

1  
00:00:05,670 --> 00:00:02,710  
what's up everybody happy monday hope

2  
00:00:09,030 --> 00:00:05,680  
you had a great weekend uh we have a

3  
00:00:10,790 --> 00:00:09,040  
pretty cool show in store today

4  
00:00:12,629 --> 00:00:10,800  
uh where we're going to talk about mr

5  
00:00:15,990 --> 00:00:12,639  
john keel

6  
00:00:17,990 --> 00:00:16,000  
a very interesting guy especially if you

7  
00:00:21,189 --> 00:00:18,000  
um incorporate a lot of the things we've

8  
00:00:25,109 --> 00:00:21,199  
been hearing these days with some of the

9  
00:00:26,150 --> 00:00:25,119  
uh poltergeist aspect of the ufos

10  
00:00:28,870 --> 00:00:26,160  
um

11  
00:00:31,189 --> 00:00:28,880  
it gets pretty interesting so i and

12  
00:00:33,430 --> 00:00:31,199  
somebody actually commented on a video

13  
00:00:36,310 --> 00:00:33,440

and requested i do something on john

14

00:00:39,590 --> 00:00:36,320

keel and it's totally my pleasure

15

00:00:42,150 --> 00:00:39,600

so that is what we're doing today

16

00:00:43,510 --> 00:00:42,160

um i have a whole

17

00:00:44,470 --> 00:00:43,520

different

18

00:00:47,110 --> 00:00:44,480

um

19

00:00:48,389 --> 00:00:47,120

basket of media that we're gonna choose

20

00:00:51,189 --> 00:00:48,399

from today

21

00:00:52,549 --> 00:00:51,199

um some videos some audio

22

00:00:54,069 --> 00:00:52,559

um

23

00:01:02,869 --> 00:00:54,079

and

24

00:01:04,469 --> 00:01:02,879

other things even a graph i think a

25

00:01:06,360 --> 00:01:04,479

graph is going to make its way in there

26

00:01:08,070 --> 00:01:06,370

which is really interesting

27

00:01:08,870 --> 00:01:08,080

[Laughter]

28

00:01:11,350 --> 00:01:08,880

so

29

00:01:17,350 --> 00:01:14,710

let's actually start with um

30

00:01:20,149 --> 00:01:17,360

a pretty interesting clip

31

00:01:21,910 --> 00:01:20,159

of mr john gill and

32

00:01:24,469 --> 00:01:21,920

then i'll come back and we'll get into

33

00:01:32,710 --> 00:01:24,479

to uh some magazine welcome please john

34

00:01:37,990 --> 00:01:35,590

so you're a 40 n a

35

00:01:40,990 --> 00:01:38,000

oh well i've been trying to outgrow it

36

00:01:43,109 --> 00:01:41,000

actually what is fortion spell

37

00:01:44,789 --> 00:01:43,119

f-o-r-t-e-a-n what is that

38

00:01:46,389 --> 00:01:44,799

uh back in the early part of this

39

00:01:48,630 --> 00:01:46,399

century there was a man named charles

40

00:01:50,389 --> 00:01:48,640

ford who spent his entire life in the

41

00:01:51,830 --> 00:01:50,399

new york public library

42

00:01:52,870 --> 00:01:51,840

going through the old scientific

43

00:01:54,870 --> 00:01:52,880

journals

44

00:01:56,870 --> 00:01:54,880

and old newspapers

45

00:01:59,350 --> 00:01:56,880

and he published a series of books about

46

00:02:01,830 --> 00:01:59,360

strange things that turned up in these

47

00:02:02,950 --> 00:02:01,840

old like when it would rain frogs in

48

00:02:03,670 --> 00:02:02,960

france

49

00:02:06,389 --> 00:02:03,680

or

50

00:02:08,949 --> 00:02:06,399

red snow in switzerland he kept track of

51  
00:02:10,949 --> 00:02:08,959  
all these things did a series of books

52  
00:02:13,270 --> 00:02:10,959  
and we started calling these events 14

53  
00:02:15,270 --> 00:02:13,280  
events and today we still keep track now

54  
00:02:17,350 --> 00:02:15,280  
the two examples you cited there i have

55  
00:02:19,190 --> 00:02:17,360  
i've heard of reigning the frogs and

56  
00:02:21,270 --> 00:02:19,200  
it's always a matter of it's either one

57  
00:02:24,790 --> 00:02:21,280  
an old wives tale remember the time it

58  
00:02:27,910 --> 00:02:26,229  
or it's

59  
00:02:29,270 --> 00:02:27,920  
disputed in some they could just say

60  
00:02:31,110 --> 00:02:29,280  
well there were frogs in the trees when

61  
00:02:33,509 --> 00:02:31,120  
it rained they jumped out

62  
00:02:34,949 --> 00:02:33,519  
well we have compiled a list of several

63  
00:02:36,550 --> 00:02:34,959

thousand mysterious things that have

64

00:02:37,350 --> 00:02:36,560

fallen from the sky

65

00:02:40,869 --> 00:02:37,360

they

66

00:02:42,390 --> 00:02:40,879

like stone pillars

67

00:02:44,790 --> 00:02:42,400

cannonballs

68

00:02:47,509 --> 00:02:44,800

uh all kinds of strange things in china

69

00:02:49,750 --> 00:02:47,519

it once raised raw meat no

70

00:02:51,509 --> 00:02:49,760

no there's no explanation when in china

71

00:02:53,670 --> 00:02:51,519

did it rain raw meat well quite a while

72

00:02:55,270 --> 00:02:53,680

ago it was in the 19th century now how

73

00:02:57,270 --> 00:02:55,280

is it that all the unexplained things

74

00:02:58,869 --> 00:02:57,280

took place in the 19th century before

75

00:03:00,149 --> 00:02:58,879

still taking place give me a recent

76

00:03:02,710 --> 00:03:00,159

unexplained thing

77

00:03:05,190 --> 00:03:02,720

in recent years the ufo phenomenon has

78

00:03:07,430 --> 00:03:05,200

been very common around the world right

79

00:03:09,270 --> 00:03:07,440

now it's going on in argentina

80

00:03:11,110 --> 00:03:09,280

and while a lot of people think they

81

00:03:13,750 --> 00:03:11,120

have an explanation for it

82

00:03:14,949 --> 00:03:13,760

uh actually we're just beginning to find

83

00:03:16,149 --> 00:03:14,959

out

84

00:03:18,309 --> 00:03:16,159

what's really going on with the

85

00:03:20,149 --> 00:03:18,319

euphenem ufos are pretty much i would

86

00:03:21,509 --> 00:03:20,159

guess if we asked the audience i would

87

00:03:22,869 --> 00:03:21,519

probably find over half of them said

88

00:03:25,110 --> 00:03:22,879

yeah they have reason to believe there's

89

00:03:27,190 --> 00:03:25,120

something going on out there i think at

90

00:03:28,470 --> 00:03:27,200

least 10 of them have probably seen one

91

00:03:30,630 --> 00:03:28,480

themselves has anybody here ever seen

92

00:03:36,869 --> 00:03:30,640

one of these things

93

00:03:43,270 --> 00:03:38,470

and how many of you think there may be

94

00:03:48,390 --> 00:03:47,430

we have here this uh this is a plaster

95

00:03:50,710 --> 00:03:48,400

cast

96

00:03:52,550 --> 00:03:50,720

of a of a big footprint

97

00:03:54,470 --> 00:03:52,560

now you've all heard of the abominable

98

00:03:56,309 --> 00:03:54,480

snowman in the himalayas

99

00:03:58,309 --> 00:03:56,319

uh we have in the united states we have

100

00:04:00,630 --> 00:03:58,319

a creature that's variously called

101

00:04:02,949 --> 00:04:00,640

sasquatch or bigfoot

102

00:04:04,550 --> 00:04:02,959

and he's found not just in washington

103

00:04:06,470 --> 00:04:04,560

and oregon but he's found all over the

104

00:04:08,630 --> 00:04:06,480

united states especially in the

105

00:04:10,229 --> 00:04:08,640

mississippi valley and even in new

106

00:04:11,830 --> 00:04:10,239

jersey we have quite a lot of reports

107

00:04:14,390 --> 00:04:11,840

out of new jersey and that's where this

108

00:04:17,349 --> 00:04:14,400

footprint comes from this is from to you

109

00:04:19,349 --> 00:04:17,359

from uncle lou and bob

110

00:04:21,990 --> 00:04:19,359

one in particular that keeps you awake

111

00:04:23,430 --> 00:04:22,000

at night that just gnaws at you

112

00:04:25,189 --> 00:04:23,440

well there's some frightening things

113

00:04:27,030 --> 00:04:25,199

going on yeah like what what are we

114

00:04:29,350 --> 00:04:27,040

scared of the animal mutilations that

115

00:04:32,710 --> 00:04:29,360

have been going on around the country

116

00:04:34,710 --> 00:04:32,720

uh especially out west in recent years

117

00:04:37,270 --> 00:04:34,720

but they're also going on in brazil and

118

00:04:40,950 --> 00:04:37,280

france and australia and switzerland

119

00:04:42,310 --> 00:04:40,960

sweden and these are not pranks or sick

120

00:04:45,510 --> 00:04:42,320

thousands of animals have been

121

00:04:47,189 --> 00:04:45,520

slaughtered now by some mysterious group

122

00:04:50,230 --> 00:04:47,199

uh they drain all the blood from the

123

00:04:51,909 --> 00:04:50,240

animals and they also perform expert

124

00:04:53,270 --> 00:04:51,919

operations on the animals removing

125

00:04:55,030 --> 00:04:53,280

certain organs

126  
00:04:56,550 --> 00:04:55,040  
and the veterinarians who have examined

127  
00:05:00,540 --> 00:04:56,560  
these animals say they can't duplicate

128  
00:05:00,550 --> 00:05:28,469  
[Music]

129  
00:05:42,469 --> 00:05:30,940  
do

130  
00:05:46,070 --> 00:05:44,230  
what's up yeah i thought i'd open the

131  
00:05:48,310 --> 00:05:46,080  
show with that uh awesome dave letterman

132  
00:05:49,590 --> 00:05:48,320  
clip i was pretty interesting to hear

133  
00:05:52,710 --> 00:05:49,600  
how many people

134  
00:05:54,469 --> 00:05:52,720  
were clapping when he asked if other

135  
00:05:56,309 --> 00:05:54,479  
people have seen things

136  
00:05:58,309 --> 00:05:56,319  
and if they if they thought they were

137  
00:06:01,990 --> 00:05:58,319  
visitors pretty cool

138  
00:06:05,110 --> 00:06:02,000

pretty interesting stuff i would say

139

00:06:09,510 --> 00:06:05,120

um we i'll start off the show with a

140

00:06:10,870 --> 00:06:09,520

couple uh updates here for you

141

00:06:12,230 --> 00:06:10,880

won't take long

142

00:06:14,230 --> 00:06:12,240

i just want to let you know what's

143

00:06:16,950 --> 00:06:14,240

happening here on the channel

144

00:06:18,629 --> 00:06:16,960

for the week like a

145

00:06:21,350 --> 00:06:18,639

good

146

00:06:23,029 --> 00:06:21,360

you know hosts would do right

147

00:06:24,469 --> 00:06:23,039

um and once again i hope you guys had a

148

00:06:27,749 --> 00:06:24,479

good weekend

149

00:06:28,950 --> 00:06:27,759

it was like 50 degrees where i am

150

00:06:32,790 --> 00:06:28,960

pretty

151

00:06:34,870 --> 00:06:32,800

uh yesterday but we're going into a

152

00:06:37,110 --> 00:06:34,880

polar plunge

153

00:06:39,990 --> 00:06:37,120

soon enough so that should be very

154

00:06:43,990 --> 00:06:41,990

um yeah but

155

00:06:47,189 --> 00:06:44,000

uh we got a pretty a couple pretty great

156

00:06:49,430 --> 00:06:47,199

shows uh this week both will feature

157

00:06:51,749 --> 00:06:49,440

our favorite wednesday friend he'll also

158

00:06:54,330 --> 00:06:51,759

be a thursday friend

159

00:06:56,390 --> 00:06:54,340

uh this week which is pretty cool

160

00:06:57,510 --> 00:06:56,400

[Laughter]

161

00:06:58,790 --> 00:06:57,520

so

162

00:07:01,029 --> 00:06:58,800

i will

163

00:07:05,589 --> 00:07:01,039

share that with you guys so we have this

164

00:07:09,749 --> 00:07:07,990

remote viewer a pretty cool guy you can

165

00:07:12,469 --> 00:07:09,759

check him out you can go into the

166

00:07:14,710 --> 00:07:12,479

description of the video

167

00:07:16,950 --> 00:07:14,720

and you can learn a little bit more

168

00:07:19,029 --> 00:07:16,960

about him and then lou elizondo actually

169

00:07:22,309 --> 00:07:19,039

got rescheduled and it's going to be

170

00:07:24,309 --> 00:07:22,319

this thursday at 2 30

171

00:07:26,230 --> 00:07:24,319

uh with jay christopher king

172

00:07:28,870 --> 00:07:26,240

so

173

00:07:31,270 --> 00:07:28,880

this week is gonna be pretty cool

174

00:07:32,390 --> 00:07:31,280

i gotta say and today we're doing john

175

00:07:33,830 --> 00:07:32,400

keel

176

00:07:36,150 --> 00:07:33,840

which um

177

00:07:39,110 --> 00:07:36,160

is always a good thing so i hope you

178

00:07:40,629 --> 00:07:39,120

join us it's gonna be great

179

00:07:42,230 --> 00:07:40,639

questions if you have any questions you

180

00:07:46,390 --> 00:07:42,240

can email me at s

181

00:07:48,710 --> 00:07:46,400

rash r-a-a-s-h citizen dot com um

182

00:07:50,150 --> 00:07:48,720

if you you know i have a burning

183

00:07:52,309 --> 00:07:50,160

question that you just want to have

184

00:07:55,189 --> 00:07:52,319

asked you can always email it to me and

185

00:07:58,710 --> 00:07:55,199

i'll look it over and if it's you know

186

00:08:01,670 --> 00:07:58,720

a pretty good question i'll try to fit

187

00:08:04,070 --> 00:08:01,680

it in most definitely so yeah

188

00:08:04,869 --> 00:08:04,080

pretty excited

189

00:08:06,070 --> 00:08:04,879

so

190

00:08:08,070 --> 00:08:06,080

pretty cool because he hasn't been here

191

00:08:10,629 --> 00:08:08,080

for a while so i'm looking very much

192

00:08:13,350 --> 00:08:10,639

forward to that so real quick i'll say

193

00:08:15,510 --> 00:08:13,360

what's up to everybody uh benji how's it

194

00:08:18,629 --> 00:08:15,520

going julie what's up

195

00:08:19,830 --> 00:08:18,639

uh steph what's up k-42 d what's

196

00:08:22,550 --> 00:08:19,840

happening

197

00:08:27,749 --> 00:08:22,560

uh we got lionel what's up

198

00:08:34,709 --> 00:08:30,710

yeah well you know whatever

199

00:08:37,269 --> 00:08:34,719

nigel what's up jason what's up um

200

00:08:38,790 --> 00:08:37,279

who else we got here at nigel yeah

201  
00:08:40,870 --> 00:08:38,800  
what's up i already said that to you

202  
00:08:43,110 --> 00:08:40,880  
witness citizen

203  
00:08:46,070 --> 00:08:43,120  
awesome so we got pretty good crowd

204  
00:08:47,670 --> 00:08:46,080  
today awesome glad you guys are here

205  
00:08:49,910 --> 00:08:47,680  
looking forward to it

206  
00:08:52,829 --> 00:08:49,920  
and

207  
00:08:54,389 --> 00:08:52,839  
so you know the thing with keel

208  
00:08:56,230 --> 00:08:54,399  
is

209  
00:08:57,430 --> 00:08:56,240  
well i wanted to do a quick like run

210  
00:08:59,350 --> 00:08:57,440  
down from

211  
00:09:01,350 --> 00:08:59,360  
you know where he's from and everything

212  
00:09:02,710 --> 00:09:01,360  
for those of you who don't know although

213  
00:09:04,790 --> 00:09:02,720

most of you

214

00:09:05,750 --> 00:09:04,800

probably

215

00:09:07,430 --> 00:09:05,760

do

216

00:09:10,150 --> 00:09:07,440

know already

217

00:09:12,150 --> 00:09:10,160

um he was born in hornell new york the

218

00:09:14,550 --> 00:09:12,160

son of a small-time band leader his

219

00:09:17,350 --> 00:09:14,560

parents separated and he was raised

220

00:09:18,630 --> 00:09:17,360

by his grandparents he was interested in

221

00:09:20,949 --> 00:09:18,640

magic

222

00:09:22,550 --> 00:09:20,959

and had his first story published in a

223

00:09:24,150 --> 00:09:22,560

magician's magazine

224

00:09:25,990 --> 00:09:24,160

at the age of 12.

225

00:09:26,949 --> 00:09:26,000

which is pretty amazing

226

00:09:29,829 --> 00:09:26,959

um

227

00:09:31,750 --> 00:09:29,839

he left school at 16

228

00:09:32,870 --> 00:09:31,760

after he finished with all the science

229

00:09:34,949 --> 00:09:32,880

courses

230

00:09:36,870 --> 00:09:34,959

he worked as a freelance contributor to

231

00:09:39,670 --> 00:09:36,880

newspaper scriptwriter for local radio

232

00:09:41,110 --> 00:09:39,680

and television outlets and author of

233

00:09:42,070 --> 00:09:41,120

pulp articles

234

00:09:45,110 --> 00:09:42,080

such as

235

00:09:46,150 --> 00:09:45,120

are you a rep repressed sex fiend

236

00:09:49,590 --> 00:09:46,160

uh cool

237

00:09:52,150 --> 00:09:49,600

i served in the us army korean war um

238

00:09:56,630 --> 00:09:54,710

he claimed apparently this is from

239

00:09:58,550 --> 00:09:56,640

wikipedia so i'm not really sure but he

240

00:10:01,190 --> 00:09:58,560

claimed while he was in the army he was

241

00:10:04,790 --> 00:10:01,200

trained in psychological warfare in a

242

00:10:06,389 --> 00:10:04,800

propaganda writer interesting um he's

243

00:10:08,310 --> 00:10:06,399

known for a couple things one is the

244

00:10:09,829 --> 00:10:08,320

mothman prophecies i'm sure you're

245

00:10:11,509 --> 00:10:09,839

familiar with that there's a movie made

246

00:10:15,590 --> 00:10:11,519

about it

247

00:10:18,150 --> 00:10:17,030

if you're not familiar with it you

248

00:10:20,630 --> 00:10:18,160

should go over it because we're not

249

00:10:21,750 --> 00:10:20,640

going to touch on the mothman prophecies

250

00:10:25,430 --> 00:10:21,760

um

251  
00:10:27,590 --> 00:10:25,440  
1975 book uh it was kiehl's account of

252  
00:10:30,389 --> 00:10:27,600  
his investigation in two alleged

253  
00:10:32,550 --> 00:10:30,399  
sightings and around point pleasant um

254  
00:10:36,230 --> 00:10:32,560  
and there was a

255  
00:10:37,590 --> 00:10:36,240  
very creepy character that showed up

256  
00:10:39,829 --> 00:10:37,600  
i'll just put it that way i don't want

257  
00:10:42,870 --> 00:10:39,839  
to ruin it too much for you the name of

258  
00:10:44,470 --> 00:10:42,880  
the character is eluding me right now

259  
00:10:46,550 --> 00:10:44,480  
um

260  
00:10:47,829 --> 00:10:46,560  
but yeah it's a i mean he covered all

261  
00:10:48,949 --> 00:10:47,839  
sorts of different things which is

262  
00:10:51,269 --> 00:10:48,959  
interesting

263  
00:10:53,990 --> 00:10:51,279

and you know he was

264

00:10:55,190 --> 00:10:54,000

rejected the extraterrestrial hypothesis

265

00:10:58,389 --> 00:10:55,200

basically

266

00:11:01,430 --> 00:10:58,399

um and went more into the

267

00:11:04,310 --> 00:11:01,440

possible psychic aspect

268

00:11:05,030 --> 00:11:04,320

uh poltergeist aspect uh that sort of

269

00:11:06,949 --> 00:11:05,040

thing

270

00:11:08,550 --> 00:11:06,959

so

271

00:11:11,670 --> 00:11:08,560

he's a very interesting character

272

00:11:14,069 --> 00:11:11,680

because we see a lot of that now as well

273

00:11:16,069 --> 00:11:14,079

and to me

274

00:11:19,430 --> 00:11:16,079

although i haven't

275

00:11:21,670 --> 00:11:19,440

knowingly experienced anything um that

276

00:11:23,350 --> 00:11:21,680

way i say knowingly because

277

00:11:25,030 --> 00:11:23,360

i feel a lot of the times things could

278

00:11:26,150 --> 00:11:25,040

be happening and if you're not paying

279

00:11:28,310 --> 00:11:26,160

attention

280

00:11:29,350 --> 00:11:28,320

you won't necessarily pick up on it

281

00:11:31,910 --> 00:11:29,360

right

282

00:11:33,990 --> 00:11:31,920

so but i haven't knowingly

283

00:11:35,030 --> 00:11:34,000

so i haven't knowingly experienced any

284

00:11:37,509 --> 00:11:35,040

uh

285

00:11:38,470 --> 00:11:37,519

poltergeist stuff for anything but i

286

00:11:41,269 --> 00:11:38,480

definitely

287

00:11:44,550 --> 00:11:41,279

know people who have and

288

00:11:49,430 --> 00:11:47,030

and so i'm just going to get into a

289

00:11:51,190 --> 00:11:49,440

couple very interesting

290

00:11:52,710 --> 00:11:51,200

pieces

291

00:11:54,389 --> 00:11:52,720

i'll play a piece maybe i'll go back to

292

00:11:56,710 --> 00:11:54,399

a video that sort of thing

293

00:11:59,350 --> 00:11:56,720

so this first one

294

00:12:02,550 --> 00:11:59,360

let me know if that's big enough

295

00:12:04,470 --> 00:12:02,560

actually it's probably not so here we go

296

00:12:07,509 --> 00:12:04,480

so this first one is called the alien

297

00:12:09,750 --> 00:12:07,519

without it's from a ufology bulletin

298

00:12:11,670 --> 00:12:09,760

from back in the day uh if you guys want

299

00:12:14,150 --> 00:12:11,680

any of this material just let me know

300

00:12:16,470 --> 00:12:14,160

and i can share it via google drive or

301

00:12:18,150 --> 00:12:16,480

just put it on my website if you want

302

00:12:20,470 --> 00:12:18,160

so this is pretty interesting the alien

303

00:12:22,629 --> 00:12:20,480

without most ufo researchers would agree

304

00:12:25,750 --> 00:12:22,639

that the great majority of all ufo

305

00:12:28,230 --> 00:12:25,760

sightings result from misperception of

306

00:12:30,710 --> 00:12:28,240

mundane objects hoax mirage

307

00:12:33,829 --> 00:12:30,720

affects confabulation of unfamiliar

308

00:12:36,230 --> 00:12:33,839

sites or other psychological aberration

309

00:12:38,710 --> 00:12:36,240

caused by

310

00:12:40,150 --> 00:12:38,720

psychological stress and so on this goes

311

00:12:41,509 --> 00:12:40,160

almost without saying the crucial

312

00:12:43,829 --> 00:12:41,519

concerns

313

00:12:45,829 --> 00:12:43,839

is whether or not there are some

314

00:12:47,350 --> 00:12:45,839

genuinely unknown phenomena that are

315

00:12:50,230 --> 00:12:47,360

also being occasionally seen and

316

00:12:51,829 --> 00:12:50,240

reported signals within the noise if

317

00:12:54,470 --> 00:12:51,839

you'd like

318

00:12:56,870 --> 00:12:54,480

those of the extraterrestrial persuasion

319

00:12:59,190 --> 00:12:56,880

are sure that there are such sightings

320

00:13:01,590 --> 00:12:59,200

and that they are caused by alien craft

321

00:13:03,829 --> 00:13:01,600

i'm also convinced that there is signal

322

00:13:05,910 --> 00:13:03,839

in the noise but i have maintained for

323

00:13:08,230 --> 00:13:05,920

many years now that the phenomena are an

324

00:13:11,110 --> 00:13:08,240

exotic form of natural energy

325

00:13:13,590 --> 00:13:11,120

originating from earth itself possibly

326  
00:13:15,990 --> 00:13:13,600  
related to earthquakes earthquake lights

327  
00:13:19,269 --> 00:13:16,000  
and ball lightning but with some

328  
00:13:24,710 --> 00:13:21,269  
uh research reveals that these earth

329  
00:13:27,269 --> 00:13:24,720  
lights also called b-o-l-s by some

330  
00:13:29,990 --> 00:13:27,279  
researchers appear in highly localized

331  
00:13:32,069 --> 00:13:30,000  
regions they are terrain related in some

332  
00:13:34,870 --> 00:13:32,079  
places locals have seen them for

333  
00:13:36,550 --> 00:13:34,880  
generations these zones have

334  
00:13:39,189 --> 00:13:36,560  
so far been found to contain reoccurring

335  
00:13:41,350 --> 00:13:39,199  
geological characteristics such as

336  
00:13:43,750 --> 00:13:41,360  
significant faulting seismic history

337  
00:13:46,069 --> 00:13:43,760  
mineral deposits or bodies of water

338  
00:13:47,990 --> 00:13:46,079

which can cause micro quakes detailed

339

00:13:49,910 --> 00:13:48,000

work in certain zones shown an

340

00:13:52,310 --> 00:13:49,920

overwhelming correlation between light's

341

00:13:54,230 --> 00:13:52,320

incidence and surface faulting such an

342

00:13:56,790 --> 00:13:54,240

apparent geological connection is

343

00:13:58,949 --> 00:13:56,800

highlighted by 18th century mining texts

344

00:14:00,550 --> 00:13:58,959

which tell the use of light bulbs

345

00:14:02,790 --> 00:14:00,560

emerging from the ground and prospecting

346

00:14:04,710 --> 00:14:02,800

for mineral schemes especially copper

347

00:14:06,949 --> 00:14:04,720

veins

348

00:14:09,110 --> 00:14:06,959

recent sightings

349

00:14:12,550 --> 00:14:09,120

are recent findings described at lay

350

00:14:14,870 --> 00:14:14,069

in the uk

351

00:14:17,750 --> 00:14:14,880

um

352

00:14:19,750 --> 00:14:17,760

let me see recent research by us

353

00:14:22,150 --> 00:14:19,760

uh geologist john deere suggests that

354

00:14:23,750 --> 00:14:22,160

earth light zones can also be produced

355

00:14:25,990 --> 00:14:23,760

artificially in the vicinity of works

356

00:14:28,870 --> 00:14:26,000

where liquids are being injected into

357

00:14:30,710 --> 00:14:28,880

earth's crust interesting

358

00:14:35,189 --> 00:14:30,720

uh they go into

359

00:14:40,310 --> 00:14:37,269

and

360

00:14:43,110 --> 00:14:40,320

which i don't know really anything about

361

00:14:45,110 --> 00:14:43,120

then they go into kind of the

362

00:14:47,430 --> 00:14:45,120

it looks like maybe uh past

363

00:14:49,269 --> 00:14:47,440

interpretations malaysians call them

364

00:14:50,710 --> 00:14:49,279

uh

365

00:14:52,470 --> 00:14:50,720

pinnacle

366

00:14:54,310 --> 00:14:52,480

the spectral heads of women who have

367

00:14:56,470 --> 00:14:54,320

died in childbirth hawaiian islanders

368

00:14:57,670 --> 00:14:56,480

called the lights akule

369

00:15:00,230 --> 00:14:57,680

uh spirits

370

00:15:02,870 --> 00:15:00,240

australian aborigines call them min min

371

00:15:05,430 --> 00:15:02,880

lights ah we've heard of that

372

00:15:07,990 --> 00:15:05,440

well i have at least

373

00:15:10,230 --> 00:15:08,000

the rego papua new guinea feel that they

374

00:15:11,829 --> 00:15:10,240

go out of body during sleep and balls of

375

00:15:13,590 --> 00:15:11,839

light seen in the night sky are people's

376  
00:15:15,509 --> 00:15:13,600  
spirits flying free

377  
00:15:16,949 --> 00:15:15,519  
wow

378  
00:15:17,990 --> 00:15:16,959  
that's crazy i've kind of had that

379  
00:15:23,430 --> 00:15:18,000  
thought

380  
00:15:26,470 --> 00:15:23,440  
be the lanterns of little men

381  
00:15:29,670 --> 00:15:26,480  
to go near which is to court illness or

382  
00:15:33,670 --> 00:15:31,189  
and

383  
00:15:36,710 --> 00:15:33,680  
celtic delights are seen as fairies

384  
00:15:37,509 --> 00:15:36,720  
literally fairy lights

385  
00:15:41,990 --> 00:15:37,519  
the

386  
00:15:44,230 --> 00:15:42,000  
detailed knowledge and lore concerning

387  
00:15:45,749 --> 00:15:44,240  
meteorology and they single out curious

388  
00:15:48,550 --> 00:15:45,759

light effects

389

00:15:50,470 --> 00:15:48,560

uh which they insist i'm not even trying

390

00:15:53,350 --> 00:15:50,480

saying some of this stuff

391

00:15:58,150 --> 00:15:53,360

which they insist are not uh lightning

392

00:16:10,389 --> 00:16:01,509

meteorolo meteor lava meteorological

393

00:16:14,069 --> 00:16:12,230

sorry

394

00:16:15,509 --> 00:16:14,079

phenomena

395

00:16:17,509 --> 00:16:15,519

it is clear that the lights have been

396

00:16:20,230 --> 00:16:17,519

seen as religious manifestations and

397

00:16:22,389 --> 00:16:20,240

some cultures for uh temples have been

398

00:16:24,310 --> 00:16:22,399

built dedicated to them a tower in a

399

00:16:26,230 --> 00:16:24,320

temple complex on a peak of the chinese

400

00:16:27,990 --> 00:16:26,240

mountain

401  
00:16:29,269 --> 00:16:28,000  
for instance was built specifically to

402  
00:16:30,389 --> 00:16:29,279  
observe

403  
00:16:31,990 --> 00:16:30,399  
uh the

404  
00:16:35,350 --> 00:16:32,000  
bodhis

405  
00:16:39,030 --> 00:16:35,360  
sativa lights

406  
00:16:41,350 --> 00:16:39,040  
man this is filled that with hard ones

407  
00:16:43,110 --> 00:16:41,360  
a temple in india's dedicated lights

408  
00:16:45,350 --> 00:16:43,120  
that habitually appear around the site

409  
00:16:47,189 --> 00:16:45,360  
the temple is built over a fault

410  
00:16:49,509 --> 00:16:47,199  
there is even a christian chapel

411  
00:16:51,590 --> 00:16:49,519  
dedicated to saint mary of the lights

412  
00:16:53,509 --> 00:16:51,600  
and this was alps it may be that

413  
00:16:55,990 --> 00:16:53,519

prehistoric standing stones in western

414

00:16:58,870 --> 00:16:56,000

Europe were likewise raised in honor of

415

00:16:59,670 --> 00:16:58,880

places haunted by light phenomena and

416

00:17:01,749 --> 00:16:59,680

which

417

00:17:03,509 --> 00:17:01,759

were perceived as being spirits or gods

418

00:17:05,750 --> 00:17:03,519

long list as developing of historical

419

00:17:09,029 --> 00:17:05,760

accounts in modern eyewitness reports of

420

00:17:11,029 --> 00:17:09,039

flights such as megalithic sites

421

00:17:12,309 --> 00:17:11,039

there have been many interpretations of

422

00:17:13,669 --> 00:17:12,319

the lights in western Europe over the

423

00:17:15,429 --> 00:17:13,679

centuries in fact

424

00:17:18,150 --> 00:17:15,439

perhaps the most common was that they

425

00:17:20,789 --> 00:17:18,160

were fiery dragons flying through the

426

00:17:22,870 --> 00:17:20,799

sky in fact a recent special translation

427

00:17:24,789 --> 00:17:22,880

flattened texts together with other

428

00:17:26,789 --> 00:17:24,799

archive discoveries show the matter was

429

00:17:28,309 --> 00:17:26,799

a subject of scholarly debates in the

430

00:17:31,430 --> 00:17:28,319

middle ages

431

00:17:31,440 --> 00:17:35,750

um

432

00:17:37,830 --> 00:17:36,950

here we go

433

00:17:40,310 --> 00:17:37,840

um

434

00:17:42,470 --> 00:17:40,320

there is a different part of this that i

435

00:17:45,590 --> 00:17:42,480

wanted to read but

436

00:17:47,430 --> 00:17:45,600

it's taken kind of long to get there

437

00:17:49,870 --> 00:17:47,440

this is interesting the nature of light

438

00:17:53,909 --> 00:17:49,880

energy is not known but it seems to have

439

00:18:00,789 --> 00:17:53,919

electromagnetic aspects that's always

440

00:18:00,799 --> 00:18:06,789

interesting

441

00:18:10,950 --> 00:18:09,110

then we're gonna go to

442

00:18:12,870 --> 00:18:10,960

these phenomena clearly have clear

443

00:18:14,789 --> 00:18:12,880

characteristics too widely reported to

444

00:18:16,470 --> 00:18:14,799

be safely ignored

445

00:18:18,390 --> 00:18:16,480

which suggests that they represent a

446

00:18:21,270 --> 00:18:18,400

form of physics currently unknown to us

447

00:18:22,789 --> 00:18:21,280

the ability of lights to assume coherent

448

00:18:25,350 --> 00:18:22,799

shapes

449

00:18:27,350 --> 00:18:25,360

as well as to reform themselves into

450

00:18:30,150 --> 00:18:27,360

other shapes

451  
00:18:31,750 --> 00:18:30,160  
is not understood as is indeed the case

452  
00:18:33,110 --> 00:18:31,760  
with ball lightning

453  
00:18:34,789 --> 00:18:33,120  
i don't know why they gotta throw that

454  
00:18:36,789 --> 00:18:34,799  
in there

455  
00:18:38,470 --> 00:18:36,799  
another reoccurring observation is that

456  
00:18:42,310 --> 00:18:38,480  
the lights can sometimes be seen from

457  
00:18:44,630 --> 00:18:42,320  
one direction but not from another

458  
00:18:47,110 --> 00:18:44,640  
light witnessed and photographed in 73

459  
00:18:50,470 --> 00:18:47,120  
by an american physicist in california

460  
00:18:53,110 --> 00:18:50,480  
exhibited evidence of having mass

461  
00:18:55,350 --> 00:18:53,120  
it created shock waves in the air ahead

462  
00:18:57,750 --> 00:18:55,360  
of it as it traveled

463  
00:19:00,310 --> 00:18:57,760

than of having no mass stopping without

464

00:19:05,350 --> 00:19:00,320

deceleration

465

00:19:05,360 --> 00:19:11,880

very interesting

466

00:19:14,789 --> 00:19:12,950

[Music]

467

00:19:17,669 --> 00:19:14,799

uh this is interesting too to me on the

468

00:19:19,510 --> 00:19:17,679

right hand side uh so it seems that at

469

00:19:22,230 --> 00:19:19,520

the very least we may have an earth

470

00:19:27,909 --> 00:19:22,240

lights and energy with some very unusual

471

00:19:30,710 --> 00:19:28,789

uh

472

00:19:36,830 --> 00:19:30,720

yeah at the bottom we got some macro

473

00:19:43,110 --> 00:19:39,270

interesting and i'm just going through

474

00:19:46,950 --> 00:19:46,070

so this is just we got a little help off

475

00:19:50,549 --> 00:19:46,960

in here

476  
00:19:54,950 --> 00:19:53,350  
so we have uh as physicists tell pudov

477  
00:19:56,549 --> 00:19:54,960  
explains these fluctuations can be

478  
00:19:59,270 --> 00:19:56,559  
intense enough to cause particles to

479  
00:20:01,590 --> 00:19:59,280  
form from the vacuum spontaneously

480  
00:20:04,310 --> 00:20:01,600  
uh provided they disappear again before

481  
00:20:06,870 --> 00:20:04,320  
violating the uncertainty principle

482  
00:20:09,350 --> 00:20:06,880  
we do not notice this fast energy  $c$  in

483  
00:20:11,590 --> 00:20:09,360  
which we are immersed because it is a

484  
00:20:13,669 --> 00:20:11,600  
uniform action throughout space

485  
00:20:15,350 --> 00:20:13,679  
nevertheless it can be interrupted in

486  
00:20:17,110 --> 00:20:15,360  
various ways and scientists have been

487  
00:20:19,430 --> 00:20:17,120  
learning to interact with it

488  
00:20:21,909 --> 00:20:19,440

energetically and thermodynamically to

489

00:20:23,830 --> 00:20:21,919

produce measurable physical effects

490

00:20:26,710 --> 00:20:23,840

budoff and others are looking at ways

491

00:20:28,710 --> 00:20:26,720

energy can be extracted from the vacuum

492

00:20:30,149 --> 00:20:28,720

whole new technologies pollution-free

493

00:20:32,830 --> 00:20:30,159

energy and conceptually different

494

00:20:36,549 --> 00:20:32,840

electronics seem to be waiting in the

495

00:20:38,230 --> 00:20:36,559

wings this sea of zpe may be the

496

00:20:40,630 --> 00:20:38,240

universal energy

497

00:20:43,270 --> 00:20:40,640

energy known as

498

00:20:45,190 --> 00:20:43,280

not even gonna do it not today

499

00:20:47,270 --> 00:20:45,200

and a thousand other names by esoteric

500

00:20:49,590 --> 00:20:47,280

philosophies around the world and

501  
00:20:52,310 --> 00:20:49,600  
throughout the ages it may interact with

502  
00:20:53,909 --> 00:20:52,320  
consciousness

503  
00:20:55,830 --> 00:20:53,919  
you gotta be kidding me

504  
00:20:58,630 --> 00:20:55,840  
after all our neurons can operate at

505  
00:21:01,270 --> 00:20:58,640  
near quantum levels and they in any case

506  
00:21:04,789 --> 00:21:01,280  
ultimately arise

507  
00:21:07,590 --> 00:21:04,799  
out of the zpec

508  
00:21:09,510 --> 00:21:07,600  
like everything else

509  
00:21:11,190 --> 00:21:09,520  
and mention of consciousness brings me

510  
00:21:13,830 --> 00:21:11,200  
back again to the most important

511  
00:21:16,710 --> 00:21:13,840  
potential characteristic of earth lights

512  
00:21:17,990 --> 00:21:16,720  
referred to above

513  
00:21:20,470 --> 00:21:18,000

their possible conscious or

514

00:21:21,990 --> 00:21:20,480

quasi-conscious nature

515

00:21:24,390 --> 00:21:22,000

i've been drawing attention to this for

516

00:21:27,029 --> 00:21:24,400

several years now and michael persinger

517

00:21:33,669 --> 00:21:30,630

sorry i'm just like kind of realizing as

518

00:21:41,590 --> 00:21:38,950

that uh my own experiences um might be

519

00:21:42,390 --> 00:21:41,600

being told to me right now as i read

520

00:21:45,029 --> 00:21:42,400

this

521

00:21:47,430 --> 00:21:45,039

uh there is i'll be honest i only

522

00:21:48,549 --> 00:21:47,440

skimmed through it

523

00:21:49,990 --> 00:21:48,559

before

524

00:21:52,310 --> 00:21:50,000

uh there's much more to the basic

525

00:21:54,310 --> 00:21:52,320

premise of tectonic strain theory than

526

00:21:56,230 --> 00:21:54,320

we have acknowledged when one realizes

527

00:21:58,470 --> 00:21:56,240

the multitude of geological formations

528

00:22:00,470 --> 00:21:58,480

and geochemical combinations through

529

00:22:02,630 --> 00:22:00,480

which the energy contained with tectonic

530

00:22:04,470 --> 00:22:02,640

stress can be manifested one must expect

531

00:22:07,990 --> 00:22:04,480

phenomena to be created whose

532

00:22:09,430 --> 00:22:08,000

characteristics are beyond contemporary

533

00:22:11,510 --> 00:22:09,440

explanations

534

00:22:13,350 --> 00:22:11,520

considering the extreme vocal nature of

535

00:22:14,950 --> 00:22:13,360

each event compared to the immense field

536

00:22:17,270 --> 00:22:14,960

from which it originates one would

537

00:22:21,029 --> 00:22:17,280

expect properties that are as yet

538

00:22:24,230 --> 00:22:21,039

undefined our concept of the geophysic

539

00:22:25,990 --> 00:22:24,240

complements the idea of devereaux that

540

00:22:31,150 --> 00:22:26,000

there could be an interaction between

541

00:22:36,470 --> 00:22:34,230

[Music]

542

00:22:39,270 --> 00:22:36,480

that's legit

543

00:22:41,750 --> 00:22:39,280

earth lights may represent an entirely

544

00:22:43,190 --> 00:22:41,760

uninvestigated species of phenomena that

545

00:22:45,270 --> 00:22:43,200

could revolutionize our whole

546

00:22:48,230 --> 00:22:45,280

understanding of the relationship

547

00:22:50,710 --> 00:22:48,240

between mind and matter

548

00:22:54,149 --> 00:22:50,720

the idea that consciousness occurs only

549

00:22:56,470 --> 00:22:54,159

in biological matter is more habit than

550

00:22:58,789 --> 00:22:56,480

anything else

551

00:23:01,029 --> 00:22:58,799

there's no fundamental reason why

552

00:23:03,110 --> 00:23:01,039

consciousness should have developed on

553

00:23:05,750 --> 00:23:03,120

this planet only through biological

554

00:23:08,470 --> 00:23:05,760

processes

555

00:23:10,549 --> 00:23:08,480

sufficiently complex and exotic energy

556

00:23:14,950 --> 00:23:10,559

forms might also have developed a

557

00:23:19,830 --> 00:23:18,230

so the earth light could be the alien

558

00:23:22,390 --> 00:23:19,840

without

559

00:23:24,950 --> 00:23:22,400

another form of consciousness inhabiting

560

00:23:27,830 --> 00:23:24,960

this planet with us

561

00:23:33,430 --> 00:23:27,840

conscious or quasi-conscious

562

00:23:37,669 --> 00:23:35,110

a meeting with this alien is long

563

00:23:39,270 --> 00:23:37,679

overdue

564

00:23:41,590 --> 00:23:39,280

i have sought and called for such a

565

00:23:43,990 --> 00:23:41,600

meeting for a long while and

566

00:23:45,350 --> 00:23:44,000

now at last it appears that attempts to

567

00:23:47,029 --> 00:23:45,360

test conscious

568

00:23:48,549 --> 00:23:47,039

interaction with these lights will take

569

00:23:50,630 --> 00:23:48,559

place

570

00:23:52,710 --> 00:23:50,640

it is too premature right now to detail

571

00:23:54,470 --> 00:23:52,720

the research going on but

572

00:23:56,710 --> 00:23:54,480

various intriguing developments have

573

00:23:59,590 --> 00:23:56,720

been emerging with regard to earth

574

00:24:01,750 --> 00:23:59,600

life's research for instance

575

00:24:04,390 --> 00:24:01,760

i've been working with the international

576  
00:24:06,470 --> 00:24:04,400  
consciousness research laboratories an

577  
00:24:08,950 --> 00:24:06,480  
informal consortium of scientists and

578  
00:24:11,510 --> 00:24:08,960  
scholars who cross disciplines and are

579  
00:24:13,510 --> 00:24:11,520  
sponsored by the fetzer institute in the

580  
00:24:16,549 --> 00:24:13,520  
usa

581  
00:24:20,630 --> 00:24:16,559  
japanese plasma physicist

582  
00:24:23,510 --> 00:24:20,640  
yh otussi toosky

583  
00:24:26,549 --> 00:24:23,520  
was likewise uh been visiting earth

584  
00:24:28,070 --> 00:24:26,559  
lights zones around the world and the 10

585  
00:24:29,510 --> 00:24:28,080  
year old

586  
00:24:30,710 --> 00:24:29,520  
uh project

587  
00:24:32,870 --> 00:24:30,720  
hesterlin

588  
00:24:36,149 --> 00:24:32,880

is being reconstituted with better

589

00:24:37,350 --> 00:24:36,159

backing and resources than before

590

00:24:38,549 --> 00:24:37,360

furthermore

591

00:24:40,870 --> 00:24:38,559

as a result

592

00:24:42,470 --> 00:24:40,880

of a march 1994 conference

593

00:24:43,909 --> 00:24:42,480

in ezlin

594

00:24:45,990 --> 00:24:43,919

a new international network of

595

00:24:48,950 --> 00:24:46,000

scientists and scholars studying aspects

596

00:24:54,230 --> 00:24:48,960

of the earthlite problem has been formed

597

00:24:58,390 --> 00:24:56,230

from the point of view of the work

598

00:25:00,950 --> 00:24:58,400

i have been involved with at least the

599

00:25:02,230 --> 00:25:00,960

search has been on for the best place to

600

00:25:04,390 --> 00:25:02,240

study and

601  
00:25:06,070 --> 00:25:04,400  
indeed meet the lights we have narrowed

602  
00:25:08,070 --> 00:25:06,080  
it down to

603  
00:25:09,590 --> 00:25:08,080  
one or two locations the first historic

604  
00:25:12,230 --> 00:25:09,600  
experiment will take place at one of

605  
00:25:14,710 --> 00:25:12,240  
these places in 94.95

606  
00:25:16,870 --> 00:25:14,720  
and it will truly be historic

607  
00:25:18,549 --> 00:25:16,880  
let us not minimize the fact if the

608  
00:25:21,110 --> 00:25:18,559  
lights do prove positive in

609  
00:25:23,430 --> 00:25:21,120  
consciousness interactivity tests we are

610  
00:25:25,350 --> 00:25:23,440  
devising

611  
00:25:27,269 --> 00:25:25,360  
we will have made the first formal

612  
00:25:30,230 --> 00:25:27,279  
contact with the consciousness form

613  
00:25:32,630 --> 00:25:30,240

alien to anything we have known

614

00:25:34,390 --> 00:25:32,640

this would be momentous as the first

615

00:25:36,470 --> 00:25:34,400

footstep on the moon

616

00:25:38,070 --> 00:25:36,480

and as important perhaps even more

617

00:25:39,909 --> 00:25:38,080

paradigm shattering

618

00:25:43,909 --> 00:25:39,919

than a meeting with extraterrestrial

619

00:25:50,070 --> 00:25:45,990

wow

620

00:25:53,830 --> 00:25:52,549

i'm sorry i didn't read that perfectly

621

00:25:57,190 --> 00:25:53,840

i was

622

00:25:58,710 --> 00:25:57,200

pretty crazy actually going through that

623

00:26:00,230 --> 00:25:58,720

live with you guys that was that was

624

00:26:04,789 --> 00:26:00,240

intense

625

00:26:07,909 --> 00:26:05,990

um

626  
00:26:09,350 --> 00:26:07,919  
so hope you liked that read even though

627  
00:26:11,750 --> 00:26:09,360  
i screwed it up

628  
00:26:14,710 --> 00:26:11,760  
um take a little break

629  
00:26:17,350 --> 00:26:14,720  
and we'll go back to some john kia

630  
00:26:19,909 --> 00:26:17,360  
i was running around the country

631  
00:26:22,549 --> 00:26:19,919  
sitting up all night in cemeteries

632  
00:26:25,190 --> 00:26:22,559  
and sitting on hilltops in remote parts

633  
00:26:26,950 --> 00:26:25,200  
of the country

634  
00:26:28,549 --> 00:26:26,960  
are looking for these funny lights in

635  
00:26:31,590 --> 00:26:28,559  
the sky that were everywhere in the

636  
00:26:36,950 --> 00:26:34,070  
there was one hilltop in particular

637  
00:26:38,789 --> 00:26:36,960  
that overlooked the ohio river

638  
00:26:40,390 --> 00:26:38,799

uh where

639

00:26:42,549 --> 00:26:40,400

there were at that time there was a lot

640

00:26:44,789 --> 00:26:42,559

of boat traffic on the ohio river day

641

00:26:47,190 --> 00:26:44,799

and night and these funny lights would

642

00:26:49,750 --> 00:26:47,200

come down out of the sky

643

00:26:52,789 --> 00:26:49,760

and circle around these boats that were

644

00:26:54,310 --> 00:26:52,799

transporting cargo up the ohio river

645

00:26:56,710 --> 00:26:54,320

and the boat men would turn on their

646

00:26:57,669 --> 00:26:56,720

searchlights and play games with these

647

00:27:03,029 --> 00:26:57,679

lights

648

00:27:05,190 --> 00:27:03,039

and i was sitting on my hilltop watching

649

00:27:07,029 --> 00:27:05,200

them with these games going out

650

00:27:08,950 --> 00:27:07,039

and i would flash this flashlight at

651  
00:27:11,190 --> 00:27:08,960  
these funny lights and they would jump

652  
00:27:13,350 --> 00:27:11,200  
out of the way my flashlight

653  
00:27:14,870 --> 00:27:13,360  
and so i'd flash in morse code at these

654  
00:27:17,029 --> 00:27:14,880  
lights and they would do whatever i

655  
00:27:18,789 --> 00:27:17,039  
ordered them to do

656  
00:27:20,710 --> 00:27:18,799  
and then later

657  
00:27:23,190 --> 00:27:20,720  
i decided that instead of using morse

658  
00:27:25,510 --> 00:27:23,200  
code i'd make up my own code and they

659  
00:27:26,950 --> 00:27:25,520  
knew this code

660  
00:27:30,070 --> 00:27:26,960  
which gave me

661  
00:27:33,430 --> 00:27:32,070  
and i gradually figured out during this

662  
00:27:35,190 --> 00:27:33,440  
period

663  
00:27:36,870 --> 00:27:35,200

that we could control these so-called

664

00:27:38,149 --> 00:27:36,880

flying saucers they weren't saucers they

665

00:27:39,909 --> 00:27:38,159

were lights

666

00:27:41,750 --> 00:27:39,919

and i was sitting alone

667

00:27:43,350 --> 00:27:41,760

and one of these lights came down very

668

00:27:44,870 --> 00:27:43,360

close to my car

669

00:27:46,549 --> 00:27:44,880

and passed over

670

00:27:49,830 --> 00:27:46,559

there was a wooded area all around me

671

00:27:52,070 --> 00:27:49,840

these hills were all wooded hills

672

00:27:53,830 --> 00:27:52,080

and it passed over these woods and it

673

00:27:56,230 --> 00:27:53,840

seemed to descend

674

00:27:58,389 --> 00:27:56,240

right into the forest right next to my

675

00:28:00,310 --> 00:27:58,399

car and the next day when i woke up in

676

00:28:02,310 --> 00:28:00,320

my motel room there

677

00:28:03,750 --> 00:28:02,320

my eyes were very sore like they were

678

00:28:05,510 --> 00:28:03,760

full of sand

679

00:28:07,350 --> 00:28:05,520

and this is a common effect of looking

680

00:28:08,870 --> 00:28:07,360

at these lights it's called

681

00:28:11,190 --> 00:28:08,880

conjunctivitis

682

00:28:12,470 --> 00:28:11,200

and it's like looking into a bright arc

683

00:28:13,590 --> 00:28:12,480

light

684

00:28:15,430 --> 00:28:13,600

and so

685

00:28:18,549 --> 00:28:15,440

the fact that my eyes were affected was

686

00:28:22,950 --> 00:28:18,559

proof that i had seen something there

687

00:28:25,110 --> 00:28:22,960

now in the years 1964 to 1968

688

00:28:26,389 --> 00:28:25,120

there was a worldwide epidemic of these

689

00:28:28,230 --> 00:28:26,399

lights

690

00:28:30,070 --> 00:28:28,240

and i don't mean that they were it was

691

00:28:32,870 --> 00:28:30,080

an occasional light in the sky they were

692

00:28:35,190 --> 00:28:32,880

everywhere every damn night of the week

693

00:28:37,669 --> 00:28:35,200

uh time magazine did big

694

00:28:40,389 --> 00:28:37,679

editorials about it the new york times

695

00:28:42,870 --> 00:28:40,399

did front page stories about it

696

00:28:46,230 --> 00:28:42,880

now i i realized that the best way to

697

00:28:48,470 --> 00:28:46,240

tackle this was to pick one or two spots

698

00:28:50,789 --> 00:28:48,480

and make them a microcosm of the whole

699

00:28:51,750 --> 00:28:50,799

thing and just study everything in that

700

00:28:54,070 --> 00:28:51,760

spot

701

00:28:55,990 --> 00:28:54,080

learn to know the people

702

00:28:58,310 --> 00:28:56,000

study every event that happened whether

703

00:29:00,549 --> 00:28:58,320

it was related to these things or not

704

00:29:02,470 --> 00:29:00,559

call them ufos but that's really not a

705

00:29:04,549 --> 00:29:02,480

good name for them they were like living

706

00:29:10,549 --> 00:29:04,559

lights these lights had an intelligence

707

00:29:15,909 --> 00:29:12,470

pretty interesting that's good

708

00:29:17,269 --> 00:29:15,919

succession of um article and uh video

709

00:29:19,990 --> 00:29:17,279

i'd have to say

710

00:29:23,909 --> 00:29:22,149

actual um

711

00:29:24,830 --> 00:29:23,919

case that i found

712

00:29:28,070 --> 00:29:24,840

back

713

00:29:29,990 --> 00:29:28,080

in wasn't that the time he was uh

714

00:29:32,470 --> 00:29:30,000

talking about but it was he was talking

715

00:29:34,710 --> 00:29:32,480

about the ohio river so i wanted to

716

00:29:36,789 --> 00:29:34,720

um check that out a little bit see what

717

00:29:38,870 --> 00:29:36,799

was up at the ohio river and it got a

718

00:29:41,269 --> 00:29:38,880

pretty interesting case actually from

719

00:29:43,110 --> 00:29:41,279

july 30th 1958

720

00:29:45,430 --> 00:29:43,120

first of all look at the

721

00:29:47,269 --> 00:29:45,440

witnesses multiple witnesses a state

722

00:29:50,950 --> 00:29:47,279

attorney a deputy sheriff

723

00:29:53,350 --> 00:29:50,960

a news reporter a state patrolman

724

00:29:55,830 --> 00:29:53,360

and a policeman

725

00:29:58,149 --> 00:29:55,840

from tioga north dakota

726

00:30:00,470 --> 00:29:58,159

uh who substantiated all poor parts of

727

00:30:01,830 --> 00:30:00,480

this report pretty interesting

728

00:30:04,310 --> 00:30:01,840

of course they wound up saying it's

729

00:30:05,430 --> 00:30:04,320

venus so all those people

730

00:30:06,789 --> 00:30:05,440

are wrong

731

00:30:09,669 --> 00:30:06,799

right

732

00:30:10,710 --> 00:30:09,679

it's and it was venus

733

00:30:12,230 --> 00:30:10,720

but

734

00:30:14,070 --> 00:30:12,240

we can just throw that out the window

735

00:30:16,389 --> 00:30:14,080

pretty much

736

00:30:19,029 --> 00:30:16,399

investigation ensured this report to be

737

00:30:22,230 --> 00:30:19,039

one of valid uh object and not an

738

00:30:24,789 --> 00:30:22,240

imaginative or hysterical sighting

739

00:30:27,190 --> 00:30:24,799

object could have been an experimental

740

00:30:29,430 --> 00:30:27,200

balloon or other device originated

741

00:30:30,549 --> 00:30:29,440

under official channels in the us or

742

00:30:32,310 --> 00:30:30,559

canada

743

00:30:35,190 --> 00:30:32,320

reported details preclude the

744

00:30:37,430 --> 00:30:35,200

possibility of familiar celestial bodies

745

00:30:40,310 --> 00:30:37,440

or normal natural phenomenon uh we'll

746

00:30:42,230 --> 00:30:40,320

call it venus anyways

747

00:30:45,029 --> 00:30:42,240

reported object was not detected by any

748

00:30:46,789 --> 00:30:45,039

radar site within pickup range so

749

00:30:48,830 --> 00:30:46,799

this is i'm just going through this

750

00:30:52,549 --> 00:30:48,840

because it was um by

751  
00:30:53,510 --> 00:30:52,559  
the columbia river

752  
00:30:54,870 --> 00:30:53,520  
so

753  
00:30:57,430 --> 00:30:54,880  
yeah i checked it out and there's

754  
00:31:00,549 --> 00:30:57,440  
there's a few uh pretty decent cases

755  
00:31:04,470 --> 00:31:02,630  
um this is extracted from

756  
00:31:08,870 --> 00:31:04,480  
captain

757  
00:31:11,350 --> 00:31:08,880  
pickerdatz report on september 15 1960.

758  
00:31:13,669 --> 00:31:11,360  
i received a telephone call on ufo for

759  
00:31:17,430 --> 00:31:13,679  
major messenger at air force command

760  
00:31:18,630 --> 00:31:17,440  
post ufo disgust is reported in message

761  
00:31:20,710 --> 00:31:18,640  
from

762  
00:31:23,509 --> 00:31:20,720  
ramy air force base

763  
00:31:27,909 --> 00:31:23,519

colonel johnson and remy will try to

764

00:31:31,350 --> 00:31:29,029

a special

765

00:31:33,909 --> 00:31:31,360

air command post i think that is

766

00:31:36,070 --> 00:31:33,919

no identification made yet per major

767

00:31:39,269 --> 00:31:36,080

messenger receive the following collect

768

00:31:40,710 --> 00:31:39,279

ufo call collect ufo call

769

00:31:42,389 --> 00:31:40,720

is

770

00:31:44,149 --> 00:31:42,399

so you're not even

771

00:31:50,630 --> 00:31:44,159

you're first you're calling collect and

772

00:31:56,070 --> 00:31:52,950

in ironton ohio

773

00:31:59,590 --> 00:31:56,080

an individual claim to have tried

774

00:32:02,149 --> 00:31:59,600

contacted interested personnel since

775

00:32:05,190 --> 00:32:02,159

2230 including his local

776

00:32:08,230 --> 00:32:05,200

captain but to no avail ufo sighted at

777

00:32:10,149 --> 00:32:08,240

2200 direction of ohio river from

778

00:32:11,990 --> 00:32:10,159

iron ton ohio at about the location of

779

00:32:14,470 --> 00:32:12,000

two o'clock in the sky

780

00:32:16,630 --> 00:32:14,480

ufo looks like a bright star rotating in

781

00:32:18,549 --> 00:32:16,640

a clockwise direction and then in a

782

00:32:21,990 --> 00:32:18,559

counterclockwise motion

783

00:32:25,029 --> 00:32:22,000

occasionally we'll go to right or left

784

00:32:27,509 --> 00:32:25,039

but we'll return to original pattern

785

00:32:31,669 --> 00:32:27,519

while in a counterclockwise rotation the

786

00:32:33,750 --> 00:32:31,679

ufo will increase speed tremendously

787

00:32:35,350 --> 00:32:33,760

and a gust of light could be seen behind

788

00:32:37,509 --> 00:32:35,360

it

789

00:32:39,509 --> 00:32:37,519

ufo still seen

790

00:32:41,509 --> 00:32:39,519

at time of call

791

00:32:45,190 --> 00:32:41,519

in addition a radio announcer at station

792

00:32:48,389 --> 00:32:45,200

wiro in iron ton observe the ufo

793

00:32:56,149 --> 00:32:50,149

local checks were made petterson field

794

00:32:59,669 --> 00:32:56,640

um

795

00:33:03,669 --> 00:32:59,679

[Music]

796

00:33:07,990 --> 00:33:05,750

air force believes this to be a sighting

797

00:33:09,509 --> 00:33:08,000

uh the atlas missile flared so i wonder

798

00:33:10,470 --> 00:33:09,519

how many things they came up with so

799

00:33:17,190 --> 00:33:10,480

there are

800

00:33:24,710 --> 00:33:18,950

and then this was uh written in the

801  
00:33:29,669 --> 00:33:27,909  
thing is identified from plain window it

802  
00:33:32,230 --> 00:33:29,679  
was a star

803  
00:33:35,269 --> 00:33:32,240  
as reports of the strangely sh glowing

804  
00:33:40,710 --> 00:33:37,830  
coming into the enquirer newsroom at 8

805  
00:33:43,830 --> 00:33:40,720  
pm a reporter and a photographer boarded

806  
00:33:46,389 --> 00:33:43,840  
an ohio air national guard c-45 plane

807  
00:33:49,430 --> 00:33:46,399  
headed west more than 50 calls about the

808  
00:33:51,669 --> 00:33:49,440  
start were received at the enquirer

809  
00:33:53,830 --> 00:33:51,679  
and f-84

810  
00:33:55,750 --> 00:33:53,840  
swooped overhead at 30 thousand feet

811  
00:33:58,230 --> 00:33:55,760  
unseen

812  
00:34:00,630 --> 00:33:58,240  
but in radial contact with the c-45

813  
00:34:03,509 --> 00:34:00,640

piloted by brigadier general

814

00:34:08,470 --> 00:34:06,389

and his executive officer edwin

815

00:34:10,629 --> 00:34:08,480

the two turbojets followed the murky

816

00:34:11,990 --> 00:34:10,639

ribbon that was the ohio river and

817

00:34:15,990 --> 00:34:12,000

reached fifteen hundred feet to its

818

00:34:21,750 --> 00:34:18,310

uh they photographed it from the ground

819

00:34:27,909 --> 00:34:24,790

there it be he shouted

820

00:34:29,430 --> 00:34:27,919

over the engine's rear general car clark

821

00:34:31,030 --> 00:34:29,440

and captain looked at each other and

822

00:34:33,510 --> 00:34:31,040

smiled the general spoke into his

823

00:34:35,349 --> 00:34:33,520

microphone to the jet pilot receiver an

824

00:34:37,990 --> 00:34:35,359

answer in turn through the reporter and

825

00:34:43,669 --> 00:34:38,000

photographer pretty star isn't it eager

826

00:34:43,679 --> 00:34:51,909

yeah i bet

827

00:34:56,710 --> 00:34:53,909

we chased it then identified it as a

828

00:34:56,720 --> 00:34:59,510

interesting eh

829

00:35:04,069 --> 00:35:01,990

interesting i wonder if it was we'll

830

00:35:07,190 --> 00:35:04,079

never know

831

00:35:07,200 --> 00:35:11,270

could be could not be

832

00:35:11,280 --> 00:35:15,430

we'll see

833

00:35:20,710 --> 00:35:17,349

you know the the frustrating part with

834

00:35:23,190 --> 00:35:22,150

you know all those reports like that

835

00:35:25,829 --> 00:35:23,200

once

836

00:35:27,829 --> 00:35:25,839

is just a microcosm

837

00:35:31,109 --> 00:35:27,839

of how there

838

00:35:35,510 --> 00:35:31,119

are so many reports with witnesses of

839

00:35:38,790 --> 00:35:37,430

you know

840

00:35:40,470 --> 00:35:38,800

being told that they've just seen a

841

00:35:45,349 --> 00:35:40,480

planet you know

842

00:35:50,870 --> 00:35:47,990

i do too and to be honest the first time

843

00:35:52,550 --> 00:35:50,880

i realized it was

844

00:35:54,950 --> 00:35:52,560

you know was when i started looking up

845

00:35:58,390 --> 00:35:54,960

at the sky

846

00:36:04,069 --> 00:35:58,400

and i was like well it's really bright

847

00:36:04,079 --> 00:36:09,750

doesn't move

848

00:36:09,760 --> 00:36:12,870

so

849

00:36:15,910 --> 00:36:13,829

you know

850

00:36:18,870 --> 00:36:15,920

within seconds or at fast rates or

851  
00:36:20,950 --> 00:36:18,880  
anything like that at least

852  
00:36:26,310 --> 00:36:20,960  
uh so the next thing i wanted to share i

853  
00:36:30,790 --> 00:36:29,109  
poultry ice city

854  
00:36:32,470 --> 00:36:30,800  
so this is interesting

855  
00:36:34,710 --> 00:36:32,480  
so this is a report

856  
00:36:36,390 --> 00:36:34,720  
kiel put together

857  
00:36:43,670 --> 00:36:36,400  
using some stats

858  
00:36:47,030 --> 00:36:46,150  
yeah you know and that happens

859  
00:36:48,630 --> 00:36:47,040  
you know

860  
00:36:55,880 --> 00:36:48,640  
she goes it's been hovering there for

861  
00:37:01,510 --> 00:36:58,470  
[Laughter]

862  
00:37:07,190 --> 00:37:04,069  
you know oh man

863  
00:37:09,270 --> 00:37:07,200

you know i never see that reports

864

00:37:11,510 --> 00:37:09,280

so that's you know i never see that in

865

00:37:17,270 --> 00:37:11,520

the reports

866

00:37:28,310 --> 00:37:22,790

so

867

00:37:30,069 --> 00:37:28,320

chart i'll read the article it's not

868

00:37:31,430 --> 00:37:30,079

that long

869

00:37:33,910 --> 00:37:31,440

it's called

870

00:37:35,910 --> 00:37:33,920

poltergeist and ufos uh fortunately

871

00:37:39,430 --> 00:37:35,920

occult manifestations have attracted a

872

00:37:41,829 --> 00:37:39,440

higher caliber of investigator than ufos

873

00:37:44,710 --> 00:37:41,839

and the studies of ghosts hauntings and

874

00:37:47,430 --> 00:37:44,720

poltergeists in the last century are

875

00:37:48,790 --> 00:37:47,440

quite thorough and responsible

876

00:37:50,470 --> 00:37:48,800

leading scientists journalists and

877

00:37:53,030 --> 00:37:50,480

clergymen have investigated and

878

00:37:55,670 --> 00:37:53,040

documented many of these manifestations

879

00:37:57,990 --> 00:37:55,680

and they have left excellent records

880

00:37:59,910 --> 00:37:58,000

i've examined much of the material and

881

00:38:03,190 --> 00:37:59,920

found that poltergeist flaps tend to

882

00:38:04,390 --> 00:38:03,200

either immediately precede or follow ufo

883

00:38:06,310 --> 00:38:04,400

flaps

884

00:38:08,790 --> 00:38:06,320

or the two kinds of phenomenon occur

885

00:38:11,270 --> 00:38:08,800

simultaneously i have already noted in

886

00:38:13,190 --> 00:38:11,280

other articles that i have found a

887

00:38:15,430 --> 00:38:13,200

sudden outbreak of poltergeist activity

888

00:38:17,109 --> 00:38:15,440

in ufo flap areas

889

00:38:19,589 --> 00:38:17,119

the poltergeist phenomenon seems to

890

00:38:21,910 --> 00:38:19,599

consist of invisible entities

891

00:38:24,710 --> 00:38:21,920

or fields of force which are capable of

892

00:38:26,710 --> 00:38:24,720

moving heavy objects starting fires and

893

00:38:30,390 --> 00:38:26,720

committing other kinds of senseless

894

00:38:33,430 --> 00:38:30,400

mischief mysterious fires often go hand

895

00:38:36,150 --> 00:38:33,440

in hand with ufo sightings

896

00:38:38,710 --> 00:38:36,160

doors and houses of witnesses and ufo

897

00:38:40,870 --> 00:38:38,720

areas open and close by themselves

898

00:38:42,790 --> 00:38:40,880

strange noises are heard

899

00:38:44,870 --> 00:38:42,800

we must open our minds to the chilling

900

00:38:47,589 --> 00:38:44,880

possibility that the real ufos and the

901  
00:38:50,310 --> 00:38:47,599  
real euphenots may be invisible to our

902  
00:38:52,470 --> 00:38:50,320  
limited visual apparatus

903  
00:38:55,109 --> 00:38:52,480  
the human eye can discern only a very

904  
00:38:57,190 --> 00:38:55,119  
small portion of the electromagnetic

905  
00:38:59,190 --> 00:38:57,200  
spectrum

906  
00:39:01,190 --> 00:38:59,200  
at least one contact d has told us that

907  
00:39:03,109 --> 00:39:01,200  
the objects are usually invisible in

908  
00:39:05,270 --> 00:39:03,119  
daylight but tend to glow at night and

909  
00:39:07,270 --> 00:39:05,280  
give themselves away

910  
00:39:09,670 --> 00:39:07,280  
this may explain why the sighting ratio

911  
00:39:12,829 --> 00:39:09,680  
increases sharply at sunset

912  
00:39:17,030 --> 00:39:12,839  
and is most intense during the hours of

913  
00:39:19,430 --> 00:39:17,040

darkness see figures 40 and 41

914

00:39:21,990 --> 00:39:19,440

project blue book report 14 for graphs

915

00:39:23,349 --> 00:39:22,000

illustrating this sunset factor

916

00:39:25,750 --> 00:39:23,359

it may be

917

00:39:27,910 --> 00:39:25,760

awesome even insane

918

00:39:31,349 --> 00:39:27,920

to contemplate the possibility that the

919

00:39:34,069 --> 00:39:31,359

objects can render themselves invisible

920

00:39:36,470 --> 00:39:34,079

it could mean that our skies

921

00:39:38,950 --> 00:39:36,480

even over

922

00:39:42,310 --> 00:39:38,960

our cities could be crowded during the

923

00:39:45,589 --> 00:39:42,320

daylight hours and we would never know

924

00:39:47,270 --> 00:39:45,599

we would never be the wiser

925

00:39:49,829 --> 00:39:47,280

it could also explain how the objects

926  
00:39:52,230 --> 00:39:49,839  
could hide from us and flap areas

927  
00:39:56,470 --> 00:39:52,240  
our evidence thus far is fragmentary and

928  
00:39:58,470 --> 00:39:56,480  
superficial but here's the chart

929  
00:40:00,870 --> 00:39:58,480  
the chart is from another study i have

930  
00:40:03,990 --> 00:40:00,880  
made showing how poltergeist phenomena

931  
00:40:08,069 --> 00:40:04,000  
parallels ufo activity this study will

932  
00:40:12,230 --> 00:40:08,079  
be published in full at a later date

933  
00:40:12,240 --> 00:40:17,510  
i will have to find that

934  
00:40:24,309 --> 00:40:18,710  
for sure

935  
00:40:28,150 --> 00:40:27,190  
uh audio testimony i wanted to grab a

936  
00:40:29,510 --> 00:40:28,160  
little bit

937  
00:40:31,109 --> 00:40:29,520  
of

938  
00:40:33,510 --> 00:40:31,119

um something

939

00:40:35,990 --> 00:40:33,520

john gail did

940

00:40:38,390 --> 00:40:36,000

and it's from the same website

941

00:40:40,470 --> 00:40:38,400

so it's recording

942

00:40:41,910 --> 00:40:40,480

audio only allows me to take a little

943

00:40:43,270 --> 00:40:41,920

break

944

00:40:44,950 --> 00:40:43,280

take a listen

945

00:40:46,069 --> 00:40:44,960

kick your shoes off

946

00:40:49,510 --> 00:40:46,079

and relax

947

00:40:51,109 --> 00:40:49,520

i forgot uh one question earlier

948

00:40:53,270 --> 00:40:51,119

you should have asked how many of you

949

00:40:55,190 --> 00:40:53,280

are from the fbi

950

00:40:58,150 --> 00:40:55,200

because

951  
00:41:02,069 --> 00:40:58,160  
i have here the full text of the cia

952  
00:41:04,470 --> 00:41:02,079  
report of the robertson panel in 1953.

953  
00:41:06,710 --> 00:41:04,480  
this text as you know has been

954  
00:41:08,710 --> 00:41:06,720  
censored and butchered for many years

955  
00:41:09,990 --> 00:41:08,720  
and i want to read a couple of passages

956  
00:41:11,750 --> 00:41:10,000  
from this give you an idea of the

957  
00:41:13,349 --> 00:41:11,760  
caliber of men we have

958  
00:41:14,790 --> 00:41:13,359  
working in the united states government

959  
00:41:16,950 --> 00:41:14,800  
and cia

960  
00:41:19,349 --> 00:41:16,960  
the fbi and so on

961  
00:41:22,390 --> 00:41:19,359  
uh under the section called unofficial

962  
00:41:25,270 --> 00:41:22,400  
investigating groups they say this

963  
00:41:27,270 --> 00:41:25,280

the panel took cognizance cognizance i'm

964

00:41:28,309 --> 00:41:27,280

going to have like which sheep herders

965

00:41:29,990 --> 00:41:28,319

here

966

00:41:32,550 --> 00:41:30,000

the panel took cognizance of the

967

00:41:34,710 --> 00:41:32,560

existence of such groups as a civilian

968

00:41:35,910 --> 00:41:34,720

flying saucer investigators in los

969

00:41:38,150 --> 00:41:35,920

angeles

970

00:41:40,069 --> 00:41:38,160

and the aerial phenomena research

971

00:41:41,990 --> 00:41:40,079

organization which was then in wisconsin

972

00:41:44,470 --> 00:41:42,000

this was 1953

973

00:41:46,390 --> 00:41:44,480

it was believed that such organizations

974

00:41:48,790 --> 00:41:46,400

should be watched because of their

975

00:41:51,190 --> 00:41:48,800

potentially great influence on mass

976  
00:41:52,470 --> 00:41:51,200  
thinking if widespread sightings should

977  
00:41:55,030 --> 00:41:52,480  
occur

978  
00:41:57,030 --> 00:41:55,040  
the apparent irresponsibility

979  
00:41:59,430 --> 00:41:57,040  
and possible use of such groups for

980  
00:42:00,870 --> 00:41:59,440  
subversive purposes should be kept in

981  
00:42:04,150 --> 00:42:00,880  
mind

982  
00:42:06,069 --> 00:42:04,160  
now what this means when it comes from

983  
00:42:07,430 --> 00:42:06,079  
someone like the cia and ends up in a

984  
00:42:09,670 --> 00:42:07,440  
report

985  
00:42:12,150 --> 00:42:09,680  
which turns up on the desks of many high

986  
00:42:14,950 --> 00:42:12,160  
officials it means that it

987  
00:42:17,910 --> 00:42:14,960  
really gives the fbi and the cia cut

988  
00:42:19,510 --> 00:42:17,920

blanche to investigate these groups

989

00:42:21,990 --> 00:42:19,520

and as many of you know they've done

990

00:42:24,550 --> 00:42:22,000

this over the years they've harassed

991

00:42:26,230 --> 00:42:24,560

ufo investigators amateur euphoria

992

00:42:28,309 --> 00:42:26,240

investigators civilians

993

00:42:30,550 --> 00:42:28,319

they've harassed people who've taken

994

00:42:32,390 --> 00:42:30,560

photographs of these things and they've

995

00:42:33,829 --> 00:42:32,400

done it all because of this couple of

996

00:42:36,069 --> 00:42:33,839

sentences

997

00:42:37,510 --> 00:42:36,079

a number of things in here

998

00:42:39,589 --> 00:42:37,520

which uh

999

00:42:41,829 --> 00:42:39,599

are rather appalling

1000

00:42:44,309 --> 00:42:41,839

there was a uh a member of this panel

1001  
00:42:45,910 --> 00:42:44,319  
named dewey fournette he's not named in

1002  
00:42:47,990 --> 00:42:45,920  
here but this is the man

1003  
00:42:50,630 --> 00:42:48,000  
involved who spent several months

1004  
00:42:52,550 --> 00:42:50,640  
preparing an airtight case he thought

1005  
00:42:55,030 --> 00:42:52,560  
proved the flying saucers came from

1006  
00:42:56,710 --> 00:42:55,040  
outer space he prepared an extensive

1007  
00:43:00,150 --> 00:42:56,720  
document on this

1008  
00:43:02,309 --> 00:43:00,160  
and he presented it before this panel

1009  
00:43:04,309 --> 00:43:02,319  
now i haven't seen the document but i

1010  
00:43:06,309 --> 00:43:04,319  
know a great deal about it i know that

1011  
00:43:08,069 --> 00:43:06,319  
he did a very thorough job

1012  
00:43:10,630 --> 00:43:08,079  
now here's what they say about duty

1013  
00:43:12,230 --> 00:43:10,640

forney's report

1014

00:43:14,230 --> 00:43:12,240

one of the panel members in his

1015

00:43:15,750 --> 00:43:14,240

presentation showed how he had

1016

00:43:18,670 --> 00:43:15,760

eliminated each of the known and

1017

00:43:21,030 --> 00:43:18,680

probable causes of sightings leaving him

1018

00:43:23,589 --> 00:43:21,040

extraterrestrial as the only one

1019

00:43:25,190 --> 00:43:23,599

remaining in many cases his background

1020

00:43:27,109 --> 00:43:25,200

as an aeronautical engineer and

1021

00:43:29,589 --> 00:43:27,119

technical intelligence officer could not

1022

00:43:32,069 --> 00:43:29,599

be slighted however the panel could not

1023

00:43:35,190 --> 00:43:32,079

accept the cases cited by him because

1024

00:43:37,750 --> 00:43:35,200

they were raw unevaluated reports

1025

00:43:39,750 --> 00:43:37,760

i don't know how you would define

1026

00:43:41,510 --> 00:43:39,760

an evaluated report i suppose that's

1027

00:43:42,950 --> 00:43:41,520

when they decide it's a water balloon or

1028

00:43:46,150 --> 00:43:42,960

swamp gas

1029

00:43:48,870 --> 00:43:46,160

on the next page on page six

1030

00:43:50,390 --> 00:43:48,880

we have the story of the famous free

1031

00:43:51,349 --> 00:43:50,400

mountain utah

1032

00:43:56,470 --> 00:43:51,359

film

1033

00:43:59,430 --> 00:43:56,480

early 50s sixteen hundred frames of a

1034

00:44:02,630 --> 00:43:59,440

formation of flying saucers

1035

00:44:05,109 --> 00:44:02,640

in color yet the uh intelligence command

1036

00:44:06,430 --> 00:44:05,119

of the air force took this film

1037

00:44:08,790 --> 00:44:06,440

and

1038

00:44:11,030 --> 00:44:08,800

microscopically analyzed it here's what

1039

00:44:12,470 --> 00:44:11,040

they say about it

1040

00:44:14,870 --> 00:44:12,480

the panel received a briefing by

1041

00:44:16,630 --> 00:44:14,880

representatives of the u.s navy photo

1042

00:44:18,309 --> 00:44:16,640

interpretation laboratory and their

1043

00:44:20,950 --> 00:44:18,319

analysis of the film

1044

00:44:24,230 --> 00:44:20,960

this team had expended at air force

1045

00:44:26,870 --> 00:44:24,240

request approximately 1 000 hours of

1046

00:44:28,950 --> 00:44:26,880

professional and subprofessional time

1047

00:44:31,109 --> 00:44:28,960

in the preparation of graph plots of the

1048

00:44:32,870 --> 00:44:31,119

individual frames of the film

1049

00:44:34,829 --> 00:44:32,880

showing apparent and relative motion of

1050

00:44:37,829 --> 00:44:34,839

the objects and variation in their light

1051

00:44:40,069 --> 00:44:37,839

intensity it was the opinion of the pil

1052

00:44:43,030 --> 00:44:40,079

representatives that the objects cited

1053

00:44:44,630 --> 00:44:43,040

were not birds balloons or aircraft were

1054

00:44:46,710 --> 00:44:44,640

not reflections because there was no

1055

00:44:48,829 --> 00:44:46,720

blinking while passing through 60 degree

1056

00:44:50,790 --> 00:44:48,839

of arc and were therefore

1057

00:44:53,190 --> 00:44:50,800

self-luminous plots of motion and

1058

00:44:55,270 --> 00:44:53,200

variation in light intensity of the

1059

00:44:57,190 --> 00:44:55,280

objects were displayed

1060

00:44:59,990 --> 00:44:57,200

while the panel members were impressed

1061

00:45:02,950 --> 00:45:00,000

by the evident enthusiasm industry and

1062

00:45:04,710 --> 00:45:02,960

the extent of effort of the bil team

1063

00:45:05,750 --> 00:45:04,720

they would not accept the conclusions

1064

00:45:08,230 --> 00:45:05,760

reached

1065

00:45:10,390 --> 00:45:08,240

now here these people had had worked a

1066

00:45:12,470 --> 00:45:10,400

thousand hours it says here

1067

00:45:13,910 --> 00:45:12,480

preparing all kinds of graphs and charts

1068

00:45:15,589 --> 00:45:13,920

and everything to prove their case and

1069

00:45:18,150 --> 00:45:15,599

the panel just threw it out

1070

00:45:22,069 --> 00:45:18,160

they do this page after page i get so

1071

00:45:25,589 --> 00:45:23,910

i thought that was uh pretty good

1072

00:45:27,990 --> 00:45:25,599

because

1073

00:45:29,990 --> 00:45:28,000

you know i felt that uh as well and it

1074

00:45:32,790 --> 00:45:30,000

kind of seems like we're going backwards

1075

00:45:34,870 --> 00:45:32,800

uh with keel right

1076

00:45:36,470 --> 00:45:34,880

as far as the timetable which is

1077

00:45:39,109 --> 00:45:36,480

interesting too

1078

00:45:44,230 --> 00:45:41,510

you know and and we've gone over this

1079

00:45:45,750 --> 00:45:44,240

ourselves i mean here it is

1080

00:45:48,390 --> 00:45:45,760

um the interesting

1081

00:45:49,430 --> 00:45:48,400

part that always irritated me the most

1082

00:45:51,910 --> 00:45:49,440

was

1083

00:45:53,589 --> 00:45:51,920

this uh educational program

1084

00:45:55,829 --> 00:45:53,599

the panel's concept of a broad

1085

00:45:56,950 --> 00:45:55,839

educational program interrogating

1086

00:46:03,190 --> 00:45:56,960

efforts

1087

00:46:05,030 --> 00:46:03,200

of all uh concerned agencies was that it

1088

00:46:09,510 --> 00:46:05,040

should have two major names

1089

00:46:14,069 --> 00:46:11,270

the training aim would result in proper

1090

00:46:16,150 --> 00:46:14,079

recognition of unusually illuminated

1091

00:46:18,470 --> 00:46:16,160

objects balloons aircraft

1092

00:46:20,230 --> 00:46:18,480

as well as natural phenomenon both

1093

00:46:21,349 --> 00:46:20,240

visual and radar recognition are

1094

00:46:23,829 --> 00:46:21,359

concerned

1095

00:46:26,710 --> 00:46:23,839

there would be many levels in such

1096

00:46:29,030 --> 00:46:26,720

education from enlisted personnel

1097

00:46:30,870 --> 00:46:29,040

to command and research personnel

1098

00:46:33,190 --> 00:46:30,880

relative emphasis and degree of

1099

00:46:36,870 --> 00:46:33,200

explanation of different programs would

1100

00:46:39,349 --> 00:46:36,880

correspond to the categories of duty

1101  
00:46:42,109 --> 00:46:39,359  
this training should result in a marked

1102  
00:46:44,470 --> 00:46:42,119  
reduction in reports caused by

1103  
00:46:48,309 --> 00:46:44,480  
misidentifications and

1104  
00:46:51,990 --> 00:46:50,230  
the debunking aim would result in a

1105  
00:46:53,910 --> 00:46:52,000  
reduction in public interest in flying

1106  
00:46:56,630 --> 00:46:53,920  
saucers which today evokes a strong

1107  
00:46:58,870 --> 00:46:56,640  
psychological reaction this education

1108  
00:47:00,390 --> 00:46:58,880  
could be accomplished by mass media such

1109  
00:47:01,829 --> 00:47:00,400  
as television

1110  
00:47:04,150 --> 00:47:01,839  
motion pictures

1111  
00:47:06,790 --> 00:47:04,160  
and popular articles

1112  
00:47:09,109 --> 00:47:06,800  
basis of such education would be

1113  
00:47:11,030 --> 00:47:09,119

actual case histories

1114

00:47:12,950 --> 00:47:11,040

which had been puzzling at first but

1115

00:47:14,950 --> 00:47:12,960

later explained

1116

00:47:17,430 --> 00:47:14,960

as in the case of conjuring tricks there

1117

00:47:18,790 --> 00:47:17,440

is much less stimulation if the secret

1118

00:47:21,270 --> 00:47:18,800

is known

1119

00:47:22,829 --> 00:47:21,280

such a program should tend to reduce the

1120

00:47:25,510 --> 00:47:22,839

current gullibility of the public and

1121

00:47:28,390 --> 00:47:25,520

consequently their susceptibility to

1122

00:47:30,309 --> 00:47:28,400

clever hostile propaganda

1123

00:47:32,790 --> 00:47:30,319

the panel noted that the general absence

1124

00:47:34,870 --> 00:47:32,800

of russian propaganda based on a subject

1125

00:47:36,630 --> 00:47:34,880

with so many obvious possibilities for

1126

00:47:38,309 --> 00:47:36,640

exploitation

1127

00:47:41,190 --> 00:47:38,319

might indicate a possible russian

1128

00:47:42,710 --> 00:47:41,200

official policy

1129

00:47:45,109 --> 00:47:42,720

members of the panel had various

1130

00:47:47,589 --> 00:47:45,119

suggestions related to the planning of

1131

00:47:49,670 --> 00:47:47,599

such an educational program it was felt

1132

00:47:51,430 --> 00:47:49,680

strongly that the psychologist familiar

1133

00:47:53,349 --> 00:47:51,440

with mass psychology

1134

00:47:54,950 --> 00:47:53,359

should advise on the nature and extent

1135

00:47:57,349 --> 00:47:54,960

of the program

1136

00:47:59,750 --> 00:47:57,359

this connection dr headley cantrell

1137

00:48:02,710 --> 00:47:59,760

princeton university was suggested

1138

00:48:05,430 --> 00:48:02,720

he authored invasion from mars a study

1139

00:48:06,950 --> 00:48:05,440

in the uh psychology of panic written

1140

00:48:09,190 --> 00:48:06,960

about the famous orson welles radio

1141

00:48:10,630 --> 00:48:09,200

broke broadcast

1142

00:48:12,470 --> 00:48:10,640

and has since performed advanced

1143

00:48:16,309 --> 00:48:12,480

laboratory studies in the field of

1144

00:48:22,230 --> 00:48:18,829

a couple more

1145

00:48:23,910 --> 00:48:22,240

consultants consultants mentioned

1146

00:48:25,670 --> 00:48:23,920

also someone familiar with mass

1147

00:48:29,030 --> 00:48:25,680

communication techniques perhaps an

1148

00:48:31,910 --> 00:48:29,040

advertising expert would be helpful

1149

00:48:33,589 --> 00:48:31,920

arthur godfrey was mentioned as possibly

1150

00:48:35,030 --> 00:48:33,599

a valuable channel of communication

1151  
00:48:37,349 --> 00:48:35,040  
reaching a mass audience of certain

1152  
00:48:39,589 --> 00:48:37,359  
levels

1153  
00:48:42,069 --> 00:48:39,599  
someone suggested the us navy Inr

1154  
00:48:44,630 --> 00:48:42,079  
special devices center sands point as a

1155  
00:48:47,670 --> 00:48:44,640  
potentially valuable organization

1156  
00:48:49,750 --> 00:48:47,680  
to assist in such an educational program

1157  
00:48:51,910 --> 00:48:49,760  
the teaching techniques used by this

1158  
00:48:54,230 --> 00:48:51,920  
agency for aircraft identification

1159  
00:48:59,510 --> 00:48:54,240  
during the past war was cited as an

1160  
00:49:01,510 --> 00:48:59,520  
example of a similar educational task

1161  
00:49:03,750 --> 00:49:01,520  
the jam handy company which made world

1162  
00:49:06,069 --> 00:49:03,760  
war ii training films

1163  
00:49:10,790 --> 00:49:06,079

was also suggested as well as walt

1164

00:49:13,190 --> 00:49:10,800

disney incorporated animated cartoons

1165

00:49:15,430 --> 00:49:13,200

dr heineck suggested that the amateur

1166

00:49:17,270 --> 00:49:15,440

astronomer astronomers in the u.s might

1167

00:49:20,309 --> 00:49:17,280

be a potential source of enthusiastic

1168

00:49:22,790 --> 00:49:20,319

talent to spread the gospel

1169

00:49:24,870 --> 00:49:22,800

it was believed that business clubs high

1170

00:49:27,589 --> 00:49:24,880

schools colleges and television stations

1171

00:49:29,510 --> 00:49:27,599

would all be pleased to cooperate in the

1172

00:49:31,910 --> 00:49:29,520

showing of documentary type motion

1173

00:49:33,349 --> 00:49:31,920

pictures it prepared in an interesting

1174

00:49:36,069 --> 00:49:33,359

manner

1175

00:49:37,190 --> 00:49:36,079

the use of true cases showing the first

1176

00:49:39,270 --> 00:49:37,200

mystery

1177

00:49:44,230 --> 00:49:39,280

and then the explanation

1178

00:49:47,510 --> 00:49:45,990

to plan and execute such program the

1179

00:49:49,430 --> 00:49:47,520

panel believed

1180

00:49:53,910 --> 00:49:49,440

was no mean task the current

1181

00:49:55,190 --> 00:49:53,920

investigation invested invested

1182

00:49:59,910 --> 00:49:55,200

investigate

1183

00:50:05,430 --> 00:50:02,710

group at attic would of necessity have

1184

00:50:07,349 --> 00:50:05,440

to be closely integrated for support

1185

00:50:09,190 --> 00:50:07,359

with respect to not only

1186

00:50:11,750 --> 00:50:09,200

the historical cases but the current

1187

00:50:13,510 --> 00:50:11,760

ones recent cases are probably much more

1188

00:50:15,030 --> 00:50:13,520

susceptible to explanation than older

1189

00:50:16,230 --> 00:50:15,040

ones first because of addict's

1190

00:50:18,150 --> 00:50:16,240

experience

1191

00:50:19,910 --> 00:50:18,160

and secondly their knowledge of most

1192

00:50:22,150 --> 00:50:19,920

possible explanations

1193

00:50:23,910 --> 00:50:22,160

the panel believed that some expansion

1194

00:50:26,230 --> 00:50:23,920

of the attic effort would certainly be

1195

00:50:28,150 --> 00:50:26,240

required to support such program it was

1196

00:50:30,630 --> 00:50:28,160

believed inappropriate to state exactly

1197

00:50:33,270 --> 00:50:30,640

how large a table of organization would

1198

00:50:35,109 --> 00:50:33,280

be required captain rupel devatic

1199

00:50:43,430 --> 00:50:35,119

unofficially proposed for purposes of

1200

00:50:43,440 --> 00:50:46,870

so

1201  
00:50:46,880 --> 00:50:51,750  
there you have it

1202  
00:50:57,430 --> 00:50:54,720  
oh thanks laughing at me

1203  
00:50:59,510 --> 00:50:57,440  
[Laughter]

1204  
00:51:02,549 --> 00:50:59,520  
man just one of those days within maybe

1205  
00:51:05,829 --> 00:51:02,559  
reading too much i guess but um

1206  
00:51:10,309 --> 00:51:07,589  
you know

1207  
00:51:12,390 --> 00:51:10,319  
just straight up

1208  
00:51:15,270 --> 00:51:12,400  
straight up

1209  
00:51:16,549 --> 00:51:15,280  
a debunking campaign

1210  
00:51:19,910 --> 00:51:16,559  
so

1211  
00:51:23,510 --> 00:51:19,920  
we are going to move on

1212  
00:51:26,230 --> 00:51:23,520  
to our final segment of the day

1213  
00:51:32,230 --> 00:51:26,240

which is a little bit later

1214

00:51:32,240 --> 00:51:37,430

what the heck is that

1215

00:51:37,440 --> 00:51:43,530

what the heck is the heck is it

1216

00:51:49,750 --> 00:51:46,470

[Laughter]

1217

00:51:51,910 --> 00:51:49,760

oh yeah that never that will never get

1218

00:51:53,670 --> 00:51:51,920

old

1219

00:51:55,910 --> 00:51:53,680

maybe to you

1220

00:51:57,990 --> 00:51:55,920

maybe it has to me once before too

1221

00:52:00,870 --> 00:51:58,000

but

1222

00:52:02,829 --> 00:52:00,880

all right so this first one we get a ufo

1223

00:52:07,910 --> 00:52:02,839

caught

1224

00:52:11,510 --> 00:52:07,920

flying over oklahoma bricken city man

1225

00:52:13,990 --> 00:52:12,790

it's pretty short

1226

00:52:15,430 --> 00:52:14,000

so

1227

00:52:16,549 --> 00:52:15,440

it's kind of stupid actually too but

1228

00:52:17,580 --> 00:52:16,559

there's two more that are a little

1229

00:52:24,069 --> 00:52:17,590

better

1230

00:52:27,030 --> 00:52:25,829

meteorologist shelby hayes in for brad

1231

00:52:29,270 --> 00:52:27,040

styler she's telling us it's going to be

1232

00:52:32,390 --> 00:52:29,280

a little bit cooler today but still

1233

00:52:34,230 --> 00:52:32,400

going to be no that's better

1234

00:52:36,309 --> 00:52:34,240

that was probably

1235

00:52:42,470 --> 00:52:36,319

maybe a bird i don't know

1236

00:52:46,710 --> 00:52:45,270

i have to look at it again

1237

00:52:50,870 --> 00:52:46,720

it's hard to find good ones i'll tell

1238

00:52:54,230 --> 00:52:52,710

but uh you know

1239

00:52:58,630 --> 00:52:54,240

probably wouldn't

1240

00:52:58,640 --> 00:54:17,320

and we got this one

1241

00:54:17,330 --> 00:54:27,270

[Music]

1242

00:54:27,280 --> 00:55:07,910

i gotta turn this one off

1243

00:55:07,920 --> 00:55:13,109

unfortunately

1244

00:55:13,119 --> 00:55:16,309

interesting though

1245

00:55:19,430 --> 00:55:17,510

at first

1246

00:55:22,630 --> 00:55:19,440

we just need better quality but isn't

1247

00:55:29,589 --> 00:55:25,109

i think that is um

1248

00:55:34,069 --> 00:55:29,599

i think that's probably all i got

1249

00:55:37,589 --> 00:55:35,190

oh

1250

00:55:40,710 --> 00:55:37,599

there's a

1251  
00:55:44,789 --> 00:55:40,720  
oklahoma one where they say it was a

1252  
00:55:50,470 --> 00:55:46,870  
i don't know

1253  
00:55:54,870 --> 00:55:50,480  
not sure

1254  
00:55:58,950 --> 00:55:54,880  
so

1255  
00:55:58,960 --> 00:56:02,069  
um

1256  
00:56:07,109 --> 00:56:04,150  
had a couple tongue twisters

1257  
00:56:11,270 --> 00:56:07,119  
a couple of bloopers

1258  
00:56:15,349 --> 00:56:13,270  
pretty cool you guys want to see the

1259  
00:56:25,990 --> 00:56:15,359  
where they call it a meteorite video we

1260  
00:56:29,190 --> 00:56:27,670  
well i thought it was a bird so at least

1261  
00:58:34,630 --> 00:56:29,200  
it's a little better than that at least

1262  
00:58:34,640 --> 00:58:38,069  
come on

1263  
00:58:40,789 --> 00:58:39,349

no way

1264

00:58:42,789 --> 00:58:40,799

yeah

1265

00:58:45,109 --> 00:58:42,799

exactly

1266

00:58:51,170 --> 00:58:46,470

that one guy

1267

00:58:51,180 --> 00:58:57,349

[Laughter]

1268

00:59:03,990 --> 00:58:58,789

oh man

1269

00:59:08,549 --> 00:59:04,630

as

1270

00:59:10,630 --> 00:59:08,559

all right so

1271

00:59:12,390 --> 00:59:10,640

i will check y'all

1272

00:59:14,410 --> 00:59:12,400

later

1273

00:59:31,030 --> 00:59:14,420

peace
