

1  
00:00:03,669 --> 00:00:02,149  
i'm gonna let you in on something could

2  
00:00:05,829 --> 00:00:03,679  
these sausages be some kind of a secret

3  
00:00:07,749 --> 00:00:05,839  
weapon of ours no

4  
00:00:09,589 --> 00:00:07,759  
if they were air material command would

5  
00:00:11,430 --> 00:00:09,599  
be the first to know how about a device

6  
00:00:13,390 --> 00:00:11,440  
from a foreign country we know they're

7  
00:01:04,270 --> 00:00:13,400  
not

8  
00:01:08,310 --> 00:01:04,280  
[Music]

9  
00:01:08,320 --> 00:01:15,270  
what's up

10  
00:01:20,950 --> 00:01:16,310  
how's everybody doing

11  
00:01:26,170 --> 00:01:23,830  
got kind of some uh rock and roll music

12  
00:01:30,950 --> 00:01:26,180  
today

13  
00:01:33,990 --> 00:01:31,830

so

14

00:01:36,550 --> 00:01:34,000

yeah just kind of changing it up playing

15

00:01:38,950 --> 00:01:36,560

some rock and roll music

16

00:01:40,710 --> 00:01:38,960

um that i made myself

17

00:01:43,030 --> 00:01:40,720

so

18

00:01:45,350 --> 00:01:43,040

you know i make my own music

19

00:01:46,040 --> 00:01:45,360

i don't know if you knew that but

20

00:01:48,789 --> 00:01:46,050

i do

21

00:01:51,749 --> 00:01:48,799

[Laughter]

22

00:01:53,830 --> 00:01:51,759

and i was kind of tired of the you know

23

00:01:56,069 --> 00:01:53,840

slower stuff i thought we'd kick it up a

24

00:01:58,389 --> 00:01:56,079

notch with something a little more

25

00:01:59,510 --> 00:01:58,399

rocking you know

26

00:02:10,150 --> 00:01:59,520

because

27

00:02:10,160 --> 00:02:13,110

yeah

28

00:02:13,120 --> 00:02:17,270

probably too loud for some people though

29

00:02:21,110 --> 00:02:18,550

but

30

00:02:24,550 --> 00:02:21,120

it's saturday

31

00:02:24,560 --> 00:02:28,470

is what it is

32

00:02:28,480 --> 00:02:35,830

it gets in a good mood

33

00:02:35,840 --> 00:02:38,470

all right

34

00:02:45,509 --> 00:02:43,670

so we have a lot to talk about today

35

00:02:48,790 --> 00:02:45,519

we have a couple of different things to

36

00:02:51,830 --> 00:02:48,800

talk about today on the docket uh we are

37

00:02:53,430 --> 00:02:51,840

going to talk about

38

00:02:56,630 --> 00:02:53,440

um

39

00:02:57,670 --> 00:02:56,640

mutes which uh i learned was shorthand

40

00:02:58,470 --> 00:02:57,680

for

41

00:03:01,190 --> 00:02:58,480

uh

42

00:03:04,869 --> 00:03:01,200

cattle mutilations

43

00:03:07,430 --> 00:03:04,879

and also some vatican stuff

44

00:03:09,350 --> 00:03:07,440

which is always pretty interesting um as

45

00:03:11,750 --> 00:03:09,360

their you know catholicism is the number

46

00:03:14,070 --> 00:03:11,760

one religion like in the world there's

47

00:03:16,630 --> 00:03:14,080

like over a billion catholics so

48

00:03:18,630 --> 00:03:16,640

you know thinking about how

49

00:03:22,149 --> 00:03:18,640

you know that whole thing would work

50

00:03:25,190 --> 00:03:22,159

with some sort of disclosure of another

51  
00:03:27,910 --> 00:03:25,200  
um intelligent life form would be pretty

52  
00:03:29,589 --> 00:03:27,920  
important and very interesting

53  
00:03:32,149 --> 00:03:29,599  
uh probably more interesting than

54  
00:03:33,350 --> 00:03:32,159  
important i don't know that's for you to

55  
00:03:35,190 --> 00:03:33,360  
decide

56  
00:03:37,750 --> 00:03:35,200  
um but yeah

57  
00:03:39,509 --> 00:03:37,760  
and i also just wanted to give a little

58  
00:03:41,110 --> 00:03:39,519  
piece on

59  
00:03:43,509 --> 00:03:41,120  
you know i know i

60  
00:03:46,309 --> 00:03:43,519  
have been doing you know ufo stuff

61  
00:03:48,869 --> 00:03:46,319  
forever or whatever but um

62  
00:03:52,630 --> 00:03:48,879  
um i wanted to give a little piece on

63  
00:03:55,830 --> 00:03:52,640

what i think the state of ufology is

64

00:03:58,229 --> 00:03:55,840

uh with um you know

65

00:04:00,470 --> 00:03:58,239

the advent of ufo apology being thrown

66

00:04:04,390 --> 00:04:00,480

into the social media world

67

00:04:05,429 --> 00:04:04,400

and kind of what i see happening there

68

00:04:06,710 --> 00:04:05,439

and

69

00:04:09,110 --> 00:04:06,720

um

70

00:04:11,190 --> 00:04:09,120

you know if it's a disservice or not

71

00:04:13,589 --> 00:04:11,200

you know and either way can we do

72

00:04:16,509 --> 00:04:13,599

anything about it really so

73

00:04:21,030 --> 00:04:16,519

but what i'll start with is the cattle

74

00:04:24,870 --> 00:04:22,950

you know robert likes the flannel i

75

00:04:30,070 --> 00:04:24,880

appreciate it thank you thank you very

76

00:04:31,270 --> 00:04:30,080

much he says gr greet gr eat shirt by

77

00:04:40,230 --> 00:04:31,280

the way

78

00:04:41,189 --> 00:04:40,240

we have k-42 d skinny bob we have

79

00:04:43,350 --> 00:04:41,199

uh

80

00:04:46,230 --> 00:04:43,360

rachel that ufo lady

81

00:04:47,430 --> 00:04:46,240

um we have bug what's up

82

00:04:51,510 --> 00:04:47,440

and

83

00:04:53,510 --> 00:04:51,520

lara disclosure team what's up

84

00:04:56,550 --> 00:04:53,520

he's only here for five minutes man what

85

00:04:59,350 --> 00:04:56,560

a eat and run guy huh i'm glad you're

86

00:05:02,230 --> 00:04:59,360

saying what's up daniel christensen um

87

00:05:04,629 --> 00:05:02,240

who else we got arnold what's up

88

00:05:06,150 --> 00:05:04,639

lionel george

89

00:05:08,230 --> 00:05:06,160

yawn

90

00:05:10,629 --> 00:05:08,240

um

91

00:05:12,390 --> 00:05:10,639

christopher walford always ready to rock

92

00:05:15,270 --> 00:05:12,400

i love that sweet

93

00:05:18,150 --> 00:05:15,280

jos laura awesome

94

00:05:19,749 --> 00:05:18,160

um appreciate everybody stopping by so

95

00:05:21,430 --> 00:05:19,759

yeah let's get to it so what kind of

96

00:05:22,390 --> 00:05:21,440

started this is

97

00:05:24,710 --> 00:05:22,400

um

98

00:05:26,950 --> 00:05:24,720

i was watching

99

00:05:29,350 --> 00:05:26,960

um

100

00:05:30,950 --> 00:05:29,360

a toe with curt is that what it's called

101

00:05:33,909 --> 00:05:30,960

toe skirt

102

00:05:35,830 --> 00:05:33,919

it was pretty interesting toe right

103

00:05:39,749 --> 00:05:35,840

i wouldn't put toe in the name of my

104

00:05:41,670 --> 00:05:39,759

podcast but but uh kercher mungle it's a

105

00:05:43,670 --> 00:05:41,680

great podcast a super smart dude he does

106

00:05:46,390 --> 00:05:43,680

a good job with his interviews um i

107

00:05:47,590 --> 00:05:46,400

appreciate that you know he's he's got a

108

00:05:51,909 --> 00:05:47,600

pretty good

109

00:05:53,590 --> 00:05:51,919

um fan base and he doesn't you know

110

00:05:56,629 --> 00:05:53,600

shy away from this stuff or anything he

111

00:05:59,189 --> 00:05:56,639

actually engages it in it and you know

112

00:06:01,189 --> 00:05:59,199

from what i can tell in a very great way

113

00:06:04,070 --> 00:06:01,199

you know a very level-headed way

114

00:06:05,510 --> 00:06:04,080

theories of everything yeah there we go

115

00:06:07,990 --> 00:06:05,520

that's what it's called

116

00:06:11,749 --> 00:06:08,000

so um i really appreciate the work that

117

00:06:15,270 --> 00:06:11,759

he does and um i'm i'm appreciative of

118

00:06:18,830 --> 00:06:15,280

that so yesterday he had a

119

00:06:25,510 --> 00:06:22,710

um linda multnow which

120

00:06:27,749 --> 00:06:25,520

you know i don't want to get into

121

00:06:29,830 --> 00:06:27,759

too much of what i think uh of the

122

00:06:32,870 --> 00:06:29,840

person really

123

00:06:36,309 --> 00:06:34,790

she's been around for a while she's been

124

00:06:37,270 --> 00:06:36,319

doing this for a while she's 80 years

125

00:06:39,110 --> 00:06:37,280

old

126

00:06:40,309 --> 00:06:39,120

um and

127

00:06:42,950 --> 00:06:40,319

you know she

128

00:06:46,230 --> 00:06:42,960

definitely let everybody know that

129

00:06:49,029 --> 00:06:46,240

um she's done a lot of journalism for a

130

00:06:52,230 --> 00:06:49,039

lot of different places and

131

00:06:55,029 --> 00:06:52,240

um has released books so

132

00:06:57,110 --> 00:06:55,039

without going too far down the road she

133

00:06:58,950 --> 00:06:57,120

you know every opportunity she mentioned

134

00:07:01,110 --> 00:06:58,960

a book and and what she's done and

135

00:07:03,029 --> 00:07:01,120

throughout journalism so

136

00:07:04,390 --> 00:07:03,039

um you know you can take that for what

137

00:07:05,510 --> 00:07:04,400

you want but

138

00:07:06,710 --> 00:07:05,520

and uh

139

00:07:07,830 --> 00:07:06,720

mutilation

140

00:07:10,230 --> 00:07:07,840

she took

141

00:07:13,189 --> 00:07:10,240

a lot of that on in the 70s

142

00:07:15,110 --> 00:07:13,199

um she made a documentary for it that

143

00:07:17,350 --> 00:07:15,120

was pretty big

144

00:07:20,230 --> 00:07:17,360

and

145

00:07:23,189 --> 00:07:20,240

although you know she wasn't the

146

00:07:26,070 --> 00:07:23,199

um first person to start

147

00:07:29,350 --> 00:07:26,080

um studying the cow mutilations

148

00:07:31,430 --> 00:07:29,360

actually mr david perkins i think was

149

00:07:33,270 --> 00:07:31,440

and we'll get into him but

150

00:07:35,430 --> 00:07:33,280

linda multahal is pretty convinced that

151  
00:07:38,390 --> 00:07:35,440  
these are all extraterrestrial based

152  
00:07:40,629 --> 00:07:38,400  
ufos um and there definitely are you

153  
00:07:42,469 --> 00:07:40,639  
know situations where

154  
00:07:44,309 --> 00:07:42,479  
you know people see things in the in the

155  
00:07:45,909 --> 00:07:44,319  
sky

156  
00:07:47,909 --> 00:07:45,919  
yeah there you go strange harvest it's

157  
00:07:49,670 --> 00:07:47,919  
called people see things in the sky and

158  
00:07:52,710 --> 00:07:49,680  
then there's like some

159  
00:07:55,189 --> 00:07:52,720  
mutilations cow mutilations right and

160  
00:07:56,309 --> 00:07:55,199  
the way they're done is

161  
00:07:59,270 --> 00:07:56,319  
well

162  
00:08:01,270 --> 00:07:59,280  
you know the um mystery mutilations the

163  
00:08:03,909 --> 00:08:01,280

cuts are perfect they're clean uh

164

00:08:06,230 --> 00:08:03,919

there's no blood um it's usually like

165

00:08:07,990 --> 00:08:06,240

something like the left ear left eye

166

00:08:10,550 --> 00:08:08,000

um and

167

00:08:13,749 --> 00:08:10,560

the cow's private parts

168

00:08:15,510 --> 00:08:13,759

and um so on and so forth and

169

00:08:18,309 --> 00:08:15,520

everything's taken in a way where

170

00:08:20,150 --> 00:08:18,319

usually there's no footprints

171

00:08:22,869 --> 00:08:20,160

and it's kind of like a mystery like

172

00:08:26,629 --> 00:08:22,879

organs missing yes laura

173

00:08:33,029 --> 00:08:29,270

what kind of

174

00:08:38,790 --> 00:08:36,949

well i can say like it it got the

175

00:08:41,670 --> 00:08:38,800

basically got the uh

176  
00:08:42,870 --> 00:08:41,680  
attention of some constituents so to

177  
00:08:45,750 --> 00:08:42,880  
speak

178  
00:08:48,550 --> 00:08:45,760  
and they wanted to

179  
00:08:51,030 --> 00:08:48,560  
i can bring up like the couple files i

180  
00:08:54,630 --> 00:08:51,040  
have on this

181  
00:08:57,670 --> 00:08:54,640  
and you know it's not a super thorough

182  
00:08:59,509 --> 00:08:57,680  
um document hunt here but it's enough to

183  
00:09:01,110 --> 00:08:59,519  
kind of get the the point across i

184  
00:09:05,269 --> 00:09:01,120  
believe of

185  
00:09:09,590 --> 00:09:07,590  
so we have this it was

186  
00:09:13,110 --> 00:09:09,600  
a lot of these are mostly all of these

187  
00:09:14,310 --> 00:09:13,120  
actually are uh from the fbi so senator

188  
00:09:15,910 --> 00:09:14,320

haskell

189

00:09:16,870 --> 00:09:15,920

uh colorado

190

00:09:19,509 --> 00:09:16,880

um

191

00:09:23,829 --> 00:09:19,519

we can just read it here this is 1975.

192

00:09:27,829 --> 00:09:26,230

and we're in you know without too much

193

00:09:29,750 --> 00:09:27,839

context i apologize but you can see

194

00:09:33,030 --> 00:09:29,760

subject mutilation of livestock state of

195

00:09:35,110 --> 00:09:33,040

colorado this was happening a lot and

196

00:09:37,190 --> 00:09:35,120

you know people were getting pretty

197

00:09:39,190 --> 00:09:37,200

worried hot and bothered about their

198

00:09:41,430 --> 00:09:39,200

cattle because that's their investment

199

00:09:43,190 --> 00:09:41,440

like farmers and stuff so i'm just going

200

00:09:44,949 --> 00:09:43,200

to go through this quick senator haskell

201

00:09:46,310 --> 00:09:44,959

indicated his concern for a situation

202

00:09:48,550 --> 00:09:46,320

occurring in the western states where

203

00:09:50,470 --> 00:09:48,560

cattle have been discovered mutilated

204

00:09:52,630 --> 00:09:50,480

the bizarre mutilations involved loss of

205

00:09:54,070 --> 00:09:52,640

left ear left eye sex organ and the

206

00:09:55,990 --> 00:09:54,080

blood drain from the carcass with no

207

00:09:57,430 --> 00:09:56,000

traces of blood left on the ground and

208

00:09:59,110 --> 00:09:57,440

no footprints

209

00:10:03,030 --> 00:09:59,120

haskell repeated as a request that the

210

00:10:09,430 --> 00:10:06,470

and basically the fbi

211

00:10:10,710 --> 00:10:09,440

didn't want to or couldn't uh begin the

212

00:10:12,310 --> 00:10:10,720

investigation

213

00:10:13,750 --> 00:10:12,320

um haskell he said the ranchers are

214

00:10:15,590 --> 00:10:13,760

getting considerably worried out there

215

00:10:18,550 --> 00:10:15,600

and he felt if the fbi would just enter

216

00:10:20,710 --> 00:10:18,560

the investigation it would have a

217

00:10:22,389 --> 00:10:20,720

deterrent effect our jurisdiction was

218

00:10:23,829 --> 00:10:22,399

explained to senator haskell and he said

219

00:10:26,389 --> 00:10:23,839

that he understood our statutory

220

00:10:28,870 --> 00:10:26,399

limitations and inquired as to whether a

221

00:10:30,949 --> 00:10:28,880

resolution would give us as necessary

222

00:10:32,870 --> 00:10:30,959

blah blah blah

223

00:10:34,630 --> 00:10:32,880

so eventually they did take on the

224

00:10:38,150 --> 00:10:34,640

investigation and they called it project

225

00:10:40,949 --> 00:10:39,430

um

226

00:10:43,590 --> 00:10:40,959

then we'll go up here just another one

227

00:10:45,910 --> 00:10:43,600

memorandum to mr adams uh

228

00:10:47,509 --> 00:10:45,920

haskell re-contacted them in the

229

00:10:49,430 --> 00:10:47,519

afternoon said that he had received a

230

00:10:51,269 --> 00:10:49,440

call from dane edwards editor of paper

231

00:10:53,430 --> 00:10:51,279

brush colorado

232

00:10:54,949 --> 00:10:53,440

who furnished information that u.s army

233

00:10:57,110 --> 00:10:54,959

helicopters had been seen in the

234

00:11:00,550 --> 00:10:57,120

vicinity where some of the cattle were

235

00:11:01,750 --> 00:11:00,560

mutilated and that he edwards had been

236

00:11:04,550 --> 00:11:01,760

threatened

237

00:11:06,310 --> 00:11:04,560

but senator haskell did not know uh what

238

00:11:08,069 --> 00:11:06,320

sort of threats edwards had received her

239

00:11:09,350 --> 00:11:08,079

by whom he was advised that this

240

00:11:11,430 --> 00:11:09,360

information would be furnished to the

241

00:11:13,670 --> 00:11:11,440

denver office and denver would closely

242

00:11:15,509 --> 00:11:13,680

follow the situation senator haskell

243

00:11:18,310 --> 00:11:15,519

expressed appreciation

244

00:11:20,470 --> 00:11:18,320

so here's one of the situations where as

245

00:11:23,110 --> 00:11:20,480

far as linda molten howell goes she

246

00:11:25,509 --> 00:11:23,120

tends to not talk about this stuff

247

00:11:27,269 --> 00:11:25,519

um the helicopters that are seen

248

00:11:29,110 --> 00:11:27,279

you know in some instances there are

249

00:11:30,630 --> 00:11:29,120

national guard helicopters that the

250

00:11:32,550 --> 00:11:30,640

ranchers actually eventually started

251  
00:11:33,990 --> 00:11:32,560  
shooting at because they were so you

252  
00:11:35,750 --> 00:11:34,000  
know pissed off about all this stuff

253  
00:11:37,670 --> 00:11:35,760  
that they armed themselves

254  
00:11:38,750 --> 00:11:37,680  
um in this instance this is just a

255  
00:11:41,590 --> 00:11:38,760  
document

256  
00:11:43,990 --> 00:11:41,600  
unsubstantiated from a dane edwards i'm

257  
00:11:45,910 --> 00:11:44,000  
talking about u.s army helicopters seen

258  
00:11:48,710 --> 00:11:45,920  
in the vicinity which were seen

259  
00:11:51,590 --> 00:11:48,720  
frequently in the vicinity but although

260  
00:11:54,150 --> 00:11:51,600  
not all the time

261  
00:11:56,870 --> 00:11:54,160  
and it goes even deeper than that

262  
00:11:58,790 --> 00:11:56,880  
to be quite honest with you but um i'll

263  
00:12:00,629 --> 00:11:58,800

kind of get to what i think about all

264

00:12:03,590 --> 00:12:00,639

this after i go through what i have to

265

00:12:08,629 --> 00:12:05,910

here's another one uh for several months

266

00:12:10,949 --> 00:12:08,639

so this is a theodore rosac

267

00:12:13,829 --> 00:12:10,959

uh to theodore rozak who is a special

268

00:12:15,590 --> 00:12:13,839

agent in charge for the fbi

269

00:12:17,430 --> 00:12:15,600

for several months my office has been

270

00:12:18,949 --> 00:12:17,440

receiving reports of cattle mutilations

271

00:12:21,670 --> 00:12:18,959

throughout colorado and other western

272

00:12:23,590 --> 00:12:21,680

states at least 130 cases in colorado

273

00:12:25,829 --> 00:12:23,600

alone have been reported to local

274

00:12:28,389 --> 00:12:25,839

officials in the colorado bureau of

275

00:12:29,910 --> 00:12:28,399

investigation the cbi has verified that

276

00:12:32,230 --> 00:12:29,920

the incidents have occurred for the last

277

00:12:34,069 --> 00:12:32,240

two years and nine states

278

00:12:35,750 --> 00:12:34,079

uh the ranchers in rural residents of

279

00:12:37,430 --> 00:12:35,760

colorado are concerned frightened by the

280

00:12:39,590 --> 00:12:37,440

incidents the bizarre mutilations are

281

00:12:41,030 --> 00:12:39,600

frightening in themselves in virtually

282

00:12:43,350 --> 00:12:41,040

all the cases the left ear left

283

00:12:44,949 --> 00:12:43,360

diarectum and sex organ of each animal

284

00:12:47,509 --> 00:12:44,959

has been cut away and the blood drained

285

00:12:49,190 --> 00:12:47,519

from the carcass but with no traces of

286

00:12:52,069 --> 00:12:49,200

blood left on the ground and no

287

00:12:53,990 --> 00:12:52,079

footprints

288

00:12:55,670 --> 00:12:54,000

in colorado's morgan county area there

289

00:12:57,590 --> 00:12:55,680

has also been reports that a helicopter

290

00:12:59,430 --> 00:12:57,600

was used by those who mutilated the

291

00:13:01,509 --> 00:12:59,440

carcass with the cattle and several

292

00:13:03,509 --> 00:13:01,519

persons have reported being chased by a

293

00:13:04,949 --> 00:13:03,519

similar helicopter

294

00:13:06,870 --> 00:13:04,959

because i'm gravely concerned about the

295

00:13:09,750 --> 00:13:06,880

situation i'm asking that the fbi

296

00:13:12,470 --> 00:13:11,110

at the bottom you can kind of see what i

297

00:13:13,990 --> 00:13:12,480

just talked about now it appears that

298

00:13:15,990 --> 00:13:14,000

the ranchers are arming themselves to

299

00:13:18,069 --> 00:13:16,000

protect their livestock as well as their

300

00:13:19,990 --> 00:13:18,079

families and themselves because they are

301

00:13:22,629 --> 00:13:20,000

frustrated by the unsuccessful

302

00:13:29,910 --> 00:13:22,639

investigation clearly something must be

303

00:13:33,750 --> 00:13:32,150

the fact that the allegations so we can

304

00:13:35,590 --> 00:13:33,760

see this from haskell the fact that the

305

00:13:37,670 --> 00:13:35,600

allegations have been made

306

00:13:39,430 --> 00:13:37,680

of the loss of livestock in 21 states

307

00:13:41,990 --> 00:13:39,440

under similar circumstances strongly

308

00:13:43,670 --> 00:13:42,000

suggests the very real possibility that

309

00:13:45,350 --> 00:13:43,680

the crossing of state lines is involved

310

00:13:46,870 --> 00:13:45,360

so this is basically how he's trying to

311

00:13:49,189 --> 00:13:46,880

get the fbi involved because there's

312

00:13:54,629 --> 00:13:49,199

crossing of state lines and everything

313

00:14:00,870 --> 00:13:58,470

um so this one is interesting because it

314

00:14:06,310 --> 00:14:03,670

kind of different uh ideas that were

315

00:14:07,990 --> 00:14:06,320

being thrown about on march 679 the fbi

316

00:14:10,310 --> 00:14:08,000

albuquerque division instructed to

317

00:14:12,870 --> 00:14:10,320

conduct the investigation

318

00:14:14,710 --> 00:14:12,880

april 2079 a conference was and this is

319

00:14:17,030 --> 00:14:14,720

kind of like a

320

00:14:19,350 --> 00:14:17,040

big part of this whole

321

00:14:21,509 --> 00:14:19,360

mutilation thing is this conference

322

00:14:23,189 --> 00:14:21,519

and a bunch of ufologists showing up um

323

00:14:25,110 --> 00:14:23,199

kind of tying the two together

324

00:14:26,710 --> 00:14:25,120

rightfully or wrongfully i can't really

325

00:14:28,629 --> 00:14:26,720

say i guess but

326

00:14:30,629 --> 00:14:28,639

um

327

00:14:33,430 --> 00:14:30,639

oh thanks laura by the way

328

00:14:38,470 --> 00:14:35,189

vinnie comes in disclosure teams he goes

329

00:14:40,880 --> 00:14:38,480

what did i miss laura goes not much

330

00:14:40,880 --> 00:14:40,890

thanks

331

00:14:45,350 --> 00:14:42,870

[Laughter]

332

00:14:47,030 --> 00:14:45,360

i'm just kidding so in march 679 the fbi

333

00:14:48,629 --> 00:14:47,040

albuquerque division instructed to

334

00:14:51,350 --> 00:14:48,639

conduct the investigation into the

335

00:14:55,030 --> 00:14:51,360

mutilations of 15 animals

336

00:14:58,310 --> 00:14:56,550

the problem of animal mutilations

337

00:15:00,629 --> 00:14:58,320

primarily cattle in which approximately

338

00:15:02,230 --> 00:15:00,639

180 people attended who included various

339

00:15:04,710 --> 00:15:02,240

law enforcement agencies from several

340

00:15:07,110 --> 00:15:04,720

states news media representatives

341

00:15:08,710 --> 00:15:07,120

and the general public senator schmidt

342

00:15:10,470 --> 00:15:08,720

chaired the conference and the u.s

343

00:15:15,350 --> 00:15:10,480

attorney new mexico

344

00:15:19,430 --> 00:15:17,030

um

345

00:15:21,509 --> 00:15:19,440

doj had given

346

00:15:23,590 --> 00:15:21,519

the fbi authority to investigate those

347

00:15:26,150 --> 00:15:23,600

cattle mutilations which have occurred

348

00:15:28,069 --> 00:15:26,160

or might occur in indian country during

349

00:15:29,910 --> 00:15:28,079

the conference numerous theories were

350

00:15:32,470 --> 00:15:29,920

expounded concerning who is responsible

351  
00:15:35,829 --> 00:15:32,480  
for these mutilations including members

352  
00:15:37,910 --> 00:15:35,839  
of satanic cults predators pranksters

353  
00:15:40,069 --> 00:15:37,920  
extraterrestrial visitors in some

354  
00:15:41,670 --> 00:15:40,079  
unknown government agency at the

355  
00:15:43,430 --> 00:15:41,680  
conclusion of this conference it was

356  
00:15:45,509 --> 00:15:43,440  
decided that one agency would be

357  
00:15:47,269 --> 00:15:45,519  
designated at the coordinating

358  
00:15:49,590 --> 00:15:47,279  
investigative agency for all

359  
00:15:51,350 --> 00:15:49,600  
jurisdictions

360  
00:15:52,389 --> 00:15:51,360  
so

361  
00:15:54,949 --> 00:15:52,399  
um

362  
00:15:58,230 --> 00:15:54,959  
there's really two reasons i wanted to

363  
00:16:00,550 --> 00:15:58,240

show these documents so the first one is

364

00:16:01,590 --> 00:16:00,560

to show you if you didn't know already

365

00:16:03,430 --> 00:16:01,600

so

366

00:16:05,189 --> 00:16:03,440

many of you probably have

367

00:16:06,310 --> 00:16:05,199

known this already but it was a real

368

00:16:07,350 --> 00:16:06,320

thing

369

00:16:11,749 --> 00:16:07,360

and

370

00:16:13,110 --> 00:16:11,759

what's happening now but i'm pretty sure

371

00:16:15,509 --> 00:16:13,120

there's different weird things like that

372

00:16:17,350 --> 00:16:15,519

happening now um in fact i think in

373

00:16:19,749 --> 00:16:17,360

france there was a thing with horses not

374

00:16:21,189 --> 00:16:19,759

too long ago which is interesting

375

00:16:23,030 --> 00:16:21,199

um

376

00:16:24,949 --> 00:16:23,040

but it was a real deal

377

00:16:26,470 --> 00:16:24,959

and there

378

00:16:29,350 --> 00:16:26,480

there were years where i think it was

379

00:16:31,670 --> 00:16:29,360

over a thousand or something livestock

380

00:16:34,310 --> 00:16:31,680

you know but

381

00:16:37,269 --> 00:16:34,320

what's interesting here is that

382

00:16:38,310 --> 00:16:37,279

when you look at these mutilations and

383

00:16:40,389 --> 00:16:38,320

the different

384

00:16:42,790 --> 00:16:40,399

you know reasons people attach to it

385

00:16:46,230 --> 00:16:42,800

whether it be extraterrestrials uh

386

00:16:48,710 --> 00:16:46,240

pranksters hoaxes um cults satanic

387

00:16:52,629 --> 00:16:48,720

rituals whatever

388

00:16:57,030 --> 00:16:54,389

you know you can find different cases

389

00:16:58,629 --> 00:16:57,040

that substantiate each one in different

390

00:17:00,949 --> 00:16:58,639

manners right

391

00:17:03,189 --> 00:17:00,959

there have been mutilation cases where

392

00:17:05,829 --> 00:17:03,199

there's like ritual things set up

393

00:17:08,630 --> 00:17:05,839

outside of it or near the area there

394

00:17:10,710 --> 00:17:08,640

have been cases where cows were

395

00:17:12,390 --> 00:17:10,720

the dead cow was tested and had

396

00:17:14,789 --> 00:17:12,400

um

397

00:17:16,870 --> 00:17:14,799

mescaline in its system

398

00:17:18,870 --> 00:17:16,880

and there have been cases where there's

399

00:17:19,669 --> 00:17:18,880

no footprints nothing you just wouldn't

400

00:17:21,350 --> 00:17:19,679

know

401  
00:17:23,829 --> 00:17:21,360  
and there have been cases where it looks

402  
00:17:25,669 --> 00:17:23,839  
like a predator came

403  
00:17:28,150 --> 00:17:25,679  
there's all these different

404  
00:17:30,070 --> 00:17:28,160  
things going on

405  
00:17:32,310 --> 00:17:30,080  
and but we're trying to figure out the

406  
00:17:36,070 --> 00:17:32,320  
one that people can't figure out just

407  
00:17:40,310 --> 00:17:38,150  
you know it's so extremely similar to

408  
00:17:43,590 --> 00:17:40,320  
how you have both sightings go

409  
00:18:00,470 --> 00:17:44,470  
that

410  
00:18:02,310 --> 00:18:00,480  
helicopters around this stuff

411  
00:18:06,710 --> 00:18:02,320  
and ufos

412  
00:18:06,720 --> 00:18:13,430  
oftentimes the helicopters were unmarked

413  
00:18:20,870 --> 00:18:16,230

and this all kind of boils down to me is

414

00:18:23,590 --> 00:18:20,880

some kind of control system that uh

415

00:18:25,510 --> 00:18:23,600

jacques vale speaks of

416

00:18:26,789 --> 00:18:25,520

this weird trickster phenomenon where

417

00:18:30,310 --> 00:18:26,799

this

418

00:18:31,990 --> 00:18:30,320

to see what it wants you to see and it

419

00:18:37,750 --> 00:18:32,000

wants to keep you off the right path and

420

00:18:40,630 --> 00:18:38,789

i don't

421

00:18:42,549 --> 00:18:40,640

you know the more i look into this stuff

422

00:18:45,590 --> 00:18:42,559

it's like sometimes the less i think

423

00:18:50,710 --> 00:18:45,600

it's actually extraterrestrial and more

424

00:18:56,390 --> 00:18:53,190

you know weird stuff going on

425

00:18:58,230 --> 00:18:56,400

uh whether it be

426

00:19:05,590 --> 00:18:58,240

you know positive or negative or

427

00:19:11,750 --> 00:19:09,029

what i wanted to also show is

428

00:19:15,110 --> 00:19:11,760

you know me i like to deep dive

429

00:19:16,630 --> 00:19:15,120

well i like to dive

430

00:19:18,470 --> 00:19:16,640

i don't know how deep it is i guess to

431

00:19:21,669 --> 00:19:18,480

be honest with you but

432

00:19:21,679 --> 00:19:28,630

and grab a couple blue book documents

433

00:19:32,150 --> 00:19:30,549

that talk about

434

00:19:34,230 --> 00:19:32,160

some mutilation stuff

435

00:19:36,950 --> 00:19:34,240

so this one is interesting

436

00:19:38,950 --> 00:19:36,960

and you know forgive me but it's a whole

437

00:19:40,630 --> 00:19:38,960

document and everything from blue book

438

00:19:43,990 --> 00:19:40,640

trust me but i'm just skipping i'm just

439

00:19:48,549 --> 00:19:46,549

because of the bottom paragraph

440

00:19:49,830 --> 00:19:48,559

so basically the witness states that the

441

00:19:52,630 --> 00:19:49,840

object definitely did not have the

442

00:19:55,110 --> 00:19:52,640

curtain this is a ufo report by the way

443

00:19:57,909 --> 00:19:55,120

and it's in cartersville georgia and

444

00:20:01,270 --> 00:19:57,919

it's 1948

445

00:20:05,990 --> 00:20:03,430

and i'm just kind of showing how

446

00:20:10,230 --> 00:20:06,000

here we go again is some sort of ufo

447

00:20:11,669 --> 00:20:10,240

sighting and in relation to uh ufo stuff

448

00:20:12,950 --> 00:20:11,679

so the witness states that the object

449

00:20:14,870 --> 00:20:12,960

definitely did not have the curb

450

00:20:16,710 --> 00:20:14,880

trajectory of a wingless missile shortly

451  
00:20:18,310 --> 00:20:16,720  
after the crossing spat the blue flames

452  
00:20:20,230 --> 00:20:18,320  
sputtered and turned immediately or its

453  
00:20:21,590 --> 00:20:20,240  
word flame then died altogether but

454  
00:20:24,390 --> 00:20:21,600  
nothing was seen hitting the ground

455  
00:20:27,190 --> 00:20:24,400  
witness states as the flame was

456  
00:20:28,630 --> 00:20:27,200  
not of the long trailing type but rather

457  
00:20:30,470 --> 00:20:28,640  
the impression that you're looking down

458  
00:20:32,710 --> 00:20:30,480  
a long exhaust stack at a short but

459  
00:20:34,950 --> 00:20:32,720  
concentrated massive blue flame

460  
00:20:36,789 --> 00:20:34,960  
and further stated that his connections

461  
00:20:38,950 --> 00:20:36,799  
with the royal air force pilots in

462  
00:20:41,750 --> 00:20:38,960  
england during the war leads him now to

463  
00:20:45,029 --> 00:20:41,760

believe this object looked the same as

464

00:20:48,250 --> 00:20:45,039

the buzz bombs chased

465

00:20:49,590 --> 00:20:48,260

by the raf pilots at night um

466

00:20:52,549 --> 00:20:49,600

[Music]

467

00:20:54,310 --> 00:20:52,559

pursuit of flight 9 january 48 also saw

468

00:20:56,230 --> 00:20:54,320

the object to flame only but gave no

469

00:20:58,950 --> 00:20:56,240

further evidence for its identification

470

00:21:02,390 --> 00:20:58,960

okay then this paragraph

471

00:21:05,510 --> 00:21:02,400

the person stated on april 29th that 75

472

00:21:07,510 --> 00:21:05,520

cattle had died of an unknown disease on

473

00:21:09,909 --> 00:21:07,520

the farm

474

00:21:11,909 --> 00:21:09,919

in newman georgia and expressed concern

475

00:21:14,549 --> 00:21:11,919

over a possible connection between the

476

00:21:20,230 --> 00:21:14,559

unidentified object he reported in this

477

00:21:24,230 --> 00:21:22,070

and the department of agriculture

478

00:21:26,710 --> 00:21:24,240

advises that this unknown disease has

479

00:21:29,270 --> 00:21:26,720

persisted for over a year in other cases

480

00:21:31,430 --> 00:21:29,280

repeated elsewhere in the country for in

481

00:21:33,110 --> 00:21:31,440

the country for some time back there

482

00:21:35,350 --> 00:21:33,120

apparently remains no basis for the

483

00:21:38,310 --> 00:21:35,360

connection okay well how are they going

484

00:21:40,230 --> 00:21:38,320

to know that it's an unknown disease

485

00:21:41,590 --> 00:21:40,240

so how can you say there's no basis for

486

00:21:45,590 --> 00:21:41,600

connection you don't know what the

487

00:21:48,470 --> 00:21:45,600

disease is but this is interesting

488

00:21:50,870 --> 00:21:48,480

that this person already back in 1948

489

00:21:52,630 --> 00:21:50,880

before any of those mutilations are gone

490

00:21:55,830 --> 00:21:52,640

is already

491

00:22:01,029 --> 00:21:59,110

the idea of possibly

492

00:22:01,909 --> 00:22:01,039

ufos in them

493

00:22:05,110 --> 00:22:01,919

being

494

00:22:12,630 --> 00:22:07,110

so i thought that was

495

00:22:20,630 --> 00:22:15,190

vinnie's throwing in some

496

00:22:24,549 --> 00:22:22,310

one thing i can mention is i was

497

00:22:27,350 --> 00:22:24,559

listening to

498

00:22:30,950 --> 00:22:27,360

this podcast for a little bit with

499

00:22:33,669 --> 00:22:32,630

uh this person that i'm hoping to get on

500

00:22:36,149 --> 00:22:33,679

the show which would be pretty cool

501  
00:22:37,830 --> 00:22:36,159  
david perkins he was talking about some

502  
00:22:40,470 --> 00:22:37,840  
nid's work with this stuff actually

503  
00:22:41,350 --> 00:22:40,480  
where um it was noticed that

504  
00:22:46,630 --> 00:22:41,360  
you know

505  
00:22:48,549 --> 00:22:46,640  
whatever needs to be in the brain and

506  
00:22:50,630 --> 00:22:48,559  
it's normal or whatever for these cows

507  
00:22:51,590 --> 00:22:50,640  
or i'm not a biologist so i don't know

508  
00:22:53,909 --> 00:22:51,600  
but

509  
00:22:56,789 --> 00:22:53,919  
apparently there was a lot less of this

510  
00:22:59,510 --> 00:22:56,799  
copper in most of the cows who have been

511  
00:23:01,510 --> 00:22:59,520  
mutilated and um

512  
00:23:03,830 --> 00:23:01,520  
they were trying to investigate that

513  
00:23:05,990 --> 00:23:03,840

which is very interesting but kind of

514

00:23:07,669 --> 00:23:06,000

reminds i was reminded of that when i

515

00:23:08,630 --> 00:23:07,679

saw vinnie talk about the alzheimer's

516

00:23:10,070 --> 00:23:08,640

thing

517

00:23:19,430 --> 00:23:10,080

not that those two are connected but

518

00:23:24,789 --> 00:23:22,149

and this last one i'm going to show you

519

00:23:28,789 --> 00:23:24,799

in regards to the

520

00:23:33,590 --> 00:23:32,230

and we hear this a lot about cattle or

521

00:23:37,350 --> 00:23:33,600

animals

522

00:23:38,710 --> 00:23:37,360

being really

523

00:23:41,669 --> 00:23:38,720

you know hot and bothered when these

524

00:23:43,909 --> 00:23:41,679

ufos come by right so here we i'm just

525

00:23:46,470 --> 00:23:43,919

going to read this part here

526

00:23:48,549 --> 00:23:46,480

interesting too that the conclusion is

527

00:23:49,510 --> 00:23:48,559

unidentified because we know with blue

528

00:23:51,510 --> 00:23:49,520

book

529

00:23:53,990 --> 00:23:51,520

um cases

530

00:23:55,510 --> 00:23:54,000

like they don't often put it down as

531

00:23:56,870 --> 00:23:55,520

unidentified

532

00:23:58,390 --> 00:23:56,880

actually

533

00:24:01,430 --> 00:23:58,400

if they don't know what it is they

534

00:24:03,990 --> 00:24:01,440

typically put it down as

535

00:24:05,830 --> 00:24:04,000

you know not conclusive or not enough

536

00:24:07,029 --> 00:24:05,840

evidence

537

00:24:09,110 --> 00:24:07,039

something like that they don't say

538

00:24:10,230 --> 00:24:09,120

unidentified or unknown but this is

539

00:24:12,870 --> 00:24:10,240

interesting

540

00:24:14,710 --> 00:24:12,880

the observer was awakened by several of

541

00:24:16,230 --> 00:24:14,720

his cows bawling

542

00:24:17,990 --> 00:24:16,240

the observer rushed to his living room

543

00:24:20,070 --> 00:24:18,000

and cited a craft that was estimated to

544

00:24:22,230 --> 00:24:20,080

be about a hundred feet diameter and it

545

00:24:24,149 --> 00:24:22,240

had concave sides a bright yellow green

546

00:24:26,390 --> 00:24:24,159

light came from the concave size of the

547

00:24:28,789 --> 00:24:26,400

craft and the craft itself produced

548

00:24:31,029 --> 00:24:28,799

pulsating sound similar to a piece of

549

00:24:32,470 --> 00:24:31,039

wire world at high speed above person

550

00:24:34,630 --> 00:24:32,480

set

551  
00:24:36,070 --> 00:24:34,640  
that's so interesting hey

552  
00:24:37,510 --> 00:24:36,080  
that description

553  
00:24:39,350 --> 00:24:37,520  
can you imagine what that sounds like

554  
00:24:40,710 --> 00:24:39,360  
piece of wire world at high speed above

555  
00:24:43,190 --> 00:24:40,720  
your head kind of sounds like a

556  
00:24:46,470 --> 00:24:43,200  
helicopter doesn't it

557  
00:24:48,549 --> 00:24:46,480  
maybe during this time the cows were uh

558  
00:24:50,149 --> 00:24:48,559  
staring at the object which

559  
00:24:53,110 --> 00:24:50,159  
i don't know what that says about 100 to

560  
00:24:55,430 --> 00:24:53,120  
200 feet away and about 25 feet above

561  
00:24:57,350 --> 00:24:55,440  
the ground finally the cow's world and

562  
00:24:59,350 --> 00:24:57,360  
ran into the barn shortly afterward the

563  
00:25:02,789 --> 00:24:59,360

craft moved away rapidly towards the

564

00:25:09,029 --> 00:25:04,470

then

565

00:25:09,039 --> 00:25:15,750

and it's a letter but there is

566

00:25:22,870 --> 00:25:18,230

interesting so they had a little piece

567

00:25:22,880 --> 00:25:29,029

and

568

00:25:36,070 --> 00:25:31,590

interesting here okay this is 1968 so

569

00:25:41,029 --> 00:25:38,310

aerial phenomenon is in the receipt of a

570

00:25:42,710 --> 00:25:41,039

ufo from missouri which occurred on 9th

571

00:25:44,470 --> 00:25:42,720

february 68 the observer site in

572

00:25:45,990 --> 00:25:44,480

extremely bright light

573

00:25:47,590 --> 00:25:46,000

we know all that

574

00:25:49,110 --> 00:25:47,600

initially the object was suffering but

575

00:25:52,230 --> 00:25:49,120

when it moved towards southwest the

576

00:25:54,630 --> 00:25:52,240

noise was two or three times louder

577

00:25:57,110 --> 00:25:54,640

and the sound pulsations were more rapid

578

00:25:58,230 --> 00:25:57,120

interesting because ufo observations

579

00:26:01,029 --> 00:25:58,240

typically

580

00:26:03,590 --> 00:26:01,039

which you hear is

581

00:26:05,830 --> 00:26:03,600

uh no sound

582

00:26:07,430 --> 00:26:05,840

here we go blake mr facility chief at

583

00:26:09,750 --> 00:26:07,440

the kansas city municipal airport

584

00:26:12,390 --> 00:26:09,760

suggests that citing it may have been of

585

00:26:13,990 --> 00:26:12,400

a low altitude operation of a turbine

586

00:26:15,750 --> 00:26:14,000

powered helicopter

587

00:26:18,070 --> 00:26:15,760

and suggested that we contact you do

588

00:26:20,070 --> 00:26:18,080

helicopters from your field ever operate

589

00:26:21,830 --> 00:26:20,080

in the area in question you have records

590

00:26:23,430 --> 00:26:21,840

for the above date and time that would

591

00:26:24,870 --> 00:26:23,440

indicate whether a helicopter or other

592

00:26:27,750 --> 00:26:24,880

aircraft would be in the area at the

593

00:26:30,070 --> 00:26:27,760

time if so was there any activity in the

594

00:26:33,190 --> 00:26:30,080

area at the time

595

00:26:40,549 --> 00:26:34,230

they're

596

00:26:45,350 --> 00:26:42,710

before the blossom of the cattle

597

00:26:47,110 --> 00:26:45,360

mutilations really

598

00:26:50,470 --> 00:26:47,120

in a different state this is kansas city

599

00:26:56,710 --> 00:26:50,480

missouri this isn't even colorado or

600

00:26:59,990 --> 00:26:59,190

so this is just um

601  
00:27:00,950 --> 00:27:00,000  
from

602  
00:27:02,230 --> 00:27:00,960  
hector

603  
00:27:04,870 --> 00:27:02,240  
quintillo

604  
00:27:06,710 --> 00:27:04,880  
quanatila i probably never say his name

605  
00:27:08,470 --> 00:27:06,720  
right

606  
00:27:10,310 --> 00:27:08,480  
had a project blue balls

607  
00:27:12,789 --> 00:27:10,320  
blue book

608  
00:27:14,870 --> 00:27:12,799  
right into uh

609  
00:27:19,680 --> 00:27:14,880  
police department kansas city

610  
00:27:19,690 --> 00:27:23,669  
[Music]

611  
00:27:28,950 --> 00:27:26,470  
so here we have the disc

612  
00:27:31,110 --> 00:27:28,960  
who is this from

613  
00:27:34,630 --> 00:27:31,120

john westall

614

00:27:36,149 --> 00:27:34,640

lrc aviation officer not sure what lrc

615

00:27:37,990 --> 00:27:36,159

means

616

00:27:39,269 --> 00:27:38,000

but number two bullet point he says the

617

00:27:42,389 --> 00:27:39,279

description of the sighting does

618

00:27:44,389 --> 00:27:42,399

resemble in an in intangible way the

619

00:27:48,310 --> 00:27:44,399

manner in which members of the lady

620

00:27:52,470 --> 00:27:49,990

our helicopters seldom operate in the

621

00:27:54,710 --> 00:27:52,480

vicinity of gower missouri more

622

00:27:58,630 --> 00:27:54,720

specifically our records revealed no

623

00:28:01,269 --> 00:27:58,640

helicopter flights on the 9th february

624

00:28:02,950 --> 00:28:01,279

1968.

625

00:28:06,310 --> 00:28:02,960

sherman army airfield control tower is

626  
00:28:07,909 --> 00:28:06,320  
not operational during the period

627  
00:28:09,430 --> 00:28:07,919  
of the time stated

628  
00:28:11,350 --> 00:28:09,440  
therefore it was not in position to

629  
00:28:13,750 --> 00:28:11,360  
receive any reports of unusual objects

630  
00:28:16,549 --> 00:28:13,760  
or noise the airfield operations office

631  
00:28:17,590 --> 00:28:16,559  
is open 24 hours a day

632  
00:28:19,430 --> 00:28:17,600  
so

633  
00:28:23,350 --> 00:28:19,440  
here we have

634  
00:28:23,360 --> 00:28:31,750  
and there were none

635  
00:28:36,549 --> 00:28:33,029  
and that kind of goes back to the

636  
00:28:41,990 --> 00:28:39,029  
whatever these intelligent

637  
00:28:44,149 --> 00:28:42,000  
entities are

638  
00:28:51,110 --> 00:28:44,159

can they kind of i don't know be a

639

00:28:57,510 --> 00:28:54,470

possibly

640

00:28:58,630 --> 00:28:57,520

um here we go

641

00:29:00,950 --> 00:28:58,640

so

642

00:29:02,789 --> 00:29:00,960

again more about the helicopters

643

00:29:07,029 --> 00:29:02,799

uh do helicopters from your field ever

644

00:29:14,950 --> 00:29:09,110

this is just the kind of questionnaire

645

00:29:19,110 --> 00:29:17,029

and

646

00:29:20,630 --> 00:29:19,120

okay so here we got several police

647

00:29:22,310 --> 00:29:20,640

departments and airports in the area

648

00:29:23,750 --> 00:29:22,320

contacted

649

00:29:25,990 --> 00:29:23,760

see if there were any helicopter

650

00:29:27,430 --> 00:29:26,000

activities in the era here yet no one

651  
00:29:29,590 --> 00:29:27,440  
else in the area seems to have seen

652  
00:29:31,990 --> 00:29:29,600  
anything unusual and although several

653  
00:29:33,990 --> 00:29:32,000  
people thought the description somewhat

654  
00:29:35,750 --> 00:29:34,000  
similar to that of a turbine helicopter

655  
00:29:36,789 --> 00:29:35,760  
no record could be

656  
00:29:41,750 --> 00:29:36,799  
found

657  
00:29:42,630 --> 00:29:41,760  
of any helicopter activity in the area

658  
00:29:44,310 --> 00:29:42,640  
oh

659  
00:29:46,230 --> 00:29:44,320  
the observers nearsighted didn't have

660  
00:29:48,410 --> 00:29:46,240  
his glasses on

661  
00:29:56,389 --> 00:29:48,420  
throw it down the tubes

662  
00:29:59,350 --> 00:29:57,669  
i've heard

663  
00:30:01,110 --> 00:29:59,360

things like that from other people just

664

00:30:03,669 --> 00:30:01,120

not in relation to cattle stuff but just

665

00:30:08,230 --> 00:30:03,679

uh like helicopters and ufos

666

00:30:11,830 --> 00:30:09,350

i don't know

667

00:30:17,590 --> 00:30:11,840

it's just uh pretty peculiar to me

668

00:30:23,510 --> 00:30:20,230

yep and all these are just saying no

669

00:30:25,750 --> 00:30:23,520

aircraft found no helicopters

670

00:30:30,389 --> 00:30:25,760

nothing

671

00:30:32,710 --> 00:30:30,399

then he writes to the person who

672

00:30:34,389 --> 00:30:32,720

looks like had the

673

00:30:36,310 --> 00:30:34,399

sighting without additional information

674

00:30:39,110 --> 00:30:36,320

we cannot offer an explanation of the

675

00:30:40,549 --> 00:30:39,120

ufo you observed however

676  
00:30:42,950 --> 00:30:40,559  
complete the questionnaire blah blah

677  
00:30:47,830 --> 00:30:45,750  
we've got dr heineken involved

678  
00:30:54,070 --> 00:30:47,840  
northwestern university evanston

679  
00:30:54,080 --> 00:30:59,029  
and

680  
00:30:59,039 --> 00:31:04,310  
you know well it said unidentified so

681  
00:31:04,320 --> 00:31:07,830  
this is interesting

682  
00:31:12,870 --> 00:31:10,070  
uh bullet point number three this case

683  
00:31:15,750 --> 00:31:12,880  
must be evaluated as unidentified since

684  
00:31:21,909 --> 00:31:15,760  
it is a one witness case

685  
00:31:26,070 --> 00:31:24,149  
you can't do that

686  
00:31:29,750 --> 00:31:26,080  
well you have to i guess because they

687  
00:31:33,509 --> 00:31:31,830  
or is that the other case that's the

688  
00:31:35,350 --> 00:31:33,519

first case we went on

689

00:31:37,110 --> 00:31:35,360

uh we are up the familiar blind alley

690

00:31:39,830 --> 00:31:37,120

with the question as to whether there is

691

00:31:41,509 --> 00:31:39,840

an actual image on

692

00:31:43,110 --> 00:31:41,519

at the time of his sightings there's

693

00:31:45,909 --> 00:31:43,120

always the possibility that this could

694

00:31:47,430 --> 00:31:45,919

have been a vivid dream or an outright

695

00:31:49,350 --> 00:31:47,440

hallucination

696

00:31:53,269 --> 00:31:49,360

we do not understand under what

697

00:31:54,789 --> 00:31:53,279

conditions such hallucinations occur

698

00:31:56,310 --> 00:31:54,799

um

699

00:32:04,310 --> 00:31:56,320

but you know we don't know what else the

700

00:32:07,750 --> 00:32:05,830

but it's interesting because he goes in

701

00:32:08,950 --> 00:32:07,760

my recent visit to london i spoke at

702

00:32:10,470 --> 00:32:08,960

great length with a well-known

703

00:32:12,310 --> 00:32:10,480

psychiatrist who is doing research in

704

00:32:14,149 --> 00:32:12,320

hypnosis and he tells me the following 1

705

00:32:16,870 --> 00:32:14,159

out of 20 people appear to be capable of

706

00:32:18,710 --> 00:32:16,880

deep trans hypnosis in some five cases

707

00:32:20,549 --> 00:32:18,720

in which he had

708

00:32:22,630 --> 00:32:20,559

hypothesized the people who had

709

00:32:24,310 --> 00:32:22,640

spectacular ufo sightings he has found

710

00:32:26,870 --> 00:32:24,320

that in all cases these people were

711

00:32:28,470 --> 00:32:26,880

capable of deep trans hypnosis

712

00:32:31,029 --> 00:32:28,480

deep trance subjects are capable of

713

00:32:33,029 --> 00:32:31,039

hallucination under suggestion by the

714

00:32:34,789 --> 00:32:33,039

hypnotist the question remains whether

715

00:32:37,350 --> 00:32:34,799

they are also capable of hallucination

716

00:32:39,110 --> 00:32:37,360

without the aid of hypnotist this is an

717

00:32:40,830 --> 00:32:39,120

interesting possibility it might go a

718

00:32:48,870 --> 00:32:40,840

long way

719

00:32:52,310 --> 00:32:50,630

vinnie's a man don't forget to like the

720

00:32:59,110 --> 00:32:52,320

video

721

00:32:59,120 --> 00:33:05,509

um so yeah

722

00:33:11,750 --> 00:33:08,830

interestingly enough

723

00:33:15,269 --> 00:33:11,760

um this is kind of uh the person's

724

00:33:21,029 --> 00:33:17,110

says the cows are staring at the object

725

00:33:22,830 --> 00:33:21,039

from perhaps 100 to 200 feet away

726

00:33:26,230 --> 00:33:22,840

they're bawling poor

727

00:33:27,909 --> 00:33:26,240

cows poor cows and i love the birds on

728

00:33:30,630 --> 00:33:27,919

this paper by the way it's just

729

00:33:30,640 --> 00:33:35,830

secretary of defense well

730

00:33:42,710 --> 00:33:38,070

interesting i went to the secretary of

731

00:33:42,720 --> 00:33:47,190

curious

732

00:33:50,950 --> 00:33:48,950

he talks about the object says there

733

00:33:53,029 --> 00:33:50,960

were definitely seven openings or

734

00:33:54,710 --> 00:33:53,039

portholes in the approximate center of

735

00:33:56,549 --> 00:33:54,720

the concave sides their spacing would

736

00:33:58,630 --> 00:33:56,559

indicate that if the craft were in fact

737

00:34:00,549 --> 00:33:58,640

round there would probably there were

738

00:34:03,430 --> 00:34:00,559

probably 16 of these equally spaced

739

00:34:04,710 --> 00:34:03,440

around the craft i cannot see distinctly

740

00:34:07,430 --> 00:34:04,720

enough to tell if they were square

741

00:34:10,629 --> 00:34:07,440

rectangular all around

742

00:34:12,389 --> 00:34:10,639

portholes wow

743

00:34:14,389 --> 00:34:12,399

and then he writes i've been losing a

744

00:34:16,629 --> 00:34:14,399

cow or two

745

00:34:18,710 --> 00:34:16,639

now and then undoubtedly stolen without

746

00:34:20,470 --> 00:34:18,720

a trace my first reaction on hearing the

747

00:34:22,149 --> 00:34:20,480

cause was that someone was

748

00:34:23,430 --> 00:34:22,159

among them on seeing the craft i

749

00:34:25,750 --> 00:34:23,440

remember thinking

750

00:34:28,629 --> 00:34:25,760

no wonder i have found no evidence they

751  
00:34:30,710 --> 00:34:28,639  
are being hauled off by air

752  
00:34:32,710 --> 00:34:30,720  
at that moment i had no thought of what

753  
00:34:34,389 --> 00:34:32,720  
i saw being a possible ufo but rather

754  
00:34:35,829 --> 00:34:34,399  
some monstrous helicopter

755  
00:34:37,109 --> 00:34:35,839  
other craft

756  
00:34:38,869 --> 00:34:37,119  
you know you find that a lot in

757  
00:34:43,750 --> 00:34:38,879  
sightings too where these people don't

758  
00:34:45,109 --> 00:34:43,760  
want to think it is a ufo

759  
00:34:48,149 --> 00:34:45,119  
you know

760  
00:34:49,829 --> 00:34:48,159  
they don't want to think it's a ufo

761  
00:34:54,230 --> 00:34:49,839  
they'll think it could be everything

762  
00:34:59,030 --> 00:34:55,750  
and a lot of these witnesses will even

763  
00:35:00,390 --> 00:34:59,040

write please let me know what you find

764

00:35:04,470 --> 00:35:00,400

you know because i didn't know what it

765

00:35:08,390 --> 00:35:06,310

so you know how can you have all these

766

00:35:10,390 --> 00:35:08,400

honest people and and

767

00:35:12,630 --> 00:35:10,400

upstanding reliable witnesses reporting

768

00:35:18,630 --> 00:35:12,640

this kind of stuff and they're not being

769

00:35:21,750 --> 00:35:19,750

um

770

00:35:24,230 --> 00:35:21,760

all during this time there had been a

771

00:35:25,589 --> 00:35:24,240

distinct noise that i have difficulty in

772

00:35:27,589 --> 00:35:25,599

describing

773

00:35:31,750 --> 00:35:27,599

sounded like something like a swish with

774

00:35:33,430 --> 00:35:31,760

a piece of wire if we went over that

775

00:35:36,550 --> 00:35:33,440

the noise part is interesting to me

776

00:35:41,430 --> 00:35:38,710

but if these things are somewhat of you

777

00:35:42,790 --> 00:35:41,440

know act as tricksters or kind of

778

00:35:45,109 --> 00:35:42,800

you know are different things to

779

00:35:46,230 --> 00:35:45,119

different people why wouldn't noise be

780

00:35:48,230 --> 00:35:46,240

one of them

781

00:35:50,230 --> 00:35:48,240

you know just i think it was the last

782

00:35:53,030 --> 00:35:50,240

show we went over how

783

00:35:55,109 --> 00:35:53,040

sometimes with these sightings

784

00:35:57,190 --> 00:35:55,119

um

785

00:36:03,030 --> 00:35:57,200

you know they get radar hits and on

786

00:36:07,430 --> 00:36:05,030

and that's

787

00:36:08,710 --> 00:36:07,440

in some of these it seems like maybe for

788

00:36:10,470 --> 00:36:08,720

the most part you could even say there

789

00:36:14,310 --> 00:36:10,480

is no sound

790

00:36:16,790 --> 00:36:15,910

and then there's reports of these things

791

00:36:21,349 --> 00:36:16,800

looking

792

00:36:25,190 --> 00:36:21,359

different like saucers uh cigar shape

793

00:36:25,200 --> 00:36:29,190

you know

794

00:36:33,670 --> 00:36:31,109

and you have to go down the road of if

795

00:36:36,310 --> 00:36:33,680

these are et's then there's that many

796

00:36:37,589 --> 00:36:36,320

different kinds of races of et's

797

00:36:41,270 --> 00:36:37,599

or maybe

798

00:36:42,630 --> 00:36:41,280

this is one sort of kind of uh entity

799

00:36:45,030 --> 00:36:42,640

that

800

00:36:47,109 --> 00:36:45,040

is a lot more challenging to grasp than

801  
00:36:55,349 --> 00:36:47,119  
we can even think and maybe plays off of

802  
00:36:59,270 --> 00:36:57,109  
there's no rhyme or reason to anything

803  
00:37:01,349 --> 00:36:59,280  
that's a great comment

804  
00:37:03,270 --> 00:37:01,359  
you know and that could be

805  
00:37:04,550 --> 00:37:03,280  
that could be

806  
00:37:06,710 --> 00:37:04,560  
the pattern

807  
00:37:09,270 --> 00:37:06,720  
in itself is that there's no rhyme or

808  
00:37:11,270 --> 00:37:09,280  
reason

809  
00:37:13,109 --> 00:37:11,280  
because how are you supposed to figure

810  
00:37:15,670 --> 00:37:13,119  
something out if there's no rhyme or

811  
00:37:17,349 --> 00:37:15,680  
reason if there's no patterns to put

812  
00:37:19,990 --> 00:37:17,359  
together

813  
00:37:25,270 --> 00:37:22,310

you can't you can't figure out what it

814

00:37:30,710 --> 00:37:25,280

is if it's just constantly doing things

815

00:37:30,720 --> 00:37:36,550

and that could be the point

816

00:37:36,560 --> 00:37:39,589

you know

817

00:37:46,470 --> 00:37:42,390

point of what i don't know

818

00:37:49,349 --> 00:37:48,069

but the more i think about this stuff

819

00:37:53,510 --> 00:37:49,359

it's

820

00:37:57,750 --> 00:37:55,510

it almost seems like

821

00:38:00,069 --> 00:37:57,760

the point is to have no pattern and to

822

00:38:01,990 --> 00:38:00,079

be confusing

823

00:38:05,349 --> 00:38:02,000

you know how many reports of recently

824

00:38:07,349 --> 00:38:05,359

i've been reading of like materials

825

00:38:09,829 --> 00:38:07,359

you know falling off a craft or from the

826

00:38:12,870 --> 00:38:09,839

sky and they get them analyzed

827

00:38:15,990 --> 00:38:14,230

they don't make sense they can't make

828

00:38:18,470 --> 00:38:16,000

sense of it you know it has

829

00:38:21,349 --> 00:38:18,480

whatever you know elements in it and

830

00:38:22,230 --> 00:38:21,359

it's probably this you know metal slag

831

00:38:26,430 --> 00:38:22,240

or

832

00:38:27,990 --> 00:38:26,440

but it fell straight from the sky

833

00:38:30,550 --> 00:38:28,000

[Music]

834

00:38:34,630 --> 00:38:30,560

in one case it hit a kid's boot

835

00:38:38,710 --> 00:38:36,710

you know

836

00:38:41,030 --> 00:38:38,720

and it happens too often to think that

837

00:38:43,190 --> 00:38:41,040

people are just trying to bring in bull

838

00:38:46,150 --> 00:38:43,200

crap to get it analyzed to the air force

839

00:38:48,470 --> 00:38:46,160

like there's no point

840

00:38:50,630 --> 00:38:48,480

you know

841

00:38:51,990 --> 00:38:50,640

i don't know so

842

00:38:53,270 --> 00:38:52,000

we're going to move on to the vatican

843

00:38:55,270 --> 00:38:53,280

aspect of this

844

00:38:57,589 --> 00:38:55,280

this is what kind of got me tipped off

845

00:39:00,470 --> 00:38:57,599

on this aspect

846

00:39:01,910 --> 00:39:00,480

is this wonderful article on liberation

847

00:39:04,710 --> 00:39:01,920

times

848

00:39:08,870 --> 00:39:04,720

by a one christopher sharp who has been

849

00:39:11,990 --> 00:39:10,550

and these are kind of the main bullet

850

00:39:12,870 --> 00:39:12,000

points of

851  
00:39:20,710 --> 00:39:12,880  
you know

852  
00:39:22,790 --> 00:39:20,720  
should go to the article that i put in

853  
00:39:24,310 --> 00:39:22,800  
the description and he's got a lot of

854  
00:39:25,589 --> 00:39:24,320  
other great stuff on there too and i

855  
00:39:27,910 --> 00:39:25,599  
kind of use

856  
00:39:30,390 --> 00:39:27,920  
uh his site as a resource for you know

857  
00:39:33,829 --> 00:39:30,400  
obviously some topics to discuss because

858  
00:39:36,630 --> 00:39:35,349  
so you have some bullet points here the

859  
00:39:38,950 --> 00:39:36,640  
vatican does not have an official

860  
00:39:40,550 --> 00:39:38,960  
position on et life or potential et

861  
00:39:41,510 --> 00:39:40,560  
presence on earth

862  
00:39:44,470 --> 00:39:41,520  
um

863  
00:39:46,710 --> 00:39:44,480

however it may change

864

00:39:49,190 --> 00:39:46,720

this is interesting since

865

00:39:51,190 --> 00:39:49,200

2002 an italian think tank has held six

866

00:39:55,270 --> 00:39:51,200

conferences at the vatican about the

867

00:39:56,950 --> 00:39:55,280

prospect of non-human intelligence now

868

00:39:59,030 --> 00:39:56,960

you know that's not directly connected

869

00:40:01,270 --> 00:39:59,040

to the vatican it but it's you know the

870

00:40:03,589 --> 00:40:01,280

vatican's more of an available space for

871

00:40:04,870 --> 00:40:03,599

those people to do that and they make it

872

00:40:07,190 --> 00:40:04,880

available

873

00:40:09,430 --> 00:40:07,200

um it's then speculated that if maybe

874

00:40:14,069 --> 00:40:09,440

some people part of the vatican took

875

00:40:19,109 --> 00:40:17,030

a recent article a vatican astronomer

876

00:40:20,950 --> 00:40:19,119

christopher greeny mocked uap calling

877

00:40:23,670 --> 00:40:20,960

the phenomenon

878

00:40:27,270 --> 00:40:25,750

this is a good point such tactics are

879

00:40:29,109 --> 00:40:27,280

reminiscent of those used against

880

00:40:35,430 --> 00:40:29,119

galileo that's

881

00:40:40,550 --> 00:40:38,550

not in this article but he's done it

882

00:40:44,150 --> 00:40:40,560

um the vatican refers to uap as

883

00:40:49,270 --> 00:40:44,160

unexplained flying things

884

00:40:52,630 --> 00:40:49,280

and i've never heard this but in 1961 it

885

00:40:55,829 --> 00:40:52,640

was alleged that pope uh john

886

00:40:58,470 --> 00:40:55,839

xxiii encountered an alien at his summer

887

00:40:58,480 --> 00:41:02,870

interesting

888

00:41:06,150 --> 00:41:04,470

so

889

00:41:07,589 --> 00:41:06,160

and there's you got to read the article

890

00:41:09,750 --> 00:41:07,599

because it goes into some pretty good

891

00:41:13,030 --> 00:41:09,760

stuff but again you know what what i

892

00:41:16,790 --> 00:41:13,040

like to do when it comes to this stuff

893

00:41:21,430 --> 00:41:18,870

give me the documents we're going to go

894

00:41:24,230 --> 00:41:21,440

into documents

895

00:41:26,309 --> 00:41:24,240

so we got 1952 a blue book report uh

896

00:41:28,069 --> 00:41:26,319

this is kind of a long one so i won't go

897

00:41:31,990 --> 00:41:28,079

too far into it here but

898

00:41:34,230 --> 00:41:32,000

um we have a professor gb sias and

899

00:41:37,270 --> 00:41:34,240

just so you know this is italy uh

900

00:41:40,950 --> 00:41:37,280

iritace rome italy

901  
00:41:43,190 --> 00:41:40,960  
and i'm using this because

902  
00:41:43,990 --> 00:41:43,200  
um

903  
00:41:45,910 --> 00:41:44,000  
they're

904  
00:41:47,349 --> 00:41:45,920  
it's just it's pretty interesting

905  
00:41:48,550 --> 00:41:47,359  
because

906  
00:41:50,550 --> 00:41:48,560  
and it kind of

907  
00:41:52,550 --> 00:41:50,560  
this is a positive interaction for this

908  
00:41:54,309 --> 00:41:52,560  
professor by the way like he thinks it

909  
00:41:57,270 --> 00:41:54,319  
has to do with jesus and everything's

910  
00:41:58,150 --> 00:41:57,280  
great and god and this and that

911  
00:42:00,630 --> 00:41:58,160  
um

912  
00:42:03,510 --> 00:42:00,640  
and what it really does to me

913  
00:42:05,109 --> 00:42:03,520

if you read this right after

914

00:42:08,150 --> 00:42:05,119

you know the cow thing

915

00:42:09,589 --> 00:42:08,160

and what we just kind of talked about

916

00:42:11,829 --> 00:42:09,599

is people have these different

917

00:42:14,870 --> 00:42:11,839

experiences with these ufos like this

918

00:42:18,630 --> 00:42:14,880

guy's having a super positive experience

919

00:42:18,640 --> 00:42:21,430

and

920

00:42:27,910 --> 00:42:23,349

you know the cop mutilations not so

921

00:42:31,750 --> 00:42:29,670

this is interesting

922

00:42:34,470 --> 00:42:31,760

he says yesterday evening the 27th of

923

00:42:36,230 --> 00:42:34,480

august i was walking as usual along the

924

00:42:37,750 --> 00:42:36,240

courtyard

925

00:42:40,950 --> 00:42:37,760

below the windows of the war orphans

926

00:42:43,829 --> 00:42:40,960

dormitory saying the rosary it was ex it

927

00:42:46,309 --> 00:42:43,839

was exactly the time when the trumpet of

928

00:42:48,550 --> 00:42:46,319

the gonzaga barracks was playing the

929

00:42:50,710 --> 00:42:48,560

lights out signal

930

00:42:52,710 --> 00:42:50,720

i watched now and then the sky covered

931

00:42:55,510 --> 00:42:52,720

with stars heavy moonless

932

00:42:57,190 --> 00:42:55,520

still torrid for the temperature

933

00:43:00,390 --> 00:42:57,200

which in those days as anyone would

934

00:43:05,270 --> 00:43:00,400

remember often attain 40 degrees with

935

00:43:12,150 --> 00:43:08,790

and then he kind of it just goes through

936

00:43:13,750 --> 00:43:12,160

you know more of the descriptions of it

937

00:43:16,550 --> 00:43:13,760

luminosity seemed to depart from the

938

00:43:19,670 --> 00:43:16,560

milky way it was very close to the earth

939

00:43:27,190 --> 00:43:19,680

slightly larger than the full moon

940

00:43:31,589 --> 00:43:29,270

my first idea was that such phenomenon

941

00:43:37,670 --> 00:43:31,599

was due to aerolite everyone knows the

942

00:43:41,750 --> 00:43:40,390

so you know then he tries to talk a

943

00:43:44,390 --> 00:43:41,760

little bit more about it and talk about

944

00:43:47,750 --> 00:43:44,400

why it wasn't a

945

00:43:51,190 --> 00:43:48,470

but

946

00:43:52,870 --> 00:43:51,200

it's interesting so right here uh under

947

00:43:54,630 --> 00:43:52,880

bullet point five

948

00:43:56,950 --> 00:43:54,640

he goes the sole thing to do is to

949

00:43:57,990 --> 00:43:56,960

contact a scientist i went to father

950

00:44:00,390 --> 00:43:58,000

jukes

951  
00:44:02,630 --> 00:44:00,400  
a well-known astronomer director of the

952  
00:44:03,910 --> 00:44:02,640  
vatican observatory

953  
00:44:05,270 --> 00:44:03,920  
castile

954  
00:44:07,510 --> 00:44:05,280  
condolfo

955  
00:44:09,589 --> 00:44:07,520  
after some days of the study

956  
00:44:11,990 --> 00:44:09,599  
he obtained with the system of the

957  
00:44:13,270 --> 00:44:12,000  
coordinates the following results

958  
00:44:15,670 --> 00:44:13,280  
so they go over the latitude and

959  
00:44:18,390 --> 00:44:15,680  
longitude

960  
00:44:20,230 --> 00:44:18,400  
sun position

961  
00:44:21,670 --> 00:44:20,240  
on the basis of the above data not

962  
00:44:23,430 --> 00:44:21,680  
taking into account the effects of the

963  
00:44:25,109 --> 00:44:23,440

refraction the distance of the observer

964

00:44:27,589 --> 00:44:25,119

visibility

965

00:44:29,910 --> 00:44:27,599

some more details

966

00:44:33,030 --> 00:44:29,920

so what's interesting to me here is that

967

00:44:35,349 --> 00:44:33,040

the vatican professor astronomer

968

00:44:37,349 --> 00:44:35,359

is helping this guy figure out his ufo

969

00:44:39,349 --> 00:44:37,359

that he saw

970

00:44:41,349 --> 00:44:39,359

from the above it can be easily deduced

971

00:44:44,150 --> 00:44:41,359

that the object observed could not be a

972

00:44:46,150 --> 00:44:44,160

common terrestrial flying saucer some

973

00:44:53,190 --> 00:44:46,160

bright metal body illuminated by the sun

974

00:44:56,390 --> 00:44:55,030

director director of the vatican

975

00:44:58,390 --> 00:44:56,400

observatory in well versed in

976  
00:45:00,550 --> 00:44:58,400  
astrophysicists he mentioned to me in

977  
00:45:02,710 --> 00:45:00,560  
another letter that the bright green

978  
00:45:04,790 --> 00:45:02,720  
blue solar colors and the luminosity of

979  
00:45:08,309 --> 00:45:04,800  
the sphere is presumably due to the

980  
00:45:09,589 --> 00:45:08,319  
remarkable quantity of iron and nickel

981  
00:45:12,230 --> 00:45:09,599  
which may

982  
00:45:16,309 --> 00:45:12,240  
many astral bodies contain

983  
00:45:22,470 --> 00:45:19,430  
so that

984  
00:45:29,510 --> 00:45:25,030  
we have direct help

985  
00:45:31,910 --> 00:45:29,520  
from a astronomer the vatican

986  
00:45:36,710 --> 00:45:31,920  
helping this person this professor with

987  
00:45:42,710 --> 00:45:39,910  
so i bet

988  
00:45:44,550 --> 00:45:42,720

that the vatican knows quite a bit more

989

00:45:45,990 --> 00:45:44,560

about this stuff than we think

990

00:45:48,470 --> 00:45:46,000

especially with the archives they have

991

00:45:51,270 --> 00:45:48,480

huge archives that we've heard about

992

00:45:52,950 --> 00:45:51,280

um for many people

993

00:45:55,030 --> 00:45:52,960

dr payalska

994

00:45:59,270 --> 00:45:55,040

if i said that right lou elizondo other

995

00:46:03,030 --> 00:46:00,790

but

996

00:46:05,829 --> 00:46:03,040

you know it kind of comes down to what i

997

00:46:07,589 --> 00:46:05,839

think about most of this mystery is that

998

00:46:10,309 --> 00:46:07,599

people just don't know

999

00:46:12,390 --> 00:46:10,319

what the frick it is

1000

00:46:16,710 --> 00:46:12,400

i mean we just went over how confusing

1001  
00:46:21,990 --> 00:46:18,950  
you know

1002  
00:46:23,910 --> 00:46:22,000  
how some people have good

1003  
00:46:25,510 --> 00:46:23,920  
experiences some people have bad ones

1004  
00:46:31,270 --> 00:46:25,520  
some people see

1005  
00:46:34,790 --> 00:46:33,750  
all sorts of stuff

1006  
00:46:36,150 --> 00:46:34,800  
are you supposed to figure something

1007  
00:46:37,990 --> 00:46:36,160  
like that out

1008  
00:46:40,150 --> 00:46:38,000  
you know it reminds me of like a sales

1009  
00:46:41,510 --> 00:46:40,160  
person right you go to like a used car

1010  
00:46:43,670 --> 00:46:41,520  
sales guy

1011  
00:46:45,750 --> 00:46:43,680  
you own the dealership maybe there's a

1012  
00:46:47,510 --> 00:46:45,760  
car you like

1013  
00:46:49,829 --> 00:46:47,520

has to test drive it he says sure you're

1014

00:46:51,190 --> 00:46:49,839

test driving it

1015

00:46:52,630 --> 00:46:51,200

and then you ask an honest question

1016

00:46:55,430 --> 00:46:52,640

about the car because you've researched

1017

00:46:55,850 --> 00:46:55,440

the car first right like maybe you ask

1018

00:46:56,950 --> 00:46:55,860

something

1019

00:46:58,950 --> 00:46:56,960

[Music]

1020

00:47:00,710 --> 00:46:58,960

even

1021

00:47:02,870 --> 00:47:00,720

somewhat simple you know what leader

1022

00:47:07,030 --> 00:47:02,880

engine is this

1023

00:47:12,230 --> 00:47:08,870

or maybe you just say the liters how

1024

00:47:16,790 --> 00:47:13,589

and

1025

00:47:19,430 --> 00:47:16,800

the used car salesman doesn't know

1026

00:47:21,750 --> 00:47:19,440

and you know what used cars salesmen you

1027

00:47:23,349 --> 00:47:21,760

know this is stereotypical and obviously

1028

00:47:25,670 --> 00:47:23,359

they're all different but for the sake

1029

00:47:30,309 --> 00:47:25,680

of this

1030

00:47:33,270 --> 00:47:30,319

they go yeah it's 1.8 1.8 liter yep

1031

00:47:35,030 --> 00:47:33,280

you look into it it's not

1032

00:47:37,430 --> 00:47:35,040

it's 2.0

1033

00:47:41,270 --> 00:47:37,440

but the guy didn't know the answer

1034

00:47:43,270 --> 00:47:41,280

and rather than saying i don't know

1035

00:47:44,710 --> 00:47:43,280

and feeling like a which you

1036

00:47:47,349 --> 00:47:44,720

shouldn't feel like a if you don't

1037

00:47:52,230 --> 00:47:47,359

know the answer but people do

1038

00:47:57,349 --> 00:47:54,790

and that's what we see

1039

00:47:58,790 --> 00:47:57,359

authorities do

1040

00:48:01,430 --> 00:47:58,800

i think they don't know what they're

1041

00:48:06,950 --> 00:48:01,440

dealing with and rather than saying that

1042

00:48:11,589 --> 00:48:06,960

and feeling like they are an idiot right

1043

00:48:14,630 --> 00:48:12,710

you know

1044

00:48:16,950 --> 00:48:14,640

a part of that kettle mutilation thing

1045

00:48:20,309 --> 00:48:16,960

and i forget the details of this but

1046

00:48:23,349 --> 00:48:20,319

there was one person who

1047

00:48:25,430 --> 00:48:23,359

came in and was like all gung-ho about

1048

00:48:26,950 --> 00:48:25,440

you know just getting rid of this whole

1049

00:48:29,270 --> 00:48:26,960

thing

1050

00:48:31,430 --> 00:48:29,280

um it took 13 cases didn't even

1051

00:48:33,750 --> 00:48:31,440

investigate them really and said that

1052

00:48:34,950 --> 00:48:33,760

they were all you know predators it was

1053

00:48:37,589 --> 00:48:34,960

all predators

1054

00:48:40,390 --> 00:48:37,599

just to like shut everybody up

1055

00:48:45,030 --> 00:48:42,069

and then another i wish i remembered the

1056

00:48:46,710 --> 00:48:45,040

names but another person actually

1057

00:48:47,510 --> 00:48:46,720

took a dead cow

1058

00:48:48,790 --> 00:48:47,520

and

1059

00:48:50,790 --> 00:48:48,800

like

1060

00:48:53,190 --> 00:48:50,800

took a couple cuts off of it and sent it

1061

00:48:54,870 --> 00:48:53,200

to the sheriff's department

1062

00:48:58,150 --> 00:48:54,880

to see what they say and kind of did it

1063

00:49:01,829 --> 00:48:59,750

see if they actually investigate or not

1064

00:49:04,549 --> 00:49:01,839

and they didn't they said it was a

1065

00:49:06,309 --> 00:49:04,559

predator it's predator

1066

00:49:07,990 --> 00:49:06,319

and he like then called and reamed them

1067

00:49:09,750 --> 00:49:08,000

out

1068

00:49:11,190 --> 00:49:09,760

you know these people just don't have

1069

00:49:13,109 --> 00:49:11,200

answers

1070

00:49:19,910 --> 00:49:13,119

and instead of telling you that they

1071

00:49:19,920 --> 00:49:23,670

so

1072

00:49:30,549 --> 00:49:26,630

and i think for the most part

1073

00:49:38,069 --> 00:49:32,230

but the answers they typically give you

1074

00:49:42,950 --> 00:49:40,710

people go into ufology and see people

1075

00:49:45,430 --> 00:49:42,960

with exciting answers

1076  
00:49:47,270 --> 00:49:45,440  
and maybe attach themselves to them a

1077  
00:49:49,750 --> 00:49:47,280  
little too much perhaps

1078  
00:49:52,150 --> 00:49:49,760  
i don't know

1079  
00:49:53,750 --> 00:49:52,160  
so i'm going to finish with this saving

1080  
00:50:01,990 --> 00:49:53,760  
ufology

1081  
00:50:04,630 --> 00:50:02,000  
as

1082  
00:50:06,790 --> 00:50:04,640  
you know this thing on social media

1083  
00:50:08,549 --> 00:50:06,800  
and apparently you know ufo twitter all

1084  
00:50:11,109 --> 00:50:08,559  
that it's been there for a while but

1085  
00:50:13,430 --> 00:50:11,119  
along with that

1086  
00:50:16,309 --> 00:50:13,440  
and along with all these new people

1087  
00:50:20,710 --> 00:50:16,319  
coming into this topic since you know

1088  
00:50:23,670 --> 00:50:22,230

younger people

1089

00:50:25,349 --> 00:50:23,680

even older people

1090

00:50:28,390 --> 00:50:25,359

all sorts of different people from

1091

00:50:33,270 --> 00:50:31,030

you're going to have that many more

1092

00:50:36,950 --> 00:50:33,280

minds on this intelligent minds people

1093

00:50:41,990 --> 00:50:39,270

people that are just interested like

1094

00:50:43,829 --> 00:50:42,000

people who watch ancient aliens but

1095

00:50:45,030 --> 00:50:43,839

don't really give a crap about any of it

1096

00:50:46,309 --> 00:50:45,040

they just watch it because it's

1097

00:50:48,870 --> 00:50:46,319

entertainment

1098

00:50:54,069 --> 00:50:48,880

as social media mostly is

1099

00:50:58,069 --> 00:50:56,309

so as that happens and we have

1100

00:50:59,910 --> 00:50:58,079

people out there like a linda moulton

1101  
00:51:02,470 --> 00:50:59,920  
howell for instance we have these new

1102  
00:51:04,549 --> 00:51:02,480  
people like kercher mungle who are

1103  
00:51:06,549 --> 00:51:04,559  
interested in this

1104  
00:51:08,790 --> 00:51:06,559  
and i want to interview her and her

1105  
00:51:14,790 --> 00:51:08,800  
claims for the most part and how she

1106  
00:51:22,470 --> 00:51:16,630  
she had to ask if a kangaroo was a

1107  
00:51:27,349 --> 00:51:25,589  
you know and it just didn't look great

1108  
00:51:29,510 --> 00:51:27,359  
it wasn't a great look

1109  
00:51:33,270 --> 00:51:29,520  
you know

1110  
00:51:36,950 --> 00:51:33,280  
and i don't think fantastic claims

1111  
00:51:40,150 --> 00:51:36,960  
are necessarily not true

1112  
00:51:42,790 --> 00:51:40,160  
but we have so many more eyes skeptical

1113  
00:51:46,630 --> 00:51:42,800

eyes on this

1114

00:51:53,750 --> 00:51:50,630

you know it's so easy for people to um

1115

00:51:57,510 --> 00:51:53,760

you know debunk and attack now

1116

00:51:59,750 --> 00:51:57,520

and so when somebody comes out with

1117

00:52:01,349 --> 00:51:59,760

you know

1118

00:52:03,670 --> 00:52:01,359

positively and

1119

00:52:06,390 --> 00:52:03,680

almost forcefully saying that cattle

1120

00:52:08,630 --> 00:52:06,400

mutilations are extraterrestrial with

1121

00:52:10,309 --> 00:52:08,640

really no evidence to back it up like

1122

00:52:12,069 --> 00:52:10,319

she's gonna get attacked

1123

00:52:12,950 --> 00:52:12,079

and it sucks

1124

00:52:14,470 --> 00:52:12,960

but

1125

00:52:17,270 --> 00:52:14,480

that's why we have to leave the door

1126

00:52:19,510 --> 00:52:17,280

open because we don't know

1127

00:52:21,670 --> 00:52:19,520

we don't know if it's extraterrestrial

1128

00:52:23,829 --> 00:52:21,680

and she can't prove it is

1129

00:52:25,750 --> 00:52:23,839

and that's where the problem goes that's

1130

00:52:28,470 --> 00:52:25,760

where the problem lies

1131

00:52:30,710 --> 00:52:28,480

she can't prove it's et

1132

00:52:35,510 --> 00:52:30,720

and people can't prove it isn't ed

1133

00:52:39,589 --> 00:52:37,030

but you have to leave the door open

1134

00:52:41,910 --> 00:52:39,599

because no one can really attack you if

1135

00:52:46,549 --> 00:52:41,920

you leave the door open

1136

00:52:50,710 --> 00:52:48,710

and leaving the door open doesn't mean

1137

00:52:55,910 --> 00:52:50,720

you're saying it is an et or

1138

00:52:58,230 --> 00:52:55,920

interdimensional or human or whatever

1139

00:53:00,790 --> 00:52:58,240

that just means

1140

00:53:02,470 --> 00:53:00,800

that you're still waiting for the right

1141

00:53:06,309 --> 00:53:02,480

answer

1142

00:53:11,109 --> 00:53:08,630

uh because you know a lot of this is

1143

00:53:13,349 --> 00:53:11,119

like chasing the dragon right

1144

00:53:15,270 --> 00:53:13,359

until drug reference

1145

00:53:16,710 --> 00:53:15,280

you're chasing the dragon it's never

1146

00:53:20,630 --> 00:53:16,720

enough and you can't find it and you're

1147

00:53:20,640 --> 00:53:23,990

so you have to stay open

1148

00:53:29,190 --> 00:53:27,190

and enjoy the ride

1149

00:53:31,349 --> 00:53:29,200

there's so many people

1150

00:53:33,750 --> 00:53:31,359

on twitter now that

1151

00:53:35,270 --> 00:53:33,760

are just like they obviously don't

1152

00:53:37,190 --> 00:53:35,280

believe in any of this and they just

1153

00:53:39,589 --> 00:53:37,200

attack people on twitter for anything

1154

00:53:41,990 --> 00:53:39,599

whether it be lou or linda howell or

1155

00:53:44,549 --> 00:53:42,000

myself i've been attacked by weirdos

1156

00:53:44,559 --> 00:53:48,549

and it's just like

1157

00:53:53,670 --> 00:53:50,950

like a mick west for instance like why

1158

00:53:55,430 --> 00:53:53,680

are you here

1159

00:53:57,270 --> 00:53:55,440

if you don't believe in any of this

1160

00:53:59,990 --> 00:53:57,280

stuff like why are you here why do you

1161

00:54:03,510 --> 00:54:00,000

spend so much time on something you

1162

00:54:08,150 --> 00:54:05,270

you know and that's for all like

1163

00:54:11,109 --> 00:54:08,160

debunkers and trolls

1164

00:54:13,829 --> 00:54:11,119

like what's the point

1165

00:54:17,510 --> 00:54:13,839

why are you so hooked on something you

1166

00:54:21,430 --> 00:54:19,750

yeah i made this uh

1167

00:54:24,150 --> 00:54:21,440

talking about i was talking about this

1168

00:54:26,390 --> 00:54:24,160

with a friend of mine

1169

00:54:28,710 --> 00:54:26,400

and he had mentioned this point of you

1170

00:54:30,390 --> 00:54:28,720

don't see like um

1171

00:54:31,510 --> 00:54:30,400

you know trolls

1172

00:54:33,109 --> 00:54:31,520

in

1173

00:54:35,270 --> 00:54:33,119

or skeptics

1174

00:54:36,870 --> 00:54:35,280

you know in other areas of life like

1175

00:54:38,549 --> 00:54:36,880

let's say

1176

00:54:39,829 --> 00:54:38,559

and i mentioned like football right

1177

00:54:41,829 --> 00:54:39,839

let's say you're watching a football

1178

00:54:46,309 --> 00:54:41,839

game you don't have a skeptic of

1179

00:54:50,630 --> 00:54:48,470

you know like oh that was a great play

1180

00:54:52,470 --> 00:54:50,640

what do you think oh this game is so

1181

00:54:55,030 --> 00:54:52,480

fake it's so stupid i don't even know

1182

00:55:01,589 --> 00:54:55,040

why you guys watch this stuff it's dumb

1183

00:55:01,599 --> 00:55:06,150

there's no football skeptics

1184

00:55:10,870 --> 00:55:07,670

it's like

1185

00:55:14,390 --> 00:55:10,880

so why are there some in ufology like

1186

00:55:14,400 --> 00:55:18,470

you know it makes no sense

1187

00:55:26,470 --> 00:55:21,430

makes who spends time on

1188

00:55:30,950 --> 00:55:29,430

i don't know but um

1189

00:55:32,870 --> 00:55:30,960

it's hard for me to think of some i

1190

00:55:35,430 --> 00:55:32,880

wouldn't you know i i don't really

1191

00:55:37,270 --> 00:55:35,440

appreciate sewing i mean i appreciate

1192

00:55:40,309 --> 00:55:37,280

sewing but i don't like it

1193

00:55:41,750 --> 00:55:40,319

i don't like to do it so it'd be like me

1194

00:55:45,589 --> 00:55:41,760

joining like

1195

00:55:48,950 --> 00:55:45,599

ufo or sewing twitter

1196

00:55:51,670 --> 00:55:48,960

you know and just like

1197

00:55:53,030 --> 00:55:51,680

annihilating and being mean to people

1198

00:55:57,190 --> 00:55:53,040

for

1199

00:55:59,430 --> 00:55:57,200

uh sewing and how they sew

1200

00:56:00,710 --> 00:55:59,440

and i really don't like it like what do

1201  
00:56:02,789 --> 00:56:00,720  
you what are you spending all your time

1202  
00:56:07,190 --> 00:56:02,799  
doing that for

1203  
00:56:15,589 --> 00:56:08,150  
so

1204  
00:56:17,109 --> 00:56:15,599  
doing this stuff

1205  
00:56:21,190 --> 00:56:17,119  
right

1206  
00:56:21,200 --> 00:56:25,910  
that want genuine information about ufos

1207  
00:56:31,349 --> 00:56:28,470  
i can't see what the reason is

1208  
00:56:33,270 --> 00:56:31,359  
other than they want to make you feel

1209  
00:56:36,950 --> 00:56:33,280  
better and they don't want people

1210  
00:56:39,109 --> 00:56:36,960  
getting more answers on ufos

1211  
00:56:40,150 --> 00:56:39,119  
so if you see somebody in the community

1212  
00:56:42,630 --> 00:56:40,160  
who's

1213  
00:56:44,870 --> 00:56:42,640

actively like

1214

00:56:46,789 --> 00:56:44,880

down talking people

1215

00:56:49,750 --> 00:56:46,799

that are trying to be positive in the

1216

00:56:53,270 --> 00:56:51,910

their motivations

1217

00:56:55,190 --> 00:56:53,280

are not pure

1218

00:56:57,990 --> 00:56:55,200

they're not here to save you from

1219

00:57:03,190 --> 00:56:58,000

believing in fantastical things and be a

1220

00:57:08,390 --> 00:57:05,030

you know

1221

00:57:13,510 --> 00:57:11,270

you can't use the ufo community as an

1222

00:57:17,990 --> 00:57:13,520

out to get your anger and angst out

1223

00:57:22,150 --> 00:57:19,910

there's something more to it and i think

1224

00:57:25,349 --> 00:57:22,160

these trolls or these people

1225

00:57:27,589 --> 00:57:25,359

were just like basically machines

1226

00:57:29,990 --> 00:57:27,599

saying bad things about

1227

00:57:31,829 --> 00:57:30,000

people that are you know

1228

00:57:34,309 --> 00:57:31,839

in the community trying to bring light

1229

00:57:35,750 --> 00:57:34,319

to more information you know they're

1230

00:57:39,190 --> 00:57:35,760

they're

1231

00:57:41,349 --> 00:57:39,200

actively suppressing it

1232

00:57:44,630 --> 00:57:41,359

you know

1233

00:57:51,109 --> 00:57:47,349

state of ufology can be saved if we keep

1234

00:57:53,430 --> 00:57:51,119

that in mind and we keep our minds open

1235

00:57:56,069 --> 00:57:53,440

have to keep our minds open to

1236

00:57:58,230 --> 00:57:56,079

the possibilities

1237

00:58:00,549 --> 00:57:58,240

and don't clean the claims that can't be

1238

00:58:02,549 --> 00:58:00,559

backed up when they say when somebody

1239

00:58:04,870 --> 00:58:02,559

says things are true if somebody says

1240

00:58:06,870 --> 00:58:04,880

this is how it is i'm telling you

1241

00:58:07,670 --> 00:58:06,880

there's no other way don't listen to

1242

00:58:13,430 --> 00:58:07,680

them

1243

00:58:18,230 --> 00:58:15,589

that's it because then trolls nobody

1244

00:58:19,349 --> 00:58:18,240

else has anything to say

1245

00:58:21,510 --> 00:58:19,359

so

1246

00:58:23,829 --> 00:58:21,520

i don't know maybe i didn't do too great

1247

00:58:26,390 --> 00:58:23,839

with that little um speech or whatever

1248

00:58:27,829 --> 00:58:26,400

you want to call it but i tried my best

1249

00:58:28,910 --> 00:58:27,839

maybe i should do it at the beginning

1250

00:58:31,190 --> 00:58:28,920

next time i don't know

1251

00:58:33,750 --> 00:58:31,200

[Laughter]

1252

00:58:37,349 --> 00:58:33,760

addiction or ridicule yeah totally it's

1253

00:58:41,270 --> 00:58:39,829

and it's an easy target

1254

00:58:43,349 --> 00:58:41,280

you know i made this song it's on

1255

00:58:45,109 --> 00:58:43,359

spotify by the way i'm just put it up

1256

00:58:47,510 --> 00:58:45,119

it's called easy target that's what it's

1257

00:58:50,630 --> 00:58:48,390

you know

1258

00:58:52,549 --> 00:58:50,640

it's an easy target to make

1259

00:58:56,390 --> 00:58:52,559

fun of people to ridicule people who

1260

00:58:56,400 --> 00:58:59,510

you know

1261

00:59:02,710 --> 00:59:01,349

so those people are just lazy and

1262

00:59:05,910 --> 00:59:02,720

they're um

1263

00:59:07,910 --> 00:59:05,920

lashing out at us

1264

00:59:11,510 --> 00:59:07,920

so

1265

00:59:16,309 --> 00:59:14,230

i appreciate your time

1266

00:59:18,549 --> 00:59:16,319

um i'll be back next week

1267

00:59:22,150 --> 00:59:18,559

remember we have leslie kane next week

1268

00:59:25,349 --> 00:59:22,160

on wednesday who just came out as having

1269

00:59:27,829 --> 00:59:25,359

a new series on cnn by the way

1270

00:59:29,750 --> 00:59:27,839

like a five-part series so that's pretty

1271

00:59:31,589 --> 00:59:29,760

cool um hopefully we'll get to talk to

1272

00:59:34,470 --> 00:59:31,599

her about that

1273

00:59:39,750 --> 00:59:36,950

i have a really cool set of documents

1274

00:59:42,710 --> 00:59:39,760

that i found that robert cofort

1275

00:59:45,829 --> 00:59:44,870

because i shared them with them and it

1276

00:59:48,870 --> 00:59:45,839

could be

1277

00:59:53,990 --> 00:59:51,589

uh why investigators

1278

00:59:56,870 --> 00:59:54,000

had to start bringing geiger counters to

1279

01:00:00,150 --> 00:59:56,880

all the ufo cases perhaps

1280

01:00:01,109 --> 01:00:00,160

and why the department of energy might

1281

01:00:03,829 --> 01:00:01,119

have

1282

01:00:05,190 --> 01:00:03,839

a little more information on this stuff

1283

01:00:09,270 --> 01:00:05,200

than we know

1284

01:00:11,349 --> 01:00:09,280

in the case from 1952 and yeah

1285

01:00:13,589 --> 01:00:11,359

it could be

1286

01:00:14,630 --> 01:00:13,599

at least maybe the first connection i've

1287

01:00:17,349 --> 01:00:14,640

seen

1288

01:00:19,190 --> 01:00:17,359

um to the whole nuclear aspect that

1289

01:00:21,910 --> 01:00:19,200

doesn't really just

1290
