

1  
00:01:08,900 --> 00:00:10,570  
so

2  
00:01:08,910 --> 00:01:22,550  
[Music]

3  
00:01:27,109 --> 00:01:25,109  
what is up everybody

4  
00:01:29,510 --> 00:01:27,119  
happy saturday

5  
00:01:30,630 --> 00:01:29,520  
hope you're enjoying it

6  
00:01:33,910 --> 00:01:30,640  
um

7  
00:01:36,870 --> 00:01:33,920  
i am so far i got my tv6

8  
00:01:38,149 --> 00:01:36,880  
vintage newscaster shirt on

9  
00:01:41,460 --> 00:01:38,159  
so

10  
00:01:43,010 --> 00:01:41,470  
that's pretty cool i think isn't it

11  
00:01:44,630 --> 00:01:43,020  
[Laughter]

12  
00:01:46,789 --> 00:01:44,640  
[Music]

13  
00:01:47,990 --> 00:01:46,799

so i'm pretending to be a newscaster

14

00:01:49,830 --> 00:01:48,000

today

15

00:01:51,350 --> 00:01:49,840

sorry if you're hearing some microphone

16

00:01:52,550 --> 00:01:51,360

sounds

17

00:01:53,910 --> 00:01:52,560

um

18

00:01:55,670 --> 00:01:53,920

but yeah i hope you're enjoying your

19

00:01:56,789 --> 00:01:55,680

saturday i got a lot of stuff on the

20

00:01:59,510 --> 00:01:56,799

docket

21

00:02:02,630 --> 00:01:59,520

um today for you

22

00:02:04,230 --> 00:02:02,640

so we are going to have a good time with

23

00:02:05,910 --> 00:02:04,240

that um

24

00:02:07,910 --> 00:02:05,920

a little behind because i've just been

25

00:02:10,150 --> 00:02:07,920

preparing so much

26

00:02:11,190 --> 00:02:10,160

for this episode

27

00:02:13,910 --> 00:02:11,200

and

28

00:02:16,229 --> 00:02:13,920

yeah it's a lot to

29

00:02:17,670 --> 00:02:16,239

a lot to take on today

30

00:02:19,190 --> 00:02:17,680

a couple things right off the bat

31

00:02:21,510 --> 00:02:19,200

subscribe

32

00:02:23,990 --> 00:02:21,520

if you haven't like the video

33

00:02:24,710 --> 00:02:24,000

if you could it's gonna be great trust

34

00:02:27,270 --> 00:02:24,720

me

35

00:02:28,869 --> 00:02:27,280

so you can just like it now

36

00:02:32,309 --> 00:02:28,879

um

37

00:02:35,670 --> 00:02:32,319

tonight i'm gonna be on space.radio

38

00:02:37,270 --> 00:02:35,680

um and that is at about

39

00:02:39,670 --> 00:02:37,280

i think it's

40

00:02:40,869 --> 00:02:39,680

eight central or nine eastern time so

41

00:02:42,869 --> 00:02:40,879

check that out

42

00:02:45,509 --> 00:02:42,879

uh that'll be pretty cool it's not often

43

00:02:47,190 --> 00:02:45,519

i'm a guest so i'm looking forward to

44

00:02:48,790 --> 00:02:47,200

that very much

45

00:02:50,470 --> 00:02:48,800

um

46

00:02:52,710 --> 00:02:50,480

we're probably going to have

47

00:02:54,229 --> 00:02:52,720

a pretty great conversation so i'm

48

00:02:56,869 --> 00:02:54,239

looking forward to that

49

00:03:00,070 --> 00:02:56,879

and wanted to say what's up to everybody

50

00:03:03,830 --> 00:03:00,080

eve clancy what's going on megan t with

51  
00:03:07,589 --> 00:03:06,390  
um interested in what you watched three

52  
00:03:10,949 --> 00:03:07,599  
times

53  
00:03:12,790 --> 00:03:10,959  
uh to try and make sense of it

54  
00:03:14,229 --> 00:03:12,800  
that sounds pretty interesting

55  
00:03:15,589 --> 00:03:14,239  
i love when i have to make sense of

56  
00:03:15,940 --> 00:03:15,599  
something

57  
00:03:17,750 --> 00:03:15,950  
um

58  
00:03:19,110 --> 00:03:17,760  
[Music]

59  
00:03:22,149 --> 00:03:19,120  
let me know

60  
00:03:25,509 --> 00:03:22,159  
mr robert gofford what's happening

61  
00:03:27,430 --> 00:03:25,519  
um who else we got who else we got who

62  
00:03:28,470 --> 00:03:27,440  
else we got we got witness citizen

63  
00:03:30,309 --> 00:03:28,480

what's up

64

00:03:33,110 --> 00:03:30,319

uh nigel

65

00:03:35,830 --> 00:03:33,120

is going to eat some pizza i guess and

66

00:03:39,030 --> 00:03:35,840

then come back and we got joe's with the

67

00:03:41,750 --> 00:03:39,040

thank yous these shows are never

68

00:03:42,869 --> 00:03:41,760

as good

69

00:03:44,869 --> 00:03:42,879

without

70

00:03:47,509 --> 00:03:44,879

a thank you from joseph so

71

00:03:49,110 --> 00:03:47,519

i do appreciate that

72

00:03:51,509 --> 00:03:49,120

thank you for the thank you

73

00:03:53,190 --> 00:03:51,519

we got lara sosa what's happening

74

00:03:57,509 --> 00:03:53,200

awesome

75

00:03:59,589 --> 00:03:57,519

glad you are here paranormal pixie lara

76

00:04:01,589 --> 00:03:59,599

what's up

77

00:04:02,710 --> 00:04:01,599

how y'all doing

78

00:04:07,110 --> 00:04:02,720

so

79

00:04:10,789 --> 00:04:07,120

hit on today

80

00:04:15,990 --> 00:04:14,149

some pretty cool things um

81

00:04:17,430 --> 00:04:16,000

the first one i wanted to touch on is

82

00:04:21,349 --> 00:04:17,440

this interview

83

00:04:25,510 --> 00:04:21,359

um with mr halpudoff uh

84

00:04:28,469 --> 00:04:25,520

weinstein and michael's uh which is um

85

00:04:31,189 --> 00:04:28,479

michael's uh podcast american alchemy

86

00:04:32,870 --> 00:04:31,199

so that was a really great

87

00:04:33,909 --> 00:04:32,880

actually interview

88

00:04:36,310 --> 00:04:33,919

um

89

00:04:39,189 --> 00:04:36,320

you know i know some of the characters

90

00:04:42,390 --> 00:04:41,430

don't like or whatever like i know some

91

00:04:45,189 --> 00:04:42,400

people are

92

00:04:46,469 --> 00:04:45,199

feel weird about buddha for or eric or

93

00:04:50,230 --> 00:04:46,479

whatever but

94

00:04:51,350 --> 00:04:50,240

uh regardless like it was a fantastic

95

00:04:53,430 --> 00:04:51,360

interview

96

00:04:54,950 --> 00:04:53,440

um because

97

00:04:56,790 --> 00:04:54,960

well for a lot of reasons first they

98

00:04:59,030 --> 00:04:56,800

touched on a lot of stuff

99

00:05:00,629 --> 00:04:59,040

um interestingly enough i just mentioned

100

00:05:03,029 --> 00:05:00,639

this on twitter

101

00:05:06,230 --> 00:05:03,039

um that mr pudov used to be a

102

00:05:09,350 --> 00:05:06,240

scientologist and as i thought he kind

103

00:05:11,749 --> 00:05:09,360

of dropped out of that in the 70s

104

00:05:13,350 --> 00:05:11,759

he was looking into it because he's

105

00:05:15,990 --> 00:05:13,360

looking into a lot of things and there's

106

00:05:17,909 --> 00:05:16,000

some scientific aspects of things that

107

00:05:20,230 --> 00:05:17,919

they did that he was looking into

108

00:05:23,110 --> 00:05:20,240

whatever but um

109

00:05:26,469 --> 00:05:23,120

i thought that was interesting um and

110

00:05:27,590 --> 00:05:26,479

kudos to mr michael's for actually asking

111

00:05:30,390 --> 00:05:27,600

about that

112

00:05:33,909 --> 00:05:30,400

uh that was pretty cool so

113

00:05:35,990 --> 00:05:33,919

yeah eve clancy um

114

00:05:39,110 --> 00:05:36,000

you know i agree with there it was good

115

00:05:41,110 --> 00:05:39,120

weinstein can be hard to take

116

00:05:45,189 --> 00:05:41,120

sometimes it depends because

117

00:05:47,960 --> 00:05:46,469

i don't know if he's trying to but he's

118

00:05:50,230 --> 00:05:47,970

starting to like

119

00:05:51,909 --> 00:05:50,240

[Music]

120

00:05:53,590 --> 00:05:51,919

take this stuff a little more seriously

121

00:05:56,070 --> 00:05:53,600

like ufos and the phenomenon and

122

00:05:58,629 --> 00:05:56,080

everything but there's still a big part

123

00:06:01,749 --> 00:05:58,639

of them that you can tell

124

00:06:04,870 --> 00:06:01,759

is in doubt and and that comes through

125

00:06:07,110 --> 00:06:04,880

when he talks about it um and you know

126

00:06:08,950 --> 00:06:07,120

two a certain extent you know can you

127

00:06:09,830 --> 00:06:08,960

really blame the guy this this stuff is

128

00:06:12,950 --> 00:06:09,840

pretty

129

00:06:16,710 --> 00:06:12,960

you're

130

00:06:19,430 --> 00:06:16,720

you know as smart as he is um

131

00:06:22,230 --> 00:06:19,440

you know introducing something so

132

00:06:24,710 --> 00:06:22,240

beyond the realm of understanding um

133

00:06:26,070 --> 00:06:24,720

into your psyche or aspect or you know

134

00:06:28,790 --> 00:06:26,080

the aspect of who you are and what you

135

00:06:32,230 --> 00:06:28,800

think about um that's you know probably

136

00:06:34,950 --> 00:06:32,240

easier than said than done i suppose

137

00:06:36,790 --> 00:06:34,960

uh but at least he's trying so

138

00:06:39,110 --> 00:06:36,800

that's great that's it that's a good

139

00:06:40,150 --> 00:06:39,120

thing so a couple things were

140

00:06:42,629 --> 00:06:40,160

interesting

141

00:06:45,029 --> 00:06:42,639

um you know they touched on something

142

00:06:46,870 --> 00:06:45,039

that was interesting to me it was um i

143

00:06:49,270 --> 00:06:46,880

just kind of made a quick list and i'll

144

00:06:50,469 --> 00:06:49,280

go through them um

145

00:06:51,670 --> 00:06:50,479

was when they were talking about

146

00:06:53,670 --> 00:06:51,680

einstein's

147

00:06:55,830 --> 00:06:53,680

you know theory of general relativity

148

00:06:58,790 --> 00:06:55,840

and kind of manipulating some of that

149

00:06:59,550 --> 00:06:58,800

and and you know introducing

150

00:07:02,070 --> 00:06:59,560

kind of

151  
00:07:03,029 --> 00:07:02,080  
electromagnetics to it and everything

152  
00:07:04,309 --> 00:07:03,039  
and

153  
00:07:05,589 --> 00:07:04,319  
um

154  
00:07:07,670 --> 00:07:05,599  
you know

155  
00:07:08,629 --> 00:07:07,680  
put off is on to some very interesting

156  
00:07:10,629 --> 00:07:08,639  
things

157  
00:07:12,309 --> 00:07:10,639  
that's for sure and it did get to a

158  
00:07:13,990 --> 00:07:12,319  
point where they were

159  
00:07:16,550 --> 00:07:14,000  
you know basically talking inside

160  
00:07:19,029 --> 00:07:16,560  
baseball science stuff and i couldn't

161  
00:07:20,070 --> 00:07:19,039  
keep up with that unfortunately

162  
00:07:20,950 --> 00:07:20,080  
um

163  
00:07:23,270 --> 00:07:20,960

but

164

00:07:24,790 --> 00:07:23,280

you know a lot of it was in in layman's

165

00:07:25,670 --> 00:07:24,800

terms too so

166

00:07:30,950 --> 00:07:25,680

that's

167

00:07:35,990 --> 00:07:32,790

you know so i can't really touch on too

168

00:07:37,430 --> 00:07:36,000

much of you know the specific detailed

169

00:07:39,830 --> 00:07:37,440

things that put off is working on

170

00:07:42,870 --> 00:07:39,840

although i would love to learn and you

171

00:07:44,469 --> 00:07:42,880

know um be able to discuss that more uh

172

00:07:46,070 --> 00:07:44,479

one day

173

00:07:49,749 --> 00:07:46,080

something that was interesting that came

174

00:07:52,390 --> 00:07:49,759

up was the idea of

175

00:07:54,869 --> 00:07:52,400

i guess you could say stigma agents

176

00:07:58,790 --> 00:07:54,879

um people who kind of character

177

00:08:00,550 --> 00:07:58,800

assassinate on purpose and and put off

178

00:08:02,869 --> 00:08:00,560

you know said frankly that some people

179

00:08:05,510 --> 00:08:02,879

consider that their job

180

00:08:07,029 --> 00:08:05,520

and i thought that was very interesting

181

00:08:08,390 --> 00:08:07,039

and a lot of things kind of like this

182

00:08:10,830 --> 00:08:08,400

came up throughout the interview that's

183

00:08:13,270 --> 00:08:10,840

why i thought it was good

184

00:08:15,589 --> 00:08:13,280

um you know

185

00:08:17,670 --> 00:08:15,599

an agent that is paid and thinks their

186

00:08:20,070 --> 00:08:17,680

job is to

187

00:08:22,230 --> 00:08:20,080

discredit somebody

188

00:08:23,350 --> 00:08:22,240

that may be into

189

00:08:25,670 --> 00:08:23,360

you know i don't think it's just

190

00:08:27,430 --> 00:08:25,680

relegated to ufos or

191

00:08:28,790 --> 00:08:27,440

or whatnot but

192

00:08:30,790 --> 00:08:28,800

um

193

00:08:32,949 --> 00:08:30,800

although i'm you know pretty confident

194

00:08:35,110 --> 00:08:32,959

that a lot of it is

195

00:08:36,709 --> 00:08:35,120

but that's very interesting

196

00:08:39,190 --> 00:08:36,719

you know you could and weinstein made

197

00:08:41,430 --> 00:08:39,200

the point of like maybe hell put off is

198

00:08:43,589 --> 00:08:41,440

part of that as well

199

00:08:45,030 --> 00:08:43,599

as far as you know having his character

200

00:08:46,389 --> 00:08:45,040

assassinated because he can see how many

201  
00:08:48,710 --> 00:08:46,399  
people talk

202  
00:08:50,070 --> 00:08:48,720  
negatively about him and

203  
00:08:52,949 --> 00:08:50,080  
there's

204  
00:08:54,630 --> 00:08:52,959  
really no other way to chalk it up than

205  
00:08:56,630 --> 00:08:54,640  
to chalk it up to

206  
00:08:59,350 --> 00:08:56,640  
you know the work that he's involved

207  
00:09:02,230 --> 00:08:59,360  
with psychotronic weapons remote viewing

208  
00:09:05,509 --> 00:09:02,240  
uaps ttsa

209  
00:09:09,269 --> 00:09:06,630  
and

210  
00:09:11,269 --> 00:09:09,279  
you know people don't really have

211  
00:09:13,110 --> 00:09:11,279  
you know apathy as far as saying

212  
00:09:16,630 --> 00:09:13,120  
anything bad about him

213  
00:09:19,030 --> 00:09:16,640

other than how they think the topics you

214

00:09:21,670 --> 00:09:19,040

know that he's involved with are

215

00:09:23,670 --> 00:09:21,680

um ridiculous

216

00:09:25,670 --> 00:09:23,680

but they don't really know that that's

217

00:09:27,430 --> 00:09:25,680

the case it's just something that they

218

00:09:29,190 --> 00:09:27,440

don't understand

219

00:09:30,870 --> 00:09:29,200

you know and as a lot of people if they

220

00:09:32,550 --> 00:09:30,880

don't understand something they ridicule

221

00:09:35,110 --> 00:09:32,560

it so

222

00:09:39,190 --> 00:09:37,430

but you know there's

223

00:09:40,870 --> 00:09:39,200

some points where i just feel bad for

224

00:09:43,910 --> 00:09:40,880

dude because he's just trying to work

225

00:09:45,190 --> 00:09:43,920

and and do his thing and um

226

00:09:46,630 --> 00:09:45,200

you know it's stuff like that that

227

00:09:49,350 --> 00:09:46,640

probably keeps him out of the limelight

228

00:09:51,190 --> 00:09:49,360

more you know away from doing

229

00:09:52,870 --> 00:09:51,200

uh you know not so much limelight but

230

00:09:54,630 --> 00:09:52,880

like doing interviews and getting out

231

00:09:56,710 --> 00:09:54,640

there and talking because when he does

232

00:09:58,870 --> 00:09:56,720

talk about this stuff and you can find

233

00:10:00,470 --> 00:09:58,880

interviews of him on youtube and such

234

00:10:01,829 --> 00:10:00,480

where he talks about like materials and

235

00:10:04,470 --> 00:10:01,839

all that

236

00:10:06,630 --> 00:10:04,480

um it's very

237

00:10:07,670 --> 00:10:06,640

you learn a lot

238

00:10:09,269 --> 00:10:07,680

you do

239

00:10:11,990 --> 00:10:09,279

you know and one of the things that eric

240

00:10:13,829 --> 00:10:12,000

was was speaking on that could

241

00:10:15,990 --> 00:10:13,839

be almost deliberate this information

242

00:10:17,750 --> 00:10:16,000

something like string theory

243

00:10:19,590 --> 00:10:17,760

which is pretty crazy because you know

244

00:10:21,430 --> 00:10:19,600

i'm not the most scientific person

245

00:10:23,030 --> 00:10:21,440

that's for sure and i'm actually pretty

246

00:10:26,150 --> 00:10:23,040

far from it but

247

00:10:29,030 --> 00:10:26,160

um i do believe that string theory isn't

248

00:10:30,310 --> 00:10:29,040

you know completely proven yet

249

00:10:31,910 --> 00:10:30,320

um

250

00:10:34,230 --> 00:10:31,920

and we've invested so much time and

251  
00:10:36,150 --> 00:10:34,240  
money into it uh a person a character

252  
00:10:37,509 --> 00:10:36,160  
involved with that is uh

253  
00:10:39,509 --> 00:10:37,519  
michikaku

254  
00:10:41,269 --> 00:10:39,519  
who

255  
00:10:43,670 --> 00:10:41,279  
you know has

256  
00:10:44,870 --> 00:10:43,680  
been out there

257  
00:10:47,670 --> 00:10:44,880  
in the media

258  
00:10:50,949 --> 00:10:47,680  
recently i think only really somewhat

259  
00:10:52,630 --> 00:10:50,959  
recently talking about um the idea of

260  
00:10:56,150 --> 00:10:52,640  
extraterrestrial life

261  
00:10:59,110 --> 00:10:56,160  
and kaku is a big string theory guys so

262  
00:11:01,030 --> 00:10:59,120  
i don't know but that kind of plays into

263  
00:11:03,110 --> 00:11:01,040

the idea that they had brought up and

264

00:11:05,750 --> 00:11:03,120

mentioned of aerospace companies and so

265

00:11:07,430 --> 00:11:05,760

forth um and having some physics or

266

00:11:10,630 --> 00:11:07,440

knowing some physics that they don't

267

00:11:12,790 --> 00:11:10,640

share with the general public

268

00:11:15,269 --> 00:11:12,800

and how he doesn't believe that could be

269

00:11:17,030 --> 00:11:15,279

the case and put off kind of replied

270

00:11:18,069 --> 00:11:17,040

well you don't have to believe it but it

271

00:11:19,990 --> 00:11:18,079

you know that

272

00:11:21,829 --> 00:11:20,000

that is the case and then they kind of

273

00:11:25,670 --> 00:11:21,839

talked it out a little bit and uh

274

00:11:29,509 --> 00:11:25,680

narrowed it down to more like materials

275

00:11:31,910 --> 00:11:29,519

that could be you know not

276

00:11:33,750 --> 00:11:31,920

really given to private companies or or

277

00:11:35,190 --> 00:11:33,760

scientists and held by aerospace

278

00:11:36,949 --> 00:11:35,200

companies

279

00:11:38,949 --> 00:11:36,959

or our government

280

00:11:40,949 --> 00:11:38,959

which we

281

00:11:42,550 --> 00:11:40,959

you know watch if you watch the show we

282

00:11:45,350 --> 00:11:42,560

know that's the case

283

00:11:46,710 --> 00:11:45,360

i mean one episode we had was

284

00:11:48,150 --> 00:11:46,720

a

285

00:11:50,870 --> 00:11:48,160

scientist from

286

00:11:53,829 --> 00:11:50,880

paperclip operation paperclip where we

287

00:11:56,629 --> 00:11:53,839

brought all the nazi scientists over

288

00:11:59,910 --> 00:11:56,639

after the world war

289

00:12:01,750 --> 00:11:59,920

and basically made our rockets

290

00:12:04,550 --> 00:12:01,760

now we're fast forwarding and i think it

291

00:12:06,710 --> 00:12:04,560

was like 1962 one of those

292

00:12:09,269 --> 00:12:06,720

scientists was back in europe

293

00:12:11,670 --> 00:12:09,279

and got a material that he thought might

294

00:12:13,269 --> 00:12:11,680

have been a meteorite whatever it turns

295

00:12:15,030 --> 00:12:13,279

out it wasn't but it was some sort of

296

00:12:17,430 --> 00:12:15,040

glass material

297

00:12:19,829 --> 00:12:17,440

and handed it over to blue book and

298

00:12:23,990 --> 00:12:19,839

discussed how it could be

299

00:12:24,000 --> 00:12:28,470

not in great detail but basically

300

00:12:32,629 --> 00:12:30,069

you know

301

00:12:34,629 --> 00:12:32,639

there's also a report i found

302

00:12:39,110 --> 00:12:34,639

on a government website

303

00:12:44,389 --> 00:12:41,590

this material this uh this way they

304

00:12:46,710 --> 00:12:44,399

found to make like aluminum or something

305

00:12:48,550 --> 00:12:46,720

more flexible um how it was going to

306

00:12:50,710 --> 00:12:48,560

change the basically the face of

307

00:12:53,269 --> 00:12:50,720

everything and how they needed to

308

00:12:57,990 --> 00:12:53,279

introduce it to private companies

309

00:13:02,150 --> 00:12:59,910

and that kind of makes it concerned with

310

00:13:03,430 --> 00:13:02,160

like

311

00:13:06,230 --> 00:13:03,440

you know i guess you can't be naive

312

00:13:07,750 --> 00:13:06,240

about it but if you know the government

313

00:13:10,710 --> 00:13:07,760

is

314

00:13:13,110 --> 00:13:10,720

in charge of not in charge but does find

315

00:13:17,269 --> 00:13:13,120

it first and and divvys it out like do

316

00:13:24,230 --> 00:13:18,710

i don't know

317

00:13:28,710 --> 00:13:26,550

and you know mr pudov is something that

318

00:13:30,310 --> 00:13:28,720

is interesting some of his magnesium

319

00:13:32,470 --> 00:13:30,320

bismuth um

320

00:13:35,190 --> 00:13:32,480

material that he

321

00:13:35,520 --> 00:13:35,200

was researching and looking into

322

00:13:37,509 --> 00:13:35,530

um

323

00:13:39,829 --> 00:13:37,519

[Music]

324

00:13:40,870 --> 00:13:39,839

you know is from roswell apparently

325

00:13:43,350 --> 00:13:40,880

which

326

00:13:44,389 --> 00:13:43,360

i didn't know that

327

00:13:46,870 --> 00:13:44,399

um

328

00:13:49,110 --> 00:13:46,880

but now we do but apparently it is

329

00:13:51,750 --> 00:13:49,120

and it's interesting you know i've heard

330

00:13:53,590 --> 00:13:51,760

him speak about this before and it's all

331

00:13:56,230 --> 00:13:53,600

about the way it was made

332

00:13:59,110 --> 00:13:56,240

um which was made at a subatomic

333

00:14:00,710 --> 00:13:59,120

lake level apparently

334

00:14:02,389 --> 00:14:00,720

you know which we've only been able to

335

00:14:04,069 --> 00:14:02,399

create things that you know according to

336

00:14:05,030 --> 00:14:04,079

what louis lozando said once in an

337

00:14:07,670 --> 00:14:05,040

interview

338

00:14:10,949 --> 00:14:07,680

um about 10 years ago and this was found

339

00:14:12,949 --> 00:14:10,959

well be before that so

340

00:14:16,629 --> 00:14:12,959

it makes you think

341

00:14:18,310 --> 00:14:16,639

um who the hell who the hell made it

342

00:14:19,990 --> 00:14:18,320

and then you get back to

343

00:14:21,350 --> 00:14:20,000

another person working on materials

344

00:14:21,710 --> 00:14:21,360

which is

345

00:14:23,350 --> 00:14:21,720

um

346

00:14:25,750 --> 00:14:23,360

[Music]

347

00:14:27,910 --> 00:14:25,760

dr gary nolan who

348

00:14:30,310 --> 00:14:27,920

talks about like the bismuth

349

00:14:32,629 --> 00:14:30,320

and magnesium piece that he has i truly

350

00:14:33,509 --> 00:14:32,639

wonder if it's the same

351

00:14:35,189 --> 00:14:33,519

um

352

00:14:37,350 --> 00:14:35,199

although i don't know that but when he

353

00:14:39,590 --> 00:14:37,360

talks about it he he says it's not so

354

00:14:41,910 --> 00:14:39,600

much

355

00:14:45,269 --> 00:14:41,920

you know the

356

00:14:47,110 --> 00:14:45,279

it's it's more like the isotopic ratios

357

00:14:49,189 --> 00:14:47,120

you gotta bear with me here because this

358

00:14:52,230 --> 00:14:49,199

is not my field but i'm trying

359

00:14:54,310 --> 00:14:52,240

um and isotopic ratios in

360

00:14:55,590 --> 00:14:54,320

you know the piece that he has he's got

361

00:14:58,710 --> 00:14:55,600

two pieces from the same thing

362

00:15:01,269 --> 00:14:58,720

apparently from a sighting in iowa

363

00:15:04,230 --> 00:15:01,279

and one is completely normal

364

00:15:05,509 --> 00:15:04,240

and the other one is mixed

365

00:15:06,550 --> 00:15:05,519

like

366

00:15:07,910 --> 00:15:06,560

not

367

00:15:12,230 --> 00:15:07,920

normal

368

00:15:13,110 --> 00:15:12,240

and it's not so much what it's made of

369

00:15:14,710 --> 00:15:13,120

but

370

00:15:17,269 --> 00:15:14,720

how you would have what you would have

371

00:15:18,949 --> 00:15:17,279

to do to make it that way

372

00:15:21,030 --> 00:15:18,959

and the fact that you can make it that

373

00:15:22,870 --> 00:15:21,040

way but it would cost in the millions of

374

00:15:24,949 --> 00:15:22,880

dollars

375

00:15:27,509 --> 00:15:24,959

and who would do that

376

00:15:28,790 --> 00:15:27,519

and for what

377

00:15:30,870 --> 00:15:28,800

you know

378

00:15:33,990 --> 00:15:30,880

i don't know we touched on that a little

379

00:15:36,550 --> 00:15:34,000

bit more a couple uh episodes ago

380

00:15:39,430 --> 00:15:36,560

and yeah i put the link for this in

381

00:15:41,269 --> 00:15:39,440

there it's very interesting uh podcast

382

00:15:43,509 --> 00:15:41,279

he also did one with uh engaging the

383

00:15:45,189 --> 00:15:43,519

phenomenon uh which i thought was pretty

384

00:15:47,110 --> 00:15:45,199

good too

385

00:15:49,030 --> 00:15:47,120

which you know was some interesting that

386

00:15:49,910 --> 00:15:49,040

came up in that one is

387

00:15:52,069 --> 00:15:49,920

um

388

00:15:54,230 --> 00:15:52,079

you know setting up a scientific

389

00:15:57,030 --> 00:15:54,240

investigation basically with you know

390

00:16:00,790 --> 00:15:57,040

ce5 folks

391

00:16:11,509 --> 00:16:01,749

you know

392

00:16:13,110 --> 00:16:11,519

aspect that people can fall onto as like

393

00:16:14,310 --> 00:16:13,120

you know if these things are intelligent

394

00:16:15,670 --> 00:16:14,320

and they don't want to be seen well

395

00:16:17,670 --> 00:16:15,680

maybe you know they didn't show up

396

00:16:19,990 --> 00:16:17,680

because they knew we were doing this

397

00:16:24,470 --> 00:16:20,000

experiment

398

00:16:29,189 --> 00:16:26,790

sometimes i think well is that a cop-out

399

00:16:30,949 --> 00:16:29,199

or is that true you know

400

00:16:33,350 --> 00:16:30,959

because you could always say that like i

401  
00:16:35,269 --> 00:16:33,360  
could say i could spring a spin a

402  
00:16:37,990 --> 00:16:35,279  
basketball on my finger for three hours

403  
00:16:41,110 --> 00:16:38,000  
straight i just can't do it if anyone

404  
00:16:45,030 --> 00:16:41,120  
watches or if i record it

405  
00:16:50,310 --> 00:16:47,910  
you can't prove me wrong

406  
00:16:52,710 --> 00:16:50,320  
you know it's just one of those things i

407  
00:16:58,790 --> 00:16:54,629  
yeah matches the gary nolan sample with

408  
00:17:00,550 --> 00:16:58,800  
the bismuth magnesium very interesting

409  
00:17:02,710 --> 00:17:00,560  
very interesting

410  
00:17:04,470 --> 00:17:02,720  
you know we'll see what happens with it

411  
00:17:07,189 --> 00:17:04,480  
there's only so much you can prove right

412  
00:17:09,189 --> 00:17:07,199  
you can't prove that a spaceship came

413  
00:17:11,189 --> 00:17:09,199

and and dropped it or

414

00:17:12,949 --> 00:17:11,199

you know it's a part of their propulsion

415

00:17:14,309 --> 00:17:12,959

all you can really prove

416

00:17:18,230 --> 00:17:14,319

is how

417

00:17:19,909 --> 00:17:18,240

i guess anomalous or weird it is

418

00:17:21,750 --> 00:17:19,919

and now the isotopes are way out of

419

00:17:23,270 --> 00:17:21,760

normal so to speak

420

00:17:25,270 --> 00:17:23,280

so you can prove that

421

00:17:28,069 --> 00:17:25,280

but then that question ultimately comes

422

00:17:30,630 --> 00:17:28,079

down to the why why is it like that

423

00:17:33,110 --> 00:17:30,640

and if it has to be human created or has

424

00:17:35,830 --> 00:17:33,120

to be part of a manufacturing process

425

00:17:38,070 --> 00:17:35,840

like and you don't know anything that

426  
00:17:39,029 --> 00:17:38,080  
consists of that material or would need

427  
00:17:41,590 --> 00:17:39,039  
to

428  
00:17:45,270 --> 00:17:41,600  
like where do you go from there

429  
00:17:49,029 --> 00:17:47,510  
where do you go from there

430  
00:17:51,029 --> 00:17:49,039  
robert you mentioned that too and i saw

431  
00:17:51,909 --> 00:17:51,039  
that on the um

432  
00:17:54,070 --> 00:17:51,919  
um

433  
00:17:56,070 --> 00:17:54,080  
the kirchhoff mungle

434  
00:17:58,470 --> 00:17:56,080  
i think podcast he mentioned something

435  
00:18:01,430 --> 00:17:58,480  
about that to linda molten howell who is

436  
00:18:03,909 --> 00:18:01,440  
talking about um the bismuth

437  
00:18:06,470 --> 00:18:03,919  
uh magnesium piece that she had so

438  
00:18:08,950 --> 00:18:06,480

everybody's got this bismuth magnesium

439

00:18:10,630 --> 00:18:08,960

stuff and i don't know if everything is

440

00:18:12,830 --> 00:18:10,640

the same or people got different pieces

441

00:18:15,590 --> 00:18:12,840

or whatever you

442

00:18:17,510 --> 00:18:15,600

know i don't know but that question was

443

00:18:19,750 --> 00:18:17,520

uh definitely over her head for better

444

00:18:21,270 --> 00:18:19,760

for worse

445

00:18:23,750 --> 00:18:21,280

so

446

00:18:25,590 --> 00:18:23,760

we'll see like in order to

447

00:18:27,270 --> 00:18:25,600

you know know this one way or another if

448

00:18:29,029 --> 00:18:27,280

it's like the same as these metal plugs

449

00:18:30,710 --> 00:18:29,039

or whatever i got to see the stat sheets

450

00:18:32,390 --> 00:18:30,720

what the stuff is made of and i have to

451  
00:18:33,909 --> 00:18:32,400  
see the paperwork from the materials

452  
00:18:35,750 --> 00:18:33,919  
they have

453  
00:18:40,310 --> 00:18:35,760  
and line it up for myself otherwise it's

454  
00:18:43,669 --> 00:18:41,990  
capabilities of material what it could

455  
00:18:44,950 --> 00:18:43,679  
be used for they have a hard time

456  
00:18:47,350 --> 00:18:44,960  
figuring that out because they don't

457  
00:18:50,789 --> 00:18:47,360  
know what it would be used for so it's

458  
00:18:54,789 --> 00:18:53,029  
you know if it is

459  
00:18:56,630 --> 00:18:54,799  
you know has some sort of capability

460  
00:18:58,470 --> 00:18:56,640  
that material and we just don't know

461  
00:19:02,630 --> 00:18:58,480  
what it is maybe it's just time that

462  
00:19:07,430 --> 00:19:04,789  
yeah gary nolan also has an it has been

463  
00:19:09,350 --> 00:19:07,440

interviewed by jesse m uh michael who

464

00:19:11,430 --> 00:19:09,360

did this interview here with buddha here

465

00:19:13,270 --> 00:19:11,440

so i do want to watch that too

466

00:19:14,789 --> 00:19:13,280

a lot of stuff to watch a lot of stuff

467

00:19:17,029 --> 00:19:14,799

to watch

468

00:19:18,470 --> 00:19:17,039

uh another piece

469

00:19:20,310 --> 00:19:18,480

you know well they talked about remote

470

00:19:22,630 --> 00:19:20,320

viewing psychotronic weapons and all

471

00:19:24,870 --> 00:19:22,640

that and

472

00:19:27,270 --> 00:19:24,880

you know that's a huge can of worms i

473

00:19:28,070 --> 00:19:27,280

really appreciate michael's question or

474

00:19:31,430 --> 00:19:28,080

you know

475

00:19:33,350 --> 00:19:31,440

his um observation where he said a lot

476

00:19:35,110 --> 00:19:33,360

of this uap stuff ufo stuff in this

477

00:19:37,110 --> 00:19:35,120

remote viewing stuff for psychotronic

478

00:19:39,750 --> 00:19:37,120

weapon stuff seems like there's a lot of

479

00:19:42,070 --> 00:19:39,760

overlap there and a lot of you know the

480

00:19:45,029 --> 00:19:42,080

same people or whatever have their hand

481

00:19:46,070 --> 00:19:45,039

in both things like what are the

482

00:19:48,310 --> 00:19:46,080

um

483

00:19:50,150 --> 00:19:48,320

connections there and i agree with them

484

00:19:51,750 --> 00:19:50,160

that's something i noticed too even when

485

00:19:53,590 --> 00:19:51,760

you do research

486

00:19:55,750 --> 00:19:53,600

you know um

487

00:19:57,830 --> 00:19:55,760

on the cia's website or whatever like

488

00:20:00,070 --> 00:19:57,840

you'll often find yourself

489

00:20:02,710 --> 00:20:00,080

looking for like a ufo thing or uap

490

00:20:04,710 --> 00:20:02,720

thing and are directed into a

491

00:20:07,350 --> 00:20:04,720

psychotronic weapon thing or a remote

492

00:20:09,190 --> 00:20:07,360

viewing thing um so it's very

493

00:20:12,149 --> 00:20:09,200

interesting that there definitely i

494

00:20:13,830 --> 00:20:12,159

think is a connection there although i'm

495

00:20:15,909 --> 00:20:13,840

not exactly sure

496

00:20:19,190 --> 00:20:15,919

uh what that is other than the people

497

00:20:21,510 --> 00:20:19,200

that kind of share both topics

498

00:20:23,669 --> 00:20:21,520

and

499

00:20:26,310 --> 00:20:23,679

you know um you could say the

500

00:20:27,590 --> 00:20:26,320

consciousness aspect

501  
00:20:29,830 --> 00:20:27,600  
because a lot of people isn't the

502  
00:20:31,350 --> 00:20:29,840  
overall you know overwhelming theme of

503  
00:20:33,029 --> 00:20:31,360  
the ufo stuff is it's

504  
00:20:36,390 --> 00:20:33,039  
consciousness-based so if that's the

505  
00:20:38,070 --> 00:20:36,400  
case well yeah remote viewing

506  
00:20:40,070 --> 00:20:38,080  
would definitely be connected to that

507  
00:20:41,270 --> 00:20:40,080  
stuff because

508  
00:20:43,510 --> 00:20:41,280  
you know

509  
00:20:46,710 --> 00:20:43,520  
if you're sending your consciousness

510  
00:20:48,310 --> 00:20:46,720  
you know basically a thousand miles away

511  
00:20:49,669 --> 00:20:48,320  
to go look at something and bring back

512  
00:20:49,930 --> 00:20:49,679  
the information

513  
00:20:51,270 --> 00:20:49,940

um

514

00:20:52,950 --> 00:20:51,280

[Music]

515

00:20:54,470 --> 00:20:52,960

you know i don't know you can really

516

00:20:56,230 --> 00:20:54,480

explain that i guess

517

00:20:58,149 --> 00:20:56,240

which is interesting because buddha said

518

00:21:04,230 --> 00:20:58,159

it wasn't remote viewing itself was it

519

00:21:09,430 --> 00:21:07,510

you said basically they ruled that off

520

00:21:12,149 --> 00:21:09,440

and how one of the reasons or one of the

521

00:21:15,190 --> 00:21:12,159

examples he used was it had remote

522

00:21:15,200 --> 00:21:19,430

in a submarine

523

00:21:24,470 --> 00:21:22,390

conduct experiments

524

00:21:26,310 --> 00:21:24,480

and he didn't really say much more other

525

00:21:27,830 --> 00:21:26,320

than the remote viewers

526  
00:21:29,909 --> 00:21:27,840  
were

527  
00:21:33,029 --> 00:21:29,919  
appreciative of how quiet it was down

528  
00:21:37,029 --> 00:21:35,830  
and he used that example to kind of say

529  
00:21:40,390 --> 00:21:37,039  
i believe

530  
00:21:42,470 --> 00:21:40,400  
the electromagnetic

531  
00:21:43,270 --> 00:21:42,480  
aspects of remote viewing or there is

532  
00:21:44,950 --> 00:21:43,280  
none

533  
00:21:46,470 --> 00:21:44,960  
basically or

534  
00:21:50,549 --> 00:21:46,480  
do that off the table which i thought

535  
00:21:55,110 --> 00:21:52,870  
um

536  
00:21:57,029 --> 00:21:55,120  
i know i wasn't really one to know

537  
00:21:58,549 --> 00:21:57,039  
enough to comment on that to begin with

538  
00:22:00,149 --> 00:21:58,559

but

539

00:22:02,149 --> 00:22:00,159

the the most interesting part of that

540

00:22:06,390 --> 00:22:02,159

was the submarine you're sending remote

541

00:22:11,350 --> 00:22:09,110

that's not cheap

542

00:22:12,470 --> 00:22:11,360

that can't be cheap you know they had to

543

00:22:14,310 --> 00:22:12,480

put

544

00:22:15,909 --> 00:22:14,320

you got to take that stuff seriously

545

00:22:18,149 --> 00:22:15,919

like they're not putting remote viewers

546

00:22:20,549 --> 00:22:18,159

in a submarine if they don't think this

547

00:22:23,510 --> 00:22:20,559

stuff works you know

548

00:22:26,870 --> 00:22:24,789

um

549

00:22:29,510 --> 00:22:26,880

and we had robert knight that interview

550

00:22:31,350 --> 00:22:29,520

we had with him um a little bit ago he

551

00:22:34,870 --> 00:22:31,360

was great friends with uh

552

00:22:38,149 --> 00:22:34,880

mr swan great remote viewer and and told

553

00:22:41,669 --> 00:22:38,159

pretty interesting story about him

554

00:22:43,350 --> 00:22:41,679

and he's told me others too that are

555

00:22:45,110 --> 00:22:43,360

that are pretty intense

556

00:22:48,710 --> 00:22:45,120

so

557

00:22:51,270 --> 00:22:48,720

um

558

00:22:53,430 --> 00:22:51,280

if you want a way to manipulate i think

559

00:22:55,669 --> 00:22:53,440

it is the stock market via remote

560

00:22:57,990 --> 00:22:55,679

viewing helped put up put forth away

561

00:22:58,630 --> 00:22:58,000

and uh you know challenged eric to try

562

00:23:01,909 --> 00:22:58,640

it

563

00:23:03,669 --> 00:23:01,919

70 30 apparently

564

00:23:05,350 --> 00:23:03,679

he said

565

00:23:07,750 --> 00:23:05,360

i don't know i may watch that again and

566

00:23:09,190 --> 00:23:07,760

try it i'm not sure but

567

00:23:11,750 --> 00:23:09,200

you know that could be

568

00:23:13,350 --> 00:23:11,760

disastrous if everything everyone was

569

00:23:15,510 --> 00:23:13,360

doing that just

570

00:23:16,630 --> 00:23:15,520

making a bunch of free money but you

571

00:23:20,390 --> 00:23:16,640

know whatever

572

00:23:22,870 --> 00:23:20,400

stock market probably deserves it

573

00:23:25,029 --> 00:23:22,880

um

574

00:23:27,830 --> 00:23:25,039

weinstein was talking about uh the

575

00:23:30,549 --> 00:23:27,840

preliminary uap assessment um in

576

00:23:32,870 --> 00:23:30,559

relation to

577

00:23:34,390 --> 00:23:32,880

project blue book a little bit well the

578

00:23:36,310 --> 00:23:34,400

first thing he said about the assessment

579

00:23:37,830 --> 00:23:36,320

and i kind of agree with that is you can

580

00:23:38,789 --> 00:23:37,840

sense that there's some conflict in

581

00:23:41,269 --> 00:23:38,799

there

582

00:23:43,269 --> 00:23:41,279

you know like um maybe the secret

583

00:23:45,430 --> 00:23:43,279

keepers and the people are trying to

584

00:23:47,029 --> 00:23:45,440

break that pattern are kind of fighting

585

00:23:48,710 --> 00:23:47,039

a little bit through that preliminary

586

00:23:50,870 --> 00:23:48,720

assessment maybe the secret keepers are

587

00:23:53,510 --> 00:23:50,880

kind of losing ground a little bit and i

588

00:23:56,149 --> 00:23:53,520

agree with them there

589

00:23:58,230 --> 00:23:56,159

you can tell when reading it

590

00:24:00,230 --> 00:23:58,240

definitely and like i said i want to go

591

00:24:01,909 --> 00:24:00,240

back and do another video

592

00:24:03,590 --> 00:24:01,919

you know going through that assessment

593

00:24:07,029 --> 00:24:03,600

again now that some time has passed and

594

00:24:09,110 --> 00:24:07,039

we learned that all of those um

595

00:24:11,750 --> 00:24:09,120

you know events were

596

00:24:13,590 --> 00:24:11,760

reported to from the navy not even the

597

00:24:15,430 --> 00:24:13,600

air force

598

00:24:18,230 --> 00:24:15,440

and when they talk about them they say

599

00:24:20,310 --> 00:24:18,240

reported to by the military why wouldn't

600

00:24:21,990 --> 00:24:20,320

you just say the navy well right there

601  
00:24:24,789 --> 00:24:22,000  
you're fudging details

602  
00:24:27,430 --> 00:24:24,799  
so that's pretty interesting

603  
00:24:29,510 --> 00:24:27,440  
um but what he said is either project

604  
00:24:31,029 --> 00:24:29,520  
blue book you know he goes project blue

605  
00:24:32,950 --> 00:24:31,039  
book basically told us there's nothing

606  
00:24:34,549 --> 00:24:32,960  
to see here and now this prelim

607  
00:24:36,870 --> 00:24:34,559  
assessment came out and said well maybe

608  
00:24:39,190 --> 00:24:36,880  
there is something to see here

609  
00:24:41,110 --> 00:24:39,200  
and he's thinking like either project

610  
00:24:43,110 --> 00:24:41,120  
blue book was telling the truth

611  
00:24:44,070 --> 00:24:43,120  
or the prelim assessment is telling the

612  
00:24:45,510 --> 00:24:44,080  
truth

613  
00:24:50,070 --> 00:24:45,520

um the thing that

614

00:24:52,789 --> 00:24:51,029

about

615

00:24:55,510 --> 00:24:52,799

you know getting you know smart people

616

00:24:57,990 --> 00:24:55,520

like these scientists like eric involved

617

00:25:00,490 --> 00:24:58,000

um talking about this stuff and and they

618

00:25:02,549 --> 00:25:00,500

go back and think about blue book

619

00:25:04,870 --> 00:25:02,559

[Music]

620

00:25:06,789 --> 00:25:04,880

they need to be educated

621

00:25:09,110 --> 00:25:06,799

on blue book

622

00:25:11,990 --> 00:25:09,120

blue book isn't the final assessment

623

00:25:12,830 --> 00:25:12,000

that came out or the condon report

624

00:25:14,549 --> 00:25:12,840

you

625

00:25:16,310 --> 00:25:14,559

know

626  
00:25:20,310 --> 00:25:16,320  
that's

627  
00:25:22,390 --> 00:25:20,320  
reading it

628  
00:25:25,830 --> 00:25:22,400  
the back of the book written

629  
00:25:28,230 --> 00:25:25,840  
intentionally false you know

630  
00:25:29,750 --> 00:25:28,240  
on the show we've gone over so many

631  
00:25:32,549 --> 00:25:29,760  
cases

632  
00:25:34,710 --> 00:25:32,559  
thousands of military sightings you know

633  
00:25:38,710 --> 00:25:34,720  
have happened

634  
00:25:42,789 --> 00:25:40,630  
one

635  
00:25:44,070 --> 00:25:42,799  
you know read after you go through all

636  
00:25:45,990 --> 00:25:44,080  
the different sightings we've gone

637  
00:25:47,990 --> 00:25:46,000  
through on the show and more that i've

638  
00:25:50,149 --> 00:25:48,000

gone through in my own time

639

00:25:54,710 --> 00:25:50,159

it was a complete

640

00:26:00,950 --> 00:25:58,630

you know um manipulating of the truth

641

00:26:02,870 --> 00:26:00,960

most definitely

642

00:26:04,470 --> 00:26:02,880

and a person like eric doesn't know that

643

00:26:06,950 --> 00:26:04,480

because he hasn't studied that stuff and

644

00:26:08,950 --> 00:26:06,960

looked at it as much as some of us have

645

00:26:11,830 --> 00:26:08,960

here

646

00:26:14,390 --> 00:26:11,840

you know but i think it could benefit

647

00:26:15,430 --> 00:26:14,400

him as much as a lot of other people in

648

00:26:18,549 --> 00:26:15,440

general

649

00:26:20,230 --> 00:26:18,559

um to just learn more about the history

650

00:26:21,909 --> 00:26:20,240

you know one of the reasons i look at

651  
00:26:24,230 --> 00:26:21,919  
those documents so much is because

652  
00:26:25,909 --> 00:26:24,240  
that's what's available

653  
00:26:27,430 --> 00:26:25,919  
you know

654  
00:26:29,750 --> 00:26:27,440  
that's what's available and you have to

655  
00:26:32,149 --> 00:26:29,760  
work with what you got and we have

656  
00:26:36,149 --> 00:26:32,159  
government-made documents

657  
00:26:39,710 --> 00:26:37,510  
you know

658  
00:26:43,430 --> 00:26:39,720  
some that are just like

659  
00:26:44,870 --> 00:26:43,440  
undisputable unknown

660  
00:26:46,710 --> 00:26:44,880  
there's no way

661  
00:26:48,870 --> 00:26:46,720  
around it

662  
00:26:51,510 --> 00:26:48,880  
and you also find a lot of

663  
00:26:53,830 --> 00:26:51,520

you know kind of crappy things that the

664

00:26:56,310 --> 00:26:53,840

air force did in other people

665

00:26:57,590 --> 00:26:56,320

you also find that during blue book

666

00:26:59,430 --> 00:26:57,600

there were other people that were

667

00:27:05,350 --> 00:26:59,440

getting these reports of ufos which

668

00:27:09,269 --> 00:27:07,110

you know

669

00:27:11,909 --> 00:27:09,279

and all these people have more data than

670

00:27:13,990 --> 00:27:11,919

what we've seen you know

671

00:27:16,390 --> 00:27:14,000

most definitely so we've seen the blue

672

00:27:19,669 --> 00:27:16,400

book reports like the uh cheyenne

673

00:27:22,389 --> 00:27:19,679

wyoming 143 objects in three days by the

674

00:27:24,630 --> 00:27:22,399

minutemen nuclear missile sites

675

00:27:28,389 --> 00:27:24,640

seen out of those watchtowers

676

00:27:33,029 --> 00:27:31,669

all that stuff was reported to

677

00:27:35,750 --> 00:27:33,039

nsa

678

00:27:37,990 --> 00:27:35,760

in norad

679

00:27:40,389 --> 00:27:38,000

you know so but what we don't have is

680

00:27:44,070 --> 00:27:40,399

what did nsa do with that

681

00:27:44,080 --> 00:27:47,750

you know we don't have that

682

00:27:47,760 --> 00:27:49,909

but

683

00:27:53,430 --> 00:27:51,350

so

684

00:27:55,830 --> 00:27:53,440

you know i think it would be uh it would

685

00:27:59,830 --> 00:27:55,840

behoove uh

686

00:28:03,029 --> 00:27:59,840

you know scientists like uh weinstein um

687

00:28:04,470 --> 00:28:03,039

to not learn a little bit more about uh

688

00:28:07,110 --> 00:28:04,480

what happened with blue book because

689

00:28:08,710 --> 00:28:07,120

there's so much material available

690

00:28:11,510 --> 00:28:08,720

so if he's listening and you want a

691

00:28:14,389 --> 00:28:11,520

brief let me know i can brief you

692

00:28:16,630 --> 00:28:14,399

i get my guy robert cofort in on this we

693

00:28:19,110 --> 00:28:16,640

can brief you on all that stuff

694

00:28:20,630 --> 00:28:19,120

um but you know we keep it real too like

695

00:28:22,310 --> 00:28:20,640

i'm not sitting here saying like there's

696

00:28:24,549 --> 00:28:22,320

complete evidence of

697

00:28:26,310 --> 00:28:24,559

aliens or extraterrestrials there's just

698

00:28:28,870 --> 00:28:26,320

complete evidence that there's a

699

00:28:32,630 --> 00:28:28,880

phenomenon you know

700

00:28:35,029 --> 00:28:32,640

that exists that is not explainable

701

00:28:39,110 --> 00:28:35,039

that have been seen by pilots

702

00:28:45,830 --> 00:28:42,789

and you know um politicians

703

00:28:49,350 --> 00:28:46,630

so

704

00:28:51,190 --> 00:28:49,360

um you have to really know that to be

705

00:28:54,149 --> 00:28:51,200

convicted in the work you do moving

706

00:28:56,710 --> 00:28:54,159

forward so i think that's important

707

00:28:58,230 --> 00:28:56,720

um hopefully um he has a chance to look

708

00:29:00,070 --> 00:28:58,240

into that history because i know a lot

709

00:29:03,510 --> 00:29:00,080

of people aren't very interested in it

710

00:29:05,110 --> 00:29:03,520

because it isn't the now

711

00:29:06,710 --> 00:29:05,120

but it is

712

00:29:08,230 --> 00:29:06,720

beneficial because to know what's going

713

00:29:13,909 --> 00:29:08,240

to happen

714

00:29:13,919 --> 00:29:17,990

um

715

00:29:23,350 --> 00:29:20,389

interesting uh pudov said a little

716

00:29:26,549 --> 00:29:23,360

something about videos uh

717

00:29:27,830 --> 00:29:26,559

in cell phone videos he mentioned

718

00:29:29,830 --> 00:29:27,840

you know the reason you don't get any

719

00:29:31,510 --> 00:29:29,840

good videos with like cell phone footage

720

00:29:33,669 --> 00:29:31,520

is because well if they're bending space

721

00:29:35,110 --> 00:29:33,679

and time or whatever if they're bending

722

00:29:36,549 --> 00:29:35,120

lights around their vehicle you're not

723

00:29:39,190 --> 00:29:36,559

going to get a good picture because all

724

00:29:40,790 --> 00:29:39,200

you've taken a picture of is that

725

00:29:43,029 --> 00:29:40,800

okay fair enough um

726

00:29:46,149 --> 00:29:43,039

[Music]

727

00:29:47,830 --> 00:29:46,159

but then the topic came up of

728

00:29:49,269 --> 00:29:47,840

other videos that the government may

729

00:29:51,029 --> 00:29:49,279

have and

730

00:29:52,710 --> 00:29:51,039

al pudov

731

00:29:56,630 --> 00:29:52,720

literally said

732

00:29:57,669 --> 00:29:56,640

when asked how good

733

00:30:00,149 --> 00:29:57,679

are they

734

00:30:02,470 --> 00:30:00,159

he said

735

00:30:03,990 --> 00:30:02,480

you know as good

736

00:30:07,590 --> 00:30:04,000

as you would

737

00:30:15,029 --> 00:30:10,389

so there's videos that exist that are as

738

00:30:15,039 --> 00:30:21,029

and we don't have them

739

00:30:26,389 --> 00:30:23,590

we are given a 30-second video of

740

00:30:28,310 --> 00:30:26,399

something that is either rotating or not

741

00:30:32,230 --> 00:30:28,320

and we have to deal with people talking

742

00:30:33,430 --> 00:30:32,240

about it for four freaking years

743

00:30:35,029 --> 00:30:33,440

and we haven't

744

00:30:39,269 --> 00:30:35,039

seen anything else we haven't even seen

745

00:30:44,470 --> 00:30:41,430

you know lou elizondo

746

00:30:47,190 --> 00:30:44,480

first mentioned the 23 minute video on

747

00:30:48,870 --> 00:30:47,200

this very show

748

00:30:50,470 --> 00:30:48,880

and he talked about how intense and

749

00:30:51,909 --> 00:30:50,480

crazy it is

750

00:30:53,669 --> 00:30:51,919

put off is out there saying there's

751  
00:30:55,990 --> 00:30:53,679  
videos

752  
00:30:59,669 --> 00:30:56,000  
that are not shown to us that are as

753  
00:30:59,679 --> 00:31:02,389  
you know

754  
00:31:07,830 --> 00:31:05,350  
look at those two those two

755  
00:31:12,230 --> 00:31:07,840  
things right there like

756  
00:31:12,240 --> 00:31:16,950  
why are you hiding these

757  
00:31:21,750 --> 00:31:19,669  
you know whatever happens with this

758  
00:31:24,789 --> 00:31:21,760  
stuff you know whether whatever the

759  
00:31:26,149 --> 00:31:24,799  
phenomenon winds up being whatever

760  
00:31:28,389 --> 00:31:26,159  
you know time

761  
00:31:30,149 --> 00:31:28,399  
people spend on this stuff

762  
00:31:32,870 --> 00:31:30,159  
you know let's say you know worst case

763  
00:31:34,870 --> 00:31:32,880

scenario that everyone who studies this

764

00:31:37,029 --> 00:31:34,880

stuff is just a complete waste of time

765

00:31:39,909 --> 00:31:37,039

for whatever reason i know it's not but

766

00:31:44,149 --> 00:31:42,149

and then finally we learn after people

767

00:31:46,149 --> 00:31:44,159

died studying it their entire life that

768

00:31:47,909 --> 00:31:46,159

it is

769

00:31:49,590 --> 00:31:47,919

everything's prosaic

770

00:31:51,509 --> 00:31:49,600

well who's responsible for that the

771

00:31:53,909 --> 00:31:51,519

government is responsible for that

772

00:31:56,389 --> 00:31:53,919

because they haven't shown these videos

773

00:31:58,230 --> 00:31:56,399

and the information they have

774

00:32:00,470 --> 00:31:58,240

and meanwhile they let people spend

775

00:32:02,630 --> 00:32:00,480

their lives researching it when they

776  
00:32:04,710 --> 00:32:02,640  
have information

777  
00:32:05,750 --> 00:32:04,720  
that could shed a whole bunch of light

778  
00:32:07,029 --> 00:32:05,760  
on it

779  
00:32:09,110 --> 00:32:07,039  
you know

780  
00:32:11,430 --> 00:32:09,120  
that's people who could have been

781  
00:32:14,230 --> 00:32:11,440  
you know playing more music or

782  
00:32:15,990 --> 00:32:14,240  
you know working on themselves in some

783  
00:32:18,230 --> 00:32:16,000  
way shape or form

784  
00:32:19,990 --> 00:32:18,240  
that it doesn't revolve around ufos but

785  
00:32:21,590 --> 00:32:20,000  
because they had this sighting and this

786  
00:32:23,110 --> 00:32:21,600  
experience they spend their whole life

787  
00:32:27,110 --> 00:32:23,120  
and dedicate to it

788  
00:32:30,549 --> 00:32:29,110

you know

789

00:32:33,750 --> 00:32:30,559

meanwhile the government looks at this

790

00:32:35,029 --> 00:32:33,760

23-minute 23-minute video that's as good

791

00:32:37,350 --> 00:32:35,039

as you could want

792

00:32:41,430 --> 00:32:37,360

and just laughs at the person who's

793

00:32:42,389 --> 00:32:41,440

studying blue book files for years

794

00:32:46,549 --> 00:32:42,399

basically

795

00:32:46,559 --> 00:32:49,830

that's wrong

796

00:32:53,909 --> 00:32:52,310

that is wrong so if you want to talk

797

00:32:56,389 --> 00:32:53,919

about the government maybe knowing some

798

00:32:59,029 --> 00:32:56,399

physics and not sharing it with other

799

00:33:01,029 --> 00:32:59,039

scientists

800

00:33:04,389 --> 00:33:01,039

and could that be possible

801  
00:33:08,950 --> 00:33:06,310  
it's possible

802  
00:33:11,110 --> 00:33:08,960  
because the scenario i just explained is

803  
00:33:13,029 --> 00:33:11,120  
crappy in and of itself for the

804  
00:33:19,029 --> 00:33:13,039  
government to do to people

805  
00:33:23,509 --> 00:33:21,830  
like enough is enough here

806  
00:33:25,830 --> 00:33:23,519  
how long are you gonna let people come

807  
00:33:27,269 --> 00:33:25,840  
in and take advantage first of all of

808  
00:33:29,590 --> 00:33:27,279  
this

809  
00:33:30,430 --> 00:33:29,600  
write bullcrap books

810  
00:33:34,230 --> 00:33:30,440  
about

811  
00:33:36,149 --> 00:33:34,240  
143 extraterrestrials

812  
00:33:38,149 --> 00:33:36,159  
you know but maybe it isn't bullcrap i

813  
00:33:45,029 --> 00:33:38,159

don't know but people are making money

814

00:33:50,230 --> 00:33:46,950

and meanwhile

815

00:33:52,230 --> 00:33:50,240

government just lets it play out

816

00:33:53,590 --> 00:33:52,240

lets some people tell the truth but be

817

00:33:55,830 --> 00:33:53,600

blinded

818

00:33:57,909 --> 00:33:55,840

and camouflaged by people that don't

819

00:34:04,389 --> 00:33:57,919

tell the truth and take advantage

820

00:34:09,909 --> 00:34:06,310

um good question eve i want to start a

821

00:34:12,790 --> 00:34:09,919

petition andres actually has a great

822

00:34:13,829 --> 00:34:12,800

petition that i shared in the last show

823

00:34:16,069 --> 00:34:13,839

um

824

00:34:17,190 --> 00:34:16,079

and i wanted to put it in initial too

825

00:34:18,389 --> 00:34:17,200

but i just

826

00:34:21,030 --> 00:34:18,399

completely

827

00:34:24,869 --> 00:34:21,040

blanked out but there is a good one

828

00:34:30,550 --> 00:34:27,190

you know and then we have this uh uap

829

00:34:34,629 --> 00:34:32,550

and they're supposed to be

830

00:34:38,550 --> 00:34:34,639

transparent with congress or whatever an

831

00:34:39,669 --> 00:34:38,560

oversight then who the hell knows

832

00:34:41,510 --> 00:34:39,679

who the hell knows what's going to

833

00:34:43,030 --> 00:34:41,520

happen

834

00:34:46,550 --> 00:34:43,040

you obviously have the department of the

835

00:34:49,190 --> 00:34:46,560

defense and aoi msg playing games right

836

00:34:51,510 --> 00:34:49,200

off the start at the creation of the

837

00:34:56,470 --> 00:34:51,520

gilded brand amendment

838

00:34:56,480 --> 00:34:59,589

you know

839

00:35:02,870 --> 00:35:01,109

right away

840

00:35:06,470 --> 00:35:02,880

starting that office right before the

841

00:35:06,480 --> 00:35:10,790

trying to control everything

842

00:35:14,950 --> 00:35:12,630

and here we are the people that actually

843

00:35:17,349 --> 00:35:14,960

pay all these people to work we pay them

844

00:35:21,589 --> 00:35:17,359

we're their boss

845

00:35:25,349 --> 00:35:23,670

whatever the truth is

846

00:35:28,230 --> 00:35:25,359

they have a lot more of it and they're

847

00:35:30,150 --> 00:35:28,240

not sharing it with us

848

00:35:31,030 --> 00:35:30,160

and so we have to deal with arguments

849

00:35:32,550 --> 00:35:31,040

over

850

00:35:38,390 --> 00:35:32,560

mick west

851  
00:35:42,870 --> 00:35:39,670  
you know and

852  
00:35:47,990 --> 00:35:44,950  
or i would say debunkers not even

853  
00:35:51,510 --> 00:35:48,000  
skeptics debunkers

854  
00:35:54,390 --> 00:35:51,520  
or just um columnists

855  
00:35:58,630 --> 00:35:54,400  
who all they seem to do is write about

856  
00:36:01,270 --> 00:35:58,640  
other people in ufology and on them

857  
00:36:03,990 --> 00:36:01,280  
like that's their job

858  
00:36:05,829 --> 00:36:04,000  
is to spend so much time

859  
00:36:08,870 --> 00:36:05,839  
around something they don't even believe

860  
00:36:13,990 --> 00:36:11,670  
like the jason calvato vito

861  
00:36:15,910 --> 00:36:14,000  
whatever

862  
00:36:17,349 --> 00:36:15,920  
who spends all their time around

863  
00:36:19,109 --> 00:36:17,359

something they don't even believe in who

864

00:36:21,510 --> 00:36:19,119

does that

865

00:36:23,030 --> 00:36:21,520

it's like me just going on

866

00:36:25,190 --> 00:36:23,040

a mermaid's

867

00:36:26,950 --> 00:36:25,200

you know facebook group

868

00:36:28,550 --> 00:36:26,960

and just saying oh your full crap

869

00:36:29,990 --> 00:36:28,560

mermaids aren't real and just like

870

00:36:32,470 --> 00:36:30,000

looking at it all the time writing

871

00:36:36,069 --> 00:36:32,480

articles about it

872

00:36:38,550 --> 00:36:36,079

and how stupid it is like

873

00:36:40,710 --> 00:36:38,560

who does that

874

00:36:41,990 --> 00:36:40,720

and they want to say that

875

00:36:43,910 --> 00:36:42,000

you know the people who believe in this

876

00:36:46,470 --> 00:36:43,920

stuff are messed up in the head

877

00:36:49,190 --> 00:36:46,480

uh well when you actually look at it for

878

00:36:52,550 --> 00:36:49,200

what it is like how i just described

879

00:36:54,390 --> 00:36:52,560

um that is not true

880

00:36:57,990 --> 00:36:54,400

you have to reverse

881

00:37:02,310 --> 00:36:59,990

it's the writers

882

00:37:04,150 --> 00:37:02,320

who have the problem

883

00:37:05,750 --> 00:37:04,160

and if they want to seem

884

00:37:07,109 --> 00:37:05,760

mentally stable they should be

885

00:37:08,790 --> 00:37:07,119

transparent

886

00:37:10,950 --> 00:37:08,800

if somebody is

887

00:37:12,950 --> 00:37:10,960

paying them to do that

888

00:37:14,230 --> 00:37:12,960

because as we've learned

889

00:37:16,950 --> 00:37:14,240

there are

890

00:37:19,990 --> 00:37:16,960

so to speak stigma agents

891

00:37:26,310 --> 00:37:20,000

who believe it is their job to character

892

00:37:30,550 --> 00:37:28,150

last thing here a part of that interview

893

00:37:34,069 --> 00:37:30,560

that was been touched on by elizondo and

894

00:37:34,829 --> 00:37:34,079

other people that the capabilities of

895

00:37:39,109 --> 00:37:34,839

our

896

00:37:42,870 --> 00:37:40,870

um

897

00:37:44,950 --> 00:37:42,880

as they progress

898

00:37:48,230 --> 00:37:44,960

it will make it exceedingly

899

00:37:53,990 --> 00:37:48,240

difficult to differentiate

900

00:37:58,630 --> 00:37:55,430

and we've heard that before the only

901  
00:38:01,030 --> 00:37:58,640  
thing i can think of is

902  
00:38:03,510 --> 00:38:01,040  
that can only be possible if we maybe

903  
00:38:06,069 --> 00:38:03,520  
have some of those materials and maybe

904  
00:38:08,470 --> 00:38:06,079  
figured out how to engineer similar

905  
00:38:11,670 --> 00:38:08,480  
things

906  
00:38:14,550 --> 00:38:11,680  
and how would that happen without those

907  
00:38:17,829 --> 00:38:14,560  
ufo type of materials

908  
00:38:20,470 --> 00:38:17,839  
or understanding that those ufo type of

909  
00:38:23,750 --> 00:38:22,150  
you know

910  
00:38:25,190 --> 00:38:23,760  
so i thought that was very interesting

911  
00:38:26,790 --> 00:38:25,200  
and

912  
00:38:28,630 --> 00:38:26,800  
i'm not gonna have time to get into this

913  
00:38:30,069 --> 00:38:28,640

today

914

00:38:31,670 --> 00:38:30,079

but

915

00:38:33,829 --> 00:38:31,680

you know i took a lot of what they said

916

00:38:35,670 --> 00:38:33,839

went and did my own research and i found

917

00:38:36,470 --> 00:38:35,680

a lot i just don't have the time to

918

00:38:39,270 --> 00:38:36,480

share

919

00:38:41,190 --> 00:38:39,280

right now but i'm going to

920

00:38:42,550 --> 00:38:41,200

um but one name that keeps popping up

921

00:38:45,990 --> 00:38:42,560

for me

922

00:38:47,670 --> 00:38:46,000

is thomas bearden

923

00:38:51,270 --> 00:38:47,680

so if you know anything on that guy let

924

00:38:54,630 --> 00:38:53,349

i found some very interesting stuff from

925

00:38:56,150 --> 00:38:54,640

him

926  
00:39:00,790 --> 00:38:56,160  
that i would like to get into at some

927  
00:39:05,990 --> 00:39:02,630  
so

928  
00:39:08,630 --> 00:39:06,000  
that about does it for our

929  
00:39:11,510 --> 00:39:08,640  
coverage so to speak

930  
00:39:13,829 --> 00:39:11,520  
on that interview i put the link in the

931  
00:39:15,430 --> 00:39:13,839  
description

932  
00:39:16,790 --> 00:39:15,440  
you should definitely go

933  
00:39:19,109 --> 00:39:16,800  
check it out

934  
00:39:21,030 --> 00:39:19,119  
uh james hetfield

935  
00:39:22,710 --> 00:39:21,040  
yes this guy

936  
00:39:24,230 --> 00:39:22,720  
i found some very interesting stuff on

937  
00:39:26,950 --> 00:39:24,240  
him um

938  
00:39:29,430 --> 00:39:26,960

i know some people have said

939

00:39:32,230 --> 00:39:29,440

not such great things i'm a little green

940

00:39:34,630 --> 00:39:32,240

to the person but what i found um i

941

00:39:36,870 --> 00:39:34,640

found a few documents on government

942

00:39:38,470 --> 00:39:36,880

sources

943

00:39:41,030 --> 00:39:38,480

um that were

944

00:39:42,870 --> 00:39:41,040

pretty interesting

945

00:39:44,390 --> 00:39:42,880

so the next thing i wanted to get into

946

00:39:45,829 --> 00:39:44,400

here

947

00:39:49,670 --> 00:39:45,839

um

948

00:39:53,270 --> 00:39:50,870

is

949

00:39:56,390 --> 00:39:53,280

uh dave beatty dave beatty has been

950

00:40:00,310 --> 00:39:56,400

researching this uh 2019

951  
00:40:01,510 --> 00:40:00,320  
um ufo uap swarms that you know in the

952  
00:40:06,230 --> 00:40:01,520  
log books

953  
00:40:09,829 --> 00:40:07,990  
um

954  
00:40:11,750 --> 00:40:09,839  
and i don't think it's really you know

955  
00:40:13,910 --> 00:40:11,760  
figured out

956  
00:40:16,069 --> 00:40:13,920  
as far as what it actually is yet so

957  
00:40:18,069 --> 00:40:16,079  
that's why i put ufo

958  
00:40:19,109 --> 00:40:18,079  
because it's they're identified flying

959  
00:40:20,550 --> 00:40:19,119  
objects

960  
00:40:24,390 --> 00:40:20,560  
so whatever

961  
00:40:27,829 --> 00:40:25,910  
so i just wanted to touch on that a

962  
00:40:29,510 --> 00:40:27,839  
little bit i put the link for his

963  
00:40:31,190 --> 00:40:29,520

article in

964

00:40:33,430 --> 00:40:31,200

the description it came out on

965

00:40:35,990 --> 00:40:33,440

blackfold.com it's really well done well

966

00:40:38,230 --> 00:40:36,000

written very descriptive

967

00:40:39,030 --> 00:40:38,240

um there's really great timelines in

968

00:40:42,710 --> 00:40:39,040

there

969

00:40:45,270 --> 00:40:42,720

um he has i think uh an anonymous source

970

00:40:47,990 --> 00:40:45,280

and one that isn't anonymous that came

971

00:40:50,550 --> 00:40:48,000

out and emailed him a little bit

972

00:40:52,950 --> 00:40:50,560

um so it's really fantastic i mean there

973

00:40:54,470 --> 00:40:52,960

there were a lot of ships involved

974

00:40:56,630 --> 00:40:54,480

with this

975

00:40:58,150 --> 00:40:56,640

um over the course of many days of

976  
00:40:59,349 --> 00:40:58,160  
basically the whole month of july i

977  
00:41:02,390 --> 00:40:59,359  
think it was

978  
00:41:03,510 --> 00:41:02,400  
um uss kidd uss russell uss paul

979  
00:41:06,550 --> 00:41:03,520  
hamilton

980  
00:41:08,390 --> 00:41:06,560  
um pinckney john finn

981  
00:41:10,470 --> 00:41:08,400  
uss raphael

982  
00:41:14,470 --> 00:41:10,480  
peralta omaha

983  
00:41:17,829 --> 00:41:14,480  
giffords roosevelt and uss bunker hill

984  
00:41:21,430 --> 00:41:19,750  
that's a lot and a couple great quotes

985  
00:41:24,150 --> 00:41:21,440  
are in there that he got from his source

986  
00:41:26,630 --> 00:41:24,160  
one of which is this i quote my boy said

987  
00:41:27,670 --> 00:41:26,640  
they look like big tic tacs nothing like

988  
00:41:29,270 --> 00:41:27,680

a drone

989

00:41:31,270 --> 00:41:29,280

he said he could see them with the naked

990

00:41:33,670 --> 00:41:31,280

eye and they were almost eye level with

991

00:41:35,430 --> 00:41:33,680

the bridge hovering

992

00:41:40,390 --> 00:41:35,440

they were the same tic-tac-shaped

993

00:41:44,230 --> 00:41:42,710

pretty interesting another quote

994

00:41:46,150 --> 00:41:44,240

this is about the snoopy team whenever

995

00:41:49,109 --> 00:41:46,160

the snoopy team is called away they come

996

00:41:51,030 --> 00:41:49,119

with high-end dslr cameras and video

997

00:41:53,670 --> 00:41:51,040

cameras also calling away the snoopy

998

00:41:55,990 --> 00:41:53,680

team in u.s waters is definitely not

999

00:41:59,829 --> 00:41:56,000

something normally done

1000

00:42:03,270 --> 00:41:59,839

and doing so at night is really unusual

1001  
00:42:04,870 --> 00:42:03,280  
the team's main purpose is to help id a

1002  
00:42:07,990 --> 00:42:04,880  
vessel of interest

1003  
00:42:13,670 --> 00:42:08,000  
or document something unusual

1004  
00:42:17,270 --> 00:42:15,750  
this is pretty good another quote from

1005  
00:42:20,069 --> 00:42:17,280  
this anonymous guy

1006  
00:42:21,030 --> 00:42:20,079  
um i was there during during that

1007  
00:42:22,870 --> 00:42:21,040  
show

1008  
00:42:24,720 --> 00:42:22,880  
one of the controllers and i actually

1009  
00:42:26,069 --> 00:42:24,730  
intercepted one of these

1010  
00:42:30,390 --> 00:42:26,079  
[Music]

1011  
00:42:32,710 --> 00:42:30,400  
uh we had one versus one f a 18 super

1012  
00:42:34,390 --> 00:42:32,720  
hornets go up and one of the jets went

1013  
00:42:35,910 --> 00:42:34,400

down from maintenance before lunch so it

1014

00:42:38,150 --> 00:42:35,920

was up on a single ship we got

1015

00:42:40,630 --> 00:42:38,160

permission from whiskey

1016

00:42:43,589 --> 00:42:40,640

and they ran out on it on the intercept

1017

00:42:46,950 --> 00:42:45,430

oops

1018

00:42:48,550 --> 00:42:46,960

on the intercept the pilot was radio

1019

00:42:50,790 --> 00:42:48,560

silent but once he came back on the

1020

00:42:52,470 --> 00:42:50,800

radio he was freaked out

1021

00:42:54,390 --> 00:42:52,480

and said he had never seen anything

1022

00:42:56,710 --> 00:42:54,400

perform like

1023

00:42:58,470 --> 00:42:56,720

that as it descended vertically right in

1024

00:43:00,790 --> 00:42:58,480

front of them

1025

00:43:02,870 --> 00:43:00,800

also i know of another operations

1026

00:43:06,710 --> 00:43:02,880

specialist from the ship who has run

1027

00:43:10,230 --> 00:43:06,720

into these again in the social

1028

00:43:11,349 --> 00:43:10,240

operating area recently

1029

00:43:14,390 --> 00:43:11,359

did you hear about the incident

1030

00:43:17,589 --> 00:43:14,400

involving the uss kid in 2019

1031

00:43:22,790 --> 00:43:19,990

so we have all this stuff

1032

00:43:24,790 --> 00:43:22,800

people talking about wonderful

1033

00:43:26,950 --> 00:43:24,800

well depending what they turn out to be

1034

00:43:31,670 --> 00:43:26,960

i guess but long clear as good as you

1035

00:43:39,109 --> 00:43:34,870

dude come on man

1036

00:43:39,119 --> 00:43:43,990

stop this bull crap

1037

00:43:49,990 --> 00:43:47,270

time to stop the bull crap all right so

1038

00:43:52,829 --> 00:43:50,000

uh check out that article um i don't

1039

00:43:57,190 --> 00:43:55,109

know i'm just gonna be honest i don't

1040

00:43:59,670 --> 00:43:57,200

really care for greenwald but

1041

00:44:01,349 --> 00:43:59,680

dave beatty is a great researcher and

1042

00:44:03,750 --> 00:44:01,359

that's the medium he chose to release

1043

00:44:05,270 --> 00:44:03,760

his stuff so

1044

00:44:07,349 --> 00:44:05,280

you know um

1045

00:44:09,750 --> 00:44:07,359

when it comes down to it i'm about truth

1046

00:44:11,510 --> 00:44:09,760

over you know people's

1047

00:44:12,950 --> 00:44:11,520

individuals all that kind of stuff so i

1048

00:44:14,470 --> 00:44:12,960

don't care where he put it it's good

1049

00:44:16,710 --> 00:44:14,480

work

1050

00:44:18,309 --> 00:44:16,720

um you should go check it out

1051

00:44:20,309 --> 00:44:18,319

so

1052

00:44:22,870 --> 00:44:20,319

eve classy thanks for the super sticker

1053

00:44:24,470 --> 00:44:22,880

i appreciate it i'd take money

1054

00:44:27,430 --> 00:44:24,480

i'm not going to really ask you for it

1055

00:44:30,950 --> 00:44:27,440

or beg you for it or act like this is a

1056

00:44:36,390 --> 00:44:33,270

um but if you want to give it

1057

00:44:39,270 --> 00:44:36,400

that's awesome

1058

00:44:42,790 --> 00:44:39,280

that is awesome it's more reason for me

1059

00:44:44,390 --> 00:44:42,800

to do this stuff that's for sure

1060

00:44:47,190 --> 00:44:44,400

definitely is

1061

00:44:51,109 --> 00:44:47,200

and i won't lie about that

1062

00:44:52,550 --> 00:44:51,119

next up on the show we got one of uh our

1063

00:44:55,670 --> 00:44:52,560

favorite

1064

00:44:57,990 --> 00:44:55,680

segments is where we play some testimony

1065

00:45:00,069 --> 00:44:58,000

from some ufo sightings

1066

00:45:03,109 --> 00:45:00,079

back in the day

1067

00:45:06,230 --> 00:45:03,119

this one is super interesting

1068

00:45:08,870 --> 00:45:06,240

it is 1947

1069

00:45:13,190 --> 00:45:08,880

oak ridge tennessee

1070

00:45:17,430 --> 00:45:15,670

and um i have the photos from blue book

1071

00:45:19,190 --> 00:45:17,440

that i put over

1072

00:45:20,630 --> 00:45:19,200

the testimony so you can look at them as

1073

00:45:22,870 --> 00:45:20,640

the dude talks

1074

00:45:24,790 --> 00:45:22,880

so exactly when and where did you see

1075

00:45:27,589 --> 00:45:24,800

yourself mr brummett

1076

00:45:29,109 --> 00:45:27,599

it was about dark two weeks ago the day

1077

00:45:31,190 --> 00:45:29,119

before reports were carried in the

1078

00:45:33,030 --> 00:45:31,200

papers all over the country i saw it

1079

00:45:34,790 --> 00:45:33,040

from the front porch in elizabethton for

1080

00:45:36,550 --> 00:45:34,800

about five seconds

1081

00:45:39,030 --> 00:45:36,560

the front part of the object was over

1082

00:45:40,870 --> 00:45:39,040

shaped it was a dark bluish color and

1083

00:45:42,710 --> 00:45:40,880

had a flaming red tail

1084

00:45:44,950 --> 00:45:42,720

it was moving horizontal to the earth

1085

00:45:47,270 --> 00:45:44,960

just like an airplane but it wasn't for

1086

00:45:49,190 --> 00:45:47,280

the lights was quipping you said had a

1087

00:45:50,230 --> 00:45:49,200

red tail could it have been a falling

1088

00:45:53,990 --> 00:45:50,240

star

1089

00:45:55,829 --> 00:45:54,000

my life but never anything like this

1090

00:45:57,510 --> 00:45:55,839

flying saucer before

1091

00:45:58,390 --> 00:45:57,520

it was too bright and too red to be a

1092

00:46:00,150 --> 00:45:58,400

star

1093

00:46:02,630 --> 00:46:00,160

well warden brummett there's a rumor in

1094

00:46:04,710 --> 00:46:02,640

these parts that the dancing death might

1095

00:46:05,670 --> 00:46:04,720

be atomic energy on the loose from oak

1096

00:46:07,190 --> 00:46:05,680

ridge

1097

00:46:08,950 --> 00:46:07,200

i don't believe that

1098

00:46:10,069 --> 00:46:08,960

if it had anything to do with atomic

1099

00:46:11,990 --> 00:46:10,079

energy the government would have

1100

00:46:13,670 --> 00:46:12,000

announced it by this time certainly well

1101  
00:46:18,870 --> 00:46:13,680  
thank you state game warden ernest

1102  
00:46:24,870 --> 00:46:22,710  
as kind of a short one so but i have

1103  
00:46:26,550 --> 00:46:24,880  
um a couple more that are pretty good

1104  
00:46:28,550 --> 00:46:26,560  
but that was interesting and the case

1105  
00:46:31,030 --> 00:46:28,560  
for that is very interesting as well

1106  
00:46:32,230 --> 00:46:31,040  
that i'd like to get into on um an

1107  
00:46:33,190 --> 00:46:32,240  
episode

1108  
00:46:35,750 --> 00:46:33,200  
um

1109  
00:46:36,110 --> 00:46:35,760  
soon hopefully

1110  
00:46:37,270 --> 00:46:36,120  
um

1111  
00:46:40,950 --> 00:46:37,280  
[Music]

1112  
00:46:42,630 --> 00:46:40,960  
because oak ridge 1947 is is just yeah

1113  
00:46:44,790 --> 00:46:42,640

it's really good one

1114

00:46:46,470 --> 00:46:44,800

it's a really really good one

1115

00:46:48,790 --> 00:46:46,480

so let's see

1116

00:46:50,470 --> 00:46:48,800

um this one

1117

00:46:54,829 --> 00:46:50,480

is

1118

00:46:56,470 --> 00:46:54,839

a report from a police officer

1119

00:46:59,910 --> 00:46:56,480

and

1120

00:47:02,309 --> 00:46:59,920

um this kid reported this um sighting of

1121

00:47:04,069 --> 00:47:02,319

the ufo coming out of the lake it's

1122

00:47:06,150 --> 00:47:04,079

pretty good

1123

00:47:07,750 --> 00:47:06,160

reporting center hi this is sergeants

1124

00:47:10,790 --> 00:47:07,760

from the webster massachusetts police

1125

00:47:12,550 --> 00:47:10,800

calling we have a resident that's uh

1126  
00:47:14,309 --> 00:47:12,560  
claiming they saw something today that

1127  
00:47:16,069 --> 00:47:14,319  
they've never seen before

1128  
00:47:17,910 --> 00:47:16,079  
in the lake area

1129  
00:47:20,150 --> 00:47:17,920  
and i was just there and i took a

1130  
00:47:23,510 --> 00:47:20,160  
statement from this individual and seems

1131  
00:47:25,829 --> 00:47:23,520  
to be okay you know not living in the

1132  
00:47:27,910 --> 00:47:25,839  
future or the past or anything like that

1133  
00:47:28,790 --> 00:47:27,920  
and very adamant about what they saw

1134  
00:47:30,630 --> 00:47:28,800  
okay

1135  
00:47:32,470 --> 00:47:30,640  
it's a young man about 11 years old

1136  
00:47:34,069 --> 00:47:32,480  
who's not in school today but he was

1137  
00:47:35,510 --> 00:47:34,079  
home with his dad but his dad

1138  
00:47:36,829 --> 00:47:35,520

unfortunately was in the shower at the

1139

00:47:39,109 --> 00:47:36,839

time he made this

1140

00:47:41,510 --> 00:47:39,119

observation they live on the lake

1141

00:47:43,030 --> 00:47:41,520

waterfront property okay and he claims

1142

00:47:44,870 --> 00:47:43,040

he was standing in his living room

1143

00:47:46,390 --> 00:47:44,880

overlooking the lake through a large

1144

00:47:48,470 --> 00:47:46,400

glass window

1145

00:47:51,589 --> 00:47:48,480

and about 30 feet from the shoreline he

1146

00:47:52,549 --> 00:47:51,599

saw what he believed to be bubbles that

1147

00:47:54,630 --> 00:47:52,559

come

1148

00:47:56,870 --> 00:47:54,640

up through the water yes

1149

00:47:59,349 --> 00:47:56,880

and the bubbles became more

1150

00:48:01,670 --> 00:47:59,359

uh prevalent as he watched and then came

1151  
00:48:04,950 --> 00:48:01,680  
to a point like they were boiling

1152  
00:48:07,589 --> 00:48:04,960  
in a circumference of about 15 feet yes

1153  
00:48:09,750 --> 00:48:07,599  
after eight to 12 seconds of this

1154  
00:48:11,589 --> 00:48:09,760  
boiling he saw an object come up out of

1155  
00:48:12,549 --> 00:48:11,599  
the water and go straight up into the

1156  
00:48:13,670 --> 00:48:12,559  
air

1157  
00:48:15,510 --> 00:48:13,680  
it was a

1158  
00:48:17,670 --> 00:48:15,520  
circular colored

1159  
00:48:20,470 --> 00:48:17,680  
circular shaped object

1160  
00:48:22,790 --> 00:48:20,480  
probably 12 to 15 feet in diameter about

1161  
00:48:24,630 --> 00:48:22,800  
four to five feet height

1162  
00:48:27,589 --> 00:48:24,640  
and it was brown

1163  
00:48:29,589 --> 00:48:27,599

or black in color real dark color okay

1164

00:48:31,829 --> 00:48:29,599

it wasn't spinning

1165

00:48:33,349 --> 00:48:31,839

i didn't make any noise

1166

00:48:35,270 --> 00:48:33,359

and it just went right straight up until

1167

00:48:37,349 --> 00:48:35,280

it went out of sight

1168

00:48:39,430 --> 00:48:37,359

and i talked to the kid at length i

1169

00:48:41,030 --> 00:48:39,440

asked him he hadn't seen any tv shows

1170

00:48:42,950 --> 00:48:41,040

concerning this type of

1171

00:48:47,109 --> 00:48:42,960

thing or reading any books

1172

00:48:48,470 --> 00:48:47,119

he says no a very intelligent kid

1173

00:48:51,829 --> 00:48:48,480

i had no reason to believe he's not

1174

00:48:55,349 --> 00:48:53,430

i've never dealt with anything like this

1175

00:48:57,430 --> 00:48:55,359

before so you know i'm sure i didn't ask

1176

00:48:59,109 --> 00:48:57,440

some of the right questions but uh it's

1177

00:49:00,950 --> 00:48:59,119

not a kid that's living you know a

1178

00:49:03,349 --> 00:49:00,960

fantasy life anyway very intelligent

1179

00:49:05,270 --> 00:49:03,359

young man

1180

00:49:08,069 --> 00:49:05,280

he made this observation

1181

00:49:09,190 --> 00:49:08,079

around 11 o'clock this morning okay what

1182

00:49:11,750 --> 00:49:09,200

was the city

1183

00:49:13,430 --> 00:49:11,760

webster webster right what was the name

1184

00:49:15,190 --> 00:49:13,440

of that play

1185

00:49:18,870 --> 00:49:15,200

well we call it what's the lake but it's

1186

00:49:22,470 --> 00:49:21,109

okay that's the one you've heard of that

1187

00:49:26,069 --> 00:49:22,480

one

1188

00:49:30,230 --> 00:49:28,630

i don't know what that was about but

1189

00:49:32,480 --> 00:49:30,240

um so that was a pretty interesting one

1190

00:49:34,230 --> 00:49:32,490

young kid coming out of the lake um

1191

00:49:35,670 --> 00:49:34,240

[Music]

1192

00:49:37,270 --> 00:49:35,680

you know what are you supposed to do

1193

00:49:38,790 --> 00:49:37,280

with that he's an intelligent kid he

1194

00:49:40,230 --> 00:49:38,800

said they had his wits about him

1195

00:49:42,710 --> 00:49:40,240

reported this the police took it

1196

00:49:43,670 --> 00:49:42,720

seriously enough to to call it in

1197

00:49:45,349 --> 00:49:43,680

um

1198

00:49:50,790 --> 00:49:45,359

pretty interesting

1199

00:49:52,950 --> 00:49:50,800

you know i

1200

00:49:54,950 --> 00:49:52,960

and you hear about these child

1201

00:49:57,109 --> 00:49:54,960

um sightings

1202

00:49:58,870 --> 00:49:57,119

from the past like i i feel like i hear

1203

00:50:00,630 --> 00:49:58,880

about a new one all the time and then

1204

00:50:02,630 --> 00:50:00,640

you can go straight to the aerial school

1205

00:50:03,829 --> 00:50:02,640

westdall all those

1206

00:50:05,829 --> 00:50:03,839

um

1207

00:50:08,950 --> 00:50:05,839

although the one thing i hear sometimes

1208

00:50:11,270 --> 00:50:08,960

is you know kids wouldn't lie

1209

00:50:15,829 --> 00:50:13,990

you know full disclosure i was a kid

1210

00:50:17,270 --> 00:50:15,839

once

1211

00:50:19,510 --> 00:50:17,280

and

1212

00:50:22,069 --> 00:50:19,520

i also lied

1213

00:50:24,829 --> 00:50:22,079

not about a ufo but uh

1214

00:50:27,670 --> 00:50:24,839

i've lived before as a kid

1215

00:50:30,309 --> 00:50:27,680

um but you know the group sightings like

1216

00:50:31,670 --> 00:50:30,319

that stuff is too complicated to be in

1217

00:50:33,990 --> 00:50:31,680

sync with all those different kids

1218

00:50:34,950 --> 00:50:34,000

explaining the same thing like that but

1219

00:50:37,030 --> 00:50:34,960

um

1220

00:50:40,150 --> 00:50:37,040

i don't know i don't know why this

1221

00:50:41,910 --> 00:50:40,160

intelligent smart kid would you know

1222

00:50:43,430 --> 00:50:41,920

report something like that if there was

1223

00:50:45,510 --> 00:50:43,440

no truth to it

1224

00:50:47,349 --> 00:50:45,520

you know can i say it is true or not

1225

00:50:49,349 --> 00:50:47,359

true no

1226

00:50:51,910 --> 00:50:49,359

but uh it's definitely worth listening

1227

00:50:54,150 --> 00:50:51,920

to this last video or some clip i wanted

1228

00:50:56,069 --> 00:50:54,160

to play is really interesting because

1229

00:50:57,349 --> 00:50:56,079

it's um a case that i've done a lot of

1230

00:51:01,990 --> 00:50:57,359

research on

1231

00:51:03,990 --> 00:51:02,000

and it's um washington dc 1952

1232

00:51:05,430 --> 00:51:04,000

in july

1233

00:51:06,710 --> 00:51:05,440

there were

1234

00:51:08,470 --> 00:51:06,720

you probably know the story over the

1235

00:51:10,950 --> 00:51:08,480

course of two weekends there's a lot of

1236

00:51:13,589 --> 00:51:10,960

different sightings visual radar got

1237

00:51:15,589 --> 00:51:13,599

chalked up to um temperature inversions

1238

00:51:18,069 --> 00:51:15,599

which i've debunked

1239

00:51:20,549 --> 00:51:18,079

um in a separate video that i've that i

1240

00:51:23,109 --> 00:51:20,559

put forth on my youtube channel

1241

00:51:25,430 --> 00:51:23,119

about those sightings

1242

00:51:27,589 --> 00:51:25,440

um but i wish i would have known about

1243

00:51:29,430 --> 00:51:27,599

this clip that i'm about to play then

1244

00:51:33,030 --> 00:51:29,440

because i think it's pretty impactful

1245

00:51:35,510 --> 00:51:33,040

especially the story that he tells um

1246

00:51:38,870 --> 00:51:35,520

which you know i've read about in in

1247

00:51:41,430 --> 00:51:38,880

documents but just hearing albert chop

1248

00:51:44,150 --> 00:51:41,440

discuss it uh it's pretty breathtaking

1249

00:51:45,349 --> 00:51:44,160

about how they've vectored a jet or a

1250

00:51:47,270 --> 00:51:45,359

plane

1251  
00:51:49,109 --> 00:51:47,280  
to these

1252  
00:51:51,670 --> 00:51:49,119  
um you have these blips on the on the

1253  
00:51:53,829 --> 00:51:51,680  
radar and he

1254  
00:51:55,190 --> 00:51:53,839  
reported describing

1255  
00:51:57,349 --> 00:51:55,200  
uh seeing them

1256  
00:51:58,390 --> 00:51:57,359  
basically surround them

1257  
00:52:00,549 --> 00:51:58,400  
so

1258  
00:52:02,790 --> 00:52:00,559  
it's a pretty good one

1259  
00:52:05,430 --> 00:52:02,800  
well there had been sightings made from

1260  
00:52:07,750 --> 00:52:05,440  
the ground people seeing strange lights

1261  
00:52:09,829 --> 00:52:07,760  
in the sky there had been a radar

1262  
00:52:12,790 --> 00:52:09,839  
observation that happened on a saturday

1263  
00:52:14,630 --> 00:52:12,800

night and it was carried in the papers

1264

00:52:16,390 --> 00:52:14,640

throughout the country the next day the

1265

00:52:18,950 --> 00:52:16,400

reports of the sightings

1266

00:52:21,430 --> 00:52:18,960

and that didn't cause too much of a stir

1267

00:52:24,230 --> 00:52:21,440

however the following saturday night

1268

00:52:26,470 --> 00:52:24,240

the same thing happened the ground radar

1269

00:52:29,430 --> 00:52:26,480

at washington international was picking

1270

00:52:32,069 --> 00:52:29,440

up ufo returns and people were reporting

1271

00:52:35,109 --> 00:52:32,079

eyewitness sightings of strange lights

1272

00:52:36,950 --> 00:52:35,119

in the sky and the press having gone

1273

00:52:38,870 --> 00:52:36,960

through this thing the week before were

1274

00:52:40,950 --> 00:52:38,880

better prepared and they were down at

1275

00:52:43,910 --> 00:52:40,960

the gate at the washington international

1276  
00:52:45,910 --> 00:52:43,920  
airport and were asking for answers to

1277  
00:52:47,750 --> 00:52:45,920  
their questions on what these things

1278  
00:52:49,270 --> 00:52:47,760  
were that were being picked up by radar

1279  
00:52:51,270 --> 00:52:49,280  
somehow they got the word that they were

1280  
00:52:52,870 --> 00:52:51,280  
being picked up by radar and so they

1281  
00:52:54,710 --> 00:52:52,880  
called me at home and i went on down

1282  
00:52:55,910 --> 00:52:54,720  
there to see if we couldn't answer some

1283  
00:52:58,069 --> 00:52:55,920  
of the questions

1284  
00:52:59,829 --> 00:52:58,079  
and when i got down there my

1285  
00:53:01,349 --> 00:52:59,839  
life magazine was there and a few other

1286  
00:53:03,750 --> 00:53:01,359  
publications some of the local

1287  
00:53:05,670 --> 00:53:03,760  
newspapers and we did ask the air

1288  
00:53:08,150 --> 00:53:05,680

defense command to send up a flight of

1289

00:53:10,549 --> 00:53:08,160

interceptors they did send up a flight

1290

00:53:12,549 --> 00:53:10,559

the flight failed to see anything

1291

00:53:14,470 --> 00:53:12,559

although we were getting the target

1292

00:53:17,190 --> 00:53:14,480

returns on the ground and trying to

1293

00:53:19,990 --> 00:53:17,200

direct them to the targets they failed

1294

00:53:22,150 --> 00:53:20,000

to report that they saw anything and uh

1295

00:53:24,069 --> 00:53:22,160

subsequently they went back to newcastle

1296

00:53:25,910 --> 00:53:24,079

delaware where they were based and along

1297

00:53:27,589 --> 00:53:25,920

about two or three in the morning we

1298

00:53:29,670 --> 00:53:27,599

asked for another flight because we were

1299

00:53:31,990 --> 00:53:29,680

still getting these returns and they

1300

00:53:34,470 --> 00:53:32,000

sent up another flight this time one of

1301

00:53:36,470 --> 00:53:34,480

the pilots reported that he did see a

1302

00:53:39,030 --> 00:53:36,480

group of lights that we were trying to

1303

00:53:41,349 --> 00:53:39,040

direct him to or a group of targets

1304

00:53:43,990 --> 00:53:41,359

and he flew towards them

1305

00:53:46,230 --> 00:53:44,000

and obviously from his report then they

1306

00:53:48,710 --> 00:53:46,240

appeared to be all around him which he

1307

00:53:50,870 --> 00:53:48,720

reported to us and then they moved off

1308

00:53:52,549 --> 00:53:50,880

according to the ground radar and

1309

00:53:53,670 --> 00:53:52,559

according to his report he said they're

1310

00:53:55,750 --> 00:53:53,680

going away

1311

00:53:57,430 --> 00:53:55,760

and he then returned to the base and

1312

00:54:09,430 --> 00:53:57,440

that's about the gist of what happened

1313

00:54:14,549 --> 00:54:11,030

yeah so those are pretty impactful

1314

00:54:15,990 --> 00:54:14,559

sightings 1952 july um

1315

00:54:20,630 --> 00:54:16,000

pretty

1316

00:54:24,309 --> 00:54:20,640

just that whole year was

1317

00:54:27,109 --> 00:54:24,319

was bananas as far as sightings by far

1318

00:54:30,230 --> 00:54:27,119

the biggest year of ufos and reported

1319

00:54:33,109 --> 00:54:30,240

sightings most definitely

1320

00:54:34,710 --> 00:54:33,119

and so yeah just want to play that hope

1321

00:54:35,910 --> 00:54:34,720

you enjoyed it it's interesting hearing

1322

00:54:36,829 --> 00:54:35,920

about that

1323

00:54:40,390 --> 00:54:36,839

um

1324

00:54:42,390 --> 00:54:40,400

now what we're gonna do

1325

00:54:44,069 --> 00:54:42,400

is

1326

00:54:46,549 --> 00:54:44,079

something

1327

00:54:52,470 --> 00:54:46,559

fun where we kind of just lay back relax

1328

00:54:56,069 --> 00:54:54,309

what the heck is that what the heck is

1329

00:55:03,510 --> 00:54:56,079

that

1330

00:55:04,390 --> 00:55:03,520

uh you may

1331

00:55:08,390 --> 00:55:04,400

but

1332

00:55:10,069 --> 00:55:08,400

that's not important because i don't

1333

00:55:11,670 --> 00:55:10,079

so today today we're going to do

1334

00:55:13,670 --> 00:55:11,680

something a little uh different with

1335

00:55:16,309 --> 00:55:13,680

that um

1336

00:55:18,549 --> 00:55:16,319

you can find a lot of videos on reddit

1337

00:55:22,230 --> 00:55:18,559

now a lot of the videos are crap on

1338

00:55:23,990 --> 00:55:22,240

reddit um probably most of them

1339

00:55:26,150 --> 00:55:24,000

but

1340

00:55:27,030 --> 00:55:26,160

there's probably the biggest supply of

1341

00:55:29,910 --> 00:55:27,040

home

1342

00:55:32,470 --> 00:55:29,920

uh filmed videos off reddit so i hope

1343

00:55:34,950 --> 00:55:32,480

you don't mind what i did here is really

1344

00:55:37,510 --> 00:55:34,960

just did like a screen

1345

00:55:39,430 --> 00:55:37,520

recording on my phone of it

1346

00:55:41,750 --> 00:55:39,440

and

1347

00:55:43,589 --> 00:55:41,760

we're just going to

1348

00:55:47,270 --> 00:55:43,599

look at that pretty much

1349

00:55:47,280 --> 00:55:50,630

and

1350

00:55:54,069 --> 00:55:52,549

i don't know why it's not sharing it

1351  
00:55:55,589 --> 00:55:54,079  
though

1352  
00:55:57,349 --> 00:55:55,599  
for some reason

1353  
00:56:07,910 --> 00:55:57,359  
so

1354  
00:56:07,920 --> 00:56:14,150  
here we go the first one

1355  
00:56:14,160 --> 00:56:17,910  
ah no sound sorry about that

1356  
00:56:22,710 --> 00:56:20,069  
i screwed that up

1357  
00:56:22,720 --> 00:56:28,710  
that looks pretty crazy

1358  
00:56:33,109 --> 00:56:30,870  
oh it's split in two i didn't notice

1359  
00:56:49,349 --> 00:56:33,119  
that the first time

1360  
00:56:49,359 --> 00:56:56,630  
and just got split into here

1361  
00:57:00,390 --> 00:56:58,470  
yeah so that's one i didn't get the

1362  
00:57:01,990 --> 00:57:00,400  
sound unfortunately but

1363  
00:57:03,910 --> 00:57:02,000

you know what are they gonna say

1364

00:57:06,390 --> 00:57:03,920

what do you expect them to say oh this

1365

00:57:08,150 --> 00:57:06,400

is fake i'm making this up this is not a

1366

00:57:09,349 --> 00:57:08,160

real video

1367

00:57:11,750 --> 00:57:09,359

you know they're not saying that

1368

00:57:14,390 --> 00:57:11,760

probably saying something like whoa

1369

00:57:15,670 --> 00:57:14,400

or cool

1370

00:57:17,109 --> 00:57:15,680

look at that

1371

00:57:18,470 --> 00:57:17,119

you know something like that so here's

1372

00:57:22,309 --> 00:57:18,480

the other one

1373

00:57:41,109 --> 00:57:22,319

not as good if you ask me but

1374

00:57:45,510 --> 00:57:43,829

this is interesting to me too it's hard

1375

00:57:51,270 --> 00:57:45,520

to tell what it is without a field of

1376

00:57:51,280 --> 00:57:55,270

you know

1377

00:57:57,910 --> 00:57:56,069

so

1378

00:57:59,190 --> 00:57:57,920

i don't know maybe

1379

00:58:01,349 --> 00:57:59,200

especially if you're looking at this

1380

00:58:04,870 --> 00:58:01,359

stuff on a phone maybe the

1381

00:58:09,030 --> 00:58:04,880

uh reddit videos isn't

1382

00:58:11,190 --> 00:58:09,040

a fantastic way to go

1383

00:58:14,470 --> 00:58:11,200

because it makes it to you know because

1384

00:58:19,670 --> 00:58:16,710

so

1385

00:58:23,589 --> 00:58:19,680

maybe it not the best way to go

1386

00:58:26,230 --> 00:58:23,599

but we can watch this one

1387

00:58:29,510 --> 00:58:26,240

that i have saved on youtube by the way

1388

00:58:31,589 --> 00:58:29,520

i encourage you to email me and send me

1389

00:58:33,270 --> 00:58:31,599

your videos you don't have to have taken

1390

00:58:34,789 --> 00:58:33,280

them but videos that you would like to

1391

00:58:37,270 --> 00:58:34,799

see

1392

00:58:41,589 --> 00:58:37,280

on this show that's less work i have to

1393

00:58:44,789 --> 00:58:41,599

do so you can email them to me at um

1394

00:58:48,549 --> 00:58:47,190

at witness citizen dot com you can email

1395

00:58:53,430 --> 00:58:48,559

them to me

1396

00:58:57,670 --> 00:58:53,440

and i can incorporate them in this

1397

00:59:02,710 --> 00:58:59,349

and i would

1398

00:59:05,990 --> 00:59:03,750

you know

1399

00:59:07,990 --> 00:59:06,000

some other people

1400

00:59:09,589 --> 00:59:08,000

taking part and doing their thing that

1401

00:59:11,430 --> 00:59:09,599

way so

1402

00:59:13,510 --> 00:59:11,440

this is the last one we're going to

1403

00:59:14,630 --> 00:59:13,520

watch

1404

00:59:15,829 --> 00:59:14,640

and

1405

00:59:17,190 --> 00:59:15,839

you guys have probably seen this one

1406

00:59:19,270 --> 00:59:17,200

already

1407

00:59:20,150 --> 00:59:19,280

to be quite honest with you

1408

00:59:22,549 --> 00:59:20,160

but

1409

00:59:25,030 --> 00:59:22,559

it's a pretty good one

1410

00:59:27,349 --> 00:59:25,040

about some of the day's most interesting

1411

00:59:29,510 --> 00:59:27,359

stories including another video richard

1412

00:59:31,270 --> 00:59:29,520

from high in the skies that's very hard

1413

00:59:33,270 --> 00:59:31,280

to explain

1414

00:59:35,510 --> 00:59:33,280

yeah what is it erica i want to show you

1415

00:59:37,829 --> 00:59:35,520

this it's another ufo video that's been

1416

00:59:39,510 --> 00:59:37,839

making the rounds this is i was it

1417

00:59:42,470 --> 00:59:39,520

appeared on social media it was shot by

1418

00:59:44,470 --> 00:59:42,480

a u.s military pilot uh who was flying

1419

00:59:46,390 --> 00:59:44,480

over the south china sea

1420

00:59:49,190 --> 00:59:46,400

filmed on the 24th of november it just

1421

00:59:50,789 --> 00:59:49,200

came out last week pilot was at 39 000

1422

00:59:53,430 --> 00:59:50,799

not far off the coast of hong kong when

1423

00:59:55,829 --> 00:59:53,440

he seen this out the window uh three

1424

00:59:56,789 --> 00:59:55,839

sets of super lights flying above the

1425

00:59:58,069 --> 00:59:56,799

clouds

1426

01:00:05,109 --> 00:59:58,079

in unison

1427

01:00:09,349 --> 01:00:06,870

not clear what it is the video though

1428

01:00:11,670 --> 01:00:09,359

comes at the end of a year that has seen

1429

01:00:13,829 --> 01:00:11,680

the ufo phenomenon gain widespread

1430

01:00:15,589 --> 01:00:13,839

acceptance just the other week the u.s

1431

01:00:17,270 --> 01:00:15,599

department of defense announced the

1432

01:00:19,750 --> 01:00:17,280

lodge of another

1433

01:00:24,150 --> 01:00:19,760

new ufo task force so what is it maybe

1434

01:00:24,160 --> 01:00:27,190

santa claus

1435

01:00:32,789 --> 01:00:30,069

robert says uh those are definitely fair

1436

01:00:34,630 --> 01:00:32,799

flares i wouldn't disagree with that i

1437

01:00:36,470 --> 01:00:34,640

wouldn't disagree with that yes for this

1438

01:00:37,829 --> 01:00:36,480

very reason because you can see they

1439

01:00:41,190 --> 01:00:37,839

kind of

1440

01:00:44,630 --> 01:00:41,200

disappear almost one at a time

1441

01:00:46,789 --> 01:00:44,640

so see you jos thanks for coming

1442

01:00:50,309 --> 01:00:46,799

thanks for hanging out

1443

01:00:52,870 --> 01:00:50,319

um the springfield cube i think i

1444

01:00:55,670 --> 01:00:52,880

may have shown that one last episode i'm

1445

01:00:57,510 --> 01:00:55,680

not completely positive though so not

1446

01:00:59,190 --> 01:00:57,520

completely sure

1447

01:01:01,990 --> 01:00:59,200

but yeah send me any videos you want to

1448

01:01:03,510 --> 01:01:02,000

see to my email or or you know if you

1449

01:01:04,470 --> 01:01:03,520

follow me on twitter whatever you can

1450

01:01:06,789 --> 01:01:04,480

always

1451

01:01:09,430 --> 01:01:06,799

send me a message there or

1452

01:01:11,589 --> 01:01:09,440

take me in a post or something

1453

01:01:14,710 --> 01:01:11,599

whatever works best for you

1454

01:01:16,950 --> 01:01:14,720

you can do that and we can kind of

1455

01:01:21,750 --> 01:01:16,960

uh spread the love a little bit

1456

01:01:21,760 --> 01:01:26,630

i'm down with that

1457

01:01:31,829 --> 01:01:29,030

some flare expert

1458

01:01:33,750 --> 01:01:31,839

as their flare experts

1459

01:01:36,470 --> 01:01:33,760

that would be a weird thing to be

1460

01:01:39,030 --> 01:01:36,480

i'm a flare expert

1461

01:01:41,750 --> 01:01:39,040

so with that being said um i hope you

1462

01:01:44,390 --> 01:01:41,760

guys had a good time today on the show

1463

01:01:46,069 --> 01:01:44,400

we did cover a lot of stuff i thought

1464

01:01:48,230 --> 01:01:46,079

um

1465

01:01:50,870 --> 01:01:48,240

and i appreciate you guys hanging out

1466

01:01:52,470 --> 01:01:50,880

for sure send me whatever ufo videos

1467

01:01:53,910 --> 01:01:52,480

you'd like to see on here

1468

01:01:55,990 --> 01:01:53,920

good ones or

1469

01:01:56,370 --> 01:01:56,000

or whatever you know

1470

01:01:58,230 --> 01:01:56,380

um

1471

01:02:00,150 --> 01:01:58,240

[Music]

1472

01:02:01,589 --> 01:02:00,160

i usually that's like the last thing i

1473

01:02:02,870 --> 01:02:01,599

decide to do is go and try and find

1474

01:02:03,990 --> 01:02:02,880

videos so

1475

01:02:06,870 --> 01:02:04,000

you know

1476  
01:02:08,069 --> 01:02:06,880  
i'm not always getting the best ones per

1477  
01:02:10,069 --> 01:02:08,079  
se but

1478  
01:02:11,990 --> 01:02:10,079  
i'll try to put some time into that and

1479  
01:02:13,670 --> 01:02:12,000  
stack them up for a few episodes at a

1480  
01:02:15,910 --> 01:02:13,680  
time or something so

1481  
01:02:17,270 --> 01:02:15,920  
everybody i want to thank you uh for

1482  
01:02:19,270 --> 01:02:17,280  
hanging out what i'm going to finish

1483  
01:02:21,829 --> 01:02:19,280  
this episode with a new song so those

1484  
01:02:24,309 --> 01:02:21,839  
who like my music hang out listen to it

1485  
01:02:26,150 --> 01:02:24,319  
uh for those of you who don't really

1486  
01:02:28,390 --> 01:02:26,160  
care one way or another

1487  
01:02:29,670 --> 01:02:28,400  
peace out

1488  
01:02:31,670 --> 01:02:29,680

um

1489

01:02:33,750 --> 01:02:31,680

somebody in here said they saw the 23

1490

01:02:34,950 --> 01:02:33,760

minute video so make sure you send me an

1491

01:02:36,950 --> 01:02:34,960

email

1492

01:02:41,270 --> 01:02:36,960

um and tell me all about it send me the

1493

01:02:47,829 --> 01:02:44,150

so otherwise uh yeah surf psych toby

1494

01:02:48,870 --> 01:02:47,839

nigel james robert uh laura

1495

01:02:50,950 --> 01:02:48,880

lionel

1496

01:02:52,630 --> 01:02:50,960

bigfoot cyber

1497

01:02:53,750 --> 01:02:52,640

k-42d

1498

01:02:55,829 --> 01:02:53,760

toby

1499

01:02:58,470 --> 01:02:55,839

um

1500

01:03:00,789 --> 01:02:58,480

everybody else james

1501

01:03:03,190 --> 01:03:00,799

if i'm missing anyone joe steve clancy

1502

01:03:04,870 --> 01:03:03,200

earlier jim sutfield

1503

01:03:06,950 --> 01:03:04,880

if i'm missing anyone sorry about that

1504

01:03:08,630 --> 01:03:06,960

laura sosa thank you

1505

01:03:12,870 --> 01:03:08,640

appreciate it

1506

01:05:29,109 --> 01:03:12,880

and we will see you next time

1507

01:05:29,119 --> 01:05:32,309

what a freaking joke

1508

01:05:36,390 --> 01:05:33,750

what a joke

1509

01:05:39,190 --> 01:05:36,400

i cannot believe that grip

1510

01:05:41,589 --> 01:05:39,200

that pisses me off

1511

01:05:43,349 --> 01:05:41,599

i'm not really pissed off but

1512

01:05:45,910 --> 01:05:43,359

i tried something different didn't work

1513

01:05:48,829 --> 01:05:47,270

hope you dig

1514

01:05:55,190 --> 01:05:48,839

in need of

1515

01:06:03,109 --> 01:05:58,080

if you believe in that sort of thing

1516

01:06:06,760 --> 01:06:03,119

[Music]

1517

01:06:10,710 --> 01:06:06,770

most around but i'm always in

1518

01:06:18,630 --> 01:06:14,670

i'm kind of known for that sort of thing

1519

01:06:20,870 --> 01:06:18,640

[Music]

1520

01:06:26,309 --> 01:06:20,880

yeah i'm honest

1521

01:06:33,589 --> 01:06:30,540

rather it's me than you being something

1522

01:06:33,589 --> 01:06:33,599

[Music]

1523

01:06:33,599 --> 01:06:37,589

and aren't we lucky

1524

01:06:41,349 --> 01:06:39,410

to believe

1525

01:07:12,710 --> 01:06:41,359

[Music]

1526  
01:07:12,720 --> 01:07:18,070  
through the painting

1527  
01:07:35,750 --> 01:07:32,940  
[Music]

1528  
01:07:40,680 --> 01:07:35,760  
[Laughter]

1529  
01:07:51,430 --> 01:07:41,000  
[Applause]

1530  
01:07:51,440 --> 01:07:56,470  
in life

1531  
01:07:56,480 --> 01:08:01,430  
in space and time

1532  
01:08:06,400 --> 01:08:03,990  
yes i'm honest

1533  
01:08:09,750 --> 01:08:06,410  
and it hurts me sometimes

1534  
01:08:14,860 --> 01:08:13,190  
rather it's me than you being

1535  
01:08:18,229 --> 01:08:14,870  
there's something

1536  
01:08:25,189 --> 01:08:18,239  
[Music]

1537  
01:08:29,430 --> 01:08:27,590  
please for me

1538  
01:08:32,789 --> 01:08:29,440

pretend to be

1539

01:08:32,799 --> 01:08:36,390

of lucky

1540

01:08:43,990 --> 01:08:38,370

to

1541

01:08:46,800 --> 01:08:44,000

[Music]

1542

01:08:56,480 --> 01:08:46,810

would we be

1543

01:09:05,000 --> 01:09:03,829

[Music]

1544

01:09:05,190 --> 01:09:05,010

another

1545

01:09:14,870 --> 01:09:05,200

[Applause]

1546

01:09:14,880 --> 01:09:19,030

will die

1547

01:09:19,040 --> 01:09:21,870

in space

1548

01:09:23,820 --> 01:09:23,570

[Music]

1549

01:09:39,669 --> 01:09:23,830

[Applause]

1550

01:10:00,550 --> 01:09:39,679

[Music]

1551

01:10:00,560 --> 01:10:03,430

space

1552

01:10:20,950 --> 01:10:10,990

[Music]
