

1
00:02:00,230 --> 00:01:30,200
[Music]

2
00:02:00,240 --> 00:02:11,910
what's up everybody

3
00:02:11,920 --> 00:02:15,910
how's everyone doing today

4
00:02:15,920 --> 00:02:20,440
like my new poster

5
00:02:26,470 --> 00:02:24,229
[Laughter]

6
00:02:31,350 --> 00:02:26,480
pretty cool red

7
00:02:34,830 --> 00:02:32,790
what's up robert

8
00:02:37,830 --> 00:02:34,840
ob

9
00:02:38,949 --> 00:02:37,840
flat okay 42 d

10
00:02:41,910 --> 00:02:38,959
josh

11
00:02:41,920 --> 00:02:47,270
scott brown what's up

12
00:02:53,589 --> 00:02:50,450
merch i should sell that as merce

13
00:02:58,630 --> 00:02:53,599

[Laughter]

14

00:03:02,630 --> 00:03:01,670
i guess it's just not ever like i'm

15

00:03:04,710 --> 00:03:02,640
always

16

00:03:07,430 --> 00:03:04,720
you know

17

00:03:09,910 --> 00:03:07,440
to be honest i'm always like

18

00:03:12,390 --> 00:03:09,920
looking at documents and stuff and

19

00:03:13,430 --> 00:03:12,400
doing things that are fun to me like

20

00:03:14,710 --> 00:03:13,440
creating

21

00:03:18,229 --> 00:03:14,720
posters

22

00:03:23,030 --> 00:03:18,239
or um

23

00:03:23,040 --> 00:03:25,430
um

24

00:03:29,589 --> 00:03:27,190
so i don't know that's always like the

25

00:03:35,350 --> 00:03:29,599
last thing that i want to get to but

26
00:03:37,190 --> 00:03:36,149
so

27
00:03:39,589 --> 00:03:37,200
you know

28
00:03:41,910 --> 00:03:39,599
and then we got the like the galaxy

29
00:03:45,509 --> 00:03:41,920
stars thing over there in the corner

30
00:03:52,309 --> 00:03:48,300
it's pretty cool

31
00:03:55,750 --> 00:03:53,670
yeah so

32
00:03:58,869 --> 00:03:55,760
uh but you know getting

33
00:04:02,630 --> 00:03:58,879
some sort of money would be cool one day

34
00:04:05,589 --> 00:04:04,550
but

35
00:04:08,710 --> 00:04:05,599
you know

36
00:04:09,910 --> 00:04:08,720
i'm not in it for that that's for sure

37
00:04:12,710 --> 00:04:09,920
although

38
00:04:16,229 --> 00:04:12,720

i wouldn't turn it down

39

00:04:19,670 --> 00:04:16,239

so give me them freaking

40

00:04:21,440 --> 00:04:19,680

super chats damn it

41

00:04:24,790 --> 00:04:21,450

now

42

00:04:26,710 --> 00:04:24,800

[Laughter]

43

00:04:28,790 --> 00:04:26,720

and my internet is super low for some

44

00:04:31,270 --> 00:04:28,800

reason even though it's

45

00:04:33,990 --> 00:04:31,280

plugged in direct so

46

00:04:37,270 --> 00:04:34,000

that's pretty stupid but

47

00:04:42,710 --> 00:04:40,390

so thanks everybody for joining me today

48

00:04:46,310 --> 00:04:42,720

how much do i need oh man

49

00:04:49,030 --> 00:04:46,320

give me a thousand dollar super chat

50

00:04:51,030 --> 00:04:49,040

that would be great

51
00:04:53,189 --> 00:04:51,040
if every one of you gave me that

52
00:04:54,150 --> 00:04:53,199
let's see we got 16 people in here i'd

53
00:04:56,629 --> 00:04:54,160
get

54
00:04:58,200 --> 00:04:56,639
man that'd be a great day

55
00:05:01,110 --> 00:04:58,210
that'd be a great day

56
00:05:02,870 --> 00:05:01,120
[Laughter]

57
00:05:04,550 --> 00:05:02,880
um

58
00:05:05,909 --> 00:05:04,560
but yeah thank you so much for joining

59
00:05:08,230 --> 00:05:05,919
me everybody

60
00:05:09,270 --> 00:05:08,240
for coming here today you know i don't

61
00:05:12,710 --> 00:05:09,280
know what's

62
00:05:15,590 --> 00:05:12,720
uh kind of come over me today but um

63
00:05:17,749 --> 00:05:15,600

i wanted to actually because

64

00:05:19,189 --> 00:05:17,759

i want to actually tell

65

00:05:21,749 --> 00:05:19,199

um

66

00:05:23,189 --> 00:05:21,759

do a little bit of a detour and give you

67

00:05:25,189 --> 00:05:23,199

my

68

00:05:27,830 --> 00:05:25,199

um experience

69

00:05:30,550 --> 00:05:27,840

and and why i'm here

70

00:05:32,469 --> 00:05:30,560

you know what i mean um i think that

71

00:05:35,189 --> 00:05:32,479

would be

72

00:05:38,230 --> 00:05:35,199

pretty good to do um so i'm gonna do

73

00:05:44,310 --> 00:05:40,230

oh maybe i gotta

74

00:05:44,320 --> 00:05:50,390

i think you're out of focus robert

75

00:05:54,230 --> 00:05:52,629

i don't know hopefully i'm not blurry

76

00:05:56,390 --> 00:05:54,240

um

77

00:05:57,670 --> 00:05:56,400

yeah a little blurry huh

78

00:05:59,590 --> 00:05:57,680

well

79

00:06:02,309 --> 00:05:59,600

what are you gonna do

80

00:06:04,230 --> 00:06:02,319

what are you freaking gonna do

81

00:06:06,469 --> 00:06:04,240

a little blurry

82

00:06:09,830 --> 00:06:06,479

uh you guys have to maybe i'll close out

83

00:06:12,710 --> 00:06:09,840

these different internet windows

84

00:06:14,550 --> 00:06:12,720

maybe they're taking up too much juice

85

00:06:19,990 --> 00:06:14,560

you know

86

00:06:25,990 --> 00:06:22,469

boy

87

00:06:59,510 --> 00:06:30,390

well let me actually try to

88

00:07:05,270 --> 00:07:02,629

is that better

89

00:07:09,110 --> 00:07:07,110

hopefully

90

00:07:11,749 --> 00:07:09,120

oh yeah so

91

00:07:14,309 --> 00:07:11,759

um yeah so like i said i just wanted to

92

00:07:15,350 --> 00:07:14,319

actually kind of give you

93

00:07:17,430 --> 00:07:15,360

um

94

00:07:19,189 --> 00:07:17,440

kind of the rundown on

95

00:07:21,830 --> 00:07:19,199

why i'm here doing what i'm doing

96

00:07:24,469 --> 00:07:21,840

because you know i do

97

00:07:34,790 --> 00:07:24,479

a lot of shows and i do actually a lot

98

00:07:38,870 --> 00:07:36,550

so

99

00:07:40,710 --> 00:07:38,880

yeah i don't know i might just have

100

00:07:41,830 --> 00:07:40,720

blurry internet

101
00:07:43,589 --> 00:07:41,840
sorry about that i should probably

102
00:07:45,110 --> 00:07:43,599
restart the router but it's too late now

103
00:07:46,070 --> 00:07:45,120
hopefully it picks up and gets a little

104
00:07:47,430 --> 00:07:46,080
better

105
00:07:49,189 --> 00:07:47,440
um

106
00:07:51,350 --> 00:07:49,199
so

107
00:07:53,270 --> 00:07:51,360
it was

108
00:07:55,350 --> 00:07:53,280
there's kind of a lot to it i feel like

109
00:07:58,390 --> 00:07:55,360
there there is my story that i guess

110
00:08:03,029 --> 00:07:58,400
that is and why i'm here it all started

111
00:08:05,110 --> 00:08:03,039
in december of i want to say yeah 2019

112
00:08:06,230 --> 00:08:05,120
and i had a job that i was at for five

113
00:08:08,469 --> 00:08:06,240

years

114

00:08:11,270 --> 00:08:08,479

um i was doing pretty well at it

115

00:08:15,510 --> 00:08:13,430

um definitely uh

116

00:08:17,029 --> 00:08:15,520

heavily relied upon

117

00:08:19,350 --> 00:08:17,039

and

118

00:08:20,869 --> 00:08:19,360

made a transition to an even more

119

00:08:22,869 --> 00:08:20,879

challenging

120

00:08:25,430 --> 00:08:22,879

job at that company

121

00:08:30,790 --> 00:08:27,350

i was pretty nervous about it but i

122

00:08:33,670 --> 00:08:30,800

wound up doing really well at that too

123

00:08:35,269 --> 00:08:33,680

well it came to

124

00:08:36,870 --> 00:08:35,279

the end of the year this christmas party

125

00:08:39,909 --> 00:08:36,880

whatever

126

00:08:42,389 --> 00:08:39,919

and i wound up getting let go and the

127

00:08:43,909 --> 00:08:42,399

gist of it is because i stuck my neck

128

00:08:45,670 --> 00:08:43,919

out to get

129

00:08:47,190 --> 00:08:45,680

a group of guys

130

00:08:50,150 --> 00:08:47,200

in the office

131

00:08:51,509 --> 00:08:50,160

um some recognition

132

00:08:54,550 --> 00:08:51,519

and which

133

00:08:56,150 --> 00:08:54,560

you know those guys never have for

134

00:08:57,910 --> 00:08:56,160

you know the years i've been there and

135

00:09:00,230 --> 00:08:57,920

that's where i came from so

136

00:09:02,070 --> 00:09:00,240

um it was important to me that

137

00:09:02,949 --> 00:09:02,080

you know they got that recognition and i

138

00:09:04,550 --> 00:09:02,959

did that

139

00:09:06,630 --> 00:09:04,560

one thing led to another and i got let

140

00:09:09,030 --> 00:09:06,640

go

141

00:09:11,030 --> 00:09:09,040

so after that

142

00:09:12,790 --> 00:09:11,040

you know and coronavirus is kind of just

143

00:09:14,150 --> 00:09:12,800

starting at that time

144

00:09:16,630 --> 00:09:14,160

and people aren't really sure what's

145

00:09:21,350 --> 00:09:18,389

and you know losing the job and

146

00:09:25,190 --> 00:09:22,630

um

147

00:09:27,269 --> 00:09:25,200

you know things were getting

148

00:09:29,990 --> 00:09:27,279

kind of crazy uh worrying about what was

149

00:09:32,070 --> 00:09:30,000

going on uh with our life my my wife and

150

00:09:33,430 --> 00:09:32,080

i's life and what that was gonna look

151
00:09:39,910 --> 00:09:33,440
like

152
00:09:44,870 --> 00:09:42,790
you know as uh time progresses my wife

153
00:09:46,310 --> 00:09:44,880
and i decided that

154
00:09:48,070 --> 00:09:46,320
you know we had already been thinking

155
00:09:49,990 --> 00:09:48,080
about getting a new house or getting a

156
00:09:52,550 --> 00:09:50,000
house because we were living in a duplex

157
00:09:55,350 --> 00:09:52,560
two-bedroom duplex we had two dogs and a

158
00:09:57,829 --> 00:09:55,360
cat we had still still have them but it

159
00:09:59,190 --> 00:09:57,839
was a little small for us to be quite

160
00:10:02,389 --> 00:09:59,200
honest with you

161
00:10:06,550 --> 00:10:02,399
um so we just needed some more room so

162
00:10:10,790 --> 00:10:06,560
um as 2021 on we wound up getting our

163
00:10:14,630 --> 00:10:12,550

during this whole time from december 2

164

00:10:17,430 --> 00:10:14,640

march i was preparing

165

00:10:21,430 --> 00:10:17,440

what was going to be my first like

166

00:10:24,069 --> 00:10:21,440

solo artist solo musician release

167

00:10:26,389 --> 00:10:24,079

um i've been working on this handful of

168

00:10:27,590 --> 00:10:26,399

songs recording them working pretty hard

169

00:10:30,389 --> 00:10:27,600

on them

170

00:10:33,269 --> 00:10:30,399

um and i had this one venue picked out

171

00:10:35,030 --> 00:10:33,279

that i wanted to do the release at too

172

00:10:37,590 --> 00:10:35,040

so much so that i would

173

00:10:39,509 --> 00:10:37,600

going every wednesday to do open mics to

174

00:10:40,710 --> 00:10:39,519

rehearse the songs i wrote the songs at

175

00:10:44,710 --> 00:10:40,720

the open mic

176

00:10:48,150 --> 00:10:44,720

you know years

177

00:10:50,389 --> 00:10:48,160

of course and

178

00:10:52,949 --> 00:10:50,399

what i mean by that is

179

00:10:54,710 --> 00:10:52,959

you know i was playing the bigger stages

180

00:10:56,710 --> 00:10:54,720

in the city

181

00:10:58,470 --> 00:10:56,720

um on a constant basis had all the

182

00:11:00,069 --> 00:10:58,480

contacts and i just wanted a different

183

00:11:01,990 --> 00:11:00,079

vibe so i was going to this open mic

184

00:11:04,630 --> 00:11:02,000

where none of the typical scene people

185

00:11:06,389 --> 00:11:04,640

were at this place was like uh

186

00:11:09,829 --> 00:11:06,399

kind of like what i think of as like a

187

00:11:12,069 --> 00:11:09,839

brooklyn 60s coffee shop type vibe

188

00:11:13,670 --> 00:11:12,079

uh this guy who ran it jim linnaman is

189

00:11:16,310 --> 00:11:13,680

an awesome guy

190

00:11:18,630 --> 00:11:16,320

um and has so many great stories to tell

191

00:11:21,190 --> 00:11:18,640

about the old hippie days and everything

192

00:11:23,110 --> 00:11:21,200

and he you know has posters of bob dylan

193

00:11:24,790 --> 00:11:23,120

on the wall that kind of stuff so that

194

00:11:26,550 --> 00:11:24,800

was just the vibe that i was in at the

195

00:11:28,389 --> 00:11:26,560

time especially after losing my job and

196

00:11:30,870 --> 00:11:28,399

everything um

197

00:11:32,069 --> 00:11:30,880

writing the music and everything was

198

00:11:34,389 --> 00:11:32,079

you know kind of a release and a

199

00:11:35,750 --> 00:11:34,399

meditation for me and a way for me to

200

00:11:40,829 --> 00:11:35,760

work through that

201
00:11:44,470 --> 00:11:42,470
and

202
00:11:46,230 --> 00:11:44,480
as much comes

203
00:11:48,949 --> 00:11:46,240
we're in the house everything's going

204
00:11:51,110 --> 00:11:48,959
fine the album's finished it's recorded

205
00:11:54,470 --> 00:11:51,120
throughout all my years of playing music

206
00:11:55,590 --> 00:11:54,480
i've never released uh it on a vinyl

207
00:11:58,790 --> 00:11:55,600
record

208
00:12:00,150 --> 00:11:58,800
and it was important for me to do that

209
00:12:01,910 --> 00:12:00,160
you know

210
00:12:04,389 --> 00:12:01,920
at least once

211
00:12:06,629 --> 00:12:04,399
and i decided that this album

212
00:12:09,030 --> 00:12:06,639
um i was gonna do that

213
00:12:12,230 --> 00:12:10,550

you know i finished the album i turned

214

00:12:14,310 --> 00:12:12,240

it in to

215

00:12:16,069 --> 00:12:14,320

uh you know the company that was making

216

00:12:17,670 --> 00:12:16,079

the actual vinyl for me and the cover

217

00:12:19,509 --> 00:12:17,680

sheet and everything and

218

00:12:21,110 --> 00:12:19,519

you know of which you put the record in

219

00:12:22,870 --> 00:12:21,120

and everything

220

00:12:24,629 --> 00:12:22,880

and it was expensive and i paid for it

221

00:12:26,230 --> 00:12:24,639

all out of my own pocket you know it's

222

00:12:28,389 --> 00:12:26,240

probably

223

00:12:31,350 --> 00:12:28,399

a couple thousand bucks and i remember

224

00:12:34,629 --> 00:12:31,360

telling my wife like can i do this

225

00:12:36,629 --> 00:12:34,639

i swear if i do this i will play shows

226

00:12:40,710 --> 00:12:36,639

until i sell all these i will not let

227

00:12:45,030 --> 00:12:43,269

um and the show was for actually i think

228

00:12:46,790 --> 00:12:45,040

it was for 4 20

229

00:12:48,790 --> 00:12:46,800

believe it or not

230

00:12:51,910 --> 00:12:48,800

april 20th

231

00:12:53,350 --> 00:12:51,920

so as the date is approaching and i'm

232

00:12:57,509 --> 00:12:53,360

you know prepared for this show and

233

00:12:59,269 --> 00:12:57,519

everything i'm feeling good about it um

234

00:13:00,710 --> 00:12:59,279

i have the vinyls everything's coming in

235

00:13:03,670 --> 00:13:00,720

on time

236

00:13:05,350 --> 00:13:03,680

they decide to close the venue because

237

00:13:07,190 --> 00:13:05,360

of coronavirus

238

00:13:08,150 --> 00:13:07,200

and it's not their fault everybody was

239

00:13:10,150 --> 00:13:08,160

closing

240

00:13:13,190 --> 00:13:10,160

all the venues were closed all the

241

00:13:15,829 --> 00:13:13,200

restaurants bars um people were

242

00:13:17,910 --> 00:13:15,839

working from home everything

243

00:13:20,710 --> 00:13:17,920

so the show that i planned and have been

244

00:13:22,949 --> 00:13:20,720

looking forward to um

245

00:13:23,829 --> 00:13:22,959

was essentially cancelled now i could

246

00:13:25,750 --> 00:13:23,839

have

247

00:13:27,110 --> 00:13:25,760

you know rescheduled it or played it by

248

00:13:29,269 --> 00:13:27,120

now but throughout that course of the

249

00:13:30,949 --> 00:13:29,279

year it was going from closed and not

250

00:13:32,150 --> 00:13:30,959

closed everybody was worried about even

251
00:13:33,910 --> 00:13:32,160
going out

252
00:13:36,870 --> 00:13:33,920
and in the end i thought it was best to

253
00:13:41,910 --> 00:13:39,350
not perform or really go out

254
00:13:44,310 --> 00:13:41,920
um that year we have older parents who

255
00:13:47,030 --> 00:13:44,320
you know weren't doing that great and

256
00:13:48,629 --> 00:13:47,040
everything uh health-wise so you know it

257
00:13:51,910 --> 00:13:48,639
just wasn't really the smartest thing to

258
00:13:59,509 --> 00:13:54,150
um

259
00:14:01,430 --> 00:13:59,519
closer to

260
00:14:02,790 --> 00:14:01,440
so that's kind of that story you know so

261
00:14:04,389 --> 00:14:02,800
to speak and

262
00:14:06,389 --> 00:14:04,399
you know i should also add that the

263
00:14:08,310 --> 00:14:06,399

december before that was the last show

264

00:14:10,550 --> 00:14:08,320

i've ever played live and i've played

265

00:14:12,470 --> 00:14:10,560

hundreds and hundreds of shows

266

00:14:14,470 --> 00:14:12,480

um and it was at a place called cactus

267

00:14:18,550 --> 00:14:14,480

club and i was solo

268

00:14:20,230 --> 00:14:18,560

and i opened for these other two groups

269

00:14:22,310 --> 00:14:20,240

and

270

00:14:24,230 --> 00:14:22,320

you know

271

00:14:26,550 --> 00:14:24,240

like life is so weird oddly enough i

272

00:14:29,189 --> 00:14:26,560

will never forget

273

00:14:31,269 --> 00:14:29,199

that show um you know it's really hard

274

00:14:33,110 --> 00:14:31,279

as a as a local artist to

275

00:14:35,509 --> 00:14:33,120

play as many shows as you do in the same

276

00:14:37,509 --> 00:14:35,519

town and get people out consistently and

277

00:14:38,629 --> 00:14:37,519

have a good audience and everything

278

00:14:40,949 --> 00:14:38,639

um

279

00:14:43,110 --> 00:14:40,959

but for this show

280

00:14:46,069 --> 00:14:43,120

the place was full

281

00:14:47,990 --> 00:14:46,079

the sound was so good i was playing you

282

00:14:50,150 --> 00:14:48,000

know solo

283

00:14:52,069 --> 00:14:50,160

and everybody was hanging on pretty much

284

00:14:53,829 --> 00:14:52,079

every word

285

00:14:55,829 --> 00:14:53,839

and loved every

286

00:14:58,629 --> 00:14:55,839

song

287

00:15:03,030 --> 00:14:58,639

it was one of the best shows maybe the

288

00:15:06,629 --> 00:15:04,710

and little did i know that that was

289

00:15:07,670 --> 00:15:06,639

gonna be my

290

00:15:11,350 --> 00:15:07,680

you know

291

00:15:13,030 --> 00:15:11,360

at least lash over for a while or i

292

00:15:14,790 --> 00:15:13,040

think it's almost two years now i've

293

00:15:16,949 --> 00:15:14,800

went without playing a show

294

00:15:18,550 --> 00:15:16,959

which for me was unheard of because i

295

00:15:21,430 --> 00:15:18,560

was playing you know at least one a

296

00:15:23,430 --> 00:15:21,440

month sometimes more than that

297

00:15:25,670 --> 00:15:23,440

for

298

00:15:29,990 --> 00:15:25,680

eight nine ten years

299

00:15:32,629 --> 00:15:31,749

that was a great show it was a beautiful

300

00:15:34,150 --> 00:15:32,639

show

301

00:15:35,509 --> 00:15:34,160

thanks for first of all let me talk

302

00:15:37,189 --> 00:15:35,519

about this i

303

00:15:40,069 --> 00:15:37,199

feel like it's been kind of pent up in

304

00:15:43,189 --> 00:15:40,079

me for a while and i just

305

00:15:44,790 --> 00:15:43,199

wanted to get it out so

306

00:15:47,670 --> 00:15:44,800

i'm not gonna get emotional i'm just

307

00:15:49,670 --> 00:15:47,680

gonna try to tell a story

308

00:15:52,069 --> 00:15:49,680

so

309

00:15:54,389 --> 00:15:52,079

that happened after that show um you

310

00:15:56,230 --> 00:15:54,399

know i said everything about the

311

00:15:57,910 --> 00:15:56,240

about the um

312

00:16:00,310 --> 00:15:57,920

recording that i was working on i wanted

313

00:16:02,790 --> 00:16:00,320

to release the recording on vinyl

314

00:16:04,550 --> 00:16:02,800

um we get the new house in march um the

315

00:16:21,030 --> 00:16:04,560

show is in april

316

00:16:24,550 --> 00:16:23,110

the coronavirus thing and now i've

317

00:16:26,310 --> 00:16:24,560

gotten to a point where i haven't played

318

00:16:28,470 --> 00:16:26,320

a show for so long

319

00:16:30,949 --> 00:16:28,480

where you know i'm just really not in

320

00:16:33,110 --> 00:16:30,959

that mentality anymore and i don't

321

00:16:34,069 --> 00:16:33,120

know that it's something i i want to do

322

00:16:37,189 --> 00:16:34,079

again

323

00:16:38,790 --> 00:16:37,199

um my life has changed a lot

324

00:16:42,550 --> 00:16:38,800

i've changed a lot

325

00:16:44,310 --> 00:16:42,560

um my wife and i have changed a lot

326
00:16:46,150 --> 00:16:44,320
and sometimes i think maybe we needed

327
00:16:48,230 --> 00:16:46,160
the coronavirus for me to break the

328
00:16:50,310 --> 00:16:48,240
usual routine i was in i mean everything

329
00:16:52,150 --> 00:16:50,320
in my life changed at that time the

330
00:16:53,430 --> 00:16:52,160
place i was living the job i was so

331
00:16:56,710 --> 00:16:53,440
familiar with

332
00:16:58,389 --> 00:16:56,720
um the routines of playing shows and and

333
00:17:00,790 --> 00:16:58,399
doing promotion and all that kind of

334
00:17:02,069 --> 00:17:00,800
stuff everything was over and it you

335
00:17:04,150 --> 00:17:02,079
know changed

336
00:17:04,949 --> 00:17:04,160
life changed for so many people at that

337
00:17:07,350 --> 00:17:04,959
time

338
00:17:09,029 --> 00:17:07,360

um but i guess i just wasn't

339

00:17:11,909 --> 00:17:09,039

prepared or knew that that was even

340

00:17:17,750 --> 00:17:13,829

um

341

00:17:19,270 --> 00:17:17,760

progressed i was in this new house i was

342

00:17:20,949 --> 00:17:19,280

closer to

343

00:17:22,549 --> 00:17:20,959

my parents and because of that i was

344

00:17:24,870 --> 00:17:22,559

able to

345

00:17:25,160 --> 00:17:24,880

bowl with my father

346

00:17:26,230 --> 00:17:25,170

on

347

00:17:29,590 --> 00:17:26,240

[Music]

348

00:17:31,350 --> 00:17:29,600

his you know weekly

349

00:17:35,510 --> 00:17:31,360

league again and we have decided to do

350

00:17:40,390 --> 00:17:38,150

so as the uh bowling uh first week of

351

00:17:43,110 --> 00:17:40,400

bowling approaches um coronavirus is

352

00:17:45,430 --> 00:17:43,120

still raging there's no vaccine

353

00:17:47,669 --> 00:17:45,440

um people are you know some people are

354

00:17:51,350 --> 00:17:47,679

taking it serious some people

355

00:17:53,750 --> 00:17:51,360

aren't so much and for their own reasons

356

00:17:56,230 --> 00:17:53,760

i think you know it was a it's still a

357

00:17:58,310 --> 00:17:56,240

hard thing to fathom for a lot of people

358

00:18:01,590 --> 00:17:58,320

um and at that time

359

00:18:03,750 --> 00:18:01,600

it was you know hard to fathom for

360

00:18:06,470 --> 00:18:03,760

myself and and my father in different

361

00:18:11,669 --> 00:18:09,190

um for him you know he's a he's an older

362

00:18:14,390 --> 00:18:11,679

guy and bowling is

363

00:18:15,750 --> 00:18:14,400

like music was for me you know

364

00:18:17,669 --> 00:18:15,760

um

365

00:18:19,830 --> 00:18:17,679

he did it

366

00:18:22,230 --> 00:18:19,840

for a long time and that he found joy

367

00:18:23,830 --> 00:18:22,240

and happiness and a vacation from life

368

00:18:24,549 --> 00:18:23,840

at the bowling alleys every week you

369

00:18:26,470 --> 00:18:24,559

know

370

00:18:27,909 --> 00:18:26,480

and so

371

00:18:29,270 --> 00:18:27,919

as the week approached i told him i

372

00:18:30,230 --> 00:18:29,280

would still do it if people were wearing

373

00:18:33,750 --> 00:18:30,240

masks

374

00:18:36,230 --> 00:18:33,760

everybody's like older and they're all

375

00:18:38,310 --> 00:18:36,240

crammed into this bowling alley i'm like

376
00:18:40,710 --> 00:18:38,320
bad like

377
00:18:43,350 --> 00:18:40,720
i can't do that

378
00:18:46,870 --> 00:18:43,360
you know i can't i can't do it

379
00:18:49,270 --> 00:18:46,880
um and he got really frustrated

380
00:18:51,909 --> 00:18:49,280
and

381
00:18:53,510 --> 00:18:51,919
you know it was

382
00:18:57,270 --> 00:18:53,520
i don't think he realized it but it was

383
00:18:59,590 --> 00:18:57,280
directed towards me um but really he was

384
00:19:05,110 --> 00:19:01,909
disappointed

385
00:19:07,350 --> 00:19:05,120
you know that bowling was basically over

386
00:19:09,830 --> 00:19:07,360
because of this coronavirus

387
00:19:11,990 --> 00:19:09,840
and you know it's interesting because i

388
00:19:15,029 --> 00:19:12,000

just had my life completely and because

389

00:19:16,549 --> 00:19:15,039

of coronavirus months earlier

390

00:19:17,830 --> 00:19:16,559

you know

391

00:19:19,270 --> 00:19:17,840

and now the same thing was kind of

392

00:19:22,630 --> 00:19:19,280

happening to him

393

00:19:27,029 --> 00:19:22,640

and unfortunately i was just you know

394

00:19:27,039 --> 00:19:31,190

so

395

00:19:35,029 --> 00:19:32,870

you know it wasn't pretty it wasn't a

396

00:19:36,870 --> 00:19:35,039

pretty sight and the next day

397

00:19:38,950 --> 00:19:36,880

you know um

398

00:19:43,029 --> 00:19:38,960

i'm trying to talk with him and we're

399

00:19:45,830 --> 00:19:44,150

and

400

00:19:47,909 --> 00:19:45,840

you know which is weird because we've

401
00:19:49,430 --> 00:19:47,919
never done that with and and that's not

402
00:19:52,470 --> 00:19:49,440
our relationship we never do that kind

403
00:19:54,310 --> 00:19:52,480
of stuff

404
00:19:56,549 --> 00:19:54,320
so right now i'm going to pause and i'm

405
00:19:59,110 --> 00:19:56,559
going to go back two years

406
00:20:06,549 --> 00:20:02,710
to a dream i had and in this dream

407
00:20:09,350 --> 00:20:06,559
i'm arguing with my father

408
00:20:10,870 --> 00:20:09,360
it it gets pretty nasty in the dream

409
00:20:13,029 --> 00:20:10,880
like i remember

410
00:20:15,110 --> 00:20:13,039
like it was it either got physical or

411
00:20:17,830 --> 00:20:15,120
was gonna get physical it was just a

412
00:20:21,430 --> 00:20:17,840
nasty nasty dream and i remember waking

413
00:20:24,070 --> 00:20:21,440

up and you know even being in the

414

00:20:26,070 --> 00:20:24,080

like entering the parking lot at the job

415

00:20:28,549 --> 00:20:26,080

i was at at the time thinking about that

416

00:20:29,350 --> 00:20:28,559

dream like man that was crazy why would

417

00:20:32,870 --> 00:20:29,360

that

418

00:20:34,310 --> 00:20:32,880

in real life

419

00:20:35,990 --> 00:20:34,320

and all throughout the day the dream

420

00:20:38,310 --> 00:20:36,000

stuck with me

421

00:20:39,590 --> 00:20:38,320

you know just like that feeling you get

422

00:20:41,669 --> 00:20:39,600

if you've had a dream like that which

423

00:20:43,750 --> 00:20:41,679

i'm sure you've had where the emotions

424

00:20:44,789 --> 00:20:43,760

of the dream just linger and stay with

425

00:20:47,029 --> 00:20:44,799

you

426

00:20:49,669 --> 00:20:47,039

um and that's what was happening with me

427

00:20:52,549 --> 00:20:49,679

all day

428

00:20:55,029 --> 00:20:52,559

and finally it went away

429

00:20:58,950 --> 00:20:55,039

you know and i kind of left it uh

430

00:20:59,990 --> 00:20:58,960

confused and and didn't understand it

431

00:21:02,549 --> 00:21:00,000

so

432

00:21:04,710 --> 00:21:02,559

fast forwarding back to i'm arguing with

433

00:21:06,710 --> 00:21:04,720

my father the next day after you know i

434

00:21:09,430 --> 00:21:06,720

tell them i can't bowl and all that kind

435

00:21:17,270 --> 00:21:11,750

and this is not in person this is like

436

00:21:21,350 --> 00:21:19,190

you know it says some pretty nasty

437

00:21:23,750 --> 00:21:21,360

things were said i'm just gonna say that

438

00:21:25,270 --> 00:21:23,760

and i don't blame him

439

00:21:27,190 --> 00:21:25,280

and

440

00:21:28,710 --> 00:21:27,200

hope he doesn't blame me for anything i

441

00:21:30,549 --> 00:21:28,720

think it was just unprecedented

442

00:21:33,590 --> 00:21:30,559

situation we do love each other and

443

00:21:37,190 --> 00:21:35,110

so anyways

444

00:21:39,110 --> 00:21:37,200

um

445

00:21:41,590 --> 00:21:39,120

i forget who it was but somebody decided

446

00:21:44,470 --> 00:21:41,600

to like a phone call would be a better

447

00:21:46,149 --> 00:21:44,480

idea

448

00:21:47,750 --> 00:21:46,159

right here i'm going to pause again i

449

00:21:50,870 --> 00:21:47,760

know this is complicated but just stay

450

00:21:55,190 --> 00:21:50,880

with me i'm going to pause again

451
00:21:57,750 --> 00:21:55,200
do a couple days before uh this happened

452
00:21:59,430 --> 00:21:57,760
i'm outside smoking a cigarette outside

453
00:22:02,470 --> 00:21:59,440
of the house

454
00:22:03,909 --> 00:22:02,480
and nothing really you know nothing

455
00:22:05,510 --> 00:22:03,919
interesting

456
00:22:07,830 --> 00:22:05,520
just

457
00:22:09,510 --> 00:22:07,840
doing my thing out there take the dogs

458
00:22:11,430 --> 00:22:09,520
out or whatever

459
00:22:13,430 --> 00:22:11,440
i turn around to go back in the house

460
00:22:14,950 --> 00:22:13,440
and for whatever reason i look up like

461
00:22:16,070 --> 00:22:14,960
above the house

462
00:22:17,590 --> 00:22:16,080
and

463
00:22:19,430 --> 00:22:17,600

it's hard for me to describe what it

464

00:22:22,310 --> 00:22:19,440

looked like but it was like a sideways

465

00:22:24,470 --> 00:22:22,320

teardrop with a little bit of a

466

00:22:27,750 --> 00:22:24,480

curve towards the tail

467

00:22:28,710 --> 00:22:27,760

that literally um came in

468

00:22:33,750 --> 00:22:28,720

like

469

00:22:35,350 --> 00:22:33,760

zoomed in and out of

470

00:22:37,110 --> 00:22:35,360

right in front of me it didn't come from

471

00:22:39,110 --> 00:22:37,120

the sky it didn't come from the ground

472

00:22:43,350 --> 00:22:39,120

it came in and out of

473

00:22:46,549 --> 00:22:43,360

this atmosphere or dimension or whatever

474

00:22:49,750 --> 00:22:46,559

um it was a solid wipe with a border

475

00:22:51,830 --> 00:22:49,760

that seemed kind of alive

476
00:22:54,630 --> 00:22:51,840
that was in constant motion the white

477
00:22:57,270 --> 00:22:54,640
was like a material like a real dense

478
00:22:59,590 --> 00:22:57,280
thick foggy white

479
00:23:01,270 --> 00:22:59,600
it was um

480
00:23:03,830 --> 00:23:01,280
it was like that

481
00:23:05,669 --> 00:23:03,840
and it came in and it came out

482
00:23:06,789 --> 00:23:05,679
and i saw it i walked in the house and

483
00:23:09,590 --> 00:23:06,799
i'm thinking like wow that was

484
00:23:10,870 --> 00:23:09,600
incredible but um

485
00:23:14,470 --> 00:23:10,880
i pretty much

486
00:23:19,190 --> 00:23:16,950
never seen anything like that before

487
00:23:21,750 --> 00:23:19,200
it must have been a crazy

488
00:23:23,029 --> 00:23:21,760

shooting star meteor even though like it

489

00:23:25,350 --> 00:23:23,039

was way

490

00:23:27,909 --> 00:23:25,360

my house is like 40 feet high and it

491

00:23:30,310 --> 00:23:27,919

didn't seem like it was much higher

492

00:23:32,470 --> 00:23:30,320

than that you know so either it was

493

00:23:35,270 --> 00:23:32,480

really big and far away or you know

494

00:23:37,029 --> 00:23:35,280

smaller and really close but

495

00:23:38,950 --> 00:23:37,039

you know at arm's length i see that a

496

00:23:41,029 --> 00:23:38,960

lot in the blue book reports right arms

497

00:23:42,789 --> 00:23:41,039

length it was probably the

498

00:23:44,950 --> 00:23:42,799

it sounds cliché after seeing it so many

499

00:23:47,029 --> 00:23:44,960

times but it was probably like

500

00:23:48,549 --> 00:23:47,039

you know i don't know what shape

501
00:23:50,789 --> 00:23:48,559
to say it looked like but it was about

502
00:23:51,990 --> 00:23:50,799
like the size of a football or something

503
00:23:52,320 --> 00:23:52,000
like that

504
00:23:53,430 --> 00:23:52,330
um

505
00:23:54,789 --> 00:23:53,440
[Music]

506
00:23:56,710 --> 00:23:54,799
as far as

507
00:23:59,430 --> 00:23:56,720
you know how it the size of it and how

508
00:24:02,470 --> 00:24:00,149
so

509
00:24:04,230 --> 00:24:02,480
uh that happens

510
00:24:05,590 --> 00:24:04,240
fast forward a couple days argument with

511
00:24:08,390 --> 00:24:05,600
my father

512
00:24:10,470 --> 00:24:08,400
and we decided to have a

513
00:24:12,470 --> 00:24:10,480

uh phone conversation

514

00:24:14,149 --> 00:24:12,480

uh about us

515

00:24:15,029 --> 00:24:14,159

about everything see if that can go

516

00:24:20,310 --> 00:24:15,039

better

517

00:24:22,390 --> 00:24:20,320

lot worse and as we're arguing

518

00:24:24,950 --> 00:24:22,400

over the phone now

519

00:24:29,110 --> 00:24:26,870

i feel like i'm in like almost like an

520

00:24:31,110 --> 00:24:29,120

autopilot like this stuff is coming out

521

00:24:33,269 --> 00:24:31,120

of me and i'm saying this stuff and i'm

522

00:24:34,630 --> 00:24:33,279

watching it happen like outside of my

523

00:24:38,070 --> 00:24:34,640

body

524

00:24:40,230 --> 00:24:38,080

like watching things

525

00:24:42,870 --> 00:24:40,240

happen like i have no say in it like

526

00:24:50,950 --> 00:24:42,880

it's been scripted or it was going to

527

00:24:58,070 --> 00:24:51,750

and

528

00:25:02,310 --> 00:24:59,750

i don't know i'm a terrible i'm a

529

00:25:04,310 --> 00:25:02,320

terrible drawer

530

00:25:09,269 --> 00:25:04,320

but uh i'll i'll try to do it at some

531

00:25:12,549 --> 00:25:11,110

and as this happens and and we're right

532

00:25:18,390 --> 00:25:12,559

in the middle of it i'm thinking like

533

00:25:22,549 --> 00:25:20,149

you know that dream from two years ago

534

00:25:27,590 --> 00:25:22,559

just struck me like a ton of bricks and

535

00:25:27,600 --> 00:25:30,470

you know

536

00:25:34,950 --> 00:25:32,950

so anyways we get through that and

537

00:25:38,230 --> 00:25:34,960

either that night or the day after a

538

00:25:40,549 --> 00:25:38,240

couple days after whatever

539

00:25:42,390 --> 00:25:40,559

i'm outside again smoking a cigarette

540

00:25:43,990 --> 00:25:42,400

this time instead of

541

00:25:46,870 --> 00:25:44,000

you know about to walk into the house

542

00:25:49,269 --> 00:25:46,880

i'm looking towards the garage

543

00:25:50,549 --> 00:25:49,279

you know just just looking no nothing

544

00:25:54,789 --> 00:25:50,559

fancy

545

00:25:59,269 --> 00:25:57,190

you know this is probably the weirdest

546

00:26:01,510 --> 00:25:59,279

part of all of it to me like just think

547

00:26:03,190 --> 00:26:01,520

of the physical aspect of this other

548

00:26:06,149 --> 00:26:03,200

than like the dream coming true around

549

00:26:08,230 --> 00:26:06,159

these sightings these two like sandwich

550

00:26:12,310 --> 00:26:08,240

sightings

551
00:26:12,320 --> 00:26:16,390
it's like a straight sharp like

552
00:26:20,149 --> 00:26:18,070
and i knew

553
00:26:21,190 --> 00:26:20,159
for whatever reason that if i kept

554
00:26:22,710 --> 00:26:21,200
looking

555
00:26:23,750 --> 00:26:22,720
in that direction where that light was

556
00:26:25,909 --> 00:26:23,760
going

557
00:26:28,950 --> 00:26:25,919
over my shoulder i was gonna see the

558
00:26:30,390 --> 00:26:28,960
same thing i saw a couple days earlier

559
00:26:34,149 --> 00:26:30,400
sure enough

560
00:26:36,390 --> 00:26:34,159
here it comes the same exact texture

561
00:26:39,269 --> 00:26:36,400
everything fluid motion

562
00:26:40,549 --> 00:26:39,279
um like it wasn't like a stagnant thing

563
00:26:43,190 --> 00:26:40,559

it was like

564

00:26:46,070 --> 00:26:43,200

whatever it was made of was was moving

565

00:26:49,269 --> 00:26:46,080

and there was a border around it

566

00:26:50,789 --> 00:26:49,279

that was moving

567

00:26:53,110 --> 00:26:50,799

and this was like the size of a

568

00:26:54,789 --> 00:26:53,120

basketball and i was about 13 feet away

569

00:26:58,870 --> 00:26:54,799

from my garage and it seemed like it was

570

00:27:03,029 --> 00:27:01,350

and went like on the other side of it

571

00:27:07,350 --> 00:27:03,039

and disappeared but there was nothing

572

00:27:13,029 --> 00:27:10,230

so you know i have these two sightings

573

00:27:14,470 --> 00:27:13,039

you know in the middle of it um

574

00:27:19,110 --> 00:27:14,480

you know the argument and the dream

575

00:27:22,389 --> 00:27:20,789

so

576
00:27:23,909 --> 00:27:22,399
that was just pure shocking for me and

577
00:27:26,389 --> 00:27:23,919
ever since then like

578
00:27:28,470 --> 00:27:26,399
my paradigm was shifted

579
00:27:30,470 --> 00:27:28,480
onto logical shock

580
00:27:33,269 --> 00:27:30,480
at that time

581
00:27:35,190 --> 00:27:33,279
trying to figure out how all this is

582
00:27:37,430 --> 00:27:35,200
happening together why am i seeing this

583
00:27:40,149 --> 00:27:37,440
stuff why is this happening what's this

584
00:27:42,710 --> 00:27:40,159
cove the thing with my dad like

585
00:27:44,950 --> 00:27:42,720
the house like the show's canceled i'm

586
00:27:48,710 --> 00:27:44,960
not playing music anymore

587
00:27:53,350 --> 00:27:48,720
um it was crazy

588
00:27:53,360 --> 00:27:56,070

so

589

00:28:00,789 --> 00:27:58,389

um that happens and you know and then

590

00:28:04,470 --> 00:28:00,799

i've seen stuff a coup a few things

591

00:28:08,389 --> 00:28:06,470

uh was with my wife my wife actually

592

00:28:10,149 --> 00:28:08,399

mentioned it came

593

00:28:10,789 --> 00:28:10,159

on her way home she mentioned it there

594

00:28:13,110 --> 00:28:10,799

was

595

00:28:14,549 --> 00:28:13,120

a bunch of orbs in the sky but she you

596

00:28:16,310 --> 00:28:14,559

know isn't into this stuff she just

597

00:28:18,230 --> 00:28:16,320

wants it she says you want to see some

598

00:28:21,669 --> 00:28:18,240

weird things go outside i meet her in

599

00:28:25,830 --> 00:28:21,679

the backyard and there are these

600

00:28:29,990 --> 00:28:26,950

red

601
00:28:31,669 --> 00:28:30,000
orange amber orbs going directly over

602
00:28:33,269 --> 00:28:31,679
our house

603
00:28:36,710 --> 00:28:33,279
that wind up going up in the sky and

604
00:28:41,029 --> 00:28:38,950
so that was weird

605
00:28:42,789 --> 00:28:41,039
other than that

606
00:28:44,789 --> 00:28:42,799
and then i've seen some things just on

607
00:28:46,710 --> 00:28:44,799
my own like a bunch of white orbs

608
00:28:48,470 --> 00:28:46,720
popping out of a cloud

609
00:28:51,430 --> 00:28:48,480
one after the other

610
00:28:54,230 --> 00:28:51,440
those two i have videos of as well by

611
00:28:54,240 --> 00:28:57,190
um

612
00:29:02,149 --> 00:29:00,149
so yeah i mean that's about it and then

613
00:29:03,110 --> 00:29:02,159

you know as far as experiences goes a

614

00:29:05,669 --> 00:29:03,120

lot

615

00:29:09,669 --> 00:29:05,679

of weird things happen that are hard to

616

00:29:11,510 --> 00:29:09,960

um

617

00:29:14,549 --> 00:29:11,520

[Music]

618

00:29:17,669 --> 00:29:14,559

like i had a owl thing happen around my

619

00:29:19,029 --> 00:29:17,679

uncle's uh passing that

620

00:29:20,789 --> 00:29:19,039

i wound up kind of having a weird

621

00:29:22,950 --> 00:29:20,799

premonition about that

622

00:29:25,750 --> 00:29:22,960

so

623

00:29:28,389 --> 00:29:25,760

yeah i've had a lot of uh

624

00:29:32,310 --> 00:29:28,399

odd dreams and i'm having odd dreams now

625

00:29:35,029 --> 00:29:32,320

too yeah but nothing like that

626

00:29:36,710 --> 00:29:35,039

involving my family

627

00:29:38,470 --> 00:29:36,720

i appreciate it shelly it's just like

628

00:29:41,350 --> 00:29:38,480

talking about it again

629

00:29:43,110 --> 00:29:41,360

brings up back the ontological shock so

630

00:29:45,350 --> 00:29:43,120

to speak like it's hard to talk about

631

00:29:46,230 --> 00:29:45,360

and not be shocked as i'm talking about

632

00:29:51,269 --> 00:29:46,240

it

633

00:29:53,510 --> 00:29:51,279

you know so once i'm not i'm i'm good so

634

00:29:55,590 --> 00:29:53,520

um and i can tell you about some of the

635

00:29:58,149 --> 00:29:55,600

dreams at some point

636

00:30:03,110 --> 00:30:01,510

i do want to and this might be hard but

637

00:30:04,870 --> 00:30:03,120

i want to

638

00:30:06,950 --> 00:30:04,880

transition

639

00:30:10,870 --> 00:30:06,960

and

640

00:30:16,389 --> 00:30:12,230

um

641

00:30:18,389 --> 00:30:16,399

and at some point yeah i can show you

642

00:30:20,070 --> 00:30:18,399

like the videos maybe you know tomorrow

643

00:30:23,269 --> 00:30:20,080

or a different day they're not the best

644

00:30:25,029 --> 00:30:23,279

videos and i hate

645

00:30:26,310 --> 00:30:25,039

you know even showing them because i

646

00:30:28,389 --> 00:30:26,320

know what's going through so many

647

00:30:31,029 --> 00:30:28,399

people's heads already i mean the the

648

00:30:32,310 --> 00:30:31,039

orb video to me is uh pretty freaking

649

00:30:37,110 --> 00:30:32,320

great

650

00:30:40,950 --> 00:30:39,909

but you know that's what it is

651
00:30:42,470 --> 00:30:40,960
and

652
00:30:44,149 --> 00:30:42,480
they're both actually

653
00:30:46,230 --> 00:30:44,159
pretty good but you know it comes down

654
00:30:48,310 --> 00:30:46,240
to the same thing like you have to

655
00:30:51,110 --> 00:30:48,320
you know be open to

656
00:30:52,950 --> 00:30:51,120
um not just

657
00:30:54,470 --> 00:30:52,960
you know seeing things that you can

658
00:30:55,830 --> 00:30:54,480
explain as

659
00:30:57,990 --> 00:30:55,840
um

660
00:31:00,710 --> 00:30:58,000
you know uh lanterns

661
00:31:03,029 --> 00:31:00,720
chinese lanterns which is uh just

662
00:31:06,149 --> 00:31:03,039
ridiculous when i show you that video at

663
00:31:11,029 --> 00:31:08,470

so yeah i've had a lot of apocalyptic

664

00:31:13,269 --> 00:31:11,039

dreams man

665

00:31:15,430 --> 00:31:13,279

definitely not so much now but yeah i've

666

00:31:17,350 --> 00:31:15,440

had a bunch of them in

667

00:31:18,549 --> 00:31:17,360

in my life

668

00:31:19,590 --> 00:31:18,559

so many

669

00:31:22,310 --> 00:31:19,600

like

670

00:31:26,149 --> 00:31:22,320

shocking apocalyptic dreams most

671

00:31:28,950 --> 00:31:27,909

but

672

00:31:32,470 --> 00:31:28,960

you know

673

00:31:37,590 --> 00:31:32,480

um i haven't had any like that

674

00:31:42,549 --> 00:31:40,870

in years to be honest

675

00:31:48,500 --> 00:31:42,559

so

676

00:31:53,509 --> 00:31:52,470

[Laughter]

677

00:31:55,029 --> 00:31:53,519

so

678

00:31:56,470 --> 00:31:55,039

i had a couple documents i wanted to

679

00:31:57,590 --> 00:31:56,480

show you

680

00:32:00,389 --> 00:31:57,600

first

681

00:32:02,310 --> 00:32:00,399

is this one

682

00:32:03,590 --> 00:32:02,320

this is

683

00:32:06,549 --> 00:32:03,600

the sighting

684

00:32:08,630 --> 00:32:06,559

of clarence kelly

685

00:32:09,909 --> 00:32:08,640

uh johnson i think

686

00:32:14,549 --> 00:32:09,919

his name is

687

00:32:17,990 --> 00:32:14,559

so i think i put the article in the uh

688

00:32:20,230 --> 00:32:18,000

description of this video it came off on

689

00:32:21,750 --> 00:32:20,240

the hill i found it

690

00:32:24,149 --> 00:32:21,760

because like christopher mellon

691

00:32:26,870 --> 00:32:24,159

retweeted or something and they had

692

00:32:28,630 --> 00:32:26,880

mentioned um a trend or at least

693

00:32:30,789 --> 00:32:28,640

sightings on the west coast of

694

00:32:32,389 --> 00:32:30,799

california one of them being this uh

695

00:32:34,310 --> 00:32:32,399

lockheed

696

00:32:36,710 --> 00:32:34,320

guy

697

00:32:41,509 --> 00:32:36,720

so you know what being back in the 50s i

698

00:32:44,310 --> 00:32:41,519

was like uh if that's true i can find it

699

00:32:45,669 --> 00:32:44,320

because you know me i'm all up in these

700

00:32:47,430 --> 00:32:45,679

decades

701
00:32:50,230 --> 00:32:47,440
so it wasn't the easiest actually to

702
00:32:52,149 --> 00:32:50,240
find though i looked up santa cruz

703
00:32:53,509 --> 00:32:52,159
i looked up san jose looked up

704
00:32:55,269 --> 00:32:53,519
california

705
00:32:57,110 --> 00:32:55,279
i'm trying to find it and i can't find

706
00:32:58,070 --> 00:32:57,120
it

707
00:32:59,590 --> 00:32:58,080
but

708
00:33:02,230 --> 00:32:59,600
because then uh you got to find a

709
00:33:04,630 --> 00:33:02,240
specific date too like december 16th

710
00:33:07,350 --> 00:33:04,640
1953 you know what i mean

711
00:33:11,669 --> 00:33:07,360
um it's not like you can just type in

712
00:33:14,549 --> 00:33:11,679
lockheed guy december 16th 1953 find it

713
00:33:15,669 --> 00:33:14,559

you know so i had to put in a little bit

714

00:33:17,430 --> 00:33:15,679

of work here

715

00:33:19,350 --> 00:33:17,440

and

716

00:33:21,110 --> 00:33:19,360

so after trying to do a couple different

717

00:33:22,950 --> 00:33:21,120

searches and and looking that way and

718

00:33:26,149 --> 00:33:22,960

not coming up with anything i was about

719

00:33:29,430 --> 00:33:26,159

to give up but i had one more idea and

720

00:33:29,780 --> 00:33:29,440

what it was was to go to

721

00:33:31,269 --> 00:33:29,790

um

722

00:33:32,789 --> 00:33:31,279

[Music]

723

00:33:35,430 --> 00:33:32,799

my website

724

00:33:37,029 --> 00:33:35,440

which is a great resource and you can go

725

00:33:39,430 --> 00:33:37,039

to

726

00:33:43,590 --> 00:33:39,440

um all sightings so i have all the blue

727

00:33:44,950 --> 00:33:43,600

book lists of all sightings from 47 to

728

00:33:47,029 --> 00:33:44,960

69

729

00:33:49,509 --> 00:33:47,039

and i'm like well i'll just go there and

730

00:33:51,029 --> 00:33:49,519

i'll look at the date and see what was

731

00:33:52,950 --> 00:33:51,039

going on

732

00:33:56,710 --> 00:33:52,960

and i go there

733

00:34:00,470 --> 00:33:56,720

to december 1953 check it out

734

00:34:02,149 --> 00:34:00,480

16th sure is shoot there it is

735

00:34:04,630 --> 00:34:02,159

there's a sighting and it even says

736

00:34:06,549 --> 00:34:04,640

lockheed personnel on it i'm like

737

00:34:10,230 --> 00:34:06,559

okay i found it

738

00:34:13,109 --> 00:34:10,240

so what city was this in the city

739

00:34:15,270 --> 00:34:13,119

was how i found it so is i don't know if

740

00:34:17,349 --> 00:34:15,280

i can even pronounce it correctly but

741

00:34:18,629 --> 00:34:17,359

it's askagoula or something we'll get to

742

00:34:23,829 --> 00:34:18,639

that

743

00:34:25,669 --> 00:34:23,839

eventually finding out the actual city

744

00:34:28,710 --> 00:34:25,679

it was in so then i could do a search

745

00:34:31,750 --> 00:34:28,720

for that and find the relevant case file

746

00:34:34,710 --> 00:34:31,760

in the archives and boom here it is

747

00:34:36,950 --> 00:34:34,720

you always don't get that lucky a lot of

748

00:34:39,109 --> 00:34:36,960

times it's hard to find

749

00:34:41,589 --> 00:34:39,119

uh specific cases like that when you're

750

00:34:43,990 --> 00:34:41,599

looking for something specific like that

751
00:34:45,829 --> 00:34:44,000
it's not always the easiest but

752
00:34:49,190 --> 00:34:45,839
i got there

753
00:34:51,510 --> 00:34:49,200
so yeah here we go

754
00:34:53,030 --> 00:34:51,520
um now there's a few documents to this

755
00:34:56,470 --> 00:34:53,040
one

756
00:34:58,550 --> 00:34:56,480
um is

757
00:35:00,550 --> 00:34:58,560
this lieutenant general of the united

758
00:35:02,550 --> 00:35:00,560
states air force deal put you might have

759
00:35:05,270 --> 00:35:02,560
even read this already by now but

760
00:35:06,790 --> 00:35:05,280
because it's been up here um to colonel

761
00:35:08,069 --> 00:35:06,800
george

762
00:35:10,390 --> 00:35:08,079
wharton biker

763
00:35:12,270 --> 00:35:10,400

commander of eight tick how many times

764

00:35:15,589 --> 00:35:12,280

we've talked about that on the show

765

00:35:18,710 --> 00:35:15,599

atic a tick right

766

00:35:20,150 --> 00:35:18,720

i'm in closing a report prepared by

767

00:35:23,589 --> 00:35:20,160

it's blacked out but we know at this

768

00:35:25,430 --> 00:35:23,599

point that it is uh clearance

769

00:35:27,510 --> 00:35:25,440

of lockheed chief engineer of lockheed

770

00:35:29,910 --> 00:35:27,520

aircraft corporation and some of his

771

00:35:32,150 --> 00:35:29,920

associates so this was a a two-part

772

00:35:33,190 --> 00:35:32,160

sighting he saw something once on his

773

00:35:35,910 --> 00:35:33,200

own

774

00:35:37,750 --> 00:35:35,920

and i'll just tell you this part is he

775

00:35:41,270 --> 00:35:37,760

was going to his vacation house

776

00:35:43,109 --> 00:35:41,280

basically with his wife and as he's

777

00:35:45,349 --> 00:35:43,119

walking up like the walkway or whatever

778

00:35:47,349 --> 00:35:45,359

he wounds up seeing

779

00:35:50,069 --> 00:35:47,359

you know this thing that he thought was

780

00:35:51,510 --> 00:35:50,079

a cloud but then it was staying put it

781

00:35:53,270 --> 00:35:51,520

was black in front of the sun he

782

00:35:55,430 --> 00:35:53,280

couldn't figure it out there were sharp

783

00:35:56,630 --> 00:35:55,440

edges to it that didn't change

784

00:36:05,190 --> 00:35:56,640

and

785

00:36:06,470 --> 00:36:05,200

where his

786

00:36:08,710 --> 00:36:06,480

um

787

00:36:11,349 --> 00:36:08,720

colleagues come in

788

00:36:13,349 --> 00:36:11,359

for the second sighting

789

00:36:15,190 --> 00:36:13,359

so some of his associates

790

00:36:17,109 --> 00:36:15,200

regarding a flag saucer incident this

791

00:36:18,230 --> 00:36:17,119

report was handed to me by lockheed

792

00:36:22,310 --> 00:36:18,240

personnel

793

00:36:28,069 --> 00:36:26,630

so this is pretty interesting

794

00:36:30,230 --> 00:36:28,079

um

795

00:36:31,430 --> 00:36:30,240

wait a minute yeah with the explanation

796

00:36:35,109 --> 00:36:31,440

that

797

00:36:37,349 --> 00:36:35,119

uh mr johnson was most reluctant

798

00:36:40,390 --> 00:36:37,359

reluctant to write the report in the

799

00:36:42,230 --> 00:36:40,400

first place then refuse to forward it on

800

00:36:44,950 --> 00:36:42,240

to you because of his belief that those

801
00:36:49,190 --> 00:36:44,960
who profess to have seen flank saucers

802
00:36:55,829 --> 00:36:52,550
logical and practical hard-headed what

803
00:36:57,990 --> 00:36:55,839
are not usually considered to be logical

804
00:36:59,589 --> 00:36:58,000
and practical hard-headed engineers

805
00:37:02,790 --> 00:36:59,599
however i thought you should have the

806
00:37:05,270 --> 00:37:02,800
report for whatever value it may be in

807
00:37:06,630 --> 00:37:05,280
your overall studies

808
00:37:08,630 --> 00:37:06,640
interesting

809
00:37:12,069 --> 00:37:08,640
so we have a lockheed

810
00:37:17,430 --> 00:37:15,589
who doesn't even want to do this

811
00:37:21,349 --> 00:37:17,440
has had these

812
00:37:26,310 --> 00:37:21,359
uh sightings still does it anyways like

813
00:37:34,470 --> 00:37:29,030

you know i mean and you add this on to

814

00:37:38,870 --> 00:37:36,790

you know uh citizens

815

00:37:41,750 --> 00:37:38,880

general citizens who have seen all these

816

00:37:46,790 --> 00:37:43,589

and they're they don't fit the cliché

817

00:37:48,710 --> 00:37:46,800

bill of uh kooky wackadoodles who just

818

00:37:50,550 --> 00:37:48,720

want flying saucers and aliens to be

819

00:37:55,109 --> 00:37:50,560

real so bad that they see them in the

820

00:37:59,670 --> 00:37:57,270

a lot of the times i would say you know

821

00:38:00,950 --> 00:37:59,680

it's hard it's impossible to say but so

822

00:38:03,589 --> 00:38:00,960

many

823

00:38:05,510 --> 00:38:03,599

times these are people that are recorded

824

00:38:07,750 --> 00:38:05,520

as reliable people

825

00:38:12,069 --> 00:38:07,760

um upstanding people

826

00:38:13,750 --> 00:38:12,079

more often than not probably 90 to 10.

827

00:38:16,310 --> 00:38:13,760

these people in blue book are reported

828

00:38:19,270 --> 00:38:16,320

as great people uh other people in the

829

00:38:21,109 --> 00:38:19,280

communities you know basically

830

00:38:22,710 --> 00:38:21,119

talk about how great and reliable they

831

00:38:24,790 --> 00:38:22,720

are and how they're not

832

00:38:27,030 --> 00:38:24,800

uh one for flights of fancy and i'm not

833

00:38:29,030 --> 00:38:27,040

making this up

834

00:38:35,430 --> 00:38:29,040

you know and you can look for it look at

835

00:38:40,390 --> 00:38:37,589

and there's so many examples of people

836

00:38:43,510 --> 00:38:40,400

that you know the world

837

00:38:46,150 --> 00:38:43,520

thinks are you know reliable

838

00:38:49,990 --> 00:38:46,160

like um you know air force pilots and

839

00:38:54,150 --> 00:38:50,000

this this guy who we use their cases you

840

00:38:58,950 --> 00:38:55,510

but that's just because they have these

841

00:39:05,750 --> 00:39:01,670

and by way you know no way shape or form

842

00:39:12,069 --> 00:39:08,630

incredible uh witnesses you know most

843

00:39:17,190 --> 00:39:14,950

it's just the ones that aren't

844

00:39:18,069 --> 00:39:17,200

that are pushed to the forefront that

845

00:39:25,270 --> 00:39:18,079

really

846

00:39:29,349 --> 00:39:27,670

interesting enclosure is made up of a

847

00:39:31,109 --> 00:39:29,359

number of reports concerning the

848

00:39:34,230 --> 00:39:31,119

sighting of a so-called flying saucer on

849

00:39:37,109 --> 00:39:34,240

the 16th of december 1953.

850

00:39:39,349 --> 00:39:37,119

uh the reports are self-explanatory only

851
00:39:41,990 --> 00:39:39,359
one copy of the map is attached

852
00:39:43,829 --> 00:39:42,000
indicating generally well this device

853
00:39:45,990 --> 00:39:43,839
was seen

854
00:39:48,550 --> 00:39:46,000
this information has not been released

855
00:39:51,270 --> 00:39:48,560
to the press but is submitted for such

856
00:39:53,190 --> 00:39:51,280
scientific purposes as your group may be

857
00:39:55,349 --> 00:39:53,200
concerned with your comments on the

858
00:39:56,550 --> 00:39:55,359
sightings reported will be very much

859
00:39:58,550 --> 00:39:56,560
appreciated

860
00:40:00,150 --> 00:39:58,560
signed lockheed aircraft corporation

861
00:40:07,829 --> 00:40:00,160
california division

862
00:40:11,910 --> 00:40:09,910
and by the way he brings up the youtube

863
00:40:13,990 --> 00:40:11,920

program he felt this clearance guy was

864

00:40:16,630 --> 00:40:14,000

you know

865

00:40:19,430 --> 00:40:16,640

the u2 guy

866

00:40:19,440 --> 00:40:22,710

you know there you go

867

00:40:28,390 --> 00:40:24,790

so this is kind of explaining his first

868

00:40:30,870 --> 00:40:28,400

sighting um december 16th 1953 my wife

869

00:40:31,910 --> 00:40:30,880

and i went out to the ranch

870

00:40:33,829 --> 00:40:31,920

um

871

00:40:36,150 --> 00:40:33,839

agura there it is and by the way you can

872

00:40:37,510 --> 00:40:36,160

go on my website and

873

00:40:39,510 --> 00:40:37,520

witness

874

00:40:41,270 --> 00:40:39,520

and that's like the last post i have are

875

00:40:48,150 --> 00:40:41,280

these actual files so you can get them

876

00:40:52,309 --> 00:40:50,390

if you you know want to take time into

877

00:40:54,630 --> 00:40:52,319

reading these more thoroughly as you

878

00:40:56,390 --> 00:40:54,640

know i'm not gonna

879

00:40:58,069 --> 00:40:56,400

go through

880

00:41:01,750 --> 00:40:58,079

that and do that i kind of gave you a

881

00:41:03,750 --> 00:41:01,760

synopsis with the wife and how that went

882

00:41:05,670 --> 00:41:03,760

interesting here the hill article

883

00:41:09,030 --> 00:41:05,680

actually did a good job as far as

884

00:41:10,710 --> 00:41:09,040

accuracy as quoting the story

885

00:41:13,430 --> 00:41:10,720

they mentioned the hovering and how it

886

00:41:15,270 --> 00:41:13,440

was explained in extreme detail and

887

00:41:17,430 --> 00:41:15,280

you know when i read this

888

00:41:20,550 --> 00:41:17,440

yeah totally

889

00:41:20,560 --> 00:41:24,230

even did a drawing

890

00:41:29,670 --> 00:41:27,030

pretty cool uh this part is weird is

891

00:41:31,109 --> 00:41:29,680

like those boomerang flying wing reports

892

00:41:32,790 --> 00:41:31,119

which are

893

00:41:36,309 --> 00:41:32,800

uh not

894

00:41:41,349 --> 00:41:39,510

um kenneth arnold's sighting was

895

00:41:43,990 --> 00:41:41,359

you know he described it somewhat like

896

00:41:47,750 --> 00:41:46,150

um there was a sighting in australia i

897

00:41:49,670 --> 00:41:47,760

was looking at not too long ago that was

898

00:41:51,670 --> 00:41:49,680

described somewhat like this

899

00:41:52,870 --> 00:41:51,680

when these are decades apart

900

00:41:57,589 --> 00:41:52,880

as well

901

00:41:57,599 --> 00:42:03,990

very interesting

902

00:42:09,589 --> 00:42:07,270

so this is the other part of the citing

903

00:42:11,910 --> 00:42:09,599

his second signing which this guy was

904

00:42:13,990 --> 00:42:11,920

just getting bombarded by the way

905

00:42:16,630 --> 00:42:14,000

um he says on wednesday just

906

00:42:20,230 --> 00:42:16,640

oh you wanted a different voice

907

00:42:23,270 --> 00:42:20,240

on wednesday december 16 1953

908

00:42:27,589 --> 00:42:23,280

in a test flight of a navy super

909

00:42:30,390 --> 00:42:27,599

constellation wv2 taking off at 4 29 p.m

910

00:42:33,270 --> 00:42:30,400

the flight crew consisted of pilot

911

00:42:39,510 --> 00:42:33,280

co-pilot flight test engineer now all of

912

00:42:44,710 --> 00:42:41,990

i can't keep it specific

913

00:42:47,349 --> 00:42:44,720

or consistent so we cli

914

00:42:55,190 --> 00:42:47,359

we climbed out towards it no see now i'm

915

00:42:59,670 --> 00:42:57,349

we climbed down towards the ocean

916

00:43:02,309 --> 00:42:59,680

leveled off at 10 000 feet for a short

917

00:43:04,390 --> 00:43:02,319

test after completing this test to turn

918

00:43:07,109 --> 00:43:04,400

the controls over to me and i started

919

00:43:09,430 --> 00:43:07,119

climbing to our next test

920

00:43:12,950 --> 00:43:09,440

altitude of 20 000 feet i climbed

921

00:43:15,750 --> 00:43:12,960

through a very thin scattered overcast

922

00:43:18,309 --> 00:43:15,760

somewhere around fourteen thousand feet

923

00:43:20,390 --> 00:43:18,319

avoided a couple of small clouds and

924

00:43:27,510 --> 00:43:20,400

continued to climb towards twenty

925

00:43:33,990 --> 00:43:30,950

somewhere between 15 and 20 000 feet

926
00:43:35,190 --> 00:43:34,000
said uh to me look out there's a flying

927
00:43:37,510 --> 00:43:35,200
saucer

928
00:43:39,349 --> 00:43:37,520
i looked at the windshield towards uh

929
00:43:41,670 --> 00:43:39,359
where roy was

930
00:43:43,829 --> 00:43:41,680
and where he was pointing and saw some

931
00:43:48,309 --> 00:43:43,839
sort of an object approximately the

932
00:43:52,550 --> 00:43:50,470
i made a slight turn ahead right towards

933
00:43:55,430 --> 00:43:52,560
the object and i mean you can read this

934
00:43:57,670 --> 00:43:55,440
for yourself so it gets pretty pretty

935
00:43:58,950 --> 00:43:57,680
intense it he actually goes towards it

936
00:43:59,910 --> 00:43:58,960
after it

937
00:44:01,430 --> 00:43:59,920
and

938
00:44:02,710 --> 00:44:01,440

it

939

00:44:06,230 --> 00:44:02,720

you know just like so many of these

940

00:44:06,240 --> 00:44:11,750

they don't stand a chance

941

00:44:15,589 --> 00:44:13,349

you know and you know he tries to

942

00:44:17,750 --> 00:44:15,599

explain it away in his head like most of

943

00:44:19,349 --> 00:44:17,760

us do when we see this stuff like i just

944

00:44:21,190 --> 00:44:19,359

told you my story where i was trying to

945

00:44:22,630 --> 00:44:21,200

explain the thing away

946

00:44:25,270 --> 00:44:22,640

um

947

00:44:26,550 --> 00:44:25,280

you know he thought it was a cloud

948

00:44:29,510 --> 00:44:26,560

but

949

00:44:32,069 --> 00:44:29,520

it had two definite sharp edges in

950

00:44:34,710 --> 00:44:32,079

appearance stayed constant it looked to

951
00:44:37,270 --> 00:44:34,720
me like i was fine right directly

952
00:44:39,670 --> 00:44:37,280
towards and at

953
00:44:42,470 --> 00:44:39,680
with the same elevation

954
00:44:45,589 --> 00:44:42,480
as a very large flying wing airplane

955
00:44:47,589 --> 00:44:45,599
i would estimate at this time that i was

956
00:44:52,309 --> 00:44:47,599
somewhere between seventeen thousand and

957
00:44:58,470 --> 00:44:55,829
although the object looks stationary um

958
00:45:03,190 --> 00:44:58,480
we it did not seem to be closing the gap

959
00:45:08,870 --> 00:45:05,109
yeah well that's kind of how it goes mr

960
00:45:15,990 --> 00:45:11,190
that's how it goes it's how all these

961
00:45:16,000 --> 00:45:22,710
yes he's a total ripper

962
00:45:28,790 --> 00:45:25,349
yeah found these documents by going on a

963
00:45:28,800 --> 00:45:31,750

all right

964

00:45:34,309 --> 00:45:32,390

so

965

00:45:36,710 --> 00:45:34,319

and then this is pretty much you know

966

00:45:39,829 --> 00:45:36,720

the the following stuff how he tells his

967

00:45:41,349 --> 00:45:39,839

family about this stuff and goes to work

968

00:45:45,190 --> 00:45:41,359

and

969

00:45:46,870 --> 00:45:45,200

skeptical of

970

00:45:51,190 --> 00:45:46,880

flying saucer reports and all that kind

971

00:45:56,790 --> 00:45:53,589

leads me to believe that it was not

972

00:46:00,870 --> 00:45:56,800

exactly an illusion i observed pretty

973

00:46:04,390 --> 00:46:02,069

so

974

00:46:06,150 --> 00:46:04,400

it's pretty good then you get another um

975

00:46:08,230 --> 00:46:06,160

testimony from the other pilot that you

976
00:46:09,750 --> 00:46:08,240
can look into as well

977
00:46:13,190 --> 00:46:09,760
again

978
00:46:14,950 --> 00:46:13,200
witness citizen dot com

979
00:46:16,470 --> 00:46:14,960
and you can check that out

980
00:46:18,630 --> 00:46:16,480
i guess i should make like maybe a

981
00:46:21,750 --> 00:46:18,640
banner or something so because it's

982
00:46:23,270 --> 00:46:21,760
probably hard to remember that right

983
00:46:29,990 --> 00:46:23,280
witness

984
00:46:30,000 --> 00:46:37,109
[Laughter]

985
00:46:41,270 --> 00:46:39,510
yeah so i'll save that i'll save that

986
00:46:43,990 --> 00:46:41,280
banner for you all so you can just go

987
00:46:46,550 --> 00:46:44,000
check it out on your own meantime

988
00:46:48,710 --> 00:46:46,560

check out the files got a clarence

989

00:46:50,309 --> 00:46:48,720

here's my southern voice i found it

990

00:46:51,829 --> 00:46:50,319

you know whenever i want to do the

991

00:46:54,309 --> 00:46:51,839

southern voice i just have to think of

992

00:46:56,550 --> 00:46:54,319

them murder shows when every time

993

00:47:01,670 --> 00:46:56,560

something happens he turned around and

994

00:47:01,680 --> 00:47:05,270

know what i mean

995

00:47:07,510 --> 00:47:06,630

so

996

00:47:13,270 --> 00:47:07,520

as

997

00:47:14,550 --> 00:47:13,280

else to do but to watch the object and

998

00:47:21,990 --> 00:47:14,560

she was dead

999

00:47:27,109 --> 00:47:24,110

that means a lot

1000

00:47:29,109 --> 00:47:27,119

[Laughter]

1001
00:47:30,630 --> 00:47:29,119
thanks there

1002
00:47:31,750 --> 00:47:30,640
she done that

1003
00:47:33,589 --> 00:47:31,760
i mean

1004
00:47:35,349 --> 00:47:33,599
gerald and debbie were getting along

1005
00:47:37,750 --> 00:47:35,359
just fine i just talked to debbie the

1006
00:47:39,109 --> 00:47:37,760
other day turned around she was dead i

1007
00:47:41,030 --> 00:47:39,119
don't know

1008
00:47:42,210 --> 00:47:41,040
that's pretty much how every forensic

1009
00:47:45,589 --> 00:47:42,220
files episode goes

1010
00:47:47,829 --> 00:47:45,599
[Laughter]

1011
00:47:49,349 --> 00:47:47,839
which i unfortunately have to watch way

1012
00:47:53,270 --> 00:47:49,359
too many of those because my wife can't

1013
00:47:56,790 --> 00:47:53,280

fall asleep unless it's on

1014

00:48:00,790 --> 00:47:56,800

so the interesting part of this document

1015

00:48:03,510 --> 00:48:00,800

i'm going to scroll up to the top

1016

00:48:05,349 --> 00:48:03,520

don't freak out

1017

00:48:06,710 --> 00:48:05,359

is

1018

00:48:12,710 --> 00:48:06,720

conclusion

1019

00:48:23,030 --> 00:48:15,829

chief engineer lockheed is reporting

1020

00:48:25,109 --> 00:48:23,910

cool

1021

00:48:27,750 --> 00:48:25,119

you know what's interesting though here

1022

00:48:30,710 --> 00:48:27,760

is physical specimen

1023

00:48:32,069 --> 00:48:30,720

there's nothing marked there's no new or

1024

00:48:35,510 --> 00:48:32,079

yes

1025

00:48:41,030 --> 00:48:38,630

you don't see that very often

1026
00:48:43,349 --> 00:48:41,040
at all

1027
00:48:47,829 --> 00:48:44,790
that's the

1028
00:48:51,109 --> 00:48:49,910
is a pretty interesting one most

1029
00:48:53,109 --> 00:48:51,119
definitely

1030
00:48:55,190 --> 00:48:53,119
and you know for better for worse it

1031
00:48:57,430 --> 00:48:55,200
gets uh all the buzz because of who the

1032
00:49:01,030 --> 00:48:57,440
person is but

1033
00:49:02,390 --> 00:49:01,040
that is not in any way shape or form

1034
00:49:07,190 --> 00:49:02,400
a rare

1035
00:49:11,990 --> 00:49:09,990
they happen all the time

1036
00:49:14,950 --> 00:49:12,000
people been seeing these dude daddies

1037
00:49:17,430 --> 00:49:14,960
all over the sky since 1947

1038
00:49:19,990 --> 00:49:17,440

pilots army boys

1039

00:49:22,390 --> 00:49:20,000

general citizens

1040

00:49:24,790 --> 00:49:22,400

dogs cats

1041

00:49:28,069 --> 00:49:24,800

bananas

1042

00:49:30,230 --> 00:49:28,079

they all see them saucers

1043

00:49:32,309 --> 00:49:30,240

all right i'll keep talking like this

1044

00:49:34,390 --> 00:49:32,319

all day long if i get these

1045

00:49:36,000 --> 00:49:34,400

i got 4.99 super stickers just for

1046

00:49:41,829 --> 00:49:36,010

saying she's dead

1047

00:49:48,309 --> 00:49:43,940

logical hardheaded sean yep

1048

00:49:52,150 --> 00:49:50,230

yep this is this is about right she done

1049

00:49:54,069 --> 00:49:52,160

did it herself yeah

1050

00:49:56,710 --> 00:49:54,079

but you know

1051
00:49:58,390 --> 00:49:56,720
we have our own uber accent up here

1052
00:49:59,510 --> 00:49:58,400
that's for sure you know

1053
00:50:00,950 --> 00:49:59,520
a

1054
00:50:02,309 --> 00:50:00,960
so

1055
00:50:05,349 --> 00:50:02,319
that's natural

1056
00:50:07,670 --> 00:50:05,359
it's a natural accent for me

1057
00:50:09,430 --> 00:50:07,680
so this one is pretty interesting this

1058
00:50:10,710 --> 00:50:09,440
document

1059
00:50:14,710 --> 00:50:10,720
is about

1060
00:50:19,589 --> 00:50:14,720
well it says materi materiella but it's

1061
00:50:25,670 --> 00:50:22,790
and this isn't even like a

1062
00:50:27,430 --> 00:50:25,680
ufo sighting it's this guy is over in

1063
00:50:28,950 --> 00:50:27,440

europa unfortunately his name's blacked

1064

00:50:31,109 --> 00:50:28,960

out maybe we can figure out who it is

1065

00:50:36,710 --> 00:50:31,119

eventually but he gets this piece of

1066

00:50:41,430 --> 00:50:39,349

he turns it in to blue book it's not a

1067

00:50:45,109 --> 00:50:41,440

meteorite

1068

00:50:46,230 --> 00:50:45,119

why is it being made of mostly courts

1069

00:50:48,470 --> 00:50:46,240

but

1070

00:50:50,870 --> 00:50:48,480

what it is made of

1071

00:50:54,390 --> 00:50:50,880

they discuss it possibly being very

1072

00:50:57,589 --> 00:50:54,400

useful in some of their technologies and

1073

00:51:02,150 --> 00:50:59,990

he knows some other people that has

1074

00:51:06,950 --> 00:51:02,160

different kinds of

1075

00:51:12,870 --> 00:51:10,230

you know sneak around and get some

1076
00:51:15,670 --> 00:51:12,880
interesting huh

1077
00:51:17,270 --> 00:51:15,680
so let's get to that

1078
00:51:20,829 --> 00:51:17,280
here's the analysis

1079
00:51:24,150 --> 00:51:20,839
analysis of suspected

1080
00:51:25,589 --> 00:51:24,160
meteorite sergeant moody

1081
00:51:27,589 --> 00:51:25,599
who believe it or not he was the nicest

1082
00:51:30,950 --> 00:51:27,599
guy in the world

1083
00:51:33,670 --> 00:51:30,960
never had a cranky day in his life

1084
00:51:36,950 --> 00:51:33,680
i don't know that but that would be

1085
00:51:40,660 --> 00:51:39,910
sergeant moody nicest deck gone guy i've

1086
00:51:43,910 --> 00:51:40,670
ever met

1087
00:51:45,990 --> 00:51:43,920
[Laughter]

1088
00:51:48,630 --> 00:51:46,000

so you know they do their different

1089

00:51:50,549 --> 00:51:48,640

stuff here whatever it was back in this

1090

00:51:53,030 --> 00:51:50,559

time was probably kind of crappy

1091

00:51:55,109 --> 00:51:53,040

compared to now but x-ray diffraction

1092

00:51:58,390 --> 00:51:55,119

gave no pattern infrared spectrum showed

1093

00:51:59,430 --> 00:51:58,400

no organic material present which is

1094

00:52:02,710 --> 00:51:59,440

interesting

1095

00:52:05,670 --> 00:52:02,720

but so no organic material present but a

1096

00:52:08,309 --> 00:52:05,680

spectrum similar to a inorganic silicate

1097

00:52:10,150 --> 00:52:08,319

so i looked that up a little bit

1098

00:52:11,510 --> 00:52:10,160

you know there's you'll find stuff on

1099

00:52:12,150 --> 00:52:11,520

google but i don't know what the hell it

1100

00:52:14,470 --> 00:52:12,160

is

1101

00:52:18,390 --> 00:52:14,480

it's different

1102

00:52:19,670 --> 00:52:18,400

i don't know coding stuff maybe

1103

00:52:22,069 --> 00:52:19,680

could have helped with their stealth

1104

00:52:24,069 --> 00:52:22,079

stuff if you got any uh

1105

00:52:26,549 --> 00:52:24,079

you know um

1106

00:52:27,829 --> 00:52:26,559

element nerds out there

1107

00:52:32,230 --> 00:52:27,839

check this out

1108

00:52:33,750 --> 00:52:32,240

say what it is i'm sure somebody is

1109

00:52:40,150 --> 00:52:33,760

you know what we're not seeing though is

1110

00:52:47,750 --> 00:52:42,549

yeah but we get special k

1111

00:52:53,589 --> 00:52:50,630

materiella's lab analysis must mean

1112

00:52:56,150 --> 00:52:53,599

yeah i think it's a typo

1113

00:52:59,030 --> 00:52:56,160

believe it or not they do

1114

00:52:59,990 --> 00:52:59,040

um make typos

1115

00:53:01,829 --> 00:53:00,000

you know

1116

00:53:03,910 --> 00:53:01,839

maybe it isn't but

1117

00:53:05,670 --> 00:53:03,920

i'm guessing it is

1118

00:53:09,829 --> 00:53:05,680

by the way paul

1119

00:53:17,990 --> 00:53:12,870

mymalona paul my milona

1120

00:53:18,000 --> 00:53:24,390

so pretty interesting dr s morrissey

1121

00:53:29,430 --> 00:53:27,270

so if anybody out there has any biz or

1122

00:53:31,589 --> 00:53:29,440

information on those two people

1123

00:53:34,950 --> 00:53:31,599

these are gonna be who would be involved

1124

00:53:37,510 --> 00:53:34,960

in some type of exotic material

1125

00:53:39,349 --> 00:53:37,520

that they would get their hands on

1126

00:53:41,270 --> 00:53:39,359

because as we can see

1127

00:53:44,390 --> 00:53:41,280

they're looking at this handed to them

1128

00:53:45,829 --> 00:53:44,400

from somebody from europe by the way

1129

00:53:47,109 --> 00:53:45,839

brought it from europe all the way from

1130

00:53:50,390 --> 00:53:47,119

europe

1131

00:53:54,829 --> 00:53:53,670

yeah quartz is what i was seeing courts

1132

00:54:00,069 --> 00:53:54,839

so i don't know

1133

00:54:04,870 --> 00:54:02,150

glass is interesting emission

1134

00:54:07,349 --> 00:54:04,880

unsuspected meteor right so the most

1135

00:54:09,430 --> 00:54:07,359

interesting kind of part to me here when

1136

00:54:11,670 --> 00:54:09,440

i read this because i don't really know

1137

00:54:12,710 --> 00:54:11,680

much of what i'm looking at as far as

1138

00:54:15,589 --> 00:54:12,720

the

1139

00:54:17,190 --> 00:54:15,599

suspected meteorite materials

1140

00:54:19,190 --> 00:54:17,200

holloman air force base pretty

1141

00:54:20,630 --> 00:54:19,200

interesting

1142

00:54:23,670 --> 00:54:20,640

they completed the analysis they're

1143

00:54:25,510 --> 00:54:23,680

returning the object apparently

1144

00:54:28,870 --> 00:54:25,520

this guy i see quite a bit

1145

00:54:30,870 --> 00:54:28,880

junk whatever eric

1146

00:54:33,750 --> 00:54:30,880

but i want to get down to

1147

00:54:36,630 --> 00:54:33,760

okay so this is interesting

1148

00:54:41,109 --> 00:54:36,640

also is dr ernest steinov

1149

00:54:42,710 --> 00:54:41,119

dr ernest steinhoff uh afmhc chief

1150

00:54:44,789 --> 00:54:42,720

scientist on a recent trip to europe

1151

00:54:46,950 --> 00:54:44,799

that meteorite is

1152

00:54:48,549 --> 00:54:46,960

flying saucer

1153

00:54:51,030 --> 00:54:48,559

on a recent trip to europe picked up a

1154

00:54:53,670 --> 00:54:51,040

small bit of saucer allegedly part of a

1155

00:54:56,069 --> 00:54:53,680

larger flying saucer

1156

00:54:57,589 --> 00:54:56,079

the object plus a translated description

1157

00:55:00,150 --> 00:54:57,599

are forwarded with this letter in the

1158

00:55:01,910 --> 00:55:00,160

event the object is of interest to you

1159

00:55:05,109 --> 00:55:01,920

request you arrange for detailed

1160

00:55:06,710 --> 00:55:05,119

analysis and provide my office mdfc with

1161

00:55:09,190 --> 00:55:06,720

the final report if you are not

1162

00:55:10,870 --> 00:55:09,200

interested please return the object

1163

00:55:13,349 --> 00:55:10,880

we're getting it pretty interesting here

1164

00:55:25,910 --> 00:55:13,359

and enclosures and them over to the

1165

00:55:25,920 --> 00:55:29,990

interesting huh

1166

00:55:30,000 --> 00:55:35,750

pretty interesting

1167

00:55:35,760 --> 00:55:39,109

howard conkey

1168

00:55:44,710 --> 00:55:41,430

socorro new mexico

1169

00:56:00,829 --> 00:55:49,430

can't really tell

1170

00:56:05,910 --> 00:56:03,190

packaging well i don't know maybe

1171

00:56:11,510 --> 00:56:05,920

they're not meteors bob

1172

00:56:16,150 --> 00:56:14,069

now this gets even more interesting

1173

00:56:18,390 --> 00:56:16,160

um it has a degree of hardness six to

1174

00:56:20,950 --> 00:56:18,400

eight contains quartz and in a

1175

00:56:23,990 --> 00:56:20,960

pulverized state can be utilized as a

1176
00:56:26,789 --> 00:56:24,000
safety coating against x-rays and other

1177
00:56:30,789 --> 00:56:28,950
i'm convinced that the examination of

1178
00:56:32,789 --> 00:56:30,799
this specimen could lead to an

1179
00:56:35,430 --> 00:56:32,799
interesting result especially in view of

1180
00:56:38,150 --> 00:56:35,440
the fact that the world's best research

1181
00:56:39,670 --> 00:56:38,160
facilities are at your disposal

1182
00:56:41,349 --> 00:56:39,680
should you have an interest in other

1183
00:56:42,789 --> 00:56:41,359
materials i can also make those

1184
00:56:44,710 --> 00:56:42,799
available to you

1185
00:56:45,510 --> 00:56:44,720
i personally am not in possession of

1186
00:56:47,270 --> 00:56:45,520
these

1187
00:56:50,230 --> 00:56:47,280
meteor stones

1188
00:56:55,510 --> 00:56:50,240

however i can act as the go-between to

1189

00:56:55,520 --> 00:57:05,109

i thought they weren't meteors

1190

00:57:08,150 --> 00:57:06,789

but they weren't meteors

1191

00:57:10,470 --> 00:57:08,160

mr

1192

00:57:11,510 --> 00:57:10,480

we got a translator on deck here

1193

00:57:16,069 --> 00:57:11,520

victor

1194

00:57:16,079 --> 00:57:21,030

interesting too hey like socorro

1195

00:57:21,040 --> 00:57:27,030

new mexico was just

1196

00:57:27,040 --> 00:57:30,950

a few months prior to this

1197

00:57:34,069 --> 00:57:32,870

and they're mentioned

1198

00:57:36,549 --> 00:57:34,079

the mine

1199

00:57:38,230 --> 00:57:36,559

socorro mine school is mentioned in this

1200

00:57:40,230 --> 00:57:38,240

pretty interesting

1201
00:57:43,910 --> 00:57:40,240
europe 12 october case includes physical

1202
00:57:45,270 --> 00:57:43,920
specimen courts in separate folder

1203
00:57:48,549 --> 00:57:45,280
um so yeah

1204
00:57:51,750 --> 00:57:48,559
that is about it

1205
00:57:55,349 --> 00:57:51,760
do you guys want this document

1206
00:57:58,150 --> 00:57:55,359
if you want it i can upload it

1207
00:57:59,670 --> 00:57:58,160
um but that is up to you

1208
00:58:02,150 --> 00:57:59,680
if you don't want it i don't have to

1209
00:58:05,750 --> 00:58:02,160
upload it

1210
00:58:05,760 --> 00:58:10,069
easy for me

1211
00:58:14,309 --> 00:58:11,670
you know

1212
00:58:19,109 --> 00:58:15,430
but

1213
00:58:23,190 --> 00:58:19,119

you know i probably should anyways right

1214

00:58:27,030 --> 00:58:23,200

you guys are gonna want that stuff

1215

00:58:31,589 --> 00:58:30,150

it really depends doesn't it

1216

00:58:34,829 --> 00:58:31,599

who you are

1217

00:58:40,549 --> 00:58:38,390

doing i think for researchers out there

1218

00:58:43,430 --> 00:58:40,559

there could be some

1219

00:58:44,870 --> 00:58:43,440

names or other things

1220

00:58:48,950 --> 00:58:44,880

that could

1221

00:58:53,670 --> 00:58:51,589

at the very least

1222

00:58:56,150 --> 00:58:53,680

so let me

1223

00:58:57,990 --> 00:58:56,160

share that with you

1224

00:59:02,230 --> 00:58:58,000

that's why it pays to be in the live

1225

00:59:08,309 --> 00:59:02,240

checks in the live chats i put the links

1226

00:59:12,390 --> 00:59:10,549

a little bit of a delay huh yeah i don't

1227

00:59:13,910 --> 00:59:12,400

know what's going on my internet

1228

00:59:17,349 --> 00:59:13,920

actually says it's acting pretty good

1229

00:59:19,670 --> 00:59:17,359

right now so i'm not sure what's up

1230

00:59:21,829 --> 00:59:19,680

but we're pretty much finished here

1231

00:59:24,390 --> 00:59:21,839

anyways

1232

00:59:25,430 --> 00:59:24,400

um this is the end of the oh

1233

00:59:27,829 --> 00:59:25,440

yeah

1234

00:59:30,829 --> 00:59:27,839

isn't that interesting air force missile

1235

00:59:36,390 --> 00:59:34,309

center pretty interesting

1236

00:59:38,789 --> 00:59:36,400

pretty interesting

1237

00:59:42,390 --> 00:59:38,799

check that out

1238

00:59:45,030 --> 00:59:42,400

uh share this stuff on the boob tube

1239

00:59:46,549 --> 00:59:45,040

uh like the video

1240

00:59:48,150 --> 00:59:46,559

subscribe

1241

00:59:49,510 --> 00:59:48,160

all that kind of stuff

1242

00:59:51,829 --> 00:59:49,520

um thanks for

1243

00:59:53,589 --> 00:59:51,839

letting me um

1244

00:59:57,030 --> 00:59:53,599

are listening to

1245

00:59:59,750 --> 00:59:57,040

a little bit of my background

1246

01:00:02,069 --> 00:59:59,760

and why i'm here doing what i'm

1247

01:00:05,430 --> 01:00:02,079

why i'm here doing

1248

01:00:05,440 --> 01:00:09,589

i really appreciate you guys um

1249

01:00:15,589 --> 01:00:11,829

let me discuss a little bit of that that

1250

01:00:17,829 --> 01:00:15,599

helps most definitely

1251

01:00:19,190 --> 01:00:17,839

and it's you know good for you to know a

1252

01:00:21,589 --> 01:00:19,200

little bit about me

1253

01:00:27,750 --> 01:00:23,829

i think it's fair

1254

01:00:31,030 --> 01:00:29,270

we did a lot today

1255

01:00:33,190 --> 01:00:31,040

went through a couple cases

1256

01:00:36,150 --> 01:00:33,200

you learned about me

1257

01:00:37,910 --> 01:00:36,160

you saw my new poster

1258

01:00:40,150 --> 01:00:37,920

pretty cool

1259

01:00:41,990 --> 01:00:40,160

definitely

1260

01:00:44,120 --> 01:00:42,000

so

1261

01:00:47,990 --> 01:00:44,130

next time you need leds on your clothes

1262

01:00:53,109 --> 01:00:51,190

i'm not that kind of person but

1263

01:00:56,390 --> 01:00:53,119

i'll think about it all right peace out

1264

01:00:58,789 --> 01:00:56,400

y'all have a great rest of the day i got

1265

01:01:00,789 --> 01:00:58,799

some cool stuff coming up next week

1266

01:01:02,390 --> 01:01:00,799

so keep your eyes on that and you know

1267

01:01:04,789 --> 01:01:02,400

if i find some cool documents you may

1268

01:01:06,150 --> 01:01:04,799

find me back here before then

1269

01:01:08,390 --> 01:01:06,160

um

1270

01:01:10,950 --> 01:01:08,400

and i'm waiting on a confirmation for a

1271

01:01:12,950 --> 01:01:10,960

couple guests so you'll see that as i

1272

01:01:15,349 --> 01:01:12,960

upload it

1273

01:01:16,390 --> 01:01:15,359

but until then or until next time

1274

01:01:20,789 --> 01:01:16,400

saturday

1275

01:01:22,069 --> 01:01:20,799

and we're taking your calls so make sure

1276

01:01:23,910 --> 01:01:22,079

you're available

1277

01:01:26,309 --> 01:01:23,920

and you call otherwise it's going to be

1278

01:01:32,180 --> 01:01:26,319

a bad show
