

THE AMAZING ADVENTURES OF ALFRED HUBBARD A.K.A

CAPTAIN TRIPS

Report

2¢

1
00:00:55,590 --> 00:00:24,840

[Music]

2
00:00:58,869 --> 00:00:57,510

what's up everybody happy monday long

3
00:01:02,630 --> 00:00:58,879

time no see

4
00:01:03,430 --> 00:01:02,640

haven't seen you since um

5
00:01:05,830 --> 00:01:03,440

man

6
00:01:07,350 --> 00:01:05,840

what was that uh thursday

7
00:01:10,310 --> 00:01:07,360

for that wonderful

8
00:01:12,630 --> 00:01:10,320

lou elizondo interview uh which i hope

9
00:01:14,149 --> 00:01:12,640

everybody enjoyed

10
00:01:16,230 --> 00:01:14,159

i enjoyed it that's for sure i thought

11
00:01:19,109 --> 00:01:16,240

it was fantastic

12
00:01:21,350 --> 00:01:19,119

mister uh j christopher king was great

13
00:01:24,950 --> 00:01:21,360

louis sando was great everything was

14

00:01:26,390 --> 00:01:24,960

just great it was just great great great

15

00:01:29,590 --> 00:01:26,400

fantastic

16

00:01:31,749 --> 00:01:29,600

10 000 views on that bad boy so

17

00:01:33,429 --> 00:01:31,759

um i expect every

18

00:01:35,590 --> 00:01:33,439

video i do

19

00:01:39,429 --> 00:01:35,600

from here on out

20

00:01:42,550 --> 00:01:39,439

to get about 10 000 views as well

21

00:01:45,190 --> 00:01:42,560

even my solo shows where i just babble

22

00:01:46,389 --> 00:01:45,200

and ramble

23

00:01:47,749 --> 00:01:46,399

and

24

00:01:49,749 --> 00:01:47,759

tell you a bunch of different weird

25

00:01:52,069 --> 00:01:49,759

things like today today is going to be a

26

00:01:55,270 --> 00:01:52,079

weird one

27

00:01:57,270 --> 00:01:55,280

so captain trip who is captain tripp

28

00:01:59,190 --> 00:01:57,280

got some guesses out there

29

00:02:02,069 --> 00:01:59,200

spaghetti good to see you

30

00:02:05,109 --> 00:02:02,079

he's thinking jerry garcia

31

00:02:11,830 --> 00:02:07,910

incorrect but i would uh i can imagine

32

00:02:20,830 --> 00:02:16,229

captain tripp so he goes by um

33

00:02:23,670 --> 00:02:20,840

alfred hubbard alfred matthew hubbard

34

00:02:26,070 --> 00:02:23,680

so for those of you who aren't familiar

35

00:02:28,869 --> 00:02:26,080

i'm going to start with the the oss the

36

00:02:29,910 --> 00:02:28,879

oss was like the beginning

37

00:02:33,270 --> 00:02:29,920

of

38

00:02:36,949 --> 00:02:33,280

more or less the cia during world war ii

39

00:02:38,309 --> 00:02:36,959

um oss was was the group and

40

00:02:39,110 --> 00:02:38,319

this

41

00:02:41,910 --> 00:02:39,120

um

42

00:02:46,229 --> 00:02:41,920

hubbard was actually a part of oss

43

00:02:48,150 --> 00:02:46,239

and even then these like you could say

44

00:02:51,270 --> 00:02:48,160

like the whole lsd experiment thing that

45

00:02:52,869 --> 00:02:51,280

the cia did which the name of it is

46

00:02:54,550 --> 00:02:52,879

eluding me right now

47

00:02:57,430 --> 00:02:54,560

so if somebody remembers just put it in

48

00:02:59,270 --> 00:02:57,440

there so i can use it

49

00:03:01,509 --> 00:02:59,280

but you could argue that that started

50

00:03:02,869 --> 00:03:01,519

even then with the oss because what they

51
00:03:06,229 --> 00:03:02,879
were doing then

52
00:03:07,910 --> 00:03:06,239
were they were experimenting with how to

53
00:03:10,949 --> 00:03:07,920
um

54
00:03:13,830 --> 00:03:10,959
you know induce speech and people to

55
00:03:15,750 --> 00:03:13,840
pretty much you know tell secrets

56
00:03:17,670 --> 00:03:15,760
via drugs

57
00:03:19,509 --> 00:03:17,680
very interesting

58
00:03:22,390 --> 00:03:19,519
so

59
00:03:23,350 --> 00:03:22,400
where captain tripp comes in

60
00:03:26,869 --> 00:03:23,360
is

61
00:03:29,270 --> 00:03:26,879
he had some like adventure in seattle

62
00:03:31,350 --> 00:03:29,280
basically or washington

63
00:03:34,390 --> 00:03:31,360

where he said

64

00:03:38,149 --> 00:03:34,400

that he saw an angel

65

00:03:40,149 --> 00:03:38,159

props to josh mk ultra yeah

66

00:03:43,430 --> 00:03:40,159

good one

67

00:03:44,869 --> 00:03:43,440

mk ultra so basically started with oss

68

00:03:46,390 --> 00:03:44,879

when they started experimenting with

69

00:03:47,750 --> 00:03:46,400

drugs and inducing

70

00:03:49,190 --> 00:03:47,760

you know people to tell the truth and

71

00:03:51,990 --> 00:03:49,200

all this kind of stuff it was a highly

72

00:03:56,309 --> 00:03:52,000

oss was a highly covert organization it

73

00:03:58,710 --> 00:03:56,319

was before the cia and it really was um

74

00:04:01,670 --> 00:03:58,720

uh heavily involved with world war ii

75

00:04:02,949 --> 00:04:01,680

he also mr captain tripps uh captain

76

00:04:05,350 --> 00:04:02,959

hubbard

77

00:04:08,470 --> 00:04:05,360

um was

78

00:04:10,309 --> 00:04:08,480

involved with bcs which is which was a

79

00:04:13,110 --> 00:04:10,319

british organization that worked out of

80

00:04:17,909 --> 00:04:14,789

interesting

81

00:04:19,030 --> 00:04:17,919

connection there is um

82

00:04:22,310 --> 00:04:19,040

there's

83

00:04:25,110 --> 00:04:22,320

another person uh that uh

84

00:04:27,110 --> 00:04:25,120

worked out of there as well

85

00:04:28,550 --> 00:04:27,120

named aleister crowley

86

00:04:30,310 --> 00:04:28,560

very interesting

87

00:04:32,469 --> 00:04:30,320

but anyways

88

00:04:35,909 --> 00:04:32,479

so this captain trip he's he's going on

89

00:04:37,670 --> 00:04:35,919

a hike in washington right and he

90

00:04:39,430 --> 00:04:37,680

has this encounter where he sees an

91

00:04:41,670 --> 00:04:39,440

angel he says

92

00:04:42,790 --> 00:04:41,680

and the angel says to him

93

00:04:45,030 --> 00:04:42,800

or gives them

94

00:04:46,550 --> 00:04:45,040

basically gives them an opportunity says

95

00:04:49,030 --> 00:04:46,560

if you want

96

00:04:51,189 --> 00:04:49,040

you'll be able to change the face of

97

00:04:52,790 --> 00:04:51,199

humanity um

98

00:04:55,830 --> 00:04:52,800

you know

99

00:04:57,189 --> 00:04:55,840

probably not saying it word for word

100

00:05:01,029 --> 00:04:57,199

you'll have the opportunity to change

101
00:05:05,029 --> 00:05:02,070
forever

102
00:05:07,909 --> 00:05:05,039
but didn't really say what it was

103
00:05:10,390 --> 00:05:07,919
a year goes by and he gets introduced to

104
00:05:13,510 --> 00:05:10,400
lsd

105
00:05:18,710 --> 00:05:15,860
it was pretty much over

106
00:05:21,510 --> 00:05:18,720
[Laughter]

107
00:05:27,350 --> 00:05:24,790
it's pretty pretty interesting that uh

108
00:05:28,390 --> 00:05:27,360
lsd started there another name that he

109
00:05:30,230 --> 00:05:28,400
went by

110
00:05:35,430 --> 00:05:30,240
this captain trips was

111
00:05:41,270 --> 00:05:37,110
pretty interesting so what i'm going to

112
00:05:41,280 --> 00:05:43,590
is

113
00:05:47,749 --> 00:05:45,990

from a book

114

00:05:49,749 --> 00:05:47,759

about

115

00:05:52,710 --> 00:05:49,759

lsd

116

00:05:55,670 --> 00:05:52,720

and first of all i should say

117

00:05:58,870 --> 00:05:55,680

i've never tried it lsd

118

00:06:00,550 --> 00:05:58,880

um and i think at this point in my life

119

00:06:02,469 --> 00:06:00,560

you know i'm 38 years old some would say

120

00:06:04,550 --> 00:06:02,479

that's not too old but

121

00:06:09,350 --> 00:06:04,560

it's old enough

122

00:06:14,070 --> 00:06:11,830

um you know down that river i don't know

123

00:06:15,510 --> 00:06:14,080

what this freaking stuff is okay here we

124

00:06:17,430 --> 00:06:15,520

go

125

00:06:20,629 --> 00:06:17,440

so

126

00:06:22,230 --> 00:06:20,639

but this gives a great backstory on him

127

00:06:24,070 --> 00:06:22,240

psychedelic power is the original

128

00:06:26,309 --> 00:06:24,080

captain trips

129

00:06:29,029 --> 00:06:26,319

so he served with oss during the second

130

00:06:32,469 --> 00:06:29,039

world war his name was captain alfred m

131

00:06:34,469 --> 00:06:32,479

hubbard his friends call him cappy

132

00:06:35,830 --> 00:06:34,479

the blustery rum drinking hubbard widely

133

00:06:38,230 --> 00:06:35,840

credited for being the first person to

134

00:06:40,790 --> 00:06:38,240

emphasize lsd's potential as a visionary

135

00:06:43,430 --> 00:06:40,800

or trend centennial drug his faith in

136

00:06:46,070 --> 00:06:43,440

the lsd revelation was such that he made

137

00:06:48,070 --> 00:06:46,080

it his life's mission to turn on as many

138

00:06:49,110 --> 00:06:48,080

women men and women as possible most

139

00:06:51,670 --> 00:06:49,120

people

140

00:06:53,189 --> 00:06:51,680

are walking in their sleep he said turn

141

00:06:54,790 --> 00:06:53,199

them around start them in the opposite

142

00:06:56,629 --> 00:06:54,800

direction and they wouldn't even know

143

00:06:58,790 --> 00:06:56,639

the difference

144

00:07:01,270 --> 00:06:58,800

but there was a quick way to remedy that

145

00:07:02,870 --> 00:07:01,280

give them a dose of lsd and let them see

146

00:07:05,589 --> 00:07:02,880

themselves for what they are

147

00:07:07,990 --> 00:07:05,599

so uh hubbard of all people uh should

148

00:07:09,029 --> 00:07:08,000

have emerged as the first genuine lsd

149

00:07:11,110 --> 00:07:09,039

apostle

150

00:07:12,710 --> 00:07:11,120

is all the more curious in light of his

151
00:07:15,110 --> 00:07:12,720
long-standing affiliation with the cloak

152
00:07:17,830 --> 00:07:15,120
and dagger trade oss

153
00:07:20,309 --> 00:07:17,840
so uh hubbard was it was

154
00:07:22,710 --> 00:07:20,319
kind of a guy that uh you know wasn't

155
00:07:24,469 --> 00:07:22,720
apt to grab a microphone so to speak he

156
00:07:26,309 --> 00:07:24,479
didn't want to be in front of the camera

157
00:07:28,150 --> 00:07:26,319
you know other people that we know and

158
00:07:30,870 --> 00:07:28,160
kind of associate with this is someone

159
00:07:32,390 --> 00:07:30,880
like timothy leary right

160
00:07:35,189 --> 00:07:32,400
who would grab any microphone that he

161
00:07:36,550 --> 00:07:35,199
saw to start talking

162
00:07:38,309 --> 00:07:36,560
this guy was a bit a little bit

163
00:07:40,950 --> 00:07:38,319

different which they do wind up meeting

164

00:07:42,950 --> 00:07:40,960

those two eventually

165

00:07:45,749 --> 00:07:42,960

so just a little bit more about captain

166

00:07:47,830 --> 00:07:45,759

captain trips he directed an extremely

167

00:07:50,070 --> 00:07:47,840

sensitive covert operation that involved

168

00:07:51,990 --> 00:07:50,080

smuggling weapons in war material to

169

00:07:53,110 --> 00:07:52,000

great britain prior to the attack on

170

00:07:54,710 --> 00:07:53,120

pearl harbor

171

00:07:56,469 --> 00:07:54,720

um he

172

00:07:58,790 --> 00:07:56,479

in pitch darkness he sailed ships

173

00:08:00,869 --> 00:07:58,800

without lights up the coast of vancouver

174

00:08:04,710 --> 00:08:00,879

where they were refitted and used as

175

00:08:08,070 --> 00:08:06,230

so he actually did a lot of stuff in

176

00:08:11,589 --> 00:08:08,080

canada as we'll find out and look at

177

00:08:13,830 --> 00:08:11,599

some official cia documents we will see

178

00:08:17,990 --> 00:08:13,840

that

179

00:08:18,350 --> 00:08:18,000

um he also had a hand in combating

180

00:08:20,390 --> 00:08:18,360

um

181

00:08:22,550 --> 00:08:20,400

[Music]

182

00:08:24,150 --> 00:08:22,560

you know uh smuggling alcohol rather i

183

00:08:26,390 --> 00:08:24,160

should say

184

00:08:30,070 --> 00:08:26,400

during prohibition

185

00:08:32,230 --> 00:08:30,080

he received a presidential uh

186

00:08:33,509 --> 00:08:32,240

commendation which is interesting

187

00:08:35,750 --> 00:08:33,519

uh

188

00:08:37,670 --> 00:08:35,760

hubbard was introduced to lsd by dr

189

00:08:39,509 --> 00:08:37,680

ronald sanderson of great britain during

190

00:08:41,589 --> 00:08:39,519

his first acid trip in 51 he claimed to

191

00:08:43,509 --> 00:08:41,599

have witnessed his own conception it was

192

00:08:46,389 --> 00:08:43,519

the deepest mystical thing i've ever

193

00:08:48,150 --> 00:08:46,399

seen the captain recounted i saw myself

194

00:08:49,990 --> 00:08:48,160

as a tiny mite in a big swamp with a

195

00:08:52,470 --> 00:08:50,000

spark of intelligence i saw my mother

196

00:08:53,750 --> 00:08:52,480

and father having intercourse it was all

197

00:08:55,430 --> 00:08:53,760

clear

198

00:08:57,670 --> 00:08:55,440

i don't know if i'd want to see that

199

00:08:59,509 --> 00:08:57,680

that kind of that's a turn off for me

200

00:09:00,870 --> 00:08:59,519

nlsd that's for sure

201

00:09:03,190 --> 00:09:00,880

um

202

00:09:05,509 --> 00:09:03,200

albert the 49 year old eagerly sought

203

00:09:07,910 --> 00:09:05,519

out others familiar with hallucinogenic

204

00:09:11,750 --> 00:09:07,920

drums you got drugs he contacted uh

205

00:09:16,070 --> 00:09:11,760

humphrey osman british psychiatrist

206

00:09:19,509 --> 00:09:17,829

and so

207

00:09:20,949 --> 00:09:19,519

these pages that i got from this book

208

00:09:24,350 --> 00:09:20,959

are pretty good

209

00:09:27,190 --> 00:09:24,360

uh hubbard promoted his cause with

210

00:09:28,949 --> 00:09:27,200

interfatigable zeal uh crisscrossing

211

00:09:30,389 --> 00:09:28,959

north american and europe giving lsd to

212

00:09:32,470 --> 00:09:30,399

anyone who would stand still people

213

00:09:34,949 --> 00:09:32,480

heard about it and they wanted to try he

214

00:09:36,949 --> 00:09:34,959

explained during the 50s and early 60s

215

00:09:39,350 --> 00:09:36,959

he turned on thousands of people from

216

00:09:41,509 --> 00:09:39,360

all walks of life policemen statesmen

217

00:09:43,190 --> 00:09:41,519

captains of industry church figures

218

00:09:45,350 --> 00:09:43,200

scientists they all thought it was the

219

00:09:47,829 --> 00:09:45,360

most marvelous thing he stated and i

220

00:09:49,110 --> 00:09:47,839

never saw a psychosis in any one of

221

00:09:51,269 --> 00:09:49,120

these cases

222

00:09:53,030 --> 00:09:51,279

when certain u.s medical officials

223

00:09:55,350 --> 00:09:53,040

complained that hubbard was not a

224

00:09:57,430 --> 00:09:55,360

licensed physician and therefore should

225

00:09:59,670 --> 00:09:57,440

not be permitted to administer drugs the

226

00:10:02,150 --> 00:09:59,680

captain just laughed

227

00:10:04,870 --> 00:10:02,160

and bought a doctor's degree

228

00:10:08,389 --> 00:10:04,880

from a diploma mill in kentucky

229

00:10:10,630 --> 00:10:08,399

uh dr hubbard had such remarkable

230

00:10:12,230 --> 00:10:10,640

credentials that he received special

231

00:10:14,550 --> 00:10:12,240

special permission from rome to

232

00:10:15,990 --> 00:10:14,560

administer lsd with the context of the

233

00:10:18,470 --> 00:10:16,000

catholic faith

234

00:10:20,310 --> 00:10:18,480

he had kind of an incredible way of

235

00:10:21,350 --> 00:10:20,320

getting that sort of thing said a close

236

00:10:22,949 --> 00:10:21,360

associate

237

00:10:25,269 --> 00:10:22,959

who claimed to have seen the papers from

238

00:10:27,990 --> 00:10:25,279

the vatican and i have one

239

00:10:31,590 --> 00:10:28,000

that we're going to look at too

240

00:10:42,550 --> 00:10:33,590

um

241

00:10:44,630 --> 00:10:42,560

legendary exploits with the oss he can

242

00:10:47,350 --> 00:10:44,640

continue to serve as an undercover

243

00:10:49,030 --> 00:10:47,360

operative for various agencies had some

244

00:10:53,430 --> 00:10:49,040

contacts in the fbi

245

00:10:58,069 --> 00:10:56,310

not sure if that's true or not but

246

00:10:59,269 --> 00:10:58,079

um all these experts are apparently

247

00:11:05,430 --> 00:10:59,279

taken

248

00:11:10,870 --> 00:11:08,870

so eventually he meets uh leary he

249

00:11:13,829 --> 00:11:10,880

here it talks about how he felt about

250

00:11:15,829 --> 00:11:13,839

the cia and how he didn't really

251

00:11:18,150 --> 00:11:15,839

appreciate the cia

252

00:11:21,829 --> 00:11:18,160

or like them he said their work stinks

253

00:11:23,430 --> 00:11:21,839

he said they were misusing the lsd

254

00:11:25,509 --> 00:11:23,440

i tried to tell them how to use it but

255

00:11:27,509 --> 00:11:25,519

even uh when they were killing people

256

00:11:30,630 --> 00:11:27,519

you couldn't tell them a goddamn thing

257

00:11:33,110 --> 00:11:30,640

hubbard was certain that frank olson was

258

00:11:37,990 --> 00:11:33,120

not the only person who died as a result

259

00:11:41,190 --> 00:11:39,509

indeed hubbard seemed to have a knack

260

00:11:42,550 --> 00:11:41,200

for popping up in the most unpredictable

261

00:11:44,230 --> 00:11:42,560

places he worked for the treasury

262

00:11:46,949 --> 00:11:44,240

department as a young man during the

263

00:11:48,630 --> 00:11:46,959

capone days busting moonshiners and

264

00:11:51,110 --> 00:11:48,640

gangsters who were smuggling liquor in

265

00:11:52,870 --> 00:11:51,120

the u.s from canada apparently he was

266

00:11:54,710 --> 00:11:52,880

able to integrate himself with both

267

00:11:56,470 --> 00:11:54,720

sides during the prohibition as he

268

00:11:58,790 --> 00:11:56,480

subsequently became deputy chief of

269

00:12:01,030 --> 00:11:58,800

security for the tropicana hotel in las

270

00:12:02,870 --> 00:12:01,040

vegas those mafia men were always

271

00:12:03,990 --> 00:12:02,880

interesting to talk to a hubbard

272

00:12:07,750 --> 00:12:04,000

remarked

273

00:12:07,760 --> 00:12:17,910

unless he probably gave him lsd

274

00:12:21,750 --> 00:12:19,509

also interesting

275

00:12:24,069 --> 00:12:21,760

during the mid 60s

276

00:12:26,150 --> 00:12:24,079

he was employed by a major defense

277

00:12:27,990 --> 00:12:26,160

subcontractor director of human factors

278

00:12:30,550 --> 00:12:28,000

research in this capacity hubbard served

279

00:12:32,389 --> 00:12:30,560

as advisor and consultant to a combined

280

00:12:34,629 --> 00:12:32,399

navy and nasa project that involved

281

00:12:37,110 --> 00:12:34,639

testing the effects of psychochemical

282

00:12:43,350 --> 00:12:37,120

agents on a newly designed helicopter

283

00:12:47,910 --> 00:12:45,269

you know the interesting thing to me is

284

00:12:50,230 --> 00:12:47,920

this guy with all this

285

00:12:53,350 --> 00:12:50,240

you know he basically brought lsd

286

00:12:55,910 --> 00:12:53,360

to america

287

00:12:58,389 --> 00:12:55,920

in a large way

288

00:12:59,670 --> 00:12:58,399

and he's working with all these groups

289

00:13:01,030 --> 00:12:59,680

like

290

00:13:03,110 --> 00:13:01,040

cia

291

00:13:07,910 --> 00:13:03,120

defense contractors apparently other

292

00:13:12,629 --> 00:13:09,910

the justice department something like

293

00:13:14,470 --> 00:13:12,639

that and the fda all sorts of

294

00:13:16,069 --> 00:13:14,480

interesting things

295

00:13:18,150 --> 00:13:16,079

um

296

00:13:20,389 --> 00:13:18,160

here it says while hubbard was not a cia

297

00:13:23,269 --> 00:13:20,399

operative per se his particular area of

298

00:13:25,350 --> 00:13:23,279

expertise hallucinogenic drugs brought

299

00:13:27,829 --> 00:13:25,360

him into close contact with elements of

300

00:13:30,069 --> 00:13:27,839

the espionage community

301

00:13:33,030 --> 00:13:30,079

cia must have known what he is up to

302

00:13:34,790 --> 00:13:33,040

since sandoz and the fda kept the agency

303

00:13:38,310 --> 00:13:34,800

informed whenever anyone receives

304

00:13:43,350 --> 00:13:41,189

some call him a witch doctor

305

00:13:46,150 --> 00:13:43,360

others describe him as

306

00:13:48,550 --> 00:13:46,160

an incurable scoundrel most unlikely

307

00:13:53,590 --> 00:13:48,560

combination of mystic and redneck

308

00:13:53,600 --> 00:13:56,470

interesting

309

00:13:56,480 --> 00:14:00,470

here he is

310

00:14:04,550 --> 00:14:02,150

despite who became the first johnny

311

00:14:07,829 --> 00:14:04,560

appleseed of lsd

312

00:14:11,110 --> 00:14:07,839

he said if you don't think it's amazing

313

00:14:16,150 --> 00:14:13,350

so that's a incorrect screenshot looks

314

00:14:18,870 --> 00:14:16,160

like

315

00:14:21,030 --> 00:14:18,880

so here's a little bit on leary uh he

316

00:14:23,350 --> 00:14:21,040

says this is from hubbard larry's

317

00:14:25,509 --> 00:14:23,360

rambunctious style infuriated members of

318

00:14:27,990 --> 00:14:25,519

the academic community even

319

00:14:31,269 --> 00:14:28,000

some of his would-be allies suggested

320

00:14:34,310 --> 00:14:31,279

that he tone it down a bit um so hubbard

321

00:14:37,189 --> 00:14:34,320

liked leary at first

322

00:14:41,110 --> 00:14:39,269

wound up kind of falling off the cliff

323

00:14:43,350 --> 00:14:41,120

there he said he warned him a dozen

324

00:14:44,629 --> 00:14:43,360

times in no certain terms the captain

325

00:14:49,829 --> 00:14:44,639

told larry to keep his research

326

00:14:49,839 --> 00:14:56,829

they met at harvard very interesting hey

327

00:15:01,590 --> 00:14:59,269

um by the way this is not uh the

328

00:15:04,069 --> 00:15:01,600

scientology hubbard this is a completely

329

00:15:06,550 --> 00:15:04,079

different albert although the two kind

330

00:15:11,590 --> 00:15:08,310

get in the same

331

00:15:13,990 --> 00:15:11,600

arenas so to speak

332

00:15:15,990 --> 00:15:14,000

if you're this is a little bit about sri

333

00:15:18,150 --> 00:15:16,000

so stanford research institute we're

334

00:15:20,550 --> 00:15:18,160

talking hell put off wrestle tag those

335

00:15:22,949 --> 00:15:20,560

people hubbard works for them or worked

336

00:15:25,030 --> 00:15:22,959

for them he accepted the offer of 100

337

00:15:26,710 --> 00:15:25,040

per day consultant fee and from then on

338

00:15:28,629 --> 00:15:26,720

he was officially employed as a security

339

00:15:31,189 --> 00:15:28,639

officer for sri

340

00:15:32,949 --> 00:15:31,199

his services to us explain harman which

341

00:15:34,870 --> 00:15:32,959

is how i found this guy was through

342

00:15:36,470 --> 00:15:34,880

looking at harman

343

00:15:38,870 --> 00:15:36,480

consisted in gathering various sorts of

344

00:15:40,550 --> 00:15:38,880

data regarding student unrest drug abuse

345

00:15:43,829 --> 00:15:40,560

drug use at schools and universities

346

00:15:47,990 --> 00:15:43,839

causes and nature of radical activities

347

00:15:49,590 --> 00:15:48,000

so the whole thing with this lsd was

348

00:15:52,230 --> 00:15:49,600

to pretty much change the world to try

349

00:15:56,310 --> 00:15:52,240

to make it peaceful to integrate

350

00:15:57,749 --> 00:15:56,320

people of power to this drug

351

00:16:00,389 --> 00:15:57,759

so that they

352

00:16:04,230 --> 00:16:00,399

would not want to be violent more or

353

00:16:09,269 --> 00:16:06,470

for for instance you can see this quote

354

00:16:10,550 --> 00:16:09,279

up here at the top don't give lsd to

355

00:16:14,949 --> 00:16:10,560

uh

356

00:16:20,150 --> 00:16:18,310

said dr david cooper

357

00:16:22,310 --> 00:16:20,160

but others such as alan greensberg saw

358

00:16:25,030 --> 00:16:22,320

great advantages in the politics of

359

00:16:27,350 --> 00:16:25,040

ecstasy the pro-ld faction insisted

360

00:16:28,870 --> 00:16:27,360

that acid was a radicalizing factor and

361

00:16:34,949 --> 00:16:28,880

that psychedelics would continue to

362

00:16:39,829 --> 00:16:37,350

so yeah unless otherwise indicated

363

00:16:42,150 --> 00:16:39,839

quotes from hubbard

364

00:16:43,430 --> 00:16:42,160

based on an interview with hubbard by dr

365

00:16:45,749 --> 00:16:43,440

oscara

366

00:16:50,790 --> 00:16:45,759

jenniger okay

367

00:16:53,030 --> 00:16:52,230

so we learned about a couple of things

368

00:16:55,590 --> 00:16:53,040

there

369

00:16:57,990 --> 00:16:55,600

we heard about oss cia

370

00:17:02,150 --> 00:16:58,000

stanford research institute and even the

371

00:17:04,710 --> 00:17:03,509

let me take a break here and say what's

372

00:17:07,760 --> 00:17:04,720

up with everybody

373

00:17:09,829 --> 00:17:07,770

what's up everybody in the chat

374

00:17:12,710 --> 00:17:09,839

[Laughter]

375

00:17:15,029 --> 00:17:12,720

i appreciate you guys yeah no it's not

376

00:17:17,029 --> 00:17:15,039

ron l hubbard the scientology a

377

00:17:18,870 --> 00:17:17,039

different hubbard

378

00:17:20,069 --> 00:17:18,880

different different

379

00:17:22,470 --> 00:17:20,079

hubbard

380

00:17:25,590 --> 00:17:22,480

the guy was pretty dang awesome

381

00:17:27,510 --> 00:17:25,600

he sure was and he's uh

382

00:17:29,830 --> 00:17:27,520

you know i found one other video on the

383

00:17:31,750 --> 00:17:29,840

guy it's a short nine minute video

384

00:17:33,270 --> 00:17:31,760

um

385

00:17:35,350 --> 00:17:33,280

but the guy in that video pretty much

386

00:17:36,789 --> 00:17:35,360

summed it up pretty spectacularly a lot

387

00:17:38,549 --> 00:17:36,799

of the things that he was involved with

388

00:17:39,669 --> 00:17:38,559

are pretty much hard to believe

389

00:17:42,230 --> 00:17:39,679

and

390

00:17:44,870 --> 00:17:42,240

the tale of his life should be made a

391

00:17:47,029 --> 00:17:44,880

movie but he's was never the type to

392

00:17:49,510 --> 00:17:47,039

really want the spotlight or anything so

393

00:17:53,909 --> 00:17:49,520

um you know consequently

394

00:17:59,350 --> 00:17:55,590

but it's very interesting so what's up

395

00:18:01,510 --> 00:17:59,360

everybody jay josh uh brandi what's up

396

00:18:04,390 --> 00:18:01,520

jose

397

00:18:09,270 --> 00:18:04,400

appreciate everybody here steph

398

00:18:14,390 --> 00:18:12,870

if i miss anybody craig bob

399

00:18:17,270 --> 00:18:14,400

tmi

400

00:18:18,549 --> 00:18:17,280

admit star og

401
00:18:22,789 --> 00:18:18,559
everybody

402
00:18:24,310 --> 00:18:22,799
thanks for coming out

403
00:18:26,470 --> 00:18:24,320
so

404
00:18:29,029 --> 00:18:26,480
i guess the most interesting one would

405
00:18:30,789 --> 00:18:29,039
be

406
00:18:33,110 --> 00:18:30,799
documents that we have

407
00:18:34,470 --> 00:18:33,120
that kind of um

408
00:18:35,830 --> 00:18:34,480
more or less

409
00:18:37,750 --> 00:18:35,840
prove

410
00:18:39,430 --> 00:18:37,760
uh the things that you know we've read

411
00:18:42,310 --> 00:18:39,440
in this book

412
00:18:44,549 --> 00:18:42,320
which you know if it's a book first of

413
00:18:45,909 --> 00:18:44,559

all they're trying to make it somewhat

414

00:18:48,150 --> 00:18:45,919

entertaining right

415

00:18:52,310 --> 00:18:48,160

they gotta sell it

416

00:18:57,590 --> 00:18:54,150

that's why

417

00:18:59,190 --> 00:18:57,600

these official documents are very

418

00:19:01,750 --> 00:18:59,200

important

419

00:19:03,190 --> 00:19:01,760

so i guess we can just go down the line

420

00:19:05,350 --> 00:19:03,200

although

421

00:19:07,669 --> 00:19:05,360

it wouldn't make sense to start here so

422

00:19:10,549 --> 00:19:07,679

let's start with the vatican one so we

423

00:19:13,110 --> 00:19:10,559

got

424

00:19:17,029 --> 00:19:13,120

pretty interesting cathedral of the holy

425

00:19:23,350 --> 00:19:18,870

this you can't make this [h__h] up this is

426

00:19:25,990 --> 00:19:23,750

at experience

427

00:19:28,950 --> 00:19:26,000

church right who would have thought

428

00:19:31,270 --> 00:19:28,960

friends true scientific knowledge is the

429

00:19:34,230 --> 00:19:31,280

honorable objective of man's inquisitive

430

00:19:36,070 --> 00:19:34,240

intellectual faculties the science have

431

00:19:38,870 --> 00:19:36,080

divided the science of

432

00:19:40,230 --> 00:19:38,880

sciences have divided into myriad

433

00:19:42,950 --> 00:19:40,240

sections

434

00:19:45,270 --> 00:19:42,960

uh the vast seemingly limitless data

435

00:19:47,590 --> 00:19:45,280

that is ours to learn over the centuries

436

00:19:49,830 --> 00:19:47,600

man is gained collectively drawing on

437

00:19:52,470 --> 00:19:49,840

his predecessors and sharing with his

438

00:19:54,230 --> 00:19:52,480

colleagues and successors each division

439

00:19:56,870 --> 00:19:54,240

of scientific knowledge has produced

440

00:20:00,630 --> 00:19:56,880

proof conclusive of the supreme being

441

00:20:03,270 --> 00:20:00,640

responsible for the perfection of order

442

00:20:05,750 --> 00:20:03,280

our scientific minds uncover we are

443

00:20:07,430 --> 00:20:05,760

aware of men's availability and will be

444

00:20:09,430 --> 00:20:07,440

protected in our studies by that

445

00:20:11,990 --> 00:20:09,440

understanding recognition of the first

446

00:20:14,149 --> 00:20:12,000

cause of all created things and laws

447

00:20:16,149 --> 00:20:14,159

that govern them we therefore approach

448

00:20:18,390 --> 00:20:16,159

the study of these psychedelics and

449

00:20:20,630 --> 00:20:18,400

their influence in the mind of man

450

00:20:23,190 --> 00:20:20,640

anxious to discover whatever attributes

451
00:20:25,430 --> 00:20:23,200
they possess respect respectfully

452
00:20:27,110 --> 00:20:25,440
evaluating their proper place in the

453
00:20:30,390 --> 00:20:27,120
divine economy

454
00:20:31,830 --> 00:20:30,400
we humbly ask our heavenly mother the

455
00:20:33,190 --> 00:20:31,840
virgin mary

456
00:20:39,029 --> 00:20:33,200
help

457
00:20:41,909 --> 00:20:39,039
her to aid us to know and understand the

458
00:20:43,909 --> 00:20:41,919
true qualities of these psychedelics

459
00:20:46,630 --> 00:20:43,919
the full capacities of man's noblest

460
00:20:49,590 --> 00:20:46,640
faculties and according to god's laws to

461
00:20:51,909 --> 00:20:49,600
use them for the benefit of mankind here

462
00:20:53,909 --> 00:20:51,919
and in eternity

463
00:20:58,230 --> 00:20:53,919

that is pretty

464

00:21:03,590 --> 00:20:59,510

the church you know who would have

465

00:21:03,600 --> 00:21:09,669

man

466

00:21:14,789 --> 00:21:13,190

so i thought that was pretty uh

467

00:21:19,029 --> 00:21:14,799

pretty interesting

468

00:21:25,510 --> 00:21:22,950

you know like uaps or whatever you know

469

00:21:27,029 --> 00:21:25,520

if they're trying to do lsd i would

470

00:21:28,630 --> 00:21:27,039

think uh

471

00:21:34,789 --> 00:21:28,640

uap

472

00:21:39,029 --> 00:21:36,870

you know me all right so

473

00:21:41,430 --> 00:21:39,039

sri stanford research institute very

474

00:21:45,029 --> 00:21:41,440

interesting

475

00:21:48,390 --> 00:21:45,039

so this is i believe

476
00:21:51,830 --> 00:21:48,400
from yeah willis harmon director center

477
00:21:53,750 --> 00:21:51,840
for the study of social policy

478
00:21:55,110 --> 00:21:53,760
sri was into a whole bunch of stuff you

479
00:21:56,549 --> 00:21:55,120
know it's funny because we only hear

480
00:21:59,029 --> 00:21:56,559
really about um

481
00:22:00,789 --> 00:21:59,039
buddha for russell tegg

482
00:22:02,310 --> 00:22:00,799
but a lot of other stuff was was going

483
00:22:03,350 --> 00:22:02,320
on there and a lot of other people were

484
00:22:05,909 --> 00:22:03,360
involved

485
00:22:08,549 --> 00:22:05,919
one of which is this person january 14

486
00:22:09,590 --> 00:22:08,559
74 to whom may be concerned alfred

487
00:22:10,549 --> 00:22:09,600
hubbard

488
00:22:13,350 --> 00:22:10,559

has been

489

00:22:15,669 --> 00:22:13,360

a consultant to sri since 68

490

00:22:17,270 --> 00:22:15,679

initially he worked for us two or three

491

00:22:19,029 --> 00:22:17,280

days a month more recently this has

492

00:22:20,789 --> 00:22:19,039

reached 15 or 16 days per month his

493

00:22:21,990 --> 00:22:20,799

consultant rate was honored per day as

494

00:22:24,070 --> 00:22:22,000

the book said

495

00:22:26,630 --> 00:22:24,080

dr hubbard is a commissioned state

496

00:22:27,909 --> 00:22:26,640

officer his services to us consisted in

497

00:22:30,149 --> 00:22:27,919

gathering various sorts of data

498

00:22:32,149 --> 00:22:30,159

regarding student unrest drug abuse drug

499

00:22:34,470 --> 00:22:32,159

use at schools universities causes

500

00:22:36,470 --> 00:22:34,480

nature of radical activities

501
00:22:38,149 --> 00:22:36,480
similar matters some of a classified

502
00:22:40,230 --> 00:22:38,159
nature

503
00:22:42,310 --> 00:22:40,240
dr hubbard is returning it to his

504
00:22:43,990 --> 00:22:42,320
residence in british columbia canada

505
00:22:46,230 --> 00:22:44,000
primarily because of the burden of

506
00:22:48,149 --> 00:22:46,240
expense incurred by the large amount of

507
00:22:50,870 --> 00:22:48,159
travel to and from this area and the

508
00:22:53,430 --> 00:22:50,880
necessity of maintaining an apartment in

509
00:22:55,510 --> 00:22:53,440
menlo park as well as its home in canada

510
00:22:57,430 --> 00:22:55,520
his experience in law enforcement and in

511
00:22:59,350 --> 00:22:57,440
uses

512
00:23:01,110 --> 00:22:59,360
and

513
00:23:03,110 --> 00:23:01,120

abuses of

514

00:23:05,110 --> 00:23:03,120

psychotropic drugs have been of

515

00:23:07,430 --> 00:23:05,120

considerable value to us we intend to

516

00:23:08,789 --> 00:23:07,440

maintain consulting relationship with

517

00:23:11,909 --> 00:23:08,799

them okay so

518

00:23:13,990 --> 00:23:11,919

interesting thing is

519

00:23:15,990 --> 00:23:14,000

so i forget who it is but somebody came

520

00:23:18,149 --> 00:23:16,000

up with like a theory about the lsd and

521

00:23:19,590 --> 00:23:18,159

everything and now it was uh not good

522

00:23:22,710 --> 00:23:19,600

and basically made people into

523

00:23:24,310 --> 00:23:22,720

schizophrenics uh hubbard did a lot of

524

00:23:26,870 --> 00:23:24,320

work in

525

00:23:29,909 --> 00:23:26,880

chopping down it theory and they

526
00:23:31,029 --> 00:23:29,919
actually put together a lot of

527
00:23:33,270 --> 00:23:31,039
research

528
00:23:38,470 --> 00:23:33,280
in

529
00:23:41,269 --> 00:23:38,480
over their uh

530
00:23:43,029 --> 00:23:41,279
alcoholism

531
00:23:45,590 --> 00:23:43,039
and i don't know i can't really see if

532
00:23:47,350 --> 00:23:45,600
it worked or not but it looked

533
00:23:49,669 --> 00:23:47,360
you know a little bit i've looked at it

534
00:23:51,430 --> 00:23:49,679
seems like it was

535
00:23:55,590 --> 00:23:51,440
somewhat

536
00:24:00,230 --> 00:23:58,549
dear I this is another sri thing so

537
00:24:02,149 --> 00:24:00,240
our investigations of some current

538
00:24:04,149 --> 00:24:02,159

social movements affecting education

539

00:24:05,990 --> 00:24:04,159

indicate that the drug usage prevalent

540

00:24:08,470 --> 00:24:06,000

among student members of the new left is

541

00:24:10,070 --> 00:24:08,480

not entirely undesigned

542

00:24:12,310 --> 00:24:10,080

some of it appears to be present as a

543

00:24:13,750 --> 00:24:12,320

deliberate weapon aimed at political

544

00:24:15,350 --> 00:24:13,760

change

545

00:24:17,830 --> 00:24:15,360

we are concerned with assessing the

546

00:24:18,710 --> 00:24:17,840

significance of this as it impacts on a

547

00:24:23,510 --> 00:24:18,720

matter

548

00:24:25,909 --> 00:24:23,520

possibly educational policy in this

549

00:24:27,909 --> 00:24:25,919

connection it would be advantageous

550

00:24:29,350 --> 00:24:27,919

to have you considered the capacity of a

551
00:24:31,590 --> 00:24:29,360
special

552
00:24:35,029 --> 00:24:31,600
investigative agent

553
00:24:39,269 --> 00:24:35,039
might have access to relevant data

554
00:24:46,630 --> 00:24:41,430
doctor

555
00:24:47,909 --> 00:24:46,640
diploma from a diploma mill in kentucky

556
00:24:49,830 --> 00:24:47,919
he's a doctor

557
00:24:51,830 --> 00:24:49,840
this is

558
00:24:54,470 --> 00:24:51,840
something that i'm not sure really

559
00:24:55,590 --> 00:24:54,480
has to do with what we're talking about

560
00:25:00,950 --> 00:24:55,600
so

561
00:25:02,789 --> 00:25:00,960
we're gonna skip past it

562
00:25:04,470 --> 00:25:02,799
now we'll take a little break i'm going

563
00:25:05,669 --> 00:25:04,480

to play a short clip

564

00:25:07,990 --> 00:25:05,679

of

565

00:25:09,430 --> 00:25:08,000

hubbard and leary

566

00:25:13,669 --> 00:25:09,440

talking

567

00:25:16,870 --> 00:25:15,190

and it's a longer video it's about an

568

00:25:29,430 --> 00:25:16,880

hour you can find it on youtube but i

569

00:25:32,870 --> 00:25:30,870

what do you think is going to happen to

570

00:25:34,470 --> 00:25:32,880

it all really do you think we thought do

571

00:25:36,070 --> 00:25:34,480

you think we're going to get it back in

572

00:25:38,870 --> 00:25:36,080

some form that we

573

00:25:41,350 --> 00:25:38,880

might be able to use it effectively or

574

00:25:42,789 --> 00:25:41,360

under proper control or what happened

575

00:25:45,110 --> 00:25:42,799

you're talking about bureaucracy and

576

00:25:46,950 --> 00:25:45,120

government i we my wife and i use more

577

00:25:48,549 --> 00:25:46,960

or less do now than we ever ever did in

578

00:25:51,029 --> 00:25:48,559

the past and sensible people are still

579

00:25:53,110 --> 00:25:51,039

doing it and what happens in sacramento

580

00:25:55,029 --> 00:25:53,120

or in washington or in faith in or in

581

00:25:56,630 --> 00:25:55,039

saigon that's never affected us and

582

00:25:58,549 --> 00:25:56,640

never will but he was certainly worn

583

00:25:59,909 --> 00:25:58,559

about there's no use in bothering you

584

00:26:01,669 --> 00:25:59,919

anymore

585

00:26:04,630 --> 00:26:01,679

what oh i know he's not bothering

586

00:26:08,470 --> 00:26:04,640

anymore i don't mind being violent

587

00:26:10,950 --> 00:26:08,480

no you seem to be indestructible

588

00:26:13,110 --> 00:26:10,960

well when you started with it all out

589

00:26:13,830 --> 00:26:13,120

i mean how did but you started with it

590

00:26:15,510 --> 00:26:13,840

all

591

00:26:17,590 --> 00:26:15,520

i mean you know

592

00:26:20,230 --> 00:26:17,600

you you had some kind of a purpose or

593

00:26:22,310 --> 00:26:20,240

vision in mind then didn't you uh i

594

00:26:24,630 --> 00:26:22,320

still got it yeah well and you under my

595

00:26:26,230 --> 00:26:24,640

mind and you're responsible for carrying

596

00:26:28,950 --> 00:26:26,240

it you know you're the johnny apple

597

00:26:31,190 --> 00:26:28,960

senior lsd you know planning it

598

00:26:33,269 --> 00:26:31,200

everywhere you got a chance

599

00:26:35,110 --> 00:26:33,279

yeah i sure did but uh

600

00:26:36,789 --> 00:26:35,120

i don't think it was a credit thing i

601
00:26:38,630 --> 00:26:36,799
think something should have been done

602
00:26:39,780 --> 00:26:38,640
and i tried to do it and i'm still

603
00:26:41,190 --> 00:26:39,790
trying to do it yeah

604
00:26:43,430 --> 00:26:41,200
[Applause]

605
00:26:45,430 --> 00:26:43,440
okay

606
00:26:47,669 --> 00:26:45,440
and what why

607
00:26:48,950 --> 00:26:47,679
why yeah why are you trying to do it

608
00:26:50,470 --> 00:26:48,960
i don't know

609
00:26:51,430 --> 00:26:50,480
what are you doing it for well i don't

610
00:26:53,669 --> 00:26:51,440
know

611
00:26:54,630 --> 00:26:53,679
i think it's the thing to do

612
00:26:56,110 --> 00:26:54,640
well

613
00:26:59,909 --> 00:26:56,120

i don't know it's the thing to do

614

00:27:00,870 --> 00:26:59,919

[Laughter]

615

00:27:02,870 --> 00:27:00,880

you're looking for some sort of

616

00:27:03,909 --> 00:27:02,880

motivation no no no no what i'm looking

617

00:27:06,710 --> 00:27:03,919

for

618

00:27:09,909 --> 00:27:06,720

no no no no no i was just economic

619

00:27:12,070 --> 00:27:09,919

motives no no no i was wondering because

620

00:27:13,909 --> 00:27:12,080

i thought that al had some really

621

00:27:15,350 --> 00:27:13,919

personal interests that that had

622

00:27:16,950 --> 00:27:15,360

reflected something in his own

623

00:27:18,630 --> 00:27:16,960

experience it cost me a couple hundred

624

00:27:29,909 --> 00:27:18,640

thousand dollars i don't know i know

625

00:27:32,470 --> 00:27:31,110

freely or

626

00:27:40,070 --> 00:27:32,480

willingly or unwilling who they

627

00:27:48,470 --> 00:27:43,350

what do you think it's best uses for now

628

00:27:53,269 --> 00:27:50,710

so

629

00:27:55,590 --> 00:27:53,279

just a quick little uh video

630

00:27:57,510 --> 00:27:55,600

um pretty interesting there uh as far as

631

00:28:00,070 --> 00:27:57,520

the money goes apparently he was uh

632

00:28:03,750 --> 00:28:00,080

offered money uh many times to conduct

633

00:28:06,310 --> 00:28:03,760

his studies but always turned it down

634

00:28:07,750 --> 00:28:06,320

because he was on a mission which seems

635

00:28:11,029 --> 00:28:07,760

like this guy was trying to get out of

636

00:28:13,990 --> 00:28:11,039

him in this video a little bit but he

637

00:28:16,549 --> 00:28:14,000

didn't talk about it which probably

638

00:28:17,590 --> 00:28:16,559

goes towards his experience of seeing an

639

00:28:26,310 --> 00:28:17,600

angel

640

00:28:30,630 --> 00:28:26,320

or a ufo

641

00:28:35,510 --> 00:28:32,389

i don't know but

642

00:28:38,630 --> 00:28:35,520

pretty interesting uh experience

643

00:28:40,149 --> 00:28:38,640

and that kind of goes to the

644

00:28:42,230 --> 00:28:40,159

you know when i think about this i think

645

00:28:44,149 --> 00:28:42,240

about

646

00:28:46,230 --> 00:28:44,159

you know the the different theories of

647

00:28:48,310 --> 00:28:46,240

the uaps and uh jacques vale and the

648

00:28:50,470 --> 00:28:48,320

control system and all that stuff and

649

00:28:52,149 --> 00:28:50,480

and how these sightings or interactions

650

00:28:53,750 --> 00:28:52,159

kind of control

651
00:28:55,750 --> 00:28:53,760

or

652
00:28:57,750 --> 00:28:55,760

um

653
00:29:00,389 --> 00:28:57,760

you know i don't even say maybe

654
00:29:02,630 --> 00:29:00,399

manipulate but at least

655
00:29:06,070 --> 00:29:02,640

you know put people's way of thinking in

656
00:29:08,870 --> 00:29:06,080

a in a on a certain path for instance

657
00:29:11,430 --> 00:29:08,880

he had that encounter he runs into this

658
00:29:13,669 --> 00:29:11,440

ltd a year later and he connects those

659
00:29:15,669 --> 00:29:13,679

two

660
00:29:18,470 --> 00:29:15,679

now where did he get that resonant so to

661
00:29:23,909 --> 00:29:21,029

you know and would he would he have made

662
00:29:27,029 --> 00:29:23,919

the same decision without that encounter

663
00:29:30,549 --> 00:29:27,039

a year prior

664

00:29:32,950 --> 00:29:30,559

so the influences sometimes of of uh

665

00:29:36,149 --> 00:29:32,960

sightings or or uh you know almost

666

00:29:41,029 --> 00:29:38,950

occurrences uh are very interesting and

667

00:29:44,870 --> 00:29:41,039

this is one that

668

00:29:46,789 --> 00:29:44,880

really did shape a lot of

669

00:29:49,350 --> 00:29:46,799

our country right

670

00:29:52,789 --> 00:29:49,360

i mean the 60s were

671

00:29:54,789 --> 00:29:52,799

game-changing as far as free love and

672

00:29:56,310 --> 00:29:54,799

and that whole movement

673

00:29:58,230 --> 00:29:56,320

music

674

00:29:59,830 --> 00:29:58,240

all sorts of stuff had a huge change in

675

00:30:03,110 --> 00:29:59,840

people just

676
00:30:09,510 --> 00:30:06,070
and were they more peaceful

677
00:30:12,310 --> 00:30:09,520
which is what the lsd was supposed to do

678
00:30:16,549 --> 00:30:12,320
i don't know because here we are right

679
00:30:16,559 --> 00:30:19,669
so i don't know

680
00:30:28,630 --> 00:30:23,430
but it's pretty interesting

681
00:30:32,149 --> 00:30:30,070
but you know

682
00:30:33,750 --> 00:30:32,159
that's just me i get into that weird

683
00:30:36,149 --> 00:30:33,760
stuff

684
00:30:38,630 --> 00:30:36,159
especially like people who have had huge

685
00:30:41,909 --> 00:30:38,640
chant a huge hand in history that

686
00:30:44,230 --> 00:30:41,919
um are kind of not as well known

687
00:30:47,909 --> 00:30:44,240
it's always very interesting to me

688
00:30:48,789 --> 00:30:47,919

so this it comes from the cia if you

689

00:30:51,190 --> 00:30:48,799

were

690

00:30:55,830 --> 00:30:51,200

curious that stands for central

691

00:30:58,950 --> 00:30:57,269

so they write to captain hubbard this

692

00:31:00,149 --> 00:30:58,960

must be a reply i didn't see the letter

693

00:31:02,549 --> 00:31:00,159

that they sent

694

00:31:04,710 --> 00:31:02,559

that he sent them

695

00:31:06,549 --> 00:31:04,720

pretty interesting rights deer captain

696

00:31:08,070 --> 00:31:06,559

hubbard which you know it's funny that

697

00:31:09,350 --> 00:31:08,080

the comp captain hubbard because i don't

698

00:31:11,430 --> 00:31:09,360

think he was like

699

00:31:13,190 --> 00:31:11,440

an official captain

700

00:31:16,870 --> 00:31:13,200

but yet here we are the cia's calling

701
00:31:19,990 --> 00:31:18,549
quite frankly we are somewhat confused

702
00:31:22,630 --> 00:31:20,000
about your interests your inquiry

703
00:31:24,950 --> 00:31:22,640
concerning psychic phenomena coupled uh

704
00:31:26,870 --> 00:31:24,960
with later references to a power

705
00:31:29,590 --> 00:31:26,880
situation you and dr harman have been

706
00:31:32,310 --> 00:31:29,600
discussing has caused some complications

707
00:31:34,710 --> 00:31:32,320
in developing a thoughtful response

708
00:31:37,350 --> 00:31:34,720
meanwhile dr thomas c thomas

709
00:31:39,190 --> 00:31:37,360
has phoned me on your behalf first of

710
00:31:41,269 --> 00:31:39,200
all i hear you're not supposed to trust

711
00:31:42,710 --> 00:31:41,279
somebody with two first names so

712
00:31:44,789 --> 00:31:42,720
how are you supposed to deal with

713
00:31:48,549 --> 00:31:44,799

somebody that has not only two first

714

00:31:50,789 --> 00:31:48,559

names but they're the same

715

00:31:52,789 --> 00:31:50,799

that's confusing

716

00:31:54,789 --> 00:31:52,799

if you and your colleagues wish to

717

00:31:56,549 --> 00:31:54,799

forward some clarification of your

718

00:31:58,789 --> 00:31:56,559

interests i will be happy to have my

719

00:32:01,430 --> 00:31:58,799

associates here

720

00:32:03,029 --> 00:32:01,440

review and advise

721

00:32:04,549 --> 00:32:03,039

so what they're talking about really

722

00:32:10,310 --> 00:32:04,559

here

723

00:32:10,320 --> 00:32:14,549

psi

724

00:32:19,990 --> 00:32:17,590

so the last one i'm going to show

725

00:32:21,430 --> 00:32:20,000

and then i'll be kind of done with this

726

00:32:27,430 --> 00:32:21,440

uh

727

00:32:27,440 --> 00:32:31,430

is right here

728

00:32:36,470 --> 00:32:33,990

and this comes from

729

00:32:37,190 --> 00:32:36,480

sri

730

00:32:38,630 --> 00:32:37,200

to

731

00:32:40,630 --> 00:32:38,640

the cia

732

00:32:42,070 --> 00:32:40,640

1976.

733

00:32:44,230 --> 00:32:42,080

i hope the following information may

734

00:32:46,230 --> 00:32:44,240

help to clarify the interest of captain

735

00:32:49,990 --> 00:32:46,240

am hubbard as requested in your reply to

736

00:32:52,789 --> 00:32:50,000

him of the 21st of 21 september 1976.

737

00:32:55,350 --> 00:32:52,799

from his conversations uh his desire is

738

00:32:56,870 --> 00:32:55,360

to obtain recognition and authority

739

00:32:58,549 --> 00:32:56,880

which would

740

00:33:01,830 --> 00:32:58,559

allow him to undertake research

741

00:33:03,750 --> 00:33:01,840

activities on behalf of the government

742

00:33:06,389 --> 00:33:03,760

and be able to grant security clearances

743

00:33:08,149 --> 00:33:06,399

to persons internal to any organization

744

00:33:09,509 --> 00:33:08,159

he should set up under these research

745

00:33:11,110 --> 00:33:09,519

efforts

746

00:33:16,470 --> 00:33:11,120

oh another thing that i completely

747

00:33:16,480 --> 00:33:20,310

um

748

00:33:23,990 --> 00:33:22,149

so

749

00:33:27,509 --> 00:33:24,000

the first thing that he ever did was he

750

00:33:28,789 --> 00:33:27,519

created a energy transformer that um

751

00:33:31,750 --> 00:33:28,799

apparently

752

00:33:33,430 --> 00:33:31,760

turned energy into radioactive energy um

753

00:33:36,070 --> 00:33:33,440

you wound up selling it for like 70

754

00:33:38,149 --> 00:33:36,080

grand or something

755

00:33:40,710 --> 00:33:38,159

so that was like his first uh run-in

756

00:33:41,990 --> 00:33:40,720

with money i guess but i just thought

757

00:33:46,549 --> 00:33:42,000

that was interesting because apparently

758

00:33:49,509 --> 00:33:47,590

and this

759

00:33:50,950 --> 00:33:49,519

this uh paragraph here made me think of

760

00:33:52,950 --> 00:33:50,960

that he believes that the nature of the

761

00:33:56,630 --> 00:33:52,960

work he would like to continue in both

762

00:33:58,470 --> 00:33:56,640

atomic energy and psychoactive materials

763

00:34:00,310 --> 00:33:58,480

is such a sensitive nature that he

764

00:34:03,269 --> 00:34:00,320

cannot perform it adequately without

765

00:34:05,110 --> 00:34:03,279

such authority upon my questioning he

766

00:34:07,509 --> 00:34:05,120

stated that he needs neither access to

767

00:34:09,109 --> 00:34:07,519

outside classified information nor

768

00:34:12,550 --> 00:34:09,119

financial resources from your

769

00:34:19,589 --> 00:34:12,560

organization now how interesting is that

770

00:34:22,550 --> 00:34:21,669

that's

771

00:34:24,149 --> 00:34:22,560

pretty

772

00:34:25,990 --> 00:34:24,159

those are a couple interesting things to

773

00:34:29,829 --> 00:34:26,000

be uh working on

774

00:34:37,750 --> 00:34:34,389

in his letters of the 24th of may 76

775

00:34:41,589 --> 00:34:37,760

to mr george bush

776

00:34:43,349 --> 00:34:41,599

and 9th of september 76 to mr hermann he

777

00:34:45,430 --> 00:34:43,359

makes reference to his efforts with the

778

00:34:47,270 --> 00:34:45,440

bsc that's what i was talking about or

779

00:34:48,389 --> 00:34:47,280

aleister crowley actually

780

00:34:51,270 --> 00:34:48,399

uh

781

00:34:53,909 --> 00:34:51,280

did stuff there and oss prior entering

782

00:34:56,629 --> 00:34:53,919

world war ii into his lack of discharge

783

00:34:59,910 --> 00:34:56,639

from the oss

784

00:35:03,270 --> 00:34:59,920

interesting

785

00:35:05,190 --> 00:35:03,280

so he kind of was still a part of the

786

00:35:06,870 --> 00:35:05,200

cia

787

00:35:10,310 --> 00:35:06,880

the intended purpose of this information

788

00:35:13,109 --> 00:35:10,320

to establish the existence of continuing

789

00:35:15,190 --> 00:35:13,119

affiliation with the cia which would if

790

00:35:18,230 --> 00:35:15,200

recognized by the cia

791

00:35:19,829 --> 00:35:18,240

give him the authority he desires

792

00:35:22,310 --> 00:35:19,839

hubbard believes that the information of

793

00:35:25,270 --> 00:35:22,320

his activities which was previously held

794

00:35:27,430 --> 00:35:25,280

in canada under the official secrets act

795

00:35:30,390 --> 00:35:27,440

has now been transmitted either directly

796

00:35:32,710 --> 00:35:30,400

or indirectly to the cia

797

00:35:34,710 --> 00:35:32,720

and that you now have verification of

798

00:35:36,790 --> 00:35:34,720

his activities prior to and during world

799

00:35:38,390 --> 00:35:36,800

war two more recent information of his

800

00:35:39,750 --> 00:35:38,400

activities should be in mr herman's

801
00:35:41,190 --> 00:35:39,760
files although

802
00:35:45,109 --> 00:35:41,200
those files might need to be

803
00:35:47,670 --> 00:35:45,119
supplemented on specifics

804
00:35:49,990 --> 00:35:47,680
unable to be precise about the research

805
00:35:51,510 --> 00:35:50,000
uh hubbard would undertake

806
00:35:56,230 --> 00:35:51,520
i mean come on you're mentioning

807
00:36:00,069 --> 00:35:58,390
psychoactive materials

808
00:36:02,790 --> 00:36:00,079
you better be precise that's what i

809
00:36:06,550 --> 00:36:02,800
would say captain hubbard um could best

810
00:36:08,790 --> 00:36:06,560
be termed as an intuitive genius he does

811
00:36:11,510 --> 00:36:08,800
have a record of remarkable results in

812
00:36:13,109 --> 00:36:11,520
both the areas mentioned above

813
00:36:15,190 --> 00:36:13,119

in the use of atomic energy and

814

00:36:17,349 --> 00:36:15,200

psychoactive materials

815

00:36:19,109 --> 00:36:17,359

at least some of these results could be

816

00:36:20,630 --> 00:36:19,119

documented however

817

00:36:23,829 --> 00:36:20,640

such documentation would show his

818

00:36:26,550 --> 00:36:23,839

general capability but not necessarily

819

00:36:28,470 --> 00:36:26,560

what he would produce next his creative

820

00:36:30,710 --> 00:36:28,480

process is such that

821

00:36:32,150 --> 00:36:30,720

i'm not sure he knows what he would

822

00:36:33,270 --> 00:36:32,160

produce next

823

00:36:35,589 --> 00:36:33,280

however

824

00:36:38,470 --> 00:36:35,599

since he's not asking for financial

825

00:36:39,270 --> 00:36:38,480

support perhaps project details can be

826
00:36:41,750 --> 00:36:39,280
left

827
00:36:43,190 --> 00:36:41,760
until such time as government funds are

828
00:36:46,150 --> 00:36:43,200
involved

829
00:36:48,550 --> 00:36:46,160
i'm personally convinced that there is a

830
00:36:50,630 --> 00:36:48,560
low but significant probability that if

831
00:36:52,630 --> 00:36:50,640
given the authority he desires captain

832
00:36:54,550 --> 00:36:52,640
hubbard would produce results of a major

833
00:36:57,030 --> 00:36:54,560
value to the nation

834
00:36:58,310 --> 00:36:57,040
therefore i hope it will be viewed as in

835
00:37:00,790 --> 00:36:58,320
the government's interest to assist

836
00:37:02,470 --> 00:37:00,800
captain hubbard it is my understanding

837
00:37:03,990 --> 00:37:02,480
that security checks a background

838
00:37:06,630 --> 00:37:04,000

analysis

839

00:37:08,230 --> 00:37:06,640

describe him as capable of holding any

840

00:37:09,349 --> 00:37:08,240

level of clearance required by his

841

00:37:11,270 --> 00:37:09,359

activities

842

00:37:13,510 --> 00:37:11,280

i hope this information is useful to you

843

00:37:15,349 --> 00:37:13,520

in providing perspective on hubbard's

844

00:37:21,270 --> 00:37:15,359

interest

845

00:37:24,550 --> 00:37:21,280

fyi he's done hundreds of doses of lsd

846

00:37:26,390 --> 00:37:24,560

um that's not in here but you know put

847

00:37:30,710 --> 00:37:26,400

that in context with this letter and

848

00:37:33,109 --> 00:37:31,670

in

849

00:37:34,950 --> 00:37:33,119

tense

850

00:37:37,190 --> 00:37:34,960

intensification

851
00:37:39,349 --> 00:37:37,200
intensity

852
00:37:41,510 --> 00:37:39,359
so

853
00:37:44,310 --> 00:37:41,520
um that's about

854
00:37:45,510 --> 00:37:44,320
all i have on that guy

855
00:37:48,470 --> 00:37:45,520
pretty interesting feller though

856
00:37:53,190 --> 00:37:51,510
i would think so

857
00:37:54,950 --> 00:37:53,200
do you think so

858
00:37:59,829 --> 00:37:54,960
i think so

859
00:37:59,839 --> 00:38:02,390
um

860
00:38:06,550 --> 00:38:04,550
if you want to hang out for a little bit

861
00:38:09,349 --> 00:38:06,560
i have a couple uh i have at least one

862
00:38:11,589 --> 00:38:09,359
video that's pretty interesting

863
00:38:13,270 --> 00:38:11,599

that i'd like to show you

864

00:38:19,109 --> 00:38:13,280

and then i'll get out of here so just

865

00:38:23,030 --> 00:38:21,109

i guess for now we can do a little bit

866

00:38:27,990 --> 00:38:23,040

of the uh

867

00:38:28,000 --> 00:38:31,589

watch some ufo videos

868

00:38:40,069 --> 00:38:33,910

while i get what i want to show you

869

00:38:40,079 --> 00:39:07,870

pretty pretty cool

870

00:39:34,950 --> 00:39:25,570

[Music]

871

00:39:34,960 --> 00:39:43,050

foreign

872

00:39:43,060 --> 00:40:01,270

[Music]

873

00:40:01,280 --> 00:40:36,550

so

874

00:40:36,560 --> 00:40:47,430

me

875

00:40:47,440 --> 00:41:23,270

[Music]

876

00:41:27,829 --> 00:41:24,710

okay that one was pretty interesting

877

00:41:32,829 --> 00:41:29,910

i thought it was pretty interesting

878

00:41:32,839 --> 00:41:37,750

the link for these

879

00:41:42,630 --> 00:41:39,670

because it's it's a video they have like

880

00:41:44,390 --> 00:41:42,640

uh a few of them on there some are kind

881

00:41:45,750 --> 00:41:44,400

of interesting so

882

00:41:47,589 --> 00:41:45,760

maybe you'll want to check them out

883

00:41:49,109 --> 00:41:47,599

that's up to you

884

00:41:50,550 --> 00:41:49,119

um what i'm going to show you now is

885

00:41:53,030 --> 00:41:50,560

pretty interesting

886

00:41:57,109 --> 00:41:54,950

and it has to do with the realm of

887

00:41:57,990 --> 00:41:57,119

consciousness resonance

888

00:41:59,750 --> 00:41:58,000

um

889

00:42:02,600 --> 00:41:59,760

you know remote viewing all that kind of

890

00:42:04,950 --> 00:42:02,610

stuff so this guy has come up with a

891

00:42:09,270 --> 00:42:04,960

[Music]

892

00:42:15,510 --> 00:42:11,670

is meant to

893

00:42:18,710 --> 00:42:17,829

geomagnetic spectrum basically what she

894

00:42:19,990 --> 00:42:18,720

thinks

895

00:42:22,390 --> 00:42:20,000

holds

896

00:42:25,829 --> 00:42:22,400

information from basically everybody's

897

00:42:33,589 --> 00:42:28,069

so everyone's brain

898

00:42:33,599 --> 00:42:37,589

and through it is how we

899

00:42:37,599 --> 00:42:43,270

do things like remote view

900

00:42:47,589 --> 00:42:45,430

and on occasion you could say that uh

901
00:42:49,510 --> 00:42:47,599
when two people are involved

902
00:42:52,309 --> 00:42:49,520
through the non-locality process that

903
00:42:56,309 --> 00:42:52,319
way sometimes the brain almost acts as

904
00:43:03,270 --> 00:42:59,109
and the thought here is he he's

905
00:43:08,630 --> 00:43:05,109
i don't know

906
00:43:14,790 --> 00:43:08,640
kind of scary but to basically

907
00:43:17,829 --> 00:43:16,470
but you know

908
00:43:19,430 --> 00:43:17,839
they'll be able to talk about a better

909
00:43:21,109 --> 00:43:19,440
knife so

910
00:43:26,069 --> 00:43:21,119
this is pretty interesting

911
00:43:31,589 --> 00:43:28,390
it's attempting to integrate all of the

912
00:43:33,270 --> 00:43:31,599
sciences into an understandable concept

913
00:43:34,870 --> 00:43:33,280

literally from a to z from astronomy to

914

00:43:36,069 --> 00:43:34,880

zoology

915

00:43:37,109 --> 00:43:36,079

and

916

00:43:43,030 --> 00:43:37,119

the

917

00:43:45,030 --> 00:43:43,040

connectedness

918

00:43:47,030 --> 00:43:45,040

is imminently sensible

919

00:43:49,030 --> 00:43:47,040

there's quantitative evidence for it

920

00:43:51,270 --> 00:43:49,040

there's also very good scientific

921

00:43:52,470 --> 00:43:51,280

evidence for it

922

00:43:54,550 --> 00:43:52,480

and

923

00:43:56,230 --> 00:43:54,560

the i think the critical thing would be

924

00:43:57,910 --> 00:43:56,240

if you just take the fact that seven

925

00:43:59,670 --> 00:43:57,920

billion brains are immersed in the

926

00:44:01,750 --> 00:43:59,680

earth's magnetic field

927

00:44:02,950 --> 00:44:01,760

uh a simple quantification indicates

928

00:44:03,910 --> 00:44:02,960

that

929

00:44:07,270 --> 00:44:03,920

uh

930

00:44:10,790 --> 00:44:07,280

if the magnetic field connected them all

931

00:44:13,589 --> 00:44:10,800

a change in one brain would be

932

00:44:15,190 --> 00:44:13,599

diffused to all the other brains within

933

00:44:16,950 --> 00:44:15,200

roughly about

934

00:44:18,069 --> 00:44:16,960

quantitatively about six to seven

935

00:44:19,829 --> 00:44:18,079

minutes

936

00:44:21,190 --> 00:44:19,839

and that can be actually calculated now

937

00:44:22,710 --> 00:44:21,200

whether it occurs or not that's a

938

00:44:24,470 --> 00:44:22,720

different story

939

00:44:25,990 --> 00:44:24,480

the other important feature about the

940

00:44:28,390 --> 00:44:26,000

human brain

941

00:44:30,470 --> 00:44:28,400

and the environment

942

00:44:32,150 --> 00:44:30,480

in which we have evolved is the fact

943

00:44:33,270 --> 00:44:32,160

that the strength of the magnetic field

944

00:44:34,950 --> 00:44:33,280

associated with consciousness

945

00:44:38,470 --> 00:44:34,960

consciousness is associated with roughly

946

00:44:40,550 --> 00:44:38,480

about a 40 hertz that is a 25

947

00:44:42,550 --> 00:44:40,560

millisecond refresh rate

948

00:44:44,309 --> 00:44:42,560

it's associated with magnetic field

949

00:44:46,710 --> 00:44:44,319

strengths are really really small about

950

00:44:48,829 --> 00:44:46,720

a pico tesla which is a decimal point

951
00:44:50,870 --> 00:44:48,839
followed by 11 zeros and a

952
00:44:53,190 --> 00:44:50,880
one and

953
00:44:54,950 --> 00:44:53,200
the earth is the same thing if we take a

954
00:44:57,510 --> 00:44:54,960
look at the fact that the

955
00:44:59,109 --> 00:44:57,520
earth and around it is the ionosphere in

956
00:45:01,910 --> 00:44:59,119
it is oscillating

957
00:45:03,750 --> 00:45:01,920
these resonances produced by a

958
00:45:06,150 --> 00:45:03,760
the global lightning which is about 40

959
00:45:07,990 --> 00:45:06,160
cycles per second the same

960
00:45:08,950 --> 00:45:08,000
sort of basic frequency as consciousness

961
00:45:11,109 --> 00:45:08,960
itself

962
00:45:12,870 --> 00:45:11,119
and actually the intensity of that

963
00:45:15,270 --> 00:45:12,880

strength of field

964

00:45:17,109 --> 00:45:15,280

is the same as well and we have found uh

965

00:45:18,550 --> 00:45:17,119

dr soroka and his colleagues here have

966

00:45:20,950 --> 00:45:18,560

found that

967

00:45:23,109 --> 00:45:20,960

if we take an ordinary quantitative eg

968

00:45:24,710 --> 00:45:23,119

of somebody that's normal person sitting

969

00:45:26,950 --> 00:45:24,720

in the laboratory

970

00:45:28,150 --> 00:45:26,960

roughly every 30 seconds for about a

971

00:45:30,790 --> 00:45:28,160

half a second

972

00:45:33,030 --> 00:45:30,800

there is a marked coherence between that

973

00:45:35,030 --> 00:45:33,040

person's brain and what's occurring

974

00:45:37,990 --> 00:45:35,040

in the human residence which goes which

975

00:45:40,150 --> 00:45:38,000

goes all around the earth itself

976

00:45:42,710 --> 00:45:40,160

so that suggests that

977

00:45:44,950 --> 00:45:42,720

this has always been here but how do you

978

00:45:46,950 --> 00:45:44,960

quantify is there correlational data

979

00:45:48,870 --> 00:45:46,960

well i think most of the

980

00:45:50,870 --> 00:45:48,880

what's called remote viewing and the psi

981

00:45:51,670 --> 00:45:50,880

phenomena that have been sadly dismissed

982

00:45:56,309 --> 00:45:51,680

or

983

00:45:58,390 --> 00:45:56,319

people separated a distance can somehow

984

00:45:59,829 --> 00:45:58,400

transiently interconnect

985

00:46:01,589 --> 00:45:59,839

is a um

986

00:46:03,510 --> 00:46:01,599

a phenomenon that's been

987

00:46:05,750 --> 00:46:03,520

uh certainly documented since gurney's

988

00:46:08,150 --> 00:46:05,760

work in the 1880s

989

00:46:09,829 --> 00:46:08,160

uh and so if you think about it it makes

990

00:46:11,430 --> 00:46:09,839

eminent sense and it's simple in a sense

991

00:46:13,109 --> 00:46:11,440

you have a and b

992

00:46:14,710 --> 00:46:13,119

and something happens to a that produces

993

00:46:16,710 --> 00:46:14,720

a change in b

994

00:46:17,829 --> 00:46:16,720

and for a moment they're highly

995

00:46:19,990 --> 00:46:17,839

correlated

996

00:46:21,030 --> 00:46:20,000

in fact as we call excess correlation in

997

00:46:22,550 --> 00:46:21,040

other words they should not be

998

00:46:23,990 --> 00:46:22,560

correlated because they're separated at

999

00:46:26,550 --> 00:46:24,000

such a great distance it should be

1000

00:46:29,510 --> 00:46:26,560

random but when you have two events

1001

00:46:31,030 --> 00:46:29,520

correlated in excess way

1002

00:46:33,430 --> 00:46:31,040

then of course that suggests a different

1003

00:46:35,990 --> 00:46:33,440

kind of mechanism is involved

1004

00:46:36,710 --> 00:46:36,000

and that's where non-locality comes in

1005

00:46:45,910 --> 00:46:36,720

so

1006

00:46:48,390 --> 00:46:45,920

video if you're interested in stuff like

1007

00:46:50,710 --> 00:46:48,400

that and what he's working on apparently

1008

00:46:53,030 --> 00:46:50,720

is actually some technology that is

1009

00:46:56,470 --> 00:46:53,040

available for for testing as well that

1010

00:46:57,510 --> 00:46:56,480

you can test yourself apparently um for

1011

00:47:00,150 --> 00:46:57,520

free

1012

00:47:03,750 --> 00:47:01,270

it's something i'm definitely going to

1013

00:47:05,349 --> 00:47:03,760

look more into it makes sense it gives a

1014

00:47:07,030 --> 00:47:05,359

science background to how a lot of this

1015

00:47:09,510 --> 00:47:07,040

stuff works so

1016

00:47:10,870 --> 00:47:09,520

um somebody i plan on looking into a

1017

00:47:12,230 --> 00:47:10,880

little bit more

1018

00:47:14,710 --> 00:47:12,240

you know obviously

1019

00:47:16,309 --> 00:47:14,720

if you're interested you should too

1020

00:47:17,750 --> 00:47:16,319

but no pressure

1021

00:47:19,430 --> 00:47:17,760

do what you do

1022

00:47:21,990 --> 00:47:19,440

um and with that being said it was just

1023

00:47:24,390 --> 00:47:22,000

kind of a fun wacky episode today

1024

00:47:26,069 --> 00:47:24,400

um talking about captain trips

1025

00:47:27,990 --> 00:47:26,079

i don't have much more to offer other

1026
00:47:31,349 --> 00:47:28,000
than that uh tomorrow we're going to do

1027
00:47:34,069 --> 00:47:31,359
ufos in the cia i have a lot of very

1028
00:47:36,630 --> 00:47:34,079
interesting uh documents that we'll go

1029
00:47:40,150 --> 00:47:36,640
over as far as that goes

1030
00:47:42,470 --> 00:47:40,160
um because it's very very very very

1031
00:47:44,230 --> 00:47:42,480
interesting stuff uh the history there

1032
00:47:46,790 --> 00:47:44,240
is long

1033
00:47:51,030 --> 00:47:46,800
and wide

1034
00:47:53,030 --> 00:47:51,040
and i can't wait to get into that

1035
00:47:55,030 --> 00:47:53,040
and yeah other than that it'll probably

1036
00:47:57,190 --> 00:47:55,040
be kind of a low-key week

1037
00:47:59,990 --> 00:47:57,200
i might just do these two episodes maybe

1038
00:48:02,230 --> 00:48:00,000

one more this week that's about it

1039

00:48:04,230 --> 00:48:02,240

um we'll see how it goes

1040

00:48:05,910 --> 00:48:04,240

but that being said um i hope you guys

1041

00:48:07,109 --> 00:48:05,920

are doing all right with everything

1042

00:48:10,309 --> 00:48:07,119

going on

1043

00:48:12,870 --> 00:48:10,319

um in ukraine um it's super difficult

1044

00:48:12,880 --> 00:48:17,109

and you know

1045

00:48:17,119 --> 00:48:19,589

just

1046

00:48:26,549 --> 00:48:21,270

it's unfortunate that we have to live

1047

00:48:30,309 --> 00:48:27,750

you know

1048

00:48:33,109 --> 00:48:30,319

it really is

1049

00:48:34,470 --> 00:48:33,119

especially you know when

1050

00:48:36,630 --> 00:48:34,480

if you're like me at all it's like you

1051
00:48:38,069 --> 00:48:36,640
want to be able to do something so

1052
00:48:39,270 --> 00:48:38,079
so much but

1053
00:48:42,230 --> 00:48:39,280
like what are you going to do what can

1054
00:48:48,950 --> 00:48:44,549
and that's kind of the frustrating

1055
00:48:48,960 --> 00:48:51,750
but

1056
00:48:55,829 --> 00:48:54,069
you know

1057
00:48:59,349 --> 00:48:55,839
just try to find beats your best the

1058
00:49:01,910 --> 00:48:59,359
best you can and and um if anything

1059
00:49:05,109 --> 00:49:01,920
um be grateful for what you have you

1060
00:49:07,030 --> 00:49:05,119
know your loved ones and everything

1061
00:49:09,510 --> 00:49:07,040
because there are so many people right

1062
00:49:13,750 --> 00:49:11,829
that are just like us

1063
00:49:14,950 --> 00:49:13,760

and their lives are in complete disarray

1064

00:49:15,990 --> 00:49:14,960

not knowing where they're gonna sleep

1065

00:49:17,270 --> 00:49:16,000

what they're going to eat where they're

1066

00:49:21,349 --> 00:49:17,280

going to live

1067

00:49:25,589 --> 00:49:23,510

you know

1068

00:49:28,710 --> 00:49:25,599

and a lot of us

1069

00:49:34,309 --> 00:49:30,309

know where we're gonna sleep whenever

1070

00:49:39,030 --> 00:49:36,309

you know and see our wives or husbands

1071

00:49:41,270 --> 00:49:39,040

or pets

1072

00:49:44,069 --> 00:49:41,280

people just like us

1073

00:49:46,470 --> 00:49:44,079

don't have that ability for

1074

00:49:48,230 --> 00:49:46,480

something they had

1075

00:49:51,430 --> 00:49:48,240

nothing to do with just living their

1076

00:49:51,440 --> 00:49:56,069

you know

1077

00:50:01,109 --> 00:49:59,349

it's just unfair and uh i hope that if

1078

00:50:04,230 --> 00:50:01,119

there's anything

1079

00:50:06,630 --> 00:50:04,240

good in this world

1080

00:50:10,549 --> 00:50:06,640

if there is any power

1081

00:50:18,150 --> 00:50:13,349

that can do anything

1082

00:50:23,990 --> 00:50:21,589

that it stops a nuclear disaster it

1083

00:50:30,069 --> 00:50:24,000

stops unnecessary death and life

1084

00:50:30,079 --> 00:50:34,069

because i know life isn't fair but

1085

00:50:34,079 --> 00:50:39,510

you know

1086

00:50:43,270 --> 00:50:41,670

doesn't mean that we can't do things the

1087

00:50:46,069 --> 00:50:43,280

best we can to make it as fair as

1088

00:50:46,079 --> 00:50:48,630

you know

1089

00:50:51,990 --> 00:50:50,069

so i don't know if you pray or if you

1090

00:50:53,510 --> 00:50:52,000

meditate or whatever you do but if you

1091

00:50:57,190 --> 00:50:53,520

do any of that

1092

00:51:02,390 --> 00:50:59,030

for the people over there

1093

00:51:03,829 --> 00:51:02,400

we have the president of [h__h] ukraine

1094

00:51:09,270 --> 00:51:03,839

gearing up

1095

00:51:09,280 --> 00:51:13,430

himself

1096

00:51:17,910 --> 00:51:15,670

biden wouldn't do that trump wouldn't do

1097

00:51:19,349 --> 00:51:17,920

that putin wouldn't do that none of them

1098

00:51:20,390 --> 00:51:19,359

would do that

1099

00:51:22,069 --> 00:51:20,400

in fact

1100

00:51:24,150 --> 00:51:22,079

as far as the west they're too afraid to

1101
00:51:26,150 --> 00:51:24,160
even do anything to lose the leather

1102
00:51:29,430 --> 00:51:26,160
couch that they get to sit on and watch

1103
00:51:29,440 --> 00:51:36,230
you know

1104
00:51:40,790 --> 00:51:38,309
if you can access empathy it really puts

1105
00:51:42,230 --> 00:51:40,800
things into perspective as far as this

1106
00:51:43,990 --> 00:51:42,240
goes

1107
00:51:45,589 --> 00:51:44,000
nobody wants war nobody wants a world

1108
00:51:47,670 --> 00:51:45,599
war three

1109
00:51:51,990 --> 00:51:47,680
but

1110
00:51:54,470 --> 00:51:53,030
other than

1111
00:51:57,349 --> 00:51:54,480
during your meditations during your

1112
00:52:01,349 --> 00:51:57,359
prayers during your time where you think

1113
00:52:07,510 --> 00:52:03,510

maybe

1114

00:52:11,589 --> 00:52:09,670

it it'll affect something a collective

1115

00:52:12,630 --> 00:52:11,599

energy can affect something

1116

00:52:14,150 --> 00:52:12,640

i don't know

1117

00:52:16,309 --> 00:52:14,160

but sometimes that's our only hope is to

1118

00:52:19,670 --> 00:52:16,319

believe in that so

1119

00:52:20,710 --> 00:52:19,680

uh with that being said i appreciate all

1120

00:52:23,910 --> 00:52:20,720

you guys

1121

00:52:26,150 --> 00:52:23,920

for being here and supporting this

1122

00:52:29,589 --> 00:52:26,160

i really do i understand that the

1123

00:52:31,190 --> 00:52:29,599

elizondo episode 10 000 views

1124

00:52:35,829 --> 00:52:31,200

you know that's its own thing and that's

1125

00:52:38,870 --> 00:52:35,839

not gonna follow me to this and you know

1126
00:52:40,549 --> 00:52:38,880
make this bigger or smaller or whatever

1127
00:52:42,870 --> 00:52:40,559
it's about our connection and you guys

1128
00:52:43,990 --> 00:52:42,880
who come every day when i do these solo

1129
00:52:45,109 --> 00:52:44,000
shows

1130
00:52:48,150 --> 00:52:45,119
to hang out

1131
00:52:50,309 --> 00:52:48,160
this is what it's really about

1132
00:52:52,790 --> 00:52:50,319
you know

1133
00:52:54,470 --> 00:52:52,800
so i appreciate that

1134
00:52:56,870 --> 00:52:54,480
that being said

1135
00:52:58,309 --> 00:52:56,880
you guys be good to each other

1136
00:53:00,790 --> 00:52:58,319
and

1137
00:53:10,860 --> 00:53:00,800
i will see you next time
