

1
00:00:06,869 --> 00:00:04,470
what's up everybody happy

2
00:00:09,350 --> 00:00:06,879
freaking friday

3
00:00:11,669 --> 00:00:09,360
um we are going to

4
00:00:14,629 --> 00:00:11,679
cover some interesting things today

5
00:00:17,189 --> 00:00:14,639
um a pretty great article came out um

6
00:00:19,029 --> 00:00:17,199
featuring uh jacques valet

7
00:00:20,870 --> 00:00:19,039
yesterday on wired i put all that stuff

8
00:00:22,550 --> 00:00:20,880
in the description so we're gonna touch

9
00:00:27,029 --> 00:00:22,560
a little bit on him

10
00:00:31,750 --> 00:00:27,039
um and we're also going to touch on

11
00:00:33,030 --> 00:00:31,760
um jim semivent who did a piece with um

12
00:00:36,150 --> 00:00:33,040
stewart

13
00:00:38,709 --> 00:00:36,160

um on aliens and artists and just a

14

00:00:40,150 --> 00:00:38,719

podcast work he went over his uh

15

00:00:41,910 --> 00:00:40,160

experience

16

00:00:45,029 --> 00:00:41,920

from a while back and a little bit about

17

00:00:47,029 --> 00:00:45,039

the cia i think that's just part one out

18

00:00:48,069 --> 00:00:47,039

of a three-parter so

19

00:00:49,990 --> 00:00:48,079

um

20

00:00:52,950 --> 00:00:50,000

we'll talk about that just a little bit

21

00:00:54,389 --> 00:00:52,960

and then the soul conundrum of

22

00:00:56,470 --> 00:00:54,399

um

23

00:00:59,110 --> 00:00:56,480

ufos in

24

00:01:00,869 --> 00:00:59,120

you know around nuclear stuff interest

25

00:01:05,270 --> 00:01:00,879

strategic stuff

26

00:01:08,870 --> 00:01:05,280

um so i found a very interesting piece

27

00:01:11,990 --> 00:01:08,880

um from the 1970s

28

00:01:14,630 --> 00:01:12,000

that we can look at and kind of you know

29

00:01:15,510 --> 00:01:14,640

put things today in the context of back

30

00:01:17,670 --> 00:01:15,520

then

31

00:01:19,670 --> 00:01:17,680

and you know what were they saying about

32

00:01:22,469 --> 00:01:19,680

this stuff at that point is it similar

33

00:01:25,429 --> 00:01:22,479

to now is it different what's the deal

34

00:01:27,350 --> 00:01:25,439

um and we have some pretty great audio

35

00:01:30,630 --> 00:01:27,360

pieces that we'll play today

36

00:01:32,310 --> 00:01:30,640

uh one from 1949

37

00:01:34,469 --> 00:01:32,320

in new mexico

38

00:01:37,270 --> 00:01:34,479

and then another one

39

00:01:40,109 --> 00:01:37,280

in new mexico farmington new mexico

40

00:01:44,149 --> 00:01:40,119

with audio from the one frank scully in

41

00:01:45,429 --> 00:01:44,159

1950 which is very interesting

42

00:01:47,910 --> 00:01:45,439

excuse me

43

00:01:49,590 --> 00:01:47,920

so thanks for hanging with me um i got

44

00:01:52,789 --> 00:01:49,600

caught up

45

00:01:56,149 --> 00:01:52,799

down a little bit of a very interesting

46

00:01:58,709 --> 00:01:56,159

rabbit hole and i wasn't able to kind of

47

00:02:01,429 --> 00:01:58,719

get it to where i wanted it to be

48

00:02:02,230 --> 00:02:01,439

in order to talk about it today so

49

00:02:05,030 --> 00:02:02,240

but

50

00:02:07,590 --> 00:02:05,040

hopefully i will be able to talk about

51
00:02:09,589 --> 00:02:07,600
that soon it's very very interesting

52
00:02:12,070 --> 00:02:09,599
very interesting

53
00:02:13,750 --> 00:02:12,080
it includes everything from

54
00:02:15,110 --> 00:02:13,760
project magnet if you're not familiar

55
00:02:17,830 --> 00:02:15,120
with that

56
00:02:21,350 --> 00:02:17,840
the canadian project wilbert smith

57
00:02:24,710 --> 00:02:23,270
a different project magnet that happened

58
00:02:27,030 --> 00:02:24,720
here

59
00:02:30,869 --> 00:02:28,790
a lot of interesting stuff it's hard to

60
00:02:32,550 --> 00:02:30,879
hard to wrap up so that's why i couldn't

61
00:02:36,309 --> 00:02:32,560
really finish it off but

62
00:02:39,270 --> 00:02:36,319
in order to present it today but i will

63
00:02:40,550 --> 00:02:39,280

um you know present it uh

64

00:02:43,350 --> 00:02:40,560

soon enough

65

00:03:06,590 --> 00:02:43,360

so without further ado

66

00:03:33,990 --> 00:03:17,520

[Music]

67

00:03:39,990 --> 00:03:35,030

so

68

00:03:44,309 --> 00:03:40,000

you guys were able to

69

00:03:47,110 --> 00:03:44,319

uh check out that piece um about ballet

70

00:03:50,149 --> 00:03:47,120

um because it's pretty good it really

71

00:03:54,710 --> 00:03:51,830

just about everything that you really

72

00:03:57,270 --> 00:03:54,720

hope to go over in regards to to him in

73

00:03:58,949 --> 00:03:57,280

his career with this stuff it starts

74

00:04:01,190 --> 00:03:58,959

um

75

00:04:03,190 --> 00:04:01,200

from his you know where it all started

76

00:04:05,750 --> 00:04:03,200

which was his own sighting

77

00:04:06,949 --> 00:04:05,760

it when he was in france and he he saw

78

00:04:09,350 --> 00:04:06,959

something

79

00:04:11,750 --> 00:04:09,360

which was pretty interesting in him and

80

00:04:14,070 --> 00:04:11,760

like a friend you know having fun and

81

00:04:16,310 --> 00:04:14,080

doing it and i was always kind of his

82

00:04:18,069 --> 00:04:16,320

own little explorer using telescopes as

83

00:04:19,030 --> 00:04:18,079

a kid and all that stuff

84

00:04:20,789 --> 00:04:19,040

um

85

00:04:22,950 --> 00:04:20,799

so it's pretty interesting and it starts

86

00:04:25,430 --> 00:04:22,960

off actually talking about his

87

00:04:28,790 --> 00:04:25,440

connection with mr gary nolan

88

00:04:31,110 --> 00:04:28,800

and and how they discovered some

89

00:04:32,870 --> 00:04:31,120

um kind of i guess you could call it

90

00:04:35,909 --> 00:04:32,880

some type of metal

91

00:04:39,030 --> 00:04:35,919

um that came out of

92

00:04:40,550 --> 00:04:39,040

a different piece of unidentified metal

93

00:04:42,310 --> 00:04:40,560

um

94

00:04:45,030 --> 00:04:42,320

so i guess i can just quote this part a

95

00:04:47,350 --> 00:04:45,040

piece of this puzzle

96

00:04:48,870 --> 00:04:47,360

was now sitting a few inches from a

97

00:04:50,710 --> 00:04:48,880

platzer's plate

98

00:04:53,270 --> 00:04:50,720

platter was like the witness who got the

99

00:04:55,430 --> 00:04:53,280

the metal originally the mystery valet

100

00:04:56,870 --> 00:04:55,440

said was where the material came from

101
00:04:59,909 --> 00:04:56,880
originally

102
00:05:01,749 --> 00:04:59,919
uh metallurgical analysis at the time

103
00:05:03,830 --> 00:05:01,759
showed that it consisted mostly of iron

104
00:05:04,870 --> 00:05:03,840
with traces of carbon titanium and other

105
00:05:07,909 --> 00:05:04,880
elements

106
00:05:11,590 --> 00:05:07,919
basically a steel alloy scrambled to

107
00:05:13,670 --> 00:05:11,600
what looked like cast iron

108
00:05:16,230 --> 00:05:13,680
it could be satellite debris or

109
00:05:17,830 --> 00:05:16,240
equipment falling from a plane valley

110
00:05:20,310 --> 00:05:17,840
pointed out

111
00:05:21,909 --> 00:05:20,320
those wouldn't have gotten enough got it

112
00:05:23,990 --> 00:05:21,919
those wouldn't have gotten hot enough to

113
00:05:26,469 --> 00:05:24,000

melt and they would have cratered uh the

114

00:05:28,150 --> 00:05:26,479

ground nor for the same reasons could it

115

00:05:30,390 --> 00:05:28,160

be a meteorite there wasn't enough

116

00:05:32,150 --> 00:05:30,400

nickel for a meteorite anyways

117

00:05:34,790 --> 00:05:32,160

uh could a hoaxer have poured the metal

118

00:05:36,830 --> 00:05:34,800

in place unlikely valley said uh that

119

00:05:39,670 --> 00:05:36,840

would have required an industrial

120

00:05:41,189 --> 00:05:39,680

furnace plus some way of transporting

121

00:05:43,909 --> 00:05:41,199

the molten metal

122

00:05:50,310 --> 00:05:43,919

so it's pretty interesting um you know

123

00:05:53,990 --> 00:05:51,430

you know i guess you can call them

124

00:05:54,870 --> 00:05:54,000

fragments like ufo fragments like how do

125

00:05:57,110 --> 00:05:54,880

they

126
00:05:59,510 --> 00:05:57,120
uh analyze this stuff

127
00:06:01,189 --> 00:05:59,520
um so it gives you a good kind of peek

128
00:06:02,870 --> 00:06:01,199
in there for instance like

129
00:06:04,550 --> 00:06:02,880
if they're

130
00:06:06,309 --> 00:06:04,560
you know something gary nolan said is

131
00:06:07,749 --> 00:06:06,319
that some of these stuff are just kind

132
00:06:10,230 --> 00:06:07,759
of like the same

133
00:06:13,110 --> 00:06:10,240
made of the same things as you know

134
00:06:14,390 --> 00:06:13,120
things were used to titanium you know

135
00:06:17,270 --> 00:06:14,400
nickel

136
00:06:19,189 --> 00:06:17,280
iron steel alloy that kind of stuff so

137
00:06:21,990 --> 00:06:19,199
how do you differentiate something that

138
00:06:23,670 --> 00:06:22,000

would just be something simply prosaic

139

00:06:25,670 --> 00:06:23,680

and something that might be a little bit

140

00:06:27,830 --> 00:06:25,680

unknown well i guess it's the actual

141

00:06:30,230 --> 00:06:27,840

makeup of the chemicals and how it would

142

00:06:31,749 --> 00:06:30,240

be made and what it would be used for

143

00:06:36,230 --> 00:06:31,759

and if you're kind of left with the

144

00:06:40,309 --> 00:06:38,150

maybe we're getting somewhere

145

00:06:43,510 --> 00:06:40,319

you know for instance

146

00:06:46,870 --> 00:06:45,110

it burns hot enough to mount steel and

147

00:06:48,870 --> 00:06:46,880

wouldn't produce a crater you know

148

00:06:49,830 --> 00:06:48,880

thermite was a possibility

149

00:06:51,510 --> 00:06:49,840

um

150

00:06:53,670 --> 00:06:51,520

but to create the cast iron-like

151
00:06:55,350 --> 00:06:53,680
material that plaster saw before him the

152
00:06:57,430 --> 00:06:55,360
perpetrator would have to douse the

153
00:06:59,749 --> 00:06:57,440
puddle in water and the water would have

154
00:07:01,110 --> 00:06:59,759
frozen and there is no ice on the scene

155
00:07:01,830 --> 00:07:01,120
so they're not just taking this stuff

156
00:07:04,230 --> 00:07:01,840
and

157
00:07:06,150 --> 00:07:04,240
going oh this is an unidentified

158
00:07:07,510 --> 00:07:06,160
material because someone said it came

159
00:07:09,270 --> 00:07:07,520
from something you know they're actually

160
00:07:11,270 --> 00:07:09,280
going through the thought process as

161
00:07:13,189 --> 00:07:11,280
well as the chemical analysis which

162
00:07:15,270 --> 00:07:13,199
which is great so that was a great read

163
00:07:17,110 --> 00:07:15,280

to kind of learn how that process goes

164

00:07:21,909 --> 00:07:17,120

and just to learn a little bit more

165

00:07:25,830 --> 00:07:23,189

so

166

00:07:28,629 --> 00:07:25,840

let me take a quick second to say what's

167

00:07:30,710 --> 00:07:28,639

up to everybody um what we have shelley

168

00:07:32,230 --> 00:07:30,720

here k42d

169

00:07:33,029 --> 00:07:32,240

with the citizen

170

00:07:35,029 --> 00:07:33,039

um

171

00:07:38,469 --> 00:07:35,039

liona what's up dieselgirl

172

00:07:40,230 --> 00:07:38,479

uh deborah awesome nice to see you i'm

173

00:07:41,670 --> 00:07:40,240

jesse peak what's up

174

00:07:43,189 --> 00:07:41,680

um

175

00:07:44,390 --> 00:07:43,199

psych what's happening

176

00:07:47,749 --> 00:07:44,400

so everybody

177

00:07:49,510 --> 00:07:47,759

i appreciate you guys joining

178

00:07:51,430 --> 00:07:49,520

it's a friday show

179

00:07:54,390 --> 00:07:51,440

we're really killing it this week this

180

00:07:56,469 --> 00:07:54,400

is the fifth show of the week

181

00:07:57,510 --> 00:07:56,479

uh michael antos what's up steve k

182

00:07:59,510 --> 00:07:57,520

what's up

183

00:08:02,790 --> 00:07:59,520

um if everybody here if you could make

184

00:08:04,390 --> 00:08:02,800

sure that you hit the thumbs up button

185

00:08:06,550 --> 00:08:04,400

and if it turns out i say something that

186

00:08:07,749 --> 00:08:06,560

offends you you can go back and unhit

187

00:08:09,430 --> 00:08:07,759

the button

188

00:08:12,309 --> 00:08:09,440

no problem

189

00:08:13,990 --> 00:08:12,319

subscribe if you haven't share this with

190

00:08:16,390 --> 00:08:14,000

other people if you like it

191

00:08:18,869 --> 00:08:16,400

that's cool too

192

00:08:21,430 --> 00:08:18,879

so yeah without further ado

193

00:08:24,390 --> 00:08:21,440

um let's get into some interesting

194

00:08:27,029 --> 00:08:24,400

paperwork that i found from down under

195

00:08:29,589 --> 00:08:27,039

what's that about right so

196

00:08:32,230 --> 00:08:29,599

i have done uh definitely some research

197

00:08:34,469 --> 00:08:32,240

in the ufo files of

198

00:08:37,350 --> 00:08:34,479

uh other countries

199

00:08:39,190 --> 00:08:37,360

what's up disclosure team vinnie awesome

200

00:08:40,949 --> 00:08:39,200

can't wait to see that guy

201
00:08:42,630 --> 00:08:40,959
back doing his thing he's down in

202
00:08:43,990 --> 00:08:42,640
columbia

203
00:08:48,070 --> 00:08:44,000
so

204
00:08:49,829 --> 00:08:48,080
this paperwork that i want to show is

205
00:08:50,949 --> 00:08:49,839
interesting because in this wired story

206
00:08:54,870 --> 00:08:50,959
they kind of

207
00:08:58,150 --> 00:08:54,880
connect the dots of uh where a heineken

208
00:08:59,670 --> 00:08:58,160
valet kind of got together right like

209
00:09:03,030 --> 00:08:59,680
how that looked

210
00:09:06,150 --> 00:09:03,040
i mean it basically started in the 60s

211
00:09:08,550 --> 00:09:06,160
where um valet went over to

212
00:09:11,829 --> 00:09:08,560
northwestern university he actually

213
00:09:13,350 --> 00:09:11,839

wrote you know a pretty great book

214

00:09:15,190 --> 00:09:13,360

there as well

215

00:09:16,790 --> 00:09:15,200

um but he didn't want to publish that he

216

00:09:19,190 --> 00:09:16,800

was at northwestern university because

217

00:09:21,110 --> 00:09:19,200

he wanted to play cool

218

00:09:24,070 --> 00:09:21,120

cool guy cool dude

219

00:09:26,630 --> 00:09:24,080

um but he was you know more or less you

220

00:09:28,470 --> 00:09:26,640

know right-hand man for heineken and a a

221

00:09:29,670 --> 00:09:28,480

piece that stood out to me in that

222

00:09:32,310 --> 00:09:29,680

article was

223

00:09:33,750 --> 00:09:32,320

discussing their ibm computer process to

224

00:09:35,910 --> 00:09:33,760

find different patterns and all the

225

00:09:39,750 --> 00:09:35,920

different sightings which they put in a

226

00:09:43,670 --> 00:09:39,760

bunch of blue book files and they also

227

00:09:46,310 --> 00:09:43,680

put in thousands of um you know cases

228

00:09:48,790 --> 00:09:46,320

from europe they say are overseas right

229

00:09:53,269 --> 00:09:48,800

so what you know do you ever think like

230

00:09:57,030 --> 00:09:55,190

where did they get those cases uh from

231

00:09:59,509 --> 00:09:57,040

europe

232

00:10:01,030 --> 00:09:59,519

well i think we know where we got and

233

00:10:02,389 --> 00:10:01,040

you know it was pretty awesome to see

234

00:10:04,310 --> 00:10:02,399

that in print because i've been hanging

235

00:10:06,230 --> 00:10:04,320

on to these and i've showed them before

236

00:10:07,670 --> 00:10:06,240

if you guys follow me enough you may

237

00:10:09,509 --> 00:10:07,680

have seen them

238

00:10:12,069 --> 00:10:09,519

but i haven't really had like a nice

239

00:10:12,949 --> 00:10:12,079

springboard to discuss them so to speak

240

00:10:16,710 --> 00:10:12,959

in

241

00:10:18,949 --> 00:10:16,720

so

242

00:10:21,430 --> 00:10:18,959

i'm going to bring up a pretty

243

00:10:22,470 --> 00:10:21,440

interesting article where we find dr

244

00:10:23,350 --> 00:10:22,480

heineck

245

00:10:24,790 --> 00:10:23,360

um

246

00:10:27,269 --> 00:10:24,800

jacques valet

247

00:10:28,550 --> 00:10:27,279

and one dr dugan

248

00:10:31,910 --> 00:10:28,560

um

249

00:10:34,870 --> 00:10:31,920

collecting ufo reports around the world

250

00:10:41,910 --> 00:10:34,880

and this letter is

251
00:10:51,030 --> 00:10:44,150
australia

252
00:10:52,710 --> 00:10:51,040
it's pretty interesting

253
00:10:56,630 --> 00:10:52,720
let me go full screen see if that makes

254
00:11:02,870 --> 00:10:58,790
be nice if we could get it to be a

255
00:11:12,230 --> 00:11:06,150
but i'm also not going to worry too much

256
00:11:14,870 --> 00:11:13,430
so

257
00:11:16,310 --> 00:11:14,880
what does it say

258
00:11:17,750 --> 00:11:16,320
well you can read pretty well i would

259
00:11:21,910 --> 00:11:17,760
assume so we have

260
00:11:23,509 --> 00:11:21,920
northwestern university november 16 1966

261
00:11:24,630 --> 00:11:23,519
which is pretty interesting date

262
00:11:26,550 --> 00:11:24,640
considering

263
00:11:27,750 --> 00:11:26,560

um it's only a couple months after

264

00:11:34,230 --> 00:11:27,760

westall

265

00:11:37,110 --> 00:11:34,240

heineck writes to whom it may concern

266

00:11:38,310 --> 00:11:37,120

dr m duggan is collecting information on

267

00:11:40,550 --> 00:11:38,320

ufos

268

00:11:42,389 --> 00:11:40,560

and is a part of an international effort

269

00:11:46,630 --> 00:11:42,399

to collate information on this

270

00:11:51,110 --> 00:11:49,110

for many years i have acted as a

271

00:11:53,190 --> 00:11:51,120

scientific monitor

272

00:11:54,470 --> 00:11:53,200

on this scientifically vaccine problem

273

00:11:56,470 --> 00:11:54,480

of ufos

274

00:11:59,910 --> 00:11:56,480

and a number of colleagues and i have

275

00:12:02,710 --> 00:11:59,920

agreed to act as a clearing house

276
00:12:03,990 --> 00:12:02,720
for the investigation of which dr dugan

277
00:12:05,590 --> 00:12:04,000
is apart

278
00:12:07,350 --> 00:12:05,600
any cooperation

279
00:12:09,990 --> 00:12:07,360
uh which may be

280
00:12:12,150 --> 00:12:10,000
expended to dr dugan would be greatly

281
00:12:14,230 --> 00:12:12,160
appreciated

282
00:12:16,069 --> 00:12:14,240
pretty interesting

283
00:12:18,150 --> 00:12:16,079
very interesting

284
00:12:20,310 --> 00:12:18,160
um so we don't have valet mentioned yet

285
00:12:22,310 --> 00:12:20,320
but he is going to come into play so

286
00:12:25,430 --> 00:12:22,320
miss dr dugan

287
00:12:28,230 --> 00:12:25,440
um actually is from us he i think he's

288
00:12:32,870 --> 00:12:28,240

from australia i'm not exactly sure

289

00:12:38,870 --> 00:12:36,550

um he is a whoa what is that he is a

290

00:12:42,310 --> 00:12:38,880

very interesting character

291

00:12:43,509 --> 00:12:42,320

dr dugan actually did stuff for the air

292

00:12:49,750 --> 00:12:43,519

force

293

00:12:54,069 --> 00:12:49,760

up until i think until he passed away in

294

00:12:58,069 --> 00:12:56,470

interest interesting when he did pass

295

00:12:59,670 --> 00:12:58,079

away um

296

00:13:00,949 --> 00:12:59,680

there's kind of like you know how people

297

00:13:04,230 --> 00:13:00,959

leave

298

00:13:05,910 --> 00:13:04,240

like comments and stuff like on

299

00:13:07,590 --> 00:13:05,920

you know a funeral or online or

300

00:13:10,310 --> 00:13:07,600

something like that about the about the

301
00:13:12,629 --> 00:13:10,320
person who passes away so dr dugan had

302
00:13:15,269 --> 00:13:12,639
passed away

303
00:13:16,629 --> 00:13:15,279
and people were

304
00:13:18,710 --> 00:13:16,639
you know saying nice things about him

305
00:13:21,829 --> 00:13:18,720
and everything one of the

306
00:13:24,230 --> 00:13:21,839
people that said something about him

307
00:13:28,389 --> 00:13:26,550
um you know what i forgot his name but

308
00:13:29,590 --> 00:13:28,399
he was uh that

309
00:13:31,990 --> 00:13:29,600
that guy that's mentioned with tom

310
00:13:34,470 --> 00:13:32,000
delong and in the emails and all that

311
00:13:36,389 --> 00:13:34,480
kind of stuff i forget what his name was

312
00:13:38,870 --> 00:13:36,399
but he's a pretty big deal so this is dr

313
00:13:42,150 --> 00:13:38,880

michael dugan

314

00:13:43,350 --> 00:13:42,160

um unfortunately he's no longer with us

315

00:13:44,310 --> 00:13:43,360

but you can see he was with the air

316

00:13:45,750 --> 00:13:44,320

force

317

00:13:47,509 --> 00:13:45,760

member of the scientific and

318

00:13:49,590 --> 00:13:47,519

professional

319

00:13:52,230 --> 00:13:49,600

a senior scientist

320

00:13:55,269 --> 00:13:52,240

senior scientist space vehicles director

321

00:13:58,790 --> 00:13:55,279

at air force research laboratory

322

00:14:01,110 --> 00:13:58,800

clinton air force base new mexico

323

00:14:04,790 --> 00:14:01,120

interesting

324

00:14:13,110 --> 00:14:06,069

right

325

00:14:16,389 --> 00:14:15,110

i mean come on this this is uh

326

00:14:18,230 --> 00:14:16,399

definitely

327

00:14:20,310 --> 00:14:18,240

uh interesting stuff and i can't get

328

00:14:23,430 --> 00:14:20,320

much from anybody on

329

00:14:23,710 --> 00:14:23,440

uh dr dugan unfortunately

330

00:14:25,750 --> 00:14:23,720

um

331

00:14:27,829 --> 00:14:25,760

[Music]

332

00:14:31,590 --> 00:14:27,839

as far as like other people have heard

333

00:14:31,600 --> 00:14:33,910

so

334

00:14:39,509 --> 00:14:35,910

you know i guess it kind of is what it

335

00:14:41,590 --> 00:14:39,519

is but you put the two pieces together

336

00:14:43,430 --> 00:14:41,600

here it is again dr duke and collecting

337

00:14:45,350 --> 00:14:43,440

information on ufos and is part of an

338

00:14:47,269 --> 00:14:45,360

international effort

339

00:14:49,829 --> 00:14:47,279

collate information on this phenomenon

340

00:14:52,150 --> 00:14:49,839

with dr heineck as they act as a

341

00:14:55,829 --> 00:14:52,160

clearinghouse for the investigation

342

00:14:58,710 --> 00:14:55,839

which dr dugan is a part

343

00:15:01,350 --> 00:14:58,720

this is 1966 and in 2014 we have with

344

00:15:03,509 --> 00:15:01,360

the air force directorate of space

345

00:15:05,509 --> 00:15:03,519

vehicles

346

00:15:07,750 --> 00:15:05,519

pretty interesting

347

00:15:09,189 --> 00:15:07,760

but that's not all

348

00:15:13,350 --> 00:15:09,199

as we move on

349

00:15:15,590 --> 00:15:13,360

we find it that mr dugan wrote a

350

00:15:17,670 --> 00:15:15,600

letter

351

00:15:20,150 --> 00:15:17,680

to the same air force

352

00:15:23,110 --> 00:15:20,160

the australian air force

353

00:15:27,030 --> 00:15:23,120

which talks about pretty much the

354

00:15:29,189 --> 00:15:27,040

same things more or less i'm going to do

355

00:15:31,269 --> 00:15:29,199

my best to read this although it's in

356

00:15:32,150 --> 00:15:31,279

cursive which is a very beautiful way to

357

00:15:35,590 --> 00:15:32,160

write

358

00:15:37,590 --> 00:15:36,629

you know

359

00:15:41,829 --> 00:15:37,600

people have

360

00:15:44,629 --> 00:15:41,839

may not be the easiest so on december

361

00:15:46,310 --> 00:15:44,639

20th 1966 um

362

00:15:49,430 --> 00:15:46,320

cicero basically

363

00:15:51,749 --> 00:15:49,440

um is another like australian outfit

364

00:15:55,749 --> 00:15:51,759

that did actually look wind up looking

365

00:15:58,150 --> 00:15:55,759

at some ufo cases for the australian air

366

00:15:59,670 --> 00:15:58,160

force

367

00:16:01,910 --> 00:15:59,680

interestingly

368

00:16:03,990 --> 00:16:01,920

so he writes dear squadron leader baxter

369

00:16:05,590 --> 00:16:04,000

please excuse this handwritten letter

370

00:16:06,790 --> 00:16:05,600

but i wanted to

371

00:16:09,030 --> 00:16:06,800

um

372

00:16:12,310 --> 00:16:09,040

i think quit the evening mail and may

373

00:16:14,310 --> 00:16:12,320

not have it done so had i

374

00:16:16,389 --> 00:16:14,320

this is going to be like pulling teeth

375

00:16:17,350 --> 00:16:16,399

had i waited for the

376

00:16:19,749 --> 00:16:17,360

i don't know

377

00:16:22,949 --> 00:16:19,759

i would like to add a few details uh to

378

00:16:24,790 --> 00:16:22,959

today's telephone conversation dr valee

379

00:16:27,430 --> 00:16:24,800

an astronomer at the university of

380

00:16:30,069 --> 00:16:27,440

chicago and professor

381

00:16:31,430 --> 00:16:30,079

j ellen heineck whom i saw in chicago a

382

00:16:33,269 --> 00:16:31,440

few days ago

383

00:16:34,710 --> 00:16:33,279

are very interested in the ufo

384

00:16:36,389 --> 00:16:34,720

phenomenon

385

00:16:38,870 --> 00:16:36,399

from the point of view of a scientific

386

00:16:40,870 --> 00:16:38,880

investigation so am i and so are many

387

00:16:42,870 --> 00:16:40,880

other scientists in other countries

388

00:16:46,230 --> 00:16:42,880

these gentlemen have carefully

389

00:16:47,430 --> 00:16:46,240

documented files on many

390

00:16:49,350 --> 00:16:47,440

um

391

00:16:51,590 --> 00:16:49,360

i don't know what that says about 6 000

392

00:16:53,829 --> 00:16:51,600

sightings in many different countries

393

00:16:56,870 --> 00:16:53,839

many of those sightings are

394

00:16:59,420 --> 00:16:56,880

doubtful but they are a large number in

395

00:17:00,710 --> 00:16:59,430

which it has

396

00:17:03,269 --> 00:17:00,720

[Music]

397

00:17:05,510 --> 00:17:03,279

not so far been possible to explain in

398

00:17:08,069 --> 00:17:05,520

terms of natural phenomena

399

00:17:10,710 --> 00:17:08,079

there are the cases of

400

00:17:14,470 --> 00:17:10,720

interest dr valet has

401
00:17:17,189 --> 00:17:14,480
at his disposal a computer program

402
00:17:20,870 --> 00:17:17,199
for information operation answering

403
00:17:23,909 --> 00:17:21,829
which

404
00:17:25,270 --> 00:17:23,919
was originally developed for stellar

405
00:17:27,829 --> 00:17:25,280
astronomy

406
00:17:29,430 --> 00:17:27,839
he has asked dr oh

407
00:17:33,029 --> 00:17:29,440
i don't know what that says

408
00:17:34,710 --> 00:17:33,039
doctor o found something in brazil

409
00:17:37,510 --> 00:17:34,720
professor

410
00:17:38,630 --> 00:17:37,520
something in france myself and several

411
00:17:43,190 --> 00:17:38,640
others

412
00:17:47,190 --> 00:17:44,150
and let me

413
00:17:49,750 --> 00:17:47,200

change the page here um in several

414

00:17:51,669 --> 00:17:49,760

countries to collect data on sightings

415

00:17:54,150 --> 00:17:51,679

and where possible

416

00:17:56,590 --> 00:17:54,160

um those were originated in the report

417

00:17:59,350 --> 00:17:56,600

in order to determine

418

00:18:01,510 --> 00:17:59,360

reliability and so wait for you know

419

00:18:04,150 --> 00:18:01,520

blah blah you can read the rest

420

00:18:06,390 --> 00:18:04,160

well can you i don't know but

421

00:18:08,710 --> 00:18:06,400

um i'm going to skip through this

422

00:18:10,789 --> 00:18:08,720

just to

423

00:18:13,350 --> 00:18:10,799

so i'm not like blabbering through this

424

00:18:15,510 --> 00:18:13,360

stuff so wait for features

425

00:18:16,630 --> 00:18:15,520

satisfied analysis

426

00:18:18,950 --> 00:18:16,640

um

427

00:18:21,590 --> 00:18:18,960

this information will be coded so that

428

00:18:23,990 --> 00:18:21,600

it can be

429

00:18:24,870 --> 00:18:24,000

i don't know yeah i punched on ibm cards

430

00:18:28,470 --> 00:18:24,880

later

431

00:18:30,789 --> 00:18:28,480

and fed into a magnetic library tape

432

00:18:33,110 --> 00:18:30,799

yeah pretty interesting

433

00:18:36,150 --> 00:18:33,120

present investigations have indicated

434

00:18:37,750 --> 00:18:36,160

the existence of a certain pattern in

435

00:18:40,630 --> 00:18:37,760

this phenomenon

436

00:18:43,909 --> 00:18:40,640

but unfortunately much more data is

437

00:18:49,350 --> 00:18:46,150

something can be placed

438

00:18:49,360 --> 00:18:51,990

so

439

00:18:58,470 --> 00:18:55,270

i'll wind up putting these online

440

00:19:03,909 --> 00:19:00,789

i'll skip to this last page

441

00:19:06,230 --> 00:19:03,919

uh dr heineck and few scientific advisor

442

00:19:07,830 --> 00:19:06,240

on ufos to the u.s air force i'm

443

00:19:10,950 --> 00:19:07,840

enclosing a letter

444

00:19:12,710 --> 00:19:10,960

from him to substantiate my request

445

00:19:15,350 --> 00:19:12,720

and i think we probably just saw that

446

00:19:18,070 --> 00:19:15,360

letter from dr heineck

447

00:19:20,549 --> 00:19:18,080

it's a scientific investigation

448

00:19:22,070 --> 00:19:20,559

although my intent is

449

00:19:25,510 --> 00:19:22,080

extracurricular

450

00:19:27,909 --> 00:19:25,520

i feel that it is very necessary to

451
00:19:31,590 --> 00:19:27,919
subject those explained phenomena to

452
00:19:37,190 --> 00:19:35,029
so i think that's pretty interesting

453
00:19:39,510 --> 00:19:37,200
so we have valet heinek dr dugan

454
00:19:41,909 --> 00:19:39,520
somebody in brazil somebody in france

455
00:19:44,549 --> 00:19:41,919
and they're collecting all these ufo

456
00:19:47,909 --> 00:19:44,559
reports around the world this is 1966

457
00:19:49,909 --> 00:19:47,919
heineken is with blue book

458
00:19:51,350 --> 00:19:49,919
right and they couldn't

459
00:19:53,990 --> 00:19:51,360
investigate

460
00:19:56,230 --> 00:19:54,000
ufo reports so to speak in other parts

461
00:19:59,990 --> 00:19:56,240
of the country

462
00:20:02,149 --> 00:20:00,000
so this is a secret investigation

463
00:20:03,669 --> 00:20:02,159

aka invisible college

464

00:20:05,350 --> 00:20:03,679

that they're doing with these ufo

465

00:20:07,029 --> 00:20:05,360

reports and putting them in this ibm

466

00:20:08,710 --> 00:20:07,039

punch card system

467

00:20:12,390 --> 00:20:08,720

the same one that's mentioned in that

468

00:20:17,430 --> 00:20:15,029

dr dugan winds up being with the air

469

00:20:20,789 --> 00:20:17,440

force being the space director of space

470

00:20:20,799 --> 00:20:27,669

scientific director of space vehicles

471

00:20:34,789 --> 00:20:29,669

is it just me or is that pretty

472

00:20:38,870 --> 00:20:37,590

what i'd like to know is

473

00:20:40,310 --> 00:20:38,880

the patterns that they mentioned in

474

00:20:45,909 --> 00:20:40,320

there they were able to find some

475

00:20:49,510 --> 00:20:47,830

i would love to find what those patterns

476
00:20:50,870 --> 00:20:49,520
are

477
00:20:55,430 --> 00:20:50,880
because i don't know if it's just me but

478
00:21:00,870 --> 00:20:59,270
so there's all sorts of data out there

479
00:21:02,630 --> 00:21:00,880
you know we ask for data and everything

480
00:21:06,310 --> 00:21:02,640
and there's there's data out there that

481
00:21:10,230 --> 00:21:08,390
which sucks

482
00:21:11,110 --> 00:21:10,240
so it'd be great if we could be privy to

483
00:21:12,470 --> 00:21:11,120
it

484
00:21:13,750 --> 00:21:12,480
um

485
00:21:15,510 --> 00:21:13,760
but you know

486
00:21:19,510 --> 00:21:15,520
maybe that will be in the future at some

487
00:21:19,520 --> 00:21:25,190
but again

488
00:21:29,669 --> 00:21:28,149

pretty interesting um

489

00:21:31,590 --> 00:21:29,679

pretty interesting stuff i would i would

490

00:21:33,830 --> 00:21:31,600

love to hear people actually care and

491

00:21:36,230 --> 00:21:33,840

talk about this because i don't

492

00:21:38,470 --> 00:21:36,240

think that people do again this guy

493

00:21:39,590 --> 00:21:38,480

dr michael dugan

494

00:21:42,149 --> 00:21:39,600

member of the scientific and

495

00:21:45,110 --> 00:21:42,159

professional cadre of senior executives

496

00:21:47,270 --> 00:21:45,120

is senior scientist space vehicles

497

00:21:48,549 --> 00:21:47,280

directorair force research

498

00:21:51,990 --> 00:21:48,559

laboratory

499

00:21:54,070 --> 00:21:52,000

kirkland air force base new mexico

500

00:21:56,070 --> 00:21:54,080

he generates new concepts and aids in

501
00:21:58,630 --> 00:21:56,080
developing leading edge technologies for

502
00:22:01,590 --> 00:21:58,640
space based surveillance and other

503
00:22:02,950 --> 00:22:01,600
military applications

504
00:22:05,669 --> 00:22:02,960
leads and conducts

505
00:22:06,590 --> 00:22:05,679
concept development analysis

506
00:22:08,310 --> 00:22:06,600
so

507
00:22:10,149 --> 00:22:08,320
1966

508
00:22:15,350 --> 00:22:10,159
dr dugan

509
00:22:18,950 --> 00:22:17,510
collating ufo reports around the country

510
00:22:20,310 --> 00:22:18,960
with the help of different scientists

511
00:22:23,590 --> 00:22:20,320
around the country one of which is

512
00:22:28,390 --> 00:22:23,600
brazil which i think at that time in

513
00:22:30,149 --> 00:22:28,400

1966 or 1907 67 in brazil

514

00:22:33,510 --> 00:22:30,159

there's a pretty interesting case going

515

00:22:33,520 --> 00:22:40,470

does anybody know what case that was

516

00:22:40,480 --> 00:22:47,510

i wonder if you know what that was

517

00:22:47,520 --> 00:22:51,669

does anyone know what it is

518

00:22:51,679 --> 00:22:56,230

because it's pretty interesting

519

00:22:59,510 --> 00:22:57,350

well

520

00:23:02,390 --> 00:22:59,520

i can't remember that i can't remember

521

00:23:08,950 --> 00:23:02,400

the uh the town's name anyway so

522

00:23:15,669 --> 00:23:11,430

there yeah i don't know

523

00:23:15,679 --> 00:23:18,630

oh here we go

524

00:23:18,640 --> 00:23:22,310

so i believe

525

00:23:30,070 --> 00:23:23,990

the other doctor that was mentioned in

526
00:23:35,430 --> 00:23:32,870
is in this

527
00:23:39,669 --> 00:23:35,440
breakdown of chemical analysis of

528
00:23:43,590 --> 00:23:39,679
something that they found in brazil

529
00:23:43,600 --> 00:23:47,830
interesting

530
00:23:53,510 --> 00:23:49,750
so

531
00:23:58,789 --> 00:23:53,520
is happens here

532
00:23:58,799 --> 00:24:03,909
this composition analysis

533
00:24:07,510 --> 00:24:05,669
introduction the material that is here

534
00:24:09,909 --> 00:24:07,520
referred to as brazil magnesium has an

535
00:24:11,669 --> 00:24:09,919
important place in ufo research it was

536
00:24:14,470 --> 00:24:11,679
the only material specimen investigated

537
00:24:15,990 --> 00:24:14,480
by the colorado project which we know

538
00:24:19,190 --> 00:24:16,000

what that is we're at the university of

539

00:24:22,950 --> 00:24:19,200

colorado the condon report

540

00:24:25,110 --> 00:24:22,960

fragment from a flying disk interesting

541

00:24:28,230 --> 00:24:25,120

another thing that they wrote about in

542

00:24:30,870 --> 00:24:28,240

this article about mr valet was how he

543

00:24:32,630 --> 00:24:30,880

watched dr condon fall asleep

544

00:24:35,830 --> 00:24:32,640

um

545

00:24:41,750 --> 00:24:35,840

while watching high neck talk apparently

546

00:24:46,230 --> 00:24:44,470

interesting stuff and i learned some

547

00:24:48,149 --> 00:24:46,240

another uh pretty interesting thing

548

00:24:50,710 --> 00:24:48,159

about condon and it was about like a

549

00:24:52,630 --> 00:24:50,720

security clearance that he had um maybe

550

00:24:53,830 --> 00:24:52,640

it was in the 40s or 50s and it got

551
00:24:56,070 --> 00:24:53,840
taken away

552
00:24:58,149 --> 00:24:56,080
uh because he was pretty much a crappy

553
00:25:00,390 --> 00:24:58,159
scientist um it wound up being

554
00:25:07,029 --> 00:25:00,400
reinstilled or reinstated

555
00:25:10,470 --> 00:25:08,470
take a breath

556
00:25:12,789 --> 00:25:10,480
so that's a lot i hope you guys enjoyed

557
00:25:14,470 --> 00:25:12,799
that little bit of research that i have

558
00:25:17,430 --> 00:25:14,480
done

559
00:25:20,950 --> 00:25:17,440
and was able to share with you guys

560
00:25:22,789 --> 00:25:20,960
right now what we will do

561
00:25:25,269 --> 00:25:22,799
is we will

562
00:25:27,430 --> 00:25:25,279
change it up

563
00:25:28,950 --> 00:25:27,440

say hi to the newcomers jason bay what's

564

00:25:30,630 --> 00:25:28,960

up don't worry you can always go back

565

00:25:33,430 --> 00:25:30,640

and check it out

566

00:25:35,669 --> 00:25:33,440

jenny novak what's up thanks for coming

567

00:25:38,149 --> 00:25:35,679

um village attacks

568

00:25:39,510 --> 00:25:38,159

that's what i was thinking but that may

569

00:25:41,669 --> 00:25:39,520

not be right i don't know i should

570

00:25:44,549 --> 00:25:41,679

probably look into that

571

00:25:48,470 --> 00:25:46,390

i appreciate everybody showing up that i

572

00:25:51,510 --> 00:25:48,480

haven't said hi to yet bill what's up

573

00:25:53,750 --> 00:25:51,520

diesel girl what's up benji what's up

574

00:25:57,350 --> 00:25:53,760

appreciate everybody hanging out

575

00:25:59,190 --> 00:25:57,360

um and everybody else is still here

576

00:26:00,789 --> 00:25:59,200

thank you for being here what we're

577

00:26:04,310 --> 00:26:00,799

going to do now

578

00:26:09,190 --> 00:26:06,230

i can take a break from reading so much

579

00:26:13,830 --> 00:26:12,310

and we can play it those audio testimony

580

00:26:15,750 --> 00:26:13,840

clips

581

00:26:18,549 --> 00:26:15,760

one from 1949

582

00:26:20,070 --> 00:26:18,559

and one from 1950.

583

00:26:23,269 --> 00:26:20,080

one was

584

00:26:25,909 --> 00:26:23,279

one i saw in 1949 in august

585

00:26:27,909 --> 00:26:25,919

in las cruces from my backyard

586

00:26:29,830 --> 00:26:27,919

on that particular evening my wife and

587

00:26:31,830 --> 00:26:29,840

her mother and i were

588

00:26:32,710 --> 00:26:31,840

enjoying the cool air

589

00:26:35,909 --> 00:26:32,720

and

590

00:26:38,630 --> 00:26:35,919

i was mine the beautiful transparent

591

00:26:41,590 --> 00:26:38,640

sky with the stars and i happened to be

592

00:26:44,070 --> 00:26:41,600

looking overhead and suddenly i spied a

593

00:26:46,789 --> 00:26:44,080

strange

594

00:26:48,149 --> 00:26:46,799

group of lights moving and i said uh

595

00:26:50,230 --> 00:26:48,159

look

596

00:26:51,190 --> 00:26:50,240

and they thought immediately

597

00:26:53,110 --> 00:26:51,200

and

598

00:26:55,190 --> 00:26:53,120

then i would say they were visible for

599

00:26:57,830 --> 00:26:55,200

about three seconds of time

600

00:26:59,830 --> 00:26:57,840

uh and uh they uh disappeared at a

601
00:27:01,909 --> 00:26:59,840
height of about 35 degrees above the

602
00:27:04,950 --> 00:27:01,919
south southeastern horizon

603
00:27:07,029 --> 00:27:04,960
uh no sound and uh

604
00:27:09,669 --> 00:27:07,039
they seem to kind of pale out the

605
00:27:11,909 --> 00:27:09,679
rectangles of feeble light seem to

606
00:27:12,710 --> 00:27:11,919
foreshorten into slits

607
00:27:14,950 --> 00:27:12,720
and

608
00:27:16,950 --> 00:27:14,960
i've never seen a rocket before since

609
00:27:23,190 --> 00:27:16,960
and i'm very much puzzled as to what

610
00:27:27,430 --> 00:27:26,389
the greatest exhibition of magnetic

611
00:27:30,070 --> 00:27:27,440
flight

612
00:27:31,830 --> 00:27:30,080
that has ever happened

613
00:27:35,269 --> 00:27:31,840

in this universe

614

00:27:36,630 --> 00:27:35,279

insofar as we know came on the second

615

00:27:37,750 --> 00:27:36,640

day

616

00:27:38,870 --> 00:27:37,760

of the

617

00:27:41,510 --> 00:27:38,880

memorable

618

00:27:42,710 --> 00:27:41,520

day at farmington new mexico

619

00:27:45,029 --> 00:27:42,720

when there

620

00:27:47,830 --> 00:27:45,039

the sky was filled

621

00:27:49,190 --> 00:27:47,840

with flying saucers the editor of the

622

00:27:50,789 --> 00:27:49,200

local paper

623

00:27:54,389 --> 00:27:50,799

selected some

624

00:27:56,389 --> 00:27:54,399

dozen reliable businessmen of that city

625

00:27:57,750 --> 00:27:56,399

and on the second day

626
00:28:00,710 --> 00:27:57,760
hoping

627
00:28:03,750 --> 00:28:00,720
for the return of the visitors of the

628
00:28:06,950 --> 00:28:03,760
previous day were amazed

629
00:28:09,909 --> 00:28:06,960
when suddenly at 11 a.m in the morning

630
00:28:13,269 --> 00:28:09,919
the sky was again filled

631
00:28:15,669 --> 00:28:13,279
with these strange circular visitors

632
00:28:16,950 --> 00:28:15,679
from another world

633
00:28:18,470 --> 00:28:16,960
these just

634
00:28:21,110 --> 00:28:18,480
calm

635
00:28:23,029 --> 00:28:21,120
although accepted

636
00:28:25,350 --> 00:28:23,039
beyond anything

637
00:28:26,870 --> 00:28:25,360
that had ever happened to them

638
00:28:29,430 --> 00:28:26,880

undertook

639

00:28:32,549 --> 00:28:29,440

to estimate and count

640

00:28:34,710 --> 00:28:32,559

the ships that swarmed the air

641

00:28:36,630 --> 00:28:34,720

for nearly an hour

642

00:28:39,750 --> 00:28:36,640

that day

643

00:28:41,669 --> 00:28:39,760

and they reported that

644

00:28:45,990 --> 00:28:41,679

in digestion

645

00:28:47,110 --> 00:28:46,000

there was between four and five hundred

646

00:28:49,350 --> 00:28:47,120

ships

647

00:28:50,870 --> 00:28:49,360

that had flown

648

00:28:52,549 --> 00:28:50,880

into

649

00:28:55,669 --> 00:28:52,559

the vision

650

00:28:56,830 --> 00:28:55,679

of the people of that northern new

651
00:29:00,789 --> 00:28:56,840
mexico

652
00:29:08,070 --> 00:29:00,799
town from another planet

653
00:29:13,029 --> 00:29:10,310
very interesting i don't know do you buy

654
00:29:15,750 --> 00:29:13,039
it four or five hundred ships

655
00:29:22,190 --> 00:29:19,830
and he kind of sounded drunk didn't he

656
00:29:27,730 --> 00:29:24,549
506 000

657
00:29:32,549 --> 00:29:29,830
[Laughter]

658
00:29:35,190 --> 00:29:32,559
i'm not sure i don't know but a pretty

659
00:29:37,510 --> 00:29:35,200
interesting case um

660
00:29:40,710 --> 00:29:37,520
that i haven't come across yet

661
00:29:42,389 --> 00:29:40,720
farmington new mexico so i will have to

662
00:29:44,470 --> 00:29:42,399
look into that check out the blue book

663
00:29:46,230 --> 00:29:44,480

file see what we got see if there's

664

00:29:49,029 --> 00:29:46,240

anything in there

665

00:29:50,950 --> 00:29:49,039

because that is amazing so there's

666

00:29:52,470 --> 00:29:50,960

actually another

667

00:29:54,950 --> 00:29:52,480

recording where

668

00:29:57,350 --> 00:29:54,960

there's a doctor

669

00:29:59,590 --> 00:29:57,360

i'm talking about it it's about four

670

00:30:01,669 --> 00:29:59,600

minutes long

671

00:30:05,750 --> 00:30:01,679

and he calls them

672

00:30:09,669 --> 00:30:07,830

space spider webs i think is what he

673

00:30:12,630 --> 00:30:09,679

calls them

674

00:30:16,470 --> 00:30:12,640

which you know i think is um you know in

675

00:30:19,750 --> 00:30:16,480

ufology what they call him is uh

676

00:30:24,789 --> 00:30:22,789

so here is a

677

00:30:26,630 --> 00:30:24,799

link i just put it in the chat here for

678

00:30:29,510 --> 00:30:26,640

you a link to

679

00:30:36,230 --> 00:30:31,990

papers that i just pulled up the

680

00:30:39,190 --> 00:30:36,240

the papers so if anyone is feeling extra

681

00:30:41,190 --> 00:30:39,200

motivated you could type that out so

682

00:30:42,310 --> 00:30:41,200

it's easier to read for people

683

00:30:45,510 --> 00:30:42,320

but

684

00:30:48,470 --> 00:30:45,520

you know you don't have to either just

685

00:30:51,510 --> 00:30:48,480

just a suggestion

686

00:30:55,190 --> 00:30:51,520

if anyone is bored

687

00:30:57,190 --> 00:30:55,200

because the cursive is not the easiest

688

00:30:58,950 --> 00:30:57,200

to read but it is

689

00:31:00,149 --> 00:30:58,960

again

690

00:31:06,870 --> 00:31:00,159

beautiful

691

00:31:11,750 --> 00:31:06,880

getting into now i guess we can segue

692

00:31:16,149 --> 00:31:13,750

um well the next thing i can talk about

693

00:31:21,590 --> 00:31:16,159

here is um

694

00:31:27,029 --> 00:31:24,950

um aliens and artists with uh stewart so

695

00:31:29,190 --> 00:31:27,039

jim semivin talked for a little bit over

696

00:31:31,190 --> 00:31:29,200

an hour about his experience

697

00:31:32,549 --> 00:31:31,200

again i put that link in the description

698

00:31:34,470 --> 00:31:32,559

so you should check it out for yourself

699

00:31:35,669 --> 00:31:34,480

but it's it's very interesting i mean he

700

00:31:37,990 --> 00:31:35,679

was very

701
00:31:39,830 --> 00:31:38,000
he's very high up in the cia and

702
00:31:41,909 --> 00:31:39,840
remember you guys know john ramirez he

703
00:31:43,509 --> 00:31:41,919
was as well they touched on their

704
00:31:44,870 --> 00:31:43,519
relationship a little bit within the

705
00:31:48,630 --> 00:31:44,880
agency but

706
00:31:50,070 --> 00:31:48,640
um his experiences is intense

707
00:31:51,990 --> 00:31:50,080
you know

708
00:31:56,710 --> 00:31:52,000
um

709
00:31:59,430 --> 00:31:56,720
[Music]

710
00:32:01,509 --> 00:31:59,440
there's still some internal friction on

711
00:32:03,029 --> 00:32:01,519
what to make of it

712
00:32:05,509 --> 00:32:03,039
you know he talks about a little bit

713
00:32:07,750 --> 00:32:05,519

about how he doesn't want to reveal too

714

00:32:10,070 --> 00:32:07,760

much yet because

715

00:32:11,750 --> 00:32:10,080

i guess there's still some work going on

716

00:32:13,190 --> 00:32:11,760

with it to figure out exactly what

717

00:32:17,110 --> 00:32:13,200

happened and he did mention the

718

00:32:20,549 --> 00:32:19,509

it was a classic

719

00:32:23,110 --> 00:32:20,559

not

720

00:32:25,590 --> 00:32:23,120

classic but some aspects of it were like

721

00:32:29,590 --> 00:32:25,600

a classic abduction case

722

00:32:31,990 --> 00:32:29,600

um he i think he it was

723

00:32:33,669 --> 00:32:32,000

in his room at the end of his i might be

724

00:32:34,870 --> 00:32:33,679

quoting this wrong but him and his wife

725

00:32:37,990 --> 00:32:34,880

were there

726
00:32:38,950 --> 00:32:38,000
um it wasn't like a typical gray looking

727
00:32:42,470 --> 00:32:38,960
thing

728
00:32:44,310 --> 00:32:42,480
he remembered

729
00:32:46,389 --> 00:32:44,320
um

730
00:32:48,870 --> 00:32:46,399
you know it looking like that at least

731
00:32:53,750 --> 00:32:48,880
and column keller from skinwalker ranch

732
00:32:57,750 --> 00:32:55,430
so it's very interesting he talked about

733
00:32:59,509 --> 00:32:57,760
like maybe an implant i think it was uh

734
00:33:02,950 --> 00:32:59,519
coming from his wife although his wife

735
00:33:05,430 --> 00:33:02,960
doesn't remember that um that event

736
00:33:06,470 --> 00:33:05,440
which is pretty interesting

737
00:33:09,350 --> 00:33:06,480
um

738
00:33:11,669 --> 00:33:09,360

he seems like he's being pretty honest

739

00:33:13,669 --> 00:33:11,679

and sincere because you know it's clear

740

00:33:15,269 --> 00:33:13,679

that he is pretty conflicted about about

741

00:33:17,909 --> 00:33:15,279

the situation

742

00:33:21,350 --> 00:33:17,919

um he talks about his time in in

743

00:33:24,230 --> 00:33:21,360

inside the cia and how the ci a treats

744

00:33:26,149 --> 00:33:24,240

their employees as far as

745

00:33:28,470 --> 00:33:26,159

you know if you were to bring this up to

746

00:33:31,509 --> 00:33:28,480

somebody there how would they treat them

747

00:33:33,430 --> 00:33:31,519

um so it's really interesting uh in good

748

00:33:36,070 --> 00:33:33,440

piece and when you have somebody like

749

00:33:37,029 --> 00:33:36,080

jim semivan talking about

750

00:33:46,789 --> 00:33:37,039

his

751
00:33:50,710 --> 00:33:46,799
experience with non-human entities

752
00:33:50,720 --> 00:33:56,549
you know what is that about

753
00:34:05,430 --> 00:33:57,669
you know

754
00:34:10,470 --> 00:34:05,440
are

755
00:34:11,669 --> 00:34:10,480
existence of something or not but it it

756
00:34:16,629 --> 00:34:11,679
does add

757
00:34:21,510 --> 00:34:18,310
um you know

758
00:34:24,550 --> 00:34:21,520
non-human entities of being in existence

759
00:34:27,430 --> 00:34:24,560
now going back to jacques valet what are

760
00:34:31,270 --> 00:34:27,440
they are they extra stress real well he

761
00:34:34,389 --> 00:34:31,280
would tell you that probably not

762
00:34:36,790 --> 00:34:34,399
there's some sort of um

763
00:34:39,030 --> 00:34:36,800

you know thing going on where whatever

764

00:34:42,230 --> 00:34:39,040

this is kind of

765

00:34:44,310 --> 00:34:42,240

either wants you to believe that

766

00:34:46,869 --> 00:34:44,320

or you know

767

00:34:49,909 --> 00:34:46,879

shows you

768

00:34:56,389 --> 00:34:51,510

or what it wants to be

769

00:35:01,030 --> 00:34:57,670

i don't know it's it's pretty

770

00:35:04,310 --> 00:35:02,630

part of that jacques valley article

771

00:35:07,829 --> 00:35:04,320

today you know the headline was he still

772

00:35:13,910 --> 00:35:11,190

and when going over what we went over

773

00:35:15,349 --> 00:35:13,920

today with those papers and and just

774

00:35:17,829 --> 00:35:15,359

i think uh

775

00:35:20,310 --> 00:35:17,839

dugan said 6 000

776
00:35:23,910 --> 00:35:20,320
reports in that ibm system or whatever

777
00:35:28,550 --> 00:35:26,710
and they put it into a pattern finding

778
00:35:30,069 --> 00:35:28,560
ibm system

779
00:35:31,750 --> 00:35:30,079
apparently we're able to start to pick

780
00:35:33,109 --> 00:35:31,760
up on some patterns but that's kind of

781
00:35:37,430 --> 00:35:33,119
where it left and he still doesn't know

782
00:35:43,109 --> 00:35:39,430
you know even after all this time he's

783
00:35:44,160 --> 00:35:43,119
not able to even say that they're uh

784
00:35:46,870 --> 00:35:44,170
you know an illusion

785
00:35:49,109 --> 00:35:46,880
[Music]

786
00:35:51,030 --> 00:35:49,119
or not real

787
00:35:54,710 --> 00:35:51,040
or spaceships

788
00:35:59,589 --> 00:35:55,589

you know

789

00:36:02,950 --> 00:35:59,599

or demons or angels

790

00:36:05,829 --> 00:36:02,960

and you know maybe it's just me but

791

00:36:07,109 --> 00:36:05,839

dr vale seems like a incredibly smart

792

00:36:08,870 --> 00:36:07,119

person

793

00:36:09,990 --> 00:36:08,880

i mean

794

00:36:16,790 --> 00:36:10,000

he

795

00:36:19,510 --> 00:36:18,470

you know in that article it discusses

796

00:36:21,430 --> 00:36:19,520

how he

797

00:36:22,630 --> 00:36:21,440

you know was pretty much responsible for

798

00:36:24,870 --> 00:36:22,640

the

799

00:36:27,430 --> 00:36:24,880

prototype or i forget what it was called

800

00:36:30,470 --> 00:36:27,440

but um a system of the internet before

801
00:36:30,480 --> 00:36:33,349
brilliant person

802
00:36:37,030 --> 00:36:35,430
on the one hand i can get kind of

803
00:36:39,589 --> 00:36:37,040
distressed about it like well if he

804
00:36:42,710 --> 00:36:39,599
can't figure this out like what look

805
00:36:46,790 --> 00:36:44,150
you know

806
00:36:48,470 --> 00:36:46,800
i'm not even a college graduate

807
00:36:55,670 --> 00:36:48,480
and i'm looking at this stuff what am i

808
00:36:55,680 --> 00:36:59,990
that can be depressing

809
00:37:06,829 --> 00:37:01,670
but maybe

810
00:37:13,670 --> 00:37:10,150
valet maybe it's not about an end point

811
00:37:17,990 --> 00:37:13,680
or figuring it out but it's like growing

812
00:37:21,829 --> 00:37:19,670
you know look at everything you can

813
00:37:24,630 --> 00:37:21,839

digest it all

814

00:37:26,150 --> 00:37:24,640

grow your thought process

815

00:37:27,829 --> 00:37:26,160

and as you look at all these different

816

00:37:31,910 --> 00:37:27,839

things all these different aspects of

817

00:37:35,190 --> 00:37:31,920

the phenomenon you know your perspective

818

00:37:39,829 --> 00:37:35,200

starts to sharpen

819

00:37:48,870 --> 00:37:41,349

at least an image is starting to

820

00:37:54,150 --> 00:37:52,390

you know josh says something um

821

00:37:56,790 --> 00:37:54,160

pretty interesting you know we have to

822

00:38:00,550 --> 00:37:56,800

be prepared to take that as an outcome

823

00:38:05,109 --> 00:38:03,109

extraterrestrials interdimensional some

824

00:38:09,270 --> 00:38:05,119

illusions all that stuff

825

00:38:15,270 --> 00:38:12,790

why because we just don't know

826

00:38:18,150 --> 00:38:15,280

we don't have us at least

827

00:38:19,430 --> 00:38:18,160

don't have a spaceship or an alien body

828

00:38:23,589 --> 00:38:19,440

or

829

00:38:25,109 --> 00:38:23,599

look at and test and see you know what

830

00:38:26,390 --> 00:38:25,119

it does or

831

00:38:28,470 --> 00:38:26,400

you know we don't have a

832

00:38:30,150 --> 00:38:28,480

interdimensional phone that we can pick

833

00:38:32,710 --> 00:38:30,160

up and and call

834

00:38:34,390 --> 00:38:32,720

our peeps over in a different you know

835

00:38:36,470 --> 00:38:34,400

sixth dimension and say hey what's up

836

00:38:38,230 --> 00:38:36,480

how's the weather do you guys eat pizza

837

00:38:39,670 --> 00:38:38,240

there you know

838

00:38:41,589 --> 00:38:39,680

um

839

00:38:43,990 --> 00:38:41,599

we don't have that ability

840

00:38:46,950 --> 00:38:44,000

we just have a bunch of people myself

841

00:38:49,030 --> 00:38:46,960

included that have had wild uh

842

00:38:54,870 --> 00:38:49,040

experiences in different ways and of

843

00:38:58,790 --> 00:38:57,510

radar radar tracks

844

00:39:02,470 --> 00:38:58,800

um

845

00:39:05,750 --> 00:39:02,480

professional

846

00:39:11,829 --> 00:39:08,310

you know enough of them to you know be

847

00:39:13,589 --> 00:39:11,839

able to say that okay this just isn't

848

00:39:19,030 --> 00:39:13,599

in my head there's actually something

849

00:39:23,990 --> 00:39:22,390

i put something on on twitter today

850

00:39:26,069 --> 00:39:24,000

that i thought was actually pretty good

851

00:39:29,270 --> 00:39:26,079

after i looked at it and

852

00:39:32,310 --> 00:39:29,280

kind of reminds me of

853

00:39:34,390 --> 00:39:32,320

uh you know if you ever had like a maybe

854

00:39:37,270 --> 00:39:34,400

a crummy pc

855

00:39:39,750 --> 00:39:37,280

laptop like you know a 300 one or

856

00:39:42,470 --> 00:39:39,760

something that you get just to do basic

857

00:39:44,870 --> 00:39:42,480

stuff on in and

858

00:39:46,790 --> 00:39:44,880

maybe after a certain amount of time you

859

00:39:48,870 --> 00:39:46,800

can tell that there's

860

00:39:51,109 --> 00:39:48,880

too many cookies or maybe a virus got in

861

00:39:53,589 --> 00:39:51,119

there and the computer still works but

862

00:39:54,829 --> 00:39:53,599

it's just really buggy

863

00:39:57,510 --> 00:39:54,839

and it's

864

00:39:59,750 --> 00:39:57,520

frustrating some days it takes forever

865

00:40:01,510 --> 00:39:59,760

some days it's fast

866

00:40:03,510 --> 00:40:01,520

some days

867

00:40:06,069 --> 00:40:03,520

you know your keys don't work that kind

868

00:40:12,950 --> 00:40:06,079

of reminds me of

869

00:40:12,960 --> 00:40:19,030

so

870

00:40:24,470 --> 00:40:20,950

it's um

871

00:40:30,069 --> 00:40:27,829

it's not easy to figure anything out so

872

00:40:31,589 --> 00:40:30,079

i think the best thing you can do if

873

00:40:33,270 --> 00:40:31,599

you're trying to figure something out or

874

00:40:35,990 --> 00:40:33,280

at least

875

00:40:38,069 --> 00:40:36,000

steer a ship through this phenomenon and

876

00:40:40,470 --> 00:40:38,079

through these experiences

877

00:40:43,030 --> 00:40:40,480

you know trying to

878

00:40:45,190 --> 00:40:43,040

you know keep it as straight as possible

879

00:40:47,349 --> 00:40:45,200

while still

880

00:40:51,990 --> 00:40:47,359

listening and accepting the information

881

00:40:52,000 --> 00:40:54,710

you know

882

00:40:59,109 --> 00:40:56,630

um take everything seriously but hold it

883

00:41:03,349 --> 00:40:59,119

lightly like dr shawn espjorn hargan

884

00:41:03,359 --> 00:41:07,910

i think that's perfect

885

00:41:10,150 --> 00:41:08,200

um

886

00:41:14,630 --> 00:41:10,160

[Music]

887

00:41:18,630 --> 00:41:16,230

i don't know that we'll ever get to a

888

00:41:20,950 --> 00:41:18,640

point to where we can't figure anything

889

00:41:23,190 --> 00:41:20,960

like that out until we can get to a

890

00:41:30,230 --> 00:41:23,200

point where we better understand not

891

00:41:35,030 --> 00:41:32,150

all right there's still so much petty

892

00:41:36,630 --> 00:41:35,040

stuff that happens between interpersonal

893

00:41:39,510 --> 00:41:36,640

relationships whether it be on twitter

894

00:41:42,790 --> 00:41:41,670

to the point where you know both parties

895

00:41:44,470 --> 00:41:42,800

can't

896

00:41:46,790 --> 00:41:44,480

fathom

897

00:41:49,349 --> 00:41:46,800

that they have to

898

00:41:50,390 --> 00:41:49,359

change our behavior in a certain way to

899

00:41:52,550 --> 00:41:50,400

avoid

900

00:41:54,870 --> 00:41:52,560

unnecessary and meaningless conflicts

901
00:41:57,430 --> 00:41:54,880
like that

902
00:41:59,990 --> 00:41:57,440
and if we can't do that how

903
00:42:01,829 --> 00:42:00,000
are you going to understand

904
00:42:06,309 --> 00:42:01,839
you can get close to understanding

905
00:42:12,470 --> 00:42:08,069
i mean on top of that like

906
00:42:16,790 --> 00:42:14,950
you know i

907
00:42:19,349 --> 00:42:16,800
a lot of people are thinking about

908
00:42:21,910 --> 00:42:19,359
remedial boring

909
00:42:24,150 --> 00:42:21,920
everyday stressful stuff

910
00:42:25,190 --> 00:42:24,160
you know and it's a habit that we need

911
00:42:26,710 --> 00:42:25,200
to break

912
00:42:27,589 --> 00:42:26,720
somehow to think about the bigger

913
00:42:28,309 --> 00:42:27,599

picture

914

00:42:29,910 --> 00:42:28,319

but

915

00:42:31,030 --> 00:42:29,920

you know maybe we're also not meant to

916

00:42:34,230 --> 00:42:31,040

know

917

00:42:38,470 --> 00:42:34,240

that's something i think about as well

918

00:42:43,349 --> 00:42:40,870

maybe some things are supposed to be

919

00:42:45,030 --> 00:42:43,359

mysteries

920

00:42:49,349 --> 00:42:45,040

especially if this has been going on

921

00:42:49,359 --> 00:42:52,309

you know

922

00:42:57,589 --> 00:42:54,150

maybe some things are just meant to be

923

00:42:59,190 --> 00:42:57,599

unknowns but does that mean

924

00:43:02,630 --> 00:42:59,200

that we have to spend our time figuring

925

00:43:04,630 --> 00:43:02,640

it out anyways i don't know

926

00:43:06,390 --> 00:43:04,640

i'm glad there's people doing it though

927

00:43:08,150 --> 00:43:06,400

like valet that are a hell of a lot

928

00:43:10,829 --> 00:43:08,160

smarter than me

929

00:43:13,670 --> 00:43:10,839

i hope one day i get to talk to him i

930

00:43:16,790 --> 00:43:13,680

tried uh emailing him for for an

931

00:43:16,800 --> 00:43:19,349

nothing

932

00:43:21,750 --> 00:43:20,550

but you know it's it's kind of

933

00:43:23,270 --> 00:43:21,760

surprising when i think about it

934

00:43:26,790 --> 00:43:23,280

sometimes the people that actually say

935

00:43:29,030 --> 00:43:26,800

yes to doing an interview just because

936

00:43:32,870 --> 00:43:29,040

it's you know like in the whole scope of

937

00:43:37,589 --> 00:43:34,710

you know they have a lot of stuff to do

938

00:43:41,349 --> 00:43:37,599

and on their plate rather than

939

00:43:43,430 --> 00:43:41,359

you know doing a dinky podcast like this

940

00:43:45,829 --> 00:43:43,440

so

941

00:43:49,510 --> 00:43:45,839

i understand

942

00:43:51,670 --> 00:43:49,520

you know like louis alexander coming

943

00:43:54,870 --> 00:43:51,680

here senator harry reid i can't believe

944

00:43:57,589 --> 00:43:54,880

those people do that

945

00:43:59,510 --> 00:43:57,599

you know i was on the go to cnn or

946

00:44:01,750 --> 00:43:59,520

tucker or elson or whatever

947

00:44:05,750 --> 00:44:01,760

and reach that many people like that but

948

00:44:06,950 --> 00:44:05,760

he still takes the time to to come here

949

00:44:10,870 --> 00:44:06,960

talk with me

950

00:44:12,950 --> 00:44:10,880

you know make no bones about it

951
00:44:15,190 --> 00:44:12,960
i don't think i deserve that or that he

952
00:44:17,190 --> 00:44:15,200
should or if he didn't that's wrong or

953
00:44:18,630 --> 00:44:17,200
whatever like

954
00:44:22,550 --> 00:44:18,640
i think it's

955
00:44:24,390 --> 00:44:22,560
pretty cool and i'm super grateful to

956
00:44:26,790 --> 00:44:24,400
to be able to be in a position to have

957
00:44:31,670 --> 00:44:26,800
them so

958
00:44:35,349 --> 00:44:33,589
rambling a little bit

959
00:44:37,030 --> 00:44:35,359
so

960
00:44:39,190 --> 00:44:37,040
and i did have it to finish on that i

961
00:44:41,109 --> 00:44:39,200
had a dream neither the other well i

962
00:44:43,589 --> 00:44:41,119
have a lot of dreams but

963
00:44:46,870 --> 00:44:43,599

i talk in my sleep like uh

964

00:44:52,309 --> 00:44:50,069

which probably isn't good but

965

00:44:54,069 --> 00:44:52,319

um

966

00:44:56,470 --> 00:44:54,079

you know sometimes i record what i say

967

00:44:58,870 --> 00:44:56,480

in my sleep like i have this app

968

00:44:59,670 --> 00:44:58,880

on my phone that will activate when you

969

00:45:01,349 --> 00:44:59,680

start

970

00:45:02,150 --> 00:45:01,359

snoring is what it's supposed to be but

971

00:45:10,390 --> 00:45:02,160

i

972

00:45:12,069 --> 00:45:10,400

and the other day

973

00:45:15,190 --> 00:45:12,079

and some weird stuff comes out that just

974

00:45:17,270 --> 00:45:15,200

you know sometimes makes me really um

975

00:45:19,109 --> 00:45:17,280

think sometimes it's just

976
00:45:21,589 --> 00:45:19,119
makes no sense

977
00:45:23,109 --> 00:45:21,599
sometimes it's funny

978
00:45:25,030 --> 00:45:23,119
and

979
00:45:26,950 --> 00:45:25,040
like i said yeah sometimes it makes you

980
00:45:28,710 --> 00:45:26,960
think so

981
00:45:31,030 --> 00:45:28,720
one of the things

982
00:45:32,950 --> 00:45:31,040
that i said in my sleep that i recorded

983
00:45:37,030 --> 00:45:32,960
a few nights ago i said um

984
00:45:37,040 --> 00:45:43,430
no one or the answer is in no one

985
00:45:48,550 --> 00:45:44,829
that's

986
00:45:50,069 --> 00:45:48,560
interesting the answer is in no one

987
00:45:51,990 --> 00:45:50,079
you know and i could take that and think

988
00:45:54,069 --> 00:45:52,000

about it forever it's

989

00:45:55,349 --> 00:45:54,079

you know probably not worth it

990

00:45:57,910 --> 00:45:55,359

more than thinking about it and

991

00:46:00,150 --> 00:45:57,920

contemplating it for a second but

992

00:46:01,750 --> 00:46:00,160

because you know the next night i

993

00:46:02,400 --> 00:46:01,760

probably said something really stupid

994

00:46:04,550 --> 00:46:02,410

and funny

995

00:46:05,910 --> 00:46:04,560

[Laughter]

996

00:46:07,670 --> 00:46:05,920

so what does any of that mean i don't

997

00:46:09,670 --> 00:46:07,680

know i think there's a lot to dreams and

998

00:46:11,670 --> 00:46:09,680

i think you can really connect a lot uh

999

00:46:13,430 --> 00:46:11,680

through things in your dreams and so

1000

00:46:15,109 --> 00:46:13,440

that's why some of that stuff stays with

1001
00:46:18,069 --> 00:46:15,119
me

1002
00:46:20,950 --> 00:46:19,190
it was

1003
00:46:23,109 --> 00:46:20,960
last year

1004
00:46:24,550 --> 00:46:23,119
i forget what the date was and i can

1005
00:46:27,670 --> 00:46:24,560
have someone vouch for me for this

1006
00:46:33,349 --> 00:46:30,390
it was a few weeks prior to when jeremy

1007
00:46:36,390 --> 00:46:33,359
corbell released his um

1008
00:46:38,950 --> 00:46:36,400
video with the pyramids right

1009
00:46:41,829 --> 00:46:38,960
and one thing i said in my sleep

1010
00:46:45,190 --> 00:46:41,839
i kid you not the only thing i said

1011
00:46:47,670 --> 00:46:45,200
was march 15th

1012
00:46:49,270 --> 00:46:47,680
a couple weeks go by march 15th comes

1013
00:46:50,950 --> 00:46:49,280

and that video is released and that

1014

00:46:53,109 --> 00:46:50,960

story

1015

00:46:56,230 --> 00:46:53,119

that's a little vague

1016

00:46:58,309 --> 00:46:56,240

i guess but just uh considering what i'm

1017

00:46:59,510 --> 00:46:58,319

like paying attention to and watching at

1018

00:47:02,630 --> 00:46:59,520

the time and

1019

00:47:05,109 --> 00:47:02,640

you know the life and i find myself in

1020

00:47:07,030 --> 00:47:05,119

and to say just march 15th and on that

1021

00:47:08,230 --> 00:47:07,040

day that video comes out and that story

1022

00:47:12,150 --> 00:47:08,240

breaks

1023

00:47:18,710 --> 00:47:13,829

it's a little weird i think

1024

00:47:25,910 --> 00:47:22,150

you know too crazy probably not but

1025

00:47:29,030 --> 00:47:27,349

interesting

1026

00:47:33,430 --> 00:47:29,040

so

1027

00:47:36,630 --> 00:47:33,440

really touch on the nuclear stuff but

1028

00:47:39,430 --> 00:47:36,640

the the nuclear stuff is so switching to

1029

00:47:42,549 --> 00:47:39,440

the nuclear aspect of ufos is pretty

1030

00:47:45,109 --> 00:47:42,559

interesting to me um

1031

00:47:47,589 --> 00:47:45,119

because we know and i've gone over

1032

00:47:50,710 --> 00:47:47,599

documents like this you know since

1033

00:47:54,230 --> 00:47:50,720

uh the 50s early 50s or whatever late

1034

00:47:56,710 --> 00:47:54,240

40s where they're talking about ufos

1035

00:47:59,190 --> 00:47:56,720

seen over strategic um

1036

00:48:01,910 --> 00:47:59,200

you know bases or assets and

1037

00:48:03,030 --> 00:48:01,920

atomic installations you know so

1038

00:48:07,910 --> 00:48:03,040

we know

1039

00:48:12,950 --> 00:48:10,390

but i always just think about um

1040

00:48:14,790 --> 00:48:12,960

like why

1041

00:48:19,030 --> 00:48:14,800

obviously that's what people think about

1042

00:48:21,270 --> 00:48:19,040

but they have mr robert salas talk about

1043

00:48:23,829 --> 00:48:21,280

the mouse from incident where

1044

00:48:26,390 --> 00:48:23,839

um ufos came in and turned up the

1045

00:48:29,430 --> 00:48:26,400

communication systems for

1046

00:48:32,069 --> 00:48:29,440

the nuclear weapons so that if they

1047

00:48:32,829 --> 00:48:32,079

you know they wanted to launch them they

1048

00:48:35,270 --> 00:48:32,839

could

1049

00:48:37,190 --> 00:48:35,280

not you know there's a story of that

1050

00:48:40,309 --> 00:48:37,200

happening in russia and what kind of

1051

00:48:42,470 --> 00:48:40,319

spawn today is my thought of

1052

00:48:44,549 --> 00:48:42,480

if that's the only time that that's

1053

00:48:46,790 --> 00:48:44,559

recorded as happening where the

1054

00:48:50,230 --> 00:48:46,800

communications are turned off so

1055

00:48:55,030 --> 00:48:52,790

is it fair that people who try to push

1056

00:48:56,390 --> 00:48:55,040

this into the mainstream

1057

00:49:00,230 --> 00:48:56,400

um

1058

00:49:01,670 --> 00:49:00,240

you know use that as an example of why

1059

00:49:03,030 --> 00:49:01,680

it should be

1060

00:49:05,349 --> 00:49:03,040

you know

1061

00:49:07,829 --> 00:49:05,359

more in the forefront

1062

00:49:13,990 --> 00:49:07,839

especially when they're unidentified

1063

00:49:14,000 --> 00:49:18,069

that was my question no

1064

00:49:20,870 --> 00:49:19,670

a lot of people trained in on twitter

1065

00:49:22,309 --> 00:49:20,880

with different things and different

1066

00:49:23,750 --> 00:49:22,319

opinions and

1067

00:49:25,270 --> 00:49:23,760

um

1068

00:49:27,589 --> 00:49:25,280

some people seem to think that it's

1069

00:49:29,910 --> 00:49:27,599

happened a lot more often i don't know

1070

00:49:31,510 --> 00:49:29,920

of those occasions but that could have

1071

00:49:32,470 --> 00:49:31,520

been um a couple of good points were

1072

00:49:35,030 --> 00:49:32,480

made of

1073

00:49:37,109 --> 00:49:35,040

as far as

1074

00:49:39,030 --> 00:49:37,119

you know

1075

00:49:40,790 --> 00:49:39,040

what are the chances

1076
00:49:42,549 --> 00:49:40,800
that we'd even know that if it happened

1077
00:49:44,470 --> 00:49:42,559
again you know are they gonna come out

1078
00:49:45,829 --> 00:49:44,480
with that

1079
00:49:47,910 --> 00:49:45,839
you know whether it be the air force or

1080
00:49:50,150 --> 00:49:47,920
whoever or other witness is going to

1081
00:49:51,589 --> 00:49:50,160
come up out and say something like like

1082
00:49:53,910 --> 00:49:51,599
that happening

1083
00:49:58,549 --> 00:49:53,920
you know we just don't know

1084
00:50:02,470 --> 00:50:00,710
you know i i don't doubt that that

1085
00:50:04,230 --> 00:50:02,480
situation happened at all and that's not

1086
00:50:06,630 --> 00:50:04,240
what i you know so i don't get the wrong

1087
00:50:08,870 --> 00:50:06,640
idea i'm just uh wondering if it's

1088
00:50:10,309 --> 00:50:08,880

happened in any other instances and if

1089

00:50:12,710 --> 00:50:10,319

so where

1090

00:50:16,309 --> 00:50:12,720

uh because people seem to use that event

1091

00:50:19,270 --> 00:50:16,319

a lot to get the word out about ufos so

1092

00:50:21,109 --> 00:50:19,280

i'm just curious

1093

00:50:23,190 --> 00:50:21,119

we do know however

1094

00:50:24,829 --> 00:50:23,200

um that they're seen around nuclear

1095

00:50:26,470 --> 00:50:24,839

reactors

1096

00:50:28,630 --> 00:50:26,480

um

1097

00:50:30,950 --> 00:50:28,640

you know our navy ships which you know

1098

00:50:31,500 --> 00:50:30,960

pretty much everyone is is

1099

00:50:33,589 --> 00:50:31,510

if it's not

1100

00:50:35,910 --> 00:50:33,599

[Music]

1101
00:50:37,510 --> 00:50:35,920
i think has nuclear capabilities i think

1102
00:50:39,510 --> 00:50:37,520
um it was

1103
00:50:41,349 --> 00:50:39,520
somebody who would know

1104
00:50:42,870 --> 00:50:41,359
that i know

1105
00:50:44,069 --> 00:50:42,880
told me that pretty much every navy

1106
00:50:45,030 --> 00:50:44,079
vessel

1107
00:50:48,390 --> 00:50:45,040
has

1108
00:50:49,670 --> 00:50:48,400
the ability to carry a nuclear

1109
00:50:52,470 --> 00:50:49,680
bomb

1110
00:50:56,870 --> 00:50:53,589
and

1111
00:51:00,470 --> 00:50:56,880
you know those get uh

1112
00:51:02,150 --> 00:51:00,480
kind of hit a lot with uh ufo sightings

1113
00:51:03,190 --> 00:51:02,160

and we've touched on a couple here on

1114

00:51:05,430 --> 00:51:03,200

the show

1115

00:51:10,950 --> 00:51:09,690

but the last thing i wanted to

1116

00:51:12,069 --> 00:51:10,960

[Music]

1117

00:51:13,910 --> 00:51:12,079

show

1118

00:51:22,230 --> 00:51:13,920

is

1119

00:51:28,549 --> 00:51:22,240

a new york times the new york times

1120

00:51:28,559 --> 00:51:37,270

uf ufo vows the untold story

1121

00:51:43,030 --> 00:51:39,589

it's pretty interesting because

1122

00:51:44,710 --> 00:51:43,040

here they are the new york times

1123

00:51:49,030 --> 00:51:44,720

i'm not familiar with

1124

00:51:50,950 --> 00:51:49,040

the new york times magazine and um

1125

00:51:52,870 --> 00:51:50,960

you know if that stuff was also in the

1126

00:51:55,990 --> 00:51:52,880

paper or if this was a separate thing

1127

00:51:56,950 --> 00:51:56,000

i'm not sure unfortunately

1128

00:51:58,390 --> 00:51:56,960

but

1129

00:52:00,790 --> 00:51:58,400

it had to be somewhat popular as the new

1130

00:52:03,430 --> 00:52:00,800

york times

1131

00:52:04,630 --> 00:52:03,440

another kind of a synchronicity i guess

1132

00:52:07,109 --> 00:52:04,640

you could say

1133

00:52:09,510 --> 00:52:07,119

is it's written by patrick hughes

1134

00:52:11,109 --> 00:52:09,520

patrick hughes is one of the witnesses

1135

00:52:12,630 --> 00:52:11,119

of uh one of the

1136

00:52:15,670 --> 00:52:12,640

navy sightings he was in the princeton

1137

00:52:18,950 --> 00:52:17,510

so but i wanted to go over this because

1138

00:52:19,750 --> 00:52:18,960

it's pretty interesting and i'm just

1139

00:52:24,470 --> 00:52:19,760

gonna

1140

00:52:27,829 --> 00:52:24,480

read from it here

1141

00:52:29,910 --> 00:52:27,839

we have the uh though officials uh have

1142

00:52:31,990 --> 00:52:29,920

long denied that they take flag saucers

1143

00:52:34,470 --> 00:52:32,000

seriously declassified documents now

1144

00:52:36,390 --> 00:52:34,480

reveal extensive government concern over

1145

00:52:38,309 --> 00:52:36,400

the phenomenon

1146

00:52:40,309 --> 00:52:38,319

the defense department message bears the

1147

00:52:43,349 --> 00:52:40,319

classification confidential subject

1148

00:52:47,190 --> 00:52:43,359

suspicious unknown air activity debated

1149

00:52:49,910 --> 00:52:47,200

dated november 11 1975.

1150

00:52:52,150 --> 00:52:49,920

it reads uh the 28th of october 1973

1151
00:52:55,349 --> 00:52:52,160
numerous reports of suspicious objects

1152
00:52:57,589 --> 00:52:55,359
have been received at the norad

1153
00:52:59,990 --> 00:52:57,599
coc north american defense combat

1154
00:53:01,990 --> 00:53:00,000
operations center reliable military

1155
00:53:04,790 --> 00:53:02,000
personnel at loring air force base which

1156
00:53:07,910 --> 00:53:04,800
is a maine awards from port smith air

1157
00:53:11,190 --> 00:53:07,920
force base michigan maelstrom uh montana

1158
00:53:13,190 --> 00:53:11,200
uh middle north dakota and canadian

1159
00:53:15,910 --> 00:53:13,200
forces station falcon bridge ontario

1160
00:53:18,390 --> 00:53:15,920
canada have visually cited suspicious

1161
00:53:19,910 --> 00:53:18,400
objects

1162
00:53:22,950 --> 00:53:19,920
you know it's funny because we usually

1163
00:53:24,549 --> 00:53:22,960

only hear robert sells some house from

1164

00:53:26,150 --> 00:53:24,559

so we have objects that loring and

1165

00:53:28,309 --> 00:53:26,160

wordsmith were characterized to be

1166

00:53:30,309 --> 00:53:28,319

helicopters missile site personnel

1167

00:53:33,030 --> 00:53:30,319

security alert teams and air defense

1168

00:53:34,950 --> 00:53:33,040

personnel at maelstrom montana reported

1169

00:53:38,390 --> 00:53:34,960

a object which sounded like a jet

1170

00:53:40,630 --> 00:53:38,400

aircraft faa advised there were no jet

1171

00:53:42,309 --> 00:53:40,640

aircraft in the vicinity

1172

00:53:44,390 --> 00:53:42,319

mouse from search and height finder

1173

00:53:46,230 --> 00:53:44,400

radars carried the object between nine

1174

00:53:51,030 --> 00:53:46,240

thousand and fifteen thousand six

1175

00:53:56,069 --> 00:53:53,750

that seemed incredibly slow f106

1176

00:53:57,910 --> 00:53:56,079

scrambled from maelstrom could not make

1177

00:53:59,030 --> 00:53:57,920

contact due to the darkness and low

1178

00:54:01,109 --> 00:53:59,040

altitude

1179

00:54:03,190 --> 00:54:01,119

uh site personnel reported the objects

1180

00:54:04,549 --> 00:54:03,200

as low as 200 feet

1181

00:54:06,710 --> 00:54:04,559

and

1182

00:54:09,589 --> 00:54:06,720

oh man that stinks

1183

00:54:12,470 --> 00:54:09,599

it's like cut off there

1184

00:54:14,790 --> 00:54:12,480

so i'll just have to go to the top

1185

00:54:18,150 --> 00:54:14,800

i have expressed my concern to

1186

00:54:19,030 --> 00:54:18,160

um s-a-f-o-i air force information

1187

00:54:21,910 --> 00:54:19,040

office

1188

00:54:23,910 --> 00:54:21,920

um that we come up soonest with a

1189

00:54:25,589 --> 00:54:23,920

proposed answer to queries from the

1190

00:54:27,910 --> 00:54:25,599

press to prevent overreaction by the

1191

00:54:29,510 --> 00:54:27,920

public to reports by the media that may

1192

00:54:30,870 --> 00:54:29,520

be blown out of proportion how can you

1193

00:54:33,349 --> 00:54:30,880

blow something like that out of

1194

00:54:35,510 --> 00:54:33,359

proportion i don't think it's possible

1195

00:54:37,349 --> 00:54:35,520

by the way

1196

00:54:39,990 --> 00:54:37,359

um to date efforts by air guard

1197

00:54:43,030 --> 00:54:40,000

helicopters uh and strategic air command

1198

00:54:45,910 --> 00:54:43,040

helicopters in norway f-106s have failed

1199

00:54:47,829 --> 00:54:45,920

to produce positive id

1200

00:54:49,270 --> 00:54:47,839

numerous daily updates kept the joint

1201

00:54:52,230 --> 00:54:49,280

chiefs of staff informed of these

1202

00:54:53,990 --> 00:54:52,240

incursions by ufos in the fall of 1975

1203

00:54:57,270 --> 00:54:54,000

representatives of the defense

1204

00:54:59,589 --> 00:54:57,280

intelligence agency and the nsa as well

1205

00:55:01,430 --> 00:54:59,599

as a handful of other government desks

1206

00:55:03,030 --> 00:55:01,440

received copies of the national military

1207

00:55:05,510 --> 00:55:03,040

command center's reports on the

1208

00:55:07,750 --> 00:55:05,520

incidents one report said that a

1209

00:55:12,230 --> 00:55:07,760

unidentified object demonstrated a clear

1210

00:55:14,309 --> 00:55:12,240

intent in the weapons storage area

1211

00:55:16,710 --> 00:55:14,319

though air force records show that the

1212

00:55:19,670 --> 00:55:16,720

cia was notified several times of these

1213

00:55:22,870 --> 00:55:19,680

penetrations over nuclear missile and

1214

00:55:25,510 --> 00:55:22,880

bomber bases the agency has acknowledged

1215

00:55:27,349 --> 00:55:25,520

only one such notification

1216

00:55:30,069 --> 00:55:27,359

subsequent investigations by the air

1217

00:55:32,230 --> 00:55:30,079

force into the sightings at loring air

1218

00:55:36,630 --> 00:55:32,240

force base maine where the remarkable

1219

00:55:37,750 --> 00:55:36,640

series of events began did not reveal

1220

00:55:39,589 --> 00:55:37,760

it's cut off

1221

00:55:42,950 --> 00:55:39,599

blame the cia for that by the way it's

1222

00:55:44,789 --> 00:55:42,960

found in their foia reading room

1223

00:55:47,030 --> 00:55:44,799

despite official pronouncements for

1224

00:55:50,230 --> 00:55:47,040

decades that ufos were nothing more than

1225

00:55:52,870 --> 00:55:50,240

misidentified aerial objects and as

1226
00:55:54,950 --> 00:55:52,880
such were no cause for alarm recently

1227
00:55:56,870 --> 00:55:54,960
declassified ufo records from the cia

1228
00:55:58,470 --> 00:55:56,880
and fbi and other federal agencies

1229
00:56:00,390 --> 00:55:58,480
indicate

1230
00:56:03,670 --> 00:56:00,400
that ever since ufos made their

1231
00:56:05,750 --> 00:56:03,680
appearance in our skies in the 1940s the

1232
00:56:07,750 --> 00:56:05,760
phenomenon has aroused much serious

1233
00:56:10,150 --> 00:56:07,760
behind-the-scenes concern in official

1234
00:56:12,390 --> 00:56:10,160
circles

1235
00:56:15,030 --> 00:56:12,400
details of the intelligence community's

1236
00:56:17,670 --> 00:56:15,040
protracted obsession with the subject of

1237
00:56:19,750 --> 00:56:17,680
ufos have emerged over the past few

1238
00:56:21,430 --> 00:56:19,760

years with the release of the long

1239

00:56:24,470 --> 00:56:21,440

without government records obtained

1240

00:56:26,390 --> 00:56:24,480

through the freedom of information act

1241

00:56:29,589 --> 00:56:26,400

though these papers failed to resolve

1242

00:56:32,309 --> 00:56:29,599

the ufo enigma they do manage to dispel

1243

00:56:35,430 --> 00:56:32,319

many popular notions about ufo

1244

00:56:38,309 --> 00:56:35,440

controversy as well as give substance to

1245

00:56:41,030 --> 00:56:38,319

a number of others

1246

00:56:42,710 --> 00:56:41,040

official records now available

1247

00:56:45,109 --> 00:56:42,720

appear to put

1248

00:56:47,829 --> 00:56:45,119

to rest doubts that the government knew

1249

00:56:49,670 --> 00:56:47,839

more about ufos than it had claimed over

1250

00:56:51,270 --> 00:56:49,680

the past 32 years

1251
00:56:52,950 --> 00:56:51,280
from the start it has been convinced

1252
00:56:55,190 --> 00:56:52,960
that the most ufo sightings that could

1253
00:56:57,589 --> 00:56:55,200
be explained in terms of misidentif

1254
00:56:59,349 --> 00:56:57,599
misidentified balloons cloud formations

1255
00:57:02,150 --> 00:56:59,359
airplanes ball lightning meteors and

1256
00:57:03,589 --> 00:57:02,160
other natural phenomena

1257
00:57:05,829 --> 00:57:03,599
but the papers also show that the

1258
00:57:08,390 --> 00:57:05,839
government remains perplexed about the

1259
00:57:10,789 --> 00:57:08,400
nagging residue of unexplained ufo

1260
00:57:13,829 --> 00:57:10,799
sightings which amount to approximately

1261
00:57:15,589 --> 00:57:13,839
10 percent of all ufo sightings reported

1262
00:57:16,789 --> 00:57:15,599
do they pose a threat to national

1263
00:57:19,349 --> 00:57:16,799

security

1264

00:57:22,230 --> 00:57:19,359

are they just a funny looking cover for

1265

00:57:24,390 --> 00:57:22,240

an airborne soviet presence

1266

00:57:26,150 --> 00:57:24,400

even the possibility that these unknowns

1267

00:57:28,470 --> 00:57:26,160

could be evidence of extraterrestrial

1268

00:57:31,030 --> 00:57:28,480

visitation has been given serious

1269

00:57:33,589 --> 00:57:31,040

attention in government circles

1270

00:57:36,230 --> 00:57:33,599

while official interest in ufos has long

1271

00:57:37,829 --> 00:57:36,240

been thought to be strictly the concern

1272

00:57:40,390 --> 00:57:37,839

of the air force the bulk of whose

1273

00:57:42,150 --> 00:57:40,400

records has been open to public view for

1274

00:57:44,150 --> 00:57:42,160

nearly a decade

1275

00:57:45,670 --> 00:57:44,160

the recently released papers on ufos

1276
00:57:47,670 --> 00:57:45,680
indicate otherwise

1277
00:57:49,589 --> 00:57:47,680
the department of the

1278
00:57:53,109 --> 00:57:49,599
i don't know

1279
00:57:55,670 --> 00:57:53,119
army navy state in

1280
00:57:57,990 --> 00:57:55,680
department of defense maybe

1281
00:57:59,589 --> 00:57:58,000
and the defense intelligence agency the

1282
00:58:02,630 --> 00:57:59,599
national security agency the joint

1283
00:58:04,870 --> 00:58:02,640
chiefs of staff the fbi the cia and even

1284
00:58:07,349 --> 00:58:04,880
the atomic energy commission produced

1285
00:58:12,309 --> 00:58:07,359
ufo records over the years that one's

1286
00:58:16,870 --> 00:58:14,870
many of these agencies still do and many

1287
00:58:18,630 --> 00:58:16,880
of their documents remain classified but

1288
00:58:20,630 --> 00:58:18,640

it is the cia that appears to have

1289

00:58:22,470 --> 00:58:20,640

played a key role in the controversy and

1290

00:58:25,030 --> 00:58:22,480

many and even responsible for the

1291

00:58:27,349 --> 00:58:25,040

government's conduct in ufos

1292

00:58:29,910 --> 00:58:27,359

uh investigations throughout

1293

00:58:31,270 --> 00:58:29,920

the years

1294

00:58:32,390 --> 00:58:31,280

that is interesting especially

1295

00:58:34,950 --> 00:58:32,400

considering

1296

00:58:36,710 --> 00:58:34,960

um what we just talked about with mr jim

1297

00:58:38,710 --> 00:58:36,720

some even and john ramirez being from

1298

00:58:40,870 --> 00:58:38,720

the cia coming out and saying this stuff

1299

00:58:43,190 --> 00:58:40,880

is there any connection to it

1300

00:58:43,990 --> 00:58:43,200

you know 50 years apart probably not

1301
00:58:46,950 --> 00:58:44,000
but

1302
00:58:52,549 --> 00:58:48,950
so i thought that article was was pretty

1303
00:58:55,349 --> 00:58:52,559
interesting because it really touched on

1304
00:59:00,870 --> 00:58:59,190
it's so reminiscent of now right

1305
00:59:03,670 --> 00:59:00,880
so reminiscent

1306
00:59:05,510 --> 00:59:03,680
files come out there's a controversy

1307
00:59:07,670 --> 00:59:05,520
what are they

1308
00:59:09,829 --> 00:59:07,680
the maelstrom

1309
00:59:10,710 --> 00:59:09,839
event then in the new york times seems

1310
00:59:12,789 --> 00:59:10,720
like

1311
00:59:16,309 --> 00:59:12,799
um the the

1312
00:59:16,319 --> 00:59:20,870
right in the gimbal in the navy videos

1313
00:59:27,910 --> 00:59:25,430

and then we had washington dc in 52

1314

00:59:27,920 --> 00:59:33,190

and that was a big story

1315

00:59:33,200 --> 00:59:38,390

it's always something right

1316

00:59:42,789 --> 00:59:41,270

now what can we take from that is it is

1317

00:59:45,990 --> 00:59:42,799

there

1318

00:59:48,150 --> 00:59:46,000

is the phenomenon

1319

00:59:51,270 --> 00:59:48,160

making sure it stays

1320

00:59:55,829 --> 00:59:51,280

available to everyone possibly as much

1321

00:59:59,910 --> 00:59:57,670

you know if the phenomenon is as smart

1322

01:00:02,230 --> 00:59:59,920

as intelligent is a lot of us think it

1323

01:00:02,240 --> 01:00:06,309

these would be purposeful events

1324

01:00:10,390 --> 01:00:08,870

purposeful events to

1325

01:00:13,190 --> 01:00:10,400

um you know

1326

01:00:15,349 --> 01:00:13,200

be able to spread itself to as many

1327

01:00:17,430 --> 01:00:15,359

people as possible

1328

01:00:19,589 --> 01:00:17,440

by doing things that would be reported

1329

01:00:23,349 --> 01:00:19,599

in the media

1330

01:00:27,270 --> 01:00:25,750

because i don't think like a major thing

1331

01:00:29,990 --> 01:00:27,280

like that would happen was something

1332

01:00:31,750 --> 01:00:30,000

that intelligent without it having some

1333

01:00:34,710 --> 01:00:31,760

sense of knowledge of

1334

01:00:35,589 --> 01:00:34,720

everybody's gonna know about this

1335

01:00:37,190 --> 01:00:35,599

right

1336

01:00:40,549 --> 01:00:37,200

do you think it's possible that they

1337

01:00:40,559 --> 01:00:45,750

maybe we went too far that time

1338

01:00:45,760 --> 01:00:49,190

because we could be busted

1339

01:00:49,200 --> 01:00:54,309

probably not

1340

01:01:00,309 --> 01:00:58,069

you know it's interesting you know um

1341

01:01:01,750 --> 01:01:00,319

rally feels different right now feels

1342

01:01:02,870 --> 01:01:01,760

like something is coming or about to

1343

01:01:09,430 --> 01:01:02,880

happen

1344

01:01:15,750 --> 01:01:11,030

you know

1345

01:01:21,829 --> 01:01:16,630

and

1346

01:01:24,069 --> 01:01:21,839

that's getting worse it's probably going

1347

01:01:26,230 --> 01:01:24,079

to be really bad and we have people that

1348

01:01:29,190 --> 01:01:26,240

talk about that such as from the united

1349

01:01:30,549 --> 01:01:29,200

nations or or biden or other people

1350

01:01:33,829 --> 01:01:30,559

that

1351

01:01:35,990 --> 01:01:33,839

you know

1352

01:01:37,990 --> 01:01:36,000

give to scriptures with just how bad

1353

01:01:40,230 --> 01:01:38,000

that would be

1354

01:01:42,470 --> 01:01:40,240

you know facts are that it's the biggest

1355

01:01:46,309 --> 01:01:42,480

military buildup

1356

01:01:51,109 --> 01:01:48,390

russia has wanted to take ukraine since

1357

01:01:54,630 --> 01:01:51,119

they lost it from the soviet union

1358

01:01:59,589 --> 01:01:57,190

and so we have these big world things at

1359

01:02:04,230 --> 01:02:02,069

you know as well as this disclosure kind

1360

01:02:05,670 --> 01:02:04,240

of stuff and ufos

1361

01:02:09,829 --> 01:02:05,680

being in the limelight and people

1362

01:02:14,150 --> 01:02:12,150

the only thing i can relate it to is

1363

01:02:17,910 --> 01:02:14,160

again history and i wasn't there but i

1364

01:02:23,270 --> 01:02:20,710

you know during world war ii in in you

1365

01:02:24,309 --> 01:02:23,280

know ada of hitler or the vietnam war or

1366

01:02:25,430 --> 01:02:24,319

you know

1367

01:02:29,430 --> 01:02:25,440

other

1368

01:02:33,029 --> 01:02:31,430

did people feel the same way you know

1369

01:02:35,190 --> 01:02:33,039

people like you and i

1370

01:02:38,630 --> 01:02:35,200

feel the same way that that something is

1371

01:02:43,270 --> 01:02:39,910

and

1372

01:02:44,710 --> 01:02:43,280

another way to look at that is

1373

01:02:46,630 --> 01:02:44,720

just because

1374

01:02:52,150 --> 01:02:46,640

you know the world doesn't didn't and

1375

01:02:56,870 --> 01:02:55,029

and is that something coming

1376

01:02:57,910 --> 01:02:56,880

you know 100 years from then does that

1377

01:03:00,630 --> 01:02:57,920

mean that

1378

01:03:04,150 --> 01:03:00,640

them feeling that isn't accurate

1379

01:03:08,230 --> 01:03:06,230

maybe it still is accurate just because

1380

01:03:09,430 --> 01:03:08,240

that's something coming is

1381

01:03:11,910 --> 01:03:09,440

you know

1382

01:03:14,829 --> 01:03:11,920

they feel it 1945 and it happens now or

1383

01:03:17,829 --> 01:03:14,839

20 years from now you

1384

01:03:19,750 --> 01:03:17,839

know i think it was reported recently

1385

01:03:21,349 --> 01:03:19,760

and i i can't remember

1386

01:03:23,109 --> 01:03:21,359

you know forgive me for this so just

1387

01:03:24,309 --> 01:03:23,119

take it for words don't take it to heart

1388

01:03:25,510 --> 01:03:24,319

or anything like that but it was

1389

01:03:26,390 --> 01:03:25,520
reported

1390

01:03:28,950 --> 01:03:26,400
in

1391

01:03:30,950 --> 01:03:28,960
like 10 years or so

1392

01:03:33,750 --> 01:03:30,960
that the um

1393

01:03:36,630 --> 01:03:33,760
the world's oceans the sea rise uh will

1394

01:03:40,710 --> 01:03:36,640
rise about a foot

1395

01:03:46,789 --> 01:03:44,150
there in and of itself you know

1396

01:03:53,190 --> 01:03:46,799
if that actually happens i'm not i don't

1397

01:03:58,470 --> 01:03:56,549
okay 42 d you mentioned you know a good

1398

01:03:59,990 --> 01:03:58,480
talking point of

1399

01:04:01,990 --> 01:04:00,000
you know people who

1400

01:04:02,870 --> 01:04:02,000
to me when i read this i think of people

1401

01:04:05,829 --> 01:04:02,880

who

1402

01:04:08,069 --> 01:04:05,839

um you know list dates

1403

01:04:12,950 --> 01:04:08,079

in the future as as big and that could

1404

01:04:12,960 --> 01:04:17,349

or years

1405

01:04:17,359 --> 01:04:21,430

the only thing i think of is

1406

01:04:28,710 --> 01:04:24,390

i doubt they're right

1407

01:04:33,349 --> 01:04:31,270

you know said something about the future

1408

01:04:35,430 --> 01:04:33,359

and and have actually been accurate

1409

01:04:37,910 --> 01:04:35,440

other than when it's said in a very

1410

01:04:41,270 --> 01:04:37,920

vague way like a you know nostradamus

1411

01:04:43,270 --> 01:04:41,280

type of thing or something like

1412

01:04:46,710 --> 01:04:43,280

you know when it's vague like that like

1413

01:04:48,390 --> 01:04:46,720

a universal consciousness 2026 i guess

1414

01:04:51,589 --> 01:04:48,400

you know

1415

01:04:56,069 --> 01:04:51,599

there's no definable way to to or way to

1416

01:04:59,910 --> 01:04:58,069

like

1417

01:05:02,390 --> 01:04:59,920

you could take any event that winds up

1418

01:05:04,470 --> 01:05:02,400

happening in 2026 and make a story about

1419

01:05:07,109 --> 01:05:04,480

how that raised people's you know

1420

01:05:12,230 --> 01:05:07,119

conscious universal consciousness

1421

01:05:17,670 --> 01:05:14,789

you know so

1422

01:05:19,349 --> 01:05:17,680

and it's but the tricky thing is putting

1423

01:05:23,029 --> 01:05:19,359

something out there in the future like

1424

01:05:25,750 --> 01:05:23,039

that it allows you to um

1425

01:05:27,349 --> 01:05:25,760

or it doesn't allow you but you know

1426

01:05:30,309 --> 01:05:27,359

it gives people something to look

1427

01:05:34,230 --> 01:05:32,150

you know it gives some people something

1428

01:05:36,390 --> 01:05:34,240

tangible so

1429

01:05:39,270 --> 01:05:36,400

there's an aspect of that

1430

01:05:41,349 --> 01:05:39,280

that's taking advantage of people

1431

01:05:43,029 --> 01:05:41,359

giving them a sense of comfort and a

1432

01:05:44,789 --> 01:05:43,039

date and time to look forward to for

1433

01:05:46,309 --> 01:05:44,799

something whatever it is

1434

01:05:48,870 --> 01:05:46,319

whether it be an end or a different

1435

01:05:52,710 --> 01:05:50,549

right

1436

01:05:56,309 --> 01:05:52,720

so that in and of itself is always a

1437

01:06:03,270 --> 01:05:58,549

and then why say it why mention it

1438

01:06:06,789 --> 01:06:05,029

you know to help people get in the right

1439

01:06:09,430 --> 01:06:06,799

place

1440

01:06:14,710 --> 01:06:09,440

before that time that you know

1441

01:06:18,549 --> 01:06:16,549

right

1442

01:06:20,150 --> 01:06:18,559

i don't know but that's that's just me

1443

01:06:21,670 --> 01:06:20,160

and

1444

01:06:23,910 --> 01:06:21,680

i could be completely

1445

01:06:28,630 --> 01:06:23,920

you know have the wrong perspective

1446

01:06:33,430 --> 01:06:30,870

chris seems special i haven't met him

1447

01:06:34,630 --> 01:06:33,440

a lot of people say that

1448

01:06:37,430 --> 01:06:34,640

um

1449

01:06:40,309 --> 01:06:37,440

i have no reason to think he is not a

1450

01:06:42,470 --> 01:06:40,319

cool person or a cool dude

1451
01:06:43,430 --> 01:06:42,480
at all

1452
01:06:46,790 --> 01:06:43,440
so

1453
01:06:48,390 --> 01:06:46,800
especially um

1454
01:06:50,630 --> 01:06:48,400
[Music]

1455
01:06:52,630 --> 01:06:50,640
you know when there's testimony given

1456
01:06:53,829 --> 01:06:52,640
that

1457
01:06:55,510 --> 01:06:53,839
you know

1458
01:06:59,029 --> 01:06:55,520
i just need to meet somebody to know who

1459
01:07:03,510 --> 01:07:01,510
you know i need to talk to them

1460
01:07:05,670 --> 01:07:03,520
and converse communicate

1461
01:07:07,990 --> 01:07:05,680
that's how i can get an actual feel for

1462
01:07:09,430 --> 01:07:08,000
someone

1463
01:07:11,589 --> 01:07:09,440

otherwise it can always be kind of hard

1464

01:07:13,589 --> 01:07:11,599

to tell right

1465

01:07:15,910 --> 01:07:13,599

it can be hard to tell we obviously know

1466

01:07:18,470 --> 01:07:15,920

there's a lot to the bledsoe story that

1467

01:07:20,549 --> 01:07:18,480

it you know on the face of it seems very

1468

01:07:22,230 --> 01:07:20,559

legit contacts with

1469

01:07:25,109 --> 01:07:22,240

um

1470

01:07:27,270 --> 01:07:25,119

uh jim simmons for instance

1471

01:07:29,109 --> 01:07:27,280

nasa

1472

01:07:31,109 --> 01:07:29,119

um

1473

01:07:33,190 --> 01:07:31,119

a lot of there's a lot of stuff forgive

1474

01:07:35,829 --> 01:07:33,200

me if i can't list at all right now i

1475

01:07:36,710 --> 01:07:35,839

haven't done a whole bunch of

1476

01:07:40,829 --> 01:07:36,720

um

1477

01:07:44,309 --> 01:07:42,789

story so

1478

01:07:46,549 --> 01:07:44,319

you know there's only so much time in

1479

01:07:49,750 --> 01:07:46,559

the day

1480

01:07:51,430 --> 01:07:49,760

you know

1481

01:07:54,710 --> 01:07:51,440

if he's watching

1482

01:07:57,910 --> 01:07:55,990

that's rush

1483

01:07:59,910 --> 01:07:57,920

s-r-a-a-s-c-h

1484

01:08:01,430 --> 01:07:59,920

witness citizen dot com i'd love to talk

1485

01:08:03,190 --> 01:08:01,440

to you

1486

01:08:05,029 --> 01:08:03,200

um

1487

01:08:06,950 --> 01:08:05,039

for sure i think we can always learn

1488

01:08:08,549 --> 01:08:06,960

something from each other

1489

01:08:10,710 --> 01:08:08,559

that's for sure

1490

01:08:13,670 --> 01:08:10,720

what whatever i do

1491

01:08:15,910 --> 01:08:13,680

whatever role or you know part i play in

1492

01:08:18,309 --> 01:08:15,920

the whole scheme of things whether

1493

01:08:21,669 --> 01:08:18,319

there be some sort of weird event or a

1494

01:08:24,070 --> 01:08:21,679

ufo disclosure or nothing happens at all

1495

01:08:25,189 --> 01:08:24,080

you know um

1496

01:08:29,510 --> 01:08:25,199

my

1497

01:08:31,189 --> 01:08:29,520

a couple reasons i just continue to try

1498

01:08:32,709 --> 01:08:31,199

to find myself

1499

01:08:35,269 --> 01:08:32,719

and do things i do

1500

01:08:37,030 --> 01:08:35,279

in doing this i get to you know

1501

01:08:38,550 --> 01:08:37,040

there's a sense of it that's therapy for

1502

01:08:40,550 --> 01:08:38,560

me i get to talk

1503

01:08:42,149 --> 01:08:40,560

and get a lot of thoughts that get stuck

1504

01:08:43,990 --> 01:08:42,159

in my head out

1505

01:08:45,749 --> 01:08:44,000

you know that i wouldn't

1506

01:08:47,269 --> 01:08:45,759

otherwise be able to

1507

01:08:49,910 --> 01:08:47,279

talk to somebody about

1508

01:08:54,470 --> 01:08:52,550

another thing that i do this for is you

1509

01:08:56,950 --> 01:08:54,480

know it's clear that that some people

1510

01:08:58,070 --> 01:08:56,960

connect to the things i say and enjoy

1511

01:08:58,950 --> 01:08:58,080

the way i

1512

01:09:01,590 --> 01:08:58,960

you know

1513

01:09:03,030 --> 01:09:01,600

relay information and do my studies and

1514

01:09:05,829 --> 01:09:03,040

everything and

1515

01:09:09,349 --> 01:09:07,030

that

1516

01:09:12,070 --> 01:09:09,359

you know so and it comes off uh like

1517

01:09:14,950 --> 01:09:12,080

it's helpful to people

1518

01:09:18,390 --> 01:09:14,960

and so that's good because whatever i do

1519

01:09:22,709 --> 01:09:18,400

i want it to be positive and helpful

1520

01:09:22,719 --> 01:09:26,550

you know for sure

1521

01:09:29,269 --> 01:09:28,149

so as long as i can keep doing those

1522

01:09:31,030 --> 01:09:29,279

things

1523

01:09:32,630 --> 01:09:31,040

connecting with people that seem to

1524

01:09:35,189 --> 01:09:32,640

benefit from

1525

01:09:36,470 --> 01:09:35,199

me doing this and

1526

01:09:39,990 --> 01:09:36,480
you know continues to help me

1527

01:09:41,510 --> 01:09:40,000
therapeutically and and all that

1528

01:09:47,189 --> 01:09:41,520
i'm good

1529

01:09:50,550 --> 01:09:47,199
so and i love that you guys are here and

1530

01:09:55,990 --> 01:09:53,349
i guess there's a bomb

1531

01:09:57,350 --> 01:09:56,000
maybe one day we'll throw like a a party

1532

01:10:01,110 --> 01:09:57,360
or something

1533

01:10:05,669 --> 01:10:03,640
a pizza ufo party

1534

01:10:08,550 --> 01:10:05,679
[Laughter]

1535

01:10:12,470 --> 01:10:10,229
oh man i couldn't said that better

1536

01:10:13,590 --> 01:10:12,480
myself

1537

01:10:15,430 --> 01:10:13,600
i am a

1538

01:10:16,950 --> 01:10:15,440

freaking man

1539

01:10:23,030 --> 01:10:16,960

don't make me prove it either because

1540

01:10:27,830 --> 01:10:25,270

nah but you know

1541

01:10:30,390 --> 01:10:27,840

i feel like um

1542

01:10:32,630 --> 01:10:30,400

if you just try your best right just try

1543

01:10:35,030 --> 01:10:32,640

your best with good intentions i think i

1544

01:10:38,310 --> 01:10:35,040

always think it's the intent that makes

1545

01:10:40,310 --> 01:10:38,320

a difference what is the person's intent

1546

01:10:42,229 --> 01:10:40,320

maybe whatever they say comes off awful

1547

01:10:44,390 --> 01:10:42,239

maybe the action

1548

01:10:46,390 --> 01:10:44,400

uh you know that they put forth comes

1549

01:10:50,149 --> 01:10:46,400

off awful but what was their intent what

1550

01:10:55,910 --> 01:10:51,430

you know that's

1551

01:11:01,510 --> 01:10:58,470

what if someone is out here uh you know

1552

01:11:03,350 --> 01:11:01,520

lying to you like a big you know face

1553

01:11:05,669 --> 01:11:03,360

in the ufo world they're lying to you

1554

01:11:07,189 --> 01:11:05,679

right but what if they know something

1555

01:11:08,390 --> 01:11:07,199

that you don't

1556

01:11:10,950 --> 01:11:08,400

and

1557

01:11:15,270 --> 01:11:10,960

they're trying to save

1558

01:11:16,310 --> 01:11:15,280

you know the world from it and it's evil

1559

01:11:19,030 --> 01:11:16,320

you know

1560

01:11:22,790 --> 01:11:20,390

maybe they could have did it better but

1561

01:11:26,630 --> 01:11:22,800

their intent was to spare you

1562

01:11:30,709 --> 01:11:26,640

real harm you know something like that

1563

01:11:34,070 --> 01:11:32,390

and then people can work on their

1564

01:11:35,830 --> 01:11:34,080

actions and how to do things more

1565

01:11:38,229 --> 01:11:35,840

professionally better

1566

01:11:42,310 --> 01:11:40,630

but as long as their intent is is in the

1567

01:11:42,570 --> 01:11:42,320

right place

1568

01:11:44,630 --> 01:11:42,580

um

1569

01:11:47,110 --> 01:11:44,640

[Music]

1570

01:11:48,630 --> 01:11:47,120

that goes

1571

01:11:51,030 --> 01:11:48,640

so far with me

1572

01:11:55,430 --> 01:11:51,040

so far

1573

01:11:58,390 --> 01:11:55,440

super sticker man i love super stickers

1574

01:12:01,110 --> 01:11:59,910

but you know it's kind of stupid why do

1575

01:12:03,590 --> 01:12:01,120

they call me super sticker because i

1576

01:12:03,590 --> 01:12:06,830

can't stick it to jack

1577

01:12:11,590 --> 01:12:08,470

they

1578

01:12:13,669 --> 01:12:11,600

thanks k42 d i appreciate you

1579

01:12:16,630 --> 01:12:13,679

all right i'm gonna get out of here

1580

01:12:18,550 --> 01:12:16,640

um eat some food

1581

01:12:20,550 --> 01:12:18,560

hang out with my dogs maybe take a nap

1582

01:12:24,550 --> 01:12:20,560

you know that kind of stuff

1583

01:12:27,669 --> 01:12:26,790

um

1584

01:12:29,990 --> 01:12:27,679

you know

1585

01:12:34,550 --> 01:12:30,000

i prefer to have something

1586

01:12:41,830 --> 01:12:39,270

shelly montgomery thank you uh michael

1587

01:12:45,350 --> 01:12:41,840

appreciate you cheers brother

1588

01:12:47,990 --> 01:12:45,360

um again k42d thanks for that

1589

01:12:51,910 --> 01:12:48,000

jenny novak thank you so much

1590

01:13:00,630 --> 01:12:55,590

thank you for being here appreciate you

1591

01:13:04,070 --> 01:13:02,390

uh sunsaver

1592

01:13:05,510 --> 01:13:04,080

um

1593

01:13:07,510 --> 01:13:05,520

lara

1594

01:13:09,830 --> 01:13:07,520

everybody laura v

1595

01:13:14,149 --> 01:13:09,840

josh

1596

01:13:18,310 --> 01:13:16,390

you guys are always such good so cool in

1597

01:13:20,149 --> 01:13:18,320

the chat i love how you guys conduct

1598

01:13:24,709 --> 01:13:20,159

your business in the chat

1599

01:13:30,310 --> 01:13:27,669

um can't say that name but you

1600

01:13:33,189 --> 01:13:30,320

kristoff is that right

1601

01:13:35,669 --> 01:13:33,199

i'm a moto interesting i just mentioned

1602

01:13:38,950 --> 01:13:35,679

that name the other day

1603

01:13:40,550 --> 01:13:38,960

i had to do with uh ecker mitchell

1604

01:13:42,870 --> 01:13:40,560

that was yesterday you guys remember

1605

01:13:47,830 --> 01:13:45,669

um boudicca

1606

01:13:49,830 --> 01:13:47,840

lou the flu just released this

1607

01:13:54,149 --> 01:13:49,840

screenshot just one

1608

01:13:57,910 --> 01:13:55,450

um

1609

01:13:59,990 --> 01:13:57,920

[Music]

1610

01:14:02,709 --> 01:14:00,000

everybody else hopefully i'm not missing

1611

01:14:04,390 --> 01:14:02,719

anyone lord bass what's up

1612

01:14:08,790 --> 01:14:04,400

bill barnum

1613

01:14:11,590 --> 01:14:08,800

awesome disclosure team vinnie steve k

1614

01:14:15,430 --> 01:14:11,600

um my diesel girl what's up find me on

1615

01:14:17,350 --> 01:14:15,440

twitter find me on twitter yo um

1616

01:14:18,310 --> 01:14:17,360

yeah so like the video subscribe if you

1617

01:14:20,950 --> 01:14:18,320

haven't

1618

01:14:22,390 --> 01:14:20,960

follow me on the tweeter

1619

01:14:23,669 --> 01:14:22,400

you can always go to my website check

1620

01:14:27,350 --> 01:14:23,679

out the documents that we went over

1621

01:14:31,189 --> 01:14:30,229

and get in touch with uh me through

1622

01:14:33,189 --> 01:14:31,199

email

1623

01:14:35,430 --> 01:14:33,199

if you want uh sorry we didn't do the

1624

01:14:36,870 --> 01:14:35,440

the ufo videos today it's just really

1625

01:14:38,470 --> 01:14:36,880

hard to find ones that are just

1626
01:14:43,510 --> 01:14:38,480
incredibly stupid

1627
01:14:49,990 --> 01:14:46,390
um maybe i could

1628
01:14:53,270 --> 01:14:50,000
ah crap no i can't

1629
01:14:59,669 --> 01:14:57,110
there's one video i wanted to show

1630
01:14:59,679 --> 01:15:02,870
i don't think

1631
01:15:06,709 --> 01:15:04,550
for whatever reason the

1632
01:15:08,550 --> 01:15:06,719
computer here

1633
01:15:11,750 --> 01:15:08,560
isn't letting me

1634
01:15:14,310 --> 01:15:11,760
show it

1635
01:15:16,390 --> 01:15:14,320
but i think i still probably could but

1636
01:15:17,830 --> 01:15:16,400
it's not going to have sound yeah looks

1637
01:15:19,510 --> 01:15:17,840
like it can

1638
01:15:21,430 --> 01:15:19,520

but it's not going to have sound

1639

01:15:25,189 --> 01:15:21,440

so this is

1640

01:15:27,270 --> 01:15:25,199

an interesting sighting that i had

1641

01:15:28,390 --> 01:15:27,280

so

1642

01:15:33,669 --> 01:15:28,400

you know

1643

01:15:40,229 --> 01:15:35,270

lanterns

1644

01:15:42,709 --> 01:15:40,239

there is no wind

1645

01:15:45,430 --> 01:15:42,719

the second is they when they turn white

1646

01:15:48,149 --> 01:15:45,440

they rise up

1647

01:15:50,790 --> 01:15:48,159

and if it goes from amber to white that

1648

01:15:55,189 --> 01:15:50,800

would mean that the flame is out and it

1649

01:15:57,110 --> 01:15:55,199

would fall down instead of rising up so

1650

01:15:58,310 --> 01:15:57,120

take a look at it i wish i'd give you

1651
01:15:59,270 --> 01:15:58,320
the sound

1652
01:16:00,950 --> 01:15:59,280
um

1653
01:16:02,310 --> 01:16:00,960
i'll upload it to like youtube or

1654
01:16:05,270 --> 01:16:02,320
something but for now you can just look

1655
01:16:05,280 --> 01:16:27,270
and i'll fast forward

1656
01:16:43,750 --> 01:16:29,110
whoops

1657
01:16:43,760 --> 01:16:53,110
come on over buddy

1658
01:16:53,120 --> 01:17:03,669
it's kind of a crummy picture

1659
01:17:07,590 --> 01:17:06,149
so you know the things you missed my my

1660
01:17:08,950 --> 01:17:07,600
wife's in here she saw him on her way

1661
01:17:10,709 --> 01:17:08,960
home and she texted me to come outside

1662
01:17:12,630 --> 01:17:10,719
to check it out which is interesting

1663
01:17:14,310 --> 01:17:12,640

because she's not really into this stuff

1664

01:17:15,830 --> 01:17:14,320

and you can you know if there's a better

1665

01:17:18,070 --> 01:17:15,840

picture you'd notice that it was white

1666

01:17:19,990 --> 01:17:18,080

and went up in the clouds

1667

01:17:27,430 --> 01:17:20,000

and here's this one is is pretty cool

1668

01:17:31,430 --> 01:17:29,510

um

1669

01:17:33,669 --> 01:17:31,440

yeah so so they're interesting they're

1670

01:17:35,990 --> 01:17:33,679

relatively close like you see the tree

1671

01:17:37,990 --> 01:17:36,000

line there up top and that's

1672

01:17:44,149 --> 01:17:38,000

actually more or less

1673

01:17:49,270 --> 01:17:47,030

and yeah they wind up um

1674

01:17:51,990 --> 01:17:49,280

continuing to go and

1675

01:17:54,870 --> 01:17:52,000

going up in the clouds and taking off

1676

01:17:58,709 --> 01:17:54,880

and she saw like four of them i guess

1677

01:18:03,830 --> 01:18:01,270

there weren't planes there was no noise

1678

01:18:04,170 --> 01:18:03,840

it's no wind

1679

01:18:05,430 --> 01:18:04,180

um

1680

01:18:06,709 --> 01:18:05,440

[Music]

1681

01:18:08,390 --> 01:18:06,719

yeah it's weird and you can see in the

1682

01:18:09,669 --> 01:18:08,400

beginning of the video there it is it's

1683

01:18:18,550 --> 01:18:09,679

white

1684

01:18:18,560 --> 01:18:23,110

yeah i don't know

1685

01:18:27,430 --> 01:18:24,390

in the beginning of the video you can

1686

01:18:30,310 --> 01:18:27,440

see that there's a couple that didn't

1687

01:18:33,270 --> 01:18:30,320

come over like that but that were

1688

01:18:35,590 --> 01:18:33,280

white they were a little higher up

1689

01:18:37,510 --> 01:18:35,600

so yeah

1690

01:18:40,390 --> 01:18:37,520

um

1691

01:18:42,470 --> 01:18:40,400

where was it flying it was let's see if

1692

01:18:45,270 --> 01:18:42,480

it was

1693

01:18:52,470 --> 01:18:47,110

that was west

1694

01:18:52,480 --> 01:18:55,669

apparently

1695

01:18:59,510 --> 01:18:56,630

so

1696

01:19:01,510 --> 01:18:59,520

um how'd i feel um

1697

01:19:03,990 --> 01:19:01,520

i felt

1698

01:19:06,229 --> 01:19:04,000

um kind of amazed is what it was like

1699

01:19:08,229 --> 01:19:06,239

the video unfortunately just puts you in

1700

01:19:09,510 --> 01:19:08,239

this conundrum where you know people are

1701

01:19:12,070 --> 01:19:09,520

just gonna

1702

01:19:13,750 --> 01:19:12,080

not really think much of it because it

1703

01:19:16,550 --> 01:19:13,760

is what it is but

1704

01:19:18,310 --> 01:19:16,560

uh i was there and it was um

1705

01:19:20,950 --> 01:19:18,320

everything was a lot more defined and

1706

01:19:23,189 --> 01:19:20,960

pretty intense and i felt

1707

01:19:25,990 --> 01:19:23,199

um amazed

1708

01:19:28,550 --> 01:19:26,000

at what we were seeing

1709

01:19:33,030 --> 01:19:31,110

you know at one point i said come on

1710

01:19:34,470 --> 01:19:33,040

over buddy

1711

01:19:35,590 --> 01:19:34,480

when it was like over her head and it

1712

01:19:38,229 --> 01:19:35,600

turned white

1713

01:19:41,510 --> 01:19:38,239

at that point um so i wasn't like scared

1714

01:19:46,310 --> 01:19:43,430

this is interesting uh the wind usually

1715

01:19:47,750 --> 01:19:46,320

blows from west to east in the midwest

1716

01:19:49,110 --> 01:19:47,760

so

1717

01:19:50,470 --> 01:19:49,120

uh

1718

01:19:55,350 --> 01:19:50,480

that's true

1719

01:19:59,990 --> 01:19:57,350

weird i have a lot of uh

1720

01:20:03,430 --> 01:20:02,310

cemeteries around the house sometimes i

1721

01:20:06,130 --> 01:20:03,440

think maybe that has something to do

1722

01:20:07,590 --> 01:20:06,140

with it and this was um like um

1723

01:20:09,910 --> 01:20:07,600

[Music]

1724

01:20:12,870 --> 01:20:09,920

maybe a two months or something after

1725

01:20:14,070 --> 01:20:12,880

like my main experience that i had

1726

01:20:15,669 --> 01:20:14,080

um

1727

01:20:16,950 --> 01:20:15,679

you know i hear this a lot actually

1728

01:20:19,669 --> 01:20:16,960

about people

1729

01:20:21,350 --> 01:20:19,679

have experiences where their their wife

1730

01:20:24,229 --> 01:20:21,360

or loved one is

1731

01:20:25,270 --> 01:20:24,239

you know sees it too or whatever

1732

01:20:27,990 --> 01:20:25,280

and i always find that pretty

1733

01:20:32,229 --> 01:20:30,229

um because

1734

01:20:35,270 --> 01:20:32,239

it gives you this sense of like you're

1735

01:20:37,590 --> 01:20:35,280

not completely alone in this almost like

1736

01:20:39,910 --> 01:20:37,600

i can talk to her about it because she's

1737

01:20:42,229 --> 01:20:39,920

seen something weird as well

1738

01:20:46,390 --> 01:20:42,239

now it hasn't completely consumed her

1739

01:20:50,709 --> 01:20:46,400

like my first uh you know thing did

1740

01:20:55,910 --> 01:20:53,510

um but i think that helps a lot

1741

01:20:57,910 --> 01:20:55,920

and interestingly so i don't remember

1742

01:20:58,870 --> 01:20:57,920

when maybe it's a week or two there's

1743

01:21:00,390 --> 01:20:58,880

like this

1744

01:21:02,070 --> 01:21:00,400

few couple months where i just saw a

1745

01:21:04,470 --> 01:21:02,080

bunch of crazy stuff

1746

01:21:06,070 --> 01:21:04,480

so a couple weeks before this i'm in the

1747

01:21:07,990 --> 01:21:06,080

backyard smoking a cigarette looking

1748

01:21:11,189 --> 01:21:08,000

towards um like

1749

01:21:13,110 --> 01:21:11,199

there's like a school maybe a city block

1750

01:21:15,430 --> 01:21:13,120

away

1751
01:21:18,550 --> 01:21:15,440
and i'm looking up in this guy and i see

1752
01:21:20,070 --> 01:21:18,560
something and but it's blinking and

1753
01:21:22,870 --> 01:21:20,080
i don't really think much of it i

1754
01:21:24,629 --> 01:21:22,880
actually was gonna record it but decided

1755
01:21:26,830 --> 01:21:24,639
that it looked exactly like a like a

1756
01:21:31,750 --> 01:21:26,840
helicopter

1757
01:21:35,750 --> 01:21:34,070
and out comes from the sky something

1758
01:21:37,030 --> 01:21:35,760
with the color of something like that we

1759
01:21:39,510 --> 01:21:37,040
just saw

1760
01:21:40,790 --> 01:21:39,520
and it comes from the sky and as it's

1761
01:21:42,950 --> 01:21:40,800
getting to the ground it's getting

1762
01:21:45,669 --> 01:21:42,960
bigger and bigger and bigger and it

1763
01:21:48,070 --> 01:21:45,679

shoots out of the sky like as fast as a

1764

01:21:50,870 --> 01:21:48,080

freaking bullet and it looked like a

1765

01:21:52,310 --> 01:21:50,880

bullet with this orange glow around it

1766

01:21:54,550 --> 01:21:52,320

and it gets bigger and bigger and goes

1767

01:21:58,470 --> 01:21:54,560

super fast until it gets to where the

1768

01:22:00,229 --> 01:21:58,480

ground would be and it's just gone

1769

01:22:01,510 --> 01:22:00,239

you know

1770

01:22:04,070 --> 01:22:01,520

and the only thing i was thinking is

1771

01:22:06,229 --> 01:22:04,080

like maybe a flare

1772

01:22:07,669 --> 01:22:06,239

like that wasn't a helicopter and they

1773

01:22:08,470 --> 01:22:07,679

shot up flares

1774

01:22:12,070 --> 01:22:08,480

that

1775

01:22:13,830 --> 01:22:12,080

towards the ground i don't know

1776

01:22:16,229 --> 01:22:13,840

maybe but

1777

01:22:17,750 --> 01:22:16,239

you know and then this happens

1778

01:22:19,510 --> 01:22:17,760

you know in the video with the sound i'm

1779

01:22:21,510 --> 01:22:19,520

like that's like the thing i saw the

1780

01:22:25,030 --> 01:22:21,520

other day that's what i'm describing is

1781

01:22:27,030 --> 01:22:25,040

is you know what i just told you

1782

01:22:28,709 --> 01:22:27,040

so it's weird

1783

01:22:30,149 --> 01:22:28,719

weird stuff another thing i saw around

1784

01:22:31,350 --> 01:22:30,159

this time was

1785

01:22:33,430 --> 01:22:31,360

um

1786

01:22:35,030 --> 01:22:33,440

it didn't come in super clear but it was

1787

01:22:37,590 --> 01:22:35,040

right went right over my head it was in

1788

01:22:40,149 --> 01:22:37,600

the shape of like a figure eight

1789

01:22:42,229 --> 01:22:40,159

i was about like this big

1790

01:22:44,070 --> 01:22:42,239

just one over my head

1791

01:22:45,270 --> 01:22:44,080

and it seemed like the

1792

01:22:47,350 --> 01:22:45,280

like the eight

1793

01:22:48,950 --> 01:22:47,360

infinity sections were like spinning

1794

01:22:50,229 --> 01:22:48,960

counter to each other i guess i should

1795

01:22:51,669 --> 01:22:50,239

say

1796

01:22:53,990 --> 01:22:51,679

i don't know but that was pretty

1797

01:22:54,790 --> 01:22:54,000

interesting that just went right over me

1798

01:22:57,030 --> 01:22:54,800

um

1799

01:22:58,470 --> 01:22:57,040

seemed rather rather close to

1800

01:23:01,590 --> 01:22:58,480

to me

1801
01:23:06,709 --> 01:23:03,830
and um the other one i have a video of

1802
01:23:07,750 --> 01:23:06,719
i'll show you next time is

1803
01:23:11,030 --> 01:23:07,760
a bunch of

1804
01:23:12,070 --> 01:23:11,040
white orbs or dots popping out of

1805
01:23:13,910 --> 01:23:12,080
a cloud

1806
01:23:15,669 --> 01:23:13,920
one after the other about five or six of

1807
01:23:18,870 --> 01:23:15,679
them

1808
01:23:21,270 --> 01:23:18,880
so it's pretty interesting too

1809
01:23:24,709 --> 01:23:21,280
and all that stuff it started with like

1810
01:23:25,510 --> 01:23:24,719
my means my main exciting thing

1811
01:23:33,350 --> 01:23:25,520
and

1812
01:23:36,390 --> 01:23:33,360
anything like that stuff so sometimes i

1813
01:23:38,149 --> 01:23:36,400

wonder what it was about that time

1814

01:23:39,510 --> 01:23:38,159

the initial sighting i had spurred me to

1815

01:23:41,910 --> 01:23:39,520

like

1816

01:23:43,669 --> 01:23:41,920

write songs and music about it

1817

01:23:46,390 --> 01:23:43,679

sometimes even trying to communicate

1818

01:23:50,229 --> 01:23:46,400

with whatever it might have been

1819

01:23:53,030 --> 01:23:50,239

maybe that spawned some of the activity

1820

01:23:56,629 --> 01:23:54,550

um but i've definitely written songs

1821

01:23:57,830 --> 01:23:56,639

since and i haven't received that kind

1822

01:23:58,870 --> 01:23:57,840

of

1823

01:23:59,750 --> 01:23:58,880

um

1824

01:24:01,510 --> 01:23:59,760

you know

1825

01:24:03,669 --> 01:24:01,520

those kind of visuals since so i don't

1826

01:24:06,470 --> 01:24:03,679

know

1827

01:24:07,510 --> 01:24:06,480

talking a lot

1828

01:24:11,990 --> 01:24:07,520

but

1829

01:24:14,870 --> 01:24:13,510

it's just like when you see that kind of

1830

01:24:15,669 --> 01:24:14,880

stuff what are you supposed to make of

1831

01:24:19,750 --> 01:24:15,679

it

1832

01:24:21,430 --> 01:24:19,760

just weird and i don't know what any of

1833

01:24:23,189 --> 01:24:21,440

it is you know

1834

01:24:27,270 --> 01:24:23,199

and they were also different too like

1835

01:24:32,070 --> 01:24:29,270

you know it it wasn't connected to

1836

01:24:33,669 --> 01:24:32,080

anything like uh like it could have been

1837

01:24:35,830 --> 01:24:33,679

like a drone

1838

01:24:37,990 --> 01:24:35,840

with uh

1839

01:24:39,430 --> 01:24:38,000

propellers a small drone wasn't over my

1840

01:24:42,390 --> 01:24:39,440

head it wasn't connected it was like

1841

01:24:46,629 --> 01:24:44,629

of a figure eight or infinity sign this

1842

01:24:48,229 --> 01:24:46,639

is weird

1843

01:24:53,350 --> 01:24:48,239

yeah could have been that

1844

01:24:53,360 --> 01:25:00,070

could be a good point there

1845

01:25:03,030 --> 01:25:01,590

seems to happen

1846

01:25:05,669 --> 01:25:03,040

the first time when people have an

1847

01:25:07,830 --> 01:25:05,679

extreme negative experience

1848

01:25:09,990 --> 01:25:07,840

yeah and

1849

01:25:11,750 --> 01:25:10,000

you know i don't know that

1850

01:25:14,149 --> 01:25:11,760

it was a negative experience my first

1851

01:25:18,149 --> 01:25:16,390

it was surrounding like what was the

1852

01:25:21,590 --> 01:25:18,159

interpersonal kind of negative

1853

01:25:27,830 --> 01:25:23,910

you know growth came out of that as well

1854

01:25:29,750 --> 01:25:27,840

you know it wasn't just um

1855

01:25:31,430 --> 01:25:29,760

you know anything bad that happened was

1856

01:25:35,910 --> 01:25:31,440

repaired

1857

01:25:39,110 --> 01:25:37,910

and i learned a lot about myself

1858

01:25:45,830 --> 01:25:39,120

so i don't know

1859

01:25:49,910 --> 01:25:47,669

yeah right

1860

01:25:53,669 --> 01:25:49,920

oh right right right right yeah

1861

01:25:56,629 --> 01:25:54,790

yeah

1862

01:25:59,350 --> 01:25:56,639

interesting

1863

01:26:01,430 --> 01:25:59,360

i've heard from other people too that um

1864

01:26:03,189 --> 01:26:01,440

other bowlers

1865

01:26:04,950 --> 01:26:03,199

are experiencers so maybe it's something

1866

01:26:07,030 --> 01:26:04,960

with bowlers

1867

01:26:09,590 --> 01:26:07,040

this phenomenon

1868

01:26:11,510 --> 01:26:09,600

like someone who can shoot a pretty

1869

01:26:13,270 --> 01:26:11,520

slick strike

1870

01:26:14,310 --> 01:26:13,280

knock down 10 pins

1871

01:26:19,189 --> 01:26:14,320

you know

1872

01:26:24,149 --> 01:26:20,709

so

1873

01:26:30,149 --> 01:26:25,990

uh

1874

01:26:32,470 --> 01:26:30,159

pretty personal for her and and she's

1875

01:26:34,830 --> 01:26:32,480

not about uh any of this stuff for

1876

01:26:36,470 --> 01:26:34,840

putting herself out there

1877

01:26:38,870 --> 01:26:36,480

so

1878

01:26:41,830 --> 01:26:38,880

i appreciate it

1879

01:26:44,550 --> 01:26:41,840

hope you guys have a great rest of the

1880

01:26:48,470 --> 01:26:47,350

enjoy it enjoy your weekend um

1881

01:26:50,870 --> 01:26:48,480

you're not going to see me tomorrow

1882

01:26:53,030 --> 01:26:50,880

tomorrow i have a lot of stuff to do

1883

01:26:55,030 --> 01:26:53,040

like laundry

1884

01:26:59,030 --> 01:26:55,040

and cleaning

1885

01:27:00,870 --> 01:26:59,040

and all that fun stuff so

1886

01:27:05,110 --> 01:27:00,880

i won't be doing that

1887

01:27:05,120 --> 01:27:08,390

i appreciate it

1888

01:27:11,110 --> 01:27:10,070

and i'll give you plenty of time to

1889

01:27:13,110 --> 01:27:11,120

catch up

1890

01:27:15,030 --> 01:27:13,120

if you haven't seen uh the rest of the

1891

01:27:19,110 --> 01:27:15,040

week's stuff or

1892

01:27:23,190 --> 01:27:19,120

take a break from my ass all right
