I. IN THE WILD BLUE YONDER -- WHAT?

No recognition manual prints the picture of a blinding orange lighter or a whirling disc, yet reports of the sightings of these large flying objects come in with increasing regularity.

Many times in recent months, the question has been asked: "Why has the USAF renewed its interest in unidentified aerial objects?" The project was dropped as a special priority project in 1949, but it has con-

hope everyone's doing all right

3  
00:01:09,190 --> 00:01:06,720  
we had a pretty great article come out

4  
00:01:13,080 --> 00:01:11,190  
deep briefing what's up

5  
00:01:14,870 --> 00:01:13,090

00:01:26,710 --> 00:01:24,830  
hope everyone's doing just fine

8  
00:01:29,910 --> 00:01:26,720  
um

9  
00:01:30,950 --> 00:01:29,920  
we are going to just you know just like

10  
00:01:35,990 --> 00:01:30,960  
the

11  
00:01:39,030 --> 00:01:36,000  
debrief came out well christopher mellon

12  
00:01:40,789 --> 00:01:39,040  
uh wrote a pretty fantastic

13  
00:01:42,950 --> 00:01:40,799

uh article

14

00:01:44,310 --> 00:01:42,960

it came out today that's kind of a

15

00:01:45,510 --> 00:01:44,320

scathing

16

00:01:47,190 --> 00:01:45,520

review

17

00:01:49,270 --> 00:01:47,200

um so to speak

18

00:01:53,109 --> 00:01:49,280

of

19

00:01:57,510 --> 00:01:55,429

and um

20

00:01:59,910 --> 00:01:57,520

pretty much being awol on this whole uap

21

00:02:01,510 --> 00:01:59,920

issue so i'm going to share that here in

22

00:02:03,270 --> 00:02:01,520

the comments for you if you want to get

23

00:02:05,190 --> 00:02:03,280

at that later

24

00:02:07,749 --> 00:02:05,200

please do

25

00:02:10,869 --> 00:02:07,759

um it's pretty good but you know here uh

26  
00:02:14,150 --> 00:02:10,879  
we kind of always touch on that more or

27  
00:02:17,750 --> 00:02:14,160  
less but um our

28  
00:02:20,229 --> 00:02:17,760  
workings kind of are

29  
00:02:22,710 --> 00:02:20,239  
from the past right

30  
00:02:25,430 --> 00:02:22,720  
because you know if you watch the show

31  
00:02:27,350 --> 00:02:25,440  
uh just as much as i do that that's been

32  
00:02:29,430 --> 00:02:27,360  
happening for quite a long time and we

33  
00:02:30,309 --> 00:02:29,440  
don't just make baseless accusations

34  
00:02:31,670 --> 00:02:30,319  
either

35  
00:02:34,949 --> 00:02:31,680  
we

36  
00:02:37,190 --> 00:02:34,959  
uh base this off of fact

37  
00:02:38,710 --> 00:02:37,200  
evidence

38  
00:02:40,550 --> 00:02:38,720

right

39

00:02:42,070 --> 00:02:40,560

so that's what we're going to go through

40

00:02:44,150 --> 00:02:42,080

today is some of that fact and some of

41

00:02:48,150 --> 00:02:44,160

that evidence

42

00:02:49,270 --> 00:02:48,160

um and it's some pretty good stuff so um

43

00:02:50,550 --> 00:02:49,280

the first thing we're going to go

44

00:02:54,869 --> 00:02:50,560

through is

45

00:03:02,149 --> 00:02:57,830

uh air intelligence uh division kind of

46

00:03:04,949 --> 00:03:03,910

i don't know it's like a newsletter i

47

00:03:06,630 --> 00:03:04,959

guess

48

00:03:10,630 --> 00:03:06,640

and it was written

49

00:03:12,869 --> 00:03:10,640

in mr rupelt in 1952 god bless him

50

00:03:15,270 --> 00:03:12,879

um

51

00:03:18,149 --> 00:03:15,280

put a little thing on there

52

00:03:20,949 --> 00:03:18,159

in parentheses he said the things i put

53

00:03:23,830 --> 00:03:20,959

these double parentheses on

54

00:03:25,990 --> 00:03:23,840

i would like you to omit

55

00:03:29,110 --> 00:03:26,000

and take off

56

00:03:30,630 --> 00:03:29,120

this air intelligence digest so that it

57

00:03:34,630 --> 00:03:30,640

can become

58

00:03:37,670 --> 00:03:34,640

unclassified and we can possibly use

59

00:03:39,509 --> 00:03:37,680

for a press briefing at some point in

60

00:03:42,309 --> 00:03:39,519

the future

61

00:03:48,630 --> 00:03:44,550

the document

62

00:03:52,229 --> 00:03:49,830

still there

63

00:03:56,309 --> 00:03:54,149

why don't we take a look at what's there

64

00:03:57,030 --> 00:03:56,319

and see what they thought would be best

65

00:04:00,149 --> 00:03:57,040

to

66

00:04:03,509 --> 00:04:00,159

hide from the public right because

67

00:04:05,110 --> 00:04:03,519

oftentimes we don't get to know that

68

00:04:06,710 --> 00:04:05,120

um in the things that are hidden like

69

00:04:09,429 --> 00:04:06,720

this stuff today

70

00:04:12,149 --> 00:04:09,439

we don't have that uh advantage of

71

00:04:15,509 --> 00:04:12,159

knowing uh what that is and although

72

00:04:17,909 --> 00:04:15,519

this is 1952 we do have that opportunity

73

00:04:20,469 --> 00:04:17,919

so we're going to take a look at it and

74

00:04:23,670 --> 00:04:20,479

see i don't know can we gain any insight

75

00:04:26,070 --> 00:04:23,680

from that possibly maybe maybe not but

76

00:04:29,350 --> 00:04:26,080

we'll take a look at it

77

00:04:33,430 --> 00:04:29,360

some reason my uh live audience is uh

78

00:04:35,749 --> 00:04:33,440

dwindling every time i do this

79

00:04:39,189 --> 00:04:35,759

so maybe i'm just getting really bad at

80

00:04:41,990 --> 00:04:39,199

doing this uh or you know

81

00:04:43,390 --> 00:04:42,000

uh maybe the the people that i've uh

82

00:04:45,030 --> 00:04:43,400

severed ties with um

83

00:04:46,950 --> 00:04:45,040

[Music]

84

00:04:49,189 --> 00:04:46,960

you know don't like me anymore or

85

00:04:52,150 --> 00:04:49,199

something i'm not sure but

86

00:04:54,950 --> 00:04:52,160

i appreciate that you guys are here

87

00:04:58,710 --> 00:04:54,960

you know no i don't have the same people

88

00:05:00,790 --> 00:04:58,720

on my show yes i do this stuff alone a

89

00:05:04,070 --> 00:05:00,800

lot by myself

90

00:05:06,390 --> 00:05:04,080

but i do try my best to bring

91

00:05:08,550 --> 00:05:06,400

my hard work to the table my own

92

00:05:10,230 --> 00:05:08,560

research

93

00:05:11,430 --> 00:05:10,240

and you know give you guys the

94

00:05:16,310 --> 00:05:11,440

opportunity

95

00:05:17,350 --> 00:05:16,320

um to enlighten yourselves if you do so

96

00:05:20,150 --> 00:05:17,360

feel

97

00:05:22,150 --> 00:05:20,160

obliged

98

00:05:23,510 --> 00:05:22,160

and that's why i do this

99

00:05:28,710 --> 00:05:23,520

so

100

00:05:30,870 --> 00:05:28,720

me right now i'm just skipping through

101  
00:05:35,110 --> 00:05:30,880  
um to show you kind of the premise of

102  
00:05:39,430 --> 00:05:37,430  
so we can get at it no that's probably

103  
00:05:41,110 --> 00:05:39,440  
too small here

104  
00:05:42,629 --> 00:05:41,120  
probably too small i mean i'm the right

105  
00:05:48,390 --> 00:05:42,639  
size

106  
00:05:52,790 --> 00:05:50,469  
um

107  
00:05:54,310 --> 00:05:52,800  
so let's try this

108  
00:05:57,110 --> 00:05:54,320  
i appreciate you guys you guys are the

109  
00:05:59,909 --> 00:05:57,120  
best i know you appreciate it and trust

110  
00:06:02,309 --> 00:05:59,919  
me like i've played like music concerts

111  
00:06:04,070 --> 00:06:02,319  
in my life where it's like

112  
00:06:05,670 --> 00:06:04,080  
bands playing the bands is what we'd

113  
00:06:07,909 --> 00:06:05,680

call it where

114

00:06:10,230 --> 00:06:07,919

you know there's maybe six people in the

115

00:06:11,830 --> 00:06:10,240

crowd and they're all the other bands

116

00:06:14,430 --> 00:06:11,840

that are playing so

117

00:06:17,270 --> 00:06:14,440

this is a huge step up from that

118

00:06:18,150 --> 00:06:17,280

[Laughter]

119

00:06:19,110 --> 00:06:18,160

so

120

00:06:20,790 --> 00:06:19,120

uh

121

00:06:22,150 --> 00:06:20,800

and i'm a great company graeme rendell

122

00:06:23,990 --> 00:06:22,160

what's up it's great to see you you've

123

00:06:26,469 --> 00:06:24,000

been looking at 52 cases yourself

124

00:06:27,430 --> 00:06:26,479

recently man well

125

00:06:29,110 --> 00:06:27,440

you know

126

00:06:31,510 --> 00:06:29,120

it's hard to pick what to look at at

127

00:06:33,590 --> 00:06:31,520

that point because

128

00:06:35,590 --> 00:06:33,600

um they're that's that was like one of

129

00:06:38,469 --> 00:06:35,600

the biggest years for sure there's so

130

00:06:43,909 --> 00:06:41,830

uh yeah good point so i i started this

131

00:06:47,029 --> 00:06:43,919

episode just a little bit

132

00:06:48,550 --> 00:06:47,039

um with that article

133

00:06:49,909 --> 00:06:48,560

just talking about it and that's kind of

134

00:06:52,790 --> 00:06:49,919

what spun

135

00:06:56,230 --> 00:06:52,800

uh my interest for the topic today

136

00:06:58,469 --> 00:06:56,240

um again i put the article here in the

137

00:07:00,230 --> 00:06:58,479

live chat for anyone who wants to check

138

00:07:01,990 --> 00:07:00,240

up on it yourself

139

00:07:04,230 --> 00:07:02,000

um

140

00:07:05,909 --> 00:07:04,240

you know it's a big deal

141

00:07:07,589 --> 00:07:05,919

it's definitely a big deal and those of

142

00:07:10,150 --> 00:07:07,599

you who watch this show know that the

143

00:07:12,309 --> 00:07:10,160

united states air force and

144

00:07:16,710 --> 00:07:12,319

i think in particular maybe a couple

145

00:07:18,629 --> 00:07:16,720

other branches are responsible for um

146

00:07:20,550 --> 00:07:18,639

not being very transparent with the

147

00:07:21,350 --> 00:07:20,560

public in some of the things that they

148

00:07:24,150 --> 00:07:21,360

find

149

00:07:25,830 --> 00:07:24,160

but we're going to focus um as we kind

150

00:07:28,150 --> 00:07:25,840

of do because most of those records are

151  
00:07:29,270 --> 00:07:28,160  
available to me um the united states air

152  
00:07:30,629 --> 00:07:29,280  
force

153  
00:07:32,550 --> 00:07:30,639  
so this one

154  
00:07:36,070 --> 00:07:32,560  
the title here draft of article for

155  
00:07:37,990 --> 00:07:36,080  
august air intelligence digest and so we

156  
00:07:40,309 --> 00:07:38,000  
have you see rupaul on the side there

157  
00:07:42,710 --> 00:07:40,319  
1952

158  
00:07:44,950 --> 00:07:42,720  
and here's the big the big kicker what

159  
00:07:46,629 --> 00:07:44,960  
kind of what kind of spun this one today

160  
00:07:48,550 --> 00:07:46,639  
so in double parentheses right

161  
00:07:50,469 --> 00:07:48,560  
underneath it is suggest that the items

162  
00:07:52,309 --> 00:07:50,479  
enclosed in double parentheses be

163  
00:07:54,629 --> 00:07:52,319

omitted from the article in order that

164

00:07:57,510 --> 00:07:54,639

it might be declassified from restricted

165

00:07:59,909 --> 00:07:57,520

to unclassified in this manner the

166

00:08:01,510 --> 00:07:59,919

article could be used as a press release

167

00:08:03,990 --> 00:08:01,520

if necessary

168

00:08:07,189 --> 00:08:04,000

so thankfully we have

169

00:08:08,710 --> 00:08:07,199

um everything in the double parentheses

170

00:08:11,029 --> 00:08:08,720

now i could go through and read this

171

00:08:13,110 --> 00:08:11,039

whole thing but it's 30 some pages and

172

00:08:16,230 --> 00:08:13,120

this isn't a book on tape right

173

00:08:18,230 --> 00:08:16,240

so i'm going to get to what's in the

174

00:08:20,070 --> 00:08:18,240

double parentheses here

175

00:08:21,909 --> 00:08:20,080

and we'll check it out first of all

176

00:08:23,270 --> 00:08:21,919

what's interesting is

177

00:08:26,710 --> 00:08:23,280

that they're called

178

00:08:29,029 --> 00:08:26,720

they call them uaos in this um an

179

00:08:30,710 --> 00:08:29,039

identified aerial object which is so

180

00:08:33,190 --> 00:08:30,720

interesting this touches on something i

181

00:08:35,589 --> 00:08:33,200

talk about sometimes which is all the

182

00:08:37,509 --> 00:08:35,599

different uh names

183

00:08:39,909 --> 00:08:37,519

that the air force and other people have

184

00:08:41,350 --> 00:08:39,919

given these things over the years which

185

00:08:43,190 --> 00:08:41,360

um you know there's different reasons

186

00:08:46,310 --> 00:08:43,200

for that one of which is to make it even

187

00:08:47,590 --> 00:08:46,320

more complicated to search for records

188

00:08:49,829 --> 00:08:47,600

uh for instance if you're going to make

189

00:08:50,990 --> 00:08:49,839

a foia you know you can't just make a

190

00:08:55,670 --> 00:08:51,000

foia for

191

00:08:58,470 --> 00:08:55,680

ufo you have to make one for ufo uap

192

00:08:59,990 --> 00:08:58,480

uao uso and then you have to spell them

193

00:09:01,030 --> 00:09:00,000

out individually

194

00:09:02,870 --> 00:09:01,040

so

195

00:09:07,269 --> 00:09:02,880

you know that's done on purpose another

196

00:09:09,430 --> 00:09:07,279

thing you can point to is the aoi msg

197

00:09:12,470 --> 00:09:09,440

very complicated name that people make

198

00:09:15,350 --> 00:09:13,910

uh purpose

199

00:09:16,470 --> 00:09:15,360

grant makes a good point it was very

200

00:09:21,829 --> 00:09:16,480

common

201  
00:09:25,110 --> 00:09:21,839  
name back then was unidentified aerial

202  
00:09:28,710 --> 00:09:25,120  
phenomenon believe it or not

203  
00:09:31,430 --> 00:09:28,720  
um but for as common as that is

204  
00:09:33,509 --> 00:09:31,440  
we don't see much of the

205  
00:09:37,350 --> 00:09:33,519  
well i don't think i've seen at all the

206  
00:09:38,470 --> 00:09:37,360  
actual acronym for those three words uap

207  
00:09:42,389 --> 00:09:38,480  
although

208  
00:09:42,399 --> 00:09:46,630  
so again i'm just skipping through these

209  
00:09:52,710 --> 00:09:49,430  
but this document is available

210  
00:09:54,070 --> 00:09:52,720  
to you on my website if you want it

211  
00:09:55,350 --> 00:09:54,080  
so if you want to read that in your own

212  
00:09:57,350 --> 00:09:55,360  
time

213  
00:10:00,550 --> 00:09:57,360

and

214

00:10:02,150 --> 00:10:00,560

for now i'm just scripting

215

00:10:04,069 --> 00:10:02,160

skipping to

216

00:10:12,389 --> 00:10:04,079

the

217

00:10:14,790 --> 00:10:12,399

and we won't have to do this all too

218

00:10:16,150 --> 00:10:14,800

much this is actually pretty good

219

00:10:17,829 --> 00:10:16,160

article because they do talk about

220

00:10:20,550 --> 00:10:17,839

airships and

221

00:10:22,550 --> 00:10:20,560

a lot of other different cases

222

00:10:24,470 --> 00:10:22,560

but then there's also the you know same

223

00:10:27,670 --> 00:10:24,480

condescending talk that we're also too

224

00:10:33,110 --> 00:10:29,829

as far as that goes

225

00:10:38,790 --> 00:10:37,030

we are getting there we're getting there

226

00:10:41,750 --> 00:10:38,800

just hang tight

227

00:10:44,870 --> 00:10:41,760

okay so this first one

228

00:10:46,550 --> 00:10:44,880

uh i guess we can start up here so

229

00:10:49,350 --> 00:10:46,560

it makes sense when we get there so it

230

00:10:51,829 --> 00:10:49,360

starts each uao that does not yield a

231

00:10:53,910 --> 00:10:51,839

tangible result is handled as a special

232

00:10:56,150 --> 00:10:53,920

case it requires a separate unique

233

00:11:00,069 --> 00:10:56,160

course of action the only sop is that

234

00:11:01,269 --> 00:11:00,079

the investigating officer must dig

235

00:11:02,550 --> 00:11:01,279

um

236

00:11:03,829 --> 00:11:02,560

i'm not sure that these are actually

237

00:11:05,750 --> 00:11:03,839

from the same pages because they're a

238

00:11:08,790 --> 00:11:05,760

little out of order so that might not

239

00:11:13,190 --> 00:11:11,190  
so the first thing we have is um

240

00:11:14,710 --> 00:11:13,200  
you know we can

241

00:11:17,030 --> 00:11:14,720  
suspect that they're talking about the

242

00:11:18,790 --> 00:11:17,040  
options of the ufos here because it says

243

00:11:21,269 --> 00:11:18,800  
friendly aircraft

244

00:11:23,750 --> 00:11:21,279  
comma and then it hears what would be

245

00:11:25,430 --> 00:11:23,760  
classified or since they are as yet

246

00:11:27,590 --> 00:11:25,440  
unidentified

247

00:11:31,430 --> 00:11:27,600  
global missiles or spaceships from

248

00:11:35,430 --> 00:11:33,910  
pretty interesting

249

00:11:36,949 --> 00:11:35,440  
so just keep in mind these are the

250

00:11:39,670 --> 00:11:36,959  
things that they didn't want to put in

251  
00:11:42,949 --> 00:11:39,680  
there spaceships

252  
00:11:46,790 --> 00:11:42,959  
global missiles

253  
00:11:50,069 --> 00:11:48,550  
then we're going to

254  
00:11:52,790 --> 00:11:50,079  
this is an interesting note here the

255  
00:11:54,550 --> 00:11:52,800  
question mark um on the side you guys

256  
00:11:55,509 --> 00:11:54,560  
can't see my cursor unfortunately that's

257  
00:11:55,910 --> 00:11:55,519  
too bad

258  
00:11:57,190 --> 00:11:55,920  
um

259  
00:11:59,910 --> 00:11:57,200  
[Music]

260  
00:12:01,829 --> 00:11:59,920  
but we're gonna skip past that so

261  
00:12:03,110 --> 00:12:01,839  
the next thing we have

262  
00:12:05,190 --> 00:12:03,120  
it is the

263  
00:12:07,030 --> 00:12:05,200

uh the impact of the atom bombs on the

264

00:12:08,470 --> 00:12:07,040

entire world is well known and it

265

00:12:11,030 --> 00:12:08,480

immediately posed a problem to any

266

00:12:13,430 --> 00:12:11,040

nation that held dreams of conquest

267

00:12:15,750 --> 00:12:13,440

it would seem natural for a nation with

268

00:12:17,829 --> 00:12:15,760

the apparent plans of the soviet union

269

00:12:19,750 --> 00:12:17,839

to use any means possible to negate

270

00:12:22,310 --> 00:12:19,760

leadership strength

271

00:12:24,710 --> 00:12:22,320

that possession of the bomb has given

272

00:12:26,790 --> 00:12:24,720

the u.s so this is

273

00:12:28,550 --> 00:12:26,800

kind of in regards to

274

00:12:29,350 --> 00:12:28,560

you know things that soviet may want to

275

00:12:33,269 --> 00:12:29,360

do

276

00:12:36,710 --> 00:12:33,279

our power place

277

00:12:38,790 --> 00:12:36,720

that's what this is in reference to

278

00:12:40,470 --> 00:12:38,800

and the possibility that maybe these

279

00:12:43,350 --> 00:12:40,480

things that they're seeing are

280

00:12:46,150 --> 00:12:43,360

soviet-related so that was

281

00:12:48,550 --> 00:12:46,160

is still a major option you know at that

282

00:12:51,269 --> 00:12:48,560

point um although

283

00:12:53,509 --> 00:12:51,279

it was definitely um kind of kicked out

284

00:12:56,710 --> 00:12:53,519

of the water

285

00:12:58,550 --> 00:12:56,720

a couple times by the air force

286

00:13:00,150 --> 00:12:58,560

first of all just didn't make sense to

287

00:13:02,870 --> 00:13:00,160

throw a one-way missile across the

288

00:13:08,790 --> 00:13:06,470

which is what it would have been

289

00:13:10,550 --> 00:13:08,800

so but this is pretty interesting maybe

290

00:13:12,629 --> 00:13:10,560

what they don't want people to know is

291

00:13:15,110 --> 00:13:12,639

the severity of the impact of the atom

292

00:13:16,949 --> 00:13:15,120

bomb on the entire world and how that

293

00:13:25,190 --> 00:13:16,959

makes them kind of a target for

294

00:13:29,590 --> 00:13:27,350

next thing it is possible to suppose

295

00:13:31,829 --> 00:13:29,600

that uao's unidentified aerial objects

296

00:13:33,670 --> 00:13:31,839

might be a soviet propaganda weapon

297

00:13:35,430 --> 00:13:33,680

in which case they could be either

298

00:13:36,949 --> 00:13:35,440

planet fakes a clever use of natural

299

00:13:39,189 --> 00:13:36,959

phenomena designed to great mass

300

00:13:40,389 --> 00:13:39,199

hysteria

301  
00:13:41,189 --> 00:13:40,399  
if

302  
00:13:44,470 --> 00:13:41,199  
this

303  
00:13:46,710 --> 00:13:44,480  
were to be true it has been

304  
00:13:48,710 --> 00:13:46,720  
it has been as miserable a failure as

305  
00:13:50,870 --> 00:13:48,720  
the balloons upon which the japanese

306  
00:13:52,550 --> 00:13:50,880  
place so much reliance on during world

307  
00:13:54,629 --> 00:13:52,560  
war ii

308  
00:13:58,310 --> 00:13:54,639  
and that's in reference to the fugo

309  
00:14:01,350 --> 00:13:59,750  
which were very interesting if you don't

310  
00:14:02,629 --> 00:14:01,360  
know about those you should look into

311  
00:14:05,110 --> 00:14:02,639  
those

312  
00:14:08,310 --> 00:14:05,120  
so this is another interesting thing

313  
00:14:10,629 --> 00:14:08,320

that they don't want people to see

314

00:14:12,470 --> 00:14:10,639

why don't they want people to see

315

00:14:14,790 --> 00:14:12,480

this

316

00:14:17,269 --> 00:14:14,800

could be a couple things i'm not sure at

317

00:14:18,710 --> 00:14:17,279

the time about the japanese balloons

318

00:14:21,110 --> 00:14:18,720

if that's something people knew about in

319

00:14:23,269 --> 00:14:21,120

1952 or not

320

00:14:25,030 --> 00:14:23,279

um

321

00:14:26,949 --> 00:14:25,040

what's interesting to me here is a

322

00:14:29,030 --> 00:14:26,959

clever use of the natural phenomenon

323

00:14:31,350 --> 00:14:29,040

designed at great mass hysteria because

324

00:14:33,110 --> 00:14:31,360

we know we go to the cia reports right

325

00:14:34,949 --> 00:14:33,120

and one of the first things that they

326

00:14:36,629 --> 00:14:34,959

look into

327

00:14:39,350 --> 00:14:36,639

you know as far as the report i think

328

00:14:43,990 --> 00:14:39,360

even going into the robertson panel

329

00:14:47,189 --> 00:14:44,000

was the ability to create and use

330

00:14:50,150 --> 00:14:47,199

the phenomenon they were looking at

331

00:14:56,870 --> 00:14:52,150

by way of psychological warfare is one

332

00:15:01,829 --> 00:14:59,750

so continuing down

333

00:15:03,350 --> 00:15:01,839

if uaos are being used for propaganda it

334

00:15:04,949 --> 00:15:03,360

would be reasonable to assume that the

335

00:15:06,629 --> 00:15:04,959

ussr

336

00:15:08,790 --> 00:15:06,639

would choose first

337

00:15:10,710 --> 00:15:08,800

to frighten pro-american nations in

338

00:15:12,629 --> 00:15:10,720

europe with the appearance of radically

339

00:15:13,990 --> 00:15:12,639

new weapon to compensate for the atom

340

00:15:15,590 --> 00:15:14,000

bomb

341

00:15:18,069 --> 00:15:15,600

to support this theory it would be

342

00:15:20,150 --> 00:15:18,079

remembered that strange objects appeared

343

00:15:21,829 --> 00:15:20,160

over the scandinavian countries in 46

344

00:15:23,990 --> 00:15:21,839

ghost rockets

345

00:15:26,949 --> 00:15:24,000

the objects observed there were reported

346

00:15:29,910 --> 00:15:26,959

to have unusual range and unusual

347

00:15:32,310 --> 00:15:29,920

performance characteristics

348

00:15:34,470 --> 00:15:32,320

um continues when these incidents

349

00:15:36,310 --> 00:15:34,480

subsided strange objects were reported

350

00:15:37,509 --> 00:15:36,320

to be flying over the us the hypotheses

351

00:15:39,509 --> 00:15:37,519

here is that the soviets could be

352

00:15:41,829 --> 00:15:39,519

attempting to frighten both the european

353

00:15:44,310 --> 00:15:41,839

nations and the us by a new device that

354

00:15:46,389 --> 00:15:44,320

they hope will be construed to mean that

355

00:15:48,230 --> 00:15:46,399

the soviets are far ahead of the rest of

356

00:15:50,629 --> 00:15:48,240

the world and technical know-how and

357

00:15:52,069 --> 00:15:50,639

there's something that kind of

358

00:15:56,870 --> 00:15:52,079

reminds me

359

00:15:56,880 --> 00:16:01,829

if anybody can think of it

360

00:16:09,189 --> 00:16:05,670

uh maybe the drones over sweden

361

00:16:15,030 --> 00:16:09,199

perhaps maybe the unidentified flying

362

00:16:19,030 --> 00:16:17,670

happening now

363

00:16:20,710 --> 00:16:19,040

you know i'm not saying that they were

364

00:16:21,670 --> 00:16:20,720

doing that then

365

00:16:23,590 --> 00:16:21,680

but

366

00:16:25,430 --> 00:16:23,600

if we were to say they were

367

00:16:27,509 --> 00:16:25,440

it's pretty similar to what's happening

368

00:16:29,269 --> 00:16:27,519

now

369

00:16:30,949 --> 00:16:29,279

the ussr would choose to frighten

370

00:16:33,110 --> 00:16:30,959

pro-american nations in europe with the

371

00:16:37,590 --> 00:16:33,120

appearance of a radically new weapon to

372

00:16:39,269 --> 00:16:37,600

compensate for the atom bomb

373

00:16:40,949 --> 00:16:39,279

and they would show european nations

374

00:16:42,150 --> 00:16:40,959

first

375

00:16:43,509 --> 00:16:42,160

because well

376

00:16:45,430 --> 00:16:43,519

they're closer

377

00:16:48,150 --> 00:16:45,440

and that would scare us

378

00:16:49,670 --> 00:16:48,160

psychological stuff

379

00:16:52,310 --> 00:16:49,680

so that's probably why that's in

380

00:16:56,389 --> 00:16:52,320

parentheses graham says they knew about

381

00:17:00,710 --> 00:16:58,550

very good

382

00:17:02,829 --> 00:17:00,720

so we'd probably have to reassess that

383

00:17:04,949 --> 00:17:02,839

and why that would be

384

00:17:06,789 --> 00:17:04,959

classified but again i would say

385

00:17:08,470 --> 00:17:06,799

probably implanted fakes or clever use

386

00:17:10,150 --> 00:17:08,480

of natural phenomenon to design mass

387

00:17:11,829 --> 00:17:10,160

hysteria they probably don't want to

388

00:17:16,549 --> 00:17:11,839

tell people that they could be thinking

389

00:17:21,029 --> 00:17:19,750

i would assume right

390

00:17:23,029 --> 00:17:21,039

because

391

00:17:24,069 --> 00:17:23,039

but i could be wrong there too i don't

392

00:17:26,710 --> 00:17:24,079

know

393

00:17:31,110 --> 00:17:26,720

but that's what i think of

394

00:17:35,029 --> 00:17:33,190

um this one's interesting because it

395

00:17:36,390 --> 00:17:35,039

involves the media

396

00:17:38,310 --> 00:17:36,400

um here we have to read the whole

397

00:17:40,470 --> 00:17:38,320

paragraph to kind of make sense of it

398

00:17:43,590 --> 00:17:40,480

the dramatic scope of the subject of

399

00:17:45,590 --> 00:17:43,600

unidentified aerial objects has piqued

400

00:17:48,150 --> 00:17:45,600

america's interest for years in this

401  
00:17:49,830 --> 00:17:48,160  
atomic age there is fascination in the

402  
00:17:53,190 --> 00:17:49,840  
weird and unknown since man's inventions

403  
00:17:55,590 --> 00:17:53,200  
themselves approach the incredible

404  
00:17:58,310 --> 00:17:55,600  
the public press has nurtured and

405  
00:18:01,590 --> 00:17:58,320  
sustained our interest in uaos and

406  
00:18:03,750 --> 00:18:01,600  
here's the part that uh was classified

407  
00:18:08,870 --> 00:18:03,760  
whenever it could find the slightest

408  
00:18:15,830 --> 00:18:10,710  
why would that be in there why would

409  
00:18:15,840 --> 00:18:20,150  
maybe it was incorrect

410  
00:18:23,669 --> 00:18:21,990  
maybe they didn't want to make an enemy

411  
00:18:27,830 --> 00:18:23,679  
with the media

412  
00:18:31,669 --> 00:18:29,350  
not sure on that one

413  
00:18:35,510 --> 00:18:31,679

that's a tough one

414

00:18:37,990 --> 00:18:36,470

this

415

00:18:40,470 --> 00:18:38,000

is very interesting

416

00:18:42,950 --> 00:18:40,480

so here they talk about mount rainier

417

00:18:44,950 --> 00:18:42,960

washington kenneth arnold

418

00:18:46,630 --> 00:18:44,960

as the first sighting

419

00:18:48,390 --> 00:18:46,640

reported right

420

00:18:49,750 --> 00:18:48,400

and um

421

00:18:51,350 --> 00:18:49,760

i'm not sure if i've said that on here

422

00:18:53,350 --> 00:18:51,360

before but at least on my twitter and

423

00:18:57,510 --> 00:18:53,360

other people have said it um i think

424

00:19:00,230 --> 00:18:57,520

even graham wrote a whole book about it

425

00:19:03,350 --> 00:19:00,240

speaking of graham is the ufos

426  
00:19:04,470 --> 00:19:03,360  
before that and it's interesting here

427  
00:19:06,710 --> 00:19:04,480  
and this is

428  
00:19:09,430 --> 00:19:06,720  
clear

429  
00:19:11,590 --> 00:19:09,440  
covering up of the truth by the united

430  
00:19:15,029 --> 00:19:11,600  
states air force because at the bottom

431  
00:19:20,150 --> 00:19:17,430  
um and we it starts with on june 24th

432  
00:19:22,390 --> 00:19:20,160  
1947 and we're going to skip down and it

433  
00:19:24,310 --> 00:19:22,400  
says because of the wide publicity this

434  
00:19:26,789 --> 00:19:24,320  
sighting received many persons consider

435  
00:19:29,110 --> 00:19:26,799  
this the first uao sighting and in

436  
00:19:33,590 --> 00:19:29,120  
parentheses

437  
00:19:38,470 --> 00:19:35,909  
and it is that's true

438  
00:19:41,270 --> 00:19:38,480

but they didn't want that in this digest

439

00:19:41,280 --> 00:19:44,390

why

440

00:19:49,430 --> 00:19:46,630

because maybe they want to leave it open

441

00:19:54,789 --> 00:19:49,440

for people to consider it to be

442

00:20:00,150 --> 00:19:57,590

when it in fact

443

00:20:01,669 --> 00:20:00,160

was not

444

00:20:03,750 --> 00:20:01,679

and i could bring up that document right

445

00:20:05,190 --> 00:20:03,760

now but there'd be a pain in the butt

446

00:20:06,549 --> 00:20:05,200

because

447

00:20:07,750 --> 00:20:06,559

i'd have to take this down and bring the

448

00:20:09,270 --> 00:20:07,760

other one up

449

00:20:11,029 --> 00:20:09,280

um

450

00:20:13,590 --> 00:20:11,039

but i do have something on my website

451  
00:20:14,870 --> 00:20:13,600  
called all sightings witnesscitizen.com

452  
00:20:17,590 --> 00:20:14,880  
you can click on that you can click on

453  
00:20:20,230 --> 00:20:17,600  
the year 1947.

454  
00:20:22,789 --> 00:20:20,240  
i have all the years to 69 you click on

455  
00:20:24,630 --> 00:20:22,799  
47

456  
00:20:27,190 --> 00:20:24,640  
go to the first page and there's a

457  
00:20:30,230 --> 00:20:27,200  
handful of them before that one

458  
00:20:31,200 --> 00:20:30,240  
and that's on our soil here

459  
00:20:32,470 --> 00:20:31,210  
you know like um

460  
00:20:36,710 --> 00:20:32,480  
[Music]

461  
00:20:40,789 --> 00:20:38,870  
foo fighters

462  
00:20:42,950 --> 00:20:40,799  
those rockets on all that that was

463  
00:20:47,270 --> 00:20:42,960

european stuff

464

00:20:50,549 --> 00:20:47,280

um

465

00:20:53,909 --> 00:20:50,559

but there is also reports

466

00:20:55,909 --> 00:20:53,919

of unidentified flying objects over

467

00:20:57,750 --> 00:20:55,919

the usa

468

00:20:59,909 --> 00:20:57,760

uh before kenneth arnold

469

00:21:02,070 --> 00:20:59,919

right near

470

00:21:04,630 --> 00:21:02,080

at least maybe six of them maybe even

471

00:21:06,470 --> 00:21:04,640

more if we have time we can look at

472

00:21:08,070 --> 00:21:06,480

those after this

473

00:21:11,430 --> 00:21:08,080

but somebody would probably have to

474

00:21:14,070 --> 00:21:12,390

so

475

00:21:16,310 --> 00:21:14,080

that's interesting they don't want

476  
00:21:19,029 --> 00:21:16,320  
people to know that this is another very

477  
00:21:20,549 --> 00:21:19,039  
interesting part so we'll have to find

478  
00:21:22,470 --> 00:21:20,559  
this picture

479  
00:21:24,470 --> 00:21:22,480  
i'm sure i have it

480  
00:21:26,710 --> 00:21:24,480  
possibly on my website for the under the

481  
00:21:27,990 --> 00:21:26,720  
blue book photos there's hundreds in

482  
00:21:30,470 --> 00:21:28,000  
there

483  
00:21:32,070 --> 00:21:30,480  
but if i recall correctly the one for

484  
00:21:33,830 --> 00:21:32,080  
this date

485  
00:21:36,149 --> 00:21:33,840  
doesn't look right

486  
00:21:38,070 --> 00:21:36,159  
either it's fake or the real one was

487  
00:21:39,909 --> 00:21:38,080  
taken out or something but this is

488  
00:21:41,750 --> 00:21:39,919

interesting one of the best pictures was

489

00:21:44,789 --> 00:21:41,760

taken in 1947

490

00:21:46,870 --> 00:21:44,799

on the 7th of july which is what is that

491

00:21:49,590 --> 00:21:46,880

the actual day of roswell or the day

492

00:21:51,590 --> 00:21:49,600

before roswell perhaps uh

493

00:21:54,390 --> 00:21:51,600

william rhodes of phoenix arizona saw

494

00:21:55,750 --> 00:21:54,400

dis circling his locality just at sunset

495

00:21:57,510 --> 00:21:55,760

and took two pictures these pictures

496

00:21:59,909 --> 00:21:57,520

showing it just like object with a round

497

00:22:01,669 --> 00:21:59,919

front and a square tail

498

00:22:03,510 --> 00:22:01,679

have been examined by experts who state

499

00:22:05,590 --> 00:22:03,520

that they are true photographic images

500

00:22:09,430 --> 00:22:05,600

and do not appear to be caused by dirty

501  
00:22:11,669 --> 00:22:09,440  
lenses or imperfections in the emulsion

502  
00:22:17,830 --> 00:22:11,679  
now why wouldn't they want that in the

503  
00:22:17,840 --> 00:22:21,909  
interesting huh so i guess

504  
00:22:26,310 --> 00:22:24,230  
probably because

505  
00:22:28,870 --> 00:22:26,320  
it says it's a good picture and give it

506  
00:22:30,789 --> 00:22:28,880  
gives it some validity of a

507  
00:22:34,870 --> 00:22:30,799  
photograph of an unidentified flying

508  
00:22:38,950 --> 00:22:36,630  
i would i would have to imagine that's

509  
00:22:44,549 --> 00:22:38,960  
the reason

510  
00:22:49,830 --> 00:22:46,470  
and it does go on to talk about other

511  
00:22:52,950 --> 00:22:49,840  
very interesting stuff um

512  
00:22:54,549 --> 00:22:52,960  
by the way graeme randell um and dave

513  
00:22:57,190 --> 00:22:54,559

shadows magazine

514

00:22:59,669 --> 00:22:57,200

put out a killer podcast on anomalous

515

00:23:00,870 --> 00:22:59,679

pod remember we had andy on here not too

516

00:23:02,390 --> 00:23:00,880

long ago

517

00:23:04,630 --> 00:23:02,400

uh who's putting that together one of

518

00:23:06,390 --> 00:23:04,640

the podcasts is is graham and dave and

519

00:23:08,470 --> 00:23:06,400

they do historic

520

00:23:10,630 --> 00:23:08,480

sightings they put out their first one

521

00:23:12,870 --> 00:23:10,640

and mantel uh was actually the first

522

00:23:14,230 --> 00:23:12,880

case of that first one

523

00:23:16,310 --> 00:23:14,240

um

524

00:23:18,710 --> 00:23:16,320

and they they did a great job i really

525

00:23:22,149 --> 00:23:18,720

love it so the reason i'm mentioning

526

00:23:26,710 --> 00:23:22,159

that here is because

527

00:23:29,669 --> 00:23:28,230

i don't know why this is crossed out

528

00:23:31,510 --> 00:23:29,679

here while i just presume that this

529

00:23:33,430 --> 00:23:31,520

pilot suffered

530

00:23:35,590 --> 00:23:33,440

resulting in a crash so i mean he ran

531

00:23:36,630 --> 00:23:35,600

out of oxygen i mean i'm pretty sure

532

00:23:41,909 --> 00:23:36,640

that's

533

00:23:46,149 --> 00:23:43,830

which seems like it would uh probably be

534

00:23:47,350 --> 00:23:46,159

true because i think we decided about 12

535

00:23:48,789 --> 00:23:47,360

000

536

00:23:51,029 --> 00:23:48,799

feet high

537

00:23:52,789 --> 00:23:51,039

you should be wearing an air mask and mr

538

00:23:55,750 --> 00:23:52,799

mantel didn't have one equipped when he

539

00:23:57,350 --> 00:23:55,760

was coming from georgia

540

00:23:58,950 --> 00:23:57,360

yeah that's more than

541

00:24:01,190 --> 00:23:58,960

it's more than double

542

00:24:04,549 --> 00:24:01,200

uh what they recommend or at least by

543

00:24:07,110 --> 00:24:04,559

that one document that we saw so that's

544

00:24:09,669 --> 00:24:07,120

pretty interesting

545

00:24:11,590 --> 00:24:09,679

and i don't think he got up to 30 000

546

00:24:14,710 --> 00:24:11,600

feet as far as i know either yeah that

547

00:24:16,549 --> 00:24:14,720

was like 22 500 perhaps i don't know it

548

00:24:19,830 --> 00:24:16,559

all seems kind of

549

00:24:24,470 --> 00:24:19,840

sketchy i guess as far as the reports

550

00:24:28,870 --> 00:24:26,710

um so we're just going down to find more

551  
00:24:30,230 --> 00:24:28,880  
double parentheses stuff they want to

552  
00:24:33,350 --> 00:24:30,240  
classify

553  
00:24:34,870 --> 00:24:33,360  
um more pictures

554  
00:24:37,110 --> 00:24:34,880  
lubeck morning avalanche printed

555  
00:24:38,710 --> 00:24:37,120  
pictures of flying at what is it so

556  
00:24:40,950 --> 00:24:38,720  
these pictures were

557  
00:24:42,789 --> 00:24:40,960  
taken by carl hart jr an amateur

558  
00:24:45,110 --> 00:24:42,799  
photographer and freshman at texas tech

559  
00:24:48,149 --> 00:24:45,120  
the negatives have been examined by

560  
00:24:49,909 --> 00:24:48,159  
experts the photo laboratory at right

561  
00:24:56,630 --> 00:24:49,919  
ear development center and cannot be

562  
00:24:56,640 --> 00:25:03,350  
so they don't want that out there either

563  
00:25:07,029 --> 00:25:05,029

so what do we have we have a couple

564

00:25:08,870 --> 00:25:07,039

things that they don't want out in the

565

00:25:10,630 --> 00:25:08,880

digest the united states air force that

566

00:25:11,669 --> 00:25:10,640

is

567

00:25:13,990 --> 00:25:11,679

um

568

00:25:15,029 --> 00:25:14,000

they're basically saying

569

00:25:16,789 --> 00:25:15,039

one thing

570

00:25:19,190 --> 00:25:16,799

best picture out there

571

00:25:20,870 --> 00:25:19,200

of a ufo

572

00:25:22,470 --> 00:25:20,880

um legitimate people looked at it and

573

00:25:23,990 --> 00:25:22,480

said yeah there's nothing wrong with

574

00:25:26,789 --> 00:25:24,000

this photo

575

00:25:29,350 --> 00:25:26,799

and then another one from lubac and

576  
00:25:33,190 --> 00:25:29,360  
everybody knows that one well

577  
00:25:35,350 --> 00:25:33,200  
not everybody i guess but lubac texas

578  
00:25:38,149 --> 00:25:35,360  
it's a great case

579  
00:25:40,310 --> 00:25:38,159  
uh there is a lot of objects in a flying

580  
00:25:42,310 --> 00:25:40,320  
v

581  
00:25:43,110 --> 00:25:42,320  
that they saw astronomers actually saw

582  
00:25:45,350 --> 00:25:43,120  
these

583  
00:25:47,590 --> 00:25:45,360  
and they tried to debunk it as birds

584  
00:25:48,630 --> 00:25:47,600  
kind of a mick west type of debunking

585  
00:25:51,269 --> 00:25:48,640  
action

586  
00:25:54,470 --> 00:25:51,279  
um the thing is they actually attempted

587  
00:25:56,470 --> 00:25:54,480  
to recreate the scene when a flock of

588  
00:26:00,070 --> 00:25:56,480

birds flew by and a flying bee took a

589

00:26:07,029 --> 00:26:01,350

didn't work

590

00:26:11,830 --> 00:26:08,830

it wasn't the same

591

00:26:13,110 --> 00:26:11,840

so these are you know a mess when you

592

00:26:14,549 --> 00:26:13,120

find them so now i'm going to scroll

593

00:26:18,310 --> 00:26:14,559

back up

594

00:26:20,390 --> 00:26:18,320

so we keep this in chronological order

595

00:26:21,909 --> 00:26:20,400

to finish this off

596

00:26:23,430 --> 00:26:21,919

so you can see here actually it is

597

00:26:25,430 --> 00:26:23,440

probably important to see this is the

598

00:26:27,830 --> 00:26:25,440

folder that the papers are in august

599

00:26:33,350 --> 00:26:27,840

1952

600

00:26:38,470 --> 00:26:35,510

um

601  
00:26:44,470 --> 00:26:38,480  
so yeah we have nothing here and we get

602  
00:26:51,110 --> 00:26:45,750  
is

603  
00:26:56,789 --> 00:26:54,630  
mr dr lapaz

604  
00:26:58,630 --> 00:26:56,799  
so i'll just read this main paragraph

605  
00:27:01,029 --> 00:26:58,640  
going into it the professors claim 12

606  
00:27:02,710 --> 00:27:01,039  
official sightings uh this is their own

607  
00:27:04,230 --> 00:27:02,720  
term as they would not recognize any

608  
00:27:06,870 --> 00:27:04,240  
signing that was not witnessed by at

609  
00:27:09,590 --> 00:27:06,880  
least two of their group this is true

610  
00:27:11,990 --> 00:27:09,600  
actually later on in paperwork you can

611  
00:27:13,430 --> 00:27:12,000  
find that

612  
00:27:15,190 --> 00:27:13,440  
they automatic they started to

613  
00:27:18,230 --> 00:27:15,200

automatically discount any reported

614

00:27:19,990 --> 00:27:18,240

sighting that only had one witness

615

00:27:21,830 --> 00:27:20,000

they do not completely accept the

616

00:27:22,549 --> 00:27:21,840

photographs taken by carl hart and state

617

00:27:25,190 --> 00:27:22,559

that

618

00:27:27,029 --> 00:27:25,200

they had felt it impossible so we're

619

00:27:28,710 --> 00:27:27,039

still talking about the

620

00:27:29,990 --> 00:27:28,720

blue box lights they would have made

621

00:27:31,830 --> 00:27:30,000

every effort to take photographs

622

00:27:33,909 --> 00:27:31,840

themselves but that the objects moved

623

00:27:35,590 --> 00:27:33,919

too fast they have also taken into

624

00:27:37,269 --> 00:27:35,600

consideration the aerial activity that

625

00:27:40,070 --> 00:27:37,279

was taken place in the southwest united

626  
00:27:43,029 --> 00:27:40,080  
states at that time the much publicized

627  
00:27:45,350 --> 00:27:43,039  
uh green fireballs they attempted to tie

628  
00:27:47,190 --> 00:27:45,360  
up the two but the final association

629  
00:27:49,190 --> 00:27:47,200  
between the fireballs and flying objects

630  
00:27:50,630 --> 00:27:49,200  
that they had seen

631  
00:27:51,909 --> 00:27:50,640  
now this is interesting why would they

632  
00:27:54,549 --> 00:27:51,919  
put that in there

633  
00:27:56,710 --> 00:27:54,559  
how green are the fireballs

634  
00:27:58,230 --> 00:27:56,720  
why can't you put a question

635  
00:27:59,909 --> 00:27:58,240  
i just i don't know

636  
00:28:01,909 --> 00:27:59,919  
we'll keep going the reported green

637  
00:28:03,510 --> 00:28:01,919  
fireballs that flashed across the skies

638  
00:28:05,029 --> 00:28:03,520

of southwest united states in great

639

00:28:08,310 --> 00:28:05,039

numbers

640

00:28:10,230 --> 00:28:08,320

during 1948 49 and 50 are still a matter

641

00:28:13,029 --> 00:28:10,240

of great conjecture well we can't tell

642

00:28:16,230 --> 00:28:14,549

they were thought by some scientists to

643

00:28:18,389 --> 00:28:16,240

be meteors

644

00:28:20,389 --> 00:28:18,399

dr j kaplan of the scientific advisory

645

00:28:22,789 --> 00:28:20,399

board is one such scientist but he

646

00:28:24,789 --> 00:28:22,799

qualified his belief

647

00:28:27,510 --> 00:28:24,799

the daytime fireball incidents are

648

00:28:32,870 --> 00:28:27,520

completely baffling no meteor would

649

00:28:37,190 --> 00:28:35,350

the daytime incident of 27 march 49

650

00:28:38,710 --> 00:28:37,200

lasted more than half an hour this

651  
00:28:41,029 --> 00:28:38,720  
duration is much longer than any

652  
00:28:43,350 --> 00:28:41,039  
recorded genuine meteorite instant

653  
00:28:46,070 --> 00:28:43,360  
characteristics of the nocturnal green

654  
00:28:48,710 --> 00:28:46,080  
fireballs of relatively the same height

655  
00:28:50,870 --> 00:28:48,720  
and having no sound are ones

656  
00:28:53,590 --> 00:28:50,880  
which are difficult to observe without

657  
00:28:57,110 --> 00:28:53,600  
very careful instrumentation as to their

658  
00:29:01,909 --> 00:28:59,669  
so

659  
00:29:04,870 --> 00:29:01,919  
uh this is very

660  
00:29:08,310 --> 00:29:06,789  
and we're going to keep going dr lincoln

661  
00:29:09,990 --> 00:29:08,320  
le paz director of the institute of the

662  
00:29:11,669 --> 00:29:10,000  
meteorites university of new mexico

663  
00:29:13,990 --> 00:29:11,679

albuquerque made a copper

664

00:29:17,510 --> 00:29:14,000

comprehensive study of the fireballs and

665

00:29:19,110 --> 00:29:17,520

felt that they were not meteors

666

00:29:21,269 --> 00:29:19,120

but he also you know it's interesting

667

00:29:23,190 --> 00:29:21,279

because dr lapaz he wasn't saying there

668

00:29:24,789 --> 00:29:23,200

are spaceships either he just

669

00:29:27,029 --> 00:29:24,799

didn't think they were meteors he

670

00:29:30,230 --> 00:29:27,039

thought they were actually a secret

671

00:29:33,990 --> 00:29:32,630

and it gets into this is one of the big

672

00:29:35,510 --> 00:29:34,000

reasons he thought that most of the

673

00:29:36,470 --> 00:29:35,520

reports of green fireball state that

674

00:29:39,190 --> 00:29:36,480

they

675

00:29:41,350 --> 00:29:39,200

appeared to move in horizontal paths

676  
00:29:44,470 --> 00:29:41,360  
throughout its entire extent to the

677  
00:29:46,470 --> 00:29:44,480  
plane of the horizon

678  
00:29:49,029 --> 00:29:46,480  
such persist horizontally stands in the

679  
00:29:51,669 --> 00:29:49,039  
sharpest contrast to downwardly concave

680  
00:29:53,669 --> 00:29:51,679  
bass transverse by genuine meteorites

681  
00:29:56,070 --> 00:29:53,679  
when these penetrate deeply into the

682  
00:30:04,549 --> 00:29:56,080  
atmosphere of the earth

683  
00:30:04,559 --> 00:30:07,350  
very interesting

684  
00:30:14,389 --> 00:30:09,430  
you guys are still on uh mantel over

685  
00:30:19,190 --> 00:30:16,950  
that's funny

686  
00:30:22,789 --> 00:30:19,200  
still on my tail

687  
00:30:25,590 --> 00:30:22,799  
that's a good case that's a good case

688  
00:30:31,029 --> 00:30:28,389

mantel case is very good it it's

689

00:30:33,110 --> 00:30:31,039

interesting to that uh mantel case

690

00:30:35,990 --> 00:30:33,120

because documents that i found i found

691

00:30:38,710 --> 00:30:36,000

some in a batch of a case from germany

692

00:30:42,950 --> 00:30:38,720

some in a batch from ohio and then some

693

00:30:49,190 --> 00:30:46,389

interesting though that the ones in ohio

694

00:30:50,789 --> 00:30:49,200

are in there because

695

00:30:53,029 --> 00:30:50,799

um something was picked up and seen and

696

00:30:56,310 --> 00:30:53,039

then chased again by fighter jets

697

00:30:58,389 --> 00:30:56,320

four hours after the mental case

698

00:31:01,669 --> 00:30:58,399

in ohio

699

00:31:03,350 --> 00:31:01,679

pretty interesting so sorry about that

700

00:31:06,470 --> 00:31:03,360

going off course there but i that's

701

00:31:09,110 --> 00:31:06,480

pretty interesting stuff definitely

702

00:31:11,750 --> 00:31:09,120

interesting case

703

00:31:13,110 --> 00:31:11,760

um so we're going to keep going here uh

704

00:31:15,029 --> 00:31:13,120

in the case of the genuine meteor it

705

00:31:16,710 --> 00:31:15,039

falls with luminous pass terminating

706

00:31:18,710 --> 00:31:16,720

even at heights considerably greater

707

00:31:20,630 --> 00:31:18,720

than those at which the real pass of the

708

00:31:22,310 --> 00:31:20,640

green fireballs are situated the

709

00:31:24,549 --> 00:31:22,320

observed luminous phenomena are always

710

00:31:25,669 --> 00:31:24,559

accompanied by extraordinarily violent

711

00:31:30,470 --> 00:31:25,679

noises

712

00:31:33,029 --> 00:31:30,480

observed in connection with any one of

713

00:31:37,350 --> 00:31:33,039

the horizontally moving green fireballs

714

00:31:41,830 --> 00:31:38,950

that's weird

715

00:31:45,830 --> 00:31:43,669

the anomalous greenish luminous

716

00:31:47,990 --> 00:31:45,840

phenomena show curious association with

717

00:31:49,830 --> 00:31:48,000

well-known meteor showers although none

718

00:31:52,789 --> 00:31:49,840

of these annual meteor showers normally

719

00:31:54,710 --> 00:31:52,799

produce extremely bright green fireballs

720

00:31:56,549 --> 00:31:54,720

the relationship cited might indicate an

721

00:31:58,389 --> 00:31:56,559

attempt to render the green fireballs

722

00:32:00,149 --> 00:31:58,399

less conspicuous by causing them to

723

00:32:02,549 --> 00:32:00,159

appear only when there is a background

724

00:32:04,149 --> 00:32:02,559

of considerable natural meteoric

725

00:32:06,710 --> 00:32:04,159

activity

726

00:32:09,350 --> 00:32:06,720

so i mean basically

727

00:32:11,909 --> 00:32:09,360

we know right away too much information

728

00:32:17,029 --> 00:32:11,919

that's why that's in parentheses you

729

00:32:20,070 --> 00:32:18,789

because it's point it's painting a

730

00:32:21,669 --> 00:32:20,080

mystery

731

00:32:23,269 --> 00:32:21,679

you know

732

00:32:25,029 --> 00:32:23,279

and the air force obviously doesn't want

733

00:32:26,630 --> 00:32:25,039

there to be a mystery but literally they

734

00:32:28,549 --> 00:32:26,640

know after the course of all this time

735

00:32:30,870 --> 00:32:28,559

no matter what they do and however they

736

00:32:35,669 --> 00:32:30,880

treat this stuff there continues to be a

737

00:32:40,870 --> 00:32:39,269

even by their publication education

738

00:32:42,789 --> 00:32:40,880

you know

739

00:32:48,470 --> 00:32:42,799

program that they started with the

740

00:32:52,310 --> 00:32:49,909

but people think that didn't last too

741

00:32:55,350 --> 00:32:52,320

long but

742

00:32:57,190 --> 00:32:55,360

they then talk about a bit in 1959 a few

743

00:32:59,029 --> 00:32:57,200

years later we have the condon report

744

00:33:01,669 --> 00:32:59,039

which i think was a big push on that

745

00:33:05,269 --> 00:33:01,679

public education campaign to put

746

00:33:09,430 --> 00:33:07,509

and you can see

747

00:33:11,669 --> 00:33:09,440

that this is you know been happening for

748

00:33:13,190 --> 00:33:11,679

a long time and it started here

749

00:33:14,310 --> 00:33:13,200

well before this

750

00:33:15,990 --> 00:33:14,320

so

751  
00:33:17,350 --> 00:33:16,000  
that could be

752  
00:33:23,590 --> 00:33:17,360  
it

753  
00:33:23,600 --> 00:33:29,590  
um classified information so

754  
00:33:35,190 --> 00:33:32,310  
i'm just going to double check make sure

755  
00:33:36,710 --> 00:33:35,200  
and yeah i think that's it so again

756  
00:33:39,110 --> 00:33:36,720  
good timing

757  
00:33:42,789 --> 00:33:39,120  
we'll stop where we started

758  
00:33:46,310 --> 00:33:42,799  
um this is a draft of article for august

759  
00:33:49,990 --> 00:33:46,320  
ear intelligence digest

760  
00:33:51,590 --> 00:33:50,000  
rupell 1952 it suggests that these items

761  
00:33:53,190 --> 00:33:51,600  
the ones we went over

762  
00:33:54,870 --> 00:33:53,200  
enclosed in double parentheses be

763  
00:33:57,350 --> 00:33:54,880

omitted from the article in order that

764

00:33:59,590 --> 00:33:57,360

it might be declassified from restricted

765

00:34:01,669 --> 00:33:59,600

to unclassified

766

00:34:04,149 --> 00:34:01,679

in this manner the article could be used

767

00:34:05,830 --> 00:34:04,159

as a press release if necessary so

768

00:34:10,790 --> 00:34:05,840

they're thinking all the things that we

769

00:34:10,800 --> 00:34:14,790

so it could be used as a press release

770

00:34:18,950 --> 00:34:17,990

they want to use a press release

771

00:34:22,470 --> 00:34:18,960

with

772

00:34:22,480 --> 00:34:26,230

information that

773

00:34:26,240 --> 00:34:34,069

talks about legit ufo photographs

774

00:34:37,510 --> 00:34:36,069

so yeah

775

00:34:40,869 --> 00:34:37,520

put that together with mr mellon's

776

00:34:50,869 --> 00:34:46,550

not good

777

00:34:55,109 --> 00:34:53,109

yes and you know nigel that's a great

778

00:34:55,909 --> 00:34:55,119

point like

779

00:34:57,030 --> 00:34:55,919

and

780

00:34:59,670 --> 00:34:57,040

you know

781

00:35:01,109 --> 00:34:59,680

the best part about this point nigel is

782

00:35:02,790 --> 00:35:01,119

you know throughout the course of

783

00:35:05,510 --> 00:35:02,800

history with the united states air force

784

00:35:07,349 --> 00:35:05,520

this very point was mentioned

785

00:35:09,270 --> 00:35:07,359

in documents

786

00:35:11,030 --> 00:35:09,280

like if you act this way or if we do

787

00:35:11,990 --> 00:35:11,040

this or if we do that the public are

788

00:35:14,950 --> 00:35:12,000

just going to

789

00:35:16,550 --> 00:35:14,960

accuse us of withholding information

790

00:35:19,270 --> 00:35:16,560

you know so they're aware of it but they

791

00:35:20,710 --> 00:35:19,280

do it anyways

792

00:35:24,630 --> 00:35:20,720

they're aware of

793

00:35:24,640 --> 00:35:30,950

but they do this stuff anyways

794

00:35:36,390 --> 00:35:33,109

or at least they were

795

00:35:45,829 --> 00:35:38,310

at least they were i say this all the

796

00:35:48,790 --> 00:35:46,630

so

797

00:35:49,670 --> 00:35:48,800

there is

798

00:35:50,950 --> 00:35:49,680

one

799

00:35:53,829 --> 00:35:50,960

other

800

00:35:57,349 --> 00:35:55,910

that i think is pretty pertinent

801  
00:35:59,910 --> 00:35:57,359  
considering

802  
00:36:02,390 --> 00:35:59,920  
and it's separate from

803  
00:36:03,990 --> 00:36:02,400  
what we were just going through

804  
00:36:05,190 --> 00:36:04,000  
and it's kind of hard to read i

805  
00:36:07,750 --> 00:36:05,200  
apologize

806  
00:36:12,870 --> 00:36:07,760  
so i'm gonna read it if you can't read

807  
00:36:19,349 --> 00:36:17,190  
i understand that it won't be easy

808  
00:36:21,589 --> 00:36:19,359  
but here we have

809  
00:36:23,829 --> 00:36:21,599  
um the the topic is basically uh

810  
00:36:26,390 --> 00:36:23,839  
congressional hearings

811  
00:36:27,270 --> 00:36:26,400  
ufo hearings about the united states air

812  
00:36:29,349 --> 00:36:27,280  
force

813  
00:36:31,030 --> 00:36:29,359

and what they're doing

814

00:36:34,390 --> 00:36:31,040

with the ufo subject

815

00:36:36,710 --> 00:36:34,400

and we have july 10 1963.

816

00:36:38,710 --> 00:36:36,720

so attached is a proposed reply to

817

00:36:41,109 --> 00:36:38,720

congressman carl vinson's request for

818

00:36:43,670 --> 00:36:41,119

information on the us air force

819

00:36:45,510 --> 00:36:43,680

ufo program this action is in response

820

00:36:48,390 --> 00:36:45,520

to your letter to me on the ufo subject

821

00:36:52,069 --> 00:36:48,400

dated 10th of july 1963 so that's maybe

822

00:36:53,829 --> 00:36:52,079

not when this was written but you get it

823

00:36:56,230 --> 00:36:53,839

strenuous efforts by major kehoe

824

00:36:58,069 --> 00:36:56,240

self-styled at ufo investigated others

825

00:37:00,790 --> 00:36:58,079

like him to discredit the air force

826  
00:37:03,430 --> 00:37:00,800  
handling of the ufo program it resulted

827  
00:37:06,710 --> 00:37:03,440  
in two congressional briefings and

828  
00:37:09,109 --> 00:37:06,720  
numerous uh queries for information

829  
00:37:11,349 --> 00:37:09,119  
um from the

830  
00:37:13,670 --> 00:37:11,359  
members of congress um the first

831  
00:37:15,589 --> 00:37:13,680  
briefing was in the summer of 1958 and

832  
00:37:17,829 --> 00:37:15,599  
the second took place during the week of

833  
00:37:19,910 --> 00:37:17,839  
10th of july 1960.

834  
00:37:21,349 --> 00:37:19,920  
uh the latter briefing was given to

835  
00:37:23,910 --> 00:37:21,359  
members of

836  
00:37:26,550 --> 00:37:23,920  
the senate preparedness subcommittee the

837  
00:37:28,310 --> 00:37:26,560  
house armed services subcommittee the

838  
00:37:30,710 --> 00:37:28,320

house space and astronautics

839

00:37:31,910 --> 00:37:30,720

subcommittee cia

840

00:37:34,550 --> 00:37:31,920

interesting

841

00:37:38,870 --> 00:37:34,560

and representatives from the office of

842

00:37:42,710 --> 00:37:40,470

a later effort of major kiosks to

843

00:37:44,630 --> 00:37:42,720

instigate a hearing on ufos by house

844

00:37:47,030 --> 00:37:44,640

space and aeronautic committee during

845

00:37:49,589 --> 00:37:47,040

the summer of 1962

846

00:37:51,270 --> 00:37:49,599

was unsuccessful congressman joseph

847

00:37:54,470 --> 00:37:51,280

karth of this committee

848

00:37:59,349 --> 00:37:57,270

joseph carth of this committee sent mr

849

00:38:01,430 --> 00:37:59,359

richard heinz a staff consultant to

850

00:38:03,030 --> 00:38:01,440

foreign technology division

851  
00:38:04,710 --> 00:38:03,040  
to collect background information

852  
00:38:06,230 --> 00:38:04,720  
regarding the air force's handling of

853  
00:38:09,030 --> 00:38:06,240  
the program

854  
00:38:11,510 --> 00:38:09,040  
for mr heinz report

855  
00:38:14,470 --> 00:38:11,520  
mr karth determined that the air force's

856  
00:38:17,030 --> 00:38:14,480  
approach to the program was proper

857  
00:38:20,950 --> 00:38:17,040  
and that major key host charges

858  
00:38:23,109 --> 00:38:20,960  
of mishandling were without grounds

859  
00:38:25,030 --> 00:38:23,119  
now we just went over

860  
00:38:27,349 --> 00:38:25,040  
why that's incorrect

861  
00:38:29,430 --> 00:38:27,359  
that it was mishandled that things were

862  
00:38:32,230 --> 00:38:29,440  
kept from the public that they could

863  
00:38:33,750 --> 00:38:32,240

have known about

864

00:38:36,150 --> 00:38:33,760

that just pointed to a mystery that the

865

00:38:37,510 --> 00:38:36,160

united states air force didn't know of

866

00:38:38,390 --> 00:38:37,520

and they didn't want the public to know

867

00:38:46,630 --> 00:38:38,400

that

868

00:38:47,910 --> 00:38:46,640

and you're withholding information

869

00:38:50,550 --> 00:38:47,920

because you think we're a bunch of

870

00:38:52,230 --> 00:38:50,560

babies and can't handle it

871

00:38:55,430 --> 00:38:52,240

you know

872

00:39:00,630 --> 00:38:57,829

so 1963 here we're trying to get some

873

00:39:02,870 --> 00:39:00,640

congressional hearings donald kehoe aka

874

00:39:04,550 --> 00:39:02,880

lou elizondo back then

875

00:39:07,190 --> 00:39:04,560

i'm trying to get congress to do some

876

00:39:10,470 --> 00:39:08,470

um

877

00:39:12,230 --> 00:39:10,480

they send one person

878

00:39:16,550 --> 00:39:12,240

to foreign technology division at wright

879

00:39:18,390 --> 00:39:16,560

patterson air force base on their behalf

880

00:39:20,550 --> 00:39:18,400

and the guy comes back

881

00:39:23,510 --> 00:39:20,560

and says no kid no they're doing a good

882

00:39:26,790 --> 00:39:25,190

really

883

00:39:28,550 --> 00:39:26,800

so they're taking them at face value in

884

00:39:31,190 --> 00:39:28,560

the air force is taking advantage of

885

00:39:31,200 --> 00:39:35,670

basically

886

00:39:39,349 --> 00:39:37,270

uh just finishes here since it's

887

00:39:40,950 --> 00:39:39,359

apparent from mr spice letter that major

888

00:39:42,790 --> 00:39:40,960

keo and others are attempting to force

889

00:39:45,430 --> 00:39:42,800

further congressional hearings on the

890

00:39:47,109 --> 00:39:45,440

ufo program it is my opinion that this

891

00:39:48,790 --> 00:39:47,119

rather long letter to mr vincent is

892

00:39:50,790 --> 00:39:48,800

justified so

893

00:39:54,470 --> 00:39:50,800

what goes along with this is a long

894

00:40:00,470 --> 00:39:56,470

which isn't

895

00:40:05,910 --> 00:40:02,630

because guess what it's just more bull

896

00:40:07,430 --> 00:40:05,920

crap um but what's

897

00:40:12,550 --> 00:40:07,440

you know and i have

898

00:40:15,910 --> 00:40:14,069

oh come on you didn't know that hell

899

00:40:21,270 --> 00:40:15,920

yeah man

900

00:40:27,190 --> 00:40:23,510

um they had a couple of hearings

901  
00:40:29,589 --> 00:40:27,200  
around then about andreas

902  
00:40:34,069 --> 00:40:31,510  
this one in particular they just

903  
00:40:36,309 --> 00:40:34,079  
diverted and you see

904  
00:40:39,430 --> 00:40:36,319  
in the language from other

905  
00:40:42,870 --> 00:40:39,440  
paperwork here on congressional hearings

906  
00:40:45,829 --> 00:40:42,880  
that uh the air force

907  
00:40:48,230 --> 00:40:45,839  
um one of their

908  
00:40:53,829 --> 00:40:48,240  
say one of their

909  
00:40:53,839 --> 00:40:57,510  
from congress

910  
00:40:57,520 --> 00:41:00,390  
well why

911  
00:41:04,829 --> 00:41:02,550  
you know

912  
00:41:07,990 --> 00:41:04,839  
why why would they want to do

913  
00:41:10,870 --> 00:41:08,000

that so i'm trying to find this here

914

00:41:13,109 --> 00:41:10,880

yeah this one includes chairman overton

915

00:41:15,990 --> 00:41:13,119

brooks he suggested hearing plans on

916

00:41:20,230 --> 00:41:16,000

august 28 1961

917

00:41:20,240 --> 00:41:25,990

i'm going to share that with you quick

918

00:41:32,630 --> 00:41:27,750

so you can read that for yourself

919

00:41:39,510 --> 00:41:34,950

because you know history can repeat

920

00:41:39,520 --> 00:41:43,300

and that's interesting um

921

00:41:46,710 --> 00:41:44,790

[Music]

922

00:41:49,430 --> 00:41:46,720

this is actually a scathing letter that

923

00:41:51,510 --> 00:41:49,440

oh i can read before i

924

00:41:53,910 --> 00:41:51,520

ditch out here

925

00:41:56,950 --> 00:41:53,920

so it's in this link that i sent you

926

00:42:00,630 --> 00:41:56,960

but i'll just read it so

927

00:42:03,190 --> 00:42:02,309

looks like it's from major kehoe here

928

00:42:03,990 --> 00:42:03,200

but

929

00:42:05,670 --> 00:42:04,000

um

930

00:42:07,109 --> 00:42:05,680

he states dear sir i've read with

931

00:42:08,870 --> 00:42:07,119

interest a copy of your letter to

932

00:42:11,349 --> 00:42:08,880

chairman overton brooks including

933

00:42:12,870 --> 00:42:11,359

suggested hearing plans perhaps i've

934

00:42:14,950 --> 00:42:12,880

been misled in this whole business of

935

00:42:17,190 --> 00:42:14,960

ufo however it is my belief that you and

936

00:42:19,190 --> 00:42:17,200

your organization and others like it

937

00:42:20,870 --> 00:42:19,200

actually had proof that ufos did in fact

938

00:42:22,069 --> 00:42:20,880

exist and that you would be prepared to

939

00:42:24,309 --> 00:42:22,079

prove this during the course of the

940

00:42:25,750 --> 00:42:24,319

hearing and further that ufos were not

941

00:42:27,349 --> 00:42:25,760

merely the result of space or

942

00:42:30,309 --> 00:42:27,359

atmospheric phenomenon but actually

943

00:42:32,150 --> 00:42:30,319

where craft or sorts from other planets

944

00:42:34,230 --> 00:42:32,160

i was sadly disappointed as i read your

945

00:42:35,430 --> 00:42:34,240

proposed plans suggestions and

946

00:42:38,390 --> 00:42:35,440

viewpoints

947

00:42:41,589 --> 00:42:38,400

i cannot help but feel after so reading

948

00:42:44,710 --> 00:42:41,599

that your primary if not sole objective

949

00:42:46,309 --> 00:42:44,720

is to belittle defame

950

00:42:48,870 --> 00:42:46,319

ridicule

951  
00:42:51,750 --> 00:42:48,880  
with the least possible publicity you

952  
00:42:54,230 --> 00:42:51,760  
say and thereby cause the us air force

953  
00:42:57,190 --> 00:42:54,240  
embarrassment unless they bear to you

954  
00:42:59,510 --> 00:42:57,200  
and others all information

955  
00:43:04,630 --> 00:42:59,520  
you seek including such information that

956  
00:43:08,950 --> 00:43:07,030  
i am too opposed to unnecessary secrecy

957  
00:43:11,190 --> 00:43:08,960  
however

958  
00:43:13,430 --> 00:43:11,200  
unnecessary and unwarranted secrecy is

959  
00:43:15,430 --> 00:43:13,440  
nothing more than a matter of opinion

960  
00:43:19,109 --> 00:43:15,440  
and so even though you and i are opposed

961  
00:43:20,390 --> 00:43:19,119  
to such we may well disagree on extent

962  
00:43:23,109 --> 00:43:20,400  
and content

963  
00:43:25,349 --> 00:43:23,119

as a former military officer you in your

964

00:43:28,710 --> 00:43:25,359

judgment and knowing all the facts in

965

00:43:32,790 --> 00:43:28,720

all probability withheld

966

00:43:37,589 --> 00:43:34,550

from public knowledge i would not have

967

00:43:40,150 --> 00:43:37,599

considered it secret i repeat i have

968

00:43:42,470 --> 00:43:40,160

opposed and will continue to oppose

969

00:43:45,190 --> 00:43:42,480

unwarranted secrecy at the same time i

970

00:43:52,470 --> 00:43:45,200

will not support a proposition smelling

971

00:43:55,670 --> 00:43:54,069

your letter to chairman

972

00:43:57,829 --> 00:43:55,680

uh chairman brooks including your

973

00:43:59,510 --> 00:43:57,839

proposed plans concerned itself almost

974

00:44:01,589 --> 00:43:59,520

totally in my opinion with evident

975

00:44:04,470 --> 00:44:01,599

dislike and malicious intent toward a

976

00:44:06,309 --> 00:44:04,480

great branch of the military

977

00:44:10,870 --> 00:44:06,319

in fact it sounded like nothing more

978

00:44:15,030 --> 00:44:12,470

now i hasten to add that i could be

979

00:44:17,190 --> 00:44:15,040

wrong but i have met i have read many

980

00:44:18,950 --> 00:44:17,200

plans and proposals in my day and i must

981

00:44:21,190 --> 00:44:18,960

say i recognize a little prejudice and

982

00:44:23,589 --> 00:44:21,200

or dislike when i see it if you are not

983

00:44:25,910 --> 00:44:23,599

in a position to make a good case that

984

00:44:28,790 --> 00:44:25,920

ufos are some kind of foreign craft i'm

985

00:44:33,589 --> 00:44:28,800

not even interested in holding hearings

986

00:44:36,470 --> 00:44:34,470

and

987

00:44:37,000 --> 00:44:36,480

you can read the rest by clicking on the

988

00:44:39,910 --> 00:44:37,010

link

989

00:44:42,069 --> 00:44:39,920

[Laughter]

990

00:44:45,510 --> 00:44:42,079

but yeah that's pretty good stuff

991

00:44:45,520 --> 00:44:47,910

um

992

00:44:52,550 --> 00:44:50,069

there we go there's good stuff in there

993

00:44:53,910 --> 00:44:52,560

um and although it was a while ago you

994

00:44:55,030 --> 00:44:53,920

can kind of see the same old stuff

995

00:44:55,990 --> 00:44:55,040

happening

996

00:44:58,710 --> 00:44:56,000

so

997

00:45:00,630 --> 00:44:58,720

one thing is i'm happy that

998

00:45:03,829 --> 00:45:00,640

you know they passed something

999

00:45:05,270 --> 00:45:03,839

congressional legislation

1000

00:45:06,069 --> 00:45:05,280

we can see stuff like that it's been

1001  
00:45:07,829 --> 00:45:06,079  
passed

1002  
00:45:11,910 --> 00:45:07,839  
or attempted before and they've been

1003  
00:45:15,349 --> 00:45:11,920  
shot down or convinced otherwise

1004  
00:45:21,750 --> 00:45:18,069  
by people you know mainly in the united

1005  
00:45:25,829 --> 00:45:22,950  
so

1006  
00:45:30,309 --> 00:45:27,670  
but now what happens

1007  
00:45:32,630 --> 00:45:30,319  
they continue withholding information

1008  
00:45:33,910 --> 00:45:32,640  
from us now if you go to that article i

1009  
00:45:35,510 --> 00:45:33,920  
posted

1010  
00:45:38,630 --> 00:45:35,520  
in the chat

1011  
00:45:40,950 --> 00:45:38,640  
when he first started this it's

1012  
00:45:41,910 --> 00:45:40,960  
a great informative article by mr chris

1013  
00:45:45,670 --> 00:45:41,920

mellon

1014

00:45:48,870 --> 00:45:45,680

and he talks about

1015

00:45:51,750 --> 00:45:48,880

in detail all the capabilities that the

1016

00:45:57,030 --> 00:45:51,760

united states air force has

1017

00:46:01,750 --> 00:45:58,870

and it's not sharing that with the

1018

00:46:05,349 --> 00:46:01,760

appropriate people

1019

00:46:05,359 --> 00:46:08,790

so

1020

00:46:12,790 --> 00:46:10,550

read that

1021

00:46:14,710 --> 00:46:12,800

and then put that together with this

1022

00:46:19,109 --> 00:46:14,720

episode today

1023

00:46:19,119 --> 00:46:21,910

you know

1024

00:46:24,630 --> 00:46:23,670

and if that doesn't piss you off and i'm

1025

00:46:27,270 --> 00:46:24,640

sorry

1026

00:46:31,109 --> 00:46:27,280

if it does i don't mean to do that

1027

00:46:31,119 --> 00:46:37,109

you know

1028

00:46:39,990 --> 00:46:37,990

and

1029

00:46:42,790 --> 00:46:40,000

to me

1030

00:46:45,670 --> 00:46:42,800

the reason i want um disclosure of facts

1031

00:46:48,630 --> 00:46:45,680

that might be held

1032

00:46:52,630 --> 00:46:48,640

is for the simple reason of longevity of

1033

00:46:57,670 --> 00:46:55,670

you know on paper since 1947

1034

00:47:01,910 --> 00:46:57,680

american blue book sign grudge all that

1035

00:47:06,069 --> 00:47:04,390

history of holding information back from

1036

00:47:09,990 --> 00:47:06,079

the american people the taxpayers that

1037

00:47:14,150 --> 00:47:10,000

pay for the very projects

1038

00:47:21,030 --> 00:47:15,829

and people have seen things

1039

00:47:25,510 --> 00:47:22,630

they've gone through

1040

00:47:28,549 --> 00:47:25,520

decades of research to find the truth

1041

00:47:33,190 --> 00:47:28,559

for themselves because they get no help

1042

00:47:33,200 --> 00:47:37,670

and here we are in 2022

1043

00:47:41,910 --> 00:47:38,710

and

1044

00:47:42,950 --> 00:47:41,920

stuff but we don't have real proof on

1045

00:47:44,950 --> 00:47:42,960

what it is

1046

00:47:47,670 --> 00:47:44,960

if it's alien if it's interdimensional

1047

00:47:48,870 --> 00:47:47,680

if it's uh foreign or if it's ours or

1048

00:47:49,829 --> 00:47:48,880

whatever

1049

00:47:54,069 --> 00:47:49,839

and

1050

00:47:57,910 --> 00:47:56,230

you know people say things

1051  
00:47:59,430 --> 00:47:57,920  
all the time like alexander will say

1052  
00:48:00,230 --> 00:47:59,440  
everybody on the inside doesn't think

1053  
00:48:02,150 --> 00:48:00,240  
it's

1054  
00:48:03,990 --> 00:48:02,160  
you know foreign or this or that that's

1055  
00:48:05,030 --> 00:48:04,000  
all well and good

1056  
00:48:06,950 --> 00:48:05,040  
you know

1057  
00:48:09,109 --> 00:48:06,960  
but we can see for decades and decades

1058  
00:48:11,190 --> 00:48:09,119  
we've heard the same kind of stuff it's

1059  
00:48:13,270 --> 00:48:11,200  
time to show us

1060  
00:48:15,430 --> 00:48:13,280  
the information

1061  
00:48:16,390 --> 00:48:15,440  
and put an end to this no matter what it

1062  
00:48:20,630 --> 00:48:16,400  
is

1063  
00:48:22,549 --> 00:48:20,640

mystery

1064

00:48:28,950 --> 00:48:22,559

prove it

1065

00:48:32,069 --> 00:48:30,549

you know

1066

00:48:34,790 --> 00:48:32,079

if you're embarrassed because you don't

1067

00:48:36,870 --> 00:48:34,800

know what everything is

1068

00:48:39,910 --> 00:48:36,880

united states air force and you can't

1069

00:48:41,990 --> 00:48:39,920

identify everything own up to it

1070

00:48:44,390 --> 00:48:42,000

because if you can't

1071

00:48:45,829 --> 00:48:44,400

other countries can either

1072

00:48:49,750 --> 00:48:45,839

okay so if you think you're going to

1073

00:48:53,349 --> 00:48:49,760

look bad grow up

1074

00:48:57,190 --> 00:48:55,670

can't identify everything either if

1075

00:48:59,990 --> 00:48:57,200

that's the case

1076

00:49:02,790 --> 00:49:01,190

own it

1077

00:49:05,829 --> 00:49:02,800

show some honesty

1078

00:49:07,190 --> 00:49:05,839

okay with that being said

1079

00:49:09,190 --> 00:49:07,200

i'm out y'all

1080

00:49:11,349 --> 00:49:09,200

have a great day

1081

00:49:13,670 --> 00:49:11,359

um appreciate everybody for stopping by

1082

00:49:18,309 --> 00:49:13,680

hanging out checking out the docs

1083

00:49:21,170 --> 00:49:18,319

be good in we will see you

1084

00:49:29,310 --> 00:49:21,180

next time
