

1
00:00:59,670 --> 00:00:41,890

[Music]

2
00:01:03,750 --> 00:01:01,270

what's up everybody

3
00:01:05,750 --> 00:01:03,760

happy freaking wednesday it's gonna be

4
00:01:07,190 --> 00:01:05,760

an awesome wednesday i got a couple

5
00:01:10,230 --> 00:01:07,200

great people

6
00:01:13,350 --> 00:01:10,240

backstage drinking pabst tall boys from

7
00:01:16,630 --> 00:01:13,360

the from the refrigerator back there

8
00:01:20,870 --> 00:01:16,640

while i get the mic hot for everybody

9
00:01:22,630 --> 00:01:20,880

um i'm totally over blowing it they're

10
00:01:24,070 --> 00:01:22,640

in their nice homes waiting patiently

11
00:01:25,510 --> 00:01:24,080

while i get through this blabber so i

12
00:01:26,469 --> 00:01:25,520

can bring them in

13
00:01:28,310 --> 00:01:26,479

and

14

00:01:30,789 --> 00:01:28,320

uh you know everybody the first one i'll

15

00:01:32,230 --> 00:01:30,799

bring in here is with us just about

16

00:01:33,910 --> 00:01:32,240

every wednesday

17

00:01:35,270 --> 00:01:33,920

i call my wednesday friend and this week

18

00:01:37,670 --> 00:01:35,280

he's actually going to be my thursday

19

00:01:40,230 --> 00:01:37,680

friend as well mr j

20

00:01:42,710 --> 00:01:40,240

christopher king how are you sir doing

21

00:01:43,910 --> 00:01:42,720

well sean how are you doing excellent

22

00:01:45,510 --> 00:01:43,920

thanks

23

00:01:47,749 --> 00:01:45,520

i had this um

24

00:01:50,389 --> 00:01:47,759

i had this like strange winnie the pooh

25

00:01:51,270 --> 00:01:50,399

moment uh right before i came on

26

00:01:54,389 --> 00:01:51,280

um

27

00:01:58,230 --> 00:01:54,399

i was i went for a jog as i often do

28

00:02:01,190 --> 00:01:58,240

before our wednesday show together and i

29

00:02:02,389 --> 00:02:01,200

i got back and then i threw

30

00:02:05,830 --> 00:02:02,399

together

31

00:02:08,869 --> 00:02:05,840

a a quick meal and that was um yogurt

32

00:02:10,550 --> 00:02:08,879

completely overwhelmed by by blueberries

33

00:02:13,510 --> 00:02:10,560

like flash frozen blueberries like

34

00:02:15,910 --> 00:02:13,520

really juicy kind right but blueberries

35

00:02:18,869 --> 00:02:15,920

yeah yeah yeah and so then so i had my

36

00:02:20,790 --> 00:02:18,879

jog i sit down i wolf my food down and

37

00:02:23,510 --> 00:02:20,800

then you know there's that one brief

38

00:02:25,190 --> 00:02:23,520

moment of the day where

39

00:02:26,869 --> 00:02:25,200

you know after you exercise hard you eat

40

00:02:29,030 --> 00:02:26,879

a meal where it's just like you don't

41

00:02:30,309 --> 00:02:29,040

think about anything like very naturally

42

00:02:32,390 --> 00:02:30,319

like nothing enters your head and you're

43

00:02:33,750 --> 00:02:32,400

just a zombie for that brief brief

44

00:02:35,830 --> 00:02:33,760

moment of time

45

00:02:37,670 --> 00:02:35,840

and then i popped back in the frame and

46

00:02:39,750 --> 00:02:37,680

i was like

47

00:02:42,150 --> 00:02:39,760

holy [h__\h] the blueberries and i was and

48

00:02:43,670 --> 00:02:42,160

i was like oh my good gosh my mouth is

49

00:02:45,589 --> 00:02:43,680

gonna be you know what i mean i run back

50

00:02:47,190 --> 00:02:45,599

to the bathroom oh right right right

51
00:02:48,830 --> 00:02:47,200
like yeah it's like a four-year-old you

52
00:02:49,990 --> 00:02:48,840
know what i mean the fourth of july

53
00:02:50,869 --> 00:02:50,000
parade and

54
00:02:56,869 --> 00:02:50,879
so

55
00:02:58,070 --> 00:02:56,879
moderately put together state after that

56
00:02:59,670 --> 00:02:58,080
yeah i'm looking forward to the show

57
00:03:01,190 --> 00:02:59,680
today and i'm looking forward to our

58
00:03:03,270 --> 00:03:01,200
show tomorrow i think both are gonna be

59
00:03:05,350 --> 00:03:03,280
awesome and thanks for the story that

60
00:03:06,949 --> 00:03:05,360
was a fantastic story i think we should

61
00:03:09,830 --> 00:03:06,959
probably talk about your pre-show

62
00:03:11,509 --> 00:03:09,840
routines so you can get that video out

63
00:03:13,190 --> 00:03:11,519

yeah

64

00:03:15,030 --> 00:03:13,200

when i was in high school i smoked a

65

00:03:15,910 --> 00:03:15,040

little weed i don't do that anymore but

66

00:03:17,589 --> 00:03:15,920

uh

67

00:03:19,830 --> 00:03:17,599

me and my friends were in that this old

68

00:03:21,670 --> 00:03:19,840

beatdown firebird and we all ate a brick

69

00:03:23,270 --> 00:03:21,680

of orange tic tacs

70

00:03:27,110 --> 00:03:23,280

you know walking around the mall with

71

00:03:27,830 --> 00:03:27,120

orange mouse it was fantastic but yeah

72

00:03:32,949 --> 00:03:27,840

so

73

00:03:34,550 --> 00:03:32,959

i hope i hope everybody in the chat was

74

00:03:37,030 --> 00:03:34,560

uh writing that down that's really

75

00:03:38,550 --> 00:03:37,040

important information

76

00:03:40,309 --> 00:03:38,560

what's up everybody in the chat by the

77

00:03:43,030 --> 00:03:40,319

way good to see you as always i'm gonna

78

00:03:44,630 --> 00:03:43,040

do a little introduction here this time

79

00:03:47,270 --> 00:03:44,640

since you always do it i thought i'd do

80

00:03:49,750 --> 00:03:47,280

it this time um and i didn't have to

81

00:03:51,830 --> 00:03:49,760

write it so i'm just reading it and i'm

82

00:03:54,470 --> 00:03:51,840

pretty good at doing that so

83

00:03:56,550 --> 00:03:54,480

um our guest today dad smith was born

84

00:03:58,070 --> 00:03:56,560

and still lives in best summers at uk he

85

00:04:00,550 --> 00:03:58,080

is a graphic designer artist and

86

00:04:02,949 --> 00:04:00,560

photographer he first trained in crv

87

00:04:04,470 --> 00:04:02,959

controlled remote viewing in 1996 and

88

00:04:06,149 --> 00:04:04,480

has been developing his skills and

89

00:04:07,030 --> 00:04:06,159

knowledge in this intuitive art ever

90

00:04:09,190 --> 00:04:07,040

since

91

00:04:11,190 --> 00:04:09,200

dez has grown to become a leading cr-v

92

00:04:13,190 --> 00:04:11,200

remote viewing practitioner and is well

93

00:04:15,670 --> 00:04:13,200

respected within this field

94

00:04:17,509 --> 00:04:15,680

from an early age 10 years old dez was

95

00:04:19,349 --> 00:04:17,519

hooked on all things psychic and

96

00:04:20,550 --> 00:04:19,359

paranormal and he initially trained in

97

00:04:23,430 --> 00:04:20,560

mediation

98

00:04:24,310 --> 00:04:23,440

clairvoyance healing um

99

00:04:27,189 --> 00:04:24,320

oh

100

00:04:30,469 --> 00:04:28,710

all right we'll just bring him in uh

101
00:04:32,550 --> 00:04:30,479
esoteric arts and he stumbled upon

102
00:04:35,350 --> 00:04:32,560
remote viewing in 1992

103
00:04:36,230 --> 00:04:35,360
since then dez has primarily focused on

104
00:04:38,790 --> 00:04:36,240
learning

105
00:04:41,350 --> 00:04:38,800
crv he's got plenty of books i put his

106
00:04:43,189 --> 00:04:41,360
uh link to purchase them in the

107
00:04:44,550 --> 00:04:43,199
description of his website without

108
00:04:47,510 --> 00:04:44,560
further ado

109
00:04:48,629 --> 00:04:47,520
mr dan smith how are you

110
00:04:53,110 --> 00:04:48,639
good evening

111
00:04:54,710 --> 00:04:53,120
sorry about uh stumbling upon the one

112
00:04:57,590 --> 00:04:54,720
word uh

113
00:05:01,029 --> 00:04:57,600

divination divination there it is okay

114

00:05:02,310 --> 00:05:01,039

that's it's a new one for me so

115

00:05:04,469 --> 00:05:02,320

you know and when you when you read it

116

00:05:06,390 --> 00:05:04,479

live you're like i i

117

00:05:09,110 --> 00:05:06,400

i doubt myself and i'm like probably

118

00:05:11,430 --> 00:05:09,120

going to screw that up

119

00:05:13,909 --> 00:05:11,440

because it covers uh for me it covers

120

00:05:17,029 --> 00:05:13,919

tarot cards uh i did all the traditional

121

00:05:17,909 --> 00:05:17,039

stuff like td reading sand reading

122

00:05:20,150 --> 00:05:17,919

um

123

00:05:23,029 --> 00:05:20,160

scrying with crystal balls and all that

124

00:05:24,790 --> 00:05:23,039

all that kind of real classical psychic

125

00:05:25,990 --> 00:05:24,800

training a lot of a lot of remote

126

00:05:27,749 --> 00:05:26,000

viewers have never

127

00:05:29,270 --> 00:05:27,759

really encountered that kind of uh

128

00:05:31,510 --> 00:05:29,280

classical training

129

00:05:33,430 --> 00:05:31,520

so i guess my first question would be

130

00:05:36,469 --> 00:05:33,440

you know since

131

00:05:39,029 --> 00:05:36,479

you know you spent so much time in uh

132

00:05:42,150 --> 00:05:39,039

paranormal psychic stuff and and trying

133

00:05:45,430 --> 00:05:42,160

different things um what was it about

134

00:05:47,430 --> 00:05:45,440

the remote viewing that pulled you into

135

00:05:49,749 --> 00:05:47,440

what seemingly made you kind of a

136

00:05:51,830 --> 00:05:49,759

harness and focus on that most of your

137

00:05:54,070 --> 00:05:51,840

your life yeah yeah good question and to

138

00:05:56,550 --> 00:05:54,080

be honest i've literally spent the last

139

00:05:57,830 --> 00:05:56,560

24 going on 25 now

140

00:05:59,990 --> 00:05:57,840

uh years

141

00:06:01,670 --> 00:06:00,000

primarily on remote viewing because i

142

00:06:04,390 --> 00:06:01,680

found that it is

143

00:06:06,710 --> 00:06:04,400

the you know it is the paramount tool is

144

00:06:09,990 --> 00:06:06,720

way better than all the other techniques

145

00:06:11,990 --> 00:06:10,000

that's primarily because um

146

00:06:14,469 --> 00:06:12,000

the analogy is uh with all the other

147

00:06:15,990 --> 00:06:14,479

classical techniques you'll be in a car

148

00:06:18,230 --> 00:06:16,000

going along a road and you beat a

149

00:06:20,550 --> 00:06:18,240

passenger in a car and the process

150

00:06:22,950 --> 00:06:20,560

itself or the psychic-ness would be

151
00:06:24,390 --> 00:06:22,960
driving the car so you'd be seeing

152
00:06:25,670 --> 00:06:24,400
things out the window but you wouldn't

153
00:06:27,029 --> 00:06:25,680
have a chance to really take it in

154
00:06:28,309 --> 00:06:27,039
because you'd be going past it like this

155
00:06:30,070 --> 00:06:28,319
and it'd be gone

156
00:06:33,189 --> 00:06:30,080
and the host the whole process is

157
00:06:35,430 --> 00:06:33,199
spontaneous it's in control of you

158
00:06:36,950 --> 00:06:35,440
we're remote viewing and can wrote uh

159
00:06:39,510 --> 00:06:36,960
controlled remote viewing technique that

160
00:06:40,230 --> 00:06:39,520
i've i've taught uh been taught i should

161
00:06:42,150 --> 00:06:40,240
say

162
00:06:43,830 --> 00:06:42,160
uh it pushes it swipes it switches it

163
00:06:45,189 --> 00:06:43,840

around so i'm in the passenger seat of

164

00:06:46,710 --> 00:06:45,199

the car

165

00:06:48,309 --> 00:06:46,720

so when i when i decide that i'm going

166

00:06:50,790 --> 00:06:48,319

to do a remote viewing session i sit

167

00:06:52,629 --> 00:06:50,800

down for one to two hours i'm in total

168

00:06:54,469 --> 00:06:52,639

control of everything that happens for

169

00:06:56,070 --> 00:06:54,479

that one or two hours

170

00:06:58,150 --> 00:06:56,080

um so it's a complete yeah it's a

171

00:07:00,469 --> 00:06:58,160

complete different process and it's

172

00:07:02,390 --> 00:07:00,479

it allows you an element of control and

173

00:07:03,350 --> 00:07:02,400

in that control it allows you an element

174

00:07:05,350 --> 00:07:03,360

of uh

175

00:07:07,510 --> 00:07:05,360

accuracy as well which is way better

176

00:07:10,230 --> 00:07:07,520

than classical techniques

177

00:07:11,670 --> 00:07:10,240

yeah uh well put who who are your first

178

00:07:14,390 --> 00:07:11,680

uh teachers or

179

00:07:16,550 --> 00:07:14,400

who is the teacher that i guess made the

180

00:07:18,469 --> 00:07:16,560

biggest impression on you that maybe

181

00:07:20,309 --> 00:07:18,479

molded your style and you know your

182

00:07:23,189 --> 00:07:20,319

future technique

183

00:07:26,070 --> 00:07:23,199

um in remote viewing i've only really

184

00:07:28,950 --> 00:07:26,080

had uh i only took training for four

185

00:07:30,790 --> 00:07:28,960

days and that was way back in 1997

186

00:07:32,870 --> 00:07:30,800

and that was from a guy called lee

187

00:07:35,350 --> 00:07:32,880

culver who claimed to be

188

00:07:37,670 --> 00:07:35,360

ex-military special forces and claimed

189

00:07:38,870 --> 00:07:37,680

to have been trained in the the crv

190

00:07:40,309 --> 00:07:38,880

technique because that's the technique

191

00:07:41,510 --> 00:07:40,319

that the ministry guys were being

192

00:07:43,189 --> 00:07:41,520

trained back then

193

00:07:45,350 --> 00:07:43,199

and so i literally only have four days

194

00:07:47,749 --> 00:07:45,360

training with him and then i literally

195

00:07:50,230 --> 00:07:47,759

you know i i say to people now i'm still

196

00:07:51,749 --> 00:07:50,240

what i class as a student of remote

197

00:07:53,029 --> 00:07:51,759

viewing you know every time i do a

198

00:07:54,629 --> 00:07:53,039

remote viewing session i feel i learn

199

00:07:56,950 --> 00:07:54,639

something new so

200

00:07:58,550 --> 00:07:56,960

yeah it's just been a 25-year

201
00:08:00,230 --> 00:07:58,560
progressional

202
00:08:03,110 --> 00:08:00,240
learning experience for me

203
00:08:05,029 --> 00:08:03,120
yeah well i think any good um

204
00:08:06,790 --> 00:08:05,039
anyone who's really good at what they do

205
00:08:09,749 --> 00:08:06,800
will always you know more or less

206
00:08:11,990 --> 00:08:09,759
consider themselves a student

207
00:08:13,430 --> 00:08:12,000
you know if you're not learning uh

208
00:08:15,270 --> 00:08:13,440
you're going backwards to a certain

209
00:08:16,550 --> 00:08:15,280
extent right absolutely it's all about

210
00:08:17,350 --> 00:08:16,560
the journey yeah

211
00:08:19,270 --> 00:08:17,360
yeah

212
00:08:22,309 --> 00:08:19,280
jay what do you got you it looks like

213
00:08:25,189 --> 00:08:22,319

you have a burning question

214

00:08:29,270 --> 00:08:25,199

sure um yeah it's great to meet you des

215

00:08:30,629 --> 00:08:29,280

um i um a couple weeks ago i uh on the

216

00:08:33,670 --> 00:08:30,639

experiencer group we were having a

217

00:08:35,909 --> 00:08:33,680

conversation with uh dr k randall may

218

00:08:38,829 --> 00:08:35,919

who of course met a medical intuitive

219

00:08:42,310 --> 00:08:38,839

and also a remote viewer and um

220

00:08:44,470 --> 00:08:42,320

she she was talking about um

221

00:08:46,949 --> 00:08:44,480

she likes to term it extended sense

222

00:08:48,389 --> 00:08:46,959

perception rather than extra sensory

223

00:08:51,110 --> 00:08:48,399

perception when we're talking about

224

00:08:54,230 --> 00:08:51,120

things like this and um and she was

225

00:08:57,269 --> 00:08:54,240

talking about how she came from a family

226

00:08:59,269 --> 00:08:57,279

where this was not outside the realm of

227

00:09:01,110 --> 00:08:59,279

normalcy you know there was there's the

228

00:09:03,269 --> 00:09:01,120

understanding that

229

00:09:06,150 --> 00:09:03,279

um there's a lineage of people with

230

00:09:07,750 --> 00:09:06,160

quote unquote second sight um that had

231

00:09:09,430 --> 00:09:07,760

kind of worked on their techniques over

232

00:09:10,790 --> 00:09:09,440

the years and things like that and it

233

00:09:12,310 --> 00:09:10,800

wasn't their profession but it was

234

00:09:14,790 --> 00:09:12,320

something that was kind of a

235

00:09:18,630 --> 00:09:14,800

kind of a well-known family secret in a

236

00:09:21,269 --> 00:09:18,640

way um it's similarly just wondering um

237

00:09:23,750 --> 00:09:21,279

with regard to your upbringing

238

00:09:25,509 --> 00:09:23,760

to steal a question from gordon white

239

00:09:27,829 --> 00:09:25,519

were you a weird kid

240

00:09:30,630 --> 00:09:27,839

and um and when did this really come

241

00:09:34,550 --> 00:09:32,150

pretty much mirrors that experience

242

00:09:36,310 --> 00:09:34,560

really i was i'm finding myself quite

243

00:09:38,150 --> 00:09:36,320

lucky because a lot of people i know

244

00:09:39,750 --> 00:09:38,160

from remote viewing have come from

245

00:09:42,470 --> 00:09:39,760

backgrounds where

246

00:09:45,670 --> 00:09:42,480

uh psychic ability or being intuitive

247

00:09:48,630 --> 00:09:45,680

was frowned upon and i was just lucky in

248

00:09:50,870 --> 00:09:48,640

that i was i was brought up in

249

00:09:52,150 --> 00:09:50,880

in a family environment where my mother

250

00:09:56,310 --> 00:09:52,160

was

251

00:09:58,870 --> 00:09:56,320

spiritualist church in bath itself and

252

00:10:00,389 --> 00:09:58,880

she was training in medium shipping and

253

00:10:01,910 --> 00:10:00,399

healing techniques and everything

254

00:10:04,470 --> 00:10:01,920

psychic at the time

255

00:10:07,269 --> 00:10:04,480

so growing up we always had a vast

256

00:10:08,310 --> 00:10:07,279

library of books on the all these

257

00:10:09,990 --> 00:10:08,320

subjects

258

00:10:12,230 --> 00:10:10,000

so it was just it was just natural for

259

00:10:14,389 --> 00:10:12,240

me uh you know a very early age to go to

260

00:10:16,389 --> 00:10:14,399

the library and pick up books on this

261

00:10:18,630 --> 00:10:16,399

subject so yeah it wasn't frowned upon

262

00:10:20,949 --> 00:10:18,640

and that i think that's where

263

00:10:22,790 --> 00:10:20,959

it has helped me among uh above other

264

00:10:24,150 --> 00:10:22,800

people in the removing field in that i

265

00:10:27,750 --> 00:10:24,160

had this

266

00:10:29,750 --> 00:10:27,760

very big um

267

00:10:30,949 --> 00:10:29,760

very big head start on a lot of people

268

00:10:33,110 --> 00:10:30,959

really yeah

269

00:10:35,990 --> 00:10:33,120

and as i said i started i think the

270

00:10:37,750 --> 00:10:36,000

first books i read uh which really got

271

00:10:39,750 --> 00:10:37,760

me interested in this subject i was 10

272

00:10:41,509 --> 00:10:39,760

years old i read lots of books and it

273

00:10:43,430 --> 00:10:41,519

was just traditional books in a set like

274

00:10:45,509 --> 00:10:43,440

one one book was about ghosts and ghost

275

00:10:47,350 --> 00:10:45,519

stories the next book was about ufo

276

00:10:49,110 --> 00:10:47,360

stories and the next book was about you

277

00:10:50,870 --> 00:10:49,120

know psychic stuff and it's like a

278

00:10:53,269 --> 00:10:50,880

children's set of books and that that

279

00:10:54,630 --> 00:10:53,279

kick started me off uh into formal

280

00:10:56,790 --> 00:10:54,640

training which i started taking at the

281

00:11:00,069 --> 00:10:56,800

age of about 14 15.

282

00:11:02,630 --> 00:11:00,079

well uh since you mentioned ufos i think

283

00:11:04,150 --> 00:11:02,640

a good question would be have you ever

284

00:11:05,750 --> 00:11:04,160

been um

285

00:11:08,790 --> 00:11:05,760

you know has that ever wound up being a

286

00:11:11,430 --> 00:11:08,800

target for you a ufo or a uap

287

00:11:13,990 --> 00:11:11,440

oh yes yes many times

288

00:11:16,230 --> 00:11:14,000

not as many as i'd like and because i

289

00:11:18,870 --> 00:11:16,240

have a big bank of targets that i'd like

290

00:11:20,310 --> 00:11:18,880

to explore myself but i can until

291

00:11:21,910 --> 00:11:20,320

someone tasks me because everything we

292

00:11:23,509 --> 00:11:21,920

do with remote viewing

293

00:11:24,710 --> 00:11:23,519

we have to be totally blind to the

294

00:11:26,550 --> 00:11:24,720

target

295

00:11:28,790 --> 00:11:26,560

um but yeah i've done

296

00:11:30,470 --> 00:11:28,800

many targets and a lot of them are on my

297

00:11:32,389 --> 00:11:30,480

youtube channel and online you know i've

298

00:11:35,350 --> 00:11:32,399

put them online for people to view

299

00:11:36,550 --> 00:11:35,360

for free so you know area 51 the phoenix

300

00:11:40,550 --> 00:11:36,560

lights

301
00:11:42,790 --> 00:11:40,560
roswell stuff on the moon stuff on mars

302
00:11:44,230 --> 00:11:42,800
uh yeah you name it it's

303
00:11:45,509 --> 00:11:44,240
it's is that there really for people to

304
00:11:47,190 --> 00:11:45,519
have a look at

305
00:11:48,710 --> 00:11:47,200
um any of them

306
00:11:50,790 --> 00:11:48,720
you know wind up being emotionally

307
00:11:52,949 --> 00:11:50,800
impactful

308
00:11:55,030 --> 00:11:52,959
not for me um

309
00:11:56,310 --> 00:11:55,040
because uh some people get a bit

310
00:11:58,550 --> 00:11:56,320
engrossed in the target they have an

311
00:12:00,629 --> 00:11:58,560
emotional contact with things i'm

312
00:12:02,389 --> 00:12:00,639
i have a different philosophy about it

313
00:12:04,230 --> 00:12:02,399

all you know i'm quite rigid and strict

314

00:12:05,910 --> 00:12:04,240

in that

315

00:12:07,190 --> 00:12:05,920

i don't you know as a remote viewers we

316

00:12:09,030 --> 00:12:07,200

don't travel anywhere we don't go

317

00:12:11,030 --> 00:12:09,040

anywhere to any targets or anything the

318

00:12:12,790 --> 00:12:11,040

information is just

319

00:12:14,069 --> 00:12:12,800

everywhere in the universe and all i'm

320

00:12:16,470 --> 00:12:14,079

doing is just tapping into that

321

00:12:17,990 --> 00:12:16,480

information so if i'm seeing

322

00:12:20,629 --> 00:12:18,000

or having

323

00:12:23,350 --> 00:12:20,639

or getting data or going inside the head

324

00:12:24,629 --> 00:12:23,360

of uh of a life form you know and it

325

00:12:25,910 --> 00:12:24,639

might be a

326

00:12:27,430 --> 00:12:25,920

i don't like to use the word

327

00:12:28,550 --> 00:12:27,440

extraterrestrial because we just don't

328

00:12:30,310 --> 00:12:28,560

know what they are at the moment it's a

329

00:12:32,150 --> 00:12:30,320

non-human so if i'm going into the head

330

00:12:33,990 --> 00:12:32,160

of a non-human to to get their faults

331

00:12:35,750 --> 00:12:34,000

and their kind of feelings and stuff

332

00:12:38,550 --> 00:12:35,760

it's not really going into them it's

333

00:12:41,110 --> 00:12:38,560

just accessing data in this vast library

334

00:12:43,030 --> 00:12:41,120

that we're all a part of so

335

00:12:45,269 --> 00:12:43,040

yeah i don't see it as being

336

00:12:49,030 --> 00:12:45,279

emotionally impactful in any way other

337

00:12:50,389 --> 00:12:49,040

than i did 250 missing persons cases for

338

00:12:51,509 --> 00:12:50,399

pretty much every police state in

339

00:12:54,550 --> 00:12:51,519

america

340

00:12:55,590 --> 00:12:54,560

and after you do 250 of those with and

341

00:12:57,350 --> 00:12:55,600

you know

342

00:12:59,110 --> 00:12:57,360

more often than not they turn out to be

343

00:13:01,670 --> 00:12:59,120

rapes murders and all kinds of

344

00:13:03,670 --> 00:13:01,680

atrocities those kind of things day in

345

00:13:04,550 --> 00:13:03,680

there do do take a toll on you after a

346

00:13:05,430 --> 00:13:04,560

while

347

00:13:08,710 --> 00:13:05,440

yeah

348

00:13:12,310 --> 00:13:08,720

um along the lines of those missing

349

00:13:15,269 --> 00:13:12,320

persons cases um i'm wondering um

350

00:13:17,990 --> 00:13:15,279

what was i guess it's it's kind of an

351

00:13:20,550 --> 00:13:18,000

uh an f question to ask but what what

352

00:13:23,430 --> 00:13:20,560

was your what was your favorite case as

353

00:13:25,910 --> 00:13:23,440

far as a missing person's case that that

354

00:13:28,550 --> 00:13:25,920

for whatever reason you know

355

00:13:35,030 --> 00:13:32,069

a favorite one i have several um

356

00:13:37,829 --> 00:13:35,040

the biggest one i did uh which accounts

357

00:13:39,670 --> 00:13:37,839

for a majority of the cases

358

00:13:42,230 --> 00:13:39,680

uh

359

00:13:43,430 --> 00:13:42,240

was a i was essentially sent a

360

00:13:46,829 --> 00:13:43,440

spreadsheet

361

00:13:50,069 --> 00:13:46,839

uh from from some detectives and i had

362

00:13:51,750 --> 00:13:50,079

180 cases in it that they

363

00:13:53,910 --> 00:13:51,760

attributed or they felt were

364

00:13:56,550 --> 00:13:53,920

attributable to

365

00:13:59,430 --> 00:13:56,560

a single person serial killer or a group

366

00:14:02,710 --> 00:13:59,440

of serial killers and it ended up being

367

00:14:04,790 --> 00:14:02,720

called the smiley face killer project

368

00:14:06,870 --> 00:14:04,800

and it's you know had a tv series made

369

00:14:09,590 --> 00:14:06,880

about it and all kinds of stuff and it's

370

00:14:12,389 --> 00:14:09,600

essentially there were these cases of

371

00:14:14,230 --> 00:14:12,399

young men of university age

372

00:14:16,710 --> 00:14:14,240

that would go out on a night drinking

373

00:14:20,150 --> 00:14:16,720

and then they would invariably be found

374

00:14:22,230 --> 00:14:20,160

days later dead in in in a water area

375

00:14:24,470 --> 00:14:22,240

and sometimes left in the vicinity would

376

00:14:26,389 --> 00:14:24,480

be a you know a spray-painted smiley

377

00:14:27,990 --> 00:14:26,399

face or something and this you know went

378

00:14:30,310 --> 00:14:28,000

on in virtually every state in america

379

00:14:32,069 --> 00:14:30,320

180 cases and the last 10 years or so

380

00:14:34,150 --> 00:14:32,079

i've actually seen it even spread to the

381

00:14:36,470 --> 00:14:34,160

uk here we have we have a huge amount of

382

00:14:38,790 --> 00:14:36,480

these very similar deaths very very

383

00:14:40,310 --> 00:14:38,800

spooky really similar so i worked that

384

00:14:43,430 --> 00:14:40,320

case and that was the biggest one when

385

00:14:46,150 --> 00:14:43,440

you trying to look at a spreadsheet 180

386

00:14:48,230 --> 00:14:46,160

um dead dead young men

387

00:14:49,910 --> 00:14:48,240

uh and then trying to work out with the

388

00:14:51,350 --> 00:14:49,920

detectives

389

00:14:53,990 --> 00:14:51,360

what the best approach because obviously

390

00:14:55,670 --> 00:14:54,000

i can't look at i can't do a

391

00:14:58,710 --> 00:14:55,680

prejudice on each and every one of the

392

00:15:00,710 --> 00:14:58,720

180 men you know an hour two hours each

393

00:15:01,509 --> 00:15:00,720

because that you know just impossible to

394

00:15:04,069 --> 00:15:01,519

do

395

00:15:05,590 --> 00:15:04,079

so we ended up picking uh

396

00:15:07,670 --> 00:15:05,600

one of the cases of someone that

397

00:15:09,509 --> 00:15:07,680

survived the

398

00:15:11,430 --> 00:15:09,519

in one of these murder type attempts and

399

00:15:12,790 --> 00:15:11,440

that i looked at that and then i tried

400

00:15:13,829 --> 00:15:12,800

to

401
00:15:15,590 --> 00:15:13,839
uh

402
00:15:16,949 --> 00:15:15,600
back engineer it to where these people

403
00:15:18,790 --> 00:15:16,959
come from and their motives and all that

404
00:15:21,269 --> 00:15:18,800
kind of stuff and that so that was the

405
00:15:22,870 --> 00:15:21,279
that was probably the most interesting

406
00:15:24,470 --> 00:15:22,880
project yeah

407
00:15:27,030 --> 00:15:24,480
well

408
00:15:29,110 --> 00:15:27,040
that's that's um quite

409
00:15:29,990 --> 00:15:29,120
that's a lot to bear uh something like

410
00:15:32,310 --> 00:15:30,000
that

411
00:15:33,990 --> 00:15:32,320
you know um good on good on you for

412
00:15:36,069 --> 00:15:34,000
doing that i mean what better way to use

413
00:15:38,470 --> 00:15:36,079

your your skills and talents than

414

00:15:40,629 --> 00:15:38,480

than to do something like that so thank

415

00:15:41,670 --> 00:15:40,639

you on behalf of everybody else uh for

416

00:15:43,350 --> 00:15:41,680

doing that

417

00:15:45,590 --> 00:15:43,360

um

418

00:15:48,790 --> 00:15:45,600

not to move backwards but i saw this a

419

00:15:50,470 --> 00:15:48,800

very interesting question come in

420

00:15:52,230 --> 00:15:50,480

uh has

421

00:15:54,550 --> 00:15:52,240

as dez remote viewed the moon base

422

00:15:56,150 --> 00:15:54,560

described by ingo one

423

00:16:00,629 --> 00:15:56,160

um

424

00:16:02,389 --> 00:16:00,639

but an answer to that question uh i

425

00:16:04,949 --> 00:16:02,399

publish a a magazine called eight

426

00:16:06,550 --> 00:16:04,959

martinis it's a it's a freeman viewing

427

00:16:09,189 --> 00:16:06,560

magazine i think we're on issue someone

428

00:16:11,749 --> 00:16:09,199

like 18. been going 10 years and the

429

00:16:14,069 --> 00:16:11,759

very last issue i just did

430

00:16:17,430 --> 00:16:14,079

that i just put out there um

431

00:16:20,069 --> 00:16:17,440

actually has new material from

432

00:16:22,150 --> 00:16:20,079

the legendary ingo swan that was never

433

00:16:23,670 --> 00:16:22,160

published before where he actually went

434

00:16:24,949 --> 00:16:23,680

back to the moon

435

00:16:26,470 --> 00:16:24,959

uh and he

436

00:16:28,389 --> 00:16:26,480

when he went back to the moon yet he had

437

00:16:31,030 --> 00:16:28,399

conversations with

438

00:16:32,629 --> 00:16:31,040

these alleged aliens that had massive

439

00:16:35,509 --> 00:16:32,639

telepathic abilities on the moon they

440

00:16:37,189 --> 00:16:35,519

had offensive and they had two sets of

441

00:16:39,590 --> 00:16:37,199

two sets of like telepaths in this in

442

00:16:42,470 --> 00:16:39,600

this structure um

443

00:16:44,069 --> 00:16:42,480

one set were offensive telepaths

444

00:16:45,990 --> 00:16:44,079

and the other the other set were

445

00:16:47,269 --> 00:16:46,000

defensive telepaths

446

00:16:49,189 --> 00:16:47,279

um

447

00:16:51,509 --> 00:16:49,199

so anyway so i haven't seen that exact

448

00:16:54,150 --> 00:16:51,519

moon based stuff myself but if anyone

449

00:16:56,069 --> 00:16:54,160

wants to get any new expansion uh

450

00:16:57,990 --> 00:16:56,079

information on that it's in as i said

451
00:16:59,030 --> 00:16:58,000
the latest issue of my eight martinis

452
00:17:00,470 --> 00:16:59,040
magazine

453
00:17:02,829 --> 00:17:00,480
uh where can they find that on your

454
00:17:05,909 --> 00:17:02,839
website yeah that'd be on a marching

455
00:17:07,669 --> 00:17:05,919
news.com all right awesome yeah and it's

456
00:17:10,710 --> 00:17:07,679
free you can order a print version at

457
00:17:13,029 --> 00:17:10,720
cost or they can just download a pdf pdf

458
00:17:14,870 --> 00:17:13,039
for free cool

459
00:17:17,590 --> 00:17:14,880
speaking of the site and speaking of

460
00:17:20,390 --> 00:17:17,600
ingo swan i i was looking earlier and

461
00:17:22,949 --> 00:17:20,400
saw that you had a chance to

462
00:17:24,870 --> 00:17:22,959
have some conversations and met and go

463
00:17:26,549 --> 00:17:24,880

um before he passed can you tell us a

464

00:17:29,669 --> 00:17:26,559

little bit about how that went

465

00:17:30,950 --> 00:17:29,679

yeah yeah i spoke to ingo for

466

00:17:32,150 --> 00:17:30,960

i mean i wouldn't class myself as a

467

00:17:34,789 --> 00:17:32,160

great friend but you know i was a

468

00:17:37,590 --> 00:17:34,799

contact of his um and he contacted me i

469

00:17:40,310 --> 00:17:37,600

think in around about 2007 because i was

470

00:17:41,669 --> 00:17:40,320

defending his controlled remote viewing

471

00:17:45,669 --> 00:17:41,679

um

472

00:17:47,190 --> 00:17:45,679

there's always been a lot of controversy

473

00:17:49,029 --> 00:17:47,200

about remote viewing and there's a lot

474

00:17:51,190 --> 00:17:49,039

of warring between different factions

475

00:17:53,350 --> 00:17:51,200

and and groups and tribes

476

00:17:54,870 --> 00:17:53,360

so i was defending his work on that and

477

00:17:57,750 --> 00:17:54,880

because i was defending it he reached

478

00:17:58,710 --> 00:17:57,760

out to me and then we dialogued over

479

00:17:59,830 --> 00:17:58,720

uh

480

00:18:01,669 --> 00:17:59,840

communications and electronic

481

00:18:04,150 --> 00:18:01,679

communications for a number of years

482

00:18:05,830 --> 00:18:04,160

until 2011 when you know

483

00:18:07,830 --> 00:18:05,840

essentially he arranged me to go see him

484

00:18:09,510 --> 00:18:07,840

for the week but he was he was unwell at

485

00:18:11,750 --> 00:18:09,520

the time you know he was getting near

486

00:18:14,549 --> 00:18:11,760

the end of his life kind of stages

487

00:18:17,270 --> 00:18:14,559

um so i only end up spending you know a

488

00:18:18,549 --> 00:18:17,280

few hours almost a day with him but yeah

489

00:18:20,390 --> 00:18:18,559

it was a you know it was an amazing

490

00:18:22,150 --> 00:18:20,400

experience because um

491

00:18:24,710 --> 00:18:22,160

he's the guy that essentially invented

492

00:18:25,909 --> 00:18:24,720

remote viewing one of the most tested

493

00:18:27,270 --> 00:18:25,919

psychics in the world i think he did

494

00:18:29,590 --> 00:18:27,280

over a million

495

00:18:30,470 --> 00:18:29,600

science experiments to his name yeah

496

00:18:32,549 --> 00:18:30,480

well

497

00:18:33,909 --> 00:18:32,559

an absolutely amazing record and just a

498

00:18:36,630 --> 00:18:33,919

genius in himself you know because he

499

00:18:38,390 --> 00:18:36,640

was he was a writer and an artist so

500

00:18:39,750 --> 00:18:38,400

just being in his art studio and having

501
00:18:42,230 --> 00:18:39,760
all of his uh

502
00:18:44,390 --> 00:18:42,240
amazing spirituality and esoteric art

503
00:18:46,950 --> 00:18:44,400
where it's all around as you as you're

504
00:18:48,630 --> 00:18:46,960
in his uh studio was just yeah it was

505
00:18:50,230 --> 00:18:48,640
just a an awesome experience and i was

506
00:18:52,470 --> 00:18:50,240
lucky to be one of the

507
00:18:55,350 --> 00:18:52,480
few people invited to to visit him in

508
00:18:57,590 --> 00:18:55,360
his in his place

509
00:18:58,870 --> 00:18:57,600
um one follow-up question uh we spoke

510
00:19:01,270 --> 00:18:58,880
with nick cook

511
00:19:02,470 --> 00:19:01,280
uh a couple months ago and he was

512
00:19:04,230 --> 00:19:02,480
mentioning

513
00:19:06,390 --> 00:19:04,240

um ingo's

514

00:19:08,870 --> 00:19:06,400

somewhat um famous

515

00:19:11,270 --> 00:19:08,880

vetting that he would do where he would

516

00:19:14,230 --> 00:19:11,280

kind of dress up kind of like a homeless

517

00:19:16,710 --> 00:19:14,240

person like like a person an unhomed

518

00:19:18,789 --> 00:19:16,720

person outside of his house yeah and

519

00:19:21,750 --> 00:19:18,799

kind of suss you out before he let you

520

00:19:23,990 --> 00:19:21,760

in um was he still was there still some

521

00:19:26,310 --> 00:19:24,000

element of vetting before you came in

522

00:19:27,909 --> 00:19:26,320

yeah absolutely yeah yeah

523

00:19:30,070 --> 00:19:27,919

yeah because uh there was a there was a

524

00:19:32,549 --> 00:19:30,080

middle man person there as well uh a guy

525

00:19:34,070 --> 00:19:32,559

that was very interested in um remote

526

00:19:35,750 --> 00:19:34,080

viewing but also an accomplished

527

00:19:37,510 --> 00:19:35,760

ufologist called

528

00:19:39,270 --> 00:19:37,520

bob or robert durant

529

00:19:41,110 --> 00:19:39,280

and he was a good you know go between a

530

00:19:43,909 --> 00:19:41,120

friend and he was there so when i got

531

00:19:46,630 --> 00:19:43,919

attacked him and uh ingo and bob brazat

532

00:19:49,669 --> 00:19:46,640

on the uh the stoop or the stairs yeah

533

00:19:51,350 --> 00:19:49,679

outside of uh ingo's brownstone in in

534

00:19:52,390 --> 00:19:51,360

in new york there

535

00:19:53,669 --> 00:19:52,400

um

536

00:19:56,070 --> 00:19:53,679

and essentially you know you had to

537

00:19:58,070 --> 00:19:56,080

spend five minutes there and i you know

538

00:19:59,510 --> 00:19:58,080

i spent some time sat with them

539

00:20:01,270 --> 00:19:59,520

making introductions because it was the

540

00:20:02,310 --> 00:20:01,280

first time we met each other in in

541

00:20:03,669 --> 00:20:02,320

person

542

00:20:05,270 --> 00:20:03,679

and essentially everyone has to go

543

00:20:07,590 --> 00:20:05,280

through that process while ingo kind of

544

00:20:09,029 --> 00:20:07,600

psychically vets them to decide if

545

00:20:10,549 --> 00:20:09,039

you're going to be actually let into his

546

00:20:11,990 --> 00:20:10,559

building

547

00:20:13,510 --> 00:20:12,000

yeah

548

00:20:15,750 --> 00:20:13,520

what did it look what did it look like

549

00:20:17,190 --> 00:20:15,760

when he said no

550

00:20:19,350 --> 00:20:17,200

i have no idea

551
00:20:20,549 --> 00:20:19,360
i'm lucky enough to be let in yeah but

552
00:20:21,830 --> 00:20:20,559
yeah

553
00:20:23,590 --> 00:20:21,840
it's a daunting you know it was a

554
00:20:24,549 --> 00:20:23,600
daunting thing knowing you were you were

555
00:20:26,230 --> 00:20:24,559
being

556
00:20:27,029 --> 00:20:26,240
assessed to do that and before all that

557
00:20:28,950 --> 00:20:27,039
even

558
00:20:31,590 --> 00:20:28,960
uh i had to send

559
00:20:33,590 --> 00:20:31,600
in go the details of my uh

560
00:20:36,070 --> 00:20:33,600
my birth date time in all the details

561
00:20:37,110 --> 00:20:36,080
like so he would do an astrology chart

562
00:20:39,350 --> 00:20:37,120
he would do an

563
00:20:41,430 --> 00:20:39,360

chart on most people that he met to see

564

00:20:43,110 --> 00:20:41,440

if they would be you know the kind of

565

00:20:45,510 --> 00:20:43,120

person that he would want to be uh

566

00:20:47,350 --> 00:20:45,520

associated with

567

00:20:49,590 --> 00:20:47,360

i have kind of um

568

00:20:51,510 --> 00:20:49,600

i guess it's kind of a selfish question

569

00:20:53,430 --> 00:20:51,520

but um i've

570

00:20:54,390 --> 00:20:53,440

you know in researching like uaps and

571

00:20:56,710 --> 00:20:54,400

everything

572

00:20:57,830 --> 00:20:56,720

i find myself um

573

00:20:59,270 --> 00:20:57,840

kind of

574

00:21:01,990 --> 00:20:59,280

crossing

575

00:21:05,029 --> 00:21:02,000

the same path as you know um what

576
00:21:07,669 --> 00:21:05,039
whatever if it's pk or remote viewing or

577
00:21:09,590 --> 00:21:07,679
or whatever it is um they seem to kind

578
00:21:12,070 --> 00:21:09,600
of flow in the same

579
00:21:14,710 --> 00:21:12,080
in the same basket um first of all i

580
00:21:15,669 --> 00:21:14,720
would ask um

581
00:21:17,430 --> 00:21:15,679
you know

582
00:21:19,510 --> 00:21:17,440
i would i'm assuming but is that your

583
00:21:22,070 --> 00:21:19,520
take that these things are connected uap

584
00:21:23,990 --> 00:21:22,080
consciousness all this stuff uh the same

585
00:21:26,630 --> 00:21:24,000
field everything is matter everything

586
00:21:28,710 --> 00:21:26,640
has energy and um the other one

587
00:21:30,950 --> 00:21:28,720
the other question is um

588
00:21:32,549 --> 00:21:30,960

do you know every any evidence of uh

589

00:21:34,630 --> 00:21:32,559

remote viewing

590

00:21:37,029 --> 00:21:34,640

um having the ability because i found a

591

00:21:40,710 --> 00:21:37,039

study on this uh having the ability to

592

00:21:42,710 --> 00:21:40,720

to create photons or or light

593

00:21:44,549 --> 00:21:42,720

i've read the same study it was a there

594

00:21:45,750 --> 00:21:44,559

was a chinese study where yeah they did

595

00:21:47,350 --> 00:21:45,760

some remote viewing and they thought

596

00:21:49,350 --> 00:21:47,360

they uh picked up

597

00:21:50,870 --> 00:21:49,360

photons uh

598

00:21:54,470 --> 00:21:50,880

at a location where someone was remote

599

00:21:56,789 --> 00:21:54,480

viewing but i i remember the uh sri

600

00:21:58,789 --> 00:21:56,799

stanford research institute follow-up

601
00:22:00,710 --> 00:21:58,799
studies yeah and in their follow-up

602
00:22:02,950 --> 00:22:00,720
studies they didn't get any results and

603
00:22:03,990 --> 00:22:02,960
they ended up saying that it was uh

604
00:22:04,870 --> 00:22:04,000
probably

605
00:22:05,750 --> 00:22:04,880
um

606
00:22:09,350 --> 00:22:05,760
cheap

607
00:22:11,590 --> 00:22:09,360
did that

608
00:22:13,350 --> 00:22:11,600
yes yeah the chinese studied the

609
00:22:16,789 --> 00:22:13,360
although the like the first study they

610
00:22:18,390 --> 00:22:16,799
did they they found a little bit you

611
00:22:20,070 --> 00:22:18,400
know i'm not very scientific with it but

612
00:22:22,630 --> 00:22:20,080
they found a little bit of an increase

613
00:22:25,669 --> 00:22:22,640

to justify another study then then they

614

00:22:26,630 --> 00:22:25,679

did another study and found a little bit

615

00:22:29,590 --> 00:22:26,640

more

616

00:22:30,950 --> 00:22:29,600

controlled

617

00:22:32,070 --> 00:22:30,960

but yeah

618

00:22:34,310 --> 00:22:32,080

you're right though at the end of the

619

00:22:36,710 --> 00:22:34,320

day it was like yeah we can't really say

620

00:22:38,149 --> 00:22:36,720

it but yeah a while ago so i wasn't sure

621

00:22:39,510 --> 00:22:38,159

and it depends on your you know there

622

00:22:41,029 --> 00:22:39,520

are different schools of fault within

623

00:22:43,350 --> 00:22:41,039

reviewing because the problem we have

624

00:22:44,549 --> 00:22:43,360

with it is that we don't know how it

625

00:22:46,789 --> 00:22:44,559

works

626

00:22:48,870 --> 00:22:46,799

you know we're using essentially it's

627

00:22:51,590 --> 00:22:48,880

almost like a cars you know a car has

628

00:22:54,310 --> 00:22:51,600

been transported back in time 150 years

629

00:22:55,590 --> 00:22:54,320

or something right and you're using it

630

00:22:57,029 --> 00:22:55,600

but you know if you ask them what the

631

00:22:58,470 --> 00:22:57,039

engine did and how it would all work

632

00:23:00,789 --> 00:22:58,480

they have no idea and it's the same with

633

00:23:03,029 --> 00:23:00,799

reviewing we're using at all we don't

634

00:23:04,549 --> 00:23:03,039

know we still to this day 40 years

635

00:23:07,029 --> 00:23:04,559

online don't know don't know how it

636

00:23:09,590 --> 00:23:07,039

works in any way and we have no we have

637

00:23:11,270 --> 00:23:09,600

no grand theory for how it works either

638

00:23:14,149 --> 00:23:11,280

i think the closest we're coming to is

639

00:23:15,909 --> 00:23:14,159

the uh quantum world in entanglement

640

00:23:18,310 --> 00:23:15,919

right but to answer your other question

641

00:23:20,310 --> 00:23:18,320

as well about the ufos um

642

00:23:23,669 --> 00:23:20,320

for a long time i was a i was an avid

643

00:23:26,149 --> 00:23:23,679

ufo researcher here in the uk from 89 to

644

00:23:28,070 --> 00:23:26,159

2005. so i collected everything possible

645

00:23:30,149 --> 00:23:28,080

i had hundreds and hundreds of hours of

646

00:23:31,990 --> 00:23:30,159

video film in fact i had every probably

647

00:23:34,230 --> 00:23:32,000

every piece of publicly available video

648

00:23:35,029 --> 00:23:34,240

film on video at one point

649

00:23:37,510 --> 00:23:35,039

um

650

00:23:40,310 --> 00:23:37,520

but my remote viewing

651
00:23:43,750 --> 00:23:40,320
on top of that research is absolutely

652
00:23:46,870 --> 00:23:43,760
clear clearly showed me that um

653
00:23:48,549 --> 00:23:46,880
not all the uaps are physical and even

654
00:23:52,149 --> 00:23:48,559
if they are physical at times they can

655
00:23:55,590 --> 00:23:52,159
also be non-physical at times as well

656
00:23:58,470 --> 00:23:55,600
they all have the ability to move

657
00:24:00,549 --> 00:23:58,480
in and out of dimensions time and space

658
00:24:02,630 --> 00:24:00,559
and the

659
00:24:04,070 --> 00:24:02,640
the overriding connecting thing for all

660
00:24:05,830 --> 00:24:04,080
of it and i think it connects everything

661
00:24:07,029 --> 00:24:05,840
in the universe anyway you know we're

662
00:24:09,110 --> 00:24:07,039
all connected through this you know a

663
00:24:10,870 --> 00:24:09,120

bit like the the force in the star wars

664

00:24:12,549 --> 00:24:10,880

films

665

00:24:14,230 --> 00:24:12,559

there's this flow that permeates

666

00:24:16,230 --> 00:24:14,240

everything in the universe

667

00:24:18,630 --> 00:24:16,240

um but it definitely interacts with the

668

00:24:20,710 --> 00:24:18,640

with the uaps and

669

00:24:23,110 --> 00:24:20,720

uh the remote viewing i've done on the

670

00:24:24,470 --> 00:24:23,120

craft themselves is you know they're

671

00:24:26,950 --> 00:24:24,480

they're i

672

00:24:29,669 --> 00:24:26,960

it's almost like they've taken dna of

673

00:24:32,230 --> 00:24:29,679

life forms and integrated it into the

674

00:24:37,909 --> 00:24:32,240

craft

675

00:24:39,750 --> 00:24:37,919

physical non-physical and they also have

676

00:24:41,990 --> 00:24:39,760

a sentience and they're alive

677

00:24:44,149 --> 00:24:42,000

and it is pure

678

00:24:45,909 --> 00:24:44,159

intuition and

679

00:24:47,909 --> 00:24:45,919

and communication through psychic means

680

00:24:49,750 --> 00:24:47,919

that that controls every element of what

681

00:24:52,070 --> 00:24:49,760

the craft does you know you are when

682

00:24:53,430 --> 00:24:52,080

you're in the craft you know and again

683

00:24:55,269 --> 00:24:53,440

all this comes from just remote viewing

684

00:24:57,029 --> 00:24:55,279

information

685

00:24:58,710 --> 00:24:57,039

but when you're actually in the craft

686

00:25:00,390 --> 00:24:58,720

and

687

00:25:03,830 --> 00:25:00,400

you're feeding around the crash with

688

00:25:05,909 --> 00:25:03,840

your intuition you are actually

689

00:25:06,950 --> 00:25:05,919

integrated and part of that craft at

690

00:25:08,230 --> 00:25:06,960

that time

691

00:25:10,310 --> 00:25:08,240

and i think that's how they drive the

692

00:25:12,830 --> 00:25:10,320

craft as well it's yeah i don't think

693

00:25:17,350 --> 00:25:12,840

the crafter what we would class is

694

00:25:20,470 --> 00:25:17,360

being physical tangible objects they're

695

00:25:21,990 --> 00:25:20,480

they're they have they have a an ai type

696

00:25:22,789 --> 00:25:22,000

sentence to them

697

00:25:24,549 --> 00:25:22,799

yeah

698

00:25:26,549 --> 00:25:24,559

what makes sense somebody even some of

699

00:25:29,190 --> 00:25:26,559

the older documents that i've read if

700

00:25:30,470 --> 00:25:29,200

you know um blue whether it be blue book

701
00:25:33,029 --> 00:25:30,480
or whatever have i

702
00:25:35,990 --> 00:25:33,039
you know proposed and and have spoken of

703
00:25:36,870 --> 00:25:36,000
these as uh animals

704
00:25:38,630 --> 00:25:36,880
you know

705
00:25:40,390 --> 00:25:38,640
uh and that could kind of line up right

706
00:25:41,669 --> 00:25:40,400
there that's beautiful thank you for

707
00:25:45,430 --> 00:25:41,679
letting me know and

708
00:25:47,990 --> 00:25:45,440
it's uh hits uh with my own experience

709
00:25:49,029 --> 00:25:48,000
you know where they were um pretty

710
00:25:50,470 --> 00:25:49,039
intense

711
00:25:52,149 --> 00:25:50,480
uh

712
00:25:54,630 --> 00:25:52,159
light i hate seeing lights because it

713
00:25:56,789 --> 00:25:54,640

wasn't really a light but it seemed

714

00:25:59,110 --> 00:25:56,799

alive but it wasn't like a craft you

715

00:26:00,390 --> 00:25:59,120

know so it was very interesting

716

00:26:01,830 --> 00:26:00,400

yeah

717

00:26:03,269 --> 00:26:01,840

it's hard to put into words sometimes

718

00:26:04,549 --> 00:26:03,279

especially as a remote viewer because

719

00:26:05,430 --> 00:26:04,559

you know

720

00:26:06,789 --> 00:26:05,440

and

721

00:26:08,149 --> 00:26:06,799

to let the people out there know a

722

00:26:10,310 --> 00:26:08,159

little bit as well although it's called

723

00:26:12,149 --> 00:26:10,320

remote viewing the majority of what are

724

00:26:14,549 --> 00:26:12,159

you doing and the majority of most

725

00:26:18,070 --> 00:26:14,559

people there we don't actually

726

00:26:20,149 --> 00:26:18,080

see the information right it's very rare

727

00:26:22,310 --> 00:26:20,159

that you get any visual imagery and you

728

00:26:24,630 --> 00:26:22,320

have to be very uh careful about any

729

00:26:26,789 --> 00:26:24,640

visual imagery you get because if it's

730

00:26:28,549 --> 00:26:26,799

really clear distinct pictures in your

731

00:26:29,590 --> 00:26:28,559

head or in your mind

732

00:26:31,750 --> 00:26:29,600

uh

733

00:26:33,830 --> 00:26:31,760

experience over 40 years has taught us

734

00:26:35,190 --> 00:26:33,840

that that is probably

735

00:26:37,430 --> 00:26:35,200

imagination

736

00:26:39,190 --> 00:26:37,440

and we have to put we are taught if in

737

00:26:42,230 --> 00:26:39,200

our process to put imagination to one

738

00:26:44,710 --> 00:26:42,240

side as as potential noise the the only

739

00:26:46,789 --> 00:26:44,720

real valid uh imagery that we accept in

740

00:26:48,710 --> 00:26:46,799

remote viewing is when it's like

741

00:26:51,430 --> 00:26:48,720

it's there for half a second it's a

742

00:26:53,190 --> 00:26:51,440

flicker it's blurry it's out of focus so

743

00:26:54,950 --> 00:26:53,200

you're only just capturing it's almost

744

00:26:56,470 --> 00:26:54,960

like uh when you look at a light and

745

00:26:58,390 --> 00:26:56,480

then you look away and you get that you

746

00:26:59,990 --> 00:26:58,400

know you get that after effect glow

747

00:27:02,310 --> 00:27:00,000

that's the only that's the only real

748

00:27:03,990 --> 00:27:02,320

imagery we have so the majority of

749

00:27:04,710 --> 00:27:04,000

everything i get within remote viewing

750

00:27:07,430 --> 00:27:04,720

is

751
00:27:09,909 --> 00:27:07,440
it's just pure internal feelings uh

752
00:27:11,590 --> 00:27:09,919
going through my my other sentences

753
00:27:14,549 --> 00:27:11,600
well which interpret as a target yeah

754
00:27:17,110 --> 00:27:14,559
not visual in any way

755
00:27:18,789 --> 00:27:17,120
along those lines i'm wondering um i

756
00:27:20,630 --> 00:27:18,799
know of some

757
00:27:21,430 --> 00:27:20,640
remote viewers

758
00:27:23,110 --> 00:27:21,440
that

759
00:27:26,710 --> 00:27:23,120
also have

760
00:27:27,590 --> 00:27:26,720
separate out-of-body experiences or have

761
00:27:29,510 --> 00:27:27,600
um

762
00:27:31,990 --> 00:27:29,520
or say a near-death experience an

763
00:27:34,149 --> 00:27:32,000

experience where it feels like their

764

00:27:35,510 --> 00:27:34,159

their consciousness or their soul or

765

00:27:36,549 --> 00:27:35,520

however you want to frame it leaves

766

00:27:39,430 --> 00:27:36,559

their body

767

00:27:41,029 --> 00:27:39,440

uh as opposed to as you said earlier you

768

00:27:43,029 --> 00:27:41,039

are making a distinction where you know

769

00:27:45,269 --> 00:27:43,039

i'm remote viewing that's not me leaving

770

00:27:46,870 --> 00:27:45,279

the body that's me tapping into the the

771

00:27:49,909 --> 00:27:46,880

field however you want to frame the

772

00:27:52,950 --> 00:27:49,919

field right um so one question would be

773

00:27:54,470 --> 00:27:52,960

have you had any any

774

00:27:56,630 --> 00:27:54,480

situations where you felt like your

775

00:27:59,430 --> 00:27:56,640

consciousness has left your body rather

776

00:28:02,950 --> 00:27:59,440

than um you tapping into the field

777

00:28:05,269 --> 00:28:02,960

not within remote viewing i'm i'm quite

778

00:28:07,029 --> 00:28:05,279

strict and i follow the pathways that i

779

00:28:09,750 --> 00:28:07,039

was taught with controlled remote

780

00:28:12,789 --> 00:28:09,760

viewing or crv in that that's not what

781

00:28:14,789 --> 00:28:12,799

happens and so and you know

782

00:28:16,310 --> 00:28:14,799

it's one of these i think remote viewing

783

00:28:18,070 --> 00:28:16,320

and everything we're talking about with

784

00:28:21,430 --> 00:28:18,080

all the paranormal stuff and the uap

785

00:28:23,909 --> 00:28:21,440

stuff is malleable in that

786

00:28:25,669 --> 00:28:23,919

your belief systems in your internal

787

00:28:28,830 --> 00:28:25,679

intent

788

00:28:31,190 --> 00:28:28,840

creates the reality that you

789

00:28:33,990 --> 00:28:31,200

experience um so you know if people

790

00:28:36,149 --> 00:28:34,000

believe that you know their body or part

791

00:28:38,230 --> 00:28:36,159

of them leaves and goes to the target

792

00:28:40,470 --> 00:28:38,240

then that's okay the whole process seems

793

00:28:42,710 --> 00:28:40,480

malleable enough for that for that to

794

00:28:43,510 --> 00:28:42,720

possibly be a truth or be a truth for

795

00:28:45,750 --> 00:28:43,520

them

796

00:28:47,510 --> 00:28:45,760

and whereas my my reality that i'm

797

00:28:49,669 --> 00:28:47,520

creating when i do this is no i'm not

798

00:28:51,029 --> 00:28:49,679

i'm i'm here and the information is

799

00:28:53,269 --> 00:28:51,039

actually inside

800

00:28:55,029 --> 00:28:53,279

me and i'm accessing it that way

801

00:28:57,750 --> 00:28:55,039

no need for me to go out yeah i just

802

00:28:59,430 --> 00:28:57,760

think yeah both all approaches work is i

803

00:29:01,669 --> 00:28:59,440

think the whole process of all this is

804

00:29:03,269 --> 00:29:01,679

malleable and uh it adapts to each and

805

00:29:06,070 --> 00:29:03,279

every one of us we're creating

806

00:29:08,230 --> 00:29:06,080

everything that we're we're exploring

807

00:29:09,830 --> 00:29:08,240

yeah man yeah hitting a lot of points i

808

00:29:12,389 --> 00:29:09,840

mean i feel like uh

809

00:29:14,870 --> 00:29:12,399

the one thing that we have in common as

810

00:29:16,470 --> 00:29:14,880

humans is that we're each um our own

811

00:29:18,710 --> 00:29:16,480

individuals and we're unique to

812

00:29:20,470 --> 00:29:18,720

ourselves and i feel like

813

00:29:22,950 --> 00:29:20,480

the more we understand that and embrace

814

00:29:25,110 --> 00:29:22,960

that the more that can carry us to our

815

00:29:27,269 --> 00:29:25,120

individual successes and whatever it is

816

00:29:29,350 --> 00:29:27,279

that you know we go after

817

00:29:31,029 --> 00:29:29,360

just like how you know in a lot of

818

00:29:33,029 --> 00:29:31,039

different religions they'll kind of

819

00:29:35,269 --> 00:29:33,039

report the same kind of things when they

820

00:29:37,029 --> 00:29:35,279

do different things how prayer works

821

00:29:39,190 --> 00:29:37,039

but they're talking to two different

822

00:29:41,590 --> 00:29:39,200

people you know we're god's it's yeah

823

00:29:43,510 --> 00:29:41,600

you know there's an underlying energy

824

00:29:46,230 --> 00:29:43,520

there that i feel like connects and if

825

00:29:47,990 --> 00:29:46,240

you need something specific or it

826
00:29:49,190 --> 00:29:48,000
happens to be something specific that

827
00:29:51,590 --> 00:29:49,200
brings you there

828
00:29:54,549 --> 00:29:51,600
you know that doesn't mean it can't work

829
00:29:56,789 --> 00:29:54,559
yeah yeah and i'll even go a few steps

830
00:29:58,789 --> 00:29:56,799
further nowadays in that

831
00:30:00,710 --> 00:29:58,799
and this is something that's growing on

832
00:30:02,389 --> 00:30:00,720
me as a theory the last couple of years

833
00:30:03,830 --> 00:30:02,399
and i've talked about a little bit in

834
00:30:05,909 --> 00:30:03,840
that

835
00:30:06,870 --> 00:30:05,919
i'm also coming to the belief structure

836
00:30:09,110 --> 00:30:06,880
that

837
00:30:10,310 --> 00:30:09,120
the uh the process whatever this process

838
00:30:13,990 --> 00:30:10,320

is because we don't know how any of this

839

00:30:15,350 --> 00:30:14,000

works but the process itself seems to be

840

00:30:17,669 --> 00:30:15,360

this is where it is where it seems to be

841

00:30:20,549 --> 00:30:17,679

a alive and uh

842

00:30:21,750 --> 00:30:20,559

sentient in its in its own regards

843

00:30:24,950 --> 00:30:21,760

and

844

00:30:26,389 --> 00:30:24,960

other psychic stuff as well in fact it

845

00:30:29,110 --> 00:30:26,399

does happen within our psychics because

846

00:30:31,110 --> 00:30:29,120

i've experienced it there is this

847

00:30:33,110 --> 00:30:31,120

trickster element and

848

00:30:34,549 --> 00:30:33,120

at times the whole process likes to

849

00:30:36,230 --> 00:30:34,559

likes to have a bit of a joke with you

850

00:30:37,430 --> 00:30:36,240

and you know you get to a stage where

851

00:30:38,389 --> 00:30:37,440

you think you think you've knelt

852

00:30:40,789 --> 00:30:38,399

something you think you've got the

853

00:30:42,389 --> 00:30:40,799

absolute amazing approach you're doing

854

00:30:44,149 --> 00:30:42,399

trials and the trials are going perfect

855

00:30:45,350 --> 00:30:44,159

you're hitting every target

856

00:30:46,710 --> 00:30:45,360

and you know

857

00:30:48,389 --> 00:30:46,720

you get so overblown with yourself and

858

00:30:49,990 --> 00:30:48,399

then the next next minute is flipped

859

00:30:52,230 --> 00:30:50,000

totally on its head it's almost like the

860

00:30:53,750 --> 00:30:52,240

process of laughing at you and you

861

00:30:55,750 --> 00:30:53,760

singling you out like a little devil on

862

00:30:57,669 --> 00:30:55,760

your shoulder i do think that there is

863

00:30:59,509 --> 00:30:57,679

some kind of

864

00:31:02,310 --> 00:30:59,519

conscious

865

00:31:03,990 --> 00:31:02,320

living thing behind all this i can't and

866

00:31:05,509 --> 00:31:04,000

you know some people call it colder so i

867

00:31:07,110 --> 00:31:05,519

don't know what to call it it's always

868

00:31:08,950 --> 00:31:07,120

perfection

869

00:31:11,110 --> 00:31:08,960

so

870

00:31:13,430 --> 00:31:11,120

it's alive and it knows what we're doing

871

00:31:14,710 --> 00:31:13,440

and it interacts with us and

872

00:31:15,990 --> 00:31:14,720

yes it's very it's very strange and

873

00:31:17,350 --> 00:31:16,000

sometimes it likes to have a little joke

874

00:31:20,149 --> 00:31:17,360

with us as well

875

00:31:22,710 --> 00:31:20,159

yeah very interesting

876

00:31:23,909 --> 00:31:22,720

yeah i was i'm i'm reminded that that

877

00:31:25,509 --> 00:31:23,919

ingo

878

00:31:27,430 --> 00:31:25,519

um

879

00:31:30,950 --> 00:31:27,440

hypothesized

880

00:31:33,190 --> 00:31:30,960

that um and a lot of people have had

881

00:31:35,909 --> 00:31:33,200

similar ideas

882

00:31:38,230 --> 00:31:35,919

um that were often highlighted in those

883

00:31:40,950 --> 00:31:38,240

uh bigelow consciousness essays that

884

00:31:41,830 --> 00:31:40,960

were published a few months ago

885

00:31:44,230 --> 00:31:41,840

that

886

00:31:47,430 --> 00:31:44,240

you know we might be

887

00:31:48,310 --> 00:31:47,440

existing in kind of a bizarre pocket

888

00:31:54,950 --> 00:31:48,320

of

889

00:31:57,029 --> 00:31:54,960

physicality and and time and sequential

890

00:31:59,430 --> 00:31:57,039

manner and that there

891

00:32:01,909 --> 00:31:59,440

and that maybe some of this missing

892

00:32:04,789 --> 00:32:01,919

energy and this missing mass that we can

893

00:32:05,909 --> 00:32:04,799

detect is within this larger

894

00:32:09,509 --> 00:32:05,919

um

895

00:32:11,990 --> 00:32:09,519

more unfixed realm or this subtle realm

896

00:32:14,470 --> 00:32:12,000

um that may be kind of what you're

897

00:32:18,389 --> 00:32:14,480

alluding to when you're talking about

898

00:32:21,430 --> 00:32:18,399

the slipperiness of of some uaps

899

00:32:22,310 --> 00:32:21,440

and and other non-human intelligences

900

00:32:23,029 --> 00:32:22,320

right

901
00:32:31,269 --> 00:32:23,039
so

902
00:32:32,710 --> 00:32:31,279
independent projects for people

903
00:32:36,389 --> 00:32:32,720
they're kind of tying this together

904
00:32:38,950 --> 00:32:36,399
really uh one project i did recently uh

905
00:32:40,310 --> 00:32:38,960
and it was tasked by a group uh group

906
00:32:41,830 --> 00:32:40,320
members that i have we have a little

907
00:32:43,430 --> 00:32:41,840
group called the hellfire club where we

908
00:32:45,269 --> 00:32:43,440
work uh

909
00:32:47,990 --> 00:32:45,279
strange targets esoteric targets a

910
00:32:49,990 --> 00:32:48,000
little group of uh people that we trust

911
00:32:51,350 --> 00:32:50,000
and the target that was tasked literally

912
00:32:53,350 --> 00:32:51,360
a few weeks back

913
00:32:54,710 --> 00:32:53,360

was to look at uh what's called i think

914

00:32:56,630 --> 00:32:54,720

it's called the council line or the

915

00:32:58,950 --> 00:32:56,640

group of nine i think it's called the

916

00:33:00,950 --> 00:32:58,960

group of nine and they've been channeled

917

00:33:03,590 --> 00:33:00,960

by many psychics and people's for years

918

00:33:05,590 --> 00:33:03,600

and years like it's essentially the

919

00:33:07,350 --> 00:33:05,600

group of aliens or whatever they are

920

00:33:09,029 --> 00:33:07,360

they gave your generous powers all this

921

00:33:10,389 --> 00:33:09,039

kind of stuff you know so you can

922

00:33:12,870 --> 00:33:10,399

research it and find all this

923

00:33:15,190 --> 00:33:12,880

so it's look at the origin of those

924

00:33:17,190 --> 00:33:15,200

again it was a blind target i worked and

925

00:33:19,909 --> 00:33:17,200

i just had all this data that led

926
00:33:21,190 --> 00:33:19,919
straight back to some kind of

927
00:33:23,590 --> 00:33:21,200
off-world

928
00:33:26,230 --> 00:33:23,600
consciousness and entity that was there

929
00:33:28,470 --> 00:33:26,240
trying to influence and drive humanity

930
00:33:29,350 --> 00:33:28,480
in a certain direction

931
00:33:31,190 --> 00:33:29,360
and

932
00:33:32,630 --> 00:33:31,200
as a separate letter target around about

933
00:33:34,230 --> 00:33:32,640
the same time i worked a target for

934
00:33:36,470 --> 00:33:34,240
another group of people

935
00:33:39,269 --> 00:33:36,480
uh trying to get to the root of a

936
00:33:41,430 --> 00:33:39,279
problem in remote viewing which is the

937
00:33:43,350 --> 00:33:41,440
that you know the tens of thousands of

938
00:33:45,350 --> 00:33:43,360

viewers out there the amount of remote

939

00:33:48,710 --> 00:33:45,360

viewers that actually won big on the

940

00:33:50,789 --> 00:33:48,720

lottery is is small and it's too small

941

00:33:52,470 --> 00:33:50,799

to be by chance you know there seems to

942

00:33:54,310 --> 00:33:52,480

be something going on there it's almost

943

00:33:55,990 --> 00:33:54,320

like hindering remove yours because in

944

00:33:59,029 --> 00:33:56,000

remote viewers you know on any other

945

00:34:00,710 --> 00:33:59,039

target i can hit 80 80 85

946

00:34:03,269 --> 00:34:00,720

of every target that i do in great

947

00:34:07,509 --> 00:34:03,279

accuracy i think my accuracy accuracy is

948

00:34:08,950 --> 00:34:07,519

like 80 80 to 95 on 80 of the targets

949

00:34:10,950 --> 00:34:08,960

but when it comes to trying to remote

950

00:34:12,710 --> 00:34:10,960

view the lottery none of us are getting

951
00:34:14,710 --> 00:34:12,720
hardly anywhere with it

952
00:34:17,349 --> 00:34:14,720
um so that was a target it was you know

953
00:34:19,349 --> 00:34:17,359
to look at what the cause is or if there

954
00:34:22,149 --> 00:34:19,359
is a cause behind

955
00:34:23,990 --> 00:34:22,159
why remote viewers can win the lottery

956
00:34:25,990 --> 00:34:24,000
and again i followed that back and tried

957
00:34:27,430 --> 00:34:26,000
to work out what that was and in my

958
00:34:29,030 --> 00:34:27,440
remote viewing sessions i had all these

959
00:34:31,270 --> 00:34:29,040
concepts of uh

960
00:34:32,950 --> 00:34:31,280
showing the psychic process but then

961
00:34:34,950 --> 00:34:32,960
trying to follow back where

962
00:34:37,109 --> 00:34:34,960
the information came from the signal

963
00:34:39,510 --> 00:34:37,119

line again that went through these weird

964

00:34:41,030 --> 00:34:39,520

i would call them microtubule kind of

965

00:34:43,190 --> 00:34:41,040

wormhole type

966

00:34:44,869 --> 00:34:43,200

things into the vastness of space and

967

00:34:46,389 --> 00:34:44,879

they ended up in this

968

00:34:48,629 --> 00:34:46,399

super dark

969

00:34:51,109 --> 00:34:48,639

small super compressed

970

00:34:52,790 --> 00:34:51,119

no light was there dark

971

00:34:54,389 --> 00:34:52,800

information place and all that all it

972

00:34:56,230 --> 00:34:54,399

had in this darkness was just pure

973

00:34:57,109 --> 00:34:56,240

information nothing else

974

00:34:58,630 --> 00:34:57,119

um

975

00:35:00,710 --> 00:34:58,640

but again that felt

976

00:35:02,310 --> 00:35:00,720

alive and conscious as well so that's

977

00:35:04,230 --> 00:35:02,320

two different targets going to very

978

00:35:05,910 --> 00:35:04,240

similar things uh

979

00:35:08,950 --> 00:35:05,920

yeah very interesting you know it's not

980

00:35:12,470 --> 00:35:08,960

provable in any way um

981

00:35:17,990 --> 00:35:16,310

it's there's almost like a sense of um

982

00:35:20,310 --> 00:35:18,000

uh balance

983

00:35:22,390 --> 00:35:20,320

yes to it yeah absolutely and that's one

984

00:35:24,390 --> 00:35:22,400

of the big things i teach in reviewing

985

00:35:25,349 --> 00:35:24,400

as well everything we do in life and in

986

00:35:26,710 --> 00:35:25,359

within

987

00:35:28,710 --> 00:35:26,720

psychic-ness and remote viewing and

988

00:35:31,349 --> 00:35:28,720

everything you always have to try to

989

00:35:33,030 --> 00:35:31,359

attain for a balance um i think the

990

00:35:35,030 --> 00:35:33,040

universe always tries to attain for a

991

00:35:36,950 --> 00:35:35,040

balance sometimes it swings in one way

992

00:35:37,990 --> 00:35:36,960

and in an area it's on a rocking you

993

00:35:40,390 --> 00:35:38,000

know it's a bit like the yin yang

994

00:35:42,230 --> 00:35:40,400

singles sometimes it's slightly darker

995

00:35:43,030 --> 00:35:42,240

thinking that before i said balance yeah

996

00:35:44,230 --> 00:35:43,040

yeah

997

00:35:45,750 --> 00:35:44,240

fact everything in the universe is

998

00:35:47,190 --> 00:35:45,760

always trying to attain a sense of

999

00:35:48,710 --> 00:35:47,200

balance um

1000

00:35:50,230 --> 00:35:48,720

and i think you know i think we are as

1001
00:35:51,349 --> 00:35:50,240
as humans and everything we do as well

1002
00:35:55,270 --> 00:35:51,359
you know you can't eat too much you

1003
00:35:58,069 --> 00:35:56,630
when you're when you're not listening to

1004
00:36:00,310 --> 00:35:58,079
that balance if you're not listening

1005
00:36:03,349 --> 00:36:00,320
like i feel like that's when you just

1006
00:36:05,589 --> 00:36:03,359
get into problems yeah absolutely yeah

1007
00:36:08,470 --> 00:36:05,599
yeah i'm reminded of that balance in you

1008
00:36:10,870 --> 00:36:08,480
just bringing up the the council of nine

1009
00:36:13,430 --> 00:36:10,880
um i remember that that was the

1010
00:36:15,670 --> 00:36:13,440
channeled group in the book the only

1011
00:36:17,990 --> 00:36:15,680
planet of choice for example andrea

1012
00:36:19,670 --> 00:36:18,000
paharich talked about the council of

1013
00:36:21,750 --> 00:36:19,680

nine um

1014

00:36:24,150 --> 00:36:21,760

it's uh there seems to be early

1015

00:36:26,630 --> 00:36:24,160

channeling ties to another group called

1016

00:36:29,910 --> 00:36:26,640

the council of saturn which is really

1017

00:36:32,390 --> 00:36:29,920

interesting and um i was i was thinking

1018

00:36:34,790 --> 00:36:32,400

about that yeah in fact um gene

1019

00:36:36,870 --> 00:36:34,800

roddenberry the creator of star trek was

1020

00:36:39,990 --> 00:36:36,880

in some of those those only planet of

1021

00:36:40,790 --> 00:36:40,000

choice council of nine groups yeah and

1022

00:36:44,710 --> 00:36:40,800

and

1023

00:36:47,270 --> 00:36:44,720

into one of the text texts which is kind

1024

00:36:49,190 --> 00:36:47,280

of kind of amazing but along those lines

1025

00:36:50,950 --> 00:36:49,200

i wanted to ask um

1026

00:36:53,750 --> 00:36:50,960

and feel free to go into that a little

1027

00:36:56,390 --> 00:36:53,760

bit more we had a we had a question from

1028

00:36:58,870 --> 00:36:56,400

the chat um that kind of incorporates

1029

00:37:01,510 --> 00:36:58,880

this shirelle miller asked has any

1030

00:37:04,069 --> 00:37:01,520

target daz remote viewed were they able

1031

00:37:06,710 --> 00:37:04,079

to see you back as you were remote

1032

00:37:09,109 --> 00:37:06,720

viewing them and along those lines i was

1033

00:37:11,270 --> 00:37:09,119

wondering um with your interest in the

1034

00:37:13,670 --> 00:37:11,280

council of nine have there been other

1035

00:37:15,430 --> 00:37:13,680

moments where there seemed to be um

1036

00:37:18,069 --> 00:37:15,440

communication coming back the other way

1037

00:37:20,550 --> 00:37:18,079

whether it's telepathy channeling

1038

00:37:23,430 --> 00:37:20,560

recognition etc etc

1039

00:37:24,230 --> 00:37:23,440

for me uh within remote viewing

1040

00:37:25,750 --> 00:37:24,240

uh

1041

00:37:27,589 --> 00:37:25,760

the entities

1042

00:37:29,829 --> 00:37:27,599

or life forms whatever i don't know what

1043

00:37:32,310 --> 00:37:29,839

they are i've only

1044

00:37:33,670 --> 00:37:32,320

known i was there a few times a handful

1045

00:37:34,630 --> 00:37:33,680

of times

1046

00:37:37,589 --> 00:37:34,640

um

1047

00:37:39,910 --> 00:37:37,599

the channeling stuff i have had

1048

00:37:41,430 --> 00:37:39,920

two-way conversations with all different

1049

00:37:43,109 --> 00:37:41,440

types of

1050

00:37:45,589 --> 00:37:43,119

uh i would say

1051
00:37:47,349 --> 00:37:45,599
non-human life forms but that was

1052
00:37:49,430 --> 00:37:47,359
that was that was separate what i do

1053
00:37:51,270 --> 00:37:49,440
with remote viewing that was actual

1054
00:37:53,990 --> 00:37:51,280
going through kind of constructed

1055
00:37:56,230 --> 00:37:54,000
wormhole type situations in circle what

1056
00:37:58,710 --> 00:37:56,240
we call circle psychic training groups

1057
00:38:00,950 --> 00:37:58,720
in in the classical sense of things so

1058
00:38:02,550 --> 00:38:00,960
in that regard i have i've had many

1059
00:38:04,470 --> 00:38:02,560
conversations and i even wrote a book on

1060
00:38:06,230 --> 00:38:04,480
it once i don't publicize it a lot

1061
00:38:07,910 --> 00:38:06,240
because it's not remote viewing

1062
00:38:10,630 --> 00:38:07,920
but it's a book called surfing psychic

1063
00:38:12,470 --> 00:38:10,640

internet and in that i detail how i have

1064

00:38:14,630 --> 00:38:12,480

these conversations with these non-human

1065

00:38:17,750 --> 00:38:14,640

life arms and even some of them were

1066

00:38:19,589 --> 00:38:17,760

going out of their way to try to

1067

00:38:20,790 --> 00:38:19,599

hinder me and push me you know they

1068

00:38:22,310 --> 00:38:20,800

really

1069

00:38:24,550 --> 00:38:22,320

what's known as like you know shadow

1070

00:38:25,750 --> 00:38:24,560

type creatures that people encounter in

1071

00:38:27,910 --> 00:38:25,760

in some ways

1072

00:38:30,230 --> 00:38:27,920

so in outside remote viewing i i've

1073

00:38:31,430 --> 00:38:30,240

encountered a lot more inside remote

1074

00:38:32,390 --> 00:38:31,440

viewing

1075

00:38:35,030 --> 00:38:32,400

only

1076

00:38:37,910 --> 00:38:35,040

really some of the uh intelligences

1077

00:38:40,950 --> 00:38:37,920

within projects like uh

1078

00:38:41,990 --> 00:38:40,960

well area 51 was one i did area 51 as a

1079

00:38:44,470 --> 00:38:42,000

project

1080

00:38:47,349 --> 00:38:44,480

and poking around the different

1081

00:38:49,109 --> 00:38:47,359

sub floors of area 51

1082

00:38:51,829 --> 00:38:49,119

in one of the uh

1083

00:38:52,710 --> 00:38:51,839

i guess storage rooms uh i encountered a

1084

00:39:19,589 --> 00:38:52,720

a

1085

00:39:21,270 --> 00:39:19,599

no in prison wouldn't be the right word

1086

00:39:23,030 --> 00:39:21,280

because they didn't know it was there

1087

00:39:25,349 --> 00:39:23,040

it was it was being held there anyway

1088

00:39:28,069 --> 00:39:25,359

against its will and i felt like that

1089

00:39:30,230 --> 00:39:28,079

knew i was probing around area f51 and

1090

00:39:31,990 --> 00:39:30,240

probing around it and as i said it was

1091

00:39:34,069 --> 00:39:32,000

just it was literally a ball shaped like

1092

00:39:35,589 --> 00:39:34,079

this uh silver ball shape thing which

1093

00:39:37,829 --> 00:39:35,599

was sentient uh

1094

00:39:38,870 --> 00:39:37,839

vast intelligence so that knew

1095

00:39:40,630 --> 00:39:38,880

um

1096

00:39:42,310 --> 00:39:40,640

and definitely when i was doing uh the

1097

00:39:44,390 --> 00:39:42,320

phoenix lights and i was told to go

1098

00:39:46,390 --> 00:39:44,400

inside the object and see what i could

1099

00:39:49,030 --> 00:39:46,400

pick up there that i i felt that there

1100

00:39:49,829 --> 00:39:49,040

was some kind of knowledge then from

1101

00:39:51,829 --> 00:39:49,839

them

1102

00:39:53,829 --> 00:39:51,839

knowing that i was probing but that's i

1103

00:39:56,150 --> 00:39:53,839

think that's probably the two main times

1104

00:39:57,510 --> 00:39:56,160

for me out of the many thousands that

1105

00:40:00,870 --> 00:39:57,520

i've done

1106

00:40:05,510 --> 00:40:00,880

wow it's fantastic thank you

1107

00:40:11,109 --> 00:40:08,230

it's pretty intense i guess yeah

1108

00:40:12,950 --> 00:40:11,119

um have you ever had uh like your your

1109

00:40:14,790 --> 00:40:12,960

own sighting outside of any of these

1110

00:40:16,309 --> 00:40:14,800

processes just you know doing your thing

1111

00:40:19,829 --> 00:40:16,319

from day to day and

1112

00:40:22,470 --> 00:40:19,839

uh what the hell is that or

1113

00:40:24,630 --> 00:40:22,480

nothing amazing only lights

1114

00:40:27,030 --> 00:40:24,640

in the sky um

1115

00:40:28,550 --> 00:40:27,040

which disappoints me as i said as i said

1116

00:40:30,630 --> 00:40:28,560

earlier you know at one stage i had

1117

00:40:32,309 --> 00:40:30,640

every publicly available piece of video

1118

00:40:35,030 --> 00:40:32,319

film so i had some amazing stuff on

1119

00:40:37,349 --> 00:40:35,040

video hundreds of hours and stuff always

1120

00:40:39,750 --> 00:40:37,359

wanted to see my own uh stuff and i'm

1121

00:40:42,630 --> 00:40:39,760

being in the uk i'm quite lucky and in

1122

00:40:45,109 --> 00:40:42,640

bath as well because i'm very close to

1123

00:40:47,990 --> 00:40:45,119

uh crop circle central aysbury

1124

00:40:50,390 --> 00:40:48,000

stonehenge you know all that's within an

1125

00:40:52,710 --> 00:40:50,400

hour's drive for me wow so i went on

1126

00:40:54,710 --> 00:40:52,720

lots of star watches you know k hill

1127

00:40:59,430 --> 00:40:54,720

which is like the the ufo place in

1128

00:41:02,150 --> 00:41:00,870

do you think these earth lights do you

1129

00:41:04,870 --> 00:41:02,160

know are you familiar with the earth

1130

00:41:06,630 --> 00:41:04,880

lights um yeah so are those

1131

00:41:07,430 --> 00:41:06,640

do you think those are living conscious

1132

00:41:08,630 --> 00:41:07,440

uh

1133

00:41:10,950 --> 00:41:08,640

beings

1134

00:41:12,790 --> 00:41:10,960

i think they could be i think i think a

1135

00:41:16,550 --> 00:41:12,800

lot of what we think is

1136

00:41:18,390 --> 00:41:16,560

physical uh craft are

1137

00:41:20,309 --> 00:41:18,400

are as i said they have something in

1138

00:41:21,990 --> 00:41:20,319

them that makes them sentient and living

1139

00:41:24,470 --> 00:41:22,000

even the metallic ones you know they're

1140

00:41:26,470 --> 00:41:24,480

not it's not it's not a it's not what we

1141

00:41:28,230 --> 00:41:26,480

would class as a p you know a piece of

1142

00:41:29,190 --> 00:41:28,240

hardware like a mobile phone or an ipod

1143

00:41:32,790 --> 00:41:29,200

or something

1144

00:41:35,030 --> 00:41:32,800

yeah they have found a way to to embed

1145

00:41:36,710 --> 00:41:35,040

a living consciousness but

1146

00:41:39,589 --> 00:41:36,720

it's the interesting thing is the rv

1147

00:41:42,470 --> 00:41:39,599

data i had it showed me that the living

1148

00:41:44,470 --> 00:41:42,480

consciousness was was also key to the

1149

00:41:46,150 --> 00:41:44,480

people or the life forms that were using

1150

00:41:48,630 --> 00:41:46,160

the device almost like it's almost like

1151
00:41:50,870 --> 00:41:48,640
they took like a blood sample or a piece

1152
00:41:52,950 --> 00:41:50,880
of skin sample or something and the

1153
00:41:55,589 --> 00:41:52,960
moment they took it then that that that

1154
00:41:57,270 --> 00:41:55,599
filter into the machine or or the craft

1155
00:41:58,950 --> 00:41:57,280
and then they you know it allowed this

1156
00:42:01,030 --> 00:41:58,960
signature to go between them and

1157
00:42:02,950 --> 00:42:01,040
something i don't know i haven't enough

1158
00:42:03,910 --> 00:42:02,960
to know what's going on there but that's

1159
00:42:05,270 --> 00:42:03,920
what

1160
00:42:07,829 --> 00:42:05,280
indicated

1161
00:42:08,870 --> 00:42:07,839
almost yeah yeah yeah like um

1162
00:42:13,430 --> 00:42:08,880
you know

1163
00:42:15,190 --> 00:42:13,440

yes yeah yeah and it allows i think it

1164

00:42:19,109 --> 00:42:15,200

allows for a faster

1165

00:42:20,950 --> 00:42:19,119

uh communication and transmission of

1166

00:42:23,109 --> 00:42:20,960

data and faults and movement all that

1167

00:42:24,150 --> 00:42:23,119

kind of stuff because essentially

1168

00:42:29,349 --> 00:42:24,160

the

1169

00:42:31,750 --> 00:42:29,359

crowd i don't even know if you need to

1170

00:42:34,390 --> 00:42:31,760

be in it and the craft itself then

1171

00:42:35,670 --> 00:42:34,400

they're they're working in symbiosis

1172

00:42:39,270 --> 00:42:35,680

yeah

1173

00:42:42,950 --> 00:42:39,280

you know the more i hear about that the

1174

00:42:46,950 --> 00:42:42,960

more i just think of tom delong's book

1175

00:42:49,750 --> 00:42:46,960

um and and how you you ride these things

1176

00:42:53,030 --> 00:42:49,760

i did do a uh i headed a team of remote

1177

00:42:55,670 --> 00:42:53,040

viewers a couple years ago that did a

1178

00:42:56,950 --> 00:42:55,680

uh a paid for remote viewing project for

1179

00:43:00,069 --> 00:42:56,960

tom delaunch

1180

00:43:02,230 --> 00:43:00,079

well well there you go is there anything

1181

00:43:03,430 --> 00:43:02,240

you can say about that project

1182

00:43:05,190 --> 00:43:03,440

at this point

1183

00:43:08,470 --> 00:43:05,200

uh well it's you know it's obviously

1184

00:43:11,430 --> 00:43:08,480

client proprietary information uh

1185

00:43:12,470 --> 00:43:11,440

obviously i can tell you it's a

1186

00:43:14,309 --> 00:43:12,480

uap

1187

00:43:16,950 --> 00:43:14,319

in involved

1188

00:43:17,829 --> 00:43:16,960

in that and uh 10 remote viewers worked

1189

00:43:20,309 --> 00:43:17,839

the case

1190

00:43:21,589 --> 00:43:20,319

all of them blindly in fact from people

1191

00:43:23,270 --> 00:43:21,599

i didn't even know from all over the

1192

00:43:26,630 --> 00:43:23,280

world because i got project manager

1193

00:43:28,790 --> 00:43:26,640

involved to be the midway person and

1194

00:43:31,510 --> 00:43:28,800

i've seen all the data and

1195

00:43:32,950 --> 00:43:31,520

in the final report and all the data uh

1196

00:43:35,990 --> 00:43:32,960

correlates

1197

00:43:37,670 --> 00:43:36,000

talking about uh uap craft

1198

00:43:38,470 --> 00:43:37,680

the occupants

1199

00:43:44,390 --> 00:43:38,480

and

1200

00:43:45,990 --> 00:43:44,400

in the ocean

1201
00:43:47,030 --> 00:43:46,000
i mean

1202
00:43:54,470 --> 00:43:47,040
yeah

1203
00:43:57,750 --> 00:43:54,480
happen there

1204
00:43:59,430 --> 00:43:57,760
i did a recent project uh this uh it was

1205
00:44:00,790 --> 00:43:59,440
it's only been on my youtube channel

1206
00:44:02,710 --> 00:44:00,800
several months

1207
00:44:05,510 --> 00:44:02,720
uh and that was the uh that was again a

1208
00:44:08,230 --> 00:44:05,520
blind tasking it was the uh tic tac uap

1209
00:44:09,829 --> 00:44:08,240
that's that's when people

1210
00:44:11,829 --> 00:44:09,839
awesome

1211
00:44:14,710 --> 00:44:11,839
and in many ways uh you were just

1212
00:44:16,230 --> 00:44:14,720
talking about how you're in such a great

1213
00:44:17,349 --> 00:44:16,240

area near

1214

00:44:18,470 --> 00:44:17,359

um

1215

00:44:19,990 --> 00:44:18,480

such

1216

00:44:22,550 --> 00:44:20,000

famous

1217

00:44:24,390 --> 00:44:22,560

sites with regard to the phenomena and

1218

00:44:26,950 --> 00:44:24,400

with regard to ancient mysteries and

1219

00:44:30,630 --> 00:44:26,960

things like that and along those lines

1220

00:44:32,710 --> 00:44:30,640

um i'm thinking about these kind of

1221

00:44:36,870 --> 00:44:32,720

energetic centers or even how

1222

00:44:37,910 --> 00:44:36,880

architecture can can kind of affect um

1223

00:44:39,270 --> 00:44:37,920

energy

1224

00:44:42,309 --> 00:44:39,280

and um

1225

00:44:44,230 --> 00:44:42,319

reception and people's and reports of

1226

00:44:46,470 --> 00:44:44,240

people's abilities and i'm seeing you

1227

00:44:48,950 --> 00:44:46,480

there in that attic room with the kind

1228

00:44:51,990 --> 00:44:48,960

of chalet vaulted style ceiling and i've

1229

00:44:55,109 --> 00:44:52,000

heard people report that that that that

1230

00:44:57,430 --> 00:44:55,119

that kind of architecture can be helpful

1231

00:44:59,109 --> 00:44:57,440

um to in kind of tapping into the field

1232

00:45:00,950 --> 00:44:59,119

do you find that to be the case like

1233

00:45:02,950 --> 00:45:00,960

what kind of architecture is best for

1234

00:45:05,510 --> 00:45:02,960

you or what kind of situation is best

1235

00:45:07,190 --> 00:45:05,520

for you um when you know i can probably

1236

00:45:09,910 --> 00:45:07,200

remove you anywhere and i've done it you

1237

00:45:11,589 --> 00:45:09,920

know on buses cafe in cafes

1238

00:45:13,589 --> 00:45:11,599

i do like in this room this one is a

1239

00:45:15,349 --> 00:45:13,599

comfortable area to do it and i've seen

1240

00:45:16,550 --> 00:45:15,359

i've seen the data as well you know yeah

1241

00:45:18,870 --> 00:45:16,560

a lot of people

1242

00:45:20,309 --> 00:45:18,880

build you know replicas of the pyramid

1243

00:45:21,109 --> 00:45:20,319

because the pyramid has a great shape

1244

00:45:22,150 --> 00:45:21,119

for

1245

00:45:24,950 --> 00:45:22,160

uh

1246

00:45:27,349 --> 00:45:24,960

enhancing the the kind of whatever

1247

00:45:29,109 --> 00:45:27,359

energy there is going on there but in

1248

00:45:31,430 --> 00:45:29,119

yeah you're right in the uk we have uh

1249

00:45:33,109 --> 00:45:31,440

what we call a ley line system and

1250

00:45:35,270 --> 00:45:33,119

everything's on these uh

1251

00:45:36,390 --> 00:45:35,280

so-called energy lines or dragon lines

1252

00:45:38,150 --> 00:45:36,400

um

1253

00:45:39,990 --> 00:45:38,160

and like yeah because and i think

1254

00:45:43,190 --> 00:45:40,000

buildings hold a lot this as well which

1255

00:45:44,950 --> 00:45:43,200

is why you know living in baths quite

1256

00:45:46,790 --> 00:45:44,960

quite good in in regards to that because

1257

00:45:48,309 --> 00:45:46,800

you know we have we have structures here

1258

00:45:50,069 --> 00:45:48,319

literally i can walk you know two miles

1259

00:45:52,710 --> 00:45:50,079

in that direction and we have roman

1260

00:45:55,750 --> 00:45:52,720

structures 2000 years old that i can you

1261

00:45:57,750 --> 00:45:55,760

know i can see every single day

1262

00:45:59,990 --> 00:45:57,760

and you know the the whole local area

1263

00:46:00,870 --> 00:46:00,000

with the with the minds that we have you

1264

00:46:03,109 --> 00:46:00,880

know

1265

00:46:05,109 --> 00:46:03,119

all over the place the barrows and stone

1266

00:46:07,030 --> 00:46:05,119

circles you know within

1267

00:46:09,589 --> 00:46:07,040

short and short drive from

1268

00:46:11,109 --> 00:46:09,599

from here all all adds to this i think

1269

00:46:12,309 --> 00:46:11,119

and it's like what we said earlier you

1270

00:46:13,910 --> 00:46:12,319

know

1271

00:46:15,829 --> 00:46:13,920

all the energy from all that and all the

1272

00:46:17,990 --> 00:46:15,839

energy that's flowing through us

1273

00:46:19,750 --> 00:46:18,000

eastern mythology talks about you know

1274

00:46:22,069 --> 00:46:19,760

chi energy and and all that kind of

1275

00:46:24,230 --> 00:46:22,079

stuff as well it's we are all

1276

00:46:25,829 --> 00:46:24,240

interconnected by some kind of

1277

00:46:28,630 --> 00:46:25,839

i hate to say it you know it is like the

1278

00:46:30,309 --> 00:46:28,640

star wars film there is this force uh in

1279

00:46:32,069 --> 00:46:30,319

universe that connects everything i

1280

00:46:33,510 --> 00:46:32,079

don't know what that force is you know i

1281

00:46:36,069 --> 00:46:33,520

think how put off we'll probably call it

1282

00:46:38,230 --> 00:46:36,079

dark matter um

1283

00:46:41,080 --> 00:46:38,240

that's to be determined i guess but yeah

1284

00:46:44,550 --> 00:46:41,090

that means it's evil then

1285

00:46:45,670 --> 00:46:44,560

[Laughter]

1286

00:46:46,790 --> 00:46:45,680

it's interesting it really is

1287

00:46:49,030 --> 00:46:46,800

interesting um

1288

00:46:50,230 --> 00:46:49,040

yeah and i think it's i think this force

1289

00:46:52,710 --> 00:46:50,240

or energy

1290

00:46:54,390 --> 00:46:52,720

interconnects and pervades every one of

1291

00:46:56,390 --> 00:46:54,400

us goes into all everything that we know

1292

00:46:58,470 --> 00:46:56,400

you know in this microphone the water

1293

00:47:01,829 --> 00:46:58,480

bottom of my keyboard it's all

1294

00:47:05,670 --> 00:47:01,839

it's all there energy levels is some

1295

00:47:07,670 --> 00:47:05,680

some instance in in time and space

1296

00:47:10,230 --> 00:47:07,680

it's fascinating uh you mentioned how

1297

00:47:13,349 --> 00:47:10,240

put off and i saw that uh in in the chat

1298

00:47:14,870 --> 00:47:13,359

john davies shout out to john davies uh

1299

00:47:16,630 --> 00:47:14,880

said that um

1300

00:47:19,109 --> 00:47:16,640

mentioned having a conversation with hal

1301

00:47:21,349 --> 00:47:19,119

put off about you have you ever had any

1302

00:47:22,950 --> 00:47:21,359

interactions with hal

1303

00:47:25,270 --> 00:47:22,960

oh uh i

1304

00:47:28,069 --> 00:47:25,280

only threw uh

1305

00:47:31,510 --> 00:47:28,079

for parties at this stage uh

1306

00:47:33,750 --> 00:47:31,520

and he did a he did a interview

1307

00:47:35,430 --> 00:47:33,760

uh for one of my uh eight martinis

1308

00:47:38,150 --> 00:47:35,440

magazines um

1309

00:47:40,230 --> 00:47:38,160

again it was on one of these we have the

1310

00:47:44,069 --> 00:47:40,240

within remote viewing i guess it's like

1311

00:47:46,309 --> 00:47:44,079

ufology you have these you have these um

1312

00:47:47,910 --> 00:47:46,319

tribal debates over

1313

00:47:50,069 --> 00:47:47,920

over hot topics and you know we have

1314

00:47:51,910 --> 00:47:50,079

them within remote viewing as well

1315

00:47:54,390 --> 00:47:51,920

and one of the top remote viewers in the

1316

00:47:56,630 --> 00:47:54,400

world joe mcmon eagle was saying a few

1317

00:47:58,150 --> 00:47:56,640

years ago you know

1318

00:48:00,150 --> 00:47:58,160

the method that we all use controlled

1319

00:48:03,030 --> 00:48:00,160

reviewing wasn't finished it had its

1320

00:48:05,589 --> 00:48:03,040

flaws and a few other things so i i you

1321

00:48:07,030 --> 00:48:05,599

know i managed to reach out to how and

1322

00:48:09,109 --> 00:48:07,040

get him to answer some of these

1323

00:48:10,630 --> 00:48:09,119

questions and put his side of the cross

1324

00:48:11,510 --> 00:48:10,640

uh which he did very well you know

1325

00:48:13,510 --> 00:48:11,520

showing

1326

00:48:15,430 --> 00:48:13,520

documented evidence that

1327

00:48:17,589 --> 00:48:15,440

uh

1328

00:48:18,950 --> 00:48:17,599

challenged joe's opinion on those at the

1329

00:48:21,109 --> 00:48:18,960

time

1330

00:48:22,069 --> 00:48:21,119

so only only through priorities at this

1331

00:48:25,670 --> 00:48:22,079

stage but

1332

00:48:27,670 --> 00:48:25,680

uh and you know i know he has seen my um

1333

00:48:30,309 --> 00:48:27,680

several of my remote viewing projects on

1334

00:48:33,190 --> 00:48:30,319

uaps have been passed to him by because

1335

00:48:35,190 --> 00:48:33,200

i do have an ongoing dialogue with tom

1336

00:48:36,470 --> 00:48:35,200

delonge and a few of the others as well

1337

00:48:40,630 --> 00:48:36,480

so i know that he has access to

1338

00:48:44,950 --> 00:48:42,470

um this is this one's kind of out of the

1339

00:48:47,190 --> 00:48:44,960

box but um you know when i see someone

1340

00:48:49,670 --> 00:48:47,200

repeating questions i gotta throw it out

1341

00:48:51,270 --> 00:48:49,680

there um

1342

00:48:52,630 --> 00:48:51,280

kettlebell relations

1343

00:48:54,549 --> 00:48:52,640

have you ever looked into that or have

1344

00:48:57,510 --> 00:48:54,559

been tasked with that uh especially in

1345

00:48:58,870 --> 00:48:57,520

the uk or yeah i'm just trying to think

1346

00:49:03,109 --> 00:48:58,880

how i have her because i've done so many

1347

00:49:04,069 --> 00:49:03,119

targets now i'm trying to remember back

1348

00:49:07,910 --> 00:49:04,079

i

1349

00:49:09,910 --> 00:49:07,920

probably one of the ones that's on my

1350

00:49:11,990 --> 00:49:09,920

list of 100 that i would like to look at

1351

00:49:14,470 --> 00:49:12,000

especially i know quite a bit about cat

1352

00:49:16,950 --> 00:49:14,480

relations so especially with some of the

1353

00:49:19,349 --> 00:49:16,960

ones that we know aren't fake you know

1354

00:49:21,030 --> 00:49:19,359

the early ones that linda mo and how uh

1355

00:49:22,390 --> 00:49:21,040

looks at like snippy and a few of the

1356

00:49:24,230 --> 00:49:22,400

others like that

1357

00:49:26,870 --> 00:49:24,240

that's the one i would probably like to

1358

00:49:28,069 --> 00:49:26,880

work so no i haven't but i have i have

1359

00:49:29,829 --> 00:49:28,079

tracked

1360

00:49:32,069 --> 00:49:29,839

as an as my own interest when i was

1361

00:49:33,270 --> 00:49:32,079

especially when i was into the ufo stuff

1362

00:49:35,270 --> 00:49:33,280

um

1363

00:49:37,109 --> 00:49:35,280

castle mutilation cases in the uk and

1364

00:49:39,190 --> 00:49:37,119

it's not just cattle as well we get you

1365

00:49:41,030 --> 00:49:39,200

know huge space of

1366

00:49:43,430 --> 00:49:41,040

domestic animals like cats and dogs

1367

00:49:45,430 --> 00:49:43,440

being found headless and in weird kind

1368

00:49:48,069 --> 00:49:45,440

of situations

1369

00:49:50,870 --> 00:49:48,079

and not only that during my uh

1370

00:49:53,190 --> 00:49:50,880

years of doing ufo research and

1371

00:49:55,990 --> 00:49:53,200

essentially the reason that made me quit

1372

00:49:59,190 --> 00:49:56,000

was in the uk here we stumble myself and

1373

00:50:01,990 --> 00:49:59,200

two other investigators stumbled on

1374

00:50:03,910 --> 00:50:02,000

i would say stumbled on some

1375

00:50:06,150 --> 00:50:03,920

what's the word for some some work that

1376

00:50:09,349 --> 00:50:06,160

was being done by

1377

00:50:12,390 --> 00:50:09,359

ex-special forces or xsas people in the

1378

00:50:14,069 --> 00:50:12,400

uk here we we interviewed a guy

1379

00:50:14,950 --> 00:50:14,079

that claimed to have been a clean-up

1380

00:50:17,349 --> 00:50:14,960

crew

1381

00:50:19,750 --> 00:50:17,359

so he was next he was he was he was sas

1382

00:50:23,030 --> 00:50:19,760

but he was a clean-up crew that went in

1383

00:50:24,549 --> 00:50:23,040

after uap events had happened

1384

00:50:26,309 --> 00:50:24,559

to clean up the

1385

00:50:27,349 --> 00:50:26,319

the essential place and the debris and

1386

00:50:29,510 --> 00:50:27,359

stuff

1387

00:50:30,870 --> 00:50:29,520

and he had i didn't see the photographs

1388

00:50:33,270 --> 00:50:30,880

but he had a big stack of photographs

1389

00:50:34,470 --> 00:50:33,280

that he showed to one of my colleagues

1390

00:50:36,710 --> 00:50:34,480

uh

1391

00:50:39,109 --> 00:50:36,720

human and castle mutilations that they

1392

00:50:40,309 --> 00:50:39,119

were tasked to clean up

1393

00:50:42,390 --> 00:50:40,319

um

1394

00:50:44,309 --> 00:50:42,400

we investigated that for a while

1395

00:50:46,069 --> 00:50:44,319

and it got quite hairy here in uk

1396

00:50:48,950 --> 00:50:46,079

because it was actually in my local area

1397

00:50:50,390 --> 00:50:48,960

but it was also in wales here and the

1398

00:50:52,790 --> 00:50:50,400

the other country of wales here in the

1399

00:50:55,349 --> 00:50:52,800

uk and it got so hairy that one of the

1400

00:50:57,030 --> 00:50:55,359

investigators houses burnt down jordan

1401
00:50:59,510 --> 00:50:57,040
when we were following this because we

1402
00:51:01,430 --> 00:50:59,520
actually covertly followed the sas guy

1403
00:51:02,710 --> 00:51:01,440
to his house and stuff so it got it

1404
00:51:04,630 --> 00:51:02,720
when's his house burned down i was like

1405
00:51:06,630 --> 00:51:04,640
right last night i'm out now i've had

1406
00:51:09,190 --> 00:51:06,640
enough this has gone too far

1407
00:51:11,510 --> 00:51:09,200
um and i left it at that stage there so

1408
00:51:13,349 --> 00:51:11,520
yeah i have seen as i said i i have seen

1409
00:51:15,349 --> 00:51:13,359
evidence no i didn't see the physical

1410
00:51:16,549 --> 00:51:15,359
evidence of the photographs but when the

1411
00:51:18,950 --> 00:51:16,559
investigator that did see the

1412
00:51:20,309 --> 00:51:18,960
photographs came out at the meeting

1413
00:51:23,349 --> 00:51:20,319

we meeting with him straight away and

1414

00:51:25,510 --> 00:51:23,359

i've got on video and he just he

1415

00:51:27,829 --> 00:51:25,520

literally just breaks down and cries his

1416

00:51:29,670 --> 00:51:27,839

eyes out from the imagery that you saw

1417

00:51:32,710 --> 00:51:29,680

of the human mutilations in in the

1418

00:51:34,630 --> 00:51:32,720

polaroid photographs wow and after

1419

00:51:36,309 --> 00:51:34,640

seeing that it was just like

1420

00:51:38,470 --> 00:51:36,319

so i haven't even looked at that uh the

1421

00:51:40,870 --> 00:51:38,480

human mutilation one yeah when i'd like

1422

00:51:42,470 --> 00:51:40,880

to look at as well

1423

00:51:44,630 --> 00:51:42,480

would you then

1424

00:51:46,950 --> 00:51:44,640

yeah yeah i would it would it would be

1425

00:51:48,950 --> 00:51:46,960

in my list as i said i got a list of a

1426

00:51:50,470 --> 00:51:48,960

hundred here that i'd like to look at at

1427

00:51:52,390 --> 00:51:50,480

some point

1428

00:51:54,390 --> 00:51:52,400

uh and those are in my those are in my

1429

00:51:56,309 --> 00:51:54,400

list yeah did anything scare you like

1430

00:51:58,630 --> 00:51:56,319

that's something i never want to find or

1431

00:52:00,309 --> 00:51:58,640

know about or you know i'm

1432

00:52:02,230 --> 00:52:00,319

my personal reality is it doesn't

1433

00:52:04,710 --> 00:52:02,240

involve me i'm i'm a detective i'm an

1434

00:52:06,950 --> 00:52:04,720

outside observer it's

1435

00:52:08,230 --> 00:52:06,960

it's i'm not in there in any way i'm not

1436

00:52:09,670 --> 00:52:08,240

actually you know it's a bit like the

1437

00:52:10,309 --> 00:52:09,680

serial killer stuff when i was looking

1438

00:52:11,990 --> 00:52:10,319

at

1439

00:52:13,910 --> 00:52:12,000

serial killers you know one of them or

1440

00:52:15,829 --> 00:52:13,920

what not a serial killer but one one

1441

00:52:18,630 --> 00:52:15,839

favorite you know got rid of his baby by

1442

00:52:19,430 --> 00:52:18,640

chucking it in a in a dump a rubbish

1443

00:52:21,190 --> 00:52:19,440

dump

1444

00:52:22,950 --> 00:52:21,200

you know it's for most people that would

1445

00:52:24,470 --> 00:52:22,960

be very emotive but for me it was like a

1446

00:52:25,910 --> 00:52:24,480

focus on the task at home which is

1447

00:52:26,790 --> 00:52:25,920

getting information

1448

00:52:28,470 --> 00:52:26,800

um

1449

00:52:30,150 --> 00:52:28,480

trying not to get emotionally

1450

00:52:32,390 --> 00:52:30,160

attached to any of it and it works for

1451

00:52:34,150 --> 00:52:32,400

me i i don't really

1452

00:52:35,670 --> 00:52:34,160

and and at the same time you're talking

1453

00:52:37,430 --> 00:52:35,680

about a guy's house getting burned down

1454

00:52:38,950 --> 00:52:37,440

you know i mean there's there's dan

1455

00:52:41,109 --> 00:52:38,960

there's seems like there's inherent

1456

00:52:42,630 --> 00:52:41,119

dangers not just in

1457

00:52:45,109 --> 00:52:42,640

kind of irl

1458

00:52:46,470 --> 00:52:45,119

physical day-to-day world but also you

1459

00:52:49,349 --> 00:52:46,480

know people talk

1460

00:52:53,270 --> 00:52:49,359

a lot about how with anything from

1461

00:52:55,190 --> 00:52:53,280

remote viewing to ce5 to ouija boards

1462

00:52:56,470 --> 00:52:55,200

um that that if you don't know what

1463

00:52:59,109 --> 00:52:56,480

you're doing

1464

00:53:01,349 --> 00:52:59,119

um and you're just dabbling in something

1465

00:53:02,390 --> 00:53:01,359

without some training or you know you're

1466

00:53:03,910 --> 00:53:02,400

kind of

1467

00:53:07,030 --> 00:53:03,920

stabbing in the dark on your way into

1468

00:53:09,109 --> 00:53:07,040

this that that it could have serious

1469

00:53:11,510 --> 00:53:09,119

uh consequences do you feel that that's

1470

00:53:14,150 --> 00:53:11,520

the case do you feel that people need to

1471

00:53:15,430 --> 00:53:14,160

really try to have structure or training

1472

00:53:17,589 --> 00:53:15,440

or things like that when they're walking

1473

00:53:19,670 --> 00:53:17,599

into a chat absolutely yeah i run

1474

00:53:21,910 --> 00:53:19,680

several large remote viewing communities

1475

00:53:23,349 --> 00:53:21,920

online now on facebook and all over the

1476

00:53:25,030 --> 00:53:23,359

place

1477

00:53:26,829 --> 00:53:25,040

and i've seen over the you know the last

1478

00:53:30,790 --> 00:53:26,839

three decades that

1479

00:53:31,670 --> 00:53:30,800

uh if a person doesn't have a very solid

1480

00:53:33,430 --> 00:53:31,680

uh

1481

00:53:34,790 --> 00:53:33,440

personal state of mind you know they

1482

00:53:36,549 --> 00:53:34,800

have some

1483

00:53:38,470 --> 00:53:36,559

mental health issues

1484

00:53:40,390 --> 00:53:38,480

uh especially with their belief systems

1485

00:53:42,470 --> 00:53:40,400

and bearing in mind once you get into

1486

00:53:44,630 --> 00:53:42,480

remote viewing and other spiritual stuff

1487

00:53:47,030 --> 00:53:44,640

as well once you have your first couple

1488

00:53:48,470 --> 00:53:47,040

of attempts and you find you know your

1489

00:53:50,230 --> 00:53:48,480

your world is rocked because you

1490

00:53:51,430 --> 00:53:50,240

actually find out it works

1491

00:53:54,069 --> 00:53:51,440

you know you're they're going home my

1492

00:53:55,190 --> 00:53:54,079

god this works i can do anything

1493

00:53:57,190 --> 00:53:55,200

effect

1494

00:54:00,470 --> 00:53:57,200

once that happens if they haven't got a

1495

00:54:01,829 --> 00:54:00,480

very solid mental attitude and base i've

1496

00:54:04,390 --> 00:54:01,839

seen

1497

00:54:06,870 --> 00:54:04,400

many many people go completely

1498

00:54:09,990 --> 00:54:06,880

off the rails overboard

1499

00:54:12,069 --> 00:54:10,000

um and in some cases have quite a few

1500

00:54:13,589 --> 00:54:12,079

mental mental health issues i've seen a

1501

00:54:15,589 --> 00:54:13,599

lot of people with mental health issues

1502

00:54:17,109 --> 00:54:15,599

there and looking into remote viewing or

1503

00:54:18,790 --> 00:54:17,119

practicing it and other psychic

1504

00:54:20,390 --> 00:54:18,800

techniques

1505

00:54:22,150 --> 00:54:20,400

and they shouldn't be

1506

00:54:24,150 --> 00:54:22,160

i myself i you know i

1507

00:54:26,230 --> 00:54:24,160

every person i teach i need each to a

1508

00:54:27,430 --> 00:54:26,240

year i personally that every single

1509

00:54:29,190 --> 00:54:27,440

person

1510

00:54:31,030 --> 00:54:29,200

i get them to sign a document saying you

1511

00:54:33,109 --> 00:54:31,040

know their history of mental health and

1512

00:54:35,430 --> 00:54:33,119

everything because i'm totally aware

1513

00:54:37,270 --> 00:54:35,440

that i don't want to be responsible for

1514

00:54:39,829 --> 00:54:37,280

damaging someone and

1515

00:54:42,150 --> 00:54:39,839

it i have to be honest it it happens

1516

00:54:44,150 --> 00:54:42,160

remote viewing and psychic endeavors or

1517

00:54:45,670 --> 00:54:44,160

paranormal endeavors isn't

1518

00:54:46,870 --> 00:54:45,680

isn't for everyone not everyone should

1519

00:54:49,349 --> 00:54:46,880

be doing it

1520

00:54:50,950 --> 00:54:49,359

there are dangers and you know when you

1521

00:54:52,710 --> 00:54:50,960

when you use the less structured

1522

00:54:54,230 --> 00:54:52,720

techniques like the classical stuff as i

1523

00:54:55,910 --> 00:54:54,240

said stuff i used before when i was

1524

00:54:58,150 --> 00:54:55,920

channeling and stuff

1525

00:54:59,990 --> 00:54:58,160

because there's no methods within the

1526

00:55:01,990 --> 00:55:00,000

protocol what you're doing is not

1527

00:55:04,069 --> 00:55:02,000

scientific enough that you have feedback

1528

00:55:05,990 --> 00:55:04,079

and you engage your accuracy you know

1529

00:55:08,230 --> 00:55:06,000

where the information is coming from

1530

00:55:10,150 --> 00:55:08,240

because none of that's involved

1531

00:55:11,990 --> 00:55:10,160

um i think there's a lot more

1532

00:55:13,910 --> 00:55:12,000

possibility of you

1533

00:55:15,910 --> 00:55:13,920

going off the rails and also being

1534

00:55:18,230 --> 00:55:15,920

affected by

1535

00:55:20,549 --> 00:55:18,240

whoever you're conversing with in some

1536

00:55:22,630 --> 00:55:20,559

way and as i said as well

1537

00:55:24,950 --> 00:55:22,640

a lot of these elements like they're

1538

00:55:27,190 --> 00:55:24,960

including the remote viewing

1539

00:55:29,190 --> 00:55:27,200

part that gives me information

1540

00:55:31,670 --> 00:55:29,200

uh at times there is this trickster

1541

00:55:34,069 --> 00:55:31,680

element it it flips the information on

1542

00:55:35,750 --> 00:55:34,079

you it likes to lie likes how i laugh i

1543

00:55:37,910 --> 00:55:35,760

don't know how it works but

1544

00:55:39,510 --> 00:55:37,920

there is that kind of

1545

00:55:42,150 --> 00:55:39,520

sometimes wants to help you sometimes

1546

00:55:44,789 --> 00:55:42,160

wants to deceive you element

1547

00:55:47,030 --> 00:55:44,799

interesting so it you know just sounds

1548

00:55:50,069 --> 00:55:47,040

like you have to be

1549

00:55:52,390 --> 00:55:50,079

strong within yourself uh to be able to

1550

00:55:54,069 --> 00:55:52,400

you know not be taken advantage of maybe

1551

00:55:55,589 --> 00:55:54,079

by yeah and you really have you're

1552

00:55:57,270 --> 00:55:55,599

dealing with something yeah you have to

1553

00:55:59,030 --> 00:55:57,280

find a good team of people to work with

1554

00:56:01,430 --> 00:55:59,040

like for example every single day i

1555

00:56:02,390 --> 00:56:01,440

myself and other remote viewers you know

1556

00:56:03,270 --> 00:56:02,400

you could be

1557

00:56:04,950 --> 00:56:03,280

you know because you get a bit of a

1558

00:56:06,390 --> 00:56:04,960

reputation stuff so you get people

1559

00:56:09,109 --> 00:56:06,400

approaching i get emails every day and

1560

00:56:10,870 --> 00:56:09,119

it's like can you work a project for me

1561

00:56:12,390 --> 00:56:10,880

and you know i have to turn them all

1562

00:56:14,630 --> 00:56:12,400

down because i just can't work from

1563

00:56:16,230 --> 00:56:14,640

someone that contacts me over facebook

1564

00:56:18,630 --> 00:56:16,240

for or for gmail because they could be

1565

00:56:20,470 --> 00:56:18,640

anyone they could say to me you know i'm

1566

00:56:22,230 --> 00:56:20,480

i want you to find my my lost son or

1567

00:56:23,670 --> 00:56:22,240

something and you know that's too much

1568

00:56:25,270 --> 00:56:23,680

information for a start because i should

1569

00:56:26,470 --> 00:56:25,280

be working it blind

1570

00:56:28,789 --> 00:56:26,480

but right

1571

00:56:30,950 --> 00:56:28,799

they told me that that last target but

1572

00:56:32,630 --> 00:56:30,960

in reality the target could be they

1573

00:56:35,030 --> 00:56:32,640

could be a terrorist and they could be

1574

00:56:36,309 --> 00:56:35,040

asking me to describe the location of

1575

00:56:37,430 --> 00:56:36,319

where they should plant a bomb and i

1576

00:56:39,589 --> 00:56:37,440

wouldn't know i'd be giving them

1577

00:56:40,630 --> 00:56:39,599

information back

1578

00:56:42,470 --> 00:56:40,640

and not knowing what they're doing with

1579

00:56:44,230 --> 00:56:42,480

that information so it's all you have to

1580

00:56:45,589 --> 00:56:44,240

you know as remote viewers we have to be

1581

00:56:48,390 --> 00:56:45,599

very careful

1582

00:56:50,549 --> 00:56:48,400

who we accept projects from uh

1583

00:56:52,710 --> 00:56:50,559

and how that can be abused there was

1584

00:56:53,990 --> 00:56:52,720

there was an instance earlier this last

1585

00:56:56,309 --> 00:56:54,000

year

1586

00:56:58,549 --> 00:56:56,319

where the entire remote viewing

1587

00:57:01,910 --> 00:56:58,559

community that i'm involved with was

1588

00:57:03,670 --> 00:57:01,920

infiltrated by a group of individuals

1589

00:57:05,349 --> 00:57:03,680

that spread around a lot of money and

1590

00:57:07,270 --> 00:57:05,359

they were essentially hiring remote

1591

00:57:09,349 --> 00:57:07,280

viewers with really

1592

00:57:11,109 --> 00:57:09,359

horrific ndas that they were making them

1593

00:57:12,230 --> 00:57:11,119

sign

1594

00:57:13,829 --> 00:57:12,240

and essentially they were getting the

1595

00:57:16,150 --> 00:57:13,839

remote viewers to work on what we call

1596

00:57:17,190 --> 00:57:16,160

arv which is associative remote viewing

1597

00:57:18,710 --> 00:57:17,200

projects

1598

00:57:20,950 --> 00:57:18,720

with binary outcomes so you know one

1599

00:57:22,789 --> 00:57:20,960

target means a which might mean up the

1600

00:57:24,630 --> 00:57:22,799

other target might mean b which might be

1601
00:57:27,670 --> 00:57:24,640
down and essentially they were getting

1602
00:57:30,230 --> 00:57:27,680
them to remote view uh markets and and

1603
00:57:31,910 --> 00:57:30,240
sports and stuff like that and they you

1604
00:57:33,270 --> 00:57:31,920
know selling that information on but

1605
00:57:35,430 --> 00:57:33,280
they were spreading loads of money about

1606
00:57:36,710 --> 00:57:35,440
and no one knew

1607
00:57:38,870 --> 00:57:36,720
uh

1608
00:57:41,349 --> 00:57:38,880
the id the the the people that were

1609
00:57:42,950 --> 00:57:41,359
tasking the projects backgrounds uh

1610
00:57:44,390 --> 00:57:42,960
until we found out more information on

1611
00:57:46,230 --> 00:57:44,400
them and it turned out they were very

1612
00:57:47,270 --> 00:57:46,240
dubious and dodgy

1613
00:57:48,470 --> 00:57:47,280

uh

1614

00:57:50,150 --> 00:57:48,480

but also they didn't know where the

1615

00:57:52,390 --> 00:57:50,160

information was going and how it was

1616

00:57:54,549 --> 00:57:52,400

being used and as i said the ndas were

1617

00:57:56,710 --> 00:57:54,559

very dodgy as well so we we had that

1618

00:57:58,230 --> 00:57:56,720

infiltration within the larger field of

1619

00:58:00,390 --> 00:57:58,240

remote viewing last year that caught

1620

00:58:01,670 --> 00:58:00,400

quite a lot of us off guard for a while

1621

00:58:03,750 --> 00:58:01,680

yeah

1622

00:58:05,750 --> 00:58:03,760

it's unfortunate people always trying to

1623

00:58:07,990 --> 00:58:05,760

take advantage of something that uh you

1624

00:58:09,270 --> 00:58:08,000

know whatever tool it is

1625

00:58:11,670 --> 00:58:09,280

whether it can be used for good it can

1626

00:58:13,109 --> 00:58:11,680

be used for bed yes yeah so yeah as a

1627

00:58:15,030 --> 00:58:13,119

remote viewers we have to be

1628

00:58:16,630 --> 00:58:15,040

you know i can't employ anyone enough we

1629

00:58:18,309 --> 00:58:16,640

have to be very careful and you know i

1630

00:58:19,990 --> 00:58:18,319

get like on the show like i'm doing for

1631

00:58:22,230 --> 00:58:20,000

you guys you know wherever you get

1632

00:58:24,230 --> 00:58:22,240

people say oh you know can i set that as

1633

00:58:26,630 --> 00:58:24,240

a target you know get him to do this and

1634

00:58:28,470 --> 00:58:26,640

i like i have to turn people out say the

1635

00:58:30,069 --> 00:58:28,480

people i work with i have to

1636

00:58:31,750 --> 00:58:30,079

have a trust element with you know we

1637

00:58:33,430 --> 00:58:31,760

have to i have to know that they can set

1638

00:58:34,549 --> 00:58:33,440

a target properly to start with but i

1639

00:58:36,150 --> 00:58:34,559

have to know that they're not going to

1640

00:58:38,309 --> 00:58:36,160

abuse the information they're not

1641

00:58:39,589 --> 00:58:38,319

working for a foreign agency they're not

1642

00:58:41,190 --> 00:58:39,599

going to try to get me to look at what

1643

00:58:43,109 --> 00:58:41,200

the next apple product will be because

1644

00:58:45,109 --> 00:58:43,119

then that would be

1645

00:58:46,309 --> 00:58:45,119

you know that's probably if they wanted

1646

00:58:48,150 --> 00:58:46,319

to take you to court over doing

1647

00:58:50,069 --> 00:58:48,160

something like that they probably

1648

00:58:51,750 --> 00:58:50,079

might be able to do for some kind of

1649

00:58:53,190 --> 00:58:51,760

espionage or something so you know we

1650

00:58:55,430 --> 00:58:53,200

have to yeah we have to all have to be

1651
00:58:57,109 --> 00:58:55,440
very careful and ethical with what we do

1652
00:58:58,069 --> 00:58:57,119
with this stuff

1653
00:58:59,270 --> 00:58:58,079
um

1654
00:59:00,390 --> 00:58:59,280
how long

1655
00:59:02,309 --> 00:59:00,400
we're getting towards the end of the

1656
00:59:04,630 --> 00:59:02,319
hour but as you brought up ethics i was

1657
00:59:07,349 --> 00:59:04,640
like oh here's a perfect moment for this

1658
00:59:10,150 --> 00:59:07,359
there are um two controversial

1659
00:59:11,190 --> 00:59:10,160
um topics within remote viewing from my

1660
00:59:13,589 --> 00:59:11,200
novice

1661
00:59:15,990 --> 00:59:13,599
readership perspective

1662
00:59:18,630 --> 00:59:16,000
that are that are commonly cited are

1663
00:59:19,829 --> 00:59:18,640

remote influencing and remote viewing

1664

00:59:20,710 --> 00:59:19,839

the future

1665

00:59:22,950 --> 00:59:20,720

um

1666

00:59:24,950 --> 00:59:22,960

what are your takes on both of those

1667

00:59:28,630 --> 00:59:24,960

things if you don't mind me asking

1668

00:59:30,710 --> 00:59:28,640

okay uh remote influencing um i i've

1669

00:59:32,630 --> 00:59:30,720

only tried once

1670

00:59:35,030 --> 00:59:32,640

but that was on a machine and that

1671

00:59:37,510 --> 00:59:35,040

worked

1672

00:59:39,670 --> 00:59:37,520

um i i only won

1673

00:59:42,470 --> 00:59:39,680

yeah i haven't explored it since it's

1674

00:59:44,630 --> 00:59:42,480

not an area that i won't go into other

1675

00:59:46,630 --> 00:59:44,640

than you could or you know

1676

00:59:49,349 --> 00:59:46,640

in a dif under a different name uh

1677

00:59:51,190 --> 00:59:49,359

prayer and and healing is is essentially

1678

00:59:54,230 --> 00:59:51,200

remote influencing

1679

00:59:56,630 --> 00:59:54,240

um so people do it anyway

1680

00:59:58,390 --> 00:59:56,640

i just don't think that

1681

01:00:00,069 --> 00:59:58,400

as human beings we should be involved in

1682

01:00:02,150 --> 01:00:00,079

doing things with other people and

1683

01:00:03,990 --> 01:00:02,160

things unless we've given permission to

1684

01:00:04,870 --> 01:00:04,000

do so so you have to be very careful

1685

01:00:06,390 --> 01:00:04,880

with that

1686

01:00:08,710 --> 01:00:06,400

on the future thing

1687

01:00:10,309 --> 01:00:08,720

uh i'm part of a i'm part of a company

1688

01:00:12,829 --> 01:00:10,319

called crypto viewing and we've been

1689

01:00:14,630 --> 01:00:12,839

running for four years now we

1690

01:00:17,190 --> 01:00:14,640

essentially

1691

01:00:18,470 --> 01:00:17,200

remote view if cryptos and if markets

1692

01:00:21,030 --> 01:00:18,480

what they're going to be doing you know

1693

01:00:22,630 --> 01:00:21,040

days weeks months in advance uh and

1694

01:00:24,630 --> 01:00:22,640

every month for four years myself and

1695

01:00:26,950 --> 01:00:24,640

the other remote viewing team we also

1696

01:00:28,630 --> 01:00:26,960

remote view the next month's news so

1697

01:00:31,030 --> 01:00:28,640

literally within two days here before

1698

01:00:33,510 --> 01:00:31,040

the end of the month i'll be doing my rv

1699

01:00:35,510 --> 01:00:33,520

and then we'll be publishing online of

1700

01:00:38,470 --> 01:00:35,520

what i see is going to happen in the top

1701

01:00:40,150 --> 01:00:38,480

global news stories for march

1702

01:00:42,710 --> 01:00:40,160

so we've been doing that continuously

1703

01:00:44,230 --> 01:00:42,720

for four years as well so we do rv the

1704

01:00:46,470 --> 01:00:44,240

future but

1705

01:00:48,710 --> 01:00:46,480

uh being totally honest with everyone

1706

01:00:50,549 --> 01:00:48,720

remote view in the future is way less

1707

01:00:53,109 --> 01:00:50,559

accurate than anything i do when i'm

1708

01:00:54,950 --> 01:00:53,119

reviewing present time in the past

1709

01:00:57,750 --> 01:00:54,960

present time in the past i'm i roughly

1710

01:00:59,510 --> 01:00:57,760

average 80 to 90 plus percent accuracy

1711

01:01:01,030 --> 01:00:59,520

80 of the time

1712

01:01:03,430 --> 01:01:01,040

and everything i do

1713

01:01:08,230 --> 01:01:03,440

i can uh my database accuracy for

1714

01:01:09,589 --> 01:01:08,240

reviewing news is around about 60 to 65

1715

01:01:11,829 --> 01:01:09,599

so there's a you know there's a big drop

1716

01:01:13,990 --> 01:01:11,839

there of 20 plus percent but it's it's

1717

01:01:15,270 --> 01:01:14,000

still actionable information

1718

01:01:17,270 --> 01:01:15,280

and you know

1719

01:01:19,349 --> 01:01:17,280

our 30 000 subscribers through free

1720

01:01:21,030 --> 01:01:19,359

crypto viewing a lot of them that take

1721

01:01:22,390 --> 01:01:21,040

our information and then use that with

1722

01:01:24,150 --> 01:01:22,400

other forms of information because you

1723

01:01:25,829 --> 01:01:24,160

should never use remote viewing

1724

01:01:27,910 --> 01:01:25,839

information alone

1725

01:01:29,829 --> 01:01:27,920

has allowed them to make you know huge

1726

01:01:31,750 --> 01:01:29,839

increases in in their investments in in

1727

01:01:33,510 --> 01:01:31,760

the crypto market that we're looking at

1728

01:01:35,510 --> 01:01:33,520

on a regular basis

1729

01:01:38,230 --> 01:01:35,520

that's just interesting it makes me

1730

01:01:40,630 --> 01:01:38,240

think that maybe you know there's just a

1731

01:01:42,470 --> 01:01:40,640

lot more variables that are included in

1732

01:01:43,910 --> 01:01:42,480

the future perhaps including people's

1733

01:01:45,349 --> 01:01:43,920

decision makings and their own

1734

01:01:48,069 --> 01:01:45,359

consciousness yes

1735

01:01:49,910 --> 01:01:48,079

i think yes i think uh

1736

01:01:51,430 --> 01:01:49,920

there's a theory that you know

1737

01:01:53,510 --> 01:01:51,440

the closer you get to the event that

1738

01:01:55,190 --> 01:01:53,520

you're looking at the probabilities all

1739

01:01:57,190 --> 01:01:55,200

compress into less

1740

01:01:59,589 --> 01:01:57,200

so the far right you are there's more

1741

01:02:01,190 --> 01:01:59,599

probabilities and more chances if you

1742

01:02:03,190 --> 01:02:01,200

get less accurate information the closer

1743

01:02:05,029 --> 01:02:03,200

you are to the event the more accurate

1744

01:02:07,670 --> 01:02:05,039

you could be

1745

01:02:09,109 --> 01:02:07,680

but i've also found and i think this is

1746

01:02:11,750 --> 01:02:09,119

what impacts the lottery stuff and

1747

01:02:15,349 --> 01:02:11,760

everything else is that

1748

01:02:16,710 --> 01:02:15,359

if there's a chance that you may make

1749

01:02:18,230 --> 01:02:16,720

a decision

1750

01:02:20,870 --> 01:02:18,240

through the remote viewing data that

1751
01:02:22,950 --> 01:02:20,880
affects you or someone else in such an

1752
01:02:24,390 --> 01:02:22,960
immense way for example

1753
01:02:26,630 --> 01:02:24,400
you know i'd love to win 100 million on

1754
01:02:29,349 --> 01:02:26,640
the euro minions here in the uk

1755
01:02:31,190 --> 01:02:29,359
but i also know that if i did actually

1756
01:02:33,190 --> 01:02:31,200
doing that free remote viewing i would

1757
01:02:34,710 --> 01:02:33,200
never remote view or do anything ever

1758
01:02:36,789 --> 01:02:34,720
again i would literally just disappear i

1759
01:02:39,589 --> 01:02:36,799
would just like be on a desert island

1760
01:02:41,589 --> 01:02:39,599
chilling for the rest of my life

1761
01:02:43,910 --> 01:02:41,599
is that my destiny

1762
01:02:45,990 --> 01:02:43,920
and because

1763
01:02:49,589 --> 01:02:46,000

maybe that's reason why i'm not allowed

1764

01:02:52,230 --> 01:02:49,599

to win 100 million on the lottery yeah

1765

01:02:54,549 --> 01:02:52,240

interesting yeah fascinating

1766

01:02:56,309 --> 01:02:54,559

um any other yeah any other questions

1767

01:02:59,430 --> 01:02:56,319

today we're over hour i want to be

1768

01:03:01,589 --> 01:02:59,440

respectful of your time here um oh oh my

1769

01:03:03,589 --> 01:03:01,599

gosh uh we've gotten we've had some

1770

01:03:05,670 --> 01:03:03,599

great ones uh from the chat that i've

1771

01:03:08,069 --> 01:03:05,680

been trying to integrate into a few of

1772

01:03:10,309 --> 01:03:08,079

mine so i can always do um

1773

01:03:11,430 --> 01:03:10,319

apologies to people like john davies for

1774

01:03:14,470 --> 01:03:11,440

me kind of

1775

01:03:17,589 --> 01:03:14,480

wrapping some of his and into my verbage

1776

01:03:19,109 --> 01:03:17,599

here and sherry miller and others um if

1777

01:03:21,670 --> 01:03:19,119

anybody has any

1778

01:03:23,430 --> 01:03:21,680

um okay let's see

1779

01:03:25,109 --> 01:03:23,440

um

1780

01:03:26,789 --> 01:03:25,119

any questions that you see from the chat

1781

01:03:28,630 --> 01:03:26,799

or anything like sean that you'd like to

1782

01:03:29,910 --> 01:03:28,640

ask before we get out of here today i

1783

01:03:31,910 --> 01:03:29,920

guess my

1784

01:03:35,029 --> 01:03:31,920

i would just have a last question i

1785

01:03:36,630 --> 01:03:35,039

suppose um well with the world as it is

1786

01:03:38,870 --> 01:03:36,640

and the you know the state of it being

1787

01:03:41,029 --> 01:03:38,880

so uh sensitive and

1788

01:03:43,109 --> 01:03:41,039

a lot of people not really necessarily

1789

01:03:44,549 --> 01:03:43,119

knowing what to expect from it

1790

01:03:46,069 --> 01:03:44,559

um

1791

01:03:47,349 --> 01:03:46,079

first what did

1792

01:03:49,510 --> 01:03:47,359

outsider

1793

01:03:52,390 --> 01:03:49,520

rv like what advice would you have for

1794

01:03:54,230 --> 01:03:52,400

people to to grasp with it and and not

1795

01:03:56,230 --> 01:03:54,240

allow themselves to fall into so much

1796

01:03:59,109 --> 01:03:56,240

fear and two

1797

01:04:01,029 --> 01:03:59,119

um you know how far do you go into

1798

01:04:02,549 --> 01:04:01,039

remote viewing those aspects of the

1799

01:04:04,390 --> 01:04:02,559

world

1800

01:04:05,670 --> 01:04:04,400

well that's because what have you seen

1801
01:04:07,670 --> 01:04:05,680
yeah

1802
01:04:09,750 --> 01:04:07,680
fair one um

1803
01:04:12,230 --> 01:04:09,760
there's a lot out there and a lot of the

1804
01:04:14,630 --> 01:04:12,240
uh a lot of the sources that we all see

1805
01:04:15,910 --> 01:04:14,640
every day in social media and and beyond

1806
01:04:20,630 --> 01:04:15,920
are

1807
01:04:22,470 --> 01:04:20,640
those

1808
01:04:23,670 --> 01:04:22,480
uh but you know it goes on to our

1809
01:04:25,670 --> 01:04:23,680
previous discussion it's all about

1810
01:04:27,109 --> 01:04:25,680
balance really trying to get an element

1811
01:04:28,870 --> 01:04:27,119
of balance you don't and if you're

1812
01:04:30,710 --> 01:04:28,880
looking at different sources please look

1813
01:04:31,829 --> 01:04:30,720

far and wide don't just look in your own

1814

01:04:33,829 --> 01:04:31,839

source

1815

01:04:35,910 --> 01:04:33,839

group of people in like an echo chamber

1816

01:04:37,510 --> 01:04:35,920

try to go outside the box and get

1817

01:04:38,870 --> 01:04:37,520

different points of view and that's what

1818

01:04:40,549 --> 01:04:38,880

we you know within our crypto view

1819

01:04:42,309 --> 01:04:40,559

viewing we say to people don't don't

1820

01:04:44,630 --> 01:04:42,319

just take our information you don't

1821

01:04:46,710 --> 01:04:44,640

don't make any financial

1822

01:04:48,549 --> 01:04:46,720

decisions based on what we say

1823

01:04:50,069 --> 01:04:48,559

maybe look at the information but then

1824

01:04:52,390 --> 01:04:50,079

go outside the box look at some youtube

1825

01:04:55,190 --> 01:04:52,400

videos go to other sources and then kind

1826
01:04:57,270 --> 01:04:55,200
of consolidate an opinion so that's the

1827
01:04:59,349 --> 01:04:57,280
fear thing on the

1828
01:05:01,270 --> 01:04:59,359
looking ahead we look ahead quite a lot

1829
01:05:02,950 --> 01:05:01,280
we looked ahead

1830
01:05:04,630 --> 01:05:02,960
before the covid thing and we were

1831
01:05:06,069 --> 01:05:04,640
seeing some really strange reviewing

1832
01:05:07,829 --> 01:05:06,079
data but we didn't publish a lot of it

1833
01:05:09,589 --> 01:05:07,839
because we didn't know what to do it

1834
01:05:11,670 --> 01:05:09,599
because we were seeing

1835
01:05:13,990 --> 01:05:11,680
sporting events that and you know like

1836
01:05:16,230 --> 01:05:14,000
the macy's damon parade in america that

1837
01:05:17,270 --> 01:05:16,240
was one of our targets two a year ahead

1838
01:05:19,510 --> 01:05:17,280

and we were looking at it and we were

1839

01:05:21,109 --> 01:05:19,520

none of us we were getting anything

1840

01:05:22,390 --> 01:05:21,119

we're like well there are no people

1841

01:05:24,230 --> 01:05:22,400

there are crowds we don't understand

1842

01:05:25,510 --> 01:05:24,240

what's going on of course oh we didn't

1843

01:05:27,270 --> 01:05:25,520

know that everything would be cancelled

1844

01:05:30,390 --> 01:05:27,280

because we didn't know covert existed

1845

01:05:33,910 --> 01:05:30,400

right so we do get this kind of data

1846

01:05:35,670 --> 01:05:33,920

but a lot of it we don't publish because

1847

01:05:37,829 --> 01:05:35,680

there's no context we don't know what's

1848

01:05:39,270 --> 01:05:37,839

happening but you know we have you know

1849

01:05:41,430 --> 01:05:39,280

i'm just being totally honest with you

1850

01:05:42,870 --> 01:05:41,440

we have had quite a lot of data over a

1851

01:05:44,710 --> 01:05:42,880

period of years

1852

01:05:47,190 --> 01:05:44,720

that indicates

1853

01:05:50,150 --> 01:05:47,200

uh massive climate changes

1854

01:05:53,190 --> 01:05:50,160

uh massive movements of people massive

1855

01:05:54,470 --> 01:05:53,200

desolation in in various parts are parts

1856

01:05:56,390 --> 01:05:54,480

of the world now i don't know when

1857

01:05:58,309 --> 01:05:56,400

that's going to come about but

1858

01:06:00,789 --> 01:05:58,319

we see it and you know i think on a

1859

01:06:02,710 --> 01:06:00,799

daily basis we're seeing it happen i

1860

01:06:03,430 --> 01:06:02,720

mean as i said before we came on air we

1861

01:06:05,430 --> 01:06:03,440

uh

1862

01:06:07,910 --> 01:06:05,440

we all of us we didn't get the exact day

1863

01:06:09,510 --> 01:06:07,920

of the uh the invasion this month but we

1864

01:06:11,349 --> 01:06:09,520

you know we we got

1865

01:06:13,670 --> 01:06:11,359

all the events of what was happening and

1866

01:06:16,829 --> 01:06:13,680

that and i'm expecting i'm expecting a

1867

01:06:19,029 --> 01:06:16,839

lot more from that that will be more

1868

01:06:20,950 --> 01:06:19,039

militaristic before the end of the month

1869

01:06:22,870 --> 01:06:20,960

maybe maybe slightly moving into the

1870

01:06:25,270 --> 01:06:22,880

first three days of march

1871

01:06:26,710 --> 01:06:25,280

so we do see ahead um but as i said uh

1872

01:06:28,470 --> 01:06:26,720

it's our money sixty-five percent

1873

01:06:30,549 --> 01:06:28,480

accurate

1874

01:06:32,309 --> 01:06:30,559

yeah it's still

1875

01:06:35,670 --> 01:06:32,319

it still got us if you round up that's a

1876

01:06:40,470 --> 01:06:38,870

it's 15 better than tossing a coin

1877

01:06:42,309 --> 01:06:40,480

absolutely and

1878

01:06:43,829 --> 01:06:42,319

do you think that that uh it sounds like

1879

01:06:46,230 --> 01:06:43,839

that may have something to do with

1880

01:06:47,029 --> 01:06:46,240

probability vortices you know this idea

1881

01:06:50,230 --> 01:06:47,039

that

1882

01:06:52,150 --> 01:06:50,240

being

1883

01:06:54,470 --> 01:06:52,160

highly probable or certain but you can't

1884

01:06:55,270 --> 01:06:54,480

figure out the date dude there's so many

1885

01:06:56,710 --> 01:06:55,280

things

1886

01:06:58,549 --> 01:06:56,720

i think that's definitely involved i

1887

01:07:00,069 --> 01:06:58,559

think destiny in some ways involved i

1888

01:07:02,150 --> 01:07:00,079

know that's weird or life goes whatever

1889

01:07:05,109 --> 01:07:02,160

you want to call it for the individuals

1890

01:07:06,710 --> 01:07:05,119

that may be affected or may be involved

1891

01:07:08,309 --> 01:07:06,720

but there's the other thing like

1892

01:07:10,950 --> 01:07:08,319

we put out information every month and

1893

01:07:12,630 --> 01:07:10,960

we have we have 30 000 subscribers

1894

01:07:14,470 --> 01:07:12,640

some of those subscribers could be and

1895

01:07:16,630 --> 01:07:14,480

i've been told they probably are

1896

01:07:19,109 --> 01:07:16,640

representatives from intel agencies

1897

01:07:21,750 --> 01:07:19,119

right now if we have information saying

1898

01:07:24,390 --> 01:07:21,760

okay we think in the us on the coast of

1899

01:07:26,549 --> 01:07:24,400

the us in a city that looks like this

1900

01:07:28,630 --> 01:07:26,559

there's going to be a terrorist attack

1901
01:07:30,309 --> 01:07:28,640
in 20 days

1902
01:07:31,349 --> 01:07:30,319
and they get use that information they

1903
01:07:34,069 --> 01:07:31,359
could then

1904
01:07:36,309 --> 01:07:34,079
maybe use that information to hinder or

1905
01:07:37,750 --> 01:07:36,319
stop that terrorist attack and you know

1906
01:07:39,910 --> 01:07:37,760
because they stopped it we might not see

1907
01:07:41,510 --> 01:07:39,920
it on the news but did so we got this

1908
01:07:43,190 --> 01:07:41,520
kind of loop kind of effect going on

1909
01:07:44,950 --> 01:07:43,200
there you know did we

1910
01:07:46,630 --> 01:07:44,960
see an event that didn't actually occur

1911
01:07:48,309 --> 01:07:46,640
because they stopped it

1912
01:07:49,589 --> 01:07:48,319
right

1913
01:07:53,270 --> 01:07:49,599

i do believe

1914

01:07:56,230 --> 01:07:53,280

the data you give them on the future as

1915

01:07:58,630 --> 01:07:56,240

well which can change the future

1916

01:07:59,630 --> 01:07:58,640

that's a great place to leave everybody

1917

01:08:01,670 --> 01:07:59,640

wondering and thinking

1918

01:08:03,829 --> 01:08:01,680

[Laughter]

1919

01:08:06,630 --> 01:08:03,839

it's been a great conversation

1920

01:08:08,710 --> 01:08:06,640

yeah i hope you come back again i

1921

01:08:10,789 --> 01:08:08,720

thoroughly enjoyed it so you are a

1922

01:08:12,870 --> 01:08:10,799

wealth of knowledge and i'm so grateful

1923

01:08:13,910 --> 01:08:12,880

for you donating the time to to speak

1924

01:08:14,789 --> 01:08:13,920

with us

1925

01:08:16,149 --> 01:08:14,799

um

1926

01:08:18,470 --> 01:08:16,159

yeah it's been fun

1927

01:08:20,950 --> 01:08:18,480

absolutely jazz um where can where can

1928

01:08:22,870 --> 01:08:20,960

uh the viewers find you online

1929

01:08:25,829 --> 01:08:22,880

um i have a main website called

1930

01:08:27,189 --> 01:08:25,839

remoteview.com and there's

1931

01:08:29,669 --> 01:08:27,199

every kind of resource you'd want on

1932

01:08:31,189 --> 01:08:29,679

there you know huge amounts the cia

1933

01:08:33,189 --> 01:08:31,199

stargate uh

1934

01:08:34,950 --> 01:08:33,199

freedom information documents

1935

01:08:36,630 --> 01:08:34,960

my stuff um

1936

01:08:38,870 --> 01:08:36,640

there's even how to remote view i've got

1937

01:08:41,110 --> 01:08:38,880

you know how to remote view quick

1938

01:08:42,950 --> 01:08:41,120

two sheet template system to teach you

1939

01:08:45,590 --> 01:08:42,960

how to remote view so they could do that

1940

01:08:47,430 --> 01:08:45,600

there i have hundreds of videos on

1941

01:08:48,789 --> 01:08:47,440

youtube youtube forward slash remote

1942

01:08:50,870 --> 01:08:48,799

viewed and they're all free as well

1943

01:08:52,390 --> 01:08:50,880

including like all the ufo ones we've

1944

01:08:55,189 --> 01:08:52,400

discussed this evening they're all on

1945

01:08:57,110 --> 01:08:55,199

there free me doing it live in front of

1946

01:08:58,950 --> 01:08:57,120

a whiteboard on camera

1947

01:09:00,789 --> 01:08:58,960

uh not knowing what the target is so

1948

01:09:01,990 --> 01:09:00,799

it's all blind you know so i'm just i

1949

01:09:03,829 --> 01:09:02,000

put it out there until we know what the

1950

01:09:05,590 --> 01:09:03,839

data is afterwards

1951

01:09:07,110 --> 01:09:05,600

um that's all on there as well and yeah

1952

01:09:08,390 --> 01:09:07,120

i guess the magazine as well because

1953

01:09:10,149 --> 01:09:08,400

that's free

1954

01:09:12,070 --> 01:09:10,159

18 issues of that

1955

01:09:13,269 --> 01:09:12,080

and every issue it's got latest news and

1956

01:09:16,229 --> 01:09:13,279

it's got loads of remote viewing

1957

01:09:18,470 --> 01:09:16,239

examples in every issue as well

1958

01:09:20,630 --> 01:09:18,480

very generally awesome amazing thanks so

1959

01:09:22,470 --> 01:09:20,640

much jess this is incredible

1960

01:09:27,669 --> 01:09:22,480

we will see you next time i appreciate

1961

01:09:31,910 --> 01:09:30,149

that was awesome yeah good stuff we got

1962

01:09:35,510 --> 01:09:31,920

to do our recap right

1963

01:09:38,630 --> 01:09:36,550

well

1964

01:09:39,990 --> 01:09:38,640

yeah i i thought it's awesome i i

1965

01:09:42,229 --> 01:09:40,000

thought it was really awesome i love

1966

01:09:43,910 --> 01:09:42,239

speaking to people too that you know um

1967

01:09:46,950 --> 01:09:43,920

i get to meet for the first time and

1968

01:09:49,110 --> 01:09:46,960

have so much to give um that you know a

1969

01:09:52,470 --> 01:09:49,120

lot of people i don't

1970

01:09:55,030 --> 01:09:52,480

think are are necessarily aware of so

1971

01:09:56,070 --> 01:09:55,040

absolutely and you know tangentially i

1972

01:09:57,830 --> 01:09:56,080

mean it

1973

01:10:00,950 --> 01:09:57,840

there's a lot of overlap here in terms

1974

01:10:02,709 --> 01:10:00,960

of the players with with ufology and

1975

01:10:05,430 --> 01:10:02,719

gets us into the kind of the larger

1976

01:10:08,470 --> 01:10:05,440

realm of consciousness studies and

1977

01:10:10,630 --> 01:10:08,480

the larger realm of of kind of what the

1978

01:10:13,270 --> 01:10:10,640

hell is going on here what the hell is

1979

01:10:15,030 --> 01:10:13,280

going on here right it's great to see

1980

01:10:15,990 --> 01:10:15,040

everybody in the chat i see jefferson

1981

01:10:18,310 --> 01:10:16,000

lee

1982

01:10:21,350 --> 01:10:18,320

the great kirsten blackburn water lily

1983

01:10:22,310 --> 01:10:21,360

laura souza john davies

1984

01:10:24,790 --> 01:10:22,320

laura

1985

01:10:26,630 --> 01:10:24,800

shelley julie good crowd

1986

01:10:29,110 --> 01:10:26,640

great crowd wonderful

1987

01:10:30,390 --> 01:10:29,120

you know what i like to do at this time

1988

01:10:33,270 --> 01:10:30,400

what's that

1989

01:10:35,110 --> 01:10:33,280

eat you like to eat yeah so yeah with

1990

01:10:36,950 --> 01:10:35,120

that being said we'll i'll talk to you

1991

01:10:39,590 --> 01:10:36,960

tomorrow we'll get we'll uh game plan

1992

01:10:41,910 --> 01:10:39,600

our elizondo interview

1993

01:10:43,910 --> 01:10:41,920

absolutely yeah we'll we'll uh yeah

1994

01:10:46,149 --> 01:10:43,920

we'll game plan our louis lozando and

1995

01:10:47,510 --> 01:10:46,159

we'll see our louis ondo so

1996

01:10:49,830 --> 01:10:47,520

everybody out there

1997

01:10:51,430 --> 01:10:49,840

please join us uh tomorrow

1998

01:10:54,149 --> 01:10:51,440

and uh if you've got any burning

1999

01:10:55,910 --> 01:10:54,159

questions for lou alizondo uh reach us

2000

01:10:59,189 --> 01:10:55,920

on twitter or don't even think about it

2001

01:11:01,189 --> 01:10:59,199

because we're not

2002

01:11:03,229 --> 01:11:01,199

yeah

2003

01:11:07,270 --> 01:11:03,239

you can email me at s

2004

01:11:08,470 --> 01:11:07,280

r-a-a-s-asia witness citizen dot-com

2005

01:11:10,709 --> 01:11:08,480

that being said

2006

01:11:12,390 --> 01:11:10,719

any any parting words

2007

01:11:13,189 --> 01:11:12,400

have a great day everybody great to see

2008

01:11:27,630 --> 01:11:13,199

you

2009

01:11:32,800 --> 01:11:31,590

[Music]

2010

01:12:10,340 --> 01:11:32,810

so
