00:00:01,810 --> 00:00:16,470

[Music]

2
00:00:21,670 --> 00:00:19,109

in this life there are heroes and there

3
00:00:24,070 --> 00:00:21,680

are cowards

4
00:00:27,509 --> 00:00:24,080

a hero sees something that isn't right

5
00:00:31,189 --> 00:00:27,519

will stand up to do something about it

6
00:00:34,150 --> 00:00:31,199

however weak they seem are or are not

7
00:00:36,310 --> 00:00:34,160

doesn't affect their will to fight

8
00:00:38,950 --> 00:00:36,320

to keep the fire burning for what is

9
00:00:42,709 --> 00:00:41,590

100 soldiers can easily kill an honest

10
00:00:44,950 --> 00:00:42,719

man

11
00:00:46,790 --> 00:00:44,960

they can never remove his influence from

12
00:00:49,190 --> 00:00:46,800

existence

13
00:00:51,830 --> 00:00:49,200

for an action made with integrity stands

14

00:00:54,950 --> 00:00:51,840

alone as the sole reason this world may

15

00:00:56,950 --> 00:00:54,960

continue with hope

16

00:00:59,430 --> 00:00:56,960

hope that more will make the decisions

17

00:01:01,510 --> 00:00:59,440

that may hurt themselves but benefit

18

00:01:04,070 --> 00:01:01,520

others

19

00:01:06,390 --> 00:01:04,080

if we live for only ourselves it is the

20

00:01:09,990 --> 00:01:06,400

others that won't taste the freedom that

21

00:01:13,190 --> 00:01:10,000

allows them to be beautiful

22

00:01:15,990 --> 00:01:13,200

i have this one voice body in mind

23

00:01:18,870 --> 00:01:16,000

i may not be perfect

24

00:01:21,350 --> 00:01:18,880

however i know what it means to love

25

00:01:24,950 --> 00:01:21,360

i know what it means to show mercy i

26

00:01:26,550 --> 00:01:24,960

know what it means to forgive

27

00:01:30,950 --> 00:01:26,560

i know what it means to work for the

28

00:01:33,030 --> 00:01:30,960

future of the ones that will follow me

29

00:01:35,880 --> 00:01:33,040

the souls that come when you are gone

30

00:01:37,990 --> 00:01:35,890

reap the world we leave behind

31

00:01:44,069 --> 00:01:38,000

[Music]

32

00:01:50,389 --> 00:01:47,190

chasing a train lined with gold so that

33

00:01:52,830 --> 00:01:50,399

only you may ride it keeps evil in a

34

00:01:54,550 --> 00:01:52,840

place of supreme

35

00:01:56,469 --> 00:01:54,560

being

36

00:01:58,630 --> 00:01:56,479

it shows others that if you look out for

37

00:02:01,030 --> 00:01:58,640

yourself and can manage an empty smile

38

00:02:02,389 --> 00:02:01,040

maybe the number days here are worth

39

00:02:03,830 --> 00:02:02,399

something

40

00:02:06,550 --> 00:02:03,840

well they are

41

00:02:08,710 --> 00:02:06,560

or something

42

00:02:10,869 --> 00:02:08,720

but for better for worse

43

00:02:13,270 --> 00:02:10,879

they are not worth something

44

00:02:16,229 --> 00:02:13,280

because they give you the capacity to

45

00:02:17,750 --> 00:02:16,239

enjoy the most reward

46

00:02:19,990 --> 00:02:17,760

they are worth something because they

47

00:02:24,550 --> 00:02:20,000

give an opportunity to better the days

48

00:02:30,390 --> 00:02:28,229

they say money is the root of all evil

49

00:02:31,670 --> 00:02:30,400

and it's not because good can't be done

50

00:02:33,990 --> 00:02:31,680

with it

51
00:02:36,869 --> 00:02:34,000
it's because the dependence upon it will

52
00:02:37,880 --> 00:02:36,879
influence a decision from thoughtful to

53
00:02:39,670 --> 00:02:37,890
thoughtless

54
00:02:42,070 --> 00:02:39,680
[Music]

55
00:02:45,750 --> 00:02:42,080
we are not made to make decisions that

56
00:02:48,550 --> 00:02:45,760
sacrifice who we are so that we may have

57
00:02:51,350 --> 00:02:48,560
a roof over our head and food in our

58
00:02:54,309 --> 00:02:51,360
belly

59
00:02:55,509 --> 00:02:54,319
we are made to be the best humans we can

60
00:02:58,390 --> 00:02:55,519
be

61
00:03:04,070 --> 00:02:58,400
and as individuals set that example to

62
00:03:11,350 --> 00:03:06,390
that they may know what it looks like to

63
00:03:16,869 --> 00:03:13,910

the hero is free to be who they are and

64

00:03:23,030 --> 00:03:16,879

not ask for forgiveness because it may

65

00:03:27,270 --> 00:03:24,789

the coward takes your money and gives

66

00:03:29,350 --> 00:03:27,280

you nothing in return

67

00:03:31,589 --> 00:03:29,360

they'll then convince you to give more

68

00:03:32,470 --> 00:03:31,599

as they pray upon the emptiness inside

69

00:03:35,030 --> 00:03:32,480

you

70

00:03:39,670 --> 00:03:35,040

and that maybe with one more dollar the

71

00:03:39,680 --> 00:03:45,430

and you will at long last no happiness

72

00:03:50,710 --> 00:03:48,470

they enable inaction by allowing a false

73

00:03:53,190 --> 00:03:50,720

feeling of accomplishment by the dollar

74

00:03:56,229 --> 00:03:53,200

given to them so that they may take on

75

00:03:58,630 --> 00:03:56,239

the work on your behalf

76
00:04:02,550 --> 00:03:58,640
all the while not doing any real work at

77
00:04:07,030 --> 00:04:04,949
in fact they live in a repeating process

78
00:04:09,350 --> 00:04:07,040
of doing the least amount of work

79
00:04:13,670 --> 00:04:09,360
possible which is deceiving others in

80
00:04:13,680 --> 00:04:19,670
that it's not what they're doing at all

81
00:04:23,540 --> 00:04:22,150
the congregation gives their 20 to the

82
00:04:25,110 --> 00:04:23,550
pastor

83
00:04:27,270 --> 00:04:25,120
[Music]

84
00:04:30,790 --> 00:04:27,280
so that they can leave church and luxury

85
00:04:36,310 --> 00:04:30,800
to a home four times the size you can

86
00:04:41,670 --> 00:04:38,950
selling you

87
00:04:42,629 --> 00:04:41,680
that with that action you are doing your

88
00:04:46,469 --> 00:04:42,639

part

89

00:04:49,189 --> 00:04:46,479

by allowing them to do theirs

90

00:04:51,030 --> 00:04:49,199

when in reality no one is doing anything

91

00:04:54,070 --> 00:04:51,040

but feeding off of each other's innate

92

00:04:56,790 --> 00:04:54,080

ability to continue a cycle of monetary

93

00:04:59,030 --> 00:04:56,800

momentum

94

00:05:02,310 --> 00:04:59,040

designed to keep you from being who you

95

00:05:07,590 --> 00:05:05,430

away from the tools you were born with

96

00:05:10,790 --> 00:05:07,600

to be used through actions that make

97

00:05:17,749 --> 00:05:10,800

this world better for those who walk it

98

00:05:22,390 --> 00:05:19,990

looking outside yourself and on others

99

00:05:25,270 --> 00:05:22,400

for truth will always leave you empty no

100

00:05:29,270 --> 00:05:25,280

matter the promise bestowed upon you by

101
00:05:34,070 --> 00:05:30,469
in fact

102
00:05:38,469 --> 00:05:34,080
you may both be blind to this process

103
00:05:43,830 --> 00:05:40,550
you should know that truth hope beauty

104
00:05:47,830 --> 00:05:43,840
vision are all possible and tangible

105
00:05:49,830 --> 00:05:47,840
but only by looking within yourself

106
00:05:55,830 --> 00:05:49,840
examples and actions are endless but

107
00:05:59,590 --> 00:05:57,749
sometimes it involves taking pride away

108
00:06:01,990 --> 00:05:59,600
from the ones that live within their own

109
00:06:03,909 --> 00:06:02,000
false sense of security so that someone

110
00:06:07,140 --> 00:06:03,919
else may know that in fact their

111
00:06:10,309 --> 00:06:07,150
instinct on what is wrong is correct

112
00:06:12,790 --> 00:06:10,319
[Music]

113
00:06:16,390 --> 00:06:12,800

although these correct instincts may be

114

00:06:17,670 --> 00:06:16,400

in the minority they are still correct

115

00:06:19,909 --> 00:06:17,680

because they are based on the

116

00:06:20,620 --> 00:06:19,919

improvement of someone else's life and

117

00:06:22,629 --> 00:06:20,630

not their own

118

00:06:27,670 --> 00:06:22,639

[Music]

119

00:06:33,510 --> 00:06:31,440

one that may not be here yet

120

00:06:37,029 --> 00:06:33,520

[Music]

121

00:06:39,510 --> 00:06:37,039

so that they may have an encouraged path

122

00:06:41,909 --> 00:06:39,520

that cheers on their individuality and

123

00:06:43,830 --> 00:06:41,919

not the crowd's patterns of deceptive

124

00:06:46,230 --> 00:06:43,840

riches

125

00:06:48,950 --> 00:06:46,240

rich is made when conforming to the

126

00:06:55,029 --> 00:06:48,960

pattern
