corner studios sorry about freaking out

9
00:01:17,830 --> 00:01:15,439

with the music

10
00:01:20,950 --> 00:01:17,840

that's what i do

11
00:01:23,510 --> 00:01:20,960

andres what's up i'm looking forward to

12
00:01:24,950 --> 00:01:23,520

you looking forward to this

that is awesome

14

00:01:30,230 --> 00:01:26,880

i can't wait to go through yeah i got

15

00:01:32,310 --> 00:01:30,240

some pretty good cia documents today

16

00:01:33,190 --> 00:01:32,320

i'm glad we're doing this part too so we

17

00:01:35,030 --> 00:01:33,200

can

18

00:01:38,069 --> 00:01:35,040

get to the good stuff

19

00:01:40,630 --> 00:01:38,079

that's for sure so dieselgirl what's up

20

00:01:43,109 --> 00:01:40,640

thanks for hanging out who else we got

21

00:01:45,270 --> 00:01:43,119

lc what's happening

22

00:01:47,910 --> 00:01:45,280

chills what's up

23

00:01:50,469 --> 00:01:47,920

sam what is up

24

00:01:52,870 --> 00:01:50,479

um you'll see vinnie's

25

00:01:55,270 --> 00:01:52,880

uh disclosure team did a interview with

26
00:01:57,510 --> 00:01:55,280
the chap from a skinwalker ranch that

27
00:01:58,550 --> 00:01:57,520
was that was pretty

28
00:02:02,149 --> 00:01:58,560
pretty good

29
00:02:06,789 --> 00:02:02,159
i opened up a little bit about his

30
00:02:11,430 --> 00:02:08,869
pretty uh dramatic but you know i i felt

31
00:02:15,350 --> 00:02:12,390
you know

32
00:02:17,589 --> 00:02:15,360
um people who have had um kind of

33
00:02:19,430 --> 00:02:17,599
more emotional type experiences will

34
00:02:23,589 --> 00:02:19,440
will totally relate to

35
00:02:24,550 --> 00:02:23,599
to that person and um you know i could

36
00:02:27,510 --> 00:02:24,560
feel

37
00:02:29,510 --> 00:02:27,520
about it and it

38
00:02:30,949 --> 00:02:29,520

you know on the one hand it was nice to

39

00:02:33,990 --> 00:02:30,959

hear somebody express themselves that

40

00:02:37,509 --> 00:02:34,000

way um i also felt a little bit bad for

41

00:02:38,229 --> 00:02:37,519

him because um the stuff that he

42

00:02:41,670 --> 00:02:38,239

uh

43

00:02:43,190 --> 00:02:41,680

is still going through so

44

00:02:47,270 --> 00:02:43,200

very interesting i definitely recommend

45

00:02:49,750 --> 00:02:47,280

checking that out jenny novak what's up

46

00:02:52,790 --> 00:02:49,760

yeah but you could you could feel it you

47

00:02:55,350 --> 00:02:52,800

know that what what it was was uh

48

00:02:59,670 --> 00:02:58,309

real you know and impactful

49

00:03:01,430 --> 00:02:59,680

um

50

00:03:02,550 --> 00:03:01,440

because only tom cruise can act that

51
00:03:05,030 --> 00:03:02,560
well

52
00:03:06,390 --> 00:03:05,040
i'll tell you that and not even him

53
00:03:09,030 --> 00:03:06,400
sometimes

54
00:03:10,390 --> 00:03:09,040
depends what mission impossible movie it

55
00:03:12,890 --> 00:03:10,400
is

56
00:03:15,110 --> 00:03:12,900
sometimes he just mails it in

57
00:03:16,470 --> 00:03:15,120
[Laughter]

58
00:03:19,190 --> 00:03:16,480
but now that that was a good one and

59
00:03:20,710 --> 00:03:19,200
vinnie is always great as as always his

60
00:03:22,309 --> 00:03:20,720
mouth was a little bit more purple this

61
00:03:23,830 --> 00:03:22,319
time

62
00:03:25,990 --> 00:03:23,840
i don't know why

63
00:03:27,750 --> 00:03:26,000

but

64

00:03:30,830 --> 00:03:27,760

i'm just teased them

65

00:03:35,190 --> 00:03:30,840

um so yeah but always good

66

00:03:39,750 --> 00:03:35,200

stuff not sure if you guys are

67

00:03:40,949 --> 00:03:39,760

um keeping up with uh liberation times

68

00:03:42,070 --> 00:03:40,959

uh

69

00:03:45,350 --> 00:03:42,080

you know i

70

00:03:47,670 --> 00:03:45,360

talk about their work uh once in a while

71

00:03:48,869 --> 00:03:47,680

and christopher sharp the the main dude

72

00:03:52,710 --> 00:03:48,879

over there

73

00:03:55,110 --> 00:03:52,720

um has been on this program

74

00:03:56,309 --> 00:03:55,120

uh at least once maybe maybe more than

75

00:03:58,390 --> 00:03:56,319

that but

76

00:04:03,509 --> 00:03:58,400

i'm gonna share

77

00:04:06,789 --> 00:04:05,270

uh which kind of plays off of what we

78

00:04:08,869 --> 00:04:06,799

touched on yesterday

79

00:04:10,869 --> 00:04:08,879

more or less uh remember we shared that

80

00:04:13,830 --> 00:04:10,879

thing from uh vice

81

00:04:17,909 --> 00:04:13,840

news yesterday about not yesterday but

82

00:04:24,710 --> 00:04:21,349

it was uh the canadian files

83

00:04:30,870 --> 00:04:27,030

um released some canadian files but this

84

00:04:35,270 --> 00:04:33,189

basically canada to prepare

85

00:04:37,909 --> 00:04:35,280

uh report into possible ufo incursions

86

00:04:41,749 --> 00:04:37,919

at nuclear facilities and we'll consider

87

00:04:43,510 --> 00:04:41,759

reaching out to u.s and allies

88

00:04:45,189 --> 00:04:43,520

looks like canada is trying to take up a

89

00:04:47,110 --> 00:04:45,199

little bit of a study around nuclear

90

00:04:50,070 --> 00:04:47,120

installations very interesting

91

00:04:51,670 --> 00:04:50,080

um whether they're uap drones whatever

92

00:04:55,189 --> 00:04:51,680

what have you

93

00:04:57,430 --> 00:04:55,199

um so that's

94

00:04:58,710 --> 00:04:57,440

that i mean that's that's got to be good

95

00:05:00,230 --> 00:04:58,720

right

96

00:05:02,230 --> 00:05:00,240

that's got to be good especially if they

97

00:05:03,909 --> 00:05:02,240

reach out to us we work together a

98

00:05:07,189 --> 00:05:03,919

little bit on that

99

00:05:09,670 --> 00:05:07,199

a couple quotes that he threw in here

100

00:05:14,950 --> 00:05:12,790

we have a quote from a molly johnson i

101
00:05:16,870 --> 00:05:14,960
would say that safety and security is a

102
00:05:19,270 --> 00:05:16,880
top priority when considering nuclear

103
00:05:21,590 --> 00:05:19,280
facilities we can check and confirm on

104
00:05:23,510 --> 00:05:21,600
the drone issue specifically and the

105
00:05:24,550 --> 00:05:23,520
reporting that is available and get back

106
00:05:27,029 --> 00:05:24,560
to you

107
00:05:29,990 --> 00:05:27,039
so somebody's asking your questions

108
00:05:31,830 --> 00:05:30,000
um maguire declared an equate as allies

109
00:05:33,670 --> 00:05:31,840
and partners of the u.s it's appropriate

110
00:05:35,990 --> 00:05:33,680
to better assess the nature and extent

111
00:05:37,990 --> 00:05:36,000
of uap i believe it would be prudent for

112
00:05:39,909 --> 00:05:38,000
the atomic energy of canada to

113
00:05:42,629 --> 00:05:39,919

proactively reach out to their american

114

00:05:44,230 --> 00:05:42,639

counterparts to discuss this legislation

115

00:05:46,550 --> 00:05:44,240

and acquire how they are handling these

116

00:05:49,590 --> 00:05:46,560

reports and investigations

117

00:05:51,189 --> 00:05:49,600

interesting you think maybe

118

00:05:53,430 --> 00:05:51,199

they would kind of be

119

00:05:55,990 --> 00:05:53,440

aware a little bit of that already but

120

00:05:59,270 --> 00:05:56,000

maybe not who knows

121

00:06:01,029 --> 00:05:59,280

so i'm not too up to speed on canada ufo

122

00:06:03,749 --> 00:06:01,039

studies but

123

00:06:08,070 --> 00:06:06,070

you know i would be very interested to

124

00:06:09,990 --> 00:06:08,080

hear

125

00:06:12,070 --> 00:06:10,000

if this is kind of like the first time

126

00:06:14,790 --> 00:06:12,080

they've taken up this issue since

127

00:06:16,870 --> 00:06:14,800

project magnet back in 1950 i'm not

128

00:06:19,350 --> 00:06:16,880

really too sure about that but

129

00:06:23,189 --> 00:06:19,360

papa pyres what's up i like that last

130

00:06:26,870 --> 00:06:25,189

my great great grandpa

131

00:06:30,309 --> 00:06:26,880

from portugal

132

00:06:33,270 --> 00:06:31,830

true story

133

00:06:34,469 --> 00:06:33,280

but it was spelled different so maybe

134

00:06:36,629 --> 00:06:34,479

they're different last names i'm not

135

00:06:38,950 --> 00:06:36,639

sure

136

00:06:41,350 --> 00:06:38,960

bob marley what's up

137

00:06:43,909 --> 00:06:41,360

how you doing

138

00:06:46,790 --> 00:06:43,919

need to stop believing media

139

00:06:49,350 --> 00:06:46,800

stop believing them

140

00:06:50,150 --> 00:06:49,360

uh robert i did watch a little bit of

141

00:06:52,629 --> 00:06:50,160

that

142

00:06:55,830 --> 00:06:52,639

um but it seemed like in the end

143

00:06:58,469 --> 00:06:55,840

they needed to do a uh

144

00:07:00,070 --> 00:06:58,479

classified hearing to talk about uh what

145

00:07:02,469 --> 00:07:00,080

matters apparently

146

00:07:05,270 --> 00:07:02,479

but it was definitely very interesting

147

00:07:07,990 --> 00:07:05,280

yes it was interesting

148

00:07:09,830 --> 00:07:08,000

so uh check out that article uh that i

149

00:07:11,589 --> 00:07:09,840

posted in there from liberation times he

150

00:07:13,110 --> 00:07:11,599

does good work

151
00:07:15,270 --> 00:07:13,120
um so

152
00:07:26,150 --> 00:07:15,280
i

153
00:07:27,430 --> 00:07:26,160
probably gonna get worse

154
00:07:31,510 --> 00:07:27,440
um

155
00:07:35,909 --> 00:07:33,909
you know i could i could take

156
00:07:38,230 --> 00:07:35,919
this in a couple ways i could not do the

157
00:07:40,230 --> 00:07:38,240
show because of the

158
00:07:41,670 --> 00:07:40,240
the stuff going on in the world um

159
00:07:43,510 --> 00:07:41,680
because it is hard to concentrate on

160
00:07:45,270 --> 00:07:43,520
this stuff but in the end

161
00:07:46,790 --> 00:07:45,280
um

162
00:07:50,070 --> 00:07:46,800
i'm trying to

163
00:07:51,830 --> 00:07:50,080

treat this as a vacation from that it

164

00:07:53,110 --> 00:07:51,840

does touch close to home

165

00:07:55,589 --> 00:07:53,120

i have some

166

00:07:56,710 --> 00:07:55,599

family that is

167

00:07:58,790 --> 00:07:56,720

you know

168

00:08:02,309 --> 00:07:58,800

pretty much

169

00:08:04,629 --> 00:08:02,319

well my mother-in-law is 100 ukraine so

170

00:08:06,629 --> 00:08:04,639

um trying to

171

00:08:08,070 --> 00:08:06,639

treat this a little bit as a distraction

172

00:08:11,510 --> 00:08:08,080

so when you're here

173

00:08:14,070 --> 00:08:11,520

um feel free to engage in that with me

174

00:08:16,950 --> 00:08:14,080

um i'll try not to touch on it

175

00:08:19,670 --> 00:08:16,960

as much as possible so

176

00:08:21,110 --> 00:08:19,680

sam yes give a like everyone would you i

177

00:08:24,629 --> 00:08:21,120

mean what a

178

00:08:26,390 --> 00:08:24,639

sexy alien right there look at that

179

00:08:27,990 --> 00:08:26,400

that thing tells you to like it

180

00:08:29,990 --> 00:08:28,000

you'd like it

181

00:08:32,070 --> 00:08:30,000

i'll tell you right now

182

00:08:34,949 --> 00:08:32,080

if it turns out i piss you off you can

183

00:08:36,870 --> 00:08:34,959

come back and unlike it

184

00:08:38,829 --> 00:08:36,880

that's just how much i believe that

185

00:08:43,029 --> 00:08:38,839

won't

186

00:08:48,710 --> 00:08:46,230

so let's uh not waste any more of your

187

00:08:49,829 --> 00:08:48,720

precious precious precious precious

188

00:08:56,150 --> 00:08:49,839

precious

189

00:09:01,030 --> 00:08:59,030

we're gonna get into the goods

190

00:09:04,949 --> 00:09:01,040

so

191

00:09:11,030 --> 00:09:08,230

uh remember this is uh ufos and cia part

192

00:09:14,710 --> 00:09:11,040

two so these documents were

193

00:09:17,110 --> 00:09:14,720

found and downloaded from the cia foia

194

00:09:19,110 --> 00:09:17,120

reading room

195

00:09:20,710 --> 00:09:19,120

because i think you should always get

196

00:09:23,590 --> 00:09:20,720

your documents straight from the

197

00:09:26,949 --> 00:09:23,600

government source a lot of people

198

00:09:28,550 --> 00:09:26,959

get their own huge batches of documents

199

00:09:30,710 --> 00:09:28,560

whatever and ask you to download them i

200

00:09:32,070 --> 00:09:30,720

even have those on my website but in the

201
00:09:35,110 --> 00:09:32,080
end

202
00:09:37,350 --> 00:09:35,120
you should really do that

203
00:09:39,350 --> 00:09:37,360
because you know you just want to get it

204
00:09:41,430 --> 00:09:39,360
straight from the source

205
00:09:42,310 --> 00:09:41,440
that's for sure

206
00:09:43,430 --> 00:09:42,320
so

207
00:09:44,870 --> 00:09:43,440
here we go

208
00:09:45,829 --> 00:09:44,880
member random

209
00:09:47,910 --> 00:09:45,839
two

210
00:09:49,509 --> 00:09:47,920
and by the way those of you that were

211
00:09:50,949 --> 00:09:49,519
here on the last show if i'm repeating a

212
00:09:52,310 --> 00:09:50,959
document sorry

213
00:09:54,310 --> 00:09:52,320

you know they're all floating around in

214

00:09:56,150 --> 00:09:54,320

my brain up here so

215

00:09:57,190 --> 00:09:56,160

just let me know

216

00:09:58,870 --> 00:09:57,200

exactly

217

00:10:01,350 --> 00:09:58,880

the executive secretary national

218

00:10:02,550 --> 00:10:01,360

security council unidentified flying

219

00:10:04,790 --> 00:10:02,560

objects

220

00:10:07,430 --> 00:10:04,800

flying saucers

221

00:10:09,910 --> 00:10:07,440

uh the central intelligence agency has

222

00:10:12,790 --> 00:10:09,920

reviewed

223

00:10:15,110 --> 00:10:12,800

uh the current situation concerning ufos

224

00:10:16,630 --> 00:10:15,120

which have caused extensive speculation

225

00:10:19,590 --> 00:10:16,640

in the press and have been the subject

226
00:10:21,670 --> 00:10:19,600
of concern to governmental organizations

227
00:10:23,269 --> 00:10:21,680
the air force within the limitations of

228
00:10:24,949 --> 00:10:23,279
manpower which could be devoted to the

229
00:10:26,470 --> 00:10:24,959
subject has thus far carried the full

230
00:10:28,310 --> 00:10:26,480
responsibility

231
00:10:30,829 --> 00:10:28,320
for investigating and analyzing

232
00:10:34,870 --> 00:10:30,839
individual reports of sightings now get

233
00:10:38,630 --> 00:10:34,880
this because this was never told

234
00:10:42,949 --> 00:10:40,310
but get this

235
00:10:44,949 --> 00:10:42,959
since 47 approximately 2000 official

236
00:10:49,110 --> 00:10:44,959
reports of sightings have been received

237
00:10:53,670 --> 00:10:49,120
and of these about 20 percent

238
00:10:55,190 --> 00:10:53,680

are as yet unexplained 20 percent and

239

00:10:57,350 --> 00:10:55,200

i've showed this air force document

240

00:10:58,230 --> 00:10:57,360

before where they actually touch on that

241

00:11:00,550 --> 00:10:58,240

20

242

00:11:03,430 --> 00:11:00,560

and they expand upon it and say if we

243

00:11:06,310 --> 00:11:03,440

include the other 20

244

00:11:09,110 --> 00:11:06,320

that just don't have enough information

245

00:11:12,150 --> 00:11:09,120

for us to give a label to

246

00:11:13,430 --> 00:11:12,160

that pretty much makes 40

247

00:11:15,269 --> 00:11:13,440

unexplained

248

00:11:16,790 --> 00:11:15,279

so interesting

249

00:11:20,630 --> 00:11:16,800

words matter

250

00:11:22,230 --> 00:11:20,640

uh it is my view that this situation has

251
00:11:24,310 --> 00:11:22,240
possible implications for our national

252
00:11:26,230 --> 00:11:24,320
security which transcend the interests

253
00:11:28,310 --> 00:11:26,240
of a single service a broader

254
00:11:29,910 --> 00:11:28,320
coordinated effort should be initiated

255
00:11:31,670 --> 00:11:29,920
to develop a firm scientific

256
00:11:32,949 --> 00:11:31,680
understanding of the several phenomena

257
00:11:35,110 --> 00:11:32,959
which apparently are involved in these

258
00:11:36,710 --> 00:11:35,120
reports and to assure that the incidents

259
00:11:39,350 --> 00:11:36,720
will not hamper our present efforts in

260
00:11:42,470 --> 00:11:39,360
the cold war or confuse our early

261
00:11:44,389 --> 00:11:42,480
warning system in case of an attack

262
00:11:47,190 --> 00:11:44,399
i therefore recommend that this agency

263
00:11:50,470 --> 00:11:47,200

and the agencies of the department of

264

00:11:53,110 --> 00:11:50,480

defense the dod be directed to formalize

265

00:11:59,829 --> 00:11:53,120

and carry out a program

266

00:12:06,069 --> 00:12:03,030

um pursuant to section 102 of the

267

00:12:08,069 --> 00:12:06,079

national security act of 1947

268

00:12:10,870 --> 00:12:08,079

and for the purposes

269

00:12:12,069 --> 00:12:10,880

uh announced in paragraph d and e

270

00:12:14,550 --> 00:12:12,079

there of

271

00:12:17,269 --> 00:12:14,560

the nfc hereby authorizes

272

00:12:20,710 --> 00:12:17,279

and directs that so we have the national

273

00:12:22,389 --> 00:12:20,720

security council here by the way

274

00:12:25,350 --> 00:12:22,399

so this you know

275

00:12:27,030 --> 00:12:25,360

everybody at the time especially is

276

00:12:29,750 --> 00:12:27,040

thinking uh

277

00:12:32,629 --> 00:12:29,760

you know air force is handling this

278

00:12:34,230 --> 00:12:32,639

there's air force studies happening

279

00:12:36,790 --> 00:12:34,240

right

280

00:12:39,350 --> 00:12:36,800

little did they know

281

00:12:41,030 --> 00:12:39,360

the national security council hereby

282

00:12:43,190 --> 00:12:41,040

authorizes

283

00:12:46,069 --> 00:12:43,200

and directed that

284

00:12:48,069 --> 00:12:46,079

the central intelligence agency the cia

285

00:12:50,150 --> 00:12:48,079

shall formulate

286

00:12:52,550 --> 00:12:50,160

and carry out a program of intelligence

287

00:12:55,430 --> 00:12:52,560

and research activities as required to

288

00:12:57,269 --> 00:12:55,440

solve the problem of instant positive

289

00:13:01,670 --> 00:12:57,279

identification

290

00:13:06,550 --> 00:13:04,790

number two upon call of director of

291

00:13:08,470 --> 00:13:06,560

central intelligence government

292

00:13:10,870 --> 00:13:08,480

departments and agencies

293

00:13:13,110 --> 00:13:10,880

shall provide assistance in this program

294

00:13:14,629 --> 00:13:13,120

of intelligence and research to the

295

00:13:16,069 --> 00:13:14,639

extent of their capacity provided

296

00:13:19,269 --> 00:13:16,079

however

297

00:13:21,190 --> 00:13:19,279

that the dci shall avoid duplication of

298

00:13:22,710 --> 00:13:21,200

activities presently directed towards

299

00:13:24,790 --> 00:13:22,720

the solution

300

00:13:25,750 --> 00:13:24,800

of this problem

301
00:13:28,150 --> 00:13:25,760
so

302
00:13:30,150 --> 00:13:28,160
the national security council is saying

303
00:13:31,509 --> 00:13:30,160
everybody has to play ball

304
00:13:34,550 --> 00:13:31,519
with the

305
00:13:36,069 --> 00:13:34,560
central intelligence agency

306
00:13:37,990 --> 00:13:36,079
the efforts shall be coordinated with

307
00:13:40,150 --> 00:13:38,000
the military services and the research

308
00:13:42,710 --> 00:13:40,160
and development board of the department

309
00:13:45,590 --> 00:13:42,720
of defense

310
00:13:47,430 --> 00:13:45,600
with the psychological strategy board

311
00:13:48,389 --> 00:13:47,440
and other governmental agencies is

312
00:13:50,550 --> 00:13:48,399
appropriate

313
00:13:52,710 --> 00:13:50,560

the director of central intelligence

314

00:13:54,389 --> 00:13:52,720

shall disseminate information concerning

315

00:13:56,230 --> 00:13:54,399

the program of intelligence and research

316

00:13:58,069 --> 00:13:56,240

activities in this field

317

00:14:00,150 --> 00:13:58,079

to the various departments and agencies

318

00:14:02,710 --> 00:14:00,160

which have authorized

319

00:14:05,430 --> 00:14:02,720

interest therein you know what's

320

00:14:06,550 --> 00:14:05,440

interesting to me is we have

321

00:14:08,470 --> 00:14:06,560

two things

322

00:14:12,470 --> 00:14:08,480

department of defense

323

00:14:17,269 --> 00:14:13,990

you know

324

00:14:19,750 --> 00:14:17,279

to me you have

325

00:14:22,110 --> 00:14:19,760

the group running the dang thing

326

00:14:25,670 --> 00:14:22,120

and then how are they gonna cover it up

327

00:14:27,750 --> 00:14:25,680

[Laughter]

328

00:14:31,269 --> 00:14:27,760

you know

329

00:14:34,710 --> 00:14:31,279

now this is a draft

330

00:14:37,670 --> 00:14:36,870

drafts

331

00:14:39,430 --> 00:14:37,680

are

332

00:14:41,030 --> 00:14:39,440

you know depending

333

00:14:44,150 --> 00:14:41,040

just as good as the real thing they

334

00:14:49,189 --> 00:14:44,160

wrote the thing you know

335

00:14:49,199 --> 00:14:54,150

i'm just going through here a little bit

336

00:14:54,160 --> 00:14:59,030

and yeah so this is

337

00:14:59,040 --> 00:15:03,670

october 13 1952

338

00:15:07,430 --> 00:15:05,990

flying identified

339

00:15:09,670 --> 00:15:07,440

all the different names that are out

340

00:15:11,590 --> 00:15:09,680

there especially even today in the

341

00:15:13,590 --> 00:15:11,600

episode i'm doing tomorrow with the navy

342

00:15:16,150 --> 00:15:13,600

documents that came out there's another

343

00:15:18,710 --> 00:15:16,160

new acronym for these things that starts

344

00:15:21,509 --> 00:15:18,720

with hazard and it's so it's h something

345

00:15:23,350 --> 00:15:21,519

something it's a four-letter uh

346

00:15:25,189 --> 00:15:23,360

acronym

347

00:15:27,430 --> 00:15:25,199

and even here we have flying

348

00:15:30,310 --> 00:15:27,440

unidentified objects

349

00:15:32,389 --> 00:15:30,320

f-u-o's

350

00:15:34,550 --> 00:15:32,399

flank saucers have been the subject of

351

00:15:37,350 --> 00:15:34,560

air force observation

352

00:15:39,430 --> 00:15:37,360

and again this is a miran memorandum

353

00:15:42,389 --> 00:15:39,440

uh to the deputy director for

354

00:15:45,990 --> 00:15:43,990

flying saucers have been the subject of

355

00:15:48,069 --> 00:15:46,000

the air force observation and analysis

356

00:15:50,150 --> 00:15:48,079

because of the possibility that such

357

00:15:52,069 --> 00:15:50,160

objects might conceivably be an attack

358

00:15:53,749 --> 00:15:52,079

on the u.s

359

00:15:55,509 --> 00:15:53,759

if they are not it is conceivable that

360

00:15:58,069 --> 00:15:55,519

the enemy might take advantage of the

361

00:16:01,509 --> 00:15:58,079

confusion created by the flying saucers

362

00:16:04,310 --> 00:16:01,519

to use at his convenience some air

363

00:16:06,949 --> 00:16:04,320

weapon against the united states so this

364

00:16:11,749 --> 00:16:06,959

is really giving you inside baseball on

365

00:16:15,990 --> 00:16:14,230

thus far

366

00:16:18,470 --> 00:16:16,000

defense department conducted research in

367

00:16:20,550 --> 00:16:18,480

this area

368

00:16:23,189 --> 00:16:20,560

has been confined to the effort by a2

369

00:16:24,069 --> 00:16:23,199

through attic

370

00:16:25,990 --> 00:16:24,079

attic

371

00:16:27,590 --> 00:16:26,000

aerial technical intelligence center out

372

00:16:30,310 --> 00:16:27,600

of wright patterson

373

00:16:33,030 --> 00:16:30,320

with the result that an explanation

374

00:16:34,710 --> 00:16:33,040

has been provided on all but 20 percent

375

00:16:36,550 --> 00:16:34,720

of the reports

376

00:16:41,030 --> 00:16:36,560

so this must be a little bit before what

377

00:16:46,310 --> 00:16:43,509

a determination

378

00:16:49,509 --> 00:16:46,320

of scientific capabilities of the ussr

379

00:16:50,710 --> 00:16:49,519

to create and control flag saucers as a

380

00:16:53,189 --> 00:16:50,720

weapon

381

00:16:55,030 --> 00:16:53,199

against the united states is a primary

382

00:16:59,990 --> 00:16:55,040

concern of the cia

383

00:17:01,990 --> 00:17:00,000

osi osi's the scientific branch of cia

384

00:17:03,910 --> 00:17:02,000

its review of existing information does

385

00:17:07,510 --> 00:17:03,920

not lead to the conclusion that the

386

00:17:09,750 --> 00:17:07,520

saucers are ussr created or controlled

387

00:17:11,029 --> 00:17:09,760

it is the view of osi the collection of

388

00:17:13,510 --> 00:17:11,039

intelligence information on the

389

00:17:15,350 --> 00:17:13,520

capabilities of the ussr to produce

390

00:17:17,990 --> 00:17:15,360

launch and control flank saucers in the

391

00:17:20,870 --> 00:17:18,000

analysis of such data as might be

392

00:17:23,510 --> 00:17:20,880

collected cannot be very effective until

393

00:17:26,230 --> 00:17:23,520

there is adequate fundamental scientific

394

00:17:28,549 --> 00:17:26,240

research launched to clarify the nature

395

00:17:30,830 --> 00:17:28,559

and causes of flying saucers into

396

00:17:35,350 --> 00:17:30,840

devised means whereby they might be

397

00:17:40,870 --> 00:17:37,270

the major scientific intelligence

398

00:17:43,190 --> 00:17:40,880

problems in respect to saucers are

399

00:17:46,630 --> 00:17:43,200

what is the present level of soviet

400

00:17:49,430 --> 00:17:46,640

knowledge regarding these phenomena

401
00:17:51,270 --> 00:17:49,440
what are possible soviet capabilities to

402
00:17:54,549 --> 00:17:51,280
utilize these phenomenon to the

403
00:17:57,430 --> 00:17:54,559
detriment of u.s security interests

404
00:18:01,830 --> 00:17:57,440
what effect do flying saucers have on

405
00:18:07,270 --> 00:18:04,470
so real quick again you know we did this

406
00:18:09,350 --> 00:18:07,280
last episode but this is october

407
00:18:10,390 --> 00:18:09,360
1952.

408
00:18:13,750 --> 00:18:10,400
uh

409
00:18:14,789 --> 00:18:13,760
july 1952 we had sightings all over the

410
00:18:17,830 --> 00:18:14,799
capitol

411
00:18:18,950 --> 00:18:17,840
general sanford comes and does a press

412
00:18:20,950 --> 00:18:18,960
um

413
00:18:23,350 --> 00:18:20,960

a press conference

414

00:18:25,190 --> 00:18:23,360

and tells everybody

415

00:18:28,470 --> 00:18:25,200

that it's fine that there are

416

00:18:31,430 --> 00:18:28,480

temperature inversions

417

00:18:34,630 --> 00:18:32,470

you know

418

00:18:39,430 --> 00:18:34,640

and here we are we're reading this

419

00:18:44,870 --> 00:18:41,190

they were extremely worried about it now

420

00:18:48,310 --> 00:18:44,880

it doesn't say that they knew they were

421

00:18:52,150 --> 00:18:49,510

but they

422

00:18:54,070 --> 00:18:52,160

completely knew that they were real and

423

00:18:55,990 --> 00:18:54,080

were

424

00:19:04,310 --> 00:18:56,000

completely

425

00:19:04,320 --> 00:19:10,630

toby we gotta put that track on repeat

426
00:19:10,640 --> 00:19:14,310
nice

427
00:19:17,510 --> 00:19:15,830
appreciate the

428
00:19:18,870 --> 00:19:17,520
five bucks mark

429
00:19:21,430 --> 00:19:18,880
awesome

430
00:19:22,390 --> 00:19:21,440
very nice of you

431
00:19:27,990 --> 00:19:22,400
so

432
00:19:29,830 --> 00:19:28,000
they're pretty important uh

433
00:19:32,230 --> 00:19:29,840
conclusion eight the instigation of

434
00:19:33,590 --> 00:19:32,240
fundamental scientific research is the

435
00:19:36,830 --> 00:19:33,600
primary

436
00:19:41,270 --> 00:19:36,840
responsibility of the defense department

437
00:19:43,990 --> 00:19:41,280
dod the dci should

438
00:19:46,950 --> 00:19:44,000

after iac

439

00:19:48,549 --> 00:19:46,960
should dispatch to secretary levitt

440

00:19:50,470 --> 00:19:48,559
along the lines of the attach the cover

441

00:19:52,950 --> 00:19:50,480
sheet explaining to the iec why the

442

00:19:55,190 --> 00:19:52,960
proposed letter is submitted is also

443

00:19:57,190 --> 00:19:55,200
attached we should discuss this draft

444

00:19:58,310 --> 00:19:57,200
and i deal with a2

445

00:20:00,230 --> 00:19:58,320
air force

446

00:20:02,310 --> 00:20:00,240
before iac

447

00:20:04,230 --> 00:20:02,320
it is far too early in view of the

448

00:20:07,590 --> 00:20:04,240
present state of our knowledge regarding

449

00:20:09,669 --> 00:20:07,600
flying saucers for psychological warfare

450

00:20:12,310 --> 00:20:09,679
planners to start planning how the

451
00:20:14,710 --> 00:20:12,320
united states might use u.s flying

452
00:20:19,669 --> 00:20:14,720
saucers against the enemy now what the

453
00:20:26,390 --> 00:20:21,990
versus a russian flying saucer or

454
00:20:30,870 --> 00:20:29,029
you know why why

455
00:20:33,830 --> 00:20:30,880
that is just so weird to me that they

456
00:20:37,190 --> 00:20:33,840
put us in front of it u.s flying saucers

457
00:20:37,200 --> 00:20:40,149
kind of weird

458
00:20:44,870 --> 00:20:42,390
when intelligence has submitted the

459
00:20:47,270 --> 00:20:44,880
national estimate on flank saucers there

460
00:20:49,990 --> 00:20:47,280
will be the time and basis for public

461
00:20:53,350 --> 00:20:50,000
policy to reduce or restrain

462
00:20:54,950 --> 00:20:53,360
mass hysteria

463
00:20:56,070 --> 00:20:54,960

now what do you get here what i get from

464

00:20:58,870 --> 00:20:56,080

this is

465

00:21:00,950 --> 00:20:58,880

this shit's real

466

00:21:03,750 --> 00:21:00,960

it's too early for us to know how to use

467

00:21:05,990 --> 00:21:03,760

it against each other

468

00:21:09,350 --> 00:21:06,000

once we get the estimate in we'll figure

469

00:21:11,190 --> 00:21:09,360

out how to keep it from the public

470

00:21:13,270 --> 00:21:11,200

and what happened what wound up

471

00:21:16,630 --> 00:21:13,280

happening what wound up happening was

472

00:21:19,430 --> 00:21:16,640

something called the robertson panel

473

00:21:22,310 --> 00:21:19,440

that the ci put together

474

00:21:24,149 --> 00:21:22,320

cia put together

475

00:21:25,909 --> 00:21:24,159

right

476
00:21:29,110 --> 00:21:25,919
blue book came out of it and what also

477
00:21:33,110 --> 00:21:31,590
a education campaign

478
00:21:34,789 --> 00:21:33,120
that i've read straight from the

479
00:21:36,549 --> 00:21:34,799
documents that was supposed to last

480
00:21:37,909 --> 00:21:36,559
about a year or two obviously that

481
00:21:41,669 --> 00:21:37,919
didn't work

482
00:21:48,390 --> 00:21:41,679
where they use force to debunk

483
00:21:52,230 --> 00:21:50,870
it's all right here

484
00:21:53,750 --> 00:21:52,240
they're talking about how they're gonna

485
00:21:57,990 --> 00:21:53,760
how it's real

486
00:22:09,350 --> 00:22:00,310
a few months go by and they put the plan

487
00:22:14,390 --> 00:22:11,510
so

488
00:22:15,510 --> 00:22:14,400

we're going to keep going

489

00:22:20,390 --> 00:22:15,520

it's not going to get much better than

490

00:22:25,510 --> 00:22:23,350

this is the intelligence advisory

491

00:22:27,909 --> 00:22:25,520

committee yet another group

492

00:22:29,990 --> 00:22:27,919

putting things together

493

00:22:33,270 --> 00:22:30,000

so we have cia

494

00:22:35,750 --> 00:22:33,280

national security council

495

00:22:40,630 --> 00:22:35,760

and now the intelligence advisory

496

00:22:40,640 --> 00:22:46,710

on again flying unidentified objects

497

00:22:53,990 --> 00:22:49,110

and these were probably quadcopter

498

00:22:57,190 --> 00:22:54,950

but

499

00:22:58,950 --> 00:22:57,200

at this time i think quad quadcopter

500

00:23:00,789 --> 00:22:58,960

drones were

501
00:23:02,710 --> 00:23:00,799
like going for half price off the

502
00:23:05,190 --> 00:23:02,720
shelves it was right before christmas

503
00:23:10,070 --> 00:23:07,590
it's probably pretty popular

504
00:23:12,070 --> 00:23:10,080
anyways attach this

505
00:23:16,549 --> 00:23:12,080
is a proposed letter to secretary levitt

506
00:23:21,590 --> 00:23:19,750
in a different form

507
00:23:23,990 --> 00:23:21,600
it is also believed that intelligence

508
00:23:25,669 --> 00:23:24,000
must request of appropriate authority

509
00:23:27,830 --> 00:23:25,679
such assistance yeah we already went

510
00:23:32,310 --> 00:23:27,840
over this

511
00:23:36,789 --> 00:23:34,310
that's right

512
00:23:40,789 --> 00:23:36,799
uh yes that's kind of the part that

513
00:23:45,269 --> 00:23:42,310

to be quite honest it's terrible how

514

00:23:46,710 --> 00:23:45,279

they try to manipulate the public

515

00:23:48,070 --> 00:23:46,720

you know in the last batch of documents

516

00:23:50,470 --> 00:23:48,080

that came out from the navy that we'll

517

00:23:52,870 --> 00:23:50,480

touch on tomorrow

518

00:23:55,029 --> 00:23:52,880

and some of the emails there is a person

519

00:23:57,029 --> 00:23:55,039

that is a information

520

00:24:00,710 --> 00:23:57,039

warfare

521

00:24:06,310 --> 00:24:03,110

you know in the emails are talking about

522

00:24:07,510 --> 00:24:06,320

different press releases from

523

00:24:10,710 --> 00:24:07,520

you know

524

00:24:12,630 --> 00:24:10,720

the different newspapers and stuff

525

00:24:17,990 --> 00:24:12,640

now that to me sounds like information

526
00:24:18,000 --> 00:24:22,310
since they're american news outlets

527
00:24:25,190 --> 00:24:23,830
but that's just me and we'll get into

528
00:24:26,950 --> 00:24:25,200
that tomorrow

529
00:24:27,830 --> 00:24:26,960
uh recommend if

530
00:24:30,149 --> 00:24:27,840
you know

531
00:24:32,470 --> 00:24:30,159
recommendations uh so

532
00:24:33,430 --> 00:24:32,480
this is interesting here to me um we

533
00:24:35,669 --> 00:24:33,440
have a

534
00:24:37,269 --> 00:24:35,679
okay i see concur proposed letter to

535
00:24:38,630 --> 00:24:37,279
secretary of defense

536
00:24:40,070 --> 00:24:38,640
pretty interesting

537
00:24:41,750 --> 00:24:40,080
uh b

538
00:24:46,950 --> 00:24:41,760

now i don't know if any of you are

539

00:24:49,029 --> 00:24:46,960

familiar with the wilson davis notes

540

00:24:50,870 --> 00:24:49,039

and you know if anyone believes them or

541

00:24:53,190 --> 00:24:50,880

not whatever i'm

542

00:24:56,789 --> 00:24:54,710

you know

543

00:24:58,470 --> 00:24:56,799

i just i just read the things there's no

544

00:25:00,630 --> 00:24:58,480

way for me to really know what's true or

545

00:25:03,830 --> 00:25:00,640

what isn't you know i can make sense out

546

00:25:05,430 --> 00:25:03,840

of it if i want to and i can also also

547

00:25:08,310 --> 00:25:05,440

you know make it fake

548

00:25:10,950 --> 00:25:08,320

to myself if i want to you know

549

00:25:12,789 --> 00:25:10,960

so you know can go either way but when i

550

00:25:15,110 --> 00:25:12,799

did a little bit of research into those

551

00:25:18,789 --> 00:25:15,120

documents one of the things

552

00:25:21,269 --> 00:25:18,799

that i caught was what they called the

553

00:25:23,350 --> 00:25:21,279

group that covered up the

554

00:25:24,789 --> 00:25:23,360

information for flying saucers so to

555

00:25:26,230 --> 00:25:24,799

speak right

556

00:25:29,029 --> 00:25:26,240

and it was called

557

00:25:29,909 --> 00:25:29,039

watch committee or zodiac

558

00:25:34,870 --> 00:25:29,919

right

559

00:25:34,880 --> 00:25:39,669

couldn't really find much so

560

00:25:43,029 --> 00:25:41,350

what i did find though was the watch

561

00:25:45,510 --> 00:25:43,039

committee

562

00:25:46,870 --> 00:25:45,520

and i have a lot more information on the

563

00:25:48,390 --> 00:25:46,880

watch committee

564

00:25:49,750 --> 00:25:48,400

but

565

00:25:51,190 --> 00:25:49,760

i'm just mentioning that because it

566

00:25:57,350 --> 00:25:51,200

comes up here

567

00:26:01,590 --> 00:25:59,669

to give close attention to indications

568

00:26:03,990 --> 00:26:01,600

which may reflect russian actions are

569

00:26:05,830 --> 00:26:04,000

being taken with respect to

570

00:26:08,390 --> 00:26:05,840

or on the basis of

571

00:26:10,149 --> 00:26:08,400

cognizance of flying saucers or with

572

00:26:11,750 --> 00:26:10,159

respect to the state of the united

573

00:26:17,750 --> 00:26:11,760

states public opinion

574

00:26:22,070 --> 00:26:19,669

let's read that again

575

00:26:24,310 --> 00:26:22,080

i see requests the watch committee so

576
00:26:26,789 --> 00:26:24,320
the watch committee is a group that has

577
00:26:29,190 --> 00:26:26,799
an officer from every

578
00:26:32,230 --> 00:26:29,200
uh intelligence group of the different

579
00:26:33,909 --> 00:26:32,240
branches of you know the military so

580
00:26:34,950 --> 00:26:33,919
there's a top dog in the air force the

581
00:26:36,230 --> 00:26:34,960
army

582
00:26:39,350 --> 00:26:36,240
um

583
00:26:42,630 --> 00:26:39,360
fbi cia

584
00:26:46,470 --> 00:26:44,230
and what they're supposed to do what

585
00:26:46,900 --> 00:26:46,480
they were supposed to do was

586
00:26:48,310 --> 00:26:46,910
um

587
00:26:51,269 --> 00:26:48,320
[Music]

588
00:26:53,269 --> 00:26:51,279

keep an eye out for basically

589

00:26:56,950 --> 00:26:53,279

uh emergency

590

00:26:58,870 --> 00:26:56,960

type of attacks you know like

591

00:27:01,190 --> 00:26:58,880

like russians are gonna fire a missile

592

00:27:02,310 --> 00:27:01,200

like it was their job to know that

593

00:27:04,870 --> 00:27:02,320

and to

594

00:27:07,029 --> 00:27:04,880

you know alert people to make the

595

00:27:08,630 --> 00:27:07,039

correct decisions immediately

596

00:27:10,310 --> 00:27:08,640

on that

597

00:27:12,070 --> 00:27:10,320

um

598

00:27:15,909 --> 00:27:12,080

it later turned into like the national

599

00:27:19,190 --> 00:27:16,870

so

600

00:27:21,350 --> 00:27:19,200

those are the people that

601
00:27:23,029 --> 00:27:21,360
should be looking at this here

602
00:27:24,710 --> 00:27:23,039
according to the iec

603
00:27:26,389 --> 00:27:24,720
the iec requests that the watch

604
00:27:28,470 --> 00:27:26,399
committee to give close attention to

605
00:27:29,590 --> 00:27:28,480
indications which may reflect russian

606
00:27:32,470 --> 00:27:29,600
actions

607
00:27:34,789 --> 00:27:32,480
are being taken with respect to

608
00:27:35,830 --> 00:27:34,799
or on the basis of cognizance of flying

609
00:27:38,870 --> 00:27:35,840
saucers

610
00:27:40,710 --> 00:27:38,880
or with respect

611
00:27:43,430 --> 00:27:40,720
to the state of the united states public

612
00:27:45,590 --> 00:27:43,440
opinion in respect to flank saucers so

613
00:27:47,990 --> 00:27:45,600

basically

614

00:27:49,350 --> 00:27:48,000

they tasked them with seeing if russia

615

00:27:51,830 --> 00:27:49,360

was using this against us

616

00:27:54,789 --> 00:27:51,840

psychologically

617

00:27:57,669 --> 00:27:54,799

is what i gather from that

618

00:27:59,590 --> 00:27:57,679

here again we've got the 20 unexplained

619

00:28:01,590 --> 00:27:59,600

ic has reviewed the current situation

620

00:28:03,909 --> 00:28:01,600

concerning ufos which have caused

621

00:28:08,549 --> 00:28:03,919

extensive speculation blah blah blah

622

00:28:12,310 --> 00:28:09,909

um security with respect to

623

00:28:14,230 --> 00:28:12,320

vulnerability of the us to air attack

624

00:28:17,269 --> 00:28:14,240

always hear that

625

00:28:20,549 --> 00:28:17,279

and isn't that the same today

626
00:28:23,510 --> 00:28:20,559
right with drones around our

627
00:28:25,750 --> 00:28:23,520
ships and boats

628
00:28:28,070 --> 00:28:25,760
right

629
00:28:30,710 --> 00:28:28,080
like if there are things

630
00:28:32,630 --> 00:28:30,720
in that airspace

631
00:28:37,909 --> 00:28:32,640
that they can identify that means

632
00:28:41,110 --> 00:28:39,590
so they have to conduct some sort of

633
00:28:43,110 --> 00:28:41,120
psychological

634
00:28:46,870 --> 00:28:43,120
game to this

635
00:28:48,870 --> 00:28:46,880
so people who want to do them harm

636
00:28:51,269 --> 00:28:48,880
can't really figure out how it is they

637
00:28:54,389 --> 00:28:51,279
are vulnerable

638
00:28:57,990 --> 00:28:54,399

you know and unfortunately

639

00:29:00,230 --> 00:28:58,000

there is a real phenomenon

640

00:29:02,710 --> 00:29:00,240

that is used you know

641

00:29:06,470 --> 00:29:02,720

for part of this mission

642

00:29:10,149 --> 00:29:08,389

intelligence however cannot discharge

643

00:29:12,310 --> 00:29:10,159

its responsibilities with regard to

644

00:29:13,990 --> 00:29:12,320

estimating the capabilities of an enemy

645

00:29:16,230 --> 00:29:14,000

to create and use such phenomenon

646

00:29:18,149 --> 00:29:16,240

against the us unless we first determine

647

00:29:20,310 --> 00:29:18,159

through scientific research whether or

648

00:29:22,789 --> 00:29:20,320

not such phenomena can in fact be

649

00:29:27,669 --> 00:29:22,799

generated and controlled by humans

650

00:29:32,310 --> 00:29:27,679

that sounds like freaking ce5 to me

651
00:29:40,070 --> 00:29:37,750
so it doesn't say taken down and used or

652
00:29:42,389 --> 00:29:40,080
take the spaceship and you know back

653
00:29:44,549 --> 00:29:42,399
engineer it says can in fact be

654
00:29:47,909 --> 00:29:44,559
generated

655
00:29:51,269 --> 00:29:47,919
and controlled by humans

656
00:29:51,279 --> 00:29:55,909
i think of like a ce5 type of thing

657
00:29:59,909 --> 00:29:57,830
now that's just an opinion i could be

658
00:30:01,350 --> 00:29:59,919
way wrong on that but that's just what i

659
00:30:03,110 --> 00:30:01,360
think of

660
00:30:05,830 --> 00:30:03,120
it is therefore recommended that the

661
00:30:08,310 --> 00:30:05,840
department of defense and by the way if

662
00:30:10,789 --> 00:30:08,320
ce5 is real and

663
00:30:12,389 --> 00:30:10,799

civilians can do ce5

664

00:30:14,789 --> 00:30:12,399

don't you think the government would

665

00:30:19,669 --> 00:30:14,799

already be doing that and utilizing it

666

00:30:23,750 --> 00:30:21,269

seeing is how one of the first things

667

00:30:27,590 --> 00:30:23,760

they thought about when this came up was

668

00:30:34,389 --> 00:30:27,600

generating it and controlling it

669

00:30:40,870 --> 00:30:38,389

it is therefore recommended that the dod

670

00:30:43,909 --> 00:30:40,880

scientific research program reveal the

671

00:30:44,950 --> 00:30:43,919

nature of the various phenomena

672

00:30:47,430 --> 00:30:44,960

interesting

673

00:30:49,510 --> 00:30:47,440

various

674

00:30:51,909 --> 00:30:49,520

more than one that

675

00:30:54,950 --> 00:30:51,919

lines up with the last

676

00:30:59,590 --> 00:30:57,430

report the uap task force

677

00:31:02,149 --> 00:30:59,600

put together

678

00:31:03,990 --> 00:31:02,159

which are causing these sightings in

679

00:31:05,509 --> 00:31:04,000

means by which these phenomena may be

680

00:31:07,750 --> 00:31:05,519

identified immediately it is also

681

00:31:09,590 --> 00:31:07,760

recommended that in such project there

682

00:31:11,830 --> 00:31:09,600

be close cooperation between those

683

00:31:16,549 --> 00:31:11,840

conducting the research in scientific

684

00:31:30,230 --> 00:31:18,389

the iac agencies are prepared to do

685

00:31:34,789 --> 00:31:32,789

a couple good opinions here is for money

686

00:31:36,389 --> 00:31:34,799

prob in my opinion

687

00:31:38,870 --> 00:31:36,399

um well

688

00:31:41,190 --> 00:31:38,880

i would agree with you if it was only

689

00:31:42,230 --> 00:31:41,200

um dr greer doing it

690

00:31:45,350 --> 00:31:42,240

you know

691

00:31:47,750 --> 00:31:45,360

who charges money for a lot of different

692

00:31:51,269 --> 00:31:47,760

things but there are people who practice

693

00:31:54,070 --> 00:31:51,279

ce5 and you know it's not a business

694

00:32:00,549 --> 00:31:55,750

so

695

00:32:01,990 --> 00:32:00,559

convinced it works

696

00:32:03,909 --> 00:32:02,000

you know it's one of those things to me

697

00:32:05,909 --> 00:32:03,919

it's where you got to set up like a

698

00:32:07,110 --> 00:32:05,919

scientific study around it and in fact

699

00:32:10,149 --> 00:32:07,120

see if

700

00:32:13,029 --> 00:32:10,159

if if it works for everybody to

701
00:32:15,830 --> 00:32:13,039
believe that i guess right

702
00:32:18,870 --> 00:32:15,840
um there's people i definitely trust

703
00:32:21,269 --> 00:32:18,880
and respect that practice it and

704
00:32:23,590 --> 00:32:21,279
um say it works so you know i'll respect

705
00:32:25,669 --> 00:32:23,600
their opinion whether i buy into it or

706
00:32:27,669 --> 00:32:25,679
not a hundred percent

707
00:32:30,789 --> 00:32:27,679
um would have to be either through my

708
00:32:33,909 --> 00:32:30,799
own experience or you know scientific uh

709
00:32:39,669 --> 00:32:36,310
so continuing

710
00:32:45,509 --> 00:32:39,679
the tr-3b unfortunately i think the

711
00:32:48,630 --> 00:32:47,750
i don't think that's a real thing

712
00:32:50,070 --> 00:32:48,640
but

713
00:32:52,389 --> 00:32:50,080

that's just me

714

00:32:54,470 --> 00:32:52,399

i could be wrong

715

00:32:56,549 --> 00:32:54,480

um

716

00:32:58,870 --> 00:32:56,559

director of central

717

00:33:01,110 --> 00:32:58,880

intelligence through a deputy director

718

00:33:03,190 --> 00:33:01,120

from assistant director

719

00:33:05,990 --> 00:33:03,200

office of scientific intelligence flag

720

00:33:09,029 --> 00:33:07,110

problem whether or not there are

721

00:33:11,830 --> 00:33:09,039

national security implications in the

722

00:33:13,430 --> 00:33:11,840

problem of ufos whether or not adequate

723

00:33:18,470 --> 00:33:13,440

study and research is currently being

724

00:33:18,480 --> 00:33:20,870

so

725

00:33:28,389 --> 00:33:22,789

facts and discussion is interesting osi

726

00:33:32,070 --> 00:33:30,549

osi has investigated the work currently

727

00:33:34,230 --> 00:33:32,080

being performed on flying saucers and

728

00:33:36,630 --> 00:33:34,240

found that the air technical entitled

729

00:33:38,470 --> 00:33:36,640

intelligence center di united states air

730

00:33:40,549 --> 00:33:38,480

force right paterson air force base is

731

00:33:42,149 --> 00:33:40,559

the only group devoting appreciable

732

00:33:44,549 --> 00:33:42,159

effort and study to the subject that

733

00:33:47,110 --> 00:33:44,559

attic is concentrating on a case-by-case

734

00:33:48,789 --> 00:33:47,120

explanation of each report

735

00:33:51,190 --> 00:33:48,799

attic air force

736

00:33:52,630 --> 00:33:51,200

and this effort is not adequate to

737

00:33:55,110 --> 00:33:52,640

correlate evaluate and resolve the

738

00:33:56,310 --> 00:33:55,120

situation in an overall basis

739

00:33:57,750 --> 00:33:56,320

interesting

740

00:34:01,430 --> 00:33:57,760

but that's what they told us they're

741

00:34:05,669 --> 00:34:03,830

so they're saying it's not adequate

742

00:34:08,790 --> 00:34:05,679

but in fact

743

00:34:10,869 --> 00:34:08,800

that's what they went ahead and did

744

00:34:14,629 --> 00:34:10,879

or is that what they went ahead and told

745

00:34:17,990 --> 00:34:16,389

you guys under

746

00:34:21,030 --> 00:34:18,000

tr3b

747

00:34:22,629 --> 00:34:21,040

maybe it's real i mean i could be wrong

748

00:34:26,230 --> 00:34:22,639

i haven't

749

00:34:30,230 --> 00:34:28,230

you know digging

750

00:34:33,190 --> 00:34:30,240

so to speak to figure it out if it you

751
00:34:35,349 --> 00:34:33,200
know or formally formulate an opinion i

752
00:34:37,990 --> 00:34:35,359
could stand by it i'll say that

753
00:34:39,109 --> 00:34:38,000
my instinct says that

754
00:34:41,909 --> 00:34:39,119
maybe not

755
00:34:44,470 --> 00:34:41,919
but i could i could be wrong

756
00:34:46,550 --> 00:34:44,480
so i wouldn't stand by my opinion

757
00:34:49,030 --> 00:34:46,560
but uh

758
00:34:51,190 --> 00:34:49,040
i just noticed a lot of like the tiara

759
00:34:55,349 --> 00:34:51,200
whatever stuff is

760
00:34:56,950 --> 00:34:55,359
kind of revolves around grifters and

761
00:34:58,230 --> 00:34:56,960
people making money off of movies and

762
00:34:59,190 --> 00:34:58,240
stuff like that

763
00:35:01,030 --> 00:34:59,200

but

764

00:35:03,109 --> 00:35:01,040

you know i guess everybody does that in

765

00:35:05,990 --> 00:35:03,119

all different kind of

766

00:35:07,750 --> 00:35:06,000

facets in this

767

00:35:09,589 --> 00:35:07,760

arena so

768

00:35:11,589 --> 00:35:09,599

i don't know

769

00:35:13,109 --> 00:35:11,599

conclusions flag saucers post two

770

00:35:14,950 --> 00:35:13,119

elements of danger which have national

771

00:35:15,750 --> 00:35:14,960

security implications the first involves

772

00:35:18,870 --> 00:35:15,760

mass

773

00:35:21,190 --> 00:35:18,880

psychological considerations

774

00:35:24,710 --> 00:35:21,200

man they're so worried about our

775

00:35:27,430 --> 00:35:25,829

you know

776

00:35:29,589 --> 00:35:27,440

they're so concerned about our our

777

00:35:30,790 --> 00:35:29,599

psyche for sure

778

00:35:38,550 --> 00:35:30,800

and the second concern is the

779

00:35:42,870 --> 00:35:40,950

and here we go more psychological stuff

780

00:35:44,550 --> 00:35:42,880

strategy boards psychological

781

00:35:46,069 --> 00:35:44,560

psychological blah blah blah

782

00:35:48,310 --> 00:35:46,079

psychological

783

00:35:51,349 --> 00:35:48,320

man it's like do they think that um

784

00:35:55,190 --> 00:35:53,990

to me like this could go a couple ways

785

00:35:57,349 --> 00:35:55,200

right like

786

00:36:00,150 --> 00:35:57,359

psychological strategy board either they

787

00:36:02,950 --> 00:36:00,160

think we're all nuts

788

00:36:09,109 --> 00:36:06,390

this is the real deal and scary

789

00:36:12,630 --> 00:36:09,119

and they really have to figure out a way

790

00:36:13,430 --> 00:36:12,640

to keep this from the people because

791

00:36:17,430 --> 00:36:13,440

it

792

00:36:21,190 --> 00:36:19,030

where people would lose their freaking

793

00:36:25,750 --> 00:36:23,510

and we sit and we think oh

794

00:36:28,390 --> 00:36:25,760

come on you can't trust us

795

00:36:32,310 --> 00:36:28,400

with some ufo stuff

796

00:36:35,589 --> 00:36:33,910

i mean first of all i don't think any of

797

00:36:40,710 --> 00:36:35,599

us can really know

798

00:36:45,430 --> 00:36:42,230

interdimensional

799

00:36:46,550 --> 00:36:45,440

uh natural earth phenomenon that screws

800

00:36:48,710 --> 00:36:46,560

with your head

801
00:36:50,550 --> 00:36:48,720
consciousness

802
00:36:53,670 --> 00:36:50,560
i don't know

803
00:36:55,670 --> 00:36:53,680
but think of like the craziest stuff it

804
00:36:57,349 --> 00:36:55,680
could be

805
00:37:00,150 --> 00:36:57,359
and everybody

806
00:37:08,710 --> 00:37:02,710
like as in like you can't second-guess

807
00:37:14,630 --> 00:37:09,750
maybe

808
00:37:15,990 --> 00:37:14,640
know a pot to piss and so to speak

809
00:37:17,750 --> 00:37:16,000
on

810
00:37:19,109 --> 00:37:17,760
looking so hard in the psychological

811
00:37:20,630 --> 00:37:19,119
strategy board

812
00:37:22,310 --> 00:37:20,640
i don't know

813
00:37:24,069 --> 00:37:22,320

i'm not trying to pacify anything

814

00:37:32,630 --> 00:37:24,079

because it's impossible for me to know

815

00:37:32,640 --> 00:37:36,230

um

816

00:37:41,589 --> 00:37:39,910

looked at this already another 20 20 is

817

00:37:43,829 --> 00:37:41,599

oh look at this one

818

00:37:46,790 --> 00:37:43,839

um so we're looking at number three air

819

00:37:48,790 --> 00:37:46,800

force carries 20 as unexplained and of

820

00:37:50,710 --> 00:37:48,800

those received from january through july

821

00:37:51,750 --> 00:37:50,720

1952

822

00:37:59,109 --> 00:37:51,760

was

823

00:38:02,950 --> 00:38:00,790

and it's increasing this problem a team

824

00:38:04,310 --> 00:38:02,960

from cia's office of scientific

825

00:38:06,630 --> 00:38:04,320

intelligence consulted with a

826
00:38:08,390 --> 00:38:06,640
representative of air force special

827
00:38:10,310 --> 00:38:08,400
studies group

828
00:38:12,069 --> 00:38:10,320
it's another group i had no idea was

829
00:38:13,829 --> 00:38:12,079
looking at this discussed the problem

830
00:38:16,390 --> 00:38:13,839
with those in charge

831
00:38:19,190 --> 00:38:16,400
of the air force project at wrightpat

832
00:38:22,230 --> 00:38:19,200
reviewed um intelligence reports checked

833
00:38:24,390 --> 00:38:22,240
the soviet press and broadcast

834
00:38:25,670 --> 00:38:24,400
and conferred with three cia consultants

835
00:38:27,589 --> 00:38:25,680
who have broad knowledge of the

836
00:38:29,190 --> 00:38:27,599
technical areas concerned how is that

837
00:38:30,630 --> 00:38:29,200
possible

838
00:38:32,310 --> 00:38:30,640

they have broad knowledge of the

839

00:38:36,310 --> 00:38:32,320

technical areas concerned what does that

840

00:38:36,320 --> 00:38:40,310

that's what i'm interested in

841

00:38:44,630 --> 00:38:42,230

you know in it i should say that it's

842

00:38:45,750 --> 00:38:44,640

very interesting that in the preliminary

843

00:38:47,990 --> 00:38:45,760

assessment

844

00:38:49,829 --> 00:38:48,000

from the uap task force

845

00:38:53,750 --> 00:38:49,839

one of the branches that was not on

846

00:38:53,760 --> 00:38:59,190

the cia

847

00:39:04,069 --> 00:39:01,190

it was found that attic that the attic

848

00:39:05,910 --> 00:39:04,079

study is probably valid if the purpose

849

00:39:07,510 --> 00:39:05,920

is limited to a case-by-case explanation

850

00:39:10,630 --> 00:39:07,520

however that study does not solve the

851
00:39:12,390 --> 00:39:10,640
more fundamental aspects of the problem

852
00:39:13,670 --> 00:39:12,400
these aspects are to determine

853
00:39:14,950 --> 00:39:13,680
definitely the nature of various

854
00:39:16,790 --> 00:39:14,960
phenomenon which are causing these

855
00:39:18,230 --> 00:39:16,800
sightings and to discover means by which

856
00:39:20,950 --> 00:39:18,240
these causes

857
00:39:23,349 --> 00:39:20,960
and their visual or electronic effects

858
00:39:25,670 --> 00:39:23,359
may be identified immediately the cia

859
00:39:28,790 --> 00:39:25,680
consultant stated that these solutions

860
00:39:31,349 --> 00:39:28,800
would probably be found on the margins

861
00:39:33,349 --> 00:39:31,359
or just beyond the frontiers

862
00:39:34,230 --> 00:39:33,359
of our present knowledge in the fields

863
00:39:35,829 --> 00:39:34,240

of

864

00:39:38,150 --> 00:39:35,839

atmospheric

865

00:39:40,829 --> 00:39:38,160

ionospheric

866

00:39:42,710 --> 00:39:40,839

and extraterrestrial

867

00:39:44,630 --> 00:39:42,720

phenomena

868

00:39:47,430 --> 00:39:44,640

with the added possibility that the

869

00:39:49,349 --> 00:39:47,440

present dispersal of nuclear waste

870

00:39:53,270 --> 00:39:49,359

products

871

00:39:57,349 --> 00:39:55,030

they recommended that a study group be

872

00:39:59,190 --> 00:39:57,359

formed to perform three functions

873

00:40:01,589 --> 00:39:59,200

analyze and systemize the factors which

874

00:40:03,589 --> 00:40:01,599

constitute the fundamental problems

875

00:40:05,510 --> 00:40:03,599

determine the fields of fundamental

876

00:40:07,030 --> 00:40:05,520

science which must be investigated in

877

00:40:09,109 --> 00:40:07,040

order to reach an understanding of the

878

00:40:10,550 --> 00:40:09,119

phenomena involved

879

00:40:15,589 --> 00:40:10,560

and make recommendations for the

880

00:40:20,230 --> 00:40:16,550

something

881

00:40:22,550 --> 00:40:20,240

is there that must have been important

882

00:40:24,870 --> 00:40:22,560

has indicated to cia that such a group

883

00:40:28,150 --> 00:40:24,880

could be constituted

884

00:40:30,069 --> 00:40:28,160

similarly in project

885

00:40:33,109 --> 00:40:30,079

i don't know project garage or blue book

886

00:40:34,710 --> 00:40:33,119

the air force's air defense project

887

00:40:37,030 --> 00:40:34,720

could be charged with some of these

888

00:40:38,950 --> 00:40:37,040

responsibilities

889

00:40:41,510 --> 00:40:38,960

flying saucer situation contains two

890

00:40:43,990 --> 00:40:41,520

elements of danger which in a situation

891

00:40:46,309 --> 00:40:44,000

of international tension have national

892

00:40:47,589 --> 00:40:46,319

security implications these are oh what

893

00:40:49,510 --> 00:40:47,599

do you know

894

00:40:51,430 --> 00:40:49,520

psychological

895

00:40:52,950 --> 00:40:51,440

with worldwide sightings reported it was

896

00:40:54,470 --> 00:40:52,960

found

897

00:40:57,910 --> 00:40:54,480

up to the time in the investigation

898

00:41:00,870 --> 00:40:57,920

there had been in the soviet press

899

00:41:03,750 --> 00:41:00,880

no report or comment

900

00:41:07,670 --> 00:41:03,760

even satirical on flag saucers

901
00:41:11,670 --> 00:41:10,069
made one humorous mention of the subject

902
00:41:13,190 --> 00:41:11,680
with the state-controlled press this

903
00:41:15,589 --> 00:41:13,200
could result only from an official

904
00:41:17,510 --> 00:41:15,599
policy decision the question therefore

905
00:41:18,870 --> 00:41:17,520
arises as to whether or not these

906
00:41:20,470 --> 00:41:18,880
sightings

907
00:41:22,150 --> 00:41:20,480
could be controlled

908
00:41:24,790 --> 00:41:22,160
could be predicted

909
00:41:28,069 --> 00:41:24,800
and could be used from a psychological

910
00:41:35,910 --> 00:41:28,079
warfare point of view either offensively

911
00:41:39,349 --> 00:41:37,510
public concern with the phenomenon which

912
00:41:41,430 --> 00:41:39,359
is reflected both in the united states

913
00:41:43,750 --> 00:41:41,440

press and in the pressure of inquiry

914

00:41:46,230 --> 00:41:43,760

upon the air force indicates that a fair

915

00:41:47,510 --> 00:41:46,240

proportion of our population is mentally

916

00:41:51,030 --> 00:41:47,520

conditioned

917

00:41:53,430 --> 00:41:51,040

to the acceptance of the incredible

918

00:41:54,950 --> 00:41:53,440

in this fact lies the potential for the

919

00:42:02,790 --> 00:41:54,960

touching off

920

00:42:06,069 --> 00:42:04,630

air vulnerability

921

00:42:07,510 --> 00:42:06,079

the usa air warning system will

922

00:42:09,109 --> 00:42:07,520

undoubtedly always depend upon a

923

00:42:11,190 --> 00:42:09,119

combination of radar screening and

924

00:42:13,670 --> 00:42:11,200

visual observation

925

00:42:15,349 --> 00:42:13,680

ussr is credited with the present

926

00:42:17,030 --> 00:42:15,359

capability of delivering an air attack

927

00:42:19,190 --> 00:42:17,040

against the united states

928

00:42:21,270 --> 00:42:19,200

yet at any given moment now there may be

929

00:42:23,349 --> 00:42:21,280

a current

930

00:42:26,390 --> 00:42:23,359

a dozen official unidentified sightings

931

00:42:28,470 --> 00:42:26,400

plus many unofficial ones

932

00:42:31,190 --> 00:42:28,480

at any moment of attack we are now in a

933

00:42:32,470 --> 00:42:31,200

position where we cannot on an instant

934

00:42:35,190 --> 00:42:32,480

basis

935

00:42:37,270 --> 00:42:35,200

distinguish hardware from phantom

936

00:42:39,430 --> 00:42:37,280

and as tension mounts we will run the

937

00:42:41,589 --> 00:42:39,440

increasing risk of false alerts

938

00:42:45,510 --> 00:42:41,599

and the even greater danger of falsely

939

00:42:47,910 --> 00:42:45,520

identifying the real as a phantom

940

00:42:50,390 --> 00:42:47,920

both of these problems are primarily

941

00:42:52,950 --> 00:42:50,400

operational in nature but each contains

942

00:42:54,950 --> 00:42:52,960

readily apparent intelligence factors

943

00:42:56,870 --> 00:42:54,960

from an operational point of view three

944

00:42:59,270 --> 00:42:56,880

actions are required

945

00:43:03,190 --> 00:42:59,280

immediate steps should be taken to

946

00:43:04,710 --> 00:43:03,200

improve identification of both visual

947

00:43:07,670 --> 00:43:04,720

and electron and

948

00:43:09,430 --> 00:43:07,680

electronic phantom

949

00:43:11,430 --> 00:43:09,440

i read that again immediate steps should

950

00:43:14,390 --> 00:43:11,440

be taken to improve identification of

951
00:43:16,470 --> 00:43:14,400
both visual

952
00:43:18,150 --> 00:43:16,480
and electronic phantom so that in the

953
00:43:20,309 --> 00:43:18,160
event of an attack

954
00:43:24,470 --> 00:43:20,319
instant and positive identification of

955
00:43:28,790 --> 00:43:25,910
a study should be instituted to

956
00:43:30,950 --> 00:43:28,800
determine that if any utilization could

957
00:43:32,069 --> 00:43:30,960
be made of these phenomena by the united

958
00:43:34,950 --> 00:43:32,079
states

959
00:43:37,349 --> 00:43:34,960
psychological warfare planners

960
00:43:39,349 --> 00:43:37,359
and what if any defenses should be

961
00:43:45,190 --> 00:43:39,359
planned in anticipation

962
00:43:50,069 --> 00:43:47,030
in order to minimize risk of panic and

963
00:43:54,150 --> 00:43:50,079

national policy should be established

964

00:43:59,430 --> 00:43:54,160

as to what should be told

965

00:43:59,440 --> 00:44:05,030

what should we tell them

966

00:44:09,349 --> 00:44:06,790

you know

967

00:44:13,109 --> 00:44:09,359

what does that remind you of

968

00:44:18,870 --> 00:44:15,430

you know at school or something

969

00:44:18,880 --> 00:44:24,790

what are we gonna tell our parents

970

00:44:33,510 --> 00:44:26,470

what am i going to tell

971

00:44:37,829 --> 00:44:35,829

in order to minimize risk of panic and

972

00:44:38,950 --> 00:44:37,839

national policy should be established as

973

00:44:41,829 --> 00:44:38,960

to what

974

00:44:44,950 --> 00:44:41,839

should be told to the public regarding

975

00:44:49,910 --> 00:44:47,349

and josh comes in with a good one

976
00:44:53,030 --> 00:44:49,920
the truth of what they do and don't know

977
00:44:59,030 --> 00:44:53,040
would be a very nice start

978
00:44:59,040 --> 00:45:03,670
like what would you believe you know

979
00:45:07,030 --> 00:45:04,950
possible soviet intentions and

980
00:45:09,030 --> 00:45:07,040
capabilities to utilize these phenomena

981
00:45:12,790 --> 00:45:09,040
to the detriment of the united states

982
00:45:19,270 --> 00:45:15,030
the reasons for silence in the soviet

983
00:45:22,309 --> 00:45:20,950
additional research deferring in

984
00:45:23,750 --> 00:45:22,319
character and emphasis from that

985
00:45:25,109 --> 00:45:23,760
presently being performed by the air

986
00:45:27,109 --> 00:45:25,119
force will be required to meet the

987
00:45:28,870 --> 00:45:27,119
specific needs of both operations and

988
00:45:32,390 --> 00:45:28,880

intelligence

989

00:45:34,790 --> 00:45:32,400

field as

990

00:45:38,069 --> 00:45:34,800

regards both collection and analysis can

991

00:45:40,550 --> 00:45:38,079

be discharged with maximum effectiveness

992

00:45:42,550 --> 00:45:40,560

only after much more is known

993

00:45:43,829 --> 00:45:42,560

regarding the exact nature of these

994

00:45:45,829 --> 00:45:43,839

phenomena

995

00:45:47,670 --> 00:45:45,839

i consider this problem to be of such

996

00:45:50,150 --> 00:45:47,680

importance that it should be brought to

997

00:45:51,750 --> 00:45:50,160

the attention of the national security

998

00:45:53,430 --> 00:45:51,760

council

999

00:45:55,270 --> 00:45:53,440

in order that a community-wide

1000

00:46:00,630 --> 00:45:55,280

coordinated effort

1001
00:46:05,270 --> 00:46:02,870
one more time this is

1002
00:46:09,589 --> 00:46:05,280
like second to the top dog

1003
00:46:13,910 --> 00:46:11,349
in 1952

1004
00:46:15,990 --> 00:46:13,920
says i consider this problem to be of

1005
00:46:17,670 --> 00:46:16,000
such importance that it should be

1006
00:46:19,990 --> 00:46:17,680
brought to the attention

1007
00:46:21,670 --> 00:46:20,000
of the national security council

1008
00:46:23,349 --> 00:46:21,680
in order that a community-wide

1009
00:46:32,710 --> 00:46:23,359
coordinated effort towards its solution

1010
00:46:43,190 --> 00:46:37,990
um

1011
00:46:45,030 --> 00:46:43,200
as i go through this stuff

1012
00:46:47,670 --> 00:46:45,040
i mean

1013
00:46:51,109 --> 00:46:47,680

so this document here is

1014

00:46:54,790 --> 00:46:51,119

from the osi of the cia their scientific

1015

00:46:58,470 --> 00:46:56,950

um and this

1016

00:47:02,470 --> 00:46:58,480

more or less kind of hits the same

1017

00:47:07,910 --> 00:47:03,990

uh what further investigation and

1018

00:47:07,920 --> 00:47:12,630

facts bearing in the problem

1019

00:47:17,510 --> 00:47:15,670

i found that the only unit was in the

1020

00:47:19,670 --> 00:47:17,520

air force

1021

00:47:21,910 --> 00:47:19,680

attic there's a small group consisting

1022

00:47:23,510 --> 00:47:21,920

of a reserve captain two lieutenants and

1023

00:47:24,710 --> 00:47:23,520

two secretaries

1024

00:47:27,109 --> 00:47:24,720

to which

1025

00:47:28,549 --> 00:47:27,119

come all reports of sightings to

1026

00:47:30,230 --> 00:47:28,559

official channels

1027

00:47:31,430 --> 00:47:30,240

and which conducts investigation of the

1028

00:47:33,589 --> 00:47:31,440

reports either itself or through

1029

00:47:36,470 --> 00:47:33,599

consultation with the air force officers

1030

00:47:39,349 --> 00:47:36,480

or civilian technical consultants

1031

00:47:43,109 --> 00:47:39,359

a worldwide reporting system has been

1032

00:47:48,230 --> 00:47:44,230

where are we just trying to figure out

1033

00:47:53,750 --> 00:47:49,270

all right

1034

00:47:57,349 --> 00:47:55,829

isn't that something we needed now

1035

00:47:59,670 --> 00:47:57,359

apparently

1036

00:48:01,750 --> 00:47:59,680

so what the hell happened

1037

00:48:03,910 --> 00:48:01,760

a worldwide reporting system has been

1038

00:48:07,109 --> 00:48:03,920

instituted and major air force bases

1039

00:48:11,910 --> 00:48:07,119

have been ordered to make interceptions

1040

00:48:17,030 --> 00:48:14,069

the research being carried

1041

00:48:19,910 --> 00:48:17,040

on is strictly on a case basis and

1042

00:48:22,870 --> 00:48:19,920

appears to be designed solely to attempt

1043

00:48:29,750 --> 00:48:22,880

a satisfactory satisfactory explanation

1044

00:48:35,829 --> 00:48:32,309

attic has concluded an arrangement with

1045

00:48:38,230 --> 00:48:35,839

patella memorial institute

1046

00:48:39,750 --> 00:48:38,240

for the latter to establish a machine

1047

00:48:44,549 --> 00:48:39,760

indexing system

1048

00:48:59,430 --> 00:48:47,190

that's the ibm machine system

1049

00:49:02,870 --> 00:49:01,589

that later turned into project white

1050

00:49:07,910 --> 00:49:02,880

stork

1051

00:49:10,549 --> 00:49:09,270

things that

1052

00:49:12,549 --> 00:49:10,559

like

1053

00:49:15,270 --> 00:49:12,559

fragments and stuff from different ufo

1054

00:49:17,510 --> 00:49:15,280

sightings they analyzed them

1055

00:49:19,829 --> 00:49:17,520

including soil samples and all that kind

1056

00:49:22,230 --> 00:49:19,839

of stuff

1057

00:49:24,950 --> 00:49:22,240

that is patel project stork

1058

00:49:26,549 --> 00:49:24,960

since 1947 attic has received uh we

1059

00:49:30,390 --> 00:49:26,559

already went over that so many times can

1060

00:49:36,150 --> 00:49:34,230

um oh discussion osi entered into its

1061

00:49:37,829 --> 00:49:36,160

inquiry fully aware that it was coming

1062

00:49:40,309 --> 00:49:37,839

into a field already charged with

1063

00:49:42,470 --> 00:49:40,319

partisanship

1064

00:49:44,870 --> 00:49:42,480

one in which objectivity had been

1065

00:49:45,829 --> 00:49:44,880

overridden by numerous sensational

1066

00:49:48,470 --> 00:49:45,839

writers

1067

00:49:51,349 --> 00:49:48,480

and one in which there are pressures for

1068

00:49:53,670 --> 00:49:51,359

extravagant explanations as well as over

1069

00:49:55,349 --> 00:49:53,680

simplification

1070

00:49:57,270 --> 00:49:55,359

the osi team consulted with a

1071

00:49:58,790 --> 00:49:57,280

representative of air force special

1072

00:50:02,230 --> 00:49:58,800

studies group

1073

00:50:03,670 --> 00:50:02,240

discuss the problem with these

1074

00:50:05,270 --> 00:50:03,680

with those in charge of the air force

1075

00:50:06,790 --> 00:50:05,280

project at right field

1076

00:50:08,870 --> 00:50:06,800

reviewed a considerable volume of

1077

00:50:11,270 --> 00:50:08,880

intelligence reports checked the soviet

1078

00:50:13,670 --> 00:50:11,280

press and broadcast

1079

00:50:16,230 --> 00:50:13,680

um

1080

00:50:18,230 --> 00:50:16,240

and conferred with three osi consultants

1081

00:50:20,710 --> 00:50:18,240

all leaders in their scientific fields

1082

00:50:24,829 --> 00:50:20,720

were chosen because of their broad

1083

00:50:28,790 --> 00:50:27,829

concerned osi found that

1084

00:50:31,990 --> 00:50:28,800

the

1085

00:50:33,829 --> 00:50:32,000

permit

1086

00:50:35,990 --> 00:50:33,839

purpose is limited to case-by-case

1087

00:50:40,230 --> 00:50:36,000

explanation

1088

00:50:42,470 --> 00:50:40,240

however the study makes no attempt

1089

00:50:43,910 --> 00:50:42,480

to solve the more fundamental aspect of

1090

00:50:45,910 --> 00:50:43,920

the problem

1091

00:50:48,069 --> 00:50:45,920

which is to determine definitely the

1092

00:50:50,950 --> 00:50:48,079

nature of various phenomena which are

1093

00:50:52,630 --> 00:50:50,960

causing these sightings

1094

00:50:56,470 --> 00:50:52,640

interesting huh

1095

00:51:01,109 --> 00:50:56,480

so the air force study of ufos here

1096

00:51:05,030 --> 00:51:03,190

it's valid if it's on a case-by-case

1097

00:51:08,150 --> 00:51:05,040

explanation however

1098

00:51:11,030 --> 00:51:08,160

the study makes no attempt

1099

00:51:13,190 --> 00:51:11,040

to solve the more fundamental aspect

1100

00:51:14,470 --> 00:51:13,200

of the problem which is to determine

1101
00:51:15,829 --> 00:51:14,480
definitely

1102
00:51:19,589 --> 00:51:15,839
the nature

1103
00:51:24,470 --> 00:51:22,549
which are causing the sightings

1104
00:51:26,790 --> 00:51:24,480
or to discover means by which these

1105
00:51:34,069 --> 00:51:26,800
causes and their visual or electronic

1106
00:51:39,910 --> 00:51:36,390
interesting huh

1107
00:51:43,829 --> 00:51:41,990
was a case-by-case basis

1108
00:51:48,470 --> 00:51:43,839
none of it

1109
00:51:59,270 --> 00:51:50,950
definite nature of the various phenomena

1110
00:52:06,150 --> 00:52:01,349
um

1111
00:52:06,160 --> 00:52:09,750
because we already went over this stuff

1112
00:52:12,390 --> 00:52:11,109
analyze and

1113
00:52:14,549 --> 00:52:12,400

excuse me

1114

00:52:17,430 --> 00:52:14,559

systemize the factors of information

1115

00:52:18,870 --> 00:52:17,440

which form the fundamental problem

1116

00:52:20,549 --> 00:52:18,880

determine the fields of fundamental

1117

00:52:21,910 --> 00:52:20,559

science which must be investigated in

1118

00:52:25,990 --> 00:52:21,920

order to reach an

1119

00:52:28,069 --> 00:52:26,000

understanding of the phenomenon involved

1120

00:52:30,630 --> 00:52:28,079

and make recommendations for the

1121

00:52:34,870 --> 00:52:30,640

initiation of appropriate research

1122

00:52:37,030 --> 00:52:34,880

robertson panel debunking program

1123

00:52:40,309 --> 00:52:37,040

while everybody researches it still

1124

00:52:43,589 --> 00:52:41,750

because as we find out in these

1125

00:52:45,230 --> 00:52:43,599

documents after the research the

1126

00:52:47,990 --> 00:52:45,240

robertson panel

1127

00:52:50,309 --> 00:52:48,000

1955 and 1953

1128

00:52:52,870 --> 00:52:50,319

cia is still looking at this air force

1129

00:52:55,190 --> 00:52:52,880

is obviously still looking at this

1130

00:52:56,870 --> 00:52:55,200

in the 60s nsa was getting blue book

1131

00:53:03,510 --> 00:52:56,880

reports cia was getting blue book

1132

00:53:06,150 --> 00:53:05,109

so sometimes it's hard for me to just

1133

00:53:10,230 --> 00:53:06,160

say

1134

00:53:12,950 --> 00:53:11,349

was this

1135

00:53:15,990 --> 00:53:12,960

part of this

1136

00:53:17,750 --> 00:53:16,000

it was a national public policy

1137

00:53:20,150 --> 00:53:17,760

there's no national public policy that

1138

00:53:22,230 --> 00:53:20,160

would be successful if your public

1139

00:53:25,430 --> 00:53:22,240

leaders

1140

00:53:30,230 --> 00:53:27,430

you're heads of navy

1141

00:53:31,990 --> 00:53:30,240

army air force

1142

00:53:37,589 --> 00:53:32,000

cia

1143

00:53:42,470 --> 00:53:40,630

more psychological stuff

1144

00:53:44,150 --> 00:53:42,480

with worldwide sightings reported it was

1145

00:53:44,870 --> 00:53:44,160

found that up to

1146

00:53:49,910 --> 00:53:44,880

the

1147

00:53:51,829 --> 00:53:49,920

already know

1148

00:53:56,790 --> 00:53:51,839

could be controlled already went over

1149

00:53:56,800 --> 00:53:59,750

yeah

1150

00:53:59,760 --> 00:54:03,910

all right this is a re-run

1151
00:54:03,920 --> 00:54:07,349
re-run

1152
00:54:07,359 --> 00:54:11,430
so it don't mind me

1153
00:54:14,630 --> 00:54:13,109
i think we've read this already the

1154
00:54:16,710 --> 00:54:14,640
problem transcends the level of

1155
00:54:19,510 --> 00:54:16,720
individual departmental responsibilities

1156
00:54:21,670 --> 00:54:19,520
and is of such importance as to merit

1157
00:54:24,069 --> 00:54:21,680
cognizance and action by the national

1158
00:54:30,069 --> 00:54:24,079
security council

1159
00:54:30,079 --> 00:54:36,829
so i'm gonna keep going

1160
00:54:41,910 --> 00:54:39,910
and on the basis of these programs of

1161
00:54:43,670 --> 00:54:41,920
research cia

1162
00:54:45,750 --> 00:54:43,680
develop and recommend for adoption by

1163
00:54:48,069 --> 00:54:45,760

the national security council a policy

1164

00:54:58,710 --> 00:54:48,079
of public information which will

1165

00:55:02,390 --> 00:55:00,069
um

1166

00:55:03,910 --> 00:55:02,400
yeah this is

1167

00:55:06,950 --> 00:55:03,920
man we're hitting an hour and we're

1168

00:55:08,630 --> 00:55:06,960
still not done

1169

00:55:09,670 --> 00:55:08,640
i guess we're gonna have to have a part

1170

00:55:11,349 --> 00:55:09,680
three

1171

00:55:12,390 --> 00:55:11,359
but i'll look at these documents and see

1172

00:55:15,349 --> 00:55:12,400
if

1173

00:55:20,870 --> 00:55:15,359
any of these are even better

1174

00:55:20,880 --> 00:55:28,630
okay actually i'm just gonna go

1175

00:55:28,640 --> 00:55:32,390
uh yeah we're gonna read this

1176
00:55:37,750 --> 00:55:35,990
so i believe this is a report

1177
00:55:41,990 --> 00:55:37,760
by osi

1178
00:55:46,150 --> 00:55:44,309
the purpose of this presentation is to

1179
00:55:47,670 --> 00:55:46,160
report the findings of the osi study

1180
00:55:49,670 --> 00:55:47,680
group as to the implications of the

1181
00:55:51,270 --> 00:55:49,680
flying saucer problem

1182
00:55:53,829 --> 00:55:51,280
i'll start with a resume of what we have

1183
00:55:56,950 --> 00:55:53,839
done in a short history of the subject

1184
00:55:58,950 --> 00:55:56,960
like we'll outline the air force effort

1185
00:56:00,829 --> 00:55:58,960
this is probably the best

1186
00:56:04,950 --> 00:56:00,839
report

1187
00:56:07,190 --> 00:56:04,960
um that osi is put together

1188
00:56:09,190 --> 00:56:07,200

or any one at the time is put together

1189

00:56:10,789 --> 00:56:09,200

about flank saucers so that's why i'm

1190

00:56:12,870 --> 00:56:10,799

reading it

1191

00:56:14,390 --> 00:56:12,880

we'll go uh we'll outline the air force

1192

00:56:15,750 --> 00:56:14,400

effort we'll go into the explanations of

1193

00:56:18,069 --> 00:56:15,760

sightings that will give you our

1194

00:56:20,230 --> 00:56:18,079

conclusions our group reviewed available

1195

00:56:21,990 --> 00:56:20,240

intelligence official reports press and

1196

00:56:23,829 --> 00:56:22,000

magazine coverage and the main popular

1197

00:56:26,230 --> 00:56:23,839

books indexes of soviet press were

1198

00:56:27,670 --> 00:56:26,240

scanned we spent today at wright field

1199

00:56:29,270 --> 00:56:27,680

with the officers conducting the air

1200

00:56:31,349 --> 00:56:29,280

force study and finally we took the

1201
00:56:33,910 --> 00:56:31,359
problem to a group of our own

1202
00:56:35,829 --> 00:56:33,920
consultants

1203
00:56:39,030 --> 00:56:35,839
the saucer freer in this country started

1204
00:56:40,950 --> 00:56:39,040
in june 1907 1947 with a report of nine

1205
00:56:43,430 --> 00:56:40,960
disks flying in formation

1206
00:56:45,349 --> 00:56:43,440
past mount rainier at an estimated speed

1207
00:56:47,190 --> 00:56:45,359
of a thousand miles per hour this was

1208
00:56:49,270 --> 00:56:47,200
filed immediately by continuing an

1209
00:56:50,630 --> 00:56:49,280
increasing flood of reports over the

1210
00:56:52,870 --> 00:56:50,640
months

1211
00:56:57,190 --> 00:56:52,880
therefore in 1948 the air force

1212
00:57:01,349 --> 00:56:59,589
to study the phenomenon where those

1213
00:57:03,589 --> 00:57:01,359

files by the way

1214

00:57:06,069 --> 00:57:03,599

and in december 1949 it released

1215

00:57:07,510 --> 00:57:06,079

sections of its secret report to the

1216

00:57:10,390 --> 00:57:07,520

press

1217

00:57:12,789 --> 00:57:10,400

the conclusion was that the sightings

1218

00:57:14,710 --> 00:57:12,799

stem from three causes so now when we

1219

00:57:16,470 --> 00:57:14,720

read these keep in mind what we've just

1220

00:57:18,230 --> 00:57:16,480

read that came out

1221

00:57:20,549 --> 00:57:18,240

three years

1222

00:57:21,750 --> 00:57:20,559

after this was told

1223

00:57:23,750 --> 00:57:21,760

to the public

1224

00:57:30,210 --> 00:57:23,760

mass hysteria hallucination and oaks

1225

00:57:34,789 --> 00:57:32,150

[Music]

1226

00:57:37,349 --> 00:57:34,799

the status this satisfied much of the

1227

00:57:39,990 --> 00:57:37,359

public but not certain sensational

1228

00:57:42,069 --> 00:57:40,000

writers thankfully

1229

00:57:43,670 --> 00:57:42,079

the resulting highly speculative books

1230

00:57:45,990 --> 00:57:43,680

and magazine articles combined with

1231

00:57:48,870 --> 00:57:46,000

increasing reports of sightings built up

1232

00:57:51,190 --> 00:57:48,880

such resurgence of public interest

1233

00:57:52,870 --> 00:57:51,200

that air force early in 1951 reopened

1234

00:57:55,430 --> 00:57:52,880

its study instituted a worldwide

1235

00:57:59,510 --> 00:57:55,440

reporting system and alerted its bases

1236

00:58:01,430 --> 00:57:59,520

to intercept the unidentified objects

1237

00:58:03,829 --> 00:58:01,440

general sanford gave their interim

1238

00:58:05,190 --> 00:58:03,839

conclusions in his recent press

1239

00:58:07,109 --> 00:58:05,200

conference

1240

00:58:09,349 --> 00:58:07,119

these were that analysis of the cases

1241

00:58:11,750 --> 00:58:09,359

showed no pattern of anything consistent

1242

00:58:13,829 --> 00:58:11,760

with any menace to the united states

1243

00:58:16,309 --> 00:58:13,839

this press conference was right after

1244

00:58:19,030 --> 00:58:16,319

washington sightings

1245

00:58:21,670 --> 00:58:19,040

no pattern of anything consistent yep

1246

00:58:23,750 --> 00:58:21,680

read that that the reason washington

1247

00:58:26,789 --> 00:58:23,760

reports were probably due to temperature

1248

00:58:31,510 --> 00:58:29,030

key term there probably

1249

00:58:33,750 --> 00:58:31,520

and that the unexplained sightings could

1250

00:58:37,829 --> 00:58:33,760

not have resulted from any experiments

1251
00:58:39,430 --> 00:58:37,839
or tests conducted by the united states

1252
00:58:42,630 --> 00:58:39,440
you know the interesting part here is

1253
00:58:44,710 --> 00:58:42,640
all the way going back to 1952

1254
00:58:48,150 --> 00:58:44,720
we discount

1255
00:58:48,160 --> 00:58:52,309
military pilot testimony

1256
00:58:56,870 --> 00:58:55,109
they write this like there were only

1257
00:58:58,230 --> 00:58:56,880
radar hits

1258
00:59:00,950 --> 00:58:58,240
that could have been incorrect or

1259
00:59:02,789 --> 00:59:00,960
malfunctioning that is not the case

1260
00:59:15,910 --> 00:59:02,799
there were commercial and military

1261
00:59:18,710 --> 00:59:17,430
and then they go on to say they weren't

1262
00:59:21,030 --> 00:59:18,720
they couldn't have been experiments or

1263
00:59:23,510 --> 00:59:21,040

tests conducted by the united states so

1264

00:59:25,750 --> 00:59:23,520

if you put that together with

1265

00:59:30,309 --> 00:59:25,760

eyewitnesses

1266

00:59:34,230 --> 00:59:30,319

and two different radar installations

1267

00:59:39,430 --> 00:59:37,430

and all of everything we've been reading

1268

00:59:42,870 --> 00:59:39,440

happened after

1269

00:59:45,190 --> 00:59:42,880

those sightings and the months following

1270

00:59:48,150 --> 00:59:45,200

those sightings

1271

00:59:53,990 --> 00:59:48,160

which led up to the robertson panel

1272

00:59:54,000 --> 00:59:57,670

and that's

1273

01:00:02,630 --> 00:59:59,670

in summarizing this discussion i would

1274

01:00:03,990 --> 01:00:02,640

restate that on three of the main

1275

01:00:07,190 --> 01:00:04,000

theories and explanation of these

1276

01:00:09,829 --> 01:00:07,200

phenomena the u.s development

1277

01:00:13,589 --> 01:00:09,839

u.s development russian development and

1278

01:00:16,150 --> 01:00:13,599

spaceships the evidence either

1279

01:00:17,750 --> 01:00:16,160

fact or of logic is so strongly against

1280

01:00:21,030 --> 01:00:17,760

them that they weren't at present no

1281

01:00:22,630 --> 01:00:21,040

more than speculative consideration

1282

01:00:24,390 --> 01:00:22,640

however it is important that there are

1283

01:00:26,309 --> 01:00:24,400

many who believe in them and will

1284

01:00:29,190 --> 01:00:26,319

continue to do so in spite of any

1285

01:00:31,270 --> 01:00:29,200

official pronouncement which may be made

1286

01:00:33,109 --> 01:00:31,280

you got that right

1287

01:00:34,870 --> 01:00:33,119

uh this whole affair has demonstrated

1288

01:00:36,549 --> 01:00:34,880

that there is a fair proportion of our

1289

01:00:39,349 --> 01:00:36,559

population which is mentally conditioned

1290

01:00:41,510 --> 01:00:39,359

to the acceptance of the incredible

1291

01:00:43,190 --> 01:00:41,520

thus we arrive at two danger points in a

1292

01:00:44,390 --> 01:00:43,200

situation of international attention

1293

01:00:46,630 --> 01:00:44,400

seem to have national security

1294

01:00:48,150 --> 01:00:46,640

implications

1295

01:00:51,109 --> 01:00:48,160

earlier we mentioned the search of

1296

01:00:52,789 --> 01:00:51,119

soviet press attic made a similar search

1297

01:00:55,030 --> 01:00:52,799

with worldwide sightings reported we

1298

01:00:58,950 --> 01:00:55,040

have found that one reporter comet yep

1299

01:00:58,960 --> 01:01:05,990

um let me get to the good stuff

1300

01:01:06,000 --> 01:01:08,950

um

1301

01:01:14,150 --> 01:01:11,030

let me see here air force is aware of

1302

01:01:15,510 --> 01:01:14,160

this and had investigated

1303

01:01:17,589 --> 01:01:15,520

a number

1304

01:01:19,670 --> 01:01:17,599

of the civilian groups

1305

01:01:26,150 --> 01:01:19,680

that have sprung up to follow the

1306

01:01:30,069 --> 01:01:27,990

air force is aware of this and had

1307

01:01:31,750 --> 01:01:30,079

investigated a number of the civilian

1308

01:01:34,309 --> 01:01:31,760

groups that have sprung up to follow the

1309

01:01:37,750 --> 01:01:35,910

one the civilian saucer committee in

1310

01:01:40,390 --> 01:01:37,760

california has substantial funds

1311

01:01:42,069 --> 01:01:40,400

strongly influences the editorial policy

1312

01:01:43,589 --> 01:01:42,079

of a number of newspapers and has

1313

01:01:45,270 --> 01:01:43,599

leaders whose connections may be

1314

01:01:47,829 --> 01:01:45,280

questionable

1315

01:01:50,630 --> 01:01:47,839

air force is watching this organization

1316

01:01:53,589 --> 01:01:50,640

because of its power to touch off mass

1317

01:01:55,589 --> 01:01:53,599

hysteria and panic

1318

01:01:57,750 --> 01:01:55,599

perhaps we from an intelligence point of

1319

01:01:59,990 --> 01:01:57,760

view should watch for any indication of

1320

01:02:04,069 --> 01:02:00,000

russian efforts to capitalize upon this

1321

01:02:07,670 --> 01:02:05,349

of even greater

1322

01:02:09,670 --> 01:02:07,680

moment is the second danger air warning

1323

01:02:12,150 --> 01:02:09,680

system

1324

01:02:15,349 --> 01:02:12,160

undoubtedly depend upon a combination of

1325

01:02:17,109 --> 01:02:15,359

radar scanning and visual observation

1326

01:02:19,670 --> 01:02:17,119

we give russia the capability of

1327

01:02:21,589 --> 01:02:19,680

delivering an air attack against us yet

1328

01:02:23,190 --> 01:02:21,599

at any given moment now

1329

01:02:24,870 --> 01:02:23,200

there may be

1330

01:02:26,870 --> 01:02:24,880

current a dozen yeah we already read

1331

01:02:29,109 --> 01:02:26,880

that

1332

01:02:31,029 --> 01:02:29,119

at the moment of attack how will we on

1333

01:02:32,470 --> 01:02:31,039

an instant basis distinguish hardware

1334

01:02:35,990 --> 01:02:32,480

from phantom

1335

01:02:39,589 --> 01:02:38,150

is that until far greater knowledge is

1336

01:02:43,829 --> 01:02:39,599

achieved

1337

01:02:48,150 --> 01:02:45,029

um

1338

01:02:49,829 --> 01:02:48,160

the little understood phenomenon

1339

01:03:01,430 --> 01:02:49,839

i wonder what's under there

1340

01:03:01,440 --> 01:03:07,430

i'm gonna um going here

1341

01:03:12,230 --> 01:03:10,069

i'm gonna keep going keep going keep

1342

01:03:13,750 --> 01:03:12,240

going keep going

1343

01:03:15,190 --> 01:03:13,760

because there's

1344

01:03:16,870 --> 01:03:15,200

there's a different reason than what

1345

01:03:21,589 --> 01:03:16,880

i've read so far that i said this is a

1346

01:03:21,599 --> 01:03:26,150

so

1347

01:03:29,510 --> 01:03:27,990

uh in the next few minutes i intend to

1348

01:03:31,430 --> 01:03:29,520

touch briefly upon the official

1349

01:03:33,910 --> 01:03:31,440

explanations of the great majority of

1350

01:03:35,510 --> 01:03:33,920

sightings of ufos and mention possible

1351

01:03:37,990 --> 01:03:35,520

phenomena which may account for some of

1352

01:03:39,670 --> 01:03:38,000

the open cases before we elaborate upon

1353

01:03:41,190 --> 01:03:39,680

the current explanations i would like

1354

01:03:43,910 --> 01:03:41,200

you to keep in mind certain facts which

1355

01:03:45,589 --> 01:03:43,920

are generally common to all reports

1356

01:03:47,829 --> 01:03:45,599

first in

1357

01:03:49,510 --> 01:03:47,839

is the earnestness of those making

1358

01:03:51,270 --> 01:03:49,520

reports

1359

01:03:53,829 --> 01:03:51,280

these people are certain that they have

1360

01:03:55,029 --> 01:03:53,839

seen something

1361

01:03:57,990 --> 01:03:55,039

secondly

1362

01:04:00,390 --> 01:03:58,000

objects cited almost always are reported

1363

01:04:03,910 --> 01:04:00,400

to be against the sky they're bought

1364

01:04:05,430 --> 01:04:03,920

there by providing no point of reference

1365

01:04:07,990 --> 01:04:05,440

thirdly without a reference point a

1366

01:04:09,430 --> 01:04:08,000

valid estimation of size speed distance

1367

01:04:10,470 --> 01:04:09,440

of relative motion is virtually

1368

01:04:14,710 --> 01:04:10,480

impossible

1369

01:04:18,549 --> 01:04:16,630

uh finally no debris or material

1370

01:04:21,190 --> 01:04:18,559

evidence has been recovered following an

1371

01:04:23,510 --> 01:04:21,200

unexplained sighting that is

1372

01:04:23,520 --> 01:04:26,870

lie

1373

01:04:31,910 --> 01:04:29,510

and i don't even mean

1374

01:04:33,589 --> 01:04:31,920

like an alien ship

1375

01:04:36,150 --> 01:04:33,599

right

1376

01:04:37,910 --> 01:04:36,160

no debris or material evidence has ever

1377

01:04:39,109 --> 01:04:37,920

been recovered following an unexplained

1378

01:04:41,430 --> 01:04:39,119

sighting

1379

01:04:44,150 --> 01:04:41,440

i can pull one up right freaking now

1380

01:04:48,230 --> 01:04:44,160

maybe it's a meteor

1381

01:04:53,349 --> 01:04:51,349

and there was evidence left

1382

01:04:56,230 --> 01:04:53,359

their blue book reports with the check

1383

01:05:01,349 --> 01:04:56,240

mark on the box that says physical

1384

01:05:06,309 --> 01:05:03,349

and each case of reported sightings

1385

01:05:07,990 --> 01:05:06,319

exists the personal element

1386

01:05:11,190 --> 01:05:08,000

this is the combined effect of

1387

01:05:13,190 --> 01:05:11,200

psychological and physiological factors

1388

01:05:15,349 --> 01:05:13,200

which individually

1389

01:05:17,829 --> 01:05:15,359

or together may have outstanding

1390

01:05:19,029 --> 01:05:17,839

importance in the accuracy of a person's

1391

01:05:20,789 --> 01:05:19,039

report

1392

01:05:22,789 --> 01:05:20,799

these factors generally cannot be

1393

01:05:23,910 --> 01:05:22,799

determined adequately psychological

1394

01:05:26,069 --> 01:05:23,920

factors are

1395

01:05:28,230 --> 01:05:26,079

mental conditioning by newspaper stories

1396

01:05:30,230 --> 01:05:28,240

of earlier reported sightings

1397

01:05:33,109 --> 01:05:30,240

individual emotional response with

1398

01:05:35,510 --> 01:05:33,119

respect to the unknown

1399

01:05:39,750 --> 01:05:35,520

desire for publicity resulting in

1400

01:05:45,270 --> 01:05:43,029

or complete fabrication

1401

01:05:47,750 --> 01:05:45,280

a motion of chase of

1402

01:05:50,069 --> 01:05:47,760

interceptor pilots

1403

01:05:51,910 --> 01:05:50,079

major physiological factors are a

1404

01:05:53,829 --> 01:05:51,920

general physical condition of the person

1405

01:05:55,589 --> 01:05:53,839

at the time of sighting

1406

01:05:58,230 --> 01:05:55,599

fatigue

1407

01:06:01,990 --> 01:06:00,230

that one is i believe

1408

01:06:04,150 --> 01:06:02,000

when you run out of oxygen and you're

1409

01:06:06,789 --> 01:06:04,160

flying up behind the sky like captain

1410

01:06:09,270 --> 01:06:06,799

mantell in

1411

01:06:15,589 --> 01:06:09,280

existence and extent of eye strain

1412

01:06:20,870 --> 01:06:18,549

insufficient night adaptation

1413

01:06:23,109 --> 01:06:20,880

now let us take up the explanations

1414

01:06:25,750 --> 01:06:23,119

which have been used to account for well

1415

01:06:27,950 --> 01:06:25,760

over a thousand cases under the category

1416

01:06:30,470 --> 01:06:27,960

of misinterpretation of identical

1417

01:06:31,910 --> 01:06:30,480

identifiable objects

1418

01:06:33,829 --> 01:06:31,920

attic feels that the most prevalent

1419

01:06:37,430 --> 01:06:33,839

misinterpretations have been

1420

01:06:39,349 --> 01:06:37,440

balloons aircraft uh meat ears

1421

01:06:44,870 --> 01:06:39,359

atmospheric phenomena instrumental

1422

01:06:52,710 --> 01:06:46,789

there are two types of high altitude

1423

01:06:52,720 --> 01:06:59,349

yeah we all know what that

1424

01:06:59,359 --> 01:07:04,549

um i'm just gonna keep going

1425

01:07:07,829 --> 01:07:06,230

uh the interesting thing here about

1426

01:07:09,510 --> 01:07:07,839

consequently because of the large number

1427

01:07:11,190 --> 01:07:09,520

of release daily of weather balloons

1428

01:07:13,430 --> 01:07:11,200

basically is what they're saying

1429

01:07:15,190 --> 01:07:13,440

um so they're basically drawing the

1430

01:07:17,109 --> 01:07:15,200

picture that

1431

01:07:20,150 --> 01:07:17,119

they could be all over and we don't know

1432

01:07:22,150 --> 01:07:20,160

which is um actually again incorrect

1433

01:07:25,910 --> 01:07:22,160

because

1434

01:07:32,150 --> 01:07:25,920

they had contact information

1435

01:07:38,630 --> 01:07:33,910

and would check the records along with

1436

01:07:40,710 --> 01:07:38,640

wind patterns on these sightings

1437

01:07:43,990 --> 01:07:40,720

and that's not me making it up you can

1438

01:07:45,349 --> 01:07:44,000

read that in project blue book files for

1439

01:07:47,190 --> 01:07:45,359

yourself

1440

01:07:50,309 --> 01:07:47,200

that was a part of their job and that's

1441

01:07:54,470 --> 01:07:52,230

sometimes they were balloons

1442

01:07:57,990 --> 01:07:54,480

but sometimes they'd call

1443

01:08:03,510 --> 01:07:58,000

a balloon palace and they'd say uh no

1444

01:08:07,670 --> 01:08:05,990

so then they get into um some pretty

1445

01:08:10,230 --> 01:08:07,680

dicey ones here

1446

01:08:12,549 --> 01:08:10,240

the man tell case captain mantel if

1447

01:08:13,990 --> 01:08:12,559

you're not familiar

1448

01:08:16,709 --> 01:08:14,000

that's a good case

1449

01:08:18,229 --> 01:08:16,719

referred to by

1450

01:08:20,470 --> 01:08:18,239

whoever has been explained as a

1451

01:08:21,590 --> 01:08:20,480

misinterpretation of a navy skyhook

1452

01:08:24,709 --> 01:08:21,600

balloon

1453

01:08:27,110 --> 01:08:24,719

this was in january 1947 there were

1454

01:08:28,550 --> 01:08:27,120

three interceptor aircraft one pilot by

1455

01:08:30,390 --> 01:08:28,560

captain mentel

1456

01:08:33,590 --> 01:08:30,400

he radioed in that he was going to climb

1457

01:08:35,829 --> 01:08:33,600

to 20 000 feet in an attempt to close it

1458

01:08:38,390 --> 01:08:35,839

his rather wild report

1459

01:08:41,669 --> 01:08:38,400

that the object was tremendous and his

1460

01:08:43,269 --> 01:08:41,679

subsequent crash are laid to the effects

1461

01:08:48,550 --> 01:08:43,279

of

1462

01:08:53,189 --> 01:08:50,630

a case under known conditions occurred

1463

01:08:55,269 --> 01:08:53,199

some months ago at right field

1464

01:08:57,030 --> 01:08:55,279

which illustrates the fact that the

1465

01:08:59,030 --> 01:08:57,040

objects at high altitudes may be in

1466

01:09:01,430 --> 01:08:59,040

sharper illumination even one or two

1467

01:09:03,510 --> 01:09:01,440

hours before dawn or after this case

1468

01:09:08,470 --> 01:09:03,520

also points up interesting

1469

01:09:15,030 --> 01:09:10,390

all right

1470

01:09:15,040 --> 01:09:21,269

i'm getting a little tired

1471

01:09:25,910 --> 01:09:24,070

so what i want i'm just skipping this uh

1472

01:09:28,709 --> 01:09:25,920

i hope people how they think people are

1473

01:09:28,719 --> 01:09:32,709

and

1474

01:09:32,719 --> 01:09:36,390

i want to go to

1475

01:09:36,400 --> 01:09:39,430

something else

1476

01:09:39,440 --> 01:09:47,749

i'm going to keep going

1477

01:09:52,630 --> 01:09:50,070

which basically they just go through

1478

01:09:55,910 --> 01:09:52,640

the different um

1479

01:10:00,830 --> 01:09:55,920

prosaic things and give an example of

1480

01:10:00,840 --> 01:10:09,270

prosaic but

1481

01:10:15,110 --> 01:10:11,750

there is something a little bit better

1482

01:10:26,890 --> 01:10:19,189

so hang in there with me and i will

1483

01:10:37,270 --> 01:10:29,669

[Music]

1484

01:10:41,430 --> 01:10:39,910

um then they go through in these areas

1485

01:10:44,630 --> 01:10:41,440

occur phenomena which may account for

1486

01:10:46,709 --> 01:10:44,640

optical or electronic aberrations

1487

01:10:49,750 --> 01:10:46,719

as well as for things actually seen

1488

01:10:53,189 --> 01:10:49,760

atmospheric ionization and extra

1489

01:10:54,709 --> 01:10:53,199

dash terrestrial phenomena

1490

01:10:56,830 --> 01:10:54,719

now when they put that dash in there

1491

01:10:58,950 --> 01:10:56,840

after extra

1492

01:11:09,510 --> 01:10:58,960

terrestrial um

1493

01:11:14,870 --> 01:11:10,630

um

1494

01:11:14,880 --> 01:11:21,430

i could just

1495

01:11:21,440 --> 01:11:25,510

okay here we go

1496

01:11:29,669 --> 01:11:27,910

uh this list could be extended at length

1497

01:11:31,910 --> 01:11:29,679

suffice to say our ignorance of the

1498

01:11:34,390 --> 01:11:31,920

nature and controlling factors of all

1499

01:11:36,229 --> 01:11:34,400

the above is immense

1500

01:11:38,390 --> 01:11:36,239

effects of interaction between these

1501
01:11:40,790 --> 01:11:38,400
natural phenomena and radioactive

1502
01:11:42,070 --> 01:11:40,800
material in the air can only be

1503
01:11:44,390 --> 01:11:42,080
conjectured

1504
01:11:45,910 --> 01:11:44,400
the appearance of unusual optical or

1505
01:11:47,750 --> 01:11:45,920
radar sightings caused by these

1506
01:11:50,709 --> 01:11:47,760
phenomena is possible

1507
01:11:52,630 --> 01:11:50,719
their occurrence cannot be predicted

1508
01:11:54,149 --> 01:11:52,640
there is some strength to the hypothesis

1509
01:11:58,070 --> 01:11:54,159
that many of the unexplained sightings

1510
01:11:59,910 --> 01:11:58,080
of ufos may be electromagnetic

1511
01:12:02,149 --> 01:11:59,920
or electrostatic

1512
01:12:03,830 --> 01:12:02,159
in character factors supporting this

1513
01:12:05,830 --> 01:12:03,840

hypothesis are

1514

01:12:08,310 --> 01:12:05,840

absence of sound although apparently

1515

01:12:10,390 --> 01:12:08,320

moving rapidly in the atmosphere

1516

01:12:13,110 --> 01:12:10,400

phenomena are apparently affected by

1517

01:12:14,950 --> 01:12:13,120

shock waves or electromagnetic radiation

1518

01:12:17,430 --> 01:12:14,960

of aircraft

1519

01:12:19,350 --> 01:12:17,440

reports of erratic operation of various

1520

01:12:20,550 --> 01:12:19,360

kinds of instruments in the vicinity of

1521

01:12:25,350 --> 01:12:20,560

sightings

1522

01:12:28,470 --> 01:12:25,360

and oak ridge at a time when the

1523

01:12:30,950 --> 01:12:28,480

background radiation count has risen

1524

01:12:36,310 --> 01:12:30,960

inexplicably

1525

01:12:38,470 --> 01:12:36,320

here we run out of even blue yonder

1526

01:12:41,030 --> 01:12:38,480

explanations that might be tenable and

1527

01:12:43,669 --> 01:12:41,040

yet we still are left with numbers of

1528

01:12:52,390 --> 01:12:43,679

incredible reports from credible

1529

01:12:52,400 --> 01:12:55,669

so

1530

01:13:02,870 --> 01:12:58,730

i think that's it for today

1531

01:13:07,110 --> 01:13:05,030

1537

01:13:24,630 --> 01:13:20,800

1538

01:13:27,669 --> 01:13:26,310

as far as historical

1539

01:13:30,790 --> 01:13:27,679

um there are more

1540

01:13:34,630 --> 01:13:30,800

cia documents but these

1541

01:13:38,070 --> 01:13:36,390

so to speak

1542

01:13:39,590 --> 01:13:38,080
