

1
00:00:24,560 --> 00:00:45,430
do

2
00:00:51,830 --> 00:00:48,389
what's up everybody

3
00:00:59,189 --> 00:00:54,709
i didn't really have a topic so i'm just

4
00:00:59,199 --> 00:01:02,869
hope that's okay

5
00:01:06,710 --> 00:01:05,509
um i just thought that we could talk

6
00:01:07,830 --> 00:01:06,720
about

7
00:01:09,750 --> 00:01:07,840
you know

8
00:01:13,990 --> 00:01:09,760
the different personalities and ufology

9
00:01:15,990 --> 00:01:14,000
i mean there's so many of them and

10
00:01:17,990 --> 00:01:16,000
there's so much back and forth on who's

11
00:01:19,830 --> 00:01:18,000
who and

12
00:01:21,350 --> 00:01:19,840
you know i like this guy i don't like

13
00:01:23,109 --> 00:01:21,360

that guy and

14

00:01:24,830 --> 00:01:23,119

that guy's lying do you know this guy's

15

00:01:27,109 --> 00:01:24,840

lying to you

16

00:01:28,469 --> 00:01:27,119

so you know how do you make your mind up

17

00:01:30,010 --> 00:01:28,479

when you don't even really know any of

18

00:01:33,030 --> 00:01:30,020

these people

19

00:01:35,030 --> 00:01:33,040

[Laughter]

20

00:01:37,910 --> 00:01:35,040

right

21

00:01:40,789 --> 00:01:37,920

i mean when i think about it

22

00:01:43,190 --> 00:01:40,799

i think uh

23

00:01:48,230 --> 00:01:45,670

you have to use your gut right

24

00:01:51,190 --> 00:01:48,240

got instinct a little bit

25

00:01:54,630 --> 00:01:51,200

but unfortunately if you're like me

26

00:01:59,270 --> 00:01:54,640

you've used your gut throughout life

27

00:01:59,280 --> 00:02:02,789

sometimes your best friend

28

00:02:08,389 --> 00:02:05,030

and sometimes

29

00:02:10,710 --> 00:02:08,399

they wind up screwing you

30

00:02:12,229 --> 00:02:10,720

whether it's a lie or they're doing

31

00:02:14,550 --> 00:02:12,239

something behind your back

32

00:02:17,670 --> 00:02:14,560

or whatever

33

00:02:21,430 --> 00:02:17,680

and you never expected it

34

00:02:25,990 --> 00:02:24,110

how can you really trust anybody

35

00:02:27,270 --> 00:02:26,000

[Laughter]

36

00:02:29,030 --> 00:02:27,280

it's depressing

37

00:02:30,390 --> 00:02:29,040

but you know what i mean

38

00:02:33,750 --> 00:02:30,400

let alone people that you don't know

39

00:02:35,430 --> 00:02:33,760

personally like the the faces of ufology

40

00:02:39,270 --> 00:02:35,440

the different people the talking heads

41

00:02:42,470 --> 00:02:41,190

so what's up everybody glad that you're

42

00:02:44,949 --> 00:02:42,480

here

43

00:02:48,949 --> 00:02:44,959

k42d

44

00:02:52,470 --> 00:02:50,710

well laurie say out sean but you've

45

00:02:55,190 --> 00:02:52,480

you've never gotten screwed by somebody

46

00:02:57,110 --> 00:02:55,200

that you didn't expect to right

47

00:02:58,630 --> 00:02:57,120

i mean it happens it's just life it's a

48

00:03:01,830 --> 00:02:58,640

part of life

49

00:03:04,070 --> 00:03:01,840

and the more times you go through that

50

00:03:06,470 --> 00:03:04,080

the better you are at you know learning

51
00:03:09,270 --> 00:03:06,480
how to

52
00:03:11,750 --> 00:03:09,280
divvy out trust to different people

53
00:03:15,270 --> 00:03:11,760
you know and if you should

54
00:03:20,070 --> 00:03:16,830
so i'm putting

55
00:03:22,229 --> 00:03:20,080
that link in there for anybody to stream

56
00:03:24,550 --> 00:03:22,239
in

57
00:03:27,910 --> 00:03:24,560
and you know discuss whatever you want

58
00:03:29,290 --> 00:03:27,920
to discuss we can talk about

59
00:03:31,509 --> 00:03:29,300
um

60
00:03:33,990 --> 00:03:31,519
[Music]

61
00:03:36,630 --> 00:03:34,000
you know uh we could start with

62
00:03:38,390 --> 00:03:36,640
you know we have george schnapp luella

63
00:03:40,390 --> 00:03:38,400

ando we have

64

00:03:41,830 --> 00:03:40,400

um

65

00:03:43,670 --> 00:03:41,840

steven greer

66

00:03:44,040 --> 00:03:43,680

stephen green street

67

00:03:45,509 --> 00:03:44,050

um

68

00:03:47,430 --> 00:03:45,519

[Music]

69

00:03:49,350 --> 00:03:47,440

you guys tell me who we should start

70

00:03:51,110 --> 00:03:49,360

with to talk about i guess i'll tell you

71

00:03:53,429 --> 00:03:51,120

that the thing that kind of made me

72

00:03:54,869 --> 00:03:53,439

think this was recently there's doc

73

00:04:00,470 --> 00:03:54,879

documentary

74

00:04:01,350 --> 00:04:00,480

on lou elizondo

75

00:04:05,589 --> 00:04:01,360

called

76

00:04:07,350 --> 00:04:05,599

right first of all

77

00:04:09,509 --> 00:04:07,360

it's like

78

00:04:12,070 --> 00:04:09,519

you know let's let's take the

79

00:04:12,830 --> 00:04:12,080

information out of it it is like

80

00:04:18,310 --> 00:04:12,840

the

81

00:04:22,710 --> 00:04:20,220

thing i've ever tried to sit through

82

00:04:24,950 --> 00:04:22,720

[Laughter]

83

00:04:27,270 --> 00:04:24,960

it's every five seconds

84

00:04:29,590 --> 00:04:27,280

he plays the same who's lou

85

00:04:31,189 --> 00:04:29,600

and the guy like uh tries digging in

86

00:04:33,270 --> 00:04:31,199

deep to

87

00:04:35,430 --> 00:04:33,280

like people like his

88

00:04:38,469 --> 00:04:35,440

you know different purchases of houses

89

00:04:39,590 --> 00:04:38,479

and businesses and family stuff and wife

90

00:04:42,390 --> 00:04:39,600

and daughter

91

00:04:43,590 --> 00:04:42,400

and all that kind of stuff and it's um

92

00:04:46,310 --> 00:04:43,600

in the end

93

00:04:48,950 --> 00:04:46,320

he's left with a bunch of questions

94

00:04:51,990 --> 00:04:50,790

and

95

00:04:53,749 --> 00:04:52,000

benji i'm just talking about that

96

00:04:57,990 --> 00:04:53,759

documentary

97

00:05:01,029 --> 00:04:58,000

and in the end you're just left with a

98

00:05:01,039 --> 00:05:05,110

that you can't have an answer to

99

00:05:08,710 --> 00:05:06,790

so in the end

100

00:05:12,310 --> 00:05:08,720

what's the point right and it kind of

101

00:05:16,469 --> 00:05:12,320

reminds me of um

102

00:05:17,830 --> 00:05:16,479

this uh phenomenon so to speak

103

00:05:20,150 --> 00:05:17,840

right

104

00:05:22,070 --> 00:05:20,160

we study this we study it we study it

105

00:05:24,070 --> 00:05:22,080

other people do super smart people

106

00:05:26,150 --> 00:05:24,080

throughout the last 75 years people have

107

00:05:27,749 --> 00:05:26,160

studied this and in the end

108

00:05:29,029 --> 00:05:27,759

we're still left with a bunch of

109

00:05:31,830 --> 00:05:29,039

questions

110

00:05:33,430 --> 00:05:31,840

you don't have answers to

111

00:05:35,670 --> 00:05:33,440

now some people could say well it's

112

00:05:37,990 --> 00:05:35,680

meant to be that way

113

00:05:39,909 --> 00:05:38,000

phenomenon is trying to be confusing so

114

00:05:41,830 --> 00:05:39,919

that you can't figure it out but also

115

00:05:44,950 --> 00:05:41,840

someone could say

116

00:05:47,830 --> 00:05:44,960

couldn't that also just be used

117

00:05:51,590 --> 00:05:49,270

you know

118

00:05:56,309 --> 00:05:51,600

couldn't that also just be used as an

119

00:06:00,790 --> 00:05:58,710

could be

120

00:06:03,050 --> 00:06:00,800

but does that mean it's not the truth i

121

00:06:04,309 --> 00:06:03,060

don't know

122

00:06:06,710 --> 00:06:04,319

[Music]

123

00:06:08,390 --> 00:06:06,720

yesterday um

124

00:06:10,629 --> 00:06:08,400

on coast to coast

125

00:06:14,710 --> 00:06:10,639

there was

126

00:06:17,909 --> 00:06:16,550

and i didn't get to listen to it but uh

127

00:06:20,230 --> 00:06:17,919

ufo joe

128

00:06:22,469 --> 00:06:20,240

did a great uh transcription as always

129

00:06:23,670 --> 00:06:22,479

via twitter you should go follow them if

130

00:06:25,990 --> 00:06:23,680

you don't

131

00:06:28,950 --> 00:06:27,749

and

132

00:06:33,510 --> 00:06:28,960

you know that's kind of what he was

133

00:06:37,189 --> 00:06:35,189

we might not be able to figure it out it

134

00:06:39,590 --> 00:06:37,199

might be beyond us like what if it's

135

00:06:40,390 --> 00:06:39,600

something that we can't even think about

136

00:06:43,110 --> 00:06:40,400

like

137

00:06:46,870 --> 00:06:43,120

our minds aren't

138

00:06:49,350 --> 00:06:46,880

imaginative enough or a large enough to

139

00:06:52,230 --> 00:06:49,360

uh with the hold the capacity of what

140

00:06:54,230 --> 00:06:52,240

we're dealing with

141

00:06:57,430 --> 00:06:54,240

you know

142

00:06:59,589 --> 00:06:57,440

that could be quite possible

143

00:07:01,670 --> 00:06:59,599

so if that's a if that's the answer what

144

00:07:04,070 --> 00:07:01,680

do you do

145

00:07:06,309 --> 00:07:04,080

do you continue to study it do you try

146

00:07:08,309 --> 00:07:06,319

to like og says try to continue to

147

00:07:11,430 --> 00:07:08,319

experience it or do you just live your

148

00:07:14,070 --> 00:07:13,270

i mean some people spend their whole

149

00:07:15,430 --> 00:07:14,080

life

150

00:07:18,309 --> 00:07:15,440

on trying to

151
00:07:19,990 --> 00:07:18,319
figure this out never get there

152
00:07:21,990 --> 00:07:20,000
then you could say was that would that

153
00:07:23,189 --> 00:07:22,000
time be better off spent on something

154
00:07:26,870 --> 00:07:23,199
else

155
00:07:30,150 --> 00:07:26,880
whether it be family work

156
00:07:32,070 --> 00:07:30,160
you know another hobby perhaps

157
00:07:34,070 --> 00:07:32,080
i don't know

158
00:07:40,230 --> 00:07:34,080
but on the flip side it's so interesting

159
00:07:42,870 --> 00:07:41,270
and then you have these people

160
00:07:44,950 --> 00:07:42,880
throughout the course of time that come

161
00:07:46,710 --> 00:07:44,960
in in kind of i don't know

162
00:07:48,950 --> 00:07:46,720
i don't want to say steal the show but

163
00:07:51,430 --> 00:07:48,960

put their face on it and their you know

164

00:07:53,670 --> 00:07:51,440

the talk of of the community whether it

165

00:07:55,990 --> 00:07:53,680

be someone like lou elizondo

166

00:07:58,710 --> 00:07:56,000

or back in the day you had kehoe

167

00:08:01,270 --> 00:07:58,720

or you know dr mcdonald

168

00:08:04,469 --> 00:08:01,280

james mcdonald which is some people have

169

00:08:06,550 --> 00:08:04,479

been posting today is 55 years since

170

00:08:08,390 --> 00:08:06,560

um some interview he had that we've

171

00:08:10,790 --> 00:08:08,400

played here before

172

00:08:10,800 --> 00:08:14,469

you know different people

173

00:08:17,909 --> 00:08:15,909

and

174

00:08:20,790 --> 00:08:17,919

you know at least as far as we know they

175

00:08:21,909 --> 00:08:20,800

haven't figured anything out

176

00:08:23,749 --> 00:08:21,919

you know

177

00:08:25,589 --> 00:08:23,759

um

178

00:08:27,830 --> 00:08:25,599

and you know i asked avi loeb this

179

00:08:29,510 --> 00:08:27,840

question when he was on here

180

00:08:31,350 --> 00:08:29,520

like haven't we done this before people

181

00:08:32,870 --> 00:08:31,360

say we've done this before and he says

182

00:08:37,509 --> 00:08:32,880

well they haven't had the tools there's

183

00:08:40,469 --> 00:08:39,190

and that could be true

184

00:08:45,110 --> 00:08:40,479

but what if

185

00:08:45,120 --> 00:08:48,870

you know

186

00:08:52,870 --> 00:08:50,710

what if

187

00:08:55,030 --> 00:08:52,880

you know if this thing is 100 000 years

188

00:08:57,030 --> 00:08:55,040

beyond us what are the what's the

189

00:08:59,030 --> 00:08:57,040

likelihood that

190

00:09:03,990 --> 00:08:59,040

whatever we have

191

00:09:04,000 --> 00:09:06,790

you know

192

00:09:06,800 --> 00:09:10,790

i don't know

193

00:09:15,030 --> 00:09:13,829

we have had mainstream interest in it

194

00:09:19,350 --> 00:09:15,040

for sure

195

00:09:25,350 --> 00:09:23,110

but there's you know um

196

00:09:27,190 --> 00:09:25,360

article upon newspaper article upon

197

00:09:31,269 --> 00:09:27,200

newspaper article

198

00:09:33,509 --> 00:09:31,279

in the past from you know from 47 to

199

00:09:34,710 --> 00:09:33,519

the 60s

200

00:09:36,470 --> 00:09:34,720

basically

201

00:09:38,949 --> 00:09:36,480

like that was that was a pretty

202

00:09:40,710 --> 00:09:38,959

big time

203

00:09:43,430 --> 00:09:40,720

people talked about it all the time i

204

00:09:43,440 --> 00:09:46,710

you know there was

205

00:09:50,389 --> 00:09:48,870

a huge thing in the armstrong circle

206

00:09:52,470 --> 00:09:50,399

theater that was a big thing where the

207

00:09:53,350 --> 00:09:52,480

air force was on there and kehoe was on

208

00:09:55,829 --> 00:09:53,360

there

209

00:09:57,430 --> 00:09:55,839

and his tape mysteriously got turned off

210

00:10:01,829 --> 00:09:57,440

when he started talking about the

211

00:10:06,870 --> 00:10:03,990

you know so that has happened but the

212

00:10:08,630 --> 00:10:06,880

problem with that then is

213

00:10:11,350 --> 00:10:08,640

you know that was pretty much for the

214

00:10:15,269 --> 00:10:11,360

most part orchestrated like you read

215

00:10:15,279 --> 00:10:19,910

you know how public education

216

00:10:25,190 --> 00:10:23,030

is constantly like a theme

217

00:10:27,670 --> 00:10:25,200

of theirs there's one document where the

218

00:10:30,069 --> 00:10:27,680

air force says 80 percent of this office

219

00:10:30,829 --> 00:10:30,079

is geared towards public

220

00:10:37,030 --> 00:10:30,839

uh

221

00:10:40,710 --> 00:10:38,470

you know so

222

00:10:41,910 --> 00:10:40,720

at least then it seemed like most of

223

00:10:43,590 --> 00:10:41,920

their job

224

00:10:44,130 --> 00:10:43,600

was

225

00:10:45,430 --> 00:10:44,140

to

226

00:10:47,269 --> 00:10:45,440

[Music]

227

00:10:51,350 --> 00:10:47,279

garner the trust of the public that

228

00:10:51,360 --> 00:10:57,829

you know

229

00:11:02,710 --> 00:11:00,870

sure yeah i know but i mean

230

00:11:05,190 --> 00:11:02,720

and that's all fine and well but i mean

231

00:11:07,110 --> 00:11:05,200

like but what does that still have

232

00:11:08,230 --> 00:11:07,120

to do with

233

00:11:12,710 --> 00:11:08,240

uh

234

00:11:17,269 --> 00:11:15,910

is is what i was talking about so

235

00:11:19,110 --> 00:11:17,279

you know getting information out to

236

00:11:21,030 --> 00:11:19,120

people is all fine and well

237

00:11:22,710 --> 00:11:21,040

what i'm saying like i'm just

238

00:11:24,550 --> 00:11:22,720

giving a

239

00:11:26,870 --> 00:11:24,560

hypothetical if you know some of the

240

00:11:29,670 --> 00:11:26,880

smartest people that we have are on top

241

00:11:31,269 --> 00:11:29,680

of it and can't figure it out you know

242

00:11:32,710 --> 00:11:31,279

it could it be true that this thing is

243

00:11:34,630 --> 00:11:32,720

beyond

244

00:11:40,790 --> 00:11:34,640

what we have the capability of figuring

245

00:11:45,110 --> 00:11:43,110

could be

246

00:11:46,710 --> 00:11:45,120

could not be

247

00:11:48,710 --> 00:11:46,720

but anyways yes so

248

00:11:50,550 --> 00:11:48,720

you know to make this documentary who's

249

00:11:51,829 --> 00:11:50,560

lou and it just um

250

00:11:55,269 --> 00:11:51,839

you know when you have all these people

251
00:11:57,590 --> 00:11:55,279
on twitter that just um

252
00:11:59,990 --> 00:11:57,600
constantly it seems like if anything is

253
00:12:02,949 --> 00:12:00,000
tweeted about or done regarding him or

254
00:12:04,710 --> 00:12:02,959
anybody positive towards ufology there's

255
00:12:06,310 --> 00:12:04,720
there's a group of people or other

256
00:12:07,430 --> 00:12:06,320
people who just come in there and kind

257
00:12:08,629 --> 00:12:07,440
to

258
00:12:10,470 --> 00:12:08,639
um

259
00:12:14,470 --> 00:12:10,480
bring

260
00:12:17,670 --> 00:12:15,910
you know the whole critical thinking

261
00:12:19,269 --> 00:12:17,680
thing or

262
00:12:21,190 --> 00:12:19,279
you know trolling this guy's ripping you

263
00:12:23,430 --> 00:12:21,200

off he's lying or whatever

264

00:12:29,030 --> 00:12:25,829

they they don't have any uh evidence or

265

00:12:31,269 --> 00:12:29,040

anything to bring to the table right

266

00:12:33,350 --> 00:12:31,279

so as if it's a new person coming in

267

00:12:35,750 --> 00:12:33,360

let's say and they could see kind of

268

00:12:38,069 --> 00:12:35,760

both sides of the story or even if you

269

00:12:40,870 --> 00:12:38,079

yourself are kind of wondering you know

270

00:12:44,230 --> 00:12:40,880

what what do i think who do i trust do i

271

00:12:46,150 --> 00:12:44,240

trust this uh elizondo guy or

272

00:12:52,069 --> 00:12:46,160

um

273

00:12:56,710 --> 00:12:54,150

you know what do you do do you just

274

00:12:59,269 --> 00:12:56,720

trust them and say yeah they they got

275

00:13:00,310 --> 00:12:59,279

my best interest at heart or

276

00:13:04,829 --> 00:13:00,320

do you

277

00:13:08,150 --> 00:13:04,839

to

278

00:13:10,550 --> 00:13:08,160

decide and i don't think you do

279

00:13:13,269 --> 00:13:10,560

i think the the right aspect to take is

280

00:13:17,430 --> 00:13:15,590

and take it in

281

00:13:21,590 --> 00:13:17,440

and take from it what may work for your

282

00:13:24,870 --> 00:13:23,509

if somebody comes in and says this is

283

00:13:25,910 --> 00:13:24,880

the way it is

284

00:13:27,750 --> 00:13:25,920

and says

285

00:13:29,990 --> 00:13:27,760

you know this person is either good or

286

00:13:32,790 --> 00:13:30,000

bad like it's a fact like they're

287

00:13:36,389 --> 00:13:32,800

automatically disqualified

288

00:13:42,949 --> 00:13:37,590

they don't

289

00:13:47,269 --> 00:13:45,750

even if they try to know

290

00:13:48,949 --> 00:13:47,279

so i'm trying this new thing background

291

00:13:49,400 --> 00:13:48,959

music if you guys don't like it just let

292

00:13:53,509 --> 00:13:49,410

me know

293

00:13:57,030 --> 00:13:53,519

[Laughter]

294

00:13:58,629 --> 00:13:57,040

but uh you know so that's up to you

295

00:14:01,350 --> 00:13:58,639

but you just gotta you just gotta

296

00:14:03,110 --> 00:14:01,360

observe and take it in

297

00:14:04,870 --> 00:14:03,120

take it in and

298

00:14:08,949 --> 00:14:04,880

you know don't get your you know there's

299

00:14:13,509 --> 00:14:11,829

that kind of get uh over excited about

300

00:14:17,269 --> 00:14:13,519

certain things whether it be like this

301

00:14:20,150 --> 00:14:17,279

uap ax that's doing something who

302

00:14:22,389 --> 00:14:20,160

is you know at 600 hours and the way

303

00:14:24,710 --> 00:14:22,399

they put it is footage of uap so in

304

00:14:27,990 --> 00:14:24,720

reality it's 600 hours of footage

305

00:14:31,750 --> 00:14:28,000

looking for uaps

306

00:14:34,629 --> 00:14:33,110

and there's money behind it and that

307

00:14:37,750 --> 00:14:34,639

doesn't mean that they're going to do

308

00:14:39,670 --> 00:14:37,760

this or that but we all know

309

00:14:43,269 --> 00:14:39,680

when there's money involved

310

00:14:45,550 --> 00:14:43,279

it has a way of influencing comparison

311

00:14:48,470 --> 00:14:45,560

you know

312

00:14:51,430 --> 00:14:48,480

[Laughter]

313

00:14:55,350 --> 00:14:51,440

i'm not saying it is or isn't but

314

00:14:59,509 --> 00:14:57,430

and

315

00:15:02,150 --> 00:14:59,519

you know so that's why

316

00:15:06,710 --> 00:15:02,160

getting your hopes up or whatever is

317

00:15:13,670 --> 00:15:09,110

then you also have people like me who do

318

00:15:17,590 --> 00:15:15,350

and you know i want to be careful with

319

00:15:20,389 --> 00:15:17,600

who i bring on here

320

00:15:21,750 --> 00:15:20,399

because i don't want to

321

00:15:24,790 --> 00:15:21,760

you know bring in people that will take

322

00:15:29,749 --> 00:15:24,800

advantage of others right

323

00:15:29,759 --> 00:15:32,310

you know

324

00:15:32,320 --> 00:15:35,110

so

325

00:15:39,350 --> 00:15:37,430

but another thing i guess is uh

326

00:15:43,030 --> 00:15:39,360

looking at the actions right like what

327

00:15:47,269 --> 00:15:45,110

what's happened

328

00:15:49,509 --> 00:15:47,279

like for alexander i would say since

329

00:15:50,870 --> 00:15:49,519

he's come around you can see

330

00:15:53,030 --> 00:15:50,880

you know whether you think the navy

331

00:15:56,470 --> 00:15:53,040

videos are real or fake

332

00:15:57,670 --> 00:15:56,480

or he is i mean the fact is something

333

00:15:59,269 --> 00:15:57,680

that's different that's happened that

334

00:16:01,110 --> 00:15:59,279

hasn't before is

335

00:16:03,189 --> 00:16:01,120

a congressional congressional

336

00:16:05,350 --> 00:16:03,199

legislation

337

00:16:06,790 --> 00:16:05,360

to study

338

00:16:09,110 --> 00:16:06,800

the phenomenon

339

00:16:14,470 --> 00:16:09,120

you know

340

00:16:14,480 --> 00:16:17,829

so you could say

341

00:16:17,839 --> 00:16:20,710

that

342

00:16:25,350 --> 00:16:23,509

you know you're okay to

343

00:16:27,990 --> 00:16:25,360

maybe

344

00:16:29,990 --> 00:16:28,000

give that guy a little support because

345

00:16:33,509 --> 00:16:30,000

let's

346

00:16:36,550 --> 00:16:33,519

um

347

00:16:38,790 --> 00:16:36,560

we've gotten farther as far as effort

348

00:16:40,629 --> 00:16:38,800

goes

349

00:16:43,269 --> 00:16:40,639

you know spreading awareness of it in

350

00:16:44,550 --> 00:16:43,279

just um trying to study it and putting

351

00:16:46,069 --> 00:16:44,560

it in the government hand since he's

352

00:16:47,350 --> 00:16:46,079

come around and there's a lot of

353

00:16:49,189 --> 00:16:47,360

different characters that have helped

354

00:16:51,350 --> 00:16:49,199

with that right

355

00:16:52,629 --> 00:16:51,360

like leslie kane who we just had on here

356

00:16:54,310 --> 00:16:52,639

rough blooming thought they wrote a

357

00:16:56,550 --> 00:16:54,320

killer article

358

00:16:58,870 --> 00:16:56,560

without that where would we be but yes

359

00:17:00,790 --> 00:16:58,880

then they said well it's actually mr

360

00:17:04,949 --> 00:17:00,800

ellison and chris melon

361

00:17:08,549 --> 00:17:04,959

so but in all reality it's all of them

362

00:17:12,230 --> 00:17:09,669

people have been doing this for a long

363

00:17:16,150 --> 00:17:12,240

time like georgenet

364

00:17:20,949 --> 00:17:17,510

i mean

365

00:17:22,470 --> 00:17:20,959

gotta give that guy tons of respect

366

00:17:24,870 --> 00:17:22,480

that guy took a chance on people like

367

00:17:27,590 --> 00:17:24,880

bob lazar whether you believe bob lazar

368

00:17:33,350 --> 00:17:29,909

you know there's no way for mr nat to

369

00:17:34,870 --> 00:17:33,360

know but he's taking a chance on it

370

00:17:39,270 --> 00:17:34,880

because he knows that there's something

371

00:17:42,950 --> 00:17:40,380

you know

372

00:17:43,750 --> 00:17:42,960

[Music]

373

00:17:46,789 --> 00:17:43,760

so

374

00:17:49,029 --> 00:17:46,799

what i would say is

375

00:17:50,710 --> 00:17:49,039

you know be guarded but just

376

00:17:52,390 --> 00:17:50,720

just watch it observe again i put the

377

00:17:54,630 --> 00:17:52,400

stream link there in case anybody wants

378

00:17:56,950 --> 00:17:54,640

to hop in you don't have to do the video

379

00:18:01,029 --> 00:17:56,960

you can just do uh audio

380

00:18:05,110 --> 00:18:02,070

so

381

00:18:09,190 --> 00:18:07,430

and then

382

00:18:11,029 --> 00:18:09,200

you know um

383

00:18:13,029 --> 00:18:11,039

people like john ramirez

384

00:18:15,110 --> 00:18:13,039

or whatever he takes a lot of crap he

385

00:18:17,350 --> 00:18:15,120

was on my show we talked about his

386

00:18:19,029 --> 00:18:17,360

experiences and everything

387

00:18:21,750 --> 00:18:19,039

and

388

00:18:24,230 --> 00:18:21,760

he gets a lot of crap when people put

389

00:18:26,070 --> 00:18:24,240

somebody commented on my video um this

390

00:18:28,549 --> 00:18:26,080

person needs help

391

00:18:30,150 --> 00:18:28,559

why

392

00:18:32,230 --> 00:18:30,160

because he discusses something that

393

00:18:34,470 --> 00:18:32,240

makes you uncomfortable that happened to

394

00:18:36,230 --> 00:18:34,480

him he's not telling you that that's

395

00:18:39,830 --> 00:18:36,240

reality and you have to believe this

396

00:18:43,430 --> 00:18:39,840

he's just telling you what his truth is

397

00:18:45,590 --> 00:18:43,440

you know if you don't like that truth

398

00:18:48,070 --> 00:18:45,600

you know that's fine but that doesn't

399

00:18:49,669 --> 00:18:48,080

mean you have to be uh mean to somebody

400

00:18:50,789 --> 00:18:49,679

if you spend your whole time being mean

401
00:18:52,470 --> 00:18:50,799
to people

402
00:18:54,150 --> 00:18:52,480
that you didn't agree with as far as

403
00:18:55,669 --> 00:18:54,160
perspective like

404
00:18:57,830 --> 00:18:55,679
you wouldn't be able to work you

405
00:19:00,070 --> 00:18:57,840
wouldn't be able to pay bills so why

406
00:19:00,770 --> 00:19:00,080
focus it on this one topic and this one

407
00:19:02,710 --> 00:19:00,780
person

408
00:19:04,230 --> 00:19:02,720
[Music]

409
00:19:06,390 --> 00:19:04,240
you know i wish those people just

410
00:19:07,909 --> 00:19:06,400
realized that people have different

411
00:19:10,070 --> 00:19:07,919
perspectives and we're unique to

412
00:19:13,110 --> 00:19:10,080
ourselves as individuals and that's the

413
00:19:17,190 --> 00:19:15,590

that's the way it's meant to be

414

00:19:18,630 --> 00:19:17,200

so arguing against that or fighting

415

00:19:25,990 --> 00:19:18,640

against that is fighting against

416

00:19:29,750 --> 00:19:28,150

and some people could say that the some

417

00:19:33,830 --> 00:19:29,760

people do say i tend to say that the

418

00:19:35,510 --> 00:19:33,840

phenomenon is a reflection of that

419

00:19:37,750 --> 00:19:35,520

people's experiences are completely

420

00:19:40,549 --> 00:19:37,760

different than one another's it seems

421

00:19:42,630 --> 00:19:40,559

like at times

422

00:19:43,570 --> 00:19:42,640

and isn't that interesting that we are

423

00:19:47,669 --> 00:19:43,580

too

424

00:19:47,679 --> 00:19:53,510

you know

425

00:19:57,350 --> 00:19:55,590

the other flip side is

426

00:20:02,549 --> 00:19:57,360

if you just believe everybody in

427

00:20:07,990 --> 00:20:04,310

well that's when bad people come in and

428

00:20:09,510 --> 00:20:08,000

take advantage of you right

429

00:20:11,750 --> 00:20:09,520

now i'm not going to name names but you

430

00:20:13,110 --> 00:20:11,760

know throughout cory well corey good is

431

00:20:14,710 --> 00:20:13,120

one right

432

00:20:17,669 --> 00:20:14,720

comes in and says he's

433

00:20:18,950 --> 00:20:17,679

spent 20 years on the moon or whatever i

434

00:20:21,590 --> 00:20:18,960

don't even know the story the whole

435

00:20:25,669 --> 00:20:21,600

story but i know the gist of it people

436

00:20:28,870 --> 00:20:27,750

so how do you

437

00:20:34,710 --> 00:20:28,880

how do you deal with that how do you

438

00:20:37,990 --> 00:20:36,630

i think

439

00:20:40,470 --> 00:20:38,000

you know comes to a point where we have

440

00:20:41,830 --> 00:20:40,480

to give ourselves some credit as well

441

00:20:43,669 --> 00:20:41,840

right in our

442

00:20:45,750 --> 00:20:43,679

ability to

443

00:20:47,669 --> 00:20:45,760

determine who we give our attention to

444

00:20:49,270 --> 00:20:47,679

right

445

00:20:52,070 --> 00:20:49,280

like corey good for instance where is he

446

00:20:56,710 --> 00:20:55,270

he's not a part of that stuff

447

00:20:58,549 --> 00:20:56,720

why is that

448

00:21:01,029 --> 00:20:58,559

it's not because

449

00:21:03,350 --> 00:21:01,039

he took people for a ride

450

00:21:05,510 --> 00:21:03,360

and everybody fell for it

451
00:21:07,350 --> 00:21:05,520
no it's just because

452
00:21:10,310 --> 00:21:07,360
you know it was ridiculous and it got

453
00:21:16,630 --> 00:21:10,320
called out and whatever it's over

454
00:21:21,029 --> 00:21:18,950
but you you know another part of this is

455
00:21:22,470 --> 00:21:21,039
don't validate somebody on their story

456
00:21:26,789 --> 00:21:22,480
validate them

457
00:21:31,270 --> 00:21:29,270
this is a great quote

458
00:21:33,110 --> 00:21:31,280
pays to keep an open mind but not so

459
00:21:36,470 --> 00:21:33,120
open your brains fall out yeah that's

460
00:21:36,480 --> 00:21:39,029
you know

461
00:21:43,350 --> 00:21:41,270
so

462
00:21:45,110 --> 00:21:43,360
like if you take the story out of it and

463
00:21:46,789 --> 00:21:45,120

you just

464

00:21:49,990 --> 00:21:46,799

deal with somebody based on the person

465

00:21:55,909 --> 00:21:52,070

that would probably be the better way to

466

00:21:59,990 --> 00:21:58,070

like for instance when i talk to john

467

00:22:02,950 --> 00:22:00,000

ramirez i feel like i'm talking to a

468

00:22:02,960 --> 00:22:06,710

that is easy to talk to

469

00:22:06,720 --> 00:22:12,310

that seems caring and understanding

470

00:22:16,470 --> 00:22:14,070

you know

471

00:22:19,350 --> 00:22:16,480

and that's how i deal with people

472

00:22:22,070 --> 00:22:19,360

and you follow to hear otherwise

473

00:22:27,590 --> 00:22:22,080

deal with people based on who they are

474

00:22:27,600 --> 00:22:30,070

you know

475

00:22:33,110 --> 00:22:32,070

not their experience like oh their

476
00:22:35,350 --> 00:22:33,120
experience

477
00:22:37,750 --> 00:22:35,360
how is that possible or um

478
00:22:39,510 --> 00:22:37,760
he's not believable or

479
00:22:47,350 --> 00:22:39,520
i don't know

480
00:22:52,310 --> 00:22:50,390
that's what you have to do

481
00:22:54,149 --> 00:22:52,320
and another thing is you know just like

482
00:22:55,830 --> 00:22:54,159
people and you can't fix all your

483
00:22:57,110 --> 00:22:55,840
attention just on one person because

484
00:23:01,110 --> 00:22:57,120
what happens

485
00:23:05,270 --> 00:23:02,950
you know sometimes i get worried that

486
00:23:08,230 --> 00:23:05,280
everybody fixates on the last four years

487
00:23:10,310 --> 00:23:08,240
in the navy videos

488
00:23:12,950 --> 00:23:10,320

and you know like a louis alexander

489

00:23:15,029 --> 00:23:12,960

chris mellon and then what happens if

490

00:23:17,110 --> 00:23:15,039

that goes down the garbage where are all

491

00:23:21,669 --> 00:23:17,120

those people gonna go

492

00:23:21,679 --> 00:23:26,149

i leave they got had

493

00:23:26,159 --> 00:23:31,750

some would

494

00:23:36,149 --> 00:23:34,310

but they shouldn't

495

00:23:38,789 --> 00:23:36,159

but some would i mean there's way too

496

00:23:39,750 --> 00:23:38,799

much attention and fixation on

497

00:23:43,909 --> 00:23:39,760

uh

498

00:23:45,029 --> 00:23:43,919

i think to ttsa the navy videos

499

00:23:47,430 --> 00:23:45,039

um

500

00:23:49,029 --> 00:23:47,440

all that stuff

501
00:23:52,230 --> 00:23:49,039

i mean we have

502
00:23:55,350 --> 00:23:52,240

nearly 80 years

503
00:23:57,029 --> 00:23:55,360

that's documented by our government

504
00:23:59,669 --> 00:23:57,039

you know

505
00:24:01,669 --> 00:23:59,679

a century probably

506
00:24:03,590 --> 00:24:01,679

or more

507
00:24:06,710 --> 00:24:03,600

you know since the existence of this

508
00:24:09,269 --> 00:24:06,720

earth most likely

509
00:24:12,149 --> 00:24:09,279

of experiences and things happening but

510
00:24:13,669 --> 00:24:12,159

everyone's focused on that

511
00:24:20,710 --> 00:24:13,679

you know

512
00:24:20,720 --> 00:24:25,029

and then you have the people like the

513
00:24:27,430 --> 00:24:26,630

like the people who come in and try to

514

00:24:29,750 --> 00:24:27,440

say

515

00:24:32,549 --> 00:24:29,760

um that they're drones or whatever or

516

00:24:34,950 --> 00:24:32,559

mick west coming in right like debunking

517

00:24:38,870 --> 00:24:36,390

you know then people get these huge

518

00:24:40,789 --> 00:24:38,880

arguments about it

519

00:24:41,830 --> 00:24:40,799

like who

520

00:24:43,830 --> 00:24:41,840

cares

521

00:24:46,470 --> 00:24:43,840

you know

522

00:24:49,430 --> 00:24:46,480

it's it's one case

523

00:24:54,070 --> 00:24:51,590

you know

524

00:24:56,230 --> 00:24:54,080

it's not gonna be it's not the first one

525

00:24:57,590 --> 00:24:56,240

and it's not the last

526
00:25:02,710 --> 00:24:57,600
ufo

527
00:25:09,669 --> 00:25:05,029
and the more we just keep

528
00:25:11,830 --> 00:25:09,679
like small vision on these little things

529
00:25:15,510 --> 00:25:11,840
uh the less likely it's gonna be for us

530
00:25:17,909 --> 00:25:15,520
to actually figure out anything

531
00:25:21,590 --> 00:25:17,919
because if you think that we are going

532
00:25:25,669 --> 00:25:23,590
this complex

533
00:25:27,890 --> 00:25:25,679
that has stumped mankind

534
00:25:29,110 --> 00:25:27,900
since our existences far as we know

535
00:25:30,549 --> 00:25:29,120
[Music]

536
00:25:32,390 --> 00:25:30,559
and we're going to figure this thing out

537
00:25:36,870 --> 00:25:32,400
by winning an argument about a navy

538
00:25:44,230 --> 00:25:40,789

you are mistaken

539

00:25:45,750 --> 00:25:44,240

figure this out it's going to be about

540

00:25:47,269 --> 00:25:45,760

understanding

541

00:25:50,310 --> 00:25:47,279

uh each other

542

00:25:54,549 --> 00:25:52,710

understanding how to respect each other

543

00:25:59,669 --> 00:25:54,559

more

544

00:26:04,870 --> 00:26:03,029

and why we say them respecting it

545

00:26:06,549 --> 00:26:04,880

but respecting it doesn't mean that you

546

00:26:09,029 --> 00:26:06,559

have to hold a flag with somebody's

547

00:26:11,990 --> 00:26:09,039

experience up and go i believe this and

548

00:26:15,909 --> 00:26:12,000

if it's wrong i'm stupid like

549

00:26:18,470 --> 00:26:17,350

just means that you're respectful

550

00:26:21,510 --> 00:26:18,480

towards

551

00:26:23,350 --> 00:26:21,520

you know your fellow person

552

00:26:25,430 --> 00:26:23,360

your neighbor

553

00:26:28,470 --> 00:26:25,440

because you

554

00:26:29,590 --> 00:26:28,480

you can't even begin to

555

00:26:31,430 --> 00:26:29,600

understand everything they've been

556

00:26:34,630 --> 00:26:31,440

through in their life whether it's a ufo

557

00:26:38,789 --> 00:26:34,640

experience or what they did yesterday

558

00:26:41,830 --> 00:26:40,390

you know it's fights first people don't

559

00:26:44,710 --> 00:26:41,840

know what you've been through so how do

560

00:26:46,310 --> 00:26:44,720

you deal with that once you hold it

561

00:26:48,870 --> 00:26:46,320

you take it serious and you hold it

562

00:26:50,710 --> 00:26:48,880

light doctor sean espeon hargens was on

563

00:26:52,870 --> 00:26:50,720

here you know not too long ago and

564

00:26:54,630 --> 00:26:52,880

that's something that still stays with

565

00:26:57,909 --> 00:26:54,640

me take something serious but hold it

566

00:26:59,830 --> 00:26:57,919

lightly somebody tells you a crazy story

567

00:27:02,230 --> 00:26:59,840

take it serious but hold it light you

568

00:27:05,430 --> 00:27:02,240

don't have to take it to the bank and

569

00:27:08,390 --> 00:27:05,440

and debunk it or believe it

570

00:27:13,029 --> 00:27:08,400

you can just listen respectfully

571

00:27:17,269 --> 00:27:14,549

right

572

00:27:20,389 --> 00:27:17,279

that's what i think

573

00:27:21,590 --> 00:27:20,399

age of aquarius my birthday

574

00:27:23,269 --> 00:27:21,600

it's coming up

575

00:27:28,630 --> 00:27:23,279

february 7th

576
00:27:28,640 --> 00:27:31,029
so

577
00:27:36,789 --> 00:27:34,470
yeah age of aquarius

578
00:27:37,860 --> 00:27:36,799
so that's what i think

579
00:27:44,389 --> 00:27:37,870
you know um

580
00:27:48,470 --> 00:27:46,950
no one really

581
00:27:50,630 --> 00:27:48,480
does know

582
00:27:52,310 --> 00:27:50,640
seemingly anything about this stuff and

583
00:27:55,750 --> 00:27:52,320
then we have like a

584
00:27:57,909 --> 00:27:55,760
galileo project right gary nolan

585
00:28:00,230 --> 00:27:57,919
um we talked about him before he's

586
00:28:02,710 --> 00:28:00,240
studying like materials and

587
00:28:05,190 --> 00:28:02,720
cat scans of people's brains and stuff

588
00:28:12,230 --> 00:28:07,590

and he you know just joined project

589

00:28:12,240 --> 00:28:19,110

people are talking crap about that

590

00:28:19,120 --> 00:28:23,669

you know why

591

00:28:29,190 --> 00:28:27,350

i mean i love that avi lopez

592

00:28:32,789 --> 00:28:29,200

um bringing in all types of people he's

593

00:28:34,630 --> 00:28:32,799

bringing in people like jacquez vale

594

00:28:36,710 --> 00:28:34,640

you know all sorts of smart different

595

00:28:38,870 --> 00:28:36,720

people oh but the reason i mentioned

596

00:28:41,510 --> 00:28:38,880

that was because um

597

00:28:43,669 --> 00:28:41,520

stephen bassett had posted like uh

598

00:28:45,430 --> 00:28:43,679

gary here

599

00:28:46,630 --> 00:28:45,440

you're great or whatever but when you

600

00:28:48,870 --> 00:28:46,640

get there please tell them that the

601
00:28:50,470 --> 00:28:48,880
extraterrestrials are already here

602
00:28:52,870 --> 00:28:50,480
and that's you know that's funny and

603
00:28:55,029 --> 00:28:52,880
that's good but he

604
00:28:59,430 --> 00:28:55,039
and he stands on that really strong but

605
00:28:59,440 --> 00:29:02,630
how do you know

606
00:29:02,640 --> 00:29:06,710
and if you can't prove it why say it

607
00:29:06,720 --> 00:29:09,990
we have a guest

608
00:29:14,710 --> 00:29:13,430
hello hey man

609
00:29:16,310 --> 00:29:14,720
not much

610
00:29:17,750 --> 00:29:16,320
hey hey look uh

611
00:29:19,430 --> 00:29:17,760
we're talking about scientists getting

612
00:29:22,950 --> 00:29:19,440
involved right now i have friends that

613
00:29:25,269 --> 00:29:22,960

work for u of i and uh i love them

614

00:29:26,870 --> 00:29:25,279

actually work can you hear me yeah i can

615

00:29:30,070 --> 00:29:26,880

hear you okay that's what you said for

616

00:29:32,310 --> 00:29:30,080

who uh for u of i university of illinois

617

00:29:34,470 --> 00:29:32,320

uh cool yeah one of my best friends is

618

00:29:37,830 --> 00:29:34,480

actually a uh

619

00:29:41,029 --> 00:29:37,840

a lidar expert at u of i uh he develops

620

00:29:43,350 --> 00:29:41,039

lidar systems for various uh various uh

621

00:29:46,950 --> 00:29:43,360

entities and he's even getting involved

622

00:29:48,549 --> 00:29:46,960

into the uh into the subject so

623

00:29:50,950 --> 00:29:48,559

we're seeing more and more mainstream

624

00:29:53,029 --> 00:29:50,960

scientists actually pop in and start

625

00:29:54,630 --> 00:29:53,039

looking at this this phenomena and start

626

00:29:57,510 --> 00:29:54,640

looking at the aspects of what they

627

00:30:00,310 --> 00:29:57,520

could be where they're coming from and

628

00:30:01,750 --> 00:30:00,320

how we can detect them from a uh and get

629

00:30:03,990 --> 00:30:01,760

readings specifically on from a

630

00:30:05,190 --> 00:30:04,000

scientific

631

00:30:06,470 --> 00:30:05,200

perspective

632

00:30:08,310 --> 00:30:06,480

and

633

00:30:09,909 --> 00:30:08,320

that's what he's working on constantly

634

00:30:11,750 --> 00:30:09,919

currently he says there's a few more

635

00:30:13,430 --> 00:30:11,760

individuals that are interested in it

636

00:30:16,070 --> 00:30:13,440

with the u of i

637

00:30:17,830 --> 00:30:16,080

um and if things do go the way that

638

00:30:20,230 --> 00:30:17,840

they're they're planning they may

639

00:30:22,630 --> 00:30:20,240

approach the galileo project as well

640

00:30:27,029 --> 00:30:22,640

yeah that's awesome that's awesome that

641

00:30:28,549 --> 00:30:27,039

that um more people are getting involved

642

00:30:30,310 --> 00:30:28,559

you know yeah yeah because that's that's

643

00:30:32,310 --> 00:30:30,320

really what we need is we need more eyes

644

00:30:35,029 --> 00:30:32,320

on this subject we need more mainstream

645

00:30:37,190 --> 00:30:35,039

eyes on the subject um people that have

646

00:30:39,909 --> 00:30:37,200

had the training people who can build

647

00:30:42,070 --> 00:30:39,919

the technology what uapx is doing is

648

00:30:43,669 --> 00:30:42,080

good but i don't think it's good enough

649

00:30:45,029 --> 00:30:43,679

yeah well

650

00:30:49,350 --> 00:30:45,039

i think they can barely get the car

651
00:30:54,149 --> 00:30:51,110
but at least someone's trying you know

652
00:30:56,149 --> 00:30:54,159
like and i suppose you have to do that i

653
00:30:59,190 --> 00:30:56,159
tend to think like a lot of the

654
00:31:01,110 --> 00:30:59,200
knowledge that comes out from it won't

655
00:31:02,789 --> 00:31:01,120
you know i think the scientific aspect

656
00:31:05,430 --> 00:31:02,799
sometimes will be good for

657
00:31:06,870 --> 00:31:05,440
uh proof and validating

658
00:31:08,870 --> 00:31:06,880
you know people's beliefs and maybe

659
00:31:10,070 --> 00:31:08,880
bringing more people in but

660
00:31:12,070 --> 00:31:10,080
will it

661
00:31:14,070 --> 00:31:12,080
you know solve anything so let's say we

662
00:31:16,230 --> 00:31:14,080
get techno signatures say okay so this

663
00:31:18,470 --> 00:31:16,240

is where it come it comes from and it's

664

00:31:20,389 --> 00:31:18,480

going this fast and it's made of this

665

00:31:22,310 --> 00:31:20,399

then what you know

666

00:31:23,509 --> 00:31:22,320

well the first thing we do is we try to

667

00:31:24,870 --> 00:31:23,519

figure out how

668

00:31:29,750 --> 00:31:24,880

right we

669

00:31:31,509 --> 00:31:29,760

need to know what when where how and why

670

00:31:33,269 --> 00:31:31,519

these things are appearing and we have

671

00:31:34,230 --> 00:31:33,279

none of that information

672

00:31:36,149 --> 00:31:34,240

yeah

673

00:31:38,789 --> 00:31:36,159

now you've if you've

674

00:31:41,830 --> 00:31:38,799

you had like a kind of an experience or

675

00:31:43,350 --> 00:31:41,840

whatever i've had a couple

676

00:31:45,269 --> 00:31:43,360

two that are

677

00:31:47,430 --> 00:31:45,279

very definitive

678

00:31:50,470 --> 00:31:47,440

and a couple that were in my teenage

679

00:31:53,350 --> 00:31:50,480

years where i was you know a little uh

680

00:31:54,870 --> 00:31:53,360

let's say more wild uh so i can't really

681

00:31:56,950 --> 00:31:54,880

say that those are

682

00:31:59,350 --> 00:31:56,960

uh

683

00:32:03,509 --> 00:31:59,360

yeah yeah so but the other two i've had

684

00:32:05,110 --> 00:32:03,519

uh i do have um witnesses for um yeah

685

00:32:07,830 --> 00:32:05,120

the first one was when i was really

686

00:32:10,230 --> 00:32:07,840

young i was in a car full of

687

00:32:11,830 --> 00:32:10,240

full family members and it was a station

688

00:32:13,350 --> 00:32:11,840

wagon actually and i remember laying

689

00:32:15,110 --> 00:32:13,360

down on the very back of the station

690

00:32:16,789 --> 00:32:15,120

wagon because in the 80s you didn't have

691

00:32:18,710 --> 00:32:16,799

to be buckled up

692

00:32:21,990 --> 00:32:18,720

and i was looking out the back window

693

00:32:23,509 --> 00:32:22,000

and i kept seeing this bright red orb

694

00:32:26,070 --> 00:32:23,519

and for some reason i was thinking

695

00:32:27,509 --> 00:32:26,080

that's a very weird

696

00:32:29,909 --> 00:32:27,519

star

697

00:32:32,149 --> 00:32:29,919

and as we were driving along it was

698

00:32:34,230 --> 00:32:32,159

hovering in this location and then all

699

00:32:37,029 --> 00:32:34,240

of a sudden it just zipped off out of my

700

00:32:39,590 --> 00:32:37,039

sight and i was probably about

701
00:32:41,110 --> 00:32:39,600
seven at the time so i didn't understand

702
00:32:43,750 --> 00:32:41,120
at all what i was seeing i thought it

703
00:32:45,750 --> 00:32:43,760
was just something weird i thought maybe

704
00:32:47,909 --> 00:32:45,760
i was uh

705
00:32:50,389 --> 00:32:47,919
seeing an aircraft of some kind but it

706
00:32:52,950 --> 00:32:50,399
was later on when i told my dad about it

707
00:32:54,830 --> 00:32:52,960
he really got interested in it and asked

708
00:32:57,509 --> 00:32:54,840
me a little bit more about it

709
00:32:59,269 --> 00:32:57,519
because uh at the time he was working on

710
00:33:01,029 --> 00:32:59,279
nuclear weapons at whiteman air force

711
00:33:01,990 --> 00:33:01,039
base and he's seen stuff like that as

712
00:33:04,149 --> 00:33:02,000
well

713
00:33:05,669 --> 00:33:04,159

wow yeah

714

00:33:07,590 --> 00:33:05,679

well yeah i wonder what it is with the

715

00:33:09,509 --> 00:33:07,600

with the nuclear stuff because you know

716

00:33:11,430 --> 00:33:09,519

some people make the point that

717

00:33:13,430 --> 00:33:11,440

um they're they're seen all over these

718

00:33:15,590 --> 00:33:13,440

places which obviously we know is true

719

00:33:19,110 --> 00:33:15,600

to some extent but they're also seen

720

00:33:21,909 --> 00:33:19,120

just kind of like all over yeah

721

00:33:24,470 --> 00:33:21,919

well i i know for sure with white men um

722

00:33:26,310 --> 00:33:24,480

that is where they brought a lot of the

723

00:33:29,110 --> 00:33:26,320

nukes in to be serviced from across the

724

00:33:31,590 --> 00:33:29,120

country um because it is centralized

725

00:33:33,350 --> 00:33:31,600

um and i also know that's where the b2

726

00:33:36,230 --> 00:33:33,360

stealth bombers were stationed that's

727

00:33:38,630 --> 00:33:36,240

that's their main base that they had uh

728

00:33:40,630 --> 00:33:38,640

during the late 80s and 90s

729

00:33:41,909 --> 00:33:40,640

and so i would i would assume that if

730

00:33:44,230 --> 00:33:41,919

anything wanted to see what our

731

00:33:46,070 --> 00:33:44,240

capabilities were it would be whiteman

732

00:33:47,190 --> 00:33:46,080

air force base would be a good place to

733

00:33:48,710 --> 00:33:47,200

observe

734

00:33:50,070 --> 00:33:48,720

sure yeah

735

00:33:55,669 --> 00:33:50,080

interesting

736

00:33:56,630 --> 00:33:55,679

even do you know or what would

737

00:33:59,029 --> 00:33:56,640

what do you think they're really

738

00:34:00,149 --> 00:33:59,039

concerned about us um

739

00:34:02,630 --> 00:34:00,159

you know

740

00:34:04,389 --> 00:34:02,640

killing ourselves or the world yeah i

741

00:34:06,549 --> 00:34:04,399

don't know i don't know just destroying

742

00:34:08,550 --> 00:34:06,559

the atmosphere i don't know i i kind of

743

00:34:10,310 --> 00:34:08,560

i kind of like the idea that uh i think

744

00:34:11,669 --> 00:34:10,320

it was lou that said that you know look

745

00:34:12,790 --> 00:34:11,679

at these stupid primates with the

746

00:34:14,710 --> 00:34:12,800

matches

747

00:34:17,750 --> 00:34:14,720

yeah so i think that's that's pretty

748

00:34:19,510 --> 00:34:17,760

much what what uh

749

00:34:21,430 --> 00:34:19,520

i'm not gonna say pretty much but i'm

750

00:34:23,669 --> 00:34:21,440

going to say that that's probably why

751

00:34:25,349 --> 00:34:23,679

they're interested in our facilities or

752

00:34:26,310 --> 00:34:25,359

something as such

753

00:34:27,430 --> 00:34:26,320

um

754

00:34:28,790 --> 00:34:27,440

i mean

755

00:34:30,069 --> 00:34:28,800

we don't know how long these things have

756

00:34:31,589 --> 00:34:30,079

been here there's there's some

757

00:34:33,909 --> 00:34:31,599

suggestions that they've been here as

758

00:34:35,589 --> 00:34:33,919

long as you know humanity has or some

759

00:34:36,629 --> 00:34:35,599

that says that they've been here much

760

00:34:38,389 --> 00:34:36,639

longer

761

00:34:39,990 --> 00:34:38,399

um

762

00:34:42,310 --> 00:34:40,000

there's evidence that they've been here

763

00:34:43,030 --> 00:34:42,320

through the middle ages in the dark ages

764

00:34:46,629 --> 00:34:43,040

so

765

00:34:48,310 --> 00:34:46,639

we don't again we still don't know what

766

00:34:49,990 --> 00:34:48,320

the hell these things are we're just

767

00:34:51,430 --> 00:34:50,000

making assumptions that they're aliens

768

00:34:54,470 --> 00:34:51,440

we're making assumptions that they're

769

00:34:55,750 --> 00:34:54,480

extraterrestrial yep so yeah

770

00:34:57,510 --> 00:34:55,760

um

771

00:34:59,430 --> 00:34:57,520

yeah all we need to do is just

772

00:35:01,990 --> 00:34:59,440

start looking into the subject get more

773

00:35:03,910 --> 00:35:02,000

and more scientists on the subject more

774

00:35:05,589 --> 00:35:03,920

people that are in the field that can do

775

00:35:07,829 --> 00:35:05,599

the the the type of work that's

776

00:35:09,030 --> 00:35:07,839

necessary to figure out what these are

777

00:35:11,190 --> 00:35:09,040

and once we

778

00:35:12,710 --> 00:35:11,200

we have that in place we'll start

779

00:35:13,990 --> 00:35:12,720

getting a lot more answers than we

780

00:35:16,550 --> 00:35:14,000

currently have

781

00:35:18,390 --> 00:35:16,560

yeah i hope so that would be great huh

782

00:35:20,310 --> 00:35:18,400

yep but until then it's like

783

00:35:22,950 --> 00:35:20,320

we can play nice right and we don't have

784

00:35:25,430 --> 00:35:22,960

to buy in a hundred percent on anybody

785

00:35:26,390 --> 00:35:25,440

or anything we can just do our thing and

786

00:35:32,790 --> 00:35:26,400

absolutely

787

00:35:34,390 --> 00:35:32,800

all right brother yeah good call all

788

00:35:35,510 --> 00:35:34,400

right well have a good one

789

00:35:38,150 --> 00:35:35,520

yeah you too

790

00:35:41,829 --> 00:35:38,160

all right bye

791

00:35:44,390 --> 00:35:41,839

oh that's nice that was cool sweet

792

00:35:46,630 --> 00:35:44,400

um

793

00:35:48,390 --> 00:35:46,640

yeah that was that was pretty cool

794

00:35:50,390 --> 00:35:48,400

pretty cool pretty cool

795

00:35:51,829 --> 00:35:50,400

um

796

00:35:53,109 --> 00:35:51,839

we haven't done

797

00:35:55,030 --> 00:35:53,119

so that link is still up there if

798

00:35:58,310 --> 00:35:55,040

anybody's interested

799

00:36:01,270 --> 00:35:58,320

you can definitely

800

00:36:06,230 --> 00:36:04,230

otherwise what i'm going to do here is

801
00:36:08,950 --> 00:36:06,240
so i think you know the consensus of

802
00:36:11,030 --> 00:36:08,960
this topic is

803
00:36:15,190 --> 00:36:11,040
you can take it all in

804
00:36:19,109 --> 00:36:17,430
you know be positive but you don't have

805
00:36:21,670 --> 00:36:19,119
to you know

806
00:36:27,589 --> 00:36:25,430
you know go all in on anybody without

807
00:36:29,670 --> 00:36:27,599
really knowing who they are

808
00:36:31,349 --> 00:36:29,680
i guess basically is my point

809
00:36:33,109 --> 00:36:31,359
and don't assume that you know

810
00:36:34,230 --> 00:36:33,119
everything

811
00:36:35,910 --> 00:36:34,240
right because

812
00:36:39,589 --> 00:36:35,920
sometimes they don't

813
00:36:41,430 --> 00:36:39,599

like grier steven gerry for instance

814

00:36:42,870 --> 00:36:41,440

people really started hating on him

815

00:36:44,950 --> 00:36:42,880

because

816

00:36:47,270 --> 00:36:44,960

well he charges money for stuff and all

817

00:36:53,190 --> 00:36:48,790

you go back and look at his kind of

818

00:36:53,200 --> 00:36:57,030

so what does that mean

819

00:36:57,040 --> 00:37:00,790

i think that means that

820

00:37:05,510 --> 00:37:02,870

you know we're we're all just people

821

00:37:09,670 --> 00:37:05,520

doing the best we can sometimes

822

00:37:13,190 --> 00:37:09,680

uh but i do have something that i can

823

00:37:13,200 --> 00:37:16,950

that is

824

00:37:21,349 --> 00:37:19,030

remember what we were doing before it

825

00:37:23,109 --> 00:37:21,359

was called like uh

826

00:37:25,829 --> 00:37:23,119

what the heck is that i think it was

827

00:37:25,839 --> 00:37:31,349

what the heck is that

828

00:37:38,550 --> 00:37:34,550

actually i don't see it

829

00:37:43,430 --> 00:37:40,470

crap

830

00:37:47,589 --> 00:37:45,030

oh well

831

00:37:52,150 --> 00:37:47,599

i guess i didn't save it

832

00:37:52,160 --> 00:37:56,550

next time

833

00:38:01,910 --> 00:37:59,109

uh seems good who cares that's what i

834

00:38:08,550 --> 00:38:05,670

yeah sometimes well yeah he cries so

835

00:38:09,510 --> 00:38:08,560

yeah it seems like he does for sure

836

00:38:11,910 --> 00:38:09,520

for sure

837

00:38:15,750 --> 00:38:13,510

you know everyone's just doing the best

838

00:38:17,349 --> 00:38:15,760

they can right

839

00:38:19,510 --> 00:38:17,359

and

840

00:38:22,069 --> 00:38:19,520

you know as long as people aren't asking

841

00:38:24,950 --> 00:38:22,079

you to sacrifice a bit of yourself in

842

00:38:26,390 --> 00:38:24,960

one way or another

843

00:38:27,750 --> 00:38:26,400

you know without giving you something

844

00:38:30,310 --> 00:38:27,760

like

845

00:38:33,349 --> 00:38:30,320

you know don't start paying people 100 a

846

00:38:35,349 --> 00:38:33,359

month for for stuff or

847

00:38:37,510 --> 00:38:35,359

you know going to retreats and paying

848

00:38:39,829 --> 00:38:37,520

two thousand dollars for things like i

849

00:38:43,109 --> 00:38:39,839

think that's where things can go wrong

850

00:38:48,710 --> 00:38:44,829

you

851

00:38:56,069 --> 00:38:48,720

know what i gotta say

852

00:39:00,310 --> 00:38:58,310

about some doc of the day

853

00:39:02,870 --> 00:39:00,320

um yeah we could do that i guess i'm not

854

00:39:02,880 --> 00:39:08,069

oh duck of the day

855

00:39:12,630 --> 00:39:10,230

i don't know

856

00:39:18,310 --> 00:39:14,950

i mean just like there's so many that

857

00:39:23,190 --> 00:39:21,349

what do you pick

858

00:39:25,910 --> 00:39:23,200

especially

859

00:39:27,430 --> 00:39:25,920

when you haven't prepared anything

860

00:39:28,460 --> 00:39:27,440

it's kind of taking a break from doc of

861

00:39:31,670 --> 00:39:28,470

the day i guess

862

00:39:34,230 --> 00:39:31,680

[Laughter]

863

00:39:37,349 --> 00:39:34,240

taking a break from doc of the day um

864

00:39:41,109 --> 00:39:37,359

but yeah maybe just a short show today

865

00:39:45,750 --> 00:39:42,870

um

866

00:39:51,589 --> 00:39:48,630

i mean i do have

867

00:39:55,190 --> 00:39:53,670

but you know i'm it's not followed

868

00:39:57,589 --> 00:39:55,200

through all the way yet so i'm i'm

869

00:39:59,360 --> 00:39:57,599

working on something actually

870

00:40:00,630 --> 00:39:59,370

which is in regards to

871

00:40:03,190 --> 00:40:00,640

[Music]

872

00:40:05,670 --> 00:40:03,200

uh back to like the green fireball stuff

873

00:40:09,990 --> 00:40:05,680

of 18 1949

874

00:40:13,670 --> 00:40:10,000

and you know it's seemingly to me

875

00:40:19,589 --> 00:40:17,670

possibly some of the uh blue book

876
00:40:21,589 --> 00:40:19,599
work on

877
00:40:23,670 --> 00:40:21,599
the ufo stuff

878
00:40:25,910 --> 00:40:23,680
had to do with

879
00:40:27,829 --> 00:40:25,920
getting pieces of these meteorites and

880
00:40:30,309 --> 00:40:27,839
studying them for

881
00:40:31,270 --> 00:40:30,319
weapon applications

882
00:40:34,069 --> 00:40:31,280
and

883
00:40:35,349 --> 00:40:34,079
aerospace vehicles they would study the

884
00:40:36,390 --> 00:40:35,359
lift

885
00:40:38,309 --> 00:40:36,400
lines

886
00:40:39,190 --> 00:40:38,319
on the meteorites

887
00:40:43,349 --> 00:40:39,200
and

888
00:40:47,109 --> 00:40:43,359

could use that

889

00:40:47,910 --> 00:40:47,119

for different things like missiles

890

00:40:59,589 --> 00:40:47,920

so

891

00:41:04,870 --> 00:41:01,829

because i don't think anybody knew that

892

00:41:13,349 --> 00:41:07,829

but that's how it is

893

00:41:16,470 --> 00:41:14,950

and there's a lot of other stuff that

894

00:41:19,990 --> 00:41:16,480

was part of that brand project was a

895

00:41:20,000 --> 00:41:23,589

so you know

896

00:41:27,750 --> 00:41:25,270

there's always

897

00:41:30,069 --> 00:41:27,760

different things happening you know

898

00:41:31,430 --> 00:41:30,079

it's not always what it seems like for

899

00:41:35,430 --> 00:41:31,440

instance

900

00:41:42,470 --> 00:41:38,630

i didn't even know that would be a thing

901
00:41:50,950 --> 00:41:46,470
turns out it definitely is a thing

902
00:41:56,550 --> 00:41:52,309
that's pretty interesting it's not

903
00:41:59,910 --> 00:41:58,550
but it is

904
00:42:05,109 --> 00:41:59,920
pretty interesting and it has to do with

905
00:42:16,550 --> 00:42:10,070
and how crazy that future is going to be

906
00:42:22,550 --> 00:42:18,069
so

907
00:42:28,309 --> 00:42:23,589
stuff

908
00:42:30,950 --> 00:42:28,319
[Music]

909
00:42:34,710 --> 00:42:30,960
and i'm going to show you

910
00:42:34,720 --> 00:42:38,230
check this out

911
00:42:41,910 --> 00:42:39,589
so i can't have the background music

912
00:42:44,710 --> 00:42:41,920
going with this that sucks good to know

913
00:42:47,750 --> 00:42:44,720

though human machine inner

914

00:42:52,030 --> 00:42:49,430

look at this

915

00:42:55,990 --> 00:42:52,040

and i got this from

916

00:42:58,150 --> 00:42:56,000

dtic this defense technical

917

00:42:59,829 --> 00:42:58,160

something center um it's a government

918

00:43:02,710 --> 00:42:59,839

website

919

00:43:05,510 --> 00:43:02,720

this was put together augmented

920

00:43:09,510 --> 00:43:05,520

reality human machine interfaces so

921

00:43:12,790 --> 00:43:10,950

here i'll just read it's highly likely

922

00:43:14,630 --> 00:43:12,800

that innovations in nanotechnology

923

00:43:16,470 --> 00:43:14,640

neurotechnology biotechnology

924

00:43:18,790 --> 00:43:16,480

information technology quantum

925

00:43:21,030 --> 00:43:18,800

technology and ai will allow for the

926
00:43:22,309 --> 00:43:21,040
mass production of human to computer

927
00:43:24,309 --> 00:43:22,319
interfaces

928
00:43:26,630 --> 00:43:24,319
that will reduce or even eliminate the

929
00:43:28,870 --> 00:43:26,640
use of mobile device

930
00:43:35,750 --> 00:43:28,880
visual touch interfaces over the next 15

931
00:43:40,309 --> 00:43:38,309
pretty interesting

932
00:43:41,510 --> 00:43:40,319
so this

933
00:43:45,750 --> 00:43:41,520
looks like

934
00:43:48,220 --> 00:43:45,760
literally

935
00:43:50,710 --> 00:43:48,230
[Laughter]

936
00:43:54,390 --> 00:43:50,720
[Music]

937
00:43:58,150 --> 00:43:56,230
uh you guys just love that humor don't

938
00:44:01,670 --> 00:43:58,160

you

939

00:44:05,589 --> 00:44:01,680

um

940

00:44:13,990 --> 00:44:09,510

because when you look at it

941

00:44:19,990 --> 00:44:16,790

it's an estimation of technology

942

00:44:29,109 --> 00:44:25,030

that's right

943

00:44:31,829 --> 00:44:29,119

right here

944

00:44:35,030 --> 00:44:31,839

estimation of technology convergence

945

00:44:36,630 --> 00:44:35,040

by 2035.

946

00:44:39,829 --> 00:44:36,640

so we got people from the

947

00:44:44,710 --> 00:44:39,839

air force department of state

948

00:44:50,550 --> 00:44:48,230

what happened to music i know

949

00:44:53,270 --> 00:44:50,560

i know man it's like i can't they don't

950

00:44:55,109 --> 00:44:53,280

let me uh play it while i have

951
00:44:56,550 --> 00:44:55,119
this other thing

952
00:44:58,870 --> 00:44:56,560
here

953
00:45:00,230 --> 00:44:58,880
it's like it can't handle

954
00:45:02,950 --> 00:45:00,240
it can handle like

955
00:45:06,470 --> 00:45:02,960
four 12 people on the screen but i can't

956
00:45:10,150 --> 00:45:06,480
do this what's that about

957
00:45:14,230 --> 00:45:11,350
that's dumb

958
00:45:16,550 --> 00:45:14,240
[Laughter]

959
00:45:18,069 --> 00:45:16,560
but anyways

960
00:45:20,390 --> 00:45:18,079
um

961
00:45:21,910 --> 00:45:20,400
i think i'm actually going to call this

962
00:45:25,589 --> 00:45:21,920
episode because it's kind of getting out

963
00:45:30,710 --> 00:45:28,790

it's getting way out of hand

964

00:45:32,550 --> 00:45:30,720

but um yeah maybe i'll see you tomorrow

965

00:45:36,470 --> 00:45:32,560

maybe i won't i don't know but i just

966

00:45:38,309 --> 00:45:36,480

wanted to do a talk about

967

00:45:39,589 --> 00:45:38,319

um

968

00:45:41,510 --> 00:45:39,599

just some well you know the

969

00:45:42,530 --> 00:45:41,520

personalities of ufology and all that

970

00:45:44,390 --> 00:45:42,540

kind of stuff so

971

00:45:46,710 --> 00:45:44,400

[Music]

972

00:45:49,349 --> 00:45:46,720

so with that being said i'll see you

973

00:45:51,190 --> 00:45:49,359

guys next time wednesday and thursday we

974

00:45:53,510 --> 00:45:51,200

got some guests

975

00:45:56,710 --> 00:45:53,520

so come check that out

976

00:45:59,220 --> 00:45:56,720

and i'll see you soon

977

00:46:19,050 --> 00:45:59,230

peace

978

00:46:35,270 --> 00:46:27,530

[Music]

979

00:46:35,280 --> 00:46:39,030

do
