

1  
00:02:01,670 --> 00:00:12,900

[Music]

2  
00:02:17,670 --> 00:02:10,869

b

3  
00:02:24,390 --> 00:02:18,710

uh

4  
00:02:29,030 --> 00:02:26,790

the feeling of an

5  
00:02:31,910 --> 00:02:29,040  
overwhelming sense of beauty can strike

6  
00:02:38,390 --> 00:02:33,670  
although when trying to define it the

7  
00:02:40,630 --> 00:02:38,400  
fine points of a recipe be play elusive

8  
00:02:42,150 --> 00:02:40,640  
i can't help but think it's meant to be

9  
00:02:43,830 --> 00:02:42,160  
that way

10  
00:02:45,589 --> 00:02:43,840  
not so much as the human race is

11  
00:02:49,430 --> 00:02:45,599  
incapable of touching the thread that

12  
00:02:54,229 --> 00:02:51,589  
but more so that the vision it takes to

13  
00:02:56,949 --> 00:02:54,239

see something translucent isn't simply

14

00:02:58,470 --> 00:02:56,959

something given upon request

15

00:03:00,470 --> 00:02:58,480

that kind of vision is something only

16

00:03:03,270 --> 00:03:00,480

gained when worked for with an organic

17

00:03:05,509 --> 00:03:03,280

and determined curiousness

18

00:03:07,910 --> 00:03:05,519

a type of unsatisfied nature about

19

00:03:09,910 --> 00:03:07,920

oneself

20

00:03:12,390 --> 00:03:09,920

in a way that propels a person to

21

00:03:14,550 --> 00:03:12,400

unknowingly build their soul while they

22

00:03:16,309 --> 00:03:14,560

simultaneously

23

00:03:19,750 --> 00:03:16,319

trick themselves into believing that

24

00:03:24,390 --> 00:03:23,030

but they are not they are full

25

00:03:27,270 --> 00:03:24,400

the mirror of a person has the

26  
00:03:29,990 --> 00:03:27,280  
unfortunate tendency to reflect what has

27  
00:03:34,869 --> 00:03:32,550  
leaving it seemingly blank from their

28  
00:03:37,430 --> 00:03:34,879  
own mind

29  
00:03:38,789 --> 00:03:37,440  
as hard as it can be as impossible as it

30  
00:03:42,630 --> 00:03:38,799  
can seem

31  
00:03:45,350 --> 00:03:42,640  
and although it may inevitably be

32  
00:03:46,949 --> 00:03:45,360  
you are not empty

33  
00:03:48,470 --> 00:03:46,959  
it's just that sometimes the beauty

34  
00:03:51,430 --> 00:03:48,480  
within it is

35  
00:03:53,670 --> 00:03:51,440  
better cast out for others to see

36  
00:03:57,110 --> 00:03:53,680  
rather rather than it being there for

37  
00:03:58,550 --> 00:03:57,120  
you to know as a truth

38  
00:04:00,710 --> 00:03:58,560

if you knew it was truth it could

39

00:04:02,869 --> 00:04:00,720

prevent the very actions that instill

40

00:04:06,550 --> 00:04:02,879

you with this picture painted by hard

41

00:04:10,309 --> 00:04:06,560

work and an organic curiosity

42

00:04:12,470 --> 00:04:10,319

all gained by just being you

43

00:04:14,550 --> 00:04:12,480

in every way

44

00:04:17,349 --> 00:04:14,560

you helped shape the world

45

00:04:23,189 --> 00:04:17,359

and edge it towards the intent

46

00:04:27,189 --> 00:04:26,150

hope you like that i wrote it

47

00:04:29,350 --> 00:04:27,199

and

48

00:04:32,070 --> 00:04:29,360

um maybe you should have rehearsed it or

49

00:04:35,270 --> 00:04:32,080

something but i decided to just go with

50

00:04:35,280 --> 00:04:38,790

you know kind of um

51  
00:04:43,510 --> 00:04:41,270  
kind of an homage to mr edgar mitchell

52  
00:04:44,790 --> 00:04:43,520  
so today i wanted to

53  
00:04:47,990 --> 00:04:44,800  
um

54  
00:04:50,310 --> 00:04:48,000  
touch on mr edgar mitchell a little bit

55  
00:04:52,550 --> 00:04:50,320  
you know i remember when i first started

56  
00:04:55,189 --> 00:04:52,560  
kind of

57  
00:04:57,670 --> 00:04:55,199  
um getting into or like looking into

58  
00:04:59,350 --> 00:04:57,680  
this stuff and i found myself

59  
00:05:01,350 --> 00:04:59,360  
like researching the first things i

60  
00:05:04,070 --> 00:05:01,360  
started researching i found myself into

61  
00:05:09,510 --> 00:05:05,590  
and i'm not sure if you're familiar with

62  
00:05:12,870 --> 00:05:09,520  
wikileaks or not um but

63  
00:05:14,310 --> 00:05:12,880

and there is a handful of emails that

64

00:05:17,029 --> 00:05:14,320

you know

65

00:05:19,749 --> 00:05:17,039

got released and it was in regards to mr

66

00:05:22,830 --> 00:05:19,759

john podesta and disclosure and there

67

00:05:26,710 --> 00:05:22,840

was a lot of talked about emails with

68

00:05:27,510 --> 00:05:26,720

um you know tom delong and

69

00:05:29,430 --> 00:05:27,520

um

70

00:05:31,350 --> 00:05:29,440

you know hillary clinton and disclosure

71

00:05:32,710 --> 00:05:31,360

and that's a whole

72

00:05:35,430 --> 00:05:32,720

bag of people

73

00:05:37,510 --> 00:05:35,440

uh but but someone that was in

74

00:05:39,430 --> 00:05:37,520

those emails that isn't really talked

75

00:05:41,430 --> 00:05:39,440

about very often

76

00:05:43,510 --> 00:05:41,440

is um

77

00:05:47,830 --> 00:05:43,520

dr edgar mitchell

78

00:05:53,110 --> 00:05:49,990

and i'm just going to read a couple of

79

00:05:55,909 --> 00:05:53,120

these just because

80

00:05:57,909 --> 00:05:55,919

you know i don't want to put

81

00:05:58,870 --> 00:05:57,919

you know people's personal information

82

00:06:00,309 --> 00:05:58,880

on

83

00:06:01,990 --> 00:06:00,319

you know wikileaks can do their thing

84

00:06:03,430 --> 00:06:02,000

but i'm just going to

85

00:06:05,270 --> 00:06:03,440

read a couple of these emails so you

86

00:06:07,909 --> 00:06:05,280

just kind of get the context so this

87

00:06:08,870 --> 00:06:07,919

first email is to a person named aaron

88

00:06:10,950 --> 00:06:08,880

who is

89

00:06:13,110 --> 00:06:10,960

i believe it was like john podesta's

90

00:06:14,870 --> 00:06:13,120

like assistant or something

91

00:06:19,510 --> 00:06:14,880

um and

92

00:06:22,230 --> 00:06:19,520

um basically a colleague of dr mitchell

93

00:06:23,510 --> 00:06:22,240

sent her an email wrote dr mitchell is

94

00:06:26,309 --> 00:06:23,520

available for a meeting with john

95

00:06:28,309 --> 00:06:26,319

podesta the week of august 11th but will

96

00:06:30,230 --> 00:06:28,319

not be able to come to dc he would like

97

00:06:32,390 --> 00:06:30,240

me to attend the meeting and then we

98

00:06:34,710 --> 00:06:32,400

patch him in via skype

99

00:06:36,550 --> 00:06:34,720

uh thanks for getting back to me uh on

100

00:06:39,510 --> 00:06:36,560

this with the date and time

101  
00:06:42,469 --> 00:06:41,029  
and

102  
00:06:46,629 --> 00:06:42,479  
the person

103  
00:06:47,749 --> 00:06:46,639  
aaron at uh with an email at dot gov

104  
00:06:49,909 --> 00:06:47,759  
wrote back

105  
00:06:51,990 --> 00:06:49,919  
and said received thanks

106  
00:06:53,189 --> 00:06:52,000  
sorry for the delay it's been a heck of

107  
00:06:54,950 --> 00:06:53,199  
a month

108  
00:06:56,790 --> 00:06:54,960  
so there's correspondence going back and

109  
00:06:58,790 --> 00:06:56,800  
forth

110  
00:07:01,270 --> 00:06:58,800  
sure it's john would likely take this

111  
00:07:03,270 --> 00:07:01,280  
meeting alone first before involving the

112  
00:07:05,350 --> 00:07:03,280  
president

113  
00:07:06,390 --> 00:07:05,360

so let me ask him if he could do this in

114

00:07:08,230 --> 00:07:06,400

august

115

00:07:11,270 --> 00:07:08,240

he'll be in town

116

00:07:13,749 --> 00:07:11,280

august 11th through the 22nd is dr

117

00:07:15,510 --> 00:07:13,759

mittell planning it to be in town then

118

00:07:17,990 --> 00:07:15,520

thanks aaron

119

00:07:19,430 --> 00:07:18,000

special assistant to the counselor to

120

00:07:24,870 --> 00:07:19,440

the president

121

00:07:29,589 --> 00:07:27,510

but this is probably

122

00:07:31,430 --> 00:07:29,599

i don't know the the best email that

123

00:07:32,870 --> 00:07:31,440

started it all so

124

00:07:35,990 --> 00:07:32,880

well i don't know if it started at all

125

00:07:39,430 --> 00:07:36,000

but you know what i just read came after

126

00:07:43,990 --> 00:07:40,870

which is pretty heavy

127

00:07:47,830 --> 00:07:44,000

uh so it goes dear john podesta as we

128

00:07:51,029 --> 00:07:47,840

move into the last half of 2014

129

00:07:53,270 --> 00:07:51,039

the need for et disclosure intensifies

130

00:07:55,830 --> 00:07:53,280

thank you for your kind consideration

131

00:07:58,309 --> 00:07:55,840

and response to my email

132

00:08:01,830 --> 00:07:58,319

this july 4th weekend i will meet with

133

00:08:05,110 --> 00:08:01,840

president obama's friend ambassador

134

00:08:06,390 --> 00:08:05,120

hamamoto at the u.s mission in geneva

135

00:08:07,670 --> 00:08:06,400

during their independence day

136

00:08:09,909 --> 00:08:07,680

celebration

137

00:08:13,029 --> 00:08:09,919

while in geneva i will also speak at the

138

00:08:15,270 --> 00:08:13,039

un and the european space agency

139

00:08:18,710 --> 00:08:15,280

regarding why we must move forward with

140

00:08:21,110 --> 00:08:18,720

disclosure and specific programs such as

141

00:08:23,110 --> 00:08:21,120

manned moon missions since some

142

00:08:24,950 --> 00:08:23,120

scientists and others are calling for

143

00:08:27,110 --> 00:08:24,960

moon colonization

144

00:08:31,110 --> 00:08:27,120

due to what they perceive is happening

145

00:08:35,110 --> 00:08:33,029

john with this email i'm requesting a

146

00:08:37,389 --> 00:08:35,120

conversation with you and president

147

00:08:39,750 --> 00:08:37,399

obama regarding the next steps in

148

00:08:42,149 --> 00:08:39,760

extraterrestrial disclosure

149

00:08:45,590 --> 00:08:42,159

for the benefit of our country and our

150

00:08:48,630 --> 00:08:47,590

fifty years ago battelle brookings and

151  
00:08:50,310 --> 00:08:48,640  
rand

152  
00:08:54,310 --> 00:08:50,320  
studies on ufo

153  
00:08:56,150 --> 00:08:54,320  
to remove knowledge of the

154  
00:08:58,070 --> 00:08:56,160  
extraterrestrial presence from the

155  
00:09:00,310 --> 00:08:58,080  
citizens of our country

156  
00:09:01,750 --> 00:09:00,320  
these organizations advised with their

157  
00:09:03,990 --> 00:09:01,760  
best information

158  
00:09:06,710 --> 00:09:04,000  
however today much if not most of the

159  
00:09:08,870 --> 00:09:06,720  
extraterrestrial reality they examined

160  
00:09:10,310 --> 00:09:08,880  
is known by our citizens these

161  
00:09:12,870 --> 00:09:10,320  
organizations

162  
00:09:16,230 --> 00:09:12,880  
result in strategies and policies

163  
00:09:18,310 --> 00:09:16,240

50 years ago no longer hold credibility

164

00:09:20,630 --> 00:09:18,320

or benefit

165

00:09:22,870 --> 00:09:20,640

five decades of ufo information have

166

00:09:24,870 --> 00:09:22,880

dramatically shifted the public

167

00:09:25,829 --> 00:09:24,880

awareness of an extraterrestrial

168

00:09:27,350 --> 00:09:25,839

presence

169

00:09:30,070 --> 00:09:27,360

and yet our government is still

170

00:09:33,590 --> 00:09:30,080

operating from outdated beliefs and

171

00:09:38,710 --> 00:09:34,389

the

172

00:09:41,590 --> 00:09:38,720

government transparency science religion

173

00:09:43,750 --> 00:09:41,600

and responsible citizenry embracing the

174

00:09:46,949 --> 00:09:43,760

next step in our country space travel

175

00:09:50,949 --> 00:09:48,550

the three disclosure issues are

176

00:09:52,230 --> 00:09:50,959

prominent planet sustainability

177

00:09:54,310 --> 00:09:52,240

via

178

00:09:56,230 --> 00:09:54,320

next generation energies such as zero

179

00:09:59,030 --> 00:09:56,240

point energy

180

00:10:01,509 --> 00:09:59,040

galactic travel and research undertaken

181

00:10:05,110 --> 00:10:01,519

as an advanced species aware of the

182

00:10:07,110 --> 00:10:05,120

extraterrestrial presence not as

183

00:10:09,670 --> 00:10:07,120

uniformed explorers who revert to

184

00:10:11,750 --> 00:10:09,680

colonialism and destruction in the

185

00:10:14,550 --> 00:10:11,760

example of a confident engaged

186

00:10:16,790 --> 00:10:14,560

government who respects respectfully

187

00:10:20,630 --> 00:10:16,800

regards the wisdom and intellect of its

188

00:10:22,470 --> 00:10:20,640

citizens as we move into space

189

00:10:24,470 --> 00:10:22,480

i respectfully receive your response to

190

00:10:27,750 --> 00:10:24,480

my request for

191

00:10:33,509 --> 00:10:27,760

conversation on disclosure or misregards

192

00:10:38,230 --> 00:10:35,269

pretty uh

193

00:10:41,190 --> 00:10:38,240

pretty good stuff there

194

00:10:44,870 --> 00:10:43,430

another one that was pretty interesting

195

00:10:46,389 --> 00:10:44,880

um

196

00:10:49,030 --> 00:10:46,399

and i'm not going to stay on this topic

197

00:10:50,949 --> 00:10:49,040

i want to get into the noetic sciences

198

00:10:53,750 --> 00:10:50,959

aspect but

199

00:10:55,910 --> 00:10:53,760

i guess why i'm reading these is just

200

00:10:57,430 --> 00:10:55,920

you know because i think so much stuff

201  
00:10:59,509 --> 00:10:57,440  
happens that

202  
00:11:00,949 --> 00:10:59,519  
a lot of stuff just gets lost and we we

203  
00:11:03,829 --> 00:11:00,959  
kind of touched on that with the with

204  
00:11:05,910 --> 00:11:03,839  
the history ufology and everything so

205  
00:11:07,269 --> 00:11:05,920  
much stuff just gets forgotten about and

206  
00:11:11,030 --> 00:11:07,279  
lost in the whole

207  
00:11:13,990 --> 00:11:11,040  
um you know giant picture of everything

208  
00:11:15,430 --> 00:11:14,000  
um and and so it can be hard to remember

209  
00:11:17,910 --> 00:11:15,440  
like

210  
00:11:20,230 --> 00:11:17,920  
the the pretty important intense moments

211  
00:11:22,389 --> 00:11:20,240  
that have came and went

212  
00:11:24,310 --> 00:11:22,399  
like this one so like that email i just

213  
00:11:26,389 --> 00:11:24,320

read there was a response back and forth

214

00:11:29,190 --> 00:11:26,399

about getting together

215

00:11:30,550 --> 00:11:29,200

afterwards like it wasn't like a spam

216

00:11:35,269 --> 00:11:30,560

email no one

217

00:11:39,509 --> 00:11:37,030

you know it was responded and they were

218

00:11:40,949 --> 00:11:39,519

trying to set up a meeting unfortunately

219

00:11:42,470 --> 00:11:40,959

uh

220

00:11:44,470 --> 00:11:42,480

you know

221

00:11:46,870 --> 00:11:44,480

dr mitchell passed away

222

00:11:49,910 --> 00:11:46,880

you know not too long after that but

223

00:11:53,590 --> 00:11:52,470

uh dear john as 2015 unfolds i

224

00:11:55,829 --> 00:11:53,600

understand you are leaving the

225

00:11:57,910 --> 00:11:55,839

administration in february it is urgent

226

00:11:59,910 --> 00:11:57,920

that we agree on a date and time to meet

227

00:12:01,269 --> 00:11:59,920

to discuss disclosure and zero point

228

00:12:03,269 --> 00:12:01,279

energy

229

00:12:05,990 --> 00:12:03,279

at your earliest uh

230

00:12:09,110 --> 00:12:06,000

available after your departure my

231

00:12:11,110 --> 00:12:09,120

catholic my catholic colleague

232

00:12:13,110 --> 00:12:11,120

terry mansfield will be there too to

233

00:12:14,389 --> 00:12:13,120

bring us up to date on the vatican's

234

00:12:15,470 --> 00:12:14,399

awareness

235

00:12:18,470 --> 00:12:15,480

of

236

00:12:20,310 --> 00:12:18,480

extraterrestrial intelligence

237

00:12:22,629 --> 00:12:20,320

another colleague is working on a new

238

00:12:24,389 --> 00:12:22,639

space treaty citing involvement with

239

00:12:27,110 --> 00:12:24,399

russia and china

240

00:12:29,990 --> 00:12:27,120

however with now this is interesting

241

00:12:33,750 --> 00:12:30,000

because keep in mind this is 2014

242

00:12:38,389 --> 00:12:35,910

another colleague is working on a new

243

00:12:41,190 --> 00:12:38,399

space treaty citing involvement with

244

00:12:44,550 --> 00:12:41,200

russia and china however with russia's

245

00:12:46,870 --> 00:12:44,560

extreme interference in ukraine

246

00:12:49,269 --> 00:12:46,880

i believe we must pursue another route

247

00:12:52,870 --> 00:12:49,279

for peace in space

248

00:12:55,430 --> 00:12:52,880

and zero point energy on earth

249

00:12:57,990 --> 00:12:55,440

i met with president obama's honolulu

250

00:13:01,269 --> 00:12:58,000

childhood friend u.s ambassador

251

00:13:03,269 --> 00:13:01,279

uh hamamoto on july 4th at the u.s

252

00:13:05,269 --> 00:13:03,279

mission in geneva when i was able to

253

00:13:06,710 --> 00:13:05,279

tell her briefly about zero point energy

254

00:13:09,190 --> 00:13:06,720

i believe we can enlist her as a

255

00:13:13,990 --> 00:13:09,200

confident resource in her presentation

256

00:13:16,949 --> 00:13:15,430

now

257

00:13:18,829 --> 00:13:16,959

that's regarded secret mitchell keep a

258

00:13:20,629 --> 00:13:18,839

couple things in mind there

259

00:13:23,590 --> 00:13:20,639

um

260

00:13:26,069 --> 00:13:23,600

president obama

261

00:13:28,310 --> 00:13:26,079

remember he who just

262

00:13:29,430 --> 00:13:28,320

like was on i forget what show it was on

263

00:13:31,910 --> 00:13:29,440

but

264

00:13:35,269 --> 00:13:31,920

he's one of the people that talked about

265

00:13:37,590 --> 00:13:35,279

how things are in our area

266

00:13:39,030 --> 00:13:37,600

in our airspace that are moving and we

267

00:13:42,150 --> 00:13:39,040

can't identify them they don't know what

268

00:13:42,160 --> 00:13:46,230

interesting

269

00:13:51,110 --> 00:13:48,870

um

270

00:13:53,110 --> 00:13:51,120

so yeah

271

00:13:54,470 --> 00:13:53,120

now i mean i wonder what wound up

272

00:13:56,389 --> 00:13:54,480

happening with this obviously edgar

273

00:13:58,710 --> 00:13:56,399

mittell passed away

274

00:14:02,230 --> 00:13:58,720

um and it seemed like everything went

275

00:14:04,230 --> 00:14:02,240

down a time to long route and to the

276

00:14:05,990 --> 00:14:04,240

stars academy and everything but it's

277

00:14:08,230 --> 00:14:06,000

interesting that disclosure there's a

278

00:14:10,870 --> 00:14:08,240

plan for disclosure then and we'd have

279

00:14:11,260 --> 00:14:10,880

had steve bassett on this very show

280

00:14:12,470 --> 00:14:11,270

who

281

00:14:14,790 --> 00:14:12,480

[Music]

282

00:14:16,610 --> 00:14:14,800

you know actually said that if if it

283

00:14:18,790 --> 00:14:16,620

wasn't for um

284

00:14:20,790 --> 00:14:18,800

[Music]

285

00:14:23,189 --> 00:14:20,800

you know president trump winning

286

00:14:24,790 --> 00:14:23,199

no politics involved please i'm just

287

00:14:26,470 --> 00:14:24,800

telling you what he said president trump

288

00:14:28,790 --> 00:14:26,480

winning

289

00:14:30,550 --> 00:14:28,800

uh the plan

290

00:14:32,710 --> 00:14:30,560

would have been a whole lot different

291

00:14:36,310 --> 00:14:32,720

like disclosure

292

00:14:38,629 --> 00:14:36,320

ttsa thing was based on hillary winning

293

00:14:40,150 --> 00:14:38,639

and that didn't happen so it threw a

294

00:14:42,629 --> 00:14:40,160

wrench and everything

295

00:14:46,389 --> 00:14:44,790

and at that time russia's

296

00:14:48,710 --> 00:14:46,399

you know going hard on ukraine or

297

00:14:51,430 --> 00:14:48,720

whatever took crimea now here we are

298

00:14:59,189 --> 00:14:55,350

right talking about disclosure

299

00:15:00,790 --> 00:14:59,199

just past some congressional stuff

300

00:15:03,509 --> 00:15:00,800

in here we are russia is going hard on

301

00:15:05,110 --> 00:15:03,519

ukraine again

302

00:15:07,110 --> 00:15:05,120

i'm not saying the two things are

303

00:15:08,069 --> 00:15:07,120

related i obviously have no proof i'm

304

00:15:09,350 --> 00:15:08,079

just

305

00:15:13,670 --> 00:15:09,360

saying

306

00:15:15,110 --> 00:15:13,680

that that is very interesting to me

307

00:15:17,269 --> 00:15:15,120

and i'm not saying these things are

308

00:15:19,350 --> 00:15:17,279

connected or whatever i'm just

309

00:15:24,870 --> 00:15:19,360

simply pointing out that

310

00:15:31,030 --> 00:15:27,269

and i'm sure that she would agree that

311

00:15:36,310 --> 00:15:31,040

uh the coincidence there is um

312

00:15:41,110 --> 00:15:38,310

um so

313

00:15:43,670 --> 00:15:41,120

dr edgar mitchell um the first thing i

314

00:15:47,110 --> 00:15:43,680

wanted to

315

00:15:52,150 --> 00:15:49,110

noetic sciences so it's pretty

316

00:15:52,160 --> 00:15:58,069

so

317

00:16:02,870 --> 00:16:00,389

it's you know science is based on the

318

00:16:04,870 --> 00:16:02,880

physicalities of everything right

319

00:16:06,790 --> 00:16:04,880

there's nothing

320

00:16:09,189 --> 00:16:06,800

i mean there is now i guess but like

321

00:16:11,509 --> 00:16:09,199

it's not generally accepted with the

322

00:16:13,430 --> 00:16:11,519

general public you know the different

323

00:16:16,310 --> 00:16:13,440

aspects of us

324

00:16:17,749 --> 00:16:16,320

our consciousness

325

00:16:19,829 --> 00:16:17,759

you know if

326

00:16:21,910 --> 00:16:19,839

i don't care i'll say like psi remote

327

00:16:27,910 --> 00:16:21,920

viewing all that kind of stuff you know

328

00:16:33,030 --> 00:16:30,470

you know um

329

00:16:35,189 --> 00:16:33,040

dr mitchell says like uh our our

330

00:16:36,710 --> 00:16:35,199

intuition should be it's called our

331

00:16:39,990 --> 00:16:36,720

sixth sense but it should be called our

332

00:16:43,110 --> 00:16:41,269

because it's at the root of what

333

00:16:44,150 --> 00:16:43,120

everything is which is also known as

334

00:16:49,030 --> 00:16:44,160

quantum

335

00:16:54,870 --> 00:16:52,870

um but we based off of everything off of

336

00:16:57,590 --> 00:16:54,880

like newtonian physics

337

00:17:01,269 --> 00:16:57,600

and it's not a coincidence to me that we

338

00:17:03,430 --> 00:17:01,279

hear pretty much everyone saying

339

00:17:07,189 --> 00:17:03,440

that this ufo thing and everything has

340

00:17:11,189 --> 00:17:09,429

noetic science um in philosophy no

341

00:17:13,270 --> 00:17:11,199

addicts is a branch of metaphysics

342

00:17:15,270 --> 00:17:13,280

concerned with the study of mind as well

343

00:17:17,429 --> 00:17:15,280

as intellect

344

00:17:19,270 --> 00:17:17,439

there's also a reference to the science

345

00:17:20,470 --> 00:17:19,280

of noetics which covers the field of

346

00:17:22,630 --> 00:17:20,480

thinking and knowing thought and

347

00:17:25,429 --> 00:17:22,640

knowledge as well as mental operations

348

00:17:30,830 --> 00:17:25,439

processes states and products

349

00:17:36,789 --> 00:17:33,990

so you know really uh when we're talking

350

00:17:39,270 --> 00:17:36,799

about this in in um

351

00:17:41,669 --> 00:17:39,280

in this field

352

00:17:44,230 --> 00:17:41,679

consciousness and what is consciousness

353

00:17:48,470 --> 00:17:44,240

well first of all it's being aware but

354

00:17:51,110 --> 00:17:48,480

it's being aware that you're aware

355

00:17:52,710 --> 00:17:51,120

you know and then why

356

00:17:54,390 --> 00:17:52,720

you know quantum entanglement we hear

357

00:17:55,990 --> 00:17:54,400

about that a lot lately and dr hecker

358

00:17:59,029 --> 00:17:56,000

mitchell talks about that and it's the

359

00:18:01,909 --> 00:17:59,039

fact of uh you know relaying information

360

00:18:02,870 --> 00:18:01,919

between long distances between two

361

00:18:05,029 --> 00:18:02,880

things

362

00:18:07,750 --> 00:18:05,039

and then you know the theory is that

363

00:18:10,070 --> 00:18:07,760

everything every matter every piece of

364

00:18:12,390 --> 00:18:10,080

matter has energy

365

00:18:16,549 --> 00:18:12,400

and you can connect with that energy

366

00:18:22,070 --> 00:18:19,430

typically i think it's through

367

00:18:23,270 --> 00:18:22,080

a resonance

368

00:18:24,789 --> 00:18:23,280

you know it really struck me when i

369

00:18:27,190 --> 00:18:24,799

heard edgar mitchell talking about this

370

00:18:30,870 --> 00:18:27,200

residency is like you you play a note

371

00:18:32,549 --> 00:18:30,880

of a violin right a violin string and

372

00:18:34,230 --> 00:18:32,559

you go across the room and somebody

373

00:18:36,630 --> 00:18:34,240

else's and plays the same note over

374

00:18:43,350 --> 00:18:36,640

there that's resonance

375

00:18:47,750 --> 00:18:45,190

so that's when it click that's when it

376

00:18:51,110 --> 00:18:47,760

clicked for me because i could hear that

377

00:18:56,630 --> 00:18:52,870

and it really you know being a musician

378

00:18:57,669 --> 00:18:56,640

a guitar player or whatever

379

00:18:59,029 --> 00:18:57,679

like

380

00:19:01,750 --> 00:18:59,039

it made sense because there's so many

381

00:19:03,720 --> 00:19:01,760

chords that i just love and gravitate

382

00:19:07,990 --> 00:19:03,730

towards that are resonant

383

00:19:11,590 --> 00:19:09,590

so uh

384

00:19:15,830 --> 00:19:11,600

what i'm going to do now

385

00:19:18,230 --> 00:19:15,840

quick is just play kind of i guess

386

00:19:19,190 --> 00:19:18,240

somewhat of an introduction to mr edgar

387

00:19:21,029 --> 00:19:19,200

mitchell

388

00:19:23,990 --> 00:19:21,039

i had an experience coming back from the

389

00:19:25,669 --> 00:19:24,000

moon that uh

390

00:19:28,710 --> 00:19:25,679

it caused me to start

391

00:19:30,549 --> 00:19:28,720

focusing myself on what is the nature of

392

00:19:32,870 --> 00:19:30,559

consciousness that's because i had a

393

00:19:33,909 --> 00:19:32,880

very powerful experience while i was in

394

00:19:35,909 --> 00:19:33,919

space

395

00:19:39,430 --> 00:19:35,919

but what i want to talk about today is

396

00:19:42,950 --> 00:19:39,440

the fact that 500 years ago thanks to

397

00:19:45,270 --> 00:19:42,960

philosopher rene descartes

398

00:19:47,750 --> 00:19:45,280

who said we have body and mind and

399

00:19:49,270 --> 00:19:47,760

physicality spirituality belong to

400

00:19:50,390 --> 00:19:49,280

different realms of reality that don't

401  
00:19:52,310 --> 00:19:50,400  
interact

402  
00:19:53,350 --> 00:19:52,320  
for 400 years we have lived with that

403  
00:19:55,750 --> 00:19:53,360  
victim

404  
00:19:56,870 --> 00:19:55,760  
such that when kepler and

405  
00:19:57,830 --> 00:19:56,880  
and

406  
00:19:59,669 --> 00:19:57,840  
newton

407  
00:20:01,669 --> 00:19:59,679  
created what the beginning of what we

408  
00:20:04,070 --> 00:20:01,679  
call modern science

409  
00:20:06,310 --> 00:20:04,080  
that subject the subject of mind and

410  
00:20:08,549 --> 00:20:06,320  
consciousness were no no subject for

411  
00:20:10,230 --> 00:20:08,559  
science they were not considered proper

412  
00:20:12,870 --> 00:20:10,240  
scientific subjects

413  
00:20:14,549 --> 00:20:12,880

now that lasted for 400 years

414

00:20:17,430 --> 00:20:14,559

until

415

00:20:19,270 --> 00:20:17,440

max planck and einstein and the greats

416

00:20:22,310 --> 00:20:19,280

of the end of the 19th century came

417

00:20:23,990 --> 00:20:22,320

along and started experimenting and

418

00:20:26,149 --> 00:20:24,000

realizing that we or something was

419

00:20:28,070 --> 00:20:26,159

missing and that something that was

420

00:20:29,270 --> 00:20:28,080

missing is now called quantum mechanics

421

00:20:32,149 --> 00:20:29,280

they had it

422

00:20:34,470 --> 00:20:32,159

pretty well formalized and formulated so

423

00:20:37,270 --> 00:20:34,480

that the mathematics of it were quite

424

00:20:40,070 --> 00:20:37,280

well known by the 1920s

425

00:20:42,710 --> 00:20:40,080

but it's taken us the entire 20th

426

00:20:44,310 --> 00:20:42,720

century and into the 21st century

427

00:20:47,350 --> 00:20:44,320

to accept the fact

428

00:20:49,350 --> 00:20:47,360

that consciousness which is what

429

00:20:51,110 --> 00:20:49,360

the quantum world is all about and let

430

00:20:53,270 --> 00:20:51,120

me illustrate that with a very simple

431

00:20:56,789 --> 00:20:53,280

idea

432

00:21:00,950 --> 00:20:58,230

dinner leave johnny home at the

433

00:21:02,950 --> 00:21:00,960

babysitter halfway through dinner

434

00:21:04,310 --> 00:21:02,960

mom jumps up something's wrong with

435

00:21:05,909 --> 00:21:04,320

johnny at home

436

00:21:07,750 --> 00:21:05,919

calls home sure enough he fell out of

437

00:21:09,669 --> 00:21:07,760

his height here bumped his head

438

00:21:11,750 --> 00:21:09,679

and a screaming bloody murder

439

00:21:14,310 --> 00:21:11,760

why how did mama know that that's

440

00:21:16,870 --> 00:21:14,320

quantum entanglement and that is that's

441

00:21:19,270 --> 00:21:16,880

i'll call it intuition but we call our

442

00:21:21,430 --> 00:21:19,280

intuition our sixth sense and it really

443

00:21:23,830 --> 00:21:21,440

should be called our first sense because

444

00:21:25,909 --> 00:21:23,840

it's more fundamental it's been around

445

00:21:27,350 --> 00:21:25,919

forever and it's a part of the

446

00:21:29,029 --> 00:21:27,360

fundamental

447

00:21:32,149 --> 00:21:29,039

properties of nature

448

00:21:34,070 --> 00:21:32,159

so what i'm wanting to point out here

449

00:21:36,390 --> 00:21:34,080

for 40 years i've been studying the

450

00:21:39,270 --> 00:21:36,400

properties of consciousness and it goes

451  
00:21:41,750 --> 00:21:39,280  
throughout all of nature and matter

452  
00:21:43,990 --> 00:21:41,760  
and it begins with the quantum

453  
00:21:45,669 --> 00:21:44,000  
property that when particles are

454  
00:21:46,870 --> 00:21:45,679  
processed together and they go apart

455  
00:21:49,350 --> 00:21:46,880  
from each other

456  
00:21:51,590 --> 00:21:49,360  
they maintained their correlation

457  
00:21:54,870 --> 00:21:51,600  
regardless of where they go

458  
00:21:56,070 --> 00:21:54,880  
and that also has spawned non-locality

459  
00:21:56,789 --> 00:21:56,080  
which means

460  
00:21:59,110 --> 00:21:56,799  
that

461  
00:22:01,590 --> 00:21:59,120  
this this happens at faster than the

462  
00:22:05,110 --> 00:22:01,600  
speed of light and so the speed of light

463  
00:22:06,950 --> 00:22:05,120

is not a fundamental with regard to

464

00:22:10,390 --> 00:22:06,960

consciousness and

465

00:22:13,669 --> 00:22:10,400

and the propagation of consciousness so

466

00:22:17,270 --> 00:22:13,679

here we are in the 21st century 500

467

00:22:19,270 --> 00:22:17,280

years after descartes 400 years after

468

00:22:21,590 --> 00:22:19,280

newton and kepler

469

00:22:24,230 --> 00:22:21,600

and we now realize that

470

00:22:26,870 --> 00:22:24,240

we should be describing our universe

471

00:22:29,350 --> 00:22:26,880

instead of just matter and energy which

472

00:22:31,669 --> 00:22:29,360

comes out of newtonian physics but we

473

00:22:34,390 --> 00:22:31,679

must describe our universe as matter

474

00:22:35,750 --> 00:22:34,400

energy and awareness which is the bottom

475

00:22:38,710 --> 00:22:35,760

of consciousness

476  
00:22:42,070 --> 00:22:38,720  
as the properties of our universe so we

477  
00:22:45,029 --> 00:22:42,080  
have added a major fundamental to the

478  
00:22:51,430 --> 00:22:45,039  
nature that we didn't really know until

479  
00:22:57,190 --> 00:22:52,870  
i don't know about you but that's kind

480  
00:22:59,350 --> 00:22:57,200  
of exciting definitely for me

481  
00:23:00,789 --> 00:22:59,360  
you know the interesting thing uh a part

482  
00:23:02,870 --> 00:23:00,799  
of that um

483  
00:23:05,430 --> 00:23:02,880  
you know when he talked about

484  
00:23:06,549 --> 00:23:05,440  
the the mother is out to dinner right in

485  
00:23:08,070 --> 00:23:06,559  
in the kid

486  
00:23:10,310 --> 00:23:08,080  
you know hits the set or whatever starts

487  
00:23:12,950 --> 00:23:10,320  
screaming bloody murder um

488  
00:23:15,750 --> 00:23:12,960

the interesting part about that to me

489

00:23:20,310 --> 00:23:15,760

is i know that's true

490

00:23:24,070 --> 00:23:22,549

some of you may know this

491

00:23:25,990 --> 00:23:24,080

uh already but

492

00:23:27,190 --> 00:23:26,000

i could tell you about like a dream i've

493

00:23:30,789 --> 00:23:27,200

had

494

00:23:33,669 --> 00:23:30,799

in the past that's maybe 15 16 years ago

495

00:23:34,789 --> 00:23:33,679

uh which really speaks to this

496

00:23:37,430 --> 00:23:34,799

um

497

00:23:38,950 --> 00:23:37,440

so i'm living in my parents basement at

498

00:23:41,590 --> 00:23:38,960

the time

499

00:23:43,990 --> 00:23:41,600

i'm 38 so it was you know i probably

500

00:23:46,310 --> 00:23:44,000

shouldn't have been living there but

501  
00:23:46,630 --> 00:23:46,320  
i was

502  
00:23:48,830 --> 00:23:46,640  
um

503  
00:23:52,310 --> 00:23:48,840  
[Music]

504  
00:23:54,870 --> 00:23:52,320  
and my dad's twin brother um is dying of

505  
00:23:56,789 --> 00:23:54,880  
brain cancer and

506  
00:24:00,390 --> 00:23:56,799  
you know he's been in a nursing home at

507  
00:24:00,400 --> 00:24:02,870  
and

508  
00:24:07,990 --> 00:24:05,430  
basically um so i'll just skip to it i'm

509  
00:24:09,269 --> 00:24:08,000  
i'm sleeping i have a dream

510  
00:24:11,430 --> 00:24:09,279  
that uh

511  
00:24:13,669 --> 00:24:11,440  
you know my my parents and other of his

512  
00:24:14,710 --> 00:24:13,679  
loved ones his wife at the time

513  
00:24:17,190 --> 00:24:14,720

are

514

00:24:19,669 --> 00:24:17,200

surrounding him in his bed in his room

515

00:24:21,990 --> 00:24:19,679

at the nursing home

516

00:24:24,230 --> 00:24:22,000

and he's like sleeping

517

00:24:28,390 --> 00:24:24,240

you know with his eyes closed

518

00:24:29,830 --> 00:24:28,400

um and i have a golden bowl just like a

519

00:24:31,269 --> 00:24:29,840

golden bowl

520

00:24:33,990 --> 00:24:31,279

and i

521

00:24:36,230 --> 00:24:34,000

passed it to him

522

00:24:38,950 --> 00:24:36,240

and he wakes up sits up

523

00:24:40,950 --> 00:24:38,960

opens his eyes catches the ball

524

00:24:43,430 --> 00:24:40,960

and as that happens

525

00:24:46,310 --> 00:24:43,440

uh the phone rings at my parents house

526

00:24:47,110 --> 00:24:46,320

there was a phone in the basement there

527

00:24:49,350 --> 00:24:47,120

um

528

00:24:56,310 --> 00:24:49,360

and it's the call that he had just

529

00:25:01,510 --> 00:24:58,390

you know

530

00:25:03,510 --> 00:25:01,520

that to me is is um

531

00:25:05,669 --> 00:25:03,520

you know there's there's something

532

00:25:07,590 --> 00:25:05,679

there's a connection there

533

00:25:10,230 --> 00:25:07,600

and i was really close to him i loved

534

00:25:13,190 --> 00:25:10,240

that guy that was really hard on me

535

00:25:15,830 --> 00:25:13,200

and um there was a connection there

536

00:25:19,510 --> 00:25:15,840

that made that happen you know that that

537

00:25:21,269 --> 00:25:19,520

keyed me into to that

538

00:25:22,390 --> 00:25:21,279

you know but the interesting part about

539

00:25:23,750 --> 00:25:22,400

it is

540

00:25:25,669 --> 00:25:23,760

that it was

541

00:25:27,510 --> 00:25:25,679

subconscious i was sleeping i was

542

00:25:30,070 --> 00:25:27,520

dreaming

543

00:25:31,750 --> 00:25:30,080

i was in this weird other world

544

00:25:33,350 --> 00:25:31,760

that just so happened to time up

545

00:25:38,230 --> 00:25:33,360

perfectly with

546

00:25:38,240 --> 00:25:40,789

so

547

00:25:40,799 --> 00:25:46,310

it's pretty pretty interesting stuff um

548

00:25:49,830 --> 00:25:48,149

you know the interesting

549

00:25:52,390 --> 00:25:49,840

or

550

00:25:56,630 --> 00:25:54,390

just in general i think you know it

551  
00:25:59,669 --> 00:25:56,640  
would behoove us to not

552  
00:26:03,190 --> 00:25:59,679  
um look more inside

553  
00:26:05,430 --> 00:26:03,200  
of ourselves you know

554  
00:26:07,830 --> 00:26:05,440  
and and stop treating everything outside

555  
00:26:10,390 --> 00:26:07,840  
stop looking at everything and

556  
00:26:11,909 --> 00:26:10,400  
looking at everything that's physical

557  
00:26:15,510 --> 00:26:11,919  
you know treating the world as it's

558  
00:26:17,590 --> 00:26:15,520  
given to you just bare bones you know

559  
00:26:19,909 --> 00:26:17,600  
dig deep inside of yourself find your

560  
00:26:22,789 --> 00:26:19,919  
spirituality or your consciousness or

561  
00:26:26,710 --> 00:26:22,799  
whatever you want to call it

562  
00:26:28,630 --> 00:26:26,720  
you know this world can be as beautiful

563  
00:26:32,149 --> 00:26:28,640

as you

564

00:26:37,350 --> 00:26:33,830

you know

565

00:26:40,789 --> 00:26:37,360

yes it's hard life is hard you run up

566

00:26:45,110 --> 00:26:40,799

against really difficult things

567

00:26:48,549 --> 00:26:45,120

you know but there's still beauty

568

00:26:50,630 --> 00:26:48,559

every day if you look for it

569

00:26:51,430 --> 00:26:50,640

whether you know for me sometimes it's

570

00:26:53,190 --> 00:26:51,440

just

571

00:26:55,590 --> 00:26:53,200

laying down

572

00:26:57,269 --> 00:26:55,600

and looking at my wife and just feeling

573

00:26:59,750 --> 00:26:57,279

how grateful i am

574

00:27:01,669 --> 00:26:59,760

to be with her

575

00:27:04,070 --> 00:27:01,679

you know that's beautiful

576  
00:27:11,750 --> 00:27:06,630  
you know meditating

577  
00:27:15,830 --> 00:27:14,230  
and just trying to find little bits

578  
00:27:17,990 --> 00:27:15,840  
about myself

579  
00:27:20,149 --> 00:27:18,000  
in that world you know

580  
00:27:23,430 --> 00:27:20,159  
connecting to things that are bigger

581  
00:27:31,750 --> 00:27:26,549  
whether you call it god or

582  
00:27:31,760 --> 00:27:35,909  
you know

583  
00:27:41,110 --> 00:27:39,430  
but you have to um

584  
00:27:42,950 --> 00:27:41,120  
but you have to you have to put in the

585  
00:27:45,190 --> 00:27:42,960  
work right i mean like we're in a

586  
00:27:46,230 --> 00:27:45,200  
pattern a lot of us at least earn a

587  
00:27:49,350 --> 00:27:46,240  
pattern of

588  
00:27:51,269 --> 00:27:49,360

rinse and repeat you know get up go to

589

00:27:56,710 --> 00:27:51,279

work

590

00:27:59,350 --> 00:27:56,720

stress out about things that haven't

591

00:28:00,549 --> 00:27:59,360

even happened yet that are coming up

592

00:28:02,470 --> 00:28:00,559

after work

593

00:28:04,870 --> 00:28:02,480

whether it's what you're going to eat or

594

00:28:06,470 --> 00:28:04,880

how you got to clean the house or

595

00:28:08,149 --> 00:28:06,480

you know

596

00:28:10,310 --> 00:28:08,159

your car is broke

597

00:28:11,430 --> 00:28:10,320

i just personally got whopped with a big

598

00:28:13,909 --> 00:28:11,440

car bill

599

00:28:20,710 --> 00:28:13,919

bad stuff

600

00:28:24,149 --> 00:28:23,269

you know and you don't have to deal with

601  
00:28:27,190 --> 00:28:24,159  
that

602  
00:28:32,310 --> 00:28:29,029  
no one's you don't have to treat those

603  
00:28:33,909 --> 00:28:32,320  
situations as stressful you know

604  
00:28:36,789 --> 00:28:33,919  
and i think a lot of it comes from

605  
00:28:38,870 --> 00:28:36,799  
knowing that your life and this world is

606  
00:28:40,789 --> 00:28:38,880  
about so much more

607  
00:28:42,710 --> 00:28:40,799  
than that

608  
00:28:44,710 --> 00:28:42,720  
you're more than your job you're more

609  
00:28:47,669 --> 00:28:44,720  
than the conflict with

610  
00:28:51,029 --> 00:28:47,679  
you know a family member or a co-worker

611  
00:28:55,750 --> 00:28:53,029  
you're worth more than that you're worth

612  
00:28:58,710 --> 00:28:55,760  
more than the stress of somebody who may

613  
00:29:03,669 --> 00:28:58,720

be rude to you at the store or cut you

614

00:29:09,190 --> 00:29:06,870

you're more than that and it

615

00:29:10,630 --> 00:29:09,200

will bother you as much as you let it

616

00:29:13,350 --> 00:29:10,640

bother you

617

00:29:15,750 --> 00:29:13,360

you know

618

00:29:17,510 --> 00:29:15,760

because to me if you were to ask me and

619

00:29:18,230 --> 00:29:17,520

of course no i don't have proof for this

620

00:29:20,389 --> 00:29:18,240

but

621

00:29:21,750 --> 00:29:20,399

i believe that there's an afterlife and

622

00:29:26,950 --> 00:29:21,760

i believe

623

00:29:30,710 --> 00:29:28,350

i do believe that there's an

624

00:29:32,310 --> 00:29:30,720

interconnectedness between us and

625

00:29:34,149 --> 00:29:32,320

everything else

626  
00:29:41,350 --> 00:29:34,159  
between the stars and the sky and each

627  
00:29:44,710 --> 00:29:43,350  
and if somehow you know we close our

628  
00:29:48,470 --> 00:29:44,720  
eyes and we deep

629  
00:29:51,750 --> 00:29:48,480  
dig deep and and just try to connect on

630  
00:29:58,950 --> 00:29:54,950  
and raise up together

631  
00:30:03,750 --> 00:30:01,909  
but we all have to do it

632  
00:30:05,110 --> 00:30:03,760  
you have to take accountability for your

633  
00:30:11,110 --> 00:30:05,120  
own actions

634  
00:30:11,120 --> 00:30:18,870  
aliens ufos

635  
00:30:22,549 --> 00:30:20,630  
you know

636  
00:30:24,870 --> 00:30:22,559  
what does that have to do with this

637  
00:30:31,350 --> 00:30:26,789  
sometimes what i think that has to do

638  
00:30:31,360 --> 00:30:35,350

collective conscious almost

639

00:30:35,360 --> 00:30:38,630

collective unconscious

640

00:30:45,190 --> 00:30:42,149

i think sometimes like myself included

641

00:30:50,070 --> 00:30:45,200

you you have this desire for there to be

642

00:30:55,909 --> 00:30:53,269

and flag saucers for me or ufos

643

00:30:58,630 --> 00:30:55,919

aliens give me the ability to cling on

644

00:31:01,110 --> 00:30:58,640

to something i can research and dig for

645

00:31:02,230 --> 00:31:01,120

like i'm chasing a dragon of something

646

00:31:04,630 --> 00:31:02,240

more

647

00:31:13,909 --> 00:31:04,640

you know one in reality at the end of

648

00:31:13,919 --> 00:31:20,070

flying saucers are a bridge

649

00:31:31,029 --> 00:31:23,269

to find consciousness to learn about it

650

00:31:36,630 --> 00:31:33,669

you know i think there's a reason that

651  
00:31:40,389 --> 00:31:36,640  
i had my experience so that put me here

652  
00:31:42,710 --> 00:31:40,399  
to think about the bigger pictures

653  
00:31:44,389 --> 00:31:42,720  
not to just find proof

654  
00:31:47,190 --> 00:31:44,399  
that there's an alien

655  
00:31:50,310 --> 00:31:47,200  
or a sports model flying saucer bob

656  
00:31:51,830 --> 00:31:50,320  
lazar model

657  
00:31:53,830 --> 00:31:51,840  
i was put here

658  
00:31:55,669 --> 00:31:53,840  
in this mentality not here on the show

659  
00:31:59,269 --> 00:31:55,679  
which is you know put in this position

660  
00:32:01,909 --> 00:31:59,279  
to expand my thought process to

661  
00:32:03,909 --> 00:32:01,919  
to explore what else is out there that's

662  
00:32:07,750 --> 00:32:03,919  
just bigger than myself and bigger than

663  
00:32:09,830 --> 00:32:07,760

what i deal with on an everyday basis

664

00:32:12,470 --> 00:32:09,840

and that experience has forced me into

665

00:32:15,110 --> 00:32:12,480

this position position of doing that and

666

00:32:17,190 --> 00:32:15,120

i may not have otherwise

667

00:32:22,710 --> 00:32:17,200

almost as if the world was telling me

668

00:32:22,720 --> 00:32:33,350

think outside of the box dude

669

00:32:33,360 --> 00:32:36,470

you know

670

00:32:42,950 --> 00:32:38,230

all right

671

00:32:46,389 --> 00:32:44,549

thanks for letting me do that dr edgar

672

00:32:49,909 --> 00:32:46,399

mittell just kind of uh

673

00:32:51,509 --> 00:32:49,919

puts the spark in me a little bit

674

00:32:53,990 --> 00:32:51,519

you know

675

00:32:56,070 --> 00:32:54,000

uh he really does

676  
00:32:58,789 --> 00:32:56,080  
because he has such a palatable way of

677  
00:33:00,070 --> 00:32:58,799  
discussing this stuff so i really

678  
00:33:04,149 --> 00:33:00,080  
um

679  
00:33:04,159 --> 00:33:10,230  
i really do

680  
00:33:13,669 --> 00:33:11,669  
there's some

681  
00:33:16,470 --> 00:33:13,679  
you know documents i could go over but

682  
00:33:19,269 --> 00:33:16,480  
in the but in the end like it's just his

683  
00:33:23,990 --> 00:33:19,279  
his message was clear and it's just

684  
00:33:28,070 --> 00:33:24,000  
we need a paradigm shift we need to

685  
00:33:34,230 --> 00:33:30,389  
to change the cycle that we're all in

686  
00:33:39,990 --> 00:33:35,909  
and different levels i can't speak for

687  
00:33:40,000 --> 00:33:42,310  
but

688  
00:33:42,320 --> 00:33:48,230

a global mind change

689

00:33:48,240 --> 00:33:52,950

so to speak

690

00:33:57,590 --> 00:33:53,909

and

691

00:34:02,149 --> 00:33:59,830

i have

692

00:34:03,509 --> 00:34:02,159

um something pretty interesting about

693

00:34:11,909 --> 00:34:03,519

that

694

00:34:14,790 --> 00:34:13,030

so

695

00:34:18,389 --> 00:34:14,800

that's right just because we're talking

696

00:34:22,629 --> 00:34:18,399

about this doesn't mean we can't do

697

00:34:26,950 --> 00:34:24,869

so and i don't should feel like i'm like

698

00:34:27,909 --> 00:34:26,960

preaching you or anything like i'm

699

00:34:30,950 --> 00:34:27,919

i'm just

700

00:34:33,909 --> 00:34:30,960

in reading this and i'm interested

701  
00:34:35,829 --> 00:34:33,919  
and um this is how i feel at the moment

702  
00:34:37,909 --> 00:34:35,839  
if you don't feel this way or you think

703  
00:34:40,310 --> 00:34:37,919  
it's all garbage or whatever

704  
00:34:41,990 --> 00:34:40,320  
whatever you know i respect your opinion

705  
00:34:43,510 --> 00:34:42,000  
you know we all have our different paths

706  
00:34:45,349 --> 00:34:43,520  
that we walk

707  
00:34:48,069 --> 00:34:45,359  
you know if somebody thinks

708  
00:34:50,790 --> 00:34:48,079  
that there are no ufos and what we see

709  
00:34:53,109 --> 00:34:50,800  
these days are drones or illusions

710  
00:34:55,589 --> 00:34:53,119  
i don't care if you think that just as

711  
00:34:58,310 --> 00:34:55,599  
long as you respect that uh people may

712  
00:35:00,310 --> 00:34:58,320  
have a difference of opinion you know

713  
00:35:07,190 --> 00:35:00,320

i can respect that you

714

00:35:11,510 --> 00:35:09,270

so that's all i'm saying and i i don't

715

00:35:15,030 --> 00:35:11,520

have the answers

716

00:35:19,030 --> 00:35:17,190

i'm just showing you what you know and

717

00:35:21,030 --> 00:35:19,040

talking about what

718

00:35:22,390 --> 00:35:21,040

about myself i guess really and what

719

00:35:25,349 --> 00:35:22,400

interests me

720

00:35:27,430 --> 00:35:25,359

i'm not i can't sit here and say

721

00:35:28,710 --> 00:35:27,440

um that

722

00:35:30,470 --> 00:35:28,720

this is all

723

00:35:33,030 --> 00:35:30,480

fact and truth because i have no proof

724

00:35:35,670 --> 00:35:33,040

for that i'm just telling you what feels

725

00:35:37,430 --> 00:35:35,680

right to me

726

00:35:39,829 --> 00:35:37,440

you know and

727

00:35:41,829 --> 00:35:39,839

maybe it feels right for you too

728

00:35:47,589 --> 00:35:41,839

but if it doesn't

729

00:35:51,910 --> 00:35:49,910

so this is interesting

730

00:35:54,069 --> 00:35:51,920

i found this

731

00:35:55,670 --> 00:35:54,079

on the ciao website

732

00:35:57,430 --> 00:35:55,680

and the cia for your reading room

733

00:35:58,950 --> 00:35:57,440

interestingly enough it's called global

734

00:36:01,109 --> 00:35:58,960

mind change first international

735

00:36:03,750 --> 00:36:01,119

conference of the institute of noetic

736

00:36:06,069 --> 00:36:03,760

scientists from vision to reality tools

737

00:36:08,550 --> 00:36:06,079

and strategies for sustainable personal

738

00:36:10,829 --> 00:36:08,560

and global development very interesting

739

00:36:14,630 --> 00:36:10,839

document

740

00:36:16,950 --> 00:36:14,640

1992 santa clara marriott hotel

741

00:36:24,069 --> 00:36:21,510

why i'm bringing this up is because

742

00:36:25,430 --> 00:36:24,079

um edgar mitchell was doing something

743

00:36:29,589 --> 00:36:25,440

here

744

00:36:33,670 --> 00:36:32,150

so i can read it

745

00:36:35,270 --> 00:36:33,680

but

746

00:36:36,630 --> 00:36:35,280

certainly didn't work very well on this

747

00:36:39,270 --> 00:36:36,640

thing

748

00:36:43,910 --> 00:36:39,280

that guy's mustache by the way

749

00:36:45,829 --> 00:36:44,710

so

750

00:36:47,030 --> 00:36:45,839

um

751  
00:36:50,069 --> 00:36:47,040  
yeah i just want to find edgar

752  
00:36:52,829 --> 00:36:50,079  
mitchell's part about this um

753  
00:36:56,390 --> 00:36:52,839  
because it is pretty

754  
00:36:58,069 --> 00:36:56,400  
good it's interesting you can find a

755  
00:37:00,150 --> 00:36:58,079  
there's all these different ways of

756  
00:37:02,310 --> 00:37:00,160  
thinking and maybe one person's right or

757  
00:37:04,710 --> 00:37:02,320  
not right it's it's just the fact that

758  
00:37:06,950 --> 00:37:04,720  
you're throwing yourself out there

759  
00:37:07,750 --> 00:37:06,960  
and trying to

760  
00:37:09,589 --> 00:37:07,760  
um

761  
00:37:12,470 --> 00:37:09,599  
you know touch something

762  
00:37:19,349 --> 00:37:15,030  
quantum shamans at the edge of science

763  
00:37:19,359 --> 00:37:24,470

rekindling the spirit in work

764

00:37:28,790 --> 00:37:26,470

there's a whole lot of very interesting

765

00:37:31,190 --> 00:37:28,800

things in here you know

766

00:37:33,109 --> 00:37:31,200

but i kind of take it as very you know

767

00:37:34,790 --> 00:37:33,119

take what works for you you don't have

768

00:37:40,790 --> 00:37:34,800

to

769

00:37:43,030 --> 00:37:40,800

so this keynote address

770

00:37:45,430 --> 00:37:43,040

as the paradigm shifts two decades of

771

00:37:47,109 --> 00:37:45,440

consciousness research edgar mitchell

772

00:37:48,870 --> 00:37:47,119

edgar mitchell looks at 20 years of

773

00:37:51,990 --> 00:37:48,880

progress towards the emergence of a new

774

00:37:54,150 --> 00:37:52,000

scientific and cultural worldview as

775

00:37:56,310 --> 00:37:54,160

technological development the influence

776

00:37:58,550 --> 00:37:56,320

of oriental philosophy consciousness

777

00:38:00,950 --> 00:37:58,560

research and environmental crisis have

778

00:38:03,109 --> 00:38:00,960

challenged the most deeply held beliefs

779

00:38:06,630 --> 00:38:03,119

of western civilizations

780

00:38:09,589 --> 00:38:06,640

will explore what the future holds as

781

00:38:12,069 --> 00:38:09,599

concepts of reality change

782

00:38:14,069 --> 00:38:12,079

very interesting

783

00:38:17,270 --> 00:38:14,079

i wish i was there

784

00:38:21,270 --> 00:38:19,750

um so and this other person here i'll

785

00:38:24,069 --> 00:38:21,280

tell you right now

786

00:38:26,310 --> 00:38:24,079

uh willis harmon

787

00:38:28,870 --> 00:38:26,320

willis harmon led me down a different

788

00:38:31,109 --> 00:38:28,880

rabbit hole that's for sure

789

00:38:32,550 --> 00:38:31,119

so if you watch this if you're one

790

00:38:34,550 --> 00:38:32,560

that's with me kind of you know

791

00:38:36,630 --> 00:38:34,560

routinely here remember that name willis

792

00:38:40,150 --> 00:38:36,640

harmon because that's going to come up

793

00:38:41,589 --> 00:38:40,160

probably tomorrow or next week

794

00:38:43,910 --> 00:38:41,599

all of us are aware that some kind of

795

00:38:45,270 --> 00:38:43,920

global mind change is taking place few

796

00:38:48,710 --> 00:38:45,280

doubt that it is

797

00:38:50,950 --> 00:38:48,720

at a very fundamental level why it is

798

00:38:52,790 --> 00:38:50,960

why it is happening now

799

00:38:54,470 --> 00:38:52,800

what its implications are for ourselves

800

00:38:56,069 --> 00:38:54,480

our children and how it can be made less

801  
00:38:58,470 --> 00:38:56,079  
traumatic all these questions of crucial

802  
00:38:59,990 --> 00:38:58,480  
importance for us and those whom we care

803  
00:39:02,630 --> 00:39:00,000  
the first thing i think of when i see

804  
00:39:04,710 --> 00:39:02,640  
that is what do you mean happening now

805  
00:39:06,470 --> 00:39:04,720  
it's it's 2022 so has it happened

806  
00:39:09,430 --> 00:39:06,480  
already

807  
00:39:13,430 --> 00:39:09,440  
interestingly enough

808  
00:39:17,270 --> 00:39:14,710  
you know

809  
00:39:20,150 --> 00:39:17,280  
like think about

810  
00:39:22,870 --> 00:39:20,160  
just like the ufo era is almost like

811  
00:39:24,150 --> 00:39:22,880  
when everything began oddly enough like

812  
00:39:25,430 --> 00:39:24,160  
as far as

813  
00:39:30,310 --> 00:39:25,440

our uh

814

00:39:32,870 --> 00:39:31,990

you know all of a sudden things just

815

00:39:35,109 --> 00:39:32,880

like

816

00:39:37,030 --> 00:39:35,119

skyrocketed

817

00:39:38,230 --> 00:39:37,040

and here we are like i'm doing this show

818

00:39:42,069 --> 00:39:38,240

with you

819

00:39:44,630 --> 00:39:42,079

and we got our phones and stuff

820

00:39:47,670 --> 00:39:44,640

just like that in the blink of an eye

821

00:39:50,150 --> 00:39:47,680

as compared to the age of like

822

00:39:53,190 --> 00:39:50,160

the world you know

823

00:39:54,550 --> 00:39:53,200

so everything is still young

824

00:39:56,550 --> 00:39:54,560

so you know some people are like oh

825

00:39:58,550 --> 00:39:56,560

disclosure why does disclosure happen or

826

00:40:01,109 --> 00:39:58,560

whatever like just think about it man

827

00:40:04,230 --> 00:40:01,119

like a year is like a second

828

00:40:05,589 --> 00:40:04,240

how many how often have you like

829

00:40:07,829 --> 00:40:05,599

just

830

00:40:09,510 --> 00:40:07,839

we're kind of amazed that you feel like

831

00:40:12,309 --> 00:40:09,520

something just happened yesterday but it

832

00:40:14,230 --> 00:40:12,319

was like 10 years ago

833

00:40:16,950 --> 00:40:14,240

like you blinked your eyes and it was

834

00:40:17,670 --> 00:40:16,960

you know here you are

835

00:40:20,630 --> 00:40:17,680

and

836

00:40:22,950 --> 00:40:20,640

everything that happened is gone

837

00:40:26,150 --> 00:40:22,960

you know it's like in the past things go

838

00:40:30,230 --> 00:40:27,589

so

839

00:40:31,910 --> 00:40:30,240

i'm just kind of babbling as i look for

840

00:40:34,309 --> 00:40:31,920

um

841

00:40:36,790 --> 00:40:34,319

to make sure i'm not missing any other

842

00:40:38,470 --> 00:40:36,800

mr mitchell stuff i just thought this

843

00:40:40,550 --> 00:40:38,480

was a

844

00:40:42,309 --> 00:40:40,560

pretty cool scene that oh here we go

845

00:40:45,829 --> 00:40:42,319

where science and religion meet the

846

00:40:48,390 --> 00:40:47,270

you know it's it's kind of interesting

847

00:40:49,829 --> 00:40:48,400

because

848

00:40:53,670 --> 00:40:49,839

you know it's always

849

00:40:55,510 --> 00:40:53,680

keep it separated right but maybe that's

850

00:40:57,510 --> 00:40:55,520

been the problem the whole time

851  
00:41:00,550 --> 00:40:57,520  
developments in science during the past

852  
00:41:01,910 --> 00:41:00,560  
two decades lead incapability

853  
00:41:04,390 --> 00:41:01,920  
in

854  
00:41:05,910 --> 00:41:04,400  
i can't read that is that what it says

855  
00:41:07,430 --> 00:41:05,920  
to the view that the universe is not

856  
00:41:09,270 --> 00:41:07,440  
organized as history and classical

857  
00:41:12,470 --> 00:41:09,280  
theory has taught us

858  
00:41:14,230 --> 00:41:12,480  
it is not a universe of particles and a

859  
00:41:16,309 --> 00:41:14,240  
separateness but one that is

860  
00:41:17,829 --> 00:41:16,319  
interconnected and

861  
00:41:20,309 --> 00:41:17,839  
holistic

862  
00:41:22,790 --> 00:41:20,319  
energy is the underlying reality and the

863  
00:41:24,550 --> 00:41:22,800

interactive role of an observer

864

00:41:26,230 --> 00:41:24,560

is integral to the process the

865

00:41:27,270 --> 00:41:26,240

three-tiered universe simply doesn't

866

00:41:30,069 --> 00:41:27,280

exist

867

00:41:32,230 --> 00:41:30,079

a theory of the evolution of energy

868

00:41:34,150 --> 00:41:32,240

matter consciousness

869

00:41:35,910 --> 00:41:34,160

from the big bang will be presented and

870

00:41:38,550 --> 00:41:35,920

discussed i don't know if i feel about

871

00:41:40,390 --> 00:41:38,560

the big bang but whatever

872

00:41:42,550 --> 00:41:40,400

discussion and exercise will be used to

873

00:41:44,069 --> 00:41:42,560

illustrate the inner connectedness of

874

00:41:46,390 --> 00:41:44,079

mind and matter

875

00:41:49,670 --> 00:41:46,400

the role of a belief system and how to

876

00:41:52,150 --> 00:41:49,680

modify it the interaction of intuition

877

00:41:55,670 --> 00:41:52,160

and rational process intuition as a

878

00:41:57,750 --> 00:41:55,680

product of the collective unconscious

879

00:41:58,870 --> 00:41:57,760

and the human role in creating it

880

00:42:02,069 --> 00:41:58,880

reality

881

00:42:04,390 --> 00:42:02,079

very interesting

882

00:42:10,309 --> 00:42:04,400

and aretha franklin oh no that's laura

883

00:42:13,750 --> 00:42:12,069

um so yeah

884

00:42:16,230 --> 00:42:13,760

check it out what i would encourage you

885

00:42:19,829 --> 00:42:16,240

to do is you know if any of this like

886

00:42:22,870 --> 00:42:19,839

interests you and that's something that

887

00:42:25,109 --> 00:42:22,880

you know you like hecker mitchell and

888

00:42:27,190 --> 00:42:25,119

whatever just go look into it yourself

889

00:42:28,829 --> 00:42:27,200

and either you dig it and find something

890

00:42:31,990 --> 00:42:28,839

that you're into or not

891

00:42:35,589 --> 00:42:32,000

so whatever

892

00:42:39,589 --> 00:42:37,670

the thing though with with these kind of

893

00:42:40,870 --> 00:42:39,599

fields and i should tell you right now

894

00:42:43,270 --> 00:42:40,880

that

895

00:42:46,790 --> 00:42:43,280

you know there are people

896

00:42:49,589 --> 00:42:46,800

that take advantage of you

897

00:42:50,630 --> 00:42:49,599

because you're looking for

898

00:42:52,790 --> 00:42:50,640

um

899

00:42:54,870 --> 00:42:52,800

you know some sort of answer and maybe

900

00:42:56,630 --> 00:42:54,880

you feel that something is right and

901  
00:42:58,710 --> 00:42:56,640  
people will take advantage of you

902  
00:43:03,190 --> 00:42:58,720  
they'll take their money they'll take

903  
00:43:07,670 --> 00:43:05,190  
you know

904  
00:43:08,870 --> 00:43:07,680  
and that's why this field is so can be

905  
00:43:10,950 --> 00:43:08,880  
so

906  
00:43:12,309 --> 00:43:10,960  
difficult

907  
00:43:15,270 --> 00:43:12,319  
because there's honest people

908  
00:43:18,390 --> 00:43:15,280  
researching mixed with people who want

909  
00:43:23,349 --> 00:43:20,550  
you know and give you the most

910  
00:43:25,190 --> 00:43:23,359  
grandiose stories that are naturally

911  
00:43:30,390 --> 00:43:25,200  
attractive to people because they're so

912  
00:43:35,430 --> 00:43:32,710  
you know because

913  
00:43:36,950 --> 00:43:35,440

it sucks but that's how it goes

914

00:43:38,790 --> 00:43:36,960

so

915

00:43:42,390 --> 00:43:38,800

you know this noetic science and you

916

00:43:45,349 --> 00:43:42,400

know consciousness i believe that

917

00:43:47,750 --> 00:43:45,359

um there's something there and it's real

918

00:43:50,550 --> 00:43:47,760

and worth looking into

919

00:43:53,670 --> 00:43:52,790

just like the ufo world you have to be

920

00:43:56,150 --> 00:43:53,680

aware

921

00:44:02,710 --> 00:43:56,160

of people selling you

922

00:44:06,630 --> 00:44:04,230

so today's show is a little bit

923

00:44:09,829 --> 00:44:06,640

different i hope you didn't mind it

924

00:44:17,030 --> 00:44:11,750

i was just feeling feeling it and when

925

00:44:17,040 --> 00:44:19,829

you just

926  
00:44:23,270 --> 00:44:21,349  
you know

927  
00:44:27,510 --> 00:44:23,280  
we're going to touch on all aspects of

928  
00:44:32,470 --> 00:44:30,550  
but you know to leave on kind of a

929  
00:44:36,069 --> 00:44:32,480  
high note

930  
00:44:38,390 --> 00:44:36,079  
you know not leave

931  
00:44:40,589 --> 00:44:38,400  
you know um we still are going to

932  
00:44:42,390 --> 00:44:40,599  
transition now we're going to transition

933  
00:44:46,710 --> 00:44:42,400  
transitioning now

934  
00:44:48,230 --> 00:44:46,720  
from edgar mitchell into something else

935  
00:44:51,109 --> 00:44:48,240  
and

936  
00:44:53,030 --> 00:44:51,119  
what it is

937  
00:44:56,470 --> 00:44:53,040  
it's just gonna be a few

938  
00:44:59,030 --> 00:44:56,480

random uh ufo documents that uh are

939

00:45:03,349 --> 00:45:01,670

ladies and gentlemen the document of the

940

00:45:17,589 --> 00:45:03,359

day

941

00:45:19,800 --> 00:45:17,599

[Music]

942

00:45:24,550 --> 00:45:19,810

it's the dark of the day

943

00:45:24,560 --> 00:45:30,630

document of the day

944

00:45:35,349 --> 00:45:33,270

so

945

00:45:36,870 --> 00:45:35,359

i haven't played that one in a while

946

00:45:38,710 --> 00:45:36,880

i used to play it all the time but i

947

00:45:39,670 --> 00:45:38,720

kind of got sick of it so

948

00:45:43,349 --> 00:45:39,680

this

949

00:45:45,270 --> 00:45:43,359

is the document of the day

950

00:45:48,309 --> 00:45:45,280

it's i'm not going too deep on this

951

00:45:50,870 --> 00:45:48,319

stuff i just found it pretty interesting

952

00:45:53,349 --> 00:45:50,880

because

953

00:45:56,630 --> 00:45:53,359

of the date

954

00:45:59,430 --> 00:45:56,640

is march 2nd 1948

955

00:46:03,349 --> 00:45:59,440

which might be interesting to one mr

956

00:46:05,510 --> 00:46:03,359

robert gilford or maybe not i don't know

957

00:46:07,430 --> 00:46:05,520

but

958

00:46:10,390 --> 00:46:07,440

it's to a mister and i'm not even gonna

959

00:46:11,990 --> 00:46:10,400

you know i'm being super slacky with

960

00:46:15,190 --> 00:46:12,000

this one

961

00:46:17,750 --> 00:46:15,200

i have no backstory or anything uh mr

962

00:46:19,910 --> 00:46:17,760

oscar moaning secretary national

963

00:46:22,790 --> 00:46:19,920

meteorologist

964

00:46:24,870 --> 00:46:22,800

meteorological society dear sir i was

965

00:46:27,349 --> 00:46:24,880

acquainted with you some 16 years ago

966

00:46:30,870 --> 00:46:27,359

when i was a member of the penta society

967

00:46:32,309 --> 00:46:30,880

under the direction of mrs

968

00:46:35,190 --> 00:46:32,319

i wonder

969

00:46:37,430 --> 00:46:35,200

of old central high school

970

00:46:39,990 --> 00:46:37,440

you were lecturing and holding star

971

00:46:41,910 --> 00:46:40,000

observation meetings at that time i'm

972

00:46:44,390 --> 00:46:41,920

writing this introductory letter as a

973

00:46:45,910 --> 00:46:44,400

personal note rather than as an official

974

00:46:47,990 --> 00:46:45,920

piece of correspondence i'm requesting

975

00:46:51,109 --> 00:46:48,000

that you keep the subject matter

976  
00:46:54,630 --> 00:46:52,630  
interesting

977  
00:46:57,190 --> 00:46:54,640  
remember that as we move on

978  
00:46:59,030 --> 00:46:57,200  
and assure you that any correspondence

979  
00:47:02,069 --> 00:46:59,040  
you address to this headquarters will be

980  
00:47:04,470 --> 00:47:02,079  
held in absolute confidence please reply

981  
00:47:13,430 --> 00:47:05,589  
the

982  
00:47:15,109 --> 00:47:13,440  
air material command

983  
00:47:18,069 --> 00:47:15,119  
wright patterson air force base

984  
00:47:20,230 --> 00:47:18,079  
attention major faulk

985  
00:47:23,030 --> 00:47:20,240  
he says i'm interested in the sighting

986  
00:47:24,790 --> 00:47:23,040  
of a supposed meteorite over kansas

987  
00:47:26,630 --> 00:47:24,800  
about two weeks ago

988  
00:47:28,549 --> 00:47:26,640

i gather from a news article that you

989

00:47:30,870 --> 00:47:28,559

will have information regarding any

990

00:47:32,710 --> 00:47:30,880

fragments

991

00:47:34,390 --> 00:47:32,720

from this object

992

00:47:36,630 --> 00:47:34,400

if you have any knowledge of the

993

00:47:38,549 --> 00:47:36,640

existence of these fragments or of any

994

00:47:40,549 --> 00:47:38,559

technical information concerning the

995

00:47:42,950 --> 00:47:40,559

meteorite please write us and give the

996

00:47:45,670 --> 00:47:42,960

details i plan to be in fort worth for a

997

00:47:48,549 --> 00:47:45,680

visit to my home during the week of 13

998

00:47:50,710 --> 00:47:48,559

march 1948 and i will appreciate an

999

00:47:52,150 --> 00:47:50,720

interview with you at the time

1000

00:47:54,630 --> 00:47:52,160

remembering with pleasure your

1001  
00:47:57,190 --> 00:47:54,640  
cooperation with our group of high

1002  
00:47:59,510 --> 00:47:57,200  
school students i feel sure that you'll

1003  
00:48:01,030 --> 00:47:59,520  
respect my request that there be no

1004  
00:48:03,270 --> 00:48:01,040  
publicity

1005  
00:48:05,430 --> 00:48:03,280  
concerning this investigation and that

1006  
00:48:10,230 --> 00:48:05,440  
you will give us whatever information is

1007  
00:48:14,549 --> 00:48:12,069  
i do remember looking at the rest of the

1008  
00:48:19,270 --> 00:48:14,559  
documents here and it didn't wind up

1009  
00:48:23,829 --> 00:48:21,270  
but it's interesting

1010  
00:48:26,230 --> 00:48:23,839  
because uh why do you want to keep that

1011  
00:48:28,150 --> 00:48:26,240  
private why do you have to keep a meteor

1012  
00:48:32,069 --> 00:48:28,160  
private right

1013  
00:48:42,309 --> 00:48:35,190

doesn't make much sense at all to be

1014

00:48:47,270 --> 00:48:44,069

all right so

1015

00:48:49,270 --> 00:48:47,280

one last thing before we get out of here

1016

00:48:50,790 --> 00:48:49,280

and it's our last

1017

00:48:52,549 --> 00:48:50,800

we're gonna skip the testimony part

1018

00:48:54,950 --> 00:48:52,559

today i didn't have time to i mean i

1019

00:48:57,829 --> 00:48:54,960

have one but it's like six minutes long

1020

00:49:00,230 --> 00:48:57,839

and i want to couple that up with uh

1021

00:49:01,430 --> 00:49:00,240

a special case historic case dive that

1022

00:49:04,470 --> 00:49:01,440

i'm gonna do

1023

00:49:13,510 --> 00:49:06,710

so we're going to go straight to the ufo

1024

00:49:13,520 --> 00:49:18,710

what the heck is that

1025

00:49:18,720 --> 00:49:26,230

what the heck is the heck is that

1026

00:49:26,240 --> 00:49:37,990

what the heck is it

1027

00:49:41,910 --> 00:49:39,589

all right i gotta shorten that up that

1028

00:49:44,549 --> 00:49:41,920

is way too long but

1029

00:49:46,870 --> 00:49:44,559

here is the uh the space fart sounds are

1030

00:49:48,150 --> 00:49:46,880

just like way too much

1031

00:49:51,910 --> 00:49:48,160

um but

1032

00:49:54,230 --> 00:49:51,920

here is the video i'm gonna thank

1033

00:49:57,589 --> 00:49:54,240

i don't know if i saw him in here today

1034

00:49:59,510 --> 00:49:57,599

in the chat but um dude sent me

1035

00:49:59,880 --> 00:49:59,520

all the different

1036

00:50:02,230 --> 00:49:59,890

um

1037

00:50:05,190 --> 00:50:02,240

[Music]

1038

00:50:07,109 --> 00:50:05,200

uh angles and everything from the this

1039

00:50:08,549 --> 00:50:07,119

video i tried to show very poorly from

1040

00:50:11,109 --> 00:50:08,559

reddit the other day

1041

00:50:14,560 --> 00:50:11,119

so i'll play it you check it out you let

1042

00:50:14,570 --> 00:51:08,710

[Music]

1043

00:51:11,030 --> 00:51:09,829

i don't know

1044

00:51:13,750 --> 00:51:11,040

it's like

1045

00:51:15,990 --> 00:51:13,760

you know that obviously has the shape of

1046

00:51:18,870 --> 00:51:16,000

like uh like it would have wings and a

1047

00:51:22,790 --> 00:51:18,880

plane of some sort bret

1048

00:51:24,549 --> 00:51:22,800

but as a tail or something or is that a

1049

00:51:28,069 --> 00:51:24,559

exhaust i'm not sure

1050

00:51:30,069 --> 00:51:28,079

josh yeah that's the guy josh

1051  
00:51:32,150 --> 00:51:30,079  
extras

1052  
00:51:34,710 --> 00:51:32,160  
yeah it's a it's a definite uh

1053  
00:51:36,549 --> 00:51:34,720  
interesting one that's for sure and it's

1054  
00:51:38,710 --> 00:51:36,559  
a small little guy

1055  
00:51:40,150 --> 00:51:38,720  
you know pretty cool though pretty

1056  
00:51:43,510 --> 00:51:40,160  
interesting

1057  
00:51:48,309 --> 00:51:43,520  
um but yeah other than that

1058  
00:51:50,470 --> 00:51:48,319  
i think i am done for the day

1059  
00:51:53,430 --> 00:51:50,480  
so

1060  
00:51:55,750 --> 00:51:53,440  
i appreciate y'all hanging out i had a

1061  
00:51:57,270 --> 00:51:55,760  
great time with you

1062  
00:51:59,829 --> 00:51:57,280  
um

1063  
00:52:02,710 --> 00:51:59,839

and we will

1064

00:52:04,150 --> 00:52:02,720

i had fridays

1065

00:52:06,069 --> 00:52:04,160

maybe i'll do a show tomorrow i don't

1066

00:52:07,910 --> 00:52:06,079

know friday's uh for viewers and stuff

1067

00:52:09,910 --> 00:52:07,920

wind up sucking so i don't know if i'll

1068

00:52:11,750 --> 00:52:09,920

do a show tomorrow but

1069

00:52:13,750 --> 00:52:11,760

you know actually

1070

00:52:15,829 --> 00:52:13,760

i don't care how many people view it

1071

00:52:18,150 --> 00:52:15,839

i'll do what i want to do and if i enjoy

1072

00:52:19,430 --> 00:52:18,160

it

1073

00:52:21,109 --> 00:52:19,440

there's something i want to talk about

1074

00:52:22,309 --> 00:52:21,119

you'll see me tomorrow

1075

00:52:23,910 --> 00:52:22,319

um

1076  
00:52:25,750 --> 00:52:23,920  
otherwise yeah peace out hope you

1077  
00:52:27,109 --> 00:52:25,760  
enjoyed the show

1078  
00:52:29,190 --> 00:52:27,119  
um

1079  
00:52:33,030 --> 00:52:29,200  
end i hope you have a great day it

1080  
00:52:35,589 --> 00:52:33,040  
thanks everybody um benji what's up

1081  
00:52:37,710 --> 00:52:35,599  
paranormal pixie robert

1082  
00:52:39,670 --> 00:52:37,720  
benjamin

1083  
00:52:40,630 --> 00:52:39,680  
k42d

1084  
00:52:43,030 --> 00:52:40,640  
uh

1085  
00:52:45,670 --> 00:52:43,040  
lord bass lord sosa

1086  
00:52:48,069 --> 00:52:45,680  
jason faye what's up

1087  
00:52:51,109 --> 00:52:48,079  
what else we got mr robert colford yep

1088  
00:52:53,910 --> 00:52:51,119

space farcio

1089

00:52:55,910 --> 00:52:53,920

james what's up

1090

00:52:58,069 --> 00:52:55,920

shelly what's up

1091

00:53:02,710 --> 00:52:58,079

linda

1092

00:53:05,829 --> 00:53:03,750

um

1093

00:53:08,470 --> 00:53:05,839

hope i'm not missing anybody eve clancy

1094

00:53:10,309 --> 00:53:08,480

what's up

1095

00:53:14,950 --> 00:53:10,319

uh love that you guys are hanging out

1096

00:53:18,790 --> 00:53:14,960

here linda thompson says there's a book

1097

00:53:20,630 --> 00:53:18,800

i'm guessing it has to do with something

1098

00:53:23,030 --> 00:53:20,640

something i talked about earlier bob

1099

00:53:25,030 --> 00:53:23,040

marley what's up need to hear that man

1100

00:53:26,230 --> 00:53:25,040

respect cool

1101  
00:53:28,870 --> 00:53:26,240  
cool i don't know if you're talking to

1102  
00:53:31,190 --> 00:53:28,880  
me or james but uh either way

1103  
00:53:32,630 --> 00:53:31,200  
i'm glad you got something you needed to

1104  
00:53:35,829 --> 00:53:32,640  
hear

1105  
00:53:38,150 --> 00:53:35,839  
for sure um lionel what's up

1106  
00:53:41,510 --> 00:53:38,160  
craig t music what's up

1107  
00:53:42,710 --> 00:53:41,520  
jefferson lee what's happening

1108  
00:53:44,470 --> 00:53:42,720  
so yeah

1109  
00:53:46,390 --> 00:53:44,480  
michael thanks for the

1110  
00:53:48,390 --> 00:53:46,400  
donation i really appreciate that that's

1111  
00:53:49,270 --> 00:53:48,400  
always awesome super nice of you to do

1112  
00:53:51,030 --> 00:53:49,280  
that

1113  
00:53:53,349 --> 00:53:51,040

i think we have

1114

00:53:55,270 --> 00:53:53,359

hello sir

1115

00:53:57,910 --> 00:53:55,280

you'll have to give me your name in

1116

00:54:02,470 --> 00:53:57,920

english i forget what it is or i mean i

1117

00:54:06,950 --> 00:54:05,030

scott brown what's up

1118

00:54:08,230 --> 00:54:06,960

teresa what's happening awesome to see

1119

00:54:10,069 --> 00:54:08,240

you guys here

1120

00:54:12,790 --> 00:54:10,079

hopefully you stayed with us if not

1121

00:54:15,190 --> 00:54:12,800

that's okay

1122

00:54:18,150 --> 00:54:16,870

i don't know is that it did i get

1123

00:54:20,069 --> 00:54:18,160

everybody

1124

00:54:23,510 --> 00:54:20,079

i think i got everyone

1125

00:54:26,390 --> 00:54:23,520

yeah cool nightgazer what's up

1126

00:54:29,829 --> 00:54:26,400

oh we got another one

1127

00:54:32,710 --> 00:54:29,839

d brian lee what's happening awesome

1128

00:54:34,710 --> 00:54:32,720

um and we had invisible college come in

1129

00:54:37,109 --> 00:54:34,720

at the beginning and

1130

00:54:39,190 --> 00:54:37,119

say something nice um but

1131

00:54:45,430 --> 00:54:39,200

i doubt

1132

00:54:48,470 --> 00:54:45,440

as what we know

1133

00:54:50,630 --> 00:54:48,480

it to be all right so that being said i

1134

00:54:52,230 --> 00:54:50,640

will peace out i hear you guys have a

1135

00:55:14,530 --> 00:54:52,240

great rest of the night thanks for
