[Music]

2  
00:02:02,880 --> 00:02:07,270  
what is up everybody

3  
00:02:07,280 --> 00:02:10,469  
happy monday

4  
00:02:17,110 --> 00:02:13,750  
hope your week is starting out okay

5  
00:02:18,550 --> 00:02:17,120  
it's 3 40 central time where i am um so

6  
00:02:20,710 --> 00:02:18,560  
depending on where you are you might

7  
00:02:24,710 --> 00:02:20,720  
have gone through a lot a little

8  
00:02:29,589 --> 00:02:26,309  
either way

9  
00:02:37,190 --> 00:02:32,150  
so

10  
00:02:39,589 --> 00:02:37,200  
that are pretty great

11  
00:02:41,670 --> 00:02:39,599  
um of course

12  
00:02:44,150 --> 00:02:41,680  
you know well you know me i like digging

13  
00:02:47,589 --> 00:02:44,160

for documents and

14

00:02:49,509 --> 00:02:47,599

the last couple things i've found

15

00:02:51,990 --> 00:02:49,519

have been

16

00:02:59,750 --> 00:02:55,509

incorrect folders so to speak

17

00:03:03,110 --> 00:02:59,760

like the socorro new mexico case

18

00:03:06,710 --> 00:03:03,120

i found that in a incorrect folder

19

00:03:08,710 --> 00:03:06,720

that was in a great falls montana folder

20

00:03:12,949 --> 00:03:08,720

oddly enough

21

00:03:15,670 --> 00:03:12,959

and this time i found this in

22

00:03:17,430 --> 00:03:15,680

a folder for louisiana and when i say

23

00:03:19,589 --> 00:03:17,440

folder i mean

24

00:03:21,750 --> 00:03:19,599

the archives so i'm in the archives

25

00:03:23,830 --> 00:03:21,760

looking at blue book files

26

00:03:25,589 --> 00:03:23,840

um and

27

00:03:26,949 --> 00:03:25,599

i click on this one

28

00:03:34,789 --> 00:03:26,959

and

29

00:03:36,470 --> 00:03:34,799

aren't 365 pages what the hell

30

00:03:38,630 --> 00:03:36,480

so i start looking at it and i start

31

00:03:41,670 --> 00:03:38,640

reading it and as i'm going i'm like

32

00:03:45,190 --> 00:03:41,680

holy crap this is amazing

33

00:03:47,350 --> 00:03:45,200

there's a lot of different things in it

34

00:03:49,910 --> 00:03:47,360

um it starts off with a very interesting

35

00:03:51,270 --> 00:03:49,920

case in maine it's a civilian case and

36

00:03:53,509 --> 00:03:51,280

this isn't the one

37

00:03:56,390 --> 00:03:53,519

that i'm highlighting today but

38

00:03:58,710 --> 00:03:56,400

um it's a civilian case and

39

00:04:01,429 --> 00:03:58,720

this guy writes a long letter about

40

00:04:04,390 --> 00:04:01,439

these objects that are attracted to

41

00:04:06,710 --> 00:04:04,400

it's in maine like a jackson cancer

42

00:04:08,229 --> 00:04:06,720

research laboratory

43

00:04:10,710 --> 00:04:08,239

um

44

00:04:13,190 --> 00:04:10,720

and it comes to the laboratory then zips

45

00:04:15,110 --> 00:04:13,200

off to the sea

46

00:04:17,590 --> 00:04:15,120

and he wrote in there that he thought

47

00:04:19,990 --> 00:04:17,600

that these things were attracted to the

48

00:04:22,069 --> 00:04:20,000

high frequency electromagnetic signals

49

00:04:24,629 --> 00:04:22,079

coming from the research laboratory very

50

00:04:26,230 --> 00:04:24,639

interesting um and that'll be in the

51  
00:04:28,310 --> 00:04:26,240  
folder and documents that i share with

52  
00:04:31,830 --> 00:04:28,320  
you so the hardest part of going through

53  
00:04:33,510 --> 00:04:31,840  
this stuff is that it's messy

54  
00:04:35,990 --> 00:04:33,520  
um like

55  
00:04:37,830 --> 00:04:36,000  
the papers are kind of

56  
00:04:40,310 --> 00:04:37,840  
you know

57  
00:04:42,310 --> 00:04:40,320  
disorganized together so i have to go

58  
00:04:44,870 --> 00:04:42,320  
through the i had to go through the 300

59  
00:04:45,909 --> 00:04:44,880  
some pages and pick out which ones were

60  
00:04:47,189 --> 00:04:45,919  
for

61  
00:04:49,510 --> 00:04:47,199  
um the case we're going to go through

62  
00:04:52,550 --> 00:04:49,520  
today which ones aren't all that

63  
00:04:54,310 --> 00:04:52,560

um but so it took me a while but i am

64

00:04:56,710 --> 00:04:54,320

here

65

00:04:59,510 --> 00:04:56,720

and we are going to

66

00:05:03,830 --> 00:04:59,520

nail it for sure

67

00:05:06,550 --> 00:05:05,270

the

68

00:05:09,029 --> 00:05:06,560

what we're really going to cover here

69

00:05:11,590 --> 00:05:09,039

i'm just going to bring it up today it's

70

00:05:15,270 --> 00:05:11,600

most of this happened at the francis e

71

00:05:21,990 --> 00:05:18,070

we have a date of 1965 and what i'm

72

00:05:25,430 --> 00:05:22,000

starting off with here is a

73

00:05:27,990 --> 00:05:25,440

basically a quick synopsis

74

00:05:30,790 --> 00:05:28,000

that was written from the francis warren

75

00:05:33,029 --> 00:05:30,800

air force base

76

00:05:35,749 --> 00:05:33,039

and this either i believe this went to

77

00:05:37,590 --> 00:05:35,759

the secretary of the air force or

78

00:05:39,110 --> 00:05:37,600

straight to the pentagon

79

00:05:40,390 --> 00:05:39,120

there's evidence for both in here

80

00:05:42,390 --> 00:05:40,400

there's two

81

00:05:44,950 --> 00:05:42,400

fronts of an envelope one says secretary

82

00:05:49,670 --> 00:05:44,960

of air force one says pentagon

83

00:05:52,790 --> 00:05:50,830

and you can

84

00:05:55,270 --> 00:05:52,800

tell you know if you go through the

85

00:05:56,950 --> 00:05:55,280

media reports later that um the truth

86

00:05:58,870 --> 00:05:56,960

was not told to the media about what

87

00:06:00,870 --> 00:05:58,880

happened in fact if you go into the

88

00:06:02,629 --> 00:06:00,880

archives and

89

00:06:04,870 --> 00:06:02,639

look up

90

00:06:07,110 --> 00:06:04,880

cheyenne wyoming where

91

00:06:08,390 --> 00:06:07,120

a lot of this has taken place also other

92

00:06:10,790 --> 00:06:08,400

places

93

00:06:12,309 --> 00:06:10,800

um you'll get cases that are like eight

94

00:06:14,150 --> 00:06:12,319

you'll get two cases for these dates

95

00:06:16,790 --> 00:06:14,160

that are like eight pages

96

00:06:17,670 --> 00:06:16,800

and don't even get close to

97

00:06:19,670 --> 00:06:17,680

um

98

00:06:21,430 --> 00:06:19,680

telling you

99

00:06:23,430 --> 00:06:21,440

everything that happened so let me get

100

00:06:26,309 --> 00:06:23,440

to this because it explains a lot about

101

00:06:30,070 --> 00:06:26,319

what we're going to go through

102

00:06:34,230 --> 00:06:30,080

so it's 2 afsc which is ftd foreign

103

00:06:39,830 --> 00:06:36,790

francis e warren air force

104

00:06:41,830 --> 00:06:39,840

uh base is located in an area

105

00:06:43,350 --> 00:06:41,840

which has recently experienced a

106

00:06:46,550 --> 00:06:43,360

considerable number of reports

107

00:06:48,629 --> 00:06:46,560

pertaining to ufos on the night of july

108

00:06:51,189 --> 00:06:48,639

31 1965

109

00:06:53,189 --> 00:06:51,199

several civilians of cheyenne wyoming

110

00:06:55,270 --> 00:06:53,199

reported the local radio stations

111

00:06:57,589 --> 00:06:55,280

various objects generally with red and

112

00:07:00,469 --> 00:06:57,599

green flashing lights these were relayed

113

00:07:03,029 --> 00:07:00,479

to the francis e warren command post all

114

00:07:06,070 --> 00:07:03,039

missile sites were immediately contacted

115

00:07:07,350 --> 00:07:06,080

and alerted to be on the watch for such

116

00:07:09,270 --> 00:07:07,360

objects

117

00:07:11,189 --> 00:07:09,280

as a result the following number of

118

00:07:13,189 --> 00:07:11,199

sightings were reported

119

00:07:15,909 --> 00:07:13,199

during the following three nights

120

00:07:18,070 --> 00:07:15,919

and we have july 31st august 1st and

121

00:07:19,909 --> 00:07:18,080

august 2nd

122

00:07:21,990 --> 00:07:19,919

and it tells you the number of objects

123

00:07:25,749 --> 00:07:22,000

reported on those days

124

00:07:27,270 --> 00:07:25,759

75 29 and 44.

125

00:07:30,870 --> 00:07:27,280

and when it says personnel that's

126

00:07:32,430 --> 00:07:30,880

military personnel

127

00:07:37,270 --> 00:07:32,440

so on the right hand side you can see

128

00:07:40,550 --> 00:07:37,280

143 were observed by military personnel

129

00:07:43,189 --> 00:07:40,560

148 objects altogether five which were

130

00:07:47,110 --> 00:07:45,430

interesting thing about 143

131

00:07:49,909 --> 00:07:47,120

is i think the

132

00:07:51,510 --> 00:07:49,919

preliminary assessment that came out is

133

00:07:52,390 --> 00:07:51,520

completely unrelated but the number is

134

00:07:55,270 --> 00:07:52,400

the same

135

00:07:57,510 --> 00:07:55,280

um had 144

136

00:08:00,070 --> 00:07:57,520

uh you know instances that they

137

00:08:03,430 --> 00:08:00,080

investigated and they could only

138

00:08:07,029 --> 00:08:03,440

identify one which leaves you with a 143

139

00:08:09,110 --> 00:08:07,039

ufos so that's pretty interesting

140

00:08:11,029 --> 00:08:09,120

uh description of objects

141

00:08:12,469 --> 00:08:11,039

every all types of stuff was

142

00:08:14,950 --> 00:08:12,479

was seen

143

00:08:16,710 --> 00:08:14,960

we have they were mostly round although

144

00:08:19,029 --> 00:08:16,720

there are reports of oval cigar shaped

145

00:08:20,869 --> 00:08:19,039

and pencil shaped or merely a light

146

00:08:23,830 --> 00:08:20,879

source and there is even more than that

147

00:08:25,909 --> 00:08:23,840

that we'll uh see as we go through this

148

00:08:28,309 --> 00:08:25,919

reported sizes vary from that of a

149

00:08:30,469 --> 00:08:28,319

pinhead to a nickel

150

00:08:33,350 --> 00:08:30,479

when seen by the naked eye half dollar

151

00:08:35,990 --> 00:08:33,360

is also in here a quarter uh

152

00:08:37,829 --> 00:08:36,000

size of a p

153

00:08:40,149 --> 00:08:37,839

where sightings involved more than one

154

00:08:42,550 --> 00:08:40,159

object v shaped echelon cross box

155

00:08:44,949 --> 00:08:42,560

tail-shaped formations were reported as

156

00:08:47,030 --> 00:08:44,959

well as triangular we'll see

157

00:08:49,110 --> 00:08:47,040

on august 1st there was one daytime

158

00:08:50,870 --> 00:08:49,120

report from a civilian source in

159

00:08:53,110 --> 00:08:50,880

cheyenne of an

160

00:08:55,670 --> 00:08:53,120

oblong object tumbling through the sakai

161

00:08:57,750 --> 00:08:55,680

and in the distance becoming two objects

162

00:08:59,110 --> 00:08:57,760

before disappearing in separate

163

00:09:02,550 --> 00:08:59,120

directions

164

00:09:02,560 --> 00:09:06,870

there is no sound

165

00:09:15,829 --> 00:09:10,310

you know the typical things that we see

166

00:09:15,839 --> 00:09:19,190

nothing too fancy there

167

00:09:23,350 --> 00:09:20,710

so this is what i'm talking about with

168

00:09:24,949 --> 00:09:23,360

like the uh letter from the earlier

169

00:09:26,550 --> 00:09:24,959

thing in here so when i'm skipping by

170

00:09:29,030 --> 00:09:26,560

this is because it's not pertaining to

171

00:09:29,040 --> 00:09:32,870

so here to be a little bit more precise

172

00:09:37,990 --> 00:09:35,670

thirteen strap missile

173

00:09:40,550 --> 00:09:38,000

c warren air force base wyoming official

174

00:09:40,560 --> 00:09:44,870

united states air force

175

00:09:49,829 --> 00:09:47,670

i should mention yeah so we

176  
00:09:52,949 --> 00:09:49,839  
nebraska wyoming colorado all sorts of

177  
00:09:55,110 --> 00:09:52,959  
stuff so that was the quick uh overview

178  
00:09:59,190 --> 00:09:55,120  
um

179  
00:10:03,990 --> 00:10:02,230  
now and

180  
00:10:06,389 --> 00:10:04,000  
is page one

181  
00:10:07,590 --> 00:10:06,399  
so what i'm skipping to is like the kind

182  
00:10:08,710 --> 00:10:07,600  
of the best

183  
00:10:11,110 --> 00:10:08,720  
stuff because a lot of things are

184  
00:10:13,350 --> 00:10:11,120  
repeating a lot of things come up again

185  
00:10:15,430 --> 00:10:13,360  
uh but there are a few things that i

186  
00:10:19,350 --> 00:10:15,440  
wanted to highlight here

187  
00:10:26,470 --> 00:10:21,910  
so this one um puts the nail on the head

188  
00:10:28,230 --> 00:10:26,480

that nored um was involved with ufos

189

00:10:30,710 --> 00:10:28,240

at the bottom you can see that's all i

190

00:10:32,389 --> 00:10:30,720

have did you give this to norad so we

191

00:10:34,710 --> 00:10:32,399

got six lights red and green flashing

192

00:10:37,030 --> 00:10:34,720

and stationary approximately 55 miles

193

00:10:39,350 --> 00:10:37,040

southeast cheyenne

194

00:10:41,430 --> 00:10:39,360

15 minutes observed all object size of a

195

00:10:43,509 --> 00:10:41,440

pinhead

196

00:10:45,430 --> 00:10:43,519

calm weather

197

00:10:46,389 --> 00:10:45,440

and this is like correspondence from

198

00:10:48,550 --> 00:10:46,399

people

199

00:10:51,030 --> 00:10:48,560

uh one person to the other person

200

00:10:53,269 --> 00:10:51,040

we have all sorts of people that were

201  
00:10:54,150 --> 00:10:53,279  
taking reports and giving reports

202  
00:10:57,350 --> 00:10:54,160  
um

203  
00:11:01,990 --> 00:10:57,360  
captains sergeants lieutenants majors

204  
00:11:06,350 --> 00:11:05,430  
so now i'm going to skip to

205  
00:11:08,310 --> 00:11:06,360  
page

206  
00:11:09,910 --> 00:11:08,320  
137 here

207  
00:11:12,069 --> 00:11:09,920  
and you might want to write this down if

208  
00:11:13,910 --> 00:11:12,079  
you want to look at the documents later

209  
00:11:18,310 --> 00:11:13,920  
for yourself and know where we were at

210  
00:11:23,110 --> 00:11:20,710  
otherwise you know i

211  
00:11:24,150 --> 00:11:23,120  
highly advise reading it all

212  
00:11:26,790 --> 00:11:24,160  
like

213  
00:11:29,509 --> 00:11:26,800

i couldn't get a real grasp on what this

214

00:11:31,350 --> 00:11:29,519

was until i actually read through it all

215

00:11:33,750 --> 00:11:31,360

because it's disorganized and because

216

00:11:35,350 --> 00:11:33,760

it's just so much to take in because so

217

00:11:36,630 --> 00:11:35,360

much happened and it's quite

218

00:11:40,150 --> 00:11:36,640

unbelievable

219

00:11:43,910 --> 00:11:41,670

here we go here's another and these are

220

00:11:45,190 --> 00:11:43,920

just like the individual reports and i'm

221

00:11:47,110 --> 00:11:45,200

just going to read a couple of these

222

00:11:49,269 --> 00:11:47,120

that really stood out to me most of them

223

00:11:51,110 --> 00:11:49,279

were military this one civilian was very

224

00:11:54,389 --> 00:11:51,120

interesting to me

225

00:11:59,350 --> 00:11:57,030

so we have a ufo observed uh crystal

226  
00:12:01,190 --> 00:11:59,360  
lake wyoming observers were such and

227  
00:12:03,269 --> 00:12:01,200  
such and his wife his brother and his

228  
00:12:05,030 --> 00:12:03,279  
brother's wife object was estimated to

229  
00:12:07,430 --> 00:12:05,040  
be at an altitude in excess of a hundred

230  
00:12:09,350 --> 00:12:07,440  
thousand feet moving north northeast at

231  
00:12:11,990 --> 00:12:09,360  
an extremely high speed bluish white in

232  
00:12:14,629 --> 00:12:12,000  
color blinking one second on in one

233  
00:12:16,150 --> 00:12:14,639  
second off no tail or exhaust observed

234  
00:12:17,269 --> 00:12:16,160  
for three to four minutes visibly

235  
00:12:20,389 --> 00:12:17,279  
unlimited

236  
00:12:20,399 --> 00:12:25,110  
oh well

237  
00:12:25,120 --> 00:12:29,750  
that is not the bell bro

238  
00:12:35,110 --> 00:12:32,629

oh maybe this is it this is interesting

239

00:12:36,710 --> 00:12:35,120

that's not it though

240

00:12:39,190 --> 00:12:36,720

so we have a couple landings involved

241

00:12:43,509 --> 00:12:39,200

too where they actually hit the ground

242

00:12:46,629 --> 00:12:44,949

here's another one

243

00:12:50,829 --> 00:12:46,639

if i need to make this bigger just let

244

00:12:56,310 --> 00:12:53,430

can this is interesting because it had

245

00:13:00,230 --> 00:12:56,320

this sound these had the sound of a jet

246

00:13:05,030 --> 00:13:02,150

we don't know all there is to know about

247

00:13:09,829 --> 00:13:05,040

this stuff so here's the triangular

248

00:13:13,829 --> 00:13:12,150

we have the warren command post reported

249

00:13:16,550 --> 00:13:13,839

from three different places at the same

250

00:13:18,949 --> 00:13:16,560

time gulf juliet and india and these are

251

00:13:21,590 --> 00:13:18,959

all like different subsections at the

252

00:13:22,790 --> 00:13:21,600

air force base that and their nicknames

253

00:13:25,030 --> 00:13:22,800

or whatever

254

00:13:26,710 --> 00:13:25,040

um observer were one large dot with

255

00:13:29,030 --> 00:13:26,720

three or four smaller dots forming a

256

00:13:31,110 --> 00:13:29,040

triangular formation to the right of the

257

00:13:33,430 --> 00:13:31,120

larger one alternating red and green no

258

00:13:36,629 --> 00:13:33,440

sound hovering 30 degrees above the

259

00:13:40,550 --> 00:13:36,639

horizon to the northeast binoculars were

260

00:13:44,230 --> 00:13:42,150

so i just have notes here that's what

261

00:13:50,150 --> 00:13:44,240

i'm looking at so i know

262

00:13:50,160 --> 00:13:56,470

next page we get 142.

263

00:14:03,829 --> 00:14:00,870

okay 142. zoom out a little bit

264

00:14:07,750 --> 00:14:03,839

this is interesting because it describes

265

00:14:09,269 --> 00:14:07,760

the white oval and we have um landing in

266

00:14:11,509 --> 00:14:09,279

norad

267

00:14:13,750 --> 00:14:11,519

and dia

268

00:14:18,150 --> 00:14:13,760

that's right

269

00:14:22,870 --> 00:14:20,550

so it starts here talking about local

270

00:14:25,110 --> 00:14:22,880

radio announcer james sampler reported

271

00:14:28,870 --> 00:14:25,120

15 to 20 phone calls about

272

00:14:32,949 --> 00:14:30,949

um the object was large circular with

273

00:14:34,389 --> 00:14:32,959

several colors and no sound red and blue

274

00:14:35,110 --> 00:14:34,399

blinking

275

00:14:37,350 --> 00:14:35,120

the

276

00:14:38,470 --> 00:14:37,360

two ncos i forget what that stands for

277

00:14:41,350 --> 00:14:38,480

but

278

00:14:43,509 --> 00:14:41,360

they were at the uh warren base and one

279

00:14:48,550 --> 00:14:43,519

airman controllers outside said it began

280

00:14:52,790 --> 00:14:50,629

it's interesting he described the object

281

00:14:55,350 --> 00:14:52,800

as cross-shaped with two projections

282

00:14:57,189 --> 00:14:55,360

coming from it which looked like arms

283

00:14:58,389 --> 00:14:57,199

light in the center was flashing red and

284

00:15:01,110 --> 00:14:58,399

green

285

00:15:03,990 --> 00:15:01,120

the guard has the object incited the

286

00:15:09,829 --> 00:15:06,870

object was directly over base operations

287

00:15:12,550 --> 00:15:09,839

since then various reports have come in

288

00:15:14,470 --> 00:15:12,560

from missile sites so

289

00:15:17,269 --> 00:15:14,480

what missile sites are these these are

290

00:15:20,230 --> 00:15:17,279

minuteman missile sites nuclear

291

00:15:21,990 --> 00:15:20,240

minuteman missile sites

292

00:15:28,230 --> 00:15:22,000

observed

293

00:15:28,240 --> 00:15:35,430

in 1965

294

00:15:35,440 --> 00:15:42,550

so that is pretty interesting

295

00:15:46,470 --> 00:15:44,389

and i'm just scrolling through here so

296

00:15:49,110 --> 00:15:46,480

there are different flights as well in

297

00:15:50,710 --> 00:15:49,120

the area uh here you can see it appeared

298

00:15:53,829 --> 00:15:50,720

to descend below the tree line and hit

299

00:15:56,310 --> 00:15:53,839

the ground with no explosion

300

00:15:57,590 --> 00:15:56,320

there was like no radar catches on these

301

00:16:02,550 --> 00:15:57,600

for the most part which is very

302

00:16:02,560 --> 00:16:06,829

now we're gonna go to page

303

00:16:11,269 --> 00:16:10,230

144. got a little bit of a swarm here

304

00:16:12,710 --> 00:16:11,279

uh

305

00:16:17,269 --> 00:16:12,720

says

306

00:16:19,030 --> 00:16:17,279

d4 reported that no one appeared to have

307

00:16:20,470 --> 00:16:19,040

landed 10 miles

308

00:16:22,389 --> 00:16:20,480

wait

309

00:16:24,230 --> 00:16:22,399

that one appeared to have landed 10

310

00:16:27,829 --> 00:16:24,240

miles east

311

00:16:29,269 --> 00:16:27,839

of the site uh seven ufos are east of

312

00:16:31,910 --> 00:16:29,279

the site

313

00:16:33,910 --> 00:16:31,920

esight reported six ufos stacked

314

00:16:38,389 --> 00:16:33,920

vertically

315

00:16:41,670 --> 00:16:39,990

at the same time e2 reported two

316

00:16:45,509 --> 00:16:41,680

additional ufos have joined the seven

317

00:16:49,990 --> 00:16:48,230

that's a swarm

318

00:16:51,590 --> 00:16:50,000

at the same time e2 reported two

319

00:16:53,110 --> 00:16:51,600

additional ufos have joined the seven

320

00:16:55,110 --> 00:16:53,120

for a total of nine

321

00:16:57,430 --> 00:16:55,120

g1 reported a ufo descending further

322

00:16:58,629 --> 00:16:57,440

going east another ufo was at 102

323

00:17:01,749 --> 00:16:58,639

degrees

324

00:17:04,470 --> 00:17:01,759

as going from south to north g1 has a

325

00:17:06,789 --> 00:17:04,480

ufo climbing but leveled off q sight as

326

00:17:08,870 --> 00:17:06,799

one bright ufo still climbing higher and

327

00:17:11,669 --> 00:17:08,880

now has one due east of the bright one

328

00:17:12,949 --> 00:17:11,679

with four more northwest and three east

329

00:17:14,870 --> 00:17:12,959

of the site

330

00:17:15,829 --> 00:17:14,880

there now appears to be nine objects

331

00:17:17,970 --> 00:17:15,839

north of

332

00:17:20,949 --> 00:17:17,980

five east of china

333

00:17:22,949 --> 00:17:20,959

[Music]

334

00:17:25,029 --> 00:17:22,959

three came from the east deck vertically

335

00:17:27,429 --> 00:17:25,039

passed through the other two with all

336

00:17:29,990 --> 00:17:27,439

five heading west

337

00:17:31,669 --> 00:17:30,000

clear weather 50 miles visibility

338

00:17:34,630 --> 00:17:31,679

darkness

339

00:17:37,510 --> 00:17:34,640

norad reported numerous visual sightings

340

00:17:40,710 --> 00:17:37,520

from 25

341

00:17:46,950 --> 00:17:40,720

and 29 norad regions

342

00:17:51,909 --> 00:17:49,590

and you can see here uh who wrote it

343

00:17:53,430 --> 00:17:51,919

it's a foreign technology division duty

344

00:17:55,510 --> 00:17:53,440

officer

345

00:17:58,950 --> 00:17:55,520

uh lieutenant i can't pronounce his last

346

00:18:05,909 --> 00:18:00,789

here just talks about sergeant moody he

347

00:18:09,270 --> 00:18:07,590

he called the duty officer regarding the

348

00:18:11,190 --> 00:18:09,280

above information the duty officer

349

00:18:13,510 --> 00:18:11,200

indicated that the above information was

350

00:18:14,390 --> 00:18:13,520

essentially correct and that a military

351  
00:18:16,390 --> 00:18:14,400  
exercise

352  
00:18:27,029 --> 00:18:16,400  
was not

353  
00:18:28,630 --> 00:18:27,039  
in effect no military exercise

354  
00:18:30,150 --> 00:18:28,640  
the general feeling obtained from the

355  
00:18:33,510 --> 00:18:30,160  
information

356  
00:18:33,520 --> 00:18:37,909  
that's what just pisses me off

357  
00:18:42,390 --> 00:18:39,430  
yeah okay

358  
00:18:48,950 --> 00:18:42,400  
and this is like a handwritten version

359  
00:18:58,870 --> 00:18:51,190  
so now we're going to

360  
00:19:07,830 --> 00:19:01,750  
because we have pretty interesting

361  
00:19:12,549 --> 00:19:09,830  
colonel kaisner ready to go so this is

362  
00:19:14,150 --> 00:19:12,559  
more like correspondence talking uh

363  
00:19:16,870 --> 00:19:14,160

colonel kaisen are ready to go okay this

364

00:19:18,710 --> 00:19:16,880

was reported to me at 12 46 by 15th

365

00:19:21,830 --> 00:19:18,720

headquarters from warren reported warren

366

00:19:23,990 --> 00:19:21,840

at 10 30 by strike team by airman third

367

00:19:26,150 --> 00:19:24,000

class williams and an airman second

368

00:19:29,750 --> 00:19:26,160

class

369

00:19:34,390 --> 00:19:31,990

they were five miles west of delta iv

370

00:19:36,710 --> 00:19:34,400

site which is approximately 60 miles

371

00:19:38,150 --> 00:19:36,720

east of northeast of cheyenne they're

372

00:19:40,630 --> 00:19:38,160

trying to check on an object when they

373

00:19:43,270 --> 00:19:40,640

got within 10 miles of it and the road

374

00:19:45,029 --> 00:19:43,280

they were on ran out they did not leave

375

00:19:48,150 --> 00:19:45,039

their vehicle to continue on they were

376  
00:19:50,310 --> 00:19:48,160  
watching the object through binoculars

377  
00:19:52,870 --> 00:19:50,320  
they reported the object was very large

378  
00:19:55,510 --> 00:19:52,880  
with red and white flashing lights red

379  
00:20:00,630 --> 00:19:55,520  
to white white back to red the object

380  
00:20:04,230 --> 00:20:02,149  
they say that the object was on the

381  
00:20:05,909 --> 00:20:04,240  
ground while they were observing it and

382  
00:20:08,710 --> 00:20:05,919  
while they were watching the object

383  
00:20:12,549 --> 00:20:08,720  
appeared to rise 500 feet

384  
00:20:14,230 --> 00:20:12,559  
and move off in a northwest direction

385  
00:20:16,230 --> 00:20:14,240  
they watched it for 10 to 15 minutes

386  
00:20:18,549 --> 00:20:16,240  
through binoculars before it faded out

387  
00:20:22,390 --> 00:20:18,559  
of sight another strike team that was

388  
00:20:27,430 --> 00:20:24,710

let our stenographer catch up here just

389

00:20:29,590 --> 00:20:27,440

for a second sir

390

00:20:30,950 --> 00:20:29,600

that's pretty interesting

391

00:20:34,630 --> 00:20:30,960

so they have someone taken the notes and

392

00:20:39,110 --> 00:20:37,270

another strike team was just dispatched

393

00:20:41,029 --> 00:20:39,120

did not get within 15 miles of the

394

00:20:43,510 --> 00:20:41,039

object and they were

395

00:20:45,190 --> 00:20:43,520

they reported seeing lights um no

396

00:20:47,110 --> 00:20:45,200

visible objects only lights that's it

397

00:20:50,230 --> 00:20:47,120

norad has this

398

00:20:55,190 --> 00:20:50,240

um no i will pass it on

399

00:21:00,470 --> 00:20:56,549

pretty cool

400

00:21:02,950 --> 00:21:00,480

about this stuff

401  
00:21:04,549 --> 00:21:02,960  
we're left to wonder if norad uh does

402  
00:21:06,950 --> 00:21:04,559  
anything like this

403  
00:21:09,110 --> 00:21:06,960  
so for anyone just catching up um or

404  
00:21:11,669 --> 00:21:09,120  
just tuning in we're talking about um

405  
00:21:14,830 --> 00:21:11,679  
1965 the dates of july 31st through

406  
00:21:18,149 --> 00:21:14,840  
august 1st at fort warren

407  
00:21:20,710 --> 00:21:18,159  
um these sightings mainly took place at

408  
00:21:25,029 --> 00:21:20,720  
minuteman watch control towers minuteman

409  
00:21:25,039 --> 00:21:27,750  
and

410  
00:21:31,830 --> 00:21:30,149  
this is a again just like a live

411  
00:21:33,590 --> 00:21:31,840  
transcript

412  
00:21:35,350 --> 00:21:33,600  
but it's pretty intense major deadler

413  
00:21:37,430 --> 00:21:35,360

yeah this is major warren do you want a

414

00:21:38,950 --> 00:21:37,440

copy of this ufo no i just walked in

415

00:21:41,590 --> 00:21:38,960

here i got to get my feet wet but i

416

00:21:43,510 --> 00:21:41,600

guess i'll be competent from now on

417

00:21:45,669 --> 00:21:43,520

uh well this is the thing i got so many

418

00:21:48,070 --> 00:21:45,679

reports on this that i don't know what's

419

00:21:51,270 --> 00:21:48,080

your last entry on it

420

00:21:58,310 --> 00:21:54,870

sac team at site uh hotel 2

421

00:22:02,470 --> 00:21:58,320

let's see let me take a look

422

00:22:05,909 --> 00:22:03,990

we have our man standing here with his

423

00:22:12,789 --> 00:22:05,919

pencil sharp he's got to write it down

424

00:22:12,799 --> 00:22:15,990

so

425

00:22:21,350 --> 00:22:19,750

we have uh yeah ufos directly overhead

426  
00:22:23,270 --> 00:22:21,360  
hotel at the same time

427  
00:22:25,669 --> 00:22:23,280  
observed the same object said it looked

428  
00:22:28,070 --> 00:22:25,679  
red and green and somewhat star-shaped

429  
00:22:29,830 --> 00:22:28,080  
warren reports ufo 90 miles east of

430  
00:22:31,510 --> 00:22:29,840  
china heading east high rate of speed

431  
00:22:33,669 --> 00:22:31,520  
and descending it appears to be a

432  
00:22:36,310 --> 00:22:33,679  
blinding bright color and we got another

433  
00:22:39,909 --> 00:22:36,320  
new entry east of cheyenne reports one

434  
00:22:42,549 --> 00:22:39,919  
oval object one oval object

435  
00:22:44,710 --> 00:22:42,559  
hue and white

436  
00:22:47,430 --> 00:22:44,720  
with white lights on the side

437  
00:22:49,430 --> 00:22:47,440  
and a flashing red light in the center

438  
00:22:51,909 --> 00:22:49,440

moving east are you estimating any

439

00:22:53,510 --> 00:22:51,919

altitude of these no

440

00:23:03,190 --> 00:22:53,520

i'm just passing them on these reports

441

00:23:07,590 --> 00:23:04,789

they're coming in faster than we can

442

00:23:10,149 --> 00:23:07,600

copy new entry uh echo site reports

443

00:23:15,350 --> 00:23:10,159

seven ufos

444

00:23:19,110 --> 00:23:16,789

2025

445

00:23:21,430 --> 00:23:19,120

or 10 25. five so five minutes later

446

00:23:24,710 --> 00:23:21,440

echo reports six ufos stack vertically

447

00:23:26,710 --> 00:23:24,720

okay what entry was that

448

00:23:29,350 --> 00:23:26,720

two minutes later golf one reports one

449

00:23:31,990 --> 00:23:29,360

ascending it's climbing right same time

450

00:23:35,590 --> 00:23:32,000

echo two reports two and

451  
00:23:38,149 --> 00:23:35,600  
additional ufos have joined the seven

452  
00:23:39,270 --> 00:23:38,159  
from the 10 20 entry make it a total of

453  
00:23:40,789 --> 00:23:39,280  
nine

454  
00:23:42,789 --> 00:23:40,799  
okay

455  
00:23:45,029 --> 00:23:42,799  
call founder reports ufo ascending still

456  
00:23:48,070 --> 00:23:45,039  
further and going east another one at

457  
00:23:55,990 --> 00:23:48,080  
102 degrees as mid level and going from

458  
00:23:59,669 --> 00:23:57,940  
pretty intense

459  
00:24:05,190 --> 00:23:59,679  
[Music]

460  
00:24:09,669 --> 00:24:08,149  
you know just how serious was this but

461  
00:24:11,430 --> 00:24:09,679  
it's pretty serious obviously they're

462  
00:24:12,789 --> 00:24:11,440  
getting reports constantly and it wasn't

463  
00:24:14,870 --> 00:24:12,799

just from these places they were also

464

00:24:18,549 --> 00:24:14,880

getting reports in north dakota south

465

00:24:20,470 --> 00:24:18,559

dakota uh nebraska and colorado

466

00:24:22,710 --> 00:24:20,480

and as i later found out in this

467

00:24:25,760 --> 00:24:22,720

paperwork texas

468

00:24:26,870 --> 00:24:25,770

in oklahoma we're also getting um

469

00:24:29,190 --> 00:24:26,880

[Music]

470

00:24:35,750 --> 00:24:29,200

basically an onslaught of ufos at that

471

00:24:40,149 --> 00:24:38,470

um so

472

00:24:41,990 --> 00:24:40,159

this one i pulled up basically because

473

00:24:43,750 --> 00:24:42,000

the end here you can see

474

00:24:45,590 --> 00:24:43,760

um

475

00:24:49,110 --> 00:24:45,600

three came from the e stack vertical

476

00:24:53,110 --> 00:24:51,990

are you feeding this into that to stay

477

00:24:55,510 --> 00:24:53,120

with

478

00:24:58,950 --> 00:24:55,520

uh to set i'm sorry are you feeding this

479

00:25:00,710 --> 00:24:58,960

into that setup at wright patterson

480

00:25:01,590 --> 00:25:00,720

yes that's correct fine

481

00:25:06,870 --> 00:25:01,600

how

482

00:25:09,430 --> 00:25:06,880

for me to call warren well let's leave

483

00:25:11,269 --> 00:25:09,440

it as it is i believe warren will be

484

00:25:13,510 --> 00:25:11,279

following this up with a written report

485

00:25:15,190 --> 00:25:13,520

okay we want to keep real current on

486

00:25:18,710 --> 00:25:15,200

this i think there will be major

487

00:25:20,230 --> 00:25:18,720

interest in this real quick

488

00:25:22,230 --> 00:25:20,240

and your name again

489

00:25:26,630 --> 00:25:22,240

major walmart

490

00:25:26,640 --> 00:25:32,390

norad norad norad

491

00:25:37,750 --> 00:25:34,710

pretty interesting so now we're going to

492

00:25:40,390 --> 00:25:37,760

get to the there's not much about it but

493

00:25:42,950 --> 00:25:40,400

it does say something about physical

494

00:25:45,990 --> 00:25:42,960

evidence

495

00:25:47,029 --> 00:25:46,000

so i'm going to skip to that part right

496

00:25:51,190 --> 00:25:47,039

now

497

00:25:53,590 --> 00:25:52,070

there's

498

00:25:55,350 --> 00:25:53,600

some of these things i'm not exactly

499

00:26:01,110 --> 00:25:55,360

sure what they are like reply to the

500

00:26:05,190 --> 00:26:03,269

we have leonard early who wrote this

501  
00:26:10,310 --> 00:26:05,200  
lieutenant colonel united states air

502  
00:26:14,310 --> 00:26:12,710  
interesting

503  
00:26:16,549 --> 00:26:14,320  
sorry i'm barely checking comments i'm

504  
00:26:19,830 --> 00:26:16,559  
trying to stay focused a little bit

505  
00:26:23,350 --> 00:26:19,840  
because there's a lot of information

506  
00:26:23,360 --> 00:26:29,990  
yes correct jim yes

507  
00:26:30,000 --> 00:26:32,870  
um

508  
00:26:38,950 --> 00:26:35,669  
so now we are

509  
00:26:40,310 --> 00:26:38,960  
okay so at the bottom here you can see

510  
00:26:43,190 --> 00:26:40,320  
it says

511  
00:26:45,029 --> 00:26:43,200  
chester h junior major u.s united states

512  
00:26:46,149 --> 00:26:45,039  
air force assistant base operations

513  
00:26:48,870 --> 00:26:46,159

officer

514

00:26:52,870 --> 00:26:48,880

existence of physical evidence

515

00:26:52,880 --> 00:26:59,430

never mind then

516

00:26:59,440 --> 00:27:12,549

um then page 191.

517

00:27:18,549 --> 00:27:15,510

um so this is just a better breakdown of

518

00:27:20,389 --> 00:27:18,559

all the individual reports

519

00:27:22,549 --> 00:27:20,399

you know like those little clippings

520

00:27:24,710 --> 00:27:22,559

that we're reading from before so this

521

00:27:27,590 --> 00:27:24,720

is a rundown of all of those except all

522

00:27:31,990 --> 00:27:29,990

so and they're just in succession and

523

00:27:34,230 --> 00:27:32,000

you can see here too we have other ones

524

00:27:42,870 --> 00:27:34,240

that are involved

525

00:27:46,470 --> 00:27:44,630

so yeah see this morning command post

526

00:27:48,470 --> 00:27:46,480

staff sergeant pennington observed by

527

00:27:50,470 --> 00:27:48,480

four additional people four objects with

528

00:27:52,789 --> 00:27:50,480

alternating red and green no trail of

529

00:27:56,230 --> 00:27:52,799

exhaust no sound these same objects

530

00:27:57,830 --> 00:27:56,240

previously cited on the 31st of july and

531

00:27:59,990 --> 00:27:57,840

first of august objects seem to be

532

00:28:02,710 --> 00:28:00,000

stationary and stable separated in

533

00:28:05,190 --> 00:28:02,720

groups of two at two west southwest 60

534

00:28:07,750 --> 00:28:05,200

80 degrees above horizon two northeast

535

00:28:09,590 --> 00:28:07,760

approximately above horizon binoculars

536

00:28:17,029 --> 00:28:09,600

were used in sighting in continuously

537

00:28:21,110 --> 00:28:18,789

um and then we have something pretty

538

00:28:24,310 --> 00:28:21,120

interesting

539

00:28:27,029 --> 00:28:24,320  
on page 197

540

00:28:29,430 --> 00:28:27,039  
so this is in regards to norad they say

541

00:28:32,389 --> 00:28:29,440  
are you are they taking any action no

542

00:28:37,430 --> 00:28:32,399  
norad is getting several reports from

543

00:28:46,149 --> 00:28:40,870  
namely people in various defense sector

544

00:28:50,549 --> 00:28:47,029  
so

545

00:28:57,590 --> 00:28:52,789  
norad's getting reports from various

546

00:29:01,990 --> 00:28:59,029  
and then you can see here too we have

547

00:29:03,190 --> 00:29:02,000  
more reports in alaska

548

00:29:12,310 --> 00:29:03,200  
um

549

00:29:12,320 --> 00:29:16,149  
all over the place

550

00:29:21,990 --> 00:29:19,510  
we go to page 199

551  
00:29:23,750 --> 00:29:22,000  
pretty interesting

552  
00:29:25,830 --> 00:29:23,760  
you can see here

553  
00:29:27,350 --> 00:29:25,840  
at the top told her that an official

554  
00:29:30,389 --> 00:29:27,360  
statement will be issued from the

555  
00:29:35,990 --> 00:29:30,399  
pentagon we submit our findings to the

556  
00:29:42,070 --> 00:29:38,070  
we have no reports from south america

557  
00:29:43,590 --> 00:29:42,080  
argentina etc not true by the way

558  
00:29:45,350 --> 00:29:43,600  
i could pull one up right now if you

559  
00:29:47,510 --> 00:29:45,360  
want

560  
00:29:50,230 --> 00:29:47,520  
but they say that's their business major

561  
00:29:52,389 --> 00:29:50,240  
said he could not comment regarding

562  
00:29:54,310 --> 00:29:52,399  
blank he is a private citizen well this

563  
00:29:56,549 --> 00:29:54,320

is interesting

564

00:29:58,070 --> 00:29:56,559

i have a high opinion of whoever he's

565

00:29:59,669 --> 00:29:58,080

talked about like

566

00:30:01,350 --> 00:29:59,679

i have talked with him several times in

567

00:30:03,830 --> 00:30:01,360

the past few days he appears to be a

568

00:30:06,389 --> 00:30:03,840

fine guy he's a private citizen and can

569

00:30:08,710 --> 00:30:06,399

say what he wants to i have no bones to

570

00:30:10,549 --> 00:30:08,720

pick with them said a ufo exploded over

571

00:30:12,470 --> 00:30:10,559

texas a week ago

572

00:30:14,470 --> 00:30:12,480

we have not heard of this said fragments

573

00:30:16,950 --> 00:30:14,480

were hitting a car and that they are

574

00:30:19,050 --> 00:30:16,960

being analyzed at some laboratory we

575

00:30:20,389 --> 00:30:19,060

have no information regarding this

576

00:30:23,269 --> 00:30:20,399

[Music]

577

00:30:25,510 --> 00:30:23,279

major said that if whoever wants to send

578

00:30:27,669 --> 00:30:25,520

it to us we will analyze it he said one

579

00:30:29,669 --> 00:30:27,679

radio station reported that a ufo rose

580

00:30:32,389 --> 00:30:29,679

from lake hickman and that a fisherman

581

00:30:35,510 --> 00:30:32,399

was taken to the hospital

582

00:30:36,710 --> 00:30:35,520

uh ambulance driver could tell the truth

583

00:30:39,269 --> 00:30:36,720

we had

584

00:30:41,269 --> 00:30:39,279

no information on this either reports

585

00:30:44,149 --> 00:30:41,279

are a lot of emotional

586

00:30:46,070 --> 00:30:44,159

we have a flurry

587

00:30:48,710 --> 00:30:46,080

we have had a flurry once the wire

588

00:30:52,149 --> 00:30:48,720

services pick it up everybody has been

589

00:30:56,470 --> 00:30:54,230

so this is interesting because we have

590

00:31:01,269 --> 00:30:56,480

norad i'm getting reports from the

591

00:31:05,669 --> 00:31:03,669

highly good person trusted person no

592

00:31:07,669 --> 00:31:05,679

bones to pick saying there's fragments

593

00:31:10,789 --> 00:31:07,679

hitting a car

594

00:31:12,389 --> 00:31:10,799

i wonder who's getting that

595

00:31:19,590 --> 00:31:12,399

i wonder if it's somebody in those

596

00:31:19,600 --> 00:31:25,509

so we have the pentagon

597

00:31:28,710 --> 00:31:27,029

you know they give their findings to the

598

00:31:30,149 --> 00:31:28,720

pentagon so we know that the pentagon's

599

00:31:31,750 --> 00:31:30,159

got information

600

00:31:35,190 --> 00:31:31,760

so if we want information guess who's

601  
00:31:36,310 --> 00:31:35,200  
got it the pentagon does have it

602  
00:31:37,269 --> 00:31:36,320  
norad

603  
00:31:43,430 --> 00:31:37,279  
has it

604  
00:31:45,430 --> 00:31:43,440  
all three of these groups are reported

605  
00:31:47,029 --> 00:31:45,440  
to

606  
00:31:53,990 --> 00:31:47,039  
get information

607  
00:31:57,990 --> 00:31:55,990  
so it's not just that the air force air

608  
00:32:02,230 --> 00:31:58,000  
force was doing this but um we have

609  
00:32:05,830 --> 00:32:02,240  
norad right we've heard norad a lot

610  
00:32:07,750 --> 00:32:05,840  
i've showed paperwork of norad

611  
00:32:10,070 --> 00:32:07,760  
and how they get their ufo reports this

612  
00:32:12,149 --> 00:32:10,080  
specifically states

613  
00:32:15,190 --> 00:32:12,159

that they're reporting these to norad in

614

00:32:25,029 --> 00:32:16,789

and then here their findings go to the

615

00:32:25,039 --> 00:32:31,029

so

616

00:32:36,230 --> 00:32:34,710

if we want we can go into

617

00:32:38,070 --> 00:32:36,240

i guess we might as well hey how much

618

00:32:43,350 --> 00:32:38,080

time we're only at half an hour holy cow

619

00:32:45,990 --> 00:32:44,950

so just a little bit of a break down

620

00:32:47,990 --> 00:32:46,000

here

621

00:32:50,470 --> 00:32:48,000

and then we can go

622

00:32:56,549 --> 00:32:50,480

if you want to

623

00:33:03,350 --> 00:33:01,269

so the breakdown 148 objects 143 by

624

00:33:05,490 --> 00:33:03,360

military personnel

625

00:33:06,710 --> 00:33:05,500

we have everything reported from

626

00:33:07,830 --> 00:33:06,720

[Music]

627

00:33:11,350 --> 00:33:07,840

um

628

00:33:16,950 --> 00:33:11,360

oblong shape circles

629

00:33:16,960 --> 00:33:20,870

let me check my notes

630

00:33:24,630 --> 00:33:23,110

we have flight seeing them we have

631

00:33:27,350 --> 00:33:24,640

things reported by sergeant moody

632

00:33:29,909 --> 00:33:27,360

sergeant jetty captain snelling

633

00:33:32,789 --> 00:33:29,919

lieutenant ashbon colonel kaiser major

634

00:33:37,110 --> 00:33:34,950

a couple objects at the ground

635

00:33:38,549 --> 00:33:37,120

one of the sightings 40 personnel were

636

00:33:40,630 --> 00:33:38,559

observing it

637

00:33:42,950 --> 00:33:40,640

these are at minuteman

638

00:33:44,549 --> 00:33:42,960

nuclear missile watchtowers most of

639

00:33:46,230 --> 00:33:44,559

these sightings are seen and reported

640

00:33:50,830 --> 00:33:46,240

from

641

00:33:56,389 --> 00:33:54,389

warren uh but keep in mind we also have

642

00:33:58,149 --> 00:33:56,399

sightings of the basically the same

643

00:33:59,029 --> 00:33:58,159

objects in

644

00:34:01,029 --> 00:33:59,039

uh

645

00:34:03,350 --> 00:34:01,039

nebraska

646

00:34:07,029 --> 00:34:03,360

uh colorado south dakota

647

00:34:09,190 --> 00:34:07,039

i think even north dakota um then that's

648

00:34:12,470 --> 00:34:09,200

not a part of this 148 objects this is

649

00:34:14,710 --> 00:34:12,480

separate texas

650

00:34:17,109 --> 00:34:14,720

alaska

651  
00:34:18,550 --> 00:34:17,119  
but they are during the same

652  
00:34:20,629 --> 00:34:18,560  
span of days

653  
00:34:26,790 --> 00:34:20,639  
july 31st through

654  
00:34:26,800 --> 00:34:30,790  
pretty pretty interesting

655  
00:34:35,430 --> 00:34:32,950  
so

656  
00:34:39,510 --> 00:34:35,440  
the oklahoma one is really interesting

657  
00:34:39,520 --> 00:34:44,069  
the most interesting part to me here is

658  
00:34:53,669 --> 00:34:46,310  
faa here

659  
00:34:57,670 --> 00:34:55,109  
so we have

660  
00:35:01,510 --> 00:35:00,150  
faa reported from fort worth in kansas

661  
00:35:03,190 --> 00:35:01,520  
city

662  
00:35:05,430 --> 00:35:03,200  
both centers simultaneously had

663  
00:35:07,670 --> 00:35:05,440

experiences

664

00:35:11,190 --> 00:35:07,680

large static problem of outlying area

665

00:35:13,670 --> 00:35:11,200

vhf and uhf radio systems for five to

666

00:35:15,510 --> 00:35:13,680

seven minutes

667

00:35:18,790 --> 00:35:15,520

texas highway patrol in dallas has

668

00:35:20,870 --> 00:35:18,800

received over 2 000 calls on ufos one

669

00:35:23,670 --> 00:35:20,880

woman in norman oklahoma reported an

670

00:35:27,349 --> 00:35:23,680

object 100 feet overhead red lights on

671

00:35:31,270 --> 00:35:27,359

outer circle white lights in the center

672

00:35:34,230 --> 00:35:31,280

faa reported that between 855 944 tulsa

673

00:35:36,390 --> 00:35:34,240

faa tower lost all

674

00:35:40,310 --> 00:35:36,400

uhf

675

00:35:43,349 --> 00:35:40,320

on all frequencies all police and state

676  
00:35:49,190 --> 00:35:43,359  
commercial broadcast frequencies also

677  
00:36:03,829 --> 00:35:55,750  
interesting

678  
00:36:08,950 --> 00:36:06,630  
and then the

679  
00:36:12,710 --> 00:36:08,960  
the next thing i'm going to show here is

680  
00:36:19,990 --> 00:36:14,310  
oh this is an interesting picture i'm

681  
00:36:28,150 --> 00:36:23,750  
not sure is that a ufo or a satellite

682  
00:36:28,160 --> 00:36:33,109  
um so this is pretty good

683  
00:36:35,990 --> 00:36:34,150  
because

684  
00:36:49,190 --> 00:36:36,000  
we have let me take a sip of something

685  
00:36:52,390 --> 00:36:50,230  
so

686  
00:36:55,430 --> 00:36:52,400  
the scientist refutes air force claim

687  
00:36:57,109 --> 00:36:55,440  
that ufos are stars unidentified objects

688  
00:36:59,349 --> 00:36:57,119

which were picked up on radar on august

689

00:37:01,270 --> 00:36:59,359

2nd at the wichita kansas weather bureau

690

00:37:03,910 --> 00:37:01,280

as well as elsewhere throughout the

691

00:37:05,990 --> 00:37:03,920

midwest

692

00:37:08,790 --> 00:37:06,000

and west were said by the air force to

693

00:37:11,270 --> 00:37:08,800

be planted jupiter or assorted stars

694

00:37:14,390 --> 00:37:11,280

robert reisner director of the oklahoma

695

00:37:16,310 --> 00:37:14,400

science and art foundation director

696

00:37:18,230 --> 00:37:16,320

uh planetarium in oklahoma city where

697

00:37:20,470 --> 00:37:18,240

numerous sightings were also made

698

00:37:23,589 --> 00:37:20,480

said that local residents certainly did

699

00:37:25,750 --> 00:37:23,599

not see jupiter or any of the stars

700

00:37:28,550 --> 00:37:25,760

which the air force listed in their

701

00:37:31,670 --> 00:37:28,560

explanatory report said riser

702

00:37:33,750 --> 00:37:31,680

reisner this statement by the air force

703

00:37:36,470 --> 00:37:33,760

is as far from the truth as you can get

704

00:37:38,390 --> 00:37:36,480

somebody has made a mistake these stars

705

00:37:40,150 --> 00:37:38,400

and planets are on the opposite side of

706

00:37:43,670 --> 00:37:40,160

the earth from oklahoma city at this

707

00:37:47,349 --> 00:37:45,589

the sightings in question came in during

708

00:37:49,990 --> 00:37:47,359

the early days of august from kansas

709

00:37:52,470 --> 00:37:50,000

texas oklahoma new mexico colorado south

710

00:37:54,790 --> 00:37:52,480

dakota nebraska and wyoming in addition

711

00:37:56,950 --> 00:37:54,800

to numerous radar sightings there were

712

00:37:59,109 --> 00:37:56,960

dozens of reports by private citizens as

713

00:38:01,990 --> 00:37:59,119

well as police but the air force stated

714

00:38:03,510 --> 00:38:02,000

after a very superficial investigation

715

00:38:05,750 --> 00:38:03,520

that the sightings were probably of the

716

00:38:07,109 --> 00:38:05,760

planet jupiter or the stars rigel

717

00:38:09,990 --> 00:38:07,119

capella

718

00:38:13,030 --> 00:38:10,000

so we went through all these reports and

719

00:38:19,270 --> 00:38:13,040

now you read that what do you think

720

00:38:19,280 --> 00:38:27,589

let me know what you think

721

00:38:31,670 --> 00:38:29,670

here's another picture apparently that a

722

00:38:35,190 --> 00:38:31,680

reporter took can't really see it very

723

00:38:35,200 --> 00:38:43,430

so it's kind of worth nothing

724

00:38:43,440 --> 00:38:47,270

and

725

00:38:51,990 --> 00:38:49,510

this is kind of like a full list so

726

00:38:54,230 --> 00:38:52,000

check the dates here august 2nd

727

00:38:57,670 --> 00:38:54,240

um wyoming

728

00:39:03,510 --> 00:38:57,680

texas oklahoma california even well

729

00:39:03,520 --> 00:39:06,470

look at all these

730

00:39:11,990 --> 00:39:09,430

oh here's your sergeant jetty

731

00:39:14,390 --> 00:39:12,000

captain colburn

732

00:39:17,910 --> 00:39:14,400

five combat defense personnel for air

733

00:39:22,470 --> 00:39:17,920

force personnel for air force personnel

734

00:39:30,470 --> 00:39:25,270

francis warren wyoming wyoming

735

00:39:33,670 --> 00:39:32,550

ellsworth air force base in south dakota

736

00:39:35,190 --> 00:39:33,680

multiple

737

00:39:36,950 --> 00:39:35,200

sergeant brown

738

00:39:42,790 --> 00:39:36,960

these are crossed out so it's probably

739

00:39:45,510 --> 00:39:43,910

so

740

00:39:46,630 --> 00:39:45,520

and then we have a lot at ellington air

741

00:39:49,109 --> 00:39:46,640

force base

742

00:39:50,790 --> 00:39:49,119

houston texas sergeant brown

743

00:39:54,230 --> 00:39:50,800

uh well

744

00:39:56,150 --> 00:39:54,240

we have a sergeant van pelt in nebraska

745

00:39:58,870 --> 00:39:56,160

five combat defense personnel sergeant

746

00:40:00,790 --> 00:39:58,880

gonzalez

747

00:40:03,349 --> 00:40:00,800

for air force personnel for air force

748

00:40:04,710 --> 00:40:03,359

personnel sergeant jetty again sergeant

749

00:40:07,270 --> 00:40:04,720

powers

750

00:40:10,150 --> 00:40:07,280

and this is the same thing

751

00:40:11,829 --> 00:40:10,160

this is interesting total 300 so if we

752

00:40:14,550 --> 00:40:11,839

add these other states up like texas

753

00:40:17,030 --> 00:40:14,560

oklahoma and all that

754

00:40:19,430 --> 00:40:17,040

300

755

00:40:23,270 --> 00:40:19,440

reports and phone calls over the course

756

00:40:28,710 --> 00:40:25,670

those days

757

00:40:34,150 --> 00:40:28,720

except this is extends to the 7th 31st

758

00:40:39,589 --> 00:40:36,790

i would say that is pretty pretty

759

00:40:42,710 --> 00:40:39,599

intense

760

00:40:45,270 --> 00:40:42,720

i thought i had maybe

761

00:40:47,430 --> 00:40:45,280

some drawings

762

00:40:51,349 --> 00:40:47,440

that i wanted to show let me see if i

763

00:40:51,359 --> 00:40:56,470

that were actually pretty good

764

00:40:56,480 --> 00:41:01,990

let's see if i can find it

765

00:41:02,000 --> 00:41:07,270

i'm not sure if this is it or not

766

00:41:10,630 --> 00:41:08,309

um

767

00:41:15,190 --> 00:41:10,640

no i think these drugs are from the main

768

00:41:15,200 --> 00:41:20,470

oh well

769

00:41:29,910 --> 00:41:25,109

so

770

00:41:29,920 --> 00:41:34,309

you know in reading this it was pretty

771

00:41:38,309 --> 00:41:35,670

it was a

772

00:41:41,270 --> 00:41:38,319

it was pretty jaw-dropping to me um to

773

00:41:43,270 --> 00:41:41,280

be quite honest with you just um

774

00:41:44,950 --> 00:41:43,280

you know the warren air force base

775

00:41:47,190 --> 00:41:44,960

i mean it seemed like there was almost

776  
00:41:48,790 --> 00:41:47,200  
like a basic invasion everybody's seeing

777  
00:41:50,710 --> 00:41:48,800  
these things military personnel are

778  
00:41:53,589 --> 00:41:50,720  
seeing them

779  
00:41:56,870 --> 00:41:53,599  
land on the ground

780  
00:41:56,880 --> 00:41:59,510  
um

781  
00:42:04,950 --> 00:42:01,190  
you know but what what happens with this

782  
00:42:04,960 --> 00:42:08,630  
that this happened

783  
00:42:12,950 --> 00:42:11,349  
now what happens from that

784  
00:42:18,870 --> 00:42:12,960  
does anybody do anything does anyone

785  
00:42:23,349 --> 00:42:21,430  
what happens

786  
00:42:24,390 --> 00:42:23,359  
you know i can say some of the reason

787  
00:42:26,390 --> 00:42:24,400  
that

788  
00:42:30,630 --> 00:42:26,400

we aren't given disclosure or the truth

789

00:42:33,829 --> 00:42:32,870

we don't really show how we feel you

790

00:42:35,910 --> 00:42:33,839

know

791

00:42:37,910 --> 00:42:35,920

we do these shows and i show this

792

00:42:41,109 --> 00:42:37,920

information and other people do too but

793

00:42:44,790 --> 00:42:43,349

because if we don't show any emotion or

794

00:42:46,790 --> 00:42:44,800

frustration to

795

00:42:50,470 --> 00:42:46,800

anybody but ourselves

796

00:42:53,589 --> 00:42:52,630

the pentagon

797

00:42:56,550 --> 00:42:53,599

you know

798

00:43:03,430 --> 00:42:58,630

department of defense they can just

799

00:43:03,440 --> 00:43:08,790

which may very well happen

800

00:43:13,270 --> 00:43:11,510

unless you know enough is enough and the

801  
00:43:15,270 --> 00:43:13,280  
only way

802  
00:43:17,910 --> 00:43:15,280  
that we can do that is by getting this

803  
00:43:20,390 --> 00:43:17,920  
information out 148

804  
00:43:26,630 --> 00:43:20,400  
sightings in three days

805  
00:43:26,640 --> 00:43:35,190  
around our nuclear missile sites

806  
00:43:42,630 --> 00:43:38,710  
you know and some of the reason that

807  
00:43:48,309 --> 00:43:42,640  
you know people will mock this topic or

808  
00:43:52,870 --> 00:43:49,990  
you know because of

809  
00:43:54,790 --> 00:43:52,880  
you know shows that play goofy stuff

810  
00:43:57,109 --> 00:43:54,800  
that's really not corroborated or

811  
00:43:58,710 --> 00:43:57,119  
whatever and it hides all this kind of

812  
00:44:00,950 --> 00:43:58,720  
information

813  
00:44:04,470 --> 00:44:00,960

because if people saw this real

814

00:44:10,150 --> 00:44:06,550

something would have to change

815

00:44:12,950 --> 00:44:10,160

there would be a shift in the world view

816

00:44:14,069 --> 00:44:12,960

if people actually had this information

817

00:44:17,510 --> 00:44:14,079

and knew

818

00:44:23,430 --> 00:44:19,510

you know but it's not going to happen

819

00:44:25,589 --> 00:44:23,440

with just us here talking to each other

820

00:44:30,790 --> 00:44:25,599

i'm doing what i can but my voice is

821

00:44:34,790 --> 00:44:32,870

you know without other people to amplify

822

00:44:38,550 --> 00:44:34,800

that voice

823

00:44:43,829 --> 00:44:38,560

it stays within this group here

824

00:44:47,270 --> 00:44:45,349

because there are people with larger

825

00:44:49,589 --> 00:44:47,280

voices out here that see what i'm doing

826

00:44:51,270 --> 00:44:49,599

or whatever and they don't retweet it

827

00:44:54,390 --> 00:44:51,280

and they don't tell their people about

828

00:44:56,950 --> 00:44:55,910

largely because

829

00:45:00,710 --> 00:44:56,960

i think

830

00:45:08,309 --> 00:45:02,710

and that's not fair do those people

831

00:45:08,319 --> 00:45:12,069

i don't know

832

00:45:18,230 --> 00:45:15,510

but we see the same old faces

833

00:45:22,550 --> 00:45:18,240

on the ufo shows and in the ufo scene

834

00:45:27,510 --> 00:45:22,560

for decades and where has that gotten us

835

00:45:31,670 --> 00:45:29,190

that i found

836

00:45:33,990 --> 00:45:31,680

in a different folder on the archives in

837

00:45:35,270 --> 00:45:34,000

blue book

838

00:45:37,829 --> 00:45:35,280

have been

839

00:45:40,069 --> 00:45:37,839

available to the public if you had to

840

00:45:43,829 --> 00:45:40,079

dig for it but for six

841

00:45:47,030 --> 00:45:43,839

since 2014 i think it is so eight years

842

00:45:50,230 --> 00:45:47,040

eight years

843

00:45:54,470 --> 00:45:52,150

researcher that was

844

00:45:56,470 --> 00:45:54,480

you know hooked enough to go through all

845

00:45:58,150 --> 00:45:56,480

these pages to stumble into this and

846

00:46:04,710 --> 00:45:58,160

share it

847

00:46:04,720 --> 00:46:09,670

i don't know maybe that's the case

848

00:46:13,430 --> 00:46:11,510

i mean it wasn't like i i didn't find

849

00:46:16,309 --> 00:46:13,440

the blue book archives right away it

850

00:46:18,470 --> 00:46:16,319

took it took a while to get my way

851  
00:46:19,829 --> 00:46:18,480  
um into finding them you know there's so

852  
00:46:22,230 --> 00:46:19,839  
many different places where they only

853  
00:46:23,990 --> 00:46:22,240  
have like 400 pages of blue book

854  
00:46:25,670 --> 00:46:24,000  
or whatever and it's like okay whatever

855  
00:46:28,390 --> 00:46:25,680  
so i went and found all the documents in

856  
00:46:30,390 --> 00:46:28,400  
like the cia site or other places like

857  
00:46:32,550 --> 00:46:30,400  
that but once i found the blue book

858  
00:46:33,670 --> 00:46:32,560  
archives man there is so much stuff in

859  
00:46:37,589 --> 00:46:33,680  
there

860  
00:46:43,109 --> 00:46:39,430  
you know um

861  
00:46:45,750 --> 00:46:43,119  
there's ten thousand seven 700

862  
00:46:51,950 --> 00:46:49,270  
in the archives and those folders have

863  
00:46:54,390 --> 00:46:51,960

anywhere from one to

864

00:47:00,069 --> 00:46:54,400

365 pages

865

00:47:03,510 --> 00:47:02,630

one page is probably the smallest i've

866

00:47:05,270 --> 00:47:03,520

seen

867

00:47:07,109 --> 00:47:05,280

and that's pretty rare

868

00:47:10,950 --> 00:47:07,119

including hundreds of blue book

869

00:47:10,960 --> 00:47:14,069

hundreds

870

00:47:19,270 --> 00:47:16,069

now i'm not sitting here saying the blue

871

00:47:20,630 --> 00:47:19,280

book photographs are amazing

872

00:47:24,069 --> 00:47:20,640

you know they're taken with a film

873

00:47:24,079 --> 00:47:28,069

and the ones that look good

874

00:47:31,750 --> 00:47:30,069

it's it's um it's almost like i can't

875

00:47:34,150 --> 00:47:31,760

believe that's real

876

00:47:36,870 --> 00:47:34,160

you know like a flying saucer

877

00:47:38,470 --> 00:47:36,880

legit clear flag saucer

878

00:47:40,230 --> 00:47:38,480

and then you go and find a report on the

879

00:47:43,270 --> 00:47:40,240

archives and

880

00:47:46,710 --> 00:47:43,280

you know quintilla or whatever is is uh

881

00:47:47,990 --> 00:47:46,720

likely a hoax every time likely a hoax

882

00:47:49,349 --> 00:47:48,000

likely

883

00:47:52,790 --> 00:47:49,359

um

884

00:47:54,470 --> 00:47:52,800

meteor likely

885

00:47:57,030 --> 00:47:54,480

this or probably this but you know

886

00:48:00,069 --> 00:47:57,040

what's funny is they very rarely say it

887

00:48:01,829 --> 00:48:00,079

is this satellite or it is this meteor

888

00:48:04,829 --> 00:48:01,839

it's always probably and then we run

889

00:48:06,549 --> 00:48:04,839

into a case like this where there's 148

890

00:48:07,910 --> 00:48:06,559

objects

891

00:48:10,549 --> 00:48:07,920

witnessed

892

00:48:12,870 --> 00:48:10,559

by the best our military has to offer

893

00:48:15,190 --> 00:48:12,880

143 by them

894

00:48:18,390 --> 00:48:15,200

in three days

895

00:48:22,549 --> 00:48:18,400

and they get away with continuing to say

896

00:48:24,549 --> 00:48:22,559

that they're stars or aircraft

897

00:48:32,710 --> 00:48:24,559

the same thing they were saying

898

00:48:37,510 --> 00:48:35,109

how is that possible the only way that's

899

00:48:39,670 --> 00:48:37,520

possible is by

900

00:48:41,589 --> 00:48:39,680

hiding the real information like they

901  
00:48:44,069 --> 00:48:41,599  
did with this

902  
00:48:45,990 --> 00:48:44,079  
by putting it in a folder for

903  
00:48:51,829 --> 00:48:46,000  
louisiana

904  
00:48:56,150 --> 00:48:51,839  
looking at it from the outside it's any

905  
00:48:59,349 --> 00:48:57,589  
like all the other special ones like

906  
00:49:01,510 --> 00:48:59,359  
blue book or whatever or other like

907  
00:49:04,630 --> 00:49:01,520  
final reports whatever they're obvious

908  
00:49:08,470 --> 00:49:06,790  
you know it says that well it doesn't

909  
00:49:10,309 --> 00:49:08,480  
say a city and state

910  
00:49:12,069 --> 00:49:10,319  
it just

911  
00:49:14,950 --> 00:49:12,079  
says the year

912  
00:49:17,030 --> 00:49:14,960  
and you know those are the reports

913  
00:49:18,790 --> 00:49:17,040

this one says a city and it stayed just

914

00:49:22,150 --> 00:49:18,800

like all the other individual reports

915

00:49:26,790 --> 00:49:24,630

and i click on this 365 pages there's

916

00:49:31,510 --> 00:49:26,800

probably like two pages on louisiana in

917

00:49:36,309 --> 00:49:33,589

and that's the exact same way i found

918

00:49:38,309 --> 00:49:36,319

socorro new mexico the other pages and

919

00:49:39,270 --> 00:49:38,319

that i don't think many people if any

920

00:49:40,710 --> 00:49:39,280

have seen

921

00:49:44,150 --> 00:49:40,720

because that was in a great falls

922

00:49:48,549 --> 00:49:44,160

montana folder

923

00:49:52,630 --> 00:49:50,630

it if it's real i

924

00:49:55,430 --> 00:49:52,640

i think it really would be in one of

925

00:49:59,270 --> 00:49:55,440

those folders in one of those 10 700

926  
00:50:05,750 --> 00:50:03,030  
there's no reason for it not to be

927  
00:50:07,990 --> 00:50:05,760  
it was a ufo report just like mount

928  
00:50:11,430 --> 00:50:08,000  
rainier kenneth arnold

929  
00:50:12,950 --> 00:50:11,440  
and the tens or dozens before roswell

930  
00:50:15,030 --> 00:50:12,960  
are documented

931  
00:50:16,330 --> 00:50:15,040  
in blue book in the archives so why

932  
00:50:18,230 --> 00:50:16,340  
wouldn't roswell be there

933  
00:50:19,670 --> 00:50:18,240  
[Music]

934  
00:50:23,190 --> 00:50:19,680  
i think it is

935  
00:50:29,190 --> 00:50:23,200  
it's just in a different folder

936  
00:50:33,190 --> 00:50:31,430  
um

937  
00:50:36,069 --> 00:50:33,200  
here's the link i gave this to you

938  
00:50:37,750 --> 00:50:36,079

before this link to the blue book stuff

939

00:50:40,549 --> 00:50:37,760

it's actually in one of my videos about

940

00:50:43,829 --> 00:50:40,559

how i find my files so that takes you

941

00:50:46,549 --> 00:50:43,839

right to it and you can search it

942

00:50:48,630 --> 00:50:46,559

you can search it

943

00:50:50,710 --> 00:50:48,640

yeah robert makes a great point there is

944

00:50:54,870 --> 00:50:50,720

info about the aztec incident in the

945

00:50:59,430 --> 00:50:54,880

maury island blue book folder

946

00:51:05,190 --> 00:51:01,829

there's photos of a tom's new jersey ufo

947

00:51:08,309 --> 00:51:05,200

that says 1945

948

00:51:10,470 --> 00:51:08,319

but it's not 1945 it's like 1967

949

00:51:14,549 --> 00:51:10,480

actually so there's clerical errors

950

00:51:19,190 --> 00:51:17,270

so but you know it's up to us to go and

951  
00:51:21,589 --> 00:51:19,200  
research and try to find the stuff you

952  
00:51:23,349 --> 00:51:21,599  
know because some of the people that

953  
00:51:26,870 --> 00:51:23,359  
we

954  
00:51:28,549 --> 00:51:26,880  
whatever haven't

955  
00:51:31,510 --> 00:51:28,559  
you know found some of this stuff and so

956  
00:51:33,270 --> 00:51:31,520  
maybe this is a good way to do it

957  
00:51:37,030 --> 00:51:33,280  
i can't look at all of them on my own

958  
00:51:38,390 --> 00:51:37,040  
i'm trying and i've looked at a lot

959  
00:51:40,630 --> 00:51:38,400  
like

960  
00:51:42,150 --> 00:51:40,640  
way too many

961  
00:51:45,430 --> 00:51:42,160  
you know and when i hit this one today

962  
00:51:47,270 --> 00:51:45,440  
it feels like a jackpot thing you know

963  
00:51:48,829 --> 00:51:47,280

i mean think of robert salas and mel's

964

00:51:51,829 --> 00:51:48,839

from

965

00:51:53,349 --> 00:51:51,839

montana and those nuclear missile silos

966

00:51:55,589 --> 00:51:53,359

you know

967

00:51:57,990 --> 00:51:55,599

that's nothing compared to what was

968

00:51:59,910 --> 00:51:58,000

happening here

969

00:52:06,230 --> 00:51:59,920

and what we went through today that is

970

00:52:11,109 --> 00:52:09,030

you know it's hard to comprehend

971

00:52:14,309 --> 00:52:11,119

right but that is absolutely minuscule

972

00:52:15,910 --> 00:52:14,319

to the report we just went through today

973

00:52:17,190 --> 00:52:15,920

not to say it's minuscule in general of

974

00:52:21,910 --> 00:52:17,200

course it isn't

975

00:52:28,790 --> 00:52:24,309

it's such a small incident compared to

976  
00:52:40,150 --> 00:52:33,430  
so how many people know about this one

977  
00:52:44,950 --> 00:52:42,069  
with that being said

978  
00:52:48,309 --> 00:52:44,960  
i have to get out of here

979  
00:52:49,990 --> 00:52:48,319  
i really appreciate everybody

980  
00:52:52,549 --> 00:52:50,000  
please share this please spread this

981  
00:52:52,559 --> 00:52:55,030  
um

982  
00:53:00,230 --> 00:52:57,670  
if you follow me on twitter

983  
00:53:01,349 --> 00:53:00,240  
follow me on twitter and i'll make the

984  
00:53:03,829 --> 00:53:01,359  
link

985  
00:53:05,589 --> 00:53:03,839  
to these documents available as soon as

986  
00:53:07,589 --> 00:53:05,599  
i can i have an appointment to get to

987  
00:53:09,430 --> 00:53:07,599  
right now

988  
00:53:11,430 --> 00:53:09,440

after that

989

00:53:13,190 --> 00:53:11,440

i'll make sure it's uploaded and on my

990

00:53:16,150 --> 00:53:13,200

site and available

991

00:53:17,990 --> 00:53:16,160

for anyone to look at

992

00:53:21,990 --> 00:53:18,000

again you have the blue book thing here

993

00:53:25,910 --> 00:53:24,309

so and you can search that there's a

994

00:53:28,870 --> 00:53:25,920

couple ways to search it there's you can

995

00:53:30,549 --> 00:53:28,880

search by metadata the top one will just

996

00:53:32,309 --> 00:53:30,559

really give you the information in the

997

00:53:35,270 --> 00:53:32,319

title of them so it's really only good

998

00:53:39,750 --> 00:53:35,280

for searching as city

999

00:53:45,910 --> 00:53:41,829

but you want to do both really you want

1000

00:53:51,030 --> 00:53:49,510

and you can search things like disc

1001  
00:53:57,349 --> 00:53:51,040  
or

1002  
00:54:02,150 --> 00:53:59,510  
you know

1003  
00:54:03,589 --> 00:54:02,160  
so go check it out

1004  
00:54:05,750 --> 00:54:03,599  
check it out find something for yourself

1005  
00:54:07,910 --> 00:54:05,760  
tweet it at me what you found do some

1006  
00:54:09,190 --> 00:54:07,920  
work let's do it

1007  
00:54:13,190 --> 00:54:09,200  
all right

1008  
00:54:15,270 --> 00:54:13,200  
everybody here i appreciate it

1009  
00:54:18,390 --> 00:54:15,280
