

1
00:02:41,200 --> 00:02:45,510
welcome to witnesses

2
00:03:04,550 --> 00:03:02,830
[Music]

3
00:03:05,790 --> 00:03:04,560
with

4
00:03:09,930 --> 00:03:05,800
citizen

5
00:03:09,940 --> 00:04:07,990
[Music]

6
00:04:12,949 --> 00:04:10,949
what's up everybody

7
00:04:15,509 --> 00:04:12,959
how are you doing today i hope you're

8
00:04:18,629 --> 00:04:15,519
doing good it is

9
00:04:20,390 --> 00:04:18,639
monday the 27th of december in case you

10
00:04:22,469 --> 00:04:20,400
were wondering

11
00:04:25,830 --> 00:04:22,479
yeah there is

12
00:04:29,030 --> 00:04:25,840
uh kind of a lot of

13
00:04:31,830 --> 00:04:29,040

uap news i mean this stuff is really

14

00:04:33,270 --> 00:04:31,840

popping off so to speak

15

00:04:35,990 --> 00:04:33,280

so i figured we just kind of gave a

16

00:04:38,950 --> 00:04:36,000

rundown go through the different things

17

00:04:41,189 --> 00:04:38,960

um everything that's going on

18

00:04:42,390 --> 00:04:41,199

which is kind of a lot

19

00:04:44,390 --> 00:04:42,400

and

20

00:04:46,310 --> 00:04:44,400

you know we'll just touch on it a little

21

00:04:48,710 --> 00:04:46,320

bit at a time

22

00:04:49,990 --> 00:04:48,720

and i actually today i'm going to bring

23

00:04:51,110 --> 00:04:50,000

back

24

00:04:53,830 --> 00:04:51,120

um

25

00:04:56,629 --> 00:04:53,840

what the heck is that

26

00:04:59,110 --> 00:04:56,639

for those of you who remember

27

00:05:01,110 --> 00:04:59,120

uh which it's okay if you don't but

28

00:05:04,070 --> 00:05:01,120

i had a segment called what the heck is

29

00:05:06,150 --> 00:05:04,080

that where we played some random uh ufo

30

00:05:07,510 --> 00:05:06,160

vids off the internet

31

00:05:09,670 --> 00:05:07,520

and you know

32

00:05:12,710 --> 00:05:09,680

whatever we asked what the heck is that

33

00:05:14,790 --> 00:05:12,720

um i got a pretty good one um so

34

00:05:16,629 --> 00:05:14,800

from robert cofort today

35

00:05:18,310 --> 00:05:16,639

so i'm gonna play that

36

00:05:21,909 --> 00:05:18,320

and we're gonna

37

00:05:25,029 --> 00:05:21,919

see if we can find what the heck it is

38

00:05:27,830 --> 00:05:25,039

um first off what's up to everybody i

39

00:05:29,590 --> 00:05:27,840

appreciate you guys hanging out

40

00:05:31,830 --> 00:05:29,600

um

41

00:05:34,950 --> 00:05:31,840

just so i can prove that this is not

42

00:05:37,270 --> 00:05:34,960

pre-recorded i'll say hello to everybody

43

00:05:40,230 --> 00:05:37,280

um we have

44

00:05:41,590 --> 00:05:40,240

a study of uaps ufos i know her name but

45

00:05:45,350 --> 00:05:41,600

i won't say it

46

00:05:48,469 --> 00:05:46,550

and i'm working on a different

47

00:05:51,189 --> 00:05:48,479

background here so it'll get better at

48

00:05:52,950 --> 00:05:51,199

some point but um this was all pretty

49

00:05:55,749 --> 00:05:52,960

last minute so

50

00:05:56,790 --> 00:05:55,759

um but robert cowford what's up speak of

51

00:05:58,390 --> 00:05:56,800

the devil

52

00:06:02,309 --> 00:05:58,400

and we have

53

00:06:03,749 --> 00:06:02,319

a dope nose what's happening

54

00:06:06,309 --> 00:06:03,759

one day i'll be able to say that name

55

00:06:07,830 --> 00:06:06,319

and not laugh but

56

00:06:09,830 --> 00:06:07,840

until then

57

00:06:11,430 --> 00:06:09,840

i'm sorry but it's funny name

58

00:06:12,550 --> 00:06:11,440

i need to get the middle finger up ooh

59

00:06:14,309 --> 00:06:12,560

and maybe i shouldn't click on your

60

00:06:16,790 --> 00:06:14,319

picture anymore just in case kids are

61

00:06:19,350 --> 00:06:16,800

watching i hear this is pretty popular

62

00:06:21,749 --> 00:06:19,360

show for the toddler

63

00:06:24,790 --> 00:06:21,759

the toddler age of bracket

64

00:06:27,670 --> 00:06:24,800

demographic what's up disclosure team

65

00:06:29,029 --> 00:06:27,680

disclosure team actually made

66

00:06:31,350 --> 00:06:29,039

um

67

00:06:33,909 --> 00:06:31,360

he made the uh little news list i put

68

00:06:35,749 --> 00:06:33,919

together so um hang on and i'll mention

69

00:06:38,309 --> 00:06:35,759

him a little bit

70

00:06:39,510 --> 00:06:38,319

christian how you doing sir stephen

71

00:06:40,550 --> 00:06:39,520

marshall

72

00:06:42,070 --> 00:06:40,560

um

73

00:06:44,309 --> 00:06:42,080

who else we got

74

00:06:47,510 --> 00:06:44,319

jason faye what's happening

75

00:06:49,830 --> 00:06:47,520

josh hello how you doing

76

00:06:52,629 --> 00:06:49,840

pinezer what's up

77

00:06:53,990 --> 00:06:52,639

trisha harvey what's going on

78

00:06:56,629 --> 00:06:54,000

uh

79

00:06:58,710 --> 00:06:56,639

megan what's happening

80

00:07:01,350 --> 00:06:58,720

and

81

00:07:03,430 --> 00:07:01,360

that could be it that might be it jose

82

00:07:04,710 --> 00:07:03,440

what's up jose

83

00:07:07,029 --> 00:07:04,720

um and

84

00:07:08,790 --> 00:07:07,039

yeah we have josh yeah

85

00:07:10,230 --> 00:07:08,800

so we have a pretty good crowd today

86

00:07:13,909 --> 00:07:10,240

starting off

87

00:07:15,430 --> 00:07:13,919

so that is pretty cool and i'll start

88

00:07:17,350 --> 00:07:15,440

with

89

00:07:19,189 --> 00:07:17,360

it's an amazing day

90

00:07:20,309 --> 00:07:19,199

it is an amazing day

91

00:07:24,550 --> 00:07:20,319

why

92

00:07:26,629 --> 00:07:24,560

i don't know

93

00:07:28,070 --> 00:07:26,639

just seems like a monday

94

00:07:32,110 --> 00:07:28,080

yes me

95

00:07:33,670 --> 00:07:32,120

boom because biden signs the ndaa

96

00:07:35,430 --> 00:07:33,680

2022

97

00:07:38,070 --> 00:07:35,440

um

98

00:07:40,309 --> 00:07:38,080

pretty cool stuff

99

00:07:42,870 --> 00:07:40,319

pretty cool you know i was just watching

100

00:07:45,189 --> 00:07:42,880

a highlight um you know i didn't try to

101
00:07:47,430 --> 00:07:45,199
watch it but it was on youtube and it

102
00:07:50,150 --> 00:07:47,440
was this uh fox news host it just like

103
00:07:51,589 --> 00:07:50,160
pops up this fox news house asking uh

104
00:07:52,950 --> 00:07:51,599
biden

105
00:07:55,110 --> 00:07:52,960
um

106
00:07:57,270 --> 00:07:55,120
you know the headline was uh fox anchor

107
00:08:01,830 --> 00:07:57,280
spars with joe biden and it really

108
00:08:03,670 --> 00:08:01,840
wasn't aspire if he asked me you know um

109
00:08:04,710 --> 00:08:03,680
i think that was clickbait headline but

110
00:08:09,110 --> 00:08:04,720
anyways

111
00:08:09,980 --> 00:08:09,120
he asked biden um at the end of it

112
00:08:11,350 --> 00:08:09,990
about the

113
00:08:12,869 --> 00:08:11,360

[Music]

114

00:08:14,309 --> 00:08:12,879

about obama he goes

115

00:08:16,230 --> 00:08:14,319

president uh

116

00:08:18,230 --> 00:08:16,240

president obama said that uh there's

117

00:08:20,070 --> 00:08:18,240

things in our skies and uh we don't know

118

00:08:21,270 --> 00:08:20,080

what they are where they come from uh

119

00:08:27,350 --> 00:08:21,280

what do you have to say about that and

120

00:08:31,909 --> 00:08:29,909

uh well

121

00:08:34,149 --> 00:08:31,919

so we got biden saying that now we got

122

00:08:36,070 --> 00:08:34,159

uh uep office

123

00:08:38,709 --> 00:08:36,080

that's gonna that's gonna do field

124

00:08:42,230 --> 00:08:38,719

investigations

125

00:08:42,470 --> 00:08:42,240

look into uh health effects

126
00:08:43,750 --> 00:08:42,480
um

127
00:08:45,030 --> 00:08:43,760
[Music]

128
00:08:46,550 --> 00:08:45,040
and a lot of other stuff work with

129
00:08:47,670 --> 00:08:46,560
allies

130
00:08:50,310 --> 00:08:47,680
come up with a

131
00:08:53,750 --> 00:08:50,320
comprehensive way to gather the data

132
00:09:00,310 --> 00:08:56,870
that's pretty intense so

133
00:09:03,990 --> 00:09:01,910
you know and they're not calling it um

134
00:09:05,110 --> 00:09:04,000
drone force or

135
00:09:09,829 --> 00:09:05,120
balloon

136
00:09:10,949 --> 00:09:09,839
well they haven't named it yet i don't

137
00:09:13,269 --> 00:09:10,959
think but

138
00:09:14,870 --> 00:09:13,279

it's uap's unidentified aerial

139

00:09:18,470 --> 00:09:14,880

phenomenon which is something that can't

140

00:09:22,470 --> 00:09:20,310

so

141

00:09:23,990 --> 00:09:22,480

and these are military folks

142

00:09:26,150 --> 00:09:24,000

so pretty much anything that they can't

143

00:09:28,070 --> 00:09:26,160

immediately identify

144

00:09:30,389 --> 00:09:28,080

um

145

00:09:33,110 --> 00:09:30,399

has got got to be something

146

00:09:35,750 --> 00:09:33,120

pretty intense

147

00:09:37,190 --> 00:09:35,760

i mean you know uh they at this point

148

00:09:39,269 --> 00:09:37,200

should be able to

149

00:09:40,470 --> 00:09:39,279

say uh that looks pretty close to a

150

00:09:41,910 --> 00:09:40,480

balloon

151
00:09:42,949 --> 00:09:41,920
you know or whatever even if they're

152
00:09:44,630 --> 00:09:42,959
guessing

153
00:09:48,389 --> 00:09:44,640
but

154
00:09:51,509 --> 00:09:48,399
so we have a uap office

155
00:09:55,269 --> 00:09:51,519
what's it gonna look like i wonder

156
00:09:58,630 --> 00:09:57,430
are we going to like have any

157
00:10:00,630 --> 00:09:58,640
interaction with them are they going to

158
00:10:03,190 --> 00:10:00,640
have a spokesperson

159
00:10:08,550 --> 00:10:05,670
maybe maybe not probably not

160
00:10:12,150 --> 00:10:08,560
but who knows because they are doing

161
00:10:13,509 --> 00:10:12,160
regular reports that go to

162
00:10:15,509 --> 00:10:13,519
uh the public classified and

163
00:10:18,630 --> 00:10:15,519

unclassified

164

00:10:20,710 --> 00:10:18,640

so if that's the case the other

165

00:10:25,030 --> 00:10:20,720

unclassified version uh went to the

166

00:10:28,069 --> 00:10:26,630

you know i would think if you're going

167

00:10:29,910 --> 00:10:28,079

to go to the public you'll have to have

168

00:10:32,550 --> 00:10:29,920

some sort of

169

00:10:38,310 --> 00:10:32,560

public representation right especially

170

00:10:42,310 --> 00:10:40,470

and a lot of the things that go

171

00:10:44,310 --> 00:10:42,320

you know kind of unsaid or maybe not

172

00:10:48,310 --> 00:10:44,320

thought about as much as stuff like this

173

00:10:50,790 --> 00:10:48,320

josh here this puts law and legitimizes

174

00:10:53,990 --> 00:10:50,800

at least three generations of

175

00:10:57,030 --> 00:10:54,000

experiences for my family

176

00:10:59,190 --> 00:10:57,040

and he's not the only one

177

00:11:02,150 --> 00:10:59,200

you know i know

178

00:11:03,670 --> 00:11:02,160

a good amount of people at this point

179

00:11:07,110 --> 00:11:03,680

that have

180

00:11:09,990 --> 00:11:07,120

generations of sightings i mean mine

181

00:11:13,110 --> 00:11:10,000

my dad my grandpa

182

00:11:17,910 --> 00:11:15,110

that's that's uh that's a pretty big

183

00:11:23,509 --> 00:11:21,110

so i can't wait to see the

184

00:11:25,190 --> 00:11:23,519

the reports and what comes from this you

185

00:11:28,550 --> 00:11:25,200

know are we not gonna hear anything

186

00:11:30,630 --> 00:11:28,560

until a report comes up or

187

00:11:32,230 --> 00:11:30,640

you know i just

188

00:11:34,230 --> 00:11:32,240

on one hand i'm excited to see what

189

00:11:36,470 --> 00:11:34,240

happens and on the other hand

190

00:11:38,069 --> 00:11:36,480

you know i have that little fear within

191

00:11:40,069 --> 00:11:38,079

me that

192

00:11:43,509 --> 00:11:40,079

we're not gonna

193

00:11:46,069 --> 00:11:43,519

really hear much but

194

00:11:48,310 --> 00:11:46,079

you know we'll see we'll see how it goes

195

00:11:49,829 --> 00:11:48,320

um that fear could be unfounded

196

00:11:52,870 --> 00:11:49,839

and at this point should probably just

197

00:11:53,910 --> 00:11:52,880

focus on the good stuff

198

00:11:57,430 --> 00:11:53,920

right

199

00:12:00,069 --> 00:11:57,440

if i had champagne i'd pop it

200

00:12:02,069 --> 00:12:00,079

i would totally pop it

201
00:12:04,790 --> 00:12:02,079
uh megan's got the cheers though for us

202
00:12:08,949 --> 00:12:04,800
it's five o'clock here

203
00:12:12,389 --> 00:12:10,870
they did a virtual cheers here we go

204
00:12:14,550 --> 00:12:12,399
sweet

205
00:12:16,550 --> 00:12:14,560
awesome yeah robert's here hope you're

206
00:12:19,190 --> 00:12:16,560
feeling good robert

207
00:12:20,550 --> 00:12:19,200
i know robert had some stuff going on so

208
00:12:23,509 --> 00:12:20,560
i hope he's

209
00:12:25,190 --> 00:12:23,519
uh recouping getting better

210
00:12:27,030 --> 00:12:25,200
so that's pretty awesome biden signed it

211
00:12:29,110 --> 00:12:27,040
into law um

212
00:12:30,230 --> 00:12:29,120
let's just think about this for a second

213
00:12:31,750 --> 00:12:30,240

let's say

214

00:12:32,710 --> 00:12:31,760

and we're totally speculating here of

215

00:12:36,829 --> 00:12:32,720

course but

216

00:12:43,350 --> 00:12:39,750

a precipice for

217

00:12:45,829 --> 00:12:43,360

um some sort of presidential disclosure

218

00:12:47,990 --> 00:12:45,839

you know now that we have this office in

219

00:12:52,389 --> 00:12:48,000

they've been reporting stuff and i feel

220

00:12:56,230 --> 00:12:54,230

non-human

221

00:12:58,870 --> 00:12:56,240

entities

222

00:13:02,870 --> 00:12:58,880

in our skies or waters

223

00:13:02,880 --> 00:13:07,990

right now what happens after that

224

00:13:11,590 --> 00:13:09,910

do things dramatically change do they

225

00:13:15,110 --> 00:13:11,600

stay the same

226

00:13:16,389 --> 00:13:15,120

do people lose their [h__h]

227

00:13:17,509 --> 00:13:16,399

are people

228

00:13:20,550 --> 00:13:17,519

pretty much moving on with their

229

00:13:25,509 --> 00:13:23,269

i would bet that a

230

00:13:27,910 --> 00:13:25,519

good here robert it's our button proven

231

00:13:30,310 --> 00:13:27,920

awesome by the way i mentioned jazz the

232

00:13:33,670 --> 00:13:30,320

other day

233

00:13:34,949 --> 00:13:33,680

um and he had something going on

234

00:13:36,790 --> 00:13:34,959

and that

235

00:13:38,710 --> 00:13:36,800

turned out really well

236

00:13:40,629 --> 00:13:38,720

apparently so

237

00:13:43,430 --> 00:13:40,639

that's awesome so sending good vibes of

238

00:13:45,269 --> 00:13:43,440

jazz that went well awesome

239

00:13:48,629 --> 00:13:45,279

uh vinnie's got something in here first

240

00:13:50,790 --> 00:13:48,639

briefing march 22nd we might hear some

241

00:13:52,310 --> 00:13:50,800

talk from certain senators

242

00:13:53,430 --> 00:13:52,320

march 22nd

243

00:14:03,189 --> 00:13:53,440

that's

244

00:14:07,590 --> 00:14:03,199

um

245

00:14:10,710 --> 00:14:09,590

oh man sorry

246

00:14:19,430 --> 00:14:10,720

so

247

00:14:20,870 --> 00:14:19,440

bigger deal you know

248

00:14:22,629 --> 00:14:20,880

from what we know of there's more of

249

00:14:23,430 --> 00:14:22,639

these things coming around infiltrating

250

00:14:26,710 --> 00:14:23,440

our

251

00:14:28,470 --> 00:14:26,720

um restricted airspace so

252

00:14:29,990 --> 00:14:28,480

if that continues to happen and they're

253

00:14:31,670 --> 00:14:30,000

doing what they say they're gonna do

254

00:14:33,350 --> 00:14:31,680

which is

255

00:14:34,629 --> 00:14:33,360

pretty much try to capture one of these

256

00:14:36,470 --> 00:14:34,639

things

257

00:14:38,150 --> 00:14:36,480

um

258

00:14:40,069 --> 00:14:38,160

reverse engineer it

259

00:14:42,389 --> 00:14:40,079

you know that's pretty uh that's a lot

260

00:14:43,590 --> 00:14:42,399

of gusto too right

261

00:14:47,670 --> 00:14:43,600

you know

262

00:14:50,230 --> 00:14:47,680

one recently right and that's their goal

263

00:14:52,230 --> 00:14:50,240

right now as well as reverse engineering

264

00:14:53,910 --> 00:14:52,240

it

265

00:14:55,350 --> 00:14:53,920

you know shouldn't you just be like uh

266

00:14:59,990 --> 00:14:55,360

maybe we should figure out what it what

267

00:15:04,470 --> 00:15:02,150

we're just gonna go straight to reverse

268

00:15:07,750 --> 00:15:04,480

engineer

269

00:15:11,590 --> 00:15:09,670

okay well you know

270

00:15:14,069 --> 00:15:11,600

march 2022

271

00:15:15,509 --> 00:15:14,079

march 25th oh that would be that would

272

00:15:18,949 --> 00:15:15,519

be crazy

273

00:15:20,790 --> 00:15:18,959

march 25th yeah i'll get on that um

274

00:15:24,150 --> 00:15:20,800

that's an interesting date that's the

275

00:15:28,949 --> 00:15:24,160

day of the aztec landing

276

00:15:31,990 --> 00:15:28,959

and i gotta say that i randomly

277

00:15:33,990 --> 00:15:32,000

uh i guess by way of synchronicity

278

00:15:35,430 --> 00:15:34,000

ran into some documents with that date

279

00:15:38,069 --> 00:15:35,440

all over it

280

00:15:38,949 --> 00:15:38,079

not directly indicating the aztec thing

281

00:15:42,389 --> 00:15:38,959

but

282

00:15:45,670 --> 00:15:44,710

basically it was an emergency air order

283

00:15:47,509 --> 00:15:45,680

and

284

00:15:49,350 --> 00:15:47,519

um that date was on

285

00:15:53,269 --> 00:15:49,360

a lot of subsequent documents in

286

00:15:55,350 --> 00:15:53,279

relation to ufos so

287

00:15:57,030 --> 00:15:55,360

we'll get robert on to kind of fully

288

00:15:58,550 --> 00:15:57,040

explain that again

289

00:16:02,389 --> 00:15:58,560

when he's feeling better that would be

290

00:16:03,829 --> 00:16:02,399

awesome but yeah back back to

291

00:16:05,350 --> 00:16:03,839

what we were talking about

292

00:16:06,550 --> 00:16:05,360

uh christian thompson moving on with

293

00:16:08,870 --> 00:16:06,560

their [h__h]

294

00:16:10,389 --> 00:16:08,880

in regards to people and how would they

295

00:16:12,710 --> 00:16:10,399

act or react

296

00:16:14,790 --> 00:16:12,720

if this was some sort of precipice for

297

00:16:17,269 --> 00:16:14,800

the president to give disclosure to the

298

00:16:19,269 --> 00:16:17,279

american people of non-human

299

00:16:21,509 --> 00:16:19,279

uh entities

300

00:16:25,110 --> 00:16:21,519

you know whether in the sky or the water

301

00:16:25,120 --> 00:16:28,870

how would people act um

302

00:16:33,350 --> 00:16:31,110

what could you do

303

00:16:35,590 --> 00:16:33,360

you know let's say everything is how it

304

00:16:37,670 --> 00:16:35,600

is now

305

00:16:40,069 --> 00:16:37,680

you get these words right

306

00:16:42,069 --> 00:16:40,079

because unless you see touch or smell or

307

00:16:43,749 --> 00:16:42,079

your senses are involved right it's

308

00:16:46,790 --> 00:16:43,759

really

309

00:16:48,230 --> 00:16:46,800

uh words right so you hear these things

310

00:16:50,150 --> 00:16:48,240

exist

311

00:16:51,189 --> 00:16:50,160

from the highest order you can hear it

312

00:16:52,870 --> 00:16:51,199

from

313

00:16:54,310 --> 00:16:52,880

what do you do

314

00:16:56,870 --> 00:16:54,320

i mean you don't quit your job or

315

00:16:58,550 --> 00:16:56,880

anything right

316

00:17:00,310 --> 00:16:58,560

for some reason you know when i think

317

00:17:03,189 --> 00:17:00,320

it's celebrate i think woohoo quit my

318

00:17:07,270 --> 00:17:04,630

but

319

00:17:09,909 --> 00:17:07,280

this is a little bit different i think

320

00:17:12,789 --> 00:17:09,919

so you wouldn't quit your job

321

00:17:16,390 --> 00:17:13,909

i think

322

00:17:18,390 --> 00:17:16,400

for people who

323

00:17:20,390 --> 00:17:18,400

are kind of like on the edge of

324

00:17:21,189 --> 00:17:20,400

believing something that is there and

325

00:17:22,949 --> 00:17:21,199

isn't

326

00:17:26,789 --> 00:17:22,959

will definitely

327

00:17:28,549 --> 00:17:26,799

take the plunge right i believe now

328

00:17:29,990 --> 00:17:28,559

and again not that it's this or that

329

00:17:33,750 --> 00:17:30,000

just then it's

330

00:17:35,430 --> 00:17:33,760

you know something um non-human

331

00:17:37,909 --> 00:17:35,440

unless they know and they tell us you

332

00:17:39,909 --> 00:17:37,919

know that's a different story but

333

00:17:42,310 --> 00:17:39,919

so that's a lot more people that will be

334

00:17:44,630 --> 00:17:42,320

engaged for one

335

00:17:47,669 --> 00:17:44,640

in this topic in the

336

00:17:49,350 --> 00:17:47,679

community ufo twitter

337

00:17:51,270 --> 00:17:49,360

you know will there still be a ufo

338

00:17:55,190 --> 00:17:51,280

twitter i would imagine but it become

339

00:17:58,630 --> 00:17:55,200

more like a ufo walmart type of thing

340

00:18:01,029 --> 00:17:58,640

so we'd have our little uh unique

341

00:18:04,470 --> 00:18:01,039

um hip indie

342

00:18:09,909 --> 00:18:05,669

you know so we don't have to deal with

343

00:18:13,190 --> 00:18:11,750

but uh

344

00:18:15,830 --> 00:18:13,200

yeah so that would get bigger there'd

345

00:18:17,190 --> 00:18:15,840

probably be more shows more movies

346

00:18:19,270 --> 00:18:17,200

um

347

00:18:21,510 --> 00:18:19,280

more people investigating

348

00:18:22,710 --> 00:18:21,520

more information

349

00:18:24,070 --> 00:18:22,720

i mean because you can't say something

350

00:18:25,510 --> 00:18:24,080

like that as the president or the

351
00:18:30,549 --> 00:18:25,520
government not

352
00:18:33,669 --> 00:18:32,310
so i think we'd get some more

353
00:18:38,310 --> 00:18:33,679
information

354
00:18:41,029 --> 00:18:38,320
then we might deal with a little bit of

355
00:18:42,470 --> 00:18:41,039
we'll still deal with people like

356
00:18:45,270 --> 00:18:42,480
you know i'm probably creating their own

357
00:18:46,549 --> 00:18:45,280
false narratives or misinformation so to

358
00:18:48,470 --> 00:18:46,559
speak

359
00:18:51,110 --> 00:18:48,480
right

360
00:18:55,830 --> 00:18:54,150
so that will be interesting

361
00:18:57,510 --> 00:18:55,840
you know what will that look like some

362
00:18:59,669 --> 00:18:57,520
people will probably be really sneaky

363
00:19:02,230 --> 00:18:59,679

with it

364

00:19:04,390 --> 00:19:02,240

it may fool us

365

00:19:06,789 --> 00:19:04,400

others may be

366

00:19:09,110 --> 00:19:06,799

you know uh more obvious but

367

00:19:10,549 --> 00:19:09,120

i think there may also be things like

368

00:19:13,750 --> 00:19:10,559

more

369

00:19:15,110 --> 00:19:13,760

religious aspects to it as far as

370

00:19:17,750 --> 00:19:15,120

you know because we kind of see already

371

00:19:18,020 --> 00:19:17,760

with you with the ufos and

372

00:19:19,750 --> 00:19:18,030

um

373

00:19:21,430 --> 00:19:19,760

[Music]

374

00:19:23,270 --> 00:19:21,440

and stuff there's

375

00:19:24,950 --> 00:19:23,280

some people who kind of take that to

376

00:19:27,430 --> 00:19:24,960

form you know

377

00:19:30,150 --> 00:19:27,440

like a cult or almost like a religious

378

00:19:32,070 --> 00:19:30,160

thing or a group or something right

379

00:19:35,110 --> 00:19:32,080

where and usually you'll be able to tell

380

00:19:36,150 --> 00:19:35,120

because they know everything

381

00:19:39,270 --> 00:19:36,160

you know

382

00:19:41,830 --> 00:19:39,280

they know how it is they know what date

383

00:19:43,430 --> 00:19:41,840

that the beings told them to tell us to

384

00:19:44,870 --> 00:19:43,440

get ready

385

00:19:49,270 --> 00:19:44,880

if you're on ufo twitter you know what

386

00:19:52,870 --> 00:19:50,549

you know that's the kind of stuff we

387

00:19:55,750 --> 00:19:52,880

just have to be aware of and not

388

00:19:59,270 --> 00:19:57,669

you know

389

00:20:00,630 --> 00:19:59,280

um

390

00:20:03,669 --> 00:20:00,640

because they'll try it i mean the one

391

00:20:06,149 --> 00:20:03,679

person i'm thinking of is still trying

392

00:20:07,750 --> 00:20:06,159

to get followers and and give these

393

00:20:09,270 --> 00:20:07,760

dates of

394

00:20:12,070 --> 00:20:09,280

impending enlightenment and all that

395

00:20:17,350 --> 00:20:14,070

and it's just like you know the first

396

00:20:19,430 --> 00:20:17,360

thing i think is why aren't you saying

397

00:20:21,350 --> 00:20:19,440

tell somebody else

398

00:20:23,909 --> 00:20:21,360

that's what i would say

399

00:20:25,909 --> 00:20:23,919

these beings are telling me

400

00:20:27,830 --> 00:20:25,919

that and giving me this date of this big

401
00:20:31,029 --> 00:20:27,840
glorious thing that's gonna happen

402
00:20:33,190 --> 00:20:31,039
and they want me to tell you guys

403
00:20:36,070 --> 00:20:33,200
you know first of all i know better

404
00:20:39,350 --> 00:20:36,080
like nobody why would i do that

405
00:20:40,789 --> 00:20:39,360
i'm gonna look like an idiot

406
00:20:41,680 --> 00:20:40,799
you gotta tell some other people you

407
00:20:44,470 --> 00:20:41,690
can't just tell me

408
00:20:45,909 --> 00:20:44,480
[Laughter]

409
00:20:46,710 --> 00:20:45,919
it's ridiculous

410
00:20:49,190 --> 00:20:46,720
so

411
00:20:50,390 --> 00:20:49,200
you know

412
00:20:53,590 --> 00:20:50,400
maybe

413
00:20:55,510 --> 00:20:53,600

um

414

00:20:57,669 --> 00:20:55,520

but yeah stuff like that we

415

00:20:58,950 --> 00:20:57,679

have to look out for stuff like that for

416

00:21:02,070 --> 00:20:58,960

sure

417

00:21:04,230 --> 00:21:02,080

you know nobody knows

418

00:21:06,870 --> 00:21:04,240

you know it's not it's never going to be

419

00:21:09,830 --> 00:21:06,880

just one person has the information and

420

00:21:11,430 --> 00:21:09,840

it's their job to tell everybody else

421

00:21:14,149 --> 00:21:11,440

you know but uh with the beings or

422

00:21:15,909 --> 00:21:14,159

whatever never talk for themselves

423

00:21:18,789 --> 00:21:15,919

that's pretty stupid it because if they

424

00:21:19,990 --> 00:21:18,799

were so smart as they should be

425

00:21:21,669 --> 00:21:20,000

you know

426

00:21:24,070 --> 00:21:21,679

um

427

00:21:26,149 --> 00:21:24,080

they would know that that would happen

428

00:21:29,110 --> 00:21:26,159

so my argument is it's kind of like

429

00:21:30,630 --> 00:21:29,120

inflicting torture on the person

430

00:21:32,070 --> 00:21:30,640

to some extent

431

00:21:34,310 --> 00:21:32,080

just leading him out there to

432

00:21:35,830 --> 00:21:34,320

embarrassment and uh

433

00:21:38,789 --> 00:21:35,840

you know

434

00:21:40,950 --> 00:21:38,799

hard times

435

00:21:42,470 --> 00:21:40,960

we don't know what these things are from

436

00:21:44,549 --> 00:21:42,480

josh we don't know the intentions we

437

00:21:46,310 --> 00:21:44,559

just know they exist we can only

438

00:21:48,149 --> 00:21:46,320

speculate as how

439

00:21:49,750 --> 00:21:48,159

humanity will react until we know for

440

00:21:52,149 --> 00:21:49,760

sure what we're working on most

441

00:21:55,110 --> 00:21:52,159

definitely this is complete speculation

442

00:22:02,390 --> 00:21:57,909

um but you know i like to daydream and

443

00:22:03,990 --> 00:22:02,400

and think about things like that because

444

00:22:06,390 --> 00:22:04,000

as long as you can keep control and not

445

00:22:08,070 --> 00:22:06,400

commit to the ideas that you're thinking

446

00:22:10,390 --> 00:22:08,080

about when it comes to speculation i

447

00:22:13,750 --> 00:22:10,400

think it's a healthy thing to do

448

00:22:15,590 --> 00:22:13,760

most definitely um

449

00:22:17,990 --> 00:22:15,600

but i also see like some people if that

450

00:22:19,830 --> 00:22:18,000

were to happen you know uh

451
00:22:21,190 --> 00:22:19,840
on human entities confirmed by the

452
00:22:22,470 --> 00:22:21,200
government they tell us some sort of

453
00:22:25,190 --> 00:22:22,480
disclosure

454
00:22:28,070 --> 00:22:25,200
um people

455
00:22:29,990 --> 00:22:28,080
who are just avid not believers and not

456
00:22:31,029 --> 00:22:30,000
even just in in this kind of thing but

457
00:22:36,950 --> 00:22:31,039
just like

458
00:22:40,870 --> 00:22:39,110
i was gonna say magic but you know that

459
00:22:41,830 --> 00:22:40,880
that's probably not a good

460
00:22:43,909 --> 00:22:41,840
good thing

461
00:22:45,590 --> 00:22:43,919
you know if they saw like if i went up

462
00:22:47,830 --> 00:22:45,600
to him i'm gonna fly right in front of

463
00:22:49,190 --> 00:22:47,840

watch this just me and started doing it

464

00:22:50,870 --> 00:22:49,200

in circles

465

00:22:53,190 --> 00:22:50,880

you know no matter what it was they

466

00:22:56,230 --> 00:22:53,200

would think it was fake

467

00:22:57,430 --> 00:22:56,240

you know no would never believe it

468

00:22:59,110 --> 00:22:57,440

and what does that look like they

469

00:23:01,190 --> 00:22:59,120

probably start blaming

470

00:23:04,470 --> 00:23:01,200

like the government for pulling uh you

471

00:23:06,710 --> 00:23:04,480

know a ruse or something

472

00:23:11,669 --> 00:23:06,720

right

473

00:23:17,029 --> 00:23:13,110

well you know good luck with that i

474

00:23:21,430 --> 00:23:18,789

anyone catch the ufo interview with

475

00:23:23,830 --> 00:23:21,440

michael via fascinating stuff um

476
00:23:25,270 --> 00:23:23,840
it depends which one i've seen one with

477
00:23:26,950 --> 00:23:25,280
him

478
00:23:31,190 --> 00:23:26,960
i want to say maybe it was a month ago

479
00:23:33,669 --> 00:23:31,200
now if he did a recent one no i have not

480
00:23:34,950 --> 00:23:33,679
no i have not but

481
00:23:36,470 --> 00:23:34,960
i would like to

482
00:23:39,750 --> 00:23:36,480
he does good stuff

483
00:23:43,669 --> 00:23:41,350
this is a good one we need to educate

484
00:23:45,830 --> 00:23:43,679
people that come in

485
00:23:47,350 --> 00:23:45,840
newbies in the topic

486
00:23:51,590 --> 00:23:47,360
yeah

487
00:23:53,110 --> 00:23:51,600
just what we're doing make ourselves

488
00:23:55,029 --> 00:23:53,120

available you know

489

00:23:58,230 --> 00:23:55,039

um do what we do

490

00:24:01,110 --> 00:23:58,240

write good articles stay level-headed

491

00:24:03,750 --> 00:24:01,120

don't jump to conclusions

492

00:24:07,350 --> 00:24:05,510

you know solid information on the

493

00:24:09,190 --> 00:24:07,360

history

494

00:24:11,830 --> 00:24:09,200

most definitely

495

00:24:14,390 --> 00:24:11,840

um but what i don't want you know me

496

00:24:16,710 --> 00:24:14,400

personally i don't

497

00:24:18,310 --> 00:24:16,720

want any like um

498

00:24:21,430 --> 00:24:18,320

you know picket lines and stuff like

499

00:24:23,110 --> 00:24:21,440

ufos exist ufos exist you know stuff

500

00:24:25,350 --> 00:24:23,120

like that i think that's always just to

501
00:24:28,630 --> 00:24:25,360
turn off whatever it is you know

502
00:24:31,909 --> 00:24:29,990
um

503
00:24:33,430 --> 00:24:31,919
unless it's like a real serious cause of

504
00:24:36,950 --> 00:24:33,440
course

505
00:24:38,390 --> 00:24:36,960
which i guess ufos could be but just

506
00:24:41,190 --> 00:24:38,400
i don't like shouting down people's

507
00:24:44,149 --> 00:24:41,200
throats with stuff like you just provide

508
00:24:46,230 --> 00:24:44,159
be a good example have good solid

509
00:24:48,630 --> 00:24:46,240
factual information

510
00:24:51,190 --> 00:24:48,640
and

511
00:24:53,909 --> 00:24:51,200
you know hopefully things get put into

512
00:24:58,870 --> 00:24:53,919
place and people find you

513
00:25:04,710 --> 00:25:03,350

um the other thing is they have that uh

514

00:25:15,269 --> 00:25:04,720

aoi

515

00:25:17,430 --> 00:25:15,279

i don't know if i heard what's happening

516

00:25:19,510 --> 00:25:17,440

with that or not

517

00:25:21,830 --> 00:25:19,520

i'm not sure if i heard what is

518

00:25:24,549 --> 00:25:21,840

happening with that

519

00:25:26,549 --> 00:25:24,559

if they're gonna run

520

00:25:29,510 --> 00:25:26,559

yeah i would imagine that they would

521

00:25:31,350 --> 00:25:29,520

have to um work together because i think

522

00:25:33,350 --> 00:25:31,360

this new one

523

00:25:34,710 --> 00:25:33,360

uh this new

524

00:25:36,310 --> 00:25:34,720

you know from the amendment that got

525

00:25:41,029 --> 00:25:36,320

signed is

526
00:25:44,789 --> 00:25:43,190
you know

527
00:25:46,070 --> 00:25:44,799
i would imagine that they would they

528
00:25:47,029 --> 00:25:46,080
would have to at least work together

529
00:25:48,230 --> 00:25:47,039
right

530
00:25:50,310 --> 00:25:48,240
um

531
00:25:52,470 --> 00:25:50,320
this is pretty interesting i'll play

532
00:25:55,190 --> 00:25:52,480
this video

533
00:25:56,470 --> 00:25:55,200
yeah or at nullifies nullifies or

534
00:25:58,870 --> 00:25:56,480
something like that i would have to i

535
00:26:01,110 --> 00:25:58,880
would have to imagine hopefully i'll

536
00:26:04,789 --> 00:26:01,120
get some factual information on that

537
00:26:09,669 --> 00:26:04,799
soon speaking of factual information

538
00:26:11,750 --> 00:26:10,710

i don't know if you can hear that

539

00:26:14,390 --> 00:26:11,760

ringing

540

00:26:15,430 --> 00:26:14,400

actually that would be pretty

541

00:26:19,110 --> 00:26:15,440

interesting

542

00:26:24,950 --> 00:26:22,870

i just get those freaking spam calls man

543

00:26:27,269 --> 00:26:24,960

hate them and you answer the phone once

544

00:26:29,190 --> 00:26:27,279

one time you answer it

545

00:26:32,149 --> 00:26:29,200

because they confuse you or it's an area

546

00:26:36,870 --> 00:26:33,990

pennsylvania

547

00:26:44,789 --> 00:26:40,789

just screwed then they call even more

548

00:26:44,799 --> 00:26:49,029

oh does closure team heard the ringing

549

00:26:56,950 --> 00:26:49,990

oh

550

00:26:56,960 --> 00:27:00,549

now i'm confused

551
00:27:03,269 --> 00:27:02,310
uh now what i wanted to show you this

552
00:27:06,149 --> 00:27:03,279
was pretty

553
00:27:07,269 --> 00:27:06,159
um this is pretty intense i'm going to

554
00:27:10,310 --> 00:27:07,279
share

555
00:27:13,029 --> 00:27:10,320
this screen here

556
00:27:15,269 --> 00:27:13,039
yeah it's my twitter so

557
00:27:17,909 --> 00:27:15,279
because i want to play this clip for you

558
00:27:18,830 --> 00:27:17,919
hope you know they may

559
00:27:21,830 --> 00:27:18,840
wind up

560
00:27:23,830 --> 00:27:21,840
just taking the video down my video down

561
00:27:25,909 --> 00:27:23,840
or not letting me monetize it but i

562
00:27:28,710 --> 00:27:25,919
don't monetize them anyways so

563
00:27:30,789 --> 00:27:28,720

uh but this is

564

00:27:34,549 --> 00:27:30,799

david martin uh talking about the most

565

00:27:37,510 --> 00:27:34,559

under reported story of 2021

566

00:27:39,830 --> 00:27:37,520

and he kind of hits on

567

00:27:41,830 --> 00:27:39,840

a really interesting

568

00:27:44,630 --> 00:27:41,840

facet of this that i've

569

00:27:47,750 --> 00:27:44,640

talked about many times before

570

00:27:51,830 --> 00:27:49,669

you know he's on cbs and i'm hearing but

571

00:27:55,029 --> 00:27:51,840

you know

572

00:27:57,430 --> 00:27:55,039

but uh yeah i'm just gonna play it

573

00:27:58,789 --> 00:27:57,440

on my beat i think it's the uh arms race

574

00:28:02,470 --> 00:27:58,799

in space

575

00:28:05,990 --> 00:28:02,480

um china and russia are hard at work

576
00:28:07,669 --> 00:28:06,000
developing ways to take out american

577
00:28:12,870 --> 00:28:07,679
satellites

578
00:28:14,230 --> 00:28:12,880
using rockets lasers electronic beams

579
00:28:16,789 --> 00:28:14,240
and our

580
00:28:18,070 --> 00:28:16,799
our way of life plus our military's

581
00:28:19,029 --> 00:28:18,080
ability to

582
00:28:21,029 --> 00:28:19,039
operate

583
00:28:22,630 --> 00:28:21,039
depend on those

584
00:28:24,710 --> 00:28:22,640
satellites so

585
00:28:27,990 --> 00:28:24,720
as you might think the u.s

586
00:28:30,310 --> 00:28:28,000
is doing everything it can to counter

587
00:28:31,510 --> 00:28:30,320
that threat so there's this arms race

588
00:28:38,070 --> 00:28:31,520

going on

589

00:28:39,830 --> 00:28:38,080

we just know so little about it because

590

00:28:41,750 --> 00:28:39,840

everything that happens in space at

591

00:28:47,190 --> 00:28:41,760

least on the military side

592

00:28:51,190 --> 00:28:48,630

that's not the clip i thought it was

593

00:28:55,510 --> 00:28:53,669

on my beat i think it's the arms race in

594

00:28:58,630 --> 00:28:55,520

space

595

00:29:00,230 --> 00:28:58,640

china and russia are hard

596

00:29:02,230 --> 00:29:00,240

that's interesting because it was a

597

00:29:05,669 --> 00:29:02,240

different clip before

598

00:29:07,990 --> 00:29:05,679

um basically it leads to the point where

599

00:29:09,990 --> 00:29:08,000

he says

600

00:29:11,990 --> 00:29:10,000

there's two things going on and it's a

601
00:29:15,590 --> 00:29:12,000
havana syndrome i mean that's still a

602
00:29:17,510 --> 00:29:15,600
good clip but havana syndrome and um

603
00:29:19,909 --> 00:29:17,520
uh uaps what these things are doing in

604
00:29:21,430 --> 00:29:19,919
our skies and stuff and he says i bet

605
00:29:26,310 --> 00:29:21,440
we're gonna find the answer to one of

606
00:29:30,789 --> 00:29:28,710
if you ask me

607
00:29:34,070 --> 00:29:30,799
i think we'll probably find the answer

608
00:29:37,190 --> 00:29:34,080
to both of them in 2022.

609
00:29:37,200 --> 00:29:43,269
christian link it up bro um so

610
00:29:47,269 --> 00:29:45,669
i thought that was your link but so i

611
00:29:48,789 --> 00:29:47,279
think that is

612
00:29:51,830 --> 00:29:48,799
pretty interesting because that's pretty

613
00:29:53,909 --> 00:29:51,840

mainstream right there cbs right they i

614

00:29:56,710 --> 00:29:53,919

think we might start seeing stuff like

615

00:30:04,310 --> 00:29:59,269

more mainstream stuff more people out

616

00:30:04,320 --> 00:30:07,669

all of that

617

00:30:11,510 --> 00:30:09,269

and that's

618

00:30:13,669 --> 00:30:11,520

taking the risk of just talking and

619

00:30:16,389 --> 00:30:13,679

things that we don't necessarily see

620

00:30:18,870 --> 00:30:16,399

with our eyes but we'll be able to feel

621

00:30:21,510 --> 00:30:19,990

stigma

622

00:30:22,950 --> 00:30:21,520

ending

623

00:30:24,870 --> 00:30:22,960

slowly

624

00:30:29,110 --> 00:30:24,880

surely

625

00:30:34,630 --> 00:30:31,909

and that's probably the best part

626

00:30:34,640 --> 00:30:38,870

you know is stigma

627

00:30:38,880 --> 00:30:44,389

because what just bothers me so much is

628

00:30:49,350 --> 00:30:46,950

just people that have had really intense

629

00:30:52,470 --> 00:30:49,360

um experiences

630

00:30:54,310 --> 00:30:52,480

you know mine i think was but it's

631

00:30:56,710 --> 00:30:54,320

been over a year now i almost feel like

632

00:30:58,070 --> 00:30:56,720

the the intenseness is fading off a

633

00:31:00,470 --> 00:30:58,080

little bit

634

00:31:02,789 --> 00:31:00,480

i don't know but

635

00:31:05,029 --> 00:31:02,799

people are still dealing with this

636

00:31:06,630 --> 00:31:05,039

some just like frequently

637

00:31:08,149 --> 00:31:06,640

and it's not easy

638

00:31:14,630 --> 00:31:08,159

you know

639

00:31:16,630 --> 00:31:14,640

respect

640

00:31:18,950 --> 00:31:16,640

don't want to listen to them probably

641

00:31:21,269 --> 00:31:18,960

some get made fun of

642

00:31:24,070 --> 00:31:21,279

i'm gonna duck the uh the tough one of

643

00:31:25,830 --> 00:31:24,080

whether putin will invade ukraine or not

644

00:31:28,789 --> 00:31:25,840

if he hadn't made up his mind i

645

00:31:31,750 --> 00:31:28,799

shouldn't have to make up mine

646

00:31:34,549 --> 00:31:31,760

there are two mysteries out there

647

00:31:37,669 --> 00:31:34,559

what's causing havana syndrome

648

00:31:40,230 --> 00:31:37,679

this these debilitating symptoms that

649

00:31:41,830 --> 00:31:40,240

hit americans overseas that

650

00:31:44,070 --> 00:31:41,840

seem to be the subject of some kind of

651
00:31:47,430 --> 00:31:44,080
directed energy

652
00:31:48,789 --> 00:31:47,440
and where are these unexplained aerial

653
00:31:51,909 --> 00:31:48,799
phenomena

654
00:31:54,149 --> 00:31:51,919
we call ufos these drone-like objects

655
00:31:56,149 --> 00:31:54,159
that show up in the middle of u.s

656
00:31:58,389 --> 00:31:56,159
military exercises

657
00:32:01,350 --> 00:31:58,399
where the heck are they coming from

658
00:32:04,310 --> 00:32:01,360
so i'm predicting one of those two

659
00:32:06,630 --> 00:32:04,320
will be solved in 2022.

660
00:32:09,509 --> 00:32:06,640
we'll hold you to it david

661
00:32:13,350 --> 00:32:09,519
i can't follow that

662
00:32:20,470 --> 00:32:16,549
damn right you can't follow that

663
00:32:27,590 --> 00:32:23,430

you you go go to talking about

664

00:32:27,600 --> 00:32:31,269

so

665

00:32:35,669 --> 00:32:32,710

um

666

00:32:37,269 --> 00:32:35,679

yeah so hopefully you know

667

00:32:40,549 --> 00:32:37,279

stuff like that just keeps happening

668

00:32:44,230 --> 00:32:40,559

that's a fine distinguished gentleman

669

00:32:47,269 --> 00:32:44,240

um bringing this up on a live

670

00:32:51,509 --> 00:32:47,279

pretty popular live news show so

671

00:32:51,519 --> 00:32:54,870

uh moving on

672

00:33:01,269 --> 00:32:58,950

uh james webb telescope uh begins the

673

00:33:02,389 --> 00:33:01,279

voyage in deep space

674

00:33:04,070 --> 00:33:02,399

pretty cool

675

00:33:06,710 --> 00:33:04,080

um this thing's been worked on for a

676

00:33:08,070 --> 00:33:06,720

while it replaces the hubble telescope

677

00:33:10,630 --> 00:33:08,080

and

678

00:33:12,149 --> 00:33:10,640

you know they say it so i'd have to

679

00:33:14,710 --> 00:33:12,159

believe them

680

00:33:17,430 --> 00:33:14,720

is it's gonna go back in time to look at

681

00:33:19,190 --> 00:33:17,440

the very uh creation of the first

682

00:33:22,710 --> 00:33:19,200

galaxies

683

00:33:23,430 --> 00:33:22,720

um anytime i tell people uh that you

684

00:33:27,590 --> 00:33:23,440

know

685

00:33:33,430 --> 00:33:29,909

they're always kind of taken aback like

686

00:33:38,070 --> 00:33:36,230

yeah like i don't know how but

687

00:33:40,230 --> 00:33:38,080

that's pretty intense looking back at

688

00:33:42,070 --> 00:33:40,240

the beginning you know

689

00:33:45,110 --> 00:33:42,080

of the creation of the first galaxies of

690

00:33:49,430 --> 00:33:47,110

what are they gonna see

691

00:33:51,909 --> 00:33:49,440

again we can speculate

692

00:33:53,029 --> 00:33:51,919

um avi talked about some stuff on this

693

00:33:54,789 --> 00:33:53,039

show

694

00:33:56,310 --> 00:33:54,799

you know the the dimming of stars or

695

00:33:57,350 --> 00:33:56,320

whatever they'll be able to pinpoint

696

00:33:59,909 --> 00:33:57,360

stuff and

697

00:34:01,830 --> 00:33:59,919

basically if there's if there's life

698

00:34:03,509 --> 00:34:01,840

there they'll be able to find it they'll

699

00:34:05,669 --> 00:34:03,519

see it

700

00:34:07,350 --> 00:34:05,679

so

701

00:34:09,829 --> 00:34:07,360

pretty cool i mean it went off without a

702

00:34:11,109 --> 00:34:09,839

hitch you know so to speak as far as we

703

00:34:14,950 --> 00:34:11,119

could tell

704

00:34:17,190 --> 00:34:14,960

um we had science uh bob mcguire on here

705

00:34:19,109 --> 00:34:17,200

before he talked about all the different

706

00:34:20,790 --> 00:34:19,119

points or 180 failure points or

707

00:34:23,510 --> 00:34:20,800

something on it if one of them goes the

708

00:34:24,790 --> 00:34:23,520

whole thing's screwed

709

00:34:30,790 --> 00:34:24,800

and that

710

00:34:35,270 --> 00:34:32,790

this is interesting i heard this too but

711

00:34:37,349 --> 00:34:35,280

i didn't take it as they're holding back

712

00:34:40,629 --> 00:34:37,359

data for six months i took it as they

713

00:34:43,190 --> 00:34:40,639

won't get data for six months

714

00:34:46,710 --> 00:34:43,200

i could be wrong there

715

00:34:50,790 --> 00:34:48,710

another thing they did

716

00:34:53,669 --> 00:34:50,800

uh well nasa

717

00:34:55,349 --> 00:34:53,679

and i guess

718

00:34:56,149 --> 00:34:55,359

i don't know i've seen it enough places

719

00:34:58,870 --> 00:34:56,159

now

720

00:34:58,870 --> 00:34:58,880

um but they

721

00:35:03,430 --> 00:35:01,510

apparently brought in like um 20 or

722

00:35:04,870 --> 00:35:03,440

something theologians or catholic

723

00:35:08,950 --> 00:35:04,880

priests

724

00:35:10,710 --> 00:35:08,960

to help them figure out um

725

00:35:13,510 --> 00:35:10,720

basically how to communicate that

726

00:35:16,790 --> 00:35:13,520

there's other life in the universe or if

727

00:35:19,829 --> 00:35:16,800

there is if they find it

728

00:35:25,589 --> 00:35:22,310

time period of calibration

729

00:35:25,599 --> 00:35:29,430

so

730

00:35:33,510 --> 00:35:31,910

you know i i have mixed feelings about

731

00:35:34,790 --> 00:35:33,520

that

732

00:35:37,030 --> 00:35:34,800

i mean

733

00:35:39,750 --> 00:35:37,040

i understand and i'm um appreciative

734

00:35:42,550 --> 00:35:39,760

that they're reaching out um to people

735

00:35:44,310 --> 00:35:42,560

to help with that sort of scenario

736

00:35:48,310 --> 00:35:44,320

a couple things you can take from that

737

00:35:54,069 --> 00:35:51,670

must be something going on or

738

00:35:55,910 --> 00:35:54,079

they wouldn't be doing that right

739

00:35:58,630 --> 00:35:55,920

i wish i could click on those links back

740

00:36:04,950 --> 00:35:58,640

in which would be something going on or

741

00:36:04,960 --> 00:36:09,829

or at least they must think that

742

00:36:13,990 --> 00:36:12,150

the chances are just as good as they are

743

00:36:14,950 --> 00:36:14,000

bad

744

00:36:19,030 --> 00:36:14,960

right

745

00:36:23,430 --> 00:36:20,310

because they want to be prepared and

746

00:36:23,440 --> 00:36:30,310

theologians priests i don't know man

747

00:36:34,470 --> 00:36:32,550

i'm just not that into

748

00:36:36,630 --> 00:36:34,480

that stuff

749

00:36:38,069 --> 00:36:36,640

um

750

00:36:40,310 --> 00:36:38,079

how about just like a really

751
00:36:41,270 --> 00:36:40,320
down-to-earth

752
00:36:43,829 --> 00:36:41,280
person

753
00:36:49,430 --> 00:36:43,839
who's intelligent

754
00:36:53,190 --> 00:36:50,950
you know

755
00:36:55,589 --> 00:36:53,200
i guess i can't judge but uh catholic

756
00:36:57,840 --> 00:36:55,599
priests and stuff

757
00:37:00,069 --> 00:36:57,850
i shouldn't go much farther i guess

758
00:37:01,990 --> 00:37:00,079
[Laughter]

759
00:37:03,910 --> 00:37:02,000
i mean there's

760
00:37:05,589 --> 00:37:03,920
there's all sorts of different religions

761
00:37:07,430 --> 00:37:05,599
and there's good people a part of every

762
00:37:09,589 --> 00:37:07,440
one of them you know because you can't

763
00:37:10,630 --> 00:37:09,599

make blanket statements like that for

764

00:37:12,230 --> 00:37:10,640

sure

765

00:37:13,829 --> 00:37:12,240

you know just what we hear lightly of

766

00:37:14,790 --> 00:37:13,839

catholic priesthood stuff is not good

767

00:37:17,430 --> 00:37:14,800

stuff

768

00:37:18,390 --> 00:37:17,440

you know what i'm talking about

769

00:37:19,670 --> 00:37:18,400

so

770

00:37:21,829 --> 00:37:19,680

i guess that's the only thing i think

771

00:37:23,670 --> 00:37:21,839

there but

772

00:37:27,829 --> 00:37:23,680

regardless

773

00:37:31,910 --> 00:37:30,069

you know kind of uh branch out

774

00:37:33,829 --> 00:37:31,920

right hopefully they get opinions from a

775

00:37:38,950 --> 00:37:33,839

lot of different people

776

00:37:38,960 --> 00:37:42,390

this is interesting

777

00:37:46,630 --> 00:37:45,109

yeah i heard something about that joe's

778

00:37:47,589 --> 00:37:46,640

very interesting well and they have

779

00:37:50,390 --> 00:37:47,599

their

780

00:37:51,990 --> 00:37:50,400

archives they have really some

781

00:37:55,589 --> 00:37:52,000

significant archives apparently and

782

00:37:55,599 --> 00:38:00,390

a few people at this point

783

00:38:00,400 --> 00:38:05,030

so it is what it is

784

00:38:10,069 --> 00:38:07,190

um my personal belief is that religion

785

00:38:13,510 --> 00:38:10,079

and you are uap are intertwined to some

786

00:38:16,310 --> 00:38:13,520

extent it could possibly be

787

00:38:18,710 --> 00:38:16,320

could possibly be

788

00:38:22,230 --> 00:38:18,720

um it's pretty interesting that avi loeb

789

00:38:24,390 --> 00:38:22,240

uh he's not one to

790

00:38:26,310 --> 00:38:24,400

really

791

00:38:27,670 --> 00:38:26,320

um talk about religion and stuff like

792

00:38:29,430 --> 00:38:27,680

that

793

00:38:31,430 --> 00:38:29,440

actually i remember here i'm hearing him

794

00:38:32,870 --> 00:38:31,440

make kind of like a snide comment

795

00:38:34,069 --> 00:38:32,880

regarding souls

796

00:38:35,190 --> 00:38:34,079

before

797

00:38:36,230 --> 00:38:35,200

like

798

00:38:39,910 --> 00:38:36,240

you know

799

00:38:41,190 --> 00:38:39,920

a real thing but

800

00:38:44,870 --> 00:38:41,200

um

801
00:38:46,950 --> 00:38:44,880
on his last interview he's

802
00:38:48,310 --> 00:38:46,960
discussed that he's thinking that there

803
00:38:49,910 --> 00:38:48,320
may be more to

804
00:38:52,550 --> 00:38:49,920
to that

805
00:38:55,510 --> 00:38:52,560
uh religion or the aspect of god and and

806
00:38:58,710 --> 00:38:55,520
stuff like that with these uaps which

807
00:39:02,069 --> 00:38:58,720
that could very well be the case man

808
00:39:06,390 --> 00:39:02,079
i can't say obviously but

809
00:39:11,349 --> 00:39:07,750
that's for sure

810
00:39:16,950 --> 00:39:14,470
um i think that god is

811
00:39:21,349 --> 00:39:16,960
not known to the majority of people

812
00:39:27,990 --> 00:39:22,230
um

813
00:39:33,109 --> 00:39:30,550

oh let me dismiss this

814

00:39:35,270 --> 00:39:33,119

24 theologians to study human reaction

815

00:39:37,910 --> 00:39:35,280

to aliens so oh

816

00:39:40,790 --> 00:39:37,920

study human reaction at least how could

817

00:39:42,310 --> 00:39:40,800

you study that without

818

00:39:44,390 --> 00:39:42,320

you know like what first of all what

819

00:39:49,829 --> 00:39:44,400

kind of aliens

820

00:39:56,230 --> 00:39:52,790

a hard thing to study i mean

821

00:39:58,870 --> 00:39:56,240

can't they just read like john mack

822

00:40:04,230 --> 00:40:01,270

anta

823

00:40:06,470 --> 00:40:04,240

university cambridge

824

00:40:08,069 --> 00:40:06,480

davidson says his research so far has

825

00:40:10,790 --> 00:40:08,079

already seen just how frequently

826

00:40:12,550 --> 00:40:10,800

theology and astrobiology has been a

827

00:40:16,710 --> 00:40:12,560

topic in popular writing during the

828

00:40:18,710 --> 00:40:16,720

previous 150 years

829

00:40:21,349 --> 00:40:18,720

oh he's got a book

830

00:40:27,990 --> 00:40:21,359

astrology and christian doctrine

831

00:40:33,030 --> 00:40:30,390

you know if uh aliens or whatever is a

832

00:40:34,470 --> 00:40:33,040

confirmed thing and government like you

833

00:40:35,910 --> 00:40:34,480

know we talked about before you get some

834

00:40:37,589 --> 00:40:35,920

disclosure

835

00:40:38,870 --> 00:40:37,599

you know

836

00:40:40,470 --> 00:40:38,880

people who

837

00:40:43,829 --> 00:40:40,480

are very religious and when i say

838

00:40:47,270 --> 00:40:43,839

religious i'm specifically talking about

839

00:40:49,270 --> 00:40:47,280

religions where they practice rituals

840

00:40:51,190 --> 00:40:49,280

you know whether that's communion or

841

00:40:52,790 --> 00:40:51,200

anything like that like there's a big

842

00:40:55,430 --> 00:40:52,800

difference to me between faith and

843

00:40:56,390 --> 00:40:55,440

religion right so as far as religions

844

00:40:58,710 --> 00:40:56,400

it's like

845

00:41:00,710 --> 00:40:58,720

you either admit that you spent all this

846

00:41:03,829 --> 00:41:00,720

time on the wrong thing or you find a

847

00:41:05,670 --> 00:41:03,839

way to meld the two together

848

00:41:07,750 --> 00:41:05,680

now are you doing that

849

00:41:08,630 --> 00:41:07,760

for a specific reason or do you really

850

00:41:15,670 --> 00:41:08,640

know

851
00:41:17,430 --> 00:41:15,680
that's up for those people to decide you

852
00:41:24,390 --> 00:41:17,440
know respect whatever they decide but

853
00:41:24,400 --> 00:41:28,710
i would set up for that test group

854
00:41:31,430 --> 00:41:29,750
do it

855
00:41:35,190 --> 00:41:31,440
sign up

856
00:41:37,510 --> 00:41:35,200
get the link get the email what is it um

857
00:41:39,829 --> 00:41:37,520
okay so we got a little bit of time left

858
00:41:42,950 --> 00:41:39,839
um some part of the news

859
00:41:44,950 --> 00:41:42,960
that i wanted to give today

860
00:41:48,390 --> 00:41:44,960
is mr vinnie

861
00:41:49,510 --> 00:41:48,400
of disclosure team

862
00:41:51,030 --> 00:41:49,520
is

863
00:41:53,910 --> 00:41:51,040

on

864

00:41:58,710 --> 00:41:53,920

a show that will be

865

00:42:02,470 --> 00:42:00,630

so we'll have to get them on here to

866

00:42:05,349 --> 00:42:02,480

tell us a little bit more about it when

867

00:42:08,710 --> 00:42:07,270

but that's pretty cool i believe it has

868

00:42:10,069 --> 00:42:08,720

something to do with the history channel

869

00:42:11,750 --> 00:42:10,079

and stuff so

870

00:42:15,109 --> 00:42:11,760

that's awesome

871

00:42:16,390 --> 00:42:15,119

congratulations to vindog

872

00:42:18,710 --> 00:42:16,400

that's a big opportunity

873

00:42:22,150 --> 00:42:18,720

he's gonna put his shining face on the

874

00:42:27,349 --> 00:42:24,230

he's gonna smile and all that stuff it

875

00:42:28,950 --> 00:42:27,359

would suck if he winds up going

876

00:42:31,750 --> 00:42:28,960

going all the way out there and he's

877

00:42:33,349 --> 00:42:31,760

like a coffee guy like

878

00:42:34,950 --> 00:42:33,359

gets kind of pushed around hey give me

879

00:42:36,390 --> 00:42:34,960

my espresso

880

00:42:39,349 --> 00:42:36,400

what am i going to get on the screen

881

00:42:39,359 --> 00:42:42,790

that's not going to happen

882

00:42:47,750 --> 00:42:45,750

i'm just kidding

883

00:42:50,069 --> 00:42:47,760

oh that's gonna be really cool i can't

884

00:42:52,230 --> 00:42:50,079

wait to watch him uh do that like

885

00:42:53,190 --> 00:42:52,240

actually like walk around and do stuff

886

00:42:55,270 --> 00:42:53,200

you know because we're always just

887

00:42:57,670 --> 00:42:55,280

sitting here

888

00:43:00,950 --> 00:42:57,680

so that'll be pretty cool i bet he's got

889

00:43:05,750 --> 00:43:02,710

just kidding

890

00:43:09,750 --> 00:43:07,750

i look forward to that and couldn't

891

00:43:11,510 --> 00:43:09,760

happen to a better dude he's a really

892

00:43:15,109 --> 00:43:11,520

good

893

00:43:17,829 --> 00:43:15,119

he's been through a lot in this ufo

894

00:43:19,910 --> 00:43:17,839

stuff you know i have to but in a short

895

00:43:22,309 --> 00:43:19,920

amount of time and

896

00:43:24,630 --> 00:43:22,319

he's handling it really well and i'm

897

00:43:26,870 --> 00:43:24,640

proud of him for that

898

00:43:29,109 --> 00:43:26,880

i found i got interested in ufos here in

899

00:43:32,390 --> 00:43:29,119

new zealand seeing an opaque metallic

900

00:43:35,030 --> 00:43:32,400

orb in daylight in

901

00:43:38,309 --> 00:43:35,040

i can't pronounce it mo hakatino an

902

00:43:39,750 --> 00:43:38,319

extremely rural area interesting cool

903

00:43:41,910 --> 00:43:39,760

thanks for the

904

00:43:43,270 --> 00:43:41,920

five bucks that's pretty sweet i

905

00:43:45,109 --> 00:43:43,280

appreciate it

906

00:43:47,030 --> 00:43:45,119

you guys i'm not gonna beg people for

907

00:43:48,630 --> 00:43:47,040

money we feel like giving me some

908

00:43:51,109 --> 00:43:48,640

awesome

909

00:43:53,430 --> 00:43:51,119

um but i'm not gonna remind you all the

910

00:43:54,390 --> 00:43:53,440

time and stuff like that

911

00:43:56,069 --> 00:43:54,400

so

912

00:43:57,430 --> 00:43:56,079

uh for those of you that go the extra

913

00:43:59,750 --> 00:43:57,440

mile and do something like that i do

914

00:44:01,589 --> 00:43:59,760

appreciate it that's awesome

915

00:44:03,030 --> 00:44:01,599

so yeah that's gonna be really cool

916

00:44:04,390 --> 00:44:03,040

south america

917

00:44:06,790 --> 00:44:04,400

colombia

918

00:44:08,390 --> 00:44:06,800

um you know our thoughts will be with

919

00:44:12,390 --> 00:44:08,400

them

920

00:44:15,349 --> 00:44:12,400

hope he's safe and has a great time

921

00:44:16,710 --> 00:44:15,359

i'll take all his uh youtube views

922

00:44:22,710 --> 00:44:16,720

so

923

00:44:24,470 --> 00:44:22,720

i'll just take all the viewers in fact

924

00:44:25,750 --> 00:44:24,480

maybe

925

00:44:29,190 --> 00:44:25,760

i'll put

926

00:44:31,349 --> 00:44:29,200

my live stream and i'll have it like uh

927

00:44:34,500 --> 00:44:31,359

live stream on his channel as well as

928

00:44:39,910 --> 00:44:34,510

mine because he's not using it

929

00:44:43,190 --> 00:44:41,190

no but i think he's going to do like

930

00:44:44,710 --> 00:44:43,200

instagrams and stuff so from columbia

931

00:44:48,550 --> 00:44:44,720

that'll be awesome

932

00:44:54,150 --> 00:44:51,109

but it's super beautiful i had one

933

00:44:54,160 --> 00:44:58,230

that uh was in colombia for

934

00:45:02,230 --> 00:45:00,630

i forget what it was for it was for his

935

00:45:05,270 --> 00:45:02,240

uh school

936

00:45:07,270 --> 00:45:05,280

and um

937

00:45:10,710 --> 00:45:07,280

he was on the beach

938

00:45:13,990 --> 00:45:12,790

that was that was years ago

939

00:45:16,069 --> 00:45:14,000

so

940

00:45:17,670 --> 00:45:16,079

uh that's probably you know that was

941

00:45:20,790 --> 00:45:17,680

years ago

942

00:45:23,510 --> 00:45:20,800

and it probably wasn't the nicest place

943

00:45:24,630 --> 00:45:23,520

knowing him he was in school right

944

00:45:26,230 --> 00:45:24,640

so

945

00:45:27,510 --> 00:45:26,240

you know what we can do actually right

946

00:45:31,510 --> 00:45:27,520

now is

947

00:45:34,309 --> 00:45:31,520

take a quicker look at a quick look at

948

00:45:39,349 --> 00:45:37,109

uh website for the show

949

00:45:43,030 --> 00:45:39,359

and then we'll move on to the next

950

00:45:45,670 --> 00:45:43,040

segment which is what the heck is that

951
00:45:47,349 --> 00:45:45,680
all right here we go phenomenology

952
00:45:49,270 --> 00:45:47,359
international group of experts and

953
00:45:51,670 --> 00:45:49,280
believers investigate south america's

954
00:45:54,790 --> 00:45:51,680
oldest unexplained light phenomenon in a

955
00:45:56,630 --> 00:45:54,800
string of modern uap cases in colombia

956
00:46:00,550 --> 00:45:56,640
want to join us between february 9th and

957
00:46:02,630 --> 00:46:00,560
16th and it's two days after my birthday

958
00:46:04,470 --> 00:46:02,640
cool

959
00:46:07,589 --> 00:46:04,480
season one six participants will feature

960
00:46:11,190 --> 00:46:07,599
on screen with filmmaker ashley cowy

961
00:46:13,270 --> 00:46:11,200
and vinnie adams disclosure team

962
00:46:15,270 --> 00:46:13,280
filling uh filming with a long distance

963
00:46:17,829 --> 00:46:15,280

viewing technology scientist geologist

964

00:46:20,470 --> 00:46:17,839

military drone pilot

965

00:46:25,589 --> 00:46:20,480

cool and a team of indigenous hill

966

00:46:30,870 --> 00:46:28,309

um cool so you guys got that link in the

967

00:46:37,990 --> 00:46:33,750

you can check it out

968

00:46:43,030 --> 00:46:40,150

look at that that is

969

00:46:46,390 --> 00:46:43,040

wow

970

00:46:49,750 --> 00:46:46,400

i am jealous look at that that is

971

00:46:49,760 --> 00:46:52,710

sweet

972

00:46:59,430 --> 00:46:55,109

yeah i'm ready for colombia

973

00:46:59,440 --> 00:47:03,510

that's pretty cool dude

974

00:47:08,950 --> 00:47:04,870

very nice place

975

00:47:10,309 --> 00:47:08,960

that looks awesome

976
00:47:13,270 --> 00:47:10,319
that's what i was thinking can you just

977
00:47:13,280 --> 00:47:16,790
i'm pretty sure you can

978
00:47:16,800 --> 00:47:20,549
so maybe you're going

979
00:47:25,589 --> 00:47:22,950
okay so

980
00:47:28,230 --> 00:47:25,599
we have a pretty interesting video sent

981
00:47:31,589 --> 00:47:28,240
to us by robert coford

982
00:47:33,109 --> 00:47:31,599
um that we will feature

983
00:47:35,270 --> 00:47:33,119
in

984
00:47:37,270 --> 00:47:35,280
uh the segment what the heck is that so

985
00:47:43,030 --> 00:47:37,280
we're gonna do that

986
00:47:48,309 --> 00:47:44,870
what the heck is that what the heck is

987
00:47:48,319 --> 00:48:09,190
what the heck is the heck is that

988
00:48:23,510 --> 00:48:10,870

all right what the heck all right what

989

00:48:35,750 --> 00:48:25,670

that's been a while all right here we go

990

00:48:35,760 --> 00:49:14,549

whoops

991

00:49:14,559 --> 00:49:43,109

sorry

992

00:49:43,119 --> 00:49:46,230

that's crazy huh

993

00:49:50,870 --> 00:49:48,309

crazy huh well it kind of brings up the

994

00:49:53,349 --> 00:49:50,880

point that um

995

00:49:55,910 --> 00:49:53,359

i've i've said this uh a couple times

996

00:49:58,870 --> 00:49:55,920

now but it's like if it was real

997

00:50:03,109 --> 00:49:58,880

would we believe it

998

00:50:10,470 --> 00:50:05,430

i don't know

999

00:50:14,309 --> 00:50:12,470

see like let's say that's real and i've

1000

00:50:16,630 --> 00:50:14,319

said this before it's like i don't even

1001
00:50:18,630 --> 00:50:16,640
know if like the best most realist

1002
00:50:20,549 --> 00:50:18,640
looking great video

1003
00:50:25,589 --> 00:50:20,559
that people want so badly would do

1004
00:50:28,790 --> 00:50:26,870
you know

1005
00:50:30,470 --> 00:50:28,800
this is just an example but

1006
00:50:34,950 --> 00:50:30,480
would people believe it

1007
00:50:40,950 --> 00:50:37,030
we only have one perspective of it yeah

1008
00:50:43,430 --> 00:50:40,960
so i guess the video would have to be

1009
00:50:44,870 --> 00:50:43,440
it would have to be

1010
00:50:46,390 --> 00:50:44,880
you know there'd have to be multiple

1011
00:50:47,829 --> 00:50:46,400
angles and stuff like that so if that

1012
00:50:49,190 --> 00:50:47,839
came around i guess that would be

1013
00:50:51,349 --> 00:50:49,200

different

1014

00:50:54,470 --> 00:50:51,359

um but

1015

00:50:56,390 --> 00:50:54,480

last lens flare

1016

00:50:58,069 --> 00:50:56,400

i don't know if that gives anything away

1017

00:50:59,589 --> 00:50:58,079

but there you can watch the video for

1018

00:51:01,270 --> 00:50:59,599

yourself

1019

00:51:03,349 --> 00:51:01,280

i'm about to

1020

00:51:06,470 --> 00:51:03,359

wrap up and feel free to send those to

1021

00:51:10,950 --> 00:51:06,480

me you can find me at s rash at witness

1022

00:51:12,710 --> 00:51:10,960

citizen dot com that's s r a a s c h

1023

00:51:14,790 --> 00:51:12,720

witness citizen

1024

00:51:17,750 --> 00:51:14,800

dot com

1025

00:51:19,829 --> 00:51:17,760

and you can send me uh

1026

00:51:24,069 --> 00:51:19,839

your own video

1027

00:51:25,430 --> 00:51:24,079

on youtube or yours and

1028

00:51:27,589 --> 00:51:25,440

you know

1029

00:51:29,109 --> 00:51:27,599

possibly i'll play it on the show for

1030

00:51:30,790 --> 00:51:29,119

what the heck is that

1031

00:51:32,549 --> 00:51:30,800

no guarantees

1032

00:51:35,910 --> 00:51:32,559

but

1033

00:51:38,150 --> 00:51:35,920

possibly maybe all right what else we

1034

00:51:39,990 --> 00:51:38,160

got um let me run through the rest of

1035

00:51:41,910 --> 00:51:40,000

this stuff here real quick because we

1036

00:51:43,910 --> 00:51:41,920

only got a little bit of time left so we

1037

00:51:45,910 --> 00:51:43,920

got vinnie awesome oh by the way ross

1038

00:51:48,829 --> 00:51:45,920

coldheart has a

1039

00:51:51,750 --> 00:51:48,839

a new podcast um

1040

00:51:53,430 --> 00:51:51,760

called need to know i think it's called

1041

00:51:56,710 --> 00:51:53,440

so you know at least from the first

1042

00:51:58,230 --> 00:51:56,720

episode i heard it seems uh decent it's

1043

00:52:00,230 --> 00:51:58,240

going to be a little more

1044

00:52:02,950 --> 00:52:00,240

uh general and broad

1045

00:52:04,710 --> 00:52:02,960

um so for people who are pretty up on

1046

00:52:06,150 --> 00:52:04,720

the history and and current events and

1047

00:52:08,150 --> 00:52:06,160

everything like that it might not be the

1048

00:52:10,470 --> 00:52:08,160

right thing for you but it seems like a

1049

00:52:12,790 --> 00:52:10,480

good introductory piece for a lot of

1050

00:52:13,750 --> 00:52:12,800

uh people or general uh public type

1051
00:52:15,990 --> 00:52:13,760
people

1052
00:52:18,549 --> 00:52:16,829
you

1053
00:52:19,750 --> 00:52:18,559
can

1054
00:52:21,589 --> 00:52:19,760
um

1055
00:52:23,510 --> 00:52:21,599
check that out i mean ross goldhart just

1056
00:52:25,109 --> 00:52:23,520
listening to the guy talk is pretty cool

1057
00:52:27,270 --> 00:52:25,119
so

1058
00:52:29,349 --> 00:52:27,280
yeah that's what i thought it's a good

1059
00:52:31,750 --> 00:52:29,359
intro podcast for sure the one thing

1060
00:52:35,750 --> 00:52:31,760
that i thought was kind of funny is uh

1061
00:52:40,470 --> 00:52:38,069
they should have maybe a consultant here

1062
00:52:44,230 --> 00:52:40,480
there be you know talking about uap or

1063
00:52:47,589 --> 00:52:44,240

unidentified aerial phenomenon being new

1064

00:52:49,990 --> 00:52:47,599

not the case i mean i have

1065

00:52:52,390 --> 00:52:50,000

going back i think it is now to 47 i

1066

00:52:54,309 --> 00:52:52,400

found amuse uh the term unidentified

1067

00:52:55,829 --> 00:52:54,319

aerial phenomenon like that's kind of

1068

00:52:57,670 --> 00:52:55,839

always been the term

1069

00:53:00,470 --> 00:52:57,680

you know interchangeably with other ones

1070

00:53:02,390 --> 00:53:00,480

but i mean at least uh like for backroom

1071

00:53:03,670 --> 00:53:02,400

talk or these meetings that they write

1072

00:53:06,309 --> 00:53:03,680

stuff out on

1073

00:53:08,470 --> 00:53:06,319

um unidentified aerial phenomenon is is

1074

00:53:10,069 --> 00:53:08,480

the thing and then there's one document

1075

00:53:11,910 --> 00:53:10,079

that actually discusses i think it's

1076

00:53:12,950 --> 00:53:11,920

1959.

1077

00:53:14,710 --> 00:53:12,960

um

1078

00:53:16,790 --> 00:53:14,720

you can find it on my website that

1079

00:53:18,470 --> 00:53:16,800

discusses um

1080

00:53:21,190 --> 00:53:18,480

thinking about changing

1081

00:53:23,190 --> 00:53:21,200

um ufo to unidentified era phenomenon

1082

00:53:25,270 --> 00:53:23,200

and they decided

1083

00:53:27,030 --> 00:53:25,280

they've also said that

1084

00:53:29,349 --> 00:53:27,040

um ufo

1085

00:53:30,950 --> 00:53:29,359

didn't really suit what it was very well

1086

00:53:33,109 --> 00:53:30,960

and it was time for a change to

1087

00:53:34,870 --> 00:53:33,119

unidentified aerial phenomena

1088

00:53:36,390 --> 00:53:34,880

but then they decided it wasn't a great

1089

00:53:38,950 --> 00:53:36,400

time

1090

00:53:40,630 --> 00:53:38,960

to do that and i'm talking about like

1091

00:53:42,470 --> 00:53:40,640

the blue book heads and

1092

00:53:44,150 --> 00:53:42,480

big air force

1093

00:53:45,589 --> 00:53:44,160

types and everything so that's

1094

00:53:46,950 --> 00:53:45,599

interesting

1095

00:53:48,309 --> 00:53:46,960

um

1096

00:53:51,190 --> 00:53:48,319

you know that stuff i think could be

1097

00:53:51,200 --> 00:53:54,950

anyways

1098

00:53:59,109 --> 00:53:57,910

a cool story came out on blackfault.com

1099

00:54:03,349 --> 00:53:59,119

i don't know if you guys go to that

1100

00:54:06,309 --> 00:54:03,359

website or not um but check it out um he

1101

00:54:08,470 --> 00:54:06,319

maybe i'll just go to it um he recently

1102

00:54:11,829 --> 00:54:08,480

got some foia documents

1103

00:54:16,870 --> 00:54:11,839

back regarding the uap task force in the

1104

00:54:22,630 --> 00:54:19,430

so that's a pretty good document that i

1105

00:54:28,630 --> 00:54:26,470

bring up if i can find it quickly

1106

00:54:31,349 --> 00:54:28,640

yeah it's so it's a security

1107

00:54:34,790 --> 00:54:31,359

classification guide

1108

00:54:36,630 --> 00:54:34,800

oh man i got a pop-up from his website

1109

00:54:38,710 --> 00:54:36,640

come on bro

1110

00:54:41,430 --> 00:54:38,720

the heck

1111

00:54:43,910 --> 00:54:41,440

so that's pretty good that's a official

1112

00:54:46,309 --> 00:54:43,920

you know um

1113

00:54:47,589 --> 00:54:46,319

paperwork stuff so

1114

00:54:52,390 --> 00:54:47,599

that's pretty cool i'll bring it up

1115

00:54:57,349 --> 00:54:55,109

let me bring it up you know we look at

1116

00:55:01,670 --> 00:54:57,359

documents all the time

1117

00:55:01,680 --> 00:55:05,190

so here we go

1118

00:55:09,750 --> 00:55:07,510

this is basically just the

1119

00:55:11,510 --> 00:55:09,760

foia letter

1120

00:55:13,109 --> 00:55:11,520

let's see if i can make this big yep

1121

00:55:15,829 --> 00:55:13,119

there we go

1122

00:55:21,270 --> 00:55:18,950

i even zoom in a little bit look at me

1123

00:55:23,109 --> 00:55:21,280

pretty fancy so this is just a foil

1124

00:55:26,630 --> 00:55:23,119

letter basically

1125

00:55:29,270 --> 00:55:26,640

and so i'm just scrolling down quick

1126

00:55:31,750 --> 00:55:29,280

to the stuff here it is

1127

00:55:33,510 --> 00:55:31,760

pretty interesting uap security

1128

00:55:37,910 --> 00:55:33,520

classification guide naval intelligence

1129

00:55:43,910 --> 00:55:41,589

look at that information pretty good huh

1130

00:55:45,510 --> 00:55:43,920

pretty good stuff sure yeah you can have

1131

00:55:51,910 --> 00:55:45,520

this document john

1132

00:55:55,270 --> 00:55:53,430

no there's there's something halfway

1133

00:55:58,390 --> 00:55:55,280

decent in it though let me just keep

1134

00:56:01,829 --> 00:55:59,910

well first of all like if i was going to

1135

00:56:03,430 --> 00:56:01,839

research this stuff there's anyone you

1136

00:56:04,309 --> 00:56:03,440

know that wants to

1137

00:56:06,470 --> 00:56:04,319

um

1138

00:56:08,789 --> 00:56:06,480

a couple things you can look at for you

1139

00:56:10,950 --> 00:56:08,799

know future foias or anything like that

1140

00:56:13,589 --> 00:56:10,960

ss0

1141

00:56:16,390 --> 00:56:13,599

it's a good thing

1142

00:56:18,230 --> 00:56:16,400

uh nia

1143

00:56:21,109 --> 00:56:18,240

it's a good thing

1144

00:56:23,270 --> 00:56:21,119

top secret original classification oca

1145

00:56:24,390 --> 00:56:23,280

so these acronyms are are the things

1146

00:56:30,230 --> 00:56:24,400

you're going to want to take with you

1147

00:56:35,109 --> 00:56:31,910

and names if you got them i guess we got

1148

00:56:37,610 --> 00:56:35,119

mr scott bray

1149

00:56:40,069 --> 00:56:37,620

oh 422 hey look at that

1150

00:56:41,910 --> 00:56:40,079

[Laughter]

1151
00:56:43,670 --> 00:56:41,920
oh god i

1152
00:56:46,549 --> 00:56:43,680
don't do that anymore but sometimes i

1153
00:56:53,190 --> 00:56:49,349
all right so we got the o and i

1154
00:56:54,470 --> 00:56:53,200
yep yep yep scrolling scrolling

1155
00:56:56,630 --> 00:56:54,480
this cass

1156
00:56:59,270 --> 00:56:56,640
there's nothing

1157
00:57:00,870 --> 00:56:59,280
too big of a deal here

1158
00:57:02,630 --> 00:57:00,880
to be quite honest you can look at it

1159
00:57:05,030 --> 00:57:02,640
for yourself though but there's

1160
00:57:06,950 --> 00:57:05,040
something

1161
00:57:09,349 --> 00:57:06,960
you got the golden mission

1162
00:57:11,750 --> 00:57:09,359
um which is interesting because that's

1163
00:57:13,510 --> 00:57:11,760

part of the

1164

00:57:15,270 --> 00:57:13,520

you know the the new office that just

1165

00:57:16,549 --> 00:57:15,280

got

1166

00:57:18,710 --> 00:57:16,559

put into law

1167

00:57:21,109 --> 00:57:18,720

is detect analyze catalog consolidate

1168

00:57:24,230 --> 00:57:21,119

and exploit advanced non-traditional

1169

00:57:25,750 --> 00:57:24,240

aerospace vehicles posing an operational

1170

00:57:27,829 --> 00:57:25,760

threat to u.s national security and

1171

00:57:31,270 --> 00:57:27,839

avoid strategic surprise i wonder how

1172

00:57:31,280 --> 00:57:38,230

did we

1173

00:57:38,240 --> 00:57:43,589

um

1174

00:57:50,069 --> 00:57:45,510

yeah that's a weird

1175

00:57:54,230 --> 00:57:52,150

before yeah

1176

00:57:55,589 --> 00:57:54,240

probably [h__h] again yeah

1177

00:57:57,670 --> 00:57:55,599

[Music]

1178

00:57:59,750 --> 00:57:57,680

okay

1179

00:58:02,390 --> 00:57:59,760

so here we go

1180

00:58:05,030 --> 00:58:02,400

i just it gives me the heebie-jeebies

1181

00:58:06,470 --> 00:58:05,040

for some reason

1182

00:58:08,390 --> 00:58:06,480

uh

1183

00:58:10,309 --> 00:58:08,400

okay so where information pertaining to

1184

00:58:12,309 --> 00:58:10,319

europeans obtained or developed through

1185

00:58:13,990 --> 00:58:12,319

the use of classified stuff

1186

00:58:18,789 --> 00:58:14,000

uh yeah like the video share the video

1187

00:58:18,799 --> 00:58:23,190

no fornicating

1188

00:58:28,390 --> 00:58:25,510

so yeah um so you can check this link

1189

00:58:29,270 --> 00:58:28,400

out if you want uh secret

1190

00:58:30,390 --> 00:58:29,280

rel

1191

00:58:32,230 --> 00:58:30,400

f

1192

00:58:33,109 --> 00:58:32,240

v e y

1193

00:58:34,470 --> 00:58:33,119

um

1194

00:58:36,549 --> 00:58:34,480

we've all heard this kind of stuff

1195

00:58:38,150 --> 00:58:36,559

before

1196

00:58:40,069 --> 00:58:38,160

this is a lot like

1197

00:58:41,589 --> 00:58:40,079

what addict's responsibility was you

1198

00:58:44,390 --> 00:58:41,599

know we go back and dig in those

1199

00:58:45,910 --> 00:58:44,400

documents attic attic

1200

00:58:49,510 --> 00:58:45,920

um

1201
00:58:51,910 --> 00:58:49,520
this avoidin avoiding

1202
00:58:54,549 --> 00:58:51,920
um strategic surprise was part of their

1203
00:58:54,559 --> 00:58:59,430
so that is interesting

1204
00:59:07,109 --> 00:59:03,349
but you know strategic surprise

1205
00:59:10,150 --> 00:59:07,119
so it's not tech surprise

1206
00:59:11,750 --> 00:59:10,160
like technology surprises strategic

1207
00:59:13,510 --> 00:59:11,760
surprise

1208
00:59:16,829 --> 00:59:13,520
so that kind of reminds me of something

1209
00:59:22,309 --> 00:59:20,150
harbor you know i mean not that

1210
00:59:30,950 --> 00:59:22,319
just an example like a strategy a

1211
00:59:43,190 --> 00:59:34,230
interesting

1212
00:59:45,510 --> 00:59:43,200
although it's blacked out

1213
00:59:46,549 --> 00:59:45,520

intelligence collection exploitation

1214

00:59:48,549 --> 00:59:46,559

analysis

1215

00:59:51,510 --> 00:59:48,559

and

1216

00:59:52,789 --> 00:59:51,520

products is that sam

1217

00:59:54,870 --> 00:59:52,799

perhaps

1218

00:59:55,910 --> 00:59:54,880

products i think it says

1219

00:59:57,750 --> 00:59:55,920

yeah

1220

01:00:02,069 --> 00:59:57,760

products

1221

01:00:05,270 --> 01:00:04,150

probably some pretty interesting

1222

01:00:07,190 --> 01:00:05,280

stuff

1223

01:00:09,030 --> 01:00:07,200

so you can check that out for yourself

1224

01:00:12,789 --> 01:00:09,040

you can just go to

1225

01:00:15,190 --> 01:00:12,799

um black vault and check it out

1226

01:00:17,910 --> 01:00:15,200

look at that

1227

01:00:19,270 --> 01:00:17,920

we're done sharing that screen

1228

01:00:21,910 --> 01:00:19,280

so

1229

01:00:24,230 --> 01:00:21,920

you want to check that out um

1230

01:00:26,069 --> 01:00:24,240

oh and priscilla on monday nights we're

1231

01:00:28,789 --> 01:00:26,079

not doing that anymore monday nights

1232

01:00:31,109 --> 01:00:28,799

aren't working so well for me

1233

01:00:33,430 --> 01:00:31,119

um just because we're down to one car in

1234

01:00:35,190 --> 01:00:33,440

the household here and you know rides

1235

01:00:37,109 --> 01:00:35,200

and stuff the wife working and all that

1236

01:00:39,270 --> 01:00:37,119

kind of stuff the evening time is a

1237

01:00:41,670 --> 01:00:39,280

little rough so not doing that anymore

1238

01:00:44,390 --> 01:00:41,680

but we are going to do

1239

01:00:45,510 --> 01:00:44,400

starting january 8th priscilla and i are

1240

01:00:48,390 --> 01:00:45,520

going to

1241

01:00:50,230 --> 01:00:48,400

host a call-in show

1242

01:00:51,750 --> 01:00:50,240

so it's going to be every other saturday

1243

01:00:54,789 --> 01:00:51,760

night

1244

01:00:57,190 --> 01:00:54,799

at 7 central

1245

01:00:58,870 --> 01:00:57,200

so

1246

01:01:00,309 --> 01:00:58,880

it's going to be calling

1247

01:01:01,829 --> 01:01:00,319

maybe we'll pick a different theme or

1248

01:01:03,750 --> 01:01:01,839

something like that every time i don't

1249

01:01:06,390 --> 01:01:03,760

know but we're going to be your host and

1250

01:01:09,270 --> 01:01:06,400

you get to call in and talk to us as you

1251

01:01:10,630 --> 01:01:09,280

know and we'll figure out what

1252

01:01:11,750 --> 01:01:10,640

you know the topic is going to be

1253

01:01:14,870 --> 01:01:11,760

whether it's

1254

01:01:17,109 --> 01:01:14,880

your experience or some sort of news or

1255

01:01:19,910 --> 01:01:17,119

what have you so i'm looking forward to

1256

01:01:22,069 --> 01:01:19,920

that because i don't know if there's

1257

01:01:24,470 --> 01:01:22,079

too much of a real deal

1258

01:01:27,270 --> 01:01:24,480

um dedicated call-in

1259

01:01:29,349 --> 01:01:27,280

podcast thing and there may be but um

1260

01:01:31,270 --> 01:01:29,359

not with myself at priscilla

1261

01:01:32,870 --> 01:01:31,280

so we're going to do that

1262

01:01:35,270 --> 01:01:32,880

every other saturday but it's starting

1263

01:01:36,230 --> 01:01:35,280

january 8th

1264

01:01:39,589 --> 01:01:36,240

so

1265

01:01:41,349 --> 01:01:39,599

that should be great wednesday we have i

1266

01:01:43,750 --> 01:01:41,359

haven't made the event yet i'm super bad

1267

01:01:46,710 --> 01:01:43,760

with that um on youtube

1268

01:01:49,349 --> 01:01:46,720

uh but we're gonna do like a

1269

01:01:52,549 --> 01:01:49,359

rundown of 2021

1270

01:01:55,430 --> 01:01:52,559

um with mr j christopher king and

1271

01:01:58,390 --> 01:01:55,440

christopher sharp of liberation times

1272

01:02:01,910 --> 01:01:58,400

we're looking for a another person um

1273

01:02:03,829 --> 01:02:01,920

but if you know we can't get that done

1274

01:02:05,670 --> 01:02:03,839

it's just going to be the trio just

1275

01:02:07,430 --> 01:02:05,680

that's a boys

1276

01:02:13,109 --> 01:02:07,440

so

1277

01:02:16,549 --> 01:02:14,789

i don't know we'll see maybe we'll

1278

01:02:18,630 --> 01:02:16,559

sometimes we'll have like a go show

1279

01:02:20,210 --> 01:02:18,640

where we talk about ghost stories

1280

01:02:23,589 --> 01:02:20,220

so just can't sleep

1281

01:02:25,270 --> 01:02:23,599

[Laughter]

1282

01:02:27,109 --> 01:02:25,280

freak him out

1283

01:02:29,510 --> 01:02:27,119

i do want to hear about she just had a

1284

01:02:32,789 --> 01:02:29,520

recent trip um to a pretty

1285

01:02:34,470 --> 01:02:32,799

um creepy place like a creepy tour thing

1286

01:02:35,910 --> 01:02:34,480

which is supposed to be pretty legit so

1287

01:02:38,069 --> 01:02:35,920

i want to ask her about that at some

1288

01:02:40,230 --> 01:02:38,079

point

1289

01:02:43,430 --> 01:02:40,240

but yeah i think we pretty much hit it

1290

01:02:44,390 --> 01:02:43,440

all uh if i missed something i apologize

1291

01:02:46,390 --> 01:02:44,400

um

1292

01:02:49,349 --> 01:02:46,400

i'm working on some stuff here these

1293

01:02:53,910 --> 01:02:49,359

blue book documents pretty

1294

01:02:59,829 --> 01:02:56,309

found what what you know as many as i've

1295

01:03:03,349 --> 01:02:59,839

read i've just recently found um

1296

01:03:05,109 --> 01:03:03,359

four of the most amazing

1297

01:03:06,710 --> 01:03:05,119

real deal

1298

01:03:10,390 --> 01:03:06,720

cases

1299

01:03:10,400 --> 01:03:13,990

hands down

1300

01:03:18,950 --> 01:03:16,150

so i can't wait to share those with you

1301

01:03:21,910 --> 01:03:20,150

um

1302

01:03:23,829 --> 01:03:21,920

they're pretty intense

1303

01:03:26,150 --> 01:03:23,839

and i found those because heinek on one

1304

01:03:27,990 --> 01:03:26,160

of these like meeting folders

1305

01:03:28,829 --> 01:03:28,000

from blue book

1306

01:03:32,230 --> 01:03:28,839

that you

1307

01:03:35,109 --> 01:03:32,240

can i think find on my website

1308

01:03:37,270 --> 01:03:35,119

um hynix writing out kind of like a

1309

01:03:39,910 --> 01:03:37,280

synopsis of

1310

01:03:42,390 --> 01:03:39,920

i forget if it's i think it's the year

1311

01:03:46,069 --> 01:03:42,400

or maybe even the past month

1312

01:03:50,870 --> 01:03:48,309

um

1313

01:03:52,710 --> 01:03:50,880

encounters or or whatever

1314

01:03:55,589 --> 01:03:52,720

that really seemed to affect him a

1315

01:03:59,670 --> 01:03:55,599

little bit and so i looked them up on

1316

01:04:02,630 --> 01:03:59,680

blue book and they are pretty

1317

01:04:06,309 --> 01:04:04,390

pretty amazing stuff so i can't wait to

1318

01:04:07,990 --> 01:04:06,319

go through those with you guys

1319

01:04:11,510 --> 01:04:08,000

and show you i know it's just writing

1320

01:04:12,789 --> 01:04:11,520

there's no videos or photos but um

1321

01:04:15,990 --> 01:04:12,799

it's good

1322

01:04:18,710 --> 01:04:16,000

going right under the plane multiple

1323

01:04:21,750 --> 01:04:18,720

witnesses

1324

01:04:23,670 --> 01:04:21,760

these are unknowns unidentified is legit

1325

01:04:25,589 --> 01:04:23,680

and they're saying no astrological

1326
01:04:27,510 --> 01:04:25,599
reason for this no balloons in the area

1327
01:04:28,610 --> 01:04:27,520
no planes

1328
01:04:30,230 --> 01:04:28,620
we don't know

1329
01:04:32,150 --> 01:04:30,240
[Music]

1330
01:04:33,510 --> 01:04:32,160
so it's it's pretty intense most

1331
01:04:34,549 --> 01:04:33,520
definitely so i can't wait to share that

1332
01:04:38,630 --> 01:04:34,559
with you

1333
01:04:41,109 --> 01:04:38,640
um maybe i'll do that tomorrow

1334
01:04:43,829 --> 01:04:41,119
we'll see yeah probably tomorrow would

1335
01:04:45,430 --> 01:04:43,839
be good video maybe we'll have vinnie on

1336
01:04:48,150 --> 01:04:45,440
wednesday

1337
01:04:50,710 --> 01:04:48,160
um we're doing it at

1338
01:04:53,589 --> 01:04:50,720

for you video would be

1339

01:04:55,430 --> 01:04:53,599

10 o'clock p.m

1340

01:04:57,430 --> 01:04:55,440

so it's going to be

1341

01:04:59,990 --> 01:04:57,440

4 central

1342

01:05:01,750 --> 01:05:00,000

so let me know get in touch

1343

01:05:03,349 --> 01:05:01,760

either way

1344

01:05:05,510 --> 01:05:03,359

sounds good

1345

01:05:06,950 --> 01:05:05,520

um thanks so much everybody for coming

1346

01:05:09,750 --> 01:05:06,960

and hanging out please like the video if

1347

01:05:11,349 --> 01:05:09,760

you haven't uh share it on your social

1348

01:05:12,950 --> 01:05:11,359

if you liked it

1349

01:05:15,270 --> 01:05:12,960

enough for that

1350

01:05:16,230 --> 01:05:15,280

and subscribe if you haven't that'd be

1351

01:05:18,230 --> 01:05:16,240

great

1352

01:05:19,829 --> 01:05:18,240

um

1353

01:05:21,670 --> 01:05:19,839

you know go on my website look at the

1354

01:05:22,390 --> 01:05:21,680

documents pick some out tag me at it on

1355

01:05:24,230 --> 01:05:22,400

social

1356

01:05:25,349 --> 01:05:24,240

you know that kind of stuff

1357

01:05:26,789 --> 01:05:25,359

um

1358

01:05:29,029 --> 01:05:26,799

i'm out there

1359

01:05:30,390 --> 01:05:29,039

and email me email me some videos if you

1360

01:05:34,150 --> 01:05:30,400

got some and i'll play it on what the

1361

01:05:37,990 --> 01:05:35,589

just

1362

01:05:39,190 --> 01:05:38,000

hope everybody had a great holiday and

1363

01:05:41,910 --> 01:05:39,200

christmas

1364

01:05:43,589 --> 01:05:41,920

um safe

1365

01:05:46,710 --> 01:05:43,599

i got this hat from my wife it's pretty

1366

01:05:47,589 --> 01:05:46,720

cool oh and i got an espresso machine

1367

01:05:49,029 --> 01:05:47,599

oh

1368

01:05:50,789 --> 01:05:49,039

and it's awesome

1369

01:05:52,710 --> 01:05:50,799

i was i was a barista for like eight

1370

01:05:56,309 --> 01:05:52,720

nine ten years or whatever

1371

01:05:58,789 --> 01:05:56,319

and i just loved the manual machines

1372

01:05:59,670 --> 01:05:58,799

tamping your espresso pouring the milk

1373

01:06:02,069 --> 01:05:59,680

out

1374

01:06:04,150 --> 01:06:02,079

making a little rosetta or a heart or

1375

01:06:05,270 --> 01:06:04,160

something and i took a lot of pride in

1376

01:06:07,670 --> 01:06:05,280

making those

1377

01:06:09,589 --> 01:06:07,680

and i have a machine now

1378

01:06:11,829 --> 01:06:09,599

and it's a really nice one where i can

1379

01:06:13,750 --> 01:06:11,839

do it manual i mean nice for personal

1380

01:06:15,109 --> 01:06:13,760

machines where i can do it manual and

1381

01:06:17,190 --> 01:06:15,119

stuff and

1382

01:06:22,650 --> 01:06:17,200

that's really awesome

1383

01:06:22,660 --> 01:06:44,630

[Music]

1384

01:07:00,789 --> 01:06:47,090

citizens

1385

01:07:03,270 --> 01:07:00,799

[Music]

1386

01:07:05,829 --> 01:07:03,280

all right i forgot to mention this sorry

1387

01:07:07,029 --> 01:07:05,839

on calling all beings

1388

01:07:08,470 --> 01:07:07,039

um

1389

01:07:10,549 --> 01:07:08,480

thanks for tuning in

1390

01:07:12,309 --> 01:07:10,559

um they're doing a holiday show today i

1391

01:07:14,230 --> 01:07:12,319

was going to take part i can't make it

1392

01:07:15,510 --> 01:07:14,240

uh going back to actually what i was

1393

01:07:16,710 --> 01:07:15,520

saying about why monday nights aren't

1394

01:07:19,349 --> 01:07:16,720

working so great

1395

01:07:21,910 --> 01:07:19,359

so i'm making this video for them

1396

01:07:23,270 --> 01:07:21,920

and i might as well do it live

1397

01:07:25,190 --> 01:07:23,280

because it'd be easy to rip and i could

1398

01:07:27,190 --> 01:07:25,200

just send it over so

1399

01:07:28,390 --> 01:07:27,200

um

1400

01:07:29,910 --> 01:07:28,400

hopefully you're not weirded out for

1401

01:07:33,029 --> 01:07:29,920

this

1402

01:07:34,470 --> 01:07:33,039

hey calling all beings crew um

1403

01:07:36,710 --> 01:07:34,480

i'm so sorry i couldn't make the event

1404

01:07:39,510 --> 01:07:36,720

tonight i wanted to say happy holidays

1405

01:07:42,470 --> 01:07:39,520

keep kicking butt uh celebrate today and

1406

01:07:45,430 --> 01:07:42,480

biden signing the ndaa

1407

01:07:48,210 --> 01:07:45,440

and i will hope to see you soon

1408

01:07:51,620 --> 01:07:48,220

stay groovy
