

The Return of John Ramirez

1
00:00:49,760 --> 00:00:48,389

[Music]

2
00:01:25,590 --> 00:00:49,770

so

3
00:01:31,109 --> 00:01:28,550

what is up everybody

4
00:01:33,190 --> 00:01:31,119

today we have a very special guest his

5
00:01:36,390 --> 00:01:33,200

name is john ramirez you might remember

6
00:01:37,270 --> 00:01:36,400

him from uh this very show not very long

7
00:01:40,149 --> 00:01:37,280

ago

8
00:01:42,630 --> 00:01:40,159

he was a fantastic guest um i think he

9
00:01:46,310 --> 00:01:42,640

kind of blew the doors down ufology and

10
00:01:48,550 --> 00:01:46,320

ufo twitter uh with his um

11
00:01:50,389 --> 00:01:48,560

just untappable knowledge of of

12
00:01:52,149 --> 00:01:50,399

everything from the inner workings of

13
00:01:53,109 --> 00:01:52,159

the government and how the void process

14

00:01:55,830 --> 00:01:53,119

works

15

00:01:57,510 --> 00:01:55,840

and um he has

16

00:02:00,149 --> 00:01:57,520

an incredible story to tell about his

17

00:02:02,310 --> 00:02:00,159

experience as well and what he

18

00:02:04,630 --> 00:02:02,320

kind of thinks uh is going on and what

19

00:02:09,109 --> 00:02:04,640

works for him and i just think he's an

20

00:02:12,470 --> 00:02:09,119

amazing dude super nice very helpful um

21

00:02:14,229 --> 00:02:12,480

and i'm really excited to have him back

22

00:02:17,990 --> 00:02:14,239

and

23

00:02:23,589 --> 00:02:18,000

it's that we have matching outfits

24

00:02:27,589 --> 00:02:25,110

so we'll do that one thing i wanted to

25

00:02:29,990 --> 00:02:27,599

say quick here about like super chats

26
00:02:32,470 --> 00:02:30,000
and everything um just to give everyone

27
00:02:34,550 --> 00:02:32,480
an opportunity to not throw their money

28
00:02:36,949 --> 00:02:34,560
at me for a question

29
00:02:39,030 --> 00:02:36,959
um i mean you can but consider it a

30
00:02:40,790 --> 00:02:39,040
donation

31
00:02:42,390 --> 00:02:40,800
so i did give people an opportunity to

32
00:02:44,550 --> 00:02:42,400
send me an email with any questions that

33
00:02:45,910 --> 00:02:44,560
they want asked and i could ask those uh

34
00:02:47,589 --> 00:02:45,920
at this point it might be a little late

35
00:02:49,350 --> 00:02:47,599
to it you can still throw a question up

36
00:02:51,750 --> 00:02:49,360
and if it slides right into the

37
00:02:54,550 --> 00:02:51,760
conversation i'll throw it in there

38
00:02:58,309 --> 00:02:54,560

but definitely no promises at all

39

00:03:01,910 --> 00:02:58,319

um but with that being said

40

00:03:03,190 --> 00:03:01,920

let's not waste any more time in bring

41

00:03:05,750 --> 00:03:03,200

on

42

00:03:06,390 --> 00:03:05,760

my nasa buddy mr john ramirez how are

43

00:03:08,630 --> 00:03:06,400

you

44

00:03:09,430 --> 00:03:08,640

hey sean doing great

45

00:03:11,990 --> 00:03:09,440

good

46

00:03:13,589 --> 00:03:12,000

hoodie

47

00:03:15,670 --> 00:03:13,599

totally love it you were wearing that

48

00:03:17,350 --> 00:03:15,680

and i was like wait let me put on my

49

00:03:21,430 --> 00:03:17,360

nasa shirt

50

00:03:25,509 --> 00:03:23,430

yeah well you know you gotta start

51
00:03:26,390 --> 00:03:25,519
somewhere

52
00:03:31,110 --> 00:03:26,400
so

53
00:03:33,190 --> 00:03:31,120
you've done quite a lot of interviews i

54
00:03:36,390 --> 00:03:33,200
really enjoyed the the interview you did

55
00:03:39,190 --> 00:03:36,400
with uh andy and that that uh

56
00:03:40,710 --> 00:03:39,200
ufo podcast um i thought that was

57
00:03:42,789 --> 00:03:40,720
fantastic

58
00:03:44,630 --> 00:03:42,799
um and you've done other ones that were

59
00:03:45,750 --> 00:03:44,640
were pretty great when you were first on

60
00:03:47,830 --> 00:03:45,760
the show

61
00:03:49,589 --> 00:03:47,840
we were talking about

62
00:03:51,910 --> 00:03:49,599
um your presentation that you had put

63
00:03:54,390 --> 00:03:51,920

together and you hadn't

64

00:03:56,309 --> 00:03:54,400

gone through it yet and then you did

65

00:03:59,190 --> 00:03:56,319

with um

66

00:04:01,509 --> 00:03:59,200

jay and project unity

67

00:04:03,429 --> 00:04:01,519

uh i guess my first

68

00:04:04,949 --> 00:04:03,439

just question and you know how i like to

69

00:04:07,589 --> 00:04:04,959

do it i just like to talk and have a

70

00:04:09,030 --> 00:04:07,599

laid-back conversation but you know um

71

00:04:10,949 --> 00:04:09,040

how was

72

00:04:12,470 --> 00:04:10,959

how did that go how did you feel it went

73

00:04:14,949 --> 00:04:12,480

i mean it's clear that you put a lot

74

00:04:16,949 --> 00:04:14,959

into that presentation so after you went

75

00:04:18,069 --> 00:04:16,959

through it and it was out there

76

00:04:19,909 --> 00:04:18,079

you know

77

00:04:23,670 --> 00:04:19,919

were you happy with this response was it

78

00:04:25,670 --> 00:04:23,680

expected did you not have expectations

79

00:04:29,030 --> 00:04:25,680

well actually

80

00:04:31,350 --> 00:04:29,040

it went just about the way i expected

81

00:04:33,189 --> 00:04:31,360

i'm sure there were parts of it that

82

00:04:34,710 --> 00:04:33,199

people resonated with in other parts

83

00:04:37,350 --> 00:04:34,720

that people

84

00:04:38,230 --> 00:04:37,360

did not resonate and in fact maybe have

85

00:04:40,550 --> 00:04:38,240

uh

86

00:04:42,790 --> 00:04:40,560

thought of some partials as being

87

00:04:44,790 --> 00:04:42,800

outright deception on my part

88

00:04:46,950 --> 00:04:44,800

because i brought in some information

89

00:04:49,510 --> 00:04:46,960

they may have not put together before

90

00:04:51,749 --> 00:04:49,520

that's fine by me it's not meant to

91

00:04:54,150 --> 00:04:51,759

convince anybody of anything

92

00:04:57,510 --> 00:04:54,160

it's mostly for myself

93

00:04:59,110 --> 00:04:57,520

to convince me of what i learned

94

00:05:00,790 --> 00:04:59,120

professionally what i experienced

95

00:05:01,830 --> 00:05:00,800

personally and trying to connect my own

96

00:05:03,749 --> 00:05:01,840

dots

97

00:05:05,350 --> 00:05:03,759

and if people resonate with where some

98

00:05:07,510 --> 00:05:05,360

of the dots went that's fine if they

99

00:05:10,150 --> 00:05:07,520

don't that's fine as well

100

00:05:12,629 --> 00:05:10,160

mostly i wanted

101
00:05:15,029 --> 00:05:12,639
folks in the intelligence community now

102
00:05:17,990 --> 00:05:15,039
or have served in intelligence community

103
00:05:19,990 --> 00:05:18,000
to look at that presentation as sort of

104
00:05:22,310 --> 00:05:20,000
a guide on how to do something like that

105
00:05:23,990 --> 00:05:22,320
if they have information and i'm sure

106
00:05:26,150 --> 00:05:24,000
there are those who have a lot more

107
00:05:28,550 --> 00:05:26,160
information than i have maybe more

108
00:05:30,230 --> 00:05:28,560
current than i have because my retired

109
00:05:32,790 --> 00:05:30,240
in 2009

110
00:05:35,670 --> 00:05:32,800
and so everything i know is like already

111
00:05:36,550 --> 00:05:35,680
what in 2022 it's going to be 13 years

112
00:05:39,510 --> 00:05:36,560
old

113
00:05:40,790 --> 00:05:39,520

so it was mostly to encourage others to

114

00:05:43,029 --> 00:05:40,800

come forward

115

00:05:46,710 --> 00:05:43,039

and i can say that there have been some

116

00:05:49,350 --> 00:05:46,720

um responses behind the scenes to me

117

00:05:50,790 --> 00:05:49,360

by uh folks who have served in the

118

00:05:52,390 --> 00:05:50,800

intelligence community and that's where

119

00:05:53,270 --> 00:05:52,400

i wanted to go with that

120

00:05:54,469 --> 00:05:53,280

great

121

00:05:56,550 --> 00:05:54,479

so

122

00:05:57,990 --> 00:05:56,560

i would say net result is looking pretty

123

00:06:00,150 --> 00:05:58,000

positive

124

00:06:02,790 --> 00:06:00,160

all in all yes i would say that um if

125

00:06:05,270 --> 00:06:02,800

there's any regrets i wish i had gone

126
00:06:08,390 --> 00:06:05,280
more into

127
00:06:10,870 --> 00:06:08,400
detail on that infamous slide 54 where i

128
00:06:12,950 --> 00:06:10,880
talked about the alien dna right i wish

129
00:06:16,710 --> 00:06:12,960
i would explain that fully

130
00:06:18,469 --> 00:06:16,720
um i had written to cia prior to them

131
00:06:20,230 --> 00:06:18,479
receiving the presentation

132
00:06:23,510 --> 00:06:20,240
letting them know where i was going with

133
00:06:25,749 --> 00:06:23,520
it naming names uh naming locations

134
00:06:26,870 --> 00:06:25,759
i went to a lot more detail and i

135
00:06:28,469 --> 00:06:26,880
purposely

136
00:06:30,150 --> 00:06:28,479
held that back

137
00:06:32,710 --> 00:06:30,160
not because i didn't want to reveal it

138
00:06:35,670 --> 00:06:32,720

because i reveal it to cia

139

00:06:38,309 --> 00:06:35,680

but because i didn't want any of that to

140

00:06:40,309 --> 00:06:38,319

be scrutinized even further

141

00:06:42,629 --> 00:06:40,319

and that they might

142

00:06:44,710 --> 00:06:42,639

just use that one slide to go back and

143

00:06:46,469 --> 00:06:44,720

review and say well this guy's on to

144

00:06:49,029 --> 00:06:46,479

something that he knows about and we

145

00:06:50,790 --> 00:06:49,039

need to like look at it in more depth

146

00:06:52,469 --> 00:06:50,800

and cut back on what he can say i didn't

147

00:06:55,510 --> 00:06:52,479

want any of that to happen

148

00:06:57,830 --> 00:06:55,520

so i made it more speculative but hinted

149

00:06:59,029 --> 00:06:57,840

in that interview with jay of project

150

00:07:01,270 --> 00:06:59,039

unity that

151

00:07:04,550 --> 00:07:01,280

um i don't have any evidence people

152

00:07:07,909 --> 00:07:04,560

assume that i had evidence i don't what

153

00:07:10,309 --> 00:07:07,919

i do have is the ability to

154

00:07:12,870 --> 00:07:10,319

prove that that meeting took place by

155

00:07:14,550 --> 00:07:12,880

naming those names and perhaps someone

156

00:07:17,350 --> 00:07:14,560

with a foia or

157

00:07:18,950 --> 00:07:17,360

some other means can go out and try to

158

00:07:21,830 --> 00:07:18,960

get more information

159

00:07:24,150 --> 00:07:21,840

about that presentation or even just to

160

00:07:26,390 --> 00:07:24,160

look into the people who were there and

161

00:07:28,390 --> 00:07:26,400

ask them questions uh do you recall

162

00:07:30,550 --> 00:07:28,400

doing this presentation do you recall

163

00:07:33,430 --> 00:07:30,560

sponsoring this presentation that you

164

00:07:34,550 --> 00:07:33,440

guys did um and so what was all that

165

00:07:37,110 --> 00:07:34,560

about

166

00:07:39,110 --> 00:07:37,120

uh i could have gone that way but i

167

00:07:40,710 --> 00:07:39,120

didn't and so that's still

168

00:07:42,550 --> 00:07:40,720

i sort of like

169

00:07:45,189 --> 00:07:42,560

a card up my sleeve if you will that i

170

00:07:47,670 --> 00:07:45,199

can play later and i'll wait for a good

171

00:07:49,350 --> 00:07:47,680

time to play that and let's see i know

172

00:07:50,469 --> 00:07:49,360

okay i'm going to go out with more

173

00:07:52,230 --> 00:07:50,479

information

174

00:07:56,230 --> 00:07:52,240

yeah well i mean you give us the names

175

00:08:00,629 --> 00:07:58,230

how about if i guess if i guess well you

176

00:08:02,710 --> 00:08:00,639

won't get me i'm just kidding

177

00:08:04,629 --> 00:08:02,720

no i understand i mean i thought your

178

00:08:06,309 --> 00:08:04,639

presentation was great i think um

179

00:08:08,710 --> 00:08:06,319

personally i get a little frustrated

180

00:08:11,270 --> 00:08:08,720

when people get too hung up on what you

181

00:08:13,270 --> 00:08:11,280

clearly state as you know your truth and

182

00:08:15,990 --> 00:08:13,280

what you've came to believe in

183

00:08:17,350 --> 00:08:16,000

versus focusing on the help that you're

184

00:08:19,430 --> 00:08:17,360

offering by doing this i mean it's

185

00:08:21,189 --> 00:08:19,440

unheard of uh really for somebody to

186

00:08:23,270 --> 00:08:21,199

come out like you are and be so helpful

187

00:08:24,950 --> 00:08:23,280

with the foia process the inner workings

188

00:08:27,749 --> 00:08:24,960

of the intelligence

189

00:08:30,390 --> 00:08:27,759

um branches of the government and how to

190

00:08:31,749 --> 00:08:30,400

get information you know and a lot of

191

00:08:33,029 --> 00:08:31,759

people were

192

00:08:33,829 --> 00:08:33,039

doubting

193

00:08:35,990 --> 00:08:33,839

um

194

00:08:38,709 --> 00:08:36,000

i guess that you were who you said you

195

00:08:40,469 --> 00:08:38,719

were but i knew you were right away just

196

00:08:42,870 --> 00:08:40,479

because of your language

197

00:08:43,909 --> 00:08:42,880

and how you talk in the things you talk

198

00:08:47,590 --> 00:08:43,919

about

199

00:08:49,110 --> 00:08:47,600

um as far as you know i see language and

200

00:08:50,550 --> 00:08:49,120

i've only been studying it for a few

201
00:08:52,870 --> 00:08:50,560
months but it's been pretty it was

202
00:08:53,980 --> 00:08:52,880
pretty clear to me like uh normal people

203
00:08:55,590 --> 00:08:53,990
don't know that stuff

204
00:08:57,990 --> 00:08:55,600
[Laughter]

205
00:09:00,550 --> 00:08:58,000
and i actually held back i held back on

206
00:09:02,070 --> 00:09:00,560
a lot of the acronyms i have to like

207
00:09:03,269 --> 00:09:02,080
consciously

208
00:09:06,150 --> 00:09:03,279
um

209
00:09:07,110 --> 00:09:06,160
say out the entire words of maybe an

210
00:09:08,550 --> 00:09:07,120
office

211
00:09:10,150 --> 00:09:08,560
you know because i'm so used to like

212
00:09:13,190 --> 00:09:10,160
throwing out just the three letters or

213
00:09:15,190 --> 00:09:13,200

four letters or whatever right to denote

214

00:09:17,190 --> 00:09:15,200

certain functions or missions or

215

00:09:19,269 --> 00:09:17,200

operations or offices

216

00:09:21,829 --> 00:09:19,279

and i'm so used to that type of lingo

217

00:09:22,790 --> 00:09:21,839

but i had to like purposely spell out

218

00:09:24,550 --> 00:09:22,800

things

219

00:09:25,910 --> 00:09:24,560

in words and that slowed me down a

220

00:09:28,230 --> 00:09:25,920

little bit

221

00:09:29,910 --> 00:09:28,240

but if you want if you want a full dose

222

00:09:32,230 --> 00:09:29,920

of uh

223

00:09:35,350 --> 00:09:32,240

i guess you would call it spy speak i

224

00:09:37,030 --> 00:09:35,360

can like launch into it anytime

225

00:09:39,030 --> 00:09:37,040

well i'm making i'm actually making a

226
00:09:41,509 --> 00:09:39,040
short film so maybe i'll get you out of

227
00:09:43,590 --> 00:09:41,519
that and you'll do some of that

228
00:09:46,310 --> 00:09:43,600
i wanted to ask um

229
00:09:48,550 --> 00:09:46,320
like maybe a couple

230
00:09:51,910 --> 00:09:48,560
of follow-up questions from that ufo

231
00:09:54,870 --> 00:09:51,920
podcast that you did um

232
00:09:56,630 --> 00:09:54,880
now you were you started in the navy in

233
00:09:58,790 --> 00:09:56,640
electronic signature work and everything

234
00:10:01,110 --> 00:09:58,800
looking for microwave signatures so i

235
00:10:03,430 --> 00:10:01,120
guess right yeah so the kind of obvious

236
00:10:06,630 --> 00:10:03,440
question to me was um

237
00:10:09,269 --> 00:10:06,640
did you ever pick up any anomalous

238
00:10:11,670 --> 00:10:09,279

microwave signatures um so the field was

239

00:10:14,150 --> 00:10:11,680

called electronics warfare and i was an

240

00:10:17,750 --> 00:10:14,160

electronics warfare technician

241

00:10:19,910 --> 00:10:17,760

and so our job was to collect and

242

00:10:20,870 --> 00:10:19,920

analyze microwave signals associated

243

00:10:22,310 --> 00:10:20,880

with

244

00:10:24,550 --> 00:10:22,320

other ships

245

00:10:26,710 --> 00:10:24,560

or aircraft that might be in the

246

00:10:29,990 --> 00:10:26,720

vicinity where we're operating

247

00:10:32,230 --> 00:10:30,000

even like a submarine would pop up its

248

00:10:34,389 --> 00:10:32,240

radar which is very very rare the

249

00:10:35,750 --> 00:10:34,399

submarine would pop up its radar because

250

00:10:37,750 --> 00:10:35,760

then it's seen

251

00:10:40,069 --> 00:10:37,760

uh to be able to identify

252

00:10:42,630 --> 00:10:40,079

uh those type of signatures and and then

253

00:10:47,430 --> 00:10:42,640

correlate it with an exact platform

254

00:10:49,750 --> 00:10:47,440

like it's this russian bear delta bomber

255

00:10:51,750 --> 00:10:49,760

like at that bearing and then i'll go

256

00:10:53,509 --> 00:10:51,760

over to the guys who are operating the

257

00:10:56,230 --> 00:10:53,519

scopes they're called operation

258

00:10:58,389 --> 00:10:56,240

specialists and look at the air pitcher

259

00:11:02,150 --> 00:10:58,399

and say hey i got a bearing

260

00:11:04,069 --> 00:11:02,160

of a radar associated with a bear d

261

00:11:05,590 --> 00:11:04,079

at that bearing and he says yeah i got a

262

00:11:07,590 --> 00:11:05,600

contact out there

263

00:11:09,350 --> 00:11:07,600

okay so doesn't make that as

264

00:11:11,670 --> 00:11:09,360

a russian bear d

265

00:11:12,710 --> 00:11:11,680

um that's what i did uh for living in

266

00:11:15,829 --> 00:11:12,720

the navy

267

00:11:16,870 --> 00:11:15,839

also learn how to jam signals um jam

268

00:11:19,910 --> 00:11:16,880

radars

269

00:11:21,750 --> 00:11:19,920

as far as anomalous uh i did not ever

270

00:11:24,230 --> 00:11:21,760

detect anything that would be associated

271

00:11:28,069 --> 00:11:24,240

with the ufo uap or anything like that

272

00:11:30,230 --> 00:11:28,079

i have heard some very unusual signals

273

00:11:32,949 --> 00:11:30,240

and they're associated with what's known

274

00:11:35,350 --> 00:11:32,959

as numbers stations

275

00:11:37,670 --> 00:11:35,360

and a number station is

276

00:11:39,430 --> 00:11:37,680

actually a spy station it's a

277

00:11:41,269 --> 00:11:39,440

communication station

278

00:11:43,430 --> 00:11:41,279

used by

279

00:11:45,190 --> 00:11:43,440

foreign intelligence services even u.s

280

00:11:48,310 --> 00:11:45,200

intelligence services

281

00:11:52,069 --> 00:11:48,320

where they will send messages as numbers

282

00:11:53,190 --> 00:11:52,079

and so i would i detected one in the sea

283

00:11:55,430 --> 00:11:53,200

of japan

284

00:11:57,030 --> 00:11:55,440

it was in chinese and they were just

285

00:11:59,350 --> 00:11:57,040

counting numbers

286

00:12:00,389 --> 00:11:59,360

over and over and over

287

00:12:02,629 --> 00:12:00,399

um

288

00:12:05,190 --> 00:12:02,639

and it was actually i had a rotation

289

00:12:07,269 --> 00:12:05,200

rate like it was like a radar or this

290

00:12:09,829 --> 00:12:07,279

directional antenna

291

00:12:11,430 --> 00:12:09,839

sweeping in a 360 degree arc and i

292

00:12:13,430 --> 00:12:11,440

measured it you know how many

293

00:12:15,990 --> 00:12:13,440

seconds it took to make one sweep and it

294

00:12:17,590 --> 00:12:16,000

was just a bunch of numbers in chinese

295

00:12:19,430 --> 00:12:17,600

and i recorded it

296

00:12:21,430 --> 00:12:19,440

and of course that gets labeled and you

297

00:12:22,389 --> 00:12:21,440

know you get the date time group and you

298

00:12:25,110 --> 00:12:22,399

just

299

00:12:27,750 --> 00:12:25,120

what frequency was that and pack it away

300

00:12:30,389 --> 00:12:27,760

and it goes to nsa and let uh dana say

301

00:12:31,829 --> 00:12:30,399

folks you know the linguists

302

00:12:33,509 --> 00:12:31,839

interpret what those numbers are and

303

00:12:35,030 --> 00:12:33,519

what that might be and i'll give them an

304

00:12:36,790 --> 00:12:35,040

alignment bearing

305

00:12:38,790 --> 00:12:36,800

and so it was an island it was a chinese

306

00:12:40,629 --> 00:12:38,800

island um okay

307

00:12:42,550 --> 00:12:40,639

that uh it was a numbers station and

308

00:12:44,949 --> 00:12:42,560

that that's the most unusual thing i

309

00:12:46,949 --> 00:12:44,959

i've seen but other than that

310

00:12:48,949 --> 00:12:46,959

you know it's the usual usual stuff of

311

00:12:52,150 --> 00:12:48,959

getting a fire control radar associated

312

00:12:54,310 --> 00:12:52,160

with a a soviet uh gun system pointed

313

00:12:56,710 --> 00:12:54,320

right at you and you know oh yeah i'm

314

00:12:58,710 --> 00:12:56,720

being tracked by this

315

00:13:00,870 --> 00:12:58,720

russian ship that can shoot

316

00:13:02,790 --> 00:13:00,880

at me right now you know

317

00:13:05,110 --> 00:13:02,800

stuff like that

318

00:13:07,350 --> 00:13:05,120

where the sailors like uh or you know

319

00:13:09,670 --> 00:13:07,360

the navy men or you know the navy

320

00:13:11,829 --> 00:13:09,680

aviators as you say they like to become

321

00:13:15,430 --> 00:13:11,839

uh anybody talk about

322

00:13:17,590 --> 00:13:15,440

uaps or ufos or usos even then

323

00:13:19,350 --> 00:13:17,600

no nothing like that uh i've heard

324

00:13:20,870 --> 00:13:19,360

nothing about that uh while i was in the

325

00:13:22,870 --> 00:13:20,880

navy at all

326

00:13:25,430 --> 00:13:22,880

interesting

327

00:13:28,389 --> 00:13:25,440

i wonder if is that like a stigma thing

328

00:13:30,790 --> 00:13:28,399

probably at that point maybe okay

329

00:13:33,910 --> 00:13:30,800

well it's simply a matter of fact that

330

00:13:36,470 --> 00:13:33,920

we never detected anything like that um

331

00:13:39,110 --> 00:13:36,480

on our sensor systems our

332

00:13:42,870 --> 00:13:39,120

surface search air search uh or our

333

00:13:45,350 --> 00:13:42,880

sonar or even me on the passive side

334

00:13:47,509 --> 00:13:45,360

detecting electromagnetic microwave

335

00:13:49,750 --> 00:13:47,519

emissions passively

336

00:13:50,470 --> 00:13:49,760

never never saw anything like that at

337

00:13:52,150 --> 00:13:50,480

all

338

00:13:53,590 --> 00:13:52,160

yeah do you think they're just coming

339

00:13:55,269 --> 00:13:53,600
from space

340

00:13:56,870 --> 00:13:55,279
and like because a lot of people have

341

00:13:58,389 --> 00:13:56,880
the theory like maybe

342

00:14:00,870 --> 00:13:58,399
you know they've been here for a while

343

00:14:02,629 --> 00:14:00,880
living in the sea or

344

00:14:05,590 --> 00:14:02,639
you know deep with

345

00:14:06,710 --> 00:14:05,600
underground somewhere um

346

00:14:08,230 --> 00:14:06,720
but it's

347

00:14:09,829 --> 00:14:08,240
you know from what you're telling me it

348

00:14:11,430 --> 00:14:09,839
seems like maybe they just come from

349

00:14:14,870 --> 00:14:11,440
space

350

00:14:16,150 --> 00:14:14,880
well um i i don't discount anything

351
00:14:17,910 --> 00:14:16,160
they could come from space they couldn't

352
00:14:19,670 --> 00:14:17,920
compromise within the earth or they

353
00:14:22,389 --> 00:14:19,680
could come from under the water

354
00:14:25,750 --> 00:14:22,399
yeah um i find it interesting that

355
00:14:27,430 --> 00:14:25,760
the navy has always been associated with

356
00:14:29,750 --> 00:14:27,440
this type of

357
00:14:31,990 --> 00:14:29,760
investigational research

358
00:14:33,189 --> 00:14:32,000
so that leads me to believe that

359
00:14:38,310 --> 00:14:33,199
they may

360
00:14:40,949 --> 00:14:38,320
these craft may be uh natively uh usos

361
00:14:42,949 --> 00:14:40,959
instead of ufos and that they have that

362
00:14:45,350 --> 00:14:42,959
trans medium capability of coming out of

363
00:14:46,230 --> 00:14:45,360

the water flying and going back into the

364

00:14:47,350 --> 00:14:46,240

water

365

00:14:49,829 --> 00:14:47,360

because

366

00:14:50,949 --> 00:14:49,839

the ocean is a great place to hide

367

00:14:53,110 --> 00:14:50,959

i mean

368

00:14:55,590 --> 00:14:53,120

who knows what's underneath there

369

00:14:56,870 --> 00:14:55,600

um there are rumors of bases down there

370

00:14:59,430 --> 00:14:56,880

and you know

371

00:15:02,230 --> 00:14:59,440

facilities down there i don't know

372

00:15:05,110 --> 00:15:02,240

if that's true or not but just looking

373

00:15:07,269 --> 00:15:05,120

at it now as a civilian looking back at

374

00:15:10,069 --> 00:15:07,279

it i do know that

375

00:15:10,829 --> 00:15:10,079

one of the compartments i was never read

376

00:15:12,470 --> 00:15:10,839

into

377

00:15:15,509 --> 00:15:12,480

specifically

378

00:15:17,910 --> 00:15:15,519

i believe because of my interest in the

379

00:15:19,430 --> 00:15:17,920

entire subject matter was a navy

380

00:15:20,310 --> 00:15:19,440

compartment

381

00:15:22,230 --> 00:15:20,320

and

382

00:15:24,710 --> 00:15:22,240

they purposely

383

00:15:26,550 --> 00:15:24,720

did not read me in in fact the control

384

00:15:30,069 --> 00:15:26,560

officer at cia

385

00:15:32,550 --> 00:15:30,079

made it plain and known to me plainly

386

00:15:35,590 --> 00:15:32,560

that the department of defense does not

387

00:15:38,829 --> 00:15:35,600

want you read into this compartment

388

00:15:42,069 --> 00:15:38,839

whereas i got all kinds of like 26

389

00:15:44,870 --> 00:15:42,079

others um that i was read into 26

390

00:15:48,069 --> 00:15:44,880

compartments um and this one they

391

00:15:49,829 --> 00:15:48,079

purposely denied me being read into so

392

00:15:51,110 --> 00:15:49,839

it leads me to wonder what's in that

393

00:15:52,069 --> 00:15:51,120

compartment

394

00:15:53,509 --> 00:15:52,079

yeah

395

00:15:55,110 --> 00:15:53,519

so i don't know but it's a navy

396

00:15:56,550 --> 00:15:55,120

compartment it has something to do with

397

00:15:57,910 --> 00:15:56,560

what's under the water

398

00:15:59,910 --> 00:15:57,920

that's interesting

399

00:16:01,829 --> 00:15:59,920

it makes me think of

400

00:16:03,350 --> 00:16:01,839

lewin when he talks about

401
00:16:06,389 --> 00:16:03,360
when he was

402
00:16:08,389 --> 00:16:06,399
um you know brought into what he did at

403
00:16:09,590 --> 00:16:08,399
um a-tip or whatever

404
00:16:11,749 --> 00:16:09,600
um

405
00:16:13,509 --> 00:16:11,759
he said they pretty much select him

406
00:16:15,749 --> 00:16:13,519
because he had absolutely no prior

407
00:16:17,760 --> 00:16:15,759
interest in any of them

408
00:16:19,430 --> 00:16:17,770
so maybe you're onto something

409
00:16:20,829 --> 00:16:19,440
[Laughter]

410
00:16:23,749 --> 00:16:20,839
perhaps

411
00:16:25,670 --> 00:16:23,759
um you know that kind of brings me to

412
00:16:28,870 --> 00:16:25,680
another question i wanted to ask about

413
00:16:31,829 --> 00:16:28,880

your time in the cia and how you kind of

414

00:16:34,629 --> 00:16:31,839

mentioned that there's a lot more people

415

00:16:36,629 --> 00:16:34,639

in the cia or intelligence community

416

00:16:39,350 --> 00:16:36,639

that were experiencers than we would

417

00:16:40,710 --> 00:16:39,360

ever really think or know and

418

00:16:42,550 --> 00:16:40,720

um

419

00:16:44,550 --> 00:16:42,560

you actually said it was uh

420

00:16:46,069 --> 00:16:44,560

you know like a magnet for experiencers

421

00:16:47,509 --> 00:16:46,079

you were just you know using that

422

00:16:50,470 --> 00:16:47,519

expression but

423

00:16:52,069 --> 00:16:50,480

um just to kind of give us a better

424

00:16:54,790 --> 00:16:52,079

kind of

425

00:16:56,870 --> 00:16:54,800

picture of what that means if you had to

426
00:16:59,749 --> 00:16:56,880
count how many experiencers you've met

427
00:17:01,990 --> 00:16:59,759
within ic how many would that be

428
00:17:04,150 --> 00:17:02,000
um i would say

429
00:17:05,750 --> 00:17:04,160
it's not in the hundreds it's not even i

430
00:17:10,150 --> 00:17:05,760
would say about a dozen

431
00:17:11,510 --> 00:17:10,160
okay people uh that i personally knew um

432
00:17:12,309 --> 00:17:11,520
that uh

433
00:17:14,870 --> 00:17:12,319
both

434
00:17:15,829 --> 00:17:14,880
while i was serving and in retirement

435
00:17:17,669 --> 00:17:15,839
um

436
00:17:19,510 --> 00:17:17,679
that have

437
00:17:20,870 --> 00:17:19,520
said to me that yes i was also an

438
00:17:23,189 --> 00:17:20,880

experiencer

439

00:17:24,949 --> 00:17:23,199

uh the ones that i knew while they were

440

00:17:27,590 --> 00:17:24,959

in service

441

00:17:30,230 --> 00:17:27,600

uh depending on where they were at

442

00:17:31,350 --> 00:17:30,240

uh they were very cautious about making

443

00:17:33,270 --> 00:17:31,360

that known

444

00:17:36,070 --> 00:17:33,280

that's true and so i remember this one

445

00:17:37,669 --> 00:17:36,080

gentleman a colleague of mine an nsa

446

00:17:39,830 --> 00:17:37,679

counterpart

447

00:17:42,470 --> 00:17:39,840

for what i did for cia that's

448

00:17:44,470 --> 00:17:42,480

counterpart at nsa

449

00:17:47,350 --> 00:17:44,480

revealed to me that

450

00:17:49,750 --> 00:17:47,360

they've actually seen craft land

451
00:17:51,110 --> 00:17:49,760
and that beings came out and he and his

452
00:17:53,590 --> 00:17:51,120
brother

453
00:17:57,270 --> 00:17:53,600
were witnesses to this event

454
00:17:59,590 --> 00:17:57,280
and so he was an active nsa officer

455
00:18:01,909 --> 00:17:59,600
a sign officer who

456
00:18:04,710 --> 00:18:01,919
did not want that known

457
00:18:07,510 --> 00:18:04,720
so that's an example of you know at nsa

458
00:18:09,669 --> 00:18:07,520
maybe he felt like

459
00:18:11,029 --> 00:18:09,679
that's not good for me to like reveal

460
00:18:13,590 --> 00:18:11,039
this information

461
00:18:15,909 --> 00:18:13,600
yeah and so if you talk to folks not

462
00:18:18,630 --> 00:18:15,919
just in the beltway within the beltway

463
00:18:20,549 --> 00:18:18,640

as we call it the big five agencies but

464

00:18:22,950 --> 00:18:20,559

if you talk to folks outside of that who

465

00:18:24,630 --> 00:18:22,960

are also in the technical intelligence

466

00:18:26,630 --> 00:18:24,640

field that i was in

467

00:18:28,390 --> 00:18:26,640

uh they will come to you and let you

468

00:18:29,830 --> 00:18:28,400

know that they're believers

469

00:18:31,430 --> 00:18:29,840

either they're believers because of

470

00:18:33,669 --> 00:18:31,440

something that they experience or the

471

00:18:35,830 --> 00:18:33,679

believers because of something that

472

00:18:38,470 --> 00:18:35,840

someone else experienced someone that

473

00:18:40,070 --> 00:18:38,480

they trust that they know intimately

474

00:18:41,190 --> 00:18:40,080

that they experienced it

475

00:18:43,350 --> 00:18:41,200

um so

476
00:18:45,510 --> 00:18:43,360
at those close associations where i had

477
00:18:46,950 --> 00:18:45,520
one-on-one contact i would say it

478
00:18:49,350 --> 00:18:46,960
doesn't but then

479
00:18:50,549 --> 00:18:49,360
uh as you recall i was uh the

480
00:18:53,110 --> 00:18:50,559
administrator one of the

481
00:18:54,549 --> 00:18:53,120
co-administrators of this uh database in

482
00:18:57,350 --> 00:18:54,559
lotus notes

483
00:18:59,510 --> 00:18:57,360
way before you know it was like twitter

484
00:19:01,190 --> 00:18:59,520
or facebook or anything we had loads

485
00:19:08,070 --> 00:19:01,200
notes

486
00:19:10,630 --> 00:19:08,080
we had this discussion database uh for

487
00:19:12,070 --> 00:19:10,640
technology you know basically like

488
00:19:13,350 --> 00:19:12,080

computer technology completely or

489

00:19:16,470 --> 00:19:13,360

hobbyist

490

00:19:18,549 --> 00:19:16,480

and uh so one one of the uh i guess you

491

00:19:19,830 --> 00:19:18,559

call them channels now was just a

492

00:19:22,710 --> 00:19:19,840

catch-all

493

00:19:23,510 --> 00:19:22,720

and there people were like post you know

494

00:19:25,909 --> 00:19:23,520

that

495

00:19:26,870 --> 00:19:25,919

you know yeah i i was in the remote

496

00:19:31,669 --> 00:19:26,880

viewing

497

00:19:33,029 --> 00:19:31,679

um i know this program has gone on for a

498

00:19:36,230 --> 00:19:33,039

long time

499

00:19:38,230 --> 00:19:36,240

um and the gentleman who was in the navy

500

00:19:41,029 --> 00:19:38,240

uh during the vietnam war saying you

501

00:19:42,950 --> 00:19:41,039

know i was on on board uss boston

502

00:19:44,789 --> 00:19:42,960

a cruiser heavy cruiser and we were in

503

00:19:46,470 --> 00:19:44,799

the gulf of tonkin and we fought off a

504

00:19:48,630 --> 00:19:46,480

ufo

505

00:19:50,470 --> 00:19:48,640

those kind of things that um they were

506

00:19:54,150 --> 00:19:50,480

like let me know about

507

00:19:56,230 --> 00:19:54,160

wow so everyone's like uh uss what

508

00:19:57,990 --> 00:19:56,240

right yeah and you know like i said i

509

00:19:59,270 --> 00:19:58,000

mean we had discussions about the

510

00:20:01,510 --> 00:19:59,280

anunnaki

511

00:20:03,669 --> 00:20:01,520

uh back when richard hoagland just came

512

00:20:06,070 --> 00:20:03,679

out with his monuments of mars book we

513

00:20:09,830 --> 00:20:06,080

talked about that and complaining like

514

00:20:11,909 --> 00:20:09,840

why can't nasa go there instead of like

515

00:20:13,590 --> 00:20:11,919

yeah going somewhere else this is where

516

00:20:14,710 --> 00:20:13,600

the interesting stuff is why don't they

517

00:20:18,149 --> 00:20:14,720

go there

518

00:20:20,549 --> 00:20:18,159

um i was wondering out loud actually um

519

00:20:22,710 --> 00:20:20,559

why doesn't the intelligence community

520

00:20:24,950 --> 00:20:22,720

loan out one of its satellites to nasa

521

00:20:26,160 --> 00:20:24,960

they do so much better and later i found

522

00:20:27,590 --> 00:20:26,170

that we did loan out

523

00:20:30,149 --> 00:20:27,600

[Laughter]

524

00:20:31,430 --> 00:20:30,159

i think it was a few satellites that we

525

00:20:34,070 --> 00:20:31,440

loaned out to

526

00:20:36,230 --> 00:20:34,080

to nasa from nro to nasa transfer the

527

00:20:38,230 --> 00:20:36,240

technology whether they use the cell

528

00:20:40,390 --> 00:20:38,240

lights themselves i don't know but the

529

00:20:42,310 --> 00:20:40,400

technology is what's important

530

00:20:44,950 --> 00:20:42,320

right right right so yeah like half

531

00:20:47,430 --> 00:20:44,960

meter or better resolution per pixel

532

00:20:48,470 --> 00:20:47,440

back in the day so it's even better now

533

00:20:50,870 --> 00:20:48,480

but uh

534

00:20:52,950 --> 00:20:50,880

yeah interesting i think um to think

535

00:20:54,870 --> 00:20:52,960

that nasa maybe doesn't know more than

536

00:20:56,470 --> 00:20:54,880

they lead on would

537

00:20:58,630 --> 00:20:56,480

maybe

538

00:21:00,870 --> 00:20:58,640

be a little silly don't you think i

539

00:21:03,510 --> 00:21:00,880

think it is because recently you know

540

00:21:05,029 --> 00:21:03,520

when uh they knew the uap task force

541

00:21:05,990 --> 00:21:05,039

report was coming out

542

00:21:08,950 --> 00:21:06,000

uh

543

00:21:11,830 --> 00:21:08,960

i i believe nasa was kind of

544

00:21:14,549 --> 00:21:11,840

within in-house they were cueing their

545

00:21:17,190 --> 00:21:14,559

uh spokespeople or officials

546

00:21:18,950 --> 00:21:17,200

right you might be asked to comment on

547

00:21:20,149 --> 00:21:18,960

the uap task force and here's what

548

00:21:22,390 --> 00:21:20,159

you're going to say

549

00:21:23,909 --> 00:21:22,400

you know and those are affordable

550

00:21:25,430 --> 00:21:23,919

documents now and

551
00:21:27,110 --> 00:21:25,440
things are like

552
00:21:28,950 --> 00:21:27,120
blocked out

553
00:21:30,870 --> 00:21:28,960
and things that they forgot to block out

554
00:21:34,070 --> 00:21:30,880
in another version of that document you

555
00:21:35,190 --> 00:21:34,080
know right uh so

556
00:21:39,909 --> 00:21:35,200
there's

557
00:21:42,149 --> 00:21:39,919
treasure uh gems and those documents as

558
00:21:43,750 --> 00:21:42,159
well it's what nasa actually knows

559
00:21:45,270 --> 00:21:43,760
yeah and

560
00:21:48,230 --> 00:21:45,280
you know just even going through old

561
00:21:50,549 --> 00:21:48,240
like blue book documents um i've found

562
00:21:52,549 --> 00:21:50,559
them a couple times mentioned here and

563
00:21:55,590 --> 00:21:52,559

there um one was actually an

564

00:21:56,830 --> 00:21:55,600

investigation all the way in australia

565

00:21:59,430 --> 00:21:56,840

which was in

566

00:22:01,830 --> 00:21:59,440

1964 uh there were like two nasa

567

00:22:03,430 --> 00:22:01,840

engineers out there with um

568

00:22:05,909 --> 00:22:03,440

dr sipple was his name the guy who

569

00:22:07,430 --> 00:22:05,919

coined the term windchill

570

00:22:10,230 --> 00:22:07,440

which which is interesting they were

571

00:22:12,870 --> 00:22:10,240

investigating a landing out there so

572

00:22:14,789 --> 00:22:12,880

that was pretty interesting um

573

00:22:17,350 --> 00:22:14,799

and i think it was i forget the guy's

574

00:22:21,029 --> 00:22:17,360

name but it was one guy who

575

00:22:22,310 --> 00:22:21,039

um was flying an x-15 and caught ufos on

576

00:22:23,669 --> 00:22:22,320

the camera

577

00:22:25,590 --> 00:22:23,679

and

578

00:22:27,909 --> 00:22:25,600

nasa had worked with the air force to

579

00:22:29,350 --> 00:22:27,919

release this to the public and that was

580

00:22:31,909 --> 00:22:29,360

pretty interesting too i forget the

581

00:22:34,149 --> 00:22:31,919

guy's name now but and you know but this

582

00:22:35,510 --> 00:22:34,159

is also old school all my knowledge is

583

00:22:37,830 --> 00:22:35,520

you think you don't know anything

584

00:22:42,950 --> 00:22:37,840

anymore because it's 2009

585

00:22:45,590 --> 00:22:43,990

so

586

00:22:48,149 --> 00:22:45,600

um

587

00:22:50,149 --> 00:22:48,159

i wanted to talk a I wait first of all

588

00:22:52,310 --> 00:22:50,159

is one of those experiences john brennan

589

00:22:53,029 --> 00:22:52,320

by chance in the cia i don't know who he

590

00:22:56,789 --> 00:22:53,039

is

591

00:22:59,669 --> 00:22:56,799

john grenin john brennan oh john brennan

592

00:23:01,830 --> 00:22:59,679

uh no i have not talked to john brennan

593

00:23:03,990 --> 00:23:01,840

about his experiences

594

00:23:06,470 --> 00:23:04,000

okay i have met him but i have not

595

00:23:08,710 --> 00:23:06,480

talked to him about it um i met him uh

596

00:23:11,830 --> 00:23:08,720

at a reunion

597

00:23:13,909 --> 00:23:11,840

and so every year i i did receive my

598

00:23:14,950 --> 00:23:13,919

invitation this past year because of

599

00:23:17,350 --> 00:23:14,960

covet

600

00:23:19,590 --> 00:23:17,360

uh but at least uh in august of 2016 i

601
00:23:23,830 --> 00:23:19,600
was invited back to cia headquarters and

602
00:23:25,270 --> 00:23:23,840
i've purposely not responded rsvp to

603
00:23:27,270 --> 00:23:25,280
these invitations

604
00:23:28,789 --> 00:23:27,280
to do a one-day trip back to cia

605
00:23:30,149 --> 00:23:28,799
headquarters you know they could bring

606
00:23:34,710 --> 00:23:30,159
all the

607
00:23:36,630 --> 00:23:34,720
some not so old but you know retirees

608
00:23:38,470 --> 00:23:36,640
back together who served and we get a

609
00:23:40,070 --> 00:23:38,480
full days of briefing of what's going on

610
00:23:42,470 --> 00:23:40,080
at cia

611
00:23:45,029 --> 00:23:42,480
and so i decided to go uh primarily

612
00:23:46,390 --> 00:23:45,039
because it was august of 2016

613
00:23:48,830 --> 00:23:46,400

and i

614

00:23:51,990 --> 00:23:48,840

understood that john brennan would

615

00:23:54,549 --> 00:23:52,000

describe uh the briefing process

616

00:23:56,789 --> 00:23:54,559

to the two candidates uh then candidate

617

00:23:59,669 --> 00:23:56,799

hillary clinton and then candidate uh

618

00:24:01,430 --> 00:23:59,679

donald trump uh what the process was to

619

00:24:05,669 --> 00:24:01,440

brief them

620

00:24:08,070 --> 00:24:05,679

and so i was interested in that and i i

621

00:24:10,310 --> 00:24:08,080

don't think it's not classified because

622

00:24:12,390 --> 00:24:10,320

it's an unclassified environment

623

00:24:14,950 --> 00:24:12,400

but john brennan said that the agency

624

00:24:16,630 --> 00:24:14,960

was very reluctant to brief the clinton

625

00:24:18,710 --> 00:24:16,640

team

626

00:24:20,950 --> 00:24:18,720

and uh president obama said you will

627

00:24:22,789 --> 00:24:20,960

brief the clinton team primarily because

628

00:24:24,789 --> 00:24:22,799

the agency was upset about the way she

629

00:24:26,549 --> 00:24:24,799

handled classified information right

630

00:24:28,710 --> 00:24:26,559

right so i don't know if this is going

631

00:24:30,549 --> 00:24:28,720

to be headline used somewhere but i mean

632

00:24:33,110 --> 00:24:30,559

that's it's not news

633

00:24:35,269 --> 00:24:33,120

right um but you know i was surprised by

634

00:24:36,310 --> 00:24:35,279

that and i raised my hand and asked mr

635

00:24:40,230 --> 00:24:36,320

brennan

636

00:24:42,710 --> 00:24:40,240

uh to what level are these candidates

637

00:24:44,549 --> 00:24:42,720

cleared to and he says to the very top

638

00:24:47,430 --> 00:24:44,559

at tts sci

639

00:24:51,350 --> 00:24:47,440

so they get top secret sci briefings

640

00:24:53,350 --> 00:24:51,360

uh prior to them assuming office

641

00:24:55,669 --> 00:24:53,360

um because you just don't know what's

642

00:24:57,269 --> 00:24:55,679

gonna happen so they you don't know

643

00:24:59,350 --> 00:24:57,279

what's gonna happen you don't know who's

644

00:25:00,789 --> 00:24:59,360

going to actually win the election

645

00:25:03,029 --> 00:25:00,799

so they want to bring everybody up to

646

00:25:04,950 --> 00:25:03,039

speed so on day one

647

00:25:06,710 --> 00:25:04,960

that they know what's going on

648

00:25:08,870 --> 00:25:06,720

um so i was surprised that they were

649

00:25:10,470 --> 00:25:08,880

being briefed to that level

650

00:25:12,710 --> 00:25:10,480

um but i don't i don't think they get

651

00:25:14,789 --> 00:25:12,720

the uap ufo briefing until yeah

652

00:25:16,149 --> 00:25:14,799

afterwards you just took that question

653

00:25:17,510 --> 00:25:16,159

right out of my head i was going to say

654

00:25:19,750 --> 00:25:17,520

they probably brief them on the most

655

00:25:22,310 --> 00:25:19,760

important things yeah i think uaps would

656

00:25:23,669 --> 00:25:22,320

be a part of that but yeah

657

00:25:26,549 --> 00:25:23,679

that would probably be the one that

658

00:25:29,590 --> 00:25:26,559

they'd hold off on

659

00:25:31,909 --> 00:25:29,600

just in case um

660

00:25:33,350 --> 00:25:31,919

a little bit about

661

00:25:35,590 --> 00:25:33,360

no and the reason i brought that up is

662

00:25:37,269 --> 00:25:35,600

because john brennan's comment was uh

663

00:25:38,470 --> 00:25:37,279

kind of breathtaking i'm sure you

664

00:25:40,789 --> 00:25:38,480

remember that

665

00:25:43,750 --> 00:25:40,799

where you know he was talking about the

666

00:25:45,669 --> 00:25:43,760

the uaps and it might constitute another

667

00:25:46,789 --> 00:25:45,679

form of life

668

00:25:49,510 --> 00:25:46,799

yeah

669

00:25:51,990 --> 00:25:49,520

i don't think someone with his stature

670

00:25:52,870 --> 00:25:52,000

says something like that if it's not

671

00:25:55,190 --> 00:25:52,880

well

672

00:25:56,390 --> 00:25:55,200

you gotta assume that he knows exactly

673

00:25:58,710 --> 00:25:56,400

the full story

674

00:26:00,950 --> 00:25:58,720

um that's what i assume and when i met

675

00:26:03,269 --> 00:26:00,960

him it's not like i had a substantive

676

00:26:06,230 --> 00:26:03,279

discussion he just shook my hand and

677

00:26:08,390 --> 00:26:06,240

said you know welcome back to cia yeah

678

00:26:10,710 --> 00:26:08,400

i'm happy to be here thank you very much

679

00:26:12,390 --> 00:26:10,720

mr brennan you know that kind of thing

680

00:26:14,549 --> 00:26:12,400

and then i did ask him the question in

681

00:26:17,269 --> 00:26:14,559

the auditorium which we call the bubble

682

00:26:18,390 --> 00:26:17,279

the auditorium of the gathered retirees

683

00:26:20,789 --> 00:26:18,400

but um

684

00:26:27,190 --> 00:26:23,750

i i always i've always believed that

685

00:26:28,870 --> 00:26:27,200

these directors are brief to that level

686

00:26:31,510 --> 00:26:28,880

um but

687

00:26:32,870 --> 00:26:31,520

they have plausible deniability

688

00:26:34,230 --> 00:26:32,880

uh

689

00:26:35,909 --> 00:26:34,240

they can just say

690

00:26:38,710 --> 00:26:35,919

i can't comment on it or i don't know

691

00:26:41,750 --> 00:26:38,720

much about it i mean

692

00:26:44,070 --> 00:26:41,760

have you been briefed about whatever and

693

00:26:45,590 --> 00:26:44,080

see if they say yes or no and they won't

694

00:26:46,470 --> 00:26:45,600

lie to you they will deflect that

695

00:26:47,510 --> 00:26:46,480

question

696

00:26:49,750 --> 00:26:47,520

right

697

00:26:50,789 --> 00:26:49,760

you know with a different answer

698

00:26:53,029 --> 00:26:50,799

yeah

699

00:26:55,590 --> 00:26:53,039

you know but uh since

700

00:26:57,990 --> 00:26:55,600

this is the value of having

701
00:27:00,710 --> 00:26:58,000
that new york times article come out in

702
00:27:02,230 --> 00:27:00,720
december of 2017 and then having the

703
00:27:04,630 --> 00:27:02,240
videos come out

704
00:27:05,590 --> 00:27:04,640
because then you have incontrovertible

705
00:27:07,350 --> 00:27:05,600
uh

706
00:27:10,149 --> 00:27:07,360
proof that there's something flying up

707
00:27:11,669 --> 00:27:10,159
there and you can't say it's

708
00:27:13,510 --> 00:27:11,679
you know swamp gas or anything or

709
00:27:15,909 --> 00:27:13,520
temperature versions you're looking at

710
00:27:17,669 --> 00:27:15,919
planet venus or whatever they have to

711
00:27:20,070 --> 00:27:17,679
address it and i think it gives them a

712
00:27:21,430 --> 00:27:20,080
little bit more top cover to say

713
00:27:23,269 --> 00:27:21,440

something like that

714

00:27:25,190 --> 00:27:23,279

without really revealing anything that

715

00:27:27,350 --> 00:27:25,200

we don't already know

716

00:27:29,430 --> 00:27:27,360

right that's a good point

717

00:27:31,750 --> 00:27:29,440

so i think uh

718

00:27:33,669 --> 00:27:31,760

i welcome that if if these officials who

719

00:27:35,190 --> 00:27:33,679

are currently serving or have served in

720

00:27:37,110 --> 00:27:35,200

these high positions

721

00:27:38,789 --> 00:27:37,120

can reveal things like that that we

722

00:27:39,990 --> 00:27:38,799

already know at least it gives us some

723

00:27:40,789 --> 00:27:40,000

validation

724

00:27:42,710 --> 00:27:40,799

that

725

00:27:44,549 --> 00:27:42,720

it's not a conspiracy theory or anything

726

00:27:47,190 --> 00:27:44,559

there might be some modicum

727

00:27:49,190 --> 00:27:47,200

of of truth there

728

00:27:51,909 --> 00:27:49,200

and they may not reveal everything but

729

00:27:53,830 --> 00:27:51,919

they certainly do shine a a strong light

730

00:27:55,909 --> 00:27:53,840

at the answers

731

00:27:57,990 --> 00:27:55,919

that then we can go and investigate or

732

00:27:59,350 --> 00:27:58,000

ask others about

733

00:28:01,430 --> 00:27:59,360

you're right because yeah obama made

734

00:28:03,190 --> 00:28:01,440

that comment too about their stings in

735

00:28:05,750 --> 00:28:03,200

our skies we don't know what they are

736

00:28:07,909 --> 00:28:05,760

that's information that's out already

737

00:28:09,269 --> 00:28:07,919

yeah yeah exactly yeah that's a good

738

00:28:10,470 --> 00:28:09,279

point yeah

739

00:28:13,269 --> 00:28:10,480

um

740

00:28:14,310 --> 00:28:13,279

i wanted to touch on your

741

00:28:16,789 --> 00:28:14,320

um

742

00:28:17,669 --> 00:28:16,799

experiences just a little bit

743

00:28:19,430 --> 00:28:17,679

and

744

00:28:21,510 --> 00:28:19,440

i know it seems like you know when you

745

00:28:23,269 --> 00:28:21,520

get um

746

00:28:25,750 --> 00:28:23,279

downloads or

747

00:28:27,909 --> 00:28:25,760

um have some sort of communication with

748

00:28:28,710 --> 00:28:27,919

the beings that you interact with or or

749

00:28:30,789 --> 00:28:28,720

see

750

00:28:31,750 --> 00:28:30,799

um there's a message kind of attached

751
00:28:34,950 --> 00:28:31,760
with it

752
00:28:37,110 --> 00:28:34,960
and i know you've said that it's

753
00:28:38,310 --> 00:28:37,120
kind of based around things like be good

754
00:28:40,230 --> 00:28:38,320
to the earth

755
00:28:41,830 --> 00:28:40,240
you know be good to each other

756
00:28:43,669 --> 00:28:41,840
um

757
00:28:45,750 --> 00:28:43,679
is there does it ever come with more

758
00:28:48,230 --> 00:28:45,760
detail is there anything that's ever

759
00:28:50,149 --> 00:28:48,240
like shocking to you that

760
00:28:51,990 --> 00:28:50,159
no nothing like that

761
00:28:53,669 --> 00:28:52,000
or visions or anything

762
00:28:55,669 --> 00:28:53,679
uh nothing like that

763
00:28:58,230 --> 00:28:55,679

i've only had one vision and i don't

764

00:28:59,590 --> 00:28:58,240

know

765

00:29:01,510 --> 00:28:59,600

what the nature

766

00:29:02,549 --> 00:29:01,520

of that message was

767

00:29:04,789 --> 00:29:02,559

i don't know if it's something that

768

00:29:06,789 --> 00:29:04,799

happened in the past or something that's

769

00:29:09,669 --> 00:29:06,799

going to happen in the future

770

00:29:12,950 --> 00:29:09,679

um but when i say downloads don't think

771

00:29:14,389 --> 00:29:12,960

of it as you know like all of a sudden

772

00:29:18,710 --> 00:29:14,399

this

773

00:29:19,590 --> 00:29:18,720

bulb shines over my head it's not like

774

00:29:22,470 --> 00:29:19,600

that

775

00:29:25,029 --> 00:29:22,480

it's a strong strong feeling

776

00:29:27,590 --> 00:29:25,039

yeah it's a spine tingling feeling and

777

00:29:31,350 --> 00:29:27,600

it you

778

00:29:33,510 --> 00:29:31,360

i feel it with the force of conviction

779

00:29:36,070 --> 00:29:33,520

and then that gives me grounds to go

780

00:29:38,389 --> 00:29:36,080

into further meditation about it

781

00:29:41,430 --> 00:29:38,399

maybe at that time or later

782

00:29:43,750 --> 00:29:41,440

to try to sort out for myself is there a

783

00:29:45,590 --> 00:29:43,760

meaning for me about it or

784

00:29:48,549 --> 00:29:45,600

is this something that i can discard

785

00:29:49,590 --> 00:29:48,559

that may not have any relevance to me

786

00:29:51,990 --> 00:29:49,600

right

787

00:29:53,990 --> 00:29:52,000

so what i've been doing is

788

00:29:55,909 --> 00:29:54,000

mindful meditation is different in that

789

00:29:58,230 --> 00:29:55,919

you go in with the intent

790

00:29:59,830 --> 00:29:58,240

of having a question that you want an

791

00:30:01,750 --> 00:29:59,840

answer for

792

00:30:04,789 --> 00:30:01,760

and it's a little bit deeper for me to

793

00:30:08,149 --> 00:30:04,799

go into that type of meditation

794

00:30:11,510 --> 00:30:08,159

when i do that then i do see uh clearly

795

00:30:14,549 --> 00:30:11,520

i see outlines of things

796

00:30:17,510 --> 00:30:14,559

uh or actual scenes so the one scene

797

00:30:19,110 --> 00:30:17,520

that i had was like uh i'd like a tidal

798

00:30:20,870 --> 00:30:19,120

wave

799

00:30:24,950 --> 00:30:20,880

coming across the earth and this was

800

00:30:27,909 --> 00:30:24,960

like uh after uh fukushima you know the

801
00:30:30,470 --> 00:30:27,919
big tsunami they had in japan this was

802
00:30:32,789 --> 00:30:30,480
after that it was after indonesia there

803
00:30:35,590 --> 00:30:32,799
was another tsunami that

804
00:30:38,230 --> 00:30:35,600
brought death and destruction

805
00:30:40,549 --> 00:30:38,240
in indonesia and this is after that this

806
00:30:42,549 --> 00:30:40,559
is like almost like

807
00:30:46,070 --> 00:30:42,559
here the united states

808
00:30:48,070 --> 00:30:46,080
where i just saw this big wave of water

809
00:30:50,470 --> 00:30:48,080
engulfing cities

810
00:30:52,630 --> 00:30:50,480
now i've been trying to think did i see

811
00:30:55,029 --> 00:30:52,640
any movies like that maybe i saw a movie

812
00:30:57,269 --> 00:30:55,039
and it's just recalling a movie or maybe

813
00:30:59,750 --> 00:30:57,279

um the movie was to

814

00:31:01,509 --> 00:30:59,760

the the thought or memory of the movie

815

00:31:04,470 --> 00:31:01,519

was just to bring home that something

816

00:31:06,549 --> 00:31:04,480

like this could happen and what i saw in

817

00:31:07,509 --> 00:31:06,559

my mind is not actually what's going to

818

00:31:09,750 --> 00:31:07,519

happen

819

00:31:12,389 --> 00:31:09,760

but the idea that you know something

820

00:31:14,630 --> 00:31:12,399

catastrophic might happen

821

00:31:17,350 --> 00:31:14,640

um that maybe that was it but that's the

822

00:31:20,470 --> 00:31:17,360

only time where i felt like it was like

823

00:31:23,350 --> 00:31:20,480

a disturbing kind of

824

00:31:25,110 --> 00:31:23,360

imagery that entered my mind other times

825

00:31:27,190 --> 00:31:25,120

it's more like

826

00:31:29,590 --> 00:31:27,200

very positive

827

00:31:30,470 --> 00:31:29,600

very much the message of caring for the

828

00:31:33,110 --> 00:31:30,480

earth

829

00:31:35,430 --> 00:31:33,120

um the uh caring for the climate and

830

00:31:37,830 --> 00:31:35,440

things like that and caring for myself

831

00:31:38,630 --> 00:31:37,840

nutrition wise health-wise

832

00:31:40,630 --> 00:31:38,640

yeah

833

00:31:42,870 --> 00:31:40,640

you know i it's it's interesting that

834

00:31:44,870 --> 00:31:42,880

you said that about the tidal wave and

835

00:31:47,990 --> 00:31:44,880

you know i think

836

00:31:50,149 --> 00:31:48,000

anytime i have something like that

837

00:31:52,710 --> 00:31:50,159

you know you always try to play it off

838

00:31:54,950 --> 00:31:52,720

like maybe it was this or was that but

839

00:31:57,110 --> 00:31:54,960

if you think about you know experiencers

840

00:32:00,070 --> 00:31:57,120

in a common theme with experiencers who

841

00:32:02,789 --> 00:32:00,080

have maybe really strong visions or

842

00:32:08,070 --> 00:32:05,990

they tend to be somewhat apocalyptic

843

00:32:11,190 --> 00:32:08,080

you know

844

00:32:12,470 --> 00:32:11,200

and that's something i've noticed and

845

00:32:14,710 --> 00:32:12,480

you know what does that mean does that

846

00:32:16,070 --> 00:32:14,720

mean something like that will happen or

847

00:32:17,669 --> 00:32:16,080

is it

848

00:32:20,310 --> 00:32:17,679

yeah it's it's hard to determine what

849

00:32:22,710 --> 00:32:20,320

that is because if you really accept it

850

00:32:25,269 --> 00:32:22,720

for what it is it's um pretty

851
00:32:27,029 --> 00:32:25,279
frightening so

852
00:32:29,350 --> 00:32:27,039
you know i wonder if sometimes it's just

853
00:32:31,750 --> 00:32:29,360
some sort of subconscious fear-based

854
00:32:32,630 --> 00:32:31,760
thing about your own life possibly i

855
00:32:35,190 --> 00:32:32,640
don't know

856
00:32:37,430 --> 00:32:35,200
yeah that's that's uh a good place to

857
00:32:39,990 --> 00:32:37,440
explore of you know these are personal

858
00:32:43,190 --> 00:32:40,000
messages and what do they mean to me

859
00:32:45,909 --> 00:32:43,200
or is there any relevance for me um is

860
00:32:47,909 --> 00:32:45,919
it a warning for myself you know that i

861
00:32:50,149 --> 00:32:47,919
should stop doing something or start

862
00:32:52,630 --> 00:32:50,159
doing something to prevent

863
00:32:54,870 --> 00:32:52,640

uh maybe a health impact

864

00:32:57,669 --> 00:32:54,880

the mind curves and so this is just a

865

00:33:00,789 --> 00:32:57,679

metaphor for that health impact

866

00:33:03,029 --> 00:33:00,799

so it may not be this this literal tidal

867

00:33:05,269 --> 00:33:03,039

wave you know it could be that it could

868

00:33:07,669 --> 00:33:05,279

be an emotion that you know you're

869

00:33:10,149 --> 00:33:07,679

you're going to be faced with

870

00:33:12,710 --> 00:33:10,159

an emotional crisis that will overwhelm

871

00:33:14,630 --> 00:33:12,720

you and we're just letting you know that

872

00:33:16,149 --> 00:33:14,640

this might be happening to you and you

873

00:33:17,909 --> 00:33:16,159

can mitigate it now there are things you

874

00:33:20,230 --> 00:33:17,919

can do to prevent that

875

00:33:22,789 --> 00:33:20,240

that could be too as well

876

00:33:24,389 --> 00:33:22,799

i've had the the tidal wave thing which

877

00:33:26,230 --> 00:33:24,399

is interesting because i think there's

878

00:33:29,350 --> 00:33:26,240

another thing that we shared about like

879

00:33:30,310 --> 00:33:29,360

two little tornadoes or something yes

880

00:33:32,870 --> 00:33:30,320

yeah

881

00:33:35,509 --> 00:33:32,880

interesting yes there's a woman in this

882

00:33:37,990 --> 00:33:35,519

that a woman came and

883

00:33:41,590 --> 00:33:38,000

she brought tornadoes with her two

884

00:33:43,909 --> 00:33:41,600

little ones like not just oh yeah f5

885

00:33:47,110 --> 00:33:43,919

i didn't see that i literally saw a

886

00:33:48,950 --> 00:33:47,120

tornado like a column of um

887

00:33:51,269 --> 00:33:48,960

uh of

888

00:33:53,669 --> 00:33:51,279

wind a whirlwind right in front of me

889

00:33:56,389 --> 00:33:53,679

and she herself started turning around

890

00:33:59,190 --> 00:33:56,399

like a tornado wow

891

00:34:00,789 --> 00:33:59,200

um and then she the tornadoes in her

892

00:34:03,509 --> 00:34:00,799

went down

893

00:34:07,190 --> 00:34:03,519

down these steps which were very dark

894

00:34:08,950 --> 00:34:07,200

and these steps like uh led to

895

00:34:10,470 --> 00:34:08,960

um

896

00:34:13,990 --> 00:34:10,480

i

897

00:34:15,669 --> 00:34:14,000

dc

898

00:34:16,869 --> 00:34:15,679

something people don't know about me but

899

00:34:22,470 --> 00:34:16,879

i'm a

900

00:34:26,550 --> 00:34:25,109

yeah so i remember some of these clubs

901
00:34:28,230 --> 00:34:26,560
you know they're dark and dingy and you

902
00:34:29,829 --> 00:34:28,240
go down it's like

903
00:34:31,669 --> 00:34:29,839
peeling on the walls and stuff and

904
00:34:33,909 --> 00:34:31,679
graffiti all that that's that's the

905
00:34:36,790 --> 00:34:33,919
feeling i got going down there i was

906
00:34:39,190 --> 00:34:36,800
going to a very cool goth club you know

907
00:34:40,790 --> 00:34:39,200
so but you know that vision ended right

908
00:34:41,990 --> 00:34:40,800
at that point where i was going down and

909
00:34:47,190 --> 00:34:42,000
following her

910
00:34:52,230 --> 00:34:50,710
do when you you know

911
00:34:54,950 --> 00:34:52,240
when you have these visions or when you

912
00:34:56,149 --> 00:34:54,960
see the beings is it

913
00:34:59,270 --> 00:34:56,159

are there any

914

00:35:02,390 --> 00:34:59,280

emotional attachments to this or is it

915

00:35:04,710 --> 00:35:02,400

all just like mental or

916

00:35:07,030 --> 00:35:04,720

consciousness or do you ever have like

917

00:35:09,670 --> 00:35:07,040

joy or sadness or

918

00:35:12,230 --> 00:35:09,680

um and does it stick with you well past

919

00:35:13,430 --> 00:35:12,240

the episode

920

00:35:16,470 --> 00:35:13,440

i don't

921

00:35:18,470 --> 00:35:16,480

remember in emotion so much as i was

922

00:35:20,470 --> 00:35:18,480

just like

923

00:35:22,310 --> 00:35:20,480

looking at me outside of me you know

924

00:35:24,950 --> 00:35:22,320

it's almost like

925

00:35:27,430 --> 00:35:24,960

i'm experiencing this as me but i'm also

926
00:35:29,349 --> 00:35:27,440
experiencing it uh in the third person

927
00:35:30,870 --> 00:35:29,359
that i'm watching this person having

928
00:35:33,430 --> 00:35:30,880
this experience

929
00:35:36,230 --> 00:35:33,440
yeah so it's coming from two places

930
00:35:38,870 --> 00:35:36,240
and i didn't attach any emotion to it

931
00:35:41,430 --> 00:35:38,880
whatsoever because

932
00:35:44,390 --> 00:35:41,440
when i had these experiences the voices

933
00:35:46,470 --> 00:35:44,400
were always very reassuring

934
00:35:47,910 --> 00:35:46,480
uh that no harm will come to me that we

935
00:35:49,270 --> 00:35:47,920
just want to find out how you are we

936
00:35:50,310 --> 00:35:49,280
just want to check you out don't be

937
00:35:52,710 --> 00:35:50,320
afraid

938
00:35:54,550 --> 00:35:52,720

right now the exception to that was when

939

00:35:56,390 --> 00:35:54,560

i was annoyed

940

00:35:57,589 --> 00:35:56,400

about being woken up

941

00:36:01,589 --> 00:35:57,599

one night

942

00:36:04,870 --> 00:36:01,599

and i saw uh a being coming toward me

943

00:36:06,710 --> 00:36:04,880

that again i see sarian or reptilian or

944

00:36:09,190 --> 00:36:06,720

sorry on tight beans

945

00:36:10,710 --> 00:36:09,200

and this one i just was annoyed and i

946

00:36:12,310 --> 00:36:10,720

punched them i was just fighting them

947

00:36:13,510 --> 00:36:12,320

off you know just leave me alone i want

948

00:36:15,990 --> 00:36:13,520

to go to sleep

949

00:36:18,069 --> 00:36:16,000

holy crap um and so

950

00:36:19,589 --> 00:36:18,079

that ended and the next morning i had

951
00:36:21,030 --> 00:36:19,599
claw marks

952
00:36:22,230 --> 00:36:21,040
on this arm

953
00:36:24,870 --> 00:36:22,240
wow

954
00:36:26,390 --> 00:36:24,880
like so i don't know of where where the

955
00:36:28,710 --> 00:36:26,400
claw marks came from

956
00:36:30,550 --> 00:36:28,720
i imagine uh skeptics and debunkers

957
00:36:32,630 --> 00:36:30,560
would say that yo yeah you were just

958
00:36:34,390 --> 00:36:32,640
clawing yourself how are you scraped

959
00:36:36,630 --> 00:36:34,400
your arm on something but

960
00:36:39,030 --> 00:36:36,640
yeah they were there yeah that'd be a

961
00:36:40,630 --> 00:36:39,040
full-time job appeasing uh debunkers

962
00:36:42,550 --> 00:36:40,640
yeah

963
00:36:45,190 --> 00:36:42,560

well the good news good news about that

964

00:36:48,150 --> 00:36:45,200

sean was that after i had that

965

00:36:51,270 --> 00:36:48,160

um i started seeing uh i don't i didn't

966

00:36:54,310 --> 00:36:51,280

see orbs in my bedroom i saw this cloud

967

00:36:56,870 --> 00:36:54,320

a green cloud up here a green mist i

968

00:36:58,630 --> 00:36:56,880

would wake up and see this green mist

969

00:37:00,310 --> 00:36:58,640

with uh

970

00:37:01,430 --> 00:37:00,320

like

971

00:37:04,069 --> 00:37:01,440

bright

972

00:37:05,510 --> 00:37:04,079

but still green tinted sparkles inside

973

00:37:07,670 --> 00:37:05,520

that mist

974

00:37:09,670 --> 00:37:07,680

and i when i looked at it talking about

975

00:37:12,470 --> 00:37:09,680

emotions you asked me before

976
00:37:15,030 --> 00:37:12,480
when i looked at it i felt like um more

977
00:37:16,950 --> 00:37:15,040
of a protective sense that it was here

978
00:37:17,829 --> 00:37:16,960
to protect me

979
00:37:20,230 --> 00:37:17,839
so

980
00:37:23,349 --> 00:37:20,240
that that occurred that's probably the

981
00:37:24,710 --> 00:37:23,359
only emotion or any kind of emotive

982
00:37:26,550 --> 00:37:24,720
feeling i had

983
00:37:28,310 --> 00:37:26,560
from any kind of phenomenon experience

984
00:37:31,349 --> 00:37:28,320
like that yeah

985
00:37:33,829 --> 00:37:31,359
i wonder if some of these beings are

986
00:37:35,030 --> 00:37:33,839
individuals just like we are like there

987
00:37:39,670 --> 00:37:35,040
could be

988
00:37:40,550 --> 00:37:39,680

a not so nice sorry and or in a nice one

989

00:37:42,390 --> 00:37:40,560

or

990

00:37:44,550 --> 00:37:42,400

you know where they

991

00:37:46,390 --> 00:37:44,560

they're not all the same

992

00:37:48,390 --> 00:37:46,400

you know so maybe you could have a good

993

00:37:50,710 --> 00:37:48,400

experience with one and a bad experience

994

00:37:53,270 --> 00:37:50,720

with another that could be i i don't

995

00:37:56,150 --> 00:37:53,280

know i it's hard to explain um

996

00:37:59,349 --> 00:37:56,160

i know uh there are experiencers who've

997

00:38:01,109 --> 00:37:59,359

had less than pleasant experiences right

998

00:38:03,910 --> 00:38:01,119

and their experiences who have nothing

999

00:38:05,349 --> 00:38:03,920

but experiences with with what i guess

1000

00:38:07,349 --> 00:38:05,359

they would call space brothers and

1001

00:38:10,230 --> 00:38:07,359

sisters you know that they're here to

1002

00:38:11,430 --> 00:38:10,240

help us and they're wonderful people and

1003

00:38:14,790 --> 00:38:11,440

um they're

1004

00:38:15,990 --> 00:38:14,800

beings of such high level consciousness

1005

00:38:18,790 --> 00:38:16,000

um

1006

00:38:21,430 --> 00:38:18,800

so it's the runs the full gamut so maybe

1007

00:38:24,150 --> 00:38:21,440

there are like personalities

1008

00:38:25,430 --> 00:38:24,160

within them uh i don't know

1009

00:38:27,670 --> 00:38:25,440

yeah you would

1010

00:38:30,470 --> 00:38:27,680

yeah how would you know i guess and it's

1011

00:38:32,950 --> 00:38:30,480

so easy to to just like kind of picture

1012

00:38:34,950 --> 00:38:32,960

things or other beings non-human

1013

00:38:36,950 --> 00:38:34,960

entities and kind of attach

1014

00:38:39,030 --> 00:38:36,960

our own qualities to them

1015

00:38:40,950 --> 00:38:39,040

which may not be the smartest thing to

1016

00:38:43,030 --> 00:38:40,960

do especially if they're from somewhere

1017

00:38:45,190 --> 00:38:43,040

else in the galaxy

1018

00:38:47,510 --> 00:38:45,200

yeah you know

1019

00:38:49,589 --> 00:38:47,520

i know a lot of folks who experience the

1020

00:38:51,829 --> 00:38:49,599

space brothers and sisters you know they

1021

00:38:53,750 --> 00:38:51,839

look at those who don't experience that

1022

00:38:55,589 --> 00:38:53,760

and say you know that's not a genuine

1023

00:38:57,190 --> 00:38:55,599

experience you know even within the

1024

00:38:59,990 --> 00:38:57,200

experience of community

1025

00:39:02,630 --> 00:39:00,000

um and especially the channeler and the

1026
00:39:05,270 --> 00:39:02,640
experimenter community there's a lot of

1027
00:39:07,109 --> 00:39:05,280
give and take as to you know i don't

1028
00:39:08,710 --> 00:39:07,119
think there's like a this is a

1029
00:39:10,710 --> 00:39:08,720
legitimate experience if you don't have

1030
00:39:13,510 --> 00:39:10,720
this then your experience was something

1031
00:39:15,270 --> 00:39:13,520
else i i don't i don't buy that in at

1032
00:39:17,190 --> 00:39:15,280
all i think they're individual

1033
00:39:19,990 --> 00:39:17,200
experiences and you take from it what

1034
00:39:21,910 --> 00:39:20,000
you can you learn from it what you can

1035
00:39:23,829 --> 00:39:21,920
and i just because someone had a bad

1036
00:39:25,270 --> 00:39:23,839
experience i don't say that that's not a

1037
00:39:26,470 --> 00:39:25,280
genuine experience that's their

1038
00:39:29,270 --> 00:39:26,480

experience

1039

00:39:30,950 --> 00:39:29,280

right yeah how could you right yeah

1040

00:39:33,510 --> 00:39:30,960

that'd be discount again

1041

00:39:36,950 --> 00:39:34,870

have you

1042

00:39:38,710 --> 00:39:36,960

now i'd go back to like when hopefully

1043

00:39:39,910 --> 00:39:38,720

you don't mind talking about this stuff

1044

00:39:41,910 --> 00:39:39,920

um

1045

00:39:42,790 --> 00:39:41,920

but going back to like when you were a

1046

00:39:44,790 --> 00:39:42,800

kid and

1047

00:39:46,069 --> 00:39:44,800

[Music]

1048

00:39:47,510 --> 00:39:46,079

you

1049

00:39:49,349 --> 00:39:47,520

were like taken by this woman that

1050

00:39:51,430 --> 00:39:49,359

wasn't your mother into the house and

1051
00:39:52,390 --> 00:39:51,440
were doing getting like examinations and

1052
00:39:53,510 --> 00:39:52,400
everything

1053
00:39:58,710 --> 00:39:53,520
did they

1054
00:40:00,790 --> 00:39:58,720
anything to you at all other than it's

1055
00:40:02,870 --> 00:40:00,800
gonna be okay

1056
00:40:03,910 --> 00:40:02,880
they were humans i perceive them as

1057
00:40:10,790 --> 00:40:03,920
humans

1058
00:40:13,190 --> 00:40:10,800
yeah and as i said before um i placed

1059
00:40:15,190 --> 00:40:13,200
them time wise when i learned about the

1060
00:40:17,030 --> 00:40:15,200
different eras of

1061
00:40:19,109 --> 00:40:17,040
uh history that this was like the

1062
00:40:21,349 --> 00:40:19,119
victorian era

1063
00:40:24,950 --> 00:40:21,359

that's right and i'm working with that i

1064

00:40:26,390 --> 00:40:24,960

think i know why that might be

1065

00:40:28,790 --> 00:40:26,400

and i'll get back to that because that's

1066

00:40:30,950 --> 00:40:28,800

a fascinating story too

1067

00:40:32,230 --> 00:40:30,960

but no they just reassured me that

1068

00:40:34,950 --> 00:40:32,240

everything was fine as they were

1069

00:40:37,190 --> 00:40:34,960

examining me i had no fear really i was

1070

00:40:39,670 --> 00:40:37,200

just curious

1071

00:40:41,510 --> 00:40:39,680

and that it would occur more than once

1072

00:40:43,750 --> 00:40:41,520

sometime first floor sometimes second

1073

00:40:45,670 --> 00:40:43,760

floor now getting back to where i'm

1074

00:40:47,430 --> 00:40:45,680

trying to connect the dots of why it was

1075

00:40:49,670 --> 00:40:47,440

victorian

1076

00:40:55,750 --> 00:40:49,680

i've had something

1077

00:40:58,470 --> 00:40:55,760

known as qhht it's a type of regression

1078

00:41:00,870 --> 00:40:58,480

founded by dolores cannon

1079

00:41:02,069 --> 00:41:00,880

it stands for quantum healing hypnosis

1080

00:41:04,630 --> 00:41:02,079

technique

1081

00:41:07,670 --> 00:41:04,640

and i had a practitioner in charlotte

1082

00:41:09,910 --> 00:41:07,680

north carolina working with me

1083

00:41:11,270 --> 00:41:09,920

on a qhht

1084

00:41:15,270 --> 00:41:11,280

regression

1085

00:41:19,030 --> 00:41:15,280

tapes recently

1086

00:41:22,950 --> 00:41:19,040

of my regression i did describe a past

1087

00:41:26,790 --> 00:41:25,670

where um i was married to a woman i

1088

00:41:29,910 --> 00:41:26,800

remember

1089

00:41:32,870 --> 00:41:29,920

a scene that was like a picnic scene

1090

00:41:34,470 --> 00:41:32,880

of i can remember the yellow flowers and

1091

00:41:36,550 --> 00:41:34,480

trees and the winds blowing through it

1092

00:41:39,109 --> 00:41:36,560

and i was married to this woman

1093

00:41:40,630 --> 00:41:39,119

i was in a village somewhere in i would

1094

00:41:42,950 --> 00:41:40,640

think england

1095

00:41:44,790 --> 00:41:42,960

based on my memories of you know the

1096

00:41:47,510 --> 00:41:44,800

signs and whatnot and it was very

1097

00:41:49,670 --> 00:41:47,520

definitely victorian i was a printer

1098

00:41:51,910 --> 00:41:49,680

back when printer was like these little

1099

00:41:53,750 --> 00:41:51,920

flat plates that you inked right and

1100

00:41:56,069 --> 00:41:53,760

just press and press

1101
00:41:58,230 --> 00:41:56,079
so i ran a printing press like that on

1102
00:42:00,309 --> 00:41:58,240
the ground floor of the shop and we

1103
00:42:04,390 --> 00:42:00,319
lived on the second floor

1104
00:42:06,630 --> 00:42:04,400
and i lost her um she died of uh uh some

1105
00:42:09,510 --> 00:42:06,640
kind of lung ailment

1106
00:42:11,430 --> 00:42:09,520
which uh it was probably tuberculosis or

1107
00:42:13,910 --> 00:42:11,440
something because that was one of the

1108
00:42:16,069 --> 00:42:13,920
most prevalent diseases of the time

1109
00:42:18,710 --> 00:42:16,079
but again this was a place where they

1110
00:42:20,710 --> 00:42:18,720
had a lot of like dust and debris from

1111
00:42:23,510 --> 00:42:20,720
paper from inks

1112
00:42:24,870 --> 00:42:23,520
and she was affected by this and she

1113
00:42:28,230 --> 00:42:24,880

passed away

1114

00:42:31,270 --> 00:42:28,240

and then later as i went through this

1115

00:42:32,550 --> 00:42:31,280

regression experience i remember myself

1116

00:42:34,630 --> 00:42:32,560

dying

1117

00:42:37,349 --> 00:42:34,640

i was in my 70s

1118

00:42:38,470 --> 00:42:37,359

and so the practitioner

1119

00:42:40,550 --> 00:42:38,480

had me

1120

00:42:42,309 --> 00:42:40,560

uh just experienced that so what's

1121

00:42:43,910 --> 00:42:42,319

happening now

1122

00:42:46,390 --> 00:42:43,920

at the moment of your death and i

1123

00:42:47,349 --> 00:42:46,400

described rising out of my body and she

1124

00:42:49,589 --> 00:42:47,359

said

1125

00:42:50,950 --> 00:42:49,599

look back at yourself and describe to me

1126

00:42:53,990 --> 00:42:50,960

what you see

1127

00:42:55,990 --> 00:42:54,000

and it was like these victorian nurses

1128

00:42:58,950 --> 00:42:56,000

and a victorian doctor

1129

00:43:01,670 --> 00:42:58,960

because it was the victorian setting um

1130

00:43:05,349 --> 00:43:01,680

and so i put that together recently

1131

00:43:07,349 --> 00:43:05,359

because when i had this qhht experience

1132

00:43:09,670 --> 00:43:07,359

uh it was recorded it was like an hour

1133

00:43:11,910 --> 00:43:09,680

and a half or two hours of recording

1134

00:43:14,390 --> 00:43:11,920

and i just i never listened to it until

1135

00:43:16,470 --> 00:43:14,400

recently i listened to it with my wife

1136

00:43:17,270 --> 00:43:16,480

and so that came out so okay there you

1137

00:43:19,109 --> 00:43:17,280

go

1138

00:43:21,030 --> 00:43:19,119

that's the victorian experience and i

1139

00:43:22,470 --> 00:43:21,040

kind of remembered it from before but i

1140

00:43:23,670 --> 00:43:22,480

didn't connect it

1141

00:43:27,430 --> 00:43:23,680

to

1142

00:43:30,230 --> 00:43:27,440

as a child

1143

00:43:32,470 --> 00:43:30,240

to a doctor and a nurse by another woman

1144

00:43:34,470 --> 00:43:32,480

not my mother i didn't associate that

1145

00:43:38,230 --> 00:43:34,480

early childhood experience with

1146

00:43:41,190 --> 00:43:38,240

one i had as an adult

1147

00:43:42,069 --> 00:43:41,200

doing this qhht just uh maybe five years

1148

00:43:43,990 --> 00:43:42,079

ago

1149

00:43:45,109 --> 00:43:44,000

yeah so finally i made that that

1150

00:43:47,670 --> 00:43:45,119

connection

1151

00:43:50,309 --> 00:43:47,680

i've heard that before too where um a

1152

00:43:52,150 --> 00:43:50,319

lot of like past life memories um come

1153

00:43:53,510 --> 00:43:52,160

to people when they're young when

1154

00:43:54,790 --> 00:43:53,520

they're younger

1155

00:43:56,790 --> 00:43:54,800

i've heard a lot of stories about that

1156

00:43:58,150 --> 00:43:56,800

so that makes a lot of sense

1157

00:43:59,430 --> 00:43:58,160

interesting

1158

00:44:01,270 --> 00:43:59,440

um

1159

00:44:04,230 --> 00:44:01,280

do you think that

1160

00:44:06,069 --> 00:44:04,240

plays into your experiences with

1161

00:44:07,109 --> 00:44:06,079

non-humans

1162

00:44:09,270 --> 00:44:07,119

at all

1163

00:44:11,030 --> 00:44:09,280

in any way but probably not

1164

00:44:14,230 --> 00:44:11,040

uh in what way

1165

00:44:15,829 --> 00:44:14,240

i don't know i don't know hht yeah i

1166

00:44:17,670 --> 00:44:15,839

have i

1167

00:44:19,030 --> 00:44:17,680

we'll we'll need like five hours to go

1168

00:44:21,910 --> 00:44:19,040

through

1169

00:44:23,829 --> 00:44:21,920

all that um i i did have qhht

1170

00:44:26,470 --> 00:44:23,839

experiences uh through other

1171

00:44:27,430 --> 00:44:26,480

practitioner another practitioner

1172

00:44:30,950 --> 00:44:27,440

um

1173

00:44:31,910 --> 00:44:30,960

that revolved more of the uap ufo alien

1174

00:44:33,589 --> 00:44:31,920

theme

1175

00:44:35,750 --> 00:44:33,599

yeah

1176

00:44:38,069 --> 00:44:35,760

but

1177

00:44:40,470 --> 00:44:38,079

it was more in the context of looking

1178

00:44:42,870 --> 00:44:40,480

back at history

1179

00:44:44,790 --> 00:44:42,880

um and i haven't fully fleshed that out

1180

00:44:50,790 --> 00:44:44,800

um

1181

00:44:54,230 --> 00:44:50,800

me being the alien

1182

00:44:56,470 --> 00:44:54,240

uh interesting instead of

1183

00:44:57,829 --> 00:44:56,480

perceiving aliens as a human i was the

1184

00:45:00,870 --> 00:44:57,839

alien

1185

00:45:05,270 --> 00:45:00,880

and i was piloting a craft

1186

00:45:07,829 --> 00:45:05,280

back to a planet which i guess was earth

1187

00:45:09,589 --> 00:45:07,839

i was the pilot i had a female alien

1188

00:45:11,589 --> 00:45:09,599

navigator next to me

1189

00:45:13,030 --> 00:45:11,599

who was the navigator telling me how you

1190

00:45:15,109 --> 00:45:13,040

know where to go

1191

00:45:17,750 --> 00:45:15,119

and i remember a screen or scope or

1192

00:45:19,030 --> 00:45:17,760

something where i had to like line up my

1193

00:45:21,910 --> 00:45:19,040

my craft

1194

00:45:23,349 --> 00:45:21,920

with this landmark on the earth and it

1195

00:45:26,470 --> 00:45:23,359

was a pyramid

1196

00:45:28,309 --> 00:45:26,480

wow and um it wasn't like the pyramid of

1197

00:45:29,750 --> 00:45:28,319

giza or anything it was like a very

1198

00:45:31,670 --> 00:45:29,760

smooth like

1199

00:45:33,190 --> 00:45:31,680

modern looking

1200

00:45:35,589 --> 00:45:33,200

ultra modern

1201
00:45:37,750 --> 00:45:35,599
futuristic looking building sort of like

1202
00:45:38,790 --> 00:45:37,760
that pyramid hotel in las vegas whatever

1203
00:45:40,790 --> 00:45:38,800
that whole time

1204
00:45:42,950 --> 00:45:40,800
i was just thinking that it's sort of

1205
00:45:44,710 --> 00:45:42,960
like that with like the top and but it

1206
00:45:47,510 --> 00:45:44,720
wasn't like dark like that pyramid it

1207
00:45:50,950 --> 00:45:47,520
was on the top was like a a beacon of

1208
00:45:53,030 --> 00:45:50,960
some sort both a visual lit beacon and a

1209
00:45:55,670 --> 00:45:53,040
uh radio beacon of some sort because i

1210
00:45:56,950 --> 00:45:55,680
remember i had to line up the screen

1211
00:45:58,710 --> 00:45:56,960
with a signal

1212
00:46:00,550 --> 00:45:58,720
and the visual

1213
00:46:02,870 --> 00:46:00,560

or the beacon and landing

1214

00:46:05,349 --> 00:46:02,880

landing my craft which was a transport

1215

00:46:07,910 --> 00:46:05,359

craft they had there were passengers of

1216

00:46:10,870 --> 00:46:07,920

my species on that craft i was

1217

00:46:12,150 --> 00:46:10,880

transporting to what i thought was earth

1218

00:46:14,309 --> 00:46:12,160

you're getting

1219

00:46:16,390 --> 00:46:14,319

you're a space taxi cab driver yeah

1220

00:46:19,750 --> 00:46:16,400

that's basically it

1221

00:46:22,790 --> 00:46:19,760

yeah yeah a future uber driver you know

1222

00:46:25,109 --> 00:46:22,800

uh so yeah i had that and i mean i can

1223

00:46:27,030 --> 00:46:25,119

go that that's like

1224

00:46:29,109 --> 00:46:27,040

that'll take a long time too yeah no

1225

00:46:32,309 --> 00:46:29,119

that's a flush it through but

1226

00:46:34,150 --> 00:46:32,319

i remember that that experience and um

1227

00:46:36,550 --> 00:46:34,160

i've had others that i've already

1228

00:46:38,630 --> 00:46:36,560

described um where you know i was a

1229

00:46:40,309 --> 00:46:38,640

being of light with other beings and

1230

00:46:42,390 --> 00:46:40,319

then having to come back and i didn't

1231

00:46:43,670 --> 00:46:42,400

want to come back yeah that type of

1232

00:46:44,630 --> 00:46:43,680

thing

1233

00:46:46,390 --> 00:46:44,640

um

1234

00:46:49,109 --> 00:46:46,400

do you think

1235

00:46:52,550 --> 00:46:49,119

have have you noticed any like um help

1236

00:46:54,309 --> 00:46:52,560

that along the way in your life that

1237

00:46:58,550 --> 00:46:54,319

you know is kind of too

1238

00:47:00,630 --> 00:46:58,560

too much synchronicity to to just be

1239

00:47:03,430 --> 00:47:00,640

you know how it was and maybe something

1240

00:47:05,670 --> 00:47:03,440

else was helping you or guiding you or

1241

00:47:07,349 --> 00:47:05,680

you know putting the right thought or

1242

00:47:08,309 --> 00:47:07,359

motive in your head at the right time or

1243

00:47:09,990 --> 00:47:08,319

something

1244

00:47:12,390 --> 00:47:10,000

well throughout my life i kind of knew

1245

00:47:14,790 --> 00:47:12,400

how my life would be um

1246

00:47:17,910 --> 00:47:14,800

so i kind of knew um

1247

00:47:19,990 --> 00:47:17,920

that i would go into the navy

1248

00:47:20,710 --> 00:47:20,000

i knew that what school i would be going

1249

00:47:22,710 --> 00:47:20,720

to

1250

00:47:24,710 --> 00:47:22,720

and graduating from

1251
00:47:26,630 --> 00:47:24,720
and uob and a cia

1252
00:47:29,190 --> 00:47:26,640
and um

1253
00:47:32,790 --> 00:47:29,200
in the context of what we're doing now

1254
00:47:35,510 --> 00:47:32,800
i knew back then uh

1255
00:47:36,630 --> 00:47:35,520
as an adult working at cia that someday

1256
00:47:39,349 --> 00:47:36,640
i would be

1257
00:47:41,829 --> 00:47:39,359
on a stage or some public forum

1258
00:47:43,670 --> 00:47:41,839
describing my experiences

1259
00:47:46,870 --> 00:47:43,680
with the phenomenon

1260
00:47:48,950 --> 00:47:46,880
so that that i i kind of knew ahead of

1261
00:47:50,950 --> 00:47:48,960
time

1262
00:47:53,349 --> 00:47:50,960
so that wasn't a surprise to me the fact

1263
00:47:55,430 --> 00:47:53,359

that this is happening now

1264

00:47:57,589 --> 00:47:55,440

i didn't realize it would happen

1265

00:48:00,790 --> 00:47:57,599

so i made a conscious decision based on

1266

00:48:02,630 --> 00:48:00,800

what i was informed by the ce6

1267

00:48:03,670 --> 00:48:02,640

experience with mark simms when i saw

1268

00:48:05,910 --> 00:48:03,680

the orb

1269

00:48:07,430 --> 00:48:05,920

telling me as a message that you have

1270

00:48:08,549 --> 00:48:07,440

things to share it's time for you to

1271

00:48:10,950 --> 00:48:08,559

share them

1272

00:48:13,510 --> 00:48:10,960

interesting and so that's what prompted

1273

00:48:16,390 --> 00:48:13,520

me to dust off this old

1274

00:48:19,190 --> 00:48:16,400

um presentation i did for a meet up in

1275

00:48:22,150 --> 00:48:19,200

charlotte for cosmic empowerment is a

1276

00:48:26,630 --> 00:48:22,160

group of maybe a dozen and a half

1277

00:48:29,030 --> 00:48:26,640

enthusiasts of ufos and et's

1278

00:48:31,190 --> 00:48:29,040

i did a presentation on that first part

1279

00:48:33,829 --> 00:48:31,200

about the intelligence community

1280

00:48:35,910 --> 00:48:33,839

it was in a much rawer form it wasn't as

1281

00:48:37,670 --> 00:48:35,920

polished as you saw it

1282

00:48:39,750 --> 00:48:37,680

but i did that originally for them and

1283

00:48:41,829 --> 00:48:39,760

just put it away and then so i took that

1284

00:48:44,309 --> 00:48:41,839

and then i built upon it

1285

00:48:46,710 --> 00:48:44,319

that's that's what you saw since

1286

00:48:49,510 --> 00:48:46,720

but that was because of the message i

1287

00:48:51,270 --> 00:48:49,520

got from that orb telling me

1288

00:48:53,270 --> 00:48:51,280

it's time for you to share and see where

1289

00:48:54,790 --> 00:48:53,280

that goes and so

1290

00:48:55,510 --> 00:48:54,800

that's how i ended up right here with

1291

00:48:56,630 --> 00:48:55,520

you

1292

00:49:01,030 --> 00:48:56,640

yeah

1293

00:49:06,549 --> 00:49:03,750

you know where is this going you know

1294

00:49:08,309 --> 00:49:06,559

do you still ask like why am i

1295

00:49:10,069 --> 00:49:08,319

you know what what am i doing this for

1296

00:49:12,230 --> 00:49:10,079

like why are you having me do this why

1297

00:49:14,549 --> 00:49:12,240

did you tell me to do this you know do

1298

00:49:16,950 --> 00:49:14,559

you ever have those kind of questions

1299

00:49:19,670 --> 00:49:16,960

yes i did and um it was answered to me

1300

00:49:21,670 --> 00:49:19,680

right away at this very same ce6

1301

00:49:24,870 --> 00:49:21,680

experience that i was

1302

00:49:26,549 --> 00:49:24,880

doing this not only to inform myself of

1303

00:49:28,150 --> 00:49:26,559

helping me understand

1304

00:49:30,230 --> 00:49:28,160

what was going on

1305

00:49:32,069 --> 00:49:30,240

but also help others and help a

1306

00:49:36,230 --> 00:49:32,079

particular individual

1307

00:49:38,309 --> 00:49:36,240

yet you will meet

1308

00:49:40,950 --> 00:49:38,319

and you have a close

1309

00:49:42,549 --> 00:49:40,960

uh relationship with this as a friend

1310

00:49:45,510 --> 00:49:42,559

a confidant

1311

00:49:47,510 --> 00:49:45,520

and so uh i won't reveal his name but

1312

00:49:49,430 --> 00:49:47,520

that that has happened

1313

00:49:50,230 --> 00:49:49,440

well so

1314

00:49:53,430 --> 00:49:50,240

um

1315

00:49:55,510 --> 00:49:53,440

i believe that was one of the purposes

1316

00:49:57,750 --> 00:49:55,520

on a personal level is to

1317

00:50:00,470 --> 00:49:57,760

meet this gentleman

1318

00:50:01,829 --> 00:50:00,480

establish a very close friendship with

1319

00:50:04,069 --> 00:50:01,839

that gentleman

1320

00:50:06,470 --> 00:50:04,079

and so it's

1321

00:50:08,630 --> 00:50:06,480

it's that

1322

00:50:09,910 --> 00:50:08,640

and also informing

1323

00:50:12,549 --> 00:50:09,920

your audience

1324

00:50:13,510 --> 00:50:12,559

right now that that are viewing us right

1325

00:50:15,589 --> 00:50:13,520

now

1326
00:50:17,910 --> 00:50:15,599
and as well as other audiences and other

1327
00:50:18,870 --> 00:50:17,920
podcasts i've done to just share what i

1328
00:50:21,670 --> 00:50:18,880
know

1329
00:50:24,710 --> 00:50:21,680
yeah and where it goes from here i i

1330
00:50:28,150 --> 00:50:24,720
don't know i'm just hoping that

1331
00:50:30,069 --> 00:50:28,160
that others would like uh find some ways

1332
00:50:31,190 --> 00:50:30,079
of you know helping themselves find the

1333
00:50:33,270 --> 00:50:31,200
information

1334
00:50:35,349 --> 00:50:33,280
because i describe myself as basically i

1335
00:50:36,470 --> 00:50:35,359
i don't have all the information

1336
00:50:39,030 --> 00:50:36,480
but i know

1337
00:50:40,390 --> 00:50:39,040
how to interpret the information i know

1338
00:50:42,309 --> 00:50:40,400

where to look for the information i'm

1339

00:50:44,150 --> 00:50:42,319

basically just a flashlight

1340

00:50:45,670 --> 00:50:44,160

in a deep dark cellar

1341

00:50:47,510 --> 00:50:45,680

yeah and i know where to shine the

1342

00:50:50,069 --> 00:50:47,520

flashlight and if you see something

1343

00:50:52,870 --> 00:50:50,079

there i might help you be able to

1344

00:50:54,710 --> 00:50:52,880

explain what what you're seeing

1345

00:50:56,549 --> 00:50:54,720

do you think that your experiences and

1346

00:50:59,750 --> 00:50:56,559

everything are kind of

1347

00:51:01,910 --> 00:50:59,760

could be more impactful than your actual

1348

00:51:04,230 --> 00:51:01,920

intelligence knowledge

1349

00:51:06,630 --> 00:51:04,240

uh for me personally yes

1350

00:51:09,430 --> 00:51:06,640

even if i had not had the intelligence

1351
00:51:11,349 --> 00:51:09,440
background i had yes i mean the personal

1352
00:51:14,630 --> 00:51:11,359
experiences that i've had leading up to

1353
00:51:17,030 --> 00:51:14,640
that was very very insightful for me

1354
00:51:18,230 --> 00:51:17,040
the fact that i was at cia was like part

1355
00:51:21,030 --> 00:51:18,240
of it

1356
00:51:23,030 --> 00:51:21,040
but i don't think it that one

1357
00:51:24,870 --> 00:51:23,040
had to lead to the other or one was

1358
00:51:26,630 --> 00:51:24,880
dependent on the other

1359
00:51:32,549 --> 00:51:26,640
yeah

1360
00:51:34,230 --> 00:51:32,559
this weird ability to

1361
00:51:36,630 --> 00:51:34,240
um

1362
00:51:38,150 --> 00:51:36,640
shut off that part of us

1363
00:51:40,470 --> 00:51:38,160

you know that experience part of us

1364

00:51:42,630 --> 00:51:40,480

which actually one i wanted to ask this

1365

00:51:44,390 --> 00:51:42,640

one question from um someone who

1366

00:51:45,430 --> 00:51:44,400

actually just chatted it at the perfect

1367

00:51:47,589 --> 00:51:45,440

time

1368

00:51:49,430 --> 00:51:47,599

um you know grant cameron and he has

1369

00:51:50,710 --> 00:51:49,440

this kind of theory this right brain

1370

00:51:52,950 --> 00:51:50,720

left brain

1371

00:51:54,790 --> 00:51:52,960

a theory where you shut off the one side

1372

00:51:56,470 --> 00:51:54,800

of the brain and that's really how you

1373

00:51:58,470 --> 00:51:56,480

can get your downloads or how most

1374

00:52:01,270 --> 00:51:58,480

people get their downloads do you know

1375

00:52:03,109 --> 00:52:01,280

much about that theory and if you do

1376

00:52:06,150 --> 00:52:03,119

what's your take on it i don't know

1377

00:52:07,270 --> 00:52:06,160

anything about that theory at all um

1378

00:52:08,790 --> 00:52:07,280

i have very

1379

00:52:10,309 --> 00:52:08,800

little knowledge of

1380

00:52:12,549 --> 00:52:10,319

like

1381

00:52:14,790 --> 00:52:12,559

medicine or how the human body works

1382

00:52:18,069 --> 00:52:14,800

other than a very civilian type

1383

00:52:21,190 --> 00:52:18,079

knowledge of of how that works

1384

00:52:23,510 --> 00:52:21,200

subsequently to me coming out with my

1385

00:52:26,069 --> 00:52:23,520

presentation i've been informed about

1386

00:52:27,270 --> 00:52:26,079

something called a call date or yeah

1387

00:52:28,630 --> 00:52:27,280

call date

1388

00:52:31,190 --> 00:52:28,640

putamen

1389

00:52:33,990 --> 00:52:31,200

it's a cp part of the brain

1390

00:52:36,710 --> 00:52:34,000

and that may have some association with

1391

00:52:38,630 --> 00:52:36,720

our ex those who are experiencers

1392

00:52:40,549 --> 00:52:38,640

or those who have received

1393

00:52:43,349 --> 00:52:40,559

channeled messages

1394

00:52:46,470 --> 00:52:43,359

but i don't know what that would be

1395

00:52:49,750 --> 00:52:46,480

i have anecdotally heard

1396

00:52:51,109 --> 00:52:49,760

that if you deprive your physical senses

1397

00:52:54,150 --> 00:52:51,119

in some way

1398

00:52:56,069 --> 00:52:54,160

that then your inner self

1399

00:52:58,870 --> 00:52:56,079

will become more heightened

1400

00:53:01,349 --> 00:52:58,880

because you're casting off those sensory

1401
00:53:03,349 --> 00:53:01,359
inputs and so what you have is what's in

1402
00:53:05,270 --> 00:53:03,359
within you and then it's sort of like

1403
00:53:07,589 --> 00:53:05,280
meditation in that sense

1404
00:53:08,790 --> 00:53:07,599
that you can physically induce that type

1405
00:53:11,589 --> 00:53:08,800
of state

1406
00:53:13,109 --> 00:53:11,599
um i've toyed around with one of these

1407
00:53:15,990 --> 00:53:13,119
deprivation

1408
00:53:17,670 --> 00:53:16,000
water

1409
00:53:18,870 --> 00:53:17,680
sure i felt like that might be a cool

1410
00:53:21,750 --> 00:53:18,880
thing to do

1411
00:53:24,790 --> 00:53:21,760
um but i've never pursued it but i've

1412
00:53:26,150 --> 00:53:24,800
heard things like that that you can like

1413
00:53:28,950 --> 00:53:26,160

do that and

1414

00:53:30,870 --> 00:53:28,960

basically when you sleep um a lot of

1415

00:53:33,510 --> 00:53:30,880

your uh

1416

00:53:35,270 --> 00:53:33,520

autonomous functions still go on

1417

00:53:37,990 --> 00:53:35,280

but your physical sensations you know

1418

00:53:40,150 --> 00:53:38,000

for your physical body your body places

1419

00:53:42,069 --> 00:53:40,160

you in a state where

1420

00:53:44,630 --> 00:53:42,079

you don't hurt yourself that you know

1421

00:53:47,030 --> 00:53:44,640

you're pretty much lying still

1422

00:53:49,430 --> 00:53:47,040

and then what's left is your thoughts

1423

00:53:51,109 --> 00:53:49,440

you know your thoughts never go to sleep

1424

00:53:52,790 --> 00:53:51,119

your eyes go to sleep and that part of

1425

00:53:55,030 --> 00:53:52,800

your brain that needs to sleep goes to

1426

00:53:57,030 --> 00:53:55,040

sleep but your conscious your

1427

00:53:58,069 --> 00:53:57,040

subconscious mind probably still keeps

1428

00:54:00,950 --> 00:53:58,079

working

1429

00:54:03,190 --> 00:54:00,960

and maybe that's a way of you know same

1430

00:54:04,230 --> 00:54:03,200

thing of separating the hemispheres of

1431

00:54:07,670 --> 00:54:04,240

the brain

1432

00:54:09,990 --> 00:54:07,680

yeah then one hemisphere takes over uh

1433

00:54:12,150 --> 00:54:10,000

more so than the one that controls like

1434

00:54:13,990 --> 00:54:12,160

physical movement

1435

00:54:16,069 --> 00:54:14,000

physical sensations

1436

00:54:18,150 --> 00:54:16,079

interesting interesting that like the

1437

00:54:21,670 --> 00:54:18,160

senses our senses almost seem to be like

1438

00:54:25,109 --> 00:54:21,680

a filter to keep us away from that

1439

00:54:26,950 --> 00:54:25,119

you know as like distractions

1440

00:54:28,870 --> 00:54:26,960

to a certain point

1441

00:54:31,109 --> 00:54:28,880

um we're hitting on the hour mark i

1442

00:54:32,950 --> 00:54:31,119

don't want to keep you too long but um

1443

00:54:35,030 --> 00:54:32,960

mind if i ask you a couple more maybe

1444

00:54:37,589 --> 00:54:35,040

not experience questions sure just kind

1445

00:54:40,309 --> 00:54:37,599

of more about the stuff going on now

1446

00:54:42,150 --> 00:54:40,319

yeah um there's a lot of talk recently

1447

00:54:44,150 --> 00:54:42,160

about um

1448

00:54:47,510 --> 00:54:44,160

uh baiting uap

1449

00:54:48,390 --> 00:54:47,520

um have we baited uap um even like a

1450

00:54:49,829 --> 00:54:48,400

russian

1451

00:54:50,710 --> 00:54:49,839

somebody said

1452

00:54:54,069 --> 00:54:50,720

um

1453

00:54:55,270 --> 00:54:54,079

that he knew how to pay uaps at will uh

1454

00:54:57,030 --> 00:54:55,280

what's your take on that do you think

1455

00:54:58,549 --> 00:54:57,040

that's possible if so what do you think

1456

00:54:59,750 --> 00:54:58,559

that would look like

1457

00:55:02,470 --> 00:54:59,760

well um

1458

00:55:04,630 --> 00:55:02,480

i mentioned this uh in passing one of my

1459

00:55:06,470 --> 00:55:04,640

slides was about uh

1460

00:55:09,589 --> 00:55:06,480

the soviet and russian era

1461

00:55:11,670 --> 00:55:09,599

where this general alexeyev uh stated in

1462

00:55:13,990 --> 00:55:11,680

an interview in 1998

1463

00:55:15,349 --> 00:55:14,000

that the soviet government and then

1464

00:55:18,230 --> 00:55:15,359

continuing with the russian government

1465

00:55:19,990 --> 00:55:18,240

uh they learned how to lure these uaps

1466

00:55:23,349 --> 00:55:20,000

down to the ground

1467

00:55:24,630 --> 00:55:23,359

um and where they would mimic uh the

1468

00:55:30,789 --> 00:55:24,640

human

1469

00:55:33,430 --> 00:55:30,799

his arms the uap goes up go

1470

00:55:35,349 --> 00:55:33,440

this way the uap turns that way

1471

00:55:38,390 --> 00:55:35,359

you know the uap would make maneuvers

1472

00:55:40,630 --> 00:55:38,400

based on the uh physical

1473

00:55:42,309 --> 00:55:40,640

actions of the human that this is this

1474

00:55:43,510 --> 00:55:42,319

general saying this

1475

00:55:45,030 --> 00:55:43,520

so i

1476

00:55:47,430 --> 00:55:45,040

i don't know i mean

1477

00:55:49,349 --> 00:55:47,440

yeah there's a source you know

1478

00:55:50,309 --> 00:55:49,359

somebody should talk to if he's still

1479

00:55:51,109 --> 00:55:50,319

around

1480

00:55:56,630 --> 00:55:51,119

uh

1481

00:55:58,390 --> 00:55:56,640

technical intelligence side i knew that

1482

00:56:01,670 --> 00:55:58,400

the russians were doing tracking

1483

00:56:04,069 --> 00:56:01,680

something extraordinary in the sky

1484

00:56:06,470 --> 00:56:04,079

when there was nothing there to track as

1485

00:56:08,549 --> 00:56:06,480

far as missiles or satellites

1486

00:56:10,309 --> 00:56:08,559

are missiles definitely not

1487

00:56:13,510 --> 00:56:10,319

uh and satellites

1488

00:56:15,430 --> 00:56:13,520

not because they eliminated those

1489

00:56:17,109 --> 00:56:15,440

objects and we're looking at something

1490

00:56:19,270 --> 00:56:17,119

unusual for them

1491

00:56:21,670 --> 00:56:19,280

and that's what prompted this uh the

1492

00:56:22,789 --> 00:56:21,680

soviet government back then to

1493

00:56:25,349 --> 00:56:22,799

have the

1494

00:56:27,430 --> 00:56:25,359

soviet armed forces do something to lure

1495

00:56:29,349 --> 00:56:27,440

these uaps down

1496

00:56:31,589 --> 00:56:29,359

so i gotta take it at that and i just

1497

00:56:33,430 --> 00:56:31,599

noticed that in the radar data that they

1498

00:56:34,950 --> 00:56:33,440

were tracking something

1499

00:56:37,510 --> 00:56:34,960

when there was nothing to track they

1500

00:56:38,309 --> 00:56:37,520

were putting out track pulses

1501

00:56:40,549 --> 00:56:38,319

and

1502

00:56:42,950 --> 00:56:40,559

creating what we call in technical

1503

00:56:46,150 --> 00:56:42,960

element track files

1504

00:56:49,030 --> 00:56:46,160

of some objects uh that were uh in the

1505

00:56:51,750 --> 00:56:49,040

vicinity of that radar's view

1506

00:56:54,230 --> 00:56:51,760

so well that's what i can go on but you

1507

00:56:55,430 --> 00:56:54,240

know as far as

1508

00:56:56,950 --> 00:56:55,440

what kind of

1509

00:56:58,470 --> 00:56:56,960

thing that now i have never seen

1510

00:57:03,109 --> 00:56:58,480

anything i've never done anything like

1511

00:57:03,119 --> 00:57:06,630

yeah i do that all the time

1512

00:57:10,710 --> 00:57:09,190

um no yeah i think that's interesting

1513

00:57:13,270 --> 00:57:10,720

because i think it was ross calhart

1514

00:57:15,430 --> 00:57:13,280

maybe who said he had a source or

1515

00:57:18,069 --> 00:57:15,440

something that concerningly

1516

00:57:21,670 --> 00:57:18,079

is talking about us uh or having a plan

1517

00:57:23,670 --> 00:57:21,680

to track and and bring down a uap yeah i

1518

00:57:24,710 --> 00:57:23,680

don't like that word bring down

1519

00:57:25,589 --> 00:57:24,720

yeah

1520

00:57:28,309 --> 00:57:25,599

right

1521

00:57:30,150 --> 00:57:28,319

that's in the ndaa it's one of the

1522

00:57:33,510 --> 00:57:30,160

stipulations in ea please inform

1523

00:57:37,910 --> 00:57:33,520

congress of your recent uh of your uh

1524

00:57:40,470 --> 00:57:37,920

capability to uh bring uh capture a uap

1525

00:57:42,069 --> 00:57:40,480

how do you capture a uap

1526

00:57:43,750 --> 00:57:42,079

i mean we can't even fly close to one

1527

00:57:45,990 --> 00:57:43,760

that doesn't scoot away you know right

1528

00:57:47,589 --> 00:57:46,000

you shoot at them i mean

1529

00:57:49,750 --> 00:57:47,599

i don't i don't know where what congress

1530

00:57:51,510 --> 00:57:49,760

was thinking about unless there was

1531

00:57:53,270 --> 00:57:51,520

already one that shot down and then

1532

00:57:55,990 --> 00:57:53,280

they're gonna trot that out and saying

1533

00:57:58,230 --> 00:57:56,000

hey this is one we captured yeah we took

1534

00:57:59,670 --> 00:57:58,240

a billion shots over the decades and we

1535

00:58:01,750 --> 00:57:59,680

got one

1536

00:58:03,910 --> 00:58:01,760

or if you believe bob lazar there's more

1537

00:58:05,910 --> 00:58:03,920

than one there's like a several of them

1538

00:58:08,630 --> 00:58:05,920

that you can trot out and say hey here's

1539

00:58:11,510 --> 00:58:08,640

more there could be i mean i have read

1540

00:58:14,710 --> 00:58:11,520

uh an old file from like 48 or 49 about

1541

00:58:16,870 --> 00:58:14,720

40 saucers at this at this one place and

1542

00:58:19,030 --> 00:58:16,880

the two air force guys were actually

1543

00:58:21,030 --> 00:58:19,040

there and investigated and and they were

1544

00:58:23,589 --> 00:58:21,040

the ones talking about the saucers there

1545

00:58:24,789 --> 00:58:23,599

yeah but it it looked like it turned out

1546

00:58:26,630 --> 00:58:24,799

to be

1547

00:58:29,589 --> 00:58:26,640

uh something different that worked off

1548

00:58:31,030 --> 00:58:29,599

of uh like a kind of an ionized type of

1549

00:58:32,069 --> 00:58:31,040

propulsion

1550

00:58:34,150 --> 00:58:32,079

and they were

1551
00:58:35,109 --> 00:58:34,160
small or whatever and didn't go very far

1552
00:58:36,470 --> 00:58:35,119
but it

1553
00:58:38,069 --> 00:58:36,480
you never know

1554
00:58:40,150 --> 00:58:38,079
you really never know

1555
00:58:42,069 --> 00:58:40,160
it was very interesting to read and that

1556
00:58:45,030 --> 00:58:42,079
would be a good way to

1557
00:58:47,109 --> 00:58:45,040
maybe disclose some information

1558
00:58:48,950 --> 00:58:47,119
for sure um

1559
00:58:49,670 --> 00:58:48,960
do you believe we're on a current course

1560
00:58:52,470 --> 00:58:49,680
of

1561
00:58:54,150 --> 00:58:52,480
inevitable disclosure and what i would

1562
00:58:57,270 --> 00:58:54,160
ask is

1563
00:58:58,549 --> 00:58:57,280

do you think it's even up to us

1564

00:59:00,309 --> 00:58:58,559

well i think we're in a course of

1565

00:59:02,549 --> 00:59:00,319

controlled dissemination i've used that

1566

00:59:05,990 --> 00:59:02,559

term before right they're not going to

1567

00:59:08,150 --> 00:59:06,000

disclosure to me means to me personally

1568

00:59:09,030 --> 00:59:08,160

letting me know everything there is to

1569

00:59:11,349 --> 00:59:09,040

know

1570

00:59:13,510 --> 00:59:11,359

yeah disclose everything and i think

1571

00:59:17,030 --> 00:59:13,520

it's more disseminating a little bit at

1572

00:59:19,910 --> 00:59:17,040

a time leading up to that where once you

1573

00:59:21,910 --> 00:59:19,920

get to the final

1574

00:59:24,390 --> 00:59:21,920

uh dissemination you can look back and

1575

00:59:25,109 --> 00:59:24,400

say oh okay now now we know what's going

1576

00:59:27,510 --> 00:59:25,119

on

1577

00:59:29,670 --> 00:59:27,520

but uh i think that the pace is

1578

00:59:32,950 --> 00:59:29,680

interesting to me the pace since

1579

00:59:36,950 --> 00:59:32,960

2017 until now and in the future

1580

00:59:38,390 --> 00:59:36,960

um the pace is quickening very fast yeah

1581

00:59:40,710 --> 00:59:38,400

and so

1582

00:59:43,510 --> 00:59:40,720

uh the fact that you know we have the

1583

00:59:45,910 --> 00:59:43,520

james webb space telescope up and right

1584

00:59:48,390 --> 00:59:45,920

it's doing great i understand it's fully

1585

00:59:49,430 --> 00:59:48,400

deployed and it's making its way to its

1586

00:59:53,030 --> 00:59:49,440

orbital

1587

00:59:55,270 --> 00:59:53,040

uh l2 range uh about a million uh and a

1588

00:59:57,349 --> 00:59:55,280

half miles away from earth so it's

1589

00:59:59,109 --> 00:59:57,359

heading that way and everything seems to

1590

01:00:01,349 --> 00:59:59,119

be working just fine so that's great so

1591

01:00:03,910 --> 01:00:01,359

maybe that will find something

1592

01:00:05,510 --> 01:00:03,920

that uh the government already knew and

1593

01:00:07,589 --> 01:00:05,520

then nasa would say oh look at this

1594

01:00:09,430 --> 01:00:07,599

great scientific discovery we need to

1595

01:00:12,069 --> 01:00:09,440

investigate it and that's an opportunity

1596

01:00:14,230 --> 01:00:12,079

to share more information wow

1597

01:00:17,109 --> 01:00:14,240

so that that's what i'm hoping for and i

1598

01:00:18,230 --> 01:00:17,119

still would like to see the 23-minute

1599

01:00:19,109 --> 01:00:18,240

video

1600

01:00:21,349 --> 01:00:19,119

right

1601
01:00:23,349 --> 01:00:21,359
yeah definitely don't tell me about

1602
01:00:25,349 --> 01:00:23,359
something you can't show and i'm guilty

1603
01:00:27,270 --> 01:00:25,359
of that too i mean i told you about

1604
01:00:29,270 --> 01:00:27,280
alien dna but i can't

1605
01:00:31,030 --> 01:00:29,280
i can't prove it so i know where luke's

1606
01:00:33,349 --> 01:00:31,040
coming from he's sitting on something

1607
01:00:35,030 --> 01:00:33,359
that he can't show right away but

1608
01:00:36,710 --> 01:00:35,040
i take the blame for that he said that

1609
01:00:38,470 --> 01:00:36,720
on this show oh you did

1610
01:00:40,309 --> 01:00:38,480
yeah

1611
01:00:41,990 --> 01:00:40,319
so

1612
01:00:43,829 --> 01:00:42,000
yeah that was pretty interesting when he

1613
01:00:45,510 --> 01:00:43,839

said that yeah um

1614

01:00:47,750 --> 01:00:45,520

you know hopefully

1615

01:00:49,349 --> 01:00:47,760

that stuff comes out at some point you

1616

01:00:51,670 --> 01:00:49,359

know do you agree with me in thinking

1617

01:00:53,430 --> 01:00:51,680

that maybe you know the information that

1618

01:00:56,549 --> 01:00:53,440

comes out or what we know about other

1619

01:00:58,950 --> 01:00:56,559

beings isn't necessarily up to us maybe

1620

01:01:01,589 --> 01:00:58,960

that these beings have a lot more to do

1621

01:01:04,630 --> 01:01:01,599

with that information dissemination

1622

01:01:07,270 --> 01:01:04,640

the tidbit the tidbit i have um

1623

01:01:09,670 --> 01:01:07,280

uh precedents are really interesting

1624

01:01:12,470 --> 01:01:09,680

when they talk about this topic because

1625

01:01:13,270 --> 01:01:12,480

they they do a song and dance around it

1626

01:01:16,549 --> 01:01:13,280

um

1627

01:01:18,390 --> 01:01:16,559

president clinton uh did one oh no

1628

01:01:20,710 --> 01:01:18,400

i give it to obama president obama

1629

01:01:24,390 --> 01:01:20,720

credit president obama for this

1630

01:01:26,230 --> 01:01:24,400

he said they do not want us to talk

1631

01:01:28,549 --> 01:01:26,240

about them or words of that effect that

1632

01:01:31,109 --> 01:01:28,559

they do not want us

1633

01:01:34,230 --> 01:01:31,119

to share this information and people

1634

01:01:36,390 --> 01:01:34,240

interpreted they meaning the pentagon

1635

01:01:38,230 --> 01:01:36,400

when i heard that i interpret they to

1636

01:01:40,150 --> 01:01:38,240

mean the beings that we already know

1637

01:01:43,270 --> 01:01:40,160

about

1638

01:01:45,349 --> 01:01:43,280

that they are not ready

1639

01:01:46,309 --> 01:01:45,359

to be talked about um words of that

1640

01:01:48,630 --> 01:01:46,319

effect

1641

01:01:51,510 --> 01:01:48,640

and speaking about beings

1642

01:01:52,870 --> 01:01:51,520

um since you had the 23 minutes on your

1643

01:01:54,549 --> 01:01:52,880

show

1644

01:01:57,029 --> 01:01:54,559

it's interesting to note that in open

1645

01:02:00,870 --> 01:01:57,039

source if you know where to look and

1646

01:02:02,630 --> 01:02:00,880

it's actually the 1947 1990 report cia

1647

01:02:03,589 --> 01:02:02,640

and ufos

1648

01:02:06,230 --> 01:02:03,599

there's

1649

01:02:08,710 --> 01:02:06,240

i gotta find the full unredacted

1650

01:02:10,789 --> 01:02:08,720

unclassified version of that

1651
01:02:12,870 --> 01:02:10,799
but there's a line in there that people

1652
01:02:14,309 --> 01:02:12,880
just skimmed over

1653
01:02:16,390 --> 01:02:14,319
and it was this

1654
01:02:19,750 --> 01:02:16,400
that at cia

1655
01:02:20,950 --> 01:02:19,760
the ufo subject was studied

1656
01:02:23,510 --> 01:02:20,960
by

1657
01:02:25,270 --> 01:02:23,520
the office of scientific intelligence

1658
01:02:27,510 --> 01:02:25,280
which later became the office of

1659
01:02:28,309 --> 01:02:27,520
scientific and weapons research

1660
01:02:29,829 --> 01:02:28,319
in

1661
01:02:32,069 --> 01:02:29,839
the life

1662
01:02:33,190 --> 01:02:32,079
sciences division

1663
01:02:36,069 --> 01:02:33,200

interesting

1664

01:02:39,990 --> 01:02:36,079

not like nuts and bolts craft not

1665

01:02:41,990 --> 01:02:40,000

aerodynamic not aerospace engineers but

1666

01:02:45,750 --> 01:02:42,000

sciences division

1667

01:02:47,910 --> 01:02:45,760

ncia of those two parent offices studied

1668

01:02:51,029 --> 01:02:47,920

ufos

1669

01:02:52,470 --> 01:02:51,039

and i remember life sciences division

1670

01:02:55,190 --> 01:02:52,480

you know who was in life sciences

1671

01:02:57,109 --> 01:02:55,200

division the kind of uh expertise

1672

01:02:59,270 --> 01:02:57,119

you have biologists

1673

01:03:00,789 --> 01:02:59,280

you have uh

1674

01:03:03,029 --> 01:03:00,799

neuroscientists

1675

01:03:04,870 --> 01:03:03,039

you have psychologists

1676

01:03:06,520 --> 01:03:04,880

you have people who are interested in

1677

01:03:08,470 --> 01:03:06,530

bodies

1678

01:03:11,670 --> 01:03:08,480

[Laughter]

1679

01:03:15,430 --> 01:03:11,680

and that's where the ufo study was done

1680

01:03:18,470 --> 01:03:15,440

in cia life sciences division

1681

01:03:20,390 --> 01:03:18,480

wow yeah i mean because i think it was

1682

01:03:23,589 --> 01:03:20,400

at that long stream that we did we kind

1683

01:03:24,789 --> 01:03:23,599

of discussed the the dna thing and my

1684

01:03:27,990 --> 01:03:24,799

question was like well how would they

1685

01:03:29,510 --> 01:03:28,000

know it's alien dna well because

1686

01:03:32,069 --> 01:03:29,520

they must

1687

01:03:34,390 --> 01:03:32,079

uh have a sample

1688

01:03:37,349 --> 01:03:34,400

body samples i don't know what they have

1689

01:03:39,589 --> 01:03:37,359

but yeah life sciences uh

1690

01:03:41,829 --> 01:03:39,599

that division studied whatever they had

1691

01:03:43,190 --> 01:03:41,839

and for life sciences to be involved it

1692

01:03:46,309 --> 01:03:43,200

had to have been

1693

01:03:48,870 --> 01:03:46,319

yeah some kind of specimen or a body

1694

01:03:50,470 --> 01:03:48,880

otherwise i mean they're not a biologist

1695

01:03:52,789 --> 01:03:50,480

isn't going to tinker around with this

1696

01:03:55,510 --> 01:03:52,799

propulsion system right right or neural

1697

01:03:57,750 --> 01:03:55,520

scientists unless the craft

1698

01:04:00,230 --> 01:03:57,760

required some kind of like higher

1699

01:04:01,750 --> 01:04:00,240

consciousness drive propulsion you know

1700

01:04:03,750 --> 01:04:01,760

that's being talked about

1701

01:04:05,029 --> 01:04:03,760

i don't know but it's interesting that

1702

01:04:07,510 --> 01:04:05,039

that division

1703

01:04:09,589 --> 01:04:07,520

in my former parent office was a

1704

01:04:11,750 --> 01:04:09,599

division that looked into ufos

1705

01:04:13,510 --> 01:04:11,760

officially for cia

1706

01:04:15,270 --> 01:04:13,520

you know i just kind of thought of what

1707

01:04:16,789 --> 01:04:15,280

you said about the the russian guy how

1708

01:04:18,870 --> 01:04:16,799

they brought them down to the ground and

1709

01:04:21,029 --> 01:04:18,880

they mimicked their movements and we

1710

01:04:23,670 --> 01:04:21,039

were just talking about uh these things

1711

01:04:25,589 --> 01:04:23,680

being controlled by maybe consciousness

1712

01:04:27,750 --> 01:04:25,599

um

1713

01:04:28,549 --> 01:04:27,760

yeah and i've heard that before i have

1714

01:04:30,870 --> 01:04:28,559

one

1715

01:04:32,549 --> 01:04:30,880

yeah that could be something that was in

1716

01:04:36,309 --> 01:04:32,559

tom delong's book too i don't know if

1717

01:04:38,789 --> 01:04:36,319

you read his his books but that was uh

1718

01:04:40,390 --> 01:04:38,799

you know it was a lot of fact and a lot

1719

01:04:41,990 --> 01:04:40,400

of fiction apparently so you don't

1720

01:04:44,069 --> 01:04:42,000

really know what is what but that was

1721

01:04:46,309 --> 01:04:44,079

one of the things is the craft was

1722

01:04:47,750 --> 01:04:46,319

one of the crafts was um you know flown

1723

01:04:49,589 --> 01:04:47,760

with your consciousness

1724

01:04:51,990 --> 01:04:49,599

right yeah uh

1725

01:04:54,870 --> 01:04:52,000

speaking of books i'm the like worst

1726

01:04:57,029 --> 01:04:54,880

read ufo

1727

01:04:59,670 --> 01:04:57,039

i i don't i don't read uh much of them

1728

01:05:02,309 --> 01:04:59,680

um i read all the classics like the old

1729

01:05:05,029 --> 01:05:02,319

ones from way back written by jen mars

1730

01:05:07,829 --> 01:05:05,039

and stanton freeman you know don schmidt

1731

01:05:09,670 --> 01:05:07,839

and they wrote some classic books on uh

1732

01:05:10,950 --> 01:05:09,680

richard dolan i actually have richard

1733

01:05:13,190 --> 01:05:10,960

dolan's uh

1734

01:05:14,789 --> 01:05:13,200

loose leaf blind bound notes that

1735

01:05:19,270 --> 01:05:14,799

eventually became the national security

1736

01:05:22,630 --> 01:05:19,280

state oh well look uh he i met him at a

1737

01:05:23,750 --> 01:05:22,640

x conference uh hosted by uh steven

1738

01:05:26,710 --> 01:05:23,760

bassett

1739

01:05:28,230 --> 01:05:26,720

and i had him autograph i bought

1740

01:05:29,349 --> 01:05:28,240

the volume one and volume two they're

1741

01:05:31,190 --> 01:05:29,359

really thin

1742

01:05:32,309 --> 01:05:31,200

and i bought both of them and i had him

1743

01:05:34,950 --> 01:05:32,319

sign it

1744

01:05:37,510 --> 01:05:34,960

and i was trying to point to the cia

1745

01:05:39,670 --> 01:05:37,520

logo here on there because i was serving

1746

01:05:42,309 --> 01:05:39,680

in cia and i couldn't remember the cia

1747

01:05:45,430 --> 01:05:42,319

then but later i wrote to him from my

1748

01:05:46,950 --> 01:05:45,440

unclassified cia email address

1749

01:05:50,710 --> 01:05:46,960

saying you know thanking him for

1750

01:05:52,470 --> 01:05:50,720

autographing my my uh his his notes his

1751

01:05:54,470 --> 01:05:52,480

loose leaf notes

1752

01:05:56,630 --> 01:05:54,480

and um and said and being really

1753

01:05:59,670 --> 01:05:56,640

interesting to speak with you you know

1754

01:06:00,710 --> 01:05:59,680

and uci.gov that's our unclassified

1755

01:06:02,789 --> 01:06:00,720

domain

1756

01:06:05,510 --> 01:06:02,799

never never and i put my phone number in

1757

01:06:06,309 --> 01:06:05,520

there that would have rang at my office

1758

01:06:08,309 --> 01:06:06,319

wow

1759

01:06:11,910 --> 01:06:08,319

he never returned yeah he's probably

1760

01:06:14,390 --> 01:06:12,870

yeah

1761

01:06:15,990 --> 01:06:14,400

it would have been interesting but

1762

01:06:16,950 --> 01:06:16,000

anyway yeah

1763

01:06:19,510 --> 01:06:16,960

um

1764

01:06:22,150 --> 01:06:19,520

i don't know i mean i don't know how

1765

01:06:24,390 --> 01:06:22,160

much time you got um

1766

01:06:26,710 --> 01:06:24,400

okay yeah i mean i just feel like we're

1767

01:06:29,109 --> 01:06:26,720

shooting the [h__h] really yeah so that's

1768

01:06:31,349 --> 01:06:29,119

cool with me

1769

01:06:35,589 --> 01:06:31,359

um

1770

01:06:40,390 --> 01:06:37,430

all right well we got a question darren

1771

01:06:44,630 --> 01:06:42,870

he's watching me all the time why don't

1772

01:06:47,750 --> 01:06:44,640

can you read that this is something that

1773

01:06:49,349 --> 01:06:47,760

niggles me uh if the others watch and

1774

01:06:51,510 --> 01:06:49,359

know everything about us will their

1775

01:06:58,710 --> 01:06:51,520

behavior and attitude change towards

1776

01:07:02,230 --> 01:07:00,710

that kind of assumes that

1777

01:07:03,990 --> 01:07:02,240

what they're

1778

01:07:05,829 --> 01:07:04,000

we talked about this already shawn that

1779

01:07:07,510 --> 01:07:05,839

you know yeah they exhibit themselves

1780

01:07:09,670 --> 01:07:07,520

differently to different people

1781

01:07:11,910 --> 01:07:09,680

yeah that's true uh because i've had

1782

01:07:13,990 --> 01:07:11,920

positive experiences um i don't want

1783

01:07:16,470 --> 01:07:14,000

their attitude toward me to change

1784

01:07:18,710 --> 01:07:16,480

because i i see it as a positive thing

1785

01:07:20,390 --> 01:07:18,720

yeah i imagine if people have negative

1786

01:07:22,309 --> 01:07:20,400

experiences that would like to have a

1787

01:07:25,029 --> 01:07:22,319

more positive one

1788

01:07:25,990 --> 01:07:25,039

so that's a hard question to answer

1789

01:07:27,829 --> 01:07:26,000

um

1790

01:07:29,109 --> 01:07:27,839

because it goes back to like who

1791

01:07:33,029 --> 01:07:29,119

actually

1792

01:07:34,230 --> 01:07:33,039

residing with us

1793

01:07:35,990 --> 01:07:34,240

yeah um

1794

01:07:38,630 --> 01:07:36,000

definitely uh the

1795

01:07:40,150 --> 01:07:38,640

skinwalker phenomenon uh i definitely

1796

01:07:42,069 --> 01:07:40,160

want them to change

1797

01:07:43,510 --> 01:07:42,079

yeah what do you what do you think about

1798

01:07:45,670 --> 01:07:43,520

that there does that just seem like a

1799

01:07:47,349 --> 01:07:45,680

melting pot for everything paranormal

1800

01:07:49,109 --> 01:07:47,359

that could be going on

1801
01:07:50,549 --> 01:07:49,119
i don't know i i think it warrants more

1802
01:07:52,230 --> 01:07:50,559
investigation

1803
01:07:54,710 --> 01:07:52,240
and uh it's

1804
01:07:57,589 --> 01:07:54,720
i can't believe that all of that ended

1805
01:07:58,630 --> 01:07:57,599
in two years from 2008 2010 and they ran

1806
01:08:00,470 --> 01:07:58,640
out of money

1807
01:08:02,710 --> 01:08:00,480
yeah why

1808
01:08:04,870 --> 01:08:02,720
to me that's like you know we need to go

1809
01:08:05,829 --> 01:08:04,880
back there and really

1810
01:08:07,829 --> 01:08:05,839
study

1811
01:08:09,589 --> 01:08:07,839
if it's being studied maybe we don't

1812
01:08:10,950 --> 01:08:09,599
know about it maybe it's another secret

1813
01:08:12,710 --> 01:08:10,960

program we don't know about that we

1814

01:08:14,390 --> 01:08:12,720

might learn about later but

1815

01:08:15,990 --> 01:08:14,400

that warrants a lot of investigation i

1816

01:08:17,829 --> 01:08:16,000

don't know i call them the strangers

1817

01:08:20,950 --> 01:08:17,839

because i don't basically

1818

01:08:24,229 --> 01:08:20,960

i don't know what they are about

1819

01:08:26,390 --> 01:08:24,239

and apparently um cia and people were on

1820

01:08:29,110 --> 01:08:26,400

top of orbs and lots of weird stuff

1821

01:08:31,349 --> 01:08:29,120

before even nids and

1822

01:08:33,749 --> 01:08:31,359

skinwalker and everything

1823

01:08:35,269 --> 01:08:33,759

uh based on their last interview

1824

01:08:36,950 --> 01:08:35,279

how about this question we i think i

1825

01:08:39,030 --> 01:08:36,960

already know the answer to this one yeah

1826

01:08:40,550 --> 01:08:39,040

no uh it was not part of my interview

1827

01:08:42,470 --> 01:08:40,560

hiring process

1828

01:08:45,669 --> 01:08:42,480

it was part of my reinvestigation

1829

01:08:47,269 --> 01:08:45,679

process so at my initial hiring process

1830

01:08:49,430 --> 01:08:47,279

i went through a polygraph and security

1831

01:08:51,990 --> 01:08:49,440

investigation that never came up they

1832

01:08:54,229 --> 01:08:52,000

basically want to know if i was a spy

1833

01:08:56,229 --> 01:08:54,239

working for a foreign government right

1834

01:08:58,309 --> 01:08:56,239

that's that's their primary

1835

01:09:01,349 --> 01:08:58,319

counterintelligence focus

1836

01:09:04,070 --> 01:09:01,359

when you join cia but once you're in cia

1837

01:09:05,669 --> 01:09:04,080

they won't know more about uh who you're

1838

01:09:07,669 --> 01:09:05,679

interacting with and what your hobbies

1839

01:09:08,550 --> 01:09:07,679

are and things like sexual preference

1840

01:09:09,510 --> 01:09:08,560

right

1841

01:09:11,349 --> 01:09:09,520

well

1842

01:09:14,229 --> 01:09:11,359

back then it wasn't such a big deal if

1843

01:09:16,070 --> 01:09:14,239

everyone knew about what that was

1844

01:09:18,309 --> 01:09:16,080

right it was only a big deal if you had

1845

01:09:20,470 --> 01:09:18,319

anything in your past life that

1846

01:09:21,990 --> 01:09:20,480

you could be embarrassing yeah be

1847

01:09:24,470 --> 01:09:22,000

embarrassing enough that you will give

1848

01:09:25,669 --> 01:09:24,480

away secrets in order to prevent being

1849

01:09:28,309 --> 01:09:25,679

being revealed you know being

1850

01:09:30,229 --> 01:09:28,319

blackmailed are you a black male target

1851
01:09:32,630 --> 01:09:30,239
and if you're not that's fine i mean you

1852
01:09:34,630 --> 01:09:32,640
could be anything you want and

1853
01:09:36,550 --> 01:09:34,640
as long as you're not a black uh a

1854
01:09:39,269 --> 01:09:36,560
target of blackmail but to answer that

1855
01:09:40,870 --> 01:09:39,279
question it happened uh at the five-year

1856
01:09:42,709 --> 01:09:40,880
reinvestigation

1857
01:09:45,030 --> 01:09:42,719
where they asked me what my hobbies were

1858
01:09:47,510 --> 01:09:45,040
and at that time that's when i started

1859
01:09:49,990 --> 01:09:47,520
going to ufo conferences prior to that i

1860
01:09:51,430 --> 01:09:50,000
never attended a ufo conference prior to

1861
01:09:54,229 --> 01:09:51,440
1984

1862
01:09:56,870 --> 01:09:54,239
when i was hired but since joining cia

1863
01:09:59,350 --> 01:09:56,880

uh in 1984 i started getting interested

1864

01:10:01,990 --> 01:09:59,360

because as we said before i started

1865

01:10:03,750 --> 01:10:02,000

meeting people with the same interests

1866

01:10:06,950 --> 01:10:03,760

and so you're interested in ufos yeah i

1867

01:10:09,669 --> 01:10:06,960

kind of was interested in ufos and ex

1868

01:10:11,910 --> 01:10:09,679

related my experiences that i've had uh

1869

01:10:14,390 --> 01:10:11,920

in my younger years so at that point

1870

01:10:17,270 --> 01:10:14,400

they did understand that you know that

1871

01:10:19,910 --> 01:10:17,280

ufos were a hop ufos and ets were

1872

01:10:22,070 --> 01:10:19,920

hobbies of mine and i would go to uh ufo

1873

01:10:24,070 --> 01:10:22,080

conferences and they would dually note

1874

01:10:25,590 --> 01:10:24,080

it down on my security profile it's

1875

01:10:30,550 --> 01:10:25,600

probably still there

1876

01:10:34,390 --> 01:10:31,750

uh

1877

01:10:37,030 --> 01:10:34,400

stipulation on that so

1878

01:10:37,910 --> 01:10:37,040

75 years that's uh yeah that's a long

1879

01:10:40,550 --> 01:10:37,920

life

1880

01:10:42,630 --> 01:10:40,560

pretty much forever

1881

01:10:45,110 --> 01:10:42,640

um

1882

01:10:47,590 --> 01:10:45,120

we got this one john's thoughts on

1883

01:10:49,350 --> 01:10:47,600

recent news of navy detonating a bomb

1884

01:10:51,350 --> 01:10:49,360

off the florida coast could it be to

1885

01:10:53,830 --> 01:10:51,360

coax usos thanks for all your great work

1886

01:10:55,750 --> 01:10:53,840

shauna john well i don't know i i didn't

1887

01:10:58,390 --> 01:10:55,760

know about the bomb being detonated off

1888

01:11:00,790 --> 01:10:58,400

the florida coast i do know that i was

1889

01:11:03,030 --> 01:11:00,800

in the navy and uh

1890

01:11:04,790 --> 01:11:03,040

we had a lot of target practice all the

1891

01:11:05,669 --> 01:11:04,800

time you know we would actually shoot

1892

01:11:07,350 --> 01:11:05,679

some

1893

01:11:08,709 --> 01:11:07,360

live ammo

1894

01:11:10,950 --> 01:11:08,719

and uh

1895

01:11:12,790 --> 01:11:10,960

and they would go off

1896

01:11:14,070 --> 01:11:12,800

and uh so i don't know what that bomb

1897

01:11:15,910 --> 01:11:14,080

was about

1898

01:11:17,430 --> 01:11:15,920

but florida is a very interesting uh

1899

01:11:19,830 --> 01:11:17,440

state i think

1900

01:11:21,430 --> 01:11:19,840

in terms that uh i would like call out

1901

01:11:29,350 --> 01:11:21,440

uh

1902

01:11:32,310 --> 01:11:29,360

cape canaveral

1903

01:11:33,510 --> 01:11:32,320

yeah the annual especially the nro side

1904

01:11:35,189 --> 01:11:33,520

of the cape

1905

01:11:36,950 --> 01:11:35,199

and uh homestead air force base

1906

01:11:39,590 --> 01:11:36,960

allegedly that's where

1907

01:11:42,790 --> 01:11:39,600

richard nixon showed jackie gleason

1908

01:11:44,550 --> 01:11:42,800

uh bodies at homestead air force base

1909

01:11:45,750 --> 01:11:44,560

according to uh

1910

01:11:47,510 --> 01:11:45,760

uh

1911

01:11:48,470 --> 01:11:47,520

i think it was jackie gleason's wife or

1912

01:11:50,470 --> 01:11:48,480

something

1913

01:11:52,630 --> 01:11:50,480

right later um i don't know what the

1914

01:11:54,310 --> 01:11:52,640

full story is but florida is just an

1915

01:11:56,229 --> 01:11:54,320

interesting place oh that's the home

1916

01:11:58,310 --> 01:11:56,239

state of marco rubio

1917

01:11:59,910 --> 01:11:58,320

yeah right so

1918

01:12:03,830 --> 01:11:59,920

there's a lot of interesting blue book

1919

01:12:05,590 --> 01:12:03,840

stories on in florida as well um

1920

01:12:09,350 --> 01:12:05,600

what do you think

1921

01:12:12,070 --> 01:12:09,360

jacques vale in the control system

1922

01:12:14,709 --> 01:12:12,080

uh i've not read any of chocolate's

1923

01:12:16,149 --> 01:12:14,719

books i've seen him uh in conferences i

1924

01:12:17,669 --> 01:12:16,159

saw him recently

1925

01:12:21,030 --> 01:12:17,679

uh at the

1926

01:12:22,709 --> 01:12:21,040

star works usa conference november of

1927

01:12:24,950 --> 01:12:22,719

2021.

1928

01:12:28,950 --> 01:12:24,960

and but other than that i i have not

1929

01:12:31,030 --> 01:12:28,960

read like i said i'm the worst read

1930

01:12:33,830 --> 01:12:31,040

all right entire field how about this

1931

01:12:36,229 --> 01:12:33,840

one um

1932

01:12:38,870 --> 01:12:36,239

intergalactic or aliens or

1933

01:12:41,510 --> 01:12:38,880

interdimensional or you don't know i

1934

01:12:43,270 --> 01:12:41,520

think it's all the above reason

1935

01:12:44,149 --> 01:12:43,280

recently um

1936

01:12:49,830 --> 01:12:44,159

uh

1937

01:12:52,790 --> 01:12:49,840

sean sean esbjorn hargens i was in this

1938

01:12:55,590 --> 01:12:52,800

course called exo studies right and uh

1939

01:12:57,430 --> 01:12:55,600

so um we talked about

1940

01:12:59,430 --> 01:12:57,440

every hypothesis

1941

01:13:00,709 --> 01:12:59,440

every single one of them and to all of

1942

01:13:02,390 --> 01:13:00,719

the above extraterrestrial

1943

01:13:03,750 --> 01:13:02,400

interdimensional

1944

01:13:05,750 --> 01:13:03,760

um

1945

01:13:07,830 --> 01:13:05,760

ultra terrestrial you you name it you

1946

01:13:09,910 --> 01:13:07,840

know they recovered it all and there's

1947

01:13:12,709 --> 01:13:09,920

he has a list of many many many

1948

01:13:15,270 --> 01:13:12,719

uh manifestations of this phenomenon so

1949

01:13:17,189 --> 01:13:15,280

i like again i take it all

1950

01:13:18,790 --> 01:13:17,199

i embrace it all widely

1951

01:13:20,950 --> 01:13:18,800

um so

1952

01:13:23,910 --> 01:13:20,960

i i don't i don't discount just because

1953

01:13:26,310 --> 01:13:23,920

uh i don't see one that they don't exist

1954

01:13:28,630 --> 01:13:26,320

you know right right yeah especially

1955

01:13:30,870 --> 01:13:28,640

with this phenomenon where you know i

1956

01:13:33,590 --> 01:13:30,880

think we agree or at least

1957

01:13:35,189 --> 01:13:33,600

uh i agree that it kind of takes on a

1958

01:13:37,510 --> 01:13:35,199

little bit of the person

1959

01:13:39,990 --> 01:13:37,520

or mimics the person a little bit

1960

01:13:41,990 --> 01:13:40,000

um reflects the person uh to a certain

1961

01:13:44,310 --> 01:13:42,000

extent and everybody's different from

1962

01:13:46,709 --> 01:13:44,320

one another so that's how many different

1963

01:13:47,910 --> 01:13:46,719

variations you could have i guess

1964

01:13:50,470 --> 01:13:47,920

you know

1965

01:13:53,270 --> 01:13:51,350

what

1966

01:13:55,350 --> 01:13:53,280

do you think when you look at like the

1967

01:13:57,830 --> 01:13:55,360

news coming out these days and and

1968

01:14:00,709 --> 01:13:57,840

people are like pushing uh new ufo

1969

01:14:02,950 --> 01:14:00,719

stories or maybe on the news talking or

1970

01:14:05,990 --> 01:14:02,960

whatever do you see anybody that's

1971

01:14:08,149 --> 01:14:06,000

um maybe not credible and not that you

1972

01:14:09,830 --> 01:14:08,159

have to list them out but what would be

1973

01:14:13,030 --> 01:14:09,840

some good ways to

1974

01:14:14,390 --> 01:14:13,040

um for us as viewers to look out for

1975

01:14:15,189 --> 01:14:14,400

something like that

1976

01:14:17,590 --> 01:14:15,199

um

1977

01:14:20,229 --> 01:14:17,600

for the general public i mean can you

1978

01:14:21,669 --> 01:14:20,239

imagine the the courage it takes to say

1979

01:14:23,110 --> 01:14:21,679

that you're seeing something like that

1980

01:14:25,270 --> 01:14:23,120

and i think

1981

01:14:28,310 --> 01:14:25,280

that's the value of having

1982

01:14:31,110 --> 01:14:28,320

discussions like this of having uh these

1983

01:14:32,550 --> 01:14:31,120

videos released by the pentagon

1984

01:14:36,390 --> 01:14:32,560

however they were released whether it

1985

01:14:38,070 --> 01:14:36,400

was true lou or whoever yeah i thank

1986

01:14:42,870 --> 01:14:38,080

them for releasing that

1987

01:14:45,350 --> 01:14:42,880

and to having ufos uaps in

1988

01:14:46,870 --> 01:14:45,360

these two pieces of legislation the ndaa

1989

01:14:48,790 --> 01:14:46,880

and the iaa

1990

01:14:51,030 --> 01:14:48,800

and having that um

1991

01:14:53,830 --> 01:14:51,040

our future in space discussion on stage

1992

01:14:56,149 --> 01:14:53,840

with the dni abrahams

1993

01:14:58,630 --> 01:14:56,159

it really takes away a lot of the stigma

1994

01:15:00,070 --> 01:14:58,640

behind this and as i would say

1995

01:15:01,270 --> 01:15:00,080

um

1996

01:15:03,669 --> 01:15:01,280

i can't

1997

01:15:06,390 --> 01:15:03,679

it's hard to discount

1998

01:15:09,270 --> 01:15:06,400

eyewitnesses who have absolutely no

1999

01:15:11,110 --> 01:15:09,280

stake in making any money

2000

01:15:13,590 --> 01:15:11,120

and they're putting their reputations on

2001

01:15:15,590 --> 01:15:13,600
the line by coming out in public

2002

01:15:18,229 --> 01:15:15,600
right and so i you know they're

2003

01:15:20,709 --> 01:15:18,239
witnesses and

2004

01:15:23,110 --> 01:15:20,719
i have to like take that

2005

01:15:26,310 --> 01:15:23,120
and embrace that i don't discount that

2006

01:15:27,110 --> 01:15:26,320
at all what i do discount

2007

01:15:28,950 --> 01:15:27,120
are

2008

01:15:33,270 --> 01:15:28,960
people who claim

2009

01:15:35,430 --> 01:15:33,280
to be insiders who claim to have inside

2010

01:15:38,229 --> 01:15:35,440
classified information that they're

2011

01:15:40,709 --> 01:15:38,239
releasing to certain researchers and

2012

01:15:42,790 --> 01:15:40,719
these researchers presented publicly

2013

01:15:44,229 --> 01:15:42,800

that i got this from this source that i

2014

01:15:46,390 --> 01:15:44,239

cannot name

2015

01:15:48,310 --> 01:15:46,400

when you can't name a source

2016

01:15:50,070 --> 01:15:48,320

and you say you vetted them but there's

2017

01:15:52,950 --> 01:15:50,080

giving you classified information i've

2018

01:15:55,590 --> 01:15:52,960

said it before that source has been

2019

01:15:58,470 --> 01:15:55,600

compromised and they're compromising you

2020

01:16:01,350 --> 01:15:58,480

you're being used for whatever purpose

2021

01:16:03,110 --> 01:16:01,360

either they're imposters or you're being

2022

01:16:05,430 --> 01:16:03,120

purposely used

2023

01:16:07,750 --> 01:16:05,440

in order to spread this information

2024

01:16:09,110 --> 01:16:07,760

officially

2025

01:16:11,830 --> 01:16:09,120

and so

2026

01:16:13,110 --> 01:16:11,840

uh i call it a deflection so

2027

01:16:14,390 --> 01:16:13,120

believe me

2028

01:16:16,310 --> 01:16:14,400

um

2029

01:16:17,910 --> 01:16:16,320

the counter intelligence people in the

2030

01:16:20,709 --> 01:16:17,920

u.s government

2031

01:16:23,910 --> 01:16:20,719

uh if they're on you the

2032

01:16:26,229 --> 01:16:23,920

fbi national security branch counter

2033

01:16:28,550 --> 01:16:26,239

intelligence intelligence division

2034

01:16:30,310 --> 01:16:28,560

they're on you they're going to find out

2035

01:16:32,630 --> 01:16:30,320

who your sources are

2036

01:16:34,790 --> 01:16:32,640

and if they don't arrest the source or

2037

01:16:36,790 --> 01:16:34,800

somehow get to the source to prevent

2038

01:16:38,390 --> 01:16:36,800

that from happening if it's genuinely

2039

01:16:39,669 --> 01:16:38,400

classified

2040

01:16:40,709 --> 01:16:39,679

and if you're still hearing from that

2041

01:16:44,550 --> 01:16:40,719

source

2042

01:16:46,550 --> 01:16:44,560

absolutely

2043

01:16:47,350 --> 01:16:46,560

that source will be gone having said

2044

01:16:51,189 --> 01:16:47,360

that

2045

01:16:52,870 --> 01:16:51,199

been turned in some way

2046

01:16:55,430 --> 01:16:52,880

interesting because that's part of the

2047

01:16:57,270 --> 01:16:55,440

spy business is making double agents out

2048

01:16:59,110 --> 01:16:57,280

of folks right you know you catch them

2049

01:17:00,950 --> 01:16:59,120

and then say hey you work for us and by

2050

01:17:03,030 --> 01:17:00,960

the way you hand this over

2051

01:17:05,350 --> 01:17:03,040

to this researcher

2052

01:17:07,430 --> 01:17:05,360

and then we you won't get into trouble

2053

01:17:12,229 --> 01:17:07,440

we will drop the charges so to speak and

2054

01:17:17,750 --> 01:17:15,430

yeah so anonymous sources don't don't

2055

01:17:20,310 --> 01:17:17,760

trust anonymous sources at all

2056

01:17:22,310 --> 01:17:20,320

especially anonymous sources that say i

2057

01:17:23,669 --> 01:17:22,320

have classified information and i want

2058

01:17:24,630 --> 01:17:23,679

to give it to you

2059

01:17:26,310 --> 01:17:24,640

right

2060

01:17:27,990 --> 01:17:26,320

because then if if

2061

01:17:29,590 --> 01:17:28,000

if your phone if you're a researcher and

2062

01:17:31,510 --> 01:17:29,600

you got that if your phones aren't

2063

01:17:34,310 --> 01:17:31,520

tapped if your computer hasn't been

2064

01:17:35,910 --> 01:17:34,320

hacked by officially by government and

2065

01:17:39,669 --> 01:17:35,920

it's not cia doing it because we have no

2066

01:17:42,709 --> 01:17:39,679

law enforcement fbi can do it legally

2067

01:17:45,430 --> 01:17:42,719

for counterintelligence purposes um

2068

01:17:47,350 --> 01:17:45,440

that source is it's very suspect

2069

01:17:50,070 --> 01:17:47,360

yeah don't do it

2070

01:17:52,229 --> 01:17:50,080

um all right let's end on this question

2071

01:17:54,520 --> 01:17:52,239

then i gotta let my dogs out to go to

2072

01:17:56,950 --> 01:17:54,530

the bathroom and feed them dinner

2073

01:18:00,070 --> 01:17:56,960

[Laughter]

2074

01:18:01,910 --> 01:18:00,080

so we have from sean hi john can you

2075

01:18:04,390 --> 01:18:01,920

expand on the encounter you had with the

2076

01:18:06,950 --> 01:18:04,400

light pods and you being able to choose

2077

01:18:10,149 --> 01:18:06,960

your own next time

2078

01:18:12,390 --> 01:18:10,159

um yes i talked about this in another uh

2079

01:18:15,030 --> 01:18:12,400

my very first uh interview

2080

01:18:18,310 --> 01:18:15,040

was with exo metaverse

2081

01:18:19,110 --> 01:18:18,320

exo metaverse altogether

2082

01:18:20,870 --> 01:18:19,120

um

2083

01:18:23,830 --> 01:18:20,880

and so

2084

01:18:24,790 --> 01:18:23,840

uh if there's a way i can provide

2085

01:18:27,430 --> 01:18:24,800

the

2086

01:18:29,110 --> 01:18:27,440

url for that'll be easier through you

2087

01:18:31,110 --> 01:18:29,120

sure uh for people to click on it and

2088

01:18:33,669 --> 01:18:31,120

i'll provide that but i talk extensively

2089

01:18:36,630 --> 01:18:33,679

about that that was part of my uh one of

2090

01:18:39,750 --> 01:18:36,640

my qht regressions

2091

01:18:42,229 --> 01:18:39,760

right um i think i have it right up here

2092

01:18:45,510 --> 01:18:42,239

would it be on their website

2093

01:18:47,030 --> 01:18:45,520

yeah it's it's with a a wonderful woman

2094

01:18:50,070 --> 01:18:47,040

naughty hannah

2095

01:18:51,030 --> 01:18:50,080

um she's an experiencer as well and uh

2096

01:18:53,669 --> 01:18:51,040

okay

2097

01:18:54,870 --> 01:18:53,679

i'll put it in the chat here for people

2098

01:18:56,550 --> 01:18:54,880

um

2099

01:18:58,229 --> 01:18:56,560

awesome

2100

01:18:59,990 --> 01:18:58,239

anything that you want to get out there

2101
01:19:01,350 --> 01:19:00,000
and say to

2102
01:19:04,229 --> 01:19:01,360
um

2103
01:19:07,510 --> 01:19:04,239
you know ufo twitter or anybody watching

2104
01:19:09,910 --> 01:19:07,520
uh yeah um i was just saying this um

2105
01:19:12,790 --> 01:19:09,920
uh i appreciate the support that i've

2106
01:19:14,870 --> 01:19:12,800
got um there are many many people who've

2107
01:19:17,110 --> 01:19:14,880
texted me direct messaging

2108
01:19:18,070 --> 01:19:17,120
uh and i've made like virtual friends

2109
01:19:20,870 --> 01:19:18,080
with

2110
01:19:23,430 --> 01:19:20,880
and uh so i appreciate that very much i

2111
01:19:25,189 --> 01:19:23,440
also appreciate those in government you

2112
01:19:26,870 --> 01:19:25,199
shall name nameless who've reached out

2113
01:19:28,790 --> 01:19:26,880

to me

2114

01:19:31,030 --> 01:19:28,800

and i know you're doing good work and

2115

01:19:32,630 --> 01:19:31,040

this work is still progressing believe

2116

01:19:35,110 --> 01:19:32,640

me it's more than lou

2117

01:19:37,590 --> 01:19:35,120

doing this it's more than chris mellon

2118

01:19:39,669 --> 01:19:37,600

there's a team of people behind them

2119

01:19:41,910 --> 01:19:39,679

that you don't know about

2120

01:19:43,110 --> 01:19:41,920

that they're working on this at various

2121

01:19:43,990 --> 01:19:43,120

agencies

2122

01:19:45,750 --> 01:19:44,000

to

2123

01:19:47,669 --> 01:19:45,760

actually understand the phenomenon and

2124

01:19:50,870 --> 01:19:47,679

get the truth out

2125

01:19:52,950 --> 01:19:50,880

and also just remember that um i don't

2126

01:19:54,630 --> 01:19:52,960

have any current information

2127

01:19:56,390 --> 01:19:54,640

so when you ask me about something

2128

01:19:58,310 --> 01:19:56,400

that's happening currently

2129

01:20:01,590 --> 01:19:58,320

um if you ask me about

2130

01:20:04,870 --> 01:20:01,600

uh something that maybe lou knew

2131

01:20:06,790 --> 01:20:04,880

that he said before that's current i i

2132

01:20:11,990 --> 01:20:06,800

got the same information you have

2133

01:20:15,189 --> 01:20:12,000

so i mean i can opine my opinion but

2134

01:20:16,709 --> 01:20:15,199

basically i'll try to share what i can

2135

01:20:18,870 --> 01:20:16,719

out there

2136

01:20:20,070 --> 01:20:18,880

i like reading foias and try to

2137

01:20:21,910 --> 01:20:20,080

interpret them

2138

01:20:23,590 --> 01:20:21,920

might be trying to guess what's behind

2139

01:20:25,590 --> 01:20:23,600

the hidden blanks i don't think the

2140

01:20:27,590 --> 01:20:25,600

government likes me to do that i would

2141

01:20:29,910 --> 01:20:27,600

say this just because it's a

2142

01:20:33,669 --> 01:20:29,920

foia just because the foia is

2143

01:20:35,910 --> 01:20:33,679

redacted today it may not be redacted

2144

01:20:38,229 --> 01:20:35,920

tomorrow and i use a lot of the inner

2145

01:20:41,910 --> 01:20:38,239

road documents there was a a

2146

01:20:44,070 --> 01:20:41,920

control system called biman d-y-e-m-a-n

2147

01:20:45,669 --> 01:20:44,080

that prevented a lot of the earlier

2148

01:20:46,470 --> 01:20:45,679

foias to be

2149

01:20:48,229 --> 01:20:46,480

from

2150

01:20:50,470 --> 01:20:48,239

being released in full

2151

01:20:52,790 --> 01:20:50,480

bimen is no longer

2152

01:20:55,750 --> 01:20:52,800

a control system and so a lot of the

2153

01:20:57,430 --> 01:20:55,760

buymen control documents from nro

2154

01:20:59,590 --> 01:20:57,440

talking about capabilities that we have

2155

01:21:01,590 --> 01:20:59,600

to detect these things they have a lot

2156

01:21:03,350 --> 01:21:01,600

of blank pages

2157

01:21:05,270 --> 01:21:03,360

if there's a way to resubmit that and i

2158

01:21:07,510 --> 01:21:05,280

believe there is a way to resubmit that

2159

01:21:09,030 --> 01:21:07,520

not through foia but to say hey can you

2160

01:21:11,590 --> 01:21:09,040

update this

2161

01:21:14,149 --> 01:21:11,600

because byman is no longer

2162

01:21:15,910 --> 01:21:14,159

a control system can you now remove some

2163

01:21:18,390 --> 01:21:15,920

of those blanks

2164

01:21:19,590 --> 01:21:18,400

that's a that's a worthy effort to do

2165

01:21:23,030 --> 01:21:19,600

as well

2166

01:21:24,870 --> 01:21:23,040

let me ask you this has anyone ever has

2167

01:21:26,709 --> 01:21:24,880

have people like greenwald or anyone

2168

01:21:28,629 --> 01:21:26,719

else ask you for advice with the what

2169

01:21:30,950 --> 01:21:28,639

the foia stuff or

2170

01:21:33,189 --> 01:21:30,960

or anything since you've come out

2171

01:21:35,430 --> 01:21:33,199

uh no uh john greenwald has not asked me

2172

01:21:37,510 --> 01:21:35,440

about foia advice in fact i i i would

2173

01:21:39,430 --> 01:21:37,520

rather prefer to speak to him and get to

2174

01:21:41,270 --> 01:21:39,440

get information from him how to do it i

2175

01:21:42,870 --> 01:21:41,280

i used to be on the foia on the

2176

01:21:45,030 --> 01:21:42,880

redaction side

2177

01:21:48,470 --> 01:21:45,040

a foia so i know the process uh

2178

01:21:50,550 --> 01:21:48,480

apparently there's even more intricacy

2179

01:21:52,310 --> 01:21:50,560

because as john would say you know

2180

01:21:55,110 --> 01:21:52,320

there's these little cold

2181

01:21:57,910 --> 01:21:55,120

letters like b3 means this b1 means that

2182

01:22:00,870 --> 01:21:57,920

and it's the justification of why

2183

01:22:03,590 --> 01:22:00,880

uh something was redacted in my day um

2184

01:22:06,310 --> 01:22:03,600

we just like if it's a phone number and

2185

01:22:08,550 --> 01:22:06,320

a name and an office designator it's

2186

01:22:10,550 --> 01:22:08,560

gone you know anything that deals with

2187

01:22:13,189 --> 01:22:10,560

sources in the methods it's gone

2188

01:22:15,350 --> 01:22:13,199

otherwise it's releasable so

2189

01:22:17,750 --> 01:22:15,360

ever hear this

2190

01:22:18,629 --> 01:22:17,760

a 1917 or metric

2191

01:22:22,070 --> 01:22:18,639

no

2192

01:22:23,669 --> 01:22:22,080

all right

2193

01:22:25,910 --> 01:22:23,679

um

2194

01:22:29,669 --> 01:22:25,920

well i think that's all i have for you

2195

01:22:32,070 --> 01:22:29,679

today i had a great time with you

2196

01:22:33,110 --> 01:22:32,080

and you're welcome back anytime all the

2197

01:22:35,669 --> 01:22:33,120

time

2198

01:22:37,990 --> 01:22:35,679

and it's not about the current stuff

2199

01:22:41,910 --> 01:22:38,000

that you know it's just about you and

2200

01:22:43,110 --> 01:22:41,920

being a good person and talking to you

2201

01:22:45,350 --> 01:22:43,120

so

2202

01:22:48,390 --> 01:22:45,360

um yeah with that being said you know on

2203

01:22:49,830 --> 01:22:48,400

behalf of everybody um i think i can say

2204

01:22:52,870 --> 01:22:49,840

thank you so much for your courage of

2205

01:22:55,669 --> 01:22:52,880

coming out not only helping people along

2206

01:22:57,830 --> 01:22:55,679

as far as the government aspect of

2207

01:22:59,270 --> 01:22:57,840

things but having the courage to share

2208

01:23:01,510 --> 01:22:59,280

your experience

2209

01:23:02,790 --> 01:23:01,520

and not holding back with that i think

2210

01:23:05,350 --> 01:23:02,800

that

2211

01:23:08,070 --> 01:23:05,360

really helps with the stigma aspect as

2212

01:23:10,709 --> 01:23:08,080

well and it allows other people that you

2213

01:23:12,310 --> 01:23:10,719

know maybe think maybe it's not so bad

2214

01:23:15,030 --> 01:23:12,320

if i share a little bit

2215

01:23:17,669 --> 01:23:15,040

um because this guy's pretty cool and

2216

01:23:19,990 --> 01:23:17,679

he's a great guy and he's sharon

2217

01:23:21,669 --> 01:23:20,000

and he was in the freaking cia believe

2218

01:23:22,550 --> 01:23:21,679

it or not

2219

01:23:27,189 --> 01:23:22,560

so

2220

01:23:28,790 --> 01:23:27,199

thank you um for doing that that means a

2221

01:23:31,590 --> 01:23:28,800

lot and i know you have other interviews

2222

01:23:34,070 --> 01:23:31,600

coming up so um i hope those go well

2223

01:23:35,910 --> 01:23:34,080

thank you very much and uh i love being

2224

01:23:37,430 --> 01:23:35,920

on your show um

2225

01:23:39,430 --> 01:23:37,440

it's always a fun experience because i

2226

01:23:40,629 --> 01:23:39,440

felt like the only thing missing is like

2227

01:23:43,270 --> 01:23:40,639

some beer

2228

01:23:45,830 --> 01:23:43,280

yeah i know totally i totally miss a

2229

01:23:48,870 --> 01:23:45,840

beer well if you're ever in

2230

01:23:52,229 --> 01:23:50,550

or maybe i'll take a trip out there

2231

01:23:54,070 --> 01:23:52,239

sometime and we'll have a beer in a

2232
