

1
00:00:03,590 --> 00:00:01,750
thing to hack there's nothing to hide at

2
00:00:08,240 --> 00:00:03,600
all there's nothing to hide at all

3
00:00:08,250 --> 00:00:11,749
[Music]

4
00:00:19,830 --> 00:00:14,950
nothing to hide

5
00:00:22,390 --> 00:00:19,840
i wouldn't expect a letter like this

6
00:00:23,109 --> 00:00:22,400
from a swedish official

7
00:00:25,429 --> 00:00:23,119
in

8
00:00:29,589 --> 00:00:25,439
1959

9
00:00:35,510 --> 00:00:32,150
dear major attacker thank you very much

10
00:00:38,389 --> 00:00:35,520
for your sending me the recent

11
00:00:40,570 --> 00:00:38,399
fact sheets and transcript of the tv

12
00:00:43,110 --> 00:00:40,580
discussion on the armstrong theater

13
00:00:45,350 --> 00:00:43,120

[Music]

14

00:00:48,790 --> 00:00:45,360

i've been in touch with the swedish

15

00:00:50,709 --> 00:00:48,800

defense staff which handles ufo matters

16

00:00:53,590 --> 00:00:50,719

and they are in complete agreement with

17

00:00:56,150 --> 00:00:53,600

the us air force regarding the problem

18

00:00:59,990 --> 00:00:56,160

as there has been several peculiar

19

00:01:02,069 --> 00:01:00,000

causes in sweden too they as well as i

20

00:01:03,850 --> 00:01:02,079

have been looking into the matter

21

00:01:06,950 --> 00:01:03,860

i being no saucer nut

22

00:01:09,350 --> 00:01:06,960

[Music]

23

00:01:11,510 --> 00:01:09,360

i hesitate to ask you to

24

00:01:13,830 --> 00:01:11,520

increase your kind courtesy and favor by

25

00:01:15,109 --> 00:01:13,840

sending me the comments you might have

26

00:01:17,800 --> 00:01:15,119

on the sighting

27

00:01:19,510 --> 00:01:17,810

reported on july 12 1959

28

00:01:22,310 --> 00:01:19,520

[Music]

29

00:01:23,749 --> 00:01:22,320

by a pan-american airlines

30

00:01:29,030 --> 00:01:23,759

pilot

31

00:01:32,550 --> 00:01:29,040

from his flight to frisco to honolulu

32

00:01:35,190 --> 00:01:32,560

i have only the newspaper report

33

00:01:37,109 --> 00:01:35,200

it would be very nice indeed to hear of

34

00:01:39,190 --> 00:01:37,119

the outcome

35

00:01:41,590 --> 00:01:39,200

as i stated my previous request my

36

00:01:43,429 --> 00:01:41,600

reference is

37

00:01:45,350 --> 00:01:43,439

blank

38

00:01:48,950 --> 00:01:45,360

the president's appointment secretary at

39

00:01:50,870 --> 00:01:48,960

the white house he knows me very well

40

00:01:53,030 --> 00:01:50,880

we have encamped together in various

41

00:01:55,670 --> 00:01:53,040

offices before the war

42

00:01:56,720 --> 00:01:55,680

he is a major in the air force i think

43

00:01:59,109 --> 00:01:56,730

thank you

44

00:02:02,469 --> 00:01:59,119

[Music]

45

00:02:04,450 --> 00:02:02,479

if there was nothing to hide

46

00:02:06,310 --> 00:02:04,460

i wouldn't expect this written

47

00:02:07,550 --> 00:02:06,320

[Music]

48

00:02:10,550 --> 00:02:07,560

and it

49

00:02:12,949 --> 00:02:10,560

1959 report from an ad hoc committee

50

00:02:14,430 --> 00:02:12,959

including carl sagan

51

00:02:17,190 --> 00:02:14,440

and i quote

52

00:02:20,150 --> 00:02:17,200

non-availability of materials

53

00:02:22,229 --> 00:02:20,160

the following items are for internal use

54

00:02:23,770 --> 00:02:22,239

only and are not available for

55

00:02:25,110 --> 00:02:23,780

distribution to the public

56

00:02:27,030 --> 00:02:25,120

[Music]

57

00:02:29,270 --> 00:02:27,040

these concern internal management

58

00:02:31,910 --> 00:02:29,280

procedures for forwarding ufo reports to

59

00:02:35,589 --> 00:02:31,920

the appropriate agency

60

00:02:37,509 --> 00:02:35,599

one air force regulation 200-2

61

00:02:40,229 --> 00:02:37,519

to

62

00:02:42,949 --> 00:02:40,239

gen f 146

63

00:02:45,990 --> 00:02:42,959

which is the form used

64

00:02:49,620 --> 00:02:46,000

for norad

65

00:02:51,030 --> 00:02:49,630

to report unidentified flying objects

66

00:02:52,390 --> 00:02:51,040

[Music]

67

00:02:54,550 --> 00:02:52,400

and there were plenty in the blue book

68

00:02:56,070 --> 00:02:54,560

files

69

00:02:59,509 --> 00:02:56,080

but i'm not sure we heard much about

70

00:03:03,110 --> 00:03:01,990

you also said the air force no longer

71

00:03:06,229 --> 00:03:03,120

possesses

72

00:03:09,350 --> 00:03:06,239

unless does not have for distribution

73

00:03:11,190 --> 00:03:09,360

outdated reports on project sign

74

00:03:14,070 --> 00:03:11,200

project grudge

75

00:03:16,149 --> 00:03:14,080

blue book special report number 14

76

00:03:18,710 --> 00:03:16,159

an outdated blue book press releases

77

00:03:20,390 --> 00:03:18,720

non-military ufo publications

78

00:03:22,309 --> 00:03:20,400

should be requested from the publisher

79

00:03:23,670 --> 00:03:22,319

not the air force

80

00:03:25,430 --> 00:03:23,680

well

81

00:03:27,990 --> 00:03:25,440

as we all know

82

00:03:30,949 --> 00:03:28,000

not only is blue book special report

83

00:03:32,789 --> 00:03:30,959

number 14 available

84

00:03:37,110 --> 00:03:32,799

but we've all looked through project

85

00:03:37,120 --> 00:03:40,309

oh and one more thing

86

00:03:44,229 --> 00:03:42,229

it's come to my attention that

87

00:03:46,949 --> 00:03:44,239

patel

88

00:03:49,190 --> 00:03:46,959

was looking at

89

00:03:51,350 --> 00:03:49,200

materials from ufo scenes and giving

90

00:03:53,110 --> 00:03:51,360

analysis

91

00:03:54,710 --> 00:03:53,120

as well as conducting something called

92

00:03:56,470 --> 00:03:54,720

project stork

93

00:03:59,350 --> 00:03:56,480

where all sightings

94

00:04:00,630 --> 00:03:59,360

were entered into ibm

95

00:04:02,550 --> 00:04:00,640

punch cards

96

00:04:05,270 --> 00:04:02,560

to find different kinds of patterns for

97

00:04:08,949 --> 00:04:05,280

these ufo sightings

98

00:04:10,229 --> 00:04:08,959

so again if there is nothing to hide

99

00:04:17,030 --> 00:04:10,239

i would imagine that would have been

100

00:04:21,110 --> 00:04:19,189

they've been around for 20 years now in

101
00:04:23,350 --> 00:04:21,120
this present phase

102
00:04:25,110 --> 00:04:23,360
i think that if we haven't

103
00:04:27,510 --> 00:04:25,120
learnt of their presence

104
00:04:29,189 --> 00:04:27,520
by now in 20 years that we're the one

105
00:04:30,710 --> 00:04:29,199
that needs questioning

106
00:04:31,909 --> 00:04:30,720
what about part two of this where do

107
00:04:33,909 --> 00:04:31,919
they come from what are the latest

108
00:04:35,430 --> 00:04:33,919
theories if they do come from other

109
00:04:37,590 --> 00:04:35,440
galaxies they would have taken two

110
00:04:39,909 --> 00:04:37,600
million years to get here what about

111
00:04:42,469 --> 00:04:39,919
that well this professor hasn't heard of

112
00:04:43,909 --> 00:04:42,479
teleportation yet you know teleportation

113
00:04:45,590 --> 00:04:43,919

was a wild idea

114

00:04:48,230 --> 00:04:45,600

but it is already

115

00:04:49,670 --> 00:04:48,240

a line of scientific research in america

116

00:04:51,749 --> 00:04:49,680

what does it mean

117

00:04:54,230 --> 00:04:51,759

it's the transmission of matter from one

118

00:04:55,510 --> 00:04:54,240

point to another without any physical

119

00:04:56,950 --> 00:04:55,520

medium

120

00:04:58,629 --> 00:04:56,960

so there's no traveling at the speed of

121

00:05:00,790 --> 00:04:58,639

light or any other speed no it's like

122

00:05:03,590 --> 00:05:00,800

our image on tv tonight

123

00:05:05,350 --> 00:05:03,600

we're here our image is transported

124

00:05:07,189 --> 00:05:05,360

somewhere else in fact with

125

00:05:08,150 --> 00:05:07,199

teleportation we would be transported

126

00:05:10,230 --> 00:05:08,160

elsewhere

127

00:05:11,749 --> 00:05:10,240

sounds an interesting theory anyway if

128

00:05:13,990 --> 00:05:11,759

that's so that certainly makes us earth

129

00:05:15,430 --> 00:05:14,000

people rather backward doesn't it yes i

130

00:05:17,670 --> 00:05:15,440

think it does

131

00:05:19,909 --> 00:05:17,680

in 20 years they have

132

00:05:20,710 --> 00:05:19,919

well their source of sightings have been

133

00:05:23,110 --> 00:05:20,720

at

134

00:05:25,270 --> 00:05:23,120

military bases

135

00:05:26,150 --> 00:05:25,280

any place that would be a key situation

136

00:05:28,710 --> 00:05:26,160

or key

137

00:05:31,590 --> 00:05:28,720

position in wartime

138

00:05:33,909 --> 00:05:31,600

now why would they want to come to uh

139

00:05:35,990 --> 00:05:33,919

the earth the planet earth because where

140

00:05:38,950 --> 00:05:36,000

as i said earlier apparently a rather

141

00:05:40,550 --> 00:05:38,960

technologically backward nation or earth

142

00:05:41,590 --> 00:05:40,560

or planet compared with where they've

143

00:05:42,469 --> 00:05:41,600

come from

144

00:05:44,310 --> 00:05:42,479

yes

145

00:05:45,110 --> 00:05:44,320

i haven't answered a direct answer to

146

00:05:48,790 --> 00:05:45,120

this

147

00:05:50,230 --> 00:05:48,800

to the reader of the book

148

00:05:51,590 --> 00:05:50,240

as a matter of fact my book was written

149

00:05:53,990 --> 00:05:51,600

in that spirit

150

00:05:56,550 --> 00:05:54,000

i am telling them so many things that i

151

00:05:59,110 --> 00:05:56,560

believe are honest and true

152

00:06:00,950 --> 00:05:59,120

i'm leading them to think for themselves
