:21,750 --> 00:38:19,359

hansen is one who's had you know ongoing

1104

00:38:23,430 --> 00:38:21,760

contact with these beings her whole life

1105

00:38:25,349 --> 00:38:23,440

even though the childhood part didn't

1106

00:38:27,030 --> 00:38:25,359

come online for her in terms of memory

1107

00:38:28,550 --> 00:38:27,040

until she was an adult

1108

00:38:30,150 --> 00:38:28,560

but she's she has like an ongoing

1109

00:38:32,950 --> 00:38:30,160

relationship sees herself kind of as an

1110

00:38:34,870 --> 00:38:32,960

ambassador uh sort of between them and

1111

00:38:37,430 --> 00:38:34,880

us and even sees she wrote this book

1112

00:38:38,950 --> 00:38:37,440

called the dual soul connection and she

1113

00:38:41,910 --> 00:38:38,960

sees herself as having a kind of a

1114

00:38:43,750 --> 00:38:41,920

parallel identity as a gray alien so and

1115

00:38:45,190 --> 00:38:43,760

she comes online

1116

00:38:46,710 --> 00:38:45,200

again there's so many fascinating

1117

00:38:48,470 --> 00:38:46,720

aspects here right so when she's in the

1118

00:38:49,670 --> 00:38:48,480

presence of these others

1119

00:38:51,030 --> 00:38:49,680

whether you consider that a different

1120

00:38:52,550 --> 00:38:51,040

state of consciousness or a different

1121

00:38:54,310 --> 00:38:52,560

realm or whatever

1122

00:38:56,310 --> 00:38:54,320

she comes online with a broader

1123

00:38:57,990 --> 00:38:56,320

understanding of who she is even so it's

1124

00:39:00,310 --> 00:38:58,000

not just who they are but who she is

1125

00:39:02,150 --> 00:39:00,320

suddenly much broader and deeper and she

1126
00:39:03,990 --> 00:39:02,160
can remember previous lifetimes and she

1127
00:39:06,390 --> 00:39:04,000
can remember sort of like

1128
00:39:07,190 --> 00:39:06,400
this dual aspect to herself even

1129
00:39:09,829 --> 00:39:07,200
um

1130
00:39:12,310 --> 00:39:09,839
and but she has been shown apocalyptic

1131
00:39:14,630 --> 00:39:12,320
visions and been told that part of her

1132
00:39:17,349 --> 00:39:14,640
work will be to help people when that

1133
00:39:18,950 --> 00:39:17,359
really happens one day that um her role

1134
00:39:21,349 --> 00:39:18,960
will be to help people sort of sort

1135
00:39:23,510 --> 00:39:21,359
through that spiritually energetically

1136
00:39:25,030 --> 00:39:23,520
um and to sort of like

1137
00:39:27,270 --> 00:39:25,040
you know bridge the divide between the

1138
00:39:28,550 --> 00:39:27,280

graves and human beings kind of thing

1139

00:39:31,990 --> 00:39:28,560

um

1140

00:39:33,349 --> 00:39:32,000

so it is really interesting i think that

1141

00:39:35,670 --> 00:39:33,359

um yeah and there's there's also the

1142

00:39:37,589 --> 00:39:35,680

symbolic side too right like that uh

1143

00:39:39,030 --> 00:39:37,599

um any kind of

1144

00:39:41,030 --> 00:39:39,040

quakes beneath the surface in our

1145

00:39:43,589 --> 00:39:41,040

subconscious can can manifest in the

1146

00:39:45,670 --> 00:39:43,599

symbolism of apocalypse as well

1147

00:39:47,670 --> 00:39:45,680

and even when you look at again getting

1148

00:39:50,069 --> 00:39:47,680

back to christian history and the way

1149

00:39:51,829 --> 00:39:50,079

people read the book of revelation and

1150

00:39:53,670 --> 00:39:51,839

whether or not that's symbolic or if

1151

00:39:55,750 --> 00:39:53,680

it's meant to reference something like

1152

00:39:57,589 --> 00:39:55,760

the fall of rome or if it's meant to

1153

00:39:59,910 --> 00:39:57,599

reference something in the future this

1154

00:40:02,150 --> 00:39:59,920

seems to be a really interesting sort of

1155

00:40:04,950 --> 00:40:02,160

meta category apocalypse in general for

1156

00:40:06,870 --> 00:40:04,960

human beings and it's it's it says

1157

00:40:08,470 --> 00:40:06,880

something global about things that

1158

00:40:10,550 --> 00:40:08,480

actually do happen and it also said

1159

00:40:12,710 --> 00:40:10,560

something about our own

1160

00:40:15,030 --> 00:40:12,720

wrestling within ourselves to sort of

1161

00:40:17,270 --> 00:40:15,040

work out our evolution work at our

1162

00:40:19,270 --> 00:40:17,280

consciousness development and and our

1163

00:40:21,030 --> 00:40:19,280

higher self sort of using that as a

1164

00:40:22,390 --> 00:40:21,040

seating process to help us

1165

00:40:24,710 --> 00:40:22,400

process and grow so that's i know that's

1166

00:40:26,710 --> 00:40:24,720

a big answer but no i mean for that

1167

00:40:27,990 --> 00:40:26,720

topic in general yeah for better for

1168

00:40:30,309 --> 00:40:28,000

worse my

1169

00:40:32,550 --> 00:40:30,319

my interesting kind of well my first

1170

00:40:34,790 --> 00:40:32,560

like real shocking experience that i

1171

00:40:36,230 --> 00:40:34,800

didn't really uh account for

1172

00:40:38,790 --> 00:40:36,240

since you know the one that brought me

1173

00:40:42,390 --> 00:40:38,800

here today on doing the show

1174

00:40:45,190 --> 00:40:42,400

uh was you know based around

1175

00:40:47,030 --> 00:40:45,200

the book of revelations you know like it

1176

00:40:48,790 --> 00:40:47,040

was towards the end of my

1177

00:40:51,510 --> 00:40:48,800

um kind of

1178

00:40:53,270 --> 00:40:51,520

normal routine life in

1179

00:40:56,309 --> 00:40:53,280

in the non-denominational christian

1180

00:40:57,910 --> 00:40:56,319

church or whatever right and i just

1181

00:41:00,710 --> 00:40:57,920

the only thing i really found super

1182

00:41:01,670 --> 00:41:00,720

interesting was the book of revelations

1183

00:41:04,790 --> 00:41:01,680

you know

1184

00:41:06,550 --> 00:41:04,800

after

1185

00:41:09,430 --> 00:41:06,560

i kind of put that down for a little bit

1186

00:41:10,550 --> 00:41:09,440

i had one of my like just one of those

1187

00:41:16,630 --> 00:41:10,560

big

1188

00:41:19,589 --> 00:41:16,640

um just in tears from something that's

1189

00:41:20,470 --> 00:41:19,599

beautiful and something that was wild

1190

00:41:22,790 --> 00:41:20,480

and

1191

00:41:23,589 --> 00:41:22,800

um you know so for whatever reason i

1192

00:41:25,430 --> 00:41:23,599

feel

1193

00:41:26,309 --> 00:41:25,440

kind of a

1194

00:41:29,109 --> 00:41:26,319

you know

1195

00:41:31,430 --> 00:41:29,119

attached to there being some sort of

1196

00:41:34,390 --> 00:41:31,440

connection to something like that maybe

1197

00:41:36,950 --> 00:41:34,400

not figuratively or you know or whatever

1198

00:41:38,069 --> 00:41:36,960

um but yeah i think there's something

1199

00:41:39,589 --> 00:41:38,079

there's got to be something there

1200

00:41:41,190 --> 00:41:39,599

because yeah people abduction

1201
00:41:43,030 --> 00:41:41,200
experiences kind of report the same kind

1202
00:41:45,190 --> 00:41:43,040
of thing i feel like the world in

1203
00:41:47,349 --> 00:41:45,200
general is just kind of always

1204
00:41:49,349 --> 00:41:47,359
worried about us killing each other with

1205
00:41:51,670 --> 00:41:49,359
nuclear bombs we have a freaking

1206
00:41:53,270 --> 00:41:51,680
doomsday clock you know that's like

1207
00:41:54,069 --> 00:41:53,280
super close

1208
00:41:54,950 --> 00:41:54,079
um

1209
00:41:56,550 --> 00:41:54,960
well you know another thing that's

1210
00:41:59,109 --> 00:41:56,560
really interesting on this

1211
00:42:00,790 --> 00:41:59,119
that grounds it in scientific uh you

1212
00:42:02,950 --> 00:42:00,800
know investigation as well and dean

1213
00:42:04,550 --> 00:42:02,960

raiden's talked about this

1214

00:42:06,230 --> 00:42:04,560

there were i'm trying to remember the

1215

00:42:08,550 --> 00:42:06,240

specifics now but

1216

00:42:11,109 --> 00:42:08,560

they they sort of have these computers

1217

00:42:13,589 --> 00:42:11,119

around the world that are kind of like

1218

00:42:15,510 --> 00:42:13,599

can pick up uh changes in sort of like

1219

00:42:17,349 --> 00:42:15,520

the energetic level of sort of like the

1220

00:42:20,309 --> 00:42:17,359

broad population right what's

1221

00:42:22,790 --> 00:42:20,319

fascinating is before major negative

1222

00:42:25,190 --> 00:42:22,800

events like 911 for instance there was

1223

00:42:27,990 --> 00:42:25,200

an uptick on this scale

1224

00:42:29,589 --> 00:42:28,000

like before the day before it happened

1225

00:42:31,109 --> 00:42:29,599

and that's happened numerous times now

1226

00:42:33,829 --> 00:42:31,119

where so you know it's not just a fluke

1227

00:42:35,829 --> 00:42:33,839

that somehow again another massive topic

1228

00:42:38,470 --> 00:42:35,839

is time right space and time and how we

1229

00:42:41,030 --> 00:42:38,480

kind of perceive it in an illusory way

1230

00:42:42,630 --> 00:42:41,040

um but that's even more fascinating that

1231

00:42:44,710 --> 00:42:42,640

something in us

1232

00:42:46,950 --> 00:42:44,720

responds energetically before we even

1233

00:42:49,030 --> 00:42:46,960

consciously understand you know and

1234

00:42:51,349 --> 00:42:49,040

even when we make decisions there's more

1235

00:42:53,349 --> 00:42:51,359

and more evidence now scientifically

1236

00:42:54,790 --> 00:42:53,359

that our body has made the decision and

1237

00:42:56,790 --> 00:42:54,800

then our brain sort of comes up with a

1238

00:42:58,630 --> 00:42:56,800

justification for why we

1239

00:43:00,710 --> 00:42:58,640

think we're going to do that which we've

1240

00:43:02,550 --> 00:43:00,720

our bodies basically like us we're

1241

00:43:03,990 --> 00:43:02,560

talking split second like nanosecond

1242

00:43:06,550 --> 00:43:04,000

right but you can measure to that degree

1243

00:43:08,950 --> 00:43:06,560

of specificity you can actually find

1244

00:43:10,790 --> 00:43:08,960

that we're our bodies are responding to

1245

00:43:12,630 --> 00:43:10,800

do the thing before we've even actually

1246

00:43:14,790 --> 00:43:12,640

decided supposedly that we're going to

1247

00:43:16,230 --> 00:43:14,800

do it which which is super fascinating

1248

00:43:18,790 --> 00:43:16,240

in terms of are we

1249

00:43:20,790 --> 00:43:18,800

tuning in a quantum consciousness that

1250

00:43:22,950 --> 00:43:20,800

is not obviously based in our body but

1251
00:43:25,030 --> 00:43:22,960
somewhere else and that's why you get

1252
00:43:27,270 --> 00:43:25,040
this time delay just so many fascinating

1253
00:43:29,030 --> 00:43:27,280
elements for that um i'll give you a

1254
00:43:31,910 --> 00:43:29,040
pretty quick case and point to what you

1255
00:43:33,589 --> 00:43:31,920
just said which is um i i appreciate you

1256
00:43:34,390 --> 00:43:33,599
saying it because i needed to hear it i

1257
00:43:37,990 --> 00:43:34,400
think

1258
00:43:40,790 --> 00:43:38,000
that recently my um uncle passed away as

1259
00:43:42,950 --> 00:43:40,800
my dad's last brother the first one was

1260
00:43:45,670 --> 00:43:42,960
a twin brother i had a dream i was in

1261
00:43:48,390 --> 00:43:45,680
this nursing home room he was sleeping

1262
00:43:50,550 --> 00:43:48,400
uh i passed him a golden bowl he woke up

1263
00:43:52,150 --> 00:43:50,560

his eyes got big he caught it the phone

1264

00:43:54,950 --> 00:43:52,160

rang it woke me up it was the call that

1265

00:43:56,950 --> 00:43:54,960

he passed away right right um the second

1266

00:43:59,030 --> 00:43:56,960

uh his second brother was just recently

1267

00:44:00,630 --> 00:43:59,040

and this is like decades apart maybe 15

1268

00:44:01,430 --> 00:44:00,640

16 years apart

1269

00:44:04,550 --> 00:44:01,440

um

1270

00:44:06,870 --> 00:44:04,560

i know that he's sick or whatever but i

1271

00:44:08,710 --> 00:44:06,880

i didn't know that he was you know when

1272

00:44:10,150 --> 00:44:08,720

he was gonna die or whatever like i knew

1273

00:44:11,430 --> 00:44:10,160

he was in the hospital

1274

00:44:14,790 --> 00:44:11,440

but um

1275

00:44:16,630 --> 00:44:14,800

it was sunday and i decided to just go

1276

00:44:19,190 --> 00:44:16,640

check on my dad go visit him see how

1277

00:44:21,430 --> 00:44:19,200

he's doing um i don't go there often

1278

00:44:23,030 --> 00:44:21,440

maybe once every two months or something

1279

00:44:24,790 --> 00:44:23,040

i actually go to their house you know so

1280

00:44:27,030 --> 00:44:24,800

this was random i didn't even tell him i

1281

00:44:29,829 --> 00:44:27,040

was going i just showed up i walk in

1282

00:44:31,670 --> 00:44:29,839

there i go straight to the basement

1283

00:44:34,309 --> 00:44:31,680

and my dad's sitting there he's on the

1284

00:44:35,270 --> 00:44:34,319

phone and it's the call that he passed

1285

00:44:36,550 --> 00:44:35,280

away

1286

00:44:38,230 --> 00:44:36,560

right

1287

00:44:40,550 --> 00:44:38,240

and it's like

1288

00:44:42,950 --> 00:44:40,560

i think my like my

1289

00:44:44,710 --> 00:44:42,960

somehow the decision is being made to do

1290

00:44:45,510 --> 00:44:44,720

that stuff without me

1291

00:44:48,150 --> 00:44:45,520

being

1292

00:44:49,270 --> 00:44:48,160

you know aware of it

1293

00:44:51,109 --> 00:44:49,280

you know

1294

00:44:53,109 --> 00:44:51,119

and it's just pretty freaky

1295

00:44:55,349 --> 00:44:53,119

to be questioned it's it's it just shows

1296

00:44:57,270 --> 00:44:55,359

you that again when you look at human

1297

00:45:00,069 --> 00:44:57,280

history we've always wanted to believe

1298

00:45:02,150 --> 00:45:00,079

we have like 99 figured out regardless

1299

00:45:03,750 --> 00:45:02,160

of what era you go to people basically

1300

00:45:05,510 --> 00:45:03,760

thought that right it's pretty hilarious

1301

00:45:07,670 --> 00:45:05,520

when you read some of the

1302

00:45:10,230 --> 00:45:07,680

uh sort of science reports in the late

1303

00:45:12,230 --> 00:45:10,240

1800s they basically thought oh we've

1304

00:45:14,230 --> 00:45:12,240

got a little bit of fine tuning left but

1305

00:45:16,470 --> 00:45:14,240

pretty much everything's understood now

1306

00:45:19,670 --> 00:45:16,480

and that was before quantum entanglement

1307

00:45:21,030 --> 00:45:19,680

sort of came online in the 20s and 30s

1308

00:45:24,630 --> 00:45:21,040

and

1309

00:45:26,550 --> 00:45:24,640

completely uprooted everything right so

1310

00:45:28,309 --> 00:45:26,560

uh in the same way i think that all the

1311

00:45:30,309 --> 00:45:28,319

stuff we're talking about here with even

1312

00:45:32,069 --> 00:45:30,319

things happening cause and effect

1313

00:45:33,109 --> 00:45:32,079

sometimes even gets reversed and even

1314

00:45:35,190 --> 00:45:33,119

you know there's been scientific

1315

00:45:36,950 --> 00:45:35,200

experiments now that prove that you can

1316

00:45:38,150 --> 00:45:36,960

run things in reverse and the math still

1317

00:45:39,990 --> 00:45:38,160

works

1318

00:45:41,750 --> 00:45:40,000

so even things that we think have to

1319

00:45:43,750 --> 00:45:41,760

happen a certain way actually don't it's

1320

00:45:45,270 --> 00:45:43,760

just the way we think about it and yeah

1321

00:45:47,109 --> 00:45:45,280

there's so many elements like what you

1322

00:45:48,550 --> 00:45:47,119

described where people

1323

00:45:51,589 --> 00:45:48,560

know things before they're supposed to

1324

00:45:54,710 --> 00:45:51,599

know them and it's saying that something

1325

00:45:56,150 --> 00:45:54,720

is vastly different than what sciences

1326

00:45:58,309 --> 00:45:56,160

tells us is going on and that we were

1327

00:46:00,630 --> 00:45:58,319

brought up to believe in school

1328

00:46:02,710 --> 00:46:00,640

yeah i would say and i saw my first like

1329

00:46:04,870 --> 00:46:02,720

three foot four foot owl like a week

1330

00:46:07,670 --> 00:46:04,880

before that like flew right in front of

1331

00:46:10,309 --> 00:46:07,680

me and my dog it was crazy never seen it

1332

00:46:12,069 --> 00:46:10,319

all like that before it's weird stuff

1333

00:46:14,390 --> 00:46:12,079

it's hard to make sense of all the

1334

00:46:16,309 --> 00:46:14,400

different recipes and ingredients that

1335

00:46:18,230 --> 00:46:16,319

are being put in your cup and shaking

1336

00:46:19,430 --> 00:46:18,240

around you know well i mean it's

1337

00:46:20,870 --> 00:46:19,440

interesting how you bring up the owl

1338

00:46:22,309 --> 00:46:20,880

thing because

1339

00:46:25,670 --> 00:46:22,319

i mean i had this crazy experience in

1340

00:46:27,670 --> 00:46:25,680

2005 my wife and i did together and

1341

00:46:29,190 --> 00:46:27,680

what's what i find fascinating is that

1342

00:46:30,390 --> 00:46:29,200

so so for instance say if you didn't

1343

00:46:32,630 --> 00:46:30,400

know any of the literature behind the

1344

00:46:34,550 --> 00:46:32,640

phenomenon right you might just go wow

1345

00:46:35,829 --> 00:46:34,560

what's up with that huge owl that's so

1346

00:46:37,349 --> 00:46:35,839

random right

1347

00:46:39,750 --> 00:46:37,359

and yet you read the literature and you

1348

00:46:41,510 --> 00:46:39,760

realize this goes on all the friggin

1349

00:46:43,990 --> 00:46:41,520

time right like it happened to so many

1350

00:46:45,910 --> 00:46:44,000

people across cultures and

1351
00:46:47,990 --> 00:46:45,920
sometimes they're kind of like you know

1352
00:46:49,990 --> 00:46:48,000
people later realize you know they're

1353
00:46:52,230 --> 00:46:50,000
actually grey aliens that are sort of

1354
00:46:54,309 --> 00:46:52,240
giving a screen memory of an owl other

1355
00:46:56,069 --> 00:46:54,319
people just think there's there's wisdom

1356
00:46:58,230 --> 00:46:56,079
traditions going back you know thousands

1357
00:47:00,230 --> 00:46:58,240
of years that suggest owls are these

1358
00:47:02,630 --> 00:47:00,240
these sort of wise caricatures kind of

1359
00:47:04,150 --> 00:47:02,640
thing these and so

1360
00:47:05,589 --> 00:47:04,160
and but again if you didn't read that

1361
00:47:06,950 --> 00:47:05,599
literature you would just sort of you

1362
00:47:08,069 --> 00:47:06,960
know pass it off and say that's weird i

1363
00:47:09,030 --> 00:47:08,079

don't remember seeing an owl that big

1364

00:47:10,470 --> 00:47:09,040

before

1365

00:47:12,309 --> 00:47:10,480

and yet when you do read the literature

1366

00:47:13,990 --> 00:47:12,319

you're like there's so many weird things

1367

00:47:16,550 --> 00:47:14,000

that happen over and over again and

1368

00:47:18,790 --> 00:47:16,560

what's what's bizarre to me is how

1369

00:47:20,309 --> 00:47:18,800

99 of the people in our culture are not

1370

00:47:22,549 --> 00:47:20,319

like the three of us right they're going

1371

00:47:24,470 --> 00:47:22,559

around not aware of any of this stuff

1372

00:47:27,510 --> 00:47:24,480

and it's completely flying beneath the

1373

00:47:29,670 --> 00:47:27,520

reader or above the radar for them so

1374

00:47:30,790 --> 00:47:29,680

that could even get even weirder because

1375

00:47:32,790 --> 00:47:30,800

we're talking about this not to

1376

00:47:35,430 --> 00:47:32,800

interrupt but like the week before i was

1377

00:47:37,030 --> 00:47:35,440

a part of like a group um kind of just a

1378

00:47:39,349 --> 00:47:37,040

meeting where we talked about our

1379

00:47:40,630 --> 00:47:39,359

experiences and stuff like that and one

1380

00:47:41,910 --> 00:47:40,640

person

1381

00:47:43,510 --> 00:47:41,920

um

1382

00:47:44,549 --> 00:47:43,520

like showed me a piece of artwork that

1383

00:47:47,750 --> 00:47:44,559

they had

1384

00:47:49,190 --> 00:47:47,760

and it was

1385

00:47:53,270 --> 00:47:49,200

an owl

1386

00:47:55,349 --> 00:47:53,280

and it was described as um a keeper of

1387

00:47:58,309 --> 00:47:55,359

life and death so right

1388

00:48:01,109 --> 00:47:58,319

um you know that one thing led to

1389

00:48:01,910 --> 00:48:01,119

you seeing an actual owl led to

1390

00:48:03,990 --> 00:48:01,920

you know

1391

00:48:05,589 --> 00:48:04,000

the the thing with my uncle

1392

00:48:07,190 --> 00:48:05,599

it's just weird

1393

00:48:08,230 --> 00:48:07,200

crazy that's totally weird like you say

1394

00:48:09,829 --> 00:48:08,240

especially when you put those three

1395

00:48:11,430 --> 00:48:09,839

together right and

1396

00:48:13,030 --> 00:48:11,440

again if you were to talk to sort of a

1397

00:48:14,950 --> 00:48:13,040

reductionistic scientist they might just

1398

00:48:16,630 --> 00:48:14,960

say well well there you go see someone

1399

00:48:17,990 --> 00:48:16,640

showed you a picture of a now right you

1400

00:48:19,190 --> 00:48:18,000

just it was embedded in your

1401

00:48:22,309 --> 00:48:19,200

subconscious

1402

00:48:26,309 --> 00:48:23,750

right when you look at it in his

1403

00:48:28,069 --> 00:48:26,319

totality and and that is not just you

1404

00:48:30,950 --> 00:48:28,079

but this is happening all the time to

1405

00:48:32,309 --> 00:48:30,960

people all around the world you go no

1406

00:48:34,549 --> 00:48:32,319

there's something much deeper and

1407

00:48:35,750 --> 00:48:34,559

broader going on here yeah

1408

00:48:37,109 --> 00:48:35,760

interesting

1409

00:48:39,829 --> 00:48:37,119

um

1410

00:48:41,750 --> 00:48:39,839

do you have any

1411

00:48:44,069 --> 00:48:41,760

uh questions or lines of inquiry

1412

00:48:46,870 --> 00:48:44,079

priscilla for for exo

1413

00:48:48,790 --> 00:48:46,880

uh no i i kind of wanted to comment on

1414

00:48:51,109 --> 00:48:48,800

his last

1415

00:48:52,790 --> 00:48:51,119

uh the latest podcast that he put out

1416

00:48:54,630 --> 00:48:52,800

sure and i thought it was interesting

1417

00:48:56,309 --> 00:48:54,640

that you you compared you know out of

1418

00:48:57,510 --> 00:48:56,319

body experience and near-death

1419

00:48:59,430 --> 00:48:57,520

experience

1420

00:49:00,230 --> 00:48:59,440

and encounters with

1421

00:49:01,030 --> 00:49:00,240

um

1422

00:49:02,950 --> 00:49:01,040

the

1423

00:49:04,710 --> 00:49:02,960

that have ufo elements and you kind of

1424

00:49:07,030 --> 00:49:04,720

touched on this a couple minutes ago

1425

00:49:10,069 --> 00:49:07,040

with the abductee scenario or the people

1426

00:49:11,829 --> 00:49:10,079

that have had um these experiences

1427

00:49:13,589 --> 00:49:11,839

but how do you think

1428

00:49:14,870 --> 00:49:13,599

that i think that they're

1429

00:49:16,390 --> 00:49:14,880

you know this is gonna sound weird

1430

00:49:18,549 --> 00:49:16,400

everybody but i think that they i think

1431

00:49:19,349 --> 00:49:18,559

that they are visiting people

1432

00:49:20,630 --> 00:49:19,359

in

1433

00:49:21,349 --> 00:49:20,640

the dream realm

1434

00:49:23,589 --> 00:49:21,359

so

1435

00:49:25,910 --> 00:49:23,599

how would you go about like talking

1436

00:49:27,349 --> 00:49:25,920

somebody through that that it's like

1437

00:49:29,349 --> 00:49:27,359

their first time having a dream like

1438

00:49:30,950 --> 00:49:29,359

that their first time seeing a being

1439

00:49:33,349 --> 00:49:30,960

that they don't recognize kind of like

1440

00:49:36,230 --> 00:49:33,359

your you know your crazy being that you

1441

00:49:38,069 --> 00:49:36,240

saw like how do you like i know how i do

1442

00:49:39,829 --> 00:49:38,079

it i do it from our spiritual standpoint

1443

00:49:41,190 --> 00:49:39,839

but how would you say say somebody comes

1444

00:49:43,030 --> 00:49:41,200

to you and they have this crazy

1445

00:49:45,589 --> 00:49:43,040

experience but it's it's rocked them

1446

00:49:48,309 --> 00:49:45,599

like like noticeably like

1447

00:49:50,390 --> 00:49:48,319

rock them to their core uh how how do

1448

00:49:52,390 --> 00:49:50,400

you go about um helping people through

1449

00:49:53,910 --> 00:49:52,400

that or do people even come to you for

1450

00:49:55,829 --> 00:49:53,920

stuff like that

1451

00:49:58,150 --> 00:49:55,839

yeah i do have people

1452

00:49:59,829 --> 00:49:58,160

that mostly they write and say you know

1453

00:50:01,829 --> 00:49:59,839

thank you for normalizing this because

1454

00:50:04,309 --> 00:50:01,839

this is my experience and i haven't had

1455

00:50:06,549 --> 00:50:04,319

anyone to talk to about this and

1456

00:50:08,390 --> 00:50:06,559

um you know again speaking of the sort

1457

00:50:10,790 --> 00:50:08,400

of fundamentalist christian side we

1458

00:50:12,630 --> 00:50:10,800

mentioned a while ago if people sort of

1459

00:50:13,990 --> 00:50:12,640

exist in those circles then they

1460

00:50:15,190 --> 00:50:14,000

definitely can't talk about this stuff

1461

00:50:17,589 --> 00:50:15,200

because

1462

00:50:19,510 --> 00:50:17,599

i mean it's it's it's it's it's actually

1463

00:50:20,549 --> 00:50:19,520

kind of humorous when you realize how

1464

00:50:23,030 --> 00:50:20,559

quickly

1465

00:50:24,390 --> 00:50:23,040

people's knee-jerk reaction is demons

1466

00:50:25,990 --> 00:50:24,400

you know definitely going to pray for

1467

00:50:27,589 --> 00:50:26,000

you you know i mean that's just the

1468

00:50:28,710 --> 00:50:27,599

assumption over and over and over again

1469

00:50:32,150 --> 00:50:28,720

there's no

1470

00:50:32,870 --> 00:50:32,160

this understanding that we might live in

1471

00:50:47,190 --> 00:50:32,880

a

1472

00:50:49,589 --> 00:50:47,200

tiers you've got the upper tier with

1473

00:50:51,910 --> 00:50:49,599

god and angels you've got the middle

1474

00:50:53,910 --> 00:50:51,920

tier with human beings and animals

1475

00:50:55,750 --> 00:50:53,920

some people let et's be in there but

1476

00:50:58,309 --> 00:50:55,760

only some and then you've got you know

1477

00:51:00,870 --> 00:50:58,319

demons and satan and dark stuff in in

1478

00:51:02,630 --> 00:51:00,880

hell or the the lower realms you even

1479

00:51:03,670 --> 00:51:02,640

get that within shamanistic circles to

1480

00:51:05,750 --> 00:51:03,680

some degree

1481

00:51:08,470 --> 00:51:05,760

as well as christian circles so

1482

00:51:10,309 --> 00:51:08,480

all that is to say when people when

1483

00:51:11,910 --> 00:51:10,319

that's their interpretive grid there's

1484

00:51:13,990 --> 00:51:11,920

not a lot of room there right i mean so

1485

00:51:15,030 --> 00:51:14,000

if some entity that pops up that you

1486

00:51:17,030 --> 00:51:15,040

know is not a

1487

00:51:18,790 --> 00:51:17,040

an animal or human being

1488

00:51:22,390 --> 00:51:18,800

people especially if it's got anything

1489

00:51:24,710 --> 00:51:22,400

kind of like weird or spiritual or

1490

00:51:26,069 --> 00:51:24,720

ethereal people right away go

1491

00:51:27,270 --> 00:51:26,079

they again they take passages in

1492

00:51:28,950 --> 00:51:27,280

scripture like

1493

00:51:31,270 --> 00:51:28,960

satan can parade as an angel of light

1494

00:51:32,549 --> 00:51:31,280

and and they're used to this they've as

1495

00:51:34,390 --> 00:51:32,559

you guys know

1496

00:51:35,750 --> 00:51:34,400

it gets drilled into you that you know

1497

00:51:37,510 --> 00:51:35,760

this stuff can

1498

00:51:39,750 --> 00:51:37,520

will deceive you wants to deceive you

1499

00:51:41,190 --> 00:51:39,760

don't trust your eyes kind of thing

1500

00:51:43,510 --> 00:51:41,200

and to the point where even if people

1501
00:51:45,030 --> 00:51:43,520
have had decades of positive experiences

1502
00:51:47,510 --> 00:51:45,040
with these entities and have seen

1503
00:51:49,109 --> 00:51:47,520
themselves grow and become more loving

1504
00:51:51,750 --> 00:51:49,119
accepting people they're less

1505
00:51:53,190 --> 00:51:51,760
materialistic they're more focused on

1506
00:51:54,790 --> 00:51:53,200
you know universal brotherhood you can

1507
00:51:56,630 --> 00:51:54,800
have all those things happening over

1508
00:51:58,549 --> 00:51:56,640
like those metrics all move in the

1509
00:52:00,549 --> 00:51:58,559
positive direction over decades and

1510
00:52:01,430 --> 00:52:00,559
you'll still get conservative christians

1511
00:52:02,950 --> 00:52:01,440
who say

1512
00:52:04,150 --> 00:52:02,960
yeah it's all the rules though i mean

1513
00:52:05,750 --> 00:52:04,160

what good is that if you're going to

1514

00:52:07,349 --> 00:52:05,760

hell when you die right and some people

1515

00:52:08,390 --> 00:52:07,359

really a lot of people really believe

1516

00:52:10,470 --> 00:52:08,400

that you know

1517

00:52:12,309 --> 00:52:10,480

so that that's so that's one thing is

1518

00:52:14,069 --> 00:52:12,319

it's just nice to

1519

00:52:15,589 --> 00:52:14,079

be able to have a platform and you guys

1520

00:52:17,670 --> 00:52:15,599

do the same thing you know like we're

1521

00:52:19,670 --> 00:52:17,680

all normalizing this stuff right with

1522

00:52:22,470 --> 00:52:19,680

your show as well and

1523

00:52:24,630 --> 00:52:22,480

it it's it's a breath of fresh air and a

1524

00:52:26,870 --> 00:52:24,640

lifeline for people who have not known

1525

00:52:29,510 --> 00:52:26,880

where and how to share this stuff and as

1526

00:52:31,030 --> 00:52:29,520

you guys know if you can't talk about it

1527

00:52:32,549 --> 00:52:31,040

then it just gets locked away somewhere

1528

00:52:34,870 --> 00:52:32,559

and becomes this ball of energy that

1529

00:52:36,069 --> 00:52:34,880

doesn't resolve you know right and

1530

00:52:37,829 --> 00:52:36,079

that's no good

1531

00:52:40,309 --> 00:52:37,839

in any part of life

1532

00:52:42,150 --> 00:52:40,319

yeah and it's just hard enough to find

1533

00:52:44,390 --> 00:52:42,160

anyone to talk to about it in general

1534

00:52:46,309 --> 00:52:44,400

let alone your real life so it's like

1535

00:52:47,430 --> 00:52:46,319

somebody's got to start making outlets

1536

00:52:49,829 --> 00:52:47,440

and and

1537

00:52:51,589 --> 00:52:49,839

in spots for it and you know i'm not a

1538

00:52:54,150 --> 00:52:51,599

i'm late to the game

1539

00:52:55,990 --> 00:52:54,160

for sure you know but i'm glad i can

1540

00:52:58,069 --> 00:52:56,000

help because i think the more the

1541

00:53:00,790 --> 00:52:58,079

merrier and it's almost like a different

1542

00:53:03,030 --> 00:53:00,800

flavor will connect or you know help

1543

00:53:05,990 --> 00:53:03,040

somebody in a different way

1544

00:53:07,190 --> 00:53:06,000

and it it as long as it's good with uh

1545

00:53:09,750 --> 00:53:07,200

done with the clean heart and good

1546

00:53:11,670 --> 00:53:09,760

intent i think it's helpful so yeah one

1547

00:53:15,030 --> 00:53:11,680

thing i would add to priscilla's

1548

00:53:16,870 --> 00:53:15,040

question is that when i

1549

00:53:18,309 --> 00:53:16,880

do try and help people or talk with

1550

00:53:19,910 --> 00:53:18,319

people through this stuff

1551
00:53:22,470 --> 00:53:19,920
it really matters where they're coming

1552
00:53:23,589 --> 00:53:22,480
from and what their background is and

1553
00:53:25,510 --> 00:53:23,599
um

1554
00:53:26,549 --> 00:53:25,520
so for instance we talked before about

1555
00:53:28,390 --> 00:53:26,559
you know sometimes you'll have a

1556
00:53:29,990 --> 00:53:28,400
negative experience in a dream

1557
00:53:31,990 --> 00:53:30,000
that isn't or even a negative experience

1558
00:53:34,230 --> 00:53:32,000
as a contact experience right it doesn't

1559
00:53:35,750 --> 00:53:34,240
necessarily mean it's negative or evil

1560
00:53:38,710 --> 00:53:35,760
it can actually be

1561
00:53:40,549 --> 00:53:38,720
um trying to give you the the tools to

1562
00:53:44,309 --> 00:53:40,559
grow through something right

1563
00:53:45,270 --> 00:53:44,319

and um you know that's what uh yeah yeah

1564

00:53:46,950 --> 00:53:45,280

i mean if you think about like the

1565

00:53:48,390 --> 00:53:46,960

really sort of crude analogy of weight

1566

00:53:50,150 --> 00:53:48,400

training right i mean you need

1567

00:53:52,950 --> 00:53:50,160

resistance and pain to sort of grow to

1568

00:53:54,470 --> 00:53:52,960

something new um so

1569

00:53:57,190 --> 00:53:54,480

but that said so some people are

1570

00:53:59,190 --> 00:53:57,200

convinced that if anything feels bad

1571

00:54:01,349 --> 00:53:59,200

it must be negative or it must be evil

1572

00:54:02,790 --> 00:54:01,359

so if i i'll try and figure out where

1573

00:54:04,790 --> 00:54:02,800

someone's coming from if there's if they

1574

00:54:06,309 --> 00:54:04,800

haven't moved past that yet but they

1575

00:54:08,470 --> 00:54:06,319

still believe that if it feels bad it

1576
00:54:09,829 --> 00:54:08,480
must be bad and it can't have anything

1577
00:54:11,750 --> 00:54:09,839
good then then that's where i need to

1578
00:54:13,510 --> 00:54:11,760
focus the attention on right whereas if

1579
00:54:15,349 --> 00:54:13,520
someone is beyond that and recognizes

1580
00:54:17,349 --> 00:54:15,359
that no that can be sort of the critical

1581
00:54:20,069 --> 00:54:17,359
mass that helps you grow then we go from

1582
00:54:22,069 --> 00:54:20,079
there but so it largely depends on where

1583
00:54:23,670 --> 00:54:22,079
the person's at in in their own sort of

1584
00:54:25,349 --> 00:54:23,680
consciousness development yes yeah you

1585
00:54:26,790 --> 00:54:25,359
gotta meet them where you work where

1586
00:54:28,790 --> 00:54:26,800
they're at

1587
00:54:30,870 --> 00:54:28,800
that's what i try to do but i was um i

1588
00:54:32,069 --> 00:54:30,880

always ask people like how do you

1589

00:54:34,470 --> 00:54:32,079

because not a lot of people will talk

1590

00:54:36,710 --> 00:54:34,480

about this um so i think the first thing

1591

00:54:38,150 --> 00:54:36,720

is having the space like uh like jay has

1592

00:54:40,549 --> 00:54:38,160

like an amazing space for it we're

1593

00:54:41,430 --> 00:54:40,559

creating spaces everywhere now but it's

1594

00:54:43,190 --> 00:54:41,440

um

1595

00:54:45,349 --> 00:54:43,200

it's just talking about jay christopher

1596

00:54:47,670 --> 00:54:45,359

king yeah sorry

1597

00:54:49,270 --> 00:54:47,680

um but yeah i'm glad that you said all

1598

00:54:51,190 --> 00:54:49,280

that because i i kind of do the same

1599

00:54:53,430 --> 00:54:51,200

thing but i was wondering if i was not

1600

00:54:55,190 --> 00:54:53,440

if i was going about it the right way um

1601
00:54:57,190 --> 00:54:55,200
because a lot of it is intuitive the way

1602
00:54:59,030 --> 00:54:57,200
that i'm you know help like not helping

1603
00:55:00,069 --> 00:54:59,040
people but um just kind of being there

1604
00:55:02,710 --> 00:55:00,079
for people

1605
00:55:04,390 --> 00:55:02,720
and letting them unload no matter how

1606
00:55:05,430 --> 00:55:04,400
weird it is and

1607
00:55:07,750 --> 00:55:05,440
um

1608
00:55:10,549 --> 00:55:07,760
yeah i like that answer thank you sure

1609
00:55:12,789 --> 00:55:10,559
absolutely yeah i mean i think

1610
00:55:14,470 --> 00:55:12,799
one of the the teachers i had in my past

1611
00:55:15,829 --> 00:55:14,480
was a guy named thomas ubel and he

1612
00:55:17,510 --> 00:55:15,839
talked about

1613
00:55:19,190 --> 00:55:17,520

um

1614

00:55:20,710 --> 00:55:19,200

we sort of come into this life as this

1615

00:55:21,670 --> 00:55:20,720

ball of energy that wants to resolve

1616

00:55:22,870 --> 00:55:21,680

itself

1617

00:55:23,829 --> 00:55:22,880

and

1618

00:55:26,870 --> 00:55:23,839

because

1619

00:55:28,870 --> 00:55:26,880

our culture modern culture tends to deny

1620

00:55:30,390 --> 00:55:28,880

the existence of certain things or or

1621

00:55:32,230 --> 00:55:30,400

sort of belittle certain kinds of

1622

00:55:33,589 --> 00:55:32,240

elements of life there are a lot of

1623

00:55:35,670 --> 00:55:33,599

people walking around with balls of

1624

00:55:37,270 --> 00:55:35,680

energy that are not resolving and

1625

00:55:39,030 --> 00:55:37,280

eventually that can even manifest as

1626
00:55:40,630 --> 00:55:39,040
disease you know like it's uh you know

1627
00:55:42,710 --> 00:55:40,640
that's even been scientifically proven

1628
00:55:44,150 --> 00:55:42,720
now you think negatively really

1629
00:55:45,430 --> 00:55:44,160
intensely for a long enough time that's

1630
00:55:47,349 --> 00:55:45,440
eventually going to cause a tumor or

1631
00:55:48,789 --> 00:55:47,359
something right so it's really important

1632
00:55:51,109 --> 00:55:48,799
to do what you're doing like you know to

1633
00:55:53,109 --> 00:55:51,119
give people just the time to

1634
00:55:55,190 --> 00:55:53,119
get that stuff out as messy as it is you

1635
00:55:57,910 --> 00:55:55,200
know you want to get that stuff out and

1636
00:55:59,670 --> 00:55:57,920
then begin to process in a positive way

1637
00:56:01,589 --> 00:55:59,680
and and there's no use talking to

1638
00:56:03,430 --> 00:56:01,599

someone in a league above where they are

1639

00:56:05,349 --> 00:56:03,440

because that's completely not useful

1640

00:56:07,349 --> 00:56:05,359

pragmatic information for them right

1641

00:56:09,190 --> 00:56:07,359

like like you mentioned sean you have to

1642

00:56:11,030 --> 00:56:09,200

meet them where they are and sort of

1643

00:56:13,349 --> 00:56:11,040

hopefully shine some light on what the

1644

00:56:14,829 --> 00:56:13,359

next steps are for them i like this

1645

00:56:17,270 --> 00:56:14,839

ontological

1646

00:56:18,710 --> 00:56:17,280

massage you got to work out the america

1647

00:56:21,109 --> 00:56:18,720

yeah

1648

00:56:23,430 --> 00:56:21,119

pretty much well some people have these

1649

00:56:25,030 --> 00:56:23,440

experiences and they end up like they

1650

00:56:26,549 --> 00:56:25,040

literally feel like they're going crazy

1651

00:56:28,630 --> 00:56:26,559

and it's very

1652

00:56:31,030 --> 00:56:28,640

it's very scary for them everything

1653

00:56:32,549 --> 00:56:31,040

they've been taught just is kind of like

1654

00:56:34,069 --> 00:56:32,559

not real anymore

1655

00:56:37,030 --> 00:56:34,079

so um

1656

00:56:38,870 --> 00:56:37,040

the whole ontological thing is just

1657

00:56:40,230 --> 00:56:38,880

it's shattering for some people and it's

1658

00:56:42,789 --> 00:56:40,240

right totally i mean that's that's the

1659

00:56:44,470 --> 00:56:42,799

ontological shock that john mack talked

1660

00:56:45,430 --> 00:56:44,480

about that like you say it's not just

1661

00:56:46,950 --> 00:56:45,440

that

1662

00:56:48,789 --> 00:56:46,960

they're seeing stuff they didn't believe

1663

00:56:50,230 --> 00:56:48,799

was real before but now that they know

1664

00:56:51,589 --> 00:56:50,240

that's real

1665

00:56:53,510 --> 00:56:51,599

but but their former conception got

1666

00:56:55,349 --> 00:56:53,520

blown up now they feel like everything's

1667

00:56:56,870 --> 00:56:55,359

blown up right like they don't know what

1668

00:56:58,549 --> 00:56:56,880

to believe they don't know what what's

1669

00:56:59,990 --> 00:56:58,559

up and what's down anymore

1670

00:57:01,589 --> 00:57:00,000

and they've got everyone walking around

1671

00:57:02,950 --> 00:57:01,599

they feel like a crazy person sometimes

1672

00:57:04,950 --> 00:57:02,960

because everyone in their circle is

1673

00:57:06,230 --> 00:57:04,960

telling them none of that's real this is

1674

00:57:07,670 --> 00:57:06,240

the way people are and yet they've been

1675

00:57:10,230 --> 00:57:07,680

confronted with the reality that says

1676
00:57:12,950 --> 00:57:10,240
everything but so they've got to try and

1677
00:57:14,870 --> 00:57:12,960
find their way in that

1678
00:57:16,630 --> 00:57:14,880
i love talking to you i hope you'll come

1679
00:57:19,589 --> 00:57:16,640
back again at some point

1680
00:57:22,069 --> 00:57:19,599
so i would love to it's been a great fun

1681
00:57:25,750 --> 00:57:22,079
enlightening conversation yeah yeah i

1682
00:57:27,670 --> 00:57:25,760
concur i agree i i want more of them so

1683
00:57:29,190 --> 00:57:27,680
yeah i was just thinking i wish i you

1684
00:57:30,870 --> 00:57:29,200
actually like i was like i want to talk

1685
00:57:33,109 --> 00:57:30,880
to somebody about i had some questions

1686
00:57:35,030 --> 00:57:33,119
and even i didn't even have to ask and

1687
00:57:36,150 --> 00:57:35,040
it's kind of funny that um we just

1688
00:57:38,150 --> 00:57:36,160

started talking about what we were

1689

00:57:39,990 --> 00:57:38,160

talking about because i was like i need

1690

00:57:42,150 --> 00:57:40,000

somebody like i know what i know but i

1691

00:57:44,549 --> 00:57:42,160

need like to talk to the next level that

1692

00:57:45,829 --> 00:57:44,559

knows more than i've experienced and

1693

00:57:47,990 --> 00:57:45,839

talked to other people that have had

1694

00:57:49,670 --> 00:57:48,000

these crazy uh dream experiences or more

1695

00:57:51,430 --> 00:57:49,680

knowledge about it since you've studied

1696

00:57:52,710 --> 00:57:51,440

so much you know

1697

00:57:54,870 --> 00:57:52,720

academically with it it sounds like

1698

00:57:56,789 --> 00:57:54,880

you're in all sorts of research and

1699

00:57:59,430 --> 00:57:56,799

that's just the rand paul voice it's not

1700

00:58:02,390 --> 00:57:59,440

real oh my god

1701

00:58:03,829 --> 00:58:02,400

that's horrible i know it is

1702

00:58:06,549 --> 00:58:03,839

i'm sorry

1703

00:58:09,270 --> 00:58:06,559

but oh yeah you're you're brilliant

1704

00:58:12,150 --> 00:58:09,280

she's right he's uh if only if rand paul

1705

00:58:13,349 --> 00:58:12,160

made sense and read more yeah

1706

00:58:14,950 --> 00:58:13,359

well you know what we're talking about

1707

00:58:16,470 --> 00:58:14,960

here is what what again that teacher of

1708

00:58:18,309 --> 00:58:16,480

mine thomas rubel talked about he called

1709

00:58:20,230 --> 00:58:18,319

it we space right

1710

00:58:21,990 --> 00:58:20,240

and when you it's one thing to research

1711

00:58:23,349 --> 00:58:22,000

on your own and read books and whatnot

1712

00:58:25,190 --> 00:58:23,359

but when you get together with people

1713

00:58:26,710 --> 00:58:25,200

with a like mind and you're exploring

1714

00:58:29,030 --> 00:58:26,720

stuff together

1715

00:58:31,030 --> 00:58:29,040

it sort of um synergizes the

1716

00:58:32,470 --> 00:58:31,040

consciousness in a way that you reach

1717

00:58:34,390 --> 00:58:32,480

new heights you couldn't on your own so

1718

00:58:35,349 --> 00:58:34,400

that's why it's really important that we

1719

00:58:37,349 --> 00:58:35,359

continue to have these kind of

1720

00:58:38,630 --> 00:58:37,359

conversations because it does take us to

1721

00:58:41,349 --> 00:58:38,640

different places we couldn't get by

1722

00:58:43,510 --> 00:58:41,359

ourselves yeah just like i'm a musician

1723

00:58:45,990 --> 00:58:43,520

a long time so it reminds me of the band

1724

00:58:48,150 --> 00:58:46,000

dynamic for sure like me too yeah i

1725

00:58:49,990 --> 00:58:48,160

totally relate to that yeah yeah

1726

00:58:53,349 --> 00:58:50,000

all right uh well with that being said

1727

00:58:56,390 --> 00:58:53,359

you have a excellent evening exo um

1728

00:58:58,630 --> 00:58:56,400

everybody go follow him on twitter um

1729

00:59:01,990 --> 00:58:58,640

subscribe to his show what or you can

1730

00:59:04,150 --> 00:59:02,000

listen to his podcast on spotify all his

1731

00:59:06,789 --> 00:59:04,160

stuff is in the description so with that

1732

00:59:08,789 --> 00:59:06,799

being said i will thank you sarah and

1733

00:59:10,309 --> 00:59:08,799

until next time thanks sean thanks

1734

00:59:12,710 --> 00:59:10,319

priscilla we'll see you guys later all

1735

00:59:14,870 --> 00:59:12,720

right bye

1736

00:59:16,150 --> 00:59:14,880

all right that was pretty good huh yeah

1737

00:59:18,470 --> 00:59:16,160

he's very

1738

00:59:21,270 --> 00:59:18,480

morton his podcasts are amazing but in

1739

00:59:23,349 --> 00:59:21,280

person well you know i'm talking right

1740

00:59:24,710 --> 00:59:23,359

yeah you know what i mean yeah okay so

1741

00:59:25,670 --> 00:59:24,720

see you later that threw me off like

1742

00:59:27,589 --> 00:59:25,680

what

1743

00:59:33,349 --> 00:59:27,599

yeah

1744

00:59:35,430 --> 00:59:33,359

it's cool when you get to talk to

1745

00:59:37,589 --> 00:59:35,440

somebody that's so um

1746

00:59:38,870 --> 00:59:37,599

they're so like well read and educated

1747

00:59:41,349 --> 00:59:38,880

and they're still

1748

00:59:43,030 --> 00:59:41,359

they have such a big you know

1749

00:59:44,630 --> 00:59:43,040

i don't know i want to say big heart i

1750

00:59:45,510 --> 00:59:44,640

know that sounds kind of silly yeah for

1751

00:59:46,870 --> 00:59:45,520

sure

1752

00:59:48,870 --> 00:59:46,880

they really it sounds like he really

1753

00:59:50,950 --> 00:59:48,880

wants to enlighten people and help them

1754

00:59:53,109 --> 00:59:50,960

understand what's going on on so many

1755

00:59:56,789 --> 00:59:53,119

different levels and at their level

1756

00:59:58,950 --> 00:59:56,799

which is great yes it's not like um

1757

01:00:01,109 --> 00:59:58,960

you know by now we shall be aware that

1758

01:00:03,030 --> 01:00:01,119

um this is how you know when people say

1759

01:00:04,390 --> 01:00:03,040

this is how it's done no this is the way

1760

01:00:06,549 --> 01:00:04,400

it is no

1761

01:00:08,549 --> 01:00:06,559

you know it you got to be up here you

1762

01:00:10,549 --> 01:00:08,559

can't even try it like

1763

01:00:12,309 --> 01:00:10,559

by now we should know that's just like

1764

01:00:13,910 --> 01:00:12,319

ineffective and isn't going to work if

1765

01:00:16,390 --> 01:00:13,920

anything that's a warning flag anybody

1766

01:00:18,630 --> 01:00:16,400

that's telling you only this way and

1767

01:00:20,950 --> 01:00:18,640

it's only you have to do you know okay i

1768

01:00:22,470 --> 01:00:20,960

dealt with that a lot in uh like uh with

1769

01:00:24,230 --> 01:00:22,480

other witches like because i didn't go

1770

01:00:25,109 --> 01:00:24,240

through there kind of the training you

1771

01:00:26,549 --> 01:00:25,119

know i'm like well i guess i'm just

1772

01:00:28,549 --> 01:00:26,559

looking at myself making money you know

1773

01:00:30,150 --> 01:00:28,559

but um if you don't do this certain

1774

01:00:31,990 --> 01:00:30,160

thing you know um

1775

01:00:34,069 --> 01:00:32,000

and that that's for everything people

1776

01:00:35,990 --> 01:00:34,079

are they just know so much without

1777

01:00:37,990 --> 01:00:36,000

actually knowing

1778

01:00:39,589 --> 01:00:38,000

yeah and it's just like everybody's

1779

01:00:41,190 --> 01:00:39,599

unique to themselves everybody's

1780

01:00:43,670 --> 01:00:41,200

different so everybody's gonna have

1781

01:00:46,309 --> 01:00:43,680

their way that's going to work for them

1782

01:00:48,230 --> 01:00:46,319

best and it's impossible to have

1783

01:00:50,549 --> 01:00:48,240

a one-size-fits-all especially when it

1784

01:00:54,230 --> 01:00:50,559

comes to theoretical stuff and

1785

01:00:55,109 --> 01:00:54,240

philosophy and you know ways to live so

1786

01:00:56,870 --> 01:00:55,119

yeah

1787

01:00:58,549 --> 01:00:56,880

well i appreciate your time i thought

1788

01:01:00,950 --> 01:00:58,559

you were great today

1789

01:01:02,230 --> 01:01:00,960

um you're off next week right

1790

01:01:04,789 --> 01:01:02,240

yeah i have a

1791

01:01:07,750 --> 01:01:04,799

i have a medium coming on um

1792

01:01:09,589 --> 01:01:07,760

okay next week but uh

1793

01:01:11,510 --> 01:01:09,599

zach after that you're welcome to join

1794

01:01:13,750 --> 01:01:11,520

if you have any questions she's um

1795

01:01:15,750 --> 01:01:13,760

uh she's she has i mean she's a

1796

01:01:17,910 --> 01:01:15,760

well-known medium in the awesome it's

1797

01:01:19,750 --> 01:01:17,920

not like a tv one but in like you know

1798

01:01:21,270 --> 01:01:19,760

that i'm not vegan chip well she's legit

1799

01:01:24,950 --> 01:01:21,280

she's not she's not she's not like a

1800

01:01:27,510 --> 01:01:24,960

what's the long island medium oh so it's

1801
01:01:28,470 --> 01:01:27,520
not long island no i want i want the tv

1802
01:01:30,630 --> 01:01:28,480
ones

1803
01:01:31,910 --> 01:01:30,640
yeah

1804
01:01:34,309 --> 01:01:31,920
no that

1805
01:01:36,870 --> 01:01:34,319
that's pretty cool um what time is your

1806
01:01:39,430 --> 01:01:36,880
what time is your gig it should be at

1807
01:01:41,829 --> 01:01:39,440
eight eight o'clock okay well

1808
01:01:43,270 --> 01:01:41,839
maybe maybe not next monday i was

1809
01:01:45,430 --> 01:01:43,280
actually going to take off anyways

1810
01:01:48,549 --> 01:01:45,440
because of a conflicting schedule thing

1811
01:01:50,150 --> 01:01:48,559
but i might be able to hang out um at

1812
01:01:53,109 --> 01:01:50,160
that time because it's a little bit

1813
01:01:55,109 --> 01:01:53,119

later so if i'm awake

1814

01:01:58,069 --> 01:01:55,119

you know right now i'm just like i'm

1815

01:01:59,670 --> 01:01:58,079

like bernie you ever see those bernie

1816

01:02:02,309 --> 01:01:59,680

uh

1817

01:02:03,109 --> 01:02:02,319

those bernie movies like um

1818

01:02:05,270 --> 01:02:03,119

where

1819

01:02:08,390 --> 01:02:05,280

he's dead and the people just like kind

1820

01:02:09,750 --> 01:02:08,400

of move them around and stuff

1821

01:02:10,789 --> 01:02:09,760

i feel like i know what you're talking

1822

01:02:12,950 --> 01:02:10,799

about without knowing what you're

1823

01:02:14,789 --> 01:02:12,960

talking about yeah

1824

01:02:16,789 --> 01:02:14,799

it makes sense to me

1825

01:02:18,230 --> 01:02:16,799

it makes me think of that one uh chubby

1826

01:02:19,190 --> 01:02:18,240

chase movie where they have the ant like

1827

01:02:21,670 --> 01:02:19,200

on the car

1828

01:02:23,829 --> 01:02:21,680

yeah something like that

1829

01:02:25,589 --> 01:02:23,839

check it out it's not important or home

1830

01:02:27,990 --> 01:02:25,599

yes weekend at bernie's that's what it

1831

01:02:30,549 --> 01:02:28,000

is oh okay yeah yeah

1832

01:02:32,390 --> 01:02:30,559

like no you're dead

1833

01:02:35,349 --> 01:02:32,400

yes yeah now it's all coming back i just

1834

01:02:37,829 --> 01:02:35,359

need the name that's how i feel pretty

1835

01:02:40,069 --> 01:02:37,839

much every time after now

1836

01:02:42,150 --> 01:02:40,079

because i get up so i get up so early

1837

01:02:43,430 --> 01:02:42,160

i'm like at 3 30 4 o'clock whatever i

1838

01:02:44,630 --> 01:02:43,440

can't help it

1839

01:02:46,230 --> 01:02:44,640

so

1840

01:02:47,829 --> 01:02:46,240

um but

1841

01:02:50,549 --> 01:02:47,839

yeah i had a great time with you once

1842

01:02:54,069 --> 01:02:50,559

again uh next week i'm taking off of

1843

01:02:57,029 --> 01:02:54,079

this channel at the nighttime slot so go

1844

01:02:59,589 --> 01:02:57,039

check out priscilla quantum witch cafe

1845

01:03:02,390 --> 01:02:59,599

um and with that being said

1846

01:03:05,270 --> 01:03:02,400

check out the liberation times website

1847

01:03:08,069 --> 01:03:05,280

because pretty big article um came out

1848

01:03:10,150 --> 01:03:08,079

there today that i contributed to and mr

1849

01:03:11,829 --> 01:03:10,160

robert gopher may be mentioned i'm not

1850

01:03:13,430 --> 01:03:11,839

sure but hopefully

1851

01:03:19,750 --> 01:03:13,440

um

1852

01:03:26,309 --> 01:03:23,109

oh i'm caught i wanted to play a video

1853

01:03:29,029 --> 01:03:26,319

uh which one okay this one

1854

01:03:30,549 --> 01:03:29,039

t-minus ten nine eight

1855

01:03:32,630 --> 01:03:30,559

seven

1856

01:03:37,670 --> 01:03:32,640

no that's better for a start okay let's
